

REHABILITATION SCIENCES DOCTORAL PROGRAM

Rehabilitation Sciences Doctoral Program

(in collaboration with the University of Kentucky)

General Information

The Department of Occupational Science and Occupational Therapy participates in a collaborative Rehabilitation Sciences Doctoral Program with the University of Kentucky. The Doctoral Program in Rehabilitation Sciences is designed to produce academic leaders, researchers, and clinical leaders. The curriculum will provide the students with general knowledge of the full spectrum of the rehabilitation process as well as in-depth knowledge of one specific area of a discipline, such as Occupational Therapy, Physical Therapy, Athletic Training, or Speech and Communication. The degree is awarded by the University of Kentucky.

Admission Requirements

The student will apply to the University of Kentucky Graduate School. Students must meet the admission criteria of the Graduate School at the University of Kentucky, possess a Master's Degree and be eligible for a current license to practice in Kentucky.

Program Requirements

Program requirements can be obtained from <https://www.uky.edu/chs/academic-programs/rehabilitation-sciences-phd-program> (<https://www.uky.edu/chs/academic-programs/rehabilitation-sciences-phd-program/>).

Exit Requirements

Successful completion of a planned program, comprehensive exam, and a dissertation are required for completion of the Rehabilitation Sciences Doctoral Program.
