

# SCHOOL COUNSELING, MASTER OF ARTS IN EDUCATION (M.A.ED.)

## Admission Requirements

### Admissions to the Master of Arts in Education in School Counseling and the Master of Arts in Clinical Mental Health Counseling

The minimum program admissions requirements - based on those of the Graduate School - are a baccalaureate degree from a regionally accredited institution and a minimum overall undergraduate grade point average (GPA) of 3.0 on a 4.0 scale. If an applicant does not have an overall undergraduate GPA of 3.0 or higher, then one of the following must be met:

1. The individual's undergraduate GPA in the final 60 credits of their degree must be a 3.25 or higher, or
2. The individual must submit Graduate Record Exam (GRE) or Miller Analogy Test (MAT) scores.

If an applicant needs to submit GRE or MAT scores, then the program maintains the following minimum requirements of these scores and at least one of them must be met:

1. A score of 146 or higher on the verbal section of the GRE.
2. A score of 146 or higher on the quantitative section of the GRE.
3. A score of 365 or higher on the MAT.

The applicant must also submit additional application materials as described on the counseling program area website at <https://coecounseling.eku.edu/school-counseling-program-description-master-arts-education-maed> (<https://coecounseling.eku.edu/school-counseling-program-description-master-arts-education-maed/>). Applicants who meet all of the above requirements must attend a virtual group admissions interview.

Additionally, the Counselor Education Program requires a state criminal history background check approved\* by the College of Education and Applied Human Sciences as a condition of admission. Under certain circumstances, a national criminal background check may be required as a condition of admission. An additional state criminal background check approved\* by the College of Education and Applied Human Sciences is required prior to beginning off campus internship courses (COU 880, COU 881) or may be required at additional points in the program. Under certain circumstances, a national criminal background check may be required. Students must purchase professional liability insurance prior to enrollment in any clinical practice class including COU 846, COU 820, COU 880, and COU 881. Further, that insurance coverage must be maintained throughout enrollment in the graduate program in any class that includes clinical applications.

\*"Approved" is a formal review process of the criminal records report. Any misrepresentation of facts, by omission or addition, may result in the denial of admission to the Counselor Education Program or enrollment in off campus externship courses.

## Program Requirements

CIP Code: 13.1101

### The 36-Credit M.A.Ed. in School Counseling Degree

Code	Title	Hours
<b>Major Requirements</b>
