

ADDICTIONS INTERVENTION, UNIVERSITY CERTIFICATE

Interdisciplinary University Certificate (IUC) programs provide a low-cost, alternative pathway for an academic credential that conveys expertise in a shared area of concern. Students gain unparalleled access to specialized courses that have been carefully selected for this curriculum. The Addictions Intervention Certificate Program enables students to draw from different perspectives and opportunities to build interdisciplinary partnerships around cutting-edge practices in addictions intervention. IUC courses vary in timing of being offered, but students have a number of course options. Students can also submit a petition to the IUC Advisory Board requesting a course to be counted toward an IUC.

Program Requirements

CIP Code: 44.0701

Code	Title	Hours
