All statements in this publication are announcements of present policy only and are subject to change without prior notice. Nothing contained in this publication is intended to create nor shall be construed as creating a contract, either express or implied, or guarantee for any term or for any specific procedures.

Eastern Kentucky University is an Equal Opportunity/Affirmative Action employer and educational institution and does not discriminate on the basis of age, race, color, religion, sex, sexual orientation, disability, national origin or Vietnam era or other veteran status in the admission to, or participation in, any educational program or activity which it conducts. Any complaint arising by reason of alleged discrimination should be directed to the Equal Opportunity Office of Eastern Kentucky University (Jones Building, Room 106, CPO 37A, Richmond, KY 40475-3102, 859-622-8020 v/tdd), or to the Director of the Office for Civil Rights, U.S. Department of Education, Philadelphia, PA.

The Board of Regents of Eastern Kentucky University does hereby reaffirm the University’s commitment to providing educational opportunities to all qualified students regardless of economic or social status and ensuring that participation in all University sponsored activities will be administered in a way that furthers the principles of equal employment and educational opportunities.

Eastern Kentucky University does not discriminate on the basis of disability in the admission or access to educational opportunities, programs or activities. The Director of Services for Individuals with Disabilities, Turley House, Room 1, Eastern Kentucky University, Richmond, Kentucky 40475, coordinates compliance with all federal, state and local laws and regulations concerning access for disabled individuals. Requests for information concerning the Americans with Disabilities Act and other federal and state laws relating to disabilities and the rights provided thereunder, as well as all requests for accommodations based upon disability should be directed to this office.

Eastern Kentucky University is committed to providing a healthy and safe environment for its students, faculty and staff through its compliance with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendment of 1989. In accordance with these laws, students, faculty and staff are hereby notified of the standards of conduct which shall be applicable while on University property, on University business or at University sponsored activities.

By University rules and regulations, federal laws, state laws, and local ordinances, students, faculty and staff are prohibited from the unlawful possession, use, dispensation, distribution, or manufacture of illicit drugs on University property, on University business and/or at University sponsored activities.

Any member of the student body, faculty or staff who violates the University’s standards of conduct shall be subject to appropriate disciplinary action up to and including expulsion and/or termination. In addition to disciplinary sanctions, students or employees may face prosecution and imprisonment under federal and/or state laws which make such acts felony or misdemeanor crimes. The specifically defined standards of conduct, the disciplinary procedures and possible sanctions appear in the Student Handbook and the Faculty Handbook.

Expulsion of a student is permanent separation and removal from the University. The sanction of expulsion must be approved by the University president or the president’s designee; it requires a student to be withdrawn or failed from all classes, suspended from the residence halls or graduate housing (if applicable), banned from all University facilities (and subject to arrest for trespassing), rendered ineligible to register for any University class, and prohibited from participating in University activities. The student’s transcript will indicate that the student was expelled, with the notation: “Expelled - Ineligible to Return”.

Continuous efforts are made to make students, faculty and staff aware of the on-campus and off-campus programs which provide information and professional services on matters related to the abuse of alcohol and drugs. For additional information individuals should contact the Eastern Kentucky University Counseling Center.

Federal Regulations

(as amended)
PUBLIC LAW 93-380

This is to serve notice to all students of Eastern Kentucky University of the rights and restrictions regarding the maintenance, inspection, and release of student records contained in the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended. The University is composed of five colleges and offers a wide variety of services to students. Each college and service requires the maintenance of some records concerning students enrolled in a particular college or participating in a nonacademic service. The location and type of record maintained by the University depends upon the field of study or service in which the student is enrolled. The following is a list of the types of records maintained by the University for students:

1. Grade reports
2. Transcripts
3. Curriculum information
4. Applications for graduation
5. Correspondence with students, if any
6. Withdrawal records, if applicable
7. Admission forms
8. ACT test scores
9. Student teacher evaluations, if applicable
10. Letters of recommendation, if applicable
11. Nominations for awards if applicable
12. Biographical data
1. Access to Records: In general, the records maintained by the University are available only to the student, to University personnel with legitimate educational interests, to other institutions where the student is seeking financial aid, and to authorized representatives of the Comptroller General of the U.S., the Secretary of Education, or an administrative head of an education agency, in connection with an audit or evaluation of federally support programs, and as provided by Section 164.283 of the Kentucky Revised Statutes. However, information may be released by the institution to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other persons. Records may also be furnished in compliance with a judicial order or pursuant to a subpoena or with the consent of the student.

Students may inspect and review all records pertaining to them within forty-five (45) days of making request for same, except for (1) records created or maintained by a physician, psychiatrist, psychologist or other recognized professional or paraprofessional acting or assisting in a professional capacity in connection with treatment of the student (except that the student may have these records reviewed by a physician or appropriate professional designated by the student), (2) financial records of the student’s parents, (3) confidential letters and recommendations put in the files prior to January 1, 1975, and (4) confidential recommendations relating to admission, applications for employment, or honors, if the student has waived his/her right to review such records. Where a particular record cannot be reviewed by a student without revealing confidential information relating to other students, the records custodian will inform the student, upon request, of the contents of the record pertaining to that student.

Parents who claim a student as a dependent may present their federal tax declaration, in lieu of having the student’s written consent, to gain access to information concerning their children’s grades.

2. Disciplinary Records: Disciplinary records are defined as those records (maintained in any format) which relate exclusively to violations of University General Regulations Governing Student Behavior which have been adjudicated through the office of Student Rights and Responsibilities. Complaints to the Office of Student Rights and Responsibilities which have been dismissed or withdrawn by the University are not considered disciplinary records. A student disciplinary record includes and is limited to: 1) violation report, 2) student notification letter, 3) sanction sheet, 4) notice of hearing, 5) students right form, 6) roll call of hearing participants in any hearing, 7) documents presented as evidence during any hearing, 8) record of Student Disciplinary Council hearing; 9) appeal letter with accompanying documents; and 10) final disposition of appeal.

3. Directory Information: The University may release information without the student’s consent where the information is classified as “directory information.” The following categories of information have been designated by the University as directory information: name, address (excluding EKU residence hall room number), telephone listing (excluding cell phone), email address, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, academic level (undergraduate or graduate), academic class (freshman, sophomore, junior, or senior), dates of attendance, enrollment status, degrees and awards received, student photo or likeness, and the most recent previous education institution attended by the student. Students who do not wish such information released without their consent should notify the Student Records Office in writing. Any such request should be sent to Office of the Registrar, Office of Academic Records/Transcripts, Eastern Kentucky University, Student Success Building Room 239, CPO 58, 521 Lancaster Avenue, Richmond, Kentucky 40475-3158.

4. Notification of Rights Under FERPA for Postsecondary Institutions: The Family Educational Rights and Privacy Act affords students certain rights with respect to their education records. All EKU students are informed of their FERPA rights each year during the fall term through an email notification sent to their official EKU email address. Each student’s FERPA rights are:

   (1) The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

   (2) The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

   If the University decides not to amend the record as requested by the student, the University will notify the student of the decision

---

13. Evaluation forms, if applicable
14. Weekly student teacher logs, if applicable
15. Mid-term evaluation, if applicable
16. Records of school visitations, if applicable
17. Physical education requirement waivers
18. Field training evaluations and correspondence, if applicable
19. Professional conduct agreements and liability insurance coverage
20. Disciplinary Records
and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning allege failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 600 Independence Avenue SW, Washington, DC 20202-4605.

5. Procedures for Challenge: A student who believes that any record maintained by the University pertaining directly to that student is inaccurate, misleading, or otherwise violative of the right of privacy of the student as provided by Title IV of Pub. L. 90-247, as amended, and Publ. L. 93-380 as amended by Senate Joint Resolution 40 (1974) may request a hearing before a panel of three persons appointed by the President of the University. The panel may direct that appropriate action be taken to correct, explain, or expunge the record(s) challenged.

Request for hearings should be addressed to the Office of University Counsel, Eastern Kentucky University, Coates Room 205, CPO 40A, 521 Lancaster Avenue, Richmond, Kentucky 40475-3102.

Student Right-To-Know Act
(Pub. L. 101-542)
Eastern Kentucky University
1999-2000

Section 103 of the Student Right-To-Know and Campus Security Act of 1990 (Public Law 101-542) as amended by the Higher Education Technical Amendments of 1991 (Public Law 102-26) requires public disclosure of relevant graduation rate information for students enrolled in colleges and universities receiving federal financial assistance annually beginning July 1, 1993. Graduation rate information is published each year in the University Handbook for Students or may be obtained upon request from the Office of the Senior Vice President for Academics and Provost, Coates Administration Building, Room 110, CPO 30A, 521 Lancaster Avenue, Richmond, Kentucky 40475-3102.

Introduction

Eastern Kentucky University is a regional, coeducational, public institution of higher education offering general and liberal arts programs, pre-professional and professional training in education and various other fields at both the undergraduate and graduate levels. Located in Richmond, Madison County, Kentucky, Eastern Kentucky University has a distinguished record of more than a century of educational service to the Commonwealth.

Situated near the heart of the Bluegrass, Richmond is served by a network of major highways which makes Eastern Kentucky University easily accessible from all parts of Kentucky and surrounding states. Richmond is 26 miles southeast of Lexington, Kentucky. Interstate Highways 1-75 (north-south) and I-64 (east-west) make the metropolitan areas of Cincinnati, 112 miles to the north, and Louisville, 110 miles to the west, within convenient distance by automobile. Richmond is also served by U.S. Route 25 from south Eastern Kentucky and Kentucky Route 52 from the east and west. The Kentucky Turnpike and the Mountain, Hal Rogers, and Cumberland Parkways provide even greater accessibility by automobile since the city is located near the convergence of these arterial highways into the interstate system.

Richmond, the county seat of Madison County, is an expanding community of approximately 30,000 population.

In and around Richmond are many areas of historic and scenic interest. Boonesborough State Park, birthplace of Kentucky, is located 12 miles to the north. Many other historical places are within easy driving distance. Scenic and recreational areas surround this section of the state.

History

The Kentucky General Assembly of 1906 enacted legislation establishing the Eastern Kentucky State Normal School. Governor J. C. Beckham signed the bill into law on March 21, 1906. On May 7 of that year, the Normal School Commission, meeting in Louisville, selected the campus of the old Central University, founded in 1874, in Richmond, Kentucky, as the site of the new school. On June 2, 1908, Ruric Nevel Roark was chosen President of the Normal School and the training of teachers was begun.

In 1922, Eastern Kentucky University became a four-year institution known as the Eastern Kentucky State Normal School and Teachers College. The first degrees were awarded by this institution in 1925. In 1928, the College was accredited by the Southern Association of Colleges and Secondary Schools. In 1930, the General Assembly renamed the school the Eastern Kentucky State Teachers College.

In 1935, a graduate program was approved at Eastern, leading to the Master of Arts degree in Education. In 1948, the General Assembly removed the word “Teachers” from the name of the college and granted the college the right to award nonprofessional degrees.

The most significant day since its founding came for Eastern on February 26, 1966, when Governor Edward T. Breathitt signed into law a bill renaming the institution Eastern Kentucky University (EKU) and sanctioning the awarding of graduate degrees in academic fields other than education.

During this period of time, Eastern Kentucky University has increased rapidly in size and stature. Beginning with a few students engaged in short review and certificate courses, the University today serves thousands of Kentuckians. The curriculum leads to associate degrees, baccalaureate degrees, and an expanding graduate program that currently offers degrees at the master’s level in many other fields as well as the already well-established Master of Arts degree in Education and the various fifth- and sixth-year leadership programs in education. Specialist degree programs have been implemented in education and psychology.

In 2008, EKU offered its first doctoral degree, the Doctor of Education (Ed.D.). Since that time, EKU also offers the Doctor of Nursing Practice (DNP) and the Occupational Therapy Doctorate (OTD).

Ever-mindful of the purpose of its founding, Eastern continues to recognize its historic function of preparing quality teachers for the elementary and secondary schools of the Commonwealth. However, a strong liberal arts curriculum leading to appropriate degrees, together with pre-professional courses in several areas and graduate programs, enable Eastern to serve the Commonwealth as a regional comprehensive university.

Mission Statement

As a school of opportunity, Eastern Kentucky University fosters personal growth and prepares students to contribute to the success and vitality of their communities, the Commonwealth, and the world.

Eastern Kentucky University is committed to access, equal opportunity, dignity, respect, and inclusion for all people, as integral to a learning environment in which intellectual creativity and diversity thrives.

Core Values

Eastern Kentucky University’s values shall permeate the mission and will be the fiber of the institution for it to achieve its vision.

Since its inception in 1874, Eastern Kentucky University (then known as Central University) has been driven by core values. Although its mission has evolved and expanded to meet the changing needs of citizens of the Commonwealth (and increasingly other places in the world), core values are still an integral part of the University community. Values are the code of organizational conduct. They guide decision-making in all parts of the University. They direct our actions and must inspire all of us in the EKU community to be true to them. The EKU community is committed to embodying these values in our policies and procedures in our day-to-day activities to accomplish our mission and achieve our vision. EKU has been and will continue to be guided by the following values when planning strategies and implementing decisions regarding the University community’s teaching, scholarly, and service activities.

Intellectual Vitality, which is characterized by knowledge, scholarly inquiry, creativity, critical thinking, and curiosity, all with a global perspective;

Sense of Community, which is characterized by a supportive environment with strong relationships and a commitment to service, shared governance, collaboration, and unity of purpose;

Cultural Competency, which is characterized by equitable opportunities and treatment, mutual respect, and the inclusion and
celebration of diverse peoples and ideas;

**Stewardship of Place**, by which the University enhances the intellectual capacity, economic vitality, environmental sustainability, and quality of life of the communities it serves;

**Accountability**, which is characterized by fiscal responsibility, operational transparency, and responsiveness to the needs of internal and external stakeholders; and

**Excellence**, which is achieved through integrity, continuous quality improvement, and a focused emphasis on the personal and professional growth of students, faculty, and staff.

**Vision**

Eastern Kentucky University will be a premier university dedicated to innovative student engagement and success, advancing Kentucky, and impacting the world.

The vision expresses the principal ideal to which the University aspires and toward which it continually works. This vision statement for the University Strategic Plan was developed after gathering input from external and internal constituents, including top-down and bottom-up perspectives of EKU’s future.

**Institutional Goals**

Eastern Kentucky University’s institutional goals give substance to our core values, vision statement, and mission statement. The goals impact all facets of university life, and accomplishment of them will help Eastern to become a leading comprehensive university in the Commonwealth with a national reputation for excellence.

- Academic Excellence
- Commitment to Student Success
- Institutional Distinction
- Financial Strength
- Campus Revitalization
- Service to Communities and Region

**Strategic Directions**

**Make No Little Plans: A Vision for 2020**

With input from the University communities and the Strategic Planning Steering Committee, this plan outlines the areas we need to add, emphasize, or grow in order to achieve our vision of being a premier university dedicated to innovative student engagement and success, advancing Kentucky, and impacting the world.

**Strategic Goal 1: Academic Excellence**

Strategic Direction 1.1: Invest in Our Faculty
Strategic Direction 1.2: Promote Innovative Instruction and Programming.
Strategic Direction 1.3: Strengthen Academic Programs

**Strategic Goal 2: Commitment to Student Success**

Strategic Direction 2.1: Invest in Our Students
Strategic Direction 2.2: Focus on Strategic Enrollment
Strategic Direction 2.3: Increase Efforts to Retain and Graduate Students

**Strategic Goal 3: Institutional Distinction**

Strategic Direction 3.1: Invest in Our Staff
Strategic Direction 3.2: Advance the EKU Brand
Strategic Direction 3.3: Create a Dynamic, Diverse, and Inclusive University Culture

**Strategic Goal 4: Financial Strength**

Strategic Direction 4.1: Optimize Campus Resources
Strategic Direction 4.2: Increase External Support
Strategic Direction 4.3:

**Strategic Goal 5: Campus Revitalization**

Strategic Direction 5.1: Initiate and complete EKU Revitalization plan, which includes rehabilitation of existing facilities and construction of new ones with a focus on the EKU student experience.

**Strategic Goal 6: Service to Communities and Region**

Strategic Direction 6.1: Become the 1st-Choice Partner in Regional Educational, Economic, Cultural, and Social Development
Strategic Direction 6.2: Become Nationally Prominent in Fields with Regional Relevance
Strategic Direction 6.3: Bring EKU to Our Service Region
Strategic Direction 6.4: Bring Our Service Region to EKU

ADMISSION TO THE UNIVERSITY

GENERAL REQUIREMENTS FOR UNDERGRADUATE ADMISSION

All applicants must provide an application and evidence of appropriate scholastic achievement through prior educational experience.

Please note that certain degree programs have special admission requirements. Admission to the University does not mean automatic admission to all degree programs.

The completed application and all required supporting documentation must be received by the University no later than:

- August 1 for fall enrollment
- November 1 for spring enrollment
- May 1 for summer enrollment

To apply for undergraduate admission to Eastern Kentucky University (EKU), submit completed application materials noted below and the $35 application fee to: Office of Admissions, Whitlock Bldg. 112, CPO 54, 521 Lancaster Avenue, Eastern Kentucky University, Richmond, KY 40475-3154.

ADMISSION REQUIREMENTS FOR FIRST-TIME FRESHMEN

FULL ADMISSION

Students who meet the following criteria will be granted full admission to the University:

Have graduated from an accredited high school earning a minimum cumulative high school grade point average of 2.5 on a 4.0 scale.¹

AND

Have submitted a minimum ACT or SAT score of:²

• ACT English: 15+ or SAT Evidence Based Reading/Writing: 480
• ACT Math: 16+ or SAT Math 470
• ACT Reading: 15+ or SAT Evidence Based Reading/Writing: 480

AND

Meet the Kentucky Pre-College Curriculum

AND

Have submitted an official six-semester high school transcript, or a General Equivalency Diploma (GED), or documentation indicating completion of an EKU approved home-school or distance learning high school program.³

¹All students must submit official test scores at the time of application.
²Adult Learners (21 years of age or older) may use Residual ACT, Compass Test, or University Placement Exam results in place of ACT or SAT scores.
³Students must submit final high school transcripts that show graduation.

DIRECTED ADMISSION

Students who meet the criteria for full admission and have ACT (or equivalent SAT) subject scores below 18 in English or 20 in reading, or are missing Pre-College Curriculum requirements, will be granted admission to the University in this category.

Students who have an ACT (or equivalent SAT) subject scores below 16 in Mathematics, 15 in English, or 15 in Reading will be granted Success First Admission for the summer term only and must successfully complete directed coursework to remain enrolled for the fall term. Students who subsequent to admission submitted test scores demonstrating proficiency at or above the indicated scores will be permitted to register for fall classes.

SUCCESS FIRST ADMISSION

Students who do not meet the specified criteria for full or directed admission and have a high school GPA of 2.0-2.49 on a 4.0 scale may be granted admission to the University through the Success First Initiative. Students will be admitted to associate level programs initially until they demonstrate academic success. Refer to Success First Initiatives on page 44 in the College Readiness section for further details.

NOTE: All admitted students must meet the state-mandated college readiness standards for all subjects prior to registering for classes, or they must enroll in required preparatory coursework beginning their first academic semester.

ADMISSION ON APPEAL

Students who apply but are denied admission to the University may submit a written appeal to the Admissions Appeals Committee.

The committee will carefully consider all aspects of the applicant’s situation, including academic record and desire to attend EKU, as presented in the appeal request.

If granted admission by the committee, students will partner with an academic success coach and sign a Student Success Agreement specifying academic expectations and requirements for remaining enrolled at the University.

The admissions appeal form and information regarding the appeals process can be found on the EKU Admissions website or in the Office of Admissions. For more information regarding the Student Success Agreement, see that portion of the catalog.

EASTERN BRIDGE SUCCESS FIRST PROGRAM

Refer to the Developmental Education and College Readiness section on page 44.

REQUIREMENTS FOR INTERNATIONAL STUDENTS

International applicants must also submit:

1. International application for admission and application fee.
2. TOEFL Scores-minimum requirement 530 (paper based), 195 (computer based), or 72 (internet based with no band score below 16) OR Official IELTS Scores- must have at least 5.0 in all categories and 6.0 overall. Prospective Japanese students may qualify with an EIKEN test score of Pre-1. Eastern Kentucky University will accept completion of level 112 from any English Language Services (ELS) program in lieu of TOEFL/IELTS Scores. Students may submit ACT or SAT scores with reading and English scores for consideration as demonstrated language proficiency.

ACT sub-scores of an 18 in English or 18 in Reading
OR SAT sub-score of 470 in Critical Reading, or 430 in Writing will also be sufficient to meet the English Language Requirement.

(3) Declaration and Certification of Finances and a supporting bank letter, showing financial support to attend Eastern Kentucky University.

(4) Official Secondary School Record(s) mailed to the Office of Admissions. Photocopies are not acceptable unless they are certified copies.

(5) Official College or University transcripts (Photocopies of academic documents are not considered official unless they carry an original signature and stamp of authorization from the issuing institution). You must have a minimum institutional GPA of 2.0 and at least 24 credit hours from an accredited institution. University level courses taken at institutions outside of the U.S. must be evaluated by one of the following outside agencies (i.e. World Education Services (www.wes.org) or JSilny and Associates (www.jsilny.com). Questions regarding the process of foreign transcript evaluation may be directed to the Office of Admissions. Photo copies are not accepted.

(6) Application fee of $35.

Requirements for Admission as a Transfer Student

To be admitted as a transfer student, you must:

(1) Submit a final official transcript from each regionally accredited institution you have attended. Eastern Kentucky University does not accept credits from institutions that are not regionally accredited. Note that the transcript must be sent from the student’s institution to Eastern Kentucky University’s Office of Admissions. Hand-carried transcripts will not be accepted.

(2) Have a 2.0 grade point average (GPA) on a 4.0 scale on all work from accredited institutions.

(3) Provide evidence that you are eligible to return to any institution you have previously attended when good academic standing is not indicated on the official transcript.

(4) Students with less than 24 college academic credits awarded since high school graduation will be considered first time freshmen for admissions purposes and will need to also submit ACT scores and high school transcripts. A student’s college coursework and academic performance will be considered in determining admissibility. While ACT scores are not required for transfer students with greater than 24 credit hours earned since high school graduation, students are encouraged to submit scores for proper course placement in English, mathematics, and reading courses. If proficiency in English, mathematics, and/or reading cannot be established by a review of the college transfer record, students will be required to prove proficiency through testing or appropriate course completion. Questions may be directed to the Office of Academic Readiness, 859-622-1892.

*Note: If you are admitted as a transfer student, your institutional GPA will include hours attempted and quality points earned from all regionally accredited institutions. The Academic Advising Office and the academic department of your major will determine the applicability of your courses to your academic program.

*Note: Eastern Kentucky University subscribes fully to the policies of the “General Education Transfer Agreement” of the Kentucky Council on Postsecondary Education. Thus, Eastern Kentucky University will apply courses transferred from Kentucky public institutions to its general education requirements in accord with those policies.

Requirements for Readmission

All previously enrolled EKU undergraduate students who have not attended Eastern Kentucky University for a period longer than 24 months must apply and be approved for readmission to the University before being allowed to continue taking classes.

Students who wish to return to EKU, who have an overall GPA that is equal to or greater than 1.5 and less than a 2.0, will return on Academic Probation status. These students will be assigned an academic coach in the Office of University Advising, and will develop an academic success plan with their coach before being allowed to register for classes. Continued enrollment is contingent upon adherence to their signed academic Student Success Agreement and meeting EKU Academic Standards Policy.

Students who wish to return to EKU but left with a GPA of less than 1.5 must appeal for readmission through the Admissions Appeal Committee, in addition to submitting an application for readmission to the Office of Admissions. The form and instructions for an appeal for readmission can be found on the EKU Registrar’s website (http://www.registrar.eku.edu/Forms; Academic Standing/Readmit Appeals Form).

If the student’s appeal is approved he/she will be readmitted upon submitting an application for readmission. Both the application to the Office of Admissions, and the appeal to the Admissions Appeal Committee may be submitted simultaneously. The Admissions Appeal Committee may require an in-person interview during the appeal consideration process. If their appeal to return to EKU is approved these students will return on Academic Probation status. They will be assigned an academic coach in the Office of University Advising, and will develop an academic success plan with their coach before being allowed to register for classes. Continued enrollment is contingent upon adherence to their signed academic Student Success Agreement and meeting EKU Academic Standards Policy.

If a student has attended another institution since leaving EKU, and has been out of the University for longer than 24 months, his/her return to EKU will be considered under the readmission guidelines above instead of the student being considered a transfer student.

Students who have received a Developmental Dismissal must submit documentation (a transcript or official test scores) indicating that proficiency has been earned for any needed developmental coursework before they may be readmitted to the University.

See the “Stopping Out” procedure in Section Four for additional information.

Other Types of Admission

1. High School Specials

Students who have one unit less than the number required for high school graduation with superior grades (i.e., 3.0+ grade point average) may be admitted upon the written recommendation of the
high school principal or guidance counselor.

2. EKU Dual Credit

EKU’s dual credit program is open to high school juniors and seniors, residing within Kentucky, who meet eligibility requirements, and whose school is partnering with EKU through a memorandum of agreement. Dual credit programs are designed to reduce degree cost and time to degree for Kentucky students. Academically strong high school students may qualify for reduced or free tuition. (See EKU Now! section below.)

Dual Credit students may enroll in a maximum of 2 courses per fall and spring semester of their junior and senior years in high school at the reduced dual credit tuition rate. They may also take advantage of the EKU “Summer 2” term, for a maximum of one course, at the reduced dual credit tuition rate, during the summer. A maximum of eight courses in total may be taken at the dual credit tuition rate.

Students may enroll at any EKU campus offering applicable courses. Courses may include general education courses or departmentally approved introductory courses for specific majors. Students may attend approved EKU courses on high school campuses via face-to-face, E-Presence, or online instruction. Students are required to meet all course pre-requisites.

EKU Dual Credit courses offered in the high school, are to be composed only of students enrolled for EKU Credit.

To qualify for EKU’s Dual Credit Program, high school juniors or seniors must have a 3.0 high school GPA and have ACT/PLAN scores on file with EKU at the time of application. Students must have minimum ACT/PLAN subscores of 18 in English and 20 in Reading, with a minimum ACT/PLAN composite score of 20.

To apply for EKU Dual Credit, students must submit an online Dual Credit application, ACT scores and a high school transcript by the application deadline specified for each semester. A new application and supporting documentation must be submitted each academic year to continue. EKU waives the application fee for dual credit admission.

Dual Credit students will attend special advising sessions and register for courses during a specified period prior to the beginning of an academic semester. Advising and registration sessions will be available on each of EKU’s participating campuses.

Continued participation in EKU’s Dual Credit program is dependent upon successful completion of courses. Dual credit students are expected to maintain a 2.0 minimum institutional GPA. Students who earn a “D” or an “F” in a course(s) will be required to successfully repeat the course(s) and earn a 2.0 term GPA in order to continue in the dual credit program. Students who elect to repeat a course will contact the Office of the Registrar for registration approval and assistance. Students repeating courses will be charged full dual credit tuition.

EKU Now! is a scholarship program for dual credit students which provides the opportunity for qualifying juniors and seniors to earn free college credit. High school juniors and seniors with a 3.0 high school GPA, ACT/PLAN composite score of 21 and above, and ACT/PLAN scores of 18 in English, 19 in Math, and 20 in Reading are eligible to receive a dual credit scholarship for one course per semester. This scholarship will pay full dual credit tuition. EKU Now! participants who successfully maintain academic eligibility may earn scholarships for up to five free EKU courses and may include one summer course.

EKU Now! participants who maintain a minimum 3.5 unweighted high school GPA and a 23 ACT composite can earn an additional four dual credit scholarships, one per semester, tuition free. These students will be designated Whitlock Scholar Candidates. Additional information regarding Whitlock Scholars can be obtained by calling 859-622-6532.

All dual credit students are responsible for the cost of textbooks and parking permits when applicable. Students electing to use the Student Recreation Center may request that this fee be added to their accounts.

NOTE: KYOTE test scores, EKU Placement Test scores, PARCC or Smarter Balanced scores may be substituted for ACT sub-scores. EKU Dual Credit scholarships will be applied after any KY Dual Credit Scholarships offered through KHEAA. When applicable, SAT conversion scores may be determined by EKU’s Department of Academic Testing.

Additional information on college readiness scores is available from EKU Academic Testing: 859-622-1281 or visit http://developmentaleducation.eku.edu/

Exceptions to the junior/senior status will be taken into consideration when a student meets one of the dual credit scholarship levels. Exceptions must be approved in writing by the high school principal. A student’s academic and social maturity should be considered for the success of the student. The request will be routed through the Office of the Senior Vice President for Academics and Provost for final approval. These students may enroll in one course per semester prior to their junior and senior years in high school.

Exceptions to the high school GPA requirement for juniors and seniors will be taken into consideration upon the written recommendation of the high school principal. The request will be routed through the Office of the Senior Vice President for Academics and Provost for final approval. High schools may have a maximum of 2% of their EKU Dual Credit enrollment (or two students, whichever is higher) participating under the high school GPA exception.

3. Early High School Graduates

- Applicants must meet full admissions requirements to the university:
  - A minimum GPA of 2.5 on a 4.0 scale
  - Must meet Kentucky college readiness standards on ACT: English 18, Math 19, Reading 20
  - A complete application consists of:
    * EKU Application (online or paper)
    * An Official High School Transcript
    * ACT or SAT Scores
    * $35 Application Fee

- Applicants must have a date of graduation prior to the start of your intended term of entry. If the high school transcript does not include an expected graduation date, we may need additional time to follow up with your high school.

- The high school transcript must reflect that the student has completed at least 75% of our recommended high school course work (equivalent to completion of junior year) before we can make decision. For most early graduates, we expect to see at least six semester of high school work completed, though we may review transcripts with just five semesters completed for applicants graduating a full year early.
• A letter from the applicant’s counselor, on official letterhead, stating that early graduation has been approved by the High School. If the student is completing early graduation through the State of Kentucky, a Letter of Intent must be completed as well.
• Admission is conditional until a final, official high school transcript has been received. Admitted students are not able to register for the second semester of enrollment until a final, official transcript has been received.

4. Visiting Students

If you are a student at another institution and wish to enroll at Eastern Kentucky University as a visiting, or “transient,” student, you may be admitted by submitting an official transcript or a statement indicating that you are eligible to return to your institution.

5. Admission as a Non-Degree Student

Upon submission of an application, you may be admitted as a non-degree student. If so admitted,

1. Your eligibility for enrollment in specific courses will be dependent upon meeting the stated course prerequisites.
2. You must meet with an academic advisor to be advised and receive a RAC number;
3. You will not be eligible to receive financial assistance awards.

If you subsequently decide to pursue a degree, you must reapply for admission as a degree seeker. If you are thus admitted,

1. You will be required to remediate all pre-college curriculum deficiencies and to satisfy all Eastern Kentucky University developmental or college readiness requirements.

6. O’Donnell Scholarship Recipients

If you are at least 65 years of age, you may be admitted to Eastern Kentucky University with a waiver of tuition. You need submit only an application for admission.

7. Home-Schooled Students

Eastern Kentucky University applies the same admissions requirements to home-schooled students as those who graduate from a public or private high school. Students who meet our criteria will be granted an admissions status as established by the current admissions policy: Full Admit, Provisional Admit, Probationary Admit, or Special Admit.

Home-schooled students are subject to the secondary education standards established by the Kentucky Department of Education and the Kentucky Council on Post Secondary Education. This includes meeting the curriculum guidelines of the State approved Pre-College Curriculum.

In order to gain admission to Eastern Kentucky University, in addition to the application and application fee, these students must submit a notarized copy of their official transcript demonstrating they have met the PCC curriculum and have a minimum cumulative GPA of 2.0 on a 4.0 scale. They must also submit an official ACT score report.

8. International Baccalaureate

Students who complete the International Baccalaureate Diploma may present their official exam results for demonstration of completion of secondary education. Based on the exam scores received, students will qualify for advanced academic placement (See Section Four General Academic Information or www.testing.eku.edu).

KENTUCKY PRE-COLLEGE CURRICULUM

The Kentucky Pre-College Curriculum (PCC) is defined by the Kentucky Council on Postsecondary Education (CPE) as a prescribed set of high school courses required for admission to an associate or baccalaureate degree program at a Kentucky public university. The PCC better prepares students for college-level work and reflects high school graduation requirements established by the state of Kentucky, which include: 4 credits of English/Language Arts; 3 credits of Mathematics; 3 credits of Social Studies; 3 credits of Science; 2 credits or demonstrated competency in a World Language; 1 credit of History of Appreciation of Visual and Performing Arts; a ½ credit of Health; and a ½ credit of Physical Education.

Students under 21 years of age must complete the Pre-College Curriculum if they are admitted to the University as a degree seeking student, transfer to EKU with fewer than 24 credit hours, or transfer to the University with a GPA less than 2.0 on a 4.0 scale. PCC deficiencies must be remediated via placement in the appropriate General Education courses within the first 24 hours of enrollment, excluding developmental hours.

• Students with a pre-college curriculum deficiency in World Languages are required to complete six credit hours of an approved World Language. All six credit hours must be earned in the same World Language*.
• Students with PCC deficiencies in other subject areas (English, Mathematics, Social Studies, Science) will remediate those needs by following the EKU General Education curriculum.

Questions about Kentucky Pre-College Curriculum requirements may be directed to any of the following offices: Academic Readiness, Admissions, or Advising.

STUDENT RESIDENCY

Since registration and other fees and residence hall room rents are subject to change periodically, no attempt is made in this
publication to itemize these costs. This information is available from the Office of Admissions prior to the beginning of each academic year.

Any veteran of the Armed Forces of the United States or National Guard who is eligible for Post-9/11 GI Bill® benefits who enrolls as a student in the university as a non-Kentucky resident will be charged no more than the maximum tuition reimbursement provided under the Post-9/11 GI Bill® to public universities for eligible Kentucky residents. Veterans must submit a DD-214 or VA Certificate (Letter) of Eligibility for Post 9-11 (Chapter 33) GI Bill® benefits through the Office of Military and Veterans Affairs to the Office of Admissions to validate their eligibility for this provision.

STATUTORY AUTHORITY: KRS 164.020(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 164.020(8)

164.020(8) requires the Council on Postsecondary Education to determine tuition and approve the minimum qualifications for admission to a state-supported postsecondary education institution and authorizes the Council to set different tuition amounts for residents of Kentucky and for nonresidents. This administrative regulation establishes the procedure and guidelines for determining the residency status of a student who is seeking admission to, or who is enrolled at, a state-supported postsecondary education institution.

Section 1. Definitions.
(1) “Academic term” means a division of the school year during which a course of studies is offered, and includes a semester, quarter, or single consolidated summer term as defined by the institution.
(2) “Continuous enrollment” means enrollment in a state-supported postsecondary education institution at the same degree level for consecutive terms, excluding summer terms, since the beginning of the period for which continuous enrollment is claimed unless a sequence of continuous enrollment is broken due to extenuating circumstances beyond the student’s control, such as serious personal illness or injury, or illness or death of a parent.
(3) “Degree level” means enrollment in a course or program which could result in the award of a:
(a) Certificate, diploma, or other program award at an institution;
(b) Baccalaureate degree or lower, including enrollment in a course by a nondegree-seeking postbaccalaureate student;
(c) Graduate degree or graduate certification other than a first-professional degree in law, medicine, dentistry, or “Pharm. D”; or
(d) Professional degree in law, medicine, dentistry, or “Pharm. D”.
(4) “Dependent person” means a person who cannot demonstrate financial independence from parents or persons other than a spouse and who does not meet the criteria for independence established in Section 5 of this administrative regulation.
(5) “ Determination of residency status” means the decision of a postsecondary education institution that results in the classification of a person as a Kentucky resident or as a nonresident for admission and tuition assessment purposes.
(6) “Domicile” means a person’s true, fixed, and permanent home and is the place where the person intends to remain indefinitely, and to which the person expects to return if absent without intending to establish a new domicile elsewhere.
(7) “Full-time employment” means continuous employment for at least forty-eight (48) weeks at an average of at least thirty (30) hours per week.
(8) “Independent person” means a person who demonstrates financial independence from parents or persons other than a spouse and who meets the criteria for independence established in Section 5 of this administrative regulation.
(9) “Institution” means an entity defined by KRS 164.001(12) if the type of institution is not expressly stated and includes the Kentucky Virtual University, the Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority.
(10) “Kentucky resident” means a person determined by an institution for tuition purposes to be domiciled in, and a resident of, Kentucky as determined by this administrative regulation.
(11) “Nonresident” means a person who:
(a) Is domiciled outside Kentucky;
(b) Currently maintains legal residence outside Kentucky; or
(c) Is not a Kentucky resident as determined by this administrative regulation.
(12) “Parent” means one (1) of the following:
(a) A person’s father or mother; or
(b) A court-appointed legal guardian if:
1. The guardianship is recognized by an appropriate court within the United States;
2. There was a relinquishment of the rights of the parents; and
3. The guardianship was not established primarily to confer Kentucky residency on the person.
(13) “Preponderance of the evidence” means the greater weight of evidence or evidence that is more credible and convincing to the mind.
(14) “Residence” means the place of abode of a person and the place where the person is physically present most of the time for a noneducational purpose in accordance with Section 3 of this administrative regulation.
(15) “Student financial aid” means all forms of payments to a student if one (1) condition of receiving the payment is the enrollment of the student at an institution, and includes student employment by the institution or a graduate assistantship.
(16) “Sustenance” means:
(a) Living expenses, such as room, board, maintenance, and transportation; and
(b) Educational expenses, such as tuition, fees, books, and supplies.

Section 2. Scope.
(1) State-supported postsecondary education institutions were established and are maintained by the Commonwealth of Kentucky primarily for the benefit of qualified residents of Kentucky. The substantial commitment of public resources to postsecondary education is predicated on the proposition...
that the state benefits significantly from the existence of an educated citizenry. As a matter of policy, access to postsecondary education shall be provided so far as feasible at reasonable cost to a qualified individual who is domiciled in Kentucky and who is a resident of Kentucky.

(2) In accordance with the duties established in KRS 164.020, the Council on Postsecondary Education may require a student who is neither domiciled in, nor a resident of, Kentucky to meet higher admission standards and to pay a higher level of tuition than resident students.

(3) Unless otherwise indicated, this administrative regulation shall apply to all student residency determinations, regardless of circumstances, including residency determinations made by:

(a) The state-supported institutions for prospective and currently-enrolled students;
(b) The Southern Regional Education Board for contract spaces;
(c) Reciprocity agreements, if appropriate;
(d) The Kentucky Virtual University;
(e) Academic common market programs;
(f) The Kentucky Educational Excellence Scholarship Program; and
(g) Other state student financial aid programs, as appropriate.

Section 3. Determination of Residency Status; General Rules.

(1) A determination of residency shall include:

(a) An initial determination of residency status by an institution:
   1. During the admission process;
   2. Upon enrollment in an institution for a specific academic term; or
   3. For admission into a specific academic program;
(b) A reconsideration of a determination of residency status by an institution based upon a changed circumstance; or
(c) A formal hearing conducted by an institution upon request of a student after other administrative procedures have been completed.

(2) An initial determination of residency status shall be based upon:

(a) The facts in existence when the credentials established by an institution for admission for a specific academic term have been received and during the period of review by the institution;
(b) Information derived from admissions materials;
(c) If applicable, other materials required by an institution and consistent with this administrative regulation;
and
(d) Other information available to the institution from any source.

(3) An individual seeking a determination of Kentucky residency status shall demonstrate that status by a preponderance of the evidence.

(4) A determination of residency status shall be based upon verifiable circumstances or actions.

(5) Evidence and information cited as the basis for Kentucky domicile and residency shall accompany the application for a determination of residency status.

(6) A student classified as a nonresident shall retain that status until the student is officially reclassified by an institution.

(7) A student may apply for a review of a determination of residency status once for each academic term.

(8) If an institution has information that a student’s residency status may be incorrect, the institution shall review and determine the student’s correct residency status.

(9) If the Council on Postsecondary Education has information that an institution’s determination of residency status for a student may be incorrect, it may require the institution to review the circumstances and report the results of that review.

(10) An institution shall impose a penalty or sanction against a student who gives incorrect or misleading information to an institutional official, including payment of nonresident tuition for each academic term for which resident tuition was assessed based on an improper determination of residency status. The penalty or sanction may also include:

(a) Student discipline by the institution through a policy written and disseminated to students; or
(b) Criminal prosecution.

Section 4. Presumptions Regarding Residency Status.

(1) In making a determination of residency status, it shall be presumed that a person is a nonresident if:

(a) A person is, or seeks to be, an undergraduate student and admissions records show the student to be a graduate of an out-of-state high school within five (5) years prior to a request for a determination of residency status;
(b) A person’s admissions records indicate the student’s residence to be outside of Kentucky when the student applied for admission;
(c) A person moves to Kentucky primarily for the purpose of enrollment in an institution;
(d) A person moves to Kentucky and within twelve (12) months enrolls at an institution more than half time;
(e) A person has a continuous absence of one (1) year from Kentucky; or
(f) A person attended an out-of-state higher education institution during the past academic year and paid in-state tuition at that institution.

(2) A presumption arising from subsection (1) of this section shall only be overcome by preponderance of evidence sufficient to demonstrate that a person is domiciled in and is a resident of Kentucky.

Section 5. Determination of Whether a Student is Dependent or Independent.

(1) In a determination of residency status, an institution shall first determine whether a student is dependent or independent. This provision shall be predicated on the assumption that a dependent person lacks the financial ability to live independently of the person upon whom the student is dependent, and therefore, lacks the ability to form the requisite intent to establish domicile.

A determination that a student is independent shall be one (1) step in the overall determination of whether a student is or is not a resident of Kentucky.

(2) In determining the dependent or independent status of a person,
the following information shall be considered, as well as other relevant information available when the determination is made:

(a) Whether the person has been claimed as a dependent on the federal or state tax returns of a parent or other person for the year preceding the date of application for a determination of residency status; or

(b) Whether the person has financial earnings and resources independent of a person other than an independent spouse necessary to provide for the person’s own sustenance.

(3) An individual who enrolls at an institution immediately following graduation from high school and remains enrolled shall be presumed to be a dependent person unless the contrary is evident from the information submitted.

(4) Domicile may be inferred from the student’s permanent address, parent’s mailing address, or location of high school of graduation.

(5) Marriage to an independent person domiciled in and who is a resident of Kentucky shall be a factor considered by an institution in determining whether a student is dependent or independent.

(6) Financial assistance from, or a loan made by, a parent or family member other than an independent spouse, if used for sustenance of the student:

(a) Shall not be considered in establishing a student as independent; and

(b) Shall be a factor in establishing that a student is dependent.

Section 6. Effect of a Determination of Dependent Status on a Determination of Residency Status.

(1) The effect of a determination that a person is dependent shall be:

(a) The domicile and residency of a dependent person shall be the same as either parent. The domicile and residency of the parent shall be determined in the same manner as the domicile and residency of an independent person; and

(b) The domicile and residency of a dependent person whose parents are divorced, separated, or otherwise living apart shall be Kentucky if either parent is domiciled in and is a resident of Kentucky regardless of which parent has legal custody or is entitled to claim that person as a dependent pursuant to federal or Kentucky income tax provisions.

(2) If the parent or parents of a dependent person are Kentucky residents and are domiciled in Kentucky, but subsequently move from the state:

(a) The dependent person shall be considered a resident of Kentucky while in continuous enrollment at the degree level in which currently enrolled; and

(b) The dependent person’s residency status shall be reassessed if continuous enrollment is broken or the current degree level is completed.

Section 7. Member or Former Member of Armed Forces of the United States, Spouse and Dependents; Effect on a Determination of Residency Status.

(1) A member, spouse, or dependent of a member whose domicile and residency was Kentucky when inducted into the Armed Forces of the United States, and who maintains Kentucky as home of record and permanent address, shall be entitled to Kentucky residency status:

(a) During the member’s time of active service; or

(b) If the member returns to this state within six (6) months of the date of the member’s discharge from active duty.

(2) A member of the armed services on active duty for more than thirty (30) days and who has a permanent duty station in Kentucky shall be classified as a Kentucky resident and shall be entitled to in-state tuition as shall the spouse or a dependent child of the member.

(b) A member, spouse, or dependent of a member shall not lose Kentucky residency status if the member is transferred on military orders while the member, spouse, or dependent requesting the status is in continuous enrollment at the degree level in which currently enrolled.

(3) Membership in the National Guard or civilian employment at a military base alone shall not qualify a person for Kentucky residency status under the provisions of subsections (1) and (2) of this section. If a member of the Kentucky National Guard is on active duty status for a period of not less than thirty (30) days, the member shall be considered a Kentucky resident, as shall the spouse or a dependent child of the member.

(4) A person eligible for benefits under the federal Post-9/11 Veterans Educational Assistance Act of 2008, 38 U.S.C. 3301-3325, or any other educational benefits provided under Title 38 of the United States Code shall be entitled to Kentucky resident status for purposes of tuition charged at state-supported institutions.

(5) A person’s residency status established pursuant to this section shall be reassessed if the qualifying condition is terminated.

Section 8. Status of Nonresident Aliens; Visas and Immigration.

(1) A person holding a permanent residency visa or classified as a political refugee shall establish domicile and residency in the same manner as another person.

(b) Time spent in Kentucky and progress made in fulfilling the conditions of domicile and residency prior to obtaining permanent residency status shall be considered in establishing Kentucky domicile and residency.

(2) A person holding a nonimmigrant visa with designation A, E, G, H-1, H-4 if accompanying a person with an H-1 visa, I, K, L, N, R, shall establish domicile and residency the same as another person.

(3) An independent person holding a nonimmigrant visa with designation B, C, D, F, H-2, H-3, H-4 if accompanying a person with an H-2 or H-3 visa, J, M, O, P, Q, S, TD, or TN shall not be classified as a Kentucky resident because that person does not have the capacity to remain in Kentucky indefinitely and therefore cannot form the requisite intent necessary to establish domicile as defined in Section 1(6) of this administrative regulation.

(b) A dependent person holding a visa as described in paragraph (a) of this subsection, but who is a dependent
of a parent holding a visa as described in subsection (2) of this section, shall be considered as holding the visa of the parent.
(c) A dependent person holding a visa described in subsection (2) of this section or paragraph (a) of this subsection, if a parent is a citizen of the United States and is a resident of and domiciled in Kentucky, shall be a resident of Kentucky for the purposes of this administrative regulation.

(4) A person shall be a Kentucky resident for the purpose of this administrative regulation if the person graduated from a Kentucky high school and:
(a) Is an undocumented alien;
(b) Holds a visa listed in subsections (2) or (3)(a) of this section; or
(c) Is a dependent of a person who holds a visa listed in subsections (2) or (3)(a) of this section.

(5) (a) Except as provided in paragraph (b) of this subsection, a person who has petitioned the federal government to reclassify visa status shall continue to be ineligible until the petition has been granted by the federal government.
(b) A person who has petitioned the federal government to reclassify his or her visa status based on marriage to a Kentucky resident and who can demonstrate that the petition has been filed and acknowledged by the federal government, may establish Kentucky domicile and residency at that time.

Section 9. Beneficiaries of a Kentucky Educational Savings Plan Trust.
A beneficiary of a Kentucky Educational Savings Plan Trust shall be granted residency status if the beneficiary meets the requirements of KRS 164A.330(6).

Section 10. Criteria Used in a Determination of Residency Status.
(1) (a) A determination of Kentucky domicile and residency shall be based upon verifiable circumstances or actions.
(b) A single fact shall not be paramount, and each situation shall be evaluated to identify those facts essential to the determination of domicile and residency.
(c) A person shall not be determined to be a Kentucky resident by the performance of an act that is incidental to fulfilling an educational purpose or by an act performed as a matter of convenience.
(d) Mere physical presence in Kentucky, including living with a relative or friend, shall not be sufficient evidence of domicile and residency.
(e) A student or prospective student shall respond to all requests for information regarding domicile or residency requested by an institution.

(2) The following facts, although not conclusive, shall have probative value in their entirety and shall be individually weighted, appropriate to the facts and circumstances in each determination of residency:
(a) Acceptance of an offer of full-time employment or transfer to an employer in Kentucky or contiguous area while maintaining residence and domicile in Kentucky;
(b) Continuous physical presence in Kentucky while in a nonstudent status for the twelve (12) months immediately preceding the start of the academic term for which a classification of Kentucky residency is sought;
(c) 1. Filing a Kentucky resident income tax return for the calendar year preceding the date of application for a change in residency status; or 2. Payment of Kentucky withholding taxes while employed during the calendar year for which a change in classification is sought;
(d) Full-time employment of at least one (1) year while living in Kentucky;
(e) Attendance as a full-time, nonresident student at an out-of-state institution based on a determination by that school that the person is a resident of Kentucky;
(f) Abandonment of a former domicile or residence and establishing domicile and residency in Kentucky with application to or attendance at an institution following and incidental to the change in domicile and residency;
(g) Obtaining licensing or certification for a professional and occupational purpose in Kentucky;
(h) Payment of real property taxes in Kentucky;
(i) Ownership of real property in Kentucky, if the property was used by the student as a residence preceding the date of application for a determination of residency status;
(j) Marriage of an independent student to a person who was domiciled in and a resident of Kentucky prior to the marriage; and
(k) The extent to which a student is dependent on student financial aid in order to provide basic sustenance.

(3) Except as provided in subsection (4) of this section, the following facts, because of the ease and convenience in completing them, shall have limited probative value in a determination that a person is domiciled in and is a resident of Kentucky:
(a) Kentucky automobile registration;
(b) Kentucky driver’s license;
(c) Registration as a Kentucky voter;
(d) Long-term lease of at least twelve (12) consecutive months of noncollegiate housing; and
(e) Continued presence in Kentucky during academic breaks.

(4) The absence of a fact contained in subsection (3) of this section shall have significant probative value in determining that a student is not domiciled in or is not a resident of Kentucky.

Section 11. Effect of a Change in Circumstances on Residency Status.
(1) If a person becomes independent or if the residency status of a parent or parents of a dependent person changes, an institution shall reassess residency either upon a request by the student or a review initiated by the institution.
(2) Upon transfer to a Kentucky institution, a student’s residency status shall be assessed by the receiving institution.
(3) A reconsideration of a determination of residency status for a dependent person shall be subject to the provisions for continuous enrollment, if applicable.

Section 12. Student Responsibilities.
(1) A student shall report under the proper residency classification, which includes the following actions:
(a) Raising a question concerning residency classification;
(b) Making application for change of residency classification with the designated office or person at the institution; and
(c) Notifying the designated office or person at the institution immediately upon a change in residency.
Each institution shall:
(1) Provide for an administrative appeals process that includes a residency appeals officer to consider student appeals of an initial residency determination and which shall include a provision of forty-five (45) days after receipt of the student appeal;
(2) Establish a residency review committee to consider appeals of residency determinations by the residency appeals officer. The residency review committee shall make a determination of student residency status and notify the student in writing within forty-five (45) days after receipt of the student appeal;
(3) Establish a formal hearing process as described in Section 14 of this administrative regulation; and
(4) Establish written policies and procedures for administering the responsibilities established in subsections (1), (2), and (3) of this section and that are:
(a) Approved by the institution’s governing board;
(b) Made available to all students; and
(c) Filed with the council.

(1) A student who appeals a determination of residency by a residency review committee shall be granted a formal hearing by an institution if the request is made by a student in writing within fourteen (14) calendar days after notification of a determination by a residency review committee.
(2) If a request for a formal hearing is received, an institution shall appoint a hearing officer to conduct a formal hearing. The hearing officer shall:
(a) Be a person not involved in determinations of residency at an institution except for formal hearings; and
(b) Not be an employee in the same organizational unit as the residency appeals officer.
(3) An institution shall have written procedures for the conduct of a formal hearing that have been adopted by the board of trustees or regents, as appropriate, and that provide for:
(a) A hearing officer to make a recommendation on a residency appeal;
(b) Guarantees of due process to a student that include:
   1. The right of a student to be represented by legal counsel; and
   2. The right of a student to present information and to present testimony and information in support of a claim of Kentucky residency; and
(c) A recommendation to be issued by the hearing officer.
(4) An institution’s formal hearing procedures shall be filed with the Council on Postsecondary Education and shall be available to a student requesting a formal hearing.

Section 15. Cost of Formal Hearings.
(1) An institution shall pay the cost for all residency determinations including the cost of a formal hearing.
(2) A student shall pay for the cost of all legal representation in support of the student’s claim of residency.

RESIDENCY APPEALS POLICY AND PROCEDURES

1. BASIS FOR RESIDENCY CLASSIFICATION
The Commonwealth of Kentucky has established a process and corresponding criteria for the determination of residency classification for students seeking admission to, or enrolled in, public institutions of higher education. The Council on Postsecondary Education (hereinafter referred to as “CPE”) has established Kentucky Administrative Regulation 13 KAR 2:045 (hereinafter referred to as “the Regulation”) to be followed by all public institutions of higher education in the Commonwealth concerning residency classification. This Regulation can be found in the current Undergraduate Catalog and the current Graduate Catalog and copies are available upon request from the Office of Admissions, located in the Whitlock Building, Room 112 or by calling (859) 622-21-6 or 1-800-465-9191.

2. INSTITUTIONAL ADMINISTRATION OF THE RESIDENCY POLICY
The Council on Postsecondary Education authorizes each institution to establish a procedure for the determination of residency classification based upon the Regulation.

2.1 Office of Admissions
The Office of Admissions, Whitlock Building, Room 112, CPO 54, 521 Lancaster Avenue, Richmond, KY 40475-3154,
SECTION TWO - ADMISSION AND RESIDENCY

at Eastern Kentucky University serves as the coordinating office for institutional implementation of the Regulation. Instructions for filing applications for reclassification and copies of the Regulation are available in this office. Also, Admissions staff members are available to answer questions regarding policy and procedures.

2.2 Initial Classification

The initial determination of residency status is made by the University based upon the credentials submitted by an applicant for admission to the University in accordance with the Regulations.

2.3 Appeal of Residency Status

Once an initial classification of residency is made by the Office of Admissions, it is the student’s responsibility to initiate an appeal of such classification. Request for reclassification must be filed with the Dean of Students Office NO LATER THAN THIRTY (30) CALENDAR DAYS after the first full day of classes of the fall or spring academic term for which reclassification is sought or not later than ten (10) calendar days after the first day of class for the summer term. Requests for reclassification are to be made in affidavit form on the form available from the Office of Admissions or the Dean of Students Office. A student may apply only once during an academic term. A student classified as a non-resident will retain that status until a change is brought about by successful appeal. If an appeal is filed within fourteen (14) calendar days after making the appeal is filed. If a student is initially classified non-resident but does not enroll the semester for which the student originally applied, the residency classification will be reassessed for subsequent semesters.

2.4 Affidavit (Application for Reclassification)

Affidavits will not be accepted unless the form is fully completed, properly signed and notarized. In no case will a decision be granted without an affidavit and all required supporting documentation.

2.5 Documentation

Because of the variety of factors related to establishing residency for tuition purposes, the number of documents required to complete an appeal may vary from case to case. In all cases, the University may require certification of authenticity of documents. It is the appealing student’s responsibility to provide sufficient documentation to clarify circumstances related to the appeal. In all cases, circumstances related to establishing domicile must be verifiable.

2.6 Review of the Residency File by the Residency Appeals Officer

A Residency Appeals Officer designated by the University shall review the affidavit and documentation and notify the student, in writing, within fourteen (14) days of making a determination. Students who do not agree with the Residency Appeals Officer’s determination may appeal his/her residency status to the University’s Residency Review Committee within fourteen (14) days of the Residency Appeals Officer’s determination.

3. UNIVERSITY RESIDENCY REVIEW COMMITTEE

Pursuant to the Regulation, Eastern Kentucky University has a Residency Review Committee (hereinafter referred to as the “Committee”) to review and evaluate student affidavits for reclassification and to consider changes in the residency classification.

3.1 Timely Appeal

The Student must notify the Residency Appeals Officer in writing, if he or she wishes his/her case to be reviewed by the Committee, within fourteen (14) calendar days after notification of the Residency Appeals Officer’s determination. The Residency Appeals Officer shall immediately forward the request and the student’s residency file to the Chair of the Committee.

3.2 Committee Membership

The Residency Review Committee shall be comprised of three members: the Executive Director for Enrollment Management; a member of the Faculty-at-Large, who shall be appointed annually by the Faculty Senate; and a member of the student body, who shall be appointed by the Office of the Vice President for Student Affairs from a list of students recommended by the Student Association.

3.3 Determination of the Committee

The Committee shall issue a written decision citing the section of the Regulation on which the decision is based. The Committee may vote to defer a case for additional documentation, or the Committee may make a decision contingent upon conditions prescribed by the Committee. The Chair of the Committee will then determine when and whether contingencies are met.

3.4 Notification of Decision

The Committee shall make a determination of student residency status and notify the student, in writing, within forty-five (45) days after receipt of the student appeal. Decisions denying appeals are communicated to the student by certified mail, return receipt requested. In all cases where the Committee reaches a determination granting in-state residency status, copies of the letter of notification will be sent to the Office of Admissions, Student Accounting Services, the Registrar’s Office, and Student Financial Assistance.

4. REQUEST FOR FORMAL HEARING

Pursuant to the Regulation, the University shall provide a formal hearing in the event a student wishes to appeal the determination of the Residency Review Committee.

4.1 Timely Request

A student who wishes to appeal the determination of the Committee shall be granted a formal hearing by the University if the student notifies the Executive Director for Enrollment Management, Whitlock Building, Room 436, CPO 69, Richmond, KY 40475-3163, in writing, within fourteen (14) calendar days after notification of the Residency Review Committee’s determination. The Executive Director for Enrollment Management shall immediately forward the request and the student’s residency file to the Office of the President.

4.2 The Hearing Officer

Upon receipt of a request for a formal hearing, the University President shall appoint a Hearing Officer to conduct the hearing. The Hearing Officer shall not be a person involved in determinations of residency at a public institution of higher education in Kentucky (including the Kentucky Commonwealth Virtual University) and shall not be an employee of the same organizational unit as the Residency Appeals Officer.

4.3 Formal Hearing Procedures

The hearing shall be conducted in accordance with the following procedures:

4.3.1 Notice of Hearing

4.3.1.a. The University shall conduct the hearing as soon as practicable and shall give notice of the hearing to the parties not less than twenty (20) days in advance of the date set for the hearing. A reasonable effort shall be made to schedule the hearing on a date that is convenient to all parties involved.

4.3.1.b. The hearing notice shall be served on all parties by certified mail, return receipt requested, to the last known addresses of the parties, or by personal service.

4.3.1.c. The notice shall be in plain language and shall include:
• the date, time and place of the hearing;
• the name, official title, and mailing addresses of the Hearing Officer;
• the names, official titles, mailing addresses, and, if available, telephone numbers of all parties involved in the hearing, including the counsel or representative of the University; and
• a statement advising the student of his/her right to legal counsel.
4.3.2. Hearing Procedure

4.3.2.a. The Hearing Officer shall conduct the hearing and all related proceedings in a manner which will promote the orderly and prompt conduct of the hearing.

4.3.2.b. To the extent necessary for the full disclosure of all relevant facts and issues, the Hearing Officer shall give all parties the opportunity to respond, present evidence and argument, conduct cross-examination, and submit rebuttal evidence.

4.3.2.c. Any party to the hearing may participate in person or be represented by counsel. A student shall pay for the cost of all legal representation in support of the student’s claim or residency. Legal counsel for the student must file a notice of appearance with the Hearing Officer prior to the date of the hearing.

4.3.2.d. The Hearing Officer may conduct all or part of the hearing by telephone, television, or other electronic means, if each party to the hearing has an opportunity to hear, and if technically feasible, to see the entire proceeding as it occurs, and if each party agrees.

4.3.2.e. The hearing shall be open to the public unless specifically closed pursuant to a provision of law. If the hearing is conducted by telephone, television, or other electronic means, and is not closed, public access shall be satisfied by giving the public an opportunity, at reasonable times, to hear or inspect the University’s records.

4.4 Findings of Fact; Evidence; Recording of Hearing; Burden of Proof

4.4.1. Findings of fact shall be based exclusively on the evidence on the record.

4.4.2. All testimony shall be made under oath or affirmation.

4.4.3. Objections to evidence presented may be made by any party and shall be noted in the record.

4.4.4. The University shall be responsible for having all testimony, motions and objections in a hearing accurately and completely recorded. Any person, upon request, may receive a copy of the recording or a copy of the transcript, if the hearing has been transcribed, at the discretion of the University, unless the hearing is closed by law. The University may prepare a transcript of a hearing or a portion of a hearing upon request but the party making the request shall be responsible for the transcription costs. The form of all requests and fees charged shall be consistent with KRS 61.870 to 61.884.

4.4.5. Unless otherwise provided by state or federal law, the student appealing the residency decision has the burden of proving the student’s right to having his/her residency status changed. The student has the ultimate burden of proof of persuasion as to this issue to be shown by a preponderance of evidence in the record. Failure to meet the burden of proof is grounds for a recommended order from the Hearing Officer.

4.5 Prohibited Communications

4.5.1. The Hearing Officer shall not communicate off the record with any party to the hearing or any other person who has a direct or indirect interest in the outcome of the hearing, concerning any substantive issue, while the hearing is pending.

4.6. Recommended Order

4.6.1. The Hearing Officer shall complete and submit to the University President, no later than sixty (60) days following receipt of the student’s residency file, a written recommended order which shall include the Hearing Officer’s findings of fact, conclusion of law, and recommended disposition of the hearing.

4.6.2. A copy of the Hearing Officer’s recommended order shall also be sent to each party in the hearing. Each party shall have fifteen (15) days from the date the recommended order is mailed within which to file exceptions to the recommendations with the University President. The recommended order may be sent by regular mail to the last known address of the party.

4.7. Final Order

4.7.1. In making the final order, the University President shall consider the record including the recommended order and any exceptions filed by, or on behalf of, the student.

4.7.2. The University President may accept the recommended order of the Hearing Officer and adopt it as the University’s final order, or he or she may reject or modify, in whole or in part, the recommended order, or he or she may send the matter, in whole or in part, back to the Hearing Officer for further proceedings as appropriate.

4.7.3. The final order shall be in writing. If the final order differs from the recommended order, it shall include separate statements of findings of fact and conclusions of law.

4.7.4. The University President shall render a final order within thirty (30) days after receipt of the recommended order unless the matter is sent back to the Hearing Officer for further proceedings.

4.7.5. A copy of the final order shall be transmitted to each party or to his/her attorney of record by certified mail, return receipt requested, sent to the last known address of the parties, or by personal service. A copy of the final order shall also be sent to the Office of Admissions, Student Accounting Services, the Registrar’s Office, and Student Financial Assistance.

5. RECORDS

All official files and materials relating to a student’s appeal of an initial residency determination shall be returned to the Office of Admissions to be placed with the application for admissions at whatever point in the process the appeals procedure is terminated.

DIVISION OF FINANCE & ADMINISTRATION & TREASURER

The Division of Finance and Administration coordinates the following areas of University operations: 1) Accounting and Financial Services, 2) Budgeting & Financial Planning, 3) Business Services, 4) EKU Center for the Arts, 5) Facilities Services & Capital Planning, 6) Human Resources, 7) Information Technology Services, 8) Parking & Transportation, 9) University Police & Public Safety, 10) Environmental Health & Safety, 11) Purchases and Stores, 12) Sustainability, 13) Student Accounting Services, and 14) University Card Services. Additionally, the following contractual departments report to the University through the Division of Finance and Administration: 1) EKU Dining Services, and 2) EKU Bookstore.

Students may view the mission statement of each of the above areas by visiting the Division of Finance and Administration web page at http://www.financialaffairs.eku.edu.

FINANCIAL OBLIGATIONS OF THE STUDENT

Any student or former student who is indebted to the University and who fails to make satisfactory settlement within a time limit prescribed is liable for administrative action. Students who are indebted to the University may not register at the University nor will their transcript or diploma be released until the debt is paid. Any student indebted to the University who cannot meet his or her financial obligations within the time limit prescribed is responsible for calling on the division of Student accounting Services and explaining the reasons for failure to pay. Students who fail to pay their account balance in a timely manner may also be liable for additional collection costs incurred by the University in collecting the amount owed.

REFUND POLICY

No refund can be made on certain class fees and optional fees as established by the Eastern Kentucky University Board of Regents. Students wishing to withdraw from courses must do so online via EKUDirect (on the EKU home page at www.eku.edu ). When a student officially withdraws from the University or from any course or courses for which hourly rates apply, tuition and fees will be adjusted in the following manner:

<table>
<thead>
<tr>
<th>Time Period*</th>
<th>Refund</th>
</tr>
</thead>
<tbody>
<tr>
<td>During add/drop period for any class (for full semester classes = 1st week)</td>
<td>100%</td>
</tr>
<tr>
<td>From end of 1st week through end of 2nd week of class</td>
<td>75%</td>
</tr>
<tr>
<td>From end of 2nd week through end of 3rd week of class</td>
<td>50%</td>
</tr>
<tr>
<td>From end of 3rd week through end of 4th week of class</td>
<td>25%</td>
</tr>
<tr>
<td>After the 4th week of class</td>
<td>0%</td>
</tr>
</tbody>
</table>

*Partial semester courses vary in length and the percentage of refunds and the effective dates will be modified accordingly. This policy applies to refundable fees only; non-refundable fees are not included. In no case shall a refund of rent be made to a person who remains a student but moves from University housing at his or her convenience.

FINANCIAL APPEALS

An appeals process exists for students who feel that individual circumstances warrant exceptions from published policy. Financial appeals may be submitted if a student had an unforeseeable and unavoidable situation during the semester the charges were incurred that prevented them from attending classes and completing the semester. All appeal letters should be submitted by the student in writing clearly stating the reason for the appeal.

Documentation should be attached to all appeal letters to validate the situation. Circumstances that do not qualify for financial appeal include pre-existing conditions, routine pregnancy, employment opportunities and financial hardship, including denial of financial aid. In most cases, any refund that is the result of an approved appeal will be returned to the source of the payment, the student, the financial aid lender, or a third party entity. Financial appeals should be submitted to the Financial Appeals Committee, Whitlock Building CPO 60, 521 Lancaster Avenue, Richmond, KY 40475.

Refunds for reduction in course load for part-time students will be at the same percentage rate as for students who officially withdraw from the University; however, if the reduction in course load results from the cancellation of a class or from the student having been permitted to enroll for a class for which he or she was not eligible, a full refund will be made of the registration fee for the course being dropped.

BARNES & NOBLE AT EKU BOOKSTORE

The Barnes & Noble at EKU Bookstore is located at the heart of campus in the Keen Johnson Building. The Bookstore is the place for one-stop shopping on all EKU licensed merchandise, textbooks, and much more. It offers a wide variety of products, services, and events including:

- Rental, Digital, Used, and New textbooks – all the options are available.
- Class Supplies
- Trade books, gift items, greeting cards, diploma frames, nursing shop.
- Convenience items
- Under Armour, Nike, Champion, Cutter & Buck, and much more
- Computers and computer supplies
- Backpacks
- Online textbook reservations
- Barnes & Noble gift cards
- Book signings
- Graduation Cap and Gowns
- Faculty receptions

The Barnes & Noble at EKU Bookstore works diligently with departments, faculty and staff to ensure that textbooks and products required for each class are readily available to students. Textbook requests are required from the departments and faculty by these dates:

- March 1 For the upcoming SUMMER sessions
- April 1 For the upcoming FALL semester
- October 1 For the upcoming SPRING semester

Textbook requests are required by the above dates for the following reasons:
• to allow ample time to receive all textbooks from the publishers in a timely manner
• to give out the most cash back to students during Book Buyback
  - Book Buyback begins directly before Finals Week
  - If faculty use the same textbook in the next session, students will receive up to 50% back on their textbooks. But only if the textbook adoption is on file!
• to allow time to review orders and make any additional corrections if needed

Regular EKU Bookstore hours are:

<table>

The Bookstore is open extended hours during the beginning and end of each semester and during special events.

**CARD SERVICES**

114 Powell Student Center
Phone: (859) 622-2179 Fax: (859) 622-8089

Card Services provides students with a variety of services regarding their EKU student identification card, the Colonel 1 Card. This identification card is used for meal plans, Colonel Cash, campus vending machines, and the EKU Bookstore. In addition, EKU has partnered with BankMobile for refund disbursements and to add optional banking solutions.

Card Services is responsible for issuing new and replacement identification cards. Card Services will assist with troubleshooting potential card issues experienced by students, faculty, and staff. Students, faculty, and staff may purchase meal plans and add money to their accounts in the Colonel 1 Card Office.

The Colonel 1 Card will allow students access to the following:

- Athletic events
- University Library facilities
- Cashing checks
- Campus recreation
- University sponsored events
- Student Health Services

The Colonel 1 Card has three different accounts associated with the card:

- **Colonel Cash** - This is a prepaid account that can be used at the EKU Dining Services locations, the EKU Bookstore, campus vending machines, and a select number of participating off-campus merchants. This account will carry balances over from semester-to-semester.
- **Meal Plans** - EKU Dining Services has several different meal plans to accommodate any student’s needs. Meal plans can be used at any EKU Dining Services location. **Who Needs A Meal Plan?** All students enrolled in 9 or more credit hours will participate in the $300 Dining Dollar program. Freshman residential students will be automatically assigned the mandatory 5 day all access meal plan to include the $300 Dining Dollar Program (non-refundable). Meal plans may be upgraded anytime during the semester and only downgraded within the first two (2) weeks of the semester.

Please check with EKU Dining Services regarding available meal plans, terms and conditions associated with meal plans. All questions regarding the meal plan definitions, usage, and refund policy (only available with the $300 Dining Dollar program) should be directed to the EKU Card Services Office.

All meal plans (mandatory and/or voluntary) are non-refundable and non-transferable.

Please note that EKU Dining Services follows the same refund schedule, for full term, which is outlined by the University. (See Refund Policy above.) EKU’s Colonel Compass http://colonelscompass.eku.edu/deadlines lists all important dates and deadlines associated with each term.

- **Optional Flex** - This is a prepaid account that can be used at any EKU Dining Services location. Please check with EKU Dining Services regarding terms and conditions associated with this account.

Students may purchase meal plans by logging into EKU Direct and add money to their accounts by logging into EKU GET Funds. Faculty and staff may purchase meal plans in the Card Services Office.

Acceptable methods of payment for meal plans, Optional Flex, or Colonel Cash accounts are cash, check, Visa, Mastercard and must be paid in Student Accounting. Meal plans, when selected on EKU Direct, will be assessed to the student account.

The Colonel 1 Card Office is open during the following normal business hours:

Monday through Friday 8:00 a.m. – 4:30 p.m.

The Office of University Card Services follows the University holiday schedule.

The Colonel 1 Card is property of EKU and is issued for convenience. It must be presented (or surrendered) upon request by authorized officials of the University. Any expenditure associated with the use of this card is the responsibility of the holder until it is reported lost/stolen. A fee will be charged for damage made to the identification card or if the card is lost or stolen. The loss of a card must be reported immediately to the Colonel 1 Card Office, Powell Student Center, (859) 622-2179.

**EKU DINING SERVICES**

17 Powell Building
Phone: (859) 622-3691 Fax: (859) 622-6226
www.ekudining.com

EKU Dining Services offers a variety of dining alternatives including fresh food options, an assortment of brand restaurants, catering, and athletic concessions. It is the goal of EKU dining to provide high quality and satisfying dining experiences for the whole campus community.

The Fresh Food Company and Stratton Café offer freshly cooked foods in a comforting atmosphere. The Fountain Food Court blends the signature brands Grille Works and Zoca Fresh Mex with the famous national brands Chick-Fil-A, Jump Asian Express, and Subway. Java City at the Crabbe library and Einstein Bros. Bagels in the Moore Building offer gourmet coffees, bakery items, as well as grab & go salads and sandwiches. Starbucks is
located nearby in the Weaver Building. EKU Dining Services also operate five convenience stores throughout campus including the P.O.D. (Provisions On Demand) in the Fountain Food Court. In order to provide better convenience to students, the C3 Express stores in Telford, Keene, and Martin Hall stay open late and the Fountain Food Court is open until 2 a.m.

EKU Dining Services also provides full-service catering. The dedicated catering staff provides a variety of services for both on-campus and off-campus events. A special Student Catering Guide is available to accommodate the dynamic requirements of students. Tremendous emphasis is placed on actively measuring customer satisfaction, responding to a changing environment, and continuous improvement. EKU Dining Services is dedicated to helping the EKU campus thrive!

ADDITIONAL STUDENT SERVICES

The International Alumni Association
Richards Alumni House
Phone: (859) 622-1260 Fax: (859) 622-6620
www.eku.edu/alumni

The Eastern Kentucky University International Alumni Association serves as a link between the University and its alumni by maintaining records, fostering communication, and sponsoring programs and activities designed to enhance this relationship.

All Eastern Kentucky University degree recipients and former students with 25 or more credit hours are considered alumni of EKU. The International Alumni Association is served by a board of 25 alumni volunteers, representing the diversity of our alumni constituency, who meet three times annually. Their work includes selection of the Alumni Awards, Alumni Scholarship recipients and other duties.

In addition to active Alumni Chapters, the Alumni Association coordinates multiple gatherings across the nation to encourage alumni and friends of EKU to come together.

Other regular Association activities include Alumni Weekend held annually in April and Fall Homecoming. These events bring alumni back to campus to reconnect with their classmates as well as giving the opportunity to see students and learn about our academic programming.

The International Alumni Association helps to publish an Alumni Directory, usually every five years. This directory is a compilation of information about alumni including their name, class year, occupation and contact information.

Community Service and Student Engagement

Who We Are
Office of Community Service and Student Engagement, located within the Office of Student Life, directs the University’s community service programs. The Office coordinates a variety of service opportunities throughout the year that EKU students, faculty, and staff can participate in both on and off campus.

Whether it’s to fulfill a class requirement or just to get involved, students looking for volunteer opportunities can visit the Office of Community Service and Student Engagement to get connected with local volunteer and leadership opportunities that meet their individual needs and fit their busy schedules! From working to protect sea turtles over spring break to building a home for a family over the summer in Honduras, to planting trees on reclaimed mine sites in eastern Kentucky to making fleece blankets and pillows on campus for children, there are a multitude of opportunities to give back locally, nationally, and internationally! Please contact us to find out more about the different ways you can get actively involved in your world through service!

The Office also serves as a resource to the campus for all things service related! Need to volunteer for a class? Want real-world, hands-on experience related to your major or a possible career? Want to explore a new part of the country or world? Interested in planning a service and need some assistance? Just call, email, or stop by! We are always happy to help!

What We Do
• Promote a culture of service to the EKU community to enhance student learning and personal development while teaching the need for civic responsibility and life-long service.
• Offer diverse programming ranging from one-time service events to on-going year-long opportunities meeting a range of needs in our local communities.
• Expose EKU students to diverse cultures and populations through community service activities.
• Provide a centralized location for EKU students, faculty and staff to connect with local community agencies.
• Educate students, faculty, and staff on how to plan, organize, and carry out community service events.
• Work with Registered Student Organizations (RSO’s), Living Learning Communities, and individual students to counsel and connect them with local volunteer and leadership opportunities.
• Provide local community partners with an accessible location on the EKU campus to publicize volunteer opportunities and recruit student leaders.

The mission of the Eastern Kentucky University Police Department is to enhance the quality of life by providing a safe and secure environment through professional service to the community. The success of our mission depends on this partnership utilizing a community policing philosophy. The department places high priority on honesty and integrity and values the need for effective and open communication with the community we serve. We value our employees and are committed to their professional development.

The University offers a variety of informational programs that inform students and employees on safety and security issues, including how to report crimes and how to prevent crimes. These programs are available on request by student groups, employees, or individuals. These programs include, but are not limited to:

• Crime Prevention and Security Awareness
• Drug and Alcohol Abuse Education Program
• Sexual Assault Prevention
• Residence Hall Security
• Alcohol Awareness
• Drug and Alcohol Abuse Prevention
Emergency Management

It is important for everyone to have some basic emergency preparedness information. Knowing what to do in the event of a fire, tornado, hazardous materials release, or active shooter can be critical to your safety in an emergency situation. Below is some safety guidance and more can be found on the Emergency Management web page, the Emergency Guide Poster, and the Emergency Action Plan:

- Female Assault Prevention
- General Crime Prevention
- Hall Staff Training
- Harassing Communications Prevention
- Rape Aggression Defense (RAD)
- Residence Hall Security
- Student Orientation to Public Safety
- Others

Emergency Action Plans were written to provide everyone with practical information, which can be used to make good decisions, and help individuals to be safe in times of crisis. The Emergency Action Plans inform you of what you can do, and the Emergency Notification System informs you that there is an emergency.

The University Police provide 24-hour patrols of the Eastern Kentucky University campus buildings, parking lots, residence hall exteriors, and campus grounds. University police officers have county-wide law enforcement authority, although our primary jurisdiction encompasses all University property and all roads and streets adjacent to the campus. The University Police also have the authority to investigate crimes committed on University property anywhere in the state.

The Eastern Kentucky University Police Department includes 24 sworn police officers, 7 dispatchers, and several student Safety and Security officers. University Police maintain high visibility on campus through the use of police cruisers, bicycle patrol and foot patrol.

The campus police department also houses 2 full-time detectives whose primary responsibilities are investigations and working closely with surrounding agencies. The Eastern Kentucky University Police department has an excellent working relationship with state, local, and federal law enforcement agencies and other emergency providers.

The EKU Police Department is open 24 hours a day. All Criminal Activity and Other Emergencies on the Richmond Campus should be reported immediately by dialing 911 from any campus telephone or, if by cell phone, (859) 622-1919 (we recommend programming this into speed dial). Non-emergency calls can be made by dialing (859) 622-1111 or (859) 624-2947. The hearing impaired may access the Department’s TDD by calling (859) 622-6279.

Parking and Transportation Services
Division of Policy, Compliance and Governance
Mattox Hall Suite A
Phone: (859) 622-1063 Fax: (859) 622-2243
www.parking.eku.edu

Eastern Kentucky University Parking and Transportation Services provides parking and transportation options in support of the University’s mission, by providing quality customer service and proper management of parking and transportation resources. This mission is accomplished by enforcing applicable parking rules and regulations, providing safe and efficient transportation services, conveying a positive attitude, and requiring the highest standards of personal and professional conduct.

Parking Services provides parking information, issues parking permits for the campus community and visitors, coordinates parking for special events, and enforces parking rules and regulations.

Transportation Services provides day and evening shuttle transportation and motor pool/fleet services.

See the Parking and Transportation website (www.parking.eku.edu) for additional parking and transportation information including parking regulations, shuttle schedules, and hours of operation.

Student Automobiles
In order to facilitate parking for all students, faculty, and staff, Eastern Kentucky University requires the registration of motor vehicles utilizing campus parking facilities. Vehicle registration information can be obtained by contacting the Parking Office (859) 622-1063 or by logging on www.parking.eku.edu.

During the registration period, prior to the first day of classes, students registering for classes may park in any legal, non-reserved parking space in all areas, except employee parking lots (Zone E) which are marked by yellow signs, and the Powell West Visitor Lot.

After the commencement of classes, residential hall lots (Zone B), which are marked by blue signs, are restricted to residence hall permits 24 hours per day, seven days a week. Enforcement of employee and commuter parking zone regulations begins at 2:00 a.m. Monday-Friday. Commuter permits are also valid from 4:30 p.m. to 7:00 p.m. in employee (Zone E) parking lots. The Case Lot, Jones Lot, and a section of the Martin Lot are exceptions to this rule and are reserved for employees only until 9:00 p.m. Evening parking for vehicles without permits is available in the Alumni Coliseum Lot from 4:30 p.m. to 2:00 a.m., Monday through Friday, and all day Saturday and Sunday.

Visitors may obtain temporary permits 24 hours a day, 7 days a week at the Parking Office or Police Dispatch Center located in Mattox Hall, behind the Whitlock Building. Short term temporary parking permits, not to exceed 5 days, are available to individuals who have not registered a vehicle.

Anyone interested in the above services should contact the Clinic Office Associate at (859) 622-4444, Wallace 278, or visit the Clinic website: www.slhclinic.eku.edu

Student Publications
Eastern Kentucky University provides a variety of laboratory experiences through student publications. The Eastern Progress Advisory Board has been established to provide professional involvement in the activities of The Eastern Progress, the University’s student newspaper. Academic and support units coordinate the institutional support of student publications but do not govern the content. The courts have consistently held that where a tradition of student decision making exists in student publications, those publications are afforded the same Constitutional First Amendment protection as other publications. Concomitant with those rights, go certain responsibilities, which also accrue to the student publications. Accordingly, the responsibility for the content of the publications is that of the student editors and writers and not Eastern Kentucky University or its Board of Regents.

The Eastern Progress, a 6,000-circulation weekly newspaper, is the official student publication of the University and all students are encouraged to take advantage of the journalism and advertising training it offers. The Progress has consistently been rated as an All American Newspaper by Associated Collegiate Press and a Medalist paper by Columbia Scholastic Press Association. Since 1987, The Progress has won more than 20 national awards, including four national Pacemakers and three Gold Crown awards. It was recognized as the Best All-Around Campus Newspaper by the Society of Professional Journalists in 1997 and 1998. Reach the Progress online at www.easternprogress.
Aurora is a magazine of student writings published by its student staff to encourage interest in literary activity. Aurora accepts poems, one-act plays, short stories, prose sketches, and essays from any Eastern student. Editions are published in the fall (online by the ENG 420 class) and spring (hard copy). Cash prizes are awarded for the best works (fiction and poetry) at the time of the spring publication.

Passwords & Accounts are sent by mail to all students when admitted to EKU.

- Students receive a student ID number: this is your I.D. for all official records and your login to EKU Direct. This ID starts with a “900” or “901”.  
- Each student also receives an EKU username. The username is based on your first name_last name (i.e., John Smith=John_Smith). Your username and password provides secure access to Blackboard, EKU myMail, campus computers, and various other electronic resources.  
- View all articles related to passwords at it.eku.edu. Type “password” in the search bar.  
- myMail (Student Email) All EKU students receive a web-based email account. The email account provides students with a 25GB mailbox and many more options. Students can keep their EKU myMail account after graduation.  
- Microsoft Office 365 PRO is free for all registered students through their official myMail account. Find out more at myMail.eku.edu

The IT Website offers more than 150+ support articles about EKU technology. The IT Search is keyword specific. Visit it.eku.edu to view the support articles and find out more about IT at EKU.

EkuDirect provides access to a wide range of data for students (pending admit through graduation). Students register for classes, secure parking permits, check grades and more with EkuDirect. Directions for EkuDirect: it.eku.edu/ekudirect

DegreeWorks helps students plan an academic roadmap to graduation. DegreeWorks, along with your advisor, will ensure you are on the right track to graduate. View DegreeWorks Video Tutorials at registrar.eku.edu/degreeworks-video-tutorials

Blackboard is Eku’s course management system. Students are automatically enrolled in Blackboard upon registration. Sites do not appear for students until the instructor opens them. Blackboard is used for all online courses and many on campus courses. Learn more about blackboard at learn.eku.edu

ResNet is the Eku residential network and provides high-speed internet access in all residence halls.

Wireless Internet Access is available at Eku. Both secured (requires username and password) and unsecured (guest) wireless is available campus wide. Wireless access is available to all on the Eku campus by connecting to eku_guest. To configure your PC for wireless access visit: it.eku.edu/support/wireless. View all articles related to wireless at it.eku.edu. Type “wireless” into the search bar.

Office of Admissions
Whitlock 112
(859) 622-2106

The Office of Admissions is responsible for recruitment and admission of qualified undergraduate students to EKU. This office is also responsible for the processing of applications for new as well as readmitted, transfer, and international students. Students who have questions regarding their residency status may address their inquiry to the Office of Admissions (admissions@eku.edu).

Orientation

Orientation is phase one of the first year experience for new students. During Orientation, students and families visit campus, meet with faculty, staff, and students, and learn more about life at Eastern Kentucky University. Students also register for their first semester of classes. Representatives from many areas are available during Orientation to answer questions about financial aid, tuition payment, housing, dining services, and tutoring services. There are various dates and schedules for first year, transfer and high achiever students.

Bratzke Student-Athlete Academic Success Center
Ms. Monika Banbel, Director
Alumni Coliseum 103
(859) 622-6648
WWW.SAASC.EKU.EDU

The Bratzke Student-Athlete Academic Success Center provides an academic support program and a multifaceted academic resource for all student-athletes competing on NCAA varsity teams on EKU’s campus. The Center provides opportunities and services to enhance the student-athlete’s academic performance, as well as monitoring progress to ensure all student-athletes meet their academic eligibility requirements as determined by the NCAA, OVC, and EKU.

Bratzke Center programs include academic advising, academic monitoring, mentoring, supervised studying, tutoring, and personal counseling, as well as referrals to other academic support programs on campus. Each student athlete’s academic progress is monitored closely, throughout their EKU enrollment to facilitate graduating with the highest grade point average possible, while maintaining NCAA eligibility throughout their collegiate athletic career.

The Bratzke Center also sponsors a Life Skills program designed to promote student-athlete growth in five commitment areas: academics, athletics, personal development, service, and career development. Throughout the year the Center plans and coordinates outreach activities for student-athletes in support of the local community and Eastern Kentucky.

Campus Recreation
Fitness and Wellness Center, SRC 105
Phone: (859) 622-1244 Fax: (859) 622-6754
www.campusrec.eku.edu

Campus Recreation oversees the operation of the FITNESS AND WELLNESS CENTER. The Fitness and Wellness Center is a state-of-art facility which includes:

- Full line of weight and fitness equipment
- Group Exercise Room
- Multi-purpose gymnasiums
- Indoor Track
- Locker Rooms
- Student Lounge with computers
- Climbing Wall
- Full Swing Golf Simulator
- Bouldering Wall

The department is also responsible for the Burke Wellness Center, Begley and Weaver gymnasiums, outdoor basketball courts and intramural field complex.

The Fitness Program offers a variety of group fitness classes each week and are taught by trained, motivated and friendly instructors. All fitness levels are welcome and each group fitness class is offered at no charge. Examples of group fitness classes are step, yoga, pilates, group cycling, and much more.

For those who need a more personal touch, we offer very affordable personal training by certified personal trainers. Personal training is a great way to attain one-on-one instruction incorporating exercise plans, goal-setting and health education.

Adventure Programs offers a wide variety of trips and workshops each semester. Previous trips have included: hiking and camping, backpacking, kayaking/canoeing, spelunking, white water rafting, climbing, canyoneering. The climbing and bouldering walls are an exciting and engaging alternative to traditional exercise. In addition, Adventure Programs provides an extensive amount of outdoor equipment so you may embark on your on adventures. Examples of outdoor rental equipment are tents, mountain bikes, kayaks, cook stoves, canoes and much more.

Intramural Sports have been a campus tradition at EKU for over 50 years. Students play with their friends or organizations and compete against fellow Eastern students. Examples of activities offered are flag-football, soccer, volleyball, corn hole, dodge ball, golf, basketball, and much, much more. There are also numerous individual and dual events.

Massage Therapy offers several modalities such as relaxation, hot stone, deep tissue, therapeutic massage. It is a holistic therapy that reduces the heart rate, lowers blood pressure, increases blood circulation and lymph flow, relaxes muscles, improves range of motion, and increases endorphins, the body’s natural painkillers. It has been said that, “Massage is to the human body what a tune-up is for a car.”

Health Education (H.E.A.T.) is a peer education program geared towards empowering students with knowledge and facts concerning health issues. Health education presents information on alcohol, obesity, sex, drug abuse, eating disorders, tobacco, and much more. The aim is not to enforce ideas but to assist students in making better informed decisions by providing students with the proper tools, knowledge, and self-worth.

The Center for Career and Cooperative Education
Ms. Gladys T. Miller, Director
Whitlock Building 408
(859) 622-1296

The Center assists students in achieving their career-related goals. Services include career exploration, job-search planning, and the development of job search tools/resources for co-op/internships, part-time jobs and full-time professional positions.
Co-op and Applied Learning (Internships)

Cooperative Education (Co-op) and Applied Learning (Internship) provide the student with an opportunity to blend theory with practice resulting in a balanced education. Learning within the classroom is combined with practical on the job training in business, industry, and/or government. Acceptance of a co-op/ applied learning position for academic credit is contingent upon a suitable learning objective approved by both the employer and the appropriate university official.

Eligibility:
- Faculty Coordinator approval
- Completion of a minimum of 30 credit hours prior to enrolling; transfer students required to complete at least one semester at EKU
- Minimum of 2.0 grade point average (GPA); some departments require a higher GPA
- Salary (for co-op jobs) must be within State and Federal wage guidelines

Academic Credit:
- Determined by the academic college or department
- May earn .5 to 8 hours credit per semester
- Minimum of 80 hours of employment for each semester hour of academic credit, including .5 half credit (students must work to the end of the semester). Co-op is 16 weeks for spring and fall semesters and 12 weeks for summer term.
- Internships have more flexibility, but must be pre-approved.
- Maximum of eight semester hours toward meeting requirements for the associate degree and sixteen hours toward the bachelor’s degree.
- Credit awarded for co-op/applied learning only when the student is enrolled in the University and in compliance with the Center for Career and Cooperative Education
- Students who are not able to complete their experience in one semester will receive a grade of IP and be allowed one calendar year to successfully complete all requirements.
- Students who do not successfully complete a co-op experience within the one calendar year maximum timeframe will receive a grade of “F” or “U” depending upon the grade mode.

Work Requirements:
- A supervisor assigned by the employer to provide direction and coordination on the job; also responsible for submitting midterm and final evaluation reports on the student
- Grades assigned by the Faculty Coordinator in accordance with criteria established by the Center for Career and Cooperative Education and the student’s academic college/department.

Program Options:
- Parallel plan: students work part-time for multiple semesters (three or more semesters) while maintaining a full-time course load.
- Alternating plan: students employed full-time, alternating classroom training with work-based training for a period of two or more semesters, following the employer’s schedule. Students may also work full-time during the summer semester (twelve weeks) but must also work in their co-op position during the fall and/or spring semesters
- Special plans: developed to meet the needs of the student and employer

- Students typically will return to the same location for each assignment with increasing responsibilities; however, may be allowed to work for several employers in varying situations as long as the work is related to the student’s career goals and those of the program
- Students participating in the Applied Learning (Internship) Program must meet the eligibility requirements of the Co-op Program, but may choose to work only one semester in either a paid or non-paid assignment or in any assignment that does not meet the Cooperative Education multiple term or length requirements.

Career Exploration

Students who need major and career guidance are provided assistance with their decision making. The Center can provide information about opportunities, career paths, labor and market information, salaries, and potential employers. Career assessment tools and career counseling appointments are available to help students expand their self-awareness of “best fit” career options according to students’ personality, strengths, interests and values.

Part-Time Job Program

The Part-Time Job Program gives students opportunities to obtain part-time, temporary, and summer employment with local and regional businesses. Students who participate in the program gain experience in the workforce while networking in the community. The Part-time Job Program is open to all currently enrolled EKU students.

Job Search Preparation

The Center staff offers individual appointments, workshops, online tools and other resources to help students with career and job-search preparation. They can help with resumes and cover letters, tips on job search strategies, professional dress, dining etiquette, interviewing skills, networking, social media, and applications to graduate and professional schools.

Connecting with Employers

The Center staff assists students in identifying and connecting with potential employers through job/career fairs, on-campus interviews, individual appointments, online tools, and other resources. The Center’s database is an easy to use and innovative system that gives students and alumni access to jobs postings and employers targeting EKU students.

Counseling Center
Whitlock Building 571
Phone: (859) 622-1303 Fax: (859) 622-1305
www.counseling.eku.edu

The University Counseling Center offers services designed to promote the success of students in achieving their academic, social and personal goals. The Counseling Center staff consists of psychologists and counselors who provide personal and career counseling both individually and in groups. Counseling is offered on a short-term basis. Referral is provided when the need for counseling services is beyond the role and scope of the Counseling Center. Substance abuse assessment and counseling are also available at the Counseling Center. Psychiatric services are available on a limited basis for students receiving counseling in the Counseling Center where medication is indicated. Counseling relationships are considered confidential as delineated by the APA guidelines.
Code of Ethics and, to the extent permitted by law, federal and Kentucky state law. Counseling services are available to students who are officially enrolled and taking classes at the time the service is provided.

Counseling Services
Counseling is viewed as another form of learning while in college. Typical college student concerns that may result in counseling are: adjustment to college, interpersonal conflicts, dealing with loss, test anxiety, time management, stress, academic pressures, anxiety, depression, motivation, substance abuse, traumatic experiences, eating concerns and choice of a major. Students can make appointments by calling (859) 622-1303 or dropping by the Counseling Center.

Career Counseling Seminar (GCS 199 - one credit hour)
This course is offered each semester for students who are unsure of their major and career direction. Forty sections are offered each year and are taught by the Counseling Center staff and part-time staff.

“Tuesdays with the Counseling Center”
The Counseling Center offers workshops to address top mental health concerns. Top student issues include: stress management, procrastination, time management, ingredients of effective relationships, study skills and test anxiety.

Services for Faculty and Staff
The Counseling Center staff also provides consultation to the University community on referral and how to be most helpful to the distressed student. When a faculty member wishes to refer a student for immediate help, it is recommended that the faculty member call and speak with a counselor for consultation to discuss the appropriate action. A downloadable document called “The Decision Making Tree” offers step-by-step guidelines on how to respond to students in distress at the Counseling Center website at: http://www.counseling.eku.edu/

EKU Housing
Whitlock Building 552
Phone: (859) 622-1515  Fax: (859) 622-8384
www.housing.eku.edu

EKU Housing fosters the development, engagement, and success of our residential community by providing an inclusive home that enhances the collegiate experience. Campus living offers opportunities that will help you excel academically, develop leadership skills and connect with life-long friends. You will meet students from all walks of life gathered together as part of a vibrant, close-knit community.

We offer Living Learning Communities (LLCs), which consist of students with similar majors and interests who live on the same floor/floors of a residence hall. Live and learn with others who share your goals, career interests and life passions!

All single, full-time undergraduate students under the age of 21 prior to the first day of classes, having fewer than 60 credit hours, or having lived in a residence hall less than four academic semesters (fall/spring) are required to live in University residence hall facilities. Exception is made for students residing with their parent(s) at their parent’s principle residence within 50 miles of the Richmond campus. Students living with parents must submit a verification form which is available through the housing office or at www.housing.eku.edu. Students may request exemption to the residency requirement under specific circumstances to the Director.

Each residence hall is equipped with the following services that come as part of the basic room rental rate:

Cable Television
All major network and major cable stations are offered with any cable-ready television at no cost. Enhanced services and premium channels are available at an additional charge. For additional information, contact the College Cable Services, Inc. at 800-472-2054 ext. 222.

Phone Services
Basic phone service is provided for all residents. Each room is equipped with one phone line. Residents are asked to provide their own touch tone phone. In order to dial long distance, students may use any calling card. Enhanced phone features are available at an additional charge. For additional information on enhanced services or long distance, contact EKU Telecommunication Services at (859) 622-1903.

Laundry Rooms
Several washers and dryers are located in every residence hall. All laundry machines are FREE for on campus residents.

ResNet
All rooms come equipped with two high-speed internet connections. Wireless network access is also available. For more information about equipping your computer for Internet access, visit www.resnet.eku.edu.

Study Rooms
Within most residence halls are open, quiet rooms in which to study.

Vending
All residence halls are serviced with a variety of drink and snack vending machines. The machines are coin operated, and many accept credit card processing as well.

Social, educational, and service-learning programs are offered and organized by University Housing staff in all of our residence halls. These programs range from movie nights on the residence hall floors to volunteering for Habitat for Humanity. Most often, the RAs on each floor host social programming so that the residents can get to know each other and enjoy their housing experience even more. Many of the University Housing programs are open to all campus residents.

EKU Housing has traditional residence halls, enhanced traditional halls (each room has built-in wardrobes and a sink), suite style halls and apartment style halls.

Features include:
Large recreation rooms  Kitchen and laundry areas
Indoor gas fireplaces  Indoor / Outdoor programming space
Study rooms  Large and small classrooms space
Computer labs  Leadership opportunities

Visit housing.eku.edu for rates, floor plans and more details.
Financial assistance is available to help students offset the cost of their college education. There are five types of financial aid: grants, loans, employment, entitlements, and scholarships. The grants, loans, and federal work study programs are need-based. To determine how much money and for which programs the student qualifies, he/she must complete the Free Application for Federal Student Aid each year.

Entitlements include but are not limited to resources from the Veterans Administration and Vocational Rehabilitation. Scholarships are awarded from the University as well as outside sources. For information regarding entitlements, students should contact the Division of Student Financial Assistance at (859) 622-2361. This office can guide the student to the proper source depending on the type of entitlement or scholarship the student is interested in pursuing.

For scholarship information, students should contact the Scholarship Office in the Whitlock Building, Room 346 (859) 622-8032.

VOCATIONAL REHABILITATION (OVR).

EKU supports the efforts of OVR to serve eligible individuals with disabilities. The Kentucky Office of Vocational Rehabilitation provides vocational rehabilitation services to eligible individuals with disabilities. Individuals receiving OVR services may also contact the EKU Center For Student Accessibility for academic accommodation. For more information about eligibility criteria call the Office of Vocational Rehabilitation toll free at 1-800-372-7172 or (502) 564-7172, or visit the website at www.ovr.ky.gov.

GRANTS

Grants are considered gift aid and do not usually have to be repaid.

The Federal Pell Grant is the largest grant program. The maximum award is $5,920 for 2017-18.

The Federal Supplemental Educational Opportunity Grant (SEOG) is awarded to students who demonstrate exceptional need, and priority is given to Federal Pell Grant recipients. The average Federal SEOG award at Eastern Kentucky University is generally $550 for the academic year.

The College Access Program Grant (CAP) is awarded to eligible Kentuckians. The amount of this grant is determined by the Kentucky Higher Education Assistance Authority (KHEAA). It is given to students enrolled for a minimum of six hours. Full-time students will receive up to $950 per semester, $1,900 for the 2017-18 academic year.

SCHOLARSHIPS

Eastern Kentucky University offers a range of academic scholarships designed to reward scholastic achievement and enhance the university community through the attraction of academically talented students.

Unless noted otherwise in the specific description, each of these scholarships is awarded for eight consecutive regular semesters of full-time undergraduate work to students earning their first undergraduate Bachelor degree, provided a satisfactory grade point average is maintained.

In addition to the general scholarship program described below, the University also awards a number of scholarships funded through private funds administered in the Eastern Kentucky University Foundation. Students need to complete the scholarship application form to be considered for all foundation scholarships the University awards (www.scholarships.eku.edu).

Some discipline specific scholarships are awarded based on selection processes within the appropriate academic department. If the department housing the major indicated on the application form awards such scholarships, you will receive information from that department.

In addition to completing the scholarship application, it is also necessary to apply for admission to the university and for financial aid. All necessary forms are available through the Office of Admissions. If you have a question, or need admission forms, please call 1-800-465-9191, or send an email to admissions@eku.edu. Scholarship applications are available online at www.scholarships.eku.edu.

Exception for the book award to participants in the Honors Program, the university does not make multiple awards of the described scholarships. Recipients will receive the highest award for which they apply, are eligible and selected.

The following information is applicable to freshmen enrolling at Eastern Kentucky University for the first-time in the Fall semester, 2017.

Transfer Scholarship: Students need to apply for admission to be considered automatically for merit scholarships. To be considered for the fall semester, students must apply for admission by June 15th. To be considered for the spring semester, students must apply for admission by November 15th. To be considered for the summer semester, students must apply for admission by April 15th. The transfer scholarship qualifications and requirements for this scholarship can be found at www.scholarships.eku.edu.

AWARDS

Four-year awards can vary up to $52,000. Merit scholarships are awarded automatically upon admission to EKU. Applicants must be admitted prior to February 1st to receive priority for scholarships. We will continue to award after February 1st until funds are exhausted. The last date for scholarship upgrades is March 1st. There are no upgrades after that date. Students that are in a 100% online degree program are not eligible for merit scholarships. Requires maintenance of a certain grade point average to retain, dependent upon the amount of the award and student must be enrolled in a minimum of 12 credit hours each semester. If a student does not return for a semester, then the scholarship is considered forfeited and cannot be reinstated.

To determine your eligibility, please refer to our scholarship calculator at www.scholarships.eku.edu/estimator. Students should input their unweighted high school GPA and their ACT SAT scores. Many academic departments offer scholarships. Check with the department of your intended major or program to learn more about these options. Private donors, corporations and a wide range of organizations also have endowed scholarships. Discover more at www.scholarships.eku.edu.

Number of Awards: Limited

J.W. Thurman Alumni Scholarship: Applicants must be a dependent child of an EKU graduate. Applicants must score at least an 18 composite on the ACT exam and have a minimum high school grade point average of 3.0. Applicants may use the University’s foundation scholarship form and check the block indicating the application is for the J. W. Thurman Alumni Scholarship, and mail the application to the EKU Scholarship Program.
Activities.

Applicants must be involved in at least three extracurricular activities.

Honors Program Award: Students who are accepted into the University Honors Program will receive books-on-loan for up to eight consecutive semesters, provided they remain in the Honors Program.

Dr. Rodney Gross Scholarship: The Dr. Rodney Gross Diversity Scholarship provides financial assistance to high-achieving students from all segments of society: Alaskan, Native, Asian, Native Hawaiian or other Pacific Islander, Hispanic, or Latino. Applications may be obtained by contacting the Scholarship Office by phone (859) 622-8032 or via the web at www.scholarships.eku.edu.

EKU Retention Scholarship (Contingent on outside funding): Students completing their freshman year with a 2.0 grade point average or better and returning for the following fall term may apply for the competitive Retention Scholarship. If applicants have been enrolled in developmental courses they must have earned at least a grade of a “C” or better and be degree seeking students. This non-renewable scholarship provides up to $1000.00 for an academic year toward tuition and fees. Applications may be obtained by contacting the Scholarship office by phone (859) 622-8032 or via the web at www.scholarships.eku.edu.

STUDENT LOANS

The Federal Perkins Loan is a 5 percent simple interest loan awarded to exceptionally needy students. This loan is made to undergraduates, as well as post-baccalaureate and graduate students. Repayment begins nine months after the student ceases to be enrolled on at least a half time basis. There are certain occupations which allow a student to cancel a percentage of the money they borrow from this program. Contact the Loan Accounts Office in the Whitlock Building, Room 216, for more information regarding the cancellation and deferment options. All first time Federal Perkins Loan borrowers must be enrolled for thirty (30) days before their first Perkins disbursement can be released.

The Federal Direct Subsidized Loan Program is a need based program available to students who are enrolled at least half time. This loan is for undergraduate, and post-baccalaureate students. The interest rate is fixed and is not to exceed 8.25%. Contact the Office of Student Financial Assistance after July 1 for the current year interest rate.

The Federal Government pays the interest while the student is enrolled at least half time. A student has six months after ceasing to be enrolled as a half time student before repayment begins.

All first time Federal Direct Loan borrowers (subsidized as well as unsubsidized) must complete entrance counseling before their loan can be processed. Counseling can be completed at www.studentloans.gov.

The Federal Direct Unsubsidized Loan Program is not based on need. It has a different interest rate as the Federal Direct Subsidized Loan Program, and the student is responsible for paying the interest on this loan. The unsubsidized and the subsidized loan cannot exceed the maximum amount allowable by a student’s classification. For example:

First Year Students - $5,500 is the annual loan limit. No more than $3,500 of this amount may be in subsidized loans. All first time Federal Direct Loan borrowers must be enrolled for thirty (30) days before the first disbursement can be released.

Second Year Students - $6,500 is the annual loan limit a student can borrow. No more than $4,500 of this amount may be in subsidized loans.

*NOTE: This is the maximum amount ($6,500) that a student working on an Associate Degree is eligible to receive.

Third and Fourth Year Students - $7,500 is the annual loan limit. No more than $5,500 of this amount may be in subsidized loans.

Graduate Students - $20,500 is the annual loan limit. No more than $8,500 of this amount can be in subsidized loans.

Independent students may be eligible for an additional unsubsidized funds. An independent student could borrow up to an additional:

- Freshman/sophomore - $4,000
- Junior/senior - $5,000

Keep in mind that the unsubsidized and subsidized Direct Loans combined cannot exceed the student’s cost of education minus all other student financial assistance.

*Each annual loan limit is for one award year (12 month period; i.e., fall, spring, and summer).

To apply for a Federal Direct Subsidized or Unsubsidized Loan, all students must complete a Free Application for Federal Student Aid. After the student is evaluated for all federal programs, his/her eligibility for the Direct Loan program is determined. The Office of Student Financial Assistance will certify the loan and electronically submit the information to the U.S. Department of Education (DOE). If the student has a signed Master Promissory Note (MPN) on file at DOE, the loan funds will be sent to Eastern Kentucky University on the specified disbursement dates. If the student does not have a signed MPN on file at DOE, a MPN must be signed electronically at www.studentloans.gov.

Post-Baccalaureate Students—Students returning to work on a second undergraduate degree are not automatically eligible for the senior annual loan limit of $7,500. Each student must submit documentation which indicates how many hours that student has toward the second degree.

The Federal Direct Plus Loan program enables parents to borrow the cost of education minus other aid for their student who is enrolled for at least 6 hours. This is not a need based loan. As long as the parent who is applying for the loan is credit worthy, the loan is usually approved. The interest rate is fixed and not to exceed 9%. Interest begins to accrue 60 days after the loan is fully disbursed. The parent must complete the PLUS application process at www.studentloans.gov each year. If the parent has a signed Master Promissory Note (MPN) on file at DOE, the loan funds will be sent to EKU on the specified disbursement dates. If the parent does not have a signed MPN on file at DOE, a MPN must be signed electronically at www.studentloans.gov.

The Student Aid Society (Emergency Loan) program is designed to provide emergency short-term loans to students. It must be repaid. Students may borrow a small amount of money on a personal note at a legal rate of interest for a one month period. Money is made available through contributions of the University, alumni, private organizations and many individual friends of the University.

You must be enrolled as a full-time student, have a 2.0 (“C”) overall grade point average, a means of repayment, and must not have a past due balance. All students are eligible to apply for these short-term loans regardless if they are receiving other forms of financial aid. An application form obtained from the Loan Accounts Office in the Whitlock Building, Room 210 must be
completed.

The loan must usually be repaid within four weeks, and the student is charged an interest rate of 2 percent. Students who have delinquent loans will have their grades sealed in the Registrar and will not be allowed to register for the next semester. Delinquent loans will be collected through a collection agency. Any additional expenses incurred in the collection of the note will be added to the student’s repayment.

**STUDENT EMPLOYMENT**

Eastern Kentucky University offers its students two employment programs. One is the federal work study program which provides part-time jobs to students who have financial need as determined by the Application for Federal Student Aid. This program is federally funded. The other is the EKU institutional work program. Eastern Kentucky University provides funds to employ students who want to work on-campus, but do not qualify for the federal work study.

Both of these programs employ students on a part-time basis, and students are paid every two weeks for the hours they have worked. Their job schedule is built around their class schedule. A variety of jobs are available including typing, filing, farm work, food service, resident hall assistants, tutorial work, as well as community service jobs. Contact Human Resources for more information at the Jones Building, Room 203, between 8:00 a.m. – 4:30 p.m. (M-F), or by phone at 859-622-5094, Option.

Student Success Seminars serve as the gateway for student success to the University, providing our students with the tools, knowledge, and success strategies needed to thrive and connect to academic and campus life at EKU!

These courses provide a firm foundation in the structure and functions of the university, how to succeed in college, how to choose and/or succeed in a major, how to make the most of the academic curriculum, and how to think critically and solve problems.

Every student seeking an Associate of Arts Degree in General Studies or a baccalaureate degree must complete a (1) or (3) credit hour Student Success Seminar.

- Full time students must complete the Student Success Seminar during their first semester.
- Part time students are strongly encouraged to complete the Student Success Seminar during their first semester, and must complete it within their first 18 credits.
- Students who earn a grade of “W,” “F,” or “FN” in a Student Success Seminar must repeat the course the following term.
- Transfer students who have 30 or more transfer credits upon admission to EKU may have this requirement waived. Some majors require all students to take a Student Success Seminar, regardless of transfer status.
- Students who earn a grade of “W,” “F,” or “FN” in a Student Success Seminar must repeat the course the following term.

Eastern Kentucky University offers several variations of the seminar, depending upon major or special interest group.

- Students who enter the University with a declared major enroll in a (1) credit hour seminar in their college (ASO, BTO, EDO, HSO, JSO, SCO, or HON 100).
- Exploratory students (students who have not declared a major in a college) will enroll in a (3) credit hour seminar, GSD 101, which incorporates a unit on major and career exploration, in addition to critical thinking and success strategies.
- Sections of GSD 101 are also offered for special populations, such as NOVA, student athletes, veterans, and members of the Eastern Bridge program.

The Office of First Year Courses is also home to GSD 101 Learning Communities. Eligible students are pre-enrolled in Learning Communities on an as-available basis. In a Learning Community, students take two classes with the same group of students and have opportunities to interact with instructors, classmates, and peer mentors outside of class.

**Office of International Student and Scholar Services**

Mr. Wenceslaus P’Oryem, Director
Whitlock Building 455
Phone: (859) 622-1478 Fax: 859-622-1552
international@eku.edu
www.international.eku.edu

The Office of International Student and Scholar Services (OISSS) provides services, programs and resources to assist international students and visitors with their transition to campus and to life in the United States. Eastern Kentucky University has more than 250 international students studying at both the undergraduate and graduate levels. These students represent approximately 45 nations.

OISSS supports international students and works with campus partners in providing educational, social and cultural programs which promote cross-cultural understanding and contribute to campus internationalization.

The office also has a dedicated staff who works directly with sponsored students studying at EKU through various governmental programs or scholarships. Finally, the office provides immigration visa advising to our international population and also serves to keep the university in compliance with federal immigration regulations.

**Meditation Chapel**

University Chaplain
Phone: (859) 622-1723
www.studentaffairs.eku.edu/chapel/

The Chapel of Meditation is the realization of a dream begun in 1968 when the Eastern Kentucky University Alumni Association adopted the Century Fund Project to finance a non-denominational chapel. The chapel stands as a testimonial of the love and devotion of the alumni, faculty, students and friends, commemorating the 100th anniversary of higher education on the Eastern Kentucky University campus.

The chapel is non-sectarian and is open to students, faculty, staff, alumni, and friends of the University for meditation, prayer, and spiritual reflection. The chapel is also used for several other events such as:
The University Chaplain’s office is located in the basement of the chapel. The Chaplain coordinates the various activities of the chapel and is available to perform weddings. The Chaplain also attends to students, staff and faculty with questions about spiritual matters or spirituality. Besides providing a peaceful and serene setting for prayer and meditation, the chapel is used to house various student organization meetings and services, weddings, and annual memorial services.

**Office of Military and Veterans Affairs**

317 Lancaster Avenue, Burnam House  
Phone: (859) 622-2345  Fax: (859) 622-5076  
www.va.eku.edu

The Office of Military and Veterans Affairs serves student veterans by assisting with admissions, obtaining VA benefits and credit for military training, and serving as an advocate for veterans’ issues throughout the campus community.

To utilize VA education benefits and to obtain a Certificate of Eligibility, student veterans or eligible dependents will need to apply directly to the Veterans Administration online at www.gibill.va.gov. Upon receipt of the certificate, please bring, mail, or fax (859-622-5076) a copy to the Veterans Affairs office on the main campus at 317 Lancaster Avenue. Additionally, a Course Enrollment Form must be submitted online each semester for which benefits will be used, at www.va.eku.edu/course.

Basic Allowance for Housing (BAH) is based upon E-5 with dependents for the 40475 zip code and is also prorated. Online-only Post 9-11 student veterans will draw BAH at one half of the national BAH average. All veterans who are eligible for benefits under the federal Post-9/11 Veterans Educational Assistance Act of 2008 (38 U.S.C. Section 3301 et seq.), or any other federal law authorizing educational benefits for veterans, will receive in-state tuition and fees.

Veterans needing assistance in obtaining a copy of their Joint Service Transcripts or CCAF transcripts should email ekuveteransaffairs@eku.edu or call 859-622-2345.

**VA Regulations for Aviation Courses**

Students using GI Bill® benefits to fund an aviation course must complete each course within one year of initial registration; failure to do so will result in the student being assigned a grade of NC (No Credit). Students using GI Bill® benefits must repay to the VA the cost (including a portion of stipends for living expenses) related to any course in which a grade of NC is earned. All student participants receiving Veterans Administration benefits have 19 calendar weeks from the date of the first flight event to complete an Aviation flight lab.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at http://www.benefits.va.gov/gibill

**Aviation Flight Hours & Costs/Fees**

A complete listing of aviation related fees for the current academic year is published on the EKU Aviation Flight Fees website (http://aviation.eku.edu/aviation-flight-fees), and included in materials provided by the flight instructors.

Additionally, all VA funded flight students receive this information from the EKU Office of Military and Veteran Affairs during their enrollment certification process. Students should verify through their regional Department of Veterans Affairs processing office if they have questions regarding their eligibility to use VA resources to complete the requirements of the EKU Aviation program.

**Kentucky National Guard Tuition Award Program**

Active members of the Kentucky National Guard can utilize the Kentucky National Guard Tuition Award Program if they meet all eligibility criteria. Members must maintain all minimum standards, be eligible for all positive personnel actions, and have completed basic training or its equivalent. Eligible members will be awarded up to in-state tuition for full or part-time study at any Kentucky public college while funds are available. Members must apply to utilize the Kentucky National Guard Tuition Award Program each semester. The deadline to apply for the Fall semester is April 1, and the deadline to apply for the Spring semester is October 1.

The application is available online at https://ky.ngb.army.mil/tuitionstudent. For additional information, members can contact the Boone National Guard at (502) 607-1039.

**Survivors' and Dependents' Educational Assistance**

DEA (Chapter 35) provides education and training opportunities to eligible dependents and survivors of certain veterans. For more information on DEA eligibility visit www.gibill.va.gov.

**Children of Kentucky War Veterans**

If you are the child of a Kentucky War Veteran you may also be entitled to a tuition waiver in addition to your DEA benefits. Under the provision of KRS 164.505 and 164.515 children of Kentuckians who were killed in military action or who were opportunities to eligible dependents and survivors of certain veterans. For more information on DEA eligibility visit www.gibill.va.gov.

**Children of Kentucky War Veterans**

If you are the child of a Kentucky War Veteran you may also be entitled to a tuition waiver in addition to your DEA benefits. Under the provision of KRS 164.505 and 164.515 children of Kentuckians who were killed in military action or who were permanently and totally disabled in wartime military services are eligible for this waiver. For additional information contact the Kentucky Department of Veterans Affairs, Tuition Waiver Coordinator at (800) 928-4012.
The Office of Multicultural Student Affairs (OMSA) seeks to bring issues of cultural diversity to the forefront of campus conversation through educational programs and services. OMSA serves all students as they question personal and collective notions of race, gender, economic status, language, nationality, ethnicity, religion, sexual orientation, age, exceptionality and culture. OMSA encourages the utilization of campus resources, participation in campus life, understanding and respecting cultural differences, and encouraging tolerance and inclusiveness. OMSA is actively engaged in collaborative efforts with other departments and academic areas on campus and provides co-curriculum learning experiences. OMSA also focuses on helping students from under-represented groups feel welcomed and supported so that cultural barriers are minimized and to help all students become more culturally competent to prepare them to enter an increasingly diverse workforce. The center promotes life-long learning and global citizenship by providing programs, workshops, diversity trainings, study groups, panel discussions and events on cultural awareness, sensitivity and competence.

Located within the Powell Student Center, The Office of Multicultural Student Affairs is actively engaged in collaborative efforts with other departments and academic areas on campus including African/African-American Studies, Appalachian Studies, Campus Ministries, International Education, and Women and Gender Studies. The center also supports the efforts of various Eastern Kentucky University student organizations such as African /African American Studies Group, the Alphabet Lounge Student Group, B.S.U. (Black Student Union), Christian, EKU Capoeira Club, Eastern Kentucky University Gospel Ensemble, Feminists for Change, International Student Association, L.S.A. (Latino Student Association), M.A.R. (Men Against Rape), M.C.C. (Minority Collegiate Connection and Collegiate Black), Men of Color Mentorship Program, M.S.A. TRiO Programs

Educational Talent Search Program
Ms. Lisa Sons, Director
Telford House
(859) 622-5425
www.ets.eku.edu
ETS@eku.edu

The Educational Talent Search (ETS) Program is a TRiO project funded by the U.S. Department of Education. Talent Search has been at Eastern Kentucky University since 1985. The program serves 6th grade through 12th grade students who have the interest and abilities to further their education beyond high school. Two-thirds of the participants must meet federal income guidelines, and be in the first-generation in their family to pursue a post-secondary education. The goal of the program is to assist participants as they transition from middle school to high school, and on to a post-secondary educational institution. Educational Talent Search offers services related to the following areas: academic information, career resources, exposure to college campuses, career sites and cultural activities, financial literacy, financial aid program information, mentoring, tutoring and personal development activities. Educational Talent Search also offers assistance to out-of-school adults in identifying additional support services. ETS offers assistance for high school completion through referrals to GED programs and local high schools. Services are also available for those who are enrolling in postsecondary institutions for the first time or for those who are returning to school. For more detailed information, contact the Educational Talent Search Program at (859) 622-5425 or check out the Educational Talent Search Program’s website at www.ets.eku.edu.

McNair Scholars Program
Mr. Rich Richmond, Director
Jones 409
(859) 622-6249

The McNair Scholars Program at Eastern Kentucky University is a federal initiative funded through the U.S. Department of Education. The McNair Scholars Program encourages and assists undergraduate students from disadvantaged backgrounds who aim to enter careers that require doctoral achievement. Professional staff members provide supportive supplemental advising, offer holistic academic counseling, and facilitate structured training opportunities that enhance participants’ readiness for graduate school applications and preparation for graduate school achievement.

Services provided by the program include:
- PhD faculty mentoring
- Supportive supplemental advising
- Holistic academic counseling
- Seminars and scholarly activities that prepare participants for graduate level achievement
- Paid summer research internships
- Conference and presentation opportunities
- Graduate school application preparation and support
- EKU Scholarships

Additional information about the McNair Scholars program can be found on the website at www.mcnaireku.edu.

Education Pays Center
Ms. Robyn Moreland, Director
Weaver 202; (859) 622-6684
www.eku.epc.edu

The Education Pays Center is a program designed to assist Kentucky Temporary Assistance Program (KTAP) recipients who are seeking postsecondary education at Eastern Kentucky University. This program is funded by the Cabinet for Health and Family Services and has been on the EKU campus since 1998. The Education Pays Center respects individual student-participants by providing guidance and support toward career goals, meaningful employment, and the achievement of postsecondary vocational certificate and/or higher education degree. Student-participants are provided with career exploration, counseling, mentoring, academic support services, work experiences and job readiness skill building. The Education Pays Center helps students get where they want to be.
The NOVA Program is a Student Support Services/TRiO project with the legislative purpose to facilitate persistence and graduation of eligible learners. NOVA pre-identifies first-year EKU students who demonstrate a potential for success in college and who meet the economic and/or first-generation-college-student eligibility criteria. The NOVA service delivery design is a holistic retention plan based on the learner’s needs for success. NOVA provides instruction in Student Success Seminar and Leadership Dynamics and provides the following support services throughout the learner’s EKU academic career from orientation to graduation:

- Instruction in Academic Orientation, Leadership Development and Peer Mentoring
- Academic Advising
- Financial Aid and Financial Literacy Consulting
- Scholarship and Grant Aid Award
- Personal and Career Consulting
- Graduate School Planning
- Service Learning
- Peer Mentoring
- Living Learning Community
- Registered Student Organization
- Academic Assistance and Monitoring

NOVA learners earn a degree from EKU at a statistically significant higher rate as compared to other EKU students from the same background. NOVA is located on the second and third floors of the Turley House and is open from 8:00 a.m. - 4:30 p.m. Monday-Friday. Please visit www.nova.eku.edu or phone (859) 622-1047.

**Upward Bound Program**
Ms. Tamara Stewart, Director
Patterson House
(859) 622-1080

The Upward Bound Program, a TRIO project funded by the U.S. Department of Education, has been at Eastern Kentucky University since 1965. Its purpose is to motivate and prepare for college traditionally underrepresented students from low-income families and those in which neither parent holds a bachelor’s degree. UB offers a rigorous academic program, mentoring, academic support, individual and group tutoring, and workshops in a variety of educational, motivational, and college preparatory topics. Students are chosen from ten high schools in the nine counties of Casey, Estill, Garrard, Jackson, Lee, Lincoln, Madison, Powell, and Wolfe. They spend their sophomore, junior, and senior years in the program, attending Saturday Academies and in-school workshops throughout the academic year to provide academic assistance as well as financial aid and college admission information. During the summer, a six week residential program includes academic classes, cultural and educational trips, plus social and recreational activities. Tutor Advisors and instructors assist students with their studies and other program activities. Interested students from the above counties should contact their high school guidance counselor or visit the website at www.upwardbound.eku.edu

**Center for Student Accessibility**
Dr. Lori Davis, Director
Whitlock Building 361, CPO 66
Phone: (859) 622-2933
www.accessibility.eku.edu

The Center for Student Accessibility (CSA) assists students by coordinating campus and program accessibility as well as providing support in the attainment of educational goals. CSA is located in the Whitlock Building, Room 361. Appointments are made by calling (859) 622-2933 or by email at accessibility@eku.edu.

Students requesting services are required to submit a completed application for services and current health-related documentation. Applications, documentation guidelines, and additional information is available at the CSA website. Services are individualized and may include accommodations, digital books, equipment loans, note-taking assistance, and other services. Deaf and Hard of Hearing students are also assisted by CSA to support their educational success. CSA provides and coordinates accessible services including, but not limited to, interpreters, equipment loan, note-takers, testing accommodations and other services. Current audiological documentation is required and services will be determined on an individualized basis. For additional information, students may telephone (859) 622-2933 (V/TDD) or visit the office in Mattix Hall Room 322.

CSA offers **Project Success**, a comprehensive program for students diagnosed with specific learning disabilities, Attention Deficit Disorder and other health conditions to support their academic success at EKU. Project Success provides participating students with intensive academic coaching and tutoring support.

CSA strives to prepare college-bound high school students for postsecondary success. Selected high school juniors and seniors may be eligible to participate in the Planning to Win college transition initiative. CSA staff provide informational presentations to high school students with identified conditions to facilitate their college planning. Participating high school students may also attend a summer college preparatory program hosted at the EKU campus.

**ADA/504 Coordinator**
The ADA/504 Coordinator serves the University by hearing individual ADA cases including appeals for course substitutions, waivers and other accessibility-related cases and as a member of the ADA Appeals Committee. Appointments with the Coordinator are made by contacting CSA.

**ADA Awareness and Accessibility Committee**
Current students, faculty, staff and others interested in accessibility awareness are invited to attend the meetings of EKU ADA Awareness and Accessibility Committee. A schedule of meetings is available at the Committee’s website, www.adaccess.eku.edu

**ADA Appeals Committee**
The ADA Appeals Committee serves the University community by adjudicating individual accessibility cases. Please contact CSA for additional information.
The mission of Student Health Services at Eastern Kentucky University is to provide our students with the best quality acute ambulatory medical care in a compassionate environment, while providing education on healthy lifestyles from which our students can benefit for the rest of their lives.

Student Health Services has three primary goals: first, to address any acute medical condition that threatens health, interferes with function, reduces performance, and serves as an obstacle to learning and personal growth; second, to educate our student body on healthy lifestyle choices that promote wellness and reduce the chances of disease—the preventive approach; third, to serve as a source of information and access to community based assistance programs. Services provided at the Health Center include:

- Outpatient acute medical care
- Allergy shots
- Basic laboratory tests
- Certain immunizations
- X-Ray requests
- Tuberculosis skin testing
- Health education
- AIDS education/testing referral

To make an appointment to see a provider, please go to the SHS website and click on the icon at the bottom left corner of the home page: “Schedule Online Appointment.”

A variety of free pamphlets, booklets, and other materials are available at the SHS. Students may utilize the computer terminal with Internet access in the SHS lobby to look up health related topics of interest.

Student Life
Powell Building 128
Phone: (859) 622-3855 Fax: (859) 622-6598
www.studentlife.eku.edu

The Office of Student Life at Eastern Kentucky University is dedicated to making sure every student has the opportunity to get involved and receive valuable experiences outside of the classroom. Student Life provides numerous activities for EKU students including Community Service, Fraternity & Sorority Life, Leadership, Registered Student Organizations (RSOs), and Student Activities. Student Life also provides these unique educational opportunities to assist students in their holistic development.

The first step to getting involved is visiting our website: www.studentlife.eku.edu. Here you can learn about involvement opportunities by logging into OrgSync (www.eku.orgsync.com)! You can browse RSOs, check out upcoming events on the calendar, and complete other forms and applications.

Colonel Camp
Colonel Camp was established in 2007 to allow new students to get a jump start on college life at EKU. Colonel Camp serves as a bridge between Orientation and New Student Days and aims to connect new students to campus, current student leaders, and their peers. The camp occurs before Move-In Day in August and provides the participants with the opportunity to serve other new students as volunteers during Move-in.

New Student Days
The New Student Days (NSD) program is phase two of the first year experience at Eastern Kentucky University. New Student Days programming kicks off on the Sunday before classes start and continues throughout the first weeks of classes. NSD is a required program for all new students and is incorporated into the curriculum of the student success seminars.

The purpose of this program is to enable students to meet other new students and participate in a wide variety of campus activities. The President’s Picnic, educational sessions, and social events are just some of the highlights. All new students are required to attend.

Family Programs
The Eastern Family Network began in the summer of 2000 to get parents and other family members involved in Eastern Kentucky University. By informing family members about campus happenings, we hope they will be supportive and engaged in the educational process with their student. First Year Programs also facilitates planning Family Weekend, a spring Family Network event, a Family guide, a monthly newsletter and a Family resource page on the First Year Programs website.

Community Service
The Community Service program coordinates a variety of service opportunities throughout the year that EKU students, faculty, and staff can participate in both on and off campus. Whether it’s to fulfill a class requirement or just to get involved, students looking for volunteer opportunities can visit to get connected with local volunteer opportunities that meet their individual needs and fit their busy schedules.

There are five main ways you can engage with the Community Service program at EKU:

- Volunteer with Saturdays for Service: Since 2004, EKU students been partnering with local entities for service opportunities. Each event is a one time commitment, working with a different community partners, either in Richmond or nearby in our service region. Saturdays for Service occur on the first Saturday of each month. Transportation is provided.
- Commit to a Community Partner: Our office has a variety of community partners within driving distance of campus. By signing up through OrgSync a student can commit to volunteering one time or regularly, by themselves or with a group of friends. This is a great way to fulfill volunteer requirements for class, connect with the community, learn about yourself, or gain experience for after college. Opportunities vary and are continuous, so a time can be found that works with each person’s schedule. You can learn about these many opportunities through our Part Time Job & Volunteer Fair hosted during Welcome Week.
- Immerse and Serve on an Alternative Break: Alternative break trips are offered year round (fall, winter, spring, summer, and even weekends). Each trip has a focus on a particular social issue, such as (but not limited to) disaster relief, poverty, education reform, hunger, and environmental stewardship. Students learn about the social issues and then perform week-long projects with local non-profit organizations.
- Join in on a Day of Service: Day of service events include onetime events throughout the academic year. Major Days of Service include 9/11 Day of Service and Remembrance & Martin Luther King Jr. Day. Throughout the year these days of service include both on and off campus on time opportunities to serve and
support our community.

Students interested in taking a more action in service have the opportunity to take up student leadership positions including joining some of our service-focused RSOs and the Service Council. For more information visit: www.communityservice.eku.edu or www.facebook.com/EKUcommunityservice.

Fraternity & Sorority Life

Eastern Kentucky University is home to a vibrant fraternity and sorority community comprised of three governing councils: Interfraternity Council, National Pan-Hellenic Council (NPHC), and Panhellenic Council.

Our over 25 chapters are values-based organizations focusing on scholarship, service, leadership, and life.

- Scholarship – Each chapter has scholastic standards members are required to meet. Additionally, chapters implement academic success plans including study hours, incentives, and much more. As a result, members of the fraternity and sorority community consistently boast a collective grade point average above their non-affiliated counterparts. In Spring 2014, they earned a 3.0412!
- Service – Greeks regularly dedicate their time, talent, and treasure to bettering the world in which we live. This is accomplished through philanthropy and community service efforts. Each chapter holds a minimum of one signature philanthropy event each year to raise money for their selected cause. Additionally, members complete countless hours of community service both as a chapter and individually.
- Leadership – Holding a leadership position in a student organization is a great way to develop personal leadership skills, to network, and to build your resume. Many notable leadership positions on campus are held by members of fraternities and sororities including: Orientation Leaders, GURUs, Student Government Association officers, and Student Athletes. Additionally, the fraternity and sorority community gives members many opportunities to lead within the chapters and in the community. Each chapter also has a development program including workshops on how to become an effective leader. The leadership skills you build at Eastern Kentucky University can help you be successful in the future.
- Life – Membership is a lifelong commitment. Fraternity men and sorority women value brotherhood/sisterhood and being together for support and fellowship. To join a Greek organization is to find your home away from home. At EKU, members engage in a variety of activities together. Students will attend regular chapter meetings, plan annual philanthropy events, and participate in brotherhood/sisterhood activities. Brotherhood/sisterhood activities might include movie nights, road trips, social gatherings, or spontaneous hang outs on the chapter’s floor in Dupree or Todd Hall. Notable community traditions include Greek Sing, a song and dance competition; Homecoming, including the construction of floats for the parade and celebration of the Football Team; and participation in various intramural sports.

Students interested in joining a fraternity or sorority can visit www.greeklife.eku.edu to learn about upcoming recruitment events. You can also follow us on Twitter for updates: @EKUGreekLife. Be Greek!

Leadership

Leadership development programs are a new and exciting opportunity to get involved with at EKU. Whether you consider yourself a leader or have always held a great interest in leading, our leadership development programs are created to serve emerging to advanced student leaders. Our co-curricular programs focus on helping you cultivate skills that will bolster your collegiate experience as well as help you be better prepared for successfully leading in life after graduation. We offer a variety of leadership development programs to allow you to grow in your leadership abilities in an assortment of formats including retreats, ropes courses, workshops, conferences, and the Colonel Leadership Internship. The semester kicks off with the Leadership Social and the Emerging Leaders Program, an opportunity for first-year students to begin their leadership journey at EKU.

Students who are looking to further bolster their leadership talents can participate in the Leadership Certificate Programs. Please visit www.studentlife.eku.edu for further information on the upcoming list of leadership programs.

Registered Student Organizations

EKU currently has over 230 Registered Student Organizations (RSOs) available for students. The 230 RSOs are categorized into 10 specific areas: departmental, governance, religious, honorary, residence hall, service, sports, fraternities/sororities, and special interest organizations. All of our student organizations are identified, created, and led by EKU students. Joining an organization is a wonderful opportunity to make a difference, meet others, and develop your personal leadership skills. Many of our RSOs will showcase who they are and invite you to be a part of their organization at the Student Involvement Fair during Welcome Week. For the complete list of organizations and to learn organization meeting times, information, and upcoming events, please visit www.eku.orgsync.com.

Student Activities

Student Life hosts dozens of events each semester aimed at educating, entertaining, and meeting the needs of EKU students. We host various guests including comedians, singer/songwriters, and illusionists that are free for students to attend. We also have many programs in which we collaborate with various departments across campus to enhance the out-of-classroom experience. We encourage you to explore our upcoming events at www.studentlife.eku.edu, or by following us on Facebook at www.facebook.com/EKUOSL.

This one-stop transitional center is designed for transfer, non-traditional and re-entry students (away from EKU for over 2 years). The Student Outreach and Transition Office provides comprehensive support to students from initial inquiry through registration for their first semester of classes, serving as an advocate to promote their needs along the way. Prospective students receive individualized consulting services in the areas of admissions, degree audits, major selection, academic bankruptcy, credit transfer process, degree completion via distance learning, and course registration prior to their first semester. This office also
provides students with answers to basic questions regarding filing for financial aid, financial aid appeals, and receiving credit for prior learning. Evening appointments are available to better serve the needs of adult learners.

SOTO also serves as a hub for diverse students with access to a bi-lingual /Latino Recruitment and Retention Specialist who is available to answer questions and refer students to appropriate resources. SOTO is also home to the Rodney Gross Scholars program. Scholars have access to dedicated study areas that include computer access, mentoring and tutoring assistance upon request.

Colonel Connection Program

The Colonel Connection Program facilitates the transfer process from other colleges to EKU, and eases students’ transition to and timely graduation from EKU. The program is available to students who are currently enrolled at another institution (e.g., a community college) and intend to transfer to EKU to complete a baccalaureate degree. Students must apply for admission to EKU, meet all admission requirements, and be accepted to EKU before enrolling in the Colonel Connection program.

Upon admission and completion of the Colonel Connection program agreement, participating students are granted continuous access to EKU’s DegreeWorks degree audit system, allowing them to view their individualized degree plan and progress towards an EKU baccalaureate degree. The degree audit is then kept current through regular submission of transcripts to EKU for credit evaluation. (Note: Colonel Connection students may not enroll in EKU coursework without first requesting visiting-student status through their advisor.)

When ready to transfer to EKU, the student must complete a Colonel Connection Admission request form in lieu of submitting another application for admission. This confirms the student intent to enroll as a degree-seeking student and locks in any transfer scholarship for which the student might be eligible.

To maintain enrollment in the Colonel Connection program, a student must:
• maintain a minimum 2.0 grade-point average (GPA) on all college-level work completed to date;
• complete, with a grade of C or better, no fewer than six (6) credits in the most recent fall/spring semester; and
• meet with an assigned EKU advisor at least twice per academic year to discuss their progress and plans for transfer and graduation.

Students who fail to meet any of the above standards will be given one fall or spring semester to comply, after which they will be disenrolled from the Colonel Connection program.

Upon enrollment in the Colonel Connection program, participants will have a catalog year associated with their student record designating the academic year for their degree program as well as General Education and University graduation requirements. Should graduation requirements subsequently change, students may request a move to the current Catalog through the Registrar’s Office. The catalog year may be found on the student’s DegreeWorks degree audit.

Students who fail to maintain their enrollment in the Colonel Connection program may apply for readmission to the program; however, their catalog year will be based on the date of re-enrollment.

For further information regarding the Colonel Connection program, contact the EKU Student Outreach and Transition Office (SOTO).

Student Rights and Responsibilities

1 Turley House
Phone: (859) 622-1500

The Office of Student Rights and Responsibilities and Eastern Kentucky University is a community of shared academic values, foremost of which is a strong commitment to intellectual honesty, honorable conduct, and respect for others. In order to meet these values, students at Eastern Kentucky University are expected to adhere to the highest standards of academic integrity. When becoming a part of the University community, the student enjoys social, cultural, and educational opportunities. He or she also assumes the role of a citizen of the community and agrees to abide by the regulations and standards of conduct operative in the University community. The Office of Student Rights and Responsibilities provides a fair and impartial student judicial system for students, faculty and staff of Eastern Kentucky University.

The Office of Student Rights and Responsibilities will:
• Provide information to all students relating to the General Regulations for Student Behavior,
• Adjudicate all reports of alleged violations of the General Regulations for Student Behavior and the Policy for Academic Integrity in a consistent manner,
• Facilitate due process rights set forth by the University Handbook for Students, and
• Ensure fair and impartial hearings.

Student Success

Mr. Matt Schumacher, Senior Director
Whitlock Building 335
(859) 622-6778

Student Success offers services and resources to assist students in persisting and completing their undergraduate degrees. These services include:
• Coordinating recruit-back
• Executing Progress Reports
• Leading retention initiatives
• Providing assistance and support to first-generation students (First Colonels)

The offices under Student Success include:
• Diverse Student Retention
• Life Skills Coach
• Student Success Center

Diverse Student Retention coordinates the Freshman Academy. The Freshman Academy is an interactive learning experience that promotes retention of all students, with particular focus on minority students. The Life Skills Coach provides intrusive coaching and mentoring to minority students to connect them to supportive resources to facilitate their transition to college and enhance their academic success. The Student Success Center is the one-stop resource for answers to any questions students may have during their college experience.
The Student Success Center is the one-stop resource for answers to any questions students may have during their college experience. Our full-time staff members serve as resources for students as they navigate college, often proactively reaching out to students who may need assistance. They also provide referrals to other EKU resources about which students may not be aware.

The EKU Gurus are trained tutors and mentors who work through Student Success Center programs to provide peer-to-peer service to EKU students. Each EKU Guru is trained to provide students with study skills, time management, critical reading strategies, test preparation approaches, and other skills necessary for college success. Additionally, Gurus provide content help in over 100 courses. For each course they cover, the Guru has earned a high grade in that class and has a faculty recommendation to tutor in that course. Additionally, staff members are trained to help students deal with life issues that may be impeding their success at college.

The workshops and other programs in the Chellgren Success Series are designed to help students with study skills, time management, choosing a major, and more. The Student Success Center also serves as a study area for students so that they can do homework and study with tutors nearby if they need assistance because asking for help is a habit that will help students be more successful.

All of our services are free and no appointment is necessary.

Office of University Advising
Mr. Benton Shirey, Director
Whitlock Building 347
(859) 622-2276

All undergraduate students are assigned an academic advisor through the Office of University Advising. Designated departmental faculty and college staff serve as advisors to students with declared majors. Professional advisors in the Office of University Advising serve as advisors for students seeking an Associate of Arts in General Studies degree, for exploratory students, and for students with two or more college readiness needs.

Academic advising is a dialogue between student and advisor to promote responsible and appropriate choices and facilitate a successful academic experience. The Office of University Advising collaborates with students, faculty, and staff across campus to develop a meaningful academic plan tailored to a student’s needs and goals. University Advising serves students, faculty, and staff by:

• Providing year-round academic advising and student support to each EKU student.
• Providing advising tools and referring students to appropriate campus resources.
• Facilitating the Early Alert Program to identify at-risk students.
• Providing customized academic planning and advising to at-risk and exploratory students and students experiencing academic difficulty.
• Assisting with academic recovery for students.
• Assisting in the withdrawal process for students.

• Collaborating with the Counseling Center and the Center for Career and Co-op to assist student in clarifying educational, career, and life goals.
• Collaborating with the Center for Career and Co-op to facilitate the major exploration process.
• Coordinating campus-wide advising functions through Eastern Academic Retention Network (EARN) meetings and the Undergraduate Advising Committee.
• Coordinating advising resources for the Summer Orientation Program in conjunction with the Office of Admissions and the Registrar.

For more information visit the University Advising website at www.universityadvising.eku.edu or call (859) 622-2276.

GENERAL ACADEMIC INFORMATION

Student success is an EKU priority. The General Academic Information section provides students with key information to help them succeed on the path toward completing a degree. All students should become familiar with the General Academic Information section of the Catalog as well as specific college and departmental program requirements. Being unaware of these regulations and requirements does not exempt a student from complying with the requirements.

APPLIED CRITICAL AND CREATIVE THINKING (ACCT)

The ACCT is a program-directed University baccalaureate degree graduation requirement intended to showcase the unique experiential and applied components of all undergraduate degrees at EKU. The goal of the ACCT is to ensure that students integrate into their degree program experiences and/or courses that demonstrate applied critical and creative thinking skills. Any course or experience used to meet this requirement may also be used to satisfy program requirements. Options to satisfy this requirement vary by degree program and will be determined by the program. The ACCT experience is expected to be at least a 3 credit hour course, or an experience that requires equivalent effort. Students should refer to the program requirements for their majors, as listed in this Catalog, or listed on their DegreeWorks degree audit, for specific information on the ACCT requirement.

ACADEMIC BANKRUPTCY

ACADEMIC BANKRUPTCY OF EKU WORK

Academic bankruptcy allows undergraduate students who are returning to Eastern Kentucky University after remaining out for an extended period of time to remove from their GPA a portion of the work attempted during prior college enrollment(s). EKU offers this option of academic renewal because it recognizes that some students fail to perform satisfactorily due to immaturity or to other factors that interfere with their academic performance.

Students considering academic bankruptcy should make careful note of the following policy conditions:

a. The student must not have attended Eastern Kentucky University or any other institution of higher education for a period of at least two consecutive years sometime after attempting work to be bankrupted.
b. The student must be currently enrolled as a degree-seeking student at EKU.
c. The student must not have previously declared bankruptcy of EKU work. Bankruptcy can only be declared once.
d. Only semesters where the term GPA is below 2.0 will be considered for bankruptcy.
e. Within eligible terms (see d. above), only courses with grades of “D” or “F,” or the equivalent, may be bankrupted.
f. During his/her first semester after being readmitted a student requesting bankruptcy must attain a minimum of a 2.0 term GPA. The student must earn no grade lower than a “C” on at least 12 hours of 100-level (or higher) EKU coursework, and pass any college readiness courses. All courses and grades, including repeated courses, will be counted in the qualifying term GPA. (*If it takes more than one semester to complete the necessary 12 credit hours, the student must maintain a consistent 2.0 term GPA since being readmitted.) For the purpose of determining bankruptcy a grade of “S” is acceptable.
g. A student who does not enroll in 12 credit hours of 100-level or higher coursework during his or her first term back at EKU will have his/her enrollment in the subsequent semester combined with that of the first to determine bankruptcy. All academic work attempted in the term that includes the twelfth credit hour is affected by the above grade restrictions.
h. Before formally requesting consideration for bankruptcy, the student must confer with bankruptcy experts in the Registrar’s Office to determine which semesters may qualify for bankruptcy and what the impact to the student’s GPA will be. The student will then complete and sign the Academic Bankruptcy form.
i. Any academic work used to complete a baccalaureate degree is not eligible for bankruptcy once the degree has been awarded.

If bankruptcy is granted, the bankrupted class(es):
• Will remain visible on the transcript, but with a “S” designation.
• Will not be counted in the student’s GPA.
• Will not count as earned hours. (Note that Financial Aid will continue to count bankrupted hours as attempted hours.)
• Will be included in the separate GPA calculation which is done when determining graduation honors.
• Will be prevented by DegreeWorks from meeting any degree requirements (including the 42 hour upper division requirement). However, the dean of the college of the student’s major may waive major, supporting, and general education requirements met by bankrupted courses. Note that this does not add back any credit hours from bankrupted courses, the student may be required to complete additional elective courses to obtain the minimum number of credit hours required to graduate.

ACADEMIC BANKRUPTCY OF TRANSFERRED WORK

Academic bankruptcy of transfer coursework undergraduate students who have been out of higher education for an extended period to void a portion of their earlier work attempted at other institutions. EKU offers this option because it recognizes that some students fail to perform satisfactorily due to immaturity or to other factors that interfere with their academic performance.

To qualify for transfer bankruptcy, a student must meet the following conditions:

a. The student must not have attended Eastern Kentucky University or any other institution of higher education for a period of at least two consecutive years sometime after attempting the work to be bankrupted.
b. Students may request to bankrupt prior work. However, all EKU bankruptcy restrictions and rules listed in the general academic bankruptcy section of this catalog apply.
c. After being admitted to EKU, the student must attain a minimum of a 2.0 GPA with no grade lower than a “C” on at least 12 hours of college-level (i.e., 100 or above) EKU courses and pass any attempted college readiness courses. All courses and grades, including repeated courses, will be counted when determining eligibility for academic renewal. A grade of “S” is also acceptable for meeting academic renewal eligibility. All work attempted in the academic term that includes the twelfth hour is affected by these grade restrictions.

d. The transfer student must submit a completed Academic Bankruptcy request form to the Office of the Registrar. All students should consult with a bankruptcy expert in the Registrar’s Office. Together, they will identify the transfer institutions from which work is to be bankrupted, as well as the specific semesters that are to be bankrupted.

e. The student may not have previously declared transfer bankruptcy at EKU.

f. Academic work earned before completion of a baccalaureate degree is not eligible for bankruptcy once the degree has been awarded.

g. The student must be currently enrolled as a degree-seeking student at EKU.

h. If transfer bankruptcy is granted, the bankrupted work:
   • will remain on the transcript.
   • will not be counted in the student’s GPA.
   • will not count toward degree requirements, including the upper division hours requirement. However, the dean of the college in which the student is enrolled may waive major, supporting, and general education requirements met by bankrupted courses. Note that this does not add back any credit hours from bankrupted courses; the student may be required to complete additional elective courses to obtain the minimum number of credit hours required to graduate.

i. Grades for course work approved for academic bankruptcy will be included in the separate GPA calculation performed to determine students who will graduate with Latin Honors.

j. Transfer students who have participated in academic bankruptcy (or academic renewal) at a previous institution, and have not yet earned a baccalaureate degree, may petition through the University Exception process to either have the affected transfer coursework brought into EKU as it was recorded by the previous institution, or have the coursework applied through EKU’s academic bankruptcy policy.

### ACADEMIC INTEGRITY

EKU students are expected to adhere to the highest standards of academic integrity. Students who are found guilty of academic dishonesty will be sanctioned in a manner that is appropriate to the infraction. Sanctions may range from receiving a failing grade on the assignment to being assigned a failing grade in the course. Stronger sanctions are possible in the event a case is assigned to the Student Disciplinary Council. Students who are assigned a grade of “F” or “FX” in a course due to academic dishonesty will not be permitted to withdraw from the course.

For a full description of academic dishonesty, including plagiarism, cheating, and fabrication, refer to the section entitled Academic Integrity Policy in the University Handbook for Students.

### ACADEMIC READINESS

The Developmental Education and College Readiness Program at Eastern Kentucky University helps students achieve academic success by developing or enhancing skill level proficiencies in the areas of reading, English writing, and/or mathematics, by improving students’ academic and social college readiness skills, and by promoting self-advocacy and personal responsibility among incoming first-year students.

College Readiness: In Kentucky, “college readiness” is indicated by minimum ACT sub-scores of 18 in English, 19 in mathematics, and 20 in reading. College-level skill proficiencies in writing, reading, and mathematics may also be measured by student performance on the SAT, KYOTE (KentuckY Online TEsting), and/or EKU placement tests. Students whose test scores indicate the need for additional college readiness preparation may be required to complete one or more of the following EKU Developmental Education and College Readiness courses:

- ENG 095R Introduction to Reading, Writing and Rhetoric
- ENG 101 Reading, Writing and Rhetoric
- ENG 101R Reading, Writing and Rhetoric (Supported)
- ENR 115 Learning Dynamics (Eastern Summer Bridge only)
- MAT 090A, 090B, 090C Prealgebra
- MAT 095A, 095B, 095C Developmental Algebra I
- MAT 098 Algebra II (Summer only, through 2018)
- MAT 105E Mathematics with Applications – Enhanced (Pilot program)

Each zero-level developmental course is, or has modules which add up to, three-hours of institutional credit. The credit hours earned for courses beginning with a zero course number, like 090, 095, or 098, do not apply toward credit hours earned toward graduation but do count toward enrollment status for purposes of financial aid eligibility and full-time student status.

Students transferring to Eastern Kentucky University with an Associate of Arts, Associate of Science, Associate of Applied Sciences, Associate of Science in Nursing degree, or an equivalent, will be considered proficient in the three basic skill areas of English (writing), mathematics, and reading. Please see Section Six of this Catalog for descriptions of these courses.

### DEVELOPMENTAL AND COLLEGE READINESS COURSE ENROLLMENT AND COMPLETION REQUIREMENTS & DEVELOPMENTAL DISMISSAL

Following are the policies concerning developmental and college readiness course enrollment and completion requirements for degree seeking students:

1) All full- or part-time students, including transfer and online students, who need to complete any of the Developmental or College Readiness courses listed above are **required** to enroll in the needed courses during the very first and each subsequent semester of enrollment, with the exclusion of the summer semester, until all requirements are completed. **Enrollment in these courses takes precedence over enrollment in any other course.**

2) All full- or part-time students with developmental needs in two or more areas (English composition, reading, and/or math) are **required** to take GSD 101: Foundations of Learning in the first semester of enrollment.

3) Completion of developmental coursework takes precedence over attempting coursework which carries academic credit, other
than GSD 101 or other required Student Success Seminars.
4) Students with developmental requirements are allowed a maximum of two consecutive terms of University enrollment per developmental course, excluding summer, to successfully complete each required course.
5) Students who fail to demonstrate continuous, progressive enrollment in required developmental courses will have a registration hold placed on their record and may face Developmental Dismissal. These students are required to meet with the Director of Academic Readiness to establish an academic plan toward completion of college readiness.
6) Withdrawal from a developmental course counts as one of the two attempts toward completion of the course.
7) Each semester of enrollment at the University counts as an attempt toward completion of a developmental requirement, even if a student has not enrolled in the needed developmental course.
8) Students with developmental or college readiness requirements must complete all required developmental or college readiness courses by the end of the term in which they attempt their 45th credit hour, including developmental hours. Students not completing all developmental or college readiness requirements within 45 hours will be Developmentally Dismissed.
9) Students with developmental-level needs in English composition, math, or reading should consult with an academic advisor or academic program mentor to determine whether needs may be remediated via a credit-bearing, one-hundred level college readiness course.

Grades in College Readiness and Developmental Courses

- Final grades in developmental courses numbered 090 or 095 are not included in the calculation of GPAs.
- Final grades in developmental courses numbered 090 or 095 include the grades “A,” “B,” “C,” and “F.” There are no final course grades of “D” in developmental courses or in ENG 101R.
- Final grades in 100-level college readiness courses are included in the calculation of GPAs, with the exception of ENG100: English for Non-native Speakers.
- Final grades in the college readiness co-requisite course ENG 101R course include “A,” “B,” “C,” and “F.” There are no final course grades of “D” in ENG 101R. The successful completion of ENG 101R satisfies the General Education Element 1A: Written Communication requirement.
- Final grades in the college readiness course MAT 105E include the grades “A,” “B,” “C,” “D,” and “F.” The successful completion of MAT 105E satisfies the General Education Element 2: Mathematics requirement.
- Final grades in the college readiness course ENG 100: English for Non-Native Speakers are “U” (unsuccessfully completed) or “S” (successfully completed), and are not included in the calculation of the GPA.

SUCCESS FIRST INITIATIVE

The Success First Initiative grants admission to students who may face challenges as new or returning students as indicated by their established academic record. This program applies to the following students:

- New first-time students (including transfers with less than 24 college credits) with high school GPAs between 2.0 and 2.49 (unweighted on a 4.0 scale) and ACT Composite scores between 15 to 19 or SAT equivalent.
- Readmitted students with an EKU GPA of between 1.0 and 1.99
- Veterans admitted through the Veterans Bridge to College Success (VBCS) program.
- New first-time freshmen admitted through the Summer Eastern Bridge program.

The Success First Initiative is administered through a variety of programs across campus. Success First students work closely with their assigned advisors to achieve the following:

- Sign a Student Success Agreement acknowledging the expectations and conditions for participation in the program and for continued enrollment at the University.
- Obtain a minimum grade of “C” in all developmental or college readiness coursework, with the exception of MAT 105E.
- Pass each required Developmental Education or College Readiness course within two attempts.
- Meet with the assigned academic advisor each semester before registering for classes and enroll in courses only as agreed upon during this consultation. Note: All students admitted as Success First students are required to consult with their advisor or appropriate academic program mentor before making any schedule changes. (A student who fails to involve an advisor and/or academic program coordinator in course scheduling may have an Advising or Developmental Education Hold placed on his or her account.)
- Achieve satisfactory academic progress (SAP) in order to retain financial aid.

Success First students who drop below a 2.0 GPA are subject to university-wide rules for minimum academic standards and may receive consideration for dismissal from the University, as well. All Success First students will be placed in the Associate of Arts in General Studies program until they obtain 30 college-level credit hours and demonstrate satisfactory academic performance, or until they are released by the program via the Office of Academic Readiness. Satisfactory academic performance is defined as two consecutive semesters with a term GPA of 2.0 or above, and satisfactory completion of all developmental or college readiness coursework.

EASTERN BRIDGE

Eastern Bridge is a high-school-to-college transition program designed to support the academic and social college readiness skills of students entering the University with one or more college readiness needs in English composition, mathematics, and/or reading, or new, first-time freshmen who are entering the University with a high school GPA less than 2.49.

Depending on admission status, students may enter the Eastern Bridge program during the second session of the summer semester or during the fall semester. The Eastern Bridge program is offered only on the Richmond campus. For more information, contact the EKU Office of Academic Readiness at (859) 622-8860. Depending on admission status, students may enter the Eastern Bridge program during the second session of the summer semester or during the fall semester. The Eastern Bridge program is offered only on the Richmond campus. For more information, contact the EKU Office of Academic Readiness at (859) 622-8860.
Eastern Bridge Students are required to:

- Work with the program coordinator to enroll in needed developmental education or college readiness courses. Course placement will be based on ACT, SAT, or KYOTE test scores.
- Enroll in needed developmental education or college readiness courses, in the appropriate sequence, during the first semester & subsequent spring and fall semesters of enrollment until all needs are remediated. (Students who fail to demonstrate continuous, progressive enrollment in required developmental or college readiness courses, or who fail to complete required developmental or college readiness coursework within 45 attempted hours of enrollment will receive a Developmental Dismissal.)
- Sign a Student Success Agreement acknowledging the expectations and conditions for participation in the program and for continued enrollment at the University.
- Obtain a minimum grade of “C” in all developmental or college readiness coursework, with the exception of MAT 105E, and pass each within two attempts.
- Meet with the assigned academic advisor each semester before registering for classes and enroll in courses only as agreed upon during this consultation. Note: Eastern Bridge students are required to consult with their advisor or Eastern Bridge academic mentor before making any schedule changes. (A student who fails to involve an advisor and/or Eastern Bridge academic program coordinator in course scheduling may have an Advising or Developmental education hold placed on his or her account, which will block the student’s ability to register or make schedule changes.)
- Agree to meet with the Summer or Fall Eastern Bridge coordinator as requested throughout the first academic year of enrollment.
- Achieve satisfactory academic progress (SAP) in order to retain financial aid.
- Attend a minimum of four hours a week of required tutoring or other approved academic enrichment activities, as directed by the Eastern Bridge program coordinator and the assigned academic advisor, throughout the first year of enrollment. (The first year of enrollment includes summer, for Summer Bridge students, and fall and spring semesters. Summer and Fall Bridge students are required to log into tutoring and/or procure proof of attendance at academic enrichment events. Failure to adhere to mandatory tutoring and academic enrichment activities may lead to dismissal from the University.
- Refrain from declaring a major during the freshman year. However, Bridge students may take entry-level major-area courses when possible or appropriate.

**Summer Bridge and Academic Warning**

Summer Eastern Bridge students are expected to maintain a minimum college GPA of 2.0; any Summer Bridge student allowed to matriculate to the Fall term with less than an institutional GPA of 2.0 shall be placed on Academic Warning.

**Academic Restrictions for Students with Developmental Requirements**

- New first-time freshmen with college readiness needs in two or more developmental or college readiness areas (English composition, reading, or mathematics) will be enrolled in the Associate of Arts in General Studies Degree program. The Office of Academic Advising will assist these students in creating linkages to departments of academic interest.

- Students affected by the above policy who would be rendered ineligible for specific scholarship opportunities, or who would be denied entrance into academic programs with proven student retention success, may petition for permission to declare a baccalaureate degree program. Letters of petition should be sent to the EKU Office of the Registrar after the student has been admitted into EKU.

- Students with two or more developmental area requirements are permitted to enroll in up to 16 hours of University coursework. Advisors should work closely with these students to ensure that students have (a) taken EKU placement tests before registering; (b) received information on available tutoring and student support services; and (c) utilized the Academic Planner in DegreeWorks to prepare a progress-to-degree course map for completing required general education and major area courses.

**Notes:** Students successfully completing 090-level courses in English composition, reading, and mathematics should take EKU placement tests in an attempt to test out of the 095-level course sequence.

- 090-level developmental courses in English composition, reading, and mathematics are offered only during the summer, as part of the Eastern Summer Bridge program.

**Academic Achievement Awards and Recognitions**

**Dean’s List:** The dean’s list is one of several ways in which the University recognizes undergraduate students who achieve academic excellence. The dean’s list is published after each standard (fall/spring/summer) semester. Eligibility requirements for the dean’s list are as follows:

<table>
<thead>
<tr>
<th>Undergraduate Hours Earned with Normal Grading</th>
<th>Minimum Term GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>12</td>
<td>3.75</td>
</tr>
<tr>
<td>13</td>
<td>3.65</td>
</tr>
<tr>
<td>14 or more</td>
<td>3.50</td>
</tr>
</tbody>
</table>

Students earning fewer than 12 semester hours under the regular grading system are not eligible for the dean’s list. Courses below the 100 level will not be counted in determining eligibility for the Dean’s List.

**Dean's Award:** As a further recognition of academic excellence, the University presents the Dean’s Award to undergraduate students who have achieved the Dean’s List and/or the President’s Award (see below) three times. Students receiving the Dean’s award are presented with a recognition pin by the appropriate academic dean.

**President’s Award:** The highest undergraduate recognition of
Section Five - General Academic Information

Academic achievement for a semester (fall/spring/summer) is the President’s Award. This award is given to students who complete a full time course load (minimum of 12 institutional credit hours earned) during a semester (fall/spring/summer), with normal grading (excluding developmental coursework), and who attain a 4.0 grade point average for that semester. Students receiving the President’s Award receive a letter of recognition from the President. In addition, the division of Public Relations and Marketing distributes the names of the recipients to appropriate news media, including their hometown newspaper.

Good Academic Standing

Minimum Academic Standards

Satisfactory Progress: Degree-seeking students shall be considered as making satisfactory progress so long as they remain in good academic standing (2.0 institutional GPA) and enroll in courses required or allowed in their chosen academic program.

Students having difficulty meeting academic standards are strongly advised to reduce or eliminate part-time jobs and other extracurricular activities which may detract from their studies, or to reduce the number of hours for which they are enrolled. To make timely progress toward degree students are expected to earn at least 15 credit hours per fall/spring semester.

Good Academic Standing: Students are expected to maintain at least a 2.0 institutional grade point average (GPA) while enrolled at EKU. The actions described below pertain to students whose institutional GPA falls below 2.0. Once a student’s institutional GPA returns to 2.0 or above, he/she is once again in good academic standing.

Academic Warning: Summer Eastern Bridge students who pass all developmental classes but were not able to achieve an institutional GPA of 2.0 may be given permission to matriculate to the fall term on a status of academic warning. While on academic warning these students may not enroll in more than 15 credit hours in either fall or spring, or more than a total of six hours during a full summer term. Students who are on academic warning and cease continuous enrollment, and subsequently wish to return to the institution, must apply for readmission and will be held to those readmission criteria (please refer to the Requirements for Readmission section of this Catalog).

At the end of a semester on academic warning students must have earned a semester institutional GPA of at least 2.0, or raised their cumulative institutional GPA to 2.0. Students not meeting the semester or cumulative institutional GPA requirement will be placed on academic probation.

Academic Probation: Students who earn an institutional GPA of less than 2.0 will be placed on Academic Probation after the close of that semester. While on academic probation, students may not enroll in more than 15 credit hours in either fall or spring terms or more than a total of six hours during a full (12-week) summer term. Students who are on Academic Probation and cease continuous enrollment, and subsequently wish to return to the institution, must apply for readmission and will be held to those readmission criteria (please refer to the Requirements for Readmission section of the Catalog).

Intervention for New First-Time Freshmen on Probation: Because a student’s academic performance in his/her first semester at EKU is predictive of overall success and graduation, EKU is increasing the support given to students whose institutional GPA is less than 2.0 at the end of the first semester. New first-time freshmen whose institutional GPA is less than 2.0 will be required to participate in prescribed intervention strategies and will be placed on First Semester Probation, with a requirement of earning an institutional 2.0 or higher term GPA in the second semester to prevent academic suspension.

Academic Suspension: At the end of a semester on academic probation, students must have earned a semester GPA of at least 2.0 or raised their institutional GPA to 2.0. Students not meeting the semester or institutional GPA requirement will be placed on academic suspension. Students may not enroll in classes at EKU while academically suspended. Students who are academically suspended for the first time may not enroll in classes at EKU for one full semester (summer is counted with the next fall semester if a student is academically suspended at the end of the spring term). Students may be academically suspended up to three times during their academic career at EKU. The second academic suspension is for one calendar year and a third academic suspension is for two calendar years. An academically suspended student will return to EKU on academic probation if his/her institutional GPA is less than 2.0 at the time of his/her return. Suspended students are subject to EKU requirements for readmission after they have sat out their mandatory suspension period (please refer to the Requirements for Readmission section of the Catalog).

Academic Dismissal: Students who have been academically suspended three times must maintain a semester GPA of 2.0 or better each semester after they return. Students who have been academically suspended three times, and after returning are unable to maintain a semester GPA of 2.0, will be academically dismissed from EKU for a period of five calendar years and are subject to EKU requirements for readmission (please refer to the Requirements for Readmission section of the Catalog).

Attending Another School While Suspended or Dismissed: During the time a student is academically suspended or dismissed from EKU, course work earned at another regionally accredited college or university will be considered for transfer credit when the student returns to EKU. This course work can be used to meet graduation requirements but is not counted in institutional GPA. Students are responsible for requesting that an official transcript of any transfer course work be sent to the EKU Office of Admissions when they apply for readmission to EKU. Students should consult with their advisor or college for the applicability of course work taken at another institution to their degree program at EKU. In some circumstances acceptance of transfer work may be subject to requirements of prior approval by the department chair of the student’s major.

Improving Academic Standing: Academic transfer course work is not considered when determining academic standing. Only be repeating EKU course work in which a student earned poor or failing grades can a student quickly rehabilitate his/her institutional GPA and therefore improve academic standing.

Appealing Academic Standing: Students may appeal an academic suspension if they believe that catastrophic circumstances beyond their control prevented them from being academically successful. They may appeal their academic suspension to the University Admissions Appeal Committee. For their petition to be considered, students must provide a written appeal with appropriate supporting documentation. Students may not appeal an academic dismissal.

First-Time Freshmen Mid-Term Grade Review Process

The first semester for first-time freshmen is pivotal to academic success and graduation. All first-time freshmen will have their mid-term grades reviewed by the Office of University Advising and the Registrar during their first semester at EKU. If all reported mid-term grades are F, FN, U, or UN (indicating non-
of the certificate is tracked internally within the department or college. Department/college certificates may be noted on student transcripts at the request of the department/college. Department/college certificates are not awarded at the Commencement ceremony and no graduation fee is assessed.

**CLASS ATTENDANCE**

Students must be registered in a class in order to attend and participate. Individuals not registered are prohibited from doing so.

Research shows that students who regularly attend class are more likely to succeed. The University expects all students to be officially registered before the end of the add/drop period for each course, and to attend all class meetings. EKU students are responsible for course work covered during all class periods, specifically any work missed during any absence from class, including the first class meeting. Each instructor will record absences and deal with them in a manner consistent with departmental policy for that course. Since attendance policies vary among departments and for courses within departments, students must be familiar with the policy printed on the course syllabus.

If a student presents the instructor with an adequate and documented reason for an absence, the instructor normally will give the student an opportunity to make up the work missed, if this is feasible. Adequate reasons involve circumstances beyond the student's control, such as personal illness, critical illness, or death in the immediate family, or participation in an approved University activity. No absence of any nature will be construed as relieving the student from responsibility for the timely completion of all work assigned by the instructor. Initiating the request to make up work is the student's responsibility.

**Absence from Class Due to Participation in an EKU Sponsored Event:** A student who participates in an EKU sponsored event should complete and process a Student Absence from Class form before the sponsored event. This form explains the student's absence, it does not excuse the student from responsibility for content covered during the approved absence.

**First Day of Class Attendance:** This process is designed to ensure clear reinforcement of the message that class attendance at EKU is important. All faculty (undergraduate and graduate, online and all other modes of delivery) are expected by the University to drop a student for being absent (or not participating online) on the first day of class/first week of class (as scheduled by the Registrar's Office). Students who know they will be absent should contact their instructor or the academic department office PRIOR TO THE 1st CLASS MEETING to explain their absence and request that the instructor not drop them from the class.

Students are responsible for monitoring their class schedule and should never assume that missing the first day of class will automatically result in removal from that class. A student who never attends a class but remains enrolled will receive a failing grade in the course and is responsible for tuition and fees for that class.

**CLASSIFICATION OF STUDENTS**

A student's classification is determined by the number of semester hours earned, as follows:

<table>
<thead>
<tr>
<th>Classification</th>
<th>0 - 29 semester hours earned</th>

<th>60 - 89 semester hours earned</th>

**SECTION FIVE - GENERAL ACADEMIC INFORMATION**
GRADUATION & COMMENCEMENT INFORMATION

APPLICATION FOR GRADUATION

EKU is dedicated to all students making timely progress toward their desired degree. The EKU baccalaureate degree standard is a completion timeframe of 4 years for a 120 credit hour program. After declaring their desired baccalaureate degree program, students are expected to create a semester-by-semester degree pathway in the Degree Works academic planner, and to have this academic plan reviewed and approved by an advisor. To make appropriate progress toward their degree, students are expected to earn at least 15 credit hours per term (or 30 hours per academic year) and take only those classes needed for their declared degree program as listed on their Degree Works planner. Students must be aware that changing majors is likely to prolong time toward degree, and they should make such changes only after serious discussion with an advisor or department or program chair (see Changing Major section of this catalog for more details). Due to specific program requirements, students who transfer into EKU with more than 60 hours may require more than two years at EKU to complete a baccalaureate degree.

APPLYING FOR GRADUATION: 90TH HOUR PRE-GRADUATION REVIEW Required Graduation Application and Evaluation

To assist students with completing their degree on schedule, EKU professional advisors/graduation experts will review the student’s academic progress and Degree Works graduation plan to determine the earliest, reasonable graduation semester. Baccalaureate degree seeking students will apply for graduation, and thus trigger this official graduation evaluation, during the semester in which they enroll in their 90th credit hour. The timing of this pre-graduation review is designed to be early enough to allow students to make any needed changes and avoid a graduation delay. Once evaluation has been triggered, a registration hold will be placed on the student’s record pending submission of their graduation application. This hold is lifted automatically after the student submits a graduation application, online, through EKUDirect.

Each degree and University certificate-seeking student shall apply for graduation using the online graduation application located within each student’s EKUDirect secure student services account. At the time of application each student shall have created, and have approved by an advisor, a Degree Works academic plan for every semester up through the proposed graduation term. During the graduation evaluation the student’s current registration and Degree Works plan for future terms will be examined – to determine whether the student is on-track and efficiently headed toward graduation. The student will be informed if he or she cannot meet the graduation goal declared on the graduation application, advised how to get back on-track, and given a new graduation timetable.

Results from the graduation evaluation will be documented on the student’s Degree Works. Students will receive reminders when it is time to apply for graduation and initiate the graduation evaluation. Students are expected to heed warnings and follow any instructions posted on their Degree Works audit as a result of this official graduation evaluation. Students who apply to graduate without having the appropriate academic plan in Degree Works will be expected to submit the plan before being evaluated and before registering for the next semester.

Each student’s degree will be awarded by the University at the first opportunity to do so upon completion of requirements for the student’s declared program, per the student’s graduation application. Students are expected to earn their baccalaureate degree no later than 6 years after initial matriculation as a first-time degree-seeking student.

Final graduation clearance, degree certification on behalf of the University, and production of diplomas are completed by the Office of the Registrar.

Changing Major after Applying to Graduate

After applying to graduate and having a graduation semester confirmed by the University, students are expected to maintain their declared program of study, and thus graduate on schedule. Each student is expected to carefully review how any proposed change to a declared program of study would impact his or her approved graduation timetable and future financial assistance, if relevant. Given the gravity of such changes, only in extreme situations and after careful consultations with the student’s professional advisor and/or written permission from a graduation evaluator would a change that would delay graduation be considered.

Deferral of Graduation Date

Students who are not successful in completing all graduation requirements by their approved graduation date, but for whom the University determines the graduation goal is still easily within reach, will have their graduation term automatically deferred to the next semester. Students can have their graduation deferred for a maximum of two sequential semesters. After that time the original graduation application will be cancelled and the student will be required to submit a new application for graduation, pay a new application fee, and have a revised Degree Works graduation plan approved by the graduation evaluator.

Commencement Participation

Commencement ceremonies are conducted at the conclusion of the fall and spring semesters, prior to final grade processing. Students who are graduating at the end of the summer semester may participate at the preceding spring ceremony. Students who are graduating at the end of the winter term may participate at the preceding fall ceremony.

The Commencement ceremony represents a celebratory gathering of all degree candidates who are expected to complete their academic requirements by the official degree-conferral date as established by the University. Attendance at Commencement is optional. Participation in the Commencement ceremony does not represent confirmation of degree completion (“graduation”). After final grades are processed and reviewed, degrees will be conferred. Students earning only a certificate, either university or departmental, may not participate in the Commencement ceremony. For additional information regarding Commencement, please refer to the registrar’s Web site at www.registrar.eku.edu/graduationInformation/.

GRADUATION FAIR (GRAD FEST)

There is a graduation fair (Grad Fest) on campus each fall and spring semester. This is an important event for all graduating students. At Grad Fest, students will conclude all needed graduation tasks, including picking up pre-ordered academic regalia. For additional information, please refer to the Grad Fest
There is a graduation application fee for each diploma and/or university certificate sought; the appropriate fee is assessed to the student’s EKU account upon receipt of the graduation application. This graduation fee only partially offsets the full cost of commencement celebrations and production and mailing of diplomas and certificates.

**Graduation Fee**

Students order and pay for commencement regalia (cap, tassel, hood, and gown) through the EKU Barnes & Noble bookstore (http://registrar.eku.edu/gradfest) Students earning University Latin Honors receive a complimentary Honors Sash; this regalia will be available at the Registrar’s table during Grad Fest. Students graduating from the Honors Program will receive a complimentary maroon mortarboard from the Honors Program office. Refer to the Graduation Information website for more details regarding graduation fees and/or commencement.

**Degree Conferral Date**

The Board of Regents of Eastern Kentucky University approves the conferring of degrees four times per year. These conferral dates represent confirmation that all degree and/or university certificate requirements have been met by that date. The formal conferral date is posted to the student’s academic transcript and is the date printed on the diploma and certificate. Below are the EKU degree/certificate conferral dates:

**Locking Academic History (After Degree Has Been Awarded)**

Once a degree has been conferred the academic record of all work contributed to the awarded baccalaureate, master’s, or doctoral degree is locked. No course grades may be repeated or replaced for any classes used toward the conferred degree.

The Office of the Registrar takes great care to ensure that each student’s academic record is accurate. Any student who believes an error has occurred should immediately bring this to the attention of the Office of the Registrar. Students have one calendar year after a degree is awarded to identify any item on their academic record believed to be in error. After that time the record is considered to be permanent. Please note that grade challenges have a different timetable and must always be directed to the chair of the department which offered the course in question. For details regarding the timetable and process for grade challenges please refer to the student handbook at http://studentaffairs.eku.edu/studenthandbook.

**Diploma and University Certificate Production**

Diplomas and University Certificates are produced and mailed to students after all final grades are reviewed and it has been confirmed that all degree requirements have been met. The graduation confirmation process takes several weeks to complete. Therefore, students should expect to receive their diploma 4-6 weeks after the end of finals week. Students who are indebted to the University will not have their transcript or diploma released until the debt is paid. Any questions regarding student financial obligations should be directed to EKU Student Accounting Services.

**Associate Degree Honors**

**With Distinction and With High Distinction**

Students earning an Associate Degree are graduated “With Distinction” if they attain a GPA of at least 3.5, but less than 3.7, on all GPA hours attempted at Eastern Kentucky University and if they complete a minimum of 30 GPA credit hours, with standard grading, at Eastern Kentucky University.

GPA credit hours are courses graded using standard grades of A-F. These grades have a numerical value and can be used to calculate a student’s GPA. A course with a grade of CR or S has no numerical value and supplies no GPA hours, and cannot count toward the minimum required 30 GPA credit hours.

Students earning an Associate Degree are graduated “With High Distinction” if they attain a grade point average (GPA) of 3.7 or higher on all GPA hours attempted at Eastern Kentucky University and if they complete a minimum of 30 GPA credit hours, with normal grading, at Eastern Kentucky University.

For purposes of honors recognition, all GPA credit hours attempted at Eastern Kentucky University - including those which are subsequently repeated or bankrupted - shall be included when calculating the GPA used to award academic honors. Because of timing, honors GPA calculations - solely for the purpose of recognition at the commencement ceremony - cannot include the final semester’s course work. In-progress hours will be used to attempt to meet the 30 semester hours at Eastern Kentucky University requirement. Calculations for the permanent designation of honors on the diploma and transcript will include the final semester grades.

**Baccalaureate Degree Honors**

**Latin Honors:** Cum Laude, Magna Cum Laude, Summa Cum Laude

Eastern Kentucky University recognizes graduating baccalaureate degree students who have achieved distinguished academic records by awarding their degree with Latin Honors. There are three levels of Latin Honors: Cum laude (“with praise”), Magna Cum laude (“with great praise”), and Summa Cum laude (“with highest praise”). All students earning Latin honors must take at least 25% (30 GPA credit hours) of their degree applicable course work at Eastern Kentucky University.

GPA credit hours are courses graded using standard grades of A-F. These grades have a numerical value and can be used to calculate a student’s GPA. A course with a grade of CR or S has no numerical value and supplies no GPA hours, and cannot count toward the minimum required 30 GPA credit hours.

All GPA credit hours attempted at Eastern Kentucky University (including those which are subsequently repeated or bankrupted) will be used in calculating each Latin Honor grade point average (GPA). Latin honors GPA calculation — for purposes of designating which students may wear a Latin Honors sash at the graduation commencement ceremony—does not include the final semester’s course work as these calculations occur weeks before the term has finished. Once a student’s final semester has concluded and final grades are available, these grades will be included in the calculations to award the permanent designation of Latin Honors on a student’s diploma and transcript.
Cum Laude: Students earning Cum Laude must attain an institutional GPA of at least 3.5, but less than a 3.7, on all GPA credit hours attempted at Eastern Kentucky University. Additionally, a minimum of 30 GPA credit hours, with standard grading, must be taken at Eastern Kentucky University.

Magna Cum Laude: Students earning Magna Cum Laude must attain an institutional GPA of at least 3.7, but less than a 3.9, on all GPA credit hours attempted at Eastern Kentucky University. Additionally, a minimum of 30 credit hours, with standard grading, must be taken at Eastern Kentucky University.

Summa Cum Laude: Students earning Summa Cum laude must attain an institutional GPA of at least 3.9, or higher, on all GPA credit hours attempted at Eastern Kentucky University. Additionally, a minimum of 30 credit hours, with standard grading, must be taken at Eastern Kentucky University.

HONORS SCHOLARS PROGRAM

Students are graduated as Honors Scholars if they successfully complete Eastern Kentucky University’s Honors Program, satisfy all comprehensive and program requirements for an undergraduate degree from this University, and graduate with an institutional GPA of at least 3.2. Honors Scholars are designated at commencement with a maroon mortarboard.

COURSE TYPES

COURSE BY SPECIAL ARRANGEMENT

A Course by Special Arrangement (CBSA) is a course that is a required part of an approved curriculum program but is being offered to a student during a term or at a time when circumstances prevent the course from being a part of the department’s regular class schedule. A CBSA will be approved only if it is within the last two semesters of a student’s pending graduation, and if the course meets a degree requirement that cannot be fulfilled by any other mechanism, including independent study. Prior to registration, students must file the CBSA Petition. This petition requires the signature/approval of the instructor, program chair, and dean. An independent study course cannot be a Course by Special Arrangement. Tuition and fees for CBSA courses are computed at the same rate as other regular on-campus courses.

INDEPENDENT STUDY COURSE

Independent study courses, which are distinct from Course by Special Arrangement and special topics courses, are designed to provide an opportunity for a student to pursue a research/study interest not available through any of the courses offered in a program at EKU. To qualify to enroll in an independent study course, students must have a GPA of 2.5 or higher. Independent study courses must be under the supervision/direction of a faculty member with appropriate qualifications for the course content and must be guided by an approved research or project plan. Independent study courses must follow the prescribed Independent Study protocol and be approved in advance of enrollment. The independent study course must be appropriately designated as such in the Catalog. Independent study courses should not be used as a mechanism to teach a course not offered in a given semester or as a substitution for program requirements, though they may, with appropriate approval, fulfill such requirements. Independent study courses are not intended to be a mechanism for enrolling in a course for which a student would otherwise be ineligible. Tuition and fees for independent study courses are computed at the same rate as other regular on-campus courses.

SERVICE LEARNING

Courses that have been officially recognized as including service-learning within their curriculum are designated with the letter “S” following the course prefix and number. Service-learning is defined as:

An academic experiential educational method in which students participate in an organized service activity that meets identified community needs and reflects on the service activity in such a way as to:

• gain further understanding of course content,
• develop critical thinking skills, and
• develop an enhanced sense of civic responsibility

Students will be required to participate in at least 5 hours of community service per credit hour of course credit.

SPECIAL TOPICS COURSES

Special topics courses are designed to offer the opportunity for students to study specialized areas within a discipline. These courses are created with normal class enrollment expectations. The topic of study is designated by the course section title, and may or may not vary with each offering. Students may repeat a special topics course (for the purpose of earning additional course credit) only if the specific course title is different with each subsequent enrollment.

STUDENT SUCCESS SEMINARS

Every student seeking a baccalaureate degree or Associate of Arts Degree in General Studies must complete a 1-3 credit Student Success Seminar.

• Full time students must complete the Student Success Seminar during their first semester.
• Part time students are strongly encouraged to complete the Student Success Seminar during their first semester, and must complete it within their first 18 credits.
• Students who earn a grade of “W,” “F,” or “FN” in a Student Success Seminar must repeat the course the following term.
• Transfer students who have 30 or more transfer credits with normal grading upon admission to EKU may have this requirement waived. (Some majors require all students to take a Student Success Seminar, regardless of transfer status.)

DECLARING A PROGRAM OF STUDY

CHANGING MAJOR/MINOR/CONCENTRATION

Because changing majors generally lengthens students’ time to degree, and thus can significantly increase student debt, students are limited to changing their major only one time per year.

After earning 105 credit hours, students desiring to change their major, or add a minor/concentration/certificate, must secure approval from the dean of the college of their first major, unless the change does not extend time to graduation. A What-If Degree
DEGREE INFORMATION AND REQUIREMENTS

EKU Academic Residency Requirement

A minimum of 25% of coursework applied toward the completion of any major core requirements, minors, and/or EKU certificates must be earned at EKU.

Catalog

For all graduation requirements, including general education, students will be governed by the Catalog in use at the time they enter the University or declare a new major. Each student has a catalog year associated with their student record, designating the academic year for the Catalog dictating their program, General Education, and University graduation requirements. The catalog year for each student may be found on the student’s DegreeWorks degree audit. If in a subsequent year any graduation requirements change, students may elect to complete the later requirements by requesting the Registrar’s Office move them to the current Catalog. Students who stop out for more than two years will meet all graduation requirements in place at the time they reenroll. Students who stop out for fewer than two years may elect to be returned to the graduation requirements in place at the time they declared their major by submitting a request to the Registrar’s Office.

The above refers only to curricular requirements. With respect to policy requirements, all students are governed by current University policies that have been approved by appropriate University committees.

Comprehensive Associate Degree Requirements

To qualify for an associate degree, students must satisfy the following requirements:

1. Complete all requirements in the degree program as established by appropriate University committees.
2. Complete University academic requirements, including basic skills proficiencies in English, reading, and mathematics; any applicable PCC*; general education*; and a student success seminar, as established by appropriate University committees for each degree program.
3. Complete a minimum of 60 semester credit hours.
4. Earn a minimum grade point average (GPA) of 2.0 on all college-level work taken at Eastern Kentucky University.
5. Earn a minimum of 15 semester hours through Eastern Kentucky University.
6. Earn the credits applicable to major and supporting degree requirements within eight years prior to the date the degree is awarded. Credits more than eight years old may be used to meet general education, upper division, and free elective areas. The college dean of a student’s major may validate individual eight-year-old (or older) coursework as meeting major and/or supporting requirements.
7. Students enrolled in MAT 090 are not permitted to enroll in any course with the following prefix: AST, BIO, CHE, CIS, CNM, CSC, FOR, GLY, NAT, PHY, SCI or STA.

Degree Requirement Notes:

*The Kentucky PreCollege Curriculum (PCC) is defined and prescribed by the Kentucky Council on Postsecondary Education (CPE). Six hours of the same World Language must be completed within 24 credit hours of enrollment. Applies to students under 21 when first admitted, and/or transferred into EKU fewer than 24 credit hours. See Degree Works to confirm whether a student has a PCC requirement. PCC deficiencies must be remediated within the first 24
Comprehensive Baccalaureate Degree Requirements

To qualify for a baccalaureate degree, students must satisfy the following requirements:

1. Complete all requirements in the degree program as established by appropriate University committees.
2. Complete University academic requirements, as established by appropriate University committees for each degree program, that includes:
   - A) Basic skills proficiencies in English, reading and mathematics,
   - B) Student Success Seminar (if applicable)
   - C) A writing-intensive course
   - D) General Education, and
   - E) The Applied Critical and Creative Thinking (ACCT) requirement.
3. Complete a minimum of 120 semester credit hours, with at least 42 hours at the 300 level or above.
4. Earn a minimum grade point average (GPA) of 2.0 on all college-level work taken at Eastern Kentucky University.
5. Earn a minimum of 30 semester hours through EKU if the student is pursuing a 120 hour degree program.
6. Earn the credits applicable to the major and supporting degree requirements within eight years prior to the date the degree is awarded. Credits more than eight years old may be used to meet general education, upper division and free elective requirements, as well as major requirements for the General Studies degree. The college dean of a student’s major may validate individual 8-year-old courses to count for non-General Studies major and supporting requirements.

Degree Requirement Notes:

- Students enrolled in MAT 090 are not permitted to enroll in any course with the following prefixes: AST, BIO, CHE, CIS, CNM, CSC, FOR, GLY, NAT, PHY, SCI or STA.
- The Kentucky PreCollege Curriculum (PCC) is defined and prescribed by the Kentucky Council on Postsecondary Education (CPE). Six hours of the same World Language must be completed within 24 credit hours of enrollment. Applies to students under 21 when first admitted, and/or transferred into EKU fewer than 24 credit hours. See Degree Works to confirm whether a student has a PCC requirement. PCC deficiencies must be remediated within the first 24 hours of enrollment, excluding developmental hours.
- General Education Requirements for Baccalaureate Degrees: The General Education Program consists of 36 hours of course work in six Elements: 1. Communication, 2. Mathematics, 3. Arts and Humanities, 4. Natural Sciences, 5. Social and Behavioral Sciences, and 6. Diversity of Perspectives and Experiences. Students must earn the specified number of hours in each of these course categories. See the General Education section in this Catalog for more detailed information about general education requirements.
- Individual major programs decide which courses or experiences can be used to satisfy the ACCT requirement. Refer to program descriptions in Section 5 of this catalog for more information.
- Hours Required for a Baccalaureate Degree: The University requires a minimum of 120 semester hours to earn a baccalaureate degree. In most cases this minimum is also the maximum. While there is no upper limit beyond 120 semester hours which may be set as a particular major program’s requirements, each program or program change is approved through the University’s committee system and any program requiring beyond 120 semester hours will require substantiation of additional requirements.
- According to AACSB International business accreditation standards, students enrolled in University baccalaureate degree programs, other than those within the School of Business, will not receive credit toward their degrees for more than 25 percent of their undergraduate programs in credit hours courses offered through the School of Business and/or business courses (courses commonly taught in school of business) transferred from other colleges and universities or taken from other units within Eastern Kentucky University. Students who desire to take business courses are encouraged to enroll in the Business minor.
- Degree programs offered by the College of Business and Technology have more stringent residency requirements. Please refer to degree requirements in the College of Business and Technology section of this Catalog.
- The college dean of a student’s major may validate individual 8-year-old courses to count for non-General Studies major and supporting requirements.

Degree Program Definitions

A. Major (Baccalaureate): Thirty semester hours is the minimum requirement for a baccalaureate degree major. A course that meets a core program requirement for a major may also fulfill, at the same time, a University graduation requirement; with the exception that a course cannot be used to meet both a major core requirement and a general education area.

B. Concentrations (Baccalaureate): A concentration (synonymous with an option, emphasis, specialty or track) represents a collection of courses offering a student the opportunity to develop a focus within the broader area of their major program. There will be a common grouping of courses (a minimum of 21 semester hours) shared by the major core and its associated concentration. The concentration adds onto the major core an additional 12-18 semester hours of specified coursework to develop the desired expertise. Concentrations may, or may not, be a required component of the program of study. Deviations from the 12-18 hour concentration may be granted by the Council on Academic Affairs when unusual program requirements dictate.

C. Minor (Baccalaureate): Minors require a minimum of 18 semester hours. A list of specified courses may be added for students seeking a teaching certification extension in the minor. A student may not declare a minor with the same subject matter (course prefix) as his/her declared major program of study. Students seeking only an associate degree may not declare a minor. The same course credit may be applied for both major core or supporting requirements and a student’s minor. A minor course that is a required part of major core cannot also be used to fulfill a general education requirement.

D. Supporting Courses: Supporting courses are courses that are outside the degree program that provide necessary skills or knowledge. A course cannot be listed as a supporting course if it is offered by the home department of the degree program, unless it is tied by prefix to a different degree program. Supporting courses that are approved as general education courses may be used to fulfill both supporting and general education requirements.

Concurrent (Dual Degrees) and Subsequent Degrees

Concurrent Degrees: A student may qualify to earn two degrees concurrently (dual degrees) by completing all requirements for both degrees, including major, supporting, and general education requirements. Courses used in one degree program may also be used in the other. The student has the responsibility to file a separate graduation application for each degree being sought. If the two degrees are in the same college, the student must file two applications in the office of the college dean. If they are different
colleges, one application must be filed in each dean’s office. Please refer to the “Application for Graduation” section of this catalog for more details.

Concurrent Associate Degrees: If two 60 credit hour associate degrees are pursued concurrently, a minimum of 75 credit hours must be earned. If one or both of the associate degrees has program requirements in excess of 60 hours, the degree program with the highest number of required hours will be considered the student’s first associate degree, and the hours required to earn the second associate degree shall be 25% of the second program’s total hours. Students seeking only an associate degree may not declare a minor.

Concurrent Baccalaureate Degrees: If two 120-credit-hour baccalaureate degrees are pursued concurrently, a minimum of 150 credit hours must be earned. If one or both of the baccalaureate degrees has program requirements exceeding 120 hours, the degree program with the highest number of required hours will be considered the student’s first baccalaureate degree, and the hours required to earn the second baccalaureate degree shall be 25% of the second program’s total hours.

Concurrent Baccalaureate and Associate Degree: The minimum number of hours required for concurrently earning an associate and a baccalaureate degree is the number required by the baccalaureate degree. Associate degree earners are expected to complete that degree prior to completion of their baccalaureate degree.

Subsequent Degrees: Students having earned one degree, either from Eastern Kentucky University or from another regionally accredited institution, may subsequently pursue an additional degree, either associate or baccalaureate, by completing all requirements of the subsequent degree, including major, supporting, and general education requirements. For students who earn their first degree at EKU, hours earned prior to the awarding of a first baccalaureate or associate degree may be counted toward the minimum required to earn a subsequent baccalaureate or associate degree.

Students must earn at least 15 approved semester hours at EKU for an associate degree beyond those required for the earlier degree. A subsequent baccalaureate degree requires at least 30 approved hours earned at EKU beyond those required for the earlier degree.

Students who have completed a previous degree elsewhere and apply to Eastern Kentucky University, should have official transcripts sent to the Office of Academic Advising and Retention, a college advising office, or minors, certificates and/or concentrations should contact the Office of Academic Advising and Retention, a college advising office, or the department of interest for additional information.

Students who wish to earn two baccalaureate degrees (dual degrees) should refer to the Concurrent Degree policy. Note that associate degrees are not eligible for minors or second/multiple majors.

Awarding Subsequent Majors/Minors: EKU does not award a subsequent major/minor/concentration after an initial degree is conferred unless the student completes a subsequent degree program. While multiple majors, minors and certificates earned by a student are formally posted to the student’s academic transcript, only the degree earned and one major will be printed on the diploma. Students interested in pursuing multiple majors, minors, certificates and/or concentrations should contact the Office of Academic Advising and Retention, a college advising office, or the department of interest for additional information.

ENROLLMENT AND CLASS SCHEDULE

Academic Load

The limitations below apply to all enrollments or combinations of enrollments for the term specified, including campus classes, regional campus classes, online study, and enrollments at other institutions. The Registrar will not record credits beyond these maximums.

Enrollment in Fall/Spring Terms: To make timely progress toward their degree, full-time students are expected to earn 15-16 credit hours each fall/spring semester or 30 credit hours per academic year (Fall/Winter/Spring/Summer). Full-time student status requires a minimum of 12 credit hours during a fall or spring term. Students carrying fewer than 12 credit hours are considered part time. A student who has established a superior record may be permitted to enroll for more than 18 hours by the dean of the college of the student’s first major. The absolute maximum load for an undergraduate student is 21 credit hours.

Enrollment in Summer Term: For enrollment verification and financial aid during the summer semester, an undergraduate student must be registered in at least 12 credit hours to be considered a full-time student. Enrolling in more than 12 credit hours is restricted to students who have established a superior academic record. Permission to enroll in more than 12 credit hours during the summer must be granted by the dean of the college of the student’s first major. The absolute maximum summer enrollment is 15 hours.

Financial Aid and Enrollment Verification: Please note that, for financial aid, enrollment verification, and loan consideration, full-time status requires a minimum of twelve semester hours in any academic term.

Note: Students who are not on good standing academically have lower maximum enrollment limits. Please refer to the section on Minimum Academic Standards.

Class Schedule Changes

Dropping a Class - 1st Week of Class: If students wish to add courses to their schedule, they must do so by the date published in the Colonel’s Compass for that term. If a student drops a course by the end of a term’s Schedule Change Period (add/drop), the course will not appear on the student’s grade report or transcript. Course drops are executed online through EKUDirect.

Late Enrollment

Students who wish to add a class to their schedule after the
published deadline to do so, must secure the permission of the instructor of the course, the department chair, and the dean of the college offering the course. The student shall complete the Request for Late Enrollment and submit it to the instructor of the class. If enrollment is approved, the instructor passes the form onto the appropriate department office for further processing. The Request for Late Enrollment form is available on the Registrar’s website.

NOTE: University holds preventing registration do not constitute an excuse for attending class without being officially enrolled. Students are expected to communicate with the office which placed the hold on their account and secure permission to be enrolled – BEFORE the deadline to add a class online.

WITHDRAWING FROM A CLASS

See Withdrawal section on page 67.

FINAL EXAMINATIONS

If a student is scheduled for more than three final examinations on the same day, the student may request, through the college dean, that the fourth examination be rescheduled.

FIRST DAY OF CLASS ATTENDANCE

All instructors are expected to participate in the First Day Attendance-Faculty Drop process. For information regarding faculty dropping students for missing the first day of class, see Class Attendance section on page 47 of the Catalog.

FEE FOR INITIAL REGISTRATION AFTER CLASSES BEGIN

Students whose initial registration for the term does not occur until on or after the first day of class will be assessed a non-refundable $50 late initial registration fee.

GENERAL EDUCATION REQUIREMENTS

The mission of general education is to promote learning that is central to the intellectual pursuits associated with our educational programs and to enable students to make informed choices about matters of public and personal significance in a diverse, democratic society and global community. The general education program helps students to become informed, independent thinkers by developing competencies in communication, quantitative analysis, and critical thinking by helping them understand and appreciate the diversity of culture, individuals, the natural environment, and the global society. Courses that are used to satisfy the program’s Major Requirements cannot also be used to satisfy General Education requirements.

Some courses may be listed in more than one General Education category. However, no single course can be used to satisfy more than one General Education requirement.

Changing General Education Requirements

The following General Education program is highly integrated with University requirements, therefore students moving into the newest catalog will be held to these General Education and University graduation requirements, as well as major requirements as listed in this Catalog.

Students will have one catalog year governing all graduation conditions. To see how a Catalog change will impact their progress toward degree, students are expected to first run a “What-If” DegreeWorks audit and study the impact of a Catalog change. Once a student has moved forward to a new catalog year they cannot move back to a previous year.

The courses listed award three hours of credit, unless a number appears in parentheses following the course name. This number represents the hours awarded for such courses. Courses with an “L” are laboratory classes and one credit hour unless otherwise noted. Course numbers followed by (\(^\)) have prerequisites or other restrictions on enrollment. Refer to Course Descriptions in Section Seven of this Catalog for specific restrictions.

**GRADES**

**Auditing Courses:** A student may audit a course (i.e., take it without credit) with the permission of the instructor and the dean of the college involved if the course has been approved to be taken Audit. The Registrar’s Office can verify whether a course is approved to be taken as Audit. After registering for the course as usual, students must obtain the “audit a course” form from the Registrar’s Office, obtain the appropriate signatures and return it to that office, Whitlock 239. Fees are the same as for courses taken for credit. Students enrolled for audit must comply with the attendance policy of the instructor or no course entry will be made on their academic record.

**Changes to Transcript:** Once a degree has been posted to the transcript, changes will not be made to courses or grades that were earned prior to the posting of the degree. Students have one calendar year in which to bring to the Registrar’s attention an error...
Credit/No Credit (CR/NC) Coursework: The grade of “CR” (credit) is awarded as recognition of appropriate scores on AP, IB, CLEP or other proficiency exams and prior learning assessment. International coursework transferred to EKU will be recorded as CR/NC. Existing EKU students who complete an EKU-approved/sponsored study abroad program, and have a completed Study Abroad Pre-Approval form on file in the EKU Office of International Student and Scholar Services, may receive a regular letter grade for the international coursework taken while participating in the sanctioned study abroad experience.

Undergraduate course work with CR grades may be used to fulfill major, minor, certificate, supporting program, and/or concentration area requirements, (unless explicitly prohibited by the appropriate academic department), to a maximum of 20% of the credit hours required for each component of an academic program’s major. Exceptions to this limit may be authorized by the Dean/Associate Dean of the college offering the program. There is no limit to the number of CR credit hours used to meet general education areas or to serve as free electives.

Developmental College Readiness Coursework (Zero-Level): Each developmental course is numbered 090 or 095. These are institutional-credit courses. Credit hours for a zero-level course do not apply toward graduation; however, zero-level courses do count toward enrollment status for purposes of financial aid eligibility and full-time student status. Grades for 090 and 095 developmental courses include A, B, C, and F. (Note: MAT 098 is a zero-level course but is not a developmental course.)

Equivalent Courses: Equivalent or cross listed courses are those in which credit will be earned for just one course. Equivalent courses may or may not be cross-listed in the schedule. Should there be a second enrollment in an equivalent or cross listed course, the student will either be disenrolled from the course or have credit removed at the end of the semester. Upon a change of major, permission for enrollment and credit for the second course, when required in the new major, must be obtained in advance from the college dean of the new major. In that instance, credit for the first taking will be removed.

Failure Due to Academic Dishonesty (FX): This grade is a sanction for repeated violations of the Academic Integrity (AI) Policy. The “FX” grade denotes failure in the course due to academic dishonesty and is a permanent grade reflected on the student’s transcript. A student assigned an “FX” grade will not be permitted to drop or withdraw from the course. A student who wishes to repeat a course in which an FX grade was applied may do so for the purpose of rehabilitating his/her GPA. The course may only be repeated at EKU. Repeating an FX course will not remove the FX grade from the student’s transcript.

Grade Appeals: If a student believes that the final grade assigned in a course is unjustified, that student should consult the instructor seeking a satisfactory explanation. If, after doing so, the student still feels that the grade is unjustified, the student may appeal the grade, in writing, to the department chair. A written appeal must be filed with the chair within 30 days after the beginning of the next semester (exclusive of summer session). Refer to the University Handbook for Students for the complete policy concerning grade appeals.

Grade Changes: All grade changes must be made by the following deadlines: for fall semester grades—the last day of regular classes (prior to finals week) for the following spring semester; and for spring and summer semester grades—the last day of regular classes (prior to finals week) for the following fall semester.

Grade Point Average (GPA): The GPA is a calculation of the sum of total quality points earned, divided by the total attempted course credits. Quality points are determined by multiplying the numerical value for each grade earned, times the credit hours for the course.

Each student has an institutional GPA reflecting his/her overall academic performance, as well as a term GPA indicating achievement for the current semester. Grades for all non-zero level EKU and transfer courses are included in a student’s overall GPA calculation. The GPA is used to measure a student’s academic standing. Successful completion of any degree or certificate program requires a minimum of a 2.0 overall as well as institutional GPA. The official EKU GPA is truncated at two decimal places; GPAs are never rounded numbers.

Each student can view his/her GPA through his/her secure online EKUDirect self-service account. In EKUDirect the GPA appears on the Official Grade Report, the student transcript, and on each student’s DegreeWorks degree audit. Each student is expected to monitor their GPA through these sources. Note that a separate GPA calculation is done for determining University graduation honors (also referred to as Latin Honors). Refer to the Latin Honor section of this catalog for rules regarding Latin Honors GPAs.

Incomplete Grades: Instructors may assign an incomplete grade “I” to students who have satisfactorily completed at least 60% of a course but are unable to complete the course due to extenuating circumstances. An “I” grade is never appropriate as a midpoint grade. Instructors who assign an “I” grade must provide an Incomplete Grade Agreement within 15 university business days.

Incomplete Grades Blocking Graduation: A degree cannot be awarded to a student with any incomplete EKU courses on his/her record. Any student who is a pending graduate with unresolved EKU incomplete grades (“I”) will be given the choice of either accepting an “F” for the course (or “NC” for unresolved “IP” grades) or being deferred to the next term for graduation consideration. All incompletes for students pending graduation must be resolved before their published degree conferral date.

In-Progress Grades: Instructors may assign a grade of “IP” in certain approved courses in which it might reasonably take students more than a single semester to complete all requirements. A student assigned an “IP” grade for internship, practicum, or self-paced courses must complete requirements within the calendar year after the “IP” is awarded to receive credit. If requirements are not completed by the deadline, the Registrar will change the “IP” grade to “NC” (NO CREDIT), and the student must register again for the course to receive credit.

Incomplete Grade Agreement: When a student has extenuating circumstances that impede him/her from completing a course, an incomplete grade may be awarded as a temporary final grade. The incomplete grade cannot be used simply because a
student has failed to complete the work in the course or as a means of raising the student’s grade by doing additional work after the grade report time.

Students must request an incomplete grade from the faculty member prior to the last day of class when a student wishes to pursue an incomplete grade. If the instructor agrees that the student has extenuating circumstances beyond his/her control and the instructor agrees to assign an incomplete grade, the instructor must complete an Incomplete Grade Agreement detailing all outstanding assignments and/or conditions needed to complete the course, and a due date for each assignment. An incomplete grade may not be given as a midterm grade. Any student given an incomplete is expected to have satisfactorily completed at least 60% of the course.

The following procedure applies when an instructor has agreed to assign a grade of “I” for students who are unable to complete the course because of extenuating circumstances.

1. On the Incomplete Grade Agreement, the instructor will identify all outstanding assignments and/or other conditions needed to complete the course, and due dates for each assignment.

2. Faculty are strongly encouraged to give students the shortest reasonable time period in which to complete the work. The longest possible time period is the end of the next regular semester (fall/spring); however, typically it benefits students to complete work before they begin classes the next semester.

3. The Incomplete Grade Agreement must be signed by the faculty member, student, chair of the department offering the course, and dean of the college offering the course. Student approval of the terms of the Incomplete Agreement can be submitted electronically, and attached to the form. Chairs should assure that the Agreement includes reasonable due dates for completing the work, and all signatures.

4. The Incomplete Grade Agreement must be received by the Registrar’s Office no later than 15 university business days past the deadline for final grade submission. While the faculty will be able to submit the “I” grade through the online grade submission process, any “I” grade that is not accompanied by an Incomplete Grade Agreement within 15 university business days of the advertised final grade submission deadline will be converted to an “F.”

5. Outstanding work must be completed by the student and a Grade Change form must be submitted by the instructor to the Registrar’s Office by the deadline noted on the Incomplete Grade Agreement. If a grade change is not submitted by the established deadline, the incomplete will automatically default to a failing (“F”) grade.

6. If, due to extenuating circumstances, a student is unable to complete the contracted course work to fulfill the incomplete course by the deadline on the Incomplete Grade Agreement, the student has the option of requesting a one-time, one semester extension to the incomplete deadline. The student must initiate the request through the instructor before the original deadline. Approval of the extension of an incomplete grade is not automatic and depends on the student’s unique circumstances.

**Letter Grades:** Grades, which are represented by letters, are given point values as indicated:

*FN/UN: Students who stop attending/participation in online courses and do not resume participation have unofficially withdrawn from the class. This act may have significant financial aid repercussions. EKU is required by the U.S. Department of Education to provide a last date of attendance/participation for such students.

Throughout this Catalog, specific grade requirements are to be interpreted precisely as stated. Thus, if a requirement specifies that a grade of at least “C” is required, a “C-” will not satisfy the requirement. If it is intended that “C-” is to be allowed, “C-” will be listed rather than “C.” This applies to all specific grade requirements.

The grade point average (GPA) is based on those courses in which a student earned grades of “A,” “B,” “C,” “D,” “F,” or “U.”

**First-Time Freshmen Mid-Term Grade Review:** See Academic Standards, 45.

**Submission of Mid-Term Grades:** Faculty will provide mid-term grades via the Banner (EKU Direct) system for all students in undergraduate-credit, full-semester courses by the end of the eighth week. In the case of non-standard courses, faculty will enter mid-term grades by the mid-point of the course and before the last day to withdraw from the course, as published on the Colonel’s Compass.

Mid-term grades are not required for the following types of classes: non-gradable laboratory sections, co-op, practicums, and internships.

**Military Activation:** A student who is called to active duty or whose spouse/legal guardian is called to active duty may be unable to complete courses in which they enrolled. If military activation affects the ability of a student to complete a course, the University provides several options, including withdrawal from the course and/or University or taking an incomplete and completing the
course(s) following completion of active duty.
A student who volunteers for military service during a semester makes the decision to join the military instead of being a student, and does so while the semester is in progress, (instead of completing the semester and then joining), is not eligible for Military Withdraw, Military Incomplete, or to receive a grade early in the semester. The spouse of a student who volunteers for military service and cannot complete a semester will not be eligible for Military Withdraw, Military Incomplete, or to receive a grade early in the semester.

Students with military status (Active, Reserves, National Guard) at the beginning of the semester, or spouses of such students, finding it necessary to leave the University because of required active military duty must complete one (1) of the following:

Option 1– Receive a Grade
1. When military activation occurs after the 12th week of the semester, the instructor has the option of assigning the student a grade in the class based upon work completed. That grade would be submitted during normal final grade submission, and no additional work would be required of the student.
2. The request for assignment of a grade based on coursework completed must be made in writing and must be approved by the Chair of the Department and the Dean of the College in which the course(s) is offered. A copy of activation papers must be attached.

Option 2 – Receive an Incomplete Due to Military Activation
1. The affected student will petition the faculty members to request an assignment of a grade of “IM” in course(s) currently enrolled.
2. If the instructor feels that the portion of the semester remaining, and volume of uncovered material is such that it can be made up in a reasonable amount of time and effort, a grade of “Incomplete for Military Activation” may be given.
3. The instructor completes an Incomplete Grade Contract and notes on the contract that this is due to military activation. The student shall provide a copy of the military orders and the instructor must ensure that a copy of the student’s military orders is attached to then Incomplete Grade Contract. Without a copy of these orders the student cannot receive the “Incomplete for Military Activation” grade.
4. The Incomplete Grade Contract shall be processed as normal.
5. Once the Registrar’s Office receives a copy of the military orders an “IM” grade will be recorded.
6. The student has two (2) years from the date of military discharge to complete an “IM” grade. The student, upon completion of active military duty, must follow up with the faculty member. If the faculty member is no longer with the University or is on leave from the University, the student should contact the Department Chair for determining how to fulfill the Incomplete Grade Contract. If the student does not make contact within 2 years of leaving the University, the “IM” turns to a “W.”
7. Upon completion of coursework, the instructor will submit a change of grade form.

Option 3 – Receive a Military Withdrawal from the Course or from the University
1. Students choosing to withdraw from specific courses or from the University must send a letter requesting a withdrawal and enclose a copy of the military activation notification. The letter must include the following information:
   • Student name and Student EKU ID Number
   • A statement that the student wishes to withdraw completely from the University OR listing the individual courses for withdrawal.
   • Student’s signature (mandatory) and the date
2. The Office of the Registrar staff will process the withdrawal which also triggers a 100% refund in all tuition and course fees. Room and board fees will be prorated.
3. If a student requests an incomplete and the faculty declines to grant an “IM,” then the student will have to withdraw.

For additional information regarding Military Incomplete status please see the Military Activation Web site at: http://www.registrar.eku.edu/registration/military/.

Pass-Fail (“P” - “F”) Option: The Pass-Fail option encourages students to take courses they might otherwise avoid because of lack of background or concern for lowering their grade point average (GPA). Not all courses are approved to be taken Pass-Fail. The Registrar’s Office can verify whether a course is approved to be taken as Pass-Fail.

Students who have earned 30 or more semester hours of credit with a minimum GPA of 2.0 may choose the Pass-Fail (“P” - “F”) option for a total of 15 hours of free electives. These hours must be exclusive of general education, major, minor, and other course requirements for graduation. Eligible courses must belong exclusively to the category, free electives. Hours passed under the Pass-Fail option will not be used in the computation of GPA’s; however, hours failed (“F”) will be used.

Students may choose the Pass-Fail option for one course per semester with a maximum of five credit hours per semester. Students may repeat a course using the Pass-Fail option only if the previous taking was also Pass-Fail.

Students may select the “Pass-Fail” option by completing the Audit/Pass-Fail registration form, available from the Registrar’s Office. Students may change to or from the Pass-Fail option by the date specified each semester in the Colonel’s Compass. The student must submit to the Registrar’s Office the completed form as authorization to change their registered course to Pass/Fail.

Repeating Courses: Students may repeat college-level courses. In those courses, the highest grades earned will replace a lower grade in calculations of the student’s term and institutional GPA. This grade replacement occurs irrespective of whether the lower grade was earned in the original taking of the course or in a repeat enrollment.*

The repeated course and grade will still appear on the transcript but with a notation indicating whether the grade is included in, or excluded from, the student’s GPA. If a student attempts to repeat a course and replace the grade but then withdraws from the course, that course attempt will not be counted among those for which grade replacement is available.**

Students who repeat a course in which they earned a failing grade, and fail the course again, will have the most recent failing grade included in the GPA.

A student may enroll in the same course for a third time (second repeat) only under extraordinary circumstances and with permission of the dean of their major. Students seeking permission for a third enrollment shall first meet with an academic or college advisor to review why they have not previously been successful in the course, and to assess whether the student is in an appropriate major.

For GPA calculation, a grade of “S,” “CR,” “NC” or “P” will not replace a grade of any “C,” “D,” “FN,” “F” or “FX” (earned in normal grading) grades. A “P” will replace an “F” only when the “F” was earned under the Pass-Fail option. An “S” will replace a “U” or “UN” when earned under the Satisfactory- Unsatisfactory grading option.

*Some professional programs (e.g. Nursing and Occupational Science) have licensure, regulation, and accreditation requirements
with restrictive time limitations for applying a course toward a degree. In those programs the best grade for a course may be excluded because it is outside the required time frame. Students should speak with a major advisor or refer to the relevant portion of this catalog to determine if such time restriction apply to any required course for their major.

**Some courses may not allow the best grade to stand if the student has been required to repeat a corequisite lecture, clinical, or lab experience. In those situations it is the most recent grade earned from both co-requisite courses that will be used to calculate the term and institutional GPA. Courses with these requirements will be identified as such in individual course descriptions found in the back of this catalog.

Satisfactory-Unsatisfactory (“S” - “U”) Grading System:
Some courses are approved to be taught exclusively on a “Satisfactory” (“S”) or “Unsatisfactory” (“U”) basis. Each student enrolled in the class will receive either a grade of “S” or “U.” Hours passed under the Satisfactory-Unsatisfactory option will not be used in the computation of GPA’s; however, hours failed (“U”) will be used.

NON-TRADITIONAL ACADEMIC CREDIT
Students who have educational experiences other than university instruction may attempt to earn academic credit through the following learning assessment mechanisms.

A. ACE Credit

Based upon recommendation of the American Council on Education (ACE), EKU will award credit to individuals who have completed certain non-university experiences, such as workplace or military training. Work evaluated on an ACE transcript as Lower Division will be recorded as 100- or 200-level only. Work evaluated on an ACE transcript as Upper Division will be recorded as 300-level credit. EKU will not award credit from an ACE transcript unless the work has been evaluated as Lower Division or Upper Division. Students can petition for specific course credit by first contacting the Student Outreach & Transition Office at http://soto.eku.edu/ but must have a copy of their ACE transcript sent to the Registrar’s Office, Whitlock CPO 58, 521 Lancaster Avenue, Richmond, KY 40475-3158.

B. Credit-By-Examination

1. Credit-by-examination is credit given through documentation and evaluation of learning, knowledge, or skills-based experience.

2. Following are the conditions which apply to receiving credit-by-examination:
   a. Only admitted and active degree seeking EKU students may have credit-by-examination recorded onto an EKU Transcript.
   b. Academic credit earned by external examinations and challenge tests (such as AP, IB, Cambridge, CLEP®, DANTES, and KOSSA) shall not be considered as credit earned at EKU and will not apply toward the residency credit requirement for an associate or baccalaureate degree.
   c. Credit-by-examination earned at a prior institution and submitted to EKU for review will be considered for academic credit.
   d. Credit awarded through credit-by-examination which is general in nature, not course-specific, has no inherent guarantee of meeting specific EKU degree requirements, since these are program and college specific decisions.
   e. Credit earned by examination is recorded as “CR” and is not assigned a letter grade; it has no effect upon the overall GPA.
   f. Proficiency examination credit recorded on an official transcript is eligible for transfer to EKU if it is from a nationally-recognized standardized test, earned at a college or university from which EKU accepts transfer credit, or earned at an EKU-recognized testing site.
   g. English writing, reading, or mathematics placement testing proficiency examinations completed at other SACS-accredited Kentucky universities or colleges may be reviewed for remediation of developmental education or college readiness requirements; these must be sent from the testing center of the previous institution to Academic Testing, 521 Lancaster Avenue, Whitlock CPO 64, Richmond, KY 40475, or emailed to testing@eku.edu.
   h. Departmental or institution specific challenge tests presented on the official transcript of an institution from which EKU accepts transfer credit may be accepted in transfer - upon the review and approval of the academic department most closely related to the subject matter.
   i. A student may attempt to earn credit-by-examination in a course only once in a six-month period.
   j. A student will not receive academic credit for a course-specific College Level Examination Program (CLEP®) or departmental examination in an area in which advanced course work has already been completed, and EKU credit recorded.
   k. EKU students attempting a foreign language CLEP exam at the 100-299 level in their native tongue will not have academic credit awarded by EKU.
   l. Special fees are assessed for credit-by-examination and must be paid prior to taking an examination. Refer to the Testing Office website for fee information (www.testing.eku.edu/fees).
   m. Students seeking to have AP or IB credit recorded on their EKU academic record should have score reports sent to the EKU Office of Academic Testing before they have earned their first 30 credit hours at EKU. AP or IB scores submitted for credit will not be given consideration after students have earned 30 credit hours.

3. Eastern Kentucky University credit-by-examination may be earned through any of the following methods:

   a) Advanced Placement Program (APP):
   The Advanced Placement Program consists of courses of study and special examinations open to students in high school. The courses are presented during the student’s junior and senior years and are administered during the month of May. The chart below indicates the manner in which EKU accepts Advanced Placement Program examinations as credit. The most current updates to the chart below may always be found online at http://www.testing.eku.edu/advanced-placement-program-app

b) Cambridge International Examinations (CIE) - AS & A Level Exams:

EKU recognizes the rigorous pre-college courses administered through the Cambridge Advanced International Certificate of Education (AICE) Diploma program, and awards academic credit to admitted active EKU students, per the following table of CIE AS-level & A-level subject groups and scores. An official certifying AICE transcript is required. For more details on CIE exams, please refer to www.testing.eku.edu.

Following recommendations of professional international accreditor evaluations, EKU awards 3-4 credit hours for AS-level exams with a grade of C or above, and 6-8 semester hours of EKU credit may be given for scores of C or above on any A-Level exam. CIE Subject Group AS & A-Level (Note that credit may be considered for other subject tests by contacting the Testing Office).

c) College Level Examination Program (CLEP®):

CLEP exams are standardized tests created to assess college-level knowledge in standard academic subject areas. They recognize a student’s comprehensive subject knowledge and provide a mechanism for earning college credit without taking college classes. The Office of Academic Testing administers CLEP® exams for currently enrolled EKU students. In order to receive credit, a student must complete the Credit-by-Examination form available from the Office of Academic Testing, Whitlock, Room 340 or online at http://testing.eku.edu/clep. No credit will be given for exams without equivalent courses at EKU.

For additional information on the CLEP exam, including fees, please contact EKU Academic Testing by phone at 859-622-1281, by email at academic.testing@eku.edu, by reviewing the EKU CLEP webpage at http://testing.eku.edu/clep, or by visiting the office in Whitlock Building, Room 340.

Eastern Kentucky University recognizes and awards academic credit to admitted, active EKU students per the following table of CLEP examination scores.

**C. Credit for Prior Learning**

1. Belief that college-level learning can occur outside of the university/faculty interactions has been firmly established within higher education.
2. Workplace, community, volunteer activities, and military training can supplement and augment a student’s preparation for EKU academic courses and provide a valuable lead into the adult student’s program of study.
3. Portfolio assessment, co-op credit, nationally standardized

**f) International Baccalaureate (IB) Credit:**

Created in 1968, the International Baccalaureate Organization’s Diploma Programme is a demanding pre-university course of study designed for highly motivated secondary school students aged 16 to 19. The program has earned a reputation for rigorous assessment, much like the Advanced Placement (AP) Program. For information regarding the IB program, please visit the website at www.ibo.org, or http://testing.eku.edu/international-baccalaureate-organizations-diploma-ib. IB credit is awarded by earning the required score in a specific subject area. To receive credit a student must furnish the Office of Admissions with an official IB transcript issued directly from the International Baccalaureate Organization. Course credit awarded through the IB program will apply toward degree requirements. Rather than a letter grade, a designation of CR (credit) will be assigned to credit awarded through the IB program; the GPA will not be affected. Eastern Kentucky University awards credit for IB course work in the following manner:

A complete list of DSST exams may be found online at http://getcollegecredit.com/assets/pdf/DSST_Exam_List.pdf. As DSST exam reports are received, they will be submitted to the appropriate academic department for course credit review. Updates on EKU DSST credit may always be found online at: http://testing.eku.edu/veterans

Students should request that their official DANTES score report be sent to EKU Academic Testing, Whitlock CPO 340. Please note: EKU does not accept transfer credit for coursework earned via departmental proficiency exams completed at other postsecondary Institutions. Information on available departmental challenge exams, fees, and procedures for registering may be found at www.testing.eku.edu.

Eastern Kentucky University recognizes and awards academic credit for coursework earned via departmental examinations. The Office of Academic Testing works with academic departments to determine academic credit for new and expanded DSST exams.

Eastern Kentucky University students interested in attempting to earn credit through departmental examinations should contact the Office of Academic Testing, Whitlock 340. Please note: EKU does not accept transfer credit for coursework earned via departmental proficiency exams completed at other postsecondary Institutions. Information on available departmental challenge exams, fees, and procedures for registering may be found at www.testing.eku.edu.

**Section Five - General Academic Information**
exams (e.g. College Level Examination Program (CLEP), DANTES Subject Standardized Tests), ACE evaluation, and departmental challenge exams can target specific EKU courses where adult learners can demonstrate course subject mastery and gain academic credit for prior learning experiences.

D. CREDIT FOR PRIOR LEARNING THROUGH PORTFOLIO ASSESSMENT

1. Belief that college-level learning can occur outside of the university/faculty interactions has been firmly established within higher education.
2. Workplace, community, volunteer activities, and military training can supplement and augment a student’s preparation for EKU academic courses and provide a valuable lead into the adult student’s program of study.
3. Portfolio assessment can target specific EKU courses where adult learners can demonstrate course subject mastery and gain academic credit for prior learning experiences.

To create a portfolio, students align their acquired knowledge and skills with specific student learning outcomes, as stated on a course syllabus. Students complete a course, CAEL 100, to learn how to document their learning of required outcomes. Students who successfully complete CAEL 100 earn 3 hours of EKU academic credit which will apply toward free electives. After completion of CAEL 100, students may submit further portfolios to earn additional academic credit. Faculty members evaluate the student’s portfolio and determine whether or not the student has offered sufficient evidence that the learning outcomes have been met for a specified course. If the portfolio is evaluated as acceptable, students earn additional credits for the course on which they based their portfolio. Credit earned based upon a portfolio is recorded as transfer credit with a grade of “CR” applied.

Students may learn about EKU’s portfolio process at (http://finish.eku.edu/)

E. MILITARY CREDITS

EKU will award credit to individuals who have successfully completed military service school courses, as well as award credit for Military Occupational Specialties (MOS), based upon recommendation of the American Council on Education (ACE). To receive academic credit at EKU, military credits must be evaluated by ACE with a lower level or upper level college equivalency.

Students may receive Military Science and Leadership course credit for having completed Basic Training (BT) and Advanced Individual Training (AIT). A copy of the military transcripts or DD Form-214 (Discharge Verification Certificate) must be submitted to the University through the EKU Veterans Center.

Students also must have an official copy of their ACE transcript sent from their respective service education centers to the EKU Office of Academic Testing, Whitlock CPO 64, 521 Lancaster Avenue, Richmond, KY 40475.

Army, Navy, USMC, and Coast Guard Veterans can order transcripts online at: https://jst.doded.mil/official.html
Air Force Veterans must request transcripts by letter. Include student’s full name (former name if appropriate), date of birth, social security number, service component, current address, Eastern Kentucky University Veterans Center address and the student’s signature. Send transcript request to: CAF/RRR, 130 West Maxwell Blvd., Maxwell AFB, AL 36112-6613.

PRE-PROFESSIONAL PROGRAMS

EKU has a number of programs that will help prepare students for professional schools following graduation. These schools generally do not require a specific major, provided that their prerequisite courses are taken. All professional schools are highly competitive in their admissions process. Thus, students should aim for strong GPA and professional school admission test scores. Students are encouraged to seek a major that they feel comfortable with, that they have a strong aptitude for, that is interesting and challenging, and that provides additional career options. Students should contact the Center for Pre-Professional Advising as early as possible after enrolling at EKU. The Pre-Professional Advisor will assist the pre-professional student with selecting a major and provide information and advice regarding professional school admissions and requirements.

Descriptions of the following pre-professional programs may be found on the pages noted:

Pre-Dentistry..................................................................................89
Pre-Law..........................................................................................88
Pre-Medical Science.......................................................................88
Pre-Optometry................................................................................89
Pre-Pharmacy................................................................................88
Pre-Veterinary...............................................................................89

Transfer-Back Curricula: In addition to standard pre-professional curricula, Eastern Kentucky University may approve specially arranged combined curricula. Students approved for these curricula complete the first three years of requirements at EKU. At the end of these three years, they enroll in one of several highly rated professional schools. After the first year of professional study, they transfer the work back in order to secure a Bachelor of Arts or a Bachelor of Science degree from Eastern Kentucky University. This plan may shorten by one year the time needed for obtaining both a baccalaureate and a professional degree.

STUDY ABROAD CREDIT

DUAL DEGREE AGREEMENTS BETWEEN EASTERN KENTUCKY UNIVERSITY AND FOREIGN EXCHANGE INSTITUTIONS

The following policies and procedures shall govern arrangements to award dual degrees to foreign students who attend Eastern Kentucky University and to EKU students who attend foreign exchange institutions under the auspices of exchange agreements or other agreements:

1. The dual bachelor’s degree agreement shall be developed by the deans of participating colleges in cooperation with appropriate representatives from foreign exchange institutions and shall be submitted to the Provost for final approval.
2. The deans and department chairs shall determine exactly which courses need to be taken by the foreign candidates to complete the major in each given field of study, and these courses must be specified. Likewise, they shall determine which courses
EKU students must take at the foreign institution to complete their EKU degrees.

3. Dual degree agreements will normally require at least one full academic year in residence at the host institution (25% of the total semester hours) and three years at the home institution (75% of the total semester hours). However, other variations may be approved by the deans of the colleges for their respective colleges.

4. Each institution shall accept all course work from the other either as elective credit or as credit for required courses, based on transfer equivalency evaluations.

5. If dual degrees are awarded concurrently, the program must at a minimum meet SACS, CPE, and the college, departmental, and program requirements for general education, either by taking the general education courses or by transfer credit or by a combination of these means. If the foreign degree is awarded a year or semester in advance, then the candidate will be awarded post-baccalaureate status and the general education requirement will no longer be applicable.

6. A copy of each dual degree agreement approved by the Provost shall be kept on file in the Education Abroad Office, and that office shall also maintain a file of EKU students who are attending foreign exchange institutions under dual degree agreements. The Office of International Student and Scholar Services will maintain a file of international students who are attending EKU under dual degree agreements.

**STUDY ABROAD PROGRAMS**

Eastern encourages all students to take advantage of study abroad opportunities. All EKU students planning to participate in a study abroad experience should complete the Course Pre-Approval Form. This form must be completed and endorsed by the EKU Education Abroad Office (Keith 129) before the student is approved to participate in a study abroad program. Students have several options for study abroad at EKU, varying in place, field of study, duration of stay, and cost.

Summer, Spring break, Winter break, full semester, or academic year options are available through EKU’s many study abroad providers, including the Cooperative Center for Study Abroad (CCSA), the Kentucky Institute for International Studies (KIS), The Knowledge Exchange Institute (KEI), AIFS Study Abroad, University Studies Abroad Consortium (USAC), SOL Education Abroad (SOL), CISabroad (CIS), as well as any number of EKU faculty-led programs that are created yearly. In addition, EKU has multiple exchange partners worldwide. Students should visit http://studyabroad.eku.edu/ for more information.

**TRANSFER STUDENT INFORMATION**

**CREDITS ACCEPTED IN TRANSFER**

Eastern Kentucky University accepts credits transferred from regionally accredited postsecondary institutions, credits earned by examination from nationally recognized tests that meet EKU standards, and it awards credits for certain types of military experiences. Additionally, EKU will award credit for non-collegiate training experiences provided the training occurred under a University approved articulation agreement.

International transfer credits from institutions with which Eastern Kentucky University does not have an articulation or exchange agreement are recorded as free elective credits at the lower division level after they have been evaluated by an outside accrediting agency (e.g. World Education Services or Silney and Associates). Students may present supporting documents from transfer courses recorded as free electives to appeal to department chairpersons for departmental credit.

**KENTUCKY GENERAL EDUCATION TRANSFER AGREEMENT**

In an effort to promote a seamless transfer between Kentucky two-year and four-year public institutions, the Kentucky Council on Postsecondary Education (CPE) developed a policy to facilitate the transfer of credits from one Kentucky public college or university to another. This policy, implemented in 1996, and revised in 2011, is called the General Education Transfer Agreement and allows for the automatic transfer of a block of courses to satisfy general education degree requirements, in addition to articulating individual courses as meeting statewide general education categories.

**General Education Certification for Students Transferring to EKU from a Kentucky Public Institution:**

Students transferring to EKU from another Kentucky public college or university may be (1) category certified, or (2) core certified, or (3) general education certified in general education by the Registrar of the school where the course work was taken. EKU will honor any of these designations and is guaranteed to apply the KY public school transferred general education courses into EKU’s General Education curriculum in a manner that best serves the transferring student.

**Category Certified.** Students who have completed one or more of the five general education categories of the General Education Transfer Agreement will be category certified.

**Core Certified.** Students who have satisfied all five general education categories of the General Education Transfer Agreement will be general education core certified and receive 33 hours of general education credit at EKU.

**General Education Certified.** Students who have completed a 48-hour general education program at a Kentucky Community and Technical College and School (KCTCS) will be general education certified in general education as required by the CPE General Education Transfer Agreement. Students who have earned an Associate of Science or Associate of Arts degree from a Kentucky public institution are also considered to be general education certified. Students, however, are subject to any specified general education courses required by the major and, in all cases, are required to complete the minimum number of credit hours.
established by the University to earn a degree.

Transfer students from Kentucky four-year institutions who complete the general education at their first institution may request the Registrar of that institution to document them as general education certified in general education, which EKU will accept. Students who transfer to EKU without a certified transfer module will have their course work at their previous institution evaluated by EKU on a course-by-course basis for general education equivalency.

The General Education Transfer Agreement also applies to students transferring from EKU to another Kentucky public university. For additional details regarding this agreement please refer to the EKU Student Outreach & Transfer Office (SOTO) (http://soto.eku.edu/transferstudents) or the CPE website (http://www.cpe.ky.gov/policies/academicinit/Transfer/)

NOTE: After initial transfer to EKU students may not transfer in further general education certifications unless they earn a subsequent AA or AS degree at a KCTCS institution. Students may transfer in further general education certifications after their initial enrollment at EKU, only if they return to a KCTCS institution for a period of at least one semester.

**TRANSFER COURSES FROM A PRIVATE OR OUT-OF-STATE SCHOOL**

EKU will honor transfer general education courses from regionally accredited out-of-state or Kentucky private colleges and universities. Students may bring in documentation (school catalog listings of courses with relevant general education designations) to the EKU Registrar’s Office. The transfer general education courses will then be applied toward the student’s EKU general education requirements where needed and as appropriate.

**TRANSFER CREDIT EVALUATION PROCESS**

When an acceptable transfer course, which has never been evaluated before, is presented to EKU for consideration, EKU records the course as acceptable for credit but unevaluated. The Transfer Center contacts the student and requests course descriptions and syllabus information for review. The Transfer Center forwards the course description to the appropriate academic department for their review and consideration. The academic department determines whether an exact equivalency, a subject/discipline elective, or a generic free elective is appropriate depending on course content and learning objectives. In some instances the department will request that the student provide a syllabus in order to evaluate the course. The academic department or Transfer Center can recommend that a course be considered for general education applicability even if an exact equivalency is not awarded. Students wishing to appeal the evaluation of transfer credit should consult with the Student Outreach and Transition Office.

**TRANSFER CREDITS/COURSES**

Currently enrolled students who desire to take courses elsewhere and transfer them back to Eastern Kentucky University should consult with the EKU Transfer Center and also obtain the approval of their college dean prior to enrolling. The University will not take responsibility for courses transferred without prior approval. Students should be aware that there are limits to the number of credit hours a student may earn in any one term (see Academic Load, page 50).

Eastern Kentucky University accepts credit in transfer from other institutions with regional accreditation status. EKU also participates in and subscribes to the principles of the Kentucky Council on Postsecondary Education statewide transfer agreements. EKU accepts credits transferred from all public institutions in Kentucky accredited by SACS, or similar regional accreditation bodies, and will apply them to the general education and program requirements to the maximum extent specified in these agreements. Credits not identified in these agreements will be applied to degree requirements as deemed appropriate. Lower division courses taken at a community or junior college are accepted in transfer as the coursework is evaluated by the EKU content expert.

Eastern Kentucky University will also award credit to students for non-collegiate sponsored instruction and training programs provided an articulation agreement exists between the University and the institutions or organizations providing the instruction. Articulation agreements must be officially approved according to the University policy for such agreements and must be signed by both EKU and the collaborating institutions/organizations. A copy of the signed agreements must be on file in the Office of the Senior Vice President for Academics and Provost (original), the Office of the Registrar, and the Dean’s office of the College which initiated the agreement. Articulation agreements must be in place prior to the non-collegiate instruction or training in order for credit to be considered. In all instances, consideration will only be given to those courses/training programs whose content provides competencies equivalent or comparable to courses and educational experiences offered by EKU.

Credit and grades earned in transfer are posted to the student’s EKU transcript. Students with transfer credit should note that they must successfully complete all their curriculum requirements as well as earn an institutional (EKU) GPA of 2.0 in order to graduate with a degree or University certificate from EKU.

Degree-seeking transfer students who have already attained a post-secondary or graduate-level degree will have that earned degree noted in their EKU academic record.

Details of the academic work counting toward a degree earned at another institution will not be posted, course by course, onto the EKU transcript; only the earned degree is recorded from the official transfer school transcript.

**INTERNATIONAL STUDENT TRANSFER CREDIT PRE-APPROVAL**

It is an institutional expectation that once international students are admitted into EKU they are expected to complete their program of study using credit earned only at EKU.

Each EKU international student may submit official transcripts and have recorded in transfer all previously earned appropriate credit from other institutions of higher education, at the time the student is admitted into EKU. After initial admission into EKU an international student, who subsequently wishes to enroll at another institution, for the purpose of earning additional transfer credit, must have prior approval from EKU before accumulating additional transfer coursework.

The Registrar will not record onto an existing international student’s EKU academic record any transfer credit for which the student has not secured prior approval. This prior-approval form serves to notify the College of the student’s major and the Office of International Student and Scholar Services of the international student’s intention to enroll at another institution, and to establish
the applicability of the anticipated transfer credit toward the student’s major – before the student enrolls at the non-EKU institution.

A maximum of 21 credit hours may be earned by any EKU student, (through any means), in any fall or spring term; dean’s approval (secured on a different form) is required for a student to enroll in 19 through 21 credit hours. During the summer 15 credit hours is the absolute maximum an EKU student may earn; dean’s approval (secured on a different form) is required to enroll in 13 through 15 credit hours.

EXPLORATORY STUDENTS

If students are academically exploring and are not ready to declare a major, they will be enrolled as an exploratory student. A major should be declared as soon as students decide on their field of interest. Students must officially declare a major prior to registration during the semester in which they register for their 45th hour. Until a major is declared, students’ curriculum will include general education courses appropriate for most baccalaureate programs. In addition, students will be encouraged to take exploratory electives that will allow them to sample disciplines they may like to select as a major.

WITHDRAWAL

WITHDRAWING AND FINANCIAL AID

Federal Financial Aid regulations require students to earn credit from classes funded by financial aid. Financial aid regulations do not distinguish between receiving a “W” in a course, or an “F” in a course. In both cases tuition is paid with financial aid funds and in both cases the student did not earn credit.

Students, advisors, and instructors should note therefore that multiple withdrawals can impede appropriate progress toward degree and thus negatively impact a student’s ability to retain financial aid.

IMPORTANT: Withdrawing from a class may result in the student being responsible for both tuition charges and a late withdrawal fee. Refer to the Colonel’s Compass for tuition refund dates. A class with a “W” grade will count as an attempted class for Federal Financial Aid calculations.

WITHDRAWING FROM A CLASS

Students are allowed to withdraw from classes through the 12th week of a full semester. Partial semester classes have pro-rated withdrawal deadlines. See the Colonel’s Compass for all withdrawal deadlines. Whether withdrawing from a single class, a few individual classes, or all withdrawals are executed online through EKUDirect. A student will be assigned a grade of “W” for each withdrawn course, and a “W” will appear on the grade report and transcript.

1. Withdrawal between 2nd Week – 12th Week: A student may officially withdraw from a full-semester course online through EKUDirect from the close of the Schedule Change Period, also called the Add/Drop Period (for full-semester classes the add/drop period is the 1st week of class), through the end of the 4th week of a regular (fall/spring) semester with no withdrawal fee applied.

   Beginning with the fifth week of the term, and until the end of the twelfth week of full-semester classes, students will be assessed a $50 per credit hour fee after withdrawing from a course (up to a maximum of $150 for a typical 3 credit hour course).

   WARNING: The Add/Drop Period and the withdrawal period for partial-semester classes can be significantly shorter. Always refer to the Colonel’s Compass website for all drop and withdrawal deadlines.)

2. Late Withdrawal Petitions: After the withdrawal deadline has passed only students who are the victim of extraordinary circumstances may request a late withdrawal. The deadline for filing a petition for withdrawal under extraordinary circumstances is the last day of the full semester following the term from which the student is seeking withdrawal. The student should complete a withdrawal petition form (available from the Registrar’s website) and should include justification and documentation for the withdrawal. If approved, the Registrar will assign the grade of “W” and will notify the instructor of the class. For details refer to the Registrar’s website (www.registrar.eku.edu).

   All course withdrawals approved by the Compassionate Withdrawal Committee will be assessed a $50 per credit hour fee, to a limit of $150 per course. The Compassionate Withdrawal Committee is not authorized to consider any appeals of the $50 per credit hour course withdrawal fee. Only the Office of Student Accounting Services may consider late withdrawal fee appeals.

   Students who are assigned a grade of “F” or “FX” in a course due to academic dishonesty will not be permitted to withdraw from the course.

3. Withdrawal Deadlines for Partial Semester and Summer Classes: Specific calendar dates for withdrawal deadlines for partial semester and summer classes are available on the EKU Web site (see Colonel’s Compass). The withdrawal deadline for all courses should be printed on course syllabi, are published in the Colonel’s Compass, and also may be obtained by contacting the Registrar’s Office. Refer to Section 3 of this Catalog for the University’s Tuition Refund Policy.

WITHDRAWING FROM THE UNIVERSITY

Eastern Kentucky University (EKU) is strongly committed to supporting students in achieving success in their intellectual and extracurricular endeavors. Students finding it necessary to withdraw from the University may withdraw from all courses online using EKUDirect up to the twelfth week of a full semester. Students are not allowed to withdraw from a course or from the University after the twelfth week of a regular term; after that time students must petition the Compassionate Withdrawal Committee for an official withdrawal. A grade of “W” is assigned for each withdrawn class. Students who leave the University without an official withdrawal are subject to the grade of “F.”

Dining Services Refund for Students Withdrawing from the University:

For Colonel Card dollars or meal memberships please refer to the Student Accounting Services refund page: http://colonelscompass.eku.edu/deadlines-adddrop-refunds

Housing Refund for Students Withdrawing from the University:

For Housing refunds, please submit a written request to the Director of Housing, Whitlock CPO 51, Eastern Kentucky
Withdrawals Due to Exceptional Situations

When physical or mental illness, or other extraordinary circumstances, intrude upon a student’s ability to successfully meet the requirements of his or her course of study, such that the student is unable to avail themselves of standard methods for withdrawing from the University, per the above described timeframe, the student may complete a request for a Medical Withdrawal or a Compassionate Withdrawal.

Compassionate Withdrawal

[NOTE: Withdrawals do not provide tuition refunds.]

Students who had documented extraordinary circumstances that prevented them from succeeding in a course, or all courses, and were not able to withdraw themselves by the published deadline, may consider petitioning for a Compassionate Withdrawal. An approved Compassionate Withdrawal will replace course grades with “W” grades. No tuition refund is awarded. Students petition the Compassionate Withdrawal Committee through the Registrar’s Office.

The deadline for filing a petition for withdrawal under extraordinary circumstances (Compassionate Withdrawal) is the last day of the full semester following the term from which the student is seeking withdrawal. The student must complete a Withdrawal Petition Form and should include justification and documentation for the withdrawal. If approved by the committee, the Registrar will assign grades of “W” and will notify relevant instructors.

If the Committee denies the petition, the student has 30 calendar days to appeal the denial, in writing or in person. Any appeal is expected to provide additional pertinent information to the Committee. The decision of the Committee after consideration of the appeal is final.

For forms and more details, refer to the Registrar’s website (www.registrar.eku.edu) or email registrar@eku.edu

Medical Withdrawal from the University

[NOTE: Withdrawals do not provide tuition refunds.]

Voluntary Medical Withdrawal

Students may request a Medical Withdrawal from EKU when serious physical or mental health issues prevent the student from continuing with coursework in the current semester. The severity and duration of the medical problems must be such that it would be unreasonable to expect the student to make up missed class work or to continue as a student during the current term.

Medical Withdrawal is appropriate only when “incompletes” or other arrangements with instructors are not possible. A request for a medical withdrawal can only be considered when the request is to withdraw from all classes in the current semester and will not be granted if final exams have been taken for that semester. This policy does not address withdrawal from individual classes.

Requests for a Medical Withdrawal requires thorough and credible documentation by the appropriate healthcare provider. Details regarding the process and standards for approval are found on the Registrar’s website; http://registrar.eku.edu/withdrawal-information. The deadline for filing a petition for a Medical Withdrawal is the last day of the term from which the student is seeking withdrawal.

If the request to take a medical leave of absence is due to physical issues, the appropriate documenting healthcare provider is a licensed medical practitioner with knowledge of the student’s past medical history and who is presently working with the student to resolve current physical health issues. The medical practitioner should be the student’s primary health care provider at the time of the request for Medical Withdrawal, and should not be a family member. If the medical situation involves emergency hospitalization, documentation from the emergency room physician or hospitalist is required in lieu of the preceding information.

If the request is due to mental health reasons, the appropriate documenting healthcare provider would be a licensed psychiatrist, psychologist or counselor with knowledge of the student’s past mental health history and who is presently working with the student to resolve the current mental health problems and should not be a family member. Taking a Medical Withdrawal of at least one full semester away from the University will enhance the likelihood of success upon the student’s return.

The student will be obligated to adhere to the requirements for returning from a medical leave (see details on Registrar’s website: http://registrar.eku.edu/withdrawal-information). The student is expected to provide documentation that the physical or mental health condition has been treated and symptoms that required withdrawal from the University are sufficiently resolved to allow the student to return to the University.

A Medical Withdrawal is designed for academic purposes, not financial purposes; it allows the student the opportunity to protect his/her academic standing with the University by preventing the student from failing all courses for that semester. Providing that the requested withdrawal is approved, tuition charges will be adjusted if applicable and based on the regular, published, refund guidelines for all classes, effective as of the date the completed withdrawal form was received by the Registrar’s Office.

For details on the process to request a Medical Withdrawal refer to the Registrar’s website at www.registrar.eku.edu.

Involuntary Medical Withdrawal

Eastern Kentucky University may place a student on an Involuntary Medical Withdrawal for reasons of personal or community safety. The University may require a student to take medical leave of absence, if in the judgment of the Student Assistance & Intervention Team (SAIT), and in coordination with the Director of Student Health Services and/or the Director of the EKU Counseling Center, the student, (a) poses a threat to the lives or safety of himself/herself or other members of the EKU community or (b) has displayed behaviors associated with a medical or mental health condition that seriously interferes with the student’s ability to function and/or seriously interferes with the educational pursuits of other members of the EKU community.

Detailed information regarding the process for determining the necessity of an Involuntary Medical Withdrawal can be found on the Registrar’s website: www.registrar.eku.edu.

Military Withdrawals from the University

See Military Activation section on page 58.
STOPPING OUT AND RETURNING TO EKU

Students who either stop out* or officially withdraw** and are academically eligible to return to the University, may return to the University without reapplying if they have been gone for 24 or fewer months and have an overall GPA of 2.0 or higher. Students who have stopped out or withdrawn and have a GPA of less than 2.0 must apply for readmission and will be held to EKU readmission criteria (please refer to Requirements for Readmission section of the Catalog). All regular registration deadlines apply to stop-out students, and they should contact their last assigned advisor, or department chair of their major, to schedule an advising appointment in preparation for their return to EKU. To register for classes, students can log in to their EKU Direct account. Students with a registration hold must contact the office that applied the hold and have the hold removed before they will be able to register.

Students who stop out or are withdrawn for more than 24 months must be formally readmitted to the University by submitting a readmission application to the Office of Admissions. Refer to Section Two of this Catalog for details regarding readmission. The academic record for withdrawn students must be reactivated before they can once again register for classes.

All students who have attended another college/university since attending Eastern Kentucky University, regardless the length of their absence, must submit college transcripts.

*A student who completes a semester at Eastern Kentucky University but does not return for the following term is considered to have “stopped out.” Students must be on good academic standing to qualify for stop out.

**Students who have received a “W” grade in all classes during a semester are considered to have “withdrawn” from the University.

WRITING INTENSIVE COURSES

Every student seeking a first baccalaureate degree must successfully complete one writing intensive course following completion of General Education Element 1B. Writing intensive courses may be general education courses as well as major or supporting courses. Students who enter the University with a baccalaureate degree from a regionally-accredited university are exempt from the writing-intensive requirement.

Writing-intensive courses are designated with the suffix “W” following the course prefix and number (e.g., HUM 300W). W and non-W versions of the same course (e.g., HUM 300W and HUM 300) are considered equivalent for the purposes of satisfying course requirements for prerequisites, major courses, minor courses, and supporting courses. Credit will not be awarded for W and non-W versions of the same course. A previously-taken non-W version of a course will not be used to satisfy the writing intensive baccalaureate degree requirement.

Writing Intensive Courses Available:

Writing intensive course options are listed on each student’s degree audit report. The writing intensive courses available each semester may be viewed via the online schedule by selecting all courses in the “Subject” box and writing intensive courses in the “Attribute” box.

(See Section 7 of this Catalog for complete course descriptions.)

## EKU Undergraduate Certificates and Professional Certification/Endorsement Programs

### 1. EKU Departmental Level Certificates

These certificates are awarded by the individual academic department, not the University.

- Adventure Recreation and Leadership
- African/African-American Studies
- Appalachian Studies
- Apparel Design and Merchandising
- Asian Studies
- Basic Emergency Medical Technician
- Coaching/Personal Training
- Corporate Communication
- Disaster Management
- Early Childhood Director
- Environmental Public Health
- Environmental Sustainability & Stewardship
- Financial Literacy
- French Conversation and Culture
- German Conversation and Culture
- Global Supply Chain Management
- Health Services Administration
- Horses, Humans and Health
- Infant and Toddler Care and Education
- Japanese Conversation and Culture
- Post Masters Nursing Administration
- Post-Graduate APRN-Psychiatric Mental Health Nurse Practitioner-Family
- Labor and Employment
- Post-Masters Psychiatric Mental Health Nursing Practitioner-Family Certificate
- Productivity, Innovation and Technology
- Public Health
- Sales
- School Safety
- Spanish Conversation and Culture
- Tourism and Event Planning
- Veterans Studies
- Women and Gender Studies

### 2. EKU University Level Certificates

These certificates are awarded by the University, and students receive a formal certificate produced in the same manner as a degree diploma. Students completing these programs must apply for graduation and are assessed a graduation fee. Students earning only certificates do not receive caps and gowns and do not participate in the commencement ceremony. The university graduation fee partially offsets the production and mailing of diplomas and certificates. The University absorbs cap and gown costs for degree earners. Application deadlines for completing university certificates follow the same time line as degree graduation.

- Accounting*
- Autism Spectrum Disorders
- Correctional Intervention Strategies
- Emergency Management
- Geographic Information Systems
- Homeland Security
- Industrial Fire Protection
- Industrial Hygiene
- Intelligence and Security Operations
- Land Surveying
- Post-Graduate APRN Certificate-Family Nurse Practitioner
- Post-Graduate APRN Certificate-Psychiatric Mental Health Nurse Practitioner
- Paralegal Science*
- Theatre Design and Technology

### 3. Professional Certification and Endorsement Preparation Programs

These are programs of study which do not lead to a degree or to an EKU awarded recognition but instead prepare the student, upon recommendation from EKU, for professional endorsement or certification by the Commonwealth of Kentucky Education Professional Standards Board.

- Agriculture Education Teaching
- Career and Technical Education
- Career and Technical School Principal
- Dance (Minor in Dance Certification - Teaching)
- Driver Education (teaching certification endorsement)
- Public Child Welfare Certification Program
- School Safety Endorsement
- Teaching English as a Second Language (teaching certification endorsement)

*Post-Bacc. Acceptance into this program requires that the student has already earned a baccalaureate degree. For more details, see the relevant department’s sections of this Catalog or contact the department offering the certificate.

Note: This list may not be all-inclusive. For a comprehensive list of EKU certifications concerning teaching, please see the College of Education.
Eastern Kentucky University offers students the opportunity to earn a variety of degrees and/or certificates through EKU Online. These are well established EKU academic programs provided through online interactions, discussion boards, and engaging interactive and multi-media learning methodologies.

While the EKU Online student will have a program coordinator through the academic department offering their desired degree/certificate, EKU’s Office of e-Campus Learning serves as the primary contact for admission, financial aid, registration, degree audit, and general advising questions; centralizing all student services crucial to the distance-learning student. More information can be found at www.onlinedegrees@eku.edu.

**STATE AUTHORIZATION RECIPROCITY AGREEMENT (SARA)**

Kentucky is a SARA state. Effective January 30, 2017 Eastern Kentucky University is a State Authorization Reciprocity Agreement (SARA) member. For more information on NC-SARA you may visit http://nc-sara.org/. Under the terms of SARA, EKU is operating in all other member states, also known as host states under the terms of SARA. For more information on the individual states please visit http://ekuonline.eku.edu/state-authorization-status.

NOTICE FOR PROGRAMS LEADING TO LICENSURE

EKU cannot confirm whether the course or program meets requirements for professional licensure in the student’s state. The student is advised to contact their applicable licensings board(s) to determine whether the program meets requirements for licensure in the state where the student lives. A full list of all applicable state board contact information can be found at: http://ekuonline.eku.edu/state-authorization-status

**Complaint Resolution Processes**

a. Complaints against an institution operating under SARA go first through the institution’s own procedures for resolution of grievances.

b. Complaints regarding student grades or student conduct violations are governed entirely by institutional policy and the laws of the SARA institution’s home state.

c. If a person bringing a complaint is not satisfied with the outcome of the institutional process for handling complaints, the complaint (except for complaints about grades or student conduct violations) may be appealed, within two years of the incident about which the complaint is made, to the SARA portal entity in the home state of the institution against which the complaint has been lodged. That entity shall notify the SARA portal entity for the state in which the student is located of receipt of that appealed complaint. The resolution of the complaint by the institution’s home state

SARA portal entity, through its SARA complaint resolution process, will be final, except for complaints that fall under the provisions of (g), below.

d. While the final resolution of the complaint rests with the SARA portal entity in the home state of the institution against which the complaint has been lodged, the portal entity in the complainant’s location state may assist as needed. The final disposition of a complaint resolved by the Home State shall be communicated to the portal entity in the state where the student lived at the time of the incident leading to the complaint, if known to the institution’s Home State.

e. While final resolution of complaints (for purposes of adjudication of the complaint and enforcement of any resultant remedies or redress) resides in certain cases with institutions (complaints about grades or student conduct violations), or more generally with the relevant institution’s home state SARA portal entity (all other complaints), the regional compact(s) administering SARA may consider a disputed complaint as a “case file” if concerns are raised against a participating state with regard to whether that state is abiding by SARA Policies and Standards. The regional compact may review such complaints in determining whether a state under its purview is abiding by the SARA standards. Similarly, a complaint “case file” may also be reviewed by NC-SARA in considering whether a regional compact is ensuring that its member states are abiding by the SARA standards required for their participation in the agreement.

f. SARA portal entities shall report quarterly to NC-SARA the number and disposition of complaints that are not resolved at the institutional level. Such data will create transparency and can be used in determining whether a regional compact is ensuring that its SARA member states and those states’ institutions are abiding by the standards required for participation in the agreement.

g. Nothing in SARA Policies and Standards precludes a state from using its laws of general application to pursue action against
Section Six - Academic Programs

4.6 Oversight of complaint investigation. Complaints handled under SARA must comply with procedures established in federal rules. Investigation of a SARA-related complaint against an institution requires that a state board, agency or entity outside the institution’s immediate management be available to handle complaints that are not resolved within the institution. A system board responsible for more than one separately accredited institution may serve this role under SARA provisions. A board responsible for only one accredited institution, or which lacks enforcement authority over an institution, cannot serve as the SARA external oversight agency for such an institution. In such circumstances, the institution’s home-state SARA portal entity may serve that function.

ALABAMA

TEACHER EDUCATION PROGRAMS: Applicants for an Alabama certificate based on reciprocity must meet Alabama’s test requirements and submit a valid, renewable professional educator certificate/license issued by another state at the degree level, grade level, and in the teaching field or area of instructional support for which an Alabama certificate is sought and for which Alabama issues a certificate. Applicants for Alabama certification in an area of administration must also document at least three years of full-time employment as an administrator in a P–12 school system(s). See www.alsde.edu

NURSING: State approval of a program to offer Alabama licensed nurses opportunities for advanced degrees does not indicate eligibility for approval to practice as an advanced practice nurse in Alabama. Applicants for approval in Alabama are required to meet the Alabama requirements for national certification, graduation from a specific-type program for the advanced practice approval, and completion of the appropriate application. Any program offering a pre-licensure track to Alabama students shall meet the requirements of the Alabama regulations for pre-licensure programs or the graduates may not be eligible to take the licensure examination required by the Alabama Board of Nursing to enter the practice. See www.ahn.alabama.gov

OREGON

Online students residing in Oregon are eligible for refunds pursuant OAR 583-030-0035(18) (c): After classes begin for a term, a student who withdraws from a course is eligible for a partial refund through the middle week of the term. Refunds shall be based on unused instructional time and shall be prorated on a weekly basis for schools using a semester, quarter or nontraditional calendar.

Terms that are 17 weeks in length require a refund through week 9.
Terms that are 10 weeks in length require a refund through week 5.
Terms that are 8 weeks in length require a refund through week 4.
Terms that are 5 weeks in length require a refund through week 3.
Terms that are 2 weeks in length require a refund through week 1.

Partial refunds will occur through the middle week of any given term, and prorated on a weekly basis as stipulated above.

SECTION SIX - ACADEMIC AFFAIRS

The Office of Academic Affairs, Testing, and Tutoring plans, implements and supports programs and services for students transitioning from high school or the workplace to the University, as well as continuing students seeking to improve academic performance and college readiness skills.

Academic Readiness, Testing, and Tutoring encompasses Academic Readiness, Academic Testing, College Readiness, Developmental Education, Tutoring, and summer and fall Eastern Bridge freshman transition programming. The unit provides program coordination, academic improvement, and transition and testing services that support the goals of current and potential students, the University community, and regional partners. Services allow students to demonstrate knowledge for purposes of admission to the University or to programs of study. In addition, programming is intended to build holistic college readiness skills for ongoing academic success and life-long learning. The unit also provides assessment to ensure appropriate course placement to maximize student success and degree completion, and coordinates tutoring efforts across campus.

Academic Readiness, College Readiness, and Developmental Education help students achieve academic success by developing or enhancing skill level proficiencies, and by fostering the holistic development of college success skills. ART&T provides opportunities for academic, social, and college readiness skill development via courses and programs designed to improve essential skills in writing, reading and mathematics; via the coordination and monitoring of University tutoring services and tutor training opportunities; and via high school-to-college transition programs that address the holistic development of new freshmen. Additional information about Academic Readiness, College Readiness, and Developmental Education may be found at www.developmentaleducation.eku.edu.

Academic Testing is responsible for the coordination, administration, and planning of academic assessments that are requested by the University, the educational community, and students. The types of testing provided by the office include national tests, state assessments, and locally developed exams, credit by examination, and non-traditional credit by examination. Special need accommodations are available upon request. Additional information about Academic Testing may be found at www.testing.eku.edu.

Academic Readiness, College Readiness, and Developmental Education courses, programs and services transition students to the University and provide new and continuing students with support for academic success. Programs and services include the developmental-level college readiness courses in English, mathematics, and reading; summer and fall semester Eastern

OFFICE OF THE SENIOR VICE PRESIDENT FOR ACADEMIC AFFAIRS & PROVOST

The Senior Vice President for Academic Affairs and Provost serves as the chief academic officer of the University. The Senior Vice President and Provost is responsible to the President for the coordination of all phases of the instructional program and institutional research. In addition, the Senior Vice President for Academics and Provost supervises the preparation of position specifications for instructional staff and administrative personnel connected with instructional activities; makes recommendations to the President concerning staffing needs and appointments, promotions, or dismissals for all instructional personnel and administrative personnel related to instruction; and is the person responsible for the coordination and development of all academic programs, including the Council on Academic Affairs.

**Chautauqua Lecture Series**
Dr. Erik Liddell, Coordinator
McCreary 217
(859) 622-2267

The intellectual life of our campus and community would have been less vibrant. Our program provides campus and community members an opportunity to interact with some of the leading thinkers and activists of our time. As is often the case, these thinkers and activists inform us, engage us, challenge us, infuriate us, move us, and entertain us. With our minds refreshed and our intellectual curiosity renewed, the experience is potentially transformative. At Chautauqua events, members of the audience see how speakers from various professions and disciplines tackle provocative but vital issues. And they are encouraged to do so themselves. They see how it is possible to engage in creative, critical, but civil discourse. And they are encouraged to do the same. Our program aims to address both local concerns and global imperatives, and extend the students' liberal arts education beyond the classroom. By striking a balance between the local and the global, we help serve the students' regional needs. By sharpening their critical and creative thinking skills, expanding their liberal arts education, and adding an international dimension to it, we enhance their chance for success beyond Appalachia. For more information, visit www.chautauqua.eku.edu or contact Chautauqua Lecture Coordinator Dr. Erik Liddell at erik.liddell@eku.edu.

**Council on Academic Affairs**
Dr. Sherry Robinson, Vice Provost and Council Chair

The Council on Academic Affairs is the major policy-making body for the academic programs of the University. All college curriculum committees report to the Council. Major actions of the Council are reviewed by the Faculty Senate and subsequently presented to the President of the University and the Board of Regents for final approval. Council membership is comprised of the Deans, or their designees; the Registrar; the Chair of the Faculty Senate; the Director of Academic Advising; the Director of the Honors Program; a representative of the Chair of Chairs Association; a faculty representative from the Academic Quality Committee of the Faculty Senate; two student representatives from the Student Government Association; the Vice President of Retention and Graduation (non-voting), and the Director of Admissions (non-voting). The Vice Provost serves as Chair of the Council.

**General Education**
Dr. Garett Yoder, Coordinator
NSB 3166
(859) 622-1527

The mission of the General Education program is to promote learning that is central to the intellectual pursuits associated with our educational programs and to enable students to make informed choices about matters of public and personal significance in a diverse, democratic society and global community. The general education program helps students to become informed, independent thinkers by developing competencies in communication, quantitative analysis, and critical thinking by helping them understand and appreciate the diversity of culture, individuals, the natural environment, and the global society. See Section Four of this Catalog for detailed information on courses.

**General Studies**
Dr. Amy Thieme, General Studies Coordinator
Combs 312
(859) 622-1320

The General Studies degree program is designed for adult learners and students intending to complete a baccalaureate degree whose educational objectives are not aligned with a more traditional degree program.

In addition to the baccalaureate degree requirements in Section 5 of this Catalog, the following are required for students seeking a General Studies degree:

1. The B.A. General Studies degree is intended to be a first baccalaureate degree and is not appropriate for a concurrent or secondary baccalaureate degree.
2. Any courses ordinarily accepted for credit by Eastern Kentucky University may be chosen as hours to apply to the 120 hours required for graduation.
3. In order to declare a General Studies major students must have previously earned 60 credits from a regionally accredited institution or two years or more must have lapsed since students earned any college credit.
4. Students pursuing a General Studies degree are not permitted to declare a double major.
5. Students pursuing a General Studies degree are encouraged to declare minors and/or certificates.
6. Students in the General Studies program will graduate from and be considered alumni of a specific college based on either (a) the student’s preference (if a student has at least 18 credits in a college, excluding General Education credits, then he/she may request to be affiliated with that college); OR (b) if the student has no preference, then affiliation is based on the college in which the greatest number of credits are earned (excluding General Education credits).
7. The college from which the student graduates will not be included in the degree name. Degree name on diploma will be Bachelor of Arts General Studies.

  30+ hrs. of courses ordinarily accepted for transfer
  credit by Eastern Kentucky University)
• Writing Intensive Course (Hrs. incorporated into
  Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (Up hrs. distributed
  throughout Major/Supporting/Gen Ed/Free Electives
  categories) At least 6 hrs. must be 400-level or
  higher.
• ACCT – General Studies majors may fulfill ACCT
  with any of the following options: GSD 399, or 3
  credit hours of co-op/applied learning (GSD 349), or
  a service-learning (S) course, or a college-approved
  student abroad experience, or HON 420 (Relevant
  credit hours will be incorporated into program
  requirements below.)

Total Hours University Graduation Requirement ...... 39 hours

GENERAL STUDIES
The General Studies program is intended to establish
foundational skills in critical thinking and communication. The
program is also intended to allow a student who has completed
most of the requirements of a major but has not yet completed the
major of an approved program to complete a baccalaureate degree
in a timely manner.

MAJOR REQUIREMENTS
ACCT Requirement .........................................................3 hours
  GSD 399; Co-op; Service Learning (S) course; or
  EKU-approved Study Abroad course.
Free Electives .............................................................. 78 hours
  NOTE: General Studies students are encouraged to earn minors
  and/or certificates. Advisors will assist students with identifying
  minors and certificates.

TOTAL HOURS TO COMPLETE DEGREE ........ 120 hours

ASSOCIATE DEGREE

The Associate of Arts in General Studies degree provides
students, especially adult learners, the opportunity to pursue a
flexible degree program to meet their unique interests, career goals,
and academic needs. Reflecting EKU’s commitment to a liberal
arts education, the degree allows students to concentrate in an area
of interest while selecting from a wide variety of courses to meet
personal, educational, or career goals. This degree is designed for
students for whom this will be their first college degree and who
wish to advance in their careers, change careers, pursue a lifelong
interest beyond their careers, or use the degree as a pathway to a
baccalaureate degree. Students who are admitted as “Special
Admittance/Conditional Admittance” (see page 10 of the Catalog),
will be initially admitted into the Associate of Arts in General
Studies degree program.

OPPORTUNITIES
The Associate of Arts in General Studies degree has become
more attractive with the growth of business and industry in the
area and with the increase of minimum educational requirements for employment or promotion. In addition to those students wishing to enhance their employability, other students will find the program offers numerous opportunities to seek a degree for their own personal satisfaction. The degree allows students to gain confidence in their abilities by earning a degree at the associate level prior to enrolling in a baccalaureate program. The associate degree also provides opportunities for students who wish to consolidate previously earned credits to complete their first degree. Serving students from a varied background of college readiness, this degree provides students a defined path to success in earning one or more degrees. Upon successful completion of EKU’s Associate of Arts in General Studies degree, the student will have met all General Education requirements, which will apply toward a four-year program at EKU or any other regional Kentucky institution.

UNIVERSITY GRADUATION REQUIREMENTS

General Education .....................................................36 hours
Standard General Education program (Elements 1-6 inclusive, per Section Four of this Catalog).
Student Success Seminar (GSD 101; waived for transfers with 24+ hours) ..........................................................3 hours
Total Hours University Graduation Requirements.........39 hours

MAJOR REQUIREMENTS

• Students should refer to their DegreeWorks audit for General Education course selections.
• Students should consult with an advisor to choose an appropriate General Education math course.
• AA in General Studies students must earn a institutional GPA of 2.0 on all work earned at EKU, as well as an overall GPA of 2.0 on combined transfer and EKU graded coursework.
• AA in General Studies students must complete at least 15 semester hours at EKU.
• AA in General Studies students must complete an approved 12-hour emphasis with an overall 2.0 GPA within an individual college beyond the General Education requirement.

Core Courses..................................................................12 hours
Courses are within an individual College and exclusive of general education requirements. One of the concentrations below may be used to fulfill this requirement

Optional Departmental Concentration..........................12 hours
Students may select a concentration of interest (see list below). Students with a declared departmental concentration will be advised by faculty of that department and will be officially affiliated with that department. The Associate of Arts in General Studies concentration will be reflected on the student’s transcript.

General Studies Exit Requirement (GSD 250)..............0 hours
Free Electives ..............................................................9 hours

TOTAL HOURS TO COMPLETE DEGREE..............60 hours
(Precise degree requirements will vary based upon concentration selected and student's specific orientation course needs.)

The Associate of Arts in General Studies is intended to be a first degree and is not appropriate for a secondary degree. Students who declare the AA in General Studies should pursue that program as their primary degree and apply for graduation as soon as they approach completion of its requirements. Students seeking only an associate degree may not declare a minor.

OPTIONAL A.A. IN GENERAL STUDIES

CONCENTRATIONS

The following concentrations are available in the Associate of Arts in General Studies degree program:

Anthropology Concentration......................................12 hours
ANT 120, 200, and 201; and one upper-division ANT course (300 or above).

Applied Engineering and Technology Concentration...........................................12 hours
AEM 201, EET 251, GCM 211, and TEC 190.

Broadcasting and Electronic Media Concentration.................................................12 hours
BEM 295(4), six hours from BEM 301 or 353W or 375, and two hours from BEM 349(1) or 398(1), or 491(1), or COM 320(1).

Computer Networking Systems Concentration..............12 hours
NET 302, 303, 354; 3 hrs of NET coursework.

Education Concentration.............................................13 hours
EDF 203, 204, 205 and SED 104.
Students planning to apply for admission to the Teacher Education Program after completing the AGS degree should also enroll in CMS 100 or 210, BIO 102 or PHY 102, and HIS 202. Students should confer with a College of Education Advisor to determine the required math course for each specific program.

Electricity and Electronics Concentration.................12 hours
EET 251, 252, 257, (EET 253 or 351).

English Concentration..............................................12 hours
ENG 301, 302; 6 hrs of other ENG courses. ENG 210, 211, and 212 may count toward the concentration but will not count toward the B.A. English degree major requirements.

Graduate Education and Research
Dr. Jerry Pogatzki, Associate Vice President of Research and Dean of Graduate Education
Whitlock Building 310
(859) 622-1742

The Office of Graduate Education & Research is comprised of the Graduate School, the Division of Sponsored Programs, the Office of Undergraduate Research and Creative Endeavors and the Training Resource Center. The Graduate School is responsible for the administrative oversight of EKU’s master’s specialist and doctoral programs. The Graduate School provides opportunities for undergraduate students to get a head start in obtaining a graduate degree though our concurrent enrollment and 3+2 programs. Interested students are encouraged to contact the Graduate School for more information. Additional information is also posted on the Graduate School website at gradschool.eku.edu

The Division of Sponsored Programs assists EKU faculty and staff in seeking and managing grants, contracts, and other agreements that support EKU’s mission. The Division of Sponsored Programs is also responsible for managing the university’s research compliance programs including review of the use of human subjects or animals in research and responsible conduct of research by faculty, staff and students. Information is available on the Sponsored Programs website at www.research.eku.edu

The Office of Undergraduate Research and Creative Endeavors provides opportunities for faculty-student mentorships for the purpose of deep learning, professional skill development, and contributing to the worldwide knowledge base. The Office is dedicated to achieving high quality scholarship thorough high quality mentorship.

The Training Resource Center is an innovative, university-based service collaborative focused on improving organizations and human service systems through partnerships, training, and professional development that enhances quality of life and strengthens communities.
The mission of the EKU Honors Program is to provide its students with the best intellectual resources available at the university in order to empower them to attain their highest academic and professional goals. We develop the whole student by way of interdisciplinary, small classes, our support of student research and travel to regional and national conferences, and our offering of a wide variety of cultural and out-of-classroom experiences.

Regardless of the student’s major, the courses taken in the Honors Program will apply to the student’s general education and university requirements; participation in the EKU Honors Program should not delay a student’s progress to degree. Any honors student who successfully completes the minimum required hours of honors coursework and graduates with an institutional grade point average of at least 3.20 will qualify as an “Honors Scholar.” The University will recognize this achievement at commencement, on the academic transcript, and on the student’s diploma, where the phrase “Honors Scholar” will appear.

For information about eligibility and admissions to EKU Honors, consult our website (www.honors.eku.edu) or contact us at (859) 622-2924.

EUKY Curriculum

Students enter the EKU Honors Program under one of two curriculum tracks. Students entering EKU Honors in the fall of their first year of college will complete the Honors Flex curriculum.

Students entering EKU Honors as a currently enrolled EKU student or as a transfer student are placed in the Current & Transfer curriculum track. This requires 18 hours of Honors coursework, designed to complement the credits the student has already completed.

All Honors Program students will receive an Honors advisor in addition to their major advisor, who will assist students in creating individualized plans as to how they will fulfill their general education, university, and EKU Honors requirements.

EKU Honors Courses

All students entering EKU Honors in their first semester will complete:

To graduate as an Honors Scholar, all students must complete:

HON 420 Thesis Project and Seminar ................. 6 hrs.

GPA Requirements

To remain active and eligible in EKU Honors, students must maintain the following minimum grade point averages:

Students Entering EKU Honors in Fall 2015 and thereafter:

- 3.00 institutional GPA up to 60 completed hours
- 3.20 institutional GPA after 60 completed hours and to graduate as an Honors Scholar

Students Who Entered EKU Honors Prior to Fall 2015:

- 2.50 institutional GPA for 36-71 attempted hours
- 2.75 institutional GPA for 72 or more attempted hours
- 3.00 institutional GPA to graduate as an Honors Scholar

Annual Review of Students, Honors Probation, and Honors Dismissal

At the end of each spring semester, the academic records of all EKU Honors students are reviewed. Students will be notified at their local permanent address listed in the Banner system of the university and at their official EKU student email address if they are placed on Honors Probation or dismissed from EKU Honors.

If it is determined that a student is not making progress toward completing Honors coursework requirements, that student will be dismissed from EKU Honors for being inactive.

Students entering EKU Honors in Fall 2015 and thereafter will be notified and placed on probation if their GPA falls under the following thresholds:

- 3.00 for up to 60 completed hours
- 3.20 after 60 completed hours

Students who entered EKU Honors before Fall 2015 will be notified and placed on probation if their GPA falls under the following thresholds:

- 2.50 for 24 or more hours attempted
- 3.00 for 36 or more hours attempted

Students will be placed on Honors Probation for one semester (not including summer). At the end of the probationary semester, a student’s academic record will be reviewed. If the student’s GPA does not improve during the probationary semester, the student may be removed from EKU Honors.

Students who are on Honors Probation should not enroll for
more than 15 hours of coursework and should plan to meet with
the Honors Program Coordinator to discuss a plan to improve their
academic performance.

Exceptions to these eligibility policies may be recommended
by the Honors Director but must be approved by the Honors
Advisory Committee.

Eastern Kentucky University Libraries includes the John
Grant Crabbe Main Library, centrally located on University Drive,
and two branch locations: the Elizabeth K. Baker Music Library
in the Foster Building and the Business Library and Academic
Commons in the Business and Technology Complex. EKU
Libraries provides help, study spaces, collections, and technology
designed around the academic needs of EKU’s students. EKU
Libraries supports EKU regional campus and online students
as well and provides a full range of services equivalent to those
offered at the Main Library for these distance learners.

The Main Library offers a variety of study spaces, ranging
from a large collaborative area on the first floor to the Silent Study
Zone on the very top floor. Noise levels are also monitored on the
Quiet fourth floor to ensure plenty of silent space for individual
study. In addition to spaces designed for quiet and group study,
an outdoor area is available on the Noel Reading Porch, adjacent
to the Library Plaza. Refreshments are available in the Java City
Library Café or the vending machines on the first floor. To learn
more about EKU Libraries’ spaces or to make a reservation, visit
library.eku.edu/reserve-rooms. The Main Library is open late
during the fall and spring semesters and offers 24 hour study space
and extended hours at the end of fall and spring.

The Main Library also includes the Learning Resources
Center in support of the College of Education; the Law Library; the
Noel Studio for Academic Creativity; and Special Collections and
Archives. EKU Libraries collects resources to best serve students,
faculty, and staff. To search the online catalog and discover the
collections of libraries worldwide, visit library.eku.edu; even if
EKU Libraries does not own the item you need, library staff can
get it for you when you need it.

Technology is available throughout the Main Library and
branches. The Main Library includes a large computer lab and
computers throughout the building, a color printer, a cloud printer,
fax machine, and a 3D printer available for student use. Visit
library.eku.edu/technology-showcase to explore the emerging
technologies EKU Libraries faculty and staff are currently
collecting.

There are many ways to get help from librarians. Virtual
reference services are available online or in person and research
assistance is available whether you are an online student, located
at a regional campus, or taking classes at the Richmond campus.

studio.eku.edu https://www.facebook.com/noelstudio/ @noelstudio

The Noel Studio for Academic Creativity serves the EKU
community as a collaborative, innovative learning experience
designed to improve communication and research skills. With
integrated programs in teaching and learning, undergraduate
research, and applied creative thinking, the Noel Studio is
dedicated to the development of effective communication skills
and practices across disciplines. This program provides student
support for writing, research, and oral communication and faculty
development in a central, technologically sophisticated space
located in the heart of the Crabbe library. In the Noel Studio,
trained consultants offer individual and small-group consultations
to students and members of the EKU community seeking to refine
specific projects and assist students in enhancing their research and
communication skills.

The Teaching & Learning Center (TLC) serves as
the faculty development arm of the Noel Studio by delivering,
coordinating, and promoting faculty development at EKU. Online
and in person, the TLC provides support for EKU’s talented and
dedicated professors. Helping EKU’s excellent faculty become
even better instructors is a central TLC goal. Ultimately, EKU
students benefit from the TLC’s work, as they experience the
enriched learning environments created by EKU’s exemplary—and
always developing—teaching faculty.

The University Diversity Office is responsible for the development, implementation, and evaluation of the Eastern Kentucky University Comprehensive Diversity Plan (EKUCDP). The EKUCDP was ratified by the EKU Board of Regents and is in compliance with the Statewide Diversity Policy. The University Diversity Office collaborates with EKU units in the development of their diversity plans and directs the University Diversity Faculty Recruitment and Retention Incentive Plan/Funds. The Chief Diversity Officer is EKU’s liaison to the Council on Postsecondary Education and the Committee for Equal Opportunity in support of the Commonwealth’s diversity, desegregation and equal opportunities plans for postsecondary education. The Chief Diversity Officer also co-chairs the EKU University Diversity Committee and Minority Retention Initiative Team.

University Registrar

Ms. M. Tina Davis, University Registrar
Whitlock Building 239
(859) 622-2320

The Office of the Registrar serves and supports students and faculty, as well as the larger campus community. The primary responsibilities of the Registrar include: being custodian of student academic records (ensuring their accuracy and integrity), serving as compliance specialist for federal and state regulations, and protecting overall institutional integrity by upholding the University Catalog with fairness and consistency.

The Registrar’s Office also administers the minimum scholastic standards of the University, posts transfer credit, oversees degree audit services, monitors and safeguards academic data integrity and security, determines NCAA student-athlete academic eligibility, coordinates commencement exercises, confirms degree completion, oversees production and delivery of diplomas, creates the schedule of classes and schedules all academic space. The Registrar reports directly to the Senior Vice President for Academics and Provost.

For additional information and a more detailed listing of services, please review the Registrar’s Office website at www.registrar.eku.edu. For registration assistance email: registration@eku.edu.

The Department of Agriculture offers Bachelor of Science and Associate of Applied Science degrees in Agriculture. Concentrations in the Agriculture degree program include Agribusiness Management, Pre-Veterinary Medicine, Fruit, Vegetable, Nursery and Greenhouse Production, Animal Sciences, Agriculture Energy Systems Management, Turfgrass and Landscape Management, and Agronomy, Soils and Natural Resources. The Department also offers a joint degree program for Career and Technical Education - Agriculture Education Concentration. Minors are offered in Agriculture and Soil Science. Students may receive the Associate degree and then continue for a Bachelor degree with no loss of credit. Students must obtain a “C” average in Department classes. The Pre-Veterinary Medicine
program has an excellent veterinary school acceptance rate. More detailed information can be obtained by reading the section on Pre-Veterinary medicine.

Students have ample opportunities to personalize their education. Academic credit can be earned for Cooperative Education. Students may receive up to eight hours of Co-Op credit for the Associate Degree and 12 for the Bachelor of Science Degree. Students can also obtain credit for experiential learning in the Department’s facilities through practicum courses. In addition, students are encouraged to participate in Independent Studies with faculty mentors.

DEPARTMENT GOALS

The Department of Agriculture’s vision is to be the first choice of students interested in addressing issues relating to food, energy and the human environment within a sound economic framework.

The mission of the Department of Agriculture is to provide programs designed to develop leaders, entrepreneurs and educators for the global challenges in which agriculture plays a significant role. Areas of study include Pre-Veterinary Medicine, Agriculture Education, Agricultural Business, Food Production, the Human Environment, and Energy Production and Management.

Programs in the Department stress the latest technical information with applications through required laboratories and practicums at the University farms or through cooperative education. The Department operates greenhouses, fruit and vegetable plots, a plant nursery and specimen garden and turf plots to support the horticultural instruction area. The University also owns and operates approximately 1000 acres devoted to the programs in agriculture. This includes state of the art facilities for beef, dairy, swine, sheep and crop enterprises.

The Department will also provide service to the University, community, region, profession, and industry; provide opportunities for faculty/staff/student collaboration in scholarly and creative activities; and engage in continuous improvement processes to ensure its programs, services, and infrastructure are current and relevant.

EKU Farms will provide a technologically current, high quality learning environment for instruction. It will demonstrate agricultural practices and techniques that are consistent with the instructional program, are environmentally sound and have practical application. Information will also be disseminated to the regional agricultural community. EKU Farms will also promote and conduct service activities such as field days, tours, seminars, demonstrations, meetings, and open houses to serve the needs of diverse consumer groups.

PROGRAM OBJECTIVES

Graduates in the agriculture area are well trained for careers in many diverse aspects of agriculture such as government agencies (Kentucky Department of Agriculture, USDA, Cooperative Extension Service, NRCS), 4-H programs, soil conservation, farm management and operations, agribusiness including agriculture financial agencies/institutions, sales, feed sales, food plant supervision, retail-store management, technical service, Career and Technical Education, and the livestock industry, to name a few. Students can also continue their education in graduate school or in veterinary medicine.

HORTICULTURE

In the horticulture area, the abundance of hands-on practical experiences allow graduates in the horticulture programs to pursue careers in the regional and local food industry, the turf industry as golf course superintendents, sports turf managers, sales and service areas, professional landscape industry, the nursery industry, and in the greenhouse industry.

CAREER AND TECHNICAL EDUCATION - AGRICULTURE EDUCATION CONCENTRATION

Graduates of the BS degree program in Career and Technical Education - Agriculture Education Concentration are prepared for teaching careers in secondary schools. They are prepared to lead programs in horticulture and agriculture and to advise their chapter’s FFA members in carrying out their annual program of activities.

Numerous opportunities are available for extracurricular activities to complement the academic training. These include the Agriculture Club, Horticulture Club, Delta Tau Alpha (honorary society), student chapter of the Golf Course Superintendents Association of America, Agronomy Club, and Pre-Vet Club.

Numerous local and national trips are taken to expand students’ learning experiences.

PRE-PROFESSIONAL

Pre-Veterinary Medicine Pathways

For students who have a strong interest in veterinary
medicine, the Department of Agriculture offers two concentrations
in this program of study. Each concentration is tailored to meet
the entrance requirements for either Auburn University School of
Veterinary Medicine or Tuskegee Institute School of Veterinary
Medicine.

These schools have seats specifically designated for Kentucky
residents. The student may be advised differently when applying
to other veterinary schools since entrance requirements vary. Upon
completion of the degree, the student is also awarded a Minor in
Chemistry.

Pathway 1: Pre-Veterinary Transfer Pathway – B.S. in
Agriculture

The student intends to apply and hopes to transfer to a
school of veterinary medicine after their 3rd year at EKU.
Students who intend to follow this pathway declare a B.S. in
Agriculture as their major and the pre-vet transfer option as the
concentration.

Students can then complete the B.S. degree from EKU by
transferring credits from the first year of veterinary school
back to EKU. Students not accepted after the junior year may
elect to stay at EKU and change to the concentration below
and then reapply to a school of veterinary medicine.

Pathway 2: General Pre-Veterinary Pathway – B.S. in
Agriculture

Student intends to earn a B.S. degree in Agriculture at
EKU and applies for admission into a school of veterinary
medicine. Students will typically apply to a school of
veterinary medicine during the fall of their senior year at
EKU. Students who intend to follow this pathway declare a B.S. in Agriculture as their major and the general pre-vet
option as the concentration.

Admission into Auburn or Tuskegee Schools of
Veterinary Medicine

Kentucky is a member of the Southern Regional Educational
Board Plan under which legal Kentucky residents attend
Auburn University School of Veterinary Medicine or
Tuskegee Institute School of Veterinary Medicine. The
program is funded by an appropriation of the General
Assembly to the Kentucky Council on Post-Secondary
Education. A limited number of students who have completed
pre-veterinary requirements are selected on a competitive
basis by Auburn or Tuskegee each year and are exempt from
out-of-state tuition. Both veterinary schools have similar
entrance requirements, including a GRE examination.

Students should have a grade point average of 3.4 to be
competitive. Students need to pass all pre-veterinary required
courses with a grade of “C” or better. Courses in organic
chemistry and physics must have been completed within six
years of entry into the school of veterinary medicine. Students
applying to Auburn use the Veterinary Medical College
Application Service (VMCAS). Students apply directly
to Tuskegee. Application deadlines for both are October
1. Students are expected to gain veterinary experience by
working directly with a D.V.M.

Candidates earning a degree that leads to pre-service teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (http://www.kyepsb.net/assessment/index.asp AND www.ets.org/praxis). Specially exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams. Career and Technical Education concentrations require all pre-service students to meet the general education knowledge for initial teacher preparation requirements (see College of Education section of this Catalog).

The BS degree program in Career and Technical Education is accredited by the National Council for Accreditation of Teacher Education.

MINORS

MINOR IN AGRICULTURE
Requirements.............................................18 hours
A minor consists of 18 hours of agriculture classes arranged between the Department Chair and the student seeking the minor. The objective is to meet the student's need for a minor. Six or more hours shall be upper division courses and a minimum of six hours are to be taken at EKU. Courses counted toward a horticulture major may not be counted toward a minor. Transfer classes are to be evaluated by the Department Chair.

MINOR IN SOILS
Requirements.............................................18 hours
A core of courses consisting of 18 hours may be taken for a minor in soils. Courses are AGR 130, 131(1), 215, 216(1), 340, 345; 349(1) or 410(1), and 416. At least six hours must be taken at EKU. Transfer classes are to be evaluated by the Department Chair. No more than nine hours of course work taken toward a major may be counted toward the soils minor.

DEPARTMENT GOALS

The Department of Applied Engineering and Technology seeks to provide an educational experience relevant to current and future societal needs to meet global economic and industrial trends. Programs in Applied Engineering and Technology prepare professionals for careers in Applied Engineering Management, Aviation, and Network Security and Electronics through the Bachelor of Science degree programs; prepare technicians for careers in Applied Engineering and Computer Electronics Technology through concentrations in the Associate of Applied Science in Technology degree program; prepare professionals for...
careers in Career and Technical Education through certification, Associate of Applied Science, Bachelor of Science and Master of Science degree programs; prepare professionals for advanced career opportunities in Applied Engineering and Technology Management through the Master of Science degree program; and to provide programs of quality instruction and professional services to the University and to the community.

**AVIATION**

The EKU aviation program offers a Bachelor of Science degree in Aviation with three concentrations: Aerospace Management, Aerospace Technology, and Professional Flight. These concentrations combine courses in business management, communication, math, computer science and general education. The Aerospace Management Concentration prepares students for exciting professional careers in all aspects of the aerospace industry from a management perspective whereas the Professional Flight Concentration prepares students for careers as pilots. The Professional Flight Program is an FAA Part 141 approved Flight School and the only university program to offer 100 hours of multi-engine flight coupled with the 1000 hour restricted ATP certificate.

The Aerospace Technology (AT) degree is a degree-completion concentration. By adding upper division aerospace management and operations studies, the Bachelor’s degree AT concentration is specifically designed to complete a two-year community college degree with a heavy technical aviation course load. Examples of aviation technical degrees include Airframes & Power Plants (A&P), a two-year helicopter and/or airplane proflight degree, any two-year career technical (CTE) degree partnered with a local flight school, any two-year air traffic control program, and/or any two-year aerospace management program; and/or two-year Unmanned Aircraft Systems (UAS) programs. Additionally, non-degreed airline pilots with the Airline Transport Pilot (ATP) certificate may complete their bachelor’s degree with this concentration.

**CONSTRUCTION MANAGEMENT**

Graduates of the Construction Management program are prepared for careers with general contracting firms, starting in a variety of management positions. Typical entry-level positions include: assistant project manager, estimator, superintendent, project scheduler, cost engineer, and field engineer. The Construction Management program is accredited by the American Council for Construction Education. Graduates of this program will have oral, written and graphic communication skills for successful performance in a construction environment; possess functional computer skills including the utilization of general and construction application software; apply mathematical and scientific skills in the management and execution of construction projects; apply the concepts of management, accounting, economics and ethics in the management and execution of construction projects; possess a basic understanding of the science of materials and the methods by which they are placed into service; possess the essential plan reading, quantity takeoff and pricing skills to function as a junior estimator; be able to prepare a project budget, analyze cost reports and make cash flow projections for a project; be able to prepare a project schedule, monitor progress toward completion, and update the schedule as needed; possess a basic knowledge of OSHA standards and be able to establish and enforce a safety plan on a job site, be able to interpret site plans, establish horizontal and vertical control on a site, and perform layout for buildings and utilities; be able to administer situations on a project site, including evaluation of subcontractor pay requests, writing of purchase orders, and recording change orders, subcontracts, shop drawings, and daily reports; and perform in an acceptable manner in internship work assignments.

**APPLIED ENGINEERING MANAGEMENT**

Graduates of the Applied Engineering Management Program are prepared for professional careers in technology related businesses. These businesses offer many opportunities to pursue exciting, challenging and rewarding careers that require technical knowledge and managerial skills. Applied Engineering Management prepares individuals for entry-level positions that may include: manufacturing engineer, production engineer, industrial supervisor, industrial engineer, industrial technician, and quality engineer. Graduates of Applied Engineering Management will be able to relate terminology, techniques and methodology to technical managerial concepts; demonstrate the ability to formulate and apply technical problem solving and managerial concepts; and be able to apply the concepts of mathematics and the physical sciences to solve technical problems. The BS degree program in Applied Engineering Management is accredited by the Association of Technology, Management, and Applied Engineering.

**NETWORK SECURITY AND ELECTRONICS**

Graduates of the Network Security and Electronics program are prepared for a career in the high-tech computer electronics industry. Coursework in the program provides students with the knowledge and skills needed for installing, configuring, maintaining, and managing computer network systems and security, and digital electronic devices. Graduates of this program will demonstrate proficiency in basic networking skills relevant to LAN/WAN environments, demonstrate proficiency in basic computing skills, demonstrate fundamental knowledge in electricity/electronics, and demonstrate effective communication skills while conveying information to technical and non-technical audiences. The Network Security and Electronics program is accredited by the Association of Technology, Management, and Applied Engineering.

**CAREER AND TECHNICAL EDUCATION**

Engineering/Technology Education Concentration
Graduates of the Engineering/Technology Education concentration of the B.S. degree program in Career and Technical Education are prepared for teaching careers at the middle school and high school levels. An Engineering/Technology Education teacher is prepared to enjoy a career that is rewarding in many ways. The opportunity to plan and guide the learning experiences of students in the use of robots, computers and other “high tech” equipment in problem solving and production activities are rewards found in few other professions.

Graduates of the Engineering/Technology Education concentration of the Career and Technical Education program will complete a student teaching experience in a professional setting; will be able to prepare a portfolio that includes instructional material development, samples of assessment and a professional growth plan; and will be able to demonstrate technical competence in the areas of 1) basic engineering/technology, 2) civil engineering/technology, 3) electrical engineering/technology, and 4) mechanical/industrial engineering technology.

Technical Education Concentration

Graduates of the Technical Education concentration of the B.S. degree program in Career and Technical Education are prepared for teaching careers in secondary schools and post-secondary technical colleges in technical areas such as: computer electronics, computer aided drafting (CAD), graphic arts and other technical occupational areas. A concentration is also offered in Occupational Training Development for those interested in training for business and industry.

Graduates of the Technical Education concentration of the Career and Technical Education program will be able to plan and implement instruction for technical education courses; be able to develop and analyze assessment instruments for technical education courses; be able to develop and apply appropriate teaching strategies for technical education courses; be able to complete a Practicum in Career and Technical Teaching in a professional setting; and will be able to demonstrate occupational/technical competence by obtaining discipline-specific expertise.

Occupational Training and Development Concentration

Graduates of the Occupational Training and Development concentration of the B.S. degree program in Career and Technical Education are prepared to plan and implement instruction for technical courses in a business and industry setting; are able to develop and analyze assessment instruments for technical courses; are able to develop and apply appropriate teaching strategies for technical courses; and are able to complete a Practicum in Career and Technical Teaching.

The BS program in Career and Technical Education is accredited by the National Council for Accreditation of Teacher Education.

ASSOCIATE OF APPLIED SCIENCE - TECHNOLOGY

**Applied Engineering**

Graduates of this program concentration are prepared to become applied engineering technicians who work in product design, research and development, manufacturing, and service related jobs. Students will become familiar with the technologies that are essential for business and industry wanting to remain competitive in a global economy.

Graduates will demonstrate proficiency in the fundamentals of chemistry/physics, electricity and electronics, manufacturing processes, lean, quality, practical statistical methods, and computer aided drafting or design applications to communicate and solve design problems.

**Computer Electronics**

Graduates of the Computer Electronics (CE) program concentration are prepared for rewarding careers as computer electronic technicians in the public and private sector. Computer Electronics program graduates are qualified to obtain jobs in a wide variety of information technology, manufacturing and service industries. These jobs require skilled technicians for installing, troubleshooting and maintaining microprocessor-based systems, programmable logic controllers, computer hardware and software.

Graduates of the CE concentration of the AAS in Technology program will demonstrate fundamental knowledge in electricity/electronics at the technician’s level; demonstrate proficiency in basic computing skills; demonstrate proficiency in basic networking skills relevant to LAN/WAN environments; and demonstrate effective communication skills while conveying information to technical and non-technical audiences.

ASSOCIATE OF APPLIED SCIENCE - CAREER AND TECHNICAL EDUCATION

The Career and Technical Education Associate of Applied Science Degree program is designed for in-service technical teachers employed in area technical centers and post-secondary technical schools. Graduates of the Career and Technical Education AAS degree program will be able to plan and implement instruction for technical education courses; develop and analyze assessment instruments for technical education courses; develop and apply appropriate teaching strategies for technical education courses; and complete a Practicum in Career and Technical Teaching.

**MINORS**

The department also offers minors in Applied Engineering Management, Aviation Administration, Aviation (Flight), Computer Electronics Technology, Construction Management, and Quality Assurance.

**ENDORSEMENT/CERTIFICATES**

A university certificate in Land Surveying, and a Career and Technical Education certificate program for in-service technical teachers are also offered by the Department of Applied Engineering and Technology.
**Bachelor of Science (B.S.)**

**APPLIED ENGINEERING MANAGEMENT**

*CIP Code: 15.1501*

Prior to enrolling in the last 60 hours of the Applied Engineering Management degree program, students must complete AEM 195, 201, and 202; CHE 101, 101L (1) or CHE 111, 111L (1); MAT 120, and PHY 131; STA 215 or 270; TEC 161, and have an overall 2.0 GPA and 2.25 major GPA. Graduates must have an overall GPA of 2.25 in the major with no major grade below a “C”. Transfer students will be treated on an individual basis. The Applied Engineering Management program is accredited by the Association of Technology, Management, and Applied Engineering.

Students accepted to the 3+2 Accelerated Dual Degree Program are able to complete their B.S. degree and M.S. degree within five calendar years because of the accelerated curriculum and because nine semester hours of graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

**Admission Requirements:**

Students interested in this program must satisfy all the following conditions:

1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)

### Aviation Flight Hours & Costs/Fees

- Administration benefits have 19 calendar weeks from the date of initial registration; failure to do so will result in the student being assigned a grade of NC (No Credit). Students using GI Bill® benefits must repay to the VA the cost (including a portion of stipends for living expenses) related to any course in which a grade of NC is earned. All student participants receiving Veterans Administration benefits have 19 calendar weeks from the date of the first flight event to complete an Aviation flight lab.

**GI Bill®** is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at http://www.benefits.va.gov/gibill

### Aviation Flight Hours & Costs/Fees

- A complete listing of aviation related fees for the current academic year is published on the EKU Aviation Flight Fees website (http://aviation.uky.edu/aviation-flight-fees), and included in materials provided by the flight instructors.

Additionally, all VA funded flight students receive this information from the EKU and Veteran Affairs during their enrollment certification process. Students should verify through their regional Department of Veterans Affairs processing office if they have questions regarding their eligibility to use VA resources to complete the requirements of the EKU Aviation program.

TOTAL HOURS TO COMPLETE DEGREE .......120-125 hours

Graduates completing the Pre-Service Teacher Education concentration must have a minimum of 2000 clock hours of planned and supervised work experience in the occupation in which they will teach or a minimum of three years of approved work experience in the occupation in which they will teach. Students must also take the PRAXIS II Specialty Examination before graduation.

Candidates earning a degree that leads to pre-service teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (http://www.kyepsb.net/assessment/index.asp AND www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams.

† Those desiring eligibility to teach in pre-engineering education programs at the middle school and high school level should take the following general education courses: CHE 111, MAT 114, 120, PHY 131.

Career and Technical Education concentrations require all pre-service students to meet the general education knowledge for initial teacher preparation requirements (see College of Education section of this Catalog).

Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

Admission Requirements:
1. Students interested in this program must satisfy all the following conditions:
2. Junior or Senior standing
3. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
4. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
5. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 program.

DEPARTMENT OF MILITARY SCIENCE AND LEADERSHIP (ARMY ROTC)

Chair
LTC Darell Robinson
(859) 622-1205
Belguy 524

Military Science and Leadership Faculty
Lieutenant Colonel Darell Robinson, Captain Nathan Player, Captain Chad Cassidy, Master Sergeant Michael Stainback, Sergeant First Class Michael Nicolaus, and Mr. Rob Roane.

Reserve Officer Training Corps (ROTC)
Getting a degree does not necessarily guarantee employment, however, taking Army ROTC will. The Reserve Officer Training Corps (ROTC) is a premier leadership-training program that prepares you to be a leader in any organization or business. ROTC enhances any Bachelors or Masters Degree program by making you better at time management, setting goals, making decisions, building teams, influencing others, and achieving success. The skills you develop in ROTC give you an advantage over your job-seeking peers; and at the end of the program you will have a full-time job waiting for you as a Commissioned Officer in the United States Army or part time in the Army Reserve or National Guard.

Career Opportunities
Students who graduate from Eastern’s Army ROTC program are commissioned as Second Lieutenants and serve with other dedicated young men and women in our nation’s defense. As new Lieutenants, officers serve in a variety of branches, such as Aviation, Armor, Infantry, Transportation, Military Police, Engineers, as Army Nurses, to name but a few, and have the opportunity to travel worldwide. Starting salary for an active duty Lieutenant is over $40,000, plus full individual and family medical coverage and 30 days paid vacation annually. For those who desire only a part-time commitment, the Guaranteed Reserve Forces Duty option gives students assurance they will be able to serve their country from home, adding stability to their chosen civilian career.

Leadership Development
EKU’s Department of Military Science and Leadership has a proud reputation dating back to 1936. The program has commissioned over 2,200 officers. The program’s unique approach to leadership development gives each student multiple opportunities to refine their own leadership skills and receive individualized performance feedback. Training is designed around a hands-on, experiential learning curriculum. Besides learning how to lead, students build their confidence by learning to rappel, negotiate EKU’s Challenge Course, fire the M-16 rifle and/or M-4 Carbine, complete water survival training, and other adventure type activities. Students also learn to live the seven Army Values – Loyalty, Duty, Respect, Selfless Service, Honor, Integrity, and Personal Courage by demonstrating these values as they participate in the Cadet Battalion, the Pershing Rifles Drill Team/Color Guard, Ranger Company, and Raider Team.

Scholarships and Simultaneous Membership
Eligible students may compete for a variety of ROTC Scholarships available on-campus and through the Army Reserves and Army National Guard. These fully funded scholarships pay 100% tuition, a $1,200 annual book allowance, and a monthly tax-free living allowance. Four-year scholarship students also receive free room and board. Members of the National Guard or Army Reserves who join ROTC under the Simultaneous Membership Program (SMP) may also receive a monthly SMP Kicker in addition to the tax-free ROTC living allowance, Montgomery GI Bill® benefits, and E-5 drill pay.

Eligibility and Obligations
Students may enroll in any of the MSL 100-200 level courses without obligation. Students who desire to seek a commission must sign a contract before entering the Advanced Leadership Course (MSL 300-400 courses); they must also meet certain age, physical fitness, medical, citizenship, security clearance and military experience requirements. Military experience can be satisfied in a variety of methods (check with the ROTC Scholarship and Enrollment Officer at (859) 622-1215 for details). Students contracting into the Advanced Leadership Course will incur a military service obligation upon graduation.

Scholar-Athlete-Leader
Becoming an Army Officer doesn’t just happen; it requires a level of commitment, determination, and selflessness that few civilian careers will ever demand. Army Officers are intellectually curious, mentally adroit, physically robust, and possess a willingness and passion to take charge and make the right things happen. If you are a Scholar-Athlete-Leader who wants to join the world’s most sophisticated Army, then join EKU ROTC—”Where Leadership Excellence Begins.”

MINOR

MINOR IN MILITARY LEADERSHIP (ARMY)

Requirements.................................................................21 hours
A minor in Military Leadership is available to students from any College who wish to obtain a commission as an officer in the United States Army, Army Reserve, or Army National Guard. Students must satisfactorily complete both the Basic Course and the Advanced Course requirements. The Basic Course requirement is to complete either 1) Basic Training or 2) The Basic Camp or 3) MSL 101, 102, 201, and 202, or four years of JROTC. The Advanced Course requirement is 21 hours of advanced military science and leadership (MSL 301, 302, 303, 310, 401, 402).

AIR FORCE ROTC SCHOLARSHIPS

The types of financial assistance available through Air Force ROTC are briefly described below. For further details on eligibility and requirements, contact the Department of Aerospace Studies, 203 Barker Hall, University of Kentucky, Lexington, KY, 40506-0028, (859) 257-7115; or visit https://afrotc.as.uky.edu/ for more information. Additional information is also listed in this Bulletin under Aerospace Studies.

High School Scholarship Program (HSSP). Scholarships are available to those qualified and selected students who enroll in the Air Force ROTC program. These scholarships cover tuition and laboratory fees, provide an allowance for books, and provide a graduated nontaxable subsistence allowance ranging from $300 to $500 per month. Qualified high school students can apply for four-year Air Force ROTC scholarships. Applicants for four-year scholarships are evaluated on the basis of the following criteria: a composite score on the ACT, or a composite score on the SAT; the applicant’s high school academic record; class ranking; extracurricular and athletic activities; personal interview; and ability to qualify on an Air Force medical examination. High school students who meet the basic eligibility requirements for a four-year scholarship must submit an application anytime May 1st through December 1 of the year prior to enrollment in the program (usually the spring of their Junior year into their Fall of their Senior year).

All selections for four-year scholarships are made at Air Force ROTC headquarters. Students meet regularly scheduled boards from September to February (which is dependent upon when they officially apply). High school students should apply online at: www.afrotc.com. For additional information, contact the Air Force ROTC detachment, 203 Barker Hall, University of Kentucky, Lexington, KY 40506-0028, or by phone at (859) 257-7115.

In College Scholarship Program (ICSP). Scholarships are awarded to students enrolled as cadets currently in the Air Force ROTC program on a competitive basis. Depending on the particular scholarship program, selection may be made on campus by the Air Force ROTC detachment commander or at Air Force ROTC headquarters. Scholarships may be awarded for up to three and a half years of study. Students interested in these scholarships should call (859) 257-7115 for the latest information. Freshman Students are not eligible for an ICSP until they have completed one full-time semester of college education. Typically, Freshman ICSP scholarships will be given starting Spring Semester of their freshman year, and students in the program could be awarded a scholarship from Spring Semester freshman status through Spring Semester sophomore status.

Furthermore, the HQ AFROTC ICSP is an in college scholarship program available to students pursuing a degree in a critical areas needed by the Air Force. These scholarships can be up to three and a half years. These scholarships are awarded on a competitive basis for those who qualify. ICSP scholarships have historically been awarded to cadets pursuing academic majors in electrical and computer engineering, nursing, and certain foreign language studies. Selections for these particular in college scholarship program are made at Air Force ROTC headquarters. Critical areas are updated every year and are subject to change without notice. For current information, call (859) 257-7115. Information is current as of January 2015 and is subject to change.

AEROSPACE STUDIES (AIR FORCE ROTC)

The Department of Aerospace Studies provides a campus education program through which qualified students can simultaneously earn an Air Force commission and a college degree. Faculty members are experienced, active duty Air Force officers with advanced degree.

Admission to the Program
• Non-scholarship freshmen and sophomores may register for Air Force Studies (AFS) courses without incurring a military commitment.
• Students with a minimum of five semesters of school remaining in a graduate or undergraduate status may qualify for Air Force ROTC. For more information, call (859) 257-7115.

Requirements
• An academic major in aerospace studies is not offered. However, by successfully completing the Air Force ROTC program, a qualified student may concurrently earn a commission as an active duty Air Force Second Lieutenant while completing requirements for a degree. Students may enroll in some Aerospace Studies courses without joining the Air Force ROTC cadet corps. For more information, call (859) 257-7115.

AFROTC Curriculum

The AFROTC curriculum consists of both academic classes and leadership laboratory or seminar classes.
• The General Military Course (GMC) is a two-year course normally taken during the freshman and sophomore years.
• The Professional Officer Course (POC) is a two-year course normally taken during the junior and senior years. Along with academic classes each semester, all cadets also take leadership laboratory classes.

In the GMC, there are four academic classes:

Freshman Semesters
• AFS 111 offered in Fall semesters
• AFS 113 offered in Spring semesters

Sophomore Semesters
• AFS 211 offered in Fall semesters
• AFS 213 offered in Spring semesters

These cover two main themes – the development of air power and the contemporary Air Force in the context of the U.S. military organization. The GMC academic classes are open to any UK student.
In the POC, there are four academic classes:

**Junior Semesters**
- AFS 311 offered in Fall semesters
- AFS 313 offered in Spring semesters

**Senior Semesters**
- AFS 411 offered in Fall semesters
- AFS 413 offered in Spring semesters

These cover Air Force management and leadership and national security studies.

**NOTE:** Entry into the POC years is competitive and is based on
- Air Force Officer Qualifying Test scores
- Grade-point average
- Evaluation by the AFROTC Detachment Commander
- Only physically qualified students in good academic standing may compete for entry into the POC.
- Typically, these courses are for those cadets who have already completed the courses in the GMC, but the courses are open to any UK students.

Students enrolled as cadets are required to be involved once a week in a 1-credit-hour course in the cadet corps training program designed to simulate a typical Air Force organization and its associated functions. This course is known as Leadership Laboratory. Cadets are required to take all of the Leadership Laboratories each semester (fall and spring only) concurrent with their AFS courses listed above. UK students taking the courses electively are not required to take Leadership Laboratory but are also welcome. If there are questions please refer to 859-257-7115 for further inquiries on the matter.

**GMC Years:**
**Freshman Semesters**
- AFS 112 (Fall)
- AFS 114 (Spring)

**Sophomore Semesters**
- AFS 212 (Fall)
- AFS 214 (Spring)

**POC Years:**
**Junior Semesters**
- AFS 312 (Fall)
- AFS 314 (Spring)

**Senior Semesters**
- AFS 412 (Fall)
- AFS 414 (Spring)

The leadership laboratories are largely cadet-planned and conducted under the concept that they provide leadership training experiences that will improve the cadets’ capabilities as Air Force officers. This also involves three hours of physical training each week. Leadership laboratory is open to students who are members of the Air Force Reserve Officer Training Corps or are eligible to pursue a commission as determined by the Air Force ROTC Detachment Commander.

**Field Training**
Field training is offered at Maxwell Air Force Base in Alabama.
**SCHOOL OF BUSINESS**

**Dr. William E. Davis, Associate Dean**

**Business and Technology Center 214**

(859) 622-1574

EKU’s School of Business is comprised of the Department of Accounting, Finance, and Computer Information Systems; the Department of Management, Marketing, and International Business; and the Master of Business Administration Program.

**MISSION OF EKU’S SCHOOL OF BUSINESS**

The School of Business creates value for our region and beyond by preparing students for successful careers in the global community. We are a school of opportunity providing a student-centered learning environment with unique and specialized business programs. Our faculty maintain expertise in their content areas through professional engagement, and quality basic, applied and pedagogical research.

**VISION OF EKU’S SCHOOL OF BUSINESS**

To be known for graduating the most coveted business students in the region.

**GOALS OF EKU’S SCHOOL OF BUSINESS**

- Provide high quality teaching
- Provide excellent advising services
- Recruit and retain faculty members who are academically or professionally qualified as defined by AACSB
- Emphasize its commitment to stewardship of place by increasing partnerships, student projects, and involvement with business, community, and educational entities

*AACSB International*

Graduates of EKU’s School of Business (the undergraduate and graduate programs in business administration at Eastern Kentucky University) have joined the ranks of the nation’s top business schools. EKU’s School of Business, located in the College of Business and Technology, has received accreditation by the Association to Advance Collegiate Schools of Business International (AACSB) for its undergraduate and graduate programs in business administration. Less than five percent of the world’s business schools have achieved this elite distinction.

AACSB International accreditation represents the highest standard of achievement for business schools worldwide and is the hallmark of excellence in business education. Institutions that earn accreditation confirm their commitment to quality and continuous improvement through a rigorous and comprehensive peer review. Founding members of the agency include many Ivy League Schools, including Columbia, Cornell, Dartmouth, Harvard and Yale; and such top-ranked schools as the University of California at Berkeley, the University of Chicago and Northwestern also hold AACSB accreditation.

To achieve accreditation, EKU’s School of Business satisfied a wide range of quality standards related to strategic management of resources, interactions of faculty and students in the educational process, and achievement of learning goals in degree programs.

**BETA GAMMA SIGMA**

Founded as a national organization in 1913, Beta Gamma Sigma is an international honor society that provides the highest recognition a business student anywhere in the world can receive in an undergraduate or master’s program at a school accredited by AACSB International. With the global expansion of accreditation by AACSB International, membership is no longer limited to those who have studied in the U.S. or Canada.

The mission and objectives of Beta Gamma Sigma are to encourage and honor academic achievement in the study of business and personal and professional excellence in the practice of business, to foster an enduring commitment to the founding principles and values of honor and integrity, to encourage the pursuit of wisdom and earnestness, to support the advancement of business thought and practice to encourage lifelong learning, and to enhance the value of Beta Gamma Sigma for student and alumni members in their professional lives.

To be eligible for Beta Gamma Sigma, students must be in the top seven percent of the junior class, top ten percent of the senior class, or the top 20 percent of the MBA program.

**BACHELOR OF BUSINESS ADMINISTRATION AND BACHELOR OF SCIENCE IN RISK MANAGEMENT AND INSURANCE**

**DEGREE REQUIREMENTS**

General University requirements, as well as specific course requirements set forth in the description of curricula, must be met by students completing associate and baccalaureate business programs administered by the College of Business and Technology. See programs under each department for major requirements. Student Success Seminar (BTO 100) is required in all Business programs. The requirements for the Bachelor of Business Administration (BBA) and the Bachelor of Science in Risk Management and Insurance degrees are as follows:

1. An institutional 2.0 GPA must be maintained in all work taken in the BBA and BS Risk Management and Insurance programs.
2. Hours earned by correspondence study are accepted upon written approval of the Dean. However, not more than 25 percent of the total hours applied toward a degree may be earned via correspondence or telecourse instruction, military credit, or credit by examination.
3. To ensure the integrity of business programs to provide a sound overall educational experience, not more than 50 percent of undergraduate course work shall be completed in the EKU’s School of Business programs. However, up to nine semester hours of economics and up to six semester hours of mathematics/statistics will not be included in this 50 percent. Decisions to allow students to take more than 50 percent of undergraduate course work within EKU’s School of Business will be made judiciously.
4. At least 50 percent of the business course credit hours required for the BBA and BS Risk Management and Insurance degrees must be completed at EKU.
5. The BBA and BS Risk Management and Insurance degrees will only accept credits for business courses at the upper
division level transferred from other colleges and universities accredited by the Association to Advance Collegiate Schools of Business International (AACSB). As completely as possible, it will apply these credits to the student’s degree program. To ensure that they earn appropriate credits, students are strongly advised to see the College of Business and Technology Advising Office and also obtain the Dean’s approval prior to enrolling in any course work they plan to transfer. The University will not take responsibility for courses transferred without prior approval.

6. A “C” or better is required for the BBA programs and the B.S. in Risk Management and Insurance degree in the following courses: (See specific degree requirements for each major)

**Bachelor of Business Administration**

**BBA Supporting Courses:** CIS 212 or INF 104, ECO 230 and 231, MAT 112 or 211, and PSY 200 or 200W or SOC 131.

**BBA Pre-Business Core:** ACC 201, 202, GBU 204, and QMB 200.

**BBA Core:** CCT 300W, CIS 300, FIN 300, GBU 480, MGT 300, 370, and MKT 300.

**Bachelor of Science in Risk Management and Insurance**

**BS Supporting Courses:** CIS 212, or INF 104; ECO 230, and MAT 112 or 211,

**BS Pre-Business Core:** ACC 201, 202, GBU 204, and QMB 200.

**BS Risk Management and Insurance Core:** CCT 300W, CIS 300, FIN 300, MGT 300, MKT 300, RMI370, and RMI374.

CCT 300W should be taken in first six hours of upper division course work. BBA students must complete all business core courses prior to taking GBU 480. Students are urged to review carefully all course prerequisites, including the 60-hour rule before scheduling 300-level business courses. Failure to satisfy prerequisites may result in the student being administratively withdrawn from courses.

7. At least 12 hours in the major must be earned at EKU. A grade of “C” or better is required for each course in the major.

8. Students must choose a major field at the time they enter a School of Business program. Students must meet with and have schedules approved by the academic advisor.

9. A second major can be completed in EKU’s School of Business or in another program of the University. A third business major is not permitted. Because business students take the business core, they are limited to selected minors offered by EKU’s School of Business. Free elective requirements for bachelor’s degree programs in EKU’s School of Business cannot be met by choosing courses taught in Business. (See No. 4, BBA and BS Risk Management and Insurance under degree requirements.)

10. Students choosing to double-major must declare the BBA or BS Risk Management and Insurance degree as the first major.

**Prerequisite Structure in EKU’s School of Business**

EKU’s School of Business curriculum is highly structured and carefully integrated. The content and methodology utilized in upper-division courses are based upon the assumption that students enrolled in these courses have met all specific prerequisite(s) for each course. Failure to satisfy prerequisites may result in the student being administratively withdrawn from courses.

**Enrollment in Upper-Division Courses**

To enroll in the following upper-division business-core courses (CCT 300W, CIS 300, FIN 300, MKT 300, MGT 300, 370, and GBU 480) students must have:

1. completed ACC 201, 202, and ECO 230 with a grade of “C” or better in each course;
2. completed a minimum of 60 hours (or enrolled in enough additional course work to complete their 60th credit hour) with an institutional 2.0 GPA; and
3. met all specific prerequisite(s) for each course.

To enroll in other upper-division business courses, students are required to have met the specific prerequisite(s) for each course and have earned an overall 2.0 GPA. Students majoring in other departments whose planned curriculum includes selected business courses (by virtue of agreements of sponsoring departments with a business program) must also adhere to all specified course prerequisites. Students majoring in programs other than business cannot earn more than 25 percent of their total degree requirements in courses with business prefixes.

**Course Repeat Policy**

Courses may be repeated once. Second or subsequent repeats (maximum of three enrollments) must be requested on a College Exception form approved by the Dean of the College. Exceptions will only be considered under unusual circumstances. An enrollment is counted as a repeat if a previous enrollment in the course resulted in a passing or failing grade or a “W” due to withdrawing from the course.

**Bachelor of Business Administration and Bachelor of Science in Risk Management and Insurance**

The Department of Accounting, Finance, and Information Systems provides a Bachelor of Business Administration and a Bachelor of Science in Risk Management and Insurance which offer unique programs of study. The BBA and BS in Risk Management and Insurance are the only undergraduate insurance degrees in Kentucky. Students in these programs must meet prerequisites as noted.

**Bachelor of Science in Business and Marketing Education/Teaching**

The Department of Management, Marketing, and International
Business, in cooperation with the College of Education, provides programs leading to certificates qualifying graduates to teach business subjects in grades 5-12. For admission requirements, see Admission to Teacher Education and Admission to Student Teaching sections in the College of Education portion of this Catalog. Also see Policies and Requirements sections in the same portion of this Catalog. Students in these programs must meet the business prerequisites as noted. Students interested in business teacher certification should consult the Chair of the Department of Management, Marketing, and International Business.

Business and Marketing Education/Teaching requires all students to meet the general education knowledge for initial teacher preparation requirements (see College of Education section of this Catalog).

TRANSFER STUDENTS AND STUDENTS FROM OTHER EKU COLLEGES

BBA and BS program requirements for transfer students are the same as those for students enrolling initially at EKU. Transfer students must have completed at least 60 semester hours of coursework and all the requirements listed above to be eligible for upper-division business courses.

EKU’s School of Business considers lower-division credits transferred to EKU as lower division, even if EKU offers what appears to be a comparable course at the upper-division level. However, the dean of the College of Business and Technology may accept individual courses at EKU if the courses are validated using acceptable validation techniques. CLEP® and departmental exams are examples of possible validation techniques. With specified courses in real estate and accounting, the successful completion of advanced courses in the subject field for which the transfer course is a foundation or supporting requirement is an acceptable validation method. A successfully validated lower-division transfer course may not be utilized to fulfill the 43-hour upper-division graduation requirement.

CERTIFIED PUBLIC ACCOUNTANT (CPA)

The Kentucky legislature has mandated that students taking the CPA exam in the year 2000 and thereafter must have completed 150 semester hours. Therefore, accounting graduates seeking the CPA designation will need to complete additional undergraduate or graduate hours.

**EKU: A LEGACY OF PREPARING EDUCATIONAL PROFESSIONALS SINCE 1874**

**COLLEGE OF EDUCATION STRATEGIC PLAN 2016-2020**

**Vision**
The College of Education will be a premier college dedicated to innovative student engagement and success, advancing Kentucky, and impacting the world.

**Mission**
As a school of opportunity, the College of Education prepares and empowers learners to become dynamic partners in diverse communities.

**Values**
The College of Education’s values permeate the mission and allow the college to achieve its vision:

- *ethical decision-making*, which is characterized by integrity, intentional stewardship of resources, and social responsibility;
- *intellectual vitality*, which is characterized by quality instruction & research, critical and innovative thinking, and on-going assessment;
- *equity*, which is characterized by sensitivity, respect, fairness, accommodation, and impartiality for all;
- *collaboration*, which is characterized by respectful, reciprocal accountability and service to local & global communities; and
- *reflective practice*, which is characterized by goal setting, self-evaluation, and a deep understanding of critical concepts and principles within one’s discipline.

The College of Education is well known for preparing effective professionals for the disciplines within our college. At Eastern Kentucky University we strive to continuously learn and develop the most effective ways to prepare teachers, leaders, and other professionals for the variety of school and professional settings that exist today.

In order to achieve our **Vision for 2016-2020**, the College of Education will focus on four Strategic Goals.

- **Academic Excellence** - We will achieve academic excellence through investing in students, staff, and faculty to support their professional growth.
  
  • **Cultural Competency** - We will demonstrate our commitment to cultural competency through recruiting diverse candidates, faculty, and staff and providing structured opportunities for education and interaction with people from diverse backgrounds.
  
  • **Stewardship of Place** - We will demonstrate our commitment to the development of stewardship of place through collaboration within the College, University, and community through advocacy, civic engagement, and stewardship.
  
  • **Experiential Education** - We will achieve experiential education through infusing clinical experiences throughout our programs.

**Strategic Initiatives and Strategies** define the primary goals, outline our work for the next five years, and ensure we achieve our primary goals.

**Ongoing Commitment** is to prepare every candidate to be successful in all aspects of his/her professional career.

**Ongoing Commitments**

- Our curriculum is designed by faculty to meet educational goals of all candidates and is focused on candidate outcomes integrated in a clinical model.

- Our programs are focused on embracing individual differences in every aspect of the educational process.

**EDUCATION AS THE NEW “CLINICAL” PROFESSION**

“Teaching as a clinical profession means that education candidates are expected to become knowledgeable and to the fullest extent possible experts in the school learning sciences. Similarly, teacher education candidates are expected to become competent and also to the fullest extent possible excellent diagnosticians in the academic development of their school age students. Drawing from a scholarly knowledge base, more than adequate in scope and depth, teacher education candidates study with seasoned expert faculty in the College Education including MODEL to refine diagnostic skills...
and learn to prescribe instructional strategies that will improve school age student performance in Kentucky and beyond.” Dr. James Bliss

Since its founding in 1906, Eastern Kentucky University has maintained a strong interest in and commitment to the preparation of teachers.

The Professional Education Programs at Eastern Kentucky University are dedicated to preparing the highest quality educators and related professionals for Kentucky and beyond. Our graduates integrate content, effective pedagogical skills, and dispositions that foster life-long growth and learning. Being true to our heritage as a school of opportunity, Eastern Kentucky University provides a climate that supports, challenges, and enriches students aspiring to careers in a diverse society.

Professional Education at Eastern Kentucky University is a university-wide function. The programs of elementary education (P-5), middle grades education (5-9), special education, interpreter training, deaf and hard of hearing, and communication disorders are located in the College of Education. The college also has graduate degree and licensure programs in most of these areas, as well as in Counseling and Educational Leadership. Candidates in these programs are advised in the College of Education. Secondary 8-12, Grades 5-12, Birth – Primary (interdisciplinary early childhood education), and P-12 teaching programs are located in their respective colleges with candidates receiving academic advisement from the college of their major as well as a supplemental advisor from the College of Education.

**Model Laboratory School**

Model Laboratory School is one of the few remaining lab schools nationally, and the only one in Kentucky. EKU’s Model
offers a full P-12 educational curriculum. Model is one of only a handful of lab schools left that serves a P-12 population. When the current building for Model was completed in the 1960s, it was a state-of-the-art facility allowing for individual and small group observations, demonstration teaching, and student teaching. Today, teacher educators agree not only that clinical teaching experiences are crucial in preparing teachers, but also that they should begin early in preparation programs. High standards in clinical teaching experiences require the kinds of settings only laboratory schools like Model can provide.

Universities are changing preparation programs for all school personnel significantly to include diverse clinical experiences that are developmental in sequence and provide opportunity for shaping the knowledge, skill, and disposition sets of future educational professionals. Kentucky’s Education Professional Standards Board enacted a regulation requiring 200 clinical hours for initial teacher preparation prior to the professional semester or student teaching. In addition, clinical hours have been initiated for graduate or advanced preparation programs. As a result, a lab school, such as EKUs Model, plays a vital role in serving this new clinical preparation model for all educators. Additionally, it provides a site for research-based practices to prepare those planning to enter the profession and to retool currently practicing educators to enhance student engagement, learning, and achievement at all P-12 levels.

**EKU Kentucky Adult Education**

The EKU Kentucky Adult Education program, directed by Dr. Paula Jones, serves residents of Madison, Clay, and Garrard counties. The EKU Kentucky Adult Education program is housed in the College of Education and is located in the Perkins Building. The mission of the EKU Kentucky Adult Education program is to support adults in returning to school to either 1) complete their GED and/or 2) prepare to move forward in college. Our EKU Kentucky Adult Education program serves current EKU students to further develop math, language and writing skills to move beyond development level courses. In addition, students are able to complete their Kentucky Paraeducator Certification through the EKU Kentucky Adult Education program. All classes and support offered through this program are free. Students can call 859-622-8065 to learn more about the Kentucky Adult Education programs in Madison, Garrard and Clay counties. Visit the EKU Kentucky Adult Education program at [http://adulteducation.eku.edu/](http://adulteducation.eku.edu/)

**Staff:**

**The Kentucky Educational Collaborative for State Agency Children (KECSAC)**

Directed by Dr. Ronnie Nolan, is a statewide collaborative that works with state agencies, school districts and local programs to ensure that state agency children receive a quality education comparable to all Kentucky students and is housed in the College of Education. Visit the KECSAC program at [http://www.kecsac.eku.edu/](http://www.kecsac.eku.edu/).

**Staff:**

The Migrant Education Program, housed in the College of Education and directed by Michael Hay, is a supplemental education program that provides support for migrant children and their families. This program works to ensure that the appropriate academic services are offered to help migrant children do well in school and that they receive the needed levels of tutoring and instruction that will promote them to the next grade level. Migrant Education staff works with other school and community agencies to provide social and health needs that families may require. Visit the Migrant Education Program at [http://migranted.eku.edu/](http://migranted.eku.edu/).

**Policies and Procedures**

**Professional Education Majors**

To be recommended for certification, all candidates must meet the requirements for admission to professional education, complete a College of Education approved teaching curriculum, and pass the required PRAXIS II tests, PLT exam, or Kentucky test as established by the Education Professional Standards Board.

**Credits**

To be applied to degree programs, credits more than eight years old must be validated by the Dean.

**Credit for Transfer Work**

Allowance of transfer credit by the University Office of Admissions and/or the Office of Academic Advising does not necessarily mean that all such credit will be applied toward admission to professional education or a degree from the College of Education. Therefore, candidates should read and follow closely the transfer credits/courses section in Section Five of this Catalog.

**Credit for Transient Work**

Undergraduate students or students (candidates) pursuing initial certification in programs housed in the College of Education who wish to take course work at another higher education institution must have approval from the Dean of the College if they wish to apply that credit to their degree program. Candidates must be in good academic standing at EKU. Transient forms are initiated with the Tracking Specialist, Office of Education Services (coedvising@eku.edu).

**Overload**

In the College of Education, overloads must be approved by the candidate’s department chair. Requests for overloads must contain the student’s overall GPA and the number of hours being attempted, including those to be taken at other higher education institutions. Send requests to coedvising@eku.edu.

**Planned Curriculum**

Planned curricula in the College of Education are maintained in Degree Works, a comprehensive set of web-based academic advising, degree audit, and transfer articulation tools that help candidates and their advisors negotiate program requirements. Changes in the planned curriculum, initiated on the College Exception form, must include a recommendation for change by the advisor and be approved by the department chair and the Dean of the College. Changes approved verbally by phone or otherwise will not be honored unless the planned curriculum is officially altered to reflect such approval. It is the candidate’s responsibility to register for the proper courses so that all requirements are satisfied at the time of expected graduation. Completion of all course work on the candidate’s planned curriculum is required for graduation.

**Progressing in Professional Education**
Candidates shall not enroll in any educator preparation program courses restricted to admitted candidates.

Application for Graduation
Candidates must file an application for graduation in accordance with university policy found in the Graduation and Commencement Information section of this catalog. Applications for graduation are available online through EKU Direct.

Student Teaching
Since student teaching is especially demanding, candidates are encouraged to avoid taking any other courses during CED 499 The Professional Semester.

Admission to the College of Education
Preparing a Community of Exemplary Professionals

- Upon admission to the College of Education, students are assigned an advisor. Candidates must enroll in Academic Orientation, EDO 100, during the first semester. Candidates are advised to enroll in EDF 203, Schooling and Society, during their freshman year. EDF 310 will be required for students who have an equivalent transfer course for EDF 203 or EDF 219.
- Secondary education majors will follow the prescribed curriculum and requirements of another academic college and the policies for professional education stated elsewhere in this Catalog. The College of Education cooperates closely with the other colleges in matters pertaining to admission to professional education and clinical education.

STUDENT SUCCESS

Staff
C. Chapman (Director), D. Insley (Academic Advisor), K. Fox (Tracking Specialist)

Our goal is to recruit and support completion of high-quality candidates from a broad range of backgrounds and diverse populations.

ADVISING - coeadvising@eku.edu
Bert Combs 423
(859) 622-1828

The CPEP Office of Student Success is committed to serving the needs of students. Students are assisted with advising through consultations with staff. Staff support first-year and transfer students in their transition to college. Academic coaching, tracking and graduation checkout services are provided to students as they progress through their degree programs. Recruitment and retention efforts for the College of Education are coordinated by CPEP Student Success staff. The Office of Student Success coordinates all marketing efforts for the College of Education.

Licensure and Certification

Staff:
K. Alexander, K. Dickens, L. Lanter, M. Moore (Director)

Located in Bert Combs 425, the Center for the Preparation of Educational Professionals (CPEP) Office of Licensure and Certification is responsible for the coordination of admission to initial and advanced professional education programs and the review and recommendation for initial and advance licensure.

In addition, applications for licensure for teachers, school personnel (principal, supervisors, superintendents, counselors, pupil personnel directors, business administrators, librarians, and speech pathologists) are also processed by a certification official in the Office of Licensure and Certification.

To be recommended for licensure/certification, all candidates seeking initial teacher certification, regardless of the college in which they are enrolled, must meet the requirements for admission to professional education, complete an approved teaching program, and pass the required PRAXIS II tests, PLT exam or Kentucky test as established by the Education Professional Standards Board.

Candidates are advised to enroll in EDF 203, Foundations of Education, during their freshmen year.
be completed prior to the first day of class).
• “S” grade in EDF 310 and a grade of “B” or higher in CED 150 is required for all transfer candidates.

Undergraduate degree candidate GPA is based on the hours attempted as shown on the official EKU transcript. Post degree certification candidate GPA is based on all undergraduate course work and on the hours attempted as shown on the official EKU transcript.

D. Demonstrate an Overall Disposition Essential to Being an Effective Teacher
Candidates must demonstrate proficiency in oral and written communication including:
• Critical thinking: A grade of “C” or higher in ENG 102 or HON 102 with a grade of “B” or higher in ENG 105 (those earning a “C” must also take ENG 102).
• Creativity: A grade of “C” or higher in EDF 203.
• Collaboration: A grade of “C” or higher in EDF 203.
• Communication: A grade of “C” or higher in CMS 100 or CMS 210.

E. Professional Code of Ethics, Character Fitness Declaration, and Professional Dispositions
• Candidates must review the Professional Code of Ethics for Kentucky School Certified Personnel established in 16 KAR 1:020 and sign a COE Professional Code of Ethics for Kentucky Declaration form.
• Candidates must review the character and fitness questionnaire contained in Section III of the TC-1 incorporated by reference in 16 KAR 2:010 and sign a COE Professional Character and Fitness Declaration form. EKU College of Education requires a state criminal history background check approved* by the College of Education as a condition of admission. Under certain circumstances, a national criminal history background check may be required as a condition of admission.
• Candidates must demonstrate understanding of professional dispositions expected of professional educators. Candidates must review and sign a COE Professional Dispositions Declaration form.

* “Approved” is a formal review process of the professional character and fitness declaration and criminal records report. Professional disposition issues or violations of the professional code of ethics will be referred to the Professional Education Admission Committee. Any misrepresentation of facts, by omission or addition, may result in the denial of admission to teacher education.

F. Recommendations
Candidates must submit satisfactory pre-service professional disposition reviews from two EKU faculty members including the EDF 203 or EDF 310 instructor and the advisor or another EKU faculty member.
• Candidates must complete and sign a Candidate Statement of Commitment Regarding Professional Dispositions form.

G. Student Behavior
• Candidates preparing to work in schools as teachers or other professional school personnel must demonstrate dispositions necessary to help all students learn.
• Candidates must demonstrate acceptable social behavior at the University and in the community-at-large.* A candidate interview may be required by the Professional Education Admissions Committee.
• Candidate admission status may be reevaluated if the candidate is placed on either academic or social probation or has a record of criminal conviction(s).* A candidate interview may be required by the Professional Education Admissions Committee.

*The Office of Licensure and Certification will contact the Eastern Kentucky University Office of Student Rights and Responsibilities to obtain records of infractions committed by candidates for admission to professional education. The Office of Licensure and Certification may also contact the Administrative Office of the Courts to obtain a criminal records check for each candidate for admissions to professional education.

H. Clinical Experiences
• CED 100 - Clinical I: Introduction to the Education Profession with a grade of “B” or higher.

Progressing in Professional Education
The Office of Licensure and Certification will process the formal “Application for Admission to Professional Education.” The Professional Education Admissions Committee (PEAC) will review applications, supporting documentation, and other relevant materials brought before the committee and will take appropriate action concerning the student’s admission to the professional education program. The candidate will be notified of the committee’s decision. Candidates shall not enroll in any educator preparation program courses restricted to admitted candidates.

Selectivity during Preparation
Professional education programs have established transition points for program progression and monitors candidates’ advancement from admissions through completion. During these transitions, candidates’ must show evidence of developing content knowledge, pedagogical content knowledge, pedagogical skills, and the integration of technology in each of these domains. [CAEP Standard 3]

CLINICAL EDUCATION

Staff:
J. Dantic (Assistant Director), K. Montgomery, P. Petrilli (Director), L. Weitkamp

Preparing a Community of Exemplary Professionals
Clinically based professional education programs create varied and extensive opportunities for candidates to connect what they learn while being guided by skilled clinical educators. Performance-based assessments, at key points in the program, are designed to demonstrate candidates’ development of the knowledge, skills, and professional dispositions associated with a positive impact on the learning and development of all P-12 students. [CAEP Standard 2]

The Clinical Model at Eastern Kentucky University is designed to meet the needs of learners in today’s schools and provide teacher candidates with the content, pedagogy, and assessment skills needed to assure they meet the needs of all learners. Eastern Kentucky University’s Professional Education Program provides a framework that supports our candidates’ development of content knowledge, practice, and professional behaviors. This is accomplished through high quality instruction, engaging course-learning tasks, and clinical learning experiences requiring candidates to think critically and creatively, communicate effectively, and act fairly. Our candidates will be prepared to effect change in the culture of learning in their classrooms, in our region, and beyond.

Clinical I: CED 100: Introduction to the Education Profession
(CED 150 is designed for all transfer students) (10 hours in laboratory clinical)

Clinical Experiences begin with the first semester of the program, Introduction to the Education Profession (Clinical I). This laboratory based clinical includes guided walkthroughs at all levels of P-12 education. Candidates also spend 6 hours in a classroom assisting and helping a teacher. While teacher candidates are introduced to all levels of public school education, they are also introduced to the profession, expectations, and dispositions of professional educators including the ethics of educators. Teacher candidates are guided to consider whether this is the right career choice, and, if it is, what level or specific licensure area interests them.

Clinical II: CED 200: Understanding the Learner (minimum of 10 school based clinical hours)

Clinical II provides laboratory based clinical experiences in the co-requisite course(s). Teacher candidates are placed in a classroom for a minimum of 10 clinical field hours. Candidates assist the teacher, provide individual student help, and tutor students as needed. Teacher candidates are also expected to spend at least 2 of the 10 hours helping with an after-school event (Family Fun Night, Saturday School Festival, theater or dance events, art shows/ exhibits, musical events, Odyssey of the Mind events or practice, rehearsals etc).

Clinical III: CED 300: Curriculum and Instructional Design (minimum of 50 school based clinical hours)

Clinical III focuses on curriculum and instructional design in a school based clinical, with a focus on using formative assessment in the classroom. Teacher candidates observe and assist their assigned cooperating clinical teacher while learning the principles of curriculum and instructional design. Teacher candidates plan, teach and reflect on a minimum of 3 formal lessons in their assigned classroom. It is recommended that teacher candidates and cooperating teachers begin this clinical experience using co-teaching strategies and working together. The clinical educator and cooperating clinical teacher provide feedback using a formal observation instrument. Teacher candidates in need of more mentoring are provided additional time and support to improve performance before advancing.

Clinical IV: CED 400: Diagnosis and Prescription (minimum of 50 school based clinical hours)

In Clinical IV, teacher candidates focus on diagnosis and prescription of student behavior and academic performance in this school based clinical. Teacher candidates develop and implement a student improvement plan for behavior using Applied Behavior Analysis and an academic improvement plan for achievement based on student learning data. In addition teacher candidates plan, teach and reflect on a minimum of three formal lessons observed by their clinical educator and cooperating clinical teacher.

Clinical V: CED 450 Practice Teaching- Residency I (formerly Methods) (minimum of 80 school based clinical hours)

CED 450, Clinical V, Residency I, requires a minimum of 80 school based clinical experiences. Candidates are expected to practice teaching for full days on their clinical schedules. This is the first part of the yearlong clinical or residency. Candidates will demonstrate expertise at planning, teaching, assessing achievement, writing units, developing professional growth plans, reflecting on outcomes, and collaborating with teachers at their assigned clinical placement school. Teacher candidates plan, implement and reflect on a minimum of 3 formal lesson plans during this clinical. All other lessons candidates are assigned to

2017-2018 EKU UNDERGRADUATE CATALOG 131
teach include lesson planning and writing. Candidates focus on improving student achievement while considering the student growth goals for their individual classroom. Monitoring and tracking student success with a plan for re-teaching throughout the duration of the year-long residency is required.

- The Office of Clinical Experiences receives and evaluates all applicants for the professional semester, determines appropriate professional disposition of the applicant, and provides continuous assessment of the applicant’s pre-teaching and teaching experiences during the professional semester.
- This Office recognizes that cultural diversity is a fact of American life and teachers function in a pluralistic cultural environment. Experience in multi-cultural settings provides valuable enrichment for the proper development of effective teachers. That philosophy guides the candidate assignments.
- Candidates are discouraged from taking any other courses during the professional semester.
- Candidates of senior standing (90 hours or more with a minimum of 12 semester hours residence at EKU) may enroll in the professional semester if they have satisfied the following requirements:

**Application for The Professional Semester**

1. Applicants must be admitted to the professional education program prior to the application semester.
2. Applicants must file an application during the first four weeks of the semester prior to the term in which professional teaching is desired.
3. Applications filed will be evaluated and processed for approval or disapproval.

**Evaluation of application will include in part:**

1. The planned curriculum. Each applicant must have an active Degree Works plan which reflects any and all approved changes.
2. All prerequisites in professional education and pre-professional teaching semester curricula in the applicant’s area as prescribed by the Catalog, must be completed prior to the professional semester.
3. Recommendation made by the applicant’s advisor.
4. A record or report from a valid and current medical examination, which shall include a tuberculosis (TB) risk assessment.
5. **Professional Code of Ethics, Character Fitness Declaration, and Professional Dispositions:**
   - Candidates must review the Professional Code of Ethics for Kentucky School Certified Personnel established in 16 KAR 1:020 and sign a new COE Professional Code of Ethics for Kentucky Declaration form.
   - Candidates must review the character and fitness questionnaire contained in Section III of the CA-1 incorporated by reference in 16 KAR 2:010 and sign a new COE Professional Character and Fitness Declaration form.
   - KRS 161.042 requires a state and national criminal records check as a condition for admission to student teaching. Applicants must process a criminal records check in the district in which student teaching will occur and submit a copy of the report to the Office of Clinical Experiences for approval* by the College of Education.
   - Candidates must demonstrate understanding of professional dispositions expected of professional educators. Candidates must review and sign a new COE Professional Dispositions Declaration form.

**“Approval” is a formal review process of the professional character and fitness declaration and criminal records report. Professional disposition issues or violations of the professional code of ethics will be referred to the Professional Education Admission Committee. Any misrepresentation of facts, by omission or addition, may result in the denial of admission to student teaching and revocation of admission to teacher education. Approval is required prior to entry in the professional teaching experience.**

6. Behavior that relates to the moral, ethical, social, and personal standards of professional competency. The applicant’s comportment will be subject to review and appraisal by the department responsible for the professional semester recommendation and the College of Education.

7. **Academic Requirements:** Undergraduate degree students’ GPAs are based on the hours attempted as shown on the official EKU transcript. Post degree certification students’ GPAs are based on all undergraduate course work and on the hours attempted as shown on the official EKU transcript.
   - All programs: An overall grade point average of 2.75 on a 4.0 scale; or a grade point average of 3.0 on a 4.0 scale on the last thirty hours of credit completed. Instructional Technology: Candidates must complete EDF 204 with a grade of “C” or higher; candidates enrolled in a P-12 music education program will take MUS 384 with a grade of “C” or higher; Clinical Experiences: CED 100, 200, 300, 400, 450 with a grade of “B” or higher in each course.
   - Elementary and Middle Grade: Minimum 2.75 GPA with a grade of “C” or higher in courses in the “core and supporting course requirements,” area(s) of academic emphasis, “professional education requirements” (see program display for a list of courses), teaching minor(s), and certification endorsement(s).
   - Secondary: Minimum 2.75 GPA in teaching major(s), minor(s), area(s) of academic emphasis, and certification endorsement(s). See program area for specific course grade requirements; and a minimum 2.75 GPA with a grade of “C” or higher in courses in “professional education requirements” (see program display for a list of courses). A minimum of seventy-five percent of major and seventy-five percent of supporting course requirements must be completed prior to the professional semester. Individual program areas may require a higher percentage of credit hours completion prior to the professional semester.
   - Special Education: Minimum 2.75 GPA with a grade of “C” or higher in courses in the “major, core, and option,” “elementary/middle grade and supporting course requirements,” area of academic emphasis, professional degree students’
education requirements (see program display for a list of courses), teaching minor(s), and certification endorsement(s).
8. Candidates must submit satisfactory pre-service disposition reviews from their advisor and a designated methods instructor as part of the application process.
9. Candidates must submit satisfactory pre-service disposition reviews from one cooperating teacher and one university supervisor at the end of the professional semester experience.
10. Minimum of 200 hours of field experiences in a variety of Primary-12 school settings which allow the candidate to participate in the following:
   A. Engagement with diverse populations of students which include (1) Students from a minimum of two different ethnic or cultural groups of which the candidate would not be considered a member; (2) students from different socioeconomic groups; (3) English language learners; (4) Students with disabilities; and (5) Students from across elementary, middle school, and secondary grade levels.
   B. Observation in schools and related agencies, including but not limited to: Family Resource Centers or Youth Service Centers.
   C. Student Tutoring.
   D. Interaction with families of students.
   E. Attendance at school board and school-based council meetings.
   F. Participation in a school-based professional learning community.
   G. Opportunities to assist teachers or other school professionals.
Clinical experience hours are submitted and performance evaluated during the term the candidate enrolls in a clinical course. In order to qualify for admission to the professional semester candidates must demonstrate that they have met all clinical performance requirements as evidenced on performance-based assessments to demonstrate candidates’ development of the knowledge, skills, and professional dispositions that are associated with a positive impact on the learning and development of P-12 students and earn a grade of B or higher in each clinical course.
11. Other requirements as found in the appropriate department presentation.

All students who are accepted by EKU’s Admissions Office and declare their major as Deaf Studies or as ASL and English Interpretation are admitted as “pre-Deaf Studies” or as “pre-ASL and English Interpretation” majors. However, admission to the University as a “pre-Deaf Studies” or “pre-ASL and English Interpretation” major does not guarantee admission to the Deaf Studies program or the ASL and English Interpretation program. Specific admission criteria for each program are explained below.

Transfers from Other Colleges and Universities

Only the freshman and sophomore-level core courses [i.e. courses in ASL (ASL 101, 102, 201, and 202, 225), and interpreting (ITP 215W, 220) with the exception of ASL 205] may be transferred from other colleges to satisfy requirements for majors or minors within the Department of ASL and Interpreter Education. Courses for which credit is to be transferred must be essentially equivalent to the courses offered at Eastern Kentucky University. For transfer students seeking admission to the ASL and English Interpretation program, requests to waive ASL 105 and 106 may be considered on a case-by-case basis.

BACCALAUREATE DEGREES

BACHELOR OF SCIENCE (B.S.) ASL AND ENGLISH INTERPRETATION

CIP Code: 16.1603

Admission Criteria

• Overall GPA of 2.5 or higher by the end of the semester preceding application, and
• ASL 106 with a grade of “Satisfactory”, and
• ASL 201 and 202 with a grade of “B” or higher, and ITP 215W and 220 with a grade of “C” or higher and
• Completed the Degrees of Reading Power Language Test, and
• Completed an admission interview by the ITP Interview Committee.

The ITP Interview Committee will select and rank applicants using the following criteria: 1) signing skills, (2) GPA, (3) score on the Degree of Reading Power Language Test, (4) interview score, (5) disposition score. The ITP Interview Committee will determine the number of students admitted to the program in order to maintain an appropriate student-faculty ratio and based on available resources.

Application Information

• Enrollment is limited.
• Application to the ITP does not guarantee acceptance.
• The ITP accepts students for the fall semester of all even years (i.e., 2018, 2020, etc.). Deadline for application is March 15th every even year.

Progression and Retention in the Program

• A grade of “C” or higher is required for all ITP and lecture-based ASL courses (ASL 225, 325, 390, 425), and
• A grade of “B” or higher is required (with the exception of no more than one grade of “C”) for all skill-based ASL courses (ASL 301, 302, 305, 306, 310), and
• Maintain a 2.75 GPA in the major.
• Upon successful and timely completion of ITP 470 Practicum I, a student will be permitted to take ITP 495 Practicum II
only with written recommendations from the ITP faculty and the department.

Program Goal
The goal of the ASL-English Interpretation Major is to prepare professional interpreters who are competent, ethical, and life-long learners.

Program Objectives
The objectives (or outcomes) of this program are:
1. Students of the program will develop critical and creative thinking skills.
2. Students of the program will develop competency in ASL.
3. Students of the program will develop competency in English.
4. Students of the program will possess a generalist level of knowledge in professional issues, theories, and multicultural dynamics related to the interpreting profession.
5. Students of the program will demonstrate ethical and culturally competent decision-making in various interpreter settings.
6. Students of the program will demonstrate at least entry-level competency in interpreting between ASL and English.
7. Students of the program will be able to critically assess their own work and use creative problem-solving to continually develop themselves after they leave the program.

BACHELOR OF ARTS (B.A.)
DEAF STUDIES
CIP Code: 16.1699

The Deaf Studies program is a multidisciplinary program that provides students with a foundation in American Sign Language (ASL) skills, a broad understanding of Deaf people’s histories, literature, and cultures, as well as knowledge of educational and legal issues affecting Deaf people. It will expand students’ understanding of what it means to be human. The Deaf Studies program is designed to allow students to complete a second major, or minor in another discipline therefore preparing them to specialize in service to Deaf people within their chosen discipline. The Deaf Studies degree does not prepare students to become professional interpreters, or ASL teachers upon graduation. The program may help prepare students to serve the diverse language and cultural needs of Deaf people in their chosen careers. These careers may include counselors, government specialists, community service coordinators/advocates, medical personnel, and law enforcement personnel. This program also prepares students for graduate study in Deaf studies, interpretation, ASL studies, and teaching ASL.

Program Objectives
Upon completion of this program the graduate will:
2. Demonstrate a broad knowledge of Deaf people’s histories and cultures.
3. Demonstrate critical thinking skills related to topics in Deaf Studies.
4. Demonstrate analytical and thematic awareness of Deaf arts and literature.
5. Describe the diversity within Deaf communities.
6. Explain the history and dynamics of various forms of oppression.
7. Integrate knowledge of Deaf Studies with other disciplines of the student’s choosing.

Deaf Studies Program Admission Criteria
• ASL 201 and 202 with a grade of “B” or higher, and
• ASL 106 with a grade of “Satisfactory”, and
• ASL 225 and ITP 215W with a grade of “C” or higher, and
• 10 hours of documented participation in Deaf community events.

Progression and Retention in the Program
• A grade of “Satisfactory” is required for 205.
• A grade of “B” or higher is required (with the exception of no more than one grade of “C”) for all remaining ASL skills courses (ASL 301, 302, 305, 306, 310).
• A grade of “C” or higher is required for all remaining Deaf Studies courses (ASL 325, 380, 390, 425, 485S).

UNIVERSITY GRADUATION REQUIREMENTS
• General Education (hours share with supporting courses)
American Sign Language (ASL) Studies

The minor in American Sign Language teaches communication competency in a visual language. Students become knowledgeable about aspects of the Deaf and hard-of-hearing community. For careers working with the public, this minor is beneficial for understanding and communicating with Deaf and hard-of-hearing people. This minor does not prepare students to interpret, nor fulfill the pre-admission and admission process for hard-of-hearing people. This minor does not prepare students to become ASL interpreters. Students become familiar with the ASL and English Interpretation Program.

A grade of “C” or higher is required in each course while maintaining a 2.75 GPA or higher in the minor.

DEPARTMENT OF EDUCATIONAL LEADERSHIP & COUNSELOR EDUCATION
Phillips, N. Powell, N. Underwood, and D. West.

To teach, to learn, to help others teach and learn.

The Department of Educational Leadership and Counselor Education offers degree and non-degree graduate programs. The department offers a doctoral degree (Ed.D.) in leadership and policy studies, a Master’s Degree, and a Specialist Degree. Certification programs include the principalship, supervisor, superintendent, and pupil personnel services. Through completion of the degree or certification programs, students may earn a change in their rank status.

The department offers undergraduate coursework in Human Services (HSR courses) as well as degree and non-degree graduate programs.

The Counseling and Educational Psychology unit offers graduate programs in school counseling and in mental health counseling. This unit also provides graduate instruction in the common core areas required of many Master’s degree programs in education and related fields, such as human development and learning, tests and measurement, and research. More complete information concerning the counseling programs can be reviewed by accessing the department website at www.cel.eku.edu/cep/.

Admission to Communication Disorders Program

Any student who is accepted by Eastern Kentucky University’s Admissions Office may declare their major as communication disorders (CD). The student will be assigned to a program advisor and will be classified as a “Pre-CD” major. However, a Pre-CD status does not guarantee admission into the CD undergraduate program. Pre-CD majors will be restricted to enrollment in the following major CDS courses: CDS 275 and 360.

To apply for admission to the CD undergraduate program, students must meet the following minimum criteria: (1) at least 40 credit hours earned on 100-level courses or higher, (2) at least a 3.0 GPA on a 4.0 scale, (3) at least a 21 composite score on the ACT, and (4) pass a speech/language/hearing screening. The CD Program requires a state criminal history background check approved* by the College of Education as a condition of admission. Under certain circumstances, a national criminal background check may be required as a condition of admission. Once admitted to the CD program, the student must earn a grade of “C” or higher in CDS 275 or equivalent transferred course before registering for any CDS courses in the major requirements. Once admitted to the CD program, students must earn a grade of “C” or higher in all CDS courses and supporting courses. Transfer students do not have to be enrolled in university courses at the time of submitting an application for admission. The CD program admits 30 new undergraduate students each year. Applicants are ranked by the GPA x ACT composite score. The most qualified applicants are admitted. Application forms are available from Wallace 245 or visit the CD program website at cd.eku.edu; telephone (859) 622-4442. Completed applications and all required documentation must be submitted by February 14 to the CD Program Coordinator.

It should be noted that enrollment in the graduate program in Communication Disorders is also limited. Admission into the undergraduate program does not guarantee admission into the graduate program. Refer to the Graduate Catalog for information on admission to the graduate program.

An additional state criminal background check approved* by the College of Education is required prior to beginning CDS 374 or may be required at additional points in the program. Under certain circumstances, a national criminal background check may be required prior to beginning CDS 374. Students must purchase professional liability insurance prior to enrollment in CDS 374, 474, and 541. Further, that insurance coverage must be maintained throughout enrollment in these courses.

*“Approved” is a formal review process of the criminal records report. Violations will be referred to the Professional Education Admission Committee. Any misrepresentation of facts, by omission or addition, may result in the denial of admission to the Communication Disorders Program or enrollment in CDS 374.

ASSOCIATE DEGREE

ASSOCIATE OF ARTS IN GENERAL STUDIES
(A.A.)
GENERAL STUDIES

The Associate of Arts in General Studies degree provides students, especially adult learners, the opportunity to pursue a flexible degree program to meet their unique interests, career goals, and academic needs. Reflecting EKU’s commitment to a liberal arts education, the degree allows students to concentrate in an area of interest while selecting from a wide variety of courses to meet personal, educational, or career goals. This degree is designed for students for whom this will be their first college degree and who wish to advance in their careers, change careers, pursue a lifelong interest beyond their careers, or use the degree as a pathway to a baccalaureate degree. Students who are admitted as “Special Admittance/Conditional Admittance” will be initially admitted into the Associate of Arts in General Studies degree program.

### Exercises

- **Exercise 1**: Calculate the total credits for each semester for both programs. Identify any differences in the total credits required for each program.

- **Exercise 2**: Compare the course requirements for the elementary and middle grade education programs. Identify any similarities and differences.

- **Exercise 3**: Evaluate the course sequence for each program. Determine if there are any prerequisites that must be completed before taking specific courses.

---

**Note**: This content is based on the provided image and does not include any external references or additional information. The extracted text includes tables outlining course requirements for different years and semesters, along with sections on special education/teaching programs with specific requirements for elementary and middle grade education. The document contains detailed course listings, credit values, and total semester requirements, providing a comprehensive overview of the educational curriculum.

MISSION

The mission of the College of Health Sciences is to prepare outstanding health and human service professionals and leaders who contribute to the success and vitality of their communities, the Commonwealth, and the world.

VISION

The College of Health Sciences will be the premier college that shapes and improves health and well-being, advancing Kentucky and impacting the world!

VALUES

• Intellectual vitality: rigor and academic excellence among faculty and students
• Cultural competency: dignity, diversity, and inclusion through culturally sensitive human services and care
• Civic responsibility: stewardship through community, professional service and engagement to enhance quality of life
• Collaboration: inter-professional and cooperative efforts among faculty, staff, students and other stakeholders
• Accountability: characterized by ethical and professional responsibility

GOALS

EKU Goal 1: Academic Excellence

EKU Strategic Direction 1.1 Invest in our Faculty
CHS SD 1.1.1 The CHS will support faculty scholarly research and creative endeavors.

EKU Strategic Direction 1.2 Promote Innovative Instruction and Programming
CHS SD 1.2.1 The CHS will assess teaching effectiveness and use the results to enhance instruction.

EKU Strategic Direction 1.3 Strengthen Academic Programs
CHS SD 1.3.1 The CHS will continually assess and strengthen academic programs.
CHS SD 1.3.2 The CHS will provide nationally recognized, high quality, accredited and approved programs.

EKU Goal 2: Commitment to Student Success

EKU Strategic Direction 2.1 Invest in our Students
CHS SD 2.1.1 The CHS graduates will meet or exceed national pass rates on licensure certifications and standardized exam results.
CHS SD 2.1.2 The CHS will support students’ scholarly research and creative endeavors.

EKU Strategic Direction 2.2 Focus on Strategic Enrollment
CHS SD 2.2.1 The CHS will demonstrate a commitment to diversity.

EKU Strategic Direction 2.3 Increase Efforts to Retain and Graduate Students
CHS SD 2.3.1 The CHS will assess advising effectiveness and use the results to strengthen advising.

EKU Goal 3: Institutional Distinction

EKU Strategic Direction 3.1 Invest in our Staff
CHS SD 3.1.1 The CHS will support staff professional development opportunities.

EKU Strategic Direction 3.2 Advance the EKU Brand
CHS SD 3.2.1 The CHS will have a brand and communication strategy.

EKU Strategic Direction 3.3 Create a Diverse, and Inclusive University Culture
CHS SD 3.3.1 The CHS will celebrate faculty, staff and student scholarly research and creative endeavors.

EKU Goal 4: Financial Strength

EKU Strategic Direction 4.1 Optimize Campus Resources
CHS SD 4.1.1 The Administrative Council for CHS will annually examine measures related to our financial effectiveness to include: workload, class size, and faculty and staff issues to strengthen programs.

EKU Strategic Direction 4.2 Increase External Support
CHS SD 4.2.1 The CHS will engage alumni, friends and other stakeholders.

EKU Goal 5: Campus Revitalization

EKU Strategic Direction 5.1 Initiate and complete EKU Revitalization plan, which includes rehabilitation of existing facilities and construction of new ones with a focus on the EKU student experience.
CHS SD 5.1.1 The CHS will assess classrooms, labs, offices, technology, and student-centered facilities required to support program growth.

EKU Goal 6: Service to Communities and Region

EKU Strategic Direction 6.1 Become the 1st Choice Partner
in Regional Educational, Economic, Cultural, and Social Development

CHS SD 6.1.1 Collaborate with the University’s regional community partners to promote academic achievement, economic development, and quality of life.

EKU Strategic Direction 6.2 Become Nationally Prominent in Fields and Regional Relevance

CHS SD 6.2.1 The CHS will continue to strengthen quality community and regional partnerships.

CHS SD 6.2.2 The CHS will continue to bring distinction to our region with nationally recognized, accessible programs to promote engagement and improve health and quality of life.

EKU Strategic Direction 6.3 Bring EKU to Our Service Region

CHS SD 6.3.1 Collaborate with the University’s regional community partners to promote academic achievement, economic development, and quality of life. (Same as 6.1.1)

EKU Strategic Direction 6.4 Bring Our Service Region to EKU

CHS SD 6.4.1 CHS will offer college programs, activities, and events to encourage travel to EKU campus that improve health and quality of life.

**Admission Requirements for College**

The College of Health Sciences accepts applications from all persons who are qualified for admission to the University. All applicants must provide evidence of their ability to meet the academic standards established by the various programs. Due to enrollment limitations of some programs, applications should be made early. Applications received after the deadline of a program will be processed and admissions recommended on a space available basis. Specific entrance requirements for each program are shown in the departmental sections of this Catalog.

**Admission Policies**

1. Students must meet requirements and be admitted by the University before being considered for enrollment in programs within the College of Health Sciences. Specific admission criteria are provided under each of the Health Sciences programs. The student is responsible for obtaining information for the application process including department deadlines.

2. Transfer work must be from an accredited institution and with a minimum grade of “C” in major and supporting courses. The applicant must be eligible to return to the last institution attended.

3. Work taken more than eight years previously must be approved by the Dean of the College.

4. In the event that a student is not accepted for a program, the student who wishes to reapply must submit a new application and related materials that will be considered when a new class is accepted.

Students desiring to complete collegiate work required for admission to professional programs may complete this work at any accredited college or university. Students are urged to carefully plan their course of study to be consistent with the individual program’s curriculum progression plan of study. Students who plan to complete coursework before declaring a major in a College of Health Sciences program should consult with the individual program directors or with the College of Health Sciences Advisors.

Students who have not reached a decision on a specific health science major may obtain counseling/guidance from individual program directors in the College of Health Sciences or from College of Health Sciences Advisors.

The programs in the College of Health Sciences are designed to prepare graduates for practice in health and human services professions. Most require licensure and/or certification after graduation and prior to practice. A criminal record (excluding minor traffic violations) may make a person ineligible for licensure or certification in these professions. Students with such a history should contact the licensing or certifying body prior to enrollment to determine whether this might be the case.

**Clinical Agency Placement Requirements**

Placement in clinical sites for certain programs in the College of Health Sciences requires students to meet specific clinical agency placement requirements. Clinical agency placement requirements for certain programs (particularly those involving direct patient contact and/or practice with children) require a criminal background check and/or a urine drug screen. Students whose results from these screenings do not meet clinical agency placement requirements will be unable to participate in clinical experiences which are required for satisfactory progression and completion of the program. Most clinical agencies and programs where students may be potentially exposed to blood borne pathogens mandate that students comply with the Hepatitis B vaccination requirement. [see Blood Borne Pathogens and Hepatitis B Statement]. Other requirements may include documentation of tuberculosis screenings indicating student is free of disease, specific immunizations, certifications, licensures, student professional liability insurance purchased through the University [see Student Liability (Malpractice) Insurance], and individual health insurance. Students who have not met clinical agency placement requirements will not be permitted to participate in clinical and laboratory learning experiences mandated for satisfactory progression and completion of the program. Specific requirements for individual programs may be obtained by contacting the departmental office for the program.

**Readmission Policies**

After being admitted to one of the programs in the College, students who withdraw or who are unable to progress due to being unsuccessful in one or more courses must submit application for readmission according to the guidelines for the specific program. Readmission to the program is not guaranteed to any student.

**Readmission Appeal Process**

The student who has been denied readmission may appeal the decision following these guidelines:

1. Notify the chair of the program’s readmission committee of the desire to appeal the decision and to provide additional pertinent information to support the appeal. The committee chair will schedule a time for the student to appear before the committee to present the appeal. A student who has agreed to a time for a meeting of the departmental readmission committee and who does not appear at that meeting may forfeit the right to present evidence beyond that furnished in the original application for readmission.

2. The student will be notified within five working days of the committee’s decision.
COLLEGE OF HEALTH SCIENCES

3. If the student is not satisfied with the decision, the student shall schedule an appointment to present the appeal to the Department Chair. The student will be notified within five working days of the Department Chair’s decision.

4. If the student is not satisfied with the decision of the Department Chair, the student shall submit a written appeal to the Dean of the College of Health Sciences. If the Dean determines there are extenuating circumstances surrounding the student’s request for readmission and/or if the procedure for readmission has not been followed, a meeting of the College’s Readmission Committee will be scheduled. A time will be appointed for the student to appear before the committee to present the appeal. A student who has agreed to a time for a meeting of the College Readmission Committee and who does not appear at that meeting may forfeit the right to present evidence beyond that furnished in the original application for readmission.

5. Decisions of the College Readmission Committee are binding. The student will be notified of the decision within five working days.

**STUDENT AGREEMENT STATEMENT**

Programs in the College of Health Sciences may require a student to sign an agreement statement that encompasses professional expectations related to the program. This statement is to be signed when the student enters courses in the major.

**STUDENT LIABILITY (MALPRACTICE) INSURANCE**

All students whose programs require participation in clinical learning experiences must purchase and maintain liability insurance through the University during the entire clinical experience. Proof of such insurance coverage must be furnished to the department before the clinical experience is scheduled to begin. The University has arranged for appropriate insurance coverage at a modest cost to the student. Further information may be obtained at the student’s major departmental office.

**CLINICAL FACILITIES**

The University maintains formal contracts with many health care Human Services and Educational agencies located throughout Kentucky and the United States. Almost every specialty within the entire health care spectrum is available for use in providing high quality experiences for students enrolled in the programs. A list of cooperating agencies is available through the Office of the Dean.

The University is not liable for, nor is there a fund from which payment can be made for those who are inconvenienced or incur expenses based upon canceled classes, assignments, or clinical placements, etc.

**BLOODBORNE PATHOGENS AND HEPATITIS B STATEMENT**

The College of Health Sciences attempts to minimize the risk of exposure to blood borne pathogens for students who will
be involved in clinical and laboratory learning experiences where the risk of exposure could occur. To this end, students majoring in clinical programs within the College of Health Sciences where a potential risk of exposure could occur are required to receive education in universal precautions and the Occupational Safety and Health Administration’s (OSHA) Bloodborne Pathogens Standard Regulations. Students will be responsible for complying with the Hepatitis B vaccination requirement when indicated before participation in the clinical training phase of their respective programs. [see Clinical Agency Placement Requirements]. The Blood Borne Pathogens Exposure Control Plan is posted on the College of Health Sciences website and should be carefully reviewed. More information regarding specific program requirements may be obtained through the departmental offices, program student handbooks, and other program informational sources.

**DEGREE REQUIREMENTS**

The students are responsible for selection and registration for courses needed for reasonable progress toward their degree or certificate that will enable the students to satisfy requirements for graduation.

General Academic Information described in Section Five of this Catalog, and specific course requirements set forth in the description of curricula, must be met by students completing associate and baccalaureate programs administered by the College of Health Sciences. See programs under each department for major and minor requirements. All first-year students in the College of Health Sciences must enroll in the Student Success Seminar (HSO 100).

**Appeals**

Appeals procedures are detailed in the Departmental and University Handbooks and in the department sections.

**HEALTH SCIENCES LEARNING RESOURCE CENTER**

**Director**

Mrs. Raglena Salmans  
(859) 622-2091  
Rowlett 310

The Health Sciences Learning Resource Center is a multimedia library, study, and computer center for the College of Health Sciences. It provides support to the instructional needs of the faculty through multi-media resources, equipment, and other services. The primary purpose of the Center is to provide the student the opportunity to reinforce previous learning of clinical/classroom content through independent review of multi-media materials and computer-aided instructional software.

Students also have access to other resources such as anatomical models and charts, interactive video resources, professional articles, e-mail, the internet, literature searches, bibliographic manager, epidemiology mapping courseware and word processing. The Learning Resource Center is located in the Rowlett Building, Room 310.

**DEPARTMENT OF ASSOCIATE DEGREE NURSING (RN)**

**Chair**

Mrs. Beth Gamble  
(859) 622-1942  
Rowlett 220

**Faculty**

J. Brown, C. Frazer, B. Gamble, M. Gibson, C. Hubbard, S. O’Neal, K. Petrey, M. Powell, A. Potts, S. Sutherland and C. Hackney

The Department of Associate Degree Nursing, established in 1965, is approved by the Kentucky Board of Nursing and accredited by the Accreditation Commission for Education in Nursing (ACEN). The nursing program leading to an Associate of Science in Nursing (A.S.N.) degree is four semesters in length. The program prepares the graduate to function as a generalist registered nurse (R.N.) to practice in a variety of positions in various clinical settings in Kentucky and across the nation. Graduates of the program are eligible to apply for the national licensure examination NCLEX-RN); after successful completion of the exam, graduates are licensed as registered nurses.

The philosophy of the Department of Associate Degree Nursing guides the program of study.

The faculty believe Nursing is an art and science expressed through therapeutic and caring relationships which promote optimal physical, psychological and spiritual health and well-being. The core values of caring, diversity, ethics, excellence, holism, integrity, and patient centeredness are reflected in the curriculum. The curriculum promotes the attainment of the educational outcomes of Human Flourishing, Nursing Judgment, Professional Identity, and Spirit of Inquiry.

**Student Learning Outcomes**

Upon completion of the program, the ASN graduate will:

1. Advocate for patients and families in ways that promote their self-determination, integrity, and ongoing growth as diverse human beings. (Human Flourishing)
2. Using the nursing process as a critical thinking tool, make judgments in practice, substantiated with evidence, that integrate nursing science in the provision of safe, quality care and promote the health of patients within a family context. (Nursing Judgment)
3. Express one’s identity as a nurse through actions that reflect integrity, a commitment to evidence-based practice, effective communication, caring, advocacy, and safe, quality care for diverse patients within a family context. (Professional Identity)
4. Examine the evidence that underlies clinical nursing practice to improve the quality of care for patients and families. (Spirit of Inquiry)

**Admission Requirements and Procedures**

All students who are admitted to EKU and declare their major as associate degree nursing are admitted as pre-associate degree nursing majors. However, admission to the University does not guarantee admission to the Associate Degree Nursing Program.

Students are eligible to be considered for admission to the Associate Degree Nursing Program only after having been
admitted to the University. Applications for the Associate Degree Nursing program are available through the department office or online at www.adn.eku.edu.

Applicants are eligible to be considered for admission who have:

1. Met University requirements for proficiency in English, reading and mathematics.
2. Met the Pre-College Curriculum requirements.
3. A high school or college (institutional) GPA of 2.5 on a 4.0 scale.
4. Grades of “C” or better in any supporting courses that have been completed.
5. Completed the Nursing Assessment (A2) exam with a minimum score of 75 in specified areas of Reading, Vocabulary, Grammar and Math. Students may contact the nursing office to schedule the Assessment Exam.
6. In addition to the academic criteria required for admission, applicants must meet the standards written into the Commonwealth of Kentucky Nurse Practice Act. Specifically, the Nurse Practice Act requires that each student be of good moral and ethical character, good mental and physical health, and be academically qualified to fulfill the role and responsibilities of a person licensed to practice as a professional nurse. Students must meet all clinical agency placement requirements.

Applications are considered for the fall semester (received by March 1) and for the spring semester (received by October 1). Applications received after the deadline will be processed on a space availability basis. The Department Admissions Committee will evaluate each applicant’s academic history and select those applicants who are the most academically qualified. Should there be more qualified applicants than spaces available, admission becomes competitive and applicants will be ranked according to the admission scoring rubric found on the department’s website. Admission to the program is limited and completion of eligibility criteria does not ensure admission into the program.

Students Transferring from Another Nursing Program
Transfer students must meet the following criteria in addition to admission criteria of Eastern Kentucky University and the Department of Associate Degree Nursing:

1. The nursing credits transferred must be comparable to Department nursing credits for a maximum of 16 semester hours credit.
2. A complete course outline and/or syllabi must be submitted for each nursing course being evaluated for transfer credit.
3. Transfer credits must meet passing standards of the nursing program from which they are transferred.
4. Transfer credits must be from a nationally accredited program.

Each transfer student’s application will be evaluated on an individual basis by the Department Chair and the Department Admissions Committee.

Progression in the Program
In order for students to follow the established progression of the program sequence, they must:

1. Meet all prerequisites.
2. Maintain an institutional GPA of 2.0 on a 4.0 scale.
3. Complete all major courses and supporting courses with a “C” or better.

Clinical Requirements
Transportation to all clinical experiences is the responsibility of the student. Students are expected to adhere to all Department and clinical agency policies and must meet all clinical agency placement requirements. To be compliant with Joint Commission regulations, clinical agency contractual agreements, and ensure a safe clinical environment the following items are required before a student can progress to a clinical experience:

1. Proof of professional liability insurance purchased through the University.
2. Proof of CPR for the Health Care Professional.
3. Proof of Rubella, Measles (Rubella), and Mumps immunity.
4. Proof of Hepatitis B immunity.
5. Proof of negative Tuberculosis screening.
6. Proof of Varicella immunity.
7. Documentation of adult TdA P vaccine (Tetanus, Diphtheria, Acellular Pertussis)
8. Documentation of annual influenza vaccine.
9. Documentation of the CHS-approved Criminal Background Check.
10. Documentation of the CHS-approved Drug Screening.
11. Proof of Personal Health Insurance.
12. Other documentation as required by specific clinical facilities.

Readmission Policies and Procedures
A student who fails to progress in the nursing curriculum is dismissed from the program and must apply and be processed through the Admissions/Progression Committee. This committee represents the Department of Associate Degree Nursing and has the authority in readmission decisions for the department.

Readmission to a nursing course is not guaranteed to any student. The student is advised to refer to the Department of Associate Degree Nursing Student Handbook for specific procedures concerning readmission.

DEPARTMENT OF BACCALAUREATE AND GRADUATE NURSING

Chair
Dr. Mary Clements
(859) 622-1956
Rowlett 223

Faculty

The nursing program leads to a baccalaureate degree. General education in the sciences and liberal arts provides the basis for and is correlated with the major in nursing. The collegiate program is devoted to a combination of physical, biological and social sciences, and humanities as deemed essential to the preparation of the professional nurse. The nursing component is composed of instruction in nursing theory and the application of nursing theory in the clinical setting under the guidance of nursing faculty. Thus, nursing is learned through a combination of formal classroom instruction and supervised experiences in hospitals, clinical agencies, and a variety of community settings. The nursing program prepares the individual to function as a generalist and lays the foundation for graduate study in clinical specialties, research, teaching, supervision, and/or administration. Graduates of the program earn a baccalaureate degree in nursing (BSN) and are eligible to make application to the national licensure examination (NCLEX). Graduates of the program who successfully write the NCLEX examination are licensed to practice as registered nurses.

The baccalaureate nursing program is based upon the belief that preparation for professional nursing encompasses a broad liberal, general, and professional education. The mission of the department is congruent with the mission of the college and university; to promote student success by providing high quality, accessible learning opportunities which encourage students to act independently, to think critically, to communicate effectively, and to practice professional or advanced levels of nursing with integrity, enlightenment and creativity; and to collaborate with regional partners to promote health.

Professional Nursing Practice Outcomes
Upon completion of the baccalaureate nursing program the BSN graduate:

1. Treats patients as holistic, unique and self-directive with the right to make decisions for themselves concerning health matters.
2. Uses the nursing process to provide, manage, and evaluate culturally competent primary, secondary, and tertiary prevention for diverse clients across the life span in a variety of settings.
3. Uses evidence-based nursing practice, critical thinking, research methodologies, informatics, and healthcare technology to provide therapeutic interventions, predict outcomes, and influence the delivery of health care.
4. Assumes a leadership role in health care by communicating and collaborating with patients, health care professionals, and health care systems.
5. Supports safe, quality, responsible, and economic interdisciplinary health care as a consumer and sociopolitical advocate within multiple health care systems.
6. Promotes the ethical and legal practice of professional nursing.
7. Demonstrates self-care, professionalism, accountability, and competence in nursing practice, with a commitment to advancing the profession of nursing.

Admission and Progression Requirements
All students who are accepted by EKU’s Admissions Office and declare their major as baccalaureate nursing (four-year nursing) are admitted to the University as pre-baccalaureate nursing majors. However, admission to the freshman year does not guarantee admission to the laboratory nursing courses. Students seeking to enter NSC 232, 242, and 252 in the third semester of the curriculum must meet minimum program GPA requirements of 2.5 and have department chair approval. Spaces in these courses are limited and are reserved for students whose academic record indicates they are more likely to be eligible to be considered for and admitted to the clinical nursing courses. To be eligible to be considered for admission to the clinical nursing courses, students must have completed the first three semesters of college work as outlined in the curriculum plan and have submitted a complete department application. All prerequisite courses must be completed with a grade of “C”/2.0 or better, and a minimum institutional GPA of 2.5 on a 4.0 scale must be obtained. For the prelicensure nursing program, [Nursing Pre-RN (B.S.N.)], some prerequisite courses (BIO 171, BIO 273/MLS 209, BIO 301, CHE 105, NFA 201, NSC 232, 232L, 242, and 252) must have been taken within five years prior to the time application is made for admission to the clinical nursing courses unless an exception has been approved by the department. For the prelicensure Nursing (B.S.N.) Second Degree Concentration, the courses in BIO 171, BIO 273/MLS 209, BIO 301, and NFA 201 must have been taken within five years prior to the time application is made for admission to the concentration unless an exception has been approved by the department. Completion of eligibility criteria does not guarantee admission to the clinical nursing courses. Admission to the clinical courses is competitive and based on review of the applicants’ academic history by the Baccalaureate Nursing Admission/Readmission Committee. Spaces are limited and the most qualified applicants will be selected for admission.

In addition to the academic criteria required for admission, the student must meet the standards written into the Commonwealth of Kentucky Nurse Practice Act. Specifically, the Nurse Practice Act requires that each student be of good moral and ethical character, good mental and physical health, and be academically qualified to fulfill the role and responsibilities of a person licensed to practice as a professional nurse. Students must meet all clinical agency placement requirements.

For progression, students must earn a grade of “C”/2.0 or better in all nursing and supporting courses. Students who fail to meet the requirements for progression must apply for readmission through the Baccalaureate Admission/Readmission Committee.
Readmission to a nursing course is not guaranteed to any student. Please refer to the Baccalaureate Nursing Student Handbook for specific information on readmission procedures. The program reserves the right to alter the suggested plan as necessary to enhance a quality educational program. Students interested in entering graduate study may apply to the Graduate School.

For additional admission information please refer to the Selection Criteria at http://www.bsn-gn.eku.edu/bsn.

Transfers from Other Colleges and Universities

Academic credits earned at other accredited colleges or universities are transferable upon approval of the appropriate department at Eastern Kentucky University. Official transcripts are to be submitted by the student to the Office of the Registrar. Credits more than eight years old must be approved.

Transfer students must submit copies of all transcripts along with their application to the program. These transcripts will be considered a part of the application process and are necessary to determine admission and placement.

Students wishing to transfer nursing courses from another accredited institution must have a grade equivalent of “C”/2.0 or better in any nursing course to be transferred. In addition, the applicant must submit complete course outlines and/or syllabi. This material should be submitted well in advance of expected matriculation to provide time for necessary evaluation.

Specific Degree Requirements for Bachelor of Science in Nursing Degree

In addition to the general requirements for the baccalaureate degree, students must earn a grade of “C”/2.0 or better in all nursing and supporting courses.

Plan for B.S.N. Second Degree Concentration

The Department of Baccalaureate and Graduate Nursing offers students who already hold a non-nursing bachelor’s degree from a regionally accredited institution the opportunity to complete the Bachelor of Science in Nursing degree in a specially sequenced progression plan for second-degree students. Second degree students must have completed supporting course requirements (BIO 171, 273 or MLS 209, BIO 301, NFA 201, and STA 215 or approved substitutions) prior to admission to the Second Degree Concentration nursing major. Students with a non-nursing bachelor’s degree who apply for admission are admitted as pre-nursing second bachelor’s degree majors. Admission as a pre-nursing second bachelor’s degree student does not guarantee admission to the B.S.N. Second Degree Concentration major. Classes are admitted one time per year. Spaces are limited and admission is competitive and based on a review of all required material submitted with the application packet and the entire academic history.

For additional admission information please refer to the Selection Criteria at: http://www.bsn-gn.eku.edu/bsn

**DEPARTMENT OF EXERCISE AND SPORT SCIENCE**

**Chair**
Dr. Eric Fuchs  
(859) 622-1889  
Moberly 233

**Faculty**

The Department of Exercise and Sport Science offers Bachelor of Science degrees in Sport Management, and Physical Education with three program concentrations: P-12 Teaching Physical Education and Health, Physical Fitness and Wellness Management, and Pre-Athletic Training/Pre-Physical Therapy. The department also offers minors in Physical Education (non-teaching), and Coaching (non-teaching). The Department also offers a certificate in Coaching/Personal Training.

Students who transfer from another college or university must earn a minimum of 12 hours at EKU in their major. Students who transfer from another college or university must earn a minimum of six hours at EKU in their minor.

**Sport Management**

The major in Sport Management prepares the student for administrative careers in recreational and competitive sports programs, fitness centers, and other sport-related organizations. The complexities and challenges of sports require a well-prepared professional with qualifications in sports programming, supervision, management, facility planning, promotions, and purchasing.

The Sport Management major provides a quality educational experience that will prepare the student for a career in the rapidly changing arena of sport. The students receives cutting-edge instruction in a practice major of study that culminates in an internship experience that gives the student the “hands-on” experience necessary to secure employment within the industry.
The internship is offered cooperatively with a variety of sport organizations, including professional sports teams, college athletic departments, and community organizations. Students majoring in Sport Management are strongly encouraged to also declare a minor in Business and take the additional nine hours required for the minor.

**Minor in Dance (Non-Teaching)**

Note: There is a pending proposal to suspend this program in Fall 2017 and no new students are permitted to declare the program.

This minor offers students a chance to expand their knowledge of dance and improve their dance skills while in college. Students may also be able to use this knowledge within many job fields such as nursing, physical therapy, psychology, wellness, health education and recreation just to name a few. The electives allow a student to tailor the program to their own needs.

**Minor in Dance Certification (Teaching)**

Note: There is a pending proposal to suspend this program in Fall 2017 and no new students are permitted to declare the program.

The Dance Certification Minor*** is designed for students who are already in a Teacher Education Program as a chance to add a Dance Certification to their degree. With an additional 23 hours, students will gain the knowledge necessary to effectively teach the Dance Core Content and Program of Studies in the schools as mandated by the state of KY and tested by the CATS exams. Teachers will find that they will be able to use dance to teach concepts in other core content areas or to teach dance for its own value. Since the state of KY has few trained dance specialists, this certification will be an asset to those graduates seeking a teaching job. To be recommended for certification at the completion of the program, candidates must be eligible for initial teaching certification prior to making application for the dance restricted base certificate. An overall program GPA of 2.5 or higher is required for certification.

Criminal Records

Students are required to observe and/or interact with young children or school age children in a number of courses offered by the department. Therefore, students enrolled in these courses — CDF 203, 246, 310, 327S, 349, 351, 399, 405, 406, 443, 450, 541, 544, 741, 744, and 849 — must have a criminal record check and child abuse neglect (CAN) check performed. Students with a criminal or CAN record may be required to drop the course and select another major.

Tuberculosis (TB) Skin Tests

Students are required to observe and/or interact with young children or school age children in the following courses — CDF 203, 246, 310, 327S, 349, 351, 399, 405, 406, 443, 450, 541, 544, 741, 744, and 849. Therefore, students enrolled in these courses are required to submit a negative TB test. Students will be permanently dis-enrolled from the course if the negative tests results are not submitted by the deadline.

Youth Leader Report (YLR)

Students are required to observe and/or interact with young children or school age children in the following courses— CDF 203, 246, 310, 327S, 349, 351, 399, 405, 406, 443, 450, 541, 544, must have a Youth Leader Background check performed. Students with a criminal record may be required to drop the course and select another major.

Accreditations and Approvals

The Department of Family and Consumer Sciences has several accreditations. All B.S. degrees are accredited by the Council for Accreditation of the American Association of Family and Consumer Sciences. The Burrier Child Development Center is accredited by the National Association for the Education of Young Children. The B.S. degree in Dietetics is also accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). The Family Studies Concentration in the Child and Family Studies B.S. is approved by the National Council on Family Relations.

Management trainee, assistant manager, and design assistant. Two years after graduation students can expect to be employed in positions such as retail manager, district supervisor of stores, technical designer, design journeyman, and visual merchandiser.

CHILD AND FAMILY STUDIES

The Family Studies Concentration prepares graduates to work with individuals and families in a variety of social service settings. Positions are available in family resource centers, community agencies, profit and non-profit organizations that provide services for children, youth, adults and families. The Interdisciplinary Early Childhood Education concentration leads graduates to Kentucky public school certification for teaching children birth through age five. Graduates learn to prepare individual education plans for children who experience developmental delays and support plans to assist families of those children. IECE majors will teach in private agencies serving infants to two years and public school settings (Pre-K, three and four year olds, and kindergarten not connected with primary programs for first through third grade). To be granted a degree in Child and Family Studies students must have a “C” or better in all CDF and supporting courses.

Admission and Progression Requirements for Child and Family Studies Concentrations Child Development and IECE

All students who are accepted by EKU’s Admission office and declare their major as Child and Family Studies are admitted to the University as pre-Child and Family Studies majors. However, admission to the pre-Child and Family Studies program does not

**GENERAL DIETETICS PROGRAM**

The General Dietetics program leads to a Bachelor of Science degree in General Dietetics. The program is accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND), an agency of the Academy of Nutrition and Dietetics, and as a Didactic Program in Nutrition and Dietetics (DPND). Students completing the DPND earn a Verification Statement, which provides eligibility to complete an accredited Dietetic Internship. Acceptance to a Dietetic Internship requires application and program matching through a competitive process. A strong academic record, work experience, and service/leadership in extracurricular activities are essential for obtaining a dietetic internship. Dietetic internships are 6 to 12 months long and include supervised practice in various areas of the dietetics profession. After completion of the internship, the student is eligible to take the national registration exam to become a Registered Dietitian (RD). In most states, including Kentucky, RD status is sufficient to obtain a state license to practice as a dietitian.

After admission to the dietetics program the student must meet the following criteria to receive a BS Degree and be granted a verification statement: (1) attain a minimum institutional GPA of 3.0 on a 4.0 scale; (2) earn a “B” or better in CHE 101/101L, CHE 102/102L, ACC 201, STA 215, and BIO 171 or their equivalents if taken at another school; (4) earn a “B” or better in NFA 121, 201, 202, and 317. In addition, a program application form must be submitted. Should there be more qualified applicants than spaces available, applicants will be ranked according to an admission scoring rubric. The application form, admission scoring rubric, and application deadlines are available on the Department of Family & Consumer Science website.

To be admitted to the dietetics program the following criteria must be met: (1) complete a minimum of 45 semester hours; (2) attain a minimum institutional GPA of 3.0 on a 4.0 scale; (3) earn a “B” or better in CHE 101/101L, CHE 102/102L, ACC 201, STA 215, and BIO 171 or their equivalents if taken at another school; (4) earn a “B” or better in NFA 121, 201, 202, and 317. Candidates earning a degree that leads to teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams to be recommended for licensure in Kentucky. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (www.kyepsb.net/ANDwww.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams. For additional information, candidates may also contact the EPSB Division of Professional Learning and Assessment at (859) 564-5778 or (888) 598-7667 (toll free).

DEPARTMENT OF HEALTH PROMOTION AND ADMINISTRATION

Chair
Dr. Michael Ballard
(859) 622-1916
Begley 420

Faculty

The Department of Health Promotion and Administration is comprised of programs in: Ancillary Health Management, Health Care Administration and Informatics, and Public Health. Admission to all programs is based on the regular admission policies of the University. Specific policies related to each discipline can be found following the program heading as listed.

BACCALAUREATE DEGREES

HEALTH SERVICES ADMINISTRATION

The department offers a baccalaureate degree in Health Services Administration with concentrations in Ancillary Health Management and Health Care Administration and Informatics.

Ancillary Health Management Concentration

This degree progression concentration gives individuals with a previously completed college degree the opportunity to obtain the management skills needed to become a healthcare supervisor or manager.

Health Care Administration and Informatics Concentration

This concentration gives individuals interested in the administrative aspects of healthcare an interdisciplinary curriculum designed to provide a balance between businesses, healthcare and information technology. This concentration is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM).

Pre-HSA Curriculum

All students who are accepted by the EKU Admissions Office and declare their major as Health Services Administration are initially placed into a pre-HSA curriculum. The curriculum includes: ACC 201; BIO 171, 301; INF 104 or CIS 212; INF 314 or CIS 230; CMS 100 or 210; HSA 100, 200; MAT 105 or 114; STA 215 or 270.

Students may apply for HSA program admission when the following requirements are met:

- Institutional GPA of 2.75 or higher
- Completion of each course in the Pre-HSA curriculum with a grade of C or better after a maximum of two attempts.
- Exception: The following courses are indicators of student success in the program. Therefore, no more than one of the following courses can be taken for a second attempt: BIO 171, BIO 301; MAT 105; STA 215; ACC 201; INF 314.
- Combined GPA of 3.0 or higher in the following courses:
Students who meet the minimum requirements will be accepted into the program within the enrollment limits determined by the faculty. The Program reserves the right to accept only the best qualified applicants who meet the minimum requirements.

Admission/Progression Criteria
All majors utilize the regular admission policy of the University for students taking courses offered during the first semester of the program. In order to continue in the program and to enroll in major courses, the student must meet the following criteria: (1) maintain an overall (institutional) GPA of 2.5 on a 4.0 scale and (2) complete all major and support courses with a minimum grade of “C” after a maximum of two attempts.

A student who is not allowed to continue in the major may appeal the decision by presenting the reasons in writing to the Program’s Admission and Progression Committee. The student may appeal this committee’s decision to the College Admission Committee by submitting a written request to the Dean of Health Sciences. The decision of this committee shall be final.

Professional Practice Experience
An important part of the curriculum is professional practice experience in which the student is required to spend part of a semester at a hospital or other health care facility for observation and supervised practice of the skills required for entry into the profession.

Some sites may require health screening such as physical examinations and/or proof of immunizations. The student is responsible for these medical expenses and for living expenses and travel involved in relocation for these assignments.

PUBLIC HEALTH
Public Health offers the Bachelor of Science degree in
Public Health with a Community Health Concentration, a Pre-Professional Concentration, and the Bachelor of Science degree in Public Health and Master of Public Health Accelerated 3 +
2 Dual Degree Accelerated Pathway with a Community Health concentration and a Pre-Professional Concentration. Students who complete the Community Health concentration, the Pre-Professional Concentration, or the accelerated pathway are prepared to determine the health needs of the community and plan and implement effective programs to improve the health of the populations they serve. Community Health Educators may work in Public Health Departments, Volunteer Organizations, Hospitals, and Family Resource Centers. Students who complete the Pre-Professional Concentration receive training in Public Health along with preparation for professional health related graduate programs such as medicine, dentistry, osteopathy, veterinary medicine, or physician assistant. Students in the Pre-Professional Concentration will be assigned to a Public Health advisor and should also meet with an advisor from the Center for Pre-Professional Advising to ensure adequate preparation for professional entrance exams and the professional school application process. Students are responsible for ensuring they have the correct prerequisites for the professional program of their choice.

A student may choose a minor in Community Health (non-teaching) or in School Health P-12 (Teaching). The Bachelor of Science program in Public Health is accredited by the Council on Education for Public Health and has met national standards for accreditation from the Society of Public Health Educators, American Association for Health Education, National Council for the Accreditation of Teacher Education, and Kentucky Department of Education.

Students who transfer from another college or university must earn a minimum of 12 hours at EKU in the major. Students who transfer from another college or university must earn a minimum of six hours at EKU in the minor. Students who are accepted by the EKU Admissions Office and declare their major as Public Health with a concentration in Community Health or Pre-Professional Concentration must maintain an overall GPA of 2.25 with a grade of “C” or better in all of the required major and supporting courses found in the Public Health Curriculum.

Professional Liability Insurance
Students enrolling in HSA 463 in the Department of Health Promotion and Administration are required to register for student Professional Liability Insurance. This fee is listed in each semester’s schedule of classes. Please see the section on Student Liability Insurance for the College of Health Sciences.

Medical Laboratory Science (MLS) Program

All students who are admitted to the University by the EKU Admissions Office and declare their major as medical laboratory science (MLS) are assigned pre-MLS major status. Admission to the upper-division MLS program requires an overall grade point average (GPA) of 2.5 with a grade of “C”/2.0 or better in each of the required supporting courses. Transfer students must maintain a GPA of 2.5 in courses at EKU as well as an overall GPA of 2.5 for admission to the upper division program.

Students who meet the upper division program requirements will be accepted within the enrollment limits determined by the number of practicum openings. The department reserves the right to accept only the best qualified applicants who meet the upper division program requirements.

Progression Policy

The Department of Medical Laboratory Science limits the number of major courses which may be repeated. Students are allowed only one repeat per major course and a total of no more than two repeats in all major courses combined. In addition, a supporting course may usually be repeated only once.

To remain in the upper division MLS program, a student must maintain an overall GPA of 2.5 with a grade “C”/2.0 or better in each of the supporting and major courses of the curriculum.

Admission and Progression Requirements
All students who are accepted by EKU’s Admission office and declare their major as Occupational Science are admitted to the University as pre-Occupational Science majors; however, admission to the University does not guarantee admission to the Occupational Science program. Admission is competitive and based on a review of the applicants’ academic history by the department's Admission, Progression and Retention Committee. Students seeking consideration for admission to the Occupational Science program must meet the following requirements by May in the semester preceding the Fall semester start of the junior year:

1. Completion of 60 hours of coursework, including prerequisites courses
2. Overall GPA of 3.0 or above
3. A minimum of 4 “B”s and 1 “C” in the following prerequisite courses or their equivalents (BIO 171, 301, HSA 200, STA 215, PSY 200)
4. No more than 1 repeat per course in the following prerequisites or their equivalents (BIO 171, 301, HSA 200, STA 215, PSY 200)
5. Health Science Reasoning Test (HSRT)

Application to the Occupational Science Program does not guarantee acceptance into the program.

Students seeking admission to the Occupational Science program and progression to the junior year must follow this process:
1. By March 15th prior to progressing to the junior year of the Occupational Science program, all students must submit an Application for Admission to the Department Chair.
2. Transfer students must be fully admitted to the University by March 15th to be considered for admission to the Occupational Science Program. Students are responsible for submitting their official transcripts to the Office of the Registrar.
3. Based on a competitive admissions review, students will be informed of admission to Occupational Science program after Spring semester grades are posted.
4. Students admitted to the Occupational Science program will then be allowed to register for the junior year classes.

To progress to senior year, all junior academic year required major and support courses must be completed with a grade of “C” or better.

To graduate, all senior academic year required major and support courses must be completed with a grade of “C” or better as well as completion of general education and university requirements for graduation.

For additional admission information please refer to the Selection Criteria at http://www.ot.eku.edu/Enrollment in the Master of Science program in Occupational Therapy is limited. Completion of the undergraduate program in Occupational Science does not guarantee admission into the graduate program in Occupational Therapy. Refer to the Graduate Catalog for admission requirements and procedures regarding application to the Master of Science program in Occupational Therapy.

Appeals
Students may petition for a waiver of any regulations. Appeals regarding waiver of a regulation should be addressed to the Admissions and Progression Committee. Grade Appeals should be addressed to the Academic Practices Committee. See the University Student Handbook for details of the appeal procedures.

[TRANSITION PROGRAM TO THE MS IN OT PROGRAM]
CIP Code: 51.2306

This competitive pathway is designed to prepare students who have completed a Bachelor’s degree in a discipline other than Occupational Science for entrance into the entry level Master of Science in Occupational Therapy program. It is a one year post-baccalaureate program leading to a second Bachelor of Science degree in Occupational Science.

Admission Requirements
1. Bachelor’s degree in a discipline other than Occupational Science from a regionally accredited university.
2. “C” or better in all prerequisite coursework: Human Anatomy, Human Physiology, Abnormal Psychology, and Statistics.
3. 3.0 GPA on the most recent 60 hours of coursework (prerequisites to the transition year not included in the most recent 60 hours will be added in the calculation of GPA) or a 3.0 overall undergraduate GPA (all hours attempted in the semester in which the 60th hour occurs will be counted) determined by May 1st.
program application deadline. In addition, applicants who do not have an institutional GPA of 3.0 or higher must also complete the GRE to satisfy the admission requirements of the Graduate School.

4. Health Science Reasoning Test (HSRT) Overall Target Score of 15.

5. Three letters of recommendation.

Specific Criteria

Students should apply through the undergraduate school and the Department of Occupational Science and Occupational Therapy by May 1st. Prerequisite course work must be completed by the end of the Spring semester of the application year. Students may be requested to submit a course description of prerequisite course work with the application. Students will be admitted on a competitive basis using a weighted matrix. Students accepted into the Transition program are required to take a year of undergraduate courses prior to beginning Master of Science course work. Students who are accepted into the Transition program must be enrolled in Fall semester transition year courses by July 1st and will continue on into the Master of Science program after completing the transition year courses, if they maintain a GPA of 3.0 during the transition year, complete all transition year courses with a “C” or better and are accepted by the Graduate School. Students will apply to the Graduate School during the transition year of course work. The deadline for application to the Graduate School is February 1st.

MINOR

MINOR IN HORSES, HUMANS AND HEALTH

This interdisciplinary minor offers students a chance to explore the horse-human-health connection through various professions and perspectives. Students interested in working in the equine industry may pair this minor with any major to develop their interests and career paths. An elective in human development offers students the ability to tailor their academic study to individual needs. A student may complete this minor by taking 18 hours (including prerequisites/corequisites) as indicated below.

Minor Requirements..............................................18 hours

OTS 205, REC 210*, AGR 250, OTS 479S, ANS 497* (topic: horse), and one elective in human development from the following: CDF 235, CDF 342, CDF 441, HEA 285, OTS 421*, PSY 280*, or SED 104.

*Indicates the course may have prerequisites or corequisites.

DEPARTMENT OF RECREATION AND PARK ADMINISTRATION

Chair
Dr. Jon McChesney
(859) 622-1833
Begley 407

Faculty
M. Bradley, B. Clark, M. Gerken, S. Jones, and J. McChesney

The Department of Recreation and Park Administration offers the Bachelor of Science degree in Recreation and Park Administration with four concentrations: Tourism & Resort Recreation, Natural Resources & Recreation Management, Recreation Management and Programming, and Therapeutic Recreation. The department also offers a minor in Recreation and Park Administration.

Students who transfer from another college or university must earn a minimum of 12 hours at EKU in their major. Students who transfer from another college or university must earn a minimum of six hours at EKU in their minor.

Graduates of the Tourism & Resort Recreation concentration find career opportunities in local, state, federal and private agencies that promote tourism, travel agencies, convention services, resort supervision and management, cruise lines, amusement and theme parks, as well as other commercial recreation agencies.

Graduates of the Natural Resources & Recreation Management concentration find a wide variety of career opportunities such as park ranger, interpretive naturalist, camp director, recreation forester, fish and wildlife positions, and youth and adult outdoor recreation programming positions.

Graduates of the Recreation Management and Programming concentration find professional careers available in local, state, county and federal agencies, park management, golf course management, recreation supervision, aquatics, cultural arts programming, athletic programming, YMCA and YWCA, Boy Scouts and Girl Scouts, 4-H, and various other private and public agencies providing park, recreation and leisure services.

Graduates of the Therapeutic Recreation concentration find one of the fastest growing areas in the field of recreation and leisure services. Professionals in TR design programs to meet the needs of special populations, people with physical or developmental disabilities, and people with temporary or permanent psychiatric disorders. TR professionals work in children’s hospitals, mental health institutions and psychiatric hospitals, rehabilitation clinics, nursing homes, medical care facilities, transitional living facilities, group homes, camps, community-based programs, and community residential agencies.
The BS degree in Recreation and Park Administration provides 15 credit hours of direct hands-on field experience. The senior internship (12 credit hours) serves as an excellent transition from school to work, and many students are hired directly out of their internship.

Students majoring or minoring in Recreation and Park Administration are required to attain a minimum grade of “C” in all REC courses and a 2.5 or better average in all REC courses. All REC core and REC concentration courses must be completed prior to enrollment in REC 463, Senior Internship or Rec 473 Therapeutic Recreation Internship.

**Bachelor of Science (B.S.) and Master of Science (M.S.) Recreation and Park Administration Accelerated 3+2 Dual Degree Program**

CIP Code: 31.0301

Students may apply for admission to the Accelerated 3+2 Dual Degree program in their junior or senior year. Students are able to complete their B.S. degree and M.S. degree within 5 calendar years because of the accelerated curriculum and because 9 semester hours of 700-level graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program.

Entrance requirements for the 3+2 must adhere to the same requirements for the M.S. Recreation and Park Administration Program in the Graduate Catalog, except entrance examinations (e.g. GRE) are not required for the 3+2 program. Students must fulfill all graduation requirements listed below. Students admitted into the program will remain coded as undergraduate until fulfilling their BS requirements. Students admitted into the 3+2 program must complete the Recreation And Park Administration BS degree with a minimum 3.0 GPA to be allowed to proceed with graduate program coursework.

**Admission Requirements:**

Students interested in this option must satisfy all of the following conditions:

1. Junior or Senior Standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 program.

**Program Requirements**

Students in 3+2 Accelerated Dual Degree program must complete the listed Recreation And Park Administration B.S. program requirements along with the same requirements for the Recreation And Park Administration M.S. Program (presented in the Graduate Catalog: listing at http://gradschool.eku.edu/graduate-catalog). Nine (9) credit hours of 700-level graduate coursework (REC 716, REC 730, and REC 790) are applicable to the undergraduate degree.

**University Graduation Requirements**

- General Education ..........................................................36 hours

REC 730....................3
College of Justice and Safety

Dr. Victor E. Kappeler, Dean
Stratton 354-A
(859) 622-3565

Dr. Gary W. Potter, Associate Dean
Stratton 348-A
(859) 622-7884

The College of Justice and Safety at Eastern Kentucky University is one of the largest of its type in the United States and is one of the six colleges that comprise the academic structure of the University. Within the College of Justice & Safety is the School of Justice Studies, and the School of Safety, Security, & Emergency Management. Faculty in the College are nationally and internationally known for their teaching, research and service.

The Commonwealth of Kentucky named the College of Justice & Safety as the first Program of Distinction at Eastern Kentucky University in 1998. The Program of Distinction has funded renovations for a new Stratton annex, Ashland Building and Perkins Building, new degree programs, upgraded classrooms and computer labs, provided additional research opportunities for faculty and students, as well as scholarship opportunities for students majoring in programs offered by the college.

Associate, baccalaureate, and master's degree programs are offered by the College of Justice and Safety. Many programs are also available online.

The College is committed to a career ladder concept by providing opportunities for students enrolled in or completing associate (two-year) degree programs to transfer to a corresponding baccalaureate (four-year) program with little or no loss of credit.

Most programs in the College are housed in the Stratton Building, an outstanding and unique facility which includes two annexes, a remodeled shared entrance; renovated student commons and classrooms with new technology, 250-seat auditorium, two computer labs and a cafeteria. The Fire Science programs have additional offices, classroom, and labs in Ashland Building and the Emergency Medical Care program has offices, classrooms and labs in the Stratton Annex.

Admission to the College

Students seeking admission to the College of Justice and Safety must meet general University requirements and should indicate their intention to major in a program of the College.

After being admitted to the College, a student will be assigned to a professional advisor, in the Academic & Advising Center, who will assist in selecting the proper courses leading to the desired degree.

Degree Requirements

General University degree requirements appear in Section Four of this Catalog, and specific requirements for each of the degree programs offered by the College of Justice and Safety appear below; both sets of requirements must be met by students completing associate and baccalaureate programs. Unless otherwise specified, all programs in the College of Justice and Safety require a grade of “C” or better for all required major and supporting courses. See the program descriptions under each department for specific major and minor requirements. Common to all programs is the Student Success Seminar.

Major and Minor Credit Minimum

Unless otherwise specified, regardless of the advanced standing under which the student may have been admitted or what credits have transferred, 18 hours of advanced course work (courses numbered 300 or above) applied for credit toward the major subject for a baccalaureate degree, nine hours of advanced course work applied for credit toward the major subject for an associate degree, and six hours of advanced course work toward major subject for a minor must be earned at Eastern.

SCHOOL OF SAFETY, SECURITY & EMERGENCY MANAGEMENT

Associate Dean
Dr. Gary W. Potter
Stratton Building, Room 348

Faculty

College of Justice and Safety Residency Requirement

The College of Justice and Safety requires that students graduating with a baccalaureate degree from the School of Justice Studies, or the School of Safety, Security, and Emergency Management, must earn a minimum of 18 upper division credit hours in the home subject of their major (excluding co-op and applied learning), as specified by Degree Works.

Admission Procedure: Emergency Medical Care

Students who have been admitted to the University and College of Justice and safety and declare a major in Emergency Medical Care are admitted to the Emergency Medical Care Program. Admission to the Emergency medical Care Program does not guarantee admission to the Advanced Emergency Medical (paramedic) sequence.

Emergency Medical Care students are accepted each semester. Students are selected for admission into the Advanced Emergency Medical Care Program once a year. Selection is made based on the admission matrix. Criteria include: GPA, entrance exam scores, pre-requisite course grades and completion. Information meetings or communication will be held. Please refer to the EMC webpage for additional information.

Additional Requirements
1. Students must have a minimum grade of “C” in all advanced sequence, EMC pre-requisite courses.
2. Students must maintain a minimum GPA of 2.0 on a 4.0 scale.
3. Students must purchase and maintain the student liability insurance prior to enrollment in EMC 110, 115, 342, 352, 360, 362.
4. All transfer credit evaluation and program approval must be completed prior to the application deadline.

NREMT-P TO ASSOCIATE OF PARAMEDICINE (ASP) DEGREE PROGRAM

Admission Requirements:
Current holders of National Registry of Emergency Medical Technicians – Paramedic (NRP or State credentialing as defined by the program) certification may earn the Associate of Paramedicine (ASP) degree through an accelerated program offered by the EMC department. Applicants for admission into this accelerated program are accepted each semester.

Program
Students admitted into the NRP NREMT-P to ASP program will be required to take all general education and supporting coursework for the Associate of Science Paramedicine (A.S.P.).

Core Courses:
EMC 380 and 382.
After successful completion of both EMC 380 and 382, students will receive 18 credit hours which include EMC 335, 340, 342, 352, 360, 362.
EMC 105, 110, 303.
Credit for EMC 105, 110, 303, is available through successful completion of department proficiency examinations.
EMC 104, 310, 315, and 320.
Current and maintained certification in AHA CPR for Healthcare Professionals, ACLS-EP, PALS (and/or PEPP), and certification in PHTLS (or ITLS) may result in credit for EMC 104, 310, 315, and 320.

Supporting and General Education Courses are required:
General Education Elements:
Element 1. ENG 101, 102; Element 3. Arts and Humanities (3 credit hours); and Element 5B and Social Behavioral Sciences ( 3 credit hours);
Supporting Courses:
BIO 130, 171, 301.
A total of 64 credit hours are required to obtain the Paramedicine (A.S.P.). Students must also obtain a minimum grade of “C” in all EMC courses. Students must also maintain an overall EKU GPA of 2.0 on a 4.0 scale.

Transferring Paramedic Credit into the EMC Program
Effective January 2013 the National Registry has instituted a policy requiring that all candidates for certification must complete coursework from a CoAEMSP nationally accredited paramedic program.

Time Limit for Program Completion
To maintain EKU’s status as a CoAEMSP nationally-accredited paramedic program students must progress through their EMC advanced sequence of classes (200-level and 300-level courses, as well as supporting courses) within a specified time limit. Each student must successfully complete all of these courses before they are eligible to take the NREMT skill and didactic examinations to obtain the NREMT Paramedic card. The start
of an individual student’s time limitation (“advanced sequence and testing clock”) will be determined by the student’s program advisor.

Credit from a CoAEMSP Accredited Paramedic Program

Students with transfer credit from a CoAEMSP accredited paramedic program may have this credit used to fulfill a portion of their major and supporting program requirements. Such work will be evaluated by EMC faculty for comparability and content; students may be required to complete departmental exams to gauge subject mastery and to assist with appropriate course placement.

Welcome to the College of Letters, Arts, and Social Sciences (CLASS). CLASS provides education in the arts, philosophy, literature, languages, and social sciences—fields that help us to understand ourselves and others and provide meaning and richness to our world. CLASS represents EKU’s enduring commitment to a liberal arts education as the intellectual foundation for work, life, and citizenship.

In CLASS, we offer courses and academic programs that provide students with the foundation for success in a dynamic, fast-paced, and diverse world. These foundational skills help students excel and lead in any career, cultivate the creativity and critical thinking to adapt to diverse environments, and resolve society’s most challenging problems in a culturally competent and ethical way. CLASS is focused on cultivating skills that are vital to the contemporary workplace - teamwork, critical thinking, communication, and leadership.

CLASS houses the departments of Anthropology/Sociology/Social Work; Art and Design; Communication; English and Theatre; Government and Economics; History; Languages, Cultures, and Humanities; the School of Music; Philosophy and Religion; and Psychology.

Additionally, the Office of Interdisciplinary Programs includes academic minors in African/African-American Studies, Appalachian Studies, Asian Studies, Applied Creative Thinking, Environmental Sustainability and Stewardship, Veterans’ Studies, and Women and Gender Studies. It also houses the interdisciplinary academic area of Education Abroad.

In CLASS, students can participate in EKU’s nationally-ranked mock trial program, which affords students the chance to learn about the legal process in a simulation format.

**DEGREES OFFERED**

The College of Letters, Arts, and Social Sciences offers the following baccalaureate degrees: Bachelor of Arts, Bachelor of Science, Bachelor of Fine Arts, Bachelor of Music, Bachelor of Social Work, and Bachelor of Arts in Individualized Studies. The Associate of Arts is offered in Paralegal Studies.

**COLLEGE DEGREE REQUIREMENTS**

General University degree requirements as set forth in Section Four of this Catalog as well as specific course requirements set forth in the descriptive curricula must be met by students completing programs administered by the College of Letters, Arts, and Social Sciences. All students graduating with majors in the College of Letters, Arts, and Social Sciences must have a 2.0 GPA in the major exclusive of any supporting courses. Students pursuing a minor in the College must have a minimum 2.0 GPA in the minor. At least twenty-five percent of the courses in the major must be taken at Eastern Kentucky University. In addition, individual programs may have specific requirements that exceed College requirements. Students should consult with an advisor or department chair to learn the particular requirements of a program.

**AFFILIATED ACTIVITIES AND RESOURCES**

**CENTER FOR PRE-LAW ADVISING**

Thomas C. Parker, J.D.
Pre-Law Advisor
Teaching and Learning Center, Keen Johnson Building
(859) 622-7698
PRE-LAW

The Center for Pre-Law Advising assists students who are considering law school after graduation. Students interested in going to law school or exploring the possibility of doing so should contact the Center for Pre-Law Advising for an appointment as early as possible during their academic career. A Pre-Law Advisor can identify courses that will help prepare students for law school, plus provide valuable information on law schools, the Law School Admission Test (LSAT), and typical admission procedures.

There is no specific major for pre-law students. A broadly-based liberal education will best prepare one to study law, and therefore no fixed pre-law curriculum is prescribed. Law schools generally are not swayed positively or negatively by a student’s choice of major; rather, they want to see that, whatever a student’s major(s), that student performs well as indicated by his or her academic transcript. Thus pre-law students should choose a major that interests them and in which they are likely to be academically successful. Admission to an accredited law school is dependent upon a good undergraduate record with an earned baccalaureate degree and a competitive score on the Law School Admission Test. Further information for pre-law students can be found at http://prelaw.eku.edu.

Mock Trial

Thomas C. Parker, J.D., Coordinator
Teaching and Learning Center
Keen Johnson Building
(859) 622-7698

EKU’s nationally-ranked mock trial program affords students the chance to learn about the legal process in a simulation format. Students play the roles of witnesses and attorneys, competing against teams from other schools in tournaments held across the nation. Mock trial develops critical thinking and communication skills, teaches students to work as members of a team, and requires students to respond creatively to unexpected challenges during rounds of competition. Students receive two hours of academic credit (POL 466A and B) per term. Auditions for positions on the team are held each Fall.

Three-Two Curriculum

In addition to standard pre-professional curricula, Eastern Kentucky University may approve specially arranged combined curricula. Students approved for these curricula complete the first three years of requirements at EKU. At the end of these three years, they enroll in one of several highly rated professional schools. After the first year of professional study, they transfer the work back in order to secure a Bachelor of Arts or a Bachelor of Science degree from Eastern Kentucky University. This plan may shorten, by one year, the time needed to obtain both a baccalaureate and a professional degree.

ANTHROPOLOGY

Anthropology is the study of human diversity. It explores the meaning of being human – from the study of culture and social relations, to human biology and physical evolution, to language, to music and art and to vestiges of human habitation. Anthropology addresses fascinating questions such as how peoples’ behavior changes over time, how and why people from distant parts of the world and dissimilar cultures are in many ways similar, how the human species has evolved over millions of years, and how individuals understand and operate successfully in distinct cultural settings. Anthropology includes four sub-fields: cultural anthropology, physical anthropology, archaeology, and linguistics. The Anthropology Program at EKU offers exposure to all of these sub-fields, with the opportunity to specialize, if so desired. Two great reasons to study anthropology include: 1) study topics are intellectually exciting; and 2) Anthropology prepares students for excellent jobs and opens doors to various career paths. Anthropological study provides training particularly well-suited to the 21st century. Anthropology approaches human questions from historical, biological, and cultural perspectives. As a result, career opportunities exist in academic, corporate, nonprofit and government settings. Many anthropologists with bachelor’s degrees work for contract archaeology firms at archaeological sites, in physical anthropology laboratories, and in museums in a wide range of areas. International health organizations and development banks employ anthropologists to help design and implement a wide variety of programs. Governmental organizations use anthropologists in planning, research, and managerial capacities. Forensic anthropologists find work in university and museum settings along with police departments to help identify mysterious or unknown remains. Anthropology is a career that embraces people of all kinds. It is a discipline that thrives with heterogeneity – in people, ideas, and research methods. Anthropologists know the wisdom of listening to multiple voices and linking the work from researchers who bring different backgrounds and apply various approaches to their endeavors.
Bachelor of Social Work (B.S.W.)

Social Work

The Social Work Program prepares students for beginning generalist social work practice. The primary purpose of the Social Work profession is to enhance human well-being. Social workers help meet the basic human needs of all people and empower those who are vulnerable, oppressed, or living in poverty. Social workers help identify and manage the environmental forces that create, contribute to, and address problems in living. Social workers are an integral part of most non-profit agencies and also offer their services and knowledge in private practice. The Social Work Program has been continuously accredited by the Council on Social Work Education since 1977.

Admission and Progression

Any student who is accepted by the University Admissions Office and declares his/her major as Social Work will be classified as a pre-Social Work major. Admission to pre-Social Work does not guarantee admission to the Professional Social Work Program. Admission to the program is required for progression in the major beginning with SWK 350 and 354. To be admitted students must have earned at least 32 hours of college credit, meet the minimum program GPA requirement of 2.50, complete SWK 210 and other supporting course work with a minimum grade of “C,” and successfully complete application procedures. Students choosing to double-major must declare Social Work as the first major. For admission requirements and procedures contact the Social Work Program office, (859) 622-1645.

Mission and Goals

The Eastern Kentucky University Social Work Program provides a student-centered collaborative and dynamic environment that prepares students for competent and ethical social work practice in a diverse world. This is accomplished through self-reflection, rigorous academics, knowledge based on scientific inquiry and experiential learning in a safe and nurturing environment. We strive to graduate students who understand the complexities of the relationship between people and their environments, value human rights, and believe in the dignity and worth of all human beings. Completion of EKU’s generalist Social Work degree will provide the knowledge, values and skills to become practitioners who can think critically and creatively. Our mission is to graduate ethical leaders who advocate for social and economic justice in rural, urban and global communities, with an emphasis on EKU’s identified service region. Program goals are to (1) provide a fluid curriculum, grounded in a liberal arts perspective that prepares students for competent and effective entry-level generalist professional social work practice with individuals, families, groups, organizations, and communities through mastery of the knowledge, values, and skills that inform the ten core competencies; (2) integrate into the program the values, knowledge, and skills of the social work profession and to socialize students into the profession through self-assessment and self-awareness; (3) prepare students to deliver ethical social work practice through the development of critical thinking to guide professional judgments and practice; and (4) prepare students for advocacy and service to diverse populations-at-risk and to advance economic and social justice.

SOCIOLOGY

The Sociology Program provides students with an advanced understanding of social structure and institutions, human groups, social stratification, social interaction, social deviance (crime, juvenile delinquency), and social change. Sociology faculty are skilled in teaching the theoretical foundations of sociology and methods of social research, while they teach students to think critically. The broad knowledge base of sociology, combined with basic skills in research methods and analysis, contributes to a person’s flexibility in a rapidly changing economy where specialized jobs often become outdated. Students who major in sociology possess the advantage of a more general foundation upon which to adapt to changes in the labor market, because they are taught to think critically, communicate effectively, and respond constructively to the challenges and opportunities they will encounter. A major in sociology provides a gateway to many different professions. Many sociology graduates move into careers in the following areas: social services, law enforcement, human relations, law and legal services, policy analysis, teaching, and health fields. Others find employment in management and administrative careers in government agencies as well as in a wide range of private sector firms. Still others work to achieve their goals in less traditional careers such as grassroots activism or private entrepreneurship.

FINE ARTS

Upon completion of a Baccalaureate of Fine Arts (B.F.A.) degree with a Concentration in Ceramics, Graphic Design, Jewelry and Metals, Painting, Photography, Printmaking or Sculpture, students will be able to apply elements and principles of art and design, be more aware of the influence of perception and observation, and be able to use a variety of media and techniques to communicate ideas effectively and expressively. Students will demonstrate critical and creative thinking through analysis and research, both verbal and written, of their own or others’ art and design works, demonstrating historical and contemporary concepts, theories, methods and styles.

The B.F.A. degree prepares students for professional careers as artists and designers of listed Concentrations below. Students will demonstrate professional practice, writing, portfolio development and presentation for employment in art and design studios, companies, or freelancing, and for applications to graduate schools, exhibitions, competitions, grants, and fellowships.

BFA Admission Requirements

All students who are accepted by the Office of Admissions and seek a baccalaureate fine arts degree are admitted to the University as a pre-BFA major and must select from at least one pre-BFA concentration area in Ceramics, Graphic Design, Jewelry and Metals, Painting, Photography, Printmaking or Sculpture.
and Metals, Painting, Photography, Printmaking or Sculpture.

Pre-BFA students are eligible to apply to the BFA degree program after completing 15 credit hours of Studio Foundation courses.

When applying for the BFA program, pre-BFA students must have completed or be enrolled in the courses specified for their declared Pre-BFA concentration.

Students are also required to submit an application, statement of goals, and portfolio for review by the BFA Entrance Review Committee once the minimum requirements have been met, usually by the fourth or fifth semester, depending on the Concentration area (transfer students must meet equivalent minimum requirements and complete a minimum of 24 hours in Art and/or Design). Students will be notified of the results and can meet with their area supervisor. Students not accepted to the BFA degree program may re-apply at a later date or seek another degree program. Portfolio requirements include examples of drawing, 2D and 3D works (from a variety of courses), as well as examples specific to a concentration area. Students wishing to pursue the BFA degree should average and maintain a 2.5 GPA and earn a grade of “C” or higher in all major and supporting course requirements in order to apply to, and complete the BFA degree program. Consult with a departmental advisor, area supervisor, or visit our website at www.art.eku.edu to obtain a copy of the “Entrance Criteria and Degree Requirements for the BFA in Art and Design.”

Progression Requirements

Once students are admitted to the BFA degree program, they are eligible to take upper division courses that require “admission to the BFA” as listed in the course descriptions of this Catalog and are expected to participate in all major and supporting course requirements, including a BFA exhibition and review. Any BFA student whose major GPA falls below 2.5, or who earns a grade lower than “C” in a major or supporting course requirement, will be placed on BFA probation. Once on BFA probation, students have one semester to either raise the major GPA to the required 2.5, or retake the course in which he/she earned a low grade and pass with a “C” or higher. If any student on BFA probation fails to meet either of the above conditions, he/she will be removed from the BFA program. Such students may reapply at a later date or seek another degree program.

PRE-BACHELOR OF FINE ARTS (PRE-B.F.A.)

PRE-BFA students should pursue courses to meet the following University Graduation Requirements while awaiting admission into the BFA program.

**DEPARTMENT OF COMMUNICATION**

**Chair**
Dr. Deborah T. Givens, Chair  
(859) 622-1488  
Combs 317

**Faculty**

The Department of Communication offers four-year Bachelor of Arts degree programs in three areas: Broadcasting and Electronic Media, Communication Studies, and Public Relations.

**DEPARTMENT GOALS**

The Department of Communication’s student-centered program seeks to transform lives through excellence in instruction, advising, scholarship, and service. The department strives to produce creative and effective communicators by providing cutting-edge programs emphasizing hands-on and practical learning. Empowered by this experience, students are prepared to work, lead, and serve in a global society.

**PROGRAM OBJECTIVES**

**BROADCASTING AND ELECTRONIC MEDIA**

Graduates of the Broadcasting and Electronic Media program pursue careers in the media industry, as well as in cable companies, industrial and corporate video facilities, advertising agencies, and production houses. Students in the **BEM Concentration** must demonstrate excellence in their ability to produce, direct, write, perform, manage, and to create commercials, public service announcements, sports programs, promotional videos, music videos, and entertainment programs for television, the Internet or other platforms. Students in the **Film Techniques and Technology Concentration** must demonstrate excellence in writing, visualizing, shooting, editing, and cinematic storytelling. Students in the **Multimedia News Concentration** must demonstrate excellence in gathering information, writing, news production, and visual storytelling. Students will use cross-platform skills within journalistic standards and present news and commentary to a diverse audience. Our objectives are to train students for a variety of fields including traditional and emerging media, businesses and corporations, government public information, advocacy groups, and non-profit organizations. They will develop an understanding of the meaning of First Amendment freedom in the United States, and the social, political and ethical responsibilities they will have as professionals.

**COMMUNICATION STUDIES**

Graduates of the Communication Studies (CMS) program pursue careers in labor relations, human resources, tourism, banking, corporate relations, sales, and many other professional contexts. Communication Studies students learn how to successfully demonstrate and promote effective human communication, including relationship building and maintenance, resolving conflict, persuading and negotiating, professional speaking, communication training and development, and leadership skills. CMS students must exhibit cognitive and behavioral learning by demonstrating (a) sufficient knowledge about various human communication processes and (b) satisfactory skills related to communication competency.

**PUBLIC RELATIONS**

Graduates of the Public Relations program pursue careers with corporations, non-profits, educational, governmental, and public relations agencies. Managing the communication between
an organization and its publics, practitioners write newsletters, speeches, reports, ad copy, and feature stories, to name a few. They manage social media accounts, plan events, and provide appropriate counsel. Students must demonstrate excellence in research, planning, communication and evaluation of public situations using a variety of platforms to meet standards for public relations education as published by the Public Relations Society of America.

MINORS

MEDIA PRODUCTIONS

The student newspaper, The Eastern Progress, is housed in the Department of Communication. Numerous video productions and films are also produced within the department. Majors and non-majors can receive academic credit for work on some productions.

REQUIREMENTS

Some courses may require special skills and equipment such as the ability to keystroke a minimum of 25 words per minute. Instructors will notify students of these requirements at the first class meeting.

Students may earn up to 16 credit hours toward their degree by enrolling in cooperative education courses. Credit for additional practical experience may be earned through practicums. Students majoring or minoring in the Department of Communication are required to attain a minimum grade of “C” in all courses (core and supporting) for a major or minor and a 2.25 or better GPA in all required courses (core and supporting) required for the major or minor.

Faculty
Upon completion of an English degree, graduates will demonstrate knowledge and competency in one of three sub-disciplines, while also gaining a broad awareness of the scope of English studies. Students focusing on literature will: 1) demonstrate a clear sense of the chronological and thematic development of British and American literature, familiarity with canonical writers and works of the age, and a more specialized knowledge in various genres, periods, authors, and literary trends; 2) be prepared for post-baccalaureate professional lives; 3) demonstrate the ability to think, speak, and write more effectively as literary critics. Students focusing on technical writing will: 1) write a publishable work, critical or creative, and submit it through traditional means/e-submissions; 2) possess knowledge of appropriate writers, the history, pedagogies/theories/genres, 3) possess knowledge of and apply basic research methods in their works, creative or critical, as well as use these skills to research the literary/popular marketplace. Students focusing on technical writing will: 1) produce various types of technical documents required in the workplace that reflect knowledge of audience, purpose, clarity, and precision; 2) demonstrate competence with hardware/software expected of technical/professional writers.

Accelerated 3+2 Dual Degree Program
CIP Code: 13.1305

Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their B.A. degree and M.A. degree within 5 calendar years because up to 9 semester hours of graduate-level coursework will apply to both the undergraduate B.A. degree and the graduate M.A. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required.

Entrance requirements for the 3+2 adhere to the requirements for the M.A. English Program in the Graduate Catalog. Students admitted into the program will remain coded as undergraduate until fulfilling their BA requirements. Students admitted into the 3+2 program must complete the English BA degree with a minimum 3.0 GPA to be allowed to proceed on with graduate program coursework. Students must fulfill all graduation requirements listed below.

Students may apply to the Graduate School for admission to the 3+2 program in their junior or senior year. Approval of both the department and Graduate School is required (see the form at http://gradschool.eku.edu/graduate-school-forms).

English Program Special Admission Requirements:
Literature, Creative Writing, or Technical Writing Concentrations; completion of ENG 301 and ENG 302; and overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program.

IV. EXIT REQUIREMENTS

Comprehensive Examination — All students are required to pass a written comprehensive examination (GRD 857e). Comprehensive examinations will be scheduled approximately one month before the end of the student’s final enrollment period in graduate work for the degree. Non-thesis students will take a two part examination: 1) a breadth-of-knowledge assessment (common to all students in a given concentration) and 2) a depth-of-knowledge assessment (tailored to the individual student’s scholarly interests). Thesis students will take only the breadth-of-knowledge assessment for their concentration.

Thesis — The thesis is optional in this program. Students electing the thesis option must register for ENG 898 as one of their elective courses. A student wishing to write a thesis must prepare a prospectus and have it approved by the thesis committee before registering for thesis hours. The thesis must be prepared in conformity with the regulations approved by the Graduate Council and the Department of English and Theatre. Students seeking to complete a thesis are required to pass an oral defense of their thesis (GRD 858e). Oral examinations will be scheduled approximately one month before the end of the student’s final enrollment period in graduate work for the degree. Detailed information concerning the preparation and submission of the thesis may be obtained from the program coordinator.

Bachelor of Arts in Political Science
Political Science is the study of power, conflict, and war, and of the human endeavor to maintain peace, order, and cooperation, and of the principles and ethics that guide that effort. It is the study of governments, in the United States and in other countries, and of the making and carrying out of laws and policies, by Presidents and governors, legislatures, courts, and the administrative agencies and civil service they oversee, and of the media and journalists who observe them and inform us of their actions. It is the study of cities and counties, and of their efforts to maintain and develop communities, politically, socially, and economically. It is the study of public agencies and services, and the special ways they must be organized and managed. It is the study of human values and beliefs, how they are formed and expressed in the public arena, in voting and elections, in political parties, and in the activities of organized interests, both self-seeking and public-spirited. The ancient Greek philosopher, Aristotle, said that politics is “the master science” because it influences how all other knowledge is used in society.

The objective of the political science program is to develop graduates who understand political institutions and behavior, and who in the process become able writers, speakers, thinkers, and informed students of human conflict, organization, and governance. With such knowledge and skills, graduates are well prepared for a variety of careers. Professions to which such abilities are obviously relevant include public service in government and non-profit service agencies, law, education, journalism, and military command. But political science graduates have succeeded as well in careers in a variety of different areas of business, including banking, investment management, extractive and manufacturing industries, insurance, and sales. And political science is a natural minor to accompany other majors in which such knowledge and skills are important, including social work, public health and health administration, parks and recreation, business management, and all other social sciences.

Paralegal Program

The paralegal programs offer a Bachelor of Arts degree and Post-Baccalaureate Certificate in paralegal science and an associate of arts degree in paralegal studies. The objectives of the programs are: (1) to create, implement, and maintain a strong, flexible program directed to the quality education of occupationally competent paralegals; (2) to provide a paralegal education program that leads to employment of its graduates by a wide range of employers; (3) to provide paralegals with a well-rounded, balanced education founded on a beneficial mix of general education, theory, and practical courses stressing understanding and reasoning rather than rote learning of facts; (4) to support the general principles of ethical legal practice, professional responsibility, and the prohibitions against the unauthorized practice of law by a lay person; (5) to provide an educational program that is responsive to the varied needs of the state of Kentucky and the region and contributes to the overall advancement of the legal profession; (6) to provide a program which instills respect for the legal profession and its foundations, institutions, and quest for justice; and (7) to maintain equality of opportunity in the educational program without discrimination or segregation on the grounds of race, color, religion, natural origin, or sex.

Paralegals are paraprofessionals who must work under the supervision of an attorney. The laws of Kentucky and other states prohibit paralegals from engaging in the practice of law or providing legal services directly to the public, except as permitted by law. Therefore, completion of a major, minor, or certificate in Paralegal Studies/Sciences does not entitle one to practice law, provide legal services directly to the public, or render legal advice, except as provided by law.

Paralegal Degree Requirements

Paralegal majors, minors, and certificates must attain a minimum grade of “C” in all major and supporting courses, and a minimum grade of “C” must be earned in LAS 210 before taking LAS 220. A minimum grade of “C” must be earned in LAS 220 before being admitted to any of the other upper division requirements.

Paralegal majors, minors, and certificates must take a minimum of ten (10) semester credits of courses from Major/Minor requirements in a traditional in-person or ITV format. No courses taken in an online or web-based format can count toward this ten (10) semester credit requirement.

Paralegal Transfer Students

Transfer students must take a minimum of 15 semester hours of paralegal (LAS) courses at EKU to earn a paralegal degree. Please see the EKU Paralegal Program website (www.paralegal.eku.edu) or contact the Paralegal Program Director for more information on the transfer policy for paralegal specialty courses.

Pre-Law Program

A broadly-based liberal education will best prepare one to study law, and therefore no fixed pre-law curriculum is prescribed. Admission to an accredited law school is dependent upon a good undergraduate record with an earned baccalaureate degree and a competitive score on the Law School Admission Test. Students interested in going to law school or exploring the possibility of doing so should make an appointment with the Pre-Law Advisor in the Center for Pre-Professional Advising as early in their academic career as possible. The Pre-Law Advisor can guide the student in selecting courses that will help prepare the student for law school, plus provide valuable information on law schools, the Law School Admission Test, and typical admission procedures.

Further information for pre-law students can be found at http://preprofessional.eku.edu.

Accelerated 3+2 Dual Degree Program

CIP Code: 45.1001

Students accepted to the 3+2 Accelerated Dual Degree Program are able to complete their B.A. degree and M.P.A. degree within 5 calendar years because up to 9 semester hours of graduate-level coursework will apply to both the undergraduate B.A. degree and the graduate M.P.A. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required.

Entrance requirements for the 3 +2 adhere to the requirements for the M.P.A. Public Administration Program in the Graduate Catalog. Students admitted into the program will remain coded as undergraduate until fulfilling their BA requirements. Students admitted into the 3+2 program must complete the Political Science BA degree with a minimum 3.0 GPA to be allowed to proceed on with graduate program coursework. Students must fulfill all graduation requirements listed below.

Students may apply to the Graduate School for admission to the 3+2 program in their junior or senior year. Approval of both the department and Graduate School is required (see the form at http://gradschool.eku.edu/graduate-school-forms).

MINOR IN LEGAL STUDIES

The Legal Studies Minor is an interdisciplinary program with a liberal arts focus that provides students with the opportunity to study the law, legal ideas/concepts, and legal systems/processes from a variety of perspectives. The minor is designed to provide a broad conceptual framework to explore legal studies and complement a chosen major of study. While the minor may be appropriate for those considering attending law schools, it is not a "pre-law" program and does not provide legal or paralegal training.

Core Requirement..............................................3 hours
LGS 300

Electives.........................................................12 hours
OR substitute 3 hours of special topics courses as approved by the Director of Legal Studies.

Students are strongly advised to enroll in LGS 300 before beginning Legal Studies elective studies. Students may not take more than six hours of electives with the same course prefix. Students may not count Legal Studies electives towards any other major or minor.

Co-op or Research Requirement.........................3 hours
LGS 349 or LGS 400

Total Curriculum Requirements........................18 hours

MINOR IN PARALEGAL STUDIES

A student may minor in Paralegal Studies by completing a total of 18 hours as follows: LAS 210, 220, 300 or 300W, 350, 355, and 410.

MINOR IN POLITICAL SCIENCE

A student may minor in political science by completing POL 101 plus 15 hours of which nine hours must be in courses numbered 300 or above. No more than three hours of POL 349 may count toward the minor.

MINOR IN PUBLIC ADMINISTRATION

A student may minor in public administration by completing a total of 18 hours as follows: POL 101, POL 370, POL 374, and nine hours from POL 332 or POL 333, POL 371, POL 373, POL 376, POL 377, and POL 565. Upper division courses applied to the public administration minor may not be applied to the political science minor.

BACCALAUREATE DEGREES

BACHELOR OF ARTS (B.A.)
HISTORY
CIP Code: 54.0101

Program Objectives

Upon successful completion of this program, graduates will be able to: 1) demonstrate knowledge of U.S. history, European history, and selected aspects of non-Western history at a high level; 2) demonstrate their ability to communicate effectively in both oral and written form (all students in the program will complete term papers as part of their major requirements); and 3) execute a major research project utilizing both primary and secondary sources.

All students in the baccalaureate program will submit prior to graduation a formal research project which includes both primary and secondary sources.

Because the program puts history into real-world application, it offers 24 unique pathways to prepare students for careers in:
public history, education, media, the legal field, government, non-governmental organizations including non-profits, and business/management. And students can complete any of the career preparation pathways in just four years!

While a major in History Teaching prepares students to teach high school Social Studies or to join the educational arm of such entities as historical museums and sites, majoring in History provides students with the research skills and critical thinking and communication capabilities applicable and essential to any path they pursue post-graduation. More importantly, by combining a History major with a second major or minor in such areas as communications, political science, geography, business, or tourism and recreation, students gain profession-specific skills. They also acquire real world-experience because many of these majors require or stress completing an internship. Completion of one of History’s career pathways prepares a student for pursuing such opportunities as: curatorial positions in museums and historical sites, video production, broadcasting including reporting, publishing, event planning and promotion, employment with state and federal agencies or international and non-profit organizations, and entry into graduate or professional programs such as law school.

For more information on the career preparation pathways offered by the department go to www.history.eku.edu or contact the department at the number provided above.

Accelerated 3 + 2 Dual Degree Program
CIP Code: 54.0101

Program Requirements:

Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their B.A. degree and M.A. degree within 5 calendar years because up to 9 semester hours of graduate-level coursework will apply to both the undergraduate B.A. degree and the graduate M.A. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required.

Entrance requirements for the 3+2 program adhere to the requirements for the M.A. History Program in the Graduate Catalog. Students admitted into the program will remain coded as undergraduate until fulfilling their B.A. requirements. Students admitted into the 3+2 program must complete the History B.A. degree with a minimum 3.0 GPA to be allowed to proceed on with graduate program coursework. Students must fulfill all graduation requirements listed below. Students may apply to the Graduate School for admission to the 3+2 program in their junior or senior year. Approval of both the department and Graduate School is required (see the form at http://gradschool.eku.edu/graduate-school-forms).

Special Admissions Requirements:

You must satisfy all the following conditions:

1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 option
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 option.

University Graduation Requirements:

- General Education Requirements: 36 hours (See the requirements for the regular option)
- Student Success Seminar: 1 hour (ASO 100; waived for transfers with 30+ hrs.)
- Writing Intensive Course: 42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives category

Studying abroad IS the right choice for you. Eastern Kentucky University encourages all students to take advantage of education abroad opportunities and join the top 10% of American students who have an internationalized degree. The Education Abroad...
Office has, or will find, options of a short-term winter, summer, semester or year abroad that will fit any major/minor, country of interest and budget. The Education Abroad Office manages institutional scholarship funds that can help to bring study abroad within financial reach.

Study Abroad:

Summer, Spring break, winter break, full semester, or academic year options are available through EKU’s many study abroad providers, including the Cooperative Center for Study Abroad (CCSA), the Kentucky Institute for International Studies (KIIS), the Accademia Europea di Firenze (AEF), The Knowledge Exchange Institute (KEI), AIFS Study Abroad, University Studies Abroad Consortium (USAC), SOL Education Abroad (SOL), CISabroad (CIS), as well as any number of EKU faculty-led programs that are created yearly. We can help find a winter, summer, semester, or year-long program for any student in any major.

Institutional Exchanges:

Exchanges allow for the most immersive experience abroad possible. EKU has a number of direct, institution-to-institution exchanges in a variety of countries. We are also a member of The Magellan Exchange organization (www.magellanechange.org) through which EKU students can study at any one of 16 partner institutions around the world. Students on these exchanges have the opportunity to use their financial aid to pay regular tuition and fees at EKU but go abroad to a partner institution where they will take classes alongside local students.

Language instruction is predominately in English on most exchange programs but opportunities to begin, or to perfect, foreign language abilities is possible through taking classes offered in the local language. Students from the partner institutions in turn come to EKU for a semester or year. Partner institutions are located in Japan, China, Australia, Germany, South Korea, France, Belgium, Denmark, Costa Rica, the Netherlands, Finland, Mexico, Spain and Austria. For more information on exchange options as well as our direct exchange agreements, please contact the Director of Education Abroad for an appointment.

For More Information:

Feel free to visit the Education Abroad Office in Keith 129 to pick up brochures on all the programs offered. Students interested in education abroad, whether short term, semester or exchange, are encouraged to make an appointment with the Education Abroad Office at 622-8794 or ekuabroad@eku.edu as soon as possible to discuss all options, application procedures, course approval, and costs.

**Environmental Sustainability and Stewardship**

Veterans Studies (VTS) is an academic minor or certificate program that prepares students to identify and understand the often unique experiences and challenges faced by veterans of military service. VTS offers a multi-disciplinary program that provides veteran and non-veteran students a foundation of understanding regarding military structure, culture, combat, and the psychological and physiological changes resulting from military service. This first-of-its-kind program is dedicated to educating non-veterans and veterans alike about Veteran issues. The VTS Program facilitates an environment of inquiry about the transformative nature of military service and provides students the knowledge necessary to improve services for veterans and their interaction and relations with veterans. AGS students may obtain a concentration in Veterans Studies.

**Mission and Goals**

The Department of Languages, Cultures and Humanities is a multi-disciplinary unit which offers a variety of programs through which students gain new insights into other cultures, and develop the language skills necessary for participation and leadership in the global community. The Spanish programs prepare the students to communicate in a major world language spoken on several continents. Our Spanish teaching degree helps meet the increasingly critical need for foreign language teachers in Kentucky. We also offer certificate programs primarily for non-language majors with concentration on basic conversation skills and cultural understanding, currently available in French, German, Japanese, and Spanish. The department helps students to fulfill General Education requirements in Elements 3 and 6 through course offerings in French (FRE), German (GER), Japanese (JPN), Latin (LAT), Spanish (SPA), and occasionally other languages such as Arabic and Chinese (as FLS courses); through foreign culture and civilization courses (FCC); and also through the basic sequence of Humanities courses (HUM). All our courses, whether in language, literature, culture, or humanities, strive to foster an atmosphere in which students can experience the joy of learning and intellectual fulfillment while developing deeper understanding and appreciation of cultural diversity.

1. Certain courses are inappropriate for students with native or near-native fluency in a particular language. Native speakers of a foreign language (i.e. a language other than English) are welcome to take our courses at an appropriate skill level. However, such students cannot be given credit for introductory courses (100/200 level), in their native language either by enrolling in the course or by taking an exam for credit. Exceptions to this restriction, such as heritage speakers who need to take a lower level course to correct language deficiencies, must be approved by the relevant foreign language faculty in consultation with the chair. Other exceptions may apply, at the discretion of the coordinator and foreign language faculty in conjunction with the chair.
2. Students who transfer credits must earn no fewer than 15 upper-division hours in the major and 9 upper-division hours in the minor at EKU, the exact minimum to be determined by the department chair in consultation with the faculty in the major area.
3. Eastern Kentucky University students are required to obtain the department chair’s written prior approval of any course work they plan to transfer back to EKU for application to the major or minor.
4. A grade of “C” or higher is required in each course to be applied toward the major and minor.
5. Students in teaching programs must attain a minimum 2.75 GPA in their teaching major to be recommended for student teaching.
6. Spanish majors must attain a minimum 2.75 GPA in the major, and must also pass a departmental proficiency exam which covers spoken and written language, culture, and literature. Teaching majors must pass the proficiency exam to be recommended for student teaching. Students will ordinarily take the exam no later than in the first semester of their senior year.

Mission Statement
The EKU School of Music provides a relevant and comprehensive music curriculum through individualized attention and student-centered learning. We create a diverse community of musical leaders for the 21st Century who will enhance the fabric of their society, the commonwealth, and beyond through the power of music.

Program Objectives
Upon successful completion of the Bachelor of Music program, graduates will be able to perform a recital in their major applied area, communicate effectively about the theoretical concepts in music, and identify and analyze musical works from diverse cultures and historical periods.

In addition, all music education majors will demonstrate the ability to sing, play a variety of instruments, develop lesson plans, and engage in effective teaching during a student teaching semester. All theory and composition students will demonstrate composition skills and present original compositions in public recitals as well as identifying an area of advanced analysis of musical works through a senior project. All music industry students will demonstrate music technology skills, identify trends in the music business field, and demonstrate an ability to work with professionals through cooperative learning experiences.

Admission to the Music Major Program
Admission to the Bachelor of Music programs requires a successful audition for the applicable applied teacher. The student is expected to demonstrate acceptable levels of achievement in performance in terms of intonation, tone quality and rhythmic accuracy. Incoming students will be expected to perform two selections of contrasting styles. Students may be accepted on probationary status at the discretion of the applied teacher and the School of Music chair.

Bachelor of Music Core Requirements

**APPLIED MUSIC**

All music majors must complete a minimum of seven semesters of applied lessons with at least three of the semesters at the upper division levels (numbered 300 or 400). Applied students must complete a jury examination at the end of each semester. Each major is required to enroll in applied music every semester of full-time enrollment.

**Solo Recital Performance**
Each major is required to perform the equivalent of a half recital (MUS 399) during the course of study.

**Ensemble Requirements**
Each major is expected to enroll in a major ensemble reflecting the major applied area of study every semester of full-time enrollment. Wind and percussion majors will enroll in MUS 256 (Marching Band), MUS 255A/455A (Symphonic Band), MUS 255B/455B (Concert Band), or MUS 235/435 (Symphony Orchestra). With permission of the Department Chair, MUS 254/454 (Jazz Ensemble) may be submitted for the major ensemble requirement for wind and percussion majors. Orchestral string majors will enroll in MUS 235/435 (Symphony Orchestra) or MUS 236/436 (String Orchestra). Some string bass majors may be assigned to MUS 255A/455A (Symphonic Band) pending auditions. Guitar majors will enroll in MUS 257/457 (Guitar Ensemble). Vocal majors will enroll in MUS 225/425 (Concert Choir) or MUS 226/426 (University Singers). Keyboard majors may substitute accompaniment (MUS 313 or 513) for ensemble credits. Even if the student plans to study in two or more applied areas, one of them must be declared the major. Students enrolling in more than three ensembles should receive permission for such participation from their applied teacher, ensemble director, and advisor. All wind and percussion majors have required corequisite small and large ensembles with their applied lessons. Voice/string majors have a corequisite large ensemble required with applied lessons and must demonstrate experience in small choral/string ensembles.

**Recital Attendance**
All majors are required to attend 16 recitals including the Friday recitals and other departmental concerts held throughout the semester (MUS 101) for at least six semesters. Performances off campus must receive approval by department chair.

**MUSIC EDUCATION**
All wind and percussion majors must complete at least three semesters of MUS 256. All Music Education majors must elect MUS 383.

**MUSIC PERFORMANCE**
All performance majors must pass an audition beyond the entrance audition. They will be on probationary status for one to four semesters. At the end of the probationary period, the student may re-audition for full candidacy. The Audition Committee will consist of at least three members of the music faculty including the applied teacher. All performance majors must give a full recital (MUS 499) in addition to the half recital required of all majors. Vocal performance majors must elect foreign language as part of
their Gen. Ed. studies.

**Music Industry**
All music industry majors must complete 3 or 4 credit hours of Co-op (MUS 349). All Co-op projects must be approved by the Co-op office, department chair, and Co-op coordinator.

**Music Theory and Composition**
Theory and composition majors must complete two credits of beginning composition (MUS 283) and eight credits of advanced composition (MUS 483). Composition students will include the performance of their compositions as part of the recital requirement. All theory and composition majors must elect additional piano studies. Theory students will complete a senior thesis or project (MUS 499) as part of this degree program.

McSpirit (Anthropology, Sociology, & Social Work), R. Mitchell (Psychology), L. Newhart (Philosophy & Religion), L. Noblitt (Government), B. Pratt (Agriculture), S. Sumithran (Biological), and S. Tsiang (English)

Program Objectives

Animal Studies (ANS) is an interdisciplinary major that concentrates on nonhuman animals, their interactions and relationships with people, and the mutual influences humans and nonhuman animals have on each other’s existence, evolution, and history. Students in Animal Studies receive training in sciences, humanities, and applied fields. Within their cross-disciplinary training, students will choose to emphasize at least one of these areas of study. Graduates of the program will gain knowledge of and be able to evaluate ideas about nonhuman animals, humans, and their mutual influences informatively from diverse perspectives. Upon completion of the ANS degree, graduates will be able to (1) analyze contexts and events concerning animals knowledgeably and from diverse points of view; (2) elucidate the motives and consequences for diverse human-animal interactions; (3) evaluate the impacts of human uses of and attitudes toward animals on individuals and communities, and on evolution and history; (4) integrate cross-disciplinary ideas into an awareness of divergent perspectives on animals and humans; and (5) use skills and expertise in understanding animals and humans to obtain employment.

The College of Science offers baccalaureate and masters programs in a number of disciplines encompassing the natural and mathematical sciences. The college also offers pre-professional programs in pre-dental, pre-engineering, pre-optometry, pre-physician assistant, pre-pharmacy, pre-veterinary, and pre-medical sciences; minors in Biology, Chemistry, Chemistry/Teaching, Computer Science, Informatics, Cybersecurity and Intelligence, Earth Science Teaching, Forensic Science, Game Content Design, Geography, Geology, Mathematics, Mathematical Sciences, Mathematics/Teaching, Statistics, Actuarial Science, Physics and Physics Teaching; and certificate programs in Informatics and Geographic Information Science (GIS). The College of Science plays a central role in the University’s general education program through which all University students are provided the opportunity to develop the skills, the knowledge, and the discernment essential to the full development of each person as an individual and as a member of society.

Through its disciplines, the College of Science strives to provide all students an excellent education with the most complete and current resources; to provide service to the University and to the community through its academic programs; and to encourage and support research in all the disciplines included in the College.

DEGREES OFFERED

The College of Science offers the following baccalaureate degrees: Bachelor of Arts, Bachelor of Science, Bachelor of Arts in Individualized Studies, and Bachelor of General Studies.

COLLEGE DEGREE REQUIREMENTS

General University degree requirements as set forth in Section Four of this Catalog as well as specific course requirements set forth in the descriptive curricula must be met by students completing programs administered by the College of Science. All students graduating with majors in the College of Science must have a 2.0 GPA in the major exclusive of any supporting courses. Students pursuing a minor in the College must have a minimum 2.0 GPA in the minor. At least twenty-five percent of the courses in the major must be taken at Eastern Kentucky University. In addition, individual programs may have specific requirements that exceed College requirements. Students should consult with an advisor or department chair to learn the particular requirements of a program.

NATURAL AREAS

Dr. Melinda Wilder, Director
Dr. Stephen Richter, Associate Director for Research
Science Building 3106
(859) 622-1476

Eastern Kentucky University owns three natural areas: Lilley Cornett Woods Appalachian Ecological Research Station (Letcher County), Maywoods Environmental and Educational Laboratory (Garrard and Rockcastle counties), and Taylor Fork Ecological Area (Madison County). The Division of Natural Areas is responsible for stewardship and management of these areas as well as coordinating research, K–16 educational programs, public outreach, and use of these areas. All three natural areas are actively used for education and scientific research by faculty and students of the University and other institutions. The Natural Areas are available for use by the general public for passive recreation activities such as hiking, fishing, and wildlife photography.

Lilley Cornett Woods, the oldest and most studied tract of old-growth forest in eastern Kentucky, is a Registered Natural Landmark (U.S. Department of Interior) and is operated as a nature preserve. Onsite facilities include a visitor center, a research and learning laboratory, a bunkhouse, manager’s home, outdoor teaching pavilion, maintenance building, research laboratories, and housing. Public use is limited to guided tours in this unique forest.

Maywoods Environmental and Educational Laboratory is used extensively by the University and elementary and secondary schools for environmental education as well as academic year and summer courses. This 1700-acre forested natural area, including a 13-acre lake, is a wildlife refuge that provides protective habitat for native wildlife through approved wildlife management practices. Onsite facilities, including a lodge with classroom and sleeping space, manager’s home, outdoor classroom shelter, amphitheater, and maintenance building, offer an excellent off-campus venue for meetings and workshops. The site is open to the public for fishing, and hiking on any of the six self-guiding trails.

Taylor Fork Ecological Area is a 60-acre site near EKU’s main campus in Richmond. The Area’s habitat is primarily old pastureland with fencerow strips of trees and small patches of woods and canebrakes. Developed as a site for experiential learning, research, and restoration, Taylor Fork was conceived by students in EKU’s Wildlife Management Program. The site currently has no facilities and is open to the public for hiking on the designated trails.

In addition to managing EKU’s properties, the Division of Natural Areas houses the Center for Environmental Education. The Center is involved in a variety of community and educational outreach programs through the University, public school districts,
and the Kentucky University Partnership for Environmental Education, which includes all eight state universities and the Kentucky Community and Technical College System.

For further information about the use and availability of EKU’s Natural Areas for research, education, leisure or educational programming, please call (859) 622-1476 or visit the website, www.naturalareas.eku.edu.

AFFILIATED ACTIVITIES AND RESOURCES

GULF COAST RESEARCH LABORATORY

Eastern Kentucky University is affiliated with the Gulf Coast Research Laboratory, Ocean Springs, Mississippi. This affiliation provides undergraduate and graduate students with the opportunity to take courses and conduct research in marine sciences at an established, well equipped laboratory located on the Gulf of Mexico. Students electing to study at Gulf Coast Research Laboratory do not pay out-of-state tuition. Courses are taught at Gulf Coast Research Laboratory, only during the summer. The Laboratory furnishes the staff for course work and research. Applications for the program and additional information are available in the departments of Biological Sciences, and in the Division of Natural Areas.

PRE-HEALTH PROFESSIONS ADVISING

James Luba, Ph.D.
Science Building Room 1234
(859) 622-7894

EKU has a number of programs that will help prepare students for professional schools following graduation. These schools generally do not require a specific major, provided that their prerequisite courses are taken. All professional schools are highly competitive in their admissions process. Thus, students should aim for strong GPA and professional school admission test scores. Students are encouraged to seek a major that they feel comfortable with, that they have a strong aptitude for, that is interesting and challenging, and that provides additional career concentrations. Additional information may be found at www.science.eku.edu.

PRE-PHARMACY

It is recommended for students interested in pharmacy to complete a four-year degree with a B.A. (Pre-Pharmacy Concentration) in chemistry. The chemistry pages in this Catalog list the appropriate courses for this concentration. The Pre-professional advisor, who is familiar with the pharmacy admissions process, will be assigned. Students interested in pharmacy may major in any subject provided certain pre-requisite courses are taken. While it is possible for students to be admitted to a pharmacy school after just two years of undergraduate training, the competitive nature of these programs suggest students should complete their major in preparation for pharmacy school.

Pharmacy schools differ in their individual requirements, so students should check the web pages of the pharmacy school of their choice, and then determine which courses to take after consulting their pre-pharmacy advisor. The application process typically begins in the fall of the senior year. Pharmacy schools require the PCAT and they look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing pharmacists or working as a pharmacy technician. Admission to pharmacy schools depends on a good balance among each of these areas in addition to strong PCAT scores and a high GPA.

PRE-PHYSICIAN ASSISTANT

Physician assistant professional schools are primarily in university schools of medicine and allied health. Although programs vary in length, most physician assistant programs require 24-28 months to complete. Most programs require applicants to have completed a minimum of three years of college prior to admission and to have had previous health care experience. Most successful applicants to PA programs have earned a bachelor’s degree, and have accumulated a significant number of hours shadowing a Physician Assistant and working with patients in a clinical setting.

Prerequisite course requirements vary from school to school. Students are encouraged to consult with the Center for Pre-Health Professions Advising to determine which physician assistant programs are of interest, and pattern their course work to fulfill these specific program requirements.

PRE-MEDICAL SCIENCE

Students with career interests in allopathic medicine, osteopathic medicine, or podiatry may achieve admission to professional schools by graduating in any major, provided certain prerequisites are met. Typically, 75% of students that enter medical school majored in the physical, natural, or social sciences, with the remaining 25% from other disciplines.

The College of Science offers both the Biomedical Sciences (Pre-Medical Concentration) in Biology and the Bachelor of Arts (Pre-Medical Concentration) or Bachelor of Science (Pre-Medical Concentration) degree in Chemistry. Students pursuing degrees in either department will complement their studies with appropriate courses in humanities, social sciences, and communications. Courses in mathematics and physics will also be required. All students interested in these areas are urged to visit the Department pages in this Catalog, or go on-line to find details of these major programs. More information may be found at the EKU pre-professional web page at preprofessional.eku.edu.

Students interested in medical school should consult the medical school admission requirements for their schools of interest or those published in the MSAR (Medical School Admissions Requirements) book.

Students in Biomedical Sciences or Chemistry pre-med concentrations are assigned to a pre-medical sciences advisor in their Department or the College of Science Pre-Professional advisor. These advisors work closely with each student to help plan programs of study and prepare for the process of gaining admission to the chosen professional school. EKU also has a University Pre-Health Advisory Committee. This committee assists students in their application process and prepares committee letters of evaluation for them. The application process typically lasts over a year, so it is important for students to contact the chair of the University Pre-Health Advisory Committee by the end of their junior year.
Each medical school requires an admission exam, either the MCAT for medical schools or the GRE or MACAT for podiatry schools. These professional schools also look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing professionals in these fields. Admission to professional schools is highly competitive and depends on a good balance among each of these areas, in addition to a strong MCAT score and a high GPA.

**Pre-Dentistry**

Students interested in dentistry can major in either Chemistry (B.A. or B.S., Pre-Dental Concentration) or Biomedical Sciences (B.S., Pre-Dental Concentration), although dental schools will accept students from any academic background, provided certain prerequisites are met. Students are encouraged to check individual dental schools for details of their requirements.

Students majoring in either Biomedical Sciences or Chemistry will be assigned an advisor in their department who is familiar with dental-school admissions procedures. Pre-Dentistry students should make use of the University Pre-Health Advisory Committee. This committee assists them in their application process and prepares letters of evaluation for them. The application process typically lasts over a year, so it is important for students to contact the chair of the University Pre-Health Advisory Committee by the end of their junior year. More information may be found at preprofessional.eku.edu.

Dental schools require the DAT admission exam, and they look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing dentists. Admission to dental schools is highly competitive and depends on a good balance among each of these areas, in addition to strong DAT scores and a high GPA.

**Pre-Optometry**

Students interested in admission to optometry school may complete any degree program, but typically they major in either Chemistry (B.A., Pre-Optometry concentration) or Biomedical Sciences (Pre-Optometry concentration). See the Department pages in this Catalog for details of these programs. Refer to specific optometry school admission requirements for listings of appropriate prerequisite courses. Students in Biomedical Sciences or Chemistry will be assigned an advisor knowledgeable about optometry admissions procedures who will assist them in their application process. This process typically begins in the fall of the senior year. Optometry schools require the OAT exam, and look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing optometrists.

Admission to optometry schools is highly competitive and depends on a good balance among each of these areas in addition to strong OAT scores and a high GPA.

There are no Kentucky optometry schools, but colleges of optometry at Indiana University at Bloomington, the University of Alabama at Birmingham, and Southern College of Optometry at Memphis, all have contracts with Kentucky for a limited number of spaces for Kentucky residents. Students accepted under this program are exempt from the out-of-state tuition charge at these schools. For residents of Kentucky to be accepted under the Kentucky quota, application must be made directly to one of the contract schools.

**Pre-Veterinary Medicine**

Students who have a career interest in veterinary medicine may fulfill admission requirements of specific veterinary schools by pursuing either the Biomedical Sciences major (Pre-Veterinary Medicine concentration) or the Agriculture major (B.S.). See the Department pages in this Catalog for details of these programs. Refer to specific veterinary schools for listings of appropriate prerequisite courses. Students should complement their studies with appropriate courses in humanities, social sciences, communications, and agriculture. Courses in mathematics and physics will also be required.

Students in Biomedical Sciences will be assigned an advisor knowledgeable about veterinary school admissions procedures who will assist them in their application process. Applications generally must be submitted by October 1st of the senior year. Veterinary schools typically require the GRE, and they look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing veterinarians. Admission to these schools is highly competitive, more so than admission to medical schools, and depends on a good balance among each of these areas in addition to strong GRE scores and a high GPA. For more information, please refer to preprofessional.eku.edu

No Kentucky institution has a program in veterinary medicine; however, the Commonwealth has contracts to allocate a limited number of places in Auburn University’s College of Veterinary Medicine and Tuskegee University’s School of Veterinary Medicine to Kentucky residents. Students accepted under this program are exempt from the out-of-state tuition charge at these schools. For residents of Kentucky to be accepted under the Kentucky quota, application must be made directly to one or both of the contract schools.

**Biomedical/Health-Related Research**

Students with an interest in careers in biomedical/health-related research should consider a B.S. in Chemistry (Biochemistry concentration) or a B.S. in Biomedical Sciences (Research concentration). With these B.S. degrees, students may work in academic and industry research laboratories. Some students may choose to earn an advanced degree at either the M.S. or Ph.D. level. Both the Chemistry major and the Biomedical Sciences major will prepare students for these advanced degrees.

**Pre-Engineering**

There is a pre-engineering curriculum offered by the College of Science, described below. Students interested in a particular engineering program should see the pre-engineering advisor in the Department of Physics and Astronomy. Many students also choose to complete their B.S. in Physics/engineering physics major at EKU.

In the pre-engineering curriculum, referred to as the Dual Degree Option, students spend two or three years at EKU taking basic science, mathematics, and general-education courses. Students then transfer their credits to the University of Kentucky, Auburn University, or another university with an accredited engineering program earning both a baccalaureate degree from EKU in Physics and an engineering degree from the engineering school.

All students pursuing a Dual-Degree Engineering Program
in the Department of Physics and Astronomy should pursue the
Engineering Physics Concentration of the Physics B.S. program.
Because preferred general education and supporting courses may
vary depending upon the partner engineering school, it is essential
that students pursuing the Dual-Degree Program in Engineering
work closely with their departmental advisors.

After the first year of professional study, students transfer the
work back in order to secure a Bachelor of Science degree from
Eastern Kentucky University. This plan may shorten, by one year,
the time needed to obtain both a baccalaureate and a professional
degree.

BACHELOR OF SCIENCE (B.S.) BIOMEDICAL SCIENCES
CIP Code: 26.0102

The Biomedical Sciences degree program is a rigorous
program designed to prepare students for careers in
biomedical research and a wide variety of biomedical
professional programs. The Biomedical Sciences degree can be
tailored to prepare students for graduate or professional
schools, including but not limited to medical, dental, physician
assistants, optometry, and veterinary medicine. This degree
will prepare students interested in pursuing a broad range of
careers, including biotechnology, industrial microbiology, or
pharmaceutical sales. The biomedical sciences degree provides
students with a curriculum that develops strong creative and
critical thinking skills while also providing them with the
required and recommended courses for admission to graduate and professional schools. All students must be admitted to the University by the EKU Admissions Office and declare their major as biomedical sciences (BMS). For admission to the BMS program, a high school graduate must meet the following three criteria:

1. A Math ACT score of 23 (or equivalent SAT) or a “C” or better in MAT 112 or 114
2. An English ACT score of 20 (or equivalent SAT), or a “C” or better in ENG 101

Individuals who are transfer students or wish to change their major must have attained a minimum GPA of 3.00 overall on a minimum of 24 hours attempted. Entering freshmen and transfer students who do not meet the minimum requirements are encouraged to enroll in the general option of the Biology BS program, until qualified to transfer into the program.

Progression Policy

The Biomedical Sciences degree program limits the number of major core, concentration, and supporting courses which may be repeated. Students are allowed only one repeat per major course and a total of not more than two repeats in all major courses combined. In addition, a supporting course may be repeated only once.

To remain in the Biomedical Sciences degree program, a student must maintain an overall GPA of 3.0 with a grade of “C”/2.0 or better in each of the supporting and major courses of the curriculum. Students who fail to maintain a 3.0 GPA will be removed from the BMS program and placed in the Biology B.S. program, General Biology Concentration.

UNIVERSITY GRADUATION REQUIREMENTS

MAJOR REQUIREMENTS

Biology Core ..........................................................28 hours
BIO 111(4), 112(4), 315(4), 318(4) or 319(4), 320(4), 331, 332(1), 348, 495(1).

Concentration Requirements (must select at least one; courses used for one concentration may not count toward another concentration):

Biomedical Research .............................................25-28 hours
BIO 531(4); CHE 362/362L(4); 430 or 431, 432(1); MAT 234(4) or 234H(4); and nine credit hours from the following: BIO 342(4), 527, 528, 533, 535(4), 546(4), 547(4), 598(1-4), CHE 430, 431.

Pre-Medical ..........................................................24-28 hours
CHE 362/362L(4), 430, 431; MAT 120 or higher; PHY 132(5) or 202(5); and at least six credit hours from the following: BIO 531(4), 527, 528, 531(4), 535(4), 546(4), 547(4), 598(1-4), CHE 432(1).

Pre-Dental ............................................................26-28 hours
BIO 531(4) or 546(4); CHE 362/362L(4); 430 or 431; MAT 120 or higher; and nine credit hours from the following: BIO 531(4), 527, 528, 531(4), 535(4), 546(4), 547(4), 598(1-4), CHE 430, 431, 432(1).

Pre-Physician Assistant .......................................26-28 hours
BIO 531(4); EMC 105(1) or HSA 200; MAT 120 or higher; PSY 280 or 280W; and at least six credit hours from the following: BIO 527, 528, 531(4), 535(4), 546(4), 547(4), 598(1-4), CHE 362, 430, 431, 432(1).

Pre-Optometry .......................................................22-24 hours
CHE 362/362L(4); CHE 430 or 431; MAT 234(4) or 234H(4); PHY 132(5) or 202(5); and six credit hours from the following: BIO 527, 528, 531(4), 535(4), 546(4), 547(4), 598(1-4), CHE 430, 431, 432(1).

Pre-Veterinary .......................................................22-28 hours
AGR 321(4) or 421; CHE 362/362L(4); 430 or 431; MAT 120 or higher; and nine credit hours from the following: BIO 527, 528, 531(4), 533, 535(4), 546(4), 547(4), 550(4), 552, 598(1-4), CHE 430, 431, 432(1).

### MINOR

**Minor in Biology**

A student may qualify for a minor in biology by completing 21 semester hours to include BIO 111(4), 112(4), 318(4), 319(4) and five additional hours selected from those 300 through 500 level courses normally taken for one of the majors in the department.

A Minor in Biology will prepare students pursuing a teaching degree to seek certification to teach Biology at the secondary level. Students pursuing any degree offered by the Department of Biological Sciences may not declare a Minor in Biology. Teacher certification with a minor in biology requires the same 21 semester hours of course work stipulated in the above paragraph.

Students are encouraged to pursue a Minor in Entrepreneurship in the School of Business (see page 103 of the Catalog).
their B.A. Chemistry degree.

Students accepted into pharmacy school after three years as a Chemistry major will have completed 80% of the B.A. Chemistry degree. As such these students, upon completion of pharmacy school, may transfer pharmacy coursework back to EKU, to be used in lieu of outstanding EKU Chemistry course requirements; and thereby complete the BA Chemistry degree. The student’s record will be reviewed for completion by the Registrar, and providing all other University requirements are met, the student will be awarded an EKU B.A. Chemistry degree. Students interested in transferring back pharmacy coursework can enquire by emailing registrar@eku.edu.

M.S. CHEMISTRY MAJOR REQUIREMENTS

A. Core Requirements ............................................ 27 hours

I. 700-level Requirements ...................................... 12 hours
a. CHE 715(5) and one of the following: *CHE 770(4) or 774/774L(4) or 775/775L(4).......................... 9 hours
   *Students in the B.A. Chemistry 3+2 program are required to take CHE 770(4)
   b. Additional course in chemical/biological science or mathematics .............................................. 3 hours

II. 800-level Requirements .................................. 15 hours
a. CHE 810(2), 811(2), 880(1), and 1 additional hour from either CHE 811 or 881 ......................... 6 hours
   b. Pick three courses from the following: CHE 822, 830, 850,860................................................. 9 hours

B. Program Tracks:

   Students will pick one of the following tracks
   Thesis Track: Graduate Research – Written Thesis Required 6 hours
   CHE 899(6).
   Internship Track: Applied Learning in Chemistry – Written Report Required ........................... 6 hours
   CHE 839(6), or CHE 839(3); and 3 hours of CHE 700/800 level courses.
   Coursework Track ............................................. 6 hours
   Three (3) hours of CHE 800 level courses and 3 additional hours from CHE 700/800 level courses.

Exit Requirements:

   Thesis/Internship Option — A thesis/report based upon the original research/project in the area of the student’s research concentration must be submitted. A final comprehensive oral examination (GRD 858b) in defense of the thesis/report and related course work is required.
   Coursework Option — Candidates must earn a 3.0 GPA (or higher) for all program coursework for the option. In addition, the candidate for the coursework option must pass a final examination (GRD 858c). The committee will decide the format of the examination.

Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their B.S. degree and M.S. degree within 5 calendar years because of the accelerated curriculum and because 9 semester hours of 700-level graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

Admission Requirements:

Students interested in this option must satisfy all the following conditions:
1. Junior or Senior standing  
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program  
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)  
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 option.

Program Requirements:

Students in 3+2 Accelerated Dual Degree Option must complete the listed Chemistry (B.S.) program requirements along with the same requirements for the M.S. Chemistry Program (presented in the Graduate Catalog: listing at http://gradschool.eku.edu/graduate-catalog). Nine (9) credit hours of 700-level graduate coursework (Biochemistry, Pre-medical, or Pre-Dental Concentration: CHE 715 and 770 or Chemistry Concentration: CHE 715 and 774/774L) are applicable to the undergraduate degree.

A. Core Requirements .................................................. 27 hours

I. 700-level requirements ............................................. 12 hours
a. CHE 715(5) and one of the following: CHE 770(4),
*774/774L(4) or *775/775L(4)................................. 9 hours
*Students in the B.S. Chemistry 3+2 program are required to
take CHE 774/774L(4) or 775/775L(4).
b. Three additional hours in chemical/biological science or
mathematics .............................................................. 3 hours

II. 800-level Requirements ............................................. 15 hours
a. CHE 810(2), 811(2), 880(1), and 1 additional hour from
either CHE 811 or 881 .............................................. 6 hours
b. Pick three courses from the following: CHE 822, 830, 850,
860, ........................................................................ 9 hours

B. Program Tracks:

Students will pick one of the following tracks

Thesis Track: Graduate Research – Written Thesis Required
6 hours
CHE 899(6)

Internship Track: Applied Learning in Chemistry – Written
Report Required .......................................................... 6 hours
CHE 839(6) or CHE 839(3) and 3 hours of CHE 700/800 level
courses.

Coursework Track .......................................................... 6 hours
Three (3) hours of CHE 800 level courses and 3 additional hours
from CHE 700/800 level courses.

Exit Requirements:

Thesis/Internship Track — A thesis/report based upon the
original research/project in the area of the student’s research
concentration must be submitted. A final comprehensive oral
examination (GRD 858b) in defense of the thesis/report and related
course work is required.

Coursework Track — Candidates must earn a 3.0 GPA (or higher)
for all program coursework for the option. In addition, the
candidate for the coursework option must pass a final examination

(GRD 858c). The committee will decide the format of the examination.

Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their B.S. degree and M.S. degree within 5 calendar years because of the accelerated curriculum and that 9 semester hours of 700-level graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

Admission Requirements:
Students interested in this option must satisfy all the following conditions:
1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 option.

Program Requirements
Students in 3+2 Accelerated Dual Degree Option must complete the listed Forensic Science (B.S.) program requirements along with the same requirements for the Chemistry M.S. Program (presented in the Graduate Catalog: listing at http://gradschool.eku.edu/graduate-catalog). Nine (9) credit hours of 700-level graduate coursework (CHE 715 and 770) are applicable to the undergraduate degree.

MINOR IN CHEMISTRY
A student may minor in chemistry by completing CHE 111, 111L(1), 112, 112L(1), 361, and 361L(1), plus any two additional courses* from the following list: CHE 325 (co-requisite CHE 325L(1)), 362 (co-requisite CHE 362L(1)), 430, 431, 450, 501, 520, 570, and FOR 440.

TEACHING CERTIFICATION FOR CHEMISTRY MINOR
Students may seek a minor in chemistry in conjunction with the completion of a teaching certificate**, which will qualify them to teach chemistry at the secondary level. The teaching minor in chemistry must be coupled with a secondary teaching certificate in another discipline. For students with a middle school science concentration, requirements are met. Students enrolled in a teaching program other than science who desire teaching certification in chemistry will be required to take ESE 561.

The minor will be considered an add-on certificate and cannot be recommended until the secondary teaching program is completed and a recommendation for certification has been processed. Appropriate PRAXIS exams must be completed for each area of certification being recommended.

*See Course Descriptions for prerequisite and corequisite requirements.

MINOR IN FORENSIC SCIENCE

Program Objectives
The mission of the Bachelor of Science in Computer Science program is to provide students with an education that will prepare them to develop a career in the fields of computer science or computer forensics.

Program Educational Objectives/Goals for General Computer Science Concentration
1. Our graduates will be productive professionals in the computing field.
2. Our graduates will develop professionally through continued formal education and/or professional activities.
3. Our graduates will demonstrate leadership skills at work.
4. Our graduates will contribute to community as computing professionals.

Program Educational Objectives/Goals for Computer Forensics & Security Concentration
1. Our graduates will be productive professionals in the computer forensics field.
2. Our graduates will develop professionally through continued formal education and/or professional activities.
3. Our graduates will demonstrate leadership skills at work.
4. Our graduates will contribute to community as computer forensics professionals.

2Under special circumstances, a student may seek an administrative waiver of the CSC 349 requirement from the Computer Science Curriculum Committee and the department chair. Waiver recipients are required to complete three semester hours of additional course work approved by the Computer Science Curriculum Committee.
3BIO 315 has a prerequisite of BIO 111 or 112.
4 GEO 353 has a prerequisite of one course from: AGR 216, GEO 100, 210, 220, GLY 102, 107, or 108.

MINORS

MINOR IN COMPUTER SCIENCE

Minor in Computer Science ..........................21 hours
A student may minor in computer science by completing CSC 185, 190, 191, 195, 310, 340, and one of CSC 200, 320, or 545.

MINOR IN CYBERSECURITY AND INTELLIGENCE

Minor in Cybersecurity and Intelligence ..........21 hours
A student may minor in Cybersecurity and Intelligence by completing HLS 401, HLS 402, HLS 403, INF 321, INF 322, and two courses from CIS 320, CIS 325, CIS 332, CSC 520, CSC 542, CSC 548, INF 307, INF 314, or INF 318.

MINOR IN GAME CONTENT DESIGN

Minor in Game Content Design .....................20 hours
A student may minor in Game Content Design by completing INF 130, CSC 140, MUS 290(2), INF 330, BEM 353W, INF 430, and one of ART 100, INF 120 or ENG 306.

MINOR IN INFORMATICS

Minor in Informatics ..................................18-19 hours
A student may minor in Informatics by completing INF 104 or CIS 212; INF 314; INF 123 or 307; one of STA 215, 270(4)*, or QMB 200*; and six additional semester hours from INF 105, 120, 130, 301, 318, 330, 495, CSC 140, 160, 170, 174, 177, 178, 190*, CIS 315, 320, 325, HSA 370, STA 340, or INF 123 or 307 (if not used above).

*Includes MAT 112, 114 or 122 as a prerequisite

CERTIFICATE

Certificate in Informatics ........................................12 hours
A student may qualify for a Certificate in Informatics by completing INF 104 or CIS 212; INF 307 or CCT 304S; INF 314; and three additional semester hours from INF 105, 120, 123, 130, 301, 318 or 330, or CSC 140, CIS 420, or INF 510*

*Bachelor in General Studies students who are also seeking the professional Certificate in Informatics must take CIS 420 or INF 510.

Our programs provide students with a comprehensive understanding of the breadth and depth of the geosciences through field-based and experiential curricula, innovative teaching methods, applied research, and community outreach focused on the needs of southeastern Kentucky. The Department of Geosciences is committed to enabling our students to achieve their full potential as skilled professionals in a diverse range of companies and governmental organizations, and as effective teachers, community leaders, and educated global citizens. Our programs produce students who are informed users of a range of technologies, responsible stewards of our natural resources, lifelong learners, and active participants in a global society.

**Bachelor of Science in Geographic Information Science**

The digitization of geographic data, and the wide availability of portable, low-cost technology that utilizes spatial data (smart phones, unmanned aerial vehicles (“drones”), OnStar), has created a booming demand for geographic information. The proliferation and availability of satellite data, and increasing global competition have fueled the hunger for geographic information from businesses, governments and government agencies, and private citizens. Apps and games that make use of altered or virtual reality rely on up-to-date, accurate geographic data to function. As a result, the need for qualified geographic information scientists and mapping professionals is larger than the current supply of these professionals, and employment for these professionals is increasing at rates much higher than national rates for other STEM fields.

The B.S. Geographic Information Science program prepares students for graduate study or for employment in the field of geospatial techniques, as well as in fields where geospatial techniques are used to solve problems of importance to businesses, communities, and society. The program provides a foundation of geographic knowledge in introductory coursework through which data of geographic relevance can be understood, analyzed and interpreted; foundational skills in spatial data collection and interpretation in core coursework; and advanced knowledge and skills in geographic information science. Through internships, independent research opportunities, service learning opportunities within our curriculum, applied collaborative projects with other departments on EKU's campus and entities within our service region, students will be well poised to use their geographic information science knowledge and skills in a variety of careers, and engage our community beyond the campus of EKU in using geographic information science to assess issues of concern to these communities and provide possible solutions to their concerns.

The B.S. Geographic Information Science program is designed with intentional flexibility that allows for the completion of two degree programs or the addition of relevant minor and certificate programs. The integration of multiple programs will prepare students to be more successful in joining the workforce in disciplines such as geology, anthropology, homeland security, intelligence studies, and wildlife management, just to name a few. Most job postings in these areas require geographic information science skills as a prerequisite for gaining employment, and geographic information is, by nature, an interdisciplinary area of study that is utilized in a variety of careers spanning all six of EKU’s Colleges.

**Bachelor of Science in Geology**

Geology is the study of Earth; we study the processes, behavior and materials of Earth, its water and its atmosphere both in recent times and in the geologic past. Through understanding how Earth formed, how it changed over billions of years, and how it continues to function today, we can look forward in time to predict how natural processes and human actions will interact to impact Earth in the future. Knowledge of geological concepts and processes helps scientists, politicians, and business professionals make decisions about the use of Earth’s natural resources, protection of humans against natural disasters, and wise stewardship of our environment.

For students wishing to enter the professional world immediately upon graduation, the Professional Concentration prepares our students to become competent professionals with the requisite knowledge and skills necessary to successfully pass the initial certification exam to eventually obtain their Professional Geologist designation. Students will have the opportunity to gain knowledge and skills in each of the eight areas of professional geology and geotechniques, as well as develop critical research skills through a senior thesis or field camp experience.

Students in the Academic Concentration will gain the foundational knowledge and skills in geology, mathematics and natural sciences necessary to be successful in graduate school, as well as to explore potential areas of geologic specialization through independent research or a field camp experience and elective courses.

MINORS

MINOR IN EARTH SCIENCE/TEACHING
A student may minor in earth science (teaching) by completing a minimum of 21 semester hours as follows: GLY 104, 108, 109; GEO 315; AST 135; and any two from the following: GLY 303, 309, 351, 408, 410, 415, 420, and 550; or approved electives from astronomy or geography. The teaching minor in earth science must be coupled with a teaching major in biology, chemistry, computer science/mathematics, mathematics, or physics.

MINOR IN GEOGRAPHY
A student may minor in geography by completing a total of 18 semester hours as follows: GEO 100, 210, 353, and nine hours of geography electives, six of which must be at the 300-level or above.

MINOR IN GEOLOGY
A student may minor in Geology by completing a minimum of 18 semester hours as follows: a maximum of six hours from GLY 102 or 104 or 107 or 108 or 109; a minimum of 12 additional hours of upper-division geology courses.

DEPARTMENT OF MATHEMATICS AND STATISTICS

Chair
Dr. Daniel Mundfrom
(859) 622-5942
Wallace 312

Faculty

The Department of Mathematics and Statistics offers degrees and minors in these disciplines, as well as providing developmental, college readiness, and general education mathematics and statistics courses. Developmental mathematics courses are taught in one-credit-hour modules, and students are allowed to attempt to pass modules multiple times within the same semester. However, students should be aware that any student who does not pass MAT 095 Module A after four attempts (four blocks) may be required to take MAT 090 (Modules A, B, and C) before attempting MAT 095 again.

Baccalaureate Degrees

Bachelor of Science (B.S.)
MATHEMATICS
CIP Code: 27.0101

Program Objectives
Upon successful completion of this program, the graduate will: (1) be able to apply mathematical techniques to social, economic, and scientific problems; (2) understand the importance and power of mathematics in our rapidly changing technological age; (3) be prepared to pursue a graduate program in this or a related area; and (4) be well qualified for employment in any position requiring undergraduate training in mathematics.

ACCELERATED 3+2 DUAL DEGREE PROGRAM
CIP Code: 27.0101

Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their BS degree and MS degree within 5 calendar years because of the accelerated curriculum; nine semester hours of graduate coursework will apply to both the undergraduate BS degree and the graduate MS degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer school classes may be needed.

Admission Requirements for the 3 + 2 Program:
Students interested in this program must satisfy all the following conditions:
1. Have Junior or Senior standing
2. Have an overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Be approved by both the Department of Mathematics and Statistics and the Graduate School (see the 3+2 Enrollment Approval Form at http://gradschool.eku.edu/graduate-school-forms)
4. Maintain an overall undergraduate and graduate GPA of at least 3.0 to continue each semester with 3+2 coursework
5. Have a institutional undergraduate and graduate GPA of at least 3.0 to be allowed to move into graduate student status

2017-2018 EKU UNDERGRADUATE CATALOG 259
Program Requirements
Students in the 3+2 Accelerated Dual Degree Option must complete the Mathematics (B.S.) program requirements listed below, with at least a 3.0 GPA, and must apply and be approved to graduate with that degree before being admitted as a graduate student and allowed to proceed to the M.S. in Mathematical Sciences Program. Nine credit hours of graduate coursework (STA 720, MAT 809, and MAT 815) will be applicable to the undergraduate degree.

UNIVERSITY GRADUATION REQUIREMENTS
- General Education 36 hours
- Student Success Seminar (SCO 100M; waived for transfers with 30+ hrs.) 1 hour
- Writing Intensive Course 1 hour
- Upper division courses 42 hrs.
- ACCT – Mathematics majors will fulfill ACCT requirements with any of the following: MAT 234(4) or MAT 239(4) or 244(4) or 244H(4) or 254H(4), 301, 308, 315, 408, 415, 498(1), 809, 850, STA 720.

Supporting Course Requirements
- CSC 160, 177, or 190; STA 270(4) 3 hours

Free Electives 39 hours

Students planning to attend a graduate school in mathematics are strongly encouraged to select an in-depth study of a single foreign language as a part of their program.

TOTAL HOURS TO COMPLETE DEGREE 120 hours

M.S. MATHEMATICAL SCIENCES PROGRAM REQUIREMENTS
Core Requirement 15 hours
MAT 809, 810, 815, 850, and three hours from MAT 720, 755, 760, or STA 720.

Exit Requirement
GRD 857h or MAT 899

General Program
Electives 15 hours
Fifteen hours of advisor-approved electives selected from 700- or 800-level courses with MAE, MAT, STA, or CSC prefixes.

Concentration in Mathematics
Concentration Requirements 9 hours
Nine hours of 700- or 800-level courses with MAT prefixes. Only three hours of MAT 880 may count toward fulfilling the concentration requirements.

Electives 6 hours
Six hours of advisor-approved electives selected from 700- or 800-level courses with MAE, MAT, STA, or CSC prefixes.

Concentration in Computer Science
Concentration Requirements 12 hours
CSC 730, 831, and six hours from CSC 720, 744, 745, 746, 747, 748, 750, 815, 825, 833, 834, 842, or 880. Only three hours of CSC 880 may count toward fulfilling the concentration requirements.

Electives 3 hours
Three hours of advisor-approved electives selected from 700- or 800-level courses with MAE, MAT, STA, or CSC prefixes.

Concentration in Statistics
Concentration Requirements 12 hours
Twelve hours from STA 707, STA 720, 721, 770, 775, 785, 835, 840, or 880. Only three hours of STA 880 may count toward fulfilling the concentration requirement.

Electives 3 hours
Three hours of advisor-approved electives selected from 700- or 800-level courses with MAE, MAT, STA, or CSC prefixes.

No student in any concentration can apply more than 12 hours of CSC or 12 hours of STA credits toward the M.S. degree. Each student must apply 15 or more hours of MAT credits, at least 12 of which are from 800-level courses, toward the M.S. degree. Electives may include 3-6 hours of MAT 899 (Thesis).

IV. EXIT REQUIREMENTS
Comprehensive Examination or Thesis—Each student is required to pass a written examination (GRD 857h) covering the various components of the candidate’s program or to complete 3-6 hours of MAT 899 (Thesis). A student who elects to submit a thesis for partial fulfillment of the requirements of the Master of Science in Mathematical Sciences must prepare it in conformity with the regulations approved by the Graduate Council and the Department of Mathematics and Statistics. Detailed information concerning the preparation and submission of the thesis may be obtained from the program coordinator.

Each student must apply 15 or more hours from 800-level courses toward the M.S. degree.

TOTAL HOURS TO COMPLETE M.S. DEGREE 30 hours

Program Objectives
Upon successful completion of this program, the graduate will be prepared for certification to teach mathematics at the secondary level and will: (1) understand the principles of pre-college mathematics; (2) be able to explain mathematical concepts and applications to social, economic, and scientific problems; (3) understand the importance and power of mathematics in our rapidly changing technological age; and (4) be prepared to pursue a graduate program in this or some related area.

Refer to the College of Education section of this Catalog regarding several teacher certification requirements associated with this degree program.

MINORS

MINOR IN ACTUARIAL SCIENCE
A student may minor in actuarial science by completing 23 hours as follows: MAT 234(4) or 234H(4); MAT 244(4) or 244H(4); MAT 520 or STA 520; STA 270(4), 340, 470, and 485(2).

MINOR IN MATHEMATICAL SCIENCES
A student may minor in mathematical sciences by completing 21 hours as follows: 6 hours from CSC 160, 190, or 191; MAT 234(4) or 234H(4); MAT 244(4) or 244H(4); STA 270(4); and STA 340.

MINOR IN MATHEMATICS
A student may minor in mathematics by completing 18 hours as follows: MAT 234(4) or 234H(4); MAT 244(4) or 244H(4); and 10 hours from MAT 239, 254(4), 254H(4), STA 470, 520, or any MAT course numbered 300 or above (except for MAT 303, 349, and
480). Only one of MAT 520, STA 470, and STA 520 may count toward the minor. MAT 480 may be approved to count toward the minor depending on the topic chosen.

MINOR IN MATHEMATICS/TEACHING
A student may minor in mathematics teaching by completing 21 hours as follows: MAT 234(4) or 234H(4); MAT 239; MAT 244(4) or 244H(4); MAT 301, 334, and STA 270(4). All courses must be completed with a grade of at least “C” and the GPA in the courses used for the minor must be at least 2.75. The teaching minor in mathematics must be coupled with a secondary teaching major in another discipline.

MINOR IN STATISTICS
A student may minor in statistics by completing 18-21 hours as follows:
- STA 215 or STA 270(4); 340;
- 6 hours selected from STA courses numbered 300 or above (except for 340, 349, or 500);
- 6-8 hours selected from STA courses numbered 300 or above (except for 340, 349, or 500); a CSC course (except for 140, 306, or 349); or calculus courses with an MAT prefix.
No more than three hours of CSC courses may be used to fulfill this requirement.
- A maximum of one course from MAT 234(4), 234H(4), or 211 can count toward the minor.
- No course may be used to satisfy both b) and c) above.

BACCALAUREATE DEGREES

BACHELOR OF SCIENCE (B.S.) PHYSICS
CIP Code: 40.0801

Program Objectives
Upon completion of this program the graduate will: 1) be able to apply mathematics to analyze problems in Physics; 2) be able to use fundamental physical results, such as conservation laws, to study physical systems; 3) be able to analyze important processes occurring in physical systems. Additionally, graduates of this program will 1) be prepared for employment in Physics or a related field in the public or private sector; 2) be prepared for admission to a graduate program in Physics or a related field; 3) be prepared to take and pass the Praxis exam in Physics; and physics teaching majors will be prepared to teach Physics in a secondary school.

UNIVERSITY GRADUATION REQUIREMENTS
- General Education.................................................. 36 hours
- Student Success Seminar ..................................... 1 hour

CHE 111/111L(4)(GElement4), 112/112L(4); CSC 174 or 190 (or any departmentally approved programming language course); MAT 234*(4)(GElement 2) or 234H*(4) (GElement 2); MAT 244(4) or 244H(4); MAT 254(4) or 254H(4); MAT 353.

**Supporting Course Requirements (Engineering Physics)**... 23 hours
CHE 111/111L(4)(GElement4), 112/112L(4); CSC 174 or 190 (or any departmentally approved programming language course); EET 252, MAT 234*(4)(GElement 2) or 234H*(4) (GElement 2); MAT 244(4) or 244H(4); MAT 254(4) or 254H(4); MAT 353.

**Supporting Course Requirements (Physics Teaching)**... 10 hours
BIO 100(GElement 4) or 102(GElement 4); CHE 111/111L(4)(GElement 4), and 112/112L(4); MAT 234*(4)(GElement 2) or 234H*(4)(GElement 2); MAT 244(4) or 244H(4).
*A preparatory course (MAT 122) in mathematics may be required before admission to MAT 234.

G = Course also satisfies a General Education element.

Hours are included within the 36 hr. General Education requirement above. Note that a max of 3 credit hours from one course may be applied each to any Gen. Ed. element.

**Professional Education Requirements (Physics teaching majors only)** ............................................................... 37 hours
EDC 300, EDF 203, 204(2), 219, 413, EMS 300W, 474, 490, ESE 561, SED 104 (GElement 6), and 11 credit hours of Clinical Experiences: CED 100(0), 200(0), 300(0.5), 400(0.5), 450(1), 499(9).

**Free Electives** .......................................................... 6-19 hours

**TOTAL HOURS TO COMPLETE DEGREE** ........120 hours

**Students who are interested in Medical Physics graduate programs are encouraged to take EHS 510 as a free elective.**

**MINORS**

**MINOR IN PHYSICS**
A student may complete a minor in physics by taking PHY 201, 202, and a minimum of eight additional hours of physics 300-level or above for a total of 18 hours. PHY 131 may be substituted for PHY 201, and PHY 132 may be substituted for PHY 202.

**MINOR IN PHYSICS/TEACHING**
A student may complete a teaching minor in physics by taking PHY 201 and 202 plus eleven additional hours in PHY or AST numbered 300 or above. PHY 131 may be substituted for PHY 201 and PHY 132 may be substituted for PHY 202. The teaching minor in physics must be coupled with a teaching major in biology, chemistry, computer science/mathematics, earth science, or mathematics.

Course Numbering

Courses are numbered according to the following plan:

000-099  are remedial non-degree credit courses
100-199  are primarily for freshmen
200-299  are primarily for sophomores
300-399  are primarily for juniors
400-499  are primarily for seniors
500-599  are primarily for seniors and are linked with 700 level graduate courses

A student may not take a course numbered more than one year above his/ her classification level without advisor permission. To take courses numbered 300 and above in The School of Business see the College of Business and Technology section for requirements for BBA degree.

Special approval must be obtained from the dean of the college offering a 500-level course in order for junior-level students to enroll. (Students of less than junior status or unapproved juniors cannot be admitted to a 500-level course and will be disenrolled by the Registrar if such an enrollment occurs.)

Course Descriptions

The semester hours which may be earned by successful completion of a course are indicated in parentheses immediately following the course title, e.g., (3).

A course is offered during the semester indicated by the term-offering designation immediately following the credit hours earned:
I — Fall Semester
II — Spring Semester
A — By Announcement

A course is offered during the indicated semester or by announcement on the assumption there will be adequate enrollment. If a course does not obtain adequate enrollment, it is subject to cancellation. The University reserves the right to cancel any course if the enrollment is not sufficient, to divide a course if the enrollment is too large for efficient instruction, and to change instructors when necessary.

The description of the course format for courses which include a laboratory experience is found at the end of the course description. A course which consists of three hours of classroom lecture and two hours of laboratory per week is described as “3 Lec 2 Lab.”

Courses approved for general education are noted as such by the phrase “Gen. Ed.” and an element and number designation following the course description. Example: Gen. Ed. E-6 indicates a course which fulfills a requirement in General Education Element-6: Diversity of Perspectives and Experiences. Letters in brackets [ ] designate Kentucky statewide General Education core coding. See General Education Requirements in Section Four.

Cooperative Education/ Internship (Applied Learning)

XXX — 349 Applied Learning
XXX — 349 A-N Cooperative Education

Students may register for additional hours of applied learning and cooperative education beyond those specified in each course description. However, courses students are taking will then fall into a repeat cycle where the last course taken replaces the former course so that no more than the limit noted may be counted toward a degree program, minor, or certificate.

ADM 413 Apparel Product Development. (3) II. Prerequisites: ADM 210, 306, 313, 349. Problem solving and the development of sewn products and services in the apparel industry.

ADM 414 Apparel Design and Merchandising Practicum. (6) A. Prerequisites: ADM 312 or 319, 413 and 2 credit hours. For upper-level students engaged in studying apparel design and/or merchandising in manufacturing, design, retail or wholesale firms.

ADM 419 Special Problems in ADM. (1-3) A. Prerequisites: 3.0 GPA or department approval. The student selects a problem and works under the supervision of the instructor. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May
be retaken to a maximum of six hours provided topics differ.
ADM 550 ADM Topics: (3) (1-3) A.
A course designed to offer specialized expertise in numerous areas related to textiles, clothing, and fashion. May be retaken to a maximum of six hours provided topics vary.
AED - Art Education
Ida Kumoji-Ankrah, Chair

AED 360 Introduction to Materials Inquiry. (3) A. Students will explore processes and materials used in K-12 programs, will present exploration results through seminar-style discussions and demonstrations, and will begin to understand and practice developmentally appropriate teaching strategies through peer teaching. Credit will not be awarded for both AED 360 and ART 360.

AED 361 Art Teaching: Grades P-8. (3) I. Cross listed as EME 361. Prerequisites: Major in Art Education. Developmentally appropriate curriculum, materials, and methods for the P-8 art program.

AEM 200 Computer Aided Drafting. (3) I, II.
An introductory course in freehand sketching and computer-aided drafting/design. Students will be taught basic CAD commands, tools, multi-view drawings and dimensioning techniques. 2 Lec/2 Lab.

AEM 201 Metallic Material Processes. (3) I, II.
Introduction to manufacturing processes involving metallic materials. Families of processes covered are casting, molding, forging, separating, conditioning, assembling, machining, finishing. 2 Lec/2 Lab.

AEM 202 Introduction to Quality. (3) I, II.
Prerequisite: MAT 114 or higher mathematics, and STA 215, or 270. Role of statistical thinking in modern quality control. Methods for problem solving, data collection, and process improvement. Deriving actionable conclusions from data analyses. Understanding, quantifying, and reducing variation to improve business performance.

AEM 242 Furniture and Cabinet Construction. (3) A. Prerequisite: TEC 141. Principles of furniture and cabinet construction, elements of structural design, advanced woodworking operations; care and sharpening of tools; related technical information; furniture and cabinet construction and finishing. 2 Lec/2 Lab.

AEM 301 Non-Metallic Material Processes. (3) II.
Introduction to manufacturing processes used to shape or form wood, plastic, and composite materials. Families of processes covered are casting, molding, separating, forming, conditioning, assembling, and finishing. 2 Lec/2 Lab.

AEM 305 Methods of Lean Operations. (3) I, II.
Prerequisites: MAT 114 or higher, and STA 215 or 270. Examination of lean principles, such as value mapping, continuous flow, continuous improvement, determination of customer demand, and standard work. Concepts and implementation of pull, line balancing, lean accounting, FMEA, time studies, and total productive maintenance.

AEM 310 Computer Communications in Industry. (3) I. Prerequisites: ENG 102 and TEC 161. A conceptional approach to computer aided communication systems typically applied in industrial environments. Emphasis will be placed on utilizing computer technology to integrate text and graphics in the preparation of documents and presentation materials. Credit will not be awarded for both AEM 310 and AEM 310W.

AEM 310W Computer Communications in Industry. (3) I. Prerequisites: ENG 102 or ENG 105(B) or HON 102, TEC 161. An approach to computer aided written communication typically applied in the industrial environment. Emphasis will be placed on utilizing computer technology to integrate text and graphics in the preparation of documents and presentation materials. Credit will not be awarded for both AEM 310W and AEM 310.

AEM 320 Woodworking and Material Handling. (3) A. Prerequisites: AEM 202 and AEM 105(B) or HON 102, TEC 161. A laboratory oriented course that examines basic warehouse layout configurations, material flow, and a critical evaluation of the application of computers to control material flow. 2 Lec/2 Lab.

AEM 330 Materials Testing and Metrology. (3) A. Prerequisites: AEM 195, 201, and MAT 120. A study of geometric tolerancing and surface finish tolerancing. Standards, equipment, and techniques of precision electronic, mechanical measurement, and material testing. 2 Lec/2 Lab.

AEM 336 Reliability and Sampling. (3) A. Prerequisite: AEM 202. An overview of reliability, testing, and sampling theories. Topics include component and system reliability, product safety, sampling plans, control charts, and standards.

AEM 338 Engineered Materials Testing. (4) A.
Prerequisites: AEM 201, MAT 120, and TEC 190. Structure, composition, and properties of composite materials. Structures, standards, and common applications of engineering materials. Use of GD&T and techniques for precision electronic and mechanical measurement and testing.

AEM 349 Applied Learning in Industrial Technology. (5-8) I, II.
Prerequisite: departmental approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate, sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

AEM 349 A-N Cooperative Study: Industrial Technology. (5-8) I, II.
Prerequisite: departmental approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate, sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

AEM 352 Automated Technology Devices. (3) A. Prerequisite: AEM 250. The electronic hardware used in computer integrated manufacturing. Topics include PLCs, interfacing devices, sensors, data entry and bar coding, motors, ADs, and DACs.

AEM 367 Comp Exam for AAS in Technology, Applied Engineering (0) A. Prerequisite: Departmental Approval. Registration is required of all A.A.S. Technology, Applied Engineering majors during their last semester. A comprehensive assessment exam is required.

AEM 371 Hydraulics and Pneumatics. (3) II.
Principles of the operation, construction, control, and application of hydraulic and pneumatic components and circuits. The study of control applications includes manual, mechanical, fluid, electrical, and computer controlled fluid circuits. 2 Lec/2 Lab.

AEM 382 Advanced Material Processing. (3) A. Prerequisites: AEM 201 and 301. A laboratory course involving advanced material processing which includes project planning and management, machining, welding, precision layout, and measuring. Students will design and fabricate projects that include two-part mold designs, CNC machining, and multi-process welding. 2 Lec/2 Lab.

AEM 383 CAD/CAM Integration. (3) A. Prerequisites: AEM 201. The use of computer application software to link data bases created with computer aided design software to computer numerical controlled machine tools. 2 Lec/2 Lab.

AEM 390 3D Parametric Solid Modeling. (3) A. Prerequisite: AEM 195. A study of advanced topics in three-dimensional computer aided design. The content will include advanced modeling and rendering. 2 Lec/2 Lab.

AEM 392 Computer Aided Machine Drawing. (3) I. Prerequisite: AEM 195. Computer generated detail and assembly drawings. Topics include threads and fasteners, gaging and gaging, and dimensioning and tolerancing. 2 Lec/2 Lab.

AEM 395 Special topics in AEM: (2-3) Prerequisite: AEM 202, Departmental approval, junior or higher standing. Explores emerging technologies in the area of applied engineering. May be repeated up to a maximum of 9 hours provided subject matter is different each time.

AEM 397 Advanced Machine Drawing. (3) A. Prerequisites: AEM 390 and 392. Advanced machine drawing applications to include design and assembly drawings, threads and fasteners, gaging and gams. Emphasis on shape description. 2 Lec/2 Lab.

AEM 406 Integrated Materials Mgmt. (3) I, II.
Prerequisite: AEM 202. A senior course which examines consumer demand characteristics, product bill materials, establishing sales and operations plans, planning and controlling inventory in the supply chain.

AEM 408 Human Resource Development. (3) I, II.
Topics in human relations and production management. To be scheduled the semester before graduation.

AEM 467 Comprehensive Exam for BS in (2) Prerequisite: AEM 202. A study of six sigma methodology and current practices with an emphasis on key quality drivers and statistical methods for world-class products and companies.

AEM 506 Six Sigma Quality. (3) A.
Prerequisite: AEM 202. A study of six sigma methodology and current practices with an emphasis on key quality drivers and statistical methods for world-class products and companies.

AEM 512 Development of Experiments. (3) A.
Prerequisite: AEM 202. Principles and practices of efficient design experiment for industry. Topics include the philosophy of experiment design, comparison of various designs, hypothesis testing, and the analysis of data.

AFA—African/African-American Studies
Dr. Ogechi Anyanwu, Director
AFA 200 Musical Languages (3) I, II.
Cross-listed as EMS 200. Prerequisite: ENG 102, 105(B) or HON 102. An exploration of the diversity of Sub-Saharan Africa through an immersion in pre-Colonial children’s

AFS 413 Aerospace Studies IV. (3) II. Prerequisite: AFS 411. Continues the study of strategy and the management of conflict, formulation and implementation of U.S. defense policy, defense organization, and case studies in defense policy making.

AFS 414 Leadership Seminar. (1) II. Cadets prepare for Initial Commissioned Service by fulfilling advanced leadership assignments. Continued emphasis on group dynamics and the role of future leaders in the Air Force.

AFS 495 Independent Work. (2-6) A. Prerequisite: Approval of professor of aerospace studies. A study of an advanced problem on an aerospace subject under the guidance of the Chairman of the Department of Aerospace Studies.

AGR—Agriculture

Dr. William E. Davis, Interim Chair

AGR 105 Introductory Topics in Agriculture. (3) I, II. A non-structured course for incoming students who have met the secondary skills standard examination requirements in the area of agriculture. Departmental chair approval required prior to enrollment. May be taken to a maximum of 6 hours.

AGR 110 Introduction to American Agriculture. (3) A. An overview of the agriculture industry in the United States including significant past events, current status and trends. Complexities of laws and regulations and their influence on the producer and consumer are emphasized.

AGR 115 Operation of Agricultural Equipment. (2) I. Lecture, laboratory and field experiences related to agricultural power equipment, and their safe operation, including hydraulics, electricity, chemical, and processing and handling facilities. 1 Lec/2 Lab.

AGR 126 Animal Science Laboratory. (1) I. Corequisite: AGR 125. Applied principles in the proper handling, restraint, and management techniques in beef, dairy, sheep, swine, and horses.

AGR 130 Plant Science. (3) A. Corequisite: AGR 131. Principles of plant growth, reproduction, and plant diseases. Provides foundations of information for further study in field crop production and soil management. Credit will not be awarded to students who have credit for OHO 131.

AGR 131 Plant Science Laboratory. (1) A. Corequisite: AGR 130. Laboratory and field experiences related to plant growth, development, and management of crops. Credit will not be awarded to students who have credit for OHO 132.

AGR 210 Agricultural Measurements. (2) A. Prerequisite: MAT 105 or higher. Measuring and computing areas of land, volumes and capacities of buildings, and feed structures, spray mixtures, fertilizer needs, parts per million, feed rations and other measurement situations encountered on the farm. Majors must take AGR 210 during the first 60 hours of course work or credit will not be awarded. Transfer students must take AGR 210 during their first semester after declaring a major.

AGR 213 Principles of Agricultural Mechanics and Energy Systems. (3) I, II. Principles of operation, maintenance, and repair of electrical motors; basic electrical circuits, electrical power generation and electrical controls for agricultural mechanization systems and power requirements for agricultural structures; theoretical and practical experience.

AGR 215 Principles of Soils. (3) I, II. Corequisite: AGR 216. Soil origin, classification and properties, soil microorganisms, organic matter, soil water, soil minerals, lime and commercial fertilizers, soil erosion, soil management.

AGR 216 Principles of Soils Laboratory. (1) I, II. Corequisite: AGR 215. Laboratory and field experiences related to soils and their properties, including soil sampling, fertility, pH, liming, water and texture. 2 Lab.

AGR 225 Evaluation and Selection of Livestock. (3) II. An evaluation of dairy cattle, beef cattle, swine and sheep; use of records, body type ratings, and carcass information as they relate to functional and economic performance; sire selection and pedigree interpretation. 2 Lec/2 Lab.

AGR 250 Introduction to Horses. (3) A. History and role of horses and the equine industry, breeds of horses and ponies, and pleasure, include anatomy, management, and use of horses, including care and selection of horses, basics of equine nutrition and reproduction. Signifies health and illness. Routine health care procedures. 3 Lec/2 Lab.

AGR 251 Companion Animal Management. (3) A. Care and management of dogs, cats, rabbits, birds, reptiles and tropical fish. Companion animal breeds, behavior, nutrition, genetics and reproduction will be emphasized.

AGR 300 Travel Study in Agriculture Technology. (1-6) A. A travel course for groups in agriculture and horticulture to study new and emerging technologies in agriculture and horticulture, structural organizations of agricultural enterprises, and professional and interpersonal relationships in the agricultural industry in the United States including significant past events, current status and trends. Complexities of laws and regulations and their influence on the producer and consumer are emphasized.

AGR 301 Directed Work Experience. (1-4) I. Agriculture majors only; minimum sophomore standing or departmental approval. A minimum of three hours per week per hour of credit using university or other approved facilities. May be taken for a maximum of 4 credit hours.

AGR 302 Directed Work Experience - Management Practicum. (3) I, II. Student will schedule nine hours of work per week during the semester on a university farm to practice management and production skills related to a livestock herd or machinery operations. Options may be taken to a maximum of 12 hours.

AGR 303 Principles of Agricultural Mechanization Option. 1 Lec/2 Lab.

AGR 308A Beef Cattle Option. 3 Lec/2 Lab.

AGR 308C Swine Option. 3 Lec/2 Lab.

AGR 308D Dairy Cattle Option. 3 Lec/2 Lab.

AGR 309C Crops Option. 3 Lec/2 Lab.

AGR 309F Sheep Option. 3 Lec/2 Lab.

AGR 309P Pest Management. (4) II. Identification of the principal agriculture and horticulture insect diseases and weed pests in Kentucky. Control measures are identified with special emphasis on the safe use of chemicals and equipment calibration. Credit will not be awarded for both AGR 304 and OHO 304. 3 Lec/2 Lab.

AGR 305 Professional Skills Seminar. (1) A. Prerequisite: completion of 30 hours in the Associate or more than 60 hours and less than 90 hours in the Bachelor Degree Program. Course prepares students for the job market including; resume development, cover letter preparation, job interview skills and oral presentations.

AGR 308 Agricultural Economics. (3) I, II. Prerequisite: ECO 120. An introduction to the economic environment of the agriculture business sector. Examines the role of agriculture in the U.S. and world economies. Includes concepts and principles concerning individual agricu lture business decision making.

AGR 310 Principles of Agribusiness Management. (3) A. Prerequisite: AGR 308. Organization and operation of the farm related agricultural business with emphasis on budgeting, enterprise selection, financial statements, and resource management. Includes microcomputer applications and survey of government regulations that are applicable to topic.

AGR 311 Agricultural Metal Fabrication. (2) A. Principles and techniques of arc and oxyacetylene welding and soldering as they pertain to fabrication and repair of agriculture machinery and equipment. 1 Lec/2 Lab.

AGR 312 Ecology and Management of Grasslands and Pastures (4) A. Prerequisites: AGR 130 and 131, and Junior Standing. Examination of grasslands and pastures from an ecological perspective with an emphasis on wildlife and livestock management. 3 Lec/2 Lab.

AGR 318 Soil/Water Conservation Technology. (3) A, I. Principles and procedures for basic surveying and soil-water conservation systems. This will include soil and water sampling, erosion, rills, ponds, lagoons, drainage, and irrigation interact with the desired conservation system. 2 Lec/2 Lab.

AGR 319 Renewable and Sustainable Energy Systems. (3) I, II. Cross-listed as ENV 319. Prerequisite: ENG 102 or ENG 105(B) or HON 102; and MAT 105 or higher. Principles of energy and how those needs can potentially be met in the future will be discussed. Commissions of existing energy sources (fossil fuels, nuclear power) with renewable sources (biomass, solar, and tidal). Credit will not be awarded for both AGR 319 and ENV 319.

AGR 321 Feeds and Feeding. (4) I. Feeds used in livestock feeding; including harvesting, storage, feeding characteristics, and ration formulation from these feedstuffs. 3 Lec/2 Lab.

AGR 326 Light Horse Production and Management. (4) A. Prerequisite: AGR 125 and 126, or 250. Size and scope of horse industry, conservation and selection of horses, basics of equine nutrition and reproduction. Signifies health and illness. Routine health care procedures. 3 Lec/2 Lab.

AGR 327 Beef Production. (4) Prerequisites: AGR 251 and 262. History, importance, and trends associated with the beef cattle industry; systems of selecting, breeding, feeding, marketing, and management of beef cattle. 3 Lec/2 Lab.

AGR 328 Swine Production. (4) A. Prerequisites: AGR 125 and 126. History, importance, and trends associated with the swine industry; systems of selecting, breeding, feeding, marketing, and management of swine. 3 Lec/2 Lab.

AGR 329 Sheep and Goat Production (4) A. Prerequisite: AGR 125 and 126. An overview of the sheep and goat industry. Topics include selection, breeding, reproduction, health, nutrition, management, and marketing of sheep and goats and their products. 3 Lec/2 Lab.

AGR 330 Animal Products. (2) A. Principles of grading, cutting, identifying, pricing, and consumer evaluation of poultry, pork, beef, and lamb cuts, and related products. 1 Lec/2 Lab.

AGR 332 Poultry Production and Management. (3) A. History and importance of the poultry industry, breeds, breeding, feeding, and management in the layer and broiler industry.

AGR 340 Conservation of Agricultural Resources. (3) A. Cross-listed as ENV 341. Prerequisite: any ENV or AGR course and Junior standing. Conservation of soils and their fertility, erosion and control, soil conservation methods for individual farms, water supply and distribution, problems of water and air pollution, problems resulting from the population explosion. Credit will not be awarded for both AGR 340 and ENV 341.

AGR 345 Sustainable Agroecosystems. (3) A, I, II. Prerequisites: any course in chemistry, AGR 130, and 131; or OHO 131 and 132 or BIO 131. A comprehensive study of new technology related to crop, and pest management practices which could enhance economic returns, environmental quality, and the resource base for the short and long term.

AGR 349 Applied Learning in Agriculture. (5-8) A. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

AGR 349 A-N Cooperative Study: Agriculture. (5-8) A. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Section Seven - Course Descriptions

AGR 350 Agricultural Marketing. (3) A study of concepts, principles and practices of marketing as related to the agricultural business. Emphasis on agricultural input, production and processing/manufacturing sectors. Includes agriculture futures commodity market theory, mechanics and practical applications.

AGR 362 Hydraulic Systems. (2) A study of basic principles of hydraulic systems and their application to agricultural and turf equipment. Lab experiences will provide familiarity with practical equipment. 1 Lec/2 Lab.

AGR 373 Animal Diseases. (3) I. Prerequisite: six hours of animal science. Treatment, prevention, and eradication of infectious and parasitic disease of farm animals.

AGR 374 Genetics of Livestock Improvement. (3) II. Prerequisite: six hours of animal science. Applied genetic principles of improving farm animals including crossbreeding, inbreeding, and other mating plans.

AGR 375 Reproduction and Artificial Insemination of Domestic Animals. (3) A. Prerequisite: six hours of animal science. Reproductive systems, study and practice of artificial insemination, and pregnancy diagnosis of farm animals. 2 Lec/2 Lab.

AGR 376 Anatomy and Physiology of Domestic Animals. (3) A. Prerequisite: AGR 125. Fundamental physiological processes of livestock relating to production, nutrition, and diseases. 2 Lec/2 Lab.

AGR 377 Livestock Behavior and Welfare (3) A. Prerequisite: AGR 125 and 126. An overview of livestock behavior and its application in modern animal husbandry.

AGR 380 Technical Management of Dairy Cattle. (4) I. Prerequisites: AGR 125 and 126. History, economics and nutritional importance and trends associated with the dairy industry including systems of selection, production, feeding, sanitation, housing, marketing and management for financial success emphasizing both the cow and herd management. 3 Lec/2 Lab.

AGR 381 Agriculture Structures. (3) I. Study the principles of planning, drawing, locating, and constructing farm livestock and materials handling facilities. Also, develop an understanding of closely related structure aspects: such as, environmental control, waste management, ventilation, and structure design. 2 Lec/2 Lab.

AGR 383 Diesel Power Systems. (3) I. Study of the operation, maintenance, and repair of agricultural diesel powered systems; includes electrical systems, fuels, injection pumps, and nozzles; laboratory practice. 2 Lec/2 Lab.

AGR 404 Advanced Pest Management. (3) II. Prerequisite: AGR 304 or OHO 304. Physical, biological, chemical, cultural, and genetic control of insects, weeds, and diseases. Specific emphasis on the science behind pest control and use of organic and/or sustainable control methods.

AGR 409 Agriculture Business Records and Analysis. (3) I. Management and analysis of record systems for decision support involving organization, enterprise selection, and operation of agricultural and horticultural businesses.

AGR 410 Independent Study in Agriculture. (1-3) I, II. Prerequisite: Departmental approval. Students choose a problem and work under the supervision of the instructor in the field of the problem. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

AGR 411 Senior Seminar. (1) I, II. Prerequisite: senior standing. Preparation of graduates to enter the job market. Students complete oral presentations, resumes, job applications, cover letters, job interviews and register with CD and P. Includes overall assessment of the graduate and department curriculum.

AGR 416 Soil Fertility and Management. (3) A. Prerequisite: Construction and management of soils used in turfgrass, vegetable and crop production. Topics include soil fertility and various soil amendments such as lime, organic and inorganic fertilizers, soil fertility programs, problem soils, and soil conservation.

AGR 421 Animal Nutrition. (3) II. Prerequisite: AGR 321 or instructor approval. Principles of nutrition basic to modern livestock feeding; symptoms of nutrient deficiencies, nutritional disorders, metabolism of nutrients, feed additives, and modern methods of feed preparation and feeding.

AGR 430 Field Crop Production (3). A. Prerequisite: AGR 130 and 131. Advanced study of crop production theories and practices for agronomic crops. Topics include ecological, physiological and economic aspects of production of currently relevant crops. 2 Lec/2 Lab.

AGR 440 Agricultural Financing. (3) II. Uses and types of agricultural credit, credit institutions, and relating credit needs to farm enterprises.

AGR 499 Agricultural Advocacy and Issues. (3) A. Prerequisite: AGR 375. Development of critical thinking skills, debates of current issues facing agriculture, and training to become agriculture advocates.

AGR 501 Independent Study in Agriculture. (3) A. A course for exceptional seniors involving independent study and research related to the personal problems of a student and practical nature. May be taken to a maximum of six hours. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

AGR 509 Agricultural Research Methods and Interpretation. (3) I. Prerequisite: Junior or Senior standing. Students will develop their scientific undertakings of modern agriculture and adaptive management, including: the scientific method, observation, experimentation, and data interpretation with an examination of fallacies that masquerade as science. May be repeated up to six hours provided topic is different.

AGR 520 Global Food Systems (3) A. Prerequisite: AGR 308. A wide-ranging examination of various domestic and international food systems. The supply chain will be analyzed from field to farm gate through marketing and transportation to the consumer. Emphasis will be placed on the economics of the food supply chain.

AGR 570 Advanced Technical Agriculture: _______. (3) A. Advanced study of agriculture with emphasis on updating, understanding, and developing competency in recent technology. May be taken to a maximum of 12 credit hours provided topic varies.

AGR 577 Workshop in the Conservation of Natural Resources. (3) A. For teachers returning for graduate work. Instruction is given in the areas of soil, water, fish and wildlife, forest conservation, and methods of teaching related units at the elementary and junior high level.

ANS—Animal Studies

Dr. Robert Brubaker, Chair

ANS 200 Introduction to Animal Studies. (3) A. A survey of the field of animal studies, focusing on animals’ lives and histories, and the human experience of animals as food, pets, entertainment, companions, and as companions. Gen. Ed. E-5B [SB]

ANS 310 Animals in Literature (3) A. Prerequisite: ANS 200(C) and 15 hours of courses used in at least 2 Lec/2 Lab. Includes a brief survey of the development of animal literature in non-Western cultures. Emphasizes the fossil evidence of humankind’s evolution. 2 Lec/2 Lab. Gen. Ed. E-4 [NS]

ANS 366 Human Evolution. (3) A. Prerequisite: ANS 201 or departmental approval. A detailed analysis of primate and human development emphasizing the fossil evidence of human kind’s evolution.

ANT 330 American Indians. (3) A. Prerequisite: ENG 102. Engages students in the cultural diversity of American Indians by examining
ANT 341 North American Archaeology. (3) A. Prerequisite: ANT 120 or 200. A basic but comprehensive introduction to North American archaeology from the earliest peopling through European Contact. Credit will not be awarded for both ANT 351W and ANT 350.

ANT 344 Applied Anthropology (3) A. Prerequisite: ANT 120 or ANT 200. Comprehensive survey of applied anthropology theories, methods, and approaches. This interdisciplinary course uses cross-cultural material, examines the historical, current, and potential applications of anthropological perspectives to social problems.

ANT 351W Archaeology. (3) A. Prerequisites: ANT 120, ANT 200, and ENG 102 or ENG 105(B) or HON 102. A comprehensive introduction to archaeological goals, methods, practice and challenges. Data-based problem solving, critical thinking and writing are integral components of this course. Credit will not be awarded for both ANT 351W and ANT 350.

ANT 355 Selected Topics in Archaeology: ______. (1-3) A. Prerequisite: ANT 120 or 200 or departmental approval. Topics vary. Offered occasionally. May be retaken to a maximum of nine hours, provided the subject matter differs each time.

ANT 357 Archaeology and the Law. (3) A. Prerequisite: ANT 120 or 200. Survey of Federal legislation for the management of cultural resources, and the relationship of Native American tribes to descendant Native American tribes. Global heritage issues also addressed.

ANT 360 Mesoamerica Before Cortez. (3) A. Prerequisites: ANT 120 or ANT 200. The study of archaeological past, the colonial experience, and the contemporary reality of the Indians of Mesoamerica, focusing primarily on the ancient Maya.

ANT 365 Selected Topics in Physical Anthropology: ______. (1-3) A. Prerequisite: ANT 201 or departmental approval. Topics vary. Offered occasionally. May be retaken to a maximum of nine hours, provided the subject matter differs each time.

ANT 370 Primate Conservation (3) A. Prerequisite: ANT 201 or departmental approval. The local human and biological impact of conservation programs affecting primate communities throughout the world. Topics include forest fragmentation, historical perspectives on conservation, agroforestry, ecotourism, ethnography, and disease.

ANT 371 Primate Ecologic & Sociality. (3) A. Prerequisite: ANT 201. Ecological relationships within primate communities. Students examine primate social structure, habitat, diet, locomotion, seasonality, plant-primates interactions, and predator-prey relationships.

ANT 375 Selected Topics in Cultural Anthropology: ______. (1-3) A. Prerequisite: ANT 120 or 200 or departmental approval. Topics vary. Offered occasionally. May be retaken to a maximum of nine hours, provided the subject matter differs each time.

ANT 377 Medical Anthropology. (3) A. Prerequisite: ANT 120 or ANT 200. Exploration of health, healthcare, and healing cross-culturally. Through medical anthropology theory and methods, apply critical perspectives to the health status of populations, the distribution of health in societies, and health outcomes. Credit will not be awarded for both ANT 377 and ANT 377S.

ANT 377S Medical Anthropology: Service Learning. (3) A. Prerequisite: ANT 120 or ANT 200. Exploration of health, healthcare, and healing cross-culturally. Through medical anthropology theory and methods, apply critical perspectives to the health status of populations, the distribution of health in societies, and health outcomes. Credit will not be awarded for both ANT 377 and ANT 377S.

ANT 385 Human Osteology. (3) A. Prerequisite: ANT 201. Analysis of individual skeletal remains, focusing on interregional anatomy and bone morphology, disease and injury, and nutrition. Includes introductions to bioarchaeology, forensic anthropology, and biocultural reconstruction.

ANT 393 Kinship and Marriage. (3) A. Prerequisites: ANT 120 or ANT 200. Explores anthropological perspectives of social organization emphasizing kinship structures, families, and marriage across cultures. Through case examples, understand the approaches and anthropological theories that guide studies of how cultures and societies organize their kinship and marriage systems. Credit will not be awarded for both ANT 365W and ANT 393.

ANT 394 Practicum in Anthropology. (3) A. Prerequisite and/or Corequisite: ANT 315W, ANT 470, or departmental approval. This course pairs senior anthropology majors with professional archaeologists for on-the-job training. Practicum options may include federal and state consulting firms, local and regional archaeological consultants, and anthropology museums.

ANT 470 Field Methods in Archaeology. (6) A. Prerequisite: ANT 351W with minimum grade of “B.” A hands-on study of archaeological field methods including excavation, data management, and analysis using a complete laboratory analysis of archaeological remains.

ANT 471 Archaeological Materials Analysis (3). Prerequisite: ANT 351W with minimum grade of “B.” Familiarizes students with processing, analysis, and interpretation of archaeological materials. This course has a laboratory component where students will work with archaeological materials.

ANT 490 Independent Study in Anthropology. (3) A. Prerequisite: ANT 201 or departmental approval. A directed research experience for anthropology majors that integrates a research experience with a supervised independent study. A faculty supervisor and departmental chair prior to enrollment. Credit may be taken for a maximum of six hours provided the subject matter is different each time.

APP 200 Introduction to Appalachia. (3) A. An introduction to the interdisciplinary study of the Appalachian region. Special emphasis on the region’s place in a national and global context, and on internal and external definitions of the region. Gen. Ed. E-5B and E-6 [AH][GE].

APP 340 Environmental Economics (3) A. Cross-listed as ECO 340 and ENV 340. Prerequisite: ECO 230. Applications of basic economic analysis to a study of the environment and environmental problems. Major topics include benefit-cost analysis for environmental decision-making, the potential for market-based solutions to environmental problems, and the role of government in the use of economic instruments. Credit will not be awarded for both APP 340, ECO 340, or ENV 340.

APP 350 Special Topics: ______. (3) A. Exploration of particular topics not covered in the existing curriculum. May be taken for a maximum of six hours provided the subject matter is different each time.

APP 355 Rural Crime and Justice (3) A. Cross-listed as CRJ 355. Prerequisite: sophomore standing. Survey of rural crime and justice issues, crime trends, policing and control of rural crime with particular attention given to Kentucky and Appalachia. Credit will not be awarded for both CRJ 355 and APP 355.

The relationship between Appalachia and the rest of the United States. Topics include the “yeoman” myth, coal industrialization, settlement houses, company towns, and the identification of the region with poverty. Credit will not be awarded for both APP 420 and HIS 420.

APP 430 Sustainability in Appalachia (3) A. Cross-listed as GEO 430 and ENV 430. Prerequisites: GEO 100, 110, 210, or 220; ENG 102, ENG 105(B), or HON 102; MAT 105 or higher; or departmental approval. Examination of Appalachia’s ecological, social, and economic patterns and the processes through which residents can ensure their social, economic and ecological sustainability in the future. Credit will not be awarded for students who have credit for GEO 430 or ENV 430.

APP 460 Seminar in Appalachian Studies. (3) A. Prerequisite: 12 hours Appalachian Studies or instructor approval. In-depth study of multiple social, political, economic or environmental issues in the Appalachian region through a directed research project or applied service-learning field experience.

APP 490 Independent Study. (1-3) A. Prerequisite: Student must have the independent study form/approval proposal approved by the faculty member and Center director prior to enrollment. May be taken for a maximum of six hours provided the subject matter is...
ARH 498 U.S. Art History, (3) A. Prerequisites: ARH 390 or 390W, or 391W, or departmental approval. An in-depth study of the arts of the United States of America from 1565 to 2000.

ART—Art
I da Kumojo-Ankrah, Chair

ART 100 Drawing I, (3) I, II. Introduction to basic principles and techniques of drawing, emphasizing perceptual skills and the use of value and line. Credit will not be awarded for both ARH 390 and 390W.

ART 286 Digital Photography for Non-Majors, (3) A. Prerequisite: ENG 101 or Departmental Approval. Fully Manual Digital Camera. Introduction to basic digital manual camera operation, file management, workflow, lighting techniques, and the principles and aesthetics of digital and color photography. Credit will not be awarded to students who have credit for ART 280.

ART 287 Black and White Photography for Non-Majors, (3) A. Prerequisite: ENG 101 or Departmental Approval. Fully Manual Film Camera. Introduction to basic black and white film processing and darkroom and lighting techniques, and the principles and aesthetics of black and white photography. Credit will not be awarded to students who have credit for ART 280.

ART 300 Drawing Media, (3) A. Prerequisite: ART 101. Investigation of various media for drawing, emphasizing experimentation and the development of technical skills in each.

ART 301 Figure Drawing, (3) A. Prerequisite: ART 101. A drawing course aimed at developing an increased understanding of the human figure and its possibilities as subject matter for art.

ART 312 Painting II, (3) I, II. Prerequisite: ART 287 or departmental approval. Continuation of Painting sequence, emphasizing further development of skills and conceptual abilities as they relate to image-making.

ART 313 Painting III, (3) I, II. Prerequisite: ART 312. Intermediate course in painting. Course builds on previous painting courses, providing opportunity to explore contemporary and traditional techniques, media, and subject matter.

ART 314 Painting IV, (3) I, II. Prerequisite: ART 313, Major GPA 2.5 or above and admission to the BFA program. Intermediate course in painting. Course builds on previous painting courses, providing opportunity to further explore contemporary and traditional techniques, media, and subject matter.

ART 321 Sculpture Survey I, (3) I, II. Prerequisite: ART 280. Continuation of Sculpture sequence, with basic sculptural problems set in foundry, constructive, and mixed-media processes.

ART 322 Intermediate Sculpture I, (3) A. Prerequisite: ART 321. Provides an in-depth exploration of sculptural problems at the intermediate level, developed through projects designed to fit personal interests in figurative sculpture.

ART 323 Intermediate Sculpture II, (3) A. Prerequisite: ART 321. Provides an in-depth exploration of sculptural problems at the intermediate level, developed through projects designed to fit personal interests in decorative sculpture.

ART 331 Printmaking II, (3) I, II. Prerequisite: ART 330. Continuation of Printmaking sequence, with emphasis on entaglio and relief printmaking processes.

ART 332 Printmaking III, (3) I, II. Prerequisite: ART 331. The student will work in a specific area of printmaking concentration.

ART 333 Printmaking IV, (3) I, II. Prerequisites: ART 332, Major GPA 2.5 or above and admission to the BFA program. The student is free to pursue a program of individual interest. Emphasis placed on creativity and professionalism.

ART 335 Print Media, (3) A. Prerequisite: ART 280, or Departmental Approval. Presentation of Print Media technology topics. Emphasis placed on exploration of media. Credit will not be awarded to students who have credit for ART Special Topics: Workshop in Printmaking Technology and Aesthetics.

ART 341 Jewelry and Metalsmithing I, (3) I, II. Prerequisite: ART 101. An introduction to the use of gold and silver, including the techniques of wirework, bending, soldering, and polishing. Credit will not be awarded to students who have credit for ART 280.

ART 342 Jewelry and Metalsmithing II, (3) I, II. Prerequisite: ART 101. An extension of the introductory course. Advanced study develops students’ understanding of metal as an art medium and provides opportunity for personal expression. Students explore raising, sinking, forging, casting, etching, enameling and advanced fabrication.

ART 343 Jewelry and Metalsmithing III, (3) I, II. Prerequisite: ART 341. An advanced course in the design and fabrication of precious and non-precious metals, including the use of new technologies.
emphasizing continued creative exploration and personal expression with jewelry and metalsmithing. Students explore raised, sinking, forging, casting, etching, enameling and advanced fabrication.

ART 344 Jewelry and Metalsmithing IV. (3) J, II. Prerequisite: ART 331, Major GPA 2.5 or above and admission to the BFA program. An advanced course in raised, sinking, forging, casting, etching, enameling and advanced fabrication. Advanced problems develop students’ understanding of metal as an art medium and provide opportunity for personal expression. Students explore individual expressive and functional problem-solving in the making of metal objects. Credit earned may eventually be applied to a major in Art with approval of the Department.

ART 381 Photography II. (3) J, II. Prerequisite: ART 380. Intermediate course in photography. Builds on creative skills and techniques learned in previous photography courses. Students may explore conventional, digital and alternative processes.

ART 382 Photography III. (3) J, II. Prerequisite: ART 381. Intermediate course in photography. Builds on creative skills and techniques learned in previous photography courses. Course may cover traditional, digital or alternative processes.

ART 383 Photography IV. (3) J, II. Prerequisite: ART 382. Major GPA 2.5, and admission to the BFA program. Intermediate course in photography. Builds on creative skills and techniques learned in previous photography courses. Course may cover traditional, digital or alternative processes.

ART 401 Advanced Drawing. (3) A. Prerequisites: ART 300 and 301. Advanced problems in drawing emphasizing personal explorations of media and imagery.

ART 413 Advanced Painting. (3) J, II. Prerequisites: ART 313, 314, Major GPA 2.5, and admission to the painting option of the BFA program. Advanced problems in painting, emphasizing the student's personal expression through imagery and techniques.

ART 414 BFA Painting. (3), J, II. Prerequisites: ART 413, Major GPA 2.5, and admission to the BFA program. Corequisite: ART 499. Final exit course in BFA painting area with emphasis in professional development. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

ART 423 Advanced Sculpture. (3) J, II. Prerequisites: ART 322, 323, Major GPA 2.5, and admission to the sculpture option of the BFA program or departmental approval. The students’ sculptural abilities are defined and directed at the advanced level, through individually tailored extended projects.

ART 433 Printmaking V. (3) J, II. Prerequisites: ART 331, 333, Major GPA 2.5. Admission to the printmaking option of the BFA program, and sophomore standing. The student is free to pursue a program of individual interest. Emphasis placed on creativity and professionalism. Credit will not be awarded for both ART 433 and ART 432.

ART 434 BFA Printmaking. (3), J, II. Prerequisites: ART 433, Major GPA 2.5, and admission to the printmaking option of the BFA program. Corequisite: ART 499. Final exit course in BFA printmaking area with emphasis on professional development. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

ART 443 Jewelry and Metalsmithing V. (3) J, II. Prerequisites: ART 344, Major GPA 2.5, and admission to the Jewelry and Metals option of the BFA program. Design course emphasizing student pursuing a career as a professional jeweler/metalsmith. Attention given to developing a personal design philosophy. Students will submit a work proposal for the semester.

ART 444 BFA Jewelry and Metalsmithing. (3) J, II. Prerequisites: ART 443, Major GPA 2.5, and admission to the BFA program. Corequisite: ART 499. Final exit course in BFA jewelry and metalsmithing area with emphasis on professional development. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

ART 463 Independent Study: Problems in Art and Design. (1-3) A. Prerequisite: approval of proposal by department. Limited to seniors. May be repeated once for credit in all departmental courses. Student must have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of nine hours.

ART 472 Ceramics IV. (3) J, II. Prerequisites: ART 372, Major GPA 2.5, and admission to the BFA program. Intermediate course in photography. An exploration into an independent and personal way of working with clay. Various kiln building and firing techniques will be explored.

ART 473 Ceramics V. (3), J, II. Prerequisite: ART 472, Major GPA 2.5, and admission to the ceramics option of the BFA program. Continued independent work in clay as defined and directed through individual projects.

ART 474 BFA Ceramics. (3), J, II. Prerequisites: ART 473, Major GPA 2.5, and admission to the BFA program. Corequisite: ART 499. Final exit course in BFA ceramics area with emphasis on professional development. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

ART 483 Photography V. (3) J, II. Prerequisites: ART 482, Major GPA 2.5, and admission to the photography option of the BFA program. Advanced course builds on creative skills and techniques learned in previous photography courses. Stresses development of student initiative/personal expression. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

ART 484 BFA Photography V. (3) J, II. Prerequisites: ART 483, Major GPA 2.5. Corequisite: ART 499. Continued development of intermediate expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

ART 560 Workshop in Art and Design.. (3), J, II. Prerequisite: approval of department. Intensive study in a specific phase of the visual arts. Current processes, materials, and theoretical foundation will be considered. May be retaken with different topics to a maximum of nine hours.

ART 562 Seminar in Art Criticism. (3) A. Prerequisites: ARH 390 or 390W, or 391 or 391W. Study of various art historical and critical texts and their relation to the student’s understanding and critical awareness of the visual arts.

ASL—American Sign Language
Dr. Laurence Hayes, Interim Chair

ASL 101 American Sign Language I. (3) I, II. A functional notional approach to learning beginning American Sign Language (ASL). Development of basic knowledge and understanding of conversational ASL and cultural features of the language and community. 3 Lec/1 Lab. Gen. Ed. E-6 [GE]

ASL 102 American Sign Language II. (3) I, II. Prerequisite: ASL 101 with a minimum grade of “C” or departmental permission. Continued development of basic knowledge and understanding of conversational ASL and cultural features of the language and community. 3 Lec/1 Lab. Gen. Ed. E-6 [GE]

ASL 105 ASL Discourse & Deception I. (3) I, II. Corequisite or prerequisite: ASL 101 and declaration of Pre-Interpretation or Pre-Deaf Studies majors. Development of ASL conversational behavior, comprehension, deception, discourse, and fingerspelling. Cultural engagement with members of the ASL linguistic minority. 1 Lec/1 Lab.

ASL 106 ASL Discourse & Deception II. (1) I, II. Prerequisite: ASL 105 with a grade of “Satisfactory”.

Pre- or co-requisite of ASL 102 and declaration of Pre-Interpretation or Pre-Deaf Studies majors.

Continued development of ASL conversational behavior, comprehension, deception, discourse, and fingerspelling. Cultural engagement with members of the ASL linguistic minority. 1 Lec/1 Lab.

ASL 201 American Sign Language III. (3) I, II. Prerequisite: ASL 102 with a minimum grade of “C” or departmental permission. Development of intermediate expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

ASL 202 American Sign Language IV. (3) I, II. Prerequisites: ASL 201 with a minimum grade of “C” or departmental permission. Continued development of intermediate expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

ASL 205 ASL Discourse & Deception III. (1) I, II. Prerequisite: ASL 106 with a grade of “Satisfactory”. Pre- or co-requisite of ASL 201 and declaration of Pre-Interpretation or Pre-Deaf Studies majors. Continued development of ASL conversational behavior, comprehension, depiction, discourse, sign production, and fingerspelling. Cultural engagement with members of the ASL linguistic minority. 1 Lec/1 Lab.

ASL 210 ASL Fingerspelling & Numbers. (3), I, II. Prerequisite: ASL 201 with a minimum grade of “C” or departmental permission. The course will focus on aspects of receptive and expressive fingerspelling usage, including lexicalized fingerspelling and various numbering systems within ASL.

ASL 225 Introduction to Deaf Studies (3) I. II. Prerequisite: ASL 102 or permission of instructor. Introduces students to the historical, sociological, cultural and political experiences of deaf people. Provides overview of deaf people’s experiences, images, and issues from a wide variety of disciplinary perspectives. Credit will not be awarded for both ASL 225 and ITP 115.

ASL 301 American Sign Language V. (3) I. Prerequisite: ASL 202 with a minimum grade of “C” or departmental permission. Development of advanced expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

ASL 302 American Sign Language VI. (3) I. Prerequisite: ASL 301 with a minimum grade of “C” or departmental permission. Continued development of advanced expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

ASL 305 ASL Comprehension and Fluency I. (3) J. Prerequisite: ASL 201 with a grade of “C” or higher and admission to the interpreting program, Deaf Studies Major, or departmental approval. Students
will continue to increase their ASL comprehension, flexibility, and fluency through skill-building activities. Emphasis is given to spontaneous expression of the deictic and discursive devices that native ASL signers use to construct meaning.

ASL 310 Application of Fingerspelling & Number Systems. (3) II. Prerequisites: ASL 301 with a grade of “C” or higher. This course will focus on aspects of receptive and expressive fingerspelling usage, including lexicalized fingerspelling and various numbering systems within ASL.

ASL 325 Historical & Current Perspectives of Deaf Ways of Knowing. (3) I. Prerequisite: ASL 202 and 225 with a grade of “C” or higher. Historical overview of deaf people and their contributions to society. Comparative analysis of deaf individuals and their diverse communities from internal and external perspectives. Emphasis of practical solutions to promote social justice.

ASL 380 Special Topics in Deaf Studies: ______. (1-3) A. Prerequisite: ASL 225(C). For special workshops or topics related to the field of Deaf Studies beyond the scope of regularly offered courses. May be taken to a maximum of 9 hours provided subject matter varies.

ASL 385 Independent Work in Deaf Studies. (1-3) A. Prerequisite: ASL 225(C) and departmental permission. For independent work related to the field of Deaf Studies beyond the scope of regularly offered courses. May be taken to a maximum of 6 hours provided subject matter varies. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

ASL 390 Contrastive Analysis: ASL and English. (3) II. Prerequisites: ASL 301 and 305 with a grade of “C” or higher. An introduction to the interpreting program, Deaf Studies program, or departmental approval. The linguistic properties of ASL and English are compared and contrasted. Areas explored include phonology, prosody, morphology, syntax, discourse, and semantic sociolinguistic and modality differences are also examined.

ASL 400 ASL Skills for Majors (1) I, II. Prerequisites: ASL 202, with a minimum grade of “C” and admission to the ASL and English Interpretation program, or Deaf Studies program, or departmental approval. In this course students will continue to develop skills in American Sign Language, specifically focusing on vocabulary development and language usage. Clinical hour required.

ASL 425 Deaf Literature (3) A. Prerequisite: ASL 225(C), 202(C). Cultural and literary analysis of ASL and Deaf-related literature (major works in text, cinema, and video) in contemporary society. Literary style, narrative features, and linguistic expression will be explored in a cultural context.

ASL 485S Deaf Studies Capstone. (3) II. Prerequisites: ASL 225, 301, 325, and ITP 215SW with a grade of “C” or higher and admission to the Deaf Studies program or departmental approval. Capstone course with critical analysis of a service learning field experience. Continued development of cultural and linguistic competency as a reflective practitioner. Clinical hours required.

ASO—Orientation Dr. Sara Ziegler, Dean

ASO 100 Student Success Seminar. (1) I, II. An introduction to the programs of the University and the College of Letters, Arts, and Social Sciences. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

ASO 100A Student Success Seminar in Art. (1) I. Prerequisite: Art majors only. An introduction to the programs of the University and College of Letters, Arts, and Social Sciences, specifically for Art majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

ASO 100M Student Success Seminar in Music. (1) I. Prerequisite: Music majors only. An introduction to the programs of the University and College of Letters, Arts, and Social Sciences, specifically for Music majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

ASO 100P Student Success Seminar in Physics. (1) I. Prerequisite: Physics majors only. An introduction to the programs of the University and College of Letters, Arts, and Social Sciences, specifically for Physics majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

ASO 100S Student Success Seminar in Anthropology, Sociology, and Social Work (1). Prerequisite: Anthropology, Sociology, and Social Work majors only. An introduction to the programs of the University and College of Letters, Arts, and Social Sciences, specifically for Anthropology, Sociology, and Social Work majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

ASO 100T Student Success Seminar in Mathematics & Statistics. (1). Prerequisite: Mathematics & Statistics majors only. An introduction to the programs of the University and College of Letters, Arts, and Social Sciences, specifically for Mathematics & Statistics majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AST—Astronomy Dr. Anthony Blose, Chair

AST 135 Introductory Astronomy. (3) I, II. Prerequisite: MAT 105 or higher. Elementary survey course: study of Moon, Sun, and eclipses; Solar System; near stars and Milky Way. Non-laboratory. Credit will not be awarded for both AST 130 and AST 135. Gen. Ed. E-4 [NS] (only when combined with AST 133).

AST 135 Astronomy Transition Lab. (1) I, II. Prerequisite: AST 130 or departmental approval. A transition laboratory that will allow students with credit for AST 130 to gain credit for a laboratory science course that is equivalent to AST 135. 2 Lab. Gen. Ed. E-4 [NS].

AST 135 Astronomy Introductory. (3) I, II. Prerequisite: MAT 105 or higher. An introduction to astronomy, telescopes, the Solar System, and the Sun. Credit will not be awarded to students who have credit for AST 130. 2 Lab. Gen. Ed. E-4 [NS].

AST 335 Stars, Galaxies & Cosmology. (3) A. Prerequisite: MAT 105 or higher or ACT mathematics subscore of 20 or higher, or departmental approval. Conceptual survey course; topics include backyard astronomy, motion of the Moon and stars, the use of light in astronomy, telescopes, the Solar System, and the Sun. Credit will not be awarded to students who have credit for AST 130. 2 Lab. Gen. Ed. E-4 [NS].
AET - Athletic Training
Dr. Eric Fuchs, Chair

AET 100 Introduction to Athletic Training. (3) I. For students who will be applying for admission to the Athletic Training Program. Students will receive an introduction to professional organizations and issues, in addition to instruction and assessment of clinical skills necessary for progress to the next athletic training course. 2 Lab hours of 30 hours weekly as assigned by their preceptor.

AET 201 Practicum I. (3) Prerequisite: PHE 212 and EMC 104 or EMC 110. Corequisite: AET 211. This first practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are designed to introduce the learner to specific educational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 20 hours and a maximum of 25 hours per week as assigned by their preceptor.

AET 202 Practicum II. (3) II. Prerequisite: AET 201. This second practicum course prepares the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are designed to introduce the learner to specific educational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 20 hours and a maximum of 25 hours per week as assigned by their preceptor.

AET 211 Evaluation of Lower Extremity Injuries. (4) I. Prerequisite: AET 210. Students will learn how to properly evaluate common injuries of the lower extremity and lumbar spine. Classroom and skill laboratory sessions are designed to introduce the learner to proper assessment techniques of the lower extremity and lumbar spine in various athletic training settings. 3 Lec/2 Lab.

AET 212 Evaluation of Upper Extremity Injuries. (4) II. Prerequisite: AET 211. Students will learn how to properly evaluate common injuries of the upper extremity, cervical spine, head, and face. Classroom and skill laboratory sessions are designed to introduce the learner to proper assessment techniques of these areas in the various athletic training clinical settings. 3 Lec/2 Lab.

AET 221 Sport and Exercise Nutrition. (1) A. Prerequisite: AET 100, PHE 212, and PHE 180. This course will provide an understanding of the theoretical principles and application underlying the use and effectiveness of proper nutritional guidelines to influence the performance and well being of competitive and recreational athletes.

AET 225 Applied Anatomy for Healthcare Providers (3) A. Prerequisite: BIO 171 with a grade of “C” or better. Corequisite: AET 225L. Students repeating AET 225 must also enroll in AET 225L and the most recent grade in these two corequisites will be applied toward student’s GPA. Provide students with the opportunity to identify, explore and compare human musculoskeletal, nerve, and vascular body structures. This course will focus on anatomic function and assessment from the healthcare perspective. 3 Lec.

AET 225L Applied Anatomy for Healthcare Providers Lab (1) A. Corequisite: AET 225. Students repeating AET 225L must also enroll in AET 225 and the most recent grade in these two corequisites will be applied toward student’s GPA. Provide students with hands on opportunity to locate, explore and compare human body structures through palpation. This course will focus on musculoskeletal, nerve and vascular structures assessment for healthcare providers. 2 Lab.

AET 302 Practicum III. (3) Prerequisite: AET 202. This third practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are introduced to the learner to specific educational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 15 hours and a maximum of 35 hours per week as assigned by their preceptor.

AET 302L Practicum IV. (3) II. Prerequisite: AET 301. This fourth practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are introduced to the learner to specific educational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 15 hours and a maximum of 35 hours per week as assigned by their preceptor.

AET 303 Therapeutic Modalities. (4) I. Prerequisite: AET 211. Study and practice related to physical effects, indications, and contraindications of therapeutic modalities. 3 Lec/2 Lab.

AET 311 Professional/Clinical Exercise. (4) I. Prerequisite: AET 311. Study and development of therapeutic exercise programs. Emphasis on understanding the influence of the pathological status of a tissue on its response to various types of activity. 3 Lec/2 Lab.

AET 322 Therapeutic Interventions. (3) II. Prerequisite: AET 311. Study of the therapeutic use of drugs in patients, including pharmacokinetics, pharmacodynamics, and adverse reactions by their preceptors. In addition to the legal, moral and ethical implications of drug administration by the athletic trainer. Further study will include the principles of psychosocial intervention with respect to injury and rehabilitation.

AET 330 Foundations of Orthopedic Evaluation. (3) I. Prerequisite: AET 225, 225L and PHI 212, each with a grade of “C” or better. Students will learn how to properly evaluate common injuries of the lower and upper extremity and spine. Students will learn how to apply these techniques to various structures and pathologies across the entire human body. 3 Lec.

AET 340 Foundations of Rehabilitation. (2) A. Prerequisite: AET 330 with a minimum grade of “C”. Corequisite: students repeating AET 340 must also enroll in AET 340L, and the most recent grade in these two corequisites will be applied toward student’s GPA. Study and development of therapeutic exercise program design. Emphasis on understanding the interaction between healing, exercise selection and the return to function. 2 Lec.

AET 340L Foundations of Rehabilitation Lab. (1) A. Corequisite: AET 340. Students repeating AET 340L must also enroll in AET 340 and the most recent grade in these two corequisites will be applied toward student’s GPA. Application of rehabilitation techniques to further understand the interaction between healing, exercise selection and the return to function. 1 Lab.

AET 397 Therapeutic Interventions in Athletic Training. (3) A. Prerequisites: AET 202, Pre-season clinical experience in athletic training, requires students to complete a minimum of 30 hours and a maximum of 60 hours weekly during pre-season athletic camps at an EKU Athletic Department Sports Camp. Students will complete a minimum of 15 hours and a maximum of 30 hours per week as assigned by their preceptor. Day before Fall Semester classes start. Credit will not be awarded for both AET 398 and PHE 398.

AET 401S Practicum V (3) I. Prerequisite: AET 302. This fifth practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are designed to introduce the learner to specific educational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 15 hours and a maximum of 35 hours per week as assigned by their preceptor.

AET 402 Practicum VI. (3) II. Prerequisite: AET 401. This sixth practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are designed to introduce the learner to specific educational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 10 and a maximum of 30 hours per week as assigned by their preceptor, at each of their three four week clinical rotations with physicians, physician assistants or NP’s, physical therapist and athletic training settings.

AET 411 General Medical. (3) I. Prerequisite: AET 322. Study of general medical conditions and diseases.

AET 412 Organization and Administration. (3) I. Prerequisites: AET 312 and AET 322. Study of principles, health care organization and administration relative to athletic training. The course will include such topics as legal liability, fiscal management, facilities operation, personnel supervision, public relations, and organizational structures.

AET 421 Senior Seminar. (2) I. Prerequisites: AET 411 and AET 412. Integration and application of athletic training clinical skills and knowledge through research and presentation of critical questions and contemporary issues related to athletic training.

AET 430 Foundations of Clinical Practice. (3) A. Prerequisite: AET 340 and 340L, each with a grade of “C” or better. Students will receive an introduction to the clinical practice of athletic training and/or physical therapy through didactic, hands on skill performance, and clinical observation; preparing them for future clinical practice.

AVN - Aviation
Mr. Dennis Sinnett, Coordinator of Aviation

AVN 150 Introduction to Aviation. (3) A. An introductory course specifically designed for students to obtain a broad understanding of the aviation world including varying aspects of space exploration. Includes a study of aviation history and the general aviation environment.

AVN 161 Private Pilot-Airplane: Ground (Part 61). (4) A. Prerequisite: Math ACT of 22 or higher, or math placement score equivalent to Math 098 or higher, or MAT 098 or above with a grade of “C” or better. Provides aeronautical knowledge to prepare student pilots to successfully complete FAA Private Pilot-Airplane written examination. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 161A Private Pilot-Airplane (Part 61): Flight I. (1) A. Prerequisite or Corequisite: AVN 161 and overall 2.0 GPA. Students receive 20 dual and/or initial solo flight instruction hours as part of the FAA private pilot SEL certification using FAA part 61 Rules. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 162A Private Pilot-Airplane (Part 61): Flight II. (1) A. Prerequisite: Dept. approval (i.e student must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register for this course). AVN flight labs). Students receive 25 dual and/or initial solo flight instruction flight hours as part of the curriculum leading to FAA private pilot SEL certification using FAA part 61 Rules. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 192 Private Pilot-SEL: Ground. (4) A. Provides aeronautical knowledge to prepare student pilots to successfully complete FAA Private Pilot written
examination. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 192A Private Pilot-SEL: Flight I. (1) A. Prerequisite or Corequisite: AVN 192 with “C” or better and overall 2.0 GPA. Students receive 20 solo and/or dual flight hour instruction as part of the private pilot SEL certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 331A Commercial Pilot-MEL: Flight I. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students will receive 30 dual and/or solo flight hours as part of the curriculum leading to the FAA commercial pilot SEL certification using FAA-approved Part 141 flight training syllabus.

AVN 302A Commercial Pilot-SEL: Flight II. (1) A. Prerequisite or Corequisite: AVN 192 with “C” or better and overall 2.0 GPA. Students receive 25 flight hours leading to FAA private pilot SEL certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 192B Instrument Pilot SEL & MEL: Ground. (4) A. Prerequisite: AVN 192 or AVN 161, AVN 161A or AVN 192A or Instructor permission, and overall 2.0 GPA. Provides aeronautical knowledge and 10 flight simulation hours necessary to prepare student pilot for the FAA Instrument Pilot written examination. 3 Lec/2 Lab. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 221A Instrument Pilot: Flight I. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs.). Students receive 13 flight and 4 ground instruction hours leading to the FAA instrument pilot certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 221B Instrument Pilot: Flight II. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs.). Students receive 13 flight and 4 ground instruction hours leading to the FAA instrument pilot certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 305 Multi-Engine Pilot (MEL): Ground. (1) A. Prerequisite: AVN 193A or AVN 162A. Provides multi-engine aeronautical knowledge and 6 flight simulation hours leading to the FAA multi-engine land (MEL) pilot certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 305A Multi-Engine Flight. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students will receive 25 flight hours as part of the curriculum leading to the FAA multi-engine pilot MEL certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 310A Flight Training Techniques I. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Flight training to prepare students for FAA examinations.

AVN 315 Aviation Safety Programs. (3) I, II. A. Prerequisite: AVN 150. A presentation of factors, procedures, and aircraft accident investigation case studies relating to aviation safety, including risk management assessment, hazard identification analysis, safety program development, Safety Management Systems (SMS) by Federal Aviation Administration, and evaluation of SMS effectiveness.

AVN 320 Flight Training Analysis II. (2) A. Prerequisite: appropriate flight credentials. A study of aeronautical information and instructional background necessary for becoming instrument flight instructors. Included in the course is an understanding of human factors, instrument inter pretations, and instrument flight procedures.

AVN 320A Flight Training Techniques II. (1) A. Prerequisite: flight training hours as part of the dual and solo flight hours required for FAA commercial pilot certification.

AVN 301A Commercial Pilot-SEL: Flight I. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Flight training to prepare students for FAA examinations.

AVN 325 Aircraft Systems. (3) I, II. A study of electrical, mechanical and hydraulic systems, design and performance standards, capabilities and limitations, and conformance to FAA specifications.

AVN 331A Commercial Pilot-MEL: Flight I. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Student receives initial 17 dual flight hours and 5 ground instruction hours as part of the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 332A Commercial Pilot-MEL: Flight II. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Student receives initial 22 dual flight hours and 5 ground instruction hours leading to the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 333A Commercial Pilot-MEL: Flight III. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students continue with 22 flight hours and 5 ground instruction hours leading to the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 335 Weather Reporting/Analysis. (3) I. A comprehensive analysis of weather conditions and patterns as they apply to flight.

AVN 340 Airport Management. (3) I, II. A study of guidelines for aviation management and administrative functions including problems, trends, and planning regarding operation of airports.

AVN 349 Applied Learning in Aviation. (5-8) A. Prerequisite: coordinator approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours work required for each academic credit.

AVN 349 A-N Cooperative Study: Aviation. (5-8) A. Prerequisite: coordinator approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours work required for each academic credit.

AVN 350 Air Transportation. (3) A. A survey of the implementation of the air transportation system covering facilities, impact of regulations, problems encountered, and future requirements.

AVN 360 Essentials of Aviation Management. (3) I, II. Designed to provide an understanding of an airport Fixed Base Operator’s role and also of Aviation Service Businesses in the aviation industry, to include managerial and operational problems.
AVN 370 Techniques: Aviation Supervisors. (3) I, II. A study of effective personnel management through application to practical situations in the aviation industry.

AVN 390 Aviation Administration Decision Making. (3) I, II. A study of decision theory and its application to aviation administration decision-making and the impact of aviation management decision changes.

AVN 400 Multi-Engine Pilot: Ground. (1) A. Prerequisite: appropriate flight credentials. The course is designed to provide appropriate aeronautical knowledge about multi-engine aircraft to facilitate successful completion of the multi-engine flight component.

AVN 400A Multi-Engine Pilot: Flight (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). One hour laboratory course consisting of the dual flight hours required for FAA certification.

AVN 401 Aviation Traffic Control. (3) I, II. A study of the operational traffic control system with emphasis on basic air traffic control procedures; the role of centers, approach control, towers, and flight service centers; communications; navigation procedures, radar operations, facilities. Prerequisites: A VN 192, A VN 220, and A VN 300 with "C" grade or better and overall 2.0 GPA. Prepares student pilots for the FAA Certified Flight Instructor (CFI) & Fundamentals of Instrument (FOI) written exams. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 415A Instructor Pilot-Self: Flight. (1) A. Prerequisite: AVN 344 with "B" grade or corequisite: AVN 415 with "C" or higher and overall 2.0 GPA. Prepares student pilots for the FAA Certified Flight Instructor (CFI) & Fundamentals of Instrument (FOI) written exams. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees. Flight Training Techniques III.

BIO 352 Film Techniques & Technology. (3) I. Prerequisite and/or Corequisite: BIO 350 or 351. The study of various technologies employed in traditional/electronic film production. Emphasis on the study of social, economic, technological and political factors and their effects on the development of cinematic techniques.

BIO 353W The Art and Craft of Screenwriting. (3) A. Prerequisite: ENG 101 and 102 (or 105B) or HON 102. Conceiving, restructuring, writing and marketing the contemporary American screenplay. Requires developing and writing original screenplays for marketing in the contemporary film environment. Credit will not be awarded for both BIO 353W and 353.

BIO 373 Electronic Cinema Practicum. (1-3) I, II. Prerequisite: BIO 370. Supervised practical experience in film making, editing, and other aspects of film-style production. May be retaken to a maximum of three hours. One hour may be counted toward the major.

BIO 375 Writing for the Electronic Media. (3) I, II. Prerequisites: ENG 101 and (or 105B) or HON 102. Examination of the specialized forms of writing for the electronic media. Emphasizes both visual and verbal planning elements as well as practical experience in writing commercials, public service, narrative, and promotional copy.

BIO 395 Video Production II. (4) I, II. Prerequisite: BIO 295. Training on and mastery of advanced production and post production equipment. Requires group and individual portfolio projects involving a creative understanding of sound-image relationships. Includes multi camera production, directing and producing. 3 Lec/3 Lab.

BIO 396 Motion Graphics. (3) I, II. Prerequisite/Corequisite: BIO 395. Training on industry standard motion graphic software used for post-production design and editing. The course examines visual effects and multimedia, covering techniques needed to improve students’ command of motion graphics in video production.

BIO 398 Electronic Video Practicum. (1-3) I, II. Prerequisite: BIO 295. Supervised practical experience on the staff of a television station or other video facility. May be taken to a maximum of three hours. One hour may be used to satisfy major requirements within the department.

BIO 399 Independent Study in Electronic Media. (1-4) A. Prerequisite: Department approval. Study of specific areas of media through a course examining timely or topical concerns in the field. Specific topic included in schedule. May be repeated to a maximum of nine hours.

BIO 401 Multimedia Film Production. (3) A. Prerequisites: BIO 295 and 301. Students will apply their cumulative skills to design and produce semester-long, individual or team multimedia projects that will engage students in carefully assembled amalgamation of audio, text, video, photos, interactive graphics.

BIO 402 Advanced Broadcast News. (3) A. Prerequisite: BIO 401. Advanced study in broadcast journalism. Planning, gathering, writing, editing and producing news for television; critical evaluation of broadcast news techniques; individual and team projects. 3 Lec/3 Lab.

BIO 405 Multimedia Web Development. (3) I, II. Formerly BIO 112. Prerequisite: PUB 320(C) or BIO 320(C). An introduction to web site design, HTML and CSS. Subjects covered include organizing web content, web hosting, the languages of HTML and CSS, digital image preparation and deployment, browser development tools, Javascript libraries (jQuery), and best practices for coding and deploying multimedia online. Credit will not be awarded to students who have credit for JOU 412 or PUB 412.

BIO 415 Media Ethics. (3) A. Formerly COM 415. Prerequisite: BIO 200 or BIO 200W or COM 200 or 200W. Examination of ethical standards and practices of the mass media. Includes development of ethical decision-making skills. Credit will not be awarded for both BIO 415 and BI 415.

BIO 425 Electronic Media Operations (3) A. Prerequisite: BIO 200 or BIO 200W or COM 200 or 200W. Study of the issues that impact managing, programming and operating a media enterprise, including federal regulations.

BIO 445 Broadcast and Cable Promotion. (3) I, II. Formerly COM 445. Prerequisite: BIO 295. Study of broadcast and/or cable promotion in the areas of writing, production, marketing, and public relations. Includes exercises in promotions. Credit will not be awarded for both BIO 445 and COM 445.

BIO 453 Advanced Screenwriting. (3) I, II. Prerequisites: BIO 333W or departmental approval.

Writing and marketing the screenplay for television and film. Emphasis is placed on structuring and composing the screenplay for advanced writers. Open to all majors.

BIO 460 Advanced Film Genre: .. (3) I, II. Detailed study of the types of motion pictures. Requires independent research, extended analysis, and critical evaluation of films. May be retaken to a maximum of six hours with different course content. 2 Lec/2 Lab.

BIO 171 Human Anatomy. (3, I, II. Prerequisite: Completion of all developmental requirements. An integrated study of the basic anatomy of the human body and appropriate correlations with body functions. 2 Lec/2 Lab.

BIO 271 Advanced Human Anatomy. (3) Prerequisites: BIO 171. An advanced study of human anatomy. Emphasis is placed on the musculoskeletal and nervous systems and their anatomical and functional relationships. May not be used to satisfy area, major, or minor requirements. 2 Lec/2 Lab.

BIO 305 Clinical Microbiology. (4, I, II. Prerequisite: BIO 171. A study of microorganisms as causative agents in diseases of humans with emphasis on differentiation and culture, types of diseases, modes of transmission, prophylactic, therapeutic and epidemiological considerations. May not be used to satisfy area, major, or minor requirements. Credit will not be awarded for both BIO 273 and MLS 209. 2 Lec/4 Lab.

BIO 301 Human Physiology. (3, I, II. Functions of human life processes at the cellular, tissue, and organ-system levels of organization with emphasis on homeostatic mechanisms will be considered in this course. May not be used to satisfy area, major, or minor requirements.

BIO 303 Human Heredity and Society. (3, I, II. Inheritance of human traits, including blood groups, sex and sex-related traits, lethal factors, mental capacities, and metabolic disorders; pedigrees, family traits, and genetic counseling. A current background in general biology (BIO 100 or NAT 101) is recommended but not required. May not be used to satisfy area, major, or minor requirements.

BIO 305 Biology of Sex (3) I,II. Prerequisite: ENG 102, 105B, HON 102, or departmental approval. Fundamental principles related to human sexual reproduction. Structure, function, control, and coordination of the human reproductive system. Problems associated with fertility, sexuality, birth control, STDs, and human population will be discussed. May not be used to satisfy area, major, or minor requirements in the Department of Biological Sciences.

BIO 315 Genetics. (4, I, II. Prerequisite: BIO 111 (grade of C or better) or BIO 112 (grade of C or better) or departmental approval. Discussion of Mendelian genetics, molecular genetics, genetic mapping, and population genetics. Emphasis on critical thinking skills and logic through experimental analysis. Laboratory will include experimental manipulation of prokaryotic and eukaryotic organisms. 3 Lec/3 Lab.

BIO 316 Ecology. (4, I, II. Prerequisite: BIO 112 (grade of C or better) or departmental approval. Basic concepts and principles as applied to the study of organisms or groups of organisms in their interrelations to each other and to their environments. 2 Lec/4 Lab.

BIO 318 General Botany. (4, I, II. Prerequisite: BIO 100 (grade of C or better) or departmental approval. Structure and functions of vascular plants; morphology, classification, life histories, ecology and evolution of autotrophs, eukaryote protists, and fungi. 3 Lec/3 Lab. Credit will not be awarded to students who have credit for BIO 131.

BIO 319 General Zoology. (4, I, II. Prerequisite: BIO 111 (grade of C or better) or 112 (grade of C or better). Both courses are recommended. Morphology, physiology, comparative anatomy, developmental biology, and diversity of animals. 3 Lec/3 Lab. Credit will not be awarded to students who have credit for BIO 141.

BIO 320 Principles of Microbiology. (4, I, II. Prerequisites: BIO 111 (grade of C or better) and CHE 112 (grade of C or better) or departmental approval. An introduction to the study and function of bacteria and animal cells, with emphasis on the structure and function of cell organelles. An overview of molecular techniques used in the study of cellular life. One to eight hours credit per semester or summer.

BIO 332 Careers in Biomedical Sciences (1, A. Prerequisites: BIO 331 (grade of C or better) and ENG 102, or 105B) or HON 102. Students will explore the diverse range of career options within the biomedical sciences, develop job acquisition skills, and gain an appreciation for biomedical ethics. This course requires experiential learning through an internship/shadowing experience. 1 Lec.

BIO 335 Plant Systematics. (3, I, II. Prerequisites: BIO 111 (grade of C or better), 112 (grade of C or better), and 318 (grade of C or better); or departmental approval. Identification, classification and phylogeny of vascular plants; principles of taxonomy. 1 Lec/4 Lab.

BIO 342 Comparative Vertebrate Anatomy. (4, I, II. Prerequisites: BIO 112 (grade of C or better) and 319 (grade of C or better); or departmental approval. Evolutionary relationships of the classes of vertebrates are investigated through a laboratory. This integrated study of the physical, chemical, and cellular aspects of physiological systems across vertebrates. Group work and critical thinking will be stressed utilizing human case studies and computer simulations. 3 Lec.

BIO 344 Vertebrate Physiology. (3, I, II. Prerequisites: BIO 111 (grade of C or better) and CHE 112 (grade of C or better) and PHY 131 (grade of C or better) or 201 (grade of C or better) or departmental approval. Command of human physiology through an integrated study of the structural, chemical, and physical aspects of physiological systems across vertebrates. 1 Lec.

BIO 348 Comparative Evolution. (4) A. Prerequisites: BIO 112 (grade of C or better) or departmental approval. Discussion of topics relating to evolutionary theory with special emphasis on the impact of evolution in everyday life. This is a course that builds upon evolutionary concepts learned throughout the biology curriculum. 2 Lec.

BIO 500 Environmental Issues. (3, II. Cross-listed as ENV 500. Prerequisites: Senior Standing; BIO 100 (grade of C or better), 102 (grade of C or better) or 112 (grade of C or better). Students will learn to identify, investigate and evaluate environmental issues as well as plan appropriate action based on their analysis. Credit will not be awarded to students who have credit for ENV 500.

BIO 514 Evolution. (3, I, II. Prerequisites: BIO 112 (grade of C or better) and 315 (grade of C or better) or departmental approval. A study of Darwinism, the history of life in the context of contemporary evolutionary biology, and the evidences and mechanisms of evolutionary change, with particular emphasis on human evolution and the challenges of teaching and understanding evolution in modern society.

BIO 520 Invasive Species Management. (3) A. Prerequisites: Senior standing; BIO 316 (grade of C or better) or departmental approval. Examination of the circumstances that allow introduced species to become invasive. Reviews the current research to reduce the incidence and impact of invasive species. Credit will not be awarded to students who have credit for BIO 599/799 Special Topics: Invasive Species Management.

BIO 521 Plant Ecology. (4, A. Prerequisites: BIO 316 (grade of C or better) or BIO 318 (grade of C or better) or BIO 335 (grade of C or better) or departmental approval. Ecological concepts and principles relevant to eastern terrestrial ecosystems. Required Fall Break field trip. 2 Lec, 4 Lab.

BIO 525 Aquatic and Wetland Plants. (3) A. Prerequisites: BIO 111 (grade of C or better), 112 (grade of C or better) and 318 (grade of C or better); or departmental approval. Collection, systematics, distribution, ecology, and reproduction of aquatic and wetland vascular plants. 1 Lec/4 Lab.

BIO 527 Immunology. (3) A. Prerequisites: BIO 320 (grade of C or better) and CHE 361 (grade of C or better); or departmental approval. Characteristics of immune reactions at the molecular level and in vivo. Nature and interactions of antigens and antibodies, and allergic phenomena. 2 Lec/3 Lab.

BIO 528 Virology. (3) A. Prerequisite: BIO 320 (grade of C or better) or departmental approval. Fundamentals of classification, structure, and pathogenesis of viruses. Host-virus interactions and their applications to medicine and industry. Viral related areas of immunology, cell culture procedures, and applications will be introduced. 2 Lec/3 Lab.

BIO 529 Microbiology in Everyday Life. (3, I, II. Prerequisites: BIO 100 (grade of C or better), 102 (grade of C or better), or 111 (grade of C or better), or 112 (grade of C or better) or departmental approval. Microbes in medicine, agriculture, and industry. Emphasis on teaching microbiology in the classroom. Course open only to Biology-Teaching or Education majors.

BIO 531 Principles of Molecular Biology (4) A. Prerequisites: BIO 320 (grade of C or better) or 331 (grade of C or better) and CHE 361 (grade of C or better); or departmental approval. An in-depth study of the structure, function, and technological applications of
nucleic acids and proteins. Laboratory experiences will involve manipulation of DNA and RNA molecules for the purpose of recombinant DNA technology, genetics, forensics, and gene expression analysis. Credit will not be awarded for both BIO 531 and 531S. 2 Lec/4 Lab.

BIO 531S Principles of Molecular Biology (4) A. Prerequisites: BIO 320 (grade of C or better) or 531 (grade of C or better), departmental approval. An in-depth study of the structure, function, and technological applications of nucleic acids and proteins enhanced with a service-learning component. Laboratory experiences will involve manipulation of DNA and RNA molecules for the purpose of isolation, genetic engineering, forensics, and gene expression analysis. Credit will not be awarded for both BIO 531S and 531. 2 Lec/4 Lab.

BIO 532 Conservation Biology. (3) I. Prerequisite: BIO 316 (grade of C or better) or departmental approval. Examination of principles and practices of conserving global biodiversity. Emphasis on causes, consequences and rates of extinction, as well as the natural resource planning and policies used to mitigate the loss of biodiversity. Focus will be given to the application of philosophical, biological, sociological, legal, and on-the-ground management principles for the conservation of genes, species and ecosystems.

BIO 533 Bioinformatics: Principles and Applications. (3) II. Prerequisite: BIO 315 (grade of C or better), or departmental approval. An exposure to the theory and current use of bioinformatics, as they relate to laboratory (Cell and Molecular Biology, Biochemistry), and field (Evolutionary and Population Biology) research applications in the life sciences. Discussion and utilization of the prevalent approaches and methodologies currently used in Bioinformatics.

BIO 535 Pathogenic Microbiology. (4) A. Prerequisite: BIO 320 (grade of C or better) or departmental approval. Studies in the field of advanced clinical microbiology, with emphasis on morphology, cultivation, biochemistry, and serological identification of bacterial diseases; aspects of pathogenesis, epidemiology, and control measures of bacterial and mycotic diseases. 2 Lec/4 Lab.

BIO 536 Dendrology. (3) I. Prerequisite: BIO 111 (grade of C or better), 112 (grade of C or better), and 318 (grade of C or better) or departmental approval. Woody plant taxonomy with emphasis on field identification of trees and shrubs in summer and winter conditions; habitats and distributions; economic importance; forest regions of North America. 1 Lec/3 Lab.

BIO 542 Freshwater Invertebrates. (3) A. Prerequisites: BIO 111 (grade of C or better) and 319 (grade of C or better) or departmental approval. Collection, systematical, distribution, behavior, ecology, and life histories of freshwater invertebrates. 2 Lec/3 Lab.

BIO 546 Histology. (4) II. Prerequisites: BIO 331 (grade of C or better) and 348 (grade of C or better) or departmental approval. This course will provide students with an essential understanding of functional morphology in vertebrate tissues and organs. Pathology examples will be used to explain the cellular and molecular basis of normal function related to structure. 2 Lec/4 Lab.

BIO 547 Comparative Vertebrate Embryology. (4) II. Prerequisite: BIO 342 (grade of C or better) or BIO 348 (grade of C or better) or departmental approval. Gamетogenesis, fertilization, morphogenesis, and organogenesis of the frog, bird, and mammal. Particular emphasis is placed on mammalian development. 2 Lec/2 Lab.

BIO 550 Animal Behavior. (4) A. Prerequisites: BIO 111 (grade of C or better) and 112 (grade of C or better) or departmental approval. Advanced study of behavior with emphasis on inherited behavioral patterns in relation to the evolution and ecology of animals. 3 Lec/2 Lab.

BIO 552 Hormones and Behavior. (3) A. Prerequisites: BIO 111 (grade of C or better) and 112 (grade of C or better) or departmental approval. Provide an understanding of modern-day issues in endocrinology by exploring the effects of hormones on behavior within all taxa. 2 Lec/4 Lab.

BIO 553 Mammalogy. (3) A. Prerequisites: BIO 111 (grade of C or better) and 112 (grade of C or better) or departmental approval. Classification, natural history, field, and laboratory studies of selected mammals. 1 Lec/4 Lab. May be taken in an extended field trip outside of normal class hours.

BIO 554 Ornithology. (3) A. Prerequisite: BIO 111 (grade of C or better) or departmental approval. Avian biology with emphasis on field identification of local avifauna, anatomy, physiology, ecology, evolution, migration, economic importance, distribution, and behavioral patterns. Early morning field trips required. 2 Lec/4 Lab.

BIO 555 Behavioral Ecology. (3) A. Prerequisite: BIO 316 (grade of C or better) or departmental approval. How behavior is influenced by natural selection in relation to ecological conditions. Emphasis on quantitative and experimental methods and on integrating theoretical ideas with field and laboratory evidence.

BIO 556 Herpetology. (3) A. Prerequisite: BIO 112 (grade of C or better) and 319 (grade of C or better) or departmental approval. Natural history of the amphibians and reptiles including taxonomy, general ecology, behavior, distribution, breeding, and food habits. 2 Lec/3 Lab.

BIO 557 Ichthyology. (3) A. Prerequisite: BIO 112 (grade of C or better) and 319 (grade of C or better) or departmental approval. A phylogenetic examination of morphological, ecological, and behavioral diversification of fishes of the world, with special attention to the Appalachian fauna. Laboratory devoted to anatomy, identification, and reproductive strategies. 2 Lec/4 Lab.

BIO 558 Freshwater Ecology. (3) A. Prerequisite: BIO 112 (grade of C or better) or departmental approval. Ecology of lakes and streams with special reference to physical, chemical, and biological factors. To include a variety of methods and instruments. 2 Lec/3 Lab-Disc.

BIO 561 Fisheries Biology. (3) A. Prerequisites: BIO 112 (grade of C or better) and 316 (grade of C or better) or departmental approval. Methods for assessment and analysis of fish populations and aquatic habits, including aging and growth, fecundity, food habits, and yield. Emphasis on economic and ecological importance of management decisions. 2 Lec/4 Lab.

BIO 590 Ecology for Teachers (3). Cross-listed as ENV 590 and CES 590. Prerequisites: Senior standing; BIO 100 (grade of C or better), 102 (grade of C or better), or 112 (grade of C or better). This course introduces ecology and the environment through an interdisciplinary approach beginning with the physical environment progressing to whole ecosystems and onto analyses of ecological sustainability. Classroom strategies and techniques will be modeled. Credit will not be awarded to students who have credit for ENV 590 or CEN 599.

BIO 595 Topics in Field Biology. (3) Prerequisites: Senior standing; BIO 318 (grade of C or better) or 319 (grade of C or better), and departmental approval. Concepts, methods, analyses, and organismal identification used to study selected topic. Material will be taught using a combination of lecture, discussion, and experiential learning via hands-on field activities. May be repeated up to a maximum of 12 hours provided subject matter is different each time. 1 Lec/4 Lab.

BIO 598 Special Problems. (1-3) I, II. Prerequisites: junior or senior standing; students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. Independent research in the biological sciences, directly related to an academic discipline, under faculty supervision. The student, in consultation with the faculty supervisor and department chair, will prepare a reading list outside the student’s major area of concentration which allows students to design a research problem and make experimental observations and conclusions. May be retaken to a maximum of six hours.
Advanced development of business document design techniques with an emphasis on web design and multimedia resources. Includes small offices or businesses, personal use, and not-for-profit organizations.

- **CDE—Child and Family Studies**
  - Dr. Dana Bush, Chair

### CDE 132 Introduction to the Family (3, I, II)
Cross-listed as WGS 132. Ecological and systems approach applied to public and private family concepts; historical changes and current status; relationships among individuals, families, consumers, and communities; status of women, men, children and the elderly; public policy related to changes in the family. Credit will not be awarded for both CDE 132 and WGS 132.

### CDE 283 Philosophical & Historical Foundations of the EC Profession (3, I, II)
Corequisite: CED 100. An orientation to the profession: Exploration of the qualities, expectations, & responsibilities of an EC professional. Relationships among early learning standards, history of the profession, interdisciplinary fields, professional organizations, & philosophical approaches. Background check College approved procedure must be ordered and paid for by the first day of class. Credit will not be awarded for both CDE 203 and EDF 203.

### CDE 210 Special Topics in Early Childhood Education: 1-3 (A, B, C, D)
Selected topics in child development and early childhood program planning. May be retaken to a maximum of six hours provided topics vary.

### CDE 232 Identity and Sexuality (3, I, II)
Cross-listed as WGS 232. An exploration of the changing attitudes about and among women and their effects on choices and interpersonal relationships. Emphasis will be on promotion and maintenance of positive mental, physical, emotional, and sexual development. Credit will not be awarded to students who have credit for WGS 232.

### CDE 235 Child Development: Conception-Eight Years (3, I, II)
Developmental characteristics and theory pertinent to children’s conception to age eight. Special emphasis on early childhood theoretical frameworks.

### CDE 236 Interaction and Guidance (3, I, II)
Overview of guidance strategies in fostering children’s social competency within group or individually. Adults’ role in various interactions (e.g. parent-child, teacher-child) and resources for working with families/parents (e.g. parent education workshop) will be explored.

### CDE 243 Introduction to Family Life Programs (3, A)
Prerequisite or Corequisite: CDE 235. Examines the impact of family life program development on family life and resiliency factors which families and individuals must face. Credit will not be awarded for both CDE 243 and CDF 363.

### CDF 246 Creative Activities and Materials for Young Children (3, I, II)
Prerequisite: CDE 235 or department approval. Survey of learning experiences in various curriculum areas. Planning activities, including techniques and materials, to provide environment appropriate to the age and background of young children for the individual child based on age, ability, culture and ethnicity.

### CDF 310 Observation and Assessment in ECE (3, I, II)
Prerequisite: CDF 235. Authentic assessment approaches through observation of children in natural environments. Intentional planning and implementation of Developmentally Appropriate Practice in EC settings. Special emphasis on linking assessment to the EC curriculum and decision making.

### CDF 3278 Family Involvement with Young Children (3, I, II)
Prerequisites: CDF 235 or CDF 241 and 244, 236, and 246 or CDF 345 or departmental approval. Study of families and parent involvement with families. Methods and materials useful in fostering family life education, including adult learning principles. Experiences include implementing family service plans, planning discussion groups, conducting home visits, and parent-teacher conferences. Includes 15 service learning hours.

### CDF 331 Marriage and Intimate Relationships (3, I)
Cross-listed as WGS 331. The process within and types of intimate relationships in contemporary times. Topics include singlehood, partner selection, marriage, divorce, remarriage, long-term endearing marriage, and factors which affect the success of intimate relationships. Credit will not be awarded for both CDF 331 and WGS 331.

### CDF 342 Child and Adolescent Development (3, I, II)
Study of U.S. youth, utilizing systems theory and a life-course perspective approach. Effects of economic, social, and technological change on policies and programs affecting youth of diverse backgrounds.

### CDF 349 A-N Cooperative Study: Child Development (5-8)
Prerequisite: department approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate, sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit. Maximum of three hours may be counted in major requirements toward degree.

### CDF 351 Practicum for Early Childhood Practitioners (1, A)
Prerequisite or Corequisite: CDF 235 or department approval. 2.5 institutional GPA, minimum grade of “C” in all courses with “CDF” prefix. Enrollment is limited to students who have earned a Child Development Associate credential with college credit. Teaching experience in early childhood programs emphasizing emerging curriculum, documentation, project work, and family involvement. Meetings for collaborative planning/preparation.

### CDF 363 Early Childhood Literacy (3, I, II)
Prerequisite: Admission to Child & Family Studies or department Approval. An exploration of the emergent literacy development of young children within the language-rich context of play. Emphasis on state and national language arts standards which affect the success of emergent literacy assessment, resources for literacy instruction. Course material presented within theoretical context.

### CDF 399 Early Childhood Practicum (3-6)
Prerequisites: Admission to Child & Family Studies or department approval. Supervised practicum experience in programs serving young children & families. Focus on organizations at the public, private, and non-profit sectors. Open to B.S. child development students only. Minimum of 160 hours of field experience.

### CDF 405 Program Planning for Infants and Toddlers (3, I, II)
Formerly CDF 344. Prerequisite: Admission to Child & Family Studies or department Approval. Planning, implementation, and evaluation of developmentally and culturally appropriate environments for infants and toddlers. Emphasis is placed on the caregiver-infant relationship, intentional teaching and curriculum/program assessment, laboratory and field experiences, and environmental adaptations for special needs.

### CDF 406 Program Planning for Preschool Children (3, I, II)
Prerequisites: Admission to Child and Family Studies or department approval. Planning, implementation, and evaluation of developmentally and culturally appropriate environment for preschool children. Emphasis on intentional teaching, curriculum/program assessment, inquiry learning, documentation, project work, collaborative work with families/colleagues/community, and various programs (e.g. Montessori, Head Start, HighScope).

### CDF 424 Diversity Awareness for Professional Practice (3, I, II)
Prerequisite: junior standing. Practitioners working with individuals and families today must develop cultural competency. With a focus on sensitivity and respect, this course provides an overview of diversity in society, including race, gender, socio-economic status, sexual orientation, religion, and other forms of diversity.

### CDF 437 Family Stress and Resilience (3, I, II)
Prerequisite: CDF 132 or department approval. Study of stressors which may affect the quality of family life and resiliency factors which families and individuals
employ to cope effectively with these stressors. Current research and models of family stress and resilience are studied.

CDF 441 Family Dynamics in Adulthood and Aging. (3) A. Individual and familial development from young adulthood through death. Particular focus on changing family roles as members age. Emphasis on social changes affecting life satisfaction, living environments, and social relations of the middle-aged and elderly.

CDF 443 Family Studies Practicum. (9) A. Prerequisites: CDF 247 or 327 or 327S and 343 or 406 or 248, and 344 or 405 or 248 or 327 (3.0 GPA in major, and minimum of “C” in all courses with a CDF prefix; senior standing. Supervised practicum experience in family life education, family resources and community-based programs serving individuals and families in the public, private, and nonprofit sectors.

CDF 449 Special Problems in Child Development. (1-3) A. Prerequisites: department approval and 3.0 GPA (major). May be retaken to a maximum of six hours provided topics vary. The student chooses a problem and works under the supervision of the instructor. Student must have the independent study proposal form approved by faculty supervisor and the definition of goals, philosophies and rationales.

CDF 450 Early Childhood Development. (3) A. Prerequisites: CDF 235 and overall 3.0 GPA, or instructor approval and ENG 102 or ENG 105 or equivalent. Introduction to the field and selected readings in the theoretical, etiological, and developmental views of assessment and management of stuttering problems in children.

CDF 474 Advanced Practicum in Speech Pathology. (3) II. Prerequisites: Overall 3.0 GPA and CDS 374, or Clinic Director approval. Advanced supervised clinical practice in communication disorders services. May be retaken to a maximum of six credit hours.

CDF 475 Voice Disorders. (3) I. Prerequisite: admission to the CDS program. Lectures and selected readings in etiologic perspectives of functional and organic voices disorders; assessment, classification, and treatment designs for vocal pathologies in children.

CDF 485 Audiology Evaluation. (3) II. Prerequisites: CDS 380. Fundamentals of audiometric assessment, immittance measurement, and electrophysiology via lecture and integrated lab simulations. Techniques for audiometric data collection, interpretation, and reporting.

CDF 487 Aural Rehabilitation. (3) I. Prerequisite: CDS 380 or departmental approval. Fundamentals of aural habilitation/rehabilitation in the form of amplification (hearing aids, cochlear implants, assistive listening devices), speech reading, auditory-visual-kinesisthetic perception, pediatric rehab techniques, educational management, counseling.

CDF 488 Practicum in Audiology. (1) II. Prerequisites: Overall 3.0 GPA or Clinic Director approval. Advanced supervised clinical practice in audiology. May be retaken to a maximum of two credit hours.

CDF 520 Augmentative and Alternative Communication Systems. (3) A. An overview of augmentative approaches to aided non-oral systems of communication. Various devices and symbol systems will be discussed.

CDF 525 Literate Language. (3) I. Prerequisites: CDS 360, CDS 365, and CDS 464 or departmental approval. Study of language and communication problems in children and principles for remediation in written language.

CDF 530 Therapeutic Relationships in Special Education. (3) II. Prerequisite: admission to CD program or departmental approval. Overview of therapeutic relationship between individuals with disabilities, their families, and professionals. Emphasis on empathetic listening, interviewing skills, and change processes.

CDF 541 School Services in Communication Disorders. (3) II. Prerequisites: Overall 3.0 GPA, and admission to CDS program; or departmental approval. Organization and management of speech-language therapy services in the schools.

CDF 571 Neural Bases of Communication. (3) I. Prerequisites: admission to the CDS program or instructor approval. A study of neuroanatomic and neurophysiologic bases of communication including developmental issues and neurologic deficits resulting in communication disorders. Credit will not be awarded for both CDS 571W and CDS 571.

CDF 571W Neural Bases of Communication. (3) A. Prerequisites: admission to the CDS program or instructor approval and ENG 102 or ENG 105B or Honors 102. A study of neuroanatomic and neurophysiologic bases of communication including developmental issues and neurologic deficits resulting in communication disorders. Credit will not be awarded for both CDS 571W and CDS 571.

CDF 572 Speech & Hearing Science. (3) II. Study of the physics of sound, acoustic characteristics and processes, perceptual correlates, production of speech, and psychophysical processes of communication.

CED — Clinical Education
Dr. Laurence Hayes, Associate Dean

CED 100 Clinical I: Introduction to the Education Profession. (0) I, II. Corequisites: EDF 203. Guided laboratory-based experiences emphasizing the identification and assessment of
roles and responsibilities of teachers and other education professionals and components of the education system. (laboratory-based credited clinical experience – minimum of 10 hours is required; additional hours may be required based upon candidate performance).  

CED 150 Clinical Transition: Education Profession. (5) I, II. Corequisite: EDF 310. Guided laboratory experiences emphasizing the observation profession. (laboratory-based clinical experience – a minimum of 10 hours is required; additional hours may be required based upon candidate performance).  

CED 170 Clinical II: Understanding the Learner. (0) I, II. Prerequisites: CED 100 and EDF 203(C); or CED 150 (grade of B or higher). Corequisites: EDF 219; or EDF 320 for CTE majors; or CDF 235 for IECE majors. Guided laboratory-based experiences emphasizing the assessment and analysis of student learning and engagement and the school environment from varied learning theory perspectives. (laboratory-based clinical experience – a minimum of 10 hours is required; additional hours may be required based upon candidate performance). Must earn a grade of Satisfactory for Admission to Professional Education.  

CED 300 Clinical III: Curriculum and Instructional Design. (5) I, II. Prerequisites: CED 200 (grade of B or higher) and Admission to Professional Education or Dean approval. Corequisite: EMS 300. Guided school-embedded experiences that emphasize impacting student growth through well-planned and aligned instructional units and lessons. (school-embedded clinical experience – minimum of 50 hours is required; additional hours may be required based upon candidate performance). Must earn B or higher for Professional Education.  

CED 375 Clinical V: Practicing Teaching. (1) I, II. Prerequisite: Admission to Professional Education or Dean approval. Corequisite: CED 450. Supervised, sustained practice teaching experiences in an assigned instructional setting. Experiences include individual, small group and whole class teaching experiences. (school-embedded clinical experience – a minimum of 40 hours is required; additional hours may be required based upon candidate performance).  

CED 400 Clinical IV: Diagnosis and Prescription. (5) I, II. Prerequisites: CED 300 (grade of B or higher) and Admission to Professional Education or Dean approval. Corequisites: EDF 413 and EMS 490; or SED 352 and SED 590 for IECE majors. Guided school-embedded experiences emphasizing the development, implementation, interpretation and reporting of a variety of assessment tools for learners, the classroom and school environment and the subsequent design of instruction. (school-embedded clinical experience – a minimum of 50 hours is required; additional hours may be required based upon candidate performance). Must earn B or higher for Professional Education.  

CED 450 Clinical V: Practicing Teaching. (1). I, II. Prerequisites: CED 400 (grade of B or higher) and Admission to Professional Education or Dean approval. Corequisite: ELE 446 or ELE 446W, or EMG 447, or ESE 540, 543, 549, 552, 553, 561, 566, 573, 579, 587, or 550; or SED 436 for IECE majors. Supervised, sustained practice teaching experiences in an assigned instructional setting. Experiences include individual, small group and whole class teaching experiences. (school-embedded clinical experience – a minimum of 80 hours is required; additional hours may be required based upon candidate performance). Must earn B or higher for Professional Education.  

CED 499 Clinical VI: The Professional Semester. (3-12) I, II. Prerequisite: CED 450 (grade of B or higher) and Admission to the Professional Semester. Full-time laboratory-based experience emphasizing school observation, participate, and teach in classroom settings with special emphasis on the impact of instruction on student learning. (school-embedded clinical experience – a minimum of 120 days is required).  

CHE 100 Inquiry Chemistry for Middle School Teachers. (3) A. Prerequisite: completion of all developmental requirements; pre-teaching or teaching middle school education majors only. Activity-oriented chemistry; elements, molecules, solutions, acids and bases, reactions, energy and environmental topics. 2 Lec/2 Lab. Gen. Ed. E-I [NS].  

CHE 101 Introductory Chemistry I (3) I, II. Prerequisite: completion of all developmental requirements. Corequisite: CHE 101 and MAT 098 or higher. For students who plan to take no more than one year of chemistry. Basic principles of structure and properties of matter, chemical nomenclature and reactivity. Relates chemistry concepts to everyday life phenomena. A withdrawal from CHE 101 must be matched by a withdrawal from CHE 101L. Gen. Ed. E-4 with CHE 101L [NS].  

CHE 101L Introductory Chemistry Lab I (1) I, II. Prerequisite: completion of all developmental requirements. Corequisite: CHE 101 and MAT 098 or higher. For students who plan to take no more than one year of chemistry. Basic principles of structure and properties of matter, chemical nomenclature and reactivity. Relates chemistry concepts to everyday life phenomena. A withdrawal from CHE 101 must be matched by a withdrawal from CHE 101L. Gen. Ed. E-4 with CHE 101L [NS].  

CHE 102 Introductory Chemistry II (3) I, II. Prerequisite: CHE 101 and 101L, or CHE 111 and 111L. Corequisite: CHE 102L. Continuation of CHE 101. A survey of the classes of organic molecules including their common uses and physical and chemical properties. In addition, an introductory look at the structure and function of biological macromolecules. Withdrawal from CHE 102 must be matched by a withdrawal from CHE 102L.  

CHE 102L Introductory Chemistry Lab II (1) I, II. Prerequisite: CHE 101 and 101L, or CHE 111 and 111L. Corequisite: CHE 102L. Continuation of CHE 101. A survey of the classes of organic molecules including their common uses and physical and chemical properties. In addition, an introductory look at the structure and function of biological macromolecules. Withdrawal from CHE 102 must be matched by a withdrawal from CHE 102L.  

CHE 105 Chemistry for the Health Sciences. (3) I, II. Prerequisite: completion of all developmental requirements. Corequisite or Corequisite: CHE 105L. An introductory course for students in allied health. Principles of bonding, structure, and reactivity related to biological processes. A withdrawal from CHE 105 must be matched by a withdrawal from CHE 105L. Gen. Ed. E-4 with CHE 105L [NS].  

CHE 105L Health Science Chemistry Lab. (1) I, II. Prerequisite: completion of all developmental requirements. Corequisite or Corequisite: CHE 105. Laboratory component of CHE 105. Laboratory experiments that demonstrate chemical concepts and laboratory techniques related to the health science profession. 2 Lab. Gen. Ed. E-4 with CHE 105 [NS].  

CHE 110 General Chemistry Preparation. (3) A. Prerequisite or Corequisite: MAT 098 or MAT 110. Preparation students for further studies in general chemistry. Topics will include introduction to matter, chemical formulas and reactions, bonding and molecules, chemical calculations, the periodic table.  

CHE 111 General Chemistry I. (3) I, II. Prerequisite or Corequisite: CHE 111L and ACT math score of 22+ or SAT math score of 530+ or MAT 112 (C or better) or 114 (C or better) or CHE 110 (C or better) or departmental approval. Principles of atomic and molecular structure and reactivity of states of matter. Prepares students for further studies in chemistry. One year of high school chemistry is recommended. Cannot be taken concurrent with CHE 110 (prerequisite only). A withdrawal from CHE 111 must be matched by a withdrawal from CHE 111L. Gen. Ed. E-4 with CHE 111L [NS].  

CHE 111L General Chemistry Lab I. (1) I, II. Prerequisite or Corequisite: CHE 111. Laboratory component of CHE 111. Basic laboratory techniques, methods of separation, types of chemical reactions, solution preparation and standardization, titrations, molecular modeling, qualitative analysis, gases, virtual labs on computer. 3 Lab. Gen. Ed. E-4 with CHE 111L [NS].  

CHE 112 General Chemistry II. (3) I, II. Prerequisite or Corequisite: CHE 111 and 111L (C or better). Prerequisite or Corequisite: CHE 112L or CHE 112HL (C or better). Continuation of CHE 111. Kinetics and equilibrium, solution chemistry, topics in chemical reactions, descriptive inorganic chemistry. Prepares students for further studies in chemistry. A withdrawal from CHE 112 must be matched by a withdrawal from CHE 112L or 112HL.  

CHE 112L General Chemistry Lab II. (1) I, II. Prerequisites: CHE 111 and 111L (C or better). Prerequisite or Corequisite: CHE 112L (C or better). Laboratory component of CHE 112. Kinetics, equilibrium, UV-VIS spectroscopy, introductory qualitative and quantitative analysis, electrochemistry, virtual labs on computer. 3 Lab.  

CHE 200 Volunteering in Chemistry. (0) A. An exposure to chemistry outreach activities, including, but not limited to exploring chemical research projects, organizing chemistry community service, and assisting other chemistry departmental events. Students can choose the focus of the volunteering in each semester. Passing grade is achieved for attending 80% of the designated activities in each semester.  

CHE 261 Organic Chemistry Preparation. (3) A. Prepares students for further studies in organic chemistry. This course will emphasize fundamental concepts and help students develop a productive mindset for studying Organic Chemistry.  

CHE 325 Analytical Chemistry. (3) A. Prerequisite: CHE 112 and 112L (C or better). Prerequisite or Corequisite: CHE 325. Introduces chemical analysis (with statistical evaluations) focusing on the principles of stoichiometry, chemical equilibrium, titrimetric and spectrophotometric analysis, potentiometry, and analytical separation processes. A withdrawal from CHE 325 must be matched by a withdrawal from CHE 325L.  

CHE 325L Analytical Chemistry Lab. (2) A. Prerequisite: CHE 112 and 112L (C or better). Prerequisite or Corequisite: CHE 325. Lab component of CHE 325. Course designed to introduce the principles of wet chemical techniques and basic instrumental analysis through experimentation. 4 Lab.  

CHE 349 Applied Learning in Chemistry. (5-8) A. Work in placements related to academic studies. Field placement: One to eight credit hours may be used for one semester or summer. Total hours: sixteen, baccalaureate. A minimum of 80 hours of employment required for each semester hour of academic credit. May not be used to satisfy area, major or minor requirements.  

CHE 349 A-N Cooperative Study: Chemistry. (5-8) A. Work in placements related to academic studies. One to eight credit hours may be used for one semester or summer. Total hours: sixteen, baccalaureate. A minimum of 80 hours of
Section Seven - Course Descriptions

Prerequisite:
CHE 361 and CHE 361L (C or above).

Prerequisites: CHE 361 and CHE 361L (C or better).

Prerequisite or Corequisite: CHE 361. Laboratory component of CHE 361. Experimental work to illustrate principles of organic chemistry. Basic techniques including separation and spectroscopic methods; and selected syntheses. 3 Lab.

CHE 362 Organic Chemistry II. (3) I, II.
Prerequisites: CHE 361 and CHE 361L (C or above).

Prerequisite or Corequisite: CHE 362L. Alcohols and ethers; aldehydes and ketones; carboxylic acids and derivatives; carbanions; amines; phenols; carbohydrates; hydrocarbons; spectroscopy; substitution and elimination reactions. A withdrawal from CHE 362 must be matched by a withdrawal from CHE 361L. C: Inorganic, D: Organic, or E: Physical. May be retaken to a maximum of three hours. Student must have the independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment. Credit will not be awarded for both CHE 362 and CHE 562. Cannot be taken concurrent with CHE 485. May be taken for a total of six hours. 3 Lab.

CHE 362L Organic Chemistry Lab II. (1) I, II.
Prerequisite or Corequisite: CHE 362. Laboratory component of CHE 362. Experimental work to illustrate principles of organic chemistry. Selected chemical syntheses and advanced techniques such as separation and spectroscopic methods. 3 Lab.

CHE 385W Chemical Literature (3) A.
Prerequisites: CHE 112(C) and ENG 102, 105(B), or HON 102. Course introduces chemical literature search techniques, types of scientific writing, and disseminating chemical data. At the end of this course students will be able to demonstrate the skill to create effective and appropriate styled chemical reports and presentations. Credit will not be awarded to students who have credit for CHE 385.

CHE 411A Independent Research. (1-3) A.
Prerequisite: departmental approval. Students will gain specific experiences through participation in planning, teaching, analysis, and/or required maintenance in a designated undergraduate chemistry course. Formal project assigned by a faculty mentor. May be retaken for a maximum of three hours. 3-9 Lab.

CHE 425 Instrumental Analysis (3) A.
Cross-listed as FOR 411. Prerequisites: CHE 325, 325L, 362L, 385L, PHY 322, 322L (C or better in each course). Prerequisite or Corequisite: CHE 425L. Fundamental principles of the operation and application of analytical instrumentation including spectroscopy, chromatography, electrochemistry, and mass spectrometry from an industrial, government, forensic, and/or research environments are presented. Credit will not be awarded to those who have received credit for FOR 411 or CHE 525. 3 Lee.

CHE 425L Instrumental Analysis Lab. (1) A.
Prerequisite or Corequisite: CHE 385 and CHE 425. Lab component of CHE 425. Lab course designed to provide hands-on experience with modern chemical instrumentation for qualitative and quantitative measurements found throughout industrial, government, and/or research environments. Credit will not be awarded for both CHE 425L and FOR 411L. 3 Lab.

CHE 430 Biochemistry of Macromolecules. (3) A.
Prerequisites: CHE 362 and 362L. Structure, analysis, and organization of proteins, nucleic acids and lipids; physical and organic mechanisms of enzyme action; chemistry of membrane action and the immune system. Credit will not be awarded for both CHE 430 and CHE 530. 3 Lab.

CHE 431 Metabolic Biochemistry. (3) A.
Prerequisites: CHE 362, 362L and 430. Continuation of CHE 430. Chemistry, catabolism, and biosynthesis of carbohydrates, lipids, amino acids, and nucleotides; mechanisms of respiratory control. Credit will not be awarded for both CHE 431 and CHE 531.

CHE 432 Biochemistry Laboratory. (1) A.
Prerequisite or Corequisite: CHE 430 or 431 or departmental approval. Experimental techniques characteristic of biochemical research. Purification and characterization of proteins and nucleic acids; use of computers in molecular biology. Credit will not be awarded for both CHE 432 and CHE 532.

CHE 450 Inorganic Chemistry. (3) I.
Prerequisite: CHE 362 and MAT 234 (C or better). Principles of inorganic chemistry with emphasis on electronic structure, reactivity, symmetry, crystal field theory, and bond characteristics. Applications of these principles to inorganic compounds. 3 Lab.

CHE 450L Chemistry Colloquium (1) I, II.
Prerequisites: CHE 325 and 362. Lectures and presentations of chemical information by local or visiting scholars currently engaged in research. One weekly meeting. Cannot be taken concurrent with CHE 485. May be retaken for a maximum of two hours.

CHE 485 Chemistry Seminar. (1) I, II.
Prerequisite: CHE 362(C) and 385(C). Presentation of specific chemical research from recent literature and/or performed experimentation to members of the chemistry faculty and departmental majors. One weekly meeting. Cannot be taken concurrent with CHE 484. Credit will not be awarded for both CHE 485 and 484.

CHE 495A Independent Chemical Research. (3) A.
Prerequisite: CHE 112 and departmental approval. An introduction to research in all fields of chemistry. Literature-based assigned research project with a faculty mentor that will result in a faculty approved report. May be retaken to a maximum of three hours. Student must have the independent study proposal form approved by faculty mentor and departmental chair prior to enrollment. 3 Lab. Credit will not be awarded for both CHE 495A and 495A1.

CHE 495B Chemistry Laboratory Independent Research:________ (1-3) A.
Prerequisites: CHE 112 and departmental approval. Objectives and techniques of chemical research. Problems in all fields of chemistry. May be retaken to a maximum of nine hours. Students must have the independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment. Credit will not be awarded for both CHE 495 and 495B.

CHE 501 A-E. Chemtopics:________ (1-3) A.
Prerequisite: departmental approval. Topics to be chosen from current and/or specialized area of chemistry based on interests and/or need: A, Analytical; B, Biochemistry, C, Inorganic; D, Organic; E, Physical. May be retaken to a maximum of six hours.

CHE 510 Chemistry Lab:________ (1) A.
Prerequisite: departmental approval. Laboratory experiences chosen from specialized areas of chemistry including advanced instrumental / analytical, synthetic methods, computational chemistry, or molecular modeling. Topics vary according to student needs. May be retaken to a maximum of two hours. 3 Lab.

CHE 515 Synthetic & Analytical Methods. (5) A.
Prerequisites: CHE 362, 362L, 425 (or FOR 411), 425L (or FOR 411L) (C or better in each course). Prerequisite or Corequisite: CHE 450 (C or better). Synthesis, isolation, purification, and characterization (including spectroscopy and other analytical methods) of inorganic and organic compounds and mixtures. Other methods include handling of air and moisture sensitive compounds and molecular computations. 3 Lee Lab.

CHE 520 Mass Spectrometry. (3) A.
Cross-listed with FOR 520. Prerequisites: CHE 325 and 325L (C or better in each course). Prerequisites or Corequisites: CHE 574 and MAT 234 or MAT 261. Prerequisite or Corequisite: PHY 131 or 201. An introduction to physical and chemical explanations of biological phenomenon and physical chemistry theories and methodologies applied on biological systems. Topics include thermodynamics, chemical equilibrium, kinetics, quantum chemistry, spectroscopy, and selected topics. 6 Lee / Lab. Credit will not be awarded both CHE 570 and CHE 770. Credit will not be awarded for both CHE 570 and CHE 470.

CHE 574 Physical Chemistry I. (3) A.
Prerequisite: CHE 361 (C or better). Prerequisites or Corequisites: CHE 574L, and MAT 244 and PHY 131 or 201 (C or better in each course). A study of thermodynamic properties in physical and chemical systems; electrochemical processes; rates and mechanisms of chemical reactions. Credit will not be awarded for both CHE 574 and CHE 471.

CHE 574L Physical Chemistry Lab I. (1) A.
Prerequisite: CHE 325 and 325L (C or better in each course). Prerequisites or Corequisites: CHE 574 and CHE 385 (C or better in each course). Laboratory component of CHE 574. Experimental work to illustrate principles of physical chemistry that include thermochromism, thermodynamics, equilibrium, and reaction kinetics. 3 Lab.

CHE 575 Physical Chemistry II. (3) A.
Prerequisite: CHE 361 (C or better). Prerequisite or Corequisite: CHE 575L and MAT 254 and PHY 132 or 202 (C or better in each course). An introduction to quantum mechanics and molecular systems; applications of atomic and molecular spectroscopy; introduction to computational chemistry. Credit will not be awarded for both CHE 575 and CHE 472.

CHE 575L Physical Chemistry Lab II. (1) A.
Prerequisite: CHE 325 and 325L (C or better in each course). Prerequisites or Corequisites: CHE 575 and CHE 385 (C or better in each course). Laboratory component of CHE 575. Experimental work to illustrate principles of physical chemistry including UV-visible, infrared, and fluorescence spectroscopic techniques, fundamentals of laser operation, statistical mechanics, and computational chemistry.

CHN—Chinese

CHN 101 Conversational Chinese I. (3) I, II.

CHN 102 Conversational Chinese II. (3) I, II.

CHS 210 Special Problems in Health Sciences. (1-4) A.
Prerequisite: departmental chair approval. For independent work, special workshops, or a special topic. May be retaken to a maximum of six hours.

CHS 342 Understanding AIDS (1) I, II.
A seminar intended to inform students about risk factors and implications associated with acquiring AIDS (Acquired Immune Deficiency Syndrome).

CHS 349 Applied Learning in Health Sciences. (3-5) A.
Work, under faculty and field supervisors, in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. Minimum 80 hours work required for each academic credit.

CHS 350 Special Problems in Health Sciences. (1-4) A.
Prerequisite: departmental chair

2017-2018 EKU UNDERGRADUATE CATALOG
301
Section Seven - Course Descriptions

CIS 420 Special Topics for Health Professions. (1-2) A. Prerequisite: senior standing and/or departmental approval. Topics of current interest to students enrolled in health professions. May be retaken to a maximum of six hours.

CIS 570 Health Care of the Aged. (3) A. Theories of gerontology; common health problems of the aged; focus on quality health care.

CIS—Computer Information Systems

Dr. Oliver Feltus, Chair

CIS 212 Introduction to Computer Information Systems. (3) I, II. Introduction to computer hardware and software systems, the Internet, HTML, and microcomputer applications including spreadsheets, word processing, database, presentation graphics, electronic mail, and Web browsing.

CIS 215 Introduction to Business Programming. (3) I, II. Prerequisite: CIS 212 or CIS 240 or INF 104 with a grade of “C” or better. Introductory computer programming course using an object-oriented programming language to solve business problems. This course will introduce: algorithm concepts and development; object-oriented programming methodologies; language syntax; graphical interface design and event based programming.

CIS 320 Web Applications of Microcomputers. (3) A. Prerequisite: CIS 212 or CIS 240 or INF 104 or equivalent with a grade of “C” or better. Advanced word processing, spreadsheets, databases, management, and presentation software.

CIS 240 Introduction to Web Information Systems. (3) I, II. Introduction to design and development of Web-based systems. Includes Internet and Web technology; Web development using design processes and HTML programming; client-side scripting languages, and hands-on experience in web page authoring.

CIS 300 Management Information Systems. (3) I, II. Prerequisites: ACC 201, 202, CIS 212 or INF 104 and ECO 230 with a grade of “C” or better in each course; junior standing (a minimum of 60 hours) with an overall minimum of 2.0 GPA. Role of information systems in supporting managers, decision making and organizational planning and managing e-business systems; global competition; social and ethical issues.

CIS 325 Forensic Computing: Acquisitions (3) A. Prerequisite: CIS 212 or CIS 240 or INF 104 or TEC 161 with a grade of “C” or better and junior standing. Prerequisite: students with an understanding of digital forensics as used in corporate investigations and criminal/civil litigation. Students learn basic tools and techniques to properly initiate a computer forensics investigation, then acquire and analyze that evidence.

CIS 335 Data Base Management. (3) I, II. Prerequisites: Junior standing and CIS 240 or CIS 300 with a grade of “C” or better. Fundamental concepts of database processing; conceptual, logical, and physical design of databases; the use of SQL for data retrieval and relational database implementation; and data management for the enterprise.

CIS 340 Electronic Business Technologies and Tools. (3) II. Prerequisite: Junior standing and CIS 224 and/or CIS 240 with a grade of “C” or better. The course provides an introduction to e-business infrastructure, tools, and the development of e-business applications with these tools. Topics include Web infrastructure; Web applications; HTML, XML; client-side and server-side scripting languages.

CIS 349 Applied Learning in Computer Information Systems. (3-5) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each credit hour. Three hours may be used as a major elective. May be repeated for a total of 16 credit hours.

CIS 349 A-N Cooperative Study: Computer Information Systems. (0.5-3) A. Prerequisites: minimum GPA of 2.25 and advisor/departamental approval. Practical experience in computer information systems. May be retaken under different sub-topics to a maximum of six hours. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

CIS 370 Seminar in Computer Information Systems. (1-3) A. Prerequisite: instructor approval. Selected topics of special and contemporary interest to business students. May be retaken under different sub-topics to a maximum of six hours.

CIS 375 Networks and Telecommunication. (3) A. Prerequisite: Junior standing and CIS 240 or NET 303 with a grade of “C” or better. The study of networking and telecommunications fundamentals including LANs, WANs, and the Internet. Data communication and telecommunication concepts, models, standards, and protocols are studied. Installation, configuration, and management of infrastructure technologies are covered.

CIS 380 Information Systems Analysis and Design. (3) A. Prerequisite: Junior standing and CIS 215 or 300 with a grade of “C” or better in each course. Systems development life cycle with the emphasis on analysis and design of information systems. Topics include requirements determination, logical design, physical design, and implementation planning; feasibility analysis; RAD, prototyping, and object-oriented modeling techniques; software package evaluation, acquisition, and integration.

CIS 400 Electronic Business Planning and Strategy. (3) I, II. Prerequisites: Junior standing and CIS 300 with a grade of “C” or better. Course covers the theory and practice of electronic business. Emphasizes business models and technology, assessing company performance and value; design, promotion, global and social issues.

CIS 410 Project Management and Practice. (3) I. Prerequisites: Junior standing and CIS 300 or CIS 240 or NET 303 with a grade of “C” or better in each course. This course presents the theory and practice of modern project management. The technical and behavioral aspects of project management and change management are applied with the context of an information systems project.

CIS 420 Forensic Computing: Network Analysis. (3) I, II. Prerequisites: Junior standing and CIS 212 or NET 303 with a grade of “C” or higher. This course provides students with an understanding of computer forensics, in the context of managing computer networking and wireless networks, as well as in the context of corporate investigations and business litigation. Students learn tools and techniques to investigate network usage, IP traffic, and web sites to conduct a forensics investigation.

CIS 430 Business Data Mining I (3) A. Prerequisites: (CIS 212 or 240 or INF 104 or TEC 161) and (QM2 200 or ECO 220 or STA 215 or STA 270), all with a grade of “C” or better. Topics include the basic concepts and practical business applications of data mining. Topics include: data types, data patterns, data preprocessing, data cleaning, outlier analysis, features reduction, feature discretization, classification, regression, model estimation, Bayesian inference, regression analysis, classification, and prediction.

CIS 475 Advanced Telecommunications. (3) A. Prerequisite: CIS 375 or permission of instructor.

CIS 490 Special Problems in Computer Information Systems. (1-4) A. Prerequisite: advisor/departmental approval. Independent study in information systems. May be retaken under different sub-topics to a maximum of six hours. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

CIS—Communication Studies

Dr. Deborah T. Givens, Chair

CIS 100 Introduction to Human Communication. (3) I, II. An introduction to the study of human communication. Overview of major topics in contemporary theories of intrapersonal, interpersonal, small group, and public communication. Practice in the development of skills in each of these areas. Gen. Ed. E-1C [OC].

CIS 200 Interpersonal Communication. (3) I, II. A theoretical and skills based approach to building effective relationships while considering practical applications to personal and professional life. Gen. Ed. E-1C [OC].

CIS 205 Advocacy and Opinion. (3) I. The study of the techniques and principles of formal argumentative discourse. Emphasis on developing, presenting, and defending opposing positions on controversial questions through intensive writing and oral communication. Credit will not be awarded for both CIS 205W and CIS 205.

CIS 205W Advocacy and Opinion. (3) I, II. Prerequisite: ENG 102, or ENG 105(B), or HON 102. The study of the techniques and principles of formal argumentative discourse. Emphasis on developing, presenting, defending, and opposing positions on controversial questions through intensive writing and oral communication. Credit will not be awarded for both CIS 205W and CIS 205.

CIS 220 Careers in Communication Studies (1-3) A. An exploration of career opportunities in communication studies. All students must take the class for one credit hour; students may elect to take the class for three credit hours, which involves onsite visits to organizations.

CIS 250 Interviewing. (3) I. Analysis and application of the communication skills necessary for becoming an effective interviewer and interviewee in organizational contexts. Learn and apply various interviewing techniques: informative, employment and persuasive interviewing.

CIS 300 Business and Professional Speaking. (3) I, II. Prerequisites: CIS 205W and 210. An advanced speaking course, in which students organize and deliver business presentations, learn and practice professional electronic/telephonic communication protocols, and conduct business meetings.

CIS 305 Research Design in Communication Studies (3) I, II. Prerequisites: CIS 205W and MAT 105 or 106 or 107 or 108 or 124 or 124H or 211. An introduction to the techniques of experimental, survey, textual and ethnography research designs as each pertains to the study of human communication.

CIS 310 Team Building and Small Group Communication. (3) I, II. Prerequisites: CIS 205W. Emphasis on the role of communication in the development of group norms, roles, leadership styles, problem-solving techniques and decision-making techniques in team building and small group interactions.

CIS 315 Communication Studies Practicum. (1-3) I, II. Prerequisite: instructor approval. Supervised practical experience in organizational, human service, or dispute resolution communication contexts. May be retaken for a maximum of three hours.
COM 320 Persuasion. (3) A. Prerequisites: ENG 101, and 102. Study of contemporary research and theories of persuasion and social influence. Practice in the design, analysis, and implementation of persuasive messages.

COM 325 Communication in Conflict Management. (3) I, II. Prerequisites: COM 100 or departmental approval. An overview of theoretical and empirical literature concerning the communication and resolution of conflict. Emphasis on building appropriate communication skills for productive conflict management.

CMS 335 Advanced Public Speaking (3) I, II. Prerequisite: CMS 210 or departmental approval. An advanced study of the invention, organization, style, delivery, and audience adaptation of various types of speeches.

CMS 349 Applied Learning in Communication Studies. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

CMS 349 A-N Cooperative Study: Communication (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

CMS 350 Organizational Communication. (3) I. Survey of theoretical and empirical literature dealing with communication behavior as it occurs within the context of organizations. Students examine communicative behavior through case study and field observation.

CMS 353 Health Communication. (3) A. Prerequisites: CMS 100 or 210. A survey of recent developments in the field of health communication. Emphasis is on the role of interpersonal communication and family narrative in the health care setting, patient/ provider interactions, and multicultural health awareness.

CMS 375 Intercultural Communication. (3) A. Prerequisites: CMS 200, 205 or 205W, and 210. A study of the communication process across cultures with emphasis on intercultural perceptions, values and language problems as well as nonverbal expression in personal and professional settings.

CMS 380 Communication and Recruitment. (3) A. Prerequisites: Departmental approval. This course is designed to provide students with both theory and methods in recruitment, using and improving their interpersonal communication and public speaking skills. The class will utilize extensive role-playing activities to develop these skills.

CMS 400 Communication and Gender. (3) A. Prerequisites: CMS 200, 205W or 205, and 210. Focuses on relationships between communication and gender, race, and social class. Examines ways in which gender roles are created and recreated in society and in our personal and professional relationships.

CMS 410 Human Communication Theory. (3) A. A general overview of the theoretical approaches informing research or communication. The goals of the class include developing and understanding of the role of theory in the research process and the ability to critique theories.

CMS 420 Negotiation. (3) A. This course combines communication theory and practice in resolving conflicts using the negotiation process. Extensive role-playing activities will be utilized to develop these skills.

CMS 435 Family Communication. (3) A. Prerequisite CMS 200. Survey of theoretical and research literature dealing with communication in the family. Emphasis is on the role of communication in creating and maintaining healthy marriages and families.

CMS 445 Advanced Interpersonal Communication. (3) A. Prerequisite: CMS 200 and CMS 205 or 205W. Analysis of theory and research in professional and personal communication. Topics include relationship messages, stages of interpersonal relationships, intimate dialogue, the dialogue of distance, maintaining relationships through dialogue, and developing effective communication in relationships.

CMS 450 Mediation. (3) A. Prerequisites: CMS 325 or departmental approval. Study of mediation as an alternative dispute resolution technique. Involves the analysis and practice of communication skills applicable to the mediation process. Extensive mediation role-plays are an integral part of the course.

CMS 485S Communication Training and Development. (3) I, II. Prerequisite: CMS 200, 205W, 250, and 300. An introduction to the field of communication training and development for corporate, industrial, institutional, medical or educational settings. Students will practice training techniques in on-site situations. Credit will not be awarded to students who have credit for CMS 406 or 485.

CMS 490 Special Topics in Communication. (1-3) A. Presentation of course material of a timely, specialized, or topical nature. Specific course orientation will appear beside title. May be retaken to a maximum of nine hours if subject matter is different each time. Credit will not be awarded for both CMS 406 and CMS 490.

CMS 499 Independent Study in Communication Studies. (1-6) I, II. Individual research and reading on a specified speech communication subject. Regular consultation and final paper or performance required. Students must have the approval of the independent study advisor. Work under faculty and department chair prior to enrollment. May be retaken to a maximum of six hours.

CON—Communication

Dr. Deborah T. Givens, Chair

COM 290 Topics in Communications. (1-3) A. Prerequisite: departmental approval. Special topics beyond the scope of regularly offered courses. May be retaken to a maximum of nine hours provided the subject matter differs each time. Specific topics included in the schedule.

COM 325 Advertising Copy and Production. (3) I, II. Prerequisites: ENG 102 or ENG 105(B) or HON 102. Introduction to copywriting and production for electronic, print and other advertising media. Emphasis on advertising strategy, motivation, appeals, visualization and layout. Applies research and communication theory to the creation of advertising. Credit will not be awarded for both COM 325 and 325S.

COM 325S Advertising Copy and Production. (3) I, II. Prerequisites: ENG 102 or ENG 105(B) or HON 102. Using a service-learning-based approach, students learn copywriting and production for electronic, print and other advertising media. Topics include advertising strategy and practice, motivation, appeals, visualization and layout, applied research and communication theory. Credit will not be awarded for both COM 325 and 325S.

COM 345 Literature and Film. (3) A. Cross-listed as ENG 345. Prerequisites: ENG 102 (or 105B) or HON 102. Examination of the relationships between film and literature through a comparative study of the stylistic and technical elements of both. Credit will not be awarded for both COM 345 and ENG 345.

COM 349 Applied Learning in Multi-Media Studies. (5-8) A. Prerequisites: junior standing; "B" average in all courses within the department, and departmental approval. Work under faculty and field supervisor in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen baccalaureate. A minimum of 80 hours work required for each academic credit. May not satisfy major or minor requirements within the department.

COM 349 A-N Cooperative Study: Multi-Media Studies. (5-8) A. Prerequisites: junior standing, "B" average in all courses within the department, and departmental approval. Work under faculty and field supervisor in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen baccalaureate. A minimum of 80 hours work required for each academic credit. May not satisfy major or minor requirements within the department.

COM 390 Fund raising. (3) I, II. An overview of fund raising, including planning, organization, management, marketing, and the common sense needed to raise money from private sources.

COM 400 Studies in Communications; (1-3) A. Prerequisite: will vary with course offering. Study of specific areas of communications through workshops, short courses, institutes, or through the presentation of a specific course which examines timely, topical, or specialized concerns in the field. Specific topic included in schedule. May be retaken to a maximum of nine hours.

CON 420 Mass Communications Research. (3) I, II. Prerequisite: PUB 380 with a grade of "C" or higher or departmental approval. Introduction to the research process, research approaches, basic statistics, and applied research in the field of mass communications.

CMS 490 Media Campaign. (3) A. Prerequisites: COM 325 or 425. Design and execution of a complete advertising/media campaign based on an actual case study. Includes primary research, media planning, creative design/execution, and evaluation. Students produce professional quality advertising materials for national competition. Credit will not be awarded for both COM 490 and MKT 426.

COM 599 Independent Study in Communication; Media (1-3) A. Prerequisites: Completion of at least 90 hours; students must have the Independent Study Proposal Form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of three hours, providing additional study projects differ.

CON—Construction Management

Dr. Scott Arias, Coordinator

CON 121 Introduction to Construction. (3) I, II. A survey of the construction industry. Nature, scope, and general characteristics of the industry with an emphasis on careers, safety, and typical contracting methods.

CON 201 Materials and Methods of Construction I. (3) I, II. Composition, manufacture and grades of construction materials and building products with emphasis on wood, metal, glass, roofing, finishing, and plastic materials. Methods, including safety, involved in the placement and installation of these materials.

CON 202 Materials and Methods of Construction II. (3) I, II. Composition, manufacture, and grades of construction materials and building products with an emphasis on concrete and masonry. Methods, including safety, involved in the placement and installation of these materials. 2 Lec 2 Lab.

CON 211 Plane Surveying. (3) I, II. Prerequisite: MAT 120 with a minimum grade of "C." Principles of surveying, including the measurement of distances, elevations, and angles. Calculations for the various operations, including traverse computations. Introduction to the use of surveying instruments and note keeping. 2 Lec 2 Lab.

CON 294 Construction Graphics. (3) A. Basic principles of residential and small commercial planning styles of architecture; a comparative study of structural systems and the preparation of working drawings. 2 Lec 2 Lab.

CON 303 Statics and Strength of Materials.
CON 307 Soils and Foundations. (3) I, II. Prerequisite: CON 303. A study of soil mechanics as it relates to foundation construction. Topics include soil classification, engineering properties, compaction testing, types of foundation systems, and methods of foundation construction.

CON 320 Construction Surveying. (3) I, II. Prerequisite: CON 221. The application of surveying skills as they relate to horizontal and vertical control on construction projects. Activities include building layout, centerline staking, earthwork computations, and slope staking. The use of electronic instruments is emphasized. 2 Lec/2 Lab.

CON 321 Boundary Surveying. (3) I. Prerequisite: CON 221. This course introduces students to the principles of boundary surveying and provides them with the basic knowledge and skill to practice boundary surveying under the supervision of a registered professional surveyor.

CON 322 Construction Structural Design. (3) I, II. Prerequisites: CON 303 and MAT 211 or 234 (4) and 217I-2. A study of the design of beams and columns using steel and wood. Principles of structural design related to the design of temporary structures used in the construction process.

CON 323 Estimating I. (3) I, II. Prerequisites: CON 201, 202, and MAT 120 with a grade of “C”. A study of materials and labor required in the construction of commercial projects. Experience is gained in reading drawings, calculating material quantities, and listing work items in a standardized format. 2 Lec/2 Lab.

CON 324 Mechanical/Electrical Systems. (3) II. Prerequisites: CON 201 and 21 additional hours of CON courses. A study of plumbing, heating, air-conditioning, electrical power distribution, and lighting for vertical and horizontal construction. Basic fundamentals of water supply, waste drainage, electrical circuits, and heat loss/gain calculations are studied. 2 Lec/2 Lab.

CON 325 Construction Estimating. (5) I, II. Prerequisites: CON 201, 202, MAT 120 with a minimum grade of “C”; and TEC 161. A study of estimating construction materials, equipment, labor, and costs, through reading drawings and calculating quantities and costs. Estimating software and cost databases are utilized to look up unit costs. 4 Lec/2 Lab.

CON 349 Applied Learning in Construction Management. (5-8) A. Prerequisites: 30 hours of credit including 9 credit hours of CON courses with a 2.0 GPA and departmental approval. Transfer students must have completed at least one semester of full-time work at EKU. Work under faculty and field supervisors in placements related to construction management.

CON 349 A-N Cooperative Study: Construction Management. (5-8) A. Prerequisites: 30 hours of credit including 9 credit hours of CON courses with a 2.0 GPA and departmental approval. Transfer students must have completed at least one semester of full-time work at EKU. Work under faculty and field supervisors in placements related to construction management.

CON 420 Engineering Economy. (3) I, II. Junior Class Restriction. A systematic application of engineering economy to design, selection of construction materials, and cost estimation methods. A study of first costs, operating and maintenance costs, service life, and replacement costs.

CON 423 Estimating II. (3) I, II. Prerequisite: CON 323 and TEC 161. Construction projects of moderate complexity are divided by scope, then materials are quantified and costed. Cost databases are utilized for estimating labor, materials, equipment, and overhead. Emphasis is placed on the use of estimating software. 2 Lec/2 Lab.

CON 425 Project Organization and Supervision. (3) II. Prerequisites: MGT 300 or MGT 301 or AEM 408 and CON 421. A study of principles of construction project administration, systems for efficient time and field personnel, and dispute avoidance and resolution procedures. The construction process is followed from project inception to closeout.

CON 426 Scheduling. (3) I, II. Prerequisites: ACC 201 or FIN 310 and CON 325. A study of the planning and control of construction activities and project costing. Topics include critical path method scheduling, metric based progress monitoring, cash flow analysis, and cost control. Standard scheduling software is used. 2 Lec/2 Lab.

CON 480 Construction Management Graduate Preparation. (1-6) A. Prerequisite: Admission to MS program in Applied Engineering and Technology Management, Construction Management concentration. Examines contemporary construction management issues. A guided study of construction management modules meant for graduate students who have an undergraduate degree in an unrelated field but who have a minimum of 3 years of verifiable construction experience.

CON 499 Construction Mgt. Capstone. (4) II. Corequisites and/or prerequisites: CON 425, CON 426. A project-based capstone course in construction management for senior-level majors. This course will emphasize the integration of knowledge and skills acquired in previous undergraduate courses. 3 Lec/2 Lab.

COR—Correctional and Juvenile Justice Studies

Correa Matthews, Coordinator

COR 201 Introduction to Corrections (3) A. Introduction to historical, philosophical, and operational frameworks of US corrections. Debates the goals of punishment and explores institutional and community-based sentencing options.

COR 302 Living and Working in Prison (3) A. Cross-listed as CRJ 302. Examines inmate subcultures and violence in prisons. Examines prison environment for living and working in prison. Credit will not be awarded to students who have credit for CRJ 302 or CRJ 303.

COR 303 The Offender in the Community (3) A. Formerly COR 330. Cross-listed as CRJ 303. Explores impact offenders have on community. Examines formal and informal frameworks of US corrections. Debates the goals of punishment and explores institutional and community-based sentencing options.

COR 304 Corrections. (3) A. Cross-listed with CRJ 304. Provides an overview of correctional systems, punishment philosophies, and legal issues related to applicable laws. Credit will not be awarded to students who have credit for COR 304 or CRJ 303.

COR 311 The Juvenile Justice System. (3) A. Cross-listed with CRJ 311. Examines the evolution of the juvenile justice system, police response to delinquency, and juvenile court’s role in protecting the public and serving children. Credit will not be awarded for both COR 311 and CRJ 311.

COR 321 Delinquency Interventions. (3) A. Provides in-depth analysis of risk factors for delinquency. Examines effectiveness of individual, school, and family-based interventions in both community and residential settings.

COR 322 School-Based Interventions for At-Risk Youth (3). Examines school-based problems and solutions. Emphasizes intervention strategies for at-risk youth. Credit will not be awarded for both COR 322 and COR 320 “School-Based Interventions for at-risk Youth.”

COR 323 Legal Issues in Adult Corrections (3). Formerly COR 315. Cross-listed as CRJ 323. An overview of legal court decisions related to adult corrections. Analyzes legal issues surrounding adult correctional contexts and practices. Credit will not be awarded to students who have credit for COR 315 or CRJ 323.

COR 340 Correctional and Juvenile Justice Administration. (3) A. Introduces students to organizational theory and managerial principles, and examines their application to the unique challenges of correctional and juvenile justice agencies.

COR 349 Applied Learning in Corrections and Juvenile Justice. (5-6) A. Prerequisites: 30 hours of college coursework and departmental approval. Work under faculty and field supervisors in placements related to academic studies. Total hours: six, baccalaureate. A minimum of 80 hours work experience is required for each academic credit.

COR 349 A-N Cooperative Study: Corrections and Juvenile Justice. (5-6) A. Prerequisites: 30 hours of college coursework and departmental approval. Work under faculty and field supervisors, in placements related to academic studies. Total hours: six, baccalaureate. A minimum of 80 hours work experience is required for each academic credit.

COR 360 Rehabilitation Strategies for Adult and Juvenile Offenders (3) A. Cross-listed as CRJ 360. Debates the rehabilitative goal of corrections and juvenile justice. Examines contemporary policies and their effectiveness in controlling/changing offender behavior. Credit will not be awarded to students who have credit for COR 350 or CRJ 360.

COR 375 Applied Skills Practicum. (1-6) A. Prerequisites: Departmental approval. Designed primarily for in-service personnel and others where COR 349 is inappropriate, this course provides the student with opportunity to integrate academic knowledge with a field experience.

COR 410 Female Offenders (3) A. Formerly COR 423. Analyzes how policy and practice has impacted female arrests and incarceration. Explores gendered pathways to crime and the importance of gender-specific programming. Credit will not be awarded for both COR 410 and CRJ 423: “Women in Corrections”.

COR 412 Exploring the Death Penalty (3) A. Introduction to the history and use of the death penalty in the US. Examines purpose, fairness, and efficacy of death penalty through balanced coverage of the debate. Credit will not be awarded to students who have credit for COR 320: “Exploring the Death Penalty”.

COR 413 Addressing Mental Health and Substance Abuse Needs of Adult Offenders (3) A. Formerly COR 320. Cross-listed as CRJ 413. Examines etiology and effects of substance abuse/mental health problems of adult offenders. Describes intervention strategies. Credit will not be awarded to students who have credit for COR 320: “Addressing Mental Health and Substance abuse needs of adult offenders” or CRJ 413. Credit will be awarded for both COR 320 and CRJ 413. Credit will not be awarded to students who have credit for both COR 320 and CRJ 413.

COR 420 Diversity in Corrections (3) A. Formerly COR 423. Cross-listed as AFA 346, CRJ 345, WGS 345. Focuses on issues, status, and special needs of “non-mainstream” sub-populations within the US correctional system, both inmates and personnel. Credit will not be awarded to students who have credit for COR 423 “Diversity in Corrections.”

COR 421 Intervening with Juvenile Sex Offenders (3) A. Formerly COR 423. Provides comprehensive overview of field of juvenile sex offenders and the risk they pose. Focuses on etiology, evaluation, assessment, treatment, and management of juvenile sex offenders. Credit will not be awarded to students who have credit for COR 423: “Intervening with Juvenile Offenders”.

COR 422 Legal Issues in Juvenile Justice. (3) A. Introduces the major bodies of law that inform juvenile justice practice and examines juvenile’s legal rights. Credit will not be awarded to students who have credit for COR 422: “Legal Issues in Juvenile Justice”.

COR 423 Topical Seminar: ___. (1-3) A. Intensive study of selected topics related to corrections and juvenile justice. May be retaken to a maximum of
twelve hours on different topics.

COR 460 Independent Study. (1-6) A. Prerequisite: departmental approval. Individual study and/or research on a problem pertaining to corrections and/or juvenile justice. Student must have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment.

CRE—Applied Creative Thinking

Dr. Russell Carpenter, Director

CRE 101W Introduction to Applied Creativity (3) A. Prerequisite or Corequisite: ENG 102 or ENG 105 (with a minimum grade of “B”) or HON 102. A communication intensive introductory course establishing a foundation in creative thinking through instruction in basic theories and practices. Concentration on basic language and fundamental and powerful concepts in creativity studies. Credit will not be awarded to students who have credit for CRE 101.

CRE 201 Innovation and Creativity (3) A. Prerequisite: ENG 102 or departmental approval. Explores the creative approaches of recent (and historic) innovations in business, industry, and education through a case study approach.

CRE 300 Pedagogy of Creativity Studies (3) A. Prerequisite: ENG 102 or departmental approval. An examination of pedagogical theories and practical strategies in the field of creativity studies. Emphasis on application of these approaches.

CRE 301 Creativity Texts & Technology (3) A. Prerequisite: ENG 102 and at least 3 credits of CRE courses, or departmental approval. Explores the texts, technologies, and new media that allow students to create compelling messages and provides an introduction to creative production and appeals through technology.

CRE 305 Creativity and Research (3) A. Prerequisite: ENG 102 and at least 3 credits of CRE courses, or departmental approval. Expands the process of creating and systematic creative competencies in students, honing in on information fluency development in scholarship and research.

CRE 306 Pedagogy of Creativity Studies (3) A. Prerequisite: ENG 102 or departmental approval. An examination of pedagogical theories and practical strategies in the field of creativity studies. Emphasis on application of these approaches.

CRE 350 Studio Theory & Practice (3) A. Prerequisite: ENG 102 or ENG 105(B) or HON 102. This course teaches students theories and practices of consulting in communication environments. Students learn effective strategies for providing feedback in individualized and small-group settings.

CRE 400 Creativity Studies Project (3) A. Prerequisite: coordinator approval; CRE 101(C) and 12 hours of courses on CRE list. Requires portfolio, project, and presentation in the culminating creativity experience.

CRE 498 Independent Study: Creative Thinking (3) A. Prerequisite: ENG 102 or departmental approval; student must consult with the faculty supervisor and have the independent study proposal form approved by faculty supervisor and program coordinator prior to enrollment. An independent study course focusing on a particular project or area in creative thinking of value to the field and interest to the student.

CRJ—Criminal Justice

Dr. Dawn Rothle, Chair

CRJ 101 Introduction to Criminal Justice. (3) A. General overview of the criminal justice system including a description of the major agencies: police, corrections, and courts. This course teaches the basic concepts and an analysis of their interdependence in the criminal justice process.

CRJ 204 Foundations of Corrections (3) A. An overview of the evolution, structure, and functioning of corrections in the United States. Examines correctional processes, populations, and issues.

CRJ 301 Drugs, Crime and Society. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing or departmental approval. An examination of drug trafficking, the connection between drug use and other types of crime, and a review of drug control policies, including the impact of the media and politics.

CRJ 302 Living and Working in Prison (3) A. Cross-listed as COR 302. Prerequisite: Junior or Senior standing. Examines inmate subcultures and violence in prison system. Emphasis on the environment for correctional officers. Explores life behind bars/ offender difficulties in reentering society. Credit will not be awarded for both CRJ 302 and COR 302.

CRJ 350 Domestic Violence (3) A. Cross-listed as WGS 305. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examination of the theoretical and empirical literature on violence against women, children, and elders. Addresses such issues as physical and sexual abuse of children, courtship violence, domestic violence, marital rape, and incest. Credit will not be awarded for both CRJ 305 and WGS 305.

CRJ 311 Juvenile Justice System (3) A. Cross-listed as COR 311. Prerequisite: Junior or Senior standing. Examines the evolution of the juvenile justice system, police response to delinquency, and juvenile court’s role in protecting the public and serving children. Credit will not be awarded for both CRJ 311 and COR 311.

CRJ 313 Criminal Justice Ethics. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examines the moral, legal and normative obligations of the state and criminal justice professionals. Surveys the philosophies and theories of justice and deviance. Credit will not be awarded for both CRJ 313 and 313S.

CRJ 314 Law and Society (3) A. Prerequisite: Junior or Senior standing. Critically examines law in everyday life. Law infuses popular media, constructs (and constrains) identity, and pervades language. In turn, media, identity, and discourse construct our understandings of law. Particular attention is paid to the law’s role in practices and discourses of resistance and in exerting social control.

CRJ 322 Legal Issues in Adult Corrections (3) A. Cross-listed as COR 322. Prerequisite: Junior or Senior standing. An overview of legal court decisions related to adult corrections. Analyzes legal issues surrounding adult corrections, theory and practice. Credit will not be awarded for both CRJ 322 and COR 322.

CRJ 325 White Collar Crime (3) A. Prerequisite: Junior standing. Overview of the historical context and the future of white collar crime. Credit will not be awarded for both CRJ 325 and WGS 305.

CRJ 331 Criminological Theory. (3) A. Prerequisite: Junior standing. Overview of criminological theoretical perspectives that attempt to explain crime. Credit will not be awarded for both CRJ 331 and COR 310 or CRJ 331W.

CRJ 331W Criminological Theory. (3) A. Prerequisites: ENG 102 or ENG 105 and HON 102. Overview of criminological perspectives that attempt to explain crime. Credit will not be awarded for both CRJ 331W and CRJ 331 or COR 310.

CRJ 340 Crime and Media (3) A. Prerequisites: ENG 102 or ENG 105 and HON 102 or Senior standing. Examines the mass media’s role in crime and criminal justice and its impact on public perception of crime. Credit will not be awarded for both CRJ 340 and ENG 423.

CRJ 342 Criminal Justice Statistics. (3) A. Prerequisites: Junior standing. Overview of the research process, with emphasis on finding, using and evaluating criminal justice research. Overview of quantitative and qualitative social science research methods and procedures appropriate to the study of crime policy and criminal justice. Credit will not be awarded to students who have credit for CRJ 388W.

CRJ 343 Critical Issues in Criminal Justice. (3) A. Prerequisite: Junior standing. Analytical and statistical concepts and procedures relevant to crime and criminal justice data. Includes quantitative and qualitative techniques.

CRJ 400 Criminal Justice Statistics. (3) A. Prerequisite: Senior standing. Survey of basic statistical techniques and methods. Emphasis on the use of computer programs.

CRJ 401 Organized Crime. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. History, scope, and methods of control of organized crime. Emphasis on local, regional, national, and international control of organized crime. Cultural and social implications of the presence of organized crime are examined in depth.

CRJ 403 Crime Mapping. (3) A. Prerequisite: Sophomore standing. The purpose of this class is to introduce the student to theoretical and practical aspects of crime mapping and the spatial analysis of crime. In addition the lab portion of the class will provide hands-on training in crime mapping practices. 3 Lec/2 Lab.

CRJ 406 Critical Issues in Criminal Justice. (3) A. Prerequisite: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examination of the criminal justice system and processes with an emphasis on problems and trends. This course provides an analytical overview of justice and its response to the needs of society. May be retaken for a maximum of six hours on different topics.

CRJ 411 Capital Punishment in the U.S. (3) A. Prerequisites: Junior or Senior standing; CRJ 101 with a grade of C or higher. Examines the historical and contemporary administration of the death penalty in the United States. Credit will not be awarded for both CRJ...
Course Descriptions

**306 Introduction to Computer Game Design.** (3) I, II. Introduction to computer game design, framework-based animation, sound effects, program logic, game scripting, and object-oriented programming. Credit will not be awarded for both CSC 250 and 140.

**316 Introduction to Programming.** (3) A. Prerequisite: MAT 110 with a grade of "C" or higher, or a minimum score of 25 on the mathematics portion of the ACT, or a minimum score of 510 on the math portion of the SAT. Introduction to problem solving with computers using an appropriate programming language. Basic concepts include data types, objects, control structures, functions, and input/output features.

**CSC 170 Intro to Game Programming.** (3) A. Prerequisite: MAT 110 or higher with a grade of "C" or higher, or a minimum score of 25 on the mathematics portion of the ACT, or a minimum score of 510 on the math portion of the SAT. Introduction to game programming using Python. Programming concepts including data types, input/output, and control structures will be introduced through the construction of various types of 2-D games. 3 Lecture/Lab.

**CSC 174 Introduction to Programming for Science & Engineering.** (3) I, II. Prerequisite: MAT 122 or higher with a grade of "C" or higher, or a minimum score of 25 on the mathematics portion of the ACT, or a minimum score of 510 on the math portion of the SAT. Introduction to game programming using Python. Programming concepts including data types, input/output, and control structures will be introduced through the construction of various types of 2-D games. 3 Lecture/Lab.

**CSC 178 Programming in Java.** (1-3) A. Prerequisite: completion of all mathematics development requirements. Programming in selected languages, with appropriate applications. May be taken for a maximum of six hours. Credit will not be awarded for both CSC 250 and 140.

**CSC 190 Object-Oriented Programming I.** (3) I, II. Prerequisite: MAT 122 or higher with a grade of "C" or higher, or a minimum score of 25 on the mathematics portion of the ACT, or a minimum score of 510 on the math portion of the SAT. Study fundamental concepts of object-oriented programming, including data types, control structures, and subroutines. Introduction to object-oriented programming language Visual Basic. Topics include forms, common controls/objects, coding, procedures, file management and developing Windows applications.

**CSC 191 Object-Oriented Programming II.** (3) I, II. Prerequisite: MAT 122 or higher with a grade of "C" or higher, or a minimum score of 25 on the mathematics portion of the ACT, or a minimum score of 510 on the math portion of the SAT. Study fundamental concepts of object-oriented programming, including data types, control structures, and subroutines. Introduction to object-oriented programming language Visual Basic. Topics include forms, common controls/objects, coding, procedures, file management and developing Windows applications. Credit will not be awarded for both CSC 250 and 140.

**CSC 195 Intro to Interactive Structures.** (3) I, II. Prerequisites: A grade of "C" or higher in both CSC 185 and 190. Topics to be covered include sets, relations, functions, logic, algorithm design/analysis, recursive algorithms, recurrence relations, mathematical induction, counting techniques, and probability. 2 Lec/2 Lab.

**CSC 200 Introduction to Computer Organization.** (3) I, II. Prerequisite: CSC 191 with a minimum grade of "C." 2 Lec/2 Lab. Introduction to multimedia programming and scripting. Topics include frame-based animation, video editing, sound effects, program logic, and object-oriented programming. Credit will not be awarded for both CSC 250 and 140.

**CSC 300 Introduction to Numerical Methods.** (3) A. Prerequisites: MAT 224 or 224H; an approved programming language. Error analysis, numerical equations, interpolation, numerical differentiation and integration, ordinary differential equations, direct and interactive methods of solving linear systems, approximation.

**CSC 308 Mobile App Development for Apple iOS.** (3) A. Prerequisite: CSC 191 and 195 with a grade of "C" or higher in both courses. Introduction to developing mobile applications for Apple iOS. Topics include development tools, APIs, user interfaces, mobile-specific technologies and application design.

**CSC 309 Mobile App Dev for Android.** (3) A. Prerequisite: CSC 191 and 195 with a grade of "C" or higher in both courses. Introduction to developing mobile Android applications. Topics include development tools, APIs, user interfaces, mobile-specific technologies and application design.

**CSC 310 Data Structures.** (3) I, II. Prerequisites: CSC 191 and 195 with a grade of "C" or higher in both courses. Introduction to developing mobile Android applications. Topics include development tools, APIs, user interfaces, mobile-specific technologies and application design.

**CSC 315 3D Modeling.** (3) A. Prerequisite: CSC 191 and 195 with a grade of "C" or higher in both courses. Introduction to developing mobile Android applications. Topics include development tools, APIs, user interfaces, mobile-specific technologies and application design.

**CSC 316 3D Game Engine Design.** (3) A. Prerequisite: CSC 310. Introduction to 3D animation and rendering, 3D programming. Topics include development tools, APIs, user interfaces, mobile-specific technologies and application design.

**CSC 320 Algorithms II.** (3) A. Prerequisites: CSC 310 and 311 with a grade of "C" or higher in both courses. Fundamental algorithms required in computer science; algorithm design/analysis methods, graph algorithms, probabilistic and parallel algorithms, and computational models.

**CSC 330 System Environments & Networks.** (3) A. Prerequisite: CSC 191 with a minimum grade of "C." Introduction to computer system environments, utilities, system administration, and networking.

**CSC 332 Digital Storage Device Forensics.** (3) A. Prerequisite: a minimum grade of "C" in CSC 330. Introduction to digital storage forensics. Topics include digital investigation fundamentals, fundamentals of storage devices (hard disk, optical, flash, consumer electronics devices, and mobile devices), disk volume analysis, and file systems analysis ( FAT/NTFS, ExFAT/2, HFS/HFS+/HFSX).

**CSC 340 Ethics & Software Engineering.** (3) A. Prerequisite: CSC 310 and 315 with a grade of "C" or higher in both courses. Responsibilities of software professionals, social implications of software such as privacy, crime and abuse, risk and liabilities, copyright, and patents, software project planning, software requirements analysis, software design, and software...
testing.

CSC 349  Applied Learning in Computer Science. (5-8)-II; (1-6) SUMMER ONLY. Prerequisite: students must have successfully completed 30 semester hours of course work including six hours of Computer Science major courses. In addition, transfer students must have completed at least one semester of full-time course work at EKU. Work in placements related to academic studies. A minimum of three hours may be applied toward the Computer Science technology option degree only. Credit does not apply to general Computer Science major or minor requirements. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours of employment is required for each semester hour of academic credit. Credit may only be awarded in the semester in which the work is completed.

CSC 349 A-N Cooperative Study: Computer Science. (5-8)-II; (1-6) SUMMER ONLY. Prerequisite: students must have successfully completed 30 semester hours of course work including six hours of Computer Science major courses. In addition, transfer students must have completed at least one semester of full-time course work at EKU. Work in placements related to academic studies. A minimum of three hours may be applied toward the Computer Science technology option degree only. Credit does not apply to general Computer Science major or minor requirements. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours of employment is required for each semester hour of academic credit. Credit may only be awarded in the semester in which the work is completed.

CSC 350  Principles of Programming Languages. (3) I, II. Prerequisite: CSC 200 and 310 with a minimum grade of “C” in both courses. The principles used in the design and implementation of programming languages. Language descriptions, structural implementations, and specialized features of languages.

CSC 360  Computer Org & Architecture (3) A. Prerequisite: CSC 191 with a minimum grade of “C”. Information representation, instruction set architecture, assembly language, instruction execution, basic processing units, input/output organization, memory and storage organization, overlap and pipeline processing, parallel processing, and performance evaluation. Credit will not be awarded for both CSC 360 and 370.

CSC 370  Computer Architecture. (3) A. Prerequisite: Information representation, Boolean algebra and combinatorial logic, memory and storage, elementary machines, addressing schemes, stack and parallel computers, overlap and pipeline processing, microprogramming, performance evaluation. Credit will not be awarded for both CSC 360 and 370.

CSC 390  Advanced Programming Techniques with ___. (3) A. Prerequisite: CSC 191, with a minimum grade of C. Advanced programming with a selected programming language, with appropriate applications. May be taken to a maximum of six hours, provided the languages are different.

CSC 400  Operating Systems. (3) I, II. Prerequisites: CSC 310 and 360 with a grade of “C” or higher in both courses. Overall structure of multiprogramming systems, details of addressing techniques, memory-management, file system design and management, traffic control, interprocess communication, system module design, interfaces.

CSC 425  Compiler Construction. (3) I, II. Prerequisites: CSC 320 and 350. Basic concepts of lexical analysis and syntax analysis. A programming team project will implement these concepts.

CSC 450  Software Engineering. (3) A. Prerequisites: A minimum grade of “C” in CSC 340. Techniques and tools for software requirements, software design, software testing, and software project planning as a team project in software engineering.

CSC 460  Computer Network & System Administration. (3) A. Prerequisite: CSC 310 with a minimum grade of C. Introduction to the subject of computer networks and layered protocols, architecture of data communication systems, point-to-point networks, local networks, end-to-end protocols and internetworking and server-side technology to create interactive web pages.

CSC 490  Seminar in ___. (1-3) A. Prerequisite: departmental approval. For advanced students in computer science. Subject announced when offered. May be retaken to a maximum of 12 hours, provided that the topics are different.

CSC 491  Game Design Capstone. (3) A. Prerequisite: Departmental approval. An individually developed project related to an innovative solution of a problem provided by the software industry. The result is to be presented in open forum. May be retaken to a maximum of 6 hours provided the topics are different.

CSC 495  Independent Work. (1-3) I, II. Prerequisites: ENG 102, 105(B) or HON 102, and departmental approval. Directed study/research on a problem or area chosen in consultation with the instructor. Final paper required. Student must have the independent study approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of twelve hours.

CSC 496  Senior Seminar. (1) A. Prerequisite: CSC 340 with a minimum grade of “C” or better. Career preparation for students seeking internship or permanent jobs. Job search, resume creation, interview techniques for application of computer science positions.

CSC 500  Special Topics in Computer Science. (1-3) A. Prerequisite: departmental approval. Topics vary with offering. May be retaken to a maximum of six hours with advisor approval, provided the topics are different.

CSC 520  Multimedia System and Forensics. (3) A. Prerequisite: CSC 310. Integration of multimedia technologies, signal processing and compression of images, audio, and video, multimedia forensics and message hiding.

CSC 530  Concepts of Programming Systems. (3) A. Prerequisite: Programming language or department approval. The top-down design of algorithms, structured programming, control structures, subprograms, files and lists. Programs will be written in a high level language. Credit does not apply to the B.S. degree in secondary education.

CSC 540  Integrated DB Applications. (3). Prerequisite: CSC 310 with a minimum grade of “C.” Techniques and tools for creating an integrated database application. Topics include architecture of a client/server database, creation of named program units stored in the database and in the workstation file system, developer utilities and domain integrity.

CSC 541  Software Testing. (3) A. Prerequisites: Senior standing and CSC 310. The purpose of this course is to study software testing process, methods, techniques and tools. Topics include black box testing, white box testing, integration testing, acceptance testing, regression testing, performance testing, stress testing, and testing of object-oriented software.

CSC 542  Internet Forensics (A). Prerequisite: CSC 322 with a minimum grade of “C.” This course covers the basic knowledge and skills necessary to analyze Internet-based applications artifacts for digital evidence recovery. The topics include popular Web browsers, instant messengers, and social media apps.

CSC 544  Database Admin and Security. (3) A. Prerequisite: CSC 310 with a minimum grade of “C.” This course covers database management system concepts, database system architecture, installation and setup, data management, performance monitoring and tuning, backup and recovery, database security models and management, database auditing.

CSC 545  Theory of Database Systems. (3) A. Prerequisite: a minimum grade of “C” in CSC 310. Models and principles of information systems. Database languages. The logical and physical design as well as the implementation and use of database systems.

CSC 546  Artificial Intelligence. (3) A. Prerequisite: CSC 310 with a minimum grade of “C” or CSC 530. The use of programming languages to model concepts selected from artificial intelligence. The application of heuristics to problem solving. Perception and pattern recognition.

CSC 547  Network Forensics and Investigation (3) A. Prerequisites: Senior standing and CSC 400. Introduction to Windows network forensics. Topics include: Windows network structure; Windows password/authentication mechanisms; Windows ports and services; Liveanalysis techniques; Windows registry structure and evidence; Forensic analysis of events logs; Network forensics tools and reporting.

CSC 548  Personal Electronic Device Forensics. (3) A. Prerequisite: CSC332. Introduction to personal electronic device forensics. Topics include architecture, functionality, operating systems and implementation of PEDs (cell phones, PDAs, iPod, MP3 music players, GPS devices), recovering evidence from PEDs, and hostile forensic and body-trapping techniques.

CSC 549  Computer Ethics Capstone. (3) A. Prerequisite: CSC 332. Designed for seniors in computer science. Students apply learned digital forensic knowledge, techniques, and software and hardware tools to work on a team project on a case for digital evidence collection, handling, analysis, and reporting.

CSC 550  Graphics Programming. (3) A. Prerequisites: CSC 316, 3-D geometry, model transformation, matrices, computer algorithms and protocols, texture mapping, camera control, and collision detection.

CSC 555  Topics in Multimedia:___(3) A. Prerequisite: departmental approval. For advanced students in computer science. Subject announced when offered. May be retaken to a maximum of six hours, provided the topics are different.

CTE—Career and Technical Education Dr. Michael Walach, Coordinator

CTE 164  Orientation to Career and Technical Education. (3) A. Instruction to new technical teachers in areas of principles of instruction, lesson planning, oral instruction, instructional media, demonstrations, evaluation and follow-up. Satisfactory-unsatisfactory grading.

CTE 204  Related Science, Mathematics, and Technology in Occupations I. (3) A. Offered only through written examination; applicant must be eligible for vocational teaching certificate.

CTE 205  Manipulative Skills in Occupations I. (3) A. Offered only through technical competence examination; applicant must be eligible for vocational teaching certificate.

CTE 206  Related Knowledge: Occupations I. (3) A. Offered only through written examination; applicant must be eligible for vocational teaching certificate.

CTE 261  Foundations of Career and Technical Education. (3) A. For in-service career and technical teachers. A study of the historical, philosophical, economical, sociological, and psychological foundations of career and technical education related to elementary, secondary, and post-secondary education. Credit will not be awarded for both CTE 261 and 262.

CTE 262  Foundations of Career and Technical Education (Pre-Service). (3) A. Corequisite: EDF 310 (1) — Enrollment in a late term section is preferred. For pre-service career and technical teachers. A study of the historical, philosophical, economical, sociological, and psychological foundations of career and technical education related to elementary, secondary, and
postsecondary education. Credit will not be awarded for both CTE 352 and 361.

CTE 352 New Developments in Industry. (1-6) A. Concurrent enrollment in approved industry sponsored course. One hour credit for each week of enrollment (minimum of 20 class hours per week). Students required to present proof of completion and to develop and maintain a personnel file on the new development. May be retaken provided the industry sponsored school is different. Graded on a satisfactory-unsatisfactory basis. Only in-service vocational education teachers may enroll.

CTE 353 Career and Technical Education Staff Exchange. (2-9) A. Prerequisite: departmental approval. For in-service career and technical teachers enrolled in an approved staff exchange program designed to update technical skills and knowledge in an occupational setting. Assignments include verifying contact hours, site visit, narrative summary, and lesson development. First week of exchange is equal to two semester hours of credit with one additional hour of credit for each additional week. Satisfactory-unsatisfactory grading.

CTE 360 Related Science, Mathematics, and Technology in Occupations II. (3) A. Offered only through written examination; applicant must be eligible for vocational teaching certificate.

CTE 365 Manipulative Skills in Occupations II. (3) A. Offered only through technical competence examination; applicant must be eligible for vocational/teaching certificate.

CTE 366 Related Knowledge: Occupations II. (3) A. Offered only through written examinations; applicant must be eligible for vocational teaching certificate.

CTE 361 Course Materials in Career and Technical Education. (3). A. The preparation of instructional materials and instructional techniques, including the development and use of instructional media. The content will include the development of curricular and instructional levels of education and appropriate laboratory activities.

CTE 364 Evaluation in Career and Technical Education. (3) A. Methods of evaluation, preparation of measuring devices, methods of assessing technical competence; interpretation of standardized test results; statistical analysis of test data and the improvement of instruction.

CTE 364 Methods in Career and Technical Education. A. Preparation and evaluation of instructional materials, methods, techniques, and devices relevant to teaching technical subjects.

CTE 463 Practicum in Career and Technical Education. (4-12) A. Prerequisites: CTE 361, 363, 364. Observation, orientation, and supervised teaching in vocational and technical education. Includes experiences in lesson planning, classroom management, record keeping, development and use of instructional materials and directed teaching in approved centers. Students are graded on a satisfactory-unsatisfactory basis.

DES—Design
Ida Kumoji-Ankrah, Chair

DES 126 Computers and Interior Design. (3) I. Focuses on instruction in CAD software (AutoCAD) with brief introductions to word processing, spreadsheet, database, presentation, and rendering software as well as an examination of the role of e-mail and the Internet in the profession of interior design. Studio.

DES 250 Introduction to Graphic Design. (3) I, II. Prerequisites: ART 100 and 152. Introduction to the field of professional graphic design and its conceptual and technical make-up. A portfolio review will be conducted during exam week of DES 250 to determine enrollment for DES 350 and 351.

DES 256 Graphic Design for Non-Majors. (3) A. Prerequisite: departmental approval. An introduction to principles and processes of graphic design as a form of visual communication through type, image, color and form. Credit will not be awarded to students who have credit for DES 251.

DES 317 Interior Design Study Tour I. (1-3) A. Prerequisite: 30 hours in the Interior Design major or approval of an assistant professor. Designed for design students to observe the organization of established businesses involved in production, sales, and/or display of items such as furniture and accessories. Special project required.

DES 326 Interior Design Studio IV. (3) II. Prerequisites: DES 320, 321, 350, and admission to the BFA program. Research, analysis, organization, advance programming in large-scale commercial and/or residential design, emphasizing special populations, and resulting in final design solutions. Studio meets for 3 hours twice a week.

DES 332 Housing Alternatives for Elderly. (3) A. Examination of the housing options and alternatives for the elderly population resulting in an awareness of the role that design plays in the needs of the user.

DES 349 Applied Learning in Art & Design (5-8) A. Work in a professional environment related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours employment required for each semester hour credit. Students must have successfully completed 30 semester hours of coursework and transfer students must have completed at least one semester of full-time course work at EKU with a GPA of 2.5.

DES 349 A-N Cooperative Study: Art & Design (5-8) A. Work in a professional environment related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours employment required for each semester hour credit. Students must have successfully completed 30 semester hours of coursework and transfer students must have completed at least one semester of full-time course work at EKU with a GPA of 2.5.

DES 350 Typography I. (3) II. Prerequisite: DES 250. Corequisite: DES 351. Departmental approval and 2.5 GPA in ART, ARH, and DES courses. Corequisite: DES 350. An exploration of visual communication issues and applications in graphic design. The relationship of visual form to meaning, type and image relationships will be examined.

DES 352 Image Making. (3) II. Prerequisites: DES 350, 351, Major GPA 2.5, and admission to the BFA program. Corequisite: DES 353. An advanced integration of various techniques and materials, both traditional and new. Through the process of developing an understanding of the importance of imagery within the field of graphic design.

DES 353 Production for Graphic Design. (3) II. Prerequisites: DES 350, 351, Major GPA 2.5, and admission to the BFA program. Corequisite: DES 352. Exploration of materials, surface graphics, marketing, and production problems as the refinement and integration of many design principles.

DES 354 Typography II. (3) A. Prerequisites: DES 352, 353, Major GPA 2.5, and admission to the BFA program. Corequisite: DES 451. Advanced study of typography as an expressive medium. Special attention to multi-page document work, advanced issues of typography in scale as well as its usage in new media and alternative situations.

DES 424 Issues in Interior Design. (3) A. Prerequisite: junior standing or departmental approval. Individual and group investigation of current responsibilities and issues relevant to the field of interior design.

DES 426 Interior Design Studio VI. (3) II. Prerequisites: DES 421 and 422, Major GPA 3.0, and admission to the BFA program. Corequisite: ART 490. Advanced studio experiences in interior design requiring students to design a comprehensive large-scale project. Studio meets for 3 hours twice a week.

DES 450 Professional Practices in Graphic Design. (3) I, II. Prerequisites: DES 354, 451, Major GPA 2.5, and admission to the BFA program. Corequisite: DES 453. This course examines the professional standards and practices specific to the field of graphic design.

DES 451 New Media. (3) A. Prerequisites: DES 352 and 353, Major GPA 2.5, and admission to the BFA program. Corequisite: DES 455. Introduction to the artistic and technical issues of multimedia through website creation and animation.

DES 453 Senior Workshop in Design. (3) I, II. Prerequisites: DES 354, 451, Major GPA 2.5, and admission to the BFA program. Corequisite: DES 450. Exploration of current issues, technical procedures, and design products.

DES 454 BFA Graphic Design. (3) I, II. Prerequisites: DES 453, Major GPA 2.5, and admission to the BFA program. Corequisite: ART 499. Final phases of the student designer’s transition into the profession. Additional guidance towards portfolio and senior thesis development.

DES 463 Problems in Design:______. (3) I, II. Prerequisites: DES 354 and 451 or Department Approval. Individualized instruction in design builds on creative skills and techniques learned in prior design courses. This course stresses the development of a specialized study of techniques and concepts for a design portfolio. May be retaken with different topics to earn a maximum of nine hours.

DES 517 Interior Design Study Tour II. (1-3) I. Prerequisite: Interior Design major who has completed 90 hours or departmental approval. Tour of interior design resources, wholesale and retail showrooms. Study in museums, libraries, and interior design centers when possible. Special study projects.

DES 525 The Decorative Arts. (3) A. Furniture and accessories of the 18th, 19th, and 20th centuries with emphasis upon the influence of major designers and their interpreters, their stylistic characteristics and technical habitations.

ECO—Economics
Dr. Lynnette Noblitt, Chair

ECO 110 The Individual and the Economy. (3) A. Prerequisite: MAT 095 or ACT math score of 18 or SAT math score of 490 or higher. An examination of the nature and role of individual decision making in the economy; the economic environment and the individual’s decisions; public policies and how they affect the individual. Credit will not be awarded to students who have credit for ECO 230 or 231.

ECO 120 Economic Reasoning and Issues. (3) I, II. Prerequisite: completion of all developmental math requirements. An excellent preparatory course for ECO 230 or 231, dealing with basic concepts of a market-based economy, including scarcity, opportunity cost, comparative advantage, demand and supply, marginal analysis, market failures, economic growth, unemployment, inflation, and international trade. Credit will not be awarded to students who have credit for ECO 230 or 231 with a minimum grade of “C”. Gen. Ed. E-5B [SB].

ECO 130 Contemporary Economic Problems. (3) I, II. Prerequisite: completion of developmental math requirements. An excellent preparatory course for ECO 230 or 231, dealing with such contemporary economic problems as unemployment, inflation, national debt, energy, health, pollution, education, crime, poverty, discrimination, and protectionism. Students who have completed ECO 230 or 231 with a grade of C or better, or are currently enrolled in ECO 230 or 231, will not receive credit for ECO 130. Gen. Ed. E-5B [SB].

ECO 220 Statistical Methods for Economics (3) A. Prerequisite: MAT 112 or 114. Business and economic applications of frequency distributions, measures of location, variation; probability, sampling, estimation, test of hypothesis, linear regression, index numbers, and time series analysis. Credit will not be awarded to students who have credit for CRJ 400 or EPY
Prerequisite: minimum GPA 2.25. Co-currucular work experience under faculty and field supervisors. Training plan required. May be retaken to a maximum of six hours. Minimum 80 hours work required for each academic credit hour. May not count towards major.

ECO 349 A-N Cooperative Study: Economics. (5-3) A. Prerequisite: minimum GPA 2.25. Co-curricular work experience under faculty and field supervisors. Training plan required. May be retaken to a maximum of six hours. Minimum 80 hours work required for each academic credit hour. May not count towards major.

ECO 360 Industrial Organization. (3) A. Prerequisite: ECO 230 or equivalent. Studies the strategic interactions of firms in imperfectly competitive markets, market failures, and public policy.

ECO 365 Public Finance. (3) A. Prerequisite: ECO 230. Economics of the public sector, including the scope of and rationale for government, public goods and externalities, voting schemes and public choice, taxes and subsidies, and transfer payments.

ECO 394 International Economics. (3) A. Prerequisites: (ECO 230 or 231) and junior standing. An introduction to international trade and investment theory emphasizing international business, international trade theory, trade and investment patterns, payments systems, balance of payments, international companies, and international issues.

ECO 395 Economics of Developing Countries (3) A. Prerequisite: ECO 230 or 231 and junior standing. Economics of development including: theories of growth, income distribution, investment in human capital, alleviation of poverty, strategies for growth; study of selected countries. Credit will not be awarded for both ECO 395 and 395W.

ECO 395W Economics of Developing Countries (3) A. Prerequisites: ECO 230 or 231 and junior standing; ENG 102 or ENG 105(B) or HON 102. Economics of development including: theories of growth, income distribution, investment in human capital, alleviation of poverty, strategies for growth; study of selected countries. Credit will not be awarded for both ECO 395W and 395.

ECO 410 History of Economic Thought. (3) A. Prerequisites: three hours of ECO. The history of economic ideas from Adam Smith through J. M. Keynes.

ECO 420 Research Methods II. (3) II. Prerequisite: ECO 320 or departmental approval. Intermediate course in economics. Analysis of consumer and producer behavior, market equilibrium, pricing and resource allocation under alternative market structures, risk aversion and information. Credit will not be awarded for both ECO 330W and ECO 330.

ECO 330 Intermediate Macroeconomics. (3) II. Prerequisite: ECO 231. Analysis of aggregate economic activity; consumption, investment, employment, output, money and prices, imports and exports; stabilization policy.

ECO 340 Environmental Economics. (3) A. Cross-listed as APP 340 and ENV 340. Prerequisite: ECO 230. Applications of basic economic analysis to a study of the environment and environmental problems. Major topics include benefit-cost analysis for environmental decision making, the potential for market-based solutions to environmental problems, and the role and development of environmental policy. Credit will only be awarded for ECO 340, or APP 340, or ENV 340.

ECO 345 Topics in Economics: ______. (1-3) A. Prerequisite: 231 or permission of supervisor. Selected topics for study. Variable topics across semesters. May be taken to a maximum of six hours, provided the subject matter differs each time.

Course Descriptions

Section Seven - Course Descriptions

TalentEd, SES. Credit will not be awarded to students who have credit for SED 402.

EDC 314 Engineering in Classroom Context. (3) II. Cross-listed as TEC 314. Prerequisites: Admission to professional education or instructor approval. Introduction of engineering and technology to promote problem solving skills, tool use, materials processing, design capabilities, and product completion. Applications for K-8 classrooms are emphasized. Credit will not be awarded to students who have credit for TEC 314.

EFD—Educational Studies Dr. Ginni Fair, Chair

EFD 203 Educational Foundations. (3) I, II. Co-requisite: CED 100. An introduction to social and cultural influences on schools, the purposes of schooling, the governance, financing, and administration of schools, and the role of the individual as an educator. Background check College approved procedure must be ordered and paid for by the first day of class. Credit will not be awarded for both CDF 203 and EFD 203.

EFD 204 Emerging Instructional Technologies. (2) I, II. Technological applications to education, training, and instruction in educational and human service settings. Students examine, develop, and/or evaluate emerging instructional technologies. For individuals interested in exploring technological applications in teaching and learning.

EFD 205 Creative Learning and Teaching. (3) II. An introduction to the basic theories and principles of creativity as applied to development of your own creative thinking and how teachers, professionals and parents can encourage creativity in others.

EFD 219 Human Development and Learning. (3) I, II. Corequisite: CED 200. The study of theories and principles of human development and learning as applied to the classroom. Credit will not be awarded to students who have credit for EFD 320 or EFD 219W.

EFD 219W Human Development and Learning. (3) I, II. Corequisite: CED 200. Prerequisite: ENG 101 and 102, or HON 105 with a grade of “C” or better, or ENG 105 with a grade of “B” or better. The study of theories and principles of human development and learning as applied to the classroom. Credit will not be awarded to students who have credit for EFD 320 or EFD 219.

EFD 310 Transition to Education. (1-3) I, II. Prerequisite: Completion of background check prior to the first day of the semester. Candidates will follow the College of Education Licensure and Certification approved procedure. Corequisite: CED 150. EFD 310 is required of candidates who have an equivalent transfer course(s) for [EFD 203, CDF 203] or [EFD 219, CDF 235].

EFD 320 Human Development and Learning for Vocational Education. (3) I, II. The study of theories and principles of human development and learning as applied within vocational-industrial technical education classrooms. Credit will not be awarded for both EFD 320 and EFD 319.

EFD 330 U.S. South and Black Education. (3). A. Cross-listed as AFA 330. This course introduces the major themes of Black populations pursuing educational opportunities in Southern States. Students will acquire knowledge about historical events, people and policies shaping the evolution of Blacks in education. Credit will not be awarded for both EFD 330 and AFA 330.

EFD 413 Assessment in Education. (3) I, II. Prerequisite: Admission to Professional Education. Corequisites: EMS 490 and CED 400. Principles and procedures in asessing and evaluating pupil growth in skills, attitudes, aptitudes, and understandings. Assessment construction, analysis, marking systems, and authentic assessment systems will be addressed.

2017-2018 EKU UNDERGRADUATE CATALOG

309
EET—Education Orientation
Dr. Sherry Powers, Dean

EDE 100 Student Success Seminar. (1) I. Designed to orient the student to university academic life and afford background for career choice and preparation. Included are University regulations and calendar, catalog details, university graduation, various career opportunities, and program requirements. Open to all students during their first two semesters of enrollment at EKU; beyond that open to students with fewer than 30 semester hours earned.

EES—Essential Elements of Success
Dr. Charlotte Tanara, Director

EES 250 Basic Social Intelligence Skills. (3) I. A focus on human relationships and research-based social skills. Students learn to operationalize theories into social intelligence skills and practice initiating, observing, listening, evaluating, and responding in ways that promote positive interactions and relationships. Gen. Ed. E-1C [OC].

EES 300 Advanced Social Intelligence Skills (3) I, II. Prerequisite: Junior standing. Prerequisite or Concurrently EED 250 or departmental approval. This is an advanced course that builds on the core skills presented in Basic Social Intelligence Skills. It provides additional knowledge and skills for successfully engaging in more complex social and professional interactions and relationships.

EES 310 Applied Critical Thinking (3) A. Prerequisite: Junior or senior standing. This course will address the application of critical thinking skills within the various fields of study. Students will learn critical thinking skills and how to integrate them into a successful career.

EES 320 Basic Facilitation Skills. (3) A. An introduction to facilitating and maximizing group potential. Stresses basic methods for designing and planning effective meetings, creating and maintaining safe and engaging environments, and stimulating creative and critical thinking within groups.

EES 330 Applied Critical and Creative Thinking (3) I, II. Prerequisite: junior or senior standing. This course addresses the application of critical thinking and creative thinking skills within multiple fields of study. Students will learn critical thinking and creative thinking skills and how to integrate those skills into a successful career.

EES 360 Advanced Facilitation Skills. (3) A. Advanced methods and techniques to maximize group potential are taught and practiced, including problem solving, generating actionable ideas, decision-making, conducting meaningful conversations, and safely and constructively addressing controversial issues.

EES 450 Leaders Without Titles (3) I, II. This course focuses on the personal dimensions that are needed to form the foundation of one’s competencies and abilities to lead self and others.

EES 460 The Science and Application of Leadership (3) II. Prerequisite: EES 450. This course provides students opportunities to examine, define, operationalize, and apply universal elements of leadership. Effective leaders need to be knowledgeable and skilled in these elements.

EET—Electricity and Electronics Technology
Dr. Vigyan Chandra, Coordinator

EET 251 Electricity and Electronics. (3) I, II. Prerequisite: Grade of at least “C” in MAT 090 or a minimum math ACT score of 18 or a minimum SAT math score of 490. Principles of basic electricity, circuit operation, and electronics. Topics include electrical components, measurements, power, characteristics of AC/DC, circuit laws, wave analysis, magnetism, energy conversion, and sources. 2 Lec/2 Lab.

EET 252 Digital Electronics. (3) I, II. Prerequisite: grade of at least “C” in MAT 090 or equivalent. A survey of digital electronics fundamentals and applications. Topics include number systems, digital mathematics, logic, digital gates, logic families, multiplexers, demultiplexers, comparators, counters, decoders, displays, and converters. 2 Lec/2 Lab.

EET 253 Microprocessor Control Systems. (3) A. Prerequisite: EET 251 and 252. The operation and application of microprocessors and their use in computer systems in the micro-electro-mechanical project environments. Topics include data, address, and control signals; memory; software; interfacing digital and analog devices; ports; and data communications. 2 Lec/2 Lab.

EET 255 Electronic Devices and Circuits. (3) A. Prerequisite: EET 251. An analysis of the characteristics of solid state devices and the common circuits that utilize these devices. Emphasis on problem solving supplemented by laboratory activities and demonstration of electronic circuits and devices. 2 Lec/2 Lab.

EET 350 Industrial Electronics I. (3) A. Prerequisite: EET 257. Principles of timing, power control circuitry, transducers, and programmable controllers in commercial and industrial applications. 2 Lec/2 Lab.

EET 351 Programmable Logic Controllers. (3) A. Prerequisite: EET 251 or 252. The study of programmable logic controllers (PLCs). PLC functions, theory, selection, wiring, and programming. 2 Lec/2 Lab.

EET 452 Electrical Power & Drives. (3) A. Prerequisites: EET 257, MAT 120 or higher, and PHY 101. Principles of electromagnetics as applied to the generation, distribution, conversion, control, and measurement of electrical power. Analysis of the electronics used for electrical drives. Installation, programming and maintenance of digital drives. 2 Lec/2 Lab.

EHS—Environmental Health Science
Dr. Vonia Grabee, Chair

EHS 225 African/African-American Health Issues. (3) I. Cross-listed as AFA 225. Provides the student with an understanding of the medical and public health issues relevant to the maintenance of health conditions both in the United States and Africa. Credit will not be awarded for AFA 225 and EHS 225.

EHS 230 EHS Diseases and Hazards of Leisure. (3) II. Provides the student with an understanding of the biological, chemical and physical threats to health and life from the recreational, amusement, travel and tourist environments.

EHS 280 Introduction to Environmental Health Science. (3) A. Elements of environmental health, including water and waste treatment, air pollution, food sanitation, vector control, solid waste disposal, and general sanitation problems.

EHS 290 Seminar in Environmental Health. (2) I, II. Prerequisite: departmental approval. Discussion and analysis of literature related to selected current environmental health problems.

EHS 300W Water Supplies and Waste Disposal. (4) I, II. Prerequisites: EHS 280, BIO 320 or MLS 209 and MLS 211. Drinking water safety in both individual private systems and larger public systems. Maintenance of water quality, treatment and distribution, water contamination, sewage, and surveillance. Techniques for collection, treatment, and disposal of sewerage also discussed. Credit will not be awarded for students who have credit for EHS 300. 3 Lec/3 Lab.

EHS 320 Environmental and Solid Waste Management. (3) II. Prerequisites: CHE 111, 111L and EHS 280; or departmental approval. Nature of toxic and hazardous wastes and methods for their disposal to protect health and the environment and to prevent contamination of groundwater. The environmental health and safety aspects of solid waste collection, treatment and disposal, and regulations governing waste management are also discussed.

EHS 340 Industrial Hygiene. (3) I, II. Prerequisites: BIO 111, CHE 111, CHEL 111L and EHS 280; or departmental approval. The impact of the workplace on individual health, the hazards of work-related diseases, and methods of preventing related illnesses. Emphasis will be on the evaluation and control of the work environment to protect worker health.

EHS 345 Advanced Industrial Hygiene. (3) II. Prerequisite: EHS 340 or departmental approval. In-depth discussion of the chemical and physical hazards of the workplace and their evaluation and to provide hands-on experience in industrial hygiene sample and analysis.

EHS 349 Applied Learning in Environmental Health Science. (5-6) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to six hours credit per semester or summer. A minimum of 80 hours work required for academic credit.

EHS 349 A-N Cooperative Study: Environmental Health Science. (5-6) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to six hours credit per semester or summer. A minimum of 80 hours work required for academic credit.

EHS 355 CBR Terrorism & Environmental Health. (3) II. This course will provide students with environmental health principles to protect individuals and communities in times of war, general emergencies and disaster, both natural and human, due to chemical, biological and radioactive threats.

EHS 360 Air Pollution and Health. (4) A. Prerequisites: CHE 112, 112L and EHS 280; or departmental approval. Health effects of air pollution, including a discussion of the primary sources of airborne pollutants, their transport and transformation, the control of air pollution, state and national standards.

EHS 370 Risk Assessment and Environmental Epidemiology. (3) I, II. Prerequisites: EHS 280 and STA 215; or departmental approval. The use of data to define the health effects of exposed individuals or populations to hazardous materials and situations.

EHS 380 Food Hygiene. (3) I, II. Prerequisites: EHS 280 or departmental approval. A study of the health effects of food-borne disease, including an in-depth discussion of the physical, chemical, and biological contaminants that cause an estimated 76 million cases of food-borne illnesses annually in the U.S. An examination of the food processing and food service industry’s failure and efforts to prevent food-borne illness will be the primary focus.

EHS 390 EHS Special Problems in Environmental Health. (1-4) A. Prerequisite: departmental approval. For independent work, special workshops, or special topics as they relate to environmental health issues and problems. May be retaken for maximum of eight hours.

EHS 425 Environmental Health Program Planning. (3) A. Prerequisites: EHS 280 and 335. Administration, planning, implementation, and evaluation of environmental health programs. Discussion of resources and promotional techniques, and the role of the environmental health specialist dealing with community, state, and regional agencies.

EHS 440 Environmental and Industrial Toxicology. (3) II. Prerequisites: CHE 112, 112L, and EHS 280; or departmental approval. Health effects and nature of toxic substances with discussion of dose-related relationships, long term, delayed, and potential exposures in the environment.

EHS 460 Housing and Institutional Environmental Health. (3) A. Prerequisite: EHS 280 or departmental approval. Course prerequisite: EHS 485. Discusses the requirements for healthful housing means of attaining and maintaining these requirements. Reviews environmental health concerns relating to day-care centers, schools, hospitals, nursing homes,
and professional education. An examination of emergent literacy and relevant content, standards, instructional practices, and assessments for learners at this developmental stage. A minimum of 10 field hours are required.

ELE 313 Social Studies Curriculum, Pedagogy, and Assessment: US History, Government, and Economics (3) I, II. Prerequisite: Admission to professional education. This course teaches the content and pedagogical content knowledge in US History, Government, and Economics included in elementary state curriculum and the Common Core State Standards.

ELE 314 Science Content, Pedagogy, and Assessment: Physical Sciences (1), I, II. Prerequisite: Admission to professional education. Co-require: CHE 100/PHY 102. Inquiry-based course focusing on content, pedagogy, assessment and materials for teaching physical science concepts in primary through grade five.

ELE 322 Physical Education in the Elementary School: (2) I, II. Prerequisite: EDF 203 with a "C" or higher or EDF 310 with an "S"; admission to professional education. An examination of Mathematics and Assessment Grades K-1. (3) I, II. Prerequisites: MAT 107 or 114 with a grade of "C" or higher. An overview of the language arts, content, pedagogy, assessment and materials for teaching the language arts, and state standards for teaching the language arts, and state standards for teaching the language arts.

ELE 361 Art in the Elementary Grades P-5. (3) I, II. Prerequisite: EDF 203 with a "C" or higher or EDF 310 with an "S"; admission to professional education. Fundamental concepts of art education and those found in the content standards of art materials, processes, and activities for children in the elementary grades including those with special needs. Ten field/clinical hours.

ELE 362 Music Education for the Classroom Teacher. (3) I, II. Prerequisite: EDF 203 with a "C" or higher or EDF 310 with an "S"; admission to professional education. A study of curriculum design, teaching/learning strategies, resources, and evaluation procedures in elementary school health education. Topics include drugs, mental health, family living, nutrition, fitness, coping skills, environment, disease, and personal health. Ten field/clinical hours.

ELE 365 Health Education P-5. (2) I, II. Prerequisite: EDF 203 with a "C" or higher or EDF 310 with an "S"; admission to professional education. A study of vectors, and vector borne diseases of public health teaching and learning. The student will acquire an understanding of vectors, and vector borne diseases of public health teaching and learning. Opportunity for individual work on an independent study proposal. A minimum of 10 field hours are required.

ELE 367 Social Studies Content, Pedagogy, and Assessment: US History, Government, and Economics (2) I, II. Prerequisite: Admission to professional education. Examination of fluent literacy and relevant content, standards, instructional practices, and assessments for learners at this developmental stage. Minimum of ten field hours are required.

ELE 369 Science Content, Pedagogy, and Assessment: Life Sciences (1). I, II. Prerequisite: Admission to professional education, and CHE 100/PHY 102. Inquiry-based course focusing on content, pedagogy, assessment and materials for teaching life science concepts in primary through grade five.

ELE 420 Creative Thinking in Integrated Arts (1) I, II. Corequisite: CED 450. Study of integrated elementary Arts Education. The course aims at defining, developing, and applying creative thinking skills as they relate to the integration of the Arts (art, music, dance, drama, etc.) and social studies with other content areas (language arts, math, science, social studies, practical living, etc.) and state standards.

ELE 421 Advanced Math Pedagogy and Assessment. (2) I, II. Prerequisite: EDF 219, 413, EMS 490, ELE 301/311, 402, and 412 with a grade of "C" or higher; admission to professional education. Corequisites: CED 450, ELE 422, 423, and 426, 402. Methods and materials of teaching P-5 Mathematics; emphasis on discovering and developing fundamental concepts as a foundation for problem solving.

ELE 422 Advanced Language Arts Pedagogy and Assessment. (3) I, II. Prerequisites: EDF 219, 413, EMS 490, ELE 302, 312, 402, and 412 with a grade of "C" or higher; admission to professional education. Corequisites: CED 450, ELE 421, 422, and 426, 402. Examination of advanced pedagogical skills for teaching language arts with an emphasis on assessing, diagnosing, prescribing, and monitoring for student learning, differentiated instruction, and student use of technology for instruction and assessment.

ELE 423 Advanced Social Studies Pedagogy and Assessment (2) I, II. Prerequisites: EDF 219, 413, EMS 490, ELE 313, and 403 with a minimum grade of "C" or higher. Corequisites: CED 450, ELE 421, 422, and 426, 402. Examination of advanced pedagogical skills for teaching the social studies in grades P-5 with an emphasis on formative and summative assessment to monitor student learning, differentiated instruction, and teacher and student use of technology.

ELE 424 Advanced Science Pedagogy and Assessment (2) I, II. Prerequisites: EDF 219, 413, EMS 490, ELE 313, and 403 with a minimum grade of "C" or higher. Corequisites: CED 450, ELE 421, 422, and 426, 402. Examination of advanced pedagogical skills for teaching the social studies in grades P-5 with an emphasis on formative and summative assessment to monitor student learning, differentiated instruction, and teacher and student use of technology.

ELE 445 Foundations of Reading/Language Arts. (3) I, II. Cross-listed as EMG 445. Prerequisites: junior standing; 2.75 GPA; and admission to professional education. Corequisite or Prerequisite: EDF 319, 319W, 219, or 219W. An overview of reading/language arts components P-5, teacher competencies, organization and planning for instruction. Ten field/clinical hours.

Credit will not be awarded to students who have credit for EMG 445, EMG 445W, ELE 445W, or ELE 302. ELE 445W Foundations of Reading/Language Arts. (3) I, II. Cross-listed as EMG 445W. Prerequisites:
junior standing; 2.75 GPA; ENG 101 and 102, or HON 102 with a minimum grade of “C”, or ENG 105 with a minimum grade of “C” or higher. Admission to professional education. Corequisite or Prerequisite: EDF 319, 319W, 219, or 219W. An overview of reading/language arts components P-5, teacher competencies, organization and planning for instruction. Twenty hours of field/clinical experiences. Credit will not be awarded to students who have credit for EME 445, EME 445W, ELE 445, or ELE 502.

ELE 450 Problems in Elementary Education, 1-3 A. Prerequisite: advisor-departmental approval. Independent work, special work, special topics, or seminar.

ELE 519 Teaching in the Kindergarten, 3. Prerequisite: CED 450. Focuses upon the kindergarten movement, organization, equipment, curriculum, and procedures; leaders and kindergartens; and opportunity for observing and participating in kindergartens.

ELE 507 — Behavioral Crisis, 3 I, II. A. Introduction to the emergency medical field. Topics include legal and ethical issues; infection control; disaster preparedness; and recognition and care of patients with behavioral emergencies. Credit will not be awarded to students who have credit for EMC 200 or EMC 215.

EMC 303 Introduction to Cardiology, 3 I, II and A. Prerequisites: Introduction to pharmacology and use and classification of pharmacological agents. Credit not awarded to students who have received credit for EMC 225 and EMC 240.

EMC 320 Prehospital Management of OB/GYN/Pediatric Emergencies, 3 I, II and A. Prerequisites: and/or corequisites: EMC 303 and 335; or departmental approval. Advanced diagnostics, interventions, and management of cardiovascular emergencies to include cardiac resuscitation adhering to the standards of the American Heart Association. AHA ACLS Provider required for course completion. 2 Lec/2 Lab.

EMC 315 Pediatric Advance Life Support, 1 A. Assessment, recognition, and intervention for infant or child with cardiopulmonary arrest or shock. Adheres to American Heart Association and Academy of Pediatrics cognitive and performance standards. AHA PALS Provider evidence of course completion required. 301.

EMC 320 Advanced Life Support: Trauma, 3 I, II, A. Prerequisites: EMC 115, 240, BIO 171, 172, 301. Prehospital management of complex patients with multiple system failures secondary to trauma related pathologies.

EMC 335 Advanced Life Support: Medical Emergencies I, 3 I, A. Prerequisites: EMC 240, BIO 171, 301, EMC 115, 225, and department approval. Pathophysiology and advanced level management of emergencies of the respiratory, cardiovascular, endocrine, nervous, gastrointestinal, genitourinary, and reproductive systems.

EMC 336 Case Management I, 3 I, II. A. Prerequisite or Corequisite: EMC 335 and 342 or department approval. Hands-on advanced case management of medical and trauma emergencies using low and high-fidelity patient care simulation.

EMC 340 Advanced Clinical I, 3 I, II. Prerequisite: EMC 335. Pathophysiology and advanced level prehospital management of emergencies involving anaphylaxis, toxicology, alcoholism, drug abuse, infectious diseases, environmental hazards, and pediatric and geriatric patients.

EMC 341 Case Management II, 3 I, II, A. Corequisite: EMC 340 and 352 or department approval. Advanced case management of medical and trauma emergencies requiring critical thinking, oral critical thinking, practical and didactic assessment. May be retaken up to two hours.

EMC 342 Advanced Clinical I, 3 I, A. Prerequisite: EMC 335 and EMC 342. Integration of basic and advanced level support concepts and psychomotor skills in patient care situations developed through supervised assignments in various hospital settings.

EMC 342 Advanced Clinical I Lab (0) Corequisite: EMC 335 and EMC 342. Integration of basic and advanced level support concepts and psychomotor skills in patient care situations developed through supervised assignments in various hospital settings.

EMC 349 A-N Cooperative Study: Emergency Medical Care, 5-8 I, II, A. Work in placements related to academic studies. A minimum of 301 hours of employment is required for each semester credit hour.

EMC 352 Advanced Clinical II, 3 I, II. Prerequisite: EMC 342. Corequisites: EMC 320 and 340 and EMC 352L. Hospital assignments allow
continued development and application of cognitive and psychomotor skills in critical situations. Autonomous decision-making skills developed under supervision through increased participation in patient care.

EMC 352L Advanced Clinical I Lab (0) Pre-requisite: EMC 342 and 342L. Corequisite: EMC 340 and EMC 352. Hospital assignments allow continued development of application of cognitive and psychomotor skills in critical situations. Autonomous decision-making and critical thinking skills in clinical situations developed under supervision through increased participation in patient care.

EMC 360 Advanced Field Internship. (2) Prerequisites: EMC 205, 212, 215, 310, 320, and 352. Minimum 120 hours supervised experience on paramedic ambulance. Progresses from advanced emergency care delivery observation to beginning team member responsibilities.

EMC 362 Advanced Field Internship II. (4) A. Prerequisite or Corequisite: EMC 200, 205, 215, 360. Continuation of supervised experience on advanced life support ambulance. Assumes team member role with progression to team leader. Minimum advanced internship experience requires 75 ALS Contacts.

EMC 380 Advanced Prehospital Theory Methods. (4) Prerequisites: Kentucky Certified EMT-Paramedic and admission to EMC major. Foundation course for paramedic students which focuses on pathophysiological basis for prehospital interventions and management. Includes in-depth history and assessment skills.

EMC 382 Advanced Prehospital Theory: Trauma. (4) A. Prerequisites: Kentucky Certified EMT-Paramedic and admission to EMC major. Foundation course which focuses on pathophysiological basis for prehospital interventions and management in trauma settings. Includes in-depth history and assessment skills.

EMC 389 Special Topics: (1 – 3) I, II, A. Prerequisites: EMC 320, 335, 342 or departmental approval. Development and presentation of research in contemporary methods, techniques, practices, and devices in the field. May be taken under different topics to a maximum of 12 hours.

EMC 400 Emergency Care Systems Management. (3) I, II, A. Prerequisite or Corequisite: ENG 300. Topics include trauma, cardiac, respiratory, and serious injuries. Projects focus on system design, training and efficiency.

EMC 420 Emergency Services Design and Budget. (3) A. Prerequisite or corequisite: EMC 300 or FSE 200. EMS systems design and typical agency divisions, including operations, communications, training and education. Projects focus on system design, training and efficiency.

EMC 440 EMS Instruction. (3) A. Prerequisite: departmental approval. Examine and apply moral and ethical decisions made in emergency services. Issues of diversity, expanded health care settings, aging population, and others will be explored.

EMC 460 Legal and Ethical Aspects of Emergency Services. (3) A. Prerequisite: departmental approval. Examine and apply moral and ethical decisions made in emergency services. Issues of diversity, expanded health care settings, aging population, and others will be explored.

EMC 470 Foundation Topics in Emergency Medicine. (3) I, II, A. Investigation into the pathophysiology of traumatic and medical emergencies which applies to the latest trends in recognition and management.

EMC 489 Introduction to Research Methods. (3) A. Prerequisites: EMC 300 or FSE 300, and FSE 200. Introduction to designing and conducting research for professionals in emergency services and public agency practitioners and educators. This includes foundational principles of statistical analyses and application, as well as human subjects protections.

EME—Elementary and Middle Grade

Dr. Ginni Fair, Chair

EME 301 Mathematical Concepts for P-9 II (3) I, II. Cross-listed as MAE 302. Prerequisites: Admission to professional education; MAT 112 or higher and MAE 202 each with a grade of “C” or better. Concepts beyond algorithmic computation are emphasized. Topics include algebraic thinking, basic algebraic topics (i.e. variables, expressions, equations, graphs and linear problems solving) and geometry. Credit will not be awarded to students who have credit for MAE 302.

EME 313 Interdisciplinary Approach to Social Studies Teaching. (3) I, II. Prerequisite: Admission to professional education. World history, economics, geography, anthropology and sociology content in an interdisciplinary approach to teaching instruction strategies appropriate for the K-8 classroom. Credit will not be awarded to students who have credit for ELE 313.

EME 361 Teaching Art P-E-R. (3) I. Cross listed with AED 361. Prerequisites: Major in art; admission to professional education, EDM 319. Corequisite: EDM 349Q. Developmentally appropriate curriculum, materials, and methods for the P-E-R art program. Minimum of 20 field/clinical hours. Credit will not be awarded for both EME 361 and AED 361.

EME 378 Teaching Music in Grades P-8. (3) I. Prerequisites: admission to professional education, major in music. Developmentally appropriate materials and methods for teaching P-8 music. Minimum of 20 field/clinical hours.

EME 422 Teaching Foreign Language in Grades P-8. (3) I. Prerequisites: admission to professional education, major in foreign language. Developmentally appropriate curriculum, materials, and methods for the P-8 foreign language program. Minimum of 20 field/clinical hours.

EME 452 Teaching Grammar and Punctuation P-8 (3) I, II. Prerequisite: EDM 101 and 102, or EDM 105 with a grade of “B” or higher or Hon 102. Prerequisite/corequisite: EDM 302, SED 260, or EMG 445. Review, practice and reflect on research-based instructional approaches to instruction and develop instructional plans to improve elementary and middle grades students’ use of standard written and oral English. Credit will not be awarded to students who have credit for EME 552.

EME 465 Teaching Physical Education in P-8. (3) A. Prerequisites: admission to professional education, PHE 332, major in physical education. Developmentally appropriate materials and methods for teaching P-8 physical education. Minimum of 20 field/clinical hours.

EME 551 Linguistics in the Curriculum. (3) A. Prerequisite: admission to professional education. Investigation of elements in the science of linguistics and their application to communication of students.

EME 586 Health Education P-8. (3) A. Prerequisites: admission to professional education, major in school health. Developmentally appropriate curriculum, materials, and methods for the health P-8 program. Minimum of 20 field/clinical hours.

EMG—Middle Grade Education

Dr. Ginni Fair, Chair

EMG 349 Applied Learning: Middle School Teaching. (1, I). Corequisite: EME 447. Collaborate with teachers in middle level classroom(s) and assist with instructional planning and teaching. Minimum of 80 hours field experience required.

EMG 430 Middle Grade Curriculum. (3) I, II. Prerequisites: admission to professional education, EDI 319 with a “C” or higher. Corequisite: EMG 349R. An examination of the curriculum and the responsibilities of teaching in the middle grade.

EMG 445 Foundations of Reading/Language Arts. (3) I, II. Cross-listed as ELE 445. Prerequisites: junior standing, 2.75 GPA, admission to professional education program. Prerequisite/corequisite: EDF 319, 319W, 219, or 219W. An overview of reading/language arts components 5-9, teacher competencies, organization and planning for instruction. Twenty hours of field/clinical experiences. Credit will not be awarded to students who have credit for ELE 445, EMG 445W, ELE 445W, or ELE 302.

EMG 445W Foundations of Reading/Language Arts in the Middle Grades. (3) I. Prerequisites: EMG 445 or 444W, EDF 319 or 319W and admission to professional education. Prerequisite or Corequisite: EDF 413. Corequisite: CED 450. The theory and practice of teaching reading and language arts in the middle grades utilizing content area materials. Twenty hours field/clinical experiences.

EMG 491 Mathematics in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EMG 430 and admission to professional education and mathematics emphasis. Corequisite: CED 450. Appropriate materials and methods for teaching mathematics in the middle grades.

EMG 492 Science in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EDF 413, EMG 430 and admission to professional education and science emphasis. Corequisite: CED 450. Introduces prospective teachers to the modern materials and methods of teaching science in the middle grades.

EMG 493 Social Studies in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EDF 413, EMG 430 and admission to professional education and social studies emphasis. Corequisite: CED 450. Appropriate materials and methods for teaching social studies in the middle grades.

EMG 494 English and Communication in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EDF 413, EMG 430 and admission to professional education and English emphasis. Corequisite: CED 450. Study of effective teaching techniques, strategies and materials for middle grade English/communication skills. Credit will not be awarded for both EMG 494 and EMG 494W.

EMG 494W English and Communication in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EDF 413, EMG 430 and admission to professional education and English emphasis; Grade of “C” or higher in ENG 101 and 102, or Hon 102, or ENG 105 with a grade of “B” or higher. Corequisite: CED 450. Study of effective teaching techniques, strategies and materials for middle grade English/communication skills. Credit will not be awarded for both EMG 494 and 494W.

EMG 507 Problems in Middle Grade Education

Dr. Ginni Fair, Chair

EMG 349 Applied Learning: Middle School Teaching. (1, I). Corequisite: EME 447. Collaborate with teachers in middle level classroom(s) and assist with instructional planning and teaching. Minimum of 80 hours field experience required.
EMG 567 Curricular and Instructional Strategies for Home Economics in the Middle Grades. (3) A. Prerequisite: certification in home economics. Study of curriculum content, instructional materials, and strategies appropriate for home economics instruction in the middle grades.

EMS—Elementary, Middle Grade, and Secondary Education

Dr. Ginni Fair, Chair

EMG 300W Curricular and Instructional Design (1-3). Pre-requisites: ENG 101 and 102 or ENG 105 with a grade of “B” or higher, EDF 203, 219 or 221 or permission of the Professional Education Coordinator. Co-requisite: CED 300. In-depth review of national state curriculum, balanced assessment, and effective teaching strategies for birth-12. Backward design will be used to plan instruction. Methods and materials related to student’s current reading emphasis will be stressed. (Course embedded and school-based clinical practice required).

EMS 431 Language Arts Content, Pedagogy, and Assessment Grades 6-8. (3) I, III. Prerequisites: ELE 302 with a grade of “C” admission to professional education. An examination of adolescent literacy and relevant content, standards, instructional practices, and assessments for learners at this developmental stage. A minimum of 10 field hours are required.

EMS 432 Language Arts Content, Pedagogy, and Assessment Grades 9-12. (3) I, III. Prerequisites: ELE 302 with a minimum grade of “C”; admission to professional education. An examination of adolescent literacy and relevant content, standards, instructional practices, and assessments for learners at this developmental stage. A minimum of 10 field hours are required.

EMS 474 Disciplinary Literacy. (3) A. Prerequisites: Admission to professional education. Corequisite: CED 450, 499 or department approval. Emphasis on development of disciplinary literacy competencies, selection of appropriate materials, instruction, and assessment. Requires 20 hours of embedded clinical experiences.

EMS 490 Classroom & Behavior Management P-12 (1-3). I, II. Prerequisite: EDF 219 or 219W or 319 or 319W; EMS 300W, and Admission to Professional Education. Corequisites: EDF 413 and CED 400. Critical analysis of the components of an effective classroom environment including establishing rules, procedures and routines and organizing space. Emphasis on strategies to assess, diagnosis, prescribe and monitor individual student behavior to support achievement.

EMS 564S Service Learning as Pedagogy. (3) A. Cross-listed as ENG 564S. Prerequisite: Junior-level standing, ENG 102 or ENG 105(B) or HON 102, and MAT 105, or departmental approval. Classroom service learning strategies and techniques will be modeled. Discussion about practical application and reflection on class activities will follow. An environmental service learning project will be planned and carried out during the course. Credit will only be awarded for either EMS 564S or ENG 564S.

EMS 561 Environmental Education Essentials. (3) A. Cross-listed as ENG 561. Prerequisites: Junior-level standing, ENG 102 or ENG 105(B) or HON 102, and MAT 105, or departmental approval. This course delves into the philosophy, historical development, resource identification, and curriculum development of environmental education.

Credit will only be awarded for either EMS 561 or ENV 561.

EMS 563 Teaching Environmental Education (3) SUMMER ONLY. Appropriate methods and materials for effective environmental education in a variety of settings. Credit will not be awarded for both EMS 563 and EMS 763.

EMS 565S Teaching in the Outdoors (3) SUMMER ONLY. Formerly EMS 864S. Basic principles of outdoor teaching will be combined with outdoor skills and an environmental service learning investigation. Due to its content, this will be taught in workshop format during the summer semester. Credit will not be awarded to students who have credit for EMS 765S or 864S.

EMS 575 Methods and Materials for Teaching English as a Second Language. (3) A. The study of effective methods of Teaching English as a Second Language (TESL). Thirty hours of field experiences are required.

EMS 576 Assessment Methods for ELLs (3) I. Prerequisite: EDF 413 This course is designed to examine the major principles and methods of assessment for English Language Learners, including standardized testing, classroom-based performance, and alternative methods of assessment. Students will provide evidence of their content knowledge, and how they will assess the content knowledge of their students. (20 hours of clinical experience required). Credit will not be awarded to students who have credit for EMS 776.

EMS 577 Cultural Competency with ELLs (3) I, II. Prerequisite: ENG 101. All students placed in ENG 101R if their ACT Reading score is less than 18 or their ACT English and 17-19 on Reading. Additionally, students (Supported) (4) I, II. Prerequisite: ENG 102 or 105 or HON 102. Introduction to areas of literature, writing, and language use through selected topics. Designed primarily for non-English majors, may be taken with different topics to a maximum of six hours.

FMT 495 Fermentation Research. (1-3) A. Prerequisites: FMT 340 (C or better) and departmental approval. Students concentrate on the objectives and techniques of fermentation science research to address a variety of issues / problems in all aspects of the field. May be retaken to a maximum of six hours but only three hours can count towards a degree. Student must have the independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment. 1 - 3 Lec.

FMT 501A-D Special Topics in Fermentation. (1-3) A. Prerequisite: Senior standing and departmental approval. Lecture or laboratory experience to be chosen from current and/or specialized area of fermentation science including (but not limited to) historical aspects, advanced methods of analysis, or facility/techniques. Topical areas may vary according to student interests and needs. May be retaken to a maximum of six hours. If a laboratory course, then three contact hours will be required for every credit hour.

FMT 540 Fermentation Microbiology. (3) A. Prerequisites: FMT 340 (C or better), and BIO 320 (C or better). Course focuses on the biochemistry, genetics, and behavior of microorganisms for the production of fermented beverages. Information will be presented in the form of hands-on laboratory experiences performed in a laboratory setting. 2 Lec / 3 Lab.

FMT 545 Chemical Analysis & Quality Control. (4) A. Prerequisite: Senior standing, CHE 325/325L (C or better), and FMT 340 (C or better). Course focuses on quality assurance and control (QA/QC) based on analysis using chemical and instrumental methods of initial feedstocks, water, and fermentation products. Analysis will be based on current industrial standards. 3 Lec / 3 Lab.

FMT 549 Fermentation Project Lab. (2) A. Prerequisites: Senior standing, FMT 540 (C or better), and 545 (C or better). Age requirement ≥21 years. (21 years). Lecture or Laboratory course to perform a fermentation project where students will decide on the process to make a final fermentation product. Complete analysis of the product will also be performed at different stages of production. 1 Lec / 3 Lab.

FOR—Forensic Science
Dr. Darrin Smith, Chair & Dr. Lori Wilson, Director

FOR 301 Introduction to Forensic Science. (3) A. Prerequisite: MAT 1090. Introduction to the application of scientific methods for the examination of physical evidence in the criminal justice system; an overview of the forensic analysis of firearms, fingerprints, drugs, blood, hair, fibers, paint, glass, arson, debris, etc.

FOR 310 Training for Forensic Internships. (1) A. Prerequisite: junior or senior standing in Forensic Science. This course provides the student guidance in the preparation for an internship and explains the forensic internship application process.

FOR 331 DNA Profiling. (3) A. Prerequisites: BIO 111(C) and STA 270 (C). Prerequisite or co-require: CHE 102 (C) or 361 (C). This course will include topics in forensic DNA profiling; sample collection, DNA extraction, DNA quantitation and amplification. Prepares students for further studies/career in forensic/molecular biology. Laboratory FOR 331L is optional with this course.

FOR 331L DNA Profiling Lab. (1) A. Prerequisite: CHE 361 (C). Prerequisite or co-requisite: FOR 331. Laboratory course of FOR 331. Provides practical experience in Forensic DNA profiling; sample collection, DNA extraction, DNA quantitation and amplification. Prepares students for further studies/career in forensic/molecular biology.

FOR 349 Applied Learning in Forensic Science. (0.5-8) A. Formerly FOR 495. Prerequisites: FOR 310 or departmental approval. Independent laboratory work and study related to forensic science in a laboratory setting. A minimum of 80 hours of employment required for each semester hour of academic credit. May be taken for a total of six hours, but only six hours may be counted toward the major requirements. Eight to sixteen weeks.

FOR 349 A-N Cooperative Study: Forensic Science. (0.5-8) A. Formerly FOR 495. Prerequisites: FOR 310 or departmental approval. Work in experiences related to academic studies in forensic science. One half to eight hours credit per semester or summer. A minimum of 80 hours of employment required for each semester hour of academic credit. May be repeated for a maximum of 16 credit hours but only six hours may be counted toward the major requirements.

FOR 401 Forensic Professional Practice. (3) I. Prerequisite: FOR 301. Introduces professional practices and expectations for the forensic scientist. Includes discussion of professional organizations, certification, ethics, QA/QC, accreditation, technical writing, data treatment and interpretation.

FOR 411 Instrumental Analysis (3) A. Cross-listed with CHE 425. Prerequisites: CHE 325, 325L, 362, 362L, PHY 132 (or 202), MAT 234 (C or better in course). Prerequisite or Corequisite: CHE 425L. Fundamental principles of the operation and application of analytical instrumentation including spectroscopy, chromatography, electrochemistry, and mass spectrometry found throughout industry, government, forensic, and/or research environments are presented. Credit will not be awarded for both FOR 411 and CHE 425.

FOR 411L Forensic Instrumental Lab (1) A. Prerequisite: BIO 111 (C or better). Prerequisite or Corequisite: FOR 411. Lab component of FOR 411. Lab providing hands-on experience operating instrumentation most commonly used in forensic science analytical laboratories, including UV-visible, infrared, Raman, X-ray fluorescence, and atomic absorption spectrophotometric techniques plus thin-layer, gas, and liquid chromatographic separation techniques. Credit will not be awarded for both FOR 411L and CHE 425L.

FOR 412 Forensic Trace Evidence. (3) II. Prerequisites: FOR 411 (C), 411L (C), 451 (C), and 451L (C). Prerequisites or Corequisite: FOR 412L. Introduction to forensic trace and impression evidence, and the application of instrumentation and techniques to analyze various types of trace and impression evidence. Students will learn about the numerous instruments and techniques used in forensic labs to analyze different types of trace and impression evidence; paint, glass, fibers, tapes, plastic bags, accelerators, explosives, building materials, firearms, tire and shoeprints and other materials commonly encountered in the crime laboratory.

FOR 412L Forensic Trace Evidence Lab. (1) II. Prerequisites: FOR 411 (C), 411L (C), 451 (C), and 451L (C). Prerequisite or Corequisite: FOR 412L. Lab component of FOR 412. Use of microscopes and various instruments for examination of forensic trace evidence materials. 3 Lab.

FOR 440 Drug Chemistry. (3) I. Prerequisite: CHE 362 (C or better). Discusses aspects of drug chemistry relevant to understanding the properties, physiological effects, and techniques used for the separation and identification of drugs. Emphasis is on controlled substances.

FOR 442 Forensic Analytical Toxicology. (3) II. Formerly FOR 430. Prerequisites: FOR 411 (C) and 411L (C) or CHE 425 (C) and 425L (C), or departmental approval. Prerequisite or Corequisite: FOR 442L. Study of the chemistry, biochemical activity, isolation and identification of drugs of forensic interest in biological materials. Credit will not be awarded to students who have credit for FOR 430.

FOR 442L Forensic Analytical Toxicology Lab. (1) II. Prerequisites: FOR 411 (C) and 411L (C) or CHE 425 (C) and 425L (C), or departmental approval. Prerequisite or Corequisite: FOR 442L. Use of microscopes and various instruments used for the separation and analysis of drugs in both solid dosage and toxicological samples. 3 Lab.

FOR 451 Forensic Microscopic Analysis. (2) I. Prerequisite or Corequisite: FOR 411, 411L, and 451L (C or better). Introduction to concepts of forensic microscopic analysis; identification and characterization of trace evidence, such as glass, hair, fiber, and soil.

FOR 451L Forensic Microscopy Lab. (1) I. Prerequisite or Corequisite: FOR 451. Laboratory component of FOR 451. Use of stereoscopes and polarized light microscopes for examination of forensic materials. 3 Lab.

FOR 460 Selected Topics in Forensic Science. (1-3) A. Prerequisite: instructor approval. Topics will be chosen from areas of current interest and may be retaken for credit when new topics are offered. Topics and credit will be announced prior to each offering.

FOR 465W Expert Witness Testimony. (3) A. Prerequisites: ENG 102 or ENG 165 or HON 102 and
FOR 411(C) and FOR 411L(C) or departmental approval. Theory and purpose for expert witness testimony; qualifications of scientific experts, ethical issues, and practical aspects of expert witness discovery and courtroom testimony. Videotaping of testifying in mock testifying situations is also included. 2 Lec/2 Lab. Credit will not be awarded for both FOR 465W and 465. 

FOR 475 Mass Spectrometry. (3) A. Cross-listed with CHE 520. Prerequisite: CHE 362. Topics include types of mass spectrometers; qualitative and quantitative mass spectrometry, different ionization processes, sample inlet systems, (including chromatography systems), and interpretation of mass spectral data. Credit will not be awarded for both FOR 475 and CHE 520.

FOR 499 Introduction to Research. (1-3) A. Prerequisite: FOR 411 or departmental approval. Instruction to laboratory research in one of the areas of forensic science. May be retaken to a maximum of six hours, but only three hours may be counted toward the major requirements. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

FOR 499 Forensic Science Capstone (3) A. Prerequisites: FOR 411 (C), and 411L (C), and 6 hours of 400 level or above FOR or CHE or BIO courses, from within the student’s option (C or better in each course). Prerequisite or co-requisite: FOR 465 or 465W. Capstone experience that provides overview of the investigative process from collection of evidence at a mock crime scene, to identification, analysis, data interpretation and presentation of results in a mock courtroom setting. 2 Lec / 3 Lab.

FRE—French

Dr. Abbey Poffenberger, Chair

FRE 101 Conversational French I. (3) I, II. Prerequisite: all required developmental reading and writing. Developing French conversation, grammar, and language skills. Emphasis on speaking and listening comprehension, with introduction to basic written forms. Taught in context of French and francophone cultures. Laboratory work required. Gen. Ed. F-1 [GE].

FRE 102 Conversational French II. (3) I, II. Recommended: FRE 101 or equivalent proficiency. (Students entering FRE 102 by referral or placement, with two years high school French or equivalent, receive three hours credit for FRE 101 if they make an “A” in 102.) Continuing work on communicative skills and correct usage, with introduction to reading short passages on relevant French and francophone cultural topics. Laboratory work required. Gen. Ed. E-6 [GE].

FRE 201 Intermediate Conversational French I. (3) I, II. Recommended: FRE 102 or equivalent proficiency (e.g. with two or three years of successful high school French). French conversation, grammar, and communicative language skills, with increased emphasis on developing basic writing and reading skills. Taught in a context of French and francophone cultures. Laboratory work required. Students entering FRE 201 by referral or placement receive six hours credit for FRE 101 and 102 if they make an “A” or “B” in 201. Gen. Ed. E-6 [GE].

FRE 202 Intermediate Conversational French II. (3) I, II. Recommended: FRE 201 or equivalent proficiency (e.g. with three or four years of successful high school French.) French conversation, grammar, and communicative language skills, with continuing emphasis on writing skills and on reading authentic texts. Taught in context of French and francophone cultures. Laboratory work required. Students entering FRE 202 by referral or placement receive nine hours credit for FRE 101, 102, and 201 if they make an “A” or “B” in 202. Gen. Ed. E-6 [GE].

FRE 242 Performing in French: Four Skills. (3) A. Prerequisite: FRE 202 or equivalent proficiency with departmental approval. Focuses on proficiency in the four skills and prepares students for upper-level course work. Taught in French.

FRE 295 Independent Work in French. (1-3) A. Prerequisite: FRE 207. Prior to enrollment, student must have the independent study proposal approved by faculty supervisor and department chair. May be retaken to a maximum of six hours, provided the subject matter differs each time with departmental approval.

FRE 305 Readings in French. (3) A. Prerequisite: FRE 360 or equivalent proficiency with departmental approval. Taught in French. Focus on how to understand, talk, and write about short readings and their cultural and literary contexts in French. May be retaken to a maximum of six hours, provided the subject matter differs each time with departmental approval.

FRE 306 France Today. (3) A. Prerequisite: FRE 207 or equivalent proficiency with departmental approval. Taught in French. Focus on contemporary issues related to France through a variety of topics and media. Taught in French. May be retaken to a maximum of six hours, provided the subject matter differs each time with departmental approval.

FRE 312 French Literary Studies: ______. (3) A. Prerequisite: FRE 207 or equivalent proficiency with departmental approval. Emphasis on communicative proficiency in context of topics selected from French or francophone cultural heritage, such as cinema, news media, cuisine, literature, entertainment, education, pollution, politics, etc. May be retaken to a maximum of twelve hours, provided the subject matter differs each time.

FRE 320 Texts and Contexts: ______. (3) A. Prerequisite: FRE 207 or equivalent proficiency with departmental approval. Develops oral and written communication skills for application in diverse careers, international travel, and interaction with the French-speaking population in France, Canada, and Francophone world. Taught in French. May be retaken to a maximum of six hours, provided the subject matter differs each time with departmental approval.

FRE 330 Francophone Cinema. (3) A. Prerequisite: FRE 207 or equivalent proficiency with departmental approval. An analysis of the culture of the Francophone world through representative films. Taught in French. May be retaken to a maximum of nine hours, provided the subject matter differs each time.

FRE 335 French Film and Travel. (3) A. Prerequisite: FRE 207 or equivalent proficiency with departmental approval. Develops oral and written communication skills for application in diverse careers, international travel, and interaction with the French-speaking population in France, Canada, and Francophone world. Taught in French. May be retaken to a maximum of six hours, provided the subject matter differs each time with departmental approval.

FRE 340 French Phonetics. (3) A. Prerequisite: FRE 207 or equivalent proficiency with departmental approval. Intensive practice in the spoken language with emphasis on improving pronunciation and aural comprehension. The sound system of French is taught through phonetic exercises.

FRE 350 French Conversation. (3) A. Prerequisite: FRE 207 or equivalent proficiency with departmental approval. Intensive practice in conversation with emphasis on vocabulary building and improving fluency in the language.

FRE 360 French Grammar in Context. (3) A. Prerequisite: FRE 207 or equivalent proficiency with departmental approval. A communicative approach to French grammar in meaningful context, using authentic spoken and written language, within the framework of French and francophone cultures.

FRE 380 Texts and Contexts: ______. (3) A. Prerequisite: FRE 207 or equivalent proficiency with departmental approval. Taught in French. Focus on literariness and non-literary texts of a chosen era (at discretion of instructor) within the relevant cultural and historical context. May be taken to a maximum of six hours, provided the subject matter differs each time.

FRE 410 Advanced Stylistics. (3) A. Prerequisite: FRE 360 or equivalent proficiency with departmental approval. Taught in French. Advanced work on composition and conversation, with a focus on perfecting grammatical forms and developing vocabulary. May be retaken to a maximum of six hours, provided the subject matter differs each time with departmental approval.

FRE 420 Issues in Translation. (3) A. Prerequisite: FRE 360 and FRE 305, 306, or 380 or equivalent proficiency with departmental approval. Taught in French. Examine the theory and method of translation (French to English) in a variety of genres. Includes the practical aspects of translation and the particulars of a career as a translator. May be retaken to a maximum of six hours, provided the subject matter differs each time with departmental approval.

FRE 430 Francophone Voices. (3) A. Prerequisite: FRE 360 and FRE 305, 306, or 380 or equivalent proficiency with departmental approval. An in-depth study of the traditions and cultural heritage of French speakers. Taught in French. May be retaken to a maximum of six hours, provided the subject matter differs each time with departmental approval.

FRE 495 Independent Work in French. (1-3) A. Prerequisite: departmental approval. May be counted toward major or minor only with permission of department chair. May be retaken to a maximum of six hours if content is different. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

FRM—Family Resource Management

Dr. Dana Bush, Chair

FRM 352 The Family as Consumers. (3) I, II. Family resource management across the life course. Resource allocation and decision-making to attain family goals and financial wellbeing; time, money, housing, work-family balance. Role of family members in marital/family satisfaction and life-cycle families. Credit will not be awarded for both FRM 352 and FIN 201.

FRM 456 Special Problems in Family Economics and Management. (1-3) A. Prerequisite: departmental approval. The student chooses a problem and works under the supervision of the instructor. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours provided topics vary.

FSE—Fire and Safety Engineering Technology

Nancy Davis, Chair

FSE 101 Fire Prevention. (3) A. An introduction to fire and safety related codes; fire prevention methods; mechanical systems; and engineering solutions for hazards. An in-depth look at the Life Safety Code, the function and testing of fire related building components.

FSE 120 Fire Behavior and Combustion. (3) A. An introduction to the chemistry and dynamics of fire; including basic terminology and concepts that are applied to the physical and chemical properties of the development and spread of fire in a structure; hazardous materials and the Computer Fire Analysis.

FSE 200 Applied Fire and Safety Analysis (3) A. Analytical and statistical concepts and procedures for the treatment of fire and safety related data. Includes quantitative and qualitative techniques, descriptive and inferential statistics. Credit will not be awarded for both FSE 200 and OSH 200.

FSE 201 Building Construction. (3) A. A review of the analysis of building construction methods and terminology. A systems approach to designing building fire safety; the Life Safety Code; the function of and testing of rated building components, evaluating plans for code compliance.

FSE 201S Building Construction. (3) A. A review of the analysis of building construction methods and terminology using a service learning approach. A systems approach to designing building fire safety; the Life Safety Code; the function and testing of building components, evaluating plans for code compliance. Credit will not be awarded for both FSE 201 and FSE 201S.

FSE 221 Fire Protection Systems. (3) A. Prerequisites: FSE 101, FSE 120. Introduction to fire detection, protection, control systems and extinguishment. Fixed and portable systems of the
FSE 223 Fire and Emergency Scene Operations (3) A. Prerequisite: FSE 201 or FSE 205. Principles of Incident Management including emergency scene decisions, strategies, and tactics. Utilization of emergency scene resources such as personnel, apparatus, and equipment.

FSE 224 Human Behavior In Fire (3) Prerequisites: FSE 101 and FSE 120. Examine current and historical research on fire behavior, systems models, and emergency scene procedures. Emphasize the legal and ethical standards in fire behavior research.

FSE 225 Legal Aspects of Fire Protection and Safety (3) A. A study of legislative and legal decisions relating to personnel practices, employee safety, and public protection. Emphasizes the legal responsibilities, liabilities, and authority of the fire service practitioner. Credit will not be awarded for both FSE 225 and OSH 225.

FSE 230 Fire Prevention Organization and Management (3) A. Prerequisite: FSE 101. An introduction to management issues related to fire prevention. A review of the requirements of fire prevention codes, managing inspections, relations with public and officials and implementation of fire education programs.

FSE 250 Introduction to Fire Arson and Explosion Investigation (3) A. An introduction to fire, arson, and explosion investigation. Topics include a historical overview of arson and terrorism statues, sources of information, the federal role in fire and explosion investigation, explosives and improvised explosive devices.

FSE 260 Proving Criminal Acts (3) A. A study of crimes and the methodical steps in the investigation and proving of criminal acts. Explore defenses for arson and explosive devices to enable the student to understand the obligations of managing an investigation.

FSE 280 Constitutional Criminal Procedure (3) A. Examine the legal implications of obtaining evidence directly from the suspect. Fourth, Fifth, and Sixth Amendments, and rules of evidence are discussed as they relate to the investigation of criminal acts.

FSE 300W Technical Report Writing for Emergency Services (3) A. Prerequisite: ENG 102 and FSE 200. An introduction to written communication skill specific to the public emergency service sector’s needs. Focusing on the technical aspects involved in supporting public initiatives operating within the legal system and learning the specific requirements for submitting documentation to various governmental committees. Credit will not be awarded for both FSE 300 and 300W.

FSE 305 Hazardous Materials (3) A. Prerequisite: FSE 120. Study of hazardous material problems in transportation, storage, and use. Chemical properties relating to specific reactions, engineering controls, and control in an emergency situation. Emphasis on the role of pre-emergency planning, combating, coordinating, and controlling a hazardous materials incident. Credit will not be awarded for both FSE 305 and 305W.

FSE 320 Principles of Emergency Services (3) A. An overview of organizational and management practices in the fire and safety fields. Emphasis on supervision, leadership, specific communication skills, motivation, morale, and organizational behavior.

FSE 322 Fire Protection Structures and System Design (3) A. Prerequisite: FSE 221. Analysis and written application of the specific code requirements related to the design, inspection, testing and maintenance of fire protection systems. Design projects will be included.

FSE 330 Principles of Criminal Investigation (3) A. Prerequisites: FSE 300 or FSE 300W, FSE 260, and FSE 280. A detailed study of the investigative procedure as it applies to fire, arson, explosive, and bomb detection. Prerequisite: departmental approval. Work in placements related to academic studies. One to six hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. Credit will not be awarded for both FSE 349 A-N and OSH 349 A-N.

FSE 340A Forensic Science: Study: Fire and Safety Engineering. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. Credit will not be awarded for both FSE 349 A-N and OSH 349 A-N.

FSE 350 Fire Arson and Explosion Investigation I. (3) A. Prerequisite: FSE 120. An in-depth study in the analysis of fire, arson, and explosion scenes. Emphasis will be placed on the principles and techniques of scene preservation and analysis, management of investigative functions, documentation of the scene, and determination of the cause and origin of fire.

FSE 355 Fire Dynamics. (3) A. Prerequisites: CHE 101 (or higher), FSE 120, and MAT 107 or 114 (or higher). An introduction to fire-related measurement techniques, advanced mathematical concepts and associated terminology. This course includes basic numerical methods for understanding fire dynamics.

FSE 360 Fire Protection Hydraulics and Water Supply (3) A. Prerequisite: FSE 120 and MAT 107, 114 or higher. A study of water at rest and in motion, Bernoulli’s and Pascal’s theorems, water distribution systems, velocity, friction loss, pump and nozzle pressures required for fire protection.

FSE 365 Methodology for Emergency Service (3) A. Course provides students with opportunities to develop presentation skills used in classroom instruction. Develop lesson plans, prepare audio-visual aids and props for the class. Prepare evaluation methodologies that competently assure learning objectives during delivery of presentations.

FSE 370 Electrical and Mechanical Systems Failure Analysis. (3) A. Overview of design criteria for electrical and mechanical systems and components relative to fire safety via laboratory experiments, exemplar components and photographs that depict system and component failures that result in fire. Learning opportunities include engaging in destructive and non-destructive analysis of components and systems.

FSE 375 Emergency Service Resource Management. (3) A. Introduction to management issues related to obtaining and accounting for resources. Included are financial management processes, acquisition strategies, strategies for maintenance of effort and resource prioritization, resource replacement planning and processes to audit program success.

FSE 380 Failure Analysis. (3) A. Prerequisite: FSE 370. An in-depth study of fire and arson investigations. Emphasis will be placed on the principles and techniques of scene preservation, failure analysis, report writing, and determination of cause and origin.

FSE 400 Advanced Emergency Services. (3) A. Prerequisites: FSE 120, FSE 300W, and FSE 320. A study of environmental management including the identification and analysis of key managerial issues confronting contemporary fire services managers. Application in current methods and planning, organizing, developing and evaluating public fire/emergency services organizations.

FSE 425 Disaster & Community Fire Defense Planning. (3) A. Prerequisite: FSE 300 or FSE 300W. Overview of the ever changing demographics of the departmental jurisdictions and response during community service master planning, identifying hazards then assessing risks associated with those hazards. Analysis of potential disaster and recovery methods.

FSE 445 Advanced Structural Fire Protection. (3) A. Prerequisite: FSE 355. Examines principles involved in structural fire protection: behavior of materials and design considerations for each material in regards to a structure’s design under fire attack and resistive protection methods.

FSE 450 Advanced Explosion and Bombing Investigation. (3) A. Prerequisite: FSE 380. An in-depth study of explosion scene investigation. Emphasis will be placed on the principles and techniques of scene preservation analysis, management of investigative functions, documentation of scene, and determination of the cause of explosions.

FSE 480 Industrial Fire Safety. (3) A. Prerequisites: FSE 101 and FSE 120. Fire scenario analyses for industrial installations using test data, loss experience and simplified theoretical modeling focusing on warehousing, storage of flammable liquids and safety of electrical equipment and computers.

FSE 481 Fire Protection Design. (3) A. Comprehensive project emphasizing a team approach to the design process. Problem formulation; project management; drawings and specifications; cost estimating; and various project components. Engineering and professional ethics.

FSE 485 Topical Seminar: (1-3) A. Prerequisite: FSE 200 or departmental approval. Development and presentation of research in contemporary methods, techniques, and devices in the field. May be retaken under different topics to a maximum of 12 hours.

FSE 495 Fire Arson and Explosion Case Preparation. (3) A. Prerequisite: FSE 450. Preparation of the fire, explosion, and arson case for trial, including preparation of demonstrative evidence, scene documentation for presentation, and testimony.

FSE 498 Independent Study. (1-3) A. Prerequisites: Departmental approval. Individual reading and research on a problem or area within the field of Fire and Safety, after student consultation with the instructor. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours providing the project title differs.

FSE 499 Practicum. (1-12) A. Prerequisite: departmental approval. Supervised field observation, research, and/or experience.

GBU—General Business

Dr. Weiling Zhuang, Interim Chair

GBU 101 Introduction to Business. (3) I, II. A survey of modern business practices. The course explores business areas including management, marketing, accounting, and finance. The course is designed to help prepare students for future business courses and assist students in deciding whether to choose business as a career.

GBU 201 International Business. (3) I. An overview of international business, including international business law, international business customs, and international business functional operations, examining the effectiveness of U.S. business ventures abroad and in competition with international companies at home.

GBU 204 Legal and Ethical Environments of Business. (3) I, II. Prerequisite: minimum 45 hours Law and the legal system. Topics include discussion on ethical and socially responsible business decision; business forms, contracts and torts; governmental regulations and regulatory agencies that impact businesses.

GBU 301 e-Commerce Fundamentals. (3) A. Prerequisite: minimum 45 hours completed. Survey, analysis, evaluation of current issues and trends in...
e-commerce; examination of how e-commerce and electronic mediated environments are changing business and society.

GBU 310 Law of Contracts, Property, and Business Organizations. (3) I. Principles of the law of contracts, property and the formation, relation and implications of partnership, corporations and agencies. Prerequisite: GBU 210 or departmental approval. II. Principles for law of personal property transfers, negotiable instruments, secured transactions, the application of the Uniform Commercial Code and business transactions, bankruptcy, and governmental regulation.

GBU 349 Applied Learning in General Business. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. May be used as upper division business electives and/or free electives as approved. General Business Majors, depending on option, are limited to a maximum of nine co-op hours counting toward degree. Co-op hours may be repeated up to nine hours.

GBU 349 A-H Cooperative Study: General Business. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. May be used as upper division business electives and/or free electives as approved. General Business Majors, depending on option, are limited to a maximum of nine co-op hours counting toward degree. Co-op hours may be repeated up to nine hours.

GBU 350 Seminar in Business. (1-3) A. A carefully selected topic of special and contemporary interest to business students. May be retaken under different subtitles to a cumulative maximum of nine hours.

GBU 480 Business Strategy. (3) I, II. Prerequisites: CCT 300 or 300W, CIS 300, FIN 300, MGT 300, 370, and MKT 300 with a grade of “C” or better in each prerequisite course; senior standing (A minimum of 90 hours) with an overall minimum 2.0 GPA. A capstone study of administrative processes under conditions of uncertainty including integrative analysis and formulation of strategy and supporting policy at administrative/executive levels. Students must complete all business core courses prior to taking GBU 480.

GCM—Graphic Communications Management

Dr. David Bailey, Coordinator

GCM 211 Graphic Communications. (3) I, II. An overview of the market segments using the technologies of printing, publishing, packaging, electronic imaging, and their allied industries. 2 Lec/2 Lab.

GCM 217 Electronic Publishing. (3) A. Basic course in desktop publishing and preparing appropriately designed documents for Graphic Communications. Emphasis is on the use of professional level computer application programs for working with images, type and page layout. 2 Lec/2 Lab.

GCM 255 Web Publishing. (3) I. Formerly TEC 255. A basic course in using current Web standards to prepare content for the World Wide Web that includes HyperText Markup Language (HTML) and Cascading Style Sheets (CSS). 2 Lec/2 Lab.

GCM 313 Digital Photography. (3) A. Formerly TEC 313. A study of current technology used to capture, manage, enhance and process photographic images for use with various computer applications. 2 Lec/2 Lab.

GCM 316 Graphic Communications II. (3) I. Prerequisites: GCM 211. Advanced study of the imaging processes with particular attention given to press, press and post press operations related to offset presswork. 2 Lec/2 Lab.

GCM 317 Electronic Publishing II. (3) II. Prerequisite: GCM 217. Advanced desktop publishing course in the design, creation, and assembling of text and graphical images. In depth study of color theory, color management and color separation. 2 Lec/2 Lab.

GCM 318 Comprehensive Exam for BS in GCM (0) A. Prerequisite: Consent of Advisor. Registration is required of all Graphic Communications Management B.S. majors during their last semester. A comprehensive assessment exam is required.

GCS—Interpersonal Skills and Career Counseling

GCS 199 Career Counseling Seminar. (1) I, II. Prerequisite: Degree Seeking Only. The eight-week course helps students make effective career decisions. Self-awareness, values clarification, an awareness of the employment market and decision-making skills are promoted in the course. Pertinent career facts are learned; i.e. salary, training, outlook, and working conditions.

GEO—Geography

Dr. Melissa Dieckmann, Chair

GEO 100 Regions and Nations of the World.

GEO 102 Geography of Kentucky. (3) A. Survey of the physical, cultural, and economic geography of the world’s major regions, with emphasis on regions undergoing rapid change and currently of international concern. Credit will not be awarded for both GEO 100 and GEO 200. Gen. Ed. E-5B [SB].

GEO 110 Environmental Geography (3) A. Prerequisites: Freshman and Sophomore standing. A lecture course on ecological functions and physical world. Emphasis is on the use of professional level computer software and graphic procedures to enhance an understanding of the environmental problems and human dynamics contributing to environmental change across the globe and at various geographical scales. Environmental issues are examined through a geographical lens, and includes the problems of pollution, air and water, energy systems, biodiversity, natural hazards, climate change, and food production. 2 Lec/2Lab. Gen. Ed. E-4.

GEO 115 Hollywood Weather. (3) A. This non-technical introduction to atmospheric processes examines how meteorological events are portrayed in popular movies. Topics may include severe weather events, climate change, and weather’s impact on human systems.

GEO 210 Introduction to Physical Geography. (3) A. Study of natural processes operating at the earth’s surface with special emphasis on weather and climate and landforms as explanations for how and why physical and human phenomena vary from place to place. 2 Lec/2 Lab.

GEO 302W Global Environmental Problems. (3) A. Prerequisites: GEO 100, 110, or 210; ENG 102, 105(B), or HON 102; MAT 105 or higher; or departmental approval. Examination of environmental problems and conservation strategies in the context of global change, with case studies of problem regions, including foresting, mountain, desert, and island biomes. Credit will not be awarded to students who have credit for GEO 302 or ENG 302.

GEO 315 Meteorology for Web Animation. (3-4) I, II. Prerequisite: TEC 355. Prerequisite: GCM 255 and 313. Web animation with advanced Web programming. 2 Lec/2 Lab.

GEO 410 Finishing and Packaging. (3) A. Prerequisite: GCM 319. A study of post-press finishing and binding operations in the printing and publishing industries. Packaging operations will also be studied, including design, layout, printing and assembly.

GEO 412 Color Process Printing. (3) A. Prerequisites: GCM 317 and 319. The advanced study and practical application of reproducing process color images by offset lithography. 2 Lec/2 Lab.

GEO 414 Printing Estimating and Costs. (3) II. Prerequisite: TEC 410. An overview of estimating and job costing systems, and procedures for determining costs of printed products. The determination of equipment hourly rates and depreciation, cost centers, and equipment purchase decisions will be discussed with emphasis on computer related applications.

GEO 455 Web Publishing II. (3) I. Prerequisite: GCM 255. An advanced course in preparing content for the World Wide Web that includes HTML, PHP and MySQL. Students will work with both client-side and server-side technologies to integrate databases into web sites. 2 Lec/2 Lab.

GEO 467 Comprehensive Exam for BS in GEO (0) A. Prerequisite: Consent of Advisor. Registration is required of all Geography majors during their last semester. A comprehensive assessment exam is required.

GEO 312 Urban Geography. (3) A. Prerequisites: GEO 100, 110, 210, or GEO 302. Study of city functions, patterns, and past and current problems confronting the city, including the problems of planning, zoning, community housing, shopping centers, and urban renewal.

GEO 322 World Geopolitics. (3) A. Prerequisites: GEO 100, 110, 210, or GEO 302. Study of the political structures and events organized by territorial and regional frameworks. Specific attention to forces of global political change, including globalization processes, conflict and peace, ethnic separatism, and international mediation.

GEO 325 Environmental Land Use Planning (3) A. Prerequisites: GEO 100, 110, 210, or GEO 302. Study of land use decisions and public policy. Emphasizes practical application at the site and regional scales. Credit will not be awarded to students who have credit for GEO 325S, ENV 325 or ENV 325S.

GEO 325S Environmental Land Use Planning (3) A. Cross-listed as ENV 325S. Prerequisites: GEO 100, 110, 210, or GEO 302. Study of land use decisions and public policy. Emphasizes practical application at the site and regional scales. Credit will not be awarded to students who have credit for GEO 325, ENV 325 or ENV 325S.

GEO 343 Geography of Kentucky. (3) A. Prerequisite: GEO 100, 110, 210, or GEO 302. A study of the physical, cultural, historical and political geography of Kentucky in the context of the regional and national scales. Credit will not be awarded to students who have credit for GEO 325, ENV 325 or ENV 325S.
GEO 349  Applied Learning in Geography. (L-S-B) A. Prerequisite: departmental approval. Work in place related to academic studies. One to eight hours credit per semester or summer. Total hours for baccalaureate, 16. A minimum of 80 hours employment required for each semester hour credit. No more than six hours may count toward the major.

GEO 349 N  Cooperative Study: Geography. (L-S-B) A. Prerequisite: departmental approval. Work in placement related to academic studies. One to eight hours credit per semester or summer. Total hours for baccalaureate, 16. A minimum of 80 hours employment required for each semester hour credit. No more than six hours may count toward the major.

GEO 351  Geographic Data and Techniques. (A) Prerequisites: GEO 100, 110, 210, 220, GLY 104, 107, 108, or 109; MAT 105 or above, STA 215, or 270. Introduction to geographic data, quantitative and qualitative analysis, hypothesis testing, and appropriate representations of specific data types. Includes exposure to techniques used in geographic research and applications, including mapping, GIS, GPS, field work, remote sensing, library and Internet research, and others. Practical experience focus. 2 Lec/2 Lab.

GEO 353  Geographic Information Systems. (A) Prerequisites: (i) one of the following: AGR 216, GEO 100, 210, 220, GLY 102, 107, or 108. Introduction to GIS principles, methods, operations, mapping, and applications. Topics include spatial data, databases, GIS analysis, models, site suitability, environmental and social sciences content, and more. Hands-on emphasis using ArcGIS. 2 Lec/2 Lab.

GEO 398  Independent Studies in Geography. (1-6) I, II. Prerequisite: departmental approval. Topic determined by faculty advisor and student. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours, provided topic is different each time.

GEO 401  Sustainability in Appalachia. (A) A. Cross-listed as APP 430 and ENV 430. Prerequisites: GEO 100, 110, 210, or 220; ENG 102, ENG 105(B), or HON 102; MAT 105 or higher; or departmental approval. Examination of Appalachia’s ecological, social, and economic patterns, and the processes through which residents can ensure their social, economic and ecological sustainability in the future. Credit will not be awarded to students who have credit for APP 430 or ENV 430.

GEO 405  Biogeography. (A) A. Cross-listed as ENV 435. Prerequisites: ENG 102 or ENG 105(B) or HON 102; and MAT 105 or higher; or departmental approval. Study of animal and plant distributions and the nature of earth’s major terrestrial biomes, with an emphasis on understanding the broad spatial hypotheses that explain the variety and ever-changing geographic ranges of living organisms. Credit will not be awarded to students who have credit for ENV 435.

GEO 450  Field Studies. (A) Prerequisite: GEO 100, 110, 210, or 220. Field techniques and applied case studies of geographic topics in local and regional environs.

GEO 453  Advanced GIS. (I-S-B) II. Prerequisite: GEO 353 or departmental approval. Advanced concepts, operations, and applications of raster and vector GIS. Spatial analysis using scanning, imagery, GIS, global data sets, and derived data for natural and social applications. Use of standards, metadata, open GIS, and other advanced. 2 Lec/2 Lab.

GEO 455  GIS Cartography. (A) A. Prerequisite (one of the following): GEO 100, 110, 210, 220, GLY 102, 107, or 108. Principles of cartographic design for GIS applications. Hands-on emphasis using ArcGIS. 2 Lec/2 Lab.

GEO 456  Remote Sensing. (A) Prerequisite: GEO 100, 110, 210, 220, GLY 102, 107, or 108. Principles, data sources, acquisition, interpretation, analysis, and uses of remote sensing and geographic imagery, including maps, air photos, shuttle photography, and satellite digital data. Hands-on emphasis using ERDAS software. 2 Lec/2 Lab.

GEO 458  Advanced Geographic Imagery. (I-S-B) II. Prerequisite: GEO 456. Characteristics, interpretation, integration and applications of advanced geographic imagery, including remote sensing and GIS digital data. Attention on satellite and multispectral imagery, including image processing. Hands-on emphasis. 2 Lec/2 Lab.

GEO 490  Senior Seminar. (A) Prerequisite: senior standing or departmental approval. A capstone course for majors that integrates students’ academic experiences with their career development options.

GEO 498  Research Project in Geography. (A) A. Prerequisites: departmental approval. A research experience for geography majors that integrates a research experience with the production of a substantive deliverable product (e.g., poster, conference presentation, map). May be retaken to a maximum of six hours if research topic differs each time.

GEO 501  Advanced Geography: Environmental Geoscience. (A) A. Prerequisite: departmental approval. In-depth study of physical, cultural, economic, geographic technique (GIS) themes. May be retaken to a maximum of six hours if subject matter differs each time.

GEO 510  Introduction to Globalization. (A) A. Prerequisites: Completion of all developmental requirements. An introduction to the multi-faceted dimensions of globalization, including positive and negative aspects of globalization and some of the many cultural, economic, geographical, historical, political, ideological and social forces related to globalization.

GEO 520  Globalization Senior Seminar. (A) A. Prerequisites: Senior standing and departmental approval. Reading, analysis and discussion of current globalization topics, with heavy emphasis on class participation and student presentations.

GLY—Geology

Dr. Melissa Dieckmann, Chair

GLY 101  Earth Science for Teachers. (I, II.) I. II. Prerequisite: pre-teaching and teaching elementary and middle school education majors only or departmental approval. This inquiry-based course for teachers integrates content, pedagogy and technology to explore Earth as an integrated set of systems and as part of the Solar System. 1 Lec/4 Lab. Gen. Ed. E-4.

GLY 104  The World Ocean. (3) LH. Investigation of the geologic, physical, biogeochemical, and biologic processes that occur within the oceans of the world. The course emphasizes connections between these processes, and how those connections interact with our planet’s life. 2 Lec/2 Lab. Gen. Ed. E-4 [NS].

GLY 107  Gold and Diamonds, (1, II) A. The geology of gold and diamonds, including mineralogy, natural occurrence, exploration, and mining. The impact of gold, diamonds, and other important earth materials on the environment, history, and society will also be discussed. 2 Lec/2 Lab. Gen. Ed. E-4 [NS].

GLY 108  Plate Tectonics: The Active Earth. (3) I, II. Investigation of the Earth as it exists and functions today, the materials that compose the Earth, and the processes that act upon and within the Earth, and the interrelationship of both materials and processes with human activity. 2 Lec/2 Lab. Gen. Ed. E-4 [NS].

GLY 109  Great Moments in Earth History. (3) I, II. Investigation of the origin of the Earth as a planet and its evolutionary development through physical and biological systems through time. Important turning points in the Earth’s history will be emphasized. 2 Lec/2 Lab. Gen. Ed. E-4 [NS].

GLY 210  Introduction to Geochemistry. (I) I. Prerequisite or Corequisite: ACT math score of 22, or SAT math score of 530, or MAT 112 or 114, or departmental approval. An introduction to the application of fundamental concepts and skills in chemistry (nomenclature, stoichiometry, bonding, chemical change) to geology, including the distribution of the elements, mineral chemistry, and radiometric dating.

GLY 302  Earth Science. (3) A. Prerequisite: GLY 102, 104, 107, 108, or 109. Study of the universe and our solar system, the Earth’s atmospheric and climatic systems, its physical processes and features, organic development, and natural resources.

GLY 303  Environmental Geoscience. (3) A. Cross-listed as ENV 303. Prerequisite: GLY 102, 104, 107, 108, or 109, or GEO 100, 210, or 220; or departmental approval. Investigation of the Earth as a complex set of interconnected systems that cycle elements, water, and earth materials over geologic and human time scales. The course emphasizes global environmental changes that occur on the planet because of human actions. Credit will not be awarded to students who have credit for ENV 303.

GLY 305  Dinosaurs. (3) A. Prerequisites:
GLY 399 Independent Studies in Geology. (1-0) I, II; (1-6) SUMMER ONLY. Work in placements related to academic studies. Total hours for baccalaureate, sixteen. A minimum of 80 hours of employment required for each semester hour of academic credit. May not be used to satisfy area, major, or minor requirements.

GLY 408 Process Geoarchaeology. (3) II. Prerequisites: GLY 104, 107, 108, 109, or departmental approval. An in-depth study of the geologic processes involved in landform development.

GLY 409 Igneous & Metamorphic Petrology. (4) II. Prerequisites: GLY 309, MAT 112 or higher. Nature and origin of common igneous and metamorphic rocks, with emphasis on crystalline rocks. Lab develops the ability to analyze and classify rocks in hand sample and in thin section using a petrographic microscope. 3 Lec/2 Lab.

GLY 410 Structural Geology. (4) I. Prerequisites: GLY 102, 104, 107, 108, or 109; and MAT 112 or higher. Deformation of Earth’s crust across a wide range of scale with emphasis on plate tectonics and its consequences. Lab develops the ability to analyze the geometry of deformed rock bodies and solve common structural problems. 3 Lec/2 Lab.

GLY 415 Sedimentary Geology. (4) I. Prerequisites: GLY 102, 104, 107, 108, or 109; and MAT 112 or higher; or departmental approval. Examination of sedimentary processes and products, the characteristics and origins of sedimentary rocks and their related depositional environments, and application of these principles to environmental and biological problems. Laboratory develops techniques for describing and interpreting sedimentary rocks, structures, and stratigraphy. 3 Lec/2 Lab.

GLY 420 Stratigraphy. (4) II. Prerequisites: GLY 415 and MAT 112 or higher. Description, correlation, and interpretation of stratified sedimentary sequences; basis of identification and interpretation of the fossils they contain. Emphasis: rock-vx, time stratigraphy, facies relationships, sequence stratigraphy, event stratigraphy, biostratigraphy, well log correlation. 3 Lec/2 Lab.

GLY 450W Evolution of the Earth. (3) A. Prerequisite: Senior standing or departmental approval. Overview of geological principles from the perspective of the Earth’s history, physical and biological. Emphasis on conceptual thinking and expressive writing. Credit will not be awarded for both GLY 550 and GLY 451. 3 Field/3 Lab.

GLY 451 Field Camp. (6) SUMMER ONLY. Prerequisites: GLY 409 and 410. Field-training course in the northern and central Rocky Mountains (6 weeks). Analysis of field data and an independent thesis project for majors in geology. Thesis credit for senior standing and department approval. 3 Lec/2 Lab.

GLY 480 Petroleum Geology. (3) II. Prerequisites: GLY 309, 410, and 415, GEO 115, 210, or 315; or departmental approval. Corequisites: GLY 410 and GLY 420. Use of the petroleum systems paradigm to explore characteristics of economically-viable petroleum accumulations. Emphasis is placed on consequences of chemical weathering, composition of surf and near surface water, geochemical cycles, and natural and anthropogenic geochemical events. 2 Lec/2 Lab.

GLY 482 Paleoclimate. (3) A. Prerequisite: GLY 104, 109, 415, 420; or GLY 315; or departmental approval. How the interaction of ocean and atmosphere creates climate in the planet today and leaves its record in geologically accessible Earth materials, with an emphasis on the interpretation of the geological record and how we learn how the Earth’s climate has changed in the past.

GLY 498 Capstone Project in Geology. (3) A. Prerequisite: senior standing and departmental approval. A capstone experience for geology majors that integrates a research experience with the students’ professional development and the production of a substantive deliverable product (e.g., poster, conference presentation, geologic map, report, etc.).

GLY 499 Senior Thesis. (3) A. Prerequisites: senior standing and department approval. Supervised, independent thesis project for majors in geology. Thesis project must be approved by faculty supervisor and department committee prior to enrollment. May be taken to a maximum of six hours provided topic is different each time.

GLY 499B McNair Research Symposium. (2) Prerequisites: ENG 101 and 102 or ENG 105; MAT 105 or any course above MAT 105. Preparation of Mock Trial Competitions. Students will develop cases for presentation including preparing opening and closing arguments, introducing testimonial, physical and demonstrative evidence, and conducting direct and cross examination of witnesses. May be repeated to a maximum of 8 hours, only 2 of which may be counted toward the political science major and only 1 may be counted toward the political science minor.

GLY 501 Foundations of Learning. (3) I, II. A course to promote student success and lay the foundation for critical and creative thinking across the curriculum. Open to all first-year students with fewer than 30 semester hours earned. Credit will not be awarded to students who have credit for ASO 100, BTO 100, EDO 100, GSO 100, HSO 100, or JSO 100.

GSO 149 Co-op Professional Seminar. (1) I. II. Prepare students for the job market prior to co-oping. Topics include: self-assessment, communication, resumes and cover letters, interviewing techniques, business etiquette. Credit will not be awarded for students who have credit for ASO 100, BTO 100, EDO 100, GSO 100, HSO 100, or JSO 100.

GSD 225S Leadership Dynamics: Service Learning. (1) II. The course is designed to introduce current and emerging leaders to leadership theory and development through a dynamic service learning component including reflective activities, practice in teamwork, and engaging in service for a community partner. Credit will not be awarded for both GSD 225S and GSD 225. May be repeated up to three hours.

GSD 250 Exit Requirement AGS (0) A. Exam for AGS students to evaluate programmatic outcomes, required of all AGS students who have earned at least 45 hours credit. Credit (CR) will be given when students complete the exam.

GSD 300 Exit Requirement: Communication. (0) A. Required of all Department of Communication students who have earned at least 60 hours credit. Credit (CR) will be given when students have attended and/or completed department-sponsored activities regarding professional skills and careers. May substitute for BTS 300 or 400.

GSD 349 Applied Learning (.5 - 8) A. Prerequisite: 2.0 GPA and Program approval. Work under field supervisors in placements related to academic studies. Minimum 80 hours work for each credit hour. Repeatable up to 16 credit hours.

GSD 349A & GSD 349B Cooperative Study. (.5 - 8) A. Prerequisite: 2.0 GPA and Program approval. Work under field supervisors in placements related to academic studies. Minimum 80 hours work for each credit hour. Repeatable up to 16 credit hours.

GSD 399 Professional Skill Development (3) Prerequisites: Junior standing. Will help students recognize and build skills needed for desired career fields. Topics include: job search, resumes, cover letters, interviewing skills, and making connections between academic experiences and professional goals.

GSD 401 McNair Research Symposium. (2) A. Prerequisites: ENG 101 and 102 or ENG 105; MAT 105 or any course above MAT 105. Introduction to research, writing, and expectations concerning research in academic settings. Provides essential information regarding research and writing expectations of graduate students. For McNair scholars only.

GSD 459 Exit Requirement BGS (8) A. Exam for senior BGS students to evaluate programmatic outcomes. This exam is required of all BGS students who have earned at least 90 hours. Credit (CR) will be given when students complete the exam.

GSD 466A Mock Trial (2) I. Prerequisite: departmental approval. Cross-listed with POL 466A. Preparation of Mock Trial Competitions. Students will develop cases for presentation including preparing opening and closing arguments, introducing testimonial, physical and demonstrative evidence, and conducting direct and cross examination of witnesses. May be repeated up to a maximum of 8 hours, only 2 of which may be counted toward the political science major and only 1 may be counted toward the political science minor.

GSD 466B Mock Trial (2) I. Prerequisite: GSD 466A and departmental approval. Cross-listed with POL 466B. Preparation of Mock Trial Competitions. Students will develop cases for presentation including preparing opening and closing arguments, introducing testimonial, physical and demonstrative evidence, and conducting direct and cross examination of witnesses. May be repeated up to a maximum of 8 hours, only 4 of which may be counted toward the political science major and only 2 may be counted toward the political science minor.

GSO
HEA—Health Education
Dr. Michael Ballard, Chair

HEA 202 Community First Aid and CPR.
(3) I, II. Instruction and practice in first aid and safety procedures. Includes assessment and first aid procedures regarding life-threatening emergencies, injuries, medical emergencies, and rescues. Focus on prevention, as well as first aid. Includes American Red Cross certification in First Aid, Adult CPR with AED, Child CPR, and Infant CPR. Credit will not be awarded for both HEA 202 and EMC 102.

HEA 285 Health Across the Lifespan.
(3) I, II. Consideration of the various conditions and factors affecting individual and community health; special emphasis on responsible decision-making, formulating philosophies, attitudes, and a behavioral understanding necessary to establish health living practices.

HEA 290 Foundations of Health Education.
(3) I. The historical, foundational disciplines, and principles that led to the establishment of health education. The role of health education in the present health care system.

HEA 310 Introduction to Global Health.
(3) I, A. Introduction to global health and the relationship between human ecology and the public's mental health through community agencies. Focuses on the experiences of specific historically marginalized groups or cultures. May be repeated to a maximum of six hours provided topics vary. Gen. Ed. E-5A [SB].

HEA 315 Issues in Health and Disease.
(3) II. Etiology, effects, remediation, and prevention of disease. Nature of health and environmental issues and forces which shape them. Cross listed as WGS 592. Study of the biological, social, and psychological aspects of human sexuality. Emphasis is placed on the experiences of specific historically marginalized groups or cultures. May be repeated to a maximum of six hours provided topics vary. Gen. Ed. E-5A [SB].

HEA 320 Introduction to Behavior Change Theory.
(3) I, II. Effect of drug use and abuse on the individual and society. Personal and community approaches for promoting intelligent decision making regarding drugs.

HEA 345 Drugs, the Individual, and Society.
(3) I, II. Effect of drug use and abuse on the individual and society. Personal and community approaches for promoting intelligent decision making regarding drugs.

HEA 350 Interpretation of Health Data.
(3) I. Understanding graphical, statistical, and research techniques used in health education. Developing competencies in analyzing and interpreting research results. Credit will not be awarded to students who have credit for ECO 220 or EPY 842 or HEA 450 or PSY 291 or QMB 200 or STA 215 or STA 471 or STA 577. Cross listed as WGS 591. A study of attitudes concerning death and grief. Topics include responses to death and grief throughout the life cycle; process of grief and bereavement; theology and death; legal aspects of dying, care of the dying; suicide; postmortem care; death education. Credit will not be awarded for both HEA 593 and WGS 593.

HEA 359 Death and Grief.
(3) A. Cross-listed as WGS 593. A study of attitudes concerning death and grief. Topics include responses to death and grief throughout the life cycle; process of grief and bereavement; theology and death; legal aspects of dying, care of the dying; suicide; postmortem care; death education. Credit will not be awarded for both HEA 593 and WGS 593.

HEA 375 Health Promotion Program Planning.
(3) I, II. Prerequisites: ENG 102 or 105 or HON 102. Exploration of epidemiological, economic, political, sociological and cultural factors that impact global health with special emphasis on applying public health principles in developing as well as developed countries. Gen. Ed. E-6 [GE].

HEA 375 Health Education.
(3) I. Basic needs for mental and emotional wellness. Emphasis in the selection of appropriate activities for promoting mental health through community agencies.

HEA 410 Social Marketing and Advocacy in Public Health.
(3) Prerequisites: senior standing or departmental approval. Introduction to current theory and knowledge in the fields of social marketing and advocacy in public health and application of social marketing and advocacy used for promoting health behavior change strategies.

HEA 420 Senior Seminar in Health Education.
(1) II. Prerequisite: HEA 480/W and Health major or departmental approval. Students will draw together skills and knowledge needed to enter the workforce, and will review core competencies required of the health education graduate. Students will prepare to become certified in the field of health education.

HEA 455 Introduction to Epidemiology.
(3) I, A. Factors that affect the occurrence and courses of diseases—causing agents, susceptible hosts, favorable environments, and the effective use of statistical epidemiological methods.

HEA 460 Community Health Education.
(3) Process. I, II. Prerequisite or corequisite: HEA 316 or departmental approval. Planning, delivering, and evaluating the community health education program. Credit will not be awarded for both HEA 460 and HEA 360.

HEA 663 Internship in Health Promotion and Administration.
(1-6) A. Supervised experiences for seniors in the directing of Health Promotion and Administration activities in various settings. May be taken to a maximum of six hours.

HEA 680/W Health Education.
(3) I, II. Prerequisites: ENG 102 or ENG 105B or HON 102. Exploration of epidemiological, economic, political, sociological and cultural factors that impact global health with special emphasis on applying public health principles in developing as well as developed countries. Gen. Ed. E-5A [SB].

HEA 680/W Health Promotion Program Planning.
(3) I, II. Prerequisites: ENG 102 or ENG 105B or HON 102, restricted to majors or minors in Health Education or Public Health. A writing intensive course that is an introduction to principles, strategies, and skills, which are necessary and implemented in the planning of health education and health promotion programs in a diversity of settings. Credit will not be awarded for both HEA 480/W and HEA 480.

HEA 490 Evaluation of Health Promotion Programs. (3) HEA 480/W or departmental approval. This course will provide an introduction to principles, strategies, and skills for the evaluation of health promotion programs in a variety of settings. Credit will not be awarded for both HEA 490 and HEA 580.

HEA 590 Health Education: (1-3) A. Study of pertinent problems in health and health education. Includes topics such as: health care delivery, child abuse, teenage pregnancy, community health organizations, statutory health curriculum, drug education, school health services, health deviations among students, sexually transmitted diseases, etc. May be retaken with advisor approval provided subtext is different.

HEA 591 Women's Health.
(3) A. Cross-listed as WGS 591. Analysis of the major health problems of contemporary women with a special emphasis on health promotion, disease prevention, and consumer health care concerns. Credit will not be awarded for both HEA 591 and WGS 591.

HEA 592 Human Sexuality.
(3) A. Cross-listed as WGS 592. Study of the biological, social, and psychological aspects of human sexuality. Directed primarily toward those individuals in situations which require them to assist others in understanding the broad impact of one's sexuality. Emphasis is placed upon student development of logical and reasoned justifications for their own value system. Credit will not be awarded for both HEA 592 and WGS 592.

HEA 593 Health Education.
(3) A. Cross-listed as WGS 593. A study of attitudes concerning death and grief. Topics include responses to death and grief throughout the life cycle; process of grief and bereavement; theology and death; legal aspects of dying, care of the dying; suicide; postmortem care; death education. Credit will not be awarded for both HEA 593 and WGS 593.

HEA 595 Alcohol Abuse and Dependency.
(3) A. Study of the impact of alcohol related attitudes and behaviors on individuals and society. Includes study of influences on choices about alcohol, behavior change strategies, prevention, intervention, and treatment.

HEA—Health Education
Dr. Drucianoe Taylor, Chair

HIS 100 World Topics To 1500:
(3) A. Introductory exploration of a broad regional or thematic topic in world history prior to 1500. Credit will not be awarded to students who have credit for HIS 231 or 246. Limited to three credit hours. Gen. Ed. E-5A [SB].

HIS 101 World Topics Since 1500:
(3) A. Introductory exploration of a broad regional or thematic topic in world history since 1500. Credit will not be awarded to students who have credit for HIS 147, 232, or 247. Limited to three credit hours. Gen. Ed. E-5A [SB].

HIS 102 American Civilization to 1877.
(3) A. Formerly HIS 202. Transition from colonial to independent republic; social, cultural, and economic institutions derived from agrarian conditions; the influence of European foundations. Required of all majors and minors in history. Credit will not be awarded to students who have credit for HIS 202. Gen. Ed. E-5A [SB].

HIS 103 American Civilization Since 1877.
(3) A. Formerly HIS 203. Conflicts between demands of an industrial society and agrarian values; interrelationships between world expressions and American experience. HUM 330 Medieval Humanities, (3) A. Critical analysis of art, music, and literature from the Judeaic, Christian and Islamic traditions emphasizing the confluence of these traditions in the European Middle Ages.

HUM 340 Renaissance and Enlightenment, (3) A. Critical analysis of art, music, and literature from the Renaissance, Baroque, and the Enlightenment reflecting the religious and secular energies of Western culture and the colonial world.

HUM 350 Modern Humanities, (3) A. Science, globalization, and cultural diversity in the Modern World; critical analysis of art, music, and literature reflecting the modernization of culture and the human condition since the Enlightenment.

HUM 360 Topics in Non-Western Traditions, (3) A. Prerequisite: ENG 102, ENG 105(B), or HON 102. Studies in the literature, visual and dramatic arts, music, and design of non-Western cultures. This course focuses on a single non-Western tradition or on a few inter-related non-Western traditions in a given semester. Repeatable up to six hours with permission of department chair. Gen. Ed. E-6 [GE].

HUM 395 Independent Work in Humanities, (1-3) A. Prerequisite: HUM 226 or 228. Students must have independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours if topic is different.

HUM 399 Topics in Humanities, ______ (3) A. Selected topics in Interdisciplinary Humanities. May be repeated with permission of the department for up to six hours.

HUM 499 Humanities Thesis, (3) A. An in-depth thesis project, approved by the department chair, directed by a Humanities faculty member, and presented in the form of a research paper with appropriate visual or audio materials.

IES—Foreign Exchange Studies
Jennifer White, Director

IES 300 Foreign Exchange Study, (1-12) I, II. Prerequisites: sophomore standing, approval from the Education Abroad Director. This course is used as a placeholder until a transfer transcript from the international institution of school of record is received, at which time this course is replaced with the transfer course.

INF —Informatics
Dr. Ka-Wing Wong, Chair

INF 101 Introduction to Online Learning (1) A. Formerly CSC 101. Prepare students to take online courses at EKU including the use of the Blackboard learning environment. Help students acquire basic skills to be successful in online learning. Credit will not be awarded to students who have credit for CSC 101.

INF 104 Computer Literacy with Software Applications, (3) I, II. A non-technical survey of computer history, hardware, and software. Implications of the use and misuse of computers. The effect of computers on society. Software applications such as word processors, spread sheets, databases, and graphics. Credit will not be awarded to students who have credit for CSC 104. 3 Lec (1 Lab when taught in large lecture sections).

INF 105 Software Applications Topics, (1-3) A. Formerly CSC 110. Integration of software applications. Topics vary with offering. May be retaken with advisor approval to a maximum of nine hours provided the topics are different.

INF 110 Introduction to the Internet, (1) I, II. Formerly CSC 110. Introduction to the Internet and the Internet processing tools. The course emphasizes the use of the World Wide Web as an information broadcasting and retrieval tool. Credit will not be awarded to students who have credit for CSC 110.

INF 120 Introduction to Multimedia, (3) I, II. Formerly CSC 120. Introduction to multimedia technology and computerized visual communication. Topics include video editing, media file processing, video streaming, computer graphics. Credit will not be awarded to students who have credit for CSC 120.

INF 123 Exploring Virtual Worlds, (3) A. Formerly CSC 123. Exploration of the technologies used in virtual environments and their effects on society. Review of technology driving virtual environments with historical context. Emerging technology. Social/economic consequences. Possible future outcomes through new technologies and science fiction. Credit will not be awarded to students who have credit for CSC 123.

INF 130 3D Printing, (3) A. Exploration of the technologies used in the 3D printing process. Development of skills needed to generate content for 3D printing. Software-driven solutions to 3D printing issues. Emerging technology. Social implications. Credit will not be awarded to students who have credit for previous Special Topics course: 3D Printing.

INF 301 Current Topics in Informatics, (3) A. Formerly CSC 301. Prerequisite: HUM 304, 212, or equivalent. Introduction to contemporary topics in informatics. May be retaken to a maximum of six hours provided the topics are different.

INF 307 Cybersecurity and Ethics, (3) A. Formerly CSC 307. Prerequisite: INF 104, INF 105(B), or HON 102. A non-technical survey of computing, including computers’ effect on society, computer crime, viruses, and other threats, and self-protection in an online environment. Credit will not be awarded to students who have credit for CSC 307.

INF 314 MS Office & Data Analysis, (3) A. Formerly CSC 314. Prerequisite: "C" or higher in CSC 104, 212, or equivalent. Designing advanced Excel spreadsheets and Access databases to manage data problems with an emphasis on data calculations, data analysis, and organization of data. Credit will not be awarded to students who have credit for CSC 314.

INF 318 Mobile Device Security & Privacy, (3) A. Formerly CSC 318. Prerequisite: CSC 212, ENG 105(B), or HON 102. Introductory course on mobile device security and privacy. Topics include mobile devices including smart phones, tablets and others; mobile device threats; mobile device security including planning and implementation; mobile device privacy. Credit will not be awarded to students who have credit for CSC 318.

INF 321 Computer Forensics I (A). Formerly CSC 321. Prerequisite: ENG 102, 105(B) or HON 102. Introductory course on computer forensics. Topics include computer forensics concept, digital evidence, law and regulations, computer forensics lab, computer forensic investigation, digital forensic report, court testimony, ethics and codes to expert witness. Credit will not be awarded to students who have credit for CSC 321.

INF 322 Computer Forensics II (A). Formerly CSC 322. Prerequisite: CSC 321 with a minimum grade of “C”, or INF 321 with a minimum grade of “C”. Introductory course on computer forensics. Topics may include digital evidence, computer crime, investigation procedure, evidence identification, data acquisition, crime scene processing, digital forensics tools, quality assurance, evidence processing, investigation report, and court testimony. Credit will not be awarded to students who have credit for CSC 322.

INF 330 2D Animation (3) A. Prerequisite: ART 100, BEM 240, INF 120, INF 130, CSC 140, or TEC 190. Introduction to 2D animation for use

2017-2018 EKU UNDERGRADUATE CATALOG 329

SECTION SEVEN - COURSE DESCRIPTIONS
in animation and games. Graphical tablets will be used to learn various digital drawing techniques and key-framing, onion-skinning, rigging will be used for animation generation leading to sprite-sheet assets. Credit will not be awarded to students who have credit for previous Special Topics course: 2D Animation.

INF 430 Digital Sculpting (3) A. Prerequisite: ART 109W, or CSC 315. Navigate and utilize 3D sculpting tools. Create animation ready meshes and game ready models and textures. Learn appropriate terminology and vocabulary in the discussion of 3D modeling and rendering. Credit will not be awarded to students who have credit for previous Special Topics course: Digital Sculpting.

INF 495 Independent Work. (1-3) II. Prerequisites: ENG 102, 105(B), or HON 102, and departmental approval. Directed study/research on a problem or area chosen in consultation with the instructor. Final paper required. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be taken to a maximum of twelve hours.

INF 507 Special Topics in Informatics. (1-3) A. Prerequisite: departmental approval. Topics vary with offering. May be retaken to a maximum of six hours within the degree. Credits earned in the topics are different.

INF 510 Web Design and Programming in Education. (3) A. Formerly CSC 510. Introduction to design and implementation of World Wide Web applications for teachers. Development of interactive on-line lessons and testing materials. Credit will not be awarded to students who have credit for CSC 510.

INF 511 Game Design. (3) A. Prerequisite: CSC 316. Fundamentals of designing both digital and non-digital games. In-depth study of choice, motivation, and the tools and techniques used in gameplay systems. Additional topics related to gamification, monetization, and serious games also covered.

INF 512 Game Production and Publication. (3) A. Prerequisite: CSC 315. Review of historical and current aspects of the games industry from AAA to indie. Project Management, Agile Development in Games, Project funding, IP protection, Collaborations, and other game release issues.

INS—Insurance
Dr. Oliver Felts, Chair

INS 349 A-N Cooperative Study: Insurance. (1-5A) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required. Six hours may be used as a major elective. May be repeated for a total of 16 credit hours.

ITP—Interpreter Training Program
Dr. Laurence Hayes, Interim Chair

ITP 215W Professional Issues in Interpreting. (3) II. Prerequisites: ENG 101 and 102 with a grade of “C” or higher; or HON 105 or ENG 105 with a grade of “B” or higher; ASL 201 and ASL 225 with minimum grades of “C” or departmental approval. Terminology, procedures, and ethical professional considerations relevant to interpreting and transliterating. Topics include the ethics of Professional Conduct application, structuring the interpreting environment, communication assessment, human relations skills, historical developments, and current trends. Credit will not be awarded for both ITP 215 and ITP 217W.

ITP 217W Processing Skills for Interpreters. (3) II. Prerequisite: ASL 201 with a minimum grade of “C” or departmental permission. Practice of cognitive skills used in the process of interpreting. Skills include visualization, prediction, listening, memory, abstracting, closure, dual tasking, and processing time.

ITP 310 Professional Decision Making and Ethics I. (3) I. Prerequisite: admission in the interpreting program or departmental permission. This course provides students with the theoretical foundation for professional and ethical decision making. It explores multiple perspectives on the role and function of the interpreter. Clinical hours required.

ITP 320 English-to-ASL Interpreting I. (3) A. Prerequisites: admission in the interpreting program, ASL 202, ITP 215 or 215W, 220 with minimum grades of “C” or departmental permission. Development of English-to-ASL interpreting skills using conjugate and simultaneous modes with a variety of source materials. Clinical hours required.

ITP 400 Interactive Interpreting II. (3) I. Prerequisites: Admission to the interpreting program, ASL 202, ITP 320, 325 with a grade of “C” or higher, and admission to the interpreting program or departmental approval. Students will integrate, broaden, and apply skills and knowledge developed in interpreting courses by experience in interactive interpreting. Students will develop skills in interpreting conversations, discussions, explanations, interviews, and other types of dialogue genres.

ITP 495 Practicum in Interpreting I. (3) A. Prerequisites: ASL 302, ITP 325, 340, 425, with a grade of “C” or better and admission to the interpreting program or departmental approval. Observation and interpreting experience under the supervision of a mentor(s) in a variety of settings. Clinical hours required.

ITP 499 Linguistics and ASL II. (3) I. Prerequisites: admission in the Interpreter Training program, ITP 390 with a minimum grade of “C” or departmental permission. Overview of syntax, discourse, and sociolinguistics. Analysis of American Sign Language and spoken languages. Clinical hours required.

ITP 499 Practicum in Interpreting II. (12) II. Prerequisites: admission in the Interpreter Training program, ITP faculty approval, completion of all other ASL/ITP classes with minimum grades of “C”. A structured full time practicum interpreting experience under the direct supervision of a mentor(s) in an educational, public or private setting. Students will interpret, participate in professional growth activities, keep professional journals and adhere to all guidelines and requirements in ITP 495 Student Practicum Handbook. Potential practicum sites may be local, state wide, regional or national.

JPN—Japanese
Dr. Abbey Poffenberger, Chair

JPN 102 Conversational Japanese II. (3) A. Recommended: JPN 101 or equivalent proficiency. Continuation of JPN 101. Emphasis on conversation. Students entering JPN 102 by referral or placement will receive three hours credit for JPN 101 if they make an “A” in 102. Laboratory work required. Gen. Ed. E-6 [GE].

JPN 201 Intermediate Japanese I. (3) A. Recommended: JPN 102 or equivalent proficiency. Continuation of JPN 102. Practice in writing, speaking, and oral presentation. Students entering JPN 201 by referral or placement receive six hours credit for JPN 101 and 102 if they make an “A” or “B” in 201. Gen. Ed. E-6 [GE].

JPN 202 Intermediate Japanese II. (3) A. Recommended: JPN 201 or equivalent proficiency. Continuation of JPN 201 to strengthen student’s ability to interact in more diverse social settings requiring increasingly complex structural patterns. Students entering JPN 202 by referral or placement receive nine hours credit for JPN 101, 102, and 201 if they make an “A” or “B” in 202. Gen. Ed. E-6 [GE].

JPN 295 Independent Work in Japanese. (1-3) A. Prerequisite: departmental approval. May be retaken to a maximum of six hours if content is different. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

JPN 295 Independent Work in Japanese. (1-3) A. Prerequisite: departmental approval. May be retaken to a maximum of six hours if content is different. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.
Section Seven - Course Descriptions

LAS—Paralegal

Dr. Lynnette Noblitt, Chair/Director

LAS 210 Introduction to Law. (3) I, II.
General study of the purpose, function, and history of law; law-related occupations; court systems; case law analysis; professional ethics; the adversary system; and the major areas of law.

LAS 220 Legal Research and Writing I. (3) I, II. Prerequisite: LAS 220 or director approval. The sources and techniques of legal research; their application to specific legal problems and the use of legal authority to construct a written legal argument.

LAS 300 Legal Research and Writing II. (3) I, II. Prerequisite: LAS 220. The sources and techniques of advanced legal research and writing, the use of computer-assisted legal research methods and their application. Credit will not be awarded for both LAS 300 and LAS 300W.

LAS 300W Legal Research and Writing II. (3) A. Prerequisite: LAS 220. The sources and techniques of advanced legal research and writing, the use of computer-assisted legal research methods and their application. Credit will not be awarded for both LAS 300 and LAS 300W.

LAS 305 Special Topics in the Law. (1-3)
A. Prerequisite: director approval. A course offered periodically covering topics and issues of current or special interest concerning the law. May be retaken to a maximum of six hours provided topics vary.

LAS 325 Real Estate/Bankruptcy Practice. (3) I, II. Prerequisite: LAS 220. Paralegal practice and procedure for general law office: real estate transactions and documents, title searches, title insurance, loan closings, leases, wills, affidavits of descent, foreclosures, and bankruptcy.

LAS 330 Family Law Practice. (3) A. Prerequisite: LAS 220. Paralegal practice in family law including forms, documents, and procedures for: marriage, divorce, separation, annulment, alimony, legitimacy of children, custody, adoption, community property, and juvenile law. Credit will not be awarded for both LAS 330 and LAS 330S.

LAS 330S Family Law Practice. (3) A. Prerequisite: LAS 220. Paralegal Practice in family law including forms, documents, and procedures for: marriage, divorce, separation, annulment, alimony, legitimacy of children, custody, adoption, community property, and juvenile law. This is a Service-Learning course. Credit will not be awarded for both LAS 330 and LAS 330S.

LAS 340 Criminal Law Practice and Procedure. (3) A. Prerequisite: LAS 220 or director approval. An introduction to criminal law and procedure; criminal law forms and documents, and preparation for criminal litigation using the systems approach.

LAS 350 Litigation: Evidence to Discovery. (3) A. Prerequisite: LAS 220 or director approval. Study of legal principles and paralegal practice in substantive civil law. Incorporates procedural aspects of the course stages of civil litigation including evidence and investigation, pleadings and the discovery/disclosure process.

LAS 355 Litigation: Trial to Appeal. (3) I, II. Prerequisite: LAS 220 or Director Approval. Study of legal principles and paralegal practice in substantive civil law. Incorporates procedural aspects of the latter stages of civil litigation including settlement and litigation, trial preparation, trial, post-trial practice, and appeal.

LAS 360 Probate Practice and Procedure. (3) I, II. Prerequisite: LAS 220 or director approval. Paralegal probate practice including initial steps, asset accumulation, decedent’s estate, probate court procedure, estate-related tax issues and forms. A systems approach will be emphasized.

LAS 370 Corporations and Business Organization Practice. (3) A. Prerequisite: LAS 220. Documents, forms, and procedures essential to the corporate paralegal. Development of skills concerning business formations, incorporation, corporate finance, employees, corporate operation, securities, regulatory compliance, merger, acquisitions, sales and terminations.

LAS 380 Administrative Agency Practice. (3) A. Prerequisite: LAS 220. Practical paralegal skill development in administrative law and procedure. Forms, documents, pleadings, and techniques for administrative regulatory compliance; case processing; informal and formal administrative advocacy, emphasizing the systems approach.

LAS 385 Legal Administration and Computer Applications. (3) I, II. Prerequisites: LAS 220 and CIS 212 or CSC 104 or equivalent. The study of law office administration and the utilization of specific legal office computer applications.

LAS 399 Paralegal Internship. (3) I, II. Prerequisites: completion of 18 hours of major (LAS) courses including LAS 300 or director approval (prior written application is required).

LAS 410 Paralegal Seminar. (3) A. Prerequisite: completion of 18 hours of major (LAS) courses or director approval. Professional ethics, analysis of the internship experience, transition to the law office and current issues facing the paralegal profession.

LAS 490 Independent Study of Law. (1-3) A. Prerequisites: completion of 12 hours of LAS courses or consulting with faculty advisor. Individual research, skill development, and study in an area of law or paralegal practice. Student must have independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment. May be retaken to a maximum of six hours.

LAS 535 Municipal Law. (3) A. Prerequisite: LAS 220 or director approval. Practical legal problems confronting municipal officials including: government procedure and public official liability, ordinances, tax levies, zoning, bonding, zoning, soliciting, licensing, open meetings, personnel, budget management, elections, and other issues.

LAW—Latin

Dr. Abbey Poffenberger, Chair

LAT 101 Introduction to Latin I. (3) A. Prerequisite: ENG 101 with a grade of “C” or higher. Survey course designed to acquaint P-S teachers with print and non-print media for the school curriculum and with techniques to encourage lifelong readers. Credit will not be awarded for both LAT 301 and LAT 301S.

LAT 301S Children’s Literature and Related Resources. (3) I, II. Prerequisite: ENG 101 with a minimum grade of “C” or ENG 105 with a minimum grade of “B”. Survey course designed to acquaint P-S teachers with print and non-print media for the school curriculum and with techniques to encourage lifelong readers. Students in LAT 301S will be required to complete 15 hours of approved community service. Credit will not be awarded for both LAT 301 and LAT 301S.

LAT 401 Adolescent Literature and Resources. (3) A. Formerly LAT 501. A course designed with inquiry-based methodologies to future teachers’ knowledge of adolescence, adolescent literature, and resources. Topics include genres, censorship, diverse authors, assessment, and multiple literacies to increase motivation, understanding and appreciation of adolescent literature. Credit will not be awarded for both LAT 401 and 501.

MAE—Mathematics Education

Dr. Daniel Mundfrom, Chair

MAE 201 Mathematical Concepts for P-9 1
(3) Prerequisites: MAT 112 or higher with a grade of “C” or better. Concepts beyond algorithmic computation are emphasized. Topics include problem solving, whole numbers, integers, mental math, numeration, and elementary number theory. Credit will not be awarded to students who have credit for MAT 201.

MAE 202 Mathematical Concepts for P-9 2
(3) Prerequisites: MAT 112 or higher and MAE 201 each with a grade of “C” or higher. Concepts beyond algorithmic computation are emphasized. Topics include rational numbers (fractions, decimals, and percent) real numbers, probability, and statistics. Credit will not be awarded to students who have credit for MAT 202.

MAE 301 Mathematics for Elementary Teachers III (3) A. Prerequisites: MAT 201 and one of MAT 112, 114, 120, 122, 211 or 234/234H, with a grade of C or better in each. Prerequisite/corequisite: MAT 202. This course emphasizes conceptual understanding and communication of mathematical topics in the K – 5 Kentucky Core Academic Standards through problem solving and technology. Credit does not apply toward Middle Grades Mathematics Teaching degree content
MAT 095A Prealgebra A (1) Institutional Credit. I, II. Corequisite and/or Prerequisite: MAT 090A, MAT 090C. Whole number and integer arithmetic, order of operations, introduction to solving equations, and a strong strand of geometry. 1 Lec/1 Lab.

MAT 095B Prealgebra B (1) Institutional Credit. I, II. Corequisite and/or Prerequisite: MAT 090A. Corequisite: MAT 090C. Fraction and decimal arithmetic, ratio and proportion, basic percent concepts, measurement, and radicals. 1 Lec/1 Lab.

MAT 090C Prealgebra C (1) Institutional Credit. I, II. Corequisite and/or Prerequisite: MAT 090A, 090B. Basic algebraic concepts such as solving linear equations, graphing equations in two variables, understanding algebraic expressions, polynomials and exponents. 1 Lec/1 Lab.

MAT 095A Introductory Algebra A (1) Institutional Credit. I, II. Prerequisite: MAT 090C or MAT 090 or placement into MAT 95A; ACT mathematics subscore of 16 or higher. Corequisites: MAT 095B, MAT 095C. Real number system, algebraic expressions, linear equations and inequalities, integer exponents, polynomials, and basic descriptive geometry. 1 Lec/1 Lab.

MAT 095B Introductory Algebra B (1) Institutional Credit. I, II. Corequisite and/or Prerequisite: MAT 095A or 095C. Factoring polynomials, quadratic equations, and radical expressions. 1 Lec/1 Lab.

MAT 095C Introductory Algebra C (1) Institutional Credit. I, II. Corequisite and/or Prerequisite: MAT 095A or 095C. Systems of equations, graphing quadratic equations, and an introduction to relations and functions. 1 Lec/1 Lab.

MAT 098 Algebra II (3) Institutional Credit. I, II. Prerequisite: Completion of all developmental mathematics requirements. Real number system, algebraic expressions and sentences, linear, quadratic, polynomial, rational, inequalities, operations with exponents, systems of equations, relations and functions, graphing linear and quadratic functions. MAT 098 is one way to prepare for MAT 112 or 114, and may also be used to meet the PCC mathematics deficiency. MAT 098 IS NOT REQUIRED OF STUDENTS NEEDING TO MEET DEVELOPMENTAL MATHEMATICS REQUIREMENTS.

MAT 105 Mathematics with Applications. (3) I, II. Prerequisite: completion of all University developmental requirements. This course is designed to strengthen computational skills, mathematical reasoning, problems-solving skills, and mathematical reading/communication skills while focusing on real-world problems. The mathematical topics may include the mathematics of finance, statistics, geometry, combinatorics, mathematical modeling, and algorithms. Use of calculators. Gen. Ed. E-2 [QR].

MAT 106 Applied Finite Mathematics. (3) I, II. Prerequisite: completion of all University developmental requirements. The introduction to the application of mathematics to real-world problems. Topics are from various branches of discrete mathematics such as graph theory, game theory, probability, geometry, and problems from the social sciences. 3 Lec. Gen. Ed. E-2 [QR].

MAT 110 Introduction to Algebraic Functions. (3) I, II. Prerequisite: completion of all University developmental requirements. Algebraic modeling with linear, quadratic, polynomial, rational, exponential, and logarithmic functions, equations, and inequalities. 3 Lec/1 Lab. Gen. Ed. E-2 [QR].

MAT 112 Algebra and Applications. (3) I, II. Prerequisite: MAT 098 with a grade of “C” or better, a minimum score of 22 on the mathematics portion of the ACT, a minimum score of 510 on the mathematics portion of the SAT, or a passing score on an algebra placement test. Students will solve application problems involving linear equations, systems of linear equations, series and sequences, logarithmic and exponential equations; and analyze graphs of linear, quadratic, exponential, logarithmic and power functions. 3 Lec/1 Lab. Gen. Ed. E-2 [QR].

MAT 114 College Algebra. (3) I, II. Formerly MAT 107. Prerequisite: MAT 098 or 110 with a grade of “C” or better, a minimum score of 22 on the mathematics portion of the ACT, a minimum score of 510 on the mathematics portion of the SAT, or a passing score on an algebra placement test. Real and complex numbers, integer and rational exponents, polynomial and rational equations and inequalities, graphs of functions and relations, exponential and logarithmic functions. Use of graphing calculators. Credit will not be awarded to students who have credit for MAT 107. 3 Lec/1 Lab. Gen. Ed. E-2 [QR].

MAT 120 Trigonometry. (3) I, II. Formerly MAT 108. Prerequisite: MAT 112 or 114 with a grade of “C” or better, a minimum score of 25 on the mathematics portion of the ACT, or a minimum score of 560 on the mathematics portion of the SAT. Trigonometric functions, inverse trigonometric functions, identities, and applications. 3 Lec. Gen. Ed. E-2 [QR].

MAT 122 Precalculus Mathematics. (5) I, II. Formerly MAT 109. Prerequisite: MAT 112 or 114 with a grade of “C” or better, a minimum score of 23 on the mathematics portion of the ACT, or a minimum score of 570 on the mathematics portion of the SAT. Polynomial, rational, exponential, logarithmic, and trigonometric functions and inverses. Series and sequences, systems of linear and nonlinear equations, systems of inequalities, the complex number system, vectors, the binomial theorem, mathematical induction, and conic sections. Use of graphing calculators. Credit will not be awarded to students who have credit for MAT 109. Gen. Ed. E-2 [QR].

MAT 201 Mathematical Concepts for Middle and Elementary School Teachers I. (3) I, II. Prerequisite: MAT 112 or higher with a grade of “C” or better, and a passing score on a mastery exam. (The prerequisite course requirement can be met by a combination of MAT 106 and a 23 or higher on the mathematics portion of the ACT.) Concepts beyond algorithmic computation are emphasized. Sets and functions, whole numbers, integers, rational numbers, decimals and real numbers, numeration, and elementary number theory.

MAT 202 Mathematical Concepts for Middle and Elementary School Teachers II. (3) I, II. Prerequisite: MAT 201 and another MAT course numbered 112 or higher with a grade of “C” or better in each; and a passing score on a mastery test. (The MAT requirement of a MAT course numbered 112 or higher can be met by a combination of MAT 106 and a 23 or higher on the mathematics portion of the ACT.) Concepts stressed over manipulation. Geometry, measurement, metric system, probability and basic statistics.

MAT 203 Geometry for Middle and Elementary School Teachers. (3) II. Prerequisites: admission to a certification program in elementary or middle school; MAE 201; MAE 202; one of MAT 302, EME 301; and one of MAE 302, 303, 307, 308, 310, 311, or 312. Prerequisites for MAE 317, MAE 318, and MAE 319 will count toward the mathematics requirement of a MAT course numbered 112 or higher with a grade of “C” or better in each course and a combined grade point of 2.75 in the four courses. Angles and their measurement, right triangle trigonometry, perpendicular lines, congruent triangles, circles, arcs, and angles, constructions and loci, area and volume, similarity, graphing, selected topics from analytic geometry.

MAT 211 Applied Calculus. (3) A. Prerequisite: MAT 112, 114, or 120 with a grade of “C” or better, a minimum score of 23 on the mathematics portion of the ACT, or a minimum score of 570 on the mathematics portion of the SAT. Functions and graphs, differentiation, integration, exponential and logarithmic functions, and applications for business, economics, and science. Credit will not be awarded to students who have credit for MAT 211. Gen. Ed. E-2 [QR].

MAT 217 MathExcel Lab for Calculus I (1-2) I, II. Formerly MAT 117. Prerequisite or Corequisite: MAT 211, 234 or 234H. This lab is to accompany a regular lecture class in Calculus I. 1-2 Lab. Credit will not be awarded to students who have credit for MAT 117.

MAT 218 MathExcel Lab for Calculus II. (1-2) I, II. Prerequisite: Corequisite: MAT 212, 234 or 234H. This lab is to accompany a regular lecture class in Calculus II. 1-2 Lab.

MAT 219 MathExcel Lab for Calculus III. (1-2) I, II. Prerequisite/Corequisite: MAT 213 or 234 or 234H. This lab is to accompany a regular lecture class in Calculus III. No more than four credit hours of MAT 217, 218 and 219 will count toward the baccalaureate degree. 1-2 Lab.

MAT 234 Calculus I. (4) I, II. Formerly MAT 122. Prerequisite: MAT 112 or 120 with a grade of “C” or better, a minimum score of 25 on the mathematics portion of the ACT, or a minimum score of 560 on the mathematics portion of the SAT. Functions, limits and continuity, derivatives and applications, and introduction to and use of the computer package Mathematica or other appropriate technology. Credit will not be awarded to students who have credit for MAT 124 or 234H. Gen. Ed. E-2 [QR].
MAT 327. Modern Algebra I. (3) L.
Prerequisites: MAT 301 with a minimum grade of “C.” (2.0). Groups, cyclic and permutation groups, homomorphisms, subgroups and factor groups, Fundamental Theorem of Finite Abelian Groups, rings, fields, integral domains, unique factorization domains. Credit will not be awarded for both MAT 255 and MAT 327. This course is intended for students who have credit for MAT 244H and have completed MAT 224H.

MAT 328. Modern Algebra II. (3) L.
Prerequisite: MAT 327. Fundamental properties of integers, linear Diophantine equations, integral and quadratic congruences, famous problems of number theory. Credit will not be awarded for both MAT 253 and MAT 328. This course is intended for students who have credit for MAT 244H and have completed MAT 224H.

MAT 330. Complex Variables. (3) L.
Prerequisite: MAT 224H and MAT 327. Theory of analytic functions, Taylor series, Laurent expansions, residues and contour integration, conformal mapping. Credit will not be awarded for both MAT 256 and MAT 330. This course is intended for students who have credit for MAT 244H and have completed MAT 224H.

MAT 331. Introduction to Real Analysis. (3) L.
Prerequisite: MAT 224H. This course is intended for students who have credit for MAT 244H and have completed MAT 224H.

MAT 332. Complex Analysis. (3) L.
Prerequisite: MAT 327. Complex functions, singularities, residues, conformal mappings. Credit will not be awarded for both MAT 332 and MAT 333. This course is intended for students who have credit for MAT 244H and have completed MAT 224H.

MAT 333. Complex Modern Geometry. (3) L.
Prerequisite or Corequisite: MAT 301 with a minimum grade of “C.” Euclid’s parallel postulate, axiom systems, finite geometries.

MAT 334. Applied Learning in Mathematics. (5-8) L; (1-6) SUMMER ONLY. Prerequisite: departmental approval. Work in placements related to academic studies. Credit does not apply to major or minor requirements. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours of employment are required for each semester hour of academic credit.

MAT 339. A. Cooperative Study. Mathematics. (5-8) L; (1-6) SUMMER ONLY. Prerequisite: departmental approval. Work in placements related to academic studies. Credit does not apply to major or minor requirements. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours of employment are required for each semester hour of academic credit.

MAT 341. Differential Equations. (3) L.
Prerequisite: MAT 244 or 244H with a minimum grade of “C.” Differential equations of first order, applications, singular solutions, linear equations with constant coefficients, miscellaneous methods for equations of higher order, series solutions, and other methods. Credit will not be awarded for both MAT 255 and MAT 341. This course is intended for students who have credit for MAT 244H and have completed MAT 224H.

MAT 343. Mathematical Analysis. (3) L.
Prerequisites: MAT 224 and MAT 327. This course is intended for students who have credit for MAT 244H and have completed MAT 224H.

MAT 345. Analysis. (3) L.
Prerequisite: MAT 315 with a minimum grade of “C.” The Riemann integral, the Lebesgue integral, metric spaces, differentiation, sequences and series of functions, allied topics.

MAT 408. Advanced Calculus. (3) L.
Prerequisites: MAT 308 with a minimum grade of “C.” Ring homomorphisms, polynomial rings, unique factorization domains, principal ideal domains, finite fields, field extensions, algebraic extensions, Galois theory, and applications.

MAT 415. Analysis. (3) L.
Prerequisite: MAT 315 with a minimum grade of “C.” Wave, heat, diffusion and potential/Laplace equations, separation of variables, orthogonal sets of functions, Fourier series, boundary value problems, Fourier integrals, maximum principles, the Cauchy problem.

MAT 525. Vector Analysis with Applications. (3) L.
Prerequisite: MAT 244 or 244H with a minimum grade of “C.” Algebra and geometry of vectors; vector functions of a single variable; line, surface, and volume integrals; Divergence Theorem, Stokes’ Theorem, Green’s Theorem; generalized orthogonal coordinates; Fourier series; solutions to boundary value problems.

MAT 527. Cryptology. (3) L.
Prerequisites: Senior standing and MAT 301. Classical cryptosystems, basic number theory, DES, Advanced Encryption Standard, RSA, discrete logs, digital signatures, elliptic curve cryptosystems, lattice methods. It is strongly recommended that students have completed a course in proof writing.

MAT 535. Principles of Geometry. (3) L.
Prerequisite: MAT 332 or MAT 333 with a minimum grade of “C.” Two- and three-dimensional analytical Euclidean geometry, alternate geometries such as hyperbolic, Riemannian, taxicab, and affine.

MAT 540. Applications of Partial Differential Equations. (3) L.
Prerequisite: MAT 333 with a minimum grade of “C.” Wave, heat/diffusion and potential/Laplace equations, separation of variables, orthogonal sets of functions, Fourier series, boundary value problems, Fourier integrals, maximum principles, the Cauchy problem.

MAT 605. Number Theory. (3) L.
Prerequisite: MAT 301 with a minimum grade of at least “C.” Fundamental properties of integers, linear Diophantine equations, linear and quadratic congruences, famous problems of number theory.

MAT 607. Seminar in Mathematics. (1-3) L.
Prerequisite: departmental approval. Topics vary with offering. May be retaken with advisor approval, provided the topics are different. Credit towards degree requirements will depend on course content.

MAT 720. Mathematical Statistics I. (3) L.
Cross-listed as STA 520. Prerequisite: STA 215 or STA 270. Prerequisite or Corequisite: MAT 254 or 254H. Descriptive statistics, discrete and continuous probability distributions for one and two variables, functions of random variables, sampling distributions, expectations and generating functions. Credit will not be awarded to students who have credit for STA 520.

MAT 725. Vector Analysis with Applications. (3) L.
Prerequisite: MAT 244 or 244H with a minimum grade of “C.” Algebra and geometry of vectors; vector functions of a single variable; line, surface, and volume integrals; Divergence Theorem, Stokes’ Theorem, Green’s Theorem; generalized orthogonal coordinates; Fourier series; solutions to boundary value problems.

MAT 727. Cryptology. (3) L.
Prerequisites: Senior standing and MAT 301. Classical cryptosystems, basic number theory, DES, Advanced Encryption Standard, RSA, discrete logs, digital signatures, elliptic curve cryptosystems, lattice methods. It is strongly recommended that students have completed a course in proof writing.

MAT 735. Principles of Geometry. (3) L.
Prerequisite: MAT 332 or MAT 333 with a minimum grade of “C.” Two- and three-dimensional analytical Euclidean geometry, alternate geometries such as hyperbolic, Riemannian, taxicab, and affine.

MAT 740. Applications of Partial Differential Equations. (3) L.
Prerequisite: MAT 333 with a minimum grade of “C.” Wave, heat/diffusion and potential/Laplace equations, separation of variables, orthogonal sets of functions, Fourier series, boundary value problems, Fourier integrals, maximum principles, the Cauchy problem.

MAT 755. Graph Theory. (3) L.
Prerequisite: MAT 308 or CSC 320 with a minimum grade of “C.” Introduction to the theory and applications of graph theory. Topics will include trees, planarity, connectivity, flows, matching, and colorings. Credit will be awarded for both MAT 455 and STA 498.

MAT 765. Mathematical Methods for Protein Structure Analysis. (3) L.
Prerequisites: Senior...
standing, MAT 239, and three hours from CSC 160, 174, 177, or 190. Mathematical and computational approaches to protein structure determination, refinement, evaluation, comparison, and visualization. Methods for determining atomic structures. Protein surface representation and shape comparison. Structure databases. It is strongly recommended that students have completed a course in linear algebra and have experience in computer programming.

MAT 577 Introduction to Algebraic Coding Theory. (3) A. Prerequisites: Senior standing, MAT 301, 304, or departmental approval. Introduction to basic concepts of coding theory, linear codes, perfect codes, cyclic codes, BCH codes, and Reed Solomon codes. Additional topics as time permits. It is strongly recommended that students have completed a course in linear algebra and a course in proof writing.

MGT—Management

MGT 201 Introduction to Golf Management. (3) I, II. Prerequisite (Effective Spring 2012): Admission to PGM program, and successful completion of the PGA Qualifying Exam. Introduces PGA students to the elements of the industry in which a PGA professional works; the value of business planning in the golf industry, the key elements of a business plan and the elements that make a model golf shop, and the PGA Customer Relations Model.

MGT 202 Introduction to Golf Instruction. (3) I, II. Prerequisite (Effective Spring 2012): Admission to the PGA professional program, MGT 201 and PGA tests accompanying MGT 201. Introduction to human learning, the teaching process, and the elements of the game. Topics include laws, principles, and preferences of the golf swing, biomechanics, and teaching technologies. The course also addresses golf club performance variables.

MGT 203 Golf Operations I. (3) I, II. Prerequisite (Effective Spring 2012): admission to PGM, MGT 201, and successful completion of all level 1 PGA exams. The introduction of golf operations; policies and procedures; effectively managing staff resources; and measuring overall performance. The course will also introduce merchandising and inventory management components.

MGT 204 Golf Operations II. (3) I, II. Prerequisite (Effective Spring 2012): admission to PGM program, MGT 201, 202, 203, and PGA test accompanying each class. The course also discusses golf club repair.

MGT 206 Golf Operations and Administration. (3) I, II. Prerequisite (Effective Spring 2012): admission to the PGM program, MGT 201, 202, 203, 204, 205, and the PGA test that accompany each class. The course also discusses golf club repair.

MGT 205 Analysis of the Golf Swing. (3) I, II. Prerequisite (Effective Spring 2012): admission to the PGM program, MGT 201, 202, 203, and PGA tests accompanying each class. A focus on techniques that help the student improve his/her golf skills; describes drills, warm-ups, and shot techniques for intermediate students.

MGT 207 Advance Golf Instruction & Special Programs. (3) I, II. Prerequisite (Effective Spring 2012): admission to the PGM program, MGT 201, 202, 203, 204, 205, 206 and the PGA tests that accompany each class. Emphasizes the integration of learning, teaching, and game elements. Covers elements of the mental game and more advanced shot-making. Club-fitting procedures will be covered and the development of instructional programs will be introduced.

MGT 208 PGM Seminar. (2) I, II. Prerequisites: admission to the PGM program, MGT 201, 202, 203, 204, 205, 206 with a grade of “C” or better in each course, and the PGA tests that accompany each class. A study of issues related to career planning and enhancement including industry job market analysis, networking, and professional development. A capstone project requiring research and critical analysis regarding growth of the game, golf operations, and other industry challenges will be presented. Emphasis on integration of knowledge acquired in previous courses. May be retaken up to six hours.

MGT 300 Principles of Management. (3) I, II. Prerequisites: ACC 201, 202, and ECO 230 with a grade of “C” or better in each course; junior standing (a minimum of 60 hours) with an overall minimum 2.0 GPA. Management concepts with emphasis on organization theory and behavior, human resources and diversity, communications, production/operations management and quality issues, business ethics, development of management thought, management in the global arena, and management careers.

MGT 301 Principles of Management (NB). (3) A. Prerequisite: junior standing (at least 60 hours) with an overall GPA 2.0. Not for students majoring or minoring in business administration and management principles with emphasis on organization theory and behavior, human resources and diversity, communications, production/operations management and quality issues, business ethics, development of management thought, management in the global arena, and management careers. Credit will not be awarded for both MGT 301 and 300.

MGT 320 Human Resource Management. (3) I, II. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). Survey of principles and practices in the areas of human resource planning, job analysis, recruitment, selection and training, development, performance appraisal, compensation, benefits, health and safety, equal employment opportunity, and personnel research.

MGT 330 Small Business Management Innovation and Entrepreneurship. (3) A. Prerequisite: MGT 300 or MGT 301 (with a grade of “C” or better in each prerequisite course). This course offers an emphasis on the role of innovation and entrepreneurship in the creation and management of new ideas, concepts, techniques, processes, methods, ventures, and organizations.

MGT 340 Management Science. (3) I, II. Prerequisite: QMB 200 (with a grade of “C” or better), or STA 215 or STA 270 (with a grade of “C” or better). Business decision making approaches and quantitative techniques with emphasis on model formulation and application of models and the practical solution methods available.

MGT 349 Applied Learning in Management. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. May be used as upper division business electives and/or free electives as approved. Will not count as Management elective. Management Majors (all options) are limited to a maximum of nine co-op hours counting toward degree. Co-op hours may be repeated up to nine hours.

MGT 350 Entrepreneurial Leadership (3) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. May be used for upper division business electives and/or free electives as approved. Will not count as Management elective. Management Majors (all options) are limited to a maximum of nine co-op hours counting toward degree. Co-op hours may be repeated up to nine hours.

MGT 370 Operations Management. (3) I, II. Prerequisite: MGT 300 (with a minimum grade of “C”). Practical approaches for improving productivity of operations using methods designed for quality management, sales forecasting, facility layout and location, human resource planning and scheduling, and inventory control.

MGT 375 Supply Chain Management (3) A. Prerequisite: MGT 340 (with a minimum grade of “C”). The integration of key business processes from end-user through to original suppliers that add value for customers and other stakeholders. Topics include: integration and strategic partnering, procurement and outsourcing strategies, value-added services and international challenges.

MGT 400 Organization Theory. (3) I, II. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). Principles of organization design as they relate to goals and strategy formulation, environmental conditions, technology, job design, control systems, and decision making.

MGT 410 Labor Relations. (3) I. Prerequisite: MGT 320 (with a minimum grade of “C”). Study of labor-management relationships including union organization campaigns, contract negotiations, grievance and arbitration procedures, labor-management cooperation, and union free environments.

MGT 425 Compensation Management. (3) II. Prerequisite: MGT 320 (with a minimum grade of “C”). Advanced study of the human resource function of employee compensation. Topics include job analysis and evaluation, compensation surveys, pay structures, budgeting, pay for performance systems, benefits administration, and federal regulation of compensation management.

MGT 430 International Management. (3) A. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). The study of management of international organizations. Emphasis on techniques, processes and structures. Topics include organizational culture, leadership, ethics, decision making, and human resource management.

MGT 435 Supply Chain Design. (3). I. Prerequisites: MGT 370 and 375 (with a minimum grade of “C” in each prerequisite course). Selecting the optimal role, number, location, size, and capacity of suppliers, manufacturing facilities, service locations, warehouses, retail stores and other facilities. Modeling of the supply chain to optimize operational decisions and reduce costs.

MGT 440 Human Resource Development. (3) I. Prerequisite: MGT 320 (with a minimum grade of “C”). Advanced study of human resource management functions aimed directly at enhancing organizational effectiveness. Topics include training needs analysis; training program design, implementation, and evaluation; performance management and appraisal; and costing human resource development programs.

MGT 445 Employee Recruitment and Selection. (3) II. Prerequisite: MGT 320 (with a minimum grade of “C”). Advanced study of the human resource function of staffing. Topics include: recruitment, the design and implementation of effective selection procedures which comply with federal/state requirements; analysis and reporting of employee data.

MGT 450 Management Seminar. (1-3) A. May be retaken under different sub-topics to a cumulative maximum of nine hours. Selected topics in contemporary management literature.

MGT 465 Entrepreneurial Leadership (3) A. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). Investigation of contemporary issues and trends in entrepreneurship through a leadership lens. Topics include values-based entrepreneurship, ethics, social responsibility, and the societal impact of entrepreneurship.

MGT 480 Organization Behavior. (3) I, II. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). Concepts of management and operations. Business organizations are analyzed in the contemporary language of administrative social systems and models. Interdependence of economic, social, and behavioral factors is emphasized.
MKT 490 Special Problems in Management: (1-4) A. Prerequisite: advisor/departmental approval. May be retaken under different sub-topics to a cumulative maximum of six hours. Independent work, special workshop, special topics, or seminars. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

MKT—Marketing

Dr. Weiling Zhuang, Interim Chair

MKT 300 Principles of Marketing. (3) I, II. Prerequisites: ACC 201, 202, and ECO 230 with a grade of “C” or better in each course; junior standing (a minimum of 60 hours) with an overall minimum 2.0 GPA. Overview of strategic processes involved in marketing goods and services to global markets; study of behavioral, organizational, and consumer variables in decision processes; use of the marketing mix and marketing tools to affect consumer decisions.

MKT 301 Principles of Marketing (NB) (3) A. Prerequisite: junior standing (at least 60 hours) with an overall GPA of 2.0. Not for students majoring or minoring in business. Overview of strategic processes involved in marketing goods and services to global markets; study of behavioral, organizational, and consumer variables in decision processes; use of the marketing mix and marketing information to affect buyer decisions. Credit will not be awarded for both MKT 300 and MKT 301.

MKT 306 Services Marketing. (3) A. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Understanding the characteristics and competencies of services marketing and consumer services marketing. Examination of marketing in service industries with emphasis on the unique aspects of services marketing, the service marketing mix and the implementation of services strategies.

MKT 310 Integrated Marketing Communications. (3) A. Prerequisite: MKT 300 or MKT 301 (with a grade of “C” or better in each prerequisite course). A course covering the theories, strategies, and skills of Integrated Marketing Communication, with a special emphasis on applying IMC to the Internet and World Wide Web (WWW).

MKT 315 Logistics. (3) A. Prerequisite: MKT 300 with a grade of “C” or better. Movement and storage of goods, coordination and control of inventory, customer service, packaging, materials handling, facilities location, flow of information, and transportation.

MKT 349 Applied Learning in Marketing. (3-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. Three hours may be used as an upper division business elective in the Marketing option. Three hours are required in the Music Marketing option. May be repeated for a total of 16 credit hours.

MKT 349A Cooperative Study: Marketing. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. Three hours may be used as an upper division business elective in the Marketing option. Three hours are required in the Music Marketing option. May be repeated for a total of 16 credit hours.

MKT 350 Consumer Behavior in Marketing. (3) I, II. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Role of consumer decision-making as it affects the marketing firm; basic concepts of consumer behavior and interrelationships that exist between marketing and the behavioral sciences.

MKT 370 Sports Marketing. (3) A. Prerequisite: MKT 300 or 301. The strategic application of marketing theories and perspectives to the sports industry. Topics include sports franchise promotion, sports identification, consumer loyalty to teams and professional sports, and marketing with the assistance of sports figures.

MKT 380 Seminar in Marketing. (3) A. Prerequisite: MKT 300 or MKT 301. May be retaken under different sub-topics to a cumulative maximum of six hours. Selected topics in contemporary marketing literature.

MKT 400 International Marketing. (3) I, II. Prerequisite: MKT 300 (with a minimum grade of “C”). Determination of marketing strategy by United States firms and multinational corporations for serving foreign markets and for adapting to variations in cultural and economic factors affecting foreign marketing efforts.

MKT 401 Internet Marketing. (3) A. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Survey, analysis, and evaluation of current trends and issues in marketing in computer mediated environments, including how the marketing mix is adapted to electronic commerce. Preparation for the Internet and World Wide Web, intranets, and other electronic forms.

MKT 404 Retail Management. (3) A. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Investigation of current problems facing retail operations in the golf industry to include buying, vendor selection, merchandise planning, promotion, and display, inventory control, and performance management. Students will be required to complete case studies and a field project.

MKT 408 Sales Management. (3) A. Prerequisite: MKT 310 with a minimum grade of “C”.

MKT 410 Retail Management for PGM (3) I, II. Prerequisite: MKT 300 (with a minimum grade of “C”); junior/senior standing (a minimum of 60 hours). Investigation of current problems facing retail operations in the golf industry to include buying, vendor selection, merchandise planning, promotion, and display, inventory control, and performance management. Students will be required to complete case studies and a field project.

MKT 420 Marketing for the Arts. (3) A. Prerequisite: MKT 300 or MKT 301. Essentials of marketing and marketing strategies for the arts organizations and individual artists to reach diverse art audiences.

MKT 431 Strategic Procurement. (3) A. Prerequisite: MKT 300 (with a minimum grade of “C”). The purchasing process as it focuses on supply efficiency and effectiveness relating to the fit between purchasing objectives and strategies and organizational objectives and strategies.

MKT 435 Marketing for Entrepreneurs (3) I. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Investigation and understanding of the role marketing plays within the entrepreneurial context. Includes discussion and review of tools and approaches for effective planning, implementation, and evaluation of business and marketing strategies and tactics. Topics include product creation, market research, strategic innovation, opportunity identification, customer communication, branding, and channels of distribution.

MKT 440 Industrial Marketing. (3) A. Prerequisites: MKT 300 with a minimum grade of “C”. Analysis of the marketing structure for industrial products. Product lines, channels of distribution, selling, pricing, and wholesaling problems.

MKT 455 Marketing Research and Analysis. (3) I, II. Prerequisites: MKT 300 or MKT 301 and QMB 200 (with a minimum grade of “C” in each prerequisite course). The role of research in marketing decision making; the research process, with emphasis on collection, analysis, and interpretation of data as applied to solving marketing problems. Students are required to do a research project.

MKT 456 Qualitative Research in Marketing. (3) A. Prerequisites: MKT 300 or MKT 301 and 455 with a grade of “C” or better in each prerequisite course; junior or senior standing with an overall minimum 2.5 GPA. Students will learn to design and actively engage in qualitative research projects, collecting and analyzing qualitative data such as interviews, in a marketing context.

MKT 457 Experimental Design for Marketing. I, II. (3) Prerequisite: MKT 455. Students will learn how to design an experimental study, collect and analyze the data in a marketing context, and interpret and present the analyses.

MKT 460 Marketing Management. (3) I, II. Prerequisites: MKT 300 (with a minimum grade of “C”), Marketing Majors with Marketing Concentration and Senior Standing. The strategic marketing planning process involving analysis of the changing market place; analysis of alternative strategies to meet the needs of target markets; and the profitable execution of the marketing plan.

MKT 481 Internship in Marketing. (3 or 6) A. Prerequisites: MKT 300 (with a minimum grade of “C”), junior/senior standing (a minimum of 60 hours). Investigation of current problems facing retail operations in the golf industry to include buying, vendor selection, merchandise planning, promotion, and display, inventory control, and performance management. Students will be required to complete case studies and a field project.

MKT 490 Special Problems in Marketing: (1-4) A. Prerequisite: advisor/departmental approval. May be retaken under different sub-topics to a cumulative maximum of six hours. Independent work, special workshop, social topics, or seminars. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

MLS—Medical Laboratory Science

Dr. Vonia Grabee, Chair

MLS 201 Introduction to Clinical Pathology. (3) II. Formerly MLS 201. Open to all students. Techniques common to clinical laboratories. Stresses basic physical and chemical principles of clinical process. 3 Lec. Credit will not be awarded for both MLS 201 and MLS 202.

MLS 209 Medical Microbiology. (3) A. Formerly MLS 209. Open to all non-MLS majors. Study of bacteria, fungi, viral and protozoal agents of human disease with emphasis on the pathogenesis, epidemiology, and diagnosis of infectious diseases. 3 Lec. Credit will not be awarded for both MLS 209 and MLS 202.

MLS 211 Medical Microbiology Laboratory. (1) I, II. Formerly MLS 211. Open to all non-MLS majors. Prerequisite or Corequisite: MLS 209. Laboratory methods in the diagnosis and management of infectious diseases. 2 Lab. Credit will not be awarded for both MLS 211 and MLS 212.

MLS 290 Medical Biochemistry. (3) A. Formerly MLS 290. Prerequisite: CHE 112, 112L, and BIO 121 or BIO 111. The study of biochemical systems of the body with emphasis on medical consequences when these systems are disrupted. Topics: proteins, carbohydrates, lipids, DNA/RNA and liver functions. 3 Lec. Credit will not be awarded for both MLS 290 and MLS 292.

MLS 299 Clinical Laboratory Administration. (2) I. Formerly MLS 299. Prerequisite: enrollment in upper division MLS program or departmental approval. Lab calculations, instrumentation, and quality assurance. 2 Lec. Credit will not be awarded for both MLS 300 and MLS 300.

MLS 300 Clinical Laboratory Skills. (1) I, II. Formerly MLS 300. Prerequisite: enrollment in upper division MLS program or departmental permission.
MLS 305 Analysis of Body Fluids. (2) I.
Formerly CLS 305. Prerequisite: enrollment in upper division MLS program or departmental approval. Principles, procedures, and experience of analysis of urine, spinal fluid, and other fluids commonly examined in the clinical laboratory. 3 Lec/Lab. Credit will not be awarded for both CLS 305 and MLS 305.

MLS 308 Clinical Serology. (2) I. Formerly CLS 308. Prerequisite: enrollment in upper division MLS program or departmental approval. Principles, procedures, sources of error, and clinical application of serological tests, immune mechanisms, specimen collection; procedures include ASO, VDRL, RA, LE, IM, Rubella, Cold Agglutinins, fluorescent antibodies, and others. 4 Lec/Lab. Credit will not be awarded for both MLS 305 and MLS 308.

MLS 309 Clinical Immunology. (1) I, II.
Formerly CLS 309. Prerequisite: enrollment in upper division MLS program or departmental approval. Principles and techniques of antigen- antibody reactions of the human and their relation to the clinical laboratory. Credit will not be awarded for both CLS 309 and MLS 309.

MLS 310 Hematology and Coagulation. (5) I. Formerly CLS 310. Prerequisite: enrollment in upper division MLS program or departmental approval. Morphology of blood cells, determination of blood parameters and disorders/diseases associated with blood cells; biochemistry, procedures and disorders/diseases in coagulation. 3 Lec/Lab. Credit will not be awarded for both MLS 310 and MLS 310.

MLS 320 Immunohematology. (3) I. Formerly CLS 320. Prerequisite: enrollment in upper division MLS program or departmental approval. Blood banking, blood typing, agglutination, cell panels, compatibility testing, and transfusion practices. 2 Lec/2 Lab. Credit will not be awarded for both MLS 320 and MLS 320.

MLS 346 Clinical Chemistry. (5) I. Formerly CLS 346. Prerequisite: enrollment in upper division MLS program or departmental approval. Introduction to theory and lab procedures, measurement of constituents of body fluids, instrumentation, and clinical interpretation of results in relation to biochemistry of human systems. 3 Lec/4 Lab. Credit will not be awarded for both MLS 346 and MLS 346.

MLS 350 Bacteriology. (5). I. Formerly CLS 350. Prerequisite: enrollment in the upper division MLS program or departmental approval. Study of medical bacteria, with emphasis on the clinical laboratory methods of microscopy, cultivation, identification, antimicrobial susceptibility testing, and quality control. 3 Lec/4 Lab. Credit will not be awarded for both MLS 350 and MLS 350.

MLS 431 Clinical Correlations. (3) I, A.
Formerly CLS 431. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Correlates the sub-disciplines of clinical laboratory science. Reviews all areas and stresses laboratory MLS program or departmental approval. 3 Lec. Credit will not be awarded for both MLS 431 and MLS 431.

MLS 432 Clinical Chemistry Practicum. (5) II, A.
Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Diagnostic chemical procedures in an affiliated laboratory. Credit will not be awarded for both MLS 432 and MLS 432.

MLS 434 Clinical Microbiology Practicum. (4) I, II. Formerly CLS 434. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Clinical bacteriology, parasitology, and mycology in an affiliated laboratory. Credit will not be awarded for both CLS 434 and MLS 434.

MLS 436 Lab Management Practicum. (1) I, II. Formerly CLS 436. Prerequisite: enrollment in upper division MLS program and completion of all 300-level MLS courses. MSL 101 Introduction to the Army and Critical Thinking (2) I. Cadets will learn how the personal development of life skills such as cultural understanding, goal setting, time management, stress management, and comprehensive fitness are related to leadership, officership, and the Army profession. The focus is on developing basic knowledge and comprehension of Army leadership dimensions, attributes and core leader competencies while gaining an understanding of the ROTC program, its purpose in the Army, and its advantages for the student. Students are required to apply their knowledge outside the classroom in a hands-on performance-oriented environment during leadership labs (team building exercises, field training exercises, and/or simulation exercises). 1 Lec/1 Lab.

MSL 102 Introduction to the Profession of Arms (2) II. Cadets will learn how Army ethics and values shape the Army and the specific ways that these ethics are incumbent upon Army leadership. Cadets can expect to explore the seven Army Values, Warrior Ethos, and core leader competencies. Students are required to apply their knowledge outside the classroom in a hands-on performance-oriented environment during leadership labs (team building exercises, field training exercises, and/or simulation exercises). 2.5 Lec/2.5 Lab.

MSL 201 Leadership and Decision Making (3) I. Primarily drawn from the Adaptability Army Learning Areas (ALA). The outcomes are demonstrated through Critical and Creative Thinking and the ability to apply Troop Leading Procedures (TLP). Comprehension of the officer’s role in leading change by applying innovative solutions to problems in concert with the Principals of Mission Command. The Army Profession is also covered through leadership self-assessment. Students are required to apply their knowledge outside the classroom in a hands-on performance-oriented environment during leadership labs (team building exercises, field training exercises, and/or simulation exercises). 2 Lec/1 Lab.

MSL 202 Army Doctrine and Team Decision Making (3) II. Begins the journey to understand and demonstrate cross-cultural competencies as they relate to Army doctrine and how they correlate to a commander’s engagement strategies. Army values, teamwork, and Warrior Ethos and their relationship to the Law of Land Warfare and philosophy of military science are also stressing. The ability to lead and follow is also covered through team building exercises in small units up to squad level. Students are required to apply their knowledge outside the classroom in a hands-on performance-oriented environment during Leadership LABS. 2.5 Lec/2.5 Lab.

NET 302PC Troubleshooting & Construction. (3) I, II. 
Prerequisite: TEC 161 or INF 104 or higher or CSC 140 or higher or CIS 212 or higher. Construction, operation and troubleshooting of personal computers, systems, and application programs. Building computer systems to specific requirements. 2 Lec/2 Lab.

NET 303 LANs & PC Communications. (3) I, II. 
Prerequisite: TEC 161 or INF 104 or higher or CSC 140 or higher or CIS 212 or higher and a grade of “C” or better in MAT 095 or a minimum math ACT score of 18 or a minimum SAT math score of 490. Installing, configuring, managing, and troubleshooting network and computer systems communications hardware and software. 2 Lec/2 Lab.

NET 343 Network Switches & Routers. (3) A. 
Prerequisite: NET 303 or CIS 375. Cisco internetworking, switching, IOS, routing, VLAN’s, access lists, and WAP protocols are covered in a combination of lecture, demonstration, and laboratory. 2 Lec/2 Lab.

NET 344 Advanced Network Switches & Routers (3) A. 
Prerequisite: NET 343. Configure and troubleshoot small to mid-sized switched LANs. Principles of switch and router startup, configuration and management. Troubleshooting and advanced routing, WLAN, scaling IP address space. Configure, apply and verify Access Control Lists. 2 Lec/2 Lab.

NET 349 Applied Learning in NET (5-8) A. 
I, II. Formerly EET 349. Prerequisite: departmental approval, sophomore (30-59 hours) or higher standing and minimum of 2.0 GPA. Work under faculty and field supervisors in placements related to academic studies.

Transfer students must have completed at least 12 hours of coursework at EKU. A minimum of 80 hours worked required for each academic credit. Credit will not be awarded for both NET 349 and EET 349.

NET 349 A-N Cooperative Study: CET/CEN. (5-8) I-II. 
Prerequisite: departmental approval, sophomore (30-59 hours) or higher standing and minimum of 2.0 GPA. Liberation, Support, and field faculty and field supervisors in placements related to academic studies in Computer Electronics Technology (CET) or Computer Electronic Networking (CEN). 5-8 credit hours per semester or summer. Transfer students must have completed at least 12 hours of coursework at EKU. A minimum of 80 hours worked required for each academic credit.

NET 354 Microcomputer & Network Security. (3) I, II. 
Prerequisite: MUS 303 or CIS 375. Security considerations in computer systems and networks using appropriate hardware and software. Topics include malware, encryption, VPNs, ACLs, firewalls, Wi-Fi, and secure protocols. Testing, configuring, managing and troubleshooting security in network systems. 2 Lec/2 Lab.

NET 367a Exit Exam for AAS in Tech, with Computer Electronics (0) A. 
Prerequisite: Consent of Advisor. Registration in NET 367a is required of all undergraduate A.A.S. students in the Technology program specializing in Computer Electronics program for the term in which they wish to take their comprehensive examination.

NET 367b Exit Exam for Minor in Computer Electronics Technology (0) A. 
Prerequisite: Consent of Advisor. Registration in NET 367b is required of all undergraduate students in the Minor for Computer Electronics Technology program for the term in which they wish to take their comprehensive examination.

NET 395 Special Topics in NET. (2-3) A. 
Prerequisite: 30 credit hours or more completed, and (EET 252 or NET 303). Emerging technologies in the area of Network Security and electronics (NET). May be repeated up to a maximum of 9 hours provided subject matter differs each time. Lec/Lab.

NET 399 Associate Degree Capstone. (3) II. 
Prerequisite: 30 credit hours or more completed, with a minimum of 9 semester hours of NET coursework completed, and a minimum of 9 semester hours of EET coursework completed. A project and research oriented course which serves as a capstone experience at the Associate Degree level. Design, implementation, analysis, and troubleshooting of electronic and computer technology related systems, and managing a technical project.

NET 403 Advanced LANs and PC Communication. (3) A. 
Prerequisite: NET 303 or CIS 375. This course will cover installation, configuration, troubleshooting and maintaining common server platforms. The participants will be given the opportunity to setup and manage network hardware, operating systems and applications. 2 Lec/2 Lab.

NET 440 Fiber-Optics & Communications. (3) A. 
Prerequisite: EET 257, MAT 120 or higher, and PHY 101. Principles of communication over fiber and other wired/wireless media; digital and analog data transmission; modulation and multiplexing of data. Communication system components, safety, testing and troubleshooting of fiber-optic and communication systems. 2 Lec/2 Lab.

NET 510 Digital System Design. (3) A. 
Prerequisites: (NET 303 or CIS 375) and NET 354 Security considerations in wireless and WANs. Wi-Fi, 802.11x, WPA, RADIUS, encryption, VPNs, VLANs, A/AA authentication, Network Security Appliance, and secure protocols. Laboratory based. Development and security testing of WAPs, appliances and servers. 2 Lec/2 Lab.

NET 467 Exit Exam for BS in NET (0) A. 
Prerequisite: Consent of Advisor. Registration in NET 467 is required of all undergraduate B.S. (NET) students for the term in which they wish to take their comprehensive examination, including the exit exam and advisor approved certification or license.

Emphasis on in-depth study of current interest topics. May be retaken to a maximum of six hours credit.

**NSC 380 Adult Health Nursing I.** (2.5) I, II. Prerequisites: NSC 232, 242, and 252 all with a minimum grade of “C”; NSC 232L with a minimum grade of “S”, and admission to the BSN Program. Corequisite: NSC 332, 332L, 350, and 380C. Students repeating NSC 380 must also enroll in NSC 380C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for selected adult health issues.

**NSC 380C Adult Health Nursing I Clinical** (2) I, II. Prerequisites: NSC 232, 242, and 252 all with a minimum grade of “C”; NSC 232L with a minimum grade of “S” and admission to the BSN Program. Corequisite: NSC 332, 332L, 350 and 380. Students repeating NSC 380C must also enroll in NSC 380C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for selected adult health issues.

**NSC 381 Perspectives in Professional Nursing I.** (3) A. Prerequisites: RN status and admission to the RN-BSN option. Transition to the professional nursing role for the RN student emphasizing foundational concepts of professional nursing practice.

**NSC 383 Perspectives in Professional Nursing II.** (3) A. Prerequisite: NSC 381 Transition to the professional nursing role for the RN student emphasizing the knowledge development of concepts and theories essential for professional practice.

**NSC 385 Perspectives in Professional Nursing III.** (4) A. Prerequisite: NSC 381, NSC 383. Advanced concepts and skills for professional nursing practice.

**NSC 386 Adult Health Nursing II.** (7) I, II. A. Prerequisites: NSC 332, 350, and 380C all with a minimum grade of “C”; NSC 332L and 380C with a minimum grade of “S”. Corequisite: NSC 330 and 386C. Students repeating NSC 386 must also enroll in NSC 386C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for selected adult health issues.

**NSC 386C Adult Health Nursing II Clinical** (3) I, II. A. Prerequisites: NSC 332, 350 and 380C all with a minimum grade of “C”; NSC 332L and 380C with a minimum grade of “S”. Admission to the BSN Program. Corequisite: NSC 330 and 386C. Students repeating NSC 386C must also enroll in NSC 386C and the most recent grade in these two corequisites will be applied toward student’s GPA.

**NSC 390W Research for EBNP.** (2) I, II, A. Prerequisites: STA 215 or 270, or SOC 232 with a grade of “B” or better in research or equivalent with an emphasis on the research process. Credit will not be awarded to students who have credit for NSC 390.

**NSC 392 Mental Health Nursing.** (3) I, II. A. Prerequisites: NSC 332 and 386C with a grade of “C”; NSC 386C with a minimum grade of S. Corequisite: NSC 392C. Students repeating NSC 392 must also enroll in NSC 392C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses the nursing process to develop practice solutions for clients throughout the life cycle with selected mental health issues.

**NSC 392C Mental Health Nursing Clinical** (2) I, II, A. Prerequisites: NSC 330 and 386C with a minimum grade of “C”; NSC 386C with a minimum grade of “S”. Corequisite: NSC 392. Students repeating NSC 392C must also enroll in NSC 392CC and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses the nursing process to develop practice solutions for clients throughout the life cycle with selected mental health issues.

**NSC 396 Family Health Nursing.** (5) I, II, A. Prerequisites: NSC 330 and 386 each with a minimum grade of “C”; NSC 386C with a minimum grade of S. Corequisite: NSC 396C. Students repeating NSC 396C must also enroll in NSC 396C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses the nursing process to develop practice solutions for families during the childbearing and child rearing experience.

**NSC 396C Family Health Nursing Clinical (4) I, II.** A. Prerequisites: NSC 386C and 386C with a minimum grade of “C”; NSC 386C with a minimum grade of “S”. Corequisite: NSC 396C. Students repeating NSC 396C must also enroll in NSC 396C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses the nursing process to develop practice solutions for families during the childbearing and child rearing experience.

**NSC 440 Leadership and Management.** (3) A. Prerequisites: RN status and admission to the RN-BSN option. An overview of leadership and management theory in health care explores the leadership role of nursing. Strategies for facing challenges, promoting cost-effective health care, and promoting leadership success in the dynamic health care system.

**NSC 442 Complex Client Care** (3). Prerequisites: NSC 440 and NSC 484 and 484C. Synthesis of professional nursing knowledge and skills to address human diversity and manage care in today’s complex health systems.

**NSC 442C Complex Health Systems Clinical** (2). Prerequisites: NSC 440, NSC 484 and 484C. Synthesis and performance of professional nursing care competencies to address human diversity and manage care in today’s complex health systems.

**NSC 445RN Professional Role Transitions.** (2) A. Prerequisites: RN status and admission to the RN-BSN option. Role development seminar for RNs. Critical analysis of trends which shape professional nursing practice. Analysis of strategies for instituting change in various health care delivery systems.

**NSC 492C Complex Client Health Care Clinical** (3) I, II, A. Prerequisite: RN status and admission to the RN-BSN option. Corequisite: NSC 492 and 495. Students repeating NSC 492C must also enroll in NSC 492C and the most recent grade in these two corequisites will be applied toward student’s GPA. Synthesizes nursing competencies to manage complex health problems, integrating legal, ethical and economic concepts.

**NSC 495 Professional Role Transition.** (2) I, II. Prerequisite: RN status and admission to the RN-BSN option. Corequisite: NSC 492. Students repeating NSC 495 must also enroll in NSC 495 and the most recent grade in these two corequisites will be applied toward student’s GPA.

**NSC 496 Application of Nursing Theory.** (2) I, II. Prerequisites: NSC 480, 484, and 486 with minimum grades of “C” or above. Corequisite: NSC 496 and 497. Explores mechanisms of learning and the ability to apply theory to specific patient situations. Patient case situations from all nursing clinical areas are utilized.

**NSC 498 Independent Study.** (1-6) A. Prerequisite: student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. Directed study or research on an issue or area of interest to nursing. May be repeated up to a maximum of six hours.

**NSC 500 Early Childhood Health Care.** (3) A. Prerequisite: education major or instructor approval. Focuses on the development of competencies necessary for health management of young children (ages birth through five years) with special health care needs. Appropriate for non-health care professionals in the community or classroom.

**NUR—Nursing (Associate)**

**NUR 114 Nursing Concepts I** (5) I, II. Prerequisite: Admission to the Associate Degree Nursing Program. Corequisite: NUR 114C. Provides fundamental theoretical nursing concepts. Student learning outcomes are human flourishing, nursing judgment, professional identity, and spirit of inquiry.
NUR 114C Nursing Concepts Application I (3).
I.II. Prerequisite: Admission to the Associate Degree Nursing Program. Corequisite: NUR 126. This course provides application of fundamental nursing concepts in the laboratory and clinical settings.

NUR 124 Nursing Concepts II - Med-Surg (3).
I, II. Prerequisites: NUR 114, 114C, HSO 100, ENG 101, OHO 354. Corequisite: NUR 124C. This course provides application of nursing concepts in the clinical setting while caring for patients experiencing selected health issues.

NUR 124C Nursing Concepts Application II (2)
I, II. Prerequisites: NUR 114 & 114C, HSO 100, BOI 171, NFA 201, ENG 101, all with a grade of “C” or better. Corequisite: NUR 124. This course provides application of nursing concepts in the clinical setting while caring for patients experiencing selected health issues.

NUR 126 Perinatal Nursing Concepts (2)
I, II. Prerequisites: NUR 114,114C, HSO 100, BOI 171, NFA 201, ENG 101, all with a grade of “C” or better. Corequisite: NUR 126C. Builds upon previously learned concepts and skills. Provides theories and concepts for applying the nursing process while caring for patients experiencing the care of groups of patients experiencing complex health issues.

I, II. Prerequisites: NUR 124, 124C, 126, 126C, ENG 102, BIO 301, SOC 131, all with a grade of “C” or better. Corequisite: NUR 232C. Provides theories and concepts for applying nursing judgment while caring for adult and pediatric patients experiencing selected complex health issues.

NUR 241C Clinical Nursing Synthesis (4).
I, II. Prerequisite: NUR 232, 234, and BIO 273 or MLS 209/211, all with a minimum grade of “C”; NUR 232C and 234C with a minimum grade of “S”. Corequisite: NUR 240C. Provides theory and concepts for applying nursing judgment in caring for groups of patients experiencing complex health issues. Must be taken during the last semester of the ADN program.

NUR 247 Holism, Health, and Success. (1, 2).
I, II. Prerequisite: CHS nursing student. Principles and theories from holistic nursing, education, and psychology are explored and applied to the creation of academic success, health, and the attainment of personal life goals. Corequisite: NUR 250 Introduction to Gerontology. (3).

1, II. An interdisciplinary approach to the study of aging that presents a balanced view of both normal and problem aspects of aging.

NUR 255 Trends and Issues in Nursing. (2).
I, II. Prerequisites: NUR 255 and 234 with a minimum grade of “C”; NUR 232C and 234C with a minimum grade of “S”. Corequisite: NUR 241C. Focuses on current issues and trends in nursing. Ethical, legal, and professional responsibilities and career opportunities are examined.

NUR 265 Independent Study. (1-6).
A. Directed study on an issue or area of interest to nursing. May be retaken to a maximum of six hours credit.

NUR 300 Plant Identification I. (3).
A. Prerequisite: departmental approval. Integrates theory and practice through collaborative partnerships to enhance clinical nursing competencies.

NUR 312 Plant Science Laboratory. (1).
A. Prerequisite: NUR 114, 114C, HSO 100, BIO 171, NFA 201, ENG 101, all with a grade of “C” or better. Corequisite: NUR 126. Application of the nursing process when caring for families during the childbearing experience.

NUR 200 Dosage Calculation for Nursing. (1).
A. Develops competency in dosage calculation and provides progression in application for nonparenteral to parenteral medication administration.

NUR 201 Dosage Calculation for Nursing II. (1, 2).
I, II. Prerequisite: NUR 117 (S) or NUR 200 (C or better). Develops competency in dosage calculations of intravenous therapies. Emphasis on IV medication on intravenous lines, including pediatric, obstetric, and clinical care dosages.

NUR 217 Strategies for Success in Nursing. (1).
I, II. Prerequisite: Readmission to the ADN program. Explores strategies to develop habits which promote success. Required for students readmitted to the ADN program after being unsuccessful in an NUR core course.

NUR 232 Nursing Concepts II - Perinatal (3).
I, II. Prerequisites: NUR 114,114C, HSO 100, BIO 171, NFA 201, & ENG 101, all with a grade of “C” or better. Corequisite: NUR 126. Builds upon previously learned concepts and skills. Provides theories and concepts for applying the nursing process while caring for families throughout the childbearing experience.

NUR 266 Advanced Floral Design. (2). A. The study and practice of advanced floral design techniques; includes construction of conventional and contemporary floral designs. 1 Lec/2 Lab.

NUR 300 Plant Identification I. (3).
A. Study of plants used in horticulture (including landscape and specialty crops) including their biological identification, ornamental features, environmental adaptation, utilization, and management. 2 Lec/2 Lab.

NUR 306 Plant Identification II. (2).
A. Study of plants used in landscaping and nursery production including their biological identification, ornamental features, environmental adaptation, utilization, and management. 1 Lec/1 Lab.

NUR 322 Landscape Design using CAD. (2).
I. Introduces computer aided design (CAD) for landscape design. The course also provides experience in the use of commercially available programs for landscape design, proposal management, pricing, and presentation. 4 Lab.

OHO 370 Landscape Operations Management. (3).
A. Management of labor, estimating and bidding along with basic maintenance of trees, shrubs, and herbaceous plants in the landscape operation. 2 Lec/2 Lab.

OHO 372 Horticulture Retail and Wholesale Management. (2).
A. The design, development, and management of a retail/wholesale outlet for horticultural products. Students will develop a model retail/wholesale business including all phases of applied sciences such as business record keeping. 1 Lec/2 Lab.

OHO 373 Fruit Production. (3).
A. Study of domestic and commercial production practices of fruits including identification, agricultural and environmental characteristics, horticulture, and marketing. Fruits include tree fruits, vines, brambles, and soft fruits. 2 Lec/2 Lab.

OHO 374 Vegetable Production. (3).
A. Study of domestic and commercial production of vegetables including identification, agricultural and environmental characteristics, horticulture, and marketing. 2 Lec/2 Lab.

OHO 375 Post Harvest Technology of Horticultural Crops. (3).
A. The science and procedures for handling, packaging, storing and transporting fresh fruits, vegetables and ornamentals.

OHO 388 Greenhouse Operation and Management. (3).
A. Plant propagation and growing techniques in a greenhouse. The student learns operation procedures and the economics of operating a greenhouse and using cold and hot frames. 2 Lec/2 Lab.

OHO 391 Landscape Design and Construction. (3).
A. Prerequisite: OHO 365. Elements of design and the execution of the landscape architecture plan. 1 Lec/4 Lab.

OHO 392 Landscape Construction Techniques. (3).
A. Comprehensive study of common landscape construction materials and their use in current landscape applications. Class will include laboratory exercises involving the construction of such components as retaining walls, water features, decks, and patios.

OHO 410 Independent Study in Horticulture. (1-3).
I, II. Prerequisite: Departmental approval.
Cross-listed as AGR 410. Students choose a problem and work under the supervision of the instructor in the field of the problem. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken for a maximum of six credit hours provided topics are different. Credit will not be awarded for both OSH 410 and FSE 410.

**OHO 498 Turfgrass Capstone.** (3) A. Prerequisites: OHO 351 or 353, and Junior or Senior Standing. A comprehensive review of information pertinent to managing turfgrass areas that will enhance graduate's ability to stay within budget, stay on task with seasonal work, and prepare for industry offered certification exams.

**OHO 499 Horticultural Issues Capstone.** (3) A. Prerequisites: OHO 351 and Junior or Senior Standing. Provides students with an in-depth examination of the issues facing contemporary horticultural managers including management principles, ethical considerations, and delivery of a quality product or service.

**OSH—Occupational Safety and Health**

Dr. Troy Rawlins, Coordinator

**OSH 110 Introduction to Safety Studies** (3). I, II, and A. Students will develop the necessary writing, study, research resource, and Blackboard navigation skills necessary to successfully complete occupational safety related curriculum. Students will also be introduced to the basic terminology of the field, and basic hazard recognition.

**OSH 200 Applied Fire and Safety Analysis** (3). A. Cross-listed as FSE 200. Analytical and statistical techniques for the treatment of fire and safety related data. Includes quantitative and qualitative techniques, descriptive and inferential statistics. Credit will not be awarded for both OSH 200 and FSE 200.

**OSH 235 Legal Aspects of Fire Protection and Safety** (3). A. A study of legislative and legal decisions relating to personnel practices, employee safety, and public protection. Emphasize the legal responsibilities, liabilities, and authority of the fire service practitioner. Credit will not be awarded for both OSH 235 and FSE 225.

**OSH 261 Principles of Occupational Safety and Health** (3). A. Prerequisite and/or Corequisite: OSH 110. Formerly OSH 361 History of the development of occupational safety and health. Methods of accident prevention and hazard control. Introduction to safety programs, workers’ compensation, emergency preparedness and accident investigation. Credit will not be awarded to students who have credit for OSH 361 or FSE 361.

**OSH 262 Principles of Occupational Safety and Health Legislation** (3). A. Formerly OSH 362. Prerequisite or Corequisite: OSH 261. Review of OSHA regulations with emphasis on compliance and liability reduction. Discussion of OSHA regulations including citations, penalties, inspections, and record keeping. Credit will not be awarded for both OSH 262 and OSH 362.

**OSH 305 Hazardous Materials** (3). A. Prerequisite: FSE 120. Cross-listed with FSE 305. Study of hazardous materials problems in transportation, storage, and use. Chemical properties relating to specific reactions, engineering controls, and control in an emergency situation. Emphasis on the role of pre-emergency planning, combating, coordinating, and controlling a hazardous materials incident. Credit will not be awarded for both OSH 305 and FSE 305.

**OSH 349 Applied Learning in Occupational Safety** (3) Prerequisite: OSH 349. Credit will not be awarded for both OSH 349 and FSE 349. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. Credit will not be awarded for both OSH 349 and FSE 349.

**OSH 349-A N Cooperative Study**

**Occupational Safety.** (5-8) A. Cross-listed with FSE 349 A-N. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. Credit will not be awarded for both OSH 349 A-N and FSE 349 A-N.

**OSH 366 Hazard Identification and Control** (3) A. Prerequisite: OSH 261 with a grade of C or higher or departmental approval. Hands-on approach toward identification and control. Areas of study include noise levels, chemical land electrical hazards, air contaminants, and heat/cold stress. Control measures include administrative, engineering, and safeguarding methods. Credit will not be awarded for both OSH 366 and FSE 366.

**OSH 367 Human Factors in Occupational Safety** (3). A. Prerequisite or Corequisite: OSH 261. Focuses on ergonomics, man/machine interface and human efficiency. Study of work-related stress, psychological factors, and Cumulative Trauma Disorders. Solutions are reviewed for common problems found in labor-intensive operations. Credit will not be awarded for both OSH 367 and FSE 367.

**OSH 370 Safety and Loss Control Management** (3). I, II, and A. Prerequisite: OSH 366. This course is designed to introduce the occupational safety student to the process safety management standard, 29 CFR 1910.119, and cover complex management topics involved in managing processes of highly hazardous chemicals.

**OSH 379 Construction Safety** (3). An in-depth analysis of the federal and Commonwealth of Kentucky’s OSHA requirements for construction safety. Credit will not be awarded for both OSH 379 and FSE 379.

**OSH 390 Workers Compensation I.** (3) A. An in-depth study of the foundations of Workers Compensation laws. This course will be placed on the history and theory of injuries “arising out of” and being “in the course of” employment. Credit will not be awarded for both OSH 390 and FSE 390.

**OSH 410W Safety Management Systems.** (3) I, II, and A. Prerequisite: ENG 102, 105(B), or ON 102; OSH 261. This writing-intensive course is designed to provide the student with the knowledge and skills to apply safety management systems components, hazard analysis, and causal analysis. Credit will not be awarded for both OSH 410 and OSH 410W.

**OSH 412 Safety and Health Program Management.** (3) A. Prerequisite or Corequisite: OSH 410. Emphasis on personnel aspects, communication, and motivated teams. Safety and health programs. Practice in writing safety programs and implementing safety training. Evaluation of the effectiveness of various methods and programs. Credit will not be awarded for both OSH 412 and FSE 412.

**OSH 420 Environmental Law and Management.** (3) I, II. Formerly FSE 420. Review/analysis of laws affecting workplaces, including the Clean Water Act, Clean Air Act, RCRA and CERCLA. Additionally, study of laws and related policies/practices will be covered as related to safety. Credit will not be awarded to students who have credit for FSE 420.

**OSH 450 Safety Training Strategies.** (3). I, II, and A. Students will learn how to deliver adult learning and technical training programs for management and workforce safety related topics.

**OSH 489 Topical Seminar:** (1-3). I, II, and A. Development of special skills and content knowledge of current issues in occupational safety. May be retaken to a maximum of six hours, provided the subject matter differs each time.

**OSH 495 Senior Capstone** (3) A. Prerequisite: OSH 410; 410W; 420; grade of C or higher. Students examine case studies, examine real life situations, combine knowledge they have gained from previous coursework, analyze and develop strategies, develop countermeasures, engage in strategic planning and policy development and training.

**OSH 498 Independent Study.** (1-3) A. Prerequisite: Departmental approval. Individual reading and research on a problem or area within the field of Occupational Safety, after student consultation with the instructor. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours providing project title differs.

**OTS—Occupational Science and Occupational Therapy**

Dr. Colleen Schneck, Chair

**OTS 101 Occupational Perspectives: Human Services.** (3). A. An occupational science perspective of health and human service professions. Through lecture, active learning and community experiences, students will explore the themes of occupation, professional identity, reasoning, communication and diversity in professional responsibilities.

**OTS 205 Horse and Human Co-Occupation:** (3) A. Provides information regarding the equine industry in connection with human health and wellness. Areas of focus include career directions, understanding horse/human co-occupation and equine movement in concert with human interaction.

**OTS 302 Practicum II: Life Narratives.** (3) A. Prerequisites: OTS 301, 335, and 390. Advanced level of C or better. Corequisites: OTS 313, 335, and 421. Introduction to life narratives as an assessment of occupation. Active learning experiences focusing on occupation across the lifespan including reflection and portfolio development.

**OTS 311 Self as Occupational Being.** (3) A. Corequisites: OTS 301 and OTS 432. Analysis of occupation and occupational patterns of self. Recognize the influence of occupation on the well-being of self through active learning experiences.

**OTS 312 Occupation by Design.** (3) A. Corequisites: OTS 401, 422 and BIO 271. Foundational problem solving, task, and activity analysis concepts related to designing occupations. Students apply strategies to implement a design process.

**OTS 313 Occupation in Context.** (3) A. Corequisite: OTS 302. The student will gain an understanding of occupation as influenced by interconnected life contexts. Through active learning experiences the student will be able to recognize and apply the constructs of context.

**OTS 335 Professional Dynamics.** (3) A. Corequisite: OTS 302. Analysis and application of communication skills necessary for becoming an effective team member. Emphasis on theories of group dynamics, leadership and professional interaction skills, decision making and conflict resolution through active learning.

**OTS 362 Human Motion for Occupation.** (3) A. Prerequisite: BIO 271. Corequisites: OTS 402/402S, 430, and 478/478W. Application to occupational performance of the physics of movement, biomechanical analysis and motor learning. Includes evaluation procedures for muscle strength and range of motion. 2 Lec/2 Lab.

**OTS 365S Engagement and Advocacy for Elders** (3) A, I, II. Supervised service learning opportunities to create and implement occupation-based programming at a community-based respite care program and to advocate for elders with Alzheimer’s Disease. Credit will not be awarded for both OTS 365S and special topics course OTS: The Place to Be.

**OTS 380 Gender and Work in the U.S.** (3) Prerequisite: ENG 102 or 105 (B) or HON 102 or departmental approval. A survey view of occupational science and sociological constructs related to gendered
work. Includes content on family work linkages, gendered organizations, and public policies in the workplace. Credit will not be awarded to students who have credit for OTS 480, WGS 380 or WGS 480.

OTS 401 Practicum III: Diversity. (3) A. Prerequisite: OTS 302 with grade of C or better. Corequisites: OTS 312, 422 and BIO 271. Introduction to culturally diverse occupations and environments. Credit will not be awarded for both OTS 402 and 402S.

OTS 402S Practicum IV: Advocacy and Research. (3) A. Prerequisite: OTS 401. Corequisites: OTS 362, 430, and 478/478W. Participatory experiences in the application of advocacy, ethics, and research to advance health and wellness. Course includes self reflection and portfolio completion. Credit will not be awarded for both OTS 402 and 402S.

OTS 410 Independent Study in Occupational Science. (1-3) A. Each student must have the independent study proposal approved by faculty supervisor and department chair prior to enrollment. May be retaken a maximum of six times.

OTS 421 Occupation Across the Lifespan. (3) A. Corequisites: OTS 362, 430, and 478/478W. Overview of primary concepts related to occupational assessment, intervention and documentation as a provider in health care systems. Compare intervention processes in various health and human service delivery models.

OTS 422 Impact of Conditions on Occup. (4) A. Prerequisite: BIO 371. Corequisites: OTS 312, 401 and BIO 271. Introduction to human occupation and medical terminology in the context of disease and disability. Content includes pathophysiological, behavioral and developmental issues which have an impact on human occupation.

OTS 430 Intervention in Health and Human Services. (3) A. Corequisites: OTS 362, 402 or 402S, and 478 or 478W. Overview of primary concepts related to occupational assessment, intervention and documentation as a provider in health care systems. Compare intervention processes in various health and human service delivery models.

OTS 474 Health Care Delivery System. (3) A. Corequisites: OTS 362, OTS 402/402S, and 430. An introduction to the history of health care systems, models of health care, and contemporary health policy issues and trends. Includes content on financing health care, health care professional roles and ethics. Credit will not be awarded for both OTS 478 and OTS 478W.

OTS 478W Health Care Delivery System. (3) A. Corequisites: OTS 362, OTS 402/402S, and 430. An introduction to the history of health care systems, models of health care, and contemporary health policy issues and trends. Includes content on financing health care, health care professional roles and ethics. Credit will not be awarded for both OTS 478 and OTS 478W.

OTS 479 Equine Assisted Activity. (3) A. Explores equine assisted activity, therapeutic horseback riding, equine facilitated mental health, and hippotherapy. Content includes supervised service learning experiences with individuals of varying ages and conditions in a horse-related environment. Credit will not be awarded for both OTS 479 and 479S.

OTS 479S Equine Assisted Activity. (3) A. Explores equine assisted activity, therapeutic horseback riding, equine facilitated mental health, and hippotherapy. Content includes supervised service learning experiences with individuals of varying ages and conditions in a horse-related environment. Credit will not be awarded for both OTS 479 and 479S.

OTS 499 Constructs of Occupation. (6) A. Prerequisite: undergraduate degree, BIO 171, 301, PSY 200 and STA 215. Synthesis of occupational constructs as they apply to self and others. Emphasis on occupation across the lifespan, and occupational science. Portfolio development emphasizes occupation theme.

OTS 515 Early Child Sensorimotor Development. (3) A. Provides an overview of normal sensorimotor development in infants and young children. Includes contrasting normal/abnormal developmental and application of appropriate developmental tasks. Laboratory experiences will be provided.

OTS 520 Providing Health Services in Appalachia. (3) A. Cross-listed as APP 520. Prerequisite: departmental approval. An analysis of development and delivery of health care services in Appalachia. Examination of relevant current and historical factors which have an impact on the health of Appalachia. Credit will not be awarded for both OTS 520 and APP 520.

PGM—Professional Golf Management

PGM 100 PGA Playing Ability Test (0) A. Prerequisite: Consent of advisor. Exit requirement for Professional Golf Management option of the Marketing B.B.A. program. Registration in PGM 100 is required of all undergraduate B.B.A. Marketing/PGM Option students for the term in which they wish to take their comprehensive exam.

PGM 199 PGA Education Level I (0) A. Prerequisite: Consent of advisor. Exit requirement for Professional Golf Management option of the Marketing B.B.A. program. Registration in PGM 199 is required of all undergraduate B.B.A. Marketing/PGM Option students for the term in which they wish to take their comprehensive exam.

PGM 299 PGA Education Level 2 (0) A. Prerequisite: Consent of advisor. Exit requirement for Professional Golf Management option of the Marketing B.B.A. program. Registration in PGM 299 is required of all undergraduate B.B.A. Marketing/PGM Option students for the term in which they wish to take their comprehensive exam.

PGM 349 Applied Learning in PGA/Professional Golf Management. (.5-1) A. Prerequisites: minimum GPA 2.25 and admission to PGM. Transfer students are eligible after one semester on campus. Co-curricular work experience under PGA staff and field supervisors. The student is assigned duties and responsibilities approved by PGM Program Coordinator or Director of PGA/PGM and the PGA member on-site. A contract outlining student responsibility is required and must be signed by the student, supervising professional, and a PGA member prior to placement. A maximum of five credit hours may be applied toward major.

PGM 349 A-N Cooperative Study: PGA Golf Management. (.5) A. Prerequisites: minimum GPA 2.25 and admission to PGM. Transfer students are eligible after one semester on campus. Co-curricular work experience under PGA staff and field supervisors. The student is assigned duties and responsibilities approved by PGM Program Coordinator or Director of PGA/PGM and the PGA member on-site. Gen. Ed. E-3B [AH].

PHI 110W Beginning Philosophy: Writing Intensive. (3) I, II. Prerequisite: ENG 102 or 105(B) or HON 102. A writing-intensive basic introductory course in philosophy. Consideration of perennial questions of the human experience, especially questions about reality, knowledge, self, values, and religious belief. Credit will not be awarded for both PHI 110 and 110W. Gen. Ed. E-3B [AH].

PHI 130 Beginning Ethics. (3) I, II. Survey of theories concerning the nature of right and wrong, emphasizing how these theories can be applied to personal moral choices. Credit will not be awarded to students who have credit for PHI 130S. Gen. Ed. E-3B [AH].

PHI 130S Beginning Ethics. (3) I, II. Prerequisite: ENG 102 or 105(B) or HON 102. A writing-intensive basic introductory course in philosophy. Consideration of perennial questions of the human experience, especially questions about reality, knowledge, self, values, and religious belief. Credit will not be awarded for both PHI 110 and 110W. Gen. Ed. E-3B [AH].

PHI 240 Philosophy of Religion. (3). A. Study of religious experience, faith and knowledge, the nature and existence of God, the problem of evil, religious ethics, and religious language. Credit will not be awarded for both PHI 240 and 240W. Gen. Ed. E-3B [AH].

PHI 240W Philosophy of Religion: Writing Intensive. (3). A. Prerequisite: ENG 102 or 105(B) or HON 102. Study of religious experience, faith and knowledge, the nature and existence of God, the problem of evil, religious ethics, and religious language. Credit will not be awarded for both PHI 240 and 240W. Gen. Ed. E-3B [AH].

PHI 300 Greek and Roman Philosophy. (3) A. Study of philosophical thought as seen through an examination of selected issues and selected philosophers from ancient Greece through the early Roman period. Credit will not be awarded for both PHI 300 and 300W. Gen. Ed. E-3B [AH].

PHI 310 Medieval Philosophy. (3). A. Study of Christian, Jewish, and Islamic philosophical thought in the Middle Ages and of Renaissance scholasticism. Issues in various areas of philosophical inquiry are examined through selected readings from Augustine to Suarez. Gen. Ed. E-3B [AH].

PHI 320 Modern Philosophy. (3). A. Examination of some major issues and some major philosophers from the 17th and 18th centuries. Gen. Ed. E-3B [AH].

PHI 330 Twentieth Century Philosophy. (3). A. A survey of the principal schools of philosophic thought of the 20th century in Europe and America, with special attention to the important issues which emerge. Gen. Ed. E-3B [AH].

PHI 332 Existentialism & Postmodernism. (3). A. Study of the influence of such existentialists as Nietzsche, Sartre, de Beauvoir, and Heidegger on contemporary postmodern theories such as Foucault, Baudrillard, Derrida, Kristeva, and Irigaray. Gen. Ed. E-3B [AH].

PHI 340 Philosophy of Science. (3). A. How views of reality, knowledge, and values relate to science and scientists. Philosophical assumptions of science examined through historical examples of scientific investigations. The value and the values of scientific methods and scientific theories. Credit will not be awarded for both PHI 340 and 340W.

PHI 340W Philosophy of Science: Writing Intensive. (3). A. Prerequisite: ENG 102 or 105(B) or HON 102(B). A writing-intensive course in philosophy. How views of reality, knowledge, and values relate to science and scientists. Philosophical assumptions of science examined through historical examples of scientific investigations. The value and the values of scientific methods and scientific theories. Credit will not be awarded for both PHI 340 and 340W.

PHI 342 American Philosophy. (3). A. A critical examination of both views held by Americans regarding themselves, their culture, and world, through the thought of modern American philosophers such as Royce, Peirce, James, Santayana, Woodbridge, Dewey, and Whitehead. PHI 349 Applied Learning in Philosophy. (5-8) A. Prerequisite: consult with department chair before enrolling. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

PHI 349 A-N Cooperative Study: Philosophy. (5-8) A. Prerequisite: consult with department chair before enrolling. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

PHI 350 Methods of Metaphysics. (3) A. An elaboration of the various approaches to metaphysics in the history of philosophy, including contemporary anti-metaphysical points of view.

PHI 352 Theory of Knowledge. (3) A. An examination of the nature, possibility, limits, sources and value of knowledge of minds and the world.

PHI 360 Ethical Theory and Practice. (3) A. Prerequisite: ENG 102, 105(B), or HON 102; PHI 110 or 110W. Advanced course in ethics that examines the intersection of ethical theory and practical ethics. Topics include major ethical theories, the nature and aims of applied ethics, and critical and creative thinking in ethical problem-solving.

PHI 362 Technology and Values. (3) A. An examination of philosophical issues related to science, technology, public health, economics, and the environment, with special attention being given to the personal and social ethical issues that arise in these contexts.

PHI 371 Symbolic Logic. (3) A. Basic introduction to modern symbolic logic: propositional logic, first order predicate logic, proofs and metapropositions, and nature and properties of formal logic systems.

PHI 381 Animal Ethics (3) A. An examination of major theories of animal welfare and rights; consideration of issues involving the use of animals as food and other goods, animal experimentation, wildlife, endangered species, hunting, animals and sport, pets, and zooparking.

PHI 383 Health and Biomedical Ethics. (3) A. An examination of the value-issues which surround problems that arise in health-related fields and whose resolution calls for moral judgment. Some problems that would include: euthanasia, experimentation with humans, behavior control, genetic engineering, and distribution of health care facilities. Credit will not be awarded for both PHI 383 and PHI 383W.

PHI 388 Special Topics in Ethics. (1-3) A. An examination of ethical theories of major ethical thinkers, or of an applied ethical field like business ethics or environmental ethics. May be retaken to a maximum of fifteen hours if the topic is different.

PHI 390 Special Topics in Philosophy. (1-3) A. Prerequisite: consult with department chair before enrolling. Detailed examination of a problem-area or a school of philosophy in the history of philosophy or the thought on one outstanding philosopher. May be retaken to a maximum of fifteen hours if the topic is different.

PHI 432 Philosophy of Art. (3) A. Examination of the major philosophical theories of art and beauty and the place of aesthetic language in the general area of value judgments. Representative classical and contemporary figures will be considered.

PHI 490 Independent Work in Philosophy. (1-3) A. Prerequisite: 80 hours credit. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

PHI 530 Surveys in Environmental Ethics. (3) A. Cross-listed as ENV 385. Examination of Western political thought from Plato to Aquinas. Credit will not be awarded to students who have credit for PHI 385, POL 351, POL 551W or PHI 551W.

PHY—Physics

PHY 101 Conceptual Physics. (3) I, II. Prerequisite: MAT 105 or higher or departmental approval. Conceptual approach to topics such as kinematics, Newtonian mechanics, electricity, magnetism, and optics. Not intended for science majors. Credit will not be awarded to students who have credit for PHY 102. 4 Lec/Lab. Gen. Ed. E-4 [NS].

PHY 102 Inquiry Physics for MS Teachers. (3) I, II. Prerequisite: MAT 105 or higher or departmental approval or teaching middle school education majors or departmental approval. An inquiry-based, conceptual approach physical science course for middle school teaching majors. Topics include kinematics, matter and heat, optics, electricity, and magnetism. Credit will not be awarded for both PHY 101 and 102. 1 Lec/4 Lab. Gen. Ed. E-4 [NS].

PHY 104 Inquiry Physical Science for Elementary Teachers (3) I, II. Cross-listed with CHE 104. Prerequisite: Elementary education majors only, sophomore standing, and MAT 112 or higher. An activity-oriented conceptual course in the physical sciences. Topics include the structure and properties of matter, heat and temperature, forces, motion, magnets, energy, and sound waves. Credit will not be awarded for both CHE 104 and PHY 104. 2 Lec/2 Lab.

PHY 129 Success in College Physics (1) I, II. Corequisite: PHY 131. This course will emphasize topics presented in PHY 131 that the writing-intensive basic introductory physics student may require additional instruction to master. Topics to be covered will include one-dimensional motion, Newton’s Laws of Motion, momentum, energy, and rotational motion. Students will be allowed to enroll up to four weeks after class start. A withdrawal from PHY 131 must be matched by a withdrawal from PHY 129.

PHY 131 College Physics I. (5) I, II. Prerequisite: MAT 120 or higher or departmental approval. Examination of the principal theories of physics and the universe. Topics include kinematics, Newtonian mechanics, electricity, magnetism, and optics. Not intended for science majors. Credit will not be awarded to students who have credit for PHY 102. 4 Lec/Lab. Gen. Ed. E-4 [NS].

PHY 385 Environmental Ethics. (3) A. Cross-listed as ENV 385. Prerequisite: ENG 102 or 105 (B) or HON 102. An examination of historical and contemporary views of the values and rights of nature. Possible topics include animal rights, conservationism, the land ethic, stewardship, deep ecology, ecofeminism, and indigenous approaches to the environment. Credit will not be awarded for both PHI, ENG 385.

PHI 551 Classical Theory. (3) A. Cross-listed as POL 551. Examination of Western political thought from Plato to Aquinas. Credit will not be awarded to students who have credit for POL 551, POL 551W or PHI 551W.
PHYS 131 \textit{University Physics I.} (5, I, II) Prerequisite: PHY 201 with a grade of “C” or better. Prerequisite or Corequisite: MAT 244 or 244H, or departmental approval. Introduction to electromagnetic phenomena, including vector analysis, linear algebra, complex analysis, infinite series, waves and Fourier series, differential equations, and other topics related to classical mechanics. Nil.

PHYS 132 \textit{College Physics II.} (5, I, II) Prerequisite: PHYS 131 or departmental approval. Algebra and trigonometry based approach to electromagnetic phenomena, including vector analysis, linear algebra, complex analysis, infinite series, waves and Fourier series, differential equations, and other topics related to classical mechanics. Nil.

PHYS 194 \textit{Electricity and Magnetism I.} (3) A. Prerequisite: PHY 132 or PHY 202 and instructor approval. Study of force systems on bodies at rest, descriptions of force systems, distributed and conductor, energy and momentum, simple harmonic motion, hydrodynamics, equilibrium, Newton’s laws of motion, work and energy, electromagnetic radiation, dispersion, polarization, double refraction, lasers, holography. Nil.

PHYS 201 \textit{University Physics I.} (5, I, II) Prerequisite: MAT 211, 234 or 234H, or departmental approval. Composition and resolution of forces, laws of equilibrium, Newton’s laws of motion, work and energy, momentum, simple harmonic motion, hydrodynamics, heat and temperature, Cycles which will not be awarded to students who have credit for PHY 131. Nil.

PHYS 202 \textit{University Physics II.} (5, I, II) Prerequisite: PHY 201 with a grade of “C” or better. Prerequisite or Corequisite: MAT 244 or 244H, or departmental approval. Electricstatics, electric potential, dielectrics, A.C. and D.C. circuits, magnetic fields, Faraday’s Law, sound, wave motion, geometrical and physical optics. Nil.

PHYS 203 \textit{Modern Physics} (4) A. Prerequisites: PHY 202 or PHY 201 with a grade of “C” or better. Prerequisite or Corequisite: MAT 244 or 244H, or departmental approval. Experiments in mechanics, optics, electricity, and magnetism, and reports. May be retaken to a maximum of six hours provided subject matter is different each time. Nil.

PHYS 204 \textit{Advanced Physics Laboratory.} (3) A. Prerequisite: PHY 302 or 302W, or departmental approval. Experiments in mechanics, optics, electricity, and magnetism, and reports. May be retaken to a maximum of six hours provided subject matter is different each time. Nil.

PHYS 241 \textit{Special Topics in Physics.} (1-6) A. Prerequisite: PHY 202 or departmental approval. Special topics in physics of current interest to faculty and students will be presented through lecture, discussion, and reports. Nil.

PHYS 301 \textit{Theoretical Methods in Physics.} (3) A. Prerequisite: PHY 201, 234 or 234H, or departmental approval. Experiments in mechanics, optics, electricity, and magnetism, and reports. May be retaken to a maximum of six hours provided subject matter is different each time. Nil.

PHYS 302W \textit{Electricity and Magnetism II.} (3) A. Prerequisites: PHY 201, 234 or 234H, or departmental approval. Experiments in mechanics, optics, electricity, and magnetism, and reports. May be retaken to a maximum of six hours provided subject matter is different each time. Nil.

PHYS 310 \textit{Theoretical Methods in Physics.} (3) A. Prerequisite: PHY 241. Nil.
maximum of six hours under different headings.

PLS 349 Applied Learning in Police Administration. (3) A. Prerequisites: departmental approval, sophomore standing. Work under faculty and field supervisors, in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; fifteen, baccalaureate. Minimum 80 hours work required for each academic credit. A maximum of three hours of PLS 349 and 424 can be applied toward the PLS major or minor.

PLS 349 A-N Cooperative Study; Police Administration. (5-8) A. Prerequisites: departmental approval, sophomore standing. Work under faculty and field supervisors, in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; fifteen, baccalaureate. Minimum 80 hours work required for each academic credit. A maximum of three hours of PLS 349 and 424 can be applied toward the PLS major or minor.

PLS 375 Terrorism/Counterterrorism. (3) A. Prerequisite: Junior or Senior standing. A study of domestic, foreign, transnational and state terrorism. This course examines issues related to defining, preventing and mitigating the social and historical forces and events will be considered in order to contextualize specific key individuals, organizations and actions.

PLS 380 Police in the Popular Media. (3) A. Prerequisite: sophomore standing. A study of the public’s perception of police through popular media (music, radio, television, films, short stories and books) and how those media sources might influence policing itself.

PLS 385 Police Related Violence. (3) A. Prerequisite: sophomore standing. A descriptive, theoretical and philosophical approach to violence used by the police and violence directed toward them. Psychological and sociocultural impacts will be examined. Additional analysis associated with lethal and non-lethal violence policy and strategies are included.

PLS 401 Multi-Culturalism and Policing. (3) A. Prerequisite: Junior or Senior standing. Examines the policing of marginalized populations and investigates the realities of these persons within policing. Specific populations can include racial and ethnic minorities, age, women, sexual minorities, persons with physical and mental disabilities, immigrant populations, veterans, and others.

PLS 403 Homicide. (3) A. Prerequisite: sophomore standing. Explore current theoretical, philosophical and empirical literature associated with homicide. A descriptive, theoretical, empirical, and practical explanations of criminal homicide patterns. Included will be an examination of death investigation systems and police responses.

PLS 408 Policing and Technology. (3) A. Prerequisite: Junior or Senior standing. Examines the current realities of cyber crime and the official police response. Consideration will be given to legal issues, civil liberties, police deviance and the sociopolitical impacts of technology.

PLS 410 The Police and Community. (3) A. Prerequisite: Junior or Senior standing. Examines relationships between the police and community that address crime and quality of life problems. Community is examined as a geographical space made of multiple and diverse publics sometimes requiring different strategies and attention. A distinction is drawn between public relations and police community partnerships.

PLS 414 Social Forces and Policing Society baccalaureate. Minimal 101 and PLS 103. Sophomore standing or higher. Examines the history and evolution of policing in the United States with an emphasis on the political, social, cultural, legal and organizational forces that have molded that history. The roles and functions of police in America are examined in detail within the context of race, class and gender.

PLS 415 Contemporary Police Strategies. (3) A. Prerequisites: CRJ 101 and PLS 105 with a grade of “C” or better; Senior standing. Review of contemporary police issues, programs, and strategies. Detailed analysis and evaluation of police practices, including impact on the relationship between the police and the community. Assessment of police reform measures and accountability mechanism.

PLS 416 Criminal Procedure. (3) A. Prerequisite: PLS 201 and PLS 216 or instructor approval. A detailed study of the laws of arrest (including the use of force), search and seizure, emphasizing the constitutional basis, historical development, statutes, and recent court decisions.

PLS 420 Surveillance & Society. (3) A. Prerequisite: Junior or Senior standing. Examines the nexus of surveillance, policing, and society. The course explores the role of states, corporations and individuals in monitoring and policing of bodies, populations, property, and information. Consideration is given to historical and contemporary dynamics of surveillance: socio-technical assemblages, risk and security discourses, institutional blurring, inequalities and civil liberties.

POLS——Political Science

Dr. Lynnette Noblett, Chair

POLS 100 Principles of Politics and Government. (3) I, II. An introductory social science course focusing on the political and governmental aspects of societies. Does not count toward political science major requirements. Credit will not be awarded for both POL 100 and 100S.

POLS 101 Introduction to American Government. (3) I, II. Principles, functions, and basic political institutions of the American system of government at the national level. Credit will not be awarded for both POL 101 and POL 101S. Gen. Ed. E-5A, E-5B [SB].

POLS 101S Introduction to American Government: Service Learning. (3) A. Prerequisites: three hours of POL courses numbered 300 or above may be retaken to a maximum of six hours when topics vary. May be retaken to a maximum of six hours when topics vary.

POLS 201 Short Topics in Political Science. (1-3) A. A maximum of three short topics offered during any semester. The student may take any or all topics. May be retaken to a maximum of six hours when topics vary.

POLS 212 Introduction to Comparative Politics. (3) I, II. Purpose, concepts, and methods used in the cross-national study of politics and government with a focus on selected countries. Gen. Ed. E-5A or E-5B [SB].

POLS 220 Introduction to World Politics. (3) I, II. The study of the political interactions of countries and organizations relating to politics, economics, the environment, technology, culture and society on a global level. Gen. Ed. E-5B [SB].

POLS 250 Introduction to Political Philosophy. (3) I, II. Examination of Western political theory from the ancient Greeks to the contemporary era with a focus on selected philosophers. Gen. Ed. E-3B and E-5B [AH] [SB].

POLS 280 Research and Writing in Political Science. (3) A. Prerequisite: majors, minors, or departmental approval. Practical application of techniques and methods used in collection, analysis, and written presentation of political data. No more than 6 hours of POL courses numbered 300 or above may be taken prior to completing POL 280.

POLS 301 Citizens’ Assembly (CACTUS): A—(3) A. Prerequisite: ENG 102 or ENG 105(B) or HON 102. Citizens’ Assembly for Critical Thinking about the United States (CACTUS), an exercise in deliberative democracy. Students study, hold hearings, deliberate, discuss alternatives, and make a decision on a topic of significance in American politics. Gen. Ed. E-5B [SB].

POLS 310 Latin American Governments. (3) A. A study of the political institutions and issues facing the people and governments of Latin America.

SPA 407 Hispanic Literature and Culture III. (3) A. Prerequisite: SPA 301 or equivalent proficiency with department chair approval. Readings and interactive analyses of representative authors, works, and movements of both Spain and Spanish-America, in their historical and cultural contexts, in the 20th century. Taught in Spanish.

SPA 410 Introduction to Interpreting, (3) Prerequisite: SPA 360. This is a practical course designed to develop proficiency in community interpreting. Topics include consecutive interpreting skills, sight translation skills, vocabulary and terminology research, intercultural issues, and situational ethics.

SPA 492 Senior Capstone Seminar, (3) Prerequisites: At least 18 hours of 300-400 level Spanish, including 3 hours from SPA 405, 406, 407. Advanced majors will demonstrate their skills in the language, linguistics, cultures, and literatures of Hispanic peoples, via a portfolio, demonstrated proficiency in oral and written Spanish, and a final oral presentation to peers and faculty. Taught in Spanish. Required of all majors.

SPA 495 Independent Study in Spanish, (1-3) A. Prerequisite: departmental approval. May be counted toward major or minor only with permission of department chair. May be retaken to a maximum of six hours if content is different. Student must have the...
### Section Seven - Course Descriptions

### STA—Statistics

#### STA 215 Introduction to Statistical Reasoning. (3) I, II.
- Prerequisite: completion of all University developmental requirements. Introduction to descriptive statistics, normal distributions, correlation and linear regression, sampling, experiments, chance phenomena, one- and two-sample estimation and hypothesis testing, chi-square tests, and use of statistical software. Gen. Ed. E-2 [QR].

#### STA 215L StatLab for STA 215 (1) A.
- Corequisite: STA 215. This optional lab is to accompany a regular lecture class in STA 215; topics will vary. 2 Lab

#### STA 230 Probability and Statistics for Middle Grades Teachers. (3) II.
- Prerequisite: MAT 112, 114, 211, or 234 or 234H with a grade of “C” or better. Prerequisite: MAE 201. Sampling, graphs, percentiles, measures of center and variability, mean absolute deviation, correlation, linear of best fit, probability, geometric probability, independence, simulations, contingency tables, counting, binomial, uniform random and normal probability distributions, one-sample inference, manipulatives, presentations, technology.

#### STA 270 Applied Statistics (4) I, II.
- Prerequisite: MAT 110 or equivalent. A brief introduction to descriptive statistics and probability concepts. Emphasis is placed on the practical application of statistical methods to data analysis. This laboratory course is designed to be taken with STA 270L.

#### STA 270L Applied Statistics Lab. (1) A.
- Corequisite: STA 270. This optional lab is to accompany a regular lecture class in STA 270; topics will vary. 2 Lab

#### STA 340 Applied Regression Analysis, (3) I, II.
- Prerequisite: STA 270, or STA 215 (B) or better and one of the following: MAT 112 or higher, a minimum score of 23 on the mathematics portion of the ACT, or a minimum score of 500 on the mathematics portion of the SAT; or departmental approval. Simple, efficient nonparametric methods without normality assumptions. Tests, estimation of proportions, mediation variables, one-way and two-way layout, independence, regression, and use of statistical software. Credit will not be awarded to students who have credit for STA 501.

#### STA 470 Applied Probability. (3) II.
- Formerly STA 370. Prerequisites: MAT 244 or 244H or 254 or 254H; and STA 215 or 270; or departmental approval. Intuitive and axiomatic development of probability, set theory, counting techniques, conditional probability, Bayes Theorem, discrete distributions including univariate and bivariate cases, multinomial normal distributions, Markov Chains, and emphasis on applications. Credit will not be awarded to students who have credit for STA 370.

#### STA 480 Seminar in Statistics. (1-3) A.
- Prerequisite: departmental approval. Topic announced at the time of offering. May be retaken to a maximum of 12 hours, provided the topics are different.

#### STA 485 Probability for Actuaries. (2) A.
- Formerly STA 585. Prerequisites: STA 470 and one of MAT 520 or STA 520. Review of elementary probability theory, univariate and multivariate probability distributions, moment generating functions, transformations of random variables, and applications of probability concepts in a risk management context. Preparation for Actuarial Exam P. Credit will not be awarded to students who have credit for STA 385.

#### STA 495 Independent Work. (1-3) A.
- Prerequisite: departmental approval. Co-requisite: STA 470. Directed study/research on a problem or area chosen in consultation with instructor. Final paper required. This independent study program should be approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours.

#### STA 498 Statistics Capstone. (1) A.
- Cross-listed as MAT 498. Prerequisite: senior status as either a Mathematics or Statistics major. Designed to enable students to synthesize and integrate their mathematical and statistical knowledge. Students will learn how to conduct research and present the results. Credit will not be awarded for both STA 498 and STA 494.

#### STA 500 Applied Statistical Inference (3).
- Designed for students with general background in statistical methods including normal distribution, point and interval estimation, hypothesis testing, linear correlation and regression, analysis of variance, and use of statistical software.

#### STA 507 Seminar in Statistics: (1-3) A.
- Prerequisite: departmental approval. Topics vary with offering. May be retaken with advisor approval, provided that the topics are different. Credit toward degree requirements will depend on the course content.

#### STA 520 Mathematical Statistics I. (3) I.
- Cross-listed as MAT 520. Prerequisite: STA 215 or 270. Prerequisite or Corequisite: MAT 254 or 254H. Descriptive statistics, discrete and continuous probability distributions for one and two variables, functions of random variables, sampling distributions, expectations and generating functions. Credit will not be awarded to students who have credit for STA 520.

#### STA 521 Mathematical Statistics II. (3) II.
- Prerequisite: MAT 254 or 254H and STA 520. A continuation of STA 520. Estimation theory, hypothesis testing, linear regression, analysis of variance, allied topics.

#### STA 570 Quality Control & Reliability. (3) A.
- Prerequisites: Senior standing, MAT 234 or 234H, and STA 430. Analysis of six sigma techniques, statistical analysis of process capability, statistical process control using control charts, quality improvement, acceptance sampling, and an introduction to product reliability.

#### STA 575 Statistical Methods Using SAS. (3) A.
- Prerequisite: STA 270, or STA 215 (with a B or higher), and one of the following: MAT 112 or higher, a minimum score of 23 on the mathematics portion of the ACT, or a minimum score of 500 on the mathematics portion of the SAT; or departmental approval. Data set manipulation, application of statistical techniques in SAS, and statistical programming.

#### STA 580 R and Introductory Data Mining. (3) A.
- Prerequisite: STA 340, MAT 234 or 234H, and CSC 160 or 174 or 177 or 190. Data set manipulation, application of statistical techniques in R, statistical programming, and data mining skills.

#### STA 585 Experimental Design. (3) A.
- Prerequisite: STA 320 or departmental approval. Completely randomized designs, factorial experiments, multiple comparisons, model diagnostics, randomized blocks, Latin squares, fixed and random models, nested-factorial experiments, 2 factorial experiments, and split-plot designs. Emphasis on applications and use of statistical software.

### SWK—Social Work

#### SWK 100 Introduction to Food Benefits. (3)
- A. Integration of basic knowledge and skills to process food benefits cases. Enrollment is restricted to Cabinet of Health and Family employees only. Registration through UTC only.

#### SWK 210 Introduction to Social Work. (3) I, II.
- Introduces philosophy, values, ethics, and processes of the social welfare field. Emphasizes the bases of Generalist practice theory; areas of practice; social justice and the role of violence in society.

#### SWK 225 Human Behavior/Social Environment I. (3) I, II.
- Prerequisites: SOC 131, 132, or 310. Formerly STA 472 and STA 572. Introductory study/ research on a problem or area chosen in consultation with instructor. Final paper required. This independent study program should be approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours.

#### SWK 290 Behavioral Science I. (3) A.
- Prerequisite: STA 100 or 101. Introduction to the science of stress and stress management focusing on developing lifetime habits of wellness and self-care for the helping professions. Major focus on experiential, evidence-based stress management techniques.

SWK 354 Social Work Practice Methods. (3) I, II. Corequisite: SWK 350. Focuses on interactional activities and exercises that foster the development of interviewing skills, data collection, and synthesis, assessment, service contracting and use of relationship skills.

SWK 355 Social Work Practice II. (3), II. Prerequisites: SWK 335, 350, and 354. Addresses the social work process with groups and families with a focus on assessments, intervention, implementation, and evaluation of practice strategies. Facilitation of psychoeducational groups to practice group work skills.

SWK 358 Child Abuse and Neglect. (3) A. Prerequisite: Admission to the Public Child Welfare Certification Program (PCWCP) and departmental approval. Knowledge base for identification, risk determination and psycho-social assessment of child abuse, neglect and dependency situations. Explores service delivery, role of the court, and the impact of cultural and institutional violence. Required course for PCWCP.

SWK 360 Social Work Practice III. (3) I, II. Prerequisite: SWK 335 and SWK 350. Prerequisite or corequisite: SWK 390. Social Work process and skills applied to assessment and intervention with networks, organizations, and communities. Emphasis on community research; program development and evaluation; grantmanship; strategies to advance social justice and power to achieve cultural and institutional change.

SWK 365 Crisis Intervention (3) I, II. Prerequisite: ENG 102 or 105 (B) or HON 102. This course will examine current theories pertaining to crisis intervention, assessment strategies, key public policy issues, and the treatment system. This course uses on-line discussion, presentations, and videos to facilitate learning.

SWK 390 Field Experience in a Social Agency. (3) III, II. Prerequisites: SWK 350 and SWK 354 and overall GPA 2.5 or above. Corequisite: Personal Liability Insurance. Eight hours per week in an agency, community program, or project approved by Field Education Coordinator plus 1 1/2 hour seminar. Application of practice theory and process. Student must apply the semester preceding course enrollment. Majors only.

SWK 410 Social Welfare Policy Practice. (3) I, II. Prerequisite: SWK 310 or SWK 310W. Dynamics of policy implementation at administrative, judicial, and legislative levels: policy analysis, formulation, modification, and evaluation; focus on policies that contribute to social injustices and policies that foster the creation, enhancement, or promotion of violence.

SWK 440 Addictions. (3) I, II. Prerequisites: Junior or Senior standing. Open to all majors. This course will examine how to assess, intervene, and treat individuals, families, and groups with substance abuse and other addictions. The course will examine addictions from a strengths perspective.

SWK 450 Child Abuse Interventions. (3) A. Prerequisite: SWK 358 and admission to Public Child Welfare Certification Program (PCWCP). Development of anticipatory, data collection, and prevention skills in child abuse and neglect. Focus is on public agency involvement. Required course for PCWCP.

SWK 455 Selected Topics in Social Work. (3) A. Prerequisite: departmental approval. Recommended Junior or Senior standing. Open to all Majors. Course content will be determined by interest, and developments in the profession. May be retaken a maximum of nine hours.

SWK 456 Children’s Services. (3) A. Prerequisite: instructor approval. Critical appraisal of societal values of priorities underlying services to children. Examines range of services and skills used in social work practice with children; understanding psycho-social needs of children.

SWK 457 Assessing Needs of Older Adults. (3) A. Examines societal values relating to the elderly; psycho-social needs of the elderly; community-based and institutional services; and dynamics of working with the elderly and their families. Open to all majors.

SWK 490 Social Work Practicum. (12) I, II. Prerequisites: Overall GPA of 2.5 and completion of all other major requirements with a minimum grade of “C.” Corequisite: Personal Liability Insurance. Supervised practice in a social agency approved by Field Education Coordinator. Typically four days a week for 15 weeks plus weekly on-campus seminar. Application must be made through Field Education Coordinator the semester preceding placement. Social Work majors only.

SWK 495 Independent Study in Social Work. (1-6) A. Student must consult with the faculty supervisor and have the independent study proposal form approved by faculty supervisor, program director, and department chair prior to enrollment. May be retaken to a maximum of 12 hours.

SWK 499 Directed Research in Social Work. (3) A. Prerequisite: Departmental approval. A directed research experience for social work majors that integrates a research experience with the students’ professional development and the products of a substantive deliverable product (e.g., poster or conference presentation).

TEC—Technology

Dr. Tim Ross, Chair

TEC 102 Technology and Society. (3) I, II. The role of technology in society. Characteristics of a technologically sophisticated society. Understanding social, ethical, legal, and environmental issues, concerns, and facts to support the recognition of the forces and consequences of technological change. Evolution and current trends of diverse technologies.

TEC 141 Elementary Woodworking. (3) I, II. Basic instruction in the use of common hand tools, basic machine operations, problems in furniture construction, related technical information, and finishing materials and methods. Not open to students majoring in a program within the department. 2 Lec/2 Lab.

TEC 161 Computer Applications in Technology. (3) I, II. A survey of computer systems and software applications currently used in technology related fields. 2 Lec/2 Lab.

TEC 190 Technical Graphics. (3) I, II. Shape and size description of objects using conventional projection techniques—multiview, axonometric, oblique, and perspective. Emphasis is placed on sketching with paper and pencil and with computers. 2 Lec/2 Lab.

TEC 303 Problem Solving and Engineering Design. (3) A. Prerequisites: TEC 190 or departmental approval. Application of the principles of engineering design related to various media; emphasis on experimentation and problem solving in development and construction of engineering design solutions. 2 Lec/2 Lab.

TEC 305 Creative Problem Solving. (3) I. Prerequisite: CRE 101 or departmental approval. A review and analysis of basic and applied research in the development of creative behavior with emphasis on its application to methods and techniques used in creative problem solving in personal/professional settings. 2 Lec/2 Lab.

THE 101 Stagecraft. (3) I. Largely concerned with the scenic process—use of materials, construction and handling of scenery—and basic stage electricity. Lecture and lab.

THE 130 Theatre Arts Practicum I. (1) A Study and practice of theatre design, technical production, or performance through participation in departmental productions. May be retaken to a maximum of six hours.

THE 135 Acting I. (3) I, II. Investigation and practice of the fundamentals in the acting process. Course work will include physical and mental preparation for the actor, improvisation, and beginning scene work. Gen. Ed. E-3A [AH].

THE 150 Improvisation of Voice and Articulation. (3) A. Basic theory and speech production; phonic and vocal drills for improvement of voice and articulation; adapted to students’ individual speech needs.

THE 200 Theatrical Makeup. (2) A. Techniques in application and design of stage makeup both straight and character.

THE 210 Advanced Stagecraft. (3) A. Prerequisite: THE 110. A continuation of THE 110 with emphasis on lighting, sound, and properties.

THE 220 Costume Construction. (3) A. Study and practical experience in garment construction and related costume crafts as used in theatre costume design. 2 Lec/2 Lab.
THE 235 Acting II. (3) I. Prerequisite: THE 135. Study and practice in acting, character development, and rehearsal as related to scene study; emphasis on twentieth-century acting styles.

THE 280 Acting for Musical Theatre. (3) A. Prerequisite: THE 135. Study of Musical Theatre as an art form, and an examination of the acting process and how it relates to the musical genre; performance work is included. 

THE 285 Theatre Dance I. (3) I, II. A beginning course in movement and dance for the theatre. Emphasis is placed on non-verbal self-expression and dramatic imagination. Basic work in ballet, jazz, and musical theatre styles will be introduced. May be retaken to a maximum of six hours.

THE 308 Stage Management. (3) A. Prerequisite: THE 110 and 235 or departmental approval. An in-depth study of the work and responsibilities of the stage manager in theatrical production.

THE 310 Scene Design. (3) A. Prerequisite: THE 110 or instructor approval. Principles of composition, scale, perspective, and color applied to the stage; production of ground plans, sketches, and models.

THE 311 Stage Lighting. (3) A. Prerequisite: THE 110 or instructor approval. Examination of theories of lighting with application to the stage, mixed media and dance. Consideration given to color principles, lighting instruments and control equipment. Lecture and lab.

THE 320 Costume Design. (3) A. Design and execution of theatrical costumes with emphasis on originality, color and line. Attention given to costumes of various periods and styles.

THE 330 Theatre Arts Practicum II. (1) A. Prerequisite: THE 110 or departmental approval. Continuation of THE 130. May be retaken to a maximum of six hours.

THE 335 Acting III. (3) A. Prerequisites: THE 135; THE 235 or departmental approval. Advanced study of stage rehearsal in verse drama, concentration on language and action analysis, and character development for performance; emphasis on Shakespearean scripts.

THE 340 Audition Workshop. (2) A. Prerequisite: instructor approval. Study and practice in theatrical auditioning, resume creation and actor's self-presentation; performance workshop in approach. May be retaken to a maximum of six hours.

THE 341 Directing. (3) A. Prerequisite: THE 135 or instructor approval. An introduction to the principles of play directing. Study of play selection and analysis, characterization, composition, blocking, and casting and rehearsal procedures.

THE 348 Touring Showcase. (2) I. Created, rehearsed and performed in theatre showcase for student recruitment in the area. Audition for enrollment is required. May be retaken to a maximum of eight hours.

THE 349 Applied Learning in Theatre Arts. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

THE 349 A-N Cooperative Study: Theatre Arts. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

THE 385 Theatre Dance II. (3) I, II. Prerequisite: THE 285 or instructor approval. Emphasis is placed on rehearsal and performance of theatre dance. May be retaken to a maximum of six hours.

THE 390 Theatre History I. (3) I, A. Prerequisite: ENG 102, ENG 105 (B), or HON 102. Intensive examination of development of theatre from the Greeks to the French Renaissance. The historic origins of theatrical conventions will also be examined through attendance at live theatre, and reading of dramatic literature. Gen Ed: E-3A or E-3B.

THE 391 Theatre History II. (3) II, A. Prerequisite: ENG 102, ENG 105(B), or HON 102. Examination of the development of theatre and dramatic literature from the English Restoration to the modern period. Emphasis will be placed on the social and historical events and applying knowledge of historical periods to create aesthetic judgment. Gen. Ed. E-3A or E-3B.

THE 430 Dramatic Literature. (3) A. Prerequisite: THE 110 or departmental approval. Major periods and genres of world dramatic literature, from the Greeks to the present; selected readings from the major playwrights, critics, and theorists. Credit will not be awarded for both THE 430 and ENG 450.

THE 455 Acting IV. (3) A. Prerequisites: THE 135; THE 235 or departmental approval. Advanced study and rehearsal in period styles. Practice in character analysis and technique for performance. Exact course content may vary with instructor or needs of students.

THE 490 Special Topics in Theatre Arts. (1-3) A. Prerequisite: approval. Presentation of course material of a timely, specialized or topical nature. Specific course orientation will appear beside title. May be retaken to a maximum of nine hours, if the course topic changes.

THE 495 Senior Seminar (1) A. Majors with senior standing only. A capstone experience in theatre. Synthesis of students' total theatre education as well as creation of a professional resume and correspondence techniques.

THE 499 Independent Study in Theatre Arts. (1-3) I, II. Prerequisite: departmental approval. Independent study in theatre production and research. May be retaken to a maximum of six hours. Student must have the independent study proposal form approved by faculty supervisor and program coordinator prior to enrollment.

TRS—Traffic Safety

TRAFFIC LAW ENFORCEMENT

Traffic Law Enforcement. (3) A. Prerequisite: OSH 261 or OSH 361. This course explores the history of the development of marine safety and health and the functioning regulations. Emphasis is placed on OSHA 29 CFR standards and USCGL Title 46 as resources.

1. TRS 407 Independent Study in Traffic Enforcement. (1-6) A. Designed to give the student the opportunity to develop specific competencies by designing and conducting research in the broad area of traffic safety, or by independent reading assignments in the area of traffic safety education. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours.

2. TRS 413 Current Developments in Driver and Traffic Safety. (3) A. Current problems, issues, trends, and developments in traffic safety are reviewed, analyzed, and evaluated.

3. TRS 487 Behavioral Approaches to Driver and Traffic Safety. (3) A. Designed to study, analyze, and develop behavioral objectives applied to driving task instruction with study and evaluation of individualized learning approaches for programs in driver education.

4. TRS 488 Particulate Pollution and Air Toxicology. (3) A. Designed to study, analyze, and develop a participant centered program to assess the impact of personal and professional variables on student performance.

5. TRS 490 Special Topics. (1-3) A. Prerequisite: departmental approval. Intensive study of selected topics in traffic and driver safety. May be retaken under different topics to a maximum of six hours.

6. TRS 588 Federal Traffic Safety. (3) A. Designed to develop in students the necessary concepts, principles, and competencies for use of two-wheeled motorized vehicles including minibikes, mopeds, and motorcycles. Motorcycles and helmets are provided.

7. TRS 595 Traffic Accident Investigation. (3) A. Designed to study, analyze, and develop behavioral objectives applied to driving task instruction with study and evaluation of individualized learning approaches for programs in driver education.

8. TRS 639 Marine Transportation Safety. (3) A. Prerequisite OSH 261 or OSH 361. This course explores the history of the development of marine safety and health and the functioning regulations. Emphasis is placed on OSHA 29 CFR standards and USCGL Title 46 as resources.

9. TRS 641 Current Developments in Driver and Traffic Safety. (3) A. Current problems, issues, trends, and developments in traffic safety are reviewed, analyzed, and evaluated.
VTS—Veterans Studies
Deanna Kasitz, Program Coordinator

VTS 300 Veterans in Society (3) A. Prerequisite: ENG 102 or 105(B) or HON 102; VTS 200 or equivalent proficiency. (Students entering VTS 300 by referral or placement receive three credit hours for VTS 200 if they make an “A” or “B” in 300.) Concentrated study of ‘veterans’ interactions and roles within society using the relational, cultural, and institutional dimensions of Veterans Studies. May include field trips. Required course for VTS certificate, concentration, or minor. Gen. Ed. E-6 (G).

NOTE: Students earning “A” or “B” in VTS 300 will be awarded credit for VTS 200, earning six hours of credit; thus completing General Education Element 6. Those earning “C” or “D” will earn three hours credit for VTS 300. Completing only half of the Element 6 requirements.

VTS 350 Special Topics: (3) A. Prerequisite: VTS 200. Exploration of topics not covered in the existing VTS curriculum. May be taken for a maximum of six hours provided the subject matter is different each time.

VTS 400 Veterans Studies Capstone Seminar (3) A. Prerequisites - VTS 200 and 12 hours of VTS dimensional electives. Instructor mentored seminar incorporating various gained knowledge concomitantly with course research to produce material presentable for publication and/or conference presentation. Class will organize a capstone symposium.

VTS 490 Independent Study (3) A. Prerequisite: VTS 200 and junior standing. Independent research and study in an area related to veterans studies. Independent study. May be repeated for a maximum of 12 hours. Minimum of eight hours employment required for each semester hour credit. No more than 3 hours may count toward VTS program.

WGS 350 Special Topics: (3) A. Prerequisite: WGS 200. Exploration of topics not covered in the existing WGS curriculum. May be taken for a maximum of six hours provided the subject matter is different each time.

WGS—Women and Gender Studies
Dr. Lisa Day, Director

WGS 132 Introduction to the Family. (3) A. Cross-listed as CDF 132. Ecological and systems approach applied to public and private family concepts; historical changes and current status; relationships among individuals, families, consumers, and communities; status of women, men, children and the elderly; public policy related to changes in the family. Credit will not be awarded for both WGS 132 and CDF 132.

WGS 201 Intro to Women & Gender Studies. (3) A. Prerequisite: VTS 200 and junior standing. Independent study. May be repeated for a maximum of 8 hours credit. Gen. Ed. E-6 (G).

WGS 232 Identity and Sexuality. (3) I, II. Cross-listed as CDF 232. An exploration of the changing attitudes about and among men/women and their effect on choices and interpersonal relationships. Emphasis will be on promotion and maintenance of positive mental, physical, emotional, and sexual development. Credit will not be awarded for both WGS 232 and CDF 232. Gen. Ed. E-6 (G).

WGS 300 Topics in Women and Gender Studies: (1-3) A. Intensive study of selected topics related to recognizing and validating the experiences of women and gender to society. May be repeated for a maximum of six hours provided the topics are different.

WGS 302 Gender, Sexuality, & Homophobia. (3) A. Prerequisite: WGS 132. Exploration of the diversity of lesbian, gay, bisexual and transgender (LGBTQ) identity, culture, and community. Analyze LGBT experiences and unmask assumptions based upon heterosexism, heteronormative perspectives and sexist realities. Credit will not be awarded for both WGS 302 and WGS 300 Special Topics. Gender, Sexuality & Homophobia.

WGS 303 Women in American History. (3) A. Cross-listed as HIS 303. Prerequisite: three hours HIS or departmental approval. Social, economic, and cultural role of women in America. Women’s work; social position and status; women in reform movements; feminism and the suffrage movements; the new feminism. Credit will not be awarded for both WGS 303 and HIS 303.

WGS 304 Gender Perspectives on Contemporary Terrorism (3) A. An interdisciplinary look at contemporary terrorism and U.S. policy. Analyzing the perception of women in the U.S. and elsewhere around the world, will focus on American, Iraqi, Afghan, Palestinian, and Muslim women. Credit will not be awarded for both WGS 304 and WGS 300 Special Topics: Gender Perspectives on Contemporary Terrorism.

WGS 305 Domestic Violence. (3) A. Cross-listed as CRJ 305. Prerequisite: CRJ 101 or departmental approval. Examination of the theoretical and empirical literature on violence against women, children, and elders. Addresses such issues as physical and sexual abuse of children, courtship violence, domestic violence, marital rape, and elder abuse. Credit will not be awarded for both WGS 305 and CRJ 305.

WGS 306 Masculinity & Popular Culture (3) A. Prerequisites: ENG 102 or 105 or HIS 102. Exploration of images and ideals of men and masculinity as they have evolved in popular culture due to race, class, culture, age, and sexuality. Credit will not be awarded for both WGS 306 and WGS 300 Special Topics: Masculinity & Popular Culture.

WGS 308 Trans Studies (3) A. Prerequisites: ENG 102 or 105(B) or HON 102. Introduction to emerging field of Trans Studies through examinations of history, theory, literature, and cultural perspectives. Credit will not be awarded for both WGS 308 and WGS 300 Special Topics: Transgender, Sexuality & Transsexuality.

WGS 309 Women and Trauma. (3) A. Prerequisites: ENG 102 or 105(B) or HON 102. A study of contemporary psychological trauma theories with analysis of historical and contemporary representations of trauma in film, fiction, poetry, and American culture. Credit will not be awarded for both WGS 309 and WGS 300 Women and Trauma.

WGS 331 Marriage and Intimate Relationships. (3) A. Cross-listed as CDF 331. The process within and types of intimate relationships in contemporary time and space. Topics include singlehood, partner selection, marriage, divorce, remarriage, long-enduring marriage, and factors which affect the success of intimate relationships. Credit will not be awarded for both WGS 331 and CDF 331.

WGS 345 Diversity and Criminal Justice. (3) A. Cross-listed as CRJ 345. Prerequisite: departmental approval. Contemporary race, gender, and other diversity issues and their relevance to criminal offenders, criminal justice system and the health justice system. Includes such issues as the civil rights and women’s movements, and equal opportunity. Credit will not be awarded for both WGS 345 and CRJ 345.

WGS 349 Applied Learning in Women and Gender Studies. (5-8) A. Prerequisite: approval of Director of Women and Gender Studies. Work in job placements related to Women and Gender Studies. One to eight hours credit. Minimum of 80 hours employment required for semester hour credit.

WGS 349 A-N Cooperative Study: Women and Gender Studies. (5-8) A. Prerequisite: approval of Director of Women and Gender Studies. Work in job placements related to Women and Gender Studies. One to eight hours credit. Minimum of 80 hours employment required for semester hour credit.

WGS 364 Women's Literature. (3) A. Cross-listed as ENG 364. Prerequisite: ENG 102 or 105(B) or HON 102. Study of selected literature by women writers from varying cultures, genres, and periods. Credit will not be awarded for both WGS 364 and ENG 364. Gen. Ed. E-6 (G).

WGS 365 Women, Gender, and Religion. (3) A. Cross-listed as REL 365. Prerequisite: ENG 102 or 105(B) or HON 102.
