

MASTER OF SCIENCE IN NURSING WITH A CONCENTRATION IN RURAL HEALTH FAMILY NURSE PRACTITIONER (M.S.N.)

General Information

The School of Nursing offers the Master of Science in Nursing (MSN) degree. The program is designed to allow nurses with a baccalaureate degree to prepare for rural health advanced practice roles. MSN degree concentrations available include Rural Health Family Nurse Practitioner and Rural Psychiatric Mental Health Nurse Practitioner. Graduates of the MSN program will have specific competencies related to rural health nursing practice either as a Rural Health Family Nurse Practitioner or as a Rural Psychiatric Mental Health Nurse Practitioner.

Program Outcomes

1. Demonstrate the synthesis of expert knowledge for advanced nursing practice in diverse populations.
2. Evaluate nursing and interprofessional theory and evidence-based practice for their contributions to advanced nursing practice and professional role development.
3. Provide leadership in the appraisal and improvement of healthcare and healthcare delivery.
4. Use systematic methods to design, implement, and evaluate evidence-based advanced nursing practice.
5. Participate in organizational and political systems to influence healthcare and healthcare delivery.
6. Communicate, collaborate, and consult with clients, nurses, and other professionals to meet healthcare needs of individuals and populations.
7. Actively demonstrate the advanced nursing practice role.
8. Integrate ethical and legal principles in advanced nursing practice.

Admission Requirements

In addition to meeting the requirements of the Graduate School, the minimum requirements for admission to the program include

1. a baccalaureate degree in nursing from a nationally accredited program,
2. RN license from an approved state,
3. an undergraduate GPA of at least 3.0 (4.0 scale) cumulative,
4. a three hour graduate or undergraduate course in statistics with a grade of "C" or higher.

Admission is competitive and limited to available space. In addition to the above criteria, consideration is also given to the applicant's professional work experience, the applicant's professional statement, and the three required professional references submitted with the Graduate School application.

Please refer to the School of Nursing website at <https://nursing.eku.edu/masters-degree-programs> (<https://nursing.eku.edu/masters-degree-programs/>) for specific information on the application process for

admission and progression plans for study. For the Rural Health Family Nurse Practitioner Concentration contact 859-622-6458. For the Rural Psychiatric Mental Health Nurse Practitioner Concentration contact 859-622-7927.

Progression Policy

To progress, students must complete all required course work with a grade of "B" or higher and must complete any prerequisite courses before advancing to the next course. Students who fail to meet the requirements for progression must apply for readmission. Readmission to a nursing course is not guaranteed to any student. Please refer to the Student Handbook for specific information on readmission procedures. The program reserves the right to alter the suggested plan as necessary to enhance a quality educational program.
