Notifications

All statements in this publication are announcements of present policy only and are subject to change without prior notice. Nothing contained in this publication is intended to create nor shall be construed as creating a contract, either express or implied, or guarantee for any term or for any specific procedures.

Eastern Kentucky University is an Equal Opportunity/Affirmative Action employer and educational institution and does not discriminate on the basis of age, race, color, religion, sex, sexual orientation, disability, national origin or Vietnam era or other veteran status in the admission to, or participation in, any educational program or activity which it conducts. Any complaint arising by reason of alleged discrimination should be directed to the Equal Opportunity Office of Eastern Kentucky University (Jones Building, Room 106, CPO 37A, Richmond, KY 40475-3102, 859-622-8020 v/tdd), or to the Director of the Office for Civil Rights, U.S. Department of Education, Philadelphia, PA.

The Board of Regents of Eastern Kentucky University does hereby reaffirm the University’s commitment to providing educational opportunities to all qualified students regardless of economic or social status and ensuring that participation in all University sponsored activities will be administered in a way that furthers the principles of equal employment and educational opportunities.

Eastern Kentucky University does not discriminate on the basis of disability in the admission or access to educational opportunities, programs or activities. The Director of Services for Individuals with Disabilities, Turley House, Room 1, Eastern Kentucky University, Richmond, Kentucky 40475, coordinates compliance with all federal, state and local laws and regulations concerning access for disabled individuals. Requests for information concerning the Americans with Disabilities Act and other federal and state laws relating to disabilities and the rights provided thereunder, as well as all requests for accommodations based upon disability should be directed to this office.

Eastern Kentucky University is committed to providing a healthy and safe environment for its students, faculty and staff through its compliance with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendment of 1989. In accordance with these laws, students, faculty and staff are hereby notified of the standards of conduct which shall be applicable while on University property, on University business or at University sponsored activities.

By University rules and regulations, federal laws, state laws, and local ordinances, students, faculty and staff are prohibited from the unlawful possession, use, dispensation, distribution, or manufacture of illicit drugs on University property, on University business and/or at University sponsored activities.

Any member of the student body, faculty or staff who violates the University’s standards of conduct shall be subject to appropriate disciplinary action up to and including expulsion and/or termination. In addition to disciplinary sanctions, students or employees may face prosecution and imprisonment under federal and/or state laws which make such acts felony or misdemeanor crimes. The specifically defined standards of conduct, the disciplinary procedures and possible sanctions appear in the Student Handbook and the Faculty Handbook.

Expulsion of a students is permanent separation and removal from the University. The sanction of expulsion must be approved by the University president or the president’s designee; it requires a student to be withdrawn or failed from all classes, suspended from the residence halls or graduate housing (if applicable), banned from all University facilities (and subject to arrest for trespassing), rendered ineligible to register for any University class, and prohibited from participating in University activities. The student’s transcript will indicate that the student was expelled, with the notation: “Expelled - Ineligible to Return”.

Continuous efforts are made to make students, faculty and staff aware of the on-campus and off-campus programs which provide information and professional services on matters related to the abuse of alcohol and drugs. For additional information individuals should contact the Eastern Kentucky University Counseling Center.

Federal Regulations

(as amended)
PUBLIC LAW 93-380

This is to serve notice to all students of Eastern Kentucky University of the rights and restrictions regarding the maintenance, inspection, and release of student records contained in the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended. The University is composed of five colleges and offers a wide variety of services to students. Each college and service requires the maintenance of some records concerning students enrolled in a particular college or participating in a nonacademic service. The location and type of record maintained by the University depends upon the field of study or service in which the student is enrolled. The following is a list of the types of records maintained by the University for students:

1. Grade reports
2. Transcripts
3. Curriculum information
4. Applications for graduation
5. Correspondence with students, if any
6. Withdrawal records, if applicable
7. Admission forms
8. ACT test scores
9. Student teacher evaluations, if applicable
10. Letters of recommendation, if applicable
11. Nominations for awards if applicable
12. Biographical data
1. **Access to Records:** In general, the records maintained by the University are available only to the student, to University personnel with legitimate educational interests, to other institutions where the student is seeking financial aid, and to authorized representatives of the Comptroller General of the U.S., the Secretary of Education, or an administrative head of an education agency, in connection with an audit or evaluation of federally support programs, and as provided by Section 164.283 of the Kentucky Revised Statutes. However, information may be released by the institution to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other persons. Records may also be furnished in compliance with a judicial order or pursuant to a subpoena or with the consent of the student.

Students may inspect and review all records pertaining to them within forty-five (45) days of making request for same, except for (1) records created or maintained by a physician, psychiatrist, psychologist or other recognized professional or paraprofessional acting or assisting in a professional capacity in connection with treatment of the student (except that the student may have these records reviewed by a physician or appropriate professional designated by the student), (2) financial records of the student’s parents, (3) confidential letters and recommendations put in the files prior to January 1, 1975, and (4) confidential recommendations relating to admission, applications for employment, or honors, if the student has waived his/her right to review such records. Where a particular record cannot be reviewed by a student without revealing confidential information relating to other students, the records custodian will inform the student, upon request, of the contents of the record pertaining to that student.

Parents who claim a student as a dependent may present their federal tax declaration, in lieu of having the student’s written consent, to gain access to information concerning their children’s grades.

2. **Disciplinary Records** Disciplinary records are defined as those records (maintained in any format) which relate exclusively to violations of University General Regulations Governing Student Behavior which have been adjudicated through the office of Student Rights and Responsibilities. Complaints to the Office of Student Rights and Responsibilities which have been dismissed or withdrawn by the University are not considered disciplinary records. A student disciplinary record includes and is limited to: 1) violation report, 2) student notification letter, 3) sanction sheet, 4) notice of hearing, 5) students right form, 6) roll call of hearing participants in any hearing, 7) documents presented as evidence during any hearing, 8) record of Student Disciplinary Council hearing; 9) appeal letter with accompanying documents; and 10) final disposition of appeal.

3. **Directory Information:** The University may release information without the student’s consent where the information is classified as “directory information.” The following categories of information have been designated by the University as directory information: name, address (excluding EKU residence hall room number), telephone listing (excluding cell phone), email address, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, academic level (undergraduate or graduate), academic class (freshman, sophomore, junior, or senior), dates of attendance, enrollment status, degrees and awards received, student photo or likeness, and the most recent previous education institution attended by the student. Students who do not wish such information released without their consent should notify the Student Records Office in writing. Any such request should be sent to Office of the Registrar, Office of Academic Records/Transcripts, Eastern Kentucky University, Student Success Building Room 239, CPO 58, 521 Lancaster Avenue, Richmond, Kentucky 40475-3158.

4. **Notification of Rights Under FERPA for Postsecondary Institutions:** The Family Educational Rights and Privacy Act affords students certain rights with respect to their education records. All EKU students are informed of their FERPA rights each year during the fall term through an email notification sent to their official EKU email address. Each student’s FERPA rights are:

   1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

   2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.

   Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

   If the University decides not to amend the record as requested by the student, the University will notify the student of the decision.
and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning allege failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 600 Independence Avenue SW, Washington, DC 20202-4605.

5. Procedures for Challenge: A student who believes that any record maintained by the University pertaining directly to that student is inaccurate, misleading, or otherwise violative of the right of privacy of the student as provided by Title IV of Pub. L. 90-247, as amended, and Publ. L. 93-380 as amended by Senate Joint Resolution 40 (1974) may request a hearing before a panel of three persons appointed by the President of the University. The panel may direct that appropriate action be taken to correct, explain, or expunge the record(s) challenged.

Request for hearings should be addressed to the Office of University Counsel, Eastern Kentucky University, Coates Room 205, CPO 40A, 521 Lancaster Avenue, Richmond, Kentucky 40475-3102.

Student Right-To-Know Act
(Pub. L. 101-542)
Eastern Kentucky University
1999-2000

Section 103 of the Student Right-To-Know and Campus Security Act of 1990 (Public Law 101-542) as amended by the Higher Education Technical Amendments of 1991 (Public Law 102-26) requires public disclosure of relevant graduation rate information for students enrolled in colleges and universities receiving federal financial assistance annually beginning July 1, 1993. Graduation rate information is published each year in the University Handbook for Students or may be obtained upon request from the Office of the Senior Vice President for Academics and Provost, Coates Administration Building, Room 110, CPO 30A, 521 Lancaster Avenue, Richmond, Kentucky 40475-3102.

Introduction

Eastern Kentucky University is a regional, coeducational, public institution of higher education offering general and liberal arts programs, pre-professional and professional training in education and various other fields at both the undergraduate and graduate levels. Located in Richmond, Madison County, Kentucky, Eastern Kentucky University has a distinguished record of more than a century of educational service to the Commonwealth.

Situated near the heart of the Bluegrass, Richmond is served by a network of major highways which makes Eastern Kentucky University easily accessible from all parts of Kentucky and surrounding states. Richmond is 26 miles southeast of Lexington, Kentucky. Interstate Highways 1-75 (north-south) and I-64 (east-west) make the metropolitan areas of Cincinnati, 112 miles to the north, and Louisville, 110 miles to the west, within convenient distance by automobile. Richmond is also served by U.S. Route 25 from south Eastern Kentucky and Kentucky Route 52 from the east and west. The Kentucky Turnpike and the Mountain, Hal Rogers, and Cumberland Parkways provide even greater accessibility by automobile since the city is located near the convergence of these arterial highways into the interstate system.

Richmond, the county seat of Madison County, is an expanding community of approximately 30,000 population.

In and around Richmond are many areas of historic and scenic interest. Boonesborough State Park, birthplace of Kentucky, is located 12 miles to the north. Many other historical places are within easy driving distance. Scenic and recreational areas surround this section of the state.

History

The Kentucky General Assembly of 1906 enacted legislation establishing the Eastern Kentucky State Normal School. Governor J. C. Beckham signed the bill into law on March 21, 1906. On May 7 of that year, the Normal School Commission, meeting in Louisville, selected the campus of the old Central University, founded in 1874, in Richmond, Kentucky, as the site of the new school. On June 2, 1908, Ruric Nevel Roark was chosen President of the Normal School and the training of teachers was begun.

In 1922, Eastern Kentucky University became a four-year institution known as the Eastern Kentucky State Normal School and Teachers College. The first degrees were awarded by this institution in 1925. In 1928, the College was accredited by the Southern Association of Colleges and Secondary Schools. In 1930, the General Assembly renamed the school the Eastern Kentucky State Teachers College.

In 1935, a graduate program was approved at Eastern, leading to the Master of Arts degree in Education. In 1948, the General Assembly removed the word “Teachers” from the name of the college and granted the college the right to award nonprofessional degrees.

The most significant day since its founding came for Eastern on February 26, 1966, when Governor Edward T. Breathitt signed into law a bill renaming the institution Eastern Kentucky University (EKU) and sanctioning the awarding of graduate degrees in academic fields other than education.

During this period of time, Eastern Kentucky University has increased rapidly in size and stature. Beginning with a few students engaged in short review and certificate courses, the University today serves thousands of Kentuckians. The curriculum leads to associate degrees, baccalaureate degrees, and an expanding graduate program that currently offers degrees at the master’s level in many other fields as well as the already well-established Master of Arts degree in Education and the various fifth- and sixth-year leadership programs in education. Specialist degree programs have been implemented in education and psychology.

In 2008, EKU offered its first doctoral degree, the Doctor of Education (Ed.D.). Since that time, EKU also offers the Doctor of Nursing Practice (DNP) and the Occupational Therapy Doctorate (OTD).

Ever-mindful of the purpose of its founding, Eastern continues to recognize its historic function of preparing quality teachers for the elementary and secondary schools of the Commonwealth. However, a strong liberal arts curriculum leading to appropriate degrees, together with pre-professional courses in several areas and graduate programs, enable Eastern to serve the Commonwealth as a regional comprehensive university.

Mission Statement

As a school of opportunity, Eastern Kentucky University fosters personal growth and prepares students to contribute to the success and vitality of their communities, the Commonwealth, and the world.

Eastern Kentucky University is committed to access, equal opportunity, dignity, respect, and inclusion for all people, as integral to a learning environment in which intellectual creativity and diversity thrives.

Core Values

Eastern Kentucky University’s values shall permeate the mission and will be the fiber of the institution for it to achieve its vision.

Since its inception in 1874, Eastern Kentucky University (then known as Central University) has been driven by core values. Although its mission has evolved and expanded to meet the changing needs of citizens of the Commonwealth (and increasingly other places in the world), core values are still an integral part of the University community. Values are the code of organizational conduct. They guide decision-making in all parts of the University. They direct our actions and must inspire all of us in the EKU community to be true to them. The EKU community is committed to embodying these values in our policies and procedures in our day-to-day activities to accomplish our mission and achieve our vision. EKU has been and will continue to be guided by the following values when planning strategies and implementing decisions regarding the University community’s teaching, scholarly, and service activities.

Intellectual Vitality, which is characterized by knowledge, scholarly inquiry, creativity, critical thinking, and curiosity, all with a global perspective;

Sense of Community, which is characterized by a supportive environment with strong relationships and a commitment to service, shared governance, collaboration, and unity of purpose;

Cultural Competency, which is characterized by equitable opportunities and treatment, mutual respect, and the inclusion and
celebration of diverse peoples and ideas;

Stewardship of Place, by which the University enhances the intellectual capacity, economic vitality, environmental sustainability, and quality of life of the communities it serves;

Accountability, which is characterized by fiscal responsibility, operational transparency, and responsiveness to the needs of internal and external stakeholders; and

Excellence, which is achieved through integrity, continuous quality improvement, and a focused emphasis on the personal and professional growth of students, faculty, and staff.

### Vision

Eastern Kentucky University will be a premier university dedicated to innovative student engagement and success, advancing Kentucky, and impacting the world.

The vision expresses the principal ideal to which the University aspires and toward which it continually works. This vision statement for the University Strategic Plan was developed after gathering input from external and internal constituents, including top-down and bottom-up perspectives of EKU’s future.

### Institutional Goals

Eastern Kentucky University’s institutional goals give substance to our core values, vision statement, and mission statement. The goals impact all facets of university life, and accomplishment of them will help Eastern to become a leading comprehensive university in the Commonwealth with a national reputation for excellence.

- Academic Excellence
- Commitment to Student Success
- Institutional Distinction
- Financial Strength
- Campus Revitalization
- Service to Communities and Region

### Strategic Directions

**Make No Little Plans: A Vision for 2020**

With input from the University communities and the Strategic Planning Steering Committee, this plan outlines the areas we need to add, emphasize, or grow in order to achieve our vision of being a premier university dedicated to innovative student engagement and success, advancing Kentucky, and impacting the world.

#### Strategic Goal 1: Academic Excellence

- Strategic Direction 1.1: Invest in Our Faculty
- Strategic Direction 1.2: Promote Innovative Instruction and Programming
- Strategic Direction 1.3: Strengthen Academic Programs

#### Strategic Goal 2: Commitment to Student Success

- Strategic Direction 2.1: Invest in Our Students
- Strategic Direction 2.2: Focus on Strategic Enrollment
- Strategic Direction 2.3: Increase Efforts to Retain and Graduate Students

#### Strategic Goal 3: Institutional Distinction

- Strategic Direction 3.1: Invest in Our Staff
- Strategic Direction 3.2: Advance the EKU Brand
- Strategic Direction 3.3: Create a Dynamic, Diverse, and Inclusive University Culture

#### Strategic Goal 4: Financial Strength

- Strategic Direction 4.1: Optimize Campus Resources
- Strategic Direction 4.2: Increase External Support
- Strategic Direction 4.3:

#### Strategic Goal 5: Campus Revitalization

- Strategic Direction 5.1: Initiate and complete EKU Revitalization plan, which includes rehabilitation of existing facilities and construction of new ones with a focus on the EKU student experience.

#### Strategic Goal 6: Service to Communities and Region

- Strategic Direction 6.1: Become the 1st-Choice Partner in Regional Educational, Economic, Cultural, and Social Development
- Strategic Direction 6.2: Become Nationally Prominent in Fields with Regional Relevance
- Strategic Direction 6.3: Bring EKU to Our Service Region
- Strategic Direction 6.4: Bring Our Service Region to EKU

Kentucky Pre-College Curriculum ......................................................... 12
Student Residency ................................................................................ 13
Residency Appeals Policy and Procedures ............................................. 17
ADMISSION TO THE UNIVERSITY

GENERAL REQUIREMENTS FOR UNDERGRADUATE ADMISSION

All applicants must provide an application and evidence of appropriate scholastic achievement through prior educational experience.

Please note that certain degree programs have special admission requirements. Admission to the University does not mean automatic admission to all degree programs.

The completed application and all required supporting documentation must be received by the University no later than:
- August 1 for fall enrollment
- December 1 for spring enrollment
- May 1 for summer enrollment

To apply for undergraduate admission to Eastern Kentucky University (EKU), submit completed application materials noted below and the $35 application fee to: Office of Admissions, Whitlock Bldg. 112, CPO 54, 521 Lancaster Avenue, Eastern Kentucky University, Richmond, KY 40475-3154.

ADMISSION REQUIREMENTS FOR FIRST-TIME FRESHMEN

GUARANTEED ADMISSION

Students who meet the following criteria will be granted full admission to the University:

Have graduated from an accredited high school earning a minimum cumulative high school grade point average of 2.5 on a 4.0 scale.¹

AND

Have submitted a minimum ACT or SAT score of:²

• ACT English: 18+ or SAT Evidence Based Reading/Writing: 490
• ACT Math: 19+ or SAT Math 480
• ACT Reading: 20+ or SAT Evidence Based Reading/Writing: 490

AND

Meet the Kentucky Pre-College Curriculum

AND

Have submitted an official six-semester high school transcript, or a General Equivalency Diploma (GED), or documentation indicating completion of an EKU approved home-school or distance learning high school program.³

¹All students must submit official test scores at the time of application.
²Adult Learners (21 years of age or older) may use Residual ACT, or University Placement Exam results in place of ACT or SAT scores.
³Students must submit final high school transcripts that show graduation.

DIRECTED ADMISSION

Students who meet the criteria for guaranteed admission and have ACT (or equivalent SAT) subject scores below 18 in English or 20 in reading, or are missing Pre-College Curriculum requirements, will be granted admission to the University in this category.

Students who have an ACT (or equivalent SAT) subject scores at or above 16 in Mathematics, 14 in English, or 14 in Reading will be granted Success First Admission and must successfully complete directed coursework during the first academic year. Students who submitted test scores subsequent to admission demonstrating proficiency at or above the indicated scores will be permitted to register for fall classes.

SUCCESS FIRST ADMISSION

Students who do not meet the specified criteria for guaranteed or directed admission and/or have a high school GPA of 2.0-2.49 on a 4.0 scale may be granted admission to the University through the Success First Initiative. Students will be admitted to associate level programs initially until they demonstrate academic success. Refer to Success First Initiatives on page 44 in the College Readiness section for further details.

NOTE: All admitted students must meet the state-mandated college readiness standards for all subjects prior to registering for classes, or they must enroll in required preparatory coursework beginning their first academic semester.

ADMISSION ON APPEAL

Students who apply but are denied admission to the University may submit a written appeal to the Admissions Appeals Committee.

The committee will carefully consider all aspects of the applicant’s situation, including academic record, ACT or SAT scores that indicate the applicant has met benchmark in the academic readiness areas of English, mathematics, and/or reading and desire to attend EKU, as presented in the appeal request.

If granted admission by the committee, students will partner with an academic success coach and sign a Student Success Agreement specifying academic expectations and requirements for remaining enrolled at the University.

The admissions appeal form and information regarding the appeals process can be found on the EKU Admissions website or in the Office of Admissions. For more information regarding the Student Success Agreement, see that portion of the catalog.

EASTERN BRIDGE SUCCESS FIRST PROGRAM

Refer to the Academic Readiness section.

REQUIREMENTS FOR INTERNATIONAL STUDENTS

International applicants must also submit:

(1) International application for admission and application fee.
(2) TOEFL Scores—minimum requirement 530 (paper based), 195 (computer based), or 72 (internet based with no band score below 16) OR Official IELTS Scores—must have at least 5.0 in all categories and 6.0 overall. Prospective Japanese students may qualify with an EIKEN test score of Pre-1. Eastern Kentucky University will accept completion of level 112 from any English Language Services (ELS) program in lieu of TOEFL/IELTS Scores. Students may also submit ACT or SAT scores with reading and English scores for consideration as

2018-2019 EKU UNDERGRADUATE CATALOG  9
**Requirements for Admission as a Transfer Student**

To be admitted as a transfer student, you must:

1. Submit a final official transcript from each regionally accredited institution you have attended. Eastern Kentucky University does not accept credits from institutions that are not regionally accredited. Note that the transcript must be sent from the student's institution to Eastern Kentucky University's Office of Admissions. Hand-carried transcripts will not be accepted. See Section Five of this catalog for information regarding transfer course credit.

2. Have a 2.0 grade point average (GPA) on a 4.0 scale on all work from accredited institutions.

3. Provide evidence that you are eligible to return to any institution you have previously attended when good academic standing is not indicated on the official transcript.

4. Students with less than 24 college academic credits awarded since high school graduation will be considered first time freshmen for admissions purposes and will need to also submit ACT scores and high school transcripts. A student's college coursework and academic performance will be considered in determining admissibility. While ACT scores are not required for transfer students with greater than 24 credit hours earned since high school graduation, students are encouraged to submit scores for proper course placement in English, mathematics, and reading courses. If proficiency in English, mathematics, and/or reading cannot be established by a review of the college transfer record, students will be required to prove proficiency through testing or appropriate course completion. Questions may be directed to the Office of Academic Readiness, 859-622-1892.

5. Official College or University transcripts (Photocopies of academic documents are not considered official unless they carry an original signature and stamp of authorization from the issuing institution). You must have a minimum institutional GPA of 2.0 and at least 24 credit hours from an accredited institution. University level courses taken at institutions outside of the U.S. must be evaluated by one of the following outside agencies ECE (https://www.ece.org/ECE) or JSilny and Associates (www.jsilny.com). Questions regarding the process of foreign transcript evaluation may be directed to the Office of Admissions. **Photo copies are not accepted.**

6. Application fee of $35.

*Note: Eastern Kentucky University subscribes fully to the policies of the “General Education Transfer Agreement” of the Kentucky Council on Postsecondary Education. Thus, Eastern Kentucky University will apply courses transferred from Kentucky public institutions to its general education requirements in accord with those policies.

**Requirements for Readmission**

All previously enrolled EKU undergraduate students who have not attended Eastern Kentucky University for a period longer than 24 months must apply and be approved for readmission to the University before being allowed to continue taking classes.

Students who wish to return to EKU, who do not meet the established institutional GPA (see Good Academic Standing table on page 47), will return on Academic Probation status. These students will be assigned an academic coach in the Office of University Advising, and will develop an academic success plan with their coach before being allowed to register for classes. Continued enrollment is contingent upon adherence to their signed academic Student Success Agreement and meeting EKU Academic Standards Policy.

Students who wish to return to EKU but left with a GPA of less than a 1.5 must appeal for readmission through the Admissions Appeal Committee, in addition to submitting an application for readmission to the Office of Admissions. The form and instructions for an appeal for readmission can be found on the EKU Registrar’s website (http://www.registrar.eku.edu/Forms; Academic Standing/Readmit Appeals Form).

If the student’s appeal is approved he/she will be readmitted upon submitting an application for readmission. Both the application to the Office of Admissions, and the appeal to the Admissions Appeal Committee may be submitted simultaneously. The Admissions Appeal Committee may require an in-person interview during the appeal consideration process. If their appeal to return to EKU is approved these students will return on Academic Probation status. They will be assigned an academic coach in the Office of University Advising, and will develop an academic success plan with their coach before being allowed to register for classes. Continued enrollment is contingent upon adherence to their signed academic Student Success Agreement and meeting EKU Academic Standards Policy.

If a student has attended another institution since leaving EKU, and has been out of the University for a period longer than 24 months, his/her return to EKU will be considered under the readmission guidelines above instead of the student being considered a transfer student.

Former students with ACT subscores less than English 14, Mathematics 16, and/or Reading 14 who did not formerly complete academic readiness needs through EKU coursework will have to prove proficiency for entry into a credit-bearing Academic Readiness course.

Students who were dismissed under the former Developmental Dismissal policy must submit documentation (a transcript or official test scores) indicating that proficiency has been earned for any needed developmental coursework before they may be readmitted to the University.

See the “Stopping Out” procedure in Section Five for additional information.
OTHER TYPES OF ADMISSION

1. High School Specials

Students who have one unit less than the number required for high school graduation with superior grades (i.e., 3.0+ grade point average) may be admitted upon the written recommendation of the high school principal or guidance counselor.

2. EKU Dual Credit

EKU’s dual credit program is open to high school juniors and seniors, residing within Kentucky, who meet eligibility requirements, and whose school is partnering with EKU through a memorandum of agreement. Dual credit programs are designed to reduce degree cost and time to degree for Kentucky students. Academically strong high school students may qualify for reduced or free tuition. (See EKU Now! section below.)

Dual Credit students may enroll in a maximum of 2 courses per fall and spring semester of their junior and senior years in high school at the reduced dual credit tuition rate. They also may take advantage of the EKU “Summer 2” term, for a maximum of one course, at the reduced dual credit tuition rate, during the summer. A maximum of eight courses in total may be taken at the dual credit tuition rate.

Students may enroll at any EKU campus offering applicable courses. Courses may include general education courses or departmentally approved introductory courses for specific majors. Students may attend approved EKU courses on high school campuses via face-to-face, E-Presence, or online instruction. Students are required to meet all course pre-requisites. EKU Dual Credit courses offered in the high school are to be composed only of students enrolled for EKU Credit.

To qualify for EKU’s Dual Credit Program, high school juniors or seniors must have a 3.0 high school GPA and have ACT/PLAN scores on file with EKU at the time of application. Students must have minimum ACT/PLAN subscores of 18 in English and 20 in Reading, with a minimum ACT/PLAN composite score of 20.

To apply for EKU Dual Credit, students must submit an online Dual Credit application, ACT scores and a high school transcript by the application deadline specified for each semester. A new application and supporting documentation must be submitted each academic year to continue. EKU waives the application fee for Dual Credit admission.

Dual Credit students will attend special advising sessions and register for courses during a specified period prior to the beginning of an academic semester. Advising and registration sessions will be available on each of EKU’s participating campuses.

Continued participation in EKU’s Dual Credit program is dependent upon successful completion of courses. Dual Credit students are expected to maintain a 2.0 minimum institutional GPA. Students who earn a “D” or an “F” in a course(s) will be required to successfully repeat the course(s) and earn a 2.0 term GPA in order to continue in the Dual Credit program. Students who elect to repeat a course will contact the Office of the Registrar for registration approval and assistance. Students repeating courses will be charged full dual credit tuition.

EKU Now! is a scholarship program for dual credit students which provides the opportunity for qualifying juniors and seniors to earn free college credit. High school juniors and seniors with a 3.0 high school GPA, ACT/PLAN composite score of 21 and above, and ACT/PLAN scores of 18 in English, 19 in Math, and 20 in Reading are eligible to receive a dual credit scholarship for one course per semester. This scholarship will pay full dual credit tuition. EKU Now! participants who successfully maintain academic eligibility may earn scholarships for up to five free EKU courses and may include one summer course.

EKU Now! participants who maintain a minimum 3.5 unweighted high school GPA and a 23 ACT composite can earn an additional four dual credit scholarships, one per semester, tuition free. These students will be designated Whitlock Scholar Candidates. Additional information regarding Whitlock Scholars can be obtained by calling 859-622-6532.

All dual credit students are responsible for the cost of textbooks and parking permits when applicable. Students electing to use the Student Recreation Center may request that this fee be added to their accounts.

NOTE: KYOTE test scores, EKU Placement Test scores, PARCC, ALEKS Mathematics, or Smarter Balanced scores may be substituted for ACT sub-scores. EKU Dual Credit scholarships will be applied after any KY Dual Credit Scholarships offered through KHEAA. When applicable, SAT conversion scores may be determined by EKU’s Department of Academic Testing. Additional information on academic readiness scores is available from EKU Academic Testing: 859-622-1281 or visit http://developmentaleducation.eku.edu/

Exceptions to the junior/senior status will be taken into consideration when a student meets one of the dual credit scholarship levels. Exceptions must be approved in writing by the high school principal. A student’s academic and social maturity should be considered for the success of the student. The request will be routed through the Office of the Senior Vice President for Academics and Provost for final approval. These students may enroll in one course per semester prior to their junior and senior years in high school.

Exceptions to the high school GPA requirement for juniors and seniors will be taken into consideration upon the written recommendation of the high school principal. The request will be routed through the Office of the Senior Vice President for Academics and Provost for final approval. High schools may have a maximum of 2% of their EKU Dual Credit enrollment (or two students, whichever is higher) participating under the high school GPA exception.

3. Early High School Graduates

- Applicants must meet full admissions requirements to the university:
  - A minimum GPA of 2.5 on a 4.0 scale
  - Must meet Kentucky college readiness standards on ACT: English 18, Math 19, Reading 20
  - A complete application consists of:
    - EKU Application (online or paper)
    - An Official High School Transcript
    - ACT or SAT Scores
    - $35 Application Fee
- Applicants must have a date of graduation prior to the start of your intended term of entry. If the high school transcript does not include an expected graduation date, we may need additional time to follow up with your high school.
  - The high school transcript must reflect that the student
SECTION TWO - ADMISSION AND RESIDENCY

has completed at least 75% of our recommended high school course work (equivalent to completion of junior year) before we can make decision. For most early graduates, we expect to see at least six semester of high school work completed, though we may review transcripts with just five semesters completed for applicants graduating a full year early.

- A letter from the applicant’s counselor, on official letterhead, stating that early graduation has been approved by the High School. If the student is completing early graduation through the State of Kentucky, a Letter of Intent must be completed as well.
- Admission is conditional until a final, official high school transcript has been received. Admitted students are not able to register for the second semester of enrollment until a final, official transcript has been received.

4. Visiting Students

If you are a student at another institution and wish to enroll at Eastern Kentucky University as a visiting, or “transient,” student, you may be admitted by submitting an official transcript or a statement indicating that you are eligible to return to your institution.

5. Admission as a Non-Degree Student

Upon submission of an application, you may be admitted as a non-degree student. If so admitted,

(1) Your eligibility for enrollment in specific courses will be dependent upon meeting the stated course prerequisites.
(2) You must meet with an academic advisor to be advised and receive a RAC number;
(3) You will not be eligible to receive financial assistance awards.

If you subsequently decide to pursue a degree, you must reapply for admission as a degree seeker. If you are thus admitted,

(1) You will be required to remediate all pre-college curriculum deficiencies and to satisfy all Eastern Kentucky University academic readiness requirements.

6. O’Donnell Scholarship Recipients

If you are at least 65 years of age, you may be admitted to Eastern Kentucky University with a waiver of tuition. You need submit only an application for admission.

7. Home-Schooled Students

Eastern Kentucky University applies the same admissions requirements to home-schooled students as those who graduate from a public or private high school.

Home-schooled students are subject to the secondary education standards established by the Kentucky Department of Education and the Kentucky Council on Post Secondary Education. This includes meeting the curriculum guidelines of the State approved Pre-College Curriculum.

In order to gain admission to Eastern Kentucky University, in addition to the application and application fee, these students must submit a copy of their official transcript demonstrating they have met the PCC curriculum and have a minimum cumulative GPA of 2.0 on a 4.0 scale. They must also submit an official ACT or SAT score report.

8. International Baccalaureate

Students who complete the International Baccalaureate Diploma may present their official exam results for demonstration of completion of secondary education. Based on the exam scores received, students will qualify for advanced academic placement (See Section Four General Academic Information or www.testing.eku.edu).

KENTUCKY PRE-COLLEGE CURRICULUM

The Kentucky Pre-College Curriculum (PCC) is defined by the Kentucky Council on Postsecondary Education (CPE) as a prescribed set of high school courses required for admission to an associate or baccalaureate degree program at a Kentucky public university. The PCC better prepares students for college-level work and reflects high school graduation requirements established by the state of Kentucky, which include: 4 credits of English/Language Arts; 3 credits of Mathematics; 3 credits of Social Studies; 3 credits of Science; 2 credits or demonstrated competency in a World Language; 1 credit of History of Appreciation of Visual and Performing Arts; a ½ credit of Health; and a ½ credit of Physical Education.

Students under 21 years of age must complete the Pre-College Curriculum if they are admitted to the University as a degree seeking student, transfer to EKU with fewer than 24 credit hours, or transfer to the University with a GPA less than 2.0 on a 4.0 scale. PCC deficiencies must be remediated via placement in the appropriate General Education courses before college graduation.

- Students with a pre-college curriculum deficiency in World Languages are required to complete six credit hours of an approved World Language. All six credit hours must be earned in the same World Language*.
- Students with PCC deficiencies in other subject areas (English, Mathematics, Social Studies, Science) will remediate those needs by following the EKU General Education curriculum.

Questions about Kentucky Pre-College Curriculum requirements may be directed to any of the following offices: Academic Readiness, Admissions, or Advising.

*EKU Courses to Satisfy World Language Pre-College Curriculum Requirements:

<table>
<thead>
<tr>
<th>Code</th>
<th>Deficiency Area</th>
<th>Course(s) Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>FORL</td>
<td>World Languages</td>
<td>ASL 101, 102, FLS 101, 102, FRE 101, 102, GER 101, 102, JPN 101, 102, LAT 101, 102, SPA 101, 102.</td>

</table>

Transfer students who have completed 6 hours in another World Language, such as Chinese, Portuguese, Urdu, etc. will be considered as having met the World Languages PCC.

*Courses also count toward degree credit.
STUDENT RESIDENCY

Since registration and other fees and residence hall room rents are subject to change periodically, no attempt is made in this publication to itemize these costs. This information is available from the Office of Admissions prior to the beginning of each academic year.

Any veteran of the Armed Forces of the United States or National Guard who is eligible for Post-9/11 GI Bill® benefits who enrolls as a student in the university as a non-Kentucky resident will be charged no more than the maximum tuition reimbursement provided under the Post-9/11 GI Bill® to public universities for eligible Kentucky residents. Veterans must submit a DD-214 or VA Certificate (Letter) of Eligibility for Post 9-11 (Chapter 33) GI Bill® benefits through the Office of Military and Veterans Affairs to the Office of Admissions to validate their eligibility for this provision.

STATUTORY AUTHORITY: KRS 164.020(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 164.020(8) requires the Council on Postsecondary Education to determine tuition and approve the minimum qualifications for admission to a state-supported postsecondary education institution and authorizes the Council to set different tuition amounts for residents of Kentucky and for nonresidents. This administrative regulation establishes the procedure and guidelines for determining the residency status of a student who is seeking admission to, or who is enrolled at, a state-supported postsecondary education institution.

Section 1. Definitions.

(1) “Academic term” means a division of the school year during which a course of studies is offered, and includes a semester, quarter, or single consolidated summer term as defined by the institution.

(2) “Continuous enrollment” means enrollment in a state-supported postsecondary education institution at the same degree level for consecutive terms, excluding summer term, since the beginning of the period for which continuous enrollment is claimed unless a sequence of continuous enrollment is broken due to extenuating circumstances beyond the student’s control, such as personal illness or injury, or illness or death of a parent.

(3) “Degree level” means enrollment in a course or program which could result in the award of a:
   (a) Certificate, diploma, or other program award at an institution;
   (b) Baccalaureate degree or lower, including enrollment in a course by a nondegree-seeking postbaccalaureate student;
   (c) Graduate degree or graduate certification other than a first-professional degree in law, medicine, dentistry, or “Pharm. D”; or
   (d) Professional degree in law, medicine, dentistry, or “Pharm. D”.

Section 2. Scope.
SECTION TWO - ADMISSION AND RESIDENCY

(1) State-supported postsecondary education institutions were established and are maintained by the Commonwealth of Kentucky primarily for the benefit of qualified residents of Kentucky. The substantial commitment of public resources to postsecondary education is predicated on the proposition that the state benefits significantly from the existence of an educated citizenry. As a matter of policy, access to postsecondary education shall be provided so far as feasible at reasonable cost to a qualified individual who is domiciled in Kentucky and who is a resident of Kentucky.

(2) In accordance with the duties established in KRS 164.020, the Council on Postsecondary Education may require a student who is neither domiciled in, nor a resident of, Kentucky to meet higher admission standards and to pay a higher level of tuition than resident students.

(3) Unless otherwise indicated, this administrative regulation shall apply to all student residency determinations, regardless of circumstances, including residency determinations made by:
   (a) The state-supported institutions for prospective and currently-enrolled students;
   (b) The Southern Regional Education Board for contract spaces;
   (c) Reciprocity agreements, if appropriate;
   (d) The Kentucky Virtual University;
   (e) Academic common market programs;
   (f) The Kentucky Educational Excellence Scholarship Program; and
   (g) Other state student financial aid programs, as appropriate.

Section 3. Determination of Residency Status; General Rules.

(1) A determination of residency shall include:
   (a) An initial determination of residency status by an institution:
      1. During the admission process;
      2. Upon enrollment in an institution for a specific academic term; or
      3. For admission into a specific academic program;
   (b) A reconsideration of a determination of residency status by an institution based upon a changed circumstance; or
   (c) A formal hearing conducted by an institution upon request of a student after other administrative procedures have been completed.

(2) An initial determination of residency status shall be based upon:
   (a) The facts in existence when the credentials established by an institution for admission for a specific academic term have been received and during the period of review by the institution;
   (b) Information derived from admissions materials;
   (c) If applicable, other materials required by an institution and consistent with this administrative regulation; and
   (d) Other information available to the institution from any source.

(3) An individual seeking a determination of Kentucky residency status shall demonstrate that status by a preponderance of the evidence.

(4) A determination of residency status shall be based upon verifiable circumstances or actions.

(5) Evidence and information cited as the basis for Kentucky domicile and residency shall accompany the application for a determination of residency status.

(6) A student classified as a nonresident shall retain that status until the student is officially reclassified by an institution.

(7) A student may apply for a review of a determination of residency status once for each academic term.

(8) If an institution has information that a student’s residency status may be incorrect, the institution shall review and determine the student’s correct residency status.

(9) If the Council on Postsecondary Education has information that an institution’s determination of residency status for a student may be incorrect, it may require the institution to review the circumstances and report the results of that review.

(10) An institution shall impose a penalty or sanction against a student who gives incorrect or misleading information to an institutional official, including payment of nonresident tuition for each academic term for which resident tuition was assessed based on an improper determination of residency status. The penalty or sanction may also include:
   (a) Student discipline by the institution through a policy written and disseminated to students; or
   (b) Criminal prosecution.

Section 4. Presumptions Regarding Residency Status.

(1) In making a determination of residency status, it shall be presumed that a person is a nonresident if:
   (a) A person is, or seeks to be, an undergraduate student and admissions records show the student to be a graduate of an out-of-state high school within five (5) years prior to a request for a determination of residency status;
   (b) A person’s admissions records indicate the student’s residence to be outside of Kentucky when the student applied for admission;
   (c) A person moves to Kentucky primarily for the purpose of enrollment in an institution;
   (d) A person moves to Kentucky and within twelve (12) months enrolls at an institution more than half time;
   (e) A person has a continuous absence of one (1) year from Kentucky; or
   (f) A person attended an out-of-state higher education institution during the past academic year and paid instate tuition at that institution.

(2) A presumption arising from subsection (1) of this section shall only be overcome by preponderance of evidence sufficient to demonstrate that a person is domiciled in and is a resident of Kentucky.

Section 5. Determination of Whether a Student is Dependent or Independent.

(1) In a determination of residency status, an institution shall first determine whether a student is dependent or independent. This provision shall be predicated on the assumption that a dependent person lacks the financial ability to live independently of the person upon whom the student is dependent, and therefore, lacks the ability to form the...
requisite intent to establish domicile. A determination that a student is independent shall be one (1) step in the overall determination of whether a student is or is not a resident of Kentucky.

(2) In determining the dependent or independent status of a person, the following information shall be considered, as well as other relevant information available when the determination is made:

(a) Whether the person has been claimed as a dependent on the federal or state tax returns of a parent or other person for the year preceding the date of application for a determination of residency status; or

(b) Whether the person has financial earnings and resources independent of a person other than an independent spouse necessary to provide for the person’s sustenance.

(3) An individual who enrolls at an institution immediately following graduation from high school and remains enrolled shall be presumed to be a dependent person unless the contrary is evident from the information submitted.

(4) Domicile may be inferred from the student’s permanent address, parent’s mailing address, or location of high school of graduation.

(5) Marriage to an independent person domiciled in and who is a resident of Kentucky shall be a factor considered by an institution in determining whether a student is dependent or independent.

(6) Financial assistance from, or a loan made by, a parent or family member other than an independent spouse, if used for sustenance of the student:

(a) Shall not be considered in establishing a student as independent; and

(b) Shall be a factor in establishing that a student is dependent.

Section 6. Effect of a Determination of Dependent Status on a Determination of Residency Status.

(1) The effect of a determination that a person is dependent shall be:

(a) The domicile and residency of a dependent person shall be the same as either parent. The domicile and residency of the parent shall be determined in the same manner as the domicile and residency of an independent person; and

(b) The domicile and residency of a dependent person whose parents are divorced, separated, or otherwise living apart shall be Kentucky if either parent is domiciled in and is a resident of Kentucky regardless of which parent has legal custody or is entitled to claim that person as a dependent pursuant to federal or Kentucky income tax provisions.

(2) If the parent or parents of a dependent person are Kentucky residents and are domiciled in Kentucky, but subsequently move from the state:

(a) The dependent person shall be considered a resident of Kentucky while in continuous enrollment at the degree level in which currently enrolled; and

(b) The dependent person’s residency status shall be reassumed if continuous enrollment is broken or the current degree level is completed.

Section 7. Member or Former Member of Armed Forces of the United States, Spouse and Dependents; Effect on a Determination of Residency Status.

(1) A member, spouse, or dependent of a member whose domicile and residency was Kentucky when inducted into the Armed Forces of the United States, and who maintains Kentucky as home of record and permanent address, shall be entitled to Kentucky residency status:

(a) During the member’s time of active service; or

(b) If the member returns to this state within six (6) months of the date of the member’s discharge from active duty.

(2) (a) A member of the armed services on active duty for more than thirty (30) days and who has a permanent duty station in Kentucky shall be classified as a Kentucky resident and shall be entitled to in-state tuition as shall the spouse or a dependent child of the member.

(b) A member, spouse, or dependent of a member shall not lose Kentucky residency status if the member is transferred on military orders while the member, spouse, or dependent requesting the status is in continuous enrollment at the degree level in which currently enrolled.

(3) Membership in the National Guard or civilian employment at a military base alone shall not qualify a person for Kentucky residency status under the provisions of subsections (1) and (2) of this section. If a member of the Kentucky National Guard is on active duty status for a period of not less than thirty (30) days, the member shall be considered a Kentucky resident, as shall the spouse or a dependent child of the member.

(4) A person eligible for benefits under the federal Post-9/11 Veterans Educational Assistance Act of 2008, 38 U.S.C. 3301-3325, or any other educational benefits provided under Title 38 of the United States Code shall be entitled to Kentucky resident status for purposes of tuition charged at state-supported institutions.

(5) A person’s residency status established pursuant to this section shall be reassessed if the qualifying condition is terminated.

Section 8. Status of Nonresident Aliens; Visas and Immigration.

(1) (a) A person holding a permanent residency visa or classified as a political refugee shall establish domicile and residency in the same manner as another person.

(b) Time spent in Kentucky and progress made in fulfilling the conditions of domicile and residency prior to obtaining permanent residency status shall be considered in establishing Kentucky domicile and residency.

(2) A person holding a nonimmigrant visa with designation A, E, G, H-1, H-4 if accompanying a person with an H-1 visa, I, K, L, N, R, shall establish domicile and residency in the same as another person.

(3) A person holding a nonimmigrant visa with designation B, C, D, F, H-2, H-3, H-4 if accompanying a person with an H-2 or H-3 visa, J, M, O, P, Q, S, TD, or TN shall not be classified as a Kentucky resident because that person does not have the capacity to remain in Kentucky.
indefinitely and therefore cannot form the requisite intent necessary to establish domicile as defined in Section 1(6) of this administrative regulation.

(b) A dependent person holding a visa as described in paragraph (a) of this subsection, but who is a dependent of a parent holding a visa as described in subsection (2) of this section, shall be considered as holding the visa of the parent.

(c) A dependent person holding a visa described in subsection (2) of this section or paragraph (a) of this subsection, if a parent is a citizen of the United States and is a resident of and domiciled in Kentucky, shall be a resident of Kentucky for the purposes of this administrative regulation.

(4) A person shall be a Kentucky resident for the purpose of this administrative regulation if the person graduated from a Kentucky high school and:
(a) Is an undocumented alien;
(b) Holds a visa listed in subsections (2) or (3)(a) of this section; or
(c) Is a dependent of a person who holds a visa listed in subsections (2) or (3)(a) of this section.

(5) (a) Except as provided in paragraph (b) of this subsection, a person who has petitioned the federal government to reclassify visa status shall continue to be ineligible until the petition has been granted by the federal government.
(b) A person who has petitioned the federal government to reclassify his or her visa status based on marriage to a Kentucky resident and who can demonstrate that the petition has been filed and acknowledged by the federal government, may establish Kentucky domicile and residency at that time.

Section 9. Beneficiaries of a Kentucky Educational Savings Plan Trust.
A beneficiary of a Kentucky Educational Savings Plan Trust shall be granted residency status if the beneficiary meets the requirements of KRS 164A.330(6).

Section 10. Criteria Used in a Determination of Residency Status.

(1)(a) A determination of Kentucky domicile and residency shall be based upon verifiable circumstances or actions.
(b) A single fact shall not be paramount, and each situation shall be evaluated to identify those facts essential to the determination of domicile and residency.
(c) A person shall not be determined to be a Kentucky resident by the performance of an act that is incidental to fulfilling an educational purpose or by an act performed as a matter of convenience.
(d) Mere physical presence in Kentucky, including living with a relative or friend, shall not be sufficient evidence of domicile and residency.
(e) A student or prospective student shall respond to all requests for information regarding domicile or residency requested by an institution.

(2) The following facts, although not conclusive, shall have probative value in their entirety and shall be individually weighted, appropriate to the facts and circumstances in each determination of residency:
(a) Acceptance of an offer of full-time employment or transfer to an employer in Kentucky or contiguous area while maintaining residence and domicile in Kentucky;
(b) Continuous physical presence in Kentucky while in a nonstudent status for the twelve (12) months immediately preceding the start of the academic term for which a classification of Kentucky residency is sought;
(c) Filing a Kentucky resident income tax return for the calendar year preceding the date of application for a change in residency status; or
(d) Full-time employment of at least one (1) year while living in Kentucky;
(e) Attendance as a full-time, nonresident student at an out-of-state institution based on a determination by that school that the person is a resident of Kentucky;
(f) Abandonment of a former domicile or residence and establishing domicile and residency in Kentucky with application to or attendance at an institution following and incidental to the change in domicile and residency;
(g) Obtaining licensing or certification for a professional and occupational purpose in Kentucky;
(h) Payment of real property taxes in Kentucky;
(i) Ownership of real property in Kentucky, if the property was used by the student as a residence preceding the date of application for a determination of residency status;
(j) Marriage of an independent student to a person who was domiciled in and a resident of Kentucky prior to the marriage; and
(k) The extent to which a student is dependent on student financial aid in order to provide basic sustenance.

(3) Except as provided in subsection (4) of this section, the following facts, because of the ease and convenience in completing them, shall have limited probative value in a determination that a person is domiciled in and is a resident of Kentucky:
(a) Kentucky automobile registration;
(b) Kentucky driver’s license;
(c) Registration as a Kentucky voter;
(d) Long-term lease of at least twelve (12) consecutive months of noncollegiate housing; and
(e) Continued presence in Kentucky during academic breaks.

(4) The absence of a fact contained in subsection (3) of this section shall have significant probative value in determining that a student is not domiciled in or is not a resident of Kentucky.

Section 11. Effect of a Change in Circumstances on Residency Status.

(1) If a person becomes independent or if the residency status of a parent or parents of a dependent person changes, an institution shall reassess residency either upon a request by the student or a review initiated by the institution.

(2) Upon transfer to a Kentucky institution, a student’s residency status shall be assessed by the receiving institution.

(3) A reconsideration of a determination of residency status for a dependent person shall be subject to the provisions for continuous enrollment, if applicable.

Section 12. Student Responsibilities.

(1) A student shall report under the proper residency classification, which includes the following actions:
(a) Raising a question concerning residency classification; 
(b) Making application for change of residency classification 
with the designated office or person at the institution; and 
(c) Notifying the designated office or person at the institution 
immediately upon a change in residency. 
(2) If a student fails to notify an institutional official of a change 
residency, an institutional official may investigate and 
evaluate the student’s residency status. 
(3)(a) If a student fails to provide, by the date specified by the 
institution, information required by an institution in a 
determination of residency status, the student shall be notified 
by the institution that the review has been canceled and that a 
determination has been made. 
(b) Notification shall be made by registered mail, return receipt requested. 
(c) Notification shall be made within ten (10) calendar days 
after the deadline for receipt of materials has passed. 
(4)(a) The formal hearing conducted by an institution and the final 
recommended order shall be a final administrative 
action with no appeal to the Council on Postsecondary 
Education. 
(b) A formal administrative hearing conducted by the Council 
on Postsecondary Education for residency determinations 
related to eligibility for the Academic Common Market and 
Regional Contract Programs shall be conducted pursuant to 
the provisions of KRS Chapter 13B and 13 KAR 2:070. The 
recommended order issued by the President of the Council 
shall be a final administrative action. 
(5) A student shall not be entitled to appeal a determination of 
residency status if the determination made by an 
institution is because a student has failed to meet published 
deadlines for the submission of information as set forth in subsection (3) of this section. A student may request a 
review of a determination of residency status in a subsequent 
academic term. 

Section 13. Institutional Responsibilities. 
Each institution shall: 
(1) Provide for an administrative appeals process that includes a 
residency appeals officer to consider student appeals of an 
initial residency determination and which shall include a 
provision of fourteen (14) days for the student to appeal the 
residency appeals officer’s determination; 
(2) Establish a residency review committee to consider appeals 
of residency determinations by the residency appeals officer. 
The residency review committee shall make a determination of 
student residency status and notify the student in writing 
within forty-five (45) days after receipt of the student appeal; 
(3) Establish a formal hearing process as described in Section 14 of 
this administrative regulation; and 
(4) Establish written policies and procedures for administering the 
responsibilities established in subsections (1), (2), and (3) of 
this section and that are: 
(a) Approved by the institution’s governing board; 
(b) Made available to all students; and 
(c)Filed with the council. 

(1) A student who appeals a determination of residency by a 
residency review committee shall be granted a formal hearing 
by an institution if the request is made by a student in writing 
within fourteen (14) calendar days after notification of a 
determination by a residency review committee. 
(2) If a request for a formal hearing is received, an institution shall 
appoint a hearing officer to conduct a formal hearing. The 
hearing officer shall: 
(a) Be a person not involved in determinations of residency at 
an institution except for formal hearings; and 
(b) Not be an employee in the same organizational unit as the 
residency appeals officer. 
(3) An institution shall have written procedures for the conduct of a 
formal hearing that have been adopted by the board of trustees 
or regents, as appropriate, and that provide for: 
(a) A hearing officer to make a recommendation on a residency appeal; 
(b) Guarantees of due process to a student that include: 
1. The right of a student to be represented by legal counsel; and 
2. The right of a student to present information and to present testimony and information in support of a claim of Kentucky residency; and 
(c) A recommendation to be issued by the hearing officer. 
(4) An institution’s formal hearing procedures shall be filed 
with the Council on Postsecondary Education and shall be 
available to a student requesting a formal hearing. 

Section 15. Cost of Formal Hearings. 
(1) An institution shall pay the cost for all residency determinations 
including the cost of a formal hearing. 
(2) A student shall pay for the cost of all legal representation in 
support of the student’s claim of residency. 

Adopted effective April 5, 1991; Amended effective May 16, 1996; 
Amended effective June 16, 1997; Amended effective July 13, 
1998; Amended effective June 7, 1999; Amended effective 
November 12, 2002; Amended effective April 2, 2010; Amended 
effective June 9, 2015. 

RESIDENCY APPEALS POLICY AND 
PROCEDURES 

1. BASIS FOR RESIDENCY CLASSIFICATION 
The Commonwealth of Kentucky has established a process 
and corresponding criteria for the determination of residency 
classification for students seeking admission to, or enrolled 
in, public institutions of higher education. The Council on 
Postsecondary Education (hereinafter referred to as “CPE”) has 
established Kentucky Administrative Regulation 13 KAR 2:045 
(hereinafter referred to as “the Regulation”) to be followed by 
all public institutions of higher education in the Commonwealth 
concerning residency classification. This Regulation can be found 
in the current Undergraduate Catalog and the current Graduate 
Catalog and copies are available upon request from the Office of 
Admissions, located in the Whitlock Building, Room 112 or by 
calling (859) 622-21-6 or 1-800-465-9191. 

2. INSTITUTIONAL ADMINISTRATION OF THE 
RESIDENCY POLICY
The Council on Postsecondary Education authorizes each institution to establish a procedure for the determination of residency classification based upon the Regulation.

2.1 Office of Admissions
The Office of Admissions, Whitlock Building, Room 112, CPO 54, 521 Lancaster Avenue, Richmond, KY 40475-3154, at Eastern Kentucky University serves as the coordinating office for institutional implementation of the Regulation. Instructions for filing applications for reclassification and copies of the Regulation are available in this office. Also, Admissions staff members are available to answer questions regarding policy and procedures.

2.2 Initial Classification
The initial determination of residency status is made by the University based upon the credentials submitted by an applicant for admission to the University in accordance with the Regulations.

2.3 Appeal of Residency Status
Once an initial classification of residency is made by the Office of Admissions, it is the student’s responsibility to initiate an appeal of such classification. Request for reclassification must be filed with the Dean of Students Office NO LATER THAN THIRTY (30) CALENDAR DAYS after the first full day of classes of the fall or spring academic term for which reclassification is sought or not later than ten (10) calendar days after the first day of class for the summer term. Requests for reclassification are to be made in affidavit form on the form available from the Office of Admissions or the Dean of Students Office. A student may apply only once during an academic term. A student classified as a non-resident will retain that status until a change is brought about by successful appeal. If an appeal results in a change of classification, the change will not be effective earlier than the semester during which the appeal is filed. If a student is initially classified non-resident but does not enroll the semester for which the student originally applied, the residency classification will be reassessed for subsequent semesters.

2.4 Affidavit (Application for Reclassification)
Affidavits will not be accepted unless the form is fully completed, properly signed and notarized. In no case will a decision be granted without an affidavit and all required supporting documentation.

2.5 Documentation
Because of the variety of factors related to establishing residency for tuition purposes, the number of documents required to complete an appeal may vary from case to case. In all cases, the University may require certification of authenticity of documents. It is the appealing student’s responsibility to provide sufficient documentation to clarify circumstances related to the appeal. In all cases, circumstances related to establishing domicile must be verifiable.

2.6 Review of the Residency File by the Residency Appeals Officer
A Residency Appeals Officer designated by the University shall review the affidavit and documentation and notify the student, in writing, within fourteen (14) days of making a determination. Students who do not agree with the Residency Appeals Officer’s determination may appeal his/her residency status to the University’s Residency Review Committee within fourteen (14) days of the Residency Appeals Officer’s determination.

3. UNIVERSITY RESIDENCY REVIEW COMMITTEE
Pursuant to the Regulation, Eastern Kentucky University has a Residency Review Committee (hereinafter referred to as the “Committee”) to review and evaluate student affidavits for reclassification and to consider changes in the residency classification.

3.1 Timely Appeal
The Student must notify the Residency Appeals Office in writing, if he or she wishes his/her case to be reviewed by the Committee, within fourteen (14) calendar days after notification of the Residency Appeals Officer’s determination. The Residency Appeals Office shall immediately forward the request and the student’s residency file to the Chair of the Committee.

3.2 Committee Membership
The Residency Review Committee shall be comprised of three members: the Executive Director for Enrollment Management; a member of the Faculty-at-Large, who shall be appointed annually by the Faculty Senate; and a member of the student body, who shall be appointed by the Office of the Vice President for Student Affairs from a list of students recommended by the Student Association.

3.3 Determination of the Committee
The Committee shall issue a written decision citing the section of the Regulation on which the decision is based. The Committee may vote to defer a case for additional documentation, or the Committee may make a decision contingent upon conditions prescribed by the Committee. The Chair of the Committee will then determine when and whether contingencies are met.

3.4 Notification of Decision
The Committee shall make a determination of student residency status and notify the student, in writing, within forty-five (45) days after receipt of the student appeal. Decisions denying appeals are communicated to the student by certified mail, return receipt requested. In all cases where the Committee reaches a determination granting in-state residency status, copies of the letter of notification will be sent to the Office of Admissions, Student Accounting Services, the Registrar’s Office, and Student Financial Assistance.

4. REQUEST FOR FORMAL HEARING
Pursuant to the Regulation, the University shall provide a formal hearing in the event a student wishes to appeal the determination of the Residency Review Committee.

4.1 Timely Request
A student who wishes to appeal the determination of the Committee shall be granted a formal hearing by the University if the student notifies the Executive Director for Enrollment Management, Whitlock Building, Room 436, CPO 69, Richmond, KY 40475-3163, in writing, within fourteen (14) calendar days after notification of the Residency Review Committee’s determination. The Executive Director for Enrollment Management shall immediately forward the request and the student’s residency file to the Office of the President.

4.2 The Hearing Officer
Upon receipt of a request for a formal hearing, the University President shall appoint a Hearing Officer to conduct the hearing. The Hearing Officer shall not be a person involved in determinations of residency at a public institution of higher education in Kentucky (including the Kentucky Commonwealth Virtual University) and shall not be an employee of the same organizational unit as the Residency Appeals Officer.

4.3 Formal Hearing Procedures
The hearing shall be conducted in accordance with the following procedures:

4.3.1 Notice of Hearing
4.3.1.a. The University shall conduct the hearing as soon as practicable and shall give notice of the hearing to the parties not less than twenty (20) days in advance of the date set for the hearing. A reasonable effort shall be made to schedule the hearing on a date that is convenient to all parties involved.

4.3.1.b. The hearing notice shall be served on all parties by certified mail, return receipt requested, to the last known addresses of the parties, or by personal service.

4.3.1.c. The notice shall be in plain language and shall include:
• the date, time and place of the hearing;
• the name, official title, and mailing addresses of the Hearing Officer;
• the names, official titles, mailing addresses, and,
if available, telephone numbers of all parties involved in the hearing, including the counsel or representative of the University; and
• a statement advising the student of his/her right to legal counsel.

4.3.2. Hearing Procedure
4.3.2.a. The Hearing Officer shall conduct the hearing and all related proceedings in a manner which will promote the orderly and prompt conduct of the hearing.

4.3.2.b. To the extent necessary for the full disclosure of all relevant facts and issues, the Hearing Officer shall give all parties the opportunity to respond, present evidence and argument, conduct cross-examination, and submit rebuttal evidence.

4.3.2.c. Any party to the hearing may participate in person or be represented by counsel. A student shall pay for the cost of all legal representation in support of the student’s claim or residency. Legal counsel for the student must file a notice of appearance with the Hearing Officer prior to the date of the hearing.

4.3.2.d. The Hearing Officer may conduct all or part of the hearing by telephone, television, or other electronic means, if each party to the hearing has an opportunity to hear, and if technically feasible, to see the entire proceeding as it occurs, and if each party agrees.

4.3.2.e. The hearing shall be open to the public unless specifically closed pursuant to a provision of law. If the hearing is conducted by telephone, television, or other electronic means, and is not closed, public access shall be satisfied by giving the public an opportunity, at reasonable times, to hear or inspect the University’s records.

4.4 Findings of Fact; Evidence; Recording of Hearing; Burden of Proof
4.4.1. Findings of fact shall be based exclusively on the evidence on the record.

4.4.2. All testimony shall be made under oath or affirmation.

4.4.3. Objections to evidence presented may be made by any party and shall be noted in the record.

4.4.4. The University shall be responsible for having all testimony, motions and objections in a hearing accurately and completely recorded. Any person, upon request, may receive a copy of the recording or a copy of the transcript, if the hearing has been transcribed, at the discretion of the University, unless the hearing is closed by law. The University may prepare a transcript of a hearing or a portion of a hearing upon request but the party making the request shall be responsible for the transcription costs. The form of all requests and fees charged shall be consistent with KRS 61.870 to 61.884.

4.4.5. Unless otherwise provided by state or federal law, the student appealing the residency decision has the burden of proving the student’s right to having his/her residency status changed. The student has the ultimate burden of proof of persuasion as to this issue to be shown by a preponderance of evidence in the record. Failure to meet the burden of proof is grounds for a recommended order from the Hearing Officer.

4.5 Prohibited Communications
4.5.1. The Hearing Officer shall not communicate off the record with any party to the hearing or any other person who has a direct or indirect interest in the outcome of the hearing, concerning any substantive issue, while the hearing is pending.

4.6 Recommended Order
4.6.1. The Hearing Officer shall complete and submit to the University President, no later than sixty (60) days following receipt of the student’s residency file, a written recommended order which shall include the Hearing Officer’s findings of fact, conclusion of law, and recommended disposition of the hearing.

4.6.2. A copy of the Hearing Officer’s recommended order shall also be sent to each party in the hearing. Each party shall have fifteen (15) days from the date the recommended order is mailed within which to file exceptions to the recommendations with the University President. The recommended order may be sent by regular mail to the last known address of the party.

4.7. Final Order
4.7.1. In making the final order, the University President shall consider the record including the recommended order and any exceptions filed by, or on behalf of, the student.

4.7.2. The University President may accept the recommended order of the Hearing Officer and adopt it as the University’s final order, or he or she may reject or modify, in whole or in part, the recommended order, or he or she may send the matter, in whole or in part, back to the Hearing Officer for further proceedings as appropriate.

4.7.3. The final order shall be in writing. If the final order differs from the recommended order, it shall include separate statements of findings of fact and conclusions of law.

4.7.4. The University President shall render a final order within thirty (30) days after receipt of the recommended order unless the matter is sent back to the Hearing Officer for further proceedings.

4.7.5. A copy of the final order shall be transmitted to each party or to his/her attorney of record by certified mail, return receipt requested, sent to the last known address of the parties, or by personal service. A copy of the final order shall also be sent to the Office of Admissions, Student Accounting Services, the Registrar’s Office, and Student Financial Assistance.

5. RECORDS
All official files and materials relating to a student’s appeal of an initial residency determination shall be returned to the Office of Admissions to be placed with the application for admissions at whatever point in the process the appeals procedure is terminated.

   Speech-Language-Hearing Clinic .................................................................25
   Student Publications .....................................................................................26
   Technology and Related Resources ............................................................26
The Division of Finance and Administration coordinates the following areas of University operations: 1) Accounting and Financial Services, 2) Budgeting & Financial Planning, 3) Business Services, 4) EKU Center for the Arts, 5) Facilities Services & Capital Planning, 6) Human Resources, 7) Information Technology Services, 8) Parking & Transportation, 9) University Police & Public Safety, 10) Environmental Health & Safety, 11) Purchases and Stores, 12) Sustainability, 13) Student Accounting Services, and 14) University Card Services. Additionally, the following contractual departments report to the University through the Division of Finance and Administration: 1) University pouring rights, and 2) EKU Bookstore.

Students may view the mission statement of each of the above areas by visiting the Division of Finance and Administration web page at http://www.financialaffairs.eku.edu.

FINANCIAL OBLIGATIONS OF THE STUDENT

Any student or former student who is indebted to the University and who fails to make satisfactory settlement within a time limit prescribed is liable for administrative action. Students who are indebted to the University may not register at the University nor will their transcript or diploma be released until the debt is paid. Any student indebted to the University who cannot meet his or her financial obligations within the time limit prescribed is responsible for calling on the division of Student accounting Services and explaining the reasons for failure to pay. Students who fail to pay their account balance in a timely manner may also be liable for additional collection costs incurred by the University in collecting the amount owed.

REFUND POLICY

No refund can be made on certain class fees and optional fees as established by the Eastern Kentucky University Board of Regents. Students wishing to withdraw from courses must do so online via EKUDirect (on the EKU home page at www.eku.edu ). When a student officially withdraws from the University or from any course or courses for which hourly rates apply, tuition and fees will be adjusted in the following manner:

<table>
<thead>
<tr>
<th>Time Period*</th>
<th>Refund</th>
</tr>
</thead>
<tbody>
<tr>
<td>During add/drop period for any class (for full semester classes = 1st week)</td>
<td>100%</td>
</tr>
<tr>
<td>From end of 1st week through end of 2nd week of class</td>
<td>75%</td>
</tr>
<tr>
<td>From end of 2nd week through end of 3rd week of class</td>
<td>50%</td>
</tr>
<tr>
<td>From end of 3rd week through end of 4th week of class</td>
<td>25%</td>
</tr>
<tr>
<td>After the 4th week of class</td>
<td>0%</td>
</tr>
</tbody>
</table>

*Partial semester courses vary in length and the percentage of refunds and the effective dates will be modified accordingly. This policy applies to refundable fees only; non-refundable fees are not included. In no case shall a refund of rent be made to a person who remains a student but moves from University housing at his or her convenience.

FINANCIAL APPEALS

An appeals process exists for students who feel that individual circumstances warrant exceptions from published policy. Financial appeals may be submitted if a student had an unforeseeable and unavoidable situation during the semester the charges were incurred that prevented him from attending classes and completing the semester. All appeal letters should be submitted by the student in writing clearly stating the reason for the appeal.

Documentation should be attached to all appeal letters to validate the situation. Circumstances that do not qualify for financial appeal include pre-existing conditions, routine pregnancy, employment opportunities and financial hardship, including denial of financial aid. In most cases, any refund that is the result of an approved appeal will be returned to the source of the payment, the student, the financial aid lender, or a third party entity. Financial appeals should be submitted to the Financial Appeals Committee, Whitlock Building CPO 60, 521 Lancaster Avenue, Richmond, KY 40475.

Refunds for reduction in course load for part-time students will be at the same percentage rate as for students who officially withdraw from the University; however, if the reduction in course load results from the cancellation of a class or from the student having been permitted to enroll for a class for which he or she was not eligible, a full refund will be made of the registration fee for the course being dropped.

BARNES & NOBLE AT EKU BOOKSTORE

The Barnes & Noble at EKU Bookstore is located at the heart of campus in the Keen Johnson Building. The Bookstore is the place for one-stop shopping on all EKU licensed merchandise, textbooks, and much more. It offers a wide variety of products, services, and events including:

- Rental, Digital, Used, and New textbooks – all the options are available.
- Class Supplies
- Trade books, gift items, greeting cards, diploma frames, nursing shop.
- Convenience items
- adidas, Under Armour, Nike, Champion, Cutter & Buck, and much more.
- Computers and computer supplies
- Backpacks
- Online textbook reservations
- Barnes & Noble gift cards
- Book signings
- Graduation Cap and Gowns
- Faculty receptions

The Barnes & Noble at EKU Bookstore works diligently with departments, faculty and staff to ensure that textbooks and products required for each class are readily available to students. Textbook requests are required from the departments and faculty by these dates:

- March 1 For the upcoming SUMMER sessions
- April 1 For the upcoming FALL semester
- October 1 For the upcoming SPRING semester

Textbook requests are required by the above dates for the following
reasons:
• to allow ample time to receive all textbooks from the publishers in a timely manner
• to give out the most cash back to students during Book Buyback
  - Book Buyback begins directly before Finals Week
  - If faculty use the same textbook in the next session, students will receive up to 50% back on their textbooks.
  But only if the textbook adoption is on file!
• to allow time to review orders and make any additional corrections if needed

Regular EKU Bookstore hours are:
Monday-Thursday 7:45 a.m. - 6:00 p.m.
Friday 7:45 a.m. - 5:00 p.m.
Saturday 11:00 a.m. - 3:00 p.m.

The Bookstore is open extended hours during the beginning and end of each semester and during special events.

CARD SERVICES
Commonwealth Hall, 2nd Floor, Suite B
Phone: (859) 622-2179 Fax: (859) 622-8089

Card Services provides students with a variety of services regarding their EKU student identification card, the Colonel Card. This identification card is used for meal plans, Colonel Cash, campus vending machines, and the EKU Bookstore. In addition, EKU has partnered with US Bank to add optional banking solutions.

Card Services is responsible for issuing new and replacement identification cards. Card Services will assist with troubleshooting potential card issues experienced by students, faculty, and staff.

Students, faculty, and staff may purchase meal plans and add money to their accounts in the Colonel Card Office.

The Colonel Card will allow students access to the following:
• Athletic events
• University Library facilities
• Campus recreation
• University sponsored events
• Student Health Services

The Colonel Card has three different accounts associated with the card:

• Colonel Cash - This is a prepaid account that can be used at the EKU Dining Services locations, the EKU Bookstore, campus vending machines, and a select number of participating off-campus merchants. This account will carry balances over from semester-to-semester.
• Meal Plans - EKU Dining Services has several different meal plans to accommodate any student’s needs. Meal plans can be used at any EKU Dining Services location.
  Freshman residential students will be automatically assigned the mandatory 5-day all access traditional meal plan. All other students enrolled in nine (9) or more credit hours who started at EKU in the Fall of 2016 or later are required to participate in the $300 Dining Dollar program (refundable). Meal plans may be upgraded anytime during the semester and only downgraded within
the first two (2) weeks of the semester.

Please check with EKU Dining Services regarding available meal plans, terms and conditions associated with meal plans.
All questions regarding the meal plan definitions, usage, and refund policy (only available with the mandatory $300 Dining Dollar program) should be directed to the EKU Card Services Office.

Please note that EKU Dining Services follows the same refund schedule, for full term, which is outlined by the University. (See Refund Policy above.) EKU’s Colonel Compass lists all important dates and deadlines associated with each term.

• Optional Flex - This is a prepaid account that can be used at any EKU Dining Services location. Please check with EKU
Dining Services regarding terms and conditions associated with this account.

Students may purchase meal plans by logging into EKU Direct and add money to their accounts by logging into EKU GET Funds. Faculty and staff may purchase meal plans in the Card Services Office. Acceptable methods of payment for meal plans, Optional Flex, or Colonel Cash accounts are cash, check, Visa, Mastercard and must be paid in Student Accounting Services. Meal plans, when selected on EKU Direct, will be assessed to the student account.

The Colonel Card Office follows the University holiday schedule and is open during the following normal business hours:
Monday through Friday 8:00 a.m. – 4:30 p.m.

The Colonel Card is property of EKU and is issued for convenience. It must be presented (or surrendered) upon request by authorized officials of the University. Any expenditure associated with the use of this card is the responsibility of the holder until it is reported lost/stolen. A fee will be charged for damage made to the identification card or if the card is lost or stolen. The loss of a card must be reported immediately to the Colonel Card Office, Commonwealth Hall, 2nd Floor (859) 622-2179.

EKU DINING SERVICES
Phone: (859) 622-3691 Fax: (859) 622-6226
www.ekudining.com

EKU Dining Services offers a variety of dining alternatives including fresh food options, an assortment of brand restaurants, catering, and athletic concessions. It is the goal of EKU dining to provide high quality and satisfying dining experiences for the whole campus community.

The Case Kitchen and Stratton Café offer freshly cooked foods in a comforting atmosphere. The Case Food Court houses famous national brands Chick-Fil-A, Panda Express, and Subway. Java City at the Crabbe library offer gourmet coffees, bakery items, as well as grab & go salads and sandwiches. We also have several new options coming to campus for the fall semester. Einstein Bros. Bagels will be re-opening in the newly renovated Weaver location, while Starbucks will be re-opening in its new home in the Powell Building this fall semester. We will also be re-opening the P.O.D.
Market in the Powell Building and adding a brand new franchise partner in Steak N Shake. EKU Dining Services also operate multiple convenience stores throughout campus.

EKU Dining Services also provides full-service catering. The dedicated catering staff provides a variety of services for both on-campus and off-campus events. A special Student Catering Guide is available to accommodate the dynamic requirements of students. Tremendous emphasis is placed on actively measuring customer satisfaction, responding to a changing environment, and continuous improvement. EKU Dining Services is dedicated to helping the EKU campus thrive!

ADDITIONAL STUDENT SERVICES

The International Alumni Association
Richards Alumni House
Phone: (859) 622-1260 Fax: (859) 622-6620
www.eku.edu/alumni

The Eastern Kentucky University International Alumni Association serves as a link between the University and its alumni by maintaining records, fostering communication, and sponsoring programs and activities designed to enhance this relationship.

All Eastern Kentucky University degree recipients and former students with 25 or more credit hours are considered alumni of EKU. The International Alumni Association is served by a board of 25 alumni volunteers, representing the diversity of our alumni constituency, who meet three times annually. Their work includes selection of the Alumni Awards, Alumni Scholarship recipients and other duties.

The Alumni Association coordinates multiple gatherings across the nation to encourage alumni and friends of EKU to come together. The greatest of these is Homecoming and Reunion Weekend held annually in the fall. This celebration brings alumni back to campus to reconnect with their classmates and learn more about University improvements and initiatives.

The International Alumni Association encourages fellow alumni to advocate in a positive way for EKU both online and among friends, attend EKU sponsored events, give back to the university financially, and volunteer your time by serving on an advisory board, mentoring a student, or assisting with an event. We encourage alumni from the past to complete these four fundamental actions to impact the future.

Colonel’s Cupboard
212 Commonwealth Hall
Phone: (859) 622-3855
Email: food.pantry@eku.edu www.communityservice.eku.edu/cupboard

Who We Are

The Colonel’s Cupboard is an initiative of the Office of Student Life & First-Year Experience, opened in 2014. The Cupboard was started to fight the growing problem of food insecurity on campuses across the nation. Today, we strive to help students succeed by providing them with their basic needs of food, clothing, and toiletry items. We are entirely run off of donations from EKU students, faculty, and staff, as well as community members. All enrolled students at the university are eligible to use the Cupboard.

What We Do

• Provide food, clothing, and toiletry items to any currently enrolled student who has a need.
• Connect students with other resources, on and off campus, to help with other needs.
• Provide educational materials about food insecurity, healthy eating, etc.
• Host volunteers, both groups and individuals, who want to give back on campus.
• Donate overstocked goods to other local food pantries in need.

How it Works

• Complete the form at communityservice.eku.edu/cupboard or email food.pantry@eku.edu to make an appointment.
• Stop by the Colonel’s Cupboard in Commonwealth Hall during open hours to “Shop” for your needs, or pick up a prepackaged food box at one of our partner locations.

EKU Division of Public Safety
Police Department and 9-1-1 Center
701 Vickers Drive
Phone: (859) 622-1111 Fax: (859) 622-2243
www.police.eku.edu

The mission of the Eastern Kentucky University Police Department is to enhance the quality of life by providing a safe and secure environment through professional service to the community. The success of our mission depends on this partnership utilizing a community policing philosophy. The department places high priority on honesty and integrity and values the need for effective and open communication with the community we serve. We value our employees and are committed to their professional development.

The University offers a variety of informational programs that inform students and employees on safety and security issues, including how to report crimes and how to prevent crimes. These programs are available on request by student groups, employees, or individuals. These programs include, but are not limited to:

• Crime Prevention and Security Awareness
• Drug and Alcohol Abuse Education Program
• Sexual Assault Prevention
• Residence Hall Security
• Alcohol Awareness
• Drug and Alcohol Abuse Prevention
• Female Assault Prevention
• General Crime Prevention
• Hall Staff Training
• Harassing Communications Prevention
• Rape Aggression Defense (RAD)
• Student Orientation to Public Safety
• Others

The University Police provide 24-hour patrols of the Eastern Kentucky University campus buildings, parking lots, residence hall exteriors, and campus grounds. University police officers have county-wide law enforcement authority, although our primary jurisdiction encompasses all University property and all roads and streets adjacent to the campus. The University Police also have the authority to investigate crimes committed on University property anywhere in the state.
The Eastern Kentucky University Police Department includes 24 sworn police officers, 7 dispatchers, and several student Safety and Security officers. University Police maintain high visibility on campus through the use of police cruisers, bicycle patrol and foot patrol.

The campus police department also houses 2 full-time detectives whose primary responsibilities are investigations and working closely with surrounding agencies. The Eastern Kentucky University Police department has an excellent working relationship with state, local, and federal law enforcement agencies and other emergency providers.

The EKU Police Department is open 24 hours a day. All Criminal Activity and Other Emergencies on the Richmond Campus should be reported immediately by dialing 911 from any campus telephone or, if by cell phone, (859) 622-1919 (we recommend programming this into speed dial). Non-emergency calls can be made by dialing (859) 622-1111 or (859) 624-2947. The hearing impaired may access the Department’s TDD by calling (859) 622-6279. Be sure to specify where you are; whether you are on EKU’s campuses, and your exact location. Also know that you can report tips at http://police.eku.edu/eku-tip-reporting.

http://police.eku.edu/
http://police.eku.edu/eku-tip-reporting

Emergency Management

It is important for everyone to have some basic emergency preparedness information. Knowing what to do in the event of a fire, tornado, hazardous materials release, or active shooter can be critical to your safety in an emergency situation. Below is some safety guidance and more can be found on the Emergency Management web page, the Emergency Guide Poster, and the Emergency Action Plan: http://emergency.eku.edu/

http://emergency.eku.edu/emergency-action-quick-reference-and-sheltering-place
http://emergency.eku.edu/sites/emergency.eku.edu/files/eku_emergency_guide_-_version_7.pdf
http://emergency.eku.edu/sites/emergency.eku.edu/files/1_eku_general_emergency_action_plan_-_template_-_09182017.pdf

Emergency Management would like to remind the community that we are all empowered and responsible for our own safety. When emergencies occur, first responders will be summoned and will respond to the scene of the incident. Responder priorities will be to stabilize the event, protect human life and health, protect the environment, and protect property. Help will come, but it will take some time to get to the affected individuals. The EKU Emergency Action Plans were written to provide everyone with practical information, which can be used to make good decisions, and help individuals to be safe in times of crisis. The Emergency Action Plans inform you of what you can do, and the Emergency Notification System informs you that there is an emergency.

Rave Mobile Safety - Emergency Notifications

With Rave Mobile Safety, you can manage your own contact information. We encourage you to review your information on a regular basis, and make changes to it as your circumstances change. It is easy to maintain your information. You can use this link and follow the instructions to manage your contacts.

http://emergency.eku.edu/sites/emergency.eku.edu/files/emergency_notification_system_-_contact_information

Rave Mobile Safety is EKU’s primary mass notification system. The University has implemented a multi-modal emergency notification system to inform the community about incidents and emergencies affecting campus. Realizing that message redundancy is a necessity, EKU has seven primary notification systems available for the community. Any one, or a combination, of these alert methods may be used depending on the nature and severity of the event.

Systems Include:

• Siren/Public Address System - Audible sirens and announcements can be broadcast over four loudspeakers strategically placed on campus. This system can be activated by the EKU Division of Public Safety as well as the Madison County Emergency Management Agency for weather and community emergency notifications.
• Text Messaging - An opt-out notification where a text message can be received on your mobile phone. EKU does not charge for this service; however, your carrier may have standard text messaging charges. (Important: Students should re-enroll their mobile phone numbers if and when their mobile phone numbers change)
• Voice Messaging - An opt-out notification where a voice message can be received on your mobile or home phone. (Important: Students should re-enroll their mobile phone numbers if and when their mobile phone numbers change)
• Email Messaging - This notification provides an email message about an event. Current students, faculty, and staff are automatically registered to receive notifications on their EKU email account and cannot opt-out of this type of notification. You can opt-in to receive emails on other email accounts. Community members are encouraged to check their email frequently throughout the day to be sure they see any message sent by this alert method.
• RSS Feeds - A message can be posted on the Emergency Management, Police Department, or University web pages.
• Network Messaging - A visual notification can be made across computers connected to the EKU network. When an alert is sent out, a pop-up box appears on your screen. No personal information is gathered or transmitted with the use of this alerting system.
• Social Media - EKU can use Twitter and Facebook to send notifications to the community. These social systems require the user to check to receive any messages posted. Follow @EKUEmergency on Twitter and LIKE EKU Emergency Management on Facebook.

To Register:

Current Students, Faculty, and Staff:

• Log on to EKU Direct (https://web4s.eku.edu/pls/prod/twbkwbs_P_WWLogin) with your EKU ID and PIN.
• In the Main Menu, click the Rave Mobile Safety - Emergency Notifications link.
• Register to receive text, voice, and/or email messaging.
*Note: Email messages are automatically sent to all current EKU email addresses and you cannot opt-out of receiving messages on your EKU email account.
• To receive text and voice messages you may opt-in by entering your telephone number(s).

Other Community Members:
Parking Services provides parking information, issues parking permits for the campus community and visitors, coordinates parking for special events, and enforces parking rules and regulations. Transportation Services provides day and evening transit services and motor pool/fleet services.

See the Parking and Transportation website (www.parking.eku.edu) for additional parking and transportation information including parking regulations, transit schedules, and hours of operation.

**Student Automobiles**

In order to facilitate parking for all students, faculty, and staff, Eastern Kentucky University requires the registration of all motor vehicles utilizing campus parking facilities. Vehicle registration information can be obtained by contacting Parking Services at (859) 622-1063 or by visiting www.parking.eku.edu.

During the registration period, prior to the first day of classes, students registering for classes may park in any legal, non-reserved parking space in all areas, except employee parking lots (Zone E) which are marked by yellow signs.

After the commencement of classes, residential hall lots (Zone R), which are marked by blue signs, are restricted to residence hall permits 24 hours per day, seven days a week. Enforcement of employee and commuter parking zone regulations begins at 2:00 a.m. Monday-Friday. Commuter permits are also valid from 4:30 p.m. to 7:00 p.m. in employee (Zone E) parking lots. The Jones Lot is an exception to this rule and is reserved for employees only until 9:00 p.m. Evening parking for vehicles without permits is available in the Alumni Coliseum Lot from 4:30 p.m. to 2:00 a.m., Monday through Friday, and all day Saturday and Sunday.

Visitors may obtain temporary permits 24 hours a day, 7 days a week at the Parking Services Office in Commonwealth Hall or at the Police Dispatch Center located at on Vickers Drive. Short-term temporary parking permits, not to exceed five (5) days, are available to individuals who have not registered a vehicle.

**Speech-Language-Hearing Clinic**

Wallace Building 245  
Phone: (859) 622-4444  
www.slhclinic.eku.edu

The Communication Disorders Program in the Department of Educational Leadership, Counselor Education, and Communication Disorders offers free services to students, faculty, staff, and members of the community at the Speech-Language-Hearing Clinic in Wallace 245.

Diagnostic and clinical treatment services provided by the Clinic include the following:

1. Screening for speech, language, swallowing, and hearing problems.
2. Assessment and treatment of articulation disorders, phonological delays, delayed or disordered language, stuttering, voice disorders including laryngectomy, swallowing, speech and language problems resulting from stroke or head injury, language disorders related to learning disability, and speech and language problems of individuals in areas of exceptionality such as mental handicap, developmental delay, cerebral palsy, cleft palate, hearing impairment, autism spectrum disorder, and emotional/behavioral disorder.
3. Accent modification for speakers of English as a second language and those desiring Standard English skills.

Anyone interested in the above services should contact the Clinic Office Associate at (859) 622-4444, Wallace 245, or visit the Clinic website: www.slhclinic.eku.edu

**Student Publications**

Eastern Kentucky University provides a variety of laboratory experiences through student publications. The Eastern Progress Advisory Board has been established to provide professional involvement in the activities of The Eastern Progress, the University’s student newspaper. Academic and support units coordinate the institutional support of student publications but do not govern the content. The courts have consistently held that where a tradition of student decision making exists in student publications, those publications are afforded the same Constitutional First Amendment protection as other publications. Concomitant with those rights, go certain responsibilities, which also accrue to the student publications. Accordingly, the responsibility for the content of the publications is that of the student editors and writers and not Eastern Kentucky University or its Board of Regents.

The Eastern Progress, a 6,000-circulation weekly newspaper, is the official student publication of the University and all students are encouraged to take advantage of the journalism and advertising training it offers. The Progress has consistently been rated as an All American Newspaper by Associated Collegiate Press and a Medalist paper by Columbia Scholastic Press Association. Since 1987, The Progress has won more than 20 national awards, including four national Pacemakers and three Gold Crown awards. It was recognized as the Best All-Around 20 national awards, including four national Pacemakers and three Gold Crown awards. It was recognized as the Best All-Around Campus Newspaper by the Society of Professional Journalists in 1997 and 1998. Reach the Progress online at www.easternprogress.com.

Aurora is a magazine of student writings published by its student staff to encourage interest in literary activity. Aurora accepts poems, one-act plays, short stories, prose sketches, and essays from any Eastern student. Editions are published in the fall (online by the ENG 420 class) and spring (hard copy). Cash prizes are awarded for the best works (fiction and poetry) at the time of the spring publication.

**TECHNOLOGY AND RELATED RESOURCES**

IT Help Desk Combs Building 208
Phone: (859) 622-3000
Website: it.eku.edu

**Password & Accounts** are sent by mail to all students when admitted to EKU.

- Students receive a student ID number: this is your ID for all official records and your login to EKU Direct. This ID starts with a “900” or “901”.
- Each student also receives an EKU username. The username is based on your first name_last name (ie:John Smith=John_Smith). Your username and password provides secure access to Blackboard, EKU myMail, campus computers, and various other electronic resources.
- View all articles related to passwords at it.eku.edu. Type “password” in the search bar.
- myMail (Student Email) All EKU students receive a web-based email account. The email account provides students with a 25GB mailbox and many more options. Students can keep their EKU myMail account after graduation.
  - Microsoft Office 365 PRO is free for all registered students through their official myMail account. Find out more at myMail.eku.edu
  - G Suite for Education and Office 365 for Education are available to all employees and students while employed by the university or a current student at the university. For more information: it.eku.edu/collaboration

- **The IT Website** offers more than 150+ support articles about EKU technology. The IT Search is keyword specific. Visit it.eku.edu to view the support articles and find out more about IT at EKU.

- **EKUDirect** provides access to a wide range of data for students (pending admit through graduation). Students register for classes, secure parking permits, check grades and more with EKU Direct. Directions for EKUDirect: it.eku.edu/ekudirect

- **DegreeWorks** helps students plan an academic roadmap to graduation. DegreeWorks, along with your advisor, will ensure you are on the right track to graduate. View DegreeWorks Video Tutorials at registrar.eku.edu/degeworks-video-tutorials

- **Blackboard** is EKU’s course management system. Students are automatically enrolled in Blackboard upon registration. Sites do not appear for students until the instructor opens them. Blackboard is used for all online courses and many on campus courses. Learn more about blackboard at learn.eku.edu

- **ResNet** is the EKU residential network and provides high-speed internet access in all residence halls.

- **Wireless internet access** is available at EKU. All EKU students and employees should use the secure Wi-Fi (EKU_SECURE). Wireless access is available to all on the EKU campus by configuring your PC for wireless access. Visit: it.eku.edu/support/wireless.

  View all articles related to wireless at it.eku.edu. Type “wireless” into the search bar.

- **Open Computer Labs** are located in Crabbe Library and the Roark Building. Many other labs are available throughout campus when they are not being used for classes.

- **IT Geeks** are EKU student’s first point of contact for all service issues, questions, troubleshooting and consultation. Call 859-622-4335 for assistance or email them at geeks@eku.edu.

- **Login to EKU** is located in the top right corner of the EKU homepage. Select Login to EKU for access to: Blackboard, EKU-Direct, myMail, and My Colonel Corner.

- **Peer-to-Peer Software** must be removed before accessing any IT services. Peer-to-peer software including LimeWire, Frostwire, BitTorrent and Vuze are not permitted on the EKU network. Downloading copyrighted materials and illegal downloading of music is prohibited.

- **Code of Ethics** for Computing & Communications: it.eku.edu/codeofethics
**Phishing and Spam:** IT @ EKU will NEVER request passwords or other personal information via email. Messages requesting such information are fraudulent. Forward all suspicious messages to spam@eku.edu. In the unlikely event the message is legitimate, we will tell you.
To ensure that students gain the most from their college experience, the Division of Student Success offers a wealth of academic support resources, student services and social enrichment opportunities to foster exploration, discovery, growth and achievement. By fully engaging in all aspects of your education, you'll receive an immeasurable return on your investment of time and dedication throughout your life.

The Office of Admissions is responsible for recruitment and admission of qualified undergraduate students to EKU. This office is also responsible for the processing of applications for new as well as readmitted, transfer, and international students. Students who have questions regarding their residency status may address their inquiry to the Office of Admissions (admissions@eku.edu).

**Orientation**

Orientation is phase one of the first year experience for new students. During Orientation, students and families visit campus, meet with faculty, staff, and students, and learn more about life at Eastern Kentucky University. Students also register for their first semester of classes. Representatives from many areas are available during Orientation to answer questions about financial aid, tuition payment, housing, dining services, and tutoring services. There are various dates and schedules for first year, transfer and high achiever students.

**Bratzke Student-Athlete Academic Success Center**

Ms. Monika Banbel, Director
Alumni Coliseum 103
(859) 622-1359
WWW.SAASC.eku.EDU

The Bratzke Student-Athlete Academic Success Center provides an academic support program and a multifaceted academic resource for all student-athletes competing on NCAA varsity teams on EKU’s campus. The Center provides opportunities and services to enhance the student-athlete’s academic performance, as well as monitoring progress to ensure all student-athletes meet their academic eligibility requirements as determined by the NCAA, OVC, and EKU.

Bratzke Center programs include academic advising, academic monitoring, mentoring, supervised studying, tutoring, and personal counseling, as well as referrals to other academic support programs on campus. Each student athlete’s academic progress is monitored closely, throughout their EKU enrollment to facilitate graduating with the highest grade point average possible, while maintaining NCAA eligibility throughout their collegiate athletic career.

The Bratzke Center also sponsors a Life Skills program designed to promote student-athlete growth in five commitment areas: academics, athletics, personal development, service, and career development. Throughout the year the Center plans and coordinates outreach activities for student-athletes in support of the local community and Eastern Kentucky.

**Campus Recreation**

Fitness and Wellness Center, SRC 105
Phone: (859) 622-1244 Fax: (859) 622-6754
www.campusrec.eku.edu

The Department of Campus Recreation provides a variety of diverse facilities and recreational opportunities to the university community. The department promotes wellness for students, faculty and staff by encouraging the development of lifelong skills and positive attitudes through health education, fitness programs, adventure programs, and competitive sports.

Campus Recreation oversees the operation of the **FITNESS AND WELLNESS CENTER.** The Fitness and Wellness Center is a state-of-art facility which includes:

- Full line of weight and fitness equipment
- Locker Rooms
- Climbing Wall
- Bouldering Wall
- Group Exercise Room
- Multipurpose gymnasiums
- Indoor Track
- Student Lounge with computers
- Full Swing Golf Simulator

The Fitness Program offers a variety of group fitness classes each week and are taught by trained, motivated and friendly instructors. All fitness levels are welcome and each group fitness class is offered at no charge. Examples of group fitness classes are yoga, pilates, group cycling, Zumba, and much more.

For those who need a more personal touch, we offer very affordable personal training by certified personal trainers. Personal training is a great way to attain one-on-one instruction incorporating exercise plans, goal-setting and health education.

Adventure Programs offers a wide variety of trips and workshops each semester. Previous trips have included: hiking and camping, backpacking, kayaking/canoeing, spelunking, white water rafting, climbing, canyoneering. The climbing and bouldering walls are an exciting and engaging alternative to traditional exercise. In addition, Adventure Programs provides an extensive amount of outdoor equipment so you may embark on your own adventures. Examples of outdoor rental equipment are tents, mountain bikes, kayaks, cook stoves, canoes and much more.

Competitive Sports have been a campus tradition at EKU for over 50 years. Students play with their friends or organizations and compete against fellow Eastern students. Examples of activities offered are flag-football, soccer, volleyball, corn hole, dodge ball, golf, basketball, and much, much more. There are also numerous individual and dual events.

Health Promotion is a peer education program geared towards empowering students with knowledge and facts concerning health issues. Health Promotion presents information on alcohol, obesity, sex, drug abuse, eating disorders, tobacco, and much more. The aim is not to enforce ideas but to assist students in making better informed decisions by providing students with the proper tools, knowledge, and self-worth.

**The Center for Career and Co-op**

Paolo Capretti, Director
Whitlock Building 468
(859) 622-1296

The Center assists students in achieving their career-related goals, from choosing an inspiring major/career to pursuing experiential learning and preparing to target a variety of job opportunities. Services include career counseling, co-op/internship search and assistance, job search preparation, employer events and a Part-Time Job Program.

**Choosing a Major/Career**

Career counselors at the Center help students identify and explore their major and career of choice. A variety of assessments allow students to articulate their interests, skills, personality characteristics and work related values, generating a list of major/career options to be explored in terms of reliable and factual information with the guidance of our staff. Through extensive one-on-one counseling sessions, the career counselors help students...
make sense of the information gathered, to reach a meaningful decision and pursue it with a realistic action plan.

Co-op and Applied Learning (Internships)

Internships and Co-op provide students with an opportunity to blend theory with practice resulting in a balanced education. Learning within the classroom is combined with practical on the job training in business, industry, and/or government. Acceptance of a co-op/internship position for academic credit is contingent upon a suitable learning objective approved by both the employer and the appropriate university official.

Eligibility:
- Faculty Coordinator approval
- Completion of a minimum of 30 credit hours prior to enrolling; transfer students required to complete at least one semester at EKU
- Minimum of 2.0 grade point average (GPA); some departments require a higher GPA
- Salary (for co-op jobs) must be within State and Federal wage guidelines

Academic Credit:
- Determined by the academic college or department
- May earn .5 to 8 hours credit per semester
- Minimum of 80 hours of employment for each semester hour of academic credit, including .5 half credit (students must work to the end of the semester). Co-op is 16 weeks for spring and fall semesters and 12 weeks for summer term. Internships have more flexibility, but must be pre-approved.
- Maximum of eight semester hours toward meeting requirements for the associate degree and sixteen hours toward the bachelor’s degree.
- Credit is awarded for co-op/internship only when the student is enrolled in the University and in compliance with the Center for Career and Co-op
- Students who are not able to complete their experience in one semester will receive a grade of IP and be allowed one calendar year to successfully complete all requirements. Students who do not successfully complete a co-op/intern experience within the one calendar year maximum timeframe will receive a grade of “F” or “U” depending upon the grade mode.

Work Requirements:
- A supervisor assigned by the employer to provide direction and coordination on the job; also responsible for submitting a final evaluation report on the student
- Grades assigned by the Faculty Coordinator in accordance with criteria established by the Center for Career and Co-op and the student’s academic college/department.

Program Options:
- Parallel plan: students work part-time for multiple semesters (three or more semesters) while maintaining a full-time course load.
- Alternating plan: students employed full-time, alternating classroom training with work-based training for a period of two or more semesters, following the employer’s schedule. Students may also work full-time during the summer semester (twelve weeks) but must also work in their co-op position during the fall and/or spring semesters
- Special plans: developed to meet the needs of the student and employer
- Students participating in the Internship Program must meet the eligibility requirements of the Co-op Program, but may choose to work only one semester in either a paid or non-paid assignment or in any assignment that does not meet the Co-op multiple term or length requirements.

Part-Time Job Program

The Part-Time Job Program gives students opportunities to obtain part-time, temporary, and summer employment with local and regional businesses. Students who participate in the program gain experience in the workforce while networking in the community. The Part-time Job Program is open to all currently enrolled EKU students.

Job Search Preparation

The Center helps students target job opportunities by offering workshops, face-to-face and online appointments on resume writing, cover letter critiques, job search strategies, networking and social media. Through the mock interview program, students can practice and improve their interviewing skills with personalized assistance and feedback. The Dress for Success Closet provides business attire at no cost to EKU students seeking internships or employment in a workplace that requires professional clothing.

Connecting with Employers

The Center staff assists students in identifying and connecting with potential employers through job/career fairs, on-campus interviews, individual appointments, online tools, and other resources. The Center’s brand new database, called Handshake, is an easy to use and innovative system that gives students and alumni access to jobs postings and employers targeting EKU students. It is easily accessible through the Center’s homepage at http://career-coop.eku.edu/

Community Service

The Community Service program coordinates a variety of service opportunities throughout the year that EKU students, faculty, and staff can participate in both on and off campus. Whether it’s to fulfill a class requirement or just to get involved, students looking for volunteer opportunities can visit to get connected with local volunteer opportunities that meet their individual needs and fit their busy schedules.

There are five main ways you can engage with the Community Service program at EKU:
- Volunteer with Saturdays for Service: Since 2004, EKU students been partnering with local entities for service opportunities. Each event is a one time commitment, working with a different community partners, either in Richmond or nearby in our service region. Saturdays for Service occur on the first Saturday of each month. Transportation is provided.
- Commit to a Community Partner: Our office has a variety of community partners within driving distance of campus. By signing up through OrgSync a student can commit to volunteering one time or regularly, by themselves or with a group of friends. This is a great way to fulfill volunteer requirements for class, connect with the community, learn about yourself, or gain experience for after college. Opportunities vary and are continuous, so a time can be found that works with each person’s schedule. You can learn about these many opportunities through our Part Time Job & Volunteer Fair hosted during Welcome Week.
The Counseling Center staff also provides consultation to services for Faculty and Staff for that assistance. Everyone can be a partner in suicide prevention. How to persuade that person to get help, and where to refer them.

QPR Suicide Prevention Training

The EKU Counseling Center offers training in suicide prevention and only takes an hour! Participants learn: warning signs that someone might be considering suicide, how to have a caring conversation with someone about whom they are concerned, how to persuade that person to get help, and where to refer them for that assistance. Everyone can be a partner in suicide prevention.

Services for Faculty and Staff

The Counseling Center staff also provides consultation to the University community on referral and how to be most helpful to the distressed student. When a faculty member wishes to refer a student for immediate help, it is recommended that the faculty member call and speak with a staff member for consultation to discuss the appropriate action.

EKU Housing

Whitlock Building 552
Phone: (859) 622-1515 Fax: (859) 622-8384
www.housing.eku.edu

EKU Housing fosters the development, engagement, and success of our residential community by providing an inclusive home that enhances the collegiate experience. Campus living offers opportunities that will help you excel academically, develop leadership skills and connect with life-long friends. You will meet students from all walks of life gathered together as part of a vibrant, close-knit community.

We offer Living Learning Communities (LLCs), which consist of students with similar majors and interests who live on the same floor/floors of a residence hall. Live and learn with others who share your goals, career interests and life passions!

All single, full-time undergraduate students under the age of 21 prior to the first day of classes, having fewer than 60 credit hours, or having lived in a residence hall less than four academic semesters (fall/spring) are required to live in University residence hall facilities. Exception is made for students residing with their parent(s) at their parent’s principle residence within 50 miles of the Richmond campus. Students living with parents must submit a verification form which is available through the housing office or at www.housing.eku.edu. Students may request exemption to the residency requirement under specific circumstances to the Director.

Each residence hall is equipped with the following services that come as part of the basic room rental rate:

Cable Television

All major network and major cable stations are offered with any cable-ready television at no cost. Enhanced services and premium channels are available at an additional charge. For additional information, contact the College Cable Services, Inc. at 800-472-2054 ext. 222.

Phone Services

Basic phone service is provided for all residents. Each room is equipped with one phone line. Residents are asked to provide their own touch tone phone. In order to dial long distance, students may use any calling card. Enhanced phone features are available at an additional charge. For additional information on enhanced services or long distance, contact EKU Telecommunication Services at (859) 622-1903.

Laundry Rooms

Several washers and dryers are located in every residence hall. All laundry machines are FREE for on campus residents.

ResNet

All rooms come equipped with two high-speed internet connections. Wireless network access is also available. For more information about equipping your computer for Internet access, visit www.resnet.eku.edu.
Study Rooms

Within most residence halls are open, quiet rooms in which to study.

Vending

All residence halls are serviced with a variety of drink and snack vending machines. The machines are coin operated, and many accept credit card processing as well.

Social, educational, and service-learning programs are offered and organized by University Housing staff in all of our residence halls. These programs range from movie nights on the residence hall floors to volunteering for Habitat for Humanity. Most often, the RAs on each floor host social programming so that the residents can get to know each other and enjoy their housing experience even more. Many of the University Housing programs are open to all campus residents.

EKU Housing has traditional residence halls, enhanced traditional halls (each room has built-in wardrobes and a sink), suite style halls and apartment style halls.

Features include:

- Large recreation rooms
- Indoor gas fireplaces
- Study rooms
- Computer labs
- Kitchen and laundry areas
- Indoor / Outdoor programming space
- Large and small classrooms space
- Leadership opportunities

Visit housing.eku.edu for rates, floor plans and more details.

Office of Financial Aid

Mr. Bryan Erslan, Director
Whitlock Building 251
Phone: (859) 622-2361 Fax: (859) 622-2019
www.finaid@eku.edu

Financial assistance is available to help students offset the cost of their college education. There are five types of financial aid: grants, loans, employment, entitlements, and scholarships. The grants, loans, and federal work study programs are need-based. To determine how much money and for which programs the student qualifies, he/she must complete the Free Application for Federal Student Aid each year.

Entitlements include but are not limited to resources from the Veterans Administration and Vocational Rehabilitation. Scholarships are awarded from the University as well as outside sources. For information regarding entitlements, students should contact the Division of Student Financial Assistance at (859) 622-2361. This office can guide the student to the proper source depending on the type of entitlement or scholarship the student is interested in pursuing.

For scholarship information, students should contact the Scholarship Office in the Whitlock Building, Room 346 (859) 622-8032

VOCATIONAL REHABILITATION (OVR).

EKU supports the efforts of OVR to serve eligible individuals with disabilities. The Kentucky Office of Vocational Rehabilitation provides vocational rehabilitation services to eligible individuals with disabilities. Individuals receiving OVR services may also contact the EKU Center For Student Accessibility for academic accommodation. For more information about eligibility criteria call the Office of Vocational Rehabilitation toll free at 1-800-372-7172 or (502) 564-7172, or visit the website at www.ovr.ky.gov.

GRANTS

Grants are considered gift aid and do not usually have to be repaid.

The Federal Pell Grant is the largest grant program. The maximum award is $5,920 for 2017-18.

The Federal Supplemental Educational Opportunity Grant (SEOG) is awarded to students who demonstrate exceptional need, and priority is given to Federal Pell Grant recipients. The average Federal SEOG award at Eastern Kentucky University is generally $550 for the academic year.

The College Access Program Grant (CAP) is awarded to eligible Kentucky residents. The amount of this grant is determined by the Kentucky Higher Education Assistance Authority (KHEAA). It is given to students enrolled for a minimum of six hours. Full-time students will receive up to $950 per semester, $1,900 for the 2017-18 academic year.

SCHOLARSHIPS

Eastern Kentucky University offers a range of academic scholarships designed to reward scholastic achievement and enhance the university community through the attraction of academically talented students.

Unless noted otherwise in the specific description, each of these scholarships is awarded for eight consecutive regular semesters of full-time undergraduate work to students earning their first undergraduate Bachelor degree, provided a satisfactory grade point average is maintained.

In addition to the general scholarship program described below, the University also awards a number of scholarships funded through private funds administered in the Eastern Kentucky University Foundation. Students need to complete the scholarship application form to be considered for all foundation scholarships the University awards (www.scholarships.eku.edu).

Some discipline specific scholarships are awarded based on selection processes within the appropriate academic department. If the department housing the major indicated on the application form awards such scholarships, you will receive information from that department.

In addition to completing the scholarship application, it is also necessary to apply for admission to the university and for financial aid. All necessary forms are available through the Office of Admissions. If you have a question, or need admission forms, please call 1-800-465-9191, or send an email to admissions@eku.edu. Scholarship applications are available online at www.scholarships.eku.edu.

Except for the book award to participants in the Honors Program, the university does not make multiple awards of the described scholarships. Recipients will receive the highest award for which they apply, are eligible and selected.

The following information is applicable to freshmen enrolling at Eastern Kentucky University for the first-time in the Fall semester, 2017.

Transfer Scholarship: Students need to apply for admission to be considered automatically for merit scholarships. To be considered for the fall semester, students must apply for admission by June 15th. To be considered for the spring semester, students must apply for admission by November 15th. To be considered for the summer semester, students must apply for admission by April 15th. The transfer scholarship qualifications and requirements for this scholarship can be found at www.scholarships.eku.edu.

AWARDS

Four-year awards can vary up to $52,000. Merit scholarships
are awarded automatically upon admission to EKU. Applicants must be admitted prior to February 1st to receive priority for scholarships. We will continue to award after February 1st until funds are exhausted. The last date for scholarship upgrades is March 1st. There are no upgrades after that date. Students that are in a 100% online degree program are not eligible for merit scholarships. Requires maintenance of a certain grade point average to retain, dependent upon the amount of the award and student must be enrolled in a minimum of 12 credit hours each semester. If a student does not return for a semester, then the scholarship is considered forfeited and cannot be reinstated.

To determine your eligibility, please refer to our scholarship calculator at www.scholarships.eku.edu/estimator. Students should input their unweighted high school GPA and their ACT SAT scores. Many academic departments offer scholarships. Check with the department of your intended major or program to learn more about these options. Private donors, corporations and a wide range of organizations also have endowed scholarships. Discover more at www.scholarships.eku.edu.

Number of Awards: Limited

**J.W. Thurman Alumni Scholarship:** Applicants must be a dependent child of an EKU graduate. Applicants must score at least an 18 composite on the ACT exam and have a minimum high school grade point average of 3.0. Applicants may use the University’s foundation scholarship form and check the block indicating the application is for the J.W. Thurman Alumni Scholarship, and mail the application to the EKU Scholarship Office.

**Alumni Fund Scholarship:** Applicants must be incoming freshmen with an ACT score of at least an 18 and a high school GPA of 3.0. Students that demonstrate financial need to the University through the FAFSA application shall be given priority. Applicants must be involved in at least three extracurricular activities.

**Honors Program Award:** Students who are accepted into the University Honors Program will receive books-on-loan for up to eight consecutive semesters, provided they remain in the Honors Program.

**Dr. Rodney Gross Scholarship:** The Dr. Rodney Gross Diversity Scholarship provides financial assistance to high-achieving students from all segments of society: Alaskan, Native, Asian, Native Hawaiian or other Pacific Islander, Hispanic, or Latino. Applications may be obtained by contacting the Scholarship Office by phone (859) 622-8032 or via the web at www.scholarships.eku.edu.

**EKU Retention Scholarship** (Contingent on outside funding): Students completing their freshman year with a 2.0 grade point average or better and returning for the following fall term may apply for the competitive Retention Scholarship. If applicants have been enrolled in developmental courses they must have earned at least a grade of a “C” or better and be degree seeking students. This non-renewable scholarship provides up to $1000.00 for an academic year toward tuition and fees. Applications may be obtained by contacting the Scholarship office by phone (859) 622-8032 or via the web at www.scholarships.eku.edu.

**STUDENT LOANS**

The Federal Perkins Loan is a 5 percent simple interest loan awarded to exceptionally needy students. This loan is made to undergraduates, as well as post-baccalaureate and graduate students. Repayment begins nine months after the student ceases to be enrolled on at least a half time basis. There are certain occupations which allow a student to cancel a percentage of the money they borrow from this program. Contact the Loan Accounts Office in the Whitlock Building, Room 216, for more information regarding the cancellation and deferment options. All first time Federal Perkins Loan borrowers must be enrolled for thirty (30) days before their first Perkins disbursement can be released.

The Federal Direct Subsidized Loan Program is a need based program available to students who are enrolled at least half time. This loan is for undergraduate, and post-baccalaureate students. The interest rate is fixed and is not to exceed 8.25%. Contact the Office of Student Financial Assistance after July 1 for the current year interest rate.

The Federal Government pays the interest while the student is enrolled at least half time. A student has six months after ceasing to be enrolled as a half time student before repayment begins.

All first time Federal Direct Loan borrowers (subsidized as well as unsubsidized) must complete entrance counseling before their loan can be processed. Counseling can be completed at www.studentloans.gov.

The Federal Direct Unsubsidized Loan Program is not based on need. It has a different interest rate as the Federal Direct Subsidized Loan Program, and the student is responsible for paying the interest on this loan. The unsubsidized and the subsidized loan cannot exceed the maximum amount allowable by a student’s classification. For example:

- First Year Students - $5,500 is the annual loan limit. No more than $3,500 of this amount may be in subsidized loans. All first time Federal Direct Loan borrowers must be enrolled for thirty (30) days before the first disbursement can be released.
- Second Year Students - $6,500 is the annual loan limit a student can borrow. No more than $4,500 of this amount may be in subsidized loans.
- *NOTE:* This is the maximum amount ($6,500) that a student working on an Associate Degree is eligible to receive.
- Third and Fourth Year Students - $7,500 is the annual loan limit. No more than $5,500 of this amount may be in subsidized loans.
- Graduate Students - $20,500 is the annual loan limit. No more than $8,500 of this amount can be in subsidized loans.
- Independent students may be eligible for an additional unsubsidized funds. An independent student could borrow up to an additional:
  - Freshman/sophomore - $4,000
  - Junior/senior - $5,000
- Keep in mind that the unsubsidized and subsidized Direct Loans combined cannot exceed the student’s cost of education minus all other student financial assistance.

*Each annual loan limit is for one award year (12 month period; i.e., fall, spring, and summer).*

To apply for a Federal Direct Subsidized or Unsubsidized Loan, all students must complete a Free Application for Federal Student Aid. After the student is evaluated for all federal programs, his/her eligibility for the Direct Loan program is determined. The Office of Student Financial Assistance will certify the loan and electronically submit the information to the U.S. Department of Education (DOE). If the student has a signed Master Promissory Note (MPN) on file at DOE, the loan funds will be sent to Eastern Kentucky University on the specified disbursement dates. If the student does not have a signed MPN on file at DOE, a MPN must be signed electronically at www.studentloans.gov.

Post-Baccalaureate Students—Students returning to work on a second undergraduate degree are not automatically eligible for the senior annual loan limit of $7,500. Each student must submit
documentation which indicates how many hours that student has toward the second degree.

The Federal Direct Plus Loan program enables parents to borrow the cost of education minus other aid for their student who is enrolled for at least 6 hours. This is not a need based loan. As long as the parent who is applying for the loan is credit worthy, the loan is usually approved. The interest rate is fixed and not to exceed 9%. Interest begins to accrue 60 days after the loan is fully disbursed. The parent must complete the PLUS application process at www.studentloans.gov each year. If the parent has a signed Master Promissory Note (MPN) on file at DOE, the loan funds will be sent to EKU on the specified disbursement dates. If the parent does not have a signed MPN on file at DOE, an MPN must be signed electronically at www.studentloans.gov.

The Student Aid Society (Emergency Loan) program is designed to provide emergency short-term loans to students. It must be repaid. Students may borrow a small amount of money on a personal note at a legal rate of interest for a one month period. Money is made available through contributions of the University, alumni, private organizations and many individual friends of the University.

You must be enrolled as a full-time student, have a 2.0 (“C”) overall grade point average, a means of repayment, and must not have a past due balance. All students are eligible to apply for these short-term loans regardless if they are receiving other forms of financial aid. An application form obtained from the Loan Accounts Office in the Whitlock Building, Room 210 must be completed.

The loan must usually be repaid within four weeks, and the student is charged an interest rate of 2 percent. Students who have delinquent loans will have their grades sealed in the Registrar and will not be allowed to register for the next semester. Delinquent loans will be collected through a collection agency. Any additional expenses incurred in the collection of the note will be added to the student’s repayment.

STUDENT EMPLOYMENT

Eastern Kentucky University offers its students two employment programs. One is the federal work study program which provides part-time jobs to students who have financial need as determined by the Application for Federal Student Aid. This program is federally funded. The other is the EKU institutional work program. Eastern Kentucky University provides funds to employ students who want to work on-campus, but do not qualify for the federal work study.

Both of these programs employ students on a part-time basis, and students are paid every two weeks for the hours they have worked. Their job schedule is built around their class schedule. A variety of jobs are available including typing, filing, farm work, food service, resident hall assistants, tutorial work, as well as community service jobs. Contact Human Resources for more information at the Jones Building, Room 203, between 8:00 a.m. – 4:30 p.m. (M-F). or by phone at 859-622-5094, Option.

First Year Courses and Learning Communities

Dr. Luv’Tesha Robertson
Director & Department Chair
Whitlock Building 346
Phone: (859) 622-7322
www.firstyearcourses.eku.edu

Student Success Seminars serve as the gateway for student success to the University, providing our students with the tools, knowledge, and success strategies needed to thrive and connect to academic and campus life at EKU!

These courses provide a firm foundation in the structure and functions of the university, how to succeed in college, how to choose and/or succeed in a major, how to make the most of the academic curriculum, and how to think critically and solve problems.

Every student seeking an Associate of Arts Degree in General Studies or a baccalaureate degree must complete a (1) or (3) credit hour Student Success Seminar.

• Full time students must complete the Student Success Seminar during their first semester.
• Part time students must complete the Student Success Seminar within their first (18) credit hours but are strongly encouraged to complete the requirement during their first semester.
• Transfer students who have 30 or more transfer credits upon admission to EKU may have this requirement waived. Some majors require all students to take a Student Success Seminar, regardless of transfer status.
• Students who earn a grade of “W,” “F,” or “FN” in a Student Success Seminar must repeat the course the following term.

Eastern Kentucky University offers several variations of the seminar, depending upon major or special interest group.

• Students who enter the University with a declared major enroll in a (1) credit hour seminar in their college (ASO, BTO, EDO, HSO, JSO, SCO, or HON 100).
• Exploratory students (students who have not declared a major in a college) will enroll in a (3) credit hour seminar, GSD 101, which incorporates a unit on major and career exploration, in addition to critical thinking and success strategies.
• Sections of GSD 101 are also offered for special populations, such as NOVA, student athletes, veterans, and students of the Eastern Bridge program.
• Sections of GSD 101 are also offered for special interest groups as paired Learning Communities in English (ENG 101), Psychology (PSY 200), and Communications (CMS 100). Eligible students are pre-enrolled in Learning Communities on an as-available basis. In a Learning Community, students take two classes with the same group of students and have opportunities to interact with instructors, classmates, and peer mentors outside of class.

Office of International Student and Scholar Services

Mr. Wenceslaus P’Oryem, Director
Whitlock Building 455
Phone: (859) 622-1478 Fax: 859-622-1552
international@eku.edu
www.international.eku.edu

The Office of International Student and Scholar Services (OISSS) provides services, programs and resources to assist international students and visitors with their transition to campus and to life in the United States. Eastern Kentucky University has more than 250 international students studying at both the undergraduate and graduate levels. These students represent approximately
The Office also has a dedicated staff who works directly with sponsored students studying at EKU through various governmental programs or scholarships. Finally, the office provides immigration visa advising to our international population and also serves to keep the university in compliance with federal immigration regulations.

**Mediation Chapel**

University Chaplain
Phone: (859) 622-1723
www.studentaffairs.eku.edu/chapel/

The chapel of Meditation is the realization of a dream begun in 1968 when the Eastern Kentucky University Alumni Association adopted the Century Fund Project to finance a non-denominational chapel. The chapel stands as a testimonial of the love and devotion of the alumni, faculty, students and friends, commemorating the 100th anniversary of higher education on the Eastern Kentucky University campus.

The chapel is non-sectarian and is open to students, faculty, staff, alumni, and friends of the University for meditation, prayer, and spiritual reflection. The chapel is also used for several other events such as:
- Weddings
- Memorial Services
- Sorority & fraternity events
- Honor Society Events
- Academic department meetings
- Athletic events
- Religious organization events & services

The University Chaplain's office is located in the basement of the chapel. The Chaplain coordinates the various activities of the chapel and is available to perform weddings. The Chaplain also attends to students, staff and faculty with questions about spiritual matters or spirituality. Besides providing a peaceful and serene setting for prayer and meditation, the chapel is used to house various student organization meetings and services, weddings, and annual memorial services.

**Office of Military and Veterans Affairs**

317 Lancaster Avenue, Burnam House
Phone: (859) 622-2345 Fax: (859) 622-5076
www.va.eku.edu

The Office of Military and Veteran Affairs serves student veterans by assisting with admissions, obtaining VA benefits and credit for military training, and serving as an advocate for veterans’ issues throughout the campus community.

To utilize VA education benefits and to obtain a Certificate of Eligibility, student veterans or eligible dependents will need to apply directly to the Veterans Administration online at www.vets.gov. Upon receipt of the certificate, please bring, mail, or fax (859-622-5076) a copy to the Veteran Affairs office on the main campus at 317 Lancaster Avenue. Additionally, a Course Enrollment Form must be submitted online each semester for which benefits will be used, at www.va.eku.edu/course.

Basic Allowance for Housing (BAH) amount, based upon their enrollment status. Hybrid courses must be certified at the on-campus rate, per VA regulations. All veterans and dependents who are eligible for benefits under the federal Post-9/11 Veterans Educational Assistance Act of 2008 (38 U.S.C. Section 3301 et seq.), or any other federal law authorizing educational benefits for veterans or dependents, will receive in-state tuition and fees.

Veterans needing assistance in obtaining a copy of their Joint Service Transcript or CCAF transcript should email ekuveteransaffairs@eku.edu or call 859-622-2345.

**VA Regulations for Aviation Courses**

Students using GI Bill® benefits to fund an aviation course must complete each flight lab within 19 weeks of initiation of the first flight event; failure to do so will result in the student being assigned a grade of NC (No Credit). Students using GI Bill® benefits must repay to the VA the cost (including a portion of stipends for living expenses) related to any course in which a grade of NC is earned. Important - All student participants receiving Veterans Administration benefits have 19 calendar weeks from the date of the first flight event to complete an Aviation flight lab.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at http://www.benefits.va.gov/gibill.

**Aviation Flight Hours & Costs/Fees**

A complete listing of aviation related fees for the current academic year is published on the EKU Aviation Flight Fees website (http://aviation.eku.edu/aviation-flight-fees), and are included in materials provided by the flight instructors. Additionally, all VA funded flight students receive this information from the EKU Office of Military and Veteran Affairs during their enrollment certification process. Students should verify through their regional Department of Veterans Affairs processing office if they have questions regarding their eligibility to use VA resources to complete the requirements of the EKU Aviation program.

**Kentucky National Guard Tuition Award Program**

Active members of the Kentucky National Guard can utilize the Kentucky National Guard Tuition Award Program if they meet all eligibility criteria with the National Guard. Members must maintain all minimum standards, be eligible for all positive personnel actions, and have completed basic training or its equivalent. Eligible members will be awarded up to in-state tuition for full or part-time study at any Kentucky public college while funds are available. Members must apply to utilize the Kentucky National Guard Tuition Award Program each semester. The deadline to apply for the Summer and Fall semesters is April 1, and the deadline to apply for the Winter and Spring semesters is October 1. The application is available online at https://ky.ngb.army.mil/tuitionstudent. For additional information, members can contact the Boone National Guard at (502) 607-1039.

**Survivors’ and Dependents’ Educational Assistance**

DEA (Chapter 35) provides education and training opportunities to eligible dependents and survivors of certain veterans. For more information on DEA eligibility visit www.vets.gov.

**Children of Kentucky War Veterans**

If you are the child of a Kentucky War Veteran, you may also be entitled to a tuition waiver in addition to your DEA benefits.
Under the provisions of KRS 164.505, 164.507, and 164.515, children of Kentuckians who were killed in military action or who were permanently and totally disabled in wartime military services are eligible for this waiver. For additional information contact the Kentucky Department of Veterans Affairs, Tuition Waiver Coordinator at (502) 595-4447.

Office of Multicultural Student Affairs
110 Powell Building
Phone: (859) 622-4373 Fax: (859) 622-6997
www.studentaffairs.eku.edu/multicultural/

The Office of Multicultural Student Affairs (OMSA) seeks to bring issues of cultural diversity to the forefront of campus conversation through educational programs and services. OMSA serves all students as they question personal and collective notions of race, gender, economic status, language, nationality, ethnicity, religion, sexual orientation, age, exceptionality and culture. OMSA encourages the utilization of campus resources, participation in campus life, understanding and respecting cultural differences, and encouraging tolerance and inclusiveness.

OMSA is actively engaged in collaborative efforts with other departments and academic areas on campus and provides co-curriculum learning experiences. OMSA also focuses on helping students from under-represented groups feel welcomed and supported so that cultural barriers are minimized and to help all students become more culturally competent to prepare them to enter an increasingly diverse workforce.

The center promotes life-long learning and global citizenship by providing programs, workshops, diversity trainings, study groups, panel discussions and events on cultural awareness, sensitivity and competence.

Located within the Powell Student Center, The Office of Multicultural Student Affairs is actively engaged in collaborative efforts with other departments and academic areas on campus including African/African-American Studies, Appalachian Studies, Campus Ministries, International Education, and Women and Gender Studies. The center also supports the efforts of various Eastern Kentucky University student organizations such as African/African American Studies Group, the Alphabet Lounge Student Group, B.S.U. (Black Student Union), Christian, EKU Capoeira Club, Eastern Kentucky University Gospel Ensemble, Feminists for Change, International Student Association, L.S.A. (Latino Student Association), M.A.R. (Men Against Rape), M.C.C. (Minority Collegiate Connection and Collegiate Black), Men of Color Mentorship Program, M.S.A. (Muslim Student Association), National Pan-Hellenic Council (N.P.H.C.), OWLS (Older, Wiser, Learners), Pride Alliance, Saudi Student Association, and S.I.S.T.A.

TRIO Programs

Educational Talent Search Program
Ms. Lisa Sons, Director
Telford House
(859) 622-5425
www.ets.eku.edu
ETS@eku.edu

The Educational Talent Search (ETS) Program is a TRiO project funded by the U.S. Department of Education. Talent Search has been at Eastern Kentucky University since 1985. The program serves 6th grade through 12th grade students who have the interest and abilities to further their education beyond high school. Two-thirds of the participants must meet federal income guidelines, and be in the first-generation in their family to pursue a post-secondary education. The goal of the program is to assist participants as they transition from middle school to high school, and on to a post-secondary educational institution. Educational Talent Search offers services related to the following areas: academic information, career resources, exposure to college campuses, career sites and cultural activities, financial literacy, financial aid program information, mentoring, tutoring and personal development activities. Educational Talent Search also offers assistance to out-of-school adults in identifying additional support services. ETS offers assistance for high school completion through referrals to GED programs and local high schools. Services are also available for those who are enrolling in postsecondary institutions for the first time or for those who are returning to school. For more detailed information, contact the Educational Talent Search Program at (859) 622-5425 or check out the Educational Talent Search Program’s website at www.ets.eku.edu.

McNair Scholars Program
Mr. Rich Richmond, Director
Jones 409
(859) 622-6249

The McNair Scholars Program at Eastern Kentucky University is a federal initiative funded through the U.S. Department of Education. The McNair Scholars Program encourages and assists undergraduate students from disadvantaged backgrounds who aim to enter careers that require doctoral achievement. Professional staff members provide supportive supplemental advising, offer holistic academic counseling, and facilitate structured training opportunities that enhance participants' readiness for graduate school applications and preparation for graduate school achievement.

Services provided by the program include:
- PhD faculty mentoring
- Supportive supplemental advising
- Holistic academic counseling
- Seminars and scholarly activities that prepare participants for graduate level achievement
- Paid summer research internships
- Conference and presentation opportunities
- Graduate school application preparation and support
- EKU Scholarships

Additional information about the McNair Scholars program can be found on the website at www.mcnaireku.edu.

Center for Student Parents
(formerly Education Pays Center)
Ms. Robyn Moreland, Director
Weaver 202; (859) 622-6684
www.studentparents.eku.edu

The Center for Student Parents (formerly Education Pays Center) is a program designed to assist Kentucky Temporary Assistance Program (KTAP) recipients who are seeking postsecondary education at Eastern Kentucky University. This
Upward Bound is funded by the U.S. Department of Education and has been on the EKU campus since 1998. The Center for Student Parents respects individual student-participants by providing guidance and support toward career goals, meaningful employment, and the achievement of postsecondary vocational certificate and/or higher education degree. Student-participants are provided with career exploration, counseling, mentoring, academic support services, work experiences and job readiness skill building. The Center for Student Parents helps students get where they want to be.

**NOVA Program (TRiO Student Support Services)**
Ms. Sierrah Anderson, Director
Turley House 2
Phone: (859) 622-1047
Fax: (859) 622-1074
www.nova.eku.edu

The NOVA Program is a Student Support Services project whose mission is to increase the retention and graduation rates of eligible first-generation and limited income students at EKU. NOVA's retention model is comprehensive, providing participants with targeted services designed to meet the individual needs of each and every student.

NOVA provides a multitude of student support services from Orientation to Graduation, including:

- Academic Advising
- Career Counseling
- Classroom Instruction
- Financial Aid and Financial Literacy Consulting
- Graduate School Preparation
- Personal Counseling
- Service Learning
- Living Learning Community
- Peer Mentoring
- Personal Counseling
- Registered Student Organization
- Service Learning Experience
- Scholarship Opportunities
- Supplemental Grant Aid Opportunities
- Tutoring Services

Students who are interested in NOVA may apply online at www.nova.eku.edu or stop by the Turley House 2nd Floor to obtain an application. For more information, please call (859) 622-1047 between the hours of 8:00-4:30, Monday-Friday.

**Upward Bound Program**
Ms. Tamara Stewart, Director
Patterson House
(859) 622-1080

EKU Upward Bound is an academic, college-preparatory program serving 125 first-generation, low-income high school students in Casey, Estill, Lee, Lincoln, Powell, and Wolfe counties. Upward Bound is funded by the U.S. Department of Education as one of the federal TRIO programs and has been at EKU since 1965.

Upward Bound provides a comprehensive year-round program each academic year and summer components encompassing a wide variety of services including educational instruction, individualized and group academic tutoring, college exposure, financial aid assistance and financial literacy, career exploration, and cultural activities. The academic year component consists of monthly on-campus academic sessions and school visits and individual contacts. The summer residential component lasts for six weeks and is designed to simulate a college-going experience by offering academic enrichment through rigorous coursework in mathematics, pre-calculus, laboratory science, foreign language, and composition and literature, as well as electives and special interest classes. Participation is at no cost to the students.

Interested students should contact their high school guidance counselor or visit the website to “Nominate a Student” at www.upwardbound.eku.edu.

**Center for Student Accessibility**
Dr. Joslyn Glover, Director
Whitlock Building 361, CPO 66
Phone: (859) 622-2933
www.accessibility.eku.edu

The Center for Student Accessibility (CSA) assists students by coordinating campus and program accessibility as well as providing support in the attainment of educational goals. CSA is located in the Whitlock Building, Room 361. Appointments are made by calling (859) 622-2933 or by email at accessibility@eku.edu.

Students requesting services, including deaf and hard of hearing students, are required to submit a completed application for services and current health-related documentation. Applications, documentation guidelines, and additional information are available at the CSA website. Services are individualized and may include accommodations, digital books, equipment loans, interpreters, note-taking assistance, testing accommodations and other services.

CSA offers **Project Success**, a comprehensive program for students diagnosed with specific learning disabilities, Attention Deficit Disorder and other health conditions to support their academic success at EKU. Project Success provides participating students with intensive academic coaching and tutoring support.

**ADA/504 Coordinator**
The ADA/504 Coordinator serves the University by hearing individual ADA cases including appeals for course substitutions, waivers and other accessibility-related cases and as a member of the ADA Appeals Committee. Appointments with the ADA/504 Coordinator are made by contacting Dr. Laurence Hayes, laurence.hayes@eku.edu.

**Student Health Services**
Rowlett 103
Phone: (859) 622-1761 Fax: (859) 622-1767
www.healthservices.eku.edu

The mission of Student Health Services at Eastern Kentucky University is to provide our students with the best quality acute ambulatory medical care in a compassionate environment, while providing education on healthy lifestyles from which our students can benefit for the rest of their lives.

Student Health Services has three primary goals: first, to address any acute medical condition that threatens health, interferes with function, reduces performance, and serves as an obstacle to learning and personal growth; second, to educate our student body on healthy lifestyle choices that promote wellness and reduce the chances of disease—the preventive approach; third, to serve as a
source of information and access to community based assistance programs. Services provided at the Health Center include:

- Outpatient acute medical care
- Allergy shots
- Basic laboratory tests
- Certain immunizations
- X-Ray requests
- Tuberculosis skin testing
- Health education
- AIDS education/testing referral

To make an appointment to see a provider, please go to the SHS website and click on the icon at the bottom left corner of the home page: “Schedule Online Appointment.”

A variety of free pamphlets, booklets, and other materials are available at the SHS. Students may utilize the computer terminal with Internet access in the SHS lobby to look up health related topics of interest.

**Student Life & First-Year Experience**

Loni Yost, Director  
Roark 104  
Phone: (859) 622-3855  www.studentlife.eku.edu

The Office of Student Life & First-Year Experience (SL&FYE) at Eastern Kentucky University is dedicated to making sure every student has the opportunity to get involved and receive valuable experiences outside of the classroom. SL&FYE provides numerous services and programs for EKU students including Community Service, Colonel’s Cupboard, Fraternity & Sorority Life, Leadership, Registered Student Organizations (RSOs), and Student Activities. SL&FYE also provides educational opportunities to assist students in their holistic development.

The first step to getting involved is visiting our website: www.studentlife.eku.edu. Here you can learn about involvement opportunities by logging into OrgSync (www.eku.orgsync.com)!

You can browse RSOs, check out upcoming events on the calendar, and complete other forms and applications.

**First-Year Experience**

First-Year Experience (FYE) serves to help you connect to EKU inside and outside the classroom, and empower you with experiences and resources to make your first year a powerful, engaging experience. We strive to build all FYE programming on these three pillars:

- **EXCITE** your Colonel spirit by embracing EKU traditions and embarking on your individual “Eastern Experience.”
- **EXCHANGE** dialogue, ideas and perspectives with faculty, staff and peers to connect with the greater EKU community.
- **EXCEL** inside and outside the classroom by establishing positive habits that will help make you a successful Colonel at EKU and beyond.

Our cornerstone FYE program, **Big E Welcome**, will allow you to build friendships and connections with other first-year students, equip yourself with skills to excel in the classroom, and truly welcome you into the EKU experience! Your Colonel Crew Leader (a current EKU student) will lead you through the festivities and share the weekend with you.

**Community Service and Colonel’s Cupboard**

From disaster relief to blood drives, EKU students are changing the world one project at a time. Whether serving out of state on an Alternative Break trip or right here on campus, our service projects offer you the opportunity to make new friends, build your network, and grow as an individual. Our projects fit perfectly into a wide variety of majors, minors, and concentrations to provide offerings that fit everyone’s interests.

The Colonel’s Cupboard is an on-campus food pantry that assists EKU students who may be experiencing food insecurity. We also offer toiletry items and clothing items through the Clothing Bank and Closet TransForm housed within the Colonel’s Cupboard.

**Fraternity & Sorority Life**

EKU is home to a vibrant fraternity and sorority community comprised of nearly 30 chapters and three governing councils: Interfraternity Council (IFC), National Pan-Hellenic Council (NPHC), and Panhellenic Council (NPC).

Visit greeklife.eku.edu to learn more about the recruitment process and these values-based organizations focusing on scholarship, service, leadership, and life.

- **Scholarship** – Each chapter has scholastic standards members are required to meet. Additionally, chapters implement academic success plans including study hours, incentives, and much more.
- **Service** – Greeks regularly dedicate their time, talent, and treasure to bettering the world in which we live. This is accomplished through philanthropy and community service efforts.
- **Leadership** – The fraternity and sorority community give members many opportunities to lead within the chapters and in the community.
- **Life** – Membership is a lifelong commitment. Fraternity and sorority members value brotherhood/sisterhood and being together for support and fellowship.

**Leadership**

SL&FYE is dedicated to providing leadership programs which cultivate your personal leadership talents to help you be successful during your time at EKU and beyond. Our leadership programs include workshops, retreats, our annual LEAD EKU conference, I AM EKU, certificates, and more!

**Parent & Family Programs**

The EKU Parent & Family Network serves to empower EKU parents, family, and friends with resources, timely and important information, and programs to support the success of their Colonel. The network assists in helping families stay connected and informed on the EKU community.

**Student Activities**

SL&FYE hosts dozens of events each semester aimed at educating, entertaining, and meeting the needs of EKU students. We also have many programs in which we collaborate with various departments across campus to enhance the out-of-classroom experience. Check out upcoming events at studentlife.eku.edu.

**Student Organizations**

SL&FYE is home to over 270 Registered Student Organizations (RSO) that EKU students are welcome to get involved with at any time! RSOs at EKU include a group of 6 or more current EKU students who have formulated an organization for a common purpose. The list of current student organizations and detailed
STUDENT OUTREACH AND TRANSITION OFFICE (SOTO)
Ms. Lisa Cox, Director
Whitlock Building 442
Phone: (859) 622-7686
www.soto.eku.edu/

This one-stop transitional center is designed for transfer, non-traditional and re-entry students (away from EKU for over 2 years). The Student Outreach and Transition Office provides comprehensive support to students from initial inquiry through registration for their first semester of classes, serving as an advocate to promote their needs along the way. Prospective students receive individualized consulting services in the areas of admissions, degree audits, major selection, academic bankruptcy, credit transfer process, degree completion via distance learning, and course registration prior to their first semester. This office also provides students with answers to basic questions regarding filing for financial aid, financial aid appeals, and receiving credit for prior learning. Evening appointments are available to better serve the needs of adult learners.

SOTO also serves as a hub for diverse students with access to the bi-lingual Associate Director of Latino Recruitment and Retention who is available to answer questions and refer students to appropriate resources. SOTO is also home to the Rodney Gross Scholars program. Scholars have access to dedicated study areas that include computer access, mentoring and tutoring assistance upon request.

Colonel Connection Program

The Colonel Connection Program facilitates the transfer process from other colleges to EKU, and eases students’ transition to and timely graduation from EKU. The program is available to students who are currently enrolled at another institution (e.g., a community college) and intend to transfer to EKU to complete a baccalaureate degree. Students must apply for admission to EKU, meet all admission requirements, and be accepted to EKU before enrolling in the Colonel Connection program.

Upon admission and completion of the Colonel Connection program agreement, participating students are granted continuous access to EKU’s DegreeWorks degree audit system, allowing them to view their individualized degree plan and progress towards an EKU baccalaureate degree. The degree audit is then kept current through regular submission of transcripts to EKU for credit evaluation. (Note: Colonel Connection students may not enroll in EKU coursework without first requesting visiting-student status through their advisor.)

When ready to transfer to EKU, the student must complete a Colonel Connection Admission request form in lieu of submitting another application for admission. This confirms the student intent to enroll as a degree-seeking student and locks in any transfer scholarship for which the student might be eligible.

To maintain enrollment in the Colonel Connection program, a student must:
• maintain a minimum 2.0 grade-point average (GPA) on all college-level work completed to date;
• complete, with a grade of C or better, no fewer than six (6) credits in the most recent fall/spring semester; and
• meet with an assigned EKU advisor at least twice per academic year to discuss their progress and plans for transfer and graduation.

Students who fail to meet any of the above standards will be given one fall or spring semester to comply, after which they will be disenrolled from the Colonel Connection program.

Upon enrollment in the Colonel Connection program, participants will have a catalog year associated with their student record designating the academic year for their degree program as well as General Education and University graduation requirements. Should graduation requirements subsequently change, students may request a move to the current Catalog through the Registrar’s Office. The catalog year may be found on the student’s DegreeWorks degree audit.

Students who fail to maintain their enrollment in the Colonel Connection program may apply for readmission to the program; however, their catalog year will be based on the date of re-enrollment.

For further information regarding the Colonel Connection program, contact the EKU Student Outreach and Transition Office (SOTO).

Student Success

Mr. Matt Schumacher, Senior Director
Whitlock Building 335
(859) 622-6778

Student Success offers services and resources to assist students in persisting and completing their undergraduate degrees. These services include:
• Coordinating recruit-back
• Executing Progress Reports
• Leading retention initiatives
• Providing assistance and support to first-generation students
The offices under Student Success include:

- Diverse Student Retention
- Student Success Center

Diverse Student Retention coordinates the Freshman Academy. The Freshman Academy is an interactive learning experience that promotes retention of all students, with particular focus on minority students. It is designed to provide first-year students with the information, encouragement and direction they need in order to navigate college life and reach their academic, personal, and professional goals at Eastern Kentucky University. The Academy connects first-year students with their fellow classmates, and introduces them to EKU faculty, staff and student leaders who will provide on-going support throughout their college career at EKU and beyond. The Student Success Center is the one-stop resource for answers to any questions students may have during their college experience.

**Student Success Center**  
Dr. Lara Vance, Director  
Library 106D and Whitlock Building, First Floor  
(859) 622-7861  
SuccessCenter@eku.edu  
www.successcenter.eku.edu

The Student Success Center is the one-stop resource for students who need answers to any questions they may have during their college experience. Our full-time staff members serve as resources for students as they navigate college, often proactively reaching out to students who may need assistance. They also provide referrals to other EKU resources about which students may not be aware.

The EKU Gurus are trained tutors and mentors who work through Student Success Center programs to provide peer-to-peer service to EKU students. Each EKU Guru is trained to provide students with study skills, time management, critical reading strategies, test preparation approaches, and other skills necessary for college success. Additionally, Gurus provide content help in over 100 courses. For each course they cover, the Guru has earned a high grade in that class and has a faculty recommendation to tutor in that course. Additionally, staff members are trained to help students deal with life issues that may be impeding their success at college.

The workshops and other programs in the Chellgren Success Series are designed to help students with study skills, time management, choosing a major, and more. The Student Success Center also serves as a study area for students so that they can do homework and study with tutors nearby if they need assistance because asking for help is a habit that will help students be more successful.

All of our services are free and no appointment is necessary.

**Office of University Advising**  
Mr. Benton Shirey, Director  
Whitlock Building 347  
(859) 622-2276

All undergraduate students are assigned an academic advisor through the Office of University Advising. Designated departmental faculty and college staff serve as advisors to students with declared majors. Professional advisors in the Office of University Advising serve as advisors for students seeking an Associate of Arts in General Studies degree, for exploratory students, and for students with two or more college readiness needs.

Academic advising is a dialogue between student and advisor to promote responsible and appropriate choices and facilitate a successful academic experience. The Office of University Advising collaborates with students, faculty, and staff across campus to develop a meaningful academic plan tailored to a student’s needs and goals. University Advising serves students, faculty, and staff by:

- Providing year-round academic advising and student support to each EKU student.
- Providing advising tools and referring students to appropriate campus resources.
- Facilitating the Early Alert Program to identify at-risk students.
- Providing customized academic planning and advising to at-risk and exploratory students and students experiencing academic difficulty.
- Assisting with probation recovery for students.
- Assisting in the withdrawal process for students.
- Collaborating with the Office of First-Year Courses, Counseling Center and the Center for Career and Co-op to assist student in clarifying educational, career, and life goals.
- Collaborating with the Center for Career and Co-op to facilitate the major exploration process.
- Coordinating campus-wide advising functions through the Eastern Advising & Retention Network (EARN) meetings and the Undergraduate Advising Committee.
- Coordinating advising resources for the Summer Orientation Program in conjunction with the Office of Admissions and the Registrar.
- Working with campus volunteers to coordinate the Ask Me! Campaign- a new, first-time student welcome initiative.

For more information visit the University Advising website at www.universityadvising.eku.edu or call (859) 622-2276.

GENERAL ACADEMIC INFORMATION

Student success is an EKU priority. The General Academic Information section provides students with key information to help them succeed on the path toward completing a degree. All students should become familiar with the General Academic Information section of the Catalog as well as specific college and departmental program requirements. Being unaware of these regulations and requirements does not exempt a student from complying with the requirements.

APPLIED CRITICAL AND CREATIVE THINKING (ACCT)

The ACCT is a program-directed University baccalaureate degree graduation requirement intended to showcase the unique experiential and applied components of all undergraduate degrees at EKU. The goal of the ACCT is to ensure that students integrate into their degree program experiences and/or courses that demonstrate applied critical and creative thinking skills. Any course or experience used to meet this requirement may also be used to satisfy program requirements. Options to satisfy this requirement vary by degree program and will be determined by the program. The ACCT experience is expected to be at least a 3 credit hour course, or an experience that requires equivalent effort. Students should refer to the program requirements for their majors, as listed in this Catalog, or listed on their DegreeWorks degree audit, for specific information on the ACCT requirement.

ACADEMIC BANKRUPTCY

ACADEMIC BANKRUPTCY OF EKU WORK

Academic bankruptcy allows undergraduate students who are returning to Eastern Kentucky University after remaining out for an extended period of time to remove from their GPA a portion of the work attempted during prior college enrollment(s). EKU offers this option of academic renewal because it recognizes that some students fail to perform satisfactorily due to immaturity or to other factors that interfere with their academic performance.

Students considering academic bankruptcy should make careful note of the following policy conditions:

a. The student must not have attended Eastern Kentucky University or any other institution of higher education for a period of at least two consecutive years sometime after attempting work to be bankrupted.
b. The student must be currently enrolled as a degree-seeking student at EKU.
c. The student must not have previously declared bankruptcy of EKU work. Bankruptcy can only be declared once.
d. Only semesters where the term GPA is below 2.0 will be considered for bankruptcy.
e. Within eligible terms (see d, above), only courses with grades of “D” or “F,” or the equivalent, may be bankrupted.
f. During his/her first semester after being readmitted a student requesting bankruptcy must attain a minimum of a 2.0 term GPA. The student must earn no grade lower than a “C” on at least 12 hours of 100-level (or higher) EKU coursework, and pass any college readiness courses. All courses and grades, including repeated courses, will be counted in the qualifying term GPA. (*If it takes more than one semester to complete the necessary 12 credit hours, the student must maintain a consistent 2.0 term GPA since being readmitted.) For the purpose of determining bankruptcy a grade of “S” is acceptable.
g. A student who does not enroll in 12 credit hours of 100-level or higher coursework during his or her first term back at EKU will have his/her enrollment in the subsequent semester combined with that of the first to determine bankruptcy. All academic work attempted in the term that includes the twelfth credit hour is affected by the above grade restrictions.
h. Before formally requesting consideration for bankruptcy, the student must confer with bankruptcy experts in the Registrar’s Office to determine which semesters may qualify for bankruptcy and what the impact to the student’s GPA will be. The student will then complete and sign the Academic Bankruptcy form.
i. Any academic work used to complete a baccalaureate degree is not eligible for bankruptcy once the degree has been awarded.

If bankruptcy is granted, the bankrupted class(es):
- Will remain visible on the transcript, but with a “S” designation.
- Will not be counted in the student’s GPA.
- Will not count as earned hours. (Note that Financial Aid will continue to count bankrupted hours as attempted hours.)
- Will be included in the separate GPA calculation which is done when determining graduation honors.
- Will be prevented by DegreeWorks from meeting any degree requirements (including the 42 hour upper division requirement). However, the dean of the college of the student’s major may waive major, supporting, and general education requirements met by bankrupted courses. Note that this does not add back any credit hours from bankrupted courses, the student may be required to complete additional elective courses to obtain the minimum number of credit hours required to graduate.

ACADEMIC BANKRUPTCY OF TRANSFERRED WORK

Academic bankruptcy of transfer coursework undergraduate students who have been out of higher education for an extended period to void a portion of their earlier work attempted at other institutions. EKU offers this option because it recognizes that some students fail to perform satisfactorily due to immaturity or to other factors that interfere with their academic performance.

To qualify for transfer bankruptcy, a student must meet the following conditions:

a. The student must not have attended Eastern Kentucky University or any other institution of higher education for a period of at least two consecutive years sometime after attempting work to be bankrupted.

b. Students may request to bankrupt prior work. However, all EKU bankruptcy restrictions and rules listed in the general academic bankruptcy section of this catalog apply.
c. After being admitted to EKU, the student must attain a minimum of a 2.0 GPA with no grade lower than a “C” on at least 12 hours of college-level (i.e., 100 or above) EKU courses and pass any attempted college readiness courses. All courses and grades, including repeated courses, will be counted when determining eligibility for academic renewal. A grade of “S” is also acceptable for meeting academic renewal eligibility. All work attempted in the academic term that includes the twelfth hour is affected by these grade restrictions.

d. The transfer student must submit a completed Academic Bankruptcy request form to the Office of the Registrar. All students should consult with a bankruptcy expert in the Registrar’s Office. Together, they will identify the transfer institutions from which work is to be bankrupted, as well as the specific semesters that are to be bankrupted.

e. The student may not have previously declared transfer bankruptcy at EKU.

f. Academic work earned before completion of a baccalaureate degree is not eligible for bankruptcy once the degree has been awarded.

g. The student must be currently enrolled as a degree-seeking student at EKU.

h. If transfer bankruptcy is granted, the bankrupted work:
   • will remain on the transcript.
   • will not be counted in the student’s GPA.
   • will not count toward degree requirements, including the upper division hours requirement. However, the dean of the college in which the student is enrolled may waive major, supporting, and general education requirements met by bankrupted courses. Note that this does not add back any credit hours from bankrupted courses; the student may be required to complete additional elective courses to obtain the minimum number of credit hours required to graduate.

i. Grades for course work approved for academic bankruptcy will be included in the separate GPA calculation performed to determine students who will graduate with Latin Honors.

j. Transfer students who have participated in academic bankruptcy (or academic renewal) at a previous institution, and have not yet earned a baccalaureate degree, may petition through the University Exception process to either have the affected transfer coursework brought into EKU as it was recorded by the previous institution, or have the coursework applied through EKU’s academic bankruptcy policy.

ACADEMIC INTEGRITY

EKU students are expected to adhere to the highest standards of academic integrity. Students who are found guilty of academic dishonesty will be sanctioned in a manner that is appropriate to the infraction. Sanctions may range from receiving a failing grade on the assignment to being assigned a failing grade in the course. Stronger sanctions are possible in the event a case is assigned to the Student Disciplinary Council. Students who are assigned a grade of “F” or “FX” in a course due to academic dishonesty will not be permitted to withdraw from the course.

For a full description of academic dishonesty, including plagiarism, cheating, and fabrication, refer to the section entitled Academic Integrity Policy in the University Handbook for Students.

ACADEMIC READINESS, TESTING, AND TUTORING

Ms. Kathy Williams, Director
Whitlock Building 326
kathy.williams@eku.edu
(859) 622-2306

The Academic Readiness Program at Eastern Kentucky University helps students achieve academic success by: developing or enhancing skill level proficiencies in the areas of reading, English writing, and/or mathematics; by improving students’ academic, financial literacy, and social readiness skills; and by promoting self-advocacy and personal responsibility among incoming first-year students.

Academic Readiness: In Kentucky, “academic readiness, also called college readiness” is indicated by minimum ACT subscores of 18 in English, 19 in mathematics, and 20 in reading. College-level skill proficiencies in writing, reading, and mathematics may also be measured by student performance on the SAT, the KYOTE (Kentucky Online Test), the GED College Readiness exam, PARCC scores, Smarter Balanced scores, ALEKS scores (mathematics only), and/or EKU placement tests. Students whose test scores indicate the need for additional academic readiness preparation may be required to complete one or more EKU Academic Readiness courses. Students should carefully review the General Education section of Degree Works, General Education Element 1 and/or Element 2 to confirm if they are required to complete one or more of the following academic readiness courses:

- ENG 101 Research, Writing and Rhetoric I
- ENG 101R Research, Writing and Rhetoric I (Supported)
- ENG 102 Research, Writing and Rhetoric II (Supported)
- ENR 115 Learning Dynamics (Summer Bridge only)
- MAT 105 Mathematics with Applications
- MAT 105P Quantitative Support for MAT 105
- MAT 112 A/B Algebra: Polynomials/Functions & Matrices
- MAT 112 AP/Quantitative Support for MAT 112 A/B
- PHI 101R Logic & Critical Reading (Supported)
- STA 215P Quantitative Support for STA 215

Each Academic Readiness course is, or has modules which add up to, 3-4 academic credit hours. Final grades are calculated in the GPA.

Students transferring to Eastern Kentucky University with an Associate of Arts, Associate of Science, Associate of Applied Sciences, Associate of Science in Nursing degree, or an equivalent, will be considered proficient in the three basic skill areas of English (writing), mathematics, and reading. Please see Section Six of this Catalog for descriptions of these courses.

ACADEMIC READINESS COURSE ENROLLMENT AND COMPLETION REQUIREMENTS

Following are the policies concerning academic readiness course enrollment and completion requirements for degree seeking students:

1) All full- or part-time students, including transfer and online students, who need to complete any of the Academic Readiness
courses listed above are required to enroll in and complete the
needed courses during the following time frames:
(a) ENG 101 or ENG 101R must be completed during the first
semester of enrollment at EKU
(b) MAT 105, MAT 105P, MAT 112/114, or MAT 112 A/B are
restricted based on English need. Any student with
an ENG 101R need may not take mathematics until the
second semester of enrollment or until the ENG 101R
need is completed with a final grade of A, B, or C.
(c) Students may enroll in a non-Academic Readiness,
standard ENG 101 course and a mathematics course
during the first semester of enrollment.
2) Mathematics or Quantitative Reasoning Course Completion:
Students who have not met mathematics academic readiness
benchmark are required to enroll in an academic readiness
mathematics course that corresponds with an intended major
no later than the second semester of enrollment, as long as all
English readiness need have been met.
These courses may include MAT 105 + MAT 105P; OR MAT
112 A/B + MAT 112 AP/BP; OR PHI 101; OR PHI 101R
3) Enrollment in the appropriate English course shall take
precedence over enrollment in any other courses during a
student’s first semester.
4) Enrollment in the appropriate mathematics course shall take
precedence over enrollment in any other course, with the
exception of ENG 101R, at the beginning of the student’s
second semester and must be completed concurrent with ENG
102R, if necessary.
5) ENG 102R must be completed in the semester immediately
following completion of ENG 101R, to include the summer
semester, if a student enrolls in summer courses.
6) Students with a mathematics academic readiness requirement
and need to repeat ENG 101 or ENG 101R during the second
semester, must simultaneously enroll in the required math and
English courses.
7) All full- or part-time students with academic readiness needs
in two or more areas (English composition, reading, and/or math)
are required to take GSD 101: Foundations of Learning in the first
semester of enrollment.
8) Students who fail to demonstrate continuous, progressive
enrollment in required academic readiness courses will have a
registration hold placed on their record. These students are required
to meet with a representative of the Office of Academic Readiness
to establish a plan toward completion of remaining academic
readiness requirements.
9) Permission to withdraw from an academic readiness course
must be obtained via the EKU Office of Academic Readiness.

Grades in Academic Readiness and Developmental Courses
• ENG 100: English for Non-Native Speakers: Final grades in
the ENG 100 college readiness course are not included in the
calculation of GPAs. Final grades in the college readiness
course ENG 100: English for Non-Native Speakers are “S”
(successfully completed) and “U” (unsuccessfully completed).
ENG 100 prepares non-native speakers for success in ENG
101 or ENG 101R.
• ENG 101R: Research, Writing and Rhetoric I: Final grades in
the college readiness co-requisite course ENG 101R include
“A,” “B,” “C,” and “F.” There are no final course grades
of “D” in ENG 101R. The successful completion of ENG
101R satisfies the General Education Element 1A: Written
Communication requirement.
• Students who receive a final grade of B or C in ENG 101R are
required to complete ENG 102R.
• ENG 102R: Research, Writing and Rhetoric II: Final grades in
ENG 102R include “A,” “B,” “C,” “D,” and “F.” The
successful completion of ENG 102R satisfies the General
Education Element 1B: Written Communication requirement.
• MAT 105 + MAT 105P Math with Applications + Quantitative
Support for MAT 105: Final grades in the academic readiness
course MAT 105 + MAT 105P include the grades “A,” “B,”
“C,” “D,” and “F.” The successful completion of MAT 105
+ MAT 105P satisfies the General Education Element 2:
Quantitative Reasoning requirement.
• MAT 112A/B + MAT 112AP/BP: Final grades in the
academic readiness co-requisite courses MAT 112 A/B + MAT
112 AP/BP include the grades “A,” “B,” “C,” “D,” and “F.”
The successful completion of MAT 112 A/B + MAT 112 AP/
BP satisfies the General Education Element 2: Quantitative
Reasoning requirement.
• PHI 101R: Logic and Critical Reasoning, Supported: Final
grades in the academic readiness co-requisite PHI 101R
satisfies the General Education Element 2: Quantitative
Reasoning requirement.

SUCCESS FIRST INITIATIVE
The Success First Initiative grants admission to students
who may face challenges as new or returning students as indicated
by their established academic record. The Success First Initiative
applies to the following students:
• New first-time students (including transfers with less than 24
college credits) with high school GPAs between 2.0 and 2.49
(unweighted on a 4.0 scale).
• AGS students admitted with two Academic Readiness needs
among English writing, reading, and/or math based on ACT
or other benchmarking scores. Students placed in ENG 101R
because they have both a reading and a writing need are
considered to be AGS students.

Associate of Arts of General Studies (AGS): All
Success First students will be placed in the Associate of
Arts in General Studies program until they obtain
30 college-level credit hours and demonstrate
satisfactory academic performance (i.e. a cumulative
GPA of 2.0/C or above), satisfactorily complete all
required Academic Readiness coursework, or until they
are released by the program via the Office of Academic
Readiness.
• Readmitted students with an EKU GPA of between 1.0 and
1.99
• Veterans admitted through the Veterans Bridge to College
Success (VBCS) program.
• New first-time freshmen admitted through the Summer
Eastern Bridge program.

The Success First Initiative is administered through a variety of
programs across campus. Success First students work closely with
their assigned advisors to achieve the following:
• Sign a Student Success Agreement acknowledging the
expectations and conditions for participation in the program.
• Achieve a minimum grade of “C” in all academic coursework,
so as to remain in good academic standing within the
University community.
• Pass each required Academic Readiness course within two attempts.
• Meet regularly throughout the semester, as determined in consultation with assigned advisors and/or mentors, so that students may seek academic advice, receive information on resources designed to make students successful in their academic and personal lives, and inform the mentor or advisor of any academic or life issues that may have a negative impact on success in college.
• Meet with the assigned academic advisor each semester before registering for classes and enroll in courses only as agreed upon during this consultation. Note: All students admitted as Success First students are required to consult with their advisor and/or appropriate academic program mentor before making any schedule changes. (A student who fails to involve an advisor and/or academic program coordinator in course scheduling may have an Advising or Developmental Education Hold placed on his or her account.)
• Achieve satisfactory academic progress (SAP) in order to retain financial aid.

Success First students who drop below a 2.0 GPA are subject to university-wide rules for minimum academic standards and may receive consideration for dismissal from the University, as well. Success First and all students who drop below a 1.0 GPA are subject to immediate dismissal from the University.

EASTERN BRIDGE

Eastern Bridge is a high-school-to-college transition program for new freshman. It is designed to support the academic, social, emotional, and financial college readiness skills of (a) students entering the University with one or more academic readiness needs in English composition, mathematics, and/or reading; or new, first-time freshmen who are entering the University with a high school GPA between 2.0-2.49; or any new, first-time freshmen who wishes to receive additional wrap-around supports intended to enhance the first-year experience, such as mentoring, access to specialized freshman programming, and group-specific social events.

Some Summer Bridge students may be required to attend based on admission status. The majority of students, however, may enter the Eastern Bridge program during the second session of the summer semester (the summer early start program) or during the fall semester. The Eastern Bridge program is offered only on the Richmond campus. For more information, contact the EKU Office of Academic Readiness at (859) 622-3524.

Eastern Bridge Students are required to:
• Work with the Assistant Director of Academic Readiness to enroll in needed academic readiness or first-year courses. Course placement will be based on ACT, SAT, or KYOTE test scores.
• Enroll in needed academic readiness or first-year courses in the appropriate sequence, during the first semester & subsequent semesters of enrollment until all courses are successfully completed. (Students who fail to demonstrate continuous, progressive enrollment in required academic readiness or first-year courses may have an Academic Readiness or Advising hold placed on the student record.)
• Enroll in specified sections of GSD 101: Foundations of Learning or other appropriate orientation course, as required by academic status and/or major.
• Sign a Student Success Agreement acknowledging the expectations and conditions for participation in the University community.
• Obtain a minimum grade of “C” in all coursework.
• Meet with the assigned academic advisor each semester before registering for classes and enroll in courses only as agreed upon during this consultation. Note: Eastern Bridge students are required to consult with their major-area advisor or Eastern Bridge academic mentor before making any schedule changes. (A student who fails to involve an advisor and/or Eastern Bridge academic program coordinator in course scheduling may have an Advising or Academic Readiness hold placed on his or her account, which will block the student’s ability to register or make schedule changes.)
• Agree to meet with the Assistant Director of Academic Readiness or an assigned program mentor as requested throughout the first academic year of enrollment.
• Achieve satisfactory academic progress (SAP) in order to retain financial aid.
• Attend a minimum of four hours a week of tutoring or other approved academic enrichment activities, as defined and approved by the Assistant Director of Academic Readiness and/or the assigned academic advisor, throughout the first year of enrollment.

SUMMER BRIDGE AND ACADEMIC WARNING

Summer Eastern Bridge students are expected to maintain a minimum college GPA of 2.0; any Summer Bridge student allowed to matriculate to the Fall term with less than an institutional GPA of 2.0 shall be placed on Academic Warning.

ACADEMIC RESTRICTIONS FOR STUDENTS WITH DEVELOPMENTAL REQUIREMENTS

• New first-time freshmen with Academic Readiness needs in two or more areas (English composition, reading, or mathematics) will be enrolled in the Associate of Arts in General Studies Degree program. The Office of Academic Advising will assist these students in creating linkages to departments of academic interest.
• Students affected by the above policy who would be rendered ineligible for specific scholarship opportunities, or who would be denied entrance into academic programs with proven student retention success, may petition for permission to declare a baccalaureate degree program. Letters of petition should be sent to the EKU Office of the Registrar after the student has been admitted into EKU.
• Students with two or more Academic Readiness requirements are permitted to enroll in up to but not beyond 16 hours of University coursework. Advisors should work closely with these students to ensure that students have (a) taken EKU placement tests before registering; (b) received information on available tutoring and student support services; and (c) utilized the Academic Planner in DegreeWorks to prepare a progress-to-degree course map for completing required general education and major area courses.
• Students enrolled in any Academic Readiness course may be restricted in course registration based on academic department pre-requisites.
ACADEMIC STANDARDS

ACADEMIC ACHIEVEMENT AWARDS AND RECOGNITIONS

Dean’s List: The dean’s list is one of several ways in which the University recognizes undergraduate students who achieve academic excellence. The dean’s list is published after each standard (fall/spring/summer) semester. Eligibility requirements for the dean’s list are as follows:

<table>
<thead>
<tr>
<th>Undergraduate Hours Earned with Normal Grading</th>
<th>Minimum Term GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>12</td>
<td>3.75</td>
</tr>
<tr>
<td>13</td>
<td>3.65</td>
</tr>
<tr>
<td>14 or more</td>
<td>3.50</td>
</tr>
</tbody>
</table>

Students earning fewer than 12 semester hours under the regular grading system are not eligible for the dean’s list. Courses below the 100 level will not be counted in determining eligibility for the Dean’s List.

Dean’s Award: As a further recognition of academic excellence, the University presents the Dean’s Award to undergraduate students who have achieved the Dean’s List and/or the President’s Award (see below) three times. Students receiving the Dean’s award are presented with a recognition pin by the appropriate academic dean.

President’s Award: The highest undergraduate recognition of academic achievement for a semester (fall/spring/summer) is the President’s Award. This award is given to students who complete a full course load (minimum of 12 institutional credit hours earned) during a semester (fall/spring/summer), with normal grading (excluding developmental coursework), and who attain a 4.0 grade point average for that semester. Students receiving the President’s Award receive a letter of recognition from the President. In addition, the division of Public Relations and Marketing distributes the names of the recipients to appropriate news media, including their hometown newspaper.

GOOD ACADEMIC STANDING

MINIMUM ACADEMIC STANDARDS

Satisfactory Progress: Degree-seeking students shall be considered as making satisfactory progress toward their degree so long as they remain in good academic standing and enroll in courses required or allowed in their chosen academic program. Students having difficulty meeting academic standards are strongly advised to reduce or eliminate part-time jobs and other extracurricular activities which may detract from their studies, or to reduce the number of hours for which they are enrolled. To make timely progress toward degree students are expected to earn at least 15 credit hours per fall/spring semester.

Good Academic Standing: To be eligible for enrollment without being placed on academic probation, students must maintain a minimum of the following institutional grade point average (GPA) while enrolled at EKU.

<table>
<thead>
<tr>
<th>GPA Hours</th>
<th>EKU GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fewer than 31</td>
<td>1.5</td>
</tr>
<tr>
<td>31-50</td>
<td>1.8</td>
</tr>
<tr>
<td>Over 50</td>
<td>2.0</td>
</tr>
</tbody>
</table>

The actions described below pertain to students whose institutional GPA falls below the established GPA threshold. Once a student’s institutional GPA returns to the established GPA threshold or above, he/she is once again in good academic standing.

Academic Warning: Summer Eastern Bridge students who pass all required academic readiness classes but were not able to meet the institutional GPA threshold may be given permission to matriculate to the fall term on a status of academic warning. While on academic warning these students may not enroll in more than 15 credit hours in either fall or spring, or more than a total of six hours during a full summer term. Students who are on academic warning and cease continuous enrollment, and subsequently wish to return to the institution, must apply for readmission and will be held to those readmission criteria (please refer to the Requirements for Readmission section of this Catalog).

At the end of a semester on academic warning students must have reached the established GPA threshold. Students not meeting the semester or cumulative institutional GPA requirement will be placed on academic probation.

Academic Probation: Students who do not meet the established institutional GPA (see table above) will be placed on Academic Probation after the close of that semester. While on academic probation, students may not enroll in more than 15 credit hours in either fall or spring terms or more than a total of six hours during a full (12-week) summer term. Students who are on Academic Probation and cease continuous enrollment, and subsequently wish to return to the institution, must apply for readmission and will be held to those readmission criteria (please refer to the Requirements for Readmission section of the Catalog).

Intervention for New First-Time Freshmen on Probation: Because a student’s academic performance in his/her first semester at EKU is predictive of overall success and graduation, EKU increases support given to students whose institutional GPA is between 1.0 and 1.5 with 30 or fewer earned GPA hours. New first-time freshmen whose institutional GPA is between 1.0 and 1.5 are required to participate in prescribed intervention strategies and are placed on First Semester Probation, with a requirement of earning an institutional 2.0 or higher GPA in the second semester to prevent academic suspension. New first-time freshmen whose institutional GPA is below 1.0 after their first semester are academically suspended from the university without being first placed on probation.

Academic Suspension: At the end of a semester on academic probation, students must have earned a semester GPA of at least 2.0 or raised their institutional GPA to meet the established threshold (see table above). Students not meeting the semester or institutional GPA requirement will be placed on academic suspension. Students may not enroll in classes at EKU while academically suspended. Students who are academically suspended for the first time may not enroll in classes at EKU for one full semester (summer is counted with the next fall semester if a student is academically suspended at the end of the spring term). Students may be academically suspended up to three times during their academic career at EKU. The second academic suspension is for one calendar year and a third academic suspension is for two calendar years. An academically suspended student will return to EKU on academic probation if his/her institutional GPA falls below the established threshold at the time of his/her return. Suspended students are subject to EKU requirements for readmission after they have sat out their mandatory suspension period (please refer to the Requirements for Readmission section of the Catalog).

Academic Dismissal: Students who have been academically suspended three times must maintain a semester GPA of 2.0 or
better each semester after they return. Students who have been academically suspended three times, and after returning are unable to maintain a semester GPA of 2.0, will be academically dismissed from EKU for a period of five calendar years and are subject to EKU requirements for readmission (please refer to the Requirements for Readmission section of the Catalog).

Attending Another School While Suspended or Dismissed: During the time a student is academically suspended or dismissed from EKU, course work earned at another regionally accredited college or university will be considered for transfer credit when the student returns to EKU. This course work can be used to meet graduation requirements but is not counted in institutional GPA. Students are responsible for requesting that an official transcript of any transfer course work be sent to the EKU Office of Admissions when they apply for readmission to EKU. Students should consult with their advisor or college for the applicability of course work taken at another institution to their degree program at EKU. In some circumstances acceptance of transfer work may be subject to requirements of prior approval by the department chair of the student’s major.

Improving Academic Standing: Academic transfer course work is not considered when determining academic standing. Only by repeating EKU course work in which a student earned poor or failing grades can a student quickly rehabilitate his/her institutional GPA and therefore improve academic standing.

Appealing Academic Standing: Students may appeal an academic suspension if they believe that catastrophic circumstances beyond their control prevented them from being academically successful. They may appeal their academic suspension to the University Admissions Appeal Committee. For their petition to be considered, students must provide a written appeal with appropriate supporting documentation. Students may not appeal an academic dismissal.

First-Time Freshmen Mid-Term Grade Review Process

The first semester for first-time freshmen is pivotal to academic success and graduation. All first-time freshmen will have their mid-term grades reviewed by the Office of University Advising and the Registrar during their first semester at EKU. If the calculated GPA of all reported mid-term grades is below 1.0 (indicating non-attendance and/or failure to meet course requirements) the student will be required to participate in an intervention program that includes the following:

- a study skills workshop
- a student success agreement
- a registration hold
- students will be moved from a baccalaureate program into the Associate of Arts in General Studies major until they end a term in Good Academic Standing.

First semester new students who fail to attend the required workshop, fail to respond to communication from the University, and/or to comply with their success agreement will be academically suspended at the end of the semester. New first-time freshmen whose institutional GPA is below 1.0 after their first semester are academically suspended from the university without being first placed on probation. First-time students who cease participation in courses during their first semester at EKU, and as a result are failing all classes at midterm, will be considered to have withdrawn from the University. Accordingly, these withdrawn students will have any future course registration cancelled and their student record inactivated.

A student’s academic standing (good standing, academic probation, academic suspension, or academic dismissal) is determined at the conclusion of each semester and is notated term by term on the student’s transcript.

Expulsion is the permanent separation of a student from the institution. Expulsion at EKU is restricted to the most egregious academic or disciplinary offenses. Expulsion, due to its permanent nature, is notated on the official transcript with the comment, “Expelled – ineligible to return”.

Details of due process that can lead to expulsion of a student can be found in the Eastern Kentucky University Handbook for Students. For process and sanction details refer to the Office of Student Conduct and Community Standards page http://studentrights.eku.edu/student-conduct

CERTIFICATES

EKU University-Awarded Certificate

At EKU a long-term certificate program (requiring at least one year to complete) results in the awarding of a University Certificate. Undergraduate-level university certificates require 24 or more hours. Graduate-level university certificates require 18 or more hours. University certificates are issued by the University and printed on diploma stock. University certificates are automatically recorded on student transcripts. Students who complete a university certificate must apply for graduation at the dean’s office of the college offering the university certificate, and pay applicable fees to cover certificate processing and mailing costs. University certificates are not awarded at the Commencement ceremony and certificate-only earners do not participate in Commencement.

EKU Department-Awarded Certificate

A short-term certificate program (requiring less than one year to complete) results in the awarding of a Department Certificate or College Certificate. Undergraduate department/college certificates typically require 12-23 hours. Graduate-level department/college certificates typically require 12-17 hours. Department/college certificates are issued by the academic department or college; the student does not formally apply for graduation and no processing fee is required. Completion of the certificate is tracked internally within the department or college. Department/college certificates may be noted on student transcripts at the request of the department/college. Department/college certificates are not awarded at the Commencement ceremony and no graduation fee is assessed.

CLASS ATTENDANCE

Students must be registered in a class in order to attend and participate. Individuals not registered are prohibited from doing so.

Research shows that students who regularly attend class are more likely to succeed. The University expects all students to be officially registered before the end of the add/drop period for each course, and to attend all class meetings. EKU students are responsible for course work covered during all class periods, specifically any work missed during any absence from class, including the first class meeting. Each instructor will record absences and deal with them in a manner consistent with departmental policy for that course. Since attendance policies vary among departments and for courses within departments, students...
must be familiar with the policy printed on the course syllabus.

If a student presents the instructor with an adequate and documented reason for an absence, the instructor normally will give the student an opportunity to make up the work missed, if this is feasible. Adequate reasons involve circumstances beyond the student’s control, such as personal illness, critical illness, or death in the immediate family, or participation in an approved University activity. No absence of any nature will be construed as relieving the student from responsibility for the timely completion of all work assigned by the instructor. Initiating the request to make up class work is the student’s responsibility.

Absence from Class Due to Participation in an EKU Sponsored Event: A student who participates in an EKU sponsored event should complete and process a Student Absence from Class form before the sponsored event. This form explains the student’s absence, it does not excuse the student from responsibility for content covered during the approved absence.

First Day of Class Attendance: This process is designed to ensure clear reinforcement of the message that class attendance at EKU is important. All faculty (undergraduate and graduate, online and all other modes of delivery) are expected by the University to drop a student for being absent (or not participating online) on the first day of class/first week of class (as scheduled by the Registrar’s Office). Students who know they will be absent should contact their instructor or the academic department office PRIOR TO THE 1st CLASS MEETING to explain their absence and request that the instructor not drop them from the class.

Students are responsible for monitoring their class schedule and should never assume that missing the first day of class will automatically result in removal from that class. A student who never attends a class but remains enrolled will receive a failing grade in the course and is responsible for tuition and fees for that class.

CLASSIFICATION OF STUDENTS
A student’s classification is determined by the number of semester hours earned, as follows:
- Freshman 0 - 29 semester hours earned
- Sophomore 30 - 59 semester hours earned
- Junior 60 - 89 semester hours earned
- Senior 90 or more semester hours earned

GRADUATION & COMMENCEMENT INFORMATION

Application for Graduation

EKU is dedicated to all students making timely progress toward their desired degree. The EKU baccalaureate degree standard is a completion timeframe of 4 years for a 120 credit hour program. After declaring their desired baccalaureate degree program, students are expected to create a semester-by-semester degree pathway in the Degree Works academic planner, and to have this academic plan reviewed and approved by an advisor. To make appropriate progress toward their degree, students are expected to earn at least 15 credit hours per term (or 30 hours per academic year) and take only those classes needed for their declared degree program as listed on their Degree Works planner. Students must be aware that changing majors is likely to prolong time toward degree, and they should make such changes only after serious discussion with an advisor or department or program chair (see Changing Major section of this catalog for more details). Due to specific program requirements, students who transfer into EKU with more than 60 hours may require more than two years at EKU to complete a baccalaureate degree.

Applying for Graduation:

90th Hour Pre-Graduation Review Required Graduation Application and Evaluation

To assist students with completing their degree on schedule, EKU professional advisors/graduation experts will review the student’s academic progress and Degree Works graduation plan to determine the earliest, reasonable graduation semester. Baccalaureate degree seeking students will apply for graduation, and thus trigger this official graduation evaluation, during the semester in which they enroll in their 90th credit hour. The timing of this pre-graduation review is designed to be early enough to allow students to make any needed changes and avoid a graduation delay. Once evaluation has been triggered, a registration hold will be placed on the student’s record pending submission of their graduation application. This hold is lifted automatically after the student submits a graduation application, online, through EKUDirect.

Each degree and University certificate-seeking student shall apply for graduation using the online graduation application located within each student’s EKUDirect secure student services account. At the time of application each student shall have created, and have approved by an advisor, a Degree Works academic plan for every semester up through the proposed graduation term.

During the graduation evaluation the student’s current registration and Degree Works plan for future terms will be examined – to determine whether the student is on-track and efficiently headed toward graduation. The student will be informed if he or she cannot meet the graduation goal declared on the graduation application, advised how to get back on-track, and given a new graduation timetable.

Results from the graduation evaluation will be documented on the student’s Degree Works. Students will receive reminders when it is time to apply for graduation and initiate the graduation evaluation. Students are expected to heed warnings and follow any instructions posted on their Degree Works audit as a result of this official graduation evaluation. Students who apply to graduate without having the appropriate academic plan in Degree Works will be expected to submit the plan before being evaluated and before registering for the next semester.

Degrees Awarded upon Completion of Program

Each student’s degree will be awarded by the University at the first opportunity to do so upon completion of requirements for the student’s declared program, per the student’s graduation application. Students are expected to earn their baccalaureate degree no later than 6 years after initial matriculation as a first-time degree-seeking student.

Final graduation clearance, degree certification on behalf of the University, and production of diplomas are completed by the Office of the Registrar.

Changing Major after Applying to Graduate

After applying to graduate and having a graduation semester confirmed by the University, students are expected to maintain their declared program of study, and thus graduate on schedule. Any exception must be approved by the Dean of the College of
the student’s major. Each student is expected to carefully review how any proposed change to a declared program of study would impact his or her approved graduation timetable and future financial assistance, if relevant. Given the gravity of such changes, only in extreme situations and after careful consultations with the student’s professional advisor and/or written permission from a graduation evaluator would a change that would delay graduation be considered.

**Deferral of Graduation Date**

Students who are not successful in completing all graduation requirements by their approved graduation date, but for whom the University determines the graduation goal is still easily within reach, will have their graduation term automatically deferred to the next semester. Students can have their graduation deferred for a maximum of two sequential semesters. After that time the original graduation application will be cancelled and the student will be required to submit a new application for graduation, pay a new application fee, and have a revised Degree Works graduation plan approved by the graduation evaluator.

**Graduation Fair (Grad Fest)**

There is a graduation fair (Grad Fest) on campus each fall and spring semester. This is an important event for all graduating students. At Grad Fest, students will conclude all needed graduation tasks, including picking up pre-ordered academic regalia. For additional information, please refer to the Grad Fest website at http://registrar.eku.edu/gradfest

**Graduation Fee**

There is a graduation application fee for each diploma and/or university certificate sought; the appropriate fee is assessed to the student’s EKU account upon receipt of the graduation application. This graduation fee only partially offsets the full cost of commencement celebrations and production and mailing of diplomas and certificates.

**Graduation Academic Regalia**

Students order and pay for commencement regalia (cap, tassel, hood, and gown) through the EKU Barnes & Noble bookstore (http://registrar.eku.edu/graduation) Students earning University Latin Honors receive a complimentary Honors Sash; this regalia will be available at the Registrar’s table during Grad Fest. Students graduating from the Honors Program will receive a complimentary maroon mortarboard from the Honors Program office. Refer to the Graduation Information website for more details regarding graduation fees and/or commencement.

**Commencement Participation**

Commencement ceremonies are conducted at the conclusion of the fall and spring semesters, prior to final grade processing. Students who are graduating at the end of the summer semester may participate at the preceding spring ceremony. Students who are graduating at the end of the winter term may participate at the preceding fall ceremony.

The Commencement ceremony represents a celebratory gathering of all degree candidates who are expected to complete their academic requirements by the official degree-conferral date as established by the University. Attendance at Commencement is optional. Participation in the Commencement ceremony does not represent confirmation of degree completion (“graduation”). After final grades are processed and reviewed, degrees will be conferred. Students earning only a certificate, either university or departmental, may not participate in the Commencement ceremony. For additional information regarding Commencement, please refer to the registrar’s Web site at www.registrar.eku.edu/graduationInformation/.

**Degree Conferral Date**

The Board of Regents of Eastern Kentucky University approves the conferring of degrees four times per year. These conferral dates represent confirmation that all degree and/or university certificate requirements have been met by that date. The formal conferral date is posted to the student’s academic transcript and is the date printed on the diploma and certificate. Below are the EKU degree/certificate conferral dates:

- Fall: December 31
- Winter: January 31
- Spring: May 31
- Summer: August 31

For information see the Graduation Information website at: www.registrar.eku.edu/GraduationInformation/diplomas/

**Locking Academic History (after degree has been awarded)**

Once a degree has been conferred the academic record of all work contributed to the awarded baccalaureate, master’s, or doctoral degree is locked. No course grades may be repeated or replaced for any classes used toward the conferred degree.

The Office of the Registrar takes great care to ensure that each student’s academic record is accurate. Any student who believes an error has occurred should immediately bring this to the attention of the Office of the Registrar. Students have one calendar year after a degree is awarded to identify any item on their academic record believed to be in error. After that time the record is considered to be permanent. Please note that grade challenges have a different timetable and must always be directed to the chair of the department which offered the course in question. For details regarding the timetable and process for grade challenges please refer to the student handbook at http://studentaffairs.eku.edu/studenthandbook

**Diploma and University Certificate Production**

Diplomas and University Certificates are produced and mailed to students after final grades are reviewed and it has been confirmed that all degree requirements have been met. The graduation confirmation process takes several weeks to complete. Therefore, students should expect to receive their diploma 4-6 weeks after the end of finals week. Students who are indebted to the University will not have their transcript or diploma released until the debt is paid. Any questions regarding student financial obligations should be directed to EKU Student Accounting Services.

**Associate Degree Honors**

**With Distinction and With High Distinction**

Students earning an Associate Degree are graduated “With
**Section Five - General Academic Information**

**Baccalaureate Degree Honors**

**Latin Honors: Cum Laude, Magna Cum Laude, Summa Cum Laude**

Eastern Kentucky University recognizes graduating baccalaureate degree students who have achieved distinguished academic records by awarding their degree with Latin Honors. There are three levels of Latin Honors: Cum laude ("with praise"), Magna Cum laude ("with great praise"), and Summa Cum laude ("with highest praise"). All students earning Latin honors must take at least 25% (30 GPA credit hours) of their degree applicable course work at Eastern Kentucky University.

GPA credit hours are courses graded using standard grades of A-F. These grades have a numerical value and can be used to calculate a student’s GPA. A course with a grade of CR or S has no numerical value and supplies no GPA hours, and cannot count toward the minimum required 30 GPA credit hours.

For purposes of honors recognition, all GPA credit hours attempted at Eastern Kentucky University - including those which are subsequently repeated or bankrupted - shall be included when calculating the GPA used to award academic honors. Because of timing, honors GPA calculations - solely for the purpose of recognition at the commencement ceremony - cannot include the final semester’s course work. In-progress hours will be used to attempt to meet the 30 semester hours at Eastern Kentucky University requirement. Calculations for the permanent designation of honors on the diploma and transcript will include the final semester grades.

**Cum Laude:** Students earning Cum Laude must attain an institutional GPA of at least 3.5, but less than 3.7, on all GPA credit hours attempted at Eastern Kentucky University. Additionally, a minimum of 30 GPA credit hours, with standard grading, must be taken at Eastern Kentucky University.

**Magna Cum Laude:** Students earning Magna Cum Laude must attain an institutional GPA of at least 3.7, but less than 3.9, on all GPA credit hours attempted at Eastern Kentucky University. Additionally, a minimum of 30 credit hours, with standard grading, must be taken at Eastern Kentucky University.

**Summa Cum Laude:** Students earning Summa Cum laude must attain an institutional GPA of at least 3.9, or higher, on all GPA credit hours attempted at Eastern Kentucky University. Additionally, a minimum of 30 credit hours, with standard grading, must be taken at Eastern Kentucky University.

**Honors Scholars Program**

Students are graduated as Honors Scholars if they successfully complete Eastern Kentucky University’s Honors Program, satisfy all comprehensive and program requirements for an undergraduate degree from this University, and graduate with an institutional GPA of at least 3.2. Honors Scholars are designated at commencement with a maroon mortarboard.

**Course Types**

**Course by Special Arrangement**

A Course by Special Arrangement (CBSA) is a course that is a required part of an approved curriculum program but is being offered to a student during a term or at a time when circumstances prevent the course from being a part of the department’s regular class schedule. A CBSA will be approved only if it is within the last two semesters of a student’s pending graduation, and if the course meets a degree requirement that cannot be fulfilled by any other mechanism, including independent study. Prior to registration, students must file the CBSA Petition. This petition requires the signature/approval of the instructor, program chair, and dean. An independent study course cannot be a Course by Special Arrangement. Tuition and fees for CBSA courses are computed at the same rate as other regular on-campus courses.

**Independent Study Course**

Independent study courses, which are distinct from Course by Special Arrangement and special topics courses, are designed to provide an opportunity for a student to pursue a research/study interest not available through any of the courses offered in a program at EKU. To qualify to enroll in an independent study course, students must have a GPA of 2.5 or higher. Independent study courses must be under the supervision/direction of a faculty member with appropriate qualifications for the course content and must be guided by an approved research or project plan. Independent study courses must follow the prescribed Independent Study protocol and be approved in advance of enrollment. The independent study course must be appropriately designated as such in the Catalog. Independent study courses should not be used as a mechanism to teach a course not offered in a given semester or as a substitution for program requirements, though they may, with appropriate approval, fulfill such requirements. Independent study courses are not intended to be a mechanism for enrolling in a course for which a student would otherwise be ineligible. Tuition and fees for independent study courses are computed at the same rate as other regular on-campus courses.

**Service Learning**

Courses that have been officially recognized as including service-learning within their curriculum are designated with the letter “S” following the course prefix and number. Service-learning is defined as:
An academic experiential educational method in which students participate in an organized service activity that meets identified community needs and reflects on the service activity in such a way as to:

- gain further understanding of course content,
- develop critical thinking skills, and
- develop an enhanced sense of civic responsibility

Students will be required to participate in at least 5 hours of community service per credit hour of course credit.

**Special Topics Courses**

Special topics courses are designed to offer the opportunity for students to study specialized areas within a discipline. These courses are created with normal class enrollment expectations. The topic of study is designated by the course section title, and may or may not vary with each offering. Students may repeat a special topics course (for the purpose of earning additional course credit) only if the specific course title is different with each subsequent enrollment.

**Writing Intensive Courses**

Every student seeking a first baccalaureate degree must successfully complete one writing intensive course following completion of General Education Element 1B. Writing intensive courses may be general education courses as well as major or supporting courses. Students who enter the University with a baccalaureate degree from a regionally-accredited university are exempt from the writing-intensive requirement.

Writing-intensive courses are designated with the suffix “W” following the course prefix and number (e.g., HUM 300W). W and non-W versions of the same course (e.g., HUM 300W and HUM 300) are considered equivalent for the purposes of satisfying course requirements for prerequisites, major courses, minor courses, and supporting courses. Credit will not be awarded for W and non-W versions of the same course. A previously-taken non-W version of a course will not be used to satisfy the writing intensive baccalaureate degree requirement.

**Writing Intensive Courses Available:**

Writing intensive course options are listed on each student’s degree audit report. The writing intensive courses available each semester may be viewed via the online schedule by selecting all courses in the “Subject” box and writing intensive courses in the “Attribute” box. (See Section 7 of this Catalog for complete course descriptions.)

**DECLARING A PROGRAM OF STUDY**

**Changing Major/Minor/Concentration**

Because changing majors generally lengthens students’ time to degree, and thus can significantly increase student debt, students are limited to changing their major only one time per year. After earning 105 credit hours, students desiring to change their major, or add a minor/concentration/certificate, must secure approval from the dean of the college of their first major, unless the change does not extend time to graduation. A What-If Degree Works Audit with the proposed new major is required to calculate the number of courses needed for graduation and thus document that the new major will not delay graduation. Students should speak with a college advisor, or the Registrar’s Office, for details regarding this process.

Once a student has applied to graduate she/he is expected to follow her/his degree plan that has been certified by a college graduation expert.

Students may declare or change their currently declared major, minor, or concentration, after careful review and advisement by completing the appropriate form and obtaining the written approval of the department chair or advisor of their desired new program. (Read below regarding programs that have specific entrance requirements).

When a major change form is received by the Registrar’s Office it will be processed, and a new advisor will be assigned by the Office of University Advising within 2-5 business days.

Students who request a change of major will be moved into the current program for the desired major, per the Catalog in force at the time the request was received. All students are subject to the University graduation requirements and policies that are listed in this institution’s current catalog.

Some programs of study require specific admission criteria, and have a formalized admission process. These programs require a separate application for admission. Please refer to the program requirements section of this catalog to determine whether a program has a specific admissions processes or criteria.

When declaring a major, all degree-seeking students shall declare as a first major an EKU degree program, or a university certificate if that is the student’s only educational goal.

**Degree Audit**

A degree audit is the tool used by EKU to determine degree completion. DegreeWorks is a degree audit report available to students and advisors online via EKUDirect (student web and faculty web). This audit lists the requirements for a student’s program and how completed and in-progress courses apply to that program. DegreeWorks must reflect that program requirements are 100% complete before the student’s degree will be awarded. Faculty and College Advisors are expected to carefully review how DegreeWorks displays program requirements and provide immediate feedback to reg.dw@eku.edu should they detect any programming or functional irregularities.

Students should contact their academic advisor if they have questions concerning degree requirements or their DegreeWorks report. Questions can also be emailed directly to the Degree Works programmers at reg_dgw@eku.edu
Curriculum Guides-Academic Plans: Curriculum guides for each program are printed in this catalog and part of the DegreeWorks Academic Planner. All students should create an academic plan in DegreeWorks, maintain and follow that plan. To make timely progress toward a degree full-time students are expected to earn at least 15 credit hours per semester. Colleges will make available to students through appropriate advising any additional non-curricular requirements that apply to the specified major.

DEGREE INFORMATION AND REQUIREMENTS

EKU Academic Residency Requirement

A minimum of 25% of coursework applied toward the completion of any major core requirements, minors, and/or EKU certificates must be earned at EKU.

Catalog

For all graduation requirements, including general education, students will be governed by the Catalog in use at the time they enter the University or declare a new major. Each student has a catalog year associated with their student record, designating the academic year for the Catalog dictating their program, General Education, and University graduation requirements. The catalog year for each student may be found on the student’s degree audit. If in a subsequent year any graduation requirements change, students may elect to complete the later requirements by requesting the Registrar’s Office move them to the current Catalog. In certain circumstances, such as accreditation requirements or professional regulations, the Registrar, at the request of the dean of the college or dean of the Graduate School, may move a student to a more current catalog. Such actions would be taken if deemed prudent to protect the student’s ability to attain professional licensure and certification. In these circumstances the University will make every effort to assist the student with the transition to the new catalog’s curricular requirements.

Students who stop out for more than two years will meet all graduation requirements in place at the time they reenroll. Students who stop out for fewer than two years may elect to be returned to the graduation requirements in place at the time they declared their major by submitting a request to the Registrar’s Office.

Current University Policy

Student curricular requirements are tied to the associated catalog, however, with regard to policy requirements all students are governed by current University policies that have been approved by appropriate University committees.

Comprehensive Associate Degree Requirements

To qualify for an associate degree, students must satisfy the following requirements:
1. Complete all requirements in the degree program as established by appropriate University committees.
2. Complete University academic requirements, including basic skills proficiencies in English, reading, and quantitative reasoning; any applicable PCC; general education; and a student success seminar, as established by appropriate University committees for each degree program.
3. Complete a minimum of 60 semester credit hours.
4. Earn a minimum grade point average (GPA) of 2.0 on all college-level work taken at Eastern Kentucky University.
5. Earn a minimum of 15 semester hours through Eastern Kentucky University.
6. Earn the credits applicable to major and supporting degree requirements within eight years prior to the date the degree is awarded. Credits more than eight years old may be used to meet general education, upper division, and free elective areas. The college dean of a student’s major may validate individual eight-year-old (or older) coursework as meeting major and/or supporting requirements.

Degree Requirement Notes:

*The Kentucky PreCollege Curriculum (PCC) is defined and prescribed by the Kentucky Council on Postsecondary Education (CPE). Six hours of the same World Language must be completed within 24 credit hours of enrollment. Applies to students under 21 when first admitted, and/or transferred into EKU fewer than 24 credit hours.

General Education Requirements for Associate Degrees: Students in associate degree programs must earn a minimum of 15 hours in courses approved for general education. These hours must include ENG 101 and ENG 102 or their equivalent. The nine additional hours must include one course in each of the following General Education Elements: 3A, or 3B (Arts and Humanities); 5A, or 5B (Social and Behavioral Sciences); and 2 (Quantitative Reasoning), or 4 (Natural Science with Lab).

Comprehensive Baccalaureate Degree Requirements

To qualify for a baccalaureate degree, students must satisfy the following requirements:
1. Complete all requirements in the degree program as established by appropriate University committees.
2. Complete University academic requirements, as established by appropriate University committees for each degree program, that includes:
   A) Basic skills proficiencies in English, reading and quantitative reasoning, and any applicable PCC;
   B) Student Success Seminar (if applicable)
   C) A writing-intensive course,
   D) General Education, and
   E) The Applied Critical and Creative Thinking (ACCT) requirement.
3. Complete a minimum of 120 semester credit hours, with at least 42 hours at the 300 level or above.
4. Earn a minimum grade point average (GPA) of 2.0 on all college-level work taken at Eastern Kentucky University.
5. Earn a minimum of 30 semester hours through EKU if the student is pursuing a 120 hour degree program. If the degree program sought requires greater than 120 semester hours, the minimum EKU residency credit shall be no less than 25% of the total program hours.
6. Earn the credits applicable to the major and supporting degree requirements within eight years prior to the date the degree is awarded. Credits more than eight years old may be used to meet general education, upper division and free elective requirements, as well as major requirements for the General Studies degree. The college dean of a student’s major may validate individual 8-year-old courses to count for non-General Studies major and supporting requirements.

Degree Requirement Notes:

*The Kentucky PreCollege Curriculum (PCC) is defined and prescribed by the Kentucky Council on Postsecondary Education (CPE). Six hours of the same World Language must be completed within 24 credit hours of enrollment. Applies to students...
under 21 when first admitted, and/or transferred into EKU fewer than 24 credit hours. See Degree Works to confirm whether a student has a PCC requirement. PCC deficiencies must be remediated within the first 24 hours of enrollment, excluding developmental hours.

General Education Requirements for Baccalaureate Degrees: The General Education Program consists of 36 hours of course work in six Elements: 1. Communication, 2. Quantitative Reasoning, 3. Arts and Humanities, 4. Natural Sciences, 5. Social and Behavioral Sciences, and 6. Diversity of Perspectives and Experiences. Students must earn the specified number of hours in each of these course categories. See the General Education section in this Catalog for more detailed information about general education requirements.

Individual major programs decide which courses or experiences can be used to satisfy the ACCT requirement. Refer to program descriptions in Section 5 of this catalog for more information.

Hours Required for a Baccalaureate Degree: The University requires a minimum of 120 semester hours to earn a baccalaureate degree. In most cases this minimum is also the maximum. While there is no upper limit beyond 120 semester hours which may be set as a particular major program’s requirements, each program or program change is approved through the University’s committee system and any program requiring beyond 120 semester hours will require substantiation of additional requirements.

According to AACSB International business accreditation standards, students enrolled in University baccalaureate degree programs, other than those within the School of Business, will not receive credit toward their degrees for more than 25 percent of their undergraduate programs in credit hours courses offered through the School of Business and/or business courses (courses commonly taught in school of business) transferred from other colleges or universities or taken from other units within Eastern Kentucky University. Students who desire to take business courses are encouraged to enroll in the Business minor.

Degree programs offered by the College of Business and Technology have more stringent residency requirements. Please refer to degree requirements in the College of Business and Technology section of this Catalog.

The college dean of a student’s major may validate individual 8-year-old courses to count for non-General Studies major and supporting requirements.

**DEGREE PROGRAM DEFINITIONS**

A. Major (Baccalaureate): A major is a primary area of study defined by a set of course and/or credit hour requirements within a specified discipline or with a clearly defined multi-disciplinary focus. Thirty semester hours is the minimum requirement for a baccalaureate degree major. A course that meets a core program requirement for a major may also fulfill, at the same time, a University graduation requirement; with the exception that a course cannot be used to meet both a major core requirement and a general education area. At least 25% of the major (which includes core courses, concentrations, and major electives) must be earned at EKU. See the Comprehensive Baccalaureate Degree Requirement section for more details on degree requirements.

B. Concentrations (Baccalaureate): A concentration (synonymous with an option, emphasis, specialty or track) represents a collection of courses offering a student the opportunity to develop a focus within the broader area of their major program. There will be a common grouping of courses (a minimum of 21 semester hours) shared by the major core and its associated concentration. The concentration adds onto the major core an additional 12-18 semester hours of specified coursework to develop the desired expertise. Concentrations may, or may not be, a required component of the program of study. Deviations from the 12-18 hour concentration may be granted by the Council on Academic Affairs when unusual program requirements dictate.

C. Minor (Baccalaureate): Minors require a minimum of 18 semester hours and at least 25% of all required coursework for the minor must be earned at EKU. A list of specified courses may be added for students seeking a teaching certification extension in the minor. A student may not declare a minor with the same subject matter (course prefix) as his/her declared major program of study. Students seeking only an associate degree may not declare a minor. The same course credit may be applied for both major core or supporting requirements and a student’s minor. A minor course that is a required part of major core cannot also be used to fulfill a general education requirement.

D. Supporting Courses: Supporting courses are courses that are outside the degree program that provide necessary skills or knowledge. A course cannot be listed as a supporting course if it is offered by the home department of the degree program, unless it is tied by prefix to a different degree program. Supporting courses that are approved as general education courses may be used to fulfill both supporting and general education requirements.

**CONCURRENT (DUAL DEGREES) AND SUBSEQUENT DEGREES**

Concurrent Degrees: A student may qualify to earn two degrees concurrently (dual degrees) by completing all requirements for both degrees, including major, supporting, and general education requirements. Courses used in one degree program may also be used in the other. The student has the responsibility to file a separate graduation application for each degree being sought. If the two degrees are in the same college, the student must file two applications in the office of the college dean. If they are different colleges, one application must be filed in each dean’s office. Please refer to the “Application for Graduation” section of this catalog for more details.

Concurrent Associate Degrees: If two 60 credit hour associate degrees are pursued concurrently, a minimum of 75 credit hours must be earned. If one or both of the associate degrees has program requirements in excess of 60 hours, the degree program with the highest number of required hours will be considered the student’s first associate degree and the hours required to earn the second associate degree shall be 25% of the second program’s total hours. Students seeking only an associate degree may not declare a minor.

Concurrent Baccalaureate Degrees: If two 120-credit-hour baccalaureate degrees are pursued concurrently, a minimum of 150 credit hours must be earned. If one or both of the baccalaureate degrees has program requirements exceeding 120 hours, the degree program with the highest number of required hours will be considered the student’s first baccalaureate degree, and the hours required to earn the second baccalaureate degree shall be 25% of the second program’s total hours.

Concurrent Baccalaureate and Associate Degree: The minimum number of hours required for concurrently earning an associate and a baccalaureate degree is the number required by the baccalaureate degree. Associate degree earners are expected to complete that degree prior to completion of their baccalaureate degree.

Subsequent Degrees: Students having earned one degree, either from Eastern Kentucky University or from another regionally accredited institution, may subsequently pursue an additional degree, either associate or baccalaureate, by completing all requirements of the subsequent degree, including major, supporting, and general education requirements. For students who earn their first degree at EKU, hours earned prior to the awarding of a first baccalaureate or associate degree may be counted toward the minimum required to earn a subsequent baccalaureate or associate degree.

Students must earn at least 15 approved semester hours at EKU for an associate degree beyond those required for the earlier degree. A subsequent baccalaureate degree requires at least 30 approved hours earned at EKU beyond those required for the earlier degree.

Students who have completed a previous degree elsewhere and apply to Eastern Kentucky University, should have official transcripts from the institutions previously attended sent to Eastern
Kentucky University’s Admissions Office.

MULTIPLE MAJORS/MINORS

Students pursuing baccalaureate degrees other than General Studies may consider more than one major and/or minor. All requirements for the declared major and/or minor must be completed by the time the initial degree is awarded. Associate degrees are not eligible for minors or second/multiple majors.

Students are required to declare a primary degree program (specific baccalaureate degree and first major). This program of study is that which will be recorded on the diploma, and which will determine the degree awarded by the University. A second or additional major represents a further emphasis of study and shall be designated on the student’s academic transcript. Earning a second or other major, however, is not to be considered as completion of an additional or distinct degree program.

Double Majors vs. Dual Degrees: A student pursuing one degree, but two major areas of study, is said to have a “double major”. To complete a double major the student must earn all hours required by the degree program of their first major plus any additional course(s) needed to fulfill only the major and supporting requirements of the second major. A student who fulfills all requirements for two complete degree programs, earning no fewer than 150 credit hours is said to be a “dual degree candidate”. Students who wish to earn two baccalaureate degrees (dual degrees) should refer to the Concurrent Degree policy. Note that associate degrees are not eligible for minors or second/multiple majors.

Awarding Subsequent Majors/Minors: EKU does not award a subsequent major/minor/concentration after an initial degree is conferred unless the student completes a subsequent degree program. A student who earns a double major baccalaureate degree may not return to complete a subsequent degree in either of the double major subjects. While multiple majors, minors and certificates earned by a student are formally posted to the student’s academic transcript, only the degree earned and one major will be printed on the diploma. Students interested in pursuing multiple majors, minors, certificates and/or concentrations should contact the Office of Academic Advising and Retention, a college advising office, or the department of interest for additional information.

ENROLLMENT AND CLASS SCHEDULE

ACADEMIC LOAD

The limitations below apply to all enrollments or combinations of enrollments for the term specified, including campus classes, regional campus classes, online study, and enrollments at other institutions. The Registrar will not record credits beyond these maximums.

Enrollment in Fall/Spring Terms: To make timely progress toward their degree, full-time students are expected to earn 15-16 credit hours each fall/spring semester or 30 credit hours per academic year (Fall/Winter/Spring/Summer). Full-time student status requires a minimum of 12 credit hours during a fall or spring term. Students carrying fewer than 12 credit hours are considered part-time. A student who has established a superior record may be permitted to enroll for more than 18 hours by the dean of the college of the student’s first major. The absolute maximum load for an undergraduate student is 21 credit hours.

Enrollment in Summer Term: For enrollment verification and financial aid during the summer semester, an undergraduate student must be registered in at least 12 credit hours to be considered a full-time student. Enrolling in more than 12 credit hours is restricted to students who have established a superior academic record. Permission to enroll in more than 12 credit hours during the summer must be granted by the dean of the college of the student’s first major. The absolute maximum summer enrollment is 15 hours.

Enrollment in Winter Term: Winter term is a 4 week session falling between the fall and spring semesters. Winter term classes vary, ranging from 1 to 4 credit hours. Because of the condensed nature of winter term classes students are limited to attempting an absolute maximum academic load of 4 credit hours in a single winter term session.

Financial Aid and Enrollment Verification: Please note that, for financial aid, enrollment verification, and loan consideration, full-time status requires a minimum of twelve semester hours in any academic term.

Note: Students who are not on good standing academically have lower maximum enrollment limits. Please refer to the section on Minimum Academic Standards.

CLASS SCHEDULE CHANGES

Dropping a Class - 1st Week of Class: If students wish to add courses to their schedule, they must do so by the date published in the Colonel’s Compass for that term. If a student drops a course by the end of a term’s Schedule Change Period (add/drop), the course will not appear on the student’s grade report or transcript. Course drops are executed online through EKUDirect.

Late Enrollment - Students who wish to add a class to their schedule after the published deadline to do so, must secure the permission of the instructor of the course, the department chair, and the dean of the college offering the course. The student shall complete the Request for Late Enrollment and submit it to the instructor of the class. If enrollment is approved, the instructor passes the form onto the appropriate department office for further processing. The Request for Late Enrollment form is available on the Registrar’s website.

NOTE: University holds preventing registration do not constitute an excuse for attending class without being officially enrolled. Students are expected to communicate with the office which placed the hold on their account and secure permission to be enrolled – BEFORE the deadline to add a class online.

WITHDRAWING FROM A CLASS

See Withdrawal section in this catalog.

FINAL EXAMINATIONS

If a student is scheduled for more than three final examinations on the same day, the student may request, through the college dean, that the fourth examination be rescheduled.

FIRST DAY OF CLASS ATTENDANCE

All instructors are expected to participate in the First Day Attendance-Faculty Drop process. For information regarding faculty dropping students for missing the first day of class, see Class Attendance section on page 47 of the Catalog.

FEE FOR INITIAL REGISTRATION AFTER CLASSES BEGIN

Students whose initial registration for the term does not occur until on or after the first day of class will be assessed a non-refundable $50 late initial registration fee.
GENERAL EDUCATION REQUIREMENTS

The mission of general education is to promote learning that is central to the intellectual pursuits associated with our educational programs and to enable students to make informed choices about matters of public and personal significance in a diverse, democratic society and global community. The general education program helps students to become informed, independent thinkers by developing competencies in communication, quantitative analysis, and critical thinking by helping them understand and appreciate the diversity of culture, individuals, the natural environment, and the global society. Courses that are used to satisfy the program’s Major Requirements cannot also be used to satisfy General Education requirements.

The General Education Program consists of 36 hours of course work in six elements: 1. Communication, 2. Quantitative Reasoning, 3. Arts and Humanities, 4. Natural Sciences, 5. Social and Behavioral Sciences, 6. Diversity of Perspectives and Experiences. Students must earn the specified number of hours in each of these Elements.

Some courses may be listed in more than one General Education category. However, no single course can be used to satisfy more than one General Education requirement.

Changing General Education Requirements

The following General Education program is highly integrated with University requirements, therefore students moving into the newest catalog will be held to these General Education and University graduation requirements, as well as major requirements as listed in this Catalog.

Students will have one catalog year governing all graduation conditions. To see how a Catalog change will impact their progress toward degree, students are expected to first run a “What-If” DegreeWorks audit and study the impact of a Catalog change. Once a student has moved forward to a new catalog year they cannot move back to a previous year.

The courses listed award three hours of credit, unless a number appears in parentheses following the course name. This number represents the hours awarded for such courses. Courses with an “L” are laboratory classes and one credit hour unless otherwise noted. Course numbers followed by (\(^\)) have prerequisites or other restrictions on enrollment. Refer to Course Descriptions in Section Seven of this Catalog for specific restrictions.

</table>

If a Foreign Language is used to meet the requirement, it is strongly recommended that students take two courses in the same language. A student with a foreign language PCC need must take two terms of the same language.

Course numbers followed by (\(^{\})\) have prerequisites or other restrictions on enrollment.

G R A D E S

Auditing Courses: A student may audit a course (i.e., take it without credit) with the permission of the instructor and the dean of the college involved if the course has been approved to be taken Audit. The Registrar’s Office can verify whether a course is approved to be taken as Audit. After registering for the course as usual, students must obtain the “audit a course” form from the Registrar’s Office, obtain the appropriate signatures and return it to that office, Whitlock 239. Fees are the same as for courses taken for credit. Students enrolled for audit must comply with the attendance policy of the instructor or no course entry will be made on their academic record.

Changes to Transcript: Once a degree has been posted to the transcript, changes will not be made to courses or grades that were earned prior to the posting of the degree. Students have one calendar year in which to bring to the Registrar’s attention an error on their transcript. This does not include any challenge based upon an unsatisfactory grade. Refer to the student handbook for the appropriate process for grade challenges (http://studentaffairs.eku.edu/studenthandbook).

Credit/No Credit (CR/NC) Coursework: The grade of “CR” (credit) is awarded as recognition of appropriate scores on AP, IB, CLEP or other proficiency exams and prior learning assessment. International coursework transferred to EKU will be recorded as CR/NC. Existing EKU students who complete an EKU-approved/sponsored study abroad program, and have a completed Study Abroad Pre-Approval form on file in the EKU Office of International Student and Scholar Services, may receive a regular letter grade for the international coursework taken while participating in the sanctioned study abroad experience.

Undergraduate course work with CR grades may be used to fulfill major, minor, certificate, supporting program, and/or concentration area requirements, (unless explicitly prohibited by the appropriate academic department), to a maximum of 20% of the credit hours required for each component of an academic program’s major. Exceptions to this limit may be authorized by the Dean/Associate Dean of the college offering the program. There is no limit to the number of CR credit hours used to meet general education areas or to serve as free electives.

Previous Developmental College Readiness Coursework (Zero-Level): Prior to Fall 2018, developmental courses were numbered 090 or 095. These are institutional-credit courses. Credit hours for a zero-level course do not apply toward graduation; however, zero-level courses do count toward enrollment status for purposes of financial aid eligibility and full-time student status. Grades for 090 and 095 developmental courses include A, B, C, and F. (Note: MAT 098 is a zero-level course but is not a developmental course.)

Equivalent Courses: Equivalent or cross listed courses are those in which credit will be earned for just one course. Equivalent courses may or may not be cross-listed in the schedule. Should there be a second enrollment in an equivalent or cross listed course, the student will either be disenrolled from the course or have credit removed at the end of the semester. Upon a change of major, permission for enrollment and credit for the second course, when required in the new major, must be obtained in advance from the college dean of the new major. In that instance, credit for the first taking will be removed.

Failure Due to Academic Dishonesty (FX): This grade is a sanction for repeated violations of the Academic Integrity (AI) Policy. The “FX” grade denotes failure in the course due to
academic dishonesty and is a permanent grade reflected on the student’s transcript. A student assigned an “FX” grade will not be permitted to drop or withdraw from the course. A student who wishes to repeat a course in which an FX grade was applied may do so for the purpose of rehabilitating his/her GPA. The course may only be repeated at EKU. Repeating an FX course will not remove the FX grade from the student’s transcript.

Grade Appeals: If a student believes that the final grade assigned in a course is unjustified, that student should consult the instructor seeking a satisfactory explanation. If, after doing so, the student still feels that the grade is unjustified, the student may appeal the grade, in writing, to the department chair. A written appeal must be filed with the chair within 30 days after the beginning of the next semester (exclusive of summer session). Refer to the University Handbook for Students for the complete policy concerning grade appeals.

Grade Changes: All grade changes must be made by the following deadlines: for fall semester grades—the last day of regular classes (prior to finals week) for the following spring semester; and for spring and summer semester grades—the last day of regular classes (prior to finals week) for the following fall semester.

Grade Point Average (GPA): The GPA is a calculation of the sum of total quality points earned, divided by the total attempted course credits. Quality points are determined by multiplying the numerical value for each grade earned, times the credit hours for the course.

Each student has an institutional GPA reflecting his/her overall academic performance, as well as a term GPA indicating achievement for the current semester. Grades for all non-zero level EKU and transfer courses are included in a student’s overall GPA calculation. The GPA is used to measure a student’s academic standing. Successful completion of any degree or certificate program requires a minimum of a 2.0 overall as well as institutional GPA. The official EKU GPA is truncated at two decimal places; GPAs are never rounded numbers.

Each student can view his/her GPA through his/her secure online EKUDirect self-service account. In EKUDirect the GPA appears on the Official Grade Report, the student transcript, and on each student’s DegreeWorks degree audit. Each student is expected to monitor their GPA through these sources. Note that a separate GPA calculation is done for determining University graduation honors (also referred to as Latin Honors). Refer to the Latin Honor section of this catalog for rules regarding Latin Honors GPAs.

Incomplete Grades: Instructors may assign an incomplete grade “I” to students who have satisfactorily completed at least 60% of a course but are unable to complete the course due to extenuating circumstances. An “I” grade is never appropriate as a midterm grade. Instructors who assign an “I” grade must provide an Incomplete Grade Agreement within 15 university business days.

Incomplete Grades Blocking Graduation: A degree cannot be awarded to a student with any incomplete EKU courses on his/her record. Any student who is a pending graduate with unresolved EKU incomplete grades (“I”) will be given the choice of either accepting an “F” for the course (or “NC” for unresolved “IP” grades) or being deferred to the next term for graduation consideration. All incompleteds for students pending graduation must be resolved before their published degree conferral date.

In-Progress Grades: Instructors may assign a grade of “IP” in certain approved courses in which it might reasonably take students more than a single semester to complete all requirements. A student assigned an “IP” grade for internship, practicum, or self-paced courses must complete requirements within the calendar year after the “IP” is awarded to receive credit. If requirements are not completed by the deadline, the Registrar will change the “IP” grade to “NC” (NO CREDIT), and the student must register again for the course to receive credit.

Incomplete Grade Agreement: When a student has extenuating circumstances that impede him/her from completing a course, an incomplete grade may be awarded as a temporary final grade. The incomplete grade cannot be used simply because a student has failed to complete the work in the course or as a means of raising the student’s grade by doing additional work after the grade report time.

Students must request an incomplete grade from the faculty member prior to the last day of class when a student wishes to pursue an incomplete grade. If the instructor agrees that the student has extenuating circumstances beyond his/her control and the instructor agrees to assign an incomplete grade, the instructor must complete an Incomplete Grade Agreement detailing all outstanding assignments and/or conditions needed to complete the course, and a due date for each assignment. An incomplete grade may not be given as a midterm grade. Any student given an incomplete is expected to have satisfactorily completed at least 60% of the course.

The following procedure applies when an instructor has agreed to assign a grade of “I” for students who are unable to complete the course because of extenuating circumstances.

1. On the Incomplete Grade Agreement, the instructor will identify all outstanding assignments and/or other conditions needed to complete the course, and due dates for each assignment.
2. Faculty are strongly encouraged to give students the shortest reasonable time period in which to complete the work. The longest possible time period is the end of the next regular semester (fall/spring); however, typically it benefits students to complete work before they begin classes the next semester.
3. The Incomplete Grade Agreement must be signed by the faculty member, student, chair of the department offering the course, and dean of the college offering the course. Student approval of the terms of the Incomplete Agreement can be submitted electronically, and attached to the form. Chairs should assure that the Agreement includes reasonable due dates for completing the work, and all signatures.
4. The Incomplete Grade Agreement must be received by the Registrar’s Office no later than 15 university business days past the deadline for final grade submission. While the faculty will be able to submit the “I” grade through the online grade submission process, any “I” grade that is not accompanied by an Incomplete Grade Agreement within 15 university business days of the advertised final grade submission deadline will be converted to an “F.”
5. Outstanding work must be completed by the student and a Grade Change form must be submitted by the instructor to the Registrar’s Office by the deadline noted on the Incomplete Grade Agreement. If a grade change is not submitted by the established deadline, the incomplete will automatically default to a failing (“F”) grade.
6. If, due to extenuating circumstances, a student is unable to complete the contracted course work to fulfill the incomplete course by the deadline on the Incomplete Grade Agreement, the student has the option of requesting a one-time, one semester extension to the incomplete deadline. The student must initiate the request through the instructor before the original deadline. Approval of the extension of an incomplete grade is not automatic and depends on the student’s unique circumstances.

**Letter Grades:** Grades, which are represented by letters, are given point values as indicated:

*FN/UN: Students who stop attending/participation in online courses and do not resume participation have unofficially withdrawn from the class. This act may have significant financial aid repercussions. EKU is required by the U.S. Department of Education to provide a last date of attendance/participation for such students.*

Throughout this Catalog, specific grade requirements are to be interpreted precisely as stated. Thus, if a requirement specifies that a grade of at least “C” is required, a “C-” will not satisfy the requirement. If it is intended that “C-” is to be allowed, “C-” will be listed rather than “C.” This applies to all specific grade requirements.

The grade point average (GPA) is based on those courses in which a student earned grades of “A,” “B,” “C,” “D,” “F,” or “U.”

**First-Time Freshmen Mid-Term Grade Review:** See Academic Standards, 45.

**Submission of Mid-Term Grades:** Faculty will provide mid-term grades via the Banner (EKU Direct) system for all students in undergraduate-credit, full-semester courses by the end of the eighth week. In the case of non-standard courses, faculty will enter mid-term grades by the mid-point of the course and before the last day to withdraw from the course, as published on the Colonel’s Compass.

Mid-term grades are not required for the following types of classes: non-gradable laboratory sections, co-op, practicums, and internships.

**Military Activation:** A student who is called to active duty or whose spouse/legal guardian is called to active duty may be unable to complete courses in which they enrolled. If military activation affects the ability of a student to complete a course, the University provides several options, including withdrawal from the course and/or University or taking an incomplete and completing the course(s) following completion of active duty. A student who volunteers for military service during a semester makes the decision to join the military instead of being a student, and does so while the semester is in progress, (instead of completing the semester and then joining), is not eligible for Military Withdraw, Military Incomplete, or to receive a grade early in the semester. The spouse of a student who volunteers for military service and cannot complete a semester will not be eligible for Military Withdraw, Military Incomplete, or to receive a grade early in the semester.

Students with military status (Active, Reserves, National Guard) at the beginning of the semester, or spouses of such students, finding it necessary to leave the University because of required active military duty must complete one (1) of the following:

Option 1 – Receive a Grade
1. When military activation occurs after the 12th week of the semester, the instructor has the option of assigning the student a grade in the class based upon work completed. That grade would be submitted during normal final grade submission, and no additional work would be required of the student.
2. The request for assignment of a grade based on coursework completed must be made in writing and must be approved by the Chair of the Department and the Dean of the College in which the course(s) is offered. A copy of activation papers must be attached.

Option 2 – Receive an Incomplete Due to Military Activation
1. The affected student will petition the faculty members to request an assignment of a grade of “IM” in course(s) currently enrolled.
2. If the instructor feels that the portion of the semester remaining, and volume of uncovered material is such that it can be made up in a reasonable amount of time and effort, a grade of "Incomplete for Military Activation" may be given.
3. The instructor completes an Incomplete Grade Contract and notes on the contract that this is due to military activation. The student shall provide a copy of the military orders and the instructor must ensure that a copy of the student’s military orders is attached to the Incomplete Grade Contract. Without a copy of these orders the student cannot receive the “Incomplete for Military Activation” grade.
4. The Incomplete Grade Contract shall be processed as normal.
5. Once the Registrar’s Office receives a copy of the military orders an “IM” grade will be recorded.
6. The student has two (2) years from the date of military discharge to complete an “IM” grade. The student, upon completion of active military duty, must follow up with the faculty member. If the faculty member is no longer with the University or is on leave from the University, the student should contact the Department Chair for determining how to fulfill the Incomplete Grade Contract. If the student does not make contact within 2 years of leaving the University, the “IM” turns to a “W.”
7. Upon completion of coursework, the instructor will submit a change of grade form.
Option 3 – Receive a Military Withdrawal from the Course or from the University

1. Students choosing to withdraw from specific courses or from the University must send a letter requesting a withdrawal and enclose a copy of the military activation notification. The letter must include the following information:
   - Student name and Student EKU ID Number
   - A statement that the student wishes to withdraw completely from the University OR listing the individual courses for withdrawal.
   - Student’s signature (mandatory) and the date

2. The Officer staff will process the withdrawal which also triggers a 100% refund in all tuition and course fees. Room and board fees will be prorated.

3. If a student requests an incomplete and the faculty declines to grant an “IM,” then the student will have to withdraw. For additional information regarding Military Incomplete status please see the Military Activation Web site at: http://www.registrar.eku.edu/registration/military/.

Pass-Fail (“P” – “F”) Option: The Pass-Fail option encourages students to take courses they might otherwise avoid because of lack of background or concern for lowering their grade point average (GPA). Not all courses are approved to be taken Pass-Fail. The Registrar’s Office will verify the course is approved to be taken as Pass-Fail.

Students who have earned 30 or more semester hours of credit with a minimum GPA of 2.0 may choose the Pass-Fail (“P” – “F”) option for a total of 15 hours of free electives. These hours must be exclusive of general education, major, minor, and other course requirements for graduation. Eligible courses must belong exclusively to the category, free electives. Hours passed under the Pass-Fail option will not be used in the computation of GPA’s; however, hours failed (“F”) will be used.

Students may choose the Pass-Fail option for one course per semester with a maximum of five credit hours per semester. Students may repeat a course using the Pass-Fail option only if the previous taking was also Pass-Fail.

Students may select the “Pass-Fail” option by completing the Audit/Pass-Fail registration form, available from the Registrar’s Office. Students may change to or from the Pass-Fail option by the date specified each semester in the Colonel’s Compass. The student must submit to the Registrar’s Office the completed form as authorization to change their registered course to Pass/Fail.

Repeating Courses: Students may repeat college-level courses. In those courses, the highest grades earned will replace a lower grade in calculations of the student’s term and institutional GPA. This grade replacement occurs irrespective of whether the lower grade was earned in the original taking of the course or in a repeat enrollment.*

The repeated course and grade will still appear on the transcript but with a notation indicating whether the grade is included in, or excluded from, the student’s GPA. If a student attempts to repeat a course and replace the grade but then withdraws from the course, that course attempt will not be counted among those for which grade replacement is available.**

Students who repeat a course in which they earned a failing grade, and fail the course again, will have the most recent failing grade included in the GPA.

A student may enroll in the same course for a third time (second repeat) only under extraordinary circumstances and with permission of the dean of their major. Students seeking permission for a third enrollment shall first meet with an academic or college advisor to review why they have not previously been successful in the course, and to assess whether the student is in an appropriate major.

For GPA calculation, a grade of “S,” “CR,” “NC” or “P” will not replace a grade of any “C,” “D,” “FN,” “F” or “FX” (earned in normal grading) grades. A “P” will replace an “F” only when the “F” was earned under the Pass-Fail option. An “S” will replace a “U” or “UN” when earned under the Satisfactory-Uncertain grading option.

Some professional programs (e.g. Nursing and Occupational Science) have licenses, regulation, and accreditation requirements with restrictive time limitations for applying a course toward a degree. In those programs the best grade for a course may be excluded because it is outside the required time frame. Students should speak with a major advisor or refer to the relevant portion of this catalog to determine if such time restriction apply to any required course for their major.

**Some courses may not allow the best grade to stand if the student has been required to repeat a corequisite lecture, clinical, or lab experience. In those situations it is the most recent grade earned from both co-requisite courses that will be used to calculate the term and institutional GPA. Courses with these requirements will be identified as such in individual course descriptions found in the back of this catalog.

Satisfactory-Uncertain (“S” – “U”) Grading System:

Some courses are approved to be taught exclusively on a “Satisfactory” (“S”) or “Uncertain” (“U”) basis. Each student enrolled in the class will receive either a grade of “S” or “U.” Hours passed under the Satisfactory-Uncertain option will not be used in the computation of GPA’s; however, hours failed (“U”) will be used.

NON-TRADITIONAL ACADEMIC CREDIT

Students who have educational experiences other than university instruction may attempt to earn academic credit through the following learning assessment mechanisms.

A. ACE Credit

Based upon recommendation of the American Council on Education (ACE), EKU will award credit to individuals who have completed certain non-university experiences, such as workplace or military training. Work evaluated on an ACE transcript as Lower Division will be recorded as 100- or 200-level only. Work evaluated on an ACE transcript as Upper Division will be recorded as 300-level credit. EKU will not award credit from an ACE transcript unless the work has been evaluated as Lower Division or Upper Division. Students can petition for specific course credit by first contacting the Student Outreach & Transition Office at http://soto.eku.edu/ but must have a copy of their ACE transcript sent to the Registrar’s Office, Whitlock CPO 58, 521 Lancaster Avenue, Richmond, KY 40475-3158.

B. Credit-By-Examination

1. Credit-by-examination is credit given through documentation and evaluation of learning, knowledge, or skills-based experience.

2. Following are the conditions which apply to receiving credit-by-examination:

   a. Only admitted and active degree seeking EKU students may have credit-by-examination recorded onto an EKU Transcript.

   b. Academic credit earned by external examinations and challenge tests (such as AP, IB, Cambridge, CLEP®,
DANTES, and KOSSA) shall not be considered as credit earned at EKU and will not apply toward the residency credit requirement for an associate or baccalaureate degree.

c. Credit-by-examination earned at a prior institution and submitted to EKU for review will be considered for academic credit.

d. Credit awarded through credit-by-examination which is general in nature, not course-specific, has no inherent guarantee of meeting specific EKU degree requirements, since these are program and college specific decisions.

e. Credit earned by examination is recorded as “CR” and is not assigned a letter grade; it has no effect upon the overall GPA.

f. Proficiency examination credit recorded on an official transcript is eligible for transfer to EKU if it is from a nationally-recognized standardized test, earned at a college or university from which EKU accepts transfer credit, or earned at an EKU-recognized testing site.

g. English writing, reading, or mathematics placement testing proficiency examinations completed at other SACS-accredited Kentucky universities or colleges may be reviewed for remediation of Academic Readiness requirements; these must be sent from the testing center of the previous institution to Academic Testing, 521 Lancaster Avenue, Whitlock CPO 64, Richmond, KY 40475, or emailed to testing@eku.edu.

h. Departmental or institution specific challenge tests presented on the official transcript of an institution from which EKU accepts transfer credit may be accepted in transfer - upon the review and approval of the academic department most closely related to the subject matter.

i. A student may attempt to earn credit-by-examination in a course only once in a six-month period.

j. A student will not receive academic credit for a course-specific College Level Examination Program (CLEP®) or departmental examination in an area in which advanced course work has already been completed, and EKU credit recorded.

k. EKU students attempting a foreign language CLEP exam at the 100-299 level in their native tongue will not have academic credit awarded by EKU.

l. Special fees are assessed for credit-by-examination and must be paid prior to taking an examination. Refer to the Testing Office website for fee and payment information (www.testing.uky.edu/fees).

m. Students seeking to have AP or IB credit recorded on their EKU academic record should have score reports sent to the EKU Office of Academic Testing before they have earned their first 30 credit hours at EKU. AP or IB scores submitted for credit will not be given consideration after students have earned 30 credit hours.

3. Eastern Kentucky University credit-by-examination may be earned through any of the following methods:

   a) Advanced Placement Program (APP):

      The Advanced Placement Program consists of courses of study and special examinations open to students in high school. The courses are presented during the student’s junior and senior years and are administered during the month of May. The chart below indicates the manner in which EKU accepts Advanced Placement Program examinations as credit. The most current updates to the chart below may always be found online at http://www.testing.eku.edu/advanced-placement-program-app

b) Cambridge International Examinations (CIE) - AS & A Level Exams:

As this catalog was going to press, EKU’s Cambridge International Exams table was in development. Please visit the following website for our CIE chart: http://testing.eku.edu/cambridge-international-exams

EKU recognizes the rigorous pre-college courses administered through the Cambridge Advanced International Certificate of Education (AICE) Diploma program, and awards a variety of academic credit to admitted, actively enrolled EKU students, for AS-level & A-level subject groups and scores. An official certifying AICE transcript is required. For more details on CIE exams, please refer to www.testing.eku.edu.

Following recommendations of professional international accreditor evaluations, EKU awards 3-4 credit hours for AS-level exams with a grade of C or above, and 6-8 semester hours of EKU credit may be given for scores of C or above on any A-Level exam.

c) College Level Examination Program (CLEP®):

CLEP exams are standardized tests created to assess college-level knowledge in standard academic subject areas. They recognize a student’s comprehensive subject knowledge and provide a mechanism for earning college credit without taking college classes. The Office of Academic Testing administers CLEP® exams for currently enrolled EKU students. In order to receive credit, a student must complete the Credit-by-Exam form available from the Office of Academic Testing, Whitlock, Room 340 or online at http://testing.eku.edu/clep. No credit will be given for exams without equivalent courses at EKU.

For additional information on the CLEP exam, including fees,
DSST testing. DSST exams allow military personnel to begin or further their college careers while in the service, whether they are deployed abroad or located on a United States military base. The EKU Office of Academic Testing works with academic departments to determine academic credit for new and expanded DSST exams.

As this catalog was going to press, EKU was working to update and expand the credit awarded for DANTES DSST exams. Please visit the following website for our most current list of course credit awarded for DANTES exams: http://testing.uky.edu/veterans, and for the most current list of exams administered by the US military, please visit: http://testing.uky.edu/veterans

As DSST exam reports are received by Academic Testing, they will be submitted to the appropriate academic department for course credit review. Updates on EKU DSST credit may always be found online at: http://testing.uky.edu/veterans

Students should request that their official DANTES score report be sent to EKU Academic Testing, Whitlock CPO 64, 521 Lancaster Avenue, Richmond, KY 40475. Additional information about DANTES examinations, including information on processing fees, is available at www.testing.uky.edu.

Eastern Kentucky University recognizes and awards academic credit to admitted, active EKU students per the following table of DSST examinations:

<table>

e) Departmental Examinations:

A number of academic departments at Eastern Kentucky University have developed their own examinations for credit as an extension of the CLEP® program. Enrolled Eastern Kentucky University students interested in attempting to earn credit through departmental examinations should contact the Office of Academic Testing, Whitlock 340. Please note: EKU does not accept transfer credit for coursework earned via departmental proficiency exams completed at other postsecondary Institutions. Information on available departmental challenge exams, fees, and procedures for registering may be found at www.testing.uky.edu.

f) International Baccalaureate (IB) Credit:

Created in 1968, the International Baccalaureate Organization’s Diploma Programme is a demanding pre-university course of study designed for highly motivated secondary school students aged 16 to 19. The program has earned a reputation for rigorous assessment, much like the Advanced Placement (AP) Program. For information regarding the IB program, please visit the website at www.ibo.org, or http://testing.uky.edu/international-baccalaureate-organizations-diploma-ib. IB credit is awarded by earning the required score in a specific subject area. To receive credit a student must furnish the Office of Admissions with an official IB transcript issued directly from the International Baccalaureate Organization. Course credit awarded through the IB program will apply toward degree requirements. Rather than a letter grade, a designation of CR (credit) will be assigned to credit awarded through the IB program; the GPA will not be affected. Eastern Kentucky University awards credit for IB course work in the following manner:

C. CREDIT FOR PRIOR LEARNING

1. Belief that college-level learning can occur outside of the university/faculty interactions has been firmly established within higher education.

2. Workplace, community, volunteer activities, and military training can supplement and augment a student’s preparation for EKU academic courses and provide a valuable lead into the adult student’s program of study.

3. Portfolio assessment, co-op credit, nationally standardized exams (e.g. College Level Examination Program (CLEP), DANTES Subject Standardized Tests), ACE evaluation, and departmental challenge exams can target specific EKU courses where adult learners can demonstrate course subject mastery and gain academic credit for prior learning experiences.

D. CREDIT FOR PRIOR LEARNING THROUGH PORTFOLIO ASSESSMENT

1. Belief that college-level learning can occur outside of the university/faculty interactions has been firmly established within higher education.

2. Workplace, community, volunteer activities, and military training can supplement and augment a student’s preparation for EKU academic courses and provide a valuable lead into the adult student’s program of study.

3. Portfolio assessment can target specific EKU courses where adult learners can demonstrate course subject mastery and gain academic credit for prior learning experiences.

To create a portfolio, students align their acquired knowledge and skills with specific student learning outcomes, as stated on a course syllabus. Credit earned based upon a portfolio is recorded as transfer
E. Military Credits

EKU will award credit to individuals who have successfully completed military service school courses, as well as award credit for Military Occupational Specialties (MOS), based upon recommendation of the American Council on Education (ACE). To receive academic credit at EKU, military credits must be evaluated by ACE with a lower level or upper level college equivalency.

Students may receive Military Science and Leadership course credit for having completed Basic Training (BT) and Advanced Individual Training (AIT). A copy of the military transcripts or DD Form-214 (Discharge Verification Certificate) must be submitted to the University through the EKU Veterans Center.

Students also must have an official copy of their ACE transcript sent from their respective service education centers to the EKU Office of Academic Testing, Whitlock CPO 64, 521 Lancaster Avenue, Richmond, KY 40475.

Army, Navy, USMC, and Coast Guard Veterans can order transcripts online at: https://jst.doded.mil/official.html.

Air Force Veterans must request transcripts by letter. Include student’s full name (former name if appropriate), date of birth, social security number, service component, current address, Eastern Kentucky University Veterans Center address and the student’s signature. Send transcript request to: CAF/RRR, 130 West Maxwell Blvd., Maxwell AFB, AL 36112-6613.

PRE-PROFESSIONAL PROGRAMS

EKU has a number of programs that will help prepare students for professional schools following graduation. These schools generally do not require a specific major, provided that their prerequisite courses are taken. All professional schools are highly competitive in their admissions process. Thus, students should aim for strong GPA and professional school admission test scores. Students are encouraged to seek a major that they feel comfortable with, that they have a strong aptitude for, that is interesting and challenging, and that provides additional career options. Students should contact the advisors listed on the webpages below as early as possible after enrolling at EKU. The Advisors will assist the pre-professional student with selecting a major and provide information and advice regarding professional school admissions and requirements.

Descriptions of the following pre-professional programs may be found on the webpages listed:

- Pre-Dentistry, Pre-Medical Science, Pre-Optometry, Pre-Pharmacy, Pre-Physician Assistant, Pre-Physical Therapy, Pre-Engineering, Pre-Veterinary, and Pre-Law: http://preprofessional.eku.edu/

Reverse Transfer Baccalaureate Process: Professional School Credit Transferred Back to EKU

In addition to the standard pre-professional curricula, Eastern Kentucky University allows students who matriculate into professional schools before graduation to transfer back professional school credit and thereby complete a Bachelor of Arts or a Bachelor of Science degree from Eastern Kentucky University. This plan may shorten by one year the time needed for obtaining both a baccalaureate and a professional degree.

Before leaving for professional school, students approved for this process are expected to have completed the EKU General Education curriculum and the first three years of their major requirements, as specified in the relevant undergraduate EKU Catalog.

The reverse transfer process is initiated by the student communicating with a graduation specialist in the College of Science dean’s office, submitting an application to graduate, and formally notifying their advisor of their intent to complete their degree via the reverse transfer process. After the first year of professional study the student sends an official transcript of their professional school work to EKU and notifies the graduation specialist in the College of Science dean’s office to begin the graduation clearance process.

STUDY ABROAD CREDIT

DUAL DEGREE AGREEMENTS BETWEEN EASTERN KENTUCKY UNIVERSITY AND FOREIGN EXCHANGE INSTITUTIONS

The following policies and procedures shall govern arrangements to award dual degrees to foreign students who attend Eastern Kentucky University and to EKU students who attend foreign exchange institutions under the auspices of exchange agreements or other agreements:

1. The dual bachelor’s degree agreement shall be developed by the deans of participating colleges in cooperation with appropriate representatives from foreign exchange institutions and shall be submitted to the Provost for final approval.

2. The deans and department chairs shall determine exactly which courses need to be taken by the foreign candidates to complete the major in each given field of study, and these courses must be specified. Likewise, they shall determine which courses EKU students must take at the foreign institution to complete their EKU degrees.

3. Dual degree agreements will normally require at least one full academic year in residence at the host institution (25% of the total semester hours) and three years at the home institution (75% of the total semester hours). However, other variations may be approved by the deans of the colleges for their respective colleges.

4. Each institution shall accept all course work from the other either as elective credit or as credit for required courses, based on transfer equivalency evaluations.

5. If dual degrees are awarded concurrently, the program must at a minimum meet SACS, CPE, and the college, departmental, and program requirements for general education, either by taking the general education courses or by transfer credit or by a combination of these means. If the foreign degree is awarded a year or semester in advance, then the candidate will be awarded post-baccalaureate status and the general education requirement will no longer be applicable.

6. A copy of each dual degree agreement approved by the Provost shall be kept on file in the Education Abroad Office, and that office shall also maintain a file of EKU students who are attending foreign exchange institutions under dual degree agreements. The Office of International Student and Scholar Services will maintain a file of international students who are attending EKU under dual degree agreements.
**STUDY ABROAD PROGRAMS**

Eastern encourages all students to take advantage of study abroad opportunities. All EKU students planning to participate in a study abroad experience should complete the Course Pre-Approval Form. This form must be completed and endorsed by the EKU Education Abroad Office (Keith I29) before the student is approved to participate in a study abroad program. Students have several options for study abroad at EKU, varying in place, field of study, duration of stay, and cost.

Summer, Spring break, Winter break, full semester, or academic year options are available through EKU’s many study abroad providers, including the Cooperative Center for Study Abroad (CCSA), the Kentucky Institute for International Studies (KIIS), The Knowledge Exchange Institute (KEI), AIFS Study Abroad, University Studies Abroad Consortium (USAC), SOL Education Abroad (SOL), CISabroad (CIS), as well as any number of EKU faculty-led programs that are created yearly. In addition, EKU has multiple exchange partners worldwide. Students should visit http://studyabroad.eku.edu/ for more information.

**TRANSFER STUDENT INFORMATION**

**CREDITS ACCEPTED IN TRANSFER**

Eastern Kentucky University accepts credits transferred from regionally accredited postsecondary institutions, credits earned by examination from nationally recognized tests that meet EKU standards, and it awards credits for certain types of military experiences. Additionally, EKU will award credit for non-collegiate training experiences provided the training occurred under a University approved articulation agreement.

International transfer credits from institutions with which Eastern Kentucky University does not have an articulation or exchange agreement are recorded as free elective credits at the lower division level after they have been evaluated by an outside accrediting agency (e.g. World Education Services or Silney and Associates). Students may present supporting documents from transfer courses recorded as free electives to appeal to department chairpersons for departmental credit.

**KENTUCKY GENERAL EDUCATION TRANSFER AGREEMENT**

In an effort to promote a seamless transfer between Kentucky two-year and four-year public institutions, the Kentucky Council on Postsecondary Education (CPE) developed a policy to facilitate the transfer of credits from one Kentucky public college or university to another. This policy, implemented in 1996, and revised in 2011, is called the General Education Transfer Agreement and allows for the automatic transfer of a block of courses to satisfy general education degree requirements, in addition to articulating individual courses as meeting statewide general education categories.

**General Education Certification for Students Transferring to EKU from a Kentucky Public Institution:**

Students transferring to EKU from another Kentucky public college or university may be (1) category certified, or (2) core certified, or (3) general education certified in general education by the Registrar of the school where the course work was taken.

EKU will honor any of these designations and is guaranteed to apply the KY public school transferred general education courses into EKU’s General Education curriculum in a manner that best serves the transferring student.

**Category Certified.** Students who have completed one or more of the five general education categories of the General Education Transfer Agreement will be category certified.

**Core Certified.** Students who have satisfied all five general education categories of the General Education Transfer Agreement will be general education core certified and receive 33 hours of general education credit at EKU.

**General Education Certified.** Students who have completed a 48-hour general education program at a Kentucky Community and Technical College and School (KCTCS) will be general education certified in general education as required by the CPE General Education Transfer Agreement. Students who have earned an Associate of Science or Associate of Arts degree from a Kentucky public institution are also considered to be general education certified. Students, however, are subject to any specified general education courses required by the major and, in all cases, are required to complete the minimum number of credit hours established by the University to earn a degree.

Transfer students from Kentucky four-year institutions who complete the general education at their first institution may request the Registrar of that institution to document them as general education certified in general education, which EKU will accept. Students who transfer to EKU without a certified transfer module will have their course work at their previous institution evaluated by EKU on a course-by-course basis for general education equivalency.

The General Education Transfer Agreement also applies to students transferring from EKU to another Kentucky public university. For additional details regarding this agreement please refer to the EKU Student Outreach & Transfer Office (SOTO) (http://soto.eku.edu/transferstudents) or the CPE website (http://www.cpe.ky.gov/policies/academicinit/Transfer/).

**NOTE:** After initial transfer to EKU students may not transfer in further general education certifications unless they earn a subsequent AA or AS degree at a KCTCS institution. Students may transfer in further general education certifications after their initial enrollment at EKU, only if they return to a KCTCS institution for a period of at least one semester.

**TRANSFERRING GENERAL EDUCATION COURSES FROM A PRIVATE OR OUT-OF-STATE SCHOOL**

EKU will honor transfer general education courses from regionally accredited out-of-state or Kentucky private colleges and universities. Students may bring in documentation (school catalog listings of courses with relevant general education designations) to the EKU Registrar’s Office. The transfer general education courses will then be applied toward the student’s EKU general education requirements where needed and as appropriate.

**TRANSFER CREDIT EVALUATION PROCESS**

When an acceptable transfer course, which has never been evaluated before, is presented to EKU for consideration, EKU records the course as acceptable for credit but unevaluated.
The Transfer Center contacts the student and requests course descriptions and syllabus information for review. The Transfer Center forwards the course description to the appropriate academic department for their review and consideration. The academic department determines whether an exact equivalency, a subject/discipline elective, or a generic free elective is appropriate depending on course content and learning objectives. In some instances the department will request that the student provide a syllabus in order to evaluate the course. The academic department or Transfer Center can recommend that a course be considered for general education applicability even if an exact equivalency is not awarded. Students wishing to appeal the evaluation of transfer credit should consult with the Student Outreach and Transition Office.

Some EKU programs have accreditation restrictions that dictate which transfer courses can be utilized to fulfill program requirements (e.g. School of Business, Paralegal, Social Work). Students considering transferring into an EKU program which has specific professional accreditation standards should refer to the webpage for that program to see details of any transfer course restrictions.

**TRANSFER CREDITS/COURSES**

Currently enrolled students who desire to take courses elsewhere and transfer them back to Eastern Kentucky University should consult with the EKU Transfer Center and also obtain the approval of their college dean prior to enrolling. The University will not take responsibility for courses transferred without prior approval. Students should be aware that there are limits to the number of credit hours a student may earn in any one term (see Academic Load).

Eastern Kentucky University accepts credit in transfer from other institutions with regional accreditation status. EKU also participates in and subscribes to the principles of the Kentucky Council on Postsecondary Education statewide transfer agreements. EKU accepts credits transferred from all public institutions in Kentucky accredited by SACS, or similar regional accreditation bodies, and will apply them to the general education and program requirements to the maximum extent specified in these agreements. Credits not identified in these agreements will be applied to degree requirements as deemed appropriate. Lower division courses taken at a community or junior college are accepted in transfer as the coursework is evaluated by the EKU content expert.

Eastern Kentucky University will also award credit to students for non-collegiate sponsored instruction and training programs provided an articulation agreement exists between the University and the institutions or organizations providing the instruction. Articulation agreements must be officially approved according to the University policy for such agreements and must be signed by both EKU and the collaborating institutions/organizations. A copy of the signed agreements must be on file in the Office of the Senior Vice President for Academics and Provost (original), the Office of the Registrar, and the Dean’s office of the College which initiated the agreement. Articulation agreements must be in place prior to the non-collegiate instruction or training in order for credit to be considered. In all instances, consideration will only be given to those courses-training programs whose content provides competencies equivalent or comparable to courses and educational experiences offered by EKU.

Credit and grades earned in transfer are posted to the student’s EKU transcript. Students with transfer credit should note that they must successfully complete all their curriculum requirements as well as earn an institutional (EKU) GPA of 2.0 in order to graduate with a degree or University certificate from EKU.

**POST-BACCALAUREATE TRANSFER STUDENTS**

Degree-seeking transfer students who have already attained a post-secondary or graduate-level degree will have that earned degree noted in their EKU academic record.

Details of the academic work counting toward a baccalaureate or graduate degree earned at another institution will not be posted, course by course, onto the EKU transcript; only the earned degree is recorded from the official transfer school transcript. All General Education requirements are waived for post-baccalaureate students.

**INTERNATIONAL STUDENT TRANSFER CREDIT PRE-APPROVAL**

It is an institutional expectation that once international students are admitted into EKU they are expected to complete their program of study using credit earned only at EKU. Each EKU international student may submit official transcripts and have recorded in transfer all previously earned appropriate credit from other institutions of higher education, at the time the student is admitted into EKU. After initial admission into EKU an international student, who subsequently wishes to enroll at another institution, for the purpose of earning additional transfer credit, must have prior approval from EKU before accumulating additional transfer coursework.

The Registrar will not record onto an existing international student’s EKU academic record any transfer credit for which the student has not secured prior approval. This prior-approval form serves to notify the College of the student’s major and the Office of International Student and Scholar Services of the international student’s intention to enroll at another institution, and to establish the applicability of the anticipated transfer credit toward the student’s major – before the student enrolls at the non-EKU institution.

A maximum of 21 credit hours may be earned by any EKU student, (through any means), in any fall or spring term; dean’s approval (secured on a different form) is required for a student to enroll in 19 through 21 credit hours. During the summer, 15 credit hours is the absolute maximum an EKU student may earn; dean’s approval (secured on a different form) is required to enroll in 13 through 15 credit hours. In winter term, no student may have more than 4 credit hours recorded onto EKU academic history.

**EXPLORATORY STUDENTS**

If students are academically exploring and are not ready to declare a major, they will be enrolled as an exploratory student. A major should be declared as soon as students decide on their field of interest. Students must officially declare a major prior to registration during the semester in which they register for their 45th hour. Until a major is declared, students’ curriculum will include general education courses appropriate for most baccalaureate programs. In addition, students will be encouraged to take exploratory electives that will allow them to sample disciplines they may like to select as a major.
WITHDRAWAL

WITHDRAWING AND FINANCIAL AID

Federal Financial Aid regulations require students to earn credit from classes funded by financial aid. Financial aid regulations do not distinguish between receiving a “W” in a course, or an “F” in a course. In both cases tuition is paid with financial aid funds and in both cases the student did not earn credit.

Students, advisors, and instructors should note therefore that multiple withdraws can impede appropriate progress toward degree and thus negatively impact a student’s ability to retain financial aid.

IMPORTANT: Withdrawing from a class may result in the student being responsible for both tuition charges and a late withdrawal fee. Refer to the Colonel’s Compass for tuition refund dates. A class with a “W” grade will count as an attempted class for Federal Financial Aid calculations.

WITHDRAWING FROM A CLASS

Students are allowed to withdraw from classes through the 12th week of a full semester. Partial semester classes have pro-rated withdrawal deadlines. See the Colonel’s Compass for all withdrawal deadlines. Whether withdrawing from a single class, a few individual classes, or all withdrawals are executed online through EKUDirect. A student will be assigned a grade of “W” for each withdrawn course, and a “W” will appear on the grade report and transcript.

1. Withdrawal between 2nd Week – 12th Week: A student may officially withdraw from a full-semester course online through EKUDirect from the close of the Schedule Change Period, also called the Add/Drop Period (for full-semester classes the add/drop period is the 1st week of class), through the end of the 4th week of a regular (fall/spring) semester with no withdrawal fee applied.

   Beginning with the fifth week of the term, and until the end of the twelfth week of full-semester classes, students will be assessed a $50 per credit hour fee after withdrawing from a course (up to a maximum of $150 for a typical 3 credit hour course).

   WARNING: The Add/Drop Period and the withdrawal period for partial-semester classes can be significantly shorter. Always refer to the Colonel’s Compass website for all drop and withdrawal deadlines.)

2. Late Withdrawal Petitions: After the withdrawal deadline has passed only students who are the victim of extraordinary circumstances may request a late withdrawal. The deadline for filing a petition for withdrawal under extraordinary circumstances is the last day of the full semester following the term from which the student is seeking withdrawal. The student should complete a withdrawal petition form (available from the Registrar’s website) and should include justification and documentation for the withdrawal. If approved, the Registrar will assign the grade of “W” and will notify the instructor of the class. For details refer to the Registrar’s website (www.registrar.eku.edu).

All course withdrawals approved by the Compassionate Withdrawal Committee will be assessed a $50 per credit hour fee, to a limit of $150 per course. The Compassionate Withdrawal Committee is not authorized to consider any appeals of the $50 per credit hour course withdrawal fee. Only the Office of Student Accounting Services may consider late withdrawal fee appeals.

Students who are assigned a grade of “F” or “FX” in a course due to academic dishonesty will not be permitted to withdraw from the course.

3. Withdrawal Deadlines for Partial Semester and Summer Classes: Specific calendar dates for withdrawal deadlines for partial semester and summer classes are available on the EKU Web site (see Colonel’s Compass). The withdrawal deadline for all courses should be printed on course syllabi, are published in the Colonel’s Compass, and also may be obtained by contacting the Registrar’s Office. Refer to Section 3 of this Catalog for the University’s Tuition Refund Policy.

WITHDRAWING FROM THE UNIVERSITY

Eastern Kentucky University (EKU) is strongly committed to supporting students in achieving success in their intellectual and extracurricular endeavors. Students finding it necessary to withdraw from the University may withdraw from all courses online using EKUDirect up to the twelfth week of a full semester. Students are not allowed to withdraw from a course or from the University after the twelfth week of a regular term; after that time students must petition the Compassionate Withdrawal Committee for an official withdrawal. A grade of “W” is assigned for each withdrawn class. Students who leave the University without an official withdrawal are subject to the grade of “F.”

Dining Services Refund for Students Withdrawing from the University:

For Colonel Card dollars or meal memberships please refer to the Student Accounting Services refund page: http://colonelscompass.eku.edu/deadlines-adddrop-refunds

Housing Refund for Students Withdrawing from the University:

For Housing refunds, please submit a written request to the Director of Housing, Whitlock CPO 51, Eastern Kentucky University, 521 Lancaster Avenue, Richmond, Kentucky 40475-3151. Housing refunds are only applicable for a limited period of time at the beginning of the semester.

WITHDRAWALS DUE TO EXCEPTIONAL SITUATIONS

When physical or mental illness, or other extraordinary circumstances, intrude upon a student’s ability to successfully meet the requirements of his or her course of study, such that the student is unable to avail themselves of standard methods for withdrawing from the University, per the above described timeframe, the student may complete a request for a Medical Withdrawal or a Compassionate Withdrawal.

COMPASSIONATE WITHDRAWAL

[NOTE: Withdrawals do not provide tuition refunds.]

Students who had documented extraordinary circumstances that prevented them from succeeding in a course, or all courses, and were not able to withdraw themselves by the published deadline, may consider petitioning for a Compassionate Withdrawal. An approved Compassionate Withdrawal will replace course grades with “W” grades. No tuition refund is awarded. Students petition the Compassionate Withdrawal Committee through the Registrar’s Office.

The deadline for filing a petition for withdrawal under extraordinary circumstances (Compassionate Withdrawal) is the last day of the full semester following the term from which the student is seeking withdrawal. The student must complete a...
Withdrawal Petition Form and should include *justification and documentation* for the withdrawal. If approved by the committee, the Registrar will assign grades of “W” and will notify relevant instructors.

If the Committee denies the petition, the student has 30 calendar days to appeal the denial, in writing or in person. Any appeal is expected to provide additional pertinent information to the Committee. The decision of the Committee after consideration of the appeal is final.

For forms and more details, refer to the Registrar’s website (www.registrar.eku.edu) or email registrar@eku.edu

**MEDICAL WITHDRAWAL FROM THE UNIVERSITY**

**NOTE:** Withdrawals do not provide tuition refunds.

**Voluntary Medical Withdrawal**

Students may request a Medical Withdrawal from EKU when serious physical or mental health issues prevent the student from continuing coursework in the current term. The severity and duration of the medical problems must be such that it would be unreasonable to expect the student to make up missed class work or to continue as a student during the current term.

Medical Withdrawal is appropriate only when “incompletes” or other arrangements with instructors are not possible. A request for a medical withdrawal can only be considered when the request is to withdraw from all classes in the current semester and will not be granted if final exams have been taken for that semester. This policy does not address withdrawal from individual classes.

Requests for a Medical Withdrawal require thorough and credible documentation by the appropriate healthcare provider. Details regarding the process and standards for approval are found on the Registrar’s website: http://registrar.eku.edu/withdrawal-information. The deadline for filing a petition for a Medical Withdrawal is the last day of the term from which the student is seeking withdrawal.

If the request to take a medical leave of absence is due to physical issues, the appropriate documenting healthcare provider is a licensed medical practitioner with knowledge of the student’s past medical history and who is presently working with the student to resolve current physical health issues. The medical practitioner should be the student’s primary health care provider at the time of the request for Medical Withdrawal, and should not be a family member. If the medical situation involves emergency hospitalization, documentation from the emergency room physician or hospitalist is required in lieu of the preceding information.

If the request is due to mental health reasons, the appropriate documenting healthcare provider would be a licensed psychiatrist, psychologist or counselor with knowledge of the student’s past mental health history and who is presently working with the student to resolve the current mental health problems and should not be a family member. Taking a Medical Withdrawal of at least one full semester away from the University will enhance the likelihood of success upon the student’s return.

The student will be obligated to adhere to the requirements for returning from a medical leave (see details on Registrar’s website: http://registrar.eku.edu/withdrawal-information). The student is expected to provide documentation that the physical or mental health condition has been treated and symptoms that required withdrawal from the University are sufficiently resolved to allow the student to return to the University.

A Medical Withdrawal is designed for academic purposes, *not financial purposes,* it allows the student the opportunity to protect his/her academic standing with the University by preventing the student from failing all courses for that semester. Providing that the requested withdrawal is approved, tuition charges will be adjusted if applicable and based on the regular, published, refund guidelines for all classes, effective as of the date the completed withdrawal form was received by the Registrar’s Office.

For details on the Medical Withdrawal request process, refer to the Registrar’s website at www.registrar.eku.edu.

**INVOLUNTARY MEDICAL WITHDRAWAL**

Eastern Kentucky University may place a student on an Involuntary Medical Withdrawal for reasons of personal or community safety. The University may require a student to take medical leave of absence, if in the judgment of the Student Assistance & Intervention Team (SAIT), and in coordination with the Director of Student Health Services and/or the Director of the EKU Counseling Center, the student, (a) poses a threat to the lives or safety of himself/herself or other members of the EKU community or (b) has displayed behaviors associated with a medical or mental health condition that seriously interferes with the student’s ability to function and/or seriously interferes with the educational pursuits of other members of the EKU community.

Detailed information regarding the process for determining the necessity of an Involuntary Medical Withdrawal can be found on the Registrar’s website: www.registrar.eku.edu.

**MILITARY WITHDRAWALS FROM THE UNIVERSITY**

See Military Activation section.

**STOPPING OUT AND RETURNING TO EKU**

Students who either stop out* or officially withdraw** and are academically eligible to return to the University, may return to the University without reapplying if they have been gone for 24 or fewer months and meet the established institutional GPA (see the Good Academic Standing table on page 47). Students who have stopped out or withdrawn and who do not meet the established institutional GPA must apply for readmission and will be held to EKU readmission criteria (please refer to Requirements for Readmission section of the Catalog). All regular registration deadlines apply to stop-out students, and they should contact their last assigned advisor, or department chair of their major, to schedule an advising appointment in preparation for their return to EKU. To register for classes, students can log in to their EKU Direct account. Students with a registration hold must contact the office that applied the hold and have the hold removed before they will be able to register.

Students who stop out or are withdrawn for more than 24 months must be formally readmitted to the University by submitting a readmission application to the Office of Admissions. Refer to Section Two of this Catalog for details regarding readmission. The academic record for withdrawn students must be reactivated before they can once again register for classes.

All students who have attended another college/university since attending Eastern Kentucky University, regardless the length of their absence, must submit college transcripts.

*A student who completes a semester at Eastern Kentucky University but does not return for the following term is considered to have “stopped out.” Students must be on good academic standing to qualify for stop out.

**Students who have received a “W” grade in all classes during a semester are considered to have “withdrawn” from the University.*
Eastern Kentucky University confers the following degrees:

**Associate:**
- Associate of Applied Science (AAS)
- Associate of Arts (AA)
- Associate of Arts in General Studies (AA)
- Associate of Science (AS)
- Associate of Science in Paramedicine (AS)

**Baccalaureate:**
- Bachelor of Arts (BA)
- Bachelor of Business Administration (BBA)
- Bachelor of Fine Arts (BFA)
- Bachelor of Music (BM)
- Bachelor of Social Work (BSW)
- Bachelor of Science (BS)
- Bachelor of Science in Nursing (BSN)

**Accelerated 3+2 Dual Degree Programs:**
- Bachelor of Arts (B.A.) and Master of Arts (M.A.) 3+2
- Bachelor of Arts (B.A.) and Master of Public Administration (M.P.A.) 3+2
- Bachelor of Arts (B.A.) and Master of Science (M.S.) 3+2
- Bachelor of Science (B.S.) and Master of Public Health (M.P.H.) 3+2
- Bachelor of Science (B.S.) and Master of Science (M.S.) 3+2

**Accelerated 3+3 Degree Programs:**
- Bachelor of Arts (B.A.) and Juris Doctorate (J.D.) 3+3

**Master:**
- Master of Arts (MA)
- Master of Arts in Education (MAEd)
- Master of Arts in Teaching (MAT)
- Master of Business Administration (MBA)
- Master of Fine Arts (MFA)
- Master of Music (MM)
- Master of Public Administration (MPA)
- Master of Public Health (MPH)
- Master of Science (MS)
- Master of Science in Nursing (MSN)

**Specialist:**
- Specialist in Education (EdS)
- Specialist in Psychology (PsyS)

**Doctoral:**
- Doctor of Clinical Psychology (PsyD)
- Doctor of Education (EdD)
- Doctor of Nursing Practice (DNP)
- Occupational Therapy Doctorate (OTD)

Eastern Kentucky University offers the following programs which are registered with the Kentucky Council on Postsecondary Education. Many of these programs include approved options designed to provide a background tailored for students' individual needs. At the undergraduate level, these options are presented with the program descriptions in this Catalog. Options at the graduate level are found in the Graduate Catalog.

**PRE-PROFESSIONAL INTEREST AREAS**

New Students may declare a career interest in one of the following pre-professional areas. Each student is expected to eventually declare a degree program as their first major.

These interest areas will be used to pair the student with the appropriate pre-professional advisor.

- Pre-Dentistry
- Pre-Engineering
- Pre-Law
- Pre-Medical Sciences
- Pre-Optometry
- Pre-Pharmacy
- Pre-Physical Therapy
- Pre-Physician Assistant
- Pre-Veterinary Medicine
Minors

Eastern Kentucky University offers minors in a number of fields. Certain minors are restricted as teaching or nonteaching. Consult the index for the location of requirements for individual minors. The following minors are offered, some offering options or areas of specialization.

- Actuarial Science
- Aerospace Studies
- African/African-American Studies
- Agriculture
- American Sign Language (ASL) Studies
- Anthropology
- Appalachian Studies
- Apparel Design and Merchandising
- Applied Creative Thinking
- Applied Engineering Management
- Applied Ethics
- Archaeology
- Art History
- Art, Studio
- Asian Studies
- Aviation Administration
- Aviation Flight
- Banking and Financial Services
- Biology
- Biology, Teaching
- Broadcasting and Electronic Media
- Business
- Chemistry
- Chemistry, Teaching
- Child and Family Studies
- Coaching (Non-Teaching)
- Communication Studies
- Community Health Education (Non-Teaching)
- Computer Electronics Technology
- Computer Information Systems
- Computer Science
- Construction Management
- Criminal Justice
- Cybersecurity and Intelligence
- Design and Merchandising
- Disaster Management
- Dispute Resolution
- Earth Science, Teaching
- Emergency Medical Care
- English
- English, Teaching
- Entrepreneurship
- Environmental Health Science
- Environmental Sustainability and Stewardship
- Family and Consumer Sciences
- Fire, Arson, and Explosion Investigation
- Fire Protection Administration
- Foodservice Administration
- Forensic Science
- Game Content Design
- Geography
- Geology
- Globalization and International Affairs
- Health Services Administration
- History
- Homeland Security
- Horses, Humans and Health
- Horticulture
- Industrial Fire Protection
- Informatics
- International Business
- Land Surveying
- Legal Studies
- Managerial Communication
- Mathematical Sciences
- Mathematics
- Mathematics, Teaching
- Military Leadership
- Multimedia Journalism
- Music
- Nutrition
- Occupational Safety
- Office Administration
- Paralegal Studies
- Personal Finance
- Philosophy
- Physical Education/Non-Teaching
- Physics
- Physics, Teaching
- Police Studies
- Political Science
- Pre-Professional Health
- Psychology
- Public Administration

- Traffic Safety/Non-Teaching
- Veterans Studies
- Visual Media
- Women and Gender Studies
EKU Certificates and Professional Certification/Endorsement Programs

1. EKU Departmental Level Certificates — These certificates are awarded by the individual academic department, not the University.

- Adventure Recreation and Leadership
- African/African-American Studies
- Appalachian Studies
- Apparel Design and Merchandising
- Asian Studies
- Basic Emergency Medical Technician
- Coaching/Personal Training
- Communication Studies
- Corporate Communication
- Cyber Systems and Network Security
- Early Childhood Director
- Environmental Public Health
- Environmental Sustainability & Stewardship
- Fermentation
- Financial Literacy
- Foundations of Business Thought
- French Conversation and Culture
- German Conversation and Culture
- Global Supply Chain Management
- Health Services Administration
- Horses, Humans and Health
- Infant and Toddler Care and Education
- Informatics
- Japanese Conversation and Culture
- Labor and Employment
- Post-Graduate APRN-Psychiatric Mental Health Nurse Practitioner-Family
- Post-Masters Psychiatric Mental Health Nursing Practitioner-Family Certificate
- Professional and Technical Writing
- Public Administration
- Public Health
- Sales
- Spanish Conversation and Culture
- Technical Skills of Financial and People Management
- Transformation of Inputs to Outputs
- Tourism and Event Planning
- Veterans Studies
- Women and Gender Studies

2. EKU University Level Certificates — These certificates are awarded by the University, and students receive a formal certificate produced in the same manner as a degree diploma. Students completing these programs must apply for graduation and are assessed a graduation fee. Students earning only certificates do not receive caps and gowns and do not participate in the commencement ceremony. The university graduation fee partially offsets the production and mailing of diplomas and certificates. The University absorbs cap and gown costs for degree earners. Application deadlines for completing university certificates follow the same time line as degree graduation.

- Accounting*
- Autism Spectrum Disorders
- Communication Studies
- Corporate Security Operations
- Correctional Intervention Strategies
- Emergency Management and Disaster Resilience
- Fermentation Science
- Geographic Information Systems
- Homeland Security
- Industrial Fire Protection
- Industrial Hygiene
- Intelligence and Security Operations
- Intelligence Studies
- Land Surveying
- Post-Graduate APRN Certificate-Family Nurse Practitioner
- Post-Graduate APRN Certificate-Psychiatric Mental Health Nurse Practitioner
- Paralegal Science*
- Security Management
- Youth Services

3. Professional Certification and Endorsement Preparation Programs — These are programs of study which do not lead to a degree or to an EKU awarded recognition but instead prepare the student, upon recommendation from EKU, for professional endorsement or certification by the Commonwealth of Kentucky Education Professional Standards Board.

- Agriculture Education Teaching
- Career and Technical Education
- Career and Technical School Principal
- Public Child Welfare Certification Program
- School Safety Endorsement
- Teaching English as a Second Language (teaching certification endorsement)

*Post-Bacc. Acceptance into this program requires that the student has already earned a baccalaureate degree. For more details, see the relevant department’s sections of this Catalog or contact the department offering the certificate.

Note: This list may not be all-inclusive. For a comprehensive list of EKU certifications concerning teaching, please see the College of Education.
Online Academic Programs

E-Campus Learning

Eastern Kentucky University offers students the opportunity to earn a variety of degrees and/or certificates through EKU Online. These are well established EKU academic programs provided through online interactions, discussion boards, and engaging interactive and multi-media learning methodologies.

While the EKU Online student will have a program coordinator through the academic department offering their desired degree/certificate, EKU’s Office of e-Campus Learning serves as the primary contact for admission, financial aid, registration, degree audit, and general advising questions; centralizing all student services crucial to the distance-learning student. More information can be found at www.ekuonline.eku.edu

Online Associate Degree Programs

Associate of Arts in General Studies (For more details, see: www.ekuonline.eku.edu/eku-online-general-studies)

Associate of Applied Science in Paralegal Studies (For more details, see: www.paralegalonline.eku.edu/eku-online-paralegal-studies-aas)

Associate of Science in Paramedicine (For more details, see: http://emergencymedicalcareonlinedegrees.eku.edu/eku-online-associate-science-paramedicine-asp)

Associate of Arts in Police Studies (For more details, see: http://plsonline.eku.edu/online-police-studies-associate’s-degree)

Post-Graduate APRN Certificate-Psychiatric Mental Health Nurse Practitioner

Departmental Post-Graduate APRN-Psychiatric Mental Health Nurse Practitioner-Family

**Online Doctoral Degree Program**

Doctor of Nursing Practice (Post-MSN DNP).
(For more details, see: http://onlinenursingprograms.eku.edu/doctor-nursing-practice-post-msn-dnp.

Occupational Therapy Doctorate (OTD). For more details see: http://onlineoccupationaltherapyprograms.eku.edu)
STATE AUTHORIZATION RECIPROCITY AGREEMENT (SARA)

Kentucky is a SARA state.
Effective January 30, 2017 Eastern Kentucky University is a State Authorization Reciprocity Agreement (SARA) member. For more information on NC-SARA you may visit http://nc-sara.org/. Under the terms of SARA, EKU is operating in all other member states, also known as host states under the terms of SARA. For more information on the individual states please visit http://ekuonline.eku.edu/state-authorization-status.

NOTICE FOR PROGRAMS LEADING TO LICENSURE
EKU cannot confirm whether the course or program meets requirements for professional licensure in the student’s state. The student is advised to contact their applicable licensings board(s) to determine whether the program meets requirements for licensure in the state where the student lives.
A full list of all applicable state board contact information can be found at: http://ekuonline.eku.edu/state-authorization-status

Complaint Resolution Processes

a. Complaints against an institution operating under SARA go first through the institution’s own procedures for resolution of grievances.

b. Complaints regarding student grades or student conduct violations are governed entirely by institutional policy and the laws of the SARA institution’s home state.

c. If a person bringing a complaint is not satisfied with the outcome of the institutional process for handling complaints, the complaint (except for complaints about grades or student conduct violations) may be appealed, within two years of the incident, to the SARA portal entity in the home state of the institution against which the complaint has been lodged. That entity shall notify the SARA portal entity for the state in which the student is located of receipt of that appealed complaint. The resolution of the complaint by the institution’s home state

SARA portal entity, through its SARA complaint resolution process, will be final, except for complaints that fall under the provisions of (g), below.

d. While the final resolution of the complaint rests with the SARA portal entity in the home state of the institution against which the complaint has been lodged, the portal entity in the complainant’s location state may assist as needed. The final disposition of a complaint resolved by the Home State shall be communicated to the portal entity in the state where the student lived at the time of the incident leading to the complaint, if known to the institution’s Home State.

e. While final resolution of complaints (for purposes of adjudication of the complaint and enforcement of any resultant remedies or redress) resides in certain cases with institutions (complaints about grades or student conduct violations), or more generally with the relevant institution’s home state SARA portal entity (all other complaints), the regional compact(s) administering SARA may consider a disputed complaint as a “case file” if concerns are raised against a participating state with regard to whether that state is abiding by SARA Policies and Standards. The regional compact may review such complaints in determining whether a state under its purview is abiding by the SARA standards. Similarly, a complaint “case file” may also be reviewed by NC-SARA in considering whether a regional compact is ensuring that its member states are abiding by the SARA standards required for their participation in the agreement.

f. SARA portal entities shall report quarterly to NC-SARA the number and disposition of complaints that are not resolved at the institutional level. Such data will create transparency and can be used in determining whether a regional compact is ensuring that its SARA member states and those states’ institutions are abiding by the standards required for participation in the agreement.

g. Nothing in SARA Policies and Standards precludes a state from using its laws of general application to pursue action against an institution that violates those laws.

4.6 Oversight of complaint investigation. Complaints handled under SARA must comply with procedures established in federal rules. Investigation of a SARA-related complaint against an institution requires that a state board, agency or entity outside the institution’s immediate management be available to handle complaints that are not resolved within the institution. A system board responsible for more than one separately accredited institution may serve this role under SARA provisions. A board responsible for only one accredited institution, or which lacks enforcement authority over an institution, cannot serve as the SARA external oversight agency for such an institution. In such circumstances, the institution’s home-state SARA portal entity may serve that function.

ALABAMA

TEACHER EDUCATION PROGRAMS: Applicants for an Alabama certificate based on reciprocity must meet Alabama’s test requirements and submit a valid, renewable professional educator certificate/license issued by another state at the degree level, grade level, and in the teaching field or area of instructional support for which an Alabama certificate is sought and for which an Alabama certificate is sought and for which Alabama issues a certificate. Applicants for Alabama certification in an area of administration must also document at least three years of full-time employment as an administrator in a P – 12 school system(s). See www.alsde.edu

NURSING: State approval of a program to offer Alabama licensed nurses opportunities for advanced degrees does not indicate eligibility for approval to practice as an advanced practice nurse in Alabama. Applicants for approval in Alabama are required to meet the Alabama requirements for national certification, graduation from a specific-type program for the advanced practice approval, and completion of the appropriate application. Any program offering a pre-licensure track to Alabama students shall meet the requirements of the Alabama regulations for pre-licensure programs or the graduates may not be eligible to take the licensure examination required by the Alabama Board of Nursing to enter the practice. See www.abn.alabama.gov

OREGON

Online students residing in Oregon are eligible for refunds pursuant OAR 583-030-0015(10)(c): After classes begin for a term, a student who withdraws from a course is eligible for a partial refund through the middle week of the term. Refunds shall be based on unused instructional time and shall be prorated on a weekly basis for schools using a semester, quarter or nontraditional calendar.

Terms that are 17 weeks in length require a refund through week 9.
Terms that are 10 weeks in length require a refund through week 5.
Terms that are 8 weeks in length require a refund through week 4.
Terms that are 5 weeks in length require a refund through week 3.
Terms that are 2 weeks in length require a refund through week 1.

Partial refunds will occur through the middle week of any given term, and prorated on a weekly basis as stipulated above.
The Office of Academic Affairs

OFFICE OF THE SENIOR VICE PRESIDENT FOR ACADEMIC AFFAIRS & PROVOST

The Senior Vice President for Academic Affairs and Provost serves as the chief academic officer of the University. The Senior Vice President and Provost is responsible to the President for the coordination of all phases of the instructional program and institutional research. In addition, the Senior Vice President for Academics and Provost supervises the preparation of position specifications for instructional staff and administrative personnel connected with instructional activities; makes recommendations to the President concerning staffing needs and appointments, promotions, or dismissals for all instructional personnel and administrative personnel related to instruction; and is the person responsible for the coordination and development of all academic programs, including the Council on Academic Affairs.

ACADEMIC READINESS TESTING, AND TUTORING

Ms. Kathy Williams, Director
Whitlock Building 326
kathy.williams@eku.edu
(859) 622-2306

The Office of Academic Readiness, Testing, and Tutoring plans, implements and supports programs and services for students transitioning from high school or the workplace to the University, as well as continuing students seeking to improve academic performance and college readiness skills.

Academic Readiness, Testing, and Tutoring encompasses Academic Readiness, Academic Testing, College Readiness, Developmental Education, Tutoring, and summer and fall Eastern Bridge freshman transition programming. The unit provides program coordination, academic improvement, and transition and testing services that support the goals of current and potential students, the University community, and regional partners. Services allow students to demonstrate knowledge for purposes of admission to the University or to programs of study. In addition, programming is intended to build holistic college readiness skills for ongoing academic success and life-long learning. The unit also provides assessment to ensure appropriate course placement to maximize student success and degree completion, and coordinates tutoring efforts across campus.

Academic Readiness, College Readiness, and Developmental Education help students achieve academic success by developing or enhancing skill level proficiencies, and by fostering the holistic development of college success skills. ART&T provides opportunities for academic, social, and college readiness skill development via courses and programs designed to improve essential skills in writing, reading and mathematics; via the coordination and monitoring of University tutoring services and tutor training opportunities; and via high school-to-college transition programs that address the holistic development of new freshmen. Additional information about Academic Readiness, College Readiness, and Developmental Education may be found at www.developmentaleducation.eku.edu.

Academic Testing is responsible for the coordination, administration, and planning of academic assessments that are requested by the University, the educational community, and students. The types of testing provided by the office include national tests, state assessments, and locally developed exams, credit by examination, and non-traditional credit by examination. Special need accommodations are available upon request. Additional information about Academic Testing may be found at www.testing.eku.edu.

Academic Readiness, College Readiness, and Developmental Education courses, programs and services transition students to the University and provide new and continuing students with support for academic success. Programs and services include the developmental-level college readiness courses in English, mathematics, and reading; summer and fall semester Eastern
Bridge high school-to-college transition programs; advising and mentoring for student admitted via Success First initiatives, tutor training, and tutoring coordination. Additional information about these programs and services may be found at http://transition.eku.edu/academic-readiness-testing-tutoring

**Chautauqua Lecture Series**
Dr. Erik Liddell, Coordinator
McCreary 217
(859) 622-2267

The intellectual life of our campus and community would have been less vibrant. Our program provides campus and community members an opportunity to interact with some of the leading thinkers and activists of our time. As is often the case, these thinkers and activists inform us, engage us, challenge us, infuriate us, move us, and entertain us. With our minds refreshed and our intellectual curiosity renewed, the experience is potentially transformative. At Chautauqua events, members of the audience see how speakers from various professions and disciplines tackle provocative but vital issues. And they are encouraged to do so themselves. They see how it is possible to engage in creative, critical, but civil discourse. And they are encouraged to do the same. Our program aims to address both local concerns and global imperatives, and extend the students’ liberal arts education beyond the classroom. By striking a balance between the local and the global, we help serve the students’ regional needs. By sharpening their critical and creative thinking skills, expanding their liberal arts education, and adding an international dimension to it, we enhance their chance for success beyond Appalachia. For more information, visit www.chautauqua.eku.edu or contact Chautauqua Lecture Coordinator Dr. Erik Liddell at erik.liddell@eku.edu.

**Council on Academic Affairs**
Dr. Sherry Robinson, Vice Provost and Council Chair

The Council on Academic Affairs is the major policy-making body for the academic programs of the University. All college curriculum committees report to the Council. Major actions of the Council are reviewed by the Faculty Senate and subsequently presented to the President of the University and the Board of Regents for final approval. Council membership is comprised of the Associate Deans; the Registrar; the Vice Chair of the Faculty Senate; the Director of the Honors Program; a representative of the Chairs Association; a faculty representative from the Academic Quality Committee of the Faculty Senate; a representative from the Libraries; one student representative from the Student Government Association; the Vice President of Student Success (non-voting); the Executive Director of Retention and Graduation (non-voting), and the Director of Academic Advising (non-voting), a representative from e-campus (non-voting); and the Executive Director of Enrollment Management (non-voting). The Vice Provost serves as Chair of the Council.

**General Education**
Dr. Garett Yoder, Coordinator
NSB 3166
(859) 622-1527

The mission of the General Education program is to promote learning that is central to the intellectual pursuits associated with our educational programs and to enable students to make informed choices about matters of public and personal significance in a diverse, democratic society and global community. The general education program helps students to become informed, independent thinkers by developing competencies in communication, quantitative analysis, and critical thinking by helping them understand and appreciate the diversity of culture, individuals, the natural environment, and the global society. See Section Four of this Catalog for detailed information on courses.

**General Studies**
Dr. Amy Thieme, General Studies Coordinator
Combs 312
(859) 622-1320

**Bachelor of Arts (B.A.) General Studies**
Cip: 24.0102

The General Studies degree program is designed for adult learners and students intending to complete a baccalaureate degree whose educational objectives are not aligned with a more traditional degree program.

In addition to the baccalaureate degree requirements in Section 5 of this Catalog, the following are required for students seeking a General Studies degree:
1. The B.A. General Studies degree is intended to be a first baccalaureate degree and is not appropriate for a concurrent or secondary baccalaureate degree.
2. Any courses ordinarily accepted for credit by Eastern Kentucky University may be chosen as hours to apply to the 120 hours required for graduation.
3. In order to declare a General Studies major students must have previously earned 60 credits from a regionally accredited institution or two years or more must have lapsed since students earned any college credit.
4. Students pursuing a General Studies degree are not permitted to declare a double major.
5. Students pursuing a General Studies degree are encouraged to declare minors and/or certificates.
6. Students in the General Studies program will graduate from and be considered alumni of a specific college based on either (a) the student’s preference (If a student has at least 18 credits in a college, excluding General Education credits, then he/she may request to be affiliated with that college); OR (b) if the student has no preference, then affiliation is based on the college in which the greatest number of credits are earned (excluding General Education credits).
7. The college from which the student graduates will not be included in the degree name. Degree name on diploma will be...
Bachelor of Arts General Studies.

UNIVERSITY GRADUATION REQUIREMENTS

- General Education .................................................. 36 hours
- Student Success Seminar ......................................... 3 hours
  (GSD 101: waived for students who enter EKU with
  30+ hrs. of courses ordinarily accepted for transfer
  credit by Eastern Kentucky University)
- Writing Intensive Course (Hrs. incorporated into
  Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed
  throughout Major/Supporting/Gen Ed/Free Electives
  categories) At least 6 hrs. must be 400-level or
  higher.
- ACCT – General Studies majors may fulfill ACCT
  with any of the following options: GSD 399, or 3
  credit hours of co-op/applied learning (GSD 349), or
  a service-learning (S) course, or a college-approved
  student abroad experience, or HON 420 (Relevant
  credit hours will be incorporated into program
  requirements below.)

Total Hours University Graduation Requirement ...... 39 hours

GENERAL STUDIES

The General Studies program is intended to establish
foundational skills in critical thinking and communication. The
program is also intended to allow a student who has completed
most of the requirements of a major but has not yet completed the
major of an approved program to complete a baccalaureate degree
in a timely manner.

MAJOR REQUIREMENTS

ACCT Requirement .................................................... 3 hours
  GSD 399; Co-op; Service Learning (S) course; or
  EKU-approved Study Abroad course.
Free Electives .......................................................... 78 hours
  NOTE: General Studies students are encouraged to earn minors
  and/or certificates. Advisors will assist students with identifying
  minors and certificates.

TOTAL HOURS TO COMPLETE DEGREE .............. 120 hours

ASSOCIATE OF ARTS IN GENERAL STUDIES
(A.A.)
GENERAL STUDIES
CIP Code: 24.0102

The Associate of Arts in General Studies degree provides
students, especially adult learners, the opportunity to pursue a
flexible degree program to meet their unique interests, career goals,
and academic needs. Reflecting EKU’s commitment to a liberal
arts education, the degree allows students to concentrate in an area
of interest while selecting from a wide variety of courses to meet
personal, educational, or career goals. This degree is designed for
students for whom this will be their first college degree and who
wish to advance in their careers, change careers, pursue a lifelong
interest beyond their careers, or use the degree as a pathway to
a baccalaureate degree. Students who are admitted as “Special
Admittance/Conditional Admittance” (see page 10 of the Catalog),
will be initially admitted into the Associate of Arts in General

Studies degree program.

OPPORTUNITIES

The Associate of Arts in General Studies degree has become
more attractive with the growth of business and industry in the area
and with the increase of minimum educational requirements
for employment or promotion. In addition to those students
wishing to enhance their employability, other students will find
the program offers numerous opportunities to seek a degree for
their own personal satisfaction. The degree allows students to gain
confidence in their abilities by earning a degree at the associate
level prior to enrolling in a baccalaureate program. The associate
degree also provides opportunities for students who wish to
consolidate previously earned credits to complete their first degree.
Serving students from a varied background of college readiness,
this degree provides students a defined path to success in earning
one or more degrees. Upon successful completion of EKU’s
Associate of Arts in General Studies degree, the student will have
met all General Education requirements, which will apply toward
a four-year program at EKU or any other regional Kentucky
institution.

UNIVERSITY GRADUATION REQUIREMENTS

General Education .................................................... 36 hours
  Standard General Education program (Elements 1-6
  inclusive, per Section Four of this Catalog).
Student Success Seminar (GSD 101; waived for transfers with
24+ hours)................................................................. 3 hours
Total Hours University Graduation Requirements ...... 39 hours

MAJOR REQUIREMENTS

- Students should refer to their DegreeWorks audit for
  General Education course selections.
- Students should consult with an advisor to choose an
  appropriate General Education math course.
- AA in General Studies students must earn a institutional
  GPA of 2.0 on all work earned at EKU, as well as an
  overall GPA of 2.0 on combined transfer and EKU
  graded coursework.
- AA in General Studies students must complete at least 15
  semester hours at EKU.
- AA in General Studies students must complete an
  approved 12-hour emphasis with an overall 2.0 GPA
  within an individual college beyond the General
  Education requirement.
Core Courses .......................................................... 12 hours
  Courses are within an individual College and exclusive of
general education requirements. One of the concentrations
below may be used to fulfill this requirement
Optional Departmental Concentration .................. 12 hours
  Students may select a concentration of interest (see
  list below). Students with a declared departmental
  concentration will be advised by faculty of that
department and will be officially affiliated with that
department. The Associate of Arts in General Studies
  concentration will be reflected on the student’s
  transcript.
General Studies Exit Requirement (GSD 250)........ 0 hours
Free Electives .......................................................... 9 hours

TOTAL HOURS TO COMPLETE DEGREE ........... 60 hours
(Precise degree requirements will vary based upon
**OPTIONAL A.A. IN GENERAL STUDIES CONCENTRATIONS**

The following concentrations are available in the Associate of Arts in General Studies degree program:

Students planning to later enroll in the B.S. Homeland Security should take as part of their General Education courses EES 250 (Element 1C); STA 215 (Element 2); GEO 210 (Element 4), HIS 203 (Element 5A), and POL 100 or POL 101 (Element 5B).
Security should take as part of their General Education courses EES 250 (Element 1C); STA 215 (Element 2); GEO 210 (Element 4); HIS 103 (Element 5A), POL 100 or POL 101 (Element 5B).

**Sociology Concentration**.............................................12 hours
SOC 131, 232, and 235 and one upper-division SOC course (300 or above). These courses will count toward the B.A. Sociology degree major requirements.

**Veterans Studies Concentration**.................................12 hours
VTS 200 – Introduction to Veterans Studies (Gen. Ed. E-6). VTS 200 must be taken before beginning elective studies. After completion of VTS 200, students must take at least three courses from the list below: CDF 331; CDF 437; ENG 386W; MSL 303; PLS 375; POL 320; POL 415; PSY 308; PSY 320; SWK 440; WGS 304; VTS 350.

**Graduate Education and Research**
Dr. Jerry Pogatsnik, Associate Vice President of Research and Dean of Graduate Education
Whitlock Building 310
(859) 622-1742

The Office of Graduate Education & Research is comprised of the Graduate School, the Division of Sponsored Programs, the Office of Undergraduate Research and Creative Endeavors and the Training Resource Center. The Graduate School is responsible for the administrative oversight of EKU’s master’s specialist and doctoral programs. The Graduate School provides opportunities for undergraduate students to get a head start in obtaining a graduate degree through our concurrent enrollment and 3+2 programs. Interested students are encouraged to contact the Graduate School for more information. Additional information is also posted on the Graduate School website at gradschool.eku.edu

The Division of Sponsored Programs assists EKU faculty and staff in seeking and managing grants, contracts, and other agreements that support EKU’s mission. The Division of Sponsored Programs is also responsible for managing the university’s research compliance programs including review of the use of human subjects or animals in research and responsible conduct of research by faculty, staff and students. Information is available on the Sponsored Programs website at www.research.eku.edu.

The Office of Undergraduate Research and Creative Endeavors provides opportunities for faculty-student mentorships for the purpose of deep learning, professional skill development, and contributing to the worldwide knowledge base. The Office is dedicated to achieving high quality scholarship thorough high quality mentorship.

The Training Resource Center is an innovative, university-based service collaborative focused on improving organizations and human service systems through partnerships, training, and professional development that enhances quality of life and strengthens communities.

**Libraries**
Betina Gardner, Dean of Libraries and Chief Information Officer
Library 202A
(859) 622-1778
library.eku.edu facebook.com/ekulibraries @ekulibraries

Eastern Kentucky University Libraries includes the John Grant Crabbe Main Library, centrally located on University Drive, and two branch locations: the Elizabeth K. Baker Music Library in the Foster Building and the Business Library and Academic Commons in the Business and Technology Complex. EKU Libraries provides help, study spaces, collections, and technology designed around the academic needs of EKU’s students. EKU Libraries supports EKU regional campus and online students as well and provides a full range of services equivalent to those offered at the Main Library for these distance learners.

The Main Library offers a variety of study spaces, ranging from a large collaborative area on the first floor to the Quiet Study Zone on the very top floor. Noise levels are also monitored on the Quiet fourth floor to ensure plenty of silent space for individual study. In addition to spaces designed for quiet and group study, an outdoor area is available on the Noel Reading Porch, adjacent to the Library Plaza. Refreshments are available in the Java City Library Café or the vending machines on the first floor. To learn more about EKU Libraries’ spaces or to make a reservation, visit library.eku.edu/reserve-rooms. The Main Library is open late during the fall and spring semesters and offers 24 hour study space and extended hours at the end of fall and spring.

The Main Library also includes the Learning Resources Center in support of the College of Education; the Law Library; the Noel Studio for Academic Creativity; and Special Collections and Archives. EKU Libraries collects resources to best serve students, faculty, and staff. To search the online catalog and discover the collections of libraries worldwide, visit library.eku.edu; even if EKU Libraries does not own the item you need, library staff can get it for you when you need it.

Technology is available throughout the Main Library and branches. The Main Library includes a large computer lab and computers throughout the building, a color printer, a cloud printer, fax machine, and a 3D printer available for student use. Visit library.eku.edu/technology-showcase to explore the emerging technologies EKU Libraries faculty and staff are currently collecting.

There are many ways to get help from librarians. Virtual reference services are available online or in person and research assistance is available whether you are an online student, located at a regional campus, or taking classes at the Richmond campus. Students are invited to visit one of our Help Desks, call (859) 622-6594, text (859) 903-0848, e-mail reference.library@eku.edu, tweet @ekulibaskus, or chat with us and also check out our frequently asked questions at libanswers.eku.edu.

**The Noel Studio for Academic Creativity**
Dr. Russell Carpenter, Executive Director
Crabbe Library
(859) 622-7403
studio.eku.edu https://www.facebook.com/noelstudio/ @noelstudio

The Noel Studio for Academic Creativity serves the EKU
community as a collaborative, innovative learning experience designed to improve communication and research skills. With integrated programs in teaching and learning, undergraduate research, and applied creative thinking, the Noel Studio is dedicated to the development of effective communication skills and practices across disciplines. This program provides student support for writing, research, and oral communication and faculty development in a central, technologically sophisticated space located in the heart of the Crabbe library. In the Noel Studio, trained consultants offer individual and small-group consultations to students and members of the EKU community seeking to refine specific projects and assist students in enhancing their research and communication skills.

**Faculty Center for Teaching and Learning**

Dr. Russell Carpenter, Executive Director  
318 Crabbe Library  
(859) 622-7403  
studio.eku.edu/about-faculty-center-teaching-learning

As a unit of the Noel Studio for Academic Creativity, the Faculty Center for Teaching & Learning (FCT&L) cultivates and supports a collaborative environment for faculty-led innovation in teaching and learning to foster student engagement and success at Eastern Kentucky University. The FCT&L inspires and encourages faculty to be leaders in innovative teaching and learning by promoting five values: Exploration of new and emerging teaching approaches; Systematic reflection in the process of designing highly engaging teaching and learning experiences; Interdisciplinary collaboration across departments, colleges, and units; Transparency in teaching and learning; and Cultivation of communities among faculty learners and leaders.

**Undergraduate Research and Creative Endeavors**

Dr. Jonathan Gore, Coordinator  
Cammack 116  
(859) 622-1115

Undergraduate Research and Creative Endeavors is a collaborative program through the Office of Graduate Education and Research and the Noel Studio. URCE coordinates and promotes undergraduate research and creative endeavors at EKU, managing such events as Posters-at-the-Capitol and the University Poster Showcase. In addition, URCE assists faculty in mentoring student research projects, encouraging collaborations, publicizing the ongoing undergraduate research activities of the academic departments, developing grant proposals, and representing EKU at regional and national undergraduate research conferences. URCE also facilitates the publication of an online journal for undergraduate research, *The Kentucky Journal of Undergraduate Scholarship.*

**University Diversity Office**

Timothy Forde, Ph.D., MPH  
Vice Provost for Diversity and Chief Diversity Officer  
Jones 407  
(859) 622-6587

The University Diversity Office is responsible for the development, implementation, and evaluation of the Eastern Kentucky University Comprehensive Diversity Plan (EKUCDP). The EKUCDP was ratified by the EKU Board of Regents and is in compliance with the Statewide Diversity Policy. The University Diversity Office collaborates with EKU units in the development of their diversity plans and directs the University Diversity Faculty Recruitment and Retention Incentive Plan/Funds. The Chief Diversity Officer is EKU’s liaison to the Council on Postsecondary Education and the Committee for Equal Opportunity in support of the Commonwealth’s diversity, desegregation and equal opportunities plans for postsecondary education. The Chief Diversity Officer also co-chairs the EKU University Diversity Committee and Minority Retention Initiative Team.

**University Registrar**

Shannon Tipton, University Registrar  
Whitlock Building 239  
(859) 622-2320

The Office of the Registrar serves and supports students and faculty, as well as the larger campus community. The primary responsibilities of the Registrar include: being custodian of student academic records (ensuring their accuracy and integrity), serving as compliance specialist for federal and state regulations, and protecting overall institutional integrity by upholding the University Catalog with fairness and consistency.

The Registrar’s Office also administers the minimum scholastic standards of the University, posts transfer credit, oversees degree audit services, monitors and safeguards academic data integrity and security, determines NCAA student-athlete academic eligibility, coordinates commencement exercises, confirms degree completion, oversees production and delivery of diplomas, creates the schedule of classes and schedules all academic space. The Registrar reports directly to the Senior Vice President for Academics and Provost.

For additional information and a more detailed listing of services, please review the Registrar’s Office website at www.registrar.eku.edu. For registration assistance email: registration@eku.edu.
College of Business and Technology

Dr. Thomas L. Erekson, Dean

COLLEGE OF BUSINESS AND TECHNOLOGY

VISION
EKU’s College of Business and Technology...The College of Choice:

• Inspiring minds
• Enriching communities
• Creating leaders
• Making a difference

COLLEGE CORE VALUES

• Integrity
  Morality, ethical behavior, trust, and honesty

• Respect
  Openness and consideration of ideas, approaches, and thoughts

• Diversity
  Characterized by equitable opportunities and respect of diverse peoples, ideas, and programs

• Accountability
  Individual responsibility and responsiveness to the needs of internal and external stakeholders/others

• Inclusiveness
  Stewardship: of place, of the environment, of the region

• Excellence
  Intellectual vitality; rejection of mediocrity; a recognized standard of competence and performance as reflected by employability, enrollment demand, continuous improvement, financial support and accreditation

SCHOOL OF APPLIED SCIENCES AND TECHNOLOGY

Dr. William E. Davis, Associate Dean
Business and Technology Center 214
(859) 622-1574

EKU’s School of Applied Sciences and Technology is comprised of the Department of Agriculture; the Department of Applied Engineering & Technology; and the Department of Military Science and Leadership (Army ROTC).

DEPARTMENT OF AGRICULTURE

INTERIM CHAIR
Dr. William E. Davis
(859) 622-2228
Carter 2

Faculty
J. Domenghini, C. Hagan, A. Lawani, M. McDermott, B. Pratt, J. Settimi, and A. Sexten

The Department of Agriculture offers Bachelor of Science and Associate of Applied Science degrees in Agriculture. Concentrations in the Agriculture degree program include Agribusiness Management, Pre-Veterinary Medicine, Fruit, Vegetable, Nursery and Greenhouse Production, Animal Sciences, Agriculture Energy Systems Management, Turfgrass and Landscape Management, and Agronomy, Soils and Natural Resources. The Department also offers a joint degree program for Career and Technical Education - Agriculture Education Concentration. Minors are offered in Agriculture and Soil Science. Students may receive the Associate degree and then continue for a Bachelor degree with no loss of credit. Students must obtain a “C” average in Department classes. The Pre-Veterinary Medicine
program has an excellent veterinary school acceptance rate. More detailed information can be obtained by reading the section on Pre-Veterinary medicine.

Students have ample opportunities to personalize their education. Academic credit can be earned for Cooperative Education. Students may receive up to eight hours of Co-Op credit for the Associate Degree and 12 for the Bachelor of Science Degree. Students can also obtain credit for experiential learning in the Department’s facilities through practicum courses. In addition, students are encouraged to participate in Independent Studies with faculty mentors.

**DEPARTMENT GOALS**

The Department of Agriculture’s vision is to be the first choice of students interested in addressing issues relating to food, energy and the human environment within a sound economic framework.

The mission of the Department of Agriculture is to provide programs designed to develop leaders, entrepreneurs and educators for the global challenges in which agriculture plays a significant role. Areas of study include Pre-Veterinary Medicine, Agriculture Education, Agricultural Business, Food Production, the Human Environment, and Energy Production and Management.

Programs in the Department stress the latest technical information with applications through required laboratories and practicums at the University farms or through cooperative education. The Department operates greenhouses, fruit and vegetable plots, a plant nursery and specimen garden and turf plots to support the horticultural instruction area. The University also owns and operates approximately 1000 acres devoted to the programs in agriculture. This includes state of the art facilities for beef, dairy, swine, sheep and crop enterprises.

The Department will also provide service to the University, community, region, profession, and industry; provide opportunities for faculty/staff/student collaboration in scholarly and creative activities; and engage in continuous improvement processes to ensure its programs, services, and infrastructure are current and relevant.

EKU Farms will provide a technologically current, high quality learning environment for instruction. It will demonstrate agricultural practices and techniques that are consistent with the instructional program, are environmentally sound and have practical application. Information will also be disseminated to the regional agricultural community. EKU Farms will also promote and conduct service activities such as field days, tours, seminars, demonstrations, meetings, and open houses to serve the needs of diverse consumer groups.

**PROGRAM OBJECTIVES**

Graduates in the agriculture area are well trained for careers in many diverse aspects of agriculture such as government agencies (Kentucky Department of Agriculture, USDA, Cooperative Extension Service, NRCS), 4-H programs, soil conservation, farm management and operations, agribusiness including agriculture financial agencies/institutions, sales, feed sales, food plant supervision, retail-store management, technical service, Career and Technical Education, and the livestock industry, to name a few. Students can also continue their education in graduate school or in veterinary medicine.

**HORTICULTURE**

In the horticulture area, the abundance of hands-on practical experiences allow graduates in the horticulture programs to pursue careers in the regional and local food industry, the turf industry as golf course superintendents, sports turf managers, sales and service areas, professional landscape industry, the nursery industry, and in the greenhouse industry.

**CAREER AND TECHNICAL EDUCATION - AGRICULTURE EDUCATION CONCENTRATION**

Graduates of the BS degree program in Career and Technical Education - Agriculture Education Concentration are prepared for teaching careers in secondary schools. They are prepared to lead programs in horticulture and agriculture and to advise their chapter’s FFA members in carrying out their annual program of activities.

Numerous opportunities are available for extracurricular activities to complement the academic training. These include the Agriculture Club, Horticulture Club, Delta Tau Alpha (honorary society), student chapter of the Golf Course Superintendents Association of America, Agronomy Club, and Pre-Vet Club. Numerous local and national trips are taken to expand students’ learning experiences.

**Baccalaureate Degrees**

**Bachelor of Science (B.S.) Agriculture**

456......................................................... 9 hours
Agronomy, Soils and Natural Resources
GEO 353 .................................................3 hours
Free Electives..................................................3 hours
TOTAL HOURS TO COMPLETE DEGREE ..........120 hours

PRE-PROFESSIONAL

Pre-Veterinary Medicine Pathways

For students who have a strong interest in veterinary
medicine, the Department of Agriculture offers two concentrations
in this program of study. Each concentration is tailored to meet
the entrance requirements for either Auburn University School of
Veterinary Medicine or Tuskegee Institute School of Veterinary
Medicine.

These schools have seats specifically designated for Kentuck
residents. The student may be advised differently when applying
to other veterinary schools since entrance requirements vary. Upon
completion of the degree, the student is also awarded a Minor in
Chemistry.

Pathway 1: Pre-Veterinary Transfer Pathway – B.S. in
Agriculture

The student intends to apply and hopes to transfer to a
school of veterinary medicine after their 3rd year at EKU.
Students who intend to follow this pathway declare a B.S. in
Agriculture as their major and the pre-vet transfer option as the
concentration.

Students can then complete the B.S. degree from EKU by
transferring credits from the first year of veterinary school
back to EKU. Students not accepted after the junior year may
elect to stay at EKU and change to the concentration below
and then reapply to a school of veterinary medicine.

Pathway 2: General Pre-Veterinary Pathway – B.S. in
Agriculture

Student intends to earn a B.S. degree in Agriculture at
EKU and applies for admission into a school of veterinary
medicine. Students will typically apply to a school of
veterinary medicine during the fall of their senior year at
EKU. Students who intend to follow this pathway declare
a B.S. in Agriculture as their major and the general pre-vet
option as the concentration.

Admission into Auburn or Tuskegee Schools of
Veterinary Medicine

Kentucky is a member of the Southern Regional Educational
Board Plan under which legal Kentucky residents attend
Auburn University School of Veterinary Medicine or
Tuskegee Institute School of Veterinary Medicine. The
program is funded by an appropriation of the General
Assembly to the Kentucky Council on Post-Secondary
Education. A limited number of students who have completed
pre-veterinary requirements are selected on a competitive
basis by Auburn or Tuskegee each year and are exempt from
out-of-state tuition. Both veterinary schools have similar
entrance requirements, including a GRE examination.

Students should have a grade point average of 3.4 to be
competitive. Students need to pass all pre-veterinary required
courses with a grade of “C” or better. Courses in organic
chemistry and physics must have been completed within six
years of entry into the school of veterinary medicine. Students
applying to Auburn use the Veterinary Medical College
Application Service (VMCAS). Students apply directly
to Tuskegee. Application deadlines for both are October
1. Students are expected to gain veterinary experience by
working directly with a D.V.M.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education...........................................36 hours
• Student Success Seminar (BTO 100; waived for transfers with
30+ hrs.)..........................................................1 hour
• Writing Intensive Course (Hrs. incorporated into Major/
Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/
Supporting/Gen Ed/Free Electives categories)
• ACCT - Agriculture majors will fulfill ACCT with AGR
499 or AGR 509. (Credit hours are incorporated into major
requirements below.)

Total Hours University Graduation Requirements ...37 hours

MAJOR REQUIREMENTS
College Requirements: Professional Skills
Seminar.............................................................1 hour
AGR 305(1).

Core Courses .................................................22-24 hours
AGR 321(4), 421; AGR 499 or 509; two production classes
from AGR 255, 327(4), 328(4), 329(4), 332, or 380(4); two
animal science courses from AGR 373, 374, 375, or 376.

Core Requirements .......................................18 hours
AGR 125, 126(1), 304(4), 308, 349(3), and 411(1); one of the following: AGR 310, 350, or 440.

Additional Veterinary School Requirements...18-20 hours
CHE 361/361L, 362/362L, and 431; two classes of science electives from BIO 315(4), 320(4), 348, 546(4) or PHY 132(5). Courses listed are those required by Auburn School of Veterinary Medicine for students with a Baccalaureate degree prior to starting veterinary school.

Supporting Course Requirements...............18-20 hours
BIO(ʻElement 4) 111(4), 112(4), 331; CHE(ʻElement 4) 111/111L, 112/112L; ECO 120 (ʻElement 5B); select one class from: MAT(ʻElement 2) 120, 122 (5), 211, or 234(4); PHY 131(5).

ʻ = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education requirement above.

Free Electives..................................................3-6 hours
TOTAL HOURS TO COMPLETE DEGREE ....120-123 hours

BACHELOR OF SCIENCE (B.S.)
AGRICULTURE
Pre-Veterinary Transfer Pathway

UNIVERSITY GRADUATION REQUIREMENTS

• General Education.............................................. 36 hours
• Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.) .........................................................1 hour
• Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
• ACCT - Agriculture majors will fulfill ACCT with AGR 499 or AGR 509. (Credit hours are incorporated into major requirements below.)

Total Hours University Graduation Requirements......37 hours

MAJOR REQUIREMENTS

College Requirements ............................................ 1 hour
AGR 305 (1)

Core Courses.................................................28-29 hours
AGR 321(4) or 421, and 499 or 509; 22 hours of agriculture classes in consultation with advisor.

Core Requirements ..........................................4 hours
AGR 125, and 126(1).

Additional Veterinary School Requirements...33-36 hours
Courses listed below are those required by Auburn School of Veterinary Medicine for students transferring, without a Baccalaureate degree, prior to starting veterinary school.
CHE 112/112L, 361/361L, 362/362L, and 431; two classes of science electives from AGR 374, 375, or 376, BIO 315(4), 320(4), 348(4), 546(4), or PHY 132(5); six additional hrs of arts & humanities (beyond any taken to meet general education); six hours of social and behavioral science electives (beyond any taken to meet general education).
A six-hour sequence is required in either literature or history.

Supporting Course Requirements..............................14-16 hours
ART 200(ʻElement 3A), MUH 171(ʻElement 3A) or THE 100(ʻElement 3A); BIO(ʻElement 4) 111(4), 112(4), and 331; CHE 111/111L(4) (ʻElement 4); ENG (ʻElement 3B) 211 or 212; MAT(ʻElement 2) 120, 122(5), 211, or 234(4); PHY 131(5).

ʻ = Course also satisfies a General Education element.

Free Electives..................................................3 hours

Total Hours University Graduation Requirements....37 hours

MAJOR REQUIREMENTS

College Requirements:
BTS 300(CR only, no hours) and 400 (CR only, no hours).

Pre-Service Teacher Education Program
Career and Technical Education Requirements ....9 hours
CTE 262, 361, and 363.

Agriculture Education (includes all areas below).45 hours
Animal Science AGR 125, 126 and one class from AGR 321, 327, 328 or 380;
Agricultural Systems Management AGR 213 and one class from AGR 272, 311, 362 or 383;
Soil Science AGR 215 and one class from AGR 315, 317, or 318;
Plant Science AGR 130, 131 or OHO 131, 132 and one class from AGR 312, 417 and OHO 384 or 385;
Agriculture Business AGR 308 and one class from AGR 310, 350, 409 or 440. AGR 304, 305 (1) plus Agriculture or Horticulture electives to make 45 credit hours selected in consultation with your advisor.

Professional Education Requirements .......31 hours
EDC 300, EDF 310(1), 219, 413(2), EMS 300W (1), 474, 490(1), ESE 552, *TEC 368, and 12 credit hours of Clinical Experiences: CED 150 (0.5), 200(0), 300(0.5), 400(0.5), 450(1), 499(9).

ʻ = Course also satisfies a General Education element.

Free Electives..................................................0 hours
MAT 114 (ʻElement 2) or higher; SED 104* (ʻElement 6).

ʻ = Course also satisfies a General Education element.
included within the 36 hours in General Education.
*Course meets Professional Education Requirements.
Free Electives ............................................................ 3-10 hours
EXIT REQUIREMENT .................................................... 0 hours

PRAXIS EXAMINATION
Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to DegreeWorks for exam details. The PRAXIS exam must be taken prior to student teaching.

TOTAL HOURS TO COMPLETE DEGREE …..125 hours

Candidates earning a degree that leads to pre-service teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (http://www.kyepsb.net/assessment/index.asp AND www.ets.org/praxis).

Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams. Career and Technical Education concentrations require all pre-service students to meet the general education knowledge for initial teacher preparation requirements (see College of Education section of this Catalog).

The BS degree program in Career and Technical Education is accredited by the National Council for Accreditation of Teacher Education.

ASSOCIATE DEGREE

ASSOCIATE OF APPLIED SCIENCE (A.A.S.)
TECHNICAL AGRICULTURE
CIP Code: 01.9999

UNIVERSITY GRADUATION REQUIREMENTS
General Education ............................................................................................ 19 hours
BIO 111/111L, BIO 112/112L, CHE 101/101L, or CHE 105/105L (Element 4); ECO 120 (Element 5B); ENGL 101 OR 105 (Element 1A); ENGL 102 (Element 1B); MAT 105 (Element 2); Select three hours in Element 3A, or three hours in Element 3B.
Student Success Seminar .................................................................................. 1 hour
(BTO 100, waived for transfers with 30+ hrs.)
Total Hours University Graduation Requirements ....20 hours

MAJOR REQUIREMENTS
Core .................................................................................................................. 30 hours
AGR 130 and 131(1), or OHO 131 and 132(1); AGR 210(2), 213, 215, and 216(1); AGR 304(4) or OHO 304(4); AGR 305(1), 308, six hours of practicum, and three hours departmental electives.
Select one of the following concentrations:

Agricultural Systems Management .............................................................. 11 hours
AGR 115(2), 301(1), 362(2), 381 and 383.
Agribusiness Management ........................................................................... 12 hours
AGR 310, 350, 409 and 440.
Floriculture/Greenhouse Management ................................................... 11 hours

Landscape Horticulture ................................................................................. 11 hours
OHO 365(4); 370 or 372; OHO 391(4).
Livestock Management ............................................................................... 11-12 hours
AGR 125, 126(1) and 321(4); AGR 327(4), 328(4), 329(4), 332, or 380(4).
Turfgrass Management ............................................................................... 12 hours
AGR 362(2), OHO 351(4), 354, and 370.

TOTAL HOURS TO COMPLETE DEGREE ..........61-62 hours

*Courses meeting general education requirements.

MINORS

MINOR IN AGRICULTURE
Requirements .............................................................................................. 18 hours
A minor consists of 18 hours of agriculture classes arranged between the Department Chair and the student seeking the minor. The objective is to meet the student’s need for a minor. Six or more hours shall be upper division courses and a minimum of six hours are to be taken at EKU. Courses counted toward a horticulture major may not be counted toward a minor. Transfer classes are to be evaluated by the Department Chair.

MINOR IN SOILS
Requirements .............................................................................................. 18 hours
A core of courses consisting of 18 hours may be taken for a minor in soils. Courses are AGR 130, 131(1), 215, 216(1), 340, 345; 349(1) or 410(1), and 416. At least six hours must be taken at EKU. Transfer classes are to be evaluated by the Department Chair. No more than nine hours of course work taken toward a major may be counted toward the soils minor.

DEPARTMENT OF APPLIED ENGINEERING AND TECHNOLOGY

Chair
Dr. L. Tim Ross
(859) 622-3232
Whalin 302

Faculty

DEPARTMENT GOALS

The Department of Applied Engineering and Technology seeks to provide an educational experience relevant to current and future societal needs to meet global economic and industrial trends. Programs in Applied Engineering and Technology prepare professionals for careers in Engineering Technology Management,
Aviation, Construction and Network Security and Electronics through the Bachelor of Science degree programs; prepare technicians for careers in Applied Engineering and Computer Electronics Technology through concentrations in the Associate of Applied Science in Technology degree program; prepare professionals for careers in Career and Technical Education through Associate of Applied Science, Bachelor of Science and Master of Science degree programs; prepare professionals for advanced career opportunities in Applied Engineering and Technology Management through the Master of Science degree program; and to provide programs of quality instruction and professional services to the University and to the community.

**AVIATION**

The EKU aviation program offers a Bachelor of Science degree in Aviation with three concentrations: Aerospace Management, Aerospace Technology, and Professional Flight. These concentrations combine courses in business management, communication, math, computer science and general education. The Aerospace Management Concentration prepares students for exciting professional careers in all aspects of the aerospace industry from a management perspective whereas the Professional Flight Concentration prepares students for careers as pilots. The Professional Flight Program is an FAA Part 141 approved Flight School and the only university program in Kentucky to offer the 1000 hour restricted ATP certificate.

The Aerospace Technology (AT) degree is a degree-completion concentration. By adding upper division aerospace management and operations studies, the Bachelor’s degree AT concentration is specifically designed to complete a two-year community college degree with a heavy technical aviation course load. Examples of aviation technical degrees include Airframes & Power Plants (A&P), a two-year helicopter and/or airplane pilot flight degree, any two-year career technical (CTE) degree partnered with a local flight school, any two-year air traffic control program, and/or any two-year aerospace management program, and/or two-year Unmanned Aircraft Systems (UAS) programs. Additionally, non-degreed airline pilots with the Airline Transport Pilot (ATP) certificate may complete their bachelor’s degree with this concentration.

**CONSTRUCTION MANAGEMENT**

Graduates of the Construction Management program are prepared for careers with general contracting firms, starting in a variety of management positions. Typical entry-level positions include: assistant project manager, estimator, superintendent, project scheduler, cost engineer, and field engineer. The Construction Management program is accredited by the American Council for Construction Education. Graduates of this program will have oral, written and graphic communication skills for successful performance in a construction environment; possess functional computer skills including the utilization of general and construction application software; apply mathematical and scientific skills in the management and execution of construction projects; apply the concepts of management, accounting, economics and ethics in the management and execution of construction projects; possess a basic understanding of the science of materials and the methods by which they are placed into service; possess the essential plan reading, quantity takeoff and pricing skills to function as a junior estimator; be able to prepare a project budget, analyze cost reports and make cash flow projections for a project; be able to prepare a project schedule, monitor progress toward completion, and update the schedule as needed; possess a basic knowledge of OSHA standards and be able to establish and enforce a safety plan on a job site, be able to interpret site plans, establish horizontal and vertical control on a site, and perform layout for buildings and utilities; be able to administer situations on a project site, including evaluation of subcontractor pay requests, writing of purchase orders, and recording change orders, subcontracts, shop drawings, and daily reports; and perform in an acceptable manner in internship work assignments.

**ENGINEERING TECHNOLOGY MANAGEMENT**

Graduates of the Engineering Technology Management Program are prepared for professional careers in technology related businesses. These businesses offer many opportunities to pursue exciting, challenging and rewarding careers that require technical knowledge and managerial skills. Applied Engineering Management prepares individuals for entry-level positions that may include: manufacturing engineer, production engineer, industrial supervisor, industrial engineer, industrial technician, and quality engineer.

Graduates of Engineering Technology Management will be able to relate terminology, techniques and methodology to technical managerial concepts; demonstrate the ability to formulate and apply technical problem solving and managerial concepts; and be able to apply the concepts of mathematics and the physical sciences to solve technical problems. The BS degree program in Engineering Technology Management is accredited by the Association of Technology, Management, and Applied Engineering.

**NETWORK SECURITY AND ELECTRONICS**

Graduates of the Network Security and Electronics program are prepared for a career in the high-tech cyber-systems and computer electronics industry. Coursework in the program provides students with the knowledge and skills needed for installing, configuring, maintaining, and managing computer network systems and security, and digital electronic devices.

Graduates of this program will demonstrate proficiency in basic networking skills relevant to LAN/WAN environments, demonstrate proficiency in basic computing skills, demonstrate fundamental knowledge in electricity/electronics, and demonstrate effective communication skills while conveying information to technical and non-technical audiences. The Network Security and Electronics program is accredited by the Association of
Technology, Management, and Applied Engineering.

CAREER AND TECHNICAL EDUCATION

Engineering/Technology Education Concentration

Graduates of the Engineering/Technology Education concentration of the B.S. degree program in Career and Technical Education are prepared for teaching careers at the middle school and high school levels. An Engineering/Technology Education teacher is prepared to enjoy a career that is rewarding in many ways. The opportunity to plan and guide the learning experiences of students in the use of robots, computers and other "high tech" equipment in problem solving and production activities are rewards found in few other professions.

Graduates of the Engineering/Technology Education concentration of the Career and Technical Education program will complete a student teaching experience in a professional setting; will be able to prepare a portfolio that includes instructional material development, samples of assessment and a professional growth plan; and will be able to demonstrate technical competence in the areas of 1) basic engineering/technology, 2) civil engineering/technology, 3) electrical engineering/technology, and 4) mechanical/industrial engineering technology.

Technical Education Concentration

Graduates of the Technical Education concentration of the B.S. degree program in Career and Technical Education are prepared for teaching careers in secondary schools and post-secondary technical colleges in technical areas such as: computer electronics, computer aided drafting (CAD), graphic arts and other technical occupational areas. A concentration is also offered in Occupational Training and Development for those interested in training for business and industry.

Graduates of the Technical Education concentration of the Career and Technical Education program will be able to plan and implement instruction for technical education courses; be able to develop and analyze assessment instruments for technical education courses; be able to develop and apply appropriate teaching strategies for technical education courses; be able to complete a Practicum in Career and Technical Teaching in a professional setting; and will be able to demonstrate occupational/technical competence by obtaining discipline-specific expertise.

Occupational Training and Development Concentration

Graduates of the Occupational Training and Development concentration of the B.S. degree program in Career and Technical Education are prepared to plan and implement instruction for technical courses in a business and industry setting; are able to develop and analyze assessment instruments for technical courses; are able to develop and apply appropriate teaching strategies for technical courses; and are able to complete a Practicum in Career and Technical Teaching.

The BS program in Career and Technical Education is accredited by the National Council for Accreditation of Teacher Education.

ASSOCIATE OF APPLIED SCIENCE

The Department of Applied Engineering and Technology also offers Associate of Applied Science degree programs (two-year programs) in Technology and Career and Technical Education. The Associate of Applied Science degree in Technology offers the student a choice of technical concentration in: Applied Engineering or Computer Electronics. The AAS degree program in Technology is accredited by the Association of Technology, Management, and Applied Engineering.

ASSOCIATE OF APPLIED SCIENCE - TECHNOLOGY

Applied Engineering

Graduates of this program concentration are prepared to become applied engineering technicians who work in product design, research and development, manufacturing, and service related jobs. Students will become familiar with the technologies that are essential for business and industry wanting to remain competitive in a global economy.

Graduates will demonstrate proficiency in the fundamentals of chemistry/physics, electricity and electronics, manufacturing processes, lean, quality, practical statistical methods, and computer aided drafting or design applications to communicate and solve design problems.

Computer Electronics

Graduates of the Computer Electronics (CE) program concentration are prepared for rewarding careers as computer electronic technicians in the public and private sector. Computer Electronics program graduates are qualified to obtain jobs in a wide variety of information technology, manufacturing and service industries. These jobs require skilled technicians for installing, troubleshooting and maintaining microprocessor-based systems, programmable logic controllers, computer hardware and software.

Graduates of the CE concentration of the AAS in Technology program will demonstrate fundamental knowledge in electricity/electronics at the technician’s level; demonstrate proficiency in basic computing skills; demonstrate proficiency in basic networking skills relevant to LAN/WAN environments; and demonstrate effective communication skills while conveying information to technical and non-technical audiences.

ASSOCIATE OF APPLIED SCIENCE - CAREER AND TECHNICAL EDUCATION

The Career and Technical Education Associate of Applied Science Degree program is designed for in-service technical teachers employed in area technical centers and post-secondary technical schools. Graduates of the Career and Technical Education AAS degree program will be able to plan and implement instruction for technical education courses; develop and analyze assessment instruments for technical education courses; develop and apply appropriate teaching strategies for technical education courses; and complete a Practicum in Career and Technical Teaching.

MINORS

The department also offers minors in Applied Engineering Management, Aviation Administration, Aviation (Flight), Computer Electronics Technology, Construction Management, and Quality Assurance.

ENDORSEMENT/CERTIFICATES

A university certificate in Land Surveying, and a Career and Technical Education certificate program for in-service
technical teachers are also offered by the Department of Applied Engineering and Technology.

Baccalaureate Degrees

Bachelor of Science (B.S.)
ENGINEERING TECHNOLOGY MANAGEMENT
CIP Code: 15.1501

Graduates must have an overall GPA at or above 2.00, and 2.25 in the major with no major grade below a “C”. Transfer students will be treated on an individual basis. The Engineering Technology Management program is accredited by the Association of Technology, Management, and Applied Engineering.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education................................................................. 36 hours
• Student Success Seminar .............................................. 1 hour
  (BTO 100; waived for transfers with 30+ hrs.)
• Writing Intensive Course (Hrs. incorporated into Major/
  Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/
  Supporting/Gen Ed/Free Electives categories)
• ACCT - Engineering Technology Management majors fulfill
  ACCT with AEM 499. (Credit hours are incorporated into
  program requirements below.)

Total hours University Graduation Requirements ... 37 hours

MAJOR REQUIREMENTS

College Requirement
BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours).

Core Courses ................................................................. 34-35 hours
AEM 195, 202, 308; 310W; 332, 349(1), 407, 408, 499, CON
420, STA 215 or 270(4), and TEC 161.

Manufacturing Concentration............................................. 33 hours
AEM 201, 301, 330, 352, 371, 390, and EET 251, plus 12
hours from the following technical electives. AEM 336, 382,
383, 392, 395, 397, 506; AEM 530, or STA 585; CON 303,
EET 252, 257, 351, NET 303, 440.

Technology Concentration .................................................. 33 hours
Thirty-three hours of approved technical electives.

Supporting Course Requirements .................................. 6-9 hours
CHE 101/101L(4) (*Element 4) or 111/111L(4) (*Element 4);
ECO 130 (*Element 5B) or 230 (*Element 5B) or ACC 200;
MAT 120 (*Element 2) and 211, or six hours of higher level
MAT courses; and PHY 131(5) (*Element 4).

G = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education
requirement above. A maximum of 6 hours can apply toward
Element 4.

Exit Exam Requirement .................................................. 0 hours
AEM 467

Students must take an AEM assessment examination before
graduation. An exam fee is required.

Free Electives ............................................................... 6-10 hours

TOTAL HOURS TO COMPLETE DEGREE ........... 120 hours

Students must take an assessment examination before graduation.
An exam fee is required.

+Transfer students with an associate degree in a technical related
field may not need to take these 12 hours of electives if upper
division requirement can be completed.

Bachelor of Science (B.S.)
ENGINEERING TECHNOLOGY MANAGEMENT
AND
Master of Science (M.S.)
TECHNOLOGY MANAGEMENT
[MANUFACTURING CONCENTRATION]
ACCELERATED 3+2 DUAL DEGREE PROGRAM
CIP Code: 15.1501

Students accepted to the 3+2 Accelerated Dual Degree Program
are able to complete their B.S. degree and M.S. degree within
five calendar years because of the accelerated curriculum and
because nine semester hours of graduate coursework will apply to
both the undergraduate B.S. degree and the graduate M.S. degree.

Only undergraduate students of proven academic ability will be
considered for the program. Students should be aware that, in
order to maintain their progress in the accelerated 3+2 program,
careful coordination with their advisor is required. Depending
upon undergraduate progress at the time of the 3+2 admission, some
summer-school classes may be needed.

Admission Requirements:
Students interested in this program must satisfy all the following
conditions:
1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time
   of admission to the 3+2 program
3. Approval from department and Graduate School (see the form
   at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade
   point average (GPA) of at least 3.0 to continue in the 3+2
   program.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education................................................................. 36 hours
• Student Success Seminar (BTO 100; waived for transfers with 30+
  hrs.)................................................................. 1 hour
• Writing Intensive Course (Hrs. incorporated into Major/
  Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/
  Supporting/Gen Ed/Free Electives categories)
• ACCT Engineering Technology Management majors fulfill
  ACCT with AEM 499. (Credit hours are incorporated into
  program requirements below.)

Total Hours University Graduation Requirements ... 37 hours

MAJOR REQUIREMENTS

College Requirement
BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours).

Core Courses ................................................................. 37-38 hours
AEM 195, 202, 308; 310W; 332, 349(1), 408, 499, 706, 801,
804, STA 215 or 270(4), and TEC 161.

Manufacturing Concentration............................................. 30 hours
UNIVERSITY GRADUATION REQUIREMENTS

- General Education: 36 hours (9 supporting hours are included within the 36 hours of General Education requirements)
- Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.): 1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Aviation majors will fulfill ACCT with AVN 402. (Credit hours are incorporated into program requirements below.)

Total hours University Graduation Requirements: 37 hours

MAJOR REQUIREMENTS

College Requirement: Professional Skills Seminar
BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours).

Core Courses: 36 hours
AVN 150, 315, 325, 329W, 340, 350, 370, 390, 401, 402, 410, 460. Majors must also select one of the following concentrations:

Concentrations (select one):
- Professional Flight: 33 hours
  AVN 161 or 192 (4), 161A (1) or 192A (1), 162A (1) or 193A (1), 220 (4), 221A (1), 222A (1), 300 (2), 301A (1), 302A (1), 303A (1), 304A (1), 305 (1), 305A (1), 330, 415, 425, 435, and 480 (1).

Aerospace Management: 33 hours
ACC 201, 202, AVN 341, 360, ECO 231, GBU 204, MKT 301, and 12 hours free electives.

*Note: selecting only lower division courses may result in additional course work being needed to meet the University requirement of 42 hours of upper division credits. Students are referred to DegreeWorks to check for course pre-requisites and monitor upper division hours.

Aerospace Technology: 31 hours
AVN 360, 435, and twenty-five credit hours of aviation technical electives.

Supporting Course Requirements: 12 hours
AVN 335 or GEO 315; ECO 230 (Element 5B); MAT 112 or higher (Element 2); BIO 301 or MGT 300 or 301; PHY 101 or higher (Element 4); STA 215 or QMB 200, and CMS 100 or EES 250 (Element 1C); TEC 161.

Free Electives: 6-10 hours

TOTAL HOURS TO COMPLETE DEGREE: 120 hours

Note: VA Regulations for Aviation Courses
Students using GI Bill® benefits to fund an aviation course must complete each course and/or flight lab within one year of initial registration; failure to do so will result in the student being assigned a grade of NC (No Credit). Students using GI Bill® benefits must repay to the VA the cost (including a portion of stipends for living expenses) related to any course in which a grade of NC is earned. All student participants receiving Veterans Administration benefits have 19 calendar weeks from the date of the first flight event to complete an Aviation flight lab.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at http://www.benefits.va.gov/gibill

Aviation Flight Hours & Costs/Fees
A complete listing of aviation related fees for the current academic year is published on the EKU Aviation Flight Fees website (http://aviation.eku.edu/aviation-flight-fees), and included in materials provided by the flight instructors.

Additionally, all VA funded flight students receive this information from the EKU and Veteran Affairs during their enrollment certification process. Students should verify through their regional Department of Veterans Affairs processing office if they have questions regarding their eligibility to use VA resources to complete the requirements of the EKU Aviation program.
**MAJOR REQUIREMENTS**

College Requirements:
- BTS 300(CR only, no hours) and 400 (CR only, no hours).

---

### Pre-Service Teacher Education Program

**Career and Technical Education Requirements... 9 hours**

CTE 262, 361, and 363.

**Agriculture Education (includes all areas below)........... 45 hours**

- Animal Science .................................................... 45 hours
- AGR 125, 126 and one class from AGR 321, 327, 328 or 380; Agricultural Systems Management AGR 213 and one class from AGR 272, 311, 362 or 383; Soil Science AGR 215 and one class from AGR 315, 317, or 318; Plant Science AGR 130, 131 or OHO 131, 132 and one class from AGR 312, 417 and OHO 384 or 385; Agriculture Business AGR 308 and one class from AGR 310, 350, 409 or 440.

**Agriculture Education (includes all areas below)........... 45 hours**

- Agriculture Education (includes all areas below)........... 45 hours
- AGR 304, 305 plus Agriculture or Horticulture electives to make 45 credit hours selected in consultation with your advisor.

**Technical Education**.......................... 45 hours

45 semester hours of technical courses to be chosen in consultation with the advisor. A maximum of 18 semester hours (in CTE 204, 205, 206, 304, 305, and 306 may be allowed by proficiency examination; TEC 349* [9 hours]).

**Engineering/Technology Education**........ 45 hours

AEM 195, 201, 371, 383, CON 121, 201, 294, EET 252, NET 302, 303, TEC 161, 190, 303, 304; select three hours from AVN 150, GCM 211, TEC 102 and 141.

**Professional Education Requirements ............ 31 hours**

EDF 203(1), 219, 413(2), EMS 300W(1), 474, 490(1), ESE 552,SED 104 (Element 6), 402(2), *TEC 368, and 12 credit hours of Clinical Experiences: CED 100 (0.5), 200(0.5), 300(0.5), 400(0.5), 450(1), 499(9).

\( ^G \) = Course also satisfies a General Education element.

\( ^s \) = Course also satisfies Core or Concentration requirements

---

### In-Service Teacher Education Program

**Professional Education Core.......................... 25 hours**

CTE 164, 261, 361, 363, 364, 463(4), EDF 320, and TEC 161.

**In-Service Teacher Education/Training and Development Concentrations:**

**Technical Education.................................. 45 hours**

45 semester hours of technical courses to be chosen in consultation with the advisor. A maximum of 18 semester hours (in CTE 204, 205, 206, 304, 305 and 306 may be allowed by proficiency examination).

**Occupational Training and Development........ 45 hours**

Technical courses chosen in consultation with advisor. A maximum of 18 semester hours (in CTE 204, 205, 206, 304, 305 and 306 may be allowed by proficiency examination).

**Supporting Course.................................. 3^c hours**

MAT 114 (Element 2) or higher; SED 104* (Element 6).

\( ^G \) = Course also satisfies a General Education element.

\( ^s \) = Course also satisfies Core or Concentration requirements

**Free Electives.................................... 3-10 hours**

**EXIT REQUIREMENT.................................. 0 hours**

**PRAXIS EXAMINATION**

Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to DegreeWorks for exam details. The PRAXIS exam must be taken prior to student teaching.

---

**TOTAL HOURS TO COMPLETE DEGREE .... 120-125 hours**

**Career and Technical Education Requirements... 9 hours**

CTE 262, 361, and 363.

**Agriculture Education (includes all areas below)........... 45 hours**

- Animal Science .................................................... 45 hours
- AGR 125, 126 and one class from AGR 321, 327, 328 or 380; Agricultural Systems Management AGR 213 and one class from AGR 272, 311, 362 or 383; Soil Science AGR 215 and one class from AGR 315, 317, or 318; Plant Science AGR 130, 131 or OHO 131, 132 and one class from AGR 312, 417 and OHO 384 or 385; Agriculture Business AGR 308 and one class from AGR 310, 350, 409 or 440.

**Agriculture Education (includes all areas below)........... 45 hours**

- Agriculture Education (includes all areas below)........... 45 hours
- AGR 304, 305 plus Agriculture or Horticulture electives to make 45 credit hours selected in consultation with your advisor.

**Technical Education**.......................... 45 hours

45 semester hours of technical courses to be chosen in consultation with the advisor. A maximum of 18 semester hours (in CTE 204, 205, 206, 304, 305, and 306 may be allowed by proficiency examination; TEC 349* [9 hours]).

**Engineering/Technology Education**........ 45 hours

AEM 195, 201, 371, 383, CON 121, 201, 294, EET 252, NET 302, 303, TEC 161, 190, 303, 304; select three hours from AVN 150, GCM 211, TEC 102 and 141.

**Professional Education Requirements ............ 31 hours**

EDF 203(1), 219, 413(2), EMS 300W(1), 474, 490(1), ESE 552, SED 104 (Element 6), 402(2), *TEC 368, and 12 credit hours of Clinical Experiences: CED 100 (0.5), 200(0.5), 300(0.5), 400(0.5), 450(1), 499(9).

\( ^G \) = Course also satisfies a General Education element.

\( ^s \) = Course also satisfies Core or Concentration requirements

---

**Candidates completing the Pre-Service Teacher Education concentration must have a minimum of 2000 clock hours of planned and supervised work experience in the occupation in which they will teach or a minimum of three years of approved work experience in the occupation in which they will teach. Students must also take the PRAXIS II Specialty Examination before graduation.**

**Candidates earning a degree that leads to pre-service teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (http://www.kyepsb.net/assessment/index.asp AND www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams.**

**Those desiring eligibility to teach in pre-engineering education programs at the middle school and high school level should take the following general education courses: CHE 111, MAT 114, 120, PHY 131.**

Career and Technical Education concentrations require all pre-service students to meet the general education knowledge for initial teacher preparation requirements (see College of Education section of this Catalog).

The BS degree program in Career and Technical Education is accredited by the National Council for Accreditation of Teacher Education.
Supporting Course Requirements........................... 24 hours
ACC 201; AEM 310W or CCT 201; AEM 408 or MGT 301; ECO 230 (*Element 5B), GBU 204, and GLY 108 (*Element 4); MAT 120 (*Element 2), 211, and 217(1) or seven hours of higher level MAT courses; PHY 131(5) (*Element 4), TEC 161, and three hours of ACC, CCT, CIS, ECO, FIN, GBU, RMI, MGT, MKT, QMB, or RST electives* as approved by major advisor**.

= Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above. A maximum of six hours will count toward Element 4.
*Business electives may be upper or lower division as necessary in order to complete upper division requirement.
** Students wishing to pursue the Minor in Business must confer with their major advisor to make substitutions to the supporting course requirements. QMB, RMI, and RST courses do not apply to the Minor in Business.

Exit Exam Requirement:
Students must take a construction assessment examination before graduation. An exam fee is required.

TOTAL HOURS TO COMPLETE DEGREE .......... 120 hours

The Construction Management program is accredited by the American Council for Construction Education.

Bachelor of Science (B.S.)
NETWORK SECURITY AND ELECTRONICS
CIP Code: 15.1299

UNIVERSITY GRADUATION REQUIREMENTS
• General Education............................................. 36 hours
• Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.) .................................................... 1 hour
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Network Security and Electronics majors will fulfill ACCT with NET 499. (Credit hours may be incorporated into Major or Supporting requirements)

Total hours University graduation requirements.... 37 hours

MAJOR REQUIREMENTS

College Requirement: Professional Skills Seminar
BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours).

Core Courses .................................................. 40 hours
AEM 352, EET 253, or 351; EET 251, 252, and 257; NET 302, 303, 343, 344, 349(1), and 354; NET 395 or 440; NET 403, 454, and 499.

Supporting Courses ......................................... 30-36 hours
AEM 202, 407, and 408; AEM 310 or 310W; CHE 101/101L or higher (*Element 4); CSC 160, and three hours of higher CSC courses; ECO 230 (*Element 5B); MAT 114 or higher; MAT 120 (*Element 2); PHY 101 or higher (*Element 4); STA 215 or 270; TEC 161, and three hours of ACC, AEM, CCT, CIS, FIN, GBU, MGT, MKT, QMB, or RMI electives as approved by major advisor.

Free Electives.................................................. 7-13 hours
(Up to three semester hours of Upper Division courses, including Cooperative Education, may be needed for meeting the 42 hour requirement.)

Exit Requirement ............................................. 0 hours

Accelerated 3+2 Dual Degree Program
CIP Code: 15.1299

Students accepted to the 3+2 Accelerated Dual Degree Program are able to complete their B.S. degree and M.S. degree within five calendar years because of the accelerated curriculum and because nine semester hours of graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

Admission Requirements:
1. Students interested in this program must satisfy all the following conditions:
2. Junior or Senior standing
3. Overall grade point average (GPA) of at least 3.0 at the time
of admission to the 3+2 program
4. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
5. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 program.

MINORS

MINOR IN AEROSPACE MANAGEMENT
Aviation Program
Requirements ..................................................... 18 hours
   A student may minor in aerospace management by completing a minimum of 18 semester hours as follows: AVN 150, 315, 340, 350, 460, and three hours of approved electives.

MINOR IN APPLIED ENGINEERING MANAGEMENT
Requirements .................................................... 18 hours
   TEC 190, AEM 201, 202*, 308, and six hours of AEM upper division electives. No more than nine hours of courses taken for a major may be counted toward this minor.
   *MAT 114 or higher and STA 215 or 270 are prerequisites for AEM 202.

MINOR IN AVIATION (FLIGHT)
Aviation Program
Requirements .................................................... 23 hours
   A student may minor in aviation (flight) by completing a minimum of 23 semester hours as follows: AVN 150, 192, 192A, 193A, 220, 221A, 222A, 300; 315; GEO 315.

MINOR IN COMPUTER ELECTRONICS TECHNOLOGY
Requirements .................................................... 18 hours
   EET 251, 252, (EET 253 or 351 or AEM 352), NET 302, 303, and (NET 343 or NET 354 or 395 or upper-division NET course approved by advisor). Prerequisites may be required for some course selections.

Exit Exam:
   Students must take an assessment examination for completing the minor. NET 367b (CR only, no hours)

MINOR IN CONSTRUCTION MANAGEMENT
   The Construction Management minor provides technical and managerial knowledge about the construction industry. It is an appropriate supplement to a student who is majoring in a profession affiliated with construction. This minor is particularly relevant to students majoring in business, insurance, management, manufacturing, and marketing.

Requirements .................................................... 21 hours
   CON 121, 201, 202, 294, 323, 324, and 421. No more than nine hours of courses taken for a major may be counted toward this minor.

MINOR IN LAND SURVEYING
   Designed to prepare students to take the Fundamentals of Land Surveying Examination (administered by the Kentucky State Board of Licensure for Professional Engineers & Land Surveyors) upon completion of the core curriculum in land surveying or during final year in a Baccalaureate Degree program if twelve (12) hours or more of the core curriculum in land surveying have been completed. This minor program includes all requirements of the core curriculum in land surveying.

Requirements .................................................... 21 hours
   CON 221, 294, 320, 321; GEO 353, 425, 455. Non-Construction Management majors must also take GBU 204.

MINOR IN QUALITY ASSURANCE TECHNOLOGY
   Requirements .................................................... 18 hours
   STA 215 or 270, AEM 202, 332, 336, 506, and 530 or STA 585. No more than nine hours of courses taken for a major may be counted toward this minor.

CONCENTRATIONS

APPLIED ENGINEERING AND TECHNOLOGY
CONCENTRATION IN THE ASSOCIATE OF ARTS IN GENERAL STUDIES DEGREE
   See page 83 of this Catalog for the Applied Engineering and Technology Concentration requirements listed in the Associate of Arts in General Studies degree section.

COMPUTER NETWORKING SYSTEMS CONCENTRATION IN THE ASSOCIATE OF ARTS IN GENERAL STUDIES DEGREE
   See page 83 of this Catalog for the Computer Networking Systems Concentration requirements listed in the Associate of Arts in General Studies degree section.

ELECTRICITY AND ELECTRONICS CONCENTRATION IN THE ASSOCIATE OF ARTS IN GENERAL STUDIES DEGREE
   See page 83 of this Catalog for the Electricity and Electronics Concentration requirements listed in the Associate of Arts in General Studies degree section.
DEPARTMENTAL CERTIFICATE IN CYBER SYSTEMS AND NETWORK SECURITY

This certificate program will enhance technical competencies, including the knowledge, skills, and work practices, used for securing networked cyber systems. For students interested in continuing their studies at the Baccalaureate level, all of the courses in this certificate may be used as part of the BS degree program related to computer/cyber systems Network Security & Electronics.

Requirements ....................................................21 hours
EET 252; NET 302*, 303*, 343, 354, 403; (NET 395 or EET 351)
*Prerequisite of a computer Applications course such as TEC161, INF 104, or CIS 212.

UNIVERSITY CERTIFICATE IN LAND SURVEYING

The curriculum for the Land Surveying Certificate is aimed at students who have, or are pursuing, a four-year degree in a program other than land surveying from a college or university of recognized standing. This certificate program includes all requirements of the Kentucky core curriculum in Land Surveying. Upon completion of this curriculum, students will receive a certificate permitting them to take the Kentucky Fundamentals of Land Surveying Examination.

Requirements........................................................................24 hours
CON 221, 294, 320, 321; GBU 204; GEO 353, 425, 455.

CAREER AND TECHNICAL EDUCATION PROFESSIONAL CERTIFICATION*

Enrollment in this program is restricted to those who are currently employed as technical teachers and required to become certified as teachers of Career and Technical Education: Industrial Education.

General Education Requirements ................................20 hours
ENG 101, 102; MAT 114; three hours of General Education humanities, three hours of General Education social science and five hours of General Education electives.

Professional Education Requirements .........................22 hours
CTE 164, 261, 361, 363, 364, 463 (4 hrs.); EDF 319 or SED 104.

Major Requirements....................................................24 hours
TEC 161 and 21 hours chosen from the technical area, or related to the area, in which the individual is teaching, as approved by the advisor. Eighteen hours may be allowed by proficiency examination (CTE 204, 205, 206, 304, 305, and 306). Nine hours by proficiency examination may be applied to the Associate Degree and 18 hours to the Bachelors Degree in Career and Technical Education.

Total Curriculum Requirements ..................................66 hours

*Based on recommendation from EKU, Certificate is awarded by the Education Professional Standards Board.

DEPARTMENT OF MILITARY SCIENCE AND LEADERSHIP (ARMY ROTC)

Chair
LTC Jerimiah Corbin
(859) 622-1205
Begley 524

Military Science and Leadership Faculty and Staff
Lieutenant Colonel Jerimiah Corbin, Captain Chad Cassidy, Captain Joshua Pitcher, Master Sergeant Michael Nicolaus, Sergeant First Class Benjamin Rugg, Josh Birchfield, Scholarship & Enrollment Officer Eric Sheaks, Program Administrator Rob Roane and Administrative Assistant Claire Jennings

Reserve Officer Training Corps (ROTC)

Getting a degree does not necessarily guarantee employment, however, taking Army ROTC will. The Reserve Officer Training Corps (ROTC) is a premier leadership-training program that prepares you to be a leader in any organization or business. ROTC enhances any Bachelors or Masters Degree program by making you better at time management, setting goals, making decisions, building teams, influencing others, and achieving success. The skills you develop in ROTC give you an advantage over your job-seeking peers; and at the end of the program you will have a full-time job waiting for you as a Commissioned Officer in the United States Army or part time in the Army Reserve or National Guard.

Career Opportunities

Students who graduate from Eastern’s Army ROTC program are commissioned as Second Lieutenants and serve with other dedicated young men and women in our nation’s defense. As new Lieutenants, officers serve in a variety of branches, such as Aviation, Armor, Infantry, Transportation, Military Police, Engineers, as Army Nurses, to name but a few, and have the opportunity to travel worldwide. Starting salary for an active duty Lieutenant is over $40,000, plus full individual and family medical coverage and 30 days paid vacation annually. For those who desire only a part-time commitment, the Guaranteed Reserve Forces Duty option gives students assurance they will be able to serve their country from home, adding stability to their chosen civilian career.

Leadership Development

EKU’s Department of Military Science and Leadership has a proud reputation dating back to 1936. The program has commissioned over 2,200 officers. The program’s unique approach to leadership development gives each student multiple opportunities to refine their own leadership skills and receive individualized performance feedback. Training is designed around a hands-on, experiential learning curriculum. Besides learning how to lead, students build their confidence by learning to rappel, negotiate EKU’s Challenge Course, fire the M-16 rifle and/or M-4 Carbine, complete water survival training, and other adventure type activities. Students also learn to live the seven Army Values – Loyalty, Duty, Respect, Selfless Service, Honor, Integrity, and Personal Courage by demonstrating these values as they participate in the Cadet Battalion, the Pershing Rifles Drill Team/Color Guard, Ranger Company, and Raider Team.
Scholarships and Simultaneous Membership

Eligible students may compete for a variety of ROTC Scholarships available on-campus and through the Army Reserves and Army National Guard. These fully funded scholarships pay 100% tuition, a $1,200 annual book allowance, and a monthly tax-free living allowance. Four-year scholarship students also receive fee room and board. Members of the National Guard or Army Reserves who join ROTC under the Simultaneous Membership Program (SMP) may also receive a monthly SMP Kicker in addition to the tax-free ROTC living allowance, Montgomery GI Bill® benefits, and E-5 drill pay.

Eligibility and Obligations

Students may enroll in any of the MSL 100-200 level courses without obligation. Students who desire to seek a commission must sign a contract before entering the Advanced Leadership Course (MSL 300-400 courses); they must also meet certain age, physical fitness, medical, citizenship, security clearance and military experience requirements. Military experience can be satisfied in a variety of methods (check with the ROTC Scholarship and Enrollment Officer at (859) 622-1215 for details). Students contracting into the Advanced Leadership Course will incur a military service obligation upon graduation.

Scholar-Athlete-Leader

Becoming an Army Officer doesn’t just happen; it requires a level of commitment, determination, and selflessness that few civilian careers will ever demand. Army Officers are intellectually curious, mentally adroit, physically robust, and possess a willingness and passion to take charge and make the right things happen. If you are a Scholar-Athlete-Leader who wants to join the world’s most sophisticated Army, then join EKU ROTC—“Where Leadership Excellence Begins.”

MINOR

MINOR IN MILITARY LEADERSHIP (ARMY)

Requirements

A minor in Military Leadership is available to students from any College who wish to obtain a commission as an officer in the United States Army, Army Reserve, or Army National Guard. Students must satisfactorily complete both the Basic Course and the Advanced Course requirements. The Basic Course requirement is to complete either 1) Basic Training or 2) The Basic Camp or 3) MSL 101, 102, 201, and 202, or four years of JROTC. The Advanced Course requirement is 21 hours of advanced military science and leadership (MSL 301, 302, 303, 310, 401, 402).

AIR FORCE RESERVE OFFICER TRAINING CORPS

AIR FORCE ROTC SCHOLARSHIPS

The types of financial assistance available through Air Force ROTC are briefly described below. For further details on eligibility and requirements, contact the Department of Aerospace Studies, 203 Barker Hall, University of Kentucky, Lexington, KY, 40506-0028, (859) 257-7115; or visit https://afrotc.as.uky.edu/for more information. Additional information is also listed in this Bulletin under Aerospace Studies.

High School Scholarship Program (HSSP). Scholarships are available to those qualified and selected students who enroll in the Air Force ROTC program. These scholarships cover tuition and laboratory fees, provide an allowance for books, and provide a graduated nontaxable subsistence allowance ranging from $300 to $500 per month. Qualified high school students can apply for four-year Air Force ROTC scholarships. Applicants for four-year scholarships are evaluated on the basis of the following criteria: a composite score on the ACT, or a composite score on the SAT; the applicant’s high school academic record; class ranking; extracurricular and athletic activities; personal interview; and ability to qualify on an Air Force medical examination. High school students who meet the basic eligibility requirements for a four-year scholarship must submit an application anytime May 1st through December 1 of the year prior to enrollment in the program (usually the spring of their Junior year into the Fall of their Senior year).

All selections for four-year scholarships are made at Air Force ROTC headquarters. Students meet regularly scheduled boards from September to February (which is dependent upon when they officially apply). High school students should apply online at: www.afrotc.com. For additional information, contact the Air Force ROTC detachment, 203 Barker Hall, University of Kentucky, Lexington, KY 40506-0028, or by phone at (859) 257-7115.

In College Scholarship Program (ICSP). Scholarships are awarded to students enrolled as cadets currently in the Air Force ROTC program on a competitive basis. Depending on the particular scholarship program, selection may be made on campus by the Air Force ROTC detachment commander or at Air Force ROTC headquarters. Scholarships may be awarded for up to three and a half years of study. Students interested in these scholarships should call (859) 257-7115 for the latest information. Freshman Students are not eligible for an ICSP until they have completed one full-time semester of college education. Typically Freshman ICSP scholarships will be given starting Spring Semester of their freshman year, and students in the program could be awarded a scholarship from Spring Semester freshman status through Spring
Semester sophomore status.

Furthermore, the HQ AFROTC ICSP is an in college scholarship program available to students pursuing a degree in a critical areas needed by the Air Force. These scholarships can be up to three and a half years. These scholarships are awarded on a competitive basis for those who qualify. ICSP scholarships have historically been awarded to cadets pursuing academic majors in electrical and computer engineering, nursing, and certain foreign language studies. Selections for these particular in college scholarship program are made at Air Force ROTC headquarters. Critical areas are updated every year and are subject to change without notice. For current information, call (859) 257-7115. Information is current as of January 2015 and is subject to change.

AEROSPACE STUDIES (AIR FORCE ROTC)

The Department of Aerospace Studies provides a campus education program through which qualified students can simultaneously earn an Air Force commission and a college degree. Faculty members are experienced, active duty Air Force officers with advanced degree.

Admission to the Program
• Non-scholarship freshmen and sophomores may register for Air Force Studies (AFS) courses without incurring a military commitment.
• Students with a minimum of five semesters of school remaining in a graduate or undergraduate status may qualify for Air Force ROTC. For more information, call (859) 257-7115.

Requirements
• An academic major in aerospace studies is not offered. However, by successfully completing the Air Force ROTC program, a qualified student may concurrently earn a commission as an active duty Air Force Second Lieutenant while completing requirements for a degree. Students may enroll in some Aerospace Studies courses without joining the Air Force ROTC cadet corps. For more information, call (859) 257-7115.

AFROTC Curriculum
The AFROTC curriculum consists of both academic classes and leadership laboratory or seminar classes.
• The General Military Course (GMC) is a two-year course normally taken during the freshman and sophomore years.
• The Professional Officer Course (POC) is a two-year course normally taken during the junior and senior years. Along with academic classes each semester, all cadets also take leadership laboratory classes.

In the GMC, there are four academic classes:

Freshman Semesters
• AFS 111 offered in Fall semesters
• AFS 113 offered in Spring semesters

Sophomore Semesters
• AFS 211 offered in Fall semesters
• AFS 213 offered in Spring semesters

These cover two main themes – the development of air power and the contemporary Air Force in the context of the U.S. military organization. The GMC academic classes are open to any UK student.

In the POC, there are four academic classes:

Junior Semesters
• AFS 311 offered in Fall semesters
• AFS 313 offered in Spring semesters

Senior Semesters
• AFS 411 offered in Fall semesters
• AFS 413 offered in Spring semesters

These cover Air Force management and leadership and national security studies.

NOTE: Entry into the POC years is competitive and is based on
• Air Force Officer Qualifying Test scores
• Grade-point average
• Evaluation by the AFROTC Detachment Commander
• Only physically qualified students in good academic standing may compete for entry into the POC.
• Typically, these courses are for those cadets who have already completed the courses in the GMC, but the courses are open to any UK students.

Students enrolled as cadets are required to be involved once a week in a 1-credit-hour course in the cadet corps training program designed to simulate a typical Air Force organization and its associated functions. This course is known as Leadership Laboratory. Cadets are required to take all of the Leadership Laboratories each semester (fall and spring only) concurrent with their AFS courses listed above. UK students taking the courses electively are not required to take Leadership Laboratory but are also welcome. If there are questions please refer to 859-257-7115 for further inquiries on the matter.

GMC Years:
Freshman Semesters
• AFS 112 (Fall)
• AFS 114 (Spring)

Sophomore Semesters
• AFS 212 (Fall)
• AFS 214 (Spring)

POC Years:
Junior Semesters
• AFS 312 (Fall)
• AFS 314 (Spring)

Senior Semesters
• AFS 412 (Fall)
• AFS 414 (Spring)

The leadership laboratories are largely cadet-planned and conducted under the concept that they provide leadership training experiences that will improve the cadets’ capabilities as Air Force officers. This also involves three hours of physical training each week. Leadership laboratory is open to students who are members of the Air Force Reserve Officer Training Corps or are eligible to pursue a commission as determined by the Air Force ROTC Detachment Commander.

Field Training
Field training is offered at Maxwell Air Force Base in Alabama.
Students receive officer training and leadership development with other students. Simultaneously, the Air Force has an opportunity to evaluate each student as a potential member of its officer corps. Field training courses include cadet orientation, survival training, officer training, aircraft and aircrew orientation, physical training, organizational and functional aspects of an Air Force base, career orientation, small arms familiarization, first aid, and other supplemental training.

**Scholarships**

Students interested in AFROTC scholarships should refer to the Student Financial Aid, Awards, and Benefits section of this Bulletin or call (859) 257-7115. Information is subject to change.

---

**SCHOOL OF BUSINESS**

**Dr. Patricia Isaacs, Interim Associate Dean**  
Business and Technology Center 214  
(859) 622-1574

EKU’s School of Business is comprised of the Department of Accounting, Finance, and Computer Information Systems; the Department of Management, Marketing, and International Business; and the Master of Business Administration Program.

**MISSION OF EKU’S SCHOOL OF BUSINESS**

The School of Business creates value for our region and beyond by preparing students for successful careers in the global community. We are a school of opportunity providing a student-centered learning environment with unique and specialized business programs. Our faculty maintain expertise in their content areas through professional engagement, and quality basic, applied and pedagogical research.

**VISION OF EKU’S SCHOOL OF BUSINESS**

To be known for graduating the most coveted business students in the region.

**GOALS OF EKU’S SCHOOL OF BUSINESS**

- Provide high quality teaching
- Provide excellent advising services
- Recruit and retain faculty members who are academically or professionally qualified as defined by AACSB
- Emphasize its commitment to stewardship of place by increasing partnerships, student projects, and involvement with business, community, and educational entities

Graduates of EKU’s School of Business (the undergraduate and graduate programs in business administration at Eastern Kentucky University) have joined the ranks of the nation’s top business schools. EKU’s School of Business, located in the College of Business and Technology, has received accreditation by the Association to Advance Collegiate Schools of Business International (AACSB) for its undergraduate and graduate programs in business administration. Less than five percent of the world’s business schools have achieved this elite distinction.

AACSB International accreditation represents the highest standard of achievement for business schools worldwide and is the hallmark of excellence in business education. Institutions that earn accreditation confirm their commitment to quality and continuous improvement through a rigorous and comprehensive peer review. Founding members of the agency include many Ivy League Schools, including Columbia, Cornell, Dartmouth, Harvard and Yale; and such top-ranked schools as the University of California at Berkeley, the University of Chicago and Northwestern also hold AACSB accreditation.

To achieve accreditation, EKU’s School of Business satisfied a wide range of quality standards related to strategic management of resources, interactions of faculty and students in the educational process, and achievement of learning goals in degree programs.

**BETA GAMMA SIGMA**

Founded as a national organization in 1913, Beta Gamma Sigma is an international honor society that provides the highest recognition a business student anywhere in the world can receive in an undergraduate or master’s program at a school accredited by AACSB International. With the global expansion of accreditation by AACSB International, membership is no longer limited to those who have studied in the U.S. or Canada.

The mission and objectives of Beta Gamma Sigma are to encourage and honor academic achievement in the study of business and personal and professional excellence in the practice of business, to foster an enduring commitment to the founding principles and values of honor and integrity, to encourage the pursuit of wisdom and earnestness, to support the advancement of business thought and practice to encourage lifelong learning, and to enhance the value of Beta Gamma Sigma for student and alumni members in their professional lives.

To be eligible for Beta Gamma Sigma, students must be in the top seven percent of the junior class, top ten percent of the senior class, or the top 20 percent of the MBA program.

**BACHELOR OF BUSINESS ADMINISTRATION IN RISK MANAGEMENT AND INSURANCE DEGREE REQUIREMENTS**

General University requirements, as well as specific course requirements set forth in the description of curricula, must be met by students completing associate and baccalaureate business programs administered by the College of Business and Technology. See programs under each department for major requirements. Student Success Seminar (BTO 100) is required in all Business programs. The requirements for the Bachelor of Business Administration (BBA) in Risk Management and Insurance degree is as follows:

1. An institutional 2.0 GPA must be maintained in all work taken in the BBA Risk Management and Insurance program.
2. Hours earned by correspondence study are accepted upon written approval of the Dean. However, not more than 25 percent of the total hours applied toward a degree may be earned via correspondence or telecourse instruction, military credit, or credit by examination.
3. To ensure the integrity of business programs to provide
a sound overall educational experience, not more than 50 percent of undergraduate course work shall be completed in the EKU’s School of Business programs. However, up to nine semester hours of economics and up to six semester hours of mathematics/statistics will not be included in this 50 percent. Decisions to allow students to take more than 50 percent of undergraduate course work within EKU’s School of Business will be made judiciously.

4. At least 50 percent of the business course credit hours required for the BBA Risk Management and Insurance degree must be completed at EKU.

5. The BBA Risk Management and Insurance degree will only accept credits for business courses at the upper division level transferred from other colleges and universities accredited by the Association to Advance Collegiate Schools of Business International (AACSB). As completely as possible, it will apply these credits to the student’s degree program. To ensure that they earn appropriate credits, students are strongly advised to see the College of Business and Technology Advising Office and also obtain the Dean’s approval prior to enrolling in any course work they plan to transfer. The University will not take responsibility for courses transferred without prior approval.

6. A “C” or better is required for the BBA program in Risk Management and Insurance degree in the following courses: (See specific degree requirements for each major)

**BACHELOR OF BUSINESS ADMINISTRATION IN RISK MANAGEMENT AND INSURANCE**

**BBA Supporting Courses:** CIS 212 or INF 104, ECO 230 and 231, MAT 112 or 211, and PSY 200 or 200W or SOC 131.

**BBA Pre-Business Core:** ACC 201, 202, GBU 204, and QMB 200.

**BBA Core:** CCT 300W, CIS 300, FIN 300, GBU 480, MGT 300, 370, and MKT 300.

**PREREQUISITE STRUCTURE IN EKU’S SCHOOL OF BUSINESS**

EKU’s School of Business curriculum is highly structured and carefully integrated. The content and methodology utilized in upper-division courses are based upon the assumption that students enrolled in these courses have matriculated through a specific series of lower-division courses which provide students with competencies needed for successful participation in upper-division business courses.

**ENROLLMENT IN UPPER-DIVISION EKU’S SCHOOL OF BUSINESS COURSES**

To enroll in the following upper-division business-core courses (CCT 300W, CIS 300, FIN 300, MKT 300, MGT 300, 370, and GBU 480) students must have:

1. completed ACC 201, 202, and ECO 230 with a grade of “C” or better in each course;
2. completed a minimum of 60 hours (or enrolled in enough additional course work to complete their 60th credit hour) with an institutional 2.0 GPA; and
3. met all specific prerequisite(s) for each course.

To enroll in other upper-division business courses, students are required to have met the specific prerequisite(s) for each course and have earned an overall 2.0 GPA. Students majoring in other departments whose planned curriculum includes selected business courses (by virtue of agreements of sponsoring departments with a business program) must also adhere to all specified course prerequisites. Students majoring in programs other than business cannot earn more than 25 percent of their total degree requirements in courses with business prefixes.

**Course Repeat Policy**

Courses may be repeated once. Second or subsequent repeats (maximum of three enrollments) must be requested on a College Exception form approved by the Dean of the College. Exceptions will only be considered under unusual circumstances. An enrollment is counted as a repeat if a previous enrollment in the course resulted in a passing or failing grade or a “W” due to withdrawing from the course.

**BACHELOR OF BUSINESS ADMINISTRATION IN RISK MANAGEMENT AND INSURANCE**

The Department of Accounting, Finance, and Information Systems provides a Bachelor of Business Administration in Risk Management and Insurance which offer unique programs of study. The BBA in Risk Management and Insurance is the only undergraduate insurance degree in Kentucky. Students in this program must meet prerequisites as noted.

**TRANSFER STUDENTS AND STUDENTS FROM OTHER EKU COLLEGES**

BBA and BS program requirements for transfer students are the same as those for students enrolling initially at EKU. Transfer students must have completed at least 60 semester hours of course work and all the requirements listed above to be eligible for upper-division business courses.

EKU’s School of Business considers lower-division credits transferred to EKU as lower division, even if EKU offers what appears to be a comparable course at the upper-division level. However, the dean of the College of Business and Technology may accept individual courses at EKU if the courses are validated using acceptable validation techniques. CLEP® and departmental exams are examples of possible validation techniques. With specified courses in real estate and accounting, the successful completion of advanced courses in the subject field for which the transfer course is a foundation or supporting requirement is an acceptable validation method. A successfully validated lower-division transfer course may not be utilized to fulfill the 43-hour upper-division graduation requirement.

**CERTIFIED PUBLIC ACCOUNTANT (CPA)**

The Kentucky legislature has mandated that students taking the CPA exam in the year 2000 and thereafter must have completed 150 semester hours. Therefore, accounting graduates seeking the CPA designation will need to complete additional undergraduate or graduate hours.

Free Electives (non-business courses) ..................... 11 hours

TOTAL HOURS TO COMPLETE DEGREE ................. 120 hours
Minor in Risk Management and Insurance

The minor consists of 18 hours including three hours of a required accounting course, nine hours of required Risk Management and Insurance courses and six hours of approved Risk Management and Insurance electives.

Students must earn at least 12 of the 18 hours used for the minor in residence at EKU and must maintain a cumulative GPA of 2.0 in all courses comprising the minor.

Requirements.................................................................18 hours
ACC 201, RMI 370, RMI 372, RMI 374, plus six hours of approved upper-division (300 or 400 level) RMI electives.

Minor in Personal Finance

Designed to prepare students to make informed financial decisions regarding investments, mortgages, loans, retirement planning, etc. Students minoring in personal finance must earn at least 12 of the total hours of all courses at EKU and maintain a cumulative GPA of 2.0 in all courses comprising the minor. This minor includes the following courses:

Requirements
ACC 201, 322; FIN 201, 311, 324; RMI 370
Total Requirements..........................................................18 hours

Certificate in Accounting

The Certificate in Accounting is designed to prepare individuals who have a bachelor’s degree in another field for entry into the accounting profession. This program satisfies the Kentucky requirement that individuals taking the CPA Exam have a bachelor’s degree in accounting or the equivalent.

Requirements include: a bachelor’s degree from an accredited college or university, at least 15 of the 30 hours in the major requirements must be earned at EKU, students pursuing the Certificate in Accounting must earn a “C” or better in all courses comprising the certificate, and completion of the following courses:

Supporting Course Requirements.........................15 hours
CIS 212 or INF 104, ECO 230, and GBU 204; MAT 112 or 211; QMB 200.

Major Requirements.............................................27 hours
ACC 201, 202, 251, 301, 302, 322, 327, 441, and three hours from 300-500 level Accounting courses.

Total Curriculum Requirements..........................42 hours

Certificate in Financial Literacy

The Certificate in Financial Literacy prepares students for training youth and adults for their financial literacy needs. This certificate includes 12 hours of required courses.

Requirements.........................................................12 hours

Supporting Course Requirements.......................9 hours
CIS 212 or INF 104; ECO 230 (G Element 5B), and 231; MAT (G Element 2) 112 or 211; PSY 200, 200W or SOC 131. 
G = Course also satisfies a General Education element.

Free Electives ..........................................................8-11 hours

TOTAL HOURS TO COMPLETE DEGREE ..........120 hours

BACHELOR OF BUSINESS ADMINISTRATION (B.B.A.)
MANAGEMENT
CIP Code: 52.0201

UNIVERSITY GRADUATION REQUIREMENTS

• General Education .................................36 hours
• Student Success Seminar (BTO 100; waived for transfers with 30+ hrs) ...........................................1 hour
• Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
• ACCT - Management majors will fulfill ACCT with GBU 480. (Credit hours will be counted in Major requirements)

Total Hours University Graduation Requirements ....37 hours

MAJOR REQUIREMENTS

College Requirements:
BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours).

Core Courses:
Pre-Business Core ........................................12 hours
ACC 201, 202; GBU 204; QMB 200.

Business Core ..............................................21 hours
CCT 300W, CIS 300, FIN 300, GBU 480, MGT 300, 370, and MKT 300.

Approved Business Electives ..........................3-6 hours
Three to six hours from the following prefixes: ACC, CCT, CIS, FIN, GBU, INS, MGT, MKT.

Management Requirements:
Management Concentration ...........................27 hours
GBU 101, MGT 320, 340, 400, 480, and 12 hours of upper division Management (MGT) electives (excludes MGT 300, 301, 349, 370).

Human Resource Management Concentration..27 hours

Entrepreneurship Concentration ......................33 hours

Supporting Course Requirements ......................9 hours
CIS 212 or INF 104; ECO 230 (G Element 5B), and 231; MAT
112 (G Element 2) or MAT 211(G Element 2); PSY 200, 200W or SOC 131.
G = Course also satisfies a General Education element.

Hours are included within the 36 hr. General Education requirement above.

Free Electives ..........................................................3-5 hours

TOTAL HOURS TO COMPLETE DEGREE ..........120 hours

UNIVERSITY GRADUATION REQUIREMENTS

• General Education .................................36 hours
• Student Success Seminar (BTO 100; waived for transfers with 30+ hrs) ...........................................1 hour
• Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
• ACCT - Marketing majors will fulfill ACCT with GBU 480. (Credit hours will be counted in Major requirements)

Total Hours University Graduation Requirements ....37 hours

MAJOR REQUIREMENTS

College Requirements:
BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours).

Core Courses:
Pre-Business Core ........................................12 hours
ACC 201, 202; GBU 204; QMB 200.

Business Core ..............................................21 hours
CCT 300W, CIS 300, FIN 300, GBU 480, MGT 300, 370, MKT 300.

Marketing Requirements:
General Marketing Concentration ..................30 hours
GBU 101, MGT 340, MKT 350, 400, 455, 460 and 12 hours of approved upper division marketing electives (excludes MGT 300 and MKT 349).

Music Marketing Concentration .....................33 hours
GBU 101, MGT 340, MUS 190(2), 191(2), 290(2), 390(3), 391(3), and 15 hours from the following courses: MGT 330, MKT 306, 310, 349, 400, 401, 404, or 420.

Marketing Research and Analytics Concentration 30 hours
CIS 430, GBU 101, MGT 340, MKT 350, 400, 455, 456, 457, 460, 481.

PGA Golf Management Concentration ..............42.5 hours
GBU 101; GBU 201, 202, 203, 204, 205, 206, 207, 210; MKT 310, 350, 455; PGM 349-A-E(2.5); additional requirements: OHO 351(4).

Exit Requirements for PGA Concentration:
PGM 100 (completion of the PGA Playing Ability Test) ....0 hrs
PGM 199 (completion of Level 1 of PGA Education) ......0 hrs
PGM 299 (completion of Level 2 of PGA Education) ......0 hrs
PGM 399 (completion of Level 3 of PGA Education) ......0 hrs
PGM 499 (completion of PGA Final Experience) ..........0 hrs

Supporting Course Requirements .......................9 hours
CIS 212 or INF 104; ECO 230 (G Element 5B), 231; MAT
112 (G Element 2) or MAT 211(G Element 2); PSY 200, 200W or SOC 131.
G = Course also satisfies a General Education element.

Hours are included within the 36 hr. General Education requirement above.
Free Electives .......................................................... 0-11 hours
May include three hours approved business electives. Upper Division electives may be required to meet the University 43 hour upper division requirement. (Music Marketing Concentration: recommend BEM 240 and other business courses as electives, up to 50% of program).

TOTAL HOURS TO COMPLETE DEGREE...120-121.5 hours

MINORS

MINOR IN BUSINESS

The Business Minor is offered for students majoring in programs other than Business. The minor consists of 21 hours including 18 hours of required courses and three hours of supporting courses. To enroll in an upper-division, business core course in the minor, students must (a) have completed ACC 201, 202, and ECO 230 with a “C-” or better, (b) have completed a minimum of 60 hours, and (c) have met the prerequisite of the specific course. Students minoring in business must earn at least 12 of the total hours used for the minor at EKU and attain a cumulative GPA of 2.0 in all courses comprising the minor.

Required Courses ....................................................... 18 hours
ACC 201, 202 and four courses from the following: CCT 300W, CIS 300, FIN 300, GBU 204, MGT 300, MKT 300.
Supporting Course ...................................................... 3 hours
ECO 230.
Total Requirements .................................................... 21 hours

MINOR IN ENTREPRENEURSHIP

The Entrepreneurship Minor is offered to students majoring in programs other than business who have a desire to obtain basic business knowledge and skills related to starting their own business or possibly assuming management of an existing business (family-owned, for example). The program consists of 15 hours of required courses and six hours of electives from specified business courses. To enroll in a 300-level business course, students must have completed a minimum of 60 hours and have met the prerequisites of the specific course. Students pursuing the minor in business must earn at least 12 of the total hours used for the minor at EKU and attain a cumulative GPA of 2.0 in all courses comprising the minor.

Required Courses ....................................................... 15 hours
CCT 270, 304S, MGT 301, 330, 465
Business Elective ....................................................... 6 hours
Choose two courses from one of the following options:
Quantitative—Choose two of the following courses:
ACC 201, 202, FIN 310.
OR
Qualitative—Choose two of the following courses:
GBU 204, MKT 301, MKT 380
Total Requirements ..................................................... 21 hours

MINOR IN INTERNATIONAL BUSINESS

The International Business Minor is offered to students majoring in programs other than business who have a desire to gain knowledge in international business and experience business courses through study abroad. To enroll in a 300-level business course, students must have completed a minimum of 60 hours and have met the prerequisites of the specific course. Students must earn at least 12 of the 18 hours for the International Business Minor at EKU and earn a C in each of the minor courses.

Required Courses ....................................................... 18 hours
CCT 310, GBU 201, MGT 301, 430, and six hours of business credit from approved courses studied and completed abroad.

CERTIFICATES

CERTIFICATE IN CORPORATE COMMUNICATION

The Certificate in Corporate Communication is offered for all undergraduate students who need to increase their professional communication effectiveness in their field of study. The Certificate is designed to provide training in international communication, oral and written business presentations, research and reporting, and production of business publications. These skills are transferable to any profession and are crucial in tasks such as communicating organizational change, establishing and implementing goals, communicating internally, relating to employees, dealing with the public, and addressing the stakeholders during crisis. Students pursuing the Certificate in Corporate Communication must earn a “C” or better in all courses comprising the certificate. The Certificate consists of the following courses with 50 percent taken in residence at EKU:
Requirements ............................................................ 9 hours
CCT 201 or 300W; CCT 310, and 550/750.

CERTIFICATE IN GLOBAL SUPPLY CHAIN MANAGEMENT

The Certificate in Global Supply Chain Management is offered for all undergraduate students who need to increase their quantitative and analytical skills in context of problems that firms face in the core supply chain areas of Planning, Sourcing, Making, and Delivering. The growth in globalization has led to firms competing on multiple aspects - multi-focused planning, competitive sourcing of inputs, streamlined manufacturing, and efficient delivery to customers. As such there is tremendous need for strong supply chain management skills. The Certificate is designed to provide training in the key areas above.

Furthermore, students will be involved in quantitative analysis of comparing various scenarios and understanding multiple elements of total supply chain cost. Students will be prepared to address the needs of businesses and organizations across all industries, both domestically and internationally. Students pursuing the Certificate in Global Supply Chain Management must earn a “C” or better in all courses comprising the certificate. The Certificate consists of the following courses with 50 percent taken in residence at EKU:
Certificate Requirements
Core Courses:
• MGT 370* (Operations Management) ..................... 3 hours
• MGT 375* (Supply Chain Management) .................. 3 hours
• MKT 315* (Logistics) ........................................... 3 hours
• MKT 431* (Strategic Procurement) ....................... 3 hours
*Course prerequisites exist. See course listing in the back of this catalog for details.

Residency:
• 50% of coursework must be taken in residence at EKU
Total Curriculum Requirements .................................. 12 hours
CERTIFICATE IN MARKETING RESEARCH AND ANALYTICS

The Certificate in Marketing Research and Analytics is offered for all undergraduate students who need to increase their research and analytical skills in their field of study in the context of problems that firms face. The growth in technology has allowed for firms to capture more information than ever, and as such the need for strong marketing research and analytical skills is one of the fastest growing jobs in industry. The Certificate is designed to provide training in the marketing research process, marketing research methodology with particular emphasis on both qualitative and quantitative analysis techniques including univariate data analysis, qualitative research, and experimental design.

Furthermore, students will be involved in the research process with hands-on projects and gain valuable research experience that will prepare them to address the needs of businesses and organizations across all industries. Students pursuing the Certificate in Marketing Research and Analytics must earn a “C” or better in all courses comprising the certificate. The Certificate consists of the following courses with 50 percent taken in residence at EKU:

**Total Curriculum Requirements** ......................... 12 hours
MKT 300 or 301; MKT 455, 456, and 457.

CERTIFICATE IN SALES

The Certificate in Sales is offered for all undergraduate students who are interested in a rewarding sales career. The courses in this certificate go beyond theory, providing students valuable skills to help them be successful in real sales environments. The courses are taught using a combination of lectures, hands-on exercise, business cases, projects, and role playing. This certificate will serve as solid evidence of a professional training in sales for company recruiters. Students pursuing the Certificate in Sales must earn a “C” or better in all courses comprising the certificate. The Certificate consists of the following courses:

**Total Curriculum Requirements** .........................12 hours
MKT 300 or 301, 310, 408, 431

CONCENTRATIONS

PRE-BUSINESS CONCENTRATION IN THE ASSOCIATE OF ARTS IN GENERAL STUDIES DEGREE

## Notes

- The curriculum guides for Agriculture B.S. programs include various concentrations such as Agronomy, Soils, and Natural Resources, Animal Science, and Fruit, Vegetable, Nursery, and Greenhouse Production.
- Each program is divided into years, with specific courses and credits listed for each semester.
- Credits and course requirements are specified for each semester, with a focus on foundational and specialized courses.
- The guides provide a structured plan for students to follow in order to successfully complete their degree requirements.

EUK: A LEGACY OF PREPARING EDUCATIONAL PROFESSIONALS SINCE 1874

COLLEGE OF EDUCATION STRATEGIC PLAN 2016-2020

Vision
The College of Education will be a premier college dedicated to innovative student engagement and success, advancing Kentucky, and impacting the world.

Mission
As a school of opportunity, the College of Education prepares and empowers learners to become dynamic partners in diverse communities.

Values
The College of Education’s values permeate the mission and allow the college to achieve its vision:

- *ethical decision-making*, which is characterized by integrity, intentional stewardship of resources, and social responsibility;
- *intellectual vitality*, which is characterized by quality instruction & research, critical and innovative thinking, and on-going assessment;
- *equity*, which is characterized by sensitivity, respect, fairness, accommodation, and impartiality for all;
- *collaboration*, which is characterized by respectful, reciprocal accountability and service to local & global communities; and
- *reflective practice*, which is characterized by goal setting, self-evaluation, and a deep understanding of critical concepts and principles within one’s discipline.

The College of Education is well known for preparing effective professionals for the disciplines within our college. At Eastern Kentucky University we strive to continuously learn and develop the most effective ways to prepare teachers, leaders, and other professionals for the variety of school and professional settings that exist today.

In order to achieve our Vision for 2016-2020, the College of Education will focus on four Strategic Goals.

- **Academic Excellence** - We will achieve academic excellence through investing in students, staff, and faculty to support their professional growth.

Strategic Initiatives and Strategies define the primary goals, outline our work for the next five years, and ensure we achieve our primary goals.

Ongoing Commitment is to prepare every candidate to be successful in all aspects of his/her professional career.

Ongoing Commitments

- Our curriculum is designed by faculty to meet educational goals of all candidates and is focused on candidate outcomes integrated in a clinical model.

- Our programs are focused on embracing individual differences in every aspect of the educational process.

EDUCATION AS THE NEW “CLINICAL” Professions

“Teaching as a clinical profession means that education candidates are expected to become knowledgeable and to the fullest extent possible experts in the school learning sciences. Similarly, teacher education candidates are expected to become competent and also to the fullest extent possible excellent diagnosticians in the academic development of their school age students. Drawing from a scholarly knowledge base, more than adequate in scope and depth, teacher education candidates study with seasoned expert faculty in the College Education including MODEL to refine diagnostic skills and learn to prescribe instructional strategies that will improve school age student performance in Kentucky and beyond.” Dr. James Bliss

Since its founding in 1906, Eastern Kentucky University has maintained a strong interest in and commitment to the preparation
of teachers.

The Professional Education Programs at Eastern Kentucky University are dedicated to preparing the highest quality educators and related professionals for Kentucky and beyond. Our graduates integrate content, effective pedagogical skills, and dispositions that foster life-long growth and learning. Being true to our heritage as a school of opportunity, Eastern Kentucky University provides a climate that supports, challenges, and enriches students aspiring to careers in a diverse society.

Professional Education at Eastern Kentucky University is a university-wide function. The programs of elementary education (P-5), middle grades education (5-9), special education, interpreter training, deaf and hard of hearing, and communication disorders are located in the College of Education. The college also has graduate degree and licensure programs in most of these areas, as well as in Counseling and Educational Leadership. Candidates in these programs are advised in the College of Education. Secondary 8-12, Grades 5-12, Birth – Primary (interdisciplinary early childhood education), and P-12 teaching programs are located in their respective colleges with candidates receiving academic advisement from the college of their major as well as a supplemental advisor from the College of Education.

</table>

Interdisciplinary Early Childhood Education (Birth to Primary)  
Elementary School (Primary - Grade 5) - Preparation includes the academic disciplines taught in the elementary school  
Middle School (Grades 5-9) - two teaching fields selected from English and communications, mathematics, science, or social studies;  
Secondary School (Grades 8-12) – biology, chemistry, English, mathematics, physics, or social studies,  
Middle/Secondary School (Grades 5-12) - agriculture, business and marketing education, industrial education or engineering and technology.  
Elementary/Middle/Secondary School (Primary - Grade 12) - art, foreign language (Spanish), or integrated music.  
Exceptional Children (Primary - Grade 12 and for collaborating with teachers to design and deliver programs) - learning and behavior disorders, moderate and severe disabilities (advanced only), hearing impaired, hearing impaired with sign proficiency, or communication disorders  
Endorsements  
(Must be added to an initial license)  
English as a Second Language (Primary through Grade 12)  
Environmental Education (Primary through Grade 12)  
Gifted Education (Primary through Grade 12)  
Instructional Computer Technology (Primary through Grades 12)  
Literacy Specialist (Primary through Grade 12)  
Mathematics Specialist (Primary through Grade 5)  
Teacher Leader  
Other Instructional Services - Advanced  
School Guidance Counselor

<table>
<thead>
<tr>
<th>Model Laboratory School</th>
</tr>
</thead>
</table>
| Model Laboratory School is one of the few remaining lab schools nationally, and the only one in Kentucky. EKU’s Model offers a full P-12 educational curriculum. Model is one of only a handful of lab schools left that serves a P-12 population. When the current building for Model was completed in the 1960s, it was a state-of-the-art facility allowing for individual and small group observations, demonstration teaching, and student teaching. Today, teacher educators agree not only that clinical teaching experiences are crucial in preparing teachers, but also that they should begin early in preparation programs. High standards in clinical teaching experiences require the kinds of settings only laboratory schools like Model can provide.  
Universities are changing preparation programs for all school personnel significantly to include diverse clinical experiences that are developmental in sequence and provide opportunity for shaping the knowledge, skill, and disposition sets of future educational professionals. Kentucky’s Education Professional Standards Board enacted a regulation requiring 200 clinical hours for initial teacher preparation prior to the professional semester or student teaching. In addition, clinical hours have been initiated for graduate or advanced preparation programs. As a result, a lab school, such as EKUs Model, plays a vital role in serving this new clinical preparation model for all educators. Additionally, it provides a site for research-based practices to prepare those planning to enter the profession and to retool currently practicing educators to enhance student engagement, learning, and achievement at all P-12 levels.  

<table>

<tr>
<th>EKU Kentucky Adult Education</th>
</tr>
</thead>
</table>
| The EKU Kentucky Adult Education program, directed by Aileen Perkins, serves residents of Madison, Clay, and Garrard counties. The EKU Kentucky Adult Education program is housed in the College of Education and is located in the Vanhoose Building. The mission of the EKU Kentucky Adult Education program is to support adults in returning to school to either 1) complete their GED and/or 2) prepare to move forward in college. Our EKU Kentucky Adult Education program serves current EKU
students to further develop math, language and writing skills to move beyond development level courses. In addition, students are able to complete their Kentucky Paraeducator Certification through the EKU Kentucky Adult Education program. All classes and support offered through this program are free. Students can call 859-622-8065 to learn more about the Kentucky Adult Education programs in Madison, Garrard and Clay counties. Visit the EKU Kentucky Adult Education program at http://adulteducation.eku.edu/.

Staff:
A. Perkins (Director), M. McClellan (Garrard, Lead Instructor), TBD (Clay, Lead Instructor)

THE KENTUCKY EDUCATIONAL COLLABORATIVE FOR STATE AGENCY CHILDREN (KECSAC)

Directed by Dr. Ronnie Nolan, is a statewide collaborative that works with state agencies, school districts and local programs to ensure that state agency children receive a quality education comparable to all Kentucky students and is housed in the College of Education. Visit the KECSAC program at http://www.kecsac.eku.edu/.

Staff:
R. Chapman, L. Cole, C. Held, K. Helton, E. McManus, R. Nolan (Director), M. Parker, K. Smith

The Migrant Education Program, housed in the College of Education and directed by Michael Hay, is a supplemental education program that provides support for migrant children and their families. This program works to ensure that the appropriate academic services are offered to help migrant children do well in school and that they receive the needed levels of tutoring and instruction that will promote them to the next grade level. Migrant Education staff works with other schools and community agencies to provide social and health needs that families may require. Visit the Migrant Education Program at http://migrated.eku.edu/.

POLICIES AND PROCEDURES

Professional Education Majors
To be recommended for certification, all candidates must meet the requirements for admission to professional education, complete a College of Education approved teaching curriculum, and pass the required PRAXIS II tests, PLT exam, or Kentucky test as established by the Education Professional Standards Board.

Credits
To be applied to degree programs, credits more than eight years old must be validated by the Dean.

Credit for Transfer Work
Allowance of transfer credit by the University Office of Admissions and/or the Office of Academic Advising does not necessarily mean that all such credit will be applied toward admission to professional education or a degree from the College of Education. Therefore, candidates should read and follow closely the transfer credits/courses section in Section Five of this Catalog.

Credit for Transient Work
Undergraduate students or students (candidates) pursuing initial certification in programs housed in the College of Education who wish to take course work at another higher education institution must have approval from the Dean of the College if they wish to apply that credit to their degree program. Candidates must be in good academic standing at EKU. Transient forms are initiated with the Tracking Specialist, Office of Education Services (coeadvising@eku.edu).

Overload
In the College of Education, overloads must be approved by the candidate’s department chair. Requests for overloads must contain the student’s overall GPA and the number of hours being attempted, including those to be taken at other higher education institutions. Send requests to coeadvising@eku.edu.

Planned Curriculum
Planned curricula in the College of Education are maintained in Degree Works, a comprehensive set of web-based academic advising, degree audit, and transfer articulation tools that help candidates and their advisors negotiate program requirements. Changes in the planned curriculum, initiated on the College Exception form, must include a recommendation for change by the advisor and be approved by the department chair and the Dean of the College. Changes approved verbally by phone or otherwise will not be honored unless the planned curriculum is officially altered to reflect such approval. It is the candidate’s responsibility to register for the proper courses so that all requirements are satisfied at the time of expected graduation. Completion of all course work on the candidate’s planned curriculum is required for graduation.

Progressing in Professional Education
Candidates shall not enroll in any educator preparation program courses restricted to admitted candidates.

Application for Graduation
Candidates must file an application for graduation in accordance with university policy found in the Graduation and Commencement Information section of this catalog. Applications for graduation are available online through EKU Direct.

PRAXIS Examination
Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to DegreeWorks for exam details. Effective Spring 2018, the PRAXIS exam must be taken prior to student teaching.

Student Teaching
Since student teaching is especially demanding, candidates are encouraged to avoid taking any other courses during CED 499 The Professional Semester.

Admission to the College of Education
Preparing a Community of Exemplary Professionals
• Upon admission to the College of Education, students are assigned an advisor. Candidates must enroll in Academic Orientation, EDO 100, during the first semester. Candidates are advised to enroll in EDF 203, Schooling and Society, during their freshman year. EDF 310 will be required for students who have an equivalent transfer course for EDF 203 or EDF 219.
• Secondary education majors will follow the prescribed curriculum and requirements of another academic college and the policies for professional education stated elsewhere in this Catalog. The College of Education cooperates closely with the
other colleges in matters pertaining to admission to professional education and clinical education.

**Licensure and Certification**

**Staff:**

K. Alexander, Amanda Curto, K. Dickens, L. Lanter, R. Sparks

Located in Bert Combs 423, the Office of Licensure and Certification is responsible for the coordination of admission to initial and advanced professional education programs and the review and recommendation for initial and advance licensure.

In addition, applications for licensure for teachers, school personnel (principals, supervisors, superintendents, counselors, pupil personnel directors, business administrators, librarians, and speech pathologists) are also processed by a certification official in the Office of Licensure and Certification.

To be recommended for licensure/certification, all candidates seeking initial teacher certification, regardless of the college in which they are enrolled, must meet the requirements for admission to professional education, complete an approved teaching program, and pass the required PRAXIS II tests, PLT exam or Kentucky test as established by the Education Professional Standards Board.

Candidates are advised to enroll in EDF 203, Foundations of Education, during their freshmen year.

**Teacher Admission**

teacher.admissions@eku.edu

Bert Combs 423

(859) 622-1832

**Admission Requirements and Application Process**

**Admission to Professional Education**

Professional education admission standards represent our goal to recruit candidates who have high academic achievement and ability. We welcome you to the profession.

Admission to the University (academic college) is not synonymous with admission to professional education. Candidates will apply for admission to professional education in the College of Education’s Office of Licensure and Certification (Combs 423). Formal applications will be accepted based upon completion of the following requirements:

**A. Hours**

- Candidates must complete 30 hours of credit (excluding developmental level courses).

**B. Admission Test Requirement**

Candidates must have a passing score on the following tests:

- Core Academic Skills for Educators (CASE): Reading (156); Writing (162); Mathematics (150).

**C. GPA and Grade Requirements**

- An overall grade point average 2.75 on a 4.0 scale; or a grade point average of 3.0 on a 4.0 scale on the last thirty hours of credit completed.
- A grade of “C” or higher in EDF 203 (A state criminal history background check approved by the College of Education must be completed prior to the first day of class).
- “S” grade in EDF 310 and a grade of “B” or higher in CED 150 is required for all transfer candidates.

Undergraduate degree candidate GPA is based on the hours attempted as shown on the official EKU transcript. Post degree certification candidate GPA is based on all undergraduate course work and on the hours attempted as shown on the official EKU transcript.

**D. Demonstrate an Overall Disposition Essential to Being an Effective Teacher**

Candidates must demonstrate proficiency in oral and written communication including:

- Critical thinking: A grade of “C” or higher in ENG 102 or HON 102 with a grade of “B” or higher in ENG 105 (those earning a “C” must also take ENG 102).
- Creativity: A grade of “C” or higher in EDF 203.
- Collaboration: A grade of “C” or higher in EDF 203.
- Communication: A grade of “C” or higher in CMS 100 or CMS 210.

**E. Professional Code of Ethics, Character Fitness Declaration, and Professional Dispositions**

- Candidates must review the Professional Code of Ethics for Kentucky School Certified Personnel established in 16 KAR 1:020 and sign a COE Professional Code of Ethics for Kentucky Declaration form.
- Candidates must review the character and fitness questionnaire contained in Section III of the TC-1 incorporated by reference in 16 KAR 2:010 and sign a COE Professional Character and Fitness Declaration form. EKU College of Education requires a state criminal history background check approved* by the College of Education as a condition of admission. Under certain circumstances, a national criminal history background check may be required as a condition of admission.
- Candidates must demonstrate understanding of professional dispositions expected of professional educators. Candidates must review and sign a COE Professional Dispositions Declaration form.

*“Approved” is a formal review process of the professional character and fitness declaration and criminal records report. Professional disposition issues or violations of the professional code of ethics will be referred to the Professional Education Admission Committee. Any misrepresentation of facts, by omission or addition, may result in the denial of admission to teacher education.

**F. Recommendations**

Candidates must submit satisfactory pre-service professional disposition reviews from two EKU faculty members including the EDF 203 or EDF 310 instructor and the advisor or another EKU faculty member.

- Candidates must complete and sign a Candidate Statement of Commitment Regarding Professional Dispositions form.

**G. Student Behavior**

- Candidates preparing to work in schools as teachers or other professional school personnel must demonstrate dispositions necessary to help all students learn.
- Candidates must demonstrate acceptable social behavior at the University and in the community-at-large.* A candidate interview may be required by the Professional Education Admissions Committee.
- Candidate admission status may be reevaluated if the candidate...
is placed on either academic or social probation or has a record of criminal conviction(s).* A candidate interview may be required by the Professional Education Admissions Committee.

*The Office of Licensure and Certification will contact the Eastern Kentucky University Office of Student Rights and Responsibilities to obtain records of infractions committed by candidates for admission to professional education. The Office of Licensure and Certification may also contact the Administrative Office of the Courts to obtain a criminal records check for each candidate for admissions to professional education.

H. Clinical Experiences

- CED 100 - Clinical I: Introduction to the Education Profession with a grade of “S”.

Progressing in Professional Education
The Office of Licensure and Certification will process the formal “Application for Admission to Professional Education.” The Professional Education Admissions Committee (PEAC) will review applications, supporting documentation, and other relevant materials brought before the committee and will take appropriate action concerning the student’s admission to the professional education program. The candidate will be notified of the committee’s decision. Candidates shall not enroll in any educator preparation program courses restricted to admitted candidates.

Selectivity during Preparation
Professional education programs have established transition points for program progression and monitors candidates’ advancement from admissions through completion. During these transitions, candidates must show evidence of developing content knowledge, pedagogical content knowledge, pedagogical skills, and the integration of technology in each of these domains. [CAEP Standard 3]

CERTIFICATION - coecert@eku.edu
Bert Combs 423
(859) 622-1829

Selection at Completion
Prior to recommending any candidate for licensure, candidates’ must demonstrate an understanding of the expectations of the profession, including codes of ethics, professional standards of practice, and relevant laws and policies. [CAEP Standard 3]

Application for Licensure/Certification

Exams
Prior to recommendation for licensure, candidates must complete PRAXIS II Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams.

NOTE: Kentucky educator licensure/certification requirements are subject to change. Before registering for the test(s), please check the Education Professional Standards Board (EPSB) website at www.epsb.ky.gov for current test requirements and current cut scores. You may also contact the EPSB Division of Professional Learning and Assessment at (502) 564-5778.

Applying for Licensure
Kentucky certification is based upon the completion of an approved teacher preparation program, including student teaching and applicable tests. This process requires a recommendation from a certification official in the Office of Licensure and Certification.

Certification
Applications may be obtained from the EPSB website at http://www.epsb.ky.gov/certification/index.asp. Applications for licensure should be filed in the Office of Licensure and Certification, Bert Combs 423, prior to graduation as follows: May graduates by April 1; August graduates by July 1; December graduates by November 1. Applications for certification are not processed until all requirements are met.

Candidates must also request and send an official transcript to the EPSB. Be sure that you note “Hold for Degree” if your degree has not been posted at the time you complete the request form. You may access the EKU transcript request form at http://registrar.eku.edu/Transcripts. The recipient of the transcript will be the EPSB.

You will be asked to provide their mailing address:
Education Professional Standards Board
Division of Certification
100 Airport Road, 3rd Floor
Frankfort, KY 40601

CLINICAL EDUCATION

Staff:
J. Dantic (Assistant Director), K. Fox, K. Montgomery, D. Porter (Director), L. Weitkamp

Preparing a Community of Exemplary Professionals
Clinically based professional education programs create varied and extensive opportunities for candidates to connect what they learn while being guided by skilled clinical educators. Performance-based assessments, at key points in the program, are designed to demonstrate candidates’ development of the knowledge, skills, and professional dispositions associated with a positive impact on the learning and development of all P-12 students. [CAEP Standard 2]

The Clinical Model at Eastern Kentucky University is designed to meet the needs of learners in today’s schools and provide teacher candidates with the content, pedagogy, and assessment skills needed to assure they meet the needs of all learners. Eastern Kentucky University’s Professional Education Program provides a framework that supports our candidates’ development of content knowledge, practice, and professional behaviors. This is accomplished through high quality instruction, engaging course-learning tasks, and clinical learning experiences requiring candidates to think critically and creatively, communicate effectively, and act fairly. Our candidates will be prepared to effect change in the culture of learning in their classrooms, in our region, and beyond.

Clinical I: CED 100: Introduction to the Education Profession
(CED 150 is designed for all transfer students) (10 hours in laboratory clinical)

Clinical Experiences begin with the first semester of the program, Introduction to the Education Profession (Clinical 1). This laboratory based clinical includes guided walkthroughs at all levels of P-12 education. Candidates also spend 6 hours in a classroom assisting and helping a teacher. While teacher candidates are introduced to all levels of public school education, they are also
introduced to the profession, expectations, and dispositions of professional educators including the ethics of educators. Teacher candidates are guided to consider whether this is the right career choice, and, if it is, what level or specific licensure area interests them.

Clinical II: CED 200: Understanding the Learner (minimum of 20 school based clinical hours)

Clinical II provides laboratory based clinical experiences in the co-requisite course(s). Teacher candidates are placed in a classroom for a minimum of 20 clinical field hours. Candidates assist the teacher, provide individual student help, and tutor students as needed. Teacher candidates are also expected to spend at least 2 of the hours helping with an after-school event (Family Fun Night, Saturday School Festival, theater or dance events, art shows/ exhibits, musical events, Odyssey of the Mind events or practice, rehearsals etc).

Clinical III: CED 300: Curriculum and Instructional Design (minimum of 45 school based clinical hours)

Clinical III focuses on curriculum and instructional design in a school based clinical, with a focus on using formative assessment in the classroom. Teacher candidates observe and assist their assigned cooperating clinical teacher while learning the principles of curriculum and instructional design. Teacher candidates plan, teach and reflect on a minimum of 3 formal lessons in their assigned classroom. It is recommended that teacher candidates and cooperating teachers begin this clinical experience using co-teaching strategies and working together. The clinical educator and cooperating clinical teacher provide feedback using a formal observation instrument. Teacher candidates in need of more mentoring are provided additional time and support to improve performance before advancing.

Clinical IV: CED 400: Diagnosis and Prescription (minimum of 45 school based clinical hours)

In Clinical IV, teacher candidates focus on diagnosis and prescription of student behavior and academic performance in this school based clinical. Teacher candidates develop and implement a student improvement plan for behavior using Applied Behavior Analysis and an academic improvement plan for achievement based on student learning data. In addition, teacher candidates plan, teach and reflect on a minimum of three formal lessons observed by their clinical educator and cooperating clinical teacher.

Clinical V: CED 450 Practice Teaching- Residency I (formerly Methods) (minimum of 80 school based clinical hours)

CED 450, Clinical V, Residency I, requires a minimum of 80 school based clinical experiences. Candidates are expected to practice teaching for full days on their clinical schedules. This is the first part of the yearlong clinical or residency. Candidates will demonstrate expertise at planning, teaching, assessing achievement, writing units, developing professional growth plans, reflecting on outcomes, and collaborating with teachers at their assigned clinical placement school. Teacher candidates plan, implement and reflect on a minimum of 3 formal lesson plans during this clinical. All other lessons candidates are assigned to teach include lesson planning and writing. Candidates focus on improving student achievement while considering the student growth goals for their individual classroom. Monitoring and tracking student success with a plan for re-teaching throughout the duration of the year-long residency is required.

Clinical VI: The Professional Semester

The Office of Clinical Experiences receives and evaluates all applicants for the professional semester, determines appropriate professional disposition of the applicant, and provides continuous assessment of the applicant’s pre-teaching and teaching experiences during the professional semester.

This office recognizes that cultural diversity is a fact of American life and teachers function in a pluralistic cultural environment. Experience in multi-cultural settings provides valuable enrichment for the proper development of effective teachers. That philosophy guides the candidate assignments.

• Candidates are discouraged from taking any other courses during the professional semester.

• Candidates of senior standing (90 hours or more with a minimum of 12 semester hours residence at EKU) may enroll in the professional semester if they have satisfied the following requirements:

Application for The Professional Semester

1. Applicants must be admitted to the professional education program prior to the application semester.
2. Applicants must file an application during the first four weeks of the semester prior to the term in which professional teaching is desired.
3. Applications filed will be evaluated and processed for approval or disapproval.

Evaluation of application will include in part:

1. The planned curriculum. Each applicant must have an active Degree Works plan which reflects any and all approved changes.
2. All prerequisites in professional education and pre-professional teaching semester curricula in the applicant’s area as prescribed by the Catalog must be completed prior to the professional semester.
3. Recommendation made by the applicant’s advisor.
4. Candidate must complete a Child Abuse Neglect Check (CAN) which is submitted to the district office of your first choice with proof it was submitted provided to the Office of Clinical Experiences.

5. Professional Code of Ethics, Character Fitness Declaration, and Professional Dispositions:

• Candidates must review the Professional Code of Ethics for Kentucky School Certified Personnel established in 16 KAR 1:020 and sign a new COE Professional Code of Ethics for Kentucky Declaration form.

• Candidates must review the character and fitness questionnaire contained in Section III of the CA-1 incorporated by reference in 16 KAR 2:010 and sign a new
COE Professional Character and Fitness Declaration form. KRS 161.042 requires a state and national criminal records check as a condition for admission to student teaching. Applicants must process a criminal records check in the district in which student teaching will occur and submit a copy of the report to the Office of Clinical Experiences for approval* by the College of Education.

• Candidates must demonstrate understanding of professional dispositions expected of professional educators. Candidates must review and sign a new COE Professional Dispositions Declaration form.

*“Approval” is a formal review process of the professional character and fitness declaration and criminal records report. Professional dispositions or violations of the professional code of ethics will be referred to the Professional Education Admission Committee. Any misrepresentation of facts, by omission or addition, may result in the denial of admission to student teaching and revocation of admission to teacher education. Approval is required prior to entry in the professional teaching experience.

6. Behavior that relates to the moral, ethical, social, and personal standards of professional competency. The applicant’s comportment will be subject to review and appraisal by the department responsible for the professional semester recommendation and the College of Education.

7. Academic Requirements: Undergraduate degree students’ GPAs are based on the hours attempted as shown on the official EKU transcript. Post degree certification students’ GPAs are based on all undergraduate course work and on the hours attempted as shown on the official EKU transcript.

• All programs: An overall grade point average of 2.75 on a 4.0 scale; or a grade point average of 3.0 on a 4.0 scale on the last thirty hours of credit completed. Instructional Technology: Candidates must complete EDF 204 with a grade of “C” or higher; candidates enrolled in a P-12 music education program will take MUS 384 with a grade of “C” or higher; Clinical Experiences: CED 100 and 200 must be completed with a S. CED 300, 400, 450 must be completed with a grade of “B” or higher in each course.

• Elementary and Middle Grade: Minimum 2.75 GPA with a grade of “C” or higher in courses in the “core and supporting course requirements,” area(s) of academic emphasis, “professional education requirements” (see program display for a list of courses), teaching minor(s), and certification endorsement(s).

• Secondary: Minimum 2.75 GPA in teaching major(s), minor(s), area(s) of academic emphasis, and certification endorsement(s). See program area for specific course grade requirements; and a minimum 2.75 GPA with a grade of “C” or higher in courses in “professional education requirements” (see program display for a list of courses). A minimum of seventy-five percent of major and seventy-five percent of supporting course requirements must be completed prior to the professional semester. Individual program areas may require a higher percentage of credit hours completion prior to the professional semester.

• Special Education: Minimum 2.75 GPA with a grade of “C” or higher in courses in the “major, core, and option,” “elementary/middle grade and supporting course requirements,” area of academic emphasis, professional education requirements (see program display for a list of courses), teaching minor(s), and certification endorsement(s).

8. Candidates must submit satisfactory pre-service disposition reviews from their advisor and a designated methods instructor as part of the application process.

9. Candidates must submit satisfactory pre-service disposition reviews from one cooperating teacher and one university supervisor at the end of the professional semester experience.

10. Candidates must have taken their PLT and applicable PRAXIS II exam(s) (see https://www.ets.org/praxis/ky) Passing the exams is required for certification, and candidates who do not pass their PLT and subject exams may be required to participate in study workshops during their professional semester.

11. Minimum of 200 hours of field experiences in a variety of Primary-12 school settings which allow the candidate to participate in the following:

A. Engagement with diverse populations of students which include (1) Students from a minimum of two different ethnic or cultural groups of which the candidate would not be considered a member; (2) students from different socioeconomic groups; (3) English language learners; (4) Students with disabilities; and (5) Students from across elementary, middle school, and secondary grade levels.

B. Observation in schools and related agencies, including but not limited to: Family Resource Centers or Youth Service Centers

C. Student Tutoring

D. Interaction with families of students

E. Attendance at school board and school-based council meetings

F. Participation in a school-based professional learning community

G. Opportunities to assist teachers or other school professionals.

Clinical experience hours are submitted and performance evaluated during the term the candidate enrolls in a clinical course. In order to qualify for admission to the professional semester candidates must demonstrate that they have met all clinical performance requirements as evidenced on performance-based assessments to demonstrate candidates’ development of the knowledge, skills, and professional dispositions that are associated with a positive impact on the learning and development of P-12 students and earn a minimum grade of “S” or “B” in each clinical course.

12. Other requirements as found in the appropriate department presentation.
DEPARTMENT OF AMERICAN SIGN LANGUAGE & INTERPRETER EDUCATION

Chair
Dr. Laurence Hayes
(859) 622-4966
Wallace 216

Faculty

All students who are accepted by EKU’s Admissions Office and declare their major as ASL and English Interpretation are admitted as “pre-ASL and English Interpretation” majors. However, admission to the University as a “pre-ASL and English Interpretation” major does not guarantee admission to the ASL and English Interpretation program. Specific admission criteria for each program are explained below.

Transfers from Other Colleges and Universities
Only the freshman and sophomore-level core courses [i.e., courses in ASL (ASL 101, 102, 201, and 202, 225), and interpreting (ITP 215W, 220)] with the exception of ASL 205] may be transferred from other colleges to satisfy requirements for majors or minors within the Department of ASL and Interpreter Education. Courses for which credit is to be transferred must be essentially equivalent to the courses offered at Eastern Kentucky University. For transfer students seeking admission to the ASL and English Interpretation program, requests to waive ASL 105 and 106 may be considered on a case-by-case basis.

Application Information
• Enrollment is limited.
• Application to the ITP does not guarantee acceptance.
• The ITP accepts students for the fall semester of all even years (i.e., 2018, 2020, etc.). Deadline for application is March 15th every year.

Progression and Retention in the Program
• A grade of “C” or higher is required for all ITP and lecture-based ASL courses (ASL 225, 325, 390, 425), and
• A grade of “B” or higher is required (with the exception of no more than one grade of “C”) for all skill-based ASL courses (ASL 301, 302, 305, 306, 310), and
• Maintain a 2.75 GPA in the major
• Upon successful and timely completion of ITP 470 Practicum I, a student will be permitted to take ITP 495 Practicum II only with written recommendations from the ITP faculty and the department.

Program Goal
The goal of the ASL-English Interpretation Major is to prepare professional interpreters who are competent, ethical, and life-long learners.

Program Objectives
The objectives (or outcomes) of this program are:
1. Students of the program will develop critical and creative thinking skills.
2. Students of the program will develop competency in ASL English.
3. Students of the program will develop competency in interpreting between ASL and English.
4. Students of the program will possess a generalist level of knowledge in professional issues, theories, and multicultural dynamics related to the interpreting profession.
5. Students of the program will demonstrate ethical and culturally competent decision-making in various interpreter settings.
6. Students of the program will demonstrate at least entry-level competency in interpreting between ASL and English.
7. Students of the program will be able to critically assess their own work and use creative problem-solving to continually develop themselves after they leave the program.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education (hours share with supporting courses) .................................................................................. 36 hours
• Student Success Seminar (EDO 100; waived for transfers with 30+ hrs.) ................................................................. 1 hour
• Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category) ........................................................................................................... 30
• Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories) ........................................................................................................... 30
• ACCT - ASL and English Interpretation majors will fulfill ACCT with ITP 495. (Credit hours are incorporated into major requirements.)

Total Hours University Graduation Requirements ... 37 hours

MAJOR REQUIREMENTS
Prior to graduation, students are required to take the Sign Language Proficiency Interview (SLPI:ASL) or the American Sign Language Proficiency Interview (ASLPI) with scores submitted to
the department. Administrators of the SLPI: ASL or ASLPI may charge testing fees to students.

Core Courses

ASL Requirements .................................................45 hours

ITP Requirements .................................................40 hours

Supporting Course Requirements ..................................6 hours
Diversity of Perspectives – Element 6
ANT 120(_ELEMENT 5B).
= Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

EXIT REQUIREMENT....................................................0 hours

PRAXIS EXAMINATION
Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to DegreeWorks for exam details. The PRAXIS exam must be taken prior to student teaching.

TOTAL HOURS TO COMPLETE DEGREE ........125 hours
Note: ASL 101 & 102 are major core courses and will not count toward Gen. Ed. Element 6. Therefore ASL & English Interpretation majors are expected to fulfill Element 6 with courses other than ASL 101 & 102.

American Sign Language (ASL) Studies

The minor in American Sign Language teaches communication competency in a visual language. Students become knowledgeable about aspects of the Deaf and hard-of-hearing community. For careers working with the public, this minor is beneficial for understanding and communicating with Deaf and hard-of-hearing people. This minor does not prepare students to interpret, nor fulfill the pre-admission and admission process for hard-of-hearing people. This minor does not prepare students to interpret, nor fulfill the pre-admission and admission process for Deaf people. This minor is not intended for students planning to be ASL interpreters. This minor does not prepare students to fulfill the pre-admission and admission process for the ASL and English Interpretation Program.

A grade of “C” or higher is required in each course while maintaining a 2.75 GPA or higher in the minor.

Required Courses ..................................................15 hours
ASL 201............................................3
ASL 202............................................3
ASL 301............................................3
ASL 302............................................3
ASL 225............................................3

The Department offers an undergraduate degree in communication disorders and undergraduate coursework in Human Services (HSR courses) as well as degree and non-degree graduate programs.

The Counselor Education program offers graduate programs in school counseling and mental health counseling. This program also provides graduate instruction in the common core areas required of many Master’s degree programs in education and related fields, such as human development and learning, tests and measurement, and research. More complete information concerning the counseling programs can be reviewed by accessing the department website at www.counseling.eku.edu.

The Communication Disorders program offers a graduate program in communication disorders. The Master of Arts in Education Program in Communication Disorders is a two-year, full-time program leading to eligibility for certification/licensure in Speech-Language Pathology by the American Speech-Language-Hearing Association, Kentucky Board of Speech-Language Pathology, and Kentucky Teacher Certification in Communication Disorders. More complete information concerning the graduate program can be reviewed by accessing the Department website at www.cd.eku.edu.

Bert Combs, Room 406

Faculty

*To teach, to learn, to help others teach and learn.*

The Department of Educational Leadership, Counselor Education, and Communication Disorders offers degree and non-degree undergraduate and graduate programs. The Department offers a doctoral degree (Ed.D.) and Master’s Degree in educational leadership, clinical mental health, and counselor education. Specialist Degree and Certification programs include the principalship, supervisor, superintendent, pupil personnel services, and communication disorders. Through completion of the degree or certification programs, students may earn a change in their rank status.

---

**BACHELOR OF SCIENCE (B.S.) COMMUNICATION DISORDERS**

CIP Code: 51.0204

**ADMISSION TO COMMUNICATION DISORDERS PROGRAM**

Any student who is accepted by Eastern Kentucky University’s Admissions Office may declare their major as communication disorders (CD). The student will be assigned to a program advisor and will be classified as a “Pre-CD” major. However, a Pre-CD status does not guarantee admission into the CD undergraduate program. Pre-CD majors will be restricted to enrollment in the following major CDS courses: CDS 275 and 360.

To apply for admission to the CD undergraduate program, students must meet the following minimum criteria: (1) at least 40 credit hours earned on 100-level courses or higher, (2) at least a 3.0 GPA on a 4.0 scale, (3) at least a 21 composite score on the ACT, and (4) pass a speech/language/hearing screening. The CD Program requires a state criminal history background check approved by the College of Education as a condition of admission. Under certain circumstances, a national criminal background check may be required as a condition of admission. Once admitted to the CD program, the student must earn a grade of “C” or higher in CDS 275 or equivalent transferred course before registering for any CDS courses in the major requirements. Once admitted to the CD program, students must earn a grade of “C” or higher in all CDS courses and supporting courses. Transfer students do not have to be enrolled in university courses at the time of submitting an application for admission. The CD program admits 30 new undergraduate students each year. Applicants are ranked by the GPA x ACT composite score. The most qualified applicants are admitted. Application forms are available from Wallace 245 or visit the CD program website at cd.eku.edu; telephone (859) 622-4442. Completed applications and all required documentation must be submitted by February 14 to the CD Program Coordinator.

It should be noted that enrollment in the graduate program in Communication Disorders is also limited. Admission into the
undergraduate program does not guarantee admission into the graduate program. Refer to the Graduate Catalog for information on admission to the graduate program.

An additional state criminal background check approved* by the College of Education is required prior to beginning CDS 374 or may be required at additional points in the program. Under certain circumstances, a national criminal background check may be required prior to beginning CDS 374. Students must purchase professional liability insurance prior to enrollment in CDS 374, 474, and 541. Further, that insurance coverage must be maintained throughout enrollment in these courses.

*“Approved” is a formal review process of the criminal records report. Violations will be referred to the Professional Education Admission Committee. Any misrepresentation of facts, by omission or addition, may result in the denial of admission to the Communication Disorders Program or enrollment in CDS 374.

(A.A.)
GENERAL STUDIES

The Associate of Arts in General Studies degree provides students, especially adult learners, the opportunity to pursue a flexible degree program to meet their unique interests, career goals, and academic needs. Reflecting EKU’s commitment to a liberal arts education, the degree allows students to concentrate in an area of interest while selecting from a wide variety of courses to meet personal, educational, or career goals. This degree is designed for students for whom this will be their first college degree and who wish to advance in their careers, change careers, pursue a lifelong interest beyond their careers, or use the degree as a pathway to a baccalaureate degree. Students who are admitted as “Special Admittance/Conditional Admittance” will be initially admitted into the Associate of Arts in General Studies degree program.

UNIVERSITY GRADUATION REQUIREMENTS
General Education .........................................................36 hours
Standard General Education program (Elements 1-6 inclusive, per Section Four of this Catalog). Students should refer to their DegreeWorks audit for General Education course selections.

Student Success Seminar (GSD 101 or GSO 102; waived for transfers with 30+ hours) ....................................................3 hour

Total Hours University Graduation Requirements.......39 hours

MAJOR REQUIREMENTS
- AA General Studies Students must earn an institutional GPA of 2.0 on all work earned at EKU, as well as an overall GPA of 2.0 on combined transfer and EKU graded coursework.
- AA General Studies students must earn at least 15 semester hours at EKU.
- AA General Studies students will declare either a college of focus for their core courses or a departmental concentration prior to registration during the semester in which they register for their 45th hour.
- AA General Studies students must complete an approved 12-hour emphasis with an overall 2.0 GPA within an individual college outside of the General Education requirement.

Core Courses........................................................................12 hours
Courses must be within an individual College and exclusive of general education requirements. The optional departmental concentration (see below) may be substituted for this area.

Education Concentration................................................................13 hours
EDF 203, 204, 205, and SED 104.

Students planning to apply for admission to the Teacher Education Program after completing the AGS degree should also Enroll in CMS 100 or 210, BIO 102 or PHY 102, and HIS 202. Students should confer with a College of Education Advisor to determine the required math course for each specific program.

College of Health Sciences

**Dr. Sheila Pressley, Dean**
Rowlett 204  
(859) 622-1523

**Dr. Michael Ballard**
Part-Time Associate Dean  
Dizney 117  
(859) 622-1916

**Dr. Mary Clements**
Part-Time Associate Dean  
Dizney 117  
(859) 622-1956

**Dr. Colleen Schneck**
Part-Time Associate Dean  
Dizney 103  
(859) 622-6301

**Mission**

The mission of the College of Health Sciences is to prepare outstanding health and human service professionals and leaders who contribute to the success and vitality of their communities, the Commonwealth, and the world.

**Vision**

The College of Health Sciences will be the premier college that shapes and improves health and well-being, advancing Kentucky and impacting the world!

**Values**

- Intellectual vitality: rigor and academic excellence among faculty and students
- Cultural competency: dignity, diversity, and inclusion through culturally sensitive human services and care
- Civic responsibility: stewardship through community, professional service and engagement to enhance quality of life
- Collaboration: inter-professional and cooperative efforts among faculty, staff, students and other stakeholders
- Accountability: characterized by ethical and professional responsibility

**Goals**

**EKU Goal 1: Academic Excellence**

**EKU Strategic Direction 1.1 Invest in our Faculty**
CHS SD 1.1.1 The College of Health Sciences (CHS) will support faculty scholarly research and creative endeavors.

**EKU Strategic Direction 1.2 Promote Innovative Instruction and Programming**
CHS SD 1.2.1 The CHS will assess teaching effectiveness and use the results to enhance instruction.

**EKU Strategic Direction 1.3 Strengthen Academic Programs**
CHS SD 1.3.1 The CHS will continually assess and strengthen academic programs.
CHS SD 1.3.2 The CHS will provide nationally recognized, high quality, accredited and approved programs.

**EKU Goal 2: Commitment to Student Success**

**EKU Strategic Direction 2.1 Invest in our Students**
CHS SD 2.1.1 The CHS graduates will meet or exceed national pass rates on licensure certifications and standardized exam results.
CHS SD 2.1.2 The CHS will support students’ scholarly research and creative endeavors.

**EKU Strategic Direction 2.2 Focus on Strategic Enrollment**
CHS SD 2.2.1 The CHS will demonstrate a commitment to diversity.

**EKU Strategic Direction 2.3 Increase Efforts to Retain and Graduate Students**
CHS SD 2.3.1 The CHS will assess advising effectiveness and use the results to strengthen advising.

**EKU Goal 3: Institutional Distinction**

**EKU Strategic Direction 3.1 Invest in our Staff**
CHS SD 3.1.1 The CHS will support staff professional development opportunities.

**EKU Strategic Direction 3.2 Advance the EKU Brand**
CHS SD 3.2.1 The CHS will have a brand and communication strategy.

**EKU Strategic Direction 3.3 Create a Diverse, and Inclusive University Culture**
CHS SD 3.3.1 The CHS will celebrate faculty, staff and student scholarly research and creative endeavors.

**EKU Goal 4: Financial Strength**

**EKU Strategic Direction 4.1 Optimize Campus Resources**
CHS SD 4.1.1 The Administrative Council for CHS will annually examine measures related to our financial effectiveness to include: workload, class size, and faculty and staff issues to strengthen programs.

**EKU Strategic Direction 4.2 Increase External Support**
CHS SD 4.2.1 The CHS will engage alumni, friends and other stakeholders.

**EKU Goal 5: Campus Revitalization**

**EKU Strategic Direction 5.1 Initiate and complete EKU Revitalization plan, which includes rehabilitation of existing facilities and construction of new ones with a focus on the EKU student experience.**

**CHS SD 5.1.1 The CHS will assess classrooms, labs, offices, technology, and student-centered facilities required to support**
program growth.

EKU Goal 6: Service to Communities and Region

EKU Strategic Direction 6.1 Become the 1st Choice Partner in Regional Educational, Economic, Cultural, and Social Development

CHS SD 6.1.1 Collaborate with the University’s regional community partners to promote academic achievement, economic development, and quality of life.

EKU Strategic Direction 6.2 Become Nationally Prominent in Fields and Regional Relevance

CHS SD 6.2.1 The CHS will continue to strengthen quality community and regional partnerships.

CHS SD 6.2.2 The CHS will continue to bring distinction to our region with nationally recognized, accessible programs to promote engagement and improve health and quality of life.

EKU Strategic Direction 6.3 Bring EKU to Our Service Region

CHS SD 6.3.1 Collaborate with the University’s regional community partners to promote academic achievement, economic development, and quality of life. (Same as 6.1.1)

EKU Strategic Direction 6.4 Bring Our Service Region to EKU

CHS SD 6.4.1 CHS will offer college programs, activities, and events to encourage travel to EKU campus that improve health and quality of life.

ADMISSION REQUIREMENTS FOR COLLEGE

The College of Health Sciences accepts applications from all persons who are qualified for admission to the University. All applicants must provide evidence of their ability to meet the academic standards established by the various programs. Due to enrollment limitations of some programs, applications should be made early. Applications received after the deadline of a program will be processed and admissions recommended on a space available basis. Specific entrance requirements for each program are shown in the departmental sections of this Catalog.

ADMISSION POLICIES

1. Students must meet requirements and be admitted by the University before being considered for enrollment in programs within the College of Health Sciences. Specific admission criteria are provided under each of the Health Sciences programs. The student is responsible for obtaining information for the application process including department deadlines.

2. Transfer work must be from an accredited institution and with a minimum grade of “C” in major and supporting courses. The applicant must be eligible to return to the last institution attended.

3. Work taken more than eight years previously must be approved by the Dean of the College.

4. In the event that a student is not accepted for a program, the student who wishes to reapply must submit a new application and related materials that will be considered when a new class is accepted.

Students desiring to complete collegiate work required for admission to professional programs may complete this work at any accredited college or university. Students are urged to carefully plan their course of study to be consistent with the individual program’s curriculum progression plan of study. Students who plan to complete coursework before declaring a major in a College of Health Sciences program should consult with the individual program directors or with the College of Health Sciences Advisors.

Students who have not reached a decision on a specific health science major may obtain counseling/guidance from individual program directors in the College of Health Sciences or from College of Health Sciences Advisors.

The programs in the College of Health Sciences are designed to prepare graduates for practice in health and human services professions. Most require licensure and/or certification after graduation and prior to practice. A criminal record (excluding minor traffic violations) may make a person ineligible for licensure or certification in these professions. Students with such a history should contact the licensing or certifying body prior to enrollment to determine whether this might be the case.

CLINICAL AGENCY PLACEMENT REQUIREMENTS

Placement in clinical sites for certain programs in the College of Health Sciences requires students to meet specific clinical agency placement requirements. Clinical agency placement requirements for certain programs (particularly those involving direct patient contact and/or practice with children) require a criminal background check and/or a urine drug screen. Students whose results from these screenings do not meet clinical agency placement requirements will be unable to participate in clinical experiences which are required for satisfactory progression and completion of the program. Most clinical agencies and programs where students may be potentially exposed to blood borne pathogens mandate that students comply with the Hepatitis B vaccination requirement. [see Blood Borne Pathogens and Hepatitis B Statement]. Other requirements may include documentation of tuberculosis screenings indicating student is free of disease, specific immunizations, certifications, licensures, student professional liability insurance purchased through the University [see Student Liability (Malpractice) Insurance], and individual health insurance. Students who have not met clinical agency placement requirements will not be permitted to participate in clinical and laboratory learning experiences mandated for satisfactory progression and completion of the program. Specific requirements for individual programs may be obtained by contacting the departmental office for the program.

READMISSION POLICIES

After being admitted to one of the programs in the College, students who withdraw or who are unable to progress due to being unsuccessful in one or more courses must submit application for readmission according to the guidelines for the specific program.

Readmission to the program is not guaranteed to any student.

READMISSION APPEAL PROCESS

The student who has been denied readmission may appeal the decision following these guidelines:

1. Notify the chair of the program’s readmission committee of the desire to appeal the decision and to provide additional pertinent information to support the appeal. The committee chair will schedule a time for the student to appear before the committee to present the appeal. A student who has agreed to a time for a meeting of the departmental readmission
committees and those who do not appear at that meeting may
forfeit the right to present evidence beyond that furnished in
the original application for readmission.
2. The student will be notified within five working days of the
committee’s decision.
3. If the student is not satisfied with the decision, the student
shall schedule an appointment to present the appeal to the
Department Chair. The student will be notified within five
working days of the Department Chair’s decision.
4. If the student is not satisfied with the decision of the
Department Chair, the student shall submit a written appeal
to the Dean of the College of Health Sciences. If the Dean
determines there are extenuating circumstances surrounding
the student’s request for readmission and/or if the procedure
for readmission has not been followed, a meeting of the
College’s Readmission Committee will be scheduled. A
time will be appointed for the student to appear before the
committee to present the appeal. A student who has agreed to
a time for a meeting of the College Readmission Committee
who does not appear at that meeting may forfeit the right
to present evidence beyond that furnished in the original
application for readmission.
5. Decisions of the College Readmission Committee are binding.
The student will be notified of the decision within five
working days.

**STUDENT AGREEMENT STATEMENT**

Programs in the College of Health Sciences may require
a student to sign an agreement statement that encompasses
professional expectations related to the program. This statement is
to be signed when the student enters courses in the major.

**STUDENT LIABILITY (MALPRACTICE) INSURANCE**

All students whose programs require participation in
clinical learning experiences must purchase and maintain liability
insurance through the University during the entire clinical
experience. Proof of such insurance coverage must be furnished to
the department before the clinical experience is scheduled to begin.
The University has arranged for appropriate insurance coverage at
the student’s major departmental office.

**ACCREDITING AGENCIES**

**CLINICAL FACILITIES**

The University maintains formal contracts with many health
care Human Services and Educational agencies located throughout
Kentucky and the United States. Almost every specialty within the
entire health care spectrum is available for use in providing high
quality experiences for students enrolled in the programs. A list of
cooperating agencies is available through the Office of the Dean.
The University is not liable for, nor is there a fund from which
payment can be made for those who are inconvenienced or incur
expenses based upon canceled classes, assignments, or clinical
placements, etc.
**Bloodborne Pathogens and Hepatitis B Statement**

The College of Health Sciences attempts to minimize the risk of exposure to blood borne pathogens for students who will be involved in clinical and laboratory learning experiences where the risk of exposure could occur. To this end, students majoring in clinical programs within the College of Health Sciences where a potential risk of exposure could occur are required to receive education in universal precautions and the Occupational Safety and Health Administration’s (OSHA) Bloodborne Pathogens Standard Regulations. Students will be responsible for complying with the Hepatitis B vaccination requirement when indicated before participation in the clinical training phase of their respective programs. [see Clinical Agency Placement Requirements]. The Blood Borne Pathogens Exposure Control Plan is posted on the College of Health Sciences website and should be carefully reviewed. More information regarding specific program requirements may be obtained through the departmental offices, program student handbooks, and other program informational sources.

**Degree Requirements**

The students are responsible for selection and registration for courses needed for reasonable progress toward their degree or certificate that will enable the students to satisfy requirements for graduation.

General Academic Information described in Section Five of this Catalog, and specific course requirements set forth in the description of curricula, must be met by students completing associate and baccalaureate programs administered by the College of Health Sciences. See programs under each department for major and minor requirements. All first-year students in the College of Health Sciences must enroll in the Student Success Seminar (HSO 100).

**Appeals**

Appeals procedures are detailed in the Departmental and University Handbooks and in the department sections.

**Health Sciences Learning Resource Center**

**Director**

Mrs. Raglena Salmans  
(859) 622-2091  
Rowlett 312

The Health Sciences Learning Resource Center is a multi-media library, study, and computer center for the College of Health Sciences. It provides support to the instructional needs of the faculty through multi-media resources, equipment, and other services. The primary purpose of the Center is to provide the student the opportunity to reinforce previous learning of clinical/classroom content through independent review of multi-media materials and computer-aided instructional software.

Students also have access to other resources such as anatomical models and charts, interactive video resources, professional articles, e-mail, the internet, literature searches, bibliographic manager, epidemiology mapping courseware and word processing. The Learning Resource Center is located in the Rowlett Building, Room 310.

**Department of Baccalaureate and Graduate Nursing**

**Chair**

Dr. Mary Clements  
(859) 622-1956  
Rowlett 223

**Faculty**

The nursing program leads to a baccalaureate degree. General education in the sciences and liberal arts provides the basis for and is correlated with the major in nursing. The collegiate program is devoted to a combination of physical, biological and social sciences, and humanities as deemed essential to the preparation of the professional nurse. The nursing component is composed of instruction in nursing theory and the application of nursing theory in the clinical setting under the guidance of nursing faculty. Thus, nursing is learned through a combination of formal classroom instruction and supervised experiences in hospitals, clinical agencies, and a variety of community settings. The nursing program prepares the individual to function as a generalist and lays the foundation for graduate study in clinical specialties, research, teaching, supervision, and/or administration. Graduates of the program earn a baccalaureate degree in nursing (BSN) and are eligible to make application to the national licensure examination (NCLEX). Graduates of the program who successfully write the NCLEX examination are licensed to practice as registered nurses.

The baccalaureate nursing program is based upon the belief that preparation for professional nursing encompasses a broad liberal, general, and professional education. The mission of the department is congruent with the mission of the college and university; to promote student success by providing high quality, accessible learning opportunities which encourage students to act independently, to think critically, to communicate effectively, and to practice professional or advanced levels of nursing with integrity, enlightenment and creativity; and to collaborate with regional partners to promote health.

**Professional Nursing Practice Outcomes**

Upon completion of the baccalaureate nursing program the BSN graduate:

1. Treats patients as holistic, unique and self-directive with the right to make decisions for themselves concerning health matters.
2. Uses the nursing process to provide, manage, and evaluate culturally competent primary, secondary, and tertiary prevention for diverse clients across the life span in a variety of settings.
3. Uses evidence-based nursing practice, critical thinking,
research methodologies, informatics, and healthcare technology to provide therapeutic interventions, predict outcomes, and influence the delivery of health care.

4. Assumes a leadership role in health care by communicating and collaborating with patients, health care professionals, and health care systems.

5. Supports safe, quality, responsible, and economic interdisciplinary health care as a consumer and sociopolitical advocate within multiple health care systems.

6. Promotes the ethical and legal practice of professional nursing.

7. Demonstrates self-care, professionalism, accountability, and competence in nursing practice, with a commitment to advancing the profession of nursing.

Admission and Progression Requirements

All students who are accepted by EKU’s Admissions Office and declare their major as baccalaureate nursing (four-year nursing) are admitted to the University as pre-baccalaureate nursing majors. However, admission to the freshman year does not guarantee admission to the laboratory nursing courses. Students seeking to enter NSC 232, 242, and 252 in the third semester of the curriculum must meet minimum program GPA requirements of 2.5 and have department chair approval. Spaces in these courses are limited and are reserved for students whose academic record indicates they are more likely to be eligible to be considered for and admitted to the clinical nursing courses. To be eligible to be considered for admission to the clinical nursing courses, students must have completed the first three semesters of college work as outlined in the curriculum plan and have submitted a complete department application. All prerequisite courses must be completed with a grade of “C”/2.0 or better, and a minimum institutional GPA of 2.5 on a 4.0 scale must be obtained. For the prelicensure nursing program, [Nursing Pre-RN (B.S.N.)], some prerequisite courses (BIO 171, BIO 273/MLS 209, BIO 301, CHE 105, NFA 201, NSC 232, 232L, 242, and 252) must have been taken within five years prior to the time application is made for admission to the clinical nursing courses unless an exception has been approved by the department. For the prelicensure Nursing (B.S.N.) Second Degree Concentration, the courses in BIO 171, BIO 273/MLS 209, BIO 301, and NFA 201 must have been taken within five years prior to the time application is made for admission to the clinical nursing courses unless an exception has been approved by the department. For the prelicensure Nursing Admission/Readmission Selection Criteria at http://www.bsn-gn.eku.edu/bsn.

Transfers from Other Colleges and Universities

Academic credits earned at other accredited colleges or universities are transferable upon approval of the appropriate department at Eastern Kentucky University. Official transcripts are to be submitted by the student to the Office of the Registrar. Credits more than eight years old must be approved.

Transfer students must submit copies of all transcripts along with their application to the program. These transcripts will be considered a part of the application process and are necessary to determine admission and placement.

Specific Degree Requirements for Bachelor of Science in Nursing Degree

In addition to the general requirements for the baccalaureate degree, students must earn a grade of “C”/2.0 or better in all nursing and supporting courses.

Baccalaureate Degrees

Bachelor of Science in Nursing (B.S.N.)

Pre-RN Nursing

CIP Code: 51.3801

University Graduation Requirements

- General Education........................................................................36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.) .................................................................1 hour
- Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
- ACCT - Nursing Pre-RN majors will select: NSC 492 (Credit hours are incorporated into Major requirements)

Total Hours University Graduation Requirements ...37 hours

Major Requirements

Core Courses .................................................................67 hours
NSC 232(2), 232L(1), 242, 252, 330, 332(1), 332L(1), 350, 380(2), 380C(2), 386(7), 386C, 390W(2), 392, 392C(2), 396(5), 396C (2), 480, 484(2.5), 484C(2.5), 487(2.5), 487C (2.5), 492(2), 492C, 495(2), 496(2)

Supporting Course Requirements...............................13-15 hours
BIO 171, 273(4) or MLS 209, BIO 301, CHE 105/105L(“Element 4), MAT 105 or higher level math course with a minimum grade of C (“Element 2), NFA 201; SOC 232, or STA 215 or 270(4), PSY 200(“Element 5) or
200W (\(^{G}\)Element 5).

\(^{G}\) = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

Free Electives............................................................3 hours

**Total Hours to Complete Degree ...... 120-122 hours**

Plan for Registered Nurses (RN-BSN-MSN)

The Department of Baccalaureate and Graduate Nursing offers the opportunity for registered nurses to earn both the baccalaureate and masters degree in nursing. Admission requirements include an Associate Degree in Nursing (or 3 year diploma program), and a RN license from an approved state that is free and unrestricted, meaning that it has not been subject to reprimand, revocation, probation, suspension, restriction, limitation, disciplinary action, discretionary review/hearing or encumbrance nor had any type of complaint filed against it. Students who are interested in continuing in the M.S.N. program should apply for graduate studies during the senior year. Students must complete the B.S.N and be admitted to graduate studies to continue into the M.S.N. program.

Protocol for Accepting RN-BSN Students as General Education Certified

Eastern Kentucky University will consider all RN-BSN applicants, who are currently licensed nurses with professional work experience, as General Education certified based on the following standards:

- Applicants will have completed an associate degree for which they have earned a minimum of fifteen (15) General Education credit hours.
- Applicants will have taken and passed the NCLEX RN licensure exam. Competencies demonstrated by this exam are sufficient to satisfy certain General Education competencies.
- Applicants have practical experiential learning that can be applied to the General Education competencies.

Note: Must have 120 total credit hours to complete BSN

Plan for B.S.N. Second Degree Concentration

The Department of Baccalaureate and Graduate Nursing offers students who already hold a non-nursing bachelor’s degree from a regionally accredited institution the opportunity to complete the Bachelor of Science in Nursing degree in a specially sequenced progression plan for second-degree students. Second degree students must have completed supporting course requirements (BIO 171, 273 or MLS 209, BIO 301, NFA 201, STA 215 or approved substitutions) prior to admission to the Second Degree Concentration nursing major. Students with a non-nursing bachelor’s degree who apply for admission are admitted as pre-nursing second bachelor’s degree majors. Admission as a pre-nursing second bachelor’s degree student does not guarantee admission to the B.S.N. Second Degree Concentration major. Classes are admitted one time per year. Spaces are limited and admission is competitive and based on a review of all required material submitted with the application packet and the entire academic history.

For additional admission information please refer to the Selection Criteria at: http://www.bsn-gn.eku.edu/bsn
DEPARTMENT OF ENVIRONMENTAL HEALTH SCIENCE

Chair
Dr. Vonia Grabell
(859) 622-3078
Dizney 220

Faculty

The Environmental Health Science program offers the Bachelor of Science degree. Established in the early 1970’s, the program is currently the state’s only accredited program and one of only 30 such programs in the United States accredited by the National Environmental Health Science and Protection Council. The program includes extensive study of the physical, chemical and biological threats to human health and focuses on both engineered barriers and behavioral changes required for protecting and enhancing human health. The program includes general education and support courses in biology, chemistry, and mathematics, plus a variety of environmental health courses dealing with air quality, water quality, wastewater disposal and treatment, hazardous and solid waste management, risk assessment and epidemiology, industrial hygiene, control of disease vectors, food hygiene, radiological health, environmental health program planning and law, and toxicology. During upper division study, the student must complete three credit hours of supervised field experience with appropriate agencies, industries, consulting companies, etc. Also, cooperative education opportunities are available to all students who may wish to gain experience in addition to credit hours.

Eastern Kentucky University’s Environmental Health Science graduates are qualified for positions with federal, state, and local government departments of environmental health, as well as public health protection agencies such as the United States Public Health Service, the Environmental Protection Agency, Food and Drug Administration, Department of Energy, and Occupational Safety and Health Administration. Graduates are also qualified for employment in private industry and environmental consulting firms. This work may include quality control, industrial hygiene and safety, loss control and risk assessment, or many other facets of environmental health consultation. The demand for qualified environmental health practitioners is currently high and exceeds the number of graduates from accredited programs and projected to increase over the next decade.

Progression Criteria
A student majoring or minoring in environmental health science must achieve a grade of “C”/2.0 or better in all EHS and supporting courses.

BACCALAUREATE DEGREES

BACHELOR OF SCIENCE (B.S.)
ENVIRONMENTAL HEALTH SCIENCE
CIP Code: 51.2202

UNIVERSITY GRADUATION REQUIREMENTS
- General Education .............................................36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.) ..................................................1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Environmental Health Science majors will fulfill ACCT with EHS 463 or EHS 349. (Credit hours are incorporated into major requirements below.)

Total Hours University Graduation Requirements ..37 hours

MAJOR REQUIREMENTS
Core Courses ..................................................48 hours

Supporting Course Requirements .........................29-31 hours
BIO 111(4) (Element 4) and 301; BIO 320(4) or MLS 209, and 211(1); CHE 111/111L(4) (Element 4), 112/112L(4), and 361/361L(4); GEO 100 and 353, MAT 114, 122, or 211 (Element 2); PHY 101 or 131(5)**; STA 215.

Free Electives ..................................................4-6 hours

TOTAL HOURS TO COMPLETE DEGREE ......120 hours

* A minimum score of 22 on the mathematics portion of the ACT or 530 on the mathematics portion of the SAT.

**If the student plans on entering graduate school upon receiving the baccalaureate degree in Environmental Health Science, PHY 131 may be required by some Universities. MAT 120 is a prerequisite for PHY 131.

MINOR

MINOR IN ENVIRONMENTAL HEALTH SCIENCE
A student may minor in environmental health science by completing, with a grade of “C” or better, EHS 280, 380, 530 and an additional nine hours selected from EHS courses with advisor approval for a minimum of 18 hours.

CERTIFICATES

CERTIFICATE IN ENVIRONMENTAL PUBLIC HEALTH STUDIES (EPHS)
A student may complete a certificate in Environmental Public Health Studies by completing the required coursework.
Health Studies (EPHS) by earning a total of 18 credit hours with a grade of “C” or better in the following:

**Certificate Requirements** .......................... 18 hours
- EHS 230, EHS 280, EHS 335**, EHS 380, EHS 390*, and EHS 425
- *EHS 390 is a variable credit course (1-4 hrs.), students in the EPHS program are required to take the course for 3 hours credit.
- **Course may have pre-requisite or co-requisite

**DEPARTMENT OF EXERCISE AND SPORT SCIENCE**

**Chair**
Dr. Eric Fuchs
(859) 622-1889
Moberly 233

**Faculty**

The Department of Exercise and Sport Science offers Bachelor of Science degrees in Sport Management, and Exercise and Sport Science with two program concentrations: Physical Fitness and Wellness Management, and Pre-Athletic Training/Pre-Physical Therapy. The department also offers minors in Physical Education (non-teaching), and Coaching (non-teaching). The Department also offers a certificate in Coaching/Personal Training.

Students who transfer from another college or university must earn a minimum of 12 hours at EKU in their major. Students who transfer from another college or university must earn a minimum of six hours at EKU in their minor.

**Sport Management**

The sport management major is offered both as a traditional on-campus degree program or 100% on-line degree program through e-Campus. The major in Sport Management prepares the student for administrative careers in recreational and competitive sports programs, fitness centers, and other sport-related organizations. The complexities and challenges of sports require a well-prepared professional with qualifications in sports programming, supervision, management, facility planning, promotions, and purchasing.

The Sport Management major provides a quality educational experience that will prepare the student for a career in the rapidly changing arena of sport. The students receive cutting-edge instruction in a practice major of study that culminates in an internship experience that gives the student the “hands-on” experience necessary to secure employment within the industry. The internship is offered cooperatively with a variety of sport organizations, including professional sports teams, college athletic departments, and community organizations.

Students majoring in Sport Management are strongly encouraged to also declare a minor in Business and take the additional nine hours required for the minor.

**BACCALAUREATE DEGREES**

**BACHELOR OF SCIENCE (B.S.)**
**EXERCISE & SPORT SCIENCE**

**UNIVERSITY GRADUATION REQUIREMENTS**
- General Education .................................................. 36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.) .......................................................... 1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - ESS majors pursuing Physical Fitness & Wellness Management will use ESS 472, and those in the Pre-Athletic Training/Pre-Physical Therapy concentration will use ATR 430. (Credit hours are incorporated into the major requirements below.)

**Total Hours University Graduation Requirements .37 hours**

**MAJOR REQUIREMENTS**

**Core Courses** .......................... 18 hours
- ESS 212, 315, 320, 325, 562, 575; current CPR certification required at time of graduation. Students within all ESS concentrations will take these common “core” courses.

**Concentrations:**
- (each student must complete one of the following concentrations)
  - **Physical Fitness & Wellness Management** ............... 27-29 hours
  - ESS 407, 430, 433, 435, 472(6), 517, and 190/390(5); ESS 241(1), 313(2) or 340(3).
  - *(Students must document fifty (50) hours of Fitness & Wellness Management related experiences prior to enrolling in ESS 472.)*
  - **Pre-Athletic Training/Pre-Physical Therapy** ............... 28 hours

**Supporting Course Requirements:**
- All Concentrations ............................................. 9 hours
- BIO 171, 301, and NFA 201.
- **Physical Fitness & Wellness Management** ............... 15 hours
- HEA 202, and 320; HEA 315, or 380; MGT 301, MKT 301, and current first aid & CPR certification at time of graduation.
- **Pre-Athletic Training/Pre-Physical Therapy** ............... 26-27 hours
- BIO 111(4) or 112(4) (\*Element 4); CHE 111/111L(4) (\*Element 4), 112/112L(4), EMC 104(1), 110(6), MAT 120, PHY 131(5), 132(5); PSY 200 (\*Element 5B) and STA 215 or 270(4)
- (\*Element 2)
- \* = Course also satisfies a General Education element. Hours are included within the 36 hours in General Education.

**Free Electives:**
- **Physical Fitness & Wellness Management** ............... 12-14 hours
- **Pre-Athletic Training/Pre-Physical Therapy** ............... 1-2 hours
  - (2 hours of free electives must be at or above the 300 level)

For students interested in Pre-Athletic Training/Pre-Physical Therapy, additional courses may be required outside of the Core, Concentration and Supporting courses to meet requirements of some post-baccalaureate professional...

*Students are required to document a minimum of fifty (50)
hours of appropriately related experiences prior to enrolling in PHE 470.

MINORS

MINOR IN COACHING (NON-TEACHING)

Minor Requirements .........................................20 hours
ESS 212, 301, 383(1), 423; HEA 202(3); two classes from ESS 261(2), 360(2), 361(2), 362(2), 420(2); one class from ESS 224, 305. Current CPR certification required at the time of graduation.

MINOR IN PHYSICAL EDUCATION (NON-TEACHING)

Minor Requirements .........................................18 hours
Six hours from ESS 201, 212, 301, 315, 320, 325, 407, 423, 467, 562, 575; and six hours skill courses from the following: ESS 220(2), 224, 241(1), 250(1), 300, 305, 306, 340, 345(2), 365(2), 435, 450(1); three hours approved by the department chair.

DEPARTMENT OF FAMILY AND CONSUMER SCIENCES

Chair  
Dr. Dana Keller Bush  
(859) 622-3445  
Burrier 102

The Department of Family and Consumer Sciences offers three Bachelor of Science (B.S.) degree programs: General Dietetics; Child and Family Studies with Concentrations in Child Development, Family Studies, Interdisciplinary Early Childhood Education; and Apparel Design and Merchandising. Minors are offered in: Apparel Design and Merchandising, Child and Family Studies, Family and Consumer Sciences, Foodservice Administration, and Nutrition. Information on the Master of Public Health with Public Health Nutrition Concentration and the Master of Arts in Teaching (M.A.T.) for Family and Consumer Sciences Education may be found in the 2015-2016 EKU Graduate Catalog. Students following a first or second major, minor or associate degree must maintain a “C” average in departmental courses (CDF, FCS, FRM, NFA prefixes). Certain degree programs may have a higher GPA requirement.

The mission of the Department of Family and Consumer Sciences is to prepare professionals and leaders who improve the quality of individual, family, and community life through critical and creative thinking and effective communication.

Professional Liability Insurance

Students enrolling in the following classes — CDF 203, 246, 310, 327S, 349, 351, 399, 405, 406, 443, 450, 541, 544, 741, 744, 849, FCS 349, NFA 326, 349, 830, 831, and 835 in the Department of Family and Consumer Sciences — are required to register for student Professional Liability Insurance. This fee is listed in each semester’s schedule of classes. Please see the section on Student Liability Insurance for the College of Health Sciences.

Criminal Records

Students are required to observe and/or interact with young children or school age children in a number of courses offered by the department. Therefore, students enrolled in these courses — CDF 203, 246, 310, 327S, 349, 351, 399, 405, 406, 443, 450, 541, 544, 741, 744, and 849 — must have a criminal record check.
and child abuse neglect (CAN) check performed. Students with a criminal or CAN record may be required to drop the course and select another major.

**Tuberculosis (TB) Skin Tests**

Students are required to observe and/or interact with young children or school age children in the following courses — CDF 203, 246, 310, 327S, 349, 351, 399, 405, 406, 443, 450, 541, 544, 741, 744, and 849. Therefore, students enrolled in these courses are required to submit a negative TB test. Students will be permanently dis-enrolled from the course if the negative tests results are not submitted by the deadline.

**Youth Leader Report (YLR)**

Students are required to observe and/or interact with young children or school age children in the following courses – CDF 203, 246, 310, 327S, 349, 351, 399, 405, 406, 443, 450, 541 and 544, must have a Youth Leader Background check performed. Students with a criminal record may be required to drop the course and select another major.

**Accreditations and Approvals**

The Department of Family and Consumer Sciences has several accreditations. All B.S. degrees are accredited by the Council for Accreditation of the American Association of Family and Consumer Sciences. The Burrier Child Development Center is accredited by the National Association for the Education of Young Children. The B.S. degree in Dietetics is also accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). The Family Studies Concentration in the Child and Family Studies B.S. is approved by the National Council on Family Relations.

---

**BACHELOR OF SCIENCE (B.S.)**

**APPAREL DESIGN AND MERCHANDISING**

*CIP Code: 52.1902*

**Program Objectives**

Upon completion of a degree in Apparel Design and Merchandising graduates will demonstrate critical/creative thinking by: 1) identifying cultural influences on the apparel/textile industry and consumer; 2) applying design principles to visual merchandising and/or apparel design projects; 3) developing apparel and textile products based on target customer need; and 4) communicating ideas and information effectively to the target audience. Graduates are prepared to work in a variety of merchandising and design positions. Recent graduates have been employed in retail management, technical design, visual merchandising, and theatrical costume design. Metropolitan areas provide the most job opportunities. Entry level positions include management trainee, assistant manager, and design assistant.

Two years after graduation students can expect to be employed in positions such as retail manager, district supervisor of stores, technical designer, design journeyman, and visual merchandiser.

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education.................................................36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.)……………………………………………………1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Apparel Design and Merchandising majors will fulfill ACCT with ADM 414. (Credit hours are incorporated into major requirements below.)

**Total Hours University Graduation Requirements ...37 hours**

**MAJOR REQUIREMENTS**

**Core Courses** ..........................................................50 hours
ADM 102, 119, 201, 210, 300, 302, 310, 313, 349 or FCS 330A, 413, ADM 414 (6), CDF 132, FCS 400 or 400W, FRM 352; ADM 319 and 339 or ADM 312 and 412. (ADM 349/ FCS 330A—two hours at sophomore level)

**Supporting Course Requirements**.................................10 hours
CHE 101/101L(“Element 4); ECO 230(“Element 5B); PSY 200; MGT (300 or 301) and MKT (300 or 301) or THE (220 and 320).

*G = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education requirement above.

**Free Electives**.........................................................23 hours

**Total Hours to Complete Degree.........................120 hours**

**BACHELOR OF SCIENCE (B.S.)**

**CHILD AND FAMILY STUDIES**

*CIP Code: 19.0701*

The Family Studies Concentration prepares graduates to work with individuals and families in a variety of social service settings. Positions are available in family resource centers, community agencies, profit and non-profit organizations that provide services for children, youth, adults and families. The Interdisciplinary Early Childhood Education concentration leads graduates to Kentucky public school certification for teaching children birth through age five. Graduates learn to prepare individual education plans for children who experience developmental delays and support plans to assist families of those children. IECE majors will teach in private agencies serving infants to two years and public school settings (Pre-K, three and four year olds, and kindergarten not connected with primary programs for first through third grade). To be granted a degree in Child and Family Studies students must have a “C” or better in all CDF and supporting courses.

**Admission and Progression Requirements for Child and Family Studies Concentrations Child Development and IECE**

All students who are accepted by EKU’s Admission office and declare their major as Child and Family Studies are admitted to the University as pre-Child and Family Studies majors. However, admission to the pre-Child and Family Studies program does not guarantee admission to the Child and Family Studies program. To be admitted to the Child and Family Studies program the following criteria must be met: 1) Minimum of 45 hours with a 2.75 overall GPA, 2) GPA of 3.0 in the following courses CDF 203, 235, 236, 246, 310, 327S with a grade of “C” or better in each course. Once these requirements have been met, the student must apply to the Child and Family Studies Program Director for a change from the pre-Child and Family Studies program to the Child and Family Studies program.
Program Objectives
Upon completion of a degree in Child and Family Studies graduates will be able to: 1) assess developmental, political, social, cultural, economic and technological influences on the well-being and diversity of individuals, families and communities; 2) design and implement a range of services for individuals, children and families; 3) utilize and interpret appropriate individual, family and program evaluation measures; 4) access community resources and collaborate with community agencies/services; and 5) evaluate and monitor their professional development. The Child Development concentration prepares graduates to teach or administer in any private early childhood program. Graduates may also be employed as a trainer for resource and referral agencies or serve as Education Coordinator in early childhood facilities.

MAJOR REQUIREMENTS

UNIVERSITY GRADUATION REQUIREMENTS
- General Education ............................................. 36 hours
- Student Success Seminar (HIS 100; waived or transfers with 30+ hrs.) ........................................... 1 hour
- Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
- ACCT - Early Childhood Development CDF 450; Family Studies CDF 443; Interdisciplinary Early Childhood Education CED 499 (These courses are included in the Major totals)

PRAXIS EXAMINATION
Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to DegreeWorks for exam details. The PRAXIS exam must be taken prior to student teaching.

TOTAL HOURS TO COMPLETE DEGREE .... 120-125 hours

GENERAL DIETETICS PROGRAM
The General Dietetics program leads to a Bachelor of Science degree in General Dietetics. The program is accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND), an agency of the Academy of Nutrition and Dietetics, as a Didactic Program in Nutrition and Dietetics (DPND).

Students completing the DPND earn a Verification Statement, which provides eligibility to complete an accredited Dietetic Internship. Acceptance to a Dietetic Internship requires application and program matching through a competitive process. A strong academic record, work experience, and service/leadership in extracurricular activities are essential for obtaining a dietetic internship. Dietetic internships are 6 to 12 months long and include supervised practice in various areas of the dietetics profession. After completion of the internship, the student is eligible to take the national registration exam to become a Registered Dietitian (RD). In most states, including Kentucky, RD status is sufficient to obtain a state license to practice as a dietitian.

Registered Dietitians (RD) work with individuals and groups of all ages to improve health and wellness. Dietitians find employment in a variety of professional settings, including hospitals, long term care facilities, outpatient clinics, health departments, food companies, wellness programs, public health and regulatory agencies, cooperative extension, food service (including hospital, long term care, school, college/university, and prisons), private practice, sales, and research. In these settings, RDs provide medical nutrition therapy; menu planning; recipe and product development; individual counseling related to nutrition and diet; nutrition education to groups and individuals; community nutrition program development, implementation, and evaluation; and research.

Graduates who do not complete a dietetic internship find employment opportunities in public health, food service, cooperative extension, sales, and research. With the DPND verification statement, graduates are eligible to take the national Dietetic Technician registration exam, and earn the credential Dietetic Technician Registered (DTR). Graduates of the DPND may also seek admission to graduate programs to earn an advanced degree.

The program’s mission, goals, and objectives can be found on the Department of Family and Consumer Sciences website. Also available on the website is information about costs related to the program.

Admission and Progression Requirements
All students who are accepted by EKU’s Admissions Office and declare their major as dietetics are considered for admission to
the University as pre-dietetics majors. However, admission to the pre-dietetics program does not guarantee admission to the dietetics program. To be admitted to the dietetics program the following criteria must be met: (1) complete a minimum of 45 semester hours; (2) attain a minimum institutional GPA of 3.0 on a 4.0 scale; (3) earn a “B” or better in CHE 101/101L, CHE 102/102L, ACC 201, STA 215, and BIO 171 or their equivalents if taken at another school; (4) earn a “B” or better in NFA 121, 201, 202, and 317. In addition, a program application form must be submitted. Should there be more qualified applicants than spaces available, applicants will be ranked according to an admission scoring rubric. The application form, admission scoring rubric, and application deadlines are available on the Department of Family & Consumer Science website.

After admission to the dietetics program the student must meet the following criteria to receive a BS Degree and be granted a verification statement: (1) attain a minimum institutional GPA of 3.0 on a 4.0 scale; (2) earn a “C” or better in all major and supporting courses (other than those courses in which a “B” or better is required per admission criteria).

DEPARTMENT OF HEALTH PROMOTION AND ADMINISTRATION

Chair
Dr. Michael Ballard
(859) 622-1916
Dizney 117

Faculty

The Department of Health Promotion and Administration is comprised of programs in: Health Care Management and Health Informatics and Information Management, and Public Health. Admission to all programs is based on the regular admission policies of the University. Specific policies related to each discipline can be found following the program heading as listed.

BACCALAUREATE DEGREES

HEALTH SERVICES ADMINISTRATION

The department offers a baccalaureate degree in Health Services Administration with concentrations in Health Care Management and Health Informatics and Information Management.

Health Care Management Concentration
This concentration gives individuals interested in the administrative aspects of healthcare an interdisciplinary curriculum designed to provide a balance between business and healthcare. This concentration prepares students for entry-level staff and management positions in health care settings.

Health Informatics and Information Management Concentration
This concentration provides a diverse curriculum that provides individuals with a strong background in health care management, health data analytics, health data management, and computer applications in health care. This concentration is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM). Graduates of this concentration are eligible to write the Registered Health Information Administrator (RHIA) exam.

Pre-HSA Curriculum
All students who are accepted by the EKU Admissions Office and declare their major as Health Services Administration are initially placed into a pre-HSA curriculum. The curriculum includes: ACC 200; BIO 171, 301; INF 104; INF 314; CMS 100 or 210; HSA 100, 200; MAT 105 or 114; STA 215 or 270.

Students may apply for HSA program admission when the following requirements are met:
• Institutional GPA of 2.75 or higher
• Completion of each course in the Pre-HSA curriculum with a grade of C or better after a maximum of two attempts.
• Completion of general education requirements (at least 75%)

Students who meet the minimum requirements will be accepted into the program within the enrollment limits determined by the faculty. The Program reserves the right to accept only the best qualified applicants who meet the minimum requirements.

Admission/Progression Criteria
All majors utilize the regular admission policy of the University for students taking courses offered during the first semester of the program. In order to continue in the program and to enroll in major courses, the student must meet the following criteria: (1) maintain an institutional GPA of 2.75 on a 4.0 scale and (2) complete all major and support courses with a minimum grade of “C” after a maximum of two attempts.

A student who is not allowed to continue in the major may appeal the decision by presenting the reasons in writing to the Program’s Admission and Progression Committee. The student may appeal this committee’s decision to the College Admission Committee by submitting a written request to the Dean of Health Sciences. The decision of this committee shall be final.

Professional Practice Experience
An important part of the curriculum is professional practice experience in which the student is required to spend part of a semester at a hospital or other health care facility for observation and supervised practice of the skills required for entry into the profession.

Some sites may require health screening such as physical examinations and/or proof of immunizations. The student is responsible for these medical expenses and for living expenses and travel involved in relocation for these assignments.

BACHELOR OF SCIENCE (B.S.)
HEALTH SERVICES ADMINISTRATION
CIP Code: 51.0706

UNIVERSITY GRADUATION REQUIREMENTS
• General Education ........................................................................... 36 hours
• Student Success Seminar (HSO 100; waived for transfers with 30+ hrs) ......................................................................................... 1 hour
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Health Services Administration majors will fulfill ACCT with HSA 413. (These courses are included in the Major totals)

Total Hours University Graduation Requirements ...37 hours

MAJOR REQUIREMENTS
Core Courses ....................................................................................... 48 hours

Concentrations: (students must select one of the following)
Health Care Management .............................................................. 4 hours
HSA 100, 411 (1)
Health Informatics and Information Management ..........11 hours
HSA 306, 370, 405, 412 (1), 415 (1)

Supporting Course Requirements:
Public Health offers the Bachelor of Science degree in Public Health with a Community Health Concentration, a Pre-Professional Concentration, and the Bachelor of Science degree in Public Health and Master of Public Health Accelerated 3 + 2 Dual Degree Accelerated Pathway with a Community Health concentration and a Pre-Professional Concentration. Students who complete the Community Health concentration, the Pre-Professional Concentration, or the accelerated pathway are prepared to determine the health needs of the community and plan and implement effective programs to improve the health of the populations they serve. Community Health Educators may work in Public Health Departments, Volunteer Organizations, Hospitals, and Family Resource Centers. Students who complete the Pre-Professional Concentration receive training in Public Health along with preparation for professional health related graduate programs such as medicine, dentistry, osteopathy, veterinary medicine, or physician assistant. Students in the Pre-Professional Concentration will be assigned to a Public Health advisor and should also consult with a pre-professional health advisor from the College of Science to ensure adequate preparation for professional entrance exams and the professional school application process. Students are responsible for ensuring they have the correct prerequisites for the professional program of their choice.

A student may choose a minor in Public Health. The Bachelor of Science program in Public Health is accredited by the Council on Education for Public Health.

Students who transfer from another college or university must earn a minimum of 12 hours at EKU in the major. Students who transfer from another college or university must earn a minimum of six hours at EKU in the minor. Students who are accepted by the EKU Admissions Office and declare their major as Public Health with a concentration in Community Health or Pre-Professional Concentration must maintain an overall GPA of 2.25 with a grade of "C" or better in all of the required major and supporting courses found in the Public Health Curriculum.

Professional Liability Insurance

Students enrolling in HEA 463 in the Department of Health Promotion and Administration are required to register for student Professional Liability Insurance. This fee is listed in each semester’s schedule of classes. Please see the section on Student Liability Insurance for the College of Health Sciences.

Total hours to complete degree: 120 hours

Bachelor of Science (B.S.)

Public Health

UNIVERSITY GRADUATION REQUIREMENTS

- General Education: 36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.): 1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category): 1 hour
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Public Health majors will fulfill ACCT with HEA 463. (This course is included in the Major total)

Free Electives: 20-22 hours

TOTAL HOURS TO COMPLETE DEGREE: 122-124 hours

Bachelor of Science (B.S.) & Master of Public Health (M.P.H.)

Public Health Accelerated 3 + 2 Dual Degree Program

Students may apply for admission to the Accelerated 3+2 Dual Degree program in their junior or senior year. When applying for admission, the student must select either a Community Health concentration or a Pre-Professional concentration. Students are able to complete their B.S. degree and M.P.H degree within 5 calendar years because of the accelerated curriculum and because 9 semester hours of 800- level graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.P.H. degree. Only undergraduate students of proven academic ability...
will be considered for the program.

Entrance requirements for the 3+2 program must adhere to the same requirements for the Master of Public Health Program in the Graduate Catalog, except entrance examinations (e.g. GRE) are not required for the 3+2 program. Students must fulfill all graduation requirements listed below. Students admitted into the program will remain coded as undergraduate until fulfilling their B.S. requirements. Students admitted into the 3+2 program must complete the Public Health BS degree with a minimum 3.0 GPA to be allowed to proceed with graduate program coursework.

Students who complete the Pre-Professional Concentration receive training in Public Health along with preparation for professional health-related graduate programs such as medicine, dentistry, osteopathy, veterinary medicine, or physician assistant. Students in the Pre-Professional Concentration will be assigned to a Public Health advisor and should also consult with a pre-professional health advisor from the College of Science to ensure adequate preparation for professional entrance exams and the professional school application process. Students are responsible for ensuring they have the correct prerequisites for the professional program of their choice.

**Admission Requirements:**
Students interested in this program must satisfy all the following conditions:
1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 program.

**Program Requirements**
Students in 3+2 Accelerated Dual Degree program must complete the listed Public Health (B.S.) program requirements along with the same requirements for the M.P.H. Program (presented in the Graduate Catalog: listing at http://gradschool.eku.edu/graduate-catalog). Nine (9) credit hours of 800-level graduate coursework (MPH 810, MPH 830, and MPH 855) are applicable to the undergraduate degree.

**UNIVERSITY GRADUATION REQUIREMENTS**
- General Education.......................................................... 36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.).......................................................... 1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Public Health majors studying Community Health will fulfill ACCT with HEA 463. (These courses are included in the Major totals.)

**Total Hours University Graduation Requirements ... 37 hours**

Minor in Public Health Requirements ............................ 18 hours
HEA 290, 316, 320, 480W*, and six hours from HEA 315, 345, 350, 380, 410, 455, 460, 591, 592, 593.

*Course may have prerequisite or corequisite.
DEPARTMENT OF MEDICAL LABORATORY SCIENCE

Chair
Dr. Vonia Grabeel
(859) 622-3078
Dizney 220

Faculty
S. Altheide, P. Campbell and I. El-Amouri

Medical Laboratory Science (MLS) Program
All students who are admitted to the University by the EKU Admissions Office and declare their major as medical laboratory science (MLS) are assigned pre-MLS major status. Admission to the upper-division MLS program requires an overall grade point average (GPA) of 2.5 with a grade of “C”/2.0 or better in each of the required supporting courses. Transfer students must maintain a GPA of 2.5 in courses at EKU as well as an overall GPA of 2.5 for admission to the upper division program.

Students who meet the upper division program requirements will be accepted within the enrollment limits determined by the number of practicum openings. The department reserves the right to accept only the best qualified applicants who meet the upper division program requirements.

Progression Policy
The Department of Medical Laboratory Science limits the number of major courses which may be repeated. Students are allowed only one repeat per major course and a total of not more than two repeats in all major courses combined. In addition, a supporting course may usually be repeated only once.

To remain in the upper division MLS program, a student must maintain an overall GPA of 2.5 with a grade “C”/2.0 or better in each of the supporting and major courses of the curriculum.

DEPARTMENT OF OCCUPATIONAL SCIENCE AND OCCUPATIONAL THERAPY

Chair
Dr. Colleen Schneck
(859) 622-3300
Dizney 103

Faculty

The Department of Occupational Science and Occupational Therapy provides a continuum of educational experiences that prepare a student at the undergraduate level for a career as a non-credentialed health and human service professional and at the graduate level for a career as an occupational therapist. Undergraduate students can enter the Occupational Science program, receive a Bachelor of Science degree, and apply for admission to the master’s program in Occupational Therapy.

Baccalaureate Degree
Bachelor of Science (B.S.)
Medical Laboratory Science
CIP Code: 51.1005

University Graduation Requirements
- General Education .................................................. 36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.) ................................................................. 1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Medical Laboratory Science majors will fulfill ACCT with MLS 438. (Credit hours are incorporated into major requirements below.)

- G = Course also satisfies a General Education element.
- Hours are included within the 36 hr. General Education requirement above.

Free Electives .......................................................... 7 hours

Total Hours to Complete Degree ................. 120 hours
Individuals with a baccalaureate degree in another field and who have completed the required prerequisite courses can apply for admission to the transition program (See Graduate Catalog) and earn a second B.S. Degree in Occupational Science. After completing the Master of Science degree in Occupational Therapy, students are eligible to take the occupational therapy national certification examination.

The Occupational Therapy program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE), 4720 Montgomery Lane, Suite 200, Bethesda, MD 20814-3449, (301) 652-2682, www.acotonline.org. Certification for the occupational therapy profession is provided through the National Board for Certification in Occupational Therapy (NBCOT), One Bank Street, Suite 300, Gaithersburg, MD 20878, www.nbcot.org.

Baccalaureate Degree in Occupational Science (BS)

Occupational science, an evolving social science, is the study of human occupation. Occupational scientists study why and how we occupy our time through activity, organize ourselves through activity patterns and habits, respond to the context in which occupations occur, and create meaning through occupations.

Students may combine the study of human occupation with other areas of interest through electives or a minor, including but not limited to, Horses, Humans and Health, Psychology, Child and Family Studies, Biology, Community Health, Gerontology, and Business. While many graduates of the Occupational Science program apply for entry into the Occupational Therapy Master’s program, some may choose other graduate education options or seek employment in non-credentialed health care, education or community positions. These careers may include case manager, independent living skills coordinator, activity coordinator, medical sales representative, senior citizen program coordinator, mental health associate, and job coach for persons with developmental disabilities.

The five themes of the occupational science curriculum are occupation, reasoning, diversity, communication, and professional identity. Interwoven are the curriculum elements of concepts and knowledge, active community learning experiences, integrative seminars, and authentic assessment and portfolio development. A value inherent in the curriculum model is that learning is optimal when educators guide student immersion in personally meaningful challenges that are processed in a supportive environment.

Graduates of the Occupational Science program meet the following outcomes:

1. Apply knowledge of occupational science to analyze self and others as occupational beings to promote health and wellness.
2. Analyze the dynamics of context and occupation across the lifespan.
3. Demonstrate the use of varied types of reasoning required of health professionals.
4. Analyze the purpose and demonstrate the methods of scholarly inquiry.
5. Examine dimensions of diversity.
6. Assess how diversity influences occupational opportunity and participation of individuals, populations and organizations.
7. Evaluate communication skills and abilities using the ideas and language of occupational science.
8. Demonstrate observation and interview skills.
9. Synthesize knowledge of societal health concerns and professional responsibilities.
10. Appraise actions as a student, advocate, educator, leader and researcher.

Admission and Progression Requirements

All students who are accepted by EKU’s Admission office and declare their major as Occupational Science are admitted to the University as pre-Occupational Science majors; however, admission to the University does not guarantee admission to the Occupational Science program. Admission is competitive and based on a review of the applicants’ academic history by the department’s Admission, Progression and Retention Committee. Students seeking consideration for admission to the Occupational Science program must meet the following requirements by May in the semester preceding the Fall semester start of the junior year:

1. Completion of 60 hours of coursework, including prerequisites courses
2. Overall GPA of 3.0 or above
3. A minimum of 4 “B”s and 1 “C” in the following prerequisite courses or their equivalents (BIO 171, 301, HSA 200, STA 215, PSY 200)
4. No more than 1 repeat per course in the following prerequisites or their equivalents (BIO 171, 301, HSA 200, STA 215, PSY 200)
5. Health Science Reasoning Test (HSRT)

Application to the Occupational Science Program does not guarantee acceptance into the program.

Students seeking admission to the Occupational Science program and progression to the junior year must follow this process:

1. By March 15th prior to progressing to the junior year of the Occupational Science program, all students must submit an Application for Admission to the Department Chair.
2. Transfer students must be fully admitted to the University by March 15th to be considered for admission to the Occupational Science Program. Students are responsible for submitting their official transcripts to the Office of the Registrar.
3. Based on a competitive admissions review, students will be informed of admission to Occupational Science program after Spring semester grades are posted.

4. Students admitted to the Occupational Science program will then be allowed to register for the junior year classes.

To progress to senior year, all junior academic year required major and support courses must be completed with a grade of “C” or better.

To graduate, all senior academic year required major and support courses must be completed with a grade of “C” or better as well as completion of general education and university requirements for graduation.

For additional admission information please refer to the Selection Criteria at http://www.ot.eku.edu/

Enrollment in the Master of Science program in Occupational Therapy is limited. Completion of the undergraduate program in Occupational Science does not guarantee admission into the graduate program in Occupational Therapy. Refer to the Graduate Catalog for admission requirements and procedures regarding application to the Master of Science program in Occupational Therapy.

Appeals

Students may petition for a waiver of any regulations.
Appeals regarding waiver of a regulation should be addressed to the Admissions and Progression Committee. Grade Appeals should be addressed to the Academic Practices Committee. See the University Student Handbook for details of the appeal procedures.

### BACCALAUREATE DEGREE

**BACHELOR OF SCIENCE (B.S.) OCCUPATIONAL SCIENCE**

**CIP Code: 51.2306**

#### UNIVERSITY GRADUATION REQUIREMENTS

**Supporting Course Requirements** .............................. 18 hours
BIO 171, 271, 301, 371, HSA 200, PSY 200 or 200W("Element 5B"); 308, and STA 215("Element 2). 

\* = Course also satisfies a General Education element.

Hours are included within the 36 hr. General Education requirement above.

**Free Electives** ............................................................ 20 hours

#### TOTAL HOURS TO COMPLETE DEGREE ........ 120 hours

**BACHELOR OF SCIENCE (B.S.) OCCUPATIONAL SCIENCE POST-BACCALAUREATE 2ND DEGREE PATHWAY**

[TRANSITION PROGRAM TO THE MS IN OT PROGRAM]

**CIP Code: 51.2306**

This competitive pathway is designed to prepare students who have completed a Bachelor’s degree in a discipline other than Occupational Science for entrance into the entry level Master of Science in Occupational Therapy program. It is a one year post-baccalaureate program leading to a second Bachelor of Science degree in Occupational Science.

**Admission Requirements**

1. Bachelor’s degree in a discipline other than Occupational Science from a regionally accredited university.
2. “C” or better in all prerequisite coursework: Human Anatomy, Human Physiology, Abnormal Psychology, and Statistics.
3. 3.0 GPA on the most recent 60 hours of coursework (prerequisites to the transition year not included in the most recent 60 hours will be added in the calculation of GPA) or a 3.0 overall undergraduate GPA (all hours attempted in the semester in which the 60th hour occurs will be counted) determined by May 1st program application deadline. In addition, applicants who do not have an institutional GPA of 3.0 or higher must also complete the GRE to satisfy the admission requirements of the Graduate School.
4. Health Science Reasoning Test (HSRT) Overall Target Score of 15.
5. Three letters of recommendation.

**Specific Criteria**

Students should apply through the undergraduate school and the Department of Occupational Science and Occupational Therapy by May 1st. Prerequisite course work must be completed by the end of the Spring semester of the application year.

Students may be requested to submit a course description of prerequisite course work with the application. Students will be admitted on a competitive basis using a weighted matrix.

Students accepted into the Transition program are required to take a year of undergraduate courses prior to beginning Master of Science course work. Students who are accepted into the Transition program must be enrolled in Fall semester transition year courses by July 1st and will continue on into the Master of Science program after completing the transition year courses, if they maintain a GPA of 3.0 during the transition year, complete all transition year courses with a “C” or better and are accepted by the Graduate School. Students will apply to the Graduate School during the transition year of course work. The deadline for application to the Graduate School is February 1st.

#### UNIVERSITY GRADUATION REQUIREMENTS

- General Education ......................................................... WAIVED
- Student Success Seminar .............................................. WAIVED
- Writing Intensive Course .............................................. WAIVED
- ACCT - will fulfill the ACCT with OTS 402S

(Credit hours are incorporated into Major requirements below.)

#### MAJOR REQUIREMENTS

**Core Courses** ........................................................... 31 hours
BIO 271, 371; OTS 311, 312, 362, 401, 402S, 422(4), 430 and 478W.

**TOTAL HOURS TO COMPLETE DEGREE ........ 31 hours**

### MINOR

**MINOR IN HORSES, HUMANS AND HEALTH**

This interdisciplinary minor offers students a chance to explore the horse-human-health connection through various professions and perspectives. Students interested in working in the equine industry may pair this minor with any major to develop their interests and career paths. An elective in human development offers students the ability to tailor their academic study to individual needs. A student may complete this minor by taking 18 hours (including prerequisites/corequisites) as indicated below.

**Minor Requirements** .............................................. 18 hours
OTS 205, REC 210*, AGR 250, OTS 479S, ANS 497* (topic: the horse), and one elective in human development from the following: CDF 235, CDF 342, CDF 441, HEA 285, OTS-421*, PSY 280, or SED 104.

*Indicates the course may have prerequisites or corequisites.
DEPARTMENT OF RECREATION AND PARK ADMINISTRATION

Chair
Dr. Jon McChesney
(859) 622-1833
Begley 407

Faculty
M. Bradley, B. Clark, M. Gerken, S. Jones, and J. McChesney

The Department of Recreation and Park Administration offers the Bachelor of Science degree in Recreation and Park Administration with four concentrations: Tourism & Resort Recreation, Natural Resources & Recreation Management, Recreation Management and Event Planning, and Therapeutic Recreation. The department also offers a minor in Recreation and Park Administration.

Students who transfer from another college or university must earn a minimum of 12 hours at EKU in their major. Students who transfer from another college or university must earn a minimum of six hours at EKU in their minor.

Graduates of the Tourism & Resort Recreation concentration find career opportunities in local, state, federal and private agencies that promote tourism, travel agencies, convention services, resort supervision and management, cruise lines, amusement and theme parks, as well as other commercial recreation agencies.

Graduates of the Natural Resources & Recreation Management concentration find a wide variety of career opportunities such as park ranger, interpretive naturalist, camp director, recreation forester, fish and wildlife positions, and youth and adult outdoor recreation programming positions.

Graduates of the Recreation Management and Event Planning concentration find professional careers available in local, state, county and federal agencies, park management, golf course management, recreation supervision, aquatics, cultural arts programming, athletic programming, YMCA and YWCA, Boy Scouts and Girl Scouts, 4-H, and various other private and public agencies providing park, recreation and leisure services.

Graduates of the Therapeutic Recreation concentration find one of the fastest growing areas in the field of recreation and leisure services. Professionals in TR design programs to meet the needs of special populations, people with physical or developmental disabilities, and people with temporary or permanent psychiatric disorders. TR professionals work in children’s hospitals, mental health institutions and psychiatric hospitals, rehabilitation clinics, nursing homes, medical care facilities, transitional living facilities, group homes, camps, community-based programs, and community residential agencies.

The BS degree in Recreation and Park Administration provides 15 credit hours of direct hands-on field experience. The senior internship (12 credit hours) serves as an excellent transition from school to work, and many students are hired directly out of their internship.

Students majoring or minoring in Recreation and Park Administration are required to attain a minimum grade of “C” in all REC courses and a 2.5 or better average in all REC courses. All REC core and REC concentration courses must be completed prior to enrollment in REC 463, Senior Internship or Rec 473 Therapeutic Recreation Internship.

MAJOR REQUIREMENTS
Core Courses..........................................................31 hours
REC 101(1), 102, 163(1), 200, 263(2), 311, 350, 401, 406, 410, 450W, and 460:

Concentrations: (students must select one of the following)
Natural Resources & Recreation Management......29 hours
REC 180 (1), 190(1), 290, 380, REC 463(12), 516, 530; and 3 hours from the following: REC 590 or WLD 317.

Recreation Management and Event Planning.......31 hours
REC 190(1), 225, 280, 290, 480, 463(12), 530 and 3 hours from the following courses: REC 516 or 590.

Therapeutic Recreation..........................................27 hours
REC 210, 411S, REC 473(12), 511, 512S; REC 520.

Tourism & Resort Recreation.................................30 hours
REC 225, 250, 280, 380, 480, 463 (12), and 3 hours from the following courses: REC 516, 530 or 590.

Supporting Course Requirements (all concentrations)......05 hours
CMS 210(“Element 1C)

Additional Supporting Course Requirements:
Therapeutic Recreation Concentration...................13 hours
EMC 105 (1), BIO 171, 301; PSY 200 or 200W(“Element 5B), 280 or 280W, 308.

Free Electives:
Natural Resources & Recreation Management........23 hours
Recreation Management and Event Planning...........21 hours
Therapeutic Recreation.........................................12 hours
Tourism & Resort Recreation...............................22 hours

TOTAL HOURS TO COMPLETE DEGREE........................120 hours
Students may apply for admission to the Accelerated 3+2 Dual Degree program in their junior or senior year. Students are able to complete their B.S. degree and M.S. degree within 5 calendar years because of the accelerated curriculum and because 9 semester hours of 700-level graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program.

Entrance requirements for the 3+2 must adhere to the same requirements for the M.S. Recreation and Park Administration Program in the Graduate Catalog, except entrance examinations (e.g. GRE) are not required for the 3+2 program. Students must fulfill all graduation requirements listed below. Students admitted into the program will remain coded as undergraduate until fulfilling their BS requirements. Students admitted into the 3+2 program must complete the Recreation And Park Administration BS degree with a minimum 3.0 GPA to be allowed to proceed with graduate program coursework.

Admission Requirements:
Students interested in this option must satisfy all of the following conditions:
1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 program.

Program Requirements
Students in 3+2 Accelerated Dual Degree program must complete the listed Recreation And Park Administration B.S. program requirements along with the same requirements for the Recreation And Park Administration M.S. Program (presented in the Graduate Catalog: listing at http://gradschool.eku.edu/graduate-catalog). Nine (9) credit hours of 700-level graduate coursework (REC 716, REC 730, and REC 790) are applicable to the undergraduate degree.

UNIVERSITY GRADUATION REQUIREMENTS
- General Education .............................................................. 36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.) ................................................................. 1 hour
- Writing Intensive Course (hours incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
Certificates

**Certificate in Adventure Recreation & Leadership**

Certificate Requirements ...........................................18 hours
REC 163 (1), 180 (1), 263 (2), REC 349 (2), 290, 460* ..........................................................12 hours
Select six hours from REC 409*, 516/716, 530/730, 590/790 ..........................................................6 hours

*Course may have pre-requisite or co-requisite

**Certificate in Tourism & Event Planning**

Certificate Requirements .................................18 hours
REC 163(1), 263 (2), 349, 280, 380, 460*, 480

*Course may have pre-requisite or co-requisite

SCHOOL OF JUSTICE STUDIES

SCHOOL OF SAFETY, SECURITY AND EMERGENCY MANAGEMENT

www.justice.eku.edu

The College of Justice and Safety at Eastern Kentucky University is one of the largest of its type in the United States and is one of the six colleges that comprise the academic structure of the University. Within the College of Justice & Safety is the School of Justice Studies, and the School of Safety, Security, & Emergency Management. Faculty in the College are nationally and internationally known for their teaching, research and service.

The Commonwealth of Kentucky named the College of Justice & Safety as the first Program of Distinction at Eastern Kentucky University in 1998. The Program of Distinction has funded renovations for a new Stratton annex, Ashland Building and Perkins Building, new degree programs, upgraded classrooms and computer labs, provided additional research opportunities for faculty and students, as well as scholarship opportunities for students majoring in programs offered by the college.

Associate, baccalaureate, and master’s degree programs are offered by the College of Justice and Safety. Many programs are also available online.

The College is committed to a career ladder concept by providing opportunities for students enrolled in or completing associate (two-year) degree programs to transfer to a corresponding baccalaureate (four-year) program with little or no loss of credit.

Most programs in the College are housed in the Stratton Building, an outstanding and unique facility which includes two annexes, a remodeled shared entrance; renovated student commons and classrooms with new technology, 250-seat auditorium, two computer labs and a cafeteria. The Fire Science programs have additional offices, classroom, and labs in Ashland Building and the Emergency Medical Care program has offices, classrooms and labs in the Stratton Annex.

**Admission to the College**

Students seeking admission to the College of Justice and Safety must meet general University requirements and should indicate their intention to major in a program of the College.

After being admitted to the College, a student will be assigned to a professional advisor, in the Academic & Advising Center, who will assist in selecting the proper courses leading to the desired degree.

**Degree Requirements**

General University degree requirements appear in Section Four of this Catalog, and specific requirements for each of the degree programs offered by the College of Justice and Safety appear below; both sets of requirements must be met by students completing associate and baccalaureate programs. Unless otherwise specified, all programs in the College of Justice and Safety require a grade of “C” or better for all required major and supporting courses. See the program descriptions under each department for specific major and minor requirements. Common to all programs is the Student Success Seminar.

**Major and Minor Credit Minimum**

Unless otherwise specified, regardless of the advanced standing under which the student may have been admitted or what credits have transferred, 18 hours of advanced course work (courses numbered 300 or above) applied for credit toward the major subject for a baccalaureate degree, nine hours of advanced course work applied for credit toward the major subject for an associate degree, and six hours of advanced course work toward major subject for a minor must be earned at Eastern.

**SCHOOL OF JUSTICE STUDIES**

**Associate Dean**
Dr. Gary W. Potter
Stratton Building, Room 348-B

**Faculty**

**College of Justice and Safety Residency Requirement**

The College of Justice and Safety requires that students graduating with a baccalaureate degree from the School of Justice Studies, or the School of Safety, Security, and Emergency Management, must earn a minimum of 18 upper division credit hours in the home subject of their major (excluding co-op and applied learning), as specified by Degree Works.
UNIVERSITY GRADUATION REQUIREMENTS

- General Education .................................................. 36 hours
- Student Success Seminar (JSO 100; waived for transfers with 30+ hrs.) ............................................................. 1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Corrections and Juvenile Justice Studies majors will fulfill ACCT with CRJ 375 or CRJ 490 or CRJ 490W. (Credit hours are incorporated into major requirements below.)

Total Hours University Graduation Requirements ....... 37 hours

MAJOR REQUIREMENTS

Majors must have a minimum grade point average of at least 2.0 across major core, option, and elective course requirements in order to graduate.

Core Courses .............................................................. 21 hours
- COR 201, 311, 360; CRJ 313 or 313S, 331, 388, 400.

COR Electives ............................................................ 18 hours
- Select from CRJ 490 or CRJ 490W or any upper division COR elective in consultation with major advisor.

Supporting Courses ..................................................... 6 hours
- Select any two of the following courses in consultation with major advisor: any upper division CRJ course; HLS 101, 201, 312, 341; PLS 103, 216, 316, 380, 390, 415; PSY 200 or 200W("Element 5B), 308, 314.

Free Electives ............................................................. 38 hours

TOTAL HOURS TO COMPLETE DEGREE ............ 120 hours

Online Course Work

The major requirements for the Bachelor of Science B.S. degree, as well as coursework required for professional certificates (see below), are to be completed online. For first-time freshmen, admission requirements include a high school GPA of 2.5 or greater and a 20 composite ACT or 950 SAT math and verbal combined score. If a student is below in an area they will be directed to complete a college readiness course at time of registration. Admission requirements for transfer students include a GPA of 2.0 on a 4.0 scale and good academic and financial standing at previous institution. The University requirement that B.S. students must earn a minimum of 30 of the last 36 hours through EKU is waived for students pursuing the B.S. major requirements online. However, a minimum of 32 hours must be earned through EKU.
COLLEGE OF JUSTICE AND SAFETY

Select from PLS, CRJ or COR electives (12 hrs must be upper division courses).

Supporting Electives .................................................6-9 hours
Select 9 hours from: APS 210, EMC 102 or 110, FOR 301, FSE 250, or TRS 332, or a combination to include 3 hrs (200 level or above) of Foreign language or American Sign Language (ASL) in consultation with major advisor (*Element 6).

G = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education requirement above.

Free Electives ........................................................26-29 hours

TOTAL HOURS TO COMPLETE DEGREE ..........120 hours

BACHELOR OF SCIENCE (B.S.)
SOCIAL JUSTICE STUDIES
CIP Code: 30.9999

UNIVERSITY GRADUATION REQUIREMENTS
• General Education .................................................. 36 hours
• Orientation Course (JSO 100; waived for transfers with 30+ hrs.) ........................................ 1 hour
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT (Credit hours may be incorporated into Major or Supporting requirements)

Total Hours University Graduation Requirements ...37 hours

MAJOR REQUIREMENTS
Core Courses ......................................................... 18 hours
SJS 101, 250S, 301, 313, 396, and 450S

SJS Electives .......................................................... 15 hours
Select from any upper division SJS electives in consultation with major advisor: SJS 322, 325, 401, 423, 467, 470, 480, or 490

Supporting Courses ..............................................12 hours
Select courses from at least two of the following areas in consultation with major advisor: APP, CRJ, POL, SOC, or WGS

Free electives .........................................................38 hours

TOTAL HOURS TO COMPLETE DEGREE ..........64 hours

ASSOCIATE DEGREE

ASSOCIATE OF ARTS (A.A.)
POLICE STUDIES
CIP Code: 43.0106

UNIVERSITY GRADUATION REQUIREMENTS
General Education ....................................................36 hours
Standard General Education program (Elements 1-6 inclusive, per Section Four of this Catalog). Students should refer to their DegreeWorks audit for General Education course selections. Foreign language (200 level or above) or American Sign Language (ASL), selected in consultation with major advisor, is encouraged as a selection to fulfill General Education Element 6.

Student Success Seminar (JSO 100; waived for transfers with 30+ hrs.) ..............................................1 hour

Total Hours University Graduation Requirements ....37 hours

MAJOR REQUIREMENTS
Core Courses .........................................................15 hours
CRJ 101, PLS 103, 326, 414, 415.

PLS Electives ........................................................12 hours
Select from PLS, CRJ or COR electives.

Total Curriculum Requirements ..............................64 hours

MINORS

MINOR IN CRIMINAL JUSTICE
A student may minor in Criminal Justice by completing CRJ 101, 313, 331, 388, 400 and one upper level CRJ elective.

MINOR IN POLICE STUDIES
A student may minor in Police Studies by completing a minimum of 18 semester hours of the following courses: CRJ 101, PLS 103, PLS 414, and 9 hours of PLS upper division electives. A grade of “C” or higher must be earned in each CRJ or PLS course for credit toward a PLS minor.

MINOR IN SOCIAL JUSTICE
A student may minor in Social Justice by completing CRJ 101; CRJ 345 or SOC 400; CRJ 325, PLS 390 or CRJ 401; CRJ 406; SOC 235 or POL 464; and SOC 313 or 375. (Students majoring in police studies or criminal justice may not minor in social justice.)

CERTIFICATES

PROFESSIONAL CERTIFICATE IN CORRECTIONAL INTERVENTION STRATEGIES
This certificate includes 12 hours of required courses and 12 hours of electives and is available in the online format. Courses include content that reflects the theoretical and contemporary issues facing corrections professionals. The program will enhance student knowledge regarding effective correctional interventions, provide students with practical knowledge that can be used in their daily work, and for students interested in continuing their education, provide a first step toward degree completion.

Major Requirements ..............................................12 hours
COR 201, 302, 303, 360.

Electives .........................................................12 hours
Select from COR 323, 340, 410, 412, 413, 420, 423; CRJ 313, 331.

Total Curriculum Requirements ..............................24 hours
**Professional Certificate in Youth Services**

This certificate includes 12 hours of required courses and 12 hours of electives and is available in the online format. Courses include content that reflects the theoretical and contemporary issues facing juvenile justice professionals. The program will enhance student knowledge regarding effective juvenile justice interventions, provide students with practical knowledge that can be used in their daily work, and for students interested in continuing their education, provide a first step toward degree completion.

**Major Requirements**

- COR 311, 321, 360, 422.

**Electives**

- COR 322, 340, 410, 420, 421, 423; CRJ 313, 331.

**Total Curriculum Requirements**

12 hours + 12 hours = 24 hours

---

**SCHOOL OF SAFETY, SECURITY & EMERGENCY MANAGEMENT**

**Associate Dean**

Dr. Gary W. Potter
Stratton Building, Room 354-B

**Faculty**

**College of Justice and Safety**

**Residency Requirement**

The College of Justice and Safety requires that students graduating with a baccalaureate degree from the School of Justice Studies, or the School of Safety, Security, and Emergency Management, must earn a minimum of 18 upper division credit hours in the home subject of their major (excluding co-op and applied learning), as specified by Degree Works.

**Admission Procedure: Emergency Medical Care**

Students who have been admitted to the University and College of Justice and safety and declare a major in Emergency Medical Care are admitted to the Emergency Medical Care Program. Admission to the Emergency medical Care Program does not guarantee admission to the Advanced Emergency Medical (paramedic) sequence.

Emergency Medical Care students are accepted each semester. Students are selected for admission into the Advanced Emergency Medical Care Program once a year. Selection is made based on the admission matrix. Criteria include: GPA, entrance exam scores, pre-requisite course grades and completion. Information meetings or communication will be held. Please refer to the EMC webpage for additional information.

**Additional Requirements**

1. Students must have a minimum grade of “C” in all advanced sequence, EMC pre-requisite courses.
2. Students must maintain a minimum GPA of 2.0 on a 4.0 scale.
3. Students must purchase and maintain the student liability insurance prior to enrollment in EMC 110, 115, 342, 352, 360, 362.
4. All transfer credit evaluation and program approval must be completed prior to the application deadline.

**NREMT-P TO ASSOCIATE OF PARAMEDICINE (ASP) DEGREE PROGRAM**

**Admission Requirements:**

Current holders of National Registry of Emergency Medical Technicians – Paramedic (NRP or State credentialing as defined by the program) certification may earn the Associate of Paramedicine (ASP) degree through an accelerated program offered by the EMC department. Applicants for admission into this accelerated program are accepted each semester.

**Program**

Students admitted into the NRP NREMT-P to ASP program will be required to take all general education and supporting coursework for the Associate of Science Paramedicine (A.S.P.).

**Core Courses:**

- EMC 380 and 382.

After successful completion of both EMC 380 and 382, students will receive 18 credit hours which include EMC 335, 340, 342, 352, 360, 362.

- EMC 105, 110, 303.

Credit for EMC 105, 110, 303, is available through successful completion of department proficiency examinations.

- EMC 104, 310, 315, and 320.

Current and maintained certification in AHA CPR for Healthcare Professionals, ACLS-EP, PALS (and/or PEPP), and certification in PHTLS (or ITLS) may result in credit for EMC 104, 310, 315, and 320.

**Supporting and General Education Courses are required:**

**General Education Elements:**

- Element 1. ENG 101, 102; Element 3. Arts and Humanities (3 credit hours); and Element 5B and Social Behavioral Sciences (3 credit hours);

**Supporting Courses:**

- BIO 171, 301.

A total of 64 credit hours are required to obtain the Paramedicine (A.S.P.). Students must also obtain a minimum grade of “C” in all EMC courses. Students must also maintain an overall EKU GPA of 2.0 on a 4.0 scale.

**Transferring Paramedic Credit into the EMC Program**

Effective January 2013 the National Registry has instituted a policy requiring that all candidates for certification must complete coursework from a CoAEMSP nationally accredited paramedic program.

**Time Limit for Program Completion**

To maintain EKU’s status as a CoAEMSP nationally-accredited paramedic program students must progress through their EMC advanced sequence of classes (200-level and 300-level courses, as well as supporting courses) within a specified time limit. Each student must successfully complete all of these courses before they are eligible to take the NREMT skill and didactic examinations to obtain the NREMT Paramedic card. The start of an individual student’s time limitation (“advanced sequence...
and testing clock”) will be determined by the student’s program advisor.

Credit from a CoAEMSP Accredited Paramedic Program
Students with transfer credit from a CoAEMSP accredited paramedic program may have this credit used to fulfill a portion of their major and supporting program requirements. Such work will be evaluated by EMC faculty for comparability and content; students may be required to complete departmental exams to gauge subject mastery and to assist with appropriate course placement.

Baccalaureate Degrees

Bachelor of Science (B.S.)
Emergency Medical Care
CIP Code: 51.0904

UNIVERSITY GRADUATION REQUIREMENTS
- General Education .......................................................... 36 hours
- Student Success Seminar (JSO 100 [1]; waived for transfers with 30+ hrs.) .................................................. 1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Emergency Medical Care majors will fulfill ACCT with EMC 362.
  (Credit hours are incorporated into major requirements below.)

Total Hours University Graduation Requirements ....... 37 hours

MAJOR REQUIREMENTS
Core Courses .................................................................. 39 hours
EMC 300, 303, 305, 310, 320, 335, 340, 342/342L, 352/352L, 360(2), 362(4), 400, 489.

Major Concentrations (select one):
Emergency Services Administration, Paramedical Clinic/FSE, or Paramedic Science.

Supporting Courses:
Emergency Services Administration
Concentration ................................................................. 26 hours
BIO 171, 301; CHE (Element 4) 101/101L, 102/102L; EMC 420, 430, or 430W, 440, 480; PSY 200 (Element 5B), 308.

Paramedical Clinic/FSE
Concentration .................................................................. 23 hours
BIO 171, 301; CHE (Element 4) 101/101L, 102/102L; FSE 200, 320; FSE 225 or OSH 261; PSY 200 (Element 5B), 308.

Paramedic/Science Concentration .................................. 32 hours
BIO 318(4), 171, 273(4), 301; CHE (Element 4) 111/111L, 112/112L, 361/361L, 362/362L; PHY 131(5).

= Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above. A maximum of 3 cr. hr. will count toward Element 4.

Free Electives ................................................................. 12-21 hours
TOTAL HOURS TO COMPLETE DEGREE .............. 120 hours

Bachelor of Science (B.S.)
Fire, Arson, and Explosion Investigation
CIP Code: 43.0205

UNIVERSITY GRADUATION REQUIREMENTS
- General Education ....................................................... 36 hours
- Student Success Seminar (JSO 100; waived for transfers with 30+ hrs.) .................................................. 1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Fire, Arson and Explosion Investigations majors will fulfill ACCT with FSE 496.
  (Credit hours are incorporated into major requirements below.)

Total Hours University Graduation Requirements ....... 37 hours

MAJOR REQUIREMENTS
The Department of Safety, Security, and Emergency Management requires that each graduate of Fire, Arson, and Explosion Investigation (B.S.) must complete a minimum of 32 credit hours in the College of Justice and Safety at Eastern Kentucky University and must complete a minimum of 18 upper division credits from the Safety, Security and Emergency Management Department.

Core Courses .................................................................. 59 hours
FSE 101, 120, 200, 201 or 201S, 221, 223, 250, 260, 280, 305, 330, 349(3), 350, 355, 370, 380, 450, 495, 496, 499(2).

Supporting Course Requirements .................................. 14 hours
CHE 101/101L(4) (Element 4), 102/102L(4), or CHE (Element 4) 111/111L, 112/112L; FOR 301; MAT 114 (Element 2).

Free Electives ................................................................. 16 hours
TOTAL HOURS TO COMPLETE DEGREE .............. 120 hours

Bachelor of Science (B.S.)
Fire Protection Administration
CIP Code: 43.0202

UNIVERSITY GRADUATION REQUIREMENTS
- General Education ....................................................... 36 hours
- Student Success Seminar (JSO 100; waived for transfers with 30+ hrs.) .................................................. 1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Fire Protection Administration majors will fulfill ACCT with FSE 400.
  (Credit hours are incorporated into major requirements below.)

Total Hours University Graduation Requirements ....... 37 hours

MAJOR REQUIREMENTS
The Department of Safety, Security, and Emergency Management requires that each graduate of Fire Protection Administration

Program Educational Objectives
Within 3-5 years of graduation, graduates of the Fire Protection and Safety Engineering Technology Program will be able to:

1. Practice fire protection engineering regionally, nationally, and internationally in a broad range of modern professional settings.
2. Actively participate in the development of engineering decisions on societal, environmental, economical, and safety issues at the local or global levels.
3. Understand the need for lifelong learning and continued professional development.
4. Maintain continual professional competence and practice ethically.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education .................................................36 hours
• Student Success Seminar (JSO 100; waived for transfers with 30+ hrs.) ........................................................... 1 hour
• Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
• ACCT - Fire, Protection, and Safety Engineering Technology majors will fulfill ACCT with FSE 481.
(Credit hours are incorporated into major requirements below.)

Total Hours University Graduation Requirements....37 hours

MAJOR REQUIREMENTS
The Department of Safety, Security, and Emergency Management requires that each graduate of Fire, Protection, and Safety Engineering Technology (B.S.) must complete a minimum of 32 credit hours in the College of Justice and Safety at Eastern Kentucky University and must complete a minimum of 18 upper division credits from the Safety, Security and Emergency Management Department.

Core Courses....................................................48 hours

Supporting Courses.........................................41 hours
CHE (Element 4) 101/101L, 102/102L; CON 303, 322; MAT 234(4)(Element 2), 244(4); PHY 201(5), 202(5), 375; TEC 190.

G = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education requirement above.

TOTAL HOURS TO COMPLETE DEGREE.........120 hours
College of Justice and Safety

(ⁿElement 5A) or MSL 303 (ⁿElement 5A); POL 100 (ⁿElement 5B) or 101 (ⁿElement 5B); PSY 200 (ⁿElement 5B) or 200W (ⁿElement 5B); and GEO 353.

ⁿ = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above. A maximum of 3 cr. hrs. will count toward Element 2. A maximum of 3 cr. hrs. will count toward Element 4. A maximum of 3 cr. hrs. will count toward Element 5A. A maximum of 3 cr. hrs. will count toward Element 5B.

Free Electives ...............................................................35 hours
TOTAL HOURS TO COMPLETE DEGREE ..........120 hours

Bachelor of Science (B.S.)
OCCUPATIONAL SAFETY
CIP Code: 15.0703

UNIVERSITY GRADUATION REQUIREMENTS
• General Education ..........................................................36 hours
• Student Success Seminar .............................................1 hour
(JSO 100; waived for transfers with 30+ hrs.)
• Writing Intensive Course (Hrs. incorporated into Major/
Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/
Supporting/Gen Ed/Free Electives categories)
• ACCT - Occupational Safety majors will fulfill ACCT with
OSH 349 or 495.
(Credit hours are incorporated into major requirements
below.)

Total Hours University Graduation Requirements ....37 hours

MAJOR REQUIREMENTS
Core Courses .................................................................36 hours

Supporting Course Requirements .................................37 hours

Fire Prevention/Protection: Select 9 hours from the following
courses: FSE 101, 120, 221, 224, 349, OSH 225, 305, or 489.

Industrial Risk Management: Select 18 hours from the following
courses: EHS 280, 340, HLS 210, OSH 349, 370, 420, 489, TRS 225, or 395.

General Education Requirement:
CHE 101/101L (4) (ⁿElement 4) or 111/111L (4) (ⁿElement 4),
MAT 112 or 114(3) (ⁿElement 2), and PHY 101(3) (Element 4).

ⁿ = Course also satisfies a General Education element. Some
supporting course hours are therefore included within the 36 hr. General Education requirement above.

Free Electives ...............................................................10 hours
TOTAL HOURS TO COMPLETE DEGREE ..........120 hours

Associate Degree

Associate of Science (A.S.)
PARAMEDICINE
CIP Code: 51.0904

UNIVERSITY GRADUATION REQUIREMENTS
• General Education ......................................................15 hours
Elements: 1A, 1B, 3B, 5A or 5B, and 3 hrs free elective
General Education courses.
• Student Success Seminar (JSO 100[1]; waived for transfers
with 30+ hrs.) ..........................................................1 hour

Total Hours University Graduation Requirements ...16 hours

MAJOR REQUIREMENTS
Core Courses .................................................................33 hours
EMC 300, 303, 305, 310, 315(1), 320, 335, 340, 342/342L,
352/352L, 360(2), and 362(4).

Supporting Courses ......................................................6 hours
BIO 171, 301; ENG 101 and 102, or 105 with a grade of
“A” or “B” (ⁿElement 1A & 1B); 3 hrs General Education
Humanities (ⁿElement 3B); 3 hrs of Social Science (ⁿElement
4 or 5B); 3hrs additional General Education.

ⁿ = Course also satisfies a General Education element.
Hours are included within the General Education requirement
above.

Electives .................................................................9 hours
TOTAL HOURS TO COMPLETE DEGREE ..........64 hours

Minors

Minor in Disaster Management
CIP Code: 43.0302

A student may minor in Disaster Management by completing,
with a grade of “C” or better, a total of 18 semester hours as
follows:
Requirements ..........................................................9 hours
HLS 260, 461, and 491.

Electives .................................................................9 hours
HLS 349, 391, 445, or 455, GEO 315, 325, 353, 453, or 456.

Total Curriculum Requirements .................................18 hours

Minor in Emergency Medical Care

The Minor in Emergency Medical Care is not available to
B.S. Emergency Medical Care majors. A student may minor in
Emergency Medical Care by completing, with a grade of “C” or
better, a total of 18 semester hours as follows:
Requirements ..........................................................6 hours
EMC 104(1), 110, 110L(2).

Electives .................................................................12 hours
EMC 105(1), 300, 303, 400, 420, 430W, 440, 480, 489.

Total Curriculum Requirements .................................18 hours

182 2018-2019 EKU UNDERGRADUATE CATALOG
MINOR IN FIRE AND SAFETY ENGINEERING TECHNOLOGY

The courses required to complete a minor in Fire and Safety Engineering Technology include:

Requirements................................................. 18 hours
FSE 120; FSE 225 or OSH 262; 12 hours of FSE or OSH electives. Nine hours must be upper division.

Total Curriculum Requirements ......................... 18 hours

MINOR IN JUSTICE AND SAFETY

College of Justice and Safety

MINOR IN FIRE, ARSON, AND EXPLOSION INVESTIGATION

A student may minor in Fire, Arson, and Explosion Investigation by completing, with a grade of “C” or better, a total of 21 semester hours as follows:

Requirements................................................. 21 hours
FSE 120, 250, 350, 370, 380, 450, and 495.

Total Curriculum Requirements ......................... 21 hours

MINOR IN FIRE PROTECTION ADMINISTRATION

A student may minor in Fire Protection Administration by completing, with a grade of “C” or better, a total of 21 semester hours as follows:

Requirements................................................. 21 hours
FSE 120, 201, 223, 225, 365, 375, and 400.

Total Curriculum Requirements ......................... 21 hours

MINOR IN HOMELAND SECURITY

CIP Code: 43.0301

Not available to B.S. in Homeland Security majors or Homeland Security certificate-seeking students.

A student may minor in Homeland Security by completing, with a grade of “C” or better, a total of 18 semester hours as follows:

Requirements................................................. 18 hours
HLS 101, 210, 260 or 461, and 301; HLS 391, 401 or 465; and HLS 430.

Total Curriculum Requirements ......................... 18 hours

MINOR IN INDUSTRIAL FIRE PROTECTION

A student may minor in Industrial Fire Protection by completing, with a grade of “C” or better, a total of 21 semester hours as follows:

Requirements................................................. 21 hours
FSE 101, 120, 221, 224, 322, 360, and 480.

Total Curriculum Requirements ......................... 21 hours

MINOR IN OCCUPATIONAL SAFETY

A student may minor in Occupational Safety by completing, with a grade of “C” or better, a total of 18 semester hours as follows:

Requirements................................................. 18 hours
OSH 110, 261, 262, 366, 390, and 410W.

Total Curriculum Requirements ......................... 18 hours

MINOR IN SECURITY OPERATIONS

CIP Code: 43.0112

A student may minor in Security Operations by completing, with a grade of “C” or better, a total of 18 semester hours as follows:

Requirements................................................. 12 hours
HLS 210, 310, 350, and 391.

Electives ............................................................. 6 hours
HLS 301, 320, 349, 402, 445, or 455.

Total Curriculum Requirements ......................... 18 hours

MINOR IN SOCIAL INTELLIGENCE AND LEADERSHIP

Required courses: (a minimum grade of “C” is mandatory in each of the following):

Requirements................................................. 18 hours
CRE 101, EES 250, 300, 310, 450, and 460

Electives ............................................................. 6 hours
HLS 301, 320, 349, 402, 445, or 455.

Total Curriculum Requirements ......................... 18 hours

MINOR IN TRAFFIC SAFETY (NON-TEACHING)

A student may minor in Traffic Safety by completing 18 hours from the following courses: TRS 103, 233, 322, 413; plus seven additional hours selected from TRS 100, 234, 332, 342, 349, 407, 491.

HOMELAND SECURITY CONCENTRATION IN THE ASSOCIATE OF ARTS IN GENERAL STUDIES DEGREE

See page 83 of this Catalog for the Homeland Security Concentration requirements listed in the Associate of Arts in General Studies degree section.

CERTIFICATES

BASIC EMERGENCY MEDICAL TECHNICIAN*

Meets the National Registry of Emergency Medical Technician and Kentucky Board of Emergency Medical Services certification requirement for EMT: EMC 110, EMC 110L. Co-requisite: EMC 104.

Total Curriculum Requirements ......................... 6 hours

*Certificate awarded by the Department of Fire Protection and Paramedicine Sciences and not Eastern Kentucky University.

CERTIFICATE IN HOMELAND SECURITY

CIP Code: 43.0301

Not available to B.S. in Homeland Security majors or minors

Students may obtain a Certificate in Homeland Security by completing, with a grade of “C” or better, a total of 24 semester hours as follows:
Requirements .................................................. 15 hours
HLS 101, 210, 260 or 461, 301, and HLS 430.
Electives ......................................................... 9 hours
HLS 349, 391, 401, 441, 445, 455, or 465.
Total Curriculum Requirements ......................... 24 hours

CERTIFICATE IN INDUSTRIAL FIRE PROTECTION
CIP Code: 43.0201

This certificate prepares students for careers in Industrial Fire Protection. The certificate requires a grade of “C” or better in 24 hours of required courses and 6 hours of specialized practicum. The courses required to complete the Industrial Fire Protection Certificate include:
FSE 101, 120, 221, 300W, 305, 320, 360, OSH 261, FSE 480, and FSE 499(6).
Total Curriculum Requirements .......................... 30-32 hours

CERTIFICATE IN INTELLIGENCE STUDIES
CIP Code: 29.0201

This certificate is collaboratively offered by the Bluegrass State Intelligence Community Center of Academic Excellence with consortium members Eastern Kentucky University, Kentucky State University and Morehead State University. Students enroll in the certificate at their home university but may complete courses at any consortium member. Students must complete a minimum of 6 hours at their home university.

The certificate requires a grade of “C” or better in 12 hours of required intelligence courses and 12 hours within a single Concentration.
Requirements .................................................. 12 hours
HLS 400, 401, 402, and 403
Concentrations .................................................. 12 hours
Concentration Prerequisite: Certificate advisor must pre-approve courses selected for all concentrations.
A Coop or Internship in an intelligence-related position may be credited to meet requirements of any concentration (3 hours maximum).

Intelligence Collection and Analysis Concentration:
Select 12 upper-division hours (300 or 400 level) in courses related to intelligence collection and analysis including, but not limited to, forensic accounting and computing, geographic information systems, logic, mathematics, risk analysis or statistical analysis.

Threat Specialist Concentration:
Select 12 upper-division hours (300 or 400 level) in courses related to threats to public and national security including, but not limited to, criminal justice, homeland security, international relations, international security, national security or terrorism/counterterrorism.

Regional Analysis Concentration:
Select 12 upper-division hours (300 or 400 level) in the culture, economics, environment, geography, history, military, politics, religions or security of a specific country or region (foreign or U.S.). No more than two courses may have the same prefix. Students selecting this concentration must also have a minimum of two lower-division or upper-division courses in a language associated with the selected specific country or region.

Security Operations Concentration:
Select 12 upper-division hours (300 or 400 level) in courses related to cyber security, government/industrial security, personnel security, physical security, risk analysis, security management or workplace investigations.

Science & Technology Concentration:
Select 12 upper-division hours (300 or 400 level) in a scientific or technology discipline, including, but not limited to, astronomy, biology, biotechnology, chemistry, earth science, forensic science, health science, information systems, life science, mathematics, microbiology, pharmacology, physics, space science, toxicology; or in an engineering discipline, including, but not limited to, aerospace, civil, computer, electrical, electronic, mechanical, material, nuclear or systems engineering.
Total Curriculum Requirements ............................. 24 hours

CERTIFICATE IN SECURITY MANAGEMENT
CIP Code: 43.0112

The certificate requires a grade of “C” or better in 12 hours of required courses and 12 hours of elective courses.
Requirements .................................................. 12 hours
HLS 210, 310, 350, and 391.
Electives ......................................................... 12 hours
CIS 320, 325, INF 307, GBU 101, 201, 204, HLS 301, 320, 349, 402, or INS 378.
Total Curriculum Requirements ............................. 24 hours

CERTIFICATE IN SOCIAL INTELLIGENCE & LEADERSHIP
CIP Code: 35.0101

Completing the certificate requires a minimum grade of “C” in the following required courses:
Requirements .................................................. 18 hours
CRE 101W, EES 250, EES 300, EES 310, EES 450 and EES 460.
Total Curriculum Requirements ............................. 18 hours

ENDORSEMENT

DRIVER EDUCATION ENDORSEMENT

The requirements for a driver education endorsement for any teaching major are: TRS 285, 386, 487, and 588.

Welcome to the College of Letters, Arts, and Social Sciences (CLASS). CLASS provides education in the arts, philosophy, literature, languages, and social sciences—fields that help us to understand ourselves and others and provide meaning and richness to our world. CLASS represents EKU’s enduring commitment to a liberal arts education as the intellectual foundation for work, life, and citizenship.

In CLASS, we offer courses and academic programs that provide students with the foundation for success in a dynamic, fast-paced, and diverse world. These foundational skills help students excel and lead in any career, cultivate the creativity and critical thinking to adapt to diverse environments, and resolve society’s most challenging problems in a culturally competent and ethical way. CLASS is focused on cultivating skills that are vital to the contemporary workplace - teamwork, critical thinking, communication, and leadership.

CLASS houses the departments of Anthropology/Sociology/Social Work; Art and Design; Communication; English; Government; History, Philosophy, and Religious Studies; Languages, Cultures, and Humanities; the School of Music; and Psychology.

Additionally, interdisciplinary programs include academic minors in African/African-American Studies, Appalachian Studies, Asian Studies, Applied Creative Thinking, Veterans’ Studies, and Women and Gender Studies. It also houses the interdisciplinary academic areas of Education Abroad, and The Honors Scholars Program.

In CLASS, students can participate in EKU’s nationally-ranked mock trial program, which affords students the chance to learn about the legal process in a simulation format.

**Degrees Offered**

The College of Letters, Arts, and Social Sciences offers the following baccalaureate degrees: Bachelor of Arts, Bachelor of Science, Bachelor of Fine Arts, Bachelor of Music, Bachelor of Social Work, and Bachelor of Arts in Individualized Studies. The Associate of Arts is offered in Paralegal Studies.

**College Degree Requirements**

General University degree requirements as set forth in Section Four of this Catalog as well as specific course requirements set forth in the descriptive curricula must be met by students completing programs administered by the College of Letters, Arts, and Social Sciences. All students graduating with majors in the College of Letters, Arts, and Social Sciences must have a 2.0 GPA in the major exclusive of any supporting courses. Students pursuing a minor in the College must have a minimum 2.0 GPA in the minor. At least twenty-five percent of the courses in the major must be taken at Eastern Kentucky University. In addition, individual programs may have specific requirements that exceed College requirements. Students should consult with an advisor or department chair to learn the particular requirements of a program.

**Affiliated Activities and Resources**

**Pre-Law Advising**

Dan Royalty  
dan.royalty@eku.edu  
Miller 208  
(859) 622-8920

The Pre-Law Advisor assists students who are considering law school after graduation. Students interested in going to law school or exploring the possibility of doing so should contact the Pre-Law Advisor for an appointment as early as possible during their academic career, preferably during their freshman year. A Pre-Law Advisor can identify courses that will help prepare students for law school, plus provide valuable information on law schools, the Law School Admission Test (LSAT), and typical admission procedures.

There is no specific major for pre-law students. A broadly-based liberal education will best prepare one to study law, and therefore no fixed pre-law curriculum is prescribed. Law schools generally are not swayed positively or negatively by a student’s choice of major; rather, they want to see that, whatever a student’s major(s), that student performs well as indicated by his or her academic transcript. Thus pre-law students should choose a major that interests them and in which they are likely to be academically successful. Admission to an accredited law school is dependent upon a good undergraduate record with an earned baccalaureate degree and a competitive score on the Law School Admission Test. Further information for pre-law students can be found at http://
EKU’s 3+3 Accelerated Law Degree Program

Students pursuing a law-school degree may complete their bachelors and Juris Doctorate (J.D.) degree requirements in 6 years rather than the traditional 7 through EKU’s 3+3 Accelerated Law Degree Program with Northern Kentucky University’s Salmon P. Chase College of Law (NKU Chase).

Interested students must contact the CLASS college advisor as early as possible, preferably during their freshman year, for scheduling assistance to ensure that they complete all requirements for eligibility to apply early (during their junior year) to NKU Chase. To be eligible, students can pursue any major, but must be on track to complete successfully at least 90 credits, including all courses for their selected EKU major, EKU general education, and university requirements, by the end of their third year.

In their third year, students apply for early admission to NKU Chase College of Law, and once they complete their first-year courses at Chase, they can transfer those courses back to EKU (30 hours) to complete the 120 hours required for a bachelor’s degree from EKU. Students who pursue the 3+3 Accelerated Law Program and are denied early admission to NKU Chase may reapply to NKU Chase during their senior year or thereafter without prejudice to their subsequent application based on the earlier denial of admission.

For further details, contact the CLASS Pre-Law Advisor.

Mock Trial

Thomas C. Parker, J.D., Coordinator
318-A Crabbe Library
(859) 622-7698

EKU’s nationally-ranked mock trial program affords students the chance to learn about the legal process in a simulation format. Students play the roles of witnesses and attorneys, competing against teams from other schools in tournaments held across the nation. Mock trial develops critical thinking and communication skills, teaches students to work as members of a team, and requires students to respond creatively to unexpected challenges during rounds of competition. Students receive two hours of academic credit (POL 466A and B) per term. Auditions for positions on the team are held each Fall.

Education Abroad

Jennifer White, Director
Keith 129
(859) 622-1705

Studying abroad IS the right choice for you. Eastern Kentucky University encourages all students to take advantage of education abroad opportunities and join the top 10% of American students who have an internationalized degree. The Education Abroad Office has, or will find, options of a short-term winter, summer, semester or year abroad that will fit any major/minor, country of interest and budget. The Education Abroad Office manages institutional scholarship funds that can help to bring study abroad within financial reach.

Study Abroad:

Summer, Spring break, winter break, full semester, or academic year options are available through EKU’s many study abroad providers, including the Cooperative Center for Study Abroad (CCSA), the Kentucky Institute for International Studies (KIIS), the Accademia Europea di Firenze (AEF), The Knowledge Exchange Institute (KEI), AIFS Study Abroad, University Studies Abroad Consortium (USAC), SOL Education Abroad (SOL), CISabroad (CIS), as well as any number of EKU faculty-led programs that are created yearly. We can help find a winter, summer, semester, or year-long program for any student in any major.

Institutional Exchanges:

Exchanges allow for the most immersive experience abroad possible. EKU has a number of direct, institution-to-institution exchanges in a variety of countries. Students on these exchanges have the opportunity to use their financial aid to pay regular tuition and fees at EKU but go abroad to a partner institution where they will take classes alongside local students.

Language instruction is predominately in English on most exchange programs but opportunities to begin, or to perfect, foreign language abilities is possible through taking classes offered in the local language. Students from the partner institutions in turn come to EKU for a semester or year. For more information on exchange options as well as our direct exchange agreements, please contact the Director of Education Abroad for an appointment.

For More Information:

Feel free to visit the Education Abroad Office in Keith 129 to pick up brochures on all the programs offered. Students interested in education abroad, whether short term, semester or exchange, are encouraged to make an appointment with the Education Abroad Office at 622-8794 or ekuabroad@eku.edu as soon as possible to discuss all options, application procedures, course approval, and costs.

Honors Program

Dr. David W. Coleman, Director
University Building 137
(859) 622-2924

The mission of the EKU Honors Program is to provide its students with the best intellectual resources available at the university in order to empower them to attain their highest academic and professional goals. We develop the whole student by way of our interdisciplinary, small classes, our support of student research and travel to regional and national conferences, and our offering of a wide variety of cultural and out-of-classroom experiences.

Regardless of the student’s major, the courses taken in the Honors Program will apply to the student’s general education and university requirements; participation in the EKU Honors Program should not delay a student’s progress to degree. Any honors student who successfully completes the minimum required hours of honors coursework and graduates with an institutional grade point average of at least 3.20 will qualify as an “Honors Scholar.” The University will recognize this achievement at commencement, on the academic transcript, and on the student’s diploma, where the phrase “Honors Scholar” will appear.

For information about eligibility and admissions to EKU Honors, consult our website (www.honors.eku.edu) or contact us at (859) 622-2924.

EKU Honors Curriculum
Students enter the EKU Honors Program under one of two curriculum tracks. Students entering EKU Honors in the fall of their first year of college will complete the Honors Flex curriculum.

Students entering EKU Honors as a currently enrolled EKU student or as a transfer student are placed in the Current & Transfer curriculum track. This requires 18 hours of Honors coursework, designed to complement the credits the student has already completed.

All Honors Program students will receive an Honors advisor in addition to their major advisor, who will assist students in creating individualized plans as to how they will fulfill their general education, university, and EKU Honors requirements.

**EKU Honors Courses**

All students entering EKU Honors in their first semester will complete:
- HON 100 Succeeding in Honors ........................................ 1 hr.
- HON 102 Honors Rhetoric ........................................ 6 hrs.
- HON 103 Honors Communication .................................. 3 hrs.

*(HON 102 and HON 103 are linked courses and are only taught together; the total classroom contact hours for HON 102 and HON 103 is 6 hours.)*

All students in EKU Honors have the option of fulfilling General Education requirements with Honors Seminars. The following list includes Honors Seminars and the General Education elements they fulfill.

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Hours (Element)</th>
</tr>
</thead>
<tbody>
<tr>
<td>HON 304W</td>
<td>Honors Seminar in the Quantitative Sciences</td>

</tr>
</tbody>
</table>

To graduate as an Honors Scholar, all students must complete:

HON 420 Thesis Project and Seminar ......................... 6 hrs.

**GPA Requirements**

To remain active and eligible in EKU Honors, students must maintain the following minimum grade point averages:

**Students Entering EKU Honors in Fall 2015 and thereafter:**
- 3.00 institutional GPA to graduate as an Honors Scholar

**Annual Review of Students, Honors Probation, and Honors Dismissal**

At the end of each spring semester, the academic records of all EKU Honors students are reviewed. Students will be notified at their local permanent address listed in the Banner system of the university and at their official EKU student email address if they are placed on Honors Probation or dismissed from EKU Honors.

If it is determined that a student is not making progress toward completing Honors coursework requirements, that student will be dismissed from EKU Honors for being inactive.

Students entering EKU Honors in Fall 2015 and thereafter will be notified and placed on probation if their GPA falls under the following thresholds:
- 3.00 for up to 60 completed hours
- 3.20 after 60 completed hours

Students who entered EKU Honors before Fall 2015 will be notified and placed on probation if their GPA falls under the following thresholds:
- 2.50 for 24 or more hours attempted
- 3.00 for 36 or more hours attempted

Students will be placed on Honors Probation for one semester (not including summer). At the end of the probationary semester, a student’s academic record will be reviewed. If the student’s GPA does not improve during the probationary semester, the student may be removed from EKU Honors.

Students who are on Honors Probation should not enroll for more than 15 hours of coursework and should plan to meet with the Honors Program Coordinator to discuss a plan to improve their academic performance.

Exceptions to these eligibility policies may be recommended by the Honors Director but must be approved by the Honors Advisory Committee.
DEPARTMENT OF
ANTHROPOLOGY, SOCIOLOGY,
AND SOCIAL WORK

Chair
Dr. Paul Paolucci
(859) 622-6780
Keith 223

Faculty

ANTHROPOLOGY

Anthropology is the study of human diversity. It explores the meaning of being human – from the study of culture and social relations, to human biology and physical evolution, to language, to music and art and to vestiges of human habitation. Anthropology addresses fascinating questions such as how peoples’ behavior changes over time, how and why people from distant parts of the world and dissimilar cultures are in many ways similar, how the human species has evolved over millions of years, and how individuals understand and operate successfully in distinct cultural settings. Anthropology includes four sub-fields: cultural anthropology, physical anthropology, archaeology, and linguistics. The Anthropology Program at EKU offers exposure to all of these sub-fields, with the opportunity to specialize, if so desired. Two great reasons to study anthropology include: 1) study topics are intellectually exciting; and 2) Anthropology prepares students for excellent jobs and opens doors to various career paths. Anthropological study provides training particularly well-suited to the 21st century. Anthropology approaches human questions from historical, biological, and cultural perspectives. As a result, career opportunities exist in academic, corporate, nonprofit and government settings. Many anthropologists with bachelor’s degrees work for contract archaeology firms at archaeological sites, in physical anthropology laboratories, and in museums in a wide range of areas. International health organizations and development banks employ anthropologists to help design and implement a wide variety of programs. Governmental organizations use anthropologists in planning, research, and managerial capacities. Forensic anthropologists find work in university and museum settings along with police departments to help identify mysterious or unknown remains. Anthropology is a career that embraces people of all kinds. It is a discipline that thrives with heterogeneity – in people, ideas, and research methods. Anthropologists know the wisdom of listening to multiple voices and linking the work from researchers who bring different backgrounds and apply various approaches to their endeavors.

Baccalaureate Degrees

ANTHROPOLOGY

UNIVERSITY GRADUATION REQUIREMENTS

- General Education ........................................... 36 hrs.
- Student Success Seminar ................................... 1 hr.
- Writing Intensive Course (hours incorporated into Major Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT : Anthropology majors will select one of the following:
  - ANT 395 (Senior Capstone), ANT 439, ANT 470, ANT 377S, SOC 330S, HON 420, or a program-approved study abroad experience. (Credit hours will be incorporated into Major or Supporting requirements below.)

Total hours University graduation requirements ........... 37 hours

MAJOR REQUIREMENTS

Core Courses .................................................. 33 hours
- ANT 120, 200, 201, 351W, 395 and at least one course from each of the following three categories, for a total of 18 hours.
  - Archaeology: ANT 321, 341, 355, 357, 360, 439, 470, 471;
  - Cultural Anthropology: ANT 311, 330, 344, 375, 377 or 377S, or 393;
  - Physical Anthropology: ANT 306, 308, 365, 370, 371, 380, or 385; (ANT 490, an independent study, may also be selected; it will be classified where appropriate).

Free Electives ................................................. 50 hours

TOTAL HOURS TO COMPLETE DEGREE ........... 120 hours

SOCIAL WORK

The Social Work Program prepares students for beginning generalist social work practice. The primary purpose of the Social Work profession is to enhance human well being. Social workers help meet the basic human needs of all people and empower those who are vulnerable, oppressed, or living in poverty. Social workers help identify and manage the environmental forces that create, contribute to, and address problems in living. Social workers are an integral part of most non-profit agencies and also offer their services and knowledge in private practice. The Social Work Program has been continuously accredited by the Council on Social Work Education since 1977.

ADMISSION AND PROGRESSION

Any student who is accepted by the University Admissions Office and declares his/her major as Social Work will be classified as a pre-Social Work major. Admission to pre-Social Work does not guarantee admission to the Professional Social Work Program. Admission to the program is required for progression in the major beginning with SWK 350 and 354. To be admitted students must have earned at least 32 hours of college credit, meet the minimum program GPA requirement of 2.50, complete SWK 210 and other supporting course work with a minimum grade of “C,” and successfully complete application procedures. Students choosing
to double-major must declare Social Work as the first major. For admission requirements and procedures contact the Social Work Program office, (859) 622-1645.

MISSION AND GOALS

The Eastern Kentucky University Social Work Program provides a student-centered collaborative and dynamic environment that prepares students for competent and ethical social work practice in a diverse world. This is accomplished through self-reflection, rigorous academics, knowledge based on scientific inquiry and experiential learning in a safe and nurturing environment. We strive to graduate students who understand the complexities of the relationship between people and their environments, value human rights, and believe in the dignity and worth of all human beings. Completion of EKU’s generalist Social Work degree will provide the knowledge, values and skills to become practitioners who can think critically and creatively. Our mission is to graduate ethical leaders who advocate for social and economic justice in rural, urban and global communities, with an emphasis on EKU’s identified service region. Program goals are to (1) provide a fluid curriculum, grounded in a liberal arts perspective that prepares students for competent and effective entry-level generalist professional social work practice with individuals, families, groups, organizations, and communities through mastery of the knowledge, values, and skills that inform the ten core competencies; (2) integrate into the program the values, knowledge, and skills of the social work profession and to socialize students into the profession through self-assessment and self-awareness; (3) prepare students to deliver ethical social work practice through the development of critical thinking to guide professional judgments and practice; and (4) prepare students for advocacy and service to diverse populations-at-risk and to advance economic and social justice.

Bachelor of Social Work (B.S.W.)
SOCIAL WORK
CIP Code: 44.0701

UNIVERSITY GRADUATION REQUIREMENTS

• General Education .............................................. 36 hrs.
  • Student Success Seminar (ASO 100; waived for transfers with 30+ hours) .................................................. 1 hr.
  • Writing Intensive Course (hours incorporated into Major/ Supporting/Gen Ed/Free Electives category) 
  • Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
  • ACCT - Social work majors will fulfill the ACCT with SWK 390 or SWK 490. (Credit hours may be incorporated into major requirements below.)

Total hours University Graduation Requirements ........37 hours

MAJOR REQUIREMENTS

Core Courses................................................. 51 hours
SWK 210, 225, 310, 335, 340, 350, 354, 355, 360, 390, 410, 490 (12), and six (6) hours from the following: SWK 344, 365, 440, 455, or 457.

Supporting Course Requirements.......................... 6 hours
PSY 200(*Element 5B) or 200W(*Element 5B); SOC 131, 232, and 400 or 399 (*Element 6).

Free Electives.....................................................26 hours
To broaden their experience and knowledge, students are encouraged to complete their programs with electives selected from: anthropology (ANT), child development (CDS), economics (ECO), health (EHS, CHS, HEA, NFA), foreign language (FLH), law enforcement (CRJ, PLS), political science (POL), psychology (PSY), recreation (REC), sociology (SOC), special education (SED), communications (CMS, COM), and Social Work (SWK).

TOTAL HOURS TO COMPLETE DEGREE............120 hours

SOCIOLGY

The field of Sociology emerged as a scientific enterprise focused on a comprehensive understanding of the modern world, its origins, basic components, and central tendencies. As a member of this tradition, the Sociology Program at EKU provides students with an advanced understanding of the modern social structure and its institutions (politics, economics, religion, mass media, the family, labor markets), human group dynamics, social inequalities of class, gender, race, and sexuality, forms of human interaction, and social deviance (crime, juvenile delinquency). Sociologists also study regional issues such as social change in Appalachia and environmental concerns. Sociology faculty are skilled in teaching the theoretical foundations of sociology and methods of social research, while they teach students to think critically. The broad knowledge base of sociology, combined with basic skills in research methods and analysis, widens students’ job opportunities in a rapidly changing economy where specialized jobs often become outdated. Students who major in sociology are taught to think critically, communicate effectively, and respond constructively to the challenges and opportunities they will encounter. A major in sociology provides a gateway to many different professions. Many sociology graduates move into careers in the following areas: social services, social media, data mining and analysis, human relations, law and legal services, policy analysis, teaching, and health fields. Others find employment in management and administrative careers in government agencies as well as in a wide range of private sector firms. Still others work to achieve their goals in less traditional careers such as grassroots activism or private entrepreneurship.

MINORS

MINOR IN ANTHROPOLOGY

A student may minor in Anthropology by taking a minimum of 18 hours as follows: ANT 120, 200, 201, and one upper division course in each of: Archaeology, Cultural Anthropology, and Physical Anthropology. Neither ANT 351W nor ANT 395 will count toward the minor.

MINOR IN ARCHAEOLOGY

A student may minor in Archaeology by taking a minimum of 18 hours as follows: ANT 200, 351W and twelve hours of upper division archaeology electives selected from ANT 321, 341, 355, 357, 360, 439, 470, 471, and 490 (if archaeological topic).

MINOR IN SOCIAL WELFARE

A student may minor in Social Welfare by completing the following courses: POL 101, SWK 210, 310, and 410; six hours from POL 341, POL 370, POL 371, SWK 344, SWK 365, SWK 440, SWK 455, SWK 456, SWK 457, or approved Social Work Elective, SOC 131, SOC 313, SOC 340, SOC 353, SOC 365, SOC 375, ECO 130, ECO 231, CRJ 305 or WGS 305 or related elective as approved by Social Work advisor.

MINOR IN SOCIOLOGY

A student may minor in Sociology by completing the following courses: SOC 131 and 15 hours of sociology electives, 12 of which must be upper division. Three hours of upper division anthropology may be applied to the 15 hours.

CONCENTRATIONS

ANTHROPOLOGY CONCENTRATION IN THE ASSOCIATE OF ARTS IN GENERAL STUDIES DEGREE

See page 83 of this Catalog for the Anthropology Concentration requirements listed in the Associate of Arts in General Studies degree section.

SOCIOLOGY CONCENTRATION IN THE ASSOCIATE OF ARTS IN GENERAL STUDIES DEGREE

See page 84 of this Catalog for the Sociology Concentration requirements listed in the Associate of Arts in General Studies degree section.

PUBLIC CHILD WELFARE CERTIFICATION PROGRAM

The Public Child Welfare certification by the Commonwealth of Kentucky requires an application and interview process, practicum experiences in public welfare agencies, participation in required training curricula, maintenance of a 3.0 GPA in social work courses, an institutional GPA of 2.5, and post graduation work commitment. In addition to the B.S.W. degree requirements, students must complete SWK 358 and 450.

See the PCWCP Coordinator in the Social Work Program for more complete information on the application and requirements for the Public Child Welfare Certification Program.

BACCALAUREATE DEGREES

BACHELOR OF ARTS (B.A)
ART
CIP Code: 50.0701

Upon completion of an Art degree with a Teacher Education or Liberal Arts Concentration, students will have gained a broad knowledge of a variety of media and techniques, will be able to apply elements and principles of art and design, be more aware of the influence of perception and observation, and be able to use a variety of media and techniques to communicate ideas effectively and expressively. Students will demonstrate critical and creative thinking through analysis and research, both verbal or written, of their own or others’ art and design works, demonstrating historical and contemporary concepts, theories, methods and styles.

*Teacher Education Majors in Art must meet all requirements for Admission to the Teacher Education Program as well as the pre-requisites for Admission to Student Teaching. These are outlined in the College of Education section under Admission Requirements and Field Placement. http://Tes.eku.edu

UNIVERSITY GRADUATION REQUIREMENTS

• General Education .............................................. 36 hours
• Student Success Seminar .................................... 1 hour
  (waived for transfers with 30+ hours.)
• Writing Intensive Course (hours incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/
Supporting/Gen Ed/Free Electives categories)

- ACCT – Art majors will fulfill ACCT with ART 562. (Credit hours are included in Core Courses below.)

**Total Hours University Graduation Requirements......37 hours**

---

**MAJOR REQUIREMENTS**

**Core Courses..........................................................42 hours**

**Foundation Courses.................................................15 hours**

ART 100, 101, 152, 153, and 164.

**Art Core Courses.............................................21 hours**

**Art History Core Courses..............................6 hours**

ARH 390 or 390W; ARH 391 or 391W.

**ARH Electives......................................................3 hours**

3 hours of an art history elective selected from: ARH 463, 464, 465, 467, 492, 494, 496, 497, or 498.

**Concentrations:** (select one)

1. **Teacher Education........................................41 hours**

   **Art Education Requirements.........................6 hours**

   AED 360, 561.

   **Professional Education Requirements** ....35 hours

   AED 361 or EME 361; AED 540 or ESE 540; EDC 300, EDF 203, 204(2), 219, 413(2); EMS 300W(1), 490(1), and 474, SED 104

   *(Element 6), and 11 credit hours of Clinical Experiences: CED 100(0.0), 200(0.0), 300(0.5), 400(0.5), 450(1), 499(9).*

   **G** = Course also satisfies a General Education element.

   Hours are included within the 36 hours in General Education.

2. **Liberal Arts......................................................21 hours**

   Additional 21 hours of art, design, art education, or art history electives limited to the following: AED 360, 361, ART 300, 301, 312, 313 or 314, 321, 322 or 323, 331, 332, 335, 341, 343, 371, 372, 381, 382, 401, 463, ARH 463, 464, 465, 467, 492, 494, 496, 497, 498, 560, DES 250, 350, 351.

**Free Electives** (Liberal Arts Concentration only)......17 hours

*EXIT REQUIREMENT........................................0 hours

**PRAXIS EXAMINATION**

Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to DegreeWorks for exam details. The PRAXIS exam must be taken prior to student teaching.

**TOTAL HOURS TO COMPLETE DEGREE ......120-123 hours**

---

**FINE ARTS**

Upon completion of a Baccalaureate of Fine Arts (B.F.A.) degree with a Concentration in Ceramics, Graphic Design, Jewelry and Metals, Painting, Photography, or Printmaking, students will be able to apply elements and principles of art and design, be more aware of the influence of perception and observation, and be able to use a variety of media and techniques to communicate ideas effectively and expressively. Students will demonstrate critical and creative thinking through analysis and research, both verbal and written, of their own or others’ art and design works, with an understanding of historical and contemporary concepts, theories, methods, periods and styles.

The B.F.A. degree prepares students for professional careers as artists and designers of listed Concentrations below. Students will demonstrate professional practice, writing, portfolio development and presentation for employment in art and design studios, companies, or freelancing, and for applications to graduate schools, exhibitions, competitions, grants, and fellowships.

**BFA Admission Requirements**

All students who are accepted by the Office of Admissions and seek a baccalaureate fine arts degree are admitted to the University as a pre-BFA major and must select from at least one pre-BFA concentration area in Ceramics, Graphic Design, Jewelry and Metals, Painting, Photography, or Printmaking.

Pre-BFA students are eligible to apply to the BFA degree program after completing 15 credit hours of Studio Foundation courses.

When applying for the BFA program, pre-BFA students must have completed or be enrolled in the courses specified for their declared Pre-BFA concentration.

Students are also required to submit an application, statement of goals, and portfolio for review by the BFA Entrance Review Committee once the minimum requirements have been met, usually by the fourth or fifth semester, depending on the Concentration area (transfer students must meet equivalent minimum requirements and complete a minimum of 24 hours in Art and/or Design). Students will be notified of the results and can meet with their area supervisor. Students not accepted to the BFA degree program may re-apply at a later date or seek another degree program.

Portfolio requirements include examples of drawing, 2D and 3D works (from a variety of courses), as well as examples specific to a concentration area. Students wishing to pursue the BFA degree should average and maintain a 2.5 GPA and earn a grade of “C” or higher in all major and supporting course requirements in order to apply to, and complete the BFA degree program. Consult with a departmental advisor, area supervisor, or visit our website at www.art.eku.edu to obtain a copy of the “Entrance Criteria and Degree Requirements for the BFA in Art and Design.”

**Progression Requirements**

Once students are admitted to the BFA degree program, they are eligible to take upper division courses that require “admission to the BFA” as listed in this Catalog and are expected to participate in all major and supporting course requirements, including a BFA exhibition and review. Any BFA student whose major GPA falls below 2.5, or who earns a grade lower than “C” in a major or supporting course requirement, will be placed on BFA probation. Once on BFA probation, students must average and maintain a 2.5 GPA and pass with a “C” or higher. If any student on BFA probation fails to meet either of the above conditions, he/she will be removed from the BFA program. Such students may reapply at a later date or seek another degree program.
**PRE-BACHELOR OF FINE ARTS (PRE-B.F.A.)**
CIP Code: 50.0702

PRE-BFA students should pursue courses to meet the following University Graduation Requirements while awaiting admission into the BFA program.

- General Education .................................................. 36 hours
- Student Success Seminar ........................................ 1 hour (ASO 100; waived for transfers with 30+ hrs)
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)

Total Hours University Graduation Requirements ...... 37 hours

**PRE-BFA CURRICULUM**

**Foundation Courses** .............................................. 15 hours

ART 100, 101, 152, 153, and 164.

Concentrations: (students must select at least one concentration and complete the following courses before being considered for admission into the BFA program.)

- **Pre-BFA Ceramics** ............................................. 15 hours
  ART 210, 230, or 280; ART 220 or 240; ART 270 and 371; and be enrolled in ART 372 at the time of application to the BFA program.

- **Pre-BFA Graphic Design** ................................... 15 hours
  ART 210, 230, or 280; ART 220, 240, or 270; DES 250; and be enrolled in DES 350 and 351 at the time of application to the BFA program.

- **Pre-BFA Jewelry and Metals** ............................... 15 hours
  ART 210, 230, or 280; ART 220 or 270; ART 240 and 341; and be enrolled in ART 343 at the time of application to the BFA program.

- **Pre-BFA Painting** ............................................. 15 hours
  ART 230 or 280; ART 220, 240, or 270; ART 210 and 312; and be enrolled in ART 313 at the time of application to the BFA program.

- **Pre-BFA Photography** ....................................... 15 hours
  ART 210 or 230; ART 220, 240, or 270; ART 280 and 381; and be enrolled in ART 382 at the time of application to the BFA program.

- **Pre-BFA Printmaking** ....................................... 15 hours
  ART 210 or 280; ART 220, 240, or 270; ART 230 and 331; and be enrolled in ART 332 at the time of application to the BFA program.

- **Free Electives** .................................................. 4 hours

**TOTAL HOURS TO COMPLETE DEGREE ........ 120 hours**

**MINORS**

**MINOR IN ART (ART HISTORY)**

A student may minor in art history by completing a minimum of 18 hours as follows: ARH 392 or 392W or 393 or 393W, ART
562 and nine hours from ARH 463, 464, 465, 492, 494, 496, 497, 498.

**MINOR IN ART (STUDIO)**

A student may minor in art studio by completing a minimum of 18 hours as follows: ART 100, 152, 153; ARH 392 or 392W or 393 or 393W; and six hours of art electives.

**DEPARTMENT OF COMMUNICATION**

Chair
Dr. Deborah T. Givens, Chair
(859) 622-6564 or 622-1871
Combs 317

**Faculty**

The Department of Communication offers four-year Bachelor of Arts degree programs in three areas: Broadcasting and Electronic Media, Communication Studies, and Public Relations.

**DEPARTMENT GOALS**

The Department of Communication’s student-centered program seeks to transform lives through excellence in instruction, advising, scholarship, and service. The department strives to produce creative and effective communicators by providing cutting-edge programs emphasizing hands-on and practical learning. Empowered by this experience, students are prepared to work, lead, and serve in a global society.

**PROGRAM OBJECTIVES**

**BROADCASTING AND ELECTRONIC MEDIA**

Graduates of the Broadcasting and Electronic Media program pursue careers in the media industry, as well as in cable companies, industrial and corporate video facilities, advertising agencies, and production houses. Students in the BEM Concentration must demonstrate excellence in their ability to produce, direct, write, perform, manage, and to create commercials, public service announcements, sports programs, promotional videos, music videos, and entertainment programs for television, the Internet or other platforms. Students in the Film Techniques and Technology Concentration must demonstrate excellence in writing, visualizing, shooting, editing, and cinematic storytelling. Students in the Multimedia Journalism Concentration must demonstrate excellence in gathering information, writing, news production, and visual storytelling. Students will use cross-platform skills within journalistic standards and present news and commentary to a diverse audience. Our objectives are to train students for a variety of fields including traditional and emerging media, businesses and corporations, government public information, advocacy groups, and non-profit organizations. They will develop an understanding of the meaning of First Amendment freedom in the United States, and the social, political, and ethical responsibilities they will have as professionals.

**COMMUNICATION STUDIES**

Graduates of the Communication Studies (CMS) program pursue careers in labor relations, human resources, tourism, banking, corporate relations, sales, and many other professional contexts. Communication Studies students learn how to successfully demonstrate and promote effective human communication, including relationship building and maintenance, resolving conflict, persuading and negotiating, professional speaking, communication training and development, and leadership skills. CMS students must exhibit cognitive and behavioral learning by demonstrating (a) sufficient knowledge about various human communication processes and (b) satisfactory skills related to communication competency.

**PUBLIC RELATIONS**

Graduates of the Public Relations program pursue careers with corporations, non-profits, educational, governmental, media, and public relations and advertising agencies. Managing the communication between an organization and its publics, practitioners write news releases, video news releases, newsletters, speeches, annual reports, advertising copy, promotional pieces, feature stories, and social media entries, to name a few. Public Relations practitioners provide appropriate counsel in employee, community, financial, consumer, government, and media relations, as well as crisis communication, all based on ethical principles set forth by the Public Relations Society of America (PRSA). They manage social media accounts, plan events, fundraise, and address public concerns. Students must demonstrate excellence in writing, research, planning, communication, and evaluation of public situations strategies using a variety of platforms to meet the standards for a public relations education as published by PRSA.

**MINORS**

The department also offers minors in Multimedia Journalism, Broadcasting and Electronic Media, Communication Studies, Public Relations, and Visual Media.

**MEDIA PRODUCTIONS**

Students gain hands-on experience working at *The Eastern Progress* Student Media Center with a weekly newspaper, online news site, podcasts, and videos produced as part of the student media outlet and located on Third Floor Combs adjacent to BEM classrooms and faculty offices.

Numerous video productions and films are also produced within the department. Majors and non-majors can receive academic credit for work on some productions.

**REQUIREMENTS**

Some courses may require special skills and equipment such as the ability to keystroke a minimum of 25 words per minute. Instructors will notify students of these requirements at the first class meeting.

Students may earn up to 16 credit hours toward their degree by enrolling in cooperative education courses. Credit for additional practical experience may be earned through practicums. Students...
majoring or minoring in the Department of Communication are required to attain a minimum grade of “C” in all courses (core and supporting) for a major or minor and a 2.25 or better GPA in all courses (core and supporting) required for the major or minor.

**Requirements..............................................................23 hours**

Courses required for a minor in broadcasting and electronic media are BEM 202, 295 (4), 320, 395(4), 405, 425, 349(1),
and 491(2). Courses counted toward a major may not be counted toward the minor in broadcasting and electronic media. Substitute courses will be selected by the student and the departmental advisor.

**MINOR IN COMMUNICATION STUDIES**

Requirements......................................................18 hours

CMS 200; 210 or 215; 250 or 275; 310, 325, 375.

**MINOR IN MULTIMEDIA JOURNALISM**

Requirements.....................................................23 hours

Courses required for a Minor in Multimedia Journalism are BEM 202, 203, 295(4), 320, 395(4), 349(1), 425, 491(2).

**MINOR IN PUBLIC RELATIONS**

Requirements.....................................................21 hours

Courses required for a minor in public relations are BEM 375; BEM 200 or 200W, 203; PUB 320 or BEM 320, 375, 380, and 475. Courses counted toward a major may not be counted toward the minor in public relations. Substitute courses will be selected by the student and the departmental advisor.

**MINOR IN VISUAL MEDIA**

Requirements.....................................................18 hours

Courses required for a minor in visual media are BEM 295(4), 395(4), 491(1), BEM 320 or PUB 320, BEM 325, and BEM 412. Courses counted toward a major may not be counted toward the minor in visual media. Substitute courses will be selected by the student and the departmental advisor.

**Baccalaureate Degrees**

**Bachelor of Arts (B.A.) English**

CIP Code: 23.0101

Upon completion of an English degree, graduates will demonstrate a broad awareness of the scope of English Studies, while also gaining knowledge and competency in one of three sub-disciplines. Students focusing on literature will: 1) demonstrate a clear sense of the chronological and thematic development of British and American literature, familiarity with canonical writers and works of the age, and a more specialized knowledge in various genres, periods, authors, and literary trends; 2) be prepared for post-baccalaureate professional lives; 3) demonstrate the ability to think, speak, and write more effectively as literary critics. Students focusing on creative writing will: 1) write a publishable work, critical or creative, and submit it through traditional means/e-submissions; 2) possess knowledge of and apply basic research methods in their works, creative or critical, as well as use these skills to research the literary/popular marketplace. Students focusing on technical writing will: 1) produce various types of technical documents required in the workplace that reflect knowledge of audience, purpose, clarity, and precision; 2) demonstrate competence with hardware/software expected of technical/professional writers.

**University Graduation Requirements**

**ENGLISH**

**Accelerated 3+2 Dual Degree Program**

CIP Code: 13.1305

---

Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their B.A. degree and M.A. degree within 5 calendar years because up to 9 semester hours of graduate-level coursework will apply to both the undergraduate B.A. degree and the graduate M.A. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required.

Entrance requirements for the 3 +2 adhere to the requirements for the M.A. English Program in the Graduate Catalog. Students admitted into the program will remain coded as undergraduate until fulfilling their BA requirements. Students admitted into the 3+2 program must complete the English BA degree with a minimum 3.0 GPA to be allowed to proceed on with graduate program coursework. Students must fulfill all graduation requirements listed below.

Students may apply to the Graduate School for admission to the 3+2 program in their junior or senior year. Approval of both the department and Graduate School is required (see the form at http://gradschool.eku.edu/graduate-school-forms.

**English Program Special Admission Requirements:**

ENG 310; and overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program.

### UNIVERSITY GRADUATION REQUIREMENTS

### M.A. ENGLISH MAJOR REQUIREMENTS

**Core Courses** .................................................. 12 hours

ENG 801 ......................................................... 3 hours

One course in rhetoric and composition .............. 3 hours

Choose from ENG 700, 800, 806, 808, 812, 827

One literature course ....................................... 3 hours

Choose from: ENG 730, 750, 825, 830, 833, 850, 853, 854, 870, 873, 876, 878, 880

One language studies/ESL course ....................... 3 hours

Choose from: ENG 710, 715, 720, 825.

**Rhetoric and Composition Concentration**

Concentration in rhetoric and composition .......... 18 hours (in addition to core requirement)

Choose from ENG 700, 800, 806, 808, 812, 827

Must include ENG 808 (if not completed as part of the core)

Electives in English .......................................... 6 hours

Thesis option: ENG 898 (3 hours) + 3 hours ENG electives

**Exit Requirements** ........................................ 0 hours

GRD 857e, 858e

**Total Requirements** ...................................... 30 hours

**Literature Concentration**

Concentration in literature ............................... 18 hours (in addition to core requirement)

Three hours from ENG 850, 853, 854

Three hours from ENG 870, 873, 876, 878, 880

Six hours from ENG 730, 750, 825, 830, 833, 850, 853, 854, 870, 873, 876, 878, 880

Must include ENG 833 (if not completed as part of the core)

Electives in English .......................................... 6 hours

Thesis option: ENG 898 (3 hours) + 3 hours ENG electives

**Exit Requirements** ........................................ 0 hours

GRD 857e, 858e

**Total Requirements** ...................................... 30 hours

**Generalist Concentration**

**Generalist Concentration** .............................. 18 hours (in addition to core requirement)

One additional literature course ...................... 3 hours

Choose from ENG 730, 750, 825, 830, 833, 850, 853, 854, 870, 873, 876, 878, 880

One additional rhetoric/composition course ........ 3 hours

Choose from ENG 700, 800, 806, 808, 812, 827

Two pedagogy courses ...................................... 6 hours

Choose from ENG 800, 805, 860, 861, 862, 863, 864

Electives in English .......................................... 6 hours

Thesis option: ENG 898 + 3 hours ENG electives

**Exit Requirements** ........................................ 0 hours

GRD 857e, 858e

**Total Requirements** ...................................... 30 hours

---

### EXIT REQUIREMENTS

**Comprehensive Examination** — All students are required to pass a written comprehensive examination (GRD 857e). Comprehensive examinations will be scheduled approximately one month before
the end of the student’s final enrollment period in graduate work for the degree. Non-thesis students will take a two part examination: 1) a breadth-of-knowledge assessment (common to all students in a given concentration) and 2) a depth-of-knowledge assessment (tailored to the individual student’s scholarly interests). Thesis students will take only the breadth-of-knowledge assessment for their concentration.

Thesis — The thesis is optional in this program. Students electing the thesis option must register for ENG 898 as one of their elective courses. A student wishing to write a thesis must prepare a prospectus and have it approved by the thesis committee before registering for thesis hours. The thesis must be prepared in conformity with the regulations approved by the Graduate Council and the Department of English. Students seeking to complete a thesis are required to pass an oral defense of their thesis (GRD 858e). Oral examinations will be scheduled approximately one month before the end of the student’s final enrollment period in graduate work for the degree. Detailed information concerning the preparation and submission of the thesis may be obtained from the program coordinator.

UNIVERSITY GRADUATION REQUIREMENTS

• General Education .................................................. 36 hours
• Orientation Course ................................................ 1 hour (waived for transfers with 30+ hrs.)
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - English Teaching majors will fulfill ACCT with CED 499. (Credit hours may be incorporated into Major or Supporting requirements)

Total University Graduation Requirements ...............37 hours

MAJOR REQUIREMENTS

Core Courses .......................................................... 30 hours
ENG 303, 310, 311, 312, 313, 405, 410, 510, 440, and 474.

English Electives ...................................................... 9 hours
3 hours from American literature: ENG 452, 454, or 455; 3 hours from British literature: ENG 470, 472, 476, 478, 480, 482, or 485; 3 hours from Diversity (ENG 360, 361, 362, 363, 364, 366, 367).

Supporting Course Requirements:
HIS 102 or HIS 103 (Element 5A).

Professional Education Requirements ...............37 hours
EDC 300, EDF 203, 204(2), 219, 413, EMS 300W, 474, 490, ESE 543, SED 104 (Element 6), and 11 credit hours of Clinical Experiences: CED 100(0), 200(0), 300(0.5), 400(0.5), 450(1), 499(9).

G = Course also satisfies a General Education element. Hours are included within the 36 hours in General Education.

Free Electives .......................................................... 7 hours

EXIT REQUIREMENT .................................................. 0 hours

PRAXIS EXAMINATION

Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to DegreeWorks for exam details. The PRAXIS exam must be taken prior to student teaching.

TOTAL HOURS TO COMPLETE DEGREE ............120 hours

Candidates earning a degree that leads to teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (http://www.kyepsb.net/assessment/index.asp AND www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the optimal time to take required exams.

TEACHING ENGLISH AS A SECOND LANGUAGE ENDORSEMENT

ADMISSION REQUIREMENTS

Please refer to the College of Education Endorsement section of the Catalog.

MINORS

MINOR IN ENGLISH

Requirements ......................................................18 hours
ENG 310 and at least 15 additional hours at the 300 level or above in literature and/or writing courses.

MINOR IN ENGLISH (TEACHING)

Requirements ......................................................24 hours
ENG 310, 311, 312, and 313; 405, 410 and 510; and at least three additional upper level hours. Minor is available only to students having a teaching major in another field.

Supporting Course Requirements .........................3 hours
EMS 474.

Total Curriculum Requirements ..................27 hours

CONCENTRATION

ENGLISH CONCENTRATION IN THE ASSOCIATE OF ARTS IN GENERAL STUDIES DEGREE

See page 83 of this Catalog for the English Concentration requirements listed in the Associate of Arts in General Studies degree section.

CERTIFICATE

CERTIFICATE IN PROFESSIONAL AND TECHNICAL WRITING

The Certificate in Professional and Technical Writing (CPTW)
is designed for two primary groups: 1) Current EKU students from a wide variety of majors (e.g., the Sciences, Engineering, the Humanities, etc.) who wish to improve their writing and communication skills and improve their job prospects. 2) Non degree-seeking business people from the region who want to improve their writing and communication skills and/or document those skills (in Certificate form) for present/future employers. With an emphasis on improving their writing, students pursuing a CPTW will learn how to communicate effectively – using text, speech, visual design, and interactive theory – in several multimedia formats, for technical, professional, and general audiences in regional, national, and international contexts. Upon completion of the CPTW, students will have learned first how to effectively gather, organize, and analyze pertinent information for a professional project, and then how to compose, revise, and present the results to the intended audiences across all industries.

DEPARTMENT OF GOVERNMENT

Chair
Prof. Lynnette Noblitt
(859) 622-5931
Beckham 100

Faculty

Bachelor of Arts in Political Science

Political Science is the study of power, conflict, and war, and of the human endeavor to maintain peace, order, and cooperation, and of the principles and ethics that guide that effort. It is the study of governments, in the United States and in other countries, and of the making and carrying out of laws and policies, by Presidents and governors, legislatures, courts, and the administrative agencies and civil service they oversee, and of the media and journalists who observe them and inform us of their actions. It is the study of cities and counties, and of their efforts to maintain and develop communities, politically, socially, and economically. It is the study of public agencies and services, and the special ways they must be organized and managed. It is the study of human values and beliefs, how they are formed and expressed in the public arena, in voting and elections, in political parties, and in the activities of organized interests, both self-seeking and public-spirited. The ancient Greek philosopher, Aristotle, said that politics is “the master science” because it influences how all other knowledge is used in society.

The objective of the political science program is to develop graduates who understand political institutions and behavior, and who in the process become able writers, speakers, thinkers, and informed students of human conflict, organization, and governance. With such knowledge and skills, graduates are well prepared for a variety of careers. Professions to which such abilities are obviously relevant include public service in government and non-profit service agencies, law, education, journalism, and military command. But political science graduates have succeeded as well in careers in a variety of different areas of business, including banking, investment management, extractive and manufacturing industries, insurance, and sales. And political science is a natural minor to accompany other majors in which such knowledge and skills are important, including social work, public health and health administration, parks and recreation, business management, and all the other social sciences.

Paralegal Program

The paralegal programs offer a Bachelor of Arts degree and Post-Baccalaureate Certificate in paralegal science and an associate of arts degree in paralegal studies. The objectives of the programs are: (1) to create, implement, and maintain a strong, flexible program directed to the quality education of occupationally competent paralegals; (2) to provide a paralegal education program that leads to employment of its graduates by a wide range of employers; (3) to provide paralegals with a well-rounded, balanced education founded on a beneficial mix of general education, theory, and practical courses stressing understanding and reasoning rather than rote learning of facts; (4) to support the general principles of ethical legal practice, professional responsibility, and the prohibitions against the unauthorized practice of law by a lay person; (5) to provide an educational program that is responsive to the varied needs of the state of Kentucky and the region and contributes to the overall advancement of the legal profession; (6) to provide a program which instills respect for the legal profession and its foundations, institutions, and quest for justice; and (7) to maintain equality of opportunity in the educational program without discrimination or segregation on the grounds of race, color, religion, natural origin, or sex.

Paralegals are paraprofessionals who must work under the supervision of an attorney. The laws of Kentucky and other states prohibit paralegals from engaging in the practice of law or providing legal services directly to the public, except as permitted by law. Therefore, completion of a major, minor, or certificate in Paralegal Studies/Sciences does not entitle one to practice law, provide legal services directly to the public, or render legal advice, except as provided by law.

Paralegal Degree Requirements

Paralegal majors, minors, and certificates must attain a minimum grade of “C” in all major and supporting courses, a minimum grade of “C” must be earned in LAS 210 before taking LAS 220. A minimum grade of “C” must be earned in LAS 220 before being admitted to any of the other upper division requirements.

Paralegal majors, minors, and certificates must take a minimum of ten (10) semester credits of courses from Major/Minor requirements in a traditional in-person or ITV format. No courses taken in an online or web-based format can count toward this ten (10) semester credit requirement.

Paralegal Transfer Students

Transfer students must take a minimum of 15 semester hours of paralegal (LAS) courses at EKU to earn a paralegal degree. Please see the EKU Paralegal Program website (www.paralegal.eku.edu) or contact the Paralegal Program Director for more information on the transfer policy for paralegal specialty courses.

Pre-Law Program

A broadly-based liberal education will best prepare one to study law, and therefore no fixed pre-law curriculum is prescribed. Admission to an accredited law school is dependent upon a good
undergraduate record with an earned baccalaureate degree and a
cOMPETITIVE score on the Law School Admission Test.

Students interested in going to law school or exploring the
possibility of doing so should make an appointment with the Pre-
Law Advisor as early in their academic career as possible. The
Pre-Law Advisor can guide the student in selecting courses that
will help prepare the student for law school, plus provide valuable
information on law schools, the Law School Admission Test, and
typical admission procedures.

**Baccalaureate Degrees**

**Bachelor of Arts (B.A.)
GLOBALIZATION AND INTERNATIONAL
AFFAIRS**

CIP Code: 30.2001

The intent of the Globalization and International Affairs
(GLO) major is to create an interdisciplinary major that focuses
on the nature of globalization and its impacts on individuals,
communities, regions, and nations, and to assist in broadening
the international horizons of EKU students. The program will graduate
culturally aware students who are comfortable in a variety of
international public-sector, private-sector, and non-profit positions.
GLO students will possess an enhanced awareness of worldwide
economic and political events and will be able to assess their
impacts on international affairs. Upon completion of the GLO
degree, graduates will be able to: (1) analyze cultural, economic,
geographical, historical, political and social forces affecting
globalization, (2) identify factors which impede or encourage
globalization, (3) evaluate the impacts of increasing globalization
on individuals, communities, regions, and nations, (4) integrate
globalization ideas and concepts from the various disciplines into
a unified whole, and (5) compete well for international positions or
for domestic positions requiring international expertise.

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education.................................................36 hours
- Student Success Seminar (ASO 100; waived for transfers with
  30+ hrs.)..........................................................1 hour
- Writing Intensive Course (hours incorporated into Major/
  Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/
  Supporting/Gen Ed/Free Electives categories)
- ACCT - Globalization and International Affairs majors
  will fulfill ACCT with GLO 490. (Credit hours may be
  incorporated into Major or Supporting requirements.)

**Total hours University graduation requirements.....37 hours**

**MAJOR REQUIREMENTS**

* A minimum grade of “C” is required in all courses counted toward
  this major.

**Core Courses:.....................................................24 hours**

- Complete 9 hours from the following list:
  - ANT 120 or 200; ECO 231, GEO 100, or POL 212.
- And complete 15 hours from the following list:
  - ECO 394, GEO 302W or 322, GLO 490, HIS 370, and POL
  220

**Major Electives....................................................12 hours**

Complete four courses from the following list, with no more
than two having the same course prefix:

- CMS 375, ECO 340, 395 or 395W, ENG 360, FCC 220, 222,
  226, 227, FIN 330, GBU 201, HEA 310, HIS 300B, 300C,
  305, 319, 321, 322, 324, 331, 336, 339, 343, 351, 359, 361,
  365, 374, 376, 379, 384, 385, 386, 413, MGT 430, MKT 400,
  POL 310, 312, 314, 315, 316, 318, 319, 321, 325, 327, 412,
  415, REL 301, 301W, 315, 320, 335, 340, 345, 350, 355, 360,
  SOC 425, or various (with prior approval) “special topics”
  and seminar courses offered by individual departments.

**Supporting Course Requirements........................................0-2 hours**

- ECO 230 (Element 5B); HIS 147 (Element 5A); MAT 112A
  and 112B or higher or STA 215 (Element 2) or higher; and
  up to 6 hours of one foreign language (Element 6) or Study
  Abroad. Students may split this requirement by using 3 credits
  of Study Abroad and 3 credits of foreign language.

- Course also satisfies a General Education element.

**Hours are included within the 36 hr. General Education
requirement above. If zero hours are listed then all course
hours will count with General Education.**

**Free Electives..................................................45-47 hours**

**TOTAL HOURS TO COMPLETE DEGREE..........120 hours**

ASSOCIATE DEGREE

ASSOCIATE OF APPLIED SCIENCE (A.A.S.)
PARALEGAL STUDIES
CIP Code: 22.0302

UNIVERSITY GRADUATION REQUIREMENTS
General Education .................................................................18 hours
Elements: 1A, 1B, 2, 3B, 5B, and an additional 3 hrs from any element (excluding POL courses).
Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.) ......................................................1 hour
Total Hours University Graduation Requirements ...............19 hours

MAJOR REQUIREMENTS
Core Courses .....................................................................37 hours
LAS 210, 220, 300 or 300W, 325, 350, 355, 385, 399, 410 and nine hours from LAS 330, 340, 360, 370, 380, or 460.
Supporting Courses ..............................................................6 hours
ACC 200; ENG 101 and 102, or 105 with a grade of “A” or “B+” (Element 1A, 1B); ENG 300; 3 hrs of General Education humanities (“Element 3B); POL 101 (“Element 5B); MAT 105 or higher (“Element 2); 3 hrs of additional General Education course (not POL).
G = Course also satisfies a General Education element. Hours are included within the General Education requirement above.
Free Electives ......................................................................2 hours

TOTAL HOURS TO COMPLETE DEGREE ................................64 hours

MINORS

MINOR IN GLOBALIZATION AND INTERNATIONAL AFFAIRS
Core Courses ......................................................................6 hours
Complete 3 credit hours from the following courses:
ANT 120 or 200, ECO 231, GEO 100, POL 212; and complete 3 hours from the following courses: ECO 394, GEO 302W or 322, HIS 370, POL 220.
Electives ..............................................................................12 hours
Complete four courses from the following list, with no more than two having the same course prefix:
Study Abroad (“Element 6), 200-level or higher foreign language (“Element 6), CMS 375, ECO 340, 394, 395 or 395W, ENG 360, FCC 220, 222, 226, 227, FIN 330, GBU 201, HEA 310, HIS 147, 300B, 300C, 305, 319, 321, 322, 324, 331, 336, 339, 343, 351, 359, 361, 365, 374, 376, 379, 384, 385, 386, 413, MGT 430, MKT 400, PH 330, POL 310, 312, 314, 316, 318, 319, 325, 327, 415, 451, 495B, REL 301, 301W, 335, 340, 345, 350, 355, 360, SOC 425, or various (with prior approval) “special topics” and seminar courses offered by individual departments.

Total Curriculum Requirement ...........................................18 hours

MINOR IN LEGAL STUDIES

The Legal Studies Minor is an interdisciplinary program with a liberal arts focus that provides students with the opportunity to study the law, legal ideas/concepts, and legal systems/processes from a variety of perspectives. The minor is designed to provide a broad conceptual framework to explore legal studies and complement a chosen major of study. While the minor may be appropriate for those considering attending law schools, it is not a “pre-law” program and does not provide legal or paralegal training.

Core Requirement ................................................................3 hours
LGS 300
Electives ..............................................................................12 hours
OR substitute 3 hours of special topics courses as approved by the Director of Legal Studies.
Students are strongly advised to enroll in LGS 300 before beginning Legal Studies elective studies. Students may not take more than six hours of electives with the same course prefix. Students may not count Legal Studies electives towards any other major or minor.
Co-op or Research Requirement ............................................3 hours
LGS 349 or LGS 400
Total Curriculum Requirement ...........................................18 hours

MINOR IN PARALEGAL STUDIES

A student may minor in Paralegal Studies by completing a total of 18 hours as follows: LAS 210, 220, 300 or 300W, 350, 355, and 410.

MINOR IN POLITICAL SCIENCE
A student may minor in political science by completing POL 101 plus 15 hours of which nine hours must be in courses numbered 300 or above. No more than three hours of POL 349 may count toward the minor.

**MINOR IN PUBLIC ADMINISTRATION**

A student may minor in public administration by completing a total of 18 hours as follows: POL 101, POL 370, POL 374, and nine hours from POL 332 or POL 371, POL 373, POL 376, POL 377, and POL 565. Upper division courses applied to the public administration minor may not be applied to the political science minor.

**CONCENTRATION**

**POLITICAL SCIENCE CONCENTRATION IN THE ASSOCIATE OF ARTS IN GENERAL STUDIES DEGREE**

See page 83 of this Catalog for the Political Science Concentration requirements listed in the Associate of Arts in General Studies degree section.

**CERTIFICATE**

**CERTIFICATE IN PARALEGAL SCIENCE (POST-BACCALAUREATE)**

Requirements .................................................... 30-31 hours**

LAS 210, 220, 300 or 300W, 350, 355, 410, plus 12 hours of LAS courses chosen from LAS 325, 330, 340, 360, 370, 380, 385, 399.*

*LAS 399 is a 4 semester hour course.

**Students with 75 hours or more may begin taking courses toward the post-baccalaureate certificate. At least 18 hours toward the certificate must be taken subsequent to receiving a bachelor’s degree.

**CERTIFICATE IN PUBLIC ADMINISTRATION**

Requirements .................................................... 18 hours

POL 101, 370, 374, and any three of the following POL 373, 376, 377, or 533.

Public Administration is an ideal certificate for individuals planning careers in public service in local, state, regional, and federal government and in non-profit management. In addition, the certificate prepares individuals in the private sector who have responsibility for public sector contracts, regulatory compliance, and other oversight activities.

**DEPARTMENT OF HISTORY, PHILOSOPHY, AND RELIGIOUS STUDIES**

Chair

(859) 622-1288
Keith 325

Faculty

**BACCALAUREATE DEGREES**

**BACHELOR OF ARTS (B.A.) HISTORY**

CIP Code: 54.0101

**Program Objectives**

Upon successful completion of this program, graduates will be able to: 1) demonstrate knowledge of U.S. history, European history, and selected aspects of non-Western history at a high level; 2) demonstrate their ability to communicate effectively in both oral and written form (all students in the program will complete term papers as part of their major requirements); and 3) execute a major research project utilizing both primary and secondary sources.

All students in the baccalaureate program will submit prior to graduation a formal research project which includes both primary and secondary sources.

Because the program puts history into real-world application, it offers many unique pathways to prepare students for careers in: public history, education, media, the legal field, government, non-governmental organizations including non-profits, and business/management. And students can complete any of the career preparation pathways in just four years!

While a major in History Teaching prepares students to teach high school Social Studies or to join the educational arm of such entities as historical museums and sites, majoring in History provides students with the research skills and critical thinking and communication capabilities applicable and essential to any path they pursue post-graduation. More importantly, by combining a History major with a second major or minor in such areas as communications, political science, geography, business, or tourism and recreation, students gain profession-specific skills. They also acquire real world-experience because many of these majors require or stress completing an internship. Completion of one of History’s career pathways prepares a student for pursuing such opportunities as: curatorial positions in museums and historical sites, video production, broadcasting including reporting, publishing, event planning and promotion, employment with state and federal agencies or international and non-profit organizations, and entry into graduate or professional programs such as law school.

For more information on the career preparation pathways offered by the department go to www.history.eku.edu or contact the
UNIVERSITY GRADUATION REQUIREMENTS

- General Education .......................................................... 36 hours
- Student Success Seminar .................................................. 1 hour (ASO 100H; waived for transfers with 30+ hrs.)
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Fee Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Fee Electives categories)
- ACCT – History majors will fulfill ACCT with HIS 450W. (Credit hours may be incorporated into Major or Supporting requirements)

Total Hours University Graduation Requirements ... 37 hours

MAJOR REQUIREMENTS

Core Courses ................................................................. 36 hours

HIS 100, 101, or 147; HIS 102, 103, 290, 450W, and 21 upper division hours with a minimum of six hours in each of the following distribution areas (including two of the following three courses: 302A, 302B, 302C):

- **Area II** (Europe): HIS 300B (3 hours), 302B, 310, 312B, 336, 339, 343, 351, 359, 361, or 365.
- **Area III** (Non-Western): HIS 300C (3 hours), 302C, 308, 312C, 321, 322, 324, 331, 370, 374, 376, 379, 384, 385, or 386.

The remaining upper division history course may come from any of the above areas or from other upper division history courses except HIS 302A, B, C.

Free Electives ............................................................... 47 hours

At least three hours of one foreign language is strongly recommended. Students who plan to pursue a graduate degree are strongly encouraged to take at least six hours of a foreign language which will also serve to fulfill Gen Ed Element 6.

TOTAL HOURS TO COMPLETE DEGREE ............120 hours

Program Objectives

Upon successful completion of this program, graduates will be able to: 1) demonstrate knowledge of U.S. History, European history, and selected aspects of non-Western history at a high level; 2) demonstrate their ability to communicate effectively in both oral and written form (all students in the program will complete term papers as part of their major requirements); and 3) execute a major research project utilizing both primary and secondary sources. All students in the baccalaureate degree program will submit prior to graduation a formal research project which includes both primary and secondary sources. The History/Teaching B.A. is designed above all for those who wish to pursue careers in social studies at the secondary level or join the educational arm of such entities as historical museums and sites. Offered in cooperation with the EKU College of Education, the History/Teaching B.A. program includes secondary teaching certification in social studies. Refer to the College of Education section of this Catalog regarding the teacher certification requirements associated with this degree program.

UNIVERSITY GRADUATION REQUIREMENTS
Bachelor of Arts (B.A.) & Master of Arts (M.A.)
History
Accelerated 3 + 2 Dual Degree Program
CIP Code: 54.0101

Program Requirements:
Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their B.A. degree and M.A. degree within 5 calendar years because up to 9 semester hours of graduate-level coursework will apply to both the undergraduate B.A. degree and the graduate M.A. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required.

Entrance requirements for the 3+2 program adhere to the requirements for the M.A. History Program in the Graduate Catalog. Students admitted into the program will remain coded as undergraduate until fulfilling their B.A. requirements. Students admitted into the 3+2 program must complete the History B.A. degree with a minimum 3.0 GPA to be allowed to proceed on with graduate program coursework. Students must fulfill all graduation requirements listed below. Students may apply to the Graduate School for admission to the 3+2 program in their junior or senior year. Approval of both the department and Graduate School is required (see the form at http://gradschool.eku.edu/graduate-school-forms).

Special Admissions Requirements:
You must satisfy all the following conditions:

1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 option
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 option.

University Graduation Requirements

- General Education Requirements.................................36 hours
  (See the requirements for the regular option)
- Student Success Seminar...........................................1 hour
  (ASO 100; waived for transfers with 30+ hrs.)
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT – History 3+2 majors will fulfill ACCT with HIS 802.

Total Hours University Graduation Requirements for the B.A. ...............................37 hours

Major Requirements

Core Courses.............................................................39 hours
- HIS 100, 101, or 147; HIS 102, 103, 290; HIS 800; 802A, B, or C; 860; 18 hrs upper division with a minimum of 6 hrs in each of the following distribution areas (including two of the following three courses: 302A, 302B, 302C):
  - Area II (Europe): HIS 300B (3 hours), 302B, 310, 312B, 319, 336, 339, 343, 351, 359, 361, or 365.
  - Area III (Non-Western): HIS 300C (3 hours), 302C, 308, 312C, 321, 322, 324, 331, 370, 374, 376, 379, 384, 385, or 386.
- HIS 860 may count toward the 6 hrs. in Area I for 3+2 students. HIS 800 may count toward the 18 hrs. upper division for 3+2 students.

Department of Languages, Cultures, and Humanities

Chair
Dr. Abbey Poffenberger
(859) 622-2996
McCreary 115

Faculty

Mission and Goals
The Department of Languages, Cultures and Humanities is a multi-disciplinary unit which offers a variety of programs through which students gain new insights into other cultures, and develop the language skills necessary for participation and leadership in the global community. The Spanish programs prepare the students to communicate in a major world language spoken on several continents. Our Spanish teaching degree helps meet the increasingly critical need for foreign language teachers in Kentucky. We offer certificate programs primarily for non-language majors with concentration on basic conversation skills and cultural understanding, currently available in French, German, Japanese, and Spanish. Additionally, we offer a variety of interdisciplinary programs that include academic minors and certificates in African/African-American Studies, Appalachian Studies, Asian Studies, and Gender Studies. The department helps students to fulfill General Education requirements in Elements 3, 5B, and 6 through course offerings in African/African-American Studies (AFA), Appalachian Studies (APP), French (FRE), German (GER), Japanese (JPN), Latin (LAT), Spanish (SPA), Veterans Studies (VTS), Women and Gender Studies (WGS), and occasionally other languages such as Arabic and Chinese (as FLS courses); through foreign culture and civilization courses (FCC); and also through the basic sequence of Humanities courses (HUM). All our courses, whether in language, literature, culture, or humanities, strive to foster an atmosphere in which students can experience the joy of learning and intellectual fulfillment while developing deeper understanding and appreciation of cultural diversity.

1. Certain courses are inappropriate for students with native or near-native fluency in a particular language. Native speakers of a foreign language (i.e. a language other than English) are welcome to take our courses at an appropriate skill level. However, such students cannot be given credit for introductory courses (100/200 level), in their native language either by enrolling in the course or by taking an exam for credit. Exceptions to this restriction, such as heritage
speakers who need to take a lower level course to correct language deficiencies, must be approved by the relevant foreign language faculty in consultation with the chair. Other exceptions may apply, at the discretion of the coordinator and foreign language faculty in conjunction with the chair.

2. Students who transfer credits must earn no fewer than 15 upper-division hours in the major and 9 upper-division hours in the minor at EKU, the exact minimum to be determined by the department chair in consultation with the faculty in the major area.

3. Eastern Kentucky University students are required to obtain the department chair’s written prior approval of any course work they plan to transfer back to EKU for application to the major or minor.

4. A grade of “C” or higher is required in each course to be applied toward the major and minor.

5. Students in teaching programs must attain a minimum 2.75 GPA in their teaching major to be recommended for student teaching.

6. Spanish majors must attain a minimum 2.75 GPA in the major, and must also pass a departmental proficiency exam which covers spoken and written language, culture, and literature. Teaching majors must pass the proficiency exam to be recommended for student teaching. Students will ordinarily take the exam no later than in the first semester of their senior year.

### Baccalaureate Degrees

#### Bachelor of Arts (B.A.)

**SPANISH**

CIP Code: 16.0905

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education ........................................36 hours
- Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.) ...........................................1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Spanish Teaching majors will fulfill ACCT with SPA 321S or a program-approved study abroad experience. 
  (Credit hours are incorporated into program requirements below.)

**Total Hours University Graduation Requirements ......37 hours**

#### MAJOR REQUIREMENTS

**Core Courses ........................................30 hours**

A student may major in Spanish by completing a minimum of 30 hours in courses numbered 200 and above; 21 of these hours must be at the 300 level or above. The following courses are required: 206 (waived in case of demonstrable oral proficiency); 301 and 360; SPA 380 or 381; three hours from 405, 406, or 407; 492.

A grade of “C” or higher is required in each course for credit toward the major. Students must attain a 2.75 GPA in their major.

**Exit Requirement:**

SPA 492

**Free Electives...........................................53 hours**

**TOTAL HOURS TO COMPLETE DEGREE ........120 hours**

### Minors

#### Minor in African/African-American Studies

Dr. Lisa Day, Director  
Keith 143  
(859) 622-7235

African/African-American Studies is an interdisciplinary program that explores the histories, societies, and cultures of Africans and people of African descent throughout the Diaspora. Courses are offered from a broad range of disciplines, including the arts and humanities, social sciences, law enforcement, education,
and health sciences. The program awards an undergraduate minor and a certificate in African/African-American Studies.

A student may complete a minor in African/African-American Studies by taking 18 hours as indicated below.

**Core Requirements**.................................6 hours
AFA 201 or 201W, 202 or 202W.

**Electives** ...........................................12 hours
Twelve hours from the following courses:
AFA 200, 225, 304, 305, 330, 345, 346, 347, 349,
356, 360, 361, 367, 372S, 378, 385, 386, 388, 435,
495; 510; CDF 424; SOC 400.

**Total Curriculum Requirements**......................18 hours

**MINOR IN APPALACHIAN STUDIES**
appalachianstudies.eku.edu
Dr. Lisa Day, Director
McCreary 221
(859) 622-7235

Appalachian Studies is a multidisciplinary program that brings together courses taught by a diverse group of teachers/scholars from the social sciences and humanities, art, environmental studies, social work, and health sciences. The program awards an undergraduate minor and a certificate in Appalachian Studies.

Students are encouraged to select a group of courses tailored to their personal and academic goals in consultation with the Coordinator.

The minor in Appalachian Studies requires a minimum of 18 credit hours as indicated below:

**Core Requirements**..................................3 hours
APP 200 (also fulfills General Education, E- 5B or 6)

**Electives Requirement**...........................15 hours
Fifteen hours of approved Appalachian Studies electives

**Total Curriculum Requirement**....................18 hours

**MINOR IN APPLIED CREATIVE THINKING**
Dr. Russell Carpenter, Director
Noel Studio 310P
859-622-7403
Studio.eku.edu/about-minor-act

The Minor in Applied Creative Thinking is offered for students in all disciplines. The minor consists of 18 hours of courses.

**Requirements**......................................18 hours
CRE 101W and CRE 400 (CRE 400 must be taken after the completion of the other five courses), and 12 hours from a list of potential courses listed on the Noel Studio website at: http://studio.eku.edu/minor- applied-creative-thinking or from the following potential courses:
ART 100, ART 152, ART 153, ART 164, ART 376,
BEM 305W, BEM 353W, CRE 201, CRE 300, CRE 301, CRE 305, CRE 350, CRE 490, ENG 350, ENG 351, ENG 352, ENG 353, MUH 272, PUB 415, TEC 305.

Students pursuing the minor in Applied Creative Thinking must earn a “C” or above in all courses counting toward the minor.

**MINOR IN ASIAN STUDIES**
Dr. Abbey Poffenberger, Director
McCreary 114
(859) 622-8240
http://asianstudies.eku.edu/

“If you want to understand the world you need to understand Asia” (Nicholas Kristof, Pulitzer Prize-winning columnist for *The New York Times*).

The Interdisciplinary Asian Studies Program at Eastern Kentucky University provides an understanding of Asia through a critical examination of the cultures, societies, languages, histories, religions, and politics of Asians and peoples of Asian descent throughout the world. An understanding of Asia enhances not only students’ understanding of the world but also their prospects for employment in a wide variety of fields, including but not limited to international trade and industry, teaching and research, translation and interpretation, foreign policy and diplomacy, human rights and development, and immigration and social service. The program offers a minor (18 hours) and a certificate (12 hours) in Asian Studies.

A student may minor in Asian Studies by completing:
- a minimum of 18 semester hours in the four areas listed below, and from at least three different departments
- at least 9 hours at the 300 level or above

Departments: English (ENG); Exercise & Sport Science (PHE); Languages, Cultures & Humanities (CHN/FCC/FLS/HUM/JPN); Geography & Geology (GEO); Government (POL); History (HIS); Honors (HON); History, Philosophy & Religious Studies (PHI/REL); Psychology (PSY); Education Abroad (IES/UNP); Women & Gender Studies (WGS)

**Language and Immersion**...........................6 hours
CHN 101 and 102 (or higher levels); or JPN 101 and 102 (or higher levels); or FLS 101 and 102 (or higher levels) (Arabic, Chinese, or any other Asian language); or 6 hours of study abroad in any Asian country(ies); or 3 hours of study abroad in any Asian country plus 3 hours of a language (101 level or higher) indigenous to that country.

**Religion and Culture**...............................3 hours
FCC 227, HIS 324, REL 335, 340, 345 or 350

**History and Society**.................................3 hours
HIS 321, 322, 324, 374, 376, 379, POL 312, 313, 314, 318, or WGS 304

**Electives**............................................6 hours
Additional course(s) from the three areas above and/or
or CHN 201, 202, ENG 200*, 345*, 550*, FCC 210*,
IES 333, JPN 201, 202, 295, 495, PHE 190*, 355*,
PHI 390*, PSI 497*, REL 301, 360, 370*, UNP 200*,
300*, 400*, 500* (*topic must relate crucially to Asia; check with Director of Asian Studies Program)

*The Director of the Asian Studies Program may approve other courses to meet requirements for the Minor.*

**Total Curriculum Requirement**....................18 hours
MINOR IN SPANISH
Requirements.......................................................... 21 hours
A student may minor in Spanish by completing a minimum of 21 semester hours in courses numbered 200 and above; 12 of these hours must be at the 300 level or above. Strongly recommended: HIS 384. A grade of “C” or higher is required in each course for credit toward the minor.

Total Curriculum Requirements .............................................. 21 hours

MINOR IN VETERANS STUDIES
Dr. Lisa Day, Program Coordinator
McCreary 221
(859) 622-7235
vetstudies.eku.edu

Veterans Studies (VTS) is an academic minor or certificate program that prepares students to identify and understand the often unique experiences and challenges faced by veterans of military service. VTS offers a multi-disciplinary program that provides veteran and non-veteran students a foundation of understanding regarding military structure, culture, combat, and the psychological and physiological changes resulting from military service. This first-of-its-kind program is dedicated to educating non-veterans and veterans alike about Veteran issues. The VTS Program facilitates an environment of inquiry about the transformative nature of military service and provides students the knowledge necessary to improve services for veterans and their interaction and relations with veterans. AGS students may obtain a concentration in Veterans Studies.

Core Requirement......................................................... 3 hours
VTS 200 – Intro to Veterans Studies (Gen Ed E-6)

Electives ........................................................................... 15 hours
Students should take VTS 200 before beginning elective studies. Students must take a minimum of five courses from the list below:
CDF 331; CDF 437; ENG 386W; MSL 303; PLS 375; POL 320; POL 415; PSY 308; PSY 320; SWK 440; WGS 304; VTS 350.

Total Curriculum Requirements ........................................... 18 hours

MINOR IN WOMEN AND GENDER STUDIES
Dr. Lisa Day, Director
Keith 143
(859) 622-7235

Women and Gender Studies (WGS) is a multidisciplinary program offering both a minor and a certificate. WGS acquaints students with the growing research on women and gender studies by addressing the intersections of gender, race, class, sexualities, and abilities and by promoting active learning and social engagement. By analyzing competing perspectives and integrating knowledge across traditional academic boundaries, students learn to identify and examine gender-based assumptions and biases and to recognize their consequences on individual, social, and cultural levels.

A student may complete an interdisciplinary Women and Gender Studies minor by taking 18 hours as indicated below.

Core Requirements.......................................................... 6 hours
WGS 201 and 400.

Electives............................................................................ 12 hours
Twelve hours from the following courses: WGS 132, 232, 300, 302, 303, 305, 306, 308, 309, 311, 331, 345, 349, 364, 365, 366, 378, 420, 446, 451, 495, 591, 592, 593, SOC 399, or gender-specific courses from other programs (upon WGS approval).

Total Curriculum Requirements........................................... 18 hours

CERTIFICATES

CERTIFICATE IN AFRICAN/AFRICAN-AMERICAN STUDIES
A student may complete a certificate in African/African-American Studies by taking 12 hours as indicated below.

Core requirements.......................................................... 6 hours
AFA 201 or 201W, 202 or 202W.

Electives............................................................................ 6 hours
Six hours from the following courses:

Total Curriculum Requirements......................................... 12 hours

CERTIFICATE IN APPALACHIAN STUDIES
The certificate in Appalachian Studies requires a minimum of 12 credit hours as indicated below.

Core Requirements.......................................................... 3 hours
APP 200 (also fulfills General Education, E-5B or 6)

Electives............................................................................ 9 hours
Nine hours of approve Appalachian Studies electives

Total Curriculum Requirement........................................... 12 hours

Approved Appalachian Studies Courses:

APP 200 Introduction to Appalachia
APP 340/ECO 340 Environmental Economics
APP 350 Special Topics: Appalachia
APP/CRJ 355 Rural Crime & Justice
APP 360 Media Images of Appalachia
APP/ENG 365 Appalachian Literature
APP 366/SOC 365 Social Change in Appalachia
APP/POL 373 Politics of Development in Appalachia
APP 375 Appalachian Religion
APP/HIS 420 Appalachian in American History
APP/GEO/ENV 430 Sustainability in Appalachia
APP 460 Seminar in Appalachian Studies
APP 490 Independent Study
APP/OTS 520 Providing Health Services in Appalachia

Students may also select content relevant special topics or independent studies courses with the approval of the Coordinator of the Appalachian Studies minor.
Certificate in Asian Studies
A student may earn a Certificate in Asian Studies by completing the following:
• a minimum of 12 semester hours from the list of Electives for the Minor in Asian Studies, and from at least three different departments
• at least 6 hours at the 300 level or above
The Director of the Asian Studies Program may approve other courses to meet requirements for the Certificate.

Certificate in French Conversation and Culture
Prerequisites ..........................................................0-6 hours
FRE 101 and 102 (or equivalent).
Requirements ..........................................................15 hours
FCC 220 or FCC 210 (with a topic related to the French-speaking world); nine hours from FRE 201, 202, and 207; and three hours with the FRE prefix numbered 300 and above. A grade of “C” or higher is required in each course for credit toward the certificate.
Total Curriculum Requirements .........................15-21 hours

Certificate in German Conversation and Culture
Prerequisites ..........................................................0-6 hours
GER 101 and 102 (or equivalent).
Requirements ..........................................................9 hours
FCC 210 or 222; GER 201 and 202. A grade of “C” or higher is required in each course for credit toward the certificate.
Total Curriculum Requirements .........................15 hours

Certificate in Japanese Conversation and Culture
Requirements ..........................................................15 hours
FCC 227; JPN 101, 102, 201, 202. A grade of “C” or higher is required in each course for credit toward the certificate.
Total Curriculum Requirements .........................15 hours

Certificate in Spanish Conversation and Culture
Prerequisites ..........................................................0-6 hours
SPA 101 and 102 or 105 (or equivalent).
Requirements ..........................................................15 hours
SPA 201, 202, 206, and six hours of upper-division Spanish courses. A grade of “C” or higher is required in each course for credit toward the certificate.
Total Curriculum Requirements .........................15-21 hours

Certificate in Veterans Studies
Core Requirements ..................................................3 hours
VTS 200 – Intro to Veterans Studies (Gen. Ed. E-6)
Electives ..............................................................9 hours
Students should take VTS 200 before beginning

Certificate in Women and Gender Studies
A student may complete an interdisciplinary Women and Gender Studies certificate by taking 12 hours as indicated below:
Core Requirements ..................................................6 hours
WGS 201 and 400.
Electives ..............................................................6 hours
Six hours from the following courses: WGS 132, 232, 300, 302, 303, 305, 306, 308, 309, 311, 331, 345, 349, 364, 365, 366, 420, 446, 451, 495, 591, 592, 593, SOC 399, or gender-specific courses from other programs (upon WGS approval).
Total Curriculum Requirements .........................12 hours

NOTE: Average GPA of courses applied to the minor must be 2.25 or better.

Concentration
Veterans Studies Concentration in the Associate of Arts in General Studies Degree
See page 84 of this Catalog for the Veterans Studies Concentration requirements listed in the Associate of Arts in General Studies degree section.
EKU SCHOOL OF MUSIC

Chair
Mr. Jeremy Mulholland
(859) 622-3266
Foster 101

Faculty

Mission Statement
The EKU School of Music provides a relevant and comprehensive music curriculum through individualized attention and student-centered learning. We create a diverse community of musical leaders for the 21st Century who will enhance the fabric of their society, the commonwealth, and beyond through the power of music.

Bachelor of Music Core Requirements

Applied Music
All music majors must complete a minimum of seven semesters of applied lessons with at least three of the semesters at the upper division levels (numbered 300 or 400). Applied students must complete a jury examination at the end of each semester. Each major is required to enroll in applied music every semester of full-time enrollment.

Solo Recital Performance
Each major is required to perform the equivalent of a half recital (MUS 399) during the course of study.

Ensemble Requirements
Each major is expected to enroll in a major ensemble reflecting the major applied area of study every semester of full-time enrollment. Wind and percussion majors will enroll in MUS 256 (Marching Band), MUS 255A/455A (Symphonic Band), MUS 255B/455B (Concert Band), or MUS 235/435 (Symphony Orchestra). With permission of the Department Chair, MUS 254/454 (Jazz Ensemble) may be submitted for the major ensemble requirement for wind and percussion majors. Orchestral string majors will enroll in MUS 235/435 (Symphony Orchestra) or MUS 236/436 (String Orchestra). Some string bass majors may be assigned to MUS 255A/455A (Symphonic Band) pending auditions. Guitar majors will enroll in MUS 257/457 (Guitar Ensemble). Vocal majors will enroll in MUS 225/425 (Concert Choir) or MUS 226/426 (University Singers). Keyboard majors may substitute accompaniment (MUS 313 or 513) for ensemble credits. Even if the student plans to study in two or more applied areas, one of them must be declared the major. Students enrolling in more than three ensembles should receive permission for such participation from their applied teacher, ensemble director, and advisor. All wind and percussion majors have required corequisite small and large ensembles with their applied lessons. Voice/string majors have a corequisite large ensemble required with applied lessons and must demonstrate experience in small choral/string ensembles.

Recital Attendance
All majors are required to attend 16 recitals including the Friday recitals and other departmental concerts held throughout the semester (MUS 101) for at least six semesters. Performances off campus must receive approval by department chair.

Music Education
All wind and percussion majors must complete at least three semesters of MUS 256. All Music Education majors must elect MUS 383.

Music Performance
All performance majors must pass an audition beyond the entrance audition. They will be on probationary status for one to four semesters. At the end of the probationary period, the student may re-audition for full candidacy. The Audition Committee will consist of at least three members of the music faculty including the applied teacher. All performance majors must give a full recital (MUS 499) in addition to the half recital required of all majors. Vocal performance majors must elect foreign language as part of their Gen. Ed. studies.
Music Industry and Music Industry Recording Arts

All music industry and music industry-recording arts majors must complete 3 or 4 credit hours of Co-op (MUS 349) and 2 credit hours of Music Industry Senior Capstone (MUS 449). All Co-op projects must be approved by the Co-op office, department chair, and Co-op coordinator.

Music Theory and Composition

Theory and composition majors must complete two credits of beginning composition (MUS 283) and eight credits of advanced composition (MUS 483). All theory and composition majors, whose major applied area is not piano, must elect two semesters of additional piano studies. Theory students will complete a senior project (MUS 499) consisting of a theory project and a half recital of original compositions as part of this degree program.

University Graduation Requirements

- General Education: 36 hours
- Student Success Seminar (ASO 100; waived for transfers with 30+ hrs): 1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category): 1 hour
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories): 8 hrs
- ACCT – Music majors will fulfill ACCT with MUS 349, 482, 499, 550, or 551, or CED 499. (Credit hours may be incorporated into Major or Supporting requirements)

Total Hours University Graduation Requirements: 37 hours

Major Requirements

Core Courses: 38 hours

MUS 110(1), 111(1), 210(1), and 211(1), or MUS 114(2) and 115(2); MUS 161(1), 162(1), 181, 182, 261(1), 262(1), 281, 282, 366(1), 399(1), 480, MUH 371 and 372; a minimum of 7 hrs of applied primary instrument over 7 semesters (2 credits at 100 level, 2 credits at 200 level, 2 credits at 300 level and 1 credit at 400 level); six semesters of MUS 101 (0 credit course).

Degree Concentrations:

- Performance/Instrumental: 43 hours
  MUS 285 or 383 or 481, 367(2) or 368(2), 384(2), 499(1), 550(2), 551(2); additional 17 hrs of applied primary instrument (2 hrs at 100 and 200 levels, 6 hrs at 300 level, and 7 hrs at 400 level); a minimum of 8 hrs of ensembles over 8 semesters; 3 hrs of upper division music theory electives; 3 hrs of upper division music history electives.

- Performance/Piano Pedagogy: 43 hours
  MUS 285 or 383 or 481, 201(1), 299(1), 303(1), 348(1), 355(1), 367(2) or 368(2), 384(2), 448(1), 451(1), 499(1), 513(1), 550(2), 551(2); additional 9 hrs of applied primary instrument (2 hrs at 100, 200 and 300 levels, and 3 hrs at 400 level); a minimum of 8 hrs of ensembles over 8 semesters; 3 hrs of upper division music theory electives; 3 hrs of upper division music history electives.

- Performance/Vocal: 43 hours
  MUS 220(1), and 221(1); 285 or 383 or 481; MUS 367(2) or 368(2); 384(2); MUS 499(1), 550(1), 551(1); additional 17 hrs of applied primary instrument (2 hrs at 100 and 200 levels, 6 hrs at 300 level, and 7 hrs at 400 level); a minimum of 8 hrs of ensembles over 8 semesters; 3 hrs upper division music theory electives; 3 hrs upper division music history electives.

- Performance/Vocal Pedagogy: 43 hours
  MUS 202(1), 220(1), 221(1), 285 or 383 or 481, 299(1), 303(1), 348(1), 355(1), 367(2) or 368(2), 384(2), 448(1), 452(1), 499(1), 550(1), 551(2); additional 9 hrs of applied primary instrument (2 hrs at 100, 200 and 300 levels, and 3 hrs at 400 level); a minimum of 8 hrs of ensembles over 8 semesters; 3 hrs of upper division music theory electives; 3 hrs of upper division music history electives.

- Emphasis in Music Industry: 47 hours
  MUS 190(2), 191(2), 285 or 383 or 481, 290(2), 300(0), 349(4), 390, 391, 449(2); MUH 273; 9 hrs from: ACC 200 or 201, MGT 301, PUB 375, 385 or 415(2); a minimum of 7 hrs of ensembles over 7 semesters; 7 elective credits in MUS/MUH courses.

- Emphasis in Music Industry-Recording Arts: 47 hours
  MUS 190(2), 191(2), 192(2), 285 or 383 or 481, 290(2), 292(2), 300(0), 349(3), 390, 391, 392(2), 492(2), 499(2); MUH 273; 9 credits chosen from: ACC 200 or 201, MGT 301, PUB 375, PUB 385, PUB 415S; a minimum of 7 hrs of ensembles over 7 semesters.

- Music Theory and Composition: 37 hours
  MUS 283(2), 285 or 383 or 481, 384(2), 482(2), 483(2), 499(2), 555 or 556; additional 1 hr of applied primary instrument (at 400 level); a minimum of 8 hrs of ensembles over 8 semesters; 3 hrs upper division theory electives; 3 hrs music electives.

- Music Education/Instrumental: 23 hours
  MUS 230(1), 251A(5), 251B(5), 252A(5), 252B(5), 320(1), 330(1), 351A(5), 351B(5), 352A(5), 352B(5), 354(1), 364(1), 365(1), 367(2), 383, 384(2); a minimum of 7 hrs of ensembles over 7 semesters, of which 3 hours of MUS 256 must be elected by wind and percussion majors. Instrumental students will be excused from taking the methods course that includes their major applied instrument.

- Music Education/Vocal: 23 hours
  MUS 220(1), 230(1), 251A(5), 251B(5), 313(2) 351A(5), 351B(5), 354(1), 364(1), 365(1), 367(2), 383, 384(2); a minimum of 7 hrs of ensembles over 7 semesters.

- Supporting Course Requirements:
  - Performance/Vocal: Vocal Performance majors must elect 3 hrs of foreign language ("Element 6") as part of their General Education studies.
  - Performance/Vocal Pedagogy: Vocal Performance/Pedagogy majors must elect 3 hrs of foreign language ("Element 6") as part of their General Education studies.
  - Music Theory and Composition: Music Theory and Composition majors must elect 3 hrs of foreign language ("Element 6") as part of their General Education studies.
  - Professional Education Requirements for Music Education: 35 hours
    EDC 300, EDF 203, 219, and 413(2); EDF 204(2) or MUS 384(2); EMS 300W(1), 474, and 490(1); EME 378 or MUS 378; ESE 579 or MUE 579; SED 104 ("Element 6"); and 11 credit hours of Clinical Experiences: CED 100(0), 200(0), 300(0.5), 400(0.5), 450(1), 499(2). $\alpha =$ Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.
Upon completion of the Psychology degree graduates will:
1) show breadth and depth in their understanding of the major concepts, theoretical perspectives, empirical findings, and historical trends in psychology; 2) use critical and creative thinking and skeptical inquiry when critiquing and applying research methods in psychology; 3) respect and use critical and creative thinking, skeptical inquiry, and the scientific approach when solving problems related to behavior and mental processes; 4) understand and apply psychological principles in many areas of life including personal, social and organizational; 5) be able to weigh evidence, tolerate ambiguity, act ethically, and reflect other values that are the underpinnings of psychology; 6) demonstrate information competence and the ability to use technology for many purposes; 7) be able to communicate and collaborate effectively; 8) understand and apply knowledge of human diversity to better people’s lives; 9) develop insight into their own and others’ behavior and mental processes and apply effective strategies for self-management and self-improvement; 10) pursue realistic ideas about how to implement their psychological knowledge, skills, and values in occupational pursuits in a variety of settings that meet personal goals and societal needs.

**UNIVERSITY GRADUATION REQUIREMENTS**
- General Education..................................................36 hours
- Student Success Seminar (GSD 101; waived for transfers with 30+ hrs.)..............................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT – Psychology majors will fulfill ACCT with PSY 349 (3 Credits) or 400 or 419 or 579 (Credit hours may be incorporated into Major or Supporting requirements)

**Total Hours University Graduation Requirements ...39 hours**

**MAJOR REQUIREMENTS**
A minimum grade of “C” is required in all courses counted toward the major.

**Core Courses ..................................................34 hours**
PSY 200; PSY 250 or 250W; PSY 258; PSY 309(4) or 309W(4); PSY 310, 499(0), and at least 3 hours from each of the following areas:
- **Biological Bases of Behavior:** PSY 311, 315, or 315L (students in the Substance Abuse or Brain and Cognitive Science Concentrations must select 311 for this group)
- **Cognition/Learning:** PSY 317/317L, 322, or 333.
- **Developmental:** PSY 312, 314, or 316 (students in the Child and Family Psychology must select 312; students in the Psychology of the Workplace Concentration must select either 314 or 316)
- **Social/Personality:** PSY 300, 305, or 308 (students in the Substance Abuse, Autism Spectrum, Forensic, or Workplace Concentrations must select 308 in this area)
- **Skills:** PSY 318, 319, 399, 405, 406, 490, or 590 (Students in the Substance Abuse Concentration must select 490; students in the Child and Family Concentration must select 406; students in the Workplace Concentration must select 405)
- **Capstone:** 349 (3 hours), 400, 419, or 579

**Concentrations (Students may choose one or more concentrations. Those who do not choose one will be placed in the General Concentration.)**
- Psychology (General).................................9 hours
  9 hours of psychology electives. At least 3 hours must be numbered 400 or above. (PSY 280, 402 and 403 may not be used as a psychology elective.)
- Substance Abuse.................................12 hours
  PSY 305, 405, 406, and 429
- Developmental Disabilities/Autism
  Spectrum Disorders.................................12 hours
  PSY 312, 406, 408; PSY 477 or 577.
- Forensic Psychology.................................12 hours
  PSY 300, 305, 314, and 566.
- Child and Family Psychology.................................12 hours
  PSY 314, 405, 408, and one of the following: 318, 321, or 377.
- Psychology of the Workplace.................................12 hours
  PSY 300, 305, 319, and 590.
- Brain and Cognitive Sciences.................................15-16 hours
  PSY 315, 317, and 513; one of the following: PSY 322, 333, or approved 497/597; one of the following: BIO 171, 301, 371, CSC 160, MAT 234(4) or 234H(4), or PHI 352.
- Psychiatric Rehabilitation.................................15 hours
  PSY 337; 349 or 403; 405, 429, and 437.
Free Electives ...................................................... 31-38 hours

TOTAL HOURS TO COMPLETE DEGREE .......... 120 hours

Important Note for Transfer Students and Students who have changed their major: You should allow at least four semesters to complete the required psychology courses. It is strongly recommended that you take PSY 258 during your FIRST semester.

Students pursuing any of the Concentrations are strongly encouraged but not required to complete PSY 349, Co-operative Study, in the Concentration area.

Sumithran (Biology), and S. Tsiang (English)

Program Objectives
Animal Studies (ANS) is an interdisciplinary major that concentrates on nonhuman animals, their interactions and relationships with people, and the mutual influences humans and nonhuman animals have on each other’s existence, evolution, and history. Students in Animal Studies receive training in sciences, humanities, and applied fields. Within their cross-disciplinary training, students will choose to emphasize at least one of these areas of study. Graduates of the program will gain knowledge of and be able to evaluate ideas about nonhuman animals, humans, and their mutual influences informatively from diverse perspectives. Upon completion of the ANS degree, graduates will be able to (1) analyze contexts and events concerning animals knowledgeable and from diverse points of view; (2) elucidate the motives and consequences for diverse human-animal interactions; (3) evaluate the impacts of human uses of and attitudes toward animals on individuals and communities, and on evolution and history; (4) integrate cross-disciplinary ideas into an awareness of divergent perspectives on animals and humans; and (5) use skills and expertise in understanding animals and humans to obtain employment.

UNIVERSITY GRADUATION REQUIREMENTS
- General Education ........................................... 36 hours
- Student Success Seminar (GSD 101; waived for transfers with 30+ hrs.) .................................................... 3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Animal Studies majors will fulfill ACCT with ANS 400 or PSY 401. (Credit hours may be incorporated into program requirements below)

Total Hours University Graduation Requirements ... 39 hours

MAJOR REQUIREMENTS
Core Courses .................................................... 53-55 hours
- ANS 200, and courses in the following groups:
  1. Arts & Humanities (12 hours): ANS 320; PHI 381; SOC 300; and ANS 310, 497, or three hours of a relevant arts or humanities course.
  2. Science (14 hours): ANT 306 or 371; BIO 319(4); BIO 316(4) or 550(4); PSY 333.
  3. Application (12 hours): AGR 125 and ANT 370; LGS 306 or WLD 380; three hours of a relevant applied learning or study abroad course.
  4. Capstone: ANS 400 or PSY 401 or other relevant thesis option.
  5. Electives: an additional 9-11 hours in relevant courses, as approved by student’s advisor or department head.
  6. ANS 499: Senior Exit Course in Animal Studies
A minimum grade of “C” is required in all courses counted toward the major.

Supporting Course Requirements ....................... 1 hour
- ANT 120(Element 5B), 201(Element 4); BIO 112(Element 4)
  G = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

Free Electives .................................................... 25-27 hours

TOTAL HOURS TO COMPLETE DEGREE .......... 120 hours

MINOR

MINOR IN PSYCHOLOGY
Requirements for a minor are PSY 200 plus electives in PSY to total 18 hours. PSY 349, 402, and 403 cannot be counted toward the minor. A minimum grade of “C” is required of all courses counted toward the minor.

CONCENTRATION

PSYCHOLOGY CONCENTRATION IN THE ASSOCIATE OF ARTS IN GENERAL STUDIES DEGREE
See page 83 of this Catalog for the Psychology Concentration requirements listed in the Associate of Arts in General Studies degree section.

# DEPARTMENT OF ENGLISH
## ENGLISH B.A.

### FRESHMAN YEAR

**First Semester**
- ASO 100: 1
- Gen. Ed. 1A (ENG 101): 3
- Gen. Ed. 2: 3
- Gen. Ed. 1C: 3
- Free Elective: 3
- TOTAL: 16

**Second Semester**
- Gen. Ed. 1B (ENG 102): 3
- Gen. Ed. 5A: 3
- Gen. Ed. 5B: 3
- Free Elective: 3
- TOTAL: 15

### SOPHOMORE YEAR

**First Semester**
- Gen. Ed. 3A: 3
- ENG 310: 3
- Gen. Ed. 4: 3
- Gen. Ed. 6: 3
- Free Elective: 3
- TOTAL: 15

**Second Semester**
- ENG 302: 3
- Gen. Ed. 3B: 3
- Gen. Ed. 4: 3
- Gen. Ed. 311: 3
- Free Elective: 3
- TOTAL: 15

### JUNIOR YEAR

**First Semester**
- Gen. Ed. 3A: 3
- ENG 474: 3
- ENG 312: 3
- EDF 413: 3
- Free Elective: 3
- TOTAL: 15

**Second Semester**
- ENG Electives: 6
- Free Electives: 8
- TOTAL: 14

### SENIOR YEAR

**First Semester**
- Eng 410: 3
- ENG 490/491/492 (ACCT): 3
- Free Elective: 12
- TOTAL: 15

**Second Semester**
- ENG Electives: 6
- Free Elective: 3
- TOTAL: 15

### ENGLISH B.A. - THREE-YEAR PLAN

#### YEAR ONE

**First Semester**
- ASO 100: 1
- Gen. Ed. 1A (ENG 101): 3
- Gen. Ed. 2 (MAT 105): 3
- Social & Behavioral (E-5B): 3
- CMS 100 or 210 (E-1C): 3
- Free Elective: 3
- TOTAL: 16

**Second Semester**
- Gen. Ed. 1B (ENG 102): 3
- Gen. Ed.: 3
- Gen. Ed.: 3
- Gen. Ed.: 3
- Free Elective: 3
- TOTAL: 18

**Summer Semester**
- Gen. Ed.: 3
- Free Elective: 3
- TOTAL: 6

#### YEAR TWO

**First Semester**
- Gen. Ed.: 3
- Gen. Ed.: 3
- Gen. Ed.: 3
- English Elective: 3
- Free Elective: 3
- TOTAL: 18

**Second Semester**
- ENG 474: 3
- ENG 312: 3
- English Elective: 3
- Free Elective: 3
- TOTAL: 18

#### YEAR THREE

**First Semester**
- Gen. Ed.: 3
- Gen. Ed.: 3
- English Elective: 3
- Free Elective: 3
- TOTAL: 18

**Second Semester**
- Eng 410: 3
- Eng 313: 3
- English Elective: 3
- Free Elective: 3
- TOTAL: 18

**Summer Semester**
- English Elective: 3
- Total: 9

### ENGLISH/TEACHING B.A. - ENGLISH CONCENTRATION

#### FRESHMAN YEAR

**First Semester**
- ASO 100: 1
- Gen. Ed. 1A (ENG 101): 3
- Gen. Ed. 2 (MAT 105): 3
- Social & Behavioral (E-5B): 3
- CMS 100 or 210 (E-1C): 3
- Free Elective: 3
- TOTAL: 15.5

**Second Semester**
- ENG 102 (E-1B): 3
- Science (E-4): 3
- EDF 203: 3
- SED 104 (E-6): 3
- CED 100: 3
- Arts (Intro theatre or acting): 3
- TOTAL: 15.5

#### SOPHOMORE YEAR

**First Semester**
- Gen. Ed. 4: 3
- ENG 303: 3
- EDF 219: 3
- CED 200: 3
- Gen Ed E-3B: 3
- ENG 350: 3
- TOTAL: 15.5

**Second Semester**
- ENG 311: 3
- ENG 312: 3
- Diversity: 3
- HIS 102 or 103: 3
- EDF 204: 3
- TOTAL: 14

#### JUNIOR YEAR

**First Semester**
- Eng 313: 3
- Eng 405: 3
- Eng 410: 3
- British Lit Elective: 3
- EMS 300W: 3
- CED 300: 3
- TOTAL: 15.5

**Second Semester**
- Eng Electives: 6
- Free Electives: 6
- TOTAL: 15.5

#### SENIOR YEAR

**First Semester**
- Eng 440: 3
- American Lit. Elective: 3
- EDF 413: 3
- EMS 490: 3
- Diversity Literature Elective: 3
- TOTAL: 15.5

The College of Science offers baccalaureate and masters programs in a number of disciplines encompassing the natural and mathematical sciences. The college also offers pre-professional programs in pre-dental, pre-engineering, pre-optometry, pre-physician assistant, pre-pharmacy, pre-veterinary, and pre-medical sciences; minors in Biology, Chemistry, Chemistry/Teaching, Computer Science, Informatics, Cybersecurity and Intelligence, Earth Science Teaching, Environmental Sustainability and Stewardship, Forensic Science, Game Content Design, Geography, Geology, Mathematics, Mathematical Sciences, Mathematics/Teaching, Statistics, Actuarial Science, Physics and Physics Teaching and Pre-Professional Health; and certificate programs in Informatics, Fermentation, Fermentation Science, Environmental Sustainability and Stewardship, and Geographic Information Science (GIS). The College of Science plays a central role in the University’s general education program through which all University students are provided the opportunity to develop the skills, the knowledge, and the discernment essential to the full development of each person as an individual and as a member of society.

Through its disciplines, the College of Science strives to provide all students an excellent education with the most complete and current resources; to provide service to the University and to the community through its academic programs; and to encourage and support research in all the disciplines included in the College.

DEGREES OFFERED

The College of Science offers the following baccalaureate degrees: Bachelor of Science, and Bachelor of General Studies.

COLLEGE DEGREE REQUIREMENTS

General University degree requirements as set forth in Section Four of this Catalog as well as specific course requirements set forth in the descriptive curricula must be met by students completing programs administered by the College of Science. All students graduating with majors in the College of Science must have a 2.0 GPA in the major exclusive of any supporting courses. Students pursuing a minor in the College must have a minimum 2.0 GPA in the minor. At least twenty-five percent of the courses in the major must be taken at Eastern Kentucky University. In addition, individual programs may have specific requirements that exceed College requirements. Students should consult with an advisor or department chair to learn the particular requirements of a program.
outreach programs through the University, public school districts, and the Kentucky University Partnership for Environmental Education, which includes all eight state universities and the Kentucky Community and Technical College System.

For further information about the use and availability of EKU’s Natural Areas for research, education, leisure or educational programming, please call (859) 622-1476 or visit the website, www.naturalareas.eku.edu.

**AFFILIATED ACTIVITIES AND RESOURCES**

**PRE-PROFESSIONAL HEALTH ADVISING**

Christina Ruhfél

James Luba, Ph.D.
Science Building Room 1234
(859) 622-7894

EKU has a number of programs that will help prepare students for professional schools following graduation. These schools generally do not require a specific major, provided that their prerequisite courses are taken. All professional schools are highly competitive in their admissions process. Thus, students should aim for strong GPA and professional school admission test scores. Students are encouraged to seek a major that they feel comfortable with, that they have a strong aptitude for, that is interesting and challenging, and that provides additional career concentrations. Additional information may be found at www.preprofessional.eku.edu

**PRE-PHARMACY**

It is recommended for students interested in pharmacy to complete a four-year degree with a B.S. (Pre-Pharmacy Concentration) in chemistry. The chemistry pages in this Catalog list the appropriate courses for this concentration. The Pre-professional advisor, who is familiar with the pharmacy admissions process, will be assigned as a supplemental advisor. Students interested in pharmacy may major in any subject provided certain pre-requisite courses are taken. While it is possible for students to be admitted to a pharmacy school after just two years of undergraduate training, the competitive nature of these programs suggest students should complete their major in preparation for pharmacy school.

Pharmacy schools differ in their individual requirements, so students should check the web pages of the pharmacy school of their choice, and then determine which courses to take after consulting their pre-pharmacy advisor. The application process typically begins in the fall of the senior year. Pharmacy schools require the PCAT and they look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing pharmacists or working as a pharmacy technician. Admission to pharmacy schools depends on a good balance among each of these areas in addition to strong PCAT scores and a high GPA.

**PRE-PHYSICIAN ASSISTANT**

Physician assistant professional schools are primarily in university schools of medicine and allied health. Although programs vary in length, most physician assistant programs require 24-28 months to complete. Most programs require applicants to have completed a minimum of three years of college prior to admission and to have had previous health care experience. Most successful applicants to PA programs have earned a bachelor’s degree, and have accumulated a significant number of hours shadowing a Physician Assistant and working with patients in a clinical setting.

Prerequisite course requirements vary from school to school. Students are encouraged to consult with the pre-professional health advisor to determine which physician assistant programs are of interest, and pattern their course work to fulfill these specific program requirements.

**PRE-PROFESSIONAL HEALTH**

Students who want to pursue a career in a medical profession must prepare themselves for admission to a professional school or graduate program in their area of interest. Students are not required to complete a science-oriented degree, but they must have completed certain pre-requisite courses for admission to these programs. The purpose of this minor is to provide the background that a non-science major must have to complete a successful application to medical school or other professional programs in dentistry, optometry, physician assistant, pharmacy, and other health programs.

**Minor in Pre-Professional Health.....................39-40 hours**

BIO 111 (4)*, 171, 301 or 348, 332 (1), CHE 111/111L (4)*, 112/112L (4), 361/361L (4), 362/362L (4) or 430, PHI 383, PHY 131 or 201 (5), and 132 or 202 (5).

*May fulfill General Education Element 4 requirements. Other recommended courses from General Education: 6 credits of ENG (AP credit is not accepted at some medical schools), CMS 210, SOC 131, PSY 200 and higher, MAT 120 or MAT 234 depending on the program, ANT course.

BIO 112, 320, and STA 270 may also be required for admission to some professional schools. Students will need to check with each program for their particular entrance requirements. Certain schools may require more courses than are in this minor.

Students pursuing a degree in Biomedical Sciences or Chemistry may not declare the Pre-Professional Health minor.

**PRE-MEDICAL SCIENCE**

Students with career interests in allopathic medicine, osteopathic medicine, or podiatry may achieve admission to professional schools by graduating in any major, provided certain prerequisites are met. Typically, 75% of students that enter medical school majored in the physical, natural, or social sciences, with the remaining 25% from other disciplines.

The College of Science offers both the Biomedical Sciences (Pre-Medical Concentration) in Biology and the Bachelor of Science (Pre-Medical Concentration) degree in Chemistry. Students pursuing degrees in either department will complement their studies with appropriate courses in humanities, social
courses. Students in Biomedical Sciences or Chemistry will be assigned an advisor knowledgeable about optometry admissions procedures who will assist them in their application process. This process typically begins in the fall of the junior year. Optometry schools require the OAT exam, and look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing optometrists.

Admission to optometry schools is highly competitive and depends on a good balance among each of these areas in addition to strong OAT scores and a high GPA.

**PRE-VETERINARY MEDICINE**

Students who have a career interest in veterinary medicine may fulfill admission requirements of specific veterinary schools by pursuing either the Biomedical Sciences major (Pre-Veterinary Medicine concentration) or the Agriculture major (B.S.). See the Department pages in this Catalog for details of these programs. Refer to specific veterinary schools for listings of appropriate prerequisite courses. Students should complement their studies with appropriate courses in humanities, social sciences, communications, and agriculture. Courses in mathematics and physics will also be required.

Students in Biomedical Sciences will be assigned an advisor knowledgeable about veterinary school admissions procedures who will assist them in their application process. Applications generally must be submitted by October 1st of the senior year. Veterinary schools typically require the GRE, and they look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing veterinarians. Admission to these schools is highly competitive, more so than admission to medical schools, and depends on a good balance among each of these areas in addition to strong GRE scores and a high GPA. For more information, please refer to preprofessional.eku.edu.

No Kentucky institution has a program in veterinary medicine; however, the Commonwealth has contracts to allocate a limited number of places in Auburn University’s College of Veterinary Medicine and Tuskegee University’s School of Veterinary Medicine to Kentucky residents. Students accepted under this program are exempt from the out-of-state tuition charge at these schools. For residents of Kentucky to be accepted under the Kentucky quota, application must be made directly to one or both of the contract schools.

**BIO MEDICAL/HEALTH-RELATED RESEARCH**

Students with an interest in careers in biomedical/health-related research should consider a B.S. in Chemistry (Biochemistry concentration) or a B.S. in Biomedical Sciences (Research concentration). With these B.S. degrees, students may work in academic and industry research laboratories. Some students may choose to earn an advanced degree at either the M.S. or Ph.D. level. Both the Chemistry major and the Biomedical Sciences major will prepare students for these advanced degrees.

**PRE-ENGINEERING**

There is a pre-engineering curriculum offered by the College of Science, described below. Students interested in a particular engineering program should see the pre-engineering advisor in the
Department of Physics and Astronomy. Many students also choose to complete their B.S. in Physics/engineering physics major at EKU.

In the pre-engineering curriculum, referred to as the **Dual Degree Option**, students spend two or three years at EKU taking basic science, mathematics, and general-education courses. Students then transfer their credits to the University of Kentucky, Auburn University, or another university with an accredited engineering program earning both a baccalaureate degree from EKU in Physics and an engineering degree from the engineering school.

All students pursuing a Dual-Degree Engineering Program in the Department of Physics and Astronomy should pursue the Engineering Physics Concentration of the Physics B.S. program. Because preferred general education and supporting courses may vary depending upon the partner engineering school, it is essential that students pursuing the Dual-Degree Program in Engineering work closely with their departmental advisors.

After the first year of professional study, students transfer the work back in order to secure a Bachelor of Science degree from Eastern Kentucky University. This plan may shorten, by one year, the time needed to obtain both a baccalaureate and a professional degree.

## DEPARTMENT OF BIOLOGICAL SCIENCES

### Chair
Dr. Malcolm Frisbie
(859) 622-1531
Science Building 3238

### Faculty

## Baccalaureate Degrees

### Bachelor of Science (B.S.)

**BIOLOGY**

*CIP Code: 26.0101*

### UNIVERSITY GRADUATION REQUIREMENTS

- **General Education** .................................................. 36 hours
- **Student Success Seminar** .................................. 1 hour
  *(SCO 100; waived for transfers with 30+ hrs.)*
- **Writing Intensive Course** *(hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)*
- **Upper division courses** *(42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)*
- **ACCT** - Biology majors will fulfill ACCT with one of the following: BIO 320, 349, 598, HON 420 with a thesis topic approved by the Biology department, a program-approved leadership experience, or a program-approved study abroad experience. *(Credit hours are incorporated into program requirements below.)*

### Total Hours University Graduation Requirements .......................................................... 37 hours

### MAJOR REQUIREMENTS

#### Core Courses ......................................................... 29 hours

- BIO 111(4), 112(4), 315(4), 316(4), 318(4), 319(4), 320(4), and 495(1).

#### Concentrations: *(Must select at least one; courses used for one concentration may not count toward another concentration.)*

- **Aquatic Biology** ...................................................... 15 hours
  - BIO 525, 542, 557, 558, and one course from BIO 556, 561, or GLY 315.

- **Biodiversity and Conservation** ......................... 15-17 hours
  - BIO 514, BIO 532, 6 hours from BIO 335, 342(4), 525, 528, 536, 542, 553, 554, 556, 557, 595 and 3 hours from BIO 349(1-3), 520, 521(4), 550(4), 555, 558, 561, 598(1-3).

- **General Biology** ..................................................... 12 hours
  - Choose 12 hours from the following: any 300, 400, or 500 level BIO, CHE, or PHY course not included in Biology Core or from which Biology majors are not excluded, PHY 132(5) or PHY 202(5). Students applying to graduate school are strongly advised to include CHE 362/362L(4) and PHY 132(5) or 202(5) as part of the 12 hours

- **Biology Teaching** .................................................. 3 hours
  - BIO 348

#### Supporting Course Requirements:

- **Aquatic Biology and General Biology** ................. 14-16 hours
  - CHE 111/111L(4) (**Element 4), 112/112L(4), 361/361L(4); MAT 234(4) (**Element 2) or 234H(4) (**Element 2), or 211(**Element 2); PHY 131(5) or 201(5) (**Element 4); STA 215 or STA 270(4).
  *(G = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.)*

- **Biodiversity and Conservation** ......................... 20-23 hours
  - CHE 111/111L(4) (**Element 4), 112/112L(4), 361/361L(4); MAT 234(4) (**Element 2) or 234H(4) (**Element 2), or 211(**Element 2); PHY 131(5) or 201(5) (**Element 4); STA 215 or STA 270(4); CSC 174 or GEO 353; AGR 215/216(4), GEO 302W, GEO 325, GEO 435, GLY 303, or GLY 315.
  *(G = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.)*

- **Biology Teaching** .................................................. 21-26 hours
  *(must also complete all Professional Education Requirements)*
  - CHE 111/111L(4) (**Element 4), 112/112L(4), 361/361L(4); CHE 362/362L(4); CHE 120; MAT 120(4) (**Element 2), 122(5) (**Element 2), 211 (**Element 2), 234(4), or 234H(4) (**Element 2); PHY 131(5) or 201(5) (**Element 4); STA 215 or STA 270(4); PHY 132(5) or PHY 202(5) or GLY 108.
  *(G = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.)*

- **Professional Education Requirements** .................. 37 hours
  - EDC 300, EDF 203, 204(2), 219, 413; SED 104 (**Element 6), EMS 300W, 490, 474; ESE 561 and 11 credit hours of Clinical Experiences: CED 100(0.0), 200(0.0), 300(0.5), 400(0.5), 450(1), 499(9).
  *(G = Course also satisfies a General Education element. Hours are included within the 36 hours in General...*
The Biomedical Sciences degree program is a rigorous program designed to prepare students for careers in biomedical research and a wide variety of biomedical professional programs. The Biomedical Sciences degree can be tailored to prepare students for graduate or professional schools, including but not limited to medical, dental, physician assistants, optometry, and veterinary medicine. This degree will prepare students interested in pursuing a broad range of careers, including biotechnology, industrial microbiology, or pharmaceutical sales. The biomedical sciences degree provides students with a curriculum that develops strong creative and critical thinking skills while also providing them with the required and recommended courses for admission to graduate and professional schools.

All students must be admitted to the University by the EKU Admissions Office and declare their major as biomedical sciences (BMS). For admission to the BMS program, a high school graduate must meet the following three criteria:

1. A Math ACT score of 23 (or equivalent SAT) or a “C” or better in MAT 112A/B or 114
2. An English ACT score of 20 (or equivalent SAT), or a “C” or better in ENG 101

Individuals who are transfer students or wish to change their major must have attained a minimum GPA of 3.00 overall on a minimum of 24 hours attempted. Entering freshmen and transfer students who do not meet the minimum requirements are encouraged to enroll in the general option of the Biology BS Degree program, until qualified to transfer into the program.

Progression Policy

The Biomedical Sciences degree program limits the number of major core, concentration, and supporting courses which may be repeated. Students are allowed only one repeat per major course and a total of not more than two repeats in all major courses combined. In addition, a supporting course may be repeated only once.

To remain in the Biomedical Sciences degree program, a student must maintain an overall GPA of 3.0 with a grade of “C”/2.0 or better in each of the supporting and major courses of the curriculum. Students who fail to maintain a 3.0 GPA will be removed from the BMS program and placed in the Biology B.S. program, General Biology Concentration.

UNIVERSITY GRADUATION REQUIREMENTS

**Bachelor of Science (B.S.) Biomedical Sciences**

**CIP Code:** 26.0102

**Biomedical Sciences**

TOTAL HOURS TO COMPLETE DEGREE .......... 120 hours

MINOR

MINOR IN BIOLOGY

A student may qualify for a minor in biology by completing 21 semester hours to include BIO 111(4), 112(4), 318(4), 319(4) and five additional hours selected from those 300 through 500 level courses normally taken for one of the majors in the department.

Students pursuing Biology or Biomedical Sciences degrees may not declare a Minor in Biology.

Teaching Certification for Biology Minor

The previously described minor in biology must be coupled with a secondary teaching certificate in another discipline to qualify students to teach biology at the secondary level. Students enrolled in a teaching program other than science who desire teaching certification in biology will be required to take ESE 561 and student teach in biology. Please note that the biology minor GPA must be 2.75 or greater to seek certification in biology. The minor certification cannot be recommended until the secondary teaching program is completed and a recommendation for certification has been processed. Appropriate PRAXIS exams must be completed for each area of certification being recommended.

PRAXIS EXAMINATION

Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to DegreeWorks for exam details. The PRAXIS exam must be taken prior to student teaching.

BACCALAUREATE DEGREES

BACHELOR OF SCIENCE (B.S.)
CHEMISTRY
CIP Code: 40.0501

UNIVERSITY GRADUATION REQUIREMENTS

- General Education: 36 hours
- Student Success Seminar: 12 hours
- Writing Intensive Course: 22 hours
- Core Courses: 36 hours
- Major Requirements: 37 hours
- Supporting Course Requirements: 26 hours
- Concentrations Requirements: 25 hours
- EXIT REQUIREMENT: 0 hours

MAJOR REQUIREMENTS

Concentrations Requirements:

- Biochemistry (ACS Certification Optional): CHE 385W, 425/425L(4), 450, 431, 432(1), 484(1), 570(4), one from either CHE 411, CHE 495A and/or CHE 495B, 501L, 5 hrs from either 400-500-level CHE or FOR electives. For ACS Certification, CHE 515(5) is required; CHE 495A and/or CHE 495B (chemistry research) is recommended.

- Chemistry (ACS Certification Optional): CHE 385W, 425/425L(4), 450, 431, 432(1), 484(1), 570(4), 1 hr from CHE 411, 432(1), 495A, 495B, 501L; 8 hrs from either 400-500-level CHE or FOR electives. For ACS Certification, CHE 515(5), CHE 574/574L(4), and 575/575L(4) are required. At least 3 hrs of CHE 495A and/or CHE 495B are required.

Four-Year Program Option: American Chemical Society (ACS).

- Pre-Pharmacy: CHE 385W, 425/425L(4), 450, 431, 432(1), 484(1), 570(4), and three (3) hours from a combination of CHE 349, 349A-N, 495A and/or 495B.

- Chemistry Teaching: CHE 570(4) plus select four (4) credit hours of either 400-500-level CHE or FOR courses. If CHE 495A and/or 495B is taken, only 3 hrs can be applied to the major.

Supporting Course Requirements:

- Pre-Health (Pre-Medical, Pre-Dental, Pre-optometry, Pre-Physician Assistant): BIO 111(4) (Element 4), 112(4) (Element 4), 113(4), 348(4), MAT 234(4) (Element 2); PHY 383, PHY 131(5) (Element 4) or 201(5) (Element 4); PHY 132(5) or 202(5).
- Pre-Health (Pre-Medical, Pre-Dental, Pre-optometry, Pre-Physician Assistant): BIO 111(4) (Element 4), 112(4) (Element 4), 171, 331, and 348(4), MAT 234(4) (Element 2); PHY 383, PHY 131(5) (Element 4) or 201(5) (Element 4); PHY 132(5) or 202(5); PSY 200 (Element 5B), and SOC 131 (Element 5B). Two semesters of Calculus are highly recommended, and Calculus based physics (PHY 201 and 202) is recommended by the ACS and ASBMB.

Chemistry: BIO 111(4) (Element 4); MAT 234(4) (Element 2); MAT 244(4) or 244H(4); MAT 254(4) or 254H(4); PHY 201(5) (Element 4), and 202(5). For ACS Certification, PHY 201(5) and PHY 202(5) along with additional courses in calculus, MAT 244(4) or 244H(4) and MAT 254(4) are required.

With all specified courses, this program option produces a degree certified by the American Chemical Society (ACS).

Pre-Pharmacy: BIO 111(4) (Element 4); MAT 234(4) (Element 2); MAT 244(4) or 244H(4); PHY 383, PHY 131(5) (Element 4) or 201(5) (Element 4); PHY 132(5) or 202(5); PSY 200 (Element 5B), and STA 270(4).

Chemistry: BIO 111(4) (Element 4), 112(4) (Element 4), 171; BIO 273(4) or 320(4); BIO 301, 376(1); ECO 230; MAT 234(4) (Element 2); PHI 383; PHY 131(5) (Element 4) or 201(5) (Element 4); PHY 132(5) or 202(5); PSY 200 (Element 5B), and STA 270(4).

CHEMISTRY: BIO 111(4) (Element 4); 112(4) (Element 4), 171; BIO 273(4) or 320(4); BIO 301, 376(1); ECO 230; MAT 234(4) (Element 2); PHI 383; PHY 131(5) (Element 4) or 201(5) (Element 4); PHY 132(5) or 202(5).

Pre-Pharmacy (Pre-Medical, Pre-Dental, Pre-optometry, Pre-Physician Assistant): BIO 111(4) (Element 4); MAT 234(4) (Element 2); MAT 244(4) or 244H(4); PHY 201(5) and PHY 202(5) along with additional courses in calculus, MAT 244(4) or 244H(4) and MAT 254(4) are required.

With all specified courses, this program option produces a degree certified by the American Chemical Society (ACS).

American Chemical Society (ACS).
Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to DegreeWorks for exam details. The PRAXIS exam must be taken prior to student teaching.

**TOTAL HOURS TO COMPLETE DEGREE ........ 120 hours**

*Preparatory courses in mathematics may be required before admission to MAT 122, MAT 234 or 234H.

---

**Bachelor of Science (B.S.) & Master of Science (M.S.) Chemistry**

**Accelerated 3+2 Dual Degree Program**

**CIP Code: 40.0501**

---

Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their B.S. degree and M.S. degree within 5 calendar years because of the accelerated curriculum and because 9 semester hours of 700-level graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

**Admission Requirements:**

Students interested in this option must satisfy all the following conditions:

1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and grade point average (GPA) of at least 3.0 to continue in the 3+2 option.

**Program Requirements**

Students in 3+2 Accelerated Dual Degree Option must complete the listed Chemistry (B.S.) program requirements along with the same requirements for the M.S. Chemistry Program (presented in the Graduate Catalog: listing at http://gradschool.eku.edu/graduate-catalog). Nine (9) credit hours of 700-level graduate coursework (pre-health or pre-pharmacy concentrations): CHE 715, 770 or 774/774L are applicable to the undergraduate degree.

---

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education ................................................. 36 hours
- Student Success Seminar ...................................... 1 hour (SCO 100C: waived for transfers with 30+ hrs.)
- Writing Intensive Course (hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Chemistry majors will fulfill ACCT with CHE 411, 495A, 495B, 515 or 715 (Credit hours are incorporated into program requirements below.)

**Total Hours University graduation requirements .......... 37 hours**

---

**B.S. CHEMISTRY 3+2 MAJOR REQUIREMENTS**

**Chemistry Core Courses ........................................... 26 hours**

**Concentration Requirements:**

- **Biochemistry (ACS Certification Optional), Pre-Health (Pre-medical, Pre-Dental, Pre-Optometry, Pre-Physician Assistant)................................. 26 hours**
- **CHE 385W, 425/425L(4), 431, 432(1), 450, 484(1), 485(1), 715(5), and 770(4), one hour from the following: CHE 411, CHE 495A and/or 495B, 501L. CHE 495A and/or 495B (chemistry research) is recommended.**
- **With all specified courses, this program option produces a degree certified by the American Chemical Society (ACS) and follows the recommendation from the American Society for Chemistry and Molecular Biology (ASBMB).**

- **Chemistry (ACS Certification Optional) ............... 25-29 hours**
- **For Non-ACS: CHE 385W, 425/425L, 450, 484(1), 485 (1), 715(5), 770(4)*, 1 hr from either CHE 411, 432(1), 495A, 495B, or 501L; and 3 hrs from either 400- or 500-level CHE or FOR electives.**
- **For ACS Certification: CHE 385W, 425/425L, 450, 484(1), 485 (1), 715(5), 774/774L(4)*, 575/575L(4), 1 hr from either CHE 411, 432(1), 495A, 495B, or 501L, and 3 hrs from either 400- or 500-level CHE or FOR electives.**
- **With all specified courses, this program option produces a degree certified by the American Chemical Society (ACS). At least 3 hours of CHE 495A and/or CHE 495B (chemistry research) is recommended.**
- ***One, and only one physical chemistry course must be taken at the 700-level (CHE 770(4) or 774/774L(4)). This program concentration produces a degree certified by the American Chemical Society (ACS).**

**Supporting Course Requirements:**

- **Biochemistry ...................................................... 25 hours**
- **BIO 111(4) (Element 4), 112(4) (Element 4), 315(4), 531(4); MAT 234(4) (Element 2); MAT 244(4); PHY 131(5) (Element 4) or 201(5) (Element 4); PHY 132(5) or 202(5). Calculus based physics (PHY 201 and 202) is recommended by the ACS and ASBMB.**

- **Pre-Pharmacy ..................................................... 27 hours**
- **CHE 385W, 425/425L(4), 450, 431, 432(1), 484(1), 715(5), 770(4), and three (3) hours from a combination of CHE 349, 349A-N, 495A and/or 495B.**

2018-2019 EKU UNDERGRADUATE CATALOG 249
Pre-Pharmacy .................................................. 34 hours
BIO 111(4) (*Element 4), 112(4) (*Element 4), and 171; BIO 273(4) or 320(4); BIO 301, 378(1); ECO 230; MAT 234(4)
(*Element 2); PHI 383; PHY 131(5) (*Element 4) or 201(5)
(*Element 4); PHY 132(5) or 202(5); PSY 200 (*Element 5B),
and STA 270(4).

Free Electives................................................. 2-23 hours
TOTAL HOURS TO COMPLETE B.S. DEGREE .... 120-124 hours
*Preparatory course in mathematics may be required before
admission to MAT 122, MAT 234 or 234H.

M.S. CHEMISTRY MAJOR REQUIREMENTS
A. Core Requirements ...................................... 27 hours
I. 700-level requirements .................................. 12 hours
a. CHE 715(5) and one of the following: CHE 770(4),
*774/774L(4) or *775/775L(4)...................................... 9 hours
*Students in the the ACS certified B.S. Chemistry 3+2
program are required to take CHE 774/774L(4) or
775/775L(4).
 b. Three additional hours in chemical/biological science or
mathematics ...................................................... 3 hours
II. 800-level Requirements ............................... 15 hours
a. CHE 810(2), 811(2), 880(1), and 1 additional hour from
either CHE 811 or 881 ............................................. 6 hours
b. Pick three courses from the following: CHE 822, 830, 850,
860. ........................................................................ 9 hours

B. Program Tracks:
Students will pick one of the following tracks

Thesis Track: Graduate Research – Written Thesis Required
6 hours
CHE 899(6)

Internship Track: Applied Learning in Chemistry – Written
Report Required................................................. 6 hours
CHE 839(6) or CHE 839(3) and 3 hours of CHE 700/800 level
courses.

Coursework Track ............................................. 6 hours
Three (3) hours of CHE 800 level courses and 3 additional hours
from CHE 700/800 level courses.

Exit Requirements:
Thesis/Internship Track — A thesis/report based upon the
original research/project in the area of the student’s research
concentration must be submitted. A final comprehensive oral
examination (GRD 858b) in defense of the thesis/report and related
course work is required.

Coursework Track – Candidates must earn a 3.0 GPA (or higher)
for all program coursework for the option. In addition, the
candidate for the coursework option must pass a final examination
(GRD 858c). The committee will decide the format of the
examination.

TOTAL HOURS TO COMPLETE M.S. DEGREE .. 33 hours

BACHELOR OF SCIENCE (B.S.)
FORENSIC SCIENCE
CIP Code: 40.0510

The Forensic Science degree program at EKU is a comprehensive
science-based undergraduate education that prepares students to
become leaders in the forensic science discipline. Forensic
analytical work requires patience and diligence, with attention
to detail and high-quality standards that will stand up in court. A
forensic scientist must be able to communicate effectively, both
orally and in writing, have personal integrity and high ethical
standards, and have no history of drug abuse or criminal activity.
Because the program provides a strong knowledge base and skill
set in both molecular biology and analytical chemistry, graduates
can also pursue careers in a variety of laboratory settings in
industry, academic research labs, environmental work, or
pharmaceutical science.

The program offers two options: 1) Forensic Chemistry and 2)
Forensic Biology. The Forensic Chemistry option of the Forensic
Science degree prepares analysts to use analytical chemistry to
examine evidence in the crime laboratory. Forensic Chemistry
graduates will typically work in trace evidence, toxicology, drug
identification, or firearm sections of the crime laboratory. The
Forensic Biology option of the Forensic Science degree prepares
students to work in areas of a forensic laboratory requiring a
knowledge of genetics, molecular biology, and analytical
chemistry. The forensic biologist applies scientific knowledge
and skills to solve complex real-life problems in DNA analysis
in support of investigative work. Forensic Biology graduates
will typically work in the DNA/serology sections of the forensic
laboratory.

Admission/Progression Criteria
All forensic science majors utilize the regular admission policy of
the University for students taking courses offered during the first
semester of the program. In order to continue in the program, the
student must maintain an overall (institutional) GPA of 2.75 on a
4.0 scale. The Forensic Science Program also limits the number
of major core, concentration, and supporting courses which may
be repeated. Students are allowed to repeat up to 9 credit hours of
major, supporting and concentration courses. Students who fail
to meet one of these criteria will be removed from the Forensic
Science degree program and placed in the B.S. Chemistry,
Chemistry Option, degree program.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education............................................ 36 hours
• Student Success Seminar (SCO 100C, waived for transfers with
30+ hrs.) ............................................................ 1 hour
• Writing Intensive Course (hrs. incorporated into Major/
Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/
Supporting/Gen Ed/Free Electives categories)
• ACCT - Forensic Science majors will fulfill ACCT with
FOR 499 (Credit hours are incorporated into program
requirements below.)

Total hours University graduation requirements...... 37 hours

MAJOR REQUIREMENTS
• Forensic science majors have a graduation requirement of an
institutional GPA of 2.75/4.0 or better.
• The curriculum below produces a degree that meets the
The Forensic Science degree program at EKU is a comprehensive science-based undergraduate education that prepares students to become leaders in the forensic science discipline. Forensic analytical work requires patience and diligence, with attention to detail and high-quality standards that will stand up in court. A forensic scientist must be able to communicate effectively, to detail and high-quality standards that will stand up in court. The program offers two options: 1) Forensic Chemistry and 2) Forensic Biology. A forensic scientist must be able to communicate effectively, to detail and high-quality standards that will stand up in court. The Forensic Biology option of the Forensic Science degree prepares students to work in areas of a forensic laboratory requiring a knowledge of genetics, molecular biology, and analytical chemistry. The forensic biologist applies scientific knowledge and skills to solve complex real-life problems in DNA analysis in support of investigative work. Forensic Biology graduates will typically work in the DNA/serology sections of the forensic laboratory.

**Admission Requirements:**
Students interested in this option must satisfy all the following conditions:

1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 option.

**Program Requirements**
Students in 3+2 Accelerated Dual Degree Option are able to complete their B.S. degree and M.S. degree within 5 calendar years because of the accelerated curriculum and that 9 semester hours of 700-level graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

**UNIVERSITY GRADUATION REQUIREMENTS**

   Students will pick one of the following tracks
The Thesis Track: Graduate Research – Written Thesis Required
6 hours
CHE 899(6)

The Internship Track: Applied Learning in Chemistry – Written
Report Required.................................................... 6 hours
CHE 839(6) or CHE 839(3) and 3 hours of CHE 700/800 level
courses

Coursework Track .................................................. 6 hours
Three (3) hours of CHE 800 level courses and 3 additional hours
from CHE 700/800 level courses.

Exit Requirements:
The Thesis/Internship Option — A thesis/report based upon the
original research/project in the area of the student’s research
concentration must be submitted. A final comprehensive oral
examination (GRD 858b) in defense of the thesis/report and related
course work is required.

Coursework Option – Candidates must earn a 3.0 GPA (or
higher) for all program coursework for the option. In addition, the
candidate for the coursework option must pass a final examination
(GRD 858c). The committee will decide the format of the
examination.

TOTAL HOURS TO COMPLETE M.S. DEGREE ..33 hours

MINOR IN CHEMISTRY/TEACHING*
A student may minor in chemistry by completing CHE
111/111(4), CHE 112/112L(4), CHE 361/361L(4), plus six credit
hours from the following list**: CHE 250(2)*, 325/325L(5),
362/362L(4), 430, 450, 501, 520, or 570(4).

*Teaching Certification for Chemistry Minor
The previously described minor in chemistry
must include CHE 250 and be coupled with a
secondary teaching certificate in another discipline
to qualify students to teach chemistry at the secondary level.
Students enrolled in a teaching program other than science who
desire teaching certification in chemistry will be required to take
ESE 561. Please note the chemistry minor GPA must be 2.75 or
greater, and student teaching in chemistry is required.

The minor cannot be recommended until the secondary
teaching program is completed and a recommendation for
certification has been processed. Appropriate PRAXIS exams must
be completed for each area of certification being recommended.

PRAXIS EXAMINATION
Students must register for and take the PRAXIS exam which
correlates to their degree program, per College of Education
requirements. Refer to DegreeWorks for exam details. The
PRAXIS exam must be taken prior to student teaching.

**See Course Descriptions for prerequisite and corequisite
requirements.

MINOR IN FORENSIC SCIENCE
The minor in Forensic Science requires a minimum of 18 credit
hours as indicated below:

Core Requirements ............................................. 9 hours
FOR 301, 401, 460.

Elective Requirements ........................................ 9 hours
Nine (9) hours of electives from the following: FSE 250,
PLS 220, PLS 316, FOR 331/331L(4), 440, 442/442L(4),
451/451L, 490(1-3).

Total Curriculum Requirements ....................... 18 hours

CERTIFICATE IN FERMENTATION SCIENCE

UNIVERSITY CERTIFICATE
A student may complete a long-term (university) certificate in
fermentation science by completing the following requirements:

Core Requirements **.............................................. 13 hours
Electives........................................................................................................11 hours
If a University certificate is chosen, then eleven additional credit hours must come from the following list**: CHE or FMT 349, 349A-N, 495A/B, 501A-D, FMT 549, CHE 101/101L or CHE 111/111L, BIO 111, AGR 130, 131(1). 430, EHS 280, 380, OSH 110, or department approved courses. If CHE or FMT 349, 349A-N and/or 495 is taken, only 3 hours can be applied to the certificate.
Total Curriculum Requirements.........................................................24 hours
**See Course Descriptions for prerequisite and corequisite requirements.

CERTIFICATE IN FERMENTATION
DEPARTMENTAL CERTIFICATE
A student may complete a short-term (Departmental) certificate in Fermentation by taking the following requirements:
Core Requirements** .................................................................13 hours
FMT 140(4), 343, 344(4), 345(2)
Total Curriculum Requirements ..............................................13 hours
**See Course Descriptions for prerequisite and corequisite requirements.

DEPARTMENT OF COMPUTER SCIENCE

Wallace 417

Faculty

BACCALAUREATE DEGREES

BACHELOR OF SCIENCE (B.S.)
COMPUTER SCIENCE
CIP Code: 11.0101

Program Objectives
The mission of the Bachelor of Science in Computer Science program is to provide students with an education that will prepare them to develop a career in the fields of computer science or computer forensics.

Program Educational Objectives/Goals for General Computer Science Concentration
1. Our graduates will be productive professionals in the computing field.
2. Our graduates will develop professionally through continued formal education and/or professional activities.
3. Our graduates will demonstrate leadership skills at work.
4. Our graduates will contribute to community as computing professionals.

Program Educational Objectives/Goals for Computer Forensics & Security Concentration
1. Our graduates will be productive professionals in the computer forensics field.
2. Our graduates will develop professionally through continued formal education and/or professional activities.
3. Our graduates will demonstrate leadership skills at work.
4. Our graduates will contribute to community as computer forensics professionals.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education..........................................................36 hours
• Student Success Seminar SCO 1001 ....................................1 hour (waived for transfers with 30+hrs.)
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Computer Science majors will fulfill ACCT with CSC 349, 449, 549, 495, or 499 with a program-approved topic. (Credit hours may be incorporated into Major or Supporting requirements)
Total Hours University Graduation Requirements ...37 hours

MAJOR REQUIREMENTS
Core Courses ..................................................................................25 hours
CSC 185, 190, 191, 195, 310, 313, and 340; CSC 308; CSC 499(1).
Concentrations:
Computer Science (General)....................................................25 hours
(Accredited by the Computer Science Accreditation Commission of ABET, http://www.abet.org)
CSC 311, 320, 360, 400, 440, 460, 541, 545; and 1 credit hour of CSC 494, 495, or 496.
Computer Technology...............................................................22 hours
CSC 360, 440, 460, 545, 3 hours of CSC 349; CSC 330 or 544; 1 course from: CSC courses 300 level or above except CSC 349, 490, 494, 495, 496.
Interactive Multimedia..............................................................22 hours
CSC 140, 315, 316, 491, 550, one of 520 or 555, and 1 additional CSC course 300 level or above except CSC 349, 490, 494, 495, 496.
Computer Forensics and Security .........................................24 hours
CSC 332, 360, 400, 520, 542, 547, 548, and 549.
Artificial Intelligence in Data Science ...............................22 hours
CSC 311, 320, 545, 546, 581, 582, 583; and 1 credit hour of CSC 494, 495, or 496.

Supporting Course Requirements:
Computer Science (General) ....................................................23-27 hours
EET 252; MAT 234(4) or 234H(4)("Element 2"), MAT 239, 244(4) or 244H(4); STA 270(4).
Choose One of the following sequences:
a) BIO 111(4) ("Element 4"), 112(4) ("Element 4")
b) CHE 111/111L(4) ("Element 4"), 112/112L(4) ("Element 4")
c) GLY 108 ("Element 4"), and 109 ("Element 4")
d) PHY 201(5) ("Element 4"), PHY 202(5) ("Element 4")
And Choose 2 courses from a, b, c, or d not taken as part of the sequence.

Computer Technology ..........................................................24-25 hours

FOR 301, 401, INF 318, 321, 322, NET 303, 354, and STA 270(4); MAT 234(4) or 234H(4) (Element 2); choose two courses from the following: BIO 111(4) (Element 4), CHE 111/111L(4) (Element 4), and PHY 201(5) (Element 4); 3 credit hours of CSC 349 or INF 495.

**Artificial Intelligence in Data Science** ............ 30-34 hours

MAT 234(4) or 234H(4) (Element 2); MAT 244(4) or 244H(4); STA 270(4), 340, 375, 380, 575, 580, 585, and one of the following sequences:

a) AEM 202 and (332, 336, or 506);
b) BIO 315(4), 333;
c) ECO 230, 231 (Element 5B);
d) ECO 320, 420;
e) INS 370 and (372, 374, or 378);
f) STA 520, 521;
g) CSC 332 and (542, 547, or 548);
h) GEO 353 and 453;
i) Two courses from HLS 401, 402, 403.

**Free Electives** .......................................................... 0-12 hours

**TOTAL HOURS TO COMPLETE DEGREE** .......... 120-121 hours

1Students without a 25 ACT or 590 SAT will be advised to take CSC 170 as preparation for CSC 185 and 190.

2Under special circumstances, a student may seek an administrative waiver of the CSC 349 requirement from the Computer Science Curriculum Committee and the department chair. Waiver recipients are required to complete three semester hours of additional course work approved by the Computer Science Curriculum Committee.

3BIO 315 has a prerequisite of BIO 111 or 112.

4 GEO 353 has a prerequisite of one course from: AGR 216, GEO 100, 210, 220, GLY 102, 107, or 108.

**Bachelor of Science (B.S.)**

**DIGITAL FORENSICS AND CYBERSECURITY**

CIP Code: 43.0116

**Program Mission**

The mission of the Bachelor of Science program in Digital Forensics and Cybersecurity is to provide students with an education that will prepare them to build a solid foundation of knowledge and skills in digital forensics and cybersecurity and develop a career in the related professional fields.

**Program Educational Objectives (PEOs)**

The graduates of the program will

**PEO 1:** Be productive professionals in the digital forensics and/or cybersecurity industry

**PEO 2:** Be prepared for advanced studies in the fields of digital forensics and/or cybersecurity

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education .................................................. 36 hours
- Student Success Seminar ........................................ 1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Digital Forensics and Cybersecurity majors will fulfill ACCT with CSC 549 or CSC 495 or INF 495 with a program-approved topic. (Credit hours may be incorporated into Major or Supporting requirements)

**Total Hours University Graduation Requirements** ........ 37 hours

**MAJOR REQUIREMENTS**

**Core Courses** ..................................................... 57 hours

CSC 189, 210, 313, 332, 360, 400, 410, 536, 537, 547, 548 and 549; CSC 308 or 309; INF 318, 321, and 322; two courses selected from CSC 520, 539, 542, 543, and 544; and 3 credit hours of CSC 349 or 495.

**Supporting Course Requirements** ......................... 25-26 hours

CMS 210 (Element 1); FOR 301, 401, 465W; STA 270 (4); MAT 234 (4) (Element 2); two courses selected from BIO 111(4) (Element 4), CHE 111/111L(4) (Element 4), and PHY 201(5) (Element 4); two courses selected from CRJ 101, PLS 216, 316, and 416; one course selected from CIS 320, 325, HLS 400, 401, 402, 403, NET 303, 354, and 454.

\[ g = \text{Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.} \]

**Free Elective** .......................................................... 0-1 hour

**TOTAL HOURS TO COMPLETE DEGREE** .... 120 hours

**MINORS**

**MINOR IN COMPUTER SCIENCE**

**Minor in Computer Science** ......................... 21 hours

A student may minor in computer science by completing CSC 185, 190, 191, 195, 310, 340, and one of CSC 200, 320, or 545.

**MINOR IN CYBERSECURITY AND INTELLIGENCE**

**Minor in Cybersecurity and Intelligence** ........ 21 hours

A student may minor in Cybersecurity and Intelligence by completing HLS 401, HLS 402, HLS 403, INF 321, INF 322, and two courses from CIS 320, CIS 325, CSC 332, CSC 520, CSC 542, CSC 548, INF 307, INF 314, or INF 318.

**MINOR IN GAME CONTENT DESIGN**

**Minor in Game Content Design** .................... 20 hours

A student may minor in Game Content Design by completing INF 130, CSC 140, MUS 290(2), INF 330, BEM 353W, INF 430, and one of ART 100, INF 120 or ENG 306.
MINOR IN INFORMATICS

Minor in Informatics........................................18-19 hours

A student may minor in Informatics by completing INF 104 or CIS 212; INF 314; INF 123 or 307; one of STA 215, 270(4)*, or QMB 200*; and six additional semester hours from INF 105, 120, 130, 301, 318, 330, 495, CSC 140, 160, 170, 174, 177, 178, 190*, CIS 215, 320, 325, HSA 370, STA 340, or INF 123 or 307 (if not used above).

*Includes MAT 112 A/B, 114 or 122 as a prerequisite

CERTIFICATE

Certificate in Informatics

Requirements.................................................... 12 hours

A student may qualify for a Certificate in Informatics by completing INF 104 or CIS 212; INF 307 or CCT 3048; INF 314; and three additional semester hours from INF 105, 120, 123, 130, 301, 318 or 330, or CSC 140, CIS 420, or INF 510*

*Bachelor in General Studies students who are also seeking the professional Certificate in Informatics must take CIS 420 or INF 510.

DEPARTMENT OF GEOSCIENCES

Chair
Dr. Melissa Dieckmann
(859) 622-1273
Science Building 2234

Faculty

Our programs provide students with a comprehensive understanding of the breadth and depth of the geosciences through field-based and experiential curricula, innovative teaching methods, applied research, and community outreach focused on the needs of southeastern Kentucky. The Department of Geosciences is committed to enabling our students to achieve their full potential as skilled professionals in a diverse range of companies and governmental organizations, and as effective teachers, community leaders, and educated global citizens. Our programs produce students who are informed users of a range of technologies, responsible stewards of our natural resources, lifelong learners, and active participants in a global society.

Bachelor of Science in Geographic Information Science

The digitization of geographic data, and the wide availability of portable, low-cost technology that utilizes spatial data (smart phones, unmanned aerial vehicles (“drones”), OnStar), has created a booming demand for geographic information. The proliferation and availability of satellite data, and increasing global competition have fueled the hunger for geographic information from businesses, governments and government agencies, and private citizens. Apps and games that make use of altered or virtual reality rely on up-to-date, accurate geographic data to function. As a result, the need for qualified geographic information scientists and mapping professionals is larger than the current supply of these professionals, and employment for these professions is increasing at rates much higher than national rates for other STEM fields.

The B.S. Geographic Information Science program prepares students for graduate study or for employment in the field of geospatial techniques, as well as in fields where geospatial techniques are used to solve problems of importance to businesses, communities, and society. The program provides a foundation of geographic knowledge in introductory coursework through which data of geographic relevance can be understood, analyzed and interpreted; foundational skills in spatial data collection and interpretation in core coursework; and advanced knowledge and skills in geographic information science. Through internships, independent research opportunities, service learning opportunities within our curriculum, applied collaborative projects with other departments on EKU’s campus and entities within our service region, students will be well poised to use their geographic information science knowledge and skills in a variety of careers, and engage our community beyond the campus of EKU in using geographic information science to assess issues of concern to these communities and provide possible solutions to their concerns.

The B.S. Geographic Information Science program is designed with intentional flexibility that allows for the completion of two degree programs or the addition of relevant minor and certificate programs. The integration of multiple programs will prepare students to be more successful in joining the workforce in disciplines such as geology, anthropology, homeland security, intelligence studies, and wildlife management, just to name a few. Most job postings in these areas require geographic information science skills as a prerequisite for gaining employment, and geographic information is, by nature, an interdisciplinary area of study that is utilized in a variety of careers spanning all six of EKU’s Colleges.

Bachelor of Science in Geology

Geology is the study of Earth; we study the processes, behavior and materials of Earth, its water and its atmosphere both in recent times and in the geologic past. Through understanding how Earth formed, how it changed over billions of years, and how it continues to function today, we can look forward in time to predict how natural processes and human actions will interact to impact Earth in the future. Knowledge of geological concepts and processes helps scientists, politicians, and business professionals make decisions about the use of Earth’s natural resources, protection of humans against natural disasters, and wise stewardship of our environment.

For students wishing to enter the professional world immediately upon graduation, the Professional Concentration prepares our students to become competent professionals with the requisite knowledge and skills necessary to successfully pass the initial certification exam to eventually obtain their Professional Geologist designation. Students will have the opportunity to gain knowledge and skills in each of the eight areas of professional geology and geotechniques, as well as develop critical research skills through a senior thesis or field camp experience.

Students in the Academic Concentration will gain the foundational knowledge and skills in geology, mathematics and natural sciences necessary to be successful in graduate school, as well as to explore potential areas of geologic specialization through independent research or a field camp experience and elective courses.
**Bachelor of Science (B.S.)
 GEOGRAPHIC INFORMATION SCIENCE**
CIP Code: 45.0702

**UNIVERSITY GRADUATION REQUIREMENTS**
- General Education........................................................................... 36 hours
- Student Success Seminar SCO 100.............................................. 1 hour (waived for transfers with 30+ hrs.)
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT – Geographic information science majors will fulfill ACCT with GEO 349, 349 A-N, 498, GLY 349, 349 A-N, 498, or 499. (Credit hours may be incorporated into Major or Supporting requirements)

**Total Hours University Graduation Requirements ...37 hours**

**MAJOR REQUIREMENTS**

**Core Courses ........................................................................... 21 hours**
GEO 100, 351, 353, 453, 455, 456 and 458.

**Major Electives........................................................................ 18 hours**
- Introductory Geoscience Laboratory (6 hours)

**Upper Division Major Electives**

**Capstone Course........................................................................... 3 hours**

**Supporting Course Requirements...........................................6-7 hours**
- STA 215, 270(4), or MAT 120 or higher (*Element 2); ENG 300 or 300S; CSC 160 or 174.

**Free Electives........................................................................... 34-35 hours**

**TOTAL HOURS TO COMPLETE DEGREE .......... 120 hours**

---

**Bachelor of Science (B.S.)
 GEOLOGY**
CIP Code: 40.0601

**MAJOR REQUIREMENTS**

**Core Courses ........................................................................... 35 hours**

---

**Minor in Earth Science/Teaching**
A student may minor in earth science (teaching) by completing a minimum of 21 semester hours as follows: GLY 104, 103 or 108, 109; GEO 315; AST 135; and any two from the following: GLY 303, 309(4), 351, 408, 410(4), 415(4), 420(4), 450W, and 450W; or approved electives from astronomy or geography. The teaching minor in earth science must be coupled with a secondary teaching degree in another discipline to teach earth science at the secondary level. Please note that the earth science minor GPA must be 2.75 or greater to seek certification in earth science. The minor certification cannot be recommended until the secondary teaching program is completed and a recommendation for certification has been processed. Appropriate PRAXIS exams must be completed for each area of certification being recommended.

**PRAXIS EXAMINATION**
Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to DegreeWorks for exam details. The PRAXIS exam must be taken prior to student teaching.

---

**Minor in Environmental Sustainability and Stewardship**
Environmental Stewardship is an ethic that embodies responsible care and respect for the natural environment through conservation, preservation, restoration, and responsible individual and collective behavior. Environmental Sustainability implies...
a cross-generational commitment to this responsibility, and to its economic, and political, and social dimensions. Considerations include—but are not limited to—ecological system function, climate change, energy use, natural resource and ecosystems/land use, and human health and well-being.

The minor in Environmental Sustainability and Stewardship (ENV) emphasizes:

- Scientific understanding of the natural laws that govern the functioning of the biosphere;
- Human connections to the physical and natural world;
- Environmental ethics, values and behavior and how they are expressed in individuals, communities, societies, and institutional structures;
- Technological and economics to sustainability and stewardship; and
- Practical service and experience that links sustainability & stewardship theory to the real world, and to the student’s major and career plans.

The minor in Environmental Sustainability and Stewardship requires a minimum of 18 credit hours, with a minimum of 3 hours from each of five content areas:

**Core Requirement** ..........................3 hours

- ENV 200 and a minimum of 3 hours from each of the five following content areas:

  a) **Human Connections to the Physical and Natural World** ..............................................3 hours

     Three hours from: GEO 110 (Gen. Ed. E-4); GEO 302; BIO 500; ANT 370 Primate Conservation; EHS 425 Environmental Health Program Planning; SOC 383 Environmental Sociology;

  b) **Environmental Behaviors, Values, and Ethics** ........3 hours

     Three Hours from: ENG 208W, Gen Ed Element 3B; REC 290; AGR 345; PHI 385.

  c) **Natural Systems Function** ..................................3 hours

     Three Hours from GLY 303; WLD 317; BIO 590; BIO 112 Ecology & Evolution (Gen Ed Element 4)

  d) **Technological and Economic Applications** ...........3 hours

     Three Hours from AGR 319; ECO 340 or APP 340; AGR 340; GEO 325 or 325S; GEO 430 or APP 430.

  e) **Applied Studies**

     Students may substitute up to 6 hours from the courses listed below OR applied learning, special topics, or independent studies courses in content relevant disciplines for coursework in any ONE of the content areas above with the approval of the Program Coordinator.

     GEO 349: Applied Learning; GEO 349a-n

     Applied Coop; GEO 398 Independent Study; EMS 561; EMS 564S.

**Electives** ........................................0-3 hours

- Three hours from any content-relevant disciplines with the approval of the Program Coordinator.

**Total Curriculum Requirement** ...................18 hours

**Minor in Geography**

A student may minor in geography by completing a total of 18 semester hours as follows: GEO 100, 210, 353, and nine hours of geography electives, six of which must be at the 300-level or above.

**MINOR IN GEOGRAPHY**

A student may minor in Geography by completing a total of 18 semester hours as follows:

- **Core Requirement** ..........................3 hours

     ENV 200 and a minimum of 3 hours from each of the five following content areas:

     a) **Human Connections to the Physical and Natural World** ..............................................3 hours

     Three hours from: GEO 110 (Gen. Ed. E-4); GEO 302; BIO 500; ANT 370 Primate Conservation; EHS 425 Environmental Health Program Planning; SOC 383 Environmental Sociology;

     b) **Environmental Behaviors, Values, and Ethics** ........3 hours

     Three Hours from: ENG 208W, Gen Ed Element 3B; REC 290; AGR 345; PHI 385.

     c) **Natural Systems Function** ..................................3 hours

     Three Hours from GLY 303; WLD 317; BIO 590; BIO 112 Ecology & Evolution (Gen Ed Element 4)

     d) **Technological and Economic Applications** ...........3 hours

     Three Hours from AGR 319; ECO 340 or APP 340; AGR 340; GEO 325 or 325S; GEO 430 or APP 430.

     e) **Applied Studies**

     Students may substitute up to 6 hours from the courses listed below OR applied learning, special topics, or independent studies courses in content relevant disciplines for coursework in any ONE of the content areas above with the approval of the Program Coordinator.

     GEO 349: Applied Learning; GEO 349a-n

     Applied Coop; GEO 398 Independent Study; EMS 561; EMS 564S.

**Electives** ........................................0-3 hours

- Three hours from any content-relevant disciplines with the approval of the Program Coordinator.

**Total Curriculum Requirement** ...................18 hours

**Minor in Geology**

A student may minor in Geology by completing a minimum of 18 semester hours as follows: a maximum of six hours from GLY 102 or 104 or 107 or 108 or 109; a minimum of 12 additional hours of upper-division geology courses.

**Concentrations**

**Geographic Information Systems Concentration in the Associate of Arts in General Studies Degree**

See page 83 of this Catalog for the Geographic Information Systems Concentration requirements listed in the Associate of Arts in General Studies degree section.

**Geography Concentration in the Associate of Arts in General Studies Degree**

See page 83 of this Catalog for the Geography Concentration requirements listed in the Associate of Arts in General Studies degree section.

**Geology Concentration in the Associate of Arts in General Studies Degree**

See page 83 of this Catalog for the Geology Concentration requirements listed in the Associate of Arts in General Studies degree section.

**Certificate**

**Certificate in Environmental Sustainability and Stewardship**

A student may complete a minimum of 12 credit hours as follows:

- **Core Requirement** ..........................3 hours

     ENV 200

- **Electives Requirement** .........................9 hours

     Nine hours of electives from any approved AGR, ANT, APP, BIO, EHS, GEO, REC, or WLD courses, with no more than 6 hours from any one “Content Area”

**Total Curriculum Requirement** ...................12 hours

**Certificate in Geographic Information Systems**

- **Introductory Geoscience Laboratory Requirement** ........3 hours

     Select from GEO 110, GEO 210, GLY 102, GLY 104, GLY 107, GLY 108, or GLY 109.

- **Core Requirements** .............................9 hours

     GEO 353, GEO 456, and GEO 453.

- **Electives** ........................................12 hours

     Select from: GEO 351, GEO 455, GEO 458, GEO 501, GEO 398 or GEO 495 or GEO 498 or GLY 499 (if topic is appropriate), GLY 351, AEM 195, CON 221, STA 215 or 270
DEPARTMENT OF MATHEMATICS AND STATISTICS

Chair
Dr. Daniel Mundfrom
(859) 622-5942
Wallace 312

Faculty

The Department of Mathematics and Statistics offers degrees and minors in these disciplines, as well as providing college readiness and general education mathematics and statistics courses.

BACCALAUREATE DEGREES

BACHELOR OF SCIENCE (B.S.)
MATHEMATICS
CIP Code:  27.0101

Program Objectives
Upon successful completion of this program, the graduate will: (1) be able to apply mathematical techniques to social, economic, and scientific problems; (2) understand the importance and power of mathematics in our rapidly changing technological age; (3) be prepared to pursue a graduate program in this or a related area; and (4) be well qualified for employment in any position requiring undergraduate training in mathematics. In addition, students in the Teaching concentration will be prepared for certification to teach mathematics at the secondary level. Refer to the College of Education section of this Catalog regarding several teacher certification requirements associated with this degree program.

UNIVERSITY GRADUATION REQUIREMENTS

• General Education.............................................................36 hours
• Student Success Seminar (SCO 100M; waived for transfers with 30+ hrs.).......................................................... 1 hour
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives categories)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT – Mathematics majors will fulfill ACCT requirements with any of the following: CED 499, a 349 Co-op experience in any subject area, a program-approved service-learning course, a program-approved undergraduate scholarly or creative activity, HON 420 with a program-approved thesis topic, a program-approved leadership experience, or a program-approved study abroad experience. (Credit hours may be incorporated into Major or Supporting Course requirements.)

Total Curriculum Requirements...........................................24 hours

Total Hours University Graduation Requirements ...37 hours

MAJOR REQUIREMENTS
Core Courses .................................................................24 hours
a. MAT 234(4), MAT 239; MAT 244(4), MAT 254(4), MAT 301, 308, and 315.
b. At least five upper division courses which satisfy the major requirements must be completed at EKU.
c. Only courses completed with a grade of at least “C” will count toward the major requirements.

Concentrations:
General Mathematics.....................................................16 hours
a. MAT 408 or 415; MAT 498(1).
b. One additional MAT course chosen from 408, 415, or any course numbered 505 or above (507 only with departmental approval)
c. Select nine hours from CSC 300, 320, any MAT course numbered 300 or above (except for 303, 349, 501, and 502), or any STA course numbered 300 or above (except for 349 and 500). No more than six hours of STA courses may be used to fulfill this requirement.

Mathematics Teaching....................................................15-18 hours
The student must meet the 2.75 GPA requirement listed in the College of Education section under The Office of Teacher Education Services.
MAT 306, 334, 380, MAE 475 and one of the following combinations:

General Combination: three additional hours of courses chosen from CSC 300, 320; any MAT course numbered 300 or above (except for 303, 349, 501, or 502), or any STA course numbered 300 or above (except for 349 and 500).

Statistics Combination: STA 340 and one of STA 470 or 520

Supporting Course Requirements.................................4 hours
CSC 160, 177, or 190; STA 270(4) (3 hours count toward Element 2).

Professional Education Requirements (Required for Mathematics Teaching concentration)........................37 hours
EDC 300, EDF 203, 204(2), 219, 413, EMS 300W, 474, and 490; ESE 550 or MAE 550; SED 104 (Element 6), and 11 credit hours of Clinical Experiences: CED 100(0), 200(0), 300(0.5), 400(0.5), 450(1), 499(9). Appropriate PRAXIS exams must be completed for each area of certification being recommended.

Free Electives...............................................................0-39 hours
Students planning to attend a graduate school in mathematics are strongly encouraged to select an in-depth study of a single foreign language as a part of their program.

EXIT REQUIREMENT..................................................0 hours
PRAXIS EXAMINATION
Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to DegreeWorks for exam details. The PRAXIS exam must be taken prior to student teaching.

TOTAL HOURS TO COMPLETE DEGREE ............120 hours
Element 2).
**Bachelor of Science (B.S.)**

**Statistics**

*CIP Code: 27.0501*

Program Objectives

Upon successful completion of this program, the graduate will: (1) understand the applications and use of statistics in everyday life; (2) be able to apply a wide variety of statistical techniques; (3) be familiar with computer packages which perform statistical analysis; (4) be well qualified for employment in industry, government, and the actuarial profession; and (5) be prepared to pursue graduate work in statistics.

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education ................................................... 36 hours
- Student Success Seminar (SCO 100M; waived for transfers with 30+ hrs.) ......................................................... 1 hour
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hours distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT – Statistics majors will fulfill ACCT with any of the following: a 349 Co-op experience in any subject area, a program-approved service-learning course, a program-approved undergraduate scholarly or creative activity, HON 420 with a program-approved thesis topic, or a program-approved leadership experience, or a program-approved study abroad experience. (Credit hours may be incorporated into Major or Supporting Course requirements)

**Total Hours University Graduation Requirements ... 37 hours**

**MAJOR REQUIREMENTS**

Core Courses ......................................................... 40 hours
a) STA 270(4), 340, 498(1), 520, 521, and 585.

b) Six hours from STA 375, 380, 470, 570, 575, or 580 (must include at least one of STA 575 or 580).

c) MAT 239; MAT 244(4) or 244H(4); MAT 254(4) or 254H(4).

d) Six hours from CSC/MAT/STA courses numbered 300 or above (excluding: any 349 courses, CSC 306, MAT 303, 349, 501, 502, STA 500). STA 480 will count for only approved topics. Courses cannot count for both point b and point d.

e) Only courses completed with a grade of at least a “C” will count toward the major requirements.

Supporting Course Requirements ......................... 4 hours

- CSC 160, 174, 177, or 190; MAT 234(4) (0 hours count toward \( ^G \)Element 2) or 244H(4)(0 hours count toward \( ^G \)Element 2).

\( ^G \) = Course also satisfies a General Education element. Hours are included within the 36 hours in General Education.

Free Electives .......................................................... 39 hours

**TOTAL HOURS TO COMPLETE DEGREE .......... 120 hours**

**MINORS**

**MINOR IN ACTUARIAL SCIENCE**

A student may minor in actuarial science by completing 23 hours as follows: MAT 234(4) or 234H(4); MAT 244(4) or 244H(4); MAT 520 or STA 520; STA 270(4), 340, 470, and 485(2).

**MINOR IN MATHEMATICAL SCIENCES**

A student may minor in mathematical sciences by completing 21 hours as follows: 6 hours from CSC 160, 190, or 191; MAT 234(4) or 234H(4); MAT 244(4) or 244H(4); STA 270(4); and STA 340.

**MINOR IN MATHEMATICS**

A student may minor in mathematics by completing 18 hours as follows: MAT 234(4) or 234H(4); MAT 239; MAT 244(4) or 244H(4); and 10 hours from MAT 239, 254(4), 254H(4), STA 470, 520, or any MAT course numbered 300 or above (except for MAT 303, 349, and 480). Only one of MAT 520, STA 470, and STA 520 may count toward the minor. MAT 480 may be approved to count toward the minor depending on the topic chosen.

**MINOR IN MATHEMATICS/TEACHING**

A student may minor in mathematics teaching by completing 21 hours as follows: MAT 234(4) or 234H(4); MAT 239; MAT 244(4) or 244H(4); MAT 301, 334, and STA 270(4). All courses must be completed with a grade of at least “C” and the GPA in the courses used for the minor must be at least 2.75. The teaching minor in mathematics must be coupled with a secondary teaching major in another discipline.

**MINOR IN STATISTICS**

A student may minor in statistics by completing 18-21 hours as follows:

- a) STA 215 or STA 270(4); 340;
- b) 6 hours selected from STA courses numbered 300 or above (except for 340, 349, or 500);
- c) 6-8 hours selected from STA courses numbered 300 or above (except for 340, 349, or 500); a CSC course (except for 140, 306, or 349); or calculus courses with an MAT prefix.

No more than three hours of CSC courses may be used to fulfill this requirement.

- d) A maximum of one course from MAT 234(4), 234H(4), or 211 can count toward the minor.

- e) No course may be used to satisfy both b) and c) above.

**CONCENTRATION**

**MATHEMATICAL SCIENCES CONCENTRATION IN THE ASSOCIATE OF ARTS IN GENERAL STUDIES DEGREE**

See page 83 of this Catalog for the Mathematical Sciences Concentration requirements listed in the Associate of Arts in General Studies degree section.
DEPARTMENT OF PHYSICS AND ASTRONOMY

Chair
Dr. Anthony Blose
(859) 622-1521
NSB 3140

Faculty
A. Blose, M. Ciocca, T. Jarvis, J. Lair, R. Piercey, M. Pitts, J. Ross, J. Wang, and G. Yoder

BACHELOR OF SCIENCE (B.S.)
PHYSICS
CIP Code: 40.0801

Program Objectives
Upon completion of this program the graduate will: 1) be able to apply mathematics to analyze problems in Physics; 2) be able to use fundamental physical results, such as conservation laws, to study physical systems; 3) be able to analyze important processes occurring in physical systems. Additionally, graduates of this program will 1) be prepared for employment in Physics or a related field in the public or private sector; 2) be prepared for admission to a graduate program in Physics or a related field. 3) be prepared to take and pass the Praxis exam in Physics; and physics teaching majors will be prepared to teach Physics in a secondary school.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education.................................36 hours
• Student Success Seminar .......................1 hour
• (SCO 100P; waived for transfers with 30+ hrs.)
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT – (Credit hours may be incorporated into Major or Supporting requirements.) Physics majors will select one of the following: CED 499, PHY 349, 349A-N, 406, 406W, 410, 470, HON 420, a program-approved Leadership experience, or a program-approved Study Abroad.

Total Hours University Graduation Requirements ...37 hours

MAJOR REQUIREMENTS
Core Courses ..........................................21 hours
PHY 201(5), and 202(5), 211(4); PHY 302 or 302W(4); PHY 406 or 406W. At the discretion of the chair, PHY 131 may be substituted for PHY 201 and for teaching majors PHY 132 may be substituted for 202.

Concentrations:
Physics (General) ....................................23 hours
PHY 310; 421, 422, 456(4), 460(4), 470, and 3 credit hours from any PHY course numbered 300 and above, except PHY 506.
Engineering Physics ................................20 hours
PHY 221, 310, 315(4), 375, 460(4), and 3 credit hours from:

CSC 300, EET 253, 257, 350, PHY 303, 402, 410(1-6), 411(1-6), 412(1-6), or STA 270(4).

Physics Teaching........................................9 hours
AST 135, and 335; and 3 credit hours from PHY courses numbered 300 and above.

Supporting Course Requirements (General Physics)...20 hours
CHE 111/111L(4)(Element 4), 112/112L(4); CSC 174 or 190 (or any departmentally approved programming language course); MAT 234*(4)(Element 2) or 234H*(4) (Element 2); MAT 244(4) or 244H(4); MAT 254(4) or 254H(4); MAT 353.

Supporting Course Requirements (Engineering Physics)........................................23 hours
CHE 111/111L(4)(Element 4), 112/112L(4); CSC 174 or 190 (or any departmentally approved programming language course); EET 252, MAT 234*(4)(Element 2) or 234H*(4) (Element 2); MAT 244(4) or 244H(4); MAT 254(4) or 254H(4); MAT 353.

Supporting Course Requirements (Physics Teaching)..10 hours
BIO 100(Element 4) or 102(Element 4); CHE 111/111L(4) (Element 4), and 112/112L(4); MAT 234*(4) (Element 2) or 234H*(4) (Element 2); MAT 244(4) or 244H(4).
*A preparatory course (MAT 122) in mathematics may be required before admission to MAT 234.
**Course also satisfies a General Education element.

Professional Education Requirements (Physics teaching majors only)........................................37 hours
EDC 300, EDF 203, 204(2), 219, 413, EMS 300W, 474, 490, ESE 561, SED 104 (Element 6), and 11 credit hours of Clinical Experiences:
CED 100(0), 200(0), 300(0.5), 400(0.5), 450(1), 499(9).

Free Electives**...........................................6-19 hours

EXIT REQUIREMENT...........................................0 hours

PRAXIS EXAMINATION
Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to DegreeWorks for exam details. The PRAXIS exam must be taken prior to student teaching.

TOTAL HOURS TO COMPLETE DEGREE ........120 hours

**Students who are interested in Medical Physics graduate programs are encouraged to take EHS 510 as a free elective.

MINORS

MINOR IN PHYSICS
A student may complete a minor in physics by taking PHY 201(5), 202(5), 211(4) and a minimum of four additional hours of physics 300-level or above for a total of 18 hours. PHY 131 may be substituted for PHY 201, and PHY 132 may be substituted for PHY 202.

MINOR IN PHYSICS/TEACHING
A student may complete a teaching minor in physics by taking PHY 201(5), 202(5), 211(4), and 302(4) or 302W(4). PHY 131 may be substituted for PHY 201 and PHY 132 may be substituted for PHY 202. The teaching minor in physics must be coupled with a teaching major in biology, chemistry, or mathematics to qualify...
students to teach physics at the secondary level. Students enrolled in a teaching program other than science who desire teaching certification in physics will be required to take ESE 561. Please note the physics minor GPA must be 2.75 or greater, and student teaching in physics is required. The minor certification cannot be recommended until the secondary teaching program is completed and a recommendation for certification has been processed. Appropriate PRAXIS exams must be completed for each area of certification being recommended.

**PRAXIS EXAMINATION**

Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to DegreeWorks for exam details. The PRAXIS exam must be taken prior to student teaching.

**CONCENTRATION**

**Physics and Engineering Concentration in the Associate of Arts in General Studies Degree**

See page 83 of this Catalog for the Physics and Engineering Concentration requirements listed in the Associate of Arts in General Studies degree section.

### COURSE DESCRIPTIONS

The semester hours which may be earned by successful completion of a course are indicated immediately following the course title, e.g., (3).

A course is offered during the semester indicated by the term-offering designation immediately following the credit hours earned:

- I — Fall Semester
- II — Spring Semester
- A — By Announcement

A course is offered during the indicated semester or by announcement on the assumption that there will be adequate enrollment. If a course does not obtain adequate enrollment, it is subject to cancellation. The University reserves the right to cancel any course if the enrollment is not sufficient, to divide a course if the enrollment is too large for efficient instruction, and to change instructors when necessary.

The description of the course format for courses which include a laboratory experience is found at the end of the course description. A course which consists of three hours of classroom lecture and two hours of laboratory per week is described as "3 Lec/2 Lab."

Courses approved for general education are noted as such by the phrase “Gen. Ed.” and an element and number designation following the course description. Example: Gen. Ed. F-6 indicates a course which fulfills a requirement in General Education Element-6: Diversity of Perspectives and Experiences. Letters in brackets [ ] designate Kentucky statewide General Education core coding. See General Education Requirements in Section Four.

### Cooperative Education/Internship (Applied Learning)

| XXX — 349 Applied Learning |
| XXX — 349 A-N Cooperative Education |

Students may register for additional hours of applied learning and cooperative education beyond those specified in each course description. However, courses students are taking will then fall into a repeat cycle where the last course taken replaces the former course so that no more than the limit noted may be counted toward a degree program, minor, or certificate.
ACC—Accounting

Dr. Oliver Felts, Chair

ACC 200 Survey of Accounting (3, II) Prerequisite: MAT 105 or higher. Not for students majoring or minoring in the School of Business. Survey of foundational concepts in accounting for the user and preparer of financial statements. Emphasis on (a) how business activities are communicated in financial statements and (b) measurement and behavior of costs to identify and solve business problems.

ACC 201 Introduction to Financial Accounting (3, II) Prerequisite: STA 215 or 270 or MAT 105 or higher. A user’s approach to understanding financial accounting and reporting, emphasizing how creditors, investors, and others use accounting information in decision making and why financial accounting information is important to these users.

ACC 202 Introduction to Managerial Accounting (3, II) Prerequisite: ACC 201 with a grade of “C” or better. A study of the objectives, preparation, and uses of managerial accounting information primarily from a user perspective. Emphasis on measurement, allocation, and reporting of costs to identify and solve business problems.

ACC 251 Introduction to Accounting Information Systems (3, II) Formerly ACC 350.) Prerequisite: ACC 201 with a grade of “C” or better. An introduction to manual and computer-based accounting information systems. Topics include business processes, transaction cycles, and computerized accounting software. The course stresses problem solving and computer application skills.

ACC 301 Intermediate Accounting I (3, I, II) Prerequisite: ACC 251 and CIS 212 (or INF 104) with a grade of “C” or better, or equivalent. Financial statements, current assets and investments, current and long-term liabilities, acquisitions, use and retirement of plant and equipment.

ACC 302 Intermediate Accounting II (3, I, II) Prerequisite: ACC 301 with a grade of “C” or better. Capital stock, financial statement analysis, statement of cash flows, lease and pension accounting, accounting changes, and deferred taxes.

ACC 322 Tax I (3, I, II) Prerequisite: ACC 201 with a grade of “C” or better and junior standing. Income tax legislation-Federal and State; returns for individuals; gross income; basis and determination of gain or loss; capital gains and losses; dividends, deductions, and credits. Credit will not be awarded for both ACC 322 and ACC 322S.

ACC 322S Tax I (3, I, II) Prerequisite: ACC 201 with a grade of “C” or better and junior standing. Income tax legislation - Federal and State; returns for individuals; gross income; basis and determination of gain or loss; capital gains and losses; dividends, deductions, and credits. Credit will not be awarded for both ACC 322 and ACC 322S.

ACC 327 Cost Accounting (3, I, II) Prerequisite: ACC 302 and QMB 200 or ECO 220 or STA 215 or STA 270 with a grade of “C” or better. Cost flows and cost systems; the cost accounting cycle; basic cost determination systems and procedures; standard costing; budgeting and decision making applications.

ACC 349 Applied Learning in Accounting (5-8, I) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. Three hours may be used as a major elective. Additional hours may be used to fulfill the 150-hour CPA exam requirement. May be repeated for a total of 16 credit hours.

ACC 349 Special Cooperative Study: Accounting (5-8, A) Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. Three hours may be used as a major elective. Additional hours may be used to fulfill the 150-hour CPA exam requirement. May be repeated for a total of 16 credit hours.

ACC 440 Legal Aspects of Accounting (3, I, II) Prerequisites: ACC 301 and GBU 204 with grades of “C” or better. Law as it relates to the accounting profession.

ACC 441 Auditing I (3, II) Prerequisites: ACC 301 and GBU 204 with grades of “C” or better. Professional ethics; accountant’s legal responsibility; internal control; governmental and private regulation and procedure of an audit; asset accounts; liability accounts; operating accounts; the audit report.

ACC 490 Independent Study, (1-3, A) Prerequisite: ACC 302 with a grade of “C” or better. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

ACC 501 International Accounting and Combinations. (3) Prerequisite: ACC 302 with a grade of minimum “C”. Corporate combinations including consolidated balance sheets and income statements and special problems with consolidations. International topics: standards, foreign exchange transactions and translation of financial statements of foreign subsidiaries.

ACC 523 Taxation of Corporations. (3, A) Prerequisite: ACC 251 with a grade of “C” or better. Federal income tax return preparation with emphasis on partnership and corporate returns; estate and trusts; gift and estate taxes; special problems in preparation of tax returns.

ACC 525 Forensic Accounting. (3, A) Prerequisites: ACC 251 and 322 and 322S or GBU 204 with a grade of “C” or better. A study of investigative accounting procedures and techniques used in litigation support. Topics to be covered include financial reporting fraud, employee fraud, forensic reconstruction methods, certified forensic accounting, cybercrime, and business valuations.

ACC 527 Advanced Management Accounting Seminar. (3, II) Cross-listed as ACC 727. Prerequisite: ACC 302, ACC 727, STA 202, and FIN 300 with a grade of “C” or better in each course. Addresses financial, nonfinancial, and ethical dimensions of decision-making related to planning, control, and reporting. Course content goes beyond creation and accumulation of information, emphasizing appropriate application, interpretation, and use of managerial accounting information. Credit will not be awarded for both ACC 527 and ACC 727.

ACC 590 Special Topics in Accounting: (1-3, A) Prerequisites: Departmental Approval. For special topics related to the field of Accounting beyond the scope of regularly offered courses. May be taken to a maximum of 6 hours provided subject/topics vary.

ADM—Apparel Design and Merchandising

Dr. Dana Bush, Chair

ADM 102 Introductory Apparel Production. (3, I, II) Basic principles of apparel production; selection, alteration, and fitting of commercial patterns.

ADM 119 Introduction to Apparel Design and Merchandising. (3) I. An introductory study of apparel and textile producers, designers, merchandisers, retailers, consumer characteristics, consumer behavior, and ethical issues. Information sources about the industry and consumers are examined. Exploration of career opportunities.

ADM 201 Introduction to Textiles. (3, I, II) Introduction to fibers, yarns, fabrics, colorations, and finishes. Emphasis on consumer use. 2 Lec/2 Lab.

ADM 203 Pattern Alteration and Fitting. (3, II) Prerequisite: ADM 102. A basic study of pattern alteration and fitting of commercial patterns.

ADM 210 Dress, Appearance, and Culture. (3) Prerequisites: CDF 132 and PSY 200. Social, cultural, and psychological factors which influence beliefs, attitudes, and behaviors regarding appearance and dress of individuals and groups.

ADM 222 Fashion Illustration. (3, A) Methods and materials for clothing illustration, including sketching of the elongated fashion figure and computer-aided design. Illustration, color and fabric rendering of original designs and clothing lines.

ADM 300 Apparel and Textile Sourcing. (3, I) Prerequisites: ADM 119, 201, and ECO 230. Study of domestic and international apparel and textile sources of supply. Examines topics related to textile/apparel production, manufacturing, import/export, retailing and consumer behavior.

ADM 310 Historical Costume and the Social Order. (3, I) Cross-listed as WGS 310. Prerequisite: ADM 102 or 201. History of dress from ancient Egypt through the 20th century. Factors which influence the style of dress are studied and relationship between costume of the past and current modes. Credit will not be awarded for both ADM 310 and WGS 310.

ADM 312 Flat Pattern Draping Design. (3, I) Prerequisites: ADM 102 or department approval. Development of apparel designs through flat pattern and draping techniques.

ADM 313 Apparel Design and Quality. (3, II) A study of apparel selection in industry, including factors related to quality and design standards.

ADM 319 Apparel Merchandising. (3, II) Prerequisites: ADM 119 and ECO 230. The merchandising of apparel, including merchandise control, buying procedures, vendors, vendor relations, planning assortments and budgets for basic and fashion categories. Practices in merchandise mathematics.

ADM 339 Visual Merchandising. (3, I) Prerequisite: junior standing or department approval. Principles and techniques used in display for apparel product and their application in planning and actual display of product in retail environment.

ADM 349 Applied Learning in Apparel. (5-8, A) Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester. Total hours: eight, associate; sixteen, baccalaureate. Minimum of 80 hours work required for each academic credit.

ADM 349 A-N Cooperative Study: Apparel. (5-8, A) Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester. Total hours: eight, associate; sixteen, baccalaureate. Minimum of 80 hours work required for each academic credit.

ADM 411 Advanced Apparel Production. (3, A) Prerequisites: ADM 201 and 312 or department approval. Tailoring and other advanced apparel production techniques. Exploration of appropriate production techniques for specialty fabrics.

ADM 412 Advanced Apparel Design. (3, A) Prerequisites: ADM 201 and 312 or department approval. Solving design problems through fabric selection, patternmaking techniques, and apparel production methods. Presentation of design concepts in a portfolio.

ADM 413 Apparel Product Development. (3, II) Prerequisites: ADM 102, 210, 300, 313, 349. Problem solving and the development of sewn products and services in the apparel industry.

ADM 414 Apparel Design and Merchandising Practicum. (6, A) Prerequisites: ADM 312 or 319, 413 and 2.0 institutional GPA. Supervised practicum studying apparel design and/or merchandising in manufacturing, design, retail or wholesale firms.

ADM 419 Special Problems. (1-3, A) Prerequisites: 3.0 GPA and department approval. The student selects a problem and works under the supervision of the instructor. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours provided topics differ.

ADM 550 ADM Topics: (1-3, A)
A course designed to offer specialized expertise in numerous areas related to textiles, clothing, and fashion. May be repeated to a maximum of six hours provided topics vary.

AED - Art Education
Ida Kumoji-Ankrah, Chair

AED 360 Introduction to Materials Inquiry. (3) A. Students will explore processes and materials used in K-12 programs, will present exploration results in seminar-style discussions and demonstrations, and will begin to understand and practice developmentally appropriate teaching strategies through peer teaching. Credit will not be awarded for both AED 360 and ART 360.

AED 361 Art Teaching Grades P-5. (3) I. Cross listed as EME 361. Prerequisites: AED 360 or department approval, and admission to professional education. Developmentally-appropriate curriculum, materials, and methods for grades P-5. Minimum of 10 field/practicum hours. Credit will not be awarded for both EME 361 and AED 361.

AED 540 Teaching Art in the Schools. (3) I. Cross listed as ESE 540. Prerequisites: admission to professional education; EDF 413 (C), EMS 490 (C), CED 400 (B), and 90 hours in the BA in Art Education program. Corequisites: EDF 413,SED 402. Prerequisites: AED 561 and CED 450. Developmentally appropriate materials and methods for teaching art in the schools. Credit will not be awarded for both AED 540 and ESE 540.

AEM—Applied Engineering Management
Dr. Dennis Field, Coordinator

AEM 195 Computer Aided Drafting. (3) I, II. An introductory course in freehand sketching and computer-aided drafting/design. Students will be taught basic CAD commands, tools, multi-view drawings and dimensioning techniques. 2 Lec/2 Lab.

AEM 201 Metallic Material Processes. (3) I, II. An introduction to manufacturing processes involving metallic materials. Families of processes covered are casting, molding, forming, separating, conditioning, assembling, and finishing. 2 Lec/2 Lab.

AEM 202 Introduction to Quality. (3) I, II. Prerequisite: MAT 102 or higher mathematics with a grade of C or better, and STA 215, or 270. Role of statistical thinking in modern quality control. Methods for problem solving, data collection, and process improvement. Deriving actionable conclusions from data analyses. Understanding, quantifying, and reducing variation to improve business performance.

AEM 242 Furniture and Cabinet Construction. (3) A. Prerequisite: TEC 141. Principles of furniture and cabinet construction, elements of structural design, advanced woodworking operations, care and sharpening of tools; related technical information; furniture and cabinet construction and finishing. 2 Lec/2 Lab.

AEM 301 Non-Metallic Material Processes. (3) II. Introduction to manufacturing processes used to shape form wood, plastic, and composite materials. Families of processes covered are casting, molding, forming, separating, conditioning, assembling, and finishing. 2 Lec/2 Lab.

AEM 308 Methods of Lean Operations. (3) I, II. Prerequisite: MAT 112 or 112B or higher with a grade of C or better, and STA 215 or 270. Examination of lean principles, such as value mapping, continuous flow, continuous improvement, determination of customer demand, and standard work. Concepts and implementation of pull, line balancing, lean accounting, FMEA, time studies, and total productive maintenance.

AEM 310 Computer Communications in Industry. (3) I. Prerequisites: ENG 102 or 102R and TEC 161. A Maynard approach to computer aided communication systems typically applied in industrial environments. Emphasis will be placed on utilizing computer technology to integrate text and graphics in the preparation of documents and presentation materials. Credit will not be awarded for both AEM 310 and AEM 310W.

AEM 310W Computer Communications in Industry. (3) I. Prerequisites: ENG 102 or 102R or ENG 105/101. An approach to computer aided written communication typically applied in the industrial environment. Emphasis will be placed on utilizing computer technology to integrate text and graphics in the preparation of documents and presentation materials. Credit will not be awarded for both AEM 310W and AEM 310.

AEM 320 Warehousing and Material Handling. (3) A. Prerequisites: AEM 202 and 308. A laboratory oriented course that examines basic warehouse layout configurations, material flow, and an overview of the evaluation of the application of computers to control material flow, plus the use of computer simulation to analyze various warehouse layout options for scheduling, inventory, and traffic. 2 Lec/2 Lab.

AEM 330 Materials Testing and Metrology. (3) A. Prerequisites: AEM 195, 201, and MAT 120. A study of geometric dimensioning and tolerancing as used in detail work drawings and the principles, standards, equipment, and techniques of precision electronic, mechanical, and material testing. 2 Lec/2 Lab.

AEM 332 Process Control and Auditing. (3) A. Prerequisites: AEM 310, 336. An advanced study of Statistical Process Control methods and procedures in industry, and auditing as a method of evaluating the documentation, implementation, and effectiveness of a Quality System.

AEM 336 Reliability and Sampling. (3) A. Prerequisite: AEM 202. An overview of reliability, testing, and sampling theories. Topics include component and system reliability, product safety, sampling plans, control charts, and standards.

AEM 338 Engineered Materials Testing. (4) A. Prerequisites: AEM 201, MAT 120, and TEC 190. Structure, composition, properties, tolerances, standards, and common applications of engineering materials. Use of GD&T and techniques for precision electronic and mechanical measurement and testing.

AEM 349 Applied Learning in Industrial Technology. (5-L) I, II. Prerequisite: departmental approval. Work under faculty and field supervisors in placements related to technical studies. One to eight hours credit per semester or summer. Total hours: eight, associate, sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

AEM 349 A-N Cooperative Study: Industrial Technology. (5-L) I, II. Prerequisite: departmental approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate, sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

AEM 352 Robotics and Automated Systems. (3) A. Prerequisite: EET 251. Introduction to fixed and flexible automation equipment with an emphasis placed on industry-robotics studies. Topics include robot safety, programming and operation, end effector design, programmable logic controllers, interfacing devices, and sensors. 2 Lec/2 Lab.

AEM 367 Comp Exam for AAS in Technology, Applied Engineering (0) A. Prerequisite: Departmental Approval. Registration is required of all A.A.S. Technology, Applied Engineering majors during their last semester. A comprehensive assessment exam is required.

AEM 371 Environment and Pneumatics. (3) II. Principles of the operation, construction, control, and application of hydraulic and pneumatic components and circuits. The study of control applications includes manual, mechanical, fluid, electrical, and computer controlled fluid circuits. 2 Lec/2 Lab.

AEM 382 Advanced Material Processing. (3) A. Prerequisites: AEM 201 and 301. A laboratory course involving advanced material processing which includes project planning and management, machining, welding, precision layout, and measuring. Students will design and fabricate projects that include two-part mold designs, CNC machining, and multi-process welding. 2 Lec/2 Lab.

AEM 383 CAD/CAM Integration. (3) A. Prerequisites: AEM 201. An advanced study of three-dimensional computer aided design. The content will include advanced modeling and rendering. 2 Lec/2 Lab.

AEM 392 Computer Aided Machine Drawing. (3) I. Prerequisite: AEM 195. Computer generated design and assembly drawings. Topics include threads and fasteners, gearing and cams, and dimensioning and tolerancing. 2 Lec/2 Lab.

AEM 395 Special topics in AEM: (2-3) Prerequisite: AEM 202, Departmental approval, junior or higher standing. Explores emerging technologies in the area of applied engineering. May be repeated up to a maximum of 9 hours provided subject matter changes each time.

AEM 397 Advanced Machine Drawing. (3) A. Prerequisites: AEM 390 and 392. Advanced machine drawing applications to include detail and assembly drawings, threads, gearing, and cams. Emphasis on shape description. 2 Lec/2 Lab.

AEM 406 Integrated Materials Mgmt. (3) I, II. Prerequisite: AEM 202. A senior course which examines consumer demand characteristics, product bill materials, establishing sales and operations plans, planning and controlling inventory in the supply chain.

AEM 408 Human Resource Development. (3) I, II. Topics in human relations and production employment. To be scheduled the semester before graduation.

AEM 467 Comprehensive Exam for BS in AEM (0) A. Prerequisite: Consent of Advisor. Registration is required of all Applied Engineering Management BS. majors during their last semester. A comprehensive assessment exam is required.

AEM 499 Senior Capstone Project. (3) II. Prerequisite: AEM 310, 352, 407, and Senior Standing. A synthesis experience involving the application of theory in solving a realistic industrial problem. Emphasis is placed upon project setup, solution, justification, report and presentation. 2 Lec/2 Lab.

AEM 506 Six Sigma Quality. (3) A. Prerequisite: AEM 202. A study of six sigma methodology and current practices with an emphasis on key quality drivers and statistical methods for world-class products and companies.

AEM 530 Design of Experiments. (3) A. Prerequisite: AEM 202. Principles and practices of efficient experiment design for industry. Topics include the philosophy of experiment design, comparison of various designs, hypothesis testing, and the analysis of data.

AFA—African/African-American Studies
Dr. Lisa Day, Director

AFA 200 Musical Languages (3) I, II. Cross-listed as EMS 200. Prerequisite: ENG 102 or 102R, 105(B) or HON 102. An exploration of the diversity of Sub-Saharan Africa through an immersion in pre-Colonial children’s songs and games. The course aims...
at developing a deeper understanding and sensitivity to cultural diversity in Africa. Credit will not be awarded for both AFA 201W and 201W. Gen. Ed. E-6 (GE).

AFA 201W The African Experience. (3) A. Prerequisite: ENG 102R or ENG 105(B), or HON 102(B). Introduces students to the historical, socio-economic, cultural, and political experiences of African people in Africa and the Diaspora. It fulfills a core requirement for African/African-American Studies. Credit will not be awarded for both AFA 201W and 201W. Gen. Ed. E-3B and E-6 (AH)(GE).

AFA 202 The African-American Experience. (3) A. An overview of the historical, social, political, economic, and cultural factors that have helped shape the experiences of African Americans in the United States. It fulfills a core requirement for African/African-American Studies. Credit will not be awarded for both AFA 202 and 202W. Gen. Ed. E-6 (GE).

AFA 202W The African-American Experience. (3) A. Prerequisite: ENG 102 or 102R, or ENG 105(B), or HON 102(B). An overview of the historical, social, political, economic, and cultural factors that have helped shape the experiences of African Americans in the United States. It fulfills a core requirement for African/African-American Studies. Credit will not be awarded for both AFA 202W and 202W. Gen. Ed. E-6 (GE).

AFA 247 AFA Special Topics:______(3) A. Specialized study of selected topics not available in traditional course offerings. Course designed for lower-division students. May be retaken with different topics to a maximum of six hours.

AFA 304 Slavery in the Americas. (3) A. Cross-listed as HIS 304. An overview of the history of slavery, bound labor, and freedom in the Western Hemisphere. Special attention will be given to anti-slavery and abolitionist movements. Credit will not be awarded for both AFA 304 and HIS 304.

AFA 305 African American History. (3) A. Cross-listed as HIS 305. African history to 1500: Europe, Africa, and the Americas; trans-Atlantic and domestic slave trades; American slavery; emancipation; post-emancipation, representations and initiatives; persistence of black nationalism. Credit will not be awarded for both AFA 305 and HIS 305.

AFA 330 U.S. South and Black Education (3). A. Cross-listed as EDF 330. This course introduces the major concerns and innovations purporting educational opportunities in Southern States in the U.S. Students will acquire knowledge about historical events, people and policies shaping the evolution of Blacks in education. Credit will not be awarded for both AFA 330 and EDF 330.

AFA 345 Minority Group Politics. (3) A. Cross-listed as POL 345. Examination and comparison of various theories, strategies, forms of participation, leadership styles, and concepts (e.g. Black Power) of minority group politics. Credit will not be awarded for both AFA 345 and POL 345. Gen. Ed. VIII.

AFA 346 Diversity and Criminal Justice. (3) A. Cross-listed as CRJ 346. Prerequisite: departmental approval. An examination of the relationship between minority issues and their relevance to criminal offenders, crime victims, and the criminal justice system. Includes such issues as the civil rights and women's movements, and equal opportunity. Credit will not be awarded for both AFA 346 and CRJ 346.

AFA 347 Special Topics in AFA Studies. (3) A. Specialized study of selected topics not available in traditional course offerings. May be retaken with different topics to a maximum of six hours.

AFA 349 Applied Learning in AFA Studies. (.5-3) A. Work in a cooperative placement related to student’s academic studies. May earn a maximum of three hours. A minimum of 80 hours work required for each semester hour credit.

AFA 349-N A- Cooperative Study: AFA Studies. (.5-3) A. Work in a cooperative placement related to student’s academic studies. May earn a maximum of three hours. A minimum of 80 hours work required for each semester hour credit.

AFA 356 African American Political Thought. (3) A. Cross-listed as POL 356. Prerequisite: ENG 102 or 102R, 105(B), or HON 102. Examination of political ideas espoused by African American activist from the nineteenth century to the present. Credit will not be awarded for both AFA 356 and ENG 356. Gen. Ed. E-6 (GE).

AFA 360 Literature of Africa. (3) A. Prerequisite: ENG 102 or 102R, 105(B), or HON 102. Survey of the genres and components of African literature, oral and written; study of how key concepts in African thought, culture and experiences are reflected in the literatures composed by writers from Africa of African origin. Credit will not be awarded for both AFA 360 and ENG 360. Gen. Ed. E-6 (GE).

AFA 385 Early African History. (3) A. Course-listed as HIS 385. Prerequisite: ENG 102 or 102R, 105(B), or HON 102. History of Africa from earliest times to 1860. Emphasis on social, political, economic, and cultural change in states and societies; oral tradition, the environmental and human activities; slavery and the slave trades. Credit will not be awarded for both AFA 385 and HIS 385.

AFA 386 Modern African History. (3) A. Cross-listed as HIS 386. Prerequisite: ENG 102 or 102R, 105(B), or HON 102. History of Africa from the 19th century to the present. Themes include: trade and politics; European conquest and African resistance; rural and urban popular culture; race, class, gender, ethnicity, and age; African nationalism and independence. Credit will not be awarded for both AFA 386 and HIS 386.

AFA 388 Islam in West Africa. (3) A. Cross-listed as HIS 388. History of Islam and politics in West Africa from 1000 C.E. to the present. Emphasis on the role of Islam in major socio-economic, political, institutional and cultural transformations of West African states and societies. Credit will not be awarded for both AFA 388 and HIS 388.

AFA 435 U.S. Civil Rights Movement. (3) A. Cross-listed as HIS 435. Prerequisites: three hours AFA 111 or departmental approval through primary and secondary sources of the origins, course, ideologies, and legacy of the mid-twentieth century American movement for racial justice and equality. Discussion of the central scholarly issues in civil rights studies. Credit will not be awarded for both AFA 435 and HIS 435.

AFA 495 Independent Study. (3) A. Prerequisites: AFA 201, AFA 202, departmental approval. Individual study and/or research on a problem/topic pertaining to African-American and/or Afro-Caribbean experience. Student must have the independent study proposal form approved by the faculty supervisor and the program director prior to enrollment.

AFA- Aerospace Studies (Air Force ROTC) LT. Col. John Ard University of Kentucky (859) 257-7115

Leadership Seminar is open to students who are members of the Air Force Reserve Officer Training Corps or are eligible to pursue a commission as determined by the Professor of Aerospace Studies.

AFA 111 Aerospace Studies I. (1) I. This course deals with the Air Force in the contemporary world through a study of the total force structure, strategic offensive and defensive forces, general purpose forces, and aerospace support forces.

AFA 112 Leadership Seminar. (1) I. Introduces Air Force customs, courtesies, drill and ceremonies, and wear of the uniform. The course also includes a discussion of career opportunities in the Air Force.

AFA 113 Aerospace Studies I. (1) II. A continuation of AFS 111.

AFA 114 Leadership Seminar. (1) II. A course designed to develop managerial skills including superior/subordinate relationships, communications, customs and courtesies, basic drill movements and career progression requirements. Credit will not be granted toward the requirements for the degree. Pass-Fail only.

AFA 211 Aerospace Studies II. (1) I. This course is a study of air power from ballons and dirigibles through the jet age. It is an historical review of air power employment in military and nonmilitary operations in support of national objectives; and a look at the evolution of air power concepts and doctrine.

AFA 212 Leadership Seminar. (1) I. Air Force customs, courtesies, and opportunities are emphasized. The cadet is prepared for individual, flight, and squadron movements in drill and ceremonies.

AFA 213 Aerospace Studies II. (1) II. A continuation of AFS 211.

AFA 214 Leadership Seminar. (1) II. Emphasis on preparing cadets for attendance at field training during succeeding summer.

AFA 311 Aerospace Studies III. (1) III. Prerequisite: acceptance into the professional officer course. A study of management functions with emphasis on the environment. Individual motivational and behavioral process, communication, and group dynamics are included for the development of professional skills.

AFA 312 Leadership Seminar. (1) I. Involves the cadets in advanced leadership experiences to prepare for active duty. Cadet responsibilities include planning, organizing, directing, coordinating, and controlling the activities of the cadet corps and preparing briefings and written communications.

AFA 313 Aerospace Studies III. (1) II. Prerequisite: AFS 311. A study of leadership with specific emphasis on the Air Force in the contemporary world. Includes theoretical, professional, and communicative aspects. In addition, military justice and administrative law are discussed within the context of the military organization.

AFA 314 Leadership Seminar. (1) II. Cadets complete preparations for fulfilling leadership positions as an active duty Air Force officer.

AFA 411 Aerospace Studies IV. (3) I. Prerequisites: AFS 311 and 313. A study of the military profession, civil-military interactions, communication skills, framework of defense policy, and formulation of defense strategy.

AFA 412 Leadership Seminar. (1) I. Involves the cadets in higher level advanced leadership experiences. In addition, the cadets receive a final block of instruction for Initial Commissioned Service.

AFA 413 Aerospace Studies IV. (3) II. Prerequisite: AFS 411. Continues the study of strategy and the management of conflict, formulation and implementation of U.S. defense policy, defense organization, and case studies in defense policy making.

AFA 414 Leadership Seminar. (1) II. Cadets prepare for Initial Commissioned Service by fulfilling advanced leadership positions. Continued emphasis on group dynamics and the role of future leaders in the Air Force.

AFA 495 Independent Work. (2-6) A. Prerequisite: approval of professor of aerospace studies. A study of an advanced problem on an aerospace subject under the guidance of the Chairman of the Department of Aerospace Studies.
AGR—Agriculture

Dr. William E. Davis, Interim Chair

AGR 105 Introductory Topics in Agriculture. (3) I, II. A non-structured course for incoming students who have met the secondary skills standard examination requirements in the area of agriculture. Departmental chair approval required prior to enrollment. May be taken to a maximum of 6 hours.

AGR 111 Introduction to American Agriculture. (3) A. An overview of the agriculture industry and its history including significant past events, current status and trends. Complexities of laws and regulations and their influence on the producer and consumer.

AGR 115 Operation of Agricultural Equipment. (2) I. Lecture, laboratory and field experiences related to agricultural power equipment, and their safe operation, including hydraulics, electricity, chemical, and processing and handling facilities. 1 Lec/2 Lab.

AGR 125 Principles of Animal Science. (3) I. Corequisite: AGR 126. Management and production of livestock enterprises; types, market classes, and grades of beef cattle, sheep and swine, and the breeds and products of dairy cattle. 3 Lec/2 Lab.

AGR 126 Animal Science Laboratory. (1) I. Corequisite: AGR 125. Applied principles in the proper handling, restraint, and management techniques in beef, dairy, sheep, swine, and horses.

AGR 130 Principles of Animal Science. (3) A. Corequisite: AGR 131. Principles of plant growth, reproduction, and plant-soil relationships. Provides foundations of information for further study in field crop production and soil management. Credit will not be awarded to students who have credit for OHO 131.

AGR 131 Plant Science Laboratory. (1) A. Corequisite: AGR 130. Laboratory and field experiences related to plant growth, development, and management of crops. Credit cannot be awarded to students who have credit for OHO 132.

AGR 210 Agricultural Measurements. (2) A. Prerequisite: MAT 105 or higher. Measuring and computing areas of land, volumes and capacities of buildings, and field sprays, spray mixtures, fertilizer needs, parts per million, field rations and other measurement situations encountered on the farm. Majors must take AGR 210 during the first 60 hours of course work or credit will not be awarded. Transfer students must take AGR 210 during their first semester after declaring a major.

AGR 213 Principles of Agricultural Mechanics and Energy Systems. (3) I, II. Principles of operation, maintenance, and repair of electrical motors, basic electrical circuits, electrical power generation and electrical controls for agricultural mechanization systems and power requirements for agricultural structures; theoretical and practical experience.

AGR 215 Principles of Soils. (3) I, II. Corequisite: AGR 216. Soil origin, classification and properties, soil conservation, soil microorganisms, organic matter, soil water, soil minerals, lime and commercial fertilizers, soil erosion, soil management.

AGR 216 Principles of Soils Laboratory. (1) I, II. Corequisite: AGR 215. Laboratory and field experiences related to soils and their properties, including soil sampling, fertility, pH, liming, water and texture. 2 Lab.

AGR 225 Evaluation and Selection of Livestock. (3) II. An evaluation of dairy cattle, beef cattle, swine and sheep; use of records, body type ratings, application to agricultural and turf equipment. Lab.

AGR 250 Introduction to Horses. (3) A. History and role of horses and the equine industry, breeds of horse, care and feeding, horses for work and pleasure, includes terminology, management, and responsibilities, breeding, pests, current issues and care of horses.

AGR 255 Companion Animal Management. (3) A. Care and management of dogs, cats, rabbits, birds, reptiles and tropical fish. Companion animal breeds, behavior, nutrition, genetics and reproduction will be emphasized.

AGR 300 Travel Study in Agriculture Technology. (1-6) A. A travel course for groups and individuals in agriculture and horticulture to study new and emerging technologies in agriculture and horticulture, types of agricultural enterprises, and professional and interpersonal relationships. May be taken once.

AGR 301 Directed Work Experience. (1-4) I, II. Agriculture majors only; minimum sophomore standing or departmental approval. A minimum of three hours per week per hour of credit using other approved facilities. May be retaken for a maximum of 4 credit hours.

AGR 302 Directed Work Experience - Management Practicum. (3) I, II. Student will schedule nine hours of work per week during the semester on a university farm to practice management and production skills related to a livestock herd or machinery operations. Options may be taken to a maximum of 12 hours.

AGR 302A Agricultural Mechanization Option. AGR 302B Beef Cattle Option. AGR 302C Swine Option. AGR 302D Dairy Cattle Option. AGR 302E Sheep Option. AGR 302F Crops Option. AGR 302G Farm Management. (4) II. Identification of the principal agriculture and horticulture insect disease and weed pests in Kentucky. Control measures are identified with special emphasis on the safe use of chemicals and equipment calibration. Credit will not be awarded for both AGR 304 and OHO 304. 3 Lec 2 Lab.

AGR 305 Professional Skills Seminar. (1) A. Prerequisite: completion of 30 hours in the Associate or more than 60 hours and less than 90 hours in the Bachelor Degree Program. Course prepares students for the job market including; resume development, cover letter preparation, job interview skills and oral presentations.

AGR 308 Agricultural Economics. (3) I, II. Prerequisite: ECO 120. An introduction to the economic environment of the agriculture business sector. Examines the role of agriculture in the U.S. and world economies. Includes concepts and principles concerning individual agribusiness decision making.

AGR 310 Principles of Agribusiness Management. (3) II. Prerequisite: AGR 308. Organization and operation of the farm related agribusiness businesses. Emphasis on planning, enterprise selection, financial statements, and resource management. Includes microcomputer applications and survey of government regulations that are applicable to the U.S.

AGR 311 Agriculture Metal Fabrication. (2) A. Principles and techniques of arc and oxyacetylene welding and soldering as it pertains to fabrication and repair of agricultural machinery and equipment. 1 Lec/2 Lab.

AGR 312 Ecology and Management of Grasslands and Pastures (4) A. Prerequisites: AGR 130 and 131, and Junior Standing. Examination of grasslands and pastures from an ecological perspective with an emphasis on wildlife and livestock management. 3 Lec 2 Lab.

AGR 318 Soil/Water Conservation Technology. (3) I, A. Principles and procedures for basic surveying and soil-water conservation systems. This will include hand haul, roll, equipment, product selection, equipment use and maintenance, and irrigation interaction with the desired conservation system. 2 Lec 2 Lab.

AGR 319 Renewable and Sustainable Energy. (3) I. Prerequisites: ENG 102 or 102R or ENG 105(B) or HON 102; and any ENV or AGR course and Junior standing. Conservation of soils and their fertility, erosion and control, soil conservation methods for individual farms, water supply and distribution, problems of water and air pollution, problems resulting from the population explosion. Credit will not be awarded for both AGR 340 and ENV 341.

AGR 345 Sustainable Agroecosystems. (3) A. Prerequisites: any course in chemistry, AGR 130, and 131, or OHO 131 and 132 or BIO 131. A comprehensive study of new technology related to crop, pest and management practices which could enhance economic returns, environmental quality, and the resource base for the short and long term.

AGR 348 Applied Learning in Agriculture. (5-8) A. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

AGR 349 A-N Cooperative Study: Agriculture. (5-8) A. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

AGR 350 Agricultural Marketing. (3) A. A study of concepts, principles and practices of marketing related to the agribusiness system. Emphasis on agricultural input, production and processing/manufacturing sectors. Includes agriculture futures commodity market theory, mechanics and practical applications.

AGR 362 Hydraulic Systems. (2) A. A study of basic principles of hydraulic systems and their application to agricultural and turf equipment. Lab experiences will provide familiarity and practice with equipment. 1 Lec/2 Lab.

AGR 373 Animal Diseases. (3) I. Prerequisite: six hours of animal science. Treatment, prevention, and eradication of infectious and parasitic disease of farm animals.
AGR 374 Genetics of Livestock Improvement. (3) II. Prerequisite: six hours of animal science. Applied genetic principles of improving farm animals including crossbreeding, inbreeding, and other mating plans.

AGR 375 Reproduction and Artificial Insemination of Domestic Animals. (3) A. Prerequisite: six hours of animal science. Reproductive physiology, study and practice of artificial insemination, and pregnancy diagnosis of domestic animals. 2 Lec/2 Lab.

AGR 376 Anatomy and Physiology of Domestic Animals. (3) A. Prerequisite: AGR 125. Fundamental physiological processes of livestock relating to production, nutrition, and diseases. 2 Lec/2 Lab.

AGR 377 Livestock Behavior and Welfare (3) A. Prerequisite: AGR 125 and 126. An overview of livestock behavior and its application in modern animal husbandry.

AGR 380 Technical Management of Dairy Cattle. (4) I. Prerequisites: AGR 125 and 126. History, economics and nutritional importance and trends associated with the dairy industry including systems of selecting, breeding, feeding, sanitation, housing, marketing and management for financial success emphasizing both the cow and herd management. 3 Lec/2 Lab.

AGR 381 Agriculture Structures. (3) I. Study the principles of planning, drawing, locating, and constructing farm livestock and materials handling. Includes building materials, understanding of closely related structure aspects: such as, environmental control, waste management, ventilation, and structure design. 2 Lec/2 Lab.

AGR 383 Diesel Power Systems. (3) I. Study of the operation, maintenance, and repair of agricultural diesel powered systems; includes electrical systems, fuels, injection pumps, and nozzles; laboratory practice. 2 Lec/2 Lab.

AGR 404 Advanced Pest Management. (3) II. Prerequisite: AGR 304 or OHO 304. Physical, biological, chemical, cultural, and genetic control of insects, weeds, and diseases. Specific emphasis on the science behind pest controls and use of organic and/or sustainable control methods.

AGR 409 Agriculture Business Records and Analysis. (3). I. Management and analysis of record systems for decision support involving organization, enterprising, and operating an operation of agricultural and horticultural businesses.

AGR 410 Independent Study in Agriculture: ________. (1-3) I, II. Prerequisite: Departmental approval. Students choose a problem and work under the supervision of the instructor in the field of the problem. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken for a maximum of 6 credit hours provided topics are different. Credit will not be awarded for both AGR 410 and OHO 410.

AGR 411 Senior Seminar. (1) I, II. Prerequisite: senior standing. Preparation of graduates to enter the job market. Students complete oral presentations, resumes, job applications, cover letters, job interviews and register with CD and P. Includes overall assessment of the graduate and department curriculum.

AGR 416 Soil Fertility and Management. (3) A. Prerequisite: AGR 215 and 216. Management of soils used in turfgrass, vegetable and crop production. Topics include soil fertility and various soil amendments such as lime, organic and inorganic fertilizers, soil fertility programs, problem soils, and soil conservation. 2 Lec/2 Lab. Animal Nutrition. (3) II. Prerequisite: AGR 321 or instructor approval. Principles of nutrition basic to modern livestock feeding; symptoms of nutrient deficiencies, nutritional disorders, metabolism of nutrients, fed vs. fresh diets, and modern methods of feed preparation and feeding.

AGR 430 Field Crop Production (3) A. Prerequisite: AGR 130 and 131. Advanced study of crop production theories and practices for agronomic crops. Topics include ecological, physiological and economic aspects of production of currently relevant crops. 2 Lec/2 Lab.

AGR 440 Agricultural Financing. (3) II. Uses and types of agricultural credit, credit institutions, and relating credit needs to farm enterprises.

AGR 449 Agricultural Advocacy and Issues Capstone (3) A. Prerequisite: Senior standing. Development of critical thinking skills, debates of current issues facing agriculture, and training to become agriculture advocates.

ANS 501 Independent Study in Agriculture: ________. (3) A. Course for exceptional seniors involving independent study and research related to problems of a theoretical and/or practical nature. May be retaken to a maximum of six hours. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

ANS 509 Agricultural Research Methods and Interpretation (3). I. Prerequisite: Junior or Senior standing. Explores the scientific underpinnings of modern agriculture and adaptive management, including: the scientific method, observation, experimentation, and data interpretation with an examination of fallacies that masquerade as science. May be repeated up to six hours provided topic is different.

ANS 520 Global Food Systems (3) A. Prerequisite: AGR 368. A wide-ranging examination of various domestic and international food systems. The supply chain from field to farm to gate through marketing and transportation to the consumer. Emphasis on the economics of the food supply chain.

ANS 570 Advanced Technical Agriculture: ________. (3) A. Advanced study of agriculture with emphasis on updating, understanding, and developing competency in recent technology. May be retaken to a maximum of nine hours provided the topic varies.

ANS 577 Workshop in the Conservation of Natural Resources. (3) A. For teachers returning for graduate study. Instruction is given in the areas of soil, water, fish and wildlife, forest conservation, and methods of teaching related units at the elementary and junior high level.

ANTS—Animal Studies

Dr. Robert Brubaker, Chair

ANT 201 Anthropology of Human Society. (3) A. Study of the evolution of human societies through time and over space. The course focuses on hunter-gatherer, horticultural, agrarian and industrial societies, and their change through time. Credit will not be awarded to students who have credit for both ANT 210 and 211. Gen. Ed. E-5A [SB].

ANT 204 Introduction to Physical Anthropology. (3) I, II. General survey of the human biological species and its evolution, emphasizing the study of genetics, osteology, primate behavior and biology, fossil populations, and contemporary human biological variation. 2 Lec/2 Lab. Gen. Ed. E-4 [NS].

ANT 306 Human Evolution. (3) A. Prerequisite: ANT 201 or departmental approval. A detailed analysis of primatology and human development emphasizing the fossil evidence of humankind’s evolution.

ANT 309 Quantitative Methods in Anthropology (3) A. Prerequisite: ANT 201 and completion of Gen. Ed. E-2. Addresses how anthropologists collect and organize quantitative data, select and utilize appropriate statistical analyses and procedures, and summarize results. Emphasis is given to physical anthropology applications.

ANT 311 Anthropology of Religion (3) A. Prerequisite: ANT 120 or 200. Anthropological exploration of religious belief systems across cultures and time. Analyzes the intersection of religion with subsistence strategies, economic systems, political systems, and gender structures. Topics include magic, witchcraft, sorcery, monotheism, polytheism, possession, and health.

ANT 321 Historical Archaeology. (3) A. Prerequisite: ANT 120 or ANT 200. This course provides an introduction to the material culture of North America’s recent past. Lecture is combined with hands-on exercises using historic artifacts and documentary sources.

ANT 330 American Indians. (3) A. Prerequisite: ENG 102 or 105(B), or HON 102. Explores the cultural diversity of American Indians by examining their historical and contemporary lives. Focus on cultural similarities and differences of American Indian groups living in ecologically diverse areas. Gen. Ed. E-6 [GE].

ANT 341 North American Archaeology. (3) A. Prerequisite: ANT 120 or 200. A basic but comprehensive introduction to North American archaeology from the earliest peopling through European
ANT 344 Applied Anthropology (3) A. Prerequisite: ANT 120 or ANT 200. Comprehensive survey of applied anthropology theories, methods, and approaches. Based on extensive cross-cultural case materials, examines the historical, current, and potential applications of anthropological perspectives to social problems.

ANT 351W Archaeology. (3) A. Prerequisites: ANT 120, 200, and 201, and ENG 102 or 102R or ENG 105(B) or HON 102. A comprehensive introduction to archaeological goals, methods, practice and challenges. Data-based problem solving, critical thinking and writing are integral components of this course. Credit will not be awarded for both ANT 351W and ANT 350.

ANT 355 Selected Topics in Archaeology:_________. (1-3) A. Prerequisite: ANT 120 or 200 or departmental approval. Topics vary. Offered occasionally. May be retaken to a maximum of nine hours, provided the subject matter differs each time.

ANT 357 Archaeology and the Law. (3) A. Prerequisite: ANT 120 or 200. Survey of Federal legislation for the management of cultural resources, and the repatriation of human remains and other materials to descendant Native American tribes. Global heritage issues are also addressed.

ANT 360 Mesoamerica Before Cortez. (3) A. Prerequisite: ANT 120 or ANT 200. The study of archaeological past, the colonial experience, and the contemporary reality of the Indians of Mesoamerica, focusing primarily on the pre-Hispanic Maya.

ANT 365 Selected Topics in Physical Anthropology:_________. (1-3) A. Prerequisite: ANT 201 or departmental approval. Topics vary. Offered occasionally. May be retaken to a maximum of nine hours, provided the subject matter differs each time.

ANT 370 Primate Conservation (3) A. Prerequisite: ANT 201 or departmental approval. The local human and biological impact of conservation programs is examined, with an emphasis on primate communities throughout the world. Topics include forest fragmentation, historical perspectives on conservation, agroforestry, ecotourism, ethnography, and disease.

ANT 371 Primate Ecology & Sociality. (3) A. Prerequisite: ANT 201. Ecological relationships within primate communities. Students examine primate social structure, habitat use, diet, locomotion, seasonality, plant- primate interactions, and predator-prey relationships.

ANT 375 Selected Topics in Cultural Anthropology:_________. (1-3) A. Prerequisite: ANT 120 or 200 or departmental approval. Topics vary. Offered occasionally. May be retaken to a maximum of nine hours, provided the subject matter differs each time.

ANT 376 Medical Anthropology. (3) A. Prerequisite: ANT 120 or 200. Exploration of health, healthcare, and healing cross-culturally. Through medical anthropological theory and methods, apply critical perspectives to the health status of populations, the distribution of health in societies, and health outcomes. Credit will not be awarded for both ANT 377 and ANT 377S.

ANT 377S Medical Anthropology: Service Learning. (3) A. Prerequisite: ANT 120 or 200. Exploration of health, healthcare, and healing cross-culturally. Through medical anthropological theory and methods, apply critical perspectives to the health status of populations, the distribution of health in societies, and health outcomes. Credit will not be awarded for both ANT 377 and ANT 377S.

ANT 380 Forensic Anthropology. (3) A. Prerequisite: ANT 201. Forensic osteology and dentistry; including demographic methods, pathology, and practical methods of interpreting human physical evidence; and the role of the expert witness. 2 LeC/2 Lab.

ANT 385 Human Osteology. (3) A. Prerequisite: ANT 201. Analysis of individual skeletal remains, focusing on functional anatomy and bone physiology, disease and injury, and nutrition. Includes introductions to bioarchaeology, forensic anthropology, and biocultural reconstruction.

ANT 393 Kinship and Marriage. (3)

ANT 395 History and Theory of Anthropology. (3) A. Prerequisite: ANT 120, ANT 200, ANT 201 and Senior standing. A capstone investigation of past and present practices and theories used to interpret data from each of anthropology’s four subdisciplines. Professionalism in anthropological theory is also integrated.

ANT 439 Practicum in Archaeology. (3) A. Prerequisite and/or Corequisite: ANT 351W, ANT 470, or departmental approval. This course pairs senior anthropology majors with professional archaeologists for on-the-job training. Practicum options may include federal and state governments, private archaeological consultants, and anthropology museums.

ANT 470 Field Methods in Archaeology. (6) A. Prerequisite: ANT 351W with a minimum grade of “B.” A hands-on study of archaeological field methods including excavation techniques as well as some laboratory analysis of archaeological remains.

ANT 473 Social and Material Analysis (3) A. Prerequisite: ANT 351W with minimum grade of “B.” Familiarizes students with processing, analysis, and interpretation of archaeological materials. This course has a laboratory component where students will work with archaeological materials.

ANT 490 Independent Study in Anthropology. (1-6) A. Prerequisite: student must consult with the faculty supervisor and have the independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment.

ANT 498 Directed Research in Anthropology. (3) A. Prerequisite: ANT 120, ANT 200, ANT 201, and departmental approval. A directed research experience for anthropology majors that integrates a research experience with the students’ professional development and the production of a substantive deliverable product (e.g., poster or conference presentation).

APP—Appalachian Studies

APP 200 Introduction to Appalachia. (3) A. An introduction to the interdisciplinary study of the Appalachian region. Special emphasis on the region’s place in a national and global context, and on internal and external definitions of the region. Gen. Ed. E-5B and E-6 [SB][GE].

APP 350 Special Topics:_________. (3) A. Exploration of particular topics not covered in the existing curriculum. May be taken for a maximum of six hours provided the subject matter is different each time.

APP 355 Rural Crime and Justice (3) A. Cross-listed as CRJ 355. Prerequisite: sophomore standing. Survey of rural crime and justice issues, crime trends, policing and control of rural crime with particular attention given to Kentucky and Appalachia. Credit will not be awarded for both CRJ 355 and APP 355.

APP 360 Media Images of Appalachia. (3) A. Prerequisites: ENG 102 or 102R, 105 (B), or HON 102; APP 200 recommended but not required. Explores representations of Appalachia in a variety of media including documentary and feature film, television, music, magazines, news media, advertising and marketing, and in the context of contemporary sources such as the social media landscape. Study of selected Appalachian artists, with emphasis on interdisciplinary, cultural, and aesthetic concerns raised in works by writers such as Arnow, Berry, and Still. Credit will not be awarded to students who have credit for ENG 365, ENG 365W, or APP 365W. Gen. Ed. E-3B and E-6 [AHI][GE].

APP 365W Appalachian Literature. (3) A. Cross-listed as ENG 365W. Prerequisite: ENG 102 or 102R or 105(B) or HON 102. Writing-intensive study of selected Appalachian artists, with emphasis on interdisciplinary, cultural, and aesthetic concerns raised in works by writers such as Arnow, Berry, and Still. Credit will not be awarded to students who have credit for ENG 365, ENG 365W or APP 365W. Gen. Ed. E-3B and E-6 [AHI][GE].

APP 366 Social Change in Appalachia. (3) A. Cross-listed as SOC 365. Completion of SOC 131 is advised before taking APP 366. Analysis of patterns of social change and development in an important area of the Southern United States, Central and Southern Appalachia. Emphasis will be placed upon competing theoretical perspectives and the importance of historical research. Credit will not be awarded for both APP 366 and SOC 365.

APP 373 Politics of Development in Appalachia. (3) A. Cross-listed as POL 373. Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. This course examines community and economic development in the Appalachian region with special emphasis on Kentucky. Focus will be on the political, economic, and social aspects of development. Credit will not be awarded to students who have credit for POL 373. Gen. Ed. E-6.

APP 375 Appalachian Religion. (3) Prerequisites: ENG 102 or 102R, or ENG 105 (B), or HON 102; APP 200 recommended but not required. Examines the history and diversity of Appalachian religious traditions, practices, beliefs and symbol systems and how they have influenced social order, politics, community activism, health services, leadership development, education, and environmental stewardship throughout the region. Credit will be awarded for only one of the following courses: APP 375, APP 370, SOC 370.

APP 420 Appalachia in U.S. History. (3) A. Cross-listed as HIS 420. Prerequisites: ENG 102 or 102R, 105 (B), or HON 102; three hours HIS or department approval. The relationship between Appalachia and the rest of the United States. Topics include the “Yoouman” myth, coal industry, settlement houses, company towns, and the identification of the region with poverty. Credit will not be awarded for both APP 420 and HIS 420.

APP 490 Independent Study. (1-3) A. Prerequisite: Student must have the independent study form/proposal approved by the faculty member and Center director prior to enrollment. May be taken for a maximum of six hours provided the subject matter is different each time.

APP 499 Independent Study (3) A. Prerequisite: 12 hours Appalachian Studies or instructor approval. In-depth analysis of current social, political, economic or environmental issues in the Appalachian region through a directed research project or applied service-learning field experience.

APP 500 Sustainability in Appalachia (3) A. Cross-listed as GEO 430 and ENV 430. Prerequisites: GEO 100, 110, 210, or 220, ENG 102 or 102R, ENG 105(B), or HON 102; MAT 105 or higher; or departmental approval. Examination of Appalachia’s ecological, social, and economic processes through which residents can ensure their social, economic and ecological sustainability in the future. Credit will not be awarded for students who have credit for GEO 430 or ENV 430.

APP 520 Providing Health Care Services in Appalachia. (3) A. Cross-listed as OTS 520/720. Prerequisite: departmental approval. An analysis of the development and delivery of health care services in Appalachia. Examination of relevant current and historical factors which have an impact on the health of the Appalachian people. Credit will not be awarded for both APP 520 and OTS 520/720.
ARH—Art History
Ida Kumoji-Ankrah, Chair

ARH 392 Survey of Global Art History I (3)
I, II. Prerequisites: ENG 102 or 102R(C) or 105(B) or HON 102(C). A survey of art across world cultures from prehistory to the medieval period. Credit will not be awarded to students who have credit for ARH 392W or ARH 390W.

ARH 392W Survey of Global Art History I (3)
I, II. Prerequisites: ENG 102 or 102R(C) or 105(B) or HON 102(C). A writing intensive survey of art across world cultures from prehistory to the medieval period. Credit will not be awarded to students who have credit for ARH 392, or ARH 390 or 390W.

ARH 393 Survey of Global Art History II (3)
I, II. Prerequisites: ENG 102 or 102R(C) or 105(B) or HON 102(C). A survey of art across world cultures from the Early Renaissance (c. 1400) to the present. Credit will not be awarded to students who have credit for ARH 393W; or ARH 390 or 390W.

ARH 393W Survey of Global Art History II (3)
I, II. Prerequisites: ENG 102 or 102R(C) or 105(B) or HON 102(C). A writing intensive survey of art across world cultures from the Early Renaissance (c. 1400) to the present. Credit will not be awarded to students who have credit for ARH 393, or ARH 390 or 390W.

ARH 463 Problems in Art History. (3)
A. Prerequisites: ARH 392 or 392W, or 393 or 393W, or departmental approval. An introduction to the expressive and aesthetic aspects of the visual arts in Europe and America from the late 19th century to the present. Credit will not be awarded to students who have credit for ARH 393W; or ARH 390 or 390W.

ARH 466 History and Baroque Art. (3)
A. Prerequisite: ARH 392 or 392W, or 393 or 393W, or departmental approval. An introduction to the expressive and aesthetic aspects of the visual arts in Europe and America from the late 19th century to the present. Credit will not be awarded to students who have credit for ARH 393W; or ARH 390 or 390W.

ARH 466 History of Graphic Arts. (3, I, II)
Prerequisite: ARH 392 or 392W, or 393 or 393W, or departmental approval. An in-depth study of the development and evolution of print media as a means of communication and expression. Credit will not be awarded to students who have credit for ARH 393W; or ARH 390 or 390W.

ARH 467 U.S. Architectural History. (3, I, II)
Prerequisites: HIS 202 and 203; or ARH 392 and 393. A specialized study of the history of American architecture from the beginnings of colonization in the 17th century to the late 20th century, focusing on regional and period styles and the range of typologies.

ARH 492 Greek and Roman Art. (3, A)
Prerequisite: ARH 392 or ARH 392W or ARH 393 or ARH 393W or departmental approval. Study of the history and development of Greek and Roman art from the earliest periods to the fall of the Roman Empire. Credit will not be awarded to students who have credit for ARH 392W; or ARH 390 or 390W.

ARH 498 U.S. Art History. (3, A)
Prerequisites: ARH 392 or 392W or 393 or 393W, or departmental approval. An in-depth study of the arts of the United States of America from 1565 to 2000.
ART 270. Introduction into the wheel forming process with clay. Basic formulation of clay and glaze.

ART 372. Ceramics III. (3) I, II. Prerequisite: ART 371. An exploration into the fundamental structural problems of sculptural ceramic forms. Research into various decorating techniques utilizing clay and glaze.

ART 376. Ceramics for Non-Majors. (3) A. Prerequisite: ASL 102 with a minimum grade.

ART 377. Ceramics for Non-Majors. (3) A. Prerequisite: ASL 102 with a minimum grade.

ART 378. Intermediate course in photography. Builds on creative skills and techniques learned in previous photography courses. Students may explore conventional, digital and alternative processes.

ART 382. Photography II. (3) I, II. Prerequisite: ART 381. Intermediate course in photography. Builds on creative skills and techniques learned in previous photography courses. Course may cover traditional, digital or alternative processes.

ART 383. Photography IV. (3) I, II. Prerequisite: ART 382, Major GPA 2.5, and admission to the BFA program. Intermediate course in photography. Builds on creative skills and techniques learned in previous photography courses. Course may cover traditional, digital or alternative processes.

ART 401. Advanced Drawing. (3) A. Prerequisites: ART 300 and 301. Advanced problems in drawing emphasizing personal explorations of media and imagery.

ART 413. Advanced Painting. (3) I, II. Prerequisites: ART 313, 314, Major GPA 2.5, and admission to the painting option of the BFA program. Advanced problems in painting, emphasizing the student’s personal expression through imagery and techniques.

ART 414. BFA Painting. (3) I, II. Prerequisites: ART 413, Major GPA 2.5, and admission to the BFA program. Corequisite: ART 499. Final exit course in BFA painting area with emphasis in professional development. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

ART 423. Advanced Sculpture. (3) I, II. Prerequisites: ART 322, 323, Major GPA 2.5, and admission to the sculpture option of the BFA program or departmental approval. The students’ sculptural abilities are defined and directed at the advanced level, through individual and extended projects.

ART 424. BFA Sculpture. (3) I, II. Prerequisites: ART 423, Major GPA 2.5, and admission to the BFA program. Corequisite: ART 499. Final exit course in BFA sculpture area with emphasis on professional development. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

ART 433. Printmaking I. (3) I, II. Prerequisites: ART 333, Major GPA 2.5, admission to the printmaking option of the BFA program, and sophomore standing. The student is free to pursue a program of individual interest. Emphasis placed on creativity and professionalism. Credit will not be awarded for both ART 433 and ART 432.

ART 434. BFA Printmaking. (3) I, II. Prerequisites: ART 433, Major GPA 2.5, and admission to the printmaking option of the BFA program. Corequisite: ART 499. Final exit course in BFA printmaking area with emphasis on professional development. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

ART 443. Jewelry and Metalsmithing I. (3) I, II. Prerequisites: ART 344, Major GPA 2.5, and admission to the Jewelry and Metalsmith option of the BFA program. Designed for the advanced student pursuing a career as a professional jeweler/metalsmith. Attention given to developing a personal design philosophy. Students will submit a work proposal for the semester.

ART 444. BFA Jewelry and Metalsmithing. (3) I, II. Prerequisites: ART 443, Major GPA 2.5, and admission to the BFA program. Corequisite: ART 499. Final exit course in BFA jewelry and metalsmithing area with emphasis on professional development. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

ART 463. Independent Study: Problems in Art and Design. (1-3) A. Prerequisite: approval of proposal by department. Limited to seniors. Continuation of study begun in regular departmental courses. Student must have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of nine hours.

ART 472. Ceramics IV. (3) I, II. Prerequisites: ART 372, Major GPA 2.5, and admission to the BFA program. An exploration into an independent and personal way of working with clay. Various kiln building and firing techniques will be explored.

ART 473. Ceramics V. (3) I, II. Prerequisites: ART 472, Major GPA 2.5, and admission to the ceramics option of the BFA program. Continued independent work in clay as defined and directed through individual projects.

ART 474. BFA Ceramics. (3) I, II. Prerequisites: ART 473, Major GPA 2.5, and admission to the BFA program. Corequisite: ART 499. Final exit course in BFA ceramics area with emphasis on professional development. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

ART 483. Photography V. (3) I, II. Prerequisites: ART 423 with a minimum grade of “C” and admission to the photography option of the BFA program. Advanced course builds on creative skills and techniques learned in previous photography courses. Stresses development of student initiative/personal expression. Corequisite: ART 499. Final exit course in BFA photography area with emphasis on professional development. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

ART 499. Senior Exhibition. (1) I, II. Prerequisite: Major GPA 2.5 and last semester senior in BFA program. Corequisite: ART 441 or 424 or 434 or 444 or 474 or DES 454. Organization and presentation of an exhibition of the student’s work.

ART 560. Workshop in Art and Design. (1) (3) A. Prerequisite: approval of department. Intensive study in a specific phase of the visual arts. Current processes, materials, and theoretical foundation will be considered. May be retaken with different topics to a maximum of nine hours.

ART 592. Seminar in Art Criticism. (3) A. Prerequisites: ARH 392 or 392W or 393 or 393W. Study of various topics and problems which relate to the student’s understanding and critical awareness of the visual arts. ASL—American Sign Language

Dr. Laurence Hayes, Chair

ASL 102. American Sign Language II. (3) I, II. Prerequisite: ASL 101 with a minimum grade of “C” or departmental permission. Continued development of basic knowledge of and understanding of conversational ASL and cultural features of the language and community. 3 Lec/1 Lab. Gen. Ed. E-6 [GE].

ASL 105. ASL Discourse & Depiction I. (1) I, II. Corequisite or prerequisite: ASL 101 and declaration of Pre-Interpretation or Pre-Deaf Studies majors. Development of ASL conversational behavior, comprehension, depiction, discourse, and fingerspelling. Cultural engagement with members of the ASL linguistic minority. 1 Lab. 1 Lab.

ASL 106. ASL Discourse & Depiction II. (1) I, II. Prerequisite: ASL 105 with a grade of “Satisfactory”. Pre- or co-requisite of ASL 102 and declaration of Pre-Interpretation or Pre-Deaf Studies majors. Continued development of ASL conversational behavior, comprehension, depiction, discourse, and fingerspelling. Cultural engagement with members of the ASL linguistic minority. 1 Lab/1 Lab.

ASL 201. American Sign Language III. (3) I, II. Prerequisite: ASL 102 with a minimum grade of “C” or departmental permission. Development of intermediate expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

ASL 202. American Sign Language IV. (3) I, II. Prerequisite: ASL 201 with a minimum grade of “C” or departmental permission. Continued development of intermediate expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

ASL 205. ASL Discourse & Depiction III. (1) I, II. Prerequisite: ASL 106 with a grade of “Satisfactory”. Pre- or co-requisite of ASL 201 and declaration of Pre-Interpretation or Pre-Deaf Studies majors. Continued development of ASL conversational behavior, comprehension, depiction, discourse, sign production, and fingerspelling with engagement with members of the ASL linguistic minority. 1 Lab/1 Lab.

ASL 210. ASL Fingerspelling & Numbers. (3) I, II. Prerequisite: ASL 201 with a minimum grade of “C” or departmental permission. The course will focus on aspects of receptive and expressive fingerspelling usage, including lexicalized fingerspelling and various numbering systems within ASL.

ASL 225. Introduction to Deaf Studies. (3) I, II. Prerequisite: ASL 102 or permission of instructor. Introduces students to the historical, sociological, cultural and political experiences of Deaf people. Provides overview of Deaf people’s experiences, images, and issues from a wide variety of disciplinary perspectives. Credit will not be awarded for both ASL 225 and ITP 115.

ASL 301. American Sign Language V. (3) I. Prerequisite: ASL 202 with a minimum grade of “C” or departmental permission. Development of advanced expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

ASL 302. American Sign Language VI. (3) I. Prerequisite: ASL 301 with a minimum grade of “C” or departmental permission. Continued development of advanced expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

ASL 305. ASL Comprehension and Fluency I. (3) I. Prerequisite: ASL 202 with a grade of “C” or higher. Students will increase their ASL comprehension and fluency through skill-building activities. Emphasis on identifying how native ASL signers construct meaning through depictive and discursive devices.

ASL 306. ASL Comprehension and Fluency II. (3) II. Prerequisite: ASL 305 with a grade of “C” or higher and admission to the interpreting program, Deaf Studies Major, or departmental approval. Students will continue to increase their ASL comprehension, fluency, and flexibility through skill-building activities. Emphasis on spontaneous expression of the depictive and discursive devices that native ASL signers use to construct meaning.

ASL 310. Application of Fingerspelling & Number Systems. (3) I. Prerequisite: ASL 301 with a grade of “C” or better or departmental approval. The course will focus on aspects of receptive and expressive fingerspelling usage, including lexicalized fingerspelling and various numbering systems within ASL.

ASL 325. Historical & Current Perspectives of Deaf Ways of Being. (3) I. Prerequisite: ASL 202 and 225 with a grade of “C” or higher. Historical
overview of Deaf people and their contributions to society. Comparative analysis of Deaf individuals and their respective communities from internal and external perspectives. Emphasis of practical solutions to promote social justice.

ASL 380 Special Topics in Deaf Studies (1-3) A. Prerequisite: ASL 225(C). For special work or topics related to the field of Deaf Studies beyond the scope of regularly offered courses. May be taken to a maximum of 9 hours provided subfield/topics vary. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

ASL 390 Contrastive Analysis: ASL and English. (3) II. Prerequisites: ASL 301 and 305 with a grade of “C” or higher and admission to the interpreting program, Deaf Studies program, or departmental approval. The linguistic properties of ASL and English are compared and contrasted. Areas explored include phonology, prosody, morphology, syntax, discourse, and sememes taken. Polysyllogism and mode differences are also examined.

ASL 400 ASL Skills for Majors (1, 2) I, II. Prerequisites: ASL 202, with a minimum grade of “C” and admission to the ASL and English Interpretation program, or Deaf Studies program, or departmental approval. This course will continue to develop skills in American Sign Language, specifically focusing on vocabulary development and language usage. Clinical hours required.

ASL 425 Deaf Literature (3) A. Prerequisite: ASL 225(C), 202(C). Cultural and literary analysis of ASL and Deaf-related literature (major works in text, cinema, and video) in contemporary society. Literary style, story, character, and linguistic expression will be explored in a cultural context.

ASL 485S Deaf Studies Capstone. (3) II. Prerequisites: ASL 225, 301, 325, and ITP 215SW with a grade of “C” or higher and admission to the Deaf Studies program or departmental approval. Capstone course with critical analysis of a service learning field experience. Continued development of cultural and linguistic competency as a reflective practitioner. Clinical hours required.

ASO—Orientation Dr. Sara Ziegler, Dean

ASO 100 Student Success Seminar. (1, 2) I. An introduction to the programs of the University and the College of Letters, Arts, and Social Sciences. Discussion of how to study, what to consider in choosing a profession, and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

ASO 100A Student Success Seminar in Art. (1) I. Prerequisite: Art majors only. An introduction to the programs of the University and College of Letters, Arts, and Social Sciences, specifically for Art majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

ASO 100B Student Success Seminar in Music. (1) I. Prerequisite: Music majors only. An introduction to the programs of the University and College of Letters, Arts, and Social Sciences, specifically for Music majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

ASO 100C Student Success Seminar in Languages, Cultures, & Humanities. (1) I. Prerequisite: Languages, Cultures and Humanities majors only. An introduction to the programs of the University and College of Letters, Arts, and Social Sciences, specifically for Humanities majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

ASO 100M Student Success Seminar in Music. (1) I. Prerequisite: Music majors only. An introduction to the programs of the University and College of Letters, Arts, and Social Sciences, specifically for Music majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AST 133 Astronomy Transition Lab. (1) I, II. Prerequisite: AST 130 or departmental approval. A transition laboratory that will allow students with credit for AST 130 to gain credit for a laboratory science course that is equivalent to AST 135. 2 Lec. Gen. Ed. E-4 [NS].

AST 135 Introductory Astronomy. (3, 1) I. Prerequisite: MAT 105 or higher, or ACT mathematics subscore of 20 or higher, or departmental approval. Conceptual survey course; topics include background astronomy, motion of the Moon and stars, the use of light in astronomy, telescopes, the Solar System, and the Sun. Credit will not be awarded to students who have credit for AST 130. 2 Lec. 2 Lab. Gen. Ed. E-4 [NS].

AST 335 Stars, Galaxies & Cosmology. (3) A. Prerequisite: MAT 105 or higher or ACT mathematics subscore of 20 or higher or departmental approval; and ENG 102 or 102R or ENG 105(B) or HON 102. A survey course describing the origin and evolution of stars, including black holes, galaxies, and the Universe. We will demonstrate how observations, models and quantitative analysis with the most recent state of knowledge. Credit will not be awarded for both AST 335 and AST 330. 4 Lab/Lab. Gen. Ed. E-4 [NS].

ATR - Athletic Training Dr. Eric Fuchs, Chair

ATR 100 Introduction to Athletic Training. (1) I. For students who will be applying for admission to the Athletic Training Education Program. Students will receive an introduction to professional organizations and issues, in addition to instruction and assessment of clinical skills necessary for progress to the next athletic training course. 2 Lab hours.

ATR 201 Practicum I. (3) I. Prerequisite: PHE 212 and EMC 104 or EMC 110. Corequisite: ATR 211. This first practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are designed to introduce the learner to specific educational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 20 hours and a maximum of 25 hours per week as assigned by their preceptor.

ATR 202 Practicum II. (3) II. Prerequisite: Athletic Training major and ATR 201. This second practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are designed to introduce the learner to specific educational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 20 hours and a maximum of 25 hours per week as assigned by their preceptor.

ATR 211 Evaluation of Lower Extremity Injuries. (4) I. Prerequisite: acceptance into the professional Athletic Training Education program. Corequisite: ATR 201. Students will learn how to properly evaluate common injuries of the lower extremity and lumbar spine. Classroom and skill laboratory sessions are designed to introduce the learner to proper assessment techniques of the lower extremity and lumbar spine in various athletic training settings. 3 Lec/2 Lab.

ATR 212 Evaluation of Upper Extremity Injuries. (4) II. Prerequisite: ATR 211. Students will learn how to properly evaluate common injuries of the upper extremity, cervical spine, head, and face. Classroom and skill laboratory sessions are designed to introduce the learner to proper assessment techniques of these areas in the various athletic training clinical settings. 3 Lec/2 Lab.

ATR 221 Sport and Exercise Nutrition. (1) A. Prerequisite: ATR 100, PHE 212, and PHE 180. This course will provide an understanding of the theoretical principles and application underlying the use and effectiveness of proper nutritional guidelines to influence the performance and well being of competitive and recreational athletes.

ATR 225 Applied Anatomy for Healthcare Providers (3) A. Prerequisite: BIO 171 with a grade of “C” or better. Corequisite: ATR 225L. Students repeating ATR 225 must also enroll in 225L, and the most recent grade in these two corequisites will be applied toward student’s GPA. Provide students with the opportunity to identify, explore and compare human musculoskeletal, nerve, and vascular body structures. This course will focus on anatomy function and assessment from the healthcare perspective. 3 Lec.

ATR 225L Applied Anatomy for Healthcare Providers Lab (1) A. Corequisite: ATR 225. Students repeating ATR 225L must also enroll in 225L and the most recent grade in these two corequisites will be applied toward student’s GPA. Provide students with hands on opportunity to locate, explore and compare
human body structures through palpation. This course will focus on musculoskeletal, nerve and vascular structures for professional healthcare providers. 2 Lab.

ATR 301 Practicum III. (3) I. Prerequisite: ATR 202. This third practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are designed to introduce the learner to specific educational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 15 hours and a maximum of 30 hours per week as assigned by their preceptor.

ATR 302 Practicum IV. (3) II. Prerequisite: ATR 301. This fourth practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are designed to introduce the learner to specific educational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 15 hours and a maximum of 30 hours per week as assigned by their preceptor.

ATR 311 Therapeutic Modalities. (4) I. Prerequisite: ATR 211. Study and practice related to physical effects, indications, and contraindications of therapeutic modalities. 3 Lec/2 Lab.

ATR 312 Therapeutic Exercise. (4) II. Prerequisite: ATR 311. Study and development of therapeutic exercise programs. Emphasis on understanding the influence of the pathological status of a tissue on its response to various types of activity. 3 Lec/2 Lab.

ATR 322 Therapeutic Interventions. (3) II. Prerequisite: ATR 311. Study of the therapeutic use of therapeutic modalities, including pharmacology, pharmacodynamics, and routes of administration, in addition to the legal, moral and ethical implications of drug administration by the athletic trainer. Further study will include the principles of psychosocial intervention with respect to injury and rehabilitation.

ATR 330 Foundations of Orthopedic Evaluation. (3) I. Prerequisite: ATR 225, 225L, and PHE 212, each with a grade of “C” or better. Students will learn how to properly evaluate common injuries of the lower and upper extremity and spine. Students will learn how to apply these techniques to various structures and pathologies across the entire human body. 3 Lec.

ATR 340 Foundations of Rehabilitation. (3) II. Prerequisite: ATR 330 with a minimum grade of “C” Corequisite: ATR 340L. Students repeating ATR 340 must also enroll in ATR 340L and the most recent grade in these two corequisites will be applied toward student’s GPA. Study and development of therapeutic exercise program design. Emphasis on understanding the interaction between healing, exercise selection and the return to function. 2 Lec.

ATR 340L Foundations of Rehabilitation Lab. (1) A. Corequisite: ATR 340. Students repeating ATR 340L must also enroll in ATR 340 and the most recent grade in these two corequisites will be applied toward student’s GPA. Application of rehabilitation techniques to further understand the interaction between healing, exercise selection and the return to function. 2 Lab.

ATR 398 Pre-Season Practicum in Athletic Training. (3). A. Prerequisites: ATR 202, Pre-season clinical experience in athletic training, requires students to complete a minimum of 30 hours and a maximum of 60 hours per week as assigned. Pre-season athletic camps at EKU affiliated clinical site from August 1 Summer until Day before Fall Semester classes start. Credit will not be awarded for both ATR 398 and PHE 398.

ATR 399 Pre-Season Practicum in Athletic Training. (3). A. Prerequisite: ATR 302. This fifth practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are designed to introduce the learner to specific educational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. Includes a minimum of 15 service-learning hours. This practicum requires students to complete a minimum of 15 hours and a maximum of 35 hours per week as assigned by their preceptor.

ATR 401 Practicum V. (3) II. Prerequisite: ATR 401. This sixth practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are designed to introduce the learner to specific educational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 10 and a maximum of 30 hours per week as assigned by their preceptor, at each of their three four week clinical rotations with physicians, physician assistants or NPs, physical therapist and athletic training settings. ATR 411 General Medical. (3) I. Prerequisite: ATR 322. Study of general medical conditions and disabilities.

ATR 412 Organization and Administration. (3) I. Prerequisite or Corequisite: ATR 412. Study of concepts of health care organization and administration relative to athletic training. The course will include such topics as legal liability, fiscal management, facilities operation, personnel supervision, public relations, and organizational structures.

ATR 421 Senior Seminar. (2). I. Prerequisites: ATR 411 and ATR 412. Integration and application of athletic training clinical skills and knowledge through research and presentation of clinical questions and case studies in athletic training.

A TR 430 Foundations of Clinical Practice. (3). A. Prerequisite: ATR 340 and 340L each with a grade of “C” or better. Students will receive an introduction to the clinical environment including professional behavior and/or physical therapy through didactic education, basic skill performance, and clinical observation, preparing them for future clinical practice.

AVN—Aviation

Mr. Dennis Sinnett, Coordinator of Aviation

AVN 150 Introduction to Aviation. (3). A. An introductory course designed for students to obtain a broad understanding of the aviation world including varying aspects of space exploration. Includes a study of aviation history and the general aviation environment.

AVN 161 Private Pilot-Airplane: Ground (Part 61) (4). A. Prerequisite: Math ACT of 22 or higher, or math placement score equivalent to MAT 105 or higher, or MAT 105 or above with a grade of “C” or better. Provides aeronautical knowledge to prepare student pilots to successfully complete FAA Private Pilot-Airplane written examination. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 161A Private Pilot-Airplane (Part 61): Flight I. (1) A. Prerequisite or Corequisite: AVN 161 and overall 2.0 GPA. Students receive 20 dual and/or initial solo flight instruction hours as part of the FAA private pilot SEL certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 161B Private Pilot-Airplane (Part 61): Flight II. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students receive 24 flight hours leading to the FAA instrument pilot certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 162A Private Pilot-Airplane (Part 61): Flight II. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students receive 24 flight hours leading to the FAA private pilot SEL certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 170 Introduction to Unmanned Aircraft Systems (3). A. This course provides an introduction to Unmanned Aircraft Systems (UAS). A history of UAS, typical applications and an overview of regulations, airspace and power and system design, human factors, control stations, airspace, weather, and other foundational skills needed to safely operate UAS in the U.S. airspace systems will be covered.

AVN 192 Private Pilot-SEL: Ground. (4) A. Provides aeronautical knowledge to prepare student pilots to successfully complete FAA Private Pilot written examination. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 192A Private Pilot-SEL: Flight I. (1) A. Prerequisite or Corequisite: AVN 192 with “C” or better and overall 2.0 GPA. Students receive 20 solo and/or dual flight hour instruction as part of the private pilot SEL certification using FAAP Approved Part 141 flight training syllabus (Lab). See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 193A Private Pilot-SEL: Flight II. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students receive 25 flight hours leading to the FAA private pilot SEL certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 220 Instrument Pilot: Ground. (4) A. Prerequisite: AVN 161A or AVN 192A, and overall 2.0 GPA. Provides aeronautical knowledge necessary to prepare student pilots to successfully complete the FAA Instrument Pilot written examination.

AVN 221A Instrument Pilot: Flight I. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs.). Students receive 13 flight and 10 simulator hours leading to the FAA instrument pilot certification using FAA-approved Part 141 Flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 222A Instrument Pilot: Flight II. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students receive 24 flight hours leading to the FAA instrument pilot certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

AVN 222B Instrument Pilot: Flight II. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students receive 25 dual MEL flight hours, 10 simulation and 5 ground hours leading to the FAA instrument pilot certification using FAA-approved Part 141 flight training syllabus.

AVN 232A Instrument Pilot-MEL: Flight I. (1) A. Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students receive 25 dual MEL flight hours, 10 simulation and 5 ground hours leading to the FAA instrument pilot certification using FAA-approved Part 141 flight training syllabus.

AVN 300 Commercial Pilot: Ground. (2) A. Prerequisites: AVN 222A. Provides aeronautical knowledge to prepare student pilots to successfully complete FAA Commercial Pilot certification.

AVN 300A Commercial Pilot: Flight. (1) A. Prerequisites: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). The course consists of all or part of the dual and solo flight hours required for FAA commercial pilot certification.

AVN 301A Commercial Pilot-SEL: Flight I.
A VN 303A Commercial Pilot-SEL: Flight III. (1) Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students will fly an additional 25 dual and/or solo flight hours as part of the FAA commercial pilot SEL certification using FAA-approved Part 141 flight training syllabus.

A VN 304A Commercial Pilot-SEL: Flight IV. (1) Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students will fly the remaining 39 dual and/or solo flight hours as part of the curriculum leading to the FAA commercial pilot SEL certification using FAA-approved Part 141 flight training syllabus.

A VN 305A Multi-Engine: Flight. (1) Prerequisite: AVN 304A. Students will complete the multi-engine flight training required to earn the FAA Multicopter airman certificate (MEL pilot certificate).

A VN 310A Flight Training Techniques I. (1) Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Flight training to prepare students for FAA examinations.

A VN 315 Aviation Safety Programs. (3) I, II. A Prerequisite: AVN 150. A presentation of factors, procedures, and aircraft accident investigation case studies relating to aviation safety, including risk management assessment, hazard identification analysis, safety program development, Safety Management Systems (SMS) by Federal Aviation Administration, and evaluation of emergency response centers.

A VN 320 Flight Training Analysis II. (2) A Prerequisite: appropriate flight credentials. A study of aeronautical information and instructional background necessary for becoming instrument flight instructors. Included in the course is teaching methodology, instrument interpretations, and instrument flight procedures.

A VN 320A Flight Training Techniques II. (1) Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Flight training to prepare students for FAA examinations.

A VN 325 Aircraft Systems. (3) I, II. A study of electrical, mechanical and hydraulic systems, design and performance standards, capabilities and limitations, and conformance to FAA specifications.

A VN 329W Aviation Human Factors (3). A study of factors that affect and influence behavior, with application to aviation safety and its connection to all disciplines within the aviation industry.

A VN 331A Commercial Pilot-MEL: Flight I. (1) Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students receive initial 17 dual flight hours and 5 ground instruction hours as part of the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

A VN 332A Commercial Pilot-MEL: Flight II. (1) Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students continue with 20 dual flight hours and 5 ground instruction hours leading to the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

A VN 333A Commercial Pilot-MEL: Flight III. (1) Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students continue with 25 dual flight hours and 5 ground instruction hours as part of the curriculum leading to the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

A VN 334A Commercial Pilot—MEL: Flight IV. (1) Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Students continue with 25 dual flight hours, 10 simulation hours and 10 hours of ground instruction as part of the curriculum leading to the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus.

A VN 335 Weather Reporting/Analysis. (3) I, II. A comprehensive analysis of weather conditions and patterns as they apply to flight.

A VN 340 Airport Management I: Operations and Security. (3) I, II. An in-depth overview of airport operational issues, unmanned systems integration, air traffic control issues, safety, security, and planning.

A VN 341 Airport Management II: Planning and Administration. (3) I, II. Emphasis on proper market analysis, financial matters, the company plan, aircraft and equipment evaluation, maintenance, flight operations, administration and fiscal considerations.

A VN 349 Applied Learning in Aviation. (5-8) A Prerequisite: AVN 301A and 310A. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours work required for each academic credit.

A VN 349 A-N Cooperative Study: Aviation. (5-8) A Prerequisite: coordinator approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours work required for each academic credit.

A VN 350 Air Transportation. (3) A survey of the historical development of the air transportation system covering facilities, impact of regulations, problems encountered, and future developments.

A VN 360 General Aviation Management. (3) I, II. Designed to provide students with an understanding of an airport Fixed Base Operator’s role and also of Aviation Service Businesses in the aviation industry, to include managerial and operational problems.

A VN 370 Aviation Supervision and Leadership. (3) I, II. A study of effective supervisory and leadership skills and their application to practical situations in the aviation industry.

A VN 390 Aviation Decision Making. (3) A study of decision theory and its application to aviation decision-making and problem solving.

A VN 400 Multi-Engine Pilot: Ground. (1) Prerequisite: appropriate flight credentials. The course is designed to provide appropriate knowledge about multi-engine aircraft to facilitate successful completion of the multi-engine flight component.

A VN 400A Multi-Engine Pilot: Flight (1) A Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress) as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). A one hour laboratory course consisting of the dual flight hours required for FAA certification.

A VN 401 Airline Management. (3) A Prerequisite: AVN 350 with a “C” or better. Acquaint student with the development, administrative and operational factors peculiar to FAR Part 121 Airline Operations. Emphasis is placed on proper market analysis, financial matters, the company plan, aircraft selection, aircraft acquisition, route structure, timetable and pertinent regulatory requirements.

A VN 402 Corporate and Business Aviation. (3) A study of the operation of a corporate flight department. Course includes the value of management mobility, aircraft and equipment evaluation, maintenance, flight operations, administration and fiscal considerations.

A VN 410 Air Traffic Control. (3) A Prerequisite: AVN 301A. A study of the national air traffic control system with emphasis on basic air traffic control procedures; the role of centers, approach control, towers, and flight service centers; communications; navigation procedures, radar operations, facilities.

A VN 415 Instructor Pilot-SEL: Ground. (3) A Prerequisite: AVN 192, AVN 220, and AVN 300 with a “C” grade or better and overall 2.0 GPA. Prepares student pilots for the FAA Certified Flight Instructor (CFI) & Fundamentals of Instruction (FOI) written examination. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

A VN 415A Instructor Pilot-SEL: Flight. (1) A Prerequisite: AVN 304A with “C” grade or corequisite: AVN 415 with “C” or higher, and overall 2.0 GPA. Student receives 15 dual flight hours, 5 flight simulation hours and 20 ground hours leading to the FAA instructor pilot (SEL) certification using FAA-approved flight training syllabus.

A VN 416A Instructor and Commercial Pilot—SEL: Flight. (1) Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Flight training for FAA CFI Multi-Engine flight test.

A VN 421 Instrument and Multi-Engine IP: Ground. (2) A Prerequisite: AVN 415 with “C” grade or better and overall 2.0 GPA or an Instructor Pilot-SEL rating. Provides study of aeronautical information for becoming instrument and multi-engine flight instructor, and preparation for FAA Instrument Instructor written. See http://aviation.eku.edu/aviation-flight-fees for estimated flight hours and related course and flight fees.

A VN 421A Instrument Instructor-SEL: Flight. (1) A Prerequisite: Dept. approval (i.e. students must make satisfactory flight progress, as determined by the Aviation Coordinator, before being allowed to register into subsequent AVN flight labs). Flight preparation for FAA CFI Multi-Engine flight test.
Section Seven - Course Descriptions

and the Electronic Media, (5-8) A. Prerequisites: BEM 295 and junior standing. "B" average in all courses within the department, and departmental approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen baccalaureate. A minimum of 80 hours work required for each academic credit. One hour may be used to satisfy major requirements within the department.

BEM 349 A-N Cooperative Study

Broadcasting and the Electronic Media, (5-8) A. Prerequisites: BEM 295 and junior standing. "B" average in all courses within the department, and departmental approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen baccalaureate. A minimum of 80 hours work required for each academic credit. One hour may be used to satisfy major requirements within the department.

BEM 350 Cinema History I, (3) A.

Prerequisite: ENG 102 or ENG 105(B) or HON 102. Historical survey of cinema from its origins to 1939. Examines developments in directing, acting, editing, and other areas of cinema as an art form. Feature and short films viewed. Gen. Ed. E-3A [AH]. 2 Lab 2 Credits.

BEM 351 Cinema History II, (3) A.

Prerequisite: ENG 102 or ENG 105(B) or HON 102. Historical survey from 1939 to present. Includes developments in film noir, classic films, documentary, and other areas of cinema. Feature and short films viewed. Gen. Ed. E-3A [AH]. 2 Lab Credits.

BEM 352 Film Techniques & Technology, (3) I. Prerequisite and/or Corequisite: BEM 350 or 351. Study of various techniques employed in traditional/electronic film production. Emphasis on the study of social, economic, technological and political factors and their effects on the development of cinematic techniques.

BEM 353W The Art and Craft of Screenwriting, (3) A. Prerequisite: ENG 101 or 101R and 102 (or 105) or HON 102. Conceiving, structuring, writing and marketing the contemporary American screenplay. Requires developing and writing original screenplays for marketing in the contemporary film environment. Credit will not be awarded for both BEM 353W and 353.

BEM 356 Advanced Audio Techniques, (4) II. Prerequisite: BEM 295. An examination of advanced lighting techniques for film and television production. Stresses the technical considerations and aesthetics of lighting through analytical and hands-on applications of techniques covered in classes. Successful completion of a successful film and film/television cinematography. 3 Lab 1 Credit.

BEM 370 Electronic Cinema Production, (4) II. Prerequisites: BEM 295(C) and 352(C). Principles and procedures behind single-camera dramatic productions recorded and edited on videotape. Requires group and individual portfolio projects involving a critical and artistic understanding of sound-image relationships. Includes multi camera production, directing and producing. 3 Lab Credits.

BEM 373 Electronic Cinema Practicum, (1-3) I. II. Prerequisite: BEM 370. Supervised practical experience in film making, editing, and other aspects of film-style production. May be retaken to a maximum of three hours. One hour may be counted toward the major.

BEM 395 Video Production II, (4) I, II.

Prerequisite: BEM 295. Training in and mastery of advanced production and post production processes. Requires group and individual portfolio projects involving a critical and artistic understanding of sound-image relationships. Includes multi camera production, directing and producing. 3 Lab Credits.

BEM 396 Motion Graphics, (3) I, II.

Prerequisite: BEM 395. Advanced industry standard motion graphics software used for post-production design and editing. The course examines visual effects and multimedia, covering techniques needed to improve students' command of motion graphics in video production.
Section Seven - Course Descriptions

BEM 398 Electronic Video Practicum. (1-3) I, II. Prerequisite: BEM 295. Supervised practical experience on the staff of a television station or similar video facility. May be taken to a maximum of three hours. One hour may be counted toward the major.

BEM 400 Studies in Electronic Media (1-4)
A. Prerequisite: departmental approval. Study of specific areas of media. Course examining timely or topical concerns in the field. Specific topic included in schedule. May be retaken to a maximum of nine hours.

BEM 401 Multimedia Production. (3) Prerequisites: BEM 295 and 301. Students will apply their cumulative skills to design and produce semester-long, individual or team multimedia projects that will engage news consumers in carefully assembled amalgamation of text, audio, video, photos, interactive graphics, and more.

BEM 402 Advanced Broadcast News. (3) A. Prerequisite: BEM 401. Advanced study in broadcast journalism. Planning, gathering, writing, editing and producing news for television; critical evaluation of broadcast news techniques; individual and team projects.

BEM 405 Media Law. (3) A. Formerly COM 405. Prerequisite: BEM 200 or 200W or COM 200 or 200W or department approval. Examination of First Amendment issues, expression philosophies that impact multimedia platforms, including access to information and public spaces, copyright, fair use, libel, slander, privacy, free press/fair trial, obscenity, and commercial speech regulation. Credit will not be awarded for both BEM 405 and 406.

BEM 412 Multimedia Web Development. (3) I, II. Formerly JOU 412. Prerequisite: PUB 328(C) or JOU 320(C) or BEM 320(C). An introduction to web site design, HTML and CSS. Subjects covered include organizing web content, web hosting, the languages of HTML and CSS, digital image preparation and deployment, browser development tools, JavaScript libraries (jQuery), and best practices for coding and deploying a site. Credit will not be awarded to students who have credit for JOU 412 or PUB 412.

BEM 415 Media Ethics. (3) A. Formerly COM 415. Prerequisite: BEM 200 or 200W or COM 200 or 200W. Examination of ethical standards and practices of the mass media. Includes development of ethical decision-making skills. Credit will not be awarded for both BEM 415 and COM 415.

BEM 425 Electronic Media Operations. (3) Prerequisite: BEM 200 or 200W or COM 200 or 200W. Study of the issues that impact managing, programming and operating a media enterprise, including federal regulations.

BEM 445 Broadcast and Cable Promotion. (3) I, II. Formerly COM 445. Prerequisite: BEM 200 or 200W. Study of broadcast and/or cable promotion in the areas of writing, production, marketing, and public relations. Includes exercises in promotions. Credit will not be awarded for both BEM 445 and COM 445.

BEM 453 Advanced Screenwriting. (3, L.I.) Prerequisites: BEM 353W or departmental approval. Writing and marketing the screenplay for television and film. Emphasis is placed on structure and composing the screenplay for advanced writers. Open to all majors.

BEM 460 Advanced Film Genre: ____. (3) I, II. Detailed study of the types of motion pictures. Requires independent research, extended analysis, and critical evaluation of films. May be retaken to a maximum of six hours with different course content. 2 Lec/2 Lab.

BEM 471 Media Sales. (3) A. Previously COM 471. Prerequisite ENG 102 or 102R or 105(B) or HON 102. Problems and practices of both print and electronic media sales, including case studies in both print and broadcast sales development (local, regional, and national), pricing, production, promotion, and basic sales campaigns. Credit will not be awarded to students who have credit for COM 471.

BEM 491 Senior Seminar. (2) I, II. Prerequisites: completion of 90 hours with at least one hour from BEM 349 or 343 or 398. Evaluates students’ progress toward a career in mass communications, especially the development of an electronic portfolio, and develops job search strategies and skills. Includes assessment of instruction and curriculum.

BEM 495 Video Production III. (4) I, II. Prerequisite: BEM 395 or 370. Advanced study of video production and direction, combining studio and field work. Includes writing program proposals, scripts, and shooting schedules. Programs produced outside normal class hours. 3 Lec/3 Lab.

BEM 499 Independent Study in Electronic Media. (1-4) A. Prerequisite: Student must consult with the faculty supervisor and have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of four hours.

BIO—Biology

Dr. Malcolm Frisbie, Chair

BIO 100 Introductory Biology. (3) I, II. Prerequisite: Completion of all academic readiness requirements. The course will deal with introductory principles of biology that are fundamental to an individual’s knowledge as it pertains to the interrelationships of organisms in the natural world. Topics to be examined include life, metabolism, genetics, biological diversity, reproduction, evolution, ecology, and environmental biology. May not be used to satisfy area, major, or minor requirements. Credit will not be awarded to students who have credit for BIO 101 or 102. 2 Lec/2 Lab. Gen. Ed. E-4 [NS].

BIO 101 Essentials of Biology. (3) I, II. ONLINE ONLY. Prerequisite: Completion of all academic readiness requirements. Biological principles and applications of life, including adaptation, the molecular to ecosphere scale; current topics in genetics, evolution, ecology, plant and animal diversity, and human biology will be discussed. May not be used to satisfy area, major, or minor requirements. Credit will not be awarded to students who have credit for BIO 100 or 102. 2 Lec/2 Lab. Gen. Ed. E-4 [NS].

BIO 102 Inquiry Biology for Teachers. (3) I, II. Prerequisites: completion of all academic readiness requirements; pre-teaching or teaching elementary and middle school education majors only, or departmental approval. An inquiry-based, conceptual approach biological sciences course for teaching majors. Topics include the nature of science, cell biology, biodiversity, inheritance, ecology and ecosystems, evolution and adaptation. May not be used to satisfy area, major, or minor requirements. Credit will not be awarded to students who have credit for BIO 100 or 101.

BIO 111 Cell and Molecular Biology. (4) I, II. Prerequisite: BEM 200 or 200W or COM 200 or 200W. Prerequisites: BIO 111 (B or better) and CHE 112 (B or better). Morphology, classification, life histories, ecology, genetic mapping, and population genetics. Emphasis on critical thinking skills and logic through experimental analysis. Laboratory will include experimental manipulation of prokaryotic and eukaryotic organisms. 3 Lec/3 Lab.

BIO 112 Ecology. (4, I, II. Prerequisite: BIO 111 (grade of C or better) and 112 (grade of C or better). Basic concepts and principles as applied to the study of organisms or groups of organisms in their interactions to each other and to their environments. 2 Lec/4 Lab.

BIO 315 Genetics. (4, I, II. Prerequisite: BIO 111 (grade of C or better) and 112 (grade of C or better). Introduction to Mendelian genetics, molecular genetics, genetic mapping, and population genetics. Emphasis on critical thinking skills and logic through experimental analysis. Laboratory will include experimental manipulation of prokaryotic and eukaryotic organisms. 3 Lec/3 Lab.

BIO 316 Ecology. (4, I, II. Prerequisite: BIO 111 (grade of C or better) and 112 (grade of C or better). Basic concepts and principles as applied to the study of organisms or groups of organisms in their interactions to each other and to their environments. 2 Lec/4 Lab.

BIO 318 General Botany. (4) I, II. Prerequisites: BIO 111 (grade of C or better) and 112 (grade of C or better). Morphology, physiology, comparative anatomy, development, life history, evolution, and diversity of animals. 3 Lec/3 Lab. Credit will not be awarded to students who have credit for BIO 131.

BIO 319 General Zoology. (4) I, II. Prerequisites: BIO 111 (grade of C or better) and 112 (grade of C or better). Morphology, physiology, comparative anatomy, development, life history, evolution, and diversity of animals. 3 Lec/3 Lab. Credit will not be awarded to students who have credit for BIO 141.

BIO 320 Principles of Microbiology. (4, I, II. Prerequisites: BIO 111 (grade of C or better), BIO 112 (grade of C or better) and CHE 112 (grade of C or better); or Environmental Health Science major with BIO 111 (C) and CHE 112(C). A study of bacteria and other microorganisms, their morphology, development and function; techniques of isolation, cultivation and identification; physiology, nutrition, and genetics; role of microbes in medicine, agriculture, and industry. 2 Lec/4 Lab.

BIO 331 Cell Biology. (3) I, II. Prerequisites: BIO 111 (B or better) and CHE 112 (B or better) or departmental approval. An examination of cellular structure and function. Emphasis will be placed on macromolecule biosynthesis, gene expression, membrane dynamics, cytoskeletal function, intracellular signaling cascades, protein trafficking, and intercellular
interactions. Molecular research methods and their applications will also be discussed.

BIO 330 Careers in Biomedical Sciences (1)
I, A. Prerequisites: BIO 111 (C or better), and CHE 112 (C or better). Students will explore the diverse range of career options within the biomedical sciences and develop materials and skills for successful admission into graduate programs. This course requires 50 hours of experiential learning through an internship/shadowing experience. 1 Lec.

BIO 335 Plant Systematics, (3) II.
Prerequisite: BIO 111 (grade of C or better) or BIO 112 (grade of C or better), CHE 112 (grade of C or better), and 318 (grade of C or better); or departmental approval. Identification, classification and phylogeny of vascular plants; principles of taxonomy. 1 Lec/4 Lab.

BIO 342 Comparative Vertebrate Anatomy, (4)
I. Prerequisites: BIO 112 (grade of C or better) and 319 (grade of C or better); or departmental approval. Evolutionary relationships of the classes of vertebrates are investigated through their anatomy. Laboratory studies of organs and systems of vertebrate animals primarily compare the dogfish shark, the mudpuppy (Necturus), and the cat. 2 Lec/4 Lab.

BIO 348 Vertebrate Physiology, (3) I, II.
Prerequisites: BIO 111 (grade of C or better) or BIO 112 (grade of C or better), CHE 112 (C or better) and admission to the teacher education program; or departmental approval. Command of human physiology through an integrated study of the physical, chemical, and cellular aspects of physiological principles that are fundamental to vertebrates. Group work and critical thinking will be stressed using human case studies and computer simulations. 3 Lec.

BIO 349 Applied Learning in Biology, (5-8)
A. Prerequisites: BIO 111 (C or better) or BIO 112 (C or better). Work in placements related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours of employment required for each semester hour of academic credit. Three hours may be applied to the major. May not be used to satisfy minor requirements.

BIO 354 Comparative Vertebrate Anatomy, (4)
I. Prerequisites: BIO 111 (grade of C or better) or BIO 112 (grade of C or better). Work in placements related to academic studies. An overview of food-borne illness and food safety, the role of microbes in food production and the relationships between diet and the human microbiome. 1 Lec/2 Lab.

BIO 373W Microbes and Food, (3) A.
Prerequisites: ENG 102 or 102R or 105B, or HON 102, and BIO 111 (grade of C or better); or departmental approval. An overview of food-borne illness and food safety, the role of microbes in food production and the relationships between diet and the human microbiome. 2 Lec.

BIO 379W Microbes and Food, (3) A.
Prerequisites: ENG 102 or 102R or 105B, or HON 102, and BIO 111 (grade of C or better); or departmental approval. An overview of food-borne illness and food safety, the role of microbes in food production and the relationships between diet and the human microbiome. 2 Lec.

BIO 400 Biology Seminar, (1) I, II.
Prerequisites: junior or senior standing in biology. Students and members of the faculty meet to present, discuss, and evaluate projects and programs. The course requires 50 hours of experiential learning through an internship/shadowing experience. 1 Lec.

BIO 450 Evolutionary Application and Theory, (1) I, II.
Prerequisite: Senior standing in Biological Sciences, or Wildlife Management. Discussion of topics relating to evolutionary theory with special emphasis on the impact of evolution in everyday life. This is a course that builds upon evolutionary concepts learned throughout the biology curriculum. 2 Lab.

BIO 505 Environmental Issues, (3) II.
Prerequisite: Senior Standing; BIO 101 (grade of C or better), 102 (grade of C or better) or 112 (grade of C or better). Students will learn to identify, investigate and evaluate environmental issues as well as plan appropriate action based on their analysis. Credit will not be awarded to students who have credit for BIO 599/799 Special Topics: Invasive Species Management. 2 Lec/4 Lab.

BIO 514 Evolution, (3) I, II.
Prerequisites: BIO 112 (grade of C or better) and 315 (grade of C or better) or departmental approval. A study of Darwinism, the history of life, and the evidence and mechanisms of evolutionary change, with particular emphasis on human evolution and the challenges of teaching and understanding evolution in modern society. 2 Lec/4 Lab.

BIO 520 Invasive Species Management, (3)
A. Prerequisite: Senior standing; BIO 316 (grade of C or better) or departmental approval. Examination of the circumstances that allow introduced species to become invasive. Reviews the current approaches used to reduce the incidence and impact of invasive species. Credit will not be awarded to students who have credit for BIO 599/799 Special Topics: Invasive Species Management. 2 Lec/4 Lab.

BIO 521 Plant Ecology, (4) I, II.
Prerequisites: BIO 316 (grade of C or better); or BIO 318 (grade of C or better), or BIO 335 (grade of C or better) or departmental approval. Ecological concepts and principles relevant to eastern terrestrial ecosystems. Required Fall Break field trip. 2 Lec/4 Lab.

BIO 525 Applied Learning in Biology, (3)
A. Prerequisites: BIO 111 (grade of C or better), 112 (grade of C or better), and 318 (grade of C or better); or departmental approval. Collection, systematics, distribution, behavior, ecology, and reproduction of aquatic and vascular plants. 1 Lec/4 Lab.

BIO 527 Immunology, (3) A.
Prerequisites: BIO 320 (grade of C or better) and CHE 361 (grade of C or better); or departmental approval. Characteristics of immune reactions at the molecular level and in vivo. Nature and interactions of antibodies and antigens, and allergic phenomena. 2 Lec/3 Lab.

BIO 528 Virology, (3) A.
Prerequisites: BIO 320 (grade of C or better); or departmental approval. Fundamental concepts of virology, virus-host interactions and their applications to medicine and industry. Viral related areas of immunology, cell culture procedures, and applications will be introduced. 2 Lec/4 Lab.

BIO 529 Microbiology in Everyday Life, (3) I, II.
Prerequisite: BIO 100 (grade of C or better), 102 (grade of C or better), or 111 (grade of C or better), or 112 (grade of C or better) or departmental approval. Microbes in medicine and industry, emphasis on teaching microbiology in the classroom. Course open only to Biology-Teaching or Education majors.

BIO 531 Principles of Molecular Biology, (4)
A. Prerequisites: BIO 320 (grade of C or better) or 331 (grade of C or better), and CHE 361 (grade of C or better); or departmental approval. An in-depth study of the structure, function, and technological applications of nucleic acids and proteins. Laboratory experiences will involve manipulation of DNA and RNA molecules for the purpose of isolation, genetic engineering, forensics, and gene expression analysis. Credit will not be awarded for both BIO 531S and 531S. 2 Lec/4 Lab.

BIO 532 Principles of Molecular Biology, (4)
A. Prerequisites: BIO 320 (grade of C or better) or 331 (grade of C or better), and CHE 361 (grade of C or better); or departmental approval. An in-depth study of the structure, function, and technological applications of nucleic acids and proteins. Laboratory experiences will involve manipulation of DNA and RNA molecules for the purpose of isolation, genetic engineering, forensics, and gene expression analysis. Credit will not be awarded for both BIO 531S and 531S. 2 Lec/4 Lab.

BIO 534 Evolutionary Application and Theory, (1) I, II.
Prerequisite: Senior standing in Biological Sciences, or Wildlife Management. Discussion of topics relating to evolutionary theory with special emphasis on the impact of evolution in everyday life. This is a course that builds upon evolutionary concepts learned throughout the biology curriculum. 2 Lab.

BIO 535 Pathogenic Microbiology, (4)
A. Prerequisite: BIO 320 (grade of C or better) or departmental approval. Studies in the field of advanced clinical microbiology with emphasis on morphology, cultivation, biochemistry, and serological identification of bacterial diseases; aspects of pathogenesis, epidemiology, and control measures of bacterial and mycotic diseases. 2 Lec/4 Lab.

BIO 536 Dendrology, (3) I.
Prerequisite: BIO 111 (grade of C or better), 112 (grade of C or better), and 318 (grade of C or better) or departmental approval. Woody plant taxonomy with emphasis on field identification of trees and shrubs in summer and winter conditions; habitats and distributions; economic importance; forest regions of North America. 1 Lec/4 Lab.

BIO 542 Freshwater Invertebrates, (3)
A. Prerequisite: BIO 112 (grade of C or better) and 319 (grade of C or better) or departmental approval. Examination of the diversity and natural resource planning applications. 2 Lec/4 Lab.

BIO 546 Histology, (4) II.
Prerequisites: BIO 331 (grade of C or better) and 348 (grade of C or better); or departmental approval. This course will provide students with an essential understanding of functional morphology in vertebrate tissues and organs. Pathology examples will be used to explain the cellular and molecular basis of normal function related to structure. 2 Lec/4 Lab.

BIO 547 Comparative Vertebrate Embryology, (4) I.
Prerequisite: BIO 331 (B or better); or departmental approval. Gametogenesis, fertilization, morphogenesis, and organogenesis of the frog, bird, and mammal. Particular emphasis is placed on mammalian development. 2 Lec/4 Lab.

BIO 549 Neurobiology, (3) A.
Prerequisites: BIO 331C (B or better). A discussion of the cellular architecture of the nervous system, with emphasis on the biochemical and electrophysiological properties of neurons and glia that control cognition, learning and memory, emotion, sensation and perception, endocrine regulation, and neurological illness. An overview of molecular research methods used to investigate neural function. 2 Lec.

BIO 550 Animal Behavior, (4) A.
Prerequisites: BIO 111 (grade of C or better) and 112 (grade of C or better); or departmental approval. Advanced study of behavior with emphasis on inherited behavioral patterns in relation to the evolution and ecology of animals. 3 Lec/2 Lab.

BIO 552 Hormones and Behavior, (3) A.
Prerequisites: BIO 111 (grade of C or better) and 112 (grade of C or better); or departmental approval. Provide an understanding of modern-day issues in endocrinology by examining the effects of hormones on behavior within all taxa.

BIO 553 Mammalogy, (3) A.
Prerequisites: BIO 111 (grade of C or better) and 112 (grade of C or better); or departmental approval. An exploration of the diversity and natural history, field methods, and distribution of mammals. 1 Lec/4 Lab. Requires participation in an extended field trip outside of normal class hours.

BIO 554 Ornithology, (3) A.
Prerequisite:
BTO—Business and Technology Orientation
Dr. Tom Erickson, Dean

BTO 100 Student Success Seminar. (1) I, II.
Designed to orient the student to university academic life and afford background for career choice and preparation. Included are University regulations and calendar, catalog details, registration, campus opportunities, and program requirements. Open to all students during their first two semesters of enrollment at EKU; beyond that open to students with fewer than 30 semester hours earned. (1 Lec/1 Lab for School of Business Majors Only.)

BTS—Business and Technology Seminar
Dr. Tom Erickson, Dean

BTS 300 Professional Skills Seminar. (0) I, II.
Required of all Business and Technology students who have earned at least 60 hours. Credit (CR) will be given when students have attended the annual College of Business and Technology’s Student Success: College to Careers Conference.

CAS—Letters, Arts, & Social Sciences
Dr. Sara Zeigler, Dean

CAS 349 Applied Learning. (5-8) A.
Prerequisite: 2.0 GPA and college approval. Work under field supervisors in placement related to academic studies. Minimum 80 hours work for each credit hour. Repeatable up to 16 credit hours.

CCT 520 Corporate Training. (3) A.
Prerequisite: 90 credit hours completed. Course applies theories of learning and instructional development to office systems education and skills training. Topics include instructional design; strategy; technology; and the implementation, evaluation, and management of training in an organizational environment.

CCT 550 Integrated Corporate Communication. (3) A.
Prerequisite: senior or graduate standing. Examines effective integrated communication skills to achieve organizational objectives. Emphasizes analysis and application of communication process and strategies for managerial decision-making. Examines change process, corporate culture, and negotiation issues. Provides corporate training component.

CCT 570 Web Design for Offices. (3) A.
Prerequisites: CCT 250 or CIS 105 (with a minimum grade of “C” in each prerequisite course). Advanced development of business document design techniques with an emphasis on web design and multi-media resources. Geared for education, small offices or businesses, personal use, and not-for-profit organizations.

CDF—Child and Family Studies
Dr. Dana Bush, Chair

CDF 132 Introduction to the Family. (3) I, II.
Prerequisites: minimum GPA of 2.25 and 30 hours for associate degree, 60 hours for baccalaureate degree. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each 3 credit hour. Three hours required in Office Systems Technology. Three hours may be used as an upper division business elective in the undergraduate program. May be repeated up to 8 credit hours for the associate degree and 16 credit hours for undergraduate program.

CDF 133 Philosophical & Historical Foundations of the EC Profession. (3-8) A.
Prerequisites: minimum GPA of 2.25 and 30 hours for associate degree, 60 hours for baccalaureate degree. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each 3 credit hour. Three hours required in Office Systems Technology. Three hours may be used as an upper division business elective in the undergraduate program. May be repeated up to 8 credit hours for the associate degree and 16 credit hours for undergraduate program.

CCT 310 International Business Communication. (3) A.
Prerequisites: ENG 101 or 101R and 102 (or 105) (with a minimum grade of “C” in each prerequisite course). Characteristics of cultural differences that alter communication symbols and meanings for international business activity. Topics include culture profiles and conducting business, business protocol, international documents/U.S. documents, negotiation strategies, and oral presentations to international business audiences.

CCT 339 Applied Learning in Corporate Communication and Technology. (5-8) A.
Prerequisites: minimum GPA of 2.25 and 30 hours for associate degree, 60 hours for baccalaureate degree. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each 3 credit hour. Three hours required in Office Systems Technology. Three hours may be used as an upper division business elective in the undergraduate program. May be repeated up to 8 credit hours for the associate degree and 16 credit hours for undergraduate program.

CCT 349 A/N Cooperative Study: Corporate Communication and Technology. (5-8) A.
Prerequisites: minimum GPA of 2.25 and 30 hours for associate degree, 60 hours for baccalaureate degree. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each 3 credit hour. Three hours required in Office Systems Technology. Three hours may be used as an upper division business elective in the undergraduate program. May be repeated up to 8 credit hours for the associate degree and 16 credit hours for undergraduate program.

CCT 520 Corporate Training. (3) A.
Prerequisite: 90 credit hours completed. Course applies theories of learning and instructional development to office systems education and skills training. Topics include instructional design; strategy; technology; and the implementation, evaluation, and management of training in an organizational environment.

CCT 550 Integrated Corporate Communication. (3) A.
Prerequisite: senior or graduate standing. Examines effective integrated communication skills to achieve organizational objectives. Emphasizes analysis and application of communication process and strategies for managerial decision-making. Examines change process, corporate culture, and negotiation issues. Provides corporate training component.

CCT 570 Web Design for Offices. (3) A.
Prerequisites: CCT 250 or CIS 105 (with a minimum grade of “C” in each prerequisite course). Advanced development of business document design techniques with an emphasis on web design and multi-media resources. Geared for education, small offices or businesses, personal use, and not-for-profit organizations.

CDF—Child and Family Studies
Dr. Dana Bush, Chair

CDF 132 Introduction to the Family. (3) I, II.
Cross-listed as WGS 132. Ecological and systems approach applied to public and private family concepts; historical changes and current status; relationships among individuals, families, consumers, and communities; status of women, men, children and the elderly; public policy related to changes in the family. Credit will not be awarded for both CDF 132 and WGS 132.

CDF 203 Philosophical & Historical Foundations of the EC Profession. (3) A.
Corequisite CED 100. An orientation to the profession: Exploration of the qualities, expectations, & responsibilities of an EC professional. Relationships among early learning standards, history of the profession, interdisciplinary fields, professional organizations, & philosophical approaches. Background check College approved procedure must be ordered and paid for by the first day of class. Credit will not be awarded for both CDF 203 and
Section Seven - Course Descriptions

EDF 205.

CDF 210 Special Topics in Early Childhood Education. (1-3) A. Selected topics in child development and early childhood program planning. May be retaken to a maximum of six hours provided topics vary.

CDF 222 Identity and Sexuality, (3) I, II. Cross-listed as WGS 222. An exploration of the changing attitudes about and among men/women and their effect on choices and interpersonal relationships. Emphasis will be on promotion and maintenance of positive mental, physical, emotional, and sexual development, special education and will not be awarded to students who have credit for WGS 232. Gen. Ed. E-6 [GE].

CDF 235 Child Development: Conception-Eight Years, (3) I, II. Developmental characteristics and theory pertinent to children conception to age eight. Special emphasis on early childhood theoretical frameworks.

CDF 236 Interaction and Guidance, (3) I, II. Overview of guidance strategies in fostering children’s social, emotional, and moral development within group or individually. Adults’ role in various interactions (e.g. parent-child, teacher-child) and resources for working with families/parents (e.g. parent education workshop) will be explored.

CDF 310 Observation and Assessment in Early Childhood Education, (3) I, II. Prerequisite: CDF 235. Authentic assessment approaches through observation of children in natural environments. Intentional planning and implementation of Developmentally Appropriate Practice in EC settings. Special emphasis on linking assessment to the EC curriculum.

CDF 327S Family Involvement with Young Children, (3) I, II. Prerequisite: CDF 235 or department approval. Survey of learning experiences in various curriculum areas. Planning activities, including techniques and materials, to provide environment appropriate to the age and background of young children for the individual child based on age, ability, culture and ethnic background.

CDF 340 Program Planning for Preschool Children, (3) I, II. Emphasis on planning, and implementation, and evaluation of developmentally and culturally appropriate environments for preschool children. Emphasis on intentional teaching, curriculum/program assessment, laboratory and field experiences, and environmental adaptations for special needs.

CDF 342 Early Childhood Literacy, (3) I, II. Prerequisite: CDF 331. Early Childhood Literacy (3) I, II. Prerequisite: CDF 331. Special emphasis on early childhood literacy and language development. Topic will vary.

CDF 350 Parenting and Family Relationships, (3) I, II. Prerequisite: CDF 331 and WGS 331. The family as a socializing agent. Emphasis on social changes affecting family structure and social relations of the middle-aged and elderly.

CDF 353 Early Childhood Practicum, (3) A. Prerequisites: department approval, 2.5 institutional GPA, minimum grade of “C” in all courses with “CDF” prefix. Enrollment limited to students who have earned a Child Development Associate certificate with college credit. Teaching experience in early childhood programs emphasizing emergent curriculum, documentation, project work, and family involvement. Meetings for collaborative planning/assessment.

CDF 360 Early Childhood Literacy (3) I, II. Prerequisite: Introduction to Child Development. Prerequisite: CDF 235 or department approval. An exploration of the emergent language development of young children within the language-rich context of play. Emphasis on state and national language arts standards, 2nd language learners, literacy assessment, resources for literacy instruction. Course material presented in a totemical context.

CDF 363 Early Childhood Literacy (3) I, II. Prerequisite: Admission to Child Development. (3) I. Prerequisite: Admission to Child Development and CDS 310 or 320. Focus on sensitivity and respect, this course provides an overview of diversity in society, including race, gender, socioeconomic status, sexual orientation, religion, and other forms of diversity.

CDF 400 Family Dynamics in Adulthood, (3) I, II. Emphasis on social changes affecting life satisfaction, living arrangements, and family roles as members age. Emphasis on current research and models of family stress and resilience are studied.

CDF 406 Early Childhood Development and child-rearing, (3) I, II. Emphasis on early childhood development from conception to three years. Emphasis on family intervention, appropriate policies and practices for group care, assessment, disabilities, multicultural and gender issues, and caregiver professional growth.

CDF 544 Early Childhood Development and Program Planning, (3) A. Corequisite: CED 450. Theory pertinent to early childhood development and learning including constructivism, socially-mediated intelligence, multiple intelligences and creativity. Emphasis on emergent curriculum and teaching strategies reflecting social collaboration such as webbing, project work, and multimedia documentation.

CDF 550 Early Childhood Development, (3) I, II. Prerequisites: CDF 247 or 327 or 248 or 343 or 406 and 246 or 345 or 248, and 344 or 405 or department approval. Review of the theories influencing the definition of goals, philosophies and rationales for establishment of early childhood programs (0-5). Emphasis on program development and planning/preparation.

CDS 250 Phonetics, (3) I. Prerequisite: admission to CDS program. Study of the articulatory and movements used to produce standard English and defective sounds. Introduction of the International Phonetic Alphabet and practice in using it to transcribe both normal and defective speech.

CDS 273 Observation in Communication Disorders, (1-2) I. Prerequisite: admission to CDS program. Supervised clinical observation of therapy and/or diagnostic services for individuals with communication disorders. Instruction in report writing and observing in various settings. Students must complete 25 clock hours of observation by the end of this semester.

CDS 275 Introduction to Communication Disorders, (3) I. Introduction to the nature and causes of speech, language, and hearing disorders. An overview of
the field of communication disorders and sciences.

CDS 285 Anatomy and Physiology of Speech and Hearing Mechanisms. Prerequisite: admission to CDS program. Introduction to the anatomical and physiological bases of hearing, respiration, phonation, resonation, and articulation.

CDS 380 Introduction to Clinical Audiology. Prerequisite: admission to the CDS program. Overview of scope of practice and credentials for service delivery; management of therapy sessions; clinical policies and procedures; Code of Ethics; precautions for infectious disease control; development of therapy materials and oral mechanics assessment kit.

CDS 465 Disorders of Fluency. Prerequisite: admission to the CDS program. Lectures and selected readings in theoretical, etiological, and developmental views of assessment and management of stuttering problems in children.

CDS 474 Advanced Practicum in Speech Pathology. Prerequisites: Overall 3.0 GPA and CDS 373, or Clinic Director approval. Supervised clinical practicum in communication disorders services. May be taken to a maximum of six credit hours.

CDS 475 Voice Disorders. Prerequisite: admission to the CDS program. Lectures and selected readings in etiological perspectives of functional and organic voices disorders; assessment, classification, and treatment designs for vocal pathologies in children.

CDS 487 Aural Rehabilitation. Prerequisite: CDS 380 or departmental approval. Fundamentals of aural habilitation/rehabilitation in the form of amplification (hearing aids, cochlear implants, assistive listening devices), speechreading, auditory-visual-kinesthetic perception, pediatric rehabilitation techniques, educational management, counseling.

CDS 488 Practicum in Audiology. Prerequisite: Overall 3.0 GPA or Clinic Director approval. Supervised clinical practice in audiology. May be taken to a maximum of two credit hours.

CDS 520 Augmentative and Alternative Communication Systems. (3) A. An overview of various approaches to aided non-verbal systems of communication. Various devices and symbol systems will be discussed.

CDS 525 Literate Language. Prerequisites: CDS 360, CDS 365, and CDS 464 or departmental approval. Study of language disorders in children and principles for remediation in written language.

CDS 530 Therapeutic Relationships in Special Education. Prerequisite: Admission to CD program or departmental approval. Overview of therapeutic relationships in functional needs of individuals; with disabilities, their families, and professionals. Emphasis on empathetic listening, interviewing skills, and change process.

CDS 541 School Services in Communication Disorders. Prerequisites: Overall 3.0 GPA and admission to CDS program; or departmental approval. Organization and management of speech-language therapy services in the schools. Lec/Lab.

CDS 571 Audiovisual Bases of Communication. Prerequisites: admission to the CDS program or instructor approval. A study of neuroanatomic and neurophysiologic bases of communication including developmental issues and neurologic deficits resulting in functional needs of individuals. Credit will not be awarded for both CDS 571W and CDS 571.

CDS 571W Neural Bases of Communication. Prerequisites: admission to the CDS program or instructor approval and ENG 102 or 102R or ENG 105B (or HON 1B or HON 1D) or HON 1FT. A study of neuroanatomic and neurophysiologic bases of communication including developmental issues and neurologic deficits resulting in functional needs of individuals. Credit will not be awarded for both CDS 571W and CDS 571.

CDS 572 Speech & Hearing Science. Prerequisite: Admission to CDS program or instructor approval. Study of the physics of sound, acoustic characteristics and processes, perceptual correlates, production of speech, and psychophysical processes of communication.

CDS 574 Clinical Education. Prerequisites: Overall 3.0 GPA. Supervised guided school-embedded experiences emphasizing the development, implementation, interpretation and reporting of a variety of assessment tools for learners, the classroom and school environment and the subsequent design of instruction. (school-embedded clinical experience – a minimum of 45 hours is required; additional hours may be required based upon candidate performance).

I, II. Prerequisite: Admission to Professional Education or Dean approval. Corequisite: CED 450. Supervised, sustained practice teaching experiences in an assigned instructional setting. Experiences include individual, small group and whole class teaching opportunities. (school-embedded clinical experience – a minimum of 40 hours is required; additional hours may be required based upon candidate performance).

CDS 575 Clinical V: Practicing Teaching. Prerequisites: Overall 3.0 GPA and Admission to Professional Education. Corequisites: CED 450, and CDS 374. Study of physiological bases of hearing, respiration, phonation, and hearing mechanism. (3) I.

CDS 576 Communication Disorders. Prerequisite: admission to the CDS program. Lectures and selected readings in the theoretical, etiological, and developmental views of assessment and management of stuttering problems in children.

CED 100 Clinical I: Introduction to the Education Profession. Prerequisites: CDS 110. Guided laboratory-based experiences emphasizing the identification and assessment of the roles and responsibilities of teachers and other education professionals and components of the education system. (laboratory/school-based clinical experience – a minimum of 10 hours is required; additional hours may be required based upon candidate performance).

CED 150 Clinical Transition: Education Profession. Prerequisite: Admission to the Professional Semester. (1). I, II.

CED 200 Clinical II: Understanding the Learner. Prerequisites: CED 203(C) or 310(C), CED 100 or 150 (grade of B or higher). Corequisites: CED 219; or CDS 235 for IECE majors. Guided laboratory-based experiences emphasizing the assessment and analysis of student learning and engagement and the school environment from varied learning theory perspectives. (laboratory-based clinical experience – a minimum of 20 hours is required; additional hours may be required based upon candidate performance).

CED 250 Clinical III: Curriculum and Instructional Design. Prerequisites: CED 200 or departmental approval. Corequisites: CED 300, 303, or Departmental Approval. Supervised guided school-embedded experiences that emphasize impacting student growth through well-planned and aligned instructional units and integrated instruction (school-embedded clinical experience – a minimum of 45 hours is required; additional hours may be required based upon candidate performance). Must earn B or higher for Professional Education. CED 350 Integrated Clinical Experiences. (5)

CHE—Chemistry

CHE 100 Inquiry Chemistry for Middle School Teachers. Prerequisite: completion of all academic readiness requirements; pre-teaching or teaching middle school education majors only. Activity-
CHE 101 General Chemistry Preparation. (3) A. Prerequisite or Corequisite: CHE 111 and 111L, or 105 and 105L. This course is intended to prepare students for further study in chemistry. It is designed to be taken concurrently with CHE 101 General Chemistry I. (2) Lec/2 Lab. Gen. Ed. E-4 with CHE 105L [NS].

CHE 105L Health Science Chemistry Lab. (1) I, II. Prerequisite: CHE 101 and 101L, or CHE 111 and 111L, or CHE 105 and 105L. This lab component of CHE 101L is different from CHE 105L and serves as an introduction to chemistry laboratory techniques. It introduces basic organic reactions and laboratory procedures including melting point, distillation, and recrystallization. 2 Lab.

CHE 104 Inquiry Physical Science for Elementary Education Majors. (2) I, II. Prerequisite: CHE 101 and 101L, or PHY 104. Elementary education majors only, sophomore standing, and MAT 112 or 112B or higher with a grade of C or better. This course will allow students to gain experience in the physical sciences through self-directed and/or faculty-led activities, including but not limited to exploring research chemical projects, organizing chemistry community service, and assisting other chemistry departmental events. Students can choose the focus of the volunteering in each semester. Passing grade achieved if ≥ 80% of the designated activities in each semester.

CHE 250 Descriptive Inorganic Chemistry. (3) A. Prerequisite: CHE 112 and CHE 112L with grade of “C” or better. This course introduces inorganic chemistry including the discovery of the elements, their properties, and the significance of the Periodic table; atomic structure, bonding models, acid-base chemistry, oxidation-reduction chemistry, and coordination chemistry. 3 Lab.

CHE 261 Organic Chemistry Preparation. (3) A. Prerequisite for further studies in organic chemistry. This course will emphasize fundamental concepts and help students develop a productive mindset for studying Organic Chemistry.

CHE 325 Analytical Chemistry. (3) A. Prerequisite: CHE 112 and CHE 112L with grade of “C” or better. This course introduces chemical analysis (with statistical evaluation) focusing on the principles of stoichiometry, chemical equilibrium, titrimetric and spectrophotometric analysis, potentiometry, and analytical separation processes. A withdrawal from CHE 325 must be matched by a withdrawal from CHE 325L. 3–9 Lab.

CHE 325L Analytical Chemistry Lab. (2) A. Prerequisite: CHE 112 and CHE 112L with grade of “C” or better. This course accompanies CHE 325 and includes selected syntheses and advanced techniques such as separation and spectroscopic methods. 3 Lab.

CHE 349 Applied Learning in Chemistry. (5-8) A. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: sixteen, baccalaureate. A minimum of 80 hours of employment required for each semester hour of academic credit. May not be used to satisfy area, major or minor requirements.

CHE 349-A N-Cooperative Study: Chemistry. (5-8) A. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: sixteen, baccalaureate. A minimum of 80 hours of employment required for each semester hour of academic credit. May not be used to satisfy area, major or minor requirements.

CHE 361 Organic Chemistry I. (3) A, I. Prerequisite: CHE 112 and CHE 112L with grade of “C” or better. This course introduces basic laboratory techniques, methods of separation, types of chemical reactions, solution preparation and standardization, titrations, molecular modeling, qualitative analysis, gases, virtual labs on computer. 3 Lab. Gen. Ed. E-4 with CHE 111L [NS].

CHE 312 General Chemistry II. (3) I, II. Prerequisite: CHE 111 and 111L (C or better). Prerequisite or Corequisite: CHE 361L. Continuation of CHE 111. Basic laboratory techniques, methods of separation, types of chemical reactions, solution preparation and standardization, titrations, molecular modeling, qualitative analysis, gases, virtual labs on computer. 3 Lab. Gen. Ed. E-4 with CHE 311L [NS].

CHE 312 General Chemistry Lab II. (1) I, II. Prerequisite: CHE 111 and 111L, or CHE 312 and 312L (C or better). Laboratory component of CHE 101. Basic laboratory techniques, methods of separation, types of chemical reactions, solution preparation, titrations, household chemicals, molecular modeling. 2 Lab. Credit will not be awarded for both CHE 101L and CHE 107. Gen. Ed. E-4 with CHE 101L [NS].

CHE 102 Introductory Chemistry Lab I. (1) I, II. Prerequisite: completion of all academic readiness requirements. Prerequisite or Corequisite: CHE 101. Laboratory component of CHE 101. Basic laboratory techniques, methods of separation, types of chemical reactions, solution preparation, titrations, household chemicals, molecular modeling. 2 Lab. Credit will not be awarded for both CHE 101L and CHE 107. Gen. Ed. E-4 with CHE 101L [NS].

CHE 102 Introductory Chemistry II. (3) I, II. Prerequisite: CHE 101 and 101L, or CHE 111 and 111L. Continuation of CHE 101. A survey of the classes of organic molecules including their common uses and physical and chemical properties. In addition, an introductory look at the structure and function of biological macromolecules. Withdrawal from CHE 102 must be matched by a withdrawal from CHE 102L.

CHE 102L Introductory Chemistry Lab II. (1) I, II. Prerequisite: CHE 101 and 101L, or CHE 111 and 111L, or CHE 105 and 105L. This lab component of CHE 102L is different from CHE 102L and serves as an introduction to chemistry laboratory techniques. It introduces basic organic reactions and laboratory procedures including melting point, distillation, and recrystallization. 2 Lab.

CHE 362 Organic Chemistry. (3) I, II. Prerequisite or Corequisite: CHE 361. This course will allow students to demonstrate the skill to create effective and appropriate styled chemical reports and presentations. Credit will not be awarded to students who have credit for CHE 385.

CHE 411 Practicum (1–3) A. Prerequisite: departmental approval. Students will gain specific experiences through participation in planning, teaching, analysis, and/or required maintenance in a designated undergraduate chemistry course. Formal project assigned by a faculty mentor. May be retaken for a maximum of three hours. 3–9 Lab.

CHE 425 Instrumental Analysis (3) A. Cross-listed as FOR 411. Prerequisites: CHE 325, 325L, 362L, 362L; PHY 132 (or 202); MAT 234 (C or better in each course). Prerequisite or Corequisite: CHE 425L. Fundamental principles of the operation and application of analytical instrumentation including spectrosopy, chromatography, electrochemistry, and mass spectrometry found throughout industrial, government, forensic, and/or research environments are presented. Credit will not be awarded to those who have received credit for FOR 411 or CHE 525. 3 Lab.

CHE 425L Instrumental Analysis Lab. (1) A. Prerequisite or Corequisite: CHE 385 or 385W and CHE 425. Lab component of CHE 425. Lab course designed to provide hands-on experience with modern chemical instrumentation for qualitative and quantitative measurements found throughout industrial, government, and/or research environments. Credit will not be awarded for both CHE 425L and FOR 411L. 3 Lab.

CHE 430 Biochemistry of Macromolecules. (3) A. Prerequisites: CHE 362 and 362L. Structure, analysis, and organization of proteins, nucleic acids, and lipids; physical and organic mechanisms of enzyme action; chemistry of membrane action and the immune system. Credit will not be awarded for both CHE 430 and CHE 530.

CHE 431 Metabolic Biochemistry. (3) A. Prerequisites: CHE 362, 362L and 430. Continuation of CHE 430. Chemistry, catabolism, and biosynthesis of carbohydrates, lipids, amino acids, and nucleotides; mechanisms of metabolic control. Credit will not be awarded for both CHE 431 and CHE 531.

CHE 432 Biochemistry Laboratory. (1) A. Prerequisite or Corequisite: CHE 430 or 431 or departmental approval. Experimental techniques characteristic of biochemistry laboratory work. Purification and characterization of proteins and nucleic acids; use of computers in modeling biochemistry data. 3 Lab. Credit will not be awarded for both CHE 432 and CHE 532.

CHE 450 Independent Study. (1–8) A. Prerequisite: CHE 250 (C) and CHE 362L. Principles of inorganic chemistry with an emphasis on advanced chemical bonding models and their applications to solid-state, coordination, organometallic, bioinorganic, and
Section Seven - Course Descriptions

Materials chemistry, (3 Lec)

CHE 484 Chemical Colloquium (1) I, II. Prerequisite: CHE 321 and 362q. Lectures and presentations of chemical information by local or visiting scholars currently involved in chemical research. One weekly meeting. Cannot be taken concurrent with CHE 485. May be retaken for a maximum of two hours. (Lec) CHE 485 Chemistry Seminar. (1) I, II. Prerequisite: CHE 362(C) and 385(C) or 385W(C). Presentation of specific chemical research from recent literature and/or performed experimentation to members of the faculty and departmental majors. One weekly meeting. Cannot be taken concurrent with CHE 484. Credit will not be awarded for both CHE 481 and 485.

CHE 495A Independent Chemical Research. (1) A. Prerequisite: CHE 412 and departmental approval. An introduction to research in all fields of chemistry. Literature-based assigned research project with a faculty mentor that will require a formal research report. May be retaken to a maximum of three hours. Student must have the independent study proposal form approved by faculty mentor and departmental chair prior to enrollment. 3 Lab. Credit will not be awarded for both CHE 495 and 495A.

CHE 495B Chemistry Laboratory Independent Research. (A) Prerequisite: CHE 361 (C or better) and departmental approval. Objectives and techniques of chemical research. Problems in all fields of chemistry. May be retaken to a maximum of nine hours. Student must have the independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment. Credit will not be awarded for both CHE 495 and 495B.

CHE 501 A-E Chemtopics; (1-3) A. Prerequisite: departmental approval. Topics to be chosen from current and/or specialized area of chemistry based on interests and/or need: A: Analytical, B: Biochemistry, C: Inorganic, D: Organic, or E: Physical. May be retaken to a maximum of two hours. 3 Lab.

CHS 570 Physical Chemistry I. (3) I, II. Prerequisite or Corequisite: CHE 361 (C or better). An introduction to the quantum mechanics as applied to molecular and atomic systems; applications of atomic and molecular spectroscopy, introduction to computational chemistry. Credit will not be awarded for both CHE 570 and CHE 470.

CHE 574 Physical Chemistry I. (3) A. Prerequisite: CHE 361 (C or better). Prerequisites or Corequisites: CHE 574L and CHE 470. Thermochemistry, thermodynamics, equilibrium, and reaction kinetics. 3 Lab.

CHE 575 Physical Chemistry II. (3) A. Prerequisite: CHE 361 (C or better). Prerequisite or Corequisite: CHE 575L and MAT 254 and PHY 132 or 202 (C or better in each course). An introduction to quantum mechanics as applied to model, atomic, and molecular systems; applications of atomic and molecular spectroscopy, introduction to computational chemistry. Credit will not be awarded for both CHE 575 and CHE 472.

CHE 575L Physical Chemistry Lab II. (1) A. Prerequisite: CHE 325 and 325L (C or better in each course). Prerequisites or Corequisites: CHE 575 and CHE 385 or CHE 383W (C or better in each course). Laboratory component of CHE 575. Experimental work to illustrate principles of physical chemistry that include thermophysical properties, thermodynamics, and reaction kinetics. 3 Lab.

CHE 576 Physical Chemistry III. (3) A. Prerequisite: CHE 361 (C or better). Prerequisites or Corequisites: CHE 575 and CHE 385 or CHE 383W (C or better in each course). Laboratory component of CHE 575. Thermochemistry, thermodynamics, equilibrium, and reaction kinetics. 3 Lab.
Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op and Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each credit hour. Three hours may be used as a major elective. May be repeated for a total of 16 credit hours.

CIS 360 Computer Information Systems Interactions (3-2-A) Prerequisites: GPA of 2.25 and advisor/departamental approval. Practical experience in computer information systems.

CIS 370 Seminar in Computer Information Systems (3) Prerequisite: Instructor approval. Selected topics of special and contemporary interest to business students. May be retaken under different subtitles to a maximum of six hours.

CIS 375 Networks and Telecommunication. (3) Prerequisites: Junior standing and CIS 240 or NET 303 with a grade of “C” or better. The study of networking and telecommunications fundamentals including LANs, WANs, and the Internet. Data communication and telecommunication concepts, models, standards, and protocols are studied. Installation, configuration, and management of infrastructure technologies are practiced.

CIS 380 Information Systems Analysis and Design. (3) Prerequisites: CMS 205W and 210 or NET 303 with a grade of “C” or better in each course. Systems development life cycle with the emphasis on analysis and design. Topics include requirements determination, logical design, physical design, and implementation feasibility analysis, RADD, prototyping, and object-oriented modeling techniques; software package evaluation, acquisition, and integration.

CIS 410 Project Management and Practice. (3) Prerequisites: Junior standing and (CIS 300 or CIS 240 or NET 303 with a grade of “C” or better in each course). This course presents the theory and practice of modern project management. The technical and behavioral aspects of project management and change management are integrated with the context of an information systems project.

CIS 420 Forensic Computing: Network Analysis. (3) Prerequisites: Junior standing and CIS 212 or NET 303 with a grade of “C” or higher. This course provides students with an understanding of computer forensics, in the context of managing computer networking and wireless networks, as well as in the context of corporate investigations and business litigation. Students learn tools and techniques to investigate network logs, network traffic, and web sites to conduct a forensics investigation.

CIS 430 Business Data Mining I (3-1 A) Prerequisites: (CIS 212 or 240 and INF 104 or TEC 161) and (QMB 200 or ECO 220 or STA 215 or STA 270), with a grade of C or better. This course covers the basic concepts and practical business applications of data mining. Topics include: data types, data patterns, data preprocessing, data cleaning, outlier analysis, features reduction, feature discretization, data integration, data mining process, model estimation, Bayesian inference, regression analysis, classification, and prediction.

CIS 475 Advanced Telecommunications. (3) Prerequisite: CIS 375 or permission of instructor. More in-depth coverage of telecommunications and networking to include installation and configuration, managing resources connectivity, running applications, monitoring and optimization, trouble shooting, and resources.

CIS 490 Special Problems in Computer Information Systems. (1-4) A Prerequisite: advisor/departamental approval. Independent study in information systems. May be retaken under different subtopics to a maximum of three hours. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

CIS—Communication Studies Dr. Deborah T. Givens, Chair

CMS 100 Introduction to Human Communication. (3) I, II. An introduction to the study of human communication. Overview of major topics in contemporary theories of interpersonal, small group, and public communication. Practice in the development of skills in each of these areas. Gen. Ed. E-1C [OC].

CMS 200 Interpersonal Communication. (3) I, II. A study of communication in an interpersonal environment. Topics include verbal and nonverbal communication, effective listening, the intersection of relationships and technology, and other skills related to building interpersonal communication competence.

CMS 205V Advocacy and Opposition (3). I, II. Prerequisites: ENG 102 or 102R, or ENG 105(B), or HON 102. The study of the techniques and principles of formal arguementative discourse including developing, presenting, defending, opposing, and analyzing positions on controversial questions through research, writing, and oral communication. Emphasis on the use of online mediums for promoting and opposing ideas. Credit will not be awarded for both CMS 205V and CMS 205.

CMS 210 Public Speaking. (3) I, II. Principles of and practice in the art of public speaking. Study of the invention, organization, style, delivery, and audience adaptation of informative, persuasive, and performative presentations. Credit will not be awarded to students who have credit for CMS 215.

CMS 215 Career Presentations. (3) A. Study of presentation techniques within business and professional environments tailored to make to staff, clients, and constituents, as well other types of presentations will be developed and practiced. Students will create and deliver presentations tailored to their individual career objectives. One credit is awarded to students who have credit for CMS 210. Gen. Ed. E-1C.

CMS 220 Careers in Communication Studies (1-3) A. An exploration of career opportunities in the field of communication. All students must take the class for one credit hour. Two credits are awarded to students who have credit for CMS 215, three hours may be used as a major elective. This course provides an introduction to the principles, theories, and practice of communication within organizations. Emphasis will be placed on different perspectives of organizational communication, in addition to emerging issues such as newcomer assimilation, organizational culture, networks, decision-making, emotion, diversity, technology, and values.

CMS 250 Research Design in Communication Studies (3) A. Prerequisite: ENG 101 or 101R. A practical introduction to the principles, theories, and practice of communication. Credit will not be awarded to students who have credit for CMS 220. Study of the research process and the ability to critique communication studies. All students must take the class for one credit hour. Two credits are awarded to students who have credit for CMS 220 and CMS 275.

CMS 275 Communication Skills for Professionals. (3) A. Study of applied communication skills for professionals in organizational contexts. Emphasis is given to practical oral and written communication techniques for conducting interviews, managing meetings, delivering facilitated training, providing performance feedback, and using appropriate business etiquette. Credit will not be awarded for both CMS 250 and CMS 275.

CMS 280 Business and Professional Speaking. (3) I, II. Prerequisites: CMS 205W and 210. An advanced speaking course, in which students organize and deliver business presentations, learn and practice professional electronic/telephonic communication protocols, and conduct business meetings.

CMS 305 Research Design in Communication Studies (3) I, II. Prerequisites: CMS 205W and MAT 105 or higher. Introduction to the philosophy, methods, and principles of communication research. Topics include reading, summarizing, and evaluating scholarly literature, and using information technology in the collection, organization, interpretation, and presentation of data.

CMS 310 Team Building and Small Group Communication. (3-3) I, II. Prerequisite: CMS 200. Emphasis on the role of communication in the development of group norms, roles, leadership styles, problem-solving techniques and decision-making techniques in both formal and informal small group interactions in both face-to-face and asynchronous/online/virtual team environments.

CMS 315 Communication Studies Practicum. (1-3) I, II. Prerequisite: instructor approval. Practical field experiences that allow a student to observe and document how working professionals perform their job responsibilities. Students will participate to a limited extent in performing tasks under supervision by program professors and on-site staff. May be retaken for a maximum of three hours.

CMS 320 Persuasion. (3) A. Prerequisites: ENG 101 or 101R, and 102. Study of contemporary research and theories of persuasion and social influence. Practice in the design, analysis, and implementation of persuasive messages.

CMS 325 Communication in Conflict Management. (3) I, II. Prerequisites: CMS 100 or departmental approval. A study of the human communication and technology components that contribute to the initiation, perpetuation, and resolution of conflict in personal and professional relationships. Emphasis on building appropriate communication skills for productive conflict management.

CMS 335 Advanced Public Speaking (3) I, II. Prerequisite: CMS 210 or departmental approval. An advanced study of the invention, organization, style, delivery, and audience adaption of various types of speeches.

CMS 349 Applied Learning in Communication Studies. (5-6) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

CMS 350 Organizational Communication. (3) A. Prerequisite: CMS 101 or 101R. An introduction to the principles, theories, and practice of communication within organizations. Emphasis will be placed on different perspectives of organizational communication, in addition to emerging issues such as newcomer assimilation, organizational culture, networks, decision-making, emotion, diversity, technology, and values.

CMS 353 Health Communication. (3) A. Prerequisites: CMS 100 and 210. A survey of recent development in health communication and critical thinking. Emphasis is on the role of interpersonal communication and family narrative in the health care setting, patient/provider interactions, and multicultural health awareness.

CMS 375 Intercultural Communication. (3) Prerequisites: CMS 205W and 210. A theoretical and practical study of the communication process across various cultures and co-cultures. Emphasis on building intercultural competence in personal and professional contexts.

CMS 380 Communication and Recruitment. (3) A. Prerequisites: Departmental approval. This course is designed to provide students with both theory and methods in recruitment, using and improving their interpersonal communication and public speaking skills. The class will utilize extensive role-playing activities to develop these skills.

CMS 400 Communication and Gender. (3) A. Prerequisites: CMS 200, 205W or 205, and 210. Focuses on the relationship between communication and gender, race, and social class. Examines ways in which gender roles are created and recreated in society and in our personal and professional relationships.

CMS 410 Human Communication Theory. (3) A. A general overview of the field of human communication theories informing research or communication. The goals of the class include developing and understanding of the role of theory in the research process and the ability to critique theoretical work.

CMS 420 Negotiation. (3) A. This course combines communication theory and practice in resolving conflicts using the negotiation process. Extensive role-playing activities will be utilized to
Section Seven - Course Descriptions

Develop these skills.

CMS 435 Family Communication. (3). A. Prerequisite: CMS 200. Survey of research on family communication and research literature dealing with communication in the family context. Emphasis is on the role of communication in creating and maintaining healthy family relationships.

CMS 445 Advanced Interpersonal Communication. (3). A. Prerequisite: CMS 200 or 205W. Analysis of theory and research in professional and personal communication. Topics include relationship messages, stages of interpersonal relationships, intimate dialogue, the dialogue of distance, maintaining relationships through dialogue, and developing effective communication in relationships.

CMS 450 Mediation. (3). A. Prerequisite: CMS 225 or department approval. The study of mediation as an alternative dispute resolution technique. Involves the analysis and practice of communication skills applicable to the mediation process. Extensive mediation role-plays are an integral part of the course.

CME 485S Communication Training and Development. (3). (I, II). Prerequisite: CMS 200, 205W, 250, and 300. An introduction to the field of communication training and development for corporate, industrial, institutional, or educational settings. Students will practice training techniques in on-site situations. Credit will not be awarded to students who have credit for CME 406 or 485.

CMS 490 Special Topics in Communication. (1-3). A. Prerequisite: Department approval. The study of special topics beyond the scope of regularly offered courses. May be repeated to a maximum of nine hours if different material is offered each time. Credit will not be awarded for both CMS 495 and CMS 490 Special Topics in Leadership.

CMS 495 Communication, Leadership and Change. (3). II. Prerequisites: Senior standing and CMS 305. A capstone course for CMS majors that helps students reflect, build, and make sense of their learned experiences through the lens of leadership and communication. The focus is on the integration, synthesis, and application of learned experiences to real world situations. Completion of a capstone project is required.

CME 499 Independent Study in Communication Studies. (1-6) I, II. Individual research and reading on a specified speech communication subject. Regular consultation and final paper or performance required. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours.

COM—Communication

Dr. Deborah T. Givens, Chair

COM 290 Topics in Communications. (1-3) A. Prerequisite: department approval. Special topics beyond the scope of regularly offered courses. May be retaken to a maximum of nine hours provided the subject matter differs each time. Specific topics included in the schedule.

COM 300 Exit Requirement: Communication. (R). A. Required of all Department of Communication students who have earned at least 60 hours. Credit (CR) will be given when students have attended and/or completed department-sponsored activities regarding professional skills and careers. May substitute for BTS 300, BTS 400, or GSD 300.

CON 345 Literature and Film. (3). A. Cross-listed as ENG 345. Prerequisites: ENG 102 or 102R (or 105 here) and CMS 180. An examination of the relationships between film and literature through a comparative study of the stylistic and technical elements of the two media. Credit will not be awarded for both CON 345 and ENG 345.

CON 349 Applied Learning in Multi-Media Studies. (5-8) A. Prerequisites: junior standing, “B” average in all courses within the department, and departmental approval. Work under faculty and field supervisor in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight associate, sixteen baccalaureate. A minimum of 80 hours work required for each academic credit. May not satisfy major or minor requirements within the department.

CON 350 Cooperative Study: Multi-Media Studies. (5-8) A. Prerequisites: junior standing, “B” average in all courses within the department, and departmental approval. Work under faculty and field supervisor in placements related to academic studies. Includes course work of up to eight hours credit per semester or summer. Total hours: eight, associate; sixteen baccalaureate. A minimum of 80 hours work required for each academic credit. May not satisfy major or minor requirements within the department.

COM 400 Studies in Communications: (1-3) A. Prerequisite: vary with course offering. Study of specific areas of communications through workshops, short courses, institutes, or through the presentation of a specific course which examines timely, topical, or specialized concerns in the field. Specific topic included in schedule. May be retaken to a maximum of nine hours.

CON 599 Independent Study in Communication Studies. (1-3) A. Prerequisites: Completion of at least 90 hours; students must have the Independent Study Proposal Form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of three hours, providing additional study projects differ.

CON 401—Construction Management

Dr. Scott Arias, Coordinator

CON 121 Introduction to Construction. (3). I, II. A survey of the construction industry. Nature, scope, and general characteristics of the industry with an emphasis on careers, safety, and typical contracting methods.

CON 200 Materials and Methods of Construction I. (3). I, II. Composition, manufacture, and grades of construction materials and building products with emphasis on wood, metal, glass, roofing, finishing, and plastic materials. Methods, including safety, involved in the placement and installation of these materials. 2 Lec/2 Lab.

CON 202 Materials and Methods of Construction II. (3). I, II. Composition, manufacture, and grades of construction materials and building products with an emphasis on concrete and masonry. Methods, including safety, involved in the placement and installation of these materials. 2 Lec/2 Lab.

CON 210 Engineering Economy. (3) I, II. Prerequisite: MAT 120 or 217(1-2). A study of the design of beams and columns using steel and wood. Principles of structural design related to the design of temporary structures used in the construction process.

CON 221 Estimating I. (3). I, II. Prerequisites: CON 201, 202, and MAT 120 with a grade of “C” or better. A study of the materials and labor required in the construction of commercial projects. Experience gained in reading drawings, calculating material quantities, and listing work items in a standardized format. 2 Lec/2 Lab.

CON 231 Mechanical/Electrical Systems. (3). II. Prerequisites: CON 201 and 21 additional hours of CON courses. A study of plumbing, heating, air-conditioning, electrical power distribution, and lighting for vertical and horizontal construction. Basic fundamentals of water supply, waste drainage, electrical circuits, and heat loss/gain calculations are studied. 2 Lec/2 Lab.

CON 235 Construction Estimating, (4). I, II. Prerequisites: CON 201, 202, MAT 120 with a minimum grade of “C” and TEC161. A study of estimating construction materials, equipment, labor, and costs, through reading drawings and calculating quantities and costs. Estimating software and cost databases are utilized to list work items in standardized format. 3 Lec/1 Lab.

CON 236 Horizontal Construction 3A. A study of construction equipment, roadway, bridge construction and various other topics involved in horizontal construction means and methods.

CON 349 Applied Learning in Construction Management. (5-8) A. Prerequisites: 30 hours of credit including 9 credit hours of CON courses with a 2.0 GPA and departmental approval. Transfer students must have completed at least one semester of full-time work at EKU. Work under faculty and field supervisors in placements related to construction management.

CON 349 A-N Cooperative Study: Construction Management. (5-8) A. Prerequisites: 30 hours of credit including 9 credit hours of CON courses with a 2.0 GPA and departmental approval. Transfer students must have completed at least one semester of full-time work at EKU. Work under faculty and field supervisors in placements related to construction management.

CON 420 Engineering Economy. (3). I, II. Junior Class Restriction. A systematic application of engineering economy to design, selection of construction materials, and construction methods. A study of first costs, operating and maintenance costs, service life, and replacement costs.

CON 422 Estimating II. (3). I, II. Prerequisite: CON 323 and TEC 161. Construction projects of modern complexity are divided by scope, then materials are quantified and costed. Costs databases are utilized for estimating labor, materials, equipment, and overhead. Emphasis is placed on the use of estimating software. 2 Lec/2 Lab.

CON 425 Project Organization and Supervision. (3). III. Prerequisites: MGT 300 or MGT 301 or AEM 408 and CON 421. A study of principles of
Section Seven - Course Descriptions

Course: Corrections and and Juvenile Justice Studies

Dr. Betsy Matthews, Coordinator

COR 201 Introduction to Corrections (3) A.
Introduction to historical, philosophical, and operational frameworks of US corrections. Debates the goals of punishment and explores institutional and community-based sentencing options.

COR 302 Living and Working in Prison (3) A.
Cross-listed as CRJ 302. Examines inmate subcultures and violence in prisons. Analyzes prison environment for correctional officers. Explores life behind bars/offender difficulties in reentering society. Credit will not be awarded to students who have credit for COR 301 or CRJ 302.

COR 303 The Defender in the Community (3) A.
Formerly COR 330. Cross-listed as CRJ 303. Explores impact offenders have on community. Examines formal correctional options and alternative methods of social control used to manage offenders in community. Credit will not be awarded to students who have credit for COR 330 or CRJ 303.

COR 311 The Juvenile Justice System (3) A.
Cross-listed with CRJ 311. Examines the evolution of the juvenile justice system, police response to delinquency, and juvenile court’s role in protecting the public and serving children. Credit will not be awarded for both COR 311 and CRJ 311.

COR 321 Delinquency Interventions (3) A.
Provides in-depth analysis of risk factors for delinquency. Examines effectiveness of individual, school, and family-based interventions in both community and residential settings.

COR 322 School-Based Interventions for At-Risk Youth (3) A.
Examines school-based problems and interventions commonly experienced by at-risk youth. Discusses strategies for effective collaboration between schools and other youth-serving organizations. Credit will not be awarded for both COR 322 and COR 320 "School-Based Interventions for At-Risk Youth".

COR 323 Legal Issues in Adult Corrections (3) A.
Formerly COR 315. Cross-listed as CRJ 323. An overview of legal court decisions related to adult corrections. Also includes legal issues surrounding legal and ethical standards, emerging legal issues surrounding recent correctional contexts and practices. Credit will not be awarded to students who have credit for COR 315 or CRJ 323.

COR 340 Correctional and Juvenile Justice Administration (3) A.
Introduces students to organizational theory and managerial principles, and examines their application to the unique challenges of correctional and juvenile justice settings.

COR 349 A.N. Cooperative Study: Corrections and Juvenile Justice. (5-6) A.
Prerequisites: 30 hours of college coursework and departmental approval. Work cost, fees, field faculty and supervisory arrangements will be announced to students by the department chair. Credit will not be awarded to students who have credit for COR 350 or CRJ 360.

COR 360 Rehabilitation Strategies for Adult and Juvenile Offenders (3) A.
Cross-listed as CRJ 360. Debates the rehabilitative goal of corrections and juvenile justice. Examines contemporary strategies and their effectiveness in controlling/changing offender behavior. Credit will not be awarded to students who have credit for COR 350 or CRJ 360.

COR 375 Specialized Skills Practicum. (1-6) A.
Prerequisites: Departmental approval. Designed primarily for in-service personnel and others where COR 349 is inappropriate, this course provides the student with opportunity to integrate academic knowledge with a field experience.

COR 410 Female Offenders (3) A.
Formerly COR 423. Explores etiology and effects of substance abuse/mental health problems of adult offenders. Describes intervention strategies. Credit will not be awarded to students who have credit for COR 320: "Exploring the Death Penalty."

COR 413 Addressing Mental Health and Substance Abuse Needs of Adult Offenders (3) A.
Formerly COR 320. Cross-listed as CRJ 413. Examines etiology and effectiveness of mental health problems of adult offenders. Describes intervention strategies. Credit will not be awarded to students who have credit for COR 320: "Addressing Mental Health and Substance Abuse Needs of Adult Offenders" or CRJ 413. Credit will not be awarded to students who have credit for both COR 410 and COR 423: "Women in Corrections."

COR 416 Exploring the Death Penalty (3) A.
Introduces the history and use of the death penalty in the US. Examines purpose, fairness, and efficacy of death penalty through balanced coverage of the debate. Credit will not be awarded to students who have credit for COR 320: "Exploring the Death Penalty."

COR 417 Addressing Mental Health and Substance Abuse Needs of Adult Offenders (3) A.
Formerly COR 320. Cross-listed as CRJ 413. Examines etiology and effectiveness of mental health problems of adult offenders. Describes intervention strategies. Credit will not be awarded to students who have credit for COR 320: "Addressing Mental Health and Substance Abuse Needs of Adult Offenders" or CRJ 413. Credit will not be awarded to students who have credit for both COR 410 and COR 423: "Women in Corrections."

COR 420 Intervention with Juvenile Sex Offenders (3) A.
Formerly COR 423. Provides comprehensive overview of field of juvenile sex offenders and the risk they pose. Focuses on etiology, evaluation, assessment, treatment, and management of juvenile sex offenders. Credit will not be awarded to students who have credit for COR 423: "Intervention with Juvenile Sex Offenders."

COR 422 Legal Issues in Juvenile Justice. (3) A.
Introduces the major bodies of law that inform juvenile justice practice and examines juvenile’s legal rights. Credit will not be awarded to students who have credit for COR 320 and COR 423 "Advanced Legal Issues in Juvenile Justice."

COR 423 Topical Seminar: ... (1-3) A.
Intensive study of selected topics related to corrections and juvenile justice. May be taken to a maximum of twelve hours on different topics.

COR 460 Independent Study. (1-6) A.
Prerequisites: Departmental approval. Individual study and/or research on a problem pertaining to corrections and/or juvenile justice. Student must have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment.

CRED—Applied Creative Thinking

Trena Napier, Director

CRE 101W Introduction to Applied Creativity (3) A.
Prerequisite or Corequisite: ENG 102 or 102R or ENG 105 (with a minimum grade of “B”) or HON 102. A communication intensive introductory course establishing a foundation in creative thinking through instruction in basic theories and practices. Concentration on basic language and fundamental and powerful concepts in creativity studies. Credit will not be awarded to students who have credit for CRE 101.

CRE 201 Innovation and Creativity (3) A.
Prerequisite: ENG 102 or 102R or departmental approval. Explores the creative approaches of recent (and historic) innovations in business, industry, and education through a case study approach.

CRE 300 Pedagogy of Creativity Studies (3) A.
Prerequisite: ENG 102 or 102R and at least 3 credits of CRE courses, or departmental approval. Explores the texts, technologies, and new media that allow students to create compelling messages and personal connections to creative production and appeals through technology.

CRE 305 Creativity and Research (3) A.
Prerequisite: ENG 102 or 102R and at least 3 credits of CRE courses, or departmental approval. An examination of pedagogical theories and practical strategies in the field of creativity studies. Emphasis on application of these approaches.

CRE 350 Studio Theory & Practice (3) A.
Prerequisite: ENG 102 or 102R or ENG 105(B) or HON 102. This course teaches students theories and practices of consulting in communication environments. Students learn effective strategies for providing feedback in individualized and small-group settings.

CRE 400 Creativity Studies Project (3) A.
Prerequisites: coordinator approval; CRE 101(C) and 12 hours of courses on CRE list. Requires portfolio, project, and presentation in the culminating creativity experience. An independent study course focusing on a particular project or area in creative thinking of value to the field and interest to the student.

CRJ—Criminal Justice

Dr. Dawn Rothe, Chair

CRJ 101 Introduction to Criminal Justice (3) A.
A general overview of the criminal justice system including a description of the major agencies: police, prosecution, courts, and corrections, and an analysis of their interdependence in the criminal justice process.

CRJ 204 Foundations of Corrections (3) A.
An overview of the evolution of the structure, and functioning of corrections in the United States. Examines correctional processes, populations, and issues.

CRJ 301 Drugs, Crime and Society. (3) A.
Prerequisite: ENG 101 with a grade of “C” or better. An examination of drug trafficking, the connection between drug use and other types of crime, and a review of drug control policies, including the impact of the media and...
CRJ 302 Living and Working in Prison (3). A. Cross-listed as COR 302. Prerequisite: Junior or Senior standing. Examines inmate subcultures and violence in prisons. Analyzes prison environment for correctional officers. Explores life behind bars/offender difficulties in reentering society. Credit will not be awarded for both CRJ 302 and COR 302.

CRJ 303 The Offender in the Community (3). A. Cross-listed as COR 303. Prerequisite: Junior or Senior standing. Explores impact offenders have on communities. Focuses on criminal correctional options and alternative methods of social control used to manage offenders in community. Credit will not be awarded for both CRJ 303 and COR 303.

CRJ 305 Domestic Violence, (3). A. Cross-listed as WGS 305. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examination of the theoretical and empirical literature on violence against women, children, and elders. Addresses such issues as physical and sexual abuse of children, courtship violence, domestic violence, marital rape, and elder abuse. Credit will not be awarded for both CRJ 305 and WGS 305.

CRJ 311 Juvenile Justice System (3). A. Cross-listed as COR 311. Prerequisite: Junior or Senior standing. Examines the evolution of the juvenile justice system, police response to delinquency, and juvenile court’s role in protecting the public and serving children. Credit will not be awarded for both CRJ 311 and COR 311.

CRJ 313 Criminal Justice Ethics. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examines formal, legal and normative obligations of the state and criminal justice professionals. Surveys the philosophies and theories of ethics and deviance. Credit will not be awarded for both CRJ 313 and 313S.

CRJ 314 Law and Society (3). A. Prerequisite: Junior or Senior standing. Examines law and the rule of law in everyday life. Law infuses popular media, constructs (and constrains) identity, and pervades language. In turn, media, identity, and discourse construct our understandings of law. Particular attention is paid to the law’s role in practices and discourses of resistance and in exerting social control.

CRJ 323 Legal Issues in Adult Corrections (3) A. Cross-listed as COR 323. Prerequisite: Junior or Senior standing. Examines formal, legal and normative obligations of the state and criminal justice professionals. Surveys the philosophies and theories of ethics and deviance. Credit will not be awarded for both CRJ 323 and COR 323.

CRJ 325 White Collar Crime/Crimes of the Powerful. (3) A. Prerequisite: sophomore standing. A review and analysis of the upper world crimes of business and government committed in the course of legitimate occupations and financial activities.

CRJ 331 Criminological Theory. (3) A. Prerequisite: Junior standing. Overview of criminological theoretical perspectives that attempt to explain crime. Credit will not be awarded for both CRJ 331 and COR 310 or CRJ 331W.

CRJ 331W Criminological Theory. (3) A. Prerequisites: ENG 102 or 102R or ENG 105 or HON 102 and junior standing. Overview of criminological perspectives that attempt to explain crime. Credit will not be awarded for both CRJ 331W and CRJ 331 or COR 310.

CRJ 340 Crime and Media (3). A. Prerequisites: Sophomore standing. Critiques images of crime, criminals and punishment in American popular culture. Examines film and television as sites of cultural production and consumption. Credit will not be awarded to students who have credit for CRJ 423 Topical Seminar: Crime and Media.

CRJ 344 Violence Against Women (3) A. Prerequisite: Sophomore standing. Cross listed as WGS 344. Explores the social character of violence against women. A variety of theories are utilized to examine this phenomenon at the individual, organizational and societal levels. Credit will not be awarded to students who have credit for CRJ 423 Topical Seminar: Violence Against Women or WGS 344 Violence Against Women.

CRJ 350 International and Comparative Criminal Justice Systems. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. A survey of selected world criminal justice systems including police, courts, and corrections. Cross-national and cross-cultural criminality from several perspectives will be examined.

CRJ 355 Rural Crime and Justice. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better. Examines a survey of rural crime and justice issues, crime trends, policing and control of rural crime with particular attention given to Kentucky and Appalachia. Credit will not be awarded for both CRJ 355 and APP 355.

CRJ 360 Rehabilitation Strategies for Adult and Juvenile Offenders (3) A. Cross-listed as COR 360. Prerequisite: Junior or Senior standing. Debates the rehabilitative goal of corrections and juvenile justice. Examines contemporary strategies and their effectiveness in controlling/changing offender behavior. Credit will not be awarded for both CRJ 360 and COR 360.

CRJ 375 Climate Change and Crime. (3) A. Prerequisites: CRJ 101 with a grade of “C” or higher. Overview of climate change and its effects. Draws on leading crime theories to discuss the potential impact of climate change on crime. Credit will not be awarded for both CRJ 375 Climate Change and Crime and CRJ 406 Critical Issues in CRJ: Climate Change and Crime.

CRJ 388 Research Methods. (3) A. Prerequisite: Junior standing. Overview of the research process, with emphasis on finding, using and evaluating criminal justice literature. Examination of both quantitative and qualitative social science research methods and procedures appropriate to the study of crime policy and criminal justice. Credit will not be awarded to students who have credit for CRJ 388W.

CRJ 388W Research Methods (3) A. Prerequisite: ENG 102 or 102R, or ENG 105, or HON 102, junior standing. Overview of the research process, with emphasis on finding, using and evaluating criminal justice research. Examination of both quantitative and qualitative social science research methods and procedures appropriate to the study of crime policy and criminal justice. Credit will not be awarded to students who have credit for CRJ 388W.

CRJ 400 Criminal Justice Statistics. (3) A. Prerequisite: Junior or Senior standing. Analytical and statistical concepts and procedures relevant to crime and criminal justice data. Includes quantitative and qualitative techniques. Credit will not be awarded to students who have credit for CRJ 388W.

CRJ 401 Organized Crime. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. History, scope, and methods of control of organized crime. Emphasis on local, regional, national and international understanding of organized crime. Credit will not be awarded to students who have credit for CRJ 388W.

CRJ 406 Critical Issues in Criminal Justice. (3) I, II. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examination of the criminal justice system and process with an emphasis on problems and trends. This course provides an introduction to the criminal justice system and its response to the needs of society. May be retaken for a maximum of six hours on different topics.

CRJ 411 Capital Punishment in the U.S. (3) A. Prerequisites: Junior or Senior standing; CRJ 101 with a grade of “C” or higher. Examines the historical and contemporary administration of the death penalty in the United States. Credit will not be awarded for both CRJ 411 Capital Punishment in the U.S. and CRJ 423 Topical Seminar: Capital Punishment in the U.S.

CRJ 412 Gender, Class and Race. (3) A. Prerequisite: Junior or Senior standing. Critically examines gender, class and race and their intersections as they pertain to crime, offending, victimization, and punishment. This course will lead students to an understanding of how the criminal justice apparatus operates within larger social, political, and economic systems of oppression and domination over marginalized populations.

CRJ 413 Addressing Mental Health and Substance Abuse Needs of Adult Offenders (3) A. Formerly: COR 320. Prerequisite: Junior or Senior standing. Cross-listed as COR 413. Examines etiology and effects of substance abuse/mental health problems of adult offenders. Describes intervention strategies. Credit will not be awarded to students who have credit for CRJ 413 or COR 320.

CRJ 422 Human Trafficking. (3) A. Prerequisite: Junior or Senior standing. Critically examines the global problem of human trafficking. Using a historical and comparative framework, this course reveals variation in human trafficking patterns in different regions of the world and efforts to combat human trafficking by means of prevention, protection, prosecution, and partnership.

CRJ 423 Topical Seminar. (3) A. Prerequisites: departmental approval or sophomore standing. Intensive study of selected topics related to criminal justice. May be retaken with different topics up to six credit hours.

CRJ 424 Field Experience. (3) A. Prerequisites: instructor and departmental approval, sophomore standing. Designed to broaden the educational experience through appropriate observational work assignments. (Intended for students in non-senior status programs.) May be retaken 1 time for 6 total credit hours.

CRJ 426 Victimization. (3) A. Prerequisites: Sophomore standing. This course concentrates on contemporary victimization patterns and victim-victimization broadly including those of crime, their treatment by the criminal justice system, their resources, rights and needs, and situating the study of victims within larger social and power structures. Credit will not be awarded to students who have credit for CRJ 406 Critical Issues in Criminal Justice or CRJ 423 Topical Seminar in Victimization.

CRJ 430 Crime and the Economy. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better. Examines capitalism as it contributes to crime. Demonstrates how cultural aspirations and structural barriers create a criminogenic society and socio-economic bias in criminal justice.

CRJ 440 Pathological Gambling and Crime. (3) A. Prerequisites: Junior or Senior standing; CRJ 101 with a grade of C or higher. This course examines problem gambling and its relationship to crime and criminal justice. Special attention is given law, corrections, and offending. Credit will not be awarded for both CRJ 440 Pathological Gambling and Crime and CRJ 423 Topical Seminar: Problem Gambling.

CRJ 460 Independent Study. (1-3) A. Prerequisites: departmental approval, sophomore standing. Individual study and research on a problem pertaining to criminal justice. Student must have the independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment. May be retaken for a maximum of six hours.

CRJ 490 Senior Seminar. (3) A. Prerequisites: senior standing and completion of CRJ 331, CRJ 388 and at least 21 hours of CRJ coursework or departmental approval. Capstone course consisting of development and production of a senior level research paper grounded in relevant criminal justice literature. Emphasis on integration of knowledge acquired in previous courses.

CRJ 490W Senior Seminar. (3) A. Prerequisites: ENG 102R or ENG 105 or HON 102 and senior standing or departmental approval. Capstone course requiring the production of a senior level paper grounded in relevant criminal justice literature. Emphasis on integration of knowledge acquired in previous courses. Credit will not be awarded to both CRJ 490 and CRJ 490W.
CSC 185 Intro to Computing Concepts, (3) I, II. Prerequisite: MAT 122 or higher with a minimum score of “C” or higher, or a minimum score of 520 on the math portion of the SAT. Introduction to the computing concepts and programming. Topics include number systems, computer system concepts, problem solving with computers using an object-oriented programming language. 2 Lec/2 Lab.

CSC 190 Object-Oriented Programming (3) I, II. Prerequisite: MAT 122 or higher with a grade of “C” or higher, or a minimum score of 520 on the math portion of the SAT. Study fundamental programming concepts, mathematical structures, and logical principles required to design computer programs. Practice step-by-step problem solving in support of good algorithm design and verification practices. 2 Lec/2 Lab.

CSC 191 Object-Oriented Programming (3) A. Prerequisite: MAT 112A/B or higher with a grade of “C” or higher, or a minimum score of 22 on the mathematics portion of the ACT, or a minimum score of 530 on the math portion of the SAT. Introduction to object-oriented programming. Concepts include data types, objects, control structures, functions, and input/output features. 2 Lec/2 Lab.

CSC 195 Intro to Discrete Structures, (3) I, II. Prerequisites: grade of “C” or higher in both CSC 185 and 190. Topics to be covered include sets, relations, functions, logic; algorithm design/analysis, recursive algorithms, recurrence relations, mathematical induction, counting, probability, algorithms. 2 Lec.

CSC 210 Data Structures and Programming, (3) A. Prerequisite: A minimum grade of “C-” in CSC 185. Object-oriented programming, inheritance, arrays, stacks, queues, trees, hashing, recursions, and exception handling. 2 Lec.

CSC 308 Mobile App Development for Apple iOS, (3). Prerequisite: CSC 191 and 195 with a grade of “C” or higher in both courses. Introduction to developing mobile device web sites and applications for Apple iOS. Topics include development tools, APIs, user interfaces, mobile-specific technologies and application design. 2 Lec/2 Lab.

CSC 309 Mobile App Dev for Android, (3) A. Prerequisite: CSC 191 and 195 with a grade of “C” or higher in both courses. Introduction to developing mobile device web sites and applications for Android. Topics include development tools, APIs, user interfaces, mobile-specific technologies and application design. 2 Lec/2 Lab.

CSC 310 Data Structures, (3) I, II. Prerequisites: CSC 185 and 195 with a minimum grade of “C” in both. The application and implementation of data structures including arrays, stacks, queues, linked lists, and trees. Internal searching and sorting techniques. The analysis of algorithms. 2 Lec.

CSC 313 Database Systems, (3) A. Prerequisite: CSC 191 and 195 with a grade of “C” or higher in both courses. Introduction to databases, storage and retrieval of data, report generation, interface and application development, online queries, XML, multimedia database, and database security. 2 Lec/2 Lab.

CSC 315 3D Modeling, (3) A. Prerequisite: CSC 191 and 195 with a grade of “C” or higher in both courses. An introduction to geometric representations in 3D. Topics include polygons, spline modeling, texture mapping, materials, 3D scanning, and topics in animation including character rigging. 2 Lec/2 Lab.

CSC 316 3D Game Engine Design, (3) A. Prerequisite: CSC 315 with a grade of “C” or higher in both courses. Topics include game engine architecture, rendering, level design, and game programming. 2 Lec/2 Lab.

CSC 320 Algorithms II, (3) A. Prerequisites: CSC 310 and 311 with a grade of “C” or higher in both courses. Fundamental algorithms required in computer science; algorithm design/analysis methods, graph algorithms, probabilistic and parallel algorithms, and computational models. 2 Lec/2 Lab.

CSC 330 System Environments & Networks, (3) A. Prerequisite: CSC 191 with a minimum grade of “C.” Introduction to computer system environments, utilities, system administration, and networking. 2 Lec/2 Lab.

CSC 340 Ethics & Software Engineering, (3) A. Prerequisite: Grade of “C” or higher in both courses. Responsibilities of software professionals, social implications of software such as privacy, crime and abuse, risk and liabilities, copyright, and patents, software project planning, software requirements analysis, software design, and software testing. 2 Lec/2 Lab.

CSC 349 Applied Learning in Computer Science, (3-8) I; (1-6) SUMMER ONLY. Prerequisite: students must have successfully completed 30 semester hours of course work including six hours of Computer Science major courses. In addition, transfer students must have completed at least one semester of full-time course work at EKU. Work in placements related to academic studies. A maximum of three hours may be applied toward the Computer Science technology option degree only. Credit does not apply toward general Computer Science major or minor requirements. Total hours: eight; associate; sixteen, baccalaureate. A minimum of 80 hours of employment is required for each semester hour of academic credit. Credit may only be awarded in the semester in which the work is completed.

CSC 350 Networking, (3). Prerequisites: CSC 310 and 360 with a grade of “C” or higher in both courses. Overall structure of multiprogramming systems, details of addressing techniques, memory-management, file system design and management, traffic control, interprocess communication, system module design, interfaces. 2 Lec/2 Lab.

CSC 390 Advanced Programming Techniques with ______, (3). A. Prerequisite: CSC 191, with a minimum grade of C. Advanced programming with a selected programming language, with appropriate applications. May be taken to a maximum of six hours, provided the languages are different. 2 Lec/2 Lab.

CSC 400 Operating Systems, (3). I, II. Prerequisites: CSC 310 and 360 with a grade of “C” or higher in both courses. Overall structure of multiprogramming systems, details of addressing techniques, memory-management, file system design and management, traffic control, interprocess communication, system module design, interfaces. 2 Lec/2 Lab.

CSC 410 Cyber Networking and Security, (3). A. Prerequisite: CSC 210 with a minimum grade of “C.” This course discusses the fundamentals of computer networking and cyber security. Topics include layered protocols of computer network, Internet architecture and applications, cyber security and defense technologies. 2 Lec/2 Lab.

CSC 425 Compiler Construction, (3). I, II. Prerequisites: CSC 320 and 350 with a grade of “C” or higher in both courses. Techniques with ______. 2 Lec.

CSC 430 Advanced Operating Systems, (3-8) I; (1-6) SUMMER ONLY. Prerequisite: students must have completed at least one semester of full-time course work at EKU. Work in placements related to academic studies. A maximum of three hours may be applied toward the Computer Science technology option degree only. Credit does not apply toward general Computer Science major or minor requirements. Total hours: eight; associate; sixteen, baccalaureate. A minimum of 80 hours of employment is required for each semester hour of academic credit. Credit may only be awarded in the semester in which the work is completed.

CSC 460 Computer Network & System Administration, (3). Prerequisite: CSC 320 and 350 with a grade of “C” or higher in both courses. Basic concepts of network administration, system utilization, and network security. 2 Lec/2 Lab.

CSC 490 Seminar in ______, (1-3) A. Prerequisite: departmental approval. For advanced projects. 2 Lec.
SECTION SEVEN - COURSE DESCRIPTIONS

students in computer science. Subject announced when offered. May be retaken to a maximum of 12 hours, provided the topics are different.

CSC 491 Game Design Capstone. (3) A.
Prerequisite: CSC 316 with a grade of "C" or higher and senior status. Level design, storyboarding, character modeling, game scripting, game interface design, audio effects, marketing, and ethics. Students will work in groups to develop a computer game term project.

CSC 494 Innovative Problem Solving (1-3) A.
Prerequisite: Departmental approval. An individually developed project related to an innovative solution of a problem provided by the software industry. The result is to be presented in open forum. May be retaken to a maximum of 6 hours provided the topics are different.

CSC 495 Independent Work. (1-3) I, II.
Prerequisite: A grade of "C" or higher in ENG 102 or 102R, 105(B) or HON 102, and departmental approval. Directed study/research on a problem or area chosen in consultation with the instructor. Final paper required. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of twelve hours.

CSC 496 Senior Seminar. (1) A.
Prerequisite: CSC 340 with a minimum grade of "C". Critically evaluate current issues in computer science and effectively communicate creative ideas with professionals to foster collaborative problem solving.

CSC 499 CS Career Preparation. (1) A.
Prerequisite: A grade of "C" or higher in CSC 310 or a grade of "C" or better. Career preparation for students seeking internship or permanent jobs. Job search, resume creation, interview techniques for application of computer science positions.

CSC 503 Special Topics:______ (1-3) A.
Prerequisite: departmental approval. Topics vary with offering. May be retaken to a maximum of six hours with advisor approval, provided the topics are different.

CSC 520 Multimedia System and Forensics. (3) A.
Prerequisite: CSC 310 or a grade of "C" or higher. Integration of multimedia technologies, signal processing and compression of images, audio, and video, multimedia forensics and message hiding.

CSC 530 Concepts of Programming Systems. (3) A.
Prerequisites: three hours of a programming language or department approval. The top-down design of algorithms, structured programming, control structures, subprograms, files and lists. Programs will be written in a high level language. Credit does not apply to the B.S. degree in Computer Science.

CSC 536 Incident Response I. (3) A.
Prerequisite: CSC 410 with a minimum grade of "C". This course discusses the details of various aspects of cybersecurity. Topics include: pre-incident preparation, incident detection and characterization, data collection and analysis, and remediation.

CSC 537 Incident Response II. (3) A.
Prerequisite: CSC 536 with a minimum grade of "C". This course discusses cybersecurity incident response in the context of various computing platforms. Topics include: incident handling, memory analysis, log analysis, and malware analysis in Windows, Linux and MacOS Systems.

CSC 539 MAC Forensics. (3) A.
Prerequisite: INF 322. This course covers the basic knowledge and skills necessary to analyze MAC operating system artifacts for digital evidence recovery. The topics include: MAC OS overview, GPT partitioning system, MAC system acquisition, MAC directory structure and evidence, Property lists, User logon password recovery, Safari and Firefox artifacts, iChat artifacts, Apple mail analysis, and other topics. Credit does not apply to the B.S. degree in Computer Science.

CSC 541 Software Testing. (3) A.
Prerequisites: Senior standing and CSC 310 with a grade of "C" or higher. The purpose of this course is to study software testing methods, techniques and tools. Topics include black box testing, white box testing, integration testing, testing acceptance testing, regression testing, performance testing, stress testing, and testing of object-oriented software.

CSC 542 Internet Forensics (A). Prerequisite: CSC 322 with a minimum grade of "C". This course covers the basic knowledge and skills necessary to analyze Internet-based applications artifacts for digital evidence recovery. The topics include popular Web browsers, instant messengers, and social media apps.

CSC 543 Windows Forensics. (3) A.
Prerequisite: CSC 316 or CSC 322. This course covers the basic knowledge and skills necessary to analyze MS Windows operating system artifacts for digital evidence recovery. The topics include: Windows OS overview, System bitlocker, GPT file system, Windows Security Model, Windows registry, Syskey, event logs, Windows recycle bin, and other related topics.

CSC 544 Database Admin and Security. (3) A.
Prerequisite: CSC 310 with a minimum grade of "C". This course covers database management system concepts, database system architecture, installation and setup, data management, performance monitoring and tuning, backup and recovery, database security models and management, database auditing.

CSC 545 Theory of Database Systems. (3) A.
Prerequisite: a minimum grade of "C" in CSC 310. Models and principles of information systems. Database languages. The logical and physical design as well as the implementation and use of database systems.

CSC 546 Advanced Internship. (1) A, B.
Prerequisite: A grade of "C" or higher in CSC 310 or CSC 530. The use of programming languages to model concepts selected from artificial intelligence. The application of knowledge to problem solving. Perception and pattern recognition.

CSC 547 Network Forensics and Investigation (3) A.
Prerequisite: Senior standing and CSC 400 with a grade of "C" or higher. Introduction to Windows and Linux forensic tools and techniques, Windows network structure, Windows password/authentication mechanisms; Windows ports and services; Liveanalysis techniques; Windows registry structure and evidence; Forensic analysis of events logs; Network forensics tools and reporting.

CSC 548 Personal Electronic Device Forensics. (3) A.
Prerequisite: CSC 332 with a grade of "C" or higher. Introduction to personal electronic device forensics. Topics include architecture functionality, operating systems and implementation of PEDs (cell phones, PDAs, iPod, MP3 music players, GPS devices), recovering evidence from PEDs, and hostile forensic and booby-trapping techniques.

CSC 550 Graphics Programming. (3) A.
Prerequisite: Personal Electronics Forensics Capstone. (3) A. Prerequisite: CSC 332 with a grade of "C" or higher. Project course. Students apply learned digital forensic knowledge, techniques, and software and hardware tools to work on a team project on a case for digital evidence collection, handling, and reporting.

CSC 550 Graphics Programming. (3) A.
Prerequisite: CSC 316 with a grade of "C" or higher. 3-D geometry, model transformation, matrices, computer algorithms and protocols, texture mapping, camera control, and collision detection.

CSC 555 Topics in Multimedia:______ (3) A.
Prerequisite: departmental approval. For advanced students in computer science. Subject announced when offered. May be retaken to a maximum of six hours, provided the topics are different.

CSC 581 Machine Learning. (3) A.
Prerequisite: A grade of "C" or higher in all CSC 310, 311, and STA 270. Introduction to Machine Learning and its core modeling techniques. Hands-on R programming experiences of using machine learning/ deep learning algorithms to analyze real-world data sets.

CSC 582 Big Data. (3) A.
Prerequisites: A grade of "C" or higher in CSC 310, 311, and STA 270. Advanced cutting edge and state-of-the-arts knowledge and implementation in big data. Modern deep learning tools for analyzing real-world data sets.

CSC 583 Data Visualization. (3) A.
Prerequisite: CSC 310 with a grade of "C" or higher. Principles and techniques for data visualization, including visual representation methods and techniques for increasing the understanding of complex data and models. Hands-on visual programming experiences in data collection and demonstration.

CSC 584 Artificial Intelligence. (3) A.
Prerequisite: CSC 332 with a minimum grade of "C". This course covers AI fundamentals, including symbolic reasoning techniques and their applications in problem solving, knowledge representation, and natural language processing.

CSC 585 Data Science. (3) A.
Prerequisites: CSC 316 or CSC 322. Advanced topics in data science, including data mining, statistical modeling, and predictive analytics.

CSC 590 Directed Study. (1-6) A.
May be retaken to a maximum of six hours provided the topics are different. Graded on a satisfactory-unsatisfactory basis.

CSC 599 CS Career Preparation. (1) A.
Prerequisite: A grade of "C" or higher in CSC 310 or a grade of "C" or better. Career preparation for students seeking internship or permanent jobs. Job search, resume creation, interview techniques for application of computer science positions.

CTE 164 Orientation to Career and Technical Education. (3) A. Introduction to new technical teachers in areas of principles of instruction, lesson planning, oral instruction, instructional media, demonstrations, evaluation and follow-up. Satisfactory-unsatisfactory grading.

CTE 261 Foundations of Career and Technical Education. (3) A.
For in-service career and technical teachers. A study of the historical, philosophical, economical, sociological, and psychological foundations of career and technical education related to elementary, secondary, and post-secondary education. Credit will not be awarded for both CTE 261 and 262.

CTE 262 Foundations of Career and Technical Education (Pre-Service). (3) A.
Corequisite: EDF 310 (I) - Enrollment in a late term section is required. For pre-service career and technical teachers. A study of the historical, philosophical, economical, sociological, and psychological foundations of career and technical education related to elementary, secondary, and post-secondary education. Credit will not be awarded for both CTE 262 and 261.

CTE 302 New Developments in Industry. (1-6) A.
Concurrent enrollment in approved industry sponsored course. May be retaken to a maximum of six hours provided the topics are different. Graded on a satisfactory-unsatisfactory basis. Only in-service vocational education teachers may enroll.

CTE 303 Career and Technical Education Staff Exchange. (2-9) A.
Prerequisite: departmental approval. For in-service career and technical teachers enrolled in an approved staff exchange program designed to update technical skills and knowledge in an occupational setting. Assignments include verifying contact hours, site visit, narrative summary, and lesson development. First week of exchange is equal to two semester hours of credit with one additional hour of credit for each additional week. Satisfactory-unsatisfactory grading.

CTE 361 Course Materials in Career and Technical Education. (3) A.
The preparation of instructional materials and instructional techniques, including the development and use of instructional media. The content will include the development of curricula at appropriate levels of education and appropriate laboratory activities.

CTE 363 Evaluation in Career and Technical Education. (3) A.
Methods of evaluation, preparation of measuring devices; methods of assessing technical competency; interpretation of standardized test results; statistical analysis of test data and the improvement of instruction.

CTE 364 Methods in Career and Technical Education. (3) A.
Presentation and application of instructional materials, methods, techniques, and devices relevant to teaching technical subjects.

CTE 463 Practicum in Career and Technical Education. (4-12) A.
Prerequisites: CTE 361, 363, 364. Observation, participation and supervised teaching in vocational and technical education. Includes experiences in lesson planning, classroom management, record keeping, development and use of instructional materials and directed teaching in approved centers. Students are graded on a satisfactory-unsatisfactory basis.

DES—Design
Ida Kumoji-Ankir, Chair

DES 250 Introduction to Graphic Design. (3) I, II.
Prerequisites: ART 100 and 152. Introduction to the field of professional graphic design and its conceptual and technical makeup.
Section Seven - Course Descriptions

DES 256 Graphic Design for Non-Majors. (3) A. Prerequisite: ENG 101 or 101R or departmental approval. An introduction to principles and processes of graphic design as a form of visual communication through type, image, color and form. Credit will not be awarded to students who have credit for DES 251.

DES 349 Applied Learning in Art & Design (5-8) A. Work in a professional environment related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours employment required for each semester hour credit. Students must have successfully completed 30 semester hours of course work and transfer students must have completed at least one semester of full-time course work at EKU with a GPA of 2.5.

DES 349 A-N Cooperative Study: Art & Design (5-8) A. Work in a professional environment related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours employment required for each semester hour credit. Students must have successfully completed 30 semester hours of course work and transfer students must have completed at least one semester of full-time course work at EKU with a GPA of 2.5.

DES 350 Typography I. (3) II. Prerequisite: DES 150, Departmental approval and 2.5 GPA in ART, ARH, and DES courses. Corequisite: DES 351. Introduction to the use of letterforms in graphic design and visual culture. Students will research typographic terms and history and will develop an understanding of visual literacy in graphic design.

DES 351 Sophomore Studio. (3) I, II. Prerequisite: DES 250, departmental approval and 2.5 GPA in ART, ARH, and DES courses. Corequisite: DES 350. Exploration of visual communication issues and applications in graphic design. The relationship of visual form to meaning, type and image relationships will be examined.

DES 352 Image Making. (3) II. Prerequisites: DES 250, 351, Major GPA 2.5, and admission to the BFA program. Corequisite: DES 353. An advanced integration of various techniques and materials, both traditional and contemporary, to promote understanding of the importance of imagery within the field of graphic design.

DES 353 Production for Graphic Design. (3) II. Prerequisites: DES 350, 351, Major GPA 2.5, and admission to the BFA program. Coreerequisite: DES 352. Exploration of materials, surface graphics, marketing, and production problems as the refinement and integration of many design principles.

DES 354 Typography II. (3) A. Prerequisites: DES 352, 353, Major GPA 2.5, and admission to the BFA program. Corequisite: DES 451. Advanced study of typography as an expressive medium. Special attention to multi-page document work, advanced issues of typography in scale as well as its usage in new media and alternative situations.

DES 450 Professional Practices in Graphic Design. (3) I, II. Prerequisites: DES 354, 451, Major GPA 2.5, and admission to the BFA program. Corequisite: DES 453. This course examines the professional standards and practices specific to the field of graphic design.

DES 451 New Media. (3) A. Prerequisites: DES 352 and 353, Major GPA 2.5, and admission to the BFA program. Corequisite: DES 354. Introduction to the artistic and technical issues of multimedia through website creation and animation.

DES 453 Senior Workshop in Design. (3) I, II. Prerequisite: DES 354, 451, Major GPA 2.5, and admission to the BFA program. Corequisite: DES 450. Exploration of current issues, technical procedures, and design products.

DES 454 BFA Graphic Design. (3) I, II. Prerequisites: DES 453, Major GPA 2.5, and admission to the BFA program. Corequisite: ART 499. Final phases of the student designer’s transition into the profession. Additional guidance towards portfolio and senior thesis development.

DES 463 Problems in Design. (3-12)
Section Seven - Course Descriptions

Economics of development including: theories of growth, income distribution, investment in human capital, alleviation of poverty; strategies for growth; study of selected countries. Credit will not be awarded for both ECO 395W and 395.

ECO 410 History of Economic Thought. (3) A. Prerequisites: three hours of ECO. The history of economic thought from the days of Adam Smith through Keynes.

ECO 420 Research Methods II. (3) II. Prerequisite: ECO 320 or departmental approval. Problems of heteroscedasticity, serial correlation, and endogeneity in the linear statistical model; nonlinear models and modern time series analysis. Formulation and execution of empirical research project.

ECO 430 Mathematical Economics. (3) A. Prerequisites: three hours of ECO and MAT 124, 211, or 261. Mathematical formulations of economic theories. Models of the consumer, the firm, markets, economic growth, and business cycles.

ECO 560 Special Problems in Economics. (1-4) A. Prerequisite: advisor/departmental approval. Independent work, special workshop, special topics or seminar. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

EDC—Educational Core
Dr. Ginni Fair, Chair

EDC 106 Culturally Responsive Perspectives. (3) I, II. Students will reflect on how concepts of culture, cultural competency and responsiveness, inclusion, and equity intersect in social and professional settings. By better understanding marginalized populations, students can provide culturally responsive services in diverse communities.

EDC 300 Differentiation in Inclusive Classrooms. (3) I, II. Prerequisites: Admission to professional education. Co-requisites: EMS 300W or EMS 300, CED 300. Differentiating instruction for diverse learners in all education settings. Collaboration and planning to address the needs of diverse learners including students with disabilities, English Language Learners, Gifted/Talented, SES. Credit will not be awarded to students who have credit for CED 402. Clinical experiences are required: if students do not make the requisite passing grade of C in the content course, they must repeat that course, and also complete an additional clinical experience).

EDC 314 Engineering in Classroom Context. (3) I, II. Cross-listed as TEC 314. Prerequisites: Admission to professional education or instructor approval. Introduction of engineering and technology to promote basic skills, tool use, materials processing, design capabilities, and product completion. Applications for K-8 classrooms are emphasized. Credit will not be awarded to students who have credit for TEC 314.

EDF—Educational Studies
Dr. Ginni Fair, Chair

EDF 203 Educational Foundations. (3) I, II. Co-requisite: CED 100. An introduction to social and cultural influences on schools, the purposes of schooling, the governance, financing, and administration of schools, and the role of the individual as an educator. Background check. College approved procedure must be ordered and paid for by the first day of class. Credit will not be awarded for both CDF 203 and EDF 203.

EDF 204 Emerging Instructional Technologies. (2) I, II. Technological applications to educational instruction within educational and human services settings. Students examine, develop, and/or evaluate emerging instructional technologies. For individuals interested in exploring technological applications of learning, teaching, and learning.

EDF 205 Creative Learning and Teaching. (3) II. An introduction to the basic theories and principles of creativity as applied to development of your own creative thinking and how teachers, professionals and parents can encourage creativity in others.

EDF 219 Human Development and Learning. (3) I, II. Co-requisite: CED 200. The study of theories and principles of human development and learning as applied to the classroom. Credit will not be awarded to students who have credit for EDF 320 or EDF 219W.

EDF 219W Human Development and Learning. (3) I, II. Co-requisite: ENG 101 or 101R and 102, or HON 105 with a grade of “C” or better, or ENG 105 with a grade of “B” or better. The study of theories and principles of human development and learning as applied to the classroom. Credit will not be awarded to students who have credit for EDF 320 or EDF 219. 

EDF 310 Transition to Education. (1-3) I, II. Prerequisite: Completion of background check prior to the first day of the semester. Candidates will follow the College of Education Licensure and Certification approved procedure. Corequisite: CED 150. EDF 310 is required of candidates who have an equivalent transfer course(s) for [EDF 203, CDF 203] or [EDF 219, CDF 235].

EDF 320 Human Development and Learning for Vocational Education. (3) I, II. The study of theories and principles of human development and learning as applied to the classroom. Credit will not be awarded for both EDF 320 and EDF 319.

EDF 330 U.S. South and Black Education. (3) A. Cross-listed as AFA 330. This course introduces the major themes of educational opportunities in Southern States. Students will acquire knowledge about historical events, people and policies shaping the evolution of Blacks in education. Credit will not be awarded for both EDF 330 and AFA 330.

EDF 413 Assessment in Education. (2-3) I, II. Prerequisite: Admission to Professional Education. Co-requisites: EMS 490 or SED 390 (for DHH/LBD education majors only); and CED 400. Principles and procedures in assessing and evaluating pupil growth in skills, attitudes, aptitudes, and understandings. Assessment construction, analysis, marking systems, and authentic assessment systems will be addressed. Course embedded and school-based clinical practice required: if students do not make the requisite passing grade of C in the content course, they must repeat that course and also complete an additional clinical experience.

EDO—Education Orientation
Dr. Sherry Powers, Dean

EDO 100 Student Success Seminar. (1) I. Designed to orient the student to university academic life and afford background for career choice and preparation. Included are University regulations and calendar, catalog details, registration and preregistration, various career opportunities, and program requirements. Open to all students during their first two semesters of enrollment at EKU; beyond that open to students with fewer than 30 semester hours earned.

EES—Essential Elements of Success
Dr. Charlotte Tanara, Director

EES 250 Basic Social Intelligence Skills (3) I. A. Focus on human relationships and research-based social skills. Students learn to operationalize theories into social intelligence skills and practice initiating, observing, listening, evaluating, and responding in ways that promote positive interactions and relationships. Gen. Ed. E-I/C [OC].

EES 300 Advanced Social Intelligence Skills (3) I, II. Prerequisite: Junior standing. Prerequisite or Corequisite: EES 250 or departmental approval. This is an advanced course that builds on the core skills covered in Basic Social Intelligence Skills. It provides additional knowledge and skills for successfully engaging in more complex social and professional interactions and relationships.

EES 310 Applied Critical Thinking (3) A. Prerequisite: Junior or Senior standing. This course will address the application of critical thinking skills within various fields of study. Students will learn critical thinking skills and how to integrate them into a successful career.

EES 320 Basic Facilitation Skills. (3) A. An introduction to facilitating and maximizing group potential. Students learn and practice basic methods for designing and planning effective meetings, creating and maintaining safe and engaging environments, and stimulating creative and critical thinking within groups.

EES 330 Applied Critical and Creative Thinking (3) I, II. Prerequisite: junior or senior standing. This course addresses the application of critical thinking and creative thinking skills within multiple fields of study. Students will learn critical thinking and creative thinking skills and how to integrate those skills into a successful career

EES 360 Advanced Facilitation Skills. (3) A. Advanced methods and techniques to maximize group potential are taught and practiced, including problem solving, generating actionable ideas, decision-making, conducting meaningful conversations, and safety and constructively addressing controversial issues.

EES 450 Leaders Without Titles (3) I, II. This course focuses on the personal dimensions that are needed to form the foundation of one’s competencies and abilities to lead self and others.

EES 460 The Science and Application of Leadership (3) II. Prerequisite: EES 450. This course provides students opportunities to examine, define, operationalize, and apply universal elements of leadership. Effective leaders need to be knowledgeable and skilled in these elements.

EET—Electricity and Electronics Technology
Dr. Vigny Chandra, Coordinator

EET 251 Electricity and Electronics. (3) I, II. Prerequisite: Completion of math readiness indicator or a minimum math ACT score of 18 or a minimum SAT math score of 490. Principles of basic electricity, circuit operation, and electronics. Topics include electrical components, measurements, power, characteristics of AC/DC, basic circuit laws, circuit simulation, magnetism, energy conversion, and sources. 2 Lec/2 Lab.

EET 252 Digital Electronics. (3) I, II. Prerequisite: Completion of math readiness indicator. A survey of digital electronics fundamentals and applications. Topics include number systems, digital mathematics, logic families, logic gates, multiplexers, demultiplexers, comparators, counters, decoders, displays, and converters. 2 Lec/2 Lab.

EET 253 Microprocessor Control Systems. (3) A. Prerequisite: EET 251 and 252. The operation and application of microprocessor-based control systems in electro-mechanical project environments. Topics include data, address, and control signals; memory; software; interfacing digital and analog devices; ports; and data communications. 2 Lec/2 Lab.

EET 257 Electronic Devices and Circuits. (3) A. Prerequisite: EET 251. An analysis of the characteristics of solid state devices and the common circuits that utilize these devices. Emphasis on problem solving supplemented by laboratory activities and demonstration of electronic circuits and devices. 2 Lec/2 Lab.

EET 351 Programmable Logic Controllers. (3) A. Prerequisite: EET 251 or 252. The study of programmable logic controllers (PLCs). PLC functioning theory, selection, wiring, and programming. 2 Lec/2 Lab.

EHS—Environmental Health Science
Dr. Vonia Grabeel, Chair

EHS 230 EHS Diseases and Hazards of Leisure. (3) II. Provides the student with an understanding of the biological, chemical and physical
threats to health and life from the recreational, amusement, travel and tourist environments.

Environmental Health Science. (3) A. Elements of environmental health, including water and waste treatment, air pollution, food sanitation, vector control, solid waste disposal, and general sanitation practices.

EHS 200 Water and Waste Disposal. (4) I, II. Prerequisite: EHS 280, BIO 320 or MLS 209 and MLS 211. Drinking water safety in both individual private systems and larger public systems. Maintenance of safe water purification, delivery systems, and surveillance. Techniques for collection, treatment, and disposal of sewage also discussed. Credit will not be awarded for students who have credit for EHS 300.

EHS 335 Hazardous and Solid Waste Management. (3) II. Prerequisites: CHE 111, 111L and EHS 280; or departmental approval. Nature of toxic and hazardous wastes and methods for their disposal to protect health and the environment and to prevent contamination of groundwater. The environmental health and safety aspects of solid waste collection, treatment and disposal, and regulations governing waste management are also discussed.

EHS 340 Industrial Hygiene. (3) I, II. Prerequisites: BIO 111, CHE 111, 111L and EHS 280; or departmental approval. The impact of the workplace on safety and health, and methods for avoiding work-related illnesses. Emphasis will be on the evaluation and control of the work environment to protect worker health. Causes and control of industrial hygiene. (3) II. Prerequisite: EHS 340 or departmental approval. In-depth discussion of the chemical and physical hazards of the workplace and their evaluation and to provide hands-on experience in industrial hygiene sampling and analysis.

EHS 349 Applied Learning in Environmental Health Science. (.5-6) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to six hours credit per semester or summer. A minimum of 80 hours work required for academic credit.

EHS 349 A-N Cooperative Study: Environmental Health Science. (.5-6) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to six hours credit per semester or summer. A minimum of 80 hours work required for academic credit.

EHS 355 CBR Terrorism & Environmental Health. (3) II. This course will provide students with environmental health principles required to protect individuals and communities in times of war, general emergencies and disaster, both natural and human, due to chemical, biological, and radioactive threats.

EHS 360 Air Pollution and Health. (4) A. Prerequisites: CHE 112, 112L and EHS 280; or departmental approval. Health effects of air pollution, including a discussion of the primary sources of airborne pollutants, their transport and transformation, the control of air pollution, state and national standards.

EHS 370 Risk Assessment and Environmental Epidemiology. (3) I, II. Prerequisites: EHS 200 and STA 215; or departmental approval. The use of data to define the health effects of exposed individuals or populations to hazardous materials and situations.

EHS 380 Food Hygiene. (3) I, II. Prerequisites: EHS 280 or departmental approval. A study of the health effects of food-borne disease, including an in-depth discussion of the physical, chemical, and biological contaminants that cause an estimated 76 million cases of food-borne illnesses annually in the U.S. An examination of the food processing and food service industry’s failings and efforts to prevent food-borne illness will be the primary focus.

EHS 390 EHS Special Problems in Environmental Health Science. (3-4) A. Prerequisite: departmental approval. For independent work, or special workshops, or special topics as they relate to environmental health issues and problems. May be retaken for maximum of eight hours.

EHS 425 Environmental Health Program Planning. (3) A. Prerequisites: EHS 280 and 335. Administration and evaluation of environmental health programs. Discussion of resources and promotional techniques, and the role of the environmental health specialist dealing with community, state, and regional agencies. (3) II. Prerequisites: CHE 112, 112L and EHS 280; or departmental approval. Health effects and nature of toxic substances with discussion of close-response relationship, latency, target organs, and potential exposures in the environment.

EHS 460 Housing and Institutional Environments. (3) A. Prerequisite: EHS 280 or departmental approval. Coursework EHS 485. Discusses the requirements for healthful housing means of attaining and maintaining these requirements. Reviews environmental health concerns relating to day-care centers, schools, hospitals, nursing homes, and prisons. Describes surveillance, evaluative, and corrective methods.

EHS 463 Field Experience in Environmental Health. (3) A. Prerequisites: EHS 300, 335, 380, and departmental approval. Supervised and directed field experience in local or state environmental health agencies, or with appropriate industries. Eight to twelve weeks full-time required depending on work place.

EHS 485 EHS Professional Practice Seminar. (1) A. Prerequisite: 90 hours. Corequisite: EHS 460. (1) Prerequisite: EHS 300 and departmental approval. LICENCE and EHS curriculum for their required state and national exams. The student will also be taught how to develop professional success strategies and long range career plans.

EHS 498 Independent Study in Environmental Health. (1-3) A. Prerequisite: student must have the independent study proposal approved by faculty supervisor and department coordinator prior to enrollment. Student will work on an environmental health research problem in a supervised situation.

EHS 510 Radiological Health (3) A. Provides the student with the principles of health effects from ionizing radiation, including radiation sources, detection, measurement, control, and safety devices. Student will be able to identify, evaluate and control radiation in the work environment; implement a radiation monitoring program; establish emergency plans for actions to be taken in event of radiological accident; develop risk assessment and communication program. Credit will not be awarded for both EHS 510 and 410.

EHS 530 Environmental Control of Disease. (3) II. Prerequisite: CHE 111 and E. EHS 280. The student will acquire an understanding of the principles, biology, identification, evaluation, and control of vector borne diseases and other emerging/re-emerging diseases of public health concern.

ELE— Elementary Education

Dr. Ginni Fair, Chair

ELE 101 Creative Thinking Through Performance Arts. (3) I, II. Study of elementary music and movement activities/techniques. Perform, reflect, and implement essential age-appropriate musical instruction that highlights the importance of creative music making and the integration of the performing arts in other content areas.

ELE 102 Creative Thinking Through Visual Arts. (3) I, II. Study of elementary art and media techniques. Create, reflect, and implement essential art education programs; establish emergency plans for actions to be taken in event of visual arts accident; develop risk assessment and communication program. Credit will not be awarded for both ELE 101 and 102.

ELE 201 Practical Living (3) I, II. Explores personal wellness, family living, nutrition, safety, psychomotor skills, and lifetime wellness for the elementary grades.

ELE 301 Mathematics Foundations P-5. (3) I, II. Prerequisites: Admission to professional education. MAT 107 or 114 with a grade of “C” or better. An overview of the mathematics state standards for teaching mathematics in grades K-5, and theories and research related to teaching and learning mathematics. Minimum of ten field hours are required.

ELE 302 Language Arts Foundations Grades P-5. (3) I, II. Prerequisite: Admission to professional education. An overview of the language arts, content area standards for teaching language arts, critical thinking skills, and theories and research related to teaching and learning the language arts. A minimum of 10 field hours are required.

ELE 311 Math Content, Pedagogy, & Assessment Grades K-1. (3) I, II. Prerequisites: MAT 112 or 112B College Algebra with a “C” or higher; Admission to professional education. An examination of early numeracy (K-1) and relevant content, standards, instructional practices, and assessments for learners at this developmental stage.

ELE 312 Language Arts Content, Pedagogy, and Assessment Grades K-1. (3) I, II. Prerequisites: ELE 302 with a minimum grade of “C”; admission to professional education. An examination of emergent literacy and relevant content, standards, instructional practices, and assessments for learners at this developmental stage.

ELE 313 Social Studies Curriculum, Pedagogy, and Assessment: US History, Government, Economics (3) I, II. Prerequisite: Admission to professional education. This course teaches the content and pedagogical content knowledge in US History, Government, and Economics including the state and national social studies and social studies curricula and the Common Core State Standards.

ELE 314 Science Content, Pedagogy, and Assessment: Physical Sciences (1) I, II. Prerequisite: Admission to professional education. Co-requisite: CHE 100 PHY 102. Inquiry-based course focusing on content, pedagogy, assessment and materials for teaching physical science concepts in primary through grade five.

ELE 322 Physical Education in the Elementary School. (3) I, II. Prerequisite: EDF 203 with a “C” or higher or EDF 310 with an “S”; admission to professional education. The study of the role of movement for the elementary school child; philosophy, principles, purposes, and programs of elementary physical education. Educational dance, educational gymnastics, and educational games are emphasized.

ELE 361 Art in the Elementary Grades P-5. (3) I, II. Prerequisite: EDF 203 with a “C” or higher or EDF 310 with an “S”; admission to professional education. Fundamental concepts of art education and those found in KERA. Exploration of art materials, processes, and activities for children in the elementary grades including those with special needs. Ten field/ clinical hours.

ELE 362 Music Education for the Classroom Teacher. (3) I, II. Prerequisite: EDF 203 with a “C” or higher or EDF 310 with an “S”; admission to professional education. Study and appraisal of teaching techniques, music literature, learning activities, curricular plans, and materials essential to the developmental sequence of musical learning in the elementary school. Ten field/ clinical hours.

ELE 365 Health Education P-5. (2) I, II. Prerequisite: EDF 203 with a “C” or higher or EDF 310 with an “S”; admission to professional education. A study of curriculum design, teaching/learning strategies, resources, and evaluation procedures in elementary school health education. Topics include drugs, mental health, family living, nutrition, fitness, consumerism, environment, disease, and personal health. Ten field/ clinical hours.

ELE 367 Math Content, Pedagogy, & Assessment Grades 2-3. (3) I, II. Prerequisites: MAT 112 or 112B with a minimum grade of “C”; Admission to professional education. An examination of Mathematics for Primary Grades 2-3 and relevant standards, instructional practices, and assessments for learners at this developmental stage. Minimum of ten field hours are required.

ELE 402 Language Arts Content, Pedagogy, and Assessment Grades 2-3. (3) I, II. Prerequisite:
ELE 302 with a minimum grade of “C”; admission to professional education. An examination of beginning literacy and relevant content, standards, instructional practices, and assessments for learners at this developmental stage. A minimum of 10 field hours are required.

ELE 403 Social Studies Content, Pedagogy, and Assessment: US History, Government, and Civics (3) I, II. Prerequisite: Admission to professional education. An examination of relevant content, state academic standards, instructional practices, and assessments in US history government and civics for elementary P-5.

ELE 404 Science Content, Pedagogy, and Assessment: Earth and Space Sciences (1) I, II. Prerequisite: Admission to professional education. Corerequisite or Corequisite: Based upon course focusing on content, pedagogy, assessment, and materials for teaching earth and space science concepts in primary through grade five.

ELE 411 Math Content, Pedagogy, & Assessment Grades 4-6, (3) I, II. Prerequisites: MAT 112 or 112W with a minimum grade of “C”; Admission to professional education. An examination of fluency in literature and relevant content, standards, instructional practices, and assessments for learners at this developmental stage. Minimum of ten field hours are required.

ELE 412 Language Arts Content, Pedagogy, and Assessment Grades 4-6, (3) I, II. Prerequisites: ELE 319, EDF 319 with a minimum grade of “C”; Admission to professional education. An examination of fluent literary and relevant content, standards, instructional practices, and assessments for learners at this developmental stage. Minimum of ten field hours are required.

ELE 413 Social Studies Content, Pedagogy, and Assessment: World History, Cultures, and Economics (2) I, II. Prerequisite: Admission to professional education. An examination of relevant content, state academic standards, instructional practices, and assessments for world history, cultures, and economics for elementary P-5.

ELE 414 Science Content, Pedagogy, and Assessment: Life Sciences, (1) I, II. Prerequisite: Admission to professional education, and CHE 100/PHY 102 or departmental approval. Corequisite: BIO 101. Inquiry-based course focusing on content, pedagogy, assessment, and materials for teaching life science concepts in primary through grade five.

ELE 420 Creative Thinking Lab; Integrated Arts (1) I. Corequisite: CED 450. Study of integrated early childhood education. The course aims at defining, developing, and applying creative thinking skills as they relate to the Arts, (art, music, drama, and dance) with other content areas (language arts, math, science, social studies, practical living, etc.) and state standards.

ELE 421 Advanced Math Pedagogy and Assessment, (2) I. Prerequisites: CED 400(B); EME 301(C) or MAE 302(C); admission to professional education. Corequisites: CED 450 and ELE 422. Methods and materials of teaching P-5 Mathematics; emphasis on discovering and developing fundamental concepts as a foundation for problem solving.

ELE 422 Advanced Language Arts Pedagogy and Assessment, (2) I. Prerequisites: [EMC 400(B) and EME 400(B) and Elem Ed major]; [or SED 390(C) and CED 400(B) and Spec Ed/Teaching major w/LBD/ELE concentration]; or [SED 260(C) and CED 400(B) and DIH major w/ELE concentration]; admission to professional education. Corequisites: CED 450 and ELE 423. Examination of advanced pedagogical skills for teaching the social studies in grades P-5 with an emphasis on formative and summative assessment to monitor student learning, differentiated instruction, and teacher and student self-assessment.

ELE 424 Advanced Science Pedagogy and Assessment (2, 1-3) I, II. Prerequisites: [EMS 490(C) and CED 400(B) and Elem Ed major]; or [SED 390(C) and CED 400(B) and Spec Ed/Teaching major w/LBD/ELE concentration]; or [SED 390(C) and CED 400(B) and DIH major w/ELE concentration]; admission to professional education. Co-requisites: CED 450 and ELE 421. Modern materials and methods for teaching inquiry-based science in primary through grade five.

ELE 445 Foundations of Reading/Language Arts (3, 1-3) I, II. Cross-listed as EMG 445. Prerequisites: junior standing; 2.75 GPA; and admission to professional education. Corequisite or Prerequisite: EDF 319, 319W, ELE 424, or 445W. An overview of reading/language arts components P-5, teacher competencies, organization and planning for instruction. Twenty field clinical hours. Credit will not be awarded to students who have credit for EME 445 or SED 402. Corequisite: MAT 112 or 112W. Prerequisite or Corequisite: CED 400(B) or CED 450. Modern materials and methods for teaching reading in primary through grade five. A minimum of 15 service-learning hours. Credit will not be awarded for both ELE 492S and ELE 492.

ELE 492S Science in the Elementary Grades P-5, (3, 1-3) I, II. Prerequisites: EDF 319, EDF 413, ELE 490, and admission to professional education. Prerequisite or Corequisite: CED 450. Modern materials and methods for teaching science in primary through grade five. Five discussion-laboratory hours per week. Credit will not be awarded for both ELE 492E and 492S.

ELE 492S Science in the Elementary Grades P-5, (3) I, II. Prerequisites: EDF 319, EDF 413, ELE 490, and admission to professional education. Prerequisite or Corequisite: CED 450. Modern materials and methods for teaching science in primary through grade five. A minimum of 15 service-learning hours. Credit will not be awarded for both ELE 492S and ELE 492.

ELE 493 Social Studies in Elementary Grades P-5, (3, 1-3) I, II. Prerequisites: EDF 319, EDF 413, ELE 490 and admission to professional education. Prerequisite or Corequisite: CED 450. Modern materials and methods for teaching social studies in primary through grade five. A minimum of 15 service-learning hours. Credit will not be awarded for both ELE 492S and ELE 492.

ELE 507 Problems in Elementary Education. (1-3) A. Prerequisite: advisor departmental approval. Independent work, special workshops, special topics, or seminar.

ELE 519 Teaching in the Kindergarten. (3, 1-3) I, II. Focuses upon the kindergarten movement, organization, curriculum, and procedures; leaders and literature of kindergarten education. Opportunity for observing and participating in kindergarten.

EMC—Emergency Medical Care Ms. Nancye Davis, Chair

EMC 104 Healthcare Basic Life Support. (1) I, A. Basic cardiac life support skills for healthcare student or professional in accordance with review American Heart Association (AHA) scientific guidelines. Course completion documentation when AHA requirements met. Maximum 6 enrollments for renewal. 0.25 contact 0.25 Lab.

EMC 105 Survey of Medical Terminology. (1) A. Cross-listed with CSH 105. Independent study, modular design paced by class meetings includes work roots, prefixes, suffixes, and general medical terminology. Credit will not be awarded to students who have previously taken CHS 105 and MAS 200.

EMC 110 Introduction to Emergency Medical Care, (3) I, II, A. Prerequisite or Corequisite: EMC 104 and EMC 110L. Prehospital basic life support concepts for entry level Emergency Medical Technician-Basic adhering to national curricula. Meets eligibility requirements for state certification and national registration cognitive examinations.

EMC 110L Introduction to Emergency Medical Care Laboratory, (2, 1) I, II. Prerequisite or Corequisite: EMC 104 and EMC 110. Prehospital basic life support concepts for entry level Emergency Medical Technician-Basic adhering to national curricula. Meets eligibility requirements for state certification and national registration psychomotor examinations. 4 Lab.

EMC 115 Basic Clinical/Field Experience. (2, 1, A) Prerequisite: departmental approval and Completion of EMT-Basic. Minimum of 24 hours supervised hospital emergency department and prehospital emergency care ambulance clinical experience. Preceptor evaluates basic life support knowledge and skills.

EMC 130 Human Systems for Assessment. (3) A. Overview of human body and its systems as applied to rapid patient assessment and problem identification. Limited to certified paramedic students only.
Section Seven - Course Descriptions

EMC 200 Introduction To Prehospital Advanced Life Support. (3) II, A. Role and responsibilities of EMT-paramedic; components of EMS systems, medical/legal considerations, and communications in advanced and basic life support settings.

EMC 225 Introduction to Pharmacology. (3) I, II, A. Application to classification, nature, and uses of medications. Pharmacological agents utilized in prehospital health care setting emphasized.

EMC 240 Introduction to Electrocadiography. (3) I, II, A. Cardiac anatomy, physiology, and electrophysiology related to ECG. Proficient ECG interpretation skills emphasized.

EMC 300 Emergency Operations and Behavioral Crisis (3) I, II, and A. Introduction to the emergency medical system. Topics include legal and ethical issues; infection control; disaster preparedness; and recognition and care of patients with behavioral emergencies. Credit will not be awarded to students who have credit for EMC 200 or EMC 215.

EMC 305 Prehospital Management of OB/GYN/Pediatric Emergencies (3) I, II and A. Pathophysiology and advanced level assessment and management of OB, GYN, and pediatric patients. Credit will not be awarded to students who have received credit for EMC 205.

EMC 310 Advanced Cardiology. (3) II, A. Prerequisites and/or corequisites: EMC 303 and 335, or departmental approval. Advanced diagnostics, interventions, and management of cardiovascular emergencies to include cardiac resuscitation adhering to the standards of the American Heart Association. AHA ACLS Provider required for course completion. 2 Lec/2 Lab.

EMC 320 Advanced Life Support: Trauma. (3) II, A. Prerequisites: EMC 115, 240, BIO 171, 301. Prehospital management of complex patients with multiple systems failure secondary to trauma related pathologies.

EMC 335 Advanced Life Support: Medical Emergencies I. (3) I, A. Prerequisites: EMC 240, BIO 171, 301, EMC 115, 225, and department approval. Pathophysiology and advanced level prehospital management of emergencies of the respiratory, cardiovascular, endocrine, nervous, gastrointestinal, genitourinary, and reproductive systems.

EMC 336 Case Management I. (1) I, II, A. Prerequisite or Corequisite: EMC 335 and 342 or department approval. Hands-on advanced case management of medical and trauma emergencies using low and high-fidelity patient care simulation.

EMC 340 Advanced Life Support: Medical Emergencies II. (3) II, A. Prerequisite: EMC 335. Pathophysiology and advanced level prehospital management of emergencies involving anaphylaxis, toxicology, alcoholism, drug abuse, infectious diseases, environmental hazards, and pediatric and geriatric patients.

EMC 341 Case Management 2. (1) I, II, A. Corequisite: EMC 340 and 352 or department approval. Advanced case management of medical and trauma emergencies. Ethical thinking, oral critical thinking, practical and didactic assessment. May be retaken up to two hours.

EMC 342 Advanced Clinical I. (3) I, A. Corequisite: EMC 335 and EMC 342L. Integration of basic and advanced life support concepts and psychomotor skills in patient care situations developed through supervised assignments in various hospital settings.

EMC 342L Advanced Clinical I Lab (0) Corequisite: EMC 335 and EMC 342. Integration of basic and advanced life support concepts and psychomotor skills in patient care situations developed through supervised assignments in various hospital settings.

EMC 349 A-N Community Health Education and Preventive Health Services. (3) I, II, A. Work in placements related to academic studies. A minimum of 80 hours of employment is required for each semester credit hour.

EMC 352 Advanced Clinical II. (3) II, A. Prerequisite: EMC 342. Corequisites: EMC 320 and 340 and EMC 352L. Hospital assignments allow continued development and application of cognitive and psychomotor skills in critical situations. Autonomous decision-making skills developed under supervision through increased participation in patient care.

EMC 352L Advanced Clinical I Lab (0) Pre-requisite: EMC 342 and 342L. Corequisite: EMC 340 and EMC 352. Hospital assignments allow continued development of cognitive and psychomotor skills in critical situations. Autonomous decision-making and critical thinking skills in clinical situations developed under supervision through increased participation in patient care.

EMC 360 Internship in Advanced Field Internship. (2) A. Prerequisites: EMC 205, 212, 215, 310, 320, and 352. Minimum 120 hours supervised experience on paramedic ambulance. Progresses from advanced emergency care delivery observation to beginning team member responsibilities.

EMC 362 Advanced Field Internship II. (4) A. Prerequisites or Corequisite: EMC 200, 205, 215, 301. Continuation of supervised experience on advanced life support ambulance. Assumes team member role with progression to team leader. Minimum advanced internship experience requires 75 ALS Contacts.

EMC 380 Advanced Prehospital Theory: Medical. (4) A. Prerequisites: Kentucky Certified EMT- Paramedic and admission to EMC major. Foundation course for paramedic students which focuses on pathophysiological basis for prehospital interventions and management. Includes in-depth history and assessment skills.

EMC 382 Advanced Prehospital Theory: Trauma. (4) A. Prerequisites: Kentucky Certified EMT- Paramedic and admission to EMC major. Foundation course for paramedic students which focuses on pathophysiological basis for prehospital interventions and management in trauma settings. Includes in-depth history and assessment skills.

EMC 389 Special Topics: Emergency Care Systems Management. (1 – 3) I, II, A. Prerequisite or Corequisite: EMC 320, 335 and 342 or departmental approval. Development and presentation of research in contemporary methods, techniques, practices, and devices in the field. May be retaken under different topics to a maximum of 12 hours.

EMC 400 Emergency Care Systems Management. (3) I, II, A. Prerequisite: ENG 300 or FSE 200. EMS systems design and typical agency divisions, including operations, communications, training and customer service. Projects focus on system design, training and efficiency.

EMC 420 Emergency Services Design and Budget. (3) A. Prerequisite or corequisite: EMC 300 or FSE 200 or departmental approval. Identify and compare issues with staffing, operations, communications, training and mission with various EMS systems models. Develop and revise sample budgets for EMS systems.

EMC 430 Legal and Ethical Aspects of Emergency Services. (3) A. Prerequisite: departmental approval. Examination of legal and ethical decisions made in emergency services. Issues of diversity, expanded health care settings, aging population, and others will be explored.

EMC 430W Legal and Ethical Aspects of Emergency Services. (3) A. Prerequisite: departmental approval. Examine and apply moral and ethical decisions made in emergency services. Includes discussion of expanded health care settings, aging population, and others will be explored. Credit will not be awarded for both EMC 430W and EMC 430.

EMC 440 EMS Instruction. (3) A. Prerequisite: departmental approval. Introduction to the principles involved in EMS adult learning. Roles, issues, domains of learning, and instruction models will be emphasized. Organization and planning for the EMS community including diverse learning populations and regulations.

EMC 450 Disaster Medical Operations. (3) A. Emergency medical communications, cooperation and support in response to a natural or human-made disaster. Planning, delivery and recovery of medical systems by various local, state and federal agencies and the private sector.

EMC 480 Topics in Emergency Medicine. (3) I, II, A. Investigation into the pathophysiology of traumatic and medical emergencies which applies to the latest trends in recognition and management.

EMC 489 Introduction to Research Methods. (3) A. Prerequisites: ENG 300 or FSE 300, and FSE 200. Introduction to basic research concepts and methodologies used in emergency services and public agency practitioners and educators. This includes foundational principles of statistical analyses and application, as well as human subjects protections.

EME—Elementary and Middle Grade Dr. Ginny Fair, Chair

EME 301 Mathematical Concepts for P-9. (3) I, II, A. Cross-listed as MAE 302. Prerequisites: Admission to professional education; MAT 112 or 112B or higher and MAE 202 each with a grade of “C” or better. Concepts beyond algorithmic computation are emphasized. Topics include algebraic expressions, graphing and linear problems solving and geometry. Credit will not be awarded to students who have credit for MAE 302.

EME 313 Interdisciplinary Approach to Social Studies Teaching. (3) I, II, A. Prerequisite: Admission to professional education. World history, economics, geography, anthropology and sociology content in an interdisciplinary context and research instructional strategies appropriate for the K-8 classroom. Credit will not be awarded to students who have credit for ELE 313.

EME 361 Art Teaching Grades P-5. (3) I. Cross-listed as AED 361. Prerequisites: AED 360 or department approval, and admission to professional education. Developmentally appropriate curriculum, materials, and methods for grades P-5. Minimum of 10 field/clinical hours. Credit will not be awarded for both EME 361 and AED 361.

EME 378 Teaching Music in Grades P-8. (3) II. Cross-listed with MUE 378. Prerequisites: admission to professional education, major in music. Co-requisite: CED 400. Developmentally appropriate materials and methods for teaching P-8 music. Credit will not be awarded to students who have credit for MUE 378.

EME 442 Teaching Foreign Language in Grades P-8. (3) I. Prerequisites: admission to professional education, major in foreign language. Developmentally appropriate curriculum, materials, and methods for the P-8 foreign language program. Credit will not be awarded to students who have credit for MUE 378.

EME 452 Teaching Grammar and Punctuation in Grades P-8. (3) I, II, A. Prerequisite: admission to professional education, major in foreign language. Developmentally appropriate curriculum, materials, and methods for the P-8 foreign language program. Credit will not be awarded to students who have credit for MUE 378.

EME 452 Teaching Grammar and Punctuation in Grades P-8. (3) I, II, A. Prerequisite: admission to professional education, major in foreign language. Developmentally appropriate curriculum, materials, and methods for the P-8 foreign language program. Credit will not be awarded to students who have credit for MUE 378.
awarded to students who have credit for EME 552.

EME 465 Teaching Physical Education in P-8 (3) A. Prerequisites: admission to professional education, PHE 323, major in physical education. Developmentally appropriate materials and methods for teaching P-8 physical education. Minimum of 20 field/clinical hours.

EME 551 Linguistics in the Curriculum, (3) A. Prerequisites: admission to professional education. Investigation of elements in the science of linguistics and their application to communication of students.

EME 580 Health Education P-8 (3) A. Prerequisites: admission to professional education, major in school health. Developmentally appropriate curriculum, materials, and methods for the health P-8 program. Minimum of 20 field/clinical hours.

EMG—Middle Grade Education

Dr. Ginni Fair, Chair

EMG 349 Applied Learning: Middle School Teaching, (1) I. Corequisite: EMG 447. Collaborate with teachers in middle level classroom(s) and assist with instructional planning and teaching. Minimum of 80 hours of field/clinical experiences.

EMG 430 Middle Grade Curriculum, (3) I, II. Prerequisites: admission to professional education, EDF 319 with a “C” or higher. Corequisite: EMG 349R. An examination of the curriculum and the responsibilities of teaching in the middle level.

EMG 445 Foundations of Reading/Language Arts, (3) I, II. Cross-listed as ELE 445. Prerequisites: junior standing, 2.75 GPA; admission to professional education. A prerequisite/corequisite: EDF 319, 319W, 219, or 219W. An overview of reading/language arts components 5-9, teacher competencies, organization and planning for instruction. Twenty hours of field/clinical experiences. Credit will not be awarded to students who have credit for ELE 445, EMG 445W, ELE 445W, or ELE 302.

EMG 445W Foundations of Reading/Language Arts, (3) I, II. Cross-listed as ELE 445W. Prerequisites: junior standing, 2.75 GPA, ENG 101 or 101R and 102, or HON 102 with a grade of “C” or better, or ENG 105 with a grade of “B” or better; admission to professional education program. Prerequisite/corequisite: EDF 319, 319W, 219, or 219W. An overview of reading/language arts components 5-9, teacher competencies, organization and planning for instruction. Twenty hours of field/clinical experiences. Credit will not be awarded to students who have credit for ELE 445W, ELE 445, EMG 445, or ELE 302.

EMG 491 Mathematics in the Middle Grades, (3) I, II. Prerequisites: admission to professional education and [EDF 413 (C) and EMS 490 (C) and CED 400 (B) and Middle Grades major]; or [SED 350 (C) and SED 390 (C) and CED 400 (B) and Spec Ed/Teaching major w/EMG concentration]; or [SED 510 (C), SED 390 (C) or EMS 490 (C), CED 400 (B), and DIHJ major w/EMG concentration]. Corequisite: CED 450. Appropriate materials and methods for teaching mathematics in the middle grades. Candidates must have completed (or be completing) at least 18 hours of science courses in order to be eligible for this methods course.

EMG 494 English and Communication in the Middle Grades, (3) I, II. Prerequisites: admission to professional education and [EDF 413 (C) and EMS 490 (C) and CED 400 (B) and Middle Grades major]; or [SED 350 (C) and SED 390 (C) and CED 400 (B) and Spec Ed/Teaching major w/EMG concentration]; or [SED 510 (C), SED 390 (C) or EMS 490 (C), CED 400 (B), and DIHJ major w/EMG concentration]. Corequisite: CED 450. Appropriate materials and methods for teaching social studies in the middle grades. Candidates must have completed (or be completing) at least 18 hours of science courses in order to be eligible for this methods course.

EMG 494W English and Communication in the Middle Grades, (3) I, A. Prerequisites: admission to professional education and [EDF 413 (C) and EMS 490 (C) and CED 400 (B) and Middle Grades major]; or [SED 350 (C) and SED 390 (C) and CED 400 (B) and Spec Ed/Teaching major w/EMG concentration]; or [SED 510 (C), SED 390 (C) or EMS 490 (C), CED 400 (B), and DIHJ major w/EMG concentration]. Corequisite: CED 450. Appropriate materials and methods for teaching social studies in the middle grades. Candidates must have completed (or be completing) at least 18 hours of science courses in order to be eligible for this methods course.

EMG 494Y English and Communication in the Middle Grades, (3) I, A. Prerequisites: admission to professional education. Corequisites: EDF 413 (C) and EMS 490 (C) and CED 400 (B) and Middle Grades major; or [SED 350 (C) and SED 390 (C) and CED 400 (B) and Spec Ed/Teaching major w/EMG concentration]; or [SED 510 (C), SED 390 (C) or EMS 490 (C), CED 400 (B), and DIHJ major w/EMG concentration]. Corequisite: CED 450. Study of effective teaching techniques, strategies and materials for middle grade English/communication skills. Credit will not be awarded for both EMG 494 and EMG 494W. Candidates must have completed (or be completing) at least 18 hours of English/Language Arts content in order to be eligible for this methods course.

EMG 507 Problems in Middle Grade Education, (3) I, II. Prerequisites: admission to professional education, [EDF 413 (C) and EMS 490 (C) and CED 400 (B) and Middle Grades major]; or [SED 350 (C) and SED 390 (C) and CED 400 (B) and Spec Ed/Teaching major w/EMG concentration]; or [SED 510 (C), SED 390 (C) or EMS 490 (C), CED 400 (B), and DIHJ major w/EMG concentration]; and grade of “C” or higher in ENG 101 or 102 and ENG 105 with a grade of “B” or higher. Corequisite: CED 450. Study of effective teaching techniques, strategies and materials for middle grade English/communication skills. Credit will not be awarded for both EMG 494 and EMG 494W. Candidates must have completed (or be completing) at least 18 hours of English/Language Arts content in order to be eligible for this methods course.

EMG 567 Curriculum and Instructional Strategies for Home Economics in the Middle Grades, (3) A. Prerequisites: certification in home economics. Study of curriculum content, instructional materials, and strategies appropriate for home economics instruction in the middle grades.

EMS—Elementary, Middle Grade, and Secondary Education

Dr. Ginni Fair, Chair

EMS 300W Curriculum and Instructional Design— (1-3) A. Prerequisites: ENG 101 or 101R(C) and 102(C), and ENG 105 with a grade of “B” or higher or HON 102(C), EDF 203, 219 or 219W and admission to Professional Education. Co-requisite: CED 300 and EDC 300(C). Workshops, independent research, and assessment on instructional design for home economics. Credit will only be awarded for either EMS 300 or EMS 300W.

EMS 300W Curriculum and Instructional Design (1-3) Prerequisites: ENG 101 or 101R(C) and 102(C), and ENG 105 with a grade of “B” or higher or HON 102(C), EDF 203, 219 or 219W and admission to Professional Education. Co-requisite: CED 300 and EDC 300(C). Workshops, independent research, and assessment on instructional design for home economics. Credit will only be awarded for either EMS 300 or EMS 300W.

EMS 364S Service Learning as Pedagogy, (3) A. Cross-listed as ENV 564S. Prerequisites: Junior-level standing, ENG 102 or 102R or ENG 105(B) or HON 102, and MAT 105, or departmental approval. Classroom service learning strategies and techniques will be modeled. Discussion about practical application and reflection on class activities will follow. An environmental service learning project will be planned and carried out during the course. Credit will only be awarded for either EMS 564S or ENV 564S.

EMS 561 Environmental Education Essentials, (3) A. Cross-listed as EMS 561. Prerequisites: Junior-level standing, ENG 102 or 102R or ENG 105(B) or HON 102, and MAT 105, or departmental approval. This course delves into the philosophy, historical development, resource identification, and curriculum development of environmental education. Credit will only be awarded for either EMS 561 or ENV 561.

EMS 563 Teaching Environmental Education (3) SUMMER ONLY. Prerequisites and materials for effective environmental education in a variety of settings. Credit will not be awarded for both EMS 563 and EMS 763.

EMS 565S Teaching in the Outdoors (3) SUMMER ONLY. Formerly EMS 565S. Basic principles of outdoor teaching will be combined with outdoor skills and an environmental service learning investigation. Due to its content, this will be taught in workshop format during the summer semester. Credit will only be awarded to students who have credit for EMS 765S or 864S.

EMS 575 Methods and Materials for Teaching English as a Second Language, (3) A. The study of effective methods and materials for teaching English as a Second Language (TESL). Thirty hours of field experiences are required.

EMS 576 Assessment Methods for ELLs (3) H. Prerequisite: EDF 413 This course is designed to
examine the major principles and methods of assessment for English Language Learners, including standardized testing, classroom performance, and responsive assessment. Sociocultural issues related to assessment will also be explored. (20 hours of clinical experience required.) Credit will not be awarded to students who have credit for EMS 577. ENGL 577 Cultural Competency with EL/Ls (3) (II). The purpose of this course is to help educators develop awareness of the implications of cultural and linguistic diversity for school success as well as effective techniques for working with immigrant students and families. Credit will not be awarded to students who have credit for EMS 777. 

ENG—English

Dr. James Keller, Chair

ENG 100 English for Non-Native Speakers. (3) A. Review and practice of English for non-native speakers. Review of English grammar with intensive practice of academic language skills in listening, speaking, reading, and writing. Required of non-native speakers on basis of department placement exam. 1-2 credit hours.

ENG 101 Reading, Writing and Rhetoric. (3, 1, II). Prerequisite: Completion of English readiness indicator or ACT English subscore of 18 or higher. A writing course developing critical reading skills while integrating and responding to varied sources; composing texts including summaries, analyses, evaluations, responses, and arguments; emphasizing style, organization, coherence, purpose, and persuasion for different audiences. Credit will not be awarded to students who have credit for ENG 101R. Gen. Ed. E-1A [WC].

ENG 101R Reading, Writing and Rhetoric (Supported) (4) I, II. Prerequisite: ACT score of 14-17 on English and 14-19 on Reading. Additionally, students with an English ACT score of 18 or higher will be placed in ENG 110R if their ACT Reading score is 14-19. A writing course developing critical reading skills while integrating and responding to varied sources; composing texts including summaries, analyses, evaluations, responses, and arguments; emphasizing style, organization, coherence, purpose, and persuasion for different audiences. Students are required to meet 1 hour per week outside of classtime with a Writing Fellow. Students who fail the class will retake ENG 101R. Credit will not be awarded to students who have credit for ENG 101. Gen. Ed. E-1A [WC].

ENG 102 Research, Writing and Rhetoric. (3, 1, II). Prerequisite: ENG 101C or ENG 101RA. A writing course refining components of ENG 101/101R studying information sources and research methods; accessing, critically reading, evaluating, integrating, and documenting primary and secondary sources; utilizing information technology for inquiry, analysis, and argumentation. Credit will not be awarded for both ENG 102 and ENG 102R. Gen. Ed. E-1B [WG].

ENG 102R Research, Writing and Rhetoric (Supported) (4) I, II. Prerequisite: ENG 101R (C). A writing course refining components of ENG 101R studying information sources and research methods; accessing, critically reading, evaluating, integrating, and documenting primary and secondary sources; utilizing information technology for inquiry, analysis, and argumentation. Credit will not be awarded to students who have credit for ENG 102. Gen. Ed. E-1B [WG].

ENG 105 First Year Writing Seminar. (3, 6) I, II. Prerequisite: ACT English subscore of 28 or SAT verbal score of 660 or above. Accelerated writing course, critical reading and rhetorical approaches for various purposes and audiences. Students will access, evaluate, integrate, and document primary and secondary sources while utilizing technology for inquiry, analysis, and argumentation. Proficiency exam required. Students who matriculate will receive six hours credit for ENG 105; students with “C” or “D” will receive three hours credit for ENG 105 and must take ENG 102 or 102R. Gen. Ed. E-1A [WC].

ENG 110 Introduction to Literature. (3) I, II. Prerequisite: completion of reading and writing academic readiness indicators. Developing reading strategies to better engage students in a variety of literary texts from a variety of cultures and historical periods. Gen. Ed. E-3B [AH].

ENG 200 Topics in English. (1-3) I, II. Prerequisite: ENG 102 or 102R or 105 or HON 102. Study of selected works of significant literary merit and history. Gen. Ed. E-3B [AH].

ENG 205 English Literature and the Environment. (3) A. Cross-listed as ENV 208W. Prerequisite: ENG 102 or 102R or 105 (B) or HON 102. Writing-intensive study of the human-environmental connection as expressed in literature, including attention to environmental sustainability and personal responsibility to the natural world. May be retaken with different topics to a maximum of six hours. Gen. Ed. E-3B [AH].

ENG 210 Enjoying Literature. (3, I, II. Prerequisite: ENG 102 or 102R or 105 or HON 102. Understanding and enjoying the distinctive aesthetic qualities, forms and meanings of literary works within both cultural and ethical contexts. Credit will not be awarded for both ENG 210 and 210W. Gen. Ed. E-3B [AH].

ENG 211 Survey of World Literature I. (3, I, II. Prerequisite: ENG 102 or 102R or 105 or HON 102. Selected readings from masterpieces of world literature from ancient times through the Renaissance. Credit will not be awarded for both ENG 211 and 211W. Gen. Ed. E-3B [AH].

ENG 211W Survey of World Literature I. (3) I, II. Prerequisite: ENG 102 or 102R or 105 or HON 102. Selected readings from masterpieces of world literature from ancient times through the Renaissance. Credit will not be awarded for both ENG 211 and 211W. Gen. Ed. E-3B [AH].

ENG 212 Survey of World Literature II. (3, I, II. Prerequisite: ENG 102 or 102R or 105 or HON 102. Selected readings from masterpieces of world literature from the 17th century to the present. Credit will not be awarded for both ENG 212 and 212W. Gen. Ed. E-3B [AH].

ENG 212W Survey of World Literature II. (3) I, II. Prerequisite: ENG 102 or 102R or 105 or HON 102. Selected readings from masterpieces of world literature from the 17th century to the present. Credit will not be awarded for both ENG 212 and 212W. Gen. Ed. E-3B [AH].

ENG 235 British and American Literature Survey I (3). Prerequisite: ENG 102 or 102R or 105 (B), or HON 102. A study of selected significant texts, genres, historical trends, and cultural influences in British and U.S. literature in English from the 17th to the 19th centuries. Credit will not be awarded to students who have credit for ENG 352.

ENG 236 British and American Literature Survey II (3). Prerequisite: ENG 102 or 102R or 105 (B), or HON 102. A study of selected significant texts, genres, historical trends, and cultural influences in British and U.S. literature in English from the 17th to the 19th centuries. Credit will not be awarded to students who have credit for ENG 352.

ENG 308 The Bible as Literature. (3) A. Prerequisite: ENG 102 or 102R or 105 (B), or HON 102. A study of selected significant texts, genres, historical trends, and cultural influences in British and U.S. literature in English from the 17th to the 19th centuries. Credit will not be awarded to students who have credit for ENG 352.

ENG 310 Understanding and enjoying the distinctive aesthetic qualities, forms and meanings of literary works within both cultural and ethical contexts. Credit will not be awarded for both ENG 210 and 210W. Gen. Ed. E-3B [AH].

ENG 321 Mythology. (3, I, II. Prerequisite: ENG 102 or 102R or 105 or HON 102. Study of representative ancient and traditional mythologies and their cultural significance. Credit will not be awarded for both ENG 321 and 321W. Gen. Ed. E-3A [AH].

ENG 322 Survey of World Literature II. (3, I, II. Prerequisite: ENG 102 or 102R or 105 or HON 102. Study of selected significant texts, genres, historical trends, and cultural influences in British and U.S. literature in English from the 17th to the 19th centuries. Credit will not be awarded to students who have credit for ENG 352.

ENG 324 Understanding and enjoying the distinctive aesthetic qualities, forms and meanings of literary works within both cultural and ethical contexts. Credit will not be awarded for both ENG 210 and 210W. Gen. Ed. E-3B [AH].

ENG 330 Introduction to Technical and Professional Writing. (3) A. Prerequisite: ENG 102 or 102R or 105 or HON 102. Introductory course in principles of effective writing for professions and technical fields. Experience in writing with technology for various purposes and audiences relevant to students’ career interests. Credit will not be awarded for both ENG 330 and 330S. Gen. Ed. E-3A [AH].

ENG 330S Intro to Tech/Prof Writing. (3) A. Prerequisite: ENG 102 or 102R or 105 (B) or HON 102. Introductory course in principles of effective writing for professions and technical fields. Experience in writing with technology for various purposes and audiences relevant to students’ career interests. Students will work on writing projects with schools or other non-profit organizations. Credit will not be awarded for both ENG 330 and 330S.

ENG 335 Intro to Tech/Prof Writing. (3) A. Prerequisite: ENG 102 or 102R or 105 or HON 102. Study of selected early modern plays from Ibsen to the present. Credit will not be awarded for both ENG 335W and ENG 335 Gen. Ed. E-3A [AH].

ENG 335W Modern Drama (3). Prerequisite: ENG 102 or 102R or 105 (B) or HON 102. Study of selected early modern plays from Ibsen to the present. Credit will not be awarded for both ENG 335W and ENG 335 Gen. Ed. E-3A [AH].

ENG 337 The Bible as Literature. (3) A. Prerequisite: ENG 102 or 102R or 105 or HON 102. Study of selected significant texts, genres, historical trends, and cultural influences in British and U.S. literature in English from the 17th to the 19th centuries. Credit will not be awarded to students who have credit for ENG 352.
ENG 349 Applied Learning in English. (5-6) A. Prerequisite: departmental approval. Work in placements related to academic studies. Eight to sixteen hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

ENG 350 American Literature I. (3) I, II. Prerequisite: ENG 102 or 102R or HON 102. A study of selected works by representative authors reflecting the chronological development of American literature from its beginnings to 1865.

ENG 351 American Literature II. (3) I, II. Prerequisite: ENG 102 or 102R or HON 102. A study of selected works by representative authors reflecting the chronological development of American literature from 1865 to the present. Credit will not be awarded for both ENG 351 and ENG 351W.

ENG 351W American Literature II. (3) I, II. Prerequisite: ENG 102 or 102R or HON 102. A study of selected works by representative authors reflecting the chronological development of American literature from 1865 to the present. Credit will not be awarded for both ENG 351W and ENG 351.

ENG 352 American Literature III. (3) I, II. Prerequisite: ENG 102 or 102R or HON 102. A study of selected works by representative authors reflecting the chronological development of American literature from the Romantic period to the present. Credit will not be awarded for both ENG 352 and ENG 352W.

ENG 353 English Literature II. (3) I. Prerequisite: ENG 102 or 102R or HON 102. A study of selected works by representative authors reflecting the chronological development of English literature from its beginnings through the eighteenth century.

ENG 355 English Literature II. (3) I. Prerequisite: ENG 102 or 102R or HON 102. A study of selected works by representative authors reflecting the chronological development of English literature from the Romantic period to the present. Credit will not be awarded for both ENG 355 and 355W.

ENG 356 English Literature II. (3) I. Prerequisite: ENG 102 or 102R or HON 102. A study of selected works by representative authors reflecting the chronological development of English literature from the Romantic period to the present. Credit will not be awarded for both ENG 356W and ENG 356.

ENG 359 Kentucky Literature. (3). A. Prerequisite: ENG 351W and 102R or HON 102. A study of Kentucky's literary tradition from its beginning to the present; emphasis on Elizabeth Maddox Roberts, Allen Tate, Harriet Arnow, and Robert Penn Warren.

ENG 360 Literatures of Africa. (3) A. Cross-listed as AFA 360. Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Survey of the genres and components of African literature, oral and written; study of how key concepts in African thought, culture and experiences are reflected in the literatures composed by writers from Africa or of African origin. Credit will not be awarded for both ENG 360 and AFA 360. Gen. Ed. E-6 [GE].

ENG 361 African-American Literature. (3) A. Cross-listed as AFA 361. Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Survey of the development of African-American literary traditions. Credit will not be awarded to students who have credit for AFA 361 or ENG 342. Gen. Ed. E-6 [GE].

ENG 362 North American Native Literature. (3) A. Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. A study of representative literature written by North American Native authors. Gen. Ed. E-6 [GE].

ENG 364 Women's Literature. (3) A. Cross-listed as WGS 364. Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Study of selected literature by women writers from varying cultures, genres, and periods. Credit will not be awarded to students who have credit for WGS 364 or ENG 535. Gen. Ed. E-6 [GE].

ENG 365 Appalachian Literature. (3) A. Cross-listed as APP 365. Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Study of selected Appalachian artists, with emphasis on interdisciplinary, cultural, and aesthetic concerns raised in works by writers such as Arnow, Berry, and Still. Credit will not be awarded to students who have credit for ENG 356W, APP 356 or 366W, or HON 102. Study of selected Appalachian artists, with emphasis on interdisciplinary, cultural, and aesthetic concerns raised in works by writers such as Arnow, Berry, and Still. Credit will not be awarded to students who have credit for ENG 365, APP 365 or APP 366W. Gen. Ed. E-3B and E-6 [A] [H] [GE].

ENG 366 Queer Theory and Literatures. (3) A. Prerequisite: Cross-listed as WGS 366. ENG 102 or 102R or HON 102. Examination of trends in Queer Theory; study of major contributors to the field such as Foucault, Butler, and Sedgwick; application of theoretical models to literary and cinematic texts. Credit will not be awarded to students who have credit for WGS 366. Gen. Ed. E-6 [GE].

ENG 367 African Caribbean Literatures. (3) A. Prerequisites: ENG 102 or 102R or HON 102. A study of selected literatures written by Caribbean writers of African descent. Credit will not be awarded for both ENG 367 and ENG 367W. Gen. Ed. E-6 [GE].

ENG 368 Shakespeare at War. (3) A. Prerequisite: ENG 102 or 102R or HON 102. An exploration of the causes and consequences of war in a selection of Shakespeare's plays. Students will also examine how political power is gained, kept, and lost through warfare in these plays.

ENG 368W War & Peace in Lit Since 1900. (3). A. Prerequisite: ENG 102 or 102R or HON 102. Exploration of major literary works in the war and peace in literature since 1900, structured chronologically, beginning with World War I and moving into the contemporary world.

ENG 400 Advanced Technical Writing and Document Production. (3) A. Prerequisites: ENG 102 or 102R or HON 102. Advanced in technical communication. Emphasis on theories of technical writing and writing with technology, document development and evolving communication literature.

ENG 405 Introduction to Composition Studies. (3). A. Prerequisite: ENG 310. An introductory course surveying theories of composition and applying these theories to the instruction of composition.

ENG 406 Advanced Fiction Writing. (3) A. Prerequisite: ENG 306. Specialized study of a selected genre (e.g., poetry, short story, screenplay) or approach to creative writing. Theory and practice. May be retaken to a maximum of nine hours provided each topic is different.

ENG 407 Poetry Writing Workshop. (3) A. Prerequisite: ENG 306. Advanced study in the techniques of writing poetry.

ENG 408 Advanced Fiction Workshop. (3) A. Prerequisite: ENG 306. Advanced writing workshop in fiction, with supplementary reading in genre. Weekly writing and critiques of student work. Analysis of the writing market.

ENG 409 Creative Nonfiction Workshop. (3) A. Prerequisite: ENG 306 or departmental approval. Theory, models, and advanced practice in such areas as autobiographical writing, the personal essay, “on assignment” research projects, and interviewing techniques.

ENG 410 Grammar, Traditional and Modern. (3) A. Prerequisite: ENG 102 or 102R or HON 102. Grammatical structure of American English and present-day terminology used to describe that structure; analysis of the linguistic and grammatical theories underlying contemporary grammar texts.

ENG 420 Stylistics, Editing, Publishing. (3) A. Prerequisite: ENG 102 or 102R or HON 102. Development of prose style through analysis, practice, and editing. Fundamentals of online and hardcopy publishing, including surveying the markets, and preparing and submitting manuscripts.

ENG 430 Dramatic Literature. (3) A. Cross-listed as THE 430. Prerequisite: ENG 310 or departmental approval. Survey of the major periods and movements of world dramatic literature.

ENG 440 Young Adult Literature. (3) A. Prerequisite: ENG 310 or departmental approval. A survey of literature for young adults intended for Secondary English Teaching majors. Critical approaches will be applied to contemporary and significant early texts. Pedagogical approaches will be modeled.

ENG 452 American Romanticism. (3) A. Prerequisite: ENG 310 or departmental approval. A study of the American Realistic movement from the late nineteenth century through the 20th century, concentrating upon selected major authors from Twain to the present.

ENG 455 American Fiction Since 1900. (3) A. Prerequisites: ENG 310 or departmental approval. Survey of representative American novels and short stories of the twentieth and twenty-first centuries.

ENG 470 Chaucer and His Age. (3) A. Prerequisites: ENG 310 or departmental approval. A study of selections from Chaucer, the Pearl poet, Langland, Malory, medieval drama, and lyrics.

ENG 472 Renaissance Literature. (3). A. Prerequisites: ENG 310 or departmental approval. A study of Tudor poetry and prose and Elizabethan and early Stuart drama, exclusive of Shakespeare.

ENG 474 Shakespeare. (3) A. Prerequisite: ENG 310 or departmental approval. Study of Elizabethan England as a background for Shakespeare’s works; extensive reading of several plays; intensive reading of selected drama and poetry.

ENG 476 Milton and His Age. (3) A. Prerequisites: ENG 310 or departmental approval. A study of Milton’s works, Cavalier and Metaphysical Poetry, the masque, and prose of the period.

ENG 478 Restoration and Eighteenth Century Literature. (3) A. Prerequisites: ENG 310 or departmental approval. British poetry, prose, and drama of the Restoration and 18th century with emphasis on Dryden, Swift, Pope, and Johnson.

ENG 480 Romantic Literature. (3). A. Prerequisites: ENG 310 or departmental approval. Survey of British poetry, essays, and fiction of the Romantic period.

ENG 482 Victorian Literature. (3) A. Prerequisites: ENG 310 or departmental approval. Survey of British poetry, essays, and fiction of the Victorian period.

ENG 485 British Fiction Since 1908. (3) A. Prerequisites: ENG 310 or departmental approval. Survey of representative British novels and short stories of the twentieth and twenty-first centuries.

ENG 490 Creative Writing Capstone. (3) I, II. Prerequisites: ENG 306 and at least 3 credit hours in the following courses: ENG 406, 407, 408, 409, 502, 503, 504. Portfolio creation, assessment, and career guidance.

ENG 491 Technical Writing Capstone. (3) I, II. Prerequisites: ENG 300 and Junior status. Provides special technical writing practice for students in appropriate positions with area businesses and industries.

ENG 492 English Language Capstone. (3) A. Prerequisite: ENG 310 and Junior status. A study of English, past and present, historical and social factors, with an emphasis on major revision of an analytical paper. Discussion of graduate school and career options in the major.
ENG 495 Independent Study. (1-3) A. Prerequisites: ENG 310 or departmental approval. Individual study and/or research on a problem pertaining to literature or language. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

ENG 500E Topics in Professional Writing: (3) A. Prerequisites: ENG 310 and one additional ENG course; or departmental approval. Study and practice in selected areas of professional writing. May be retaken with different topics to a maximum of six hours.

ENG 502 Advanced Creative Writing. (3) A. Prerequisites: ENG 310 and departmental approval. One week course of lectures and discussions by faculty, and visiting writers. Each student must submit a short story, a one-act play, four poems, or equivalent. May be retaken for a maximum of three hours.

ENG 504 Creative Writing Mentorship. (2) SUMMER Prerequisites: Corequisites: Corequisites: ENG 503. Corresponding with instructor online and in conference, students will continue to develop projects begun in ENG 503.

ENG 510 Introduction to Linguistic Theory. (3) A. Prerequisites: ENG 102 or 102R or 105 or HON 102, and one additional ENG course. An introduction to current linguistic theory and practice.

ENG 515 English as a Second Language. (3) A. Prerequisites: ENG 102 or 102R or 105(B) or HON 102, and one additional ENG course. Introduction to theories advanced to explain the learning of English as a second language.

ENG 520 History of the English Language. (3) A. Prerequisites: ENG 102 or 102R or 105(B) or HON 102, and one additional ENG course. Study of the history of the English language in terms of social, historical, and linguistic forces from which it developed into modern English.

ENG 530 Topics in a Genre: (3) A. Prerequisites: ENG 310 and one additional literature course; or departmental approval. Study of a designated literary genre, such as the novel, epic poetry, classical drama, or popular literature genre. May be retaken with different topics to a maximum of six hours.

ENG 550 Topics in Literature: (3) A. Prerequisites: ENG 310 and one additional literature course; or departmental approval. An intensive study of a particular aspect of literature such as the influence of literary form, or contemporary directions/experiments. May be retaken with a different topic to a maximum of six hours.

ENR—Learning Skills

ENR 112 Academic Literacy and Learning. (3) I, II. Prerequisite: completion of all ENR academic readiness indicators and 59 hours or fewer. Provides practice in critical reading of arts and humanities texts. Students examine ways that writers express culturally relevant themes and concepts in various genres. Emphasis on critical reading, writing, and learning practices.

ENR 115 Learning Dynamics. (1) I, II. Five-week course concentrates on learning techniques for efficient and effective study of college reading materials. Emphasis on learning, storing, and retrieving information will not be awarded for both ENR 115 and ENR 112.

Introduces environmental sustainability, and explores environmental interconnections among ecosystems, societies, and economies in an era of global change. Topics include living within ecosystems limits, social equity & justice, technical, scientific, governmental, and individual strategies for fostering sustainability.

ENW 208W Literature and the Environment. (3) A. Cross-listed as ENG 208W. Prerequisite: ENG 102 or 102R or 105(B) or HON 102. Writing intensive study of how the human-environmental connection is expressed in literature, including attention to environmental sustainability and personal responsibility to the natural world within larger social and ethical values. Credit will not be awarded to students who have credit for ENW 208 or ENG 208W: Enjoying literature. Gen Ed E-3B.

ESE—Secondary Education

ESE 307 Clinical Experiences for Teachers. (1-3) A. Prerequisite: departmental approval. Provides clinical experiences such as observations, participation, and tutoring for prospective teachers in locations such as the learning lab. May be retaken to a maximum of six hours.

ESE 490 Secondary Curriculum, Classroom Organization and Management. (3) A. Prerequisites: ESE 319 or 319W admission to professional education. Corequisite: EMS 349R. Emphasis on questions and problems encountered in secondary teaching including classroom management, state and national curriculum trends, and legal issues.

ESE 507 Problems in Secondary Education. (1-3) A. Prerequisite: advisor/departmental approval. Independent work, special workshops, special topics, or seminars.

ESE 540 Teaching Art in the Secondary School. (3) I. Cross-listed as AED 540. Prerequisites: admission to professional education; EDF 413(C), EMS 490(C), CED 400(B), and 90 hours in the BA in Art Education program. Corequisite: CED 450. Developmentally appropriate materials and methods for teaching art in the schools. Credit will not be awarded for both ESE 540 and AED 540.

ESE 543 Teaching of Language Arts in the Secondary School. (3) I. Prerequisites: EDF 413(C), EMS 490(C), CED 400(B), and admission to professional education. Prerequisite/ Corequisites: CTE 363. Corequisite: CED 450. Developmentally appropriate materials and methods for teaching language arts in secondary schools.

ESE 549 Teaching Social Studies in the Secondary School. (3) I. Prerequisites: EDF 413(C), EMS 490(C), CED 400(B), and admission to professional education. Corequisite/ Corequisites: CTE 363. Corequisite: CED 450. Developmentally appropriate materials and methods for teaching social sciences in the secondary school.

ESE 552 Teaching of Career and Technical Education in Middle and Secondary Schools. (3) I. Prerequisites: EDF 413(C), EMS 490(C), CED 400(B), and admission to professional education. Prerequisite/ Corequisites: CTE 363. Corequisite: CED 450. Developmentally appropriate materials and methods for teaching technology and career and technical education in the middle and secondary schools.

ESE 553 Family and Consumer Sciences Education Curriculum. (4) I. Prerequisites: Family and Consumer Science Education major, EDF 413(C), EMS 490(C), CED 400(B), and admission to professional education. Corequisite: CED 450. Current curriculum trends and methodology for teaching FCS in middle/secondary grades. Program philosophy, legislation, curriculum and assessment.

ESE 561 Teaching Science in Secondary School. (3) I. Prerequisites: ENG 413(C), EMS 490(C), CED 400(B), and admission to professional education. Corequisite: CED 450. Developmentally appropriate materials and methods for teaching science in secondary schools.

ESE 566 Teaching of Health and Physical Education in Schools. (3) I, II. Prerequisites: EDF 413(C), EMS 490(C), CED 400(B). Prerequisite/ Corequisites: PHE 575, PHE 562. Corequisite: CED 450. Developmentally appropriate materials and methods for teaching health and physical education in secondary schools.

ESE 573 Teaching Business and Marketing in Middle and Secondary Schools. (3) I. Prerequisites: EDF 413(C), EMS 490(C), CED 400(B), and admission to professional education. Corequisite: CED 450. Developmentally appropriate materials and methods for teaching business education.

ESE 574 Teaching Reading in the Secondary School. (1-3) A. Prerequisites: education core and admission to professional education. Emphasis on developmental and content area reading skills, appraisal of reading abilities, appropriate materials, assessment, and organization of secondary reading programs.

ESE 579 Music Education: Principles and Practices. (3) I. Cross-listed as MUE 579. Prerequisite: EDF 413(C), EMS 490(C), CED 400(B), admission to professional education. Corequisite: CED 450. Developmentally appropriate materials and methods for teaching music education in secondary schools. Credit will not be awarded for students who have credit for MUE 579.

ESS—Exercise and Sport Science

ESS 180 Lifetime Wellness. (3) I, II. Formerly PHE 180. Interactive learning and laboratory experiences for individual assessment, practice of exercise systems, and improvement of body function. This course offers a comprehensive discussion of the critical areas of health, physical fitness, and wellness. Credit will not be awarded for both ESS 180 and PHE 180.

ESS 190 Wellness Experience: (1-2) I, II. Formerly PHE 190. Wellness activities of current interest and/or need for students. May be retaken to a maximum of six hours, if subtitles are different. Credit will not be awarded for both ESS 190 and PHE 190.

ESS 200 Dance and Culture. (3) I. Formerly PHE 200. Introduction to dance and its role as a non-verbal means of expression. The course examines several dance forms and their cultural context including folk, social, ethnic, entertainment, and dance as an art form. Gen. Ed. 3A. Credit will not be awarded for both ESS 200 and PHE 200.

ESS 201 Foundations of Sport Science. (3) I, II. Formerly PHE 201. Introduction to the profession, exposure to professional standards in the field, and historical perspective and philosophies in physical education and sports science. Credit will not be awarded for both ESS 201 and PHE 201.

ESS 212 Care and Prevention of Athletic and Exercise Injuries. (3) I, II. Formerly PHE 212. Overview of the mechanism, prevention, management, and rehabilitation of athletic and exercise injuries. Credit will not be awarded for both ESS 212 and PHE 212.

ESS 220 Team Sports I. (2) I. Formerly PHE 220. Basic skills, strategy, rules, officiating, and teaching techniques related to various team sports. Credit will not be awarded for both ESS 220 and PHE 220.

ESS 224 Team Sports II. (3) I, II. Formerly PHE 224. Prerequisite: Open only to majors in Physical Education or Sport Management, or those who have declared a coaching minor or are pursuing an ESS coaching certificate, or those with departmental approval. Basic skills, strategy, rules, officiating, and teaching techniques related to basketball, volleyball, soccer, and track and field. Credit will not be awarded for both ESS 224 and PHE 224.

ESS 230 Social Dance I. (1) I, II. Formerly PHE 230. This course introduces the basic movement concepts of social dancing. Rhythm, style and variations
<table>
<thead>
<tr>
<th>Section Seven - Course Descriptions</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>ESS 241 Swimming and Water Safety. (1)</strong> A. Formerly PHE 241. Beginning Swimming or instructor approved. Skills and endurance to intermediate level; study of fundamental mechanical principles; basic safety skills; ability to conduct a variety of aquatic activities. Credit will not be awarded for both ESS 241 and PHE 320.</td>
</tr>
<tr>
<td><strong>ESS 250 Modern Dance I. (1)</strong> I, II. Formerly PHE 250. A beginning level modern dance technique class designed to introduce the student to basic modern dance skills and concepts including some improvisation and choreographic skills. No prior dance experience is necessary. May be retaken up to a maximum of 3 hours. Credit will not be awarded for both ESS 250 and PHE 250.</td>
</tr>
<tr>
<td><strong>ESS 261 Coaching Baseball and Softball. (2)</strong> I, II. Formerly PHE 261. Theory and practice in coaching the fundamentals of baseball and softball; team offense and defense. Credit will not be awarded for both ESS 261 and PHE 261.</td>
</tr>
<tr>
<td><strong>ESS 271 Ballet I. (1)</strong> A. Formerly PHE 271. A beginning ballet class designed to introduce the student to the art of ballet. Basic barre, center floor and across the floor combinations are performed. Ballet history and terminology are covered through the textbook readings and video. Credit will not be awarded for both ESS 271 and PHE 271.</td>
</tr>
<tr>
<td><strong>ESS 300 Dance Activities in the Schools. (3)</strong> II. Formerly PHE 300. Teaching creative and social forms of dance in the educational and recreational setting. Credit will not be awarded for both ESS 300 and PHE 300.</td>
</tr>
<tr>
<td><strong>ESS 301 Foundations of Coaching. (3)</strong> I, II. Formerly PHE 301. Coaching communication, organizational skills, team skills, tactics, and philosophy. American Sport Education Program (ASEP) certification awarded to those who qualify. Credit will not be awarded for both ESS 301 and PHE 301.</td>
</tr>
<tr>
<td><strong>ESS 305 Individual and Dual Sports I. (3)</strong> I, II. Formerly PHE 305. Prerequisite: Open only to majors in Physical Education or Sport Management, those who have declared a coaching minor, coaching personal training certificate, or those with departmental approval. Basic skills, strategy, techniques, rules, and tactics related to archery, bowling, racquetball. Credit will not be awarded for both ESS 305 and PHE 305.</td>
</tr>
<tr>
<td><strong>ESS 310 Physical Activity and Child Development. (3)</strong> I, II. Formerly PHE 310. Prerequisite: EDF 219 or 219W with a minimum grade of “C”. Understanding of motor development and the improvement of human movement through developmental movement activities which are basic to readiness for performance at school. Credit will not be awarded for both ESS 310 and PHE 310.</td>
</tr>
<tr>
<td><strong>ESS 313 Lifeguard Training. (2)</strong> I, II. Formerly PHE 313. Prerequisite: ability to pass American Red Cross swimming test. Advanced technique of water safety and rescue; American Red Cross certification awarded to those who qualify. Credit will not be awarded for both ESS 313 and PHE 313.</td>
</tr>
<tr>
<td><strong>ESS 315 Physical Fitness Concepts and Applications. (3)</strong> I, II. Formerly PHE 315. Prerequisite: Open to students in Physical Education or those with departmental approval. Discussion, demonstration, practice of fitness concepts and various methods of developing physical fitness. Credit will not be awarded for both ESS 315 and PHE 315.</td>
</tr>
<tr>
<td><strong>ESS 320 Biomechanics. (3)</strong> I, II. Formerly PHE 320. Prerequisite: BIO 171. Qualitative study of human movement through anatomical, physiological, and biomechanical concepts; analysis and application. Credit will not be awarded for both ESS 320 and PHE 320.</td>
</tr>
<tr>
<td><strong>ESS 322 Legal Issues in Sport. (3)</strong> I. Formerly PHE 322. Designed to encourage students to integrate management theory with governance and policy development. Provides an overview of the sport industry from the perspective of the sport management professional. Credit will not be awarded for both ESS 324 and PHE 324.</td>
</tr>
<tr>
<td><strong>ESS 325 Physiology of Activity. (3)</strong> I, II. Formerly PHE 325. Prerequisite: BHO 301. Effects of physical activities on various systems of the human body. Credit will not be awarded for both ESS 325 and PHE 325.</td>
</tr>
<tr>
<td><strong>ESS 327 Sport in American Society. (3)</strong> II. Formerly PHE 327. Impact of sport in American society with attention to relationship of political, economic, ethnic, and institutional factors operating within the phenomenon of sport. Credit will not be awarded for both ESS 327 and PHE 327.</td>
</tr>
<tr>
<td><strong>ESS 328 Sport Finance. (3)</strong> II. Formerly PHE 328. Credit will not be awarded for both ESS 328 and PHE 328.</td>
</tr>
<tr>
<td><strong>ESS 330 Social Dance II. (1)</strong> A. Formerly PHE 330. This course will build on skills learned in Social Dance I. New dances covered will include: Triple Swing, West Coast Swing, Bolero, Samba and Quickstep. More variations will also be introduced for dances learned in Social Dance I. Credit will not be awarded for both ESS 330 and PHE 330.</td>
</tr>
<tr>
<td><strong>ESS 340 Advanced Swimming for Fitness/ Water Safety Instructor. (3)</strong> I, II. Formerly PHE 340. Prerequisite: proficient swimming ability. For excellent swimmers, this American Red Cross course will train students to become certified swimming instructors. Course consists of lecture, lab, technique instruction, and practice teaching. WSI certification for those who qualify. Credit will not be awarded for both ESS 340 and PHE 340.</td>
</tr>
<tr>
<td><strong>ESS 349 Dance Choreography. (2)</strong> I, II. Formerly PHE 349. Basics of dance choreography, applicable to entertainment and art forms of dance. Credit will not be awarded for both ESS 349 and PHE 349.</td>
</tr>
<tr>
<td><strong>ESS 394 Applied Learning in Physical Education. (5-8)</strong> A. Formerly PHE 394. Work in a cooperative placement related to student’s academic studies. Satisfactory (S) or Unsatisfactory (U) grade. May be retaken to a maximum of eight hours. A minimum of 80 hours required for each semester hour credit. Credit will not be awarded for both ESS 394 and PHE 394.</td>
</tr>
<tr>
<td><strong>ESS 394-A(N) Cooperative Learning: Physical Education. (5-8)</strong> A. Formerly PHE 394-A(N). Work in a cooperative placement related to student’s academic studies. Satisfactory (S) or Unsatisfactory (U) grade. May be retaken to a maximum of eight hours. A minimum of 80 hours required for each semester hour credit. Credit will not be awarded for both ESS 394-A(N) and PHE 394-A(N).</td>
</tr>
<tr>
<td><strong>ESS 395 Modern Dance I. (1)</strong> A. Formerly PHE 350. An intermediate level Modern Dance technique class including floor, center floor and across the floor dance combinations. The course is designed to help the student improve his/her alignment, technique, improvisation and choreographic skills. Credit will not be awarded for both ESS 395 and PHE 395.</td>
</tr>
<tr>
<td><strong>ESS 399 Lifelong Activity Series: ______. (1/2 - 2)</strong> I, II. Formerly PHE 399. A series of activities suitable for participation throughout life. Includes rules, skills, techniques, and strategies. May be retaken to a maximum of four hours toward graduation requirements. Credit will not be awarded for both ESS 399 and PHE 399.</td>
</tr>
<tr>
<td><strong>ESS 400 Management of Sport Organizations. (3)</strong> II. Formerly PHE 400. Aspects of sport management including disciplinary foundations of sport, theoretical and applied foundations of organization and management, opportunities, sport business operations, including budgeting, legal issues, marketing, competitive positioning, regulatory compliance, and strategies for success in sport and recreation industry. Credit will not be awarded for both ESS 322 and PHE 322.</td>
</tr>
<tr>
<td><strong>ESS 407 Strength and Conditioning Programming. (3)</strong> I, II. Formerly PHE 407. Advanced skills in developing, implementing, and evaluating strength training programs. Knowledge of strength and resistance training, spotting techniques, and safety techniques, exercises and associated anatomy, periodization, and general guidelines for all fitness levels and ages. Credit will not be awarded for both ESS 407 and PHE 407.</td>
</tr>
<tr>
<td><strong>ESS 415 Outdoor and Lifelong Leisure Motor Activities. (3)</strong> I. Formerly PHE 415. Prerequisite: EDF 203. Knowledge and skills needed to conduct cooperative, leisure, adventure, and outdoor motor activities for achievement of important personal and educational goals in the school system. Credit will not be awarded for both ESS 415 and PHE 415.</td>
</tr>
<tr>
<td><strong>ESS 418 Dance Science. (3)</strong> I. Formerly PHE 418. Application of functional anatomy, basic physiology and physics to dance movement. Offers knowledge base for teachers to instruct safe and effective dance classes and prevent injury. Requirement for Dance Certification. Credit will not be awarded for both ESS 418 and PHE 418.</td>
</tr>
<tr>
<td><strong>ESS 420 Coaching Football. (2)</strong> I, II. Formerly PHE 420. Theory and practice in coaching the fundamentals of football; team offense and defense. Credit will not be awarded for both ESS 420 and PHE 420.</td>
</tr>
<tr>
<td><strong>ESS 423 Psychology of Coaching. (3)</strong> I. Formerly PHE 423. Study of the dynamics of coaching including performance enhancement and understanding the functions of the coaching process. Credit will not be awarded for both ESS 423 and PHE 423.</td>
</tr>
</tbody>
</table>
| **ESS 430 Fitness Program Administration. (3)** I. Formerly PHE 430. Prerequisites: ESSC majors and junior or senior standing. Students will learn aspects of fitness and wellness program administration, including management skills, risk management, member...
tracking, promotion, and record keeping. Additionally, students will be introduced to clinical exercise and electives; seniorization. Credit will not be awarded for both ESS 430 and PHE 430.

ESS 433 Adult Physical Fitness Programs. (3) II. Formerly PHE 433. Prerequisites: ESS Physical Fitness & Wellness Concentration and junior or senior standing. Practice and study of exercise programs meeting the guidelines of the American College of Sports Medicine (ACSM) for improving health-related fitness in adults. Credit will not be awarded for both ESS 433 and PHE 433.

ESS 435 Group Fitness Instruction. (3) I. Formerly PHE 435. Prerequisites: ESS 320 and 325. A methods course for teaching aerobic dance-exercise. Students will learn movement and rhythmic fundamentals, effective teaching methods, how to develop appropriate and creative choreography, injury prevention, marketing techniques, and legal issues involved in starting and running a group exercise class. Credit will not be awarded for both ESS 435 and PHE 435.

ESS 450 Modern Dance III. (1) I, II. Formerly PHE 450. An advanced level modern dance technique class including floor, center floor, and across the floor dance combinations. The course is designed for the dancer that has had several years of dance training and is prepared for more challenging and complex dance skills. May be retaken to a maximum of three hours. Credit will not be awarded for both ESS 450 and PHE 450.

ESS 467 Skill Acquisition. (3) I. Formerly PHE 467. Practical application of principles of learning and performing motor skills taught in the physical activity emphasis course in the influence of historical events on research in the area of skill acquisition. Credit will not be awarded for both ESS 467 and PHE 467.

ESS 470 Internship: Sport Management. (1-6) A. Formerly PHE 470. Prerequisite: 2.0 GPA, completion of sport management core and supervised courses. Students are required to document a minimum of 50 hours of sport management related experiences prior to enrollment in PHE 470. Supervised experiences in the directing of sports and physical activities in various settings. May be retaken to a maximum of six hours. Credit will not be awarded for both ESS 470 and PHE 470.

ESS 471 Practicum in Teaching Dance. (3) I. Formerly PHE 471. Practicum experiences in creating lesson plans and teaching dance in the P-12 school system. Practicum students will teach primary, elementary, middle and secondary students, dance as an art form along with ethnic, folk and social dance. Required for Dance Certification. Credit will not be awarded for both ESS 471 and PHE 471.

ESS 472 Internship: Physical Fitness and Wellness Management. (1-6) A. Formerly PHE 472. Prerequisite: 2.0 GPA; completion of physical education core courses and physical fitness and wellness option courses. Students are required to document a minimum of 50 hours of physical fitness and wellness related experiences prior to enrollment in PHE 472. Supervised experiences in the directing of wellness and physical fitness activities in various settings. May be retaken to a maximum of six hours. Credit will not be awarded for both ESS 472 and PHE 472.

ESS 485 Independent Study. (1-3) I, II. Formerly PHE 485. Individual work on a physical education related problem in supervised situation. Restricted to undergraduate physical education major or minor student. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. Credit will not be awarded for both ESS 485 and PHE 485.

ESS 490 Experiences in Research (1-3) I, II. Formerly PHE 490. Prerequisites: ATR 100 or ESS 201 and departmental approval. Directed research experience in athletic training, physical education or sports management. May be retaken to a maximum of 9 hours. Student must have research proposal form approved by faculty supervisor and department chair prior to enrollment. Credit will not be awarded for both ESS 490 and PHE 490.

ESS 517 Bioenergetics in Physical Activity (3) A. Formerly PHE 517. Prerequisite: Junior/senior standing in major or with departmental approval. Study of bioenergetics processes and the relationship to energy storage, transformation and utilization in biological systems. Study of the metabolic and physiological conditions and the applications to clinical exercise science and sport. Credit will not be awarded for both ESS 517 and PHE 517.

ESS 530 Tests and Measurements. (3) I, II. Formerly PHE 530. Students will explore and apply communication theories to the sport and exercise industry. Emphasis will be on an examination of public and media relations with a special focus on organizational communication to external and internal publics. Credit will not be awarded for both ESS 530 and PHE 530.

ESS 562 Adapted Physical Activity. (3) I, II. Formerly PHE 562. Principles and practices of adapted physical education emphasizing the needs of people with disabilities. Emphasis will be placed on the importance of physical activity, recent legislation, assessments, individual education plans, and adapting activities. Credit will not be awarded for both ESS 562 and PHE 562.

ESS 575 Special Topics in Exercise and Sport Science. (1-4) A. A study of various topics in physical education and sport selected to meet special student needs and interests. May be retaken to a maximum of six hours with advisor approval provided subject is different. Credit will not be awarded for both ESS 590 and PHE 590.

FCC—Foreign Culture and Civilization

Dr. Abby Paffenberger, Chair

FCS 320 Family Housing and Design. (3) A. May be retaken to a maximum of 6 hours if topic is different. Introduction to the unique values and traditions of a major African, Asian, Hispanic, or European culture as reflected in its aesthetic, intellectual, and other cultural achievements. Taught in English. Gen. Ed. E-3B [AH].

FCC 226 Hispanic Culture and Civilization (3) A. Introduction to the unique values and traditions of the Hispanic world as reflected in their aesthetic, intellectual, and other cultural achievements. Taught in English. Gen. Ed. E-3B [AH].

FCS—Family and Consumer Sciences

Dr. Dana Bush, Chair

FCS 320 Family Housing and Design. (3) I. Introduction to housing and its relationship to human needs. Historical development and current issues influencing housing consumption of individuals and families. Design considerations emphasized include principles and elements, architecture, furniture, and space planning.

FCS 330B Field Experience in CDF. (1-8) A. Prerequisites: department approval and 2.0 institutional GPA. Supervised work experience in department approved organization. A minimum of 80 hours work required for academic credit. May be taken to a maximum of 8 hours.

FCS 349 Applied Learning in Family and Consumer Sciences. (5-8) A. Prerequisite: department approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

FIN 315C Financial Statement and Loan Analysis (3) A. Prerequisites: FIN 300 with a “C” or better. An in-depth exploration of capital structure (including dividend policy) decisions, working capital management, financial forecasting and planning, the agency problem and its implications for security markets and firm valuation, financial market efficiency.

FIN 320 Small Business Finance. (3) A. Prerequisite: Corequisite: FIN 301. Equity, debt and venture capital markets for small businesses are examined. Also systems for financial statement generation and internal controls, sources and uses of funds forecasting, short-term asset and liability management, and capital structure decisions are explored. A small firm valuation project will be completed.

FIN 384 Corporate Financial Planning. (3) I, II. Prerequisites: ACC 201 and FIN 201. A comprehensive overview of the financial institutions industry, with an emphasis on commercial banks.

FIN 319 Entrepreneurial Finance. (3) I, II. Selection of business form, tax planning, financing and cash flow planning; motivating and retaining employees; compensation planning; debt and equity financing; legal, tax and behavioral considerations.

FIN 310 Personal Financial Planning. (3) I, II. Prerequisites: ACC 201 or 300 or 310, or FRM 352. Time value of money applications; personal financial statements development and assessment; cash flow and debt management; asset acquisition; education planning; planning elements of risk management; investment planning; and retirement planning.

FIN 315 Financial Statement and Loan Analysis (3) A. Prerequisites: FIN 304, FIN 310 with a grade of “C” or better in each course. This course introduces the fundamentals of financial analysis for the purpose of credit analysis from the perspective of commercial banks. Students will learn from case studies adapted from real life examples to develop an
understanding of credit risk, the development of lending policies and procedures, pricing loans and expectations of risk and return.

FIN 324 Principles of Investments. (3) A. Prerequisite: FIN 300 or FIN 201 or FIN 310 with a “C” or better. Analysis of the characteristics, valuation, and tax implications of various investments such as common and preferred stock corporate, federal and municipal debt; mutual funds; money market accounts; options and futures. Explores methods of trading securities.

FIN 330 Principles of International Finance. (3) A. Prerequisite: FIN 301 with a “C” or better. Financial decision-making processes of multinational corporations; flow of funds; exchange rate determination and forecasting; currency futures and options; international arbitrage; measurement and management of exchange rate exposure; multinational capital budgeting; analysis of country risk.

FIN 349 Applied Learning in Finance. (5-8) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each credit hour. May be repeated for a total of 16 credit hours.

FIN 349 A-N Cooperative Study: Finance. (5-8) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for credit hour. May be repeated for a total of 16 credit hours.

FIN 390S Community Financial Literacy. (3) A. Prerequisites: FIN 201, 310, and 311 with a grade of C or better in each course. Application of financial planning for community members; teaching financial literacy to EKU’s service areas and surrounding communities.

FIN 410 Financial Analysis and Valuation. (3) A. Prerequisites: CCT 300W and FIN 300 with a “C” or better. A study of the financial aspects of the company and the financial decisions associated with the company. An understanding of the use of financial analysis to make investment decisions.

FIN 420 Investment and Portfolio Theory. (3) A. Prerequisites: FIN 301 and 324 with a “C” or better. Investment analysis including efficient market theory and empirical investigations, security valuation, risk free borrowing and lending; portfolio selection and performance evaluation are examined. Also included are derivative’s valuation and their role in a diversified portfolio.

FIN 424 Derivatives Valuation and Accounting. (3) A. Prerequisites: FIN 301 with “C” or better, and FIN 302 with “B” or better and departmental approval. General valuation principles for derivatives, numerical methods of derivative valuation, regulations covering executive stock options, accounting of derivatives. Also covered are special purpose vehicles.

FIN 437 Bank Management. (3) A. Prerequisites: FIN 315 with a grade of “C” or better. A synthesis of the financial concepts and theories mastered in previous finance courses. The student will develop a quantitative and qualitative understanding of financial institutions management and how decisions are made. This course includes a bank management simulation activity.

FIN 450 Project in Finance. (1-3) L II. Prerequisite: departmental approval. Selected topics of special contemporary interest to finance students. Students are required, under supervision of finance faculty, to write a paper on any finance topic of their choice.

FIN 490 Special Problems in Finance. (1-4) A. Prerequisite: advisor/departamental approval. May be taken under different sub-topics to a maximum of six hours. Independent work, special workshops, special topics, or seminars.

FLS—Foreign Language Studies Dr. Abbey Poffenberger, Chair

FLS 100 Adventures in Language: Dr. Abbey Poffenberger, Chair

FLS 100 Adventures in Language: (1-3) A. This course introduces students to a language and culture through a variety of possible topics such as French cinema, German folklore, or Spanish dance. May be repeated for a maximum of six hours if topic is different. Gen. Ed. E-6 [GE].

FLS 101 Language Topics: (3) A. Entry level study of a less frequently taught language such as Arabic, Chinese, Greek, Swahili, or other. May be retaken to a maximum of six hours if topic is different. Gen. Ed. E-6 [GE].

FLS 102 Language Topics: (3) A. Continuing study of a less frequently taught language such as Arabic, Chinese, Greek, Swahili, or other. May be retaken to a maximum of six hours if topic is different. Gen. Ed. E-6 [GE].

FLS 210 Language Topics: (3) A. Prerequisite: Basic proficiency in the language and departmental approval. Intermediate level study of a less frequently taught language such as Arabic, Chinese, Greek, Swahili, or other. May be retaken to a maximum of six hours if topic is different.

FLS 230 Language Studies Abroad: (1-12) A. Prerequisite: Departmental approval prior to study abroad. Intensive intermediate level coursework in study abroad programs. May be retaken to a maximum of 12 hours per semester for duration of study abroad program(s).

FLS 295 Independent Work in Language. (1-3) A. For students with previous language study. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of nine hours if topic is different.

FLS 300 Elements of Foreign Language: (3) A. Prerequisites: departmental approval and the student’s major departmental approval. Introduces basic linguistics, in facility linguistics, in facility building. This course will vary according to the student’s major and/or career goals. Minimum of 80 hours work for each credit hour. May be repeated for a total of 16 credit hours.

FLS 310 Language Studies Abroad: (1-12) A. Prerequisite: Departmental approval prior to study abroad. Intensive intermediate/advanced level coursework in study abroad programs. May be retaken to a maximum of 12 hours per semester for duration of study abroad program(s).

FLS 340A-B Cooperative Study: (5-8) A. Prerequisite: departmental approval. Work in placements related to foreign language study. One to eight credit hours per semester or summer. Total hours: 16. A minimum of 80 hours employment required for each semester hour credit.

FMT—Forensic Science Dr. Tanea Reed, Chair & Dr. Jamie Fredericks, Director

FMT 140 Introduction to Forensic Science. (4) A. Prerequisites: completion of all academic readiness requirements. Course will provide an introduction to chemical and biological concepts as it relates to the collection of desirable beverages and other products through the biochemical pathways of microorganisms typically used (for forensic process). 3 Lec / 3 Lab

FMT 343 Forensic Microbiology (3) A. Prerequisites: FMT 140 (C). Course demonstrates the biochemistry, genetics, and behavior of microorganisms for the production of fermented beverages. 2 Lec / 3 Lab

FMT 344 Chemical Analysis & Quality Control (4) A. Prerequisite: FMT 140 (C). Course demonstrates the application of chemical and instrumental methods to the analysis of oleos, fats and oils, foods, water, and other forensic products. 3 Lec / 3 Lab

FMT 345 Sensory Analysis (2) A. Prerequisite: FMT 140 (C) and age requirement ≥21 years. Basic principles involved in sensory perception pertaining to neurochemistry and practical sensory experience with products generated from fermentation processes. 1 Lec / 2 Lab.

FMT 349 Applied Learning in Fermentation Science. (0-5-8) A. Prerequisite: FMT 140 (C) and departmental approval. Independent investigations and study related to academic studies in fermentation science and based in a laboratory setting. One half to eight hours credit per semester or summer. A minimum of 80 hours of employment required for each semester hour of academic credit. May be repeated for a maximum of 12 credit hours but only three hours may be counted toward the major requirements.

FMT 349 A-N Cooperative Study: Fermentation Science. (0-5-8) A. Prerequisite: FMT 140 (C) and Departmental approval. Work in experiences related to academic studies in fermentation science. One half to eight hours credit per semester or summer. A minimum of 80 hours of employment required for each semester hour of academic credit. May be repeated for a maximum of 12 credit hours but only three hours may be counted toward the certificate or major requirements.

FMT 495 Fermentation Research. (1-3) A. Prerequisites: FMT 140 (C) and departmental approval. Students concentrate on the objectives and techniques of fermentation science research to address a variety of issues/ problems in all aspects of the field. May be retaken to a maximum of six hours but only three hours can count towards a degree. Student must have the independent study proposal forms approved by faculty supervisor and departmental chair prior to enrollment. 3-9 Lab.

FMT 501A-D Special Topics in Fermentation. (1-3) A. Prerequisites: senior standing and departmental approval. Lecture or laboratory experience to be chosen from current and/or specialized area of fermentation science including (but not limited to) historical aspects, advanced methods of analysis, or advanced techniques of fermentation science research to address a variety of issues/ problems in all aspects of the field. May be retaken to a maximum of six hours. If a laboratory course, then three contact hours will be required for every credit hour.

FMT 549 Fermentation Project Lab. (2) A. Prerequisites: Senior standing, FMT 343 (C), and 344 (C). Age requirement ≥21 years. Course to perform an independent capstone project where students will decide on the process to make a final fermentation product. Complete analysis of the product will be performed at different stages of production. 1 Lec / 3 Lab.

FMT 343 DNA Profiling, (3) A. Prerequisite or corequisite: CHE 102(C) or 361(C). This course will include topics in forensic DNA profiling; sample collection, DNA extraction, DNA quantitation and amplification. Prepares students for further studies/career in forensic science. Laboratory FOR 331L is optional with this course.

FMT 331 DNA Profiling Lab. (1) A. Prerequisite: CHE 361(C). Prerequisite or corequisite: FOR 331L. May be used in place of FOR 331. Provides practical experience in Forensic DNA profiling; sample collection, DNA extraction, DNA quantitation and amplification. Prepares students for further studies/career in forensic/molecular biology.

FOR 310 Training for Forensic Internships. (1) A. Prerequisite: junior or senior standing in Forensic Science. This course provides the student guidance in the preparation for an internship and explains the forensic internship application process.

FOR 331 DNA Profiling. (3) A. Prerequisite: BIO 111(C). Prerequisite or corequisite: CHE 102(C) or 361(C). This course will include topics in forensic DNA profiling; sample collection, DNA extraction, DNA quantitation and amplification. Prepares students for further studies/career in forensic science. Laboratory FOR 331L is optional with this course.

FOR 331L DNA Profiling Lab. (1) A. Prerequisite: CHE 361(C). Prerequisite or corequisite: FOR 331L. May be used in place of FOR 331. Provides practical experience in Forensic DNA profiling; sample collection, DNA extraction, DNA quantitation and amplification. Prepares students for further studies/career in forensic/molecular biology.
FOR 349 Applied Learning in Forensic Science. (0.5-8) A. Prerequisite: FOR 310 and departmental approval. Independent laboratory work and study related to forensic science in a laboratory setting. A minimum of 80 hours of employment required for each semester hour of academic credit.

FOR 349-N Co-operative Study:
Forensic Science. (0.5-8) A. Prerequisite: FOR 310 and departmental approval. Work in experiences related to academic studies in forensic science. One half to eight credit hours per semester or summer. A minimum of 80 hours of employment required for each semester hour of academic credit. May be repeated for maximum of 8 credit hours.

FOR 401 Forensic Professional Practice. (3) I
Prerequisite: FOR 301. Introduces professional practices and interactions for the forensic scientist. Includes discussion of professional organizations, certification, ethics, QA/QC, accreditation, technical writing, data treatment and interpretation.

FOR 411 Instrumental Analysis (3) A. Cross-listed with CHE 425. Prerequisites: CHE 325, 325L, 362, 362L, PHY 132 (or 202), MAT 234 (C or better in each course). Prerequisite or Corequisite: CHE 411L. Fundamental principles of the operation and application of analytical techniques including spectroscopy, chromatography, electrochemistry, and mass spectrometry found throughout industrial, government, forensic, and/or research environments are presented. Credit will not be awarded for both FOR 411 and CHE 425.

FOR 411L Forensic Instrumental Lab (1) A. Prerequisite: BIO 111 (C); Prerequisite or Corequisite: FOR 411I. Lab component of FOR 411I. Hands-on experience operating instrumentation most commonly used in forensic science analytical laboratories, including spectroscopic and chromatographic techniques. Credit will not be awarded for both FOR 411L and CHE 425L. 3 Lab.

FOR 412 Forensic Trace Evidence. (3) II
Prerequisites: FOR 411I(C) or CHE 425(C), FOR 411L(C) or CHE 425L(C), FOR 451(C) and FOR 451L(C). Prerequisites or Corequisite: FOR 412L. Introduction and the application of instrumentation and techniques to analyze various types of trace and impression evidence.

FOR 412L Forensic Trace Evidence Lab. (1) II
Prerequisites: FOR 411I(C) or CHE 425(C), FOR 411L(C) or CHE 425L(C), FOR 451(C) and FOR 451L(C). Prerequisites or Corequisite: FOR 412L. Lab component of FOR 412I. Use of microscopes and various instruments for examination of forensic trace evidence materials. 3 Lab.

FOR 442 Forensic Toxicology & Drugs. (3) II
Prerequisites: CHE 362. Study of the chemistry, biochemical activity, isolation and identification of drugs of forensic interest in biological materials. Credit will not be awarded to students who have credit for FOR 430.

FOR 442L Drugs & Toxicology Lab. (1) II
Prerequisites: FOR 411(C) and 411L(C) or CHE 425(C) and 425L(C); Prerequisites or corequisite: FOR 442. Introduces techniques and instrumentation used for the chemical separation and analysis of drugs in both solid dosage and toxicological samples. 3 Lab.

FOR 451 Forensic Microscopic Analysis. (2) I
Prerequisite or Corequisite: PHY 132 (or 202), MAT 234, and FOR 451L. Introduction to concepts of forensic microscopic analysis; identification and characterization of trace evidence, such as glass, hair, fiber, and soil. Only forensic major or minor can take this class.

FOR 451L Forensic Microscopy Lab. (1) I
Prerequisite or Corequisite: For 451I. Laboratory component of FOR 451I. Hands-on experience operating microscopes and polarizing light microscopes for examination of forensic materials. 3 Lab.

FOR 460 Selected Topics in Forensic Science. (1-3) A
Prerequisite: instructor approval. Topics will be chosen from areas of current interest and may be retaken for credit when new topics are offered. Topics and credit will be announced prior to each offering.

FOR 465W Expert Witness Testimony. (3) A.
Prerequisites: ENG 102 or ENG 105 or HON 102 and either FOR 411 and 411L(C), CHE 425 and 425L(C), INF 322, or departmental approval. Theory and purpose for expert witness testimony, qualifications of scientific experts, ethical issues, and practical aspects of expert witness discovery and courtroom testimony. Videotaping of testifying in mock testifying situations is also included. 2 Lec. Credit will not be awarded for both FOR 465W and 465.

FOR 490 Introduction to Research. (1-3) A.
Prerequisite: CHE 111(C), 111L(C), BIO 111(C), or departmental approval. (3) Lab. A section of laboratory research in one of the areas of forensic science. May be retaken to a maximum of six hours, but only three hours may be counted toward the major requirements. Student must have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment.

FOR 499 Forensic Science Capstone (3) A.
Prerequisites: Either FOR 331 and 331L(C), FOR 412 and 412L(C), or FOR 442 and 442L(C). Prerequisite or co-requisite: FOR 465 or 465W. Capstone experience that provides overview of the investigative process from collection of evidence at a mock crime scene, through analysis, data interpretation, and presentation of results in a mock courtroom setting. 2 Lec./3 Lab.

FRE—French
Dr. Abby Poffenberger, Chair

FRE 101 Conversational French I. (3) I, II
Prerequisite: all required reading and writing academic readiness indicators. Beginning French conversation, grammar, and language skills. Emphasis on speaking and listening skills, with induction to basic written forms. Taught in context of French and francophone cultures. Laboratory work required. Gen. Ed. E-6 [GE].

FRE 102 Conversational French II. (3) I, II
Recommended: FRE 101 or equivalent proficiency. (Students entering FRE 102 by referral or placement, with two years high school French or equivalent, receive three hours credit for FRE 101 if they make an “A” in 102.) Continuing work on communicative skills and correct usage, with introduction to reading short passages on relevant French and francophone cultural topics. Laboratory work required. Gen. Ed. E-6 [GE].

FRE 201 Intermediate Conversational French I. (3) I, II
Recommended: FRE 101 or equivalent proficiency (e.g. with two or three years of successful high school French). French conversation, grammar, and communicative language skills, with increased emphasis on developing basic writing and reading skills. Taught in context of French and francophone cultures. Laboratory work required. Students entering FRE 201 by referral or placement receive six hours credit for FRE 101 and 102 if they make an “A” or “B” in 201. Gen. Ed. E-6 [GE].

FRE 202 Intermediate Conversational French II. (3) I, II
Recommended: FRE 201 or equivalent proficiency (e.g. with three or four years of successful high school French). French conversation, grammar, and communicative language skills, with continuing emphasis on writing skills and on reading authentic texts. Taught in context of French and francophone cultures. Laboratory work required. Students entering FRE 202 by referral or placement receive nine hours credit for FRE 101, 102, and 201 if they make an “A” or “B” in 202. Gen. Ed. E-6 [GE].

FRE 207 Performing in French: Four Skills. (3) A
Prerequisite: FRE 201 or equivalent proficiency with departmental approval. Intensive practice in the spoken language with emphasis on improving pronunciation and aural comprehension. The sound system of French is taught through phonetic exercises.

FRE 305 Readings in French. (3) A.
Prerequisite: FRE 207 or equivalent proficiency with departmental approval. Developmental oral and written communication skills for applied and conversational French, international travel, and interaction with the French-speaking peoples of the world. Taught in French.

FRE 330 Francophone Cinema. (3) A.
Prerequisite: FRE 207 or equivalent proficiency with departmental approval. An analysis of the culture of the Francophone world through representative films. Taught in French. May be retaken to a maximum of twelve hours, provided the subject matter differs each time with departmental approval.

FRE 340 French Phonetics. (3) A.
Prerequisite: FRE 207 or equivalent proficiency with departmental approval. Intensive practice in the spoken language with emphasis on improving pronunciation and aural comprehension. The sound system of French is taught through phonetic exercises.

FRE 350 French Conversation. (3) A.
Prerequisite: FRE 207 or equivalent proficiency with departmental approval. Developmental oral and written communication skills for applied and conversational French, international travel, and interaction with the French-speaking peoples of the world. Taught in French.

FRE 360 French Grammar in Context. (3) A.
Prerequisite: FRE 207 or equivalent proficiency with departmental approval. A comprehensive study of French grammar in meaningful context, using authentic spoken and written language, within the framework of French and francophone cultures.

FRE 380 Texts and Contexts. (3) A.
Prerequisite: FRE 207 or equivalent proficiency with departmental approval. Taught in French. Analysis and study of literary and non-literary texts of a chosen era (at discretion of instructor) within the relevant cultural and historical context. May be taken to a maximum of six hours, provided the subject matter differs each time with departmental approval.

FRE 410 Advanced Stylistics. (3) A.
Prerequisite: FRE 360 and FRE 305, 306, or 380 or equivalent proficiency with departmental approval. Taught in French. Advanced work on composition and conversation, with a focus on perfecting grammatical forms and developing advanced vocabulary. May be retaken to a maximum of six hours, provided the subject matter differs each time with departmental approval.

FRE 420 Independent Study. (1-3) A.
Prerequisite: FRE 360 and FRE 305, 306, or 380 or equivalent proficiency with departmental approval. Taught in French. Examine the theory and method of translation (from English to French) in a variety of genres. Includes the practical aspects of translation and the particulars of a career as a translator. May be retaken to a maximum of six hours, provided the subject matter differs each time with departmental approval.
FRE 430 Francophone Voices. (3) A. Prerequisite: FRE 360 and FRE 305, 306, or 380 or equivalent proficiency with departmental approval. An in-depth study of the traditions and cultural heritage of French speakers. Taught in French. May be retaken to a maximum of six hours, provided the subject matter differs each time with departmental approval.

FSE 101 Fire Prevention. (3) A. An introduction to fire and safety related codes; fire prevention methods; mechanical systems; and engineering solutions for hazards. An in-depth look at the Life Safety Code, the function and testing of fire related building components.

FSE 120 Fire Behavior and Combustion. (3) A. Introduction to the chemistry and dynamics of fire; including basic terminology and concepts that are applied to the physical and chemical properties of the development and behavior of fire in a structure; hazardous materials and the Computer Fire Analysis.

FSE 200 Applied Fire and Safety Analysis (3) A. Analytical and statistical concepts and procedures for the treatment of fire and safety related data. Includes quantitative and qualitative techniques, descriptive and inferential statistics. Credit will not be awarded for both FSE 200 and OSH 200.

FSE 201 Building Construction, (3) A. A review of the analysis of building construction methods and terminology. A systems approach to designing building fire safety; the Life Safety Code; the function and testing of rated building components, evaluating plans for code compliance.

FSE 205 Building Construction, (3) A. A review of the analysis of building construction methods and terminology using a service learning approach. A systems approach to designing building fire safety; the Life Safety Code; the function of testing of rated building components, evaluating plans for code compliance. Credit will not be awarded for both FSE 201 and FSE 205.

FSE 221 Fire Protection Systems. (3) A. Prerequisites: FSE 101, FSE 120. Introduction to fire protection; selection, control systems and extinguishment. Fixed and portable systems of the following types will be studied: automatic sprinklers, standpipes, dry chemical, foam, halogenated agents, fire alarm systems and detection.

FSE 223 Fire and Emergency Scene Operations (3) A. Prerequisite: FSE 201 or FSE 205. Principles of Incident Management including emergency scene decisions, strategies, and tactics.

Section Seven - Course Descriptions

FSE 224 Human Behavior In Fire.(3) Prerequisites: FSE 101 and FSE 120. Examine current and past research on human behavior, systems models, life safety education and building design to determine interactions emergency situations. Develop a best practice building life safety system.

FSE 225 Legal Aspects of Fire Protection and Safety. (3) A. A study of legislative and legal decisions relating to personnel practices, employee safety, and public safety. An introduction to the legal responsibilities, liabilities, and authority of the fire service practitioner. Credit will not be awarded for both FSE 225 and OSH 225.

FSE 230 Fire Prevention Organization and Management. (3) A. Prerequisite: FSE 101. An introduction to management issues related to fire prevention systems. Overview of the requirements for fire prevention codes, managing inspections, relations with public and officials and implementation of fire education programs.

FSE 231 Introduction to Fire Arson and Explosion Investigations. (3) A. An introduction to fire, arson, and explosion investigations. Topics include a historical related terminology and general purpose. The role of the fire investigator, statues, sources of information, the federal role in fire and explosion investigation, explosives and improvised explosive devices.

FSE 260 Proving Criminal Acts. (3) A. A study of criminal law and its relationship to the investigation and proving of criminal acts. Explore defenses/legal remedies to enable the student to understand the obligations of managing an investigation. Credit will not be awarded for both FSE 260 and 265.

FSE 305 Hazardous Materials. (3) A. Prerequisite: FSE 101. Study of hazardous material problems in transportation, storage, and use. Chemical properties relating to specific reactions, engineering controls, and evaluation of hazard potential. Emphasis on the role of pre-emergency planning, combating, coordinating, and controlling a hazardous materials incident. Credit will not be awarded for both FSE 305 and OSH 305.

FSE 320 Principles of Emergency Services. (3) A. An overview of organizational and management practices in the fire and safety fields. Emphasis on supervision and leadership styles, motivation, morale, and organizational planning.

FSE 322 Fire Protection Structures and System Design (3) A. Prerequisite: FSE 222. Analysis and evaluation of specific code requirements related to the design, inspection, testing and maintenance of fire prevention, protection and control systems.

FSE 330 Principles of Criminal Investigation. (3) A. Prerequisites: FSE 300 or FSE 305W, FSE 200, and FSE 280. A detailed study of the investigative procedure as it applies to arson, explosion and other personal property crimes.

FSE 349 Applied Learning in Fire and Safety Engineering. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. Credit will not be awarded for both FSE 349 and OSH 349.

FSE 349 A-N Cooperative Study: Fire and Safety Engineering. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. Credit will not be awarded for both FSE 349 A-N and OSH 349 A-N.

FSE 350 Fire Arson and Explosion Investigation I. (3) A. Prerequisite: FSE 120. An in-depth study in the analysis of fire, arson, and explosion scenes. Emphasis will be placed on the principles and techniques of scene preservation and analysis, management of investigative functions, documentation of the scene, and determination of the cause and origin of fire.

FSE 355 Fire Dynamics. (3) A. Prerequisites: CHE 101(or higher), FSE 120, and MAT 107 or 114(or higher). An introduction to fire-related measurement techniques, advanced fire and combustion concepts and associated terminology. This course introduces numerical methods for understanding fire dynamics.

FSE 360 Fire Protection Hydraulics and Water Supply (3) A. Prerequisites: FSE 120 and MAT 107, 114 or higher. A study of water at rest and in motion. Bernoulli’s and Pascal’s laws related to distribution systems, velocity, friction loss, pump and nozzle pressures required for fire protection.

FSE 365 Instructional Methodology for Emergency Service (3) A. Course provides students with opportunities to develop presentation skills used in classroom instruction. Develop lesson plans, prepare audio-visual aids and props for the class. Prepare evaluation methodologies that competently assure learning objectives during delivery and documentation.

FSE 370 Electrical and Mechanical Systems Failure Analysis. (3) A. Overview of design criteria for electrical and mechanical systems and components relative to fire safety via laboratory experiments, exemplar components and photographs that depict system and component failures that result in fire. Learning opportunities include engaging in destructive and non-destructive analysis of components and systems.

FSE 375 Employment Services and Management. (3) A. Introduction to management issues related to obtaining and accounting for resources. Included are financial management processes, acquisition strategies, strategies for maintenance of effort and resource prioritization, resource replacement planning and processes to audit program success.

FSE 380 Failure Analysis. (3) A. Prerequisite: FSE 370. An in-depth study of fire and arson investigations. Emphasis will be placed on the principles and techniques of scene preservation, failure analysis, report writing, and determination of cause and origin.

FSE 400 Advanced Emergency Services. (3) A. Prerequisites: FSE 300 or FSE 300W, and FSE 320. A study of environmental management including the identification and analysis of key managerial issues confronting contemporary fire services managers. Application in current methods and planning, organizing, developing and evaluating public fire/emergency services organizations.

FSE 425 Disaster & Community Fire Defense Planning. (3) A. Prerequisite: FSE 300 or FSE 300W. Overview of the ever changing demographics of the departmental jurisdictions and response during community service master planning. Identifying hazards then assessing risks associated with those hazards. Analysis of potential disaster and recovery methods.

FSE 445 Advanced Structural Fire Protection. (3) A. Prerequisite: FSE 355. Examines principles involved in structural fire protection: behavior of materials and design considerations for each material in regards to a structure’s design under fire attack and resistive protection methods.
FSE 450 Advanced Explosion and Bombing Investigation. (3) A. Prerequisite: FSE 380. An in-depth study of explosion scene investigation. Emphasis will be placed on the principles and techniques of scene preservation analysis, management of investigative functions, documentation of scene, and determination of the cause of explosion.

FSE 480 Industrial Fire Safety. (3) A. Prerequisites: FSE 101 and FSE 120. Fire scenario analyses for industrial installations using test data, loss experience and simplified theoretical modeling focusing on warehousing, storage of flammable liquids and safety of electrical equipment and computers.

FSE 481 Fire Protection Design. (3) A. Comprehensive project emphasizing a team approach to the design process. Problem formulation; project management; drawings and specifications; cost estimating; and various project components. Engineering and professional ethics.

FSE 489 Topical Seminar: ______. (1-3) A. Prerequisite: FSE 200 or departmental approval. Development and presentation of research in contemporary methods, techniques, and devices in the field. May be retaken under different topics to a maximum of 12 hours.

FSE 495 Fire Arson and Explosion Case Preparation. (3) A. Prerequisite: FSE 450. Preparation of the fire, explosion, and arson case for trial, including preparation of demonstrative evidence, scene documentation for presentation, and testimony. Selected projects selected for field investigation.

FSE 498 Independent Study. (1-3) A. Prerequisite: Departmental approval. Individual reading and research on a problem or area within the field of Fire and Safety, after student consultation with the instructor. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours providing the project title differs.

GEO—General Business
Dr. Mike Roberson, Interim Chair

GBU 101 Introduction to Business. (3) I, II. A survey of modern business practices. The course explores business areas including management, marketing, accounting, and finance. The course is designed to help prepare students for future business courses and assist students in deciding whether to choose business as a career.

GBU 201 International Business. (3) I. An overview of international business, including international business law, international business customs, and international business functional operations, examining the effectiveness of U.S. business ventures abroad and in competition with international companies at home.

GBU 204 Legal and Ethical Environments of Business. (3) I, II. Prerequisite: minimum 45 hours. Law and the legal system. Topics include discussion on ethical and socially responsible business decision; business forms, contracts and torts; governmental regulations and regulatory agencies that impact business.

GBU 301 e-Commerce Fundamentals. (3) A. Prerequisite: minimum 45 hours completed. Survey, analysis, evaluation of current issues and trends in e-commerce; examination of how e-commerce and electronic mediated environments are changing business and society.

GBU 311 Law of Commercial Transactions. (3) II. Principles for law of personal property transfers, negotiable instruments, secured transactions, the application of the Uniform Commercial Code and business transactions, bankruptcy, and governmental regulation.

GBU 349 A-H Cooperative Study: General Business. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. May be used as upper division business electives and/or free electives as approved. General Business Majors, depending on option, are limited to a maximum of nine co-op hours counting toward degree. Co-op hours may be repeated up to nine hours.

GBU 350 Seminar in Business. (3-5) A. A carefully selected topic of special and contemporary interest to business students. May be retaken under different subtitles to a cumulative maximum of nine hours.

GBU 480 Business Strategy. (3) I, II. Prerequisites: CCT 300 or 300W, CIS 300, FIN 300, MGT 300, 370, and MKT 300 with a grade of “C” or better in each prerequisite course; senior standing (A minimum of 90 hours) with an overall minimum 2.0 GPA. A capstone business course designed to expose business majors to the processes under conditions of uncertainty including integrative analysis and formulation of strategy and supporting policy at administrative/executive levels. Students must complete all business core courses prior to taking GBU 480.

GCS—Interpersonal Skills and Career Counseling

GCS 199 Career Counseling Seminar. (1) I, II. Prerequisite: Degree Seeking Only. The eight-week course helps students make effective career decisions. Self-awareness, values clarification, an awareness of career alternatives, and decision-making skills are promoted in the course. Pertinent career facts are learned; i.e. salary, training, outlook, and working conditions.

GEO—Geography
Dr. Melissa Dieckmann, Chair

GEO 100 Regions and Nations of the World. (3) A. Survey of the physical, cultural, and economic geography of the world’s major regions, with an emphasis on regions undergoing change and currently of international concern. Credit will not be awarded for both GEO 100 and GEO 200. Gen. Ed. E-5B [SB].

GEO 110 Environmental Geography (3) A. A Practical Approach to Understanding the Physical Environment. A focus on ecological function and the physical and human dynamics contributing to environmental change across the globe and at various geographical scales. Environmental issues are examined through a series of case studies including clean air and water, energy systems, biodiversity, natural hazards, climate change, and food production. 2Lec/2Lab. Gen. Ed. E-4.

GEO 115 Hollywood Weather. (3) A. This non-technical introductory capstone seminar examines how meteorological events are portrayed in popular movies. Topics may include severe weather events, climate change, and weather’s impact on human systems.

GEO 210 Introduction to Physical Geography. (3) A. Study of natural processes operating at the earth’s surface with special emphasis on weather and climate and landforms as they vary from place to place. 2Lec/2Lab.

GEO 322 World Geopolitics. (3) A. Prerequisites: GEO 110, 110, or 210; ENG 102 or 102R; 105(B), or HON 102; or departmental approval. Examination of environmental problems and conservation strategies in the context of global change, with case studies from exemplary world regions, including rainforest, mountain, desert, and island biomes. Credit will not be awarded to students who have credit for GEO 302 or ENV 302.

GEO 315 Meteorology. (3-4) I, II. Prerequisite: MAT 112 or 112W with a grade of C or better, 114, 122, 211, 234, or 234H. This course focuses on important phenomena and physical processes that occur in Earth’s atmosphere, including atmospheric dynamics, radiation, stability, moisture, wind systems and severe storms.

GEO 322 World Geopolitics. (3) A. Prerequisites: GEO 110, 110, or 210; ENG 102 or 102R, 105(B) or HON 102. Study of world political structures and events organized by territorial and regional frameworks. Specific attention to global political processes, including globalization processes, conflict and peace, ethnic separatism, and international mediation.

GEO 325S Environmental Land Use Planning (3) A. Cross-listed as ENV 325S. Prerequisites: GEO 100, 110, or 210; ENG 102 or 102R, ENG 105(B), or HON 102; MAT 105 or higher; or departmental approval. Examines how principles of landscape ecology, resource conservation, and environmental impact analysis are incorporated into land use decisions and public policy. Emphasizes practical application at the site and regional scale. Credit will not be awarded to students who have credit for GEO 325, ENV 325S or ENV 325S.

GEO 343 Geography of Kentucky. (3) A. Prerequisite: GEO 100, 110, or 210. Topic-regional approach to the physical characteristics, cultural complexity, and economic aspects of Kentucky with an emphasis on understanding the state’s historical development and current environmental, political, and economic issues from a geographic perspective.

GEO 349 Applied Learning in Geography. (5-8) A. Prerequisite: departmental approval. Work in placement related to academic studies. One to eight hours credit per semester or summer. Total hours for baccalaureate, 16. A minimum of 80 hours employment required for each semester hour credit. No more than six hours may count toward the major.

GEO 349 A-N Cooperative Study: Geography. (5-8) A. Prerequisite: departmental approval. Work in placement related to academic studies. One to eight hours credit per semester or summer. Total hours for baccalaureate, 16. A minimum of 80 hours employment required for each semester hour credit. No more than six hours may count toward the major.

GEO 351 Geoscience Data and Techniques. (3) A. Prerequisites: GEO 100, 110, 210, GLY 104, 107, 108, or 109; MAT 105 or above, STA 215, or 270. Introduction to geoscience data, quantitative and qualitative analysis, hypothesis testing, and appropriate representations of specific data types. Includes exposure to techniques used in geoscientific research and applications, including mapping, GIS, GPS, field work, remote sensing, library and Internet research, and others. Practical experience focus. 2Lec/2Lab.

GEO 353 Geographic Information Systems. (3) A. Prerequisite: (one of the following): AGR 216, GEO 100, 110, 210, GLY 104, 107, 108, or 109; MAT 105 or above, STA 215, or 270. Introduction to GIS principles, methods, operations, mapping, and applications. Topics include spatial data, databases, GIS analysis, models, site suitability, environmental and social applications, and more. Hands-on emphasis using ArcGIS. 2Lec/2Lab.

GEO 398 Independent Study in Geography. (1-6) I, II. Prerequisite: departmental approval. Topic determined by student and instructor. Student must have
of Germanic cultures. Laboratory work required. Gen. Ed. E-6 [GE].

GER 201 Intermediate Conversational German I (3). I, II. Recommended: GER 101 or equivalent proficiency. German conversation, grammar, and other language skills with increased emphasis on developing basic writing and reading skills. Taught in a cultural context. Laboratory work required. Students entering GER 201 by referral or placement receive six hours credit for GER 101 and 102 if they make an “A” or “B” in 201. Gen. Ed. E-6 [GE].

GER 202 Intermediate Conversational German II (3). I, II. Recommended: GER 201 or equivalent proficiency. German conversation, grammar, and other language skills with continuing emphasis on reading and writing skills. Taught in a cultural context. Laboratory work required. Students entering GER 202 by referral or placement receive nine hours credit for GER 101, 102, and 201 if they make an “A” or “B” in 202. Gen. Ed. E-6 [GE].

GER 240 Advanced Conversation. (3) A. Recommended: GER 201 or equivalent proficiency with department chair approval. Topics for conversation drawn from everyday situations. (Waived in case of demonstrable oral proficiency, but not open to students who have native or near-native fluency in German.)

GER 250 Great Moments in German life. (1-3) A. Prerequisite: GER 202 or equivalent proficiency with department chair approval. May be retaken to a maximum of 6 hours if topic is different. Selected topics in German language, literature, culture, and our planet's life. 2 Lec/2 Lab. Gen. Ed. E-6 [GE].

GER 301 Topics in German. (1-3) A. Prerequisite: GER 250 or equivalent proficiency, but not open to students who have native or near-native fluency in German.)

Section Seven - Course Descriptions

GER 302 Intermediate Conversational German III (3). I, II. Recommended: GER 201 or equivalent proficiency. German conversation, grammar, and other language skills with continuing emphasis on reading and writing skills. Taught in a cultural context. Laboratory work required. Students entering GER 201 by referral or placement receive six hours credit for GER 101 and 102 if they make an “A” or “B” in 201. Gen. Ed. E-6 [GE].

GER 304 Intermediate German Grammar. (3) I. Prerequisite: GER 202 or equivalent proficiency with department chair approval. May be retaken to a maximum of 6 hours if topic is different. Selected topics in German language, literature, culture, and our planet's life. 2 Lec/2 Lab. Gen. Ed. E-6 [GE].
PETROLOGY & METAMORPHIC PETROLOGY. (4) II. Prerequisites: GLY 309; MAT 112 or 112B or higher with a grade of C or better. Nature and origin of common igneous and metamorphic rocks, with emphasis on crystalline rocks. Lab develops the ability to analyze and classify rocks in hand sample and in thin section using a petrographic microscope. 3 Lec/2 Lab.

GLY 410 STRUCTURAL GEOLOGY. (4) I. Prerequisites: GLY 102, 104, 107, 108, or 109; and MAT 112 or 112B or higher with a grade of C or better. Deformation of Earth’s crust across a wide range of scale with emphasis on plate tectonics and its consequences. Lab develops the ability to analyze the geometry of deformed rock bodies and solve common structural problems. Course includes a mandatory field trip during Fall Break. 3 Lec/2 Lab.

GLY 415 SEDIMENTARY GEOLOGY. (4) I. Prerequisites: GLY 102, 104, 107, 108, or 109; and MAT 112 or 112B or higher with a grade of C or better; or departmental approval. Examination of sedimentary processes and products, the characteristics and origins of sedimentary rocks and their related depositional environments, and application of these principles to solving geological problems. Laboratory develops techniques for describing and interpreting sedimentary rocks, structures, and stratigraphy. Course includes a mandatory field trip during Fall Break. 3 Lec/2 Lab.

GLY 420 STRATIGRAPHY. (4) II. Prerequisites: GLY 415 and MAT 112 or 112B or higher with a grade of C or better. Description, correlation, and interpretation of stratified sedimentary sequences; basic identification and interpretation of the fossils they contain. Emphasizes rock vs. time correlation, facies relationships, sequence stratigraphy, event stratigraphy, biostratigraphy, well log correlation. 3 Lec/2 Lab.

GLY 450W EVOLUTION OF THE EARTH. (3) A. Prerequisite: Senior standing or departmental approval. Overview of the geological principles from the perspective of the Earth’s history, physical and biological. Emphasis on critical thinking and expressive writing. Credit will not be awarded to students who have credit for GLY 550. 3 Lec/2 Lab.

GLY 451 FIELD CAMP. (6) SUMMER ONLY. Prerequisites: GLY 409 and 410. Field-training course in the northern and central Rocky Mountains (6 weeks). Analysis of rock sequences; geologic mapping of sedimentary, metamorphic, and igneous terrains; interpretation of complex rock deformation; regional geological synthesis with emphasis on tectonics; and visits to many instructive geologic localities, including national parks and monuments.

GLY 466 AQUATIC GEOCHEMISTRY. (3) II. Prerequisite: GLY 347 or CHE 111 and 111L. Reactions between natural waters, atmospheric gases and earth materials in surface and near-surface environments. Emphasis is placed on consequences of chemical weathering, composition of surface and near-surface water, rock reaction cycles, and natural and anthropogenic geochemical events. 2 Lec/2 Lab.

GLY 480 PETROLEUM GEOLOGY. (3) II. Prerequisites: GLY 410 and 420. Use of the petroleum systems paradigm to explore characteristics of economically-viable petroleum accumulations. Examines fundamental activities such as electric logging, mudlogging, and drilling. Exercises and projects model industry practices in recognizing and understanding petroleum accumulations. 2 Lec/2 Lab.

GLY 482 PALEOCOLOGIST. (3) A. Prerequisite: GLY 104, 105, 415, GED 115, 210, or 315; or departmental approval. How the interaction of ocean and atmosphere creates climate in the planet today and leaves its record in geologically accessible Earth materials, with an emphasis on the interpretation of the geological record and how we learn how the Earth’s climate has changed in the past.

GLY 498 CAPSTONE PROJECT IN GEOLOGY. (3). A. Prerequisite: senior standing and departmental approval. A capstone experience for geology majors that integrates a research experience with the students’ professional development and the production of a substantive deliverable product (e.g., poster, conference presentation, geologic map).

GLY 499 SENIOR THESIS. (3) A. Prerequisites: senior standing and department approval. Supervised, independent thesis project for majors in geology. Thesis project must be approved by faculty supervisor and department council prior to enrollment in the course.

GLY 535 HYDROGEOLOGY. (3) I. Prerequisites: GLY 102, 104, 107, 108 or 109; and MAT 112 or 112B or higher with a grade of C or better; or departmental approval. Origin, occurrence, movement, utilization, and management of ground and surface water, and the study of water-bearing materials. Quantitative presentation of geological, physical, and geochemical aspects of groundwater hydrology. 2 Lec/2 Lab.

GLY 580 SELECTED TOPICS. (1-3) A. Prerequisite: senior standing and department approval. Designed to explore specific aspects of geology. May be taken to a maximum of six hours provided topic is different each time.

GSD—STUDENT DEVELOPMENT

GSD 101 FOUNDATIONS OF LEARNING. (3, 2 Lec/2 Lab) I, II. A course to promote student success and lay the foundation for the critical and creative thinking across the curriculum. Open to all first year students with fewer than 30 semester hours earned. Credit will not be awarded to students who have credit for ASO 100, BTO 100, EDO 100, GSO 100, HIS 100, or JSO 100, SCO 100. GSD 201 TRANSFER STUDENT SEMINAR. (1) A. Seminar is for students who enroll with 30-90 hours. Students learn how to navigate campus resources, operate degree audit software, handle transfer credits and abide by Eastern’s academic integrity policy. Graded Satisfactory-Unsatisfactory.

GSD 225S LEADERSHIP: Services Learning. (1, II). The course is designed to introduce current and emerging leaders to leadership theory and development through a dynamic service learning component including reflective activities, practice in teamwork, and engaging in service for a community partner. Credit will not be awarded for both GSD 225S and GSD 225. May be repeated up to three times.

GSD 250 EXIT REQUIREMENT AGS (0). A. Exam for AGS students to evaluate programmatic outcomes, required of all AGS students who have earned at least 45 hours. Credit (CR) will be given when students complete the exam.

GSD 349 APPLIED LEARNING. (5 - 8) A. Prerequisite: 2.0 GPA and Program approval. Work under field supervisors in placements related to academic studies. Minimum 80 hours work for each credit hour. Repeatable up to 6 credit hours.

GSD 349 a-n COOPERATIVE STUDY. (5 - 8) A. Prerequisite: 2.0 GPA and Program approval. Work under field supervisors in placements related to academic studies. Minimum 80 hours work for each credit hour. Repeatable up to 6 credit hours.

GSD 399 PROFESSIONAL SKILL DEVELOPMENT (3) Prerequisites: Junior standing. Will help students recognize and build skills needed for desired career fields. Topics include: job search, resumes, cover letters, interview skills, and making connections between academic experiences and professional goals.

GSD 401 McNair Research Symposium. (2) A. Prerequisites: ENG 101 or 101R and 102 or ENG 105; MAT 105 or any course above MAT 105. Introduction to research, writing, and expectations concerning research in academic settings. Provides essential information regarding research and writing expectations of graduate students. For McNair scholars only.

GSD 450 EXIT REQUIREMENT BGS (0) A. Exam for senior BGS students to evaluate programmatic outcomes. This exam is required of all BGS students who have earned at least 90 hours. Credit (CR) will be given when students complete the exam.

GSD 466A MOCK TRIAL (2) I. Prerequisite: departmental approval. Cross-listed with POL 466A. Preparation of Mock Trial Competitions. Students will develop cases for presentation including preparing opening and closing arguments, introducing testimonial, physical and demonstrative evidence, and conducting direct and cross examination of witnesses. May be taken to a maximum of 8 hours, only 2 of which may be counted toward the political science major and only 1 may be counted toward the political science minor.

GSD 466B MOCK TRIAL II. Prerequisite: GSD 466A and departmental approval. Cross-listed with POL 466B. Preparation of Mock Trial Competitions. Students will develop cases for presentation including preparing opening and closing arguments, introducing testimonial, physical and demonstrative evidence, and conducting direct and cross examination of witnesses. May be taken to a maximum of 8 hours, only 4 of which may be counted toward the political science major and only 2 may be counted toward the political science minor.

GSO

GSO 149 Co-op Professional Seminar. (1) I, II. Prepare students for the job market prior to co-oping. Topics include: self-assessment, communication, resumes and cover letters, interviewing techniques, business etiquette. Credit will not be awarded for both GSO 149 and CMS 330.

GST—General Studies Tutoring

GST 300 PREREQUISITE OF PEER MENTORING/ TUTORING. (1-3) A. Prerequisite: Department approval. Students will receive instruction and training in tutoring and mentoring skills and techniques. Students will serve as a peer tutor or mentor and assist with teaching in an assigned section of Academic Orientation for freshmen. The peer tutors and mentors will record, reflect upon and evaluate their associated experiences. May be retaken up to six credit hours.

HEA—Health Education

Dr. Michael Ballard, Chair

HEA 202 Community First Aid and CPR. (3) I, II. Instruction and practice in first aid and safety procedures. Includes assessment and first aid procedures regarding life-threatening emergencies, injuries, medical emergencies, and resuscites. Focus on prevention, as well as first aid. Includes American Red Cross certification in First Aid, Adult CPR with AED, Child CPR, and Infant CPR. Credit will not be awarded for both HEA 202 and EMC 102.

HEA 285 Health Across the Lifespan. (3) I, II. Consideration of the various conditions and factors affecting individual and community health; special emphasis is on responsible decision-making, formulating philosophies, attitudes, and a behavioral understanding necessary to establish healthy living practices.

HEA 290 Foundations of Health Education. (3) II. The history, foundational disciplines, and principles that led to the establishment of health education. The role of health education in the present health care system.

HEA 310 Introduction To Global Health. (A) Prerequisite: ENG 102 or 102R or 105 or HON 102. Exploration of epidemiological, economic, political, sociological and cultural factors that impact global
HEA 315 Issues in Health and Disease. (3) II. Epidemiology, factors, remediation, and prevention of disease. Nature of health and environmental issues and forces which shape them.

HEA 316 Introduction to Public Health. (3) I, A. An introduction to the organization and functions of public health at local, state, and national levels. Identifies relationship between public health and the public's health. Includes promotion of future public health direction. Credit will not be awarded for both HEA 316 and HEA 416.

HEA 320 Introduction to Behavior Change Theory (3) I, II. Examine theories and models of health behavior relevant to health education in individuals and communities. Students analyze influences on behavior, and evaluate strategies for health education.

HEA 345 Drugs, the Individual, and Society. (3) I, II. Effect of drug use and abuse on the individual and society. Personal and community approaches for promoting intelligent decision making regarding drugs.

HEA 349 Applied Learning in Public Health. (5-8) A. Prerequisite: departmental approval. Work under faculty and field supervisors in a cooperative placement related to a student's academic studies. Credit varies with hours of employment; one to eight hours per semester or summer. May be retaken to a maximum of 12 hours. Minimum 80 hours employment required for each semester hour credit.

HEA 349 A-N Cooperative Study: Public Health. (5-8) A. Prerequisite: departmental approval. Work under faculty and field supervisors in a cooperative placement related to a student's academic studies. Credit varies with hours of employment; one to eight hours per semester or summer. May be retaken to a maximum of 12 hours. Minimum 80 hours employment required for each semester hour credit.

HEA 350 Interpretation of Health Data. (3) I. Understanding graphical, statistical, and research techniques used in health. Developing competencies in analyzing and interpreting research results. Credit will not be awarded to students who have credit for ECO 220 or ECO 282, or HEA 450 or PSY 291 or QMB 200 or STA 215 or STA 270.

HEA 375 Family Life Education. (3) I. Biophysical and psycho social aspects of sexuality and relationships, with emphasis on choices affecting health and well-being. Focuses on developing skills in teaching and facilitating positive behavior changes for people working in schools and communities.

HEA 380 Mental Health Education. (3) I. Basic skills for mental and emotional wellness. Emphasis in the selection of appropriate activities for promoting mental health through community agencies.

HEA 410 Social Marketing and Advocacy in Public Health (3) Prerequisites: senior standing or department approval. Introduction to current theory and knowledge in the fields of social marketing and advocacy in public health and application of social marketing and advocacy used for promoting health behavior change strategies.

HEA 420 Senior Seminar in Public Health. (3) A. Prerequisite or corequisite: HEA 480W and Senior standing. Public Health major or departmental approval. Students will draw together skills and knowledge needed to enter the workforce, and will review core competencies required of the entry level public health professional.

HEA 455 Introduction to Epidemiology. (3) I, A. Factors that affect the occurrence and courses of diseases—determinants, susceptible hosts, favorable environments, and the effective use of statistical epidemiological methods.

HEA 460 Community Health Education Program Planning. (3) Prerequisite or corequisite: HEA 316 or departmental approval. Planning, organizing, delivering, and evaluating the community health education program. Credit will not be awarded for both HEA 460 and HEA 360.

HEA 463 Internship in Public Health. (1-6) A. Prerequisites: HEA 420 or departmental approval. Supervised experiential training in the directing of public health activities in various settings. May be retaken to a maximum of six hours.

HEA 480W Health Promotion Program Planning. (3) I. Prerequisites: ENG 102 or 102R or ENG 105(B) or HIS 101 or departmental approval. A writing intensive course that is an introduction to principles, strategies, and skills which are necessary for the planning and implementation of health education and health promotion programs in a diversity of settings. Credit will not be awarded for both HEA 480W and HEA 480.

HEA 490 Evaluation of Health Promotion Programs. (3) I, II. HEA 480W or departmental approval. This course will provide an introduction to principles, strategies, and skills for the evaluation of health promotion programs in a variety of settings. Credit will not be awarded for both HEA 490 and HEA 580.

HEA 590 Health Education: ______ (1-3) A. Study of pertinent problems in health and health education. Includes topics such as: health care delivery, child abuse, teenage pregnancy, community health organizations, elementary school health curriculum, drug education, physical fitness, health deviations among students, sexually transmitted diseases, etc. May be retaken with advisor approval provided subtitle is different.

HEA 591 Women’s Health. (3) Cross-listed as WGS 591. Analysis of the major health problems of contemporary women with a special emphasis on health promotion, disease prevention, and consumer health concerns. Credit will not be awarded for both HEA 591 and WGS 591.

HEA 592 Human Sexuality, (3) A. Cross-listed as WGS 592. Study of the biological, social, and psychological aspects of human sexuality. Directed primarily toward those individuals in situations which require them to assist others in understanding problems and the broad impact of one’s sexuality. Emphasis is placed upon student development of logical and reasoned justifications for their own value system. Credit will not be awarded for both HEA 592 and WGS 592.

HEA 593 Death and Grief, (3) A. Cross-listed as WGS 593. A study of attitudes, behaviors, and issues concerning death and grief. Topics include responses to death and grief throughout the life cycle; process of grief and bereavement; the psychological and legal aspects of dying; care of the dying; suicide; post-mortem care; death education. Credit will not be awarded for both HEA 593 and WGS 593.

HIS—History

Dr. John Bowes, Chair

HIS 100 World Topics To 1500: ______ (3) A. Introductory exploration of a broad regional or thematic topic in world history prior to 1500. Credit will not be awarded to students who have credit for HIS 231 or 246. Limited to three credit hours. Gen. Ed. E-5A [SB].

HIS 101 World Topics Since 1500: ______ (3) A. Introductory exploration of a broad regional or thematic topic in world history since 1500. Credit will not be awarded to students who have credit for HIS 147, 232, or 247. Limited to three credit hours. Gen. Ed. E-5A [SB].

HIS 102 American Civilization to 1877. (3) A. Formerly HIS 202. Transition from colonial to independent republic; social, cultural, and economic institutions derived from agrarian conditions; the influence of European foundations. Required of all majors and minors in history. Credit will not be awarded to students who have credit for HIS 202. Gen. Ed. E-5A [SB].

HIS 103 American Civilization Since 1877. (3) A. Formerly HIS 203. Conflicts between demands of an industrial society and agrarian values; interrelationships between world expressions and American experience. Required of all majors and minors in history. Credit will not be awarded to students who have credit for HIS 203. Gen. Ed. E-5A [SB].

HIS 147 World Civilizations Since 1500. (3) A. Formerly HIS 347. Analyzes forms of historical change and interaction in various world civilizations during the modern period. Credit will not be awarded to students who have credit for HIS 101 or 247. Gen. Ed. E-5A [SB].

HIS 205 The Marginalized in History: ______ (3) A. Introductory exploration of the experiences of specific historically marginalized groups or cultures. May be repeated up to 6 hrs. as long as content varies. Gen. Ed. E-6 [GE].

HIS 290 Historical Research and Methods. (3) I, II. HIS majors only. A comprehensive introduction to historical research, writing, and methodologies. Credit will not be awarded for both HIS 201 and HIS 290.

HIS 300A Topics in U.S. History: ______ (1-3) A. Movements in U.S. history that have influenced and continue to influence the course of American culture and civilization. May be retaken to a maximum of six hours provided topics vary.

HIS 300B Topics in European History: ______ (1-3) A. Movements in European history that have influenced and continue to influence the course of European culture and civilization. May be retaken to a maximum of six hours provided topics vary.

HIS 300C Topics in Non-Western History: ______ (1-3) A. Movements in non-Western history that have influenced and continue to influence the course of non-Western cultures and civilization. May be retaken to a maximum of six hours provided topics vary.

HIS 302A Research Topics in History: ______ (1-3) A. HIS majors only, HIS 290, and ENG 102 or 102R, 105(B) or HIS 102. Historical research and methodologies using case studies of specific movements in U.S. history that have influenced and continue to influence the course of cultures and civilizations.

HIS 302B Research Topics in History: ______ (1-3) A. HIS majors only, HIS 290, and ENG 102 or 102R, 105(B) or HIS 102. Historical research and methodologies using case studies of specific movements in European history that have influenced and continue to influence the course of cultures and civilizations.

HIS 302C Research Topics in History: ______ (1-3) A. HIS majors only, HIS 290, and ENG 102 or 102R, 105(B) or HIS 102. Historical research and methodologies using case studies of specific movements in U.S. history that have influenced and continue to influence the course of cultures and civilizations.

HIS 303 Women in American History. (3) A. Cross-listed as WGS 303. Prerequisite: three hours HIS or department approval. Social, economic, and cultural role of women in America. Women’s work; social position and status; women in reform movements; feminism and the suffrage movement; the new feminism. Credit will not be awarded for both HIS 303 and WGS 303.

HIS 304 Slavery in the Americas. (3) A. Cross-listed as AFA 304. Prerequisite: three hours HIS or departmental approval. The history of slavery, bound labor, and freedom in the Western Hemisphere. Special attention will be given to anti-slavery and abolitionist movements. Credit will not be awarded for both HIS 304 and AFA 304.

HIS 305 African-American History. (3) A. Cross-listed as AFA 305. Prerequisite: three hours HIS or department approval. African history to 1500; Europe, Africa, and the Americas; trans-Atlantic and domestic slave trades; African-American emancipation; post-emancipation experiences and initiatives; persistence of black nationalism. Credit will not be awarded for both HIS 305 and AFA 365.

HIS 307 Religion in American History. (3)
A. Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Examination of the impact of religious issues upon American history, including units on such questions as church-state relations and the role of religion in American perspectives on culture, ethnicity, gender, and social and economic change. Credit will not be awarded for both HIS 309 and SCI 310. Important issues and events in the history of the United States during the Twenty Century. May be retaken to a maximum of six hours providing topics vary.

HIS 321 Islamic Societies to 1800. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Islamic societies in the Middle East, Central and Southern Asia, North Africa, and the world from the seventh to eighteenth century. Origins and spread of Islamic civilization. Spiritual foundations, institutions, politics, and art. Florence of “gунpowder empires.”

HIS 322 History of the Modern Middle East. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Study of the history of the modern Middle East from the close of the 18th century to the present, with emphasis on the religious, social, political, and cultural dimensions of societies in the region.

HIS 324 Iran – State, Religion & Society. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Iran from ancient to contemporary times with the emphasis on the modern period, with particular attention to politics, religion, and culture. Zoroastrism, Islam, Tobacco Revolt, Constitutional Revolution, the Pahlavis and the 1953 coup, Islamic Revolution.

HIS 331 Topics in Ancient Egypt/Near Eastern History. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Religion in American History. Important issues and events in the history of Ancient Egypt or the Near East (including Iraq, Iran, Turkey, and Israel) from the earliest human activity to the Greco-Roman period. May be retaken to a maximum of six hours providing topics vary.

HIS 336 Greco-Roman Civilization. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Greek society and culture; emergence of the Roman Republic; the Roman Empire.

HIS 339 The Dark Ages Illuminated. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. The collapse of the Classical world; the Germanic migrations; early Byzantine and Islamic civilizations; the Carolingians; the church and society; feudalism; commercial and urban revival; the rise of territorial states and the beginnings of European expansion.

HIS 343 The Renaissance & Reformation. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. European society, culture, economy and politics, 1438-1689. “Black Death” and its impact; Italian Renaissance humanities and Christian humanism, and European expansion in the age of Columbus; Protestant and Catholic reform movements; religious wars. Credit will not be awarded to students who have credit for HIS 344.

HIS 349 Applied Learning in History. (A) Prerequisite: departmental approval. Does not apply toward a major or minor in history. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

HIS 349-A Cooperative Study: History. (A) Prerequisite: departmental approval. Does not apply toward a major or minor in history. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight; associate; sixteen; baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

HIS 351 Independent Study in History: ______. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Important issues and events in the history of Europe. May be retaken to a maximum of six hours providing topics vary.

HIS 359 Topics in Modern European History: ______. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Important issues and events in the history of Europe. May be retaken to a maximum of six hours providing topics vary.

HIS 361 Topics in the History of Eurasia: ______. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Important issues and events in the history of Eurasia. May be retaken to a maximum of six hours providing topics vary.

HIS 365 Russia - Revolutions & Reform. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Cultural, social, economic and political events leading up to the 1917 Revolution and the history of the Soviet Union including its break-up into independent states.

HIS 370 World History Since 1945. (A) Formerly HIS 347. Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Global consequences of World War II, the Cold War, and superpower interventionism. The transition from a bipolar to a multipolar international system, the collapse of communism, and the spread of terrorism. Credit will not be awarded to students who have credit for HIS 347.

HIS 374 East Asian History to 1600. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. China and Japan from the beginnings of East Asian civilization in Neolithic times to the early modern period; the development of key social, economic, and political institutions; the Confucian tradition and the introduction of Buddhism; the Mongol era; the late imperial order in China and the emergence of Japanese feudalism.

HIS 376 Japan – Samurai to Superpower. (A) Formerly HIS 342. Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Japan from 1600 to the present. Included will be the arrival of the West, industrialization, militarism, World War II, and Japan as economic superpower. Credit will not be awarded to students who have credit for HIS 342.

HIS 379 China – Empire and Revolution. (A) Formerly HIS 474. Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. Han Chinese dissent and collaboration with foreign powers. The Manchus take power, unity of the Qing. Revolution of 1911; Nationalist-Communist civil war and Japanese occupation; Great Leap Forward, Cultural Revolution, and Tiananmen Square. Credit will not be awarded to students who have credit for HIS 474.

HIS 384 Modern Latin America. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. The national period in Latin American history, with emphasis on dependency theory, Roman Catholicism in the region, and United States-Latin American relations.

HIS 385 Early African History. (A) Cross-listed as AFA 386. Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. History of Africa from earliest times to 1860. Emphasis on social, political, economic, and cultural change in states and societies; oral traditions, the environment, and human activities and slavery and the slave trades. Credit will not be awarded for both HIS 385 and AFA 385.

HIS 386 Modern African History. (A) Cross-listed as AFA 386. Prerequisite: ENG 102 or 102R, 105 (B), or HON 102. History of Africa from the 19th century to the present. Themes include: trade and politics; European conquest and African resistance; rural survival and urban popular culture; race, class, gender, ethnicity, and age; African nationalism and independence. Credit will not be awarded for both HIS 386 and AFA 386.

HIS 401 American Colonial Period. (A) Prerequisite: three hours HIS or department approval. Political and social history of the colonies and their neighbors; European background; settlement; westward expansion; intercolonial conflicts; beginnings of culture; colonial opposition to imperial authority.

HIS 402 Revolutionary America. (A) Formerly HIS 343. Prerequisite: three hours HIS or department approval. Colonial background of Revolution; internal and external nature of Revolution; problems associated with Confederation; events leading to the American Constitution.

HIS 405 America’s Westward Expansion. (A) Prerequisite: three hours HIS or department approval. Colonial frontier; trans-mountain movements; Indian problems; Manifest Destiny; the sectional struggle; mining; railroads; cattle culture.

HIS 416 Kentucky History. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102; three hours HIS, or departmental approval. Kentucky’s social, economic and political development from frontier times to the present day. The Kentucky experience of such national trends as migration, industrialism and expanding government. Credit will not be awarded for both HIS 416 and HIS 516.

HIS 420 Appalachia in U.S. History. (A) Cross-listed as APP 420. Prerequisite: ENG 102 or 102R, 105 (B), or HON 102; three hours HIS or departmental approval. The relationship between Appalachia and the rest of the United States. Topics include the “yeman” myth, coal industrialization, settlement houses, company towns, and the identification of the region with poverty. Credit will not be awarded to students who have credit for APP 420.

HIS 424 Civil War and Reconstruction. (A) Prerequisite: three hours HIS or department approval. Intellectual, social, and political roots of the sectional crisis; military and social perspectives on the war years; the continuation of the sectional crisis in Reconstruction.

HIS 431 U.S. Civil Rights Movement. (A) Cross-listed as AFA 435. Prerequisites: three hours HIS or departmental approval. Examination through primary and secondary sources of the origins, course, ideologies, and legacy of the mid-twentieth century American movement for racial justice and equality. Discussion of the central scholarly issues in civil rights studies. Credit will not be awarded for both HIS 435 and AFA 435.

HIS 450W Senior Seminar in History. (A) Prerequisite: ENG 102 or 102R, 105 (B), or HON 102; 2018-2019 EKU UNDERGRADUATE CATALOG 321
HLS 101 Introduction to Homeland Security. (3) A. Principles and practices associated with the emerging discipline of homeland security. Policies, directives, national plans, and legislation that shape and define the ongoing evolution of homeland security. Key issues including civil liberties and diversity. Relationship to public safety, private security, and national security. Prerequisite: HLS 260. Credit will not be awarded to students who have credit for HLS 450.

HLS 102 Cyber and Physical Security (3) A. Principles of cyber and physical design and application to include assessments and subsequent identification of countermeasures as well as policy development and implementation in an effort to safeguard life and critical infrastructure. Credit will not be awarded for both APS 210 and SCI 210.

HLS 260 Disaster Preparedness & Response. (3) A. Formerly HLS 451. Examines disaster preparedness and response context, concepts, theories, principles, policies, procedures, and requirements. Students apply course concepts using case studies and real-world scenarios.

HLS 301 Critical Infrastructure Protection. (3) A. Identification, prioritization, and protection of critical infrastructures. Examining information technology, telecommunications, chemical, transportation, energy, water, medical, emergency services, postal and shipping. Impact on personal safety and economic performance. Prerequisites: SCI 310 Personnel Security. (3) A. Formerly SEC 250. Examines employee and contractor integrity through background screening, security awareness, ethics programs, and audits. Analyzes special programs to protect key personnel, employees in high risk environments and workplace violence mitigation. Credit will not be awarded to students who have credit for SEC 250.

HLS 320 Security Management (3) A. Prerequisite: Junior or Senior standing or departmental approval. Evolution and application of traditional and current theories in leading and managing corporate and government/industrial security operations. Areas covered include management, supervision and leadership of a security operation. Prerequisites: ENG 102 or 102R or 105(B) or HON 102 and admission to the Honors Program; or departmental approval. A topics course in the humanities meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours.

HLS 321W Critical Problem Analysis. (3) A. Prerequisites: ENG 102 or 102R or HON 102 with a minimum grade of “C” or ENG 105 with a minimum grade of “B” and HLS major or departmental approval. Development of research, critical thinking and communication skills for the security profession. Credit will not be awarded to students who have credit for HLS 321.

HLS 349 Applied Learning in HLS. (.5-12) A. Prerequisites: Department Chair approval, a minimum GPA of 2.0, a minimum of 30 hours completed. The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of twelve hours.

HLS 349 A-N HLS Cooperative Study. (.5-12) A. Prerequisites: Department Chair approval, a minimum GPA of 2.0, a minimum of 30 hours completed. The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of twelve hours.

HLS 350 Workplace Investigations (3) A. Prerequisite: Junior or Senior standing or departmental approval. Overview and management of criminal, civil, administrative, and internal investigative processes in the workplace, to include interviews, reports, and ethical and legal considerations. Prerequisite: permission of the instructor.

HLS 391 Risk Analysis. (3) A. History and process of risk analysis and management (VRA) as it relates to the protection of critical assets and infrastructure. Instruction in common techniques used in both the public and private sectors.

HLS 395 Policy and Legal Analysis. (3) A. Develop homeland security policy and legal research and analytic skills. Includes coverage of international and U.S. federal, state and local policy, legal and ethical issues.

HLS 400 Evolution of the U.S. Intelligence Community. (3) A. Evolution of the U.S. intelligence community from its inception to the present day. Prerequisites: HLS 401 Intelligence Process. (3) A. Key questions facing the U.S. intelligence community and its role in homeland security, national defense, and international security today. Students apply oversight and intelligence support. Collection, analysis, sharing and dissemination of information within and between local, state, and federal government agencies and the private sector.

HLS 402 Counterintelligence. (3) A. History, structure and operations of the US counterintelligence community. Includes legal foundations of counterintelligence and critiques of recommended changes to the Intelligence Community. Credit will not be awarded to students who have credit for the Honors Seminar in the Mathematics Sciences.

HLS 403 Intelligence Analysis. (3) A. Examines processes used at local, state and federal levels to conduct intelligence analysis and develop intelligence products. Includes advanced instruction in intelligence structured analytic techniques.

HLS 430 Domestic Terrorism (3) A. Coverage of politically-motivated extremist violence in the United States. Includes discussion of definitional issues, radicalization, major attacks, current threats, and principal extremist groups. Prerequisites: ENG 102 or 102R.

HLS 435 HLS Special Topics. (1-12) A. Study of contemporary issues and special topics in homeland security. May be retaken to a maximum of twelve hours under different subtitles.

HLS 441 Homeland Security Technology. (3) A. Broad overview of homeland security technology. Technology as a tool to support homeland security regardless of functional specialty. Contribution of technology tools to homeland security. Prerequisites: HLS 401 Intelligence Process and HLS 430 Domestic Terrorism.

HLS 445 HLS Field Experience. (1-12) A. Prerequisites: Department Chair approval, a minimum GPA of 2.0, and a minimum of 30 hours completed. This course is designed to broaden the educational experience through appropriate observational work assignments in cooperating agencies. A minimum of 80 hours of observation is required for each academic credit. May be retaken to a maximum of twelve hours.

HLS 455 HLS Independent Study. (1-6) A. Prerequisites: Department Chair approval, a minimum GPA of 2.0, a minimum of 30 hours completed. Individual research and research on a problem within the field of homeland security. Students must have independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours.

HLS 461 Disaster Resilience. (3) A. Concepts, theories, principles, programs, and requirements of pre- and post-disaster hazard mitigation, governmental programs, planning and practice; hazard and threat modeling and analysis; team building; case studies; project development.

HLS 465 Unconventional Threats and Responses. (3) A. The course addresses concepts, theories, laws and authorities, principles, programs, and requirements associated with unconventional threats to our nation that most likely would result in mass casualties, and pose large-scale responses and cascading threats.

HLS 491 Disaster Planning and Exercises. (3) A. Prerequisite: HLS 260. Emergency planning and exercise requirements, methods and applications for all levels of government and business, including hazard mitigation and emergency operations planning; also considers planning for universities, colleges and secondary schools.

HLS 495C Family and Consumer Economics. (3) A. Prerequisite: HLS major and senior standing or departmental approval. Examines theories and practical applications of leadership and ethical decision making. Senior capstone course requiring synthesis of prior work in homeland security.

HON—Honors Program Courses

HON 100 Honors Seminar. (1) I, II. This course is designed to be an introduction to the Honors Program and academic life at the university as well as to promote student success across the curriculum.

HON 102 Honors Rhetoric. (6) I. Prerequisite: Admission to the Honors Program or instructor approval. Corequisite: HON 103. Designed, with HON 103, to improve skills in writing, reasoning, oral presentation, and research. Each student will do a research paper that requires both significant use of library resources and the development of a cogent line of argument. Gen. Ed. E-1A and E-1B [WCI/WR].

HON 103 Honors Communication. (3) I. Prerequisite: Admission to the Honors Program or program approval. Corequisite: HON 102. Designed, with HON 102, to improve skills in writing, reasoning, oral presentation, and research. Each student will learn the principles and practice of the art of public speaking including the invention, organization, style, and delivery of informative and persuasive speeches. Gen. Ed. E-1C. [OR]

HON 180 Honors Wellness. (3) I, II. Interactive learning and laboratory experiences for individual assessment, practice of exercise systems, and improvement of body function. This course offers a comprehensive discussion of the areas of health, physical fitness and wellness. Does not count toward required honors seminar hours for "Honors Scholar" graduation status. Credit will not be awarded to students who have credit for the Honors Program.

HON 304W Honors Seminar in the Mathematical Sciences. ____ A. Prerequisite: ENG 102 or 102R or 105(B) or HON 102 and Admission to the Honors Program; and completion of all University academic readiness indicators; or departmental approval. A topics course in the mathematical sciences meeting the goals of the Honors Program. A service-learning version of HON 304W may also be offered. Students may earn up to six hours from any combination of HON 304W/304S, providing the topics differ. Gen. Ed. E-2 [OR].

HON 307W Honors Seminar in the Arts. ____ A. Prerequisite: ENG 102 or 102R or 105(B) or HON 102 and Admission to the Honors Program; or departmental approval. A topics course in the arts meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours. Gen. Ed. E-3A [AH].

HON 308W Honors Seminar in the Humanities. ____ A. Prerequisite: ENG 102 or 102R or 105(B) or HON 102 and Admission to the Honors Program; or departmental approval. A topics course in the humanities meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours. Gen. Ed. E-3B [AH].

HON 310W Honors Seminar in History. ____ A. Prerequisite: ENG 102 or 102R or 105(B) or HON 102 and Admission to the Honors Program; or departmental approval. A topics course in history meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours. Gen. Ed. E-5A [SB].

HON 312W Honors Seminar in the Social and Behavioral Sciences. __ A. Prerequisite: ENG 102 or 102R or 105(B) or HON 102 and Admission to the Honors Program; or departmental approval. A topics course in the social and behavioral sciences meeting the goals of the Honors Program. A service-learning version of HON 312W may also be offered. Students may earn up to six hours from any combination of HON 312W/312S, providing the topics differ. Gen. Ed. E-5B [SB].

HON 317 Honors Seminar in the Natural Sciences. ____ A. Prerequisite: ENG 102 or 102R, 105(B) or HON 102 and admission to the Honors Program; or departmental approval. A topics course in the...
the natural sciences meeting the goals of the Honors Program. Credit will not be awarded for both HON 317 and HON 318. 2 Lec., 2 Lab. Gen. Ed. E-4.

HON 320W Honors Seminar in Diversity of Perspectives and Experiences:_____ (3) A. Prerequisite: Admission to the Honors Program or departmental approval and ENG 102 or 102R or 105B or HON 102. An overview of counseling and cultural experiences meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours. Gen. Ed. E-6 [GE].

HON 325W Honors Seminar in Diversity of Perspectives and Experiences:_____ (3) A. Prerequisite: approval of honors program director. Specialized study of selected topics usually culminating in an official presentation at a conference such as the annual meeting of the National Collegiate Honors Council. Student must have the special topics proposal form approved by a faculty mentor prior to enrollment. May be retaken with different topics to a maximum of three hours.

HIS 420 Thesis Project and Seminar: (3-6) I, II. An in-depth thesis or major project, approved by the honors director, and presented in a suitable format within the seminar. May be retaken for a maximum of 6 credit hours.

HSA—Health Services Administration
Dr. Michael Ballard, Chair

HSA 100 Health Care Delivery Systems: (3) I, II. Overview of U.S. health care; history, factors influencing health and health care, identification and organization of health facilities and professionals, health economics, health trends, and ethics.

HSA 200 Medical Terminology: (3) I, II. Basic medical vocabulary consisting of prefixes, suffixes, roots; anatomical, systematic, and common disease terms of the body systems.

HSA 302 Organization and Management of Health Services: (3) I, II. Prerequisite: HSA 100 (minimum grade of “C”). Analysis of structure, function, and internal and external forces impacting healthcare services. Identification of management topics and trends.

HSA 303 Fundamentals of Medical Science: (3) I, II. Prerequisites: HSA 200, BIO 171, and 301 each with a minimum grade of “C”. An introduction to the study of disease—its causes, symptoms, and treatment.

HSA 306 Clinical Classification Systems: (3) I, II. Prerequisite: HSA 302 and 303 with a minimum grade of “C” or departmental approval. Clinical classifications, coding, and reimbursement systems for physician and hospital services.

HSA 370 Health Information Management Systems: (3) I, II. Prerequisites: HSA 302 and INF 314 with a minimum grade of “C”. Health information systems, systems analysis, and healthcare database management.

HSA 372 Health Care Reimbursement Systems: (3) I, II. Prerequisite: HSA 302 and 306 (minimum grade of “C”). An in-depth analysis of health care reimbursement systems; health insurance fraud and abuse; and procedures for patient accounting and cash flow forecasting.

HSA 375 Health Services Administration: (3) I, II. Prerequisites: MGT 301 or 300; HSA 302 (minimum grade of “C”). Prerequisite or co-requisite: MGT 320 or POL 376. Application of financial management, utilization review, and risk management functions in a healthcare setting.

HSA 407 Advanced Health Services Administration: (3) I, II. Prerequisite: HSA 375 (minimum grade of “C”). Advanced study in trends relating to the management of health care organizations and the leadership role of health services administrators.

HSA 409 Health Services Research Methods: (3) I, II. Prerequisites: HSA 302; STA 215 or 270 each with a minimum grade of “C”. Introduction to health care research methods, related terminology and statistical techniques.

HSA 411 Professional Practice Experience I: (1, 2) I, II. Prerequisite: department approval. Internship assignment to a health care organization for observation and practice of supervisory functions.

HSA 412 Professional Practice Experience II: (1, 2) I, II. Prerequisite: department approval. Internship assignment within the field of health information management for observation and practice of data management functions.

HSA 413 Professional Practice Experience III: (3) I, II. Prerequisite: department approval. Internship assignment to health care organizations for observation and practice of management functions.

HSA 415 Professional Certification Preparation: (1) I, II. Corequisite: HSA 413. Preparation for the Registered Health Information Administrator (RHIA) certification exam. Course focuses on the content domains included on the exam and development of general test-taking skills.

HSAO—Health Sciences Orientation
Dr. Sheila Pressley, Interim Dean

HISO 100 Student Success Seminar: (1) A. Orientation to the academic life and career preparation with emphasis on University regulations, catalog details, registration requirements, and program requirements. Open to all students during their first two semesters of enrollment at EKU; beyond that open to students with fewer than 30 semester hours earned.

HSR—Human Services

HSR 300 Introduction to Counseling and Human Services: (3) A. This introductory course will cover the fundamentals of counseling, consumer, history, ethical standards, the development of basic listening skills, and cultural competencies required for professionals in the field of Human Services.

HSR 305 Introduction to Care Decision-Making: (3) A. Topics will include use of career information, elements of self-reflection, career exploration, decision making, and skill identification, developing personal career interest, values clarification, skill reviews; and job search skills.

HSR 400 Introduction to Human Development: (3) A. This course focuses on human development throughout the lifespan, from birth to death. Students will examine central concepts related to human development as well as continuity and change within the developing individual.

HSR 405 Appalachian Issues in a Multicultural Society: (3) A. This course addresses issues relevant for those who will work in human services and require knowledge of issues relevant to Appalachian populations and services.

HUM—Humanities

Dr. Abbey A. Hoffman, Chair

HUM 124 Humanities and the Search for Meaning: (3) I, II. An introduction to the comparative and interdisciplinary study of culture, including Western and non-Western literature, visual art, music, and design, emphasizing integrative thinking as a means toward affirming values for living meaningfully in today’s world. Gen. Ed. E-3A, 3B.

HUM 226 The Search for Meaning: The Ancient World: (3) I, II. Comparative and interdisciplinary approaches to the study of culture in the ancient world, including Western and non-Western literature, drama, visual art, architecture, and religion/philosophy in historical context; emphasis on integrative thinking and exploration of living meaningfully from the ancient perspective. Gen. Ed. E-3A, 3B.

HUM 228 The Search for Meaning: The Modern World: (3) I, II. An introduction to the comparative and interdisciplinary study of culture in the modern world, including Western and non-Western literature, visual art, music, film, and religion/philosophy; emphasis on integrative thinking and exploration of values for living meaningfully in the modern world. Gen. Ed. E-3A, 3B.

HUM 300W Humanity in the Postmodern Age: (3) I. Prerequisite: ENG 102 or 102R, 105B, or HON 102. Comparative and interdisciplinary approaches to the study of culture since 1945, including study of Western and non-Western works of literature, visual art, music, film, and religion/philosophy; focus on integrative thinking as a means toward affirming values for living meaningfully in the contemporary world. Credit will not be awarded for both HUM 300 and 300W. Gen. Ed. E-3A, 3B.

HUM 300W Humanity in the Postmodern Age: (3) A. Prerequisite: ENG 102 or 102R, 105B, or HON 102. Comparative and interdisciplinary approaches to the study of culture since 1945, including study of Western and non-Western works of literature, visual art, music, film, and religion/philosophy; focus on integrative thinking as a means toward affirming values for living meaningfully in the contemporary world. Credit will not be awarded for both HUM 300 and 300W. Gen. Ed. E-3A, 3B [AH].

HUM 302 Comparative Humanities: (3) A. An introduction to classic, formalist, structuralist, and post-structuralist approaches to the analysis of literature, visual culture, music, the dramatic arts, and design. Emphasis on integrative thinking.

HUM 320 Classical Humanities: (3) A. Critical analysis of visual culture, literature, architecture, and thought from prehistory, ancient and classical cultures: Egypt, Greece, Rome reflecting the achievements and values of the ancient Mediterranean civilizations.

HUM 330 Medieval Humanities: (3) A. Critical analysis of art, music, and literature from the Judaic, Christian and Islamic traditions emphasizing the confluence of these traditions in the European Middle Ages.

HUM 340 Renaissance and Enlightenment: (3) A. Critical analysis of art, music, and literature from the Renaissance, Baroque, and the Enlightenment reflecting the religious and secular energies of Western culture and the colonial world.

HUM 350 Modern Humanities: (3) A. Science, globalization, and cultural diversity in the Modern World; critical analysis of art, music, and literature reflecting the modernization of culture and the human condition since the Enlightenment.

HUM 360 Topics in Non-Western Traditions: (3) A. Prerequisite: ENG 102 or 102R, ENG 105B, or HON 102. Studies in the literature, visual and dramatic arts, music, and design of non-Western cultures. This course may focus on a single non-Western tradition or on a few interrelated non-Western traditions in a given semester. Repeatable up to six hours with permission of department chair. Gen. Ed. E-6 [GE].

HUM 395 Independent Work in Humanities.
INF 307 Cyberspace Security and Ethics. (3) A. Formerly CSC 307. Prerequisite: A grade of “C” or higher in ENG 102 or 102R, ENG 105(B), or HON 102. A non-technical survey of computing, including computers’ effect on society, computer crime, viruses and other threats, and self-protection in an online environment. Credit will not be awarded to students who have credit for CSC 314.

INF 314 MS Office & Data Analysis. (A). Formerly CSC 314. Prerequisite: “C” or higher in CSC 104, 212, or equivalent. Designing advanced Excel spreadsheets and Access databases to manage data problems with an emphasis on data calculations, data analysis, and organization of data. Credit will not be awarded to students who have credit for CSC 314.

INF 318 Mobile Device Security & Privacy (A). Formerly CSC 318. Prerequisite: A grade of “C” or higher in ENG 102 or 102R, 105(B), or HON 102. Introductory course on mobile device security and privacy. Topics include mobile devices including smart phones, tablets and others; mobile device threats; mobile device security including planning and implementation; mobile device privacy. Credit will not be awarded to students who have credit for CSC 318.

INF 321 Computer Forensics I (A). Formerly CSC 321. Prerequisite: A grade of “C” or higher in ENG 102 or 102R, 105(B) or HON 102. Introductory course on computer forensics. Topics include computer forensics concepts, digital evidence, law and regulations, computer forensics lab, computer forensic investigation, digital forensics repository, digital ethics and codes to expert witness. Credit will not be awarded to students who have credit for CSC 321.

INF 322 Computer Forensics II (A). Formerly CSC 322. Prerequisite: CSC 321 with a minimum grade of “C”, or INF 321 with a minimum grade of “C”.

INF 330 2D Animation (A). Prerequisite: A grade of “C” or higher in ART 100, BEM 240, INF 120, INF 130, CSC 140, or TEC 190. Introduction to 2D animation for use in animation and games. Graphical tablets will be used to learn various digital drawing techniques and key-framing. Onion-skinning, rigging will be used for animation generation leading to sprite-sheet assets. Credit will not be awarded to students who have credit for previous Special Topics course: 2D Animation.

INF 430 Digital Sculpting (A). Prerequisite: A grade of “C” or higher in ART 100, BEM 240, INF 120, INF 130, or CSC 315. Navigate and utilize 3D sculpting tools. Create animation ready meshes and game ready models and textures. Learn appropriate terminology and vocabulary in the discussion of 3D assets. Credit will not be awarded to students who have credit for previous Special Topics course: Digital Sculpting.

INF 495 Independent Work. (1-3) I, II. Prerequisites: A grade of “C” or higher in ENG 102 or 102R, 105(B), or HON 102, and departmental approval. Directed study/research on a problem or area chosen in consultation with the instructor. Final paper required. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of twelve hours.

INF 507 Special Topics in Informatics. (1-3) A. Prerequisite: departmental approval. Topics vary with offering. May be retaken to a maximum of six hours with approval of the department chair prior to enrollment. May be retaken to a maximum of six hours if topic is different.

INF 510 Web Design and Programming in Education. (A). Formerly CSC 510. Introduction to design and implementation of World Wide Web applications for use in environments of interactive on-line class notes and testing materials. Credit will not be awarded to students who have credit for CSC 510.

INF 511 Game Design. (A). Prerequisite: CSC 316 with a grade of “C” or higher. Fundamentals of designing both digital and non-digital games. In-depth study of choice, motivation, and reward in gameplay systems. Additional topics related to gamification, monetization, and serious games also covered.

INF 512 Game Production and Publication. (A). Prerequisite: CSC 316 with grade of “C” or higher. Review of historical and current aspects of the games industry from AAA to indie. Production Management, Agile Development in Games, Project funding, IP protection, Collaborations, and other game release issues.

INS—Insurance
Dr. Oliver Feltus, Chair

INS 349 A-N Cooperative Study. Insurace. (.5-8) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-requisite: approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required per credit hour. Six hours may be used as a major elective. May be repeated for a total of 16 credit hours.

ITP—Interpreter Training Program
Dr. Laurence Hayes, Chair

ITP 215W Professional Issues in Interpreting. (3) II. Prerequisites: ENG 101 or 101R and 102 with a grade of “C” or higher; or HON 105 or ENG 105 with a grade of “B” or higher. ASL 201 and ASL 225 with minimum grades of “C” or departmental approval. Terminology, procedures, and ethical professional considerations relevant to interpreting and transliterating. Topics include the Code of Professional Conduct application, structuring the interpreting environment, communication assessment, human relations skills, historical developments, and current trends. Credit will not be awarded for both ITP 215 and ITP 215W.

ITP 220 Processing Skills for Interpreters. (3) I. Prerequisite: ASL 201 with a minimum grade of “C” or departmental permission. Practice of cognitive skills used in the process of interpreting. Skills include visualization, prediction, listening, memory, abstracting, closure, dual tasking, and processing time.

ITP 310 Professional Decision Making and Ethics I. (3) I. Prerequisite: admission in the interpreting program or departmental permission. This course provides students with the theoretical foundation for professional and ethical decision making. It explores multiple perspectives on the role and function of the interpreter. Clinical hours required.

ITP 320 English-to-ASL Interpreting I. (3) A. Prerequisites: admission in the interpreting program, ASL 202, ITP 215 or 215W, 220 with minimum grades of “C” or departmental permission. Development of English-to-ASL interpreting skills using consecutive and simultaneous modes with a variety of source materials. Clinical hours required.

ITP 325 ASL-to-English Interpreting I. (3) I. Prerequisites: admission to the interpreting program, ASL 202, ITP 215 or 215W, 220 with a minimum grade of “C” or departmental permission. Development of interpreting skills progressing from written translation to consecutive interpreting/ transliterating in a variety of settings. Clinical hours required.

ITP 330 Ethics and Special Settings I. (3) II. Formerly ITP 370. Prerequisites: ASL 202(C) and admission to the ASL and English Interpretation program or departmental approval. Critical analysis of interpreting in various settings. Development of communication and ethical decision-making skills. Clinical hours required.

ITP 340 Interactive Interpreting I. (3) II. Prerequisites: ASL 301, ITP 215 with a grade of “C” or higher and admission to the interpreting program or departmental approval. Exploration of meaning creation in interaction both theoretically and practically through observation and engagement in monolingual and bilingual interactions. Consideration of the impact of the presence of an interpreter on the creation of meaning in interactions.

ITP 380 Special Topics in Interpreting:
Section Seven - Course Descriptions

ITP 385 Independent Work Interpretation. (1-3) A. Prerequisite: departmental approval. For independent work, special workshops, or special topics not related to the field of interpretation beyond the scope of regularly offered courses. May be taken to a maximum of 9 hours provided subtitle/topics vary.

LAS 390 Linguistics and ASL I: (3) II.
Prerequisites: admission in the Interpreter Training program, ASL 301 with a minimum grade of “C” or departmental permission. Overview of linguistics: phonology, morphology and language change in a variety of languages and American Sign Language. Analysis of ASL and spoken languages. Clinical hours required.

ITP 410 Professional Decision Making and Ethics II: (3) Prerequisites: ITP 310 with a grade of “C” or higher and admission to the interpreting program or departmental approval. This course continues students’ exploration of professional and ethical decision making moving from the foundational knowledge of ITP 310 to practical application. Clinical hours required.

ITP 420 English-to-ASL Interpreting II: (3) I, II.
Prerequisites: admission in the interpreting program, ASL 302, ITP 320, 325 with a minimum grade of “C” or departmental permission. Continued development of English-to-ASL interpreting skills with added focus on registers, settings, and audience preferences. Clinical hours required.

ITP 425 ASL-to-English Interpreting II: (3) I, II.
Prerequisites: ITP 325 with a minimum grade of “C” and admission to the ASL and English Interpretation program or departmental approval. Continued development of ASL-to-English interpreting skills in a variety of settings. Clinical hours required.

ITP 430 Ethics & Special Settings II: (3) I.
Prerequisites: admission in the interpreting program, ASL 302, ITP 320 and 325 with minimum grades of “C” or departmental permission. Continued critical analysis of interpreting in various multilingual and specialized settings. Continued development of ethical and culturally competent decision-making skills. Clinical hours required.

ITP 440 Interactive Interpreting II: (3) I.
Prerequisites: Admission to the interpreting program, ASL 302, ITP 340, 325 with a grade of “C” or higher, and admission to the interpreting program or departmental approval. Students will integrate, broaden, and apply skills learned in interpreting courses by experiential practice in interactive interpreting. Students will develop skills in interpreting conversations, discussions, explanations, interviews, and other types of dialogue genres.

ITP 470 Practicum in Interpreting I: (3) I.
Prerequisites: ASL 302, ITP 325, 340, 425, with a grade of “C” or better and admission to the interpreting program or departmental approval. Observation and interpreting experience under the supervision of a mentor(s) in a variety of settings. Clinical hours required.

ITP 490 Linguistics and ASL II: (3) I, II.
Prerequisites: admission in the Interpreter Training program, ITP 390 with a minimum grade of “C” or departmental permission. Overview of syntax, discourse, and sociolinguistics. Analysis of American Sign Language and spoken languages. Clinical hours required.

ITP 495 Practicum in Interpreting II: (12) I, II.
Prerequisites: admission in the Interpreter Training program, ITP faculty approval, completion of all other ASL/ITP classes with minimum grades of “C” or higher. A structured full time practicum interpreting experience under the direct supervision of a mentor(s) in an educational, public or private setting. Students will interpret, participate in professional growth activities, keep professional journals and adhere to all guidelines and requirements in the ITP 495 student practicum handbook. Potential practicum sites may be local, state wide, regional or national.

JPN—Japanese
Dr. Abby Paffenberger, Chair

JPN 101 Conversational Japanese I: (3) I, II.

JPN 102 Conversational Japanese II: (3) A.
Recommended: JPN 101 or equivalent proficiency. Continuation of JPN 101. Emphasis on conversation. Students entering JPN 102 by referral or placement will receive three hours credit for JPN 101 if they make an “A” in 102. Laboratory work required. Gen. Ed. E-6 [GE].

JPN 201 Intermediate Japanese I: (3) A.
Recommended: JPN 102 or equivalent proficiency. Continuation of JPN 101. Practice in writing kanji, reading, and speaking on cultural topics for diverse social settings requiring increasingly complex structural patterns. Students entering JPN 201 by referral or placement receive six hours credit for JPN 101 and 102 if they make an “A” or “B” in 201. Gen. Ed. E-6 [GE].

JPN 202 Intermediate Japanese II: (3) A.
Recommended: JPN 201 or equivalent proficiency. Continuation of JPN 201 to strengthen student’s ability to interact in more diverse social settings requiring increasingly complex structural patterns. Students entering JPN 202 by referral or placement receive nine hours credit for JPN 101, 102, and 201 if they make an “A” or “B” in 202. Gen. Ed. E-6 [GE].

JPN 295 Independent Work in Japanese: (1-3) A.
Prerequisite: departmental approval. May be retaken to a maximum of six hours if content is different. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

JPN 495 Independent Work in Japanese: (1-3) A.
Prerequisite: departmental approval. May be retaken to a maximum of six hours if content is different. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

JSO—Justice & Safety Orientation
Dr. Victor Kappeler, Dean

JSO 100 Student Success Seminar. (1) I.

JPN 100 Student Success Seminar. (1) I.
An orientation to university academic life and career planning and preparation. Preparation to include University policies and procedures, program requirements, career opportunities and introductory study skills. Open to all students during their first two semesters of enrollment at EKU; beyond that open to students with fewer than 30 semester hours earned.

LAS 210 Introduction to Law. (3) I, II.
General study of the purpose, function, and history of law; law-related occupations; court systems; case law analysis; professional ethics; the adversary system; and the major areas of law.

LAS 220 Legal Research and Writing I: (3) I, II.
Prerequisite: LAS 210 or director approval. The sources and techniques of legal research; their application to specific legal problems and the use of legal authority to construct a written legal argument.

LAS 300 Legal Research and Writing II: (3) I, II.
Prerequisite: LAS 220. The sources and techniques of advanced legal research and writing; the preparation and writing of legal research methods and their application. Credit will not be awarded for both LAS 300 and LAS 300W.

LAS 300W Legal Research and Writing II: (3) A.
Prerequisite: LAS 220. The sources and techniques of advanced legal research and writing, the use of computer-assisted legal research methods and their application. Credit will not be awarded for both LAS 300 and LAS 300W.

LAS 305 Special Topics in the Law. (1-3) A.
Prerequisite: director approval. A course offered periodically covering topics and issues of current or special interest concerning the practice of law. May be taken to a maximum of six hours provided topics vary.

LAS 325 Real Estate/Bankruptcy Practice. (3) I, II.
Prerequisite: LAS 220. Paralegal practice and procedure for general law office: real estate transactions and documents; title searches, title insurance, loan closings, leases, wills, affidavits of descent, foreclosures, and bankruptcy.

LAS 330 Family Law Practice. (3) A.
Prerequisite: LAS 220. Paralegal practice in family law including forms, documents, and procedures for: marriage, divorce, separation, annulment, alimony, legitimacy of children, custody, adoption, community property, and juvenile law. Credit will not be awarded for both LAS 330 and LAS 330S.

LAS 330S Family Law Practice. (3) A.
Prerequisite: LAS 220. Paralegal practice in family law including forms, documents, and procedures for: marriage, divorce, separation, annulment, alimony, legitimacy of children, custody, adoption, community property, and juvenile law. This is a Service-Learning Course. Credit will not be awarded for both LAS 330 and LAS 330S.

LAS 340 Criminal Law Practice and Procedure. (3) A.
Prerequisite: LAS 220 or director approval. An introduction to criminal law and procedure; criminal law forms and documents, and preparation for criminal litigation using the systems approach.

LAS 350 Litigation: Evidence to Discovery. (3) A.
Prerequisites: LAS 220 or director approval. Study of legal principles and paralegal practice in substantive civil law. Incorporates procedural aspects of the early stages of civil litigation including evidence and investigation, pleadings, and the discovery/ disclosure process.

LAS 355 Litigation: Trial to Appeal. (3) I, II.
Prerequisite: LAS 220 or Director Approval. Study of legal principles and paralegal practice in substantive civil law. Incorporates procedural aspects of the latter stages of civil litigation including settlement and ADR, trial preparation, trial, post-trial practice, and appeal.

LAS 360 Probate Practice and Procedure. (3) I, II.
Prerequisite: LAS 220 or director approval. Paralegal probate practice including initial steps, asset accumulation, debt management, court procedure, estate/related tax issues and forms. A systems approach will be emphasized.

LAS 370 Corporations and Business Organization Practice. (3) A.
Prerequisite: LAS 220. Documents, forms, and procedures essential to the corporate paraplegal. Development of skills concerning business formations, incorporation, corporate finance, employees, corporate operation, securities, regulatory compliance, merger, acquisitions, sales and terminations.

LAS 380 Administrative Agency Practice. (3) A.
Prerequisite: LAS 220. Practical paralegal skill development in administrative law and procedure. Forms, documents, pleadings, and techniques for administrative regulatory compliance; case processing; informal and formal administrative advocacy, emphasizing the systems approach.

LAS 385 Legal Administration and Computer Applications. (3) I, II.
Prerequisites: LAS 220. The study of law office administration and the utilization of specific law office computer applications.

LAS 399 Paralegal Internship. (4) I, II.
Prerequisites: completion of 18 hours of major (LAS) courses including LAS 300 or director approval (prior written application is required).

LAS 410 Paralegal Seminar. (3) A.
Prerequisite: completion of 18 hours of major (LAS) courses or director approval. Professional ethics,
Prerequisite will vary with the topic offered. Topics vary with offering. May be retaken to a maximum of nine hours, with advisor approval, provided the topics are different. Credit towards degree requirements will depend on the course content.

MAE 550 Teaching Mathematics in the Secondary School. (3) I. Cross-listed as ESE 550. Prerequisites: EDF 413 (C), EMS 490 (C), EID 400 (B), admission to professional education. Corequisite: MAE 475. Credit: CED 450. Developmentally appropriate materials and methods for teaching mathematics and computer science in secondary schools. Credit will not be awarded for both ESE 550 and MAE 550.

MAT — Mathematics
Dr. Daniel Mundfrom, Chair

MAT 105 Mathematics with Applications. (3) I, II. Prerequisite: Completion of all academic readiness indicators (which may include ENG 101R “C”) or [Completion of all academic readiness indicators except MATH and current enrollment in MAT 105P] Corequisite: All students who meet all academic readiness indicators except mathematics and who do not meet the mathematics academic readiness indicators are required to enroll in MAT 105P the same semester as MAT 105. This course is designed to strengthen computational skills, mathematical reasoning, problems-solving skills, and mathematical reading/comunication skills while focusing on real-world problems. The mathematical topics may include the mathematics of finance, statistics, geometry, combinatorics, mathematical modeling, and algorithms. Use of calculators. Gen. Ed. E-2 [QR].

MAT 105P Quantitative Support for MAT 105. (1) I, II. Corequisite: MAT 105P. This course is support for students in MAT 105. Emphasis placed on prerequisite skills such as real number sense and operations, problem solving, analyzing graphs, mathematical modeling, and critical thinking. 2 Lab.

MAT 106 Applied Finite Mathematics. (3) I, II. Prerequisite: completion of all University academic readiness indicators. The introduction to the application of mathematics to real-world problems. Topics are from various branches of discrete mathematics such as graph theory, game theory, probability, geometry, and problems from the social sciences. 3 Lect. Gen. Ed. E-2 [QR].

MAT 112 Algebra: Polynomials. (1.5) I, II. Prerequisite/ Corequisite: Satisfaction of English and reading academic readiness indicators. This course may include ENG 101R “C”), and either concurrent enrollment in MAT 112AP or; MAT 098 or 110 with a grade of “C” or better, Math ACT score of 22 or higher, Math SAT score of 530 or higher, or a passing score on an algebra placement test. Students will solve application problems involving linear, quadratic, and power equations and analyze graphs of linear, quadratic, and power functions. Credit will not be awarded to students who have credit for MAT 112. 3 Lec. 1 Lab. Gen. Ed. E-2 [QR]. General Education credit will not be awarded until after successful completion of both MAT 112A and MAT 112B.

MAT 112P Quantitative Support for MAT 112A. (1.5) I, II. Corequisite: MAT 112A. This course is support for students in MAT 112A. Emphasis placed on prerequisite skills such as real number sense and operations, problem solving, analyzing graphs, factoring, exponents, mathematical modeling, and critical reading and thinking. 2 Lab.

MAT 112B Algebra: Functions & Matrices. (1.5) I, II. Prerequisite: MAT 112A (C) and one of the following: a minimum score of 22 on the mathematics portion of the SAT, or a passing score on an algebra placement test. Co-requisite: Students who do not meet the prerequisite above but have credit for MAT 112A (C) and MAT 112AP are required to enroll in
MAT 112B Concurrently with MAT 112B. Students will solve application problems involving matrices, systems of linear equations, series and sequences, logarithmic and exponential equations; and analyze graphs of exponential and logarithmic functions. Credit will not be awarded to students who have credit for MAT 112. 3 Lec / 1 Lab. Gen. Ed. E-2 [QR]. General Education credit will not be awarded to students who have credit for MAT 110. 3 Lec / 1 Lab. MAT 112B Quantitative Support for MAT 112B (5-L) II, Corequisite: MAT 112B. Content includes support in MAT 112B. Emphasis on prerequisite skills including real number sense and operations, problem solving, graphs, factoring, exponents, logarithms, matrices, sequences, mathematical modeling, and critical reading and thinking. 2 Lab. MAT 114 College Algebra. (3-L) II, formerly MAT 107. Prerequisite: MAT 098 or 110 with a grade of “C” or better, a minimum score of 22 on the mathematics portion of the ACT, or a minimum score of 510 on the mathematics portion of the SAT, or a passing score on an algebra placement test. Real and complex numbers, integer and rational exponents, polynomial and rational equations and inequalities, graphs of functions and relations, exponential and logarithmic functions. Use of graphing calculators. Credit will not be awarded to students who have credit for MAT 107. 3 Lec / 1 Lab. Gen. Ed. E-2 [QR].

MAT 120 Trigonometry. (3-L) I, II. Formerly MAT 108. Prerequisite: MAT 112 or 112B or 114 with a grade of “C” or better, a minimum score of 22 on the mathematics portion of the ACT, or a minimum score of 560 on the mathematics portion of the SAT. Radians and degrees, properties of trigonometric functions, multiple angle equations and solutions, inverse trigonometric functions, complex numbers. Use of graphing calculators. Students who have completed MAT 122 with a grade of “C” or better, or are currently enrolled in MAT 122, will not receive credit for MAT 120. Gen. Ed. E-2 [QR].

MAT 121 Precalculus Mathematics. (5) I, II. Formerly MAT 116. Formerly MAT 117. Prerequisite: Corequisite: MAT 211, 234 or 234H. This lab is to accompany a regular lecture class in Calculus I 1 Lab. Credit will not be awarded to students who have credit for MAT 117. MAT 218 MathExcel Lab for Calculus II. (1-2) I, II. Prerequisite/Corequisite: MAT 244 or 244H. This lab is to accompany a regular lecture class in Calculus II 1 Lab. MAT 219 MathExcel Lab for Calculus III. (1-2) I, II. Prerequisite/Corequisite: MAT 254 or 254H. This lab is to accompany a regular lecture class in Calculus III. No more than four credit hours of MAT 217, MAT 218 and MAT 219 will count toward the baccalaureate degree. 4 Lab.

MAT 225 Multivariable Calculus. (4) I, II. Formerly MAT 124. Prerequisite: MAT 122 with a grade of “C” or better, a minimum score of 25 on the mathematics portion of the ACT, or a minimum score of 590 on the mathematics portion of the SAT. The mathematics of functions of several variables, inverse functions, partial derivatives and applications, integration, and introduction to and use of the computer package Mathematica or other appropriate technology. Credit will not be awarded to students who have credit for MAT 124. Gen. Ed. E-2 [QR].

MAT 239 Linear Algebra and Matrices. (3) I, II. Formerly MAT 214. Prerequisite: MAT 234 or 234H with a grade of “C” or better. Real and complex vector spaces, linear transformations, matrix theory, with applications, through the introduction of eigenvalues and eigenvectors, determinants, inner product spaces, the use of technology. Credit will not be awarded to students who have credit for MAT 214.

MAT 244 Calculus II. (4) I, II. Formerly MAT 224. Prerequisite: MAT 234 or 244H with a grade of “C” or better. Fundamental integration techniques, numerical integration, applications of integration, improper integrals, differential equations, infinite series, polar and parametric equations, and use of Mathematica or other appropriate technology. Credit will not be awarded to students who have credit for MAT 224, 224H or 244H.

MAT 254 Calculus III. (4) I, II. Formerly MAT 225. Prerequisite: MAT 244 with a grade of “C” or better. Functions of several variables, limits and continuity, partial derivatives, multiple integrals, vector calculus including Green’s, Divergence, and Stoke’s theorems, cylindrical and spherical coordinates and use of technology. Credit will not be awarded to students who have credit for MAT 225, 225H.

MAT 301 Logic and Set Theory. (3) A. Prerequisite: Minimum grades of “C” and a grade point average of at least 2.5 in MAT 239, 244 or 244H, or departmental approval. Logic, proof techniques, set theory, relations, functions, cardinality, introduction to advanced mathematics.

MAT 303 Mathematical Models and Applications. (3) II. Prerequisites: A grade of C or higher in MAT 225 or equivalent, MAT 234 or 244H. Prerequisite or Corequisite: MAT 203 with a grade of “C” or better. The course emphasizes conceptual understanding and communication of mathematical topics through real-world applications. Topics include algebra, geometry, and real-world situations. Credit does not count toward any of these: the B.S. in mathematics teaching, or the mathematics minor.

MAT 306 Discrete Mathematics. (3) II. Prerequisites: MAT 239, MAT 244, STA 270 with a grade of “C” and at least a 2.5 GPA in all mathematics courses. Counting principles, permutations, combinations, recurrence relations, graphs, representations of graphs as matrices, trees, networks, difference equations, and linear programming. MAT 308 Modern Algebra I. (3) I. Prerequisite: MAT 301 with a minimum grade of “C” (2.0). Groups, cyclic and permutation groups, homomorphisms, subgroups and factor groups, Fundamental Theorem of Finite Abelian Groups, rings, fields, integral domains, and ideals.

MAT 315 Introduction to Analysis. (3) II. Prerequisite: MAT 254 or 254H, and 301, each with a minimum grade of “C.” Real number system, sets and functions, limits, continuity, uniform continuity, Taylor’s theorem, laws of the mean, the Riemann integral, allied topics.

MAT 334 Modern College Geometry I. (3) A. Prerequisite or Corequisite: MAT 301 with a minimum grade of “C.” Euclid’s parallel postulate, axiom systems, finite geometries.

MAT 349 Applied Learning in Mathematics. (5-L) I, II, I, II (1-6) SUMMER ONLY. Prerequisite: departmental approval. Work in mathematics related to academic studies. Credit does not apply to major or minor requirements. Total hours: eight, associate, sixteen, baccalaureate. A minimum of 80 hours of employment are required for each semester hour of academic credit.

MAT 353 Differential Equations. (3) A. Prerequisite: MAT 244 or 244H with a minimum grade of “C.” Differential equations of first order, applications, singular solutions, linear equations with constant coefficients, miscellaneous methods for equations of higher order, solution in series, total differential equations, qualitative methods, systems of linear differential equations, the computer algebra systems.

MAT 380 Mathematics in a Historical Setting. (3) A. Prerequisite or Corequisite: MAT 301 or departmental approval. The history of mathematics from ancient beginnings until modern times is studied through problems and through the lives and times of mathematicians.

MAT 408 Modern Algebra II. (3) A. Prerequisite: MAT 308 with a minimum grade of “C.” Ring homomorphisms, polynomial rings, unique factorization domains, principal ideal domains, finite fields, field extensions, algebraic extensions, Galois theory, and geometric constructions.

MAT 415 Analysis. (3) A. Prerequisite: MAT 315 with a minimum grade of “C.” The Riemann integral, the Lebesgue integral, metric spaces, differentiation, sequences and series of functions, allied topics.

MAT 480 Seminar in: ___ (1-3). A. Prerequisite: departmental approval. Advanced topics in undergraduate mathematics. May be retaken to a maximum of nine hours, provided the topics are different.

MAT 495 Independent Work. (1-3). A. Prerequisite: departmental approval. Directed study/research on a problem or area chosen in consultation with instructor. Final paper required. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours.

MAT 498 Mathematics Capstone. (1) A. Cross-listed as STA 498. Prerequisite: senior status as either a Mathematics or Statistics major. Designed to enable students to synthesize and integrate their mathematical and statistical knowledge. Students will
learn how to conduct research and present the results. Credit will not be awarded for both MAT 498 and STA 498.

MAT 501 Applications of Mathematics for P-9 Teachers. (3) A. Prerequisite: MAT 303. Topics in the application of mathematical models appropriate for teachers of grades P-9. Credit does not apply toward B.S. or B.S.E. requirements in mathematics.

MAT 502 Geometry with Technology for P-9 Teachers. (3) A. Prerequisite: MAT 205 and MAE 305. Topics in geometry appropriate for teachers of grades P-9. Credit does not apply toward either B.S. or B.S.E. Teaching degree requirements for programs offered within this department.

MAT 505 Foundations of Mathematics. (3) A. Prerequisite: MAT 308 with a minimum grade of “C.” The nature of mathematical thought; logical systems; axiomatic concepts and methods; consideration of the work of Hilbert, Peano, Whitehead, Russell, and others.

MAT 506 Number Theory. (3) A. Prerequisite: MAT 301 with a minimum grade of at least “C.” Fundamental properties of integers, linear Diophantine equations, linear and quadratic congruences, famous problems of number theory.

Section Seven - Course Descriptions

Course Description:

MAT 328 Introduction to Graph Theory. (3) A. Prerequisite: MAT 301 with a minimum grade of “C.” The nature of mathematical thought; logical systems; axiomatic concepts and methods; consideration of the work of Hilbert, Peano, Whitehead, Russell, and others.

MAT 555 Graph Theory. (3) A. Prerequisite: MAT 308 or CSC 320 with a minimum grade of “C.” Introduction to graph theory, basic definitions and applications of graph theory. Topics will include trees, planarity, connectivity, flows, matching, and coloring.

MAT 560 Point Set Topology. (3) A. Prerequisite: MAT 301 with a minimum grade of “C.” An introduction to topology with emphasis on Euclidean and other metric spaces. Mappings, connectivity, compactness, formation of new spaces, relationship to analysis.

MAT 565 Mathematics of Structural Bioinformatics. (3) A. Prerequisites: Senior standing, MAT 239, 254, and three hours from CSC 160, 174, 177, or 190. Mathematical and computational approaches to analyze and understand macromolecular structure data. Methods for protein structure determination, refinement, evaluation, comparison, and visualization. Protein surface representation and shape comparison. Structure databases.

MAT 577 Introduction to Algebraic Coding Theory. (3) A. Prerequisite: Senior standing; MAT 301, or both MAT 239 and departmental approval. Introduction to basic concepts of coding theory, linear codes, perfect codes, cyclic codes, BCH codes, and Reed Solomon codes. Additional topics as time permits. It is strongly recommended that students have completed a course in linear algebra and a course in proof writing.

MGT—Management

Dr. Mike Roberson, Interim Chair

MGT 201 Introduction to Golf Management. (3) I, II. Prerequisites: Admission to PGM program, and successful completion of the PGA Qualifying Exam. A survey course that introduces students to the elements of the industry in which a PGA professional must be competent. Golf course management, introduction to business planning, customer relations, merchandising, and turfgrass management.

MGT 202 Introduction to Golf Instruction. (3) I, II. Prerequisites: junior standing (at least 60 hours) with an overall GPA 2.0. Not for students majoring or minoring in business. Management principles with emphasis on organization theory and behavior, human resources and diversity, communications, production/operations management and quality issues. A study of golf instruction, tournament management, and development of management thought, management in the global arena, and management careers.

MGT 301 Principles of Management (NB). (3) A. Prerequisites: junior standing (at least 60 hours) with an overall GPA 2.0. Not for students majoring or minoring in business. Management principles with emphasis on organization theory and behavior, human resources and diversity, communications, production/operations management and quality issues. Business ethics, development of management thought, management in the global arena, and management careers. Credit will not be awarded for both MGT 301 and 302.

MGT 320 Human Resource Management. (3) I, II. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). Survey of principles and practices in the areas of human resource planning, job analysis, recruitment, selection, training and development, performance appraisal, compensation, labor relations, safety and health, equal employment opportunity, and personnel research.

MGT 330 Small Business Management Innovation and Entrepreneurship. (3) A. Prerequisite: MAT 300 or MGT 301 (with a grade of “C” or better in each prerequisite course). This course offers an emphasis on the role of innovation and entrepreneurship in the creation and management of new ideas, concepts, techniques, processes, methods, ventures, and knowledge.

MGT 340 Management Science. (3) I, II. Prerequisite: ECON 203 and 204 (with a grade of “C” or better), or STA 215 and STA 270 (with a grade of “C” or better). Business decision making approaches and quantitative techniques with an emphasis on the formulation and application of models and the practical solution methods available.

MGT 345 Applied Learning in Management. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. Major GPA required for each division business electives and/or free electives as approved. Will not count as Management elective. Management Majors (all options) are limited to a maximum of nine co-op hours counting toward degree. Co-op hours may be repeated up to nine hours.

MGT 349 A-N Cooperative Study: Management. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval for
is required. Approved work experience directly related to academic major and/or career goals. Minimum of 40 hours. Three hours are required for each credit hour. May be used for upper division business electives and/or free electives as approved. Will not count as Management elective. Management Majors (all options) are limited to a maximum of nine co-op hours counting toward degree. Co-op work experience may be repeated up to nine hours.

MGT 370 Operations Management. (3) I, II. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C”). Practical approaches for improving productivity of operations. Topics designed for quality management, sales forecasting, facility layout and location, human resource planning and scheduling, and inventory control.

MGT 375 Supply Chain Management (3). A. Prerequisite: MGT 340 (with a minimum grade of “C”). The integration of key business processes from end-user through original suppliers that add value for customers and other stakeholders. Topics include: integration and strategic partnering, procurement and outsourcing strategies, value-added services and international challenges.

MGT 400 Organization Theory. (3) I, II. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C”). Organization theory examines and challenges the assumptions underlying human relations, the nature of leadership, and work organization. Major contemporary organizational theories are presented.

MGT 410 Labor Relations. (3). I. Prerequisite: MGT 320 (with a minimum grade of “C”). Study of labor-management relationships including union organization campaigns, contract negotiations, grievance and arbitration procedures, labor-management cooperation, and collective bargaining.

MGT 415 Organizational Conflict Navigation (3). I. Prerequisite: MGT 300 or 301 (with a grade of C or better in each prerequisite course). Analysis of organizational conflict situations with a particular focus on management of such situations. Interactive development of conflict management skills, application of skills to conflict situations, and extensive exploration of negotiation.

MGT 425 Compensation Management. (3) II. Prerequisite: MGT 320 (with a minimum grade of “C”). Advanced study of the human resource function of employee compensation. Topics include job analysis and evaluation, compensation surveys, pay structures, budgeting, performance for performance systems, benefits administration, and federal regulation of compensation management.

MGT 430 International Management. (3). A. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C”). Study of management of international organizations with emphasis on techniques, processes and structures. Topics include organizational culture, leadership, ethics, decision making, and human resource management.

MGT 435 Supply Chain Network Design. (3). I. Prerequisites: MGT 370 and 375 (with a minimum grade of “C” in each prerequisite course). Selecting the optimal role, number, location, size, and capacity of suppliers, manufacturing facilities, service locations, warehouses, retail stores and other facilities. Modeling of the supply chain to optimize operational decisions and reduce costs.

MGT 440 Human Resource Development. (3). I. Prerequisite: MGT 320 (with a minimum grade of “C”). Advanced study of human resource management functions aimed directly at enhancing organizational effectiveness. Topics include training needs analysis; training program design, implementation, and evaluation; performance appraisals; and costing human resource development programs.

MGT 445 Employee Recruitment and Selection. (3). II. Prerequisite: MGT 320 (with a minimum grade of “C”). Advanced study of the human resource function of staffing. Topics include: recruitment, the design and implementation of effective selection procedures which comply with federal/state requirements; analysis and reporting of employee data.

MGT 450 Management Seminar. (1-3) A. May be retaken under different sub-topics to a cumulative maximum of nine hours. Selected topics in contemporary management literature.

MGT 465 Entrepreneurial Leadership (3). A. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). Investigation of contemporary entrepreneurship through a leadership lens. Topics include values-based entrepreneurship, ethics, social responsibility, and the societal impact of entrepreneurship.

MGT 470 Principles of Business Behavior. (3) I, II. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). Determinants and consequences of behavior in business organizations are analyzed in the contemporary language of administrative social systems and models. Interdependence of economic, social, and behavioral factors is emphasized.

MGT 490 Special Problems In Management: (1-4) A. Prerequisite: advisor/departmental approval. May be retaken under different sub-topics to a cumulative maximum of six hours. Independent study, special workshop, special topics, or seminars. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

MKT—Marketing

Dr. Mike Roberson, Interim Chair

MKT 300 Principles of Marketing. (3) I, II. Prerequisites: ACC 201, 202, and ECO 230 with a grade of “C” or better in each prerequisite course. Investigation of current problems facing retail operations (C); junior/senior standing (a minimum of 60 credit hours). GPA: Overview of strategic processes involved in marketing goods and services to global markets; study of behavioral, organizational, and consumer variables in decision processes; use of the marketing mix and marketing information to affect buyer decisions. Credit will not be awarded for both MKT 300 and 301.

MKT 306 Services Marketing. (3). A. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Understanding the customer and the non-profit marketing perspectives. Examination of marketing in service industries with emphasis on the unique aspects of services marketing, the service marketing mix and the implementation of services strategies.

MKT 309 Integrated Marketing Communications. (3). A. Prerequisite: MKT 300 or MKT 301 (with a grade of “C” or better in each prerequisite course). A course covering the theories, strategies, and skills of Integrated Marketing Communication, with a special emphasis on applying IMC to the Internet and World Wide Web (WWW).

MKT 310 Personal Selling. (3). A. Prerequisite: MKT 300 or MKT 301. Personal selling in marketing; the selling process; the modern sales/marketing approach to customer oriented problem solving.

MKT 315 Logistics. (3). A. Prerequisite: MKT 300 (with a minimum grade of “C”). Movement and storage of goods and/or services; role of inventory, customer service, packaging, materials handling, facilities location, flow of information, and transportation.

MKT 349 Applied Learning in Marketing. (5-8). A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. Three hours may be used as an upper division business elective in the Marketing option. Three hours are required in the Music Marketing option. May be repeated for a total of 16 credit hours.

MKT 349A-N Cooperative Study: Marketing. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. Three hours may be used as an upper division business elective in the Marketing option. Three hours are required in the Music Marketing option. May be repeated for a total of 16 credit hours.

MKT 350 Consumer Behavior in Marketing. (3) I, II. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Role of consumer decision-making as it affects the marketing firm; basic concepts of consumer behavior and interrelationships that exist between marketing and the behavioral sciences.

MKT 370 Sports Marketing. (3). A. Prerequisite: MKT 300 or 301. The strategic application of marketing theories and perspectives to the sports industry. Topics include sports franchise promotion, sports identification, consumers, team owners, to teams and participation sports, and marketing with the assistance of sports figures.

MKT 380 Seminar in Marketing. (3). A. Prerequisites: MKT 300 or MKT 301. May be retaken under different sub-topics to a cumulative maximum of six hours. Selected topics in contemporary marketing literature.

MKT 400 International Marketing. (3) I, II. Prerequisite: MKT 300 (with a minimum grade of “C”). Determination of marketing strategy by United States firms and multinational corporations for serving foreign markets and for adapting to variations in cultural and economic factors affecting foreign marketing efforts.

MKT 401 Marketing Research. (3). A. Prerequisite: MKT 300 or 301(with a minimum grade of “C” each prerequisite course). Survey, analysis, and evaluation of current trends and issues in marketing in computer mediated environments, including how the marketing mix is adapted strategically to the Internet and World Wide Web, intrainets, and other digital forms of media.

MKT 404 Retailing Management. (3). A. Prerequisites: MKT 300 or 301 (with a minimum grade of “C” in each prerequisite course). Investigation of current problems faced by retailers in store operations, management, retail buying, and inventory control. Outside readings, oral and written case studies, and field trip experiences are required.

MKT 405 Retail Management for PGM (3) I, II. Prerequisite: MKT 300 (with a minimum grade of “C”); junior/senior standing (a minimum of 60 hours). Investigation of current problems facing retail operations in the golf industry to include buying, vendor selection, merchandise planning, pricing, promotion, and display, inventory control, and performance management. Students will be required to complete case studies and a field project.

MKT 408 Sales Management. (3). A. Prerequisite: MKT 310 (with a minimum grade of “C”). Sales function in modern organizations with emphasis on current management techniques: time management, on-the-job coaching, directing the sales force to sell key accounts, situational analysis, and decision-making.

MKT 431 Strategic Procurement. (3). A. Prerequisite: MKT 300 (with a minimum grade of “C”). The purchasing process as it focuses on supply efficiency and effectiveness relating to the supply chain. The development of objectives and strategies and organizational objectives and strategies.

MKT 435 Marketing for Entrepreneurs (3) A. Prerequisite: MKT 300 or 301 (with a minimum grade of “C” in each prerequisite course). Investigation and understanding of the role marketing plays within the entrepreneurial context. Includes discussion and review of tools and approaches for effective
planning, implementation, and evaluation of business and marketing strategies and tactics. Topics include: product creation, market research, strategic innovation, opportunity identification, customer communication, branding, and channels of distribution.

MKT 440  Industrial Marketing. (3) A. Prerequisite: MKT 300 (with a grade minimum of “C”). An analysis of the marketing structure for industrial products. Product lines, channels of distribution, selling, pricing, and wholesaling problems.

MKT 455  Marketing Research and Analysis. (3) P. Prerequisites: MKT 300 or MKT 301 and QMB 200 (with a minimum grade of “C” in each prerequisite course). The role of research in marketing decision making; the research process, with emphasis on collection, analysis, and interpretation of data as applied to solving marketing problems. Students are required to do a research project.

MKT 456  Qualitative Research in Marketing. (3) A. Prerequisites: MKT 300 or MKT 301 and 455 with a grade of “C” or better in each prerequisite course; junior or senior standing with an overall minimum 2.5 GPA. Students will learn to design and actively engage in qualitative research projects, collecting and analyzing qualitative data such as interviews, in a marketing context.

MKT 457  Experimental Design for Marketing. I, II, (3) Prerequisite: MKT 455. Students will learn how to design an experimental study, collect and analyze the data in a marketing context, and interpret and report the analysis.

MKT 460  Marketing Management. (3) I, II. Prerequisite: MKT 300 (with a minimum grade of “C”). Marketing Majors with Marketing Concentration and Marketing Minors. The strategic marketing planning process involving analysis of the changing market place; analysis of alternative strategies to meet the needs of target markets; and the profitable execution of the marketing plan.

MKT 471  Internship in Marketing. (3 or 6) A. Prerequisites: minimum 2.25 GPA; MKT 300, MKT 301, (with a minimum grade of “C” in each prerequisite course), and consent of instructor. Provides student with half-time or full-time relevant work experience in marketing. Written assignments and a project are required. May be taken only once for three (3) or six (6) hours of credit and not concurrently with Cooperative Study.

MKT 490  Special Problems in Marketing. (1-4) A. Prerequisite: advisor/departmental approval. May be retaken under different sub-topics to a cumulative maximum of six hours. Independent work, special workshop, social topics, or seminars. Students must clear the independent study proposal approval form with faculty supervisor and department chair prior to enrollment.

MLS—Medical Laboratory Science

Dr. Vonia Grabsteel, Chair

MLS 201  Introduction to Clinical Pathology. (3) II. Formerly MLS 201. Open to all students. Techniques common to clinical laboratories. Stresses basic physical and chemical principles of disease process. 3 Lec. Credit will not be awarded for both MLS 201 and MLS 202.

MLS 209  Microbiology for Health Sciences. (3) A. Open to all non-MLS majors. Study of bacteria, fungi, viruses, and parasites as agents of human disease with emphasis on the pathogens, epidemiology, and diagnosis of infectious diseases. 3 Lec. Credit will not be awarded for both MLS 209 and MLS 211.

MLS 211  Medical Microbiology Laboratory. (1) A. Open to all MLS majors. Laboratory methods in the diagnosis and management of infectious diseases. 2 Lab.

MLS 290  Medical Biochemistry. (3) A. Formerly CLS 437. Prerequisite: CHE 112, 113, and BIO 112 or BIO 111. The study of biochemical systems of the body with emphasis on medical consequences when these systems are disrupted. Topics: proteins, carbohydrates, lipids, DNA/RNA and liver functions. 3 Lec. Credit will not be awarded for both CLS 290 and MLS 290.

MLS 300  Clinical Laboratory Administration. (2) I. Formerly MLS 300. Prerequisite: enrollment in upper division MLS program or departmental approval. Lab calculations, instrumentation, and quality assurance. 2 Lec. Credit will not be awarded for both MLS 300 and MLS 303.

MLS 303  Clinical Laboratory Skills. (1) I, II. Formerly MLS 303. Prerequisite: enrollment in upper division MLS program or departmental permission. Skills for clinical laboratory practice, including laboratory safety, phlebotomy, microscopy, pipetting, universal precautions, and principles of quality assurance. Credit will not be awarded for both MLS 303 and MLS 305.

MLS 305  Analysis of Body Fluids. (2) I. Formerly MLS 305. Prerequisite: enrollment in upper division MLS program or departmental approval. Principles, procedures, and significance of analysis of urine, spinal fluid, and other fluids commonly examined in the clinical laboratory. 3 Lec/Lab. Credit will not be awarded for both MLS 305 and MLS 306.

MLS 308  Clinical Serology. (2) I. Formerly MLS 308. Prerequisite: enrollment in upper division MLS program or departmental approval. Principles, procedures, sources of error, and clinical application of serological tests, immune mechanisms, specimen collection; procedures include ASO, VDRL, RA, LE, IM, Rubella, Cold Agglutinins, fluorescent antibodies, and others. 4 Lec/Lab. Credit will not be awarded for both MLS 308 and MLS 309.

MLS 309  Clinical Immunology. (1) I, II. Formerly MLS 309. Prerequisite: enrollment in upper division MLS program or departmental approval. Morphology of blood cells, determination of blood parameters and disorders/diseases associated with blood; biochemistry, procedures and diseases in coagulation. 3 Lec/Lab. Credit will not be awarded for both MLS 309 and MLS 310.

MLS 310  Clinical Hematology and Coagulation. (5) I. Formerly CMS 310. Prerequisite: enrollment in upper division MLS program or departmental approval. Study of blood components, blood group typing, cell panels, compatibility testing, and transfusion practices. 2 Lec/2 Lab. Credit will not be awarded for both MLS 320 and MLS 320H. Credit will not be awarded for both CMS 310 and MLS 310.

MLS 320  Immunohematology. (3) III. Formerly CMS 320. Prerequisite: enrollment in upper division MLS program or departmental approval. Blood banking, blood group testing, immunohematology, blood donors, blood components, and transfusion practices. 3 Lec/3 Lab. Credit will not be awarded for both MLS 320 and MLS 330.

MLS 330  Bacteriology. (5) I. Formerly CMS 330. Prerequisite: enrollment in upper division MLS program or departmental approval. Study of medically important bacteria with emphasis on the clinical laboratory methods of microscopy, cultivation, identification, antimicrobial susceptibility testing, and quality control. 3 Lec/4 Lab. Credit will not be awarded for both CMS 330 and MLS 330.

MLS 355  Mycology, Parasitology, and Virology. (4) II. Formerly CMS 355. Prerequisites: enrollment in the upper division MLS program or departmental approval. Study of fungi, parasites, and viruses as agents of human disease, with emphasis on the clinical laboratory methods of microscopy, in vitro cultivation, identification, and quality control. 3 Lec/1 Lab. Credit will not be awarded for both CMS 355 and MLS 355.

MLS 431  Clinical Correlations. (3) I, A. Formerly CMS 431. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Correlates the sub-disciplines of clinical laboratory science. Reviews all areas and stresses laboratory medicine in the health care setting. 3 Lec. Credit will not be awarded for both CMS 431 and MLS 431.

MLS 432  Clinical Chemistry Practicum. (5) II, A. Formerly CMS 432. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Diagnostic chemical procedures in an affiliated laboratory. Credit will not be awarded for both CMS 432 and MLS 432.

MLS 434  Clinical Microbiology Practicum. (4) I, II. Formerly CMS 434. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Clinical bacteriology, parasitology, and mycology in an affiliated laboratory. Credit will not be awarded for both CMS 434 and MLS 434.

MLS 436  Lab Management Practicum. (1) I, II. Formerly CMS 436. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Principles of managing a medical laboratory presented in an affiliated laboratory. Credit will not be awarded for both CMS 436 and MLS 436.

MLS 437  Clinical Laboratory Seminar. (3) I, II. Formerly CMS 437. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Case studies, advanced procedures, and problem solving in the clinical laboratory. Credit will not be awarded for both CMS 437 and MLS 437.

MLS 438  Hematology Practicum. (4) I, A. Formerly CMS 438. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Diagnostic blood parameters and morphology studies in an affiliated laboratory. Credit will not be awarded for both CMS 438 and MLS 438.

MLS 439  Urinalysis Practicum. (1) I. Formerly CMS 439. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Case studies, advanced procedures, and problem solving in the clinical laboratory. Credit will not be awarded for both CMS 439 and MLS 439.

MLS 440  Blood Bank Practicum. (2) I, II. Formerly CMS 440. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Practical blood banking in an affiliated laboratory. Credit will not be awarded for both CMS 440 and MLS 440.

MLS 441  Immunology Practicum. (1) I, II. Formerly CMS 441. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Practical immunology in an affiliated laboratory. Credit will not be awarded for both CMS 441 and MLS 441.

MSL—Military Science and Leadership

LTC Jerinah Corbin, Chair

MSL 101  Introduction to the Army and Critical Thinking. (2) I. Cadets will learn how the personal development of life skills such as cultural understanding, goal setting, time management, stress management, and comprehensive fitness related to leadership, officerhip, and the Army profession. The focus is on developing basic knowledge and comprehension of Army leadership dimensions, attributes and core leader competencies while gaining an understanding of the ROTC program, its purpose in the Army, and its advantages for the student. Students are required to apply their knowledge outside the classroom in a hands-on performance-oriented environment during leadership labs (team building exercises, field training exercises, and/or simulation exercises). 1 Lec/1 Lab.

MSL 102  Introduction to the Profession of Arms. (3) A. Formerly CMS 433. Prerequisites: knowledge and values shape the Army and the specific ways that these ethics are inculcated into Army culture. Cadets can expect to explore the seven Army Values, Warrior Ethos, explore the Profession of Arms, Army Leadership and
critical communication skills. Students are required to apply their knowledge outside the classroom in a hands-on performance-oriented environment during leadership labs (team building exercises, field training exercises, and/or simulation exercises). 1 Lec/1 Lab.

**MUS 201 Leadership and Decision Making (2)**

1. Primarily is drawn from the Adaptability Army Leadership Program. Outcomes are demonstrated through Critical and Creative Thinking and the ability to apply Troop Leading Procedures (TLP). Comprehension of the officer’s role in leading change by applying innovative solutions to problems in concert with the Principals of Mission Command. The Army Profession is also stressed through leadership forums and a leadership self-assessment. Students are required to apply their knowledge outside the classroom in a hands-on performance-oriented environment during leadership labs (team building exercises, field training exercises, and/or simulation exercises). 2 Lec/1 Lab.

**MUS 202 Army Doctrine and Team Decision Making (3)**

(3) II. Begins the journey to understand and demonstrate cross-cultural competencies as they relate to Army doctrine and how they apply in a combatant commander’s engagement strategies. Army values, teamwork, and Warrior Ethos and their relationship to the skill of leadership and philosophy of military science are also stressed. The ability to lead and follow is also covered through team building exercises in small units up to squad level. Students are required to apply their knowledge outside the classroom in a hands-on performance-oriented environment during Leadership Labs. 2.5 Lec/2.5 Lab.

**MUS 298 Independent Leadership Studies (2-3)**

(1) A. Prerequisite: departmental approval; may be taken as MUS 201 and 202. Students record observed traits in a dimensional leadership journal and discuss observations with instructor. Independent examination of effective leadership, communications, goal setting, decision-making, problem solving, and qualities of effective leaders. 2.5 Ind Stu/2.5 Lab.

**MUS 301 Training Management and the Warfighting Functions. (3)**

(1) A. Prerequisites: departmental approval; may be taken as MUS 201 and 202. Students record observed traits in a dimensional leadership journal and discuss observations with instructor. Independent examination of effective leadership, communications, goal setting, decision-making, problem solving, and qualities of effective leaders. 2.5 Ind Stu/2.5 Lab.

**MUE 378 Teaching Music in Grades P-8. (3)**

(3) II. Cross-listed with EME 378. Prerequisites: admission to professional education, major in music. Corequisite: CED 400. Developmentally appropriate materials and methods for teaching P-8 music. Credit will not be awarded to students who have credit for EME 378.

**MUE 579 Music Education: Principles and Practices. (3)**

(3) I. Cross-listed with ESE 579. Prerequisites: EDF 413(C), EMS 490(C), CED 400(B), and EME 378. Developmentally appropriate materials and methods for teaching music education in secondary schools. Credit will not be awarded to students who have credit for EME 579.

**MUH—Music History Jeremy Mulholland, Chair**

**MUE 378 Teaching Music in Grades P-8. (3)**

II. Prerequisite: MUS 110 or departmental approval. Continuation of MUS 110. May be retaken to a maximum of 4 hours.

**MUH 271 Jazz History. (3)**

II. A. Prerequisite: MUS 110 or departmental approval. Survey of American popular music. Credit will not be awarded to students who have credit for EME 271.

**MUH 371 Survey of American Popular Music. (3)**

II. Prerequisite: MUH 271 or departmental approval. This survey of music history covers two in depth areas of study: The first eight weeks includes an introduction to world music and ancient music through Medieval Western Music. The second eight weeks continues with the Renaissance and Baroque periods.

**MUH 372 Survey of Music History II. (3)**

II. Prerequisite: MUH 371 or departmental approval. Survey of music history from the Classical era to the present.

**MUH—Music APPLIED MUSIC Jeremy Mulholland, Chair**

Applied music courses are only open to music majors and minors. Enrollment in applied music courses requires participation in a music ensemble.

**MUS 101 Performance Class. (0)**

Required of all music majors for six semesters. Passing grade achieved when students have attended a minimum total of 16 concert events per semester.

**MUS 107 Class Guitar for Nonmajors. (1)**

II. Instruction in guitar for non-music majors. May be retaken to a maximum of 4 hours.

**MUS 108 Class Voice for Nonmajors. (1)**

II. Instruction in singing for non-music majors. May be retaken to a maximum of 4 hours.

**MUS 110 Beginning Class Piano I. (1)**

II. Prerequisite: MUS 101 or departmental approval. Prepares non-piano majors to meet Level I Piano Proficiency Examination requirements. Basic keyboard skills, elementary repertoire, and technique. Some music reading ability required. May be retaken to a maximum of two hours.

**MUS 111 Beginning Class Piano II. (1)**

II. Prerequisite: MUS 110 or departmental approval. Continuation of MUS 110. May be retaken to a maximum of two hours.

**MUS 112 Piano I. (1-2)**

II. Corequisite: MUS 225 or 226 or 313; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of four hours.

**MUS 114 Keyboard Skills I. (2)**

II. Prerequisites: MUS 101 or 111. Keyboard majors and other music majors with advanced keyboard background to meet Level II Piano Proficiency Examination requirements. Emphasis is functional skills, such as reading, transposing, playing by ear, harmonizing and improvising, combined with keyboard harmony, technique and memorization skills.

**MUS 115 Keyboard Skills II. (2)**

II. Prerequisite: MUS 114 or departmental approval. Advanced development of skills begun in MUS 114 to prepare piano majors and other music majors with advanced keyboard background to meet Level IV Piano Proficiency Examination Requirements.

**MUS 122 Voice I. (1-2)**

II. Corequisite: MUS 225 or 226; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of four hours.

**MUS 225 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in violin. May be retaken to a maximum of four hours.

**MUS 323 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in violin. May be retaken to a maximum of four hours.

**MUS 322 Voice I. (1-2)**

II. Corequisite: MUS 225 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in violin. May be retaken to a maximum of four hours.

**MUS 323 Voice II. (1-2)**

II. Corequisite: MUS 225 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in violin. May be retaken to a maximum of four hours.
MUS 132d  String Bass I. (1-2) I, II.  Corequisite: MUS 235 or 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in French horn. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in string bass. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in tuba. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in oboe. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in flute. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in trumpet. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in clarinet. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in violin. Corequisite: MUS 111 or departmental approval. Second year course for non-piano majors to meet Level II Piano Proficiency Examination requirements. Continuation of skill development listed under MUS 110, more complex materials, intermediate level. Corequisite: MUS 212 and departmental approval. Continuation of MUS 210. May be retaken to a maximum of two hours.

MUS 211  Intermediate Class Piano I. (1) II.  Prerequisite: MUS 210 or departmental approval. Continuation of MUS 210. May be retaken to a maximum of two hours.

MUS 212  Piano II. (1-2) I, II.  Prerequisite: MUS 211. Corequisite: MUS 225 or 235 or 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Corequisite: MUS 222. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Corequisite: MUS 230. String Instruments Methods I. (1) I. Fingerig, care of instruments and tone production.

MUS 232a  Violin II. (1-2) I, II.  Prerequisite: MUS 132a. Corequisite: MUS 235 or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in violin. May be retaken to a maximum of four hours.

MUS 232b  Viola II. (1-2) I, II.  Prerequisite: MUS 132b. Corequisite: MUS 235 or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in viola. May be retaken to a maximum of four hours.

MUS 233  ‘Cello II. (1-2) I, II.  Prerequisite: MUS 132c. Corequisite: MUS 235 or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in ‘cello. May be retaken to a maximum of four hours.

MUS 234  String Bass II. (1-2) I, II.  Prerequisite: MUS 133d. Corequisite: MUS 235 or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in string bass. May be retaken to a maximum of four hours.

MUS 232f  Guitar II. (1-2) I, II.  Prerequisite: MUS 222. Corequisite: MUS 257; course open to music majors only. One or two lessons per week. Instruction available in guitar. May be retaken to a maximum of four hours.

MUS 230a  Oboe I. (1-2) I, II.  Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in oboe. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in trumpet. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in clarinet. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in saxophone. May be retaken to a maximum of four hours.

MUS 245a  Flute I. (1-2) I, II.  Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in flute. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in oboe. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in violin. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in tuba. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in trumpet. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in clarinet. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in saxophone. May be retaken to a maximum of four hours.
Prerequisite: MUS 230. Continuation of MUS 230.

Prerequisite: MUS 232a. Continuation of MUS 232.

Prerequisite: MUS 232b and completion of the sophomore comprehensive in music. Corequisite: MUS 435 or 436; course open to music majors only. One or two lessons per week. Instruction in viola. May be retaken to a maximum of eight hours.

Prerequisite: MUS 232b and completion of the sophomore comprehensive in music. Corequisite: MUS 435 or 436; course open to music majors only. One or two lessons per week. Instruction in violin. May be retaken to a maximum of eight hours.

Prerequisite: MUS 232b and completion of the sophomore comprehensive in music. Corequisite: MUS 435 or 436; one or two lessons per week. Instruction in viola. May be retaken to a maximum of eight hours.

Prerequisite: MUS 232a and completion of the sophomore comprehensive in music. Corequisite: MUS 435 or 436; course open to music majors only. One or two lessons per week. Instruction in viola. May be retaken to a maximum of eight hours.

Prerequisite: MUS 246b and completion of the sophomore comprehensive in music. Corequisite: MUS 250 and 455a or 455b or 455c or 455d or 455e or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in oboe. May be retaken to a maximum of eight hours.

Prerequisite: MUS 250 and 455a or 455b or 455c or 455d or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in saxophone. May be retaken to a maximum of eight hours.

Prerequisite: MUS 247 and completion of the sophomore comprehensive in music. Corequisite: MUS 253 and 455a or 455b or 455c or 455d or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in saxophone. May be retaken to a maximum of eight hours.

Prerequisite: MUS 250 and 455a or 455b or 455c or 455d; course open to music majors or minors only. One or two lessons per week. Instruction available in oboe/saxophone. May be retaken to a maximum of eight hours.

Prerequisite: Admission to Teacher Education. Fingering, care of instruments, tone production, and tuning. Group instruction to prepare for teaching the oboe/bassoon in band or orchestra. Examination of oboe/bassoon materials suitable for beginning instrumental programs. Corequisite: MUS 318 or MUS 319.

Prerequisite: Admission to Teacher Education. Fingering, care of the saxophone, tone production, and tuning. Group instruction to prepare for teaching the saxophone in band or orchestra. Examination of saxophone materials suitable for beginning instrumental programs. Corequisite: MUS 328 or MUS 329.

Prerequisite: MUS 335 or MUS 336. Practical experience in percussion instruments: bass drum, snare drum, timpani, and others. Some experiences with mallet percussion programs. Corequisite: MUS 330 or MUS 331.

Prerequisite: MUS 365. Corequisite: MUS 367 or 368. Examination of sheet music appropriate for use in school settings. Corequisite: MUS 365 or MUS 366.

Prerequisite: Junior standing in Music. The study and understanding of microphone construction, usage, and placement techniques. Corequisite: MUS 398 or MUS 399.

Prerequisite: Senior standing in Music. A half recital shared with another student. Corequisite: MUS 416 or MUS 417.
MUS 446e Saxophone IV. (1-4) I, II. Prerequisite: MUS 346e. Corequisite: MUS 250 and 455a or 455b. Course open to music majors or minors only. One or two lessons per week. Instruction available in saxophone. May be retaken to a maximum of eight hours.

MUS 447 Percussion IV. (1-4) I, II. Prerequisite: MUS 347. Corequisite: MUS 253 and 455a or 455b or 453 or 256; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of eight hours.

MUS 448 String Choir (0-1) I, II. Prerequisite: MUS 258. Course open to students with prior experience in wind and percussion instruments, by audition only. Rehearsal and performance of standard brass choir literature. May be retaken. Departmental approval required for 0 credit section.

MUS 492 Advanced Mixing (2) A. Prerequisite: MUS 392 and senior standing. Covers concepts and techniques involved in mixing audio for commercial productions. Become familiar with terminology and concepts specific to recording studios and sound reinforcement.

MUS 499 Senior Project/Recital. (1-2) I, II. Prerequisite: MUS 399. A full performance recital or a theory and performance project consisting of a theory project and recital of student’s own compositions.

MUS 512 Piano V. (1-4) I, II. May not be taken for credit by piano majors.

MUS 513 Techniques of Accompanying. (1) I, II. Prerequisite: MUS 224. Highly select small ensemble dedicated to the highest standards of preparation and performance. May be retaken to a maximum of two hours.

MUS 522 Voice V. (1-4) I, II. May not be taken for credit by voice majors.

MUS 542 Organ V. (1-4) I, II. May not be taken for credit by organ majors.

MUS—Music Music Ensembles Jeremy Mulholland, Chair

Ensembles are open to all students enrolled in the University and to qualified persons not enrolled. Interested individuals are invited to participate and should confer with the director of each ensemble to arrange for an audition.

MUS 127 Opera Workshop. (1) I, II. Prerequisite: Instructor approval. Preparation and presentation of opera scenes and complete works. All phases of performance and technical procedures of staging, costumes, and management. May be retaken to a maximum of four hours.

MUS 239 Chamber Music. (1/2) I, II. Study and performance of standard chamber music literature. Open to pianists, vocalists, string, wind, and percussion players upon recommendation of instructor. Course may be retaken.

MUS 224 Chamber Singers. (0-1) I, II. Highly select small ensemble dedicated to the highest standards of preparation and performance of choral literature from all style periods. Membership is by audition only. May be retaken to a maximum of four hours.

MUS 225 Concert Choir. (0-1) I, II. Large mixed chorus open to all singers. This choir places an emphasis on developing sight reading and performance skills while providing a challenging and satisfying musical experience. Course may be retaken.

MUS 226 University Singers. (0-1) I, II. The University’s premier large choral ensemble. This choir presents several major concerts throughout the year and tours annually. Membership is by audition only. May be retaken to a maximum of four hours.

MUS 235 Symphony Orchestra. (0-1) I, II. Prerequisite: Audition. Rehearsal and performance of orchestra literature from all style periods. Concerts given both on and off campus. Three or more hours rehearsal per week. May be retaken to a maximum of four hours.

MUS 236 String Orchestra. (0-1) I, II. Rehearsal and performance of string orchestra literature from all style periods. Concerts given both on and off campus. Two or more hours of rehearsal per week. Courses open by audition only. May be retaken to a maximum of four hours.

MUS 250 Small Ensembles. (0-1/2) I, II. Rehearsal and performance for: string, brass, percussion, vocal, and woodwind ensembles. Course may be retaken.

MUS 253 Percussion Ensemble. (0-1) I, II. Rehearsal and performance of standard Percussion Ensemble literature including steel drums, African studies, and marimba band (MBA). Course open by audition only. May be retaken to a maximum of four hours.

MUS 254 Jazz Ensemble. (0-1) I, II. Rehearsal and performance of standard Jazz Ensemble literature including improvisation, jazz styles, and forms. Course open by audition only. May be retaken to a maximum of four hours.

MUS 255a Symphonic Band. (0-1) I, II. Prerequisite: MUS 255a. By audition only. Rehearsal and performance of standard band literature. May be retaken. Departmental approval required for 0 credit section.

MUS 255b Concert Band. (0-1) I, II. Prerequisite: MUS 255b. Course open to all students with prior experience in wind and percussion instruments. Rehearsal and performance of standard band literature. May be retaken to a maximum of four hours. Departmental approval required for 0 credit section.

MUS 256 Marching Band. (0-1) I. Preparation and performances of marching band shows during the football season. Three or more rehearsals per week. May be retaken to a maximum of four hours.

MUS 257 Guitar Ensemble. (1) I, II. Course open to guitar majors only. Must have experience reading music and performance skills on the instrument. May be retaken for a total of four hours.

MUS 310 Topics in Music. (1-3). Selected topics in music, music technology, or applied musical skills. May be retaken to a maximum of 6 hours if topic is different.

MUS 327 Opera Workshop. (0-1) I, II. Prerequisite: instructor approval. Preparation and presentation of opera scenes and complete works. All phases of performance and technical procedures of staging, costumes, and management. Course may be retaken.

MUS 355 Music Pedagogy Lab III. (1) I. Prerequisites: MUS 348 and major in music. A music lab for pedagogy students, focusing on teaching the intermediate pianist or vocalist.

MUS 424 Chamber Singers. (0-1) I, II. Prerequisite: MUS 224. Highly select small ensemble dedicated to the highest standards of preparation and performance of choral literature from all style periods. Membership is by audition only. May be retaken.

MUS 425 Concert Choir. (0-1) I, II. Prerequisite: MUS 225. Large mixed chorus open to all singers. This choir places an emphasis on developing sight reading and performance skills while providing a challenging and satisfying musical experience. Course may be retaken.

MUS 426 University Singers. (0-1) I, II. Prerequisite: MUS 226. The University’s premier large choral ensemble. This choir presents several major concerts throughout the year and tours annually. Membership is by audition only. May be retaken to a maximum of four hours.

MUS 435 String Orchestra. (0-1) I, II. Rehearsal and performance of string orchestra literature from all style periods. Concerts given both on and off campus. Course open by audition only. May be retaken to a maximum of four hours.

MUS 448 Music Pedagogy Lab IV. (1) I. Prerequisites: MUS 355 and major in music. A music lab for pedagogy students, focusing on teaching class piano or vocal private students.

MUS 451 Piano Teaching Repertoire (1). Prerequisites: MUS 212 and major in music. Explores the piano repertoire of elementary and intermediate piano students.

MUS 452 Vocal Teaching Repertoire. (1). I. Prerequisites: MUS 222 and major in music. Explores teaching repertoire for beginning and intermediate voice students.

MUS 453 Percussion Ensemble. (0-1) I, II. Rehearsal and performance of standard Percussion Ensemble literature including steel drums, African studies, and marimba ensemble literature. By audition only. May be retaken.

MUS 454 Jazz Ensemble. (0-1) I, II. Rehearsal and performance of standard Jazz Ensemble literature including improvisation, jazz styles, and forms. By audition only. May be retaken.

MUS 455a Symphonic Band. (0-1) I, II. Prerequisite: MUS 255a. By audition only. Rehearsal and performance of standard band literature. May be retaken. Departmental approval required for 0 credit section.

MUS 455b Concert Band. (0-1) II. Prerequisite: MUS 255b. Course open to all students with prior experience in wind and percussion instruments. Rehearsal and performance of standard band literature. May be retaken. Departmental approval required for 0 credit section.

MUS 457 Guitar Ensemble. (1) I, II. Prerequisite: MUS 257. Course open to guitar majors only. Must have experience reading music and performance skills on the instrument. May be retaken.

MUS—Other Music Courses Jeremy Mulholland, Chair

MUS 161 Musicianship I (1) I. Corequisite: MUS 181. Skills and strategies for the perception, identification and performance of the basic materials of music.

MUS 162 Musicianship II (1) I, II. Prerequisite: MUS 161 with a minimum grade of “C”. Corequisite: MUS 182. Continuing study of skills and strategies for the perception, identification and performance of the basic materials of music.

MUS 181 Beginning Theory I. (3) I. Prerequisite: MUS 161 with a minimum grade of “C”. Perception and understanding of music through an integrated study of relatively simple, short structures from the late Baroque to the early Romantic periods.

MUS 182 Beginning Theory II. (3) II. Prerequisite: MUS 181 with a minimum grade of “C”. Corequisite: MUS 182. Continuation of MUS 181. MUS 190 Music Industry I. (2) I, II. An overview to the music industry including a survey of industry careers and skills necessary to succeed in the music business.

MUS 191 Music Industry II. (2) I, II. Prerequisite: MUS 190 or departmental approval. Continuation of MUS 190 including music copyright, publishing, and the evolution of the twenty-first century music business model.

MUS 192 History of the Recording Industry (2) A. Prerequisite: MUS 191. Understanding of the origins of recording technology, the development of production techniques, and the social / musical / cultural influences that helped shape these changes.

harmonic, melodic and rhythmic materials from the Baroque and Classic periods.

MUS 262 Fundamentals of Conducting I (1) I, II. Prerequisite: Consent of
Corequisite: MUS 266. Skills and strategies for the perception, identification and performance of the materials of music. Further study of more difficult, harmonic, melodic and rhythmic materials from the Romantic and Modern periods.

MUS 280 Fundamentals of Conducting II (1) II. Prerequisite: MUS 262. Continuation of MUS 281. Integrated skills further developed through the study of more difficult structures from the Romantic and Modern periods.

MUS 283 Beginning Composition. (1) A. Prerequisite: instructor approval. Guiding in the exploration and development of compositional techniques relevant to the student's stylistic direction. Correct notation and major stylistic analysis stressed. May be retaken to a maximum of four hours provided the subject of the essay is different each time.

MUS 285 Jazz Improvisation. (3) II. Prerequisite: MUS 182 or instructor approval. Develop skills for improvising in contemporary jazz idioms.

MUS 290 Film Scoring. (2) II. Prerequisite: MUS 182 or MUH 372. A study of the compositional techniques involved in film scoring. This course gives students important and practical knowledge, tools, and approaches to writing music in the profession. Will also cover topics in MIDI, sequencing, Final Cut, Sibelius, and post-production audio applications.

MUS 292 Fundamentals in Audio Production (2) A. Prerequisite: MUS 192. Understanding of the physics of sound, fundamentals of sound design, microphone usage, and digital audio recording techniques.

MUS 349 Applied Learning in Music. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

MUS 349-A-N Cooperative Study. Music. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

MUS 364 Principles of C & I in Music. (1) I. Prerequisite: MUS 360 and CED 300. Principles of curriculum and instructional design for the music classroom. Demonstration and application of standards-based learning and curricular alignment within a music setting.

MUS 366 Fundamentals of Conducting. (1) I. Prerequisite: junior standing in music or instructor approval. Basic techniques of conducting.

MUS 367 Instrumental Conducting. (2) II. Prerequisite: MUS 366. Instrumental conducting techniques and their application in rehearsal and performance.

MUS 368 Choral Conducting. (2) II. Prerequisite: MUS 366. Choral conducting techniques and their application in rehearsal and performance.

MUS 383 Orchestration. (3) I, III. Prerequisite: Music majors only. MUS 182 and junior standing. Survey of ranges, timbres, and characteristics of orchestra and band instruments. Scoring for wind ensemble and full orchestra.

MUS 384 Survey of Music Technology. (2) I, II. Prerequisite: MUS 182 and junior standing in Music. Survey of music technology, including sound recording, MIDI sequencing, DAW software, music specific web design notation software, and the history of music technology.

MUS 390 Music Industry III. (3) I. Prerequisite: MUS 191 or departmental approval. Continuation of MUS 191 including marketing, promotion, advertising, and starting a business. A project reflecting undergraduate study is required.

MUS 391 Music Industry IV. (3) II. Prerequisite: MUS 390 or departmental approval. Continuation of MUS 390 including non-profit organizations, grants, contracts, and website creation. A project reflecting undergraduate study is required.

MUS 449 Music Industry Senior Capstone. (1 I, II. Prerequisite: MUS 300 and departmental approval. Music Industry and Recording Arts students will apply knowledge and skills to the student run record label. May be retaken for a maximum of two hours.

MUS 480 Form and Analysis. (3) I. Prerequisites: MUS 281 and junior standing in music. In-depth study of the materials of form from the motive through large structure. A minimum grade of "C" in MUS 182.

MUS 481 Tonal Counterpoint. (3) A. Prerequisite: MUS 281 or equivalent. A study of contrapuntal music from the 18th century, including analysis of representative literature and stylistic composition assignments.

MUS 482 20th Century Music Analysis. (2) A. Prerequisite: Junior standing. Corequisites and/or prerequisites: MUS 282 and MUH 372. A study of the compositional techniques and materials of 20th-century music, and a study of specific representative literature of significant twentieth-century composers.

MUS 483 Composition. (2) A. Prerequisite: MUS 282 and 283; or departmental approval. Individual instruction in the development of compositional techniques relevant to the student's stylistic direction. May be retaken to a maximum of eight hours, provided the subject matter is different. Corequisite: MUS 510. A study of advanced Composition Techniques in Music. (1-3) A. Prerequisite: MUS 480 or equivalent or departmental approval. Advanced topics in music. May be retaken to a maximum of six hours, provided the topics are different. Credit will not be awarded for both MUS 510 and 510S. Prerequisite: MUH 372 and Music majors only.

MUS 550 Teaching Techniques. (1-2) A. Prerequisite: MUS 399 and music majors only. Analysis of current teaching methods and materials with the intention of developing sound teaching procedures. May include observation and performance. Topics in woodwinds, brass, percussion, strings, voice, piano, and organ. May be retaken to a maximum of two hours.

MUS 551 Performance Literature. (1-2) A. Prerequisite: MUS 399 and music majors only. Literature for various performing media relative to performance practices and problems. Topics in woodwinds, brass, percussion, strings, voice, piano, and organ. May be retaken to a maximum of two hours.

MUS 554 Band Literature. (2) A. Prerequisite: MUH 372 and music majors only. Designed to acquaint the student with European origins of the modern band; history of band music; and literature for the contemporary band.

MUS 555 Symphonic Music Literature. (3) I, II. Prerequisites: MUH 371 and 372 and music majors only. Evolution of the symphony from its beginning to the 20th century with emphasis on score reading and listening.

MUS 556 Choral Music Literature. (3) A. Prerequisites: MUS 399 and music majors only. Survey of choral music literature from the 15th century to the present.

MUS 564 Advanced Instrumental Conducting. (2) A. Prerequisite: MUS 367 or equivalent. Development of skills in score reading, preparation, interpretation, and conducting of representative orchestra or band works.

MUS 565 Advanced Choral Conducting. (2-3) A. Prerequisite: MUS 365 and music majors only. Development of skills in score reading, preparation, interpretation, and conducting of representative choral works.

MUS 586 Workshop in Instrumental Music. (1-4) A. Topics in band or orchestra procedures. May be retaken to a maximum of four hours.

MUS 588 Pedagogy of Theory. (2) A. Prerequisite: MUS 399 and music majors only. Comparative study of theory systems with emphasis on presentation and illustrative exercises dealing with related theoretical problems.

MUS 589 Workshop in Choral Music. (1-4) A. Techniques, literature, and materials pertinent to a particular area or areas of preparation and performance of choral music. Topics to be announced. May be retaken to a maximum of four hours.

NET—Network Security and Electronics

Vigyan Chandra, Coordinator

NET 302 PC Troubleshooting & Construction. (3) I, II. Prerequisite: TEC 161 or INF 104 or higher or CSC 140 or higher or CIS 212 or higher. Construction, operation and troubleshooting microprocessors, system memory, computer architecture, video monitors, hard drives, mice, cabling, notebook computers and printers, modern operating systems, and application programs. Building computer systems to specific requirements. 2 Lec/2 Lab.

NET 303 LANs & PC Communications. (3) I, II. Prerequisite: TEC 161 or higher or CSC 140 or higher or CIS 212 or higher and completion of math readiness indicator or a minimum math ACT score of 18 or a minimum SAT math score of 490. Installing, configuring, configuring, and troubleshooting network and computer systems communications hardware and software. 2 Lec/2 Lab.

NET 343 Network Switches & Routers. (3) A. Prerequisite: NET 303 or CIS 375. Cisco network switching, routing, IOS, routing, VLAN’s, access lists, and WAN protocols are covered in a combination of lecture, demonstration, and laboratory. 2 Lec/2 Lab.

NET 344 Advanced Network Devices (3) A. Prerequisite: NET 343. Contemporary network-aware devices/objects in small to mid-sized LANs. Principles of network device/object startup, configuration and management, VLAN, advanced network communications and security. 2 Lec/2 Lab.

NET 349 Applied Learning in NET. (5-8) I, II, Formerly EET 349. Prerequisite: departmental approval, sophomore (30-59 hours) or higher standing and minimum of 2.0 GPA. Work under faculty and field supervisors in placements related to academic studies in Computer Electronics Technology (CET) or Computer Electronic Networking (CEN). 5-8 credit hours per semester or summer. Transfer students must have completed at least 12 hours of coursework at EKU. A minimum of 80 hours work required for each academic credit. Credit will not be awarded for both NET 349 and EET 349.

NET 349-A-N Cooperative Study: CET/ CEN. (5-8) II, Formerly EET 349-A-N. Prerequisite: departmental approval, sophomore (30-59 hours) or higher standing and minimum of 2.0 GPA. Work under faculty and field supervisors in placements related to academic studies in Computer Electronics Technology (CET) or Computer Electronic Networking (CEN). Construction, operation and troubleshooting network communications hardware and software. 5-8 credit hours per semester or summer. Transfer students must have completed at least 12 hours of coursework at EKU. A minimum of 80 hours work required for each academic credit.

NET 354 Microcomputer & Network Security. (3) I, II. Prerequisite: NET 303 or CIS 375. Security considerations in computer systems and networks using appropriate hardware and software. Topics include malware, encryption, VPNs, ACLs, firewalls, Wi-Fi, and secure protocols. Testing, configuring, managing and troubleshooting security in network systems. 2 Lec/2 Lab.

NET 367b Exit Exam for Minor in Computer Electronics Technology (0) A. Prerequisite: Consent of Advisor. Registration in NET 367a is required of all undergraduate A.A.S. students in the Technology programs specializing in Computer Electronics Technology program for the term in which they wish to take their comprehensive examination.

NET 367a Exit Exam for AAS in Tech, with Computer Electronics (0) A. Prerequisite: Consent of Advisor. Registration in NET 367a is required of all undergraduate A.A.S. students in the Technology programs specializing in Computer Electronics Technology program for the term in which they wish to take their comprehensive examination.
Advisor. Registration in NET 367b is required of all undergraduate students in the Minor for Computer Technology in support of the term in which they wish to take their comprehensive examination.

NET 395 Special Topics in NET. (2-3) A. Prerequisite: 30 credit hours or more completed, and (EET 252 or NET 303). Emerging technologies in the area of executive-level (NET 367b). May be repeated up to a maximum of 9 hours provided subject matter differs each time. Lec/Lab.

NET 399 Associate Degree Capstone. (3) II. Prerequisites: 30 credit hours or more completed, with a minimum of 9 semester hours of NET coursework completed, and a minimum of 6 semester hours of EET coursework completed. A project and research oriented course which serves as a capstone experience at the Associate Degree level. Design, implementation, analysis, and troubleshooting of electronic and computer technology related systems, and managing a technical project.

NET 403 Advanced LANs and PC Communication. (3) A. Prerequisite: NET 303 or CIS 375. This course will cover installation, configuration, troubleshooting and maintaining common server platforms. The participants will be given the opportunity to set up and manage network hardware, operating systems and applications. 2 Lec/2 Lab.

NET 440 Wired/Wireless Communications. (3) A. Prerequisite: EET 257, MAT 112B or higher and 10 hours of communication over fiber and other wired/wireless media; digital and analog data transmission; modulation and multiplexing of data. Communication system components, safety, testing and troubleshooting. 2 Lec/2 Lab.

NET 454 Wireless/WAN Security. (3) A. Prerequisites: (NET 305 or CIS 375) and NET 354 Security considerations in wireless and WANS. Wi-Fi, 802.11x, WPA, RADIUS, encryption, VPNs, VLANs, A&A, Network Security Appliances, and secure protocols. Laboratory based configuration and security testing of WAPs, appliances and servers. 2 Lec/2 Lab.

NET 467 Exit Exam for BS in NET (8) A. Prerequisite: Consent of Advisor. Registration in NET 467 is required of all undergraduate B.S. (NET) students for the term in which they wish to take their comprehensive examination, including the exit exam and any associated faculty and field supervision. A project and research oriented course which serves as a capstone experience at the Bachelor Degree level. Design, implementation, analysis, and troubleshooting of networking, computers and electronics technology related systems, and managing a technical project.

NFA—Nutrition, Foods, and Food Administration Dr. Dana Bush, Chair

NFA 121 Introduction to Food Composition and Preparation. (3) I, II. A beginning food science course which deals with food composition and the relationship of scientific processes and principles to food preparation. Lecture and laboratory experiences.

NFA 201 Essentials of Nutrition. (3) I, II. A scientific study of the essential nutrients and their application in meeting nutritional needs of all ages. Course includes: growth and health selection, nutrition misinformation, obesity, and other common dietary problems.

NFA 202 Introduction to Dietetics. (1) A. A prerequisite experience course describing the roles of the practitioner in administrative, clinical, and community dietetics, along with relationships to other health professionals.

NFA 301 Bio Nutrition. (3) A. Prerequisite:

CHE 102 or 112/112L; and NFA 201. Structures and chemical properties of CHO, PRO, fat and nucleic acids, vitamins, coenzymes, minerals, and water related to metabolic processes.

NFA 303 Nutrition Education and Counseling. (3) A. Prerequisite: NFA 201. Discussion, practice, and application of nutrition-related education and counseling skills in real life situations. Emphasis will be placed on developing communication and counseling skills for work with individuals and groups.

NFA 310 Junior Seminar (3) I. Prerequisite: Admission to General Dietetics Program. Preparation and planning for transition to internship, graduate school or professional work. Emphasis on professional roles and responsibilities, and ethical practice in dietetics.

NFA 317 Nutrition in the Life Cycle. (3) I, II. Study of dietary needs adapted to periods of the life cycle.

NFA 323 Experimental Foods. (3) A.

Prerequisites: NFA 121 and CHE 102 or equivalent. Advanced food science course concerning the study of the reactions and interactions of food components in complex food systems during preparation, processing, and preservation. Lecture and laboratory experiences.

NFA 325 Quantity Food Production. (3) I. Prerequisite: NFA 121. Corequisite: NFA 326. Prerequisite: NFA standards, principles and techniques for managing throughout the functional subsystems of a food service setting; emphasis on quality, quantity, and cost controls.

NFA 326 Field Experiences in Quantity Food Production. (3) I. Corequisite: NFA 325. Supervised field experiences in technical application of theory presented in NFA 325.

NFA 344 Institutional Purchasing. (3) I. Prerequisite: NFA 325 and 326 or departmental approval. Prerequisites: NFA 325 or equivalent. Nutrition services; emphasis on specifications and factors affecting quality; food cost control. Field trips included.

NFA 349 Applied Learning in Nutrition, Foods, and Food Administration. (3) A.

Prerequisite: instructor approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight; associate, sixteen, baccalaureate. A minimum of 90 hours work required for each academic credit.

NFA 349-A Cooperative Study: Nutrition, Foods, and Food Administration. (5-8) A.

Prerequisite: instructor approval or licensing. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight; associate, sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

NFA 401 Human Nutrition. (3) I.

Prerequisites: NFA 301 and BIO 301. Study of the functions, requirements, and interrelations of macronutrients in normal nutrition; integration and regulation of energy metabolism and balance.

NFA 402 Medical Nutrition Therapy. (3) I.

Prerequisite or Corequisite: NFA 401. Analysis and application of nutrition assessment, documentation, and medication feeding practices including enteral and parenteral nutrition with application for therapeutic management of gastrointestinal disorders.

NFA 403 Medical Nutrition Therapy II. (3) I.

Prerequisite: NFA 402. Integration of nutrition therapy, pathophysiology and chemical alterations for assessment and management of trauma, diabetes, cancer; and cardiovascular, renal, hepatic, and pulmonary disorders.

NFA 404 Human Nutrition II. (3) I.

Prerequisite: NFA 401. Study of the functions, requirements, and interrelations of essential and nonessential micronutrients in normal nutrition and wellness.

NFA 411 Community Nutrition. (3) A.

Prerequisite: NFA 201 and BIOL 112L. Study of dietary needs adapted to periods of the life cycle. Development of educational resources for different populations. Field experience in community programs and settings to include individual and family nutrition counseling.

NFA 412W Research Applications in Nutrition. (3) I.

Prerequisite: admission to General Dietetics Program; or departmental approval. Evaluation, interpretation, and application of professional and research literature in nutrition/dietetics; scientific writing (AMA format). Emphasis on research and evidence based practice decisions. Credit will not be awarded to students who have credit for NFA 412.

NFA 416 Special Problems in Nutrition. (1-3) A.

Prerequisite: NFA 401. Approval. The student chooses a problem and works under the supervision of an instructor. May be retaken to a maximum of six hours provided the topics vary. Student must have the independent student proposal form approved by faculty supervisor and department chair prior to enrollment.

NFA 445 Food Service Organization and Management. (3) A.

Prerequisites: NFA 325, 326. Administrative functions within a food service system. Emphasis in top management responsibilities: financial and time management, quality assurance, legislation, labor unions, merchandising, networking, and human resource management.

NFA 449 Onsite Food Service Management. (3) II. Prerequisite: Junior standing. A study of the benefits and characteristics of successful onsite food and beverage enterprises.

NFA 500 Nutrition Concepts and Issues. (3) A.

Prerequisite: NFA 317 or equivalent. Nutritional requirements prior to and during pregnancy, lactation, and infancy. Survey the effects of dietary toxicants, deficiency and excesses of nutrients. Field experience.

NFA 507 Child and Adolescent Nutrition. (3) A.

Prerequisite: NFA 201. Nutritional needs, problems, dietary habits, and motivations of the toddler through adolescent years. Field experience.

NFA 509 Nutrition and Aging. (3) A.

Prerequisite: NFA 201. The theories of causes of aging; nutritional requirements, dietary intakes and effects of nutrition on the rate of biological aging. Field experience.

NFA 517 Sports Nutrition. (3) A.

Prerequisite: NFA 201 or 300/700. Relationship of nutrition to optimal sports performance. Emphasis on exercise, metabolism, specific nutrient needs, nutritional strategies during training, conditions requiring special consideration, controversial and potentially dangerous nutritional practices of athletes.

NSC—Nursing (Baccalaureate) Dr. Mary Clements, Chair

NSC 232 Health Assessment and Promotion I. (2) I, II. Prerequisites: taken in semester immediately prior to expected enrollment in NSC 380, students must meet minimum program GPA requirements of 2.5, and department approval. Corequisite: NSC 232L, 242, and 252. Students repeating NSC 232 must also enroll in NSC 232L and the most recent grade in these two corequisites will be applied toward student’s GPA. Development of assessment and health promotion skills to be used with clients throughout the life cycle.

NSC 232L Health Assessment and Promotion (1) I. Prerequisites: GPA 2.5, and Departmental approval. Corequisite: NSC 232, 242, and 252. Students repeating NSC 232L must also enroll in NSC 232L and the most recent grade in these two corequisites will be applied toward student’s GPA. Development of assessment and health promotion skills to be used with clients throughout the life cycle.

NSC 242 Communication in Nursing. (3) A, I.

Prerequisite: sophomore standing and minimum 2.5 institutional GPA requirement or department approval. Therapeutic communication processes, theories, and techniques for building nurse client relationships throughout the life cycle. Development of beginning
Prerequisite: sophomore standing and minimum 2.5 institutional GPA requirement or department approval. Nursing science foundation using selected concepts and constructs. Emphasis on past and current knowledge in the formulation of nursing as a basic and applied science. Application of epidemiology to nursing practice.

**NSC 262 Professional Nursing Concepts. (4)**

I, II, A. Prerequisite: Admission to the BSN Program – Second Degree Option or department approval. Introduction to concepts in NSC 401 and theories of professional nursing practice. Development of beginning skills for building nursing-patient relationships.

**NSC 330 Clinical Drug Therapy. (3)**

I, II, A. Prerequisites: NSC 332, 350, and 380 with a grade of "C" or better. Corequisite: NSC 386. Foundation for applying drug knowledge in client care, with emphasis on increasing therapeutic effects and decreasing adverse effects. Includes study of selected drug classes, prototypes and individual drugs.

**NSC 332 Health Assessment and Promotion II. (1)**

I, II, A. Prerequisites: NSC 232, 242, and 252 all with a minimum grade of "C"; NSC 232L with a minimum grade of "S", and admission to the baccalaureate nursing major. Corequisite: NSC 332, 350, 380, and 380C. Students repeating NSC 332 must also enroll in NSC 332L and the most recent grade in these two corequisites will be applied toward student's GPA. Development of physical assessment skills and evaluation of health patterns for clients throughout the life cycle.

**NSC 332L Health Assessment and Promotion (1).**

Prerequisites: NSC 232, 242 and 252 all with a minimum grade of "C"; NSC 232L with a minimum grade of "S", and admission to the BSN Program. Corequisite: NSC 332, 350, 380, and 380C. Students repeating NSC 332L must also enroll in NSC 332L and the most recent grade in these two corequisites will be applied toward student's GPA. Students repeating NSC 332L must also enroll in NSC 332L and the most recent grade in these two corequisites will be applied toward student's GPA. Uses the nursing process to develop practice solutions for selected adult health issues.

**NSC 380 Adult Health Nursing I Clinical (2).**

I, II, A. Prerequisites: NSC 232, 242 and 252 all with a minimum grade of "C"; NSC 232L with a minimum grade of "S" and admission to the BSN Program. Corequisite: NSC 332, 332L, 350, and 380. Students repeating NSC 380C must also enroll in NSC 380 and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for selected adult health issues.

**NSC 381 Perspectives in Professional Nursing I. (3)**

A. Prerequisite: RN status and admission to the RN-BSN option. Transition to the professional nursing role for the RN student emphasizing the knowledge development of concepts and theories essential for professional practice.

**NSC 383 Perspectives in Professional Nursing II. (3).**

Corequisite: NSC 381 Transition to the professional nursing role for the RN student emphasizing the knowledge development of concepts and theories essential for professional practice.

**NSC 385 Perspectives in Professional Nursing III. (4).**

A. Prerequisite: NSC 381, NSC 383. Advanced concepts and skills for professional nursing practice.

**NSC 386 Adult Nursing II. (7)**

I, II, A. Prerequisites: NSC 332, 350, and 380 all with a minimum grade of "C"; NSC 332L and 380C with a minimum grade of "S". Corequisite: NSC 330 and 380C. Students repeating NSC 332L must also enroll in NSC 332L and the most recent grade in these two corequisites will be applied toward student’s GPA. Provides leadership in dynamic health care systems to promote comprehensive, cost-effective health care.

**NSC 386C Adult Nursing II Clinical (2.5).**

I, II, A. Prerequisites: NSC 332, 350, and 380 all with a minimum grade of "C"; NSC 380C with a minimum grade of "S". Corequisite: NSC 330 and 380C. Students repeating NSC 330 must also enroll in NSC 330 and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for selected adult health issues.

**NSC 384 Adult Health Nursing III Clinical (2.5).**

I, II. Prerequisites: NSC 390W, 392, and 396 all with a minimum grade of "C"; NSC 392C and 396C with a minimum grade of "S". Corequisite: NSC 384C. Students repeating NSC 384C must also enroll in NSC 384C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for selected adult health issues.

**NSC 385 Adult Nursing III. (2).**

A. Prerequisite: NSC 381 and NSC 383. Advanced concepts and skills for professional nursing practice.

**NSC 386 Health Assessment and Promotion (1).**

A. Prerequisite: NSC 332, 350, and 380 all with a minimum grade of "C"; NSC 332L and 380C with a minimum grade of "S". Corequisite: NSC 330 and 380C. Students repeating NSC 332L must also enroll in NSC 332L and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for clients throughout the life cycle with selected mental health issues.

**NSC 390W Nursing Writing. (2).**

A. Prerequisites: NSC 385 and NSC 390. Synthesizes nursing concepts and applies the nursing process to develop practice solutions for clients throughout the life cycle with selected mental health issues.

**NSC 392 Mental Health Nursing. (3)**

I, II, A. Prerequisites: NSC 330 and 380C each with a grade of "C"; NSC 386C with a minimum grade of "S". Corequisite: NSC 392. Students repeating NSC 392C must also enroll in NSC 392C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for clients throughout the life cycle with selected mental health issues.

**NSC 392C Mental Health Nursing Clinical. (2).**

I, II, A. Prerequisites: NSC 330 and 380C each with a grade of "C"; NSC 386C with a minimum grade of "S". Corequisite: NSC 392. Students repeating NSC 392C must also enroll in NSC 392C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for clients throughout the life cycle with selected mental health issues.
NUR 200 Dosage Calculation for Nursing. (1) A. Develops competency in dosage calculation and provides application for nonparenteral to parenteral medications.

NUR 201 Dosage Calculation for Nursing II. (1) I, II. Prerequisite: NUR 117 (S) or NUR 200 (C or better). Develops competency in dosage calculations of intravenous therapies and medication on irrigation calculations including pediatric, obstetric, and clinical care dosages.

NUR 217 Strategies for Success in Nursing. (1) I, II. Prerequisites: NUR 124, 126C, ENG 102 or 102R, BSO 103, SOC 143, all with a grade of “C” or better. Corequisite: NUR 232. Provides theories and concepts for applying nursing judgment while caring for adult and pediatric patients experiencing selected complex health issues.

NUR 232C Nursing Concepts Application III (3) I, I, II. Prerequisites: NUR 124, 126C, 126C or ENG 102 or 102R; BSO 103; SOC 142, all with a grade of “C” or better. Corequisite: NUR 234C. Provides theories and concepts for applying nursing judgment while caring for adult and pediatric patients experiencing selected complex health issues.

NUR 234 Mental Health Concepts (2) I, II. Prerequisites: NUR 124, 126C, 126C or ENG 102 or 102R; BSO 103; SOC 142, all with a grade of “C” or better. Corequisite: NUR 234C. Provides theories and concepts for applying nursing judgment while caring for adult and pediatric patients experiencing selected complex health issues.

NUR 234C Mental Health Application (1) I, II. Prerequisites: NUR 124, 126C, 126C; ENG 102 or 102R; BSO 103; SOC 142, all with a grade of “C” or better. Corequisite: NUR 234C. Provides theories and concepts for applying nursing judgment while caring for patients with a focus on psychosocial mental health.

NUR 240 Nursing Concepts IV-Med-Surg. (5) I, II. Prerequisites: NUR 232, 234, and BIO 273 or MLS 209/211, all with a minimum grade of “C.” NUR 232C and 234C with a minimum grade of “S.” Corequisite: NUR 241C. Provides theory and concepts for applying nursing judgment for the care of groups of patients experiencing selected complex health issues.

NUR 241C Clinical Nursing Synthesis. (4) I, II. Prerequisites: NUR 232, 234, and BIO 273 or MLS 209/211, all with a minimum grade of “C.” NUR 232C and 234C with a minimum grade of “S.” Corequisite: NUR 241C. Provides theory and concepts for applying nursing judgment for the care of groups of patients experiencing selected complex health issues. Must be taken during the last semester of the ADN program.

NUR 250 Introduction to Gerontology. (3) I. An interdisciplinary approach to the study of aging that presents a balanced view of both normal and problem aspects of aging.

NUR 255 Trends and Issues in Nursing. (2) I, II. Prerequisites: NUR 232 and 234 with a minimum grade of “C.” NUR 232C and 234C with a minimum grade of “S.” Corequisite: NUR 241C. Focuses on current issues and trends in nursing. Ethical, legal, and professional responsibilities and career opportunities are examined.

NUR 265 Independent Study. (1-6) A. Directed study on an issue or area of interest to nursing. May be retaken to a maximum of six hours credit.

NUR 300 Individual Clinical Enrichment. (1-6) A. Provides theoretical and skills training in a clinical setting with focus on psychosocial mental health.

NUR 365 Plant Identification I. (3) A Study of plants used in horticulture (including landscapes and specialty crops) including their biological identification, ornamental features, environmental adaptation, utilization, and management. 1 Lab credit.

OHO 131 Plant Science. (3) A. Corequisite: OHO 132. Principles of plant growth, reproduction and plant-soil relationships. Provides foundations of information for further study in agricultural and horticultural culture. Credit will not be awarded to students who have credit for AGR 130.

OHO 132 Plant Science Laboratory. (1) A. Corequisite: OHO 131. Laboratory experiences related to plant growth, development, and management of crops. Work which applies the principles of nursery, turf, and greenhouse management taught in the classroom. Credit will not be awarded to students who have credit for AGR 131.

OHO 301 Directed Work Experience. (1-4) I, II. A. A minimum of three hours per week per hour of credit using university or other approved facilities. May be repeated for a maximum of 40 hours.

OHO 349 Applied Learning in Horticulture. (1-8) A. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight; associate; sixteen, baccalaureate. A minimum of 10 hours work required for each academic credit. Credit will not be awarded to students who have credit for AGR 349. 3 Lab credit.

OHO 354 Irrigation Systems and Horticultural Equipment (3). An introduction to irrigation systems, their design and installation for efficient water utilization. Lecture and field experiences related to horticultural power equipment and their safe operation. 2 Lab credit.
**OHS 370 Landscape Operations Management.** (3) II. Management of labor, estimating and bidding along with basic maintenance of trees, shrubs, and herbaceous plants in the landscape operation. 2 Lec/2 Lab.

**OHS 372 Horticulture Retail and Wholesale Management.** (2) A. The design, development, and management of the retail wholesale outlet for horticultural products. Students will develop a model retail/wholesale business including all phases of applied sciences such as business record keeping. 1 Lec/2 Lab.

**OHS 375 Post Harvest Technology of Horticultural Crops.** (3) A. The science and procedures for handling, packaging, storing and transporting fresh fruits, vegetables and ornamentals.

**OHS 385 Greenhouse Operation and Management.** (3) II. Plant propagation and growing techniques in a greenhouse. The student learns operation procedures and the economics of operating a greenhouse and using cold and hot frames. 2 Lec/2 Lab.

**OHS 410 Independent Study in Horticulture.** (1-3) I, II, III. Prerequisite: OHS 365. Elements of design and the execution of the landscape architecture plan. 1 Lec/4 Lab.

**OHS 392 Landscape Construction Technology.** (3) II. A comprehensive study of construction materials and their use in current landscape applications. Class will include laboratory exercises involving the construction of such components as retaining walls, water features, decks, and patios.

**OHS 410 Independent Study in Horticulture: (1-3) I, II, III.** Prerequisite: Departmental approval.

**OHS 498 Turfgrass Capstone.** (3) A. Prerequisites: OHS 351 or 353, and Junior or Senior Standing. A comprehensive review of information pertinent to managing turfgrass areas that will enhance graduate’s ability to manage within budget, stay on task with seasonal work, and prepare for industry offered certification exams.

**OHS 499 Horticultural Issues Capstone.** (3) A. Prerequisite: OHS 349 and Junior or Senior standing. Provides students with an in-depth examination of the issues facing contemporary horticultural managers including management principles, ethical considerations, and delivery of a quality product or service.

**OHS—Occupational Safety and Health**

**Dr. Troy Rawlins, Coordinator**

**OHS 110 Introduction to Safety Studies.** (3) I, II, and A. Students will develop the necessary writing, study, research resource, and Blackboard navigation skills necessary to successfully complete occupational safety related curriculum. Students will also be introduced to the profession, terminology of the field, and basic responsibilities for both occupational safety and health. 3 Lec.

**OHS 200 Measures of Safety Performance.** (3) A. Strategies and methods for calculating, analyzing, interpreting and communicating safety performance data are presented. Understanding metrics of safety, quantitative and qualitative statistical techniques, descriptive and inferential statistics, correlations, and financial principles. Credit will not be awarded for both OHS 200 and FSE 200.

**OHS 225 Legal Aspects of Occupational Safety.** (3) A. Study of the OSHA Act, OSHA standards, laws and regulations governing the safety function and employee safety. Emphasis on legal rights, responsibilities, legal risks, liabilities, scope of authority, ethical/professional standards for safety professionals. Credit will not be awarded for both OSH 225 and FSE 225.

**OHS 261 Principles of Occupational Safety and Health.** (3) A. Prerequisite and/or Corequisite: OHS 110. Formerly OHS 361. History of the development of occupational safety and health. Methods of accident prevention and hazard control. Introduction to safety programs, programs’ compensation, emergency preparedness and accident investigation. Credit will not be awarded to students who have credit for OSH 361 or FSE 361.

**OHS 262 Principles of Occupational Safety and Health Legislation.** (3) A. Formerly OSH 362. Prerequisite or Corequisite: OHS 261. Review of OSHA standards with emphasis on compliance and liability reduction. Discussion of OSHA regulations including citations, penalties, inspections, and record keeping. Credit will not be awarded for both OSH 262 and OSH 362.

**OHS 305 Hazardous Materials.** (3) A. Prerequisite: FSE 120. Cross-listed with FSE 305. Study of hazardous material problems in transportation, storage, and use. Chemical properties relating to specific reactions, engineering controls, and control in an emergency. 2 Lec/3 Lab. Credit will not be awarded for both OSH 305 and FSE 305.

**OHS 349 Hazard Identification and Control.** (3) A-N. Prerequisite: OHS 261. Cross-listed with FSE 349. Departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate, sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. Credit will not be awarded for both OSH 349 and FSE 349.

**OHS 349-A Cooperative Study: Occupational Safety.** (5-8) A. Cross-listed with FSE 349-A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, Associate, sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. Credit will not be awarded for both OSH 349-A and FSE 349-A.

**OHS 366 Hazard Identification and Control.** (3) A. Prerequisite: OHS 261. Hands-on approach toward identification and control. Areas of study include noise levels, chemical land electrical hazards, air contaminants, and heat/cold stress. Control measures include administrative, engineering, and safeguarding methods. Credit will not be awarded for both OHS 366 and FSE 366.

**OHS 367 Human Factors in Occupational Safety.** (3) A. Prerequisite or Corequisite: OHS 261. Focuses on ergonomics, man/machine interface and human efficiency. Study of work-related stress, psychological factors, and Cumulative Trauma Disorders. Solutions are reviewed for common problems found in labor-intensive operations. Credit will not be awarded for both OHS 367 and FSE 367.

**OHS 370 Process Safety Management.** (3) I, II, and A. Prerequisite: OSH 366. This course is designed to introduce the occupational safety student to the process safety management standard, 29 CFR 1910.119, and cover complex management topics involved in managing processes of highly hazardous chemicals.

**OHS 379 Construction Safety.** (3) A. In-depth analysis of the federal and Commonwealth of Kentucky’s OSHA requirements for construction safety. Credit will not be awarded for both OHS 379 and FSE 379.

**OHS 390 Workers’ Compensation.** (3) A. Comprehensive study of workers’ compensation. Topics range from coverage to claims, including in-depth study of the legal, no-fault, exclusive remedy nature of claims; underwriting and experience rating; business loss control measures; and loss control program. Credit will not be awarded for both OSH 390 and FSE 390.

**OHS 410W Safety Management Systems.** (3) I, II, and A. Prerequisite: ENG 102 or 102R, 105(B), or HON 102; OSH 261. This writing-intensive course is designed to provide the student with the knowledge and skills to apply safety management systems, hazard management, and causal analysis. Credit will not be awarded for both OSH 410 and OSH 410W.

**OHS 412 Safety and Health Program Management.** (3) A. Prerequisite or Corequisite: OHS 410W. Effective management and leadership principles applied to safety. Emphasis on developing organizational culture, key roles of safety professionals and preventing serious injuries. Strategies include identifying business concepts for safety, gaining meaningful employee engagement, and program development. Credit will not be awarded for both OSH 412 and FSE 412.

**OHS 420 Environmental Law and Management.** (3) I, II, III. Formerly FSE 420. Review/analysis of laws affecting various areas of the horticultural sector. These include Clean Water Act, Clean Air Act, CRCA and CERCLA. Additionally, study of these laws and related policies/practices will be covered as related to safety. Credit will not be awarded to students who have credit for FSE 420.

**OHS 450 Safety Training Strategies.** (3) I, II, and A. Students will learn how to apply adult learning and technical training strategies to occupational training programs for management and workforce safety related topics.

**OHS 489 Topical Seminar.** (1-3) I, II, and A. Development of special skills and content knowledge of contemporary issues in occupational safety. May be taken to a maximum of six hours, provided the subject matter differs each time.

**OHS 495 Senior Capstone.** (3) A. Prerequisite: OHS 410 or 410W with a grade of C or higher. Students examine case studies, examine real life situations, combine knowledge they have gained from previous coursework, analyze and develop strategies, develop countermeasures, engage in strategic planning and policy development and training.

**OHS 498 Independent Study.** (1-3) A. Prerequisite: Departmental approval. Individual reading and research on a problem or area within the field of Occupational Safety after student consultation with the instructor. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be taken to a maximum of six hours providing project title differs.

**OTS—Occupational Science and Occupational Therapy**

**Dr. Colleen Neech, Chair**

**OTS 101 Occupation Perspectives: Human Services.** (3) A. An occupational science perspective of health and human service professions. Through lecture, active learning and community experiences, students will explore the themes of occupation, professional identity, reasoning, communication and diversity in professional responsibilities.

**OTS 205 Horse and Human Co-Occupation: (3) A.** Provides information regarding the equine industry, in connection with human health and wellness. Areas of focus include career directions, understanding horse/ human co-occupation and equine movement in concert with human interaction.

**OTS 301 Practicum I: Concepts.** (4) A. Prerequisites: BIO 171, BIO 301, and PSY 200. Corequisites: OTS 311 and OTS 432. Concepts of occupational science and equine science. Integrate knowledge of self as a creative and active occupational being through reflection and portfolio development.

**OTS 302 Practicum II: Life Narratives.** (3) A. Prerequisites: OTS 301, 311 and 432 with a grade of...
Section Seven - Course Descriptions

A. Prerequisite: BIO 371. Corequisites: OTS 312, 401, and BIO 271. Introduction to human occupation and medical technology in the context of disease and disability. Content includes pathophysiological, behavioral and developmental issues which have an impact on human occupation.

OTS 430 Intervention in Health and Human Services. (3) Corequisites: OTS 362, 402 or 402S, and 478 or 478W. Overview of primary concepts related to occupational assessment, intervention and documentation as a provider in health care systems. Compare interdisciplinary approaches in various health and human service delivery models.

OTS 432 Research in Occupation. (4) I, II. Prerequisite: STA 215. Corequisites: OTS 301 and OTS 311. Students will learn to be consumers and participants in qualitative and quantitative research, examine qualitative research design, data collection, and prepare a research prospectus related to occupational science. Apply statistical methods to the study of occupation.

OTS 475 Special Topics: —. (1-3) A. Prerequisite: permission of department. May be retaken under different subtopics for a total of 6 credits. Advanced study of selected topics in occupational science.

OTS 478W Health Care Delivery System. (3) Corequisites: OTS 362, OTS 402/402S, and 430. An introduction to the history of health care systems, models of health care, and contemporary health policy issues and trends. Includes content on financing health care, health care professional roles and ethics. Credit will not be awarded for both OTS 478 and OTS 478W.

OTS 479S Equine Assisted Activity. (3) A. Explores equine assisted activity, therapeutic horseback riding, equine facilitated mental health, and hippotherapy. Content includes supervised service learning experiences with individuals of varying ages and conditions in a horse-related environment. Credit will not be awarded for both OTS 479 and 479S.

OTS 490 Contracts of Occupation. (6) A. Prerequisite: undergraduate degree, BIO 171, 301, PSY 200 and STA 215. Synthesis of occupational constructs as they apply to self and others. Emphasis on occupation across the lifespan, design, and analysis. Portfolio development enhances occupation theme.

OTS 515 Early Child Sensorimotor Development. (3) A. Provides an overview of normal sensorimotor development in infants and young children. Includes contrasts normal/abnormal development and application of appropriate developmental tasks. Laboratory experiences will be provided.

OTS 520 Providing Health Services in Appalachia. (3) A. Cross-listed as APP 520. Prerequisite: permission of department: Enhance understanding of ability and disability concerns in society through interview, reflection and portfolio development.

OTS 529 PGA Education Level 2 (0) A. Prerequisite: PGA Education Level 1 (0) A. Prerequisite: consent of advisor. Exit requirement for Professional Golf Management option of the Marketing B.B.A. program. Registration in PGM 499 is required of all undergraduate B.B.A. Marketing/PGM Option students for the term in which they wish to take their comprehensive exam.

PGM 349 Applied Learning in PGA Professional Golf Management. (5-1) A. Prerequisites: minimum GPA 2.25 and admission to PGM. Transfer students are eligible after one semester on campus. Co-curricular work experience under PGA staff and field supervisors. The student is assigned duties and responsibilities approved by PGM Program Coordinator or Director of PGM and the PGA member on-site. A contract outlining student responsibility is required and must be signed by the student, supervising professional, and a PGA staff member prior to placement. A maximum of five credit hours may be applied toward major.

PGM 399 PGA Education Level 3 (0) A. Prerequisite: consent of advisor. Exit requirement for Professional Golf Management option of the Marketing B.B.A. program. Registration in PGM 499 is required of all undergraduate B.B.A. Marketing/PGM Option students for the term in which they wish to take their comprehensive exam.

PHI—Philosophy

Dr. John Bowes, Chair

PHI 101 Logic and Critical Reasoning. (3) A. Prerequisite: all academic readiness indicators have been met. Introductory course in the analysis and evaluation of arguments, with a primary focus on deductive validity and the systems of categorical and propositional logic. Credit will not be awarded to students who have credit for PHI 101R. Gen. Ed. E-2.

PHI 101R Logic and Critical Reasoning (Seminar). (4) A. Prerequisite: Academic readiness indicators met in English and Reading. Introductory course in the analysis and evaluation of arguments, with a primary focus on deductive validity and the systems of categorical and propositional logic. Credit will not be awarded to students who have credit for PHI 101. Gen. Ed. E-2.

PHI 110 Beginning Philosophy. (3) I, II. Basic introductory course in philosophy. Consideration of perennial questions of the human experience, especially questions about reality, knowledge, self, values, and religious belief. Credit will not be awarded for both PHI 110 and 110W. Gen. Ed. E-3B [AH].

PHI 110W Beginning Philosophy: Writing Intensive. (3) I, II. Prerequisite: ENG 102 or 102R or 105B or HON 110 and 110W. A writing-intensive basic introductory course in philosophy. Consideration of perennial questions of the human experience, especially questions about reality, knowledge, self, values, and religious belief. Credit will not be awarded for both PHI 110 and 110W. Gen. Ed. E-3B [AH].

PHI 130 Beginning Ethics. (3) I, II. Survey of theories concerning the nature of right and wrong, emphasizing how these theories can be applied to personal moral choices. Credit will not be awarded to students who have credit for PHI 1305. Gen. Ed. E-3B [AH].

PHI 130S Beginning Ethics. (3) I, II. Survey of theories concerning the nature of right and wrong, emphasizing how these theories can be applied to personal moral choices. Credit will not be awarded to students who have credit for PHI 1305. Gen. Ed. E-3B [AH].
of theories concerning the nature of right and wrong, emphasizing how these theories can be applied to personal moral choices, enhanced with a service-learning component. Credit will not be awarded to students who have credit for PHI 130. Gen. Ed. E-3B [AH].

PHI 240 Philosophy of Religion. (3) A. Study of religious experience, faith and knowledge, the nature and existence of God, the problem of evil, religious ethics, and religious language. Credit will not be awarded for both PHI 240 and 240W. Gen. Ed. E-3B [AH].

PHI 240W Philosophy of Religion: Writing Intensive. (3) A. Prerequisites: ENG 102 or 102R or 105 (B) or HON 102. Study of religious experience, faith and knowledge, the nature and existence of God, the problem of evil, religious ethics, and religious language. Credit will not be awarded for both PHI 240 and 240W. Gen. Ed. E-3B [AH].

PHI 300 Greek and Roman Philosophy. (3) A. Survey of philosophic thought as seen through an examination of selected issues and selected philosophers from ancient Greece through the early Roman period. Credit will not be awarded for both PHI 300 and 300W. Gen. Ed. E-3B [AH].

PHI 310 Medieval Philosophy. (3) A. Study of Christian, Jewish, and Islamic philosophic thought in the Middle Ages and the Renaissance. Issues in various areas of philosophic inquiry are examined through selected readings from Augustine to Suarez.

PHI 320 Modern Philosophy. (3) A. Examination of some major issues and some major philosophers from the 17th and 18th centuries. Gen. Ed. E-3B [AH].

PHI 330 Twentieth Century Philosophy. (3) A. A survey of the principal schools of philosophic thought of the twentieth century in Europe and America, with special attention to the important issues which emerged.

PHI 340 Philosophy of Science. (3) A. How views of reality, knowledge, and values relate to science and scientists. Philosophical assumptions of science examined in various examples of scientific investigations. The value and the values of scientific methods and scientific theories. Credit will not be awarded for both PHI 340 and 340W.

PHI 342 American Philosophy. (3) A. A critical examination of basic beliefs held by Americans regarding themselves, their culture, and world, through the thought of modern American philosophers such as Royce, Peirce, James, Santayana, Woodbridge, Dewey, and Whitehead.

PHI 349 Applied Learning in Philosophy. (.5-8) A. Prerequisite: consult with department chair before enrolling. Work in placements related to academic studies. One to eight hours credit per semester or summer. Eight, associate; six, baccalaureate. A minimum of 90 hours employment required for each semester hour credit.

PHI 349-A Cooperative Study: Philosophy. (.5-8) A. Prerequisite: consult with department chair before enrolling. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 90 hours employment required for each semester hour credit.

PHI 350 Metaphysics. (3). An elaboration of the various approaches to metaphysics in the history of philosophy, including contemporary anti-metaphysical points of view.

PHI 352 Theory of Knowledge. (3) A. An examination of the nature, possibility, limits, sources and value of knowledge of minds and the world.

PHI 360 Ethical Theory and Practice. (3) A. Prerequisite: ENG 102 or 102R, 105(B), or HON 102; PHI 300. An exploration of ethical issues that examines the interaction of ethical theory and practical ethics. Topics include major ethical theories, the nature and aims of applied ethics, and critical and creative thinking in ethical problem-solving.

PHI 362 Technology and Values. (3) A. An examination of philosophic issues related to science, technology, public health, economics, and the environment, with special attention being given to the personal and social ethical issues that arise in these contexts.

PHI 371 Symbolic Logic. (3) A. Basic introduction to modern symbolic logic: propositional logic, first order predicate logic, proofs and metatheorems, and nature and properties of formal logic systems.

PHI 381 Animal Ethics. (3) A. An examination of major theories of animal ethics; consideration of issues involving the use of animals as food and other goods, animal experimentation, wildlife, endangered species, hunting, animals and sport, pets, and zoos/zoos.

PHI 383W Health and Biomedical Ethics. (3) A. Prerequisite: ENG 102 or 102R or 105(B) or HON 102. Examination of the value-issues which surround problems that arise in or in health-related fields and whose resolution calls for moral judgments. Typical problems would include: euthanasia, experimentation with humans, behavior control, genetic engineering, and distribution of health care facilities. Credit will not be awarded for both PHI 383 and PHI 383W.

PHI 385 Environmental Ethics. (3) A. Cross-listed as ENV 385. Prerequisite: ENG 102 or 102R or 105 (B) or HON 102. An examination of historical and contemporary views of the values and rights of nature. Possible topics may include conservationism, humanism, the land ethic, stewardship, deep ecology, ecofeminism, and indigenous approaches to the environment. Credit will not be awarded for both PHI 385 and ENV 385.

PHI 388 Special Topics in Ethics. (1-3) A. An examination of major ethical thinkers, or of an applied ethical field like business ethics or environmental ethics. May be retaken to a maximum of fifteen hours if the topic is different.

PHI 390 Special Topics in Philosophy. (1-3) A. Prerequisite: consultation with department chair before enrolling. Detailed examination of a problem-area or a school of philosophy in the history of philosophy or the thought on one outstanding philosopher. May be retaken to a maximum of six. Topic is different.

PHI 432 Philosophy of Art. (3) A. Examination of the major philosophical theories of art and beauty and the place of aesthetic language in the general area of value judgments. Representative classical and contemporary figures will be considered.

PHI 490 Independent Work in Philosophy. (1-3) I, II. Prerequisite: consult with department chair prior to enrollment. Individual research and reading on a specified philosophical problem chosen by the student and instructor. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours if topic is different.

PHI 492 Honors Thesis. (3-6) A. Prerequisite: consult with department chair before enrolling. Supervised, indepth research for seniors majoring in philosophy.

PHY—Physics Dr. Anthony Blose, Chair

PHY 101 Conceptual Physics. (3) I, II. Prerequisite: MAT 105 or higher or departmental approval. Conceptual approach to topics such as kinematics, Newtonian mechanics, electricity, magnetism, and optics. Not intended for science majors. Credit will not be awarded to students who have credit for PHY 102. 4 Lec/Lab. Gen. Ed. E-3B [NS].

PHY 102 Inquiry Physics for MS Teachers. (3) A. Prerequisite: MAT 105 or higher and pre-teaching or teaching middle school education majors or departmental approval. An inquiry-based, conceptual-level science course for middle school teachers. Topics include kinematics, matter and heat, optics, electricity, and magnetism. Credit will not be awarded for both PHY 101 and 102. 1 Lec/4 Lab. Gen. Ed. E-4 [NPS].

PHY 104 Inquiry Physical Science for Elementary Teachers 3) I, II. Cross-listed with CHE 104. Prerequisite: Elementary education majors only, sophomore standing, and MAT 112 or 112B or higher with a grade of C or better. An activity-oriented conceptual course in the physical sciences. Topics include the structure and properties of matter and temperature, forces, motion, magnets, energy, and sound waves. Credit will not be awarded for both CHE 104 and PHY 104. 2 Lec/2 Lab.

PHY 129 Success in College Physics (1). I, II. Consult with PHI 131. This course will emphasize topics presented in PHI 131 that the students may require additional instruction in order to master. Topics to be covered will include one-dimensional motion, Newton’s Laws of Motion, momentum, energy, and rotation. Students will be allowed to enroll up to four weeks after classes start. A withdrawal from PHY 131 must be matched by a withdrawal from PHY 129.

PHY 131 College Physics I. (5) I, II. Prerequisite: MAT 120 or higher or departmental approval. Algebra and trigonometry based approach to Newtonian mechanics, including kinematics, Newton’s laws, momentum, energy, and rotation. Credit will not be awarded to students who have credit for PHY 201. A withdrawal from PHY 131 must be matched by a withdrawal from PHY 129.

PHY 132 College Physics II. (5) I, II. Prerequisite: PHY 131 or departmental approval. Algebra and trigonometry based approach to electromagnetic phenomena, including electric forces and fields, simple DC circuits, magnetic forces and fields, magnetic induction, and optics. Credit will not be awarded to students who have credit for PHY 202. 6 Lec/Lab.

PHY 200 Volunteering in Physics and Astronomy. (0) A. An exposure to physics and astronomy activities, including, but not limited to, exploring physical and astronomical research projects, organizing physics and astronomy community service, and assisting at other physics and astronomy departmental events. Students can choose the focus of the volunteering in each semester, only, for earning grade achievement for attending 80% of the designated activities in each semester.

PHY 201 University Physics I. (5) I, II. Prerequisite: MAT 211, 234 or 234H, or departmental approval. Composition and resolution of forces, laws of equilibrium, Newton’s laws of motion, work and energy, momentum, simple harmonic motion, hydrodynamics, heat phenomena. Credit will not be awarded to students who have credit for PHY 131. 6 Lec/Lab. Gen. Ed. E-4 [NS].

PHY 202 University Physics II. (5) I, II. Prerequisite: PHY 201 with a grade of “C” or better. Or prerequisite: Corequisite: MAT 244 or 244H, or departmental approval. Electricity, electromagnetic potential, dielectrics, A.C. and D.C. circuits, magnetic fields, Faraday’s Law, sound, wave motion, geometrical and physical optics. Credit will not be awarded to students who have credit for PHY 132. 6 Lec/Lab.

PHY 211 Intermediate Physics (4) A. Prerequisite: PHY 201 with a grade of “C” or better or PHY 131 with a grade of “B” or better; MAT 234 or 234H; or departmental approval. Applications of calculus to physical principles. Topics include fluid mechanics, thermodynamics, and wave optics.

PHY 221 Statics. (3) A. Prerequisite: PHY 201. Corequisite/Corequisite: MAT 244 or 244H, or departmental approval. Study of force systems on bodies at rest, descriptions of force systems, distributed and internal forces, frames and trusses, beams.

PHY 302 Modern Physics (4) A. Prerequisites: PHY 132 or PHY 202; MAT 211, 234 or 234H, or departmental approval. Physics of the 20th century. Topics include special relativity, quantum effects, wave theory, Bohr theory, nuclear structure, nuclear reactions, and other topics related to 20th century modern physics. Credit will not be awarded to students who have credit for PHY 302W.

PHY 302W Modern Physics (4) A. Prerequisites: ENG 102 or 102R, 105(B), or HON 102; PHY 132 or PHY 202; MAT 234 or 234H, or MAT 211, or departmental approval. Physics of the 20th century.
Section Seven - Course Descriptions

Topics include special relativity, quantum effects, wave theory, Bohr theory, nuclear structure, nuclear reactions, and other topics in the 20th century modern physics. Credit will not be awarded to students who have credit for PHY 302.

PHY 310 Theoretical Methods in Physics. (3) A. Prerequisites: MAT 254 or 254H, or departmental approval. PHY 202 with a grade of "C" or better or departmental approval. Analytical methods for characterizing physics models and solving physics problems in advanced topics are discussed, including vector analysis, linear algebra, complex analysis, infinite series, waves and Fourier series, differential equations and other techniques.

PHY 315 Electrical Circuits. (4) A. Prerequisite: PHY 202 or departmental approval. Prerequisite: or Corequisite: MAT 244 or 244H. Fundamental laws and principles for linear circuits whose elements consist of passive and active components used in present day practice. Determination of the sinusoidal steady state responses using the algebra of complex numbers.

PHY 349 Applied Learning in Physics. (5-8) A. Work in placements related to academic studies. A minimum of 80 hours employment is required for each semester hour of credit. Total hours: eight, associate; sixteen, baccalaureate. Hours earned in PHY 349 will not apply toward a physics major or minor.

PHY 349 A-N Cooperative Study: Physics. (5-8) A. Work in placements related to academic studies. A minimum of 80 hours employment is required for each semester hour of academic credit. Total hours: eight, associate; sixteen, baccalaureate. Hours earned in PHY 349 will not apply toward a physics major or minor.

PHY 402 Physical Optics. (3) A. Prerequisite: PHY 202 or departmental approval. Prerequisite or Corequisite: MAT 244 or 244H. Wave motion, interference, Fraunhofer and Fresnel diffraction, electromagnetic radiation, dispersion, polarization, double refraction, lasers, holography.

PHY 406 Advanced Physics Laboratory. (3) A. Prerequisite: PHY 202 or departmental approval. Experiments in mechanics, optics, electricity, and magnetism, and nuclear physics. Computer simulations of physical situations. Measurement and data analysis techniques, including error analysis. Credit will not be awarded to students who have credit for PHY 406. 5 Lab.

PHY 406W Advanced Physics Laboratory. (3) A. Prerequisites: ENG 102 or 102R, 105(B), or HON 102; PHY 302 or 302W, or departmental approval. Experiments in mechanics, optics, electricity, and nuclear physics. Computer simulations of physical situations. Measurement and data analysis techniques, including error analysis. Credit will not be awarded to students who have credit for PHY 406. 5 Lab.

PHY 410 Independent Study in Physics: (1-6) A. Prerequisite: PHY 202 or departmental approval. May be taken to a maximum of six hours provided subject matter is different each time. Student must have independent study form approved by faculty supervisor and department chair prior to enrollment.

PHY 411 Special Topics in Physics: (1-6) A. Prerequisite: PHY 202 or departmental approval. Special topics in physics. Current interest to faculty and students will be presented through lecture, discussion, and reports. May be repeated to a maximum of six hours provided subject matter is different each time.

PHY 412 Directed Research in Physics: (1-6) A. Prerequisite: PHY 302 and departmental approval. A directed research experience for physics majors that may include laboratory experiences, development of new equipment, physics education research, or computational solutions of special problems related to physics. May be repeated to a maximum of six hours. Prerequisite: Independent study form approved by faculty supervisor and department chair prior to enrollment.

PHY 421 Electricity and Magnetism I. (3) A. Prerequisite: PHY 310 or departmental approval. Electromagnetic; statics, solutions of Laplace's and Poisson's equations; magnetic fields, induced EMF's, magnetic materials, and Maxwell's equations.

PHY 422 Electricity and Magnetism II. (3) A. Prerequisites: PHY 421 or departmental approval. Maxwell's equations, electromagnetic waves in insulators and conductors, energy and momentum, electromagnetic radiation, dipole radiation, special relativity, special applications.

PHY 456 Statistical and Thermal Physics. (4) A. Prerequisites: PHY 302; PHY 310 with a grade of "C" or better; or departmental approval. Microscopic approach to thermal processes. Topics include probability, entropy, the canonical ensemble, blackbody radiation, and quantum statistics including Bose-Einstein and Fermi-Dirac statistics.

PHY 460 Classical Mechanics. (4) A. Prerequisite: PHY 310 or departmental approval. Corequisite/Prerequisite/Corequisite: MAT 353. Applications of calculus to the principles of classical mechanics. Topics include rectilinear motion in 1-D, motion in 3-D, non-inertial frames, central forces, many-bodied systems, Lagrangian mechanics, and other topics related to classical mechanics.

PHY 470 Quantum Mechanics. (3, A. Prerequisite: PHY 310 and PHY 460 or departmental approval. Basic principles of wave mechanics, solutions of Schrodinger wave equation for simple systems, interpretation of solutions and application to atomic and molecular problems.

PHY 506 Physics for High School Teachers. (3) A. Credit given toward major or minor only in teaching programs. Topics from general and modern physics to prepare teachers to teach high school physics and give classroom demonstrations. 2 Lec/3 Lab.

PLS — Police Studies

Dr. Dawn Rothe, Chair

PLS 103 Police, Order Maintenance and Crime. (3) A. An overview of the role of police. The historical development of policing, police functions and bureaucratic organization are examined. Police discretion, misbehavior, and effectiveness receive special attention.

PLS 216 Criminal Law. (3, I, II). The nature of the criminal act; the essential elements; theories of responsibility; excusable matters; overview of common law offenses; identification of trends in the law.

PLS 220 Criminal Investigation. (3) A. Fundamental of criminal investigation, crime scene search and recording, collection and preservation of physical evidence, scientific aids, modus operandi, sources of information, interviews and interrogations, follow-up, case preparation and case management.

PLS 315 Police Administration and Management. (3) A. Prerequisite: Sophomore standing. Critical examines the theories of motivation, leadership, and organization in the police context. Police administrative and management functions studied emphasizing personnel management and organizational change.

PLS 316 Criminal Evidence. (3) A. Prerequisite: Sophomore standing. Overview of trial procedures; classification of evidence; proof; presumptions; relevance; eyewitness identification; testimonial privileges; character; hearsay; impeachment; scientific evidence; collection and preservation of evidence.

PLS 326 Ethical Decisions and Police. (3) A. Prerequisite: Junior or Senior standing. Examines the problems of ethical philosophies, theories and law in the context of policing. Consideration is given to problems of police judgment arising from unquestioned assumptions about morality. Focuses on formulating ethical solutions at the individual, group and organization levels as well as strategies for prevention and control.

PLS 330 Topics in Police Studies. (1-6) A. Prerequisite: Sophomore standing. Examination of special issues in policing such as historical perspective, societal issues, present status, and future development. The police response to a specific problem is the core of this course. May be taken for a maximum of six hours under different headings.

PLS 349 Applied Learning in Police Administration. (5-8) A. Prerequisites: departmental approval, Sophomore standing. Work under faculty and field supervisors, in placements related to academic studies. One to eight credit per semester or summer. Total hours: eight, associate; fifteen, baccalaureate. Minimum 80 hours work required for each academic credit. A maximum of three hours of PLS 349 and 424 can be applied toward the PLS major or minor.

PLS 349 A-N Cooperative Study: Police Administration. (5-8) A. Prerequisites: departmental approval, Sophomore standing. Work under faculty and field supervisors, in placements related to academic studies. One to eight credit per semester or summer. Total hours: eight, associate; fifteen, baccalaureate. Minimum 80 hours work required for each academic credit. A maximum of three hours of PLS 349 and 424 can be applied toward the PLS major or minor.

PLS 375 Terrorism/Counterterrorism. (3) A. Prerequisite: Junior or Senior standing. A study of domestic, foreign, transnational and state terrorism. This course examines issues related to defining, preventing and combating terrorism. Various social and historical forces and events will be considered in order to contextualize specific key individuals, organizations and actions.

PLS 380 Police in the Popular Media. (3) A. Sophomore standing. A study of the public's perception of police through popular media (music, radio, television, film, short stories and books) and how those media sources might influence policing itself.

PLS 385 Police Related Violence. (3) A. Prerequisite: Sophomore standing. A descriptive, theoretical and philosophical approach to violence used by the police and violence directed toward them. Psychological and sub-cultural impacts will be examined. Additional analysis associated with lethal and non-lethal police violence policy and strategies are included.

PLS 401 Multi-Culturalism and Policing. (3) A. Prerequisite: Junior or Senior standing. Examines the policing of marginalized populations and investigates the realities of these persons within policing. Specific populations can include racial and ethnic minorities, age, sex, sexual minorities, persons with physical and mental disabilities, immigrant populations, veterans, and others.

PLS 403 Homicide. (3) A. Prerequisite: Sophomore standing. Explore current theoretical, philosophical and empirical literature associated with homicide. Content includes descriptive, theoretical, empirical, and practical explanations of criminal homicide patterns. Included will be an examination of death investigation systems and police response.

PLS 408 Policing and Technology. (3) A. Prerequisite: Junior or Senior standing. Examines the current realities of cyber crime and the official police response. Consideration will be given to legal issues, civil liberties, police behavior and the sociopolitical impacts of technology.

PLS 410 The Police and Community. (3) A. Prerequisite: Sophomore standing. Examines relationships between the police and community that address crime and quality of life problems. Community is examined as a geographical space made of multiple and diverse publics sometimes requiring different strategies and attention. A distinction is drawn between public...
Section Seven - Course Descriptions

POL 414 Social Forces and Policing Society (3). A. Prerequisites: CRJ 101 and PLS 103. Sophomore standing or higher. Examines the history and evolution of policing in the United States with an emphasis on the political, social, cultural, legal, and organizational forces that have shaped that history. The roles and functions of police in America are examined in detail within the context of race, class, and gender.

POL 415 Contemporary Police Strategies. (3). A. Prerequisites: CRJ 101 and PLS 103 with a grade of “C” or better; Senior standing. A review of contemporary police issues, programs, and strategies. Detailed analysis and evaluation of police practices, including impact on the relationship between the police and the community. Assessment of police reform measures and accountability mechanisms.

POL 416 Criminal Procedure. (3). A. Prerequisite: PLS 216, sophomore standing, or instructor approval. A detailed study of the laws of arrest (including the use of force), search and seizure, emphasizing the historical basis, constitutional history, development, statutes, and recent court decisions.

POL 420 Surveillance & Society. (3). A. Prerequisite: Junior or Senior standing. Examines the nexus of surveillance, privacy, and society. The course explores the role of states, corporations and individuals in monitoring and policing of bodies, populations, property and information. Consideration is given to historical and contemporary dynamics of surveillance: socio-technical assessments, risk assessment discourses, institutional blurring, inequalities and civil liberties.

POL—Political Science

Dr. Lynnette Noblitt, Chair

POL 100 Principles of Politics and Government. (3). I, II. An introductory social science course focusing on the political and governmental aspects of society. Emphasis will be placed toward political science major requirements. Credit will not be awarded for both POL 100 and 100S. Gen. Ed. E-5B [SB].

POL 101 Introduction to American Government. (3). I, II. Principles, functions, and basic political institutions of the American system of government at the national level. Credit will not be awarded for both POL 101 and 101S. Gen. Ed. E-5A, E-5B [SB].

POL 201 Short Topics in Political Science. (1-3). A. A maximum of three short topics offered during any semester. The student may take any or all topics. May be retaken to a maximum of six hours when topics vary.

POL 212 Introduction to Comparative Politics. (3). I, II. Purpose, concepts, and methods used in the cross-national study of politics and government with a focus on selected countries. Gen. Ed. E-5A or E-5B [SB].

POL 220 Introduction to World Politics. (3). I, II. The study of the political interactions of countries and organizations relating to politics, economics, the environment, technology, culture, and society at a global level. Gen. Ed. E-5B [SB].

POL 250 Introduction to Political Philosophy. (3). I, II. Examination of Western political theory from the ancient Greeks to the contemporary era with a focus on selected philosophers. Gen. Ed. E-5B, E-5B [AH] [SB].

POL 280 Research and Writing in Political Science. (3). A. Prerequisite: majors, minors, or departmental approval. Practical application of techniques and methods used in collection, analysis, and writing of empirical data. No more than 6 hours of POL courses numbered 300 or above may be taken prior to completing POL 280.

POL 310 Latin American Governments. (3). A. An in-depth exploration of the institutions, systems, and issues facing the people and governments of Latin America.

POL 314 Politics of South Asia. (3). A. Prerequisite: ENG 102 or 102R, ENG 105B, or HON 102. Studies and analyzes the political situations of South Asia. Course focuses on the politics of Afghanistan, Pakistan, and India; however, instructor may focus on additional countries or region as well.

POL 316 Politics in Russia. (3). A. Nature and development of Russia’s political system since the end of the USSR and fall of communism; impact of the Soviet era; development of political parties and civil society; superpresidentialism; nationalism; federalism and ethnic politics.

POL 318 Politics of the Middle East. (3). A. Prerequisites: ENG 102 or 102R, ENG 105B, or HON 102. Studies and analyzes political relationships of the countries of the Middle East and North Africa, with a focus on historical legacies, contemporary challenges to political and economic development, and international affairs.

POL 319 Canadian Politics. (3). A. Prerequisite: ENG 102 or 102R or ENG 105 B or HON 102. Canada’s political system, including British, American, and French, First Nations and recent immigrant influences; governmental institutions, federalism, political parties and electoral systems; ethnic and linguistic politics; Canadian-U.S. relations. Gen. Ed. E-6.

POL 321 American Foreign Policy. (3). II. Prerequisite: three hours of POL or instructor approval. Analysis of the internal processes and external factors which affect U.S. foreign policy, with emphasis on the post-World War II period. Case studies in decision-making.

POL 325 Global Security. (3). I, II. Prerequisite: ENG 102 or 102R, ENG 105B, or HON 102. An overview of major problems of global and human security, the role of military with emphasis on military-security policies of global import.

POL 331 Urban Politics. (3). A. Political processes of urban areas including comparisons of alternative structures of urban and other local governments.

POL 332 Kentucky Government and Politics. (3). I, II. An overview of the Kentucky political system: major institutions, processes and political leaders, with emphasis on recent events and developments.

POL 333 American State and Local Government. (3). A. Study of the institutions and processes of government of the fifty states and of cities and counties.

POL 340 Political Parties and Interest Groups. (3). A. Prerequisite: ENG 102 or 102R, ENG 105B, or HON 102. An overview of the formal institutions of American government: functions, organization, financing of political parties, interest groups, and the relationship to democracy.

POL 341 The U.S. Congress. (3). A. Prerequisite: ENG 102 or 102R, ENG 105B, or HON 102. A systematic examination of the decision-making process in Congress.

POL 342 The American Presidency. (3). A. Prerequisite: ENG 101 or 101R, ENG 105B, or HON 102. An examination of the power and functions of the offices of the President. Recent developments affecting the American President will be emphasized.

POL 343 Campaigns and Elections. (3). A. Prerequisite: ENG 101 or 101R, ENG 105B, or HON 102. An examination of U.S. campaigns and elections including topics in campaign organization and planning, voting behavior, description of election laws for presidential, congressional, and state/local campaigns.

POL 345 Minority Group Politics. (3). A. Cross-listed as AFA 345. Examination and comparison of various theories, strategies, forms of participation, leadership styles, and concepts (e.g., Black Power) of minority group politics. Credit will not be awarded for both POL 345 and AFA 345.

POL 346 Religion and Politics in the World. (3). A. Prerequisite: ENG 102 or 102R, ENG 105B, or HON 102. Examines the relationship between religion and politics in the world from such different perspectives as public opinion, voting behavior, institutional structures, political economy, and/or policy-making.

POL 347 Politics and Religion in the U.S. (3). A. Interaction of government, politics, and religion in the U.S.: role of Supreme Court and Constitution in defining church-state separation and religious freedom; religious organizations as pressure groups; religion in electoral politics and foreign policy-making; religion and public schools.

POL 349 Applied Learning in Political Science. (5-8). A. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. No more than six hours may count toward this major. No more than three hours may count toward this minor.

POL 349 A-N Cooperative Study: Political Science. (5-8). A. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. No more than six hours may count toward this major. No more than three hours may count toward this minor.

POL 356 African American Political Thought. (3). A. Cross-listed as AFA 356. Prerequisite: ENG 102 or 102R, ENG 105B, or HON 102. Examination of political ideas espoused by African American activist from the nineteenth century to the present. Credit will not be awarded to students who have credit for AFA 356. Gen. Ed. E-6.

POL 357 American Political Thought. (3). A. Study of the political philosophy and values that have shaped the American political system. Emphasis given to problems in democratic theory and to competing ideologies within the American political system.

POL 360 Judicial Process. (3). A. Study of legal and judicial systems in the United States and their role in the American political process.

POL 370 Introduction to Public Administration. (3). A. Survey of public administration, authority, decision-making, intra-organization communications, and application of principles of the American bureaucracy by case studies.

POL 373 Politics of Development in Appalachia. (3). A. Cross-listed as APP 373. Prerequisite: ENG 102 or 102R, ENG 105B, or HON 102. This course examines community and economic development in the Appalachian region with special emphasis on Kentucky. Focus will be on the political, economic and social aspects affecting development. Credit will not be awarded to students who have credit for APP 373. Gen. Ed. E-6.

POL 374 Introduction to Public Policy. (3). A. Introduction to the role of federal, state, and local governments in the formulation, implementation, and evaluation of public policies. Examples of policy decisions which might be covered include energy, housing, environmental quality, and social services.

POL 376 Public Human Resources. (3). A. Policies, and practices for human resources management in public services. Civil Service systems and reforms, diversity and affirmative action, managing, compensating, and motivating employees.

POL 377 Public Budgeting. (3). A. The political consideration of budget formulation, budget strategy, and budget execution. An analysis of the role of taxes, spending, program evaluation, and planning in the budgeting process at the federal, state, and local levels.

POL 400W Capstone Course in Political Science. (3). I, II. Prerequisites: POL 101, 212, 220, 250, and 280; ENG 102 or 102R, ENG 105B, or HON 102. Cumulating, integrative course for political science majors. Requires advanced analysis of the policies of the discipline. Students will complete a major paper assignment, writing in stages with instructor feedback and revisions.

POL 405 Special Topics in Political Science. (3). A. Exploration of a particular topic; theorist, institution, process, policy, writings, or their combinations. Prerequisites set by the department. May be retaken to a maximum of six hours provided subject
matter is different each time.

POL 412 Politics of Mexico. (3 A.) Prerequisites: ENG 102 or ENG 105(B), or HON 102. Study of the politics of Mexico, with a focus on historical legacies, contemporary challenges to political and economic development, and key issues in U.S.-Mexico relations.

POL 415 Terrorism and Political Violence. (3 A.) Examines terrorism and political violence as causes and consequences of cultural, social, and political change.

POL 440 Public Opinion & Voting Behavior. (3 A.) Prerequisite: ENG 102 or 102R, ENG 105(B), or HON 102. Survey of recent literature in the field of voting behavior in the U.S. Topics include public opinion, polling, participation, and campaign behavior. Attention paid to methodologies and techniques.

POL 460 Law and Society. (3 A.) Sources, nature, function, and limits of law as an instrument of social and political control and direction. Examples taken from property, torts, contracts, criminal law, and selection of public policy. Cross-listed with POL 420.

POL 463 Constitutional Politics. (3 A.) An examination of constitutional problems in American government. Emphasis is given in cases to their legal and political context.

POL 464 Civil Rights and Civil Liberties. (3 A.) An examination of historic and contemporary problems of civil liberties. Emphasis is given in cases to their legal and political context.

POL 472 Mock Trial (2) I. Prerequisite: POL 466A. Preparation of Mock Trial Competitions. Students will develop cases for presentation including preparing opening and closing arguments, introducing testimony, physical and demonstrative evidence, and conducting direct and cross examination of witnesses. May be retaken to a maximum of 8 hours, only 2 of which may be counted toward the political science major and only 1 may be counted toward the political science minor.

POL 490 Independent Work in Political Science. (1-3) A. Individual research and/or reading on a problem or area in political science. Regular reports and final research paper required. May be retaken to a maximum of six hours. Students must have the independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment.

POL 495 Practicum in Political Science. (1-3) A. Supervised field study program. May be retaken to a maximum of six hours, provided subject matter differs each time. Students must have the independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment.

POL 496A Washington Internship. (1-12) A. Prerequisite: junior or senior standing with 2.5 GPA. Supervised internship with government or private agencies in Washington, D.C. Open by application to those students who fulfill the prerequisite.

POL 496A Seminar. (3 A.) Corequisite: POL 490A or POL 490B. Seminar on selected topics in national government.

POL 497 Kentucky Administrative Intern Program. (18) A. Prerequisites: junior or senior standing with an institutional GPA of 2.6 or better (on a 4.0 scale). Enrollment is by invitation only and limited to a maximum of 18 hours.

POL 498A Kentucky Legislative Internship Program. (6) A. Prerequisites: junior or senior standing with an institutional GPA of 2.8 or better (on a 4.0 scale) and a definite interest in the legislative process in the Commonwealth. Enrollment is by invitation only and limited to a maximum of 15 hours by registering for POL 498A and 408B.

POL 498A Legislative Internship. (3-9) A. Each intern’s performance in his or her legislative assignment will be evaluated by the immediate supervisor in consultation with the campus coordinator. May be retaken to a maximum of nine hours.

POL 498B Selected Topics in Kentucky Legislative Process. (3-9) A. Seminar on various topics on the legislative process in the Commonwealth which support and constitute an essential part of the Kentucky Legislative Internship Program. May be retaken to a maximum of nine hours.

POL 533 Seminar In State and Local Politics. (3 A.) A topical analysis of the institutions, those policies, and administrators of state and local government. May be retaken to a total of six hours credit, provided subject matter differs each time.

POL 551 Classical Political Theory. (3 A.) Cross-listed as PHI 551. Examination of Western political thought from Plato to Aquinas. Credit will not be awarded to students who have credit for PHI 551, PHI 551W, or POL 551W.

POL 552W Modern Political Theory (3 A.) Cross-listed as PHI 552W. Modern Political Theory, focusing on political thought from the Renaissance to the mid-twentieth century. Credit will not be awarded to students who have credit for PHI 552, PHI 552W, or POL 552.

POL 560 Law and Society. (3 A.) A topical analysis of the institutions, those policies, and administrators of state and local government. May be retaken to a maximum of nine hours, only 2 of which may be counted toward the political science major and only 1 may be counted toward the political science minor.

POL 566B Mock Trial (2) II. Prerequisite: POL 466A and departmental approval. Cross-listed as GSD 466A. Preparation of Mock Trial Competitions. Students will develop cases for presentation including preparing opening and closing arguments, introducing testimony, physical and demonstrative evidence, and conducting direct and cross examination of witnesses. May be retaken to a maximum of 8 hours, only 2 of which may be counted toward the political science major and only 1 may be counted toward the political science minor.

POL 572W Modern Political Theory (3 A.) Cross-listed as PHI 552W. Modern Political Theory, focusing on political thought from the Renaissance to the mid-twentieth century. Credit will not be awarded to students who have credit for PHI 552, PHI 552W, or POL 552.

POL 580W Life Span Developmental Psychology. (5 A.) Prerequisites: ENG 102 or 102R, ENG 105(B) or HON 102. A writing-intensive survey of theory and research in developmental psychology across the entire life span. May not be applied to the Psychology major. Credit will not be awarded for both PSY 280 and 280W. Gen. Ed. E-5B [SB].

PSY 280W Life Span Developmental Psychology: Writing Intensive. (3, I, II) Prerequisites: PSY 200; ENG 102 or 102R or ENG 105 (B) or HON 102. A writing-intensive survey of theory and research in developmental psychology across the entire life span. May not be applied to the Psychology major. Credit will not be awarded for both PSY 280 and 280W. Gen. Ed. E-5B [SB].
PSY 315L Sensation and Perception with Lab. (4) A. Prerequisites: PSY 250, and ENG 102 or 102R or ENG 105(B) or HON 102. Experimental study of sensation and perception, the sensory and cognitive processes by which we come to know our world. 3 Lec/2 Lab. Credit will not be awarded for both PSY 315L and 315L.

PSY 316 Aging and Senescence. (3) A. Prerequisites: PSY 200, and ENG 102 or 102R or ENG 105(B) or HON 102. Theory and facts about aging changes in sensory processes, intellect, memory, personality, chronology, and sex. Credit will not be awarded for both PSY 316 and 317L.

PSY 317 Cognitive Psychology. (3) A. Prerequisite or Corequisite: PSY 309. Theoretical and empirical approaches to human cognition. Topics include knowledge acquisition and organization, memory, language, problem solving, and thinking skills. Credit will not be awarded for both PSY 317 and 317L.

PSY 318 Introduction to School Psychology. (3) A. Prerequisites: PSY 250; ENG 102 or 102R, ENG 105(B), or HON 102; CMS 100, 210; or EES 250. Introduction to the field of School Psychology. Topics include developmental disabilities, mental health diagnosis and treatment, consultation, direct intervention, history of school psychology, and professional considerations. Credit will not be awarded for both PSY 318 and 319L.

PSY 319 Psychology of Work (3) A. Prerequisites: PSY 340; and ENG 102 or 102R or ENG 105(B) or HON 102, and CMS 100 or CMS 210. Application of psychological theories and procedures to the world of work. Topics include personnel policies and administration, performance management, organizational theory, human behavior in the workplace, and occupational health and leadership. Credit will not be awarded for both PSY 319 and 319S.

PSY 320 Health Psychology. (3) I, II. Formerly PSY 410. Prerequisites: PSY 250, and ENG 102 or 102R or ENG 105(B) or HON 102. Theoretical and research perspectives on the relationship between psychological factors and health. Emphasis on utilizing psychological principles and methodology to understand and change illness and health behaviors. Credit will not be awarded for both PSY 320 and PSY 410.

PSY 321 Psychological Perspectives of Parenting and Child Care. (3) A. Prerequisites: PSY 200 and PSY 312. A survey of major psychological theoretical perspectives on the family and child care. Topics include attachment, development, behavior, temperament, and parenting styles.

PSY 322 Cognitive Development (3) A. Formerly PSY 530. Prerequisite: PSY 250, or departmental approval. Overview of how individuals become intelligent through the acquisition of knowledge, learning to reason, think, and engage in abstract thought. Credit will not be awarded to students who have credit for PSY 530.

PSY 330 ABA Assessment and Measurement. (3) A. Prerequisites: PSY 250; ENG 102 or 102R, 105(B), or HON 102; and CMS 100 or 210. An introduction to assessment and measurement in behavior analysis.

PSY 333 Comparative Psychology. (3) A. Prerequisites: PSY 250, and ENG 102 or 102R or ENG 105 (B) or HON 102. A survey of theory and research in the psychology of animals. Topics include history of scientific studies, learning, memory, representation, intelligence, knowledge, innovation, culture, communication, development, emotion, social skill, consciousness, and theory of mind.

PSY 339 Applied Learning in Psychology. (5-8) A. Prerequisites: PSY 258 and departmental approval. Work in placements related to academic studies. A minimum of 80 hours employment required for each semester hour credit. Three hours may be applied toward the major, not applicable toward a minor. Course may be repeated for up to 16 credits total. Graded Satisfactory/ Unsatisfactory.

PSY 349 A-N Cooperative Study: Psychology. (5-8) A. Prerequisites: PSY 250 and departmental approval. Work in placements related to academic studies. A minimum of 80 hours employment required for each semester hour credit. Three hours may be applied toward the major, not applicable toward a minor. Graded Satisfactory-Unsatisfactory.

PSY 350 Animal Enrichment. (3) A. Cross-listed as ANS 350. Prerequisite or departmental approval. Covers the concept and practice of animal enrichment. Students will learn about the theoretical and applied aspects of enrichment and will acquire experience designing and implementing enrichment. Credit will not be awarded to students who have credit for ANS 350.

PSY 377 Psychology of Adoption (3) A. Prerequisites: PSY 308; PSY 312, 280, or 280W. A survey of developmental, familial, cultural, and psychological facets of adoption. Topics include the legal, social, and psychological implications of adoption. May be retaken for a maximum of 12 credits, provided the subject matter differs each time.

PSY 399 Research Development Skills. (3) I, II. Prerequisites: ENG 102 or ENG 102R, ENG 105(B) or HON 102, PSY 309(B) or 309(W), and departmental approval. Prerequisite or Corequisite: PSY 310(C). Advanced development of research skills including generating hypotheses and designing the appropriate methodology to test them. Students will also write a faculty-supervised research proposal, with the purpose of completing the research project in PSY 419.

PSY 400 Senior Seminar: ______ (3) A. Prerequisite or corequisite: PSY 310, or departmental approval. The senior seminar examines contemporary psychological issues from each of the five sub-disciplines of Psychology: Biopsychology, Cognitive, Developmental, Social, and Personality. May be retaken once, provided the subject matter differs each time.

PSY 402 Independent Work in Psychology. (1-3) I, II. Prerequisite: student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. Results must be presented in a formal paper. May be retaken to a maximum of six hours provided different problems are studied.

PSY 403 Practicum in Psychology. (1-3) A. Prerequisite: must have the field experience proposal form approved by faculty supervisor and department chair prior to enrollment. Supervised field experience. May be retaken to a maximum of six hours.

PSY 405 Intro to Interviewing/Therapy. (3) A. Prerequisites: PSY 250 and 308. Introduction to the basic concepts and skills of interviewing and therapeutic communication in the mental health field.

PSY 406 Intro to Behavioral Therapy. (3) A. Prerequisites: PSY 250, and PSY 308, and ENG 102 or 102R or ENG 105(B) or HON 102. Principles and techniques of applying behavioral principles in the analysis of complex human behavior. Emphasis is placed on methods of observing behavior and analyzing functional relationships between behavior and environment.

PSY 408 Child Psychopathology. (3) A. Prerequisites: PSY 250, and PSY 308, and PSY 280 or PSY 312, and ENG 102 or 102R or ENG 105(B) or HON 102. An introduction to clinical, theoretical, and empirical approaches to human cognition. Topics include history of scientific studies, learning, memory, representation, intelligence, knowledge, innovation, culture, communication, development, emotion, social skill, consciousness, and theory of mind.

PSY 415 Multicultural Psychology. (3) A. Prerequisites: PSY 250, and PSY 300, and ENG 102 or ENG 105(B) or HON 102, or departmental approval. Examines the value-laden nuances of mainstream psychology and its early history of promoting discrimination toward diverse groups in American society, while introducing the multicultural approach for combating the resulting “isms” (e.g., racism, genderism).

PSY 419 Research Development Skills II. (3) I, II. Prerequisites: PSY 399 and Research Proposal Approved by EKU IRB. Advanced development of data gathering, data analysis, and research presentation skills. Students will execute research developed in PSY 399, learn alternative data management and analyses techniques, prepare oral and written presentations of research. Credit will not be awarded to students who have credit for PSY 401 or 401A.

PSY 420 Psychology of Women and Gender. (3) A. Prerequisites: PSY 250, and PSY 300, and ENG 102 or ENG 105(B) or HON 102, or departmental approval. Introduction to current and historical theories and research in the psychology of women, including gender differences and similarities.

PSY 432 Psychological Perspectives on Substance Abuse. (3) A. Prerequisite: PSY 308. Topics include an overview of current and historical models of addiction and a comparison of assessment and treatment techniques. Evidence-based practice is emphasized.

PSY 437 Psychiatric Rehabilitation Competencies. (3) A. Prerequisite: PSY 337. Builds on Introduction to Psychiatric Rehabilitation by focusing on the components of the Psychiatric Rehabilitation Process. Emphasis will be placed on the development of practitioner skills and techniques.

PSY 458 Grad School Prep. (3) A. Prerequisite: junior or senior standing in Psychology, or departmental approval. Hands-on workshop for students intending to pursue graduate education in the near future.

PSY 476 Psychology of Trauma. (3) A. Prerequisites: ENG 101 or 101R, 102(B), or HON 102; PSY 250, 308, or departmental approval. Topics include trauma and trauma-related assessment and interventions from diverse clinical perspectives. Emphasis will be on the applications of theoretical viewpoints to a variety of posttraumatic situations with a transcultural approach to clinical scholarship on trauma.

PSY 477 Psychology of Intellectual and Developmental Disabilities. (3) A. Prerequisites: PSY 250 or 250W, PSY 308, PSY 408, and PSY 280 or 312, or departmental approval. Survey of developmental disabilities, including Down Syndrome, autism and related syndromes, and their families, and intervention approaches, as well as broader topics such as education, service delivery approaches, and ethics.

PSY 490 Clinical Psychology. (3) A. Prerequisites: PSY 250, and PSY 308, and ENG 102 or 102R or ENG 105(B) or HON 102. Survey of clinical theories, methods, and approaches.

PSY 497 Advanced Topics in Psychology: ______.
Section Seven - Course Descriptions

### Prerequisite: PUB 300 or equivalent, and department approval.

### Prerequisites: PSY 310 or equivalent, and department approval.

### Prerequisites: PSY 310 or equivalent, and department approval.

### Additional Information:

- Credit will not be awarded for both PUB 325 and PUB 325S.
- Credit will not be awarded for both PUB 365 and PUB 365S.
- Credit will not be awarded for both PUB 385 and PUB 385S.
- Credit will not be awarded for both PSY 310 and PUB 420.
- Credit will not be awarded for both PUB 349 and PUB 420.
- Credit will not be awarded for both PSY 475 and PUB 490.
- Credit will not be awarded for both PUB 325 and PUB 325S.
- Credit will not be awarded for both PUB 420 and PUB 420.
- Credit will not be awarded for both PUB 400 and PUB 400S.
- Credit will not be awarded for both PSY 475 and PUB 490S.
- Credit will not be awarded for both PUB 490 and PUB 490S.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
- Credit will not be awarded for both PUB 491 and PUB 491.
and department chair prior to enrollment. May be retaken to a maximum of three hours.

REC 520 Integrated Public Relations Strategies. (3) A. Examines integrated public relations skills used to achieve organizational objectives. Emphasizes strategic planning including forecasting and communicating future business plans. Includes an in-depth look at communication strategies explaining common public relations problems and strategies.

QMB—Quantitative Methods
Dr. Oliver Felts, Chair

QMB 200 Business Statistical I. (3) I, II. Prerequisite: MAT 112 or 112B (or MAT 211) with a grade of “C” or better. Business applications of probability, measures of central tendency, dispersion, sampling, correlation and hypothesis testing.

QMB 240 Managerial Decision Models (3) I, II. Prerequisite: MAT 112 or 112B with a grade of “C” or better. Introduction to quantitative decision methodology for business. Includes break-even analysis for linear and nonlinear revenue and cost functions, analysis of project maximizing and cost minimizing output, inventory, peak, and other business analytical models. Professional degree candidates who complete MAT 211 with a “C” or better are not required to take QMB 240.

REC—Recreation and Park Administration
Dr. Jon McChesney, Chair

REC 101 Recreation and Tourism Careers. (1) I, II. Introduction to the broad scope of careers and employment in recreation, parks, and leisure services organizations.

REC 102 Introduction to Recreation Leadership. (3) I, II. Techniques of leadership in working with individuals in various settings. Methods of organization, guidance, and supervision of program activities.

REC 110 SCUBA Confined Water. (1) I. Relationships of scuba diving to adventure tourism, introduction to scuba diving equipment and techniques in confined water settings. This course is prerequisite to REC 111 Scuba Diving - Open Water.

REC 111 SCUBA Open Water. (1) II. Prerequisite: REC 110. Relationships of scuba diving to adventure tourism, introduction to SCUBA diving equipment and techniques in open water settings. This course will be conducted over a 2.5 day period at an off-campus dive site.

REC 163 Fieldwork I. (1) A. On-site observation and assignment with a recreation, park or leisure services agency. Observe and assist with recreation activities, programs and special events.

REC 180 Outdoor Adventure Activities. (1) I. Outdoor adventure course where students will gain skills in biking, rock climbing, kayaking, caving, rafting, sailing, mountain biking, horseback riding, backpacking, snorkeling, and snow skiing. Students will attend skill-based workshops.

REC 190 Challenge Course Introduction. (1) A. Outdoor-based experiential focus using the EKU Challenge Course, climbing tower, and group initiatives.

REC 200 Leisure Diversity and Culture. (3) I, II. Examination of personal, philosophical, cultural diversity, economic, behavioral, and historical dimensions of play, recreation and leisure; evolution of leisure lifestyles; impact of leisure on the quality of life; and knowledge of professional roles.

REC 210 Equine Assisted Therapeutic Recreation. (3) I. Prerequisite OTS 205 or departmental approval. Introduction to Equine Assisted Activities and Therapies (EAAT). The history and application of EAAT and the general emotional, physical and medical benefits of EAAT for individuals with diverse needs. This course provides hands on activities with a local program.

REC 225 Recreation Hobbies. (3) A. Comprehensive study of recreation services and leisure education; emphasis on leisure time skills, hobbies, avocations, and lifetime recreation; utilization of constructive leisure from youth to senior adults including the disabled, blind and deaf.

REC 250 Tourism Videography. (3) II. An examination in tourism and recreation video production, with emphasis in field production. The course combines theory, history and practice. Hands-on demonstrations, screenings, assignments and papers to prepare students to develop skills in outdoor video production.

REC 263 Fieldwork II. (2) A. Prerequisite: REC 163. On-site practical experience in a recreation, park, or leisure services agency. Organize and lead recreation programs.

REC 270 Introduction to Rock Climbing (3) A. Introduces students to concepts, physical skills, technical skills and philosophical ethics required for indoor and outdoor rock climbing.

REC 280 Programming Special Events. (3) A. Introduction to the methods and techniques of delivering fairs, festivals and special events. Course focuses on the principles and concepts of event planning, management, marketing, and evaluation.

REC 290 Adventure Programming. (3) A. Application of adventure programming delivered experientially through problem solving activities, program design and skills development. Planning and implementation, facilitation strategies, safety procedures, equipment management, personnel administration, and program design are addressed.

REC 300 Civic Engagement Experiences. (1-3) I, II. Prerequisite: Sophomore, Junior, or Senior standing. Students will engage in structured civic engagement activities by completing community projects. Students will work as a group toward enhancing the local environment, and the community. This course blends an ongoing academic focus with experiential learning and service experiences. May be retaken to a maximum of six credit hours.

REC 311 Introduction to Therapeutic Recreation Programming. (3) I, II. An introductory course focusing on individuals with a variety of disabilities, legislation, barriers, accessibility, basic terminology, and awareness of special recreation, therapeutic recreation, sports, and the needs of individuals with disabilities.

REC 325 Camp Supervision. (3) II. Supervision of camp programs, auxiliary services, and personnel.

REC 349 A-N Cooperative Study: Recreation and Park Administration. (5-8) A. Prerequisite: department chair approval. Agency supervised fieldwork course. Minimum of 80 clock hours for each academic credit. Students must register with the Cooperative Education Office.

REC 350 Supervision of Recreation Personnel. (3) A. Analysis of skills and techniques utilized in effective supervision of park, recreation, and leisure service personnel.

REC 380 Natural Resource Tourism. (3) A. Issues in understanding natural resource tourism, sustainability, tourism lifecycle, impacts associated with natural resource tourism, and effective management. Theoretical approaches, case studies and applications. Emphasis on student participation and discussion.

REC 401 Management of Recreation Services. (3) A. Management concepts and processes, organizational structure, policies, personnel, budget, and fiscal management, recreation and public relations, legal issues, and risk management.

REC 406 Planning, Design, and Maintenance of Recreation Facilities. (3) II. Planning principles and procedures of recreation and park areas. Facilities, design problems, details of structure and equipment, master planning methods, study of standards and trends.

REC 409 Independent Study. (1-3) A. Prerequisite: for majors and minors only. Independent study of special topics through directed readings and research. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of three hours.

REC 410 Research & Evaluation. (3) II. Assessment and evaluation of recreation needs, interests, and agency effectiveness. Research processes including marketing and budgeting as related to recreation services will be the focus of this course.

REC 411S Therapeutic Recreation Services for the Senior Adult. (3) I. Explores successful aging and the benefits of therapeutic recreation for seniors. The course includes a service learning project with a community partner determined by the recreation needs of seniors, preventative lifestyle changes and opportunities for meaningful activities. Credit will not be awarded for both REC 411S and REC 411.

REC 450W Senior Seminar. (3) I, II. Prerequisites: for majors only; enroll the semester immediately preceding REC 463 or REC 473. Introduction to the senior internship and professional requirements. Study of trends in recreation practices. Development of a professional work packet.

REC 460 Advanced Leadership and Programming. (3) I, II. Prerequisite: REC 102. Comprehensive course in recreation program planning, development, and leadership techniques with individuals and groups. Students plan a seasonal program. 2 Lec/2 Lab.

REC 463 Internship. (12) A. Prerequisites: 2.0 GPA; REC core and REC option courses. Placement in a recreation agency to lead and develop recreation programs, supervise personnel and facilities, and perform administrative duties. A minimum of 480 clock hours typically covering 12 or more weeks.

REC 473 Therapeutic Recreation Internship. (12) I, II. Prerequisites: REC Core and TR Option Courses with a 2.0 GPA. Placement in a therapeutic recreation agency to lead and develop therapeutic recreation programs, supervise clients, facilities, and perform administrative duties. A minimum of 560 clock hours typically covering 14 weeks.

REC 480 Resort Recreation Management. (3) A. Prerequisite: REC 280. Investigation of the methods and techniques of resort recreation management, and its position within the tourism and hospitality industries. Examines customer service and marketing, international markets, human resources, and fiscal implications.

REC 481 Research Methods in Tourism Study. (3) A. Prerequisites: REC 280 and REC 380. Introduction to the methods and techniques of tourism research. Student competencies include understanding, interpreting, and applying research to tourism related services.

REC 511 Therapeutic Recreation Practices and Services. (3) I, II. Interventions and utilization of terminology. Apply leadership skills, assistive technology, and programming applications. 2 Lec/2 Lab.

REC 512S Management of Therapeutic Recreation Services. (3) I, II. Prerequisite: for majors only. Management concepts applied to delivering therapeutic recreation services, and includes: documentation, activity analysis, assessment, liability, legislation, and standards of practice. Includes 15 service-learning hours.

REC 516 Recreation and Park Interpretive Services. (3) I. The interpretation of natural, historical and cultural resources in recreation and park settings. Frequent agency visits and educational field seminars are components of this course.

REC 520 Trends and Issues in Therapeutic Recreation. (3) A. Prerequisite: REC 311. A professional issues and trends discussion on topics related to therapeutic recreation such as clinical practice, licensure, legislative and regulatory issues, curricular standardization, professional ethics and other relevant professional topics.

2018-2019 EKU UNDERGRADUATE CATALOG

347
REC 530 Park Management. (3) II. Park purposes and operations with an emphasis on natural resources management. Concentration on design, resource conservation and preservation, public relations, and park policies.

REL 590 Special Topics: ______. (1-3) A. Identification and study of specialized techniques in research methodology, operational methods, and services. May be retaken under different workshop title.

REL—Religion
Dr. John Bowes, Chair

REL 301 World Religions. (3) I, II. Study of the basic notions found in the world’s great religions. Attention is given to the historical context of the development of these religions and to the doctrines, rituals and literature produced by them. Credit will not be awarded for both REL 301 and 301W. Gen. Ed. E-3B (AH)

REL 301W World Religions: Writing Intensive. (3) I, II. Prerequisite: ENG 102 or 102R or 105 (B) or HON 102 (B). A writing intensive study of the basic notions found in the world’s great religions. Attention is given to the historical context of the development of these religions and to the doctrines, rituals and literature produced by them. Credit will not be awarded for both REL 301 and 301W. Gen. Ed. E-3B (AH)

REL 305 Survey of the Old Testament. (3) I. A survey of the history and religious development of the ancient Hebrews, with attention given to the religious concepts and values of the literature of the Old Testament.

REL 306 Survey of the New Testament. (3) II. A study of the history of the New Testament times and an examination of the meanings and significance of the teachings of Jesus and the writings of the early Church.

REL 315 History of Christian Thought. (3) A. A survey of Christian theology, philosophical theology, and spirituality from the Apostolic Fathers through the early Reformation period.

REL 320 Judaism. (3) A. Prerequisite: ENG 102 or 102R or ENG 105(B) or HON 102. This course introduces students to the main beliefs and practices of Judaism. Students will read a broad selection of primary sources ranging from the Hebrew Bible to contemporary Jewish thought in the United States. Gen. Ed. E-6 [GE]

REL 335 Islam. (3) A. Prerequisite: ENG 102 or 102R or 105(B) or HON 102. A study of the origins and religious development of Islam by an examination of the Koran and the writings of some major Islamic thinkers. Gen. Ed. E-6 [GE]

REL 340 Religions of India. (3) A. Prerequisite: ENG 102 or 102R or 105(B) or HON 102. Study of the major religions of India including the Vedic Period, classical systems, Epic Period, heterodox systems, orthodox systems, and contemporary thought. Gen. Ed. E-6 [GE]

REL 345 Religions of China and Japan. (3) A. Prerequisite: ENG 102 or 102R or 105(B) or HON 102. Study of the major religions of China and Japan, including original Han, Confucianism, Cho Schools, Neo-Taoism, Shinto, and Chinese and Japanese Buddhism. Gen. Ed. E-6 [GE]

REL 349 Applied Learning in Religion. (1-8) A. Prerequisite: consult with department chair before enrolling. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight; associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

REL 349 A-N Cooperative Study: Religion. (1-8) A. Prerequisite: consult with department chair before enrolling. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight; associate; sixteen; baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

REL 350 Buddhism. (3) A. Prerequisite: ENG 102 or 102R or 105(B) or HON 102. A critical introduction to the main beliefs and practices of Buddhism, from its origins in India to its most traditional manifestations in Asia and its latest developments in Europe and North America. Gen. Ed. E-6 [GE]

REL 365 Women, Gender, and Religion. (3) A. Cross-listed as ENG 365. Prerequisite: ENG 102 or 102R or 105 (B) or HON 102. A study of the intersections between feminism and the social impact of religion throughout the world with particular emphasis on the relationship between gender and religion, sexuality, and body politics. Credit will not be awarded for both REL 365 and WGS 365.

REL 370 Special Topics in Religion. (1-3) A. Prerequisite: consult with department chair before enrolling. Intensive study of a selected topic or an important figure in religion. May be retaken to a maximum of fifteen hours if the topic is different.

REL 495 Independent Work in Religion. (3) I, II. Prerequisite: consult with department chair before enrolling. Individual study under the direction of an instructor on a special topic in religion. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. Work in placements related to academic major. May be retaken to a maximum of six hours if topic is different.

RMI—Risk Management & Insurance
Dr. Oliver Feltus, Chair

RMI 349 Applied Learning in Insurance. (5) A. Formerly INS 349. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience is directed toward academic major. Prerequisites: Minimum of 80 hours work required per credit hour. Six hours may be used as a major elective. May be repeated for a total of 16 credit hours. Credit will not be awarded to students who have credit for INS 370.

RMI 370 Principles of Risk and Insurance. (3) I, II. Formerly INS 370. Theory and practice of insurance and its economic and social significance; basic life, health, and property-liability insurance for organizations and families; review of the major lines of insurance. Credit will not be awarded to students who have credit for INS 370.

RMI 372 Fundamentals of Property-Liability Insurance. (3) A. Formerly INS 372. Prerequisite: RMI 370 or instructor approval. Planning and evaluating non-personal property-liability insurance; analysis of insurance coverage against pure risk related to property-liability insurance exposure. Credit will not be awarded to students who have credit for INS 372.

RMI 374 Fundamentals of Life and Health Insurance. (3) A. Formerly INS 374. Prerequisite: RMI 370 or instructor approval. Analysis of life and health insurance and annuity products available in the individual market. Includes a discussion of systems for determining the individual’s life and health insurance needs. Credit will not be awarded to students who have credit for INS 374.

RMI 376 Excess & Surplus Lines. (3) I, II. Prerequisites: RMI 370 or 372 (with a minimum grade of “C” in either course). The course explains the function of the nonadmitted insurers and the policies they issue in the excess and surplus lines market. The course also covers the function and operation of reinsurers.

RMI 378 Risk Management. (3) A. Formerly INS 378. Risk Management as used by organizations; basic functions of risk management with emphasis placed on risk management decision making. Credit will not be awarded to students who have credit for INS 378.

RMI 380 Personal Risk Management. (3) A. Formerly INS 380. Prerequisite: RMI 370 or instructor approval. An intensive examination of personal loss exposures and their treatment. Emphasized is the use of risk management techniques. Topics include property and liability loss exposures for personal automobile, homeowners, premature death, illness, accidental injury, superannuation, investment risks, and estate planning.

RMI 400 Seminar in Insurance. (1-3) A. Formerly INS 400. Prerequisite: RMI 349. Selected topics of special and contemporary interest to insurance majors. May be retaken under different titles to a maximum of six hours. Credit will not be awarded to students who have credit for INS 400.

RMI 460 Insurance Agency Operations. (3) A. Formerly INS 460. This course examines the unique operations of an equally small business, the insurance agency. It will apply material used in other courses such as management, marketing, accounting, finance, and insurance. These business administration principles will be distilled into components that may be applied to the operation of an insurance agency. This course will prepare the student for one part of the Accredited Advisor in Insurance (AAI) specialty designation awarded by the Insurance Institute of America. Credit will not be awarded to students who have credit for INS 460.

RMI 462 Business Law for Insurance. (3) A. Prerequisites: RMI 370 and 372 (with a grade of “C” or better in each course). Covers the law of contracts, property, UCC, torts and agency as specifically applicable to the insurance industry.

RMI 472 Insurance, Finance and Accounting. (3) A. Prerequisites: ACC 201 and 202. Teaches the principles of Statutory Accounting and Finance to the student of insurance. Reviews Generally Accepted Accounting Principles (GAAP) and the comparison of Statutory Accounting Principles (SAP). Students will learn to analyze the financial statement of property and liability insurers, to understand their investment strategies, which are regulated, and the financial consequences of mergers and acquisitions. Examines the effect of the insurance underwriting cycle upon the financial decisions of insurers.

RMI 474 Life Insurance and Estate Planning. (3) A. Formerly INS 474. Prerequisite: RMI 374 or instructor approval. Role of life insurance, gifting and trusts in estate planning; considerations of developing an estate plan for the individual or the family. Credit will not be awarded to students who have credit for INS 474.

RMI 476 Employee Benefit Planning. (3) A. Formerly INS 476. Prerequisite: RMI 370 or instructor approval. Employee benefit plans including taxation, costs, and choices of funding. Includes an analysis of the role of employee benefit plans in meeting the risks of death, sickness, disability and superannuation. Credit will not be awarded to students who have credit for INS 476.

RMI 486 Insurance Company Operations. (3) A. Formerly INS 486. This course examines unique insurance functions including underwriting, reinsurance, ratemaking, claims adjusting, loss control and other insurer activities. It will prepare the student for an examination administered by the American Institute for CPCU. Caspstone course. Credit will not be awarded to students who have credit for INS 486.

RMI 490 Independent Study. (1-6) A. Formerly INS 490. Prerequisite: advisor/departmental approval. May be retaken under different sub topics to a maximum of six hours. Independent work, special topics workshops, special topics seminars. Student must have the independent study course proposal form approved by faculty supervisor and department chair prior to enrollment. Credit will not be awarded to students who have credit for INS 490.
RST—Real Estate

Dr. Oliver Felius, Chair

RST 110 Real Estate Principles I (3) A.
Introduction to the elements of real property ownership, law, financing, fee simple estates, and leasehold interests. Course cannot be used as a business elective and hours cannot count toward a business major.

RST 120 Real Estate Principles II (3) A.
Prerequisites: RST 110 with a minimum grade of “C”. Exploration of real estate as a business and profession with emphasis on brokerage, property management, appraisal, investing, fair housing, license law, and career opportunities. Course cannot be used as a business elective and hours cannot count toward a business major.

SCO—College of Science Student Success Seminar

SCO 100 Student Success Seminar I (1) I, II.
An introduction to the programs of the University and the College of Science. Discussion of how to study, what to consider in choosing a profession, and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

SCO 100B Student Success Seminar in Biology (1) I, II.
Prerequisite: Biology majors only. An introduction to the programs of the University and College of Science, specifically for Biology majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

SCO 100C Student Success Seminar in Chemistry (1) I, II.
Prerequisite: Chemistry majors only. An introduction to the programs of the University and College of Science, specifically for Chemistry majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

SCO 100D Student Success Seminar in Computer Science (1) I, II.
Prerequisite: Computer Science majors only. An introduction to the programs of the University and College of Science, specifically for Computer Science majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

SCO 100M Student Success Seminar in Mathematics and Statistics (1) I, II.
Prerequisite: Mathematics and Statistics majors only. An introduction to the programs of the University and College of Science, specifically for Mathematics and Statistics majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

SCO 100P Student Success Seminar in Physics (1) I, II.
Prerequisite: Physics majors only. An introduction to the programs of the University and College of Science, specifically for Physics majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

SCO 110 Principles of Security Management (3).
Examination of how security professionals in private and government organizations identify, prioritize, and manage security risks; role of private security in public safety and homeland security; and multiple career options in the security profession.

SEC 250 Personnel Security (3).
Ensuring employee and contractor integrity through background screening, security procedures and records, and audits. Review of special programs to protect key personnel, employees in high risk environments, and to mitigate workplace violence.

SEC 260 Security and Loss Prevention (3).
Protecting retail operations and inventories against loss from internal and external threats and administrative errors. Developing cost effective programs for policy, physical and human controls to prevent loss.

SEC 349A N.
Prerequisite: SEC 349. Departmental approval. The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of nine times.

SEC 349N A.
Prerequisite: Departmental approval. The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of nine times.

SED—Special Education

SED 104 Special Education Introduction. (3) I, II.
Overview of major categories of exceptionalities and the educational, legal, and social issues in the area of disabilities and special education. Observation/participation through field experience required. Gen. Ed. E-6 [GE].

SED 207 Topics in Special Education. (1-3)
A. Work related to current issues and topics in special education, special workshops, special seminars. May be retaken with a maximum of nine hours.

SED 260 Language and Speech Disorders of Exceptional Children. (3) I, II.
Acquisition of normal language and speech in our multi-cultural society. Identification and educational management of language and speech disorders in exceptional children.

SED 270 Technology/Strategies for MSD. (3)
A. Formerly SED 550. Implementation of computer technology and assistive adaptive devices and strategies for students with multiple and severe disabilities including dual sensory. The use of Miguel language strategies and symbolic/non-symbolic communication in natural environments and daily routines. Credit will not be awarded to students who have credit for SED 530.

SED 305 Behavior Disorders, (3).
Prerequisite: SED 578. Credit will not be awarded to students who have credit for SED 530.

SED 538 Language of the Deaf and Hard of Hearing. (3)
A. Formerly SED 538. Credit will not be awarded to students who have credit for SED 530.

SOCI 200A.
A. Student Success Seminar in Sociology. (1-3)
A. Formerly SED 200A. Credit will not be awarded to students who have credit for SED 200A.

SEC 250 Personnel Security (3).
Ensuring employee and contractor integrity through background screening, security procedures and records, and audits. Review of special programs to protect key personnel, employees in high risk environments, and to mitigate workplace violence.

SEC 260 Security and Loss Prevention (3).
Protecting retail operations and inventories against loss from internal and external threats and administrative errors. Developing cost effective programs for policy, physical and human controls to prevent loss.

SEC 349A N.
Prerequisite: SEC 349. Departmental approval. The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of nine times.

SEC 349N A.
Prerequisite: Departmental approval. The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of nine times.

SED—Special Education

SED 104 Special Education Introduction. (3) I, II.
Overview of major categories of exceptionalities and the educational, legal, and social issues in the area of disabilities and special education. Observation/participation through field experience required. Gen. Ed. E-6 [GE].

SED 207 Topics in Special Education. (1-3)
A. Work related to current issues and topics in special education, special workshops, special seminars. May be retaken with a maximum of nine hours.

SED 305 Behavior Disorders, (3).
Prerequisite: SED 578. Credit will not be awarded to students who have credit for SED 530.

SED 538 Language of the Deaf and Hard of Hearing. (3)
A. Formerly SED 538. Credit will not be awarded to students who have credit for SED 530.
Sjis 396 Researching and Writing for Change. (3) A. Prerequisites: sophomore standing, SJS 101, and SJS 250S. Examines the mutual importance and interrelated nature of social research and writing in struggles for social change and justice. The course will consider the importance of quantitative and qualitative research and diverse writing formats such as academic scholarship, journalism, polemics, cultural critique, advocacy, and grant-writing in addressing injustice and conflict.

SJS 400 Feminist Theory and Practice. (3) A. Cross-listed with WGS 400. Prerequisite: WGS 201 or SJS 101 cross-listing with SJS 304. The course explores development of feminist theory and its implications for continuing feminist scholarship. Includes related research project in student's major. Credit will not be awarded to students who have credit for WGS 400.

SJS 450 Social Change, Conflict, Resistance, and Nonviolent Struggle. (3) A. Prerequisite: sophomore standing, SJS 101, and SJS 301. Course examines various responses to conflict and focuses on the use of nonviolent strategies as a means to overcome oppression. Examples of nonviolent struggle around the world are assessed and students are required to complete a field experience where they consider the application of effective nonviolent strategies.

SJS 472 Topical Seminar: ______ (3) A. Prerequisites: departmental approval or sophomore standing. Intensive study of selected topics related to social justice. May be retaken with different topics.

SJS 495S Learning through Civic Engagement. (3) A. Prerequisites: sophomore standing, SJS 101, and SJS 250S. Working collaboratively with faculty, peers, and/or community representatives, students will analyze a social problem. They will design and implement a project essential to the helping, advocacy, community organization and activist roles necessary for social change. Students will prepare written and oral presentations that reflect their understanding of justice, conflict, and social change.

SJS 496 Conflict of Violence. (3) A. Prerequisites: sophomore standing and SJS 101. Examines the relations among state regimes and their application of violence in historical and contemporary contexts. Consideration will be given to the ways state institutions such as the military, police, prisons, and welfare often exercise violence and threats thereof in struggles over justice. Alternatives to state violence will be discussed.

SJS 470 Critical Carceral Studies. (3) A. Prerequisites: sophomore standing and SJS 101. Examines the historical, theoretical, and political development of ‘carcerality’, including technologies of punishment, coercion, surveillance, and control. This class examines questions of state control over a complex in the United States and its effects on oppressed communities.

SJS 480 Ethnography for Social Change. (3) A. Prerequisites: sophomore standing and SJS 101 and SJS 301 and SJS 313. An advanced methods class, this course examines the use of ethnography to achieve greater understandings of, and contributions toward, social change. Readings may include studies of power and resistance in Appalachia, the homeless in San Francisco, the use of state violence in the repression of dissent, and other important works.

SJS 490 Identity, Culture, and Power. (3) A. Prerequisites: sophomore standing and SJS 101 and SJS 301 and SJS 313. Examines, as a cultural context for social power relations. Examining at work, academia, education, and other areas of cultural (re)production, this course explores the diverse and even clandestine ways that power operates and that subordinated populations resist.

SOC—Sociology

SOC 131 Introductory Sociology. (3) I, II. Basic principles in sociology, including socialization, groups and interaction, culture, social structure and institutions (family, education, religion, politics, economics), crime/deviance, social inequalities (race, class, gender), and sociological research methods and theory. Gen. Ed. E-5B [SB].

SOC 232 Social Statistics. (3) I, II. Prerequisites: SOC 131 and completion of all mathematics academics readiness indicators. Statistical analysis of survey data, including forming sociological research questions, variable selection, interpretation, and writing in standard scientific form.

SOC 235 Social Problems. (3) I, II. Analysis of selected social problems such as crime, mental illness, divorce, population, and poverty, as well as controversies over human sexuality. The analysis includes the definition, causes, and consequences of social problems. Gen. Ed. E-5B [SB].

SOC 300 Sociology of Humans and Animals (3) A. Prerequisite: ENG 102 or 102R, 105B, or HON 102. Completion of SOC 131 is advised. A survey of the sociology of animal-human interaction, focusing on the human-animal bond and conflict between human and animal worlds.

SOC 320 Mind, Self, and Society. (3) A. Prerequisite: ENG 102 or 102R, 105B, or HON 102. Completion of SOC 131 is advised before taking SOC 320. Relation of the individual to the sociocultural environment, with special reference to personality development, interpersonal role-behavior, motivation, and social attitudes.

SOC 332 Sociology of Mass Media (3) A. Prerequisites: ENG 102 or 102R, 105B, or HON 102; SOC 31 or SOC 200. Media as social structure and audience in interpretation of mass media is examined through sociological analysis of media ownership, media content, and audience characteristics.

SOC 333S Sociology of Social Movement. (3) I, A. Prerequisites: ENG 102 or 102R, 105B, or HON 102; 3 hours in SOC or departmental approval. A sociological exploration of global migration including study of migrants, refugees, politics, laws, and role of the global economy, informed through service-learning.

SOC 345 Sociology of the Family. (3) A. Prerequisite: ENG 102 or 102R, 105B, or HON 102. Completion of SOC 131 is advised before taking SOC 345. Examines family as a social institution, including its relation to cultural and social change and to the wider structure of society.

SOC 349 Applied Learning in Sociology (5-8) A. Prerequisites: Sophomore Standing, Overall GPA 2.0, and Sociology Program approval. Work in a professional environment related to academic studies. A maximum of three hours may be applied to major electives. A minimum of 80 hours of employment required for each semester hour of academic credit. Graded Satisfactory/Unsatisfactory.

SOC 349 A-N Cooperative Study: Sociology (5-8) A. Prerequisites: Sophomore Standing, Overall GPA 2.0, and Sociology Program approval. Work in a professional environment related to academic studies. A maximum of three hours may be applied to major electives. A minimum of 80 hours of employment required for each semester hour of academic credit. Graded Satisfactory/Unsatisfactory.

SOC 350 Selected Topics in Sociology: ______ (3) A. Prerequisite: ENG 102 or 102R, 105B, or HON 102. Completion of SOC 131 is advised before taking SOC 350. May be retaken to a maximum of nine hours provided the subject matter differs each time. Sample topics: Appalachian sociology; sexism and society; utopias.

SOC 363 Appalachian Images in Film and Song. (3) A. Cross-listed as APP 366. Completion of SOC 131 is advised before taking SOC 363. Media images of the Appalachian region and its people through film and music; the processes by which such images become produced and reproduced. Credit will not be awarded for both SOC 363 and APP 363.

SOC 365 Social Change in Appalachia. (3) A. Cross-listed as APP 366. Completion of SOC 131 is advised before taking SOC 365. Analysis of patterns of social change and development in an important area of the Southern United States, Central and Southern
Appalachia. Emphasis will be placed upon competing theoretical perspectives and the importance of historical research. Credit will not be awarded for both SOC 365 and APP 366.

SOC 370 Religion in Appalachia. (3) A. Cross-listed as APP 370. Completion of SOC 131 is advised before taking SOC 370. An examination of diversity and change in the religious beliefs, practices, groups, and organizations found in the Southern Appalachian Region. Credit will not be awarded for both SOC 370 and APP 370.

SOC 390 Environmental Sociology. (3) A. Prerequisite: ENG 102 or 102R, 105(B), or HON 102. Completion of SOC 131 is advised. The study and application of concepts from ecology, political economy and sociology to better understand the relationship between humans and their physical environment.

SOC 395 Research Methods in Sociology. (3) II. Prerequisite: SOC 232. Methods and techniques of sociological research, including collecting, measuring, analyzing, processing, and presenting social data.

SOC 399 Gender and Society. (3) A. Prerequisites: SOC 131 or SOC 235, ENG 102 or 102R or ENG 105(B) or HON 102. Emphasis on the relationship between the social construction of gender and the experiences of women and men in society. Consideration of cultural diversity in defining gender roles. Gen. Ed. E-6 [GE].

SOC 400 Racial and Ethnic Relations. (3) A. Prerequisites: SOC 131 or SOC 235, ENG 102 or 102R or ENG 105(B) or HON 102. Analysis of the development of racial and ethnic relations from the perspective of sociology and related social sciences. Examination of issues related to dominant and minority group status and power in the United States and cross-culturally. Gen. Ed. E-6 (GE).

SOC 412 Sexuality, Society & Justice. (3) A. Prerequisites: SOC 131 and ENG 102 or 102R or 105(B) or HON 102. An examination of sexual minorities and social justice issues in the United States. Topics include law, social movements, hate crimes, intimate partner violence and politics.

SOC 420 Jobs, Organizations, and Power. (3) A. Prerequisite: ENG 102 or 102R, 105(B), HON 102, or departmental approval. Completion of SOC 131 is advised. Analysis of work in American society with a focus on labor markets, labor processes, and organizational power structure. Special attention to the future of organizational bureaucracies in the United States. Gen. Ed. E-6 [GE].

SOC 462 Sociological Theory II. (3) A. Prerequisites: ENG 102 or 102R, 105(B), HON 102, six hours in SOC. Examinations of developments in social thought, including origins of classical theory (Marx, Durkheim, Weber), a survey of contemporary theories built upon these early approaches, as well as issues unaddressed in the classical school, such as functionalism, feminism, dramaturgical analysis, and post-structuralism.

SOC 465 Demography. (3) A. Prerequisites: SOC 131 and 232. Topics include demographic data and analysis, population characteristics, migration, mortality, fertility, population theories, world population growth, and population policies.

SOC 470 Capstone Seminar in Sociology. (3) A. Prerequisites: ENG 102 or 102R, 105(B), or HON 102; SOC 395. A capstone overview of sociology through the study proposal form approved by faculty supervisor and department chair prior to enrollment. Additional independent study courses may be retaken to a maximum of six hours.

SOC 499 Directed Research in Sociology. (3) A. Prerequisite: Departmental approval. A directed research experience for Sociology majors that integrates a research experience with the students’ professional development and the development of a substantive deliverable product (e.g., poster or conference presentation).

SPA—Spanish

Dr. Abbey Poffenberger, Chair

SPA 101 Conversational Spanish I. (3) I, II. Prerequisite: Completion of all required reading and writing academic readiness indicators. Beginning Spanish for students with little or no previous study of Spanish. Qualified students should enroll at a higher level. Proficiency-based course emphasizing active communication in Spanish, and introducing the cultural diversity of the Spanish-speaking world. Conducted in Spanish. Not open to students who have native or near-native fluency in Spanish. Gen. Ed. E-6 [GE].

SPA 102 Conversational Spanish II. (3) I, II. Prerequisite: SPA 101 and 102; six hours in SOC. Examines causes and consequences of social inequality in the United States. Topics include law, social movements, hate crimes, intimate partner violence and politics.

SPA 105 Accelerated Spanish I. (6) A. Recommended: minimum of two years High School Spanish and/or instructor approval. An intensive approach to the skills of reading, writing, speaking, interpreting, and understanding culture. SPA 105 covers the same material as SPA 101 and 102, but is completed in a single semester. Conducted in Spanish. Not open to students who have native or near-native fluency in Spanish. Gen. Ed. E-6 [GE].

SPA 201 Intermediate Conversational Spanish I. (3) I, II. Recommended: SPA 101 or equivalent proficiency. Development of more advanced skills for speaking, listening, reading, and writing in contemporary cultural contexts. Lab work required. Students entering SPA 201 by referral or placement receive six hours credit for SPA 101, 102, and 105 if they make an “A” in 201. Conducted in Spanish. Not open to students who have native or near-native fluency in Spanish. Gen. Ed. E-6 [GE].

SPA 202 Intermediate Conversational Spanish II. (3) I, II. Recommended: SPA 201 or equivalent proficiency. Development of more advanced skills for speaking, listening, reading, and writing, with increased emphasis on short readings, discussions, and compositions on cultural topics. Lab work required. Students entering SPA 202 by referral or placement receive nine hours credit for SPA 101, 102, and 201 if they make an “A” or “B” in 202. Gen. Ed. E-6 [GE].

SPA 205 Accelerated Spanish II (6) Prerequisite: SPA 101, or SPA 102 or equivalent with minimum grade of B, or two years AP high school Spanish, and/or instructor approval. An intensive approach to the skills of reading, writing, speaking, interpreting, and understanding culture. SPA 205 covers the same material as SPA 101, 102, and 202, but is completed in a single semester. Gen. Ed. E-6 [GE].

SPA 206 Conversational Fluency. (3) A. Recommended: SPA 202 or equivalent proficiency (not open to students who have native or near-native fluency in Spanish). SPA 206 covers the same material as SPA 101, 102, and 202, but is completed in a single semester. Gen. Ed. E-6 [GE].

SPA 295 Independent Work in Spanish. (1-3) A. Prerequisite: SPA 202 or equivalent proficiency. May be retaken to a maximum of 9 hours if content is different. Prior to enrollment, student must have the independent study proposal approved by faculty supervisor and department chair.

SAP 301 Reading and Culture. (3) A. Prerequisites: SPA 202 and SPA 206 or equivalent proficiency with department chair approval. Interactive discussion and writing on readings representative of Hispanic culture. Taught in Spanish.

SPA 310 Topics in Spanish. (1-3) A. Prerequisite: SPA 206 and SPA 301. May be retaken to a maximum of 9 hours if content is different. Selected topics in Spanish language, literature, or culture.

SPA 320 Business and Technical Spanish. (3) A. Prerequisites: SPA 206 and 301, or equivalent proficiency with department chair approval. Provides opportunities to learn and use Spanish for business. Includes vocabulary for the social sciences and technical fields such as agriculture, industrial technology, law enforcement, and health care, as deemed relevant. Taught primarily in Spanish.

SPA 321S Spanish for the Social Services. (3) A. Prerequisite: SPA 206 or Departmental Approval. Designed to develop the knowledge and skills required for communication by collaborating with professionals in an approved service learning site. Materials and activities are geared toward professional interactions and will emphasize cultural knowledge.

SPA 349 Applied Learning in Spanish. (1-5) A. Prerequisite: SPA 201 or SPA 202. Successful completion of 15 hours of Spanish major courses or equivalent proficiency. In addition, transfer students must have completed one semester or full-time course work at EKU. A minimum of 80 hours of employment is required for each semester hour of academic credit. Site, plan, and hours must be approved by Spanish coordinator. Work under coordinator and field supervisors in placements related to academic studies. Maximum of 6 (six) hours toward a degree.

SPA 349A-N Cooperative Spanish Study. (1-5) A. Prerequisite: must have successfully completed 15 hours of Spanish major courses or equivalent proficiency. In addition, transfer students must have completed one semester or full-time course work at EKU. A minimum of 80 hours of employment is required for each semester hour of academic credit. Site, plan, and hours must be approved by Spanish coordinator. Work under coordinator and field supervisors in placements related to academic studies. Maximum of 6 (six) hours toward a degree.

SPA 360 Topics in Grammar. (3) I, II. Prerequisites: SPA 206 and SPA 301. May be retaken to a maximum of 6 hours if content is different. Emphasis on improving the understanding and application of Spanish through study of selected components of Spanish grammar in a variety of written cultural contexts.

SPA 370 Conversation and Composition. (3) A. Prerequisites: SPA 206 and SPA 360 or equivalent proficiency with department chair approval. Intensive practice in developing skills for effective oral and written communication in Spanish. Taught in Spanish.

SPA 380 Civilizations of Spain. (3) I. Prerequisites: SPA 301 and 360, or equivalent proficiency with department chair approval. An exploration of Spain’s intellectual, cultural, and historical development. Class conducted primarily in Spanish with Spanish texts in order to further development of reading, speaking, comprehension, and writing skills in Spanish.

SPA 381 Civilizations of Latin America. (3) II. Prerequisites: SPA 301 and 360, or equivalent proficiency with department chair approval. An exploration of Latin America’s intellectual, cultural, and historical development. Class conducted primarily in Spanish with Spanish texts in order to further development of reading, speaking, comprehension, and writing skills in Spanish.

SPA 401 Spanish Language Studies. (1-3) A. Prerequisite: SPA 360. A selected topic such as phonetics, phonology, semantics, syntax, or history of the language. May be retaken to a maximum of nine hours if content is different.

SPA 405 Hispanic Literature and Culture. I. (3) A. Prerequisite: SPA 301 or equivalent proficiency with department chair approval. Readings and
interactive analyses of representative authors, works, and movements of both Spain and Spanish-America in their historical and cultural contexts from the Middle Ages to 1700. Taught in Spanish.

SPA 406 Hispanic Literature and Culture II. (3) A. Prerequisite: SPA 301 or equivalent proficiency with department chair approval. Readings and interactive analyses of representative authors, works, and movements of both Spain and Spanish-America in their historical and cultural contexts in the 18th and 19th centuries. Taught in Spanish.

SPA 407 Hispanic Literature and Culture III. (3) A. Prerequisite: SPA 301 or equivalent proficiency with department chair approval. Readings and interactive analyses of representative authors, works, and movements of both Spain and Spanish-America in their historical and cultural contexts, in the 20th century. Taught in Spanish.

SPA 410 Introduction to Interpreting. Prerequisite: SPA 360. This is a practical course designed to develop proficiency in community interpreting. Topics include consecutive interpreting skills, sight translation skills, vocabulary and terminology research, intercultural issues, and situational ethics.

SPA 492 Senior Capstone Seminar (Prerequisite: 1 year of college level Spanish, including 3 hours from SPA 405, 406, 407. Advanced majors will demonstrate their skills in the language, linguistics, cultures, and literatures of Hispanic peoples, via a portfolio, demonstrated proficiency in oral and written communication, and oral presentation to students and faculty. Taught in Spanish. Required of all majors.

SPA 495 Independent Work in Spanish. (1-3) A. Prerequisite: departmental approval. May be counted toward major or minor only with permission of department chair. May be retaken to a maximum of six hours if content is different. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

STA — Statistics

Dr. Daniel Mundfrom, Chair

STA 215 Introduction to Statistical Reasoning. (3) I, II. Prerequisites: Completion of all academic readiness indicators (which may include ENG 101R “C” or completion of all academic readiness indicators except MATH and concurrent enrollment in STA 215P) and all students who meet academic readiness indicators except mathematics and who do not meet the mathematics academic readiness indicators are required to enroll in STA 215P the same semester as STA 215. Introduction to descriptive statistics, normal distributions, correlation and linear regression, sampling, experiments, chance phenomena, one- and two-sample estimation and hypothesis testing, chi-square tests, and use of statistical software. Gen. Ed. E-2 [QR].

STA 215L StatLab for STA 215 (1) A. Corequisite: STA 215. This optional lab is to accompany a regular lecture class in STA 215; topics will vary. 2 Lab

STA 215P Quantitative Support for STA 215 (1) I, II. Corequisite: STA 215. Corequisite support for students concurrently enrolled in STA 215. Emphasis on prerequisites skills needed for statistics, such as real number sense and operations, equations, analyzing graphs, modeling, critical thinking, and use of statistical software. 2 Lab.

STA 230 Probability and Statistics for Middle Grades Teachers. (3) II. Prerequisite: MAT 112 or 112B, 114, 211, or 234 or 234H with a grade of “C” or better. Pre- or Co-requisite: MAE 201. Sampling distributions, central tendency, measures of center and variability, mean absolute deviation, correlation, lines of best fit, probability, geometric probability, independence, simulations, contingency tables, counting, binomial, uniform, and normal probability distributions, one-sample inference, manipulatives, presentations, technology.

STA 270 Applied Statistics (4) I, II. Prerequisite: MAT 112 or 112B or higher with a grade of C or better, a minimum score of 23 on the mathematics portion of the ACT, or a minimum score of 530 on the mathematics portion of the SAT, or departmental approval. Applied statistics, probability, counting techniques, discrete and continuous distributions, binomial distributions, normal distributions, sampling distributions, one- and two-sample estimation and hypothesis testing, chi-square tests, correlation, linear regression, decision analysis, and use of statistical software. Gen. Ed. E-2 [QR].

STA 270L StatLab for STA 270: [ ] A. Corequisite: STA 270. This optional lab is to accompany a regular lecture class in STA 270; topics will vary. 2 Lab.

STA 340 Applied Regression Analysis. (3) I, II. Prerequisite: STA 270; STA 215 with a minimum grade of “B” and one of the following: MAT 112 or 112B or higher with a grade of C or better, a minimum score of 23 on the mathematics portion of the ACT, or a minimum score of 500 on the mathematics portion of the SAT, or departmental approval. Simple and multiple regression, model building, variable screening methods, detection and management of multicollinearity, residual analysis, logistic regression, classical time series analysis, and use of statistical software. Credit will not be awarded to students who have credit for STA 320.

STA 349 A-N Cooperative Study: Statistics. (1-8) I, II; (1-6) SUMMER ONLY. Prerequisite: departmental approval. Work in placements related to academic studies. Does not apply to major or minor requirements. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours of employment is required for each semester hour of academic credit.

STA 349 A-N Cooperative Study: Statistics. (1-8) I, II; (1-6) SUMMER ONLY. Prerequisite: departmental approval. Work in placements related to academic studies. Does not apply to major or minor requirements. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours of employment is required for each semester hour of academic credit.

STA 349 A-N Cooperative Study: Statistics. (1-8) I, II; (1-6) SUMMER ONLY. Prerequisite: departmental approval. Work in placements related to academic studies. Does not apply to major or minor requirements. Total hours: eight, associate; sixteen, baccalaureate.

STA 375 Sampling Methods. (3) A. Prerequisite: STA 270; or STA 215 (with a minimum grade of “B”), and one of the following: MAT 112 or 112B or higher with a grade of C or better, a minimum score of 23 on the mathematics portion of the ACT, or a minimum score of 500 on the mathematics portion of the SAT, or departmental approval. Basic concepts of sampling theory, simple random sampling, stratified random sampling, cluster sampling, systematic sampling, ratio and regression estimation, applications to surveys, and use of statistical software. Written and/or oral presentations required.

STA 380 Nonparametric Statistics. (3) A. Formerly STA 301. Prerequisite: STA 270; or STA 215 (with a minimum grade of “B”) and one of the following: MAT 112 or 112B or higher with a grade of C or better, a minimum score of 23 on the mathematics portion of the ACT, or a minimum score of 500 on the mathematics portion of the SAT, or departmental approval. Simple, efficient nonparametric methods without normality assumptions. Tests, estimation of proportions, medians, two-sample location/dispersion, one and two-way layout, independence, regression, and use of statistical software. Credit will not be awarded to students who have credit for STA 501.

STA 470 Applied Probability. (3) II. Formerly STA 370. Prerequisites: MAT 244 or 244H or 254 or 254H; and STA 215 or STA 270; or departmental approval. Intuitive and axiomatic development of probability, set theory, counting techniques, conditional probability, Bayes Theorem, discrete distributions including univariate and bivariate cases, multinomial distributions, Markov Chains, and emphasis on applications. Credit will not be awarded to students who have credit for STA 370.

STA 480 Seminar in Statistics. (1-3) A. Prerequisite: departmental approval. Topic announced at time of offering. May be retaken to a maximum of 12 hours, provided the topics are different.

STA 485 Probability for Actuaries. (2) A. Formerly STA 385. Prerequisite: STA 470; MAT 520 or STA 520. Review of elementary probability theory, univariate and multivariate probability distributions, moment-generating functions, transformations, order statistics, applications of probability concepts, and risk management context. Preparation for Actuarial Exam P. Credit will not be awarded to students who have credit for STA 385.

STA 495 Independent Work. (1-3) A. Prerequisite: departmental approval. Directed study/research on a problem or area chosen in consultation with instructor. Final paper required. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours.

STA 498 Statistics Capstone. (1) A. Cross-listed as MAT 498. Prerequisite: MAT 520 or STA 520, and senior status as either a Mathematics or Statistics major. Designed to enable students to synthesize and integrate their mathematics and statistical knowledge. Students will learn how to conduct research and present the results. Credit will not be awarded for both STA 498 and MAT 498.

STA 500 Applied Statistical Inference (3) A. Designed for students in all areas. A general background in statistical methods including normal distribution, point and interval estimation, hypothesis testing, linear correlation and regression, analysis of variance, and use of statistical software.

STA 507 Seminar in Statistics: [ ] (1-3) A. Prerequisite: departmental approval. Topics vary with offering. May be retaken with advisor approval, provided that the topics are different. Credit toward degree requirements will depend on the course content.

STA 520 Mathematical Statistics I. (3) I. Cross-listed as MAT 520. Prerequisite: STA 215 or STA 270; or prerequisite for Corequisite: MAT 254 or 254H. Descriptive statistics, discrete and continuous probability distributions for one and two variables, functions of random variables, sampling distributions, expectations and generating functions. Credit will not be awarded to students who have credit for MAT 520.

STA 521 Mathematical Statistics II. (3) II. Prerequisite: MAT 239; MAT 520 or STA 520. A continuation of STA 520. Estimation theory, hypothesis testing, linear regression, analysis of variance, and allied topics.

STA 570 Quality Control & Reliability. (3) A. Prerequisites: Senior standing, MAT 234 or 234H, and STA 340. Analysis of six sigma techniques, statistical analysis of process capability, statistical process control using control charts, quality improvement, acceptance sampling, and an introduction to product reliability.

STA 575 Statistical Methods Using SAS. (3) A. Prerequisite: STA 270; or STA 215 (with a minimum grade of B), and one of the following: MAT 112 or 112B or higher with a grade of C or better, a minimum score of 23 on the mathematics portion of the ACT, or a minimum score of 500 on the mathematics portion of the SAT, or departmental approval. Simple, efficient sampling techniques, statistical analysis of process capability, statistical process control using control charts, quality improvement, acceptance sampling, and an introduction to product reliability.

STA 580 R and Introductory Data Mining. (3) A. Prerequisite: STA 270 or STA 215 with a minimum grade of “B.” MAT 234 or 234H, and CSC 160 or 174 or 177 or 190. Data set manipulation, application of statistical techniques in R, statistical programming, and data mining skills.

STA 585 Experimental Design. (3) A. Prerequisite: STA 270 or departmental approval. Completely randomized designs, factorial experiments, multiple comparisons, model diagnostics, randomized blocks, Latin squares, fixed and random models, nested-factorial experiments, 2 factorial models, and split-plot designs. Emphasis on applications and use of statistical software.

SWK — Social Work

Dr. Paul Paolucci, Chair

Stephanie Adams, MSW, Director

SWK 100 Introduction to Food Benefits. (3)
A. Integration of basic knowledge and skills to process food benefit cases. Enrollment is restricted to Cabinet of Health and Family Services employees only. Registration through UTC only.

SWK 210 Introduction to Social Work. (3) I, II. Introduces philosophy, values, ethics, and processes of the social work profession; emphasizes the behavioral Generalist practice theory; areas of practice; and the role of the family and children.

SWK 310 Social Welfare Policy History. (3) I, II. Prerequisite: ENG 102 or 102R or ENG 105(B) or HON 102. History of social welfare policy; its role and relationship with other social institutions; structure and function of U.S. system compared to other national systems; inequitable distribution of resources; and its contribution to an oppressive environment. Credit will not be awarded to students who have credit for SWK 310W.

SWK 310W Social Welfare Policy History. (3) I, II. Prerequisite: ENG 102 or 102R or ENG 105(B) or HON 102. History of social welfare policy; its role and relationship with other social institutions, structures and functions, and comparison with other national systems; inequitable distribution of resources; and its contribution to an oppressive environment. Credit will not be awarded to students who have credit for SWK 310.

SWK 335 Human Behavior/ Social Environment II. (3) I, II. Prerequisite: SWK 210. Prerequisite or corequisite: SWK 225. Examination and application of theories of community, organizational and group behavior. Critical analysis of the social, economic and political forces and institutions that impact human behavior.

SWK 340 Social Work Research Methods. (3) I, II. Prerequisite: SWK 310. Prerequisite or corequisite: SWK 390 and SOC 232. The course teaches application of both qualitative and quantitative research methods within the context of social work practice.

SWK 344 Stress Management & Self-Care (3) I, II. Prerequisite: ENG 102R or ENG 105(B) or HON 102. Introduction to the science of stress and stress management focusing on developing lifetime habits of wellness and self-care for the helping professions. Major focus on experiential, evidence-based stress management exercises.

SWK 354 Social Work Practice Methods. (3) I, II. Corequisite: SWK 350. Focuses on interactive activities and exercises that foster the development of interviewing skills, data collection, and synthesis, assessment, service contracting and use of relationship skills.

SWK 355 Social Work Practice II. (3) I, II. Prerequisite: SWK 335, 350, and SWK 354. Addresses the social work process with groups and families with a focus on assessments, intervention, implementation, and evaluation of practice strategies. Facilitation of psychoeducational groups to practice group work skills.

SWK 356 Social Work Practice III. (3) A. Prerequisite: Admiss to the Public Child Welfare Certification Program (PCWCP) and departmental approval. Knowledge base for identification, risk determination and psycho-social assessment of child abuse, neglect and dependency situations. Explores service delivery, role of the court, and the impact of cultural and institutional violence. Required course for PCWCP.

SWK 360 Social Work Practice Practicum. (3) I, II. Prerequisite: SWK 335 and SWK 350. Prerequisite or corequisite: SWK 390. Social Work process and skills applied to assessment and intervention with networks, organizations, and communities. Emphasis on community research; program development and evaluation; grantmanship; strategies to advance social justice and address cultural violence.

SWK 365 Crisis Intervention I. (3) I, II. Prerequisite: ENG 102 or 102R or ENG 105(B) or HON 102. This course will examine current theories pertaining to crisis intervention, assessment strategies, key public policy issues, and the treatment system. This course uses on-line discussion, presentations, and videos to facilitate learning.

SWK 390 Field Experience in a Social Agency. (3) I, II. Prerequisites: SWK 350 and SWK 354 and overall GPA 2.5 or above. Corequisite: Personal Liability Insurance. A total of 112 hours spread over the semester in an agency, or community program, approved by Field Education Coordinator plus a weekly seminar is required. Application must be made through Field Education Coordinator the semester preceding placement. Social Work majors only.

SWK 410 Social Welfare Policy Practice. (3) I, II. Prerequisite: SWK 310 or SWK 310W. Dynamics of policy implementation at administrative, judicial, and legislative levels: policy analysis, formulation, modification, and evaluation; focus on policies that contribute to social inequality and policies that foster the creation, enhancement, or promotion of violence.

SWK 440 Addictions. (3) I, II. Prerequisites: Junior or Senior standing. Open to all majors. This course will examine how to assess, intervene, and treat individuals, families, and groups with substance abuse and other addictions. The course will examine addictions from a strengths perspective.

SWK 450 Child Abuse Interventions. (3) A. Prerequisite: SWK 338 and admission to Public Child Welfare Certification Program (PCWCP). Development of assessment, intervention, and prevention skills in child abuse and neglect. Focus is on public agency involvement. Required course for PCWCP.

SWK 455 Selected Topics in Social Work. (3) A. Prerequisite: departmental approval. Recommended Junior or Senior standing. Open to all Majors. Course content will be determined by interest, and developments in the profession. May be retaken to a maximum of nine hours.

SWK 456 Children's Services. (3) A. Prerequisite: instructor approval. Critical appraisal of societal values of priorities underlying children to services. Examines range of services and skills used in social work practice with children; understanding psycho-social needs of children.

SWK 457 Assessing Needs of Older Adults. (3) A. Examines societal values relating to the elderly; psycho-social needs of the elderly; community-based and institutional services; and dynamics of working with the elderly and their families. Open to all majors.

SWK 490 Social Work Practicum. (12) I, II. Prerequisites: Overall GPA of 2.5 and completion of all corequisites. Prerequisite or corequisite: SWK 310. Corequisite: Personal Liability Insurance. Supervised practice in a social agency approved by Field Education Coordinator. A total of 384 hours over the course of the semester plus a weekly seminar is required. Application must be made through Field Education Coordinator the semester preceding placement. Social Work majors only.

SWK 495 Independent Study in Social Work. (1-6) A. Student must consult with the faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours.

SWK 499 Directed Research in Social Work. (3) A. Prerequisite: Departmental approval. A directed research experience for social work majors that integrates a research experience with the students’ professional development and the production of a substantive deliverable product (e.g., poster or conference presentation).

TEC—Technology

Dr. Tim Ross, Chair

TEC 102 Technology and Society. (3) I, II. The role of technology in society and its consequences for a technologically literate citizen. Perspectives, theories, issues, concerns, and facts to support the recognition of the forces and consequences of technological change. Evolution and current trends of diverse technologies.

TEC 141 Elementary Woodworking. (3) I, II. Basic instruction in the use of common hand tools, basic machine operations, problems in furniture construction, related technical information, and finishing materials and methods. Not open to students majoring in a program within the department.

2 Lec/2 Lab.

TEC 161 Computer Applications in Technology. (3) I, II. A survey of computer systems and software applications currently in use in technology related fields. 2 Lec/2 Lab.

TEC 190 Technical Graphics. (3) I, II. Shape and size description of objects using conventional projection techniques—multiview, axonometric, oblique, and perspective. Emphasis is placed on sketching with paper and pencil and with computers. 2 Lec/2 Lab.

TEC 303 Problem Solving and Engineering Design. (3) A. Prerequisites: TEC 190 or departmental approval. Application of the principles of engineering design related to various media: emphasis on experimentation and problem solving in development and construction of engineering design solutions. 2 Lec/2 Lab.

TEC 305 Creative Problem Solving. (3) I. Prerequisite: CRE 101 or departmental approval. A review and analysis of basic and applied research in the development of creative behavior with emphasis on its application to methods and techniques used in creative problem solving in personal/professional settings.

TEC 314 Engineering in Classroom Context. (3) I, II. Cross listed as EDC 314. Prerequisites: Admission to professional education or departmental approval. Introduction of engineering and technology to promote problem solving skills, tool use, materials processing, design capabilities, and product completion. Applications for K-8 classrooms are emphasized. Credit will not be awarded to students who have credit for EDC 314.

TEC 322 Crafts for Children. (3) I, II. Introduction to various craft media and their application in recreational elementary crafts programs. Emphasis on activities appropriate for children and the use of inexpensive and readily available materials. 2 Lec/3 Lab.

TEC 332 Product Design. (3) I, II. Prerequisite: TEC 391. Elements of product design as it relates to materials, such as woods, metals, and plastics. Emphasis placed on experimentation and problem solving in developing design solutions, detailed drawings, and illustrations and the presentation of design ideas. 2 Lec/2 Lab.

TEC 333 Special Problems in Technology. (1-6) A. An independent study course for exceptional undergraduate students. A study proposal will be developed by the student and approved by the faculty supervisor and department chair prior to enrollment. May be retaken provided the topic of study is different. 2 Lec/2 Lab.

TEC 349 Applied Learning in Technology. (1-6) A. An independent study course for exceptional undergraduate students. A study proposal will be developed by the student and approved by the faculty supervisor and department chair prior to enrollment. May be retaken provided the topic of study is different. 1-6 Lec/2 Lab.

TEC 349 A-N Cooperative Study: Technology. (5-8) I, II. Prerequisite: departmental approval. A directed research experience for social work majors that integrates a research experience with the students’ professional development and the production of a substantive deliverable product (e.g., poster or conference presentation).
Prerequisite: Basic theory and speech production; Designed to develop in students the necessary

Course Descriptions
Section Seven - Course Descriptions
THE 100 Introduction to the Theatre. (3) I, II. Understanding and appreciating the arts of the
theatrical, development of dramatic forms and practices, composition of the elements of contemporary theatrical
THE 110 Stagecraft. (3) II. Problems of stagecraft dealing with the scenic process—use of
materials, construction and handling of scenery—and basic stage electricity. Lecture and lab.
THE 130 Theatre Arts Practicum I. (1) A. Study and practice of theatre design, technical production, and event through participation in
departmental productions. May be retaken to a maximum of six hours.
THE 135 Acting I. (3) I, II. Investigation and practice of the fundamentals in the acting process. Course work will include physical and mental preparation for the actor, improvisation, and beginning scene work. Gen. Ed. E-3[A][AH].
THE 150 Improvement of Voice and Articulation. (3) A. Basic voice and speech production; phonetic and vocal drills for improvement of voice and
articulation; adapted to students' individual speech needs.
THE 200 Theatrical Makeup. (2) A. Techniques in application and design of stage makeup, costuming, and character
creation.
THE 210 Advanced Stagecraft. (3) A. Prerequisite: THE 110. A continuation of THE 110 with emphasis on lighting, sound, and properties.
THE 220 Costume Construction. (3) A. Study and practical experience in garment construction and
related costume crafts as usual in theatrical costume design. 2 Lec/2 Lab.
THE 235 Acting II. (3) I. Prerequisite: THE 135; THE 235 or departmental approval. An introduction to the
principles of play directing. Study of play selection and analysis, characterization, composition, blocking, and
casting and rehearsal procedures.
THE 348 Touring Showcase. (2) I. Creation, rehearsal and performance of theatre showcase for student recruitment in the region. Audition for
enrollment is required. May be retaken to a maximum of eight hours.
THE 349 A-N Cooperative Study: Theatre Arts. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.
THE 349 A-N Cooperative Study: Theatre Arts. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.
THE 385 Theatre Dance I. (3) I, II. Emphasis is placed on enhancing strength, coordination, and
control of the body as movement skills develop. Ensemble work, and fundamentals in ballet, jazz, partnering and musical theatre styles will be included. May be retaken to a maximum of six hours.
THE 390 Theatre History I. (3) I, II. Prerequisite: ENGL 105 or 102R, ENG 105 (B), or HON 102. Intensive examination of development of theatre from the Greeks to the French Renaissance. The historic origins of theatrical conventions will also be examined through attendance at live theatre and reading of
dramatic literature. Gen. Ed. E-3[A] or E-3B.
THE 391 Theatre History II. (3) II, A. Prerequisite: ENG 102 or 102R, ENG 105(B), or HON 102. Examination of the development of theatre and
dramatic literature from the English Restoration to the modern period. Experiences include attendance at live theatrical events and applying knowledge of historical periods to create aesthetic judgment. Gen. Ed. E-3[A] or E-3B.
THE 430 Dramatic Literature. (3) A. Cross-listed as ENG 430. Survey of the major periods and
generes of world dramatic literature, from the Greeks to the present; selected readings from the major playwrights, critics, and theorists. Credit will not be awarded for both THE 430 and ENG 430.
THE 490 Special Topics in Theatre Arts. (1-3) A. Presentation of course material of a timely, specialized or topical nature. Specific course orientation will appear before the title. May be retaken to a maximum of nine hours, if the subject matter is different.
THE 495 Senior Seminar (1) A. Majors with
senior standing only. A capstone experience in theatre. Synthesis of students' total theatre education as well as credits
earned and a professional resume and correspondence techniques.
THE 499 Independent Study in Theatre Arts. (1-3) I, II. Prerequisite: departmental approval. Independent study in theatre production and research. May be retaken to a maximum of six hours. Student must have the independent study proposal form approved by faculty supervisor and program coordinator prior to enrollment.
hours employment required for each semester hour credit. No more than 3 hours may count toward VTS program.

VTS 350 Special Topics: (3) A.

Prerequisite: VTS 200. Exploration of topics not covered in the existing VTS curriculum. May be taken for a maximum of six hours provided the subject matter is different each time.

VTS 400 Veterans Studies Capstone Seminar (3) A.

Prerequisites: VTS 200 and 12 hours of VTS. Instructive mentorship seminar incorporating research projects and findings. Independent research and study in an area related to veterans studies.

VTS 490 Independent Study: (1-3) A.

Prerequisite: VTS 200. A study of the issues of such programs.

VTS 490 Independent Study: (1-3) A.

Prerequisite: VTS 200. Cross-listed as ENG 366. A study of the issues of such programs. Offered with the approval of the Department of English.

VTS 500 Independent Study: (1-6) A.

Prerequisite: VTS 200. Participate in an approved educational experience at a foreign university. May earn up to 6 credit hours of foreign educational experience at this level provided course topic is not repeated.

VTS 501 Independent Study: (1-6) A.

Prerequisite: VTS 200. Participate in an approved educational experience at a foreign university. May earn up to 6 credit hours of foreign educational experience at this level provided course topic is not repeated.

VTS 502 Independent Study: (1-6) A.

Prerequisite: VTS 200. Participate in an approved educational experience at a foreign university. May earn up to 6 credit hours of foreign educational experience at this level provided course topic is not repeated.

VTS 503 Independent Study: (1-6) A.

Prerequisite: VTS 200. Participate in an approved educational experience at a foreign university. May earn up to 6 credit hours of foreign educational experience at this level provided course topic is not repeated.

VTS 504 Independent Study: (1-6) A.

Prerequisite: VTS 200. Participate in an approved educational experience at a foreign university. May earn up to 6 credit hours of foreign educational experience at this level provided course topic is not repeated.

VTS 505 Independent Study: (1-6) A.

Prerequisite: VTS 200. Participate in an approved educational experience at a foreign university. May earn up to 6 credit hours of foreign educational experience at this level provided course topic is not repeated.
such as Foucault, Butler, and Sedgwick; application of theoretical models to literary and cinematic texts. Credit will not be awarded to students who have credit for ENG 366. Gen. Ed. E-6.

WGS 380 Gender and Work in the U.S. (3) A. Cross-listed as OTS 380. Prerequisite: ENG 102 or 102R or 105(B) or HON 102 or departmental approval. A survey of occupational science and sociological constructs related to gendered work. Includes content on family-work linkages, gendered organizations, and public policies in the workplace. Credit will not be awarded to students who have credit for OTS 380, OTS 480, or WGS 480.

WGS 400 Feminist Theory and Practice. (3) A. Cross-listed with SJS 400. Prerequisite: WGS 201 or SJS 101, or departmental approval. Examines development of feminist theory and its implications for continuing feminist scholarship. Includes related research project in student’s major. Credit will not be awarded to students who have credit for SJS 400.

WGS 420 The Psychology of Women. (3) A. Cross-listed as PSY 420. Prerequisite: PSY 200. Psychological theory and research about important facets of girls’ and women’s lives from birth through old age. Credit will not be awarded for both WGS 420 and PSY 420.

WGS 495 Independent Study: Women and Gender Studies. (1-5) A. Prerequisite: approval of Director of Women and Gender Studies. Study of a special topic in Women and Gender Studies. Student must have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of ten hours.

WGS 591 Women’s Health. (3) A. Cross-listed as HEA 591/791. Analysis of the major health problems of contemporary women with a special emphasis on health promotion, disease prevention, and consumer health concerns. Credit will not be awarded for both WGS 591 and HEA 591/791.

WGS 592 Human Sexuality. (3) A. Cross-listed as HEA 592/792. Study of the biological, social, and psychological aspects of human sexuality. Directed primarily toward those individuals in situations which require them to assist others in understanding the broad impact of one’s sexuality. Emphasis is placed upon student development of logical and reasoned justifications for their own value system. Credit will not be awarded for both WGS 592 and HEA 592/792.

WGS 593 Death and Grief. (3) A. Cross-listed as HEA 593/793. A study of attitudes, behaviors, and issues concerning death and grief. Topics include responses to death and grief throughout the life cycle; process of grief and bereavement; theology and death; legal aspects of dying; care of the dying; suicide; post-mortem care; death education. Credit will not be awarded for both WGS 593 and HEA 593/793.

WLD - Wildlife Management
Dr. Malcolm Frisbie, Chair

WLD 317 Conservation of Wildlife Resources. (3) I, II. Cross-listed as ENV 317. Prerequisite: ENG 102 or 102R or 105(B) or HON 102. Introduction to the principles and practices of conservation of plants and animals; requirements and values of wildlife resources; impact of human activities on resources. May not be used to satisfy area, major, or minor requirements. Credit will not be awarded to students who have credit for ENV 317.

WLD 380 Wildlife Law & Law Enforcement. (3) A. Prerequisite: ENG 102 or 102R or 105(B) or HON 102. Discussion of pertinent state and federal wildlife laws and how law enforcement impacts wildlife management.

WLD 381 Principles of Wildlife Management. (3) I. Prerequisite or Corequisite: BIO 316 or departmental approval. Principles of wildlife management and their application to current management issues. Credit will not be awarded to students who have credit for BIO 381.

WLD 382 Wildlife Population Analysis. (4) I. Prerequisites or co-requisites: BIO 316, STA 215 or STA 270, and Wildlife Management major; or departmental approval. Quantitative population ecology of vertebrates, with a focus on sampling and analysis of field data applicable to wildlife conservation. Credit will not be awarded for both WLD 382 and WLD 382W. 2 Lec/4 Lab.

WLD 489W Wildlife Research and Writing. (3) I, II. Prerequisites: WLD 382; STA 215 or 270; junior or senior status; ENG 102 or 102R or ENG 105(B) or HON 102; and Wildlife Management major. Students will design and execute a research project. Emphasis placed on (a) writing a research proposal, and (b) writing a final project report in the format of a manuscript for publication. Credit will not be awarded to students who have credit for WLD 489.

WLD 583 Game Species Management. (3) A. Prerequisite or corequisite: Senior standing; WLD 381 (C or better) or departmental approval. Biology and ecology of the major game species found in North America with emphasis on current management practices and problems. Credit will not be awarded to students who have credit for BIO 598-799 Special Topics: Game Species Management.

WLD 584 Upland Wildlife Management. (4) A. Prerequisite: WLD 381 or departmental approval. Ecological principles and management strategies to preserve and enhance forest and grassland wildlife and their habitats. 2 Lec/4 Lab. Credit will not be awarded to students who have credit for BIO 584.

WLD 585 Wildlife Resource Policy and Administration. (3) A. Prerequisite or Corequisite: WLD 381 or departmental approval. Discussion of state, regional, national, and international policies and agencies which impact management of wildlife resources; with emphasis in North America. Credit will not be awarded to students who have credit for BIO 585.

WLD 586 Wetland Wildlife Management. (4) II. Prerequisite: BIO 316 and WLD 381; or departmental approval. Ecology and management of migratory and resident wetland wildlife populations and their habitats, with a focus on waterfowl. 2 Lec/4 Lab. Credit will not be awarded to students who have credit for BIO 586.

WLD 587 Urban Wildlife Management. (3) A. Prerequisites or Corequisites: BIO 316 and WLD 381; or departmental approval. The strategies employed to manage urban wildlife and prevent/control animal damage in North America will be discussed. Credit will not be awarded to students who have credit for BIO 587.

WLD 599 Topics in Wildlife Management. (1-6) A. Prerequisites: Senior Standing; BIO 316 (C or better), WLD 381 (C or better) and departmental approval. Special topics in wildlife management of current interest to faculty and students will be presented through lecture, discussion, and reports. May be retaken to a maximum of 6 hours, provided the subject matter differs each time.
ABNEY, MARJORIE, (2015), Lecturer, Accounting, Finance & Information Systems, MBA, Eastern Kentucky University; BBA, University of Kentucky

ADAMS-BLAIR, HEATHER, (2000), Professor, Exercise & Sport Science; EdD, University of Kentucky; MA, Eastern Kentucky University; BA, Transylvania University

ADAMS-JOHNSON, MELANIE, (2010), Associate Professor, Baccalaureate & Graduate Nursing; DNP, MSN, BSN, Eastern Kentucky University

ADAMS, STEPHANIE, (2016), Lecturer, Anthropology, Sociology & Social Work; MSW, University of Kentucky; BA, Auburn University

AFSAA-MOHALLATEE, DAVID, (2002), Professor, Art & Design; MFA, Temple University; BFA, Kutztown University

ALEXANDER, SHAWNE, (2008), Lecturer, English; MAT, MA, Eastern Kentucky University; BA, Berea College

ALLISON, JOSEPH, (1999), Professor, Music; PhD, MS, University of South Carolina; BS, East Tennessee State University

ALLISON, LEE, (2016), Assistant Professor, Management, Marketing, & International Business PhD, Oklahoma State University; BBA, MBA, University of Texas

ALTHAUSER, KRISTA, (2010), Professor, Curriculum & Instruction; EdD, EdS, MA, BA, Eastern Kentucky University

ALTHEIDE, STEVEN TRAVIS, (2015), Assistant Professor, Medical Laboratory Science; PhD, University of Arkansas; BS, Eastern Kentucky University; BS, Missouri Southern State University

ALVAREZ, JAVIER, (2017), Assistant Professor, Languages, Cultures, & Humanities; PhD, University of British Columbia; MA, University of Arkansas; BA, Universidad del Atlantico, Barranquilla

ANYANWU, NGOECHI, (2011), Professor, History, Philosophy, & Religious Studies; PhD, Bowling Green State University; MSC, BA, Ino State University

ARNESON, JENS, (2013), Assistant University Librarian; Libraries; MSLS, University of Kentucky; BA, University of Southern Indiana

ARNOLD, MELBA, (2017), Assistant Professor, Occupational Science & Occupational Therapy; PhD, Saint Louis University; MS, Boston University; BS, University of Louisiana

ASHBY, DOMINIC, (2014), Assistant Professor, English; PhD, Miami University; MA, West Virginia University; BA, West Virginia Wesleyan College

AUSTIN, MICHAEL, (2004), Professor, History, Philosophy, & Religious Studies; PhD, University of Colorado at Boulder; MA, Biola University; BA, Kansas State University

AWANG, FARIDAH, (2002), Professor, Management, Marketing & International Business; PhD, MS, BS, Southern Illinois University

BAGGETT, RYAN, (2011), Associate Professor, Safety & Security; EdD, MS, Eastern Kentucky University; BS, Murray State University

BALLARD, MICHAEL, (2002), Professor, Health Promotion & Administration; EdD, University of Tennessee; MAEd, BS, Eastern Kentucky University

BALLARD, MICHAEL B., (2017), Assistant Professor, American Sign Language & Interpreter Education; MA, Gonzaga University; BA, University of Colorado

BALTISBERGER, JULIE, (2005), Associate Professor, Occupational Science & Occupational Therapy; PhD, University of Kentucky; MS, Eastern Kentucky University; BA, University of California, Berkeley

BARNETT, DARRYL, (2001), Professor, Environmental Health Science; DNP, MPH, Oklahoma University Health Sciences Center; BS, East Tennessee State University

BARRACCA, STEVEN, (2005), Professor, Government; PhD, University of Texas at Austin; MA University of Miami; BS, State University of New York

BARTHEL, LAURA, (2012), Instructor, Accounting, Finance, & Information Systems; MS, University of Kentucky; BS, Eastern Kentucky University

BEATY, LEANN, (2008), Professor, Government; PhD, Northern Illinois University; MPA, Missouri State University; BA, Alaska Pacific University

BEDETTI, GABRIELLA, (1981), Associate Professor, English; PhD, MA, University of Iowa; BA, Bates College

BEIRNE, HEATHER, (2011), Associate University Librarian, Libraries; MSLS, University of Kentucky; BA, Transylvania University

BENSON, MICHAEL T., (2013), Professor, Government; DPhil, University of Oxford; MNA, University of Notre Dame; BA, Brigham Young University

BENTLEY, BROOKE, (2001), Associate Professor, Baccalaureate & Graduate Nursing; PhD, University of Kentucky; MSN, BSN, Eastern Kentucky University

BHANDARI, MICHELYN, (2004), Professor, Health Promotion & Administration; DrPH, University of Kentucky; MPH, BS, Western Kentucky University

BISHOP-ROSS, RACHEL, (2013), Assistant Professor, Mathematics & Statistics; PhD, MA, BS, University of Alabama

BLACK, PAMELA, (2000), Associate Professor, Anthropology, Sociology & Social Work; MSW, University of Kentucky; BS, Eastern Kentucky University

BLACKBURN, TEENA, (2016), Lecturer, History, Philosophy, & Religious Studies; MA, Franciscan University of Steubenville; BA, Morehead State University; BA, Pikeville College

BLAIR, EARL, (2014), Associate Professor, Safety & Security; EdD, University of Kentucky; MS, West Virginia University; BA, Asbury College

BLAIR, JAMES, (2018), Instructor, Marketing, Management, & International Business; MBA, University of Dayton; BA, BA, Ohio University

BLAKEMAN, JENNIFER, (2016), Instructor, Model Laboratory School; MA, Eastern Kentucky University; BS, University of Kentucky

BLAKEY, APRIL, (2010), Associate Professor, Curriculum & Instruction; EdD, MAT, BS, East Tennessee State University

BLANK, KENNETH, (2011), Senior Lecturer, Biological Sciences; PhD, MS, University of Kentucky; BS, Eastern Kentucky University

BLAYLOCK, DAVID, (1993), Associate Professor, History, Philosophy, & Religious Studies; PhD, Ohio State University; MA, Washington University in St. Louis; BA, University of North Carolina at Greensboro

BLEVINS, KRISTIE R., (2011), Professor, Justice Studies; PhD, University of Cincinnati; MA, BS, East Tennessee State University

BLOSE, ANTHONY, (2013), Professor, Physics & Astronomy; PhD, MS, University of North Carolina at Chapel Hill; BS, Manhattan College

BOROWSKI, WALTER, (2001), Professor, Geosciences; PhD, University of North Carolina at Chapel Hill; MS, University of Tennessee; BA, Case Western Reserve University

BOSLEY, LISA, (2004), Associate Professor, English; EdD, University of Kentucky; MA, University of Chicago; BA, Centre College

BOTTIS, THERESA, (1989), Assistant Professor, Psychology; PhD, University of Kentucky; MS, BS, Eastern Kentucky University

BOUTIN, PHILIP, (2013), Assistant Professor, Management, Marketing & International Business; PhD, University of Tennessee; MBA, MS, Southern New Hampshire University; BA, University of New Hampshire

BOWEN, BRYAN, (2014), ASL Specialist III, American Sign Language & Interpreter Education; BS, University of Louisville; AA, Jefferson Community & Technical College

BOWES, JOHN, (2006), Professor, History, Philosophy, & Religious Studies; PhD, MA, University of California, Los Angeles; BA, Yale University

BOZEMAN, LINDA, (2001), ASL Specialist, American Sign Language & Interpreter Education; BSW, Eastern Kentucky University

BRACCA, AMY, (2010), Associate Professor, Biological Sciences; PhD, BS, Virginia Tech; MS, University of Georgia

BRADLEY, MICHAEL, (2012), Associate Professor, Recreation & Park Administration; PhD, BS, Bowling Green State University; MA, Eastern Kentucky University

BRADSHAW-ADRIAN, MOLLY, (2017), Associate Professor, Baccalaureate & Graduate Nursing; DNP, Rutgers School of Nursing; MSN, University of Kentucky; BSN, ASN, Eastern Kentucky University

BRAGG, CINDY, (2016), Lecturer, Computer Science; MS, Boston University; BS, University of Kentucky

BRAHMANI, RAMANAND, (2001), Associate Professor, Psychology; PhD, University of Kentucky

BRENKEN, JOHN, (2017), Assistant Professor, Justice Studies; PhD, University of Colorado; MA, Eastern Kentucky University; BA, Northern Kentucky University

BREWER, KRISTEN, (2011), Assistant Professor, Management, Marketing & International Business; PhD, Louisiana Tech University; MBA,
BRISON, AVL, (2012), Associate Professor, Justice Studies; PhD, MA, Emory University; JD, University of Connecticut School of Law; MFA, Pratt Institute; BA, Oberlin College

BROCATO, JENNIFER, (2011), Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, BSN, ADN, Eastern Kentucky University

BROCK, MARTIN, (1990), Associate Professor, Chemistry; PhD, University of Illinois at Urbana-Champaign; BA, University of California, San Diego

BROWN, AMANDA, (2018), Lecturer, Safety & Security; MPH, University of Alabama; BS, Eastern Kentucky University; AS, AA, Hopkinsville Community College

BROWN, DAVID, (2008), Associate Professor, Biological Sciences; PhD, Tulane University; MS, Southeastern Louisiana University; BA, University of Colorado

BROWN, DONALD GARY, (2001), Associate Professor, Environmental Health Science; DrPH, University of Alabama at Birmingham; MS, Hunter College; BA, State University of New York at Buffalo

BRUBAKER, ROBERT, (1984), Foundation Professor, Psychology; PhD, University of South Florida; MA, Indiana State University; BA, Oklahoma City University

BRYDEN, PHYLIS, (2007), Professor, Health Promotion & Administration; DrPH, MSPH, BS, AAS, University of Kentucky

BUCK, ALISON, (2018), Assistant Professor, Anthropology, Sociology, & Social Work; PhD, MS, North Carolina State University; BA, Guilford College

BUCKNAM, JULIE, (1995), Professor, Curriculum & Instruction; EdD, University of Kentucky; MA, BA, Eastern Kentucky University

BUDANO, CHRISTOPHER, (2018), Instructor, Model Laboratory School; PhD, University of Maryland, MS, University of Pennsylvania; BA, The University of Scranton

BUNDY, MYRA, (1996), Professor, Psychology; PhD, University of South Carolina; BA, Transylvania University

BURRE-BREWER, KINDELL, (2006), Assistant Professor, Model Laboratory School; MA, Union College; BA, University of the Cumberlands

BURNS, STELLA ANN, (2014), Assistant Professor, Educational Leadership, Counselor Education, and Communication Disorders, EdD, MA, BS, Eastern Kentucky University

BURUS, JUSTIN, (2015), Lecturer, Mathematics & Statistics; MDiv, Southern Baptist Theological Seminary; MM, BS, University of Kentucky

BUSH, DANA, (1998), Associate Professor, Family & Consumer Sciences; PhD, MS, University of Kentucky; BS, Eastern Kentucky University

BUSKIRK, ROBERT D., (1992), Assistant Professor, Mathematics & Statistics; PhD, MA, University of Kentucky; BA, West Virginia University

BUTLER, THOMAS, (2006), Professor, English; PhD, MA, University of Notre Dame; MA, University College Dublin; MA, Katholieke Universiteit Leuven; BA, Loyola College Maryland

BYRD, RICHARD, (2007), Professor, Music; PhD, MM, University of Kentucky; BM, DePauw University

BYRD, SUZANNE, (1991), Associate Professor, Biological Sciences; PhD, BS, University of South Alabama; BS, Austin Peay State University

CALDERON, LINDSAY, (2013), Associate Professor, Biological Sciences; PhD, BS, University of Kentucky

CALDWell, KELLY, (2016), Instructor, Model Laboratory School; MAEd, Western Kentucky University; BA, Morehead State University

CALIF, PATRICK J., (1992), Professor, Biological Sciences; PhD, MS, University of Tennessee; BA, Rutgers University

CALLAHAN, ANN, (2017), Associate Professor, Anthropology, Sociology, & Social Work; PhD, MS, BA, University of Pennsylvania

CAMPBELL, GLENN, (2006), Senior Lecturer, Geosciences; MPA, Eastern Kentucky; MA, Marshall University; BA, University of Kentucky

CARMAN, KELLI, (1993), Professor, Anthropology, Sociology & Social Work; PhD, University of Pittsburgh; BA, University of Victoria, British Columbia

CARNES, LANA, (1998), Professor, Management, Marketing & International Business; EdD University of Kentucky; MS, BS Eastern Kentucky University

CARPENTER, RUSSELL, (2009), Associate Professor, English; PhD, MA, BA, University of Central Florida

CARRICO, CHERYL, (2018), Assistant Professor, Occupational Science & Occupational Therapy; MS, Eastern Kentucky University; BA, David Lipscomb University

CARUCCl, CHRISTINE PRZYBYCIENi, (2011), Associate Professor, Music; PhD, University of Kentucky; MM, University of Southern California; BM, Eastern School of Music

CARUCCI, JOSEPH, (2015), Assistant Professor, Music; PhD, MM, University of Kentucky; BM, Eastern School of Music

CAUDILL, BRENDAA, (2015), Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, BSN, University of Kentucky

CAUSEY-UPTON, KRISTEN, (2013), Assistant Professor, Occupational Science & Occupational Therapy; OTD, Chatham University; MS, BS, Eastern Kentucky University

CAYNIES, TYLER, (2009), Lecturer, Management, Marketing & International Business; MBA, Eastern Kentucky University; BS, Methodist University

CHANDRA, VIGYAN, (2002), Professor, Applied Engineering & Technology; PhD, MS, MS, University of Kentucky; MS, Eastern Kentucky University; BS, Birla Institute of Technology

CHANG, KUANG-NAN, (2002), Professor, Computer Science; PhD, MS, BS, University of Texas, Arlington; BS, Feng-Chia University

CHATLAIN, AMBER, (2015), Assistant Professor, Family & Consumer Sciences; EdD, Argosy University MA. BS, University of Kentucky

CHEN, MICHAEL, (2016), Assistant Professor, Psychology; PhD, MS, University of Kentucky; BA, Berea College

CHRISTENSEN, BURKE, (2006), Professor, Accounting, Finance & Information Systems; JD, University of Utah; BS, Utah State University

CHRISTENSEN, JENNIFER, (2012), Associate Professor, Curriculum & Instruction; PhD, MAEd, University of North Texas; BA, Angelo State University

CHRISTOPHER, KARINA, (2012), Assistant Professor, Family & Consumer Sciences; PhD, University of Kentucky; MS, Eastern Kentucky University; BS, Northwest Missouri State University

CIOCCA, MARCO, (1999), Professor, Physics & Astronomy; PhD, Washington University; MS, BS, University of Naples

CIZMAR, ANNE, (2011), Associate Professor, Government; PhD, University of Maryland; MA, BA, University of Akron

CLARK, ANGELA, (2013), Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, BSN, University of Kentucky

CLARKE, LAURA, (2014), Associate Professor, Curriculum & Instruction; BA, MAEd, Northern Kentucky University; EdD, University of Cincinnati

CLEMENTS, MARY, Professor, Baccalaureate & Graduate Nursing; EdD, MSN, Spalding University; BSN, University of Kentucky; ASN, Eastern Kentucky University

CLEVELAND, ROGER C., (2011), Associate Professor, Educational Leadership, Counselor Education, & Communication Disorders; EdD, University of Cincinnati; MA, Union College; BA, Morehead State University

CLIFT, SHAWN, (2010), Lecturer, Mathematics & Statistics; PhD, University of Kentucky; BS, Eastern Kentucky University

COBB, BONITA, (2017), Instructor, Model Laboratory School; DRE, Covington Theological Seminary; MS, University of Tennessee; BS, Union University

COEN, PATRICK, (2006), Senior Lecturer, Mathematics & Statistics; MS, BA, West Virginia University

COFFEY, DAVID, (2015), Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, BSN, BA, University of Kentucky; ADN, Somerset Community College

COGDILL, CHAD, (2007), Associate Professor, Communication; MFA, Savannah College of Art & Design; BS, Missouri Western State University

COLE, ASHLEY, (2012), Associate University Librarian, Libraries; MLIS, University of Kentucky; BA, Eastern Kentucky University

COLEMAN, DAVID, (1998), Professor, History, Philosophy, & Religious Studies; PhD, AM, University of Illinois at Urbana-Champaign; BA, Emory University

COLLIER, AMANDA, (2012), Instructor, Model Laboratory School; MA, University of Kentucky; BS, Eastern Kentucky University

COLLINS, VICTORIA, (2013), Associate Professor, Justice Studies; PhD, MA, BS, Old Dominion University; LLB, Open University

CONNEL, ALISON, (2007), Associate Professor, Baccalaureate & Graduate Nursing; PhD, MSN, University of Kentucky; BSN, ASN, Uni-
versity of Nebraska

CONSTANTINE, JOSEPH, (2016), Assistant Professor, Educational Leadership, Counselor Education, & Communication Disorders; PhD, BS, BA, University of South Florida

CORMIER, JOEL, (2012). Associate Professor, Exercise & Sport Science; PhD, University of New Mexico; MA, Central Michigan University; BPE, University of New Brunswick

CORN, LISA, (1993), Assistant Professor, Model Laboratory School; MA, BS Eastern Kentucky University

CORNELISON, JILL, (2013), Associate Professor, Baccalaureate & Graduate Nursing; DNP, Eastern Kentucky University; MSN, ASN, University of Kentucky

CORNETTE, MARK, (1998), Assistant Professor, Model Laboratory School; MA, BS, Eastern Kentucky University

CORTES-CASTANEDA, MANUEL, (1992), Associate Professor, Languages, Cultures, & Humanities; MA, Universidad Complutense de Madrid; BA, Universidad Nacional Pedagógica

COUTURE, JACKIE, (2014), Assistant University Librarian; Libraries; MLS, University; BS, Eastern Kentucky University

COUVILLON, THOMAS, (2006), Professor, Music; PhD, MM, Louisiana State University; BM, Loyola University

CREECH, KIMBERLY, (2006), Associate Professor, English; MAEd, BS, Eastern Kentucky University; BA, Northern Kentucky University

CROPPER, MATTHEW, (2000), Professor, Mathematics & Statistics; PhD, MS, West Virginia University; BS, Northern Kentucky University

CROSBY, RICHARD, (1986), Foundation Professor, Music; DMA, MM, BM, University of Cincinnati

CROUCH, LAWRENCE, (2014), Assistant Professor, Educational Leadership, Counselor Education, & Communication Disorders; PhD, Southern Illinois University; MA, Ball State University; BA, North Central College

CROWLEY, GORDON, (2007), Senior Lecturer, Management, Marketing, & International Business; MBA, BBA, Eastern Kentucky University

CUMISKY, KEVIN, (2018), Visiting Instructor, Management, Marketing, & International Business; MBA, Kansas State University; BBA, Pittsburg State University

CUSTER, MELBA, (2007), Associate Professor, Occupational Science & Occupational Therapy; PhD, BS, University of Kentucky; MS, Eastern Kentucky University

DANTIC, JAMES, (1997), Assistant Professor, Curriculum & Instruction; EdD, Eastern Kentucky University; MA, University of Kentucky; BA, Centre College

DARVILLE, SILA, (2018), Lecturer, Music; DMA, Texas Tech University; MM, University of Minnesota; BS, Minmar School of Fine Arts University State; Conservatory

DASARI, RADHIKA, (2015), Assistant Professor, Chemistry; PhD, MS, University of Louisville; BS, Kakinah University

DAVIS, BARBARA, (2006), Senior Lecturer, Biological Sciences; DVM, Aubur University; MPH, Uniformed Services University of the Health Sciences; BS, Eastern Kentucky University; AA, Sue Bennett College

DAVIS, DENNIS, (2006), Professor, Music; PhD, BM, BA, University of Kentucky; MM, University of Louisville

DAVIS, NANCY, (1992), Associate Professor, Fire Protection & Paramedicine Sciences; MS, Bellarmine College; BS, University of Kentucky

DAVIS, WILLIAM E., (1979), Professor, Applied Engineering & Technology; EdD, University of Cincinnati; MS, MA, BS, Eastern Kentucky University

DAY, LISA, (2001), Associate Professor, English; PhD, Southern Illinois University at Carbondale; MA, BA, Western Kentucky University

DAY, RICHARD, (2007), Professor, Curriculum & Instruction; EdD, BA, University of Kentucky; MAEd, Xavier University

DEDIC, LAURA, (2016), Instructor, Model Laboratory School; MA, BS, Eastern Kentucky University

DENT, DELINDA, (2002), Associate Professor, Curriculum & Instruction; EdD, MAEd, Texas Woman’s University; BS, North Texas University

DENTON, JOSEPH, (2018), Visiting Assistant Professor, Government; PhD, Mississippi State University; MPA, East Tennessee State University; BA, The University of Tennessee; AS, Tennessee Technology Center

DETERS, NOLA FAYE, (2001), Professor, Curriculum & Instruction; EdD, University of Kentucky; MAEd, Morehead State University; BA, Alice Lloyd College

DEWHERST, CHRISTINA, (2007), Senior Lecturer, Justice Studies; JD, Antioch School of Law; BS, State University College at Buffalo

DICKSON, FRAN, (2014), Professor, Communication, PhD, Bowling Green State University; MA, West Virginia University; BA, State University College of New York at Buffalo

DIECKMANN, MELISSA, (1999), Professor, Geosciences; PhD, University of Notre Dame; BA, DePauw University

DODD, LUKE, (2014), Associate Professor, Biological Sciences; PhD, MS, University of Kentucky; BS, Arkansas Tech University

DOMENGHINI, JACOB, (2014), Assistant Professor, Agriculture; PhD, Kansas State University; MS, BS, California Polytechnic State University; AS, Modesto Junior College

DOTSON, RONALD G., (2008), Associate Professor, Safety & Security; EdD, MS, Eastern Kentucky University; BA, Marshall University

DUNLAP, SCOTTY, (2009), Associate Professor, Safety & Security; EdD, University of Memphis; MS, Eastern Kentucky University; BA, Tennessee Temple University

DUPONT, CAROLYN, (2004), Associate Professor, History, Philosophy, & Religious Studies; PhD, MA, BA, University of Kentucky

DUTTON, RODNEY, (2016), Instructor, Model Laboratory School; MED, Marymount University; BS, Alice Lloyd College

DYER, BRYAN D., (2009), Associate Professor, Applied Engineering & Technology; PhD, MS, BS, University of Kentucky

EASTERLING, JAMES, (2014), Lecturer, Management, Marketing, & International Business; MPS, The Pennsylvania State University; MBA, BBA, Eastern Kentucky University

EDWARDS, CATHERINE, (2010), Assistant Professor, Baccalaureate & Graduate Nursing; MSN, BSN, Eastern Kentucky University

EDWARDS, KAREN, (2015), Instructor, Model Laboratory School; MA, University of New Mexico; BA, Lawrence University

EDWARDS, LAURA J., (2008), Associate University Librarian, Libraries; MLIS, University of Kentucky; BA, Asbury College

EL-AMOURI, ISMAIL, (2011), Associate Professor, Medical Laboratory Science; ScD/DSc, BS, University of Kentucky

ELIASSEN, ERIN, (2003), Associate Professor, Family & Consumer Sciences; EdD, University of Kentucky; MS, BS, Eastern Kentucky University

ELLIOTT, CHARLES, (1985), Foundation Professor, Biological Sciences; PhD, University of Alaska Fairbanks; MS, Brigham Young University; BS, University of Idaho; BS, Frostburg State College

ELLIS, AMANDA, (2017), Assistant Professor, Mathematics & Statistics; BS, MS, University of Kentucky

ELLIS, KELLIE, (2011), Associate Professor, Educational Leadership, Counselor Education, & Communication Disorders; PhD, University of Kentucky; MA, University of Cincinnati; BS, Eastern Kentucky University

EMBASSA, AHMED, (2014), Assistant Professor, Accounting, Finance, & Information Systems; PhD, University of Memphis; MSc, University of Plymouth; BSc, University of Mansoura

EMMANUEL, MARY, (2017), Visiting Instructor, Model Laboratory School; MA, Eastern Kentucky University; BA, Transylvania University

EMBURY, DUSTY, (2010), Associate Professor, Curriculum & Instruction; EdD, University of Cincinnati; MA, Lexington Theological Seminary; BA, Eastern Kentucky University

ENDINO, JON, (2011), Assistant Professor, Anthropology, Sociology & Social Work; PhD, MA, University of Florida; BA, University of South Florida; AA, Central Florida Community College

ENDSLEY, ABRA, (2014), Lecturer, Communication; MA, BA, University of Kentucky

ENGBRESTON, KEN, (2012), Associate Professor, Educational Leadership, Counselor Education, & Communication Disorders; PhD, Auburn University; MS, University of Dayton; BA, Wright State University

ENGLE, ALLEN D., SR., (1989), Foundation Professor, Management, Marketing & International Business; DBA, University of Kentucky; MBA, BBA, Eastern Kentucky University

ENGSTROM, GREG, (2001), Assistant University Librarian, Libraries; PhD, Kent State University; MLS, San Jose State University; MA, California State University, Long Beach; BA, California State University, Fullerton

ENZ, DANIEL, (2018), Assistant Professor, Applied Engineering & Technology; PhD, Iowa State University; MS, University of Minnesota; BS, University of Wisconsin

ERKESON, THOMAS, (2014), Professor, Applied Engineering & Technology; EdD, MEd, University of Illinois, Urbana-Champaign; BS,
Northern Illinois University

ESER, ZEKERIYA, (2006), Associate Professor, Accounting, Finance & Information Systems; PhD, University of Kentucky; MA, Boston College; BA, Biophysics University

EVANS, SHARON, (1999), Assistant Professor, Baccalaureate & Graduate Nursing; MSN, BSN, Radford University

FAIR, GINNI, (2001), Professor, Curriculum & Instruction; EdD, University of Kentucky; MA, BS, Eastern Kentucky University

FAIR, KATHERINE, (2012), Lecturer, Mathematics & Statistics; MS, BS, Michigan State University

FAIRCCHILD, JENNIFER, (2007), Associate Professor, Communication; PhD, MA, University of Kentucky; BA, Georgetown College

FELTUS, OLIVER, (1991), Associate Professor, Accounting, Finance & Information Systems; PhD, University of Alabama; MS, BBA, Memphis State University

FELTUS, SARAH, (2015), Lecturer, Accounting, Finance & Information Systems; BA, University of Kentucky; MBA, Eastern Kentucky University

FERRELL, GREGORY, (2002), Senior Lecturer, Studies; PhD, Indiana University of Pennsylvania; MS, Eastern Kentucky University; BA, Marshall University

FIELD, DENNIS, (2004), Professor, Applied Engineering & Technology; PhD, MS, BS, Iowa State University; MBA, Southern Methodist University

FIELDS, CHARLES B., (1997), Professor, Justice Studies; PhD, Sam Houston State University; MA, BA, Appalachian State University

FIFER, DAVID, (2015), Lecturer, Fire Protection & Paramedicine Sciences; MS, BA, Eastern Kentucky University

FINLEY, BETH POLIN, (2013), Assistant Professor, Management, Marketing & International Business; PhD, Ohio State University; BA, DePauw University

FITCH, JOHN, (2005), Professor, Communication; PhD, University of Kentucky; MFA, Savannah College of Art & Design; BA, Ashbury College

FLEISCHER, ANNE, (2015), Associate Professor, Occupational Science & Occupational Therapy; PhD, Nova Southeastern University; MPH, University of North Carolina, Chapel Hill; BS, University of Missouri-Columbia

FLORELL, DAN, (2000), Associate Professor, Psychology; PhD, Illinois State University; BS, Carroll College

FORDE, TIMOTHY, (2011), Associate Professor, Curriculum & Instruction; PhD, Vanderbilt University; MPH, University of Alabama at Birmingham; BS, Oakwood University

FOSTER, CHAD, (2014), Assistant Professor, Safety & Security; PhD, MPA, University of Louisville; BS, United States Military Academy

FOX, HEATHER, (2018), Assistant Professor, English; PhD, University of South Florida; MA, Virginia Commonwealth University; MA, BA, Mary Baldwin College

FRANCE, WANDA, (2017), Assistant Professor, Baccalaureate & Graduate Nursing; MSN, BSN, Eastern Kentucky University

FRAZER, CYNTHIA, (2008), Professor, Associate Degree Nursing; MS, University of North Dakota; BSN, University of Northern Colorado

FREDERICKS, JAMIE, (2014), Assistant Professor, Chemistry; PhD, Cranfield University; MSc, The University of Central Lancashire; BSc, The University of Bath

FREED, BENJAMIN, (2008), Assistant Professor, Anthropology, Sociology & Social Work; PhD, MA, Washington University; BS, Duke University

FRISBIE, MALCOLM, (1987), Professor, Biological Sciences; PhD, Pennsylvania State University; BA, Williams College

FROZENA, MARGARET, (2014), Lecturer, English; MFA, School of the Art Institute of Chicago; BA, University of Wisconsin

FUCHS, ERIC, (2005), Professor, Exercise & Sport Science; DA, Middle Tennessee State University; MA, San Jose State University; BS, Ohio University

FULKS, JILL, (2016), Instructor, Model Laboratory School; MA, BS, Eastern Kentucky University

GANNOE, LISA, (2008), Associate Professor, Family & Consumer Sciences; EdD, MA, Eastern Kentucky University; BS, University of Kentucky

GAO, PEI, (2012), Assistant Professor, Chemistry; PhD, University of Kentucky; MS, Wuhan University; BS, Zhengzhou University

GAO, SIWEI, (2013), Associate Professor, Accounting, Finance & Information Systems; PhD, Temple University; BA, Shanghai University of Finance & Economics

GARDNER, BETINA, (2000), Associate University Librarian, Libraries; MLIS, University of Kentucky; BA, Berea College

GARDNER, LISA, (2018), Professor, Accounting, Finance, & Information Systems; PhD, Georgia State University; MBA, Drake University; BS, University of Wyoming

GARRETT, ANDREW, (2017), PhD, University of North Carolina, Chapel Hill; BS, Western Washington University

GEORGE, JULIE, (2000), Associate University Librarian, Libraries; MLIS, University of South Carolina; BA, Berea College

GERKEN, MICHELLE, (1996), Associate Professor, Recreation & Park Administration; PhD, University of Louisville; MS, BA, University of Kentucky

GERSHITENSON, JOSEPH, (2003), Professor, Government; PhD, University of Texas, Austin; MA, University of California, San Diego; BA, Georgetown University

GHENT, ALANA, (2013), Associate Professor, English; MFA, University of Mississippi; BFA, Concordia University

GILBERT, KAREN, (2005), Associate University Librarian, Libraries; MPH, Eastern Kentucky University; MLS, Texas Woman’s University; BA, Wellesley College

GIBSON, MIRANDA, (2016), Clinical Faculty, Associate Degree Nursing; MSN, University of Cincinnati; BSN, Morehead State University

GILES, TERTI, (2013), Instructor, Model Laboratory School; MAEd, BS, Morehead State University

GINN, CASSANDRA, (2018), Assistant Professor, Occupational Science & Occupational Therapy; MS, BS, Eastern Kentucky University

GIVENS, DEBORAH, (2006), Assistant Professor, Communication; PhD, University of Kentucky; MFA, Western Kentucky University; BS, Ball State University

GLEASON, JIM, (2005), Associate Professor, Communication; PhD, University of Kentucky; MS, BA, State University of New York at New Paltz

GOMEZ, JOSE, (2018), Assistant Professor; Languages, Cultures, & Humanities; MA, BA, California State University

GOODCH, TODD, (2003), Professor, History, Philosophy, & Religious Studies; PhD, MA, Claremont Graduate University; BA, University of California, Santa Barbara

GOODMAN, HERB, (2004), Professor, Art & Design; MFA, University of Cincinnati; BFA, Ohio University

GORBETT, GREGORY, (2008), Professor, Fire Protection & Paramedicine Sciences; PhD, MS, Worcester Polytechnic Institute; MS, Grand Canyon University; BS, University of Maryland; BS, Tri-State University

GORE, JONATHAN, (2005), Professor, Psychology; PhD, MS, Iowa State University; BA, University of Michigan

GOSNELL, LINDA, (2015), Professor, History, Philosophy, & Religious Studies; PhD, MA, Claremont Graduate University; BA, University of California, Santa Barbara

GOSSAGE, ANNE, (2001), Associate Professor, English; PhD, MA, Pennsylvania State University; BA, University of Delaware

GRABEEL, VONIA, (2015), Assistant Professor, Environmental Health Science; MPH, BS, BS, Eastern Kentucky University

GRANT, PAUL, (2008), Associate Professor, Fire Protection & Paramedicine Sciences; MA, MA, BS, University of Phoenix

GRAYSON, DONNIE, (2014), Lecturer, English; MA, BA, Morehead State University

GREEN, AMANDA, (2018), Assistant Professor, Anthropology, Sociology & Social Work; PhD, MA, Oregon State University; MA, University of Chicago; BA, Davidson College

GREMP, MICHELLE, (2014), Associate Professor, Curriculum & Instruction; PhD, MS, Washington University; BA, Fontbonne University

GROGAN, JAMES, (2014), Lecturer, Mathematics & Statistics; MS, BS, University of Kentucky

HACKNEY, CHRYSTAL, (2014), Assistant Professor, Associate Degree Nursing; MHA, MSN, University of Phoenix; BSN, Eastern Kentucky University

HAGAN, CARLA ISAACS, (1998), Assistant Professor, Agriculture; MS, BS, University of Kentucky

HALE, KIMBERLY, (2006), Associate Professor, American Sign Language & Interpreter Education; EdD, Eastern Kentucky University; MA, University of South Carolina; BA, Maryville College

HANKS, COREY, (2013), Lecturer, Fire Protection & Paramedicine Sciences; MS, BS, Eastern Kentucky University

HARBER, JESSICA, (2011), Lecturer, Mathematics & Statistics; MS, BS,
HARRISON, MARY RACHEL (2012), Assistant Professor, Health Promotion, & Graduate Nursing; MSN, BSN, University of Kentucky; MA, Lexington Theological Seminary; BSN, Berea College

HUFFMAN, F. TYLER (2006), Associate Professor, Geosciences; PhD, MA, University of Connecticut; BA, University of Kentucky

HUGHES, CHRISTOPHER (2016), Assistant Professor, Geosciences; PhD, The University of Pittsburgh; BS, Computer Science

HUME, ANNA (2017), Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, BSN, University of Kentucky, ADN, Lexington Community College

HUMPHREY, CASEY (2017), Assistant Professor, Occupational Science & Occupational Therapy; OTD, Eastern Kentucky University; MHA, Des Moines University; BS, Eastern Kentucky University

HUNT, SCOTT (2005), Professor, Justice Studies; PhD, University of Nebraska at Lincoln; MA, University of Nebraska at Omaha; BA, University of Texas at Austin

HUNTER, GEORGE (2006), Associate Professor, English; PhD, Purdue University; MA, Eastern Kentucky University; BA, University of Kentucky

HUNTER, SANDY (1996), Professor, Fire Protection & Paramedicine Sciences; PhD, University of Kentucky; MA, Eastern Kentucky University; BS, Western Carolina University

JACKSON, DAWN W. (1986), Professor, Health Promotion & Administration; DrPH, University of Kentucky; MA, Eastern Kentucky University; BS, East Carolina University

JACKSON, GLENN (2014), Lecturer, English; MFA, Murray State University; MA, Eastern Kentucky University; BA, Centre College

JAMES, GINGER (2018), Assistant Professor, Psychology; PhD, MA, MS, Eastern Kentucky University

JAMES, RHODA (2011), Professor, Accounting, Finance & Information Systems; PhD, University of Kentucky; MBA, BBA, Eastern Kentucky University

JANES, RHODA (2005), Associate Professor, Exercise & Sport Science; PhD, University of Kentucky; MS, BS, Northern Illinois University

JAY, JACQUELINE (2008), Associate Professor, History, Philosophy, & Religious Studies; PhD, MA, University of Chicago; BA, The University of Toronto

JEON, MI-HEE (2003), Associate Professor, English; PhD, University of Texas at Austin; MS, University of North Carolina at Chapel Hill

JEONG, NATHANIEL (2006), Professor, Music; DMA, University of Michigan, MM, Arizona State University; BM, Brigham Young University

JEONG, NANCY (2012), Associate Professor, Educational Leadership, Counselor Education, & Communication Disorders; EdD, Northern Illinois University; MS, BSN, University of Kentucky; KS, Kyungpook National University

JEONG, JUDITH (2014), Assistant Professor, Chemistry; PhD, The University of Arizona; BA, Knox College

JENSEN, JACQUELYN (2002), Professor, Family & Consumer Sciences; PhD, University of Utah; MS, BS, AS, Brigham Young University

JENSEN, NANCY (2011), Associate Professor, English; MFA, Vermont College; BA, Indiana University Southeast

JOHNSON, MATTHEW (2014), Assistant Professor, English; MFA, Virginia Commonwealth University; BA, Morehead State University

JOHNSON, ROBERT (2008), Associate Professor, English; MFA, Arizona State University; MA, Kansas State University; BS, Cal Poly Pomona

JOHNSON, STEVE (2016), Instructor, Model Laboratory School; MS, BS, Eastern Kentucky University

JOHNSON, WARDELL (2003), Associate Professor, Exercise & Sport Science; PhD, University of Kentucky; MS, Eastern Kentucky University; BS, Knoxville College

JONES, AILEEN (2016), Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, BSN, Eastern Kentucky University; BA, University of Kentucky

JONES, ALICE (1997), Professor, Geosciences; PhD, The Ohio State University; MAG, Southwest Texas State University; BJ, University of Texas, Austin

JONES, ALICE (2008), Associate Professor, Family & Consumer Sciences; PhD, Eastern Kentucky University; MS, BSN, University of Kentucky; MA, Eastern Kentucky University

JONES, ALICE (2010), Associate Professor, Curriculum & Instruction; EdD, Northern Illinois University; MS, BSN, University of Kentucky; MA, Lexington Theological Seminary; BSN, Berea College

JONES, ALICE (2015), Instructor, Model Laboratory School; MA, Eastern Kentucky University

JOYCE, JENNIFER (2007), Associate Professor, Spanish; MA, University of Oregon; BS, Eastern Kentucky University

JUDSON, JUDITH (1994), Associate Professor, Psychology; PhD, MA, Michigan State University; BS, Eastern Kentucky University
FACULTY LISTING

JONES, KEVIN, (1998), Assistant University Librarian, Libraries; PhD, University of Kentucky; MLS, BA, University of Tennessee

JONES, LISA, (2006), Associate Professor, Baccalaureate & Graduate Nursing; MSN, BSN, ASN, Eastern Kentucky University

JONES, PAULA, (2017), Assistant Professor, Model Laboratory School; EdD, University of Kentucky; MAEd, BS, BBA, Eastern Kentucky University

SABIN, MATTHEW, (2011), Associate Professor, Exercise & Sport Science; PhD, MS, University of Illinois at Urbana-Champaign; BA, Anderson University
SANDS, FONTAINE, (2012), Professor, Baccalaureate & Graduate Nursing; DrPH, MSN, University of Kentucky; BSN, ADN, Eastern Kentucky University
SCARAMBONE, BERNARDO, (2010), Associate Professor; Music; DMA, University of Houston; MM, Indiana University; BM, Federal University of Rio de Janeiro
SCARBERRY, WESLEY, (2010), Assistant Professor, Model Laboratory; MA, BS, Eastern Kentucky University
SCHEPH, JUDAH, (2011), Associate Professor, Justice Studies; PhD, Indiana University; BA, Vassar College
SCHNECK, COLLEEN, (1994), Professor, Occupational Science & Occupational Therapy; ScD, MS, Boston University; BS, Eastern Michigan University
SCHNEID, THOMAS, (1989), Professor, Safety & Security; LLM, University of San Diego; JD, MS, West Virginia University; BA, West Liberty State College
SCHUMANN, MICHAEL, (1998), Professor, Safety & Security; PhD, University of Kentucky; JD, DePaul University College of Law; MS, BS, Oregon State University
SCHWARTZ, LAUREL MILLS, (2012), Associate Professor, Health Promotion & Administration; DrPH, University of Kentucky; MPH, University of Southern Mississippi; BS, Louisiana Tech University
SCIARAFFA, MARY, (2016), Associate Professor, Family & Consumer Sciences; PhD, Louisiana State University; MS, BA, Texas Tech University
SCISACIA, AARON, (2016), Assistant Professor, Exercise & Sport Science; PhD, MS, University of Kentucky; BS, University of Delaware
SCOTT-CROSS, TOBY, (2017), Clinical Faculty, Occupational Science & Occupational Therapy; MS, Baker College; BS, University of Michigan
SEHMANN, KARIN, (1990), Professor, Music; PhD, University of Iowa; MM, University of Akron; BMed, University of Northern Iowa
SEHMANN, PHILLIP M., (1994), Professor, Music; DMA, MFA, University of Iowa; MM, University of Akron; BMed, University of Northern Iowa
SELF, SCOTT, (2015), Instructor, Model Laboratory School; MAT, University of the Cumbrellas; BS, Union College
SETTIMI, JOHN R., (2010), Professor, Agriculture; PhD, Louisiana State University; MS, University of Wisconsin BS, Colorado State University
SEXTEN, ANDREA, (2015), Associate Professor, Agriculture; PhD, Oklahoma State University; MS, BS, University of Kentucky
SEXTON, CHRISTINA, (2014), Instructor, Model Laboratory School; MAEd, BS, Eastern Kentucky University
SEXTON, SANDRA, (2017), Instructor, Model Laboratory School; MAEd, Georgetown College; BPS, Midway College; AB, University of Kentucky
SHANAHAN, EILEEN, (2017), Assistant Professor, Curriculum & Instruction; PhD, The Ohio State University; MAT, Winthrop University; BS, Ohio University
SHANNON, BRET, (2011), Associate Professor, English; PhD, University of Kentucky; MA, University of Cincinnati; BA, Indiana University
SHELTON, THOMAS, (2015), Assistant Professor; Educational Leadership, Counselor Education, & Communication Disorders; PhD, University of Louisville; MBA, BS, Murray State University
SHEPHERD, HILLARY, (2017), Instructor, Model Laboratory School; MAT, University of the Cumbrellas; BA, Eastern Kentucky University
SHEPPERSON, TARA, (2009), Associate Professor, Educational Leadership, Counselor Education, & Communication Disorders; PhD, University of Nevada, Reno; MA, University of Nevada, Las Vegas; BA, Santa Clara University
SHI, BUCHANG, (2008), Associate Professor, Chemistry; PhD, University of Kentucky; BS, MS, Shandong Medical University
SHUMAKER, SHANNON, (2015), Assistant Professor, Baccalaureate & Graduate Nursing; PhD, MSN, University of Kentucky; BSN, Eastern Kentucky University
SIAHKOOH, KIMBERLY, (2003), Senior Lecturer, English; MA, BA, Eastern Kentucky University
SICKELS, CARTER, (2015), Assistant Professor, English; MA, The University of North Carolina at Chapel Hill; MFA, The Pennsylvania State University; BA, Ohio University
SILER, NATHAN, (2015), Assistant Professor; Music; PhD, University of Cincinnati; MM, MM, Peabody Institute of the Johns Hopkins University; BM, Cleveland Institute of Music
SIMPKINS, BRIAN, (2017), Safety & Security; EdD, MS, Eastern Kentucky University; BA, Marshall University
SINNETT, DENNIS, (2017), Assistant Professor, Applied Engineering & Technology; MS, Embry Riddle Aeronautical University; BS, U.S. Naval
Academy

SIT, ATILLA, (2014), Assistant Professor, Mathematics & Statistics; PHD, Iowa State University; MS, Bogazici University; BS, Middle East Technical University

SIZEMORE, LINDA, (1999), Associate University Librarian, Libraries; MLIS, University of Kentucky: BA, Berea College

SIZEMORE, STAN, (2016), Clinical Faculty Physician; Bluegrass Community Health Center; MD, BS, University of Kentucky

SKUBIK-PEPLASKI, CAMILLE, (2012), Professor, Occupational Science & Occupational Therapy; PhD, University of Kentucky; MS, Wayne State University; BS, Eastern Michigan University

SLUSHER, IDA, (1998), Professor, Baccalaureate & Graduate Nursing; PhD, University of Alabama, Birmingham; MSN, University of Kentucky; BSN, Eastern Kentucky University

SMIT, TIMOTHY, (2013), Assistant Professor, History, Philosophy, & Religious Studies; PhD, MA, University of Minnesota; BA, Carleton College

SMITH, ASHLEY, (2017), Instructor, Model Laboratory School; MAEd, University of the Cumberlands; BS, Eastern Kentucky University

SMITH, CHARLES MASON, (1998), Senior Lecturer, English; PhD, University of Kentucky; MA, Eastern Kentucky University; MA, University of Missouri at Columbia; BA, Centre College

SMITH, CHARLOTTE, (2011), Assistant Professor, Model Laboratory School; MA, BS, Eastern Kentucky University

SMITH, KELLY, (2005), Associate University Librarian, Libraries; MLSIS, Simmons College; BFA, University of North Carolina at Greensboro

SMITH, MELANIE, (2016), Instructor, Model Laboratory School; MS, Eastern Kentucky; BS, Lincoln Memorial University

SMITH, MICHELLE, (2008), Associate Professor, Mathematics & Statistics; PhD, University of Kentucky; MS, Miami University; BS, Morehead State University

SMITH, YOUNG, (2003), Associate Professor, English; PhD, University of Houston; MFA, University of Arkansas; BA, University of Georgia

SNEDGRASS, M. PAUL, (2015), Lecturer, Social Intelligence; MAEd, University of Phoenix; BA, Augsburg College; AA, North Hennepin Community College

SODERSTROM, IRINA, (1997), Professor, Justice Studies; PhD, MS, Southern Illinois University; BA, University of Illinois

SOKOLOWSKI, ERIC, (2015), Instructor, Model Laboratory School; MM, Eastern Kentucky University; BM, University of the Cumberlands

SMOMER, CAROL, (2010), Professor, Educational Leadership, Counselor Education, & Communication Disorders; PhD, Southern Illinois University Carbondale; MAEd, Boston University; BA, University of Kentucky

SPAIN, JUDITH, (1998), Professor, Management, Marketing, & International Business; JD, Capital University Law School; BS, Grove City College

SPATA, JASMINE RUTHERFORD, (2008), Assistant Professor, Model Laboratory School; MAT, Eastern Kentucky University; BA, University of Manitoba

SPIERS, ANGELA, (2015), Assistant Professor, Educational Leadership, Counselor Education, & Communication Disorders; EdD, Argosy University; ME, Brock University; BSW, Ryerson University

SPIGELMAN, TRACY, (2009), Associate Professor, Exercise & Sport Science; PhD, University of Kentucky; MEd, Temple University; BS, University of Vermont

SPIRA, GEELA, (2016), Associate Professor, Occupational Science & Occupational Therapy; PhD, Nova Southeastern University; MS, Columbia University; BS, Barnard College

SQUICCIARINI, LYNN, (2017), Assistant Professor, Anthropology, Sociology, & Social Work; PhD, University of Kentucky; MSW, Wayne State University; BS, Michigan State University

SPOCK, JENNIFER, (2000), Professor, History, Philosophy, & Religious Studies; PhD, MA, BA, Yale University

SPURLOCK, BARRY, (2014), Assistant Professor, Safety & Security; JD, Northern Kentucky University; MS, BS, Eastern Kentucky University

STADTON, WILLIAM, (2000), Associate Professor, Biological Sciences; PhD, University of Guelph; BEd, University of Western Ontario; MSc, BSc, University of Toronto

STEARNS, CATHERINE, (2007), Associate Professor, History, Philosophy, & Religious Studies; PhD, Rutgers, The State University of New Jersey; MA, The Courtauld Institute of Art, University of London; BA, The College of New Jersey

STEARNS, JUSTIN, (2017), Assistant Professor, Accounting, Finance, & Information Systems; PhD, Southern Illinois University; MA, MBA, Webster University; MS, BS, Illinois State University

STEVENS, TARA, (2013), Assistant Professor, American Sign Language & Interpreter Education; PhD, Gallaudet University; MA, Northeastern University; BS, AA, Eastern Kentucky University

STRADE, JOHN, (2006), Senior Lecturer, Communication; MA, BA, BS, Auburn University

STRASIK, AMANDA, (2016), Assistant Professor, Art & Design; PhD, University of Iowa; MA, University of Florida; BA, George Washington University

STRAIT, ANDREA, (2005), Professor, Psychology; PhD, University of Tennessee; BS, Eastern Kentucky University

STREETMAN, LAWRENCE (CURTIS), (2017), Assistant Professor, Music; PhD, Rutgers University; MAEd, Boston University; BM, Eastman School of Music

STRIBLING, MARDA, (1991), Assistant Professor, Mathematics & Statistics; PhD, MA, University of Kentucky; BA, Texas Tech University

STUMBO, DAVID, (2017), Assistant Professor, Safety, Security & Emergency Management; EdD, MS, Eastern Kentucky University; MS, Kentucky State University; BS, Murray State University; AS, Columbia Southern University

STYER, EUGENE, (1990), Associate Professor, Computer Science; PhD, Georgia Institute of Technology; BS, Lock Haven University

SULLIVAN, WILLIAM, (2015), Assistant Professor, Safety & Security; EdD, MS, Eastern Kentucky University

SUMITHRAN, STEPHEN, (1998), Associate Professor, Biological Sciences; PhD, Virginia Tech; MS, West Virginia University; MS, MADRAS Christian College

SUTHERLAND, ADRIA, (2018), Visiting Instructor, Music; DMA, University of Kentucky; MM, East Carolina University; BS, Eastern Kentucky University; BM, Morehead State University

SWAIN, RANDALL, (2008), Professor, Government; PhD, MA, University of Alabama; MPA, University of Tennessee, Chattanooga; BS, Alabama A&M University

SZABO, STEVE, (2011), Associate Professor, Mathematics & Statistics; PhD, Ohio University; MS, BS, Cleveland State University

SZEKELY, ILONA, (2011), Associate Professor, Art & Design; PhD, BA, University of Kentucky; MA, Columbia University

SZORAD, FELICIA, (2001), Professor, Art & Design; MFA, East Carolina University; BFA, Bowling Green State University

TABIBZADEH, KAMBIZ, (1985), Professor, Management, Marketing & International Business; PhD, University of Houston; M Technology, Brunel University; BS, University of London

TAYLOR, HEATHER, (2010), Assistant Professor, Model Laboratory School; MA, BS, Eastern Kentucky University

TAYLOR, JOHN, (1987), Associate Professor, Communication; PhD, Ohio University; MA, Western Kentucky University; BS, Murray State University

THIEME, AMY L., (1995), Associate Professor, Communication; PhD, MA, Ohio University; BS, State University of New York, College at Brockport

THOMAS, ROBERT, (2001), Assistant Professor, Mathematics & Statistics; EdD, Central Florida University; MEd, South Florida University; BA, Wayne State University

THOMAS, STACI WILSON, (1999), Assistant Professor, Model Laboratory School; MA, BA, Eastern Kentucky University; AA, Sue Bennet College

THOMPSON, AARON, (1997), Professor, Educational Leadership, Counselor Education, & Communication Disorders; PhD, MA, University of Kentucky; BA, Eastern Kentucky University

THOMPSON, MARYELLEN, (2008), Professor, Occupational Science & Occupational Therapy; PhD, Arizona State University; MA, University of Southern California; BS, University of Puget Sound

THOMPSON, SHERWOOD, (2006), Professor, Educational Leadership, Counselor Education, & Communication Disorders; EdD, MAEd, University of Massachusetts Amherst; BA, University of South Carolina Upstate

TOFAN, CRISTINA, (2005), Assistant University Librarian; Libraries; MS, University of Kentucky; MS, Georgetown University; BS, Alexandru Facet
Ioan Cuza University

TORTORICI, MARY, (2000), Professor, Art & Design; MFA, Yale University; BFA, Massachusetts College of Art

TOWNSEND, JEFFERY SCOTT, (2006), Associate Professor, Curriculum & Instruction; PhD, Indiana University Bloomington; MAEd, BS, Eastern Kentucky University

TOWNSEND, TRAVIS, (2006), Senior Lecturer, Art & Design; MFA, Virginia Commonwealth University; BS, Kutztown University

TSIANG, SARAH, (2001), Professor, English; PhD, MA, University of Illinois, Urbana; BA, University of Chicago

TUDOR, HEATHER, (2015), Assistant Professor, Health Promotion Administration; MBA, BS, Eastern Kentucky University

TURNER, RALPH, (2010), Associate Professor, Curriculum & Instruction; MAEd, EdD, MA, East Tennessee State University; MA, Eastern Mennonite University; BA, Emory & Henry College

UNDERWOOD, ELIZABETH, (2000), Associate Professor, Anthropology, Sociology & Social Work; PhD, MA, University of Illinois at Urbana-Champaign; BS, Grand Valley State University

VANDENBERG, MELISSA, (2009), Associate Professor, Art & Design; MFA, Southern Illinois University, Carbondale; BFA, College for Creative Studies

VANFLEET, JOSEPH, (2007), Professor, Music; DM, MM, Indiana University; BM, Murray State University

VARDIKIN, DONALD, (2010), Associate Professor, Psychology; PhD, Vanderbilt University; MA, Kent State University; BS, James Madison University

VELEZ, DE CEA, JESUS, (2006), Professor, History, Philosophy & Religious Studies; PhD, Universidad Complutense; MA, Universidad de Comillas; Licentiate, Universidad de Navarra

VIOHL, TERESA, (2012), Assistant Professor, Model Laboratory School; BA, BS, Eastern Kentucky University

WAHL, ROBYN, (2014), Instructor, Educational Leadership, Counselor Education & Communication Disorders; MS, University of Kentucky; BA, Ashbury College

WAIKEL, REREKAH, (2008), Associate Professor, Biological Sciences; PhD, Baylor College of Medicine; BS, Indiana University

WALACH, MICHAEL, (2014), Associate Professor, Applied Engineering & Technology; PhD, University of Rhode Island & Rhode Island College; MAT, Sacred Heart University; BS, Rhode Island College; AAS, Community College of Rhode Island

WALZ, CAROLIN, (2009), Lecturer, English; MA, Westfälische Wilhelmsuniversität

WANG, JING, (2009), Associate Professor, Physics & Astronomy; PhD, MA, Ohio State University; MA, BA, Tsinghua University

WANG, NI, (2015), Assistant Professor, Applied Engineering & Technology; PhD, MS, University of Louisville; BE, Wuhan University of Technology

WATERS, RICHARD, (2011), Professor, Music; DMA, University of North Carolina at Greensboro; MM, University of Harvard; BM, James Madison University

WATKINS, MARCIA, (2008), Lecturer, Biological Sciences; MS, Eastern Kentucky University; BS, Berea College

WILSON, BRYAN, (2008), Assistant Professor, Model Laboratory School; MAEd, Eastern Kentucky University; BA, Marshall University

WILSON, JAMES G., (2015), Assistant Professor, Applied Engineering & Technology; MEd, University of Mary Washington; BS, Eastern Kentucky University

WILSON, MARY, (2002), Associate Professor, Family & Consumer Sciences; PhD, Michigan State University; BS, University of Kentucky

WILSON, STEFFEN, (1997), Professor, Psychology; PhD, MS, University of Georgia; BS, Birmingham-Southern College

WINSLOW, MATTHEW, (1998), Professor, Psychology; PhD, University of Minnesota; MA, University of California; BA, Macalester College

WOLF, JOYCE, (1995), Professor, Music; DMA, University of Kentucky; MM, BM, West Virginia University

WONG, KA-WING, (1990), Professor, Computer Science; PhD, Kansas State University; MS, BS, Middle Tennessee University

WOOD, ANGELA, (2014), Clinical Faculty, Baccalaureate & Graduate Nursing; DNP, MSN, Eastern Kentucky University; BSN, ASN, Midway College

WOOD, BRADFORD, (2000), Professor, History, Philosophy & Religious Studies; PhD, John Hopkins University; MA, Michigan State University; BA, Wake Forest University

WOODRUFF, BENJAMIN, (2014), Assistant Professor, Accounting, Finance, & Information Systems; PhD, MS, MBA, The University of Alabama; BS, Excelsior College

WOODS, PATRICIA, (1989), Associate Professor, Baccalaureate & Graduate Nursing; MSN, University of Kentucky; BS, Eastern Kentucky University

WOOLERLY, ELLEN, (2016), Instructor, Model Laboratory School; MA, BS, Eastern Kentucky University

WRIGHT, CHERYL, (2002), Assistant Professor, Model Laboratory School; MS, University of Kentucky; BS, University of Pennsylvania

WYGANT, DUSTIN, (2009), Professor, Psychology; PhD, MA, Kent State University; BA, Miami University

XIAO, QIAN, (2012), Associate Professor, Management, Marketing & International Business; PhD, University of Alabama; MS, BS, Southwest Jiao Tong University

XU, BANGTENG, (2005), Professor, Mathematics & Statistics; PhD, MS, Northern Illinois University; MS, Wuhan University

YANG, MENGKUN, (2006), Associate Professor, Computer Science; PhD, University of Kentucky; ME, BE, Sichuan University

YAZDANI, MINA, (2011), Associate Professor, History, Philosophy & Religious Studies; PhD, University of Toronto; MA, Wilfred Laurier University; MA, Landegg International University; BGS, Indiana University
YI, KWAN, (2011), Associate Professor, Curriculum & Instruction; PhD, MS, McGill University; MS, University of Illinois at Urbana-Champaign; BA, BS, Korea University

YODER, GARETT, (1998), Professor, Physics & Astronomy; PhD, MS, Auburn University; BA, Goshen College

YODER, MARGARET, (1995), Assistant Professor, Mathematics & Statistics; PhD, MA, South Florida University; BA, Goshen College

YONTS, LINDA, (2008), Senior Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, University of Kentucky; BSN, Eastern Kentucky University

YOUNG, BILL, (2013), Associate Professor, Fire Protection & Paramedicine Sciences; EdD, University of the Cumberlands; MS, Regis University; BS, Covenant College

YOW, DONALD, (2003), Professor, Geosciences; PhD, MA, University of South Carolina; University of Florida

YOW, SONJA, (2017), Assistant Professor, Curriculum & Instruction; EdD, University of Kentucky; IMA, BA, University of South Carolina

ZARAGOZA, SOCORRO, (2007), Associate Professor; Languages, Cultures, & Humanities; PhD, MA, Purdue University; BA, Universidad de Colima

ZEIGLER, SARA, (1996), Professor, Government; PhD, MA, University of California; BA, Reed College

Zhang, Chengyi, (2014), Associate Professor, Applied Engineering & Technology; PhD, Illinois Institute of Technology; MS, China University of Mining & Technology; BS, Harbin University of Commerce

ZHANG, CUI, (2012), Associate Professor, English; PhD, Northern Arizona University; MA, Winona State University; BA, Hebei University of Technology

ZHANG, SHUANGTENG, (2002), Professor, Computer Science; PhD, University of Toledo; MS, BS, Chongqing University

ZHANG, ZHE, (2008), Associate Professor, Management, Marketing & International Business; PhD, University of Central Florida; MS, MBA, Texas A & M University; BA, Tianjin Foreign Studies University

ZHUANG, WEILING, (2010), Associate Professor, Management, Marketing & International Business; DBA, MS, Louisiana Tech University; MBA, Southwest Jiao Tong University; BS, Guangdong University of Business Studies

ZOELLERS, MARGARET, (2014), Assistant Professor, Baccalaureate & Graduate Nursing; MSN, BSN, ASN, Eastern Kentucky University; AA, Sue Bennett College
**Accreditations and Memberships**

**Accreditations**

Eastern Kentucky University is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate, baccalaureate, masters, specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Eastern Kentucky University. SACSCOC should be contacted only if there is evidence that appears to support an institution’s significant non-compliance with a requirement or standard.
