

ELEMENTARY EDUCATION COUNSELOR SEEKING SECONDARY SCHOOL COUNSELING ENDORSEMENT PREPARATION PROGRAM

Endorsement Preparation Programs

These are programs of study that do not lead to a degree or to an ECU awarded recognition but instead prepare the student, upon recommendation from ECU, for more advanced professional endorsement by the Commonwealth of Kentucky Education Professional Standards Board (EPSB).

Only those who hold a master's degree in school counseling are eligible for this program; those holding degrees in education or related fields are ineligible. Individuals holding a master's degree in education or a related field must first complete a School Counseling degree program before applying to this program.
