The Division of Student Affairs strives to foster a vibrant and inclusive campus community where every student is supported and empowered to thrive academically, personally, and socially. Through collaborative and student-centered initiatives, we aim to cultivate a holistic learning environment that promotes a sense of belonging for all students. By providing comprehensive resources, meaningful engagement opportunities, and proactive support services, we strive to enhance each student's journey and prepare them to be leaders in their local communities. Together, we embrace the spirit of lifelong learning and work to ensure we are creating an Exceptional Eastern Experience that enables students to enjoy their college experience and to make a positive impact on our campus and beyond.
