Notifications

All statements in this publication are announcements of present policy only and are subject to change without prior notice. Nothing contained in this publication is intended to create nor shall be construed as creating a contract, either express or implied, or guarantee for any term or for any specific procedures.

Eastern Kentucky University is an Equal Opportunity/Affirmative Action employer and educational institution and does not discriminate on the basis of age, race, color, religion, sex, sexual orientation, disability, national origin or Vietnam era or other veteran status in the admission to, or participation in, any educational program or activity which it conducts. Any complaint arising by reason of alleged discrimination should be directed to the Equal Opportunity Office of Eastern Kentucky University (Jones Building, Room 106, CPO 37A, Richmond, KY 40475-3102, 859-622-8020 v/tdd), or to the Director of the Office for Civil Rights, U.S. Department of Education, Philadelphia, PA.

The Board of Regents of Eastern Kentucky University does hereby reaffirm the University’s commitment to providing educational opportunities to all qualified students regardless of economic or social status and ensuring that participation in all University sponsored activities will be administered in a way that furthers the principles of equal employment and educational opportunities.

Eastern Kentucky University does not discriminate on the basis of disability in the admission or access to educational opportunities, programs or activities. The Director of Services for Individuals with Disabilities, Turley House, Room 1, Eastern Kentucky University, Richmond, Kentucky 40475, coordinates compliance with all federal, state and local laws and regulations concerning access for disabled individuals. Requests for information concerning the Americans with Disabilities Act and other federal and state laws relating to disabilities and the rights provided thereunder, as well as all requests for accommodations based upon disability should be directed to this office.

Eastern Kentucky University is committed to providing a healthy and safe environment for its students, faculty and staff through its compliance with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendment of 1989. In accordance with these laws, students, faculty and staff are hereby notified of the standards of conduct which shall be applicable while on University property, on University business or at University sponsored activities.

By University rules and regulations, federal laws, state laws, and local ordinances, students, faculty and staff are prohibited from the unlawful possession, use, dispensation, distribution, or manufacture of illicit drugs on University property, on University business and/or at University sponsored activities.

Any member of the student body, faculty or staff who violates the University’s standards of conduct shall be subject to appropriate disciplinary action up to and including expulsion and/or termination. In addition to disciplinary sanctions, students or employees may face prosecution and imprisonment under federal and/or state laws which make such acts felony or misdemeanor crimes. The specifically defined standards of conduct, the disciplinary procedures and possible sanctions appear in the Student Handbook and the Faculty Handbook.

Expulsion of a students is permanent separation and removal from the University. The sanction of expulsion must be approved by the University president or the president’s designee; it requires a student to be withdrawn from all classes, suspended from the residence halls or graduate housing (if applicable), banned from all University facilities (and subject to arrest for trespassing), rendered ineligible to register for any University class, and prohibited from participating in University activities. The student’s transcript will indicate that the student was withdrawn by the University.

Continuous efforts are made to make students, faculty and staff aware of the on-campus and off-campus programs which provide information and professional services on matters related to the abuse of alcohol and drugs. For additional information individuals should contact the Eastern Kentucky University Counseling Center.

Federal Regulations

(as amended)
PUBLIC LAW 93-380

This is to serve notice to all students of Eastern Kentucky University of the rights and restrictions regarding the maintenance, inspection, and release of student records contained in the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended. The University is composed of five colleges and offers a wide variety of services to students. Each college and service requires the maintenance of some records concerning students enrolled in a particular college or participating in a nonacademic service. The location and type of record maintained by the University depends upon the field of study or service in which the student is enrolled. The following is a list of the types of records maintained by the University for students:

1. Grade reports
2. Transcripts
3. Curriculum information
4. Applications for graduation
5. Correspondence with students, if any
6. Withdrawal records, if applicable
7. Admission forms
8. ACT test scores
9. Student teacher evaluations, if applicable
10. Letters of recommendation, if applicable
11. Nominations for awards if applicable
12. Biographical data
**1. Access to Records:** In general, the records maintained by the University are available only to the student, to University personnel with legitimate educational interests, to other institutions where the student is seeking financial aid, and to authorized representatives of the Comptroller General of the U.S., the Secretary of Education, or an administrative head of an education agency, in connection with an audit or evaluation of federally support programs, and as provided by Section 164.283 of the Kentucky Revised Statutes. However, information may be released by the institution to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other persons. Records may also be furnished in compliance with a judicial order or pursuant to a subpoena or with the consent of the student.

Students may inspect and review all records pertaining to them within forty-five (45) days of making request for same, except for (1) records created or maintained by a physician, psychiatrist, psychologist or other recognized professional or paraprofessional assisting in a professional capacity in connection with treatment of the student (except that the student may have these records reviewed by a physician or appropriate professional designated by the student), (2) financial records of the student’s parents, (3) confidential letters and recommendations put in the files prior to January 1, 1975, and (4) confidential recommendations relating to admission, applications for employment, or honors, if the student has waived his/her right to review such records. Where a particular record cannot be reviewed by a student without revealing confidential information relating to other students, the records custodian will inform the student, upon request, of the contents of the record pertaining to that student.

Parents who claim a student as a dependent may present their federal tax declaration, in lieu of having the student’s written consent, to gain access to information concerning their children’s grades.

**2. Disciplinary Records** Disciplinary records are defined as those records (maintained in any format) which relate exclusively to violations of University General Regulations Governing Student Behavior which have been adjudicated through the office of Student Rights and Responsibilities. Complaints to the Office of Student Rights and Responsibilities which have been dismissed or withdrawn by the University are not considered disciplinary records. A student disciplinary record includes and is limited to: 1) violation report, 2) student notification letter, 3) sanction sheet, 4) notice of hearing, 5) students right form, 6) roll call of hearing participants in any hearing, 7) documents presented as evidence during any hearing, 8) record of Student Disciplinary Council hearing; 9) appeal letter with accompanying documents; and 10) final disposition of appeal.

**3. Directory Information:** The University may release information without the student’s consent where the information is classified as “directory information.” The following categories of information have been designated by the University as directory information: name, address (excluding EKU residence hall room number), telephone listing (excluding cell phone), email address, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, academic level (undergraduate or graduate), academic class (freshman, sophomore, junior, or senior), dates of attendance, enrollment status, degrees and awards received, student photo or likeness, and the most recent previous education institution attended by the student. Students who do not wish such information released without their consent should notify the Student Records Office in writing. Any such request should be sent to Office of the Registrar, Office of Academic Records/Transcripts, Eastern Kentucky University, Student Success Building Room 239, CPO 58, 521 Lancaster Avenue, Richmond, Kentucky 40475-3158.

**4. Notification of Rights Under FERPA for Postsecondary Institutions:** The Family Educational Rights and Privacy affords students certain rights with respect to their education records. All EKU students are informed of their FERPA rights each year during the fall term through an email notification sent to their official EKU email address. Each student’s FERPA rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision.
and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning allege failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 600 Independence Avenue SW, Washington, DC 20202-4605.

5. Procedures for Challenge: A student who believes that any record maintained by the University pertaining directly to that student is inaccurate, misleading, or otherwise violative of the right of privacy of the student as provided by Title IV of Pub. L. 90-247, as amended, and Publ. L. 93-380 as amended by Senate Joint Resolution 40 (1974) may request a hearing before a panel of three persons appointed by the President of the University. The panel may direct that appropriate action be taken to correct, explain, or expunge the record(s) challenged.

Request for hearings should be addressed to the Office of University Counsel, Eastern Kentucky University, Coates Room 205, CPO 40A, 521 Lancaster Avenue, Richmond, Kentucky 40475-3102.

Student Right-To-Know Act
(Pub. L. 101-542)
Eastern Kentucky University
1999-2000

Section 103 of the Student Right-To-Know and Campus Security Act of 1990 (Public Law 101-542) as amended by the Higher Education Technical Amendments of 1991 (Public Law 102-26) requires public disclosure of relevant graduation rate information for students enrolled in colleges and universities receiving federal financial assistance annually beginning July 1, 1993. Graduation rate information is published each year in the University Handbook for Students or may be obtained upon request from the Office of the Provost and Vice President for Academic Affairs, Coates Administration Building, Room 110, CPO 30A, 521 Lancaster Avenue, Richmond, Kentucky 40475-3102.
Introduction

Eastern Kentucky University is a regional, coeducational, public institution of higher education offering general and liberal arts programs, pre-professional and professional training in education and various other fields at both the undergraduate and graduate levels. Located in Richmond, Madison County, Kentucky, Eastern Kentucky University has a distinguished record of more than a century of educational service to the Commonwealth.

Situated near the heart of the Bluegrass, Richmond is served by a network of major highways which makes Eastern Kentucky University easily accessible from all parts of Kentucky and surrounding states. Richmond is 26 miles southeast of Lexington, Kentucky. Interstate Highways 1-75 (north-south) and I-64 (east-west) make the metropolitan areas of Cincinnati, 112 miles to the north, and Louisville, 110 miles to the west, within convenient distance by automobile. Richmond is also served by U.S. Route 25 from south Eastern Kentucky and Kentucky Route 52 from the east and west. The Kentucky Turnpike and the Mountain, Hal Rogers, and Cumberland Parkways provide even greater accessibility by automobile since the city is located near the convergence of these arterial highways into the interstate system.

Richmond, the county seat of Madison County, is an expanding community of approximately 30,000 population. In and around Richmond are many areas of historic and scenic interest. Boonesborough State Park, birthplace of Kentucky, is located 12 miles to the north. Many other historical places are within easy driving distance. Scenic and recreational areas surround this section of the state.

History

The Kentucky General Assembly of 1906 enacted legislation establishing the Eastern Kentucky State Normal School. Governor J. C. Beckham signed the bill into law on March 21, 1906. On May 7 of that year, the Normal School Commission, meeting in Louisville, selected the campus of the old Central University, founded in 1874, in Richmond, Kentucky, as the site of the new school. On June 2, 1908, Huric Nevel Roark was chosen President of the Normal School and the training of teachers was begun.

In 1922, Eastern Kentucky University became a four-year institution known as the Eastern Kentucky State Normal School and Teachers College. The first degrees were awarded by this institution in 1925. In 1928, the College was accredited by the Southern Association of Colleges and Secondary Schools. In 1930, the General Assembly renamed the school the Eastern Kentucky State Teachers College.

In 1935, a graduate program was approved at Eastern, leading to the Master of Arts degree in Education. In 1948, the General Assembly removed the word “Teachers” from the name of the college and granted the college the right to award nonprofessional degrees.

The most significant day since its founding came for Eastern on February 26, 1966, when Governor Edward T. Breathitt signed into law a bill renaming the institution Eastern Kentucky University (EKU) and sanctioning the awarding of graduate degrees in academic fields other than education.

During this period of time, Eastern Kentucky University has increased rapidly in size and stature. Beginning with a few students engaged in short review and certificate courses, the University today serves thousands of Kentuckians. The curriculum leads to associate degrees, baccalaureate degrees, and an expanding graduate program that currently offers degrees at the master’s level in many other fields as well as the already well-established Master of Arts degree in Education and the various fifth- and sixth-year leadership programs in education. Specialist degree programs have been implemented in education and psychology.

In 2008, EKU offered its first doctoral degree, the Doctor of Education (Ed.D.). Since that time, EKU also offers the Doctor of Nursing Practice (DNP) and the Occupational Therapy Doctorate (OTD).

Ever-mindful of the purpose of its founding, Eastern continues to recognize its historic function of preparing quality teachers for the elementary and secondary schools of the Commonwealth. However, a strong liberal arts curriculum leading to appropriate degrees, together with pre-professional courses in several areas and graduate programs, enable Eastern to serve the Commonwealth as a regional comprehensive university.

Mission Statement

As a school of opportunity, Eastern Kentucky University fosters personal growth and prepares students to contribute to the success and vitality of their communities, the Commonwealth, and the world.

Eastern Kentucky University is committed to access, equal opportunity, dignity, respect, and inclusion for all people, as integral to a learning environment in which intellectual creativity and diversity thrives.

Core Values

Eastern Kentucky University’s values shall permeate the mission and will be the fiber of the institution for it to achieve its vision.

Since its inception in 1874, Eastern Kentucky University (then known as Central University) has been driven by core values. Although its mission has evolved and expanded to meet the changing needs of citizens of the Commonwealth (and increasingly other places in the world), core values are still an integral part of the University community. Values are the code of organizational conduct. They guide decision-making in all parts of the University. They direct our actions and must inspire all of us in the EKU community to be true to them. The EKU community is committed to embodying these values in our policies and procedures in our day-to-day activities to accomplish our mission and achieve our vision. EKU has been and will continue to be guided by the following values when planning strategies and implementing decisions regarding the University community’s teaching, scholarly, and service activities.

Intellectual Vitality, which is characterized by knowledge, scholarly inquiry, creativity, critical thinking, and curiosity, all with a global perspective;

Sense of Community, which is characterized by a supportive environment with strong relationships and a commitment to service, shared governance, collaboration, and unity of purpose;

Cultural Competency, which is characterized by equitable opportunities and treatment, mutual respect, and the inclusion and
celebration of diverse peoples and ideas;

**Stewardship of Place**, by which the University enhances the intellectual capacity, economic vitality, environmental sustainability, and quality of life of the communities it serves;

**Accountability**, which is characterized by fiscal responsibility, operational transparency, and responsiveness to the needs of internal and external stakeholders; and

**Excellence**, which is achieved through integrity, continuous quality improvement, and a focused emphasis on the personal and professional growth of students, faculty, and staff.

**Vision**

Eastern Kentucky University will be a premier university dedicated to innovative student engagement and success, advancing Kentucky, and impacting the world.

The vision expresses the principal ideal to which the University aspires and toward which it continually works. This vision statement for the University Strategic Plan was developed after gathering input from external and internal constituents, including top-down and bottom-up perspectives of EKU’s future.

**Institutional Goals**

Eastern Kentucky University’s institutional goals give substance to our core values, vision statement, and mission statement. The goals impact all facets of university life, and accomplishment of them will help Eastern to become a leading comprehensive university in the Commonwealth with a national reputation for excellence.

- Academic Excellence
- Commitment to Student Success
- Institutional Distinction
- Financial Strength
- Campus Revitalization
- Service to Communities and Region

**Strategic Directions**

**Make No Little Plans:**

**A Vision for 2020**

With input from the University communities and the Strategic Planning Steering Committee, this plan outlines the areas we need to add, emphasize, or grow in order to achieve our vision of being a premier university dedicated to innovative student engagement and success, advancing Kentucky, and impacting the world.

**Strategic Goal 1: Academic Excellence**

Strategic Direction 1.1: Invest in Our Faculty
Strategic Direction 1.2: Promote Innovative Instruction and Programming.
Strategic Direction 1.3: Strengthen Academic Programs

**Strategic Goal 2: Commitment to Student Success**

Strategic Direction 2.1: Invest in Our Students
Strategic Direction 2.2: Focus on Strategic Enrollment
Strategic Direction 2.3: Increase Efforts to Retain and Graduate Students

**Strategic Goal 3: Institutional Distinction**

Strategic Direction 3.1: Invest in Our Staff
Strategic Direction 3.2: Advance the EKU Brand
Strategic Direction 3.3: Create a Dynamic, Diverse, and Inclusive University Culture

**Strategic Goal 4: Financial Strength**

Strategic Direction 4.1: Optimize Campus Resources
Strategic Direction 4.2: Increase External Support
Strategic Direction 4.3:

**Strategic Goal 5: Campus Revitalization**

Strategic Direction 5.1: Initiate and complete EKU Revitalization plan, which includes rehabilitation of existing facilities and construction of new ones with a focus on the EKU student experience.

**Strategic Goal 6: Service to Communities and Region**

Strategic Direction 6.1: Become the 1st-Choice Partner in Regional Educational, Economic, Cultural, and Social Development
Strategic Direction 6.2: Become Nationally Prominent in Fields with Regional Relevance
Strategic Direction 6.3: Bring EKU to Our Service Region
Strategic Direction 6.4: Bring Our Service Region to EKU
## SECTION TWO

### ADMISSION AND RESIDENCY

**Directory**

- Admission to the University ................................................................. 10
- Kentucky Pre-College Curriculum ......................................................... 13
- Student Residency .................................................................................. 13
- Residency Appeals Policy and Procedures .............................................. 18
ADMISSION TO THE UNIVERSITY

GENERAL REQUIREMENTS FOR UNDERGRADUATE ADMISSION

All applicants must provide an application and evidence of appropriate scholastic achievement through prior educational experience.

Please note that certain degree programs have special admission requirements. Admission to the University does not mean automatic admission to all degree programs.

The completed application and all required supporting documentation must be received by the University no later than:
- August 1 for fall enrollment
- December 1 for spring enrollment
- May 1 for summer enrollment

To apply for undergraduate admission to Eastern Kentucky University (EKU), submit completed application materials noted below and the $35 application fee to: Office of Admissions, Whitlock Bldg. 112, CPO 54, 521 Lancaster Avenue, Eastern Kentucky University, Richmond, KY 40475-3154.

ADMISSION REQUIREMENTS FOR FIRST-TIME FRESHMEN

FULL ADMISSION

Students who meet the following criteria will be granted full admission to the University:

Have graduated from an accredited high school earning a minimum cumulative high school grade point average of 2.5 on a 4.0 scale.¹

OR

Have submitted a minimum ACT composite score of 20 or SAT combined verbal/critical reading score of 950 or higher.²

AND

Meet the Kentucky Pre-College Curriculum

AND

Have submitted an official six-semester high school transcript, or a General Equivalency Diploma (GED), or documentation indicating completion of an EKU approved home-school or distance learning high school program.³

¹All students must submit official test scores at the time of application.
²Adult Learners (21 years of age or older) may use Residual ACT, Compass Test, or University Placement Exam results in place of ACT or SAT scores.
³Students must submit final high school transcripts that show graduation.

DIRECTED ADMISSION

Students who meet the criteria for full admission and have ACT (or equivalent SAT) subject scores below 18 in English or 20 in reading, or are missing Pre-College Curriculum requirements, will be granted admission to the University in this category.

Students who have an ACT (or equivalent SAT) subject scores below 16 in Mathematics, 15 in English, or 15 in Reading will be granted Success First Admission for the summer term only and must successfully complete directed coursework to remain enrolled for the fall term. Students who subsequent to admission submitted test scores demonstrating proficiency at or above the indicated scores will be permitted to register for fall classes.

SUCCESS FIRST ADMISSION

Students who do not meet the specified criteria for full or directed admission and have a high school GPA of 2.0 on a 4.0 scale may be granted admission to the University through the Success First Initiative. Students will be admitted to associate level programs initially until they demonstrate academic success. Refer to Success First Initiatives on page 44 in the College Readiness section for further details.

NOTE: All admitted students must meet the state-mandated college readiness standards for all subjects prior to registering for classes, or they must enroll in required preparatory coursework beginning their first academic semester.

ADMISSION ON APPEAL

Students who apply but are denied admission to the University may submit a written appeal to the Admissions Appeals Committee.

The committee will carefully consider all aspects of the applicant’s situation, including academic record and desire to attend EKU, as presented in the appeal request.

If granted admission by the committee, students will partner with an academic success coach and sign a Student Success Agreement specifying academic expectations and requirements for remaining enrolled at the University.

The admissions appeal form and information regarding the appeals process can be found on the EKU Admissions website or in the Office of Admissions. For more information regarding the Student Success Agreement, see page 45 of the catalog.

EASTERN BRIDGE SUCCESS FIRST PROGRAM

Refer to the Developmental Education and College Readiness section on page 44.

REQUIREMENTS FOR INTERNATIONAL STUDENTS

International applicants must also submit:

(1) International application for admission and application fee.
(2) TOEFL Scores-minimum requirement 530 (paper based), 195 (computer based), or 72 (internet based with no band score below 16) OR Official IELTS Scores- must have at least 5.0 in all categories and 6.0 overall. Prospective Japanese students may qualify with an EIKEN test score of Pre-1. Eastern Kentucky University will accept completion of level 112
from any English Language Services (ELS) program in lieu of TOEFL/IELTS Scores. Students may submit ACT or SAT scores with reading and English scores for consideration as demonstrated language proficiency. ACT sub-scores of an 18 in English or 18 in Reading OR SAT sub-score of 470 in Critical Reading, or 430 in Writing will also be sufficient to meet the English Language Requirement.

(3) Declaration and Certification of Finances and a supporting bank letter, showing financial support to attend Eastern Kentucky University.

(4) Official Secondary School Record(s) mailed to the Office of Admissions. Photocopies are not acceptable unless they are certified copies.

(5) Official College or University transcripts (Photocopies of academic documents are not considered official unless they carry an original signature and stamp of authorization from the issuing institution). You must have a minimum cumulative GPA of 2.0 and at least 24 credit hours from an accredited institution. University level courses taken at institutions outside of the U.S. must be evaluated by one of the following outside agencies (i.e. World Education Services (www.wes.org) or JSilny and Associates (www.jsilny.com)). Questions regarding the process of foreign transcript evaluation may be directed to the Office of Admissions. **Photo copies are not accepted.**

(6) Application fee of $35.

**Requirements for Admission as a Transfer Student**

To be admitted as a transfer student, you must:

(1) Submit an official transcript from each regionally accredited institution you have attended. Eastern Kentucky University does not accept credits from institutions that are not regionally accredited. Note that the transcript must be sent from the student’s institution to Eastern Kentucky University’s Office of Admissions. Hand-carried transcripts will not be accepted.

(2) Have a 2.0 grade point average (GPA) on a 4.0 scale on all work from accredited institutions.

(3) Provide evidence that you are eligible to return to any institution you have previously attended when good academic standing is not indicated on the official transcript.

(4) Students with less than 24 college academic credits awarded since high school graduation will be considered first time freshmen for admissions purposes and will need to also submit ACT scores and high school transcripts. A student’s college coursework and academic performance will be considered in determining admissibility. While ACT scores are not required for transfer students with greater than 24 credit hours earned since high school graduation, you are encouraged to submit scores for proper course placement in English, mathematics, and reading courses if not evidenced by your college academic record.

**Note:** If you are admitted as a transfer student, your cumulative GPA will include hours attempted and quality points earned from all regionally accredited institutions. The Academic Advising Office and the academic department of your major will determine the applicability of your courses to your academic program.

**Note:** Eastern Kentucky University subscribes fully to the policies of the “General Education Transfer Agreement” of the Kentucky Council on Postsecondary Education. Thus, Eastern Kentucky University will apply courses transferred from Kentucky public institutions to its general education requirements in accord with those policies.

**Requirements for Readmission**

All previously enrolled EKU undergraduate students who have not attended Eastern Kentucky University for a period longer than 24 months must apply and be approved for readmission to the University before being allowed to continue taking classes.

Effective Fall 2012, students who wish to return to EKU, who have an overall GPA that is greater than 1.0 but less than a 2.0, will return on Academic Probation status. These students will be assigned an academic coach in the Office of University Advising, and will develop an academic success plan with their coach before being allowed to register for classes. Continued enrollment is contingent upon adherence to their signed academic success contract and meeting EKU Academic Standards Policy.

Students who wish to return to EKU but left with a GPA of less than a 1.0 must appeal for readmission through the Readmission Appeals Committee, in addition to submitting an application for readmission to the Office of Admissions. The form and instructions for an appeal for readmission can be found on the EKU Registrar’s website (http://www.registrar.eku.edu/Forms; Academic Standing/Readmit Appeals Form).

If the student’s appeal is approved he/she will be readmitted upon submitting an application for readmission. Both the application to the Office of Admissions, and the appeal to the Readmission Appeal Committee may be submitted simultaneously. The Readmission Appeal Committee may require an in-person interview during the appeal consideration process. If their appeal to return to EKU is approved these students will return on Academic Probation status. They will be assigned an academic coach in the Office of University Advising, and will develop an academic success plan with their coach before being allowed to register for classes. Continued enrollment is contingent upon adherence to their signed academic success contract and meeting EKU Academic Standards Policy.

If a student has attended another institution since leaving EKU, and has been out of the University for longer than 24 months, his/her return to EKU will be considered under the readmission guidelines above instead of the student being considered a transfer student.

Students who have received a Developmental Dismissal must submit documentation (a transcript or official test scores) indicating that proficiency has been earned for any needed developmental coursework before they may be readmitted to the University.

See the “Stopping Out” procedure in Section Four for additional information.

**Other Types of Admission**

1. **High School Specials**

 Students who have one unit less than the number required for high school graduation with superior grades (i.e., 3.0+ grade point
2. **EKU Dual Credit**

EKU’s dual credit program is open to high school juniors and seniors, residing within Kentucky, who meet eligibility requirements, and whose school is partnering with EKU through a memorandum of agreement. Dual credit programs are designed to reduce degree cost and time to degree for Kentucky students. Academically strong high school students may qualify for reduced or free tuition. (See EKU Now! section below.)

Dual Credit students may enroll in a maximum of 2 courses per fall and spring semester of their junior and senior years in high school at the reduced dual credit tuition rate. They may also take advantage of the EKU “Summer 2” term, for a maximum of one course, at the reduced dual credit tuition rate, during the summer. Students enrolling in more than two courses in the fall or spring semesters, or more than one course during the Summer 2 term, will be charged full undergraduate tuition for the additional coursework. A maximum of eight courses in total may be taken at the dual credit tuition rate.

Students may enroll at any EKU campus offering applicable courses. Courses may include general education courses or departmentally approved introductory courses for specific majors. Students may attend approved EKU courses on high school campuses via face-to-face, ITV, or online instruction. Students are required to meet all course pre-requisites.

EKU Dual Credit courses offered in the high school, are to be composed only of students enrolled for EKU Credit or AP credit in Advance Kentucky approved courses.

To qualify for EKU’s Dual Credit Program, high school juniors or seniors must have a 3.0 high school GPA and have ACT/PLAN scores on file with EKU at the time of application. Students must have minimum ACT/PLAN sub-scores of 18 in English and 20 in Reading, with a minimum ACT/PLAN composite score of 20.

To apply for EKU Dual Credit, students must submit a Dual Credit application, ACT scores and a high school transcript by the application deadline specified for each semester. A new application and supporting documentation must be submitted each academic year to continue. EKU waives the application fee for dual credit admission.

Dual Credit students will attend special advising sessions and register for courses during a specified period prior to the beginning of an academic year. Advising and registration sessions will be available on each of EKU’s participating campuses.

Continued participation in EKU’s Dual Credit program is dependent upon successful completion of courses. Dual credit students are expected to maintain a 2.0 minimum cumulative EKU GPA. Students who earn a “D” or an “F” in a course(s) will be required to successfully repeat the course(s) and earn a 2.0 term GPA in order to continue in the dual credit program. Students who elect to repeat a course will contact the Office of the Registrar for registration approval and assistance. Students repeating courses will be charged full dual credit tuition.

**EKU Now!** is a scholarship program for dual credit students which provides the opportunity for qualifying juniors and seniors to earn free college credit. High school juniors and seniors with a 3.0 high school GPA, ACT/PLAN composite score of 21 and above, and ACT/PLAN scores of 18 in English, 19 in Math, and 20 in Reading are eligible to receive a dual credit scholarship for one course per semester. This scholarship will pay full dual credit tuition. EKU Now! participants who successfully maintain academic eligibility may earn scholarships for up to five free EKU courses and may include one summer course.

EKU Now! participants who maintain a minimum 3.5 unweighted high school GPA and a 23 ACT composite can earn an additional four dual credit scholarships, one per semester, tuition free. These students will be designated Whitlock Scholar Candidates. Additional information regarding Whitlock Scholars can be obtained by calling 859-622-6532.

All dual credit students are responsible for the cost of textbooks, parking permits, course fees and late registration fees, when applicable. Students electing to use the Student Recreation Center may request that this fee be added to their accounts.

NOTE: KYOTE or COMPASS test scores, as well as EKU Placement Test scores, may be substituted for ACT sub-scores. Additional information on COMPASS or KYOTE college readiness scores, is available from EKU Academic Testing 859-622-1281, or visit http://www.developmentaleducation.eku.edu/program-description.

SAT conversion scores will be determined by EKU’s Department of Academic Testing.

Exceptions to the junior/senior status will be taken into consideration when a student meets one of the dual credit scholarship levels. Exceptions must be approved in writing by the high school principal. A student’s academic and social maturity should be considered for the success of the student. The request will be routed through the office of the Provost for final approval. These students may enroll in one course per semester prior to their junior and senior years in high school.

Exceptions to the high school GPA requirement for juniors and seniors will be taken into consideration upon the written recommendation of the high school principal. The request will be routed through the office of the Provost for final approval. High schools may have a maximum of 2% of their EKU Dual Credit enrollment (or two students, whichever is higher) participating under the high school GPA exception.

3. **Visiting Students**

If you are a student at another institution and wish to enroll at Eastern Kentucky University as a visiting, or “transient,” student, you may be admitted by submitting an official transcript or a statement indicating that you are eligible to return to your institution.

4. **Admission as a Non-Degree Student**

Upon submission of an application, you may be admitted as a non-degree student. If so admitted,

(1) Your eligibility for enrollment in specific courses will be dependent upon meeting the stated course prerequisites.

(2) You must meet with an academic advisor to be advised and receive a RAC number;

(3) You will **not** be eligible to receive financial assistance awards.

If you subsequently decide to pursue a degree, you must reapply for admission as a degree seeker. If you are thus admitted,

(1) You will be required to remediate all pre-college
curriculum deficiencies and to satisfy all Eastern Kentucky University developmental requirements.

5. O’Donnell Scholarship Recipients

If you are at least 65 years of age, you may be admitted to Eastern Kentucky University with a waiver of tuition. You need submit only an application for admission.

6. Home-Schooled Students

Eastern Kentucky University applies the same admissions requirements to home-schooled students as those who graduate from a public or private high school. Students who meet our criteria will be granted an admissions status as established by the current admissions policy: Full Admit, Provisional Admit, Probationary Admit, or Special Admit.

Home-schooled students are subject to the secondary education standards established by the Kentucky Department of Education and the Kentucky Council on Post Secondary Education. This includes meeting the curriculum guidelines of the State approved Pre-College Curriculum.

In order to gain admission to Eastern Kentucky University, in addition to the application and application fee, these students must submit a notarized copy of their official transcript demonstrating they have met the PCC curriculum and have a minimum accumulative GPA of 2.0 on a 4.0 scale. They must also submit an official ACT score report.

7. International Baccalaureate

Students who complete the International Baccalaureate Diploma may present their official exam results for demonstration of completion of secondary education. Based on the exam scores received, students will qualify for advanced academic placement (See Section Four General Academic Information or www.testing.eku.edu).

KENTUCKY PRE-COLLEGE CURRICULUM

The Kentucky Pre-College Curriculum (PCC) is defined by the Kentucky Council on Postsecondary Education (CPE) as a prescribed set of high school courses required for admission to an associate or baccalaureate degree program at a Kentucky public university. Students under 21 years of age must complete the PCC if they are admitted to the University as a degree seeking student or transfer in with less than 24 credit hours or transfer in with a GPA less than 2.0 on a 4.0 scale. The Pre-College Curriculum better prepares students for college-level work and reflects high school graduation requirements. Students admitted to the University with PCC deficiencies must complete courses to remediate these deficiencies. Pre-College Curriculum deficiencies must be remediated within the first 24 hours of enrollment, excluding developmental hours. Specific courses are designated to remediate PCC deficiencies in each content area.

PCC requirements, established by the state, are four credits of English/Language Arts, three credits of Mathematics, three credits of Social Studies, three credits of Science, one-half credit of health, one-half credit of physical education, one credit of History and Appreciation of Visual, Performing Arts, and two credits or demonstrated competency of a World Language.

Students with a pre-college curriculum deficiency in World Languages are required to complete six credit hours of an approved World Language within 24 hours of enrollment. All six credit hours must be earned in the same World Language. Students with PCC deficiencies in other subject areas (English, Mathematics, Social Studies, Science) will remediate those needs by following the EKU General Education curriculum.

If you have any questions concerning Kentucky Pre-College Curriculum requirements, please contact the Office of Academic Advising, the Office of Admissions, or the Office of Academic Readiness.

*Courses also count toward degree credit.

STUDENT RESIDENCY

Since registration and other fees and residence hall room rents are subject to change periodically, no attempt is made in this publication to itemize these costs. This information is available from the Office of Admissions prior to the beginning of each academic year.

Any veteran of the Armed Forces of the United States or National Guard who is eligible for Post-9/11 GI Bill benefits who enrolls as a student in the university as a non-Kentucky resident will be charged no more than the maximum tuition reimbursement provided under the Post-9/11 GI Bill to public universities for eligible Kentucky residents. Veterans must submit a DD-214 or VA Certificate (Letter) of Eligibility for Post 9-11 (Chapter 33) GI Bill benefits through the Office of Military and Veterans Affairs to the Office of Admissions to validate their eligibility for this provision.

STATUTORY AUTHORITY: KRS 164.020(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 164.020(8) requires the Council on Postsecondary Education to determine tuition and approve the minimum qualifications for admission to a state-supported postsecondary education institution and authorizes the Council to set different tuition amounts for residents of Kentucky and for nonresidents. This administrative regulation establishes the procedure and guidelines for determining the residency status of a student who is seeking admission to, or who is enrolled at, a state-supported postsecondary education institution.
Section 1. Definitions.
(1) “Academic term” means a division of the school year during which a course of studies is offered, and includes a semester, quarter, or single consolidated summer term as defined by the institution.
(2) “Continuous enrollment” means enrollment in a state-supported postsecondary education institution at the same degree level for consecutive terms, excluding summer term, since the beginning of the period for which continuous enrollment is claimed unless a sequence of continuous enrollment is broken due to extenuating circumstances beyond the student’s control, such as serious personal illness or injury, or illness or death of a parent.
(3) “Degree level” means enrollment in a course or program which could result in the award of: 
   a. Certificate, diploma, or other program award at an institution;
   b. Baccalaureate degree or lower, including enrollment in a course by a nondegree-seeking postbaccalaureate student;
   c. Graduate degree or graduate certification other than a first-professional degree in law, medicine, dentistry, or “Pharm. D”; or
   d. Professional degree in law, medicine, dentistry, or “Pharm. D”.
(4) “Dependent person” means a person who cannot demonstrate financial independence from parents or persons other than a spouse and who does not meet the criteria for independence established in Section 5 of this administrative regulation.
(5) “Determination of residency status” means the decision of a postsecondary education institution that results in the classification of a person as a Kentucky resident or as a nonresident for admission and tuition assessment purposes.
(6) “Domicile” means a person’s true, fixed, and permanent home and is the place where the person intends to remain indefinitely, and to which the person expects to return if absent without intending to establish a new domicile elsewhere.
(7) “Full-time employment” means continuous employment for at least forty-eight (48) weeks at an average of at least thirty (30) hours per week.
(8) “Independent person” means a person who demonstrates financial independence from parents or persons other than a spouse and who meets the criteria for independence established in Section 5 of this administrative regulation.
(9) “Institution” means an entity defined by KRS 164.001(12) if the type of institution is not expressly stated and includes the Kentucky Virtual University, the Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority.
(10) “Kentucky resident!” means a person determined by an institution for tuition purposes to be domiciled in, and a resident of, Kentucky as determined by this administrative regulation.
(11) “Nonresident” means a person who:
   a. Is domiciled outside Kentucky;
   b. Currently maintains legal residence outside Kentucky; or
   c. Is not a Kentucky resident as determined by this administrative regulation.
(12) “Parent” means one (1) of the following:
   a. A person’s father or mother; or
   b. A court-appointed legal guardian if:
   1. The guardianship is recognized by an appropriate court within the United States;
   2. There was a relinquishment of the rights of the parents; and
   3. The guardianship was not established primarily to confer Kentucky residency on the person.
(13) “Preponderance of the evidence” means the greater weight of evidence or evidence that is more credible and convincing to the mind.
(14) “Residence” means the place of abode of a person and the place where the person is physically present most of the time for a noneducational purpose in accordance with Section 3 of this administrative regulation.
(15) “Student financial aid” means all forms of payments to a student if one (1) condition of receiving the payment is the enrollment of the student at an institution, and includes student employment by the institution or a graduate assistantship.
(16) “Sustenance” means:
   a. Living expenses, such as room, board, maintenance, and transportation; and
   b. Educational expenses, such as tuition, fees, books, and supplies.

Section 2. Scope.
(1) State-supported postsecondary education institutions were established and are maintained by the Commonwealth of Kentucky primarily for the benefit of qualified residents of Kentucky. The substantial commitment of public resources to postsecondary education is predicated on the proposition that the state benefits significantly from the existence of an educated citizenry. As a matter of policy, access to postsecondary education shall be provided so far as feasible at reasonable cost to a qualified individual who is domiciled in Kentucky and who is a resident of Kentucky.
(2) In accordance with the duties established in KRS 164.020, the Council on Postsecondary Education may require a student who is neither domiciled in, nor a resident of, Kentucky to meet higher admission standards and to pay a higher level of tuition than resident students.
(3) Unless otherwise indicated, this administrative regulation shall apply to all student residency determinations, regardless of circumstances, including residency determinations made by:
   a. The state-supported institutions for prospective and currently-enrolled students;
   b. The Southern Regional Education Board for contract spaces;
   c. Reciprocity agreements, if appropriate;
   d. The Kentucky Virtual University;
   e. Academic common market programs;
   f. The Kentucky Educational Excellence Scholarship Program; and
   g. Other state student financial aid programs, as appropriate.

Section 3. Determination of Residency Status; General Rules.
(1) A determination of residency shall include:
   a. An initial determination of residency status by an institution:
      1. During the admission process;
      2. Upon enrollment in an institution for a specific
Section Two - Admission and Residency

2. Whether the person has been claimed as a dependent on the federal or state tax returns of a parent or other person for the year preceding the date of application for a determination of residency status; or  
3. An individual who enrolls at an institution immediately following graduation from high school and remains enrolled shall be presumed to be a dependent person unless the contrary is evident from the information submitted.

4. Domicile may be inferred from the student’s permanent address, parent’s mailing address, or location of high school of graduation.

5. Marriage to an independent person domiciled in and who is a resident of Kentucky shall be a factor considered by an institution in determining whether a student is dependent or independent.

6. Financial assistance from, or a loan made by, a parent or family member other than an independent spouse, if used for sustenance of the student:  
   - Shall not be considered in establishing a student as independent; and
   - A person’s admissions records indicate the student’s residence to be outside of Kentucky when the student applied for admission;
   - A person moves to Kentucky primarily for the purpose of enrollment in an institution;
   - A person moves to Kentucky and within twelve (12) months enrolls at an institution more than half time;
   - A person has a continuous absence of one (1) year from Kentucky; or
   - A person attended an out-of-state higher education institution during the past academic year and paid instate tuition at that institution.

2. An presumption arising from subsection (1) of this section shall only be overcome by preponderance of evidence sufficient to demonstrate that a person is domiciled in and is a resident of Kentucky.

Section 4. Presumptions Regarding Residency Status.

1. In making a determination of residency status, an institution shall first determine whether a student is dependent or independent. This provision shall be predicated on the assumption that a dependent person lacks the financial ability to live independently of the person upon whom the student is dependent, and therefore, lacks the ability to form the requisite intent to establish domicile.

2. If the Council on Postsecondary Education has information that a student's residency status may be incorrect, it may require the institution to review the student's correct residency status.

3. If applicable, other materials required by an institution and consistent with this administrative regulation;

4. If a student is officially reclassified by an institution.

5. For admission into a specific academic program;

6. A reconsideration of a determination of residency status by an institution based upon a changed circumstance; or

7. A formal hearing conducted by an institution upon request of a student after other administrative procedures have been completed.

8. An initial determination of residency status shall be based upon:

   a. The facts in existence when the credentials established by an institution for admission for a specific academic term have been received and during the period of review by the institution;

   b. Information derived from admissions materials;

   c. If applicable, other materials required by an institution;

   and

   d. Other information available to the institution from any source.

9. An individual seeking a determination of Kentucky residency status shall demonstrate that status by a preponderance of the evidence.

10. A determination of residency status shall be based upon verifiable circumstances or actions.

11. Evidence and information cited as the basis for Kentucky domicile and residency shall accompany the application for a determination of residency status.

12. A student classified as a nonresident shall retain that status until the student is officially reclassified by an institution.

13. A student may apply for a review of a determination of residency status once for each academic term.

14. If an institution has information that a student’s residency status may be incorrect, the institution shall review and determine the student’s correct residency status.

15. If the Council on Postsecondary Education has information that an institution’s determination of residency status for a student may be incorrect, it may require the institution to review the circumstances and report the results of that review.

16. An institution shall impose a penalty or sanction against a student who gives incorrect or misleading information to an institutional official, including payment of nonresident tuition for each academic term for which resident tuition was assessed based on an improper determination of residency status. The penalty or sanction may also include:

   a. Student discipline by the institution through a policy written and disseminated to students; or

   b. Criminal prosecution.

Section 5. Determination of Whether a Student is Dependent or Independent.

1. A person is, or seeks to be, an undergraduate student immediately enrolled;

2. Whether the person has financial earnings and resources independent of a person other than an independent spouse necessary to provide for the person’s own sustenance.

3. An individual who enrolls at an institution immediately following graduation from high school and remains enrolled shall be presumed to be a dependent person unless the contrary is evident from the information submitted.

4. Domicile may be inferred from the student’s permanent address, parent’s mailing address, or location of high school of graduation.

5. Marriage to an independent person domiciled in and who is a resident of Kentucky shall be a factor considered by an institution in determining whether a student is dependent or independent.

6. Financial assistance from, or a loan made by, a parent or family member other than an independent spouse, if used for sustenance of the student:

   a. Shall not be considered in establishing a student as independent; and
Section 6. Effect of a Determination of Dependent Status on a Determination of Residency Status.

(1) The effect of a determination that a person is dependent shall be:

(a) The domicile and residency of a dependent person shall be the same as either parent. The domicile and residency of the parent shall be determined in the same manner as the domicile and residency of an independent person; and

(b) The domicile and residency of a dependent person whose parents are divorced, separated, or otherwise living apart shall be Kentucky if either parent is domiciled in and is a resident of Kentucky regardless of which parent has legal custody or is entitled to claim that person as a dependent pursuant to federal or Kentucky income tax provisions.

(2) If the parent or parents of a dependent person are Kentucky residents and are domiciled in Kentucky, but subsequently move from the state:

(a) The dependent person shall be considered a resident of Kentucky while in continuous enrollment at the degree level in which currently enrolled; and

(b) The dependent person’s residency status shall be reassessed if continuous enrollment is broken or the current degree level is completed.

Section 7. Member or Former Member of Armed Forces of the United States, Spouse and Dependents; Effect on a Determination of Residency Status.

(1) A member, spouse, or dependent of a member whose domicile and residency was Kentucky when inducted into the Armed Forces of the United States, and who maintains Kentucky as home of record and permanent address, shall be entitled to Kentucky residency status:

(a) During the member’s time of active service; or

(b) If the member returns to this state within six (6) months of the date of the member’s discharge from active duty.

(2) (a) A member of the armed services on active duty for more than thirty (30) days and who has a permanent duty station in Kentucky shall be classified as a Kentucky resident and shall be entitled to in-state tuition as shall the spouse or a dependent child of the member.

(b) A member, spouse, or dependent of a member shall not lose Kentucky residency status if the member is transferred on military orders while the member, spouse, or dependent requesting the status is in continuous enrollment at the degree level in which currently enrolled.

(3) Membership in the National Guard or civilian employment at a military base alone shall not qualify a person for Kentucky residency status under the provisions of subsections (1) and (2) of this section. If a member of the Kentucky National Guard is on active duty status for a period of not less than thirty (30) days, the member shall be considered a Kentucky resident, as shall the spouse or a dependent child of the member.

(4) A person eligible for benefits under the federal Post-9/11 Veterans Educational Assistance Act of 2008, 38 U.S.C. 3301-3325, or any other educational benefits provided under Title 38 of the United States Code shall be entitled to Kentucky resident status for purposes of tuition charged at state-supported institutions.

(5) A person’s residency status established pursuant to this section shall be reassessed if the qualifying condition is terminated.

Section 8. Status of Nonresident Aliens; Visas and Immigration.

(1) (a) A person holding a permanent residency visa or classified as a political refugee shall establish domicile and residency in the same manner as another person.

(b) Time spent in Kentucky and progress made in fulfilling the conditions of domicile and residency prior to obtaining permanent residency status shall be considered in establishing Kentucky domicile and residency.

(2) A person holding a nonimmigrant visa with designation A, E, G, H-1, H-4 if accompanying a person with an H-1 visa, I, K, L, N, R, shall establish domicile and residency the same as another person.

(3)(a) An independent person holding a nonimmigrant visa with designation B, C, D, F, H-2, H-3, H-4 if accompanying a person with an H-2 or H-3 visa, J, M, O, P, Q, S, TD, or TN shall not be classified as a Kentucky resident because that person does not have the capacity to remain in Kentucky indefinitely and therefore cannot form the requisite intent necessary to establish domicile as defined in Section 1(6) of this administrative regulation.

(b) A dependent person holding a visa as described in paragraph (a) of this subsection, but who is a dependent of a parent holding a visa as described in subsection (2) of this section, shall be considered as holding the visa of the parent.

(c) A dependent person holding a visa as described in subsection (2) of this section or paragraph (a) of this subsection, if a parent is a citizen of the United States and is a resident of and domiciled in Kentucky, shall be a resident of Kentucky for the purposes of this administrative regulation.

(4) A person shall be a Kentucky resident for the purpose of this administrative regulation if the person graduated from a Kentucky high school and:

(a) Is an undocumented alien;

(b) Holds a visa listed in subsections (2) or (3)(a) of this section; or

(c) Is a dependent of a person who holds a visa listed in subsections (2) or (3)(a) of this section.

(5) (a) Except as provided in paragraph (b) of this subsection, a person who has petitioned the federal government to reclassify visa status shall continue to be ineligible until the petition has been granted by the federal government.

(b) A person who has petitioned the federal government to reclassify his or her visa status based on marriage to a Kentucky resident and who can demonstrate that the petition has been filed and acknowledged by the federal government, may establish Kentucky domicile and residency at that time.

Section 9. Beneficiaries of a Kentucky Educational Savings Plan Trust. A beneficiary of a Kentucky Educational Savings Plan Trust shall be granted residency status if the beneficiary meets the requirements of KRS 164A.330(6).
Section 10. Criteria Used in a Determination of Residency Status.

(1) (a) A determination of Kentucky domicile and residency shall be based upon verifiable circumstances or actions.
   (b) A single fact shall not be paramount, and each situation shall be evaluated to identify those facts essential to the determination of domicile and residency.
   (c) A person shall not be determined to be a Kentucky resident by the performance of an act that is incidental to fulfilling an educational purpose or by an act performed as a matter of convenience.
   (d) Mere physical presence in Kentucky, including living with a relative or friend, shall not be sufficient evidence of domicile and residency.
   (e) A student or prospective student shall respond to all requests for information regarding domicile or residency requested by an institution.

(2) The following facts, although not conclusive, shall have limited probative value in a determination of residency:
   (a) Acceptance of an offer of full-time employment or transfer to an employer in Kentucky or contiguous area while maintaining residence and domicile in Kentucky.
   (b) Continuous physical presence in Kentucky while in a nonstudent status for the twelve (12) months immediately preceding the start of the academic term for which a classification of Kentucky residency is sought.
   (c) Filing a Kentucky resident income tax return for the calendar year preceding the date of application for a change in residency status; or 2. Payment of Kentucky withholding taxes while employed during the calendar year for which a change in classification is sought.
   (d) Full-time employment of at least one (1) year while living in Kentucky.
   (e) Attendance as a full-time, nonresident student at an out-of-state institution based on a determination by that school that the person is a resident of Kentucky.
   (f) Abandonment of a former domicile or residence and establishing domicile and residency in Kentucky with application to or attendance at an institution following and incidental to the change in domicile and residency.
   (g) Obtaining licensing or certification for a professional and occupational purpose in Kentucky.
   (h) Payment of real property taxes in Kentucky.
   (i) Ownership of real property in Kentucky, if the property was used by the student as a residence preceding the date of application for a determination of residency status.
   (j) Marriage of an independent student to a person who was domiciled in and a resident of Kentucky prior to the marriage; and
   (k) The extent to which a student is dependent on student financial aid in order to provide basic sustenance.

(3) Except as provided in subsection (4) of this section, the following facts, because of the ease and convenience in completing them, shall have limited probative value in a determination that a person is domiciled in and is a resident of Kentucky:
   (a) Kentucky automobile registration;
   (b) Kentucky driver’s license;
   (c) Registration as a Kentucky voter;
   (d) Long-term lease of at least twelve (12) consecutive months of noncollegiate housing; and
   (e) Continued presence in Kentucky during academic breaks.

(4) The absence of a fact contained in subsection (3) of this section shall have significant probative value in determining that a student is not domiciled in or is not a resident of Kentucky.

Section 11. Effect of a Change in Circumstances on Residency Status.

(1) If a person becomes independent or if the residency status of a parent or parents of a dependent person changes, an institution shall reassess residency either upon a request by the student or a review initiated by the institution.

(2) Upon transfer to a Kentucky institution, a student’s residency status shall be assessed by the receiving institution.

(3) A reconsideration of a determination of residency status for a dependent person shall be subject to the provisions for continuous enrollment, if applicable.

Section 12. Student Responsibilities.

(1) A student shall report under the proper residency classification, which includes the following actions:
   (a) Raising a question concerning residency classification;
   (b) Making application for change of residency classification with the designated office or person at the institution; and
   (c) Notifying the designated office or person at the institution immediately upon a change in residency.

(2) If a student fails to notify an institutional official of a change in residency, an institutional official may investigate and evaluate the student’s residency status.

(3) (a) If a student fails to provide, by the date specified by the institution, information required by an institution in a determination of residency status, the student shall be notified by the institution that the review has been canceled and that a determination has been made.
   (b) Notification shall be made by registered mail, return receipt requested.

(4) The formal hearing conducted by an institution and the final recommended order shall be a final administrative action with no appeal to the Council on Postsecondary Education.
   (a) A formal administrative hearing conducted by the Council on Postsecondary Education for residency determinations related to eligibility for the Academic Common Market and Regional Contract Programs shall be conducted pursuant to the provisions of KRS Chapter 13B and 13 KAR 2:070. The recommended order issued by the President of the Council shall be a final administrative action.
   (b) A formal administrative hearing conducted by the Council on Postsecondary Education for residency determinations shall be conducted pursuant to the provisions of KRS Chapter 13B and 13 KAR 2:070. The recommended order issued by the President of the Council shall be a final administrative action.

(5) A student shall not be entitled to appeal a determination of residency status if the determination made by an institution is because a student has failed to meet published deadlines for the submission of information as set forth in subsection (3) of this section. A student may request a review of a determination of residency status in a subsequent academic term.
Section 13. Institutional Responsibilities. Each institution shall:

(1) Provide for an administrative appeals process that includes a residency appeals officer to consider student appeals of an initial residency determination and which shall include a provision of fourteen (14) days for the student to appeal the residency appeals officer’s determination;

(2) Establish a residency review committee to consider appeals of residency determinations by the residency appeals officer. The residency review committee shall make a determination of student residency status and notify the student in writing within forty-five (45) days after receipt of the student appeal;

(3) Establish a formal hearing process as described in Section 14 of this administrative regulation; and

(4) Establish written policies and procedures for administering the responsibilities established in subsections (1), (2), and (3) of this section and that are:
   (a) Approved by the institution’s governing board;
   (b) Made available to all students; and
   (c) Filed with the council.

(1) A student who appeals a determination of residency by a residency review committee shall be granted a formal hearing by an institution if the request is made by a student in writing within fourteen (14) calendar days after notification of a determination by a residency review committee.

(2) If a request for a formal hearing is received, an institution shall appoint a hearing officer to conduct a formal hearing. The hearing officer shall:
   (a) Be a person not involved in determinations of residency at an institution except for formal hearings; and
   (b) Not be an employee in the same organizational unit as the residency appeals officer.

(3) An institution shall have written procedures for the conduct of a formal hearing that have been adopted by the board of trustees or regents, as appropriate, and that provide for:
   (a) A hearing officer to make a recommendation on a residency appeal;
   (b) Guarantees of due process to a student that include:
      1. The right of a student to be represented by legal counsel; and
      2. The right of a student to present information and to present testimony and information in support of a claim of Kentucky residency; and
   (c) A recommendation to be issued by the hearing officer.

(4) An institution’s formal hearing procedures shall be filed with the Council on Postsecondary Education and shall be available to a student requesting a formal hearing.

Section 15. Cost of Formal Hearings.

(1) An institution shall pay the cost for all residency determinations including the cost of a formal hearing.

(2) A student shall pay for the cost of all legal representation in support of the student’s claim of residency.

Adopted effective April 5, 1991; Amended effective May 16, 1996; Amended effective June 16, 1997; Amended effective July 13, 1998; Amended effective June 7, 1999; Amended effective November 12, 2002; Amended effective April 2, 2010; Amended effective June 9, 2015.

RESIDENCY APPEALS POLICY AND PROCEDURES

1. BASIS FOR RESIDENCY CLASSIFICATION

The Commonwealth of Kentucky has established a process and corresponding criteria for the determination of residency classification for students seeking admission to, or enrolled in, public institutions of higher education. The Council on Postsecondary Education (hereinafter referred to as “CPE”) has established Kentucky Administrative Regulation 13 KAR 2:045 (hereinafter referred to as “the Regulation”) to be followed by all public institutions of higher education in the Commonwealth concerning residency classification. This Regulation can be found in the current Undergraduate Catalog and the current Graduate Catalog and copies are available upon request from the Office of Admissions, located in the Whitlock Building, Room 112 or by calling (859) 622-21-6 or 1-800-465-9191.

2. INSTITUTIONAL ADMINISTRATION OF THE RESIDENCY POLICY

The Council on Postsecondary Education authorizes each institution to establish a procedure for the determination of residency classification based upon the Regulation.

2.1 Office of Admissions

The Office of Admissions, Whitlock Building, Room 112, CPO 54, 521 Lancaster Avenue, Richmond, KY 40475-3154, at Eastern Kentucky University serves as the coordinating office for institutional implementation of the Regulation. Instructions for filing applications for reclassification and copies of the Regulation are available in this office. Also, Admissions staff members are available to answer questions regarding policy and procedures.

2.2 Initial Classification

The initial determination of residency status is made by the University based upon the credentials submitted by an applicant for admission to the University in accordance with the Regulations.

2.3 Appeal of Residency Status

Once an initial classification of residency is made by the Office of Admissions, it is the student’s responsibility to initiate an appeal of such classification. Request for reclassification must be filed with the Office of Admissions NO LATER THAN THIRTY (30) CALENDAR DAYS after the first full day of classes of the fall or spring academic term for which reclassification is sought or not later than ten (10) calendar days after the first day of class for the summer term. Requests for reclassification are to be made in affidavit form on the form available from the Office of Admissions. A student may apply only once during an academic term. A student classified as a non-resident will retain that status until a change is brought about by successful appeal. If an appeal results in a change of classification, the change will not be effective earlier than the semester during which the appeal is filed. If a student is initially classified non-resident but does not enroll the semester for which the student originally applied, the residency classification will be reassessed for subsequent semesters.
2.4 Affidavit (Application for Reclassification)
Affidavits will not be accepted unless the form is fully completed, properly signed and notarized. In no case will a decision be granted without an affidavit and all required supporting documentation.

2.5 Documentation
Because of the variety of factors related to establishing residency for tuition purposes, the number of documents required to complete an appeal may vary from case to case. In all cases, the University may require certification of authenticity of documents. It is the appealing student’s responsibility to provide sufficient documentation to clarify circumstances related to the appeal. In all cases, circumstances related to establishing domicile must be verifiable.

2.6 Review of the Residency File by the Residency Appeals Officer
A Residency Appeals Officer designated by the University shall review the affidavit and documentation and notify the student, in writing, within fourteen (14) days of making a determination. Students who do not agree with the Residency Appeals Officer’s determination may appeal his/her residency status to the University’s Residency Review Committee within fourteen (14) days of the Residency Appeals Officer’s determination.

3. UNIVERSITY RESIDENCY REVIEW COMMITTEE

Pursuant to the Regulation, Eastern Kentucky University has a Residency Review Committee (hereinafter referred to as the “Committee”) to review and evaluate student affidavits for reclassification and to consider changes in the residency classification.

3.1 Timely Appeal
The Student must notify the Residency Appeals Officer in writing, if he or she wishes his/her case to be reviewed by the Committee, within fourteen (14) calendar days after notification of the Residency Appeals Officer’s determination. The Residency Appeals Officer shall immediately forward the request and the student’s residency file to the Chair of the Committee.

3.2 Committee Membership
The Residency Review Committee shall be comprised of three members: the Associate Vice President for Enrollment Management; a member of the Faculty-at-Large, who shall be appointed annually by the Faculty Senate; and a member of the student body, who shall be appointed by the Office of the Vice President for Student Affairs from a list of students recommended by the Student Association.

3.3 Determination of the Committee
The Committee shall issue a written decision citing the section of the Regulation on which the decision is based. The Committee may vote to defer a case for additional documentation, or the Committee may make a decision contingent upon conditions prescribed by the Committee. The Chair of the Committee will then determine when and whether contingencies are met.

3.4 Notification of Decision
The Committee shall make a determination of student residency status and notify the student, in writing, within forty-five (45) days after receipt of the student appeal. Decisions denying appeals are communicated to the student by certified mail, return receipt requested. In all cases where the Committee reaches a determination granting in-state residency status, copies of the letter of notification will be sent to the Office of Admissions, Student Accounting Services, the Registrar’s Office, and Student Financial Assistance.

4. REQUEST FOR FORMAL HEARING

Pursuant to the Regulation, the University shall provide a formal hearing in the event a student wishes to appeal the determination of the Residency Review Committee.

4.1 Timely Request
A student who wishes to appeal the determination of the Committee shall be granted a formal hearing by the University if the student notifies the Office of the Associate Vice President for Enrollment Management, Whitlock Building, Room 340, CPO 63, Richmond, KY 40475-3163, in writing, within fourteen (14) calendar days after notification of the Residency Review Committee’s determination. The Assistant Vice President for Enrollment Management shall immediately forward the request and the student’s residency file to the Office of the President.

4.2 The Hearing Officer
Upon receipt of a request for a formal hearing, the University President shall appoint a Hearing Officer to conduct the hearing. The Hearing Officer shall not be a person involved in determinations of residency at a public institution of higher education in Kentucky (including the Kentucky Commonwealth Virtual University) and shall not be an employee of the same organizational unit as the Residency Appeals Officer.

4.3 Formal Hearing Procedures
The hearing shall be conducted in accordance with the following procedures:

4.3.1 Notice of Hearing
4.3.1.a. The University shall conduct the hearing as soon as practicable and shall give notice of the hearing to the parties not less than twenty (20) days in advance of the date set for the hearing. A reasonable effort shall be made to schedule the hearing on a date that is convenient to all parties involved.

4.3.1.b. The hearing notice shall be served on all parties by certified mail, return receipt requested, to the last known addresses of the parties involved in the hearing, including the names, official titles, mailing addresses of the Hearing Officer; the names, official titles, mailing addresses, and, if available, telephone numbers of all parties involved in the hearing, including the counsel or representative of the University; and a statement advising the student of his/her right to legal counsel.

4.3.2 Hearing Procedure
4.3.2.a. The Hearing Officer shall conduct the hearing
and all related proceedings in a manner which will promote the orderly and prompt conduct of the hearing.

4.3.2.b. To the extent necessary for the full disclosure of all relevant facts and issues, the Hearing Officer shall give all parties the opportunity to respond, present evidence and argument, conduct cross-examination, and submit rebuttal evidence.

4.3.2.c. Any party to the hearing may participate in person or be represented by counsel. A student shall pay for the cost of all legal representation in support of the student’s claim or residency. Legal counsel for the student must file a notice of appearance with the Hearing Officer prior to the date of the hearing.

4.3.2.d. The Hearing Officer may conduct all or part of the hearing by telephone, television, or other electronic means, if each party to the hearing has an opportunity to hear, and if technically feasible, to see the entire proceeding as it occurs, and if each party agrees.

4.3.2.e. The hearing shall be open to the public unless specifically closed pursuant to a provision of law. If the hearing is conducted by telephone, television, or other electronic means, and is not closed, public access shall be satisfied by giving the public an opportunity, at reasonable times, to hear or inspect the University’s records.

4.4 Findings of Fact; Evidence; Recording of Hearing: Burden of Proof

4.4.1. Findings of fact shall be based exclusively on the evidence on the record.

4.4.2. All testimony shall be made under oath or affirmation.

4.4.3. Objections to evidence presented may be made by any party and shall be noted in the record.

4.4.4. The University shall be responsible for having all testimony, motions and objections in a hearing accurately and completely recorded. Any person, upon request, may receive a copy of the recording or a copy of the transcript, if the hearing has been transcribed, at the discretion of the University, unless the hearing is closed by law. The University may prepare a transcript of a hearing or a portion of a hearing upon request but the party making the request shall be responsible for the transcription costs. The form of all requests and fees charged shall be consistent with KRS 61.870 to 61.884.

4.4.5. Unless otherwise provided by state or federal law, the student appealing the residency decision has the burden of proving the student’s right to having his/her residency status changed. The student has the ultimate burden of proof of persuasion as to this issue to be shown by a preponderance of evidence in the record. Failure to meet the burden of proof is grounds for a recommended order from the Hearing Officer.

4.5 Prohibited Communications

4.5.1. The Hearing Officer shall not communicate off the record with any party to the hearing or any other person who has a direct or indirect interest in the outcome of the hearing, concerning any substantive issue, while the hearing is pending.

4.6. Recommended Order

4.6.1. The Hearing Officer shall complete and submit to the University President, no later than sixty (60) days following receipt of the student’s residency file, a written recommended order which shall include the Hearing Officer’s findings of fact, conclusion of law, and recommended disposition of the hearing.

4.6.2. A copy of the Hearing Officer’s recommended order shall also be sent to each party in the hearing. Each party shall have fifteen (15) days from the date the recommended order is mailed within which to file exceptions to the recommendations with the University President. The recommended order may be sent by regular mail to the last known address of the party.

4.7. Final Order

4.7.1. In making the final order, the University President shall consider the record including the recommended order and any exceptions filed by, or on behalf of, the student.

4.7.2. The University President may accept the recommended order of the Hearing Officer and adopt it as the University’s final order, or he or she may reject or modify, in whole or in part, the recommended order, or he or she may send the matter, in whole or in part, back to the Hearing Officer for further proceedings as appropriate.

4.7.3. The final order shall be in writing. If the final order differs from the recommended order, it shall include separate statements of findings of fact and conclusions of law.

4.7.4. The University President shall render a final order within thirty (30) days after receipt of the recommended order unless the matter is sent back to the Hearing Officer for further proceedings.

4.7.5. A copy of the final order shall be transmitted to each party or to his/her attorney of record by certified mail, return receipt requested, sent to the last known address of the parties, or by personal service. A copy of the final order shall also be sent to the Office of Admissions, Student Accounting Services, the Registrar’s Office, and Student Financial Assistance.

5. RECORDS

All official files and materials relating to a student’s appeal of an initial residency determination shall be returned to the Office of Admissions to be placed with the application for admissions at whatever point in the process the appeals procedure is terminated.

OFFICE OF FINANCIAL AFFAIRS AND TREASURER

The office of Finance and Administration coordinates the following areas of University operations: 1) Accounting and Financial Services, 2) Budgeting, 3) Facilities Services, 4) Human Resources, 5) Information Technology, 6) Purchases and Stores, 7) Student Accounting Services, and 8) University Card Services. Additionally, the following contractual departments report to the University through the Office of Finance and Administration: 1) EKU Dining Services, and 2) EKU Bookstore.

Students may view the mission statement of each of the above areas by visiting the Office of Finance and Administration web page at http://www.financialaffairs.eku.edu.

FINANCIAL OBLIGATIONS OF THE STUDENT

Any student or former student who is indebted to the University and who fails to make satisfactory settlement within a time limit prescribed is liable for administrative action. Students who are indebted to the University may not register at the University nor will their transcript be released until the debt is paid. Any student indebted to the University who cannot meet his or her financial obligations within the time limit prescribed is responsible for calling on the division of Student accounting Services and explaining the reasons for failure to pay. Students who fail to pay their account balance in a timely manner may also be liable for additional collection costs incurred by the University in collecting the amount owed.

REFUND POLICY

No refund can be made on certain class fees and optional fees as established by the Eastern Kentucky University Board of Regents. Students wishing to withdraw from courses must do so online via EKUDirect (on the EKU home page at www.eku.edu). When a student officially withdraws from the University or from any course or courses for which hourly rates apply, tuition and fees will be adjusted in the following manner:

<table>
<thead>
<tr>
<th>Time Period*</th>
<th>Refund</th>
</tr>
</thead>
<tbody>
<tr>
<td>During add/drop period for any class (for full semester classes = 1st week)</td>
<td>100%</td>
</tr>
<tr>
<td>From end of 1st week through end of 2nd week of class</td>
<td>75%</td>
</tr>
<tr>
<td>From end of 2nd week through end of 3rd week of class</td>
<td>50%</td>
</tr>
<tr>
<td>From end of 3rd week through end of 4th week of class</td>
<td>25%</td>
</tr>
<tr>
<td>After the 4th week of class</td>
<td>0%</td>
</tr>
</tbody>
</table>

*Partial semester courses vary in length and the percentage of refunds and the effective dates will be modified accordingly. This policy applies to refundable fees only; non-refundable fees are not included. In no case shall a refund of rent be made to a person who remains a student but moves from University housing at his or her convenience.

FINANCIAL APPEALS

An appeals process exists for students who feel that individual circumstances warrant exceptions from published policy. Financial appeals may be submitted if a student had an unforeseeable and unavoidable situation during the semester the charges were incurred that prevented them from attending classes and completing the semester. All appeal letters should be submitted by the student in writing clearly stating the reason for the appeal. Documentation should be attached to all appeal letters to validate the situation. Circumstances that do not qualify for financial appeal include pre-existing conditions, routine pregnancy, employment opportunities and financial hardship, including denial of financial aid. In most cases, any refund that is the result of an approved appeal will be returned to the source of the payment, the student, the financial aid lender, or a third party entity. Financial appeals should be submitted to the Financial Appeals Committee, Whitlock Building CPO 60, 521 Lancaster Avenue, Richmond, KY 40475.

Refunds for reduction in course load for part-time students will be at the same percentage rate as for students who officially withdraw from the University; however, if the reduction in course load results from the cancellation of a class or from the student having been permitted to enroll for a class for which he or she was not eligible, a full refund will be made of the registration fee for the course being dropped.

BARNES & NOBLE AT EKU BOOKSTORE

Keen Johnson Building
Phone: (859) 622-2696
Fax: (859) 622-2660
www.eku.bkstore.com

The Barnes & Noble at EKU Bookstore is located at the heart of campus in the Keen Johnson Building. The Bookstore is the place for one-stop shopping on all EKU licensed merchandise, textbooks, and much more. It offers a wide variety of products, services, and events including:

- Rental, Digital, Used, and New textbooks – all the options are available.
- Class Supplies
- Trade books, magazines, gift items, greeting cards, diploma frames, nursing shop.
- Convenience items
- Under Armour, Nike, Adidas, Cutter & Buck, and much more
- Computers and computer supplies
- Backpacks
- Online textbook reservations
- Barnes & Noble gift cards
- Book signings
- Faculty receptions

The Barnes & Noble at EKU Bookstore works diligently with departments, faculty and staff to ensure that textbooks and products required for each class are readily available to students. Textbook requests are required from the departments and faculty by these dates:

- March 1 For the upcoming SUMMER sessions
- April 1 For the upcoming FALL semester
- October 1 For the upcoming SPRING semester

Textbook requests are required by the above dates for the following reasons:

- to allow ample time to receive all textbooks from the publishers in a timely manner
- to give out the most cash back to students during Book Buyback
  - Book Buyback begins directly before Finals Week
- If faculty use the same textbook in the next session, students will receive up to 50% back on their textbooks. But only if the textbook adoption is on file!
  • to allow time to review orders and make any additional corrections if needed

Regular EKU Bookstore hours are:

Monday-Thursday 7:45 a.m. - 6:00 p.m.
Friday 7:45 a.m. - 5:00 p.m.
Saturday 1:00 a.m. - 3:00 p.m.

The Bookstore is open extended hours during the beginning and end of each semester and during special events.

**COLONEL 1 CARD OFFICE**
Powell Building 1st Floor
Phone: (859) 622-2179 Fax: (859) 622-6226

The Colonel Card 1 Office provides students with a variety of services regarding their EKU student identification card, the Colonel 1 Card. This identification card is used for meal plans, Colonel Cash, campus vending machines, laundry rooms in residence halls, at the EKU Bookstore, and at the EKU Computer Store. In addition, EKU has partnered with Higher One for refund disbursements and to add optional banking solutions.

The Colonel 1 Card Office is responsible for issuing new and replacement identification cards. The Colonel 1 Card Office will troubleshoot any issues that a student may have with their card or accounts associated with their card. Students, faculty, and staff may purchase meal plans and add money to their accounts in the Colonel 1 Card Office.

The Colonel 1 Card will allow students access to the following:

• Athletic events
• University Library facilities
• Cashing checks
• Campus recreation
• University sponsored events
• Student Health Services

The Colonel 1 Card has three different accounts associated with the card:

• **Colonel Cash** - This is a prepaid account that can be used at the EKU Dining Services locations, the EKU Bookstore, the EKU Computer Store, campus vending machines, and laundry rooms in the residence halls. This account will carry balances over from year-to-year.

• **Meal Plans** - EKU Dining Services has several different meal plans to accommodate any student’s needs. Meal plans can be used at any EKU Dining Services location. Please check with EKU Dining Services regarding terms and conditions associated with meal plans. Please note that EKU Dining Services follows the same refund schedule, for full term, which is outlined by the University. (See Refund Policy above.) EKU’s Colonel Compass http://www.eku.edu/compass/deadlines/ lists all important dates and deadlines associated with each term.

• **Optional Flex** - This is a prepaid account that can be used at any EKU Dining Services location. Please check with EKU Dining Services regarding terms and conditions associated with this account.

Acceptable methods of payment for meal plans, Optional Flex, or Colonel Cash accounts are cash, check, Visa, Mastercard, University student account (meal plans only).

The Colonel 1 Card Office is open during the following normal business hours:

Monday, Wednesday, Thursday 8:00 a.m. - 5:00 p.m.
Tuesday 8:00 a.m. - 6:00 p.m.
Friday 8:00 a.m. - 4:30 p.m.

The Colonel 1 Card is property of EKU and is issued for convenience. It must be presented (or surrendered) upon request by authorized officials of the University. This card is to be returned upon termination of the holder’s relationship with the University. Any expenditure associated with the use of this card is the responsibility of the holder until it is reported lost/stolen. A fee will be charged for damage made to the identification card or if the card is lost or stolen. The loss of a card must be reported immediately to the Colonel 1 Card Office, Powell Student Center, (859) 622-2179.

**EKU DINING SERVICES**
17 Powell Building
Phone: (859) 622-3691
Fax: (859) 622-6226
www.ekudining.com

EKU Dining Services offers a variety of dining alternatives including fresh food options, an assortment of brand restaurants, catering, and athletic concessions. It is the goal of EKU dining to provide high quality and satisfying dining experiences for the whole campus community.

The Fresh Food Company and Stratton Café offer freshly cooked foods in a comforting atmosphere. The Fountain Food Court blends the signature brands Grille Works and Zoca Fresh Mex with the famous national brands Chick-Fil-A, Jump Asian Express, and Subway. Java City at the Crabbe library and Einstein Bros. Bagels in the Moore Building offer gourmet coffees, bakery items, as well as grab & go salads and sandwiches. Starbucks is located nearby in the Weaver Building. EKU Dining Services also operate five convenience stores throughout campus including the P.O.D. (Provisions On Demand) in the Fountain Food Court. In order to provide better convenience to students, the C3 Express stores in Telford, Keene, and Martin Hall stay open late and the Fountain Food Court is open until 2 a.m.

EKU Dining Services also provides full-service catering. The dedicated catering staff provides a variety of services for both on-campus and off-campus events. A special Student Catering Guide is available to accommodate the dynamic requirements of students. Tremendous emphasis is placed on actively measuring customer satisfaction, responding to a changing environment, and continuous improvement. EKU Dining Services is dedicated to helping the EKU campus thrive!

**ADDITIONAL STUDENT SERVICES**

The International Alumni Association
Richards Alumni House
Phone: (859) 622-1260 Fax: (859) 622-6620
The Career Services staff offers individual appointments, workshops, online tools and other resources to help students with career and job search preparation. They can help with resumes and cover letters, tips on job search strategies, professional dress, dining etiquette, interviewing skills, networking, social media and application to graduate and professional schools.

Connecting with Employers
Career Services assists students in identifying and connecting with potential employers through job/career fairs, on-campus interviews, individual appointments, online tools and other resources. EKU JobLink is an easy to use and innovative system that gives students and alumni access to jobs postings and employers targeting EKU students.

Education Pays Center
The Education Pays Center is funded by the Kentucky Cabinet for Families and Children to assist qualifying students to develop academic skills, explore careers, and acquire job skills. The Education Pays Center’s office is located at Weaver 202; the phone number is (859) 622-6684.

Community Service and Student Engagement
128 Powell Building
Phone: (859) 622-3855
www.communityservice.eku.edu

Who We Are
Office of Community Service and Student Engagement, located within the Office of Student Life, directs the University’s community service programs. The Office coordinates a variety of service opportunities throughout the year that EKU students, faculty, and staff can participate in both on and off campus.

Whether it’s to fulfill a class requirement or just to get involved, students looking for volunteer opportunities can visit the Office of Community Service and Student Engagement to get connected with local volunteer and leadership opportunities that meet their individual needs and fit their busy schedules! From working to protect sea turtles over spring break to building a home for a family over the summer in Honduras, to planting trees in eastern Kentucky to making fleece blankets and pillows on campus for children, there are a multitude of opportunities to give back locally, nationally, and internationally! Please contact us to find out more about the different ways you can get actively involved in your world through service!

The Office also serves as a resource to the campus for all things service related! Need to volunteer for a class? Want real-world, hands-on experience related to your major or a possible career? Want to explore a new part of the country or world? Interested in planning a service and need some assistance? Just call, email, or stop by! We are always happy to help!

What We Do
• Promote a culture of service to the EKU community to enhance student learning and personal development while teaching the need for civic responsibility and life-long service.
• Offer diverse programming ranging from one-time service events to on-going year-long opportunities meeting a range of needs in our local communities.
• Expose EKU students to diverse cultures and populations through community service activities.
• Provide a centralized location for EKU students, faculty and staff to connect with local community agencies.
• Educate students, faculty, and staff on how to plan, organize, and carry out community service events.
• Work with Registered Student Organizations (RSO’s), Living Learning Communities, and individual students to counsel and connect them with local volunteer and leadership opportunities.
The mission of the Eastern Kentucky University Police Department is to enhance the quality of life by providing a safe and secure environment through professional service to the community. The success of our mission depends on this partnership utilizing a community policing philosophy. The department places high priority on honesty and integrity and values the need for effective and open communication with the community we serve. We value our employees and are committed to their professional development.

The University offers a variety of informational programs that inform students and employees on safety and security issues, including how to report crimes and how to prevent crimes. These programs are available on request by student groups, employees, or individuals. These programs include, but are not limited to:

- Crime Prevention and Security Awareness
- Drug and Alcohol Abuse Education Program
- Sexual Assault Prevention
- Residence Hall Security

The University Police provide 24-hour patrols of the Eastern Kentucky University campus buildings, parking lots, residence hall exteriors, and campus grounds. University police officers have full authority on all University property and concurrent jurisdiction on all roads and streets adjacent to the campus. The University Police also have the authority to investigate crimes committed on University property anywhere in the state.

The Eastern Kentucky University Police Department includes 25 sworn police officers, 4 dispatchers, and 19 student cadet officers. The University Police has jurisdiction over all campus owned, leased or controlled property, on all roads through and adjacent to campus, and anywhere in the state if a crime is committed on campus. They have police cruisers that patrol throughout campus and are highly visible along with bicycle patrol and foot patrol officers.

The campus police department also houses 2 full-time detectives whose primary responsibilities are investigations and working closely with surrounding agencies. The Eastern Kentucky University Police Department has an excellent working relationship with state, local, and federal law enforcement agencies and other emergency providers.

**Parking and Transportation Services**

Division of Policy, Compliance and Governance
Mattox Hall Suite A
Phone: (859) 622-1063 Fax: (859) 622-2243
www.parking.eku.edu

Eastern Kentucky University Parking and Transportation Services provides parking and transportation options in support of the University’s mission, by providing quality customer service and proper management of parking and transportation resources. This mission is accomplished by enforcing applicable parking rules and regulations, providing safe and efficient transportation services, conveying a positive attitude, and requiring the highest standards of personal and professional conduct.

Parking Services provides parking information, issues parking permits for the campus community and visitors, coordinates parking for special events, and enforces parking rules and regulations.

Transportation Services provides day and evening shuttle transportation and motor pool/fleet services.

See the Parking and Transportation website (www.parking.eku.edu) for additional parking and transportation information including parking regulations, shuttle schedules, and hours of operation.

**Student Automobiles**

In order to facilitate parking for all students, faculty, and staff, Eastern Kentucky University requires the registration of motor vehicles utilizing campus parking facilities. Vehicle registration information can be obtained by contacting the Parking Office (859) 622-1063 or by logging on www.parking.eku.edu.

During the registration period, prior to the first day of classes, students registering for classes may park in any legal, non-reserved parking space in all areas, except employee parking lots (Zone E) which are marked by yellow signs, and the Powell West Visitor Lot.

After the commencement of classes, residential hall lots (Zone B), which are marked by blue signs, are restricted to residence hall permits 24 hours per day, seven days a week. Enforcement of employee and commuter parking zone regulations begins at 2:00 a.m. Monday-Friday. Commuter permits are also valid from 4:30 p.m. to 7:00 p.m. in employee (Zone E) parking lots. The Case Lot, Jones Lot, and a section of the Martin Lot are exceptions to this rule and are reserved for employees only until 9:00 p.m. Evening parking for vehicles without permits is available in the Alumni Coliseum Lot from 4:30 p.m. to 2:00 a.m. Monday through Friday, and all day Saturday and Sunday.

Visitors may obtain temporary permits 24 hours a day, 7 days a week at the Parking Office or Police Dispatch Center located in Mattox Hall, behind the Whitlock Building. Short term temporary parking permits, not to exceed 5 days, are available to individuals who have not registered a vehicle.

**Speech-Language-Hearing Clinic**

Wallace Building 278
Phone: (859) 622-4444
www.specialed.eku.edu/clinic

The Communication Disorders Program in the Department of Special Education offers services to students, faculty, staff, and members of the community at the Speech-Language-Hearing Clinic in Wallace 278. Diagnostic and clinical treatment services provided by the Clinic include the following:

1. Screening for speech, language, swallowing, and hearing problems.
2. Assessment and treatment of articulation disorders, phonological delays, delayed or disordered language, stuttering, voice disorders including laryngectomy, swallowing, speech and language problems resulting from stroke or head injury, language disorders related to learning disability, and speech and language problems of individuals in areas of exceptionality such as mental handicap,
developmental delay, cerebral palsy, cleft palate, hearing impairment, autism spectrum disorder, and emotional/behavioral disorder.

3. Assessment and treatment of hearing loss; treatment via fitting, programming, and maintenance of hearing aids and/or assistive listening devices, aural rehabilitation (including auditory training) and speech reading, and counseling regarding adjustment to hearing aid use; hearing conservation.

4. Accent modification for speakers of English as a second language and those desiring Standard English skills.

Anyone interested in the above services should contact the Clinic Office Associate at (859) 622-4444, Wallace 278, or visit the Clinic website: www.specialed.eku.edu/clinic.

### Student Publications

Eastern Kentucky University provides a variety of laboratory experiences through student publications. The Eastern Progress Advisory Board has been established to provide professional involvement in the activities of the Eastern Progress, the University’s student newspaper. Academic and support units coordinate the institutional support of student publications but do not govern the content. The courts have consistently held that where a tradition of student decision making exists in student publications, those publications are afforded the same Constitutional First Amendment protection as other publications. Concomitant with those rights, go certain responsibilities, which also accrue to the student publications. Accordingly, the responsibility for the content of the publications is that of the student editors and writers and not Eastern Kentucky University or its Board of Regents.

The Eastern Progress, a 10,000-circulation weekly newspaper, is the official student publication of the University and all students are encouraged to take advantage of the journalism and advertising training it offers. The Progress has consistently been rated as an All American Newspaper by Associated Collegiate Press and a Medalist paper by Columbia Scholastic Press Association. Since 1987, the Progress has won more than 20 national awards, including four national Pacemakers and three Gold Crown awards. It was recognized as the Best All-Around Campus Newspaper by the Society of Professional Journalists in 1997 and 1998. Reach the Progress online at www.easternprogress.com.

Aurora is a magazine of student writings published by its student staff to encourage interest in literary activity. Aurora accepts poems, one-act plays, short stories, prose sketches, and essays from any Eastern student. Editions are published in the fall (online by the ENG 420 class) and spring (hard copy). Cash prizes are awarded for the best works (fiction and poetry) at the time of the spring publication.

### TECHNOLOGY AND RELATED RESOURCES

**IT Help Desk** Combs Building 208  
Phone: (859) 622-3000  
Website: it.eku.edu

**PASSWORDS & ACCOUNTS** are sent by mail to all students when admitted to EKU.

- Students receive a student ID number: this is your I.D. for all official records and your login to EKU Direct. This ID starts with a “900” or “901”.
- Each student also receives an EKU username. The username is based on your first name_last name (ie:John Smith=John_Smith). Your username and password provides secure access to Blackboard, EKU myMail, campus computers, and various other electronic resources.

  - View all articles related to passwords at it.eku.edu. Type “password” in the search bar.
  - myMail (Student Email) All EKU students receive a web-based email account. The email account provides students with a 25GB mailbox and many more options. Students can keep their EKU myMail account after graduation.
  - Microsoft Office 365 PRO is free for all registered students through their official myMail account. Find out more at myMail.eku.edu

**THE IT WEBSITE** offers more than 150+ support articles about EKU technology. The IT Search is keyword specific. Visit it.eku.edu to view the support articles and find out more about IT at EKU.

**EKUDIRECT** provides access to a wide range of data for students (pending admit through graduation). Students register for classes, secure parking permits, check grades and more with EKU Direct. Directions for EKUDirect: it.eku.edu/ekudirect

**DEGREEWORKS** helps students plan an academic roadmap to graduation. DegreeWorks, along with your advisor, will ensure you are on the right track to graduate. View DegreeWorks Video Tutorials at registrar.eku.edu/deegreworks-video-tutorials

**BLACKBOARD** is EKU’s course management system. Students are automatically enrolled in Blackboard upon registration. Sites do not appear for students until the instructor opens them. Blackboard is used for all online courses and many on campus courses. Learn more about blackboard at learn.eku.edu

**ResNet** is the EKU residential network and provides high-speed internet access in all residence halls.

**WIRELESS INTERNET ACCESS** is available at EKU. Both secured (requires username and password) and unsecured (guest) wireless is available campus wide. Wireless access is available to all on the EKU campus by connecting to eku_guest. To configure your PC for wireless access visit: it.eku.edu/support/wireless.

*View all articles related to wireless at it.eku.edu. Type “wireless” into the search bar.*

**COMPUTER LABS** are located in Crabbe Library, Powell Building and the Whitlock Building.

**IT SERVICE/HELP DESK** is the computer user’s first point of contact for all service issues, questions, troubleshooting and consultation. Call 622-3000 for assistance or complete the IT Service Request Form on the IT homepage, it.eku.edu. Find out more about the IT Service/Help Desk: it.eku.edu/help-desk

Login to EKU is located in the top right corner of the EKU homepage. Select Login to EKU for access to: Blackboard, EKUDirect, myMail, and My Colonel Corner.

**PEER-TO-PEER SOFTWARE** must be removed before accessing any IT services. Peer-to-peer software including LimeWire, Frostwire, BitTorrent and Vuze are not permitted on the EKU network. Downloading copyrighted materials and illegal
downloading of music is prohibited.

View Code of Ethics for Computing & Communications: it.eku.edu/codeofethics

NOTE: IT @ EKU will NEVER request passwords or other personal information via email. Messages requesting such information are fraudulent and should be deleted.
To ensure that students gain the most from their college experience, the Division of Student Success offers a wealth of academic support resources, student services and social enrichment opportunities to foster exploration, discovery, growth and achievement. By fully engaging in all aspects of your education, you’ll receive an immeasurable return on your investment of time and dedication throughout your life.

The Office of Admissions is responsible for recruitment and admission of qualified undergraduate students to EKU. This office is also responsible for the processing of applications for new as well as readmitted, transfer, and international students. Students who have questions regarding their residency status may address their inquiry to the Office of Admissions (admissions@eku.edu).

### Bratzke Student-Athlete Academic Success Center

Ms. Kate Johnson, Director  
Alumni Coliseum 103  
(859) 622-6648  
WWW.SAASC.EKU.EDU

The Bratzke Student-Athlete Academic Success Center provides an academic support program and a multifaceted academic resource for all student-athletes competing on NCAA varsity teams on EKU’s campus. The Center provides opportunities and services to enhance the student-athlete’s academic performance, as well as monitoring progress to ensure all student-athletes meet their academic eligibility requirements as determined by the NCAA, OVC, and EKU.

Bratzke Center programs include academic advising, academic monitoring, mentoring, supervised studying, tutoring, and personal counseling, as well as referrals to other academic support programs on campus. Each student athlete’s academic progress is monitored closely, throughout their EKU enrollment to facilitate graduating with the highest grade point average possible, while maintaining NCAA eligibility throughout their collegiate athletic career.

The Bratzke Center also sponsors a Life Skills program designed to promote student-athlete growth in five commitment areas: academics, athletics, personal development, service, and career development. Throughout the year the Center plans and coordinates outreach activities for student-athletes in support of the local community and Eastern Kentucky.

### Campus Recreation

**Fitness and Wellness Center**, SRC 105  
Phone: (859) 622-1244  Fax: (859) 622-6754  
www.campusrec.eku.edu

The Department of Campus Recreation provides a variety of diverse facilities and recreational opportunities to the university community. The department promotes wellness for students, faculty and staff by encouraging the development of lifelong skills and positive attitudes through health education, fitness programs, adventure programs, intramural sports, and message therapy.

Campus Recreation oversees the operation of the **FITNESS AND WELLNESS CENTER**. The Fitness and Wellness Center is a state-of-art facility which includes:

- Full line of weight and fitness equipment  
- Locker Rooms  
- Climbing Wall  
- Bouldering Wall  
- Full Swing Golf Simulator  
- Group Exercise Room  
- Multipurpose gymnasiums  
- Indoor Track  
- Student Lounge with computers

The department is also responsible for the Burke Wellness Center, Begley and Weaver gymnasiums, outdoor basketball courts and intramural field complex.

The Fitness Program offers a variety of group fitness classes each week and are taught by trained, motivated and friendly instructors. All fitness levels are welcome and each group fitness class is offered at no charge. Examples of group fitness classes are step, yoga, pilates, group cycling, and much more.

For those who need a more personal touch, we offer very affordable personal training by certified personal trainers.

Personal training is a great way to attain one-on-one instruction incorporating exercise plans, goal-setting and health education.

Adventure Programs offers a wide variety of trips and workshops each semester. Previous trips have included: hiking and camping, backpacking, kayaking/canoeing, spelunking, white water rafting, climbing, canyoneering. The climbing and bouldering walls are an exciting and engaging alternative to traditional exercise. In addition, Adventure Programs provides an extensive amount of outdoor equipment so you may embark on your on adventures. Examples of outdoor rental equipment are tents, mountain bikes, kayaks, cook stoves, canoes and much more.

Intramural Sports have been a campus tradition at EKU for over 50 years. Students play with their friends or organizations and compete against fellow Eastern students. Examples of activities offered are flag-football, soccer, volleyball, corn hole, dodge ball, golf, basketball, and much, much more. There are also numerous individual and dual events.

Massage Therapy offers several modalities such as relaxation, hot stone, deep tissue, therapeutic massage. It is a holistic therapy that reduces the heart rate, lowers blood pressure, increases blood circulation and lymph flow, relaxes muscles, improves range of motion, and increases endorphins, the body’s natural painkillers. It has been said that, “Massage is to the human body what a tune-up is for a car.”

Health Education (H.E.A.T.) is a peer education program geared towards empowering students with knowledge and facts concerning health issues. Health education presents information on alcohol, obesity, sex, drug abuse, eating disorders, tobacco, and much more. The aim is not to enforce ideas but to assist students in making better informed decisions by providing students with the proper tools, knowledge, and self-worth.

### Counseling Center

Whitlock Building 571  
Phone: (859) 622-1303  Fax: (859) 622-1305  
www.counseling.eku.edu

The University Counseling Center offers services designed to promote the success of students in achieving their academic, social and personal goals. The Counseling Center staff consists of psychologists and counselors who provide personal and career counseling both individually and in groups. Counseling is offered on a short-term basis. Referral is provided when the need for counseling services is beyond the role and scope of the Counseling Center. Substance abuse assessment and counseling are also available at the Counseling Center. Psychiatric services are available on a limited basis for students receiving counseling in the Counseling Center where medication is indicated. Counseling relationships are considered confidential as delineated by the APA Code of Ethics and, to the extent permitted by law; federal and Kentucky state law. Counseling services are available to students who are officially enrolled and taking classes at the time the service is provided.

### Counseling Services
Counseling is viewed as another form of learning while in college. Typical college student concerns that may result in counseling are: adjustment to college, interpersonal conflicts, dealing with loss, test anxiety, time management, stress, academic pressures, anxiety, depression, motivation, substance abuse, traumatic experiences, eating concerns and choice of a major. Students can make appointments by calling (859) 622-1303 or dropping by the Counseling Center.

**Career Counseling Seminar (GCS 199 - one credit hour)**

This course is offered each semester for students who are unsure of their major and career direction. Forty sections are offered each year and are taught by the Counseling Center staff and part-time staff.

**“Tuesdays with the Counseling Center”**

The Counseling Center offers workshops to address top mental health concerns. Top student issues include: stress management, procrastination, time management, ingredients of effective relationships, study skills and test anxiety.

**Services for Faculty and Staff**

The Counseling Center staff also provides consultation to the University community on referral and how to be most helpful to the distressed student. When a faculty member wishes to refer a student for immediate help, it is recommended that the faculty member call and speak with a counselor for consultation to discuss the appropriate action. A downloadable document called “The Decision Making Tree” offers step-by-step guidelines on how to respond to students in distress at the Counseling Center website at: http://www.counseling.eku.edu/

**EKU Housing**

Whitlock Building 552  
Phone: (859) 622-1515 Fax: (859) 622-8384  
www.housing.eku.edu

EKU Housing is dedicated to providing a variety of housing options that best meet the needs of all Eastern Kentucky University students. The residence halls are living-learning environments dedicated to supporting students’ ability to live, learn, work, and play while attending Eastern Kentucky University.

All single, full-time undergraduate students under the age of 21 prior to the first day of classes, having fewer than 60 credit hours, or having lived in a residence hall less than four academic semesters (fall/spring) are required to live in University residence hall facilities. Exception is made for students residing with their parent(s) at their parent’s principle residence within 50 miles of the Richmond campus. Students living with parents must submit a verification form which is available through the housing office or at www.housing.eku.edu. Students may request exemption to the residency requirement under specific circumstances to the Director.

Each residence hall is equipped with the following services that come as part of the basic room rental rate:

**Cable Television**

All major network and major cable stations are offered with any cable-ready television at no cost. Enhanced services and premium channels are available at an additional charge. For additional information, contact the College Cable Services, Inc. at 800-472-2054 ext. 222.

**Phone Services**

Basic phone service is provided for all residents. Each room is equipped with one phone line. Residents are asked to provide their own touch tone phone. In order to dial long distance, students may use any calling card. Enhanced phone features are available at an additional charge. For additional information on enhanced services or long distance, contact EKU Telecommunication Services at (859) 622-1903.

**Laundry Rooms**

Several washers and dryers are located in every residence hall. All the machines are operated by coin or Colonel Dollars.

**ResNet**

All rooms come equipped with two high-speed internet connections. Wireless network access is also available. For more information about equipping your computer for Internet access, visit www.resnet.eku.edu.

**Study Rooms**

Within most residence halls are open, quiet rooms in which to study.

**Vending**

All residence halls are serviced with a variety of drink and snack vending machines. The machines are coin operated, and many accept Colonel Dollars as well.

Social, educational, and service-learning programs are offered and organized by University Housing staff in all of our residence halls. These programs range from movie nights on the residence hall floors to volunteering for Habitat for Humanity. Most often, the RAs on each floor host social programming so that the residents can get to know each other and enjoy their housing experience even more. Many of the University Housing programs are open to all campus residents.

There are multiple residence halls on campus which include male, female, and coed living arrangements:

**Male Residence Halls:** Martin Hall (South Wing), Dupree Hall

**Female Residence Halls:** Burnam Hall, Martin Hall (North Wing), and Todd Hall.

**Coed Residence Halls:** Case Hall, Clay Hall, Combs Hall, Commonwealth Hall, Keene Hall, McGregor Hall, Palmer Hall, Sullivan Hall, Telford Hall, Walters Hall, and Brockton apartments.

**Office of Financial Aid**

Mr. Bryan Erslan, Director  
Whitlock Building 251  
Phone: (859) 622-2361 Fax: (859) 622-2019  
www.finaid@eku.edu

Financial assistance is available to help students offset the cost of their college education. There are five types of financial aid: grants, loans, employment, entitlements, and scholarships. The grants, loans, and federal work study programs are need-based. To determine how much money and for which programs the student qualifies, he/she must complete the Free Application for Federal Student Aid each year.

Entitlements include but are not limited to resources from the Veterans Administration and Vocational Rehabilitation. Scholarships are awarded from the University as well as outside.
Applicants must be involved in at least three extracurricular activities. Applicants must be incoming freshmen with an ACT score of at least an 18 and a high school GPA of 3.0. Students that demonstrate financial need to the University through the FAFSA application shall be given priority.

For scholarship information, students should contact the Scholarship Office in the Whitlock Building, Room 346 (859) 622-8032

VOCATIONAL REHABILITATION (OVR).

EKU supports the efforts of OVR to serve eligible individuals with disabilities. The Kentucky Office of Vocational Rehabilitation provides vocational rehabilitation services to eligible individuals with disabilities. Individuals receiving OVR services may also contact the EKU Disabilities Office for academic accommodation. For more information about eligibility criteria call the Office of Vocational Rehabilitation toll free at 1-800-372-7172 or (502) 564-7172, or visit the website at www.ovr.ky.gov.

GRANTS

Grants are considered gift aid and do not usually have to be repaid.

The Federal Pell Grant is the largest grant program. The maximum award is $5,775 for 2015-16.

The Federal Supplemental Educational Opportunity Grant (SEOG) is awarded to students who demonstrate exceptional need, and priority is given to Federal Pell Grant recipients. The average Federal SEOG award at Eastern Kentucky University is generally $650 for the academic year.

The College Access Program Grant (CAP) is awarded to eligible Kentucky residents. The amount of this grant is determined by the Kentucky Higher Education Assistance Authority (KHEAA). It is given to students enrolled for a minimum of six hours. Full-time students will receive up to $950 per semester, $1,900 for the 2014-15 academic year.

SCHOLARSHIPS

Eastern Kentucky University offers a range of academic scholarships designed to reward scholastic achievement and enhance the university community through the attraction of academically talented students.

Unless noted otherwise in the specific description, each of these scholarships is awarded for eight consecutive regular semesters of full-time undergraduate work to students earning their first undergraduate Bachelor degree, provided a satisfactory grade point average is maintained.

In addition to the general scholarship program described below, the University also awards a number of scholarships funded through private funds administered in the Eastern Kentucky University Foundation. Students need to complete the scholarship application form to be considered for all foundation scholarships the University awards (www.scholarships.eku.edu).

Some discipline specific scholarships are awarded based on selection processes within the appropriate academic department. If the department housing the major indicated on the application form awards such scholarships, you will receive information from that department.

In addition to completing the scholarship application, it is also necessary to apply for admission to the university and for financial aid. All necessary forms are available through the Office of Admissions. If you have a question, or need admission forms, please call 1-800-465-9191, or send an email to admissions@eku.edu. Scholarship applications are available online at www.scholarships.eku.edu.

The following information is applicable to freshmen enrolling at Eastern Kentucky University for the first-time in the Fall semester, 2014.

Transfer Scholarship: Students need to apply for admission to be considered automatically for merit scholarships. To be considered for the fall semester, students must apply for admission by June 15th. To be considered for the spring semester, students must apply for admission by November 15th. To be considered for the summer semester, students must apply for admission by April 15th. The transfer scholarship qualifications and requirements for this scholarship can be found at www.scholarships.eku.edu.

AWARDS

Four-year awards can vary up to $60,000. Merit scholarships are awarded automatically upon admission to EKU. Applicants must apply prior to February 1st to receive priority for scholarships. We will continue to award after February 1st until funds are exhausted. The last date for scholarship upgrades is March 1st. There are no upgrades after that date. Students that are in a 100% online degree program are not eligible for merit scholarships. Requires maintenance of a certain grade point average to retain, dependent upon the amount of the award and student must be enrolled in a minimum of 12 credit hours each semester. If a student does not return for a semester, then the scholarship is considered forfeited and cannot be reinstated.

To determine your eligibility, please refer to our scholarship calculator at www.scholarships.eku.edu/estimator. Students should input their unweighted high school GPA and their ACT SAT scores. Many academic departments offer scholarships. Check with the department of your intended major or program to learn more about these options. Private donors, corporations and a wide range of organizations also have endowed scholarships. Discover more at www.scholarships.eku.edu.

Number of Awards: Limited

J.W. Thurman Alumni Scholarship: Applicants must be a dependent child of an EKU graduate. Applicants must score at least an 18 composite on the ACT exam and have a minimum high school grade point average of 2.8. Applicants may use the University’s foundation scholarship form and check the block indicating the application is for the J. W. Thurman Alumni Scholarship, and mail the application to the EKU Scholarship Office.

Alumni Fund Scholarship: Applicants must be incoming freshmen with an ACT score of at least an 18 and a high school GPA of 3.0. Students that demonstrate financial need to the University through the FAFSA application shall be given priority. Applicants must be involved in at least three extracurricular activities.

Honors Program Award: Students who are accepted into the University Honors Program will receive books-on-loan for up to eight consecutive semesters, provided they remain in the Honors Program.

Dr. Rodney Gross Scholarship: The Dr. Rodney Gross Diversity Scholarship provides financial assistance to high-achieving students from all segments of society: Alaskan, Native, Asian, Native Hawaiian or other Pacific Islander, Hispanic, or Latino. Applications may be obtained by contacting the Scholarship Office by phone (859) 622-8032 or via the web at
**STUDENT LOANS**

The Federal Perkins Loan is a 5 percent simple interest loan awarded to exceptionally needy students. This loan is made to undergraduates, as well as post-baccalaureate and graduate students. Repayment begins nine months after the student ceases to be enrolled on at least a half-time basis. There are certain occupations which allow a student to cancel a percentage of the money they borrow from this program. Contact the Loan Accounts Office in the Whitlock Building, Room 216, for more information regarding the cancellation and deferment options. All first time Federal Perkins Loan borrowers must be enrolled for thirty (30) days before their first Perkins disbursement can be released.

The Federal Direct Subsidized Loan Program is a need based program available to students who are enrolled at least half time. This loan is for undergraduate, and post-baccalaureate students. The interest rate is fixed and is not to exceed 8.25%. Contact the Office of Student Financial Assistance after July 1 for the current year interest rate.

The Federal Government pays the interest while the student is enrolled at least half time. A student has six months after ceasing to be enrolled as a half-time student before repayment begins.

All first time Federal Direct Loan borrowers (subsidized as well as unsubsidized) must complete entrance counseling before their loan can be processed. Counseling can be completed at www.studentloans.gov.

The Federal Direct Unsubsidized Loan Program is not based on need. It has a different interest rate as the Federal Direct Subsidized Loan Program, and the student is responsible for paying the interest on this loan. The unsubsidized and the subsidized loan cannot exceed the maximum amount allowable by a student’s classification. For example:

- **First Year Students** - $5,500 is the annual loan limit. No more than $3,500 of this amount may be in subsidized loans. All first time Federal Direct Loan borrowers must be enrolled for thirty (30) days before the first disbursement can be released.
- **Second Year Students** - $6,500 is the annual loan limit a student can borrow. No more than $4,500 of this amount may be in subsidized loans.
- **Third and Fourth Year Students** - $7,500 is the annual loan limit. No more than $5,500 of this amount may be in subsidized loans.
- **Graduate Students** - $20,500 is the annual loan limit. No more than $8,500 of this amount can be in subsidized loans.

Independent students may be eligible for an additional unsubsidized funds. An independent student could borrow up to an additional:

- Freshman/sophomore - $4,000
- Junior/senior - $5,000

Keep in mind that the unsubsidized and subsidized Direct Loans combined cannot exceed the student’s cost of education minus all other student financial assistance.

*Each annual loan limit is for one award year (12 month period; i.e., fall, spring, and summer).*

To apply for a Federal Direct Subsidized or Unsubsidized Loan, all students must complete a Free Application for Federal Student Aid. After the student is evaluated for all federal programs, his/her eligibility for the Direct Loan program is determined. The Office of Student Financial Assistance will certify the loan and electronically submit the information to the U.S. Department of Education (DOE). If the student has a signed Master Promissory Note (MPN) on file at DOE, the loan funds will be sent to Eastern Kentucky University on the specified disbursement dates. If the student does not have a signed MPN on file at DOE, a MPN must be signed electronically at www.studentloans.gov.

Post-Baccalaureate Students—Students returning to work on a second undergraduate degree are not automatically eligible for the senior annual loan limit of $7,500. Each student must submit documentation which indicates how many hours that student has toward the second degree.

The Federal Direct Plus Loan program enables parents to borrow the cost of education minus other aid for their student who is enrolled for at least 6 hours. This is not a need based loan. As long as the parent who is applying for the loan is credit worthy, the loan is usually approved. The interest rate is fixed and not to exceed 9%. Interest begins to accrue 60 days after the loan is fully disbursed. The parent must complete the PLUS application process at www.studentloans.gov each year. If the parent has a signed Master Promissory Note (MPN) on file at DOE, the loan funds will be sent to EKU on the specified disbursement dates. If the parent does not have a signed MPN on file at DOE, an MPN must be signed electronically at www.studentloans.gov.

The Student Aid Society (Emergency Loan) program is designed to provide emergency short-term loans to students. It must be repaid. Students may borrow a small amount of money on a personal note at a legal rate of interest for a one month period. Money is made available through contributions of the University, alumni, private organizations and many individual friends of the University.

You must be enrolled as a full-time student, have a 2.0 (“C”) overall grade point average, a means of repayment, and must not have a past due balance. All students are eligible to apply for these short-term loans regardless if they are receiving other forms of financial aid. An application form obtained from the Loan Accounts Office in the Whitlock Building, Room 210 must be completed.

The loan must usually be repaid within four weeks, and the student is charged an interest rate of 2 percent. Students who have delinquent loans will have their grades sealed in the Registrar and will not be allowed to register for the next semester. Delinquent loans will be collected through a collection agency. Any additional expenses incurred in the collection of the note will be added to the student’s repayment.

**STUDENT EMPLOYMENT**

Eastern Kentucky University offers its students two employment programs. One is the federal work study program which provides part-time jobs to students who have financial need as determined by the Application for Federal Student Aid. This program is federally funded. The other is the EKU institutional work program. Eastern Kentucky University provides funds to employ students who want to work on-campus, but do not qualify for financial need.
Both of these programs employ students on a part-time basis, and students are paid every two weeks for the hours they have worked. Their job schedule is built around their class schedule. A variety of jobs are available including typing, filing, farm work, food service, resident hall assistants, tutorial work, as well as community service jobs. Contact Human Resources for more information at the Jones Building, Room 203, between 8:00 a.m. – 4:30 p.m. (M-F). or by phone at 859-622-5094, Option.

Office of First Year Programs
Dr. Lori Beth Miller, Director
Whitlock Building 372
Phone: (859) 622-2285
E-mail: FYP@eku.edu
www.firstyear.eku.edu

The mission of the Office of First Year Programs is to aid in the transition to college for first year students and their family members by providing useful and timely information in a professional manner. The Office of First Year Programs is committed to encouraging first year students to grow socially and academically and to respect themselves and all others in the Eastern Kentucky University community. First Year Programs is committed to delivering orientation services and transition programming to all new students and their families.

Orientation
Orientation is phase one of the first year experience for new students. During Orientation, students and families visit campus, meet with faculty, staff, and students, and learn more about life at Eastern Kentucky University. Students also register for their first semester of classes. Representatives from many areas are available during Orientation to answer questions about financial aid, tuition payment, housing, dining services, and tutoring services. There are various dates and schedules for first year, transfer and high achiever students.

Colonel Camp
Colonel Camp was established in 2007 to allow new students to get a jump start on college life at EKU. Colonel Camp serves as a bridge between Orientation and New Student Days and aims to connect new students to campus, current student leaders, and their peers. The camp occurs before Move-In Day in August and provides the participants with the opportunity to serve other new students as volunteers during Move-in.

New Student Days
The New Student Days (NSD) program is phase two of the first year experience at Eastern Kentucky University. New Student Days programming kicks off on the Sunday before classes start and continues throughout the first week of classes. NSD is a required program for all new students and is incorporated into the curriculum of the student success seminars.

The purpose of this program is to enable students to meet other new students and participate in a wide variety of campus activities. The President’s Picnic, educational sessions, and social events are just some of the highlights. All new students are required to attend.

EKU Reads Program
The EKU Reads program is designed to provide new students with a common introduction to academic life at Eastern Kentucky University. Each fall semester Eastern Kentucky University engages in campus-wide discussions of the selected book. A number of first year courses including many first-year English courses and student success seminars also utilize the book in class discussions throughout the semester.

The EKU Reads program is facilitated by a faculty committee in collaboration with First Year Programs.

Family Programs
The Eastern Family Network began in the summer of 2000 to get parents and other family members involved in Eastern Kentucky University. By informing family members about campus happenings, we hope they will be supportive and engaged in the educational process with their student. First Year Programs also facilitates planning Family Weekend, a spring Family Network event, a Family guide, a monthly newsletter and a Family resource page on the First Year Programs website.

International Education
Whitlock Building 455
(859) 622-1478

The center for International Education (CIE) houses various aspects of International Education. The CIE provides immigration and orientation assistance to international students and visitors, works with faculty to internationalize courses and programs, and seeks to foster a greater commitment to comprehensive internationalization throughout the institution.

Eastern Kentucky University has approximately 340 international students studying at both the undergraduate and graduate levels. These students represent approximately 50 nations. A full-time International Services Coordinator assists with immigration support and the development of a calendar of events: academic, social and cultural, that are meant to assist students with adjusting to life in the USA and getting the most out of their international experience. A full-time International Student Advisor works directly with “sponsored” students studying at EKU through various governmental programs or scholarships. The Study Abroad Coordinator supports the growth of opportunities for domestic students to internationalize their EKU education through a period of study abroad. The Coordinator continually works with students to find the correct fit abroad for them, be it a short-term summer program, semester/year abroad or exchange (see below). International Education facilitates international ventures and exchanges across the curriculum, assists with arrangements for visiting faculty, scholars, researchers, and develops new study abroad programs around the world for domestic students.

Meditation Chapel
University Chaplain
Phone: (859) 622-1723
www.studentaffairs.eku.edu/chapel/

The Chapel of Meditation is the realization of a dream begun in 1968 when the Eastern Kentucky University Alumni Association adopted the Century Fund Project to finance a non-denominational chapel. The chapel stands as a testimonial of the love and devotion of the alumni, faculty, students and friends, commemorating the 100th anniversary of higher education on the Eastern Kentucky University campus.

The chapel is non-sectarian and is open to students, faculty, staff, alumni, and friends of the University for meditation, prayer, and spiritual reflection. The chapel is also used for several other
events such as:

- Weddings
- Memorial services
- Sorority and fraternity events
- Religious organization events and services
- Academic department meetings
- Honor Society events
- Athletic events

The University Chaplain’s office is located in the basement of the chapel. The Chaplain coordinates the various activities of the chapel and is available to perform weddings. The Chaplain also attends to students, staff and faculty with questions about spiritual matters or spirituality. Besides providing a peaceful and serene setting for prayer and meditation, the chapel is used to house various student organization meetings and services, weddings, and annual memorial services.

**Office of Military and Veterans Affairs**
Bryan Cole, Director
317 Lancaster Avenue, Burnam House
Phone: (859) 622-2345  Fax: (859) 622-5076
www.va.eku.edu

The Office of Military and Veterans Affairs serves student veterans by assisting with admissions, obtaining VA benefits and credit for military training, and serving as an advocate for veterans issues throughout the campus community. Student veterans or eligible dependents will need to apply directly to the Veterans Administration to obtain a letter of eligibility. This can be done online at www.gibill.va.gov. Upon receipt of the letter, bring or send a copy to the Veterans Affairs Office on the main campus along with a Course Enrollment Form (CEF). The CEF must be submitted each semester for which benefits are desired. The CEF is available online at www.soto.eku.edu/veterans.

The Post 9-11 GI Bill will pay 100% of tuition and fee costs for undergraduate, graduate, and online instruction provided the service member has 36 months of active federal service. Veterans with less than 36 months of service will receive a prorated amount based on the number of months served on active duty beyond initial training. Basic Allowance for Housing (BAH) is based upon E-5 with dependents for the 40475 zip code and is also prorated.

Online-only Post 9-11 student veterans will draw BAH at one half of the national BAH average. All out-of-state veterans who are Post 9-11 GI Bill eligible will receive in-state tuition and fees rates.

Veterans needing assistance in obtaining a copy of their Joint Service Transcripts or CCAF transcripts should email ekuveteransaffairs@eku.edu or call 859-622-2345.

**Survivors’ and Dependents’ Educational Assistance**

DEA (Chapter 35) provides education and training opportunities to eligible dependents and survivors of certain veterans. For more information on DEA eligibility visit www.gibill.va.gov.

**Children of Kentucky War Veterans**

If you are the child of a Kentucky War Veteran you may also be entitled to a tuition waiver in addition to your DEA benefits. Under the provision of KRS 164.505 and 164.515 children of Kentuckians who were killed in military action or who were permanently and totally disabled in wartime military services are eligible for this waiver. For additional information contact the Kentucky Department of Veterans Affairs, Tuition Waiver Coordinator at (800) 928-4012.

**Multicultural Student Affairs**
110 Powell Building
Phone: (859) 622-4373  Fax: (859) 622-6997
www.studentaffairs.eku.edu/multicultural/

The EKU Cultural Center seeks to bring issues of cultural diversity to the forefront of campus conversation through educational programs and services. The Center serves all students as they question personal and collective notions of race, gender, economic status, language, nationality, ethnicity, religion, sexual orientation, age, exceptionality and culture. The Center encourages the utilization of campus resources, participation in campus life, understanding and respecting cultural differences, and encouraging tolerance and inclusiveness.

The Center is actively engaged in collaborative efforts with other departments and academic areas on campus and provides co-curriculum learning experiences. Our Center also focuses on helping students from under-represented groups feel welcomed and supported so that cultural barriers are minimized and to help all students become more culturally competent to prepare them to enter an increasingly diverse workforce.

The center promotes life-long learning and global citizenship by providing programs, workshops, diversity trainings, study groups, panel discussions and events on cultural awareness, sensitivity and competence.

Located within the new E.K.U. Cultural Center in the Powell Student Center, the Cultural Center is actively engaged in collaborative efforts with other departments and academic areas on campus including Women and Gender Studies, African/African-American Studies, Appalachian Studies, International Education, and Campus Ministries. The center also supports the efforts of various Eastern Kentucky University student organizations such as Men of Color Mentorship Program, Black Student Union, M.S.A. (Muslim Student Association), M.A.R. (Men Against Rape), Eastern Kentucky University Gospel Ensemble, OWLS (Older, Wiser, Learners), S.I.S.T.A., Pride Alliance, International Student Association, the National Pan-Hellenic Council (N.P.H.C.) EKU Capoeira Club, Latino Student Association, Saudi Student Association, Feminists for Change, African/African American Studies Group, the Alphabet Lounge Student Group, the Minority Colligate Connection and Collegiate Black and Christian.

**Educational Talent Search Program**
Ms. Lisa Sons, Director
Telford House
(859) 622-5425
Website; www.ets.eku.edu
ETS@eku.edu

The Educational Talent Search (ETS) Program, a TRIO project funded by the U.S. Department of Education. Talent Search has been at Eastern Kentucky University since 1985. The program serves 6th grade through 12th grade students who have the interest and abilities to further their education beyond high school. Two-thirds of the participants must meet federal income guidelines, and be in the first-generation in their family to pursue a post-secondary education. The goal of the program is to assist participants as they transition from middle school to high school, and on to a post-secondary educational institution. Educational Talent Search offers services related to the following areas: academic information,
career resources, exposure to college campuses, career sites and cultural activities, financial literacy, financial aid program information, and personal development activities. Educational Talent Search also offers assistance to out-of-school adults in identifying additional support services. ETS offers assistance for high school completion through referrals to GED programs and local high schools. Services are also available for those who are enrolling in postsecondary institutions for the first time or for those who are returning to school. For more detailed information, contact the Educational Talent Search Program at (859) 622-5425 or check out the Educational Talent Search Program’s website at www.ets.eku.edu.

McNair Scholars Program
Mr. Rich Richmond, Director
Jones 409
(859) 622-6249

The McNair Scholars Program at Eastern Kentucky University is a federal initiative funded through the U.S. Department of Education. The McNair Scholars Program encourages and assists undergraduate students from disadvantaged backgrounds who aim to enter careers that require doctoral achievement. Professional staff members provide supportive supplemental advising, offer holistic academic counseling, and facilitate structured training opportunities that enhance participants’ readiness for graduate school applications and preparation for graduate school achievement.

Services provided by the program include:
• PhD faculty mentoring
• Supportive supplemental advising
• Holistic academic counseling
• Seminars and scholarly activities that prepare participants for graduate level achievement
• Paid summer research internships
• Conference and presentation opportunities
• Graduate school application preparation and support
• EKU Scholarships

Additional information about the McNair Scholars program can be found on the website at www.mcnaireku.edu.

NOVA Program (TRiO Student Support Services)
Ms. Jane Tinsley, Director
Turley House 2
Phone: (859) 622-1047
Fax: (859) 622-1074
www.nova.eku.edu

The NOVA Program is a Student Support Services/TRiO project with the legislative purpose to facilitate persistence and graduation of eligible learners. NOVA pre-identifies first-year EKU students who demonstrate a potential for success in college and who meet the economic and/or first-generation-college-student eligibility criteria. The NOVA service delivery design is a holistic retention plan based on the learner’s needs for success. NOVA provides instruction in Student Success Seminar and Leadership Dynamics and provides the following support services throughout the learner’s EKU academic career from orientation to graduation:
• Instruction in Academic Orientation, Leadership Development and Peer Mentoring
• Academic Advising
• Financial Aid and Financial Literacy Consulting
• Scholarship and Grant Aid Award
• Personal and Career Consulting
• Graduate School Planning
• Service Learning
• Peer Mentoring
• Living Learning Community
• Registered Student Organization
• Academic Assistance and Monitoring

NOVA learners earn a degree from EKU at a statistically significant higher rate as compared to other EKU students from the same background. NOVA is located on the second and third floors of the Turley House and is open from 8:00 a.m. - 4:30 p.m. Monday-Friday. Please visit www.nova.eku.edu or phone (859) 622-1047.

Upward Bound Program
Ms. Tamara Stewart, Director
Patterson House
(859) 622-1080

The Upward Bound Program, a TRiO project funded by the U.S. Department of Education, has been at Eastern Kentucky University since 1965. Its purpose is to motivate and prepare for college traditionally underrepresented students from low-income families and those in which neither parent holds a bachelor’s degree. UB offers a rigorous academic program, mentoring, academic support, individual and group tutoring, and workshops in a variety of educational, motivational, and college preparatory topics. Students are chosen from ten high schools in the nine counties of Casey, Estill, Garrard, Jackson, Lee, Lincoln, Madison, Powell, and Wolfe. They spend their sophomore, junior, and senior years in the program, attending Saturday Academies and in-school workshops throughout the academic year to provide academic assistance as well as financial aid and college admission information. During the summer, a six week residential program includes academic classes, cultural and educational trips, plus social and recreational activities. Tutor Advisors and instructors assist students with their studies and other program activities. Interested students from the above counties should contact their high school guidance counselor or visit the website at www.upwardbound.eku.edu

Services for Individuals with Disabilities
Division of Policy, Compliance and Governance
Whitlock Building 361, CPO 66
Phone: (859) 622-2933
www.disabilities.eku.edu

The Office of Services for Individuals with Disabilities assists students, faculty and staff with disabilities by coordinating campus and program accessibility as well as providing support in the attainment of educational and work goals. The Disabilities Office Staff, the OSID test proctoring service and the Project SUCCESS Program are located in the Whitlock Building, room 361. Appointments are made by calling (859) 622-2933 or coming to Whitlock 361.

Individuals seeking services are required to provide the
Coordinators with a completed application for services and current disability documentation. Applications, guidelines for documenting a disability, and information on obtaining services and accommodations are available at the office and on the website at www.disabilities.eku.edu. Services are determined on an individual basis and may include but are not limited to: test accommodations, note takers, books on CD, and use of assistive technology, equipment loan, building accessibility information, and individual appeal cases.

Applications for Project Success, a comprehensive program for students with specific learning disabilities, Attention Deficit Disorders and other cognitive disorders are located in Whitlock, room 361. Project SUCCESS provides participating students with academic coaching and individualized tutoring and is a fee based program. Appointments are made by calling (859) 622-2933 or coming to Whitlock, room 361.

Office of Deaf and Hard of Hearing Services

The Office of Deaf and Hard of Hearing Services enables students who are deaf and hard of hearing to achieve their educational goals, both academic and career. The office provides and coordinates accessible services including but not limited to: note takers, interpreters, test accommodations, use of assistive listening technology and equipment loan, which afford individuals equal opportunity to attain their goals. Current disability documentation is required. Services are determined on an individual basis. A comprehensive list of services may be found on the web at www.disabled.eku.edu/terpserve/. The Interpreter Coordinator is located in Case Annex, room 207. Appointments are made by calling (859) 622-2937 or coming to Case Annex, room 207.

ADA/504 Coordinator

The ADA/504 Coordinator serves the University by hearing individual ADA cases including appeals for course substitutions and waivers and other ADA cases as a member of the ADA Appeals Committee. Appointments with the Coordinator are made through OSID. Services for Individuals with Disabilities are made available in accordance with Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 and amended ADAAA of 2008. Current students, faculty, staff and others interested in disability issues are invited to attend the EKU ADA Awareness and Accessibility Committee. A schedule of meetings and committee notes are available on line at http://access.eku.edu.

ADA Appeals Committee

The ADA Appeals Committee serves the University Community by hearing individual ADA cases. Please contact the Director of the OSID for more information.

Student Health Services

Rowlett 103
Phone: (859) 622-1761 Fax: (859) 622-1767
www.healthservices.eku.edu

The mission of Student Health Services at Eastern Kentucky University is to provide our students with the best quality acute ambulatory medical care in a compassionate environment, while providing education on healthy lifestyles from which our students can benefit for the rest of their lives.

Student Health Services has three primary goals: first, to address any acute medical condition that threatens health, interferes with function, reduces performance, and serves as an obstacle to learning and personal growth; second, to educate our student body on healthy lifestyle choices that promote wellness and reduce the chances of disease—the preventive approach; third, to serve as a source of information and access to community based assistance programs. Services provided at the Health Center include:

- Outpatient acute medical care
- Allergy shots
- Basic laboratory tests
- Certain immunizations
- X-Ray requests
- Tuberculosis skin testing
- Health education
- AIDS education/testing referral

To make an appointment to see a provider, please go to the SHS website and click on the icon at the bottom left corner of the home page: “Schedule Online Appointment.”

A variety of free pamphlets, booklets, and other materials are available at the SHS. Students may utilize the computer terminal with Internet access in the SHS lobby to look up health related topics of interest.

Student Life

Powell Building 128
Phone: (859) 622-3855 Fax: (859) 622-6598
www.studentlife.eku.edu

The Office of Student Life at Eastern Kentucky University is dedicated to making sure every student has the opportunity to get involved and receive valuable experiences outside of the classroom. Student Life provides numerous activities for EKU students including Community Service, Fraternity & Sorority Life, Leadership, Registered Student Organizations (RSOs), and Student Activities. Student Life also provides these unique educational opportunities to assist students in their holistic development.

The first step to getting involved is visiting our website: www.studentlife.eku.edu. Here you can learn about involvement opportunities by logging into OrgSync (www.eku.orgsync.com)! You can browse RSOs, check out upcoming events on the calendar, and complete other forms and applications.

Community Service

The Community Service program coordinates a variety of service opportunities throughout the year that EKU students, faculty, and staff can participate in both on and off campus. Whether it’s to fulfill a class requirement or just to get involved, students looking for volunteer opportunities can visit to get connected with local volunteer opportunities that meet their individual needs and fit their busy schedules.

There are five main ways you can engage with the Community Service program at EKU:

- Volunteer with Saturdays for Service: Since 2004, EKU students been partnering with local entities for service opportunities. Each event is a one time commitment, working with a different community partners, either in Richmond or nearby in our service region. Saturdays for Service occur on the first Saturday of each month. Transportation is provided.
- Commit to a Community Partner: Our office has a variety of community partners within driving distance of campus. By signing up through OrgSync a student can commit to volunteering one time
or regularly, by themselves or with a group of friends. This is a great way to fulfill volunteer requirements for class, connect with the community, learn about yourself, or gain experience for after college. Opportunities vary and are continuous, so a time can be found that works with each person’s schedule. You can learn about these many opportunities through our Part Time Job & Volunteer Fair hosted during Welcome Week.

- Immense and Serve on an Alternative Break: Alternative break trips are offered year round (fall, winter, spring, summer, and even weekends). Each trip has a focus on a particular social issue, such as (but not limited to) disaster relief, poverty, education reform, hunger, and environmental stewardship. Students learn about the social issues and then perform week-long projects with local non-profit organizations.
- Join in on a Day of Service: Day of service events include onetime events throughout the academic year. Major Days of Service include 9/11 Day of Service and Remembrance & Martin Luther King Jr. Day. Throughout the year these days of service include both on and off campus on time opportunities to serve and support our community.

Students interested in taking a more action in service have the opportunity to take up student leadership positions including joining some of our service-focused RSOs and the Service Council. For more information visit: www.communityservice.eku.edu or www.facebook.com/EKUcommunityservice.

Fraternity & Sorority Life

Eastern Kentucky University is home to a vibrant fraternity and sorority community comprised of three governing councils: Interfraternity Council, National Pan-Hellenic Council (NPHC), and Panhellenic Council.

Our over 25 chapters are values-based organizations focusing on scholarship, service, leadership, and life.

- Scholarship – Each chapter has scholastic standards members are required to meet. Additionally, chapters implement academic success plans including study hours, incentives, and much more. As a result, members of the fraternity and sorority community consistently boast a collective grade point average above their non-affiliated counterparts. In Spring 2014, they earned a 3.0412!
- Service – Greeks regularly dedicate their time, talent, and treasure to bettering the world in which we live. This is accomplished through philanthropy and community service efforts. Each chapter holds a minimum of one signature philanthropy event each year to raise money for their selected cause. Additionally, members complete countless hours of community service both together as a chapter and individually.
- Leadership – Holding a leadership position in a student organization is a great way to develop personal leadership skills, to network, and to build your resume. Many notable leadership positions on campus are held by members of fraternities and sororities including: Orientation Leaders, GURUs, Student Government Association officers, and Student Athletes. Additionally, the fraternity and sorority community gives members many opportunities to lead within the chapters and in the community. Each chapter also has a development program including workshops on how to become an effective leader. The leadership skills you build at Eastern Kentucky University can help you be successful in the future.
- Life – Membership is a lifelong commitment. Fraternity men and sorority women value brotherhood/sisterhood and being together for support and fellowship. To join a Greek organization is to find your home away from home. At EKU, members engage in a variety of activities together. Students will attend regular chapter meetings, plan annual philanthropy events, and participate in brotherhood/sisterhood activities. Brotherhood/sisterhood activities might include movie nights, road trips, social gatherings, or spontaneous hang outs on the chapter’s floor in Dupree or Todd Hall. Notable community traditions include Greek Sing, a song and dance competition; Homecoming, including the construction of floats for the parade and celebration of the Football Team; and participation in various intramural sports.

Students interested in joining a fraternity or sorority can visit www.greeklife.eku.edu to learn about upcoming recruitment events. You can also follow us on Twitter for updates: @EKUGreekLife. Be Greek!

Leadership

Leadership development programs are a new and exciting opportunity to get involved with at EKU. Whether you consider yourself a leader or have always held a great interest in leading, our leadership development programs are created to serve emerging to advanced student leaders. Our co-curricular programs focus on helping you cultivate skills that will bolster your collegiate experience as well as help you be better prepared for successfully leading in life after graduation. We offer a variety of leadership development programs to allow you to grow in your leadership abilities in an assortment of formats including retreats, ropes courses, workshops, conferences, and the Colonel Leadership Internship. The semester kicks off with the Leadership Social and the Emerging Leaders Program, an opportunity for first-year students to begin their leadership journey at EKU. Students who are looking to further bolster their leadership talents can participate in the Leadership Certificate Programs. Please visit www.studentlife.eku.edu for further information on the upcoming list of leadership programs.

Registered Student Organizations

EKU currently has over 230 Registered Student Organizations (RSOs) available for students. The 230 RSOs are categorized into 10 specific areas: departmental, governance, religious, honorary, residence hall, service, sports, fraternities/sororities, and special interest organizations. All of our student organizations are identified, created, and led by EKU students. Joining an organization is a wonderful opportunity to make a difference, meet others, and develop your personal leadership skills. Many of our RSOs will showcase who they are and invite you to be a part of their organization at the Student Involvement Fair during Welcome Week. For the complete list of organizations and to learn organization meeting times, information, and upcoming events, please visit www.eku.orgsync.com.

Student Activities

Student Life hosts dozens of events each semester aimed at educating, entertaining, and meeting the needs of EKU students. We host various guests including comedians, singer/songwriters, and illusionists that are free for students to attend. We also have many programs in which we collaborate with various departments across campus to enhance the out-of-classroom experience. We encourage you to explore our upcoming events at www.studentlife.eku.edu, or by following us on Facebook at www.facebook.com/EKUOSL.
SECTION FOUR - DIVISION OF STUDENT SUCCESS

STUDENT OUTREACH AND TRANSITION OFFICE (SOTO)
Ms. Lisa Cox, Director
Whitlock Building 442
Phone: (859) 622-7686
www.soto.eku.edu/

This one-stop transitional center is designed for transfer, non-traditional and re-entry students (away from EKU for over 2 years). The Student Outreach and Transition Office provides comprehensive support to students from initial inquiry through registration for their first semester of classes, serving as an advocate to promote their needs along the way. Prospective students receive individualized consulting services in the areas of admissions, degree audits, major selection, academic bankruptcy, credit transfer process, degree completion via distance learning, and course registration prior to their first semester. This office also provides students with answers to basic questions regarding filing for financial aid, financial aid appeals, and receiving credit for prior learning. Evening appointments are available to better serve the needs of adult learners.

SOTO also serves as a hub for diverse students and houses a bi-lingual/Latino Outreach Specialist who is available to answer questions and refer students to appropriate resources. SOTO is also home to the Latino Success Center and the Rodney Gross Scholars program. Scholars have access to dedicated study areas that include computer access, mentoring and tutoring assistance upon request. The Latino Success Center provides visibility and a sense of community where all are welcome to come and learn about the diversity of the Latino cultures. The LSC serves an institutional confirmation that EKU welcomes all students, regardless, of race, ethnicity, and immigration status, and that we are committed to assist each student with achieving his/her goals and reach one’s full potential.

Colonel Connection Program

The Colonel Connection Program facilitates the transfer process from other colleges to EKU, and eases students’ transition to and timely graduation from EKU. The program is available to students who are currently enrolled at another institution (e.g., a community college) and intend to transfer to EKU to complete a baccalaureate degree. Students must apply for admission to EKU, meet all admission requirements, and be accepted to EKU before enrolling in the Colonel Connection program.

Upon admission and completion of the Colonel Connection program agreement, participating students are granted continuous access to EKU’s DegreeWorks degree audit system, allowing them to view their individualized degree plan and progress towards an EKU baccalaureate degree. The degree audit is then kept current through regular submission of transcripts to EKU for credit evaluation. (Note: Colonel Connection students may not enroll in EKU coursework without first requesting visiting-student status through their advisor.)

When ready to transfer to EKU, the student must apply for admission to the university as a degree-seeking student for the term in which they wish to begin.

To maintain enrollment in the Colonel Connection program, a student must:
• maintain a minimum 2.0 grade-point average (GPA) on all college-level work completed to date;
• complete, with a grade of C or better, no fewer than six (6) credits in the most recent fall/spring semester; and
• meet with an assigned EKU advisor at least twice per academic year to discuss their progress and plans for transfer and graduation.

Students who fail to meet any of the above standards will be given one fall or spring semester to comply, after which they will be disenrolled from the Colonel Connection program.

Upon enrollment in the Colonel Connection program, participants will have a catalog year associated with their student record designating the academic year for their degree program as well as General Education and University graduation requirements. Should graduation requirements subsequently change, students may request a move to the current Catalog through the Registrar’s Office. The catalog year may be found on the student’s DegreeWorks degree audit.

Students who fail to maintain their enrollment in the Colonel Connection program may apply for readmission to the program; however, their catalog year will be based on the date of re-enrollment.

For further information regarding the Colonel Connection program, contact the EKU Student Outreach and Transition Office (SOTO). This one-stop transitional center is designed for transfer, non-traditional and re-entry students (away from EKU for over 2 years). The Student Outreach and Transition Office provides comprehensive support to students from initial inquiry through registration for their first semester of classes, serving as an advocate to promote their needs along the way. Prospective students receive individualized consulting services in the areas of admissions, degree audits, major selection, academic bankruptcy, credit transfer process, degree completion via distance learning, and course registration prior to their first semester. This office also provides students with answers to basic questions regarding filing for financial aid, financial aid appeals, securing veterans’ benefits, and receiving credit for prior learning. Evening appointments are available to better serve the needs of adult learners.

SOTO also serves as a hub for diverse students and houses the Rodney Gross Scholars program for African American students from Kentucky. SOTO houses a bi-lingual Hispanic/Latino retention specialist who is available to answer questions and refer students to appropriate resources. SOTO also has dedicated study areas that include computer access and tutoring assistance upon request.

Student Rights and Responsibilities
1 Turley House
Phone: (859) 622-1500

The Office of Student Rights and Responsibilities and Eastern Kentucky University is a community of shared academic values, foremost of which is a strong commitment to intellectual honesty, honorable conduct, and respect for others. In order to meet these values, students at Eastern Kentucky University are expected to adhere to the highest standards of academic integrity. When becoming a part of the University community, the student enjoys social, cultural, and educational opportunities. He or she also assumes the role of a citizen of the community and agrees to abide by the regulations and standards of conduct operative in the University community. The Office of Student Rights and Responsibilities provides a fair and impartial student judicial system for students, faculty and staff of Eastern Kentucky University.

The Office of Student Rights and Responsibilities will:
• Provide information to all students relating to the General Regulations for Student Behavior,
• Adjudicate all reports of alleged violations of the General Regulations for Student Behavior and the Policy for Academic Integrity in a consistent manner,
• Facilitate due process rights set forth by the University Handbook for Students, and
• Ensure fair and impartial hearings.

Office of University Advising
Mr. Benton Shirey, Director
Whitlock Building 347
(859) 622-2264

All undergraduate students are assigned an academic advisor through the Office of University Advising. Designated departmental faculty and college staff serve as advisors to students with declared majors. Staff advisors in the University Advising Office serve as advisors for students seeking an Associate of General Studies degree, for exploratory students, and for students with developmental needs.

Academic advising is a dialogue between student and advisor to promote responsible and appropriate choices and facilitate a successful academic experience. The Office of University Advising collaborates with students, faculty, and staff across campus to develop a meaningful academic plan tailored to a student’s needs and goals. University Advising serves students, faculty, and staff by:
- Providing year-round academic advising and student support to each EKU student.
- Providing advising tools and referring students to appropriate campus resources.
- Facilitating the Early Alert Program to identify at-risk students.
- Providing customized academic planning and advising to at-risk and exploratory students and students experiencing academic difficulty.
- Assisting with academic recovery for students.
- Assisting in the withdrawal process for students.
- Collaborating with the Counseling Center and the Center for Career and Co-op to assist student in clarifying educational, career, and life goals.
- Collaborating with Center for Career and Co-op and Career Services to facilitate the major exploration process.
- Coordinating campus-wide advising functions through Eastern Academic Retention Network (EARN) meetings and the Undergraduate Advising Committee.
- Coordinating advising resources for the Summer Orientation Program in conjunction with the Office of First Year Programs and the Registrar.

For more information visit the University Advising website at www.advising.eku.edu or call (859) 622-2276.

Student success is an EKU priority. The General Academic Information section provides students with key information to help them succeed on the path toward completing a degree. All students should become familiar with the General Academic Information section of the Catalog as well as specific college and departmental program requirements. Being unaware of these regulations and requirements does not exempt a student from complying with the requirements.

APPLIED CRITICAL AND CREATIVE THINKING (ACCT)

The ACCT is a program-directed University baccalaureate degree graduation requirement intended to showcase the unique experiential and applied components of all undergraduate degrees at EKU. The goal of the ACCT is to ensure that students integrate into their degree program experiences and/or courses that demonstrate applied critical and creative thinking skills. Any course or experience used to meet this requirement may also be used to satisfy program requirements. Options to satisfy this requirement vary by degree program and will be determined by the program. The ACCT experience is expected to be at least a 3 credit hour course, or an experience that requires equivalent effort. Students should refer to the program requirements for their majors, as listed in this Catalog, or listed on their DegreeWorks degree audit, for specific information on the ACCT requirement.

ACADEMIC BANKRUPTCY

ACADEMIC BANKRUPTCY OF EKU WORK

Academic bankruptcy allows undergraduate students who are returning to Eastern Kentucky University after remaining out for an extended period of time to remove from their GPA a portion of the work attempted during prior college enrollment(s). EKU offers this option of academic renewal because it recognizes that some students fail to perform satisfactorily due to immaturity or to other factors that interfere with their academic performance.

Students considering academic bankruptcy should make careful note of the following policy conditions:

a. The student must not have attended Eastern Kentucky University or any other institution of higher education for a period of at least two consecutive years sometime after attempting work to be bankrupted.

b. The student must be currently enrolled as a degree-seeking student at EKU.

c. The student must not have previously declared bankruptcy of EKU work. Bankruptcy can only be declared once.

d. Only semesters where the term GPA is below 2.0 will be considered for bankruptcy.

e. Within eligible terms (see d. above), only courses with grades of “D” or “F,” or the equivalent, may be bankrupted.

f. During his/her first semester after being readmitted a student requesting bankruptcy must attain a minimum of a 2.0 term GPA. The student must earn a grade lower than a “C” on at least 12 hours of 100-level (or higher) EKU coursework, and pass any college readiness courses. All courses and grades, including repeated courses, will be counted in the qualifying term GPA. (*If it takes more than one semester to complete the necessary 12 credit hours, the student must maintain a consistant 2.0 term GPA since being readmitted.) For the purpose of determining bankruptcy a grade of “S” is acceptable.

g. A student who does not enroll in 12 credit hours of 100-level or higher coursework during his or her first term back at EKU will have his/her enrollment in the subsequent semester combined with that of the first to determine bankruptcy. All academic work attempted in the term that includes the twelfth credit hour is affected by the above grade restrictions.

h. Before formally requesting consideration for bankruptcy, the student must confer with bankruptcy experts in the Registrar’s Office to determine which semesters may qualify for bankruptcy and what the impact to the student’s GPA will be. The student will then complete and sign the Academic Bankruptcy form.

If bankruptcy is granted the bankrupted class(es):

• Will remain visible on the transcript, but with a “$” designation.

• Will not be counted in the student’s GPA.

• Will not count as earned hours, they will no longer contribute toward degree progression. (Note that Financial Aid will continue to count bankrupted hours as attempted hours.)

• Will be included in the separate GPA calculation which is done when determining graduation honors.

• Will be prevented by DegreeWorks from meeting any degree requirements (including the 42 hour upper division requirement). However, the dean of the college of the student’s major may waive major, supporting, and general education requirements met by bankrupted courses in which the student received at least a “C” or higher grade under a previous bankruptcy rule. Note that this does not add back any credit hours from bankrupted courses, the student will be required to substitute enough elective courses to obtain the minimum number of credit hours required to graduate.

ACADEMIC BANKRUPTCY OF TRANSFERRED WORK

Academic bankruptcy of transfer coursework undergraduate students who have been out of higher education for an extended period to void a portion of their earlier work attempted at other institutions. EKU offers this option because it recognizes that some students fail to perform satisfactorily due to immaturity or to other factors that interfere with their academic performance.

To qualify for transfer bankruptcy, a student must meet the following conditions:

a. The student must not have attended Eastern Kentucky University or any other institution of higher education for a period of at least two consecutive years sometime after attempting the work to be bankrupted.

b. Students may request to bankrupt any or all semesters of prior work. However, all EKU bankruptcy restrictions and rules listed in the general academic bankruptcy section of this catalog apply.

c. After being readmitted, the student must attain a minimum of
ACADEMIC READINESS

The Developmental Education and College Readiness Program at Eastern Kentucky University helps students achieve academic success in college-level courses by developing or enhancing skill level proficiencies in the areas of reading, writing, and mathematics. Proficiencies in these areas are measured by student performance on the ACT, SAT, and EKU placement tests. In addition, students may earn developmental proficiency in English composition, reading, or mathematics via COMPASS scores, or via KYOTE (Kentucky Online Testing) scores. Students needing additional preparation, identified through testing, are required to enroll in college readiness or developmental education coursework. College readiness is defined by minimum ACT subscores of 18 in English, 19 in mathematics, and 20 in reading.

Developmental Education and College Readiness courses offered at Eastern Kentucky University include:

- ENG 090 Basic Writing
- ENG 095 Developmental Composition
- ENR 090 Developmental Reading I
- ENR 095 Developmental Reading II
- ENG 101 Reading, Writing and Rhetoric
- ENG 101R Reading, Writing and Rhetoric (Supported)
- ENR 116 Strategies for College Reading
- MAT 090A, 090B, 090C Prealgebra
- MAT 095A, 095B, 095C Developmental Algebra I
- MAT 098 Algebra II

Each zero-level developmental course is, or has modules which add up to, three-hours of institutional credit. The credit hours for courses beginning with a zero course number, like 090, 095, or 098, do not apply toward graduation but do count toward enrollment status for purposes of financial aid eligibility and full-time student status.

Note: Students take MAT098 to prepare for MAT107. MAT098 is not required of students needing to meet developmental mathematics requirements. MAT 098 is not a developmental class; however, it is a zero-level course and therefore does not count toward graduation.

Students transferring to Eastern Kentucky University with an Associate of Arts, Associate of Science, Associate of Applied Sciences, and Associate of Science in Nursing degree, or equivalent will be considered proficient in the three basic skill areas of English (writing), mathematics, and reading. Please see Section Six of this Catalog for descriptions of these courses.

DEVELOPMENTAL AND COLLEGE READINESS ENROLLMENT AND COMPLETION REQUIREMENTS & DEVELOPMENTAL DISMISSAL

Following are the policies concerning developmental enrollment and completion requirements for degree seeking students:

1) All full- or part-time students with developmental needs in two or more areas are required to take GSD 101: Foundations of Learning in the first semester of enrollment.
2) All full-time students, including transfer students, with developmental level college reading requirements as identified by the ACT, SAT, COMPASS, KYOTE, or EKU placement testing are required to enroll in the specified developmental course(s) during their first and each subsequent semester of enrollment, until all developmental requirements are completed, excluding the summer
Part-time students, including transfer students, are required to enroll in any needed developmental course(s) during their first and each subsequent semester, until the developmental requirement is fulfilled. Completion of developmental coursework takes precedence over attempting coursework which carries academic credit, other than GSD 101 or other required Student Success Seminars.

4) Students with developmental requirements are allowed a maximum of two consecutive terms of University enrollment per developmental course, excluding summer, to successfully complete each required course.

5) Students who failed to demonstrate continuous, progressive enrollment in required developmental courses will have a registration hold placed on their record. These students are required to meet with the Director of Academic Readiness to establish an academic plan toward completion of college readiness.

6) Withdrawal from a developmental course counts as one semester of University enrollment toward the attempted completion of developmental requirements.

7) Each semester of enrollment at the University counts as an attempt toward completion of a developmental requirement, even if a student has not enrolled in the needed developmental course.

8) Students with developmental requirements must complete all required developmental courses by the end of the term in which they attempt their 45th credit hour, including developmental hours. Students not completing all developmental requirements within 45 hours will be Developmentally Dismissed.

9) MAT 095 students who are unable to pass Module A after four attempts (four blocks) may be required to take MAT 090 (Modules A, B, and C) before attempting MAT 095 again.

Grades in College Readiness and Developmental Courses

- Developmental course grades are not included in the calculation of GPAs.
- Developmental course grades include the grades “A,” “B,” “C,” and “F.” There are no course grades of “D” in developmental courses or ENG 101R.
- 100-level college readiness courses with normal grading do count in the calculation of the GPA as free electives or general education courses that count toward degree completion (as appropriate).

SUCCESS FIRST INITIATIVE

The Success First Initiative grants admission to students who may face challenges as new or returning students as indicated by their established academic record. This program applies to the following students:

- New first-time students (including transfers with less than 24 college credits) with high school GPAs between 2.0 and 2.49 (unweighted on a 4.0 scale) and ACT Composite scores between 15 to 19 or SAT equivalent.
- Readmitted students with an EKU GPA of between 1.0 and 1.99.
- Veterans admitted through the Veterans Bridge to College Success (VBCS) program.
- New first-time freshmen admitted through the Eastern Bridge program.

The Success First Initiative is administered through a variety of programs across campus. Success First students work closely with their assigned advisors to achieve the following:
- Sign a Student Success Agreement that acknowledges the expectations and conditions for participation in the program and for continued enrollment at the University.
- Enroll in and complete all developmental course requirements in the appropriate sequence during their first academic year. Obtain a minimum grade of “C” in all developmental coursework and pass each developmental course within two attempts.
- Meet with the assigned academic advisor each semester before registering for classes and enroll in courses only as agreed upon during this consultation. Note: Success First students must consult with their advisor before making any further schedule changes, especially before dropping a course.
- Achieve satisfactory academic progress (SAP) in order to retain financial aid.

Success First students who drop below a 2.0 GPA are subject to university-wide rules for minimal academic standards (see page 43). All Success First students will be placed in the Associate of General Studies (AGS) program until they obtain 30 college-level credit hours and demonstrate satisfactory academic performance, which is defined as two consecutive semesters with a term GPA of 2.0 or above and satisfactory completion of all developmental coursework.

EASTERN BRIDGE

Eastern Bridge is a transition-to-college program designed to support the academic success of students entering the University with one or more college readiness needs in English composition, mathematics, and/or reading or entering the University with a high school GPA less than 2.49.

Eastern Bridge Students are required to:
- Work with the program coordinator to enroll in needed developmental education courses. Course placement will be based on ACT, SAT, COMPASS, or KYOTE test scores.
- Enroll in needed developmental education courses during the first semester & subsequent spring and fall semesters of enrollment until all needs are remediated. (Students not completing developmental coursework within 45 attempted hours of enrollment will receive a Developmental Dismissal.)
- Attend tutoring and other academic enrichment activities as directed by the Eastern Bridge program coordinator and the assigned academic advisor.
- Maintain a minimum college GPA of 2.0.
- Refrain from declaring a major during the freshman year. However, Bridge students may take entry-level major-area courses when possible or appropriate.

The program is offered during the second session of the summer semester and during the fall semester on the Richmond campus. For more information, contact the EKU Office of Academic Readiness at (859) 622-8860.

ACADEMIC RESTRICTIONS FOR STUDENTS WITH DEVELOPMENTAL REQUIREMENTS

- New first-time freshmen with college readiness needs in two or more developmental areas (English composition, reading, or
mathematics) will be enrolled in the Associate of General Studies Degree program. The Office of Academic Advising will assist these students in creating linkages to departments of academic interest.

- Students affected by the above policy who would be rendered ineligible for specific scholarship opportunities, or who would be denied entrance into academic programs with proven student retention success, may petition for permission to declare a baccalaureate degree program. Letters of petition should be sent to the EKU Office of the Registrar after the student has been admitted into EKU.

- Students with two or more developmental area requirements are permitted to enroll in up to 16 hours of University coursework. Advisors should work closely with these students to ensure that students have (a) taken EKU placement tests before registering to ensure correct placement in 090- and 095-level courses; (b) received information on available tutoring and student support services; and (c) utilized the Academic Planner in DegreeWorks to prepare a progress-to-degree course map for completing required general education and major area courses.

- Note: Students successfully completing 090-level courses should take EKU placement tests in an attempt to test out of 095-level courses.

- Students enrolled in any MAT 090 section (Prealgebra) cannot enroll in any course with the following prefixes: AST, BIO, CHE, CIS, CNM, CSC, FOR, GLY, NAT, PHY, SCI, or STA.

- Students enrolled in ENR 090 or ENR 095 may be restricted inservice registration based on academic department course prerequisites.

- MAT 095 students who are unable to pass Module A after four attempts (four blocks) may be required to take MAT 090 (Modules A, B, and C) before attempting MAT 095 again.

### ACADEMIC STANDARDS

#### Academic Achievement Awards and Recognitions

**Dean’s List:** The dean’s list is one of several ways in which the University recognizes students who achieve academic excellence. The dean’s list is published after each regular (fall/spring) semester. Eligibility requirements for the dean’s list are as follows:

<table>
<thead>
<tr>
<th>Hours Attempted with Regular Grading</th>
<th>Minimum Term GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>12</td>
<td>3.75</td>
</tr>
<tr>
<td>12</td>
<td>3.65</td>
</tr>
<tr>
<td>14 or more</td>
<td>3.50</td>
</tr>
</tbody>
</table>

Students attempting fewer than 12 semester hours under the regular grading system are not eligible for the dean’s list. Courses below the 100 level will not be counted in determining eligibility for the Dean’s List.

**Dean’s Award:** As a further recognition of academic excellence, the University presents the Dean’s Award to students who have achieved the Dean’s List and/or the President’s Award (see below) three times. Students receiving the Dean’s award are presented with a recognition pin by the appropriate academic dean.

**President’s Award:** The highest recognition of academic achievement for a regular semester (fall/spring) is the President’s Award. This award is given to students who complete a full time course load during a regular semester (fall/spring), with normal grading (excluding developmental coursework), and who attain a 4.0 grade point average for that semester. Students receiving the President’s Award receive a letter of recognition from the President. In addition, the division of Public Relations and Marketing distributes the names of the recipients to appropriate news media, including their hometown newspaper.

#### Good Academic Standing

For the purposes of transferability, a student is considered to be in good academic standing at Eastern Kentucky University when that student maintains a grade point average that permits the student to re-enroll in the institution on a full-time basis and in the duly designated academic program.

#### Minimum Academic Standards

**Satisfactory Progress:** Degree-seeking students shall be considered as making satisfactory progress so long as they remain in good academic standing (2.0 cumulative GPA) and enroll in courses required or allowed in their chosen academic program.

Students having difficulty meeting academic standards are strongly advised to reduce or eliminate part-time jobs and other extracurricular activities which may detract from their studies, or to reduce the number of hours for which they are enrolled. To make timely progress toward degree students are expected to earn at least 15 credit hours per fall/spring semester.

**Good Academic Standing:** Students are expected to maintain at least a 2.0 cumulative grade point average (GPA) while enrolled at EKU. The actions described below pertain to students whose cumulative GPA falls below 2.0. Once a student’s cumulative GPA returns to 2.0 or above, he/she is once again in good academic standing.

**Academic Probation:** Students who earn a cumulative GPA of less than 2.0 will be placed on Academic Probation after the close of that semester. While on academic probation, students may not enroll in more than 13 credit hours in either fall or spring terms or more than a total of six hours during a full (12-week) summer term. Students who are on Academic Probation and cease continuous enrollment, and subsequently wish to return to the institution, must apply for readmission and will be held to those readmission criteria (please refer to the Requirements for Readmission section of the Catalog).

**Intervention for New First-Time Freshmen on Probation:** Because a student’s academic performance in his/her first semester at EKU is predictive of overall success and graduation, EKU is increasing the support given to students whose GPA is less than 2.0 at the end of the first semester. New first-time freshmen whose GPA is less than 2.0 will be required to participate in prescribed intervention strategies and will be placed on First Semester Probation, with a requirement of earning a 2.0 or higher term GPA in the second semester to prevent academic suspension.

**Academic Suspension:** At the end of a semester on academic probation, students must have earned a semester GPA of at least 2.0 or raised their cumulative GPA to 2.0. Students not meeting the semester or cumulative GPA requirement will be placed on academic suspension. Students may not enroll in classes at EKU while academically suspended. Students who are academically suspended for the first time may not enroll in classes at EKU for one full semester (summer is counted with the next fall semester if a student is academically suspended at the end of the spring term). Students may be academically suspended up to three times during their academic career at EKU. The second academic suspension is for one calendar year and a third academic suspension is for two calendar years. An academically suspended student will return to EKU on academic probation if his/her cumulative GPA is less than
at least one year to complete and results in the awarding of a certificate is called a university certificate. Undergraduate-level university certificates require 24 or more hours, while graduate-level university certificates require 18 or more hours. University certificates are issued by the University and printed on diploma stock. University certificates are automatically recorded on student transcripts. Students who complete a university certificate must apply for graduation at the dean’s office of the college offering the university certificate, and pay applicable fees to cover certificate processing and mailing costs. University certificates are not awarded at the Commencement ceremony and certificate-only earnings do not participate in Commencement.

**EKU Department-Awarded Certificate**

A short-term certificate program that requires less than one year to complete and results in the awarding of a certificate is considered a department/college certificate. Undergraduate department/college certificates require 12-23 hours. Graduate-level department/college certificates require 12-17 hours. Department/college certificates are issued by the academic department or college; the student does not formally apply for graduation and no processing fee is required. Department/college certificates may be noted on student transcripts at the request of the department/college. Department/college certificates are not awarded at the Commencement ceremony.

**CLASS ATTENDANCE**

The University expects all students to be officially registered before the end of the add/drop period for each course, and to attend all class meetings. Research shows that students who regularly attend class are more likely to succeed. EKU students are responsible for course work covered during all class periods, specifically any work missed during any absence from class, including the first class meeting. Each instructor will record absences and deal with them in a manner consistent with departmental policy for that course. Since attendance policies vary among departments and for courses within departments, students must be familiar with the policy printed on the course syllabus.

If a student presents the instructor with an adequate and documented reason for an absence, the instructor normally will give the student an opportunity to make up the work missed, if this is feasible. Adequate reasons involve circumstances beyond the student’s control, such as personal illness, critical illness, or death in the immediate family, or participation in an approved University activity. No absence of any nature will be construed as relieving the student from responsibility for the timely completion of all work assigned by the instructor. Initiating the request to make up class work is the student’s responsibility.

**Absence from Class Due to Participation in an EKU Sponsored Event:** A student who participates in an EKU sponsored event should complete and process a Student Absence from Class form before the sponsored event. This form explains the student’s absence, it does not excuse the student from responsibility for content covered during the approved absence.

**First Day of Class Attendance:** This process is designed to ensure clear reinforcement of the message that class attendance at EKU is important. Faculty are expected by the University to drop a student for being absent on the first day of class during the first week of the term. Students who know they will be absent should contact their instructor or the academic department office PRIOR TO THE
The student submits a graduation application, online, through the EKUDirect secure student services account. At the time of application each student shall have created, and have approved by an advisor, a Degree Works academic plan for every semester up through the proposed graduation term.

During the graduation evaluation the student’s current registration and Degree Works plan for future terms will be examined – to determine whether the student is on-track and efficiently headed toward graduation. The student will be informed if he or she cannot meet the graduation goal declared on the graduation application, advised how to get back on-track, and given a new graduation timetable.

Results from the graduation evaluation will be documented on the student’s Degree Works. Students will receive reminders when it is time to apply for graduation and initiate the graduation evaluation. Students are expected to heed warnings and follow any instructions posted on their Degree Works audit as a result of this official graduation evaluation. Students who apply to graduate without having the appropriate academic plan in Degree Works will be expected to submit the plan before being evaluated and before registering for the next semester.

Each student’s degree will be awarded by the University at the first opportunity to do so upon completion of requirements for the student’s declared program, per the student’s graduation application. Students are expected to earn their baccalaureate degree no later than 6 years after initial matriculation as a first-time degree-seeking student.

Final graduation clearance, degree certification on behalf of the University, and production of diplomas are completed by the Office of the Registrar.

### Changing Major after Applying to Graduate

After applying to graduate and having a graduation semester confirmed by the University, students are expected to maintain their declared program of study, and thus graduate on schedule. Each student is expected to carefully review how any proposed change to a declared program of study would impact his or her approved graduation timetable and future financial assistance, if relevant. Given the gravity of such changes, only in extreme situations and after careful consultations with the student’s professional advisor and/or written permission from a graduation evaluator would a change that would delay graduation be considered.

### Deferral of Graduation Date

Students who are not successful in completing all graduation requirements by their approved graduation date, but for whom the University determines the graduation goal is still easily within reach, will have their graduation term automatically deferred to the next semester. Students can have their graduation deferred for a maximum of two sequential semesters. After that time the original graduation application will be cancelled and the student will be required to submit a new application for graduation, pay a new application fee, and have a revised Degree Works graduation plan approved by the graduation evaluator.

### Commencement Participation

Commencement ceremonies are conducted at the conclusion of the fall and spring semesters, prior to final grade processing. The Commencement ceremony represents a celebratory gathering of all degree candidates who are expected to complete their academic requirements by the official degree-conferral date as established by the University. Attendance at Commencement is optional. Participation in the Commencement ceremony does not influence the degree award.
not represent confirmation of degree completion (“graduation”). After final grades are processed and reviewed, degrees will be conferred. Students earning only a certificate, either university or departmental, do not receive caps and gowns and do not participate in the Commencement ceremony. For additional information regarding Commencement, please refer to the registrar’s Web site at www.registrar.eku.edu/graduationInformation/.

**Graduation Fair (Grad Fest)**

There is a graduation fair (Grad Fest) on campus each fall and spring semester. This is an important event for all graduating students. At Grad Fest, students will conclude all needed graduation tasks, including picking up their academic regalia. For additional information, please refer to the Grad Fest website at http://registrar.eku.edu/gradfest

**Graduation Fee**

There is a graduation application fee for each diploma and/or university certificate sought; the appropriate fee is assessed to the student’s EKU account upon receipt of the graduation application. This graduation fee only partially offsets the full cost of production and mailing of diplomas and certificates. The University subsidizes cap, tassel, and gown costs for degree-earners who participate in the Commencement ceremony. Complimentary regalia will not be mailed to students who graduate but choose not to walk at Commencement. Refer to the Graduation Information website for more details regarding graduation fees and/or commencement.

**Degree Conferral Date**

The Board of Regents of Eastern Kentucky University approves the conferring of degrees three times per year. These conferral dates represent confirmation that all degree and/or university certificate requirements have been met by that date. The formal conferral date is posted to the student’s academic transcript and is the date printed on the diploma and certificate. Below are the EKU degree/certificate conferral dates:

<table>
<thead>
<tr>
<th>Fall</th>
<th>December 31</th>
</tr>
</thead>
<tbody>
<tr>
<td>Spring</td>
<td>May 31</td>
</tr>
<tr>
<td>Summer</td>
<td>Date that summer term final grades are due to the Registrar’s Office, usually during the first week of August</td>
</tr>
</tbody>
</table>

For information see the Graduation Information website at: www.registrar.eku.edu/GraduationInformation/diplomas/

**Locking Academic History (after degree has been awarded)**

Once a degree has been conferred the academic record of all work contributed to the awarded degree is locked. No course grades may be repeated or replaced for any classes used toward the conferred degree.

Students have one calendar year after a degree is awarded in which they may challenge any item on their academic record that is believed to be in error. This excludes grade challenges, which must always be directed to the chair of the department which offered the course in question. For more details regarding grade challenges please refer to the student handbook at http://studentaffairs.eku.edu/studenthandbook

**Diploma and University Certificate Production**

Diplomas and University Certificates are produced in-house and are mailed to students after confirmation of degree completion. The graduation confirmation process takes several weeks to complete. Therefore, students should expect to receive their diploma 6-9 weeks after the end of finals week.

**Associate Degree Honors**

**With Distinction and With High Distinction**

Students earning an Associate Degree are graduated “With Distinction” if they attain a cumulative GPA of at least 3.5, but less than 3.7, on all semester hours transferred to and attempted at Eastern Kentucky University and if they complete a minimum of 30 semester hours at Eastern Kentucky University.

Students earning an Associate Degree are graduated “With High Distinction” if they attain a cumulative grade point average (GPA) of 3.7 or higher on all semester hours transferred to and attempted at Eastern Kentucky University and if they complete a minimum of 30 semester hours at Eastern Kentucky University.

For purposes of honors recognition, all semester hours transferred to and attempted at Eastern Kentucky University— including those which are subsequently repeated or bankrupted - shall be included when calculating the GPA used to award academic honors. Because of timing, honors GPA calculations (solely for the purpose of recognition at the commencement ceremony) can not include the final semester’s course work. In-progress hours will be used to attempt to meet the 30 semester hours at Eastern Kentucky University requirement. Calculations for the permanent designation of honors on the diploma and transcript will include the final semester grades.

**Baccalaureate Degree Honors**

**Latin Honors: Cum Laude, Magna Cum Laude, Summa Cum Laude**

Eastern Kentucky University recognizes graduating baccalaureate degree students who have achieved distinguished academic records by awarding their degree with Latin Honors. There are three levels of Latin Honors: Cum laude (“with praise”), Magna Cum laude (“with great praise”), and Summa Cum laude (“with highest praise”). All students earning Latin honors must take at least 25% their of degree applicable course work at Eastern Kentucky University.

All semester hours transferred to and attempted at Eastern Kentucky University (including those which are subsequently repeated or bankrupted) will be used in calculating each Latin Honor grade point average (GPA). Latin honors GPA calculation— for purposes of designating which students may wear a Latin Honors sash at the graduation commencement ceremony—does not include the final semester’s course work as these calculations occur weeks before the term has finished. Once a student’s final semester has concluded and final grades are available, these grades will be included in the calculations to award the permanent designation of Latin Honors on a student’s diploma and transcript.

**Cum Laude**: Students earning Cum Laude must attain at least a cumulative GPA of at least 3.5, but less than a 3.7, on all semester hours transferred to and attempted at Eastern Kentucky University. Additionally, a minimum of 25% of all degree applicable course work must be taken at Eastern Kentucky University.

**Magna Cum Laude**: Students earning Magna Cum Laude must attain at least a cumulative GPA of at least 3.7, but less than a 3.9, on all semester hours transferred to and attempted at Eastern Kentucky University. Additionally, a minimum of 25% of all degree applicable course work must be taken at Eastern Kentucky University.
**Summa Cum Laude**: Students earning Summa Cum laude must attain at least a cumulative GPA of at least 3.9, or higher, on all semester hours transferred to and attempted at Eastern Kentucky University. Additionally, a minimum of 25% of all degree applicable course work must be taken at Eastern Kentucky University.

**Honors Scholars Program**

Students are graduated as Honors Scholars if they successfully complete Eastern Kentucky University’s Honors Program, satisfy all comprehensive and program requirements for an undergraduate degree from this University, and graduate with a cumulative GPA of at least 3.0. Honors Scholars are designated at commencement with a maroon mortarboard.

**Center for Admission, Recruitment and Educational Services CARES**

All students seeking initial teacher certification, regardless of the college in which they are enrolled, must meet the requirements for admission to professional education, complete an approved teaching curriculum, and pass the required PRAXIS tests as determined by the major/minor to be recommended for certification. For specific information regarding teacher certification requirements, please refer to page 207 of the catalog.

Eastern Kentucky University awards baccalaureate degrees, but it is the Education Professional Standards Board (EPSB) for Kentucky that is responsible for issuing teacher certification. The Center for Admission, Recruitment and Educational Services (CARES) sends certification recommendations to EPSB.

**Course Types**

**Course by Special Arrangement**

A Course by Special Arrangement (CBSA) is a course that is part of an approved curriculum program but is being offered to a student during a term or at a time when circumstances prevent the course from being a part of the department’s regular class schedule. A CBSA should be employed only in cases of extreme scheduling conflict when no substitution is appropriate or available. Prior to registration, students must file the CBSA Petition. This petition requires the signature/approval of the instructor, program chair, and dean. An additional $100 per semester hour fee is assessed in addition to regular tuition and fees. Faculty are compensated at $100 per semester hour. An independent study course cannot be a Course by Special Arrangement.

**Independent Study Course**

Independent study courses, which are distinct from Course by Special Arrangement and special topics courses, are designed to provide an opportunity for a student to pursue a research/study interest not available through any of the courses offered in a program at EKU. Independent study courses must be under the supervision/direction of a faculty member with appropriate qualifications for the course content and must be guided by an approved research or project plan. Independent study courses must follow the prescribed Independent Study protocol and be approved in advance of enrollment. The independent study course must be appropriately designated as such in the Catalog. Independent study courses should not be used as a mechanism to teach a course not offered in a given semester or as a substitution for program requirements, though they may, with appropriate approval, fulfill such requirements. Independent study courses are not intended to be a mechanism for enrolling in a course for which a student would otherwise be ineligible. Tuition and fees for independent study courses are computed at the same rate as other regular on-campus courses.

**Service Learning**

Courses that have been officially recognized as including service-learning within their curriculum are designated with the letter “S” following the course prefix and number. Service-learning is defined as:

- An academic experiential educational method in which students participate in an organized service activity that meets identified community needs and reflects on the service activity in such a way as to:
  - gain further understanding of course content,
  - develop critical thinking skills, and
  - develop an enhanced sense of civic responsibility

Students will be required to participate in at least 5 hours of community service per credit hour of course credit.

**Special Topics Courses**

Special topics courses are designed to offer the opportunity for students to study specialized areas within a discipline. These courses are created with normal class enrollment expectations. The topic of study is designated by the course section title, and may or may not vary with each offering. Students may repeat a special topics course (for the purpose of earning additional course credit) only if the specific course title is different with each subsequent enrollment.

**Student Success Seminars**

Every student seeking a baccalaureate degree or Associates Degree in General Studies (AGS) must complete a 1-3 credit Student Success Seminar.

- Full time students must complete the Student Success Seminar during their first semester.
- Part time students are strongly encouraged to complete the Student Success Seminar during their first semester, and must complete it within their first 18 credits.
- Students who earn a grade of “W,” “F,” or “FN” in a Student Success Seminar must repeat the course the following term.
- Transfer students who have 30 or more transfer credits upon admission to EKU may have this requirement waived. (Some majors require all students to take a Student Success Seminar, regardless of transfer status.)

**Declaring a Program of Study**

**Changing Major/Minor/Concentration**

Because changing majors generally lengthens students’ time to degree, students are limited to changing their major only one time per year.
Once a student has applied to graduate she/he is expected to follow her/his degree plan that has been certified by a college graduation expert. Students may declare or change their currently declared major, minor, or concentration, after careful review and advisement by completing the appropriate form and obtaining the written approval of the department chair or advisor of their desired new program. (Read below regarding programs that have specific entrance requirements).

The “Declaration of Program of Study” form is available through www.forms.eku.edu, as well as the Registrar’s website. When the requested change is received by the Registrar’s Office it will be processed, and a new advisor will be assigned by the Office of University Advising within 10 business days.

Students who request a change of major will be moved into the current program for the desired major, per the Catalog in force at the time the request was received. The student will be subject to all program and University graduation requirements, including General Education, as listed in the current Catalog.

Some programs of study require specific admission criteria, and have a formalized admission process. These programs require a separate application for admission. Please refer to the program requirements section of this catalog to determine whether a program has specific admissions processes or criteria.

When declaring a major, all degree-seeking students shall declare as a first major an EKU degree program, or a university certificate if that is the student’s only educational goal.

**DEGREE AUDIT**

DegreeWorks is a degree audit report available to students and advisors online via EKUDirect (student web and faculty web). It is an audit which shows the requirements for a student’s program and how completed and in-progress courses apply to that program. Students should contact their academic advisor if they have questions concerning degree requirements or their DegreeWorks report. Questions can also be emailed directly to the Degree Works programmers at reg.dgw@eku.edu

*Curriculum Guides-Academic Plans: Curriculum guides for each program are printed in this catalog and part of the DegreeWorks Academic Planner. All students should create an academic plan in DegreeWorks, maintain and follow that plan. Completion of the program will vary according to student status (i.e. transfer students, developmental students) and student load each semester. To make timely progress toward a degree full-time students are expected to earn at least 15 credit hours per semester. Colleges will make available to students through appropriate advising any additional non-curricular requirements that apply to the specified major.*

**DEGREE INFORMATION AND REQUIREMENTS**

**EKU Academic Residency Requirement**

A minimum of 25% of coursework applied toward the completion of any major core requirements, minors, and/or EKU certificates must be earned at EKU.

**CATALOG**

For all graduation requirements, including general education, students will be governed by the Catalog in use at the time they enter the University or declare a new major. Each student has a catalog year associated with their student record, designating the academic year for the Catalog dictating their program, General Education, and University graduation requirements. The catalog year for each student may be found on the student’s DegreeWorks degree audit. If in a subsequent year any graduation requirements change, students may elect to complete the later requirements by requesting the Registrar’s Office move them to the current Catalog. Students who stop out for more than two years will meet all graduation requirements in place at the time they reenroll. Students who stop out for fewer than two years may elect to be returned to the graduation requirements in place at the time they declared their major by submitting a request to the Registrar’s Office.

The above refers only to curricular requirements. With respect to policy requirements, all students are governed by current University policies that have been approved by appropriate University committees.

**COMPREHENSIVE ASSOCIATE DEGREE REQUIREMENTS**

To qualify for an associate degree, students must satisfy the following requirements:

1. Complete all requirements in the degree program as established by appropriate University committees.
2. Complete University academic requirements, including basic skills proficiencies in English, reading, and mathematics; general education; and a student success seminar (AGS degrees), as established by appropriate University committees for each degree program.
3. Complete a minimum of 60 semester credit hours.
4. Earn a minimum grade point average (GPA) of 2.0 on all college-level work taken at Eastern Kentucky University. In addition, transfer students must earn a minimum GPA of 2.0 on the combined transfer work and Eastern Kentucky University work.
5. Earn a minimum of 15 semester hours through Eastern Kentucky University.
6. Earn the credits applicable to major and supporting degree requirements within eight years prior to the date the degree is awarded. Credits more than eight years old may be used to meet general education, upper division, and free elective areas. The college dean of a student’s major may validate individual eight-year-old (or older) coursework as meeting major and/or supporting requirements.
7. Students enrolled in MAT 090 are not permitted to enroll in any course with the following prefix: AST, BIO, CHE, CIS, CNM, CSC, FOR, GLY, NAT, PHY, SCI or STA.

**Degree Requirement Notes:**

*General Education Requirements for Associate Degrees: Students in associate degree programs must earn a minimum of 15 hours in courses approved for general education. These hours must include ENG 101 and ENG 102 or their equivalent. The nine additional hours must include one course in each of the following General Education Elements: 3A, or 3B (Arts and Humanities); 5A, or 5B (Social and Behavioral Sciences); and 2 (Mathematics), or 4 (Natural Science with Lab).*

**COMPREHENSIVE BACCALAUREATE DEGREE REQUIREMENTS**

To qualify for a baccalaureate degree, students must satisfy the following requirements:

1. Complete all requirements in the degree program as established by appropriate University committees.
2. Complete University academic requirements, as established by appropriate University committees for each degree.
program, that includes:

A) Basic skills proficiencies in English, reading and mathematics,
B) Student Success Seminar (if applicable)
C) A writing-intensive course,
D) One of the university approved Wellness courses,
E) General Education, and
F) The Applied Critical and Creative Thinking (ACCT) requirement.

3. Complete a minimum of 120 semester credit hours, with at least 42 hours at the 300 level or above.  

4. Earn a minimum grade point average (GPA) of 2.0 on all college-level work taken at Eastern Kentucky University. In addition, transfer students must earn a minimum GPA of 2.0 on the combined transfer work and Eastern Kentucky University work.

5. Earn a minimum of 30 semester hours through EKU if the student is pursuing a 120 hour degree program. If the degree program sought requires greater than 120 semester hours, the minimum EKU residency credit shall not be less than 25% of the total program hours.

6. Earn the credits applicable to the major and supporting degree requirements within eight years prior to the date the degree is awarded. Credits more than eight years old may be used to meet general education, upper division and free elective requirements, as well as major requirements for the General Studies degree. The college dean of a student’s major may validate individual 8-year-old courses to count for non-General Studies major and supporting requirements.

Degree Requirement Notes:

2. Students enrolled in MAT 090 are not permitted to enroll in any course with the following prefix: AST, BIO, CHE, CIS, CNM, CSC, FOR, GLY, NAT, PHY, SCI or STA.

3. General Education Requirements for Baccalaureate Degrees: The General Education Program consists of 36 hours of course work in six elements: 1. Communication, 2. Mathematics, 3. Arts and Humanities, 4. Natural Sciences, 5. Social and Behavioral Sciences, and 6. Diversity of Perspectives and Experiences. Students must earn the specified number of hours in each of these course categories. See the General Education section in this Catalog for more detailed information about general education requirements.

4. Individual major programs decide which courses or experiences can be used to satisfy the ACCT requirement. Refer to program descriptions in Section 5 of this catalog for more information.

5. Hours Required for a Baccalaureate Degree: The University requires a minimum of 120 semester hours to earn a baccalaureate degree. In most cases this minimum is also the maximum. While there is no upper limit beyond 120 semester hours which may be set as a particular major program’s requirements, each program or program change is approved through the University’s committee system and any program requiring beyond 120 semester hours will require substantiation of additional requirements.

6. According to AACSB International business accreditation standards, students enrolled in University baccalaureate degree programs, other than those within the School of Business, will not receive credit toward their degrees for more than 25 percent of their undergraduate programs in credit hours in courses offered through the School of Business and/or business courses (courses commonly taught in school of business) transferred from other colleges and universities or taken from other units within Eastern Kentucky University. Students who desire to take business courses are encouraged to enroll in the Business minor.

7. Degree programs offered by the College of Business and Technology have more stringent residency requirements. Please refer to degree requirements in the College of Business and Technology section of this Catalog.

8. The college dean of a student’s major may validate individual 8-year-old courses to count for non-General Studies major and supporting requirements.

DEGREE PROGRAM DEFINITIONS

A. Major (Baccalaureate): Thirty semester hours is the minimum requirement for a baccalaureate degree major. A course that meets a core program requirement for a major may also fulfill, at the same time, a University graduation requirement; with the exception that a course cannot be used to meet both a major core requirement and a general education area.

B. Concentrations (Baccalaureate): A concentration (synonymous with an option, emphasis, specialty or track) represents a collection of courses offering a student the opportunity to develop a focus within the broader area of their major program. There will be a common grouping of courses (a minimum of 21 semester hours) shared by the major core and its associated concentration. The concentration adds onto the major core an additional 12-18 semester hours of specified coursework to develop the desired expertise. Concentrations may, or may not, be a required component of the program of study. Deviations from the 12-18 hour concentration may be granted by the Council on Academic Affairs when unusual program requirements dictate.

C. Minor (Baccalaureate): Minors require a minimum of 18 semester hours. A list of specified courses may be added for students seeking a teaching certification extension in the minor. A student may not declare a minor with the same subject matter (course prefix) as his/her declared major program of study. The same course credit may be applied for both major core or supporting requirements and a student’s minor. A minor course that is a required part of major core cannot also be used to fulfill a general education requirement.

D. Supporting Courses: Supporting courses are courses that are outside the degree program that provide necessary skills or knowledge. A course cannot be listed as a supporting course if it is offered by the home department of the degree program, unless it is tied by prefix to a different degree program. Supporting courses that are approved as general education courses may be used to fulfill both supporting and general education requirements.

CONCURRENT (DUAL DEGREES) AND SUBSEQUENT DEGREES

Concurrent Degrees: A student may qualify to earn two degrees concurrently (dual degrees) by completing all requirements for both degrees, including major, supporting, and general education requirements. Courses used in one degree program may also be used in the other. The student has the responsibility to file separate graduation application for each degree being sought. If the two degrees are in the same college, the student must file two applications in the office of the college dean. If they are different colleges, one application must be filed in each dean’s office. Please refer to the “Application for Graduation” section of this catalog for more details.

Concurrent Associate Degrees: If two 60 credit hour associate degrees are pursued concurrently, a minimum of 75 credit hours must be earned. If one or both of the associate degrees has program requirements in excess of 60 hours, the degree program with the highest number of required hours will be considered the student’s first associate degree, and the hours required to earn the second associate degree shall be 25% of the second program’s total hours.

Concurrent Baccalaureate Degrees: If two 120-credit-hour baccalaureate degrees are pursued concurrently, a minimum of 150 credit hours must be earned. If one or both of the baccalaureate degrees has program requirements exceeding 120 hours, the degree program with the highest number of required hours will be considered the student’s first baccalaureate degree, and the hours required to earn the second baccalaureate degree shall be 25% of the second program’s total hours.

Concurrent Baccalaureate and Associate Degree: The minimum number of hours required for concurrently earning an associate and a baccalaureate degree is the number required by
the baccalaureate degree. Associate degree earners are expected to complete that degree prior to completion of their baccalaureate degree. Specifically, Associate of General Studies (AGS) seekers must declare, and earn, the AGS before graduating with any baccalaureate degree.

Subsequent Degrees: Students having earned one degree, either from Eastern Kentucky University or from another regionally accredited institution, may subsequently pursue an additional degree, either associate or baccalaureate, by completing all requirements of the subsequent degree, including major, supporting, and general education requirements. For students who earn their first degree at EKU, hours earned prior to the awarding of a first baccalaureate or associate degree may be counted toward the minimum required to earn a subsequent baccalaureate or associate degree.

Students must earn at least 16 approved semester hours at EKU for an associate degree beyond those required for the earlier degree. A subsequent baccalaureate degree requires at least 32 approved hours earned at EKU beyond those required for the earlier degree.

Students who have completed a previous degree elsewhere and apply to Eastern Kentucky University, should have official transcripts from the institutions previously attended sent to Eastern Kentucky University’s Admissions Office.

Multiple Majors/Minors

Students pursuing baccalaureate degrees other than General Studies may consider more than one major and/or minor. All requirements for the declared major and/or minor must be completed by the time the initial degree is awarded. Associate degrees are not eligible for minors or second/multiple majors.

Students are required to declare a primary degree program (specific baccalaureate degree and first major). This program of study is that which will be recorded on the diploma, and which will determine the degree awarded by the University. A second or additional major represents a further emphasis of study and shall be designated on the student’s academic transcript. Earning a second or other major, however, is not to be considered as completion of an additional or distinct degree program.

Double Majors vs. Dual Degrees: A student pursuing one degree, but two major areas of study, is said to have a “double major”. To complete a double major the student must earn all hours required by the degree program of their first major plus any additional course(s) needed to fulfill only the major and supporting requirements of the second major. A student who fulfills all requirements for two complete degree programs, earning no fewer than 150 credit hours is said to be a “dual degree candidate” Students who wish to earn two baccalaureate degrees (dual degrees) should refer to the Concurrent Degree Policy. Note that associate degrees are not eligible for minors or second/multiple majors.

Awarding Subsequent Majors/Minors: EKU does not award a subsequent major/minor/concentration after an initial degree is conferred unless the student completes a subsequent degree program. While multiple majors, minors and certificates earned by a student are formally posted to the student’s academic transcript, only the degree earned and one major will be printed on the diploma. Students interested in pursuing multiple majors, minors, certificates and/or concentrations should contact the Office of Academic Advising and Retention, a college advising office, or the department of interest for additional information.

Enrollment and Class Schedule

Academic Load

Enrollment in Fall/Spring Terms: To make timely progress toward their degree, full-time students are expected to earn 15-16 credit hours each fall/spring semester or 30 credit hours per academic year (Fall/Spring/Summer). Full-time student status requires a minimum of 12 credit hours during a fall or spring term. Students carrying fewer than 12 credit hours are considered part time. A student who has established a superior record may be permitted to enroll for more than 18 hours by the dean of the college of the student’s first major. The absolute maximum load for an undergraduate student is 21 credit hours.

Enrollment in Summer Term: For enrollment verification and financial aid during the summer semester, an undergraduate student must be registered in at least 12 credit hours to be considered a full-time student. Enrolling in more than 12 credit hours is restricted to students who have established a superior academic record. Permission to enroll in more than 12 credit hours during the summer must be granted by the dean of the college of the student’s first major. The absolute maximum summer enrollment is 15 hours.

Financial Aid and Enrollment Verification: Please note that, for financial aid, enrollment verification, and loan consideration, full-time status requires a minimum of twelve semester hours in any academic term.

The limitations above apply to all enrollments or combinations of enrollments for the term specified, including campus classes, regional campus classes, online study, and enrollments at other institutions. The Registrar will not record credits beyond these maximums.

Note: Students who are not on good standing academically have lower maximum enrollment limits. Please refer to the section on Minimum Academic Standards.

Class Schedule Changes

Dropping a Class - 1st Week of Class: If students wish to add courses to their schedule, they must do so by the date published in the Colonel’s Compass for that term. If a student drops a course by the end of a term’s Schedule Change Period (add/drop), the course will not appear on the student’s grade report or transcript. Course drops are executed online through EKUDirect.

Withdrawing from a Class

See Withdrawal section on page 63.

Final Examinations

If a student is scheduled for more than three final examinations on the same day, the student may request, through the college dean, that the fourth examination be rescheduled.

First Day of Class Attendance

All instructors are expected to participate in the First Day Attendance-Faculty Drop process. For information regarding faculty dropping students for missing the first day of class, see Class Attendance section on page 45 of the Catalog.

Late Registration Fee

Students whose initial registration for the term does not occur until on or after the first day of class will be assessed a non-refundable $50 late registration fee.
GENERAL EDUCATION REQUIREMENTS

The mission of general education is to promote learning that is central to the intellectual pursuits associated with our educational programs and to enable students to make informed choices about matters of public and personal significance in a diverse, democratic society and global community. The general education program helps students to become informed, independent thinkers by developing competencies in communication, quantitative analysis, and critical thinking by helping them understand and appreciate the diversity of culture, individuals, the natural environment, and the global society. Courses that are used to satisfy the program’s Major Requirements cannot also be used to satisfy General Education requirements.

Some courses may be listed in more than one General Education category. However, no single course can be used to satisfy more than one General Education requirement.

Changing General Education Requirements

The following General Education program became effective fall 2012. Students in previous General Education programs may move forward to this catalog at any time. However, because the 2012 General Education program is highly integrated with new University requirements, (and a majority of programs have been revised accordingly), students moving into the newest catalog, for any reason, will be held to the new General Education, and University graduation requirements, as well as major requirements as listed in this Catalog. Students will have one catalog year governing all graduation conditions. To see how a Catalog change will impact their progress toward degree, students are expected to first run a “What-If” DegreeWorks audit and study the impact of a Catalog change. Once a student has moved forward to a new catalog year they cannot move back to a previous year.

NOTE: The courses listed award three hours of credit, unless a number appears in parentheses following the course name. Courses with an “L” are laboratory classes and one credit hour unless otherwise noted. Course numbers followed by (\(^\)) have prerequisites or other restrictions on enrollment. Refer to Course Descriptions in Section Seven of this Catalog for specific restrictions.

### SUMMARY CHECKLIST FOR GENERAL EDUCATION

Element 1: (9 hours)
- A: Written Communication (3)
- B: Written Communication (3)
- C: Oral Communication (3)

Element 2: Mathematics (3 hours)
- A: Arts (3)
- B: Humanities (3)

Element 3: (6 hours)
- A: Historical Science (3)
- B: Social & Behavioral Science (3)

Element 4: Natural Sciences (6 hours)

Element 5: (6 hours)
- A: Historical Science (3)
- B: Social & Behavioral Science (3)

Element 6: Diversity of Perspectives & Experiences (6 hours)

Total: 36 hours

Students are expected to complete Elements 1 and 2 within their first 60 hours of college credit.

1. COMMUNICATION.

   1A Written Communication. Three hours required.
   - ENG 101^  Reading, Writing and Rhetoric
   - ENG 101R^  Reading, Writing, Rhetoric (Supported)
   - ENG 105^  First Year Writing Seminar

   1B Written Communication. Three hours required.
   - ENG 102^  Research, Writing and Rhetoric

   NOTE: Students earning “A” or “B” in ENG 105 will earn six hours of credit, three hours of which will be applied to category 1B, thus completing Elements 1A & 1B. Those earning “C” or “D” will earn three hours credit, completing only Element 1A, and will then take ENG 102.

   1C Oral Communication. Three hours required.
   - CMS 100  Introduction to Human Communication
   - CMS 210  Public Speaking
   - EES 250  Basic Social Intelligence Skills
   - OR
   - Honors Program Participants 1A & 1B &1C
   - HON 102/103^  Honors Rhetoric & Communication (9)

2. MATHEMATICS. Three hours required.
   - HON 304W  Honors Seminar in Mathematical Sciences
   - MAT 105^  Mathematics with Applications
   - MAT 106^  Applied Finite Mathematics
   - MAT 112^  Algebra and Applications
   - MAT 114^ (MAT 107)  College Algebra
   - MAT 120^ (MAT 108^)  Trigonometry
   - MAT 122^ (MAT 109^)  Precalculus Mathematics (5)
   - MAT 211^  Applied Calculus
   - MAT 234^ (MAT 124)  Calculus I (4)
   - MAT 234H^ (MAT 124H)  Honors Calculus I (4)
   - STA 215  Introduction to Statistical Reasoning
   - STA 270  Applied Statistics I

3. ARTS AND HUMANITIES.

   Select three hours in Arts courses listed in 3A and three hours in Humanities courses listed in 3B or select six hours in two of four courses listed 3A/B, Integrated Arts and Humanities.

3A. Arts. Three hours required.
   - ART 200^  Art Appreciation
### 4. NATURAL SCIENCES. Six hours required.

Select two courses from the list below that have different course prefixes.

#### Auditing Courses

A student may audit a course (i.e., take it without credit) with the permission of the instructor and the dean of the college involved if the course has been approved to be taken Audit. The Registrar’s Office can verify whether a course is approved to be taken as Audit. After registering for the course as usual, students must obtain the “audit a course” form from the Registrar’s Office, obtain the appropriate signatures and return it to that office, Whitlock 239. Fees are the same as for courses taken for credit. Students enrolled for audit must comply with the attendance policy of the instructor or no course entry will be made on their academic record.

#### Changes to Transcript

Once a degree has been posted to the transcript, changes will not be made to courses or grades that were earned prior to the posting of the degree. Students have one calendar year in which to bring to the Registrar’s attention an error on their transcript. This does not include any challenge based upon an unsatisfactory grade. Refer to the student handbook for the appropriate process for grade challenges ([http://studentaffairs.eku.edu/studenthandbook](http://studentaffairs.eku.edu/studenthandbook)).

#### Credit/No Credit (CR/NC) Coursework

The grade of “CR” (credit) is awarded as recognition of appropriate scores on AP, IB, CLEP or other proficiency exams and prior learning assessment. International coursework transferred to EKU will be recorded as CR/NC. Existing EKU students who complete an EKU-approved/sponsored study abroad program, and have a completed Study Abroad Pre-Approval form on file in the EKU Center for International Education, may receive a regular letter grade for the international coursework taken while participating in the sanctioned study abroad experience.

Undergraduate course work with CR grades may be used to fulfill major, minor, certificate, supporting program, and/or concentration area requirements, (unless explicitly prohibited by the appropriate academic department), to a maximum of 20% of the credit hours required for the academic program. Exceptions to this limit may be authorized by the Dean/Associate Dean of the college offering the program. There is no limit to the number of CR grades that may be used to fulfill the general education requirements.
credit hours used to meet general education areas or to serve as free electives.

**Developmental College Readiness Coursework (Zero-Level):** Each developmental course is numbered 090 or 095. These are institutional-credit courses. Credit hours for a zero-level course do not apply toward graduation; however, zero-level courses do count toward enrollment status for purposes of financial aid eligibility and full-time student status. Grades for 090 and 095 developmental courses include A, B, C, and F. (Note: MAT 098 is a zero-level course but is not a developmental course.)

**Equivalent Courses:** Equivalent or cross listed courses are those in which credit will be earned for just one course. Equivalent courses may or may not be cross-listed in the schedule. Should there be a second enrollment in an equivalent or cross listed course, the student will either be disenrolled from the course or have credit removed at the end of the semester. Upon a change of major, permission for enrollment and credit for the second course, when required in the new major, must be obtained in advance from the college dean of the new major. In that instance, credit for the first taking will be removed.

**Failure Due to Academic Dishonesty (FX):** This grade is a sanction for repeated violations of the Academic Integrity (AI) Policy. The “FX” grade denotes failure in the course due to academic dishonesty and is a permanent grade reflected on the student’s transcript. A student assigned an “FX” grade will not be permitted to drop or withdraw from the course. A student who wishes to repeat a course in which an FX grade was applied may do so for the purpose of rehabilitating his/her GPA. The course may only be repeated at EKU. Repeating an FX course will not remove the FX grade from the student’s transcript.

**Grade Appeals:** If a student believes that the final grade assigned in a course is unjustified, that student should consult the instructor seeking a satisfactory explanation. If, after doing so, the student still feels that the grade is unjustified, the student may appeal the grade, in writing, to the department chair. A written appeal must be filed with the chair within 30 days after the announced deadlines: for fall semester grades—the last day of the regular class session; for spring and summer semester grades—the last day of the regular class session. The appeal must be accompanied by evidence suggesting why the grade should be changed. The appeal should be submitted to the chair within 30 days after the grade report date. The chair will either accept or reject the appeal. If the appeal is rejected, the student may appeal the grade to the college dean of the new major. In that instance, credit for the first enrollment in the course will be removed at the end of the semester. Upon a change of major, permission for enrollment and credit for the second course, when required in the new major, must be obtained in advance from the college dean of the new major. In that instance, credit for the first taking will be removed.

**Incomplete Grade Contract:** When a student has extenuating circumstances that impede him/her from completing a course, an incomplete grade may be awarded. The incomplete grade cannot be used simply because a student has failed to complete the work in the course or as a means of raising the student’s grade by doing additional work after the grade report date. An Incomplete Grade Contract must be initiated by a student (undergraduate and graduate) or faculty member prior to the last day of class when a student requests an incomplete grade. If the instructor agrees that the student has extenuating circumstances beyond his/her control and the instructor agrees to assign an incomplete grade, the instructor will identify on the Incomplete Grade Contract all outstanding assignments and/or conditions needed to complete the course.

A degree cannot be awarded to a student with any incomplete EKU courses on his/her record. Any student who is a pending graduate with unresolved EKU incomplete grades (“I”) will be given the option of either accepting an “F” for the course (or “NC” for unresolved “IP” grades) or being deferred to the next term for graduation consideration. The following procedure applies when an instructor has agreed to assign a grade of “I” for students who are unable to complete the course because of extenuating circumstances.

1. On the Incomplete Grade Contract, the instructor will identify all outstanding assignments and/or other conditions needed to complete the course. The instructor will secure all the necessary signatures. The student’s signature is not required for the contract to be enforced.
2. The Incomplete Grade Contract must be received by the Registrar’s Office no later than 30 days past the deadline for final grade submission. While the faculty will be able to submit the “I” grade through the online grade submission process, any “I” grade that is not accompanied by an Incomplete Grade Contract within 30 days of the advertised final grade submission deadline will be converted to an “F.”
3. A copy of the contract will be mailed to the student by the Registrar’s Office, giving the student a 10 day window in which to decline the incomplete grade.
4. Any student receiving a grade of “I” must coordinate with the instructor to satisfy all outstanding work. However, all outstanding work must be completed by the student and a Grade Change form must be submitted by the instructor to
the Registrar’s Office by the last day of classes of the regular semester (fall/spring) immediately following the term in which the incomplete grade was originally assigned. If a grade change is not submitted by the established deadline, the incomplete will automatically default to a failing ("F") grade.

5. If, due to extenuating circumstances, a student is unable to complete the contracted course work to fulfill the incomplete course by the established time line, the student has the option of requesting a one-time, one semester extension to the incomplete deadline. The student must initiate the request through the instructor before the established deadline. Approval of the extension of an incomplete grade is not automatic and depends on the student’s unique circumstances.

Letter Grades: Grades, which are represented by letters, are given point values as indicated:

*FN/UN: Students who stop attending/participation in online courses and do not resume participation have unofficially withdrawn from the class. This act may have significant financial aid repercussions. EKU is required by the U.S. Department of Education to provide a last date of attendance/participation for such students.

Throughout this Catalog, specific grade requirements are to be interpreted precisely as stated. Thus, if a requirement specifies that a grade of at least “C” is required, a “C-” will not satisfy the requirement. If it is intended that “C-” is to be allowed, “C-” will be listed rather than “C.” This applies to all specific grade requirements.

The grade point average (GPA) is based on those courses in which a student earned grades of “A,” “B,” “C,” “D,” “F,” or “U.”

First-Time Freshmen Mid-Term Grade Review: See Academic Standards, 45.

Submission of Mid-Term Grades: Faculty will provide mid-term grades via the Banner (EKU Direct) system for all students in undergraduate-credit, full-semester courses by the end of the eighth week. In the case of non-standard courses, faculty will enter mid-term grades by the mid-point of the course and before the last day to withdraw from the course, as published on the Colonel’s Compass.

Mid-term grades are not required for the following types of classes: non-gradable laboratory sections, co-op, practicums, and internships.

Military Activation: A student who is called to active duty or whose spouse/legal guardian is called to active duty may be unable to complete courses in which they enrolled. If military activation affects the ability of a student to complete a course, the University provides several options, including withdrawal from the course and/or University or taking an incomplete and completing the course(s) following completion of active duty.

A student who volunteers for military service during a semester makes the decision to join the military instead of being a student, and does so while the semester is in progress, (instead of completing the semester and then joining), is not eligible for Military Withdraw, Military Incomplete, or to receive a grade early in the semester. The spouse of a student who volunteers for military service and cannot complete a semester will not be eligible for Military Withdraw, Military Incomplete, or to receive a grade early in the semester.

Students with military status (Active, Reserves, National Guard) at the beginning of the semester, or spouses of such students, finding it necessary to leave the University because of required active military duty must complete one (1) of the following:

Option 1 – Receive a Grade

1. When military activation occurs after the 12th week of the semester, the instructor has the option of assigning the student a grade in the class based upon work completed. That grade would be submitted during normal final grade submission, and no additional work would be required of the student.

2. The request for assignment of a grade based on coursework completed must be made in writing and must be approved by the Chair of the Department and the Dean of the College in which the course(s) is offered. A copy of activation papers must be attached.

Option 2 – Receive an Incomplete Due to Military Activation

1. The affected student will petition the faculty members to request an assignment of a grade of “IM” in course(s) currently enrolled.

2. If the instructor feels that the portion of the semester remaining, and volume of uncovered material is such that it can be made up in a reasonable amount of time and effort, a grade of ”Incomplete for Military Activation” may be given.

The instructor completes an Incomplete Grade Contract and notes on the contract that this is due to military activation. The student shall provide a copy of the military orders is attached to then Incomplete Grade Contract. The request for assignment of a grade based on coursework completed must be made in writing and must be approved by the Chair of the Department and the Dean of the College in which the course(s) is offered. A copy of activation papers must be attached.

1. The instructor completes an Incomplete Grade Contract and notes on the contract that this is due to military activation. The student shall provide a copy of the military orders is attached to then Incomplete Grade Contract. Without a copy of these orders the student cannot receive the “Incomplete for Military Activation” grade.

4. The Incomplete Grade Contract shall be processed as normal.

5. Once the Registrar’s Office receives a copy of the military orders an “IM” grade will be recorded.

6. The student has two (2) years from the date of military discharge to complete an “IM” grade. The student, upon completion of active military duty, must follow up with the faculty member. If the faculty member is no longer with the University or is on leave from the University, the student should contact the Department Chair for determining how to fulfill the Incomplete Grade Contract. If the student does not
make contact within 2 years of leaving the University, the “IM” turns to a “W.”

7. Upon completion of coursework, the instructor will submit a change of grade form.

Option 3 – Receive a Military Withdrawal from the Course or from the University

1. Students choosing to withdraw from specific courses or from the University must send a letter requesting a withdrawal and enclose a copy of the military activation notification. The letter must include the following information:
   - Student name and Student EKU ID Number
   - A statement that the student wishes to withdraw completely from the University OR listing the individual courses for withdrawal.
   - Student’s signature (mandatory) and the date

2. The Office of the Registrar staff will process the withdrawal which also triggers a 100% refund in all tuition and course fees. Room and board fees will be prorated.

3. If a student requests an incomplete and the faculty declines to grant an “IM,” then the student will have to withdraw.

   For additional information regarding Military Incomplete status please see the Military Activation Web site at: http://www.registrar.eku.edu/registration/military/.

   **Some courses may not allow the best grade to stand if the student has been required to repeat a corequisite lecture, clinical, or lab experience. In those situations it is the most recent grade earned from both co-requisite courses that will be used to calculate the term and cumulative GPA. Courses with these requirements will be identified as such in individual course descriptions found in the back of this catalog.

   Satisfactory-Unsatisfactory (“S” – “U”) Grading System:
   Some courses are approved to be taught exclusively on a “Satisfactory” (“S”) or “Unsatisfactory” (“U”) basis. Each student enrolled in the class will receive either a grade of “S” or “U.” Hours passed under the Satisfactory-Unsatisfactory option will not be used in the computation of GPA’s; however, hours failed (“U”) will be used.

NON-TRADITIONAL ACADEMIC CREDIT

Students who have educational experiences other than university instruction may attempt to earn academic credit through the following learning assessment mechanisms.

A. ACE Credit

   Based upon recommendation of the American Council on Education (ACE), EKU will award credit to individuals who have completed certain non-university experiences, such as workplace or military training. Work evaluated on an ACE transcript as Lower Division will be recorded as 100- or 200-level only. Work evaluated on an ACE transcript as Upper Division will be recorded as 300-level credit. EKU will not award credit from an ACE transcript unless the work has been evaluated as Lower Division or Upper Division. Submit appropriate paperwork to the Registrar’s Office. Students can have a copy of their ACE transcript sent to the Registrar’s Office, Whitlock CPO 58, 521 Lancaster Avenue, Richmond, KY 40475-3158. Students can petition for specific course credit by first contacting the Student Outreach & Transition Office.

B. Credit-By-Examination

1. Credit-by-examination is credit given through documentation and evaluation of learning, knowledge, or skills-based experience.

2. Following are the conditions which apply to receiving credit-by-examination:
   a. Only admitted and active degree seeking EKU students may have credit-by-examination recorded onto an EKU Transcript.
   b. Academic credit earned by external examinations and
challenge tests (such as AP, IB, CLEP®) shall not be considered as credit earned at EKU and will not apply toward the residency credit requirement for an associate or baccalaureate degree.

c. Only credit earned and recorded within a five year window will be considered for EKU academic credit.

d. Credit-by-examination earned at a prior institution and submitted to EKU for review within five years of the exam date will be considered for academic credit.

e. Credit awarded through credit-by-examination which is general in nature, not course-specific, has no inherent guarantee of meeting specific EKU degree requirements, since these are program and college specific decisions.

f. Credit earned by examination is recorded as “CR” and is not assigned a letter grade; it has no effect upon the overall GPA.

g. Proficiency examination credit recorded on an official transcript is eligible for transfer to EKU if it is from a nationally-recognized standardized test, earned at a college or university from which EKU accepts transfer credit, or earned at an EKU-recognized testing site.

h. Departmental or institution specific challenge tests presented on the official transcript of an institution from which EKU accepts transfer credit, or earned at an EKU-recognized testing site.

i. A student may attempt to earn credit-by-examination in a course only once in a six-month period.

j. A student will not receive academic credit for a course-specific College Level Examination Program (CLEP®) or departmental examination in an area in which advanced course work has already been completed, and EKU credit recorded.

k. EKU students attempting a foreign language CLEP exam at the 100-299 level in their native tongue will not have academic credit awarded by EKU.

l. Special fees are assessed for credit-by-examination and must be paid prior to taking an examination. Refer to the Testing Office website for fee information (www.testing.eku.edu/fees).

m. Students seeking to have AP or IB credit recorded on their EKU academic record should have score reports sent to the EKU Office of Academic Testing before they have earned their first 30 credit hours at EKU. AP or IB scores submitted for credit will not be given consideration after students have earned 30 credit hours.

3. Eastern Kentucky University credit-by-examination may be earned through any of the following methods:

a) Advanced Placement Program (APP):

The Advanced Placement Program consists of courses of study and special examinations open to students in high school. The courses are presented during the student’s junior and senior years; and are administered during the month of May. The chart below indicates the manner in which EKU accepts Advanced Placement Program examinations as credit. Updates may be found online at http://www.testing.eku.edu/advanced-placement-program-app

b) **College Level Examination Program (CLEP®):**

The College Board offers a College-Level Examination Program (CLEP®) that includes tests for various subject areas. These tests recognize a student’s comprehensive subject knowledge acquired through independent or prior study. EKU accepts credit for these examinations according to the following guidelines. No credit is given for exams without equivalent courses at EKU. In order to receive credit, a student must complete the Credit-by-Examination...
form available from the Office of Academic Testing, Whitlock, Room 340. Information about the College Level Examination Program (CLEP®) can be found at www.testing.eku.edu/clep. The Office of Academic Testing administers CLEP® tests for currently enrolled EKU students. Please contact 859-622-1281 for testing information. Test administration fee is $25. (Note: the student will pay a $80 fee by credit card to CLEP as they take the online test in the Academic Testing Center.) Updates on fees may be found online at www.testing.eku.edu.

Eastern Kentucky University recognizes and awards academic credit to admitted active EKU students, per the following table of CLEP examination scores. For more details on CLEP credit-by-examination, and how to register for such exams please refer to www.testing.eku.edu.

c) DANTES (Defense Activity for Non-Traditional Educational Support):

EKU allows credit-by-examination for some course work through DANTES testing. Credit will be awarded for those examinations listed below when scores are obtained at the indicated levels. Students need to send their official DANTES score report to the Office of Academic Testing in the Whitlock Building, room 327 for processing of credit. A processing fee is required. Information about DANTES examinations is available at www.testing.eku.edu.

d) Departmental Examinations:

A number of academic departments at Eastern Kentucky University have developed their own examinations for credit as an extension of the CLEP® program. These examinations are similar in nature to the CLEP® exams. EKU does not accept transfer credit coursework given credit through academic department proficiency exams. Enrolled Eastern Kentucky University students interested in attempting to earn credit through departmental examinations should contact the Office of Academic Testing, Whitlock 340. For information on available departmental challenge exams, fees, and procedures for registering may be found at www.testing.eku.edu.

e) International Baccalaureate Credit:

The International Baccalaureate Organization’s Diploma Programme was created in 1968. It is a demanding pre-university course of study that leads to examinations. It is designed for highly motivated secondary school students aged 16 to 19. The program has earned a reputation for rigorous assessment, much like the Advanced Placement (AP) Program. For information regarding the IB program, please visit the website at www.ibo.org. IB credit is awarded by earning the required score in a specific subject area. To receive credit a student must furnish the Office of Admissions with an official IB transcript issued directly from the International Baccalaureate Organization. Course credit awarded through the IB program will apply toward degree requirements. There will not be a specific letter grade associated with the credit earned through IB course work. A designation of CR (credit) will be awarded, and the grade point average will not be affected. Eastern Kentucky University awards credit for IB course work in the following manner:

C. CREDIT FOR PRIOR LEARNING THROUGH PORTFOLIO ASSESSMENT

1. Belief that college-level learning can occur outside of the university/faculty interactions has been firmly established within higher education.

2. Workplace, community, volunteer activities, and military training can supplement and augment a student’s preparation for EKU academic courses and provide a valuable lead into the adult student’s program of study.

3. Portfolio assessment, co-op credit, nationally standardized exams (e.g. College Level Examination Program (CLEP), DANTES Subject Standardized Tests), ACE evaluation, and departmental challenge exams can target specific EKU courses where adult learners can demonstrate course subject mastery and gain academic credit for prior learning experiences.

D. MILITARY CREDITS

EKU will award credit to individuals who have successfully completed military service school courses, as well as award credit for Military Occupational Specialties (MOS’s), based upon recommendation of the American Council on Education (ACE). To receive academic credit at EKU, military credits must be evaluated by ACE with a lower level or upper level college equivalency.

Students may receive Military Science and Leadership course credit and/or credit for PHE 180 for having completed Basic Training (BT) and Advanced Individual Training (AIT). PHE 180 may be used to satisfy the Wellness graduation requirement. Students must submit a copy of their military transcripts or DD Form-214 (Discharge Verification Certificate) through the EKU Veterans Center.

Students can have a copy of their ACE transcript sent from their respective service education centers to the EKU Office of Military & Veteran Affairs, Burnam House, 521 Lancaster Avenue, Richmond, KY 40475.

Army, Navy, USMC, and Coast Guard Veterans can order transcripts online at: https://jst.doded.mil/official.html

Air Force Veterans must request transcripts by letter. Include student’s full name (former name if appropriate), date of birth, social security number, service component, current address, Eastern Kentucky University Veterans Center address and the student’s signature. Send transcript request to: CAF/RRR, 130 West Maxwell Blvd., Maxwell AFB, AL 36112-6613.

PRE-PROFESSIONAL PROGRAMS

EKU has a number of programs that will help prepare students for professional schools following graduation. These schools generally do not require a specific major, provided that their prerequisite courses are taken. All professional schools are highly competitive in their admissions process. Thus, students should aim for strong GPA and professional school admission test scores. Students are encouraged to seek a major that they feel comfortable with, that they have a strong aptitude for, that is interesting and challenging, and that provides additional career options. Students should contact the Center for Pre-Professional Advising as early as possible after enrolling at EKU. The Pre-Professional Advisor will assist the pre-professional student with selecting a major and provide information and advice regarding professional school admissions and requirements.

Descriptions of the following pre-professional programs may be found on the pages noted:

Pre-Dentistry ................................................................. 89
Pre-Law ................................................................. 88
Pre-Medical Science .................................................. 88
Pre-Optometry ......................................................... 89
Pre-Pharmacy .......................................................... 88
Pre-Veterinary .......................................................... 89

Three-Two Curricula: In addition to standard pre-professional curricula, Eastern Kentucky University may approve specially arranged combined curricula. Students approved for these curricula complete the first three years of requirements at EKU. At the end of these three years, they enroll in one of several highly rated professional schools. After the first year of professional study, they transfer the work back in order to secure a Bachelor of Arts or a Bachelor of Science degree from Eastern Kentucky University. This plan may shorten by one year the time needed for obtaining both a baccalaureate and a professional degree.

STUDY ABROAD CREDIT

DUAL DEGREE AGREEMENTS BETWEEN EASTERN KENTUCKY UNIVERSITY AND FOREIGN EXCHANGE INSTITUTIONS

The following policies and procedures shall govern arrangements to award dual degrees to foreign students who attend Eastern Kentucky University and to EKU students who attend foreign exchange institutions under the auspices of exchange agreements or other agreements:

1. The dual bachelor’s degree agreement shall be developed by the deans of participating colleges in cooperation with appropriate representatives from foreign exchange institutions and shall be submitted to the Provost for final approval.

2. The deans and department chairs shall determine exactly which courses need to be taken by the foreign candidates to complete the major in each given field of study, and these courses must be specified. Likewise, they shall determine which courses EKU students must take at the foreign institution to complete their EKU degrees.

3. Dual degree agreements will normally require at least one full academic year in residence at the host institution (25% of the total semester hours) and three years at the home institution (75% of the total semester hours). However, other variations may be approved by the deans of the colleges for their respective colleges.

4. Each institution shall accept all course work from the other either as elective credit or as credit for required courses, based on
International transfer credits from institutions with which Eastern Kentucky University does not have an articulation or exchange agreement are recorded as free elective credits at the lower division level after they have been evaluated by an outside accrediting agency (e.g. World Education Services or Silney and Associates). Students may present supporting documents from transfer courses recorded as free electives to appeal to department chairpersons for departmental credit.

**KENTUCKY GENERAL EDUCATION TRANSFER AGREEMENT**

In an effort to promote a seamless transfer between Kentucky two-year and four-year public institutions, the Kentucky Council on Postsecondary Education (CPE) developed a policy to facilitate the transfer of credits from one Kentucky public college or university to another. This policy, implemented in 1996, and revised in 2011, is called the General Education Transfer Agreement and allows for the automatic transfer of a block of courses to satisfy general education degree requirements, in addition to articulating individual courses as meeting statewide general education categories.

Students transferring to EKU from another Kentucky public college or university may be (1) category certified, or (2) core certified, or (3) fully certified in general education by the Registrar of the school where the course work was taken. EKU will honor any of these designations and is guaranteed to apply the KY public school transferred general education courses into EKU's General Education curriculum in a manner that best serves the transferring student.

The General Education Transfer Agreement also applies to students transferring from EKU to another Kentucky public university. For additional details regarding this agreement please refer to the EKU Student Outreach & Transfer Office (SOTO) ([http://soto.eku.edu/transferstudents](http://soto.eku.edu/transferstudents)) or the CPE website ([http://www.cpe.ky.gov/policies/academicinit/Transfer/](http://www.cpe.ky.gov/policies/academicinit/Transfer/)).

**NOTE:** After initial transfer to EKU, students may not transfer in further general education certifications unless they earn a subsequent AA or AS degree at a KCTCS institution. Students may transfer in further general education certifications after their initial enrollment at EKU, only if they return to a KCTCS institution for a period of at least one semester.

**TRANSFERRING GENERAL EDUCATION COURSES FROM A PRIVATE OR OUT-OF-STATE SCHOOL**

EKU will honor transfer general education courses from regionally accredited out-of-state or Kentucky private colleges and universities. Students may bring in documentation (school catalog listings of courses with relevant general education designations) to the EKU Registrar’s Office. The transfer general education courses will then be applied toward the student’s EKU general education requirements where needed and as appropriate.

**TRANSFER CREDIT EVALUATION PROCESS**

When an acceptable transfer course, which has never been evaluated before, is presented to EKU for consideration, EKU records the course as acceptable for credit but unevaluated. The Transfer Center contacts the student and requests course descriptions and syllabus information for review. The Transfer Center forwards the course description to the appropriate academic department for their review and consideration. The academic department determines whether an exact equivalency, a subject/
discipline elective, or a generic free elective is appropriate depending on course content and learning objectives. In some instances the department will request that the student provide a syllabus in order to evaluate the course. The academic department or Transfer Center can recommend that a course be considered for general education applicability even if an exact equivalency is not awarded. Students wishing to appeal the evaluation of transfer credit should consult with the Student Outreach and Transition Office.

**TRANSFER CREDITS/COURSES**

Currently enrolled students who desire to take courses elsewhere and transfer them back to Eastern Kentucky University should consult with the EKU Transfer Center and also obtain the approval of their college dean prior to enrolling. The University will not take responsibility for courses transferred without prior approval. Students should be aware that there are limits to the number of credit hours a student may earn in any one term (see Academic Load, page 50).

Eastern Kentucky University accepts credit in transfer from other institutions with regional accreditation status. EKU also participates in and subscribes to the principles of the Kentucky Council on Postsecondary Education statewide transfer agreements. EKU accepts credits transferred from all public institutions in Kentucky accredited by SACS, or similar regional accreditation bodies, and will apply them to the general education and program requirements to the maximum extent specified in these agreements. Credits not identified in these agreements will be applied to degree requirements as deemed appropriate. Lower division courses taken at a community or junior college are accepted in transfer as the coursework is evaluated by the EKU content expert.

Eastern Kentucky University will also award credit to students for non-collegiate sponsored instruction and training programs provided an articulation agreement exists between the University and the institutions or organizations providing the instruction. Articulation agreements must be officially approved according to the University policy for such agreements and must be signed by both EKU and the collaborating institutions/organizations. A copy of the signed agreements must be on file in the Office of the Provost (original), the Office of the Registrar, and the Dean’s office of the College which initiated the agreement. Articulation agreements must be in place prior to the non-collegiate instruction or training in order for credit to be considered. In all instances, consideration will only be given to those courses/training programs whose content provides competencies equivalent or comparable to courses and educational experiences offered by EKU.

Credit and grades earned in transfer are posted to the student’s EKU transcript. Students with transfer credit should note that they must successfully complete all their curriculum requirements as well as earn a cumulative and institutional (EKU) GPA of 2.00 in order to graduate with a degree or University certificate from EKU.

Degree-seeking transfer students who have already attained a post-secondary or graduate-level degree will have that earned degree noted in their EKU academic record.

Details of the academic work counting toward a degree earned at another institution will not be posted, course by course, onto the EKU transcript; only the earned degree is recorded from the official transfer school transcript.

**INTERNATIONAL STUDENT TRANSFER CREDIT PRE-APPROVAL**

It is an institutional expectation that once international students are admitted into EKU they are expected to complete their program of study using credit earned only at EKU.

Each EKU international student may submit official transcripts and have recorded in transfer all previously earned appropriate credit from other institutions of higher education, at the time the student is admitted into EKU. After initial admission into EKU an international student, who subsequently wishes to enroll at another institution, for the purpose of earning additional transfer credit, must have prior approval from EKU before accumulating additional transfer coursework.

The Registrar will not record onto an existing international student’s EKU academic record any transfer credit for which the student has not secured prior approval. This prior-approval form serves to notify the College of the student’s major and the Center for International Education of the international student’s intention to enroll at another institution, and to establish the applicability of the anticipated transfer credit toward the student’s major – before the student enrolls at the non-EKU institution.

A maximum of 21 credit hours may be earned by any EKU student, (through any means), in any fall or spring term; dean’s approval (secured on a different form) is required for a student to enroll in 19 through 21 credit hours. During the summer 15 credit hours is the absolute maximum an EKU student may earn; dean’s approval (secured on a different form) is required to enroll in 13 through 15 credit hours.

**UNDECLARED STUDENTS**

If students are academically exploring and are not ready to declare a major, they will be enrolled as an undeclared student. A major should be declared as soon as students decide on their field of interest. Students must officially declare a major prior to registration during the semester in which they register for their 45th hour. Until a major is declared, students’ curriculum will include general education courses appropriate for most baccalaureate programs. In addition, students will be encouraged to take exploratory electives that will allow them to sample disciplines they may like to select as a major.

**WITHDRAWAL**

**WITHDRAWING AND FINANCIAL AID**

Federal Financial Aid regulations require students to earn credit from classes funded by financial aid. Financial aid regulations do not distinguish between receiving a “W” in a course, or an “F” in a course. In both cases tuition is paid with financial aid funds and in both cases the student did not earn credit.

Students, advisors, and instructors should note therefore that multiple withdrawals can impede appropriate progress toward degree and thus negatively impact a student’s ability to retain financial aid.

**IMPORTANT:** Withdrawing from a class may result in the student being responsible for both tuition charges and a late withdrawal fee. Refer to the Colonel’s Compass for tuition refund dates. A class with a “W” grade will count as an attempted class for Federal Financial Aid calculations.

**WITHDRAWING FROM A CLASS**
Students are allowed to withdraw from classes through the 12th week of a full semester. Partial semester classes have pro-rated withdrawal deadlines. See the Colonel’s Compass for all withdrawal deadlines. Whether withdrawing from a single class, a few individual classes, or all withdrawals are executed online through EKUDirect. A student will be assigned a grade of “W” for each withdrawn course, and a “W” will appear on the grade report and transcript.

1. Withdrawal between 2nd Week – 12th Week: A student may officially withdraw from a full-semester course online through EKUDirect from the close of the Schedule Change Period, also called the Add/Drop Period (for full-semester classes the add/drop period is the 1st week of class), through the end of the 4th week of a regular (fall/spring) semester with no withdrawal fee applied.

   Beginning with the fifth week of the term, and until the end of the twelfth week of full-semester classes, students will be assessed a $50 per credit hour fee after withdrawing from a course (up to a maximum of $150 for a typical 3 credit hour course).

   WARNING: The Add/Drop Period and the withdrawal period for partial-semester classes can be significantly shorter. Always refer to the Colonel’s Compass website for all drop and withdrawal deadlines.)

2. Late Withdrawal Petitions: After the withdrawal deadline has passed only students who are the victim of extraordinary circumstances may request a late withdrawal. The deadline for filing a petition for withdrawal under extraordinary circumstances is the last day of the full semester following the term from which the student is seeking withdrawal. The student should complete a withdrawal petition form (available from the Registrar’s website) and should include justification and documentation for the withdrawal. If approved, the Registrar will assign the grade of “W” and will notify the instructor of the class. For details refer to the Registrar’s website (www.registrar.eku.edu).

   All course withdrawals approved by the Compassionate Withdrawal Committee will be assessed a $50 per credit hour fee, to a limit of $150 per course. The Compassionate Withdrawal Committee is not authorized to consider any appeals of the $50 per credit hour course withdrawal fee. Only the Office of Student Accounting Services may consider late withdrawal fee appeals.

   Students who are assigned a grade of “F” or “FX” in a course due to academic dishonesty will not be permitted to withdraw from the course.

3. Withdrawal Deadlines for Partial Semester and Summer Classes: Specific calendar dates for withdrawal deadlines for partial semester and summer classes are available on the EKU Web site (see Colonel’s Compass). The withdrawal deadline for all courses should be printed on course syllabi, are published in the Colonel’s Compass, and also may be obtained by contacting the Registrar’s Office. Refer to Section 3 of this Catalog for the University’s Tuition Refund Policy.

Withdrawals due to exceptional situations

When physical or mental illness, or other extraordinary circumstances, intrude upon a student’s ability to successfully meet the requirements of his or her course of study, such that the student is unable to avail themselves of standard methods for withdrawing from the University, per the above described timeframe, the student may complete a request for a Medical Withdrawal or a Compassionate Withdrawal.

Compassionate Withdrawal

After the twelfth week, a student who is the victim of extraordinary circumstances which do not qualify him/her for a Medical Withdrawal may petition for a late withdrawal from the University. The student must appeal to the Compassionate Withdrawal Committee through the Registrar’s Office. The deadline for filing a petition for withdrawal under extraordinary circumstances (Compassionate Withdrawal) is the last day of the full semester following the term from which the student is seeking withdrawal. The student must complete a Withdrawal Petition Form and should include justification and documentation for the withdrawal. If approved by the committee, the Registrar will assign grades of “W” and will notify the instructors of the class. For forms and more details, refer to the Registrar’s website (www.registrar.eku.edu).

Medical Withdrawal

Students may request a Medical Withdrawal from EKU when serious physical or mental health issues prevent the student from continuing with coursework in the current semester. The severity and duration of the medical problems must be such that it would be
unreasonable to expect the student to make up missed class work. A Medical Withdrawal is appropriate only when “incompletes” or other arrangements with instructors are not possible. A request for a medical withdrawal can only be considered when the request is to withdraw from all classes in the current semester and will not be granted if final exams have been taken for that semester. This policy does not address withdrawal from individual classes.

Requests for a Medical Withdrawal require thorough and credible documentation by the appropriate healthcare provider. Details regarding the process and standards for approval are found on the Registrar’s website: [http://registrar.eku.edu/withdrawal-information](http://registrar.eku.edu/withdrawal-information). The deadline for filing a petition for a Medical Withdrawal is the last day of the term from which the student is seeking withdrawal.

If the request to take a medical leave of absence is due to physical issues, the appropriate documenting healthcare provider is a licensed medical practitioner with knowledge of the student’s past medical history and who is presently working with the student to resolve current physical health issues. The medical practitioner should be the student’s primary health care provider at the time of the request for Medical Withdrawal, and should not be a family member. If the medical situation involves emergency hospitalization, documentation from the emergency room physician or hospitalist is required in lieu of the preceding information.

If the request is due to mental health reasons, the appropriate documenting healthcare provider would be a licensed psychiatrist, psychologist or counselor with knowledge of the student’s past mental health history and who is presently working with the student to resolve the current mental health problems and should not be a family member. Taking a Medical Withdrawal of at least one full semester away from the University will enhance the likelihood of success upon the student’s return.

The student will be obligated to adhere to the requirements for returning from a medical leave (see details on Registrar’s website: [http://registrar.eku.edu/withdrawal-information](http://registrar.eku.edu/withdrawal-information)). The student is expected to provide documentation that the physical or mental health condition has been treated and symptoms that required withdrawal from the University are sufficiently resolved to allow the student to return to the University.

A Medical Withdrawal is designed for academic purposes, not financial purposes; it allows the student the opportunity to protect his/her academic standing with the University by preventing the student from failing all courses for that semester. Providing that the requested withdrawal is approved, tuition charges will be adjusted if applicable and based on the regular, published, refund guidelines for all classes, effective as of the date the completed withdrawal form was received by the Registrar’s Office.

For details on the process to request a Medical Withdrawal refer to the Registrar’s website at [www.registrar.eku.edu](http://www.registrar.eku.edu).

**Involuntary Medical Withdrawal**

Eastern Kentucky University may place a student on an Involuntary Medical Withdrawal for reasons of personal or community safety. The University may require a student to take medical leave of absence, if in the judgment of the Student Assistance & Intervention Team (SAIT), and in coordination with the Director of Student Health Services and/or the Director of the EKU Counseling Center, the student, (a) poses a threat to the lives or safety of himself/herself or other members of the EKU community or (b) has displayed behaviors associated with a medical or mental health condition that seriously interferes with the student’s ability to function and/or seriously interferes with the educational pursuits of other members of the EKU community. Detailed information regarding the process for determining the necessity of an Involuntary Medical Withdrawal can be found on the Registrar’s website: [www.registrar.eku.edu](http://www.registrar.eku.edu).

**Military Withdrawals from the University**

See Military Activation section on page 56.

**Stopping Out and Returning to EKU**

Students who either stop out* or officially withdraw** and are academically eligible to return to the University, may return to the University without reapplying if they have been gone for 24 or fewer months and have an overall GPA of 2.0 or higher. Students who have stopped out or withdrawn and have a GPA of less than 2.0 must apply for readmission and will be held to EKU readmission criteria (please refer to Requirements for Readmission section of the Catalog). All regular registration deadlines apply to stop-out students, and they should contact their last assigned advisor, or department chair of their major, to schedule an advising appointment in preparation for their return to EKU. To register for classes, students can log in to their EKU Direct account. Students with a registration hold must contact the office that applied the hold and have the hold removed before they will be able to register.

Students who stop out or are withdrawn for more than 24 months must be formally readmitted to the University by submitting a readmission application to the Office of Admissions. Refer to Section Two of this Catalog for details regarding readmission. The academic record for withdrawn students must be reactivated before they can once again register for classes.

All students who have attended another college/university since attending Eastern Kentucky University, regardless the length of their absence, must submit college transcripts.

*A student who completes a semester at Eastern Kentucky University but does not return for the following term is considered to have “stopped out.” Students must be on good academic standing to qualify for stop out.

**Students who have received a “W” grade in all classes during a semester are considered to have “withdrawn” from the University.

**Wellness Requirement**

Every student seeking a first baccalaureate degree must successfully complete the Wellness Requirement. Students who enter the University with a baccalaureate degree from a regionally accredited university are exempt from the Wellness requirement.

The goals of Wellness courses are: for students to comprehend basic wellness concepts and facts; demonstrate the ability to evaluate health information and resources; analyze interrelationships among wellness dimensions (psychological, social, physical, spiritual), and among societal, cultural, economic and environmental factors and wellness; integrate wellness knowledge and make informed wellness choices. Physical education activity courses do not fulfill the above Wellness learning goals and therefore will not meet the Wellness requirement.

Students who are Veterans can satisfy their Wellness Requirement and obtain credit for PHE 180 by submitting their
military service transcripts to the EKU Veterans Affairs Office. For further information contact EKUVeteransAffairs@eku.edu or call 859-622-2345.

The Wellness course options are listed on each student’s degree audit report. Wellness courses available each semester may be viewed via the online schedule by selecting all courses in the “Subject” box and Wellness courses in the “Attribute” box.

WRITING INTENSIVE COURSES

Every student seeking a first baccalaureate degree must successfully complete one writing intensive course following completion of General Education Element IB. Writing intensive courses may be general education courses as well as major or supporting courses. Students who enter the University with a baccalaureate degree from a regionally-accredited university are exempt from the writing-intensive requirement.

Writing-intensive courses are designated with the suffix “W” following the course prefix and number (e.g., HUM 300W). W and non-W versions of the same course (e.g., HUM 300W and HUM 300) are considered equivalent for the purposes of satisfying course requirements for prerequisites, major courses, minor courses, and supporting courses. Credit will not be awarded for W and non-W versions of the same course. A previously-taken non-W version of a course will not be used to satisfy the writing intensive baccalaureate degree requirement.

Writing Intensive Courses Available:

Writing intensive course options are listed on each student’s degree audit report. The writing intensive courses available each semester may be viewed via the online schedule by selecting all courses in the “Subject” box and writing intensive courses in the “Attribute” box.
(See Section 7 of this Catalog for complete course descriptions.)

Section Six - Academic Programs

Degrees Awarded

Eastern Kentucky University confers the following degrees:

**Associate:**
- Associate of Applied Science (AAS)
- Associate of Arts (AA)
- Associate of General Studies (AGS)
- Associate of Science (AS)
- Associate of Science in Nursing (ASN)
- Associate of Science in Paramedicine (ASP)

**Baccalaureate:**
- Bachelor of Arts (BA)
- Bachelor of Business Administration (BBA)
- Bachelor of Fine Arts (BFA)
- Bachelor of Individualized Studies (BIS)
- Bachelor of Music (BM)
- Bachelor of Social Work (BSW)
- Bachelor of Science (BS)
- Bachelor of Science in Nursing (BSN)

**Specialist:**
- Specialist in Education (EdS)
- Specialist in Psychology (PsyS)

**Master:**
- Master of Arts (MA)
- Master of Arts in Education (MAEd)
- Master of Business Administration (MBA)
- Master of Fine Arts (MFA)
- Master of Music (MM)
- Master of Public Administration (MPA)
- Master of Public Health (MPH)
- Master of Science (MS)
- Master of Science in Nursing (MSN)

**Doctoral:**
- Doctor of Clinical Psychology (PsyD)
- Doctor of Education (EdD)
- Doctor of Nursing Practice (DNP)
- Occupational Therapy Doctorate (OTD)

Degree Programs

Eastern Kentucky University offers the following programs which are registered with the Kentucky Council on Postsecondary Education. Many of these programs include approved options designed to provide a background tailored for students’ individual needs. At the undergraduate level, these options are presented with the program descriptions in this Catalog. Options at the graduate level are found in the Graduate Catalog.

EKU Undergraduate Certificates and Professional Certification/Endorsement Programs

1. EKU Departmental Level Certificates — These certificates are awarded by the individual academic department, not the University.
   - African/African-American Studies
   - Basic Emergency Medical Technician
   - Corporate Communication
   - Emergency Management
   - Financial Literacy
   - French Conversation and Culture
   - German Conversation and Culture
   - Japanese Conversation and Culture
   - Post Masters Nursing Administration
   - Post-Graduate APRN-Psychiatric Mental Health Nurse Practitioner-Family
   - Labor and Employment
   - Post-Masters Psychiatric Mental Health Nursing Practitioner-Family Certificate
   - Productivity, Innovation and Technology
   - School Safety
   - Spanish Conversation and Culture
   - Veterans Studies
   - Women and Gender Studies

2. EKU University Level Certificates — These certificates are awarded by the University, and students receive a formal certificate produced in the same manner as a degree diploma. Students completing these programs must apply for graduation and are assessed a graduation fee. Students earning only certificates do not receive caps and gowns and do not participate in the commencement ceremony. The university graduation fee partially offsets the production and mailing of diplomas and certificates. The University absorbs cap and gown costs for degree earners. Application deadlines for completing university certificates follow the same time line as degree graduation.
   - Accounting*
   - Autism Spectrum Disorders
   - Correctional Intervention Strategies
   - Emergency Management
   - Geographic Information Systems
   - Homeland Security
   - Industrial Fire Protection
   - Industrial Hygiene
   - Intelligence and Security Operations
   - Land Surveying
   - Post-Graduate APRN Certificate-Family Nurse Practitioner
   - Post-Graduate APRN Certificate-Psychiatric Mental Health Nurse Practitioner
   - Paralegal Science*
   - Youth Services

3. Professional Certification and Endorsement Preparation Programs — These are programs of study which do not lead to a degree or to an EKU awarded recognition but instead prepare the student, upon recommendation from EKU, for professional endorsement or certification by the Commonwealth of Kentucky Education Professional Standards Board.
   - Agriculture Education Teaching
   - Career and Technical Education
   - Career and Technical School Principal
   - Dance (Minor in Dance Certification - Teaching)
   - Driver Education (teaching certification endorsement)
   - School Safety Endorsement
   - Teaching English as a Second Language (teaching certification endorsement)

*Post-Bacc. Acceptance into this program requires that the student has already earned a baccalaureate degree. For more details, see the relevant department’s sections of this Catalog or contact the department offering the certificate.

Note: This list may not be all-inclusive. For a comprehensive list of EKU certifications concerning teaching, please see the College of Education.
Eastern Kentucky University offers students the opportunity to earn a variety of degrees and/or certificates through EKU Online. These are well established EKU academic programs provided through online interactions, discussion boards, and engaging interactive and multi-media learning methodologies.

While the EKU Online student will have a program coordinator through the academic department offering their desired degree/certificate, EKU’s Office of e-Campus Learning serves as the primary contact for admission, financial aid, registration, degree audit, and general advising questions; centralizing all student services crucial to the distance-learning student. More information can be found at www.onlinedegrees@eku.edu.

STATE AUTHORIZATION COMPLIANCE REQUIREMENTS BY STATE

ALABAMA

TEACHER EDUCATION PROGRAMS: Applicants for an Alabama certificate based on reciprocity must meet Alabama’s test requirements and submit a valid, renewable professional educator certificate/license issued by another state at the degree level, grade level, and in the teaching field or area of instructional support for which an Alabama certificate is sought and for which an Alabama certificate is sought and for which Alabama issues a certificate. Applicants for Alabama certification in an area of administration must also document at least three years of full-time employment as an administrator in a P – 12 school system(s). See www.ahd.de.edu

NURSING: State approval of a program to offer Alabama licensed nurses opportunities for advanced degrees does not indicate eligibility for approval to practice as an advanced practice nurse in Alabama. Applicants for approval in Alabama are required to meet the Alabama requirements for national certification, graduation from a specific-type program for the advanced practice approval, and completion of the appropriate application. Any program offering a pre-licensure track to Alabama students shall meet the requirements of the Alabama regulations for pre-licensure programs or the graduates may not be eligible to take the licensure examination required by the Alabama Board of Nursing to enter the practice. See www.ahd.alabama.gov

INDIANA

This institution is authorized by:
The Indiana Board for Proprietory Education
101 W. Ohio Street, Suite 670
Indianapolis, IN 46204-1984

MINNESOTA

REGISTRATION DISCLOSURE: Eastern Kentucky University is registered as a Private Institution with the Minnesota Office of Higher Education pursuant to sections 136A.61 to 136A.71. Registration is not an endorsement of the institution. Credits earned at the institution may not transfer to all other institutions.

DEGREE STANDARDS: The General Education Standards for EKU’s Associate of Art and Bachelor of Art degrees are different from Minnesota’s Degree Standards for General Education. In most circumstances Minnesota students should have enough elective courses to meet Minnesota’s Degree Standards but some students may be required to take additional courses to meet these standards. Minnesota students should review these degree standards at http://www.ohe.state.mn.us/mPg.cfm?pageID=201

NEW MEXICO

5.100.2.19 QUALIFICATIONS OF STUDENTS FOR ADMISSION:

A. No student shall begin a certificate or diploma program who has not received a high school diploma or the equivalent or who has not demonstrated ability to benefit from the program through a process of assessment that meets standards of the U.S. department of education or the department or who is participating in a concurrent enrollment program with a secondary school.

B. Institutions enrolling students who are of compulsory school age or who are concurrently attending an elementary or secondary school shall have in their possession a signature or other written confirmation by elementary/secondary officials or by the student's parent or guardian that it is in the best interest of the student to be enrolled.

C. Institutions using an ability-to-benefit admission option shall provide the department with a clear and detailed statement describing their ability-to-benefit assessment programs (including cut off scores and validity data for any test used) and shall be able to demonstrate that ability-to-benefit assessment is performed in a consistent and valid manner.

D. No student shall be admitted to an associate degree or baccalaureate degree program who has not received a high school diploma or the equivalent.

E. No student shall be admitted to a graduate degree program who has not received a baccalaureate degree from an institution accredited by an agency recognized by the U.S. department of education, or received a baccalaureate degree from a non-accredited institution licensed by the department or by the cognizant state agency in another state, or qualified in an alternative manner approved by the department.

F. An institution shall in its catalog or other appropriate materials provide prospective students with a description of the criteria and methods used to admit or reject students and methods used to assess their ability to complete program requirements.

G. An institution shall periodically perform an analysis demonstrating the relationship between (a) its system for assessing ability to benefit and (b) the likelihood of students successfully completing a program at the institution. Such analyses shall be prepared in a manner acceptable to the department and a report of each analysis shall be provided to the department.

5.100.2.20 PAYMENT OF TUITION AND FEES; REFUNDS OF TUITION AND FEES:

A. Cooling off period. Any student signing an enrollment agreement or making an initial deposit or payment toward tuition and fees of the institution shall be entitled to a cooling off period of at least three work days from the date of agreement or payment or form the date that the student first visits the institution, whichever is later. During the cooling off period the agreement can be withdrawn and all payments shall be refunded. Evidence of personal appearance at the institution or deposit of a written statement of withdrawal for delivery by mail or other means shall be deemed as meeting the terms of the cooling off period.

B. Refunds prior to commencing instruction. Following the cooling off period but prior to the beginning of instruction, a student may withdraw from enrollment, effective upon personal appearance at the institution or deposit of a written statement of withdrawal for delivery by mail or other means, and the institution shall be entitled to retain no more than $100 or 5% in tuition or fees, whichever is less, as registration charges.

(1) In the case of students enrolling for non-traditional instruction, a student may withdraw from enrollment following the cooling off period, prior to submission by the student of any lexon materials and effective upon deposit of a written statement of withdrawal for delivery by mail or other means, and the institution shall be entitled to retain no more than $100 or 5% in tuition or fees, whichever is less, as registration changes or an alternative amount that the institution can demonstrate to have been expended in preparation for the student's enrollment.

(2) Upon request by a student or by the department, the institution shall provide an accounting for such amounts retained under this standard within five work days.

C. Refunds following commencement of instruction. An institution licensed by the department shall adhere to either the following tuition refund schedule or to a schedule established by the institution’s accrediting body and recognized by the U.S. department of education. Exceptions may be made on a case by case basis by the department or its designee.

D. A student may withdraw after beginning instruction or submitting lexon materials, effective upon appearance at the institution or deposit of a written statement of withdrawal for delivery by mail or other means. In accordance with the most recent U.S. department of education guidelines, the institution shall be entitled to retain, as registration changes, no more than $100 or 5% of tuition and fees, whichever is less. Additionally, institutions are eligible to retain tuition and fees earned and state gross receipts taxes at a pro-rata amount according to the following schedule, as outlined by the U.S. department of education:

<table>
<thead>
<tr>
<th>Date of student withdrawal as a % of the enrollment period for which the student was obligated</th>
<th>Portion of tuition and fees obligated and paid that are eligible to be retained by the institution</th>
</tr>
</thead>
<tbody>
<tr>
<td>On 1st class day</td>
<td>0%</td>
</tr>
<tr>
<td>After 1st day; within 10%</td>
<td>10%</td>
</tr>
<tr>
<td>After 10% within 25%</td>
<td>50%</td>
</tr>
<tr>
<td>After 25% within 30%</td>
<td>75%</td>
</tr>
<tr>
<td>50% or thereafter</td>
<td>100%</td>
</tr>
</tbody>
</table>

E. “Enrollment period for which the student was obligated” means a quarter, semester, or other term of instruction followed by the institution which the student has begun and for which the student has agreed to pay tuition.

F. Tuition/fee refunds must be made within 30 calendar days of the institution receiving written notice of a student’s withdrawal or of the institution terminating enrollment of the student, whichever is earlier.

G. Upon request by a student or the department, the institution shall provide an accounting for such amounts retained under this standard within five workdays.

H. The institution’s payment and refund policies shall be clearly articulated in the
institution’s catalog and as part of all enrollment agreements.

1. Tuition and fee charges shall be the same for all students admitted to a given program for a given term of instruction. An institution may not discount its tuition and fees charged to individual students as an incentive to quick enrollment or early payment. An institution may negotiate special rates with business, industrial, governmental, or similar groups for group training programs and may establish special rates for students who transfer between programs. An institution may charge a reasonable carrying fee associated with deferred or time payment plans.

2. In the case of vocational/technical/occupational programs, an institution shall be able to demonstrate that its tuition and fees for completing each program are reasonable in relation to the earnings that a graduate or completer of the program can be reasonably expected to earn.

5.100.2.25 COMPLAINTS AGAINST THE INSTITUTION:

A. An institution licensed by the department shall have and make available to all students a written procedure that describes in detail how students or other parties may register a complaint or grievance, how the institution will investigate the complaint, and how the institution will attempt to resolve the complaint. Such policies shall at a minimum include the following components:

(1) requirement that students or other parties with complaints or grievances against an institution first seek to resolve their complaint or grievance directly with the institution;
(2) a time frame within which the institution will investigate the complaint and respond to the complainant;
(3) assurance of the involvement of a person who will serve as an impartial representative of the institution but not be directly involved in the area of the complaint;
(4) assurance that no adverse action will be taken against the complainant for registering the complaint; and
(5) identification of the higher education department as the agency to be contacted in cases where a complaint cannot be resolved.

B. The institution shall maintain adequate records of all complaints and their resolutions for a period of not less than three years.

C. Complaint to the department. A student or other party not satisfied with an institution’s resolution of a complaint may submit a complaint to the department in writing on a form provided by the department. A student must file a complaint with the department within three (3) years of his/her last date of enrollment.

D. Upon receipt of a written complaint, the department or its authorized representative shall verify that the complaint involves one or more standards for licensure of the institution and is therefore a legitimate subject of complaint to the department. If the complaint is determined to be legitimate, the department or its authorized representative shall forward the complaint to the institution for a written response and shall encourage resolution of the complaint between the student and the institution. The institution shall have thirty (30) days to forward its response to the department. A copy of the institution’s response will be forwarded to the student with a request that the student indicate satisfaction or dissatisfaction with the response.

E. In attempting to resolve a verified complaint, the department or its authorized representative may, but is not obliged to, convene a hearing and shall give written notice to the institution and to all persons involved, regarding the time, date, and place of the hearing. Such hearings, if held, shall be informal and for the purpose of determining the facts surrounding the claim and, if the claim is correct, to effect a settlement by persuasion and conciliation.

F. In the event that the party complained against refuses to attend the hearing or effect the settlement of any claim determined by the department to be correct, the department shall invoke its powers to take such action as shall be necessary for the indemnification of the claimant.

OREGON

Online students residing in Oregon are eligible for refunds pursuant OAR 583-030-0035(18) (c): After classes begin for a term, a student who withdraws from a course is eligible for a partial refund through the middle week of the term. Refunds shall be based on unused instructional time and shall be prorated on a weekly basis for schools using a semester, quarter or nontraditional calendar.

Terms that are 17 weeks in length require a refund through week 9.
Terms that are 10 weeks in length require a refund through week 5.
Terms that are 8 weeks in length require a refund through week 4.
Terms that are 5 weeks in length require a refund through week 3.
Terms that are 2 weeks in length require a refund through week 1.

Partial refunds will occur through the middle week of any given term, and prorated on a weekly basis as stipulated above.
The Office of Academic Affairs

Dr. Janna P. Vice, Provost and Vice President for Academic Affairs

Coates 108
(859) 622-8812

www.academicaffairs.eku.edu

OFFICE OF THE PROVOST & VP
FOR ACADEMIC AFFAIRS

The Provost and Vice President for Academic Affairs serves as the chief academic officer of the University. The Provost and Vice President is responsible to the President for the coordination of all phases of the instructional program and institutional research. In addition, the Provost and Vice President for Academic Affairs supervises the preparation of position specifications for instructional staff and administrative personnel connected with instructional activities; makes recommendations to the President concerning staffing needs and appointments, promotions, or dismissals for all instructional personnel and administrative personnel related to instruction; and, as the person responsible for the coordination and development of all academic programs, serves as chair of the Council on Academic Affairs.

ACADEMIC READINESS AND TESTING

Ms. Kathy Williams, Director
Whitlock Building 326
(859) 622-2306

The Office of Academic Readiness and Testing plans, implements and supports programs and services for students transitioning from high school or the workplace to the University, as well as new and continuing students seeking improve academic performance.

Academic Readiness and Testing encompasses Developmental Education, College Readiness, Academic Testing, Tutoring, and Eastern Bridge freshman transition programming. The unit provides program coordination, academic improvement, and transition and testing services that support the goals of current and potential students, as well as the University community. Services allow students to build needed skills and/or demonstrate knowledge base for admission to the University or University programs. The unit also provides assessment to ensure appropriate course placement to maximize student success, and coordinates tutoring efforts across campus.

Developmental Education and College Readiness helps students achieve academic success by developing or enhancing skill level proficiencies. The program provides opportunities for skill development through courses and programs designed to improve essential skills in writing, reading and mathematics, as well as via tutoring services. Additional information about Developmental Education and College Readiness may be found at www.developmentaleducation.eku.edu.

Academic Testing is responsible for the coordination, administration, and planning of academic assessments that are requested by the University and educational community. The types of testing provided by the office include national tests, state assessments, and locally developed exams. Special need accommodations are available upon request. Additional information about Academic Testing may be found at www.testing.eku.edu.

College Readiness programs and services transition students to the University and provide new and continuing students with support for academic success. Programs and services include the First Step to College Success program, advising for Special Admissions students, tutor training, and tutoring coordination. Additional information about these programs and services may be found at http://www.transition.eku.edu/

COUNCIL ON ACADEMIC AFFAIRS

Dr. Janna P. Vice, Council Chair

The Council on Academic Affairs is the major policy-making body for the academic programs of the University. All college curriculum committees report to the Council. Major actions of the Council are reviewed by the Faculty Senate and subsequently presented to the President of the University and the Board of Regents for final approval. Council membership is comprised of the Deans, or their designees; the Registrar; the Chair of the Faculty Senate; the Director of Academic Advising; the Director of the Honors Program; a representative of the Chair of Chairs Association; a faculty representative from the Academic Quality Committee of the Faculty Senate; two student representatives from the Student Government Association; and the Associate Provost for Diversity Planning (non-voting), the Associate Vice President of Student Affairs and Dean of Students (non-voting), the Associate Vice President and Dean of Enrollment (non-voting),
and the Director of Admissions (non-voting). The Provost and Vice President for Academic Affairs serves as Chair of the Council.

**Graduate Education and Research**

Dr. Jerry Pogatshnik, Associate Vice President of Research and Dean of Graduate Education

Dr. Jaleh Rezaie, Associate Dean

Whitlock Building 310

(859) 622-1742

The Office of Graduate Education & Research is comprised of the Graduate School, the Division of Sponsored Programs, the Division of Natural Areas and the McNair Scholars Program. The Graduate School is responsible for the administrative oversight of EKU’s master’s specialist and doctoral programs. The Graduate School provides opportunities for undergraduate students to get a head start in obtaining a graduate degree though our concurrent enrollment and 3+2 programs. Interested students are encouraged to contact the Graduate School for more information. Additional information is also posted on the Graduate School website at gradschool.uky.edu

The Division of Sponsored Programs assists EKU faculty and staff in seeking and managing grants, contracts, and other agreements that support EKU’s mission. The Division of Sponsored Programs is also responsible for managing the university’s research compliance programs including review of the use of human subjects or animals in research and responsible conduct of research by faculty, staff and students. Information is available on the Sponsored Programs website at www.research.uky.edu.

The Division of Natural Areas and McNair Scholars program are described below.

**Natural Areas**

Dr. Melinda Wilder, Director

Dr. Stephen Richter, Associate Director for Research

New Science Building 3106

(859) 622-1476

Eastern Kentucky University owns three natural areas: Lilley Cornett Woods Appalachian Research Station (Letcher County), Maywoods Environmental and Educational Laboratory (Garrard and Rockcastle counties), and Taylor Fork Ecological Area (Madison County). The Division of Natural Areas is responsible for stewardship and management of these areas as well as coordinating research, K–16 educational programs, public outreach, and use of these areas. All three natural areas are actively used for education and scientific research by faculty and students of the University and other institutions. The Natural Areas are available for use by the general public for passive recreation activities such as hiking, fishing, and wildlife photography.

Lilley Cornett Woods, the oldest and most studied tract of old-growth forest in eastern Kentucky, is a Registered Natural Landmark (U.S. Department of Interior) and is operated as a nature preserve. Onsite facilities include a visitor center, manager’s home, outdoor teaching pavilion, maintenance building, research laboratories, and housing. Public use is limited to guided tours in this unique forest.

Maywoods Environmental and Educational Laboratory is used extensively by the University and elementary and secondary schools for environmental education and for academic year and summer courses. This 1700-acre forested natural area, including a 13-acre lake, is a wildlife refuge that provides protective habitat for native wildlife through approved wildlife management practices. Onsite facilities offer an excellent off-campus venue for meetings and workshops. Facilities include a lodge with classroom and sleeping space, manager’s home, outdoor classroom shelter, amphitheater, and maintenance building. The site is open to the public for fishing, and hiking on any of the six self-guiding trails.

Taylor Fork Ecological Area is 60-acre site near EKU’s main campus in Richmond. The Area’s habitat is primarily old pastureland with fencerow strips of trees and small patches of woods and canebrakes. Developed as a site for experiential learning, research, and restoration, Taylor Fork was conceived by students in EKU’s Wildlife Management Program. The site currently has no facilities and is open to the public for hiking on the designated trails.

In addition to managing EKU’s properties, the Division of Natural Areas houses the Center for Environmental Education. The Center is involved in a variety of community and educational outreach programs through the University, public school districts, and the Kentucky University Partnership for Environmental Education, which includes all eight state universities and the Kentucky Community and Technical College System.

For further information about the use and availability of EKU’s Natural Areas for research, education, leisure or educational programming, please call (859) 622-1476 or visit the website, www.naturalareas.uky.edu.

**Honors Program**

Dr. David W. Coleman, Interim Director

Case Annex 168

(859) 622-2924

The mission of the EKU Honors Program is to provide its students with the best intellectual resources available at the university in order to empower them to attain their highest academic and professional goals. We develop the whole student by way of our interdisciplinary, small classes, our support of student research and travel to regional and national conferences, and our offering of a wide variety of cultural and out-of-classroom experiences.

Regardless of the student’s major, the courses taken in the Honors Program will apply to the student’s general education and university requirements; participation in the EKU Honors Program should not delay a student’s progress to degree. Any honors student who successfully completes the minimum required hours of honors coursework and graduates with a cumulative grade point average of at least 3.0 will qualify as an “Honors Scholar.” The University will recognize this achievement at commencement, on the academic transcript, and on the student’s diploma, where the phrase “Honors Scholar” will appear.

For information about eligibility and admissions to EKU Honors, consult our website (www.honors.uky.edu) or contact us at (859) 622-2924.

**EKU Honors Curriculum**

Students enter the EKU Honors Program under one of three curriculum tracks. Students entering EKU Honors in their first semester of college will complete either the Honors Flex or the
Honors Core curriculum. Students who enter their first semester of college with six or more credit hours of AP, IB, or dual credit, or those students who declare certain majors, will be placed in the Honors Flex curriculum. Students entering their first semester of college with fewer than six credit hours of prior coursework or who are not declaring an applicable major will be placed in the Honors Core curriculum. Honors Program advisors will assist students in making this distinction.

The Honors Flex curriculum requires 25 hours of Honors coursework, designed to complement the credits the student is bringing into EKU. The Honors Core curriculum requires 34 hours of Honors coursework and allows students to complete their General Education and University Requirements (excluding the Wellness requirement) in six fewer hours than other students. Both curriculum tracks begin with Honors Seminar (HON 100) and Honors Rhetoric (HON 102/103) and end with the Honors Thesis (HON 420).

Students entering EKU Honors as a currently enrolled EKU student or as a transfer student are placed in the Current & Transfer Track, and students entering as an incoming EKU student or as a transfer student are placed in the Current & Transfer Track, and students entering as an incoming EKU student or as a transfer student are placed in the Honors Core curriculum. Students who enter their first semester of college with six or more credit hours of AP, IB, or dual credit, or those students who declare certain majors, will be placed in the Honors Core curriculum. Students entering their first semester of college with fewer than six credit hours of prior coursework or who are not declaring an applicable major will be placed in the Honors Core curriculum. Honors Program advisors will assist students in making this distinction.

Students entering their first semester of college with fewer than six credit hours of prior coursework or who are not declaring an applicable major will be placed in the Honors Core curriculum. Honors Program advisors will assist students in making this distinction.

The Honors Core curriculum requires 34 hours of Honors coursework and allows students to complete their General Education and University Requirements (excluding the Wellness requirement) in six fewer hours than other students. Both curriculum tracks begin with Honors Seminar (HON 100) and Honors Rhetoric (HON 102/103) and end with the Honors Thesis (HON 420).

Imagine that none of the following Chautauqua Lecturers had ever visited our campus: Kwame Anthony Appiah, Chuck D, Angela Davis, Richard Dawkins, Michael Eric Dyson, Sylvia Earl, Daniel Ellsberg, The American Spiritual Ensemble, Eric Foner, Robert George, Carol Gilligan, Temple Grandin, Brian Greene, Tyrone Hayes, Deidre McCloskey, Irshad Manji, N. Gregory Mankiw, Eric Metaxas, Richard Muller, R. Carlos Nakai, Martha Nussbaum, Richard Rodriguez, Peter Singer, Ben Sollee, Nadine Strossen, Ron Suskind, Trinh T. Minh-Ha, and Kenji Yoshino. The intellectual life of our campus and community would have been less vibrant. Our program provides campus and community members an opportunity to interact with some of the leading thinkers and activists of our time. As is often the case, these thinkers and activists inform us, engage us, challenge us, infuriate us, move us, and entertain us. With our minds refreshed and our intellectual curiosity renewed, the experience is potentially transformative. At Chautauqua events, members of the audience see how speakers from various professions and disciplines tackle provocative but vital issues. And they are encouraged to do so themselves. They see how it is possible to engage in creative, critical, but civil discourse. And they are encouraged to do the same. Our program aims to address both local concerns and global imperatives, and extend the students' liberal arts education beyond the classroom. By striking a balance between the local and the global, we help serve the students' regional needs. By sharpening their critical and creative thinking skills, expanding their liberal arts education, and adding an international dimension to it, we enhance their chance for success beyond Appalachia. For more information, visit www.chautauqua.eku.edu or contact Chautauqua Lecture Coordinator Dr. Minh Nguyen at minh.nguyen@eku.edu.

**EKU Honors Courses**

All students entering EKU Honors in their first semester will complete:

**Chautauqua Lecture Series**

Dr. Minh Nguyen, Coordinator  
Case Annex 157  
(859) 622-8667

Imagine that none of the following Chautauqua Lecturers had ever visited our campus: Kwame Anthony Appiah, Chuck D, Angela Davis, Richard Dawkins, Michael Eric Dyson, Sylvia Earl, Daniel Ellsberg, The American Spiritual Ensemble, Eric Foner, Robert George, Carol Gilligan, Temple Grandin, Brian Greene, Tyrone Hayes, Deidre McCloskey, Irshad Manji, N. Gregory Mankiw, Eric Metaxas, Richard Muller, R. Carlos Nakai, Martha Nussbaum, Richard Rodriguez, Peter Singer, Ben Sollee, Nadine Strossen, Ron Suskind, Trinh T. Minh-Ha, and Kenji Yoshino. The intellectual life of our campus and community would have been less vibrant. Our program provides campus and community members an opportunity to interact with some of the leading thinkers and activists of our time. As is often the case, these thinkers and activists inform us, engage us, challenge us, infuriate us, move us, and entertain us. With our minds refreshed and our intellectual curiosity renewed, the experience is potentially transformative. At Chautauqua events, members of the audience see how speakers from various professions and disciplines tackle provocative but vital issues. And they are encouraged to do so themselves. They see how it is possible to engage in creative, critical, but civil discourse. And they are encouraged to do the same. Our program aims to address both local concerns and global imperatives, and extend the students' liberal arts education beyond the classroom. By striking a balance between the local and the global, we help serve the students' regional needs. By sharpening their critical and creative thinking skills, expanding their liberal arts education, and adding an international dimension to it, we enhance their chance for success beyond Appalachia. For more information, visit www.chautauqua.eku.edu or contact Chautauqua Lecture Coordinator Dr. Minh Nguyen at minh.nguyen@eku.edu.

**Libraries**

Ms. Betina Gardner, Dean  
Library 202A  
(859) 622-1778  
library.eku.edu

EKU Libraries includes the John Grant Crabbe Library and several branch libraries.

The main library complex, located in the heart of the Richmond campus, features a Java City Library Cafe, an Instructional Development Center, the University Archives, a large computer lab and many other exciting resources and services. EKU Libraries houses a 760,000 volume print collection, subscribes to hundreds of online databases and provides access to over 20,000 online academic journals and a growing collection of online books. The main library complex also houses EKU’s Law Library.

Branch Libraries Locations

1. Elizabeth K. Baker Music Library – Foster Basement  
2. Wolford K. White Justice and Safety Library – Stratton
Library services include individual or group library instruction sessions; reference services via phone, email and online chat; laptop checkout; interlibrary loan; courier services for extended campus students; and much more. Additionally, spaces are available (by reservation or drop in) for meetings and study groups. For more information, call 622-1790 or visit us on the Web at www.library.eku.edu/, where you can search our catalog, get research help and discover the many resources available at EKU Libraries.

**UNIVERSITY REGISTRAR**
Ms. M. Tina Davis, University Registrar
Whitlock Building 239
(859) 622-2320

The Office of the Registrar serves and supports students and faculty, as well as the larger campus community. The primary responsibilities of the Registrar include: upholding the University Catalog with fairness and consistency, serving as the custodian of student academic records, being a primary academic and student support unit, and functioning as a compliance specialist for federal and state regulations. The Registrar’s Office assists students, prepares the schedule of classes, manages the enrollment of all students, and is charged with the maintenance, security and integrity of student and University academic records, including student transcripts.

The Registrar’s Office also administers the minimum scholastic standards of the University, posts transfer credit, oversees degree audit services, monitors and safeguards academic data integrity, determines NCAA student-athlete academic eligibility, coordinates commencement exercises, degree confirmation and the production and delivery of diplomas, and oversees the scheduling of academic space.

For additional information and a more detailed listing of services, please review the Registrar’s Office website at www.registrar.eku.edu. For registration assistance email: registration@eku.edu.

**UNIVERSITY DIVERSITY OFFICE AND THE OFFICE OF THE ASSOCIATE PROVOST FOR DIVERSITY PLANNING**

Dr. Sandra Moore, Associate Provost for Diversity Planning
Jones 407
(859) 622-6587

The Office for University Diversity and the Office of the Associate Provost for Diversity Planning is responsible for the development, implementation, and evaluation of the Eastern Kentucky University Comprehensive Diversity Plan (EKUCDP). The EKUCDP was ratified by the EKU Board of Regents and is in compliance with the Statewide Diversity Policy. The University Diversity Office collaborates with EKU units in the development of their diversity plans and directs the University Diversity Faculty Recruitment and Retention Incentive Plan/Funds. The Associate Provost for Diversity Planning is EKU’s liaison to the Council on Postsecondary Education and the Committee for Equal Opportunity in support of the Commonwealth’s diversity, desegregation and equal opportunities plans for postsecondary education. The Associate Provost for Diversity Planning also chairs the EKU Diversity Planning Council and has oversight and reporting responsibility for the University Diversity Committee.
The Office of University Programs

Dr. Sara Zeigler, Dean
Keen Johnson 201
(859) 622-2222

Dr. Rose Perrine, Associate Dean
Miller 106
(859) 622-6765

“Think, Create, Communicate”

University Programs creates essential academic experiences that transcend traditional college boundaries and integrate theoretical knowledge and experiential applications in order to cultivate transformative learning at EKU.

| AFRICAN/AFRICAN-AMERICAN STUDIES |
| Dr. Salome Nnoromele, Director |
| Miller 109/110 |
| (859) 622-1299 |

African/African-American Studies is an interdisciplinary program that explores the histories, societies, and cultures of Africans and people of African descent throughout the Diaspora. Courses are offered from a broad range of disciplines, including the arts and humanities, social sciences, law enforcement, education, and health sciences. The program awards an undergraduate minor and a certificate in African/African-American Studies.

| Minor |

| Minor In African/African-American Studies |
| A student may complete a minor in African/African-American Studies by taking 18 hours as indicated below. |
| Core Requirements ......................................................... 6 hours |
| AFA 201 or 201W, 202 or 202W. |
| Electives ................................................................. 12 hours |

| AFA 201 or 201W, 202 or 202W. |
Electives..........................................................6 hours

Six hours from the following courses:
AFA 225, 304, 305, 345, 346, 347, 349, 360, 361, 367, 372S,
378, 385, 386, 388, 435, 495; CDF 424; SOC 400.

Total Curriculum Requirements..............................12 hours

**Appalachian Studies**
appalachianstudies.eku.edu
Dr. Alice Jones, Director
Keith 133
(859) 622-1424

Appalachian Studies is a multidisciplinary program that brings
 together courses taught by a diverse group of teachers/scholars
 from the social sciences and humanities, art, environmental
 studies, social work, and health sciences. The program awards an
 undergraduate minor and a certificate in Appalachian Studies.

Students are encouraged to select a group of courses tailored
to their personal and academic goals in consultation with the
Coordinator.

**Minor in Appalachian Studies**

The minor in Appalachian Studies requires a minimum of 18
credit hours as indicated below:

**Core Requirements**........................................3 hours
APP 200 (also fulfills General Education, E-5B or 6)

**Electives Requirement**.................................15 hours
Fifteen hours of approved Appalachian Studies
electives

**Total Curriculum Requirement**.......................18 hours

**Certificate in Appalachian Studies**

The certificate in Appalachian Studies requires a minimum of
12 credit hours as indicated below.

**Core Requirements**........................................3 hours
APP 200 (also fulfills General Education, E-5B or 6)

**Electives Requirement**.................................9 hours
Nine hours of approved Appalachian Studies electives

**Total Curriculum Requirement**.......................12 hours

**Approved Appalachian Studies Courses:**

- APP 200  Introduction to Appalachia  
- APP 340/ECO 340  Environmental Economics  
- APP 350  Special Topics: Appalachia  
- APP/CRIJ 355  Rural Crime & Justice  
- APP/SOC 363  Images of Appalachia in Film &
  Song  
- APP/ENG 365  Appalachian Literature  
- APP 366/SOC 365  Social Change in Appalachia  
- APP/PHI 370  Religion in Appalachia  
- APP/POL 373  Politics of Development in
  Appalachia  
- APP/PHI 420  Appalachia in American History  
- APP/GEOL/ENV 430  Sustainability in Appalachia  
- APP 460  Seminar in Appalachian Studies  
- APP 490  Independent Study  
- APP/OTS 520  Providing Health Services in
  Appalachia

Students may also select content relevant special topics or
independent studies courses with the approval of the Coordinator
of the Appalachian Studies minor.

**Asian Studies**

Dr. Minh Nguyen, Director
Case Annex 163
(859) 622-8677
http://asianstudies.eku.edu/

“If you want to understand the world you need to understand Asia” (Nicholas Kristof, Pulitzer Prize-winning columnist for The New York Times).

The Interdisciplinary Asian Studies Program at Eastern Kentucky University provides an understanding of Asia through a critical examination of the cultures, societies, languages, histories, religions, and politics of Asians and peoples of Asian descent throughout the world. An understanding of Asia enhances not only students’ understanding of the world but also their prospects for employment in a wide variety of fields, including but not limited to international trade and industry, teaching and research, translation and interpretation, foreign policy and diplomacy, human rights and development, and immigration and social service. The program offers a minor (18 hours) and a certificate (12 hours) in Asian Studies.

A student may minor in Asian Studies by completing
- a minimum of 18 semester hours in the four areas listed
  below, and from at least three different departments
- at least 9 hours at the 300 level or above

Departments: English (ENG); Exercise & Sport Science (PHE);
Foreign Languages & Humanities (FCC/FLS/HUM/JPN);
Geography & Geology (GEO); Government (POL); History (HIS);
Honors (HON); Philosophy & Religion (PHI/REL); Psychology
(PSY); Study Abroad (UNP); Women & Gender Studies (WGS)

**Language and Immersion**....................................6 hours

JPN 101 and 102 (or higher levels); or FLS 101 and
102 (or higher levels)(Arabic, Chinese, or any other
Asian language); or 6 hours of study abroad in any
Asian country(ies); or 3 hours of study abroad in any
Asian country plus 3 hours of a language (101 level or
higher) indigenous to that country.

**Religion and Culture**........................................3 hours

FCC 227, REL 335, 345, 350

**History and Society**.........................................3 hours

HIS 320, 321, 322, 374, 375, 474, 475, POL 312, 313,
or WGS 304

**Electives**.......................................................6 hours

Additional course(s) from the three areas above and/or
ENG 200*, 300*, 350*, 500*, FCC 210*, GEO 347*, HIS 204W*,
300C*, 302C*, HON 370W*, 308W*, 310W*, 312W*,
320W*, HUM 360*, JPN 201, 202, 295, 495, PHE
190*, 355*, PHI 390*, PSY 497*, REL 370*, UNP
200*, 300*, 400*, 500* (*topic must relate crucially to
Asia (check with Director of Asian Studies Program)
The Director of the Asian Studies Program may approve other
courses to meet requirements for the Minor.

**Total Curriculum Requirement**..........................18 hours

**Departmental Certificate in Asian Studies**

A student may earn a Certificate in Asian Studies by completing
- a minimum of 12 semester hours from the list of Electives for
  the Minor in Asian Studies, and from at least three different
The minor in Environmental Sustainability and Stewardship

www.green.eku.edu/ENV
Dr. Alice Jones, Director
Keith 133
(859) 622-1424

Environmental Stewardship is an ethic that embodies responsible care and respect for the natural environment through conservation, preservation, restoration, and responsible individual and collective behavior. Environmental Sustainability implies a cross-generational commitment to this responsibility, and to its economic, political, and social dimensions. Considerations include—but are not limited to—ecological system function, climate change, energy use, natural resource and ecosystems/land use, and human health and well-being.

- The minor in Environmental Sustainability and Stewardship (ENV) emphasizes:
  - Scientific understanding of the natural laws that govern the functioning of the biosphere;
  - Human connections to the physical and natural world;
  - Environmental ethics, values and behavior and how they are expressed in individuals, communities, societies, and institutional structures
  - Technological and economics to sustainability and stewardship; and
  - Practical service and experience that links sustainability & stewardship theory to the real world, and to the student’s major and career plans

The minor in Environmental Sustainability and Stewardship requires a minimum of 18 credit hours, with a minimum of 3 hours from each of the following categories:

**Core Requirement**..........................................................3 hours

ENV 200 (Gen Ed Element 5B)

**Content Area Requirement**...........................................12 hours

A minimum of 3 hours from each of the following

**Content Areas:**

- **Human Connections to the Physical and Natural World**..........................................................3 hours
  - Three hours from: ENV 302 Global Environmental Problems (Cross listed as GEO 302); ENV 500: Environmental Issues (Crosslisted with BIO 500); ANT 370 Primate Conservation; EHS 425 Environmental Health Program Planning; SOC 383 Environmental Sociology;
- **Environmental Behaviors, Values, and Ethics**..........................................................3 hours
  - Three Hours from: ENV 208W Environmental Literature (Cross listed as ENG 208W, Gen Ed Area 3B); REC 290; ENV 345 Sustainable Agroecosystems (Cross listed as AGR 345); ENV 385 Environmental Ethics (Cross listed as PHI 385);
- **Natural Systems Function**..................................................3 hours
  - Three Hours from ENV 303 Environmental Geoscience (Cross listed as GLY 303) ENV 317 Conservation of Wildlife Resources (Cross listed as WLD 317) ENV 590 Ecology for Teachers

Electives...............................................................................3  hours

Three hours from any approved ENV course, OR in content-relevant disciplines with the approval of the Program Coordinator.

**Certificate in Environmental Sustainability and Stewardship**

The certificate in Environmental Sustainability and Stewardship requires a minimum of 12 credit hours as indicated below.

**Core Requirement**..........................................................3 hours

ENV 200

**Electives Requirement**....................................................3 hours

Nine hours of ENV electives, with no more than 6 hours from any one “Content Area”

**Total Curriculum Requirement**.........................................18 hours

**Veterans Studies**

Deanna Kasitz, Program Coordinator
(859) 622-1019
vetstudies.eku.edu

Veterans Studies (VTS) is an academic minor or certificate program that prepares students to identify and understand the often unique experiences and challenges faced by veterans of military service. VTS offers a multi-disciplinary program that provides veteran and non-veteran students a foundation of understanding regarding military structure, culture, combat, and the psychological and physiological changes resulting from military service. This first-of-its-kind program is dedicated to educating non-veterans and veterans alike about Veteran issues. The VTS Program facilitates an environment of inquiry about the transformative nature of military service and provides students the knowledge necessary to
improve services for veterans and their interaction and relations with veterans. AGS students may obtain a concentration in Veterans Studies.

**Minor in Veterans Studies**

**Core Requirement**
- VTS 200 – Intro to Veterans Studies (Gen Ed E-6)

**Electives**
- Students must take VTS 200 before beginning elective studies. Students must take a minimum of one course from each dimensional elective listed below.

**VTS Dimensional Electives:**

- **Cultural (3-6):** BEM 460, Advanced Film Genre: Veterans in Film (This special topic only); ENG 374; ENG 386W; or WGS 304.
- **Institutional (3-6):** HIS 412; MSL 303; PLS 375; POL 320; or POL 415.
- **Relational (3-6):** CDF 331; CDF 437; SOC 313; SWK 440; PSY 308; or PSY 320 (formerly PSY 410)

**Capstone Requirement**
- Students must take VTS 200 before beginning elective studies which consists of one course from each dimensional elective listed below.

**Total Curriculum Requirements**
- 18 hours

**Inter-Departmental Certificate in Veterans Studies**

**Core Requirements**
- VTS 200 – Intro to Veterans Studies

**Electives**
- Students must take VTS 200 before beginning elective studies. Students must take a minimum of one course from each dimensional elective listed below.

**VTS Dimensional Electives:**

- **Cultural (3):** BEM 460, Advanced Film Genre: Veterans in Film (This special topic only); ENG 374; ENG 386W; or WGS 304.
- **Institutional (3):** HIS 412; MSL 303; PLS 375; POL 320; or POL 415.
- **Relational (3):** CDF 331; CDF 437; SOC 313; SWK 440; PSY 308; or PSY 320 (formerly PSY 410)

**Total Curriculum Requirements**
- 12 hours

**Concentration in Military Studies**

**Military Studies Concentration**
- A total of 12 hours of a combination of: MSL courses, military services (ACE) credit, PHE 190, or PLS 375; at least 3 of the 12 hours must be earned in residence at EKU.

**WOMEN AND GENDER STUDIES**

**Dr. Lisa Day, Director**
- Keith 121
- (859) 622-2913

Women and Gender Studies (WGS) is a multidisciplinary program offering both a minor and a certificate. WGS acquaints students with the growing research on women and gender studies by addressing the intersections of gender, race, class, sexualities, and abilities and by promoting active learning and social engagement. By analyzing competing perspectives and integrating knowledge across traditional academic boundaries, students learn to identify and examine gender-based assumptions and biases and to recognize their consequences on individual, social, and cultural levels.

**Minor in Women and Gender Studies**

A student may complete an interdisciplinary Women and Gender Studies minor by taking 18 hours as indicated below.

**Core Requirements**
- WGS 201 and 400.

**Electives**
- Twelve hours from the following courses: WGS 132, 232, 300, 302, 303, 304, 305, 306, 308, 309, 310, 331, 345, 349, 364, 378, 420, 445, 446, 451, 495, 591, 592, 593, SOC 399, or gender-specific courses from other programs (upon WGS approval).

**Total Curriculum Requirements**
- 18 hours

**Certificate in Women and Gender Studies**

A student may complete an Interdisciplinary Women and Gender Studies certificate by taking 12 hours as indicated below:

**Core Requirements**
- WGS 201 and 400.

**Electives**
- Six hours from the following courses: WGS 132, 232, 300, 301, 302, 303, 304, 305, 306, 308, 309, 310, 331, 345, 349, 364, 378, 420, 445, 446, 451, 495, 591, 592, 593, SOC 399, or gender-specific courses from other programs (upon WGS approval).

**Total Curriculum Requirements**
- 12 hours

NOTE: Average GPA of courses applied to the minor must be 2.25 or better.

**THE NOEL STUDIO FOR ACADEMIC CREATIVITY**

**Dr. Russell Carpenter, Director**
- Crabbe Library
- (859) 622-7330

The Noel Studio for Academic Creativity serves the EKU community as a collaborative, innovative learning experience designed to improve communication and research skills. With integrated programs in teaching and learning, undergraduate research, and applied creative thinking, the Noel Studio is dedicated to the development of effective communication skills and practices across disciplines. This program provides student support for writing, research, and oral communication and faculty development in a central, technologically sophisticated space located in the heart of the Crabbe library. In the Noel Studio, trained consultants offer individual and small-group consultations to students and members of the EKU community seeking to refine specific projects and assist students in enhancing their research and communication skills.

**TEACHING AND LEARNING CENTER**

**Dr. Hal Blythe, Co-Director**
- Dr. Charlie Sweet, Co-Director
- Keen Johnson 2
- (859) 622-6519
The Teaching & Learning Center (TLC) serves as the faculty development arm of the Noel Studio by delivering, coordinating, and promoting faculty development at EKU. Online and in person, the TLC provides support for EKU’s talented and dedicated professors. Helping EKU’s excellent faculty become even better instructors is a central TLC goal. Ultimately, EKU students benefit from the TLC’s work, as they experience the enriched learning environments created by EKU’s exemplary—and always developing—teaching faculty.

**Undergraduate Research and Creative Endeavors**
Dr. Jonathan Gore, Coordinator
Cammack 116
(859) 622-1115

Undergraduate Research and Creative Endeavors is the research arm of the Noel Studio. URCE coordinates and promotes undergraduate research and creative endeavors at EKU, managing such events as Posters-at-the-Capitol and the University Poster Showcase. In addition, URCE assists faculty in mentoring student research projects, encouraging collaborations, publicizing the ongoing undergraduate research activities of the academic departments, developing grant proposals, and representing EKU at regional and national undergraduate research conferences. URCE also facilitates the publication of an online journal for undergraduate research, *The Kentucky Journal of Undergraduate Scholarship*.

**Minor in Applied Creative Thinking**
Dr. Russell Carpenter, Director
Crabbe Library
859-622-7330

The Minor in Applied Creative Thinking is offered for students in all disciplines. The minor consists of 18 hours of courses.

**Requirements**
CRE 101W and CRE 400 (CRE 400 must be taken after the completion of the other five courses), and 12 hours from a list of potential courses listed on the Noel Studio website at: http://studio.eku.edu/proposedminor-applied-creative-thinking or from the following potential courses:
ART 100, ART 152, ART 153, ART 164, ART 376, BEM 353W, ENG 350, ENG 351, ENG 352, ENG 358, ENG 410, ENG 490, FSE 200, FSE 300, HLS 201, JOU 305, JOU 480, MUS 171, MUS 271, MUS 272, MUS 273, PUB 415.

Students pursuing the minor in Applied Creative Thinking must earn a “C” or above in all courses counting toward the minor.

**Center for Pre-Professional Advising**
James Luba, Ph.D.
Pre-Health Professions Advisor

Whitlock Building 427
(859) 622-7698

EKU has a number of programs that will help prepare students for professional schools following graduation. These schools generally do not require a specific major, provided that their prerequisite courses are taken. All professional schools are highly competitive in their admission process. Thus, students should aim for strong GPA and professional school admission test scores. Students are encouraged to seek a major that they find interesting and challenging, that they have a strong aptitude for, and that provides additional career options. Students should meet with the Center for Pre-Professional Advising as early as possible after enrolling at EKU. The Pre-Professional Academic Advisor will assist the pre-professional student with selecting a major, and provide information and advice regarding professional school admissions and requirements.

Pre-Professional programs include the following areas:

- Pre-Dentistry
- Pre-Law
- Pre-Medical Science
- Pre-Optometry
- Pre-Pathology Assistant
- Pre-Pharmacy
- Pre-Physical Therapy
- Pre-Physician Assistant
- Pre-Veterinary

**Three-Two Curricula:** In addition to standard pre-professional curricula, Eastern Kentucky University may approve specially arranged combined curricula. Students approved for these curricula complete the first three years of requirements at EKU. At the end of these three years, they enroll in one of several highly rated professional schools. After the first year of professional study, they transfer the work back in order to secure a Bachelor of Arts or a Bachelor of Science degree from Eastern Kentucky University. This plan may shorten, by one year, the time needed to obtain both a baccalaureate and a professional degree.

**The Center for Career and Cooperative Education**
Ms. Gladys T. Miller, Director
Whitlock Building 468
(859) 622-1296

The Center for Career and Cooperative Education assists students in achieving their career-related goals. Services include career exploration, job-search planning, and the development of job search tools/resources for part-time jobs, cooperative education experiences, internships, and full-time professional positions.

Cooperative Education (Co-op) and Applied Learning provide the student with an opportunity to blend theory with practice resulting in a balanced education. Learning within the classroom is combined with practical on the job training in business, industry, and/or government. Acceptance of a co op/applied learning position for academic credit is contingent upon a suitable learning agreement between the employer and the university.

**Eligibility:**
- Faculty Coordinator approval
• Completion of a minimum of 30 credit hours prior to enrolling; transfer students required to complete at least one semester at EKU
• Minimum of 2.0 grade point average (GPA); some departments require a higher GPA
• Salary (for co-op jobs) must be within State and Federal wage guidelines

Academic Credit:
• Determined by the academic college or department
• May earn .5 to 8 hours credit per semester
• Minimum of 80 hours of employment for each semester hour of academic credit, including .50 half credit (students must work to the end of the semester). Co-op is 16 weeks for spring and fall semesters, and 12 weeks for summer term. Internships have more flexibility, but must be pre-approved.
• Maximum of eight semester hours toward meeting requirements for the associate degree, and sixteen hours toward the bachelor’s degree.
• Credit awarded for co-op/applied learning/internships only when the student is enrolled in the University and in compliance with the Center for Career and Cooperative Education

Work Requirements:
• A supervisor assigned by the employer to provide direction and coordination on the job; also responsible for submitting periodic and final evaluation reports on the student
• Grades assigned by the Faculty Coordinator in accordance with criteria established by the Center for Career and Cooperative Education and the student’s academic college/department.

Program Options:
• Parallel plan: students work part-time for multiple semesters (three or more semesters) while maintaining a full-time course load.
• Alternating plan: students employed full-time, alternating classroom training with work-based training for a period of two or more semesters, following the employer’s schedule. Students may also work full-time during the summer semester (twelve weeks), but must also work in their co-op position during the fall and/or spring semesters.
• Special plans: developed to meet the needs of the student and employer
• Students typically will return to the same location for each assignment with increasing responsibilities; however, may be allowed to work for several employers in varying situations as long as the work is related to the student’s career goals and those of the program.
• Students participating in the Applied Learning Program must meet the eligibility requirements of the Co-op Program, but may choose to work only one semester in either a paid or non-paid assignment or in any assignment that does not meet the Cooperative Education multiple term or length requirements.

Career Exploration
For students who have a tentative career direction or major in mind, the Center can provide information about opportunities that are available with their major, career paths, supply and demand, destinations of past graduates, salaries, and potential employers. Career assessment tools and career counseling appointments are available to help students expand their self-awareness of “best fit” career options according to students’ personality, strengths, interests and values.

Part-Time Job Program
The Part-Time Job Program gives students opportunities to obtain part-time, temporary, and summer employment with local and regional businesses. Students who participate in the program gain experience in the workforce while networking in the community. The Part-time Job Program is open to all currently enrolled EKU students.

Job Search Preparation
The Center staff offers individual appointments, workshops, online tools and other resources to help students with career and job-search preparation. They can help with resumes and cover letters, tips on job search strategies, professional dress, dining etiquette, interviewing skills, networking, social media, and applications to graduate and professional schools.

Connecting with Employers
The Center staff assists students in identifying and connecting with potential employers through job/career fairs, on-campus interviews, individual appointments, online tools, and other resources. The Center’s Career Express database is an easy to use and innovative system that gives students and alumni access to jobs postings and employers targeting EKU students.

Mock Trial
Mr. Thomas Parker, Coordinator
Whitlock Building 427
(859) 622-7698

EKU’s nationally-ranked mock trial program affords students the chance to learn about the legal process in a simulation format. Students play the roles of witnesses and attorneys, competing against teams from other schools in tournaments held across the nation. Mock trial develops critical thinking and communication skills, teaches students to work as members of a team, and requires students to respond creatively to unexpected challenges during rounds of competition. Students receive two hours of academic credit (GSD/POL 466A and B) per term. Auditions for positions on the team are held each Fall.

Education Abroad and Exchanges
Jennifer White, Education Abroad Administrator
Keith 129
(859) 622-1478

Studying abroad IS the right choice for you. Eastern Kentucky University encourages all students to take advantage of education abroad opportunities and join the top 10% of American students who have an internationalized degree. The Center for International Education has, or will find, options of a short-term winter, summer, semester or year abroad that will fit any major/minor, country of interest and budget. The Center for International Education manages institutional scholarship funds that can help to bring study abroad within financial reach.

Study Abroad:
Summer, Spring break, winter break, full semester, or academic year options are available through EKU’s many study
abroad providers, including the Cooperative Center for Study Abroad (CCSA), the Kentucky Institute for International Studies (KIIS), The Knowledge Exchange Institute (KEI), Arcadia University (AU), the School For International Training (SIT), University Studies Abroad Consortium (USAC), SOL Education Abroad (SOL), CISabroad (CIS), as well as any number of EKU faculty-led programs that are created yearly. We can help find a winter, summer, semester, or year-long program for any student in any major.

**Institutional Exchanges:**

Exchanges allow for the most immersive experience abroad possible. EKU has a number of direct, institution-to-institution exchanges in a variety of countries. We are also a member of The Magellan Exchange organization (www.magellannexchange.org) through which EKU students can study at any one of 16 partner institutions around the world. Students on these exchanges have the opportunity to use their financial aid to pay regular tuition and fees at EKU but go abroad to a partner institution where they will take classes alongside local students. Language instruction is predominately in English but opportunities to begin, or to perfect, foreign language abilities is possible through taking classes offered in the local language. Students from the partner institutions in turn come to EKU for a semester or year. Partner institutions are located in Australia, Germany, South Korea, France, Belgium, Denmark, Costa Rica, the Netherlands, Finland, Mexico, Spain and Austria. For more information on Magellan exchange options as well as our direct exchange agreements, please contact the Education Abroad Administrator for an appointment.

**For More Information:**

Feel free to visit the Education Abroad office in Keith 129 to pick up brochures on all the programs offered. Students interested in education abroad, whether short term, semester or exchange, are encouraged to make an appointment with the Education Abroad Administrator at 622-1478 or studyabroad@eku.edu as soon as possible to discuss all options, application procedures, course approval, and costs.

**Minor in International Studies**

The globalization of the economy, increased cross-cultural relations, instantaneous reporting from world-wide media outlets, cross-border ecological crises, and political transformations are all making international studies more important in this rapidly changing world. As such, the international studies minor encourages students to begin thinking and acting within a global perspective, in order to meet these current challenges. Courses in the minor deal with topics as diverse as the relations of the United States with other countries, critical language studies, international economics, cultures and religions of Latin America or Asia.

The minor consists of 21 credit hours across a number of disciplines, providing a broad-based, general exposure to international issues through a solid set of three core courses. A commitment to foreign language and/or international experience is an integral part of the minor. A wide range of electives rounds off the minor.

**Core Courses..........................................................9 hours**

GEO 100, HIS 347, POL 220.

**Study Abroad or Foreign Language..............................6 hours**

Six credit hours from either a Study Abroad course (through Eastern Kentucky University or another accredited university, with credit transferred back to EKU), or six credit hours of foreign language at or above the 200 level. Students may split this requirement by taking 3 credit hours of Study Abroad and 3 credit hours of a foreign language at or above the 200 level.

**Electives..................................................................6 hours**

Six credit hours from among the following courses (Note: Many of these courses, including all College of Business upper division courses have prerequisites): ANT 250, CMS 375, COM 300, COM 345 or ENG 345, ECO 394, 395, EME 530, FCC 220, 222, 226, 227, FIN 330, GBU 201, GEO 202, 205, 302, 322, 347, HIS 320, 350, 365, 375, 378, 384, 474, 475, HUM 300, 350, 360, MGT 430, MKT 400, PHI 330, POL 310, 312, 313, 315, 316, 325, 327, 410, 417, 495, REL 301, 335, 340, 345, 355.

**Total Curriculum Requirement.................................21 hours**

---

**FOUNDATIONS IN LIBERAL EDUCATION**

Dr. Rose Perrine, Associate Dean of University Programs  
(859) 622-6764

**GENERAL EDUCATION**

Dr. Garett Yoder, Coordinator  
NSB 3166  
(859) 622-1527

The mission of the General Education program is to promote learning that is central to the intellectual pursuits associated with our educational programs and to enable students to make informed choices about matters of public and personal significance in a diverse, democratic society and global community. The general education program helps students to become informed, independent thinkers by developing competencies in communication, quantitative analysis, and critical thinking by helping them understand and appreciate the diversity of culture, individuals, the natural environment, and the global society. See Section Four of this Catalog for detailed information on courses.

**FIRST YEAR COURSES**

Mr. John Hearn, Director  
Miller 206  
(859) 622-7322

Every student seeking a baccalaureate degree or Associates Degree in General Studies (AGS) must complete a 1-3 credit Student Success Seminar.

- Full time students must complete the Student Success Seminar during their first semester.
- Part time students are strongly encouraged to complete the Student Success Seminar during their first semester, and must complete it within their first 18 credits.
- Students who earn a grade of “W,” “F,” or “FN” in a Student Success Seminar must repeat the course the following term.
- Transfer students who have 30 or more transfer credits upon admission to EKU may have this requirement waived. Some
majors require all students to take a Student Success Seminar, regardless of transfer status.)

The purpose of this first-year course is to form a solid foundation for a student’s academic experience. These courses provide a firm foundation in the structure and functions of the university, how to succeed in college, how to choose and/or succeed in a major, how to make the most of the academic curriculum, and how to think critically and solve problems.

**Service-Learning**

Dr. Rose Perrine, Associate Dean of University Programs
(859) 622-6764

Service-Learning is a teaching and learning strategy that integrates meaningful community service with instruction and reflection to enrich the learning experience, teach civic responsibility, and strengthen communities. Courses with an “S” designation following the course and prefix number have been officially recognized as service-learning courses.

**Baccalaureate Degrees**

**Bachelor of Arts (B.A.)**
**General Studies**
*Cip: 24.0102*

The General Studies degree program is designed for students intending to complete a baccalaureate degree whose educational objectives may not be aligned with a more traditional degree program. There are two tracks from which students can choose: General Track and Professional Track. The General Track is intended to establish the foundation for a lifetime of continual learning and offers flexibly scheduled, highly individualized curricula. Through individualized advising, the program helps students define their educational goals and design interdisciplinary curricula drawing on a variety of course offerings. The program is also intended to allow a student who has completed most of the requirements of a major but has not yet completed the major of an approved program to complete a baccalaureate degree in a timely manner. The Professional Track is designed to prepare students to be effective leaders in a variety of professional work environments. Students will gain competency in critical & creative thinking, oral and written communication, leadership, social intelligence, and professional job skills.

In addition to the baccalaureate degree requirements in Section 5 of this Catalog, the following are required for students seeking a General Studies degree:

1. The B.A. General Studies degree is intended to be a first baccalaureate degree and is not appropriate for a concurrent or secondary baccalaureate degree.
2. Any courses ordinarily accepted for credit by Eastern Kentucky University may be chosen as hours to apply to the 120 hours required for graduation.
3. In order to declare a General Studies major students must have previously earned 60 credits from a regionally accredited institution.
4. Students pursuing a General Studies degree are not permitted to declare a double major.
5. Students pursuing a General Studies degree are encouraged to declare minors and/or certificates.

6. Students in the General Track will graduate from and be considered alumni of a specific college based on either (a) the student’s preference (If a student has at least 18 credits in a college, excluding General Education credits, then he/she may request to be affiliated with that college); OR (b) if the student has no preference, then affiliation is based on the college in which the greatest number of credits are earned (excluding General Education credits).

7. The college from which the student graduates will not be included in the degree name. Degree names on diplomas will be Bachelor of Arts General Studies or Bachelor of Arts General Studies: Professional Track. (The Professional Track transcripts will also list the concentration.)

8. Students in the Professional Track will graduate from and be considered alumni of the college that offers the student’s chosen concentration.

**University Graduation Requirements**

- **General Education** ................................................................. 36 hours
- **Student Success Seminar** ..................................................... 3 hours
  (GSD 101: waived for students who enter EKU with 30+ hrs. of courses ordinarily accepted for transfer credit by Eastern Kentucky University)
- **Wellness** ........................................................................... 3 hours
  (For Professional Track only: Wellness waived for veterans)
- **Writing Intensive Course** (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- **Upper division courses** (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- **ACCT – General Studies majors may fulfill ACCT with any of the following options: GSD 399 (also fulfills Exit Requirement), or 3 credit hours of co-op/applied learning (GSD 349), or a service-learning (S) course, or a college-approved student abroad experience, or HON 420 (Relevant credit hours will be incorporated into program requirements below.)

**Total Hours University Graduation Requirement** ....... 42 hours

**General Studies – General Track:**

The General Track is designed for students intending to complete a baccalaureate degree whose educational objectives are not aligned with a more traditional degree program. The General Track is intended to establish the foundation for a lifetime of continual learning and offers flexibly scheduled, highly individualized curricula. The program is also intended to allow a student who has completed most of the requirements of a major but has not yet completed the major of an approved program to complete a baccalaureate degree in a timely manner.

**Major Requirements**

- **ACCT Requirement** .............................................................. 3 hours
  GSD 399; Co-op; Service Learning (S) course; or EKU-approved Study Abroad course.
- **Exit Requirement** ................................................................. 0 hours
  GSD 399 (3; also fulfills ACCT) or GSD 450 (0 hours)
- **Free Electives** ....................................................................... 75 hours

**Total Hours to Complete Degree** .............. 120 hours

**General Studies – Professional Track:**
The purpose of the Professional Track is to prepare students to be effective leaders in a variety of professional work environments. Students will gain competency in critical & creative thinking, oral and written communication, leadership, social intelligence, and professional job skills. Students must complete the 18 hour core and one 18 hour option.

MAJOR REQUIREMENTS
Core Courses ......................................................... 18 hours
  All students must complete core
  CRE 101W, EES 250 ('E-1C), 300, 310, 450, and
  GSD 399.
  All students in the Professional Track must complete one of the
  following concentrations:
  Professional Area in Business................................. 18 hours
  Students will gain skills in business areas that will
  prepare them for management or administrative
  positions in business or non-profit organizations.
  ACC 201, 202, CIS 212, INS 370, MGT 301, and
  MKT 301.
  Public Administration............................................. 18 hours
  This Public Administration track is an ideal
  background for individuals planning careers in
  public service in local, state, regional, and federal
  government and in non-profit management. In
  addition, the program prepares individuals in the
  private sector who have responsibility for public
  sector contracts, regulatory compliance, and other
  oversight activities.
  POL 101, 370, 374, and any three of the following
  POL 373, 376, 537, or 533.
  Human Services..................................................... 18 hours
  HSR 300, 305, 400, 405, 410, and 415.

NOTE: University Programs is in the process of phasing
out the Paraeducator concentrations in Education and
Special Education (listed below). As of Fall 2015, students
will not be allowed to declare these concentrations.
Students who are currently in either of these
concentrations will be allowed to complete the program
provided they stay continually enrolled at EKU.

Paraeducator in Special Education ....................... 19 hours
  The Paraeducator in Special Education Track
  is designed to prepare individuals to serve as
  instructional assistants in P-12 schools in
  classrooms that serve children with disabilities.
  CED 100(0.5), 200(0.5), EDF 219, SED 511,
  522, 590, 575, and 578.

Paraeducator in Education ................................. 19 hours
  The Paraeducator in Education Track is designed to
  prepare students to serve as an instructional
  assistant in a public or private P-12 school setting.
  CED 100(0.5), 200(0.5), EDF 203, 204, 205, 219,
  LIB 301, and SED 104.

  G = Course also satisfies a General Education
  element. Hours are included within the 36 hr.
  General Education requirement above.

Free Electives..................................................... 41-60 hours
  GSD 399 (3; also fulfills ACCT) or GSD 450 (0
  hours)

TOTAL HOURS TO COMPLETE DEGREE .......... 120 hours

UNIVERSITY GRADUATION REQUIREMENTS
• General Education ................................................. 36 hours
• Student Success Seminar ................................. 1-3 hours
  (waived for transfers with 30+ hours)
• Wellness .............................................................. 3 hours
• Writing Intensive Course (Hours incorporated into Major/
  Supporting/Gen Ed/Free Electives category)
• Upper division courses
  (42 hours distributed throughout Major/Supporting/
  Gen Ed/Free Electives categories)
• ACCT –
  The Individualized Studies majors may fulfill ACCT
  with any of the following options: HON 420 or
  another approved undergraduate scholarly or creative
  activity; 3 credit hours of co-op or applied learning
  experience; a service-learning course, or a student
  abroad experience. (Relevant credit hours will be
  incorporated into program requirements below.)

Total Hours University Graduation Requirement... 40-42 hours

MAJOR REQUIREMENTS
An application, with a plan of study conforming to the program
requirements listed below, must be approved by the program
advisor before the student may declare this major.

Core Courses......................................................... 36 hours
  A cohesive plan of study with a minimum of 36
  hours in an area of emphasis will constitute the core
  of the student’s major; 18 of the 36 hours shall be at
  the upper division level. A maximum of 18 hours
  from a single academic discipline can be applied to
  the area of emphasis.

Senior Project:
  A senior project is mandatory. The student must
  enroll in at least 21 hours of coursework (including
  the senior project), following the approval of their
  BIS plan of study.

Free Electives..................................................... 42-44 hours

TOTAL HOURS TO COMPLETE DEGREE .......... 120 hours
ASSOCIATE DEGREE

ASSOCIATE OF GENERAL STUDIES (A.G.S.)
GENERAL STUDIES
CIP Code: 24.0102

The Associate of General Studies degree provides students, especially adult learners, the opportunity to pursue a flexible degree program to meet their unique interests, career goals, and academic needs. Reflecting EKU’s commitment to a liberal arts education, the degree allows students to concentrate in an area of interest while selecting from a wide variety of courses to meet personal, educational, or career goals. This degree is designed for students for whom this will be their first college degree and who wish to advance in their careers, change careers, pursue a lifelong interest beyond their careers, or use the degree as a pathway to a baccalaureate degree. Students who are admitted as “Special Admitance/Conditional Admitance” (see page 10 of the Catalog), will be initially admitted into the Associate of General Studies degree program.

OPPORTUNITIES
The Associate of General Studies degree has become more attractive with the growth of business and industry in the area and with the increase of minimum educational requirements for employment or promotion. In addition to those students wishing to enhance their employability, other students will find the program offers numerous opportunities to seek a degree for their own personal satisfaction. The degree allows students to gain confidence in their abilities by earning a degree at the associate level prior to enrolling in a baccalaureate program. The associate degree also provides opportunities for students who wish to consolidate previously earned credits to complete their first degree. Serving students from a varied background of college readiness, this degree provides students a defined path to success in earning one or more degrees. Upon successful completion of EKU’s Associate of General Studies degree, the student will have met all General Education requirements, which will apply toward a four-year program at EKU or any other regional Kentucky institution.

UNIVERSITY GRADUATION REQUIREMENTS
General Education .........................................................36 hours
Standard General Education program (Elements 1-6 inclusive, per Section Four of this Catalog).
Student Success Seminar (GSD 101; waived for transfers with 24+ hours) ..........................................................3 hours
Total Hours University Graduation Requirements........39 hours

MAJOR REQUIREMENTS
- Students should refer to their DegreeWorks audit for General Education course selections.
- Students should consult with an advisor to choose an appropriate General Education math course.
- AGS students must earn a cumulative GPA of 2.0 on all work earned at EKU, as well as an overall GPA of 2.0 on combined transfer and EKU graded coursework.
- AGS students must complete at least 15 semester hours at EKU.
- AGS students must complete an approved 12-hour emphasis with an overall 2.0 GPA within an individual college beyond the General Education requirement.

Core Courses.................................................................12 hours

Courses are within an individual College and exclusive of general education requirements. One of the concentrations below may be used to fulfill this requirement

Optional Departmental Concentration.............................12 hours
Students may select a concentration of interest (see list below). Students with a declared departmental concentration will be advised by faculty of that department and will be officially affiliated with that department. The A.G.S. concentration will be reflected on the student’s transcript.

General Studies Exit Requirement (GSD 250)....................0 hours
Free Electives ..............................................................9 hours

TOTAL HOURS TO COMPLETE DEGREE.........................60 hours
(Precise degree requirements will vary based upon concentration selected and student’s specific orientation course needs.)

The Associate of General Studies is intended to be a first degree and is not appropriate for a secondary degree. Students who declare the AGS should pursue that program as their primary degree and apply for graduation as soon as they approach completion of its requirements.

OPTIONAL A.G.S. CONCENTRATIONS
The following concentrations are available in the Associate of General Studies degree program:

Anthropology Concentration.............................................12 hours
ANT 120, 200, and 201; one course chosen from ANT 321, 341, 351W, 355, 357, 360, or 471 toward the B.A. Anthropology degree major requirements.

Applied Engineering and Technology Concentration........12 hours
AEM 201, EET 251, GCM 211, and TEC 190.

Broadcasting and Electronic Media Concentration.............12 hours
BEM 295(4), six hours from BEM 301 or 353W or 375, and two hours from BEM 349(1) or 398(1), or 491(1), or COM 320(1).

Computer Networking Systems Concentration................12 hours
NET 302, 303, 354; 3 hrs of NET coursework.

Education Concentration.............................................13 hours
EDF 203, 204, 205 and SED 104.
Students planning to apply for admission to the Teacher Education Program after completing the AGS degree should also enroll in CMS 100 or 210, BIO 102 or PHY 102, and HIS 202.
Students should confer with a College of Education Advisor to determine the required math course for each specific program.

Electricity and Electronics Concentration......................12 hours
EET 251, 252, 257, (EET 253 or 351).

English Concentration...............................................12 hours
ENG 301, 302; 6 hrs of other ENG courses. ENG 210, 211, and 212 may count toward the concentration but will not count toward the B.A. English degree major
Geographic Information Systems
Concentration..................................................12 hours
GEO 210, 353; 6 hrs from: GEO 351, 455, 456, 501
(with departmental approval), 553, 556 or GLY 408.

Geography Concentration........................................12 hours
GEO 100, 210, 220; 3 hrs of GEO elective.

Geology Concentration.........................................12-14 hours
Two courses from GLY 102, 107, 108, 109, 172, 302,
303, 304, 305 or GEO 210; plus two courses from
GEO 210, 210, 315, 408, 415, GEO 353 or 456.

History Concentration.........................................12 hours
HIS 202 and 203 plus 6 additional hours of HIS
courses. Of those 6 additional hours at least 3 must
be in a course listed in Area II (Europe) or Area III
(Non-Western). HIS 290 and 450W may not count
toward the concentration.

Homeland Security Concentration..........................12 hours
HLS 101, 201, 210, 225.
Students planning to later enroll in the B.S.
Homeland Security should take as part of their
General Education courses BIO 100 or BIO 101 or
CHE 101/101L or PHY 101 or PHY 131 (Element
4); EES 250 (Element 1C), GEO 210 (Element 4),
HIS 203 (Element 5A), and POL 100 or POL 101
(Element 5B).

Journalism Concentration......................................12 hours
COM 201; JOU 310, 320; one elective from: JOU
305, JOU 325, or JOU 401.

Mathematical Sciences Concentration.....................13 hours
MAT 124(4) or 124H(4); MAT 214; STA 270; and
CSC 160, 177, or 190. A minimum grade of “C” is
required of all courses counted toward the
concentration.

Military Studies................................................12 hours
A total of 12 hours of a combination of: MSL
courses, military services (ACE) credit, PHE 190, or
PLS 375; at least 3 of the 12 hours must be earned in
residence at EKU.

Physics and Engineering Concentration.....................14 hours
MAT 124(4); PHY 201(5), 202(5). (Students should
note that each has prerequisites.)

Political Science Concentration.............................12 hours
POL 100, 101, 212, and 220.

Pre-Business Concentration..................................12 hours
ACC 201, 202, GBU 204, and CIS 212 or QMB 200.
A minimum grade of “C” is required of all courses
counted toward the concentration.

Psychology Concentration.....................................12 hours
PSY 200 or 200W; PSY 250 or 250W; 6 hrs of PSY
courses (excluding PSY 349, 402, and 403). PSY 280
may count toward the concentration but will not

Security Management Concentration.....................12 hours
HLS 210, 310, 320, and 350.

Sociology Concentration......................................12 hours
SOC 131, 232, and 235; one course chosen from
SOC 313, 320, 340, 345, 363, or 383. These courses
will count toward the B.A. Sociology degree major
requirements.

Veterans Studies Concentration............................12 hours
VTS 200 – Introduction to Veterans Studies

VTS Dimensional Electives:
A minimum grade of “C” is required of all courses counted
toward the concentration.

Cultural (3 hours):
BEM 460, Advanced Film Genre: Veterans in Film (This
special topic only); ENG 374; ENG 386W; or WGS 304.

Institutional (3 hours):
HIS 412; MSL 303; PLS 375; POL 320, or POL 415.

Relational – (3 hours): CDF 331; CDF 437; SOC 313;
SWK 440; PSY 308; or PSY 320 (formerly PSY 410).

---

GRANT-FUNDED PROGRAMS

Education Pays Center
Ms. Robyn Moreland, Director
Weaver 202; (859) 622-6684
www.eku.epc.edu.

The Education Pays Center is a program designed to assist
Kentucky Temporary Assistance Program (KTAP) recipients
who are seeking postsecondary education at Eastern Kentucky
University. This program is funded by the Cabinet for Health and
Family Services and has been on the EKU campus since 1998. The
Education Pays Center respects individual student-participants by
providing guidance and support toward career goals, meaningful
employment, and the achievement of postsecondary vocational
certificate and/or higher education degree. Student-participants are
provided with career exploration, counseling, mentoring, academic
support services, work experiences and job readiness skill building.
The Education Pays Center helps students get where they want to
be.
The College of Arts and Sciences offers baccalaureate and masters programs in a wide range of disciplines encompassing the arts, the humanities, the social and behavioral sciences, and the natural and mathematical sciences. The college also offers associate degrees in paralegal studies and science for engineering; pre-professional programs in engineering, optometry, pharmacy, and medical sciences; and certificate programs in French, German, Japanese, and Spanish. The College of Arts and Sciences is principally responsible for the University’s general education program through which all University students are provided the opportunity to develop the skills, the knowledge, and the discernment essential to the full development of each person as an individual and as a member of society.

Through its many disciplines the College of Arts and Sciences strives to provide all students an excellent education with the most complete and current resources; to provide service to the University and to the community through its academic programs, through such facilities as the Psychology Clinic, and through the professional development and cultural opportunities sponsored by the College; and to encourage and support research and scholarship in all the disciplines included in the College.

DEGREES OFFERED

The College of Arts and Sciences offers the following baccalaureate degrees: Bachelor of Arts, Bachelor of Science, Bachelor of Fine Arts, Bachelor of Music, Bachelor of Social Work, Bachelor of Individualized Studies, and Bachelor of General Studies. The Associate of Arts is offered in Paralegal Studies and the Associate of Science in Science for Engineering.

COLLEGE DEGREE REQUIREMENTS

General University degree requirements as set forth in Section Four of this Catalog as well as specific course requirements set forth in the descriptive curricula must be met by students completing programs administered by the College of Arts and Sciences. All students graduating with majors in the College of Arts and Sciences must have a 2.0 GPA in the major exclusive of any supporting courses. Students pursuing a minor in the College must have a minimum 2.0 GPA in the minor. At least twenty-five percent of the courses in the major must be taken at Eastern Kentucky University. In addition, individual programs may have specific requirements that exceed College requirements. Students should consult with an advisor or department chair to learn the particular requirements of a program.

AFFILIATED ACTIVITIES AND RESOURCES

GULF COAST RESEARCH LABORATORY

Eastern Kentucky University is affiliated with the Gulf Coast Research Laboratory, Ocean Springs, Mississippi. This affiliation provides undergraduate and graduate students with the opportunity to take courses and conduct research in marine sciences at an established, well equipped laboratory located on the Gulf of Mexico. Students electing to study at Gulf Coast Research Laboratory do not pay out-of-state tuition.

Courses are taught at Gulf Coast Research Laboratory, only during the summer. The Laboratory furnishes the staff for course work and research. Applications for the program and additional information are available in the departments of Biological Sciences, Chemistry, and Earth Sciences and in the Division of Natural Areas.

TECHNOLOGY INFORMATION CENTER

The College of Arts & Sciences Technology Information Center (TIC) is a Computer Center that offers a wide variety of services to faculty, staff and students. Located in Memorial Science 270, the Center houses a variety of technological equipment including 21 PCs all of which are connected to the Internet by a 1 GIG connection to quality laser printers, flatbed and slide/film scanners, black and white and color laser printing (including color poster printing), wide format printing and a film recorder (places digital images on film). Software packages available in the Center include Microsoft Office, Adobe Photoshop, Dreamweaver MX (for website development), SPSS and SAS as well as many “course specific” software programs.

We provide technical assistance to faculty and staff in the areas of computer-related problems, workshops for a wide variety of software packages, web development assistance and training in SmartBoard Technology. The Center can be reserved by faculty, staff, and graduate assistants for computer-based classes and workshops. The Center is also equipped with a SmartBoard, making it an excellent room for teaching.
PRE-PROFESSIONAL PROGRAMS

EKU has a number of programs that will help prepare students for professional schools following graduation. These schools generally do not require a specific major, provided that their prerequisite courses are taken. All professional schools are highly competitive in their admissions process. Thus, students should aim for strong GPA and professional school admission test scores. Students are encouraged to seek a major that they feel comfortable with, that they have a strong aptitude for, that is interesting and challenging, and that provides additional career concentrations. For additional information including contact information for advisors, students should visit the Pre-Professional Advising pages at http://cas.eku.edu/pre-professional-programs.

PRE-LAW

A broadly-based liberal education will best prepare one to study law, and therefore no fixed pre-law curriculum is prescribed. Admission to an accredited law school is dependent upon a good undergraduate record with an earned baccalaureate degree and a competitive score on the Law School Admission Test.

Students interested in going to law school or exploring the possibility of doing so should make an appointment with the Pre-Law Advisor in the Center for Pre-Professional Advising as early in their academic career as possible. The Pre-Law Advisor can guide the student in selecting courses that will help prepare the student for law school, plus provide valuable information on law schools, the Law School Admission Test, and typical admission procedures.

Further information for pre-law students can be found at http://preprofessional.eku.edu.

PRE-PATHOLOGY ASSISTANT

Students with an interest in pursuing a career as a Pathology Assistant may achieve admission to a graduate school program by graduating in any science major, such as Chemistry (B.S. or B.A. Pre-Pathology Assistant Concentration), Biology (B.S.), Forensic Science (B.S.) or other science degree, provided certain pre-requisites are met. Because Pathology Assistant programs differ in their individual requirements students are encouraged to check the web pages and contact the schools of their choice to determine which courses to take after consulting with their pre-pathology assistant advisor. The application process may begin in the fall or spring of the senior year, depending on the program. Admission requirements may include minimum GRE scores, a high undergraduate GPA, extensive shadowing and pathology experience, leadership potential, a strong sense of empathy, and a community and university service record. Admission to professional schools is highly competitive and depends on a good balance among each of these areas.

PRE-PHARMACY

It is recommended for students interested in pharmacy to complete a four year degree with a B.A. (Pre-Pharmacy Concentration) in chemistry. The chemistry pages in this Catalog list the appropriate courses for this concentration. An advisor from the Chemistry Department familiar with the pharmacy admissions process will be assigned. Students interested in pharmacy may major in any subject provided certain pre-requisite courses are taken. While it is possible for students to be admitted to a pharmacy school after just two years of undergraduate training, the competitive nature of these programs suggest students should complete their major in preparation for pharmacy school.

Pharmacy schools differ in their individual requirements, so students should check the web pages of the pharmacy school of their choice, and then determine which courses to take after consulting their pre pharmacy advisor. The application process typically begins in the fall of the senior year. Pharmacy schools require the PCAT and they look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing pharmacists or working as a pharmacy technician. Admission to pharmacy schools depends on a good balance among each of these areas in addition to strong PCAT scores and a high GPA.

PRE-PHYSICIAN ASSISTANT

Physician assistant professional schools are primarily in university schools of medicine and allied health. Although programs vary in length, most physician assistant programs require 24-28 months to complete. Most programs require applicants to have completed a minimum of three years of college prior to admission and to have had previous health care experience. Most successful applicants to PA programs have earned a bachelor’s degree, and have accumulated a significant number of hours shadowing a Physician Assistant and working with patients in a clinical setting.

Prerequisite course requirements vary from school to school. Students are encouraged to consult with the Center for Pre-Professional Advising to determine which physician assistant programs are of interest, and pattern their course work to fulfill these specific program requirements.

PRE-MEDICAL SCIENCE

Students with career interests in allopathic medicine, osteopathic medicine, or podiatry may achieve admission to professional schools by graduating in any major, provided certain prerequisites are met. Typically, students pursue either the Bachelor of Science degree in Biology (Pre-Medical Sciences Concentration) or the Bachelor of Art (Pre-Medical Concentration) or Bachelor of Science (Pre-Medical Concentration) degree in Chemistry. Students pursuing degrees in either department will complement their studies with appropriate courses in humanities, social sciences, and communications. Courses in mathematics and physics will also be required. All students interested in these areas are urged to visit the Department pages in this Catalog, or go online to find details of these major programs. More information may be found at the EKU pre-professional web page at http://www.cas.eku.edu.

Students interested in medical school should consult the medical-school admission requirements for their schools of interest or those published in the MSAR (Medical School Admissions Requirements) book.

Students in Biology or Chemistry pre-med concentrations are assigned to a pre-medical sciences advisor in their Department. These advisors work closely with each student to help plan programs of study and prepare for the process of gaining admission to the chosen professional school. EKU also has a Pre-Medical Advisory Committee. This committee assists students in their
application process and prepares committee letters of evaluation for them. The application process typically lasts over a year, so it is important for students to contact the chair of the Pre-Medical Advisory Committee by the end of their junior year.

Each medical school requires an admission exam, either the MCAT for medical schools or the GRE or MACAT for podiatry schools. These professional schools also look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing professionals in these fields. Admission to professional schools is highly competitive and depends on a good balance among each of these areas, in addition to strong MCAT and a high GPA.

**Pre-Dentistry**

Students interested in dentistry are encouraged to major in either Chemistry (B.A. or B.S., Pre-Dental Concentration) or Biology (B.S., Pre-Medical Sciences concentration), although dental schools will accept students from any academic background, provided certain prerequisites are met. Students are encouraged to check individual dental schools for details of their requirements.

Students majoring in either Biology or Chemistry will be assigned an advisor in their department who is familiar with dental-school admissions procedures. Pre-Dentistry students should make use of the Pre-Medical Advisory Committee. This committee assists them in their application process and prepares letters of evaluation for them. The application process typically lasts over a year, so it is important for students to contact the chair of the Pre-Medical Advisory Committee by the end of their junior year. More information may be found at http://cas.eku.edu.

Dental schools require the DAT admission exam, and they look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing dentists. Admission to dental schools is highly competitive and depends on a good balance among each of these areas, in addition to strong DAT scores and a high GPA.

**Pre-Optometry**

Students interested in admission to optometry school may complete any degree program, but typically they major in either Chemistry (B.A., Pre-Optometry concentration) or Biology (B.S., Pre-Medical Sciences concentration). See the Department pages in this Catalog for details of these programs. Refer to specific optometry school admission requirements for listings of appropriate prerequisite courses. Students in Chemistry or Biology will be assigned an advisor knowledgeable about optometry admissions procedures who will assist them in their application process. This process typically begins in the fall of the senior year. Optometry schools require the OAT exam, and look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing optometrists.

Admission to optometry schools is highly competitive and depends on a good balance among each of these areas in addition to strong OAT scores and a high GPA.

There are no Kentucky optometry schools, but colleges of optometry at Indiana University at Bloomington, the University of Alabama at Birmingham, and Southern College of Optometry at Memphis, all have contracts with Kentucky for a limited number of places in Kentucky residents. Students accepted under this program are exempt from the out-of-state tuition charge at these schools. For residents of Kentucky to be accepted under the Kentucky quota, application must be made directly to one of the contract schools.

**Pre-Veterinary Medicine**

Students who have career interest in veterinary medicine may fulfill admission requirements of specific veterinary schools by pursuing either the Biology major (B.S., Pre-Veterinary Science concentration) or the Agriculture major (B.S.). See the Department pages in this Catalog for details of these programs. Refer to specific veterinary schools for listings of appropriate prerequisite courses. Students should complement their studies with appropriate courses in humanities, social sciences, communications, and agriculture. Courses in mathematics and physics will also be required.

Students in Biology will be assigned an advisor knowledgeable about veterinary-school admissions procedures who will assist them in their application process. Applications generally must be submitted by October 1st of the senior year. Veterinary schools typically require the GRE, and they look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing veterinarians. Admission to these schools is highly competitive, more so than admission to medical schools, and depends on a good balance among each of these areas in addition to strong GRE scores and a high GPA. For more information, please refer to http://www.cas.eku.edu.

No Kentucky institution has a program in veterinary medicine; however, the Commonwealth has contracts to allocate a limited number of places in Auburn University’s College of Veterinary Medicine and Tuskegee University’s School of Veterinary Medicine to Kentucky residents. Students accepted under this program are exempt from the out-of-state tuition charge at these schools. For residents of Kentucky to be accepted under the Kentucky quota, application must be made directly to one or both of the contract schools.

**Pre-Engineering**

There are two pre-engineering curricula offered by the College of Arts and Sciences, described below. Students interested in a particular engineering program should see the pre-engineering advisor in either the Department of Physics and Astronomy or the Department of Chemistry.

**Two-Two Option**

In the first pre-engineering curriculum, referred to as the Two-Two Option, students spend two years at EKU taking basic science, mathematics, and general-education courses. Students then transfer their credits to the engineering school of their choice. Students can usually complete a degree in engineering after two years of additional course work at the engineering school.

**Three-Two Option**

In the second curriculum - the Three-Two Option, which is a Dual-Degree program, students spend three years at EKU and then take two years of work in engineering at the University of Kentucky, Auburn University, or another university with an accredited engineering program earning both a baccalaureate degree from EKU in Physics or Chemistry and an engineering
degree from the engineering school. The additional year spent at EKU allows students to do more work in a science major, thus improving the breadth of their background.

All students pursuing a Dual-Degree Engineering Program in the Department of Physics and Astronomy should pursue the Engineering Physics Concentration of the Physics B.S. program. Because preferred general education and supporting courses may vary depending upon the partner engineering school, it is essential that students pursuing the Dual-Degree Program in Engineering work closely with their departmental advisors. Further information may be found at http://www.cas.eku.edu.

DEPARTMENT OF ANTHROPOLOGY, SOCIOLOGY, AND SOCIAL WORK

Chair
Dr. Paul Paolucci
(859) 622-6780
Keith 223

Faculty

BACCALAUREATE DEGREES

ANTHROPOLOGY

Anthropology is the study of human diversity. It explores the meaning of being human – from the study of culture and social relations, to human biology and physical evolution, to language, to music and art and to vestiges of human habitation. Anthropology addresses fascinating questions such as how peoples’ behavior changes over time, how and why people from distant parts of the world and dissimilar cultures are in many ways similar, how the human species has evolved over millions of years, and how individuals understand and operate successfully in distinct cultural settings. Anthropology includes four sub-fields: cultural anthropology, physical anthropology, archaeology, and linguistics. The Anthropology program at EKU offers exposure to all of these sub-fields, with the opportunity to specialize, if so desired. Two great reasons to study anthropology include: 1) study topics are intellectually exciting; and 2) Anthropology prepares students for excellent jobs and opens doors to various career paths. Anthropological study provides training particularly well suited to the 21st century. Anthropology is the only contemporary discipline that approaches human questions from historical, biological, and cultural perspectives. As a result, career opportunities exist in academic, corporate, nonprofit and government settings. Many anthropologists with bachelor’s degrees work for contract archaeology firms at archaeological sites, in physical anthropology laboratories, and in museums in a wide range of areas. International health organizations and development banks employ anthropologists to help design and implement a wide variety of programs. Governmental organizations use anthropologists in planning, research, and managerial capacities. Forensic anthropologists find work in university and museum settings along with police departments to help identify mysterious or unknown remains. Anthropology is a career that embraces people of all kinds. It is a discipline that thrives with heterogeneity – in people, ideas, and research methods. Anthropologists know the wisdom of listening to multiple voices and linking the work from researchers who bring different backgrounds and apply various approaches to their endeavors.

UNIVERSITY GRADUATION REQUIREMENTS

• General Education .................................................. 36 hrs.
• Student Success Seminar ............................................ 1 hr.
  (waived for transfers with 30+ hrs.)
• Wellness................................................................. 3 hrs.
• Writing Intensive Course (hours incorporated into Major/Supporting/Gen Ed/FREE Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/FREE Electives categories)
• ACCT : Anthropology majors will select one of the following:
  ANT 395 (Senior Capstone), ANT 439, ANT 470, ANT 377S, SOC 330S, HON 420, or a program-approved study abroad experience. (Credit hours will be incorporated into Major or Supporting requirements below.)
Total hours University graduation requirements.............. 40 hours

MAJOR REQUIREMENTS

Core Courses ......................................................... 33 hours
ANT 120, 200, 201, 351W, 395 and at least one course from each of the following three categories, for a total of 18 hours.
• Archaeology: ANT 321, 341, 355, 357, 360, 439, 470, 471;
• Cultural Anthropology: ANT 311, 330, 344, 375, 377 or 377S, or 393;
• Physical Anthropology: ANT 306, 308, 365, 370, 371, 380, or 385; (ANT 490, an independent study, may also be selected; it will be classified where appropriate).
Free Electives.................................................................... 47 hours

TOTAL HOURS TO COMPLETE DEGREE .................. 120 hours

SOCIAL WORK

The Social Work Program prepares students for beginning generalist social work practice. The primary purpose of the social work profession is to enhance human well being. Social workers help meet the basic human needs of all people and empower those who are vulnerable, oppressed, or living in poverty. Social workers help identify and manage the environmental forces that create, contribute to, and address problems in living. Social workers are an integral part of most non-profit agencies and also offer their services and knowledge in private practice. The social work program has been continuously accredited by the Council on Social Work Education since 1977.
## Admission and Progression

Any student who is accepted by the University Admissions Office and declares his/her major as social work will be classified as a pre-social work major. Admission to pre-social work does not guarantee admission to the Professional Social Work Program. Admission to the program is required for progression in the major beginning with SWK 350 and 354. To be admitted, students must have earned at least 32 hours of college credit, meet the minimum program GPA requirement of 2.50, complete SWK 210 and other supporting course work with a minimum grade of "C," and successfully complete application procedures. Students choosing to double-major must declare social work as the first major. For admission requirements and procedures contact the Social Work Program office, (859) 622-1645.

## Mission and Goals

The Eastern Kentucky University Social Work Program provides a student-centered collaborative and dynamic environment that prepares students for competent and ethical social work practice in a diverse world. This is accomplished through self-reflection, rigorous academics, knowledge based on scientific inquiry and experiential learning in a safe and nurturing environment. We strive to graduate students who understand the complexities of the relationship between people and their environments, value human rights and believe in the dignity and worth of all human beings. Completion of EKU's generalist social work degree will provide the knowledge, values and skills to become practitioners who can think critically and creatively. Our mission is to graduate ethical leaders who advocate for social and economic justice in rural, urban and global communities, with an emphasis on EKU’s identified service region. Program goals are to (1) provide a fluid curriculum, grounded in a liberal arts perspective that prepares students for competent and effective entry-level generalist professional social work practice with individuals, families, groups, organizations, and communities through mastery of the knowledge, values, and skills that inform the ten core competencies; (2) integrate into the program the values, knowledge and skills of the social work profession and to socialize students to the profession through self-assessment and self-awareness; (3) prepare students to deliver ethical social work practice through the development of critical thinking to guide professional judgments and practice; and (4) prepare students for advocacy and service to diverse populations-at-risk and to advance economic and social justice.

### Sociology

The sociology program provides students with an advanced understanding of social structure, social institutions, human groups, social stratification, social interaction, social relationships, social deviance (crime, juvenile delinquency), and social change. Sociology faculty are skilled in teaching the theoretical foundations of sociology and methods of social research, while they teach students to think critically. The broad knowledge base of sociology, combined with basic skills in research methods and analysis, contributes to a person’s flexibility in a rapidly changing economy where specialized jobs often become outdated. Students who major in sociology possess the advantage of a more general foundation upon which to adapt to changes in the labor market, because they are taught to think critically, communicate effectively, and respond constructively to the challenges and opportunities they will encounter. A major in sociology provides a gateway to many different careers. Many sociology graduates move into professional careers in the following areas: social services, law enforcement, human relations, law and legal services, policy analysis, teaching, and health fields. Others find employment in management and administrative careers in government agencies as well as in a wide range of private sector firms. Still others work to achieve their goals in less traditional careers such as grassroots activism or private entrepreneurship.
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Sociology majors will fulfill the ACCT with SOC 470. (Credit hours may be incorporated into major requirements below.)

Total hours University Graduation Requirements………40 hours

MAJOR REQUIREMENTS

Core Courses ........................................................................30 hours
SOC 131, 232, 395, 462, and 470; a minimum of three hours from SOC 420, 425, 463, 465; and 12 hours of sociology electives, 9 of which must be upper division hours.

Free Electives...................................................................50 hours

TOTAL HOURS TO COMPLETE DEGREE .............120 hours

MINORS

MINOR IN ANTHROPOLOGY

A student may minor in Anthropology by taking a minimum of 18 hours as follows: ANT 120, 200, 201, and one upper division course in each of: Archaeology, Cultural Anthropology, and Physical Anthropology. Neither ANT 351W nor ANT 395 will count toward the minor.

MINOR IN ARCHAEOLOGY

A student may minor in Archaeology by taking a minimum of 18 hours as follows: ANT 200, 351W and twelve hours of upper division archaeology electives selected from ANT 321, 341, 355, 357, 360, 439, 470, 471, and 490 (if archaeological topic).

MINOR IN SOCIAL WELFARE

A student may minor in Social Welfare by completing the following courses: POL 101, SWK 210, 310, and 410; six hours from POL 341, POL 370, POL 371, SWK 455, SWK 456, SWK 457; or approved Social Work Elective; SOC 131, SOC 313, SOC 340, SOC 353, SOC 365, SOC 375; ECO 130, ECO 231, CRJ 305 or WMS 305 or related elective as approved by Social Work advisor.

MINOR IN SOCIOLOGY

A student may minor in Sociology by completing the following courses: SOC 131 and 15 hours of sociology electives, 12 of which must be upper division. Three hours of upper division anthropology may be applied to the 15 hours.

CONCENTRATIONS

ANTHROPOLOGY CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE

See page 88 of this Catalog for the Anthropology Concentration requirements listed in the Associate of General Studies degree section.

SOCIOLGY CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE

See page 89 of this Catalog for the Sociology Concentration requirements listed in the Associate of General Studies degree section.

PUBLIC CHILD WELFARE CERTIFICATION PROGRAM

The Public Child Welfare certification by the Commonwealth of Kentucky requires an application and interview process, practicum experiences in public welfare agencies, participation in required training curricula, maintenance of a 3.0 GPA in social work courses, an overall cumulative GPA of 2.5, and post graduation work commitment. In addition to the B.S.W. degree requirements, students must complete SWK 358 and 450.

See the PCWCP Coordinator in the Social Work Program for more complete information on the application and requirements for the Public Child Welfare Certification Program.

DEPARTMENT OF ART AND DESIGN

Chair
Mr. Herb Goodman
(859) 622-1629
Campbell 309

Faculty

BACALAUREATE DEGREES

BACHELOR OF ARTS (B.A.)
ART
CIP Code: 50.0701

Upon completion of an Art degree with a Teacher Education or Liberal Arts Concentration, students will have gained a broad knowledge of a variety of media and techniques, will be able to apply elements and principles of art and design, be more aware of the influence of perception and observation, and be able to use a variety of media and techniques to communicate ideas effectively and expressively. Students will demonstrate critical and creative thinking through analysis and research, both verbal or written, of their own or others’ art and design works, demonstrating historical and contemporary concepts, theories, methods and styles.

*Teacher Education Majors in Art must meet all requirements for Admission to the Teacher Education Program as well as the pre-requisites for Admission to Student Teaching. These are outlined in the College of Education section under Admission Requirements and Field Placement. http://Tes.eku.edu

UNIVERSITY GRADUATION REQUIREMENTS
MAJOR REQUIREMENTS

Foundation Courses ........................................ 15 hours
ART 100, 101, 152, 153, and 164.

Art Core Courses ............................................. 21 hours

History Core Courses ....................................... 9 hours
ARH 390 or 390W; ARH 391, and 3 hours of an art history elective selected from: ARH 463, 464, 465, 467, 492, 493, 496, 497, or 498.

Concentrations: (select one)

Teacher Education .......................................... 41 hours
Art Education Requirements ............................. 6 hours
AED 360, 561.

Professional Education Requirements ............ 35 hours
AED 361 or EME 361; AED 540 or ESE 540; EDF 203, 204(2), 219, 413(2); EMS 300W(1), 490(1), and 474, SED 104 (G Element 6), 402(2), and 12 credit hours of Clinical Experiences: CED 100(0.5), 200(0.5), 300(0.5), 400(0.5), 450(1), 499(9).

G = Course also satisfies a General Education element. Hours are included within the 36 hours in General Education.

Liberal Arts ......................................................... 21 hours
Additional 21 hours of art, design, art education, or art history electives limited to the following: AED 360, 361, ART 300, 301, 312, 313 or 314, 321, 322 or 323, 331, 332, 341, 343, 371, 372, 381, 382, 401, 463, ARH 463, 464, 465, 467, 492, 493, 496, 497, 498, 560, DES 122, 222, 225, 226, 250, 327, 328, 330, 350, 351.

Free Electives (Liberal Arts Concentration only) .... 14 hours

TOTAL HOURS TO COMPLETE DEGREE ......120-126 hours

FINE ARTS

Upon completion of a Baccalaureate of Fine Arts (B.F.A.) degree with a Concentration in Ceramics, Graphic Design, Jewelry and Metals, Painting, Photography, Printmaking or Sculpture, students will be able to apply elements and principles of art and design, be more aware of the influence of perception and observation, and be able to use a variety of media and techniques to communicate ideas effectively and expressively. Students will demonstrate critical and creative thinking through analysis and research, both verbal and written, of their own or others’ art and design works, with an understanding of historical and contemporary concepts, theories, methods, periods and styles.

The B.F.A. degree prepares students for professional careers as artists and designers of listed Concentrations below. Students will demonstrate professional practice, writing, portfolio development and presentation for employment in art and design studios, companies, or freelancing, and for applications to graduate schools, exhibitions, competitions, grants, and fellowships.

BFA Admission Requirements

All students who are accepted by the Office of Admissions and seek a baccalaureate fine arts degree are admitted to the University as pre-B.F.A. major and must select from at least one pre-B.F.A. concentration area in Ceramics, Graphic Design, Jewelry and Metals, Painting, Photography, Printmaking or Sculpture.

Pre-B.F.A. students are eligible to apply to the B.F.A. degree program after completing 15 credit hours of Studio Foundation courses.

When applying for the B.F.A. program, pre-B.F.A. students must have completed or be enrolled in the courses specified for their declared Pre-B.F.A. concentration.

Students are also required to submit an application, statement of goals, and portfolio for review by the BFA Entrance Review Committee once the minimum requirements have been met, usually by the fourth or fifth semester, depending on the Concentration area (transfer students must meet equivalent minimum requirements and complete a minimum of 24 hours in Art and/or Design). Students will be notified of the results and can meet with their area supervisor. Students not accepted to the B.F.A. degree program may re-apply at a later date or seek another degree program. Portfolio requirements include examples of drawing, 2D and 3D works (from a variety of courses), as well as examples specific to a concentration area. Students wishing to pursue the B.F.A. degree should average and maintain a 3.0 GPA and earn a grade of “C” or higher in all major and supporting course requirements in order to apply to, and complete the B.F.A. degree program. Consult with a departmental advisor, area supervisor, or visit our website at www.art.eku.edu to obtain a copy of the “Entrance Criteria and Degree Requirements for the BFA in Art and Design.”

Progression Requirements

Once students are admitted to the B.F.A. degree program, they are eligible to take upper division courses that require “admission to the BFA” as listed in the course descriptions of this Catalog and are expected to participate in all major and supporting course requirements, including a BFA exhibition and review. Any BFA student whose major GPA falls below 3.0, or who earns a grade lower than “C” in a major or supporting course requirement, will be placed on BFA probation. Once on BFA probation, students have one semester to either raise the major GPA to the required 3.0, or retake the course in which he/she earned a low grade and pass with a “C” or higher. If any student on BFA probation fails to meet either of the above conditions, he/she will be removed from the B.F.A. program. Such students may reapply at a later date or seek another degree program.
**Pre-BFA Curriculum**

**Foundation Courses** .................................................. 15 hours  
ART 100, 101, 152, 153, and 164.

**Concentrations:** (students must select at least one concentration and complete the following courses before being considered for admission into the BFA program.)

**Pre-BFA Ceramics** .................................................. 15 hours  
ART 210, 230, or 280; ART 220 or 240; ART 270 and 371; and be enrolled in ART 372 at the time of application to the BFA program.

**Pre-BFA Graphic Design** ........................................... 15 hours  
ART 210, 230, or 280; ART 220, 240, or 270; DES 250; and be enrolled in DES 350 and 351 at the time of application to the BFA program.

**Pre-BFA Jewelry and Metals** .................................... 15 hours  
ART 210, 230, or 280; ART 220 or 270; ART 240 and 341; and be enrolled in ART 343 at the time of application to the BFA program.

**Pre-BFA Painting** .................................................. 15 hours  
ART 230 or 280; ART 220, 240, or 270; ART 210 and 312; and be enrolled in ART 313 at the time of application to the BFA program.

**Pre-BFA Photography** ........................................... 15 hours  
ART 210 or 230; ART 220, 240, or 270; ART 280 and 381; and be enrolled in ART 382 at the time of application to the BFA program.

**Pre-BFA Printmaking** ........................................... 15 hours  
ART 210 or 280; ART 220, 240, or 270; ART 230 and 331; and be enrolled in ART 332 at the time of application to the BFA program.

**Pre-BFA Sculpture** .................................................. 15 hours  
ART 210, 230, or 280; ART 240 or 270; ART 220 and 321; and be enrolled in ART 322 or 323 at the time of application to the BFA program.

**Bachelor of Fine Arts (B.F.A.) Art/Design Studio Concentrations**  
*CIP Code: 50.0702*

**BFA Degree Requirements**

**University Graduation Requirements**

- General Education .................................................. 36 hours
- Student Success Seminar (waived for transfers with 30+ hours.) .................................................. 1 hour
- Wellness ............................................................... 3 hours
- Writing Intensive Course (hours incorporated into Major/Supporting/Gen Ed/Free Electives categories)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT – BFA majors will fulfill ACCT with ART 562. (Credit hours are listed in Core Courses below.)

**Total Hours University Graduation Requirements ... 40 hours**

**Major Requirements**

**Core Courses:**

- **Foundation Courses** ........................................... 15 hours  
ART 100, 101, 152, 153, and 164.
- **Art Courses** .................................................. 22 hours  
ART 210, 220, 230, 240, 270, 280, 499(1), and 562.
- **Art History Courses** ........................................... 9 hours  
ARH 390 or 390W; ARH 391, and 3 hours of ARH electives selected from: ARH 463, 464, 465, 467, 492, 493, 496, 497, or 498.

**Concentrations:**

- **Ceramics** .................................................. 33 hours  
ART 371, 372, 472, 473, 474, and 18 hours ART/DES/ARH electives.
- **Graphic Design** .................................................. 33 hours  
- **Jewelry and Metals** ........................................... 33 hours  
ART 341, 343, 434, 443, 444, and 18 hours ART/DES/ARH electives.
- **Painting** .................................................. 33 hours  
ART 312, 313, 314, 413, 414, and 18 hours ART/DES/ARH electives.
- **Photography** .................................................. 33 hours  
ART 381, 382, 383, 483, 484, and 18 hours ART/DES/ARH electives.
- **Printmaking** .................................................. 33 hours  
ART 331, 332, 333, 433, 434, and 18 hours ART/DES/ARH electives.
- **Sculpture** .................................................. 33 hours  
ART 321, 322, 323, 423, 424, and 18 hours ART/DES/ARH electives.
- Free Electives ................................................... 1 hour

**Total Hours to Complete Degree ....... 120 hours**

**Minors**

**Minor in Art (Art History)**

A student may minor in art history by completing a minimum of 18 hours as follows: ARH 390, 391, ART 562 and nine hours from ARH 463, 464, 465, 492, 493, 496, 497, 498.

**Minor in Art (Studio)**

A student may minor in art studio by completing a minimum of 18 hours as follows: ART 100, 152, 153; ARH 390 or 391; and six hours of art electives.

Baccalaureate Degrees

Bachelor of Science (B.S.)
BIOLOGY
CIP Code: 26.0101

UNIVERSITY GRADUATION REQUIREMENTS
• General Education .................................................. 36 hours
• Student Success Seminar ........................................ 1 hour
  (ASO 100; waived for transfers with 30+ hrs.)
• Wellness .................................................................. 3 hours
• Writing Intensive Course (hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Biology majors will fulfill ACCT with one of the following: BIO 320, 349, 598, HON 420 with a thesis topic approved by the Biology department, a program-approved leadership experience, or a program-approved study abroad experience. (Credit hours are incorporated into program requirements below.)

Total Hours University Graduation Requirements ...... 40 hours

MAJOR REQUIREMENTS
Core Courses ......................................................... 29 hours
BIO 111(4), 112(4), 315(4), 316(4), 318(4), 319(4), 320(4), and 495(1).

Concentrations: (Must select at least one; courses used for one concentration may not count toward another concentration.)
Aquatic Biology .................................................... 15 hours
BIO 525, 542, 557, 558, and one course from BIO 556, 561, or GLY 315.

Botany ............................................................... 15-16 hours
BIO 335, 521(4), 598 (Must enroll for at least 2 cr. hrs.), and two courses from BIO 522, 525, 536, 599 (Must enroll for 3 cr. hrs.).

General Biology .................................................. 12 hours
Choose 12 hours from any 300, 400, or 500 level BIO, CHE, or PHY course not included in Biology Core or from which Biology majors are not excluded. Students applying to graduate school are strongly advised to include CHE 362/362L(4) and PHY 132(5) or 202(5) as part of the 12 hours.

Microbial, Cellular and Molecular Biology ............. 15 hours

BIO 331; BIO 511, 527 or 528; and at least nine additional hours from BIO 511, 527, 528, 531(4), 535(4), or 598(1-3).

Pre-Medical Sciences ........................................... 15-18 hours
BIO 331, 348; CHE 430 or 431; and 6-9 hours from BIO 342(4), 527, 528, 531(4), 535(4), 546(4), 547(4), 598(1-3), CHE 430 or 431 (if not previously taken), 432(1).

Pre-Veterinary Science ....................................... 6 hours
BIO 331 and at least 3 hours from any 300, 400, 500 level BIO course not included in Biology Core or from which Biology majors are not excluded.

Supporting Course Requirements:
All options ............................................................. 14-15 hours
CHE 111/111L(4) (*Element 4), 112/112L(4), 361/361L (4); MAT 234(4) (*Element 2) or 234H(4) (*Element 2), or 211(*Element 2); PHY 131(5) or 201(5) (*Element 4); STA 215 or STA 270 (*Element 2).

Additional Supporting Course Requirements:
Pre-Medical Sciences ......................................... 9 hours
CHE 362/362L(4); PHY 132(5) or 202(5).

Pre-Veterinary Science .................................... 15-16 hours
CHE 362/362L(4); 430 or 431; PHY 132(5) or 202(5); AGR 321(4) or 421.
(* = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.)

Free Electives .................................................... 9-25 hours

TOTAL HOURS TO COMPLETE DEGREE ........... 120 hours

Bachelor of Science (B.S.)
BIOLOGY/TEACHING
CIP Code: 13.1322

Refer to the College of Education section of this Catalog regarding several teacher certification requirements associated with this degree program.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education .................................................. 36 hours
• Student Success Seminar ........................................ 1 hour
  (ASO 100; waived for transfers with 30+ hrs.)
• Wellness .................................................................. 3 hours
• Writing Intensive Course (hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Biology Teaching majors will fulfill ACCT with one of the following: BIO 320, 349, 598, HON 420 with a thesis topic approved by the Biology department, a program-approved leadership experience, or a program-approved study abroad experience. (Credit hours are incorporated into program requirements below.)

Total Hours University Graduation Requirements ...... 40 hours

Major Requirements .......................................... 33 hours
BIO 111(4), 112(4), 315(4), 316(4), 318(4), 319(4), and 320(4); BIO 328(4) or 348(4); BIO 495(1). Strongly recommended: completion of a minor outside of Biology.

Supporting Course Requirements: .......................... 21-25 hours
CHE 111/111L(4) (*Element 4), 112/112L(4) (*Element 4), 361/361L(4), and 362/362L(4); MAT 112 (*Element 2), 114 (*Element 2), 122(5) (*Element 2), 211 (*Element 2), 234(4), or 234H(4) (*Element 2); PHY 131(5) (*Element 4) or 201(5)

• Writing Intensive Course (hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Environmental Studies majors may fulfill ACCT with any of the following options, (providing the selection is approved by the Chair in advance of enrollment/participation in the course or experience): BIO 320(4), 349, HON 420 with a program-approved research topic, a program-approved service learning course, a program-approved leadership experience, or a program-approved study-abroad experience. (Relevant credit hours will be incorporated into program requirements below.)

Total Hours University Graduation Requirements ......40 hours

MAJOR REQUIREMENTS

Core Courses .................................................................28 hours

Required Concentrations (select one):

Land Resources ............................................................. 13-15 hours
BIO 558, GLY 315, or 535; BIO 521(4) or 536;
and 7-8 hours from the following: EHS 300(4), 335, or 360(4).

Natural History ............................................................. 15 hours
BIO 514, 553, and 554; BIO 335 or 536; BIO 542, 556, or 557.

Supporting Courses:

Required for all majors .................................................... 17-20 hours
CHE 111/111L(4) (*Element 4), 112/112L(4); EHS 280, ENG 300, and GEO 325S; GLY 108 (*Element 4) or GEO 210 (*Element 4); PHI 385; STA 215 or STA 270 (*Element 2).

Land Resources Concentration ........................................ 11-12 hours
AGR 215; MAT 114 (*Element 2) and 120 (*Element 2); MAT 122(5) (*Element 2), MAT 234(4) (*Element 2), or 234H(4) (*Element 2); at least 1 hour in one of the following: BIO 349, CHE 495B, ENV 498, GEO 498, or GLY 398.

Natural History Concentration ....................................... 15-20 hours
BIO 315(4), 319(4); MAT 114 (*Element 2) and 120 (*Element 2), or one of the following: MAT 122(5) (*Element 2), MAT 234(4) (*Element 2), or 234H(4) (*Element 2); and six hours from the following: BIO 335, 348, 525, 536, 542, 552, 556, 557, GEO 353 or 456.

= Course also satisfies a General Education element. Hours are included within the 36 hrs. in General Education requirement above.

Total Hours to Complete Degree ..............................120-121 hours
additional hours selected from those 300 through 500 level courses normally taken for one of the majors in the department.

A Minor in Biology will prepare students pursuing a teaching degree to seek certification to teach Biology at the secondary level. Students pursuing any degree offered by the Department of Biological Sciences may not declare a Minor in Biology. Teacher certification with a minor in biology requires the same 21 semester hours of course work stipulated in the above paragraph.

DEPARTMENT OF CHEMISTRY

Chair
Dr. Lori Wilson

Faculty

UNIVERSITY GRADUATION REQUIREMENTS

• General Education .......................................................... 36 hours
• Student Success Seminar .................................................. 1 hour
  (ASO 100; waived for transfers with 30+ hrs.)
• Wellness ........................................................................... 3 hours
• Writing Intensive Course (hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Chemistry majors will select one of the following (based on specific option): combination of CHE 349, 349 A-N, 411, 495A-N, 495B, FMT 349, 349 A-N, 495 and/or FMT 549 for 3 credit hours, HON 420, CHE 515, or CED 499. (Credit hours are incorporated into program requirements below.)

Total hours University Graduation Requirements ........ 40 hours

MAJOR REQUIREMENTS

Chemistry Core Requirements ........................................... 27 hours
CHE 111/111L(4), 112/112L(4), 325/325L(5), 361/361L(4), 362/362L(4), 385(2), and 570(4).

Concentration Requirements:
Chemistry ............................................................. 18 hours
CHE 425/425L(4); CHE 430 or 431; CHE 450, 484(1), and nine (9) additional hours of either 400- or 500-level CHE or FOR courses. (If CHE 495A and/or 495B is taken, only 3 hours can be applied to the major. For students interested in graduate school, CHE 515 is recommended.)
Fermentation Science ..................................................... 24 hours
BIO 320(4), FMT 340, 345(2), 540, 545(4), 2 hours of either FMT 349, 349A-N, 495, or 549, three (3) additional hours of either 400- or 500-level CHE, FMT, or departmental approved special topics courses, and pick one of the following societal courses: CRJ 410, HEA 595, or LAS 310 (If CHE or FMT 349, 349A-N and/or 495 is taken, only 3 hours can be applied to the major.)

Pre-Pharmacy or Pre-Dental or Pre-Optometry or Pre-Pathology Assistant or Pre-Medical or Pre-Physician Assistant .......................................................... 15 hours
CHE 425/425L(4), 430, 431, 432(1), 484(1), and three (3) hours from a combination of CHE 349, 349A-N, 495A and/or 495B or HON 420.

Chemistry Teaching ......................................................... 6 hours
Select six credit hours of either 400- or 500-level CHE or FOR courses. If CHE 495A and/or 495B is taken, only 3 hours can be applied to the major. (Following this curriculum and passing the appropriate standardized teacher exams will lead to certification to teach chemistry at the secondary education level.)

Supporting Course Requirements
Chemistry ........................................................................ 8 hours
MAT 234(4) (“Element 2) or 234H(4) (“Element 2); PHY 131(5) (“Element 4) or 201(5) (“Element 4); PHY 132(5) or 202(5).

Fermentation Science ..................................................... 24-25 hours
BIO 111(4) (“Element 4), and ECO 230 (“Element 5B); MAT 234(4) (“Element 2) or 234H(4) (“Element 2); PHY 131(5) (“Element 4) or 201(5) (“Element 4); PHY 132(5) or 202(5). Choose either AGH 130, 131(1), 430 or EHS 280, 380, and nine hours from the following:
CCT 270, 304S, MGT 301, 330, 465 or MKT 301, 380.

Pre-Pharmacy ................................................................. 33 hours
BIO 111(4) (“Element 4), 112(4), and 171; BIO 273(4) or 320(4); BIO 301, 378(1), and ECO 230; MAT 234(4)
(“Element 2) or 234H(4) (“Element 2); PHI 383; PHY 131(5) (“Element 4) or 201(5) (“Element 4); PHY 132(5) or 202(5); PSY 200 (“Element 5B), and STA 270.

Pre-Dental or Pre-Optometry or Pre-Pathology Assistant or Pre-Medical or Pre-Physician Assistant .......................................................... 32 hours
BIO 111(4) (“Element 4), 112(4), 171, 348, and 320(4); MAT 234(4) (“Element 2) or 234H(4)
(“Element 2); PHI 383; PHY 131(5) (“Element 4) or 201(5) (“Element 4); PHY 132(5) or 202(5); PSY 200, SOC 131 (“Element 5B), and STA 270.

Chemistry Teaching ......................................................... 11-12 hours
(must also complete all Prof. Educ. Requirements)
BIO 100 (“Element 4), 111(4) (“Element 4), or 112(4) (“Element 4); GLY 302; MAT 234(4)
(“Element 2) or 234H(4) (“Element 2); PHY 131(5)
(“Element 4) or 201(5)(“Element 4); PHY 132(5) or 202(5).

Professional Education Requirements ................................ 37 hours
EDF 203, 204(2), 219, 413, EMS 300W, 474, 490, ESE 561, EED 104 (“Element 6), 402(2), and 12 credit hours of Clinical Experiences: CED 100(0.5), 200(0.5), 300(0.5), 400(0.5), 450(1), 499(9).

a = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

Free Electives ................................................................. 0-25 hours

TOTAL HOURS TO COMPLETE DEGREE .... 120-122 hours

1Students are encouraged to pursue a Minor in Entrepreneurship in the School of Business (see page 186 of the Catalog).
Students may apply for admission to the 3+2 program in their junior or senior year. Students are able to complete their B.A. degree and M.S. degree within 5 calendar years because of the accelerated curriculum and because 9 semester hours of 700-level graduate coursework will apply to both the undergraduate B.A. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program. Entrance requirements for the 3+2 must adhere to the same requirements for the M.S. Chemistry Program in the Graduate Catalog, except entrance examinations (e.g. GRE) are not required for the 3+2 program. Students must fulfill all graduation requirements listed below. Students admitted into the program will remain coded as undergraduate until fulfilling their BA requirements. Students admitted into the 3+2 program must complete the Chemistry BA degree with a minimum 3.0 GPA to be allowed to proceed with graduate program coursework.

Admission Requirements:
Students interested in this option must satisfy all the following conditions:
1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 program.

Program Requirements
Students in 3+2 Accelerated Dual Degree Option must complete the listed Chemistry (B.A.) program requirements along with the same requirements for the Chemistry M.S. Program (presented in the Graduate Catalog: listing at http://gradschool.eku.edu/graduate-catalog). Nine (9) credit hours of 700-level graduate coursework (CHE 715 and 770) are applicable to the undergraduate degree.

UNIVERSITY GRADUATION REQUIREMENTS
- General Education...............................36 hours
- Student Success Seminar .................1 hour
  (ASO 100; waived for transfers with 30+ hrs.)
- Wellness .........................................3 hours
- Writing Intensive Course (hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Chemistry majors will select one of the following (based on specific option): some combination of CHE 349, 349A-N, 411, 495A, 495B for at least 3 credit hours, HON 420, CHE 515 (or 715), or CED 499. (Credit hours are incorporated into program requirements below.)

Total Hours University Graduation Requirements... 40 hours

The B.A. Chemistry degree, Pre-Pharmacy concentration, completes all pre-requisites required for application to pharmacy school. While students may apply for admission to pharmacy school after pursuing this degree for three years, a significant number of applicants elect to remain at EKU and first complete their B.A. Chemistry degree.

Students accepted into pharmacy school after three years as a Chemistry major will have completed 80% of the B.A. Chemistry degree. As such these students, upon completion of pharmacy school, may transfer pharmacy coursework back to EKU, to be used in lieu of outstanding EKU Chemistry course requirements; and thereby complete the BA Chemistry degree. The student’s record will be reviewed for completion by the Registrar, and providing all other University requirements are met, the student will be awarded an EKU B.A. Chemistry degree. Students interested in transferring back pharmacy coursework can enquire by emailing registrar@eku.edu.

B.A. 3 + 2 CHEMISTRY MAJOR REQUIREMENTS

Chemistry Core Requirements ...........................................40 hours

Concentrations Requirements:
Chemistry .................................................................6 hours
CHE 430 or 431; 3 hrs of 400- or 500-level CHE or FOR courses. If CHE 495A and/or 495B is taken, only 3 hrs can be applied to the major.

Pre-Pharmacy, Pre-Dental, Pre-Optometry, Pre-Pathology Assistant or Pre-Medical .................................7 hours
CHE 430, 431, 432(1)

Chemistry Teaching ......................................................0 hours
No additional courses. (Following this curriculum and passing the appropriate standardized teacher exams will lead to certification to teach chemistry at the secondary education level.)

Supporting Course Requirements:
Chemistry .........................................................8 hours
MAT 234(4) (‘Element 2) or 234H(4) (‘Element 2);
PHY131(5) (‘Element 4) or 201(5) (‘Element 4); PHY 132(5) or 202(5).

Pre-Pharmacy ....................................................33 hours
MAT 234(4) (‘Element 2) or 234H(4) (‘Element 2); PHY 131(5) (‘Element 4) or 201(5) (‘Element 4); PHY 132(5) or 202(5); BIO 111(4) (‘Element 4), 112(4), 171, 273(4) or 320(4), 301, 378(1); ECO 230 (‘Element 5B); STA 270; PSY 200 (‘Element 5B); PHI 383.

Pre-Dental or Pre-Optometry or Pre-Pathology Assistant or Pre-Medical .......................................32 hours
MAT 234(4) (‘Element 2) or 234H(4) (‘Element 2); PHY 131(5) (‘Element 4) or 201(5) (‘Element 4); PHY 132(5) or 202(5); BIO 111(4) (‘Element 4), 112(4), 171, 301 or 348, 320(4); ECO 230 or SOC 131(‘Element 5B); STA 270, PSY 200 (‘Element 5B); PHI 383.

Chemistry Teaching ..................................................11-12 hours
MAT 234(4) (‘Element 2) or 234H(4) (‘Element 2); PHY 131(5) (‘Element 4) or 201(5) (‘Element 4); PHY 132(5) or 202(5); BIO 100 (‘Element 4), 111(4), or 112(4); GLY 302.

Professional Education Requirements for Chemistry Teaching .........................................................37 hours
EDF 203, 204(2), 219, 413, EMS 300W, 490, 474, ESE 561, SED 104 (‘Element 6), 402(2), and 12 credit hours of Clinical Experiences: CED 100(0.5), 200(0.5), 300(0.5), 400(0.5), 450(1), 499(9).

= Course also satisfies a General Education element.

</tr>
</tbody>
</table>

**B. Program Tracks:**

*Students will pick one of the following tracks*

**Thesis Track: Graduate Research – Written Thesis Required**

- CHE 899(6)

**Internship Track: Applied Learning in Chemistry – Written Report Required**

- CHE 839(6), or CHE 839(3) and 3 hours of CHE 700/800 level courses.

**Coursework Track**

- 6 hours CHE 700/800 level courses.

**Exit Requirements:**

**Thesis/Internship Option** — A thesis/report based upon the original research/project in the area of the student’s research concentration must be submitted. A final comprehensive oral examination (GRD 858b) in defense of the thesis/report and related course work is required.

**Coursework Option** – Candidates must earn a 3.0 GPA (or higher) for all program coursework for the option. In addition, the candidate for the coursework option must pass a final examination (GRD 858c). The committee will decide the format of the examination.

# BACHELOR OF SCIENCE (B.S.) & MASTER OF SCIENCE (M.S.) CHEMISTRY

**Accelerated 3+2 Dual Degree Program**

**CIP Code:** 40.0501

Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their B.S. degree and M.S. degree within 5 calendar years because of the accelerated curriculum and because 9 semester hours of 700-level graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be
considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

Admission Requirements:
Students interested in this option must satisfy all the following conditions:
1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 option.

Program Requirements
Students in 3+2 Accelerated Dual Degree Option must complete the listed Chemistry (B.S.) program requirements along with the same requirements for the M.S. Chemistry Program (presented in the Graduate Catalog: listing at http://gradschool.eku.edu/graduate-catalog). Nine (9) credit hours of 700-level graduate coursework (Biochemistry, Pre-medical, or Pre-Dental Concentration: CHE 715 and 770 or Chemistry Concentration: CHE 715 and 774/774L) are applicable to the undergraduate degree.

UNIVERSITY GRADUATION REQUIREMENTS
- General Education.......................................................... 36 hours
- Student Success Seminar .............................................. 1 hour
  (ASO 100; waived for transfers with 30+ hrs.)
- Wellness ........................................................................ 3 hours
- Writing Intensive Course (hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Chemistry majors will fulfill ACCT with CHE 715 (Credit hours are incorporated into program requirements below.)

Total Hours University graduation requirements...... 40 hours

B.S. CHEMISTRY 3+2 MAJOR REQUIREMENTS
Chemistry Core Courses .................................................. 37 hours
CHE 349 or 349A-N may not be used to satisfy major requirements.

Concentration Requirements:
Biochemistry, Pre-medical, or Pre-Dental......... 13 hours
CHE 430, 431, 432(1), 770(4), and 2 hrs from the following:
   CHE 495A and/or 495B, 501L, 574L, 575L, or FOR 442L.
CHE 495A and/or 495B (chemistry research) is recommended.
   This program option produces a degree certified by the American Chemical Society (ACS) and follows the recommendation from the American Society for Biochemistry and Molecular Biology (ASBMB).
Chemistry................................................................. 15 hours
CHE 430 or 431; CHE 574/574L(4) or 774/774L(4); CHE 575/575L(4) or 775/775L(4)*; 1 hr from either CHE 432, 495A and/or 495B, 501L, or FOR 442L; 3 hrs from either 400- or 500-level CHE or FOR electives. At least 3 hrs of CHE 495A and/or 495B (chemistry research) is recommended.
   *One, and only one physical chemistry course must be taken at the 700-level (either 774/774L or 775/775L).
   This program concentration produces a degree certified by the American Chemical Society (ACS).

Supporting Course Requirements:
Biochemistry.............................................................. 21 hours
BIO 111(4) (*Element 4), 315(4), 531(4); MAT 234(4)
(*Element 2) or 234H(4) (*Element 2); MAT 244(4)
or 244H(4); PHY 131(5) (*Element 4) or 201(5) (*Element 4); PHY 132(5) or 202(5).
   Calculus based physics (PHY 201 and 202) is recommended by the ACS and ASBMB.

Premedical or Pre-Dental................................. 24 hours
BIO 111(4) (*Element 4), 315(4), 531(4); MAT 234(4)
(*Element 2) or 234H(4) (*Element 2); MAT 244(4)
or 244H(4); PHY 131(5) (*Element 4) or 201(5) (*Element 4), PHY 132(5) or 202(5); PSY 200 (*Element 5B), and
SOC 131. Calculus based physics (PHY 201 and 202) is recommended by the ACS and ASBMB.

Chemistry............................................................... 17 hours
BIO 111(4) (*Element 4); MAT 234(4) (*Element 2) or
234H(4) (*Element 2); MAT 244(4) or 244H(4); MAT 254(4)
or 254H(4); PHY 201(5)(*Element 4), and 202(5).
   g = Course also satisfies a General Education element.
   Hours are included within the 36 hr. General Education requirement above.)

Free Electives............................................................ 6-11 hours

TOTAL HOURS TO COMPLETE B.S. DEGREE.... 120 hours

M.S. CHEMISTRY MAJOR REQUIREMENTS
A. Core Requirements ..................................................... 27 hours
I. 700-level requirements ............................................ 12 hours
   a. CHE 715(5) and one of the following: CHE 770(4),
      *774/774L(4) or *775/775L(4)................................... 9 hours
   *Students in the B.S. Chemistry 3+2 program are required to take CHE 774/774L(4) or 775/775L(4).
   b. Three additional hours in chemical/biological science or
      mathematics .......................................................... 3 hours
II. 800-level Requirements ........................................... 15 hours
   a. CHE 810(2), 811(1), 880(2), and 1 additional hour from
      either CHE 811 or 881 ........................................... 6 hours
   b. Pick three courses from the following: CHE 822, 830, 850, 860.................................................. 9 hours
B. Program Tracks:
Students will pick one of the following tracks
Thesis Track: Graduate Research – Written Thesis Required
6 hours
CHE 899(6)
Internship Track: Applied Learning in Chemistry – Written
Report Required....................................................... 6 hours
CHE 839(6) or CHE 839(3); 3 hours of CHE 700/800 level courses.
Coursework Track...................................................... 6 hours
Six hours CHE 700/800 level courses.

Exit Requirements:
Thesis/Internship Track — A thesis/report based upon the
original research/project in the area of the student’s research
concentration must be submitted. A final comprehensive oral
examination (GRD 858b) in defense of the thesis/report and related course work is required.

Coursework Track – Candidates must earn a 3.0 GPA (or higher) for all program coursework for the option. In addition, the candidate for the coursework option must pass a final examination (GRD 858c). The committee will decide the format of the examination.

**TOTAL HOURS TO COMPLETE M.S. DEGREE .......... 120 hours**

**FORENSIC SCIENCE/CHEMISTRY**

**Accelerated 3+2 Dual Degree Program**

CIP Code: 43.0106

Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their B.S. degree and M.S. degree within 5 calendar years because of the accelerated curriculum and that 9 semester hours of 700-level graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

**Admission Requirements:**

Students interested in this option must satisfy all the following conditions:

1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 option.

**Program Requirements**

Students in 3+2 Accelerated Dual Degree Option must complete the listed Forensic Science (B.S.) program requirements along with the same requirements for the Chemistry M.S. Program (presented in the Graduate Catalog: listing at http://gradschool.eku.edu/graduate-catalog). Nine (9) credit hours of 700-level graduate coursework (CHE 715 and 770) are applicable to the undergraduate degree.

**UNIVERSITY GRADUATION REQUIREMENTS**

**MAJOR REQUIREMENTS**

Forensic science majors have a graduation requirement of a cumulative GPA of 2.75/4.0 or better.

The curriculum below produces a degree that meets the guidelines for accreditation by the Forensic Science Education Programs Accreditation Commission (FEPAC) of the American Academy of Forensic Science (AAFS).

**Core Courses**

**Concentration Requirements:**

While not required of either option, an internship (FOR 349) in a forensic science laboratory is highly recommended. Students interested in internship must complete FOR 310 Training for Forensic Internship before FOR 349.

**Forensic Chemistry**

- 20 hours FOR 412/412L(4), 440, 442/442L(4), 451/451L(3), 475, and 3 hrs of electives from the following: CHE 349/349A-N(0.5-8), 432(1), 450, 501, 501L(1), 515(5), FOR 331, 331L(1), 349(0.5-8), or 460.

**Forensic Biology**

- 20 hours BIO 315(4), 320(4), 531(4); CHE 432(1), FOR 331, 331L(1), and 3 hrs of electives from the following: BIO 527, 528, 533, 546, or FOR 349(0.5-8).

**Supporting Course Requirements**

- 12 hours BIO 111(4)(α)Element 4; MAT 234(4)(α)Element 2 or 234H*(4)(α)Element 2; PHY 131(5)(α)Element 4 or 201(5)(α)Element 4; PHY 132(5) or 202(5); STA 270.

α = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

**Free Electives**

- 4 hours

**TOTAL HOURS TO COMPLETE DEGREE .......... 120 hours**

**BACHELOR OF SCIENCE (B.S.) & MASTER OF SCIENCE (M.S.)**

**FORENSIC SCIENCE/CHEMISTRY**

CIP Code: 43.0106

**Bachelor of Science (B.S.) & Master of Science (M.S.)**
Core Courses ........................................... 52 hours
CHE 111/111L(4), 112/112L(4), 325/325L(5), 361/361L(4), 362/362L(4), 430 or 431, 450, 715(5), 770(4); FOR 301, 401, 411/411L(4), 465W, 499. (Note that 450 must be taken before 715.)

Concentration Requirements:
While not required of either option, an internship (FOR 349) in a forensic science laboratory is highly recommended. Students interested in internship must complete FOR 310 Training for Forensic Internship before FOR 349.

Forensic Chemistry ........................................ 16 hours
FOR 412/412L(3), 440, 442/442L(4), 451/451L(3), and 475.

Forensic Biology ........................................... 20 hours
BIO 315(4), 320(4), 531(4); CHE 432(1); FOR 331, 331L(1); and 3 hrs of electives from the following: BIO 527, 528, 533, 546, FOR 349(0.5-8).

Supporting Course Requirements ............................ 12 hours
BIO 111(4) (*Element 4); MAT 234(4) (*Element 2) or 234H(4) (*Element 2); PHY 131(5) (*Element 4) or 201(5), (*Element 4); PHY 132(5) or 202(5); STA 270.
*Course also satisfies a General Education element.

Free Electives ................................................. 0 hours

M.S. CHEMISTRY PROGRAM REQUIREMENTS

A. Core Requirements ....................................... 27 hours
I. 700-level requirements .................................. 12 hours
a. CHE 715 and one of the following: CHE 770(4) or 774/774L(4) or 775/775L(4). ......................... 9 hours

*Students in the B.S. Forensics Science/Chemistry 3+2 program are required to take CHE 770*
b. Additional course in chemical/biological science or mathematics ................................................ 3 hours
II. 800-level Requirements ................................. 15 hours
a. CHE 810(2), 811(1), 880(2), and 1 additional hour from either CHE 811 or 881 ................................................. 6 hours
b. Pick three courses from the following: CHE 822, 830, 850, 860 ......................................................... 9 hours

B. Program Tracks:

Students will pick one of the following tracks
Thesis Track: Graduate Research – Written Thesis Required
6 hours
CHE 899(6)
Internship Track: Applied Learning in Chemistry – Written Report Required ............................................. 6 hours
CHE 839(6) or CHE 839(3); 3 hours of CHE 700/800 level courses
Coursework Track ............................................. 6 hours
6 hours CHE 700/800 level courses

Exit Requirements:
Thesis/Internship Option — A thesis/report based upon the original research/project in the area of the student’s research concentration must be submitted. A final comprehensive oral examination (GRD 858b) in defense of the thesis/report and related course work is required.
Coursework Option — Candidates must earn a 3.0 GPA (or higher) for all program coursework for the option. In addition, the candidate for the coursework option must pass a final examination (GRD 858c). The committee will decide the format of the examination.

TOTAL HOURS TO COMPLETE M.S. DEGREE ... 33 hours

MINOR

MINOR IN CHEMISTRY
A student may minor in chemistry by completing CHE 111, 111L, 112, 112L, 361, and 361L, plus any two additional courses* from the following list: CHE 325 (co-requisite CHE 325L), 362 (co-requisite CHE 362L), 430, 431, 450, 501, 520, 570, and FOR 440.

TEACHING CERTIFICATION FOR CHEMISTRY MINOR
Students may seek a minor in chemistry in conjunction with the completion of a teaching certificate**, which will qualify them to teach chemistry at the secondary level. The teaching minor in chemistry must be coupled with a secondary teaching certificate in another discipline. For students with a middle school science concentration, requirements are met. Students enrolled in a teaching program other than science who desire teaching certification in chemistry will be required to take ESE 561.

The minor will be considered an add-on certificate and cannot be recommended until the secondary teaching program is completed and a recommendation for certification has been processed. Appropriate PRAXIS exams must be completed for each area of certification being recommended.

*See Course Descriptions for prerequisite and corequisite requirements.

MINOR IN FORENSIC SCIENCE
The minor in Forensic Science requires a minimum of 18 credit hours as indicated below:

Core Requirements ........................................... 3 hours
FOR 301

Elective Requirements ......................................15 hours
Fifteen (15) hours electives from the following: CHE 425/425L(4) or FOR 411/411L(4); FOR 331/331L(4), 401, 440, 442/442L(4), 451/451L, 460(1-3), 475, 490(1-3).

Total Curriculum Requirements ............................. 18 hours

BACCALAUREATE DEGREES
Program Objectives
The mission of the Bachelor of Science in Computer Science program is to provide students with an education that will prepare them to develop a career in the fields of computer science or computer forensics.

Program Educational Objectives/Goals for General Computer Science Concentration
1. Our graduates will be productive professionals in the computing field.
2. Our graduates will develop professionally through continued formal education and/or professional activities.
3. Our graduates will demonstrate leadership skills at work.
4. Our graduates will contribute to community as computing professionals.

Program Educational Objectives/Goals for Computer Forensics & Security Concentration
1. Our graduates will be productive professionals in the computer forensics field.
2. Our graduates will develop professionally through continued formal education and/or professional activities.
3. Our graduates will demonstrate leadership skills at work.
4. Our graduates will contribute to community as computer forensics professionals.

UNIVERSITY GRADUATION REQUIREMENTS
- General Education .............................................. 36 hours
- Student Success Seminar .................................... 1 hour (waived for transfers with 30+hrs.)
- Wellness ......................................................... 3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category) ...................... 3 hours
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories) .... 42 hours
- ACCT - Computer Science majors will fulfill ACCT with CSC 349, 440, 491, 549, or 495 with a program-approved topic. (Credit hours may be incorporated into Major or Supporting requirements) ............................................................... 3 hours

Total Hours University Graduation Requirements ... 40 hours

MAJOR REQUIREMENTS
Core Courses .............................................. 25 hours
CSC 185, 190, 191, 195, 310, 313, and 340; CSC 308 or 309; and 1 credit hour of CSC 494, 495, 496, or INF 495.

Concentrations:
- Computer Science (General) ................................ 24 hours
(Accredited by the Computer Science Accreditation Commission of ABET; http://www.abet.org)
CSC 320, 360, 400, 440, 460, 541, and 545; 1 course from: CSC 300, 315, 316, 322, 350, 390, 425, 490, 491, 507, 520, 538, 540, 544, 546, 547, 548, 550 and (if not used in the core) 308, 309.

- Computer Technology .................................. 18 hours
CSC 360, 440, 460, 545, 3 hours of CSC 349; 1 course from: CSC 300, 315, 316, 320, 332, 350, 390, 400, 425, 490, 491, 507, 520, 538, 540, 544, 545, 546, 547, 548, 550 and (if not used in the core) 308, 309.

- Bioinformatics ............................................... 9 hours

Specialized Requirements
Three courses from the following: CSC 320, 440, 520, 544, or 545.

Interactive Multimedia .................................. 21 hours
CSC 140, 315, 316, 491, 550, one of 520 or 555, and 1 course from: CSC 300, 313, 320, 330, 332, 350, 360, 390, 400, 425, 440, 460, 490, 507, 538, 540, 544, 545, 546, 547, 548 and (if not used in the core) 308, 309.

Computer Forensics and Security .................. 24 hours
CSC 332, 360, 400, 520, 542, 547, 548, and 549.

Statistical Computing .................................... 9 hours
CSC 320, 544, and 545.

Supporting Course Requirements:
- Computer Science (General) .................. 22-26 hours
EET 252; MAT 234(4) (Element 2), or 234H(4) (Element 2), MAT 239, 244(4) or 244H(4); STA 270 (Element 2).
One of the following sequences: BIO 111(4) (Element 4), 112(4) (Element 4); CHE 111/111L (Element 4), 112/112L (Element 4); GLY 108 (Element 4), and 109 (Element 4), or PHY 201(5) (Element 4); PHY 202(5) (Element 4), and two additional courses from the preceding list.

- Computer Technology .................. 24-25 hours
EET 252; NET 302, 303, and 343; NET 344 or 395; NET 354, 403, 454, and one course from the following: MAT 234(4) (Element 2), 234H(4) (Element 2), or 211.

- Bioinformatics .......................... 48 hours
BIO 111(4) (Element 4) or 112(4) (Element 4); BIO 315(4), 331, and 511; BIO 531(4), or 531S(4); BIO 533, and 3 hours of BIO 598; CHE 111/111L (Element 4), 112/112L(4), 361/361L(4), and 362/362L(4); CHE 430/432(4) or 431/432(4); MAT 234(4) (Element 2) or 234H(4) (Element 2); MAT 565, STA 270 (Element 2), and 320.

- Interactive Multimedia .................. 30-33 hours
COM 200 (Element 5B), EET 252, MUS 290(2), PHY 201(5) (Element 4), STA 270, and two courses from ART 200 (Element 3A), ARH 390 or 391; MAT 234(4) (Element 2) or 234H(4) (Element 2); MAT 239, 244(4) or 244H(4); one course from ART 100, TEC 190, or GCM 313; one of the following sequences: MKT 301, 401, or MGT 301, 465, or GEO 353, 453.

- Computer Forensics and Security ............. 31 hours
FOR 301, 401, INF 318, 321, 322, NET 303, 354, 454, and STA 270; MAT 234(4) (Element 2) or 234H(4) (Element 2); One course selected from: CIS 320, 325, PLS 316, 416, or SEC 350.

- Statistical Computing .................. 32-33 hours
MAT 234(4) (Element 2) or 234H(4) (Element 2); MAT 244(4) or 244H(4); STA 270, 320, 375, 380, 575, 580, 585, and one of the following sequences: AEM 202 and (332, 336, or 506); BIO 315(4), 533; ECO 320, 420; INS 370 and (372, 374, or 378); STA 520, 521.

Free Electives ............................................. 0-14 hours

TOTAL HOURS TO COMPLETE DEGREE .... 120-122 hours

1. CSC 185 will be waived for students with a 25 ACT or 590 SAT. In this case the course will be replaced by three additional hours of free electives.
2. Under special circumstances, a student may seek an administrative waiver of the CSC 349 requirement from the Computer Science Curriculum Committee and the department chair. Waiver recipients...
are required to complete three semester hours of additional course work approved by the Computer Science Curriculum Committee. *BIO 315 has a prerequisite of BIO 111 or 112.

MINORS

MINOR IN COMPUTER SCIENCE
Minor in Computer Science ...........................................21 hours
A student may minor in computer science by completing CSC 185, 190, 191, 195, 310, 340, and one of CSC 200, 320, or 545.

MINOR IN INFORMATICS
Minor in Informatics....................................................18 hours
A student may minor in Informatics by completing CSC 104 or CIS 212; CSC 314; CSC 123 or 307; INF 314; one of STA 215, 270*, or QMB 200*; and six additional semester hours from INF 105, 120, 301, 318, CSC 160, 174, 177, 178, 190*, CIS 215, 320, 325, STA 320, or CSC 123 or 307 (if not used above).
*Includes MAT 107 or 114 as a prerequisite

MINOR IN INTERACTIVE MULTIMEDIA
A student may minor in Interactive Multimedia by completing CSC 140, 185, 190, 191, 308, 315 and one of GEO 353, ART 100 or TEC 190.

CERTIFICATE

CERTIFICATE IN PRODUCTIVITY, INNOVATION, AND TECHNOLOGY
Requirements...............................................................12 hours
A student may qualify for a Certificate in Productivity, Innovation & Technology by completing INF 104 or CIS 212; INF 307 or CCT 304S; INF 314; and three additional semester hours from INF 105, 120, 123, 301 or 318.

DEPARTMENT OF ECONOMICS

Chair

(859) 622-1769
Beckham 106

Faculty

BACCALAUREATE DEGREES

BACHELOR OF ARTS (B.A.)
ECONOMICS
CIP Code: 45.0601

Upon completion of a degree in Economics students will:
1) demonstrate a solid knowledge of modern microeconomic and macroeconomic theory; 2) demonstrate the capacity to apply their knowledge of economic theory to issues of public policy and to problems faced by decision makers in the private sector; 3) demonstrate the capacity to do empirical work in economics, including problem formulation, the retrieval and documentation of data, and statistical techniques; 4) demonstrate the capacity to communicate effectively. Additionally, students will be prepared for careers in government and business. Recent graduates are employed in commercial and investment banking, insurance, sales, manufacturing, retailing, and all levels of government.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education.......................................................36 hours
• Student Success Seminar
  (waived for transfers with 30+ hrs.).........................1 hour
• Wellness .....................................................................3 hours
• Writing Intensive Course (hours incorporated into Major/ Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
• ACCT - Economic majors will fulfill ACCT with ECO 420. (Credit hours may be incorporated into Major or Supporting requirements)

Total hours University graduation requirements......40 hours

MAJOR REQUIREMENTS
Students must earn no fewer than twelve upper-division hours in the major at EKU. An average 2.3 GPA is required in the courses counted towards the core and concentration courses.

Core Courses ..............................................................21 hours

Required Concentrations: (select one)
General Economics.....................................................12 hours
Twelve hours of upper division economics courses.

Applied Economics......................................................12 hours
ECO 300; 9 hrs of upper division economics courses.

International Economics.............................................12 hours
ECO 394; 395 or 395W; 6 hrs of upper division economics courses.

Supporting Course Requirements:
Supporting course requirements must be approved by the advisor in consultation with the Chair of the Department of Economics. Note that fewer free electives may be required for an option if any of the approved additional supporting hours are also general education courses.

General Economics Concentration.........................18 hours
MAT 211(“Element 2), and 18 hours of courses approved by the advisor. (Note that fewer free electives will be required for this option if any of the approved additional supporting hours are also general education courses.)

Applied Economics Concentration......................18 hours
MAT 112 (“Element 2), 114 (“Element 2), or 211(“Element 2); 18 hours of courses approved by the advisor.

International Economics Concentration..............12-18 hours
MAT 112 (“Element 2), 114 (“Element 2), or 211(“Element 2); 6 hrs of courses approved by the advisor; one of the following: (1) 12 hrs of foreign language(“Element 6), (2) 12 hrs of area studies to be pre-approved by the advisor and the Chair, or (3) 12 hrs from the core and elective courses listed in the International Studies minor.
α = Course also satisfies a General Education course.
Hours are included within the 36 hr. General Education
The intent of the Globalization and International Affairs (GLO) major is to create an interdisciplinary major that focuses on the nature of globalization and its impacts on individuals, communities, regions, and nations, and to assist in broadening the international horizons of EKU students. The program will graduate culturally aware students who are comfortable in a variety of international public-sector, private-sector, and non-profit positions. GLO students will possess an enhanced awareness of worldwide economic and political events and will be able to assess their impacts on international affairs. Upon completion of the GLO degree, graduates will be able to: (1) analyze cultural, economic, geographical, historical, political and social forces affecting globalization, (2) identify factors which impede or encourage globalization, (3) evaluate the impacts of increasing globalization on individuals, communities, regions, and nations, (4) integrate globalization ideas and concepts from the various disciplines into a unified whole, and (5) compete well for international positions or for domestic positions requiring international expertise.

UNIVERSITY GRADUATION REQUIREMENTS

- General Education........................................... 36 hours
- Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.).................................................. 1 hour
- Wellness ................................................................ 3 hours
- Writing Intensive Course (hours incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Globalization and International Affairs majors will fulfill ACCT with GLO 490. (Credit hours may be incorporated into Major or Supporting requirements.)

Total hours University graduation requirements .... 40 hours

MAJOR REQUIREMENTS

A minimum grade of “C” is required in all courses counted toward this major.

Core Courses:

Foundation Coursework........................................ 9 hours
Complete 9 hours from the following list:
ANT 120 or 200; ECO 231, GEO 100, or POL 212.

Major Courses.................................................. 15 hours
ECO 394, GEO 322, HIS 347, and POL 220

Major Electives............................................... 12 hours
Choose four courses from the following list, with no more than two having the same course prefix:
ECO 340, 395 or 395W; GEO 302, 347, HEA 310, HIS 320, 375, 384, 386, POL 310, 315, 325, 327, 410, 415, 451, REL 301, SOC 425, or various (with prior approval) “special topics” and seminar courses offered by individual departments.

Supporting Course Requirements.............................. 0-2 hours
ECO 230 ((Element 5B); HIS 247 (Element 5A); MAT 112 (Element 2) or higher; and up to 6 hours of one foreign language (Element 6).

=G = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education requirement above. If zero hours are listed then all course hours will count with General Education.

Free Electives.................................................. 42-44 hours

TOTAL HOURS TO COMPLETE DEGREE ........ 120 hours

MINOR

MINOR IN ECONOMICS

A minor in economics is available to students in any college and requires completion of the following courses with a minimum grade of “C” in each course and with at least nine of the upper division hours earned at EKU: ECO 230, 231 and twelve hours of upper division courses in economics.

Faculty

BACCALAUREATE DEGREES

BACHELOR OF ARTS (B.A.)
ENGLISH
CIP Code: 23.0101

Upon completion of an English degree with a Literature concentration, graduates will: 1) demonstrate a clear sense of the chronological and thematic development of British and American literature, familiarity with canonical writers and works of the age, and a more specialized knowledge in various genres, periods, authors, and literary trends; 2) be prepared for post-baccalaureate professional lives; 3) demonstrate the ability to think, speak, and write more effectively as literary critics. Upon completion of an
English degree with a Creative Writing concentration, graduates will: 1) write a publishable work, critical or creative, and submit it through traditional means/e-submissions; 2) possess knowledge of appropriate writers, the history, pedagogies/theories/genres, 3) possess knowledge of and apply basic research methods in their works, creative or critical, as well as use these skills to research the literary/popular marketplace. Upon completion of the English degree with a Technical Writing concentration, graduates will: 1) produce various types of technical documents required in the workplace that reflect knowledge of audience, purpose, clarity, and precision; 2) demonstrate competence with hardware/software expected of technical/professional writers.

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education ............................................. 36 hours.
- Orientation Course ........................................... 1 hour. (waived for transfers with 30+ hrs.)
- Wellness ......................................................... 3 hours.
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - English majors will fulfill ACCT with: ENG 491 (Technical Writing Concentrations), 490 (Creative Writing Concentrations), or 492 (Literature Concentrations), or THE 495 (Theatre Concentrations). (Credit hours may be incorporated into Major or Supporting requirements)

**Total University Graduation Requirements ............ 40 hours**

**MAJOR REQUIREMENTS**

**Core Courses ............................................. 9 hours**

ENG 301, 302, and 474. *(ENG 302 should be taken before enrolling in upper level literature courses - with exception of ENG 350, 351, 352, and 353).*

**Concentrations:**

- **Literature** ............................................. 39 hours
  - ENG 350, 351, 352, 353, 410, and 492; 3 hrs from: ENG 360, 361, 362, 363, 364, 365, 366 or 367; 3 hrs from: THE 100, 110, 135, 150, 220, 390, 391, or 430; a minimum of 15 hrs upper division literature: 3 hrs British, 3 hrs American, 9 hrs at the 400 and 500 level.
- **Creative Writing** ........................................ 30 hours
  - ENG 350, 351, 352, 353, 410, 490, and a minimum of 12 hours selected from: ENG 306, 406, 407, 408, 409, 420, 502, 503, 504, or one course from the Technical Writing
- **Technical Writing** .................................... 30 hours
  - ENG 300 or 300S; ENG 350, 351, 352, 353, 410, 410, 420, 491, and 3 hrs from ENG 306, 406, 409, 500, 502, or 510.
- **Theatre** .................................................. 48 hours
  - ENG 335 or 335W; ENG 430, THE 110, 130/330(4), 135, 150, 200(2), 210, 220, 235, 341, 390, 391, and 495(1); THE 285(2) or 385(2); THE 300, and 3 hrs from: THE 310, 311 or 320.

**Supporting Course Requirements:**
- **Creative Writing** ....................................... 6 hours
  - Select 6 hrs (with no more than 3 hrs from each prefix) from: CIS 212, CMS 320, 350, COM 201, INF 104, JOU 305, or 307.
- **Technical Writing** .................................... 12 hours
  - Select 12 hrs from: ART 152, BEM 375, CCT 302, 570, CIS 212, CMS 250, 300, 320, 350, COM 320, CSC 160, 177, 190, GCM 211, 217, 255, 316, 317, 355 or INF 104.

**BACHELOR OF ARTS (B.A.) AND MASTER OF ARTS (M.A.) ENGLISH**

**Accelerated 3+2 Dual Degree Program**

*CIP Code: 13.1305*

Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their B.A. degree and M.A. degree within 5 calendar years because up to 9 semester hours of graduate-level coursework will apply to both the undergraduate B.A. degree and the graduate M.A. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required.

Entrance requirements for the 3+2 adhere to the requirements for the M.A. English Program in the Graduate Catalog. Students admitted into the program will remain coded as undergraduate until fulfilling their BA requirements. Students admitted into the 3+2 program must complete the English BA degree with a minimum 3.0 GPA to be allowed to proceed on with graduate program coursework. Students must fulfill all graduation requirements listed below.

Students may apply to the Graduate School for admission to the 3+2 program in their junior or senior year. Approval of both the department and Graduate School is required (see the form at http://gradschool.eku.edu/graduate-school-forms).

**English Program Special Admission Requirements:**

- Literature, Creative Writing, or Technical Writing Concentrations; completion of ENG 301 and ENG 302; and overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program.

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education ............................................. 36 hours
- Orientation Course (ASO 100; waived for transfers with 30+ hrs.) ............................................. 1 hour
- Wellness .......................................................... 3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - English majors will fulfill ACCT with: ENG 491 (Technical Writing Concentrations), 490 (Creative Writing Concentrations), or 492 (Literature Concentrations), or THE 495 (Theatre Concentrations). (Credit hours may be incorporated into program requirements below.)

**Total University Graduation Requirements .......... 40 hours**

**B.A. 3+2 ENGLISH MAJOR REQUIREMENTS**

**Core Courses.................................................. 18 hours**

ENG 301, 302, 474; 801, 808, 833

*(ENG 302 should be taken before enrolling in upper level literature courses - with exception of ENG 350, 351, 352, and 353).*

**Concentrations:**

**Literature**................................................... 39 hours
ENG 350, 351, 352, 353, 410, 492; 3 hrs from: ENG 360, 361, 362, 363, 364, 365, 366 or 367; 3 hrs from: THE 100, 110, 135, 150, 220, 320, 390, 391, or 430; a minimum of 15 hrs upper division literature: 3 hrs British, 3 hrs American, 9 hrs at the 400 and 500 level.

Creative Writing ..................................................30 hours
ENG 350, 351, 352, 353, 410, 490; a minimum of 12 hours selected from: ENG 306, 406, 407, 408, 409, 420, 502, 503, 504, or one course from the Technical Writing Concentrations.

Technical Writing .............................................30 hours
ENG 300 or 300S; ENG 350, 351, 352, 353, 400, 410, 420, 491; 3 hrs from ENG 306, 406, 409, 500, 502, or 510.

Supporting Course Requirements

Creative Writing Concentrations .........................6 hours
Select 6 hours (with no more than 3 hrs from any one group) from: CMS 320, 350; COM 201; JOU 305, 307; CIS 212 or INF 104.

Technical Writing Concentrations .......................12 hours
Select 12 hrs from: ART 152, BEM 375, CCT 302, 570; CIS 212 or INF 104; CMS 250, 300, 320, 350, COM 320(1), CSC 160, 177, 190, GCM 211, 217, 255, 316, 317, 355.

Free Electives ..................................................20-26 hours

TOTAL HOURS TO COMPLETE DEGREE ........120 HOURS

M.A. ENGLISH MAJOR REQUIREMENTS

Core Courses .................................................12 hours
ENG 801 ..............................................3 hours
One course in rhetoric and composition ..........3 hours
Choose from ENG 700, 800, 806, 808, 812, 827
One literature course ................................3 hours
Choose from: ENG 730, 750, 825, 830, 833, 850, 853, 854, 870, 873, 876, 878, 880
One language studies/ESL course ................3 hours
Choose from: ENG 710, 715, 720, 825.

Rhetoric and Composition Concentration

Concentration in rhetoric and composition........12 hours (in addition to core requirement)
Choose from ENG 700, 800, 806, 808, 812, 827
Must include ENG 808 (if not completed as part of the core)
Electives in English .................................6 hours
Thesis option: ENG 898 (3 hours) + 3 hours ENG electives
Exit Requirements .................................0 hours
GRD 857e, 858e
Total Requirements .................................30 hours

Literature Concentration

Concentration in literature ..........................12 hours (in addition to core requirement)
Three hours from ENG 850, 853, 854
Three hours from ENG 870, 873, 876, 878, 880
Six hours from ENG 730, 750, 825, 830, 833, 850, 853, 854, 870, 873, 876, 878, 880
Must include ENG 833 (if not completed as part of the core)
Electives in English .................................6 hours
Thesis option: ENG 898 (3 hours) + 3 hours ENG electives
Exit Requirements .................................0 hours
GRD 857e, 858e
Total Requirements .................................30 hours

Generalist Concentration

One additional literature course .................3 hours
Choose from ENG 730, 750, 825, 830, 833, 850, 853, 854, 870, 873, 876, 878, 880
One additional rhetoric/composition course ...3 hours
Choose from ENG 700, 800, 806, 808, 812, 827
Two pedagogy courses ..........................6 hours
Choose from ENG 800, 805, 860, 861, 862, 863, 864
Electives in English .............................6 hours
Thesis option: ENG 898 + 3 hours ENG electives
Exit Requirements .................................0 hours
GRD 857e, 858e
Total Requirements .................................30 hours

IV. EXIT REQUIREMENTS

Comprehensive Examination — All students are required to pass a written comprehensive examination (GRD 857e). Comprehensive examinations will be scheduled approximately one month before the end of the student’s final enrollment period in graduate work for the degree. Non-thesis students will take a two part examination: 1) a breadth-of-knowledge assessment (common to all students in a given concentration) and 2) a depth-of-knowledge assessment (tailored to the individual student’s scholarly interests). Thesis students will take only the breadth-of-knowledge assessment for their concentration.

Thesis — The thesis is optional in this program. Students electing the thesis option must register for ENG 898 as one of their elective courses. A student wishing to write a thesis must prepare a prospectus and have it approved by the thesis committee before registering for thesis hours. The thesis must be prepared in conformity with the regulations approved by the Graduate Council and the Department of English and Theatre. Students seeking to complete a thesis are required to pass an oral defense of their thesis (GRD 858e). Oral examinations will be scheduled approximately one month before the end of the student’s final enrollment period in graduate work for the degree. Detailed information concerning the preparation and submission of the thesis may be obtained from the program coordinator.

Bachelor of Arts (B.A.)
ENGLISH/TEACHING
CIP Code: 13.1305

Upon completion of an English/Teaching degree, graduates will:
1) demonstrate the ability to analyze and produce texts;
2) demonstrate knowledge of English content areas: literature, language, and composition;
3) demonstrate competency in composing expository essays.

UNIVERSITY GRADUATION REQUIREMENTS

• General Education .................................36 hours
• Orientation Course ..............................1 hour
  (waived for transfers with 30+ hrs.)
• Wellness ...........................................3 hours
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - English Teaching majors will fulfill ACCT with ESE 499. (Credit hours may be incorporated into Major or Supporting requirements)

Total University Graduation Requirements ..........40 hours

MAJOR REQUIREMENTS

Core Courses ..............................................21 hours
ENG 302, and 303; ENG 350 or 351; ENG 352 or 353; ENG 405, and 410; ENG 510 or 520.
Candidates earning a degree that leads to teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (http://www.kyepsb.net/assessment/index.asp AND www.ets.org/praxis). Specialty exams are required for each certification area sought and must be taken prior to student’s last test date. Candidates should confer with their education advisor/counselor to determine the optimal time to take required exams. It may take more than one test date to complete all requirements. www.kyepsb.net/assessment/index.asp AND www.ets.org/praxis).

responsible stewards of our natural resources, lifelong learners, and active participants in a global society.

Bachelor of Arts in Geography
Geography is a wide-ranging academic discipline that strives to understand and interpret spatial patterns and relationships, and apply that information to address local and global issues. Geography as a discipline integrates knowledge and skills in three major areas - the natural world, human and social interactions, and spatial and statistical techniques – to gain a holistic perspective on the world around us and humanity’s interaction with and impact on the natural world.

Students in the Geography program will gain geographic knowledge and skills through a comprehensive, innovative and modern curriculum that allows for all types of intellectual exploration and opportunities for all students to develop professionally through applied research that they disseminate to the geographic community and active participation in professional organizations’ annual conferences.

A bachelor’s degree in geography provides marketable skills and the broad perspectives on environment and society that enable graduates to move beyond entry-level positions in a variety of settings and careers. Geography also provides a sound foundation for students who plan to enter graduate work in a variety of fields, from geography to other social and natural sciences, law, government, and medicine.

Bachelor of Science in Geology
Geology is the study of Earth; we study the processes, behavior and materials of Earth, its water and its atmosphere both in recent times and in the geologic past. Through understanding how Earth formed, how it changed over billions of years, and how it continues to function today, we can look forward in time to predict how natural processes and human actions will interact to impact Earth in the future. Knowledge of geological concepts and processes helps scientists, politicians, and business professionals make decisions about the use of Earth’s natural resources, protection of humans against natural disasters, and wise stewardship of our environment.

For students wishing to enter the professional world immediately upon graduation, the Professional Concentration prepares our students to become competent professionals with the requisite knowledge and skills necessary to successfully pass the initial certification exam to eventually obtain their Professional Geologist designation. Students will have the opportunity to gain knowledge and skills in each of the eight areas of professional geology and geotechniques, as well as develop critical research skills through a senior thesis or field camp experience.

Students in the Academic Concentration will gain the foundational knowledge and skills in geology, mathematics and natural sciences necessary to be successful in graduate school, as well as to explore potential areas of geologic specialization through independent research or a field camp experience and elective courses.

Bachelor of Science in Earth Science Teaching
Earth science is an interdisciplinary pursuit that studies phenomena affecting the formation, history, and current functioning of Earth, its water, and its atmosphere. The Earth Science Teaching program prepares students for careers as secondary school teachers of earth and space science.

The science curriculum, which is aligned to Next Generation Science Standards, includes coursework in each of the four areas of earth science: geology, meteorology, oceanography, and astronomy. Through a specialized Earth Science for Teachers course, students also learn how to integrate the four areas of earth science and to effectively teach the discipline to students through inquiry-based learning, the use of high-quality literature, and modeling and experimental design.

The education curriculum provides students a solid foundation in educational theory and practices, as well as an understanding of how students learn and how to effectively address special needs, develop effective learning assessments, and gain valuable clinical practice in the teaching profession.

TOTAL HOURS TO COMPLETE DEGREE ......... 120 hours

MINORS

Minor in Earth Science/Teaching
A student may minor in earth science (teaching) by completing a minimum of 21 semester hours as follows: GLY 104, 108, 109; GEO 315; AST 135; and any two from the following: GLY 303, 309, 351, 408, 410, 415, 420, and 550; or approved electives from astronomy or geography. The teaching minor in earth science must be coupled with a teaching major in biology, chemistry, computer science/mathematics, mathematics, or physics.

Minor in Geographic Information Systems
A student may minor in Geographic Information Systems by completing a total of 18 hours as follows: GEO 351, 353, 455, 456, and 458.

Note: minor not open to Geography majors.

Minor in Geography
A student may minor in geography by completing a total of 18 semester hours as follows: GEO 200, 210, 220, and nine hours of upper-division geography electives.

Minor in Geology
A student may minor in Geology by completing a minimum of 18 semester hours as follows: a maximum of six hours from GLY 102 or 104 or 107 or 108 or 109; a minimum of 12 additional hours of upper-division geology courses.

CONCENTRATIONS

Geographic Information Systems Concentration in the Associate of General Studies Degree
See page 88 of this Catalog for the Geographic Information Systems Concentration requirements listed in the Associate of General Studies degree section.

Geography Concentration in the Associate of General Studies Degree
See page 88 of this Catalog for the Geography Concentration requirements listed in the Associate of General Studies degree section.

Geology Concentration in the Associate of General Studies Degree
The study of power, conflict, and war, and of the human endeavor to maintain peace, order, and cooperation, and of the principles and ethics that guide that effort. It is the study of governments, in the United States and in other countries, and of the making and carrying out of laws and policies, by Presidents and governors, legislatures, courts, and the administrative agencies and civil service they oversee, and of the media and journalists who observe them and inform us of their actions. It is the study of cities and counties, and of their efforts to maintain and develop communities, politically, socially, and economically. It is the study of public agencies and services, and the special ways they must be organized and managed. It is the study of human values and beliefs, how they are formed and expressed in the public arena, in voting and elections, in political parties, and in the activities of organized interests, both self-seeking and public-spirited. The ancient Greek philosopher, Aristotle, said that politics is “the master science” because it influences how all other knowledge is used in society.

The objective of the political science program is to develop graduates who understand political institutions and behavior, and who in the process become able writers, speakers, thinkers, and informed students of human conflict, organization, and governance. With such knowledge and skills, graduates are well prepared for a variety of careers. Professions to which such abilities are obviously relevant include public service in government and non-profit service agencies, law, education, journalism, and military command. But political science graduates have succeeded as well in careers in a variety of different areas of business, including banking, investment management, extractive and manufacturing industries, insurance, and sales. And political science is a natural minor to accompany other majors in which such knowledge and skills are important, including social work, public health and health administration, parks and recreation, business management, and all the other social sciences.

**Paralegal Program**

The paralegal programs offer a Bachelor of Arts degree and Post-Baccalaureate Certificate in paralegal science and an associate of arts degree in paralegal studies. The objectives of the programs are: (1) to create, implement, and maintain a strong, flexible program directed to the quality education of occupationally competent paralegals; (2) to provide a paralegal education program that leads to employment of its graduates by a wide range of employers; (3) to provide paralegals with a well-rounded, balanced education founded on a beneficial mix of general education, theory, and practical courses stressing understanding and reasoning rather than rote learning of facts; (4) to support the general principles of ethical legal practice, professional responsibility, and the prohibitions against the unauthorized practice of law by a lay person; (5) to provide an educational program that is responsive to the varied needs of the state of Kentucky and the region and contributes to the overall advancement of the legal profession; (6) to provide a program which instills respect for the legal profession and its foundations, institutions, and quest for justice; and (7) to maintain equality of opportunity in the educational program without discrimination or segregation on the grounds of race, color, religion, natural origin, or sex.

Paralegals are paraprofessionals who must work under the supervision of an attorney. The laws of Kentucky and other states prohibit paralegals from engaging in the practice of law or providing legal services directly to the public, except as permitted by law. Therefore, completion of a major, minor, or certificate in Paralegal Studies/Sciences does not entitle one to practice law, provide legal services directly to the public, or render legal advice, except as provided by law.

**Paralegal Degree Requirements**

Paralegal majors, minors, and certificates must attain a minimum grade of “C” in all major and supporting courses, a minimum grade of “C” must be earned in LAS 210 before taking LAS 220. A minimum grade of “C” must be earned in LAS 220 before being admitted to any of the other upper division requirements. Paralegal majors, minors, and certificates must take a minimum of ten (10) semester credits of courses from Major/Minor requirements in a traditional in-person or ITV format. No courses taken in an online or web-based format can count toward this ten (10) semester credit requirement.

**Paralegal Transfer Students**

Transfer students must take a minimum of 15 semester hours of paralegal (LAS) courses at EKU to earn a paralegal degree. Please see the EKU Paralegal Program website (www.paralegal.eku.edu) or contact the Paralegal Program Director for more information on the transfer policy for paralegal specialty courses.

**Pre-Law Program**

A broadly-based liberal education will best prepare one to
study law, and therefore no fixed pre-law curriculum is prescribed. Admission to an accredited law school is dependent upon a good undergraduate record with an earned baccalaureate degree and a competitive score on the Law School Admission Test.

Students interested in going to law school or exploring the possibility of doing so should make an appointment with the Pre-Law Advisor in the Center for Pre-Professional Advising as early in their academic career as possible. The Pre-Law Advisor can guide the student in selecting courses that will help prepare the student for law school, plus provide valuable information on law schools, the Law School Admission Test, and typical admission procedures.

Further information for pre-law students can be found at http://preprofessional.eku.edu.

**Bachelor of Arts (B.A.) & Master of Public Administration (M.P.A.)**

**Political Science**

*Accelerated 3 + 2 Dual Degree Program*

*CIP Code: 45.1001*

Students accepted to the 3+2 Accelerated Dual Degree Program are able to complete their B.A. degree and M.P.A. degree within 5 calendar years because up to 9 semester hours of graduate-level coursework will apply to both the undergraduate B.A. degree and the graduate M.P.A. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required.

**Entrance requirements for the 3 + 2 adhere to the requirements**

for the M.P.A. Public Administration Program in the Graduate Catalog. Students admitted into the program will remain coded as undergraduate until fulfilling their BA requirements. Students admitted into the 3+2 program must complete the Political Science BA degree with a minimum 3.0 GPA to be allowed to proceed on with graduate program coursework. Students must fulfill all graduation requirements listed below.

Students may apply to the Graduate School for admission to the 3+2 program in their junior or senior year. Approval of both the department and Graduate School is required (see the form at http://gradschool.eku.edu/graduate-school-forms.

MINORS

MINOR IN LEGAL STUDIES

The Legal Studies Minor is an interdisciplinary program with a liberal arts focus that provides students with the opportunity to study the law, legal ideas/concepts, and legal systems/processes from a variety of perspectives. The minor is designed to provide a broad conceptual framework to explore legal studies and complement a chosen major of study. While the minor may be appropriate for those considering attending law schools, it is not a “pre-law” program and does not provide legal or paralegal training.

Core Requirement .............................................3 hours
LGS 300

Electives .........................................................12 hours
Minor in Paralegal Studies
A student may minor in Paralegal Studies by completing a total of 18 hours as follows: LAS 210, 220, 300 or 300W, 350, 355, and 410.

Minor in Political Science
A student may minor in political science by completing POL 101 plus 15 hours of which nine hours must be in courses numbered 300 or above. No more than three hours of POL 349 may count toward the minor.

Minor in Public Administration
A student may minor in public administration by completing a total of 18 hours as follows: POL 101, POL 370, POL 374, and nine hours from POL 332 or POL 333, POL 371, POL 373, POL 376, POL 377, and POL 565. Upper division courses applied to the public administration minor may not be applied to the political science minor.

Concentration
Political Science Concentration in the Associate of General Studies Degree
See page 88 of this Catalog for the Political Science Concentration requirements listed in the Associate of General Studies degree section.

Certificate
Certificate in Paralegal Science (Post-Baccalaureate)
Requirements..........................................................30-31 hours**
LAS 210, 220, 300 or 300W, 350, 355, 410, plus 12 hours of LAS courses chosen from LAS 325, 330, 340, 360, 370, 380, 385, 399.*

*LAS 399 is a 4 semester hour course.
**Students with 75 hours or more may begin taking courses toward the post-baccalaureate certificate. At least 18 hours toward the certificate must be taken subsequent to receiving a bachelor’s degree.

Program Objectives
Upon successful completion of this program, graduates will be able to: 1) demonstrate knowledge of U.S. history, European history, and selected aspects of non-Western history at a high level; 2) demonstrate their ability to communicate effectively in both oral and written form (all students in the program will complete term papers as part of their major requirements); and 3) execute a major research project utilizing both primary and secondary sources. All students in the baccalaureate program will submit prior to graduation a formal research project which includes both primary and secondary sources.

Because the program puts history into real-world application, it offers 24 unique pathways to prepare students for careers in: public history, education, media, the legal field, government, nongovernmental organizations including non-profits, and business/management. And students can complete any of the career preparation pathways in just four years!

While a major in History Teaching prepares students to teach high school Social Studies or to join the educational arm of such entities as historical museums and sites, majoring in History provides students with the research skills and critical thinking and communication capabilities applicable and essential to any path they pursue post-graduation. More importantly, by combining a History major with a second major or minor in such areas as communications, political science, geography, business, or tourism and recreation, students gain profession-specific skills. They also acquire real world-experience because many of these majors require or stress completing an internship. Completion of one of History’s career pathways prepares a student for pursuing such opportunities as: curatorial positions in museums and historical sites, video production, broadcasting including reporting, publishing, event planning and promotion, employment with state and federal agencies or international and non-profit organizations, and entry into graduate or professional programs such as law school.

For more information on the career preparation pathways offered by the department go to www.history.eku.edu or contact the department at the number provided above.

University Graduation Requirements
• General Education......................................................36 hours
• Student Success Seminar ........................................1 hour
(waived for transfers with 30+ hrs.)

- Wellness ......................................................... 3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)

  (Credit hours incorporated into Major or Supporting requirements)

**Total Hours University Graduation Requirements ... 40 hours**

### MAJOR REQUIREMENTS

**Core Courses** .................................................. 36 hours

HIS 100, HIS 101, or HIS 147; HIS 102, 103, 290, 450W, and 21 upper division hours with a minimum of 6 hours in each of the following distribution areas (including two of the following three courses: 302A, 302B, 302C):

- **Area II** (Europe): HIS 300B (3 hours), 302B, 310, 312B, 336, 337, 339, 343, 345, 346, 348, 350, 357, 363, or 365.
- **Area III** (Non-Western): HIS 300C (3 hours), 302C, 308, 312C, 321, 322, 330, 347, 374, 375, 380, 384, 385, 386, 474, or 475.

The remaining upper division history course may come from any of the above areas or from other upper division history courses except HIS 302A, B, C.

**Free Electives** .................................................. 44 hours

At least three hours of one foreign language is strongly recommended. Students who plan to pursue a graduate degree are strongly encouraged to take at least six hours of a foreign language which will also serve to fulfill Gen Ed Element 6.

### TOTAL HOURS TO COMPLETE DEGREE ..........120 hours

**Bachelor of Arts (B.A.)**

**HISTORY/TEACHING**

*CIP Code: 13.1328*

**Program Objectives**

Upon successful completion of this program, graduates will be able to: 1) demonstrate knowledge of U.S. History, European history, and selected aspects of non-Western history at a high level; 2) demonstrate their ability to write effectively (all students in the program will complete term papers as part of their major requirements); and 3) execute a major research project utilizing both primary and secondary resources. All students in the baccalaureate degree program will submit prior to graduation a formal research project which includes both primary and secondary resources. The History/Teaching B.A. is designed above all for those who wish to pursue careers in social studies at the secondary level or join the educational arm of such entities as historical museums and sites. Offered in cooperation with the EKU College of Education, the History/Teaching B.A. program includes secondary teaching certification in social studies. Refer to the College of Education section of this Catalog regarding the teacher certification requirements associated with this degree program.

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education ............................................. 36 hours
- Student Success Seminar ................................... 1 hour

---

**SECOND MAJOR IN HISTORY**

A student may complete a second major in history by completing the major requirements listed above.

---

**MINOR IN HISTORY**

Students majoring in other disciplines may minor in History by completing the following courses: HIS 100; HIS 101, or 147; HIS 102 and 103; nine hours upper division history with three hours in each of the upper-division areas described in the major (refer to major for specific course listings in each area).
HISTORY CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE

See page 88 of this Catalog for the History Concentration requirements listed in the Associate of General Studies degree section.

DEPARTMENT OF LANGUAGES, CULTURES AND HUMANITIES

Chair
Dr. Abbey Poffenberger
(859) 622-2996
Case Annex 368

Faculty

Mission and Goals
The Department of Languages Cultures and Humanities is a multi-disciplinary unit which offers a variety of programs through which students gain new insights into other cultures, and develop the language skills necessary for participation and leadership in the global community. Our major and minor programs in Comparative Humanities provide students with opportunities to explore the literary and cultural heritage of other peoples and to acquire a critical understanding of their own heritage. The French and Spanish programs prepare the students to communicate in two major world languages which are both spoken on several continents. Our French and Spanish teaching degrees help meet the increasingly critical need for foreign language teachers in Kentucky. We also offer certificate programs primarily for non-language majors with concentration in basic conversation skills and cultural understanding, currently available in French, German, Japanese, and Spanish. The department helps students to fulfill General Education requirements in Blocks III and VIII through course offerings in French (FRE), German (GER), Japanese (JPN), Latin (LAT), Spanish (SPA), and occasionally other languages such as Arabic (as FLS courses); through foreign culture and civilization courses (FCC); and also through the basic sequence of Humanities courses (HUM). All our courses, whether in language, literature, culture, or humanities, strive to foster an atmosphere in which students can experience the joy of learning and intellectual fulfillment while developing deeper understanding and appreciation of cultural diversity.

1. Certain courses are inappropriate for students with native or near-native fluency in a particular language. Native speakers of a foreign language (i.e. a language other than English) are welcome to take our courses at an appropriate skill level. However, such students cannot be given credit for introductory courses (100/200 level), in their native language either by enrolling in the course or by taking an exam for credit. Exceptions to this restriction, such as heritage speakers who need to take a lower level course to correct language deficiencies, must be approved by the relevant foreign language faculty in consultation with the chair. Other exceptions may apply, at the discretion of the coordinator and foreign language faculty in conjunction with the chair.

2. Students who transfer credits must earn no fewer than 15 upper-division hours in the major and 9 upper-division hours in the minor at EKU, the exact minimum to be determined by the department chair in consultation with the faculty in the major area.

3. Eastern Kentucky University students are required to obtain the department chair’s written prior approval of any course work they plan to transfer back to EKU for application to the major or minor.

4. A grade of “C” or higher is required in each course to be applied toward the major and minor.

5. Students in teaching programs must attain a minimum 2.75 GPA in their teaching major to be recommended for student teaching.

6. French and Spanish majors must attain a minimum 2.75 GPA in the major, and must also pass a departmental proficiency exam which covers spoken and written language, culture, and literature. Teaching majors must pass the proficiency exam to be recommended for student teaching. Students will ordinarily take the exam no later than in the first semester of their senior year.

BACCALAUREATE DEGREES

BACHELOR OF ARTS (B.A.) COMPARATIVE HUMANITIES

MINOR IN SPANISH

Requirements..........................................................21 hours
A student may minor in Spanish by completing a minimum of 21 semester hours in courses numbered 200 and above; 12 of these must be at the 300 level or above. Strongly recommended: HIS 384. A grade of “C” or higher is required in each course for credit toward the minor.

Total Curriculum Requirements ........................................21 hours

CERTIFICATES

CERTIFICATE IN FRENCH CONVERSATION AND CULTURE
Prerequisites ..............................................................0-6 hours
FRE 101 and 102 (or equivalent).
Requirements..............................................................15 hours
FCC 220; nine hours from FRE 201, 202, 204, 210; 310, 320, or 350. A grade of “C” or higher is required in each course for credit toward the certificate.

Total Curriculum Requirements ......................................15-21 hours

CERTIFICATE IN GERMAN CONVERSATION AND CULTURE
Prerequisites ..............................................................0-6 hours
GER 101 and 102 (or equivalent).
Requirements..............................................................9 hours
FCC 210 or 222; GER 201 and 202. A grade of “C” or higher is required in each course for credit toward the certificate.

Total Curriculum Requirements ......................................15 hours

CERTIFICATE IN JAPANESE CONVERSATION AND CULTURE
Requirements ..............................................................15 hours
FCC 227; JPN 101, 102, 201, 202. A grade of “C” or higher is required in each course for credit toward the certificate.

Total Curriculum Requirements ......................................15 hours

CERTIFICATE IN SPANISH CONVERSATION AND CULTURE
Prerequisites ..............................................................0-6 hours
SPA 101 and 102 or 105 (or equivalent).
Requirements..............................................................15 hours
SPA 201, 202, 206, and six hours of upper-division Spanish courses. A grade of “C” or higher is required in each course for credit toward the certificate.

Total Curriculum Requirements ......................................15-21 hours
DEPARTMENT OF MATHEMATICS AND STATISTICS

Chair
Dr. Daniel Mundfrom
(859) 622-5942
Wallace 312

Faculty

The Department of Mathematics and Statistics offers degrees and minors in these disciplines, as well as providing developmental, college readiness, and general education mathematics and statistics courses. Developmental mathematics courses are taught in one-credit-hour modules, and students are allowed to attempt to pass modules multiple times within the same semester. However, students should be aware that any student who does not pass MAT 095 Module A after four attempts (four blocks) may be required to take MAT 090 (Modules A, B, and C) before attempting MAT 095 again.

BACCALAUREATE DEGREES

BACHELOR OF SCIENCE (B.S.)
MATHEMATICS
CIP Code: 27.0101

Program Objectives
Upon successful completion of this program, the graduate will: (1) be able to apply mathematical techniques to social, economic, and scientific problems; (2) understand the importance and power of mathematics in our rapidly changing technological age; (3) be prepared to pursue a graduate program in this or a related area; and (4) be well qualified for employment in any position requiring undergraduate training in mathematics.

UNIVERSITY GRADUATION REQUIREMENTS

- General Education......................................................36 hours
- Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.)......................................................1 hour
- Wellness.......................................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT – Mathematics majors will fulfill ACCT requirements with any of the following: a 349 Co-op experience in any subject area, a program-approved service-learning course, a program-approved undergraduate scholarly or creative activity, HON 420 with a program-approved thesis topic, a program-approved leadership experience, or a program-approved study abroad experience. (Credit hours may be incorporated into Major or Supporting Course requirements.)

Total Hours University Graduation Requirements ... 40 hours

MAJOR REQUIREMENTS

Core Courses .........................................................40 hours

- a. MAT 234(4) or 234H(4); MAT 239; MAT 244(4) or 244H(4); MAT 254(4) or 254H(4); MAT 301, 308, and 315; MAT 408 or 415; MAT 498(1).
- b. One additional MAT course chosen from 408, 415, or any course numbered 505 or above (507 only with departmental approval)
- c. Select nine hours from CSC 300, 320, any MAT course numbered 300 or above (except for 303, 349, 501, and 502), or any STA course numbered 300 or above (except for 349, 500, and 503). No more than six hours of STA courses may be used to fulfill this requirement.
- d. At least five upper division courses which satisfy the major requirements must be completed at EKU.
- e. Only courses completed with a grade of at least “C” will count toward the major requirements.

Supporting Course Requirements ......................3 hours

CSC 160, 177, or 190; STA 270 (GElement 2).

G = Course also satisfies a General Education element. Hours are included within the 36 hours in General Education.

Free Electives..........................................................37 hours

Students planning to attend a graduate school in mathematics are strongly encouraged to select an in-depth study of a single foreign language as a part of their program.

TOTAL HOURS TO COMPLETE DEGREE ..........120 hours

BACHELOR OF SCIENCE (B.S.)
MATHEMATICS & MASTER OF SCIENCE (M.S.)
MATHEMATICAL SCIENCES
ACCELERATED 3+2 DUAL DEGREE PROGRAM
CIP Code: 27.0101

Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their BA degree and MS degree within 5 calendar years because of the accelerated curriculum; nine semester hours of graduate coursework will apply to both the undergraduate BS degree and the graduate MS degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer school classes may be needed.

Admission Requirements for the 3 + 2 Program:
Students interested in this program must satisfy all the following conditions:
1. Have Junior or Senior standing
2. Have an overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Be approved by both the Department of Mathematics and Statistics and the Graduate School (see the 3+2 Enrollment Approval Form at http://gradschool.eku.edu/graduate-school-forms)
4. Maintain an overall undergraduate and graduate GPA of at least 3.0 to continue each semester with 3+2 coursework
5. Have a cumulative undergraduate and graduate GPA of at least
3.0 to be allowed to move into graduate student status after earning the B.S. Mathematics degree

Program Requirements
Students in the 3+2 Accelerated Dual Degree Option must complete the Mathematics (B.S.) program requirements listed below, with at least a 3.0 GPA, and must apply and be approved to graduate with that degree before being admitted as a graduate student and allowed to proceed to the M.S. in Mathematical Sciences Program. Nine credit hours of graduate coursework (STA 720, MAT 809, and MAT 815) will be applicable to the undergraduate degree.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education .......................................................... 36 hours
• Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.) .......................................................... 1 hour
• Wellness ........................................................................... 3 hours
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category) ............. 3 hours
• Upper division courses (42 hrs. incorporated into Major/Supporting/Gen Ed/Free Electives categories) ... 12 hours
• ACCT – Mathematics majors will fulfill ACCT requirements with any of the following: a 349 Co-op experience in any subject area, a program-approved service-learning course, a program-approved undergraduate scholarly or creative activity, HON 420 with a program-approved thesis topic, a program-approved leadership experience, or a program-approved study abroad experience. (Credit hours may be incorporated into Major or Supporting Course requirements.)

Total Hours University Graduation Requirements ... 40 hours

BS MATHEMATICS 3+2 MAJOR REQUIREMENTS
Core Courses ................................................................. 40 hours
a) MAT 234(4) or 234H(4), 239, 244(4) or 244H(4), 254(4) or 225H(4), 301, 308, 315, 408, 415, 498(1), 809, 815, STA 720.
b) At least five upper division courses which satisfy the major requirements must be completed at EKU.c) Only courses completed with a grade of at least “C” will count toward the major requirements.

Supporting Course Requirements ........................................ 3 hours
CSC 160, 177, or 190, STA 270(Element 2).

Free Electives...................................................................... 37 hours
Students planning to attend a graduate school in mathematics are strongly encouraged to select an in-depth study of a single foreign language as a part of their program.

TOTAL HOURS TO COMPLETE DEGREE ........ 120 hours

M.S. MATHEMATICAL SCIENCES PROGRAM REQUIREMENTS
Core Requirement .............................................................. 15 hours
MAT 809, 810, 815, 850, and three hours from MAT 720, 755, 760, or STA 720. No course may be counted under both core requirements and concentration requirements.

Exit Requirement
GRD 857h or MAT 899

General Program
Electives¹ ........................................................................ 15 hours
Fifteen hours of advisor-approved electives selected from 700- or 800-level courses with MAE, MAT, STA, or CSC prefixes.

Concentration in Mathematics
Concentration Requirements ........................................... 9 hours
Nine hours of 700- or 800-level courses with MAT prefixes. Only three hours of MAT 880 may count toward fulfilling the concentration requirements.

Electives¹ ........................................................................ 6 hours
Six hours of advisor-approved electives selected from 700- or 800-level courses with MAE, MAT, STA, or CSC prefixes.

Concentration in Computer Science
Concentration Requirements ............................................. 12 hours
CSC 730, 831, and six hours from CSC 720, 744, 745, 746, 747, 748, 750, 815, 825, 833, 834, 842, or 880. Only three hours of CSC 880 may count toward fulfilling the concentration requirements.

Electives¹ ........................................................................ 3 hours
Three hours of advisor-approved electives selected from 700- or 800-level courses with MAE, MAT, STA, or CSC prefixes.

Concentration in Statistics
Concentration Requirements ............................................. 12 hours
Twelve hours from STA 707, STA 720, 721, 770, 775, 785, 835, 840, or 880. Only three hours of STA 880 may count toward fulfilling the concentration requirement.

Electives¹ ........................................................................ 3 hours
Three hours of advisor-approved electives selected from 700- or 800-level courses with MAE, MAT, STA, or CSC prefixes.

¹No student in any concentration can apply more than 12 hours of CSC or 12 hours of STA credits toward the M.S. degree. Each student must apply 15 or more hours of MAT credits, at least 12 of which are from 800-level courses, toward the M.S. degree. Electives may include 3-6 hours of MAT 899 (Thesis).

IV. EXIT REQUIREMENTS
Comprehensive Examination or Thesis—Each student is required to pass a written examination (GRD 857h) covering the various components of the candidate’s program or to complete 3-6 hours of MAT 899 (Thesis). A student who elects to submit a thesis for partial fulfillment of the requirements of the Master of Science in Mathematical Sciences must prepare it in conformity with the regulations approved by the Graduate Council and the Department of Mathematics and Statistics. Detailed information concerning the preparation and submission of the thesis may be obtained from the program coordinator.

Each student must apply 15 or more hours from 800-level courses toward the M.S. degree.

TOTAL HOURS TO COMPLETE M.S. DEGREE .. 30 hours

Program Objectives
Upon successful completion of this program, the graduate will be prepared for certification to teach mathematics at the secondary level and will: (1) understand the principles of pre-college mathematics; (2) be able to explain mathematical concepts and applications to social, economic, and scientific problems; (3) understand the importance and power of mathematics in our rapidly changing technological age; and (4) be prepared to pursue a graduate program in this or some related area.

Refer to the College of Education section of this Catalog regarding several teacher certification requirements associated with this degree program.
UNIVERSITY GRADUATION REQUIREMENTS

• General Education .......................................................... 36 hours
• Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.) ........................................................................... 1 hour
• Wellness ........................................................................... 1 hour
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT – Mathematics Teaching majors will fulfill ACCT with CED 499. (Credit hours may be incorporated into Major or Supporting Course requirements.)

Total Hours University Graduation Requirements ... 40 hours

MAJOR REQUIREMENTS

All courses must be completed with a grade of at least “C” and the student must meet the GPA requirements listed in the College of Education section under The Office of Teacher Education Services. At least five upper-division courses which satisfy the major requirements must be completed at EKU.

Core Courses ................................................................. 29 hours
MAT 234(4) or 234H(4); MAT 239; MAT 244(4) or 244H(4); MAT 301, 306, 308, 334, 380, and MAE 475.

Concentrations:
Mathematics Teaching ..................................................... 10-13 hours
MAT 254(4) or 254H(4) and one of the following combinations:
• General Combination: MAT 315 and three additional hours of courses chosen from CSC 300, 320; any MAT course numbered 300 or above (except for 303, 349, 501, or 502), or any STA course numbered 300 or above (except for 349, 500, or 503).
• Statistics Combination: STA 320; STA 370 or 520; STA 375 or 585.

Computer Science/Mathematics Teaching ............ 15 hours
CSC 190, 191, 195, 310, and three hours from CSC 250, 330, or 340.

Supporting Course Requirements:
Mathematics Teaching ...................................................... 3 hours
CSC 160, 177, or 190; STA 270 (GElement 2).

Computer Science/Mathematics Teaching ............ 0* hours
STA 270 (GElement 2).

Professional Education Requirements ..................... 37 hours
EDF 203, 204(2), 219, 413, EMS 300W, 474, and 490; ESE 550 or MAE 550; SED 104 (GElement 6), 402(2), and 12 credit hours of Clinical Experiences: CED 100(0.5), 200(0.5), 300(0.5), 400(0.5), 450(1), 499(9).
G = Course also satisfies a General Education element. Hours are included within the 36 hours in General Education.
Free Electives ................................................................. 1 hour

TOTAL HOURS TO COMPLETE DEGREE .......... 120-122 hours

MINORS

MINOR IN ACTUARIAL SCIENCE
A student may minor in actuarial science by completing 21 hours as follows: MAT 234(4) or 234H(4); MAT 244(4) or 244H(4); MAT 520 or STA 520; STA 270, 320, 370, and 385(1).

MINOR IN MATHEMATICAL SCIENCES
A student may minor in mathematical sciences by completing 20 hours as follows: six hours from CSC 160, 190, or 191; MAT 234(4) or 234H(4); MAT 244(4) or 244H(4); and six hours from STA 270, 320, 370, 380, 500, or 575.

MINOR IN MATHEMATICS
A student may minor in mathematics by completing 18 hours as follows: (1) understand the applications and use of statistics in everyday life; (2) be able to apply a wide variety of statistical
toward the minor. MAT 480 may be approved to count toward the minor depending on the topic chosen.

**MINOR IN MATHEMATICS/TEACHING**

A student may minor in mathematics teaching by completing 20 hours as follows: MAT 234(4) or 234H(4); MAT 239; MAT 244(4) or 244H(4); MAT 301, 334, and STA 270. All courses must be completed with a grade of at least “C” and the GPA in the courses used for the minor must be at least 2.75. The teaching minor in mathematics must be coupled with a secondary teaching major in another discipline.

**MINOR IN STATISTICS**

A student may minor in statistics by completing 18 hours as follows: STA 215 or 270; STA 320, and at least 6 hours from other STA courses (except for 349, 500, or 503). A maximum of 3 hours of CSC courses (except for 123, 140, 307, or 349); or any calculus courses with MAT prefixes, but no more than one course from MAT 234(4), 234H(4), or 211. Only one of STA 215 or 270 can count toward the minor.

**CONCENTRATION**

**MATHEMATICAL SCIENCES CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE**

See page 88 of this Catalog for the Mathematical Sciences Concentration requirements listed in the Associate of General Studies degree section.

**DEPARTMENT OF MUSIC**

Chair
Mr. Rob James
(859) 622-3266
Foster 101

Faculty

Mission Statement

The Department of Music is a community of teaching scholars and performing artists who provide undergraduate and graduate music degree programs of high quality with public concert of an artistic level for the citizens of the Commonwealth.

**BACCALAUREATE DEGREES**

**BACHELOR OF MUSIC (B.M.)**

**MUSIC**

*CIP Code: 50.0901*

**Program Objectives**

Upon successful completion of the Bachelor of Music program, graduates will be able to perform a recital in their major applied area, communicate effectively about the theoretical concepts in music, identify and analyze musical works from diverse cultures and historical periods. In addition, all music education majors will demonstrate the ability to sing and play a variety of instruments, develop lesson plans, and engage in effective teaching during a student teaching semester. All theory and composition students will demonstrate composition skills and present original compositions in public recitals as well as identifying an area of advanced analysis of musical works through a senior project. All music industry students will demonstrate music technology skills, identify trends in the many facets of this business field, and demonstrate an ability to work with professionals through cooperative learning experiences. All performance majors will prepare two performance recitals and analyze repertoire presented on those recitals, in addition to identifying different pedagogical approaches in their area.

A number of recent graduates of the Bachelor of Music program are furthering their education at graduate schools across the country, preparing to be performers and college/public school teachers. Many graduates are public school teachers across the country, performers/conductors in the church music field, professional composers or arrangers, on Broadway, in U.S. service bands, in professional orchestras, university professors, and music industry professionals in the recording, manufacturing, marketing, computer software, and sales fields.

**Admission to the Music Major Program**

Admission to the Bachelor of Music programs requires an audition and theory placement interview. The student is expected to demonstrate acceptable levels of achievement in performance in terms of intonation, tone quality and rhythmic accuracy. Incoming students will be expected to perform two selections of contrasting styles. May be accepted on probationary status at the discretion of the applied teacher and the department chair.

**Bachelor of Music Core Requirements**

**APPLIED MUSIC**

All music majors must complete a minimum of seven semesters of applied lessons with at least three of the semesters at the upper division levels (numbered 300 or 400). Applied students must complete a jury examination at the end of each semester. Each major is required to enroll in applied music every semester of full-time enrollment.

**Solo Recital Performance**

Each major is expected to perform the equivalent of a half recital (MUS 399) during the course of study.

**Ensemble Requirements**

Each major is expected to enroll in a major ensemble reflecting the major applied area of study every semester of full-time enrollment. Wind and percussion majors will enroll in MUS 256 Marching Band, MUS 255A or B/MUS 455A or B Symphonic or Concert Band, or MUS 235/435 Symphony Orchestra. With permission of the Department Chair, MUS 254/454 may be submitted for the major ensemble requirement for wind and percussion majors. Orchestral string majors will enroll in MUS

PHYSICS

CIP Code: 40.0801

Program Objectives

Upon completion of this program the graduate will: 1) be able to apply mathematics to analyze problems in Physics; 2) be able to use fundamental physical results, such as conservation laws, to study physical systems; 3) be able to analyze important processes occurring in physical systems. Additionally, graduates of this program will 1) be prepared for employment in Physics or a related field in the public or private sector; 2) be prepared for admission to a graduate program in Physics or a related field.
MAJOR REQUIREMENTS

Core Courses .................................................................24 hours
PHY 201(5), and 202(5); PHY 302 or 302W(4); PHY 310;
PHY 406 or 406W; PHY 460(4). At the discretion of the
chair, PHY 131 may be substituted for PHY 201.

Concentrations:
Physics (General) .........................................................18 hours
PHY 421, 422, 470, and 9 hrs from any physics course
numbered 300 and above, except PHY 506.

Engineering Physics .........................................................19 hours
EET 252, PHY 221, 315(4), 375, and 6 hrs from: CSC 300,
EET 253, 257, 305, 350, PHY 303, 402, 410(1-6), or
STA 270.

Supporting Course Requirements .....................................20 hours
CHE 111/111L(4)(GElement 4), 112/112L(4); CSC 174 or
190 (or any departmentally approved programming language
course); MAT 234*(4)(GElement 2) or 234H*(4)(GElement
2); MAT 244(4) or 244H(4); MAT 254(4) or 254H(4); MAT
353.

* A preparatory course (MAT 122) in mathematics may be
required before admission to MAT 234.

PhD 122 in mathematics may be
required before admission to MAT 234.

G = Course also satisfies a General Education element.

Free Electives** ..............................................................17-18 hours

TOTAL HOURS TO COMPLETE DEGREE .................120 hours

**Students who are interested in Medical Physics graduate
programs are encouraged to take EHS 510 as a free elective.

Program Objectives
Upon completion of this program the graduate will: 1) be
able to apply mathematics to analyze problems in the physical
sciences; 2) be able to use fundamental physical results, such
as conservation laws, to study physical systems; 3) be able to
apply analytical techniques to the analysis of structures and/or
mechanisms. Additionally, graduates of this program will:
1) be prepared to take and pass the Praxis exam in Physics; 2)
be prepared to teach Physics in a secondary school.

UNIVERSITY GRADUATION REQUIREMENTS

...40 hours

Program Objectives
Upon completion of this program the graduate will: 1) be
able to apply mathematics to analyze problems in the physical
sciences; 2) be able to use fundamental physical results, such
as conservation laws, to study physical systems; 3) be able to
apply analytical techniques to the analysis of structures and/or
mechanisms. Additionally, graduates of this program will:
1) be prepared to take and pass the Praxis exam in Physics; 2)
be prepared to teach Physics in a secondary school.

MAJOR REQUIREMENTS

Core Courses .................................................................30 hours
AST 135, and 335; PHY 201(5) or 131(5); PHY 202(5) or
132(5); 14 hrs of physics courses numbered 300 and above.

Supporting Course Requirements ..................................10 hours
BIO 100(6)(Element 4) or 102(6)(Element 4); CHE 111/111L(4)
(6Element 4), and 112/112L(4); MAT 234*(4)(6Element 2)
or 234H*(4)(6Element 2); MAT 244(4) or 244H(4).

Professional Education Requirements ................................37 hours
EDF 203, 204(2), 219, 413, EMS 300W, 474, 490, ESE 561,
SED 104 (6Element 6), 402(2); and 12 credit hours of Clinical
Experiences: CED 100(0.5), 200(0.5), 300(0.5), 400(0.5),
450(1), 499(9).

* A preparatory course (MAT 109) in mathematics may be
required before admission to MAT 124.

G = Course also satisfies a General Education element.

Total Hours University Graduation Requirements ...40 hours

Free Electives ..................................................................3 hours

TOTAL HOURS TO COMPLETE DEGREE ..........120 hours

ASSOCIATE DEGREE

ASSOCIATE OF APPLIED SCIENCE (A.A.S.)
SCIENCE FOR ENGINEERING
CIP Code: 14.9999

Program Objectives
Upon completion of this program the graduate will: 1) be
able to apply mathematics to analyze problems in the physical
sciences; 2) be able to use fundamental physical results, such
as conservation laws, to study physical systems; 3) be able to
apply analytical techniques to the analysis of structures and/or
mechanisms. Additionally, graduates of this program will:
1) be prepared for employment in the engineering technology career in
the public or private sector; 2) be prepared for entrance into a B.S.
program in engineering or a related field.

Major Requirements .....................................................18 hours
MAT 234*(4)(Element 2) or 234H*(4)(Element 2); MAT
244 or 244H(4); PHY 201(5), and 202(5).

G = Course also satisfies General Education element.

Supporting Course Requirements .................................14 hours
CHE 111/111L(4)(Element 4) and 361; CHE 112/112L(4);
CSC 174 or 190 (or any departmentally approved
programming language course); PHY 221 or TEC 190.
Minor in Physics

A student may complete a minor in physics by taking PHY 201, 202, and a minimum of eight additional hours of physics 300-level or above for a total of 18 hours. PHY 131 may be substituted for PHY 201, and PHY 132 may be substituted for PHY 202.

Minor in Physics/Teaching

A student may complete a teaching minor in physics by taking PHY 201 and 202 plus eleven additional hours in PHY or AST numbered 300 or above. PHY 131 may be substituted for PHY 201 and PHY 132 may be substituted for PHY 202. The teaching minor in physics must be coupled with a teaching major in biology, chemistry, computer science/mathematics, earth science, or mathematics.

Concentration

Physics and Engineering Concentration in the Associate of General Studies Degree

See page 88 of this Catalog for the Physics and Engineering Concentration requirements listed in the Associate of General Studies degree section.

Department of Psychology

Chair
Dr. Robert Brubaker
(859) 622-1105
Cammack 127

Faculty

Bachelor of Science (B.S.)
Psychology
CIP Code: 42.0101

Program Objectives

Upon completion of the Psychology degree graduates will:
1) show breadth and depth in their understanding of the major concepts, theoretical perspectives, empirical findings, and historical trends in psychology;
2) use critical and creative thinking and skeptical inquiry when critiquing and applying research methods in psychology;
3) respect and use critical and creative thinking, skeptical inquiry, and the scientific approach when solving problems related to behavior and mental processes;
4) understand and apply psychological principles in many areas of life including personal, social and organizational;
5) be able to weigh evidence, tolerate ambiguity, act ethically, and reflect other values that are the underpinnings of psychology;
6) demonstrate information competence and the ability to use technology for many purposes;
7) be able to communicate and collaborate effectively;
8) understand and apply knowledge of human diversity to better people’s lives;
9) develop insight into their own and others’ behavior and mental processes and apply effective strategies for self-management and self-improvement;
10) pursue realistic ideas about how to implement their psychological knowledge, skills, and values in occupational pursuits in a variety of settings that meet personal goals and societal needs.

University Graduation Requirements

- General Education Requirements
- University Requirement
- Free Electives
- Total Curriculum Requirements

* course also satisfies General Education element.

Concentration

Physics and Engineering Concentration in the Associate of General Studies Degree

See page 88 of this Catalog for the Physics and Engineering Concentration requirements listed in the Associate of General Studies degree section.

Baccalaureate Degrees

Bachelor of Science (B.S.)
Psychology
CIP Code: 42.0101

Program Objectives

Upon completion of the Psychology degree graduates will:
1) show breadth and depth in their understanding of the major concepts, theoretical perspectives, empirical findings, and historical trends in psychology;
2) use critical and creative thinking and skeptical inquiry when critiquing and applying research methods in psychology;
3) respect and use critical and creative thinking, skeptical inquiry, and the scientific approach when solving problems related to behavior and mental processes;

University Graduation Requirements

- General Education Requirements
- University Requirement
- Free Electives
- Total Curriculum Requirements

* course also satisfies General Education element.
Concentrations (Students may choose one or more concentrations. Those who do not choose one will be placed in the General Concentration):

Psychology (General) ....................................... 9 hours
9 hours of psychology electives. At least 3 hours must be numbered 400 or above. (PSY 280, 402 and 403 may not be used as a psychology elective.)

Substance Abuse ......................................... 12 hours
PSY 305, 405, 406, and 429

Developmental Disabilities/Autism

Spectrum Disorders ........................................ 12 hours
PSY 312, 406, 408; PSY 477 or 577.

Forensic Psychology ..................................... 12 hours
PSY 300, 305, 314, and 466.

Child and Family Psychology .......................... 12 hours
PSY 314, 405, 408, and one of the following: 318, 321, or 377.

Psychology of the Workplace ........................... 12 hours
PSY 300, 305, 319, and 590.

Brain and Cognitive Sciences ......................... 15-16 hours
PSY 315, 317, and 413; one of the following: PSY 333, 530, or approved 497/597; one of the following: BIO 171, 301, 371, CSC 160, MAT 234(4) or 234H(4), or PHI 352.

Free Electives ............................................. 28-35 hours

TOTAL HOURS TO COMPLETE DEGREE ............ 120 hours

Important Note for Transfer Students and Students who have changed their major: You should allow at least four semesters to complete the required psychology courses. It is strongly recommended that you take PSY 258 during your FIRST semester.

Students pursuing any of the Concentrations are strongly encouraged but not required to complete PSY 349, Co-operative Study, in the Concentration area.

Bachelor of Science (B.S.)

Animal Studies

CIP Code: 30.9999

Faculty

R. Brubaker (Psychology), E. Fredrickson (Agriculture), B. Freed (Anthropology, Sociology, & Social Work), A. Lawson (Psychology), R. Lorden (Psychology), P. Kopacz (English), R. Makecha (Psychology), S. McSpirit (Anthropology, Sociology, & Social Work), R. Mitchell (Psychology), L. Newhart (Philosophy & Religion), L. Noblitt (Government), B. Pratt (Agriculture), S. Sumithran (Biology), and S. Tsiang (English)

Program Objectives

Animal Studies (ANS) is an interdisciplinary major that concentrates on nonhuman animals, their interactions and relationships with people, and the mutual influences humans and nonhuman animals have on each other’s existence, evolution, and history. Students in Animal Studies receive training in sciences, humanities, and applied fields. Within their cross-disciplinary training, students will choose to emphasize at least one of these areas of study. Graduates of the program will gain knowledge of and be able to evaluate ideas about nonhuman animals, humans, and their mutual influences informatively from diverse perspectives. Upon completion of the ANS degree, graduates will be able to (1) analyze contexts and events concerning animals knowledgeably and from diverse points of view; (2) elucidate the motives and consequences for diverse human-animal interactions; (3) evaluate the impacts of human uses of and attitudes toward animals on individuals and communities, and on evolution and history; (4) integrate cross-disciplinary ideas into an awareness of divergent perspectives on animals and humans; and (5) use skills and expertise in understanding animals and humans to obtain employment.

UNIVERSITY GRADUATION REQUIREMENTS

• General Education ....................................... 36 hours
  • Student Success Seminar (GSD 101; waived for transfers with 30+ hrs.) ............................... 3 hours
  • Wellness ................................................................ 3 hours
  • Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
  • Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
  • ACCT - Animal Studies majors will fulfill ACCCT with ANS 400 or PSY 401. (Credit hours may be incorporated into program requirements below.)

Total Hours University Graduation Requirements ... 42 hours

MAJOR REQUIREMENTS

Core Courses .............................................. 53-55 hours

ANS 200, and courses in the following groups:

1. Arts & Humanities (12 hours): ANS 320; PHI 381; SOC 300; and ANS 310, 497, or three hours of a relevant arts or humanities course.

2. Science (14 hours): ANT 306 or 371; BIO 319(4); BIO 316(4) or 550(4); PSY 333.

3. Application (12 hours): AGR 125 and ANT 370; LGS 306 or WLD 380; three hours of a relevant applied learning or study abroad course.

4. Capstone: ANS 400 or PSY 401 or other relevant thesis option.

5. Electives: an additional 9-11 hours in relevant courses, as approved by student’s advisor or department head.

6. ANS 499: Senior Exit Course in Animal Studies

A minimum grade of “C” is required in all courses counted toward the major.

Supporting Course Requirements ..................... 1 hour

ANT 120(Element 5B), 201(Element 4); BIO 112(Element 4)

Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

Free Electives .............................................. 22-24 hours

TOTAL HOURS TO COMPLETE DEGREE ............. 120 hours

Minor in Psychology

Requirements for a minor are PSY 200 plus electives in PSY to total 18 hours. PSY 349, 402, and 403 cannot be counted toward the minor. A minimum grade of “C” is required of all courses counted toward the minor.
CONCENTRATION

### BIOLOGY/TEACHING B.S.

#### FRESHMAN YEAR
**First Semester**
- ASO 100B: 1
- BIO 111: 4
- CHE 111 (Gen. Ed. E-4): 3
- CHE 111L: 1
- Gen. Ed. E-1A: 3
- Total: 14-17

#### SOPHOMORE YEAR
**First Semester**
- BIO 319: 4
- CHE 361: 3
- CHE 361L: 1
- Gen. Ed. E-1C: 3
- Gen. Ed. E-3B: 3
- Wellness: 3
- Total: 17

Apply to professional education program - 30 hrs. complete

#### JUNIOR YEAR
**First Semester**
- EDF 204: 2
- CED 300: 0.5
- EMS 300W: 3
- BIO 315: 4
- PHY 131 (Gen. Ed. E-4): 5
- Gen. Ed. E-5B: 3
- Total: 17-5

#### SENIOR YEAR
**First Semester**
- ESE 561: 3
- CED 450: 1
- Gen. Ed. E-6: 3
- Total: 17

Apply for Student Teaching

### ENVIRONMENTAL STUDIES B.S. - LAND RESOURCES CONCENTRATION

#### FRESHMAN YEAR
**First Semester**
- ASO 100: 1
- BIO 111: 4
- GEO 210 or GLY 108: 3
- (Gen. Ed. E-4): 3
- Gen. Ed. E-1A: 3
- Wellness: 3
- Total: 14

#### SOPHOMORE YEAR
**First Semester**
- AGR 215: 3
- BIO 318: 4
- CHE 111 (Gen. Ed. E-4): 3
- CHE 111L: 1
- MAT 108: 3
- Gen. Ed. E-1C: 3
- Total: 14-17

#### JUNIOR YEAR
**First Semester**
- BIO 320: 4
- BIO 521 or 536: 3-4
- EHS 300 or 360: 4
- Gen. Ed. E-3A: 3
- Total: 17-18

#### SENIOR YEAR
**First Semester**
- ENG 300: 3
- Gen. Ed. E-5B: 3
- GEO 456: 3
- Total: 16

Supporting Elective: 1

### ENVIRONMENTAL STUDIES B.S. - NATURAL HISTORY CONCENTRATION

#### FRESHMAN YEAR
**First Semester**
- ASO 100: 1
- BIO 111: 4
- GEO 210 or GLY 108: 3
- (Gen. Ed. E-4): 3
- Gen. Ed. E-1A: 3
- Wellness: 3
- Total: 14

#### SOPHOMORE YEAR
**First Semester**
- BIO 318: 4
- CHE 111 (Gen. Ed. E-4): 3
- CHE 111L: 1
- EHS 280: 3
- Gen. Ed. E-5A: 3
- Total: 17-5

#### JUNIOR YEAR
**First Semester**
- BIO 320: 4
- BIO 536, 542, 556 or 557: 3
- Nat. Hs. Elective: 3
- Gen. Ed. E-3B: 3
- Gen. Ed. E-5A: 3
- Total: 16

#### SENIOR YEAR
**First Semester**
- BIO 553: 3
- ENG 300: 3
- Gen. Ed. E-5B: 3
- Gen. Ed. E-6: 3
- PHI 385: 3
- Total: 15

Free Elective: 2-3

Total: 12-14

School of Business

College of Business and Technology

Vision
EKU’s College of Business and Technology...The College of Choice:

- Inspiring minds
- Enriching communities
- Creating leaders
- Making a difference

College Core Values

- Integrity
  Morality, ethical behavior, trust, and honesty
- Respect
  Openness and consideration of ideas, approaches, and thoughts
- Diversity
  Characterized by equitable opportunities and respect of diverse peoples, ideas, and programs
- Accountability
  Individual responsibility and responsiveness to the needs of internal and external stakeholders/others
- Inclusiveness
  Stewardship: of place, of the environment, of the region
- Excellence
  Intellectual vitality; rejection of mediocrity; a recognized standard of competence and performance as reflected by employability, enrollment demand, continuous improvement, financial support and accreditation

School of Applied Arts and Technology

Dr. William E. Davis, Associate Dean
Business and Technology Center 214
(859) 622-1574

EKU’s School of Applied Arts and Technology is comprised of the Department of Agriculture; the Department of Applied Engineering & Technology; the Department of Communication and the Department of Military Science and Leadership (Army ROTC).

Department of Agriculture

Chair
Dr. John Settimi
(859) 622-2228
Carter 2

Faculty
J. Domenghini, E. Fredrickson, C. Hagan, M. McDermott, B. Pratt and A. Sexten

The Department of Agriculture offers Bachelor of Science and Associate of Applied Science degrees in Agriculture and Horticulture. Concentrations in the Agriculture degree program include Agribusiness Management, Pre-Veterinary Medicine, Animal Sciences, Agriculture Energy Systems Management, and Agronomy, Soils and Natural Resources. Concentrations in the Horticulture program include Agribusiness Management, Fruit and Vegetable Production, Landscape and Nursery, and Turfgrass Management. The Department also offers a joint degree program for Career and Technical Education - Agriculture Education Concentration. Minors are offered in agriculture and horticulture. Students may receive the Associate degree and then continue for a Bachelor degree with no loss of credit. Students must obtain a “C” average in Department classes. The Pre-Veterinary Medicine
program has an excellent veterinary school acceptance rate. More detailed information can be obtained by reading the section on Pre-Veterinary medicine.

Students have ample opportunities to personalize their education. Academic credit can be earned for Cooperative Education. Students may receive up to eight hours of Co-Op credit for the Associate Degree and 12 for the Bachelor of Science Degree. Students can also obtain credit for experiential learning in the Department’s facilities through practicum courses. In addition, students are encouraged to participate in Independent Studies with faculty mentors.

DEPARTMENT GOALS

The Department of Agriculture’s vision is to be the first choice of students interested in addressing issues relating to food, energy and the human environment within a sound economic framework.

The mission of the Department of Agriculture is to provide programs designed to develop leaders, entrepreneurs and educators for the global challenges in which agriculture plays a significant role. Areas of study include Pre-Veterinary Medicine, Agriculture Education, Agricultural Business, Food Production, the Human Environment, and Energy Production and Management.

Programs in the Department stress the latest technical information with applications through required laboratories and practicums at the University farms or through cooperative education. The Department operates greenhouses, a plant nursery and specimen garden and turf plots to support the instructional program in horticulture. The University owns and operates approximately 1000 acres devoted to the programs in agriculture. This includes state of the art facilities for beef, dairy, swine, sheep and crop enterprises used in our laboratory.

The Department will also provide service to the University, community, region, profession, and industry; provide opportunities for faculty/staff/student collaboration in scholarly and creative activities; and engage in continuous improvement processes to ensure its programs, services, and infrastructure are current and relevant.

EKU Farms will provide a technologically current, high quality learning environment for instruction. It will demonstrate agricultural practices and techniques that are consistent with the instructional program, are environmentally sound and have practical application. Information will also be disseminated to the regional agricultural community. EKU Farms will also promote and conduct service activities such as field days, tours, seminars, demonstrations, meetings, and open houses to serve the needs of diverse consumer groups.

PROGRAM OBJECTIVES

AGRICULTURE

Graduates in the agriculture program are well trained for careers in many diverse aspects of agriculture such as government agencies (Kentucky Department of Agriculture, USDA, Cooperative Extension Service, NRCS), 4-H programs, soil conservation, farm management and operations, agribusiness including agriculture financial agencies/institutions, sales, feed sales, food plant supervision, retail-store management, technical service, Career and Technical Education, and the livestock industry, to name a few. Students can also continue their education in graduate school or in veterinary medicine.

HORTICULTURE

With the abundance of hands-on practical experiences graduates in the horticulture programs pursue careers in the turf industry as golf course superintendents, sports turf managers, sales and service areas, professional landscape industry, the nursery industry, and in the floriculture/greenhouse industry.

CAREER AND TECHNICAL EDUCATION - AGRICULTURE EDUCATION CONCENTRATION

Graduates of the BS degree program in Career and Technical Education - Agriculture Education Concentration are prepared for teaching careers in secondary schools. They are prepared to lead programs in horticulture and agriculture and to advise their chapter’s FFA members in carrying out their annual program of activities.

Numerous opportunities are available for extracurricular activities to complement the academic training. These include the Agriculture Club, Horticulture Club, Delta Tau Alpha (honorary society), student chapter of the Golf Course Superintendents Association of America, Agronomy Club, and Pre-Vet Club. Numerous local and national trips are taken to expand students’ learning experiences.

Baccalaureate Degrees

Bachelor of Science (B.S.) AGRICULTURE

CIP Code: 01.0301

UNIVERSITY GRADUATION REQUIREMENTS

- General Education.......................................................... 36 hours
- Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.) .......................................................... 1 hour
- Wellness ..................................................................... 3 hours
- Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
- ACCT - Agriculture majors will fulfill ACCT with AGR 499 or AGR 509. (Credit hours may be incorporated into program requirements below.)

Total Hours University Graduation Requirements .40 hours

MAJOR REQUIREMENTS

College Requirement: Professional Skills Seminar. 1 hour
AGR 305 (1) and BTS 400 (CR only, no hours).

Core Courses ................................................................. 30 hours
AGR 115(2), 125, 126(1), 130, 131(1), 213(3), 215, 216(1), 308, 340, 409, 411(1), and three hours from AGR 301, 302(A-F), or 349.

Concentrations (select one):

Agribusiness Management ............................................. 40 hours
ACC 201, AGR 304(4), 310, 350, 440; AGR 499 or 509; select three courses (nine hours) in an agriculture speciality with advisor approval; 12 hours of upper level electives from AGR and/or OHO.

Agriculture Energy Systems Management ...... 38 hours
AGR 311(2), 319, 362(2), 381, 383, and 410 (3); AGR 499 or 509; AGR 570, EET 257, GEO 353, 456, and seven hours of upper level electives from AGR and/or OHO.

Agronomy, Soils and Natural Resources......... 38 hours
Admission into Auburn or Tuskegee Schools of Veterinary Medicine

Kentucky is a member of the Southern Regional Educational Board Plan under which legal Kentucky residents attend Auburn University School of Veterinary Medicine or Tuskegee Institute School of Veterinary Medicine. The program is funded by an appropriation of the General Assembly to the Kentucky Council on Post-Secondary Education. A limited number of students who have completed pre-veterinary requirements are selected on a competitive basis by Auburn or Tuskegee each year and are exempt from out-of-state tuition. Both veterinary schools have similar entrance requirements, including a GRE examination.

Students should have a grade point average of 3.4 to be competitive. Students need to pass all pre-veterinary required courses with a grade of “C” or better. Courses in organic chemistry and physics must have been completed within six years of entry into the school of veterinary medicine. Students applying to Auburn use the Veterinary Medical College Application Service (VMCAS). Students apply directly to Tuskegee. Application deadlines for both are October 1. Students are expected to gain veterinary experience by working directly with a D.V.M.

Pre-Professional

Pre-Veterinary Medicine Pathways

For students who have a strong interest in veterinary medicine, the Department of Agriculture offers two concentrations in this program of study. Each concentration is tailored to meet the entrance requirements for either Auburn University School of Veterinary Medicine or Tuskegee Institute School of Veterinary Medicine. These schools have seats specifically designated for Kentucky residents. The student may be advised differently when applying to other veterinary schools since entrance requirements vary. Upon completion of the degree, the student is also awarded a Minor in Chemistry.

Pathway 1: Pre-Veterinary Transfer Concentration – B.S. in Agriculture

The student intends to apply and hopes to transfer to a school of veterinary medicine after their 3rd year at EKU. Students who intend to follow this pathway declare a B.S. in Agriculture as their major and the pre-vet transfer option as the concentration.

Students can then complete the B.S. degree from EKU by transferring credits from the first year of veterinary school back to EKU. Students not accepted after the junior year may elect to stay at EKU and change to the concentration below and then reapply to a school of veterinary medicine.

Pathway 2: General Pre-Veterinary Concentration – B.S. in Agriculture

Student intends to earn a B.S. degree in Agriculture at EKU and applies for admission into a school of veterinary medicine. Students will typically apply to a school of veterinary medicine during the fall of their senior year at EKU. Students who intend to follow this pathway declare a B.S. in Agriculture as their major and the general pre-vet option as the concentration.

Additional Veterinary School Requirements......18-20 hours

CHE 361/361L, 362/362L, and 431; two classes of science electives from BIO 315(4), 320(4), 348, 546(4) or PHY 132(5). Courses listed are those required by Auburn School of Veterinary Medicine for students with a Baccalaureate degree prior to starting veterinary school.
Supporting Course Requirements .......................... 18-20 hours
BIO(STEM Element 4) 111(4), 112(4), 331; CHE(STEM Element 4) 111/111L, 112/112L; ECO 120 (STEM Element 5B); select one class from: MAT(STEM Element 2) 120, 122 (5), 211, or 234(4); PHY 131(5).
STEM = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

Free Electives ....................................................... 0-3 hours

TOTAL HOURS TO COMPLETE DEGREE ....... 120-123 hours

Bachelor of Science (B.S.)
Agriculture
Pre-Veterinary Transfer Concentration

UNIVERSITY GRADUATION REQUIREMENTS
• General Education .................................................. 36 hours
• Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.) ....................................................... 1 hour
• Wellness .................................................................... 1 hour
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Agriculture majors will fulfill ACCT with AGR 499 or AGR 509. (Credit hours are incorporated into major requirements below.)

Total Hours University Graduation Requirements ... 40 hours

MAJOR REQUIREMENTS
College Requirements .................................................. 1 hour
AGR 305 (1)

Core Courses .......................................................... 28-29 hours
AGR 321(4) or 421, and 499 or 509; 22 hours of agriculture classes in consultation with advisor.

Core Requirements ................................................... 4 hours
AGR 125, and 126(1).

Additional Veterinary School Requirements ....... 33-36 hours
Courses listed below are those required by Auburn School of Veterinary Medicine for students transferring, without a Baccalaureate degree, prior to starting veterinary school.
CHE 112/112L, 361/361L, 362/362L, and 431; two classes of sciences elective from AGR 374, 375, or 376, BIO 315(4), 320(4), 348(4), 546(4), or PHY 132(5); six additional hrs of arts & humanities (beyond any taken to meet general education); six hours of social and behavioral science electives (beyond any taken to meet general education). A six-hour sequence is required in either literature or history.

Supporting Course Requirements .......................... 14-16 hours
ART 200(STEM Element 3A), MUH 171(STEM Element 3A) or THE 100(STEM Element 3A); BIO(STEM Element 4) 111(4), 112(4), and 331; CHE 111/111L(4) (STEM Element 4); ENG(STEM Element 3B) 211 or 212; MAT(STEM Element 2) 120, 122(5), 211, or 234(4); PHY 131(5).
STEM = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above. Note that a maximum of six credit hours will apply to Gen Ed Element 6.

TOTAL HOURS TO COMPLETE DEGREE ....... 120-126 hours

Bachelor of Science (B.S.)
Career and Technical Education/Teaching
Agriculture Education Teacher Certification
CIP Code: 13.1319

Offered in cooperation with the Department of Applied Engineering and Technology.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education .................................................. 36 hours
• Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.) ....................................................... 1 hour
• Wellness .................................................................... 3 hours
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
ACCT - Career and Technical Education majors will fulfill ACCT with CTE 463 or ESE 499. (Credit hours are incorporated into program requirements below.)

Total Hours University Graduation Requirements ....... 40 hours

MAJOR REQUIREMENTS

College Requirements:
BTS 300(CR only, no hours) and 400 (CR only, no hours).

Pre-Service Teacher Education Program
Career and Technical Education Requirements ........... 9 hours
CTE 262, 361, and 363.

Agriculture Education (includes all areas below) ........ 45 hours
Animal Science AGR 125, 126 and one class from AGR 321, 327, 328 or 380;
Agricultural Systems Management AGR 213 and one class from AGR 272, 311, 362 or 383;
Soil Science AGR 215 and one class from AGR 315, 317, or 318;
Plant Science AGR 130, 131 or OHO 131, 132 and one class from AGR 312, 417 and OHO 384 or 385;
Agriculture Business AGR 308 and one class from AGR 310, 350, 409 or 440. AGR 304, 305 (1) plus Agriculture or Horticulture electives to make 45 credit hours selected in consultation with your advisor.

Professional Education Requirements ..................... 31 hours
EDF 203(1), 219, 413(2), EMS 300W (1), 474, 490(1), ESE 552, SED 402(2), *TEC 368, and 12 credit hours of Clinical Experiences: CED 100 (0.5), 200(0.5), 300(0.5), 400(0.5), 450(1), 499(9).
STEM = Course also satisfies a General Education element. Hours are included within the 36 hours in General Education.
*Course also satisfies Core or Concentration requirements

Supporting Course ................................................... 0 hours
MAT 114 (STEM Element 2) or higher; SED 104* (STEM Element 6).
STEM = Course also satisfies a General Education element. Hours are included within the 36 hours in General Education.
*Course meets Professional Education Requirements.

Free Electives ......................................................... 0-7 hours
Candidates earning a degree that leads to pre-service teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (http://www.kyepsb.net/assessment/index.asp AND www.ets.org/praxis). Specially exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams. Career and Technical Education concentrations require all pre-service students to meet the general education knowledge for initial teacher preparation requirements (see College of Education section of this Catalog).

The BS degree program in Career and Technical Education is accredited by the National Council for Accreditation of Teacher Education.

The BS degree program in Career and Technical Education is accredited by the National Council for Accreditation of Teacher Education.

Total Hours University Graduation Requirements...61-62 hours

Courses meeting general education requirements.
**MINORS**

**MINOR IN AGRICULTURE**

Requirements........................................................................18 hours

A minor consists of 18 hours of agriculture classes arranged between the Department Chair and the student seeking the minor. The objective is to meet the student’s need for a minor. Six or more hours shall be upper division courses and a minimum of six hours are to be taken at EKU. Courses counted toward a horticulture major may not be counted toward a minor. Transfer classes are to be evaluated by the Department Chair.

**MINOR IN HORTICULTURE**

Requirements........................................................................18 hours

A minor consist of 18 hours of ornamental horticulture classes arranged between the Department Chair and the student seeking the minor. The objective is to meet the student’s need for a minor. Six or more hours shall be upper division courses and a minimum of six hours are to be taken at EKU. Courses counted toward an agriculture major may not be counted toward a minor. Transfer classes are to be evaluated by the Department Chair.

**MINOR IN SOILS**

Requirements........................................................................18 hours

A core of courses consisting of 18 hours may be taken for a minor in soils. Courses are AGR 130, 131(1), 215, 216(1), 340, 345; 349(1) or 410(1), and 416. At least six hours must be taken at EKU. Transfer classes are to be evaluated by the Department Chair. No more than nine hours of course work taken toward a major may be counted toward the soils minor.

**DEPARTMENT OF APPLIED ENGINEERING AND TECHNOLOGY**

**Chair**

Dr. L. Tim Ross  
(859) 622-3232  
Whalin 302

**Faculty**

**DEPARTMENT GOALS**

The Department of Applied Engineering and Technology seeks to provide an educational experience relevant to current and future societal needs to meet global economic and industrial trends. Programs in Applied Engineering and Technology prepare professionals for careers in Applied Engineering Management.

Aviation, and Network Security and Electronics through the Bachelor of Science degree programs; prepare technicians for careers in Applied Engineering and Computer Electronics Technology through concentrations in the Associate of Applied Science in Technology degree program; prepare professionals for careers in Career and Technical Education through certification, Associate of Applied Science, Bachelor of Science and Master of Science degree programs; prepare professionals for advanced career opportunities in Applied Engineering and Technology Management through the Master of Science degree program; and to provide programs of quality instruction and professional services to the University and to the community.

**Federal Aviation Administration**

**AVIATION**

The EKU aviation program offers a Bachelor of Science degree in Aviation with three concentrations: Aerospace Management, Aerospace Technology, and Professional Flight. These concentrations combine courses in business management, communication, math, computer science and general education. The Aerospace Management Concentration prepares students for exciting professional careers in all aspects of the aerospace industry from a management perspective whereas the Professional Flight Concentration prepares students for careers as pilots. The Professional Flight Program is an FAA Part 141 approved Flight School and the only university program to offer 100 hours of multi-engine flight coupled with the 1000 hour restricted ATP certificate.

The Aerospace Technology (AT) degree is a degree-completion concentration. By adding upper division aerospace management and operations studies, the Bachelor’s degree AT concentration is specifically designed to complete a two-year community college degree with a heavy technical aviation course load. Examples of aviation technical degrees include Airframes & Power Plants (A&P), a two-year helicopter and/or airplane proflight degree, or any two-year career technical (CTE) degree partnered with a local flight school. Additionally, non-degreed airline pilots with the Airline Transport Pilot (ATP) certificate may complete their bachelor’s degree with this concentration.

**American Council for Construction Education**

**CONSTRUCTION MANAGEMENT**

Graduates of the Construction Management program are prepared for careers with general contracting firms, starting in a variety of management positions. Typical entry-level positions include: assistant project manager, estimator, superintendent, project scheduler, cost engineer, and field engineer. The Construction Management program is accredited by the American Council for Construction Education. Graduates of this program will have oral, written and graphic communication skills for successful performance in a construction environment; possess functional computer skills including the utilization of general and construction
application software; apply mathematical and scientific skills in the management and execution of construction projects; apply the concepts of management, accounting, economics and ethics in the management and execution of construction projects; possess a basic understanding of the science of materials and the methods by which they are placed into service; possess the essential plan reading, quantity takeoff and pricing skills to function as a junior estimator; be able to prepare a project budget, analyze cost reports and make cash flow projections for a project; be able to prepare a project schedule, monitor progress toward completion, and update the schedule as needed; possess a basic knowledge of OSHA standards and be able to establish and enforce a safety plan on a job site, be able to interpret site plans, establish horizontal and vertical control on a site, and perform layout for buildings and utilities; be able to administer situations on a project site, including evaluation of subcontractor pay requests, writing of purchase orders, and recording change orders, subcontracts, shop drawings, and daily reports; and perform in an acceptable manner in internship work assignments.

**Engineering/Technology Education Concentration**

Graduates of the Engineering/Technology Education concentration of the B.S. degree program in Career and Technical Education are prepared for teaching careers at the middle school and high school levels. An Engineering/Technology Education teacher is prepared to enjoy a career that is rewarding in many ways. The opportunity to plan and guide the learning experiences of students in the use of robots, computers and other “high tech” equipment in problem solving and production activities are rewards found in few other professions.

Graduates of the Engineering/Technology Education concentration of the Career and Technical Education program will complete a student teaching experience in a professional setting; will be able to prepare a portfolio that includes instructional material development, samples of assessment and a professional growth plan; and will be able to demonstrate technical competence in the areas of 1) basic engineering/technology, 2) civil engineering/technology, 3) electrical engineering/technology, and 4) mechanical/industrial engineering technology.

**Technical Education Concentration**

Graduates of the Technical Education concentration of the B.S. degree program in Career and Technical Education are prepared for teaching careers in secondary schools and post-secondary technical colleges in technical areas such as: computer electronics, computer aided drafting (CAD), graphic arts and other technical occupational areas. A concentration is also offered in Occupational Training Development for those interested in training for business and industry.

Graduates of the Technical Education concentration of the Career and Technical Education program will be able to plan and implement instruction for technical education courses; be able to develop and analyze assessment instruments for technical education courses; be able to develop and apply appropriate teaching strategies for technical education courses; be able to complete a Practicum in Career and Technical Teaching in a professional setting; and will be able to demonstrate occupational/technical competence by obtaining discipline-specific expertise.

**Occupational Training and Development Concentration**

Graduates of the Occupational Training and Development concentration of the B.S. degree program in Career and Technical Education are prepared to plan and implement instruction for technical courses in a business and industry setting; are able to develop and analyze assessment instruments for technical courses; are able to develop and apply appropriate teaching strategies for technical courses; and are able to complete a Practicum in Career and Technical Teaching.

The BS program in Career and Technical Education is accredited by the National Council for Accreditation of Teacher Education.

**ASSOCIATE OF APPLIED SCIENCE**

The Department of Applied Engineering and Technology also offers Associate of Applied Science degree programs (two-year programs) in Technology and Career and Technical Education. The Associate of Applied Science degree in Technology offers the student a choice of technical concentration in: Applied Engineering or Computer Electronics. The AAS degree program in Technology is accredited by the Association of Technology, Management, and Applied Engineering.
ASSOCIATE OF APPLIED SCIENCE - TECHNOLOGY

Applied Engineering
Graduates of this program concentration are prepared to become applied engineering technicians who work in product design, research and development, manufacturing, and service related jobs. Students will become familiar with the technologies that are essential for business and industry wanting to remain competitive in a global economy.

Graduates will demonstrate proficiency in the fundamentals of chemistry, physics, electricity and electronics, manufacturing processes, lean, quality, practical statistical methods, and computer aided drafting or design applications to communicate and solve design problems.

Computer Electronics
Graduates of the Computer Electronics (CE) program concentration are prepared for rewarding careers as computer electronic technicians in the public and private sector. Computer Electronics program graduates are qualified to obtain jobs in a wide variety of information technology, manufacturing and service industries. These jobs require skilled technicians for installing, troubleshooting and maintaining microprocessor-based systems, programmable logic controllers, computer hardware and software.

Graduates of the CE concentration of the AAS in Technology program will demonstrate fundamental knowledge in electricity/electronics at the technician’s level; demonstrate proficiency in basic computing skills; demonstrate proficiency in basic networking skills relevant to LAN/WAN environments; and demonstrate effective communication skills while conveying information to technical and non-technical audiences.

ASSOCIATE OF APPLIED SCIENCE - CAREER AND TECHNICAL EDUCATION

The Career and Technical Education Associate of Applied Science Degree program is designed for in-service technical teachers employed in area technical centers and post-secondary technical schools. Graduates of the Career and Technical Education AAS degree program will be able to plan and implement instruction for technical education courses; develop and analyze assessment instruments for technical education courses; develop and apply appropriate teaching strategies for technical education courses; and complete a Practicum in Career and Technical Teaching.

MINORS
The department also offers minors in Applied Engineering Management, Aviation Administration, Aviation (Flight), Computer Electronics Technology, Construction Management, and Quality Assurance.

ENDORSEMENT/CERTIFICATES
A university certificate in Land Surveying, and a Career and Technical Education certificate program for in-service technical teachers are also offered by the Department of Applied Engineering and Technology.

Baccalaureate Degrees

BACHELOR OF SCIENCE (B.S.)
APPLIED ENGINEERING MANAGEMENT
CIP Code: 15.1501

Prior to enrolling in the last 60 hours of the Applied Engineering Management degree program students must complete AEM 195, 201, and 202; CHE 101, 101L (1) or CHE 111, 111L (1); MAT 120, and PHY 131; STA 215 or 270; TEC 161, and have an overall 2.0 GPA and 2.25 major GPA. Graduates must have an overall GPA of 2.25 in the major with no major grade below a “C”. Transfer students will be treated on an individual basis.

The Applied Engineering Management program is accredited by the Association of Technology, Management, and Applied Engineering.

UNIVERSITY GRADUATION REQUIREMENTS

• General Education .................................................. 36 hours
• Student Success Seminar ......................................... 1 hour (BTO 100; waived for transfers with 30+ hrs.)
• Wellness .......................................................... 3 hours
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT Applied Engineering Management majors fulfill ACCT with AEM 499. (Credit hours are incorporated into program requirements below.)

Total hours University Graduation Requirements ........40 hours

MAJOR REQUIREMENTS

College Requirement
BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours).

Core Courses .......................................................... 49 hours
AEM 195, 201, 202, 301, and 308; AEM 310 or 310W; AEM 330, 332, 349(1), 352, 371, 390, 407, 408, 499; EET 251, and TEC 161.

Applied Engineering Management Electives ........... 12 hours
+Select 12 hours from the following technical electives. Note that 9 hours must be upper division: AEM 320, 336, 382, 383, 392, 395, 397, 506; AEM 530, or STA 585; CON 303, EET 252, 350, 351, 452; NET 440 or TEC 190.

Supporting Course Requirements ............................ 12 hours
CHE 101/101L(4) (*Element 4) or 111/111L(4) (*Element 4); CON 420 or ECO 300; ECO 230 (*Element 5B); MAT 120 (*Element 2) and 211, or 261, or six hours of higher level MAT courses; PHY 131(5) (*Element 4); STA 215, or 270.

* = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education requirement above. A maximum of 6 hours can apply toward Element 4.

Exit Exam Requirement ............................................ 0 hours
AEM 467
Students must take an AEM assessment examination before graduation. An exam fee is required.

Free Electives ...................................................... 7 hours
Students accepted to the 3+2 Accelerated Dual Degree Program are able to complete their B.S. degree and M.S. degree within five calendar years because of the accelerated curriculum and because nine semester hours of graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

Admission Requirements:
Students interested in this program must satisfy all the following conditions:
1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 program.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education .......................................................... 36 hours
• Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.) ........................................... 1 hour
• Wellness .................................................................. 3 hours
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT Applied Engineering Management majors fulfill ACCT with AEM 499. (Credit hours are incorporated into program requirements below.)

Total Hours University Graduation Requirements ... 40 hours

MAJOR REQUIREMENTS
College Requirement
BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours)
AEROSPACE TECHNOLOGY................................................................. 34 hours
AVN 360, 390, 435, and twenty-five credit hours of aviation technical electives.

Supporting Course Requirements ............................................ 12-14 hours
AVN 335 or GEO 315; ECO 230 (ᑉElement 5B); MAT 107, 114 or higher (ᑉElement 2); MGT 300 or 301; PHY 101 or higher (ᑉElement 4); STA 215 or QMB 200; TEC 161.
emoth Course also satisfies a General Education element. Supporting hours are included within the 36 hr. General Education requirement above.

Free Electives.................................................................................. 0-3 hours

Exit Exam Requirement:
Students must take an Aviation exit examination before graduation.

AVN 467 (CR only).............................................................................. 0-3 hours

TOTAL HOURS TO COMPLETE DEGREE ...............................120 hours

Note: Students must take an Aviation exit examination before graduation. Also, one 3-credit course from the Gen Ed requirements must be a Writing Intensive course with a suffix of “W.” AVN 470 must be taken by proflight students seeking the new 1000-hour Restricted ATP certification.

BACHELOR OF SCIENCE (B.S.)
CAREER AND TECHNICAL EDUCATION/TEACHING
CIP Code: 13.1319

UNIVERSITY GRADUATION REQUIREMENTS

- General Education........................................................................ 36 hours
- Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.)................................................................. 1 hour
- Wellness .................................................................................. 3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Career and Technical Education majors will fulfill ACCT with CTE 463 or ESE 499. (Credit hours are incorporated into program requirements below.)

Total Hours University Graduation Requirements .... 40 hours

MAJOR REQUIREMENTS

College Requirements:
BTS 300(CR only, no hours) and 400 (CR only, no hours).
Pre-Service Teacher Education Program
Career and Technical Education Requirements...9 hours
CTE 262, 361, and 363.

Agriculture Education (includes all areas below) 45 hours
Animal Science AGR 125, 126 and one class from AGR 321, 327, 328 or 380; Agricultural Systems Management AGR 213 and one class from AGR 272, 311, 362 or 383; Soil Science AGR 215 and one class from AGR 315, 317, or 318; Plant Science AGR 130, 131 or OHO 131, 132 and one class from AGR 312, 417 and OHO 384 or 385; Agriculture Business AGR 308 and one class from AGR 310, 350, 409 or 440. AGR 304, 305 plus Agriculture or Horticulture electives to make 45 credit hours selected in consultation with your advisor.

Technical Education**................................................................. 45 hours
45 semester hours of technical courses to be chosen in consultation with the advisor. A maximum of 18 semester hours (in CTE 204, 205, 206, 304, 305 and 306 may be allowed by proficiency examination; TEC 349*[9 hours]).

Engineering/Technology Education** ....................................... 45 hours
AEM 195, 201, 371, 383, CON 121, 201, 294, EET 252, NET 302, 303, TEC 161, 190, 303, 404; select three hours from AVN 150, GCM 211, TEC 102 and 141.

Professional Education Requirements .................................... 31 hours
EDF 203(1), 219, 413(2), EMS 300W(1), 474, 490(1), ESE 552, SED 104*(ᑉElement 6), 402(2), *TEC 368, and 12 credit hours of Clinical Experiences: CED 100 (0.5), 200(0.5), 300(0.5), 400(0.5), 450(0.5), 499(9).
emoth Course also satisfies a General Education element. Hours are included within the 36 hours in General Education.
*Course meets Professional Education Requirements.

In-Service Teacher Education Program
Professional Education Core..................................................... 25 hours
CTE 164, 261, 361, 363, 364, 463(4), EDF 320, and TEC 161.
In-Service Teacher Education/Training and Development
Concentrations:
Technical Education................................................................. 45 hours
45 semester hours of technical courses to be chosen in consultation with the advisor. A maximum of 18 semester hours (in CTE 204, 205, 206, 304, 305 and 306 may be allowed by proficiency examination).

Occupational Training and Development................................ 45 hours
Technical courses chosen in consultation with advisor. A maximum of 18 semester hours (in CTE 204, 205, 206, 304, 305 and 306 may be allowed by proficiency examination).

Supporting Course...................................................................... 36 hours
MAT 114 (ᑉElement 2) or higher; SED 104* (ᑉElement 6).
emoth Course also satisfies a General Education element. Hours are included within the 36 hours in General Education.
*Course meets Professional Education Requirements.

Free Electives............................................................................... 0-7 hours

TOTAL HOURS TO COMPLETE DEGREE ........ 120-125 hours

**Graduates completing the Pre-Service Teacher Education concentration must have a minimum of 2000 clock hours of planned and supervised work experience in the occupation in which they will teach or a minimum of three years of approved work experience in the occupation in which they will teach. Students must also take the PRAXIS II Specialty Examination before graduation.

Candidates earning a degree that leads to pre-service teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (http://www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education.
advisor/counselor to determine the most optimal time to take required exams.
† Those desiring eligibility to teach in pre-engineering education programs at the middle school and high school level should take the following general education courses: CHE 111, MAT 114, 120, PHY 131.

Career and Technical Education concentrations require all pre-service students to meet the general education knowledge for initial teacher preparation requirements (see College of Education section of this Catalog).

The BS degree program in Career and Technical Education is accredited by the National Council for Accreditation of Teacher Education.

** Bachelor of Science (B.S.) Construction Management **

Students accepted to the 3+2 Accelerated Dual Degree Program are able to complete their B.S. degree and M.S. degree within five calendar years because of the accelerated curriculum and because nine semester hours of graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree.

Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

**Admission Requirements:**

1. Students interested in this program must satisfy all the following conditions:
2. Junior or Senior standing
3. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
4. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
5. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 program.

**UNIVERSITY GRADUATION REQUIREMENTS**

- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Network Security and Electronics majors will fulfill ACCT with NET 499. (Credit hours may be incorporated into Major or Supporting requirements)

**Total Hours University Graduation Requirements ... 40 hours**

**MAJOR REQUIREMENTS**

**College Requirement: Professional Skills Seminar**
BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours).

**Core Courses** .................................................. 46 hours
AEM 352 or EET 253 or 351; AEM 801, EET 251, 252, 257, NET 302, 303, 343, 344, 349(1), and 354; NET 395 or 440; NET 403, 454, 499, and TEC 830.

**Supporting Courses** ........................................... 31 hours
AEM 202; AEM 310 or 310W; AEM 408, and 804; CHE 101/101L(4), or higher (*Element 4); CSC 160, and three hours of higher CSC courses; ECO 230 or higher (*Element 5b); MAT 114 (*Element 2) or higher; MAT 120 (*Element 2); PHY 101, or higher (*Element 4); STA 215 or 270; TEC 161, and three hours of ACC, AEM, CSE, CIS, FIN, GBU, MKT, QMB, or RMI electives as approved by major advisor.

- Course also satisfies a General Education element. A maximum of six hours will count toward Element 4. Hours are included within the 36 hr. General Education requirement above.

**Free Electives** ................................................. 3 hours

**Exit Requirement**
NET 467 ............................................................. 0 hours
Students must take an exit examination before graduation. An exam fee is required.

**TOTAL HOURS TO COMPLETE DEGREE ........... 120 hours**

The department of Applied Engineering and Technology’s Network Security and Electronics degree program has an articulation agreement for transfer of credit and cooperation with Bluegrass Community and Technical College’s (formerly Lexington Community College) Associate in Applied Science degree in Engineering Technology with Electrical Specialization.

*Prerequisites may be required for some course selections.

Students must take at least one computer systems, networking, security, electronics, or telecommunications technology certification or license exam approved by the advisor.

Students must take a network Security and Electronics exit examination before graduation. Graduates must have an overall GPA of 2.25 in major requirements.

The Network Security and Electronics program is accredited by the Association of Technology, Management, and Applied Engineering (ATMAE).
ASSOCIATE OF APPLIED SCIENCE (A.A.S.)
CAREER AND TECHNICAL EDUCATION (TEACHING)

CIP Code: 13.1319

Note: Enrollment in this program is restricted to in-service technical teachers and graduates of a technical program at a Community or Technical College.

UNIVERSITY GRADUATION REQUIREMENTS

- General Education ........................................... 20-21 hours
  Elements: 1A, and 1B (ENG 101, 102, or 105 with a grade of “A” or “B”); 2 (MAT 114 or higher); any 3A or 3B; 5A or 5B; five hours of any other General Education coursework.
- Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.) .............................................. 1 hour

Total Hours University Graduation Requirements ...... 21-22 hours

MAJOR REQUIREMENTS

The AAS degree program in Career and Technical Education is accredited by the National Council for Accreditation of Teacher Education.

Graduates of this program must have a minimum of 4,000 hours of supervised work experience or four years of occupational experience in the area to be taught.

Core Courses ......................................................... 24 hours
   TEC 161; 21 hr from the technical area, or related to the area in which the individual proposes to teach, as approved by the advisor; a minimum of nine hrs (CTE 204, 205, 206) may be earned by proficiency examination; nine hours credit may be supervised work experience (TEC 349).

Supporting Courses .................................................. 21 hours
   CTE 261, 361, 364, 463*(12).
   *In-service teachers should substitute CTE 166, 363, 463 (4), and EDF 319 or SED 104 for CTE 463 (12).

Exit Exam:
   Students must take a professional career and technical education assessment and the Teacher Occupational Competency Test (TO CT) before graduation.

TOTAL HOURS TO COMPLETE DEGREE .......... 66-67 hours

The AAS degree program in Technology is accredited by the Association of Technology, Management, and Applied Engineering (ATMAE).

MINORS

MINOR IN AEROSPACE MANAGEMENT
   Aviation Program

Requirements .................................................... 18 hours
   A student may minor in aerospace management by completing a minimum of 18 semester hours as follows: AVN 150, 315, 340, 350, 460, and three hours of approved electives.

MINOR IN APPLIED ENGINEERING MANAGEMENT
   Requirements .................................................... 18 hours
   TEC 190, AEM 201, 202*, 308, and six hours of AEM upper division electives. No more than nine hours of courses taken for a major may be counted toward this minor.
   *MAT 114 or higher and STA 215 or 270 are prerequisites for AEM 202.

MINOR IN AVIATION (FLIGHT)
   Aviation Program

Requirements .................................................... 23 hours
   A student may minor in aviation (flight) by completing a minimum of 23 semester hours as follows: AVN 150, 192, 192A, 193A, 220, 221A, 222A, 300, 315; GEO 315.

MINOR IN COMPUTER ELECTRONICS TECHNOLOGY
   Requirements .................................................... 18 hours
   EET 251, 252, (EET 253 or 351 or AEM 352), NET 302, 303, and (NET 343 or NET 354 or 395 or upper-division NET course approved by advisor). Prerequisites may be required for some course selections.

Exit Exam:
   Students must take an assessment examination for completing the minor. NET 367b (CR only, no hours).

MINOR IN CONSTRUCTION MANAGEMENT
   The Construction Management minor provides technical and managerial knowledge about the construction industry. It

Back to Table of Contents
is an appropriate supplement to a student who is majoring in a profession affiliated with construction. This minor is particularly relevant to students majoring in business, insurance, management, manufacturing, and marketing.

**Requirements** .................................................................21 hours

CON 121, 201, 202, 294, 323, 324, and 421. No more than nine hours of courses taken for a major may be counted toward this minor.

**MINOR IN DIGITAL IMAGING DESIGN**

This minor provides students with the ability to create professional quality documents using the latest in computer technology. Students from various majors have found that the information and skills taught in these courses have been very valuable in assisting them to be successful in their occupation.

**Required Courses** ...............................................................12 hours

GCM 211, 217, 313 and 317.

**Supporting Courses** ............................................................6 hours

Select six semester hours from GCM 255, 316, 318, 319, 355 and 455.

**Total Requirements** .................................................................18 hours

**MINOR IN LAND SURVEYING**

Designed to prepare students to take the Fundamentals of Land Surveying Examination (administered by the Kentucky State Board of Licensure for Professional Engineers & Land Surveyors) upon completion of the core curriculum in land surveying or during final year in a Baccalaureate Degree program if twelve (12) hours or more of the core curriculum in land surveying have been completed. This minor program includes all requirements of the core curriculum in land surveying.

**Requirements** .................................................................21 hours

CON 221, 294, 320, 321; GEO 353, 425, 455. Non-Construction Management majors must also take GBU 204.

**MINOR IN QUALITY ASSURANCE TECHNOLOGY**

**Requirements** .................................................................18 hours

STA 215 or 270, AEM 202, 332, 336, 506, and 530 or STA 585. No more than nine hours of courses taken for a major may be counted toward this minor.

**MINOR IN WEB PUBLISHING**

A minor in Web Publishing will add a valuable set of skills to a student’s portfolio for many different majors. Students learn to create professionally designed web sites using current web standards.

**Requirements** .................................................................18 hours

CIS 240; GCM 255, 313, 355, 455; NET 303.

**APPLIED ENGINEERING AND TECHNOLOGY CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE**

See page 88 of this Catalog for the Applied Engineering and Technology Concentration requirements listed in the Associate of General Studies degree section.

**COMPUTER NETWORKING SYSTEMS CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE**

**CERTIFICATES**

**UNIVERSITY CERTIFICATE IN LAND SURVEYING**

The curriculum for the Land Surveying Certificate is aimed at students who have, or are pursuing, a four-year degree in a program other than land surveying from a college or university of recognized standing. This certificate program includes all requirements of the Kentucky core curriculum in Land Surveying. Upon completion of this curriculum, students will receive a certificate permitting them to take the Kentucky Fundamentals of Land Surveying Examination.

**Requirements** .................................................................24 hours

CON 221, 294, 320, 321; GBU 204; GEO 353, 425, 455.

**CAREER AND TECHNICAL EDUCATION PROFESSIONAL CERTIFICATION**

Enrollment in this program is restricted to those who are currently employed as technical teachers and required to become certified as teachers of Career and Technical Education: Industrial Education.

**General Education Requirements** ...........................................20 hours

ENG 101, 102; MAT 114; three hours of General Education humanities, three hours of General Education social science and five hours of General Education electives.

**Professional Education Requirements** .....................................22 hours

CTE 164, 261, 361, 363, 364, 463 (4 hrs.); EDF 319 or SED 104.

**Major Requirements** .............................................................24 hours

TEC 161 and 21 hours chosen from the technical area, or related to the area, in which the individual is teaching, as approved by the advisor. Eighteen hours may be allowed by proficiency examination (CTE 204, 205, 206, 304, 305, and 306). Nine hours by proficiency examination may be applied to the Associate Degree and 18 hours to the Bachelors Degree in Career and Technical Education.

**Total Curriculum Requirements** .............................................66 hours

*Based on recommendation from EKU, Certificate is awarded by the Education Professional Standards Board.*
DEPARTMENT OF COMMUNICATION

Chair
Dr. Fran Dickson
(859) 622-1871
Combs 317

Faculty

The Department of Communication offers four-year Bachelor of Arts degree programs in four areas: Broadcasting and Electronic Media, Communication Studies, Journalism, and Public Relations.

DEPARTMENT GOALS

The Department of Communication’s student-centered program seeks to transform lives through excellence in instruction, advising, scholarship, and service. The department strives to produce creative and effective communicators by providing cutting-edge programs emphasizing hands on and practical learning. Empowered by this experience, students are prepared to work, lead and serve in a global society.

PROGRAM OBJECTIVES

BROADCASTING AND ELECTRONIC MEDIA

Graduates of the Broadcasting and Electronic Media program pursue careers in the broadcasting/film industry, as well as in cable companies, industrial and corporate video facilities, advertising agencies, and production houses. Students in the General Concentration must demonstrate excellence in their ability to produce and edit either audio or video material to create a variety of projects. Students in the News Concentration must demonstrate excellence in gathering information, writing, and visual storytelling that meets accepted journalistic standards using a variety of visual platforms. Students in the Film Techniques and Technology Concentration must demonstrate excellence in writing, visualizing, shooting, editing, and cinematic story telling.

JOURNALISM

Graduates of the Journalism program find jobs with newspapers, newsletters, magazines, online publications, businesses, governmental public information offices, and advertising firms. Journalism majors must be able to accurately gather information, analyze it, and present it to audiences using a variety of media platforms.

PUBLIC RELATIONS

Graduates of the Public Relations program pursue careers with corporations, non-profit organizations, education, government, and public relations agencies. Activities include providing appropriate counsel, writing and producing news releases, speeches and newsletters, using social media and planning events. Students must demonstrate excellence in research, planning, communication and evaluation of public situations using a variety of platforms to meet standards for public relations education as published by the Public Relations Society of America.

COMMUNICATION STUDIES

Graduates of the Communication Studies (CMS) program pursue careers in labor relations, human resources, tourism, banking, corporate relations, sales, and many other professional contexts. Communication Studies students learn how to successfully demonstrate and promote effective human communication, including relationship building and maintenance, resolving conflict, persuading and negotiating, professional speaking, communication training and development, and leadership skills. CMS students must exhibit cognitive and behavioral learning by demonstrating (a) sufficient knowledge about various human communication processes and (b) satisfactory skills related to communication competency.

MINORS

The department also offers minors in Advertising, Broadcast News, Broadcasting and Electronic Media, Communication Studies, Journalism, Public Relations, and Visual Media.

MEDIA PRODUCTIONS

The student newspaper, The Eastern Progress, is housed in the Department of Communication. Numerous video productions and films are also produced within the department. Majors and non-majors can receive academic credit for work on some productions.

REQUIREMENTS

Some courses may require special skills and equipment such as the ability to keystroke a minimum of 25 words per minute. Instructors will notify students of these requirements at the first class meeting.

Students may earn up to 16 credit hours toward their degree by enrolling in cooperative education courses. Credit for additional practical experience may be earned through practicums. Students majoring or minoring in the Department of Communication are required to attain a minimum grade of “C” in all courses (core and supporting) for a major or minor and a 2.25 or better GPA in all courses (core and supporting) required for the major or minor.

Baccalaureate Degrees

Bachelor of Arts (B.A.) in Broadcasting and Electronic Media

MINORS

MINOR IN ADVERTISING

Requirements....................................................21 hours
Courses required for a minor in advertising are COM 325,
425, 471, JOU 320 or PUB 320, MKT 301, 320, and COM
490 or MKT 426. Three hours of COM/MKT courses taken
to fulfill requirements for another major may be counted
toward the advertising minor.

MINOR IN BROADCAST NEWS

Requirements....................................................23 hours
Courses required for a minor in broadcast news are BEM
240, 295 (4), 301, 401, 491(1); COM 405 and six hours from
BEM 300, 343 (1-3), 395 (4), 402; or COM 415. Courses
counted toward the major may not be counted toward the
minor in broadcast news. Substitute courses will be selected
by the student and the departmental advisor.

MINOR IN BROADCASTING AND ELECTRONIC MEDIA

Requirements....................................................23 hours
Courses required for a minor in broadcasting and electronic
media are BEM 240, 295 (4), 300, 375, 491(1); and nine
hours selected from BEM 343 (1-3) 395 (4), 398 (1-3), 410,
425, or COM 471. Courses counted toward a major may not
be counted toward the minor in broadcasting and electronic
media. Substitute courses will be selected by the student and
the departmental advisor.

MINOR IN COMMUNICATION STUDIES

Requirements....................................................21 hours
Courses required for a minor in communication studies
require all students to take CMS 200, 205 or 205W, 210, 250,
495 and choose six hours in any upper division CMS course.
Courses counted toward the major may not be counted toward
the minor in communication studies.

MINOR IN JOURNALISM

Requirements....................................................18 hours
Courses required for a minor in journalism are COM 200 or
200W, 201, 301, JOU 305 or 305W, 310, and three hours
from JOU 307, 325, or 401. Courses counted toward a
major may not be counted toward the minor in journalism.

MINOR IN PUBLIC RELATIONS

Requirements....................................................18 hours
Courses required for a minor in public relations are BEM
375; COM 200 or 200W, 201; PUB 375, 380, and 475.
Courses counted toward a major may not be counted
toward the minor in public relations. Substitute courses will
be selected by the student and the departmental advisor.

MINOR IN VISUAL MEDIA

Requirements....................................................18 hours
Courses required for a minor in visual media are BEM
295(4), 395(4), 491(1), COM 325, JOU 320 or PUB 320,
and JOU 325. Courses counted toward a major may not be
counted toward the minor in visual media. Substitute
courses will be selected by the student and the
departmental advisor.

DEPARTMENT OF MILITARY SCIENCE AND LEADERSHIP (ARMY ROTC)

Chair
LTC Darell Robinson
(859) 622-1205
Begley 524

Military Science and Leadership Faculty
Major Chad Bennett, Master Sergeant Thomas Dougherty Jr., Mr. Matt Palumbo, Lieutenant Colonel Darell Robinson, Mr. Richard Sirry.

Reserve Officer Training Corps (ROTC)
Getting a degree does not necessarily guarantee employment, however, taking Army ROTC will. The Reserve Officer Training Corps (ROTC) is a premier leadership-training program that prepares you to be a leader in any organization or business. ROTC enhances any Bachelors or Masters Degree program by making you better at time management, setting goals, making decisions, building teams, influencing others, and achieving success. The skills you develop in ROTC give you an advantage over your job-seeking peers; and at the end of the program you will have a full-time job waiting for you as a Commissioned Officer in the United States Army or part time in the Army Reserve or National Guard.

Career Opportunities
Students who graduate from Eastern’s Army ROTC program are commissioned as Second Lieutenants and serve with other dedicated young men and women in our nation’s defense. As new Lieutenants, officers serve in a variety of branches, such as Aviation, Armor, Infantry, Transportation, Military Police, Engineers, as Army Nurses, to name but a few, and have the opportunity to travel worldwide. Starting salary for an active duty Lieutenant is over $40,000, plus full individual and family medical coverage and 30 days paid vacation annually. For those who desire only a part-time commitment, the Guaranteed Reserve Forces Duty option gives students assurance they will be able to serve their country from home, adding stability to their chosen civilian career.

Leadership Development
EKU’s Department of Military Science and Leadership has a proud reputation dating back to 1936. The program has commissioned over 2,200 officers. The program’s unique approach to leadership development gives each student multiple opportunities to refine their own leadership skills and receive individualized performance feedback. Training is designed around a hands-on, experiential learning curriculum. Besides learning how to lead, students build their confidence by learning to rappel, negotiate EKU’s Challenge Course, fire the M-16 rifle and/or M-4 Carbine, complete water survival training, and other adventure type activities. Students also learn to live the seven Army Values – Loyalty, Duty, Respect, Selfless Service, Honor, Integrity, and Personal Courage by demonstrating these values as they participate in the Cadet Battalion, the Pershing Rifles Drill Team/Color Guard, Ranger Company, and Raider Team.

Scholarships and Simultaneous Membership
Eligible students may compete for a variety of ROTC Scholarships available on-campus and through the Army Reserves and Army National Guard. These fully funded scholarships pay 100% tuition, a $1,200 annual book allowance, and a $300-$500 monthly tax-free living allowance. Four-year scholarship students also receive free room and board. Members of the National Guard or Army Reserves who join ROTC under the Simultaneous Membership Program (SMP) may also receive a $350 monthly SMP Kicker in addition to the tax-free ROTC living allowance, Montgomery GI Bill benefits, and E-5 drill pay.

Eligibility and Obligations
Students may enroll in any of the MSL 100-200 level courses without obligation. Students who desire to seek a commission must sign a contract before entering the Advanced Leadership Course (MSL 300-400 courses); they must also meet certain age, physical fitness, medical, citizenship, security clearance and military experience requirements. Military experience can be satisfied in a variety of methods (check with the ROTC Scholarship and Enrollment Officer at (859) 622-1215 for details). Students contracting into the Advanced Leadership Course will incur a military service obligation upon graduation.

Scholar-Athlete-Leader
Becoming an Army Officer doesn’t just happen; it requires a level of commitment, determination, and selflessness that few civilian careers will ever demand. Army Officers are intellectually curious, mentally adroit, physically robust, and possess a willingness and passion to take charge and make the right things happen. If you are a Scholar-Athlete-Leader who wants to join the world’s most sophisticated Army, then join EKU ROTC—“Where Leadership Excellence Begins.”

MINOR IN MILITARY LEADERSHIP (ARMY)

Requirements..........................................................21 hours
A minor in Military Leadership is available to students from any College who wish to obtain a commission as an officer in the United States Army, Army Reserve, or Army National Guard. Students must satisfactorily complete both the Basic Course and the Advanced Course requirements. The Basic Course requirement is to complete either 1) Basic Training or 2) The Leader Training Course or 3) MSL 101, 102, 201, and 202, or four years of JROTC. The Advanced Course requirement is 21 hours of advanced military science and leadership (MSL 301, 302, 303, 310, 401, 402).

AIR FORCE RESERVE OFFICER TRAINING CORPS (AFROTC)

Lt. Col John Ard
Commander, AFROTC Detachment 290 and Professor of Aerospace Studies
University of Kentucky (Host School)
859-257-7115

AIR FORCE Faculty
Capt J. Sloan
Air Force Reserve Officer Training Corps provides a means for college students to pursue an Air Force commission as an active duty officer while achieving their academic goals in their chosen fields of study. AFROTC provides the Air Force with educated officers and provides students with well-paying, challenging positions after graduating from college. Air Force ROTC improves and strengthens the qualities of decision-making, responsibility, and maturity in its students and helps them develop lasting leadership skills.

Commission and Active Duty Requirements

All students who successfully complete the three to four-year AFROTC program will be commissioned as Second Lieutenants in the active duty Air Force. Once commissioned, officers typically incur a four-year service commitment. Some career fields, like flying operations, require service commitments ranging from four to ten years.

Admission to the Program

The two major phases of the three to four-year curriculum are the General Military Course (GMC) and the Professional Officer Course (POC). The GMC covers an introduction to the contemporary Air Force and the history of air power and is usually completed during the first two years of college.

The GMC is open to all full-time students. Those enrolled in this program are required to participate in a weekly one-hour laboratory (AFS 112/114) in the same manner they register for other college courses at EKU. Note: Scheduled physical training sessions are part of the leadership laboratory curriculum.

Entrance into the POC requires completion of the GMC. The last two years of the AFROTC curriculum is called the Professional Officer Course (POC) and is usually completed during the student’s junior and senior year in college. There are limited circumstances under which a portion of the POC can be completed as a graduate student (contact the Professor of Aerospace Studies for approval). The POC curriculum covers Air Force leadership and management, U.S. defense policy, and military law.

Entrance into the POC requires completion of the GMC curriculum and competitive selection for attendance at a four-week field training encampment held in the summer immediately after completing the GMC.

Program Overview

The two major phases of the four-year curriculum are the General Military Course (GMC) and the Professional Officer Course (POC). The GMC covers an introduction to the contemporary Air Force and the history of air power and is usually completed during the first two years of college.

The GMC is open to all full-time students. Those enrolled in this program are required to participate in a weekly one-hour laboratory (at UK), and three one-hour physical training sessions per week (at EKU or UK depending on class size). The leadership laboratory provides practical training in areas such as military customs and courtesies, uniform wear, drill and ceremonies, and group leadership projects. GMC students incur no military obligation unless they have been selected for and accepted an AFROTC scholarship. There are limited opportunities for college sophomores to start the GMC by enrolling in the freshman and sophomore courses simultaneously (contact the Professor of Aerospace Studies for questions regarding the program or scholarships).

Students interested in enrolling in the GMC should register for the AFROTC academic course (AFS 111/113 and leadership laboratory (AFS 112/114) in the same manner they register for other college courses at EKU. Note: Scheduled physical training sessions are part of the leadership laboratory curriculum.

Minor in Aerospace Studies

Requirements..........................................................19 hours
AFS 311, 312, 313, 314, 411, 412, 413, 414, and three hours of an elective approved by the Dean of the College of Business and Technology and the Professor of Aerospace Studies.
SCHOOL OF BUSINESS

Dr. William E. Davis, Associate Dean
Business and Technology Center 214
(859) 622-1574

EKU’s School of Business is comprised of the Department of Accounting, Finance, and Computer Information Systems; the Department of Management, Marketing, and International Business; and the Master of Business Administration Program.

MISSION OF EKU’S SCHOOL OF BUSINESS

EKU’s School of Business provides quality accredited business programs that generate educational and experiential opportunities for students, businesses, and the professional community in a technologically dynamic global environment.

VISION OF EKU’S SCHOOL OF BUSINESS

EKU’s School of Business…a premier teaching and learning center…enhancing students’ lives, transforming communities, making a difference!

GOALS OF EKU’S SCHOOL OF BUSINESS

• Provide high quality teaching
• Provide excellent advising services
• Recruit and retain faculty members who are academically or professionally qualified as defined by AACSB
• Emphasize its commitment to stewardship of place by increasing partnerships, student projects, and involvement with business, community, and educational entities

Graduates of EKU’s School of Business (the undergraduate and graduate programs in business administration at Eastern Kentucky University) have joined the ranks of the nation’s top business schools. EKU’s School of Business, located in the College of Business and Technology, has received accreditation by the Association to Advance Colleges of Business International (AACSB) for its undergraduate and graduate programs in business administration. Less than five percent of the world’s business schools have achieved this elite distinction.

AACSB International accreditation represents the highest standard of achievement for business schools worldwide and is the hallmark of excellence in business education. Institutions that earn accreditation confirm their commitment to quality and continuous improvement through a rigorous and comprehensive peer review. Founding members of the agency include many Ivy League Schools, including Columbia, Cornell, Dartmouth, Harvard and Yale; and such top-ranked schools as the University of California at Berkeley, the University of Chicago and Northwestern also hold AACSB accreditation.

To achieve accreditation, EKU’s School of Business satisfied a wide range of quality standards related to strategic management of resources, interactions of faculty and students in the educational process, and achievement of learning goals in degree programs.

BETA GAMMA SIGMA

Founded as a national organization in 1913, Beta Gamma Sigma is an international honor society that provides the highest recognition a business student anywhere in the world can receive in an undergraduate or master’s program at a school accredited by AACSB International. With the global expansion of accreditation by AACSB International, membership is no longer limited to those who have studied in the U.S. or Canada.

The mission and objectives of Beta Gamma Sigma are to encourage and honor academic achievement in the study of business and personal and professional excellence in the practice of business, to foster an enduring commitment to the founding principles and values of honor and integrity, to encourage the pursuit of wisdom and earnestness, to support the advancement of business thought and practice to encourage lifelong learning, and to enhance the value of Beta Gamma Sigma for student and alumni members in their professional lives.

To be eligible for Beta Gamma Sigma, students must be in the top seven percent of the junior class, top ten percent of the senior class, or the top 20 percent of the MBA program.

BACHELOR OF BUSINESS ADMINISTRATION AND BACHELOR OF SCIENCE IN RISK MANAGEMENT AND INSURANCE

DEGREE REQUIREMENTS

General University requirements, as well as specific course requirements set forth in the description of curricula, must be met by students completing associate and baccalaureate business programs administered by the College of Business and Technology. See programs under each department for major requirements. Student Success Seminar (BTO 100) is required in all Business programs. The requirements for the Bachelor of Business Administration (BBA) and the Bachelor of Science in Risk Management and Insurance degrees are as follows:

1. A cumulative 2.0 GPA must be maintained in all work taken in the BBA and BS Risk Management and Insurance programs.
2. Hours earned by correspondence study are accepted upon written approval of the Dean. However, not more than 25 percent of the total hours applied toward a degree may be earned via correspondence or telecourse instruction, military credit, or credit by examination.
3. To ensure the integrity of business programs to provide a sound overall educational experience, not more than 50 percent of undergraduate course work shall be completed in the EKU’s School of Business programs. However, up to nine semester hours of economics and up to six semester hours of mathematics/statistics will not be included in this 50 percent. Decisions to allow students to take more than 50 percent of undergraduate course work within EKU’s School of Business will be made judiciously.
4. At least 50 percent of the business course credit hours required for the BBA and BS Risk Management and Insurance degrees must be completed at EKU.
5. The BBA and BS Risk Management and Insurance degrees will only accept credits for business courses at the upper
division level transferred from other colleges and universities accredited by the Association to Advance Collegiate Schools of Business International (AACSB). As completely as possible, it will apply these credits to the student’s degree program. To ensure that they earn appropriate credits, students are strongly advised to see the College of Business and Technology Advising Office and also obtain the Dean’s approval prior to enrolling in any course work they plan to transfer. The University will not take responsibility for courses transferred without prior approval. 

6. A “C” or better is required for the BBA programs and the B.S. in Risk Management and Insurance degree in the following courses: (See specific degree requirements for each major)

**Bachelor of Business Administration**

**BBA Supporting Courses:** CIS 212 or INF 104, ECO 230 and 231, MAT 112 or 211, and PSY 200 or 200W or SOC 131.

**BBA Pre-Business Core:** ACC 201, 202, GBU 204, and QMB 200.

**BBA Core:** CCT 300W, CIS 300, FIN 300, GBU 480, MGT 300, 370, and MKT 300.

**Bachelor of Science in Risk Management and Insurance**

**BS Supporting Courses:** CIS 212, or INF 104; ECO 230, and MAT 112 or 211,

**BS Pre-Business Core:** ACC 201, 202, GBU 204, and QMB 200.

**BS Risk Management and Insurance Core:** CCT 300W, CIS 300, FIN 300, MGT 300, MKT 300, RMI370, and RMI374.

CCT 300W should be taken in first six hours of upper division course work. BBA students must complete all business core courses prior to taking GBU 480. Students are urged to review carefully all course prerequisites, including the 60-hour rule before scheduling 300-level business courses. Failure to satisfy prerequisites may result in the student being administratively withdrawn from courses.

7. At least 12 hours in the major must be earned at EKU. A grade of “C” or better is required for each course in the major.

8. Students must choose a major field at the time they enter a School of Business program. Students must meet with and have schedules approved by the academic advisor.

9. A second major can be completed in EKU’s School of Business or in another program of the University. A third business major is not permitted. Because business students take the business core, they are limited to selected minors offered by EKU’s School of Business. Free elective requirements for bachelor’s degree programs in EKU’s School of Business cannot be met by choosing courses taught in Business. (See No. 4, BBA and BS Risk Management and Insurance under degree requirements.)

10. Students choosing to double-major must declare the BBA or BS Risk Management and Insurance degree as the first major.

**Prerequisite Structure in EKU’s School of Business**

EKU’s School of Business curriculum is highly structured and carefully integrated. The content and methodology utilized in upper-division courses are based upon the assumption that students enrolled in these courses have matriculated through a specific series of lower-division courses which provide students with competencies needed for successful participation in upper-division business courses.

**Enrollment in Upper-Division EKU’s School of Business Courses**

To enroll in the following upper-division **business-core** courses (CCT 300W, CIS 300, FIN 300, MKT 300, MGT 300, 370, and GBU 480) students must have:

1. completed ACC 201, 202, and ECO 230 with a grade of “C” or better in each course;
2. completed a minimum of 60 hours (or enrolled in enough additional course work to complete their 60th credit hour) with a cumulative 2.0 GPA; and
3. met all specific prerequisite(s) for each course.

To enroll in other upper-division business courses, students are required to have met the specific prerequisite(s) for each course and have earned an overall 2.0 GPA. Students majoring in other departments whose planned curriculum includes selected business courses (by virtue of agreements of sponsoring departments with a business program) must also adhere to all specified course prerequisites. Students majoring in programs other than business cannot earn more than 25 percent of their total degree requirements in courses with business prefixes.

**Course Repeat Policy**

Courses may be repeated once. Second or subsequent repeats (maximum of three enrollments) must be requested on a College Exception form approved by the Dean of the College. Exceptions will only be considered under unusual circumstances. An enrollment is counted as a repeat if a previous enrollment in the course resulted in a passing or failing grade or a “W” due to withdrawing from the course.

**Bachelor of Business Administration and Bachelor of Science in Risk Management and Insurance**

The Department of Accounting, Finance, and Information Systems provides a Bachelor of Business Administration and a Bachelor of Science in Risk Management and Insurance which offer unique programs of study. The BBA and BS in Risk Management and Insurance are the only undergraduate insurance degrees in Kentucky. Students in these programs must meet prerequisites as noted.

**Bachelor of Science in Business and Marketing Education/Teaching**
The Department of Management, Marketing, and International Business, in cooperation with the College of Education, provides programs leading to certificates qualifying graduates to teach business subjects in grades 5-12. For admission requirements, see Admission to Teacher Education and Admission to Student Teaching sections in the College of Education portion of this Catalog. Also see Policies and Requirements sections in the same portion of this Catalog. Students in these programs must meet the business prerequisites as noted. Students interested in business teacher certification should consult the Chair of the Department of Management, Marketing, and International Business.

Business and Marketing Education/Teaching requires all students to meet the general education knowledge for initial teacher preparation requirements (see College of Education section of this Catalog).

### Transfer Students and Students from Other EKU Colleges

BBA and BS program requirements for transfer students are the same as those for students enrolling initially at EKU. Transfer students must have completed at least 60 semester hours of course work and all the requirements listed above to be eligible for upper-division business courses.

EKU’s School of Business considers lower-division credits transferred to EKU as lower division, even if EKU offers what appears to be a comparable course at the upper-division level. However, the dean of the College of Business and Technology may accept individual courses at EKU if the courses are validated using acceptable validation techniques. CLEP® and departmental exams are examples of possible validation techniques. With specified courses in real estate and accounting, the successful completion of advanced courses in the subject field for which the transfer course is a foundation or supporting requirement is an acceptable validation method. A successfully validated lower-division transfer course may not be utilized to fulfill the 43-hour upper-division graduation requirement.

### Certified Public Accountant (CPA)

The Kentucky legislature has mandated that students taking the CPA exam in the year 2000 and thereafter must have completed 150 semester hours. Therefore, accounting graduates seeking the CPA designation will need to complete additional undergraduate or graduate hours.

### Department of Accounting, Finance, and Information Systems

#### Chair
Dr. Oliver Feltus
(859) 622-1087
Business and Technology Center 108

#### Faculty

### Baccalaureate Degrees

#### Bachelor of Business Administration (B.B.A.) Accounting

**CIP Code:** 52.0301

TOTAL HOURS TO COMPLETE DEGREE 120 hours

MINORS

MINOR IN COMPUTER INFORMATION SYSTEMS

A minor in computer information systems is offered for students in both business and non-business programs. The minor consists of 18 hours of computer information systems courses including CIS 215, 240, 335, 375, 380, and three hours of upper-division courses approved by the department. At least 12 hours of the minor must be earned at EKU. Students pursuing the computer information systems minor must maintain a 2.25 GPA on all work counting toward the minor.

MINOR IN RISK MANAGEMENT AND INSURANCE

The minor consists of 18 hours including three hours of a required accounting course, nine hours of required Risk Management and Insurance courses and six hours of approved Risk Management and Insurance electives.

Students must earn at least 12 of the 18 hours used for the minor in residence at EKU and must maintain a cumulative GPA of 2.0 in all courses comprising the minor.

Additional Requirements 18 hours
ACC 201, RMI 370, RMI 372, RMI 374, plus six hours of approved upper-division (300 or 400 level) RMI electives.

MINOR IN PERSONAL FINANCE

Designed to prepare students to make informed financial decisions regarding investments, mortgages, loans, retirement planning, etc. Students minoring in personal finance must earn at least 12 hours of the total hours at EKU and maintain a cumulative GPA of 2.0 in all courses comprising the minor. This minor includes the following courses:

Requirements 18 hours
ACC 201, 322; FIN 201, 311, 324; RMI 370

CERTIFICATES

CERTIFICATE IN ACCOUNTING

The Certificate in Accounting is designed to prepare individuals who have a bachelor’s degree in another field for entry into the accounting profession. This program satisfies the Kentucky requirement that individuals taking the CPA Exam have a bachelor’s degree in accounting or the equivalent.

Requirements include: a bachelor’s degree from an accredited college or university, at least 15 of the 30 hours in the major requirements must be earned at EKU, students pursuing the
Certificate in Accounting must earn a “C” or better in all courses comprising the certificate, and completion of the following courses:

Supporting Course Requirements ........................................ 15 hours
CIS 212, ECO 230, and GBU 204; MAT 112 or 211; QMB 200.

Major Requirements ......................................................... 30 hours
ACC 201, 202, 301, 302, 322, 327, 350, 440, 441, and three hours from 400-500 level Accounting courses.

Total Curriculum Requirements ......................................... 45 hours

Certificate in Financial Literacy

The Certificate in Financial Literacy prepares students for training youth and adults for their financial literacy needs. This certificate includes 12 hours of required courses.

Requirements ................................................................... 12 hours
FIN 201, 310, 311, 390S

College Requirements:
- BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours).

Core Courses:
- Business Core .............................................. 18 hours
  CCT 300W, CIS 300, FIN 300, GBU 204, MGT 300, and QMB 200.
Minor in International Business

The International Business Minor is offered to students majoring in programs other than business who have a desire to gain knowledge in international business and experience business courses through study abroad. To enroll in a 300-level business course, students must have completed a minimum of 60 hours and have met the prerequisites of the specific course. Students must earn at least 12 of the 18 hours for the International Business Minor at EKU and earn a C in each of the minor courses.

Required Courses .......................................................... 15 hours
CCT 270, 304S, MGT 301, 330, 465

Business Elective ........................................................... 6 hours
Choose two courses from one of the following options:
Quantitative—Choose two of the following courses:
ACC 201, 202, FIN 310.
OR
Qualitative—Choose two of the following courses:
GBU 204, MKT 301, MKT 380

Total Requirements .................................................................. 21 hours

Certificate in Corporate Communication

The Certificate in Corporate Communication is offered for all undergraduate students who need to increase their professional communication effectiveness in their field of study. The Certificate is designed to provide training in international communication, oral and written business presentations, research and reporting, and production of business publications. These skills are transferable to any profession and are crucial in tasks such as communicating organizational change, establishing and implementing goals, communicating internally, relating to employees, dealing with the public, and addressing the stakeholders during crisis. Students pursuing the Certificate in Corporate Communication must earn a “C” or better in all courses comprising the certificate. The Certificate consists of the following courses with 50 percent taken in residence at EKU:

Requirements ........................................................................... 9 hours
CCT 201 or 300W; CCT 310, and 550/750.

Certificate in Marketing Research and Analytics

The Certificate in Marketing Research and Analytics is offered for all undergraduate students who need to increase their research and analytical skills in their field of study in the context of problems that firms face. The growth in technology has allowed for firms to capture more information than ever, and as such the need for strong marketing research and analytical skills is one of the fastest growing jobs in industry. The Certificate is designed to provide training in the marketing research process, marketing research methodology with particular emphasis on both qualitative and quantitative analysis techniques including univariate data analysis, qualitative research, and experimental design. Furthermore, students will be involved in the research process with hands-on projects and gain valuable research experience that will prepare
them to address the needs of businesses and organizations across all industries. Students pursuing the Certificate in Marketing Research and Analytics must earn a “C” or better in all courses comprising the certificate. The Certificate consists of the following courses with 50 percent taken in residence at EKU:

Requirements ................................................................. 12 hours
MKT 300 or 301; MKT 455, 456, and 457.

**CONCENTRATIONS**

**PRE-BUSINESS CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE**

College of Education

Dr. Laurence Hayes, Associate Dean
Combs 420
laurence.hayes@eku.edu
(859) 622-1175
www.coe.eku.edu

**Mission**
To strive for excellence in preparing effective professionals while balancing accessibility, academic rigor, and clinical practice.

**Vision**
Preparing highly-effective professionals for tomorrow’s challenges and opportunities

**Values**
Accountability, Compassion, Excellence, Trustworthiness, Sense of Community, Just Culture, Authenticity, Ethical, and Empathic

**Core Competencies**
• Providing effective, data driven, up-to-date instruction in the content areas of our programs.
• Providing support to students, especially first generation college students
• Regional stewardship through synergy with the P-12 schools in the service area.

**Education as the New “Clinical” Profession**
“Teaching as a clinical profession means that education candidates are expected to become knowledgeable and to the fullest extent possible experts in the school learning sciences. Similarly, teacher education candidates are expected to become competent and also to the fullest extent possible excellent diagnosticians in the academic development of their school age students. Drawing from a scholarly knowledge base, more than adequate in scope and depth, teacher education candidates study with seasoned expert faculty at the College Education including MODEL to refine diagnostic skills and learn to prescribe instructional strategies that will improve school age student performance in Kentucky and beyond.” Dr. James Bliss

Since its founding in 1906, Eastern Kentucky University has maintained a strong interest in and commitment to the preparation of teachers.

The Professional Education Programs at Eastern Kentucky University are dedicated to preparing the highest quality educators and related professionals for Kentucky and beyond. Our graduates integrate content, effective pedagogical skills, and dispositions that foster life-long growth and learning. Being true to our heritage as a school of opportunity, Eastern Kentucky University provides a climate that supports, challenges, and enriches students aspiring to careers in a diverse society.

Professional Education at Eastern Kentucky University is a university-wide function. The programs of elementary education (P-5), middle grades education (5-9), special education, interpreter training, deaf and hard of hearing, interdisciplinary early childhood education and communication disorders are located in the College of Education. The college also has graduate degree and licensure programs in most of these areas, as well as in Counseling and Educational Leadership. Candidates in these programs are advised in the College of Education. Secondary 8-12, Grades 5-12, and P-12 teaching programs are located in their respective colleges with candidates receiving academic advisement from the college of their major a supplemental advisor from the College of Education.

MODEL LABORATORY SCHOOL
Model Laboratory School is one of the few remaining lab schools nationally, and the only one in Kentucky, EKU’s Model offers a full P-12 educational curriculum. Model is one of only a handful of lab schools left that serves a P-12 population. When the current building for Model was completed in the 1960s, it was a state-of-the-art facility allowing for individual and small group observations, demonstration teaching, and student teaching. Today, teacher educators agree not only that clinical teaching experiences are crucial in preparing teachers, but also that they should begin early in preparation programs. High standards in clinical teaching experiences require the kinds of settings only laboratory schools like Model can provide.

Universities are changing preparation programs for all school personnel significantly to include a variety of clinical experiences that are developmental in sequence and provide opportunity for shaping the knowledge, skill, and disposition sets of future educational professionals. Kentucky’s Education Professional Standards Board enacted a regulation requiring 200 clinical hours for initial teacher preparation prior to the professional semester or student teaching. In addition, clinical hours have been initiated for graduate or advanced preparation programs. As a result, a lab school, such as EKUs Model, plays a vital role in serving this new clinical preparation model for all educators. Additionally, it provides a site for research-based practices to prepare those planning to enter the profession and to retool currently practicing educators to enhance student engagement, learning, and achievement at all P-12 levels.

EKU KENTUCKY ADULT EDUCATION
Your Future Starts Here. The EKU program, directed by Dr. Paula Jones, serves residents of Madison, Clay, and Garrard counties and is housed in the College of Education. The mission is to support students in obtaining their GED. In addition, the program helps to prepare students for college and career readiness by delivering a world-class education. Visit the EKU Kentucky Adult Education program at http://adulteducation.eku.edu/

Staff:
C. Beechie, R. Johnson, P. Jones, H. Williams

THE KENTUCKY EDUCATIONAL COLLABORATIVE FOR STATE AGENCY CHILDREN (KECSAC)
Directed by Dr. Ronnie Nolan, is a statewide collaborative that works with state agencies, school districts and local programs to ensure that state agency children receive a quality education comparable to all Kentucky students and is housed in the College of Education. Visit the KECSAC program at http://www.kecsac.eku.edu/

Staff:
R. Chapman, L. Cole, C. Held, K. Helton, R. Nolan, M. Parker, K. Smith

The Migrant Education Program, housed in the College of Education and directed by Michael Hay, is a supplemental education program that provides support for migrant children and their families. This program works to ensure that the appropriate academic services are offered to help migrant children do well in school and that they receive the needed levels of tutoring and instruction that will promote them to the next grade level. Migrant Education staff works with other school and community agencies to provide social and health needs that families may require. Visit the Migrant Education Program at http://migrated.eku.edu/

POLICIES AND PROCEDURES

Professional Education Majors
To be recommended for certification, all candidates must meet the requirements for admission to professional education, complete a College of Education approved teaching curriculum, and pass the required PRAXIS II tests, PLT exam, or Kentucky test as established by the Education Professional Standards Board.

Credits
To be applied to degree programs, credits more than eight years old must be validated by the Dean.

Credit for Transfer Work
Allowance of transfer credit by the University Office of Admissions and/or the Office of Academic Advising does not necessarily mean that all such credit will be applied toward admission to professional education or a degree from the College of Education. Therefore, candidates should read and follow closely the transfer credits/courses section in Section Five of this Catalog.

Credit for Transient Work
Undergraduate students or students (candidates) pursuing initial certification in programs housed in the College of Education who wish to take course work at another higher education institution must have approval from the Dean of the College if they wish to apply that credit to their degree program. Candidates must be in good academic standing at EKU. Transient forms are initiated with the Tracking Specialist, Office of Education Services (coeadvising@eku.edu).
Overload

In the College of Education, overloads be approved by the candidate’s advisor. Requests for overloads must contain the student’s overall GPA and the number of hours being attempted, including those to be taken at other higher education institutions. Send requests to coeadvising@eku.edu.

Planned Curriculum

Planned curricula in the College of Education are maintained in Degree Works, a comprehensive set of web-based academic advising, degree audit, and transfer articulation tools that help candidates and their advisors negotiate program requirements. Changes in the planned curriculum, initiated on the College Exception form, must include a recommendation for change by the advisor and be approved by the department chair and the Dean of the College. Changes approved verbally by phone or otherwise will not be honored unless the planned curriculum is officially altered to reflect such approval. It is the candidate’s responsibility to register for the proper courses so that all requirements are satisfied at the time of expected graduation. Completion of all course work on the candidate’s planned curriculum is required for graduation.

Progressing in Professional Education

Candidates shall not enroll in any educator preparation program courses restricted to admitted candidates.

Application for Graduation

Candidates must file an application for graduation in accordance with university policy found in the Graduation and Commencement Information section of this catalog. Applications for graduation are available online through EKU Direct.

Student Teaching

Since student teaching is especially demanding, candidates are encouraged to not take any other courses during CED 499 The Professional Semester.

Admission to the College of Education

Preparing a Community of Exemplary Professionals

• Upon admission to the College of Education, students are assigned an advisor. Candidates must enroll in Academic Orientation, EDO 100, during the first semester. Candidates are advised to enroll in EDF 103, Introduction to Education, during their first semester freshman year and in EDF 203, Schooling and Society, during their second semester freshman year. EDF 310 will be required for students who have an equivalent transfer course for EDF 203.
• Secondary education majors will follow the prescribed curriculum and requirements of another academic college and the policies for professional education stated elsewhere in this Catalog. The College of Education cooperates closely with the other colleges in matters pertaining to admission to professional education and clinical education.

OFFICE OF EDUCATIONAL RESEARCH AND ASSESSMENT

Director

Dr. Paul Erickson
(859) 622-1265
Bert Combs, Room 416

Preparing Highly Effective Professional Educators

Preparation of professional school and community personnel is a dynamic and complex activity, and one that requires the College of Education (Educator Preparation Provider) to plan and evaluate on a continuing basis. The Office of Educational Research, Assessment and Technology collects and analyzes data on applicant qualifications, candidate and graduate performance, and EPP operations (initial and advanced) to evaluate and improve professional education programs at EKU.

The EPPs QAS supports continuous improvement that is sustained and evidence-based, and evaluates the effectiveness of all candidates. Results of data collection are used to establish priorities, enhance programs and capacity, and test innovations to improve completers’ impact on P-12 student learning and development [CAEP Standard 5].

The Office provides leadership in the ongoing process of data collections, gathering data, and data analysis and is responsible for the QAS and Continuous Improvement processes. The Director oversees the integration, development, and implementation of short- and long-range strategic plans and serves as the EPPs CAEP accreditation coordinator.

The Office also has responsibility for the management, development, and integration of instructional technology, distance learning initiatives, and the College of Education Internet/Intranet/Web connections and presence. The Director provides professional develop opportunities for the college.

STUDENT SUCCESS

Staff
A. Coates-Groves, M. Shaffer, R. Wilson (Director)

Our goal is to recruit and support completion of high-quality candidates from a broad range of backgrounds and diverse populations.

ADVISING - coeadvising@eku.edu
Bert Combs 425
(859) 622-1828

The CARES Office of Student Success is committed to serving the needs of students. Students are assisted with advising...
through consultations with staff. Staff support first-year and transfer students in their transition to college. Academic coaching, tracking and graduation checkout services are provided to students as they progress through their degree programs. Recruitment and retention efforts for the College of Education are coordinated by CARES Student Success staff. The Office of Student Success coordinates all marketing efforts for the College of Education.

LICENSURE AND CERTIFICATION

Staff:
K. Alexander, K. Dickens, L. Lanter, M. Moore (Director)

Located in Bert Combs 425, the Center for the Preparation of Educational Professionals (CPEP) Office of Licensure and Certification is responsible for the coordination of admission to initial and advanced professional education programs and the review and recommendation for initial and advanced licensure.

In addition, applications for licensure for teachers, school personnel (principal, supervisors, superintendents, counselors, pupil personnel directors, business administrators, librarians, and speech pathologists) are also processed by a certification official in the Office of Licensure and Certification.

To be recommended for licensure/certification, all candidates seeking initial teacher certification, regardless of the college in which they are enrolled, must meet the requirements for admission to professional education, complete an approved teaching program, and pass the required PRAXIS II tests, PLT exam or Kentucky test as established by the Education Professional Standards Board.

Candidates are advised to enroll in EDF 203, Foundations of Education, during their freshman year.

TEACHER ADMISSION
teacher.admissions@eku.edu
Bert Combs 425
(859) 622-1832

ADMISSION REQUIREMENTS and APPLICATION PROCESS

Admission to Professional Education

Professional education admission standards represent our goal to recruit candidates who have high academic achievement and ability. We welcome you to the profession. Admission to the University (academic college) is not synonymous with admission to professional education. Candidates will apply for admission to professional education in the College of Education’s Office of Licensure and Certification (Combs 425). Formal applications will be accepted based upon completion of the following requirements:

A. Hours

- Candidates must complete 30 hours of credit (excluding developmental level courses).

B. Admission Test Requirement

Candidates must have a passing score on the following tests:
Core Academic Skills for Educators (CASE): Reading (156); Writing (162); Mathematics (150).

C. GPA and Grade Requirements

- A cumulative grade point average 2.75 on a 4.0 scale; or a grade point average of 3.0 on a 4.0 scale on the last thirty hours of credit completed.

- A grade of “C” or higher in EDF 203 (A state criminal history background check approved by the College of Education must be completed prior to the first day of class).

- “S” grade in EDF 310 and a grade of “B” or higher in CED 150 is required for all transfer candidates.

Undergraduate degree candidate GPA is based on the hours attempted as shown on the official EKU transcript. Post degree certification candidate GPA is based on all undergraduate course work and on the hours attempted as shown on the official EKU transcript.

D. Demonstrate an Overall Disposition Essential to Being an Effective Teacher

Candidates must demonstrate proficiency in oral and written communication including:

- Critical thinking: A grade of “C” or higher in ENG 102 or HON 102 with a grade of “B” or higher in ENG 105 (those earning a “C” must also take ENG 102).

- Creativity: A grade of “C” or higher in EDF 203.

- Collaboration: A grade of “C” or higher in EDF 203.

- Communication: A grade of “C” or higher in CMS 100 or CMS 210.

E. Professional Code of Ethics, Character Fitness Declaration, and Professional Dispositions

- Candidates must review the Professional Code of Ethics for Kentucky School Certified Personnel established in 16 KAR 1:020 and sign a COE Professional Code of Ethics for Kentucky Declaration form.

- Candidates must review the character and fitness questionnaire contained in Section III of the TC-1 incorporated by reference in 16 KAR 2:010 and sign a COE Professional Character and Fitness Declaration form. EKU College of Education requires a state criminal history background check approved* by the College of Education as a condition of admission. Under certain circumstances, a national criminal history background check may be required as a condition of admission.

- Candidates must demonstrate understanding of professional dispositions expected of professional educators. Candidates must review and sign a COE Professional Dispositions Declaration form.

* “Approved” is a formal review process of the professional character and fitness declaration and criminal records report. Professional disposition issues or violations of the professional code of ethics will be referred to the Professional Education Admission Committee. Any misrepresentation of facts, by omission or addition, may result in the denial of admission to teacher education.

F. Recommendations

Candidates must submit satisfactory pre-service professional disposition reviews from two EKU faculty members including the EDF 203 or EDF 310 instructor and the advisor or another EKU faculty member.

- Candidates must complete and sign a Candidate Statement of Commitment Regarding Professional Dispositions form.

G. Student Behavior

- Candidates preparing to work in schools as teachers or other professional school personnel must demonstrate dispositions necessary to help all students learn.
• Candidates must demonstrate acceptable social behavior at the University and in the community-at-large. A candidate interview may be required by the Professional Education Admissions Committee.

• Candidate admission status may be reevaluated if the candidate is placed on either academic or social probation or has a record of criminal conviction(s). A candidate interview may be required by the Professional Education Admissions Committee.

The Office of Licensure and Certification will contact the Eastern Kentucky University Office of Student Rights and Responsibilities to obtain records of infractions committed by candidates for admission to professional education. The Office of Licensure and Certification may also contact the Administrative Office of the Courts to obtain a criminal records check for each candidate for admissions to professional education.

Prior to recommending any candidate for licensure, candidates’ must demonstrate an understanding of the expectations of the profession, including codes of ethics, professional standards of practice, and relevant laws and policies. [CAEP Standard 3]

CERTIFICATION - coecert@eku.edu
Bert Combs 425
(859) 622-6852

SELECTION AT COMPLETION
Prior to recommending any candidate for licensure, candidates’ must demonstrate an understanding of the expectations of the profession, including codes of ethics, professional standards of practice, and relevant laws and policies. [CAEP Standard 3]

APPLICATION FOR LICENSURE/CERTIFICATION
Exams
Prior to recommendation for licensure, candidates must complete PRAXIS II Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams.

NOTE: Kentucky educator licensure/certification requirements are subject to change. Before registering for the test(s), please check the Education Professional Standards Board (EPSB) website at www.epsb.ky.gov for current test requirements and current cut scores. You may also contact the EPSB Division of Professional Learning and Assessment at (502) 564-5778.

Applying for Licensure
Kentucky certification is based upon the completion of an approved teacher preparation program, including student teaching and applicable tests. This process requires a recommendation from a certification official in the Office of Licensure and Certification.

Certification
Applications may be obtained from the EPSB website at http://www.epsb.ky.gov/certification/index.asp. Applications for licensure should be filed in the Office of Licensure and Certification, Bert Combs 425, prior to graduation as follows: May graduates by April 1; August graduates by July 1; December graduates by November 1. Applications for certification are not processed until all requirements are met.

Candidates must also request and send an official transcript to the EPSB. Be sure that you note “Hold for Degree” if your degree has not been posted at the time you complete the request form. You may access the EKU transcript request form at http://registrar.eku.edu/Transcripts. The recipient of the transcript will be the EPSB. You will be asked to provide their mailing address:

Education Professional Standards Board
Division of Certification
100 Airport Road, 3rd Floor
Frankfort, KY 40601

CLINICAL EDUCATION
Staff:
K. Montgomery, P. Petrilli (Director), L. Weitkamp

Preparing a Community of Exemplary Professionals
Clinically based professional education programs create varied and extensive opportunities for candidates to connect what they learn while being guided by skilled clinical educators. Performance-based assessments, at key points in the program, are designed to demonstrate candidates’ development of the knowledge, skills, and professional dispositions associated with a positive impact on the learning and development of all P-12 students. [CAEP Standard 2]

Clinical I: Introduction to the Education Profession
Clinical II: Understanding the Learner
Clinical III: Curriculum and Instructional Design
Clinical IV: Diagnosis and Prescription
Clinical V: Practicing Teaching
Clinical VI: The Professional Semester

CLINICAL PLACEMENT
The Professional Semester and Clinical Experiences
ekufieldplacement@eku.edu
ekustudentteaching@eku.edu
Bert Combs 423
(859) 622-1828

• The Office of Clinical Education receives and evaluates all applicants for the professional semester, determines appropriate professional disposition of the application, and provides
continuous assessment of the applicant’s pre-teaching and teaching experiences during the professional semester.

- This Office recognizes that cultural diversity is a fact of American life and teachers function in a pluralistic cultural environment. Experience in multi-cultural settings provides valuable enrichment for the proper development of effective teachers. That philosophy will guide the candidate assignments.
- Candidates are discouraged from taking any other courses during the professional semester.
- Candidates of senior standing (90 hours or more with a minimum of 12 semester hours residence at EKU) may enroll in the professional semester if they have satisfied the following requirements:

**Application for The Professional Semester**

1. Applicants must be admitted to the professional education program prior to the application semester.
2. Applicants must file an application during the first four weeks of the semester prior to the term in which professional teaching is desired.
3. Applications filed will be evaluated and processed for approval or disapproval.

**Evaluation of application will include in part:**

1. The planned curriculum. Each applicant must have an active Degree Works plan which reflects any and all approved changes.
2. All prerequisites in professional education and pre-professional teaching semester curricula in the applicant’s area as prescribed by the Catalog, must be completed prior to the professional semester.
3. Recommendation made by the applicant’s advisor.
4. A record or report from a valid and current medical examination, which shall include a tuberculosis (TB) risk assessment.

**5. Professional Code of Ethics, Character Fitness Declaration, and Professional Dispositions:**

- Candidates must review the Professional Code of Ethics for Kentucky School Certified Personnel established in 16 KAR 1:020 and sign a new COE Professional Code of Ethics for Kentucky Declaration form.
- Candidates must review the character and fitness questionnaire contained in Section III of the TC-1 incorporated by reference in 16 KAR 2:010 and sign a new COE Professional Character and Fitness Declaration form. KRS 161.042 requires a state and national criminal records check as a condition for admission to student teaching. Applicants must process a criminal records check in the district in which student teaching will occur and submit a copy of the report to the Office of Teacher Education Services for approval* by the College of Education.
- Candidates must demonstrate understanding of professional dispositions expected of professional educators. Candidates must review and sign a new COE Professional Dispositions Declaration form.

*“Approval” is a formal review process of the professional character and fitness declaration and criminal records report. Professional disposition issues or violations of the professional code of ethics will be referred to the Professional Education Admission Committee. Any misrepresentation of facts, by omission or addition, may result in the denial of admission to student teaching and revocation of admission to teacher education. Approval is required prior to entry in the professional teaching experience.

6. Behavior that relates to the moral, ethical, social, and personal standards of professional competency. The applicant’s comportment will be subject to review and appraisal by the department responsible for the professional semester recommendation and the College of Education.

**7. Academic Requirements:** Undergraduate degree students’ GPAs are based on the hours attempted as shown on the official EKU transcript. Post degree certification students’ GPAs are based on all undergraduate course work and on the hours attempted as shown on the official EKU transcript.

- All programs: A cumulative grade point average of 2.75 on a 4.0 scale; or a grade point average of 3.0 on a 4.0 scale on the last thirty hours of credit completed. Instructional Technology: Candidates must complete EDF 204 with a grade of “C” or higher; candidates enrolled in a P-12 music education program will take MUS 384 with a grade of “C” or higher; Clinical Experiences: CED 100, 200, 300, 400, 450 with a grade of “B” or higher in each course.
- Elementary and Middle Grade: Minimum 2.75 GPA with a grade of “C” or higher in courses in the “core and supporting course requirements,” area(s) of academic emphasis, “professional education requirements” (see program display for a list of courses), teaching minor(s), and certification endorsement(s).
- Secondary: Minimum 2.75 GPA in teaching major(s), minor(s), area(s) of academic emphasis, and certification endorsement(s). See program area for specific course grade requirements; and a minimum 2.75 GPA with a grade of “C” or higher in courses in “professional education requirements” (see program display for a list of courses). A minimum of seventy-five percent of major and seventy-five percent of supporting course requirements must be completed prior to the professional semester. Individual program areas may require a higher percentage of credit hours completion prior to the professional semester.
- Special Education: Minimum 2.75 GPA with a grade of “C” or higher in courses in the “major, core, and option,” “elementary/middle grade and supporting course requirements,” area of academic emphasis, professional education requirements (see program display for a list of courses), teaching minor(s), and certification endorsement(s).

8. Candidates must submit satisfactory pre-service disposition reviews from their advisor and a designated methods instructor as part of the application process.
9. Candidates must submit satisfactory pre-service disposition reviews from one cooperating teacher and one university supervisor at the end of the professional semester experience.
10. Minimum of 200 hours of field experiences in a variety of Primary-12 school settings which allow the candidate to participate in the following:

A. Engagement with diverse populations of students which include (1) Students from a minimum of two different ethnic or cultural groups of which the candidate would not be considered a member; (2) students from different socioeconomic groups; (3) English language learners; (4) Students with disabilities; and (5) Students from across elementary, middle school, and secondary grade levels.

B. Observation in schools and related agencies, including
but not limited to: Family Resource Centers or Youth Service Centers
C. Student Tutoring
D. Interaction with families of students
E. Attendance at school board and school-based council meetings
F. Participation in a school-based professional learning community
G. Opportunities to assist teachers or other school professionals.

Clinical experience hours are submitted and performance evaluated during the term the candidate enrolls in a Co-op clinical course. In order to qualify for admission to the professional semester the candidate must demonstrate that they have met all clinical performance requirements as evidenced on performance-based assessments to demonstrate candidates’ development of the knowledge, skills, and professional dispositions that are associated with a positive impact on the learning and development of P-12 students.

11. Other requirements as found in the appropriate department presentation.

DEPARTMENT OF AMERICAN SIGN LANGUAGE & INTERPRETER EDUCATION

Interim Associate Chair
Amy A. Milcznski
(859) 622-4966
Wallace 216

Faculty

All students who are accepted by EKU’s Admissions Office and declare their major as Deaf Studies or as ASL and English Interpretation are admitted as “pre-Deaf Studies” or as “pre-Interpretation” majors. However, admission to the University as a “pre-Deaf Studies” or “pre-Interpretation major” does not guarantee admission to the Deaf Studies program or the ASL and English interpretation program. Specific admission criteria for each program are explained below.

Transfers from Other Colleges and Universities
Only the freshman and sophomore-level core courses [i.e. courses in ASL (ASL 101, 102, 201, and 202, 225, 210), and interpreting (ITP 215W, 220)] may be transferred from other colleges to satisfy requirements for majors or minors within the Department of ASL and Interpreter Education. Courses for which credit is to be transferred must be essentially equivalent to the courses offered at Eastern Kentucky University.

ADMISSION TO ASL AND ENGLISH INTERPRETATION PROGRAM

Admission Criteria
• GPA of 2.5 or higher by end of semester preceding application.
• ASL 201, 202, and ITP 215W, 220 with a grade of “C” or higher and a GPA of 2.5 or higher for these four classes.
• Completed the Degrees of Reading Power Language Test, and
• Completed an admission interview by the ITP Interview Committee.

The ITP Interview Committee will select and rank applicants using the following criteria: 1) signing skills, (2) GPA, (3) score on the Degree of Reading Power Language Test, (4) interview score, (5) disposition score. The ITP Interview Committee will determine the number of students admitted to the program in order to maintain an appropriate student-faculty ratio and based on available resources.

Application Information
• Enrollment is limited.
• Application to the ITP does not guarantee acceptance.
• The ITP accepts students for the fall semester of all even years (i.e., 2014, 2016). Deadline for application is March 15th every even year.

Progression and Retention in the Program
• A grade of C or higher is required for all ITP and ASL courses with a 2.5 GPA in the major.
• Upon successful and timely completion of ITP 470 Pre-Practicum, a student will be permitted to take ITP 495 Practicum only with written recommendations from the ITP faculty and the department.

Program Goal
The goal of the ASL and English Interpretation program is to provide a strong foundation for students entering the career of professional interpreting for the deaf and hard of hearing.

Program Objectives
The goal of the ASL-English Interpretation Major is to prepare professional interpreters who are competent, ethical, and life-long learners. The objectives (or outcomes) of this program are:

1. Students of the program will develop critical and creative thinking skills.
2. Students of the program will develop competency in ASL and English.
3. Students of the program will possess a generalist level of knowledge in professional issues, theories, and multicultural dynamics related to the interpreter profession.
4. Students of the program will demonstrate ethical and culturally competent decision-making in various interpreter settings.
5. Students of the program will demonstrate at least entry-level competency in interpreting between ASL and English.
6. Students of the program will be able to critically assess their own work and use creative problem-solving to continually develop themselves after they leave the program.
UNIVERSITY GRADUATION REQUIREMENTS

- General Education (hours share with supporting courses) 36 hours
- Student Success Seminar (EDO 100; waived for transfers with 30+ hrs.) 1 hour
- Wellness 3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category) 1 hour
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories) 51 hours
- ACCT - ASL and English Interpretation majors will fulfill ACCT with ITP 495. (Credit hours are incorporated into major requirements.)

Total Hours University Graduation Requirements ... 40 hours

MAJOR REQUIREMENTS

Core Courses
- ASL Requirements ........................................27 hours
- ITP Requirements ........................................51 hours
- Supporting Course Requirements ................3 hours
- ANG 120* (Element 5B), SED 337.
  * = Course also satisfies a General Education element.
  Hours are included within the 36 hr. General Education requirement above.
- Free Electives ...........................................6 hours

TOTAL HOURS TO COMPLETE DEGREE ........127 hours

Note: ASL 101 & 102 are major core courses and will not count toward Gen. Ed. Element 6. Therefore ASL & English Interpretation majors are expected to fulfill Element 6 with courses other than ASL 101 & 102.

BACHELOR OF ARTS (B.A.)

DEAF STUDIES

CIP Code: 16.1699

The Deaf Studies program is a multidisciplinary program that provides students with a foundation in American Sign Language (ASL) skills, a broad understanding of Deaf people’s histories, literature, and cultures, as well as knowledge of educational and legal issues affecting Deaf people. It will expand students’ understanding of what it means to be human. The Deaf Studies program is designed to allow students to potentially complete a second major, or minor in another discipline therefore preparing them to specialize in service to Deaf people within their chosen discipline. The Deaf Studies degree does not prepare students to become professional interpreters, or ASL teachers upon graduation. The program may help prepare students to serve the diverse language and cultural needs of Deaf people in their chosen careers. These careers may include counselors, government specialists, community service coordinators/advocates, medical personnel, and law enforcement personnel. This program also prepares students for advanced study in Deaf studies, interpretation, Deaf history, ASL studies, and teaching ASL.

Program Objectives

Upon completion of this program the graduate will: 1) Communicate in American Sign Language beyond an intermediate level (as measured by the SLPI:ASL or ASLPI); 2) Demonstrate a broad knowledge of Deaf people’s histories and cultures; 3) Demonstrate critical thinking skills related to topics in Deaf Studies; 4) Demonstrate analytical and thematic awareness of Deaf arts and literature; 5) Describe the diversity within deaf communities; 6) Explain the history and dynamics of various forms of oppression; 7) Integrate knowledge of Deaf Studies with other disciplines of the students’ choosing.

Admission to Deaf Studies Program

Admission Criteria

- ASL 201, 202, 210 with a grade of “B” or higher and
- ASL 225, ITP 215W, with a grade of “C” or higher

UNIVERSITY GRADUATION REQUIREMENTS

- General Education (hours share with supporting courses) 36 hours
- Student Success Seminar (EDO 100; waived for transfers with 30+ hrs.) 1 hour
- Wellness 3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category) 1 hour
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories) 51 hours
- ACCT - Deaf Studies majors may fulfill ACCT with any of the following options, providing the selection is approved by the program in advance of enrollment/participation in the course or experience: a co-op or applied learning experience, a service-learning course, an undergraduate scholarly or creative activity, HON 420, a leadership experience, or study abroad. (Relevant credit hours will be incorporated into program requirements below.

Total Hours University Graduation Requirements ... 40 hours

MAJOR REQUIREMENTS

Prior to graduation, students are required to attain a minimum rating of Intermediate Plus on the Sign Language Proficiency Interview (SLPI:ASL) or a minimum rating of 2.5 on the American Sign Language Proficiency Interview (ASLPI). Administrators of the SLPI: ASL or ASLPI may charge testing fees to students.

Core Courses:
- ASL Core .....................................................15 hours
  ASL 201, 202, 210, 301, 302. A grade of “B” or higher is required for all American Sign Language Core courses.
  Deaf Studies Core .....................................21 hours
  ASL 225, 425; ITP 215 or 215W, SED 538; 6 hrs selected from: ASL 400, 380, 385, ITP 350, 490, or SED 337.
  A grade of “C” or higher is required for all Deaf Studies Core courses.
- Free Electives ...........................................44 hours
  (Students are encouraged to create a reasoned plan of free elective courses, such as selecting a second major or adding a minor.)
TOTAL HOURS TO COMPLETE DEGREE..................120 hours
Note: ASL 101 & 102 are not included as core courses for the Deaf Major. Therefore students who enter ASL 101 & 102, for the purpose of fulfilling General Education, and subsequently decide to declare the Deaf Studies major, may continue to use ASL 101 & 102 to fulfill Gen. Ed. Element 6.

MINOR

AMERICAN SIGN LANGUAGE (ASL) STUDIES
The minor in American Sign Language teaches communication competency in a visual language. Students become knowledgeable about aspects of the hard-of-hearing and deaf community. For careers working with the public, this minor is beneficial for understanding and communicating with the deaf and hard-of-hearing. This minor does not prepare students to interpret, nor fulfill the pre-admission and admission process for the ASL and English Interpretation Program.

A grade of “C” or higher is required in each course while maintaining a 2.75 GPA in the minor.

Required Courses.............................................. 15 hours
ASL 201, 202, 301, 302, and 225.
Electives .......................................................... 3 hours
ASL 380, 385, 400, 425, ITP 215, 215W, 350, or SED 337
Total Requirements............................................. 18 hours

DEPARTMENT OF COUNSELING AND EDUCATIONAL PSYCHOLOGY

Chair
TBA
(859) 622-1124
Bert Combs 417

Faculty

The Department of Counseling and Educational Psychology offers undergraduate coursework in Human Services (HSR courses) as well as degree and non-degree graduate programs.

The Counseling and Educational Psychology unit offers graduate programs in school counseling and in mental health counseling. This unit also provides graduate instruction in the common core areas required of many Master’s degree programs in education and related fields, such as human development and learning, tests and measurement, and research. More complete information concerning the counseling programs can be reviewed by accessing the Counseling and Educational Psychology Department website at www.cel.eku.edu/cep/.

DEPARTMENT OF EDUCATIONAL LEADERSHIP & POLICY STUDIES

Chair
Dr. James Bliss

Associate Chair
Dr. Robert Biggin
(859) 622-1125
Bert Combs, Room 406

Faculty
J. Austin, R. Biggin, J. Bliss, R. Cleveland, P. Erickson, C. Hausman, J. Hearn, T. Shepperson, R. Skepple, S. Thompson, W. Phillips, N. Powell, T. Wallace, and D. West,

To teach, to learn, to help others teach and learn.

The Department of Educational Leadership and Policy Studies offers degree and non-degree graduate programs. The department offers a doctoral degree (Ed.D.) in leadership and policy studies, a Master’s Degree, and a Specialist Degree. Certification programs include the principalship, supervisor, superintendent, and pupil personnel services. Through completion of the degree or certification programs, students may earn a change in their rank status.

SCHOOL OF CLINICAL EDUCATOR PREPARATION

Interim Associate Dean
Dr. Debbie Haydon
(859) 622 6537
Bert Combs, Room 210

Faculty

BACCALAUREATE DEGREES

BACHELOR OF SCIENCE (B.S.)
COMMUNICATION DISORDERS
CIP Code: 51.0204

ADMISSION TO COMMUNICATION DISORDERS PROGRAM

Any student who is accepted by Eastern Kentucky University’s Admissions Office may declare their major as communication disorders (CD). The student will be assigned to a program advisor and will be classified as a “Pre-CD” major. However, a Pre-CD status does not guarantee admission into the CD undergraduate program. Pre-CD majors will be restricted to enrollment in the following major CDS courses: CDS 275 and 360.
To apply for admission to the CD undergraduate program, students must meet the following minimum criteria: (1) at least 27 credit hours earned on 100-level courses or higher, (2) at least a 3.0 GPA on a 4.0 scale, (3) at least a 21 composite score on the ACT, and (4) pass a speech/language/hearing screening. Once admitted to the CD program, the student must earn a grade of “C” or higher in CDS 275 or equivalent transferred course before registering for any CDS courses in the major requirements. Transfer students do not have to be enrolled in university courses at the time of submitting an application for admission. The CD program admits 30 new undergraduate students each year. Applicants are ranked by the GPA x ACT composite score. The most qualified applicants are admitted. Application forms are available from Wallace 245 or visit the CD program website at cd.eku.edu. Telephone (859) 622-4442. Completed applications and all required documentation must be submitted by February 14 to the CD Program Coordinator.

It should be noted that enrollment in the graduate program in Communication Disorders is also limited. Admission into the undergraduate program does not guarantee admission into the graduate program. Refer to the Graduate Catalog for information on admission to the graduate program.

Students must purchase professional liability insurance prior to enrollment in CDS 374, 474, and 541. Further, that insurance coverage must be maintained throughout enrollment in these courses.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education ...........................................36 hours
• Student Success Seminar (EDO 100; waived for transfers with 30+ hrs.) .............................................1 hour
• Wellness ................................................................3 hours
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Communication Disorders majors will select: CDS 475. (Credit hours may be incorporated into Major or Supporting requirements)

Total Hours University Graduation Requirements ...40 hours

MAJOR REQUIREMENTS
Core Courses ......................................................58 hours
Supporting Course Requirements ..........................21-30 hours
ASL 101("Element 4") or SED 240; BIO 171, 301 or 303; ENG 410, 510, or 520; OTS 515; PSY("Element 5B") 200, 200W, 280, or 280W; SED 104; SED 341 or 590, 518 or 518S; STA 215 or 500.

Select 9 hours from the following: CDF 437, ELE 519, NSC 500, OTS 515, PSY 577, SED 511, SWK 440, or 456.

TOTAL HOURS TO COMPLETE DEGREE ..........125 hours

Candidates earning a degree that leads to teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams to be recommended for licensure in Kentucky. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (www.kyepsb.net/ AND www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams. For additional information, candidates may also contact the EPSB Division of Professional Learning and Assessment at (859) 564-5778 or (888) 598-7667 (toll free).

*Bachelor of Science (B.S.)
EDUCATION OF THE DEAF AND HARD OF HEARING (P-12)

SED 337(2), 375, 510(2), 538, 545, 580, and 581; SED 518 or 518S.

Professional Education Requirements ........................32 hours
EDF 203, 204(2), 219, 413, EMS 300W, 490, 474, SED 104 (Element 6), and 12 credit hours of Clinical Experiences: CED 100(0.5), 200(0.5), 300(0.5), 400(0.5), 450(1), 499(9).

Concentrations (select one):
1. Elementary Education (P-5) Requirements.....41 hours
   ELE 101 or 102; ELE *201(Wellness), 302, 311, 312, 313, 314(1), 401, 402, 403, 404(1), 411, 412, 414(1), 421(2), 422(2), 423(2), 424(2).
2. Middle Grade Education (5-9) Requirements ...9 hours
   EMG 445 or 445W and 447; and three hours from EMG 491, 492, 493, or 494.

Supporting Course Requirements:
1. Elementary Education (P-5) Supporting Courses ..............................................6 hours
   ASL 101(Element 6), 102 (Element 6), 201, PHY 102E or CHE 100E.
2. Middle Grade Supporting and Area of Emphasis Requirements
   a.) Supporting Courses ..............................................9 hours
      ASL 101(Element 6), 102 (Element 6), 201, MAT 201 and 202.
   b.) Area of Emphasis .............................................15-20 hours
      Candidates seeking middle grade (5-9) certification must select one area of emphasis from the following list and complete the specified courses: English and Communications, Mathematics, Science, Social Studies.

English and Communications ...........................18 hours
ENG 210, 210W, or HON 308W (Element 3B); ENG 211, 211W, 212, or 212W; ENG 303; ENG 350 or 351; ENG 410 or EME 552, and LIB 401; CMS 100 or HON 102/103 (Element 1C); three hours selected from ENG 405, 510, 520, or EME 551.

Mathematics .....................................................21 -22 hours
MAE 305; MAT 106 (Element 2), 201, 202, and 203; MAT 211 or 261 234 (4); MAT 303, and STA 270.

Science ......................................................18-20 hours
AST 135; BIO 102(Element 4), and BIO 590; CHE 100 (Element 4), and GLY 102; GEO 111 or 315; PHY 102, and 3 to 5 hours selected from: AST 335, BIO 111(4), 112(4), 303, 318, 319, GLY 104, 109, 307, PHY 131(5), or WLD 317.

Social Studies ..................................................18 hours
ECO 120, 130, 230, or 231 (Element 5B); GEO 100 or 220; HIS 102(Element 5A); HIS 103, 303, 304, 305, 308, 401, 402, 405, 406, or 424; HIS 100; HIS 101, 336, 339, 343, 344, 345, 363, 374, or 385; POL 100 or 101; and 3 hours selected from ANT 120, 325, SOC 131, or SOC 345. Must take at least one HIS course at the 300 or 400 level.
(= Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.)
*Course satisfies University Wellness Requirement for D/H/H Elementary Majors only. Hours are counted within the University Graduation Requirements.

TOTAL HOURS TO COMPLETE DEGREE ....134-142 hours

PRAXIS DISCLAIMER: Kentucky educator certification requirements are subject to change. Before registering for the test(s), please check the Education Professional Standards Board website at www.epsb.ky.gov for current test requirements and current cut scores. You may also contact the Division of Professional Learning and Assessment at (502) 564-5778.

Bachelor of Science (B.S.)
Elementary Education P-5 Teaching
CIP Code: 13.1202

UNIVERSITY GRADUATION REQUIREMENTS
• General Education..................................................36 hours
• Student Success Seminar (EDO 100 or HON 100; waived for transfers with 30+ hrs.) .................................1 hour
• Wellness (ELE 201) ..................................................3 hours
• Writing Intensive Course (Hrs. incorporated into Major Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT — Elementary Education majors will fulfill ACCT with ELE 499. (Credit hours included in Professional Education requirements)

Total Hours University Graduation Requirements ...40 hours

Upon completion of a degree in Elementary Education, candidates will: 1) demonstrate specific pedagogical skills and content knowledge necessary to perform as effective elementary educators; 2) demonstrate understanding and appreciation for students and families from diverse socioeconomic, cultural, learning and ethnic backgrounds as demonstrated through course observations, assignments and/or reflections.

CANDIDATES HAVE A CHOICE OF:
Elementary only; Elementary with additional endorsements in English as Second Language or Reading P-12; or Dual Certification in Elementary and Special Education (See Special Education Programs in catalog for Learning and Behavior Disorders + Elementary or Deaf and Hard of Hearing +Elementary.)

MAJOR REQUIREMENTS

- EDF 204, SED 104

Concentrations (Areas of Emphasis):
- Students seeking middle grade (5-9) certification must select two areas of emphasis from: English and Communications, Mathematics, Science, Social Studies. Supporting courses which are also general education courses will have their credit hours count above in the 36 hr. Gen Ed area.

English and Communications ................................... 18 hours
- ENG 210, 210W, or HON 308W (Element 3B); ENG 211, 211W, 212, or 212W; ENG 303; ENG 350 or 351; ENG 410, or EME 552, and LIB 401; CMS 100 or HON 102/103 (Element 1C); three hours selected from ENG 405, 510, 520, or EME 551.

Mathematics ........................................................... 10 hours
- MAT 106 (Element 2, 201, 202, and 203; MAT 211 or 234(4); MAT 303, and STA 270.

Science .................................................................... 18-20 hours
- AST 135; BIO 102 (Element 4), and BIO 590; CHE 100 (Element 4), and GLY 110 or 315; PHY 102, and 3 to 5 hours selected from: AST 335, BIO 111(4), 112(4), 303, 318, 319, GLY 104, 109, PHY 131(5), or WLD 317.

Social Studies .......................................................... 18 hours
- ECO 120, 130, 230, or 231 (Element 5B); GEO 100 or 220; HIS 102 (Element 5A); HIS 103, 303, 304, 305, 308, 401, 402, 405, 406, or 424; HIS 100; HIS 101, 336, 339, 343, 344, 345, 363, 374, or 385; POL 100 or 101; and 3 hours selected from AN 125, 305, SOC 111, or SOC 345. Must take at least one HIS course at the 300 or 400 level.

(\(G\) = Course also satisfies a General Education element. Hours are counted only within the 36 hr. General Education requirement above.)

PRAXIS DISCLAIMER: Kentucky educator certification requirements are subject to change. Before registering for the test(s), please check the Education Professional Standards Board website at www.epsb.ky.gov for current test requirements and current cut scores. You may also contact the Division of Professional Learning and Assessment at (502) 564-5778.
MAJOR REQUIREMENTS

Students must see their advisor early in the program.

LBD Core Courses .........................................................17 hours
SED 356, 375, 545(2), 576, 578, and 590.

Professional Education Requirements ................................32 hours
EDF 203, 204(2); EDF 219; EDF 413, SED 104(“Element
6”), EMS 300W, 490, 474; and 12 credit hours of Clinical
Experiences: CED 100(0.5), 200(0.5), 300(0.5), 400(0.5),
450(1), 499(9).

Concentrations: (select one)
LBD-Elementary Core Courses ..................................41 hours
ELE 101 or 102, *201 (Wellness), 302, 311, 312, 313, 314
(1), 401, 402, 403, 404(1), 411, 412, 414(1), 421(2), 422(2),
423(2), 424(2).

LBD-Middle Grade Education (5-9) .......................9 hours
EMG 445 or 445W; 447; and three hours from EMG 491,
492, 493, or 494 (associated with area of emphasis).

Supporting Course Requirements:
Middle Grade Supporting and Area of Emphasis
Requirements: (5-9)
Supporting Courses .............................................6 hours
MAT 201 and 202
Area of Emphasis ..............................................15-20 hours
Candidates seeking middle grade (5-9) certification
must select one area of emphasis from the following
list and complete the specified courses: English and
Communications, Mathematics, Science, Social
Studies. (See options list under Middle Grade
Education (5-9) for a list of courses and block
statements. Some emphasis courses are also General
Education courses and therefore will count in both
areas, reducing total hours to degree.)

TOTAL HOURS TO COMPLETE DEGREE........127-133 hours

PRAXIS DISCLAIMER: Kentucky educator certification
requirements are subject to change. Before registering for the
test(s), please check the Education Professional Standards
Board website at www.epsb.ky.gov for current test requirements
and current cut scores. You may also contact the Division of
Professional Learning and Assessment at (502) 564-5778.

ASSOCIATE DEGREE

ASSOCIATE OF GENERAL STUDIES (A.G.S.)
GENERAL STUDIES

The Associate of General Studies degree provides students,
especially adult learners, the opportunity to pursue a flexible
degree program to meet their unique interests, career goals, and
academic needs. Reflecting EKU’s commitment to a liberal arts
education, the degree allows students to concentrate in an area
of interest while selecting from a wide variety of courses to meet
personal, educational, or career goals. This degree is designed for
students for whom this will be their first college degree and who
wish to advance in their careers, change careers, pursue a lifelong
interest beyond their careers, or use the degree as a pathway to
a baccalaureate degree. Students who are admitted as “Special
Admittance/Conditional Admittance” (see page 10 of the Catalog),
will be initially admitted into the Associate of General Studies
degree program.

UNIVERSITY GRADUATION REQUIREMENTS

General Education .....................................................36 hours
Standard General Education program (Elements 1-6 inclusive,
per Section Four of this Catalog). Students should refer to
their DegreeWorks audit for General Education course
selections.

Student Success Seminar (GSD 101 or GSO 102; waived for
transfers with 30+ hours) .............................................3 hour

Total Hours University Graduation Requirements.......39 hours

MAJOR REQUIREMENTS

• AGS students must earn a cumulative GPA of 2.0 on
  all work earned at EKU, as well as an overall GPA of 2.0
  on combined transfer and EKU graded coursework.
• AGS students must earn at least 15 semester hours at
  EKU.
• AGS students will declare either a college of focus
  for their core courses or a departmental concentration
  prior to registration during the semester in which they
  register for their 45th hour.
• AGS students must complete an approved 12-hour
  emphasis with an overall 2.0 GPA within an individual
college outside of the General Education requirement.

Core Courses.............................................................12 hours
Courses must be within an individual College and exclusive
of general education requirements. The optional departmental
concentration (see below) may be substituted for this area.

Education Concentration.............................................13 hours
EDF 203, 204, 205, and SED 104.

Students planning to apply for admission to the Teacher
Education Program after completing the AGS degree should also
Enroll in CMS 100 or 210, BIO 102 or PHY 102, and HIS 202.
Students should confer with a College of Education Advisor to
determine the required math course for each specific program.

SPECIAL EDUCATION (NON-TEACHING)

Prerequisites must be honored.

Required Courses....................................................12 hours
SED 104, 260, 518 or 518S, and 590.
Electives...............................................................6 hours
SED 207, 240, 337, 351 or 576 or 352, 500, 511, 530, 535, 578.
Total Requirements..................................................18 hours
### DEPARTMENT OF AMERICAN SIGN LANGUAGE & INTERPRETER EDUCATION

#### First Semester
- **FRESHMAN YEAR**

MISSION STATEMENT

The mission of the College of Health Sciences is to prepare outstanding health and human service professionals and leaders who are critical and creative thinkers and effective communicators.

VISION

The College of Health Sciences will be nationally recognized as a center for outstanding teaching, scholarship, service and educational outreach by actively shaping and improving the health and well being of individuals, families, and communities.

CORE VALUES

The College adheres to the University Core Values set forth in the 2011-2015 Strategic Plan as follows:

• Excellence and innovation through intellectual rigor and academic excellence among faculty and students
• Dignity and diversity through culturally sensitive human services and care
• Civic responsibility and civility through community and professional service
• Opportunity and access through learner-focused services and outreach
• Collaboration through interdisciplinary and cooperative efforts among faculty, students and the community
• Ethical and professional responsibility

GOALS

Academic Planning Group Strategic Directions:

EUK Goal 1: Maximize student success

CHS SD 1.1: The College of Health Sciences will provide nationally recognized, high quality, accredited, and approved programs as evidenced by our graduates meeting or exceeding national pass rates (or national pass rate means) on licensure exams, certifications, and standardized exam results. (EUK 1.2)

CHS SD 1.2: The College of Health Sciences will support and review faculty/ student scholarly activities. (EUK 1.4)

CHS SD 1.3: All college departments will have a professional development plan. (EUK 1.4)

CHS SD 1.4: All college departments will assess teaching effectiveness and use the results to make improvements. (EUK 1.4)

CHS SD 1.5: All college departments will assess advising effectiveness, either through the advising survey or tool of their choosing, and then use the results to improve advising within the department. (EUK 1.4)

EUK Goal 2: Build and sustain the University’s capacity for excellence

CHS SD 2.1: The Administrative Council for the College of Health Sciences will annually examine measures related to our financial effectiveness to include: workload, class size, programs, and faculty and staff issues. (EUK 2.1)

CHS SD 2.2: The College of Health Sciences will increase access to selected high-quality programs, both online and at regional campuses. (EUK 2.3)

EUK Goal 3: Create and maintain an inclusive, equitable, and diverse environment.

CHS SD 3.1: The College of Health Sciences will demonstrate commitment to diversity through inclusive program curriculum and learning opportunities incorporating multicultural experiences. (EUK 3.2)

EUK Goal 4: Collaborate with the University’s regional community partners to promote academic achievement, economic development, and quality of life.

CHS SD 4.1: The College of Health Sciences will continue and enhance quality collaborations with regional partners such as the Bluegrass Community Health Center, Service Learning Projects, Fieldwork, Clinicals and Collaborative Research opportunities. (EUK 4.2)

ADMISSION REQUIREMENTS FOR COLLEGE
The College of Health Sciences accepts applications from all persons who are qualified for admission to the University. All applicants must provide evidence of their ability to meet the academic standards established by the various programs. Due to enrollment limitations of some programs, applications should be made early. Applications received after the deadline of a program will be processed and admissions recommended on a space available basis. Specific entrance requirements for each program are shown in the departmental sections of this Catalog.

**Admission Policies**

1. Students must meet requirements and be admitted by the University before being considered for enrollment in programs within the College of Health Sciences. Specific admission criteria are provided under each of the Health Sciences programs. The student is responsible for obtaining information for the application process including department deadlines.

2. Transfer work must be from an accredited institution and with a minimum grade of "C" in major and supporting courses. The applicant must be eligible to return to the last institution attended.

3. Work taken more than eight years previously must be approved by the Dean of the College.

4. In the event that a student is not accepted for a program, the student who wishes to reapply must submit a new application and related materials that will be considered when a new class is accepted.

Students desiring to complete collegiate work required for admission to professional programs may complete this work at any accredited college or university. Students are urged to carefully plan their course of study to be consistent with the individual program’s curriculum progression plan of study. Students who plan to complete coursework before declaring a major in a College of Health Sciences program should consult with the individual program directors or with the College of Health Sciences Advisors. Students who have not reached a decision on a specific health science major may obtain counseling/guidance from individual program directors in the College of Health Sciences or from College of Health Sciences Advisors.

The programs in the College of Health Sciences are designed to prepare graduates for practice in health and human services professions. Most require licensure and/or certification after graduation and prior to practice. A criminal record (excluding minor traffic violations) may make a person ineligible for licensure or certification in these professions. Students with such a history should contact the licensing or certifying body prior to enrollment to determine whether this might be the case.

**Clinical Agency Placement Requirements**

Placement in clinical sites for certain programs in the College of Health Sciences requires students to meet specific clinical agency placement requirements. Clinical agency placement requirements for certain programs (particularly those involving direct patient contact and/or practice with children) require a criminal background check and/or a urine drug screen. Students whose results from these screenings do not meet clinical agency placement requirements will be unable to participate in clinical experiences which are required for satisfactory progression and completion of the program. Other requirements may include documentation of tuberculosis screenings indicating student is free of disease, specific immunizations, certifications, student professional liability insurance purchased through the University [see Student Liability (Malpractice) Insurance], and individual health insurance. Specific requirements for individual programs may be obtained by contacting the departmental office.

**Readmission Policies**

After being admitted to one of the programs in the College, students who withdraw or who are unable to progress due to being unsuccessful in one or more courses must submit application for readmission according to the guidelines for the specific program. Readmission to the program is not guaranteed to any student.

**Readmission Appeal Process**

The student who has been denied readmission may appeal the decision following these guidelines:

1. Notify the chair of the program’s readmission committee of the desire to appeal the decision and to provide additional pertinent information to support the appeal. The committee chair will schedule a time for the student to appear before the committee to present the appeal. A student who has agreed to a time for a meeting of the departmental readmission committee and who does not appear at that meeting may forfeit the right to present evidence beyond that furnished in the original application for readmission.

2. The student will be notified within five working days of the committee’s decision.

3. If the student is not satisfied with the decision, the student shall schedule an appointment to present the appeal to the Department Chair. The student will be notified within five working days of the Department Chair’s decision.

4. If the student is not satisfied with the decision of the Department Chair, the student shall submit a written appeal to the Dean of the College of Health Sciences. If the Dean determines there are extenuating circumstances surrounding the student’s request for readmission and/or if the procedure for readmission has not been followed, a meeting of the College’s Readmission Committee will be scheduled. A time will be appointed for the student to appear before the committee to present the appeal. A student who has agreed to a time for a meeting of the College Readmission Committee and who does not appear at that meeting may forfeit the right to present evidence beyond that furnished in the original application for readmission.

5. Decisions of the College Readmission Committee are binding. The student will be notified of the decision within five working days.

**Student Agreement Statement**

Programs in the College of Health Sciences may require a student to sign an agreement statement that encompasses professional expectations related to the program. This statement is to be signed when the student enters courses in the major.

**Student Liability (Malpractice) Insurance**
All students whose programs require participation in clinical learning experiences must purchase and maintain liability insurance through the University during the entire clinical experience. Proof of such insurance coverage must be furnished to the department before the clinical experience is scheduled to begin. The University has arranged for appropriate insurance coverage at a modest cost to the student. Further information may be obtained at the student’s major departmental office.

**National Council for Accreditation**  
National Recreation and Park Association/Council on Accreditation  
22377 Belmont Ridge Road

**Clinical Facilities**

The University maintains formal contracts with many health care Human Services and Educational agencies located throughout Kentucky and the southeastern United States. Almost every specialty within the entire health care spectrum is available for use in providing high quality experiences for students enrolled in the programs. A list of cooperating agencies is available through the Office of the Dean. The University is not liable for, nor is there a fund from which payment can be made for those who are inconvenienced or incur expenses based upon canceled classes, assignments, or clinical placements, etc.

**Bloodborne Pathogens and Hepatitis B Statement**

The College of Health Sciences attempts to impart the principles and practice of infection control to its students who may have future occupational exposure to bloodborne pathogens. To this end, students majoring in athletic training, medical laboratory science and technology, nursing, and occupational therapy are required to receive education in universal precautions and the Occupational Safety and Health Administration’s (OSHA) Bloodborne Pathogens Standard Regulations. Students will be responsible for obtaining the Hepatitis B vaccination before participation in the clinical training phase of their respective programs when indicated. Students who may potentially be exposed to blood and body fluids are required by most of our clinical agencies to have obtained the Hepatitis B vaccine. If this requirement is placed upon the student, it will be strictly enforced. Please see the departmental student handbook for further clarification.

**Degree Requirements**

The students are responsible for selection and registration for courses needed for reasonable progress toward their degree or certificate that will enable the students to satisfy requirements for graduation.

General Academic Information described in Section Five of this Catalog, and specific course requirements set forth in the description of curricula, must be met by students completing associate and baccalaureate programs administered by the College of Health Sciences. See programs under each department for major and minor requirements. All first-year students in the College of
Health Sciences must enroll in the Student Success Seminar (HSO 100).

Appeals
Appeals procedures are detailed in the Departmental and University Handbooks and in the department sections.

HEALTH SCIENCES LEARNING RESOURCE CENTER

Director
Mrs. Raglena Salmans
(859) 622-2091
Rowlett 310

The Health Sciences Learning Resource Center is a multi-media library, study, and computer center for the College of Health Sciences. It provides support to the instructional needs of the faculty through multi-media resources, equipment, and other services. The primary purpose of the Center is to provide the student the opportunity to reinforce previous learning of clinical/classroom content through independent review of multi-media materials and computer-aided instructional software.

Students also have access to other resources such as anatomical models and charts, interactive video resources, professional articles, e-mail, the internet, literature searches, bibliographic manager, epidemiology mapping courseware and word processing. The Learning Resource Center is located in the Rowlett Building, Room 310.

DEPARTMENT OF ASSOCIATE DEGREE NURSING (RN)

Chair
Mrs. Beth Gamble
(859) 622-1942
Rowlett 220

Faculty
J. Brown, C. Frazer, R. Gaffney, B. Gamble, C. Hubbard, K. Petrey, M. Powell, D. Ricketts, A Potts, S. Sutherland and C. Hackney

The Department of Associate Degree Nursing, established in 1965, is approved by the Kentucky Board of Nursing and accredited by the Accreditation Commission for Education in Nursing (ACEN). The nursing program leading to an Associate of Science in Nursing (A.S.N.) degree is four semesters in length. The program prepares the graduate to function as a generalist nurse (R.N.) to practice in a variety of positions in various clinical settings in Kentucky and across the nation. Graduates of the program are eligible to apply for the national licensure examination NCLEX-RN; after successful completion of the exam, graduates are licensed as registered nurses.

The philosophy of the Department of Associate Degree Nursing guides the program of study.

The core values of caring, diversity, ethics, excellence, holism, integrity, and patient centeredness are reflected in the curriculum. The curriculum promotes the attainment of the educational outcomes of Human Flourishing, Nursing Judgment, Professional Identity, and Spirit of Inquiry.

Student Learning Outcomes
Upon completion of the program, the ASN graduate will:
1. Advocate for patients and families in ways that promote their self-determination, integrity, and ongoing growth as diverse human beings. (Human Flourishing)
2. Using the nursing process as a critical thinking tool, make judgments in practice, substantiated with evidence, that integrate nursing science in the provision of safe, quality care and promote the health of patients within a family context. (Nursing Judgment)
3. Express one’s identity as a nurse through actions that reflect integrity, a commitment to evidence-based practice, effective communication, caring, advocacy, and safe, quality care for diverse patients within a family context. (Professional Identity)
4. Examine the evidence that underlies clinical nursing practice to improve the quality of care for patients and families. (Spirit of Inquiry)

Admission Requirements and Procedures
All students who are admitted to EKU and declare their major as associate degree nursing are admitted as pre-associate degree nursing majors. However, admission to the University does not guarantee admission to the Associate Degree Nursing Program.

Students are eligible to be considered for admission to the Associate Degree Nursing Program only after having been admitted to the University. Applications for the Associate Degree Nursing program are available through the department office or online at www.adn.eku.edu.

Applicants are eligible to be considered for admission who have:
1. Met University requirements for proficiency in English, reading and mathematics.
2. Met the Pre-College Curriculum requirements.
3. A high school or college (cumulative and EKU) GPA of 2.5 on a 4.0 scale.
4. Grades of “C” or better in any supporting courses that have been completed.
5. Completed the Nursing Assessment (A2) exam with a minimum score of 75 in specified areas of Reading, Vocabulary, Grammar and Math. Students may contact the nursing office to schedule the Assessment Exam.
6. In addition to the academic criteria required for admission, applicants must meet the standards written into the Commonwealth of Kentucky Nurse Practice Act. Specifically, the Nurse Practice Act requires that each student be of good moral and ethical character, good mental and physical health, and be academically qualified to fulfill the role and responsibilities of a person licensed to practice as a professional nurse. Students must meet all clinical agency placement requirements.

Applications are considered for the fall semester (received by March 1) and for the spring semester (received by October 1). Applications received after the deadline will be processed on a space availability basis. The Department Admissions Committee...
will evaluate each applicant’s academic history and select those applicants who are the most academically qualified. Should there be more qualified applicants than spaces available, admission becomes competitive and applicants will be ranked according to the admission scoring rubric found on the department’s website. Admission to the program is limited and completion of eligibility criteria does not ensure admission into the program.

Students Transferring from Another Nursing Program
Transfer students must meet the following criteria in addition to admission criteria of Eastern Kentucky University and the Department of Associate Degree Nursing:

1. The nursing credits transferred must be comparable to Department nursing credits for a maximum of 16 semester hours credit.
2. A complete course outline and/or syllabi must be submitted for each nursing course being evaluated for transfer credit.
3. Transfer credits must meet passing standards of the nursing program from which they are transferred.
4. Transfer credits must be from a nationally accredited program.

Each transfer student’s application will be evaluated on an individual basis by the Department Chair and the Department Admissions Committee.

Progression in the Program
In order for students to follow the established progression of the program sequence, they must:

1. Meet all prerequisites.
2. Maintain a cumulative and EKU GPA of 2.0 on a 4.0 scale.
3. Complete all major courses and supporting courses with a “C” or better.

Clinical Requirements
Transportation to all clinical experiences is the responsibility of the student. Students are expected to adhere to all Department and clinical agency policies and must meet all clinical agency placement requirements. To be compliant with Joint Commission regulations, clinical agency contractual agreements, and ensure a safe clinical environment the following items are required before a student can progress to a clinical experience:

1. Proof of professional liability insurance purchased through the University.
2. Proof of CPR for the Health Care Professional.
3. Proof of Rubella, Measles (Rubella), and Mumps immunity.
4. Proof of Hepatitis B immunity.
5. Proof of negative Tuberculosis screening.
6. Proof of Varicella immunity.
8. Documentation of annual influenza vaccine.
9. Documentation of the CHS-approved Criminal Background Check.
10. Documentation of the CHS-approved Drug Screening.
11. Proof of Personal Health Insurance.
12. Other documentation as required by specific clinical facilities.

Readmission Policies and Procedures
A student who fails to progress in the nursing curriculum is dismissed from the program and must apply and be processed through the Admissions/Progression Committee. This committee represents the Department of Associate Degree Nursing and has the authority in readmission decisions for the department.

Readmission to a nursing course is not guaranteed to any student. The student is advised to refer to the Department of Associate Degree Nursing Student Handbook for specific procedures concerning readmission.

Hovemaler, L. Jones, T. Loan, E. Parrish, J. Pinheiro, K.
Purcell, G. Purdue, F. Sands, K. Scalf, I. Slusher, E. Waters, M.

The nursing program leads to a baccalaureate degree. General education in the sciences and liberal arts provides the basis for and is correlated with the major in nursing. The collegiate program is devoted to a combination of physical, biological and social
sciences, and humanities as deemed essential to the preparation of the professional nurse. The nursing component is composed of instruction in nursing theory and the application of nursing theory in the clinical setting under the guidance of nursing faculty. Thus, nursing is learned through a combination of formal classroom instruction and supervised experiences in hospitals, clinical agencies, and a variety of community settings. The nursing program prepares the individual to function as a generalist and lays the foundation for graduate study in clinical specialties, research, teaching, supervision, and/or administration. Graduates of the program earn a baccalaureate degree in nursing (BSN) and are eligible to make application to the national licensure examination (NCLEX). Graduates of the program who successfully write the NCLEX examination are licensed to practice as registered nurses. The baccalaureate nursing program is based upon the belief that preparation for professional nursing encompasses a broad liberal, general, and professional education. The mission of the department is congruent with the mission of the college and university; to promote student success by providing high quality, accessible learning opportunities which encourage students to act independently, to think critically, to communicate effectively, and to practice professional or advanced levels of nursing with integrity, enlightenment and creativity; and to collaborate with regional partners to promote health.

Professional Nursing Practice Outcomes

Upon completion of the baccalaureate nursing program the BSN graduate:

1. Treats patients as holistic, unique and self-directive with the right to make decisions for themselves concerning health matters.
2. Uses the nursing process to provide, manage, and evaluate culturally competent primary, secondary, and tertiary prevention for diverse clients across the life span in a variety of settings.
3. Uses evidence-based nursing practice, critical thinking, research methodologies, informatics, and healthcare technology to provide therapeutic interventions, predict outcomes, and influence the delivery of health care.
4. Assumes a leadership role in health care by communicating and collaborating with patients, health care professionals, and health care systems.
5. Supports safe, quality, responsible, and economic interdisciplinary health care as a consumer and sociopolitical advocate within multiple health care systems.
6. Promotes the ethical and legal practice of professional nursing.
7. Demonstrates self-care, professionalism, accountability, and competence in nursing practice, with a commitment to advancing the profession of nursing.

Admission and Progression Requirements

All students who are accepted by EKU’s Admissions Office and declare their major as baccalaureate nursing (four-year nursing) are admitted to the University as pre-baccalaureate nursing majors. However, admission to the freshman year does not guarantee admission to the laboratory nursing courses. Students seeking to enter NSC 232, 242, and 252 in the third semester of the curriculum must meet minimum program GPA requirements of 2.5 and have department chair approval. Spaces in these courses are limited and are reserved for students whose academic record indicates they are more likely to be eligible to be considered for and admitted to the clinical nursing courses. To be eligible to be considered for admission to the clinical nursing courses, students must have completed the first three semesters of college work as outlined in the curriculum plan and have submitted a complete department application. All prerequisite courses must be completed with a grade of “C”/2.0 or better, and a minimum cumulative GPA of 2.5 on a 4.0 scale must be obtained. For the prelicensure nursing program, [Nursing Pre-RN (B.S.N.)], some prerequisite courses (BIO 171, BIO 273/MLS 209, BIO 301, CHE 105, NFA 201, NSC 232, 232L, 242, and 252) must have been taken within five years prior to the time application is made for admission to the clinical nursing courses unless an exception has been approved by the department. For the prelicensure Nursing (B.S.N.) Second Degree Concentration, the courses in BIO 171, BIO 273/MLS 209, BIO 301, and NFA 201 must have been taken within five years prior to the time application is made for admission to the concentration unless an exception has been approved by the department.

Completion of eligibility criteria does not guarantee admission to the clinical nursing courses. Admission to the clinical courses is competitive and based on review of the applicants’ academic history by the Baccalaureate Nursing Admission/Readmission Committee. Spaces are limited and the most qualified applicants will be selected for admission.

In addition to the academic criteria required for admission, the student must meet the standards written into the Commonwealth of Kentucky Nurse Practice Act. Specifically, the Nurse Practice Act requires that each student be of good moral and ethical character, good mental and physical health, and be academically qualified to fulfill the role and responsibilities of a person licensed to practice as a professional nurse. Students must meet all clinical agency placement requirements.

For progression, students must earn a grade of “C”/2.0 or better in all nursing and supporting courses. Students who fail to meet the requirements for progression must apply for readmission through the Baccalaureate Admission/Readmission Committee. Readmission to a nursing course is not guaranteed to any student. Please refer to the Baccalaureate Nursing Student Handbook for specific information on readmission procedures. The program reserves the right to alter the suggested plan as necessary to enhance a quality educational program. Students interested in entering graduate study may apply to the Graduate School.

For additional admission information please refer to the Selection Criteria at http://www.bsn-gn.eku.edu/bsn.

Transfers from Other Colleges and Universities

Academic credits earned at other accredited colleges or universities are transferable upon approval of the appropriate department at Eastern Kentucky University. Official transcripts are to be submitted by the student to the Office of the Registrar. Credits more than eight years old must be approved.

Transfer students must submit copies of all transcripts along with their application to the program. These transcripts will be considered a part of the application process and are necessary to determine admission and placement.

Students wishing to transfer nursing courses from another accredited institution must have a grade equivalent of “C”/2.0 or better in any nursing course to be transferred. In addition, the applicant must submit complete course outlines and/or syllabi. This material should be submitted well in advance of expected matriculation to provide time for necessary evaluation.

Specific Degree Requirements for Bachelor of Science in Nursing Degree
In addition to the general requirements for the baccalaureate degree, students must earn a grade of “C”/2.0 or better in all nursing and supporting courses.

**DEPARTMENT OF ENVIRONMENTAL HEALTH SCIENCE**

**Chair**  
Dr. Carolyn Harvey  
(859) 622-3078  
Dizney 220

**Faculty**  
D. Barnett, G. Brown, C. Harvey, J. Klyza, J. Marion, S. Pressley and P. Rosile

The Environmental Health Science program offers the Bachelor of Science degree. Established in the early 1970’s, the program is currently the state’s only accredited program and one of only 30 such programs in the United States accredited by the National Environmental Health Science and Protection Council. The program includes extensive study of the physical, chemical and biological threats to human health and focuses on both engineered barriers and behavioral changes required for protecting and enhancing human health. The program includes general education and support courses in biology, chemistry, and mathematics, plus a variety of environmental health courses dealing with air quality, water quality, wastewater disposal and treatment, hazardous and solid waste management, risk assessment and epidemiology, industrial hygiene, control of disease vectors, food hygiene, radiological health, environmental health program planning and law, and toxicology. During upper division study, the student must complete three credit hours of supervised field experience with appropriate agencies, industries, consulting companies, etc. Also, cooperative education opportunities are available to all students who may wish to gain experience in addition to credit hours.

Eastern Kentucky University’s Environmental Health Science graduates are qualified for positions with federal, state, and local government departments of environmental health, as well as public health protection agencies such as the United States Public Health Service, the Environmental Protection Agency, Food and Drug Administration, Department of Energy, and Occupational Safety and Health Administration. Graduates are also qualified for employment in private industry and environmental consulting firms. This work may include quality control, industrial hygiene and safety, loss control and risk assessment, or many other facets of environmental health consultation. The demand for qualified environmental health practitioners is currently high and exceeds the number of graduates from accredited programs and projected to increase over the next decade.

**Progression Criteria**

A student majoring or minoring in environmental health science must achieve a grade of “C”/2.0 or better in all EHS and supporting courses.

**Baccalaureate Degrees**

**Bachelor of Science (B.S.)**  
ENVIRONMENTAL HEALTH SCIENCE  
CIP Code: 51.2202

**Free Electives** ....................................................**10-12 hours**

**TOTAL HOURS TO COMPLETE DEGREE ...........120 hours**

*A minimum score of 22 on the mathematics portion of the ACT or 530 on the mathematics portion of the SAT.

**If the student plans on entering graduate school upon receiving the baccalaureate degree in Environmental Health Science, PHY 131 may be required by some Universities. MAT 120 is a pre-requisite for PHY 131.*
MINOR

MINOR IN ENVIRONMENTAL HEALTH SCIENCE

A student may minor in environmental health science by completing, with a grade of “C” or better, EHS 280, 380, 530 and an additional nine hours selected from EHS courses with advisor approval for a minimum of 18 hours.

DEPARTMENT OF EXERCISE AND SPORT SCIENCE

Chair
Dr. Jack Rutherford
(859) 622-1887
Moberly 231

Faculty

The Department of Exercise and Sport Science offers Bachelor of Science degrees in Athletic Training, Sport Management, and Physical Education with three program concentrations: General, P-12 Teaching Physical Education and Health, and Physical Fitness and Wellness Management. The department also offers minors in Dance (non-teaching), Physical Education (non-teaching), and Coaching (non-teaching).

Students who transfer from another college or university must earn a minimum of 12 hours at EKU in their major. Students who transfer from another college or university must earn a minimum of six hours at EKU in their minor.

Pre-Athletic Training

Students who want to apply for admission to the professional program in Athletic Training should enroll as a pre-athletic training student within the Department of Exercise and Sport Science in the fall of the freshman (or first) year at Eastern Kentucky University. Students may make formal application for admission to the Athletic Training (AT) Program after successful completion of the pre-athletic training requirements.

Students are expected to complete the pre-athletic training program requirements during the first two semesters on campus and formally apply for admission during the spring semester of the freshman year. Transfer students with 24 or more transferring credit hours (100 level or higher) who meet the admission requirements may apply for admission into the AT Program at the time they are accepted to the University. The number of admissions annually is limited and completion of the pre-athletic training requirements does not automatically ensure acceptance into the AT Program. Should the number of qualified applicants exceed the number of clinical spaces available, the procedure for determining which students are accepted is described on the AT Program website in the application packet.

Athletic Training

The Athletic Training Program (AT) at Eastern Kentucky University is currently accredited by the Commission on Accreditation of Athletic Training Education (CAATE). The program utilizes a continuum of didactic and clinical experiences, as set forth in the CAATE Standards and Guidelines for the Athletic Trainer, to prepare the student as an entry-level Athletic Trainer. Upon successful completion of the program, the student will have the knowledge base and clinical skills required for challenging the Board of Certification Examination.

The professional phase of the Athletic Training Major consists of six semesters of academic course work and clinical practicum courses. Clinical practicum experiences will occur within the University’s NCAA Division I-A (Football Division I-AA) athletics program, area high schools, area and regional universities/colleges, sports medicine clinics, and other off-campus general medical and clinic rotation sites affiliated with and selected by the AT Program. Transportation to all off campus clinical sites, as well as any specific requirements of the clinical site (e.g. immunizations, uniforms, etc.) is the responsibility of the student. All students accepted into the professional program must show proof of current health provider CPR certification and first aid or EMT-B and professional liability insurance annually. Students are required to be involved in professional athletic training organizations at the local, state, and national level. All of these requirements are explained further in the Athletic Training Student Handbook, which is provided to all prospective students and reviewed during ATR 100 by the AT Faculty as part of the course. This handbook is available from the program director upon request as well as on the website.

Curriculum requirements, including admissions requirements, may change as needed to comply with current accreditation, college, and/or university standards. Students seeking admission or admitted to the program are advised to keep themselves adequately informed of changes in order to complete requirements in a timely manner. Information on curricular changes will be announced in advance by the Department, and will be published in Department publications and/or the Athletic Training Student Handbook or AT Program website. These may be obtained from the Program Director.

All AT Program requirements, including course and clinical requirements, admissions, retention, and graduation requirements may change as needed to comply with current accreditation, college, and/or university standards. Students seeking admission to the AT Program are advised to keep themselves adequately informed of revisions in order to complete requirements in a timely manner. Information pertaining to revisions in the AT Program will be announced in advance by the AT Program Director and will be published in the Athletic Training Student Handbook and on the Athletic Training website. The AT Student Handbook may be obtained from the Director of the AT Program or found in the Student Handbook. For additional information regarding the AT Program application process, admissions, retention, graduation criteria, the transfer policy, clinical education guidelines and policies, or information on scholarship opportunities for students matriculating through the program, please refer to the AT Program website at www.athletictraining.eku.edu.

Admission Requirements and Procedures

Admission to the AT Program at Eastern Kentucky University is competitive and should not be confused with admission to the University, College, or Department. The program requirements

240 2015-2016 EKU UNDERGRADUATE CATALOG
that must be met prior to application are as follows:

1. Must have earned a minimum of 24 semester hours (100 level or higher) prior to acceptance.
2. Must have a minimum cumulative GPA of 2.5 on a 4.0 scale.
3. Successful completion (minimum grade of “C”) of the pre-athletic training program courses: ATR 100, 225, BIO 171, have current CPR-PR and First Aid certification, and PHE 180 & 212.
4. Any developmental course requirements must have been completed at the time of application. For transfer students, any University developmental course requirements determined after admission must have been completed prior to admission into the AT Program. Additional information on transfer student policy is posted on the AT Program website.
5. Documentation of ability to successfully meet the Technical Standards of the AT Program and provide evidence of a completed AT Program physical examination and evidence of immunization/vaccination as outlined in the AT Program application packet found on the AT website.

Students are required to complete and submit the application form and other application materials for the AT Program during the spring semester. Application materials are available online on the AT program website.

Program Admission Impacation

Should the number of qualified applicants exceed the number of clinical placements available in the professional AT program, the candidates will be ranked via the admission scoring rubric found in the Athletic Training Program application packet on the AT Program website and admitted to the AT program in rank order of score according to the rubric.

Progression and Retention in the Athletic Training Program

After admission to the AT Program, students will be evaluated, both academically and clinically, each semester. Students must have satisfactory academic and clinical practicum evaluations (2.5 cumulative GPA, with a “C” or higher in all major and supporting courses, including a “B” or higher in all practicum courses) to progress to the subsequent level of the program. If evaluations or grades are unsatisfactory, the student will be placed on academic probation and given one semester to improve in these areas to a satisfactory level. Two successive unsatisfactory semester evaluations or two semesters below a 2.5 GPA will result in dismissal of the student from the program. Students must provide evidence of CPR-PR and First Aid or EMT-B Certification annually while in the professional program.

Sport Management

The major in Sport Management prepares the student for administrative careers in recreational and competitive sports programs, fitness centers, and other sport-related organizations. The complexities and challenges of sports require a well-prepared professional with qualifications in sports programming, supervision, management, facility planning, promotions, and purchasing.

The Sport Management major provides a quality educational experience that will prepare the student for a career in the rapidly changing arena of sport. The students receive cutting-edge instruction in a practice major of study that culminates in an internship experience that gives the student the “hands-on” experience necessary to secure employment within the industry. The internship is offered cooperatively with a variety of sport organizations, including professional sports teams, college athletic departments, and community organizations.

Students majoring in Sport Management are strongly encouraged to also declare a minor in Business and take the additional nine hours required for the minor.

BIO 171, 301, EMC 104 (1), PHE 180 (Wellness), and STA 215 or 270 (“Element 2”).

Free Electives ........................................................................ 2 hours

**TOTAL HOURS TO COMPLETE DEGREE ........ 120 hours**
Management will use PHE 472, and those in the teaching concentration will use EMS 499. (Credit hours are incorporated into the major requirements below.)

**Total Hours University Graduation Requirements . . . 40 hours**

**MAJOR REQUIREMENTS**

**Core Courses** .................................................. 18 hours
PHE 212, 315, 320, 325, 562, 575; current CPR certification required at time of graduation. Students within both PE concentrations will take these common “core” courses.

**Concentrations:**

(each student must complete one of the following concentrations)

- **P-12 Teaching PE & Health** .............................. 30 hours
  HEA 315, 345, 380, 375, PHE 224, 300, 305, 310, 323, and 415.

- **Physical Fitness & Wellness Management** ........... 27-29 hours
  PHE 407, 430, 433, 435, 472(6), 517, and 190/390(5); PHE 241(1), 313(2) or 340(3).
  (Students must document fifty (50) hours of Fitness & Wellness Management related experiences prior to enrolling in PHE 472.)

**Supporting Course Requirements:**

**All Concentrations** ........................................... 6 hours
BIO 171, 301, and NFA 201(wellness).

- **Physical Fitness & Wellness Management** ........... 15 hours
  HEA 202, and 320; HEA 315, or 380; MGT 301, MGT 301, and current first aid & CPR certification at time of graduation.

**Professional Education Requirements:**

**P-12 Teaching PE & Health Concentration** ........... 38 hours
EDF 203, 204, 219, 413(2), EME 586, EMS 300W, 490(1), 474, ESE 566, PHE 562*, SED 104 (*Element 6), and 12 credit hours of Clinical Experiences: CED 100(0.5), 200(0.5), 300(0.5), 400(0.5), 500(1), 499(9).

**Total Hours University Graduation Requirements . . . 120 hours**

**Supporting Course Requirements** .......................... 15 hours
GBU 204, ACC 201, MGT 300 (for business minors) or MGT 301, MKT 300 (for business minors) or MKT 301, ECO 230 (*Element 5B); and CIS 212.

**Free Electives** .................................................. 35 hours

**TOTAL HOURS TO COMPLETE DEGREE . . . 120 hours**

*Students are required to document a minimum of fifty (50) hours of appropriately related experiences prior to enrolling in PHE 470.

---

**MINORS**

**MINOR IN COACHING (NON-TEACHING)**

**Minor Requirements** ........................................... 20 hours
PHE 212, 301, 383(1), 423; HEA 202(3); two classes from PHE 261(2), 360(2), 361(2), 362(2), 420(2); one class from PHE 224, 305. Current CPR certification required at the time of graduation.

**MINOR IN DANCE (NON-TEACHING)**

This minor offers students a chance to expand their knowledge of dance and improve their dance skills while in college. Students may also be able to use this knowledge within many job fields such as nursing, physical therapy, psychology, wellness, health education and recreation just to name a few. The electives allow a student to tailor the program to their own needs.

**Minor Requirements** ........................................... 20 hours
PHE 200, 300*, 345(2), and PHE 250(1)/350(1)/450(1)
Modern Dance I, II, III (min 3, max 6) and six-nine hours electives from the following: PHE 214(1), 230(1), 271(1), 314(1), 330(1), 355(1), 418, 435, 471, or KHP 396 (at UK).

*PHE 300 must be completed prior to the University of KY’s KHP 396.

**MINOR IN DANCE CERTIFICATION (TEACHING)**

The Dance Certification Minor is designed for students who are already in a Teacher Education Program as a chance to add a Dance Certification to their degree. With an additional 23 hours, students will gain the knowledge necessary to effectively teach the Dance Core Content and Program of Studies in the schools as mandated by the state of KY and tested by the CATS exams. Teachers will find that they will be able to use dance to teach concepts in other core content areas or to teach dance for its own value. Since the state of KY has few trained dance specialists, this certification will be an asset to those graduates seeking a teaching job. To be recommended for certification at the completion of the program, candidates must be eligible for initial teaching certification prior to making application for the dance restricted base certificate. An overall program GPA of 2.5 or higher is required for certification.

**Minor Requirements** ........................................... 23 hours
PHE 200, 250(1), 300* with a grade of “C” or higher, 345(2), 355(1), 471**, 418, KHP 396 (taken at University of Kentucky); 3 hours from skills courses PHE 390 (dance...
*PHE 300 and two hours of skills courses must be completed prior to enrolling in KHP 396.
**Must have PHE 300 and KHP 396 before enrolling in PHE 471.
***Must meet College of Education Teacher Education Program requirements.

MINOR IN PHYSICAL EDUCATION (NON-TEACHING)

Minor Requirements........................................18 hours
Six hours from PHE 201, 212, 301, 315, 320, 325, 407, 423, 467, 562, 575; and six hours skill courses from the following: PHE 220(2), 224, 241(1), 250(1), 300, 305, 306, 340, 345(2), 365(2), 435, 450(1); three hours approved by the department chair.

DEPARTMENT OF FAMILY AND CONSUMER SCIENCES

Chair
Dr. Dana Keller Bush
(859) 622-3445
Burrier 102

Faculty

The Department of Family and Consumer Sciences is accredited by the Council for Accreditation of the American Association of Family and Consumer Sciences. The Department offers four Bachelor of Science (B.S.) degree programs: General Dietetics; Family and Consumer Sciences Education; Child and Family Studies with Concentrations in Child Development, Family Studies, Interdisciplinary Early Childhood Education; and Apparel Design and Merchandising. Minors are offered in: Apparel Design and Merchandising, Child and Family Studies, Family and Consumer Sciences, Foodservice Administration, and Nutrition. Information on the Master of Public Health with Public Health Nutrition Concentration and the Master of Arts in Teaching (M.A.T.) for Family and Consumer Sciences Education may be found in the 2015-2016 EKU Graduate Catalog. Students following a first or second major, minor or associate degree must maintain a “C” average in departmental courses (CDF, FCS, FRM, NFA prefixes). Certain degree programs may have a higher GPA requirement.

The mission of the Department of Family and Consumer Sciences is to prepare professionals and leaders who improve the quality of individual, family, and community life through critical and creative thinking and effective communication.

Professional Liability Insurance

Students enrolling in the following classes — CDF 246, 310, 327S, 349, 351, 399, 405, 406, 443, 450, 541, 544, 741, 744, and 849 — must have a criminal record check and child abuse neglect (CAN) check performed. Students with a criminal or CAN record may be required to drop the course and select another major.

Tuberculosis (TB) Skin Tests

Students are required to observe and/or interact with young children or school age children in the following courses — CDF 246, 310, 327S, 349, 351, 399, 405, 406, 443, 450, 541, 544, 741, 744, and 849. Therefore, students enrolled in these courses are required to submit a negative TB test. Students will be permanently dis-enrolled from the course if the negative tests results are not submitted by the deadline.

Youth Leader Report (YLR)

Students are required to observe and/or interact with young children or school age children in the following courses — CDF 246, 399, 443, and 450 — must have a Youth Leader Background check performed. Students with a criminal record may be required to drop the course and select another major.

Accreditations and Approvals

The Department of Family and Consumer Sciences has several accreditations. All B.S. degrees are accredited by the Council for Accreditation of the American Association of Family and Consumer Sciences. The Burrier Child Development Center is accredited by the National Association for the Education of Young Children. The B.S. degree in Dietetics is also accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). The Family Studies Concentration in the Child and Family Studies B.S. is approved by the National Council on Family Relations.
in positions such as retail manager, district supervisor of stores, technical designer, design journeyman, and visual merchandiser.

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education........................................................................36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.).................................................................1 hour
- Wellness......................................................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
- ACCT - Apparel Design and Merchandising majors will fulfill ACCT with ADM 414. (Credit hours are incorporated into major requirements below.)

Total Hours University Graduation Requirements ...........40 hours

**MAJOR REQUIREMENTS**

Core Courses ...........................................................................50 hours
ADM 102, 119, 201, 210, 300, 302, 310, 313, 349 or FCS 330A, 413, ADM 414 (6), CDF 132, FCS 400 or 400W, FRM 352; ADM 319 and 339 or ADM 312 and 412. (ADM 349/ FCS 330A—two hours at sophomore level)

Supporting Course Requirements.............................................10 hours
CHE 101/101L (GElement 4); ECO 230 (Element 5B); PSY 200; MGT (300 or 301) and MKT (300 or 301) or THE (220 and 320).

G = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education requirement above.

Free Electives............................................................................20 hours

TOTAL HOURS TO COMPLETE DEGREE...............120 hours

**ADM 349/FCS 330A—two hours at sophomore level.

**Bachelor of Science (B.S.) CHILD AND FAMILY STUDIES CIP Code: 19.0701**

The Family Studies Concentration prepares graduates to work with individuals and families in a variety of social service settings. Positions are available in family resource centers, community agencies, profit and non-profit organizations that provide services for children, youth, adults, and families. The Interdisciplinary Early Childhood Education concentration leads graduates to Kentucky public school certification for teaching children birth through age five. Graduates learn to prepare individual education plans for children who experience developmental delays and support plans to assist families of those children. IECE majors will teach in private agencies serving infants to two years and public school settings (Pre-K, three and four year olds, and kindergarten not connected with primary programs for first through third grade). To be granted a degree in Child and Family Studies students must have a “C” or better in all CDF and supporting courses.

Admission and Progression Requirements for Child and Family Studies Concentrations Child Development and IECE

All students who are accepted by EKU’s Admission office and declare their major as Child and Family Studies are admitted to the University as pre-Child and Family Studies majors. However, admission to the pre-Child and Family Studies program does not guarantee admission to the Child and Family Studies program. To be admitted to the Child and Family Studies program the following criteria must be met: 1) Minimum of 45 hours with a 2.75 overall GPA, 2) GPA of 3.0 in the following courses CDF 203, 235, 236, 246, 310, 327S with a grade of “C” or better in each course. Once these requirements have been met, the student must apply to the Child and Family Studies Program Director for a change from the pre-Child and Family Studies program to the Child and Family Studies program.

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education........................................................................36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.).................................................................1 hour
- Wellness(courses may meet both wellness & major requirements) ........................................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
- ACCT - Early Childhood Development CDF 450; Family Studies CDF 443; Interdisciplinary Early Childhood Education CED 499 (These courses are included in the Major totals)

Total Hours University Graduation Requirements ..........40 hours

**MAJOR REQUIREMENTS**

Program Objectives

Upon completion of a degree in Child and Family Studies graduates will be able to: 1) assess developmental, political, social, cultural, economic and technological influences on the well-being and diversity of individuals, families and communities; 2) design and implement a range of services for individuals, children and families; 3) utilize and interpret appropriate individual, family and program evaluation measures; 4) access community resources and collaborate with community agencies/services; and 5) evaluate and monitor their professional development. The Child Development concentration prepares graduates to teach or administer in private early childhood program. Graduates may also be employed as a trainer for resource and referral agencies or serve as Education Coordinator in early childhood facilities.

Core Courses ............................................................................15 hours
CDF 132, 235*, 236, 327S, and FCS 400.

*Course meets Professional Education Requirements.

Concentrations:

**Child Development *............................................................39-42 hours**
CDF 203, 246, 310, 363, 399 (3-6), 405, 406, 437, 450(9)**, 538, and 547.

**Family Studies .................................................................30 hours**
CDF 232, 243, 331, 424, 437, 443(9)**, and 538; CDF 342 or 441.

**Interdisciplinary Early Childhood ..................36 hours**
CDF 246, 310, 363, 405, 406, CDS 360, 525, SED 352*, 436, 518, 530, and 590*.

*Course meets Professional Education Requirements.

**CDF 443 and 450 are 9 credit hour courses and require a 3.0 GPA in major requirements prior to enrolling.

Supporting Course Requirements:

**Child Development...............................9-15 hours**
NFA 201 (Wellness) or 317; SED 518 and nine hours from the following: NSC 500, OTS 515, PSY 200 (Element 5B), 250, 317, 577, SWK 440, or 456.
Family Studies........................................................... 6-9 hours
FRM 352; NFA 201 (Wellness) or 317; SWK 456 or 457.
Interdisciplinary Early Childhood............................. 9 hours
SED 104 (G Element 6); select 9 hours from the following:
CDF 437, ELE 519, NSC 500, OTS 515, PSY 577, SWK 440,
or 456.
G = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education
requirement above.

Professional Education Requirements..................... 23 hours
Interdisciplinary Early Childhood Concentration only:
CDF 203*, 235(G Concentration) EDF204*(2), EMS 300W,
and 15 credit hours of clinical experiences: CED 100(0.5),
200(0.5), 300(0.5), 400(0.5) 450(1), and 499(12); SED 352(C
Concentration) and 590 (G Concentration).
(Students must follow admission requirements for
professional education. See College of Education, section
regarding teacher admission and certification.)
=G = Course also satisfies Core or Concentration requirements

Family Studies .................................................. 26-29 hours
Interdisciplinary Early Childhood......................... 0 hours

TOTAL HOURS TO COMPLETE DEGREE .......... 120-123 hours

BACHELOR OF SCIENCE (B.S.)
FAMILY AND CONSUMER SCIENCES
EDUCATION (TEACHING)
CIP Code: 13.1308

Program Objectives
Upon completion of a degree in Family and Consumer
Sciences, graduates will be able to: 1) develop conceptual
understanding of child and family studies, nutrition, textiles and
apparel design, resource management, housing and design; 2)
develop professional attitudes and behaviors based on the history
and mission of the Family and Consumer Sciences discipline; and
3) develop effective pedagogical skills and dispositions that are
highly contextualized for FCS classrooms. Graduates are prepared
to teach in both middle and high school and possess excellent
qualifications for working with 4-H youth or in FCS educator
positions with the USDA Cooperative Extension Service. The
demand for Family and Consumer Sciences teachers and extension
agents is high due to current and projected shortages.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education .................................................36 hours
• Student Success Seminar (HSO 100; waived
for transfers with 30+ hrs.) .................................1 hour
• Wellness(courses may meet both wellness &
major requirements).............................................3 hours
• Writing Intensive Course (Hrs. incorporated into
Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout
Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Family and Consumer Sciences majors will
fulfill ACCT with ESE 499.(These courses are
included in the Major totals)

Total Hours University Graduation Requirements......40 hours

MAJOR REQUIREMENTS
Core Courses ..................................................42 hours
CDF 132, 235; and six hours from CDF 232 or 236 or 331 or
342; FCS 320, 400, FRM 352, NFA 121, 201, 317, ADM 102,
201; and 3 hours in ADM; and 3 hours Family and Consumer
Sciences Electives.

Supporting Course Requirements...........................4 hours
CHE 105/105L(1) (G Element 4); FIN 311.
G = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education
requirement above.

Professional Education Requirements.................... 38 hours
EDF 203, 204, 219(2), 413; SED 104 (G Element 6);
402(2); EMS 300W, 490, 474; ESE 553(4), and 12
credit hours of Clinical Experiences: CED 100(0.5),
200(0.5), 300(0.5), 400(0.5), 450(1), 499(9).
(Students must follow admission requirements for professional
education. See College of Education, section regarding
teacher admission and certification.)

TOTAL HOURS TO COMPLETE DEGREE .......... 124 hours

Candidates earning a degree that leads to teacher certification
must take the PRAXIS Series (Professional Assessments for
Beginning Teachers) and PLT (Principles of Learning and
Teaching) exams to be recommended for licensure in Kentucky.
Candidates are encouraged to review the schedule for PRAXIS
and PLT registration deadlines prior to beginning the senior year
(www.kypepsb.net/ AND www.ets.org/praxis). Specialty exams
are required for each certification area sought and it may take
more than one test date to complete all requirements. Candidates
should confer with their education advisor/counselor to determine
the most optimal time to take required exams. For additional
information, candidates may also contact the EPSB Division of
Professional Learning and Assessment at (859) 564-5778 or (888)
598-7667 (toll free).

GENERAL DIETETICS PROGRAM
The General Dietetics program leads to a Bachelor of Science
degree in General Dietetics. The program is accredited by the
Accreditation Council for Education in Nutrition and Dietetics
(ACEND), an agency of the Academy of Nutrition and Dietetics,
as a Didactic Program in Nutrition and Dietetics (DPND).
Students completing the DPND earn a Verification Statement,
which provides eligibility to complete an accredited Dietetic
Internship. Acceptance to a Dietetic Internship requires application
and program matching through a competitive process. A strong
academic record, work experience, and service/leadership in
extracurricular activities are essential for obtaining a dietetic
internship. Dietetic internships are 6 to 12 months long and include
supervised practice in various areas of the dietetics profession.
After completion of the internship, the student is eligible to take
the national registration exam to become a Registered Dietitian
(RD). In most states, including Kentucky, RD status is sufficient to
obtain a state license to practice as a dietitian.
Registered Dietitians (RD) work with individuals and groups
of all ages to improve health and wellness. Dietitians find
employment in a variety of professional settings, including
hospitals, long term care facilities, outpatient clinics, health
departments, food companies, wellness programs, public health
and regulatory agencies, cooperative extension, food service
(including hospital, long term care, school, college/university, and
prisons), private practice, sales, and research. In these settings, RDs provide medical nutrition therapy; menu planning; recipe and product development; individual counseling related to nutrition and diet; nutrition education to groups and individuals; community nutrition program development, implementation, and evaluation; and research.

Graduates who do not complete a dietetic internship find employment opportunities in public health, food service, cooperative extension, sales, and research. With the DPND verification statement, graduates are eligible to take the national Dietetic Technician registration exam, and earn the credential Dietetic Technician Registered (DTR). Graduates of the DPND may also seek admission to graduate programs to earn an advanced degree.

The program’s mission, goals, and objectives can be found on the Department of Family and Consumer Sciences website. Also available on the website is information about costs related to the program.

**Admission and Progression Requirements**

All students who are accepted by EKU’s Admissions Office and declare their major as dietetics are considered for admission to the University as pre-dietetics majors. However, admission to the pre-dietetics program does not guarantee admission to the dietetics program. To be admitted to the dietetics program the following criteria must be met: (1) complete a minimum of 45 semester hours; (2) attain a minimum cumulative GPA of 3.0 on a 4.0 scale; (3) earn a “B” or better in CHE 101/101L, CHE 102/102L(4), CIS 212 or INF 104; EHS 380, EMC 105 (1), PSY 200 (Element 5B), and STA 215 (Element 2). Students may also take courses to satisfy Element 5B.

To be granted a degree in the General Dietetics Program the student must: (1) attain a minimum cumulative GPA of 3.0 on a 4.0 scale and (2) earn a “C” or better in all major and supporting courses (other than those courses in which a “B” or better is required for admission criteria).

**Bachelor of Science (B.S.)

DEPARTMENT OF HEALTH PROMOTION AND ADMINISTRATION

Chair
Dr. Michael Ballard
(859) 622-1142
Begley 420

Faculty

The Department of Health Promotion and Administration is comprised of programs in: Ancillary Health Management, Health Care Administration and Informatics, and Public Health. Admission to all programs is based on the regular admission policies of the University. Specific policies related to each discipline can be found following the program heading as listed.

HEALTH SERVICES ADMINISTRATION

The department offers a baccalaureate degree in Health Services Administration with concentrations in Ancillary Health Management and Health Care Administration and Informatics.

Ancillary Health Management Concentration
This degree progression concentration gives individuals with a previously completed college degree the opportunity to obtain the management skills needed to become a healthcare supervisor or manager.

Health Care Administration and Informatics Concentration
This concentration gives individuals interested in the administrative aspects of healthcare an interdisciplinary curriculum designed to provide a balance between businesses, healthcare and information technology. This concentration is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM).

Pre-HSA Curriculum
All students who are accepted by the EKU Admissions Office and declare their major as Health Services Administration are initially placed into a pre-HSA curriculum. The curriculum includes: ACC 201; BIO 171, 301; INF 104 or CIS 212; INF 314 or CIS 230; CMS 100 or 210; HSA 100, 200; MAT 105 or 114; STA 215 or 270.

Students may apply for HSA program admission when the following requirements are met:
- Cumulative GPA of 2.75 or higher
- Completion of each course in the Pre-HSA curriculum with a grade of C or better after a maximum of two attempts.
- Exception: The following courses are indicators of student success in the program. Therefore, no more than one of the following courses can be taken for a second attempt: BIO 171, BIO 301; MAT 105; STA 215; ACC 201; INF 314.
- Combined GPA of 3.0 or higher in the following courses:
  - HSA 100, 200, 302, 303, 401; BIO 171, BIO 301; STA 215
  - Completion of general education requirements (at least 75%)

Students who meet the minimum requirements will be accepted into the program within the enrollment limits determined by the faculty. The Program reserves the right to accept only the best qualified applicants who meet the minimum requirements.

Admission/Progression Criteria
All majors utilize the regular admission policy of the University for students taking courses offered during the first semester of the program. In order to continue in the program and to enroll in major courses, the student must meet the following criteria: (1) maintain an overall (cumulative) GPA of 2.5 on a 4.0 scale and (2) complete all major and support courses with a minimum grade of “C” after a maximum of two attempts.

A student who is not allowed to continue in the major may appeal the decision by presenting the reasons in writing to the Program’s Admission and Progression Committee. The student may appeal this committee’s decision to the College Admission Committee by submitting a written request to the Dean of Health Sciences. The decision of this committee shall be final.

Professional Practice Experience
An important part of the curriculum is professional practice experience in which the student is required to spend part of a semester at a hospital or other health care facility for observation and supervised practice of the skills required for entry into the profession.

Some sites may require health screening such as physical examinations and/or proof of immunizations. The student is responsible for these medical expenses and for living expenses and travel involved in relocation for these assignments.

PUBLIC HEALTH

Public Health offers the Bachelor of Science degree in Public Health with a Community Health Concentration, and the Bachelor of Science degree in Public Health and Master of Public Health Accelerated 3 + 2 Dual Degree Accelerated Pathway with a Community Health concentration. Students who complete the Community Health concentration or the accelerated pathway are prepared to determine the health needs of the community and plan and implement effective programs to improve the health of the populations they serve. Community Health Educators may work in Public Health Departments, Volunteer Organizations, Hospitals, and Family Resource Centers.

A student may choose a minor in Community Health (non-teaching) or in School Health P-12 (Teaching). The Bachelor of Science program in Public Health is accredited by the Council on Education for Public Health and has met national standards for accreditation from the Society of Public Health Educators, American Association for Health Education, National Council for the Accreditation of Teacher Education, and Kentucky Department of Education.

Students who transfer from another college or university must earn a minimum of 12 hours at EKU in the major. Students who transfer from another college or university must earn a minimum of six hours at EKU in the minor. Students who are accepted by the EKU Admissions Office and declare their major as Public Health with a Community Health Concentration or the accelerated pathway are prepared to determine the health needs of the community and plan and implement effective programs to improve the health of the populations they serve. Community Health Educators may work in Public Health Departments, Volunteer Organizations, Hospitals, and Family Resource Centers.

Professional Liability Insurance

Students enrolling in HEA 463 in the Department of Health Promotion and Administration are required to register for student Professional Liability Insurance. This fee is listed in each semester’s schedule of classes. Please see the section on Student Liability Insurance for the College of Health Sciences

**Bachelor of Science (B.S.) & Master of Public Health (M.P.H.)**

**Public Health Accelerated 3 + 2 Dual Degree Program**

CIP Code: 51.2207

Students may apply for admission to the Accelerated 3+2 Dual Degree program in their junior or senior year. Students are able to complete their B.S. degree and M.P.H. degree within 5 calendar years because of the accelerated curriculum and because 9 semester hours of 800-level graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.P.H. degree. Only undergraduate students of proven academic ability will be considered for the program.

Entrance requirements for the 3+2 program must adhere to the same requirements for the Master of Public Health Program in the Graduate Catalog, except entrance examinations (e.g. GRE) are not required for the 3+2 program. Students must fulfill all graduation requirements listed below. Students admitted into the program will remain coded as undergraduate until fulfilling their B.S. requirements. Students admitted into the 3+2 program must complete the Public Health BS degree with a minimum 3.0 GPA to be allowed to proceed with graduate program coursework.

Admission Requirements:

Students interested in this program must satisfy all the following conditions:
1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 program

Program Requirements

Students in 3+2 Accelerated Dual Degree program must complete the listed Public Health (B.S.) program requirements along with the same requirements for the M.P.H. Program (presented in the Graduate Catalog: listing at http://gradschool.eku.edu/graduate-catalog). Nine (9) credit hours of 800-level

DEPARTMENT OF MEDICAL LABORATORY SCIENCE

Chair
  Dr. Carolyn Harvey
  (859) 622-3078
  Dizney 220

Faculty
  P. Campbell and I. El-Amouri

Medical Laboratory Science (MLS) Program

All students who are admitted to the University by the EKU 
Admissions Office and declare their major as medical laboratory 
science (MLS) are assigned pre-MLS major status. Admission to 
the upper-division MLS program requires an overall grade point 
average (GPA) of 2.5 with a grade of “C”/2.0 or better in each of 
the required supporting courses. Transfer students must maintain 
a GPA of 2.5 in courses at EKU as well as an overall GPA of 2.5 for 
admission to the upper division program.

Students who meet the upper division program requirements 
will be accepted within the enrollment limits determined by the 
number of practicum openings. The department reserves the right 
to accept only the best qualified applicants who meet the upper 
division program requirements.

Progression Policy

The Department of Medical Laboratory Science limits the 
number of major courses which may be repeated. Students are 
allowed only one repeat per major course and a total of not more 
than two repeats in all major courses combined. In addition, a 
supporting course may usually be repeated only once.

To remain in the upper division MLS program, a student must 
maintain an overall GPA of 2.5 with a grade “C”/2.0 or better in 
each of the supporting and major courses of the curriculum.

DEPARTMENT OF OCCUPATIONAL SCIENCE AND OCCUPATIONAL THERAPY

Chair
Dr. Colleen Schneck
(859) 622-3300
Dizney 103

Faculty
J. Baltisberger, K. Causey-Upton, M. Custer, E. Fehringer,
L. Hardman, C. Hayden, D. Howell, K. Leigers, A. Marshall,
C. Myers, S. O’Brian, D. Pierce, C. Privott, C. Schneck, C.
Skubik-Peplaski, K. Splinter-Watkins, and M. Thompson

The Department of Occupational Science and Occupational Therapy provides a continuum of educational experiences that prepare a student at the undergraduate level for a career as a non-credentialed health and human service professional and at the graduate level for a career as an occupational therapist. Undergraduate students can enter the Occupational Science program, receive a Bachelor of Science degree, and apply for admission to the master’s program in Occupational Therapy. Individuals with a baccalaureate degree in another field and who have completed the required prerequisite courses can apply for admission to the transition program (See Graduate Catalog). After completing the Master of Science degree in Occupational Therapy, students are eligible to take the occupational therapy national certification examination.

The Occupational Therapy program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE), 4720 Montgomery Lane, Bethesda, MD 20824, (301) 652-2682, www.aota.org. Certification for the occupational therapy profession is provided through the National Board for Certification in Occupational Therapy (NBCOT), 800 S. Frederick Ave., Suite 200, Gaithersburg, MD 20877, www.nbcot.org.

Baccalaureate Degree in Occupational Science (BS)

Occupational science, an evolving social science, is the study of human occupation. Occupational scientists study why and how we occupy our time through activity, organize ourselves through activity patterns and habits, respond to the context in which occupations occur, and create meaning through occupations.

Students may combine the study of human occupation with other areas of interest through electives or a minor, including but not limited to, Horses, Humans and Health, Psychology, Child and Family Studies, Biology, Community Health, Gerontology, and Business. While many graduates of the Occupational Science program apply for entry into the Occupational Therapy Master’s program, some may choose other graduate education options or seek employment in non-credentialed health care, education or community positions. These careers may include case manager, independent living skills coordinator, activity coordinator, medical sales representative, senior citizen program coordinator, mental health associate, and job coach for persons with developmental disabilities.

The five themes of the occupational science curriculum are occupation, reasoning, diversity, communication, and professional identity. Interwoven are the curriculum elements of concepts and knowledge, active community learning experiences, integrative seminars, and authentic assessment and portfolio development. A value inherent in the curriculum model is that learning is optimal when educators guide student immersion in personally meaningful challenges that are processed in a supportive environment.

Graduates of the Occupational Science program meet the following outcomes:
1. Apply knowledge of occupational science to address the needs of individuals and society.
2. Demonstrate the reasoning required of health and human service professionals.
3. Collaborate with diverse people, communities, agencies and disciplines.
4. Demonstrate skillful use of communication.
5. Demonstrate professionalism.

Admission and Progression Requirements
All students who are accepted by EKU’s Admission office and declare their major as Occupational Science are admitted to the University as pre-Occupational Science majors; however, admission to the University does not guarantee admission to the Occupational Science program. Admission is competitive and based on a review of the applicants’ academic history by the department’s Admission, Progression and Retention Committee. Students seeking consideration for admission to the Occupational
Science program must meet the following requirements by May in the semester preceding the Fall semester start of the junior year:

1. Completion of 60 hours of coursework, including prerequisites courses
2. Overall GPA of 3.0 or above
3. A minimum of 4 “B”s and 1 “C” in the following prerequisite courses or their equivalents (BIO 171, 301, HSA 200, STA 215, PSY 200)
4. No more than 1 repeat per course in the following prerequisites or their equivalents (BIO 171, 301, HSA 200, STA 215, PSY 200)

Application to the Occupational Science Program does not guarantee acceptance in to the program.

Students seeking admission to the Occupational Science program and progression to the junior year must follow this process:
1. By March 15th prior to progressing to the junior year of the Occupational Science program, all students must submit an Application for Admission to the Department Chair.
2. Transfer students must be fully admitted to the University by March 15th to be considered for admission to the Occupational Science Program. Students are responsible for submitting their official transcripts to the Office of the Registrar.
3. Based on a competitive admissions review, students will be informed of admission to Occupational Science program after Spring semester grades are posted.
4. Students admitted to the Occupational Science program will then be allowed to register for the junior year classes.

To progress to senior year, all junior academic year required major and support courses must be completed with a grade of “C” or better.

To graduate, all senior academic year required major and support courses must be completed with a grade of “C” or better as well as completion of general education and university requirements for graduation.

For additional admission information please refer to the Selection Criteria at http://www.ot.eku.edu/Enrollment in the Master of Science program in Occupational Therapy is limited. Completion of the undergraduate program in Occupational Science does not guarantee admission into the graduate program in Occupational Therapy. Refer to the Graduate Catalog for admission requirements and procedures regarding application to the Master of Science program in Occupational Therapy.

MS Transition Program
The Transition to Masters Program is an undergraduate program designed to prepare students who have completed a Bachelor’s degree, in something other than Occupational Science, for entrance into the MS in Occupational Therapy program.

This transition program is a one year undergraduate, post-baccalaureate program consisting of the following courses: BIO 271, 371, OTS 362, 402, 422, 430, 478W, and 499.

Admission to the MS Transition Program is competitive and acceptance to EKU undergraduate admissions does NOT mean acceptance into the MS Transition Program. If accepted as a candidate for the prerequisite transition year, students must be enrolled in all Fall transition courses (as an undergraduate) by July 1st of each year. To be eligible to take transition-year courses, students must be accepted as a potential student for the MS degree. If selected as a potential student you are guaranteed a place in the MS in Occupational Therapy program if you maintain a GPA of 3.0, complete all prerequisite courses with a “C” or better and are accepted by the graduate school. For more details refer to the EKU Occupational Therapy departmental website.

Appeals
Students may petition for a waiver of any regulations. Appeals regarding waiver of a regulation should be addressed to the Admissions and Progression Committee. Grade Appeals should be addressed to the Academic Practices Committee. See the University Student Handbook for details of the appeal procedures.

Minor
Minor in Horses, Humans and Health
This interdisciplinary minor offers students a chance to explore the horse-human-health connection through various professions and perspectives. Students interested in working in the equine industry may pair this minor with any major to develop their interests and career paths. An elective in human development offers students the ability to tailor their academic study to individual needs. A student may complete this minor by taking 18 hours (including prerequisites/corequisites) as indicated below.
Minor Requirements................................................18 hours
OTS 205, REC 210*, AGR 250, OTS 479S, ANS 497* (topic: the horse), and one elective in human development from the following: CDF 235, CDF 342, CDF 441, HEA 285, OTS-421*, PSY 280, or SED 104.

*Indicates the course may have prerequisites or corequisites.

DEPARTMENT OF RECREATION AND PARK ADMINISTRATION

Chair
Dr. Jon McChesney
(859) 622-1833
Begley 407

Faculty
M. Bradley, B. Clark, M. Gerken, S. Jones, and J. McChesney

The Department of Recreation and Park Administration offers the Bachelor of Science degree in Recreation and Park Administration with four concentrations: Tourism & Resort Recreation, Natural Resources & Recreation Management, Recreation Management and Programming, and Therapeutic Recreation. The department also offers a minor in Recreation and Park Administration.

Students who transfer from another college or university must earn a minimum of 12 hours at EKU in their major. Students who transfer from another college or university must earn a minimum of six hours at EKU in their minor.

Graduates of the Tourism & Resort Recreation concentration find career opportunities in local, state, federal and private agencies that promote tourism, travel agencies, convention services, resort supervision and management, cruise lines, amusement and theme parks, as well as other commercial recreation agencies.

Graduates of the Natural Resources & Recreation Management concentration find a wide variety of career opportunities such as park ranger, interpretive naturalist, camp director, recreation forester, fish and wildlife positions, and youth and adult outdoor recreation programming positions.

Graduates of the Recreation Management and Programming concentration find professional careers available in local, state, county and federal agencies, park management, golf course management, recreation supervision, aquatics, cultural arts programming, athletic programming, YMCA and YWCA, Boy Scouts and Girl Scouts, 4-H, and various other private and public agencies providing park, recreation and leisure services.

Graduates of the Therapeutic Recreation concentration find one of the fastest growing areas in the field of recreation and leisure services. Professionals in TR design programs to meet the needs of special populations, people with physical or developmental disabilities, and people with temporary or permanent psychiatric disorders. TR professionals work in children’s hospitals, mental health institutions and psychiatric hospitals, rehabilitation clinics, nursing homes, medical care facilities, transitional living facilities, group homes, camps, community-based programs, and community residential agencies.

The BS degree in Recreation and Park Administration provides 15 credit hours of direct hands-on field experience. The senior internship (12 credit hours) serves as an excellent transition from school to work, and many students are hired directly out of their internship.

Students majoring or minoring in Recreation and Park Administration are required to attain a minimum grade of “C” in all REC courses and a 2.5 or better average in all REC courses. All REC core and REC concentration courses must be completed prior to enrollment in REC 463, Senior Internship or Rec 473 Therapeutic Recreation Internship.

### Summer

- REC 520          | 3             |                |             |             |
The College of Justice and Safety at Eastern Kentucky University is one of the largest of its type in the United States and is one of the five colleges that comprise the academic structure of the University. Within the College of Justice & Safety is the School of Justice Studies, and the School of Safety, Security, & Emergency Management. Faculty in the College are nationally and internationally known for their teaching, research, service and experience. Professors have backgrounds as police officers, paramedics, corrections directors, juvenile justice administrators, safety and security consultants, arson investigators, military officers, lawyers, scholars, probation and parole officers, and FBI agents.

The Commonwealth of Kentucky named the College of Justice & Safety as the first Program of Distinction at Eastern Kentucky University in 1998. The Program of Distinction has funded renovations for a new Stratton annex, Ashland Building and Perkins Building, new degree programs, upgraded classrooms and computer labs, provided additional research opportunities for faculty and students, as well as scholarship opportunities for students majoring in programs offered by the college.

Certificate, associate, baccalaureate, and master’s degree programs are offered by the College of Justice and Safety. Several courses and some complete programs are also available online. The College is committed to a career ladder concept by providing opportunities for students enrolled in or completing associate (two-year) degree programs to transfer to a corresponding baccalaureate (four-year) program within the same department with little or no loss of credit. Most programs in the College are housed in the Stratton Building, an outstanding and unique facility which includes two annexes, a remodeled shared entrance; renovated student commons and classrooms with new technology, 250-seat auditorium, two computer labs and a cafeteria. The Fire Science programs have additional offices, classroom, and labs in Ashland Building and the Emergency Medical Care program has offices, classrooms and labs in the Stratton Annex.

**Admission to the College**

Students seeking admission to the College of Justice and Safety must meet general University requirements and should indicate their intention to major in a program of the College. After being admitted to the College, a student will be assigned to a professional advisor, in the new Academic & Advising Center, who will assist in selecting the proper courses leading to the desired degree.

**Degree Requirements**

General University degree requirements appear in Section Four of this Catalog, and specific requirements for each of the degree programs offered by the College of Justice and Safety appear below; both sets of requirements must be met by students completing associate and baccalaureate programs. Unless otherwise specified, all programs in the College of Justice and Safety require a grade of “C” or better for all required major and supporting courses. See the program descriptions under each department for specific major and minor requirements. Common to all programs is the Student Success Seminar.

**Major and Minor Credit Minimum**

Unless otherwise specified, regardless of the advanced standing under which the student may have been admitted or what credits have transferred, 18 hours of advanced course work (courses numbered 300 or above) applied for credit toward the major subject for a baccalaureate degree, nine hours of advanced course work applied for credit toward the major subject for an associate degree, and six hours of advanced course work toward major subject for a minor must be earned at Eastern.

**SCHOOL OF JUSTICE STUDIES**

**Associate Dean**

TBA

Stratton Building, Room 348

(859) 622-7888

**Faculty**

**College of Justice and Safety**

**Residency Requirement**
The College of Justice and Safety requires that students graduating with a baccalaureate degree from the School of Justice Studies, or the School of Safety, Security, and Emergency Management, must earn a minimum of 18 upper division credit hours in the home department of their major.

### Baccalaureate Degrees

#### Bachelor of Science (B.S.)

**Corrections and Juvenile Justice Studies**

CIP Code: 43.0102

### University Graduation Requirements

- General Education ........................................36 hours
- Student Success Seminar (JSO 100; waived for transfers with 30+ hrs.) ........................................1 hour
- Wellness ......................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Corrections and Juvenile Justice Studies majors will fulfill ACCT with CRJ 375 or CRJ 490 or CRJ 490W.

(Credit hours are incorporated into major requirements below.)

**Total Hours University Graduation Requirements........40 hours**

#### Major Requirements

Majors must have a minimum grade point average of at least 2.0 across major core, option, and elective course requirements in order to graduate.

**Core Courses** .............................................21 hours

- COR 201, 311, 360; CRJ 313 or 313S, 331, 388, 400.

**COR Electives** ..................................................18 hours

Select from CRJ 490 or CRJ 490W or any upper division COR elective in consultation with major advisor.

**Supporting Courses** ......................................5 or 6 hours

Select any two of the following courses in consultation with major advisor: any upper division CRJ course; HLS 101, 201, 321, 341; PLS 103, 216, 316, 380, 390, 415; PSY 200 or 200W (Element 5B), 308, 314.

**Free Electives** ........................................35-38 hours

**Total Hours to Complete Degree ..........120 hours**

#### Online Course Work

The major requirements for the B.S. degree, as well as coursework required for professional certificates (see below), are to be completed online. Admission to pursue Bachelor of Science (B.S.) major requirements online further requires a composite ACT score of 20 or higher. Students with composite ACT scores of 18 or 19 may be admitted on a probationary basis but are required to furnish a writing sample. Though students transferring from another accredited institution are not required to submit test scores, such students must meet EKU’s requirements for admission as a transfer student. In addition, transfer students must have an overall 2.5 or greater grade point average (GPA) on a 4.0 scale on all work from accredited institutions. Transfer students with overall GPAs less than 2.5 but at least 2.0 may be admitted on a probationary basis but are required to furnish a writing sample. The requirement that B.S. students must earn a minimum of 30 of the last 36 hours through EKU is waived for students pursuing the B.S. major requirements online. However, for the B.S. degree, a minimum of 32 hours must be earned through EKU. Contact the Undergraduate Online Program Coordinator for additional details.

### Bachelor of Science (B.S.)

**Criminal Justice**

CIP Code: 43.0103

**University Graduation Requirements**

- General Education ........................................36 hours
- Student Success Seminar (JSO 100; waived for transfers with 30+ hrs.) ........................................1 hour
- Wellness ......................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Criminal Justice majors will fulfill ACCT with CRJ 313S, 424, 490, HON 420. PLS 349, or 349(A-N). (Credit hours are incorporated into major requirements below.)

**Total Hours University Graduation Requirements........40 hours**

#### Major Requirements

**Core Courses** ......................................................15 hours

- CRJ 101, 313 or 313S, 331, 388, 400.

**CRJ Electives** ..................................................27 hours

Select at least one course from each of the three areas: (12 hours must be upper division).

1. Corrections: CRJ 204, 302, 303 or 360.
2. Law and Juvenile Justice: PLS 216, PLS 316, PLS 416, CRJ 312, CRJ 314, or CRJ 311.

**Supporting Course Requirements** ................................9 hours

Select from APS, FSE, or HLS. (No more than 6 hours from any area)

**Free Electives or Minor** ..................................29 hours

Majors are recommended to include 3 hrs (200 level or above) of Foreign language or American Sign Language (ASL) in consultation with their major advisor (Element 6).

\(^G\) = Course also satisfies a General Education element.

Hours are included within the 36 hr. General Education requirement above.

**Total Hours to Complete Degree ..........120 hours**

### Bachelor of Science (B.S.)

**Police Studies**

CIP Code: 43.0107

**University Graduation Requirements**

- General Education ........................................36 hours
- Student Success Seminar (JSO 100; waived for transfers with 30+ hrs.) ........................................1 hour
- Wellness ......................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Police Studies majors will fulfill ACCT with CRJ 313S, 424, 490, HON 420, PLS 349, or 349(A-N).
MAJOR REQUIREMENTS

Core Courses .................................................... 24 hours
   CRJ 101, 331, 388, 400; PLS 103, 326, 414, 415.

Major Electives .................................................. 24 hours
   Select from PLS, CRJ or COR electives (12 hrs must be upper
division courses).

Supporting Electives ......................................... 6-9 hours
   Select 9 hours from: APS 210, EMC 102 or 110, FOR 301,
   FSE 250, or TRS 332, or a combination to include 3 hrs
   (200 level or above) of Foreign language or American Sign
   Language (ASL) in consultation with major advisor (Element
   6).
   ¯ = Course also satisfies a General Education element.
   Hours are included within the 36 hr. General Education
   requirement above.

Free Electives .................................................... 23-26 hours

MINORS

MINOR IN CRIMINAL JUSTICE

A student may minor in Criminal Justice by completing CRJ
101, 313, 331, 388, 400 and one upper level CRJ elective.

MINOR IN POLICE STUDIES

A student may minor in Police Studies by completing a
minimum of 18 semester hours of the following courses: CRJ 101,
PLS 103, PLS 414, and 9 hours of PLS upper division electives. A
grade of “C” or higher must be earned in each CRJ or PLS course
for credit toward a PLS minor.

MINOR IN SOCIAL JUSTICE

A student may minor in Social Justice by completing CRJ
101; CRJ 345 or SOC 400; CRJ 325, PLS 390 or CRJ 401; CRJ
406; SOC 235 or POL 464; and SOC 313 or 375. (Students
majoring in police studies or criminal justice may not minor in
social justice.)

CREDENTIALS

PROFESSIONAL CERTIFICATE IN CORRECTIONAL
INTERVENTION STRATEGIES

This certificate includes 15 hours of required courses and 9
hours of electives and is available in the online format. Courses
include content that reflects the theoretical and contemporary
issues facing corrections professionals. The program will enhance student knowledge regarding effective correctional interventions, provide students with practical knowledge that can be used in their daily work, and for students interested in continuing their education, provide a first step toward degree completion.

**Major Requirements**

- COR 201, 302, 303, 340, 360.
- Electives
  - Select from COR 410, 412, 413, 420, 423; CRJ 313, 331.

**Total Curriculum Requirements**

- Professional Certificate in Youth Services

This certificate includes 15 hours of required courses and 9 hours of electives and is available in the online format. Courses include content that reflects the theoretical and contemporary issues facing juvenile justice professionals. The program will enhance student knowledge regarding effective juvenile justice interventions, provide students with practical knowledge that can be used in their daily work, and for students interested in continuing their education, provide a first step toward degree completion.

**Major Requirements**

- COR 311, 321, 340, 360, 422.
- Electives
  - COR 322, 410, 420, 421, 423; CRJ 313, 331.

**Total Curriculum Requirements**

**SCHOOL OF SAFETY, SECURITY & EMERGENCY MANAGEMENT**

**Associate Dean**

TBA

Stratton Building, Room 348

**Faculty**

**College of Justice and Safety Residency Requirement**

The College of Justice and Safety requires that students graduating with a baccalaureate degree from the School of Justice Studies, or the School of Safety, Security, and Emergency Management, must earn a minimum of 18 upper division credit hours in the home department of their major.

**Admission Procedure: Emergency Medical Care**

Students who have been admitted to the University and College of Justice and safety and declare a major in Emergency Medical Care are admitted to the Emergency Medical Care Program. Admission to the Emergency medical Care Program does not guarantee admission to the Advanced Emergency Medical (paramedic) sequence.

Emergency Medical Care students are accepted each semester. Students are selected for admission into the Advanced Emergency Medical Care Program once a year for the following fall semester. Selection is made based on the admission matrix. Criteria include: GPA, entrance exam scores, pre-requisite course grades and completion. Information meetings will be held. Please refer to the EMC webpage for additional information.

**Additional Requirements**

1. Students must have a minimum grade of “C” in all advanced sequence, EMC pre-requisite courses, and in BIO 171, 301.
2. Students must maintain a minimum GPA of 2.0 on a 4.0 scale.
3. Students must purchase and maintain the student liability insurance prior to enrollment in EMC 110, 115, 270, 275, 280, 342, 352, 360, 362.
4. All transfer credit evaluation and program approval must be completed prior to the application deadline.

**NREMT-P TO ASSOCIATE OF PARAMEDICINE (ASP) DEGREE PROGRAM**

**Admission Requirements:**

Current holders of National Registry of Emergency Medical Technicians – Paramedic (NREMT-P or State credentialing as defined by the program) certification may earn the Associate of Paramedicine (ASP) degree through an accelerated program offered by the EMC department. Applicants for admission into this accelerated program are accepted each semester.

**Program**

Students admitted into the NREMT-P to ASP program will be required to take all general education and supporting coursework for the Associate of Science Paramedicine (A.S.P.).

**Core Courses:**

- EMC 380 and 382.
  - After successful completion of both EMC 380 and 382, students will receive 18 credit hours which include EMC 335, 340, 342, 352, 360, 362.
  - EMC 105, 110, 225, 240.
  - NREMT-P TO ASSOCIATE OF PARAMEDICINE (ASP) DEGREE PROGRAM

- Credit for EMC 105, 110, 225, 240 is available through successful completion of department proficiency examinations.
- EMC 104, 310, 315, and 320.
- Current and maintained certification in AHA CPR for Healthcare Professionals, ACLS-EP, PALS (and/or PEPP), and certification in PHTLS (or ITLS) may result in credit for EMC 104, 310, 315, and 320.

**Supporting and General Education Courses are required:**

- General Education Elements:
  - Element 1. ENG 101, 102; Element 3. Arts and Humanities (3 credit hours); and Element 5B and Social Behavioral Sciences (3 credit hours);

- **Supporting Courses:**
  - BIO 171, 301.

A total of 64 credit hours are required to obtain the Paramedicine (A.S.P.). Students must also obtain a minimum grade of “C” in all EMC courses, and BIO 171, 301. Students must also maintain an
overall EKU GPA of 2.0 on a 4.0 scale.

Transferring Paramedic Credit into the EMC Program
Effective January 2013 the National Registry has instituted a policy requiring that all candidates for certification must complete coursework from a CoAEMSP nationally accredited paramedic program. The EKU EMC program therefore has instituted the following policy, effective with the 2012/13 academic year.

Time Limit for Program Completion
To maintain EKU’s status as a CoAEMSP nationally-accredited paramedic program students must progress through their EMC advanced sequence of courses (200-level and 300-level courses, as well as the required BIO 171 and 301) within a specified time limit. Each student must successfully complete all of these courses before they are eligible to take the NREMT skill and didactic examinations to obtain the NREMT Paramedic card. National accreditation standards dictate that this must all be completed within a designated time window. The start of an individual student’s time limitation (“advanced sequence and testing clock”) will be determined by the student’s program advisor.

Credit from a CoAEMSP Accredited Paramedic Program
Students with transfer credit from a CoAEMSP accredited paramedic program may have this credit used to fulfill a portion of their major and supporting program requirements. Such credit may fulfill general education and elective areas; but it cannot be applied toward the EMC major and supporting program requirements. Such credit may be allowed to use non CoAEMSP accredited transfer credit in partial fulfillment of major requirements. Earning the National Registry card validates entrance into the paramedic related transfer coursework. Students without this paramedic credential, and without CoAEMSP accredited transfer courses, must progress through the EKU EMC program by completing EKU coursework.

Credit NOT from a CoAEMSP Accredited Paramedic Program
Coursework accepted by EKU but earned through participation in a program that is not CoAEMSP accredited cannot be used to advance a student through EKU’s nationally accredited EMC program. Such credit may fulfill general education and elective areas; but it cannot be applied toward the EMC major and supporting program requirements.

However a student who has earned a National Registry Paramedic Card may be allowed to use non CoAEMSP accredited transfer credit in partial fulfillment of major requirements. Earning the National Registry card validates the use of the paramedic related transfer coursework. Students without this paramedic credential, and without CoAEMSP accredited transfer courses, must progress through the EKU EMC program by completing EKU coursework.

### Baccalaureate Degrees

Bachelor of Science (B.S.)
FIRE PROTECTION AND SAFETY ENGINEERING TECHNOLOGY
CIP Code: 43.0202

Program Educational Objectives
Within 3-5 years of graduation, graduates of the Fire Protection and Safety Engineering Technology Program will be able to:
1. Practice fire protection engineering regionally, nationally, and internationally in a broad range of modern professional settings.
2. Actively participate in the development of engineering decisions on societal, environmental, economical, and safety issues at the local or global levels.
3. Understand the need for lifelong learning and continued professional development.

### Pre-Homeland Security

**Admission Requirements**

Students who have been admitted to the University and declare a major in Homeland Security are enrolled in the Pre-Homeland Security Program. Enrollment in the Pre-Homeland Security Program does not guarantee admission to the B.S. in Homeland Security. Pre-Homeland Security Program students are accepted each semester.

Students enrolled in the Pre-Homeland Security Program and desiring admission to the B.S. in Homeland Security major, must have completed a minimum of 45 total credits and have a 2.5 minimum EKU GPA, including completion of the lower-division courses of HLS 101, 201, 210, and 225. The lower-division courses must be completed with a grade of C or better. B.S. in Homeland Security students are accepted each semester. Students seeking admission to the B.S. in Homeland Security must submit the EKU Change of Major Form to the Homeland Security program coordinator with a DegreeWorks audit attached.

Students admitted to the B.S. in Homeland Security must maintain a 2.5 minimum EKU GPA. Students falling below the minimum GPA will be placed in academic probation for one semester. If after one semester in academic probation the student does not regain the 2.5 minimum EKU GPA, they will be withdrawn from the major. Students withdrawn from the major due to an EKU GPA lower than 2.5 are not eligible for readmission to Homeland Security.

**Requirements** .................................................. 9 hours

HLS 201, 451, and 461

**Electives** .......................................................... 9 hours

EMC 450, FSE 310, 375, 400, GEO 353, 453, 456, HLS 349, 391, 460, 465, 467, or 491.

**Total Curriculum Requirements** .................. 18 hours

**Minor in Emergency Medical Care**

The Minor in Emergency Medical Care is not available to B.S. Emergency Medical Care majors. A student may minor in Emergency Medical Care by completing, with a grade of “C” or better, a total of 18 semester hours as follows:

**Requirements** .................................................. 11 hours

EMC 104(1), 110(6), 115(2), and 200(2).

**Electives** .......................................................... 7 hours

EMC 105(1), 205(1), 215(1), 225, or 240

**Total Curriculum Requirements** .................. 18 hours

**Minor in Fire and Safety Engineering Technology**

The courses required to complete a minor in Fire and Safety Engineering Technology include:

**Requirements** .................................................. 18 hours

FSE 120; FSE 225 or OSH 262; 12 hours of FSE or OSH electives. Nine hours must be upper division.

**Total Curriculum Requirements** .................. 18 hours

**Minor in Fire, Arson, and Explosion Investigation**

A student may minor in Fire, Arson, and Explosion Investigation by completing, with a grade of “C” or better, a total of 21 semester hours as follows:

**Requirements** .................................................. 21 hours

FSE 120, 250, 350, 370, 380, 450, and 495.

**Total Curriculum Requirements** .................. 21 hours

**Minor in Fire Protection Administration**

A student may minor in Fire Protection Administration by completing, with a grade of “C” or better, a total of 21 semester hours as follows:

**Requirements** .................................................. 21 hours

FSE 120, 201, 223, 225, 365, 375, and 400.
**Homeland Security Concentration in the Associate of General Studies Degree**

See page 89 of this Catalog for the Homeland Security Concentration requirements listed in the Associate of General Studies degree section.

**Certificates**

**Basic Emergency Medical Technician**

Meets the Kentucky Cabinet for Human Resources certification requirement: EMC 110. Co-requisite: EMC 104.

**Total Curriculum Requirements** ........................................ 7 hours

*Certificate awarded by the Department of Safety, Security, & Emergency Management and not Eastern Kentucky University.

**Certificate in Emergency Management**

CIP Code: 43.0302

Not available to B.S. in Homeland Security majors or minors.

Students may obtain a Certificate in Emergency Management by completing, with a grade of “C” or better, a total of 24 semester hours as follows:

**Requirements** ................................................................. 12 hours

GEO 353, HLS 201, 451, and 461

**Electives** ........................................................................ 12 hours

EMC 450, FSE 310, 375, 400, GEO 220, 315, 325, 425, 453, 456, HLS 301, 349, 391, 460, 465, 467, or 491.

**Total Curriculum Requirements** ..................................... 24 hours

**Certificate in Homeland Security**

CIP Code: 43.0301

Not available to B.S. in Homeland Security majors or minors.

Students may obtain a Certificate in Homeland Security by completing, with a grade of “C” or better, a total of 24 semester hours as follows:

**Requirements** ................................................................. 15 hours

HLS 101, 201, 210, 225, and select one course from: HLS 430, PLS 375 or POL 415

**Electives** ................................................................. 9 hours

FSE 310, HLS 301, 341, 349, 380, 391, 401, 441, or 443.

**Total Curriculum Requirements** ..................................... 24 hours

**Industrial Fire Protection Certificate**

CIP Code: 43.0201

This certificate prepares student for careers in Industrial Fire Protection. The certificate requires a grade of “C” or better in 24 hours of required courses and 6 hours of specialized practicum.

The courses required to complete the Industrial Fire Protection Certificate include:

FSE 101, 120, 221, 300W, 305, 320, 360, OSH 261, FSE 480, and FSE 499(6).

**Total Curriculum Requirements** ..................................... 24 hours

**Intelligence Studies**

CIP Code: 29.0201

This certificate is collaboratively offered by the Bluegrass State Intelligence Community Center of Academic Excellence with consortium members Eastern Kentucky University, Kentucky State University and Morehead State University. Students enroll in the certificate at their home university but may complete courses at any consortium member. Students must complete a minimum of 6 hours at their home university.

The certificate requires a grade of “C” or better in 12 hours of required intelligence courses and 12 hours within a single Concentration.

**Requirements** ................................................................. 12 hours

HLS 400, 401, 402, and 403

**Concentrations** ................................................................. 12 hours

Concentration Prerequisite: Certificate advisor must pre-approve courses selected for all concentrations.

A Coop or Internship in an intelligence-related position may be credited to meet requirements of any concentration (3 hours maximum).

**Intelligence Collection and Analysis Concentration:**

Select 12 upper-division hours (300 or 400 level) in courses related to intelligence collection and analysis including, but not limited to, forensic accounting and computing, geographic information systems, logic, mathematics, risk analysis or statistical analysis.

**Threat Specialist Concentration:**

Select 12 upper-division hours (300 or 400 level) in courses related to threats to public and national security including, but not limited to, criminal justice, homeland security, international relations, international security, national security or terrorism/counterterrorism.

**Regional Analysis Concentration:**

Select 12 upper-division hours (300 or 400 level) in the culture, economics, environment, geography, history, military, politics, religions or security of a specific country or region (foreign or U.S). No more than two courses may have the same prefix.

Students selecting this concentration must also have a minimum of two lower-division or upper-division courses in a language associated with the selected specific country or region.

**Security Operations Concentration:**

Select 12 upper-division hours (300 or 400 level) in courses related to cyber security, government/industrial security, personnel security, physical security, risk analysis, security management or workplace investigations.

**Science & Technology Concentration:**

Select 12 upper-division hours (300 or 400 level) in a scientific or technology discipline, including, but not limited to, astronomy, biology, biotechnology, chemistry, earth science, forensic science, health science, information systems, life science, mathematics, microbiology, pharmacology, physics, space science, toxicology; or in an engineering discipline, including, but not limited to, aerospace, civil, computer, electrical, electronic, mechanical, material, nuclear or systems engineering.

**Total Curriculum Requirements** ..................................... 30-32 hours
Certificate in Security Management
CIP Code: 43.0112

The certificate requires a grade of “C” or better in 12 hours of required courses and 12 hours of elective courses.

Requirements ........................................... 12 hours
HLS 210, 310, 320, 350

Electives .............................................. 12 hours
CIS 320, 325, CSC 307, GBU 204, HLS 301, 338, 341, 349, 391, 402, or INS 378.

Total Curriculum Requirements ..................... 24 hours

Certificate in Social Intelligence & Leadership
CIP Code: 35.0101

Completing the certificate requires a minimum grade of “C” in the following required courses:

Requirements ........................................... 18 hours
CRE 101W, EES 250, EES 300, EES 310, EES 450 and EES 460.

Total Curriculum Requirements ..................... 18 hours

Endorsement

Driver Education Endorsement

The requirements for a driver education endorsement for any teaching major are: TRS 285, 386, 487, and 588.

WLD  Wildlife Management

A student may not take a course numbered more than one year above his/her classification level without advisor permission. To take courses numbered 300 and above in The School of Business see the College of Business and Technology section for requirements for BBA degree.

Special approval must be obtained from the dean of the college offering a 500-level course in order for junior-level students to enroll. (Students of less than junior status or unapproved juniors cannot be admitted to a 500-level course and will be disenrolled by the Registrar if such an enrollment occurs.)

COURSE DESCRIPTIONS

The semester hours which may be earned by successful completion of a course are indicated in parentheses immediately following the course title, e.g., (3). A course is offered during the semester indicated by the term-offering designation immediately following the credit hours earned:

I —Fall Semester

II —Spring Semester

A —By Announcement

A course is offered during the indicated semester or by announcement on the assumption there will be adequate enrollment. If a course does not obtain adequate enrollment, it is subject to cancellation. The University reserves the right to cancel any course if the enrollment is not sufficient, to divide a course if the enrollment is too large for efficient instruction, and to change instructors when necessary.

The description of the course format for courses which include a laboratory experience is found at the end of the course description. A course which consists of three hours of classroom lecture and two hours of laboratory per week is described as “3 Lec/2 Lab.” Courses approved for general education are noted as such by the phrase “Gen. Ed.” and an element and number designation following the course description. Example: Gen. Ed. E-6 indicates a course which fulfills a requirement in General Education Element-6: Diversity of Perspectives and Experiences. Letters in brackets [ ] designate Kentucky statewide General Education core coding. See General Education Requirements in Section Four.

COORDERATIVE EDUCATION/INTERNSHIP (APPLIED LEARNING)

XXX —349 Applied Learning
XXX —349 A-N Cooperative Education

Students may register for additional hours of applied learning and cooperative education beyond those specified in each course description. However, courses students are taking will then fall into a repeat cycle where the last course taken replaces the former course so that no more than the limit noted may be counted toward a degree program, minor, or certificate.

ACC —Accounting
Dr. Oliver Feltus, Chair

2015-2016 EKU UNDERGRADUATE CATALOG 277
ACC 201 Introduction to Financial Accounting. (3) I, II. Prerequisite: STA 215 or 270 or MAT 105 or higher. A survey of financial accounting information in decision making and why financial accounting information is important to these users. Emphasis is on an introduction to Managerial Accounting. (3) I, II. Prerequisite: ACC 201 with a grade of "C" or better. A study of the objectives, preparation and uses of managerial accounting information from a user perspective. Emphasis is on measurement, allocation, and reporting of costs to identify and solve business problems.

ACC 301 Intermediate Accounting I. (3) I, II. Prerequisites: ACC 201, 202, QMB 200 (or STA 270) with a grade of "C" or better in each course. Proficiency in spreadsheet and word processing capability is required. Financial statements, current assets, investments, current and long-term liabilities, acquisitions, use and retirement of plant and equipment.

ACC 302 Intermediate Accounting II. (3) I, II. Prerequisite: ACC 301 with a grade of "C" or better. Capital stock, financial statement analysis, statement of cash flows, lease and pension accounting, accounting changes, and adhered to financial reporting. Prerequisites: ACC 302 with a grade of "C" or better and junior standing. Income tax legislation-Federal and State; returns for individuals; gross income; basis and determination of gain or loss; capital gains and losses; dividends, deductions, withholding. Credit will not be awarded for both ACC 322 and ACC 322S.

ACC 322 Tax I. (3) I, II. Prerequisite: ACC 201 with a grade of "C" or better and junior standing. Income tax legislation-Federal and State; returns for individuals; gross income; basis and determination of gain or loss; capital gains and losses; dividends, deductions, withholding – using a service learning approach. Credit will not be awarded for both ACC 322 and ACC 322S.

ACC 322S Tax I. (3) I, II. Prerequisite: ACC 201 with a grade of "C" or better and junior standing. Income tax legislation-Federal and State; returns for individuals; gross income; basis and determination of gain or loss; capital gains and losses; dividends, deductions, withholding – using a service learning approach. Credit will not be awarded for both ACC 322 and ACC 322S.

ACC 327 Cost Accounting. (3) I, II. Prerequisite: ACC 202 and QMB 200 with a grade of "C" or better. Cost flows and cost systems; the cost accounting cycle; basic cost determination systems and procedures; standard costing; budgeting and decision making applications.

ACC 349 Applied Learning in Accounting. (5-8) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. Three hours may be used as a major elective. Additional hours may be used to fulfill the 150-hour CPA exam requirement. May be repeated for a total of 16 credit hours.

ACC 349A-N Cooperative Study: Accounting. (5-8) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. Three hours may be used as a major elective. Additional hours may be used to fulfill the 150-hour CPA exam requirement. May be repeated for a total of 16 credit hours.

ACC 350 Accounting Information Systems. (3) I, II. Prerequisite: A minimum grade of "C" in ACC 202 and CIS 212 or INF 104. An introduction to manual and computer-based accounting information systems. Topics include AIS components, transaction cycles, system development, internal controls, and the audit process. The course stresses problem solving, critical thinking, and computer application skills. (3) I, II. Prerequisites: ACC 302 with a grade of "C" or better and CCT 300W. Emphasis on a conceptual understanding of accounting principles using literature published by the AICPA, FASB and current writers. Accounting history, SEC, legal liability, conceptual framework. SFAS's and APB's.

ACC 440 Legal Aspects of Accounting. (3) I, II. Prerequisite: Senior standing (90 hours or more) and GBU 204 with a grade of "C" or better. Law as it relates to the accounting profession. (3) I. Prerequisite: ACC 350, 350W, and ACC 204 with grades of "C" or better. Professional ethics; accountant's legal responsibility; internal control; general arrangement and procedure of an audit; asset accounts; liability accounts; operating income and expenses; principles of generally accepted accounting principles. (3) I, II. Prerequisite: ACC 440 with a grade of "C" or better. An independent study of accounting topics of interest to the student. Credit will be awarded for a maximum of six hours provided topics are not duplicated. May be repeated for a total of 16 credit hours.
differ.  ADM 550  ADM Topics:  (1-3) A.
A course designed to offer specialized expertise in numerous areas related to textiles, clothing, and fashion. May be taken to a maximum of six hours provided topics vary.

AED - Art Education

AED 360  Introduction to Materials Inquiry.  (3) A. Students will explore processes and materials used in K-12 programs, will present exploration results through seminar-style discussions and demonstrations, and will begin to understand and practice developmentally appropriate teaching strategies through peer teaching. Credit will not be awarded for both AED 360 and ART 360.

AED 361  Art Teaching: Grades P-R.  (3) A. Prerequisites: Major in Art Education. Developmentally-appropriate curriculum, materials, and methods for the P-8 art program. Minimum of 20 field/clinical hours. Credit will not be given for both EME 361 and AED 361.

AED 561  Materials Inquiry in Art Education.  (3) A. Formerly AED 460. Prerequisite: AED 360 and open to junior and senior art students who plan to teach. Corequisite: EMS 349Q. Diversified inquiry into art materials and processes in the elementary and secondary schools. Maximum number of repeatable hours: 6. Credit will not be awarded for both ART 460 or AED 460 and AED 561.

AEM—Applied Engineering Management

Dr. Dennis Field, Coordinator

AEM 195  Computer Aided Drafting.  (3) I, II. An introductory course in freehand sketching and computer-aided drafting/design. Students will be taught basic CAD commands, tools, multi-view drawings and dimensioning techniques. 2 Lec/2 Lab.

AEM 201  Metallic Material Processes.  (3) I, II. Introduction to manufacturing processes involving metallic materials. Families of processes covered are casting, molding, forming, separating, conditioning, assembling, and finishing. 2 Lec/2 Lab.

AEM 202  Introduction to Quality.  (3) I, II. Prerequisites: MAT 114 or higher mathematics, and STA 215, or 270. Role of statistical thinking in modern quality control. Methods for problem solving, data collection, and process improvement. Deriving actionable conclusions from data analyses. Understanding, quantifying, and reducing variation to improve business performance.

AEM 242  Furniture and Cabinet Construction.  (3) A. Prerequisite: TEC 141. Principles of furniture and cabinet construction, elements of structural design, advanced woodworking operations; care and sharpening of tools; related technical information; furniture and cabinet construction and finishing. 2 Lec/2 Lab.

AEM 301  Non-Metallic Material Processes.  (3) II. Introduction to manufacturing processes used to shape or form wood, plastic, and composite materials. Families of processes covered are casting, molding, forming, separating, conditioning, assembling, and finishing. 2 Lec/2 Lab.

AEM 308  Methods of Lean Operations.  (3) I, II. Prerequisite: MAT 114 or higher, and STA 215 or 270. Examination of lean principles, such as value mapping, continuous flow, continuous improvement, determination of customer demand, and standard work. Concepts and implementation of pull, line balancing, lean accounting, FMEA, time studies, and total productive maintenance.

AEM 310  Computer Communications in Industry.  (3) I. Prerequisites: ENG 102 and TEC 151. A conceptional approach to computer aided communication systems typically applied in industrial environments. Emphasis will be placed on utilizing computer technology to integrate text and graphics in the preparation of documents and presentation materials. Credit will not be awarded for both AEM 310 and AEM 310W.

AEM 310W  Computer Communications in Industry.  (3) I. Prerequisites: ENG 102 or ENG 105/B or HON 102. An approach to computer aided written communication typically applied in the industrial environment. Emphasis will be placed on utilizing computer technology to integrate text and graphics in the preparation of documents and presentation materials. Credit will not be awarded for both AEM 310W and AEM 310.

AEM 320  Warehousing and Material Handling.  (3) A. Pre/Corequisites: AEM 202 and 308. A laboratory oriented course that examines basic warehouse layout configurations, material flow, and a critical evaluation of the application of computers to control material flow, plus the use of computer simulation to analyze various warehouse layout options for scheduling, picking and material tracking. 2 Lec/2 Lab.

AEM 330  Materials Testing and Metrology.  (3) A. Prerequisites: AEM 195, 201, and MAT 120. A study of geometric dimensional and tolerancing as used in detail working drawings and the principles, standards, equipment, and metrology techniques used in the production of metallic materials. 2 Lec/2 Lab.

AEM 332  Process Control and Auditing.  (3) I, II. Prerequisite: AEM 310. A study of the development and control of statistical process control methods and procedures in industry, and auditing as a method of evaluating the documentation, implementation, and effectiveness of a Quality System.

AEM 336  Reliability and Sampling.  (3) A. Prerequisite: AEM 202. An overview of reliability, testing, and sampling theories. Topics include component and system reliability, product safety, sampling plans, control charts, and standards. 2 Lec/2 Lab.

AEM 338  Engineered Materials Testing.  (4) A. Prerequisites: AEM 201, MAT 120, and TEC 190. Structure, composition, properties, tolerances, standards, and common applications of engineering materials. Use of GDT and techniques for precision electronic and mechanical measurement and testing.

AEM 349  Applied Learning in Industrial Technology.  (5-8) I, II. Prerequisite: departmental approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate, sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

AEM 349  A-N Cooperative Study: Industrial Technology.  (5-8) I, II. Prerequisite: departmental approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate, sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

AEM 352  Automated Technology Devices.  (3) A. Prerequisites: EET 251. The electronic hardware used in computer integrated manufacturing. Topics include PLCs, interfacing devices, sensors, data entry and bar coding, motors, ADCs, and DACs. 2 Lec/2 Lab.

AEM 371  Hydraulics and Pneumatics.  (3) II. Principles of the operation, construction, control, and application of hydraulic and pneumatic components and circuits. The study of control applications includes manual, mechanical, fluid, electrical, and computer controlled fluid circuits. 2 Lec/2 Lab.

AEM 382  Advanced Material Processing.  (3) A. Prerequisites: AEM 201 and 301. A laboratory course involving advanced material processing which includes project planning and management, machining, welding, precision layout, and measuring. Students will design and fabricate projects that include two-part mold designs, CNC machining, and multi-process welding. 2 Lec/2 Lab.

AEM 383  CAD/CAM Integration.  (3) A. Prerequisites: AEM 201. The use of computer application software to link data bases created with computer aided design software to computer numerical controlled machine tools. 2 Lec/2 Lab.

AEM 390  3-D Parametric Solid Modeling.  (3) A. Prerequisite: AEM 195. A study of advanced topics in three-dimensional computer aided design. The content will include advanced modeling and rendering. 2 Lec/2 Lab.

AEM 392  Computer Aided Machine Drawing.  (3) I. Prerequisite: AEM 195. Computer generated detail and assembly drawings. Topics include threads and fasteners, gearing and cams, and dimensioning and tolerancing. 2 Lec/2 Lab.

AEM 395  Special topics in AEM—.  (2-3) Prerequisite: AEM 202. Departmental approval, junior or higher standing. Explores emerging technologies in the area of applied engineering. May be repeated up to a maximum of 9 hours provided subject matter is different each time.

AEM 397  Advanced Machine Drawing.  (A) Prerequisites: AEM 390 and 392. Advanced machine drawing applications to include detail and assembly drawings, threads and fasteners, gearing and cams. Emphasis on shape description. 2 Lec/2 Lab.

AEM 406  Integrated and Total Materials Mgmt.  (3) I, II. Prerequisite: AEM 202. A senior course which examines consumer demand characteristics, product bill materials, establishing sales and operations plans, planning and controlling inventory in the supply chain.

AEM 408  Human Resource Development.  (3) I, II. Topics in human relations and production management. To be scheduled the semester before graduation.

AEM 467  Comprehensive Exam for BS in AEM.  (8) A. Prerequisite: Consent of Advisor. Registration is required of all Applied Engineering Management B.S. majors during their last semester. A comprehensive assessment exam is required.

AEM 499  Senior Capstone Project.  (3) II. Prerequisite: AEM 310, 352, 407, and Senior Standing. A synthesis experience involving the application of theory in solving a realistic industrial problem. Emphasis is placed upon project setup, solution, justification, report and presentation. 2 Lec/2 Lab.

AEM 506  Six Sigma Quality.  (3) A. Prerequisite: AEM 202. A study of six sigma methodology and current practices with an emphasis on key quality drivers and statistical methods for world-class products and companies.

AEM 530  Design of Experiments.  (3) A. Prerequisite: AEM 202. Principles and practices of efficient experiment design for industry. Topics include the philosophy of experiment design, comparison of various designs, hypothesis testing, and the analysis of data.

AFA—African/African-American Studies

Dr. Sara Zeigler, Dean

AFA 200  Musical Languages  (3) I, II. Cross-listed as EMS 200. Prerequisite: ENG 102, 105/B or HON 102. An exploration of the indigenous music of Sub-Saharan Africa through an immersion in pre-Colonial children’s songs and games. The course aims at developing a deeper understanding and sensitivity to cultural diversity in Africa. Credit will not be awarded for both EMS 200 and AFA 200. Gen. Ed. E-6.

AFA 201  The African Experience.  (3) A. Introduces students to the historical, socio-economic, cultural, and political experiences of African people in
African and Diaspora. It fulfills a core requirement for African/African-American Studies. Credit will not be awarded for both AFA 201W and 201W. Gen. Ed. E-3B and E-6[AH][GE].

AFA 201W The African Experience. (3) A: Prerequisite: ENG 102, or ENG 105(B), or HON 102(B). Introduces students to the historical, socio-economic, cultural, and political experiences of African people in Africa and the Diaspora. It fulfills a core requirement for African/African-American Studies. Credit will not be awarded for both AFA 201W and 201W. Gen. Ed. E-3B and E-6[AH][GE].

AFA 202 The African-American Experience. (3) A: An overview of the historical, social, political, economic, and cultural factors that have helped shaped the experiences of African Americans in the United States. It fulfills a core requirement for African/African-American Studies. Credit will not be awarded for both AFA 202 and 202W. Gen. Ed. E-6[GE].

AFA 202W The African-American Experience. (3) A: Prerequisite: ENG 102, or ENG 105(B), or HON 102(B). An overview of the historical, social, political, economic, and cultural factors that have helped shaped the experiences of African Americans in the United States. It fulfills a core requirement for African/African-American Studies. Credit will not be awarded for both AFA 202W and 202W. Gen. Ed. E-6[GE].

AFA 225 African-American/African Health Issues. (3) A: Cross-listed as EHS 225. Provides the student with an understanding of the medical and public health issues concerning the maintenance of health conditions both in the United States and Africa. Credit will not be awarded for both AFA 225 and EHS 225.

AFA 304 Slavery in the Americas. (3) A, Cross-listed as HIS 304. An overview of the history of slavery, border labor, and freedom in the Western Hemisphere. Special attention will be given to anti-slavery and abolitionist movements. Credit will not be awarded for both AFA 304 and HIS 304.

AFA 305 African American History. (3) A: Cross-listed as HIS 305. African history to 1500: Europe, Africa, and the Americas; trans-Atlantic and domestic slave trades; African slavery; emancipation; post-emancipation experiences and initiatives; persistence of black nationalism. Credit will not be awarded for both AFA 305 and HIS 305.

AFA 330 U.S. South and Black Education (3). A: Cross-listed as EDF 330. This course introduces the major themes of Black populations pursuing educational opportunities in Southern States in the U.S. Students will acquire knowledge about historical events, people and policies shaping the evolution of Blacks in education. Credit will not be awarded for both AFA 330 and EDF 330.

AFA 345 Minority Group Politics. (3) A: Cross-listed as POL 345. Examination and comparison of various theories, strategies, forms of participation, leadership styles, and concepts (e.g. Black Power) of minority group politics. Credit will not be awarded for both AFA 345 and POL 345. Gen Ed. VIII.

AFA 346 Diversity and Criminal Justice. (3) A: Cross-listed as CJR 346. Prerequisite: departmental approval. Contemporary race, gender, and other diversity issues and their relevance to criminal offenders, crime victims, and the criminal justice system. Includes such issues as the civil rights and women’s movements, and equal opportunity. Credit will not be awarded for both AFA 346 and CJR 346.

AFA 347 Special Topics in AFA Studies. (3) A: Specialized study of selected topics not available in traditional course offerings. May be retaken with different topics to a maximum of six hours. AFA 347A-347N Learning in AFA Studies, (5-3) A: Work in a cooperative placement related to student’s academic studies. May earn a maximum of three hours. A minimum of 80 hours work required for each semester hour credit.

AFA 349A-N Cooperative Study: AFA Studies. (5-3) A: Work in a cooperative placement related to student’s academic studies. May earn a maximum of three hours. A minimum of 80 hours work required for each semester hour credit.

AFA 356 African American Political Thought. (3) A: Cross-listed as POL 356. Prerequisite: ENG 102, 105(B), or HON 102. Examination of political ideas espoused by African American activist from the nineteenth century to the present. Credit will not be awarded to students who have credit for POL 356. Gen. Ed. E-6.

AFA 360 Literature of Africa. (3) A: Prerequisite: ENG 102, 105(B), or HON 102. Cross-listed as ENG 360. Survey of the genres and components of African literature. A study of the program director of an important study of key concepts in African thought, culture and experiences are reflected in the literatures composed by writers from Africa or of African origin. Credit will not be awarded for both AFA 360 and ENG 360. Gen. Ed. E-6[GE].

AFA 367 African Caribbean Literatures. (3) A: Prerequisite: ENG 102 or 105(B) or HON 102. Cross-listed as ENG 367. A study of selected literatures written by Caribbean writers of African descent. Credit will not be awarded for both AFA 367 and ENG 367. Gen. Ed. E-6[GE].

AFA 372S Blacks in Madison County (3) A: Through a service-learning approach this course provides an opportunity for students to research the historical people, institutions, and cultural factors that helped shape the experience of African-Americans in Madison County, Kentucky.

AFA 378 Black Women in History. (3) A: Cross-listed as HIS 378. Examines the lives of African-American women from slavery to the present with emphasis on the impact of race, gender, and class issues on their multi-faceted lives as women in America. Credit will not be awarded for both AFA 378 and HIS 378.

AFA 385 African-American History. (3) A: Cross-listed as HIS 385. Prerequisite: three hours HIS or departmental approval. History of Africa from earliest times to 1860. Emphasis on social, political, economic, and cultural change in states and societies; oral tradition; the environmental and human activities; slavery and the slave trades. Credit will not be awarded for both AFA 385 and HIS 385.

AFA 386 Modern African History. (3) A: Cross-listed as HIS 386. History of Africa from the 19th century to the present. Themes include: trade and politics; European conquest and African resistance; rural survival and urban popular culture; race, class, gender, ethnicity, and age; African nationalism and independence. Credit will not be awarded for both AFA 386 and HIS 386.

AFA 388 Islam in West Africa. (3) A: Cross-listed as HIS 388. History of Islam and politics in West Africa from 1000 C.E. to the present. Emphasis on the role of Islam in major socioeconomic, political, and cultural transformations of West African states and societies. Credit will not be awarded for both AFA 388 and HIS 388.

AFA 435 U.S. Civil Rights Movement. (3) A: Cross-listed as HIS 435. Prerequisites: three hours AFA or departmental approval. Examination through primary and secondary sources of the origins, course, ideologies, and legacy of the mid-twentieth century American movement for racial justice and equality. Discussion of the central scholarly issues in civil rights studies. Credit will not be awarded for both AFA 435 and HIS 435.

AFA 495 Independent Study. (3) A: Prerequisites: AFA 201, AFA 202, departmental approval. Individual study under research on a problem/topic pertaining to African, African-American and/or Afro-Caribbean experience. Student must have the independent study proposal form approved by the faculty supervisor and the program director prior to enrollment.

AFA 510 African Textile Design. (3) A: Prerequisite: AFA 201 or AFA 202 or Departmental Approval. This course investigates the symbolism of textile design in Africa, as it examines the developments in contemporary textile art within Africa and in the African Diaspora.

AFS—Aerospace Studies (Air Force ROTC)

Aerospace Studies I. (1) I. This course deals with the Air Force in the contemporary world through a study of the total force structure, strategic offensive and defensive forces, general purpose forces, and aerospace support forces.

Aerospace Studies II. (1) I. Introduces Air Force customs and courtesies, drill and ceremonies, and wear of the uniform. The course also includes a discussion of career opportunities in the Air Force.

Aerospace Studies III. (1) II. A continuation of AFS 211.

Aerospace Studies IV. (1) II. A course to develop managerial skills including superior/subordinate relationships, communications, customs and courtesies, basic drill movements and career progression requirements. Credit will not be granted toward the requirements for the degree. Pass-Fail only.

Aerospace Studies V. (1) II. This course is a study of air power from balloons and dirigibles through the jet age. It is an historical review of air power employment in military and nonmilitary operations, support of national objectives; and a look at the evolution of air power concepts and doctrine.

Aerospace Studies VI. (1) I. Air Force customs, courtesies, and opportunities are emphasized. The cadet is prepared for individual, flight, and squadron movements in drill and ceremonies.

Aerospace Studies VII. (1) II. A continuation of AFS 211.

Aerospace Studies VIII. (1) II. Emphasis on preparing cadets for attendance at field training during succeeding summer.

Aerospace Studies IX. (1) III. Prerequisite: AFS 311. A study of leadership with specific emphasis on the Air Force leader. Includes theoretical, professional, and communicative aspects. In addition, military justice and administrative law are discussed within the context of the military organization.

Aerospace Studies X. (1) III. Prerequisites: AFS 311 and 313. A study of the military profession, civil-military interactions, communication skills, framework of defense policy, and formulation of defense strategy.

Aerospace Studies XI. (1) III. Prerequisite: AFS 411. Cadets continue preparations for fulfilling leadership positions as an active duty Air Force officer. Includes theoretical, professional, and communicative aspects.

Aerospace Studies XII. (1) III. Prerequisite: AFS 411. Cadets continue preparations for fulfilling leadership positions as an active duty Air Force officer. Includes theoretical, professional, and communicative aspects.

Aerospace Studies XIII. (1) III. Prerequisite: AFS 411. Cadets continue preparations for fulfilling leadership positions as an active duty Air Force officer. Includes theoretical, professional, and communicative aspects.
prepare for Initial Commissioned Service by fulfilling advanced leadership positions. Continued emphasis on group dynamics and the role of future leaders in the Air Force.

A&S 495 Independent Work. (2-6) A.
Prerequisite: approval of professor of aerospace studies. A study of an advanced problem on an aerospace subject under faculty supervision with approval of the Chairman of the Department of Aerospace Studies.

AGR—Agriculture
Dr. John Settini, Chair

AGR 105 Introductory Topics in Agriculture. (3) I, II. A non-structured course for incoming students who have met the secondary skills standard examination requirements in the area of agriculture. Departmental chair approval required prior to enrollment. May be taken to a maximum of 6 hours.

AGR 115 Operation of Agricultural Equipment. (2) I. Lecture, laboratory and field experiences related to agricultural power equipment, and their safe operation, including hydraulics, electricity, chemical, and processing and handling facilities. 1 Lec/2 Lab.

AGR 125 Principles of Animal Science. (3) I, II. Corequisite: AGR 126. Management and production of livestock enterprises; types, market classes, and grades of beef cattle, sheep and swine, and the breeds and products of dairy cattle. 3 Lec/2 Lab.

AGR 126 Animal Science Laboratory. (1) I. Corequisite: AGR 125. Applied principles in the proper handling, restraint, and management techniques in beef, dairy, sheep, swine, and horses.

AGS—Agricultural Technology. (1) I. Corequisite: AGR 130. Laboratory and field experiences related to plant growth, development, and management of agronomic resources.

AGR 210 Agricultural Measurements. (2) I. Prerequisite: MAT 105 or higher. Measuring and computing areas of land, volumes and capacities of buildings, and feed structures, spray mixtures, fertilizer needs, parts per million, feed rations and other measurements encountered on the farm. Majors must take AGR 210 during the first 60 hours of course work or credit will not be awarded. Transfer students must take AGR 210 during their first semester after declaring a major.

AGR 213 Principles of Agricultural Mechanics and Energy Systems. (3) I, II. Principles of operation, maintenance, and repair of electrical motors; basic electrical circuits, electrical power generation and electrical controls for agricultural mechanization systems and power requirements for agricultural structures; theoretical and practical experience.

AGR 215 Principles of Soils. (3) I, II. Corequisite: AGR 216. Soil origin, classification and properties, soil conservation, soil microorganisms, organic matter, soil water, soil minerals, lime and commercial fertilizers, soil erosion, soil management.

AGR 216 Principles of Soils Laboratory. (1) I, II. Corequisite: AGR 215. Laboratory and field experiences related to soils and their properties, including soil sampling, fertility, pH, liming, water and texture. 2 Lab.

AGR 225 Evaluation and Selection of Livestock. (3) II. An evaluation of dairy cattle, beef cattle, swine and sheep; use of body type ratings, and carcass information as they relate to functional anatomy and efficiency of production; sire selection and pedigree interpretation. 2 Lec/2 Lab.

AGR 225A Introduction to Horses. (3) A. History and role of horses and the equine industry, breeds of horses and ponies for work and pleasure, includes terminology, management, and responsibilities, breeding, pests, current issues and care of horses.

AGR 255 Companion Animal Management. (3) A. Care and management of dogs, cats, rabbits, birds, and exotic. Concepts and terminology, nutrition, behavior, genetics and reproduction will be emphasized. 3 Lec/2 Lab.

AGR 300 Travel Study in Agriculture Technology. (1-6) A. A travel course for groups and individuals unable to study new and emerging technologies in agriculture and horticulture, structural organizations of agricultural enterprises, and professional and interpersonal relationships. May be taken once.

AGR 301 Directed Work Experience. (1-4) I, II. Agriculture majors only; minimum sophomore standing or departmental approval. A minimum of three hours per week per hour of credit using university or other approved facilities. May be retaken for a maximum of 4 credit hours.

AGR 302 Directed Work Experience - Management Practicum. (3) I, II. Student will schedule nine hours of work per week during the semester on a university farm to practice management and production skills related to a livestock herd or machinery operations. Options may be taken to a maximum of 12 hours.

AGR 302A Agricultural Mechanization Option. AGR 203B Beef Cattle Option. AGR 203C Swine Option. AGR 203D Dairy Cattle Option. AGR 203F Sheep Option. AGR 304 Pest Management. (4) II. Identification of the principal agriculture and horticulture insect and weed pests. Management strategies are identified with special emphasis on the safe use of chemicals and equipment calibration. Credit will not be awarded for both AGR 304 and OHO 304. 3 Lec/2 Lab.

AGR 305 Professional Skills Seminar. (1) A. Prerequisite: completion of 30 hours in the Associate or more than 60 hours and less than 90 hours in the Bachelor Degree Program. Course prepares students for the job market including; resume development, cover letter preparation, job interview skills and oral presentations.

AGR 306 The Global Society's Food Supply. (3) A. A study of the complexities of the global food and fiber supply including production, marketing and distribution systems. These studies include historical influences, current topics and health related food issues.

AGR 308 Agricultural Economics. (3) I, II. Prerequisite: ECO 120. An introduction to the economic environment of the agribusiness sector. Examines the role of agriculture in the U.S. and world economies. Includes concepts and principles concerning individual agribusiness decision making.

AGR 310 Principles of Agribusiness Management. (3) II. Prerequisite: AGR 308. Organization and operation of the farm related agricultural business with emphasis on budgeting, enterprise selection, financial statements, and resource management. Includes microcomputer applications and survey of government regulations that are applicable to topic.

AGR 311 Agriculture Metal Fabrication. (2) A. Principles and techniques of arc and oxyacetylene welding and soldering as it pertains to fabrication and repair of agriculture machinery and equipment. 1 Lec/2 Lab.

AGR 312 Ecology and Management of Grasslands and Pastures (4) A. Prerequisites: AGR 130 and one of AGR 228, AGR 230, or AGR 231. Ecological study of grasslands and pastures from an ecological perspective with an emphasis on wildlife and livestock management. 3 Lec/2 Lab.

AGR 318 Soil/Water Conservation Technology. (3) I, A. Principles and procedures for basic surveying and soil-water conservation systems. This will include how rainfall, run-off, erosion, contours, ponds, lagoons, drainage, and irrigation interact with the desired conservation system. 2 Lec/2 Lab.

AGR 319 Renewable and Sustainable Energy Systems. (3) I. Cross-listed as ENV 319. Prerequisites: ENG 102 or ENG 105(B) or HON 102; and MAT 105 or higher. Principles of energy and how those needs can potentially be met in the future will be discussed. Comparisons of existing energy sources (fossil fuels, nuclear power) with renewable sources (biomass, solar, and tidal). Credit will not be awarded for both AGR 319 and ENV 319.

AGR 321 Feeds and Feeding. (4) I. Feeds used in livestock feeding; storage, feeding characteristics, and ration formulation from these feedstuffs. 3 Lec/2 Lab.

AGR 326 Light Horse Production and Management. (4) A. Prerequisites: AGR 125 and 126, or 250. Size and scope of horse industry, conformation and selection of horses, basics of equine nutrition and reproduction. Signs of health and illness. Routine health care procedures. 3 Lec/2 Lab.

AGR 327 Beef Production. (4) I. Prerequisites: AGR 125 and 126. History, importance, and trends associated with the beef cattle industry; systems of selecting, breeding, feeding, marketing, and management of beef cattle. 3 Lec/2 Lab.

AGR 328 Swine Production. (4) A. Prerequisites: AGR 125 and 126. History, importance, and trends associated with the swine industry; systems of selecting, breeding, feeding, marketing, and management of swine. 3 Lec/2 Lab.

AGR 329 Sheep and Goat Production (4) A. Prerequisite: AGR 125 and 126. An overview of the sheep and goat industry. Topics include selection, breeding, reproduction, health, nutrition, management, and marketing of sheep and goats and their products. 3 Lec/2 Lab.

AGR 330 Animal Products. (2) A. Principles of grading, cutting, identifying, pricing, and consumer evaluation of poultry, beef, pork, and lamb cuts, and related products. 1 Lec/2 Lab.

AGR 332 Poultry Production and Management. (3) A. History and importance of the poultry industry, breeds, breeding, feeding, and management in the layer and broiler industry.

AGR 340 Conservation of Agricultural Resources. (3) A. Cross-listed as ENV 341. Prerequisite: any ENV or AGR course and Junior standing. Conservation of soils and their fertility, erosion and control, soil conservation methods for individual farms, water supply and distribution, problems of water and air pollution, problems resulting from the population explosion. Credit will not be awarded for both AGR 340 and ENV 341.

AGR 345 Sustainable Agroecosystems. (3) A. Prerequisites: any course in chemistry, AGR 130, and 131; or OHO 131 and 132 or BIO 131. A comprehensive study of new technology related to crop, and pest management practices which could enhance economic returns, environmental quality, and the resource base for the short and long term.

AGR 349 Applied Learning in Agriculture. (5-8) A. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

AGR 349 A-N Cooperative Study: Agriculture. (5-8) A. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

AGR 355 Agricultural Marketing. (3) A. Prerequisite: AGR 308. A study of concepts, principles and practices of marketing as related to the agribusiness system. Emphasis on agricultural input, production and processing/manufacturing sectors. Includes agriculture futures commodity market theory, mechanics and practical applications.

AGR 362 Hydraulic Systems. (2) A. Study of basic principles of hydraulic systems and their
application to agricultural and turf equipment. Lab experiences will provide familiarity and practice with equipment. 3 Lec 2 Lab.

AGR 372 Topics and Laboratories in Animal Science. (1-2) A. May be taken to a maximum of two hours, provided the topics are different.

AGR 373A Feeds and Feeding Laboratory. 1 Lec 1 Lab.

AGR 373 Animal Diseases. (3) I. Prerequisite: six hours of animal science. Treatment, prevention, and eradication of infectious and parasitic disease of farm animals.

AGR 374 Genetics of Livestock Improvement. (3) II. Prerequisite: six hours of animal science. Applied genetic principles of improving farm animals including crossbreeding, inbreeding, and other mating plans.

AGR 375 Reproduction and Artificial Insemination of Domestic Animals. (3) A. Prerequisite: six hours of animal science. Reproductive systems, study and practice of artificial insemination, and pregnancy diagnosis of domestic animals. 2 Lec/2 Lab.

AGR 376 Anatomy and Physiology of Domestic Animals. (3) A. Prerequisite: AGR 125. Fundamental physiological processes of livestock relating to production, nutrition, and diseases. 2 Lec/2 Lab.

AGR 377 Livestock Behavior and Welfare (3) A. Prerequisite: AGR 125 and 126. An overview of livestock behavior and its application in modern animal husbandry.

AGR 380 Technical Management of Dairy Cattle. (4) I. Prerequisites: AGR 125 and 126. History, economics and nutritional importance and trends associated with the dairy industry including systems of selecting, breeding, feeding, sanitation, housing, marketing and management for financial success emphasizing both the cow and herd management. 3 Lec/2 Lab.

AGR 381 Agriculture Structures. (3) I. Study of buildings used in animal husbandry, greenhouse, and constructing farm livestock and materials handling facilities. Also, develop an understanding of closely related structure aspects: such as, environmental control, waste management, ventilation, and structure design. 2 Lec/2 Lab.

AGR 383 Diesel Power Systems. (3) I. Study of the operation, maintenance, and repair of agricultural diesel powered systems; includes electrical systems, fuels, injection pumps, and nozzles; laboratory practice. 2 Lec/2 Lab.

AGR 404 Advanced Pest Management. (3) II. Prerequisite: AGR 304 or GEO 304. Physical, biological, chemical, cultural, and genetic control of insects, weeds, and diseases of six hours. Specific emphasis on the science of insect pest controls and use of organic and/or sustainable control methods.

AGR 409 Agriculture Business Records and Analysis. (3) I. Management and analysis of record systems for decision support involving organization, enterprise selection, and operation of agricultural and horticultural businesses.

AGR 410 Independent Study in Agriculture. ______ (1-3) I, II. Prerequisite: Departmental approval. Students choose a problem and work under the supervision of the instructor in the field of the problem. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken for a maximum of 6 credit hours provided topics are different. Credit will not be awarded for both AGR 410 and GEO 410.

AGR 411 Senior Seminar. (1) I, II. Prerequisite: Senior standing. Preparation of graduates to enter the job market. Students complete oral presentations, resumes, job applications, cover letters, job interviews and register with CD and P. Includes overall assessment of the graduate and department curriculum.

AGR 416 Soil Fertility and Management. (3) A. Prerequisite: AGR 215 and 216. Management of soils used in turfgrass, vegetable and crop production. Topics include soil fertility and various soil amendments such as lime, organic and inorganic fertilizers, soil fertility programs, problem soils, and soil conservation.

AGR 417 Plant Breeding Techniques. (3) I, II. A study of regeneration and morphogenesis of plant materials with emphasis on media preparation, callus induction, and in vitro propagation for several economic plant species. 1 Lec/4 Lab.

AGR 421 Animal Reproduction. (3) II. Prerequisite: AGR 321 or instructor approval. Principles of nutrition basic to livestock feeding; symptoms of nutrient deficiencies, nutritional disorders, metabolism of nutrients, feed additives, and modern methods of feed preparation and feeding.

AGR 430 Row and Biofuel Crops (3) A. Prerequisite: AGR 130 and 131. Advanced study of crop production theories and practices for row crops and crops for biofuels. Topics include ecological, physiological and economic aspects of production. 2 Lec/2 Lab.

AGR 440 Agricultural Financing. (3) I, II. Uses and types of agricultural credit, credit institutions, and related credit needs to farm enterprises.

AGR 499 Agricultural Advocacy and Issues Capstone (3) A. Prerequisite: Junior or Senior standing. Development of critical thinking skills, debates of current issues facing agriculture, and training to become agriculture advocates.

AGR 501 Independent Study in Agriculture. ______ (3) A. A course for exceptional seniors involving independent study and research related to problems of a theoretical and/or practical nature. May be retaken to a maximum of six hours. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

AGR 509 Agricultural Research Methods and Interpretation (3) I. Prerequisite: Junior or Senior standing. Explores the scientific underpinnings of modern agriculture and adaptive management, including: the scientific method, observation, experimentation, and data interpretation with an emphasis on six hours. May be repeated up to six hours provided topic is different.

AGR 570 Advanced Technical Agriculture: ______ (3) A. Advanced study of agriculture with emphasis on updating, understanding, and developing competency in recent technology. May be retaken to a maximum of nine hours provided the topic varies.

AGR 577 Workshop in the Conservation of Natural Resources (3) I. Prerequisite: 12 credit hours returning for graduate work. Instruction is given in the areas of soil, water, fish and wildlife, forest conservation, and methods of teaching related units at the elementary and junior high level.

ANS—Animal Studies

Dr. Robert Brubaker, Chair

ANS 200 Introduction to Animal Studies. (3) A. A survey of the field of animal studies, focusing on animals’ lives and histories, and the human experience of animals as food, as objects of entertainment, and science, as companions, and as representations. Gen. Ed. E-5B [SB].

ANS 310 Animals in Literature (3) A. Prerequisite: ANS 200 (C) and 15 hours of courses required for the ANS major, or instructor approval. A survey of animals in literature from the perspectives of culture, science, as companions, and as representations. May be retaken once, provided the subject matter differs each time.

ANS 350 Animal Enrichment. (3) A. Cross-listed as PSY 350. Prerequisite: ANS 200 or PSY 200. Focuses on the concept and practice of animal enrichment. Students will learn about the theoretical and applied aspects of enrichment and will acquire experience designing and implementing enrichment. Credit will not be awarded to students who have credit for PSY 350.

ANS 400 Senior Seminar. ______ (3) A. Prerequisite: ANS 200(C) and 15 hours of courses required for the ANS major, or instructor approval. The course examines a topic in animal studies in detail. May be retaken once, provided the subject matter differs each time.

ANS 499 Senior Exit Course in Animal Studies. (0) I, II. Prerequisite: Senior standing and major in animal studies. Students will complete the Senior Exit Survey and the Senior Knowledge Exam in this course.

ANT—Anthropology

Dr. Paul Paolucci, Chair

ANT 200 Anthropology of Human Society. (3) A. Study of the evolution of human societies through time and space. The course focuses on hunter-gatherer, horticultural, agrarian and industrial societies, and their change through time. Credit will not be awarded to students who have credit for both ANT 210 and 211. Gen. Ed. E-5A [SB].

ANT 201 Introduction to Physical Anthropology. (3) I, II. General survey of the human biological species and its evolution, emphasizing the study of genetics, osteology, primate behavior and biology, fossil populations, and contemporary human biological variation. 2 Lec/2 Lab. Gen. Ed. E-4 [NS].

ANT 306 Human Evolution. (3) A. Prerequisite: ANT 201 or departmental approval. A detailed analysis of primate and human development emphasizing the fossil evidence of humankind's evolution.

ANT 308 Quantitative Methods in Anthropology (3) A. Prerequisite: ANT 201. Addresses how anthropologists collect and organize quantitative data, select and utilize appropriate statistical analyses and procedures, and summarize results. Emphasis is given to physical anthropology applications.

ANT 311 Anthropology of Religion (3) A. Prerequisite: ANT 120 or 200. Anthropological exploration of religious belief systems across cultures and time. Analyzes the intersection of religion with subsistence strategies, economic systems, political systems, and gender structures. Topics include magic, witchcraft, sorcery, monotheism, polytheism, possession, and healing.

ANT 321 Historical Archaeology. (3) A. Prerequisite: ANT 120 or 200. Study of the cultural diversity of American Indians by examining their historical and contemporary lives. Focus on cultural similarities and differences of American Indian groups living in ecologically diverse areas. Gen. Ed. E-6 [GE].

ANT 341 North American Archaeology. (3) A. Prerequisite: ANT 120 or 200. A basic but comprehensive introduction to North American archaeology from the earliest peoples through European...
ANT 335W Anthropology and the Law. (3) A. Prerequisite: ANT 120 or 200. Survey of Federal legislation for the management of cultural resources, and the repatriation of human remains and other materials to descendant Native American tribes. Global heritage issues are addressed.

ANT 360 Mesoamerica Before Cortez. (3) A. Prerequisite: ANT 120 or ANT 200. The study of archaeological past, the colonial experience, and the contemporary reality of the Indians of Mesoamerica, focusing primarily on the ancient Maya.

ANT 365 Selected Topics in Physical Anthropology. (1-3) A. Prerequisite: ANT 201 or departmental approval. Topics vary. Offered occasionally. May be repeated to a maximum of nine hours, provided the subject matter differs each time.

ANT 370 Primate Conservation (3) A. Prerequisite: ANT 201 or departmental approval. The local human and biological impact of conservation programs on primate communities throughout the world. Topics include forest fragmentation, historical perspectives on conservation, agroforestry, ecotourism, ethnography, and disease.

ANT 371 Primate Ecology & Sociality. (3) A. Prerequisite: ANT 201. Ecological relationships within primate communities. Students examine primate social structure, habitat use, diet, locomotion, seasonality, plant-primatite interactions, and predator-prey relationships.

ANT 375 Selected Topics in Cultural Anthropology. (1-3) A. Prerequisite: ANT 120 or 200 or departmental approval. Topics vary. Offered occasionally. May be taken to a maximum of nine hours, provided the subject matter differs each time.

APP 200 Introduction to Appalachian Studies. (3) A. An introduction to the interdisciplinary study of the Appalachian region. Special emphasis on the region’s place in a national and global context, and on internal and external definitions of the region. Gen. Ed. E-5B and E-6 [AH][GE].

APP 340 Environmental Economics. (3) A. Cross-listed as ECO 340 and ENV 340. Prerequisite: ECO 230. Applications of basic economic analysis to a study of the environment and environmental problems. Major topics include benefits cost analysis for environmental decision-making, the potential for market-based solutions to environmental problems, and the role and development of environmental policy. Credit will only be awarded for APP 340, or ECO 340, or ENV 340.

APP 350 Special Topics. (3) A. Exploration of particular topics not covered in the existing curriculum. May be taken for a maximum of six hours provided the subject matter is different each time.

APP 355 Rural Crime and Justice (3) A. Cross-listed as CRJ 355. Prerequisite: sophomore standing. Survey of rural crime and justice issues, crime trends, policing and control of rural crime with particular attention given to West Virginia. Credit will not be awarded for both CRJ 355 and APP 355.

APP 363 Appalachian Images in Film and Song. (3) A. Cross-listed as SOC 363. Completion of SOC 131 is advised before taking APP 363. Media representations of the Appalachian region and its people through film and music; the processes by which such images become produced and reproduced. Credit will not be awarded for both APP 363 and SOC 363.

APP 365 Appalachian Literature. (3) A. Cross-listed as ENG 365. Prerequisite: ENG 102 or 105(B) or HON 102. Study of selected Appalachian authors, with emphasis on interdisciplinary, cultural, and aesthetic concerns raised in works by writers such as Arnow, Berry, and Still. Credit will not be awarded to students who have credit for ENG 365, ENG 365W, or APP 365.

APP 400 Appalachia in U.S. History. (3) A. Cross-listed as HIS 400. Prerequisites: ENG 102, 105(B), or HON 102; three hours HIS or department approval. The relationship between Appalachia and the rest of the United States. Topics include the “yeoman” myth, coal industrialization, settlement houses, community towns, and the identification of the region with poverty. Credit will not be awarded for both APP 400 and HIS 400.

APP 430 Sustainability in Appalachia. (3) A. Cross-listed as GEO 430 and ENV 430. Prerequisites: GEO 100, 210 or 220; ENG 102, ENG 105(B), or HON 102; MAT 105 or higher; or department approval. Examination of Appalachia’s ecological, social, and economic patterns and the processes through which residents can ensure their social, economic and ecological sustainability in the future. Credit will not be awarded for students who have credit for GEO 430 or GEO 430.

APP 460 Seminar in Appalachian Studies. (3) A. Prerequisite: 12 hours Appalachian Studies or instructor approval. In-depth analysis of current social, political, economic or environmental issues in the Appalachian region through a directed research project or applied service-learning field experience.

APP 490 Independent Study. (1-3) A. Prerequisite: Student must have the independent study form/proposal approved by the faculty member and Center director prior to enrollment. Credit for a maximum of six hours provided the subject matter is different each time.

APP 520 Providing Health Care Services in Appalachia (3) A. Cross-listed as OTS 520/720. Prerequisite: departmental approval. An analysis of the development and delivery of health care services in Appalachia. Examination of relevant current and historical factors which have an impact on the health of the Appalachian people. Credit will not be awarded for both APP 520 and OTS 520/720.

ARH—Art History
Mr. Herb Goodman, Chair

ARH 390 Survey of Art History I: Non-Western Art. (3) I, II. Prerequisites: ENG 102, 105 (B) or HON 102; ART 164 or 200. Study of the arts of Asia,
ART 101 Drawing II. (3) I, II, A. Prerequisite: ART 100. Continuation of ART 100, with an emphasis on the human figure as subject matter. Classroom instruction focuses on the use of value and line. In-depth study of the elements and principles of design, including height and contour line, as well as the relationship of human figure and its movement. A written critique of student's work is utilized, in order to improve student's ability to accurately and effectively compose the human figure.

ART 102 Drawing III. (3) I, II, A. Prerequisite: ART 101. Advanced course aimed at developing an increased understanding of the human figure and its possibilities as subject matter. ART 102 is a continuation of ART 101, with an emphasis on further development of skill and conceptual abilities as they relate to image-making.

ART 103 Figure Drawing. (3) A. Prerequisite: ART 102. Intermediate course in painting. Course builds on previous painting courses, providing opportunity to further explore contemporary and traditional techniques, media, and subject matter. ART 103 offers an opportunity for students to develop a personal understanding of the use of color in the visual arts and their purposes, emphasis on ways and means available to the student. Students explore creative skills and techniques as they relate to society. Includes experience in drawing and oral analysis of art and work in terms of media, composition and function.

ART 200 Art Appreciation: Orientation. (3) I, II, A. Prerequisite: ENGL 101 or ENGL 105. Introduction to the visual arts and their purposes, emphasis on ways and means available to the student. Students have opportunity for individual expression through a visual arts medium. Not open to art majors or minors. Gen Ed: E-3A [AHI].

ART 210 Painting I. (3) I, II. Prerequisite: ART 101, 152, 164. Introduction to basic concepts and techniques of painting, emphasizing experimentation and the development of individual interest. Emphasis placed on creativity and professional development.

ART 220 Sculpture I. (3) I, II. Prerequisites: ARH 150, 153, 164. Introduction to basic concepts and techniques of sculpture, emphasizing experimentation and the development of individual interest. Emphasis placed on creativity and professional development.

ART 230 Painting II. (3) I, II. Prerequisite: ART 100, 152, 164. Introduction to basic concepts and techniques of painting, emphasizing experimentation and the development of individual interest. Emphasis placed on creativity and professional development.

ART 240 Jewelry and Metalsmithing I. (3) I, II. Prerequisite: ART 100, 153, 164. Introduction to advanced courses in jewelry and metalsmithing. Students explore piercing, sawing, embossing, soldering, simple stone setting, and casting.

ART 270 Ceramics I. (3) I, II. Prerequisites: ART 100, 153, 164. Intermediate course in ceramics emphasizing handbuilding and decorating techniques and materials. Emphasis placed upon the application of clay to design problems involving aesthetic value and procedure in making the ceramic object.

ART 301 Painting II. (3) I, II, A. Prerequisite: ART 210 and departmental approval. Continuation of Painting sequence, emphasizing further development of skills and conceptual abilities as they relate to image-making.

ART 312 Painting II. (3) I, II. Prerequisite: ART 311. Intermediate course in painting. Course builds on previous painting courses, providing opportunity to further explore contemporary and traditional techniques, media and subject matter. ART 312 is an advanced course in painting, providing an opportunity for students to develop their understanding of metal as an art medium and to develop an increased understanding of the human figure and its possibilities as subject matter. ART 312 is a continuation of Painting sequence, emphasizing further development of skills and conceptual abilities as they relate to image-making.

ART 313 Painting III. (3) I, II. Prerequisite: ART 312. Intermediate course in painting. Course builds on previous painting courses, providing opportunity to further explore contemporary and traditional techniques, media and subject matter.

ART 314 Painting IV. (3) I, II. Prerequisite: ART 313. Majors GPA 3.0 or above and admission to the BFA program. Intermediate course in painting. Course builds on previous painting courses, providing opportunity to further explore contemporary and traditional techniques, media and subject matter.

ART 321 Sculpture Survey II. (3) I, II. Prerequisite: ART 220. Continuation of Sculpture sequence, with an emphasis on entaglio and relief techniques in sculpture.
Advanced course builds on creative skills and techniques learned in previous photography courses. Stresses development of student initiative/personal expression.

**ART 484** BFA Photography. (3) I, II.

Prerequisites: ART 483, Major GPA 3.0. Corequisite: ART 499. Cullminating experience in art photography serving to crystallize and unify individual expression. The student presents a portfolio and written statement of personal photographic concerns.

**ART 499 Senior Exhibition.** (1) I, II.

Prerequisite: Major GPA 3.0 and last term senior in BFA program. Corequisite: ART 414 or 424 or 434 or 444 or 474 or 484 or DES 426 or 454. Organization and presentation of an exhibition of the student’s work.

**ART 560 Workshop in Art and Design.** (3) A. Prerequisite: approval of department. Intensive study in a specific phase of the visual arts. Current processes, materials, and theoretical foundation will be considered. May be retaken with different topics to a maximum of nine hours.

**ART 562 Seminar in Art Criticism.** (3) A. Study of various topics and problems which relate to the student’s understanding and critical awareness of the visual arts.

**ASL—American Sign Language**

**Dr. Laurence Hayes, Chair**

**ART 101 American Sign Language I.** (3) I, II. A functional notional approach to learning American Sign Language and development of basic knowledge and understanding of conversational ASL and cultural features of the language and community. 3 Lec/1 Lab. Gen. Ed. E-6 [GE].

**ART 102 American Sign Language II.** (3) I, II. Prerequisite: ART 101 with a minimum grade of “C” or departmental permission. Continued development of basic knowledge of and understanding of conversational ASL and cultural features of the language and community. 3 Lec/1 Lab.

**ART 201 American Sign Language III.** (3) I, II. Prerequisite: ART 102 with a minimum grade of “C” or departmental permission. Development of intermediate expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

**ART 202 American Sign Language IV.** (3) I, II. Prerequisite: ART 201 with a minimum grade of “C” or departmental permission. Continued development of intermediate expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

**ART 210 ASL Fingerspelling & Numbers.** (3) I, II. Prerequisite: ART 101 with a minimum grade of “C” or departmental permission. The course will focus on aspects of receptive and expressive fingerspelling usage, including lexicalized fingerspelling and various numbering systems within ASL.

**ART 225 Introduction to Deaf Studies.** (3) I, II. Prerequisite: ART 102 or permission of instructor. Introduces students to the historical, sociological, cultural and political experiences of Deaf people. Provides overview of Deaf people's experiences, images, and issues from a wide variety of disciplinary perspectives. Credit will not be awarded for both ASL 225 and ITP 115.

**ART 301 American Sign Language V.** (3) I. Prerequisite: ART 202 with a minimum grade of “C” or departmental permission. Development of advanced expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

**ART 302 American Sign Language VI.** (3) I, II. Prerequisite: ART 301 with a minimum grade of “C” or departmental permission. Continued development of advanced expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

**ART 380 Special Topics in Deaf Studies.** (1-3) A. Prerequisite: ASL 225(C). For special workshops or topics related to the field of Deaf Studies beyond the scope of regularly offered courses. May be taken to a maximum of 9 hours provided subtitle/topics vary.

**ASL 385 Independent Work in Deaf Studies.** (1-3) A. Prerequisite: ASL 225(C) and departmental permission. For independent work related to the field of Deaf Studies beyond the scope of regularly offered courses. May be taken to a maximum of 6 hours provided subtitle/topics vary. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

**ASL 400 ASL Skills for Majors** (1) I, II.

Prerequisites: ASL 202, with a minimum grade of “C” and admission to the ASL and English Interpretation program, or Deaf Studies program, or departmental approval. In this course students will continue to develop skills in American Sign Language, specifically focusing on vocabulary development and language usage. Clinical hours required.

**ASL 425 Deaf Literature** (3) A. Prerequisite: ASL 225(C), 202(C). Cultural and literary analysis of ASL and Deaf-related literature (major works in text, cinema, and video) in contemporary society. Literary style, register, grammatical features, and linguistic expression will be explored in a cultural context.

**ASO—Orientation**

**Dr. John Wade, Dean**

**ASO 100 Student Success Seminar.** (1) I, II. An introduction to the programs of the University and College of Arts and Sciences, specifically for Art majors. Discussion of how to study, what to consider in choosing a profession, and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

**ASO 100A Student Success Seminar in Art.** (1) I. Prerequisite: Art majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Art majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

**ASO 100B Student Success Seminar in Biology.** (1) I. Prerequisite: Biology. An introduction to the programs of the University and College of Arts and Sciences, specifically for Biology majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

**ASO 100C Student Success Seminar in Chemistry.** (1) I. Prerequisite: Chemistry, Forensic Science, and Pre-Professional majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Chemistry majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

**ASO 100D Student Success Seminar in English.** (1) I. Prerequisite: English majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for English majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar,
AAS 100H Student Success Seminar in History, Government & Economics. (1) Prerequisite: History, Economics, Globalization and International Affairs, Paralegal Science, Paralegal Studies, and Political Science majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for History, Government and Economics majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100I Student Success Seminar in Computer Science. (1) Prerequisite: Computer Science majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Computer Science majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100L Student Success Seminar in Languages. (1) Prerequisite: Languages, Humanities, and Philosophy majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Languages and Humanities majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100M Student Success Seminar in Music. (1) Prerequisite: Music majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Music majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100P Student Success Seminar in Physics. (1) Prerequisite: Physics majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Physics majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100S Student Success Seminar in Anthropology, Sociology, and Social Work (1) Prerequisite: Anthropology, Sociology, and Social Work majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Anthropology, Sociology, and Social Work majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100T Student Success Seminar in Mathematics & Statistics. (1) Prerequisite: Mathematics & Statistics majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Mathematics and Statistics majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100U Student Success Seminar in Computer Science. (1) Prerequisite: Computer Science majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Computer Science majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100V Student Success Seminar in Computer Science. (1) Prerequisite: Computer Science majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Computer Science majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100W Student Success Seminar in Computer Science. (1) Prerequisite: Computer Science majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Computer Science majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100X Student Success Seminar in Computer Science. (1) Prerequisite: Computer Science majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Computer Science majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100Y Student Success Seminar in Computer Science. (1) Prerequisite: Computer Science majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Computer Science majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100Z Student Success Seminar in Computer Science. (1) Prerequisite: Computer Science majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Computer Science majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100A Student Success Seminar in Computer Science. (1) Prerequisite: Computer Science majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Computer Science majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100B Student Success Seminar in Computer Science. (1) Prerequisite: Computer Science majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Computer Science majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.

AAS 100C Student Success Seminar in Computer Science. (1) Prerequisite: Computer Science majors only. An introduction to the programs of the University and College of Arts and Sciences, specifically for Computer Science majors. Discussion of how to study, what to consider in choosing a profession and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations and calendar, catalog details, registration, and program requirements. All new students are expected to enroll in a Student Success Seminar their first semester at the University.
edueational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. Includes a minimum of 15 service-learning hours. This practicum requires students to complete a minimum of 25 hours and a maximum of 35 hours per week as assigned by their preceptors.

**AVN 220 Advanced Practicum VI. (3) II. Prerequisite: ATR 401.** This sixth practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory situations are designed to introduce the learner to specific educational competencies and clinical proficiencies. The proficiencies will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 10 and a maximum of 30 hours per week as assigned by their preceptor, at each of their three four week clinical rotations with physicians, physician assistants or NPs, physical therapist and athletic training settings.

**AVN 411 General Medical. (3) I. Prerequisite: ATR 322.** Study of general medical conditions and disabilities.

**AVN 412 Organization and Administration. (3) I. Prerequisite: ATR 312 and ATR 322.** Provides an overview of concepts and skills of health care organization and administration relative to athletic training. The course will include such topics as legal liability, fiscal management, facilities operation, personnel supervision, public relations, and organizational administration.

**AVN 421 Senior Seminar. (2) I. Prerequisite: ATR 411 and ATR 412.** Integration and application of athletic training clinical skills and knowledge through research and presentation of critical questions and contemporary issues in athletic training.

**AVN—Aviation**

Mr. Ralph Gibbs, Director of Aviation

**AVN 150 Introduction to Aviation. (3) A.** An introductory course specifically designed for students to obtain a broad understanding of the aviation world including various aspects of space exploration. Includes a study of aviation history and the general aviation environment.

**AVN 192 Private Pilot-SEL: Ground. (4) A.** Provides aeronautical knowledge and 5 hours flight simulation necessary to prepare student pilots to successfully complete FAA Private Pilot written examination.

**AVN 192A Private Pilot-SEL: Flight I. (1) A.** Prerequisite or Co-requisite: AVN 192 with “C” or better and an overall GPA of 2.0. Provides a two and one half week dual and/or solo flight hours leading to FAA private pilot SEL certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 193A Private Pilot-SEL: Flight II. (1) A.** Prerequisite or Co-requisite: AVN 192 with “S” grade and overall 2.0 GPA. Second twenty-five dual and/or solo flight hours leading to FAA private pilot SEL certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 194A Private Pilot. (1) A.** Prerequisite or Co-requisite: AVN 195 with a grade of “C” or better and an overall GPA of 2.0. Provides aeronautical knowledge and 5 hours flight simulation necessary to prepare student pilots to successfully complete FAA Private Pilot-Helicopter written examination.

**AVN 195A Private Pilot-Helicopter: Ground. (4) A.** Prerequisite: Math ACT of 22 or higher or place in math placement test at Math 098 or higher with “C” or higher. Provides aeronautical knowledge and 5 hours flight simulation necessary to prepare student pilots to successfully complete FAA Private Pilot-Helicopter written examination.

**AVN 211A Private Pilot-Helicopter: Flight I (R-22). (1) A.** Prerequisite or Co-requisite: AVN 195 with “B” grade or better and overall 2.0 GPA. First Robinson R-22 helicopter flight lab for pilots weighing less than 185 pounds leading to FAA private pilot helicopter certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 216A Private Pilot-Helicopter: Flight II (R-22). (1) A.** Prerequisite: AVN 195A with “S” grade and overall 2.0 GPA. Second Robinson 22 Helicopter flight lab for pilots weighing less than 185 pounds leading to FAA private pilot helicopter certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 220A Private Pilot-Helicopter: Flight III (R-22). (1) A.** Prerequisite: AVN 196A with “S” grade and overall 2.0 GPA. Third Robinson 22 Helicopter flight lab for pilots weighing less than 185 pounds leading to FAA private pilot helicopter certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 219A Private Pilot-Helicopter: Flight I (R-44). (1) A.** Prerequisite: AVN 198A with “S” grade and overall 2.0 GPA. First Robinson 44 Helicopter flight lab for pilots weighing more than 185 pounds leading to FAA private pilot helicopter certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 219B Private Pilot-Helicopter: Flight II (R-44). (1) A.** Prerequisite: AVN 198A with “S” grade and overall 2.0 GPA. Second Robinson 44 Helicopter flight lab for pilots weighing more than 185 pounds leading to FAA private pilot helicopter certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 220B Private Pilot-Helicopter: Flight III (R-44). (1) A.** Prerequisite: AVN 198A with “S” grade and overall 2.0 GPA. Third Robinson 44 Helicopter flight lab for pilots weighing more than 185 pounds leading to FAA private pilot helicopter certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 225 Intermediate Supervised Flight I. (1) A.** Prerequisite: departmental approval and an overall GPA of 2.0. Provides aeronautical knowledge and 5 hours flight simulation necessary to prepare student pilots to successfully complete the FAA Instrument Pilot written examination. Lab.

**AVN 226 Intermediate Supervised Flight II. (1) A.** Prerequisite: departmental approval and an overall GPA of 2.0. Provides aeronautical knowledge and 5 hours flight simulation necessary to prepare student pilots to successfully complete the FAA Instrument Pilot written examination. Lab.

**AVN 228 Instrument Pilot Flight I. (1) A.** Prerequisite: AVN 192 with “C” or better, AVN 192A or Instructor permission, and overall GPA of 2.0. Provides aeronautical knowledge and 10 hours flight simulation necessary to prepare student pilots to successfully complete the FAA Instrument Pilot SEL certification using FAA-approved Part 141 flight training syllabus.

**AVN 229 Instrument Pilot Flight II. (1) A.** Prerequisite: AVN 193A with “S” grade and overall 2.0 GPA. Provides aeronautical knowledge and 10 hours flight simulation necessary to prepare student pilots to successfully complete the FAA Instrument Pilot SEL certification using FAA-approved Part 141 flight training syllabus.

**AVN 230A Intermediate Supervised Flight I. (1) A.** Prerequisite or Co-requisite: AVN 199 with “C” or better. Provides an overall 2.0 GPA and FAA Commercial Pilot SEL certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 230B Intermediate Supervised Flight II. (1) A.** Prerequisite or Co-requisite: AVN 199 with “S” grade and overall 2.0 GPA. Provides aeronautical knowledge and 5 hours flight simulation necessary to prepare student pilots to successfully complete the FAA Instrument Pilot SEL certification using FAA-approved Part 141 flight training syllabus.

**AVN 232A Intermediate Supervised Flight III. (1) A.** Prerequisite or Co-requisite: AVN 199 with “S” grade and overall 2.0 GPA. Provides aeronautical knowledge and 5 hours flight simulation necessary to prepare student pilots to successfully complete the FAA Instrument Pilot SEL certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 234A Advanced Supervised Flight I. (1) A.** Prerequisite or Co-requisite: AVN 199 with “S” grade and overall 2.0 GPA. Provides aeronautical knowledge and 5 hours flight simulation necessary to prepare student pilots to successfully complete the FAA Instrument Pilot SEL certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 235A Advanced Supervised Flight II. (1) A.** Prerequisite: AVN 222 with “S” grade and overall 2.0 GPA. Provides aeronautical knowledge and 5 hours flight simulation necessary to prepare student pilots to successfully complete the FAA Instrument Pilot SEL certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 236A Advanced Supervised Flight III. (1) A.** Prerequisite: AVN 222A with “S” grade and overall 2.0 GPA. Provides aeronautical knowledge and 5 hours flight simulation necessary to prepare student pilots to successfully complete the FAA Instrument Pilot SEL certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 300 Private Pilot-Helicopter Flight I. (1) A.** Prerequisite: AVN 225A with “S” grade and overall 2.0 GPA. Second Robinson R-44 helicopter flight lab leading to the FAA instrument pilot helicopter certification using FAA-approved Part 141 flight training syllabus.

**AVN 225A Private Pilot-Helicopter: Flight I (R-44). (1) A.** Prerequisite: AVN 225A with “S” grade and overall 2.0 GPA. First Robinson R-44 helicopter flight lab leading to the FAA instrument pilot helicopter certification using FAA-approved Part 141 flight training syllabus.

**AVN 303A Commercial Pilot-SEL & MEL: Flight I. (1) A.** Prerequisite: AVN 222A with “S” grade and overall 2.0 GPA. Provides aeronautical knowledge and 5 hours flight simulation necessary to prepare student pilots to successfully complete the FAA commercial pilot SEL certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 303B Commercial Pilot-SEL & MEL: Flight II. (1) A.** Prerequisite: AVN 301A with “S” grade and overall 2.0 GPA. Second twenty solo flight hours leading to the FAA commercial pilot SEL certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 304A Commercial Pilot-SEL: Flight I. (1) A.** Prerequisite: AVN 303A with “S” grade and overall 2.0 GPA. Provides multi-engine aeronautical knowledge and 10 hours MEL flight simulation to facilitate successful completion of multi-engine practical checkride.

**AVN 305A Private Pilot—Multi-Engine: Flight. (1) A.** Prerequisite or Co-requisite: AVN 305 with “C” or better. Provides an overall 2.0 GPA and FAA Multigigine (MEL) pilot certification using FAA-approved Part 141 flight training syllabus.

**AVN 305B Flight Training Analysis I. (4) A.** Provides an overall 2.0 GPA and FAA Multigigine (MEL) pilot certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 310 Flight Training Analysis II. (4) A.** Provides an overall 2.0 GPA and FAA Multigigine (MEL) pilot certification using FAA-approved Part 141 flight training syllabus. Lab.

**AVN 311 Aviation Safety Programs. (3) I.** Prerequisite: AVN 150. A preparation of factors, procedures, and aircraft accident investigation case studies relating to aviation safety, including risk management assessment, hazard identification analysis, safety program development, called Safety Management Systems (SMS) by Federal Aviation Administration, and evaluation of outcomes.

**AVN 320 Flight Training Analysis II. (2) A.** Prerequisite: appropriate flight credentials. A study of
aeronautical information and instructional background necessary for becoming instrument flight instructors. Included in this area are Methodology, instrument interpretations, and instrument flight procedures.

AVN 320A Flight Training Techniques II. (1) A. Prerequisite: departmental approval and an overall GPA of 2.0. Flight training to prepare students for FAA examinations.

AVN 325 Aircraft Systems. (3) I, II. A study of electrical, mechanical and hydraulic systems, design and performance standards, capability and limitations and conformance to FAA specifications.

AVN 330 Human Factors and Crew Resource Management. (3) A. Prerequisite: AVN 315. An integrated approach in the study of relations between pilot selection, training, flight deck design, machine compatibility, and safety. Emphasis is placed on human factors research enhancing compatibility of pilots and accident prevention.

AVN 331A Commercial Pilot-MEL: Flight I. (1) A. Prerequisite: AVN 193A and 222A with a minimum grade of “S”, prerequisite or corequisite: AVN 300 with a minimum grade of “C”, and overall 2.0 GPA. First twenty dual flight hours leading to the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus.

AVN 332A Commercial Pilot-MEL: Flight II. (1) A. Prerequisite: AVN 330, 331A, and an overall 2.0 GPA. Twenty-two Student CRM time building flight hours leading to the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus.

AVN 333A Commercial Pilot-MEL: Flight III. (1) A. Prerequisite: AVN 332A and overall 2.0 GPA. Twenty-two Student CRM time building flight hours leading to the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus.

AVN 334A Commercial Pilot—MEL: Flight IV. (1) A. Prerequisite: AVN 333A and overall 2.0 GPA. Eleven Student CRM time building flight hours and ten JPDEC dual flight hours leading to the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus.

AVN 335A Weather Reporting/Analysis. (3) I, II. A comprehensive analysis of weather conditions and patterns as they apply to flight.

AVN 340A Airport Management. (3) I, II. A study of general principles and administrative functions including problems, trends, and planning regarding operation of airports.

AVN 349A Applied Learning in Aviation. (5-8) A. Prerequisite: coordinator approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours work required for each academic credit.

AVN 349A-N Cooperative Study: Aviation. (5-8) A. Prerequisite: coordinator approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours work required for each academic credit.

AVN 350 Air Transportation. (3) A. A survey of the historical development of the air transportation system covering facilities, impact of regulations, problems encountered, and future requirements.

AVN 360 Problems In Aviation Administration. (3) I, II. A. Prerequisite or corequisite: AVN 421 with “C” or better. Prerequisite or corequisite: AVN 415 with “C” or better, and overall 2.0 GPA. Twenty-five dual flight hours and 5 hours flight simulation leading to the FAA instructor pilot (IP) SEL and Commercial Pilot-SEL certifications using FAA-approved Part 141 flight training syllabus.

AVN 421 Instrument and Multi-Engine IP: Ground. (2) A. Prerequisite: AVN 415 with “C” grade or better and overall 2.0 GPA or an Instructor Pilot-SEL rating. Provides study of aeronautical information for becoming instrument and multi-engine flight instructor, and preparation for FAA Instrument Instructor written.

AVN 421A Instrument Instructor-Sel: Flight. (1) A. Prerequisite or corequisite: AVN 421 with “C” or better. Prerequisite: AVN 304A or AVN 334A, and overall 2.0 GPA. Ten dual flight hours, ten flight simulation hours leading to the FAA Instrument Instructor Pilot (IP) SEL rating using FAA-approved Part 141 flight training syllabus.

AVN 422A Commercial Instrument Pilot-MEL: Flight. (1) A. Prerequisite: AVN 421 and AVN 415 with a “C” or better, and overall 2.0 GPA. Twenty-five dual flight hours and five hours flight simulation leading to the FAA Commercial Instrument Pilot (IP) SEL and Commercial Pilot-SEL certifications using FAA-approved Part 141 flight training syllabus.

AVN 423A Instrument Instructor—Multi-Engine: Flight. (1) A. Prerequisite: AVN 421 & AVN 334A with “C” & “S” grades respectively, and overall 2.0 GPA. Ten dual flight hours and ten hours flight simulation leading to the FAA Multi-Engine Instructor (MEI) rating using FAA-approved Part 141 flight training syllabus.

AVN 425 Applied Aerodynamics. (3) A. Prerequisite: MAT 114 or higher, and PHY 101. Applied theories of flight and flight factors, including a study of the principles of aircraft performance, stability and control, and operational data.

AVN 435 Turbine Aircraft Systems. (3) A. Prerequisite: AVN 325 with a “C” or better or instructor approval. A study of the turbines, engines, structural, and operational factors peculiar to FAR Part 121 Airliner Operations. Emphasis is placed on proper market analysis, financial matters, the company plan, aircraft selection, aircraft acquisition, route structure, timetable and pertinent regulatory requirements.

AVN 492 Corporate and Business Aviation. (3) A. The study of the operation of a corporate flight department. Course includes the value of management mobility, aircraft and equipment evaluation, maintenance, flight operations, administration and fiscal considerations.

AVN 493 Air Traffic Control. (3) I, II. A study of the national air traffic control system with emphasis on basic air traffic control procedures; the role of computer centers, airports, terminal service centers; communications; navigation procedures, radar, operations, facilities.

AVN 491 Instructor Pilot-Sel: Flight. (1) A. Prerequisite: AVN 415 with a “C” or better, and overall 2.0 GPA. Fifteen dual flight hours and 5 hours flight simulation leading to the FAA instructor pilot (SEL) certification using FAA-approved Part 141 flight training syllabus.

AVN 496A Instructor and Commercial Pilot—SEL: Flight. (1) A. Prerequisite: AVN 334A with “S” grade, prerequisite or corequisite: AVN 415 with a “C” and overall 2.0 GPA. Twenty-five dual flight hours and 5 hours flight simulation leading to the FAA Commercial Pilot-SEL certification using FAA-approved Part 141 flight training syllabus.

AVN 497 Comprehensive Exam for BS in Aviation (0) A. Prerequisite: Consent of Advisor. Registration in AVN 467 is required of all undergraduate B.S. (Aviation) students for the term in which they wish to take their comprehensive examination, including the exit exam and advisor approved certification or license.

AVN 498A Cockpit Technologies. (1) A. Prerequisite: AVN 192 and 330. Provides an integrated approach to the theory, technology, and operations of “Glass” cockpit technologies to prepare student pilots to successfully operate “glass” cockpit aircraft. Course includes 10 hours in “Glass” capable AATD flight simulators.

AVN 499A Internship. (1-3) A. Prerequisite: departmental approval. Students will work under departmental supervision in a private or public agency engaged in aviation activities.

AVN 499B Independent Study. (1-3) A. Prerequisite: AVN major with senior standing. Student must have the independent study proposal form approved by faculty supervisor and program coordinator prior to enrollment. May be retaken to a maximum of six hours.

BEM — Broadcasting and Electronic Media

Dr. Fran Dickson, Chair

BEM 240 Basic Media Skills. (3) I, II. An examination of the audio, lighting, and web-based skills needed by broadcast professionals in today’s integrated media marketplace.

BEM 295 Video Production I. (4) I, II. Training in non-studio video production and editing. Includes applied aesthetics and production of dramatic informational or experimental work on video. Introduction to techniques, styles, and image structure. Requires weekly projects, critiques. 3 Lec/3 Lab.

BEM 300 Performance in Electronic Media. (3) I, II. A. Prerequisite: BEM 240 and CMS 210. Study of the producer’s role in electronic media. Stress on practical work, including radio and television production, microphone and television camera techniques with an added emphasis on constituency and production goals.

BEM 301 Broadcast Newswriting. (3) I, II. Prerequisites: ENG 102 (or 105B) or HON 102. Study of the elements of news for the electronic media. Includes broadcast newswriting style, development of sources, interviewing, story types and forms of broadcast newswriting. Practice in gathering, writing and evaluating news for broadcast.

BEM 345 Audio Practicum. (1-3) I, II. Prerequisite: BEM 240. Supervised practical experience on the staff of a radio or other audio facility. May be taken to a maximum of three hours. One hour may be counted toward the major.

BEM 349 Applied Learning in Broadcasting
Section Seven - Course Descriptions

and the Electronic Media. (5-8) A. Prerequisites: junior standing. "B" average in all courses within the department. A final approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight; associate; sixteen baccalaureate. A minimum of 80 hours work required for each academic credit. One hour may be used to satisfy major requirements within the department.

BEM 349 A-N Cooperative Study: Broadcasting and the Electronic Media. (5-8) A. Prerequisites: senior standing, "B" average in all courses within the department, and departmental approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight; associate; sixteen baccalaureate. A minimum of 80 hours work required for each academic credit. One hour may be used to satisfy major requirements within the department.

BEM 350 Cinema History I. (3) A. Prerequisite: ENG 102 or ENG 105(B) or HON 102. Historical survey of cinema from its origins to 1939. Examines developments in directing, acting, editing, and other areas of cinema as an art form. Feature length and short films viewed. Gen. Ed. E-3A [AH]. 2 Lec/2 Lab.

BEM 351 Cinema History II. (3) A. Prerequisite: ENG 102 or ENG 105(B) or HON 102. Historical survey from 1939 to present. Includes theories, styles, and critical positions related to the sound film and changes in cinema and implications for future directions. Feature length and short films viewed. Gen. Ed. E-3A [AH]. 2 Lec/2 Lab.

BEM 352 Film Techniques & Technology. (3) A. Prerequisite: BEM 295. The study of various technologies employed in traditional/electronic film production. Emphasis on the study of social, economic, technological and political factors and their effects on the development of cinematic technologies. 2 Lec/2 Lab.

BEM 353W The Art and Craft of Screenwriting. (3) A. Prerequisite: ENG 101 and 102 (or 105) or HON 102. Conceiving, structuring, writing and marketing the contemporary American screenplay. Requires developing and writing original screenplays for marketing in the contemporary film environment. Credit will not be awarded for both BEM 353W and 353.

BEM 370 Electronic Cinema Production. (4) A. Prerequisite: ENG 102 and 105 (or 105B) or HON 102. Advanced study of human anatomy. Emphasis is placed on structuring and composing the screenplay for television and film. May be retaken to a maximum of six hours with different course content. 2 Lec/2 Lab.

BEM 391 Human Anatomy. (3) I, II. Prerequisite: Completion of 90 hours with at least one hour from BEM 349 or 343 or 398. Evaluates students’ progress toward a career in mass communications, especially the development of an electronic portfolio, and develops job search strategies and skills. Includes assessment of instruction and curriculum. Gen. Ed. E-4 [NS].}

BIO 100 Introductory Biology. (3) I, II. Prerequisite: Completion of all developmental requirements. The course will deal with introductory principles of biology and ecology, and will be fundamental to an individual’s knowledge as it pertains to the interrelationships of organisms in the natural world. Topics to be addressed: cellular basis of life, metabolism, genetics, biological diversity, reproduction, evolution, ecology, and environmental studies. May not be used to satisfy area, major, or minor requirements. Credit will not be awarded to students who have credit for BIO 101 or 102. 2 Lec/2 Lab. Gen. Ed. E-4 [NS].

BIO 101 Inquiry Biology for Teachers. (3) I, II. Prerequisites: completion of all developmental requirements; pre-teaching or middle school middle school education majors only, or departmental approval. An inquiry-based, conceptually-based biological sciences course for teaching majors. Topics include the nature of science, cell biology, biodiversity, inheritance, ecology and ecosystems, evolution and adaptation. May not be used to satisfy area, major, or minor requirements. Credit will not be awarded to students who have credit for BIO 100 or 101. 2 Lec/2 Lab. Gen. Ed. E-4 [NS].
or minor requirements.

BIO 305 Biology of Sex (3) I, II. Prerequisite: ENG 105(35), HON 102, or departmental approval. Fundamental principles related to human sexual reproduction. Structure, function, control, and coordination of the human reproductive system. Problems associated with fertility, sexuality, birth control, STDs, and birth control will be discussed. Fulfills University Wellness requirement.

BIO 310 Biology of Aging. (3) A. Prerequisite: BIO 100 or NAT 101 or BIO 171 or instructor approval. System by system approach to the biological effects of the aging process on the human body. May not be used to satisfy area, major, or minor requirements in the Department of Biological Sciences. Fulfills University Wellness requirement.

BIO 315 Genetics. (4) I, II. Prerequisite: BIO 111 or 112 or departmental approval. Discussion of Mendelian genetics, molecular genetics, genetic mapping, and population genetics. Emphasis on critical thinking skills and logic through experimental analysis. Laboratory will include experimental manipulation of prokaryotic and eukaryotic organisms. 3 Lec/3 Lab.

BIO 316 Ecology. (4) I, II. Prerequisite: BIO 112. Basic concepts and principles as applied to the study of organisms in their environments. Prerequisites: BIO 111 or 112. 3 Lec/3 Lab.

BIO 318 General Botany. (4) I, II. Prerequisites: BIO 111 or 112. Both courses are recommended. Focuses on functions of vascular plants; morphology, classification, life histories, ecology and evolution of autotrophs, plantlike protists, and fungi. 3 Lec/3 Lab. Credit will not be awarded for both BIO 318 and 319.

BIO 319 General Zoology. (4) I, II. Prerequisite: BIO 111 or 112. Both courses are recommended. Morphology, physiology, comparative anatomy, development, life history, evolution, and diversity of the animal kingdom. 3 Lec/3 Lab.

BIO 320 Principles of Microbiology. (4) I, II. Prerequisites: BIO 111 and CHE 112; or departmental approval. A study of bacteria and other microorganisms, their morphology, development and function; techniques of isolation, cultivation and identification; physiology, nutrition, and genetics; role of microbes in medicine, agriculture, and industry. 4 Lec/2 Lab.

BIO 331 Cell Biology. (3) I. Prerequisites: BIO 111 and CHE 112. An introduction to the structure and function of plant and animal cells, with emphasis on the structure and function of cell organelles. An overview of the molecular techniques used in the study of cellular metabolism.

BIO 332 Careers in Biomedical Sciences (1) I, A. Prerequisites: BIO 331 and ENG 102, 105(B) or HON 102. Students will explore the diverse range of career options within the biomedical sciences, develop job acquisition skills, and gain an appreciation for biomedical ethics. This course requires experiential learning through an internship/shadowing experience. 1 Lec.

BIO 335 Plant Systems. (3) II. Prerequisites: BIO 111, 112, and 318. Identification, classification and phylogeny of vascular plants; principles of taxonomy. 1 Lec/4 Lab.

BIO 342 Comparative Vertebrate Anatomy. (4) I. Prerequisites: BIO 112 and 319; or departmental approval. Evolutionary relationships of the classes of vertebrates are investigated through their anatomy. Laboratory studies of organs and systems of vertebrate animals primarily compare the dogfish shark, the mudpuppy (Necturus), and the cat. 2 Lec/4 Lab.

BIO 348 Vertebrate Physiology. (3) I, II. Prerequisite: BIO 111 or 112, and PHY 131 or 201. Command of human physiology through an integrated study of the physical, chemical, and cellular aspects of physiological systems across vertebrates. Group work and critical thinking will be stressed utilizing human case studies and computer simulations. 3 Lec.

BIO 349 Applied Learning in Biology. (5-8) A. One to eight credit hours per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours of employment required for each semester hour of academic credit. May not be used to satisfy area, major, or minor requirements.

BIO 349 A-N Cooperative Study: Biology. (5-8) A. Work in placements related to academic studies. One to eight credit hours per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours of employment required for each semester hour of academic credit. May not be used to satisfy area, major, or minor requirements.

BIO 371 Neur anatomy. (3) II. Prerequisite: BIO 171 or instructor approval. Anatomy of the nervous system and the relationships to functions of systems of the human body. May not be used to satisfy area, major, or minor requirements in the Department of Biological Sciences. 2 Lec/2 Lab.

BIO 375W Microbes and Food. (3) A. Prerequisites: ENG 102, 105(B), or HON 102; and BIO 111. An overview of food-borne illness and food safety, the role of microbes in food production and the relationships between diet and the human microbiome.

BIO 378 Human Physiology Laboratory. (1) I, II. Prerequisite: Corequisite: BIO 301. A series of experiments will be presented which will allow students to develop and apply the biological and physiological processes of animals as these relate to human physiology. May not be used to satisfy area, major, or minor requirements. 2 Lab.

BIO 499 Trends in the Biological Sciences. (1-4) A. Prerequisite: instructor approval. A presentation of selected topics in the biological sciences reflective of new developments and current trends in scientific advancement. May be retaken to a maximum of six hours.

BIO 490 Biology Seminar. (1) I, II. Prerequisite: junior or senior standing in biology. Students and members of the faculty meet to present, discuss, and exchange ideas on selected topics, based on the scientific literature for the biological sciences. 2 Lec/2 Lab.

BIO 495 Evolutionary Application and Theory. (1) I, II. Prerequisite: BIO 315 and junior or senior standing. Discussion of topics relating to evolutionary theory with special emphasis on the impact of evolution in everyday life. This course that builds upon evolutionary concepts learned throughout the biology curriculum. 2 Lab.

BIO 500 Environmental Issues. (3) II. Cross-listed as CHE 500. Prerequisite: Senior Standing; BIO 100, 102 or 112. Students will learn to identify, investigate and evaluate environmental issues as well as plan appropriate action based on their analysis. Credit will not be awarded to students who have credit for ENV 500 or CNM 800.

BIO 511 Experimental Approaches in Molecular Biology. (3) I. Prerequisite: BIO 111. Laboratory experience-based course in molecular biology techniques. Subject will be introduced in a lecture setting and practical laboratory training. Techniques will include PCR-based methodologies; immunological approaches; basic protein and nucleic acid manipulations. 1 Lec/4 Lab.

BIO 514 Evolution. (3) I, II. Prerequisites: BIO 112 and 315 or departmental approval. A study of Darwinism, the history of life in the context of contemporary biology, and the evidences and mechanisms of evolutionary change, with particular emphasis on understanding evolution and its implications. Challenges of teaching and understanding evolution in modern society.

BIO 521 Plant Ecology. (4) A. Prerequisites: BIO 316, and 318, or 335 or departmental approval. Ecological concepts and principles relevant to aquatic and terrestrial ecosystems. Required weekend field trips and an extended field trip in the region. 2 Lec/4 Lab.

BIO 522 Grasses and Grasslands. (3) I. Prerequisite: instructor approval. Development and composition of grasslands; phylogeny, classification, and identification of grasses. Emphasis on North American grassland and grasslands with fragments to native and managed grasslands. 1 Lec/4 Lab.

BIO 525 Aquatic and Wetland Plants. (3) A. Prerequisites: BIO 111, 112, and 318. Collection, systematic, distribution, ecology, and reproduction of aquatic and wetland vascular plants.

BIO 527 Immunology. (3) A. Prerequisites: BIO 320 and CHE 361; or instructor approval. Characteristics of immune reactions at the molecular level and in vivo. Nature and interactions of antigens and antibodies, and allergic phenomena. 2 Lec/3 Lab.

BIO 528 Virology. (3) A. Prerequisite: BIO 320. Fundamentals of classification, structure, and pathogenesis of viruses. Host-virus interactions and their applications to medicine and industry. Viral related areas of immunology, cell culture procedures, and applications will be introduced. 2 Lec/3 Lab.

BIO 529 Microbiology in Everyday Life. (3) I, II. Prerequisite: BIO 100, 102, 111, 112 or departmental approval. Microbes in medicine, agriculture, and industry; emphasis on teaching microbiology in the classroom. Course open only to Biology-Teaching or Education majors.

BIO 531 Principles of Molecular Biology (1) I, A. Prerequisites: BIO 320 or 331, and CHE 361. An in-depth study of the structure, function, and technological applications of nucleic acids and proteins. Laboratory experiences will involve manipulation of DNA and RNA molecules for the purpose of isolation, genetic engineering, forensics, and gene expression analysis. Credit will not be awarded for both BIO 531 and 531S. 2 Lec/4 Lab.

BIO 531S Principles of Molecular Biology (1) I. Prerequisites: BIO 320 or 331, and CHE 361. An in-depth study of the structure, function, and technological applications of nucleic acids and proteins enhanced with a service-learning component. Laboratory experiences will involve manipulation of DNA and RNA molecules for the purpose of isolation, genetic engineering, forensics, and gene expression analysis. Credit will not be awarded for both BIO 531S and 531. 2 Lec/4 Lab.

BIO 532 Conservation Biology. (3) L. Prerequisite: BIO 316 or instructor approval. Examination of principles and practices of conserving global biological diversity. Causes, consequences and rates of extinction. Application of philosophical, biological, sociological, and legal principles to the conservation of genes, species and ecosystems.

BIO 533 Bioinformatics: Principles and Applications. (3) II. Prerequisite: BIO 315. An exploration to the theory and practice of bioinformatics, as they relate to laboratory (Cell and Molecular Biology, Biochemistry) and field (Evolutionary and Population Biology) research applications in the life sciences. Discussion and utilization of the prevalent approaches and methodologies currently used in Bioinformatics.

BIO 535 Pathogenic Microbiology. (4) A. Prerequisite: BIO 320 or departmental approval. Studies in the field of advanced clinical microbiology with emphasis on morphology, cultivation, biochemistry, and serological identification of bacterial diseases; aspects of pathogenesis, epidemiology, and control measures of bacterial and mycotic diseases. 2 Lec/4 Lab.

BIO 536 Dendrology. (3) I. Prerequisite: BIO 111, 112, and 318 or departmental approval. Woody plant taxonomy with emphasis on field identification of trees and shrubs in summer and winter conditions; habitats and distributions; economic importance; forest regions of North America. 1 Lec/6 Lab.

BIO 542 Freshwater Invertebrates. (3) A. Prerequisites: BIO 112 and 319 or departmental approval. Collection, systematic, distribution, behavior, ecology, and histories of freshwater invertebrates. 2 Lec/3 Lab.

BIO 546Histology. (4) I, II. Prerequisites: BIO 331 and 348. This course will provide students with an essential understanding of functional morphology in
vertebrate tissues and organs. Pathology examples will be used to explain the cellular and molecular basis of normal function as related to disease. 2 Lec/2 Lab.

BIO 547 Comparative Vertebrate Embryology. (4) II. Prerequisite: BIO 342 or BIO 348. Gametogenesis, fertilization, morphogenesis, and organogenesis of the frog, bird, and mammal. Particular emphasis is placed on mammalian development. 2 Lec/2 Lab.

BIO 550 Animal Behavior. (4) A. Prerequisites: BIO 111 and 112. Advanced study of behavioral patterns, innate and learned behaviors of animals, and the role they play in the evolution of animals. 2 Lec/2 Lab.

BIO 552 Hormones and Behavior (3) A. Prerequisites: BIO 111 and 112. Provide an understanding of modern-day issues in endocrinology by exploring the effects of hormones on behavior within all taxa.

BIO 553 Mammalogy. (3) A. Classification, natural history, field methods, and distribution of mammals. 1 Lec/4 Lab. BIO 316 or 342 recommended prior to enrollment.

BIO 554 Ornithology. (3) A. Prerequisite: BIO 111 and 112 or departmental approval. Avian biology with emphasis on field identification of local avifauna, anatomy, physiology, ecology, evolution, migration, economic importance, distribution, and behavioral patterns. Early morning field trips required. 2 Lec/4 Lab.

BIO 555 Behavioral Ecology. (3) A. Prerequisite: BIO 316 or instructor approval. How behavior is influenced by natural selection in relation to ecological conditions. Emphasis on quantitative and experimental methods and on integrating theoretical ideas with field and laboratory evidence.

BIO 556 Herpetology. (3) A. Prerequisite: BIO 112 and 319 or departmental approval. Natural history of the amphibians and reptiles including taxonomy, physiology, behavior, distribution, breeding, and food habits. 2 Lec/3 Lab.

BIO 557 Ichthyology. (3) A. Prerequisite: BIO 112 and 319. A phylogenetic examination of morphological, ecological, and behavioral diversification of fishes of the world, with special attention to the Appalachian fauna. Laboratory devoted to anatomy, identification, and reproductive strategies. 2 Lec/4 Lab.

BIO 558 Freshwater Ecology. (3) A. Prerequisite: BIO 316 or instructor approval. Ecology of lakes and streams with special reference to physical, chemical, and biological factors. To include a variety of methods and instruments. 2 Lec/3 Lab-Disc.

BIO 561 Fisheries Biology. (3) A. Prerequisites: BIO 311, 312, 316. Methods for assessment and analysis of fish populations and aquatic habitats, including age and growth, fecundity, food habits, and yield. Emphasis on economic and ecological importance of management decisions. 2 Lec/4 Lab.

BIO 590 Ecology for Teachers (3) I. Crosslisted as ENV 590. Prerequisite: Senior Standing. BIO 100, 102, or 112. This course introduces ecology and the environment through an interdisciplinary approach beginning with the physical environment progressing to whole ecosystems and onto analyses of ecological sustainability. Classroom strategies and techniques will be modeled. Credit will not be awarded to students who have credit for ENV 590 or CNM 599.

BIO 591 Biological Sciences: Nonmajors. (1-6) A. Prerequisites: Senior standing, BIO 111, 112, and departmental approval. Special topics in the biological sciences of current interest to faculty and students may be presented through lecture, discussion, lab and field experiences, and reports. May be retaken to a maximum of nine hours.

BTO—Business and Technology Orientation Dr. Tom Ereksen, Dean

BTO 100 Student Success Seminar. (1) I, II. Designed to orient the student to university academic life and afford background for career choice and preparation. Included are University regulations and calendar, catalog details, registration, various career opportunities, and programs available for special needs during their first two semesters of enrollment at EKU; beyond that open to students with fewer than 30 semester hours earned. (1 Lec/1 Lab for School of Business Majors Only.)

BTS—Business and Technology Seminar Dr. Tom Ereksen, Dean

BTS 300 Professional Skills Seminar. (0) I, II. Required of all Business and Technology students who have earned at least 60 hours. Credit (CR) will be given when students have attended and/or completed department-sponsored activities regarding professional skills and careers.

CASM—Arts and Sciences Interdisciplinary Dr. Karin Schman

CAS 349 Applied Learning (5-8) A. Prerequisite: 2.0 GPA and college approval. Work under field supervisors in placement related to academic studies. Minimum 80 hours work for each credit hour. Repeatable up to 16 credit hours.

CAS 349 A-N Cooperative Study (5-8) A. Prerequisite: 2.0 GPA and college approval. Work under field supervisors in placement related to academic studies. Minimum 80 hours work for each credit hour. Repeatable up to 16 credit hours.

CCT—Corporate Communication and Technology Dr. Lana Carnes, Chair

CCT 201 Professional Communication. (3) I, II. Prerequisites: ENG 101 and 102 (or 105). Principles and practices of written and oral professional communication; various types of professional letters and reports are studied; emphasis on writing letters and reports.

CCT 300W Managerial Reports. (3) I, II. Prerequisites: ENG 101 and 102 (or 105), ACC 201, 202 and ECO 230 with a grade of “C” or better in each course; Junior Standing (A minimum of 60 hours) with an overall minimum 2.0 GPA. A writing intensive study of the application of communication theory, research methods, and information technology to communication within organizations. Includes common communication tasks faced by managers; communication task and audience analysis, collecting, organizing, analyzing, and interpreting data. Emphasizes written and oral reporting.

CCT 302 Desktop Publishing for the Business Office. (3) I, II. Prerequisite: CCT 200 or 250 or CIS 212 (with a minimum grade of “C”) or Development of business document design techniques using Windows and desktop publishing.

CCT 304S Applied Entrepreneurship and Service Learning. (3) A. Prerequisite: CCT 270 (with a minimum grade of “C”). Provides entrepreneurship opportunities for students to apply skills and knowledge for integration of new business development, aid to existing businesses, and service learning strategies for the EKU region.

CCT 310 International Business Communication. (3) A. Prerequisites: ENG 101 and 102 (or 103) (with a minimum grade of “C” in each prerequisite course). Designed to understand the specifics of cultural differences that alter communication symbols and meanings for international business activity. Topics include culture profiles and conducting business, business protocol, international documents, U.S. documents, negotiation strategies, and oral presentations to intercultural business audiences.

CCT 349 Applied Learning in Corporate Communication and Technology. (5-8) A. Prerequisites: minimum GPA of 2.25 and 30 hours for associate degree, 60 hours for baccalaureate degree. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each credit hour. Three hours required in Office Systems Technology. Three hours may be used as an upper division business elective in the undergraduate program. May be repeated up to 8 credit hours for the associate degree and 16 credit hours for the baccalaureate.

CCT 349 A-N Cooperative Study: Corporate Communication and Technology (5-8) A. Prerequisites: minimum GPA of 2.25 and 30 hours for associate degree, 60 hours for baccalaureate degree. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each credit hour. Three hours required in Office Systems Technology. Three hours may be used as an upper division business elective in the undergraduate program. May be repeated up to 8 credit hours for the associate degree and 16 credit hours for undergraduate program.

CCT 490 Special Problems in Corporate Communication and Technology (A). May be retaken under different sub-topics to a cumulative maximum of six hours. Independent work, special topics, or seminars. Students must have the independent study proposal form approved by department chair prior to enrollment.

CCT 520 Corporate Training. (3) A. Prerequisite: 90 credit hours completed. This course applies theories of learning and instructional development to office systems employee education and skills training. Topics include instructional design; strategy; technology; and the implementation, evaluation, and management of training in an organizational environment.

CCT 550 Integrated Corporate Communication. (3) A. Prerequisite: senior or graduate standing. Examines effective integrated communication skills to achieve organizational objectives. Emphasizes analysis and application of communication process and strategies for managerial decision-making. Examines change process, corporate culture, and negotiation issues. Provides corporate training component.

CCT 570 Web Design for Offices. (3) A. Prerequisites: CCT 250 or CIS 212 or INF 104, with a minimum grade of “C” in each prerequisite course. Advanced development of business document design techniques with an emphasis on web design and multimedia resources. Geared for education, small offices or businesses, personal use, and not-for-profit organizations.

CCT 580 Office Technology Seminar. (3) A. Prerequisites: CCT 250 or CIS 212 or INF 104; with a minimum grade of “C” in each prerequisite course). 90 credit hours completed. The entire course requires synthesis of applications and concepts related to current office systems topics.

CDF—Child and Family Studies Dr. Dana Bush, Chair

CDF 132 Introduction to the Family. (3) I, II. Cross-listed as WGS 132. Ecological and systems approach applied to public and private family concepts;
Section Seven - Course Descriptions

The course descriptions from the 2015-2016 EKU Undergraduate Catalog have been extracted and converted into a plain text representation. The text includes course names, descriptions, prerequisites, and other relevant information. The page contains descriptions of courses such as:

- CDF 201 Special Topics in Early Childhood Education: (1-3) A. Selected topics in child development and early childhood program planning. May be taken to a maximum of six hours provided topics vary.
- CDF 232 Identity and Sexuality: (3) I, II. Cross-listed as WGS 232. An exploration of the changing attitudes about and among men/women and their effect on children in a culture of diversity. Emphasis will be on promotion and maintenance of positive mental, physical, emotional, and sexual development. Credit will not be awarded to students who have credit for HEA 357 or WGS 232. GfD.
- CDF 235 Child Development: Conception-Eight Years. (3) I, II. Developmental characteristics and theory pertinent to children conception to age eight. Special emphasis on early childhood theoretical frameworks.
- CDF 236 Interaction and Guidance. (3) I, II. Overview of guidance strategies in fostering children's social competency within group or individual. Adults' role in various interactions (e.g. parent-child, teacher-child) and resources for working with families/parents (e.g. parent education workshop) will be explored.
- CDF 243 Introduction to Family Life Programs. (3) A. Prerequisite or Corequisite: CDF 132. A program of programs which focus on forming partnerships with families through the public, private, and nonprofit sectors to support family and individual well-being. Career development and opportunities explored.
- CDF 246 Creative Activities and Materials for Young Children. (3) I, II. Prerequisite: CDF 235 or department approval. Survey of learning experiences in various curriculum areas. Planning activities, including techniques and materials, to provide environment appropriate to the age and background of young children for the individual child based on age, ability, culture and ethnicity.
- CDF 299 Case Study: Observational Assessment. (1) A. Survey of observational methods applied to individual studies.
- CDF 301 Observation and Assessment in ECE. (3) I, II. Prerequisite: CDF 235. Corequisite: CDF 132. A program of programs which focus on forming partnerships through observation of children in natural environments. Intentional planning and implementation of Developmentally Appropriate Practice in EC settings. Special emphasis on linking assessment to the EC curriculum.
- CDF 327S Family Involvement with Young Children. (3) I, II. Prerequisite: CDF 235 or CDF 241 and 244, 236, and 246 or CDF 345 or department approval. Family-centered approaches to the early development of effective relationships with families. Methods and materials useful in fostering family life education, including adult learning principles. Experiences include implementing family service plans, planning discussion groups, conducting home visits, and parent-teacher conferences. Includes 15 service learning hours.
- CDF 331 Marriage and Intimate Relationships. (3) I. Cross-listed as WGS 331. The process within and types of intimate relationships in contemporary times. Topics include singlehood, partner selection, marriage, divorce, remarriage, long-term enduring partners, and factors affecting the success and failure of intimate relationships. Credit will not be awarded for both CDF 331 and WGS 331.
- CDF 342 Child and Adolescent Development. (3) II. Prerequisite: CDF 236. Focus on the periods of childhood and adolescence with a life-course perspective approach. Effects of economic, social, and technological change on policies and programs affecting youth of diverse backgrounds.
- CDF 346 Play-Based Assessment for Early Childhood Program Planning. (3) II. Prerequisites or corequisites: CDF 343 and 344; or department approval. Overview of play-based assessment and examination of tools emphasizing a transdisciplinary approach. Use of information collected from screening and arena-based assessment for program planning in center and home based settings.
- CDF 349 Applied Learning in Child Development. (3-5) A. Prerequisite: department approval. Work with faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate, sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit. Maximum of three hours may be counted in major requirements toward degree.
- CDF 349-A Applied Learning in Child Development. (3-5) A. Prerequisite: department approval. Work with faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate, sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit. Maximum of three hours may be counted in major requirements toward degree.
- CDF 349Q Applied Learning in IECE (1.5) A. Corequisite: CDF 310. Collaborate with teachers in educational settings. Assist with formative and summative assessment and classroom management. Minimum of 40 hours field experience required.
- CDF 349R Applied Learning in IECE (1.5) A. Corequisite: CDF 390. Collaborate with teachers in educational settings. Assist with classroom management and curriculum planning. Minimum of 40 hours field experience required.
- CDF 349T Applied Learning in IECE (1.5) A. Corequisite: CDF 327S. Collaborate with teachers in preschool and childcare classroom(s) and assist with instructional planning and teaching. Minimum of 80 hours field experience required.
- CDF 351 Practicum for Early Childhood Practitioners. (3) A. Prerequisites: department approval. 2.5 cumulative GPA, minimum grade of “C” in all courses with “CDF” prefix. Enrollment limited to students who have earned a Child Development Associate credential with college credit. Teaching experience in early childhood programs emphasizing emergent curriculum, documentation, project work, and family involvement. Meetings for collaborative planning/preparation.
- CDF 363 Early Childhood Literacy (3) I, II. Prerequisite: with permission of Child & Family Studies department approval. An exploration of the emergent literacy development of young children within the language-rich context of play. Emphasis on state and national language arts standards, 2nd language learners, literacy assessment and, factors affecting literacy instruction. Course material presented within textual context.
- CDF 399 Early Childhood Practicum. (3-6) III. Prerequisites: Admission to Child and Family Studies or department approval. Corequisite CDF 349. Supervised practicum experience in programs serving young children & families. Focus on organizations at the public, private and non-profit sectors. Open to A.A.S. and B.S. child development students only. Minimum of 100 hours of field experience.
- CDF 405 Program Planning for Infants and Toddlers. (3) II. Prerequisite: Admission to Child and Family Studies or department approval. Corequisite CDF 349. Planning, implementation, and evaluation of developmentally and culturally appropriate environments for infants and toddlers. Emphasis is placed on group planning and effective communication in organizations, relationships, intentional teaching and curriculum/program assessment, laboratory and field experiences, and environmental adaptations for special needs.
- CDF 406 Program Planning for Preschool Children. (3) I, II. Formerly CDF 343. Prerequisites: Admission to Child and Family Studies or department approval. Corequisite CDF 349. Planning, implementation, and evaluation of developmentally and culturally appropriate environment for preschool children. Emphasis on intentional teaching, curriculum/program assessment, inquiry learning, documentation, project work, collaborative work with families/colleagues/community, and various programs (e.g. Montessori, Head Start, HighScope). Credit will not be awarded for both CDF 406 and 343.
- CDF 424 Diversity Awareness for Professional Practice. (3) III. Prerequisite: junior standing. Professionals working with children from diverse families today must develop cultural competency. With a focus on sensitivity and respect, this course provides an overview of diversity in society, including race, gender, socioeconomic status, sexual orientation, religion, and other forms of diversity.
- CDF 437 Family Stress and Resilience. (3) I, II. Prerequisite: CDF 132 or department approval. Study of stressors which may affect the quality of family life, stress factors which put family and individuals at risk, and individuals who employ to cope effectively with these stressors. Current research and models of family stress and resilience are studied.
- CDF 441 Family Dynamics in Adulthood and Aging. (3) A. Individual and familial development from young adulthood though death. Particular focus on changing family roles as members age. Emphasis on social changes affecting life satisfaction, living environments, and social relations of the middle-aged and elderly.
- CDF 443 Family Studies Practicum. (9) A. Prerequisites: CDF 132, 243, and 247 or 327 or 327S; 3.0 GPA in major, and minimum of “C” in all courses with a CDF prefix; senior standing; minimum of 100 hours family life education, family resources and community-based programs serving individuals and families in the public, private, and nonprofit sectors.
- CDF 449 Special Problems in Child Development. (3-3) A. Prerequisite: department approval and a 3.0 GPA (major). May be retaken to a maximum of six hours provided topics vary. The student chooses a problem and works under the supervision of the instructor. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.
- CDF 450 Early Childhood Practicum. (9) I, II. Prerequisites: CDF 247 or 327 or 327S, 248 or 343 or 406 and 246 or 345 or 3.0 GPA in major requirements, and minimum grade of “C” in all courses with a CDF prefix. Practicum focusing on designing and equipping the environment, implementing learning experiences, developing strategies for guiding young children, and arranging effective communication for family involvement. Meetings for collaborative planning and reflective discussion to make program decisions.
- CDF 499 Supervised Teaching IECE. (12) I, II. Prerequisites: completion of all major courses, supervised courses, special education, and professional courses. Practice teaching in programs for children ages birth through five years focusing on organizing environments for learning, planning and implementing developmentally appropriate curricula, selecting and implementing guidance strategies, assessing individual strengths and concerns of children and their families and colleagues for the benefit of children.
- CDF 501 Prenatal and Infant Development.
(3) I, II, A. Growth and development from conception to three years. In-depth study of theories and issues related to developmental years during the first three years and before birth. Impact of family, education, and community will be explored.

CDS 538 Research Analysis in Child and Family Studies. (3) I. Prerequisites: CDS 235 and six hours of developmental behavior. Students will acquire the skills required to read and evaluate professional research literature in child and family studies by examining current studies. Students will also compare and contrast the treatment of current issues in their field in both popular and professional writing.

CDS 541 Infant-Toddler Development and Group Care. (3) A. Growth and development from conception to three years. Emphasis on family intervention, appropriate policies and practices for group care, assessment, disabilities, multicultural and gender issues, and caregiver professional growth.

CDS 544 Early Childhood Development and Program Planning. (3) A. Theory pertinent to early childhood development and learning including constructivism, socially-mediated intelligence, multiple intelligences and creativity. Emphasis on emergent curriculum and teaching strategies reflecting social collaboration such as storytelling, project work, and multimedia documentation.

CDS 547 Organization and Administration of Early Childhood Programs. (3) I. Prerequisites: CDS 327 or 247, 343, or 406 or 248, and 344 or 405 or departmental approval. Review of the theories influencing the definition of goals, philosophies and rationales for establishment of early childhood programs (0-5), study of the procedures for organizing early childhood programs and the identification of the management processes for administering quality early childhood programs.

CDS 550 Child and Family Studies Topics. (1-3). A. Study of various topics in child and family studies selected to meet student needs and interest. May be retaken to a maximum of six hours provided topics vary.

CDS—Communication Disorders and Sciences Dr. Debbie Haydon, Chair

CDS 090 Speech-Language Laboratory. (3) A. Clinical approach to communication problem(s). Instruction in proper use of speech mechanism. Individualized remediative teaching of articulation, fluency, language, and/or voice problems. Concurrent enrollment in Speech-Language-Hearing Clinic may be required. Institutional credit; cannot be used toward graduation.

CDS 250 Phonetics. (3) I. Prerequisite: admission to CDS program. Study of the articulatory postures and movements used to produce standard English and defective sounds. Introduction of the International Phonetic Alphabet and practice in using it to transcribe both normal and defective speech.

CDS 273 Observation in Communication Disorders. (1) I, II. Prerequisite: admission to CDS program. Supervised clinical observation of therapy and/or diagnostic services for individuals with communication disorders. Instruction in report writing and observing in various settings. Students must complete 25 clock hours of observation by the end of this semester.

CDS 275 Introduction to Communication Disorders. (3) I. Introduction to the nature and causes of speech, language, and hearing disorders. An overview of the field of communication disorders and sciences.

CDS 285 Anatomy and Physiology of Speech and Hearing Mechanism. (3) I. Prerequisite: admission to CDS program. Introductory presentation to the anatomical and physiological bases of hearing, respiration, phonation, resonance, and articulation.

CDS 360 Normal Speech and Language Development. (3) I, II. Normal speech and language acquisition from birth through the developmental years; basic linguistic concepts and theories; language differences.

CDS 365 Language Disorders: Assessment.

CDS 367 Methods and Materials in Communication Disorders. (3) I. Prerequisite: admission to the CDS program. Overview of scope of practice and credentials for service delivery; management of therapy sessions; clinical policies and procedures; Code of Ethics; precautions for infectious disease control; development of therapy materials and oral mechanism examination kit.

CDS 374 Practicum in Speech Pathology. (3) I. Prerequisites: 25 hours of observation in communication disorders and sciences, CDS 372 and 373, and overall 3.0 GPA, or Clinic Director approval. Supervised clinical practicum in communication disorders services. May be retaken to a maximum of six credit hours.

CDS 380 Introduction to Clinical Audiology. (3) I. Prerequisite: admission to CDS program. Physics of sound, anatomy & physiology of hearing, auditory pathologies, and introduction of basic audiological assessment.

CDS 465 Disorders of Fluency. (3) I. Prerequisite: admission to the CDS program. Lectures and selected readings in the theoretical, etiological, and developmental views of assessment and management of stuttering problems in children.

CDS 474 Advanced Practicum in Speech Pathology. (3) I, II. Prerequisites: Overall 3.0 GPA and CDS 374, or Clinic Director approval. Advanced supervised clinical practice in communication disorders services. May be retaken to a maximum of six credit hours.

CDS 475 Voice Disorders. (3) I. Prerequisite: admission to the CDS program. Lectures and selected readings in etiological perspectives of functional and organic voice disorders; assessment, classification, and treatment designs for vocal pathologies in children.

CDS 487 Aural Rehabilitation. (3) I. Prerequisite: CDS 380 or departmental approval. Fundamentals of aural habilitation/rehabilitation in the form of amplification (hearing aids, cochlear implants, assistive listening devices), speech reading, auditory-visual-kinesthetic perception, pediatric rehab techniques, educational management, counseling.

CDS 488 Practicum in Audiology. (1) I, II. Prerequisites: Overall 3.0 GPA or Clinic Director approval. Supervised clinical practice in audiology. May be retaken to a maximum of two credit hours.

CDS 520 Support Services and Alternative Communication Systems. (3) A. An overview of various approaches to aided nonoral systems of communication. Various devices and symbol systems will be discussed.

CDS 525 Literate Language. (3) I. Prerequisites: CDS 360, CDS 365, and CDS 464 or departmental approval. Study of language disorders in children and principles for remediation in written language.

CDS 530 Therapeutic Relationships in Special Education. (3) I, II. Prerequisite: Admission to CD program or departmental approval. Overview of therapeutic relationship between individuals with disabilities, their families, and professionals. Emphasis on empathetic listening, interviewing skills, and change processes.

CDS 541 School Services in Communication Disorders. (3) II. Prerequisites: Overall 3.0 GPA, and admission to CDS program; or departmental approval. Organization and management of speech-language therapy services in the schools.

CDS 571 Neural Bases of Communication. (3) I. Prerequisites: admission to the CDS program or instructor approval. A study of neuroanatomic and neurophysiologic bases of communication including developmental issues and neurologic deficits resulting in communication disorders. Credit will not be awarded for both CDS 571W and CDS 571.

CDS 571W Neural Bases of Communication. (3) A. Prerequisites: admission to the CDS program or instructor approval and ENG 102 or ENG 105B or HON 102. A study of neuroanatomic and neurophysiologic bases of communication including developmental issues and neurologic deficits resulting in communication disorders. Credit will not be awarded for both CDS 571W and CDS 571.

CDS 572 Speech & Hearing Science. (3) II. Study of the physics of sound, acoustic characteristics and processes, perceptual compensations, including diagnosis, speech, and psychophysical processes of communication.

CED — Clinical Education Dr. Kim Naugle, Associate Dean

CED 100 Clinical I: Introduction to the Education Profession. (5) I, II. Corequisites: ED 203. Guided laboratory-based experiences emphasizing the identification of the roles and responsibilities of teachers and other education professionals and components of the education system. (laboratory/school-based clinical experience – a minimum of 7 hours is required; additional hours may be required based upon candidate performance). Must earn a grade of B or higher for Admission to Professional Education.

CED 150 Clinical Transition: Education Profession. (5) I, II. Corequisite: CED 310. Guided laboratory-based experiences emphasizing the education profession. (laboratory-based clinical experience – a minimum of 10 hours is required; additional hours may be required based upon candidate performance).

CED 200 Clinical II: Understanding the Learner. (5) I, II. Prerequisite: CED 100. Corequisites: CDS 305; or CDS 330. Guided laboratory-based experiences emphasizing the assessment and analysis of student learning and engagement in the school environment from varied learning theory perspectives. (laboratory-based clinical experience – a minimum of 10 hours is required; additional hours may be required based upon candidate performance). Must earn B or higher for Admission to Professional Education.

CED 300 Clinical III: Curriculum and Instructional Design. (5) I, II. Prerequisites: CED 200 and Admission to Professional Education or Dean approval. Corequisite: EMS 300. Guided school-embedded experiences that emphasize impacting student growth through well-planned and aligned instructional units and lessons. (school-embedded clinical experience – a minimum of 60 hours is required; additional hours may be required based upon candidate performance). Must earn B or higher for Professional Education.

CED 375 Clinical V: Practicing Teaching. (1) I, II. Prerequisite: Admission to Professional Education or Dean approval. Corequisite: EMS 300. Guided school-embedded experiences that emphasize impacting student growth through well-planned and aligned instructional units and lessons. (school-embedded clinical experience – a minimum of 100 hours is required; additional hours may be required based upon candidate performance). Must earn B or higher for Professional Education.
Section Seven - Course Descriptions

Corequisites: EDF 413 and EMS 499; or SED 352 and SED 590 for IECE majors. Guided school-embedded experiences emphasizing the development, implementation, interpretation and reporting of a variety of assessment tools for learners, the classroom and school environment and the subsequent design of instruction. (school-embedded clinical experience – a minimum of 50 hours. Additional hours may be required based upon candidate performance). Must earn B or higher for Professional Education.

CED 450 Clinical V: Practicing Teaching. (1). Prerequisite: CED 450 and Admission to Professional Education or Dean approval. Corequisite: ELE 446 or ELE 446W, or ESE 440, or ESE 450, or ESE 480, or ESE 490, or ESE 540, or ESE 560, or ESE 580, or ESE 590; or SED 456 for IECE majors. Supervised, sustained practice teaching experiences in an assigned instructional setting. Experiences include individual, small group and whole class teaching opportunities. (school-embedded clinical experience – a minimum of 80 hours is required; additional hours may be required based upon candidate performance). Must earn B or higher for Professional Education.

CED 499 Clinical VI: The Professional Semester. (3-12) I, II. Prerequisite CED 450 and Admission to the Professional Semester during the semester for a final assignment in an accredited school to observe, participate, and teach in classroom settings with special emphasis on the impact of instruction on student learning. (school-embedded clinical experience – a minimum of 70 days is required).

CHE—Chemistry

Dr. Lori Wilson, Chair

CHE 100 Inquiry Chemistry for Teachers. (3) A. Prerequisite: completion of all developmental requirements; pre-teaching or teaching elementary and middle school education majors only. Activity-oriented chemistry concepts. Problem solving, reasoning, and mathematical logic; properties, reactions, energy and environmental topics. 2 Lec./2 Lab. Gen. Ed. E-4 [NS].

CHE 101 Introductory Chemistry I (3) I, II. Prerequisite: completion of all developmental requirements. Prerequisite or Corequisite: CHE 101L and MAT 098 or higher. For students who plan to take no more than one year of chemistry. Basic principles of structure and properties of matter, chemical nomenclature and calculation, stoichiometry, physical properties and reactions; emphasis on everyday life phenomena. A withdrawal from CHE 101 must be matched by a withdrawal from CHE 101L. Gen. Ed. E-4 with CHE 101L [NS].

CHE 101L Introductory Chemistry Lab I. (1) I, II. Prerequisite: completion of all developmental requirements. Prerequisite or Corequisite: CHE 101 and MAT 098 or higher. Laboratory component of CHE 101. Basic laboratory techniques, methods of separation, types of chemical reactions, solution preparation and standardization, titrations, molecular modeling, qualitative analysis, gases, virtual labs on computer. 3 Lab. Gen. Ed. E-4 with CHE 111 [NS].

CHE 111 General Chemistry I. (3) I, II. Prerequisite or Corequisite: CHE 111L and ACT math score of 22+ or SAT math score of 530+ or MAT 112 (C or better) or 114 (C or better) or CHE 110 (C or better) or departmental approval. Principles of atomic and molecular structure and reactivity, stoichiometry, states of matter. Prepares students for further studies in chemistry. Topics will include introduction to matter, chemical formulas and reactions, bonding and molecules, chemical calculations, the periodic table.

CHE 111L General Chemistry Lab I. (3) I, II. Prerequisite or Corequisite: CHE 111L and ACT math score of 22+ or SAT math score of 530+ or MAT 112 (C or better) or 114 (C or better) or CHE 110 (C or better) or departmental approval. Principles of atomic and molecular structure and reactivity, stoichiometry, states of matter. Prepares students for further studies in chemistry. One year of high school chemistry is recommended. Cannot be taken concurrent with CHE 110 (prerequisite only). A withdrawal from CHE 111L must be matched by a withdrawal from CHE 111LL. Gen. Ed. E-4 with CHE 111L [NS].

CHE 111L General Chemistry Lab II. (1) I, II. Prerequisite or Corequisite: CHE 111. Laboratory component of CHE 111. Basic laboratory techniques, methods of separation, types of chemical reactions, solution preparation and standardization, titrations, molecular modeling, qualitative analysis, gases, virtual labs on computer. 3 Lab. Gen. Ed. E-4 with CHE 111 [NS].

CHE 112 General Chemistry II. (3) I, II. Prerequisite or Corequisite: CHE 111 and 111L (C or better). Prerequisite or Corequisite: CHE 112L or CHE 112L (C or better). Kinetics and equilibrium, solution chemistry, energy changes in chemical reactions, descriptive inorganic chemistry. Prepares students for further studies in chemistry. A withdrawal from CHE 112 must be matched by a withdrawal from CHE 112L or CHE 112LL.

CHE 112L General Chemistry Lab II. (1) I, II. Prerequisites: CHE 111 and 111L (C or better). Prerequisite or Corequisite: CHE 112L (C or better). Laboratory component of CHE 112. Kinetics, equilibrium, UV-VIS spectroscopy, introductory qualitative and quantitative analysis, electrochemistry, virtual labs on computer. 3 Lab.

CHE 200 Volunteering in Chemistry, (0) A. An exposure to chemical activities, including but not limited to exploring chemical research projects, organizing chemistry community service, and assisting other chemistry departmental events. Students can choose the focus of the volunteering in each semester. Passing grade achieved for attending 80% of the designated activities in each semester.

CHE 261 Organic Chemistry Preparation. (3) A. Prepares students for further studies in organic chemistry. This course will emphasize fundamental concepts and help students develop a productive mindset for studying Organic Chemistry.

CHE 325 Analytical Chemistry. (3) A. Prerequisite: CHE 112 and 112L (C or better). Prerequisite or Corequisite: CHE 325. Introduces the principles of stoichiometry, chemistry, equilibria, titrimetric and spectrophotometric analysis, spectrophotometry, and analytical separation processes. A withdrawal from CHE 325L must be matched by a withdrawal from CHE 325L.

CHE 325L Analytical Chemistry Lab. (2) A. Prerequisite: CHE 112 and 112L (C or better). This lab course is designed to introduce the techniques of wet chemical techniques and basic instrumental analysis through experimentation. 2 Lab.

CHE 349 Applied Learning in Chemistry. (5-8) A. Work in placements related to academic studies. One to eight credit hours per semester or summer. Total hours: sixteen, baccalaureate. A minimum of 80 hours of employment required for each semester hour of academic credit. May not be used to satisfy area, major or minor requirements.

CHE 499 A-N: Cooperative Study: Chemistry. (5-8) A. Work in placements related to academic studies. One to eight credit hours per semester or summer. Total hours: sixteen, baccalaureate. A minimum of 80 hours of employment required for each semester hour of academic credit. May not be used to satisfy area, major or minor requirements.

CHE 361 Organic Chemistry I. (3) I, II. Prerequisite or Corequisite: CHE 361L, Bonding; structure, reaction theory; aliphatic hydrocarbons; functional groups; stereochemistry; aromatic hydrocarbons; spectroscopy; substitution and elimination reactions. A withdrawal from CHE 361 must be matched by a withdrawal from CHE 361L.

CHE 361L Organic Chemistry Lab I. (1) I, II. Prerequisite or Corequisite: CHE 361. Laboratory component of CHE 361. Experimental work to illustrate principles of organic chemistry. Basic techniques including separation and spectroscopic methods; and selected syntheses. 3 Lab.

CHE 362 Organic Chemistry II. (3) I, II. Prerequisites: CHE 361 and CHE 361L (C or above). Prerequisite or Corequisite: CHE 362L. Alcohols and ethers; aldehydes and ketones; carboxylic acids and derivatives; carbanions; amines; phosphorus; and amine and amino acids. A withdrawal from CHE 362 must be matched by a withdrawal from CHE 362L.

CHE 362L Organic Chemistry Lab II. (1) I, II. Prerequisite or Corequisite: CHE 361 and 361L (C or better). Prerequisite or Corequisite: CHE 362: Laboratory component of CHE 362. Experimental work to illustrate principles of organic chemistry. Selected chemical syntheses and advanced techniques such as separation and spectroscopic methods. 3 Lab.

CHE 385 Chemical Literature (2) I. Prerequisite: CHE 112C. Course introduces professional tools and techniques necessary for scientists including chemical literature searching, methods for disseminating chemical data, chemical safety, and professional conduct. Credit will not be awarded for both CHE 385 and 480.

CHE 411 Practicum (1-3) A. Prerequisite: departmental approval. Students will gain specific experiences through participation in planning, teaching, analysis, and/or required maintenance in a designated undergraduate chemistry course. Formal project assigned by a faculty mentor. May be taken for a maximum of three hours. 3-9 Lab.

CHE 425 Instrumental Analysis (3) A. Cross-listed as FOR 411. Prerequisites: CHE 325, 325L, 362, 362L, PHY 132 (or 202); MAT 234 (C or better in each course). Prerequisite or Corequisite: CHE 425L. Fundamental principles of the operation and application of analytical instrumentation including spectroscopy, chromatography, electrochemistry, and mass spectrometry found throughout industrial, government, forensic, and/or research environments. Credit will not be awarded to those who have received credit for FOR 411 or CHE 525. 3 Lab.

CHE 425L Instrumental Analysis Lab. (1) A. Prerequisite or Corequisite: CHE 385 and CHE 425. Lab component of CHE 425. Lab course designed to provide hands-on experience with modern chemical instrumentation for qualitative and quantitative measurements found throughout industrial, government, and research environments. Credit will not be awarded for both CHE 425L and FOR 411L. 3 Lab.

CHE 430 Biochemistry of Macromolecules. (3) A. Prerequisites: CHE 362 and 362L. Structure, analysis, and organization of proteins, nucleic acids, and lipids; physical and organic mechanisms of enzyme action; chemistry of membrane action and the immune system. Credit will not be awarded for both CHE 430 and CHE 530.
CHE 431 Metabolic Biochemistry. (3) A. Prerequisites: CHE 362 and 362L. Continuation of CHE 430. Intermediary metabolism; carbohydrates, lipids, amino acids, and nucleotides; analysis of nucleic acids and structure, function, and control of cellular genetic apparatus. Credit will not be awarded for both CHE 431 and CHE 531.

CHE 495M Research. (1) A. Prerequisite or Corequisite: CHE 430 or 431 or departmental approval. Experimental techniques characteristic of biochemical research. Purification and characterization of proteins and nucleic acids; use of computers in modeling biochemical data. 3 Lab. Credit will not be awarded for both CHE 432 and CHE 532.

CHE 495M Research. (1) A. Prerequisite: CHE 362 and MAT 234 (C or better). Principles of inorganic chemistry with emphasis on symmetry, chemical bonding, including atomic and molecular orbital theory, and reactivity. Application of these principles to acid-base, coordination, organometallic, bioinorganic and materials chemistry are included. Credit will not be awarded for both CHE 495M and CHE 550.

CHE 484 Chemistry Colloquium (1) I, II. Prerequisites: CHE 325 and 362. Lectures and presentations by faculty; information by local and visiting scholars currently involved in research. One weekly meeting. Cannot be taken concurrent with CHE 485. May be retaken for a maximum of two hours.

CHE 495M Research. (1) A. Prerequisite: CHE 122 and departmental approval. An introduction to research in all fields of chemistry. Literature search and research project under faculty mentor that will require a formal research report. May be retaken to a maximum of three hours. Student must have the independent study proposal form approved by faculty mentor and departmental chair prior to enrollment. 3 Lab. Credit will not be awarded for both CHE 495M and CHE 485M.

CHE 495B Chemistry Laboratory Independent Research. (1) A. Prerequisite: CHE 481. May be retaken to a maximum of nine hours. Student must have the independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment. Credit will not be awarded for both CHE 495B and 485B.

CHE 501A-E Chemotopics. (1-3) A. Prerequisite: departmental approval. Topics to be chosen from current and/or specialized area of chemistry based on interests and/or need: A: Analytical, B: Biochemistry, C: Inorganic, D: Organic, E: Physical. May be retaken to a maximum of six hours.

CHE 501L Chemotopics Lab. (1) A. Prerequisite: departmental approval. Laboratory experiences chosen from specialized areas of chemistry including advanced chemical instrumentation / analysis, synthetic methods, computational chemistry, or molecular modeling. Topics vary according to student needs. May be retaken to a maximum of two hours. 3 Lab.

CHE 432 Synthetic & Analytical Methods. (5) A. Prerequisites: CHE 362, 362L, 425 (or FOR 411), 425L (or FOR 411L) (C or better in each course). Prerequisite or Corequisite: CHE 450 (C or better). Synthesis, isolation, purification, and characterization (including advanced instrumental analysis) of inorganic and organic compounds and mixtures. Other methods include handling of air and moisture sensitive compounds and molecular computations. 3 Elec-Lab. Credit will not be awarded for both CHE 432 and CHE 532.

CHE 509 Special Problems in Health Sciences. (1-4) A. Prerequisite: departmental chair approval. For independent work, special topics, or a special topic. May be retaken to a maximum of six hours. 3 Lab.

CHE 593 Understanding AIDS (1) I, II. A seminar to inform students about risk factors and implications associated with acquiring AIDS / Acquired Immune Deficiency Syndrome.

CHE 349 Applied Learning in Health. (3) A. Prerequisite: CHE 112 and departmental approval. Topics to be chosen from current and/or specialized area of chemistry based on interests and/or need: A: Analytical, B: Biochemistry, C: Inorganic, D: Organic, E: Physical. May be retaken to a maximum of six hours.

CHE 570 Biophysical Chemistry I. (4) I, II. Prerequisite: CHE 361 (C or better), BIO 111 or higher (C or better), and either MAT 234 or MAT 261. Prerequisite or Corequisite: PHY 131 or 201. An introduction to physical chemistry and methods of explanations of biological phenomenon and physical chemistry theories and methodologies applied on biological systems. Topics include thermodynamics, chemical equilibrium, kinetics, spectroscopy, and selected topics. 6 Lab / Lab / Rec. Credit will not be awarded for both CHE 570 and CHE 770. Credit will not be awarded for both CHE 570 and CHE 470.

CHE 574 Physical Chemistry I. (3) A. Prerequisite: CHE 361 (C or better). Prerequisites or Corequisites: CHE 574L and MAT 244 and PHY 181 or 201 (C or better in each course). A study of thermodynamic properties in physical and chemical systems; electrochemical processes; rates and mechanisms of chemical reactions. Credit will not be awarded for both CHE 574 and CHE 471.

CHE 574L Physical Chemistry Lab I. (1) A. Prerequisite: CHE 325 and 325L (C or better in each course). Prerequisite or Corequisite: CHE 574L and CHE 385 (C or better in each course). Laboratory component of CHE 574. Experimental work to illustrate principles of physical chemistry that include thermochromy, thermodynamics, equilibrium, and reaction kinetics. 3 Lab.

CHE 575 Physical Chemistry II. (3) A. Prerequisite: CHE 361 (C or better). Prerequisite or Corequisite: CHE 575L and MAT 254 and PHY 132 or 204 or better in each course. An introduction to quantum systems applied to model, atomic, and molecular systems; applications of atomic and molecular spectroscopy; introduction to computational chemistry. Credit will not be awarded for both CHE 575 and CHE 472.

CHE 575L Physical Chemistry Lab II. (1) A. Prerequisite: CHE 325 and 325L (C or better in each course). Prerequisites or Corequisites: CHE 575 and CHE 385 (C or better in each course). Experimental work to illustrate principles of physical chemistry including UV-visible, infrared, and fluorescence spectroscopic techniques, fundamentals of laser operation, statistical mechanics, and computational chemistry.

CHS—College of Health Sciences Dr. Deborah Whitehouse, Dean

CHS 105 Survey of Medical Terminology. (1) I, II, A. Independent study, modular design paced by class meetings includes word roots, prefixes, suffixes, and general medical terms. Credit will not be awarded for both CHS 105 and EMC 105 or CHE 200 or HSA 200.

CHS 207 Survey of Disease. (3) I-A. Prerequisites: BIO 171, 301. Prerequisite or Corequisite: CHS 105 or departmental approval. An introduction to disease process and management. Includes a survey of disease of the major body systems.

CHS 210 Special Problems in Health Sciences. (1-4) A. Prerequisite: departmental chair approval. For independent work, special workshops, or a special topic. May be retaken to a maximum of six hours.

CHS 342 Understanding AIDS (1) I, II. A seminar to inform students about risk factors and implications associated with acquiring AIDS / Acquired Immune Deficiency Syndrome.

CHS 349 Applied Learning in Health. (5-8) A. Work, under faculty and field supervisors, in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. Minimum 80 hours work required for each academic credit.

CHS 349 A-N Cooperative Study: Health Sciences. (5-8) A. Work, under faculty and field supervisors, in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. Minimum 80 hours work required for each academic credit.

CHS 410 Special Problems in Health Sciences. (1-4) A. Prerequisite: departmental chair approval. For independent work, special topics, or a special topic. May be retaken to a maximum of six hours.

CHS 420 Special Topics for Health Professionals. (1-2) A. Prerequisite: CHS 349A or standing and/or departmental approval. Topics of current interest to students enrolled in health professions. May be retaken to a maximum of six hours.

CHS 570 Health Care of the Aged. (3) A. Theories of gerontology; common health problems of the aged; focus on quality health care.

CIS—Computer Information Systems Dr. Oliver Felts, Chair

CIS 212 Introduction to Computer Information Systems. (3) I, II. Introduction to computer hardware and software systems, the Internet, basic computer applications, word processing, databases, spreadsheets, word processing, database management, and presentation software.

CIS 215 Introduction to Business Programming. (3) I, II. Prerequisite: CIS 212 or CIS 245. This course will introduce students to basic programming concepts. Intermediate introductory computer programming course using a structured programming language to solve business problems. This course will introduce: algorithm development and loop structures, structured programming methodologies, object-oriented programming languages, graphical interface design and event based programming.

CIS 230 Business Applications of Microcomputers. (3) A. Prerequisite: CIS 212 or CIS 245 or INF 104 or equivalent with a grade of “C” or better. Advanced word processing, spreadsheets, database management, and presentation software.

CIS 240 Introduction to Web Information Systems. (3) A. Introduction to design and development of Web-based systems. Includes Internet and Web technology; Web development using design procedures, HTML and XML; and hands-on experience in website design and authoring.

CIS 250 Business Programming II. (3) I, II. Prerequisite: CIS 215 with a grade of “C” or better. Intermediate computer programming course introducing: data structures; file input/output using sequential and random techniques; database access; business report generation; advanced graphical interface design and event based programming.

CIS 300 Management Information Systems. (3) I, II. Prerequisites: ACC 201, 202, CIS 212 or INF 104 and ECO 230 with a grade of “C” or better in each course; junior standing (a minimum of 60 hours) with an overall minimum of 2.0 GPA. Role of information systems in supporting managers, decision making and organizational goals; planning and managing e-business systems; global competition; social and ethical issues.

CIS 320 Forensic Computing: Investigations (3) A. Prerequisite: CIS 212 or CIS 245 or INF 104 or NET 302 with a grade of “C” or better and junior standing. Provides students with an understanding of digital forensics as used in corporate investigations and criminal/civil litigation. Students learn basic tools and techniques to properly initiate a computer forensics investigation, then acquire and analyze that evidence.

CIS 325 Forensic Computing: Acquisitions (3) A. Prerequisite: CIS 212 or CIS 245 or INF 104 or NET 302 with a grade of “C” or better and junior standing. Students will experience and understand the portion of the digital investigation beginning with digital evidence acquisition, then analysis of the evidence, and finally reporting results – implementing various forensic hardware and software including write-blockers and EnCase.

CIS 335 Data Base Management. (3) I, II.
CIS 30 Applied Learning in Computer Information Systems. (1-8 A) Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each credit hour. Three hours may be used as a major elective. May be repeated for a total of 16 credit hours.

CIS 349 A-N Cooperative Study: Computer Information Systems. (5-8 A) Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each credit hour. Three hours may be used as a major elective. May be repeated for a total of 16 credit hours.

CIS 350 Seminar in Computer Information Systems. (1-3) A Prerequisite: instructor approval. Selected topics of special and contemporary interest to business students. May be retaken under different subtitles to a maximum of six hours.

CIS 357 Networks and Telecommunication. (3) A Prerequisite: Junior standing and CIS 240 or NET 303 with a grade of "C" or better. The study of networking and telecommunications fundamentals including LANs, WANs, and the Internet. Data communication and telecommunication concepts, models, standards, and protocols are studied. Installation, configuration, and management of infrastructure technologies are practiced.

CIS 380 Information Systems Analysis and Design. (3) A Prerequisite: Junior standing and (CIS 215 or 300 with a grade of "C" or better in each course). System development life cycle with the emphasis on analysis and design. Topics include requirements determination, logical design, physical design, and implementation planning; feasibility analysis; RAD, prototyping, and object-oriented modeling techniques; software package evaluation, acquisition, and integration.

CIS 400 Electronic Business Planning and Strategy. (3) I, II Prerequisites: Junior standing and CIS 300 with a grade of "C" or better. Course covers the theory and practice of electronic business. Emphasizes e-business models and technology, assessing company performance and value; design, promotion, global and social issues.

CIS 410 Project Management and Practice. (3) - Prerequisites: Junior standing and (CIS 300 or CIS 240 or NET 303 with a grade of "C" or better in each course). This course presents the theory and practice of modern project management. The technical and managerial aspects of project management and change management are applied with the context of an information systems project.

CIS 420 Forensic Computing: Network Analysis. (3) I, II Prerequisites: Junior standing and CIS 212 or NET 303 with a grade of "C" or higher. This course provides students with an understanding of computer forensics, in the context of managing computer networking and wireless networks, as well as in the context of corporate investigations and business litigation. Students learn tools and techniques to investigate network logs, network traffic, and web sites to conduct a forensics.

CIS 430 Business Data Mining I (3) A Prerequisites: (CIS 212 or 240 and INF 104 or TEC 161) and (QMB 200 or STA 270), all with a grade of C or above. Including theory and practice of data mining topics. Includes data preparation, trends, data preprocessing, data cleaning, outlier analysis, and feature extraction. Students will learn the process in the context of corporate investigations.

CIS 436 Advanced Data Base Management. (3) A Prerequisites: CIS 335, CIS 215 or CIS 340 with a grade of "C" or better in each course. An in-depth study of modern data base management to include advanced and current database topics. Coverage involves advanced data modeling and relational database design and implementation to include current technologies and techniques; database development development for electronic business.

CIS 475 Advanced Telecommunications. (3) A Prerequisites: CIS 375 or permission of instructor. More in-depth coverage of telecommunication and networking topics. Advanced topics in development of OSI protocols, and conduct business meetings. Students learn tools and techniques to manage resources connectivity, running applications, monitoring and optimization, trouble shooting, and resources.

CIS 480 Information Systems Implementation. (3) I, II Prerequisites: CIS 215, CIS 340, CIS 380 and CIS 335 with a grade of "C" or better in each class. An in-depth study of systems development life cycle with an emphasis on implementation of an IS project. Includes topics such as project planning, software requirements, design, testing, code and test a mixed-language software application, and provide system documentation.

CIS 490 Special Problems in Computer Information Systems. (1-4) A Prerequisite: advisor/departmental approval. Independent study in information systems. May be retaken under different sub-topics to a maximum of six hours. Students must complete the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

CIS—Communication Studies

Dr. Fran Dickson, Chair

CIS 100 Introduction to Human Communication. (3) I, II. An introduction to the study of human communication. Overview of major topics in contemporary theories of intrapersonal, interpersonal, small group, and public communication. Practice in the development of skills in each of these areas. Gen. Ed. E-1C [OC].

CIS 200 Interpersonal Communication. (3) I, II. A theoretical and skills based approach to building communication competence in personal relationship development, maintenance, and dissolution.

CIS 205 Advocacy and Opposition. (3) I. The study of the techniques and principles of formal argumentative discourse. Emphasis on developing, presenting, defending, and opposing opposing positions on controversial questions. Credit will not be awarded for both CIS 205 and 205W.

CIS 205W Advocacy and Opposition. (3) I. Prerequisites: ENG 102, or ENG 105B, or HON 02. The study of techniques and principles of formal argumentative discourse. Emphasis on developing, presenting, defending, and opposing opposing positions on controversial questions through intensive writing and oral communication. Credit will not be awarded for both CIS 205W and 205.

CIS 220 Careers in Communication Studies (1-3 A). An exploration of career opportunities in communication studies. All students must take the class for one credit hour; students may elect to take the class for three credit hours, which involves onsite visits to organizations.

CIS 250 Interviewing. (3) I. Analysis and application of the communication skills necessary for becoming an effective interviewer and interviewee within organizational contexts. Learn and apply various interviewing techniques: informative, employment and persuasive interviews.

CIS 300 Business and Professional Speaking. (3) I, II. Prerequisites: CIS 205W and 210. An advanced speaking course, in which students organizes and deliver business presentations, learn and practice professional electronic/telephonic communication protocols, and conduct business meetings.

CIS 305 Research Design in Communication Studies (3) I, II. Prerequisites: CIS 205W and MAT 105 or 106 or 107 or 108 or 129 or 124H or 211. An introduction to the techniques of experimental, survey, ethnography and ethnography research designs as each pertains to the study of human communication. Learn and apply various research techniques in team building and small group interactions.

CIS 315 Communication Studies Practicum. (1-3) I, II. Prerequisite: instructor approval. Supervised practical experience in organizational, human service, or dispute resolution communication contexts. May be retaken for a maximum of three hours.

CIS 320 Persuasion. (3) A Prerequisites: ENG 101, and 102. Study of contemporary research and theories of persuasion and social influence. Practice in the design, analysis, and implementation of persuasive messages.

CIS 325 Communication in Conflict Management. (3) I, II. Prerequisites: CIS 100 or departmental approval. An advanced study of the invention, organization, style, delivery, and audience adaption of various types of speeches.

CIS 349 Applied Learning in Communication Studies. (5-8 A) Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

CIS 349 A-N Cooperative Study: Communication Studies. (5-8 A) Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

CIS 350 Organizational Communication. (3) I. Survey of theoretical and empirical literature dealing with communication behavior as it occurs within the context of organizations. Students examine communication behaviors through case study and field observation.

CIS 353 Health Communication. (3) A Prerequisites: CIS 200, 205 or 205W, and 210. A survey of recent development in the field of health communication. Emphasis is on the role of interpersonal communication and family narrative in the health care setting, patient/provider interactions, and multicultural health awareness.
CMS 375 Intercultural Communication. (3) A. Prerequisites: CMS 200, 205 or 205W, and 210. A study of the communication process across cultures with emphasis on intercultural perceptions, values and language problems as well as nonverbal expression in personal and professional settings.

CMS 380 Communication and Recruitment. (3). A. Prerequisites: CMS 200 or departmental approval. This course is designed to provide students with both theory and methods in recruitment, using and improving their interpersonal communication and public speaking skills. The class will utilize extensive role-playing activities to develop these skills.

CMS 400 Communication and Gender. (3) A. Prerequisites: CMS 200, 205W or 205, and 210. Focuses on relationships between communication and gender, race, and social class. Examines ways in which gender roles are created and recreated in society and in our personal and professional relationships.

CMS 410 Human Communication Theory. (3) A. A general overview of the theoretical approaches informing research or communication. The goals of the class include developing and understanding of the role of theory in the research process and the ability to critique theories.

CMS 420 Negotiation. (3) A. This course combines communication theory and practice in resolving conflicts using the negotiation process. Extensive role-playing activities will be utilized to develop these skills.

CMS 430 Family Communication. (3) A. Prerequisite CMS 200. Survey of theoretical and research literature dealing with communication in the family context. Emphasis is on the role of communication in creating and maintaining healthy marriages and families.

CMS 445 Advanced Interpersonal Communication. (3). A. Prerequisite: CMS 200 and CMS 205 or 205W. A study of analysis and research and practice in interpersonal communication. Topics include relationship messages, stages of interpersonal relationships, intimacy dialogue, the dialogue of distance, maintaining relationships through dialogue, and developing effective communication in relationships.

CMS 450 Mediation. (3) A. Prerequisites: CMS 325 or departmental approval. The study of mediation as an alternative dispute resolution technique. Involves the analysis and practice of communication skills applicable to the mediation process. Extensive mediation role-plays are an integral part of the course.

CMS 485S Communication Training and Development. (3). I, II. Prerequisite: CMS 201. An introduction to the field of communication training and development for corporate, industrial, institutional, medical or educational settings. Students will practice training techniques in on-site situations. Credit will not be awarded to students who have credit for CMS 406 or 485.

CMS 490 Special Topics in Communication. (1-3) A. Course content varies each time. May be retaken to a maximum of nine hours if subject matter is different each time. Credit will not be awarded for both CMS 495 and CMS 490.

CMS 495 Communication, Leadership and Change. (3) I, II. Prerequisites: CMS 200, 205W or 205, 250, 250W or 250. Study of relationships between communication and leadership skills and organizational/societal change. Focus on leadership roles, theories, and qualities. Additional emphasis on career exploration and leadership skills.

CMS 499 Independent Study in Communication Studies. (1-6) I. Individual. Individual research and reading on a specified speech or writing subject. Regular consultation and final paper or performance. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours.

COM—Communication

Dr. Fran Dickson, Chair

COM 200 Mass Media and Society. (3) I, II. Introduction to mass media issues. Analyzes mass media impact on social, political and economic sectors of American and world societies. Considers issues and trends, including the role of the controls, violence and censorship. Credit will not be awarded for both COM 200 and 200W. Gen. Ed. E–SB [SB].

COM 200W Mass Media and Society. (3) I, II. Prerequisites: ENG 102 or ENG 105(B) or HON 102. Introduction to mass media issues. Analyzes mass media impact on social, political and economic sectors of American and world societies. Considers issues/trends, including ethics, legal controls, violence and censorship. Credit will not be awarded for both COM 200W and COM 200. Gen. Ed. E–SB [SB].

COM 201 Writing and Reporting News I. (3) I, II. Prerequisites: ENG (101 and 102) or 105 or HON 102. Study of the elements of news for print and electronic media; style, structure, sources, interviewing, story types, libel and ethics. Practice in gathering, writing and evaluating news.

COM 290 Topics in Communications. (1-3) A. Prerequisite: CMS 200. Special topics beyond the scope of regularly offered courses. May be retaken to a maximum of nine hours provided the subject matter differs each time. Specific topics included in the schedule.

COM 300 International Media. (3) I, II. Development and operations of world mass communication channels and agencies. Comparative analysis of media, media practices, and flow of news and information superimposed on the orbit. Print, radio, television and electronic news sources distinction. Examination of legal rights and responsibilities of the media. Emphasis on ethical standards and practices of the mass media. Includes development of ethical decision-making skills.

COM 301 Writing and Reporting News II. (3) I, II. Prerequisites: ENG 102 or 200W. Advanced study of news for print and broadcast media. Includes source development, deadline reporting, visual reporting, electronic news sources, in-depth reporting. Introduction to court and government reporting.

COM 320 Desktop Video. (1) I, II. Study of skills and techniques allowing effective communication in the electronic media using desktop video tools. Examination of desktop video from an aesthetic and technical perspective including television, film, art, multimedia, web video, digital still video.

COM 325 Advertising Copy and Production. (3) I, II. Prerequisites: ENG 102 or ENG 105(B) or HON 102. Introduction to copywriting and production for broadcast and/or cable. Emphasis on advertising strategy, motivation, appeals, visualization and layout. Applies research and communication theory to creation of advertising. Credit will not be awarded for both COM 325 and 325S.

COM 325S Advertising Copy and Production. (3) I, II. Prerequisites: ENG 102 or ENG 105(B) or HON 102. Using a service-learning-based approach, students learn copywriting and production for electronic, print and other advertising media. Topics include advertising strategy and practice, motivation, appeals, visualization and layout, applied research and communication theory. Credit will not be awarded for both COM 325 and 325S.

COM 330 Sportswriting and Reporting. (3) I, II. Prerequisites: CMS 200 or departmental approval. Study of the areas of writing, production, marketing, and public relations. Includes exercises in promotions.

COM 345 Media Law. (3). A. Prerequisite: COM 200 or departmental approval. Examination of legal principles relating to the media, including press freedom, copyright, libel, slander, privacy, free press/fair trial, and regulation. Emphasizes the legal rights and responsibilities of the media.

COM 415 Media Ethics. (3). A. Prerequisite: COM 200 or departmental approval. Examination of ethical standards and practices of the mass media. Includes development of ethical decision-making skills.

COM 420 Mass Communications Research. (3). A. Prerequisite: PUB 380 or grade of “C” or higher on departmental approval. Introduction to research process, research approaches, basic statistics, and applied research in the field of mass communications.

COM 425 Media Planning and Buying, (3) I, II. An introduction to the process of media planning and buying. Emphasis on basic measurements and calculations, reach and frequency, strategy, evaluation, and budgeting.

COM 430 Legislative Reporting, (3). A. Prerequisite: COM 201 or departmental approval. Reporting on the state legislature for print and broadcast media. Counts as JOU/BEM elective.

COM 445 Broadcast and Cable Promotion. (3). I, II. Study of broadcast and/or cable promotion in the areas of writing, production, marketing, and public relations. Includes exercises in promotions.

COM 471 Media Sales. (3). A. Problems and practices of both print and electronic media sales. Includes case studies in both print and broadcast sales development (local, regional, and national), pricing, production, promotion, and basic sales campaigns.

COM 490 Media Campaigns. (3) A. Prerequisites: COM 325 or 425. Design and execution of a complete advertising/media campaign based on an actual case study. Includes primary research, media planning, creative design/execution, and evaluation. Students produce professional quality advertising materials for national competition. Credit will not be awarded for both COM 490 and MKT 426.

COM 550 Readings in Mass Communications. (3) A. Prerequisites: instructor approval and senior standing. Critical reading of selected books and journals relating directly or indirectly to the departmental study of communications. Features reviews and seminar discussions of readings chosen to reflect individual student’s interests.

COM 599 Independent Study in Communication. (1-3). A. Prerequisites: completion of at least 80 hours; students must have the Independent Study Proposal Form approved by faculty supervisor and department chair prior to enrollment.

One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen baccalaureate. A minimum of 80 hours work required for academic credit. May not satisfy major or minor requirements within the department.

COM 349 A-N Cooperative Study: Multi-Media Studies. (3-8) A. Prerequisites: junior standing, “B” average in all courses within the department and departmental approval. Work under faculty and field supervisor in placements related to academic studies. One to eight credit per semester or summer. Total hours: eight, associate; sixteen baccalaureate. A minimum of 80 hours work required for each academic credit. May not satisfy major or minor requirements within the department.

COM 390 Fund Raising. (3) I, II. An overview of fundraising, including planning, organization, management, marketing, and the common sense needed to raise money from private sources.

COM 400 Studies in Communications: ______. (1-3). A. Prerequisite: will vary with course offering. Study of specific areas of communications through workshops, short courses, institutes, or through the presentation of a specific course which examines timely, topical, or specialized concerns in the field. Specific topic included in schedule. May be retaken to a maximum of nine hours.
CON—Construction Management
Dr. Scott Arias, Coordinator

CON 121 Introduction to Construction. (3)
I, II. A survey of the construction industry. Nature, scope, and general characteristics of the industry with an emphasis on careers, safety, and typical contracting methods. 2 Lec/2 Lab.

CON 201 Materials and Methods of Construction I. (3) I, II. Composition, manufacture and grades of construction materials and building products with emphasis on wood, metal, glass, roofing, finishing, and plastic materials. Methods, including safety, involved in the placement and installation of these materials. 2 Lec/2 Lab.

CON 202 Materials and Methods of Construction II. (3) II. Composition, manufacture, and grades of construction materials and building products with an emphasis on concrete and masonry. Methods, including safety, involved in the placement and installation of these materials. 2 Lec/2 Lab.

CON 211 Plane Surveying. (3) I, II. Emphasizes on building systems and materials for residential structures. Includes the understanding of the properties of structural materials and their appropriate applications. Laws, codes, and standards will be addressed along with instruction in blueprint reading. 2 Lec/2 Lab.

CON 230 Construction Graphics. (3) A. Basic principles of residential and small commercial planning; styles of architecture; a comparative study of structural systems and the preparation of working drawings. 2 Lec/2 Lab.

CON 303 Statics and Strength of Materials. (3) I, II. Preliminary: MAT 120 or 234 (4) with a minimum grade of “C”. Principles of surveying, including the measurement of distances, elevations, and angles. Calculations for the various operations, including traverse computations. Introduction to the use of surveying instruments and note keeping. 2 Lec/2 Lab.

CON 250 Structural Systems and Materials I. (3) I. Prerequisite: DES 122. Emphasis on building systems and materials for residential structures. Includes the understanding of the properties of structural materials and their appropriate applications. Laws, codes, and standards will be addressed along with instruction in blueprint reading. 2 Lec/2 Lab.

CON 305 Construction Estimating. (5) I, II. Emphasizes on building systems and materials for residential structures. Includes the understanding of the properties of structural materials and their appropriate applications. Laws, codes, and standards will be addressed along with instruction in blueprint reading. 2 Lec/2 Lab.

CON 320 Construction Surveying. (3) I, II. Prerequisite: CON 221. The application of surveying skills as they relate to horizontal and vertical control on construction projects. Activities include building layout, centerline staking, earthwork computations, and slope staking. The use of electronic instruments is emphasized. 2 Lec/2 Lab.

CON 231 Boundary Surveying. (3) I. Prerequisite: CON 221. This course introduces students to the principles of boundary surveying and provides them with the basic knowledge and skill to practice boundary surveying under the supervision of a registered professional surveyor. 2 Lec/2 Lab.

CON 322 Construction Structural Design. (3) I, II. Prerequisites: CON 303 and MAT 211 or 234 (4) and 217(I-2). A study of the design of beams and columns using steel and wood. Principles of structural design related to the design of temporary structures used in the construction process. 2 Lec/2 Lab.

CON 323 Estimating I. (3) I, II. Prerequisites: CON 201, 202, and MAT 120 with a grade of “C”. A study of the materials and labor required in the construction of commercial projects. Experience is gained in reading drawings, calculating material quantities, and listing work items in a standardized format. 2 Lec/2 Lab.

CON 324 Mechanical/Electrical Systems. (3) I, II. Prerequisites: CON 201 and 21 additional hours of CON courses. A study of plumbing, heating, air-conditioning, electrical power distribution, and lighting for vertical and horizontal construction. Basic fundamentals of water supply, waste drainage, electrical circuits, and heat loss/gain calculations are studied. 2 Lec/2 Lab.

CON 325 Construction Estimating. (5) I, II. Prerequisites: CON 201, 202; MAT 120 with a minimum grade of “C”; and TEC161. A study of estimating construction materials, equipment, labor, and costs, through reading drawings and calculating quantities and costs. Estimating software and cost databases are utilized to list work items in standardized format. 4 Lec/2 Lab.

CON 349 Applied Learning in Construction Management. (5-8) A. Prerequisites: 30 hours of credit including 9 credit hours of CON courses with a 2.0 GPA and departmental approval. Transfer students must have completed at least one semester of full-time work at EKU. Work under faculty and field supervisors in placements related to construction management. 2 Lec/2 Lab.

CON 349 A Professional Capstone I. (3) I. Prerequisite: CON 349. A project-based capstone course in construction management for senior-level majors. This course will emphasize the integration of knowledge and skills acquired in previous undergraduate courses. 2 Lec/2 Lab.

COR—Correctional and Juvenile Justice Studies
TBA, Chair

COR 201 Introduction to Corrections. (3) A. Introduction to historical, philosophical, and operational frameworks of US corrections. Debates the goals of punishment and explores institutional and community-based sentencing options.

COR 302 Living and Working in Prison (3) A. Cross-listed as CRJ 302. Examines the conditions of life and violence in prisons. Examines prison environment for corrections officers. Explores life behind bars/offender difficulties in reentering society. Credit will not be awarded to students who have credit for COR 301 or CRJ 302.

COR 303 The Offender in the Community (3) A. Formerly COR 330. Cross-listed as CRJ 303. Explores impact offenders have on community. Examines formal and informal options and alternative methods of social control used to manage offenders in community. Credit will not be awarded to students who have credit for COR 330 or CRJ 330.

COR 304 Foundations of Correctional and Juvenile Justice Practice. (3) A. Cross-listed as CRJ 331. Provides a basis for informed responses to delinquency and crime. Examines the conceptual foundations of correctional and juvenile justice practice from a multidisciplinary standpoint and implications for the effectiveness of these practices. Credit will not be awarded for both COR 331 and CRJ 331 or CRJ 331W.

COR 311 The Juvenile Justice System. (A) Cross-listed with CRJ 311. Examines the evolution of the juvenile justice system, police response to delinquency, and juvenile court’s role in protecting the public and serving children. Credit will not be awarded for both COR 311 and CRJ 311.

COR 321 Delinquency Interventions. (3) A. Examines the in-depth analysis of theoretical and practical strategies for delinquency. Examines effectiveness of individual, school, and family-based interventions in both community and residential settings.

COR 322 School-Based Interventions for At-Risk Youth (3) A. Examines school-based problems and interventions commonly experienced by at-risk youth. Discusses strategies for effective collaboration between schools and other youth-serving organizations. Credit will not be awarded for both COR 322 and CRJ 320.

COR 323 Legal and Ethical Issues in Adult Corrections (3) A. Formerly COR 315. Cross-listed as CRJ 323. An overview of legal court decisions related to adult corrections. Analyzes ethical issues surrounding adult correctional contexts and practices. Credit will not be awarded to students who have credit for COR 315 or CRJ 323.

COR 340 Correctional and Juvenile Justice Administration. (3) A. Introduces students to organizational theory and managerial principles, and examines their application to the unique challenges of correctional and juvenile justice settings.

COR 347 Applied Learning in Corrections and Juvenile Justice. (5-6) A. Prerequisites: 30 hours of college coursework and departmental approval. Work under faculty and field supervisors, in placements related to academic studies. Total hours: six, baccalaureate. A

SECTION SEVEN - COURSE DESCRIPTIONS

298 2015-2016 EKU UNDERGRADUATE CATALOG

Back to Table of Contents
minimum of 80 hours work experience is required for each academic credit.

COR 349 A-N Cooperative Study: Corrections and Juvenile Justice. (5-6) A.
Prerequisites: 30 hours of college coursework and departmental approval. Work under faculty and field supervisors, in placements related to academic studies. Total: Four, six, nine, Carreture. A minimum of 80 hours work experience is required for each academic credit.

COR 360 Rehabilitation Strategies for Adult and Juvenile Offenders (3) A. Cross-listed as CRJ 360. Designed to provide an examination of corrections and juvenile justice. Examines contemporary strategies and their effectiveness in controlling/changing offender behavior. Credit will not be awarded to students who have credit for COR 350 or CRJ 360.

COR 375 Appraisal Skills Practicum. (1-6) A.
Prerequisites: Departmental approval. Designed primarily for in-service personnel and others where COR 349 is inappropriate, this course provides the student with opportunity to integrate academic knowledge with a field experience.

COR 410 Female Offenders (3) A. Formerly COR 423. Analyzes how policy and practice has impacted female arrests and incarceration. Explores gender roles and the importance of gender-specific programming. Credit will not be awarded for both COR 410 and COR 423: “Women in Corrections”.

COR 412 Exploring the Death Penalty (3) A.
Introduces student to the history and use of the death penalty in the US. Examines purpose, fairness, and efficacy of death penalty through balanced coverage of the debate. Credit will not be awarded to students who have credit for COR 320: “Exploring the Death Penalty.”

COR 413 Addressing Mental Health and Substance Abuse Needs of Adult Offenders (3) A. Formerly COR 420. Cross-listed as CRJ 413. Examines etiology and clinical treatment of substance abuse/mental health problems of adult offenders. Describes intervention strategies. Credit will not be awarded to students who have credit for COR 320: “Addressing Mental Health and Substance abuse needs of adult offenders” or CRJ 413.

COR 420 Diversity in Corrections (3) A.
Formerly COR 423. Cross-listed as AFA 346, CRJ 345, WGS 345. Focuses on issues, status, and special needs of “non-mainstream” sub-populations within the US correctional system, both inmates and personnel. Credit will not be awarded to students who have credit for COR 423 “Diversity in Corrections.”

COR 421 Intervening with Juvenile Sex Offenders (3) A. Formerly COR 423. Provides contemporary views of the field of juvenile sex offenders and the risk they pose. Focuses on etiology, evaluation, assessment, treatment, and management of juvenile sex offenders. Credit will not be awarded to students who have credit for COR 423: “Intervening with Juvenile Sex Offenders.”

COR 422 Legal Issues in Juvenile Justice. (3) A.
Introduces the major bodies of law that inform juvenile justice practice and examines juvenile’s legal rights. Credit will not be awarded to students who have credit for COR 316 or COR 423: “Advanced Legal Issues in Juvenile Justice.”

COR 423 Topical Seminar: ____. (_) (1-3) A.
Intensive study of selected topics related to corrections and juvenile justice. May be retaken to a maximum of twelve hours on different topics.

COR 450S Service Learning in Corrections: ____. (_) (3) A.
Prerequisites: Departmental approval. Intensive study of selected topics on corrections and juvenile justice. May be retaken to a maximum of six hours on different topics.

COR 460 Independent Study. (1-6) A.
Prerequisites: Departmental approval. Individual study and/or research on a problem pertaining to corrections and/or juvenile justice. Student must have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment.

COR 470 Delinquency and Crime Prevention. (3) A.
Prerequisites: COR 201 and 300 or departmental approval. Explores various strategies for prevention of adult and juvenile crime with particular attention to the theoretical and empirical bases for these approaches. Students will develop a crime prevention plan.

CRE—Applied Creative Thinking

CRE 101W Introduction to Applied Creativity (3) A.
Prerequisites or Corequisites: ENG 102 or ENG 105 (with CRJ 100 or HON 102). A communication intensive introductory course establishing a foundation in creative thinking through instruction in basic theories and practices. Concentration on basic language and fundamental and powerful concepts in creativity studies. Credit will not be awarded to students who have credit for CRE 101.

CRE 201 Innovation and Creativity (3) A.
Prerequisite: ENG 102 or departmental approval. Explores the creative approaches of recent (and historic) innovations in business, industry, and education through a case study approach.

CRE 300 Pedagogy of Creativity Studies (3) A.
Prerequisite: ENG 102 or departmental approval. An examination of pedagogical theories and practices in the field of creativity studies. Emphasis on application of these approaches.

CRE 301 Creativity Texts & Technology (3) A.
Prerequisite: ENG 102 and at least 3 credits of CRE courses, or departmental approval. Explores the texts, technologies, and new media that allow students to create compelling messages and provides an introduction to creative production and appeals through technology.

CRE 302 Applied Research (3) A.
Prerequisite: ENG 102 and at least 3 credits of CRE courses, or departmental approval. Expands the process of cultivating intentional and systematic creative competencies in students, honing in on information fluency and creative generation.

CRE 303 Pedagogy of Creativity Studies (3) A.
Prerequisite: ENG 102 or departmental approval. An examination of pedagogical theories and practices in the field of creativity studies. Emphasis on application of these approaches.

CRE 350 Studio Theory & Practice (3) A.
Prerequisite ENG 102 or ENG 105(B) or HON 102. This course teaches students theories and practices of consulting in communication environments. Students learn effective strategies for providing feedback in individualized and small-group settings.

CRE 400 Creativity Studies Project (3) A.
Prerequisites: coordinator approval; CRE 101(C) and 12 hours of required coursework; portfolio, project, and presentation in the culminating creativity experience.

CRE 490 Independent Study: Creative Thinking (3) A.
Prerequisite: ENG 102 or departmental approval; student must consult with the faculty supervisor and have the independent study proposal form approved by faculty supervisor and program coordinator prior to enrollment. An independent study course focusing on a particular project or area in creative thinking of value to the field and interest to the student.

CRJ—Criminal Justice

CRJ 101 Introduction to Criminal Justice. (3) A.
A general overview of the criminal justice system including a description of the major agencies: police, prosecution, courts, and corrections, and an analysis of their interdependence in the criminal justice process.

CRJ 102 Drug, Crime, and Society. (3) A.
An overview of the evolution, structure, and functioning of corrections in the United States. Examines correctional processes, populations, and issues.

CRJ 103 Drug, Crime, and Society. (3) A.
Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing or departmental approval. An examination of drug trafficking, the connection between drug use and other types of crime, and a review of drug control policies, including the impact of the media and politics.

CRJ 302 Living and Working in Prison (3) A.
Cross-listed as COR 302. Prerequisite: Junior or Senior standing. Examines inmate subcultures and violence in prisons. Analyzes prison environment for correctional officers. Explores life behind bars: offender difficulties in serving society. Credit will not be awarded for both CRJ 302 and COR 302.

CRJ 303 The Offender in the Community (3) A.
Cross-listed as COR 303. Prerequisite: Junior or Senior standing. Explores inmates offenders in community. Examines formal correctional operations and alternative methods of social control used to manage offenders in community. Credit will not be awarded for both CRJ 303 and COR 303.

CRJ 305 Domestic Violence, (3) A. Cross-listed as WGS 305. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examination of the theoretical and empirical literature on violence against women, children, and elders. Addresses such issues as physical and sexual abuse of children, courtship violence, domestic violence, marital rape, and elder abuse. Credit will not be awarded for both CRJ 305 and WGS 305.

CRJ 311 Juvenile Justice System (3) A. Cross-listed as COR 311. Prerequisite: Junior or Senior standing. Examines the evolution of the juvenile justice system, policy response to delinquency, and juvenile court’s role in protecting the public and serving children. Credit will not be awarded for both CRJ 311 and COR 311.

CRJ 312 Judicial Processes, (3) A.
Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. An in-depth study of law-making and the American judicial process. Includes a systematic and comprehensive analysis of American courts, their pivotal role in the criminal justice system, and the function and responsibilities of the key personnel within them.

CRJ 313 Criminal Justice Ethics. (3) A.
Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examines the moral, legal and normative obligations of the state and criminal justice professionals. Surveys the philosophies and theories of ethics and deviance. Credit will not be awarded for both CRJ 313 and 313S.

CRJ 313S Criminal Justice Ethics. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examines the moral, legal and normative obligations of the state and criminal justice professionals. Surveys the philosophies and theories of ethics and deviance enhanced with a service-learning component. Credit will not be awarded for both CRJ 313 and 313S.

CRJ 314 Law and Society (3) A. Prerequisite: Junior or Senior standing. Critically examines law in everyday life. Law infuses popular media, constructs (and constrains) identity, and pervades language. In turn, media, identity, and discourse construct our understandings of law. Particular attention is paid to the law’s role in practices and discourses of resistance and in exerting social control.

CRJ 315 Administration of Justice. (3) A.
Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examines theories of organization and management as they relate to criminal justice practice. Organizational life, leadership personnel management, bureaucracy, resource management, and other critical administration issues are addressed.

CRJ 323 Legal and Ethical Issues in Adult Corrections (3) A. Cross-listed as COR 323. Prerequisite: Junior or Senior standing. An overview of legal court decisions related to adult corrections. Analyzes ethical issues surrounding adult correctional concerns and practices. Credit will not be awarded for both CRJ 323 and COR 323.

CRJ 325 White Collar Crime. (3) A.
Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. A review
and analysis of the upper world crimes of business and government committed in the course of legitimate occupations and financial activities.

CRJ 331 Perspectives on Crime and Delinquency. (3) A. Prerequisite: Junior or Senior standing. Overview of crime and its control. Examines law making, law breaking, and the social response to theoretical and empirical issues concerning social, economic, cultural, political, psychological and biological. Includes historical and contemporary developments. Credit will not be awarded for both CRJ 331 and COR 310 or CRJ 331W.

CRJ 331W Perspectives on Crime and Delinquency (3) A. Prerequisites: ENG 102 or ENG 105 or HON 102 and CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Overview of crime and its control. Examines law making, law breaking, and the social response from theoretical perspectives including social, economic, cultural, symbolic, psychological and biological. Includes historical and contemporary developments. Credit will not be awarded for both CRJ 331W and CRJ 331 or COR 310.

CRJ 345 Diversity and Criminal Justice. (3) A. Cross-listed as AFA 346 and WGS 345. Prerequisites: Junior or Senior standing or departmental approval. Contemporary race, gender, and other diversity issues that affect offenders, victims, society, and the criminal justice system. Includes domestic and international human rights and social justice issues of policing and prison/penal development. (This course provides credit in Women and Gender Studies and in the African/African-American Program.) Credit will not be awarded to students who have credit for AFA 346 or WGS 345.

CRJ 350 International and Comparative Criminal Justice Systems. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. A survey of selected world crimes including justice systems including police, courts, and corrections. Cross-national and cross-cultural criminality from several perspectives will be examined.

CRJ 355 Rural Crime and Justice. (3) A. Prerequisite: sophomore standing. Survey of rural crime and justice issues, crime trends, policing and control of rural crime with particular attention given to Kentucky and Appalachia. Credit will not be awarded for both CRJ 355 and APP 355.

CRJ 360 Rehabilitation Strategies for Adult and Juvenile Offenders (3) A. Cross-listed as COR 360. Prerequisite: Junior or Senior standing. Debates the rehabilitative goal of corrections and juvenile justice. Examines contemporary strategies and their effectiveness in controlling and modifying criminal behavior. Credit will not be awarded for both CRJ 360 and COR 360.

CRJ 375 Climate Change and Crime. (3) A. Prerequisite: Junior standing. CRJ 101 with a grade of C or higher. Overview of climate change and its effects. Draws on leading crime theories to discuss the potential impact of climate change on crime. Credit will not be awarded for both CRJ 375 Climate Change and Crime and CRJ 406 Critical Issues in Criminal Justice.

CRJ 388 Criminal Justice Research. (3) A. Prerequisite: Junior or Senior standing. Overview of the research process, with emphasis on finding, using, and evaluating criminal justice research. Examination of both qualitative and quantitative social science research methods and procedures appropriate to the study of crime policy and criminal justice. Credit will not be awarded to students who have credit for COR 388 or CRJ 388.

CRJ 400 Applied Criminal Justice Analysis. (3) A. Prerequisite: standing. Examining Analytical and statistical methods and procedures relevant to crime and criminal justice data. Includes quantitative and qualitative techniques.

CRJ 401 Organized Crime. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. History, scope, and methods of control of organized crime. Emphasis on local, national, regional, and international control of organized crime. Credit will not be awarded for both CRJ 401 Organized Crime and CRJ 403 Crime Mapping.

CRJ 403 Crime Mapping. (3) A. Prerequisite: sophomore standing. The purpose of this class is to introduce the student to theoretical and practical aspects of crime mapping and the spatial analysis of crime. In addition the lab portion of the class will provide hands-on training in crime mapping practices.

CRJ 406 Critical Issues in Criminal Justice. (3) I, II. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examination of the criminal justice system and process with an emphasis on contemporary and historical trends. This course provides an analytical overview of justice and its response to the needs of society. May be retaken for a maximum of six hours on different topics.

CRJ 410 Alcohol and the Law. (3) A. Prerequisite: Junior or Senior standing. This course is an overview of the history of alcohol and prohibition in the U.S. Subtopics include: the American temperance tradition, moderation vs. prohibition, government enforced morals, and the interconnection among religion, politics and the law.

CRJ 411 Capital Punishment in the U.S. (3) A. Prerequisites: Junior or Senior standing; CRJ 101 with a grade of C or higher. Examines the historical and contemporary debates over the death penalty in the United States. Credit will not be awarded for both CRJ 411 Capital Punishment in the U.S. and CRJ 423 Topical Seminar: Capital Punishment in the U.S.

CRJ 412 Gender, Class and Race. (3) A. Prerequisite: Junior or Senior standing. Critically examines gender, class and race and their intersections as they pertain to crime, offending, victimization, and punishment. This course will lead students to an understanding of how the criminal justice apparatus operates within larger social, political, and economic systems of oppression and domination over marginalized populations.

CRJ 413 Addressing Mental Health and Substance Abuse Needs of Adult Offenders (3) A. Formerly: COR 320. Prerequisite: Junior or Senior standing. Cross-listed as COR 413. Examines etiology and effects of substance abuse/ mental health problems of adult offenders. Describes intervention strategies. Credit will not be awarded to students who have credit for COR 413 or COR 320.

CRJ 415 Prostitution and Criminal Justice. (3) A. Prerequisite: Sophomore standing. This course is an analytic overview of the history of prostitution in the United States. Subtopics that will be included are: the American reform tradition, deviance, social control, regulation vs. prohibition, feminism, and politics.

CRJ 422 Human Trafficking. (3) A. Prerequisite: Junior or Senior standing. Critically examines the global problem of human trafficking. Using a historical and comparative framework, this course reveals variation in human trafficking patterns in different regions of the world and efforts to combat human trafficking and its implications for prevention, protection, prosecution, and partnerships.

CRJ 423 Topical Seminar: ______. (3) A. Prerequisites: departmental approval, sophomore standing. Intensive study of selected topics related to criminal justice. May be retaken with different topics.

CRJ 424 Field Experience. (3) A. Prerequisites: instructor and departmental approval, sophomore standing. Designed to broaden the educational experience through appropriate observational work assignments. (Intended for pre-service students in non-own positions.) May be retaken 1 time for 6 total credit hours.

CRJ 425 Criminal Gangs. (3) A. Prerequisite: Junior or Senior standing. Course examines single purpose criminal gangs that commit crimes for profit for a short time period and organized criminal gangs that have extensive supporting networks and long histories of criminal activity such as adult street gangs, prison gangs, outlaw motorcycle gangs and drug trafficking organizations.

CRJ 440 Pathological Gambling and Crime. (3) A. Prerequisites: Junior or Senior standing; CRJ 101 with a grade of C or higher. This course examines problem gambling and its relationship to crime and criminal justice. Special attention is given legal, corrections, and offending. Credit will not be awarded for both CRJ 440 Pathological Gambling and CRJ 423 Topical Seminar: Problem Gambling.

CRJ 460 Independent Study. (1-3) A. Prerequisites: departmental approval, sophomore standing. Individual study and/or research on a problem pertaining to criminal justice. Student must have the independent study proposal form approved by faculty supervisor and departmental approval. May be retaken for a maximum of six hours.

CRJ 490 Senior Seminar. (3) A. Prerequisites: senior standing and completion of CRJ 331, CRJ 388 and at least 21 hours of CRJ coursework or departmental approval. Capstone course consisting of development and production of a senior level research paper grounded in relevant criminal justice literature. Emphasis on integration of knowledge acquired in previous courses.

CSC—Computer Science
Dr. Ka-Wing Wong, Chair

CSC 100 Introduction to Computer Game Design. (3) I, II. Introduction to computer game design, frame based animation, sound effects, program logic, game scripting, and object oriented programming. Credit will not be awarded for both CSC 250 and 146.

CSC 140 Introduction to Programming: (3) A. Prerequisite: MAT 098 or higher, or a minimum score of 22 on the mathematics portion of the ACT, or a minimum score of 510 on the math portion of the SAT. Introduction to problem solving with computers using the Internet using an appropriate programming language. Basic concepts include data types, objects, control structures, functions, and input/output features.

CSC 174 Introduction to Programming for Science & Engineering I. (3) A. Prerequisite: MAT 098 with a minimum grade of “C”, MAT 105 or higher, a minimum score of 22 on the mathematics portion of the ACT, or a minimum score of 510 on the math portion of the SAT. Introductory programming for scientific and engineering applications, input/output, decision, loops, arrays, subroutines, functions, files and simulation.

CSC 177 Introduction to Visual Basic. (3) I, II. Prerequisite: MAT 098 or higher, or a minimum score of 22 on the mathematics portion of the ACT, or a minimum score of 510 on the math portion of the SAT. Introduction to programming in the event driven graphical programming language Visual Basic. Topics include forms, common controls/objects, coding, procedures, file management and developing Windows applications.

CSC 178 Programming in ______. (1-3) A. Prerequisite: completion of all mathematics developmental requirements. Programming in selected languages, with appropriate applications. May be retaken a maximum of six hours, provided the languages are different.

CSC 185 Intro to Computing Concepts. (3) I, II. Prerequisite: MAT 098 or higher, or a minimum score of 22 on the mathematics portion of the ACT, or a minimum score of 510 on the math portion of the SAT. Study fundamental computing concepts, mathematical structures, and logical principles required.
to design computer programs. Practice step-by-step problem solving in support of good algorithm design and verification techniques.

CSC 190 Object-Oriented Programming I, (3) I, II. Prerequisite: a minimum of 22 on the mathematics portion of the ACT or a minimum of 510 on the mathematics portion of the SAT or a minimum grade of “C” in CSC 185. Object-oriented programming, recursion, arrays, inheritance, file input/output, exception handling, multi-thread programming, GUI, object-oriented analysis and design.

CSC 191 Object-Oriented Programming II, (3) I, II. Prerequisite: a minimum grade of “C” in CSC 190 and a minimum of 25 on the mathematics portion of the ACT, a minimum of 590 on the mathematics portion of the SAT, or a minimum grade of “C” in CSC 185. Object-oriented programming, recursion, arrays, inheritance, file input/output, exception handling, multi-thread programming, GUI, object-oriented analysis and design.

CSC 195 Intro to Discrete Structures, (3) I, II. Prerequisites: A minimum grade of “C” in CSC 190; and a minimum of 25 on the mathematics portion of the ACT, a minimum of 590 on the mathematics portion of the SAT, or a minimum grade of “C” in CSC 185. Topics to be covered include sets, relations, functions; logic; algorithm design/analysis, recursive algorithms, recurrence relations, mathematical induction, counting, probability.

CSC 200 Introduction to Computer Organization, (3) I, II. Prerequisite: CSC 191 with a minimum grade of “C.” Computer structure, assembly language, instruction execution, addressing, data representation, macro definition and generation, utility programs, programming techniques.

CSC 250 Intro to Interactive Games/App. (3) A. Prerequisite: CSC 190 with a minimum grade of “C.” Introduction to multimedia programming and scripting. Topics include frame-based animation, video editing, sound effects, program logic, and object-oriented programming. Credit will not be awarded for both CSC 250 and 140.

CSC 300 Introduction to Numerical Methods, (3) A. Prerequisites: MAT 224 or 224H, an approved programming language. Error analysis, nonlinear equations, interpolation, numerical differentiation and integration, ordinary differential equations, direct and iterative methods of solving linear systems, approximation.

CSC 302 Introduction to System Environments, (3) I, II. Prerequisite: CSC 191 with a minimum grade of “C.” Introduction to computer system environments, utility programs, system programming, system administration, networking and operating systems.

CSC 306 Ethics for the Computer Professional, (3) A. Prerequisite: CSC 191 with a minimum grade of “C.” Responsibilities of the computing professional, social implications of computing, privacy, crime and abuse, risk and liabilities, copyright, and patents.

CSC 308 Mobile App Development for Apple iOS, (3) A. Prerequisite: CSC 191 with a minimum grade of “C.” Introduction to developing mobile applications for Apple iOS. Topics include development tools, APIs, user interfaces, mobile-specific technologies and application design.

CSC 309 Mobile App Dev for Android, (3) A. Prerequisite: CSC 191 with a minimum grade of “C.” Introduction to developing mobile device web sites and applications for Android. Topics include development tools, APIs, user interfaces, mobile-specific technologies and application design.

CSC 310 Data Structures, (3) I, II. Prerequisites: CSC 191 and CSC 195 with a minimum grade of “C” in both. The application and implementation of data structures including arrays, stacks, queues, linked lists, and trees. Internal searching and sorting techniques. The analysis of algorithms.

CSC 312 File Processing, (3) I, II. Prerequisite: CSC 310 with a minimum grade of “C.” File organization and file storage devices. Topics include external sorting, sequential file processing, hashing, B-trees, and introduction to databases.

CSC 313 Database Systems, (3) A. Prerequisite: CSC 310 with a minimum grade of “C.” Introduction to databases, storage and retrieval of data, report generation, interface and application development, online queries, XML, multimedia database, and database security.

CSC 315 3D Modeling, (3) A. Prerequisite: CSC 191 with a minimum grade of “C.” An introduction to geometric representations in 3D. Topics include polygon and spline modeling, texture mapping, materials, 3D scanning, and topics in animation including character rigging.

CSC 316 3D Game Engine Design, (3) A. Prerequisite: CSC 310. Introduction to 3D animation and programming. Topics include coordinate systems, vertices, lines, polygons, geometric objects, 3D models, motion control, and animation development.

CSC 320 Introduction to Algorithms, (3) A. Prerequisites: CSC 310 with a minimum grade of “C” and MAT 234 or 234H. Fundamental algorithms required in computer science; algorithm design/analysis methods, graph algorithms, geometric and parallel algorithms, and computational models.

CSC 330 System Environments & Networks, (3) A. Prerequisite: CSC 191 with a minimum grade of “C.” Introduction to computer system environments, utilities, system administration, networking.

CSC 332 Digital Storage Device Forensics, (3) A. Prerequisite: a minimum grade of “C” in CSC 310. Introduction to digital storage forensics. Topics include digital imaging, fundamentals of storage devices (hard disk, optical, flash, consumer electronics devices, and mobile devices), disk volume analysis, and file system analysis (FAT/NTFS, Ext2/3/4, UFS/1/2, HFS/HFS+/HFSX).

CSC 333 Object-Oriented Software Engineering, (3) A. Prerequisite: CSC 310 with a minimum grade of “C.” Responsibilities of software professionals, social implications of software such as privacy, crime and abuse, risk and liabilities, copyright, and patents, software project planning, software requirements analysis, software design, and software testing.

CSC 349 Applied Learning in Computer Science, (5-8) B, I; (1-6) SUMMER ONLY. Prerequisite: students must have successfully completed 30 semester hours of course work including six hours of Computer Science major courses. In addition, transfer students must have completed at least one semester of full-time course work at EKU. Work in placements related to academic studies. A minimum of three hours may be applied toward the Computer Science Technology option degree only. Credit does not apply to general Computer Science major or minor requirements. Total hours: eight; associate: sixteen, baccalaureate. A minimum of 80 hours of employment is required for each semester hour of academic credit. Credit may only be awarded in the semester in which the work is completed.

CSC 349-A-N Cooperative Study: Computer Science, (5-8) B, I; (1-6) SUMMER ONLY. Prerequisite: students must have successfully completed 30 semester hours of course work including six hours of Computer Science major courses. In addition, transfer students must have completed at least one semester of full-time course work at EKU. Work in placements related to academic studies. A maximum of three hours may be applied toward the Computer Science Technology option degree only. Credit does not apply to general Computer Science major or minor requirements. Total hours: eight; associate: sixteen, baccalaureate. A minimum of 80 hours of employment is required for each semester hour of academic credit. Credit may only be awarded in the semester in which the work is completed.

CSC 349-C Programming Languages, (3) I, II. Prerequisites: CSC 200 and 310 with a minimum grade of “C” in both courses. The principles used in the design and implementation of programming languages. Language descriptions, structural implementations, and specialized features of languages.

CSC 360 Computer Org & Architecture (3) A. Prerequisite: CSC 191 with a minimum grade of “C”. Information representation, instruction set architecture, assembly language, instruction execution, basic processing units, input/output organization, memory and storage, elementary machines, addressing schemes, stack and parallel computers, overlap and pipeline processing, microprogramming, performance evaluation. Credit will not be awarded for both CSC 360 and 370.

CSC 370 Computer Architecture, (3) A. Prerequisite: CSC 200. Information representation, Boolean algebra and combinatorial logic, memory and storage, elementary machines, addressing schemes, stack and parallel computers, overlap and pipeline processing, microprogramming, performance evaluation. Credit will not be awarded for both CSC 360 and 370.

CSC 390 Advanced Programming Techniques with ____, (3) A. Prerequisite: CSC 191, with a minimum grade of C. Advanced introduction to a selected programming language, with appropriate applications. May be taken to a maximum of six hours, provided the languages are different.

CSC 400 Operating Systems, (3) I, II. Prerequisites: CSC 310, and 360. Overall structure of multiprogramming systems, details of addressing techniques, memory-management, file system design and management, traffic control, interprocess communication, system module design, interprocess networking.

CSC 401 Network and System Programming, (3) A. Prerequisites: CSC 302, CSC 370 or EET 254. Technical programming in the UNIX and the Internet environments: shell scripting, utilities, TCP/IP, HTML, CGI, and JavaScript. Survey of Internet protocols.

CSC 425 Compiler Construction. (3) I, II. Prerequisites: CSC 320 and 350. Basic concepts of lexical analysis and syntax analysis. A programming team project will implement the lexical analysis and parser construction components of a compiler.

CSC 440 Applied Software Engineering, (3) A. Prerequisites: A minimum grade of “C” in CSC 340. Techniques and tools for software requirements, software design, software testing, and software project planning as a team project for majors in computer science.

CSC 460 Computer Network & System Administration. (3) A. Prerequisite: CSC 310 with a minimum grade of C. Introduction to the subject of computer networks and layers of computer architecture of data communication systems, point-to-point networks, local networks, end-to-end protocols and internetworking, and server-side technology to create interactive web pages.

CSC 490 Seminar in ______, (1-3) A. Prerequisite: departmental approval. For advanced students in computer science. Subject announced when offered. May be taken to a maximum of 12 hours, provided that the topics are different.

CSC 491 Game Design Capstone, (3) A. Prerequisite: CSC 316 and senior status. Level design, storyboarding, character modeling, game scripting, game interface design, audio effects, marketing, and ethics. Students will work in groups to develop a computer game term project.

CSC 494 Innovative Problem Solving (1-3) A. Prerequisite: Departmental approval. An individually developed project related to an innovative solution of a problem provided by the software industry. The result is to be presented in open forum. May be retaken to a maximum of 6 hours provided the topics are different.

CSC 495 Independent Work. (1-3) I, II. Prerequisites: ENG 102, 105(B) or HON 102, and departmental approval. Directed study/research on a problem or area chosen in consultation with the instructor. Final paper required. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of twelve hours.

CSC 496 Senior Seminar. (1) A. Prerequisite: CSC 340 with a minimum grade of “C”. Critically evaluate current issues in computer science and...
### Section Seven - Course Descriptions

#### CSC 507 Special Topics
(1-3) A.
Prerequisite: departmental approval. Topics vary with offering. May be retaken to a maximum of six hours with advisor approval, provided the topics are different.

#### CSC 520 Multimedia System and Forensics
(3) A.
Prerequisite: CSC 310. Integration of multimedia technologies, signal processing and compression of images, audio, and video, multimedia forensics and message hiding.

#### CSC 530 Concepts of Programming Systems
(3) A.
Prerequisites: three hours of a programming language or department approval. The top-down design of algorithms, structured programming, control structures, subprograms, files and lists. Programs will be written in a high level language. Credit does not apply to the B.S. degree in Computer Science.

#### CSC 535 Discrete Structure
(3) A.
Prerequisite: MAT 107, 114 or equivalent. Corequisite: CSC 530. Logic, sets, functions, Boolean algebra, probability and their applications, number theory, recursion, math induction proofs with application of these topics to computer science.

#### CSC 538 Computer Crime and Forensics
(3) A.
Prerequisite: CSC 322 and one of the following: computer crime and forensics. Computer criminal evidence collection, analysis and handling; computer forensics tools; data acquisition; digital evidence control; Windows and Linux systems investigation; email investigation; network forensics; computer forensic methods and testing.

#### CSC 540 Integrated DB Applications
(3) A.
Prerequisite: CSC 310 with a minimum grade of “C.” Techniques and tools for creating an integrated database application. Topics include architecture of a client/server database, creation of named program units stored in the database and in the workstation file system, developer utilities and domain integrity.

#### CSC 541 Software Testing
(3) A.
Prerequisite: CSC 310. The purpose of this course is to study software testing process, methods, techniques and tools. Topics include black box testing, white box testing, integration testing, acceptance testing, regression testing, performance testing, stress testing, and testing of object-oriented software.

#### CSC 542 Internet Forensics
(3) A.
Prerequisite: CSC 322 with a minimum grade of “C.” This course covers the basic knowledge and skills necessary to analyze Internet-based applications artifacts for digital evidence recovery. The topics include popular Web browsers, instant messengers, and social media apps.

#### CSC 544 Database Admin and Security
(3) A.
Prerequisite: CSC 310 with a minimum grade of “C.” This course covers database management system concepts, database system architecture, installation and setup, database management, performance monitoring and tuning, backup and recovery, database security models and management, database auditing.

#### CSC 545 Theory of Database Systems
(3) A.
Prerequisite: a minimum grade of “C” in CSC 310. Models and principles of information systems. Database languages. The logical and physical design as well as the implementation and use of database systems.

#### CSC 546 Artificial Intelligence
(3) A.
Prerequisite: CSC 310 with a minimum grade of “C” or CSC 530. The use of programming languages to model concepts selected from artificial intelligence. The application of heuristics to problem solving. Perception and pattern recognition.

#### CSC 547 Network Forensics and Investigation
(3) A.
Prerequisites: Senior standing and CSC 310. Integration of Windows network forensics. Topics include: Windows network structure; Windows password/authorization mechanisms; Windows ports and services; Liveanalysis techniques; Windows registry structure and analysis; Forensic analysis of events logs; Network forensics tools and reporting.

#### CSC 548 Personal Electronic Device Forensics
(3) A.
Prerequisite: CSC332. Introduction to personal electronic device forensics. Topics include architecture, functionality, operating systems and implementation of PEDs (cell phones, PDAs, iPod, MP3 music players, GPS devices), recovering evidence from PEDs, and hostile forensic and booby-trapping techniques.

#### CSC 549 Computer Forensics Capstone
(3) A.
Prerequisite: CSC 332. Project course. Students apply learned digital media, techniques and software and hardware tools to work on a team project on a case for digital evidence collection, handling, analysis, and reporting.

#### CSC 550 Graphics Programming
(3) A.
Prerequisites: CSC 316. 3-D geometry, model transformation, matrices, computer algorithms and protocols, texture mapping, camera control, and collision detection.

#### CSC 555 Topics in Multimedia
(3) A.
Prerequisite: departmental approval. For advanced students in computer science. Subject announced when offered. May be retaken to a maximum of six hours, provided the topics are different.

#### CTE 164 Orientation to Career and Technical Education
(3) A.
Instruction to new technical teachers in areas of principles of instruction, lesson planning, oral instruction, instructional media, demonstrations, evaluation and follow-up. Satisfactory-unsatisfactory grading.

#### CTE 303 Career and Technical Education Staff Exchange
(2-9) A.
Prerequisite: departmental approval. For in-service career and technical teachers enrolled in an approved staff exchange program designed to update skills and knowledge in an occupational setting. Assignments include verifying contact hours, site visit, narrative summary, and lesson development. First week of exchange is equal to two semester hours of credit with one additional hour of credit for each additional week. Satisfactory-unsatisfactory grading.

#### CTE 204 Related Science, Mathematics, and Technology in Occupations I
(3) A.
Offered only through written examinations; applicant must be eligible for vocational teaching certificate.

#### CTE 205 Manipulative Skills in Occupations I
(3) A.
Offered only through written examination; applicant must be eligible for vocational teaching certificate.

#### CTE 261 Course Materials in Career and Technical Education
(3) A.
The preparation of instructional materials and instructional techniques, including the development and use of instructional media. The content will include the development of curricula at appropriate levels of education and appropriate laboratory activities.

#### CTE 363 Evaluation in Career and Technical Education
(3) A.
Methods of evaluation, preparation of measuring devices; methods of assessing technical competency; interpretation of standardized test results; statistical analysis of test data and the improvement of instruction.

#### CTE 364 Methods in Career and Technical Education
(3) A.
Presentation and application of instructional materials, methods, techniques, and devices relevant to teaching technical subjects.

#### CTE 463 Practicum in Career and Technical Education
(4-12) A.
Prerequisites: CTE 361, 363, 364. Observation, participation and training in a setting, relating to an occupation in vocational and technical education. Includes experiences in lesson planning, classroom management, record keeping, development and use of instructional materials and directed teaching in approved centers. Students are graded on a satisfactory-unsatisfactory basis.

#### DES—Design
Mr. Herb Goodman, Chair

#### DES 121 The Interior Environment
(3) A.
An orientation to the profession: relationship to allied fields, contemporary developments, professional organizations, career options and philosophical approaches. Introduction to the principles and elements of design, programming, space planning, and decorative ornamentation. Open only to non-Interior Design majors.

#### DES 122 Graphic Communication in ID.
(3) I.
Prerequisite: DES 121. Emphasis on graphic communication as part of the design process for interior designers. Integration of drawing skills employed in graphic representation methods used to analyze and describe interiors and conceptual ideas. Studio.

#### DES 123 Computers and Interior Design
(3) I.
Prerequisites: CDS 122. A study of two and three-dimensional design theories including color theory and spatial organization and their application to interior design. Both graphic and model making techniques utilized. Studio meets for 3 hours twice a week.

#### DES 225 Interior Design Studio I
(3) I.
Prerequisites: ART 100, 152, 153; DES 122. A study of two and three-dimensional design theories including color theory and spatial organization and their application to interior design. Both graphic and model making techniques utilized. Studio meets for 3 hours twice a week.

#### DES 226 Interior Design Studio II
(3) I.
Prerequisite: DES 225. The study of the concepts and requirements in residential interior design. Programming, human factors, space planning, and study of functional and aesthetic aspects of residential environments will be explored. Studio meets for 3 hours twice a week.

#### DES 250 Introduction to Graphic Design
(3) I, II.
Prerequisites: ART 100 and 152. Introduction to the field of professional graphic design and its conceptual

and technical makeup. A portfolio review will be conducted during exam week of DES 250 to determine eligibility for DES 350 and 351.

DES 317 Interior Design Study Tour I. (1-3)
A. Prerequisite: 30 hours in the Interior design major or approval. A tour planned for interior design students to observe the operation of established businesses involved in production or display of items such as furniture and accessories. Special project required.

DES 319 Seminar in Interior Design. (1-3)
A. A study of technical information relevant to interior design. Content to be determined by student interest and needs. May be retaken to a maximum of six hours provided the content is different.

DES 322 Interior Design Studio III. (3) I, II.
Prerequisites: DES 226 and 330. Major GPA 3.0, and admission to the BFA program. Corequisites: DES 325. Research analysis, programming, space planning, and human factors in residential and/or small-scale commercial design. Laptops and CAD software required. Studio meets for 3 hours twice a week.

DES 325 Professional Practice in ID. (3) I.
Corequisite: DES 322. An examination of the profession of interior design including history, procedures, documents, organizations, trade resources, certification, management, and ethics.

DES 326 Interior Design Studio IV. (3) II.
Prerequisite: DES 322, Major GPA 3.0, and admission to the BFA program. Research, analysis, organization, advance programming in large-scale commercial and/or residential design emphasizing special populations, and resulting in functional and aesthetic design solutions. Studio meets for 3 hours twice a week.

DES 327 History of Interior Design I. (3) I.
Introduction to interior design. ARH 190 and 191. The study of the history and theory of architecture, interiors, and decorative arts from the Renaissance through the nineteenth century. An examination of the significance and application to current design problems.

DES 328 History of Interior Design II. (3) II.
Prerequisite: DES 327. The study of the history and theory of architecture, interiors, and decorative arts from the nineteenth century through the present day. An examination of the significance and application to current design problems.

DES 330 Lighting Design. (3) II.
Prerequisite: CON 250. Introduction to lighting with an emphasis on theory, codes, and practical application/selection of lighting to enhance interior space.
Integration of lighting issues that are essential and specific to the industry and profession of interior design.

DES 332 Housing Alternatives for Elderly. (3)
A. Examination of the housing options and alternatives for the elderly population resulting in an awareness of and responsiveness to the needs of the user.

DES 349 Applied Learning in Art & Design (5-8) A.
A. Work in a professional environment related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours employment required for each semester hour credit. Students must have successfully completed 30 semester hours of course work and transfer students must have completed at least one semester of full-time course work at EKU with a GPA of 3.0.

DES 349 A-N Cooperative Study: Art & Design (5-8) A.
A. Work in a professional environment related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours employment required for each semester hour credit. Students must have successfully completed 30 semester hours of course work and transfer students must have completed at least one semester of full-time course work at EKU with a GPA of 3.0.

DES 350 Typography I. (3) II.
Prerequisite: DES 250. Corequisite: DES 351. Departmental approval and 3.0 GPA in ART, ARH, and DES courses. An examination of visual communication issues and applications in graphic design. The relationship of visual form to meaning, type and image relationships will be examined.

DES 352 Image Making. (3) II.
Prerequisites: DES 350, 351, Major GPA 3.0, and admission to the BFA program. Corequisite: DES 353. An advanced integration of various techniques and materials, both traditional and contemporary, to promote understanding of the importance of imagery within the field of graphic design.

DES 353 Production for Graphic Design. (3) II.
Prerequisites: DES 350, 351, Major GPA 3.0, and admission to the BFA program. Corequisite: DES 451. Advanced study of typography as an expressive medium. Special attention to multi-page document work, advanced issues of typography in scale as well as its usage in new media and alternative situations.

DES 421 Supervised Field Experience in ID. (6) SUMMER ONLY.
Prerequisites: open to Interior Design BFA students only, DES 325 and 326, minimum 2.25 overall GPA, and 3.0 major GPA. Observation of an interior design firm from a daily performance of assigned tasks. Students are placed with an architecture or interior design firm for a continuous full-time ten-week experience.

DES 422 Interior Design Studio V. (3) I, II.
Prerequisites: DES 326 and 328, Major GPA 3.0, and admission to the BFA program. Advanced studio experience in interior design with emphasis on one or more of the following: residential, exhibit, retail, hospitality, office, or commercial. Corequisites: ARH 480 and adaptive-use. Studio meets for 3 hours twice a week.

DES 424 Issues in Interior Design. (3)
A. Prerequisite: junior standing or departmental approval. Individual and group investigation of current responsibilities and issues relevant to the field of interior design.

DES 426 Interior Design Studio VI. (3) II.
Prerequisites: DES 421 and 422, Major GPA 3.0, and admission to the BFA program. Advanced studio experience in interior design requiring students to design a comprehensive large-scale project. Studio meets for 3 hours twice a week.

DES 450 Professional Practices in Graphic Design. (3) I, II.
Prerequisites: DES 354, 451, Major GPA 3.0, and admission to the BFA program. Corequisite: DES 453. This course examines the professional standards and practices specific to the field of graphic design.

DES 451 New Media. (3) A.
Prerequisites: DES 352 and 353, Major GPA 3.0, and admission to the BFA program. Corequisite: DES 354. Introduction to the artistic and technical issues of multimedia through website creation and animation.

DES 453 Senior Workshop in Design. (3) I, II.
Prerequisites: DES 354, 451, Major GPA 3.0, and admission to the BFA program. Exploration of current issues, technical procedures, and design production.

DES 454 BFA Graphic Design. (3) I, II.
Prerequisites: DES 453, Major GPA 3.0, and admission to the BFA program. Corequisite: ART 499. Final phases of the student designer’s transition into the profession. Additional guidance towards portfolio and senior thesis development.

DES 463 Problems in Design. (3) I, II.
Prerequisites: DES 354 and 451 or Department Approval. Individual research projects. Students will focus on creative skills and techniques developed in prior design courses. This course stresses the development of a specialized study of techniques and concepts for a design portfolio. May be retaken with different topics to earn a maximum of nine hours.

DES 517 Interior Design Study Tour II. (1-3)
Prerequisite: Interior Design major who has completed 90 hours or departmental approval. Tour of interior design resources, wholesale and retail showrooms. Study in museums, libraries, and interior design centers when possible. Special study projects.

ECO—Economics
Dr. Gyan Pradhan, Chair

ECO 110 The Individual and the Economy. (3)
A. Prerequisite: MAT 095 or ACT math score of 18 or SAT math score of 490 or higher. An examination of the nature and role of individual decision making in the economy; the economic environment and the individual’s decisions; public policies and the decision of the individual. Credit will not be awarded to students who have credit for ECO 230 or 231.

ECO 120 Economic Reasoning and Issues. (3, II)
Prerequisite: completion of all developmental math requirements. An excellent preparatory course for ECO 230 or 231, dealing with basic concepts of a market-based economy, including scarcity, opportunity cost, comparative advantage, demand and supply, marginal analysis, market failures, economic growth, unemployment, inflation, and trade. Credit will not be awarded to students who have credit for ECO 230 or 231 with a minimum grade of “C”. Gen. Ed. E-5B [SB].

ECO 130 Contemporary Economic Problems. (3, II)
Prerequisite: completion of all developmental math requirements. An excellent preparatory course for ECO 230 or 231, dealing with such contemporary economic problems as unemployment, inflation, national debt, energy, health, pollution, education, crime, poverty, discrimination, and protectionism. Students who have completed ECO 230 or 231 with a grade of C or better, or are currently enrolled in ECO 230 or 231, will not receive credit for ECO 130. Gen. Ed. E-5B [SB].

ECO 220 Statistical Methods for Economics I. (3)
A. Prerequisite: MAT 107, or 114. Business and economic applications of frequency distributions, measures of location, variation, probability, sampling, estimation, test of hypothesis, linear regression, index numbers, and time series analysis. Credit will not be awarded to students who have credit for CRJ 400 or EPY 842 or HEA 450 or PSY 310 or QMB 200 or STA 208 or STA 209 or STA 210.

ECO 230 Principles of Microeconomics. (3, II)
Prerequisite: completion of developmental requirements. For students with a composite ACT score of less than 21, completion of ECO 120 or 130 is strongly recommended prior to taking this course. Microeconomic principles, including the study of opportunity cost, consumer and producer choices, market demand and supply, pricing and resource allocation, comparative advantage and international trade. Gen. Ed. E-5B [SB].

ECO 231 Principles of Macroeconomics. (3, II)
Prerequisite: completion of developmental requirements. For students with a composite ACT score of less than 21, completion of ECO 120 or 130 is strongly recommended prior to taking this course. Macroeconomic principles, including the study of measures of national economic performance, determinants of aggregate production, employment and prices, monetary and fiscal policy, balance of payments, economic growth and development. Gen. Ed. E-5B [SB].

ECO 300 Managerial Economics. (3)
A. Prerequisite: ECO 230. Economic concepts that are directly applicable to business decision making including costs and production, profit, demand and pricing, capital budgeting and investment, and forecasting.

ECO 314 Sports Economics. (3)
A. Prerequisite: ECO 230 or departmental approval. Economics applied to sports. Topics include collective versus competitive behavior, labor market strategies, government subsidies of sports ventures and venues and sports labor markets.

ECO 315 Economic Policy Analysis. (3)
Prerequisite: ECO 230. Foundations and rationale for economic policy, including market failure and income inequity, applications of microeconomic analysis and valuation of selected policies in areas such as international trade, environment, education, health care, welfare, social security, and economic development.

ECO 320 Research Methods in Economics (3) I, L. Prerequisite: ECO 220, STA 270 or QMB 200; ECO 230 and 231; or departmental approval. Combining economic theory and statistical models in empirical work in economics; the linear statistical model and its extensions; applications to production and cost, demand and economic growth, forecasting, and policy analysis; classical time series analysis.

ECO 324 Money and Banking. (3) A. Prerequisite: ECO 231. Functions of money, monetary system, history of banking, functions of the commercial bank, bank assets and reserves, loans and discounts, bank supervision, the Federal Reserve System, central banking policies, monetary and fiscal policies.

ECO 330W Intermediate Microeconomics. (3) I, II. Prerequisite: ECO 230 or departmental approval; ENG 102 or ENG 105(B) or HON 102. A writing-intensive intermediate course in economics. Analysis of consumer and producer behavior, market equilibrium, pricing and resource allocation under alternative market structures, risk aversion and information. Credit will not be awarded for both ECO 330W and ECO 330.

ECO 331 Intermediate Macroeconomics. (3) II. Prerequisite: ECO 231. Analysis of aggregate economic activity, inflation, unemployment, employment, output, money and prices, exports and imports; stabilization policy.

ECO 333 Human Resource Economics. (3) A. Prerequisite: ECO 230. Economics of human resource markets, including the demand for and supply of labor, human capital formation, household production, unions, discrimination, unemployment, and associated public policy issues.

ECO 340 Environmental Economics. (3) A. Cross-listed as APP 340 and ENV 340. Prerequisite: ECO 230. Applications of basic economic analysis to a study of the environment and environmental problems. Major topics include benefit-cost analysis for environmental decision making, the potential for market-based solutions to environmental problems, and the role and development of environmental policy. Credit will only be awarded for ECO 340, or APP 340, or ENV 340.

ECO 345 Topics in Economics. (3) A. Prerequisite: to be announced. Selected topics for study. Variable topics across semesters. May be retaken to a maximum of six hours, provided the subject matter differs each time.

ECO 349 Applied Learning in Economics. (3) A. Prerequisite: minimum GPA 2.25. Co-curricular work experience under faculty and field supervisors. Training plan required. May be retaken to a maximum of six hours. Minimum 80 hours work required for each academic credit hour. May not count towards major.

ECO 349 A-N Cooperative Study: Economics. (5-3) A. Prerequisite: minimum GPA 2.25. Co-curricular work experience under faculty and field supervisors. Training plan required. May be retaken to a maximum of six hours. Minimum 80 hours work required for each academic credit hour. May not count towards major.

ECO 360 Industrial Organization. (3) A. Prerequisite: ECO 230 or equivalent. Studies the strategic interactions of firms in imperfectly competitive markets, market performance, and public policy.

ECO 365 Public Finance. (3) A. Prerequisite: ECO 230. Public economics course, public sector, including the scope of and rationale for government, public goods and externality, voting schemes and public choice, taxes and subsidies, and transfer payments.

ECO 375 Health Care Economics. (3) II. Prerequisite: ECO 230 or departmental approval. Introduction to health economics, including the study of the demand for and production of medical care, health care planning, regulation, finance and evaluation.

ECO 394 International Economics. (3) A. Prerequisites: ECO 230 or 231 and junior standing. An introduction to economic theory emphasizing international business, international trade theory, trade and investment patterns, payments system, balance of payments, international companies, and international issues.

ECO 395 Economics of Developing Countries (3) A. Prerequisites: ECO 230 or 231 and junior standing. Economics of development including: theories of growth, income distribution, investment in human capital, alleviation of poverty, strategies for growth; study of selected countries. Credit will not be awarded for both ECO 395 and 395W.

ECO 395W Economics of Developing Countries (3) A. Prerequisites: ECO 230 or 231 and junior standing; ENG 102 or ENG 105(B) or HON 102. Economics of development including: theories of growth, income distribution, investment in human capital, alleviation of poverty, strategies for growth; study of selected countries. Credit will not be awarded for both ECO 395 and 395W.

ECO 410 History of Economic Thought. (3) A. Prerequisites: three hours of ECO. The history of economic ideas from Adam Smith through J. M. Keynes.

ECO 420 Research Methods II. (3) II. Prerequisite: ECO 324. Preparation for research and research approval. Problems of heteroscedasticity, serial correlation, and endogeneity in the linear statistical model; nonlinear models and modern time series analysis. Formulation and execution of empirical research project.

ECO 421 Industrial Organization. (3) A. Prerequisite: three hours of ECO and MAT 124, 211, or 261. Mathematical formulations of economic theories. Models of the consumer, the firm, markets, economic growth, and business behavior.

ECO 492 Business Cycles. (3) A. Prerequisite: ECO 231. Growth, instability, inflation, business cycle theories, spending and saving decisions, government expenditures and tax patterns, prices, output, and employment, historical cyclical patterns, economic forecasting.

ECO 560 Special Problems in Economics. (1-4) A. Prerequisite: advisor or departmental approval. Independent work, special workshop, special topics or seminar. Subject matter must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

ECO 590 Regional Economics. (3) A. Prerequisite: three hours of ECO. Analysis of patterns of regional growth and development. Use of economic models for regional forecasting and policy evaluation; the problems of marginal areas in developed economies.

EFD—Education Studies

EFD 200 Schools and Our Society. (3) I, II. Prerequisite: Score accepted by the Kentucky Education Professional Standards Board on one of the approved tests: ACT, PSAT, SAT, GRE. An introduction to social and cultural influences on schools, the purposes of schooling, the governance, financing, and administration of schools, and the role of the individual as an educator. 15 hours of field experience required.

EFD 203 Educational Foundations. (3) I, II. Co-requisite: CED 100. An introduction to social and cultural influences on schools, the purposes of schooling, the governance, financing, and administration of schools, and the role of the individual as an educator. Background check College approved procedure must be ordered and paid for by the first day of class. Credit will not be awarded for both CDF 203 and EFD 203.

EFD 204 Emerging Instructional Technologies. (3) I, II. Co-requisite: CED 100. An introduction to instructional technologies. 50 selected and new applications to education, training, and instruction within educational and human services settings. Students examine, develop, and/or evaluate emerging instructional technologies. For individuals interested in exploring technological applications in teaching and learning.

EFD 205 Creative Learning and Teaching. (3) II. An introduction to the basic theories and principles of creativity as applied to development of your own creative thinking and how teachers, professionals and parents can encourage creativity in others.

EFD 210 Human Development and Learning. (3) I, II. Corequisite: CED 200. The study of theories and principles of human development and learning as applied to the classroom. Credit will not be awarded to students who have credit for EDS 320.

EFD 310 Transition to Education. (1-3) I, II. Prerequisite: Background check, per CARES Licensure and Certification approved procedure, must be ordered and paid for by the first day of class. Corequisite: CED 150. Student transition either as a transfer or within the program when additional clinical hours are needed. Required of all transfer candidates.

EFD 320 Human Development and Learning for Vocational Education. (3) I, II. The study of theories and principles of human development and learning as applied within vocational-industrial technical education classrooms. Credit will not be awarded for both EFD 320 and EFD 319.

EFD 330 U.S. South and Black Education. (3). A. Cross-listed as AFA 330. This course introduces the major themes of Black populations pursuing educational opportunities in Southern States. Students will acquire knowledge about historical events, people and policies shaping the evolution of Blacks in education. Credit will not be awarded for both EFD 330 and AFA 330.

EFD 413 Assessment in Education. (3) I, II. Prerequisite: Admission to Professional Education. Co-requisites: EMS 490 and CED 400. Principles and procedures in assessing and evaluating pupil growth in skills, attitudes, aptitudes, and understandings. Assessment construction, analysis, marking systems, and authentic assessment systems will be addressed.

EOD—Education Orientation

EOD 100 Student Success Seminar. (1) I. Designed to orient the student to university academic life and afford background for career choice and preparation. Included are University regulations and calendar, catalog details, registration and re-registration, various career opportunities, and program requirements. Open to all students during their first two semesters of enrollment at EKU; beyond that open to students with fewer than 30 semester hours earned.

EES—Essential Elements of Success

EES 250 Basic Social Intelligence Skills (3) I, II. A focus on human relationships and researched-based social skills. Students learn to operationalize theories into social intelligence skills and practice initiating, observing, listening, evaluating, and responding in ways that promote positive interactions and relationships. Gen. Ed. E-I [GC].

EES 300 Advanced Social Intelligence Skills (3) I, II. Prerequisite: Junior standing. Prerequisite or Corequisite: EES 250 or departmental approval. This is an advanced course that builds on the core skills presented in Basic Social Intelligence Skills. It provides additional knowledge and skills for successfully engaging in more complex social and professional interactions and relationships.

EES 310 Applied Critical Thinking (3) A. Prerequisite: Junior or Senior standing. This course will address the application of critical thinking skills within various fields of study. Students will learn critical thinking skills and how to integrate them into a successful career.

EES 320 Basic Facilitation Skills. (3) A. An introduction to facilitation and maximizing group potential. Students learn and practice basic methods for designing and planning effective meetings, creating and maintaining safe and engaging environments, and stimulating creative and critical thinking within groups.

EES 330 Applied Critical and Creative Thinking (3) I, II. Prerequisite: junior or senior standing. This course addresses the application of critical thinking.
thinking and creative thinking skills within multiple fields of study. Students will learn critical thinking and creativity, their tools and how to integrate these skills into a successful career.

EES 360 Advanced Facilities Skills. (3) A. Prerequisites: Advanced methods and techniques to maximize group potential are taught and practiced, including problem solving, generating actionable ideas, decision-making, conducting meaningful conversations, and safely and constructively addressing controversial issues.

EES 450 Leaders Without Titles (3) I, II. This course focuses on the personal dimensions that are needed to form the foundation of one’s competencies and abilities to lead and self others.

EES 460 The Science and Application of Leadership (3) II. Prerequisite: EES 450. This course provides students opportunities to examine, define, operationalize, and apply universal elements of leadership. Effective leaders need to be knowledgeable and skilled in these elements.

EET—Electricity and Electronics Technology Dr. Vigyan Chandra, Coordinator

EET 251 Electricity and Electronics, (3) I, II. Prerequisite: MATH 111. Grade of at least “C” in MATH 090 or equivalent. A survey of digital electronics fundamentals and applications. Topics include number systems, digital mathematics, logic families, logic gates, multiplexers, demultiplexers, comparators, counters, decoders, displays, semiconductors, and more. 2 Lec/2 Lab.

EET 252 Digital Electronics, (3) I, II. Prerequisite: EET 251. An analysis of the characteristics of solid state devices and the common microcircuits that utilize these devices. Emphasis on problem solving supplemented by laboratory activities and demonstration of electronic circuits and devices. 2 Lec/2 Lab.

EET 349 A-N Cooperative Study: CET/ CEN. (1-8) I, II. Prerequisite: departmental approval, sophomore (30-59 hours) or higher standing and minimum of 2.0 GPA. Work under faculty and field supervisors in placements related to academic studies in Computer Electronics Technology (CET) or Computer Electronics Networking (CEN). 1-8 credit hours per semester or summer. Transfer students must have completed at least 12 hours of coursework at EKU. A minimum of 80 hours work required for each academic credit.

EET 350 Industrial Electronics I. (3) A. Prerequisite: EET 257. Principles of timing, power control circuitry, transducers, and programmable controllers in commercial and industrial applications. 2 Lec/2 Lab.

EET 351 Programmable Logic Controllers. (3) A. Prerequisite: EET 251 or 252. The study of programmable logic controllers (PLCs). PLC Functioning theory, selection, wiring, and programming. 2 Lec/2 Lab.

EET 452 Electrical Power & Drives. (3) A. Prerequisites: EET 257, MAT 120 or higher, and PHY 101. Principles of electromagnetic induction as applied to the generation, distribution, conversion, control, and measurement of electrical power. Analysis of the electronics used for electrical drives. Installation, programming and maintenance of digital drives. 2 Lec/2 Lab.

EHS—Environmental Health Science Dr. Carolyn Harvey, Chair

EHS 225 African/African-American Health Issues. (3) I. Cross-listed as AFA 225. Provides the student with an understanding of the medical and public health issues relevant to the maintenance of health conditions both in the United States and Africa. Credit will not be awarded for both EHS 225 and AFA 225.

EHS 230 EHS Diseases and Hazards of Leisure. (3) II. Provides the student with an understanding of the biological, chemical and physical threats to health and life from the recreational, amusement, travel and tourist environments.

EHS 280 Introduction to Environmental Health Science. (3) A. Prerequisite: Grade of at least “C” in MAT 090 or equivalent. Introduction to environmental health, including water and waste treatment, air pollution, food sanitation, vector control, solid waste disposal, and general sanitation problems.

EHS 290 Seminar in Environmental Health. (2-3) II. This seminar is designed to be an introduction to the environmental health field. Credit will not be awarded for both EHS 290 and EHS 290W. Emphasis is on logically solving environmental issues that the student can expect when working in the field.

EHS 425 Environmental Health Program Planning. (3) A. Prerequisites: EHS 280 and 335. This course explores the process of planning and implementation of evaluation of environmental health programs. Discussion of resources and promotional techniques, and the role of the environmental health specialist dealing with community, state, and regional agencies.

EHS 440 Environmental Toxicology. (3) II. Prerequisites: CHE 111, 111L and EHS 280; or departmental approval. Health effects and nature of toxic substances with discussion of dose-response relationships, latency, target organs, and potential exposures in the environment.

EHS 460 Housing and Institutional Environments. (3) A. Prerequisites: EHS 280 or departmental approval. Corequisites: CHE 485. Discussion of the requirements for healthful housing means of attaining and maintaining these requirements. Reviews environmental health concerns relating to day-care centers, schools, hospitals, nursing homes, and prisons. Describes surveillance, evaluative, and corrective methods.

EHS 463 Field Experience in Environmental Health. (3) A. Prerequisites: EHS 300, 335, 380, and departmental approval. Supervised and directed field experience in local, state, regional environmental health agencies, or with appropriate industries. Eight to twelve weeks full-time required depending on work place.

EHS 485 EHS Professional Practice Seminar. (3) A. Prerequisite: 90 hours. Corequisite: EHS 460. Provides the graduating student a certification and licensure review for their required state and national exams. The student will also be taught how to develop professional success strategies and long range career plans.

EHS 498 Independent Study in Environmental Health. (1-3) A. Prerequisite: student must have the independent study proposal approved by faculty supervisor and department coordinator prior to enrollment. Opportunity for individual work on an environmental health research problem in a supervised situation.

EHS 510 Radiological Health. (3) A. Provides the student with the principles of health effects from ionizing radiation, including radiation exposure, dose measurement, measurement, control, and safety devices. Student will be able to identify, evaluate and control radiation in the work environment; implement a radiation monitoring program; establish emergency plans for actions to be
taken in event of radiological accident; develop risk
assessment, and materials for teaching life science
concepts in primary through grade five.

ELE 421 Advanced Math Pedagogy and
Assessment. (3) I, III. Prerequisite: EDF 219, EMS 490, ELE 301, 311, 401, 411 and MAT 112 with a grade
of “C” or higher; admission to professional education.
Corequisites: CED 450, ELE 422, 423, and SED 402.
Examination of advanced pedagogical skills for teaching
mathematics with an emphasis on developing conceptual
capabilities; emphasis on discovering and developing fundamental
career as a foundation for problem solving.

ELE 422 Advanced Language Arts Pedagogy
and Assessment. (3) I, III. Prerequisites: EDF 219, 413,
EMS 490, ELE 302, 312, 412, and a grade of “C” or higher;
admission to professional education.
Corequisites: CED 450, ELE 421, 423, and SED 402.
Examination of advanced pedagogical skills for teaching
language arts with an emphasis on assessing, diagnosing,
prescribing, and monitoring for student learning;
differentiated instruction, and teacher and student use of
technology for instruction and assessment.

ELE 423 Advanced Social Studies Pedagogy
and Assessment. (2) I, III. Prerequisites: EDF 219, 413,
EMS 490, ELE 313, and 403 with a minimum grade of
“C” or higher. Corequisites: CED 450, ELE 421, 422,
and SED 402. Examination of advanced pedagogical
skills for teaching the social studies grades P-5 with
an emphasis on formative and summative assessment to
monitor student learning, differentiated instruction, and
teacher and student use of technology.

ELE 424 Advanced Science Pedagogy and
Assessment (2) I, III. Prerequisites: EDF 219, 413,
EMS 490, ELE 302, 312, 402 and EMS 490 with a minimum grade
of “C” or higher. Modern materials and methods for
teaching inquiry-based science in primary through grade five.

ELE 445 Foundations of Reading/Language
Arts. (3) I, II. Cross-listed as EMG 445. Prerequisites:
junior standing: 2.75 GPA; and admission to professional education.
Corequisite or Prerequisite: EDF 319 or 319W. An overview of reading/language arts components P-5,
teacher competencies, organization and planning for instruction.
Twenty field/clinical hours.
Credit will not be awarded to students who have credit
for EMG 445, EMG 445W or ELE 445W.

ELE 445W Foundations of Reading/Language
Arts. (3) I, II. Cross-listed as EMG 445W. Prerequisites:
junior standing: 2.75 GPA; ENG 101 and 102, or HON 102 with a minimum grade of “C”; or ENG 105 with a minimum grade of “B”;
admission to professional education. Corequisite or Prerequisite: EDF 319 or
319W. An overview of reading/language arts components P-5, teacher competencies, organization and planning for instruction.
Twenty hours of field/clinical experiences.
Credit will not be awarded to students who have credit
for EMG 445, EMG 445W, or ELE 445W.

ELE 446 Reading and Language Arts P-5.
(3) I, II. Prerequisites: EDF 319, EDF 413; ELE 490,
ELE 445 or 445W, ELE 490 with a grade of “C” or higher
and admission to professional education. Prerequisite or
Corequisite: SED 402. Corequisite: ELE 349. Emphasis
on theory, curriculum, teaching techniques and materials,
instructional planning, assessment and use of results.
Credit will not be awarded to students who have received
credit for ELE 446E and/or ELE 446W.

ELE 446S Reading and Language Arts P-5.
(3) I, II. Prerequisites: EDF 319, EDF 413, ELE 445 or 445W, ELE 490 with a grade of “C” or higher; and admission to professional education.
Corequisite: ELE 349. Prerequisite or Corequisite: SED 402. Emphasis on theory, curriculum, teaching techniques and materials,
instructional planning, assessment and use of results.
A minimum of 15 service learning hours. Credit will not be awarded for both ELE 446E and
ELE 446W.

ELE 446W Reading and Language Arts P-5.
(3) I, II. Prerequisites: EDF 319, EDF 413; ELE 445
or 445W, ELE 490 with a grade of “C” or higher
and admission to professional education. Corequisite: ELE 349. Prerequisite or Corequisite: SED 402. Corequisite: ELE 349. Emphasis
on theory, curriculum, teaching techniques and materials,
instructional planning, assessment and use of results.
Credit will not be awarded to students who have received

ELE 446X Reading and Language Arts P-5.
(3) I, II. Prerequisites: EDF 319, EDF 413, ELE 445 or 445W, ELE 490 with a grade of “C” or higher;
admission to professional education. Prerequisite or
Corequisite: SED 402. Corequisite: ELE 349. Emphasis
on theory, curriculum, teaching techniques and materials,
instructional planning, assessment and use of results.
Credit will not be awarded to students who have received

DesCriptions
Course
nutrition, safety, psychomotor skills, and lifetime
with a “C” or higher or EDF 310 with an “S”; admission
Elementary School. (2) I, II.
Prerequisite: EDF 203 with a “C” or higher or EDF 310
with an “S”; admission to professional education. A study
of curriculum design, teaching/learning strategies,
resources, and evaluation procedures in elementary
school health education. Topics include drugs, mental
health, family living, nutrition, fitness, consumerism,
environment, disease, and personal health. Ten field/
clinical hours.

ELE 365 Health Education P-5. (2) I, II.
Prerequisite: EDF 203 with a “C” or higher or EDF 310
with an “S”; admission to professional education. An examination
of Mathematics for Grades 2-3 and relevant standards,
instructional practices, and assessments for learners at
this developmental stage. Minimum of ten field hours
are required.

ELE 404 Math Content, Pedagogy, &
Assessment Grades 2-3. (3) I, III.
Prerequisite: MAT 112 with a minimum grade of “C”;
Admission to professional education. An examination of
literacy and relevant content, standards, instructional
practices, and assessments for learners at this
developmental stage. A minimum of 10 field hours are
required.

ELE 402 Language Arts Content, Pedagogy,
and Assessment Grades 2-3. (3) I, III.
Prerequisite: EDF 302 with a minimum grade of “C”;
Admission to professional education. An examination of
beginning literacy and relevant content, standards, instructional
practices, and assessments for learners at this
developmental stage. A minimum of 10 field hours are
required.

ELE 361 Art in the Elementary Grades P-5.
(3) I, II. Prerequisite: EDF 203 with a “C” or higher
or EDF 310 with an “S”; admission to professional education. A study
of curriculum design, teaching/learning strategies,
resources, and evaluation procedures in elementary
school health education. Topics include drugs, mental
health, family living, nutrition, fitness, consumerism,
environment, disease, and personal health. Ten field/
clinical hours.

ELE 362 Music Education for the Classroom
Teacher. (3) I, II. Prerequisite: EDF 203 with a “C” or
higher or EDF 310 with an “S”; admission to professional education. A study
developmental stage.

ELE 301 Mathematics Foundations P-5. (3) I,
III. Prerequisites: Admissions to professional education.
MAT 107 with a minimum grade of “C”. An overview of
the mathematics state standards for teaching mathematics
in grades K-5, and theories and research related to
the teaching and learning mathematics. Minimum of ten
field hours are required.

ELE 302 Language Arts Foundations Grades
P-5. (3) I, III. Prerequisites: Admission to professional education.
An overview of the language arts, content and state standards for teaching the language arts.
A minimum of 10 field hours are required.

ELE 311 Math Content, Pedagogy, &
Assessment Grades K-1. (3) I, III.
Prerequisites: MAT 112 College Algebra with a “C” or higher;
Admission to professional education. An examination of early
numbers, (K-1) and relevant content, standards,
instructional practices, and assessments for learners at
this developmental stage.

ELE 312 Language Arts Content, Pedagogy,
and Assessment Grades K-1. (3) I, III.
Prerequisites: ELE 302 with a minimum grade of “C”;
Admission to professional education. An examination of emergent
literacy and relevant content, standards, instructional
practices, and assessments for learners at this
developmental stage. A minimum of 10 field hours are
required.

ELE 313 Social Studies Curriculum,
Pedagogy, and Assessment: US History, Government,
Economics (3) I, II. Prerequisite: Admission to
professional education. This course teaches the content
and pedagogical content knowledge in US History,
Government, and Economics included in elementary state
curricula and the Common Core State Standards.

ELE 314 Science Content, Pedagogy,
and Assessment: Physical Sciences (1), I, II.
Prerequisite: Admission to professional education. Co-requisite: CHE 100/PHY 102.
Inquiry-based course focusing on content,
pedagogy, assessment and materials for teaching physical science concepts in primary through grade five.

ELE 322 Physical Education in the
Elementary School. (2) I, II. Prerequisite: EDF 203
with a “C” or higher or EDF 310 with an “S”; admission to professional education. The study of the role
of movement in the elementary school child; philosophy,
principles, purposes, and programs of elementary
physical education. Educational dance, educational
gymnastics, and educational games are emphasized.

ELE 363 Art in the Elementary Grades P-5.
credit for ELE 446 and/or ELE 446S.

ELE 490 Classroom Management in the Elementary Grades P-5. (3) I, II. Prerequisite: EDE 319, EDF 413, and admission to professional education. Corequisite: EMS 334R. Critical examination of effective classroom management in grades P-5. Emphasis on theories, strategies, and applications through study, discussion, observation, and participation.

ELE 491 Mathematics in Elementary Grades P-5. (3) I, II. Prerequisites: EDE 319, EDF 413, ELE 490, MAT 202 with a minimum grade of “C”; admission to professional education. Prerequisite or Corequisite: EDE 402. Corequisite: ELE 349. Methods and materials of teaching P-5 mathematics; emphasis on discovery and developing fundamental concepts as a foundation for problem solving.

ELE 492 Science in the Elementary Grades P-5. (3) I, II. Prerequisites: EDE 319, EDF 413, ELE 490, and admission to professional education. Prerequisite or Corequisite: EDE 402. Corequisite: ELE 349. Modern methods and materials for teaching science in primary through grade five. Five discussion-laboratory hours per week. Credit will not be awarded for both ELE 492 and 492S.

ELE 492S Science in the Elementary Grades P-5. (3) I, II. Prerequisites: EDE 319, EDF 413, ELE 490, and admission to professional education. Prerequisite or Corequisite: EDE 402; ELE 349. Modern methods and materials for teaching science in primary through grade five. A minimum of 15 service-learning hours. Credit will not be awarded for both ELE 492S and ELE 492.

ELE 493 Social Studies in Elementary Grades P-5. (3) I, II. Prerequisites: EDE 319, EDF 413, ELE 490 and admission to professional education. Prerequisite or Corequisite: EDE 402; ELE 349. Theory, content, and practice of teaching Social Studies in grades P-5.

ELE 507 Problems in Elementary Education. (1-3) I, II. Prerequisite: departmental approval. Independent work, special workshops, special topics, or seminar.

ELE 519 Teaching in the Kindergarten. (3) I, II. Prerequisite: EDE 541. Focuses upon the kindergarten movement, organization, equipment, curriculum, and procedures; leaders and literature of kindergarten education. Opportunity for observing and participating in kindergarden.

ELE 524 Developmental Psychology. (3) I, II. Prerequisites: EDE 319, EDF 413, and ELE 490. Developmental psychology of childhood and adolescence. Credit will not be awarded for both ELE 524 and ELE 524S.

ELE 525 Traditional and Historical Perspectives in Multicultural Education. (3) I, II, III. Prerequisite: EDE 319, EDF 413, and ELE 490. Developmental psychology of childhood and adolescence. Credit will not be awarded for both ELE 525 and ELE 525S.

ELE 526 Special Education. (3) I, II. Prerequisites: EDE 541, EDE 542, or department approval. Current research and practices in the fields of learning disabilities, giftedness, and behavioral disorders. Credit will not be awarded for both ELE 526 and ELE 526S.

ELE 527 Elementary Education Program. (3) I, II. Prerequisite: EDE 541. Focuses upon the kindergarten movement, organization, equipment, curriculum, and procedures; leaders and literature of kindergarten education. Opportunity for observing and participating in kindergarden.

ELE 528 Language Arts in the Elementary Grades. (3) I, II. Prerequisite: EDE 541. Focuses upon the kindergarten movement, organization, equipment, curriculum, and procedures; leaders and literature of kindergarten education. Opportunity for observing and participating in kindergarden.

ELE 529 Science in the Elementary Grades. (3) I, II. Prerequisite: EDE 541. Focuses upon the kindergarten movement, organization, equipment, curriculum, and procedures; leaders and literature of kindergarten education. Opportunity for observing and participating in kindergarden.

ELE 530 Sociology of Education. (3) I, II. Prerequisite: EDE 541. Focuses upon the kindergarten movement, organization, equipment, curriculum, and procedures; leaders and literature of kindergarten education. Opportunity for observing and participating in kindergarden.

ELE 531 Psychology of Education. (3) I, II. Prerequisite: EDE 541. Focuses upon the kindergarten movement, organization, equipment, curriculum, and procedures; leaders and literature of kindergarten education. Opportunity for observing and participating in kindergarden.

ELE 532 History and Philosophy of Education. (3) I, II. Prerequisite: EDE 541. Focuses upon the kindergarten movement, organization, equipment, curriculum, and procedures; leaders and literature of kindergarten education. Opportunity for observing and participating in kindergarden.

ELE 533 Special Education. (3) I, II. Prerequisite: EDE 541. Focuses upon the kindergarten movement, organization, equipment, curriculum, and procedures; leaders and literature of kindergarten education. Opportunity for observing and participating in kindergarden.
EME 396 Physical Education for Children and Youth. (3). A. Comprehensive review of techniques used in teaching physical education in the early elementary and middle grades. Emphasis placed on health evaluation, fitness testing, tumbling, rhythmic, game, and self-testing activities.

EMG—Middle Grade Education

EMG 430 Middle Grade Curriculum. (3) I, II. Prerequisites: admission to professional education, EDF 319 with a “C” or higher, or EME 349R. An examination of the curriculum and the responsibilities of teaching in the middle grade.

EMG 445 Foundations of Reading/Language Arts. (3) I, II. Cross-listed as ELE 445. Prerequisites: junior standing, 2.75 GPA; admission to professional education program. Prerequisite/Corequisite: EDF 319 or 319W. An overview of reading/language arts components 5-9, teacher competencies, organization and planning for instruction. Two hours of field/clinical experiences. Credit will not be awarded to students who have credit for ELE 445, EME 445W or EME 445W.

EMG 445W/Foundations of Reading/Language Arts. (3) II. Cross-listed as ELE 445W. Prerequisites: junior standing and ENG 101 and 102, or HON 102 with a minimum grade of “C”; or ENG 105 with a minimum grade of “B”; admission to professional education program. Prerequisite/corequisite: EDF 319 or 319W. An overview of reading/language arts components 5-9, teacher competencies, organization and planning for instruction. Two hours of field/clinical experiences. Credit will not be awarded to students who have credit for ELE 445W, EME 445 or EME 445W.

EMG 467 Mathematics in the Middle Grades. (3) I, A. Prerequisites: EME 445 or 445W, EDF 319 or 319W and admission to professional education. Prerequisite or Corequisite: EDF 413. Corequisite: EMG 349. The theory, content and practice of teaching reading and language arts in the middle grades utilizing content area materials. Twenty hours field/clinical experiences.

EMG 491 Mathematics in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EME 413, EMG 430 and admission to professional education and mathematics emphasis. Corequisite: EMG 349. Appropriate materials and methods for teaching mathematics in the middle grades.

EMG 492 Science in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EME 413, EMG 430 and admission to professional education and science emphasis. Corequisite: EMG 349. Introduces prospective teachers to the modern materials and methods of teaching science in the middle grades.

EMG 493 Social Studies in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EME 413, EMG 430 and admission to professional education and social studies emphasis. Corequisite: EMG 349. Appropriate materials and methods for teaching social studies in the middle grades.

EMG 494 English and Communication in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EME 413, EMG 430 and admission to professional education and English emphasis. Corequisite: EMG 349. Study of effective teaching techniques, strategies and materials for middle grade English/communication skills. Credit will not be awarded for both EMG 494 and EME 494W.

EMG 494W/English and Communication in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EME 413, EMG 430 and admission to professional education and English emphasis. Corequisite: EMG 349. Study of effective teaching techniques, strategies and materials for middle grade English/communication skills. Credit will not be awarded for both EMG 494 and EME 494W.
curriculum development of environmental education. Credit will only be awarded for either EMS 561 or ENV 561.

EMS 563 Teaching Environmental Education (3) SUMMER ONLY. Appropriate methods and materials for effective environmental education in a variety of settings. Credit will not be awarded for both EMS 563 and 763A.

EMS 565S Teaching in the Outdoors (3) SUMMER ONLY. Formerly EMS 864S. Basic principles of outdoor teaching will be combined with outdoor skill training and environmental service learning investigation. Due to its content, this will be taught in workshop format during the summer semester. Credit will not be awarded to students who have credit for EMS 765S or 864S.

EMS 575 Methods and Materials for Teaching English as a Second Language (3) A. The study of effective methods of Teaching English as a Second Language (TESL). Thirty hours of field experiences are required.

EMS 576 Assessment Methods for ELLs (3) I, II. Prerequisite: EDF 413 This course is designed to examine the major principles and methods of assessment for English Language Learners, including standardized testing, classroom-based performance and alternative assessment. Sociocultural issues related to assessment will also be explored. (20 hours of clinical experience required) Credit will not be awarded to students who have credit for EMS 776.

EMS 577 Cultural Competency with ELLs (3) I, II. The purpose of this course is to help educators develop awareness of the implications of cultural and linguistic diversity for school success as well as effective techniques for collaborating with immigrant students and families. Credit will not be awarded to students who have credit for EMS 777.

ENG—English and Theatre

Dr. James Keller, Chair

ENG 080 Academic Reading and Writing I (3) A. This course emphasizes integration of skills and strategies for academic reading and writing, including comprehension, vocabulary, fluency, development, and the conventions of academic texts. Taken by referral only. 3 Lec/2 Lab.

ENG 085 Academic Reading and Writing II (3) A. This course emphasizes integration of skills and strategies for academic reading and writing, including reading critically, writing analytically, and reading and writing to learn. Taken by referral only. 3 Lec/2 Lab.

ENG 090 Basic Writing (3) I, II. Focuses on academic writing. Provides strategies for improving content, organization, voice, reading to write, and editing from sentences to essays. Exit exam required. ACT English subscore 14 or lower.

ENG 095 Developmental Composition (3) I, II. Prerequisite: ENG 090 or ACT English subscore of 15-17. Focuses on academic writing. Provides strategies for improving content, organization, voice, reading to write, and editing in analytical essays and reports. Exit exam required.

ENG 095R Developmental Reading and Writing II (3) I, II. Prerequisite: ENG 090 or ACT English and Reading sub-scores of 16 or above. Focuses on critical reading and academic writing. Provides strategies for comprehending and analyzing source material and integrating sources with written work, with an emphasis on thesis development, organization, voice and writing. 3 Lec/2 Lab.

ENG 099 Intensive Writing Review (3) A. An intensive review of writing skills with special emphasis on audience analysis, invention of ideas, composing, writing, and editing strategies for the production of a substantial portfolio. Taken only by recommendation of college dean. Institutional credit when exit level attained; cannot be used for graduation.

ENG 101 Reading, Writing and Rhetoric. (3) I, II. Prerequisite: ENG 095 or ACT English subscore of 18 or higher. Analysis of critical reading skills while integrating and responding to varied sources; composing texts including summaries, analyses, evaluations, responses, and arguments; emphasizing style, organization, coherence, purpose, and persuasion for different audiences. Credit will not be awarded to students who have credit for 101R. Gen. Ed. E-1A [WC].

ENG 101R Reading, Writing and Rhetoric (Supported) (3) I, II. Prerequisite: ACT score of 17 on both English and Reading. A writing course developing critical reading skills while integrating and responding to varied sources; composing texts including summaries, analyses, evaluations, responses, and arguments; emphasizing style, organization, coherence, purpose, and persuasion for different audiences. Students who fail the class will take ENR 095 and ENG 095. Credit will not be awarded to students who have credit for ENG 101. Gen. Ed. E-1A [WR].

ENG 102 Research, Writing and Rhetoric. (3) I, II. Prerequisite: ENG 101 with a minimum grade of “C” (or equivalent). A writing course refining components of ENG 101 studying information sources and research methods; accessing, critically reading, evaluating, integrating, and documenting primary and secondary sources; utilizing information technology for inquiry, analysis, and argumentation. Gen. Ed. E-1B [WG].

ENG 105 First Year Writing Seminar. (3, 6) I, II. Prerequisite: ACT English subscore of 28 or SAT verbal score of 660 or above. Accelerated writing course, critical reading and rhetorical approaches for various purposes and audiences. Students will access, evaluate, integrate, and document primary and secondary sources while utilizing information technology for inquiry, analysis, and argumentation. Proficiency exam required. Students graded “A” or “B” will receive six hours credit for ENG 105; students with “C” or “D” will receive three hours credit for ENG 105 and must take ENG 106. Gen. Ed. E-1A [WC].

ENG 106 Writing Workshop. (1) I, II. Prerequisite: ENG 101, 105, or departmental approval. A course intended to develop writing abilities through practice in writing processes for varied topics; reading and discussion of rhetoric, grammar, etc. appropriate for the selected topic. Primarily for individualized in-semester conditions. May be retaken with different topics to a maximum of three credit hours.

ENG 200 Topos in English: ______. (3) A. Prerequisite: ENG 102 or HON 102. Introduction to areas of literature, writing, and language use through selected topics. Designed primarily for non-English majors; may be retaken with different topics to a maximum of six hours.

ENG 208W Literature and the Environment. (3) A. Cross-listed as ENV 208W. Prerequisite: ENG 102 or 105 (B) or HON 102. Writing-intensive study of the human-environmental connection as expressed in literature, including attention to environmental sustainability, reading, and writing. Required of the natural world within larger social and ethical values. Credit will not be awarded for both ENG 208W and ENV 208W. Gen. Ed. E-3B [AH].

ENG 210 Enjoying Literature. (3) I, II. Prerequisite: ENG 102 or 105 or HON 102. Understanding and enjoying the distinctive aesthetic qualities, forms and meanings of literary works within ethical and cultural contexts. Credit will not be awarded for both ENG 210 and 210W. Gen. Ed. E-3B [AH].

ENG 210W Enjoying Literature. (3) I, II. Prerequisite: ENG 102 or 105 (B) or HON 102. Understanding and enjoying the distinctive aesthetic qualities, forms and meanings of literary works within ethical and cultural contexts. Credit will not be awarded for both ENG 210 and 210W. Gen. Ed. E-3B [AH].

ENG 211W Survey of World Literature I. (3) I, II. Prerequisite: ENG 102 or 105(B) or HON 102. Selected readings from masterpieces of world literature from ancient times through the Renaissance. Credit will not be awarded for both ENG 211 and 211W. Gen. Ed. E-3B [AH].

ENG 212 Survey of World Literature II. (3) I, II. Prerequisite: ENG 102 or HON 102. Selected readings from masterpieces of world literature from the 17th century to the present. Credit will not be awarded for both ENG 212 and 212W. Gen. Ed. E-3B [AH].

ENG 212W World Literature II. (3) I, II. Prerequisite: ENG 102 or HON 102. Survey of world literature from ancient times through the Renaissance. Credit will not be awarded for both ENG 212 and 212W. Gen. Ed. E-3B [AH].

ENG 242 Introduction to a Genre: ______. (3) I, II. Prerequisite: ENG 102 or HON 102. Readings in either the novel, poetry, or short story; special emphasis on understanding and enjoying the literature. Designed primarily for non-English majors; may be retaken with different topics to a maximum of six hours.

ENG 300 Introduction to Technical and Professional Writing. (3) A. Prerequisite: ENG 102 or HON 102. Introductory course in principles of effective writing for professions and technical fields. Experience in writing with technology for various purposes and audiences relevant to students’ career interests. Special sections arranged in cooperation with professional programs. Credit will not be awarded for both ENG 300 and 300S.

ENG 300S Intro to Tech/Prof Writing. (3) A. Prerequisite: ENG 102 or HON 102. Introductory course in principles of effective writing for professions and technical fields. Experience in writing with technology for various purposes and audiences relevant to students’ career interests. Special sections arranged in cooperation with professional programs. Credit will not be awarded for both ENG 300S and ENG 300.

ENG 301 Advanced Composition. (3) I, II. Prerequisite: ENG 102 or HON 102. Refinement of writing skills; application of rhetoric in expository and argumentative writings; planning and writing a research paper.

ENG 302 Principles of Literary Study. (3) I, II. Prerequisite: ENG 102 or HON 102. Introduction to the genres of poetry, short fiction, and drama, as well as to the traditional literary devices, the major critical approaches, and several bibliographical tools.

ENG 303 Advanced Composition for Teachers. (3) I, II. Prerequisite: ENG 101 and (or) 102. Develops students as writers and as teachers of writing through experiences in writing workshop, portfolio assessment, teaching strategies for writing, and career-oriented inquiry in theoretical context. Credit will not be awarded for both ENG 303 and ENG 301.

ENG 306 Introduction to Creative Writing. (3) A. Prerequisite: ENG 102 or HON 102. An introduction to fundamentals of short story, poetry, play, or personal essay writing.

ENG 308 Autobiographical Literature. (3) A. Prerequisite: ENG 102 or HON 102. Discussion of American, British, Continental, and non-Western autobiographies and modern theories of autobiographical writing.

ENG 334 Modern Poetry. (3) A. Prerequisite: ENG 102 or HON 102. Survey of representative British and American poets from Hopkins and Dickinson to the present.

ENG 335 Modern Drama. (3) A. Prerequisite:
ENG 102 or 105(B) or HON 102. Study of representative modern plays from Ibsen to the present. Credit will not be awarded for both ENG 352 and ENG 352W. Prerequisite: ENG 102 or 105(B) or HON 102. A study of selected works by representative authors reflecting the chronological development of English literature from its beginnings to the eighteenth century. Prerequisite: ENG 102 or 105(B) or HON 102. A study of selected works by representative authors reflecting the chronological development of English literature from its beginnings to the eighteenth century. Credit will not be awarded for both ENG 357 and ENG 357W. Prerequisite: ENG 102 or 105(B) or HON 102. An exploration of the causes and consequences of war in a selection of Shakespeare’s plays. Students will also examine how political power is gained, kept, and lost through warfare in these plays. ENG 350W War & Peace in Lit Since 1900. (3) A. Prerequisite: ENG 102 or ENG 105(B) or HON 102. An exploration of themes of war and peace in literature since 1900, structured chronologically, beginning with World War I and moving into the contemporary world. Prerequisite: ENG 400 Advanced Technical Writing and Document Production. (3) A. Prerequisites: ENG 102 or 105(B) or HON 102; ENG 300. Advanced in technical communication. Emphasis on theories of technical writing and writing with technology, document development using electronic literacies.

ENG 402 Critical Theory & Research Methods. (3) A. Prerequisites: ENG 301, 302. Introduction to literary/critical theory with an historical framework, and to research methods for the academic professional. Particularly recommended for students planning to go on to graduate school.

ENG 405 Introduction to Composition Studies. (3) A. Prerequisites: ENG 102 or 105 or HON 102; ENG 301. An introductory course surveying theories of composition and applying these theories to the instruction of composition.

ENG 406 Topics in Creative Writing. (2-4) A. Prerequisites: ENG 306 or departmental approval. Specialized study of a selected genre (e.g., poetry, short story, screenplay) or approach to creative writing. Theory and practice. May be taken to a maximum of nine hours provided each topic is different.

ENG 407 Poetry Writing Workshop. (3) A. Prerequisite: ENG 306. Advanced study in the techniques of writing poetry.

ENG 408 Advanced Fiction Workshop. (3) A. Prerequisite: ENG 306. Advanced writing workshop in fiction, with supplementary reading in genre. Weekly writing and critiques of student work. Analysis of the writing market.

ENG 409 Creative Nonfiction Workshop. (3) A. Prerequisite: ENG 306 or departmental approval. Theory, models, and advanced practice in such areas as autobiographical writing, the personal essay, “on assignment” research projects, and interviewing techniques.

ENG 410 Grammar, Traditional and Modern. (3) A. Prerequisite: ENG 102 or 105 or HON 102. Grammatical structure of American English and present-day terminology used to describe that structure; analysis of the linguistic and grammatical theories underlying contemporary grammar textbooks.

ENG 420 Stylistics, Editing, Publishing. (3) A. Prerequisite: ENG 301. Development of prose style through analysis, practice, and editing. Fundamentals of online and hard-copy publishing, including the study of the markets, and preparing and submitting manuscripts.

ENG 430 Dramatic Literature. (3) A. Cross-listed as THE 430. Prerequisites: ENG 102 or HON 102; ENG 310 or 302, or departmental approval. Survey of the major periods and genres of world dramatic literature, from the Greeks to the present; selected readings from the major playwrights, critics, and theorists. Credit will not be awarded for both ENG 430 and THE 430.

ENG 440 Young Adult Literature. (3) A. Prerequisites: ENG 301, 302; or departmental approval. A survey of literature for young adults intended for Secondary English Teaching majors. Critical approaches will be applied to contemporary and significant early texts. Pedagogical approaches will be modeled.

ENG 452 American Romanticism. (3) A. Prerequisites: ENG 102 or 105 or HON 102; ENG 301 or 302, or departmental approval. A study of the 19th century Romantic movement concentrating on selected major authors through Whitman.

ENG 454 American Realism. (3) A. Prerequisites: ENG 102 or 105 or HON 102; ENG 301 or 302, or departmental approval. A study of American Realistic movement from the late nineteenth century through warfare in these plays.

ENG 455 American Fiction Since 1900. (3) A. 102.
Prerequisites: ENG 102 or HON 102; ENG 301, 302; or departmental approval. A study of Tudor poetry and prose and Elizabethan and early Stuart drama, exclusive of Shakespeare.

ENG 474 Renaissance Literature. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302; or departmental approval. Study of Elizabethan England as a background for Shakespeare’s works; extensive reading of several plays; intensive reading of selected drama and poetry.

ENG 476 Milton and His Age. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302; or departmental approval. A study of Milton’s works, Cavalier and Metaphysical Poetry, the masque, with JOU 480.

ENG 480 Romantic Literature. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302; or departmental approval. British poetry, prose, and drama of the Restoration and Eighteenth Century with emphasis on Dryden, Swift, Pope, and Johnson.

ENG 482 Victorian Literature. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302; or departmental approval. Survey of British poetry, essays, and fiction of the Victorian period.

ENG 483 British Fiction Since 1900. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302; or departmental approval. Survey of representative British novels and short stories of the twentieth and twenty-first centuries.

ENG 490 Creative Writing Capstone. (3) I, II. Prerequisite: departmental approval. Portfolio creation, assessment, and career guidance.

ENG 491 Technical Writing Capstone. (3) I, II. Prerequisite: ENG 482 or prior status. Provides professional technical writing experience by placing students in appropriate positions with area businesses and industries.

ENG 492 English Literature Capstone. (3) A. Prerequisite: senior status. A review of literature from periods, concepts. Study of techniques of literary criticism and/or theory, major revision of an analytical paper. Discussion of graduate school and career options in the major.

ENG 495 Independent Study. (1-3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302; or departmental approval. Individual study and/or research on a problem pertaining to literature or language. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

ENG 499 Senior Capstone Experience (1) A. Prerequisites: senior status and departmental approval. A service learning project within the University community for all English majors, involving planning and participating in the Association of English Majors Annual Conference, and reflecting on that professional experience.

ENG 500 Topics in Professional Writing: (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302, and one additional ENG course; or departmental approval. Study and practice in selected areas of professional writing. May be retaken with different topics to a maximum of six hours. If the topic is “Writing for the Popular Media,” no credit to students with JOU 480.

ENG 502 Advanced Creative Writing. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, and departmental approval. Open to students who desire to have their manuscripts criticized; fiction, drama, poetry, biography, or the informal essay accepted; guest lectures and discussion with writers in residence.

ENG 503 Creative Writing Workshop. (1) A. Prerequisites: ENG 101 and 102 (or 105), 301, and departmental approval. One week course of lectures and discussions by faculty and visiting lecturers. Each student must submit a short story, a one-act play, four poems, or equivalent. May be repeated for a maximum of three hours.

ENG 504 Creative Writing Mentorship. (2) SUMMER ONLY. Prerequisite/Corequisite: ENG 503. Corresponding with instructor online and in conference, students will continue to develop projects begun in ENG 503.

ENG 510 Introduction to Linguistic Theory. (3) A. Prerequisites: ENG 102 or HON 102, and one additional ENG course. An introduction to current linguistic theory and practice.

ENG 515 English as a Second Language. (3) A. Prerequisites: ENG 102 or HON 102; and ENG 510 or departmental approval. Study of theories advanced to explain the learning of English as a second language.

ENG 520 History of the English Language. (3) A. Prerequisites: ENG 102 or HON 102, and one additional ENG course. Study of the history of the English language in terms of social, historical, and linguistic forces from which it developed into modern English.

ENG 530 Topics in a Genre: __________. (3) A. Prerequisites: ENG 102 or HON 102, and one additional ENG course. Study of a particular aspect of literature such as a theme, a movement, or contemporary directions/experiments. May be retaken with different topics to a maximum of six hours.

ENG 550 Internship in Literature. (3) A. Prerequisites: ENG 102 or HON 102, ENG 301, 302, and one additional literature course. An intensive study of a particular aspect of literature such as a theme, a movement, or contemporary directions/experiments. May be retaken with different topics to a maximum of six hours.

ENR—Learning Skills

ENR 112 Academic Literacy and Learning. (3) I, II. Prerequisite: completion of all ENR developmental requirements and 59 hours or fewer. Provides practice in critical reading of arts and humanities texts. Students examine ways that writers express cultural values and themes in various genres. Emphasis on strategic reading, writing, and learning practices.

ENR 115 Learning Dynamics. (1) I, II. Five-week course concentrates on learning techniques for efficient and effective study of college reading materials. Emphasis on learning, storing, and retrieving information. Credit will not be awarded for both ENR 115 and ENR 112.

ENR 116 Strategies for College Reading. (1) I, II. Prerequisites: ACT reading sub-score 18 or higher or ENR 095 or equivalent. Registration restricted to freshmen and sophomores. Five-week course concentrates on developing reading comprehension, analysis, rate, and vocabulary in various disciplines.

ENR 201 Vocabulary Development. (2) I, II. Introduction to a wide range of vocabulary for reading, writing, speaking, and listening. Instruction in using context and Greek and Latin elements to unlock meaning. Includes practice in solving verbal analogies.

ENR 205 Topics in Reading: ______. (1-3) A. Emphasis placed on specific areas of reading and studying through selected topics.

ENR—Environmental Sustainability and Stewardship

Dr. Alice Jones, Director

ENV 200 The Sustainable Global Future. (3) A. Introduces environmental sustainability, and explores environmental interconnections among ecosystems, societies, and economies in an era of global change. Topics include living within ecosystems limits, social equity & justice, technical, scientific, governmental, and individual strategies fostering sustainability. Gen. Ed. E-5B [SB]

ENV 208W Literature and the Environment. (3) A. Cross-listed as ENG 208W. Prerequisite: ENG 102 or HON 102. Writing intensive study of the human-environmental connection as expressed in literature, including attention to environmental sustainability and personal responsibility to the natural world within larger social and ethical values. Credit will not be awarded to students who have credit for ENV 208 or ENG 208W: Enjoying Literature. Gen Ed E-3B.

ENV 302 Global Environmental Problems. (3) A. Cross-listed as GEO 302. Prerequisites: GEO 100, 210 or 220; ENG 102, 105B (or HON 102); MAT 105 or higher; or departmental approval. Examination of the human-environmental connection and sustainable strategies in the context of global change, with case studies from exemplary world regions, including rainforest, mountain, desert, and island biomes. Credit will not be awarded for both GEO 302 and ENV 302.

ENV 303 Environmental Geoscience. (3) A. Cross-listed as GLY 303. Prerequisite: GLY 102, 104, 107, 108, or 109; or GEO 100, 210, or 220; or departmental approval. Investigation of the Earth as a complex set of interconnected systems that cycle elements, water, and earth materials over geologic and human time scales. The course emphasizes global environmental changes that occur on the planet because of human actions. Credit will not be awarded for both GLY 303 and ENV 303.

ENV 317 Conservation of Wildlife Resources. (3) I, II. Cross-listed as WLD 317. Prerequisites: ENG 102 or 105 (B) or HON 102; and MAT 105 or higher. Introduction to the principles and practices of population of plants and animals and requirements and values of wildlife resources; impact of human activities on resources. May not be used to satisfy BIO or WLD area, major, or minor requirements. Credit will only be awarded for ENV 317; WLD 317 or BIO 317.

ENV 319 Renewable and Sustainable Energy Systems (3) II. Cross-listed as AGR 319. Prerequisite: ENG 102 or ENG 105B (or HON 102); and MAT 105 or higher. Principles of energy and how those needs can potentially be met in the future will be discussed. Comparisons of existing energy sources (fossil fuels, nuclear power) with renewable sources (biomass, solar, and tidal). Credit will not be awarded for both AGR 319 and ENV 319.

ENV 325S Environmental Land Use Planning. (3) A. Cross-listed as GEO 325S. Prerequisites: GEO 100, 210 or 220; ENG 102, ENG 105B (or HON 102); MAT 105 or higher; or departmental approval. Examines how principles of landscape ecology, resource conservation, and environmental impact analysis are incorporated into land use decisions and public policy. Emphasizes practical application at the site and regional scale. Credit will only be awarded for GEO 325S, or ENV 325S.

ENV 340 Environmental Economics. (3) A. Cross-listed as APP 340 and ECO 340. Prerequisite: ECO 230. Applications of basic economic analysis to a study of the environment and environmental problems. Major
Section Seven - Course Descriptions

Topics include benefit-cost analysis for environmental decision making, the potential for market-based solutions to environmental problems, the role and implementation of environmental policy. Credit will only be awarded for ENV 340, or APP 340, or ECO 340.

ENV 341 Conservation of Agricultural Resources. (3) A. Cross-listed as AGR 340. Prerequisite: any ENV or AGR course and Junior Standing. Conservation of soils and their fertility, erosion and control, soil conservation methods for individual farms, water supply and distribution, problems of water and air pollution, problems resulting from the population explosion. Credit will not be awarded for both AGR 340 and ENV 341.

ENV 349 Applied Learning: Sustainability. (0.5-8) A. Prerequisite: 2.25 GPA and departmental approval. Specialized study in selected topics related to environmental sustainability and stewardship. May be taken for a maximum of 12 credit hours provided subject matter differs each time.

ENV 350 Special Topics in ENV. (3) A. Prerequisite: ENG 102 or ENG 105(B) or HON 102 and departmental approval. Specialized study in selected topics related to environmental sustainability and stewardship. May be taken for a maximum of 12 credit hours provided subject matter differs each time.

ENV 385 Environmental Ethics. (3) A. Cross-listed as PHIL 385. Prerequisites: ENG 102 or ENG 105(B) or HON 102. An examination of historical and contemporary views of the values and rights of nature. Possible topics include animal rights, conservationism, the land ethic, stewardship, deep ecology, ecoselfism, and indigenous approaches to the environment. Credit will not be awarded to students who have credit for GEO 385 and PHIL 385.

ENV 430 Sustainability in Appalachia. (3) A. Cross-listed as APP 430 and GEO 430. Prerequisites: ENG 102 or ENG 105(B) or HON 102; and MAT 105 or higher, or departmental approval. Examination of Appalachian’s ecological, social, and economic patterns, and the processes through which residents can ensure their social, economic and ecological sustainability in the future. Credit will not be awarded to students who have credit for GEO 430 and APP 430.

ENV 435 Biogeography. (3) A. Cross-listed as GEO 435. Prerequisites: ENG 102 or ENG 105(B) or HON 102; and MAT 105 or higher, or departmental approval. Study of plant and animal distributions and the role of terrestrial biomes, with an emphasis on understanding spatial hypotheses to explain the variety and everchanging geographic ranges of living organisms. Credit will not be awarded for both BIO 435 and ENV 435.

ENV 450 Advanced Topics in ENV. (3) A. Prerequisite: ENG 102 or ENG 105(B) or HON 102 and departmental approval. Specialized advanced study in selected topics related to environmental sustainability and stewardship. May be taken for a maximum of 6 credit hours provided subject matter differs each time.

ENV 498 Independent Study (1-3) A. Prerequisite: ENG 102 or ENG 105(B) or HON 102 and 6 hours completed towards minor. Supervised study in environmental sustainability and stewardship. Independent Study proposal must be approved by faculty supervisor and ENV coordinator prior to enrollment. Repeatable to 6 hours.

ENV 500 Environmental Issues. (3) II. Cross-listed as BIO 500. Prerequisite: Junior and Senior standing required; BIO 100, 102 or 112. Students will learn to identify, investigate and evaluate environmental issues as well as plan appropriate action based on their analysis. Credit will not be awarded to students who have credit for BIO 500, ENV 700, or CNM 800.

ENV 590 Ecology for Teachers. (3) I. Cross-listed as BIO 590. Prerequisite: Junior and Senior standing required; BIO 100, 102, or 112. This course introduces ecology and the environment through an interdisciplinary approach beginning with the physical environment progressing to whole ecosystems and onto analyses of ecological sustainability. Classroom strategies and techniques will be modeled. Credit will not be awarded to students who have credit for BIO 590, ENV 790, or CNM 599.

ESE—Secondary Education

ESE 307 Clinical Experiences for Teachers. (1-3) A. Prerequisite: departmental approval. Provides clinical experiences such as observations, participation, and tutoring for prospective teachers in locations such as the learning lab. May be retaken to a maximum of six hours.

ESE 490 Secondary Curriculum, Classroom Organization and Management. (3) II. Prerequisites: ESE 319 or 319W admission to professional education. Corequisite: EMS 349R. Emphasis on questions and problems encountered in secondary teaching including classroom management, state and national curriculum trends, and legal issues.

ESE 507 Problems in Secondary Education. (1-3) A. Prerequisite: advisor/departmental approval. Independent work, special workshops, special topics, or seminars.

ESE 574 Teaching Reading in the Secondary School. (1-3) A. Prerequisites: education core and admission to professional education. Emphasis on developmental and content area reading skills, appraisal of reading abilities, appropriate materials, assessment, and organization of secondary reading programs.

ESE 579 Music Education: Principles and Practices. (3) I. Prerequisite: ESE 319, admission to professional education. Corequisite: ESE 349. Acquaints students with a balanced vocal and instrumental music education curriculum in the secondary school. Emphasis on understanding and planning a developmental sequence to assure the musical growth of students 8-12. Minimum of 20 field/critical hours.

FCC—Foreign Culture and Civilization

Dr. Abbey Poffenberger, Chair

FCC 210 Topical in Culture. (3) A. May be retaken to a maximum of 6 hours if topic is different. Introduction to the unique values and traditions of a major African, Asian, Hispanic, or European culture as reflected in its aesthetic, intellectual, and other cultural achievements. Taught in English. Gen. Ed. E-3B [AH].

FCC 220 Foreign Culture and Civilization

(3) A. Introduction to the unique values and traditions of the French nation and of French-speaking peoples as reflected in their aesthetic, intellectual, and other cultural achievements. Taught in English. Gen. Ed. E-3B [AH].

FCC 222 German Culture and Civilization

(3) A. Introduction to the unique values and traditions of the German peoples as reflected in their aesthetic, intellectual, and other cultural achievements. Taught in English. Gen. Ed. E-3B [AH].

FCC 226 Hispanic Culture and Civilization

(3) A. Introduction to the unique values and traditions of the Hispanic nations as reflected in their aesthetic, intellectual, and other cultural achievements. Taught in English. Gen. Ed. E-3B [AH].

FCC 227 Japanese Culture and Civilization

(3) A. Introduction to the unique values and traditions of the Japanese as reflected in their aesthetic, intellectual, and other cultural achievements. Taught in English. Gen. Ed. E-3B [AH].

FCS—Family and Consumer Sciences

Dr. Dana Bush, Chair

FCS 320 Family Housing and Design. (3) I. Introduction to housing and its relationship to human needs. Historical, governmental and current issues influencing housing consumption of individuals and families. Design considerations emphasized include principles and elements, architecture, furniture, and space planning.

FCS 330 Field Experience. (1-8) A. Prerequisites: departmental approval and a minimum GPA. Supervised work experience in department approved organization. A minimum of 80 hours work required for each academic credit. Options may be taken to a maximum of 8 hours.
FIN 201 Personal Money Management. (3) I, II. A consumer approach to insurance, family budgeting, income taxes, elementary investment principles, and estate planning. Credit will not be awarded for both FIN 201 and FRM 352.

FIN 202 Business Finance I. (3) I, II. Prerequisites: ACC 201, 202, ECO 230, QMB 200, with a grade of “C” or better in each course; junior standing (a minimum of 60 hours) and an overall minimum 2.0 GPA. Financial principles with applications to business organizations. Includes firm financial motives, theory and empirical investigations, security valuation, risk free borrowing and lending; portfolio selection and performance evaluation are examined. Also included are derivatives’ valuation and their role in a diversified portfolio.

FIN 203 Corporate Finance. (3) I, II. Prerequisites: FIN 300 with a “C” or better. An in-depth exploration of capital structure (including dividend policy) decisions, working capital management, financial forecasting and planning, the agency problem and its implication for security markets and firm valuation, financial market efficiency.

FIN 204 Small Business Finance. (3) A. Prerequisite or Corequisite: FIN 301. Equity, debt and venture capital markets for small businesses are examined. Also systems for financial statement generation and internal controls, sources and uses of funds forecasting, short-term asset and liability management, and capital structure decisions are explored. A small firm valuation project will be completed.

FIN 300 Financial Institutions. (3) I, II. Prerequisite: FIN 300. A survey of the evolution of financial institutions, including the impact of regulation and deregulation. Financial institutions, including the impact of regulation and deregulation.

FIN 310 Entrepreneurial Finance. (3) I, II. Selection of business form, tax planning, financing and cash flow planning; motivating and retaining employees; compensation planning; debt and equity financing; legal, tax, and ethical considerations.

FIN 311 Personal Financial Planning. (3) I, II. Prerequisite: FIN 201 or 300 or 310, or FRM 352. Time value of money applications; personal financial statement evaluation; assessment; cash flow and debt management; asset acquisition; education planning; planning elements of risk management; investment planning; and retirement planning.

FIN 324 Principles of Investments. (3) A. Prerequisite: FIN 300 or FIN 201 or FIN 310 with a “C” or better. Analysis of the characteristics, valuation, and tax implications of various investments such as corporate and preferred stock; corporate, federal and municipal debt; mutual funds; money market accounts; options and futures. Explores methods of trading securities.

FIN 330 Principles of International Finance. (3) A. Prerequisite: Departmental approval. Financial decision-making processes of multinational corporations; flow of funds; exchange rate determination and forecasting; currency futures and options; international business; mergers and acquisitions; exchange rate exposure; multinational capital budgeting; analysis of country risk.

FIN 349 Applied Learning in Finance. (5-8) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/ or career goals. Minimum of 80 hours work for each credit hour. May be repeated for a total of 16 credit hours.

FIN 349 A-N Cooperative Study: Finance. (5-8) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/ or career goals. Minimum of 80 hours work for each credit hour. May be repeated for a total of 16 credit hours.

FIN 390S Community Financial Literacy. (3) A. Prerequisites: FIN 201, 310, and 311 with a grade of C or better in each course. Application of financial planning for community members; teaching financial literacy to EKU’s service areas and surrounding communities.

FIN 410 Financial Analysis and Valuation. (3) A. Prerequisite: FIN 324 and FIN 300 with “C” or better, or ACC 302 with “B” or better and departmental approval. Exploration of discounted residual earnings as basis for valuation; sources of value creation; methods of forecasting future financial statements. Students are required to produce analyst report for a public company.

FIN 420 Investment and Portfolio Theory. (3) II. Prerequisites: FIN 301 and 324 with a “C” or better. Investment analysis including efficient market theory and empirical investigations, security valuation, risk free borrowing and lending; portfolio selection and performance evaluation are examined. Also included are derivatives’ valuation and their role in a diversified portfolio.

FIN 424 Derivatives Valuation and Accounting. (3) A. Prerequisite: FIN 301 with “C” or better; or ACC 302 with “B” or better and departmental approval. General valuation principles for derivatives, numerical methods of derivative valuation, regulations covering executive stock options, accounting of derivatives. Also covered are special purpose vehicles.

FIN 450 Project in Finance. (1-3) I, II. Prerequisite: departmental approval. Selected topics of special interest to finance students. Students are required, under supervision of finance faculty, to write a paper on any finance topic of their choice.

FIN 490 Special Problems in Finance. (1-4) A. Prerequisite: advisor/departmental approval. May be retaken under different sub-topics to a maximum of six hours. Independent work, special workshops, special topics, or seminars. Student must have the independent study proposal approved by faculty supervisor and department chair prior to enrollment.

FLS — Foreign Language Studies Dr. Abbey Poffenberger, Chair

FLS 100 Adventures in Language. (1-3) A. This course introduces students to a language and culture through a variety of possible topics such as Spanish, Germand, French, Chinese, Spanish, or Arabic. May be retaken to a maximum of six hours if topic is different.

FLS 101 Language Topics. (3) A. Entry level study of a less frequently taught language such as Arabic, Chinese, Greek, Swahili, or other. May be retaken to a maximum of six hours if topic is different.

FLS 201 Language Topics. (3) A. Prerequisite: Basic proficiency in the language and departmental approval. Intermediate level study of a less frequently taught language such as Arabic, Chinese, Greek, Swahili, or other. May be retaken to a maximum of six hours if topic is different.

FLS 230 Language Studies Abroad. (1-12) A. Prerequisite: Departmental approval prior to study abroad. Intensive intermediate level coursework in study abroad programs. May be retaken to a maximum of 12 hours per semester for duration of study abroad program(s).

FLS 295 Independent Work in Language. (1-3) A. For students with previous language study. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of nine hours if topic is different.

FLS 306 Co-op Study: Foreign Language. (3) A. Prerequisites: departmental approval and the student’s major departmental approval. Introduces basic linguistic structures of major European languages, including pronunciation and intonation patterns; sharpens awareness of / and differentiates sounds.

FLS 310 Topics in Foreign Languages. (1-3) A. May be retaken to a maximum of 6 hours if topic is different. Examination of problems and issues in foreign languages, literatures, or cultures.

FLS 330 Language Studies Abroad. (1-12) A. Prerequisite: Departmental approval prior to study abroad. Intensive intermediate/advanced level coursework in study abroad programs. May be retaken to a maximum of 12 hours per semester for duration of study abroad program(s).

FLS 349 Applied Learning: Finance. (3) A. Prerequisite: departmental approval. Work in placements related to foreign language study. One to eight hours credit per semester or summer. Total hours: 16. A minimum of 80 hours employment required for each semester hour credit.

FMT 300 Cooperative Study: Finance. (3) A. Prerequisite: departmental approval. Work in placements related to foreign language study. One to eight hours credit per semester or summer. Total hours: 16. A minimum of 80 hours employment required for each semester hour credit.

FMT 340 Fermentation Chemistry (3) A. Prerequisites: CHE 102/102L or 361/361L (C or better). Course describes the chemistry and chemical principles present at different steps of fermentation (specific to beverages) including the composition of initial feedstocks, malting process, wort generation, fermentation, packaging, and storage.

FMT 345 Sensory Analysis (2) A. Prerequisite: FMT 340 or B better. An introductory course on sensory perception pertaining to neuroscience and practical sensory experience with products generated from fermentation processes. 1 Core / 2 Lab.

FMT 349 Applied Learning in Fermentation Science. (0.5-8) A. Prerequisite: FMT 340 (C or better) and age requirement ≥ 21 years. Basic principles involved in sensory perception pertaining to neuroscience and practical sensory experience with products generated from fermentation processes. 1 Core / 2 Lab.
FMT 349 A-N Cooperative Study: Forensic Science (1-5) A. Prerequisite: FMT 340 (C or better) and Departmental approval. Work in experiences related to academic studies in fermentation science. One half to eight hours credit per semester or summer. A minimum of 80 hours of employment required for each semester hour of academic credit. May be repeated for maximum of 12 credit hours but only three hours may be counted toward the certificate or major requirements.

FMT 451 Applied Learning in Forensic Science: (1) A. Prerequisite: FMT 340 (C or better) and Departmental approval. Students concentrate on the objectives and techniques of fermentation science research to address a variety of issues/problems in all aspects of the field. May be repeated for a maximum of six hours but only three hours can count towards a degree. Student must have the independent study proposal approved by faculty supervisor and departmental chair prior to enrollment. 3-9 Lab.

FOR 331 DNA Profiling. (3) A. Prerequisites: Bio 111(C) and STA 270 (C). Prerequisite or corequisite: CHE 102 (C) or better and 545 (C or better). Age requirement (≥21 years). Course to perform an independent capstone project where students will decide on the process to make a final fermentation product. Complete analysis of the product will be performed at different stages of production. 1 Lab.

FOR 331L DNA Profiling Lab. (1) A. Prerequisite: CHE 36(C). Prerequisite or corequisite: FOR 331. Laboratory course of FOR 331. Provides practical experience in Forensic DNA profiling; sample collection, DNA extraction, DNA quantitation and amplification. Prerequisite or corequisite: for further studies/career in forensic/molecular biology.

FOR 349 Applied Learning in Forensic Science. (0.5-8) A. Formerly FOR 495. Prerequisite: FOR 310 or departmental approval. Independent laboratory work related to academic studies in fermentation science in a laboratory setting. A minimum of 80 hours of employment required for each semester hour of academic credit. May be taken for a maximum of 16 hours, but only six hours toward the major requirements. Eight to sixteen weeks.

FOR 349 A-N Cooperative Study: Forensic Science. (0.5-8) A. Formerly FOR 495. Prerequisite: FOR 310 or departmental approval. Work in experiences related to academic studies in forensic science. One half to eight hours credit per semester or summer. A minimum of 80 hours of employment required for each semester hour of academic credit. May be repeated for maximum of 16 credit hours but only six hours may be counted toward the major requirements.

FOR 401 Forensic Professional Practice. (3) I. Prerequisite: FOR 301. Introduces professional practices and expectations for the forensic scientist. Includes discussion of various professional organizations, certification, ethics, QA/QC, accreditation, technical writing, data treatment and interpretation.

FOR 411 Instrumental Analysis (3) A. Cross-listed with CHE 425. Prerequisites: CHE 325, 325L, 362, 362L, PHY 313A or PHY 313B (C or better in each course). Prerequisite or Corequisite: CHE 411L. Fundamental principles of the operation and application of analytical instrumentation including spectrophotometry, chromatographic electron microscopy, Raman, mass spectrometry, fourier transform, nuclear magnetic resonance, forensic, and research environments are presented. Credit will not be awarded for both FOR 411 and CHE 425.

FOR 411L Forensic Instrumental Laboratory (1) A. Prerequisite: BIO 111 (C or better); Prerequisite or Corequisite: FOR 411. Lab component of FOR 411. Lab providing hands-on experience operating instrumentation most commonly used in forensic science analytical laboratories, including UV-visible, infrared, Raman, X-ray fluorescence, and atomic absorption spectrophotometric techniques plus thin-layer, gas, and liquid chromatographic separation techniques. Credit will not be awarded for both FOR 411L and CHE 425L. 3 Lab.

FOR 412 Forensic Trace Evidence. (3) II. Prerequisites: FOR 411(C), 411L(C), 451(C), and 451L(C). Prerequisites or Corequisite: FOR 412L. Corequisite or Corequisite: FOR 412L. Corequisite or Corequisite: FOR 412L. Corequisite or Corequisite: FOR 412L. Corequisite or Corequisite: FOR 412L. Corequisite or Corequisite: FOR 412L. Corequisite or Corequisite: FOR 412L. Corequisite or Corequisite: FOR 412L. Corequisite or Corequisite: FOR 412L.

FOR 442 Forensic Analytical Toxicology. (3) II. Formerly FOR 430. Prerequisites: CHE 36(C) and 411(C) or CHE 411(C) and 425L(C); or departmental approval. Pre-requisite or co-requisite: FOR 442L. Study of the chemistry, biochemical activity, isolation and identification of drugs of forensic interest in biological materials. Credit will not be awarded to students who have credit for FOR 430.

FOR 442L Forensic Analytical Toxicology Lab. (1). II. Prerequisites: FOR 411 (C) and 411L (C) or CHE 425 (C) and 425L (C); Prerequisites or corequisite: FOR 442L. Introduces techniques and instrumentation used for the chemical separation and analysis of drugs in both solid dosage and toxicological samples. 3 Lab.

FOR 451 Forensic Microscopy Analysis. (2) I. Prerequisite or Corequisite: FOR 411, 411L, and 451L (C or better). Introduction to concepts of forensic microscopic analysis; identification and characterization of various evidence, such as glass, fiber, and bone. 4 Lab.

FOR 451L Forensic Microscopy Lab. (1) I. Prerequisite or Corequisite: FOR 451. Laboratory component of FOR 451. Use of stereoscopes and polarizing light microscopes for examination of forensic materials. 3 Lab.

FOR 460 Selected Topics in Forensic Science. (1-3) A. Prerequisite: instructor approval. Topics will be chosen from areas of current interest and may be retained for credit when new topics are offered. Topics and credit will be announced prior to each offering.

FOR 465 Expert Witness Testimony. (2) A. Prerequisite: FOR 411 with a "C" or better or departmental approval. Topics include the underlying theories and purpose of expert witness testimony, qualifications of scientific experts, ethical issues relating to expert witness testimony, and elements of expert witness discovery and courtroom testimony. Videotaping of testifying in mock testifying situations is also included. Credit will not be awarded for both FOR 465 and 465W. 4 Lab.

FOR 465W Expert Witness Testimony. (3) A. Prerequisites: ENG 102 or ENG 105 or HON 102 and FOR 411(C) and FOR 411L(C) or departmental approval. Theory and practice for expert witness testimony, qualifications of scientific experts, ethical issues, and practical aspects of expert witness discovery and courtroom testimony. Videotaping of testifying in mock testifying situations is also included. Credit will not be awarded for both FOR 465W and 465W. 3 Lab.

FOR 475 Mass Spectrometry. (3) A. Cross-listed with CHE 520. Prerequisite: CHE 362. Topics include types of mass spectrometers; qualitative and quantitative mass spectrometry, different ionization processes, sample inlet systems, (including chromatography systems), and interpretation of mass spectral data. Credit will not be awarded for both FOR 475 and CHE 520.

FOR 490 Introduction to Research. (1-3) A. Prerequisite: FOR 411 or departmental approval. Introduction to laboratory research in one of the areas of forensic science. May be repeated to a maximum of six hours, but only three hours may be counted toward the major requirements. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

FOR 499 Forensic Science Capstone (3) A. Prerequisites: FOR 411 (C), and 411L (C), and 6 hours of 400 level or above FOR or CHE or BIO courses from within the student’s option (C or better in each course). Prerequisite or co-requisite: FOR 465 or 465W. Capstone experience that provides overview of the investigative process from collection of evidence at a mock crime scene, through analysis, data interpretation, and presentation of results in a mock courtroom setting. 2 Lec/3 Lab.

FRE—French

FRE 101 Conversational French I. (3) A. Required: all developmental reading and writing courses. Beginning French conversation, grammar, and language skills. Emphasis on speaking and listening comprehension, with introduction to basic written form. Taught in Francophone and francophone cultures. Laboratory work required. Gen. Ed. E-E [GE].

FRE 202 Conversational French II. (3) I. II. Recommended: FRE 101 or equivalent proficiency.
Section Seven - Course Descriptions

FRE 340 French Phonetics. (3) A.
Prerequisite: FRE 207 or equivalent proficiency with departmental approval. Intensive practice in the spoken language with emphasis on improving pronunciation and aural comprehension. The sound system of French is taught through phonetic exercises.

FRE 350 French Conversation. (3) A.
Prerequisite: FRE 207 or equivalent proficiency with departmental approval. Intensive practice in conversation with emphasis on vocabulary building and improving fluency in the language.

FRE 390 Grammar in Context, (3) A.
Prerequisite: FRE 207 or equivalent proficiency with departmental approval. The student chooses a problem and works under the supervision of the instructor. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours provided topics vary.

FSE—Fire and Safety Engineering Technology
Mr. Paul English, Coordinator

FSE 101 Fire Prevention. (3) A.
An introduction to fire and safety related codes; fire prevention methods; mechanical and engineering solutions for hazards. An in-depth look at the Life Safety Code, the function and testing of fire related building components.

FSE 120 Fire Behavior and Combustion. (3) A.
Introduction to the chemistry and dynamics of fire; including basic terminology and concepts that are applied to the physical and chemical properties of the development and spread of fire in a structure; hazardous materials and the Computer Fire Analysis.

FSE 200 Applied Fire and Safety Analysis (3) A.
Cross-listed as OSH 200. Analytical and statistical concepts and procedures for the treatment of fire and safety related data. Includes quantitative and qualitative techniques, descriptive and inferential statistics. Credit will not be awarded for both FSE 200 and OSH 200.

FSE 201 Building Construction. (3) A.
A review of the analysis of building construction methods and terminology using a service learning approach. A systems approach to designing building fire safety; the Life Safety Code; the function of and testing of building components, evaluating plans for code compliance.

FSE 205S Building Construction. (3) A.
A review of the analysis of building construction methods and terminology using a service learning approach. A systems approach to designing building fire safety; the Life Safety Code; the function of and testing of building components, evaluating plans for code compliance. Credit will not be awarded for both FSE 201 and FSE 205S.

FSE 221 Fire Protection Systems. (3) A.
Prerequisites: FSE 101, FSE 120. Introduction to fire detection, protection, control systems, and extinguishment. Fixed and portable systems of the following types will be studied: automatic sprinklers, standpipes, dry chemical, foam, halogenated agents, fire alarm systems and detection.

FSE 223 Fire and Emergency Scene Operations (3) A.
Prerequisite: FSE 201 or FSE 205S. Principles of Incident Management including emergency scene decisions, strategies, and tactics. Utilization of resources to control building emergencies. Applicability and control resources such as personnel, apparatus, and equipment.

FSE 224 Human Behavior In Fire. (3) A.
Prerequisites: FSE 101 and FSE 120. Examine current and past research on human behavior, systems models, life safety education and building design to determine interactions and implications of emergency situations in developing a best practice building life safety system.

FSE 225 Legal Aspects of Fire Protection and Safety. (3) A.
Cross-listed as OSH 225. A study of legislative and legal decisions relating to personnel practices, employee safety, and public protection. Emphasizes the legal responsibilities, liabilities, and authority of the fire service practitioner. Credit will not be awarded for both FSE 225 and OSH 225.

FSE 230 Fire Prevention Organization and Management. (3) A.
Prerequisite: FSE 101. An introduction to management issues related to fire prevention systems. Overview of the requirements for fire prevention codes, managing inspections, relations with public and officials and implementation of fire education programs.

FSE 250 Introduction to Fire Arson and Explosion Investigations. (3) A.
An introduction to arson and explosion investigations. Topics include a historical overview of arson and terrorism statutes, sources of information, the federal role in fire and explosion investigation, explosives and improvised explosive devices.

FSE 260 Proving Criminal Acts. (3) A.
A study of crimes and the methodical steps in the investigation and proving of criminal acts. Explore defenses/legal remedies to enable the student to
understand the obligations of managing an investigation.
FSE 380 Constitutional Criminal Procedure. (3) A.
Prerequisites: minimum 45 hours completed. Survey, analysis, evaluation of current issues and trends in constitutional law, principles of law of personal property transfers, governmental regulation.
FSE 399 Practicum. (1-12) A. Prerequisite: departmental approval. Supervised field observation, research, and/or experience.

GBU—General Business
Dr. Lana Carnes, Chair

GBU 101 Introduction to Business. (3) I, II. A survey of business and international business. The course explores business areas including management, marketing, accounting, and finance. The course is designed to help prepare students for future business courses and assist students in deciding whether to choose business as a career.

GBU 201 International Business. (3) I. An overview of international business, including international business law, international business, and international business practices. The course explores international business areas such as competitive advantage in international business, business practices in international business, and business regulations and regulatory agencies that impact businesses.

GBU 301 e-Commerce Fundamentals. (3) A. Prerequisite: minimum 45 hours completed. Survey, analysis, evaluation of current issues and trends in e-commerce and electronic mediated environments.

GBU 311 Law of Commercial Transactions. (3) II. Principles for law of personal property transfers, negotiable instruments, secured transactions, the application of the Uniform Commercial Code and business transactions, bankruptcy, and governmental regulation.

GBU 349 Applied Learning in General Business. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours required for each credit hour.

GBU 350 Fire Arson and Explosion Investigation I. (3) A. Prerequisite: FSE 120. An in-depth study in the analysis of fire, arson, and explosion scenes. Emphasis will be placed on the principles and techniques of scene preservation analysis, management of investigative functions, documentation of the scene, and determination of the cause and origin of fire.

FSE 355 Fire Dynamics. (3) A. Prerequisites: CHE 101 (or higher), FSE 120, and MAT 167 or 114/169 or 171. An in-depth study of fire-related measurement techniques, advanced fire and combustion concepts and associated terminology. This course includes basic numerical methods for understanding fire dynamics. This course is offered within the legal system.

FSE 375 Fire and Safety Research and Evaluation. (3) A. Prerequisite: senior standing. Development of competency relating to concepts of fire and safety research analysis. Each student develops a research design and carries out a study project.

Individual studies are culminated with project paper presentations.

FSE 495 Fire Arson and Explosion Case Preparation. (3) A. Prerequisite: FSE 450. Preparation of the fire, arson, and explosion case for trial, including preparation of demonstrative evidence, scene documentation for presentation, rules of evidence, case review and analysis, and testimony.

FSE 498 Independent Study. (1-3) A. Prerequisite: Departmental approval. Individual reading and research on a problem or area within the field of Fire and Safety. After student consultation with the instructor, student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours providing the project title differs.

FSE 499 Practicum. (1-12) A. Prerequisite: departmental approval. Supervised field observation, research, and/or experience.
counting toward degree. Co-op hours may be repeated up to nine hours.

GCM 430 Seminar in Business. (1-3) A. A carefully selected topic of special and contemporary interest to business students. May be retaken under different subtitles to a cumulative maximum of nine hours.

GCM 480 Business Strategy. (3) I, II. Prerequisites: CCT 300 or 300W, CIS 300, FIN 300, MGT 300, 370, and MKT 300 with a grade of “C” or better in each prerequisite course; senior standing (A minimum of 90 hours with an overall minimum 2.0 GPA). A capstone study of administrative processes under conditions of uncertainty including integrative analysis and formulation of strategy and supporting policy at administrative/executive levels. Students must complete all business core courses prior to taking GCM 480.

GCM—Graphic Communications Management

Dr. David Dailey, Coordinator

GCM 211 Graphic Communications. (3) I, II. An overview of the market segments using the technologies of printing, publishing, packaging, electronic imaging, and their allied industries. 2 Lec/2 Lab.

GCM 217 Electronic Publishing. (3) A. Basic course in desktop publishing and preparing appropriately designed documents for Graphic Communications. Emphasis is on the use of professional level computer application programs for working with images, type and page layouts. 2 Lec/2 Lab.

GCM 255 Web Publishing. (3) I. Formerly TEC 255. A basic course in using current Web standards to prepare content for the World Wide Web that includes HyperText Markup Language (HTML) and Cascading Style Sheets (CSS). 2 Lec/2 Lab.

GCM 313 Digital Photography. (3) A. Formerly TEC 313. A study of current technology used to capture, manage, enhance and process photographic images for use with various computer applications. 2 Lec/2 Lab.

GCM 316 Graphic Communications II. (3) I. Prerequisites: GCM 211. Advanced study of the imaging processes with particular attention given to press, press and post processes related to offset presses. 2 Lec/2 Lab.

GCM 317 Electronic Publishing II. (3) II. Prerequisite: GCM 217. Advanced desktop publishing course in the design, creation, and assembling of text and graphical images. Emphasis on study of color theory, color management and color separation. 2 Lec/2 Lab.

GCM 318 Flexographic Printing (3) I. Prerequisite: GCM 211. An overview of the flexographic printing process. Emphasis will be given to products, image carriers, imaging and finishing operations in the label and corrugated packaging industry. 2 Lec/2 Lab.

GCM 319 Specialty Graphic Imaging. (3) I. Prerequisite: GCM 211. An overview of specialty imaging processes including screen, pad, and wide format printing. Emphasis will be given to the printed product, image carrier preparation, press systems and mechanics, inks and substrates. 2 Lec/2 Lab.

GCM 349 Applied Learning in Graphic Communications Management. (1-8) I, II. Prerequisite: departmental approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate, sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

GCM 355 Web Animation. (3) II. Formerly TEC 355. Preparation and production of a Web animation with advanced Web programming. 2 Lec/2 Lab.

GCM 410 Finishing and Packaging. (3) A. Prerequisite: GCM 319. A study of post-press finishing and binding operations in the printing and publishing industries. Packaging operations will also be studied, including design, layout, printing and assembly. 2 Lec/2 Lab.

GCM 412 Color Process Printing. (3) A. Prerequisite: GCM 317 and 319. The advanced study and practical application of reproducing process color images by offset lithography. 2 Lec/2 Lab.

GCM 414 Printing Estimating and Costs. (3) II. Prerequisites: GCM 316 and 319. Methods and procedures of predetermining costs of printed products. The determination of equipment hourly rates and depreciation, cost centers, and equipment purchase decisions will be discussed with emphasis on computer related operations. 2 Lec/2 Lab.

GCM 455 Web Publishing II. (3) I. Prerequisite: GCM 255. An advanced course in preparing content for the World Wide Web that includes HTML, PHP and MySQL. Students will work with both client-side and server-side technologies to integrate databases into web sites. 2 Lec/2 Lab.

GCM 467 Comprehensive Exam for BS in GCM (0) A. Prerequisite: Consent of Advisor. Registration is required of all Graphic Communications Management BS students at least one semester before the comprehensive exam is required.

GCS—Interpersonal Skills and Career Counseling

Dr. Sara Zeigler, Dean of University Programs

GCS 198 Interpersonal Effectiveness Seminar. (1) I, II. The course is designed to assist students in gaining confidence in themselves and in relating more comfortably with others. Attention is given to assertiveness, values clarification, and effective life management.

GCS 199 Career Counseling Seminar. (1) I, II. Prerequisite: Degree Seeking Only. The eight-week course helps students make effective career decisions. Self-awareness, values clarification, an awareness of career alternatives, and decision-making skills are promoted in the course. Pertinent career facts are learned; i.e. salary, training, outlook, and working conditions.

GEO 100 Regions and Nations of the World. (3) A. Survey of the physical, cultural, and economic geography of the world’s major regions, with emphasis on regions undergoing change and currently of international concern. Credit will not be awarded for both GEO 100 and GEO 200. Gen. Ed. E-5B [SB].

GEO 110 Environmental Geography (3) A. Prerequisites: Freshman and Sophomore standing. A focus on ecological function and the physical and human dynamics contributing to environmental change across the globe and at various geographical scales. Environmental issues are examined through a geographical lens, and include clean air and water, energy systems, biodiversity, natural hazards, climate change, and food production. 2 Lec/2 Lab. Gen. Ed. E-4.

GEO 115 Hollywood Weather. (3) A. This non-technical introduction to atmospheric processes examines how meteorological events are portrayed in popular movies. Topics include weather, storms, climate change, and weather’s impact on human systems. 2 Lec/2 Lab. Gen. Ed. E-5.

GEO 121 Urban Geography. (3) A. Study of city functions, patterns, and past and current problems confronting the city, including the problems of planning, zoning, community housing, shopping centers, and urban renewal.

GEO 211 Regional Geography. (3) A. Study of world political structures and events organized by territorial and regional frameworks. Specific attention to forces of global political change, including globalization processes, conflict and peace, ethnic separation, and international mediation.

GEO 325 Environmental Land Use Planning (3) A. Prerequisites: GEO 100, 210, or 220, ENG 102, 105(B), or HON 102; MAT 105 or higher; or departmental approval. Emphasizes practical application at the site and regional scales. Credit will not be awarded to students who have credit for GEO 325 or ENV 325.

GEO 325S Environmental Land Use Planning (3) A. Cross-listed as ENV 325S. Prerequisites: GEO 100, 210, or 220; ENG 102, 105(B), or HON 102; MAT 105 or higher; or departmental approval. Examines how principles of landscape ecology, resource conservation, and environmental impact analysis are incorporated into land use decisions and public policy. Emphasizes practical application at the site and regional scale. Credit will not be awarded to students who have credit for GEO 325 or ENV 325S.

GEO 330 Economic Geography. (3) A. Geographic patterns and processes of production, trade, finance, and other services at local, regional, and global scales.

GEO 343 Geography of Kentucky. (3) A. Prerequisite: GEO 100, 210, or 220. Topical-regional approach to the physical characteristics, cultural complexity, and economic aspects of Kentucky with an emphasis on understanding the state’s historical development and current environmental, political, and economic issues from a geographic perspective.

GEO 347 Regional Geography. (3) A. Prerequisite: GEO 100, 210, or 220. Physical, cultural, and economic geography of a selected region (e.g., Africa, North America, Oceania) with emphasis on the region’s current problems. May be retaken to a maximum of 12 hours provided subject matter differs each time.

GEO 349 Applied Learning in Geography. (5-8) A. Prerequisite: departmental approval. Work in a field site related to academic studies. One to eight hours credit per semester or summer. Total hours for baccalaureate, 16. A minimum of 80 hours employment required for each semester hour credit. No more than six hours may count toward the major.
GEO 435 Geographic Information Systems. (3) A. Prerequisite: GEO 100, 210, 220, GLY 102, 107, or 108. Introduction to GIS principles, methods, operations, mapping, and applications. Topics include spatial data, databases, GIS analysis, models, site suitability, environmental and social applications, and more. Hands-on emphasis using ArcGIS. 2 Lec/2 Lab.

GEO 405 Issues in Travel and Tourism. (3) A. Prerequisites: A comprehensive study of current issues, trends, problems, and opportunities in the travel and tourism industry. Research paper required.

GEO 430 Sustainability in Appalachia. (3) A. Cross-listed as APP 430 and ENV 430. Prerequisites: GEO 100, 210 or 220; ENG 102, ENG 105(B), or HON 105; MAT 105 or higher; or departmental approval. Examination of Appalachia’s ecological, social, and economic patterns, and the processes through which residents can ensure their social, economic and ecological sustainability in the future. Credit will not be awarded to students who have credit for APP 430 or ENV 430.

GEO 435 Biogeography. (3) A. Cross-listed as ENV 435. Prerequisites: ENG 102 or ENG 105(B) or HON 102; and MAT 105 or higher; or departmental approval. Study of plant and animal distributions and the nature of Earth’s major terrestrial biomes, with an emphasis on formulating sound spatial hypotheses to explain the variety and ever-changing geographic ranges of living organisms. Credit will not be awarded to students who have credit for ENV 435.

GEO 455 GIS Cartography. (3) A. Prerequisite: GEO 100, 210, or 220. Field techniques and applied case studies of geographic topics in local and regional environs.

GEO 453 Advanced GIS. (3) II. Prerequisite: GEO 353 or departmental approval. Advanced concepts, operations, and applications of raster and vector GIS. Spatial analysis using scanning, imagery, GPS, global data sets, and derived data for natural and social applications. Use of standards, metadata, open GIS, and other advances.

GEO 450 Remote Sensing. (3) I. Prerequisite: GEO 100, 210, 220, GLY 102, 107, or 108. Principles of cartographic design for GIS applications. Hands-on emphasis using ArcGIS.

GEO 458 Advanced Geographic Imagery. (3) II. Prerequisite: Characteristic of identification, integration and applications of advanced geographic imagery, including remote sensing and GIS digital data. Attention on satellite and multispectral imagery, including image processing. Hands-on emphasis. 2 Lec/2 Lab.
use and limitations of physical evidence and the nature of science.

GLY 309 Mineralogy. (4) I. Prerequisite: GLY 102, 104, 107, 108, or 109; or departmental approval. Study of minerals commonly encountered in rocks and soils with minor emphasis on ore deposits: mineral geochemistry, crystal structure, classification, physical properties, and geologic environment. Laboratory develops the ability to identify minerals in hand specimens and thin sections. 3 Lec/2 Lab.

GLY 315 Hydrology. (3) I, II. Prerequisite: or Corequisites: GLY 103, 104, 107, 108, or 109; or departmental approval. Interrelationships between Earth’s systems and the occurrence and character of water in streams, lakes, and groundwater. Focuses on fundamental understanding of hydrologic processes and reservoirs, interaction between surface waters and groundwater and relationships between human activity and these reservoirs.

GLY 349 Applied Learning in Geology. (5-8) I, II; (1-6) SUMMER ONLY. Work in placements related to academic studies. Total hours for baccalaureate, sixteen. A minimum of 80 hours of employment required for each semester hour of academic credit. May not be used to satisfy area, major, or minor requirements.

GLY 349 A-N Cooperative Study. Geology. (5-8) I, II; (1-6) SUMMER ONLY. Work in placements related to academic studies. Total hours for baccalaureate, sixteen. A minimum of 80 hours of employment required for each semester hour of academic credit. May not be used to satisfy area, major, or minor requirements.

GLY 531 Field Methods. (3) A. Prerequisites: GLY 102, 104, 107, 108, or departmental approval. Methods of field geology including description and measurement of rock sequences, introduction to geological mapping and writing geological reports. 1 Lec/4 Field (Satradays).

GLY 541 Independent Studies in Geology. (1-6) I, II. Prerequisite: departmental approval. Topic determined by student and instructor. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours provided topic is different each time.

GLY 408 Process Geomorphology. (3) II. Prerequisite: GLY 102, 104, 107, 108, or departmental approval. An in-depth study of the geomorphic processes involved in landform development.

GLY 409 Igneous & Metamorphic Petrology. (4) II. Prerequisite: GLY 309. Nature and origin of common igneous and metamorphic rocks, with emphasis on controlling factors. Laboratory develops the ability to analyze and classify rocks in hand sample and in thin section using a petrographic microscope. 3 Lec/2 Lab.

GLY 410 Structural Geology. (4) I. Prerequisite: GLY 102, 104, 107, 108, or 109. Deformation of Earth’s crust across a wide range of scale with emphasis on plate tectonics and its consequences. Lab develops the ability to analyze the geometry of deformed rock bodies and solve common structural problems. 3 Lec/2 Lab.

GLY 415 Sedimentary Geology. (4) I. Prerequisite: GLY 102, 104, 107, 108, or 109; or departmental approval. Examination of sedimentary processes and products, the characteristics and origins of sedimentary rocks and their related depositional environments, and application of these principles to solving geological problems. Laboratory develops techniques for describing and interpreting sedimentary rocks, structures, and stratigraphy. 3 Lec/2 Lab.

GLY 419 hydrography. (4) II. Prerequisite: GLY 415. Description, correlation, and interpretation of stratified sedimentary sequences; basic identification and interpretation of the fossils they contain. Emphasis: rock types, rock textures, facies relationships, sequence stratigraphy, event stratigraphy, biostratigraphy, well log correlation. 3 Lec/2 Lab.

GLY 451 Field Camp. (6) SUMMER ONLY. Prerequisites: GLY 409 and 410. Field-training course in the northern and central Rocky Mountains (6 weeks). Analysis of rock sequences; geologic mapping of sedimentary, metamorphic, and igneous terrains; interpretation of complex rock deformation; regional geological synthesis with emphasis on tectonics; and visits to many instructive geologic localities, including national parks and monuments.

GLY 460 Geochemistry. (3) II. Prerequisite: GLY 210 or CHE 111 and 111L. Reactions between natural waters, atmospheric gases and earth materials in surface and near surface environments. Emphasis is placed on controlling factors (e.g., weathering, composition of surface and near surface water, geochemical cycles, and natural and anthropogenic geochemical events. 2 Lec/2 Lab.

GLY 480 Petroleum Geology. (3) II. Prerequisite: GLY 410 and GLY 420. Use of the petroleum systems paradigm to explore characteristics of economically- viable petroleum accumulations. Examines fundamental activities such as electric logging, mudlogging, and drilling. Exercises and projects model industry practices in recognizing and understanding petroleum accumulations.

GLY 482 Paleoclimatic. (3) A. Prerequisite: GLY 104, 109, 415, GEO 115, 210, or 315; or departmental approval. Introduction to the paleoclimatic record (e.g., ice age and atmosphere creates climate in the planet today and leaves its record in geologically accessible Earth materials, with an emphasis on the interpretation of the geological record and how we learn how the Earth’s climate has changed in the past.

GLY 498 Capstone Project in Geology. (3). A. Prerequisite: senior standing and departmental approval. A capstone experience for geology majors that integrates research experiences, independent professional development and the production of a substantive deliverable product (e.g., poster, conference presentation, geologic map).

GLY 499 Senior Thesis. (3) A. Prerequisite: senior standing and departmental approval. Independent thesis project for majors in geology. Thesis project must be approved by faculty supervisor and department committee prior to enrollment in the course.

GLY 500 Earth Science Problems for Teachers: (1-6) I, II. Prerequisite: departmental approval. Designed to fit needs of individual students majoring in education (general science) who need special instruction in the earth sciences. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of nine hours provided topic is different each time.

GLY 512 Geology of Soils. (3) A. Prerequisite: any general education geology course or departmental approval. Composition, classification, and evolution of soils, role of climate, living organisms, physiography, and underlying geology in soil formation. Emphasis on clay mineralogy, soil analytical techniques, soil mapping, paleosols in the rock record, human interaction with soils, and the economic importance of soils. 2 Lec/2 Lab.

GLY 535 Hydrogeology. (3) I. Prerequisite: any general education geology course or departmental approval. Origin, occurrence, movement, utilization, and conservation of groundwater. Qualitative and quantitative presentation of geological, physical, and geochemical aspects of groundwater hydrology. 2 Lec/2 Lab.

GLY 550 Evolution of the Earth. (3) A. Prerequisite: senior standing or departmental approval. Capstone course: overview of geological principles from the perspective of the Earth’s history, physical and biological. Emphasis on critical thinking and expressive writing.

GLY 580 Selected Topics: (1-3-A). Prerequisite: senior standing or departmental approval. Designated to explore specific aspects of geology. May be retaken to a maximum of six hours provided topic is different each time.

GSD—Student Development Course Descriptions

Section Seven - Course Descriptions

Back to Table of Contents

Dr. Sara Zeigler, Dean of University Programs

GSD 101 Foundations of Learning. (3). I, II. A course to promote student success and lay the foundation for critical and creative thinking across the curriculum. Open to all first year students with fewer than 30 semester hours earned. Credit will not be awarded to students who have earned credit for HSO 100, BTO 100, EDO 100, GSO 100, HSO 100, or JSO 100.

GSD 201 Transfer Student Seminar. (1) A. Seminar is for students who enroll with 30-90 hours. Students learn how to navigate campus resources, operate degree audit software, handle transfer credits and abide by Eastern’s academic integrity policy. Graded Satisfactory-Unsatisfactory.

GSD 225 Leadership Dynamics. (1-3). II. The course is designed to introduce current and emerging leaders to leadership theory and development. Attention is given to self-awareness, leadership styles, conflict resolution, communication skills, ethics and values and real world experience. Information is provided through class discussion, speakers, group work, journals and case studies. May be retaken to a maximum of three hours provided the subject matter differs.

GSD 225S Leadership Dynamics: Service Learning. (1). II. The course is designed to introduce current and emerging leaders to leadership theory and development through a dynamic service learning component including reflective activities, practice in teamwork, and engaging in service for a community partner. Credit will not be awarded for both GSD 225S and GSD 225. May be repeated up to three hours.

GSD 250 Exit Requirement AGS (0) A. Exam for AGS students to evaluate programmatic outcomes, requirements for all AGS students who have earned at least 45 hours. Credit (CR) will be given when students complete the exam.

GSD 349 Applied Learning (5-8) A. Prerequisite: 2.0 GPA and Program approval. Work under field supervisors in placements related to academic studies. Minimum 80 hours work for each credit hour. Repeatable up to 16 credit hours.

GSD 349 a-n Cooperative Study. (5-8) A. Prerequisite: 2.0 GPA and Program approval. Work under field supervisors in placements related to academic studies. Minimum 80 hours work for each credit hour. Repeatable up to 16 credit hours.

GSD 399 Professional Skill Development (3) A. Prerequisite: Junior standing. Students will help recognize and build skills needed for desired career fields. Topics include: job search, resumes, cover letters, interview skills, and making connections between academic experiences and professional goals.

GSD 401 McNair Research Seminar. (2) A. Prerequisites: ENG 101 and 102 or ENG 105; MAT 105 or any course above MAT 105. Introduction to research, writing, and expectations concerning research in academic settings. Provides essential information regarding research and writing expectations of graduate students. For McNair scholars only.

GSD 450 Exit Requirement BGS (0) A. Exam for senior BGS students to evaluate programmatic outcomes. This exam is required of all BGS students who have earned at least 90 hours. Credit (CR) will be given when students complete the exam.

GSD 466A Mock Trial (2) I. Prerequisite: departmental approval. Cross-listed with POL 466A. Preparation of Mock Trial Competitions. Students will develop cases for presentation including preparing opening and closing arguments, introducing testimonial, physical and demonstrative evidence, and conducting direct and cross examination of witnesses. May be repeated to a maximum of 9 hours provided topic may be counted toward the political science major and only 1 may be counted toward the political science minor.

GSD 466B Mock Trial (2) I. Prerequisite: GSD 466A. departmental approval. Preparation of Mock Trial Competitions. Students will develop cases for presentation including preparing opening and closing arguments, introducing testimonial, physical and demonstrative evidence, and conducting
direct and cross examination of witnesses. May be retaken to a maximum of 8 hours, only 4 of which may be counted toward the political science major and only 2 may be counted toward the political science minor.

GSO
Dr. Sara Zeigler, Dean of University Programs

GSO 149 Co-op Professional Seminar. (1) I, II. Prepare students for the job market prior to co-oping. Topics include: self-assessment, career resumes and cover letters, interviewing techniques, business etiquette. Credit will not be awarded for both GSO 149 and CMS 330.

GST—General Studies Tutoring
Dr. Sara Zeigler, Dean of University Programs

GST 300 Principles of Peer Mentoring/ Tutoring. (1-3) I. Prerequisite: Department approval. Students will receive instruction and training in tutoring and mentoring skills and techniques. Students will serve as a peer tutor or mentor and assist with teaching in an assigned section of Academic Orientation for freshmen. The peer tutors and mentors will record, reflect upon, and evaluate their facilitated experiences. May be retaken up to six credit hours.

HEA—Health Education
Dr. Michael Ballard, Chair

HEA 202 Community First Aid and CPR. (3) I, II. Instruction and practice in first aid and safety procedures. Includes assessment and first aid procedures regarding life-threatening emergencies, injuries, medical emergencies, and rescues. Focus on prevention, as well as first aid. Includes American Red Cross certification in First Aid, Adult CPR with AED, Child CPR, and Infant CPR. Credit will not be awarded for both HEA 202 and EMS 102.

HEA 285 Health Across the Lifespan. (3) I, II. Consideration of the various conditions and factors affecting individual and community health; special emphasis is on responsible decision-making, formulating philosophies, attitudes, and a behavioral understanding necessary to establish health living practices. Fulfills University Wellness requirement.

HEA 290 Foundations of Health Education. (3) I, II. The history, foundational disciplines, and principles that led to the establishment of health education. The role of health education in the present health care system.

HEA 310 Introduction To Global Health. (3) I. A. Prerequisite: ENG 102 or 105 or HON 102. Exploration of epidemiological, economic, political, sociological and cultural factors that impact global health with special emphasis on applying public health principles in developing as well as developed countries. Gen. Ed. E-5 [GE]

HEA 315 Issues in Health and Disease. (3) II. Etiology, effects, remediation, and prevention of disease. Nature of health and environmental issues and forces which shape them.

HEA 316 Introduction to Public Health. (3) I, A. An introduction to the organization and functions of public health at local, state, and national levels. Identifies relationship between human ecology and the public’s health. Includes projection of future public health direction. Credit will not be awarded for both HEA 316 and HEA 416.

HEA 320 Introduction to Behavior Change Theory (3) I, II. Examine theories and models of health behavior relevant to health education in individuals and communities. Students analyze influences on behavior, and evaluate strategies for health education.

HEA 345 Drugs, the Individual, and Society. (3) I, II. Effects of drugs and abuse on the individual and society. Personal and community approaches for promoting intelligent decision making regarding drugs.

HEA 349 Applied Learning in Public Health. (5-8) A. Prerequisite: departmental approval. Work under faculty and field supervisors in a cooperative placement related to a student’s academic studies. Credit varies with hours of health promotion programs in a variety of settings. May be retaken to a maximum of 12 hours. Minimum 80 hours employment required for each semester hour credit.

HEA 349D-HEA 408 Cooperative Study: Public Health. (5-8) A. Prerequisite: departmental approval. Work under faculty and field supervisors in a cooperative placement related to a student’s academic studies. Credit varies with hours of employment; one to eight hours per semester or summer may be retaken to a maximum of 12 hours. Minimum 80 hours employment required for each semester hour credit.

HEA 350 Interpretation of Health Data. (3) I. Understanding graphical, statistical, and research techniques used in health. Developing competencies in analyzing and interpreting research results. Credit will not be awarded to students who have credit for ECCO 220 or EPY 842 or HEA 450 or PSY 291 or QMB 200 or STA 215 or STA 270.

HEA 375 Family Life Education. (3) I. Biophysical and psycho social aspects of sexuality and relationships, with emphasis on choices affecting health and well-being. Focuses on developing skills in teaching and facilitating meaningful learning experiences for people working in schools and communities. Credit will not be awarded to students who have credit for CED 232 or WGS 232.

HEA 380 Mental Health Education. (3) I. Basic needs for mental and emotional wellness. Emphasis in the selection of appropriate activities for promoting mental health through community agencies.

HEA 410 Social Marketing and Advocacy in Public Health. (3) Prerequisites: senior standing or department approval. Introduction to current theory and knowledge in the fields of marketing and advocacy in public health and application of marketing and advocacy used for promoting health behavior change strategies.

HEA 420 Senior Seminar in Health Education. (1) II. Prerequisite: HEA 480W and Public Health major or departmental approval. Students will draw together skills and knowledge needed to enter the workforce, and will review core competencies required of the health education specialist. Students will prepare to become certified in the field of health education.

HEA 455 Introduction to Epidemiology. (3) I. A. Prerequisite: HEA 316 or departmental approval. Effects of the occurrence and course of disease—causative agents, susceptible hosts, favorable environments, and the effective use of statistical epidemiological methods.

HEA 460 Community Health Education Process. (3) I. A. Prerequisite: HEA 316 or departmental approval. Planning, organizing, delivering, and evaluating the community health education program. Credit will not be awarded for both HEA 460 and HEA 360.

HEA 463 Internship in Health Promotion and Administration. (1-6) A. Supervised experiences for seniors in the directing of Health Promotion and Administration activities in various settings. May be retaken to a maximum of six hours.

HEA 480W Health Promotion Program Planning. (3) I. Prerequisites: ENG 102 or ENG 105 or HON 102, restricted to majors or minors in Health Education or Public Health. A writing intensive course that is an introduction to principles, strategies, and skills which are necessary for the planning and implementation of health education and health promotion programs in a variety of settings. Credit will not be awarded for both HEA 480W and HEA 480.

HEA 490 Evaluation of Health Promotion Programs. (3) II. A. Prerequisite: departmental approval. This course will provide an introduction to principles, strategies, and skills for the evaluation of health promotion programs in a variety of settings. Credit will not be awarded for both HEA 490 and HEA 580.

HEA 498 Independent Study, (1-3) I, II. Opportunity for individual work on a health problem in a supervised situation. Restricted to students who have demonstrated ability to complete individual endeavors. Student must have the independent study proposal approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of three hours.

HEA 590 Health Education: (1-3) A. Study of pertinent problems in health and health education. Includes topics such as tobacco, drug education, school health services, health deviations derived from agrarian conditions; the influence of European foundations. Required of all majors and minors in history. Credit will not be awarded to students who have credit for HIS 231 or 246. Limited to three credit hours. Gen. Ed. E-5A [SB].

HEA 592 Human Sexuality. (3) A. Cross-listed as WGS 592. Study of the biological, social, and psychological aspects of human sexuality. Directed primarily toward those individuals in situations which require them to assist others in understanding the broad impact of one’s sexuality. Emphasis is placed upon student development of logical and reasoned justifications for their own value system. Credit will not be awarded for both HEA 592 and WGS 593.

HEA 593 Death and Grief. (3) A. Cross-listed as WGS 593. A study of attitudes, behaviors, and issues concerning death and grief. Topics include responses to death and grief throughout the life cycle; process of grief and bereavement; theology and death; legal aspects of dying; caring for the dying; suicide; post-mortem care; death education. Credit will not be awarded for both HEA 593 and WGS 593.

HEA 595 Alcohol Abuse and Dependency. (3) A. Study of the impact of alcohol related attitudes and behaviors on individuals and society. Includes study of influences on choices about alcohol, behavior change strategies, prevention, intervention, and treatment.

HIS—History
Dr. Christian Taylor, Chair

HIS 098 Introduction to World Civilizations. (3) A. A course to meet the PCC deficiency in Social Sciences. This course will emphasize the way in which history is researched and written and will foster an understanding of how other related disciplines assist in historical analysis. This course does not count toward graduation.

HIS 100 Topics To 1500: (3) A. (3) A. Introductory exploration of a broad regional or thematic topic in world history prior to 1500. Credit will not be awarded to students who have credit for HIS 231 or 246. Limited to three credit hours. Gen. Ed. E-5A [SB].

HIS 101 World Civilizations Since 1500: (3) A. A. Introductory exploration of a broad regional or thematic topic in world history since 1500. Credit will not be awarded to students who have credit for HIS 147, 232, or 247. Limited to three credit hours. Gen. Ed. E-5A [SB].

HIS 102 American Civilization to 1877. (3) A. Formerly HIS 202. Transition from colonial to independent republic; social, cultural, and economic situations derived from agrarian conditions; the influence of European foundations. Required of all majors and minors in history. Credit will not be awarded to students who have credit for HIS 202. Gen. Ed. E-5A [SB].

HIS 103 American Civilization Since 1877. (3) A. Formerly HIS 203. Conflicts between demands of an industrial society and agrarian values; interrelationships between world expressions and American experience. Required of all majors and minors in history. Credit will not be awarded to students who have credit for HIS 203. Gen. Ed. E-5A [SB].

HIS 147 World Civilizations Since 1500. (3) A. Formerly HIS 247. Analyzes patterns of historical
change and interaction in various world civilizations during the modern period. Credit will not be awarded to students who have credit for HIS 101 or 247. Gen. Ed. E-5A [SB].

HIS 204W Historical Inquiry: Writing Intensive. (3) A. Prerequisites: ENG 102 or 105 (B). Introductory exploration of the experiences of specific historically marginalized groups or cultures. May be repeated up to 6 hrs. as long as content varies. Gen. Ed. E-6 [GE].

HIS 290 Historical Research and Methods. (3) I, II. HIS majors only. A comprehensive introduction to historical research, writing, and methodologies. Credit will not be awarded for both HIS 290 and HIS 290W.

HIS 300A Topics in U.S. History._____ (1-3-A).

A. Movements in U.S. history that have influenced and continue to influence the course of American culture and civilization. May be retaken to a maximum of six hours provided topics vary.

HIS 300B Topics in European History._____ (1-3-A).

A. Movements in European history that have influenced and continue to influence the course of European culture and civilization. May be retaken to a maximum of six hours provided topics vary.

HIS 300C Topics in Non-Western History:_____. (1-3-A).

A. Movements in Non-Western history that have influenced and continue to influence the course of Non-Western cultures and civilization. May be retaken to a maximum of six hours provided topics vary.

HIS 302A Research Topics in History:_____.

(3) H. Prerequisites: HIS majors only, HIS 290, and ENG 102, 105(B) or HON 102. Historical research and methodologies using case studies of specific movements in U.S. history that have influenced and continue to influence the course of cultures and civilizations.

HIS 302C Research Topics in History:_____.

(3) H. Prerequisites: HIS majors only, HIS 290, and ENG 102, 105(B) or HON 102. Historical research and methodologies using case studies of specific movements in European history that have influenced and continue to influence the course of cultures and civilizations.

HIS 303 Women in American History. (3) A. Cross-listed as WGS 303. Prerequisite: three hours HIS or departmental approval. The role of women in American history from pre-contact to the present, with emphasis on the social, economic and political events leading to the 1917-1920 Suffrage Movement. Credit will not be awarded for both HIS 303 and AFA 303.

HIS 304 Slavery in the Americas. (3) A. Cross-listed as AFA 304. Prerequisite: three hours HIS or departmental approval. The history of slavery, bound labor, and freedom in the Western Hemisphere. Special attention will be given to anti-slavery and abolitionist movements. Credit will not be awarded for both HIS 304 and AFA 304.

HIS 305 African-American History. (3) A. Cross-listed as AFA 305. Prerequisite: three hours HIS or departmental approval. African history to 1500; Europe, Africa, and the Americas; trans-Atlantic and domestic slave trades; African slavery; emancipation; post-emancipation experiences and initiatives; persistence of slavery, black feminism. Credit will not be awarded for both HIS 305 and AFA 305.

HIS 307 Religion in American History. (3) A. Prerequisite: ENG 102, 105 (B), or AFA 307, or departmental approval. Examination of the impact of religious issues upon American history, including units on such questions as church-state relations and the role of religion in American perspectives on culture, ethnicity, gender, and social and economic change. Credit will not be awarded for both HIS 307 and HIS 300A: Religion in American History.

HIS 308 Native Americans to 1830. (3) A. Prerequisite: three hours HIS or departmental approval. Native American history from pre-contact to the Indian Removal Act of 1830. Emphasis placed on the nature and impact of encounters with Europeans.

HIS 309 Native Americans since 1830. (3) A. Prerequisite: three hours HIS or departmental approval. Native American history from the Indian Removal Era to the present. Emphasis placed on both native perspectives and federal policies. Eligible for credit both HIS 310 and SCI 310.

HIS 310 History of Science. (3) A. The development of scientific concepts through the ages, including units on such questions as church-state relations and technological change. Credit will not be awarded for both HIS 310 and SCI 310.

HIS 312A Independent Study in History:_____.

(3-A). Individual research and/or reading on a problem area in U.S. history. Regular reports and final research paper required. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

HIS 312B Independent Study in History:_____.

(3-A). Individual research and/or reading on a problem area in Non-Western history. Regular reports and final research paper required. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

HIS 321 Islamic Societies to 1800. (3) A. Prerequisite: ENG 102, 105 (B), or HIS 290; three hours HIS or departmental approval. The Islamic Societies in the Middle East, Central and Southern Asia, North Africa, and Spain from seventh to eighteenth century. Origins and spread of Islamic civilization. Spiritual foundations, institutions, politics, and art. Florence of “gumpowder empires.”

HIS 322 History of the Modern Middle East. (3) A. Prerequisite: three hours HIS or departmental approval. Study of the history of the modern Middle East from the close of the 18th century to the present, with emphasis on the religious, social, cultural, and political dimensions of societies in the region.

HIS 324 Iran – State, Religion & Society. (3) A. Prerequisites: ENG 102, 105(B), or HIS 290; 3 hours HIS or departmental approval. Iran from ancient to contemporary times with the emphasis on the modern period, with particular attention to politics, religion, and culture. Zoroastrianism, Islam, Tobacco Revolt, Constitutional Revolution, the Pahlavis and the 1953 coup, Islamic Revolution.

HIS 330 Ancient Egypt. (3) A. Prerequisite: ENG 102, 105(B), or HIS 290; three hours HIS or departmental approval. A survey of Egyptian history from the earliest human activity to the Islamic conquest, considering political, religious, and socio-economic shifts and discussing sources for the study of the ancient past (archaeology, texts, and monuments).

HIS 332 The Ancient Near East. (3) A. Prerequisites: ENG 102, 105(B), or HIS 290; 3 hours HIS or departmental approval. A survey of the political, religious, and cultural history of the ancient Near East (including Iraq, Iran, Turkey, and Israel) from the Neolithic to 323 B.C. The rise of empires, the Hellenistic Age, and the Roman Empire.

HIS 333 The Byzantine Empire East & West to 1500. (3) A. Prerequisite: three hours HIS or departmental approval. Exploration of the emergence and spread of both eastern and western Christianity. Examination of the historical context, including social and cultural influences on the development of Christian communities and perspectives.

HIS 339 The Dark Ages Illuminated. (3) A. Prerequisites: ENG 102, 105(B), or HIS 290; three hours HIS or departmental approval. An examination of the Early Middle Ages, the Carolingian Revolution, political, social and cultural events in Europe. Credit will not be awarded for both HIS 339 and HIS 310.

HIS 340 Europe in the Renaissance & Reformation. (3) A. Prerequisites: ENG 102, 105(B), or HIS 290; three hours HIS or departmental approval. European society, culture, economy and politics, 1348-1689. “Black Death” and its impact; Italian Renaissance humanism and art; Christian humanism and European expansion in the age of Columbus; Protestant and Catholic reform movements; religious wars. Credit will not be awarded for both HIS 340 and HIS 339.

HIS 345 Bloody Crowns! England to 1603. (3) A. Prerequisites: ENG 102, 105(B), or HIS 290; three hours HIS or departmental approval. Roman Britain; Feudalism; rise of Parliament; Hundred Years’ War; Reformation; Elizabethan Age.

HIS 346 English History from 1603 to present. (3) A. Prerequisite: three hours HIS or departmental approval. Civil War; imperial expansion; beginnings of industrialization; Victorian Liberalism; two world wars and beyond.

HIS 348 Elizabeth I – Life and Legacy. (3) A. Prerequisite: three hours HIS or departmental approval. An examination of the life and reign of Elizabeth I, Queen of England from 1558-1603. Topics will include her rule, image, and historical legacy.

HIS 349 Applied Learning in History. (5-8-A).

A. Prerequisite: three hours HIS or departmental approval. Does not apply toward a major or minor in history. Work in placements related to academic studies. One to three hours credit per semester or summer. Total hours: eight, associate; six, baccalaureate. A minimum of 40 hours employment required for each semester hour credit.

HIS 349 A-N Cooperative Study. History. (5-8-A).

A. Prerequisite: departmental approval. Does not apply toward a major or minor in history. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; six, baccalaureate. A minimum of 40 hours employment required for each semester hour credit.

HIS 350C Modern Germany since 1860. (3) A. Prerequisite: three hours HIS or departmental approval. Nationalism, liberalism, and the German problem; Bismarck and unification; industrialization and socialism; World War I; Weimar Republic and Depression; Hitler and Nazi Germany; World War II; the Federal Republic and GDR; Cold War and beyond.

HIS 357 Church-State Relations from Hébert to Hitler. (3) A. Prerequisite: ENG 102, 105 (B), or HIS 290; three hours HIS, or departmental approval. Relations of the Roman Catholic Church with the monarchist, revolutionary, liberal and fascist regimes of France, Italy, Germany and Austria from 1769 to 1945, including such issues as anti-Semitism, anticlericalism, nationalism, democracy, and socialism.

Credit will not be awarded for both HIS 357 and HIS 300B: Church-State Relations from Hébert to Hitler.

HIS 363 Russia, Origins to Crimean War. (3) A. Prerequisites: ENG 102, 105, or HIS 290; three hours HIS, or departmental approval. Survey of Russian history from 860 to 1855. Cultural, economic, social, political and diplomatic development of Russia to the end of the Crimean War.

HIS 365 Russia - Revolutions & Reform. (3) A. Prerequisites: ENG 102, 105(B), or HIS 290; three hours HIS or departmental approval. Cultural, social, economic and political events leading to the 1917 Revolution. The history of the Soviet Union including its breakup into independent states.

HIS 370 World History Since 1945. (3-R).

A. Formerly HIS 347. Prerequisites: ENG 102, 105(B), or HIS 290; three hours HIS or departmental approval. Global consequences of World War II, the Cold War, 2015-2016 EKU UNDERGRADUATE CATALOG 321
decolonization, and superpower interventionism. The transition from a bipolar to a multipolar international system, the collapse of the former forms of terrorism. Credit will not be awarded to students who have credit for HIS 347.

HIS 374 East Asian History to 1600. (3A) Prerequisite: three hours HIS or department approval. China and Japan from the beginnings of East Asian civilization in Neolithic times to the early modern period; the development of key social, economic, and political institutions; the Confucian tradition and the introduction of Buddhism to the Mongol era; the late imperial order in China and the emergence of Japanese feudalism.

HIS 376 Japan – Samurai to Superpower. (3) A. Formerly HIS 475. Prerequisites: ENG 102, 105(B), or HON 102; three hours HIS or department approval. Japan from 1600 to the present. Included will be the arrival of the West, industrialization, militarism, World War II, and Japan as economic superpower. Credit will not be awarded to students who have credit for HIS 475.

HIS 382 Empire and Revolution. (3) Formerly HIS 474. Prerequisites: ENG 102, 105(B), or HON 102; three hours HIS or department approval. Han Chinese dissent and collaboration under Qing (Manchu) rule; conflicts with the West; rapid economic and social change; foreign invasion of 1911; Nationalist-Communist civil war and Japanese occupation; Great Leap Forward, Cultural Revolution, and Tiananmen Square. Credit will not be awarded to students who have credit for HIS 474.

HIS 383 Mexico: Colony and Nation. (3) A. Prerequisite: 3 hours HIS or departmental approval. Mexico as a Spanish colony; wars of independence; the Mexican Revolution; modern Mexico. Themes include politics, culture, religion, and United States-Mexican relations.

HIS 384 Modern Latin America. (3) A. Prerequisite: three hours HIS or department approval. The national period in Latin American history, with emphasis on one or more of the following: Roman Catholicism in the region, and United States-Latin American relations.

HIS 385 Early African History. (3A) A. Cross-listed as AFA 385. Prerequisite: three hours HIS or departmental approval. History of Africa from earliest times to 1800. Emphasis on social, political, economic and cultural change in states and societies; oral tradition; the environmental and human activities; slavery and the slave trades. Credit will not be awarded for both HIS 385 and AFA 386.

HIS 386 Modern African History. (3) A. Cross-listed as AFA 386. Prerequisite: three hours HIS or departmental approval. Historical survey of Africa from the 19th century to the present. Themes include: trade and politics; European conquest and African resistance; rural survival and urban popular culture; race, class, gender, ethnicity, and age; African nationalism and independence. Credit will not be awarded for both HIS 386 and AFA 386.

HIS 401 American Colonial Period. (3A) A. Prerequisite: three hours HIS or department approval. Political and social history of the 13 colonies and their neighbors; European background; settlement; westward expansion; intercolonial conflicts; beginnings of culture; colonial opposition to imperial authority.

HIS 402 Revolutionary America. (3) A. Prerequisite: three hours HIS or department approval. Colonial background of Revolution; internal and external nature of Revolution; role of the revolutionaries; events leading to the American Constitution.

HIS 405 America’s Westward Expansion. (3A) A. Prerequisite: three hours HIS or department approval. Economic and political struggles in the U.S. South from Reconstruction to Civil Rights. Covers sharecropping and the ‘New South,’ the Populist rebellion, New Deal, and world wars.

Specific attention given to the Black liberation struggle.

HIS 411 Rise of Modern U.S., 1877-1920. (3A) A. Prerequisite: ENG 102, 105(B), or HON 102; three hours HIS or department approval. Western expansion; industrialization; the emergence of the United States as a world power; reform movements; the lives of women, immigrants, and African-Americans; World War I; popular culture.

HIS 412 U.S. in Peace and War, 1920-1945. (3A) A. Prerequisite: three hours HIS or department approval. The 1920’s; the New Deal; the changing role of American diplomacy; re-emergence as world affairs; World War II; popular culture.

HIS 414 The Modern American Presidency. (3) A. Prerequisite or Corequisite: 3 hours of HIS or departmental approval. Evolution of presidency from early twentieth century, examining myriad roles of the chief executive: commander, agenda setter, party leader, and celebrity—from William McKinley to today.

HIS 416 Kentucky History. (3A) A. Prerequisite: ENG 102, 105(B), or HON 102; three hours HIS or departmental approval. Kentucky’s social, economic and political development from frontier times to the present day. The Kentucky experience of such national trends as migration, urbanization, industrialism and expanding government. Credit will not be awarded for both HIS 416 and AFA 415.

HIS 420 Appalachia in U.S. History. (3) A. Cross-listed as APP 420. Prerequisites: ENG 102, 105(B), or HON 102; three hours HIS or department approval. The relationship between Appalachia and the rest of the United States. Topics include the “yo-yo” myth, coal industrialization, settlement houses, company towns, and the identification of the region with poverty. Credit will not be awarded to students who have credit for APP 420.

HIS 424 Civil War and Reconstruction. (3A) A. Prerequisite: three hours HIS or department approval. Intellectual, social, and political roots of the sectional crisis; military and social perspectives on the war years; the continuation of the sectional crisis in Reconstruction.

HIS 435 U.S. Civil Rights Movement. (3) A. Cross-listed as AFA 435. Prerequisites: three hours HIS or departmental approval. Examination through primary and secondary sources of the origins, course, ideologies, and legacy of the mid-twentieth century American movement for racial justice and equality. Discussion of the central scholarly issues in civil rights studies. Credit will not be awarded for both HIS 435 and AFA 435.

HIS 450W Senior Seminar in History. (3) A. Prerequisites: ENG 102, 105 (B), or HON 102; HIS major; HIS 200, 201 or 290; and six hours of the HIS major. Examination through primary and secondary sources of the origins, course, ideologies, and legacy of the mid-twentieth century American movement for racial justice and equality. Discussion of the central scholarly issues in civil rights studies. Credit will not be awarded for students who have credit for HIS 450.

HLS 225 Legal & Ethical Issues in Homeland Security. (3A) A. Survey of American constitutional and national security law, homeland security legislation and administrative orders, and the implementation of international law, conventions, and declarations. Examination of conduct codes, ethical decision-making, ethical leadership, and moral courage.

HLS 301 Critical Infrastructure Protection. (3A) A. Identification, prioritization, and protection of critical infrastructure including information technology, telecommunications, chemical, transportation, energy, water, medical, emergency services, postal and shipping. Impact of personal safety and economic performance.

HLS 310 Personnel Security. (3) A. Formerly SEC 250. Examines employee and contractor integrity through background screening, security awareness, ethics programs, and audits. Analyzes special programs to protect key personnel, employees in high risk environments and workplace violence mitigation. Credit will not be awarded to students who have credit for SEC 250.

HLS 320 Security Management. (3A) A. Prerequisite: Junior or Senior standing or departmental approval. Evolution and application of traditional and current theories in leading and managing corporate and government-industrial security operations. Areas covered include current management, supervision and leadership of a security organization.

HLS 321W Critical Problem Analysis. (3A) Prerequisites: ENG 102 or HON 102 with a minimum grade of “C” or ENG 416 with a minimum grade of “B” and HLS major or departmental approval. Develop research, critical and creative thinking and communication skills for the security profession. Credit will not be awarded to students who have credit for HLS 321.

HLS 338 Government/Industiral Security (3) A. Prerequisite: Junior or Senior standing or departmental approval. Protection of government information, including classification, handling, dissemination, transmission, and storage of classified and sensitive information. Includes other administrative issues involved with computer/cyber security and protection of trade secrets.

HLS 341 Cyber Security. (3A) A. Overview of the national computer and networked infrastructure that supports national security, including system protection, Global and financial implications of cyber terrorism. Impact of cyber security on privacy and civil liberties.

HLS 349 Applied Leadership in HLS. (3-12) A. Prerequisites: Department Chair approval, a minimum GPA of 2.0, a minimum of 30 hours completed. The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of twelve hours.

HLS 349 A-N HLS Cooperative Study. (5-12) A. Prerequisites: Department Chair approval, a minimum GPA of 2.0, a minimum of 30 hours completed. The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of twelve hours.

HLS 350 Workplace Investigations (3) A. Prerequisite: Junior or Senior standing or departmental approval. Overview and management of criminal, civil, administrative, and internal investigative processes in the workplace, to include interviews, reports, and ethical and legal considerations related to workplace investigations.

HLS 380 Border & Immigration Control. (3A) A. Examines political and operational factors influencing border and immigration control at the federal, state and local levels. Analyzes homeland security, practices and presidential directives focusing on issues dealing with border and immigration control. Credit will not be awarded to students who have credit for HLS 435.

HLS 391 Vulnerability & Risk Assessment. (3A) A. Principles of physical design and application to include physical security surveys, integrated physical security technology systems, and risk identification. Credit will not be awarded for both APS 210 and SEC 210.
such disasters. Credit will not be awarded to students who have credit for HLS 435.

HLS 467 Crime in Disasters. (3) A. Examines why some people take advantage of disasters and commit crimes. Assesses strategies about how crimes during natural and man-made disasters can be prevented. Credit will not be awarded to students who have credit for HLS 435.

HLS 490 Creative Leadership. (3) A. Prerequisite: CRE 101 or departmental approval. Analyze public and private sector case studies using leadership theories with an emphasis on solving frameworks. Group and individual case study analyses strengthen student creative thinking and leadership skills.

HLS 491 Emergency Planning. (3) A. Prerequisite: HLS 451. Emergency planning requirements, methods and applications for all levels of government and business, including hazard mitigation and emergency operations planning; also considers planning for universities, colleges and secondary schools.

HLS 495 Strategic Planning & Leadership. (3) A. Prerequisite: HLS major and senior standing or departmental approval. Senior capstone course requiring synthesis and application of prior course work in homeland security. Students complete senior project within a strategic planning framework.

HON—Honors Program Courses

David W. Coleman, Interim Director

HON 100 Honors Seminar. (1) I. This course is designed to be an introduction to the Honors Program and will include selected readings and discussions, guest speakers, and a service-learning component benefitting the surrounding community. May be retaken to a maximum of twelve hours.

HON 101 Honors Critical Thinking. (1-12) A. Study of contemporary issues and special topics in homeland security. May be retaken to a maximum of twelve hours under different subtitles.

HON 102 Honors Homeland Security Technology. (3) A. Broad overview of homeland security technology. Technology as a tool to support homeland security regardless of functional specialty. Contribution of technology to deterrence, prevention, protection, and recovery.

HON 103 Honors Transportation Security. (3) A. Examines various mass transit networks and the security environment of each. Analyzes previous attacks on modes of transit as well as threat and vulnerability assessments of U.S. transportation systems. Credit will not be awarded to students who have credit for HLS 445.

HON 402 Counterintelligence. (3) A. History, structure, and operations of the US counterintelligence community. Includes legal foundations of counterintelligence and critiques of recommended changes to the community.

HON 403 Intelligence Analysis. (3) A. Examines processes used at local, state and federal levels to conduct intelligence analysis and develop intelligence products. Includes advanced instruction in intelligence structured analytic techniques.

HON 430 Special Topics. (1-12) A. Study of contemporary issues and special topics in homeland security. May be retaken to a maximum of twelve hours under different subtitles.

HON 105 HonorsField Experience. (1-12) A. Prerequisites: Department Chair approval, a minimum GPA of 2.0, and a minimum of 30 hours completed. This course is designed to broaden the educational experience through appropriate observational work assignments in cooperating agencies. A minimum of 80 hours of observation is required for each academic credit. May be retaken to a maximum of twelve hours.

HON 451 Disaster Preparedness & Response. (3) A. Prerequisite: HLS 201. Concepts, theories, principles, programs and requirements of emergency preparedness, governmental planning, practice, exercises, hazard and risk assessment, and team building. Overview of the relationship of preparedness to response, emergency operations and incident command systems.

HON 455 HLS Independent Study. (1-6) A. Prerequisites: Department Chair approval, a minimum GPA of 2.0, a minimum of 30 hours completed. Individual reading and research on a problem within the field of homeland security. Students must have independent study proposal form approved by faculty supervisor and Department Chair prior to enrollment. May be retaken to a maximum of six hours.

HON 461 Mitigation & Disaster Recovery. (3) A. Prerequisite: HLS 201. Concepts, theories, principles, programs, and requirements of pre- and post-tsunami disaster prevention; international organization VRA techniques used in both the public and private sectors.

HON 473 Modern Natural Disasters, (3) A. Examines natural disasters to include earthquakes, hurricanes, floods, droughts, pandemics, and other events and how they shape current emergency management practices. Analyzes planning for and recovering from
from any combination of HON 312/312S, providing the topics differ.

HON 312W Honors Seminar in the Social and Behavioral Sciences:_____ (3) A. Prerequisite: ENG 102 or 105(B) or HON 102 and Admission to the Honors Program; or departmental approval. A topics course in the social and behavioral sciences meeting the goals of the Honors Program. A service-learning version of HON 312W may also be offered. Students may earn up to six hours from any combination of HON 312W/312S, providing the topics differ. Honors Core. Gen. Ed. E-3B (SD)

HON 316 Special Topics. (3) A. Topics course meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours.

HON 316W Honors Seminar in the Natural Sciences:_____ (3) A. Prerequisite: ENG 102 or 105(B) or HON 102 and Admission to the Honors Program; or departmental approval. A topics course in the natural sciences meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours. Honors Core.

HON 320 Special Topics. (3) A. Topics course meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours.

HON 320W Honors Seminar in Diversity of Perspectives and Experiences:_____ (3) A. Prerequisite: Admission to the Honors Program or departmental approval and ENG 102 or 105(B) or HON 102. A topics course in the diversity of perspectives and experiences meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours. Honors Core. Gen. Ed. E-6 [GE]

HON 390 Directed Topics in Honors. (1-3)

HSA 100 Introduction to the Health Science Field. (3) I, II. Overview of U.S. health care: history, factors influencing health and health care, identification and organization of health facilities and professionals, health care financing, federal policies, and ethics.

HSA 200 Medical Terminology I. (3) I, II. Basic medical vocabulary consisting of prefixes, suffixes, roots, anatomical, symptomatic, and common disease terms of the body systems.

HSA 201 Medical Terminology II. (I, II. Prerequisite: MAS 200 or HSA 200. Includes surgical instruments and procedures, diseases, laboratory tests, clinical procedures, and abbreviations for each system. Terms related to oncology, radiology, nuclear medicine, pharmacology, psychiatry, systemic disorders, and autopsies procedures.

HSA 302 Organization and Management of Health Services. (3) I, II. Prerequisite: HSA 100 (minimum grade of “C”). Analysis of structure, function, and internal and external forces impacting healthcare services. Identification of management topics and trends.

HSA 303 Fundamentals of Medical Science. (3) I, II. Prerequisite: HSA 200, HSO 100, and SCI 101. Provides an introduction to the human body as a system with an emphasis on the medical sciences. Topics include the major systems of the body and their functions. 3 Lec/2 Lab.

HSA 306 Medical Nomenclature. (4) I, II. Prerequisite: HSA 302 and 303 with a minimum grade of “C” or departmental approval. HCPCS and ICD-9-CM coding and reimbursement systems for physician services and hospital inpatient and outpatient services. 3 Lec/2 Lab.

HSA 370 Health Information Management Systems. (4) I, II. Prerequisites: HSA 100, 302, CIS 230 or INF 314 and minimum grade of “C”. Health information systems, systems analysis, and health data base management.

HSA 372 Health Care Reimbursement Systems. (3) I, II. Prerequisite: HSA 302 and 387. An introduction to health care reimbursement systems; health insurance fraud and abuse; and procedures for patient accounting and cash flow forecasting.

HSA 375 Health Services Administration. (3) I, II. Prerequisites: MGT 301 or 300, MGT 320; HSA 302 (minimum grade of “C”). Application of financial principles, strategic planning, marketing, and leadership skills to selected health care organizations.

HSA 401 Legal Issues in Health Care. (3) I, II. Prerequisite: HSA 100 with a minimum grade of “C”. Legal status, documentation requirements, and liability related to medical records and health care issues.

HSA 405 Clinical Information Management. (3) I, II. Prerequisites: HSA 370, HSA 401. HSA 406 (minimum grade of “C”). Review of health trends related to the management of clinical information systems. Course format will include mock committee meetings and role playing.

HSA 406 Health Care Quality Management. (3) I, II. Prerequisites: HSA 302, 303, STA 215 or 270 (minimum grade of “C”). A study of total quality management, utilization review, and risk management functions in health care organizations andыш дырлыгынырыныш же сол контекстіндеғі функцияларға байланысты.

HSA 407 Advanced Health Services Administration. (3) I, II. Prerequisite: HSA 375 (minimum grade of “C”). Advanced study in trends relating to the management of health care organizations and the leadership role of health services administrators.

HSA 409 Health Services Research Methods. (3) I, II. Prerequisites: HSA 302, 303, STA 215 or 270 (minimum grade of “C”). Introduction to the process of research, related laws and ethical considerations, significance to health care, critique of published research articles, and development of a protocol.

HSA 411 Professional Practice Experience II. (1-3) I, II. A course for health service professionals interested in the health service management profession. Internship assignment to health care organizations for the summer months or off-campus (minimum grade of “C”). Participants will have the opportunity to work under the guidance of a faculty mentor prior to enrollment. May be retaken with different topics to a maximum of six hours. Honors Core. Gen. Ed. E-5B

HSA 425 Professional Practice Experience I. (1, II. Prerequisite: department approval. Internship assignment to health care organization for observation of its functions and management.

HSA 426 Medical Records Management. (3) I, II. Prerequisite: departmental approval. Internship assignment to health care organization for observation of medical records management.

HSA 427 Medical Records Research. (3) I, II. Prerequisite: HSA 426. Focus on research methodologies used in medical records management. Topics will be specific to the needs of the organization.

HSA 428 Medical Records Systems. (4) I, II. Prerequisite: HSA 427. Focus on the development and implementation of medical records systems.

HSA 430 Medical Records Systems. (3) I, II. Prerequisite: HSA 428. Focus on the development and implementation of medical records systems.

HSA 431 Professional Certification Preparation (1) I, II. Corequisite: HSA 431. Preparation for the Registered Health Information Administrator (RHIA) certification exam. Course focuses on the content domains included on the exam and development of general test-taking skills.

HSA 498 Independent Study in Health Services Administration. (1-6) A. Prerequisite: student must have the independent study proposal approved by faculty supervisor and department chair prior to enrollment. Directed study or research on an issue or area of interest to the field of health services administration. May be retaken to a maximum of six hours.

HSA 500 Health Sciences Orientation Dr. Deborah Whitehouse, Dean

HSA 100 Student Success Seminar: (1) Orientation to the academic life and career preparation with emphasis on University regulations, catalog requirements, registration, career opportunities, and program requirements. Open to all students during their first two semesters of enrollment at EKU, beyond that open to students with fewer than 30 semester hours earned.

HSA—Health Services Administration

HUM—Humanities

Dr. Abbey Poffenberger, Chair

HUM 124 Humanities and the Search for Meaning, (3) I, II. An introduction to the comparative and interdisciplinary study of culture, including Western and non-Western literature, visual art, music, and design, emphasizing integrative thinking as a means toward affirming values for living meaningfully in today’s world. Gen. Ed. E-3A, 3B

HUM 226 The Search for Meaning: The Ancient World. (3) I, II. Comparative and interdisciplinary approaches to the study of culture in the ancient world, including Western and non-Western literature, drama, visual arts, architecture, and religion/philosophy in historical context; emphasis on integrative thinking and exploration of living meaningfully from the ancient perspective. Gen. Ed. E-3A, 3B

HUM 228 The Search for Meaning: The Modern World. (3) I, II. An introduction to the comparative and interdisciplinary study of culture in the modern world, including Western and non-Western literature, visual art, music, film, and religion/philosophy; emphasis on integrative thinking and exploration of values for living meaningfully in the modern world. Gen. Ed. E-3A, 3B

HUM 300W Humanity in the Postmodern Age. (3) A. Prerequisite: ENG 102, 105(B), or HON 102. Comparative and interdisciplinary approaches to the study of culture since 1945, including study of Western and non-Western works of literature, visual art, music, and religion/philosophy; focus on integrative thinking as a means toward affirming values for living meaningfully in the contemporary world. Credit will not be awarded for both HUM 300 and 300W. Gen. Ed. E-3A, 3B

HUM 300W Humanity in the Postmodern Age. (3) A. Prerequisite: ENG 102, 105(B), or HON 102. Comparative and interdisciplinary approaches to the study of culture since 1945, including study of Western and non-Western works of literature, visual art, music, and religion/philosophy; focus on integrative thinking as a means toward affirming values for living meaningfully in the contemporary world. Credit will not be awarded for both HUM 300 and 300W. Gen. Ed.
Prerequisites: minimum GPA of

Critical analysis of art, music, and literature reflecting the globalization, and cultural diversity in the Modern World; Emphasis on integrative thinking.

Visual culture, music, the dramatic arts, and design. An introduction to classic, formalist, structuralist, and post-structuralist approaches to the analysis of literature, visual culture, music, the dramatic arts, and design. Emphasis on integrative thinking.

Prerequisites: minimum GPA of

Critical analysis of art, music, and literature from the Enlightenment. Critical analysis of art, music, and literature from the Renaissance, Baroque, and the Enlightenment reflecting the religious and secular energies of Western culture and the colonial world.

Science, globalization, and cultural diversity in the Modern World; critical analysis of art, music, and literature reflecting the modernization of culture and the human condition since the Enlightenment.

Non-Western traditions. Prerequisite: ENG 102, ENG 105(B), or HON 102. Studies in the literature, visual and dramatic arts, music, and design of non-Western cultures. This course may focus on a single non-Western tradition or on a few, inter-related non-Western traditions in a given semester. Repeatable up to six hours with permission of department chair. Gen. Ed. E-6 [GE].

Prerequisites: HUM 226 or 228. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours if topic is different.

Selected topics in Interdisciplinary Humanities. May be repeated with permission of the department for up to six hours.

An in-depth thesis project, approved by the department chair, directed by a Humanities faculty member, and presented in the form of a research paper with appropriate visual or audio materials.

Prerequisites: sophomore standing, and approval from the International Department as an appointed exchange student. This course may be repeated for each semester spent studying abroad and is a Satisfactory/ Unsatisfactory course. For students who engage in a full Fall/Spring semester foreign exchange experience, grading is only CR credit.

INF 101 Introduction to Online Learning (1) I, II. Formerly CSC 105. Selected topics in software applications. Topics vary with offering. May be retaken with advisor approval to a maximum of nine hours provided the topics are different.

INF 110 Introduction to the Internet. (1) I, II. Formerly CSC 110. Introduction to the Internet and the Internet processing tools. The course emphasizes the use of the World Wide Web as an information broadcasting and retrieval tool. Credit will not be awarded to students who have credit for CSC 110.

INF 120 Introduction to Multimedia. (3) I, II. Formerly CSC 330. Introduction to multimedia technology and computerized visual communication. Topics include video editing, media file processing, video streaming, computer graphics. Credit will not be awarded to students who have credit for CSC 120.

INF 123 Envisioning Virtual Worlds. (3) A. Formerly CSC 123. Exploration of the technologies used in virtual environments and their effects on society. Review of technology driving virtual environments with historical context. Emerging technology, Social/economic consequences. Possible future outcomes through new technologies and science fiction. Credit will not be awarded to students who have credit for CSC 123.

INF 301 Current Topics in Informatics: (1-3) A. Formerly CSC 104, 212, or equivalent. Introduction to contemporary topics in informatics. May be retaken to a maximum of six hours provided the topics are different.

INF 307 Cyberspace Security and Ethics. (3) A. Formerly CSC 127. Prerequisite: ENG 102, ENG 105(B), or HON 102. A non-technical survey of computing, including computer, society, ethical issues, and the role of professionals. Credit will not be awarded to students who have credit for CSC 307.

INF 314 MS Office & Data Analysis (3) A. Formerly CSC 314. Prerequisite: "C" or higher in CSC 105 or equivalent. Topics include database management, data entry, data sorting, and data analysis. Credit will not be awarded to students who have credit for CSC 314.

INF 318 Mobile Device Security & Privacy (3) A. Formerly CSC 318. Prerequisite: ENG 102, 105(B), or HON 102. Introductory course on mobile device security and privacy. Topics include mobile devices including smart phones, tablets and other mobile devices, mobile device threats and mobile device security including planning and implementation, mobile device privacy. Credit will not be awarded to students who have credit for CSC 318.

INF 321 Computer Forensics I (A). Formerly CSC 321. Prerequisite: ENG 102, 105(B), or HON 102. Introductory course on mobile device security and privacy. Topics include mobile devices including smart phones, tablets and other mobile devices, mobile device threats and mobile device security including planning and implementation, mobile device privacy. Credit will not be awarded to students who have credit for CSC 318.

INF 322 Computer Forensics II (A). Formerly CSC 322. Prerequisite: CSC 321 with a minimum grade of "C" or minimum grade of "C". Introductory course on computer forensics. Topics include digital evidence, digital forensics investigation procedure, evidence identification, data acquisition, crime scene processing, digital forensics tools, quality assurance, evidence processing, investigation report, and courtroom testimony. Credit will not be awarded to students who have credit for CSC 322.

INF 495 Independent Work. (1-3) I, II. Prerequisites: ENG 102, 105(B), or HON 102, and departmental approval. Directed study/research on a problem or area chosen in consultation with the instructor. Final paper required. May be retaken to a maximum of twelve hours.

INF 507 Special Topics in Informatics. (1-3) A. Prerequisite: departmental approval. Topics vary with offering. May be retaken to a maximum of six hours with advisor approval, provided the topics are different.

INF 510 Web Design and Programming in Education. (3) A. Formerly CSC 510. Introduction to the design and implementation of World Wide Web applications for teachers. Development of interactive on-line class notes and testing materials. Credit will not be awarded to students who have credit for CSC 510.

INF 339 A-N Cooperative Study. Insurance. (5-B) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required per credit hour. Six hours may be used as a major elective. May be repeated for a total of 16 credit hours.

ITP—Interpreter Training Program Dr. Laurence Hayes, Chair

ITP 215 Professional Issues in Interpreting. (3) A. Prerequisites: ASL 201 and ITP 115 or ASL 225 with a minimum grade of "C" or departmental permission. Relevant professional terminology, procedures and ethical considerations explored. Topics include historical developments and current trends in professional organizations, ethical standards, and settings. Credit will not be awarded for both ITP 215 and 215W. ITP 215W

ITP 220 Processing Skills for Interpreters. (3) II. Prerequisite: ASL 201 with a minimum grade of "C" or departmental permission. Practice of cognitive skills used in the process of interpreting. Skills include visualization, prediction, listening, memory, abstracting, closure, dual tasking, and processing time.

ITP 301 Professional Relationship Ethics. (1) I. Prerequisite: admission in the interpreting program or departmental permission. Introduction to business ethics and decision making. Detailed analysis of first and lasting impressions, building rapport and working in the interpreting profession. Critical thinking skills in the decision making process of working with diverse groups.

ITP 320 English-to-ASL Interpreting I. (3) A. Prerequisites: admission in the interpreting program, ASL 202, ITP 215 or 215W, 220 with a minimum grade of "C" or departmental permission. Development of English-to-ASL interpreting skills using consecutive and simultaneous modes with a variety of source materials. Clinical hours required.

ITP 325 ASL-to-English Interpreting I. (3) I. Prerequisites: admission to the interpreting program, ASL 202, ITP 215 or 215W, 220 with a minimum grade of "C" or departmental permission. Development of interpreting skills progressing from written translation to consecutive interpreting, transliterating in a variety of settings. Clinical hours required.

ITP 330 Ethics and Special Settings I. (3) II. Formerly ITP 370. Prerequisite: ASL 202(C) and admission to the ASL and English Interpretation program or departmental approval. Critical analysis of interpreting in various settings. Development of communication and ethical decision-making skills. Clinical hours required.

ITP 380 Special Topics in Interpreting. (1-3) A. Prerequisite: departmental
SECTION SEVEN - COURSE DESCRIPTIONS

approval. For independent work, special workshops, or special topics related to the field of interpreting beyond the regularly offered courses. May be taken to a maximum of 9 hours provided subject/title vary.

ITP 385 Independent Work Interpretation. (1-3) A. Prerequisite: Departmental approval. For independent work related to the field of interpreting beyond the regularly offered courses. May be taken to a maximum of 6 hours provided subject/title vary. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

ITP 390 Linguistics and ASL I. (3) II. Prerequisites: admission in the Interpreter Training program, ASL 301 with a minimum grade of “C” or departmental permission. Overview of linguistics, phonology, morphology and language change in a variety of languages and American Sign Language. Analysis of ASL and signed languages. Clinical hours required.

ITP 410 Professional Relationship Ethics II. (3) Prerequisites: ITP 310 and admission to the interpreting program or departmental permission. Discussion of best business practices in managing human and fiscal resources, work environment, market trends and relevant legislation. Portfolio development and communication, discussion, discussion.

ITP 420 English-to-ASL Interpreting II. (3) I. Prerequisites: admission in the interpreting program, ASL 302, ITP 320, 325 with a minimum grade of “C” or departmental permission. Continued development of English-to-ASL interpreting skills with added focus on registers, settings, and audience preferences. Clinical hours required.

ITP 425 ASL-to-English Interpreting II. (3) I, II. Prerequisites: ITP 385 with a minimum grade of “C” and admission to the ASL and English Interpretation program or departmental approval. Continued development of ASL-to-English interpreting skills in a variety of settings. Clinical hours required.

ITP 426 Special Settings II. (3) I. Prerequisites: admission in the interpreting program, ASL 302, ITP 320 and 325 with minimum grades of “C” or departmental permission. Continued critical analysis of interpreting in various multicultural and specialized settings. Continued development of ethical and culturally competent decision-making skills. Clinical hours required.

ITP 470 Practicum in Interpreting I. (3) I. Prerequisites: ASL 302, ITP 320, 325, 425, 330 with a minimum grade of “C” and admission to the ASL and English Interpretation program or departmental approval. Observation and interpreting experience under the supervision of a mentor(s) in a variety of settings. Clinical hours required.

ITP 480 Interactive Interpreting (3) I. Prerequisites: Admission to the interpreting program, ASL 302, ITP 320, 325 with a minimum grade of “C” or departmental permission. Students will develop skills in interpreting conversations, discussions, explanations, interviews, and other types of dialogue genres.

ITP 490 Linguistics and ASL II. (3) I. Prerequisites: admission in the Interpreter Training program, ITP 390 with a minimum grade of “C” or departmental permission. Overview of syntax, morphology, and phonology. Analysis of American Sign Language and spoken languages. Clinical hours required.

ITP 495 Practicum in Interpreting II. (12) I, II. Prerequisites: admission in the Interpreter Training program, ITP 390 with all other ASL/ITP classes with minimum grades of “C”. A structured full time practicum interpreting experience under the direct supervision of a mentor(s) in an extensive setting. Students will interpret, participate in professional growth activities, keep professional journals and adhere to all guidelines and requirements in the ITP 495 student practicum handbook. Potential practicum sites may be local, state-wide, regional or national.

JOU—Journalism

Dr. Fran Dickson, Chair

JOU 302 Journalism Practicum (1-3) I, II. Supervised practical experience in a journalistic operation. Students must complete a total of three credit hours over one or multiple semesters.

JOU 305 Feature Writing, (3) I, II. Prerequisites: COM 201 or permission of instructor. Writing and submitting articles for publication in newspapers and magazines. Involves studying requirements of periodicals to which sale is attempted and free-lancing methods in general. Credit will not be awarded for both JOU 305 and 350W.

JOU 350W Feature Writing, (3) I, II. Prerequisites: ENG 101 and 102 (or ENG 105B) or HON 102 and COM 201 or permission of instructor. Writing and submitting articles for publication in newspapers and magazines. Involves studying requirements of periodicals to which sale is attempted and free-lancing methods in general. Credit will not be awarded for both JOU 305 and 350W.

JOU 310 Introduction to Multimedia Web Development. (3) Prerequisites: admission in the interpreting program or departmental approval. Continued development of ASL-to-English interpreting skills in a variety of settings. Clinical hours required.

JOU 320 Design for Newspapers and Magazines (3) I, II. Introductory desktop publishing and image-processing for non-designers. Examines principles and techniques central to publishing newspapers, magazines, brochures, and newsletters within a journalism context. Credit will not be awarded to students who have received credit for PUB 320.

JOU 325 Photojournalism. (3) I, II. Examines principles of digital photography, focusing on skills in producing professional quality images. Looks at role of the photojournalist serves in newspaper and magazine production. Provides an introduction to color correction in Photoshop and Elements. Credit will not be awarded for both JOU 305 and 350W.

JOU 349A-N Applied Learning in Journalism. (5-8). A. Prerequisites: junior standing, a 2.0 GPA within the journalism major, and department approval. Work under faculty and field supervisors in placements related to academic studies. One to two hours of academic credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each hour of academic credit. One credit hour required for major. No additional hours may satisfy major or minor requirements within the department.

JOU 349-A Cooperative Study: Journalism. (5-8). A. Prerequisites: junior standing, a 2.0 GPA within the journalism major, and department approval. Work under faculty and field supervisors in placements related to academic studies. One to eight total hours of academic credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each hour of academic credit. One credit hour required for major. No additional hours may satisfy major or minor requirements within the department.

JOU 400 Studies in Journalism (3-3) A. Prerequisite: departmental approval. Study of specific areas of journalism through a course examining time or topical concerns in the field. Specific topic included in schedule. May be retaken to maximum of nine hours.

JOU 401 Advanced Photojournalism. (3) A. Prerequisite: JOU 325. Study of newspaper and magazine photojournalism with emphasis on the photographic essay, the role of the photojournalist and the photo editor, and digital technologies. Provides experience in black and white and color photography. Cross-listed as PUB 412. Multimedia Web Development. (3) I, II. Cross-listed as PUB 412. Prerequisite: PUB 320 or JOU 320 with a grade of “C” or higher. An introduction to web site design, with emphasis on communication and design theory. Delves into fundamentals of HTML and CSS. Course also uses software for optimizing images and graphics for web use. Credit will not be awarded for JOU 412 and PUB 412.

JOU 415 Advanced Editing. (3) A. Prerequisite: JOU 310. Intensive study of newspaper design. Emphasizes practice in electronic editing, headline writing, and layout.

JOU 425 Community Journalism. (3) A. Prerequisites: COM 201 and JOU 310. Intensive study of community newspapers and other media and their relationship to their communities.

JOU 450 Media Management. (3) A. Prerequisites: COM 201 and JOU 310. Problems of organization, finance, production and distribution of media. Examines factors involved in publishing, staffing, and policy formulation.

JOU 480 Freelance Writing. (3) A. Prerequisites: ENG 101 and 102 or HON 102. How to write and sell freelance articles for online media or other publication outlets. Credit will not be awarded for ENG 500/700 taught as “Writing for the Popular Media.”

JOU 491 Senior Seminar. (1) I, II. Prerequisites: JOU 302 or 349. Evaluates student’s progress toward a career in mass media, especially the development of a portfolio, and develops job-search strategies and skills. Includes assessment of instruction and curriculum.

JOU 499 Independent Study in Journalism. (1-3) A. Prerequisite: Student must consult with the faculty supervisor and have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of three hours.

JPN—Japanese

Dr. Abbey Poffenbarger, Chair

JPN 102 Conversational Japanese II. (3) A. Recommended: JPN 101 or equivalent proficiency. Continuation of JPN 101. Emphasis on conversation. Students entering JPN 102 by referral or placement will receive three hours credit for JPN 101 if they make an “A” in 101. Laboratory work required. Gen. Ed. E-6 [GE].

JPN 201 Intermediate Japanese I. (3) A. Recommended: JPN 102 or equivalent proficiency. Continuation of JPN 102. Practice in writing kanji, reading, and speaking on cultural topics for diverse social settings requiring increasingly complex structural patterns. Students entering JPN 201 by referral or placement receive six hours credit for JPN 101 and 102 if they make an “A” or “B” in 201. Gen. Ed. E-6 [GE].

JPN 202 Intermediate Japanese II. (3) A. Recommended: JPN 201 or equivalent proficiency. Continuation of JPN 201. Practice in writing kanji, reading, and speaking on cultural topics for diverse social settings requiring increasingly complex structural patterns. Students entering JPN 202 by referral or placement receive nine hours credit for JPN 101, 102, and 201 if they make an “A” or “B” in 202. Gen. Ed. E-6 [GE].

JPN 295 Independent Work in Japanese. (1-3) A. Prerequisite: departmental approval. May be retaken to a maximum of six hours if content is different.
Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

JPN 495 Independent Work in Japanese.

(1-3) A. Prerequisite: departmental approval. May be retaken to a maximum of six hours if content is different. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

JSO—Justice & Safety Orientation

Dr. Allen Ault, Dean

JSO 100 Student Success Seminar. (1) I. An orientation to university academic life and career planning and preparation. Topics include University policies and procedures, program requirements, career opportunities and introductory study skills. Open to all students during their first two semesters of enrollment at EKU; beyond that open to students with fewer than 30 semester hours earned.

LAS—Paralegal

Dr. Lynnette Noblitt, Chair/Director

LAS 210 Introduction to Law. (3) I, II. General study of the purpose, function, and history of law; law-related occupations; court systems; case law analysis; professional ethics; the adversary system; and the major areas of law. Prerequisite: LAS 220 or director approval. Credit will not be awarded for both LAS 300 and LAS 300W.

LAS 300W Legal Research and Writing I. (3) I, II. Prerequisite: LAS 210 or director approval. Application of legal research methods and their application to specific legal problems and the use of legal authority to construct a written legal argument. Credit will not be awarded for both LAS 300 and LAS 300W.

LAS 300 Legal Research and Writing II. (3) I, II. Prerequisite: LAS 220. The sources and techniques of advanced legal research and writing, the use of computer-assisted legal research methods and their application. Credit will not be awarded for both LAS 300 and LAS 300W.

LAS 305 Special Topics in the Law. (1-3) A. Prerequisite: director approval. A course offered periodically covering topics and issues of current or special interest concerning the law. May be retaken to a maximum of six hours provided topics vary.

LAS 325 Real Estate/Bankruptcy Practice. (3) I, II. Prerequisite: LAS 220. Paralegal practice and procedure for general office law; real estate transactions and documents, title searches, title insurance, loan closings, leases, wills, affidavits of descent, foreclosures, and bankruptcy.

LAS 330 Family Law Practice. (3) A. Prerequisite: LAS 220. Paralegal practice in family law including forms, documents, and procedures for: marriage, divorce, separation, annulment, alimony, legitimacy of children, custody, adoption, community property, and juvenile law. Credit will not be awarded for both LAS 330 and LAS 330S.

LAS 330S Family Law Practice. (3) A. Prerequisite: LAS 220. Paralegal Practice in family law including forms, documents, and procedures for: marriage, divorce, separation, annulment, alimony, legitimacy of children, custody, adoption, community property, and juvenile law. This is a Service-Learning Course. Credit will not be awarded for both LAS 330 and LAS 330S.

LAS 340 Criminal Law Practice and Procedure. (3) A. Prerequisite: LAS 220 or director approval. An introduction to criminal law and procedure; criminal law forms and documents; and preparation for criminal litigation using the systems approach.

LAS 350 Litigation: Evidence to Discovery. (3) A. Prerequisites: LAS 220 or director approval. Study of legal principles and paralegal practice in substantive civil law. Incorporates procedural aspects of the early stages of civil litigation including evidence and investigation, pleadings, and the discovery/discovery process.

LAS 355 Litigation: Trial to Appeal. (3) I, II. Prerequisite: LAS 220 or Director Approval. Study of legal principles and paralegal practice in substantive civil law. Incorporates procedural aspects of the latter stages of civil litigation including settlement and ADR, trial preparation, trial, post-trial practice, and appeal. Credit will not be awarded for both LAS 330 and LAS 330S.

LAS 360 Probate Practice and Procedure. (3) I, II. Prerequisite: LAS 220 or director approval. Paralegal practice including initial steps, asset accumulation, debt management, court procedure, estate-related tax issues and forms. A systems approach will be emphasized.

LAS 370 Corporations and Business Organization Practice. (3) A. Prerequisite: LAS 220. Documents, forms, and procedures essential to the corporate paralegal. Development of skills concerning business formations, incorporation, corporate finance, employees, corporate organization, securities, regulatory compliance, merger, acquisitions, sales and terminations.

LAS 380 Administrative Agency Practice. (3) A. Prerequisite: LAS 220. Practical paralegal skill development in administrative agencies. Forms, documents, pleadings, and techniques for administrative regulatory compliance; case processing; informal and formal administrative advocacy; emphasizing the systems approach.

LAS 385 Legal Administration and Computer Applications. (3) I, II. Prerequisites: LAS 220 and CIS 212 or CSC 104 or equivalent. The study of law office administration and the utilization of specific law office computer applications.

LAS 399 Paralegal Internship. (4) I, II. Prerequisites: completion of 18 hours of major (LAS) courses including LAS 300 or director approval (prior written application is required). A prerequisite: LAS 396 or LAS 385 Seminar. (3) A. Prerequisite: completion of 18 hours of major (LAS) courses or director approval. Professional ethics, analysis of the internship experience, transition to the law office and current issues facing the paralegal profession.

LAS 490 Independent Study of Law. (1-3) A. Prerequisite: director approval. Individual research, skill development, and study in an area of law or paralegal practice. Student must have independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment. May be retaken to a maximum of six hours.

LAS 535 Municipal Law. (3) A. Prerequisite: LAS 220 or director approval. Practical legal problems confronting municipal officials including: government and public official liability, ordinances, tax levies, bonding, zoning, soliciting, licensing, open meetings, personnel, cutback management, elections, and other issues.

LAT—Latin

Dr. Abby Poffenberger, Chair

LAT 101 Beginning Latin I. (3) A. Study of basic inflections, syntax, pronunciation, and vocabulary necessary for the reading and progressive understanding of the Latin language. Particular attention is given to cultural topics and to the relationship of Latin to English. Gen. Ed. E-6 [GE].

LAT 102 Beginning Latin II. (3) A. Recommended: one unit of high school Latin or LAT 101. A continuation of the study of the elements of Latin grammar with additional work in translation of selections from Latin writers of appropriate complexity. Some composition on cultural topics included. Students entering LAT 102 by referral or placement receive three hours credit for LAT 101 if they make an “A” in 102. Gen. Ed. E-6 [GE].

LGS—Legal Studies

Dr. Lynnette Noblitt, Chair

LGS 300 Introduction to Legal Studies (3) A. Prerequisite: ENG 102, ENG 105, or HON 102. Examination of foundations and liberal arts perspectives of legal studies. Topics include comparative and historical introduction to forms, institutions, processes, and systems of law along with research methods for understanding questions of law and justice.

LGS 305 Special Topics. (3) A. Prerequisite: LGS 300. Exploration of topics not covered in the existing LGS curriculum. May be taken for a maximum of six hours provided that subject matter is different each time.

LGS 306 Animals and the Law. (3) A. Formerly LGS 306. The study of topics that relate to the status of animals under the law. The course focuses upon cases, legislation, and cultural values toward animals worldwide. Credit will not be awarded to students who have credit for LAS 306.

LGS 349 Applied Learning for Legal Studies (5-8) A. Prerequisite: LGS 300. Work or volunteer in an area related to Legal Studies. A minimum of 80 hours employment required for each semester hour credit. No more than 3 hours may count toward LGS program.

LGS 400 Legal Studies Senior Seminar (3) A. Prerequisite: LGS 300 and at least six hours of LGS electives. Conduct research in an area of particular interest. Submit a formal paper to the Instructor, write a research paper, and present an oral presentation on research conducted. No more than 3 hours may count toward LGS program.

LIB—Library Science

LIB 301 Children’s Literature and Related Materials. (3) I, II. Prerequisite: ENG 101 with a minimum grade of “C,” or ENG 105 with a minimum grade of “B.” Survey course designed to acquaint P-5 teachers with print and non-print media for the school curriculum and with techniques to encourage lifelong readers. Credit will not be awarded for both LIB 301 and 301S.

LIB 301S Children’s Literature and Related Materials. (3) I, II. Prerequisite: ENG 101 with a minimum grade of “C,” or ENG 105 with a minimum grade of “B.” Survey course designed to acquaint P-5 teachers with print and non-print media for the school curriculum and with techniques to encourage lifelong readers. Students in LIB 301S will be required to complete 15 hours of community service by choosing to read to students in Madison County, County Hospital, or the public library. Or students may choose to assist in a reading day at a local school. Credit will not be awarded for both LIB 301 and 301S.

LIB 401 Adolescent Literature and Resources. (3) A. Formerly LIB 501. A course designed with inquiry-based methodologies to future teachers’ knowledge of adolescents, adolescent literature, and resources. Topics include genres, censorship, diverse authors, assessment, and multiple literacies to increase motivation, understanding and appreciation of adolescent literature. Credit will not be awarded for both LIB 401 and 501.

MAE—Mathematics Education

Dr. Daniel Mundfrom, Chair

MAE 301 Mathematics for Elementary Teachers III. (3) A. Prerequisites: MAT 201 and one of MAT 107, 108, 112, 114, 120, 122, 124, 211 or 261, with a C or better in each. Prerequisite/corequisite: MAT 202. The course emphasizes conceptual understanding and communication of mathematical topics in the K–5 Kentucky Core Academic Standards through problem solving and technology. Credit will also count toward the Middle Grades Mathematics Teaching degree content requirements.

MAE 305 Problem Solving and Technology. (3) A. Prerequisites: MAT 201 or Corequisite: MAT 202. The course will enable students to use technology effectivley in the mathematics classroom and explore topics to deepen mathematical understanding.

MAE 475 Math Teaching Senior Seminar. (3)
I. Formerly MAT 475. Prerequisites: admission to teacher education program and a minimum 2.75 GPA in major and 2.0 GPA in all courses for MAT teaching major. Emphasis on the interrelationship between mathematical topics. Problem solving with technology. Oral presentation on a topic selected jointly with the instructor. Credit will not be awarded for both MAT 475 and MATH 475.

MAE 480 Seminar in ___ (1 - 3). A. Prerequisite will vary with the topic offered. Advanced topics in undergraduate mathematics education. May be retaken to a maximum of nine hours, provided the topics are different.

MAE 504 Technology for Teaching & Research. (3). A. Prerequisite: Senior standing. Technology for mathematical and statistical teaching and research. Exploration of mathematical and statistical concepts through the use of computer algebra systems, statistical software, geometry software, programming languages, and related technologies.

MAY 507 Introduction to Mathematics Education. (1-3) A. Prerequisite: MAT 508. Credit will not be awarded to students who have credit for MAT 475.

MAT—Mathematics

Dr. Daniel Mundfrom, Chair

MAT 090A Prealgebra A (1) Institutional Credit. I, II. Corequisites: MAT 090B, MAT 090C. Whole number and integer arithmetic, order of operations, introduction to solving equations, and a strong strand of geometry. 1 Lec/1 Lab.

MAT 090B Prealgebra B (1) Institutional Credit. I, II. Corequisite and/or Prerequisite: MAT 090A. Corequisite: MAT 090C. Fraction and decimal arithmetic, ratio and proportion, basic percent concepts, measurement, and radicals. 1 Lec/1 Lab.

MAT 090C Prealgebra C (1) Institutional Credit. I, II. Corequisite and/or Prerequisites: MAT 090A, 090B. Basic algebraic concepts such as solving linear equations, graphing equations in two variables, understanding algebraic expressions, polynomials and exponents. 1 Lec/1 Lab.

MAT 095A Introductory Algebra A (1) Institutional Credit. I, II. Prerequisite: MAT 090C or MAT 090 or placement into MAT 095A; ACT mathematics subscore of 17 or 18. Corequisites: MAT 095B, MAT 095C. Real number system, algebraic expressions, linear equations and inequalities, integer exponents, polynomials, and basic descriptive geometry. 1 Lec/1 Lab.

MAT 095B Introductory Algebra B (1) Institutional Credit. I, II. Corequisite and/or Prerequisite: MAT 095A Corequisite: MAT 095C. Factoring polynomials, quadratic equations, and radical expressions. 1 Lec/1 Lab.

MAT 095C Introductory Algebra C (1) Institutional Credit. I, II. Corequisite and/or Prerequisites: MAT 095A, 095B. Linear equations and inequalities, systems of equations, graphing quadratic equations, and an introduction to relations and functions. 1 Lec/1 Lab.

MAT 098 Algebra II. (3) Institutional Credit. I, II. Prerequisite: Completion of all developmental mathematics prerequisites. Real number system, algebraic expressions and sentences, linear, quadratic, polynomial, rational, inequalities, operations with exponents, systems of equations, relations and functions, graphing linear and quadratic functions. MAT 098 is the designated course to prepare for MAT 107, 112, or 114, and may also be used to meet the PCC mathematics deficiency. Mat 098 is REQUIRED OF STUDENTS NEEDING TO MEET DEVELOPMENTAL MATHEMATICS REQUIREMENTS.

MAT 105 Mathematics with Applications. (3) I, II. Prerequisite: completion of all University developmental requirements. The course is designed to strengthen computational skills, mathematical reasoning, problems-solving skills, and mathematical reading/comunication skills while focusing on real-world problem-solving. The mathematical topics may include the mathematics of finance, statistics, geometry, combinatorics, mathematical modeling, and algorithms. Use of calculators. Gen. Ed. E-2 [QR].

MAT 112 Algebra and Applications. (3). I, II. Prerequisite: MAT 098 with a minimum grade of “C”, a minimum score of 510 on the mathematics portion of the SAT, or a passing score on an algebra placement test. Students will solve application problems involving linear and quadratic equations, matrices, systems of linear equations, sequences and series, logarithmic and exponential equations; and analyze graphs of linear, quadratic, exponential, logarithmic and power functions. 3 Lec/1 Lab. Gen. Ed. E-2 [QR].

MAT 114 College Algebra. (3). I, II. Prerequisite: MAT 107. Prerequisite: MAT 098 with a minimum grade of “C”, a minimum score of 22 on the mathematics portion of the ACT, a minimum score of 510 on the mathematics portion of the SAT, or a passing score on an algebra placement test. Students will solve application problems involving linear and quadratic equations, matrices, systems of linear equations, sequences and series, logarithmic and exponential equations; and analyze graphs of linear, quadratic, exponential, logarithmic and power functions. Use of calculators. Credit will not be awarded to students who have credit for MAT 107. -3 Lec/1 Lab. Gen. Ed. E-2 [QR].

MAT 115 Introduction to Mathemtica. (1) A. Prerequisite: MAT 112 or 114 with a minimum grade of “C”, a minimum score of 550 on the mathematics portion of the SAT, or a minimum score of 550 on the mathematics portion of the SAT. Use of Mathematica. Numeric, algebraic, and symbolic capabilities, two and three-dimensional graphics with animation, decision, looping, and recursive functions. Gen. Ed. E-2 [QR].

MAT 116 Problem Solving with Mathematics. (2) A. Prerequisite: MAT 115. Basic concepts include functional programming, procedural programming, rule-based programming, recursion, numerics, and graphics programming.

MAT 120 Trigonometry. (3) I, II. Formerly MAT 108. Prerequisite: MAT 107, 112, or 114 with a minimum grade of “C”, a minimum score of 22 on the mathematics portion of the ACT, or a minimum score of 510 on the mathematics portion of the SAT. Functions and graphs, differentiation, integration, exponential and logarithmic functions, and applications to economics, and science. Credit will not be awarded to students who have credit for MAT 116. Gen. Ed. E-2 [QR].

MAT 217 MathExcel Lab for Calculus I (1-2) I, II. Formerly MAT 117. Prerequisite or Corequisite: MAT 124, 124H, 211, 234, 234H, or 261. This lab is to accompany a regular lecture class in Calculus I. 1 Lab. Credit will not be awarded to students who have credit for this lab.

MAT 218 MathExcel Lab for Calculus II. (1-2) I, II. Prerequisite/Corequisite: MAT 224 or 224H. This lab is to accompany a regular lecture class in Calculus II. 1 Lab.

MAT 219 MathExcel Lab for Calculus III. (1-2) I, II. Prerequisite/Corequisite: MAT 225 or 225H. This lab is to accompany a regular lecture class in Calculus III. No more than four credit hours of MAT 217, 218 and 219 will count toward the baccalaureate degree. 4 Lab.

MAT 234 Calculus I. (4) I, II. Formerly MAT 124. Prerequisite: MAT 109 or 122 with minimum grade of “C”, a minimum score of 25 on the mathematics portion of the ACT, or a minimum score of 590 on the mathematics portion of the SAT. Functions, limits and continuity, derivatives and applications, integration, and introduction to and use of the computer package Mathematica or other appropriate technology. Credit will not be awarded to students who have credit for MAT 124 or 234H. Gen. Ed. E-2 [QR].

MAT 234H Honors Calculus I. (4) A. Formerly MAT 124H. Prerequisite: a minimum score of 27 on the mathematics portion of the ACT or a score of 640 or higher on the mathematics portion of the SAT. Functions, limits and continuity, derivatives and applications, integration, and introduction to and use of the computer package Mathematica or other appropriate technology. The material is treated in greater depth and with more rigor than in MAT 234. Challenging problems and special projects will be assigned. Credit will not be awarded to students who have credit for MAT 124, 124H or 234. Gen. Ed. E-2 [QR].
MAT 239 Linear Algebra and Matrices. (3) I, II. Formerly MAT 214. Prerequisite: MAT 124, 124H, 234, or 234H with a minimum grade of “C.” Real and complex vector spaces, linear transformations, matrix theory, with applications, through the introduction of eigenvalues and eigenvectors, determinants, inner product spaces, the use of technology. Credit will not be awarded to students who have credit for MAT 241.

MAT 244 Calculus II. (4) I, II. Formerly MAT 224. Prerequisite: MAT 124, 124H, 234, or 234H with a minimum grade of “C.” Fundamental integration techniques, numerical integration, applications of integration, improper integrals, differential equations, infinite series, polar and parametric equations, and use of Mathematica or other appropriate technology. Credit will not be awarded to students who have credit for MAT 224, 224H or MAT 244.

MAT 244H Honors Calculus II. (4) A. Formerly MAT 224H. Prerequisite: MAT 124H or 234H with a minimum grade of “C.” Fundamental integration techniques, numerical integration, applications of integration, improper integrals, differential equations, infinite series, polar and parametric equations, and use of Mathematica or other appropriate technology. The material is treated in greater depth and with more rigor than MAT 244. Challenging problems and special projects will be assigned. Credit will not be awarded to students who have credit for MAT 224, 224H or MAT 244.

MAT 254 Calculus III. (3) I, II. Formerly MAT 225. Prerequisite: MAT 224, 224H, 234, or 244H with a minimum grade of “C.” Functions of several variables, limits and continuity, partial derivatives, multiple integrals, vector calculus including Green’s, Divergence, and Stoke’s theorems, cylindrical and spherical coordinates and use of Mathematica. Credit will not be awarded to students who have credit for MAT 225, 225H or 254H.

MAT 254H Honors Calculus III. (4) A. Formerly MAT 225H. Prerequisite: MAT 224H or 244H with a minimum grade of “C.” Functions of several variables, limits and continuity, partial derivatives, multiple integrals, vector calculus including Green’s, Divergence, and Stoke’s theorems, cylindrical and spherical coordinates, and use of Mathematica. The material is treated in greater depth and with more rigor than in MAT 254. Challenging problems and special projects will be assigned. Credit will not be awarded to students who have credit for MAT 225, 225H or 254H.

MAT 301 Logic and Set Theory. (3) A. Prerequisites: Minimum grades of “C” and a grade point average of at least 2.5 in MAT 239, 244 or 224H, or departmental approval. Logic, proof techniques, set theory, relations, functions, cardinality, introduction to advanced mathematics.

MAT 303 Mathematical Models and Applications. (3) A. Prerequisites: MAT 107, 112, or 114. Prerequisites or Corequisites: STA 270. The course emphasizes conceptual understanding and communication of mathematical topics through modeling, problem solving, and technology. Topics include algebra, geometry, and real-world situations. Credit does not count toward any of these: the B.S. in mathematics teaching, or the mathematics minor.

MAT 306 Discrete Mathematics. (3) II. Prerequisites: MAT 239, MAT 244, STA 270 with a minimum grade of “C” and at least 2.5 GPA in all mathematics courses. Counting principles, permutations, combinations, recurrence relations, graphs, representations of graphs as matrices, trees, networks, difference equations, and linear programming.

MAT 308 Modern College Geometry I. (3) I. Prerequisite: MAT 301 with a minimum grade of “C” (2.0). Groups, cyclic and permutation groups, homomorphisms, subgroups and factor groups, Fundamental Theorem of Abelian Groups, rings, fields, integral domains, and ideals.

MAT 315 Introduction to Analysis. (3) A. Prerequisites: MAT 254 or 234H, and 301, each with a minimum grade of “C.” Real number system, sets and functions, limits, continuity, uniform continuity, Taylor’s theorem, laws of the mean, the Riemann integral, uniform convergence.

MAT 334 Modern College Geometry III. (3) A. Prerequisite or Corequisite: MAT 301 with a minimum grade of “C.” Euclid’s parallel postulate, axiom systems, finite geometries.

MAT 349 Applied Learning in Mathematics. (5-8) II, (1-6) SUMMER ONLY. Prerequisite: departmental approval. Work in placements related to academic studies. Credit does not apply to major or minor requirements. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours of employment are required for each semester hour of academic credit.

MAT 349 A-N Cooperative Study: Mathematics. (5-8) II, (1-6) SUMMER ONLY. Prerequisite: departmental approval. Work in placements related to academic studies. Credit does not apply to major or minor requirements. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours of employment are required for each semester hour of academic credit.

MAT 353 Differential Equations. (3) A. Prerequisite: MAT 244 or 244H with a minimum grade of “C.” Differential equations, applications; singular solutions, linear equations with constant coefficients, miscellaneous methods for equations of higher order, solution in series, total differential equations, qualitative methods, systems of linear differential equations; Series solutions to eigenvalue problems.

MAT 380 Mathematics in a Historical Setting. (3) A. Prerequisite or Corequisite: MAT 301 or departmental approval. The history of mathematics and the role of mathematics in early and ancient civilizations until modern times is studied through problems and through the lives and times of mathematicians.

MAT 408 Modern Algebra II. (3) A. Prerequisite: MAT 308 with a minimum grade of “C.” Ring homomorphisms, polynomial rings, unique factorization domains, principal ideal domains, finite fields, field extensions, algebraic extensions, Galois theory, and geometric construction.

MAT 415 Analysis. (3) A. Prerequisite: MAT 315 with a minimum grade of “C.” The Riemann integral, the Lebesgue integral, metric spaces, differentiation, sequences and series of functions, allied topics.

MAT 480 Seminar in: (1-3) A. Prerequisite: departmental approval. Advanced topics in undergraduate mathematics. May be retaken to a maximum of nine hours, provided the topics are different.

MAT 495 Independent Work. (1-3) A. Prerequisite: MAT 301 or departmental approval. Directed study/research on a problem or area chosen in consultation with instructor. Final paper required. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours.

MAT 498 Mathematics Capstone. (1) A. Cross-listed as STA 498. Prerequisite: senior status as either a Mathematics or Statistics major. Designed to enable students to synthesize and integrate their mathematical and statistical knowledge. Students will learn how to conduct research and present the results. Credit will not be awarded for both MAT 498 and STA 498.

MAT 501 Applications of Mathematics for P-9 Teachers. (3) A. Prerequisite: MAT 303. Topics in the application of mathematical models appropriate for teachers of grades P-9. Credit does not apply toward B.S. or B.S. (teaching) degree requirements for programs offered within this department.

MAT 502 Geometry with Technology for P-9 Teachers. (3) A. Prerequisites: MAT 205, 208. Topics in geometry appropriate for teachers of grades P-9. Credit does not apply toward B.S. (teaching) degree requirements for programs offered within this department.

MAT 505 Foundations of Mathematics. (3) A. Prerequisite: MAT 308 with a minimum grade of “C.” The nature of mathematical thought; logical systems; axiomatic concepts and methods; consideration of the work of Hilbert, Peano, Whitehead, Russell, and others.

MAT 506 Number Theory. (3) A. Prerequisite: MAT 301 with a minimum grade of at least “C.” Fundamental properties of integers, linear Diophantine equations, linear and quadratic congruences, famous problems of number theory.

MAT 507 Seminar in Mathematics. (1-3) A. Prerequisite: departmental approval. Topics vary with offering. May be retaken with advisor approval, provided the topics are different. Credit towards degree requirements will depend on course content.

MAT 520 Mathematical Statistics I. (3) I. Cross-listed as STA 520. Prerequisite: MAT 224 or 224H or 225H; and STA 215 or 270 or 370 or CRJ 400 or ECO 220 or ECO 849 or EPY 842 or HEA 450 or PSY 309 or QMB 200. Descriptive statistics, discrete and continuous probability distributions for one and two variables, functions of random variables, sampling distributions, expectations and generating functions. Credit will not be awarded for both MAT 520 and STA 520.

MAT 525 Vector Analysis with Applications. (3) A. Prerequisite: MAT 254 or 254H with a minimum grade of “C.” Algorithm and geometry of vectors; vector functions of a single variable; line, surface, and volume integrals; Divergence Theorem, Stokes’ Theorem, Green’s Theorem; generalized orthogonal coordinates; Fourier series; solutions to eigenvalue problems.

MAT 527 Cryptology. (3) A. Prerequisites: Senior standing and MAT 301. Classical cryptosystems, basic number theory, DES, Advanced Encryption Standard, RSA, discrete logs, digital signatures, elliptic curve cryptosystems, lattice problems. It is strongly recommended that students have completed a course in proof writing.

MAT 535 Modern College Geometry II. (3) A. Prerequisite: MAT 334 with a minimum grade of “C.” The major influence of the axioms of parallelism or geometry, development from axioms and models, Euclidean geometry, absolute geometry, hyperbolic geometry, consistency of postulates.

MAT 540 Introductory Applied Mathematics. (3) A. Prerequisite: MAT 353 with a minimum grade of “C.” Techniques and applications of: vector analysis, matrix theory, linear and autonomous systems of differential equations, special functions, operational methods, Sturm-Liouville theory, Fourier series.

MAT 550 Applications of Complex Analysis. (3) A. Prerequisite: MAT 254 or 254H, or 355, each with a minimum grade of “C.” Continuity, differentiation, integration, series, residues, and applications to the evaluation of real integrals. Applications of conformal mappings to boundary value problems in heat, electrostatic potential, and fluid flow. Emphasis throughout on computational techniques and applications.

MAT 555 Graph Theory. (3) A. Prerequisite: STA 308 or MAT 320 with a minimum grade of “C.” Introduction to the theory and applications of graph theory. Topics will include trees, planarity, connectivity, flows, matching, and coloring.

MAT 560 Point Set Topology. (3) A. Prerequisite: MAT 301 with a minimum grade of “C.” An introduction to topology with emphasis on Euclidean and other metric spaces. Mappings, connectivity, compactness, formation of new spaces, relationship to analysis.

MAT 565 Mathematical Methods for Protein Structure Analysis. (3) A. Prerequisites: Senior standing, MAT 214 or 234H, 254H, and three hours from CSC 160, 174, 177, or 190. Mathematical and computational approaches to protein structure determination, refinement, evaluation, comparison, and visualization. Methods for determining atomic structures. Protein surface representation and shape comparison. Structure databases. It is strongly recommended that students have completed a course in linear algebra and have experience in computer programming.

2015-2016 EKU UNDERGRADUATE CATALOG

329

Back to Table of Contents
challenges will be presented. Emphasis on integration of knowledge acquired in previous courses. May be retaken up to six hours.

**MGT 300 Principles of Management. (3) I, II.** Prerequisite: ACC 201, 202, and ECO 230 with a grade of “C” or better in each course; junior standing (a minimum of 60 hours completed); and MGT 201 with a minimum 2.0 GPA. Management principles with emphasis on organization theory and behavior, human resources and diversity, communications, production/operations management, marketing, and public relations. This course is designed to enhance development of management thought, management in the global arena, and management careers.

**MGT 301 Principles of Management (NB).** (3) A. Prerequisite: junior standing (at least 60 hours) with an overall GPA 2.0. Not for students majoring or minoring in business. Management principles with emphasis on organization theory and behavior, human resources and diversity, communications, production/operations management and quality issues, business ethics, development of management thought, management in the global arena, and management careers.

Credit will not be awarded for both MGT 301 and 300.

**MGT 320 Human Resource Management.** (3) I, II. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). This course offers an emphasis on the role of innovation and entrepreneurship in the creation and management of new ideas, concepts, techniques, processes, methods, ventures, and networks. Human resource management in the global arena, and management careers. Growth of the game, golf operations, and other industry networking, and professional development. A capstone experience including industry job market analysis, promotion, and tournament software programs will also be presented.

**MGT 321 Entrepreneurial Leadership (3) A.** Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). Advanced study of human resource management functions aimed directly at enhancing organizational effectiveness. Topics include training needs analysis; training program design, implementation, and evaluation; performance management and appraisal; and costing human resource development programs. Understanding industry job market analysis, promotion, and tournament software programs will also be presented.

**MGT 322 Supply Chain Network Design.** (3) I. Prerequisites: MGT 370 and 375 (with a minimum grade of “C” in each prerequisite course). Study of human resource management in the global arena, and management careers. Growth of the game, golf operations, and other industry networking, and professional development. A capstone experience including industry job market analysis, promotion, and tournament software programs will also be presented.

**MGT 323 Human Resource Development.** (3) I. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). Study of human resource management in the global arena, and management careers. Growth of the game, golf operations, and other industry networking, and professional development. A capstone experience including industry job market analysis, promotion, and tournament software programs will also be presented.

**MGT 324 Management Information Systems. (3) I, II.** Prerequisite: MGT 300 (with a minimum grade of “C”). Study of management information systems and their role in the business environment. The integration of key business processes from end-user factors is emphasized.

**MGT 325 Management Information Systems. (3) I, II.** Prerequisite: MGT 300 (with a minimum grade of “C”). Study of management information systems and their role in the business environment. The integration of key business processes from end-user factors is emphasized.

**MGT 349 Applied Learning in Management. (3) A.** Prerequisite: MGT 300 (with a minimum grade of “C”). Advanced study of human resource management functions aimed directly at enhancing organizational effectiveness. Topics include training needs analysis; training program design, implementation, and evaluation; performance management and appraisal; and costing human resource development programs. Understanding industry job market analysis, promotion, and tournament software programs will also be presented.

**MGT 350 Management Science. (3) I, II.** Prerequisite: QMB 200 (with a minimum grade of “C”). Business decision making approaches and quantitative techniques with an emphasis on the formulation and application of models and the practical solution methods available.

**MGT 370 Operations Management. (3) I, II.** Prerequisite: MGT 300 (with a minimum grade of “C”). Advanced study of human resource management functions aimed directly at enhancing organizational effectiveness. Topics include training needs analysis; training program design, implementation, and evaluation; performance management and appraisal; and costing human resource development programs. Understanding industry job market analysis, promotion, and tournament software programs will also be presented.

**MGT 375 Supply Chain Management (3) A.** Prerequisite: MGT 340 (with a minimum grade of “C”). The integration of key business processes from end-user through original suppliers that add value for customers and other stakeholders. Topics include: integration and strategic partnering, procurement and outsourcing strategies, value-added services and international challenges.

**MGT 400 Organization Theory. (3) I, II.** Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). Principles of organization design as they relate to goals and strategy formulation, environmental context, technology, job design, control systems, and decision making.

**MGT 406 Continuous Improvement in Organizations. (3) A.** Prerequisites: MGT 300 and MGT 301 (with a minimum grade of “C” in each prerequisite course). Advanced methods and techniques used to analyze change, monitor, and analyze organizational performances, control resources, and otherwise direct the management of complex organizations.

**MGT 410 Labor Relations. (3) I.** Prerequisite: MGT 320 (with a minimum grade of “C”). Study of labor-management relationships including union organization campaigns, contract negotiations, grievance and arbitration procedures, labor-management cooperation, and union free environments.

**MGT 425 Compensation Management. (3) II.** Prerequisite: MGT 320 and MGT 301 (with a minimum grade of “C”). Advanced study of the laws and function of employee compensation. Topics include job analysis and evaluation, compensation surveys, pay structures, budgeting, pay for performance systems, benefits administration, and federal regulation of compensation management.

**MGT 430 International Management. (3) A.** Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). The study of management of international organizations with emphasis on new approaches, processes and structures. Topics include: organizational culture, leadership, ethics, decision-making, and human resource management.

**MGT 435 Supply Chain Network Design.** (3) I. Prerequisites: MGT 370 and 375 (with a minimum grade of “C” in each prerequisite course). Selecting the optimal role, number, location, size, and capacity of suppliers, manufacturing facilities, service locations, warehouses, retail stores and other facilities. Modeling of the supply chain to optimize operational decisions and reduce costs.

**MGT 440 Human Resource Development.** (3) I. Prerequisite: MGT 320 (with a minimum grade of “C”). Advanced study of the human resource function of staffing. Topics include: recruiting, the design and implementation of effective selection procedures which comply with federal/state requirements; analysis and reporting of employee data.

**MGT 450 Management Seminar. (1-3) A.** May be retaken under different sub-topics to a cumulative maximum of nine hours. Selected topics in contemporary management literature.

**MGT 465 Entrepreneurial Leadership (3) A.** Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). Investigation of contemporary issues and trends in entrepreneurship through a leadership lens. Topics include: values-based entrepreneurship, ethics, social responsibility, and the societal impact of entrepreneurship.

**MGT 470 Organization Behavior. (3) I, II.** Prerequisite: MGT 300 or MGT 301 (with a minimum grade of “C” in each prerequisite course). Determinants and consequences of behavior in business organizations are analyzed in the contemporary language of administrative social systems and models. Interdependence of economic, social, and behavioral factors is emphasized.

**MGT 490 Special Problems In Management:...**
MKT—Marketing

Dr. Lana Carnes, Chair

MKT 300 Principles of Marketing. (3) A. Prerequisite: junior standing (at least 60 hours) with an overall GPA of 2.0. Not for students majoring or minoring in business. Overview of strategic processes involved in marketing goods and services to global markets; study of behavioral, organizational, and consumer variables in decision processes; use of the marketing mix and marketing information to affect buyer decisions.

MKT 301 Principles of Marketing (N) (3) A. Prerequisite: junior standing (at least 60 hours) with an overall GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. May be retaken under different sub-topics to a cumulative maximum of six hours. Credit will not be awarded for both MKT 300 and 301.

MKT 306 Services Marketing. (3) A. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Understanding the customer from the services and non-profit marketing perspectives. Marketing of services industries with emphasis on the unique aspects of services marketing, the service marketing mix and the implementation of services strategies.

MKT 309 Integrated Marketing Communications. (3) A. Prerequisite: MKT 300 or MKT 301 (with a grade of “C” or better in each prerequisite course). A course covering the theories, strategies, and skills of Integrated Marketing Communication, with a special emphasis on applying SCM to the Internet and World Wide Web (WWW).

MKT 310 Personal Selling. (3) A. Prerequisite: MKT 300 or MKT 301. Personal selling in marketing; the selling process, stressing the modern, international sales/marketing approach to customer society oriented problem solving.

MKT 312 Principles of Transportation. (3) A. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Personal selling in the strategic selling process, stressing the modern, international sales/marketing approach to customer society oriented problem solving.

MKT 315 Logistics. (3) A. Prerequisite: MKT 300 (with a minimum grade of “C”). Movement and storage of goods, coordination and control of inventory, customer service, packaging, materials handling, facilities location, flow of information, and transportation.

MKT 349 Applied Learning in Marketing. (.5-.8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each course hour. Three hours may be used as an upper division business elective in the Marketing option. Three hours are required in the Music Marketing option. May be repeated for a total of 16 credit hours.

MKT 350 Consumer Behavior in Marketing. (3) I, II. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Role of consumer decision-making as it affects the marketing firm; basic concepts of consumer behavior and interrelationships that exist between marketing and the behavioral sciences.

MKT 370 Sports Marketing. (3) A. Prerequisite: MKT 300 or 301. The strategic application of marketing theories and perspectives to the sports industry. Topics include sports franchise promotion, sports identification, sports for social or credit hour. The role of the athlete and student-athlete in teams and participation sports, and marketing with the assistance of sports figures.

MKT 380 Seminar in Marketing. (3) A. Prerequisite: MKT 300 or MKT 301. May be retaken under different sub-topics to a cumulative maximum of six hours. Selected topics in contemporary marketing literature.

MKT 400 International Marketing. (3) I, II. Prerequisite: MKT 300 (with a minimum grade of “C”). Determination of marketing strategy by United States firms and multinational corporations for serving foreign markets and for adapting to variations in cultural and economic factors affecting foreign marketing efforts. Three hours are required in the curriculum; study of international, and consumer variables in decision processes; use of the marketing mix and marketing information to affect buyer decisions.

MKT 404 Retailing Management. (3) A. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Investigation of current problems facing retail operations in the golf industry to include buying, vendor selection, merchandise planning, pricing, promotion, and display, inventory control, and performance management. Students will be required to complete case studies and a field project.

MKT 408 Sales Management. (3) A. Prerequisite: MKT 310 (with a minimum grade of “C”). Sales function in modern organizations with emphasis on current management techniques: time management, on-the-job coaching, directing the sales force to sell key accounts; situational decision-making.

MKT 420 Marketing for the Arts. (3) A. Prerequisite: MKT 300 or MKT 301. Essentials of marketing and marketing strategies for the arts organizations and individual artists to reach diverse arts audiences.

MKT 431 Strategic Procurement. (3) A. Prerequisite: MKT 300 (with a minimum grade of “C”). The purchasing process as it focuses on supply efficiency and effectiveness relating to the fit between purchasing objectives and strategies and organizational objectives and strategies.

MKT 435 Marketing for Entrepreneurs (3) I. Prerequisite: MKT 300 or 301 (with a minimum grade of “C” in each prerequisite course). Investigation and understanding of the role marketing plays within the entrepreneurial context. Includes discussion and review of tools and approaches for effective planning, implementation, and evaluation of business and marketing strategies and tactics. Topics include: product creation, market research, strategic innovation, opportunity identification, customer communication, branding, and channels of distribution.

MKT 440 Retail Management for PGM (3) I, II. (3) A, B. Prerequisite: MKT 400 (with a minimum grade of “C” in each prerequisite course). The role of research in marketing decision making; the research process, with emphasis on collection, analysis, and interpretation of data as applied to solving marketing problems. Students are required to do a research project.

MKT 450 Qualitative Research in Marketing. (3) A. Prerequisites: MKT 300 or MKT 301 and 455 with a grade of “C” or better in each prerequisite course; junior or senior standing with an overall minimum of 2.5 GPA. Students will learn to design and actively engage in qualitative research projects, collecting and analyzing qualitative data such as interviews, in a marketing context.

MKT 457 Experimental Design for Marketing. I, II. (3) Prerequisite: MKT 455. Students will learn how to design an experimental study, collect and analyze the data in a marketing context, and interpret and present the analyses.

MKT 460 Marketing Management. (3) I, II. Prerequisite: MKT 300 (with a minimum grade of “C”), Marketing Majors with Marketing Concentration and Senior Standing. The strategic marketing planning process involving analysis of the area in place; analysis of alternative strategies to meet the needs of target markets; and the profitable execution of the marketing plan.

MKT 481 Internship in Marketing. (3 or 6) A. Prerequisites: minimum 2.25 GPA, MKT 300, MKT 301, (with a minimum grade of “C” in each prerequisite course), and consent of instructor. Provides student with half-time or full-time relevant work experience in marketing. Written assignment and a project are required. May be taken only once for three (3) or six (6) hours of credit and not concurrently with Cooperative Study.

MKT 490 Special Problems in Marketing: (1-4) A. Prerequisite: advisor/departmental approval. May be taken under different sub-topics to a cumulative maximum of six hours. Independent work, special workshop, social topics, or seminars. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

MLS—Medical Laboratory Science

Dr. Carolyn Harvey, Chair

MLS 201 Introduction to Clinical Pathology. (3) I, II. Formerly MLS 201. Open to all students. Techniques common to clinical laboratories. Stress basic physical and chemical principles of disease process. 3 Lec. Credit will not be awarded for both MLS 201 and MLS 202.

MLS 209 Medical Microbiology. (3) A. Formerly MLS 209. Open to all non-MLS majors. Study of bacteria, fungi, viruses, and parasites as agents of human disease with emphasis on the pathogenesis, epidemiology, and diagnosis of infectious diseases. 3 Lec. Credit will not be awarded for both MLS 209 and MLS 209.

MLS 211 Medical Microbiology Laboratory. (1) I, II. Formerly MLS 211. Open to all non-MLS majors. Prerequisite or Corequisite: MLS 209. Laboratory methods in the diagnosis and management of infectious diseases. 2 Lab. Credit will not be awarded for both MLS 211 and MLS 211.

MLS 290 Medical Biochemistry. (3) A. Formerly MLS 290. Prerequisite: CHE 112, 112L, and BIO 121 or BIO 111. The study of biochemical systems of the body with emphasis on medical consequences when these systems are disrupted. Topics: proteins, carbohydrates, lipids, DNA/RNA and liver functions. 3 Lec. Credit will not be awarded for both MLS 290 and MLS 290.

MLS 300 Clinical Laboratory Administration. (2) I. Formerly MLS 300. Prerequisite: enrollment in upper division MLS program or departmental approval. Lab calculations,
SECTION SEVEN - COURSE DESCRIPTIONS

instrumentation, and quality assurance. 2 Lec. Credit will not be awarded for both MLS 300 and MLS 305.

M.S.L. 308  Clinical Laboratory Skills. (3) I, II.  Formerly MLS 308. Prerequisite: enrollment in upper division MLS program or departmental approval. Skills for clinical laboratory practitioners, including laboratory safety, phlebotomy, microscopy, pipetting, universal precautions, and principles of quality assurance. Credit will not be awarded for both MLS 308 and MLS 305.

M.S.L. 309  Clinical Serology. (2) I.  Formerly MLS 309. Prerequisite: enrollment in upper division MLS program or departmental approval. Principles, procedures, and significance of analysis of urine, spinal fluid, and other fluids commonly examined in the clinical laboratory. 3 Lec/Lab. Credit will not be awarded for both MLS 309 and MLS 305.

M.S.L. 310  Clinical Immunology. (1), (II).  Formerly MLS 310. Prerequisite: enrollment in upper division MLS program or departmental approval. Study of medically important bacteria with emphasis on the clinical laboratory methods of microscopy, cultivation, identification, antimicrobial susceptibility testing, and quality control. Includes study of rickettsiae, mycoplasmas, chlamydiae, and fundamentals of clinical virology. 3 Lec/4 Lab. Credit will not be awarded for both MLS 310 and MLS 350.

M.S.L. 350  Bacteriology and Virology. (5) I.  Formerly MLS 350. Prerequisite: enrollment in the upper division MLS program or departmental approval. Study of medically important bacteria with emphasis on the clinical laboratory methods of microscopy, cultivation, identification, antimicrobial susceptibility testing, and quality control. Includes study of rickettsiae, mycoplasmas, chlamydiae, and fundamentals of clinical virology. 3 Lec/4 Lab. Credit will not be awarded for both MLS 350 and MLS 350.

M.S.L. 355  Mycology and Parasitology. (4) II.  Formerly MLS 355. Prerequisites: enrollment in the upper division MLS program or departmental approval. Study of fungi and parasites as agents of human disease, with emphasis on the clinical laboratory methods of microscopy, in vitro cultivation, identification, and quality control. 3 Lec/1 Lab. Credit will not be awarded for both MLS 355 and MLS 355.

M.S.L. 401  Clinical Correlations. (3) I, A.  Formerly MLS 431. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Diagnostic chemical procedures in an affiliated laboratory. Credit will not be awarded for both MLS 401 and MLS 431.

M.S.L. 402  Clinical Chemistry Practicum. (5) I, II, A.  Formerly MLS 432. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Diagnostic chemical procedures in an affiliated laboratory. Credit will not be awarded for both MLS 402 and MLS 432.

M.S.L. 433  Clinical Microbiology Practicum. (4) I, II.  Formerly MLS 434. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Clinical bacteriology, parasitology, and mycology in an affiliated laboratory. Credit will not be awarded for both MLS 433 and MLS 434.

M.S.L. 436  Lab Management Practicum. (1) I, II.  Formerly MLS 436. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Diagnosis of blood and body fluid procedures in an affiliated laboratory. Credit will not be awarded for both MLS 436 and MLS 436.

M.S.L. 437  Clinical Laboratory Seminar. (3) I, II.  Formerly MLS 437. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Case studies, advanced procedures, and problem solving in the clinical laboratory. Credit will not be awarded for both MLS 437 and MLS 437.

M.S.L. 438  Hematology Practicum. (4) I, A.  Formerly MLS 438. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Principles of managing a medical laboratory presented in an affiliated laboratory. Credit will not be awarded for both MLS 438 and MLS 438.

M.S.L. 439  Urinalysis Practicum. (1) I, II.  Formerly MLS 439. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Diagnostic chemical procedures in an affiliated laboratory. Credit will not be awarded for both MLS 439 and MLS 439.

M.S.L. 440  Blood Bank Practicum. (2), (II).  Formerly MLS 440. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Practical immunology in an affiliated laboratory. Credit will not be awarded for both MLS 440 and MLS 440.

M.S.L. 441  Immunology Practicum. (1) I, II, A.  Formerly MLS 441. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Principles of managing a medical laboratory presented in an affiliated laboratory. Credit will not be awarded for both MLS 441 and MLS 441.

M.S.L. — Military Science and Leadership I.T.C. - Darell Robinson, Chair

MLS 101  Leadership and Personal Development (2) I. Introduces students to the personal challenges and competencies critical for effective leadership. Students learn how the personal development of life skills such as critical thinking, goal setting, time management, stress management, and physical/ mental fitness (resiliency training) relate to leadership, officerhood, and the Army profession. 1 Lec/1 Lab.

MLS 102  Introduction to Tactical Leadership (2) II. Overviews basic leadership fundamentals such as setting direction, problem solving, listening, presenting in briefs, providing feedback and using effective writing skills. Students explore dimensions of leadership attributes and core leader competencies in the context of practical hands-on, and interactive exercises. 1 Lec/1 Lab.

MLS 201  Foundations of Tactical Leadership (2) I. Explores the dimensions of creative and innovative tactical leadership strategies and styles by examining team dynamics and two historical leadership theories that form the basis of the Army leadership framework (trait and behavior theories). Students practice aspects of personal motivation and team building in the context of planning, executing, and assessing team exercises and participating in leadership labs. 2 Lec/1 Lab.

MLS 202  Foundations of Leadership (3) I. The course highlights dimensions of leadership related to individual and team dynamics, terrain analysis, and patrolling. Further study of the theoretical basis of the Army Leadership Requirements Model explores the dynamics of adaptive leadership in the context of military operations. 2.5 Lec/2.5 Lab.

MLS 210  Leadership Summer Only. A comprehensive leader training course which can be taken in lieu of 201 and 202. This course emphasizes an experiential, hands-on approach to leader development. Held at Fort Knox, Kentucky. Students are paid to attend.

MLS 298  Independent Leadership Studies (2-3) A. Prerequisite: departmental approval; may be taken once in lieu of MLS 201 or 202. Students record observed traits in a dimensional leadership journal and discuss observations with instructor. Independent examination of effective leadership, communications, goal setting, decision-making, problem solving, and quality improvement techniques. 2.5 and 3.0 Lec./2.5 Lab.

MLS 301  Adaptive Team Leadership (3) I. Prerequisites: 54 hours, MLS 201 and 202 or MLS 210 or Departmental approval. Challenges Cadets to study, practice, and evaluate adaptive leadership skills as they are prepared with challenging scenarios related to squad tactical operations. Cadets receive systematic and specific feedback on their leadership attributes and actions. Based on such feedback, as well as their own self-evaluations, Cadets continue to develop their leadership and critical thinking abilities. 2.5 Lec/2.5 Lab.

MLS 302  Applied Team Leadership (3) II. Prerequisite: MLS 301 or departmental approval. Uses increasingly intense situational team leadership challenges to build Cadet awareness and skills in leading tactical operations at the small unit level. Cadets review aspects of full spectrum operations. They also conduct military briefings and develop proficiency in the operation orders process. 2.5 Lec/2.5 Lab.

MLS 303 American Military History (3) I. Prerequisites: ENG 102 or ENG 105(B) or HON 102. Examines U.S. Military History from pre-revolutionary times to Global War on Terrorism. Applies the Threads of Continuity model, defines the (9) principles of war; (5) forms of maneuver, analyzes the political-economic-technological-social impacts on the military. Develops leadership through individual/group contribution participation in case studies, classroom presentations, book report, battle analysis, and battlefield staff ride/museum tour. Gen. Ed. E-5A (SBH) — History.

MLS 310 Leadership Development and Assessment Course. (6) Summer Only. Prerequisite: MLS 306. Refines student leadership and teamwork building skills through intensive practical applications; rotating leader/command experience involving problem analysis, decision-making, and troop leading in both garrison and field environments. Held at Fort Lewis, Washington.

MLS 311 Internship in Leadership (3) Summer Only. Pre and Corequisites: MLS 301, MLS 302 and enrolled in MLS 310. Students assigned to leadership positions with active army units for 3-4 weeks. Students are paid and receive a written evaluation of their leadership performance and potential and must complete an after action report upon returning. May only be taken once.

MLS 401  Adaptive Leadership (3) I. Prerequisite: MLS 302 or departmental approval. Transitions the focus of learning from being trained, mentored and evaluated, to learning how to train, mentor and evaluate underclass Cadets. Cadets will learn the duties and responsibilities of an Army staff officer and apply the Military Decision Making Process (MDMP), Writing Style and the Army’s Training Management and METL Development processes during weekly Training Meetings to plan, execute and assess battalion training events. Cadets will learn how to conduct this training by understanding and employing the Risk Management Process. Cadets will learn how to use the Comprehensive Soldier Fitness program to reduce and manage stress. .5 Lec/2,5 Lab.
Corequisite:
Prerequisite:
Prepares non
music in Western Civilization from Gregorian plainchant
MUE—Music Education
MUH—Music Education
MUH 171 Music Appreciation. (3) I, II.
MUH 171 Teaching Music in Grades
MUH 171 Music Appreciation. (3) I, II.
MUH 146a Flute I. (1-2) II. Corequisite:
MUH 146d Saxophone I. (1-2) II. Corequisite:
MUH 145 d Trombone I. (1-2) II. Corequisite:
MUH 145c Euphonium I. (1-2) II. Corequisite:
MUH 145b French Horn I. (1-2) I, II.
MUH 145a Piano I. (1-2) I. Corequisite:
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.

MUH 145b French Horn I. (1-2) I, II.
MUH 145b French Horn I. (1-2) I, II.
MUS 132b. Corequisite: MUS 235 or 236; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of four hours.

MUS 232c "Cello II. (1-2) I, II. Prerequisite: MUS 132c. Corequisite: MUS 235 or 236; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of four hours.

MUS 232d String Bass II. (1-2) I, II. Prerequisite: MUS 132d. Corequisite: MUS 235 or 236 or 255a or 255b or 235 or 256; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of four hours.

MUS 242 Organ II. (1-2) I, II. Prerequisite: MUS 142; Corequisite: MUS 225 or MUS 226; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of four hours.

MUS 245a Cornet and Trumpet II. (1-2) I, II. Prerequisite: MUS 230 and completion of the sophomore comprehensive in music. Corequisite: MUS 251A or MUS 251B. Fingering, care of trumpet, tone production, and tuning. Group instruction to prepare for teaching trumpet in band or orchestra. Examination of trumpet materials suitable for beginning instrumental programs.

MUS 250 and 256 or 455a or 455b or 435; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of four hours.

MUS 255a or MUS 251B. Fingering, care of trumpet, tone production, and tuning. Group instruction to prepare for teaching trumpet in band or orchestra. Examination of trumpet materials suitable for beginning instrumental programs.

MUS 255a Horn Methods. (5) I, II. Prerequisite: MUS 250 and 255a or 255b or 235 or 256; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of four hours.

MUS 250 and 255a or 255b or 235 or 256; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of four hours.

MUS 255a Tuba/baritone Methods. (5) I, II. Prerequisite: MUS 250 and 255a or 255b or 235 or 256; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of four hours.

MUS 255a Tuba/baritone Methods. (5) I, II. Prerequisite: MUS 250 and 255a or 255b or 235 or 256; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of four hours.
May not be taken

Prerequisite: MUS 247 and completion of the sophomore comprehensive in music. Corequisite: MUS 253 and 455a or 455b or 455c or 455d or 256; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of eight hours.

MUS 312 Violin IV. (1-4) I, II. Prerequisite: MUS 322. Corequisite: MUS 425 or 426; course open to music majors only. One or two lessons per week. May be retaken to a maximum of eight hours.

May be retaken to a maximum of eight hours.

MUS 322 Violin IV. (1-4) I, II. Prerequisite: MUS 322. Corequisite: MUS 425 or 426; course open to music majors only. One or two lessons per week. May be retaken to a maximum of eight hours.

MUS 422 Voice IV. (1-4) I, II. Prerequisite: MUS 322. Corequisite: MUS 435 or 436; course open to music majors only. One or two lessons per week. May be retaken to a maximum of eight hours.

MUS 432d String Bass IV. (1-4) I, II. Prerequisite: MUS 332d. Corequisite: MUS 435 or 436 or 455a; course open to music majors only. One or two lessons per week. Instruction available in string bass.

May be retaken to a maximum of eight hours.

MUS 432f Guitar IV. (1-4) I, II. Prerequisite: MUS 332f. Corequisite: MUS 457; course open to music majors only. One or two lessons per week. Instruction available in guitar. May be retaken to a maximum of eight hours.

MUS 445a French Horn IV. (1-4) I, II. Prerequisite: MUS 345a. Corequisite: MUS 250 and 256 or 455a or 455b or 455c; course open to music majors only. One or two lessons per week. Instruction available in French horn. May be retaken to a maximum of eight hours.

Prerequisite: Admission to Teacher Education. Snare drumming, rudiments, teaching techniques. Experiences on all related percussion instruments: bass drum, timpani, and others. Some experiences with mallet instruments; marimba, xylophone, bells, and others.

MUS 346c Clarinet IV. (1-4) I, II. Prerequisite: MUS 345d. Corequisite: MUS 250 and 256 or 455a or 455b or 455c; course open to music majors only. One or two lessons per week. Instruction available in clarinet. May be retaken to a maximum of eight hours.

Prerequisite: Admission to Teacher Education. May be retaken to a maximum of eight hours.
MUS 255A Symphonic Band. (0-1) I, II. Prerequisite: MUS 255A. By audition only. Rehearsal and performance of standard band literature. May be taken. Departmental approval required for credit section.

MUS 455A Symphonic Band. (0-1) I, II. Prerequisite: MUS 255A. By audition only. Rehearsal and performance of standard band literature. May be taken. Departmental approval required for credit section.

MUS 257 Guitar Ensemble. (1) I, II. Prerequisite: MUS 257. Course open to guitar majors only. Must have experience reading music and performance skills on the instrument. May be taken. Corequisite: MUS 181. Credit does not count toward a music major or minor.

MUS 102 Introduction to the Fundamentals of Music. (3) II. Required by students whose musical experience and preparation, as indicated by the Theory Placement Interview, are deemed insufficient to complete MUS 181. Credit does not count toward a music major or minor.

MUS 161 Musicianship I (1) I, II. Corequisite MUS 181. Skills and strategies for the perception, identification and performance of the basic materials of music.

MUS 162 Musicianship II (1) I, II. Prerequisite: MUS 161 with a minimum grade of “C”. Corequisite MUS 182. Continuing study of skills and strategies for the perception, identification and performance of the basic materials of music.

MUS 181 Beginning Theory I. (3) I, II. Corequisite: MUS 181 with a minimum grade of “C”. Perception and understanding of music through an integrated study of relatively simple, short structures from the late Baroque to the early Romantic periods.

MUS 182 Beginning Theory II. (3) I, II. Prerequisite: MUS 181 with a minimum grade of “C”. Corequisite: MUS 162. Continuation of MUS 181.

MUS 190 Introduction to Music Industry I. (2) II. An overview to the music industry. Includes industry perspectives in music business and trade associations, basics of music merchandising such as music product, sales, instruments and equipment.

MUS 191 Introduction to Music Industry II. (2) I. Prerequisite: MUS 190 or departmental approval. Continuation of MUS 190 on the business of the music industry including record production and companies, recording studios and engineers, commercial radio and records, and radio business.

MUS 201 Survey of the Recording Industry I. (2) I, II. Prerequisite: MUS 191. Understanding of the origins of recording technology, the development of production techniques, and the social / musical / cultural influences that helped shape these changes.

MUS 202 Survey of the Recording Industry II. (2) II. Prerequisite: MUS 201. For voice, education, and choral conducting students. Enunciation and projection; accurate pronunciation in English, Italian and Ecclesiastical Latin. Phonetics and the International Phonetic Alphabet.

MUS 220 Diction for Singers II. (1) I, II. Prerequisite: MUS 220. For voice students. Enunciation and projection; accurate pronunciation of German and French poetry and poetry in song. Using the International Phonetic Alphabet.

MUS 261 Musicianship III (1) I, II. Prerequisite: MUS 162(C), corequisite MUS 281. Skills and strategies for the perception, identification and performance of the basic materials of music. Further study of more difficult, harmonic, melodic and rhythmic materials from the Baroque and Classic periods.

MUS 281 Intermediate Theory III. (3) I. Prerequisite: minimum grade of “C” in MUS 182. Corequisite: MUS 261. Continuation of MUS 182. Integrated skills further developed through the study of more difficult, longer structures from the Baroque and Classic periods.

MUS 282 Intermediate Theory IV. (3) II. Prerequisite: MUS 281. Corequisite: MUS 262. Continuation of MUS 281. Integrated skills further developed through the study of more difficult structures from the Romantic and Modern periods.

MUS 283 Beginning Composition. (1) A. Prerequisite: instructor approval. Guidance in the exploration and development of compositional techniques relevant to the student’s stylistic direction. Correct notation and major stylistic approaches. May be taken to a maximum of four hours provided the subject matter is different each time.

MUS 285 Jazz Improvisation. (3) I, II. Prerequisite: MUS 182 or instructor approval. Develop skills for improvising in contemporary jazz idioms.

MUS 290 Film Scoring. (2) II. Prerequisite: MUS 191 or instructor approval. This course gives students important and practical knowledge, tools, and approaches to writing music in the profession. Will also cover topics in MIDI, sequencing, Finale, Sibelius, and hard disk recording applications.

MUS 292 Fundamentals in Audio Production (2) I, II. Prerequisite: MUS 192. Understanding of the physics of sound, fundamentals of sound design, microphone usage, and digital audio recording technology.

MUS 349 Applied Learning in Music. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

MUS 360 Music Fundamentals for the Elementary Teacher. (1) I. Prerequisite: MUS 191. An overview for elementary education majors who have been admitted to the Teacher Education Program. Provides the grade teacher with sufficient knowledge and skills to teach music in the classroom. Notation, rhythmic participation, rhythm and melody instruments, creative activities, and listening experiences.

MUS 366 Fundamentals of Conducting. (1) I. Prerequisite: junior standing in music or instructor approval. Basic techniques of conducting.

MUS 367 Instrumental Conducting. (2) II. Prerequisite: MUS 366. Instrumental conducting techniques and their application in rehearsal and performance.

MUS 383 Orchestration. (3) I, II. Prerequisite: Music majors only, MUS 182 and junior standing. Survey of ranges, timbres, and characteristics of orchestra and band instruments. Scoring for wind ensemble and full orchestra.

MUS 384 Computer Skills for Musicians. (2) I, II. Prerequisite: MUS 182 and junior standing in Music. This course will provide a systematic investigation of technologies and software relevant to the field of music.

MUS 390 Survey of the Music Industry I. (3) I. Prerequisite: MUS 191. Examination of the music industry including marketing and promotion, advertising, record production and companies, commercial radio and records, and radio business. A project reflecting course study is required.

MUS 391 Survey of the Music Industry II. (3) II. Prerequisite: MUS 390 or instructor approval. Continuation of MUS 390. Examination of the music industry including royalties, artist management, performing rights, trade journals, and industry relations and problems. A project reflecting course study is required.

MUS 480 Form and Analysis. (3) I, II. Prerequisites: MUS 281 and junior standing in music. In-depth study of the materials of forms from the motive through large structures.

MUS 481 Tonal Counterpoint. (3) A. Prerequisite: MUS 281 or equivalent. A study of contrapuntal music from the 18th century, including analysis of representative literature and stylistic composition assignments.

MUS 482 20th Century Music Analysis. (2) A. Prerequisite: Junior standing. Corequisites and/or prerequisites: MUS 282 and MUS 283. An overview of the compositional devices relevant to twentieth-century music, and a study of specific representative literature of significant twentieth-century composers.

MUS 483 Composition. (2) A. Prerequisite:
MUS 282 and 283; or departmental approval. Individual guidance in the exploration and development of composition techniques relevant to the student’s stylistic direction. May be retaken to a maximum of eight hours, provided the subject matter is different.

MUS 510 Special Topics in Music: (1-3) A. Prerequisite: MUS 480 or equivalent or departmental approval. Advanced topics in music. May be retaken to a maximum of six hours, provided the topics are different. Credit will not be awarded for both MUS 510 and 510S.

MUS 510S Special Topics in Music: (1-3) A. Prerequisite: MUS 480 or departmental approval. Advanced topics in music that incorporates a service learning component. May be retaken to a maximum of six hours, provided the topics are different. Credit will not be awarded for both MUS 510 and 510S.

MUS 520 Advanced Diction for Singers. (1, I, II) Prerequisite: MUS 220. For voice and choral conducting students. Enunciation and projection; accurate pronunciation in German and French. Phonetic and the International Phonetic Alphabet.

MUS 550 Teaching Techniques. (1-2) A. Prerequisite: MUS 399 and music majors only. Analysis of current teaching methods and materials with the intention of developing sound teaching procedures. May be used as a laboratory band rehearsal. Topics in woodwinds, brass, percussion, strings, voice, piano, and organ. May be retaken to a maximum of two hours.

MUS 551 Performance Literature. (1-2) A. Prerequisite: MUS 399 and music majors only. Literature for performing ensembles. May be used as a laboratory band rehearsal. Topics in woodwinds, brass, percussion, strings, voice, piano, and organ. May be retaken to a maximum of two hours.

MUS 555 Symphonic Music Literature. (2) A. Prerequisite: MUS 372 and music majors only. Designed to acquaint the student with European origins of the modern band; history of band music; and literature for the contemporary band.

MUS 556 Choral Music Literature. (3) A. Prerequisite: MUS 371 and 372 and music majors only. Evolution of the symphony from its beginning to the 20th century with emphasis on score reading and listening.

MUS 557 Advanced Choral Conducting. (2-3) A. Prerequisite: MUS 368 or equivalent. Development of skills in score reading, preparation, interpretation, and conducting of representative choral works. May be repeated to a maximum of four hours.

MUS 564 Advanced Instrumental Conducting. (2) A. Prerequisite: MUS 367 or equivalent. Development of skills in score reading, preparation, interpretation, and conducting of representative choral works.

MUS 586 Workshop in Instrumental Music. (1-4) A. Topics in band or orchestra procedures. May be retaken to a maximum of four hours.

MUS 588 Pedagogy of Theory. (2) A. Prerequisite: MUS 399 and music majors only. Comparative study of theory systems with emphasis on presentation and illustrative exercises dealing with related theoretical problems.

MUS 589 Workshop in Choral Music. (1-4) A. Techniques, literature, and materials pertinent to a particular area of preparation and performance of choral music. Topics to be announced. May be retaken to a maximum of four hours.

NAT — Natural Science

TBA Chain

NAT 380W Science and Society. (3) I, II. Prerequisite: ENG 102, or ENG 105 (B), or HON 102. A writing-intensive course examining the many intersections of science and society. Topics will be chosen to help students understand and develop their own views on the role(s) of science in contemporary society. May be retaken to a maximum of 24 semester hours of NET coursework completed. A project and research oriented course which serves as a capstone experience at the Associate Degree level. Design, implementation, analysis, and troubleshooting of electronic and computer technology related systems, and managing a technical project.

NET 403 Advanced LANs and PC Communication. (3) A. Prerequisite: NET 303 or CIS 375. This course will cover in-depth configuration, troubleshooting and maintaining common server platforms. The participants will be given the opportunity to setup and manage network hardware, operating systems and applications. 2 Lec/2 Lab.

NET 440 Fiber-optics & Communications. (3) A. Prerequisite: EET 257, MAT 120 or higher, and PHY 101. Principles of communication over fiber and other wired/wireless media; digital and analog data transmission; modulation and multiplexing of data. Communication system components, safety, testing and troubleshooting of fiber-optic and communication systems. 2 Lec/2 Lab.

NET 454 Wireless/WAN Security. (3) A. Prerequisites: (NET 303 or CIS 375) and NET 354 Security considerations in wireless and WANs. Wi-Fi, 802.11x, WPA, RADIUS, encryption, VPs, VLANs, AAA authentication, Network Security Appliances, and security protocols. 2 Lec/2 Lab.

NET 467 Exit Exam for BS in NET (0) A. Prerequisite: Consent of Advisor. Registration in NET 467 is required of all undergraduate B.S. (NET) students for the term in which they wish to take their comprehensive examination, including the exit exam and advisor approved certification or license.

NET 499 Senior Capstone. (3 II) A. Prerequisite: departmental approval and senior (90 hours or more) standing. A project and research oriented course which serves as a capstone experience at the Bachelor Degree level. Design, implementation, analysis, and troubleshooting of networking, computers and electronics technology related systems, and managing a technical project.

NFA — Nutrition, Foods, and Food Administration

Dr. Dana Bush, Chair

NFA 121 Introduction to Food Composition and Preparation. (3) I, II. A beginning food science course which deals with composition and the relationship of scientific principles and processes to food preparation. Lecture and laboratory experiences.

NFA 201 Essentials of Nutrition. (3) I, II. A scientific study of the essential nutrients and their application in meeting nutritional needs of all ages. Consideration is given to food selection, nutrition misinformation, obesity, and other common dietary problems.

NFA 302 Introduction to Dietetics. (3) I. A professional orientation course describing the roles of the practitioner in administrative, clinical, and community dietetics, along with relationships to other health professionals.

NFA 301 Bio Nutrition. (3) A. Prerequisites: CHE 102 or 112/112L; and NFA 201. Structures and chemical properties of CHO, PRO, fat and nucleic acids, vitamins, coenzymes, minerals, and water related to metabolic processes.

NFA 303 Nutrition Education and Counseling. (3) A. Pre-requisite: NFA 201. Discussion, practice, and application of nutrition-related education and counseling strategies and health behavior theories to develop communication and counseling skills for work with families, groups, and communities.

NFA 310 Junior Seminar (2) I. Prerequisite: Admission to General Dietetics Program. Preparation and planning for transition to internship, graduate school or professional work. Emphasis on professional roles and responsibilities, and ethical practice in dietetics.

NFA 317 Nutrition in the Life Cycle. (3) I, II. Study of dietary needs adapted to periods of the life cycle.

2015-2016 EKU UNDERGRADUATE CATALOG 337
NFA 321 Meal Management, (3) A. Prerequisites: NFA 121 and 201. Food management, planning, preparation and service of meals through management of time, energy, money, and efficient use of equipment. Consideration is given to nutritional needs, food habits, and social customs of family groups.

NFA 323 Experimental Foods, (3) A. Prerequisites: CHE 102 or equivalent. Advanced food science course concerning the study of the reactions and interactions of food components in complex food systems during preparation, processing, and storage. Emphasis on cooking procedures and laboratory experiences.

NFA 325 Quantity Food Production, (3) I. Prerequisite: NFA 121. Corequisite: NFA 326. Study of populations. Field experience in community programs.

NFA 326 Field Experiences in Quantity Food Production, (3) I. Corequisite: NFA 325. Supervised field experience in the technical application of theory presented in NFA 325.

NFA 344 Institutional Purchasing, (3) II. Prerequisites: NFA 325 and 326 or departmental approval. Principles and methods of purchasing foods and equipment for various types of quantity food service. Emphasis on specifications and factors affecting quality; food cost control. Field trips included.

NFA 349 Applied Learning in Nutrition, Foods, and Food Administration, (5-8) A. Prerequisite: instructor approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer.

NFA 401 Human Nutrition, (3) I. Prerequisites: NFA 301 and BIO 301. Study of the functions, requirements, and interrelations of essential and nonessential micronutrients in normal nutrition and wellness; integration and regulation of energy metabolism and balance.

NFA 403 Medical Nutrition Therapy II, (3) II. Prerequisite: NFA 402. Integration of nutrition therapy, pathophysiology, and biochemical alterations for assessment and management of trauma, diabetes, cancer; and cardiovascular, renal, hepatic, and pulmonary disorders.

NFA 404 Human Nutrition II, (3) II. Prerequisite: NFA 401. Study of the functions, requirements, and interrelations of essential and nonessential micronutrients in normal nutrition and wellness.

NFA 411 Community Nutrition, (3) A. Prerequisite: NFA 201 and 317. Survey of services, legislation, assessment, other relevant activities, and the role of nutritionists in various community settings. Development of educational resources for different populations. Field experience in community programs and settings to include individual and family nutrition counseling.

NFA 412 Research Applications in Nutrition, (3) I. Prerequisite: admission to General Dietetics Program; or departmental approval. Evaluation, interpretation, and application of professional and research literature in nutrition/dietetics. Emphasis on making ethical, evidence-based practice decisions.

NFA 415 Seminar in the Dietetics Profession, (1-3) A. Prerequisites: NFA 401 and departmental approval. Current concepts and trends in dietetics and review of recent research. Topics include, but are not limited to, professional ethics, marketing, quality assurance, and dietitian reimbursement.

NFA 416 Special Problems in Nutrition, (1-3) A. Prerequisites: NFA 401 and departmental approval. The student chooses a problem and works under the supervision of an instructor. May be retaken to a maximum of six credits. Some topics vary. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

NFA 445 Food Service Organization and Management, (3) A. Prerequisites: NFA 325, 326. Administrative functions within a food service system. Emphasis in top management responsibilities: financial and time management, quality assurance, legislation, labor unions, merchandising, networking, and human resource management.

NFA 449 Onsite Foodservice Management. (3) II. Prerequisite: Junior standing. A study of the benefits and characteristics of successful onsite food and beverage enterprises.

NFA 500 Nutrition Concepts and Issues, (3) A. Fundamental principles of human nutrition and their application in meeting nutritional needs of all ages. Not open to dietetic or food service administration majors.

NFA 505 Maternal and Infant Nutrition, (3) A. Prerequisite: NFA 317 or equivalent. Nutritional requirements prior to and during pregnancy, lactation, and infancy. Survey the effects of dietary toxicants, deficiencies and excesses of nutrients. Field experience.

NFA 507 Child and Adolescent Nutrition, (3) A. Prerequisite: NFA 201. Nutritional needs, problems, dietary habits, and motivations of the toddler through adolescent years.

NFA 509 Nutrition and Aging, (3) A. Prerequisite: NFA 201. The theories of causes of aging; nutritional requirements, dietary intake and effects of nutrition on the rate of biological aging. Field experience.

NFS 491 Seminar in the Dietetics Profession. (3) I. Prerequisite: NFS 391 or equivalent. Open to dietetic or food service administration majors. Up to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

NFS 349 A-N Cooperative Study: Nutrition, Foods, and Food Administration, (5-8) A. Prerequisite: instructor approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight; associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

NFS 401 Human Nutrition, (3) I. Prerequisites: NFS 301 and BIO 301. Study of the functions, requirements, and interrelations of essential and non-essential micronutrients in normal nutrition; integration and regulation of energy metabolism and balance.

NFS 403 Medical Nutrition Therapy II, (3) II. Prerequisite: NFS 402. Integration of nutrition therapy, pathophysiology, and biochemical alterations for assessment and management of trauma, diabetes, cancer; and cardiovascular, renal, hepatic, and pulmonary disorders.

NFS 404 Human Nutrition II, (3) II. Prerequisite: NFS 401. Study of the functions, requirements, and interrelations of essential and non-essential micronutrients in normal nutrition and wellness.

NFS 411 Community Nutrition, (3) A. Prerequisite: NFS 201 and 317. Survey of services, legislation, assessment, other relevant activities, and the role of nutritionists in various community settings. Development of educational resources for different populations. Field experience in community programs and settings to include individual and family nutrition counseling.

NFS 412 Research Applications in Nutrition, (3) I. Prerequisite: admission to General Dietetics Program; or departmental approval. Evaluation, interpretation, and application of professional and research literature in nutrition/dietetics. Emphasis on making ethical, evidence-based practice decisions.

NFS 415 Seminar in the Dietetics Profession, (1-3) A. Prerequisites: NFS 401 and departmental approval. Current concepts and trends in dietetics and review of recent research. Topics include, but are not limited to, professional ethics, marketing, quality assurance, and dietitian reimbursement.

NFS 416 Special Problems in Nutrition, (1-3) A. Prerequisites: NFS 401 and departmental approval. The student chooses a problem and works under the supervision of an instructor. May be retaken to a maximum of six credits. Some topics vary. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

NFS 445 Food Service Organization and Management, (3) A. Prerequisites: NFS 325, 326. Administrative functions within a food service system. Emphasis in top management responsibilities: financial and time management, quality assurance, legislation, labor unions, merchandising, networking, and human resource management.

NFS 449 Onsite Foodservice Management, (3) II. Prerequisite: Junior standing. A study of the benefits and characteristics of successful onsite food and beverage enterprises.

NFS 500 Nutrition Concepts and Issues, (3) A. Fundamental principles of human nutrition and their application in meeting nutritional needs of all ages. Not open to dietetic or food service administration majors.

NFS 505 Maternal and Infant Nutrition, (3) A. Prerequisite: NFS 317 or equivalent. Nutritional requirements prior to and during pregnancy, lactation, and infancy. Survey the effects of dietary toxicants, deficiencies and excesses of nutrients. Field experience.

NFS 507 Child and Adolescent Nutrition, (3) A. Prerequisite: NFS 201. Nutritional needs, problems, dietary habits, and motivations of the toddler through adolescent years.

NFS 509 Nutrition and Aging, (3) A. Prerequisite: NFS 201. The theories of causes of aging; nutritional requirements, dietary intake and effects of nutrition on the rate of biological aging. Field experience.

NFS 553 Internship in Nutritional Therapy, (2) I, II. Prerequisite: NFS 549 or equivalent. Field experience.
Section Seven - Course Descriptions

A minimum grade of "C"; NSC 232L with a minimum grade of "S" and admission to the BSN Program.
Corequisites: NSC 332L, 332, 350 and 380. Students repeating NSC 380C must also enroll in NSC 380 and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for selected adult health issues.

NSC 383 Perspectives in Professional Nursing I. (3) A. Prerequisites: RN status and admission to the RN-BSN option. Transition to the professional nursing role for the RN student emphasizing foundational concepts of professional nursing practice.

NSC 385 Perspectives in Professional Nursing III. (4) Prerequisite: NSC 381, NSC 383. Advanced concepts and skills for professional nursing practice.

NSC 386 Adult Health Nursing II. (7) I, II. A. Prerequisites: NSC 332, 350 and 380 all with a minimum grade of "C"; NSC 332L and 380C with a minimum grade of "S". Corequisite: NSC 380C and 386C. Students repeating NSC 386C must also enroll in NSC 386 and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for selected adult health issues.

NSC 386C Adult Health Nursing II (3), II. A. Prerequisites: NSC 332, 350 and 380, all with a minimum grade of "C"; NSC 380C and 332L with a minimum grade of "S". Admission to the BSN Program. Corequisite: NSC 380C and 386C. Students repeating NSC 386C must also enroll in NSC 386 and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for selected adult health issues.

NUR 201 Nursing Research. (2, 1) I, II. A. Prerequisites: STA 215 or 270 with a grade of "C" or better. Uses the research process to guide nursing practice in the delivery of quality, cost effective health care. Credit will not be awarded for both NUR 390 and 390W.

NUR 392 Mental Health Nursing. (3) I, II. A. Prerequisites: NSC 330 and 386 each with a grade of "C"; NSC 386 with a minimum grade of S. Corequisite: NSC 380C. Students repeating NSC 386C must also enroll in NSC 386C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses the nursing process to develop practice solutions for clients throughout the life cycle with selected mental health issues.

NUR 392C Mental Health Nursing Clinical (2) I, II. A. Prerequisites: NSC 330 and 386, each with a minimum grade of "C"; NSC 386C with a minimum grade of "S". Corequisite: NSC 392. Students repeating NSC 392C must also enroll in NSC 392C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses the nursing process to develop practice solutions for clients throughout the life cycle with selected mental health issues.

NUR 396 Family Health Nursing. (5) I, II. A. Prerequisites: NSC 330 and 386 each with a minimum grade of "C"; NSC 386 with a minimum grade of S. Corequisite: NSC 396C. Students repeating NSC 396C must also enroll in NSC 396C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses the nursing process to develop practice solutions for families during childhood and child rearing experience.

NUR 396C Family Health Nursing (2) I, II. A. Prerequisites: NSC 330 and 386, each with a minimum grade of "C"; NSC 386C with a minimum grade of "S". Corequisite: NSC 396. Students repeating NSC 396C must also enroll in NSC 396C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses the nursing process to develop practice solutions for families during childhood and child rearing experience.

NUR 440 Leadership and Management. (3) A. Prerequisites: RN status and admission to the RN-BSN option. An overview of leadership and management theory in health care explores the leadership role of nursing. Strategies for facing challenges, promoting cost-effective health care, and promoting leadership success in the dynamic health care system.

NUR 442 Professional Role Transitions. (2) A. Prerequisites: RN status and admission to the RN-BSN option. Role development seminar for RNs. Critical analysis of trends which shape professional nursing practice. Analysis of strategies for instituting change in various health care delivery systems.

NUR 480 Health Care Leadership. (3) I, II. A. Prerequisites: RN status and admission to the BSN Program. Corequisites: NSC 384C and 396C with a minimum grade of "S". Admission to the RN-BSN option.

NUR 484C Adult Health III Clinical (2.5) I, II. A. Prerequisites: NSC 390W, 392, and 396, all with a grade of "A". Corequisite: NSC 384C. Students repeating NSC 384C must also enroll in NSC 384C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for selected adult health issues.

NUR 484C Adult Health III Clinical (2.5) I, II. A. Prerequisites: NSC 390W, 392, and 396, all with a minimum grade of "C"; NSC 392C and 396C with a minimum grade of "S". Corequisite: NSC 484. Students repeating NSC 484 must also enroll in NSC 484C and the most recent grade in these two corequisites will be applied toward student’s GPA. Uses nursing process to develop practice solutions for selected adult health issues.

NUR 485RN Professional Role Transitions. (2) A. Prerequisites: RN status and admission to the RN-BSN option. Role development seminar for RNs. Critical analysis of trends which shape professional nursing practice. Analysis of strategies for instituting change in various health care delivery systems.

NUR 487C Professional Role Transitions. (2) A. Prerequisites: RN status and admission to the BSN Program. Corequisite: NSC 487C. An overview of leadership and management theory within nursing including legal, ethical and professional concepts. Prepares students to assume leadership in dynamic health care systems.

NUR 491 Early Child Health Care. (3) A. Prerequisite: education major or instructor approval. Focuses on the development of competencies necessary for health management of young children (ages birth through five years) with special health care needs. Approaches life from a non-health care professional's perspective in the community or classroom.

NUR—Nursing (Associate)

Beth Gamble, Chair

NUR 114 Nursing Concepts I (5), II, II. Prerequisite: Admission to the Associate Degree Nursing Program. Corequisite: NUR 114C. Provides fundamental theoretical nursing concepts. Student learning outcomes are human flourishing, nursing judgment, professional identity, and spirit of inquiry.

NUR 114C Nursing Concepts Application I (3). I, II. Prerequisite: Admission to the Associate Degree Nursing Program. Corequisite: NUR 114. This course provides application of fundamental nursing concepts in the laboratory and clinical settings.

NUR 124 Nursing Concepts II - Med-Surg. (3) I, II. Prerequisites: NUR 114, 114C, HSO 100, ENG 101, NFA 201, B101 171, all with a grade of "C" or better. Corequisite: NUR 124. Builds upon previously learned concepts and skills. Provides theories and concepts for applying the nursing process while caring for patients experiencing selected health issues.

NUR 124C Nursing Concepts Application II (2) I, II. Prerequisite: NUR 114 & 114C, HSO 100, BIO 171, NFA 201, ENG 101, all with a grade of "C" or better. Corequisite: NUR 124. This course provides application of nursing concepts in the clinical setting while caring for patients experiencing selected health issues.

NUR 126 Perinatal Nursing Concepts (2) I, II. Prerequisites: NUR 114, 114C, HSO 100, BIO 171, NFA 201, ENG 101, all with a grade of "C" or better. Corequisite: NUR 126. This course provides application of nursing concepts in the clinical setting while caring for patients experiencing selected health issues.

NUR 126C Perinatal Nursing Concepts II - Perinatal (1) I, II. Prerequisites: NUR 114, 114C, HSO 100, BIO 171, NFA 201, ENG 101, all with a grade of "C" or better. Corequisite: NUR 126. Application of the nursing process when caring for families during the childbearing experience.
NUR 200 Dosage Calculation for Nursing. (1) A. Develops competency in dosage calculation and provides progression in application for nonparenteral to parenteral medications.

NUR 201 Dosage Calculation for Nursing II. (1) I, II. Prerequisite: NUR 17 (6) or NUR 200 (C or better). Develops competency in dosage calculation of intravenous therapies. Emphasis on IV medication on titration calculations including pediatric, obstetric, and clinical care dosage.

NUR 215 Clinical Techniques in Nursing. (1-6) A. Prerequisites: NUR 120, 121, 122, and 123 or 124 & 126 or equivalent with a grade of “C” or better. Supervised practice in departmental approved agency. The number of hours will depend on the range and depth of activity allowed. May be retaken to a maximum of 6 hours.

NUR 217 Strategies for Success in Nursing. (1, 2) I, II. Prerequisite: Readmission to the ADN program. Explores strategies to develop habits which promote success. Required for students readmitted to the ADN program after being unsuccessful in an NUR core course.

NUR 232 Nursing Concepts III-Med.Surg. (5, 5) I, II. Prerequisites: NUR 124, 124C, 126, 126C; ENG 102, BIO 301, SOC 131, all with a grade of “C” or better. Corequisites: NUR 232. Provides theoretical concepts and strategies to help the student in caring for adult and pediatric patients experiencing selected complex health issues.

NUR 232C Nursing Concepts Application III (3) I, II. Prerequisite: NUR 124, 124C, 126, 126C; ENG 102; BIO 301; SOC 131, all with a grade of “C” or better. Corequisite: NUR 232. This course provides application of nursing concepts in the clinical setting when caring for adult and pediatric patients experiencing selected complex health issues.

NUR 234 Mental Health Concepts (2) I, II. Prerequisites: NUR 124, 124C, 126, 126C; ENG 102; BIO 301; SOC 131, all with a grade of “C” or better. Corequisites: NUR 234. This course provides application of nursing concepts in the clinical setting when caring for patients with a focus on psychosocial mental health.

NUR 234C Mental Health Application (1) I, II. Prerequisites: NUR 124, 124C, 126, 126C; ENG 102, BIO 301, SOC 131, all with a grade of “C” or better. Corequisites: NUR 234. This course provides application of nursing concepts in the clinical setting when caring for patients with a focus on psychosocial mental health.

NUR 241C Clinical Nursing Synthesis. (4) I, II. Prerequisite: NUR 232, 234, and BIO 273 or MLS 209/211, all with a minimum grade of “C”. NUR 232C and 234C with a minimum grade of “S”. Corequisite: NUR 240, and NUR 255. Clinical immersion synthesizing nursing judgment in caring for groups of patients experiencing complex health issues. Must be taken during the last semester of the ADN program.

NUR 247 Holism, Health, and Success. (1) I, II. Prerequisite: CNS nursing student. Principles and theories from holistic nursing, education, and psychology are explored and applied to the creation of academic success. Health and the attainment of personal life goals.

NUR 250 Introduction to Gerontology. (3) I, II. An interdisciplinary approach to the study of aging that presents a balanced view of both normal and problem aspects of aging. Prerequisite: NUR 255 Trends and Issues in Nursing. (2, 3) I, II. Prerequisites: NUR 232 and 234 with a minimum grade of “C”.; NUR 232C and 234C with a minimum grade of “S”. Corequisite: NUR 241C. Focuses on current research in the area of aging. Ethical, legal, and professional responsibilities and career opportunities are examined.

NUR 265 Independent Study. (1-6) I, II. A. Directed study on an issue or area of interest to nursing. May be retaken to a maximum of six hours credit.

NUR 300 Individual Clinical Enrichment. (1-6) A. Prerequisite: departmental approval. Integrates theory and practice through collaborative partnerships to enhance clinical nursing competencies.

NUR 305 Horticulture. Chair: Dr. John Settini. Honors.

NUR 306 Agricultural Technology. (2) I, II. Prerequisite: NUR 124, 124C, 126, 126C; ENG 102; BIO 301; SOC 131, all with a grade of “C” or better. Corequisites: NUR 232. Provides theoretical concepts and strategies to help the student in caring for adult and pediatric patients experiencing selected complex health issues.

NUR 307A Environment. (4) I, II. Prerequisite: NUR 124, 124C, 126, 126C; ENG 102; BIO 301; SOC 131, all with a grade of “C” or better. Corequisites: NUR 232. This course provides application of nursing concepts in the clinical setting when caring for patients with a focus on psychosocial mental health.
Section Seven - Course Descriptions

Explore the themes of occupation, professional identity, reasoning, communication and diversity in professional responsibilities.

OFS 205 Horse and Human Co-Occupation: (3) A. Provides information regarding the equine industry in connection with human health and wellness. Areas of focus include career directions, understanding horse-human co-occupations and equine movement in concert with human interaction.

OFS 302 Practicum II: Life Narratives. (3) A. Prerequisites: OTS 301, 311 and 422 with a grade of C or better. Corequisites: OTS 313, 335, and 421. Introduction to life narratives as an assessment of occupation. Active learning experiences focusing on occupation across the lifespan including reflection and portfolio development.

OFS 311 Self as Occupational Being. (3) A. Corequisites: OTS 301 and OFS 432. Analysis of occupation and occupational patterns of self. Recognize the influence of occupations on the development and self-being of self through active learning experiences.

OFS 312 Occupation by Design. (3) A. Corequisites: OTS 401, 422 and BIO 271. Foundational problem solving, task, and activity analysis concepts related to designing occupations. Students will apply strategies to implement a design process.

OFS 313 Occupation in Context. (3) A. Corequisite: OTS 302. The student will gain an understanding of occupation as influenced by interrelated multiple contexts. Through active learning experiences the student will be able to recognize and apply the constructs of context.

OFS 335 Professional Dynamics. (3) A. Corequisites: OTS 302, 303. Application of communication skills necessary for becoming an effective team member. Emphasis on theories of group dynamics, leadership and professional interaction skills, decision making and conflict resolution through active learning.

OFS 362 Human Motion for Occupation. (3) A. Prerequisites: BIOL 271. Corequisites: OFS 402/402S, 430, and 478/478W. Application to occupational performance of principles of movement, biomechanical analysis and motor learning. Includes evaluation procedures for muscle strength and range of motion. 2 Lec/2 Lab.

OFS 365S Engagement and Advocacy for Elders (3) A, I, II, L. Prerequisites: OTS 205, OFS 301 and OFS 349. Introduction to communication and advocacy opportunities to create and implement occupation-based programming at a community-based respite care program and to advocate for elders with Alzheimer’s Disease.

OFS 401 Practicum III: Diversity. (3) A. Prerequisites: OTS 302 with grade of C or better. Corequisites: OTS 312, 422 and BIO 271. Introduction to cultural competence and diversity. Enhance understanding of ability and disability concerns in society through interview, reflection and portfolio development.

OFS 402 Practicum IV: Advocacy & Research. (3) A. Prerequisite: OFS 401. Corequisites: OFS 302, 430, and 478/478W. Participatory experiences in the application of advocacy, ethics, and research to advance health and wellness. Course includes self-reflection and portfolio completion. Credit will not be awarded for both OFS 402 and OFS 402S.

OFS 410 Independent Study in Occupational Science. (1-3) A. Prerequisite: student must have...
the independent study proposal approved by faculty supervisor and department chair prior to enrollment. May be repeated up to a maximum of six hours.

OTS 421 Occupancy Across the Lifespan. (3) A. Corequisite: OTS 302. Observation and analysis of participation in occupation across the lifespan. Content explores life-stage characteristics and contextual aspects as articulated by varied models and theories.

OTS 422 Impact of Conditions on Occ. (4) A. Prerequisite: BIO 371. Corequisites: OTS 312, 401 and BIO 271. Introduction to human occupation and medical terminology in the context of disease and disability. Content includes pathophysiological, behavioral and developmental issues which have an impact on human occupation.

OTS 430 Intervention in Health and Human Services. (3) A. Corequisites: OTS 362, 402 or 402S, and 478 or 478W. Overview of primary concepts related to occupational assessment, intervention and documentation as a provider in health care systems. Compare intervention processes in various health and human service delivery models.

OTS 432 Research in Occupation. (4) I, II. Prerequisite: STA 215. Corequisites: OTS 301 and OTS 311. Students will learn to be consumers and participants in quantitative research; examine the methods of research design, data collection, and prepare a research prospectus related to occupational science. Apply statistical methods to the study of occupation.

OTS 475 Special Topics:_______. (1-3) A. Prerequisite: Permission of department. May be retaken under different subtitles for a total of 6 credits. Advanced study of selected topics in occupational science.

OTS 478 Health Care Delivery System. (3) A. Corequisites: OTS 362, OTS 402/402S, and 430. An introduction to the history of health care systems, models of health care, and contemporary health policy issues and trends. Includes content on financing health care, health care professional roles and ethics. Credit will not be awarded for both OTS 478 and OTS 478W.

OTS 478W Health Care Delivery System. (3) A. Corequisites: OTS 362, OTS 402/402S, and 430. An introduction to the history of health care systems, models of health care, and contemporary health policy issues and trends. Includes content on financing health care, health care professional roles and ethics. Credit will not be awarded for both OTS 478 and OTS 478W. PHE—Physical Education

PHE 190 Wellness Experience:______. (1-2) I, II. Wellness activities of current interest and/or need for students. May be retaken to a maximum of six hours, if subtitles are different. Credit will not be awarded for both PHE 190 and HPR 190.

PHE 200 Dance and Culture. (3) I. Introduction to dance and its role as a non-verbal means of expression. The course examines how dance forms and their cultural context including folk, social, ethnic, entertainment, and dance as an art form. Gen. Ed. 3A.

PHE 201 Foundations of Sport Science. (3) I, II. Introduction to the profession, professional standards in the field, and historical perspective and philosophies in physical education and sports science.

PHE 212 Care and Prevention of Athletic and Exercise Injuries. (3) I, II. Overview of the mechanism, prevention, management, and rehabilitation of athletic and exercise injuries.

PHE 220 Team Sports I. (2) I. Basic skills, strategy, rules, officiating, and teaching techniques related to various team sports.

PHE 224 Team Sports II. (3) I, II. Prerequisite: Open only to majors in Physical Education or Sport Management, or those who have declared a coaching minor, or those with departmental approval. Basic skills, strategy, rules, officiating and teaching techniques related to basketball, volleyball, soccer, and track and field.

PHE 230 Social Dance I. (1) I, II. This course introduces the basic movement concepts of social dancing. Rhythm, style and variations of several popular social dances are covered as well as leading and following skills. Some of the dances covered include: swing, salsa, merengue, tango, waltz and hustle.

PHE 241 Swimming and Water Safety. (1) A. Beginning Swimming or instructor approval. Develop swimming skills and endurance to intermediate level; study of fundamental mechanical principles; basic safety skills; ability to conduct a variety of aquatic activities.

PHE 250 Modern Dance. (1-3) A. Beginning level modern dance technique class designed to introduce the student to basic modern dance skills and concepts including some improvisation and choreographic skills. No prior dance experience is necessary. May be retaken up to a maximum of 3 hours.

PHE 261 Coaching Baseball and Softball. (2) I, II. Theory and practice in coaching the fundamentals of baseball and softball; team offense and defense. PHE 271 Balladry. (1) A. A beginning level modern dance technique class designed to introduce the student to the art of ballet. Basic barre, center floor and across the floor combinations are performed. Ballet history and terminology are covered through the textbook readings and class discussion.

PHE 300 Dance Activities in the Schools. (3) II. Teaching creative and social forms of dance in the educational and recreational setting.

PHE 301 Foundations of Coaching. (3) I, II. Coaching communication, organization, motivational skills, sports skills, tactics, and philosophy. American Sport Education Program (ASEP) certification awarded to those who qualify.

PHE 305 Individual and Dual Sports I. (3) I, II. Prerequisite: Open only to majors in Physical Education or Sport Management, those who have declared a coaching minor, or those with departmental approval. Basic skills, strategy, etiquette, rules, and teaching techniques related to tennis, golf, and badminton.

PHE 306 Individual and Dual Sports II. (3) I, II. Basic skills, strategy, etiquette, rules, and teaching techniques related to archery, bowling, and racquetball.

PHE 310 Physical Activity and Child Development. (3) II. Prerequisite: EDF 319. Understanding of motor development and the improvement of human movement through developmental movement activities which are basic to readiness for performance at school.

PHE 313 Lifeguard Training. (2) I, II. Prerequisite: ability to pass American Red Cross swimming test. Advanced technique of water safety and survival techniques.
PHE 315  Physical Fitness Concepts and Applications. (3) I, II. Prerequisite: Open only to majors in Physical Education or those with departmental approval. Discussion, demonstration, practice of fitness concepts and various methods of developing physical fitness.

PHE 320  Biomechanics. (3) I, II. Prerequisite: BIO 171. Qualitative study of human movement through anatomical, physiological, and biomechanical concepts; analysis of movement.

PHE 322  Legal Issues in Sport. (3) I. Prerequisite: GBU 204. Legal issues involved in the supervision, management, and business operations of sport. A critical perspective of the American legal system as it applies to sport.

PHE 323  Movement Concepts and Skill Themes. (3) I. Prerequisites: physical education major and EDF 203. Motor skill themes and movement concepts required for planning and teaching the appropriate sequence and scope for achievement of learner outcomes through elementary physical education.

PHE 324  Policy and Governance in Sport. (3) I. Designed to encourage students to integrate management theory with governance and policy development. Provides an overview of the sport industry from the perspective of the sport management professional.

PHE 325  Physiology of Activity, (3) I, II. Prerequisite: BIO 301. Effects of physical activities on various systems of the human body.

PHE 327  Sport in American Society. (3) II. Impact of sport in American society with attention to relationship of political, economic, ethnic, and institutional forces operating within the phenomenon of sport.

PHE 328  Sport Finance. (3) II. Course will examine all aspects of successful sport business operations, including legal issues, marketing, competitive positioning, regulatory compliance, and strategies for success in sport and recreation industry.

PHE 330  Social Dance II. (1) A. This course will build on skills learned in Social Dance I. New dances covered will include: Triple Swing, West Coast Swing, Bolero, Samba and Quickstep. More variations will also be introduced for dances learned in Social Dance I.

PHE 340  Advanced Swimming for Fitness/ Water Safety Instructor. (3) I, II. Prerequisite: BIO 301. Effects of physical activities on various systems of the human body.

PHE 345  Dance Choreography. (2) I, II. Basics of dance choreography, applicable to entertainment and art forms of dance.

PHE 349  Applied Learning in Physical Education. (5-8) A. Work in a cooperative placement related to student’s academic studies. Satisfactory (S) or Unsatisfactory (U) grade. May be retaken to a maximum of eight hours. A minimum of 80 hours work required for each semester hour credit.

PHE 349 A-N  Cooperative Learning: Physical Education. (5-8) A. Work in a cooperative placement related to student’s academic studies. Satisfactory (S) or Unsatisfactory (U) grade. May be retaken to a maximum of eight hours. A minimum of 80 hours work required for each semester hour credit.

PHE 350  Modern Dance I, II, I (1) A. An intermediate level Modern Dance technique class including floor, center floor and across the floor dance combinations. The course is designed to help the student improve his/her alignment, technique, improvisation and choreographic skills.

PHE 355  Ethnic Dance Forms. (1) A. A beginning/intermediate dance class in a particular ethnic form of dance. Basic steps and rhythms characteristic of the dance form will be learned as well as information about the culture from which it is derived.

PHE 360  Coaching Basketball, (2) I, II. Theory and practice in coaching the fundamentals of basketball; team offense and defense.

PHE 361  Coaching Volleyball, (2) I, II. Theory and practice in coaching the fundamentals of volleyball; team offense and defense.

PHE 362  Coaching Track and Field. (2) I, II. Theory and practice in coaching fundamentals involved in track and field.

PHE 365  Gymnastics. (2) I, II. Knowledge and skills required for teaching gymnastics skills themes and movement concepts. Satisfactory (S) or Unsatisfactory (U) grade. May be retaken to a maximum of four hours toward graduation requirements.

PHE 370  Practicum in Physical Education. (1-3) I, II. Overview of physical education teaching through consultation and application; students will experience teaching-learning situations by assisting with various curricular programs. May be retaken to a maximum of three hours.

PHE 390  Lifetime Activity Series: ______. (1/2 - 1) I, II. A series of activities suitable for participation throughout life. Includes rules, skills, techniques, and knowledge as it applies to sport.

PHE 400  Management of Sport Organizations. (3) I, II. Aspects of sport management including disciplinary foundations of sport, theoretical and applied foundations of organization and management, opportunities available in various segments of the sport industry, and professional preparation and development.

PHE 407  Strength and Conditioning Programming. (3) I, II. Advanced skills in developing, implementing, and evaluating strength training programs. Includes knowledge of strength training, spotting techniques, and safety techniques, exercises and associated anatomy, periodization, and general guidelines for all fitness levels and ages.

PHE 415  Outdoor and Lifelong Leisure Motor Activities. (3) II. Prerequisites: EDF 203. Knowledge and skills needed to conduct competitive, leisure, adventure, and outdoor motor activities for achievement of personal and educational goals in the school system.

PHE 418  Dance Science. (3) A. Application of functional anatomy, basic physiology and physics to dance movement. Offers knowledge base for teachers to instruct safe and effective dance classes and prevent injury. Requires independent study, approval. Directed research experience in athletic training.

PHE 420  Coaching Football. (2) I, II. Theory and practice in coaching the fundamentals of football; team offense and defense.

PHE 423  Psychology of Coaching. (3) I. Study of the dynamics of coaching including performance enhancement and understanding the functions of the coaching process.

PHE 430  Fitness Program Administration. (3) I. Prerequisites: BIO 171, 301, PHE 325 and junior standing. Practice and study of exercise programs meeting the guidelines of the American College of Sports Medicine (ACSM) for safe exercise prescription. Exercises students will learn movement and rhythmic fundamentals, effective teaching methods, how to develop appropriate and creative choreography, injury prevention, marketing techniques, and legal issues involved in starting and running a group exercise class.

PHE 450  Modern Dance III. (1) I, II. An advanced level modern dance technique class including floor, center floor and across the floor dance combinations. The course is designed for the dancer that has had several years of dance training and is prepared for more challenging and complex dance skills. May be retaken to a maximum of three hours.

PHE 467  Skill Acquisition. (3) I. Practical application of principles of learning and performing motor skills taught in the physical activity environment and the influence of historical events on research in the area of skill acquisition.

PHE 470  Internship: Sport Management. (1-6) A. Prerequisite: 2.0 GPA, completion of sport management core courses and supervised internships. Students are required to document a minimum of 50 hours of sport management related experiences prior to enrollment in PHE 470. Supervised experiences in the directing of sports and physical activities in various settings. May be retaken to a maximum of six hours.

PHE 471  Practicum in Teaching Dance. (3) A. Practical experience creating lesson plans and teaching dance in the P-12 school system. Practicum students will teach primary, elementary, middle and secondary students; dances as an art form along with ethnic, folk and social dance. Required for Dance Certification.

PHE 472  Internship: Physical Fitness and Wellness Management. (1-6) A. Prerequisite: 2.0 GPA, completion of physical education core courses and physical fitness and wellness option courses. Students are required to document a minimum of 50 hours of physical fitness and wellness related experiences prior to enrollment in PHE 472. Supervised experiences in the directing of wellness and physical fitness activities in various settings. May be retaken to a maximum of six hours.

PHE 480  Independent Study. (1-3) I, II. Independent work on a physical education core course or supervised internship. A maximum of four hours toward graduation requirements. May be retaken to a maximum of six hours.

PHE 490  Experiences in Research (1-3) I, II. Prerequisites: ATR 100 or PHE 201 and departmental approval. Directed research experience in athletic training, physical education or sport management. May be retaken to a maximum of 9 hours. Student must have research proposal form approved by faculty supervisor and department chair prior to enrollment.

PHE 517  Bioenergetics in Physical Activity (3) I. Prerequisite: Introduction to Bioenergetics or with departmental approval. Study of bioenergetics processes and the relationship to energy storage, transformation and utilization in biological systems. Study of energy metabolism during different physiological conditions and the applications to clinical exercise science and sport.

PHE 530  Sports Information Programs. (3) II. Study of the rule and function of the sports information director. Includes public relations techniques applied to sports information; press releases, publications programs, office and staff organization, time utilizations, news media, and formats.

PHE 562  Adapted Physical Activity. (3) I, II. Principles and practices of adapted physical education emphasizing the needs of people with disabilities. Emphasis will be placed on the importance of physical activity, recent legislation, assessments, individual education plans, and adapting activities.

PHE 575  Tests and Measurements in Physical Education. (3) I, II. Administration and scoring of tests; evaluation of use of results obtained.

PHE 590  Special Topics in Physical Education. (1-4) A. Study of various topics in physical education and sport selected to meet special student needs and interests. May be retaken to a maximum of six hours with advisor approval provided subtitle is different.
PHI—Philosophy
Dr. Michael Austin, Chair

PHI 100 Practical Reasoning. (3) I, II. The development of skills essential for the analysis and evaluation of reasoning and argumentation of kinds commonly encountered in essays, textbooks, news media, discussions in general, and work situations.

PHI 110 Beginning Philosophy. (3) I, II. Basic introductory course in philosophy. Consideration of perennial questions of the human experience, especially questions about reality, knowledge, self, values, and religious belief. Credit will not be awarded for both PHI 110 and 110W. Gen. Ed. E-3B [AH].

PHI 110W Beginning Philosophy: Writing Intensive. (3) I, II. Prerequisite: ENG 102 or 105(B) or HON 102(B). A writing-intensive basic introductory course in philosophy. Consideration of perennial questions of the human experience, especially questions about reality, knowledge, self, values, and religious belief. Credit will not be awarded for both PHI 110 and 110W. Gen. Ed. E-3B [AH].

PHI 130 Beginning Ethics. (3) I, II. Survey of theories concerning the nature of right and wrong, emphasizing how these theories can be applied to personal moral choices. Credit will not be awarded to students who have credit for PHI 130S. Gen. Ed. E-3B [AH].

PHI 130S Beginning Ethics. (3) I, II. Survey of theories concerning the nature of right and wrong, emphasizing how these theories can be applied to personal moral choices, enhanced with a service learning component. Credit will not be awarded to students who have credit for PHI 130. Gen. Ed. E-3B [AH].

PHI 200 Philosophy of Religion. (3) I. Study of religious experience, faith and knowledge, the nature and existence of God, the problem of evil, religious ethics, and religious language. Credit will not be awarded for both PHI 240 and 240W. Gen. Ed. E-3B [AH].

PHI 240 Philosophy of Religion. Writing Intensive. (3) I. Prerequisites: ENG 102 or 105(B) or HON 102. Study of religious experience, faith and knowledge, the nature and existence of God, the problem of evil, religious ethics, and religious language. Credit will not be awarded for both PHI 240 and 240W. Gen. Ed. E-3B [AH].

PHI 300 Greek and Roman Philosophy. (3) I. Survey of philosophical thought as seen through an examination of selected issues and selected philosophers from ancient Greece through the early Roman period. Credit will not be awarded for both PHI 300 and 300W. Gen. Ed. E-3B [AH].

PHI 300W Greek and Roman Philosophy: Writing Intensive. (3) I. Prerequisite: ENG 102 or 105(B), or HON 102(B). Survey of philosophical thought as seen through an examination of selected issues and selected philosophers from ancient Greece through the early Roman period. Credit will not be awarded for PHI 300 and 300W. Gen. Ed. E-3B [AH].

PHI 310 Medieval Philosophy. (3) I. Study of Christian, Jewish, and Islamic philosophical thought in the Middle Ages and of Renaissance scholasticism. Issues in various areas of philosophical inquiry are examined through selected readings from Augustine to Spinoza.

PHI 320 Modern Philosophy. (3) I. Examination of some major issues and some major philosophers from the 17th and 18th centuries. Gen. Ed. E-3B [AH].

PHI 330 Twentieth Century Philosophy. (3) I. A survey of the principal schools of philosophic thought of the twentieth century in Europe and America, with special attention to the important issues which emerge. Gen. Ed. E-3B [AH].

PHI 340 Philosophy of Science. (3) I. How views of reality, knowledge, and values relate to science and scientists. Philosophical assumptions of science examined through historical examples of scientific investigations. The value and the values of scientific methods and scientific theories. Credit will not be awarded for both PHI 340 and 340W.

PHI 340W Philosophy of Science: Writing Intensive. (3) I. Prerequisite: ENG 102 or 105(B) or HON 102(B). A writing-intensive basic introductory course in philosophy of science. How views of reality, knowledge, and values relate to scientists. Philosophical assumptions of science examined through historical examples of scientific investigations. The value and the values of scientific methods and scientific theories. Credit will not be awarded for both PHI 340 and 340W.

PHI 342 American Philosophy. (3) I. A critical examination of basic beliefs held by Americans regarding themselves, their culture, and world, through the thought of modern American philosophers such as Royce, Peirce, James, Santayana, Woodbridge, Dewey, and Whitehead.

PHI 349 Applied Learning in Philosophy. (3-8) I. Prerequisite: consult with department chair before enrolling. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

PHI 350 Metaphysics. (3) A. An elaboration of the various approaches to metaphysics in the history of philosophy; including contemporary anti-metaphysical points of view.

PHI 352 Theory of Knowledge. (3) A. An examination of the nature, possibility, limits, sources and value of knowledge of minds and the world.

PHI 360 Ethical Theories and Practice. (3) I, II. A. Prerequisite: ENG 102, 105(B), or HON 102; PHI 110 or 130. An advanced course in ethics that examines the intersection of ethical theory and practical ethics. Topics include major ethical theories, the nature and aims of applied ethics, and critical and creative thinking in ethical problem-solving.

PHI 362 Technology and Values. (3) A. An examination of philosophical issues related to science, technology, public health, economics, and the environment, with special attention being given to the personal and social ethical issues that arise in these contexts.

PHI 371 Symbolic Logic. (3) A. Basic introduction to modern symbolic logic: propositional logic, first order predicate logic, proofs and metatheorems, and nature and properties of formal logic systems.

PHI 381 Animal Ethics. (3) A. An examination of major theories of animal welfare and rights; consideration of issues involving the use of animals as food and other goods, animal experimentation, wildlife, endangered species, hunting, animals and sport, pets, and zoospeaking.

PHI 383 Health and Biomedical Ethics. (3) A. An examination of the value-issues which surround problems that arise in health-related fields and whose resolution calls for moral judgments. Typical problems would include: euthanasia, experimentation with humans, behavior control, genetic engineering, and distribution of health care facilities. Credit will not be awarded for both PHI 383 and PHI 383W.

PHI 383W Health and Biomedical Ethics, Writing Intensive. (3) A. Prerequisite: ENG 102 or 105(B) or HON 102. An examination of philosophical issues which surround problems that arise in or health-related fields and whose resolution calls for moral judgments. Typical problems would include: euthanasia, experimentation with humans, behavior control, genetic engineering, and distribution of health care facilities. Credit will not be awarded for both PHI 383 and PHI 383W.

PHI 385 Environmental Ethics. (3) A. Cross-listed as ENV 385. Prerequisite: ENG 102 or 105 (B) or HON 102. An examination of historical and contemporary views of the values and rights of nature. Possible topics include modern environmentalism, the land ethic, stewardship, deep ecology, ecofeminism, and indigenous approaches to the environment. Credit will not be awarded for both PHI 385 and ENV 385.

PHI 388 Special Topics in Ethics. (1-3) A. An examination of ethical theories and problems of some major ethical thinkers, or of an applied ethical field like business ethics or environmental ethics. May be taken to a maximum of fifteen hours if the topic is different.

PHI 390 Special Topics in Philosophy. (1-3) A. Prerequisite: consult with department chair before enrolling. Detailed examination of a problem/area or a school of philosophy in the history of philosophy or the thought on one outstanding philosopher. May be taken to a maximum of fifteen hours if the topic is different.

PHI 432 Philosophy of Art. (3) A. Examination of the major philosophical theories of art and beauty and the place of aesthetic language in the general area of value judgments. Representative classical and contemporary figures will be considered.

PHI 490 Independent Work in Philosophy. (1-3) I, II. Prerequisite: consult with department chair before enrolling. Individual research and reading on a specific philosophical problem selected by the student and instructor. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours if topic is different.

PHI 499 Senior Thesis. (3) A. Prerequisite: consult with department chair before enrolling. Supervised, independent thesis for seniors majoring in philosophy.

PHI 551 Classical Theory. (3) A. Cross-listed as POL 551. Examination of Western political thought from Plato to Aquinas. Credit will not be awarded to students who have credit for POL 551, POL 551W or PHI 551W.

PHI 551W Classical and Medieval Political Theory. (3) A. Prerequisite: ENG 102 or 105 (B) or HON 102(B). Cross-listed as POL 551W. Examination of Western political theory from Plato to Aquinas. Credit will not be awarded to students who have credit for POL 551, POL 551W or PHI 551.

PHI 552 Modern Political Theory. (3) A. Cross-listed as POL 552. Examination of Western political theory from the Renaissance to the mid-twentieth century. Credit will not be awarded to students who have credit for POL 552, POL 552W or PHI 552W.

PHI 552W Modern Political Theory. (3) A. Cross-listed as POL 552W. Prerequisite: ENG 102 or 105 (B) or HON 102. Examination of Western political theory from the Renaissance to the mid-twentieth century. Credit will not be awarded to students who have credit for POL 552, POL 552W or PHI 552.

PHI 553 Contemporary Political Theory. (3) A. Cross-listed as POL 553. Examination of Western political theory from the mid-twentieth century to the present. Credit will not be awarded to students who have credit for POL 553, POL 553W or PHI 553W.

PHI 553W Contemporary Political Theory (3) A. Cross-listed as POL 553W. Prerequisite: ENG 102 or 105 (B) or HON 102. Examination of Western political theory from the mid-twentieth century to the present. Credit will not be awarded to students who have credit for POL 553, POL 553W or PHI 553.

PHY—Physics
Dr. Anthony Blose, Chair

PHY 101 Conceptual Physics. (3) I, II. Prerequisite: MAT 105 or higher or departmental approval. Conceptual approach to topics such as kinematics, Newtonian mechanics, electricity, magnetism, and optics. Not intended for science majors. Credit will not be awarded to students who have credit for PHY 102. 4 Lab/2 Rec. Gen. Ed. E-4 [NS].

PHY 102 Inquiry Physics for Teachers. (3) I, II. Prerequisite: MAT 105 or higher and pre-teaching or teaching elementary and middle school education
majors only or departmental approval. An inquiry-based, conceptual-approach physical science course for teaching majors. Topics include kinematics, matter and heat, optics, electricity, and magnetism. Credit will not be awarded for both PHY 101 and 102. 1 Lec/Lab. Gen. Ed. E-4 [NS].

**PHY 129 Success in College Physics (1) I, II.** Corequisite: PHY 131. This course will emphasize topics presented in PHY 131 that the students may require additional instruction to master. Topics to be covered will include one-dimensional motion, Newton’s Laws of Motion, momentum, energy, and rotational motion. Students will be allowed to enroll up to four weeks after classes start. A withdrawal from PHY 131 must be matched by a withdrawal from PHY 129.

**PHY 131 College Physics I. (5) I, II.** Prerequisite: PHY 120 or higher or departmental approval. Algebra and trigonometry based approach to Newtonian mechanics, including kinematics, Newton’s laws, momentum, energy, and rotation. Credit will not be awarded to students who have credit for PHY 201. A withdrawal from PHY 131 must be matched by a withdrawal from PHY 129.

**PHY 132 College Physics II. (5) I, II.** Prerequisite: PHY 131 or departmental approval. Algebra and trigonometry based approach to electromagnetics, including electric forces and fields, simple DC circuits, magnetic forces and fields, magnetic induction, and optics. Credit will not be awarded to students who have credit for PHY 202. 6 Lec/Lab.

**PHY 200 Volunteering in Physics and Astronomy. (0) A.** An exposure to physics and astronomy careers, including, but not limited to, exploring physical and astronomical research projects, organizing physics and astronomy community service, and assisting at other physics and astronomy departmental events. Students can choose the focus of the volunteering in each semester. Passing grade achieved for attending 80% of the designated activities in each semester.

**PHY 201 University Physics I. (5) I, II.** Prerequisite: MAT 211, 234 or 234H, or departmental approval. Composition and resolution of forces, laws of equilibrium, Newton’s laws of motion, work and energy, momentum, simple harmonic motion, hydrodynamics, heat phenomena. Credit will not be awarded to students who have credit for PHY 131. 6 Lec/Lab. Gen. Ed. E-4 [NS].

**PHY 202 University Physics II. (5) I, II.** Prerequisite: PHY 201. Prerequisite or Corequisite: MAT 244 or 244H, or departmental approval. Electromagnetic, dielectrics, A. C. and D. C. circuits, magnetic fields, Faraday’s Law, sound, wave motion, geometrical and physical optics. Credit will not be awarded to students who have credit for PHY 132. 6 Lec/Lab.

**PHY 221 Statics. (3) A.** Prerequisite: PHY 201. Prerequisite or Corequisite: MAT 244 or 244H, or departmental approval. Study of force systems on bodies at rest, descriptions of force systems, distributed and internal forces, frames and trusses, beams.

**PHY 302 Modern Physics (4) A.** Prerequisites: PHY 132 or PHY 202; MAT 211, 234 or 234H, or departmental approval. Physics of the 20th century. Topics include special relativity, quantum effects, wave theory, Bohr theory, nuclear structure, nuclear reactions and other topics related to 20th century modern physics. Credit will not be awarded to students who have credit for PHY 302W.

**PHY 303 Introduction to Laser Physics. (3) A.** Prerequisite: PHY 132 or PHY 202 and instructor approval. An introduction to the theory and application of different types of lasers such as dye, nitrogen, HeNe, diode, and optical vapor; the characteristics of laser light, and optical measuring devices. 2 Lec/2 lab.

**PHY 310 Theoretical Methods in Physics. (3) A.** Prerequisites: MAT 254 or 254H, or departmental approval. Pre-requisite or Corequisite: PHY 202 or departmental approval. Analytical methods for characterizing physics models and solving physics problems in advanced topics are discussed, including vector analysis, complex functions, and applications of calculus to the principles of classical mechanics. Topics include rectilinear motion in 1-D, motion in 3-D, non-inertial frames, central forces, many-bodied systems, rigid bodies, Lagrangian mechanics, and other topics related to classical mechanics.

**PHY 400 Quantum Mechanics. (3) A.** Prerequisite: PHY 310 and PHY 460 or departmental approval. Basic principles of wave mechanics, solutions of Schrodinger wave equation for simple systems, interpretation of solutions and application to atomic and molecular problems.

**PHY 506 Physics for High School Teachers. (3) A.** Credit given toward major or minor only in teaching programs. Topics from college and modern physics to prepare teachers to teach high school physics and give classroom demonstrations. 2 Lec/3 Lab.

**PLS—Police Studies**

**TBA, Chair**

**PLS 103 Police, Order, Maintenance and Crime. (3) A.** Overview of the role of the police, historical development of policing, police functions and bureaucratic organization are examined. Police misconduct, discretion and effectiveness receive special attention. 5 Lec/1 Lab.

**PLS 216 Criminal Law. (3) I, II.** The nature of the criminal act; the essential elements; theories of responsibility; exculpatory matters; overview of common law offenses; identification of trends in the law.

**PLS 220 Criminal Investigation. (3) A.** Fundamental of criminal investigation, crime scene search and recording, collection and preservation of physical evidence, scientific aids, modus operandi, sources of information, interviews and interrogation, follow-up, case preparation and case management.

**PLS 315 Police Administration and Management. (3) I, II.** Prerequisite: sophomore standing. Criticaly examines the theories of motivation, leadership, and organization in the police context. Police administrative and management functions studied emphasizing personnel management and organizational change.

**PLS 316 Criminal Evidence. (3) I, II.** Prerequisite: sophomore standing. Overview of trial procedures; classification of evidence; proof; presumptions; relevance; eyewitness identification; testimonial privileges; character; hearsay; impeachment; scientific evidence; collection and preservation of evidence.

**PLS 326 Ethical Decisions and Police. (3) A.** Prerequisite: Junior or Senior standing. Examines the problems of ethical philosophies, theories and law in the context of policing. Consideration is given to problems of police judgment arising from unexamined assumptions about morality. Focuses on forms of ethical violation at the individual, group and organization levels as well as strategies for prevention and control.

**PLS 330 Topics in Police Studies. (1-6) A.** Prerequisite: sophomore standing. Examination of a contemporary issue in policing including historical perspective, societal issues, present status, and future development. The police response to a specific problem is the focus of this course. Course may be taken for a maximum of six hours under different headings.

**PLS 349 Applied Learning in Police Administration. (0.5-6) A.** Prerequisites: departmental approval, sophomore standing. Work under faculty and
field supervisors, in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; fifteen, baccalaureate. Minimum 80 hours work required for each academic credit. A maximum of three hours of PLS 349 and 424 can be applied toward the PLS major or minor.

PLS 349 A-N Cooperative Study: Police Administration. (58) A. Prerequisites: departmental approval, sophomore standing. Work under faculty and field supervisors, in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; fifteen, baccalaureate. Minimum 80 hours work required for each academic credit. A maximum of three hours of PLS 349 and 424 can be applied toward the PLS major or minor.

PLS 375 Terrorism/Counterterrorism. (3) A. Prerequisite: Junior or Senior standing. A study of domestic, foreign, transnational and state terrorism. This course examines issues related to defining, preventing and combating terrorism. Various social and historical forces and events will be considered in order to contextualize specific key individuals, organizations and actions.

PLS 380 Police in the Popular Media. (3) A. Prerequisite: sophomore standing. A study of the public’s perception of police through popular media (music, radio, television, films, short stories and books) and how those media sources might influence policing itself.

PLS 385 Police Related Violence. (3) A. Prerequisite: sophomore standing. A descriptive, theoretical and philosophical approach to violence used by the police directed toward them. Psychological and sub-cultural impacts will be examined. Additional analysis associated with lethal and non-lethal violence policy and strategies are included.

PLS 390 Predatory Crime and Crime Pattern Analysis. (3) A. Prerequisite: PLS 216, sophomore standing. Examination of selected crime categories including predatory street, conventional property, and sex crimes.

PLS 401 Multi-Culturalism and Policing. (3) A. Prerequisite: Junior or Senior standing. Examines the policing of marginalized populations and investigates the reality of these persons within policing. Specific populations can include racial and ethnic minorities, age, women, sexual minorities, persons with physical and mental disabilities, immigrant populations, veterans, and others.

PLS 403 Homicide. (3) A. Prerequisite: sophomore standing. Explore current theoretical, philosophical and empirical literature associated with homicide. Content includes descriptive, theoretical, empirical, and practical explanations of criminal homicide patterns. Included will be an examination of death investigation systems and police responses.

PLS 408 Policing and Technology. (3) A. Prerequisite: Junior or Senior standing. Examines the current realities of cyber crime and the official police response. Consideration will be given to legal issues, civil liberties, police deviance and the sociopolitical impacts of technology.

PLS 410 The Police and Community. (3) A. Prerequisite: Junior or Senior standing. Examines relationships between the police and community that address crime and quality of life problems. Community is examined as a geographical space made of multiple and diverse publics sometimes requiring different strategies and interventions. Eight hours credit per semester or summer. Total hours: eight, associate; fifteen, baccalaureate.

PLS 411 Police and the Community. (3) A. Prerequisite: CRJ 101 and PLS 103. Sophomore standing or higher. Examines the history and evolution of policing in the United States with an emphasis on the political, social, cultural, legal and organizational forces that have molded that history. The roles and functions of police in America are examined in detail within the context of race, class and gender.

PLS 415 Contemporary Police Strategies. (3) A. Prerequisite: PLS 216, sophomore standing. An examination of contemporary police issues, programs, and strategies. Detailed analysis and evaluation of police practices, including impact on the relationship between the police and the community. Assessment of police reform measures and accountability mechanisms.

PLS 416 Criminal Procedure. (3) A. Prerequisite: PLS 216, sophomore standing, or instructor approval. A detailed study of the laws of arrest (including the use of force), search and seizure, emphasizing the constitutional basis, historical development, statutes, and recent court decisions.

PLS 420 Surveillance & Society. (3) A. Prerequisite: Junior or Senior standing. Examines the nexus of surveillance, policing, and privacy. The course explores the role of states, corporations and individuals in monitoring and policing of bodies, populations, property and information. Consideration is given to historical and contemporary dynamics of surveillance: socio-technical assemblages, risk and security discourses, institutional blurring, inequalities and civil liberties.

PLS 426 Federal Criminal Law. (3) A. Prerequisites: PLS 216 or CRJ 312; sophomore standing; an examination of statutory law and the criminal justice system with a focus on substantive offenses. In addition to specific crimes, the basis of federal jurisdiction will be studied.

POL—Political Science

Dr. Lynnette Noblitt, Chair

POL 100 Principles of Politics and Government. (3) I. An introductory social science course focusing on the political and governmental aspects of societies. Does not count toward political science major requirements. Credit will not be awarded for both POL 100 and 100S. Gen. Ed. E-5B [SB].

POL 105A Principles of American System of Government. (3) I, II. An introductory social science course focusing on the political and governmental aspects of societies, enhanced with a service-learning component. Does not count toward the political science major requirements. Credit will not be awarded for both POL 100 and 100S. Gen. Ed. E-5B [SB].

POL 101 Introduction to American Government. (3) I, II. Principles, functions, and basic political institutions of the American system of government at the national level. Credit will not be awarded for both POL 101 and 101S. Gen. Ed. E-5A, E-5B [SB].

POL 105B Principles of Canadian System of Government. (3) I. A course focusing on the political and governmental aspects of societies, enhanced with a service-learning component. Credit will not be awarded for both POL 101 and 101S.

POL 201 Short Topics in Political Science. (1-3) A. A maximum of three short topics offered during any semester. The student may take any or all topics. May be retaken to a maximum of six hours when topics vary.

POL 212 Introduction to Comparative Politics. (3) I. Purpose, concepts, and methods used in the cross-national study of politics and government with a focus on selected countries. Gen. Ed. E-5A or E-5B [SB].

POL 220 Introduction to World Politics. (3) I, II. The study of the political interactions of countries and organizations relating to politics, economics, the environment, technology, culture and society on a global level. Gen. Ed. E-5A or E-5B [SB].

POL 250 Introduction to Political Philosophy. (3) I, II. Examination of Western political theory from the ancient Greeks to the contemporary era with a focus on selected philosophers. Gen. Ed. E-3B and E-5B [AH] [SB].

POL 280 Research and Writing in Political Science. (3) A. Prerequisite: majors, minors, or departmental approval. Practical application of techniques and methods used in collection, analysis, and written presentation of political data. No more than 6 hours of POL courses numbered 300 or above may be taken prior to completing POL 280.

POL 300 Contemporary Political Problems: (3) I, II. Application of the skills of citizenship to problems of contemporary politics. Designed to increase the students’ political awareness and ability to function politically in contemporary society. May be retaken to a maximum of nine hours provided the topic differs each time.

POL 301 Citizens’ Assembly (CACUTS): (3) A. Prerequisite: ENG 102 or ENG 105(B) or HON 102. Citizens’ Assembly for Critical Thinking about the United States (CACUTS), an exercise in deliberative democracy. Students study, hold hearings, deliberate, discuss alternatives, and make a decision on a topic of significance in American politics. Gen. Ed. E-5B [SB].

POL 310 Latin American Governments. (3) A. A study of the political institutions and issues facing the people and governments of Latin America.

POL 312 Politics in China. (3) A. Analysis of political development, organizational structure, and operation of Chinese political systems with particular emphasis on Chinese Communism, foreign policies, and contemporary problems in China.

POL 314 Politics of South Asia. (3) A. Prerequisite: ENG 102, ENG 105(B), or HON 102. Studies and analyzes the political situations of South Asia. Course focuses on the politics of Afghanistan, Pakistan, and India; however, instructor may focus on additional countries or regions as well.

POL 315 European Politics. (3) A. Examination of the political and public policies of the European Union and selected European countries.

POL 316 Politics in Russia. (3) A. Nature and development of Russia’s political system since the end of the USSR and fall of communism; impact of the Soviet era; development of political parties and civil society; superpresidentialism; nationalism; federalism and ethnic politics.

POL 319 Canadian Politics. (3) A. Prerequisite: ENG 102 or ENG 105 (B) or HON 102. Canada’s political system, including British, American, and French, First Nations and recent immigrant influences; governmental institutions, federalism, political parties and electoral systems; ethnic and linguistic politics; Canadian-U.S. relations. Gen. Ed. E-6.

POL 321 American Foreign Policy. (3) II. Prerequisite: three hours of POL or instructor approval. Analysis of the internal processes and external factors which affect U.S. foreign policy emphasis on the post-World War II period. Case studies in decision-making.

POL 325 Global Security. (3) I. Prerequisite: ENG 102, ENG 105(B), or HON 102. Analysis of major problems of global and human security, the role of military with emphasis on military-security policies of global import.

POL 327 International Law and Organization. (3) A. Prerequisite: three hours of POL or instructor approval. Analysis of the development of the U.N.; functional and regional approaches to peace, security, economic cooperation, social welfare, and law in international relations.

POL 331 Urban Politics. (3) A. Political processes of urban areas including comparisons of alternative structures of urban and other local government.

POL 332 Kentucky Government and Politics. (3) I, II. An overview of the Kentucky political system, major institutions, processes and political leaders, with emphasis on recent events and developments. Credit will not be awarded for both POL 332 and POL 497B.

POL 333 American State and Local Government. (3) A. Study of the institutions and processes of government of the fifty states and of cities and counties.

POL 340 Political Parties and Interest
POL 341 The U.S. Congress. (3) A. Prerequisite: ENG 102, ENG 105(B), or HON 102. An overview of the informal institutions of American government, with emphasis on their functions, organization, financing of political parties, interest groups, and their relationship to democracy.

POL 342 The American Presidency. (3) A. Prerequisite: ENG 101, ENG 105(B), or HON 102. An examination of the powers and functions of the offices of the President. Recent developments affecting the American President will be emphasized.

POL 343 Campaigns and Elections. (3) A. Prerequisite: ENG 101, ENG 105(B), or HON 102. An examination of U.S. campaigns and elections including topics in campaign organization and planning, voting behavior, campaign finance, and election laws for presidential, congressional, and state/local campaigns.

POL 345 Minority Group Politics. (3) A. Cross-listed as AFA 345. Examination and comparison of various theories, strategies, forms of participation, leadership styles, and concepts (e.g., Black Power) of minority group politics. Credit will not be awarded for both POL 345 and AFA 345.

POL 347 Politics and Religion in the U.S. (3) A. Interaction of government, politics, and religion in the U.S.: role of Supreme Court and Constitution in defining church-state separation and religious freedom; religious organizations as pressure groups; religion in electoral politics and foreign policy-making; religion and public schools.

POL 349 Applied Learning in Political Science. (5-8) A. Prerequisite: three or more credits in academic studies. One to eight credit hours per semester or summer. Total hours: eight; associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. No more than six hours may count toward this minor. No more than three hours may count toward this minor.

POL 349A-N Cooperative Study: Political Science. (5-8) A. Work in placements related to academic studies. One to eight credit hours per semester or summer. Total hours: eight; associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. No more than six hours may count toward this major. No more than three hours may count toward this minor.

POL 356 African American Political Thought. (3) A. Cross-listed as AFA 356. Prerequisite: ENG 102, 105(B), or HON 102. Examination of political ideas espoused by African American activist from the nineteenth century to the present. Credit will not be awarded to students who have credit for AFA 356. Gen. Ed. E-6.

POL 357 American Political Thought. (3) A. Study of the political philosophy and values that have shaped the American political system. Emphasis given to problems in democratic theory and to competing ideologies within the American political system.

POL 360 Judicial Process. (3) A. Study of legal and judicial systems in the United States and their role in the American political process.

POL 370 Introduction to Public Administration. (3) A. Survey of organization, authority, decision-making, intra-organization communication, and application of principles of the American bureaucracy by case studies.

POL 373 Politics of Development in Appalachia. (3) A. Cross-listed as APP 373. Prerequisite: ENG 102, ENG 105(B), or HON 102. This course examines the political and economic development in the Appalachian region with special emphasis on Kentucky. Focus will be on the political, economic and social aspects affecting development. Credit will not be awarded to students who have credit for APP 373. Gen. Ed. E-6.

POL 374 Introduction to Public Policy. (3) A. Introduction to the role of federal, state, and local governments in the formulation, implementation, and evaluation of public policies. Examples of policy decisions which might be covered include energy, housing, environmental quality, and social services.

POL 376 Public Human Resources. (3) A. Policies, and practices for human resources management in public services. Civil Service systems and reforms, diversity and affirmative action, managing, compensating, and motivating employees.

POL 377 Public Budgeting. (3) A. The political consideration of budget formulation, budget strategy, and budget execution. An analysis of the role of taxes, spending, and budget planning in the budgeting process at the federal, state, and local levels.

POL 400W Capstone Course in Political Science. (3, 1 II) Prerequisites: POL 101, 212, 220, 250, and 280; ENG 102, ENG 105(B), or HON 102. Culminating, integrative course for political science majors. Requires advanced analysis integrating subfields of the discipline. Students will complete a major paper assignment, writing in stages with instructor feedback and revision.

POL 405 Special Topics in Political Science. (3) A. Exploration of a particular topic; theorist, institution, process, policy, writings, or their combinations. Prerequisites set by the department. May be retaken to a maximum of six hours provided subject matter is different each time.

POL 410 Studies in Comparative Government and Politics. (3) A. Prerequisite: three hours of POL or departmental approval. Study of selected countries or systems; a cross-national study of a political institution (e.g. Executives, Political Parties, Legislatures). May be retaken to a maximum of nine hours provided the subject matter differs each time.

POL 446 Law and Society. (3) A. Examinations of the social and political roles and problems in the American political system. Cross-listed as AFA 356. Prerequisite: ENG 102, 105(B), or HON 102. Examination of political ideologies within the American political system.

POL 451 Principles and Politics of Human Rights. (3) A. Cross-listed as WGS 451. The effect of sex on social and political institutions, public policies, and court rulings. Issues may include pornography, sexual and gender discrimination, reproductive rights and gay rights. Credit will not be awarded for both POL 446 and WGS 446.

POL 451A-N Practicum in American Political Administration. (3) A. Prerequisite: junior or senior standing with a cumulative GPA of 2.5 or better (on a 4.0 scale). Enrollment is by invitation only and limited to a maximum of 12 hours. Students must have the independent study proposal approved by faculty supervisor and departmental chair prior to enrollment.

POL 455A Practicum in American Political Process. (1-3) A. Prerequisite: junior or senior standing with a cumulative GPA of 2.5 or better (on a 4.0 scale). Enrollment is by invitation only and limited to a maximum of 18 hours. Supervised field study program. May be retaken to a maximum of six hours, provided subject matter differs each time. Students must have the independent study proposal approved by faculty supervisor and departmental chair prior to enrollment.

POL 456A Practicum in Comparative Politics and International Relations. (1-3) A. Prerequisite: junior or senior standing. Major topics to be covered each time. Supervised field study program. May be retaken to a maximum of nine hours.

POL 458A Practicum in American Political Administration Minor. (1-3) A. Prerequisite: junior or senior standing with a cumulative GPA of 2.5 or better (on a 4.0 scale). Enrollment is by invitation only and limited to a maximum of 12 hours. Students must have the independent study proposal approved by faculty supervisor and departmental chair prior to enrollment.

POL 464A Washington Seminar. (3) A. Corequisite: POL 464A. Seminar on selected topics in national government.

POL 477B Selected Topics in Administration of Kentucky State Government. (3-12) A. Seminar on various topics on the administration of the Kentucky state government which support and constitute an essential part of the Kentucky Legislative Internship Program. May be retaken to a maximum of 12 hours provided the topics vary. Credit will not be awarded for both POL 477B and POL 332.

POL 478 Kentucky Legislative Internship Program. (0) A. Prerequisite: junior or senior standing with a cumulative GPA of 2.5 or better (on a 4.0 scale) and a definite interest in the legislative process in the Commonwealth. Enrollment is by invitation only and limited to a maximum of 15 hours by registering for POL 408A and 408B.

POL 495A Legislative Internship. (3-9) A. Each intern’s performance in his or her job is evaluated by the agency supervisor in consultation with the intern’s campus coordinator and the student’s advisor and the department granting credit for the internship. May be retaken to a maximum of nine hours.

POL 497B Selected Topics in Administration of Kentucky State Government. (3-12) A. Seminar on various topics on the administration of the Kentucky state government which support and constitute an essential part of the Kentucky Legislative Internship Program. May be retaken to a maximum of 12 hours provided the topics vary. Credit will not be awarded for both POL 497B and POL 332.

POL 498B Selected Topics in Kentucky Legislative Process. (0-3) A. Prerequisite: junior or senior standing. Topics to be covered each time. Supervised field study program. May be retaken to a maximum of nine hours.

POL 498C Legislative Forum. (3) A. Corequisite: POL 498A and POL 498B. Seminar on selected topics in state government.

POL 499 Canadian Parliamentary
Section Seven - Course Descriptions

Internship, (5). A. Prerequisite: junior or senior standing with 2.5 GPA. Supervised internship in the office of a State or Canadian Parliament. Final selection for enrollment determined by program. Apply by December 1 for internship in May through June. May be repeated for a maximum of ten hours credit.

POL 533 Seminar In State and Local Politics. A. (2) Analysis of political institutions, policies, and administration of American state and local government. May be retaken to a total of six hours credit, provided subject matter differs each time.

POL 551 Classical Political Theory. (3) A. Cross-listed as PHIL 551. Examination of Western political thought from Plato to Aquinas. Credit will not be awarded to students who have credit for PHI 551, PHI 551W, or POL 551. 

POL 552 Modern Political Theory. (3) A. Cross-listed as PHI 552. Examination of Western political thought from the Renaissance to the mid-twentieth century. Credit will not be awarded to students who have credit for PHI 552, PHI 552W or POL 552W.

POL 553W Contemporary Political Theory (3) A. Cross-listed as PHI 553W. Prerequisites: ENG 102 or ENG 105 (B) or HON 102. Examination of Western political thought from the Renaissance to the mid-twentieth century. Credit will not be awarded to students who have credit for PHI 552, PHI 552W, or POL 552.

POL 553 Contemporary Political Theory. (3) A. Cross-listed as PHIL 553. Examination of Western political thought from the mid-twentieth century to the present. Credit will not be awarded to students who have credit for PHI 553, PHI 553W or POL 553W.

POL 554W Social Psychology. (3) A. Prerequisite: PSY 200. Writing-intensive introduction to the various research methods and descriptive statistics used in social psychology. Credit will not be awarded for both PSY 250 and PSY 250W.

POL 565 Administrative Law. (3) A. Nature of the powers vested in administrative agencies; the problems of administrative procedure; and the methods and extent of judicial control over administrative action.

PSY—Psychology

Dr. Robert Brubaker, Chair

PSY 200 Introduction to Psychology, (3) I, II. A. Prerequisite: ENG 102 or 105 (B) or HON 102, and completion of developmental reading requirement. A survey of the major content areas and methods of psychology, including history, biological correlates, cognition, language, intelligence, motivation, emotion, development, personality, abnormal, therapy, and social behavior. Credit will not be awarded for both PSY 200 and 200W. Gen. Ed. E-1B [SB].

PSY 200W Introduction to Psychology Writing Intensive, (3) I, II. Prerequisites: ENG 102 or 105 (B) or HON 102, and completion of developmental reading requirement. A writing intensive survey of the major content areas and methods of psychology, including history, biological correlates, cognition, language, intelligence, motivation, emotion, development, personality, abnormal, therapy, and social behavior. Credit will not be awarded for both PSY 200 and 200W. Gen. Ed. E-1B [SB].

PSY 250 Information Literacy in PSY. (3) A. Prerequisite: PSY 200 or 200W. Completion of developmental reading requirements; A survey of reading and writing requirements. Information literacy, reading, evaluating, summarizing scientific literature in Psychology; scientific writing (APA format); basic research terminology. Credit will not be awarded for both PSY 250 and 250W.

PSY 250W Information Literacy in PSY (3) A. Prerequisites: PSY 200 or 200W and completion of developmental reading requirements; ENG 102 or ENG 105(B) or HON 102. Information literacy,
PSY 349 Applied Learning in Psychology. (5-8-A)
Prerequisite: PSY 258 and departmental approval. Work in placements related to academic studies. A minimum of 80 hours employment required for each semester hour credit. Three hours are applied toward the major, not applicable toward a minor. Course may be repeated for up to 16 credits total. Graded Satisfactory-Unsatisfactory.

PSY 401 Senior Thesis. (3) I, II, III
Prerequisites: ENG 305 or ENG 305 (B). Design of a supervised independent research project. Credit will not be awarded for both PSY 401 and PSY 402.

PSY 402 Independent Learning in Psychology. (1-3) I, II
Prerequisite: student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. Results must be presented in a formal paper. May be taken to a maximum of six hours provided different problems are studied.

PSY 403 Practicum in Psychology. (1-3)
Prerequisite: student must have the field experience proposal form approved by faculty supervisor and department chair prior to enrollment. Supervised field experience. May be taken to a maximum of six hours.

PSY 405 Intro to Interviewing/Therapy. (3) A
Prerequisite: PSY 250 and 308. Introduction to the basic concepts and skills of interviewing and therapeutic communication in the mental health field.

PSY 406 Intro to Behavior Therapy. (3) A
Prerequisite: PSY 250, and PSY 308, and ENG 102 or ENG 105 (B) or HON 102. Principles and techniques of behavior therapy. Analysis of complex human behavior is emphasized. Emphasis is placed on methods of observing behavior and analyzing functional relationships between behavior and environment.

PSY 407 Psychology of Adoption. (3) A
Prerequisite: PSY 250, and PSY 308, and PSY 312, and ENG 102 or ENG 105(B) or HON 102. Descriptive study of behavior disorders in children, with attention to symptoms or behavioral patterns, etiological influences, relevant research, theoretical underpinnings, and approaches to assessment and intervention.

PSY 409 Experiential Learning in Psychology. (6, 1-2) A
Prerequisite: departmental approval. Supervised field experience in Psychology. Only full-time students may enroll.

PSY 411 The Psychology of Art. (3) A
Prerequisite: PSY 250, and PSY 305, and PSY 308, and ENG 102 or ENG 105 (B) or HON 102, or departmental approval. Exploration of selected psychological principles and techniques which selected artists utilize in their work. Examination of the role of the artist and the audience in the creation of art.

PSY 413 Mind and Brain. (3) A
Prerequisite: PSY 250, and PSY 311(C) or 313(C), and PSY 315(C) or 317(C). A bridging discourse between cognitive science and biopsychology that examines the neural bases of mental processes and complex behavior. Major topics include functional brain imaging, neural networks, perception, memory, language, and consciousness.

PSY 414 Political Psychology. (3) A
Prerequisite: PSY 250, and PSY 305, and ENG 102 or ENG 105(B) or HON 102, or departmental approval. Provides an understanding of how political beliefs and behavior are shaped by political dispositions within the individual. Topics may vary from semester to semester. Variable topics may be offered for credit.

PSY 415 Multicultural Psychology. (3) A
Prerequisite: PSY 250, and PSY 305, and ENG 102 or ENG 105(B) or HON 102, or departmental approval. Examines the value-laden nuances of mainstream psychology and its early history of promoting discrimination toward diverse groups in American society, while introducing the multicultural approach for combating the resulting “isms” (e.g., racism, genderism).

PSY 419 Research Development Skills II. (3)
Prerequisite: PSY 399 and Research Proposal Approved by EKU IRRB. Advanced development of data gathering, data analysis, and research presentation skills. Students will execute research developed in PSY 399, learn alternative data management and analyses techniques, prepare oral and written presentations of research. Credit will not be awarded to students who have credit for PSY 401 or 402.

PSY 420 Psychology of Women and Gender. (3) A
Prerequisite: PSY 250, and PSY 305, and ENG 102 or ENG 105(B) or HON 102, or departmental approval. Introduction to current and historical theories and research into the psychology of women, including gender differences and similarities.

PSY 429 Psychological Perspectives on Substance Abuse. (3) A
Prerequisite: PSY 308. Topics include an overview of current and historical models of addiction and a comparison of assessment and treatment techniques, with the psychological emphasis.

PSY 458 Grad School Prep. (3) A
Prerequisite: junior or senior standing in Psychology; or departmental approval. Hands-on workshop for students intending to pursue graduate education in the near future.

PSY 466 Forensic Psychology. (3) A
Prerequisite: PSY 250, and PSY 300, and PSY 308, and ENG 102 or ENG 105(B) or HON 102. Survey of the major areas of forensic psychology including mental health law, experimental psychology and the legal system, forensic assessment, theories of criminal behavior, and corrections psychological. Credit will not be awarded both for PSY 466 and PSY 411.

PSY 476 Psychology of Trauma. (3) A
Prerequisite: ENG 101, 102(B), or HON 102; PSY 250, or PSY 308, or departmental approval. Topics include trauma and its related assessment and treatment, from a broad perspective. Emphasis will be on the applications of theoretical viewpoints to a variety of posttraumatic situations with a transcultural approach to clinical scholarship on trauma.

PSY 477 Psychology of Intellectual and Developmental Disabilities. (3) A
Prerequisite: PSY 250 or 250W, PSY 308, PSY 408, and PSY 280 or 312; or departmental approval. Survey of developmental disabilities, including causes, impacts on the individuals and their families, and intervention approaches, as well as broader topics such as education, service delivery approaches, and ethics.

PSY 490 Clinical Psychology. (3) A
Prerequisite: PSY 250, and PSY 308, and ENG 102 or HON 102. Survey of clinical theories, methods, and approaches.

PSY 497 Advanced Topics in Psychology: (1-3) A
Prerequisite: PSY 301 or 302, and ENG 102 or ENG 105(B) or HON 102, or departmental approval. Additional prerequisites will be determined by the specific topic. Selected topics for study. Variable topics across semesters in terms of student interest and available faculty. May be taken for a maximum of 12 hours provided the subject matter differs each time.

PSY 499 Senior Exit Course in Psychology (0). I, II, III
Prerequisite: Senior standing and major in psychology. Students will complete their Senior Exit Survey and the Senior Knowledge Exam in this course.

PSY 510 Publishing Empirical Research. (3) A
Prerequisite: PSY 310 or equivalent, and departmental approval. Students must submit proposals to instructor prior to enrollment. This course will focus on analyzing, writing, and submitting results of a psychological study or experiment to an undergraduate or professional journal.

PSY 530 Cognitive Development. (3)
Prerequisites: PSY 309, or departmental approval. Overview of how individuals become intelligent through the acquisition of knowledge, learning to reason, think, and engage in abstract thought.

PSY 577 The Autism Spectrum. (3) A
Prerequisites: PSY 280 or PSY 312, and PSY 308, and PSY 309, or departmental approval. Introduction to assessment, diagnosis, and intervention in autism spectrum disorders across the life span. Development of skills in applied assessment and intervention.

PSY 579 History and Systems of Psychology. (3)
Prerequisites: PSY 311 or PSY 315; PSY 317 or PSY 333; PSY 312 or PSY 314 or PSY 316, and PSY 300 or PSY 305 or PSY 308, and CMS 100 or CMS 210, or departmental approval. PSY 579 examines contemporary psychological issues from each of the five core perspectives. Issues vary from semester to semester. May be taken once, provided the subject matter differs each time.

PSY 590 Tests and Measurements. (3) A
Prerequisite: PSY 309 or departmental approval. Study of measurement principles with application in psychology, business, industry, and government. Interpretation, use, and evaluation of measurement and job analysis methods. Reliability, validity, utility, ethical/legal concerns are examined.

PSY 597 Advanced Topics in Psychology: (3) A
Prerequisite: PSY 250, and ENG 102 or ENG 105(B) or HON 102, or departmental approval. Selected topics for advanced study. Topics vary across semesters depending on student interest and available faculty. May be taken up to 12 hours.

PUB 320 Design for Mass Media (3). I, II,
Introductory design course for non-designers presenting concepts, principles, terminology, tools, and techniques related to design and production within public relations. Emphasis on media channels/audiences. Credit will not be awarded to students who have received credit for JOU 320.

PUB 349 Applied Learning in Public Relations (3) A. Prerequisites: junior standing, "B" average in all courses within the department, and departmental approval. Work under faculty and field supervisors in cooperative placements related to the student's academic studies. One to eight hours credit per semester or summer. Total credit hours: eight; associate, sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit. One hour may be used to satisfy major requirements within the department.

PUB 350 Cooperative Study: Public Relations. (5-8) A. Prerequisites: junior standing, "B" average in all courses within the department, and departmental approval. Work under faculty and field supervisors in cooperative placements related to the student's academic studies. One to eight hours credit per semester or summer. Total credit hours: eight; associate, sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit. One hour may be used to satisfy major requirements within the department.

PUB 375 Public Relations Principles. (3) I, II. Survey of principles and practices in disseminating information to internal and external audiences in business, industrial, educational, social and government agencies.

PUB 380 Public Relations Writing. (3) I, II. Prerequisites: COM 201 and PUB 375. Practice in public relations planning and writing for publications, media, and other media materials for the public and special interest groups, including institutions, governments, and other organizations. Also includes writing in business formats.

PUB 385S PR Event Planning & Management. (3) A. Prerequisite: PUB 375 with a grade of "C" or higher. Hands-on experience identifying a public relations goal and supporting it with a special event. Also includes specific planning procedures, communication methods and evaluation procedures. Credit will not be awarded for both PUB 385 and PUB 385S.

PUB 400 Studies in Public Relations (1-3) A. Prerequisite: departmental approval. Study of specific areas of Public Relations through a course examining timely or topical concerns in the field. Specific topic included in schedule. May be retaken to maximum of nine hours.

PUB 410 Social Media and Public Relations. (3) I, II. Introduction to social media forms and design. Emphasis on social media as a public relations tool in terms of institutional, social, and technological impact. Includes working with community partner(s) to create an online presence.

PUB 412 Web Marketing and Development. (3) I, II. Cross-listed as JOU 412. Prerequisite: PUB 320 or JOU 320 with a grade of "C" or higher. An introduction to the communication theory, strategies, tools and techniques of Internet marketing and effective Web development. Emphasis on interactivity theory, interactivity design, content, functionality, graphical use of HTML and CSS. Credit will not be awarded for both PUB 412 and JOU 412.

PUB 415S Public Relations in the Performing Arts (3) I, II. Prerequisite: C or higher in 380. Using a service-learning approach, students apply principles, traditional and contemporary tools, best practices, case studies, strategic planning and execution, and public relations management strategies toward a career in the performing arts or non-profit organizational management.

PUB 425 Crisis & Risk Communication (3) Prerequisite: PUB 475 with completion of 90 hours. Communicating the correct messages through proper methods and channels before, during, and after a crisis. Exploration of social media in crises. Identification and management of appropriate publics for crisis communication. Exploration of other business analyses including crisis management during miscommunication during crises, emphasis on follow-up after crises. Credit will not be awarded to students who have credit for PUB 400.

PUB 470 Public Relations Internship. (1-3) I, II. Prerequisites: COM 201, PUB 375, PUB 380, 2.25 GPA for major and supporting courses. Supervised practical experience in a public relations operation. May be taken to a maximum of three hours.

PUB 475 Advanced Public Relations. (3) A. Prerequisite: PUB 380. Emphasizes a management approach and application of the four-step PR process to solving public relations problems through planning, design, and production of print, audiovisual, and broadcast materials used in public relations. Includes public relations case studies and problems.

PUB 480 Integrated Communications Strategies. (3) A. Prerequisite: PUB 375 with a grade of "C" or higher. Prerequisite: PUB 475. Examination of the interactions within an organization's overall communication efforts, including public relations, industrial and graphic design, organizational communication, and other related initiatives.

PUB 490 Writing for Public Relations Campaigns. (3) A. Prerequisites: JOU 320 or PUB 320 with a grade of "C" or higher, PUB 475 with a grade of "C" or higher, and PUB 420 with a grade of "C" or higher. Application of PR and media planning, study, research, and evaluation to public relations campaigns. Includes budgeting and scheduling of campaigns. Credit will not be awarded for both PUB 490 and PUB 490S.

PUB 490S Independent Study in Public Relations. (1-3) A. Prerequisite: PUB 375 with a grade of "C" or higher. Prerequisite: PUB 475. Evaluation of students' progress toward a career in public relations, especially the development of a portfolio, and development of job search strategies and skills. Includes assessment of instruction and curriculum. Credit will not be awarded for both PUB 490 and PUB 490S.

PUB 491 Senior Seminar in Public Relations. (1-3) I, II. Prerequisites: completion of 90 hours with at least 1 hour from COM 349, or PUB 475 or 470. Evaluates students' progress toward a career in public relations, especially the development of a portfolio, and develops job search strategies and skills. Includes assessment of instruction and curriculum. Credit will not be awarded for both PUB 491 and COM 491.

PUB 499 Independent Study in Public Relations. (1-3) A. Prerequisite: Student must consult with the faculty supervisor and have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of three hours.

PUB 520 Integrated Public Relations Strategies. (3) A. Examines integrated public relations skills used to achieve organizational objectives. Emphasizes strategic planning including forecasting and communicating future business plans. Includes an in-depth look at relevant communication theories explaining common public relations problems and strategies.

QMB—Quantitative Methods Dr. Oliver Feltus, Chair

QMB 200 Business Statistical I (3) I, II. Prerequisite: MAT 112 (or MAT 211) with a grade of "C" or better. Business applications of probability, measures of central tendency, dispersion, sampling, correlation and hypothesis testing.

QMB 240 Managerial Decision Models (3) I, II. Prerequisite: MAT 112 with a grade of "C" or better. Introduction to quantitative decision methodology for business. Includes break-even analysis for linear and nonlinear revenue and cost functions, analysis of project maximizing and cost minimizing output, inventory, peak load pricing and other business analysis including finding candidates who complete MAT 211 with a "C" or better are not required to take QMB 240.

REC—Recreation and Park Administration Dr. Jon McChesney, Chair

REC 101 Recreation and Tourism Careers. (1) I, II. Introduction to the broad scope of careers and employment in recreation, parks, and leisure services organizations.

REC 102 Introduction to Recreation Leadership. (3) I, II. Techniques of leadership in working with individuals in groups in various settings. Methods of organization, guidance, and supervision of program activities.

REC 110 SCUBA Confined Water. (1) I. Relationships of scuba diving to adventure tourism, introduction to SCUBA diving equipment and techniques in open water settings. This course is prerequisite to PUB 110 SCUBA Diving - Open Water.

REC 111 SCUBA Open Water. (1) II. Prerequisite: REC 110. Relationships of scuba diving to adventure tourism, introduction to SCUBA diving equipment and techniques in open water settings. This course will be conducted over a 2.5 day period at an off-campus dive site.

REC 163 Fieldwork I. (1) A. On-site observation and assistance within a recreation, park or leisure services agency. Observe and assist with recreation activities, programs and special events.

REC 180 Outdoor Adventure Activities. (1) I. Overview of an adventure course with an emphasis on skills gained in hiking, rock climbing, kayaking, caving, rafting, sailing, mountain biking, horseback riding, backpacking, snorkeling, and snow skiing. Students will attend skill-based workshops.

REC 190 Challenge Course Introduction. (1) A. Outdoor-based experiential focus using the EKU Challenge Course, climbing tower, and group initiatives.

REC 200 Leisure Diversity and Culture. (3) I, II. A comprehensive study of leisure and culture using an interdisciplinary, philosophical approach to cultural diversity, economic, behavioral, and historical dimensions of play, recreation and leisure; evolution of leisure lifestyles; impact of leisure on the quality of life; and knowledge of professional roles.

REC 210 Equine Assisted Therapeutic Recreation. (3) I. Prerequisite OTS 205 or departmental approval. Introduction to Equine Assisted Activities and Therapies (EAAT). The history and application of EAAT and the general emotional, physical and medical benefits of EAAT for individuals with diverse needs. This course provides hands on activities with a local program.

REC 225 Recreation Hobbies. (3) A. Comprehensive study of recreation services and leisure education; emphasis on leisure time skills, hobbies, avocations, and lifetime recreation; utilization of constructive leisure from youth to senior adults including the disabled person.

REC 250 Tourism Videography. (3) I, II. An examination in tourism and recreation video production, with emphasis in field production. The course combines theory, history and practice. Hands-on demonstrations, screenings, readings, lectures and discussion prepare students to develop skills in outdoor video production.

REC 263 Fieldwork II. (1-2) A. Prerequisite: REC 163. On-site practical experience in a recreation, park, or leisure services agency. Organize and lead recreation programs.

REC 280 Programming Special Events. (3) A. Introduction to the methods and techniques of delivering fairs, festivals and special events. Course focuses on the principles and concepts of event planning, management, marketing, and evaluation.
Section Seven - Course Descriptions

Attention is given to the historical context of the development of these religions and to the doctrines, rituals and literature produced by them. Credit will not be awarded for both REL 301 and 301W. Gen. Ed. E-3B [AH].

REL 301W World Religions: Writing Intensives (3) I, II. Prerequisite: ENG 102 or 105 (B) or HON 102 (B). A writing intensive study of the basic notions found in the world’s great religions. Attention is given to the historical context of the development of these religions and to the doctrines, rituals and literature produced by them. Credit will not be awarded for both REL 301 and 301W. Gen. Ed. E-3B [AH].

Planning and organization of the personal property-liability insurance; analysis of insurance coverage against pure risk related to property-liability insurance exposure. Credit will not be awarded to students who have credit for INS 372.

RMI 374 Fundamentals of Life and Health Insurance. (3) A. Formerly INS 374. Prerequisite: RMI 370 or instructor approval. Analysis of life and health insurance and annuity products available in the individual market. Includes a discussion of systems for determining the individual’s life and health insurance needs. Credit will not be awarded to students who have credit for RMI 374.

RMI 376 Excess & Surplus Lines. (3). I, II. Prerequisites: RMI 370 or 372 (with a minimum grade of “C” in either course). The course explains the function of the nonadmitted insurers and the policies they issue in the excess and surplus lines market. The course also covers the function and purpose of reinsuranc. 

RMI 378 Risk Management. (3) A. Formerly INS 378. Credit Management as used by organizations; basic functions of risk management with emphasis placed on risk management decision making. Credit will not be awarded to students who have credit for INS 378.

RMI 380 Personal Risk Management. (3) A. Formerly INS 380. Prerequisite: RMI 370 or instructor approval. An intensive examination of personal loss exposures and their treatment. Emphasized is the use of risk management techniques. Topics include property and liability loss exposures for personal automobile, homeowners, premature death, illness, accidental injury, superannuation, investment risks, and estate planning. Credit will not be awarded to students who have credit for INS 380.

RMI 400 Seminar in Insurance. (1-3) A. Formerly INS 400. Prerequisite: instructor approval. Selected topics in current and contemporary interest to insurance majors. May be retaken under different subtitles to a maximum of six hours. Credit will not be awarded to students who have credit for INS 400.

RMI 406 Insurance Agency Operations (3) A. Formerly INS 406. Examines the unique operations of an equally unique small business, the insurance agency. It will apply material used in other courses such as management, marketing, accounting, finance, and risk management. Business administration principles will be distilled into components that may be applied to the operation of an insurance agency. This course will prepare the student for one part of the Accredited Advisor in Insurance (AAI) specialty designation awarded by the Insurance Institute of America. Credit will not be awarded to students who have credit for INS 460.

RMI 474 Life Insurance and Estate Planning. (3) A. Formerly INS 474. Prerequisite: RMI 374 or instructor approval. Role of life insurance, gifting and trusts in estate planning; considerations of developing an estate plan for the individual or the family. Credit will not be awarded to students who have credit for INS 474.

RMI 476 Employee Benefit Planning. (3) A. Formerly INS 476. Prerequisite: RMI 370 or instructor approval. Employee benefit plans including taxation, costs, and choices of funding. Includes an analysis of the role of employee benefit plans in meeting the risks of death, sickness, disability and superannuation. Credit will not be awarded to students who have credit for INS 476.

RMI 486 Insurance Company Operations. (3) A. Formerly INS 486. This course examines unique insurance functions including underwriting, reinsurance, ratemaking, claims adjusting, loss control and other insurer activities. It will prepare the student for an examination administered by the American Institute for CPCU. Course credit will not be awarded to students who have credit for RMI 486.

RMI 490 Special Problems in Insurance. (1-6) A. Formerly INS 490. Prerequisite: advisor/departmental approval. May be retaken under different subtopics to a maximum of six hours. Independent work, special workshops, special topics, or seminars. Student must have the independent study course proposal approved by faculty supervisor and department chair prior to enrollment. Credit will not be awarded to students who have credit for INS 490.

RMI 520 Survey of Risk Management and Insurance. (3) A. Prerequisite: Instructor approval. The examination of risk management and insurance concepts and principles in application. Coverage will include a broad base of current topics and tools used in this dynamic area and provide the student the background for improved decision making in dealing with risk.

RST—Real Estate

Dr. Oliver Felts, Chair

RST 110 Real Estate Principles (3) A. Introduction to the elements of real property ownership, law, financing, fee simple estates, and leasehold interests. Course cannot be used as a business elective and hours cannot count toward a business major.

RST 120 Real Estate Principles II (3) A. Prerequisites: RST 110 with a minimum grade of “C”. Exploration of real estate as a business and profession with emphasis on application, preparation, market condition, appraisal, investing, housing, license law, and career opportunities. Course cannot be used as a business elective and hours cannot count toward a business major.

SCI—Science

Dr. Lori Wilson, Chair

SEC—Security Management

SEC 110 Principles of Security

Management. (3) A. Examination of how security professionals in private and government organizations identify, prioritize, and manage ethical risks; role of private security in public safety and homeland security; and multiple career options in the security profession.

SEC 250 Personnel Security (3) A. Ensuring employee and contractor integrity through background screening and security awareness training. Review of special programs to protect key personnel, employees in high risk environments, and to mitigate workplace violence.

SEC 260 Security and Loss Prevention (3) A. Protecting retail operations and inventories against loss from internal and external threats and administrative errors. Developing cost effective programs for policy, physical and human controls to prevent loss.

SEC 349 Applied Learning in SEC. (5-9) A. Prerequisites: Departmental approval, The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of nine hours.

SEC 349 A-N SEC Cooperative Study. (5-9) A. Prerequisite: Departmental approval. The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of nine hours.

SED 104 Special Education Introduction. (3) I, II. A. Overview of major categories of disabilities and the educational, legal, and social issues in the area of disabilities and special education. Observation/participation through field experience required. Gen. Ed. E-6 [GE].

SED 207 Topics in Special Education. (1-3) A. Work related to current issues and topics in special education, special workshops, special seminars. May be retaken with a maximum of nine hours.

SED 240 Communication Skills for Hearing Impaired. (3) I. Basic principles of manual communication and sign language. Builds an expressive and receptive vocabulary of a least 1,000 signs to enable communication with individuals who use total communication.

SED 260 Language and Speech Disorders of Exceptional Children. (3) I, II. Prerequisite: Background check per Teacher Education Services approved procedure, must be ordered and paid for by the first day of University classes. Acquisition of normal language and speech in our multi-cultural society. Identification and educational management of language and speech disorders in exceptional children.

SED 337 Education of the Deaf and Hard of Hearing. (3) A. Study of personality, intellectual, and emotional development of the deaf and hard of hearing. Emphasis on social maturity, motor functioning, multiple disabilities and the significant history of educational programs at all levels.

SED 349 Applied Learning in Special Education. (5-8) A. Elective credit offered through work experiences for students seeking teacher certification. Minimum of 80 hours work required for one credit hour. Maximum hours to be earned: six in summer; eight during semester; sixteen in bachelor’s program.

SED 349 A-N Cooperative Study: Special Education. (5-8) A. Elective credit offered through work experiences for students seeking teacher certification. Minimum of 80 hours work required for one credit hour. Maximum hours to be earned: six in summer; eight during semester; sixteen in bachelor’s program.

SED 352 Special Education Early Childhood Assessment (3) I, II. Prerequisite: SED 104. Corequisite: CED 400 or departmental approval. Formal and informal procedures for screening and assessing young children (0-5) with disabilities or at-risk conditions.
in physical, communication, cognitive, psychosocial and self-help areas.

SED 3356 Methods and Materials for LBD. (3) I, II. Prerequisites: Introductory and assessment courses and admission to professional education or departmental approval. Instructional principles and strategies, including implementation, and evaluation of validated educational programs and materials for LBD.

SED 375 Practicum in Special Education. (3-6) LH. Prerequisite: admission to professional education or departmental approval. Corequisite: CED 349T for Early Childhood Special Education majors or SED 349Q for LBD and DHH majors. A supervised practicum. Educational/ developmental assessment, applied behavior analysis, IEP/IFSP. May be taken to a maximum of nine hours credit in non-teaching majors.

SED 402 Differentiated Instruction. (3) I, II. Prerequisites: EDF 219, 413, ELE 412, and admission to disabilities including dual sensory. The use of Milieu of computer technology and assistive/adaptive devices Cross-listed as SED 730. The implementation Credit will not be awarded for both SED 518S and 518. Overview of history, philosophy, legislation and services for young children (Birth-5) at-risk or with disabilities, including family, to design and implement IEP including instruction, related services, and transition for employment and community living. Collaboration strategies, and personnel, and records management. Credit will not be awarded for both SED 538 and SED 338.

SED 545 IEP Transition and Professional Roles in Special Education. (1-3) I. Prerequisite: admission to professional education or departmental approval. Working with interdisciplinary teams, including family, to design and implement IEP including instruction, related services, and transition for employment and community living. Collaboration strategies, and personnel, and records management. Credit will not be awarded for both SED 538 and SED 338.

SED 436 Early Intervention Programming. (3) I. Prerequisite: Admission to Professional Education or departmental approval. Corequisite: CED 650F for IEEC teaching majors. Developmental, family-focused intervention methods, for children (Birth-5) at-risk or with disabilities. Curriculum design across physical, communication, cognitive, psychosocial and self-help areas. Planning, implementing, monitoring and evaluating IEP/IFSP's.

SED 500 Best Practices and Programming in Moderate and Severe Disabilities. (3) II. Introduction to teaching students with MSD. Educational needs, issues, legal mandates, and family concerns. Focuses on best practices for inclusive school and community programs. Open to non-majors.

SED 507 Problems in Special Education:... (1-3) I. Prerequisite: advisor or departmental approval. School-related work, special workshops, special seminars. May be taken with different descriptions.

SED 510 Assessment and Methods for Deaf/HI. (3-3) A. Prerequisite: ELE 302; admission to professional education or departmental approval. Standardized and informal assessments used to measure reading and content knowledge of d/h students. Sample curricula and instructional strategies used with d/h.

SED 518 Special Education in Early Childhood. (3) I, II. Prerequisites: SED 104, 401 or 575 and SED 260 or CDS 160; or instructor approval. Overview of history, philosophy, legislation and services for young children (0-5) at-risk for or with disabilities, including impact and intervention across developmental domains. Credit will not be awarded for both SED 518 and 518S.

SED 518S Special Education in Early Childhood. (3) I, II. Prerequisites: SED 104, 401 or 575 and SED 260 or CDS 160; or instructor approval. Overview of history, philosophy, legislation and services for young children (0-5) at-risk for or with disabilities, including impact and intervention across developmental domains. Service learning is a component of this course. Credit will not be awarded for both SED 518S and 518S.

SED 530 Technology Strategies for MSD. (3) Prerequisites: sophomore standing. Cross-listed as SED 720. The implementation of computer technology and assistive/adaptive devices and strategies for students with multiple and severe disabilities including dual sensory. The use of Milieu communication in natural environments and daily routines. Credit will not be awarded to students who have credit for SED 730.

SED 522 Language Disorder of Students with Disabilities. (3) A. Overview of language development and related speech and language disorders including introduction to methodology.

SED 535 Teaching Students with Moderate and Severe Disabilities. (3) A. Functional assessment and systematic instruction for students with MSD. Use of assessment data to develop IEPs and instructional programs, including individualized education/programming based instruction. Methods and materials for implementing best practices across settings. Language of the Deaf and Hard of Hearing. (3) A. Prerequisite: SED 260 or departmental approval. Receptive and expressive conversational language development and written language acquisition from a developmental perspective. Concepts in bilingual education applied to deaf. Methods and resources for access and facilitate language development. Credit will not be awarded for both SED 538 and SED 338.

SED 574 Field Experiences with Exceptional Learners. (3) A. Prerequisite: departmental approval. A practicum experience with exceptional individuals. Emphasis is directed at behavior management, communication, and IEP/IFSP development.

SED 575 Nature and Needs of Exceptional Students. (3) A. Overview of special education including characteristics, definitions, programming, and supporting research. Open to non-majors.

SED 576 Introduction to Special Education Assessment. (3) A. Prerequisite: SED 104 or SED 575 or instructor approval. Principles of tests and measurement. Test administration, scoring, and interpretation applied to exceptional children. Application of assessment data to interdisciplinary teams.

SED 578 Behavior Disorders, (3) A. Open to non-majors. Behavior disorders and/or emotional disturbances as an educational, psychological, and/or sociological phenomenon. Definitions, characteristics, theoretical foundations, programmatic approaches.

SED 580 Audiology for Teachers of the Deaf and Hard of Hearing. (3) II. Physics of sound; anatomy, physiology, pathology and medical management of hearing impairment. Introduction to the audiometer and basic pure-tone and speech (auditory) testing; hearing aids and devices.

SED 581 Speech for the Deaf and Hard of Hearing. (3) A. Prerequisite: SED 260 and 338; or instructor approval. Phonological development, acoustic articulation, rhythm, phrasing, accent, fluency, effects of impairment on speech, speech reading, auditory training.

SED 590 Applied Behavior Analysis (3) A. Prerequisite: SED 575 or instructor approval. Behavior analysis applied to classroom and instructional management. Development of skills in data collection, intervention procedures, and evaluation of behavior change.

SJS —Social Justice Studies TBA, Chair

SJS 101 Understanding Social Justice and Human Struggle. (3). A. Explores the concepts of justice, conflict and social change and examines the ways in which political, economic, media, education, and other institutions create challenges for justice. Also examines efforts to resist these challenges. Consideration will be given to how people and state institutions such as the military, police, prisons, and welfare often exercise violence and threats thereof in struggles over justice. Alternatives to state violence will be examined.

SJS 470 States of Violence. (3) A. Prerequisites: Sophomore standing and SJS 101. Examines the relations among state regimes and their application of violence in historical and contemporary struggles. Consideration will be given to how people and state institutions such as the military, police, prisons, and welfare often exercise violence and threats thereof in struggles over justice. Alternatives to state violence will be examined.

SJS 470C Critical Curricular Studies. (3) A. Prerequisites: Sophomore standing and SJS 101. Examines the history, theoretical, and political development of ‘curricularity’, including technologies
of punishment, coercion, surveillance, and control. This class examines the rise of the prison industrial complex in the United States and its effects on oppressed communities.

**SJS 480** Ethnicity for Social Change. (3) A. Prerequisites: sophomore standing and SJS 101 and SJS 301 and SJS 396. An advanced methods class, this course examines the use of ethnography to achieve greater understandings of, and contributions toward, social change. Readings may include studies of power and resistance in Appalachia, the homeless in San Francisco, the use of state violence in the repression of dissent, and other important works.

**SJS 490** Identity, Culture, and Power. (3) A. Prerequisites: sophomore standing and SJS 101 and SJS 301 and SJS 313. Examines culture as a contested site of power relations. Looking at media, economics, education, law and other areas of cultural reproduction, this class explores the diverse and even clandestine ways that power operates and that subordinated populations resist.

**SOC—Sociology**

**Dr. Paulucci**, Chair

**SOC 131** Introductory Sociology. (3) I, II. Basic principles and concepts of sociology, including culture, socialization, social structure, groups, social processes, and social change. Gen. Ed. E-5B [SB].

**SOC 232** Social Statistics. (3) I, II. Prerequisites: SOC 131 and completion of all developmental mathematics requirements. Statistical analysis of survey data, including forming sociological research questions, variable selection, analysis, interpretation, and writing standard scientific form.

**SOC 235** Social Problems. (3) I, II. Analysis of selected social problems such as crime, mental illness, divorce, population, and poverty, as well as controversies over human sexuality. The analysis includes the definition, causes, and consequences of social problems. Gen. Ed. E-5B [SB].

**SOC 300** Sociology of Humans and Animals (3) A. Prerequisite: ENG 102, 105(B), or HON 102. Completion of SOC 131 is advised. A survey of the sociology of animal-human interaction, focusing on the human-animal bond and conflict between human and animal worlds.

**SOC 320** Mind, Self, and Society. (3) A. Prerequisites: ENG 102, 105(B), or HON 102. Completion of SOC 131 is advised before taking SOC 320. Relation of the individual to the sociocultural environment, with special reference to personality development, interpersonal role behavior, motivation, and social attitudes.

**SOC 322** Sociology of Mass Media (3) A. Prerequisites: ENG 102, 105(B), or HON 102; SOC 131 or COM 200. Mass media as social structure and audience in interpretation of mass media is examined through sociological analysis of media ownership, media content, and audience characteristics.

**SOC 330S** Sociology of Migration. (3) I. A. Prerequisites: ENG 102, 105(B), or HON 102; 3 hours in SOC or departmental approval. A sociological exploration of global migration including study of migrants, refugees, politics, laws, and the role of the global economy, informed through service-learning.

**SOC 345** Sociology of the Family. (3) A. Prerequisites: ENG 102, 105(B), or HON 102. Completion of SOC 131 is advised before taking SOC 345. Examines family as a social institution, including its relation to cultural and social change and to the wider structural context.

**SOC 350** Selected Topics in Sociology. (3) A. Prerequisite: ENG 102, 105(B), or HON 102. Completion of SOC 131 is advised before taking SOC 350. May be taken to a maximum of nine hours provided the subject matter differs each time. Sample topics: Appalachian sociology; sexism and society; utopias.

**SOC 363** Appalachian Images in Film and Song. (3) A. Cross-listed as APP 363. Completion of SOC 131 is advised before taking SOC 363. Media images of the Appalachian region and its people through film and music, focusing on how such images become produced and reproduced. Credit will not be awarded for both SOC 363 and APP 363.

**SOC 365** Social Change in Appalachia. (3) A. Cross-listed as APP 366. Completion of SOC 131 is advised before taking SOC 365. Examination of patterns of social change and development in an important area of the Southern United States, Central and Southern Appalachia. Emphasis will be placed upon current sociological perspectives and the importance of historical research. Credit will not be awarded for both SOC 365 and APP 366.

**SOC 370** Religion in Appalachia. (3) A. Cross-listed as APP 370. Completion of SOC 131 is advised before taking SOC 370. An examination of diversity and change in the religious beliefs, practices, groups, and organizations found in the Southern Appalachian Region. Credit will not be awarded for both SOC 370 and APP 370.

**SOC 383** Environmental Sociology. (3) A. Prerequisite: ENG 102, 105(B), or HON 102. Completion of SOC 131 is advised. The study and application of concepts from ecology, political economy, and sociology to understand the relationship between humans and their physical environment.

**SOC 395** Research Methods in Sociology. (3) I, II. Prerequisite: SOC 232. Methods and techniques of sociological research, including collecting, measuring, analyzing, processing, and presenting social data.

**SOC 399** Gender and Society. (3) A. Prerequisites: SOC 131 or SOC 235; ENG 102 or ENG 105(B) or HON 102. Emphasis on the relationship between gender and the experiences of women and men in societies. Consideration of cultural diversity in defining gender roles. Gen. Ed. E-6 [GE].

**SOC 412** Sexuality, Society & Justice. (3) A. Prerequisites: SOC 131 and ENG 102 or ENG 105(B) or HON 102. Analysis of the development of social and ethnic relations from the perspective of sociology and related social sciences. Examination of issues related to dominant and minority group status in the United States and cross-culturally. Gen. Ed. E-6 [GE].

**SOC 420** Social Organization. (3) A. Prerequisite: SOC 131. An advanced methods course in the study of the social construction of gender and the experiences of women and men in societies. Considering the development of race, ethnicity, gender, and social justice in the United States. Topics include law, social movements, hate crimes, intimate partner violence and politics.

**SOC 425** The Modern World System. (3) A. Prerequisite: ENG 102, 105(B), HON 102, or departmental approval. Completion of SOC 131 is advised. Analysis of various types of organizations in American society; internal and external processes and organizational structure.

**SOC 426** Sociology of Education. (3) A. Prerequisite: SOC 131. Socialization of school children, social control in the school, and the social organization of educational systems. Gen. Ed. E-6 [GE].

**SOC 455** Social Theory. (3) A. Prerequisite: SOC 131. An introduction to major sociological social theories. Gen. Ed. E-5B [SB].

**SOC 463** Social Stratification. (3) A. Prerequisites: ENG 102, 105(B), or HON 102; three hours in SOC. Classical and contemporary approaches to understanding the causes and consequences of social stratification and inequality. Primary focus is on social class inequalities with consideration of race/ethnicity, gender, and other relations of power. Gen. Ed. E-6 [GE].

**SOC 465** Demography. (3) A. Prerequisites: SOC 131 and 232. Topics include demographic data and analysis, population characteristics, migration, mortality, fertility, population policies, world population growth, and population policies.

**SOC 470** Senior Seminar in Sociology. (3) A. Prerequisites: ENG 102, 105(B), or HON 102; SOC 395 and senior standing. A capstone overview of sociology through a general survey of various subdisciplines of the field with an emphasis on student understanding of research, theory, and professionalization.

**SOC 490** Independent Study in Sociology. (1-6) A. Prerequisites: SOC 131 and six additional hours in SOC. Student must have independent study proposal form approved by faculty supervisor and department chair prior to enrollment. Additional independent study courses may be taken to a maximum of six hours.

**Spanish**

**Dr. Abbe Poffenberger**, Chair

**SPA 101** Conversational Spanish I. (3) I, II. Prerequisite: Completion of all required developmental reading and writing courses. Beginning Spanish for students with little or no previous study of Spanish. Qualified students should enroll at a higher level. Proficiency-based course emphasizing active communication in Spanish, and introducing the cultural diversity of the Spanish-speaking world. Conducted in Spanish. Not open to students who have native or near-native fluency in Spanish. Gen. Ed. E-6 [GE].

**SPA 101P** Spanish Practicum I. (3) I, II. Students who enroll in this course must be concurrently enrolled in SPA 101. This course provides students with an additional opportunity to study and apply the vocabulary, grammar, and usage presented in SPA 101.

**SPA 102** Conversational Spanish II. (3) I, II. Prerequisite: SPA 101, or equivalent proficiency. (Students with three or four successful years of high school Spanish should begin their study in SPA 102, 105, or higher. Students entering SPA 102 by referral or placement will receive three hours credit for SPA 101 if they make an “A” in 102.) Continuation of SPA 101. Conducted in Spanish. Not open to students who have native or near-native fluency in Spanish. Gen. Ed. E-6 [GE].

**SPA 102P** Spanish Practicum II. (3) I, II. Students who enroll in this course must be concurrently enrolled in SPA 102. This course provides students with an additional opportunity to study and apply the vocabulary, grammar, and usage presented in SPA 102.

**SPA 105** Accelerated Spanish I. (6) A. Recommended: minimum of two years High School Spanish and/or instructor approval. An intensive approach to the skills of reading, writing, speaking, listening, and understanding culture. SPA 105 covers the same material as SPA 101 and 102, but is completed in a single semester. Conducted in Spanish. Not open to students who have native or near-native fluency in Spanish. Gen. Ed. E-6 [GE].

**SPA 201** Intermediate Conversational Spanish I. (3) I, II. Recommended: SPA 102 or equivalent proficiency. Development of more advanced skills for speaking, listening, reading, and writing in contemporary cultural contexts. Laboratory work required. Students entering SPA 201 by referral or placement receive six hours credit for SPA 101 and 102 if they make an “A” or “B” in 201. Gen. Ed. E-6 [GE].

**SPA 202** Intermediate Conversational Spanish II. (3) I, II. Recommended: SPA 201 or equivalent proficiency. Development of more advanced skills for speaking, listening, reading, and writing, with
increased emphasis on short readings, discussions, and compositions on cultural topics. Laboratory work required. Credit towards SPA 205 by referral or placement receive nine hours credit for SPA 101, 102, and 201 if they make an “A” or “B” in 202. Gen. Ed. E-6 [GE].

SPA 205 Accelerated Spanish II (6) Prerequisite: SPA 105, or SPA 102 or equivalent with minimum grade of B, or two years AP high school Spanish, and/or instructor approval. An intensive approach to the skills of reading, writing, speaking, listening, and understanding culture. SPA 205 covers the same material as SPA 201 and 202, but is completed in a single semester. Gen. Ed. E-6 [GE].

SPA 206 Conversational Fluency. (3) A. Recommended: SPA 202 or equivalent proficiency (not open to students who have native or near-native fluency in Spanish). Active development of skills and strategies for functional fluency in Spanish in real cultural contexts.

SPA 295 Independent Work in Spanish. (1-3) A. Prerequisite: SPA 202 or equivalent proficiency. May be retaken to a maximum of 9 hours if content is different. Prior to enrollment, student must have the independent study proposal approved by faculty supervisor and department chair.

SPA 300 Reading and Culture. (3) A. Prerequisites: SPA 202 and SPA 206 or equivalent proficiency with department chair approval. Interactive discussion and writing on readings representative of Hispanic culture. Taught in Spanish.

Preparation for Exam P. (3) A. Prerequisite: SPA 206 and SPA 301. May be retaken to a maximum of 9 hours if topic is different. Selected topics in Spanish language, literature, or culture. Taught in Spanish.

SPA 301 Reading and Culture. (3) A. Prerequisites: SPA 206 and SPA 360, or equivalent proficiency with department chair approval. Provides opportunities to learn and use Spanish for business. Includes vocabulary for the social sciences and technical field of concern, advanced industrial technology, law enforcement, and health care, as deemed relevant. Taught primarily in Spanish.

SPA 312S Spanish for the Social Services. (3) A. Prerequisite: SPA 206 or Departmental Approval. Designed to develop the knowledge and skills required for communication by collaborating with professionals in an approved service learning site. Materials and activities are geared toward professional interactions and will emphasize cultural knowledge.

SPA 349 Applied Learning in Spanish. (3-6) A. Prerequisite: students must have successfully completed 15 hours of Spanish major courses or equivalent proficiency. In addition, transfer students must complete one semester of full-time course work at EKU. A minimum of 80 hours of employment is required for each semester hour of academic credit. Site, plan and hours must be approved by Spanish coordinator. Work under coordinator and field supervisors in placements related to academic studies. Maximum of 6 (six) hours toward a degree.

SPA 349 A-N Cooperative Study: Spanish. (3-6) A. Prerequisite: students must have successfully completed 15 hours of Spanish major courses or equivalent proficiency. In addition, transfer students must have completed one semester of full-time course work at EKU. A minimum of 80 hours of employment is required for each semester hour of academic credit. Site, plan and hours must be approved by Spanish coordinator. Work under coordinator and field supervisors in placements related to academic studies. Maximum of 6 (six) hours toward a degree.

SPA 360 Topics in Grammar: _____ . (1-3) A. Prerequisite: SPA 306 or equivalent proficiency with department chair approval. Intensive practice in developing skills for effective oral and written communication in Spanish. Taught in Spanish.

STA 215L StatExcel for STA 215 (3) A. Corequisite: STA 215. This optional lab is to accompany a regular lecture class in STA 215; topics will vary. 2 Lab.

STA 270 Applied Statistics I. (3) I, II. Prerequisite: MAT 107 or higher, a minimum score of 23 on the mathematics portion of the ACT, or a minimum score of 500 on the mathematics portion of the SAT. Measures of central tendency and dispersion, discrete and continuous distributions, binomial distributions, normal distributions, frequency distributions, correlation and linear regression, probability, sampling distributions, point and interval estimates, hypothesis testing, and use of statistical software. Gen. Ed. E-2 [QR].

STA 270L Lab for Applied Stats I. (1) A. Corequisite: STA 270. This lab is to accompany a regular lecture class in STA 270, topics will vary. 2 Lab.

STA 280 Applied Statistics II. (3) I, II. Prerequisite: STA 270, or STA 215 (C) or better and one of the following: MAT 107 or higher, a minimum score of 23 on the mathematics portion of the ACT, or a minimum score of 500 on the mathematics portion of the SAT, or departmental approval. Review of estimation and hypothesis testing, simple and multiple regression, model building, analysis of variance, contingency tables, elementary experimental design, classical time series analysis, and use of statistical software.

STA 349 Applied Learning in Statistics. (1-8) B, I, II; (1-6) SUMMER ONLY. Prerequisite: departmental approval. Work in placements related to academic studies. Does not apply to major or minor requirements. Total hours: even, odd, baccalaureate. A minimum of 80 hours of employment is required for each semester hour of academic credit.

STA 349 A-N Cooperative Study: Statistics. (1-8) B, I, II; (1-6) SUMMER ONLY. Prerequisite: departmental approval. Work in placements related to academic studies. Does not apply to major or minor requirements. Total hours: eight, nine, even, odd. Baccalaureate. A minimum of 80 hours of employment is required for each semester hour of academic credit.

STA 370 Applied Probability, (3) II. Prerequisite: MAT 224 or 224H or 225H and STA 215 or 270 or COR 400 or CRJ 400 or ECO 220 or EPY 842 or HEA 450 or QMB 200; or departmental approval. Intuitive and axiomatic development of probability, set theory, counting techniques, conditional probability, Bayes Theorem, discrete distributions including univariate and bivariate cases, multinomial distributions, Markov Chains, and emphasis on applications.

STA 375 Sampling Methods. (3) A. Prerequisite: STA 215 or 270 or COR 400 or CRJ 400 or ECO 220 or EPY 842 or HEA 450 or QMB 200; or departmental approval. Introduction to descriptive and inferential statistics. Methods and applications of stratified random sampling, cluster sampling, systematic sampling, ratio and regression estimation, applications to surveys, and use of statistical software. Written and/or oral presentations required.

STA 380 Nonparametric Statistics. (3) A. Formerly STA 501. Prerequisite: STA 215 or 270. Simple, efficient nonparametric methods without normality assumptions. Tests, estimation of proportions, medians, two-sample location/dispersion, one and two-way layout, independence, regression, and use of statistical software. Credit will not be awarded to students who have credit for STA 501.

STA 385 Probability for Actuaries. (1) A. Prerequisite: STA 370 or 520. Review of elementary probability theory, univariate and multivariate probability distributions, moment generating functions, transformations, order statistics, and applications of probability concepts in a risk management context. Preparation for Exam P.

STA 480 Seminar in ____ . (1-3) A. Prerequisite: departmental approval. Topic announced at the time of offering. May be retaken to a maximum of 12 hours provided the topics vary.

STA 495 Independent Work. (1-3) A. Prerequisite: departmental approval. Directed study/ research on a problem or area chosen in consultation with instructor. Final paper required. Student must have the
STK 303 Statistics with Technology for P-9 Teachers. (3) A. Topics in statistics appropriate for teachers of grades P-9. Credit does not apply toward B.S. or B.S. (teaching) degree requirements for programs in Education. Prior to enrollment, students must consult with the faculty supervisor and department chair prior to enrollment. Credit will not be awarded for both STK 303 and MAT 214.

STA 500 Applied Statistical Inference (3) A. Designed for students in all areas. A general background in statistical methods including normal distribution, point and interval estimation, hypothesis testing, linear regression and correlation, analysis of variance, and use of statistical software.

STA 501 Statistics with Technology II. (3) A. Introduces philosophy, values, ethics, and processes of the social work profession; emphasizes the bases of Generalist social work practice; SWK 310. Social justice and the role of violence in society.

SWK 310 Social Welfare Policy History. (3) I, II. Prerequisite or corequisite: POL 101. History of social welfare policy; its role and relationship with other social institutions; structure and function of U.S. system compared to other national systems; inequitable distribution of resources; and its contribution to an oppressive environment. Credit will not be awarded for both SWK 310 and 310W. Gen. Ed. ESB—SB.

SWK 310W Social Welfare Policy History. (3) I, II. Prerequisite or corequisite: POL 101. History of social welfare policy; its role and relationship with other social institutions, structures and function of U.S. system compared to other national systems; inequitable distribution of resources; and its contribution to an oppressive environment. Credit will not be awarded for both SWK 310 and 310W. Gen. Ed. ESB—SB.

SWK 335 Social Work Practice Methods. (3) I, II. Prerequisite or corequisite: SWK 300 and SOC 232. The course teaches applications of qualitative and quantitative research methods within the context of social work practice.

SWK 344 Stress Management & Self-Care (3) A. Prerequisite: ENG 102 or ENG 105 (B) or HON 102. Introduces students to the science of stress and stress management focusing on developing lifetime habits of wellness and self-care for the helping professions. Major focus on experiential, evidence-based stress management exercises. Fulfills University Wellness requirement.

SWK 354 Social Work Practice Methods. (3) I, II. Corequisite: SWK 350. Focuses on interpersonal and group work practice from a generalist perspective. Emphasizes the development of interviewing skills, data collection, assessment, service contracting and use of relationship skills.

SWK 355 Social Work Practice II. (3) I, II. Prerequisites: SWK 335, 350, and 354. Addresses the social work process with groups and families with a focus on assessments, intervention, implementation, and evaluation of practice strategies. Key public policy and alternative paradigms of developmental life cycle, child rearing, and family processes.

SWK 358 Child Abuse and Neglect (3) A. Prerequisite: Admission to the Public Child Welfare Certification Program (PCWCP). Development of assessment, intervention, and prevention skills in child abuse and neglect. Focus is on public agency intervention. Required course for Social Welfare Certification Program (PCWCP).

SWK 360 Social Work Practice III. (3) I, II. Prerequisite or corequisite: SWK 335 and SWK 350. Prerequisite or corequisite: SWK 390. Social Work process and skills applied to assessment and intervention with networks, organizations, and communities. Emphasis on contribution to research; program development and evaluation; grantmanship; strategies to advance social justice and address institutional and cultural violence.

SWK 365 Crisis Intervention (3) I, II. Prerequisite: ENG 102 or 105 (B) or HON 102. This course examines current theories pertaining to crisis intervention, assessment strategies, key public policy issues, and the treatment system. This course uses on-line discussion, presentations, and videos to facilitate learning.

SWK 390 Field Experience in a Social Agency. (3) I, II. Prerequisites: SWK 350 and overall GPA 2.5 or above. Corequisite: Personal Liability Insurance. Eight hours per week in an agency, community program, or project approved by Field Education Coordinator plus 1/2 hour seminar. Applications of practice theory and process. Student must apply the semester preceding course enrollment. Majors only.

SWK 410 Social Welfare Policy Practice. (3) I, II. Prerequisites: SWK 310 or SWK 310W. Dynamics of policy implementation at administrative, judicial, and legislative levels: policy analysis, formulation, implementation, and evaluation. Focus on policies that contribute to social injustices and policies that foster the creation, enhancement, or promulgation of violence.

SWK 440 Addictions. (3) I, II. Prerequisites: Junior or Senior standing. Open to all majors. This course will examine how to assess, intervene, and treat individuals, families, and groups with substance abuse and other addictions. The course will examine addictions from a strengths perspective.

SWK 450 Child Abuse Interventions. (3) A. Prerequisite: SWK 358 and admission to Public Child Welfare Certification Program (PCWCP). Development of assessment, intervention, and prevention skills in child abuse and neglect. Focus is on public agency intervention. Required course for Social Welfare Certification Program (PCWCP).

SWK 455 Selected Topics in Social Work. (3) A. Prerequisite: departmental approval. Recommended Junior or Senior standing. Open to all Majors. Course content will be determined by interest, and developments in the profession. May be retaken to a maximum of six hours.

SWK 456 Children’s Services. (3) A. Prerequisite: instructor approval. Critical appraisal of societal values relating to elderly to children. Examines range of services and skills used in social work practice with children; understanding psycho-social needs of children.

SWK 457 Assessing Needs of Older Adults. (3) A. Examines societal values relating to elderly to children. Examines range of services and skills used in social work practice with children; understanding psycho-social needs of the elderly; community-based and institutional services; and dynamics of working with the elderly and their families. Open to all majors.

SWK 490 Social Work Practicum. (12) I, II. Prerequisites: Overall GPA of 2.5 and completion of all other major requirements with a minimum grade of “C.” Corequisite: Personal Liability Insurance. Supervised practice in a social agency approved by Field Education Coordinator. Typically four days a week for 15 weeks plus weekly on-campus seminar. Application must be made through Field Education Coordinator the semester preceding placement. Social Work majors only.

SWK 495 Independent Study in Social Work. (1-6) A. Student must consult with the faculty supervisor and have the independent study proposal form approved by faculty supervisor, program director, and department chair prior to enrollment. May be retaken to a maximum of six hours.

TEC—Technology

TEC 102 Technology and Society. (3) I, II. The role of technology in society. Characteristics of a technologically literate citizen. Perspectives, theories, issues, concerns, and facts to support the recognition of the forces and consequences of technological change.
Evolution and current trends of diverse technologies.

TEC 141 Elementary Woodworking. (3) I, II. An introduction to the use of common hand tools, basic machine operations, problems in furniture construction, related technical information, and finishing materials and methods. Not open to students majoring in a program within the department.

2 Lec/2 Lab.

TEC 161 Computer Applications in Technology. (3) I, II. A survey of computer systems and software applications currently used in technology-related fields. 2 Lec/2 Lab.

TEC 190 Technical Graphics. (3) I, II. Shape and size description of objects using conventional projection techniques—multiview, axonometric, oblique, and perspective. Emphasis is placed on sketching with paper and pencil and with computers. 2 Lec/2 Lab.

TEC 303 Problem Solving and Engineering Design. (3) A. Prerequisites: TEC 190 or departmental approval. Application of the principles of engineering design related to various media; emphasis on experimentation and problem solving in development and construction of engineering design solutions. 2 Lec/2 Lab.

TEC 305 Creative Problem Solving. (3) I. Prerequisite: CTE 101 or departmental approval. A review and analysis of basic and applied research in the development of creative behavior with emphasis on its application to methods and techniques used in creative problem solving in personal/professional settings. 2 Lec/2 Lab.

TEC 310 Technical Writing. (3) A. Emphasis on black and white film photography including use and care of equipment, exposure calculations and techniques and finishing. A 35mm camera with adjustable lens and shutter and a roll of film required. 2 Lec/2 Lab.

TEC 322 Crafts for Children. (3) I, II. Introduction to various craft media and their application in recreational elementary crafts programs. Emphasis on activities appropriate for children and the use of inexpensive and readily available materials. 2 Lec/3 Lab.

TEC 331 Casework Detailing. (3) I. Prerequisites: DES 222 and INT 195. The planning and production requirements of architectural millwork and the drawings needed to describe its construction. The production of a complete set of working drawings for a casework piece will be required. 2 Lec/2 Lab.

TEC 332 Product Design. (3) I, II. Prerequisite: TEC 301. Elements of product design as it relates to materials, such as woods, metals, and plastics. Emphasis placed on experimentation and problem solving in developing design solutions, detailed drawings, and illustrations and the presentation of design ideas. 2 Lec/2 Lab.

TEC 333 Special Problems in Technology. (1-0-6) I, II. An independent study course for exceptional undergraduate students. A study proposal will be developed by the student and approved by the faculty supervisor and department chair prior to enrollment. May be retaken provided the topic of study is different. 8) A.

TEC 349 Applied Learning in Technology. (5-8) I, II. Prerequisite: departmental approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

TEC 349-A, 349-N Cooperative Study in Technology. (5-8) I, II. Prerequisite: departmental approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

TEC 368 Workshop in Technology. (1-4) A. Presentation of technology topics of a timely and specialized nature in a workshop format. May be retaken provided the topics are different. 8) A.

TEC 404 Principles of Engineering and Technology. (3) A. Prerequisite: CTE 361 or departmental approval. To familiarize students with important principles of engineering and technology, including electrical, civil, mechanical and other engineering and technology areas. 2 Lec/2 Lab.

THE—The Arts

Dr. James Keller, Chair
Alana Ghent, Coordinator

THE 110 Stagecraft. (3) I, II. Problems of stagecraft dealing with the scenic process—use of materials, construction and handling of scenery—and basic stage electricity. Lecture and lab.

THE 130 Theatre Arts Practicum I. (1) I, II. Study and practice of technical production through participation in departmental productions. May be retaken to a maximum of three hours.

THE 150 Improvement of Voice and Articulation. (3) A. Basic theory and speech production; phonetic and vocal drills for improvement of voice and articulation; adaptation of individual speech needs.

THE 200 Theatrical Makeup. (2) A. Techniques in application and design of stage makeup, both straight and character.

THE 210 Technical Stagecraft. (3) A. Prerequisite: THE 110. A continuation of THE 110 with emphasis on lighting, sound, and properties.

THE 220 Costume Construction. (3) A. Study and practical experience in garment construction and related costuming as used in theatre costume design. 2 Lec/2 Lab.

THE 235 Acting II. (3) I, II. Prerequisite: THE 135. Study and practice in analysis, character development and rehearsal as related to scene study; emphasis on twentieth-century acting styles.

THE 240 Acting for Musical Theatre. (3) A, I, II. Prerequisite: THE 135. Study of Musical Theatre as an art form, and an examination of the acting process and how it applies to the musical genre; performance work is included. May be retaken to a maximum of six hours.

THE 285 Theatre Dance I. (3) I, II. A beginning course in movement and dance for the stage. Expands the capacity for non-verbal self-expression and the imagination. Basic work in ballet, jazz, and musical theatre styles will be included. May be retaken to a maximum of six hours.

THE 300 Stage Management. (3) A. Prerequisites: THE 110 and 235 or departmental approval. An in-depth study of the work and responsibilities of the stage manager in theatrical production.

THE 310 Scenic Design. (3) A. Prerequisite: THE 110 or instructor approval. Principles of composition, scale, perspective, and color applied to the stage; production of ground plans, sketches, and models.

THE 311 Stage Lighting. (3) A, Prerequisite: THE 110 or instructor approval. Examination of theories of lighting with application to the stage, mixed media and dance. Consideration given to color principles, lighting instruments and control equipment. Lecture and lab.

THE 320 Costume Design. (3) A. Design and execution of theatrical costumes with emphasis on originality, color and line. Attention given to costumes of various periods and styles.

THE 330 Theatre Arts Practicum II. (1) I, II. Prerequisite: THE 130 or departmental approval. Continuation of THE 130. May be retaken to a maximum of three hours.

THE 335 Acting III. (3) A. Prerequisites: THE 135; THE 235 or departmental approval. Advanced study and rehearsal in verse drama, concentrating on language and action analysis, and character development for performance; emphasis on Shakespearean scripts.

THE 400 Audition Workshop. (2) A. Prerequisite: instructor approval. Study and practice in theatrical auditioning, resume creation and actor’s self-presentation; performance workshop in approach. May be retaken to a maximum of six hours.

THE 411 Directing. (3) Prerequisite: THE 235 or instructor approval. An introduction to the principles of play directing. Study of play selection and analysis, characterization, composition, blocking, and casting and rehearsal procedures.

THE 435 Theatre Workshop. (4) Prerequisite: instructor approval. A laboratory course in acting, design, production, and criticism. Open to students majoring in theatre for full-time work. May be retaken to a maximum of eight hours.

THE 495 Senior Seminar (1-3) A. Majors with senior standing only. A capstone experience in theatre; Synthesis of students’ total theatre education as well as creation of a professional resume and correspondence techniques.

THE 499 Independent Study in Theatre Arts. (1-3) I, II. Prerequisite: departmental approval. Independent study in theatre production and research. May be retaken to a maximum of six hours. Student must propose an independent study proposal form approved by faculty supervisor and program coordinator prior to enrollment.

TRS—Traffic Safety
Dr. Terry Kline, Coordinator

TRS 100 Trends in Loss Prevention. (1) A. Study of the development of loss prevention countermeasures to solve safety problems. Educational efforts, law enforcement activities, regulatory programs, and engineering concepts that are presently utilized to reduce losses and accidents are reviewed.

TRS 103 Safety in Personal Transportation. (2) A. Designed to survey the basic concept of safety; including the philosophy and concept of risk, comparison of the prominence and safety instruction; experiences include a personal assessment of safety-related behavior emphasizing personal forms of transportation.

TRS 225 Basic Fleet Management Safety Principles. (3) A. A classroom and laboratory program designed to introduce personnel to problems and practices of motor fleet safety programming and regulatory requirements.

TRS 233 Emergency and Defensive Driving Techniques. (3) A. Instruction for drivers in defensive driving techniques and emergency or unusual driving situations. Classroom and practice driving instruction in vehicle handling techniques.

TRS 234 Beginning Motorcycle Safety. (3) A. Designed to develop in students the necessary concepts, principles, and competencies for use of two-wheeled motorized vehicles including minibikes, mopeds, and motorcycles. Motorcycles and helmets are provided.

TRS 235 Emergency Vehicle Roadway Operations Safety. (3) A. Program designed to learn collision prevention and crash mitigation techniques needed when an impending driving emergency occurs in an emergency response vehicle. Included in the course work is theory to introduce and simulate avoidance maneuvers.

TRS 285 Introduction to Driver and Traffic Safety. (3) A. Designed to introduce the student to basic traffic safety concepts, principles, judgment, and performance for safe, efficient use of the highway system. Exposure is provided to a multiple-phased driver education instruction program.

TRS 322 Traffic Law Enforcement. (3) A. A course designed to provide the principles and practices of traffic law enforcement.

TRS 332 Traffic Crash Causation and Investigation. (3) A. A study of the principles of traffic accident causation and techniques used in investigation. Designed to increase the investigator’s knowledge and understanding necessary for gathering factual information through investigation as opposed to reporting traffic accidents.

TRS 342 Advanced Accident Investigation (3) A. Prerequisite: TRS 332. Course designed to prepare participants in advanced traffic accident investigation methods and techniques.

TRS 349 Applied Learning in Traffic Safety. (3-5) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours per semester or summer. A minimum of 80 hours work required for each academic credit.

TRS 349 A-N Cooperative Study: Traffic Safety. (3-5) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours per semester or summer. A minimum of 80 hours work required for each academic credit. No more than 3 hours may count toward VTS program.

TRS 413 Current Developments in Driver and Traffic Safety. (3) A. Designed to study, analyze, and develop behavioral objectives applied to driving task instruction with study and evaluation of individualized learning approaches for programs in driver education.

TRS 491 Special Topics: Unp—University Programs, Study Abroad (1-3) A. Prerequisite: departmental approval. Intensive study of selected topics in traffic and driver safety. May be retaken under different topics to a maximum of six hours.

TRS 588 Laboratory Instructional Programs in Driver and Traffic Safety. (3) A. Designed to provide the background, knowledge, and competencies to instruct the laboratory phases of the multiple-car driving range and on-street instruction. Provided are experiences related to technology and administration of such programs.

UNP—University Programs, Study Abroad

UNP 200 Study Abroad; _____ (1-6) Prerequisite: Study Abroad coordinator approval required. Participate in an approved educational experience at a foreign university. Student may earn up to 6 credit hours of foreign educational experience at this level provided course topic is not repeated.

UNP 300 Study Abroad; _____ (1-6) Prerequisite: Study Abroad coordinator approval required. Participate in an approved educational experience at a foreign university. Student may earn up to 6 credit hours of foreign educational experience at this level provided course topic is not repeated.

UNP 400 Study Abroad; _____ (1-6) Prerequisite: Study Abroad coordinator approval required. Participate in an approved educational experience at a foreign university. Student may earn up to 6 credit hours of foreign educational experience at this level provided course topic is not repeated.

VTS—Veterans Studies

Allen Back, Program Coordinator

VTS 300 Veterans in Society (3) A. Prerequisite: ENG 102 or 105(B) or HON 102; VTS 200 or equivalent proficiency. (Students entering VTS 300 by transfer or placement receive three hours credit for VTS 200 if they make an "A" or "B".) Concentrated study of veterans’ interactions and roles within society using the relational, cultural, and institutional dimensions of Veterans Studies. May include field trips. Required course for VTS certificate, concentration, or minor. Gen. Ed. E-6 [GE].

VTS 375 Veterans in American History. (3) A. Cross-listed as HIS 375. Prerequisite: three hours HIS or departmental approval. Survey of the contributions of each semester hour credit. No more than 3 hours may count toward VTS program.

VTS 394 A-N Cooperative Study: Veterans Studies (5-8) A. Prerequisite: VTS 200 and junior standing. Work or volunteer in an area related to Veterans Studies. One to eight hours credit. A minimum of 80 hours employment required for each semester hour credit. No more than 3 hours may count toward VTS program.

VTS 490 Veterans Studies Capstone Seminar (3) A. Prerequisites - VTS 200 and 12 hours of VTS dimensional electives. Instructor mentor seminar incorporating previous gained knowledge concomitantly with course research to produce material presentable for publication and/or conference presentation. Class will organize a capstone symposium.

VTS 490 Independent Study (3) A. Prerequisite: VTS 200 and junior standing. Independent research and study in an area related to veteran studies. Regular reports and final research paper required. Students must have the independent study proposal form approved by faculty supervisor and program director prior to enrollment.

WGS—Women and Gender Studies

Dr. Lisa Day, Director

WGS 132 Introduction to the Family, (3) A Cross-listed as CDF 132. Ecological and systems approach applied to public and private family concepts; historical changes and current status; relationships among individuals, families, consumers, and communities; status of women, men, children and the elderly; public policy related to changes in the family. Credit will not be awarded for both WGS 132 and CDF 132.

WGS 201 Intro to Women & Gender Studies. (3) A. Introduction to interdisciplinary field of women and gender studies and feminist scholarship. Provides overview of the diversity of women’s experiences, images, and issues from a wide variety of disciplinary perspectives. Gen. Ed. E-6 [GE].

WGS 300 Topics in Women and Gender Studies: ______ (1-6) A. Intensive study of selected topics related to recognizing and validating the experiences of women and their contributions to society. May be retaken for a maximum of six hours provided the topics are different.

WGS 302 Gender, Sexuality, & Homophobia. (3) A. Explore the diversity of lesbian, gay, bisexual and transgender (LGBT) identity, culture, and community. Analyze LGBT experiences and unmask assumptions based upon heterosexual, heteronormative perspectives and sexist realities. Credit will not be awarded for both WGS 302 and WGS 303 Special Topics: Gender, Sexuality & Homophobia.

WGS 303 Women in American History. (3) A. Cross-listed as HIS 303. Prerequisite: three hours HIS or departmental approval. Survey of the contributions of each semester hour credit. No more than 3 hours may count toward VTS program. No more than 3 hours may count toward VTS program.

WGS 304 Gender Perspectives on Contemporary Terrorism (3) A. An interdisciplinary look at contemporary terrorism and U.S. policy.
Analyzing the perception of women in the U.S. and elsewhere around the world, with particular focus on American, African, Asian, Pakistani, and Muslim women. Credit will not be awarded for both WGS 304 and WGS 300 Special Topics: Gender Perspectives on Contemporary Terrorism.

WGS 305 Domestic Violence. (3) A. Prerequisite: ENG 102 or 105(B) or HON 102. Examination of the theoretical and empirical literature on violence against women, children, and elders. Addresses such issues as physical and sexual abuse of children, courtship violence, domestic violence, marital rape, and elder abuse. Credit will not be awarded for both WGS 305 and CRJ 305.

WGS 306 Masculinity & Popular Culture. (3) A. Prerequisites: ENG 102 or 105(B) or HON 102. Exploration of images and ideals of men and masculinity as they have evolved in popular culture due to race, class, culture, age, and sexuality. Credit will not be awarded for both WGS 306 and WGS 300 Special Topics: Masculinity & Popular Culture.

WGS 308 Intersex and Trans (3) A. Prerequisites: ENG 102 or 105(B) or HON 102. Examination of intersex and trans identities as construed by biological and social standards, including the medical community. Credit will not be awarded for both WGS 308 and WGS 300 Special Topics: Interssexuality & Transexuality.

WGS 309 Women and Trauma. (3) A. Prerequisite: ENG 102 or 105(B) or HON 102. A study of contemporary trauma theories with analysis of historical and contemporary representations of trauma in film, fiction, poetry, and American culture. Credit will not be awarded for both WGS 309 and WGS 300: Women and Trauma.

WGS 310 Historical Costume and the Social Order. (3) A. Cross-listed as ADM 310. History of dress from ancient Egypt through the 20th century. Factors which influence the style of dress are studied and the relationship between costume of the past and current modes. Credit will not be awarded for both WGS 310 and ADM 310.

WGS 331 Marriage and Intimate Relationships. (3) A. Cross-listed as CDF 331. The process within and types of intimate relationships in contemporary times. Topics include singlehood, partner selection, marriage, divorce, remarriage, long-term enduring marriage, and factors which affect the success of intimate relationships. Credit will not be awarded for both WGS 331 and CDF 331.

WGS 345 Diversity and Criminal Justice. (3) A. Cross-listed as CRJ 345. Prerequisite: departmental approval. Contemporary race, gender, and other power-related factors relevant to criminal offenders, crime victims, and the criminal justice system. Includes such issues as the civil rights and women’s movements, and equal opportunity. Credit will not be awarded for both WGS 345 and CRJ 345.

WGS 349 Applied Learning in Women and Gender Studies, (5-8) A. Prerequisite: approval of Director of Women and Gender Studies. Work in job placements related to Women’s Studies. One to eight hours credit. Minimum of 80 hours employment required for semester hour credit.

WGS 349 A-N Cooperative Study: Women and Gender Studies. (5-8) A. Prerequisite: approval of Director of Women and Gender Studies. Work in job placements related to Women and Gender Studies. One to eight hours credit. Minimum of 80 hours employment required for semester hour credit.

WGS 364 Women’s Literature. (3) A. Cross-listed as ENG 364. Prerequisite: ENG 102 or 105(B) or HON 102. A study of the intersections between feminism and the social impact of religion throughout the world with particular emphasis on the relationship between religion and gender, sexuality, and body politics. Credit will not be awarded for both WGS 365 and REL 451.

WGS 366 Queer Theory and Literatures. (3) A. Cross-listed as ENG 366. Prerequisite: ENG 102 or 105(B) or HON 102. Examination of trends in Queer Theory; study of major contributors to the field such as Foucault, Butler, and Sedgwick; application of theoretical models to literary and cinematic texts. Credit will not be awarded to students who have credit for ENG 366. Gen. Ed. E-6.

WGS 378 Black Women in History. (3) A. Cross-listed as AFA 378. Examines the lives of African-American women from slavery to the present with emphasis on the impact of race, gender, and class issues on their multi-faceted lives as women in America. Credit will not be awarded for both WGS 378 and AFA 378.

WGS 399 Gender and Society. (3) A. Cross-listed as SOC 399. Prerequisites: SOC 131 or SOC 235; ENG 102 or ENG 105(B) or HON 102. Emphasis on the relationship between the social construction of gender and the experiences of women and men in societies. Consideration of cultural diversity in defining gender roles. Credit will not be awarded for both WGS 399 and SOC 399. Gen. Ed. E-6 (GE).

WGS 405 Women’s Rights Theory and Practice. (3) A. Prerequisite: WGS 201 or instructor approval. Examines development of feminist theory and its implications for continuing feminist scholarship. Includes related research project in student’s major.

WGS 446 The Politics of Sex. (3) A. Cross-listed as POL 446. The effect of sex on social and political institutions, public policies, and court rulings. Issues may include such topics as sexual and gender discrimination, domestic violence, reproductive rights and gay rights. Credit will not be awarded for both WGS 446 and POL 446.

WGS 480 Women and Work in the U.S. (3) A. Prerequisite: ENG 102 or 105(B) or HON 102. A survey view of occupational science and sociocultural models to literary and cinematic texts. Credit will not be awarded for both WGS 480 and POL 480.

WGS 495 Independent Study: Women and Gender Studies. (1-5) A. Prerequisite: approval of Director of Women and Gender Studies. Study of a special topic in Women and Gender Studies. Student must have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of ten hours.

WGS 591 Women’s Health. (3) A. Cross-listed as HEA 591/791. Analysis of the major health problems of contemporary women with special emphasis on health promotion, disease prevention, and consumer health concerns. Credit will not be awarded for both WGS 591 and HEA 591/791.

WGS 592 Human Sexuality. (3) A. Cross-listed as HEA 592/792. Study of the biological, social, and psychological aspects of human sexuality. Directed primarily toward those individuals in situations which require them to assist others in understanding the profound impact of one’s sexuality. Emphasis is placed upon student development of logical and reasoned justifications for their own value system. Credit will not be awarded for both WGS 592 and HEA 592/792.

WGS 593 Death and Grief. (3) A. Cross-listed as HEA 593/793. A study of attitudes, behaviors, and issues concerning death and grief. Topics include responses to death and grief throughout the life cycle; process of grief and bereavement; theology and death; legal aspects of dying; care of the dying; suicide; post-mortem care; death education. Credit will not be awarded for both WGS 593 and HEA 593/793.

WLD - Wildlife Management
Dr. Robert Frederick, Chair

WLD 317 Conservation of Wildlife Resources, (3) I, II. Cross-listed as ENV 317. Prerequisites: ENG 102 or 105(B) or HON 102; and MAT 105 or higher. Introduction to the principles and practices of conservation of plants and animals; requirements and values of wildlife resources; impact of human activities on resources. May not be used to satisfy area, major, or minor requirements. Credit will not be awarded for both WLD 317 and BIO 317.

WLD 380 Wildlife Law & Law Enforcement. (3) A. Prerequisite: ENG 102 or 105(B) or HON 102. Discussion of pertinent state and federal wildlife laws and how law enforcement impacts wildlife management. Credit will not be awarded for both WLD 380 and BIO 380.

WLD 381 Principles of Wildlife Management, (3) I. Prerequisite: ENG 102 or 105(B) or HON 102; and MAT 105 or higher. Basic principles of wildlife management and their application to current management issues. Recommend BIO 316 prior to or concurrent with enrollment. Credit will not be awarded for both WLD 381 and BIO 381.

WLD 382W Wildlife Population Analysis, (4) I. Prerequisite: ENG 102 or 105(B) or HON 102, and Wildlife Management major. Population ecology of vertebrates, with a focus on field methods, analysis of data, and writing techniques applicable to wildlife conservation. Recommend BIO 316 and WLD 381 prior to or concurrent with enrollment. 2 Lec/4 Lab. Credit will not be awarded for both WLD 382W and BIO 382W.

WLD 489 Wildlife Research and Writing, (3) I, II. Prerequisites: WLD 382W, STA 215 or 270, junior or senior status, and Wildlife Management major. Students will design and execute a research project. Emphasis placed on (a) writing a research proposal, and (b) writing a final project report in the format of a manuscript for publication.

WLD 584 Upland Wildlife Management, (4) A. Formerly BIO 584. Prerequisite: WLD 381 or departmental approval. Ecological principles and management strategies to preserve and enhance forest and grassland wildlife and their habitats. Credit will not be awarded for both WLD 584 and BIO 584.

WLD 585 Wildlife Resource Policy and Administration, (3) A. Formerly BIO 585. Prerequisite: WLD 381 or departmental approval. Discussion of state, regional, national, and international policies and agencies which impact management of wildlife resources; with emphasis in North America. BIO 381 recommended prior to enrollment. Credit will not be awarded for both WLD 585 and BIO 585.

WLD 586 Wetland Wildlife Management, (4) II. Formerly BIO 586. Prerequisite: BIO 316 and WLD 381; or departmental approval. Ecology and management strategies of migratory and resident wetland wildlife populations and their habitats, with a focus on waterfowl. 2 Lec/4 Lab. Credit will not be awarded for both WLD 586 and BIO 586.

WLD 587 Urban Wildlife Management, (3) A. Formerly BIO 587. Prerequisites: BIO 316 and WLD 381; or departmental approval. The strategies employed to manage urban wildlife and prevent/control animal damage in North America will be discussed. Credit will not be awarded for both WLD 587 and BIO 587.
FACULTY LISTING

ADAMS, ANTHONY W., (1999), Associate Professor, Applied Engineering & Technology; MAS, Embry-Riddle Aeronautical University; BS, Regents College

ADAMS-JOHNSON, MELANIE, (2010), Assistant Professor, Baccalaureate & Graduate Nursing; DNP, MSN, BSN, Eastern Kentucky University

ADAMS-BLAIR, HEATHER, (2000), Professor, Exercise & Sport Science; EdD, University of Kentucky; MA, Eastern Kentucky University; BA, Transylvania University

ADAMS, JAMES A., (2001), Assistant Professor, Applied Engineering & Technology; MS, University of Southern California; BS, United States Merchant Marine Academy

AFSASH-MOHALLATEE, DAVID, (2002), Professor, Art & Design; MFA, Temple University; BFA, Kutztown University

ALEXANDER, SHAWN, (2008), Lecturer, English & Theatre; MAT, MA, Eastern Kentucky University; BA, Berea College

ALLISON, JOSEPH, (1999), Professor, Music; PhD, MS, University of South Carolina; BS, East Tennessee State University

ALTHAUSER, KRISTA, (2010), Associate Professor, Clinical Educator Preparation; EdD, EAD, MA, BA, Eastern Kentucky University

ANDERSEN, CATHERINE, (1986), Associate Professor, Health Promotion & Administration, MS, University of Texas Science Center; BA, Bemidji State University

ANYANWU, OGECHI, Associate Professor, History; PhD, Bowling Green State University; MSC, BA, Imo State University

APPLETON, THOMAS, (2000), Professor, History; PhD, MA, University of Kentucky; BA, University of Memphis

ARIA, SCOTT, (2008), Assistant Professor, Applied Engineering & Technology; MS, BS, AS, Thomas Edison State College; AS, Charles Stewart Mott Community College

ASHBY, DOMINIC, (2014), Assistant Professor, English & Theatre; PhD, Miami University; MA, West Virginia University; BA, West Virginia Wesleyan College

AUSTIN, MICHAEL, (2004), Professor, Philosophy & Religion; PhD, University of Colorado at Boulder; MA, Biola University; BA, Kansas State University

AWANG, FARIDAH, (2002), Professor, Management, Marketing & International Business; PhD, MS, BS, Southern Illinois University

BAGGETT, RYAN, (2011), Associate Professor, Safety & Security; EdD, MS, Eastern Kentucky University; BS, Murray State University

BALL, SHARON, (2013), Lecturer, Clinical Educator Preparation; MAEd, Union College; BS, Murray State University

BALLARD, MICHAEL, (2002), Professor, Health Promotion & Administration; EdD, University of Tennessee; MAEd, BS, Eastern Kentucky University

BALMAN, ROBERT, (2012), Lecturer, Mathematics & Statistics; MA, BS, University of Florida

BALTIMORE, JULIE, (2005), Assistant Professor, Occupational Science & Occupational Therapy; MS, Eastern Kentucky University; BA, University of California, Berkeley

BARNETT, DARRYL, (2001), Professor, Environmental Health Science; DNP, MPH, Oklahoma University Health Sciences Center; BS, East Tennessee State University

BARRACCA, STEVEN, (2005), Associate Professor, Government; PhD, University of Texas at Austin; MA University of Miami; BA, State University of New York

BARTHEL, LAURA, (2012), Lecturer, Management, Marketing & International Business; MS, University of Kentucky; BS, Eastern Kentucky University

BAUM, KAREN H., (1988), Assistant Professor, Model Laboratory School; MA, BA, Eastern Kentucky University

BEATY, LEANN, (2008), Associate Professor, Government; PhD, Northern Illinois University; MPA, Missouri State University; BA, Alaska Pacific University

BEDETTI, GABRIELLA, (1981), Associate Professor, English & Theatre; PhD, MA, University of Iowa; BA, Bates College

BEEHNER, REGGIE, (2005), Lecturer, Communication; MS, Northwestern University; BA, Villanova University

BEIRNE, HEATHER, (2012), Associate University Librarian, Libraries; MS, University of Kentucky; BA, Transylvania University

BELL, BRITTANY, (2014), Lecturer, First Year Courses; MA, BS, Eastern Kentucky University

BENNETT, DANIEL, (2014), Assistant Professor, Government; PhD, Southern Illinois University; BA, George Fox University

BENSON, MICHAEL T., (2013), Professor, Government; DPhil, University of Oxford; MNA, University of Notre Dame; BA, Brigham Young University

BENTLEY, BROOKE, (2001), Associate Professor, Baccalaureate & Graduate Nursing; PhD, University of Kentucky; MSN, BSN, Eastern Kentucky University

BHANDARI, MICHELYN, (2004), Professor, Health Promotion & Administration; DrPH, University of Kentucky; MPH, BS, Western Kentucky University

BIGGIN, ROBERT, (2001), Associate Professor, Educational Leadership & Policy Studies; PhD, University of Pittsburgh; MS, Kansas State College of Pittsburgh; BS, Edinboro State College

BISHOP-ROSS, RACHEL, (2013), Assistant Professor, Mathematics & Statistics; PhD, MA, BS, University of Alabama

BLACK, PAMELA, (2000), Associate Professor, Anthropology, Sociology & Social Work; MSW, University of Kentucky; BS, Eastern Kentucky University

BLAIR, EARL, (2014), Assistant Professor, Safety & Security; EdD, University of Kentucky; MS, West Virginia University; BA, Asbury College

BLAKELY, APRIL, (2010), Associate Professor, Clinical Educator Preparation; EdD, MAT, BS, East Tennessee State University

BLANK, KENNETH, (2011), Lecturer, Biological Sciences; PhD, MS, University of Kentucky; BA, Eastern Kentucky University

BLAYLOCK, DAVID, (1993), Associate Professor, History; PhD, Ohio State University; MA, Washington University in St. Louis; BA, University of North Carolina at Greensboro

BLEVINS, KRISTIE R., (2011), Associate Professor, Justice Studies; PhD, University of Cincinnati; MA, BS, East Tennessee State University

BLISS, JAMES, (2010), Associate Professor, Educational Leadership & Policy Studies; PhD, BA, Cornell University; MS, Syracuse University

BLOESE, ANTHONY, (2013), Professor, Physics & Astronomy; PhD, MS, University of North Carolina at Chapel Hill; BS, Manhattan College

BOORD-DILL, T. JEFFREY, (1985), Assistant Professor, English & Theatre; MFA, University of Alabama; BA, Ohio State University

BOROWSKI, WALTER, (2001), Professor, Geosciences; PhD, University of North Carolina at Chapel Hill; MS, University of Tennessee; BA, Case Western Reserve University

BOSLEY, LISA, (2004), Associate Professor, English & Theatre; EdD, University of Kentucky; MA, University of Chicago; BA, Centre College

BOTTS, THERESA, (1989), Assistant Professor, Psychology; PhD, University of Kentucky; MS, BS, Eastern Kentucky University

BOUTIN, PHILIP, (2013), Instructor, Management, Marketing & International Business; MBA, MS Southern New Hampshire University; BA, University of New Hampshire

BOWEN, BRYAN, (2014), ASL Specialist III, Clinical Educator Preparation; BS, University of Louisville; AA, Jefferson Community & Technical College

BOWES, JOHN, (2006), Associate Professor, History; PhD, MA, University of California, Los Angeles; BA, Yale University

BOZEMAN, LINDA, (2001), ASL Specialist, American Sign Language & Interpreter Education; BSW, Eastern Kentucky University

BRACIA, AMY, (2010), Assistant Professor, Biological Sciences; PhD, BS, Virginia Tech; MS, University of Georgia

BRADLEY, MICHAEL, (2012), Assistant Professor, Recreation & Park Administration; PhD, BS, Oklahoma State University; MS, Western Illinois University

BRASHEAR, VICKI, (2000), Assistant Professor, American Sign Language & Interpreter Education; MA, Indiana University; BS, Eastern Kentucky University

BRISMAN, AVIAD, (2012), Associate Professor, Justice Studies; PhD, Emory University; JD, University of Connecticut School of Law; MFA, Pratt Institute; BA, Oberlin College

BROCATO, JENNIFER, (2011), Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, BSN, ADN, Eastern Kentucky University

BROCK, AUDREY, (2012), Lecturer, Mathematics & Statistics; MS, BS, University of Kentucky
BAIRD, RICHARD, (2007), Professor, Music; PhD, MM, University of Kentucky; BM, DePauw University
BYRD, SUZANNE, (1991), Associate Professor, Biological Sciences; PhD, BS, University of South Alabama; BS, Austin Peay State University
CALDERON, LINDSAY, (2013), Assistant Professor, Biological Sciences; PhD, BS, University of Kentucky
CALIE, PATRICK J., (1992), Professor, Biological Sciences; PhD, MS, University of Tennessee; BA, Rutgers University
CALLAHAN, CONNIE, (1997), Professor, Counseling & Educational Psychology; PhD, University of New Mexico; EdS, MS, Pittsburgh State University; BA, Missouri Southern State College
CAMPBELL, GLENN, (2006), Senior Lecturer, Geosciences; MPA, Eastern Kentucky; MA, Marshall University; BA, University of Kentucky
CAMPBELL, PHILIP, (1985), Associate Professor, Medical Laboratory Science; MS, University of Kentucky; BS, West Virginia University
CARMEAN, KELLI, (1993), Professor, Anthropology, Sociology & Social Work; PhD, University of Pittsburgh; BA, University of Victoria, British Columbia
CARNES, LANA, (1998), Professor, Management, Marketing & International Business; EdD University of Kentucky; MS, BS Eastern Kentucky University
CARPENTER, RUSSELL, (2009), Associate Professor, English & Theatre; PhD, MA, BA, University of Central Florida
CARUCCI, CHRISTINE PRZYBYCIECNI, (2011), Assistant Professor, Music; PhD, University of Kentucky; MM, University of Southern California; BM, Eastman School of Music
CARUCCI, JOSEPH, (2015), Assistant Professor, Music; PhD, MM, University of Kentucky; BM, Eastman School of Music
CAUSEY-UPTON, KRISTEN, (2013), Assistant Professor, Occupational Science & Occupational Therapy; OTD, Chatham University; MS, BS, Eastern Kentucky University
CAVINESS, TYLER, (2009), Lecturer, Management, Marketing & International Business; MBA, Eastern Kentucky University; BS, Methodist University
CHANDRA, VIGYAN, (2002), Professor, Applied Engineering & Technology; PhD, MS, University of Kentucky; MS, Eastern Kentucky University; BS, Birla Institute of Technology
CHANG, KUANG-NAN, (1990), Associate Professor, Chemistry; PhD, University of Illinois at Urbana-Champaign; BA, University of California, San Diego
CHAPMAN, ASHLEY, (2013), Instructor, Model Laboratory School; MA, Marshall University; MA, BA, West Virginia University
CHEN, RICHARD, (1989), Professor, Accounting, Finance & Information Systems; PhD, MPA, University of Texas at Austin; BBA, National Taiwan University
CHRISTENSEN, BURKE A., (2006), Professor, Accounting, Finance & Information Systems; JD, University of Utah; BS, Utah State University
CHRISTENSEN, JENNIFER, (2012), Assistant Professor, Clinical Educator Preparation; PhD, MAEd, University of North Texas; BA, Angelo State University
CHRISTOPHER, KARINA, (2012), Assistant Professor, Family & Consumer Sciences; MS, Eastern Kentucky University; BS, Southwest Missouri State University
CIOCCA, MARCO, (1999), Professor, Physics & Astronomy; PhD, Washington University; MS, BS, University of Naples
CIZMAR, ANNE, (2011), Assistant Professor, Government; PhD, University of Maryland; MA, BA, University of Akron
CLANCY, KAREN, (2014), Assistant Professor, Health Promotion Administration; MBA, Morehead University; BS, University of Kentucky; AD, Somerset Community College
CLARK, ANGELA, (2013), Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, BS, University of Kentucky
CLARK, BRIAN, (2015), Assistant Professor, Recreation & Park Administration; MS, BS, Eastern Kentucky University
CLARKE, LAURA, (2014), Assistant Professor, Clinical Educator Preparation; BA, MAEd, Northern Kentucky University; EdD, University of Cincinnati
CLEMENT, CATHERINE, (1989), Professor, Psychology; PhD, MA, Clark University; AB, University of California, Berkeley
CLEMENTS, MARY, Professor, Baccalaureate & Graduate Nursing; EdD, MSN, Spalding University; BSN, University of Kentucky; AS, Eastern Kentucky University
CLEMMER, DAVID, (2013), Assistant Professor, Music; DMA, University of Missouri, Kansas City; MM, University of Oklahoma; BA, University of Texas, Arlington
CLEVELAND, ROGER C., (2011), Associate Professor, Educational Leadership & Policy Studies; EdD, University of Cincinnati; MA, Union College; BA, Morehead State University
CLIFT, SHAWN, (2010), Lecturer, Mathematics & Statistics; PhD, University of Kentucky; MS, BS, Eastern Kentucky University
CLOUSE, PAMELA JANE, (2009), Senior Lecturer, English & Theatre; MA, BBA, AA, Eastern Kentucky University
COEN, PATRICK, (2006), Senior Lecturer, Mathematics & Statistics; MS, BA, West Virginia University
COFFEE, DAVID, (2015), Clinical Faculty, Baccalaureate & Graduate Nursing; BA, BS, BSN, University of Kentucky; ADN, Somerset Community College
COGDILL, CHAD, (2007), Associate Professor, Communication; MFA, Savannah College of Art & Design; BS, Missouri Western State University
COLE, ANTHONY, (2013), Assistant Professor, Fire Protection & Para-Medicine Sciences; MS, Worcester Polytechnic Institute; BS, Eastern Kentucky University
COLEMAN, DAVID, (1998), Professor, History; PhD, AM, University of Illinois at Urbana-Champaign; BA, Emory University
COLLIER, AMANDA, (2012), Instructor, Model Laboratory School; MA, University of Kentucky; BS, Eastern Kentucky University
COLLIER, MICHAEL, (2008), Associate Professor, Safety & Security; PhD, Florida International University; MS, Defense Intelligence College; BS, United States Coast Guard Academy
COLLINS, VICTORIA, (2013), Assistant Professor, Justice Studies; PhD, MA, BS, Old Dominion University; LLB, Open University
COMBS, DOROTHY Z., (1997), Professor, Clinical Educator Preparation; PhD, University of Kentucky; MA, BA, University of South Carolina
CONNELL, ALISON, (2007), Associate Professor, Baccalaureate & Graduate Nursing; PhD, MSN, University of Kentucky; BSN, ASN, University of Nebraska
CORLEY, DONNA, (2009), Professor, Baccalaureate & Graduate Nursing; PhD, MSN, University of Kentucky; MEd, Boston University; BSN, Medical University of South Carolina
CORMIER, JOEL, (2012), Associate Professor, Exercise & Sport Scie-
ence; PhD, University of New Mexico; MA, Central Michigan University; BPE, University of New Brunswick
CORN, LISA, (1993), Assistant Professor, Model Laboratory School; MA, BS Eastern Kentucky University
CORNELSON, JILL, (2013), Associate Professor, Baccalaureate & Graduate Nursing; DNP, Eastern Kentucky University; MSN, ASN, University of Kentucky
CORNETTE, MARK, (1998), Assistant Professor, Model Laboratory School; MA, BS, Eastern Kentucky University
CORTES-CASTANEDA, MANUEL, (1992), Assistant Professor, Languages, Cultures, & Humanities; MA, Universidad Complutense de Madrid; BA, Universidad Nacional Pedagógica
COSTELLO, PATRICIA S., (1982), Professor, Mathematics & Statistics; PhD, MS, Ohio State University; BA, Thomas More College
COSTELLO, PATRICK J., (1982), Foundation Professor, Mathematics & Statistics; PhD, MS, Ohio State University; BA, Harvey Mudd College
COUVILLON, THOMAS, (2006), Associate Professor, Music; PhD, MM, Louisiana State University; BM, Loyola University
CRANFILL, TAMARA, (2012), Associate Professor, Clinical Educator Preparation; PhD, BA, University of Kentucky; MA, Eastern Kentucky University
CRAWFORD, DORIS, (2015), Lecturer, Model Laboratory School, EdD, Eastern Kentucky; MFEd, University of Mississippi; BS, Rust College
CREECH, KIMBERLY, (2006), Associate Professor, English & Theatre; MAEd, BS, Eastern Kentucky University; BA, Northern Kentucky University
CROPPER, MATTHEW, (2000), Professor, Mathematics & Statistics; PhD, MS, West Virginia University; BS, Northern Kentucky University
CROSBY, RICHARD, (1986), Foundation Professor, Music; DMA, MM, BM, University of Cincinnati
CROUCH, LAWRENCE, (2014), Assistant Professor, Counseling & Educational Psychology; PhD, Southern Illinois University; MA, Ball State University; BA, North Central College
CROWLEY, GORDON, (2007), Senior Lecturer, Management, Marketing & International Business; MBA, BBA, Eastern Kentucky University
CYR, CHRISTOPHER, (2015), Assistant Professor, Government; PhD, MA University of Colorado at Boulder; BA, Ohio State University
CUNNINGHAM, DAVID, (2011), Assistant Professor, Chemistry; PhD, MS, University of Cincinnati; BS, Iowa State University
CURRA, JOHN, (1975), Foundation Professor, Justice Studies; PhD, Purdue University; MS, BA, San Diego State College
CUSTER, MELBA, (2007), Associate Professor, Occupational Science & Occupational Therapy; PhD, BS, University of Kentucky; MS, Eastern Kentucky University
DAILEY, DAVID W., (1989), Professor, Applied Engineering & Technology; EdD, University of Kentucky; EdS, MS, BS, Clemson University; AA, Miami Dade Junior College
DANTIC, JAMES, (1997), Assistant Professor, Clinical Educator Preparation; EdD, Eastern Kentucky University; MA, University of Kentucky; BA, Centre College
DASARI, RADHIKA, (2015), Assistant Professor, Chemistry; PhD, MS, University of Louisville; BS, Kakatiya University
DAVIS, ANTOINETTE, (2014), Lecturer, Mathematics & Statistics; EdD, University of Kentucky; MA, Wayne State University; BA, Oakwood College; AA, Lake Michigan College
DAVIS, BARBARA, (2006), Senior Lecturer, Biological Sciences; DVM, Auburn University; MPH, Uniformed Services University of the Health Sciences; BS, Eastern Kentucky University; AA, Sue Bennett College
DAVIS, DENNIS, (2006), Associate Professor, Music; PhD, BM, BA, University of Kentucky; MM, University of Louisville
DAVIS, ED, (1979), Professor, Applied Engineering & Technology; EdD, University of Cincinnati; MS, MA, BS, Eastern Kentucky University
DAVIS, NANCY, (1992), Associate Professor, Fire Protection & Paramedic Sciences; MS, Bellarmine College; BS, University of Kentucky
DAY, LISA, (2001), Associate Professor, English & Theatre; PhD, Southern Illinois University at Carbondale; MA, BA, Western Kentucky University
DAY, RICHARD, (2007), Associate Professor, Clinical Educator Preparation; EdD, BA, University of Kentucky; MAEd, Xavier University
DELETER, MARY, (2011), Associate Professor, Baccalaureate & Graduate Nursing; PhD, University of Kentucky; MSN, University of North Carolina; BSN, ASN, University of Louisville
DENT, DELINDA, (2002), Associate Professor, Clinical Educator Preparation; EdD, MAEd, Texas Woman’s University; BS, North Texas University
DETERS, NOLA FAYE, (2001), Professor, Clinical Educator Preparation; EdD, University of Kentucky; MAEd, Morehead State University; BA, Alice Lloyd College
DEWHURST, CHRISTINA, (2007), Senior Lecturer, Justice Studies; JD, Antioch School of Law; BS, State University College at Buffalo
Dickey, Steven W., (1983), Associate Professor, Economics; PhD, MS, Southern Illinois University; BA, University of Science and Arts of Oklahoma
DICKSON, FRAN, (2014), Professor, Communication, PhD, Bowling Green State University; MA, West Virginia University; BA, State University College of New York at Buffalo
DIECKMANN, MELISSA, (1995), Professor, Geosciences; PhD, University of Notre Dame; BA, DePauw University
DISCEPOLI, DENISE M., (2000), Assistant Professor, Model Laboratory School; MS, BA South Florida University
DODD, LUKE, (2014), Assistant Professor, Biological Sciences; PhD, MS, University of Kentucky; BS, Arkansas Tech University
Domenghini, Jason, (2014), Assistant Professor, Agriculture; PhD, Kansas State University; MS, BS, California Polytechnic State University; AS, Modesto Junior College
Dotsen, Ronald G., (2008), Associate Professor, Safety & Security; EdD, MS, Eastern Kentucky University; BA, Marshall University
Dunlap, Erik S., (2009), Associate Professor, Safety & Security; EdD, University of Memphis; MS, Eastern Kentucky University; BA, Tennessee Temple University
Dupont, Carolyn, (2004), Associate Professor, History; PhD, MA, BA, University of Kentucky
Dyer, Bryan D., (2009), Associate Professor, Applied Engineering & Technology; PhD, MS, BS, University of Kentucky
Easterling, James, (2014), Lecturer, Management, Marketing, & International Business; MPS, The Pennsylvania State University; MBA, BBA, BBA, Eastern Kentucky University
Edwards, Catherine, (2010), Senior Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, BSN, Eastern Kentucky University
EDWARDS, LAURA J., (2008), Associate University Librarian, Libraries; MLIS, University of Kentucky; BA, Auburn College
EDWARDS, SHARON, (2011), Associate Professor, Baccalaureate & Graduate Nursing; DNP, Eastern Kentucky University; MSN, University of Kentucky; BSN, Berea College
EL AMOURI, ISMAIL, (2011), Associate Professor, Medical Laboratory Sciences; ScD/DSc, BS, University of Kentucky
Elissen, Erinn, (2003), Associate Professor, Family & Consumer Sciences; EdD, University of Kentucky; MS, BS, Eastern Kentucky University
Elliott, Charles, (1985), Foundation Professor, Biological Sciences; PhD, University of Alaska Fairbanks; MS, Brigham Young University; BS, University of Idaho; BS, Frostburg State College
Ellis, Kellie, (2011), Assistant Professor, Clinical Educator Preparation; PhD, University of Kentucky; MA, University of Cincinnati; BS, Eastern Kentucky University
El Nahas, Ahmed, (2014), Assistant Professor, Accounting, Finance, & Information Systems; PhD, University of Memphis; MS, University of Plymouth; BSc, University of Mansour
ELROD, PRESTON, (1997), Professor, Justice Studies; PhD, MA, Western Michigan University; BA, Presbyterian College
Embury, Dusty, (2010), Associate Professor, Clinical Educator Preparation; EdD, University of Cincinnati; MA, Lexington Theological Seminary; BA, Eastern Kentucky University
Endonino, Jon, (2011), Assistant Professor, Anthropology, Sociology & Social Work; PhD, MA, University of Florida; BA, University of South Florida; AA, Central Florida Community College
Endsley, Abra, (2014), Lecturer, Communication; MA, BA, University of Kentucky
Engereston, Ken, (2012), Associate Professor, Counseling & Educational Psychology; PhD, Auburn University; MS, University of Dayton; BS, Wright State University
Engle, Allen D., Sr., (1989), Professor and Foundation Professor, Management, Marketing & International Business; DBA, University of Kentucky; MBA, BBA, Eastern Kentucky University

2015-2016 EKU UNDERGRADUATE CATALOG 363
Faculty Listing

Para-Medicine Sciences; MS, Worcester Polytechnic Institute; MS, Grand Canyon University; BA, Tri-State University

GORE, JONATHAN, (2003), Professor, Psychology; PhD, MS, Iowa State University; BA, University of Michigan

GOSNELL, LINDA, (2013), Lecturer, Government; ID, University of Kentucky; Honors AB, Saint Louis University

B, (2001), Associate Professor, English & Theatre; PhD, MA, Pennsylvania State University; BA, University of Delaware

GRANT, PAUL, (2008), Associate Professor, Fire Protection & Para-Medicine Sciences; MA, MA, BS, University of Phoenix

GRAY-DENSON, KISHONNA, (2012), Assistant Professor, Justice Studies; PhD, Arizona State University; MS, Eastern Kentucky University

GRAYSON, DONNIE, (2014), Lecturer, English & Theatre; BA, MA, Missouri State University

GREEN, JENNIFER, (2003), Assistant Professor, Model Laboratory School; MA, University of Texas at Austin; BCLAD, University of California San Diego; BS, Georgetown University

GREMP, MICHELLE, (2014), Assistant Professor, Clinical Educator Preparation; PhD, Washing University; MS, Washington University School of Medicine; BA, Fontbonne University

GRISE, BETSY T., (2004), Assistant Professor, Model Laboratory School; MA, BA, BS, Eastern Kentucky University

GROGAN, JAMES, (2014), Lecturer, Mathematics & Statistics; MS, BS, University of Kentucky

HAAK, ROBIN, (2006), Professor, Justice Studies; PhD, MS, Michigan State University; BS, State University of New York at Brockport

HACKNEY, CRYSTAL, (2014), Clinical Faculty, Associate Degree Nursing; MHA, MSN, University of Phoenix; BSN, Eastern Kentucky University

HADDIX, RICHARD, (2002), Associate Professor, Music; DMA, MM, University of Kentucky; BME, University of Louisville; BM, Indiana University

HAGAN, CARLA ISAACS, (1998), Assistant Professor, Agriculture; MS, BS, University of Kentucky

HAHN, RICHARD, (2015), Lecturer, Safety, Security & Emergency Management; MS, Eastern Kentucky University; BA, DePaul University

HALE, EDWARD CARROLL, (1969), Professor, Art & Design; MFA, The Maryland Institute College of Art; BA, University of Kentucky

HALE, KIMBERLY, (2006), Associate Professor, American Sign Language & Interpreter Education; EdD, Eastern Kentucky University; MA, University of South Carolina; BA, Maryville College

HANES, COREY, (2013), Lecturer, Fire Protection & Para-Medicine Sciences; MS, BS, Eastern Kentucky University

HARRER, JESSICA, (2011), Lecturer, Mathematics & Statistics; MS, BS, Eastern Kentucky University

HARDMAN, LESLIE, (2014), Assistant Professor, Occupational Science & Occupational Therapy; OTD, Chatham University; BS, Eastern Kentucky University

HARREL, SHERRY, (2000), Associate Professor, Biological Sciences; PhD, Mississippi State University; MS, BGS, University of Louisiana

HARRINGTON, MARY RACHEL, (2013), Assistant Professor, Family & Consumer Sciences; MHA, Chapman University; BS, University of Kentucky

HART, BEVERLY, (1998), Foundation Professor, Baccalaureate & Graduate Nursing; PhD, University of Cincinnati; MSN, Bellarmine College; BSN, Eastern Kentucky University

HARTCH, TODD, (2003), Professor, History; PhD, MAR, BA, Yale University

HARTER, CYNTHIA, (2012), Assistant Professor, Economics; PhD, MS, Purdue University; BA, Tulane University

HARTER, JOHN, (1999), Professor, Economics; PhD, MS, Purdue University; BA, Yale University

HARVEY, CAROLYN, (2001), Professor, Environmental Health Science; PhD, University of Texas, Houston; MS, University of Houston; BS, East Tennessee State University

HAUSMAN, CHARLES, (2009), Associate Professor, Educational Leadership & Policy Studies; PhD, Vanderbilt University; MAEd, Texas A&M University at Commerce; BS, Texas Wesleyan University

HAYDEN, CYNTHIA, (2011), Associate Professor, Occupational Science & Occupational Therapy; DHEd, A. T. Still University; MS, University of Kentucky; BS, Eastern Kentucky University

HAYES, DAVID, (2009), Associate Professor, Biological Sciences; PhD, Arkansas State University; MS, University of Louisiana, Monroe; BS, Juniata College

HAYES, J. LAURENCE, (1989), Professor, American Sign Language & Interpreter Education; PhD, University of Arizona; MS, BS, Oregon College of Education

HENNING, JAIME, (2007), Associate Professor, Psychology; PhD, Texas A & M University; MS, BS, Missouri State University

HENSLEY, JULIE, (2008), Associate Professor, English & Theatre; MFA, Arizona State University; MA, Kansas State University; BA, Bridgewater College

HICKS, WILLIAM, (2008), Associate Professor, Fire Protection & Para-Medicine Sciences; MS, BS, Eastern Kentucky University

HINERMAN, JAMES, (2005), Senior Clinical Faculty, Exercise & Sport Science; MA, Ohio University; BA, Harding University

HINTON, SAMUEL, (1990), Professor, Clinical Educator Preparation; PhD, St. Andrew’s Theological College & Seminary; DMin, Andersonville Theological College & Seminary; MAEd, Kent State University; EdD, University of Virginia; MEd, University of Virginia; BA, University of Durham

HISEL, ADAM, (2009), Lecturer, English & Theatre; MA, BA, Eastern Kentucky University

HODGE, CONNIE, (2008), Assistant Professor, Clinical Educator Preparation; EdD, North Central University; MAEd, Tennessee State University; BS, David Lipscomb University; AA, Sue Bennett College

HOLBROOK, MARY BETH, (2008), Associate Professor, Accounting, Finance & Information Systems; PhD, MS, University of Kentucky; BA, Alice Lloyd College; BA, Harvard University

HOLCOMB, DEREK, (2000), Associate Professor, Health Promotion & Administration; PhD, MS, Southern Illinois University; BS, University of Illinois at Urbana

HOMAN, ANN, (2003), Assistant Professor, Model Laboratory School; MAEd, BS, Eastern Kentucky University

HOOD, KAREN, (2013), Assistant Professor, Management, Marketing & International Business; PhD, MBA, BS, University of Tennessee

HOOSE, SHANE, (2013), Assistant Professor, Music; PhD, University of Iowa; MM, Bowling Green State University; BA, Ball State University

HOUSTON, ROBERT, (1998), Professor, Economics; PhD, MS, BS, University of Kentucky

HOVERMALE, RACHAEL, (2010), Senior Clinical Faculty, Baccalaureate & Graduate Nursing; DNP, Eastern Kentucky University; MSN, University of Kentucky; BSN, Ball State University

HOWARD, VANESSA, (2009), Instructor, Model Laboratory School; MAEd, Eastern Kentucky University; BA, Lindsey Wilson College

HOWELL, DANA, (2006), Professor, Occupational Science & Occupational Therapy; PhD, University of Idaho, OTD, Creighton University; BS, Colorado State University

HOWELL, MATTHEW, (2012), Assistant Professor, Government; PhD, MPP, University of Kentucky; BA, Missouri State University

HUANG, WANJI, (2014), Lecturer, Justice Studies; PhD, University of Illinois, Urbana-Champaign; MS, Northeastern Illinois University; BBA, National Sun Yet-Sen University

HUBBARD, CHARLOTTE A., (1995), Associate Professor, Clinical Educator Preparation; PhD, University of Tennessee; MA, Wichita State University; BS, University of Kansas

HUBBARD, CONNIE, (2006), Associate Professor, Associate Degree Nursing; MSN, University of Kentucky; MA, Lexington Theological Seminary; BSN, Berea College

HUCH, RONALD, (2000), Professor, History; PhD, University of Michigan; MA, Pennsylvania State University; BA, Thiel College

HUFFMAN, F. TYLER, (2006), Associate Professor, Geosciences; PhD, MA, University of Connecticut; BA, University of Kentucky

HUGHES, CHARLES, (2011), Associate Professor, Clinical Educator Preparation; PhD, MS, Bowling Green State University; BS, Ohio University

HUNT, SCOTT, (2005), Professor, Justice Studies; PhD, University of Nebraska at Lincoln; MA, University of Nebraska at Omaha; BA, University of Texas at Austin

HUNTER, GEORGE, (2006), Associate Professor, English & Theatre; PhD, Purdue University; MA, Eastern Kentucky University; BA, University of Kentucky

HUNTER, SUGAR, (1996), Professor, Fire Protection & Para-Medicine
Science; PhD, University of Kentucky; MA, Eastern Kentucky University; BS, Western Carolina University
HURDICH, JASON, (2013), Assistant Professor, American Sign Language & Interpreter Education; MAEd, University of North Florida; BA, Boston University.
IRVIN, MATTHEW, (2007), Associate Professor, Anthropology, Sociology & Social Work; PhD, North Carolina State University; MS, BS, Virginia Commonwealth University
ISAACS, TRISH, (2011), Associate Professor, Accounting, Finance & Information Systems; PhD, University of Kentucky; MBA, BBA, Eastern Kentucky University
JACKSON, CHRISTOPHER, (2007), Associate Professor, Art & Design; MFA, Mary Washington College of Art; BFA, The University of Tennessee at Chattanooga
JACKSON, DAWN W., (1986), Professor, Health Promotion & Administration; DrPH, University of Kentucky; MA, Eastern Kentucky University; BS, East Carolina University
JACKSON, GLENN, (2014), Lecturer, English & Theatre; MFA, Murray State University; MA, Eastern Kentucky University; BA, Centre College
JACKSON, KEVIN, (2005), Assistant Librarian, Libraries; PhD, MLIS, BA, University of Kentucky
JAY, JACQUELINE, (2008), Associate Professor, History; PhD, MA, University of Chicago; BA, The University of Toronto
JENKINS, JUDITH, (2015), Associate Professor, American Sign Language & Interpreter Education; MAEd, University of North Florida; BA, Boston University.
JEROME, ROBERT, (1988), Professor, Music; MM, Miami University; BM, Oakland University
JENSEN, JACQUELYN, (2002), Professor, Family & Consumer Sciences; PhD, University of Utah; MS, BS, Brigham Young University
JENSEN, NANCY, (2011), Associate Professor, English & Theatre; MFA, Vermont College; BA, Indiana University Southeast
JOHNSON, MATTHEW, (2014), Visiting Assistant Professor, English & Theatre; MFA, Virginia Commonwealth University; BA, Morehead State University
JOHNSON, MELANIE, (2010), Assistant Professor, Baccalaureate & Graduate Nursing; DNP, MSN, BSN, Eastern Kentucky University
JOHNSON, ROBERT, (2008), Associate Professor, English & Theatre; MFA, Arizona State University; MA, Kansas State University; BS, Cal Poly Pomona
JOHNSON, WARDELL, (2003), Associate Professor, Exercise & Sport Science; EdD, University of Kentucky; MS, Eastern Kentucky University; BS, Knoxville College
JONES, ALICE, (1997), Professor, Geosciences; PhD, The Ohio State University; MAG, Southwest Texas State University; BS, University of Texas, Austin
JONES, KEVIN, (1998), Assistant Librarian, Libraries; PhD, MLIS, BA, University of Kentucky
JONES, KIRK, (1990), Associate Professor, Mathematics & Statistics; PhD, Iowa State University; MA, University of Northern Iowa
JONES, LISA, (2006), Associate Professor, Baccalaureate & Graduate Nursing; MSN, BSN, ASN, Eastern Kentucky University
JONES, SHERRY, (1993), Assistant Professor, Recreation & Park Administration; MS, Indiana University; BA, Benedict College
JUDD, LUCINDA, (2005), Associate Librarian, Libraries; MLIS, University of Kentucky; BS, University of Central Florida; AA, Valencia Community College
KALKAN, KEREM, (2014), Assistant Professor, Government; PhD, University of Maryland; MA, Bilkent University; BS, Middle East Technical University
KAPPELER, STEPHEN, (2006), Senior Lecturer, Justice Studies; MA, Radford University; BS, Central Missouri State University
KAPPELER, VICTOR, (1992), Foundation Professor, Justice Studies; PhD, Sam Houston State University; MS, BS, AS, Eastern Kentucky University
KAROLICH, ROBERT, (2006), Associate Professor, Anthropology, Sociology & Social Work; PhD, University of Kentucky/University of Louisville; MSW, University of Illinois; MS, Chicago State University; BS, Winona State University
KAY, LISA, (2002), Associate Professor, Mathematics & Statistics; PhD, MS, University of Kentucky; BS, Eastern Kentucky University
KEAN, KRISTEN, (2003), Professor, Music; DMA, Louisiana State University; MM, Southeastern Louisiana University; BM, Boston University
KELLER, JAMES, (2007), Professor, English & Theatre; PhD, MA, BA, University of South Florida
KELNTNER-PREVIS, KATHY, (2008), Associate Professor, Communication; PhD, Ohio University; MS, Middle Tennessee; BA, Virginia Tech
KILGORE, JEFFERY, (1986), Assistant Professor, Applied Engineering & Technology; MS, Eastern Kentucky University; BS, BA, Berea College
KIMMEL, KRISTA, (2009), Lecturer, Communication; MA, University of Kentucky; BA, Murray State University
KINER, KIMBERLY, (2005), Senior Lecturer, Management, Marketing & International Business; MS, Central Michigan University; BA, University of Cincinnati
KING, KRISTEN, (2011), Lecturer, Computer Science; PhD, Louisiana Tech University; MBA, Eastern Kentucky University; BBA, University of Kentucky
KIPP, ANNE, (2009), Assistant Professor, Model Laboratory School; MAEd, Eastern Kentucky University; MAEd, University of Kentucky; BS, Eastern Kentucky University
KIPP, SUSAN, (1984), Assistant Professor, Family & Consumer Sciences; MS, Iowa State University; BS, University of Kentucky
KLEIN, LIESA, (2015), Assistant Professor, Psychology; PhD, MA, Minnesota State University; BA, University of Wisconsin
KLYZA, JAMES, (2015), Assistant Professor, Environmental Health Science; PhD, University of Cincinnati; MSPH, University of Kentucky; AB, Cornell University
KOGER, VICTORIA, (2002), Associate Librarian, Libraries; MLIS, Florida State University; BA, Lynchburg College
KOHL, JACQUELINE, (2014), Lecturer, English & Theatre; MFA, Murray State University; BA, Miami University
KOONTZ, CHRISTOPHER JASON, (2003), Associate Professor, Music; DMA, West Virginia University; MMA, Miami University; BME, Eastern Kentucky University
KOPACZ, PAULA, (1985), Foundation Professor, English & Theatre; PhD, Columbia University; MA, University of Connecticut; BA, Mount Holyoke College
KOSLOW, JENNIFER, (2010), Assistant Professor, Biological Sciences; PhD, Indiana University; MS, University of Miami; BA, BS, Emory University
KRASKA, PETER, (1994), Professor, Justice Studies; PhD, MA, Sam Houston State University; BA, University of Alaska
KRISTOFIK, PAUL, (1997), Associate Professor, English & Theatre; PhD, University of Pittsburgh; MA, Carnegie-Mellon University; BS, Indiana University of Pennsylvania
KROEG, SUSAN, (2001), Professor, English & Theatre; PhD, MA, Michigan State University; BA, Alma College
KUMOJI-ANKRAH, IADI, (2005), Professor, Art & Design; MFA, University of Minnesota; BA, College of St. Catherine
LAIR, JESSICA, (2006), Associate Professor, Physics & Astronomy; PhD, MS, Clemson University; BS, BS, West Virginia University Institute of Technology
LAKE, MELINDA, (2009), Assistant Professor, Model Laboratory School; MA, BA, Eastern Kentucky University
LAMANNA, ANTHONY, (2013), Assistant Professor, Applied Engineering & Technology; PhD, MS, University of Wisconsin; MS, Purdue University; BA, The Catholic University of America
LAMAR, MARY, (2009), Lecturer, Chemistry; MS, BS, University of Missouri, Rolla
LAND, MICHAEL, (2014), Lecturer, Justice Studies; EdD, Lincoln Memorial University; MS, BS, Eastern Kentucky University
LANDON, GEORGE, (2007), Associate Professor, Computer Science; PhD, BSCS, University of Kentucky
LANE, MICHAEL, (2014), Assistant Professor, Exercise & Sport Science; PhD, University of Kansas; MS, Saint Louis University; BS, Missouri State University
LARKIN, JAMES, (2001), Associate Professor, Exercise & Sport Science; PhD, Purdue University; MS, University of Wisconsin, La Crosse; BS, University of Wisconsin, Madison
LARKIN, LAURIE, (2010), Associate Professor, Health Promotion & Administration; PhD, Purdue University; MS, University of Wisconsin, La Crosse; BS, University of Wisconsin, River Falls

LARSGAARD, JAMES, (2004), Lecturer, Justice & Safety; EdD, University of Kentucky; MBA, University of North Dakota; BS, North Dakota State University

LASSLO, JULIE, (2015), Assistant Professor, Health Promotion & Administration; MPH, BS, Eastern Kentucky University

LAWSON, ADAM, (2007), Associate Professor, Psychology; PhD, MS, Oklahoma State University; BA, Columbia College

LEIGERS, KELLY, (2009), Clinical Faculty, Occupational Science & Occupational Therapy; MS, Virginia Commonwealth University; BS, Eastern Kentucky University

LEIGH, PHYLLIS, (2014), Lecturer, Anthropology, Sociology & Social Work; MSW, BA, University of Kentucky; AA, Lees J. College

LEMMON, MICHELLE, (2002), Assistant Professor, Model Laboratory School; MA, Eastern Kentucky University; BA, Berea College

LEWIS, AMANDA, (2008), Associate Professor, Health Promotion & Administration; DrPH, MPH, University of Kentucky; BS, Eastern Kentucky University

LI, ENPING, (2012), Assistant Professor, Computer Science; PhD, State University of New York at Binghamton; MS, China University of Petroleum; BS, North China University of Technology

LI, XI-LE (SHEILA), (2014), Visiting Instructor, Agriculture; PhD, University of Kentucky; MS, BS, China Agricultural University

LIDDELL, ERIK, (2009), Associate Professor, Languages, Cultures, & Humanities; PhD, MA, University of Toronto; BA, Brock University

LIN, CHANG-YANG, (1983), Professor, Accounting, Finance & Information Systems; PhD, University of Arkansas; MS, Murray State University; BA, Soochow University

LINDON, JOSEPH, (2008), Instructor, Model Laboratory School; MAEd, BA, Eastern Kentucky University; AA, Hazard Community College

LINGENFELDER, ROSS, (2009), Lecturer, Management, Marketing & International Business; MS, Eastern Kentucky University; BS, Methodist University

LINNEMANN, TRAVIS, (2014), Assistant Professor, Justice Studies; PhD, MA, Kansas State University; BS, Emporia State University

LIPPMAN, SHEILA, (2010), Instructor, Model Laboratory School; MM, Austin Peay State University; BA, Alderson Broaddus University

LITZELFELNER, PAT, (2005), Associate Professor, Anthropology, Sociology & Social Work; PhD, University of Kansas; MSW, University of Missouri; BSW, Southeast Missouri State

LIU, CHAOYUAN, (2006), Associate Professor, Mathematics & Statistics; PhD, MA, University of Illinois at Urbana-Champaign; MS, Chengdu University of Science & Technology; BS, Sichuan Normal University

LOAN, THERESA (TERRI), (2000), Professor, Baccalaureate & Graduate Nursing; PhD, MSN, University of Kentucky; BSN, ASN, Marshall University

LOGSDON, JANIS, (2013), Visiting Assistant Professor, Family & Consumer Sciences; MS, University of Kentucky; BS, Eastern Kentucky University

LOPES, CARLOS, (2015), Assistant Professor, Economics; PhD, MS, University of Kentucky; BBA, Marshall University

LORDEN, ROSANNE, (1991), Professor, Psychology; PhD, MS, University of Georgia; BS, Armstrong Atlantic University

LOTT, SHARON, (2014), Assistant Professor, American Sign Language & Interpreter Education; MA Gallaudet University; MS, BS, Rochester Institute of Technology

LOVIN, CHRISTINA, (2010), Lecturer, English & Theatre; MFA, New England College

LOWRY, JOHN, (2001), Associate Professor, History; PhD, MPhil, Yale University; BA, Oberlin College

LOY, STEPHEN, (1991), Associate Professor, Accounting, Finance & Information Systems; PhD, Texas Tech University; MBA, University of Georgia; BS, East Tennessee State University

LUNCERD, KRISTI, (2014), Assistant Professor, Clinical Educator Preparation; MA, BS, University of Kentucky

MACHADO-ECHEZURIA, MARIANELLA, (2003), Associate Professor, Languages, Culture, & Humanities; PhD, MA, University of Cincinnati

MADDEN, ANGELA, (2011), Associate Professor, Clinical Educator Preparation; EdD, MA, University of Kentucky; BA, Transylvania University

MAHAN, ROBERT, (2006), Associate Professor, Accounting, Finance & Information Systems; PhD, MA, University of Kentucky; BS, Morehead State University

MAHANNA-BODEN, SUSAN, (1986), Associate Professor, Clinical Educator Preparation; PhD, Wichita State University; MS, Phillips University; BS, University of Kansas

MAISON, AUGUSTINE KOFI, (1993), Associate Professor, Mathematics & Statistics; PhD, University of London; MS, University of Warwick; BS, University of Ghana

MAKECHA, RADHIKA, (2013), Assistant Professor, Psychology; PhD, MA, University of Southern Mississippi; BS, Texas A&M University

MALOLEY, KAREN, (2009), Associate Professor, Clinical Educator Preparation; PhD, Michigan State University; MA, Western Michigan University; BS, Grand Valley State University

MAPLES, JAMES, (2014), Assistant Professor, Anthropology, Sociology & Social Work; PhD, MA, BA, The University of Tennessee-Knoxville

MARCUM, BRADLEY, (2004), Associate Librarian, Libraries; MLIS, University of Kentucky; BS, Eastern Kentucky University

MARION, JASON, (2012), Assistant Professor, Environmental Health Science; PhD, MS, The Ohio State University; BS, Morehead State University; AAS, Hocking College

MARROQUIN, GLORIA, (2014), Clinical Faculty Physician, Bluegrass Community Health Center; MD, MSPh, Meharry Medical College

MARSHALL, AMY, (2008), Associate Professor, Occupational Science & Occupational Therapy; PhD, University of Kentucky; MS, Eastern Kentucky University; BS, Western Michigan University

MARSHALL, ZACHARY, (2014), Assistant Professor, Music; DMA, University of South Carolina; MM, University of Tennessee; BM, East Tennessee State University

MARTIN, KAREN, (2014), Assistant Professor, Anthropology, Sociology & Social Work; MSW, University of Kentucky

MARTIN, KARI, (2000), Associate Librarian, Libraries; MLIS, University of Kentucky; MS, Eastern Kentucky University; BA, Marshall University

MARTIN, MICHAEL, (2002), Professor, Clinical Educator Preparation; PhD, University of Georgia; MAEd, BA, University of New Orleans

MARTIN, SARAH, (2002), Professor, English & Theatre; PhD, Louisiana State University; MEd, University of Georgia; BSED, University of Education

MASSON, NICOLA, (2012), Assistant Professor, Clinical Educator Preparation; PhD, University of Kentucky; MM, Morehead State University; BM, University of Stellenbosch

MATHIES, BETSY, (1999), Associate Professor, Justice Studies; PhD, University of Cincinnati; MA, Wright State University; BA, Miami University

MAY, FRED, (2009), Associate Professor, Safety & Security; PhD, Virginia Tech; MS, Pennsylvania State University; BS, Weber State University

MAY, JEROME, (2009), Lecturer, Chemistry; PhD, MS, BS, Louisiana State University

MCDADAM, MARIANNE, (1989), Professor, Exercise & Sport Science; PhD, MS, University of Wisconsin, Madison; BA, State University of New York, Brockport

MCCHESNEY, JON C., (2000), Professor, Recreation & Park Administration; EdD, University of Kentucky; MS, BA, Eastern Kentucky University

MCCLLEE, ERNEST, (2011), Instructor, Model Laboratory School; MA, Georgetown College; BA, University of Kentucky; BS, Murray State University

MCCELLAN, MICHAEL, (2015), Assistant Professor, Psychology; PhD, MS, University of Kentucky; BA, Berea College

MCDERMOTT, MICHAEL D., (2002), Associate Professor, Agriculture; PhD, MS, Iowa State University; BS, University of Wisconsin

MCQUIRE, PEGGY, (1996), Assistant Professor, Clinical Educator Preparation; DA, MA, Middle Tennessee State University; BS, North Texas State University

MCKINNEY, MOLLY, (2011), Assistant Professor; Health Promotion & Administration; MA, BA, University of Toledo

MCQUEEN, KEVEN, (2002), Lecturer, English & Theatre; MA, Eastern Kentucky University; BA, Berea College

MCSPIRIT, STEPHANIE, (1995), Professor, Anthropology, Sociology & Social Work; PhD, MA, The State University of New York, Buffalo

NNOROMELE, SALOME, (1994), Professor, English & Theatre; PhD, MA, University of Kentucky; BA, University of Utah
NOBLITT, LYNETTE, (2006), Professor, Government; JD, University of Michigan Law School; MS, University of Michigan Medical School; BS, Yale University
Noland, ALLISON WILSON, Instructor, Model Laboratory School; MAEd, University of the Cumberlands; BS, Eastern Kentucky University
NOWAK, THERESA, (2006), Associate Professor, Psychology; PhD, EdS, University of Kentucky; MA, Nicholls State University; BS, AA, Southern Illinois University
O'BRIEN, SHIRLEY P., (1991), Professor, Occupational Science & Occupational Therapy; PhD, University of Kentucky; MS, Rush University; BS, Temple University
OAKLEY, OLIVER, (2012), Assistant Professor, Biological Sciences; PhD, BSc, HD, University of Wolverhampton
OSBARDSTON, RICHARD, (2007), Associate Professor, Psychology; PhD, MA, University of Missouri; MES, Yale University; MS, University of South Carolina; BCHE, Georgia Institute of Technology
OSBORNE, MICHAEL, (2012), Lecturer, Mathematics & Statistics; MS, BS, Eastern Kentucky University
OTTINO, TOM, (1995), Professor, Chemistry; PhD, MSc, University of British Columbia; BSc, University of Nairobi
PALMER, JERRY, (2001), Associate Professor, Psychology; PhD, MS, Georgia Institute of Technology; BA, Asbury College
PAOLUCCI, PAUL, (2001), Professor, Anthropology, Sociology & Social Work; PhD, University of Kentucky; MS, Virginia Commonwealth University; BS, Eastern Kentucky University
PARCOURT, STEVEN, (1999), Associate Professor, Philosophy & Religion; PhD, MA, Emory University; BA, Middle Tennessee State University
PARK, CHARLENE, (2011), Assistant Professor, Model Laboratory School; MAEd, BBA, Eastern Kentucky University
PARRISH, EVELYN, (2006), Professor, Baccalaureate & Graduate Nursing; PhD, MS, University of Kentucky; BSN, Eastern Kentucky University
PARROTT, JILL, (2011), Assistant Professor, English & Theatre; PhD, The University of Georgia; MA, Auburn University; BA, Carson-Newman College
PARRY, PAMELA, (2014), Associate Professor, Communication; PhD, The University of Southern Mississippi; MA, The American University; MRE, Midwestern Baptist Theological Seminary; BJ, The University of Missouri School of Journalism
PATRICK, CAROL, (2003), Associate Professor, Family & Consumer Sciences; EdD, BA, University of Kentucky; MEd, Ashland University
PATTON, JAMES, (2015), Lecturer, Chemistry; PhD, MS, University of Tennessee; BS, University of Pittsburgh
PAULSEN, DEREK, (2002), Associate Professor, Justice Studies; PhD, Sam Houston State University; MS, Eastern Kentucky University; BA, Florida State University
PAUL, CHRISTIAN, (2015), Assistant Professor, Chemistry; PhD, Wake Forest University; BS, Gettysburg College
PERRINE, ROSE, (1991), Professor, Psychology; PhD, MA, University of California, Santa Cruz; BA, California State University, Northridge
PETERS, VALERIE, (2015), Assistant Professor, Biological Sciences;...
Some entries from the 2015-2016 EKU Undergraduate Catalog:

- **PETREY, KRISTINA** (2005), Associate Professor, Associate Degree Nursing; MS, BS, Eastern Kentucky University.
- **PETREY, REBECCA** (2007), Assistant Professor, Model Laboratory School; MS, BS, Eastern Kentucky University.
- **PETRILLI, PEGGY** (2007), Assistant Professor, Clinical Educator Preparation; EdD, Eastern Kentucky University; MAEd, Texas State University; BS, Western Kentucky University.
- **PETRONIO, KAREN** (1995), Professor, American Sign Language & Interpreter Education; PhD, University of Washington; MS, Morgan State University; MA, Gallaudet University; BS, Central Michigan University.
- **PHARR, JAMES** (2006), Associate Professor, Fire Protection and Para-Medicine Sciences; MS, Grand Canyon University; BS, University of Cincinnati School of Applied Science; AAS, Rowan Technical Institute.
- **PHILLIPS, WILLIAM** (2006), Professor, Educational Leadership & Policy Studies; EdD, BS University of Southern Mississippi; MS, University of Mississippi.
- **PIANALTO, MATTHEW** (2009), Associate Professor, Philosophy & Religion; PhD, MA, BA, University of Arkansas.
- **PIERCE, DORIS E.** (2001), Professor, Occupational Science & Occupational Therapy; PhD, MA, University of Southern California; BS, Ohio State University.
- **PIECEY, RODNEY** (2001), Professor, Physics & Astronomy; PhD, Vanderbilt University; BS, Centre College.
- **PINHEIRO, JAN** (2007), Senior Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, Eastern Kentucky; BSN, Mid-American Nazarene College.
- **PITTS, MARK** (2011), Lecturer, Physics & Astronomy; PhD, MS, University of Hawaii at Manoa; BS, Ohio State University.
- **POFFENBERGER, ABBEY** (2005), Associate Professor, Languages, Cultures, & Humanities; PhD, MA, BA, University of Kentucky.
- **POLK, RANDI** (2010), Assistant Professor, Languages, Cultures, & Humanities; PhD, Ohio State University; MA, University of Cincinnati; Magister, Paris-Sorbonne University; BA, University of Kentucky.
- **PORTER, DIANA** (2006), Associate Professor, Clinical Educator Preparation; PhD, MS, Kansas State University; BA, Bethany College.
- **POTTER, GARY** (1988), Professor, Justice Studies; PhD, MS, BS, Pennsylvania State University.
- **POTTIS, ALICE** (2006), Senior Clinical Faculty, Associate Degree Nursing; MS, BS, AS, Eastern Kentucky University.
- **POWELL, ISAAC** (2009), Associate Professor, Art & Design; MFA, Washington State University; BFA, Stephen Austin State University.
- **POWELL, MALISSA** (1990), Assistant Professor, Associate Degree Nursing; MSN, University of Kentucky; BSN, Eastern Kentucky University.
- **POWELL, NORMAN W.** (2000), Associate Professor, Educational Leadership & Policy Studies; EdD, MEd, BA, American University.
- **PRADHAN, GYANENDRA** (2009), Professor, Economics; PhD, American University; MA, Central Missouri State University; MA, Tribhuvan University; BA, Panjab University.
- **PRATT, BRUCE R.** (1988), Professor, Agriculture; PhD, MS, West Virginia University; BS, Delaware Valley College.
- **PRESLEY, ERIN** (2011), Assistant Professor, English & Theatre; PhD, University of Georgia; MA, BA, East Tennessee State University.
- **PRESSLEY, SHEILA** (2004), Professor, Environmental Health Science; DrPH, University of Kentucky; MS, Tufts University; BS, Western Carolina University.
- **PRIVETTE, CHRISTINE** (2009), Associate Professor, Occupational Science & Occupational Therapy; PhD, University of Nevada; MA, George Washington University; BS, Boston University.
- **PUCKETT, KIM** (2007), Assistant Professor, Model Laboratory School; MA, BA, University of Mississippi.
- **PURCELL, KERI** (2010), Assistant Professor, Baccalaureate & Graduate Nursing; MSN, Eastern Kentucky University; BSN, University of Kentucky.
- **PURDUE, GINA** (2007), Associate Professor, Baccalaureate & Graduate Nursing; DNP, MSN, Eastern Kentucky University.
- **PUTNAM, ANDREW** (2015), Assistant Professor, Music; PhD, University of Missouri-Kansas City; MM, University of Michigan; BM, University of Wisconsin.
- **QUAN, DONGHUI** (2011), Assistant Professor, Chemistry; PhD, Ohio State University; MS, BS, University of Science & Technology of China.
- **RAHIMZADEH, KEVIN** (1997), Associate Professor, English & Theatre; PhD, MA, University of North Carolina at Chapel Hill; BSFS, Georgetown University's School of Foreign Service.
- **RAMEY, CHERYL** (2012), Lecturer, Psychology; MS, BS, Eastern Kentucky University.
- **RANDALL, ESTHER** (2011), Professor, Art & Design; MFA, Indiana University; BFA, University of Georgia.
- **RANDLES, THEODORE J.** (2002), Associate Professor, Accounting, Finance & Information Systems; PhD, Georgia State University; MPA, The Ohio State University; BA, Cleveland State University.
- **RANDOLPH, MICHAEL** (2013), Lecturer, Communication; MS, Ohio State University; BA, Miami University.
- **RAWLINS, TROY** (2014), Assistant Professor, Safety & Security; EdD, Spalding University; MPA, BS, Kentucky State University.
- **REDMOND, SHANE** (2003), Associate Professor, Mathematics & Statistics; PhD, University of Tennessee; MS, BS, Ohio University.
- **REECE, CHAD** (2013), Lecturer, English & Theatre; MA, BA, Eastern Kentucky University.
- **REEDE, TANEA** (2008), Associate Professor, Chemistry; PhD, University of Kentucky; BS, Virginia Tech.
- **REEVES, CINDY W.** (2000), Assistant Professor, Clinical Educator Preparation & Model Laboratory School; MS, BS, University of Kentucky.
- **REID, CAROLINE** (2006), Associate Professor, Anthropology, Sociology & Social Work; MSW, University of Kentucky; BA, Berea College.
- **RESOR, CYNTHIA** (2002), Professor, Clinical Educator Preparation; PhD, University of Kentucky; MA, BA, Western Kentucky University.
- **REZAIE, JALEH** (1993), Professor, Computer Science; PhD, University of Kentucky; MS, BS, Eastern Kentucky University.
- **RHEE, CHONGKEY** (1990), Professor, Computer Science; PhD, MS, University of Oklahoma; BA, Panus University.
- **RHOADES, CONNIE** (1991), Professor, Music; DMA, University of Oklahoma; MM, Michigan State University; BMed, Oral Roberts University.
- **RHODUS, LIESE** (1993), Assistant Professor, Model Laboratory School; MA, Eastern Kentucky University; BA, The University of North Carolina at Chapel Hill.
- **RHODUS, RODNEY L.** (1992), Assistant Professor, Model Laboratory School; MA, University of Kentucky; BA, Berea College.
- **RICH, CHARLOTTE** (1999), Professor, English & Theatre; PhD, University of Georgia; BA, Miami University.
- **RICH, CHRISTOPHER** (2013), Assistant Professor, Languages, Cultures, & Humanities; PhD, MA, Yale University; BA, Dartmouth College.
- **RICHARDSON, RAY E.** (2002), Professor, Applied Engineering & Technology; PhD, University of Illinois; MS, BS, Eastern Illinois University.
- **RICHER, STEPHEN** (2005), Associate Professor, Biological Sciences; PhD, University of Oklahoma; MS, Southeastern Louisiana University; BS, Berry College.
- **RICKETS, DONNA L.** (1999), Professor, Associate Degree Nursing; MSN, Eastern Kentucky University; BSN, University of Kentucky; ASN, Elizabethtown Community College.
- **RINI, ELLEN GENTRY** (1996), Assistant Professor, Model Laboratory School; MS, University of Kentucky; BA, Lipscomb University.
- **RITCHISON, GARY** (1979), Foundation Professor, Biological Sciences; PhD, Utah State University; MA, BA, Mankato State University.
- **ROBERSON, MICHAEL T.** (1987), Foundation Professor, Biological Sciences; PhD, Utah State University; MA, BA, Mankato State University.
- **ROBINSON, CHRISTOPHER** (2007), Assistant Professor, Model Laboratory School; MAEd, Eastern Kentucky University; MAEd, University of Alaska Anchorage; BA, Sheldon Jackson College.
- **ROBINSON, SHERRY** (1995), Professor, English & Theatre; PhD, University of Kentucky; MA, Eastern Kentucky University; BS, Middle Tennessee State.
- **ROBLES, MARCEL** (2002), Professor, Management, Marketing & International Business; PhD, MS, BBA, University of North Dakota.
- **ROCKWELL, SCOTT** (2012), Assistant Professor, Fire Protection and Para-Medicine Sciences; PhD, MS, Worcester Polytechnic Institute; BS,
STEINBACH, GARY M., (1990), Professor, Applied Engineering & Technology; PhD, MS, BS, University of Wisconsin

STEVENS, TARA, (2013), Assistant Professor, American Sign Language & Interpreter Education; PhD, Gallaudet University; MA, Northeastern University; BS, AA, Eastern Kentucky University

STINNETT, BRANDON, (2013), Instructor, Model Laboratory School; BMME, University of Kentucky

STOCKBURGER, MURIEL, (1990), Assistant Professor, Counseling & Educational Psychology; EdD, University of Arkansas; MA, Southwest Missouri State; BS, Ohio University

STOKES, NATHAN, (2014), Assistant Professor, Family & Consumer Sciences; PhD, Iowa State University, MS, Texas Tech University; BS, AAS, Brigham Young University, Idaho

STRADE, JOHN, (2006), Senior Lecturer, Communication; MA, BA, BS, Auburn University

STRAIT, ANDREA, (2005), Professor, Psychology; PhD, University of Tennessee; BS, Eastern Kentucky University

STRIBLING, MARDI, (1991), Assistant Professor, Mathematics & Statistics; PhD, MA, University of Kentucky; BA, Texas Tech University

STRONG, CONNIE SUE, (1991), Professor, Counseling & Educational Psychology; PhD, Southern Illinois; MA, BS, Southeast Missouri State

STYER, EUGENE, (1990), Associate Professor, Computer Science; PhD, Georgia Institute of Technology; BS, Lock Haven University

SUMMITRAN, STEPHEN, (1998), Associate Professor, Biological Sciences; PhD, Virginia Tech; MS, West Virginia University; BS, BS, Madras Christian College

SUMMERS, LOUISA, (2000), Professor, Exercise & Sport Science; PhD, Oregon State University; MA, BA, University of the Pacific

SUTHERLAND, SHANDA, (2014), Clinical Faculty, Associate Degree Nursing; MSN, BSN, Chamberlain College of Nursing; ASN, Eastern Kentucky University

SWAIN, RANDALL, (2008), Associate Professor, Government; PhD, MA, University of Alabama; MPA, University of Tennessee, Chattanooga; BS, Alabama A & M University

SWEELY, GAY, (2006), Associate Professor, Art & Design; PhD, University of Melbourne; MA, University of Utah; BA, Illinois Wesleyan University

SZABO, STEVE, (2011), Assistant Professor, Mathematics & Statistics; PhD, Ohio University; MS, BS, Cleveland State University

SZEKELY, ILONA, (2011), Assistant Professor, Art & Design; PhD, BA, University of Kentucky; MA, Columbia University

SZORAD, FELICIA, (2001), Professor, Art & Design; MFA, East Carolina University; BFA, Bowling Green State University

SZUBINSKA, BARBARA, (1998), Assistant Professor, English & Theatre; MA, University of Warsaw

TABIBZADEH, KAMBIZ, (2013), Associate Professor, Clinical Educator Preparation; PhD, MAEd, University of Massachusetts Amherst; BA, University of South Caroline Upstate

TINSLEY, ANDREW, (2009), Associate Professor, Fire Protection and Para-Medicine Sciences; BS, MS, University of Tennessee

TOLEDO, JAVIER, (2011), Assistant Professor, Spanish; MA, University of Puerto Rico

TOWNSEND, JEFFERY SCOTT, (2006), Associate Professor, Clinical Educator Preparation; PhD, Indiana University Bloomington; MAEd, BS, Eastern Kentucky University

TOWNSEND, TRAVIS, (2006), Senior Lecturer, Art & Design; MFA, Virginia Commonwealth University; BS, Kutztown University

TSIANG, SARAH, (2001), Associate Professor, English & Theatre; PhD, MA, University of Illinois, Urbana; BA, University of Chicago

TUNNELL, KENNETH, (1989), Foundation Professor, Justice Studies; PhD, University of Tennessee; MS, Middle Tennessee State; BS, East Tennessee State

TURNER, RALPH, (2010), Associate Professor, Clinical Educator Preparation; MAEd, EdD, MA, Eastern Kentucky State University; MA, Eastern Mennonite University; BA, Emory & Henry College

UNDERWOOD, ELIZABETH, (2000), Associate Professor, Anthropology, Sociology & Social Work; PhD, MA, University of Illinois at Urbana-Champaign; BS, Grand Valley State University

VAN DENBERG, MELISSA, (2009), Associate Professor, Art & Design; MFA, Southern Illinois University, Carbondale; BFA, College for Creative Studies

VANFLEET, JOSEPH, (2007), Associate Professor, Music; DM, MM, Indiana University; BM, Murray State University

VANKER, JESSICA, (2005), Senior Lecturer, English & Theatre; MA, BA, Eastern Kentucky University

VARELA-IBARRA, JOSE, (2001), Professor, Languages, Cultures, & Humanities; PhD, University of Texas at Austin; MA, BA, University of Hawaii at Manoa

VELEZ, DE CEA, JESUS, (2006), Associate Professor, Philosophy & Religion; PhD, Universidad Complutense; MA, Universidad de Comillas; Licenciata, Universidad de Navarra

WALKER, SAINT, (2014), Faculty, School of Business Administration & International Business; PhD, University of Kentucky; MA, Eastern Kentucky University

WADE, JOHN, (2000), Associate Professor, Economics; PhD, MS, Purdue University; BA, Washington & Lee University

WAHR, ROBYN, (2014), Instructor, Clinical Educator Preparation; MS, University of Kentucky; BA, Ashbury College

WAICKEL, REBEKAH, (2008), Associate Professor, Biological Sciences; PhD, Baylor College of Medicine; BS, Indiana University

WALACH, MICHAEL, (2014), Assistant Professor, Applied Engineering & Technology; PhD, University of Rhode Island & Rhode Island College; MAT, Sacred Heart University; BS, Rhode Island College; AAS, Community College of Rhode Island

WALKER, JESSICA, (2011), Associate Professor, Justice Studies; PhD, Arizona State University; MS, Indiana State University

WALLACE, TERESA, (2011), Assistant Professor, Educational Leadership & Policy Studies; EdD, University of Kentucky; MA, Eastern Kentucky University

WALLACE, TERESA, (2011), Assistant Professor, Educational Leadership & Policy Studies; EdD, University of Kentucky; MAEd, BS, Eastern Kentucky University

WALZ, CAROLIN, (2009), Lecturer, English & Theatre; MA, Westfälische Wilhelmsuniversität

WANG, JING, (2009), Associate Professor, Physics & Astronomy; PhD, MA, Ohio State University; MA, BA, Tsinghua University

WATERS, ELAINE, (1983), Associate Professor, Baccalaureate & Gradu-
ate Nursing; MSN, University of Rochester; BSN, Vanderbilt University

WATERS, RICHARD, (2011), Professor, Music; DMA, University of North Carolina at Greensboro; MM, University of Harvard; BM, James Madison University

WATERSTRAT, LOUDON, (2007), Assistant Professor, Model Laboratory School; MAEd, Eastern Kentucky University; BA, Lindsey Wilson College

WATKINS, MARCIA, (2008), Senior Lecturer, Biological Sciences; MS, Eastern Kentucky University; BS, Berea College

WATSON, KELLY, (2011), Assistant Professor, Geosciences; PhD, Florida State University; MS, Lund University; BA, Hawaii Pacific University

WEISE, ROBERT, (1999), Associate Professor, History; PhD, MA, University of Virginia; BA, University of Wisconsin, Madison

WELLS, JAMES, (1985), Professor, Justice Studies; PhD, MS, AA, Georgia State University; BS, Ohio State University

WEST, DEBORAH, (2010), Associate Professor, Educational Leadership & Policy Studies; EdD, University of North Carolina at Greensboro; MAEd, Clemson University; BA, Anderson University

WHALEN, DEBORAH, (2000), Associate Librarian, Libraries; MLIS, University of Kentucky; BS, Northern Kentucky University

WHITAKER, MISTY, Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, BSN, Eastern Kentucky University

WHITE, JOHN, (2003), Professor, Geosciences; PhD, Baylor University; MS, BA, Sul Ross State University

WHITEHOUSE, DEBORAH, (1984), Professor, Baccalaureate & Graduate Nursing; PhD, University of Alabama at Birmingham; MSN, University of North Carolina at Chapel Hill; BSN, University of Kentucky

WHITEHOUSE, GINNY, (2011), Associate Professor, Communication; PhD, MA, University of Missouri; BA, Samford University

WHITT, MARC, (2015), Lecturer, Communication, MA, BA, Eastern Kentucky University

WIES, JENNIFER, (2010), Associate Professor, Anthropology, Sociology & Social Work; PhD, MA, University of Kentucky; BA, Loyola University Chicago

WIGGINTON, ANDREW, (2013), Lecturer, Biological Sciences; PhD, University of Kentucky; BS, University of Florida

WILDER, MELINDA S., (1995), Professor, Clinical Educator Preparation; PhD, Ohio State University; MA, Miami University; BS, West Virginia University

WILLET, JAMES, (1991), Assistant Professor, Music; MM, University of Akron; BM, University of Iowa

WILLIAMS, AMANDA, (2012), Assistant Professor, Model Laboratory School; MAEd, MS, Eastern Kentucky University; BS, Western Kentucky University

WILLIAMS, DAVID, (2005), ASL Specialist III, American Sign Language & Interpreter Education; MA, BS, Gallaudet University

WILLIAMS, RACHEL, (2013), Assistant Professor, Languages, Cultures, & Humanities; PhD, The Pennsylvania State University; MA, Binghamton University; BA, Grinnell College

WILLIS, STEPHEN, (2008), Assistant Professor, Model Laboratory School; MA, BS, Eastern Kentucky University

WILLIS, JEROME, (2014), Visiting Assistant Professor, English & Theatre; MFA, University of Florida; BA, University of Southern Maine

WILSON, BRYAN, (2008), Assistant Professor, Model Laboratory School; MAEd, Eastern Kentucky University; BA, Marshall University

WILSON, JAMES G., (2015), Assistant Professor, Applied Engineering & Technology; MEd, University of Mary Washington; BS, Eastern Kentucky University

WILSON, LORI, (2000), Professor, Chemistry; PhD, Georgia Institute of Technology; BS, Mercer University

WILSON, MARY, (2002), Associate Professor, Family & Consumer Sciences; PhD, Michigan State University; BS, University of Kentucky

WILSON, STEFFEN, (1997), Professor, Psychology; PhD, MS, University of Georgia; BS, Birmingham-Southern College

WIMBERLY, LINDA, (1986), Associate Professor, Government; JD, BA, University of Kentucky

WINSLOW, MATTHEW, (1998), Professor, Psychology; PhD, University of Minnesota; MA, University of California; BA, Macalester College

WOLF, JOYCE, (1995), Professor, Music; DMA, University of Kentucky; MM, BM, West Virginia University

WOLMAN, DARIUSZ, (2014), Assistant Professor, Fire Protection & Para-Medicine Sciences; PhD, MS, Capella University; MPH, Drexel University; BBA, Davenport University

WONG, KA-WING, (1990), Professor, Computer Science; PhD, Kansas State University; MS, BS, Middle Tennessee University

WOOD, ANGELA, (2014), Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, Eastern Kentucky University; BSN, ASN, Midway College

WOOD, BRADFORD, (2000), Professor, History; PhD, MA, John Hopkins University; MA, Michigan State University; BA, Wake Forest University

WOODRUFF, BENJAMIN, (2014), Instructor, Accounting, Finance, & Information Systems; MS, MBA, The University of Alabama; BS, Excelsior College

WOODS, PATRICIA, (1989), Associate Professor, Baccalaureate & Graduate Nursing; MSN, University of Kentucky; BSN, Eastern Kentucky University

WORLEY, JAMIE, (2002), Assistant Professor, Model Laboratory School; MA, BA, Eastern Kentucky University

WRAY BRITTANY NAPIER, (2013), Instructor, Model Laboratory School; BS, Eastern Kentucky University

WRAY, LINDA, (1983), Associate Professor, Baccalaureate & Graduate Nursing; PhD, University of Kentucky; MS, University of North Carolina at Greensboro; BS, Lenoir-Rhyne College

WRIGHT, CHERYL, (2002), Assistant Professor, Model Laboratory School; MS, University of Kentucky; BS, University of Pennsylvania

WRIGHT, NEIL, (1983), Professor, Languages, Cultures, & Humanities; PhD, Florida State University; MA, BA, Middle Tennessee State University

WYGANT, DUSTIN, (2009), Associate Professor, Psychology; PhD, MA, Kent State University; BA, Miami University

XIAO, QIAN, (2012), Assistant Professor, Management, Marketing & International Business; PhD, University of Alabama; MS, BS, Southwest Jiao Tong University

XU, BANGTENG, (2005), Professor, Mathematics & Statistics; PhD, MS, Northern Illinois University; MS, Wuhan University

YANG, MENGKUN, (2006), Associate Professor, Computer Science; PhD, University of Kentucky; ME, BE, Sichuan University

YAZDANI, MINA, (2011), Assistant Professor, History; PhD, University of Toronto; MA, Wilfrid Laurier University; MA, Landegg International University; BGS, Indiana University

YI, KWAN, (2011), Associate Professor, Clinical Educator Preparation; PhD, MS, McGill University; MS, University of Illinois at Urbana-Champaign; BA, BS, Korea University

YODER, GARETT, (1998), Professor, Physics & Astronomy; PhD, MS, Auburn University; BA, Goschen College

YODER, MARGARET, (1995), Assistant Professor, Mathematics & Statistics; PhD, MA, South Florida University; BA, Goschen College

YONTS, LINDA, (2008), Senior Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, University of Kentucky; BSN, Eastern Kentucky University

YOUNG, BILLY, (2013), Assistant Professor, Fire Protection & Paramedicine Sciences; MS, Regis University; BS, Covenant College

YOW, DONALD, (2003), Professor, Geosciences; PhD, MA, University of South Carolina; University of Florida

YOW, SONJA, (2008), Senior Lecturer, Geosciences; EdD, University of Kentucky; IMA, BA, University of South Carolina

ZARAGOZA, SOCORRO, (2007), Associate Professor; Languages, Cultures, & Humanities; PhD, MA, Purdue University; BA, Universidad de Colima

ZEIGLER, SARA, (1996), Professor, Government; PhD, MA, University of California; BA, Reed College

ZHANG, CHENGYI, (2014), Assistant Professor, Applied Engineering & Technology; PhD, Illinois Institute of Technology; MS, China University of Mining & Technology; BS, Harbin University of Commerce

ZHANG, CUI, (2012), Assistant Professor; English & Theatre; PhD, Northern Arizona University; MA, Winona State University; BA, Hebei University of Technology

ZHANG, SHUANGTENG, (2002), Professor, Computer Science; PhD, University of Toledo; MS, BS, Chongqing University

ZHANG, ZHE, (2008), Associate Professor, Management, Marketing & International Business; PhD, University of Central Florida; MS, MBA, Texas A & M University; BA, Tianjin Foreign Studies University

ZHANG, CHENGYI, (2014), Assistant Professor, Applied Engineering & Technology; PhD, University of Kentucky; MS, University of Illinois at Urbana-Champaign; BA, Eastern Kentucky University

ZHENG, XIAOQUN, (2012), Professor, Chinese Language & Culture; PhD, MA, University of Kentucky; MEd, Eastern Kentucky University

ZHENG, ZHIHUA, (2011), Associate Professor, Chinese Language & Culture; PhD, MA, University of Kentucky; BSN, Eastern Kentucky University

ZHOU, YANG, (2012), Associate Professor, Computer Science; PhD, University of Kentucky; MS, University of Illinois at Urbana-Champaign; BA, Eastern Kentucky University

ZIEGLER, SARA, (1996), Professor, Government; PhD, MA, University of California; BA, Reed College

ZHANG, CHENGYI, (2014), Assistant Professor, Applied Engineering & Technology; PhD, Illinois Institute of Technology; MS, China University of Mining & Technology; BS, Harbin University of Commerce

ZHANG, CUI, (2012), Assistant Professor; English & Theatre; PhD, Northern Arizona University; MA, Winona State University; BA, Hebei University of Technology

ZHANG, SHUANGTENG, (2002), Professor, Computer Science; PhD, University of Toledo; MS, BS, Chongqing University

ZHANG, ZHE, (2008), Associate Professor, Management, Marketing & International Business; PhD, University of Central Florida; MS, MBA, Texas A & M University; BA, Tianjin Foreign Studies University

ZHANG, WEILING, (2010), Assistant Professor, Management, Market-
Faculty Listing

ZOELLERS, MARGARET, (2014), Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, BSN, Eastern Kentucky University; AA, Sue Bennett College
ACCREDITATIONS

Eastern Kentucky University is accredited by the Commission of Colleges of the Southern Association of Colleges and Schools to award associate, baccalaureate, masters and Doctor of Education degrees, Doctor of Nursing Practice and Occupation Therapy Doctorate. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Eastern Kentucky University. The Commission on Colleges should be contacted only if there is evidence that appears to support an institution’s significant non-compliance with a requirement or standard.
