

CHILD AND FAMILY SERVICES, UNIVERSITY CERTIFICATE

Interdisciplinary Certificate in Child and Family Services

Interdisciplinary University Certificate (IUC) programs provide a low-cost, alternative pathway for an academic credential that conveys expertise in a shared area of concern. Students gain unparalleled access to specialized courses that have been carefully selected for this curriculum. The Child and Family Services Certificate Program enables students to draw from different perspectives and opportunities to build interdisciplinary partnerships around cutting-edge practices in child and family services. IUC courses vary in timing of being offered, but students have a number of course options. Students can also submit a petition to the IUC Advisory Board requesting a course to be counted toward an IUC.
