The Eastern Kentucky University International Alumni Association serves as a link between the University and its alumni by maintaining records, fostering communication, and sponsoring programs and activities designed to enhance this relationship.

All Eastern Kentucky University degree recipients and former students with 25 or more credit hours are considered alumni of ECU. The International Alumni Association is served by a board of 30 alumni volunteers, representing the diversity of our alumni constituency, who meet three times annually. Their work includes selection of the Alumni Awards, Alumni Scholarship recipients and general committee work.

The Alumni Association coordinates multiple gatherings across the nation to encourage alumni and friends of ECU to come together. The greatest of these is Homecoming and Reunion Weekend held annually in the fall. This celebration brings alumni back to campus to reconnect with their classmates and learn more about University improvements and initiatives.

The International Alumni Association encourages fellow alumni to advocate in a positive way for ECU both online and among friends, attend ECU sponsored events, give back to the university financially, and volunteer your time by serving on an advisory board, referring a student, or assisting with an event. We encourage alumni from the past to complete these four fundamental actions to impact the future.

## Who We Are

The Colonel's Cupboard is an initiative of the Office of Student Life & First-Year Experience, opened in 2014. The Cupboard was started to fight the growing problem of food insecurity on campuses across the nation. Today, we strive to help students succeed by providing them with their basic needs of food, clothing, and toiletry items. We are entirely run off of donations from ECU students, faculty, and staff, as well as community members. All enrolled students at the university are eligible to use the Cupboard.

## What We Do

- Provide food, clothing, and toiletry items to any currently enrolled student who has a need.
- Connect students with other resources, on and off campus, to help with other needs.
- Provide educational materials about food insecurity, healthy eating, etc.

- Host volunteers, both groups and individuals, who want to give back on campus.
- Donate overstocked goods to other local food pantries in need.

## How it Works

- Complete the form at [communityservice.eku.edu/cupboard](http://communityservice.eku.edu/cupboard) (<http://www.communityservice.eku.edu/cupboard/>) or email [food.pantry@eku.edu](mailto:food.pantry@eku.edu) to make an appointment.

## Student Publications

Eastern Kentucky University provides a variety of laboratory experiences through student publications. The Eastern Progress Media Network has been established to provide professional involvement in the activities of The Eastern Progress, the University's student online and print publication. Academic and support units coordinate the institutional support of student publications but do not govern the content. The courts have consistently held that where a tradition of student decision making exists in student publications, those publications are afforded the same Constitutional First Amendment protection as other publications. Concomitant with those rights, go certain responsibilities, which also accrue to the student publications. Accordingly, the responsibility for the content of the publications is that of the student editors and writers and not Eastern Kentucky University or its Board of Regents.

The **Eastern Progress Media Network** is a learning lab for students interested in media, marketing and public relations. The EPMN produces a newspaper and online multimedia content and is the official student publication of the University. All students are encouraged to take advantage of the journalism and advertising training it offers. Since its establishment in 1922, The Progress has been rated as an All American Newspaper by Associated Collegiate Press and a Medalist paper by Columbia Scholastic Press Association. The Progress and its student journalists have won many state and national awards, including countless Kentucky Press Association honors, national Pacemakers and Gold Crown awards. In January 2019, student journalists at the Eastern Progress Media Network and other state campus publications were recognized as KPA's Most Valuable Member. Reach the Progress online at [www.easternprogress.com](http://www.easternprogress.com) (<http://www.easternprogress.com>).

**Aurora** is a magazine of student writings published by its student staff to encourage interest in literary activity. Aurora accepts poems, one-act plays, short stories, prose sketches, and essays from any Eastern student. Editions are published in the fall (online by the ENG 420 Stylistics, Editing, Publishing class) and spring (hard copy). Cash prizes are awarded for the best works (fiction and poetry) at the time of the spring publication.

## Emergency Management & Security

### Adams House

424 Lancaster Ave  
Division of Public Safety  
Phone: (859) 622-1111  
<http://emergency.eku.edu/>

### Emergency Notifications:

Rave Mobile Safety is EKU's primary mass notification system. The University has implemented a multi-modal emergency notification system to inform the community about incidents and emergencies affecting campus. Realizing that message redundancy is a necessity, EKU has seven primary notification methods available for the community. Any one, or a combination, of these alert methods may be used depending on the nature and severity of the event. More information about Situational Awareness, Emergency Notifications, and Timely Warnings can be found at the following web page: <https://emergency.eku.edu/situational-awareness-%E2%80%93-emergency-notifications-and-timely-warnings> (<https://emergency.eku.edu/situational-awareness-%E2%80%93-emergency-notifications-and-timely-warnings/>)

Systems Include:

- Sirens - Audible sirens can be broadcast over four loudspeakers strategically placed on campus. This system can be activated by the EKU Division of Public Safety as well as the Madison County Emergency Management Agency for weather and community emergency notifications.
- Text Messaging - An opt-out notification where a text message can be received on your mobile phone. EKU and Rave do not charge for this service; however, your carrier may have standard text messaging charges. (Note: Students should periodically check their mobile phone numbers when their numbers change and make corrections as necessary.)
- Voice Messaging - An opt-out notification where a voice message can be received on your mobile or home phone. (Note: Students should periodically check their mobile phone numbers when their numbers change and make corrections as necessary.)
- Email Messaging - This notification provides an email message about an event. Current students, faculty, and staff are automatically registered to receive notifications on their EKU email account and cannot opt-out of this type of notification. You can opt-in to

receive emails on other email accounts. Community members are encouraged to check their email frequently throughout the day to be sure they see any message sent by this alert method.

- RSS Feeds - A message can be posted on the Emergency Management, Police Department, or University web pages.
- Network Messaging - A visual notification can be made across computers connected to the ECU network. When an alert is sent out, a pop-up box appears on your screen. No personal information is gathered or transmitted with the use of this alerting system.
- Social Media - ECU can use Twitter and Facebook to send notifications to the community. These social systems require the user to check to receive any messages posted. Follow @EKUEmergency on Twitter and like ECU Emergency Management on Facebook.

Living Safely at ECU

Life can be unpredictable. The Division of Facilities Management & Safety asks that all our community members download the ECU S.A.F.E. App.

For maximum utility, you must turn on location services for this app so that your location can be checked and sent to Public Safety, or to one of your Contacts. Privacy is your concern, and you decide whether to enable your location services. Enabling this feature, on your mobile phone, for this app, helps people get to you when you need assistance.

The free personal safety app is available for download on both the Apple and Android platforms at

Apple: <https://apps.apple.com/us/app/s-a-f-e-safety-app-for-eku/id1550124036> (<https://apps.apple.com/us/app/s-a-f-e-safety-app-for-eku/id1550124036/>) and Android: <https://play.google.com/store/apps/details?id=com.cutcom.apparmor.eku> (<https://play.google.com/store/apps/details?id=com.cutcom.apparmor.eku>)

The app puts various safety services at the fingertips of users:

- Push Notifications – Allows users to receive emergency notifications and timely warnings sent from Public Safety, via ECU Alerts, using our email alert method. (Note: Community members, who are not ECU employees or ECU students, can SMS to Opt-In for emergency notifications sent from Public Safety, using our text alert method. Be informed. Text “EKUAlerts” to 67283 (MRAVE), 226787 (CAMPUS), 78015, or 77295.)
- ECU News Feed – Displays recent tweets from @eku.
- Emergency HELP – Contains buttons to Call 911 if you are off the ECU Richmond Campus, Call ECU Police if you are on the Richmond Campus, chat with ECU Police via text for the deaf or hard of hearing or when it is not safe for you to speak. Emergency Call checks your physical location and determines that if you are inside the campus geofence, your call goes to ECU Police, and if you are outside the campus geofence, your call goes to 911 for help.
- Safety Escort/Friend Walk – Has options to contact the ECU Police, to request a safety escort on the Richmond Campus, or allows you to send your location in real-time to a friend, so they can watch you as you travel to your destination.
- Mobile BlueLight ALARM – Contains a button that simultaneously sends your location to ECU Police and makes a phone call to ECU Police. ECU Police can receive your location in real-time on their Dashboard and they can speak with you on the phone.
- WorkAlone – Allows you to start a session with either a personal contact, anywhere, or with Public Safety if you are on the Richmond Campus. This feature will automatically check in on you while working or studying alone and can automatically trigger a call to your personal contact or Public Safety if you fail to check-in at the allotted time, or if you press the emergency button.
- Report a Tip – Allows you to report tips on a variety of topics and gives you an option of attaching a photo or video. The tips are automatically routed to the appropriate office(s).
- Health & Safety Toolbox – Has options to contact the ECU Police, the Counselling Center, Student Health Services, and Center for Student Accessibility.
- Campus Maps – Provides access to a Parking Map, Enhanced Shelter In Place Buildings, and Evacuation Assembly Areas.

- Manage Profile – Under the About/Preferences button, users can manage their profile and add information to help emergency responders. This information is only available to and used by the ECU Division of Public Safety for emergency purposes. It allows individuals to volunteer information to help us keep you safe. Items the user can volunteer include Allergies, Medications, On-Campus Primary Address/Location, Secondary or Additional Addresses/ Locations (for individuals whose work or studies take them to multiple locations on campus), Permanent Address, Additional Phone Numbers, Emergency Contact Name and Phone Number. The more information volunteered, the more effectively we can find you and help you should the need arise.

for one another by reporting issues, communicating directly with the ECU Police Department, providing tips, watching friends virtually walk, and other safety items.

We are proud of our strong partnership with the Student Government Association as we collaborate to provide safety resources, such as this app, that benefits our entire campus community. Colonels care for one another and this app provides a platform for our community to look out
