

INTERDISCIPLINARY EARLY CHILDHOOD EDUCATION CERTIFICATION (IECE)

Note: Completion of the above program will not suffice for completion of a Rank program. For IECE Certification, the PRAXIS test in the area of specialty must be passed.

Certification Preparation Programs

These are programs of study which do not lead to a degree or to an ECU awarded recognition but instead prepare the student, upon recommendation from ECU, for professional certification by the Commonwealth of Kentucky Education Professional Standards Board.

General Information

Candidates pursuing special education certification in Learning and Behavior Disorders, Interdisciplinary Early Childhood Education, and Deaf and Hard of Hearing must hold teaching certification. The certification options are listed below. Additional hours may apply toward a sixth year program (Rank I). It is very important that candidates seek early advisement from the department.

The prerequisites are an undergraduate degree in early childhood or related field and a Kentucky Teaching Certificate or meet all requirements for admission to professional education.

Candidates entering the Graduate Certification Program in IECE without a prior Kentucky teaching certification must contact the College of Education and Applied Human Sciences Office of Licensure and Certification at 859-622-1829 for additional requirements.

Admission Requirements

To be eligible for admission into any special education nondegree graduate program (Rank II, I), a candidate must have a minimum undergraduate GPA of 2.75 overall or 3.0 in the last 30 hours of course work.
