

SCHOOL LEADERSHIP, UNIVERSITY CERTIFICATE

Eastern Kentucky University offers an advanced School Leadership, University Certificate program designed to prepare educators to lead in P-12 schools and systems. Specifically, the fully online program positions aspiring school leaders to earn school leadership certification in the areas of Principal, Director of Pupil Personnel, Supervisor of Instruction, and/or School Superintendent.

Admission Requirements

1. Documentation of three (3) years teaching experience.
2. District administration candidates must hold principal certification. Additionally, superintendent candidates must provide documentation of two years of administrative experience.
3. Provision of two (2) letters of recommendation from school/district supervisors and one (1) letter from a district official pledging support for the clinical experiences.
4. Provision of a written statement indicating ability to improve student achievement, to lead, and to possess advanced knowledge of curriculum, instruction, and assessment
