Notifications

All statements in this publication are announcements of present policy only and are subject to change without prior notice. Nothing contained in this publication is intended to create nor shall be construed as creating a contract, either express or implied, or guarantee for any term or for any specific procedures.

Eastern Kentucky University is an Equal Opportunity/Affirmative Action employer and educational institution and does not discriminate on the basis of age, race, color, religion, sex, sexual orientation, disability, national origin or Vietnam era or other veteran status in the admission to, or participation in, any educational program or activity which it conducts. Any complaint arising by reason of alleged discrimination should be directed to the Equal Opportunity Office of Eastern Kentucky University (Jones Building, Room 106, CPO 37A, Richmond, KY 40475-3102, 859-622-8020 v/idd), or to the Director of the Office for Civil Rights, U.S. Department of Education, Philadelphia, PA.

The Board of Regents of Eastern Kentucky University does hereby reaffirm the University’s commitment to providing educational opportunities to all qualified students regardless of economic or social status and ensuring that participation in all University sponsored activities will be administered in a way that furthers the principles of equal employment and educational opportunities.

Eastern Kentucky University does not discriminate on the basis of disability in the admission or access to educational opportunities, programs or activities. The Director of Services for Individuals with Disabilities, Turley House, Room 1, Eastern Kentucky University, Richmond, Kentucky 40475, coordinates compliance with all federal, state and local laws and regulations concerning access for disabled individuals. Requests for information concerning the Americans with Disabilities Act and other federal and state laws relating to disabilities and the rights provided thereunder, as well as all requests for accommodations based upon disability should be directed to this office.

Eastern Kentucky University is committed to providing a healthy and safe environment for its students, faculty and staff through its compliance with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendment of 1989. In accordance with these laws, students, faculty and staff are hereby notified of the standards of conduct which shall be applicable while on University property, on University business or at University sponsored activities.

By University rules and regulations, federal laws, state laws, and local ordinances, students, faculty and staff are prohibited from the unlawful possession, use, dispensation, distribution, or manufacture of illicit drugs on University property, on University business and/or at University sponsored activities.

Any member of the student body, faculty or staff who violates the University’s standards of conduct shall be subject to appropriate disciplinary action up to and including expulsion and/or termination. In addition to disciplinary sanctions, students or employees may face prosecution and imprisonment under federal and/or state laws which make such acts felony or misdemeanor crimes. The specifically defined standards of conduct, the disciplinary procedures and possible sanctions appear in the Student Handbook and the Faculty Handbook.

Expulsion of a students is permanent separation and removal from the University. The sanction of expulsion must be approved by the University president or the president’s designee; it requires a student to be withdrawn from all classes, suspended from the residence halls or graduate housing (if applicable), banned from all University facilities (and subject to arrest for trespassing), rendered ineligible to register for any University class, and prohibited from participating in University activities. The student’s transcript will indicate that the student was withdrawn by the University.

Continuous efforts are made to make students, faculty and staff aware of the on-campus and off-campus programs which provide information and professional services on matters related to the abuse of alcohol and drugs. For additional information individuals should contact the Eastern Kentucky University Counseling Center.

Federal Regulations

(as amended)
PUBLIC LAW 93-380

This is to serve notice to all students of Eastern Kentucky University of the rights and restrictions regarding the maintenance, inspection, and release of student records contained in the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended. The University is composed of five colleges and offers a wide variety of services to students. Each college and service requires the maintenance of some records concerning students enrolled in a particular college or participating in a nonacademic service. The location and type of record maintained by the University depends upon the field of study or service in which the student is enrolled. The following is a list of the types of records maintained by the University for students:

1. Grade reports
2. Transcripts
3. Curriculum information
4. Applications for graduation
5. Correspondence with students, if any
6. Withdrawal records, if applicable
7. Admission forms
8. ACT test scores
9. Student teacher evaluations, if applicable
10. Letters of recommendation, if applicable
11. Nominations for awards if applicable
12. Biographical data
4. Notification of Rights Under FERPA for Postsecondary Institutions: The Family Educational Rights and Privacy affords students certain rights with respect to their education records. All EKU students are informed of their FERPA rights each year during the fall term through an email notification sent to their official EKU email address. Each student’s FERPA rights are:

1. Access to Records: In general, the records maintained by the University are available only to the student, to University personnel with legitimate educational interests, to other institutions where the student is seeking financial aid, and to authorized representatives of the Comptroller General of the U.S., the Secretary of Education, or an administrative head of an education agency, in connection with an audit or evaluation of federally support programs, and as provided by Section 164.283 of the Kentucky Revised Statutes. However, information may be released by the institution to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other persons. Records may also be furnished in compliance with a judicial order or pursuant to a subpoena or with the consent of the student.

Students may inspect and review all records pertaining to them within forty-five (45) days of making request for same, except for (1) records created or maintained by a physician, psychiatrist, psychologist or other recognized professional or paraprofessional acting or assisting in a professional capacity in connection with treatment of the student (except that the student may have these records reviewed by a physician or appropriate professional designated by the student), (2) financial records of the student’s parents, (3) confidential letters and recommendations put in the files prior to January 1, 1975, and (4) confidential recommendations relating to admission, applications for employment, or honors, if the student has waived his/her right to review such records. Where a particular record cannot be reviewed by a student without revealing confidential information relating to other students, the records custodian will inform the student, upon request, of the contents of the record pertaining to that student.

Parents who claim a student as a dependent may present their federal tax declaration, in lieu of having the student’s written consent, to gain access to information concerning their children’s grades.

2. Disciplinary Records: Disciplinary records are defined as those records (maintained in any format) which relate exclusively to violations of University General Regulations Governing Student Behavior which have been adjudicated through the office of Student Rights and Responsibilities. Complaints to the Office of Student Rights and Responsibilities which have been dismissed or withdrawn by the University are not considered disciplinary records. A student disciplinary record includes and is limited to: 1) violation report, 2) student notification letter, 3) sanction sheet, 4) notice of hearing, 5) student rights form, 6) roll call of hearing participants in any hearing, 7) documents presented as evidence during any hearing, 8) record of Student Disciplinary Council hearing; 9) appeal letter with accompanying documents; and 10) final disposition of appeal.

3. Directory Information: The University may release information without the student’s consent where the information is classified as “directory information.” The following categories of information have been designated by the University as directory information: name, address (excluding EKU residence hall room number), telephone listing (excluding cell phone), email address, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, academic level (undergraduate or graduate), academic class (freshman, sophomore, junior, or senior), dates of attendance, enrollment status, degrees and awards received, student photo or likeness, and the most recent previous education institution attended by the student. Students who do not wish such information released without their consent should notify the Student Records Office in writing. Any such request should be sent to Office of the Registrar, Office of Academic Records/Transcripts, Eastern Kentucky University, Student Success Building Room 239, CPO 58, 521 Lancaster Avenue, Richmond, Kentucky 40475-3158.

4. Notification of Rights Under FERPA for Postsecondary Institutions: The Family Educational Rights and Privacy affords students certain rights with respect to their education records. All EKU students are informed of their FERPA rights each year during the fall term through an email notification sent to their official EKU email address. Each student’s FERPA rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.

Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.
If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 600 Independence Avenue SW, Washington, DC 20202-4605.

5. Procedures for Challenge: A student who believes that any record maintained by the University pertaining directly to that student is inaccurate, misleading, or otherwise violative of the right of privacy of the student as provided by Title IV of Pub. L. 90-247, as amended, and Pub. L. 93-380 as amended by Senate Joint Resolution 40 (1974) may request a hearing before a panel of three persons appointed by the President of the University. The panel may direct that appropriate action be taken to correct, explain, or expunge the record(s) challenged.

Request for hearings should be addressed to the Office of University Counsel, Eastern Kentucky University, Coates Room 205, CPO 40A, 521 Lancaster Avenue, Richmond, Kentucky 40475-3102.

**Student Right-To-Know Act**
(Pub. L. 101-542)
Eastern Kentucky University
1999-2000

Section 103 of the Student Right-To-Know and Campus Security Act of 1990 (Public Law 101-542) as amended by the Higher Education Technical Amendments of 1991 (Public Law 102-26) requires public disclosure of relevant graduation rate information for students enrolled in colleges and universities receiving federal financial assistance annually beginning July 1, 1993. Graduation rate information is published each year in the *University Handbook for Students* or may be obtained upon request from the Office of the Provost and Vice President for Academic Affairs, Coates Administration Building, Room 110, CPO 30A, 521 Lancaster Avenue, Richmond, Kentucky 40475-3102.
SECTION ONE

Eastern Kentucky University
Introduction

Eastern Kentucky University is a regional, coeducational, public institution of higher education offering general and liberal arts programs, pre-professional and professional training in education and various other fields at both the undergraduate and graduate levels. Located in Richmond, Madison County, Kentucky, Eastern Kentucky University has a distinguished record of more than a century of educational service to the Commonwealth.

Situated near the heart of the Bluegrass, Richmond is served by a network of major highways which makes Eastern Kentucky University easily accessible from all parts of Kentucky and surrounding states. Richmond is 26 miles southeast of Lexington, Kentucky. Interstate Highways 1-75 (north-south) and I-64 (east-west) make the metropolitan areas of Cincinnati, 112 miles to the north, and Louisville, 110 miles to the west, within convenient distance by automobile. Richmond is also served by U.S. Route 25 from south Eastern Kentucky and Kentucky Route 52 from the east and west. The Kentucky Turnpike and the Mountain, Hal Rogers, and Cumberland Parkways provide even greater accessibility by automobile since the city is located near the convergence of these arterial highways into the interstate system.

Richmond, the county seat of Madison County, is an expanding community of approximately 30,000 population.

In and around Richmond are many areas of historic and scenic interest. Boonesborough State Park, birthplace of Kentucky, is located 12 miles to the north. Many other historical places are within easy driving distance. Scenic and recreational areas surround this section of the state.

History

The Kentucky General Assembly of 1906 enacted legislation establishing the Eastern Kentucky State Normal School. Governor J. C. Beckham signed the bill into law on March 21, 1906. On May 7 of that year, the Normal School Commission, meeting in Louisville, selected the campus of the old Central University, founded in 1874, in Richmond, Kentucky, as the site of the new school. On June 2, 1908, Ruric Nevel Roark was chosen President of the Normal School and the training of teachers was begun.

In 1922, Eastern Kentucky University became a four-year institution known as the Eastern Kentucky State Normal School and Teachers College. The first degrees were awarded by this institution in 1925. In 1928, the College was accredited by the Southern Association of Colleges and Secondary Schools. In 1930, the General Assembly renamed the school the Eastern Kentucky State Teachers College.

In 1935, a graduate program was approved at Eastern, leading to the Master of Arts degree in Education. In 1948, the General Assembly removed the word “Teachers” from the name of the college and granted the college the right to award nonprofessional degrees.

The most significant day since its founding came for Eastern on February 26, 1966, when Governor Edward T. Breathitt signed into law a bill renaming the institution Eastern Kentucky University (EKU) and sanctioning the awarding of graduate degrees in academic fields other than education.

During this period of time, Eastern Kentucky University has increased rapidly in size and stature. Beginning with a few students engaged in short review and certificate courses, the University today serves thousands of Kentuckians. The curriculum leads to associate degrees, baccalaureate degrees, and an expanding graduate program that currently offers degrees at the master’s level in many other fields as well as the already well-established Master of Arts degree in Education and the various fifth- and sixth-year leadership programs in education. Specialist degree programs have been implemented in education and psychology.

In 2008, EKU offered its first doctoral degree, the Doctor of Education (Ed.D.). Since that time, EKU also offers the Doctor of Nursing Practice (DNP) and the Occupational Therapy Doctorate (OTD).

Ever-mindful of the purpose of its founding, Eastern continues to recognize its historic function of preparing quality teachers for the elementary and secondary schools of the Commonwealth. However, a strong liberal arts curriculum leading to appropriate degrees, together with pre-professional courses in several areas and graduate programs, enable Eastern to serve the Commonwealth as a regional comprehensive university.

Mission Statement

As a comprehensive public institution, Eastern Kentucky University prepares students to lead productive, responsible, and enriched lives. To accomplish this mission, the University emphasizes:

1. Student Success,
2. Regional Stewardship, and
3. Critical and Creative Thinking and Effective Communication.

Core Values

Since its inception in 1874, Eastern Kentucky University (then known as Central University) has been driven by core values. Although its mission has evolved and expanded to meet the changing needs of citizens of the Commonwealth (and increasingly other places in the world), core values are still an integral part of the University community. Values are the code of organizational conduct. They guide decision-making in all parts of the University. They direct our actions and must inspire all of us in the EKU community to be true to them. The EKU community is committed to embodying these values in our policies and procedures in our day-to-day activities to accomplish our mission and achieve our vision. EKU has been and will continue to be guided by the following values when planning strategies and implementing decisions regarding the University community’s teaching, scholarly, and service activities.

Civic Responsibility and Civility

We believe it is the duty of Eastern Kentucky University to deliver to our students an understanding of how the knowledge taught to them can benefit the citizens of southeastern Kentucky, the Commonwealth of Kentucky, the nation, and the world. Civic responsibility is a value that will show those who acquire it how to influence democratic decision-making and to reap the rewards of participatory democracy and active citizenship. At the heart of civic responsibility lies another value: civility. The University community strives to propagate the understanding and practice of civility in public discourse and social life by encouraging the adoption of techniques of democratic conflict resolution that rely on reason and public debate rather than on violence and aggression.
Diversity and Dignity
Members of the EKU community expect one another to adopt high moral principles and professional standards both inside and outside of the university setting. We hold ourselves to the responsibility of dignity as exemplified by a proper sense of pride and self-respect in fulfilling the University’s mission. We honor and pursue a university community climate that respects and celebrates the diversity of peoples and seeks to embrace all individuals and prohibits judgments based on race, ethnicity, religion, socioeconomic status, gender, sexual orientation, and physical disabilities.

Excellence and Innovation
Achievement of high standards can only be attained through ongoing assessment and continuous improvement. The promotion of academic excellence is the foundation for institutional excellence and vice versa. An environment that fosters innovation at all levels and rewards creativity is critical to the success of the University and its population.

Opportunity and Access
The EKU community is dedicated to the idea that its history and tradition are embedded in Appalachian values, foremost of which are the belief in the sovereignty and uniqueness of the individual and the belief that a university education is of great value and should be available to anyone who wants to pursue it.

Shared Governance and Collaboration
The EKU community accepts as true that leadership characterized by vision and embedded with participatory decision-making at all levels is the emblem of an effective university. We are committed to providing an atmosphere in which we pursue our joint aspirations in the spirit and practice of collegiality and collaboration at all levels of the organization.

Student Success
The EKU community acknowledges that its students, faculty, staff and alumni are the source of its strength: They determine the spirit, eminence, and efficacy of the institution. The future of EKU directly hinges on the success of its students, so our most central core value is “student success” — in the classroom, at work, and on the world stage where students will represent the collective efforts of the EKU community.

Vision
The vision expresses the principal ideal to which the University aspires and toward which it continually works. This vision statement for the 2011-2015 University Strategic Plan was developed after gathering input from external and internal constituents, including top-down and bottom-up perspectives of EKU’s future.

Eastern Kentucky University will be an accessible, nurturing, and academically rigorous center of learning and scholarship that transforms lives and communities and enables them to adapt and succeed in a dynamic, global society.

Institutional Goals
Eastern Kentucky University’s institutional goals give substance to our core values, vision statement, and mission statement. The goals impact all facets of university life, and accomplishment of them will help Eastern to become a leading comprehensive university in the Commonwealth with a national reputation for excellence. (These goals are not listed in any particular order or suggested priority as accomplishment of each one is a necessary step toward the successful achievement of our vision and fulfillment of our mission.)

- Maximize student success.
- Build and sustain the University’s capacity for excellence.
- Create and maintain an inclusive, equitable, and diverse environment.
- Collaborate with the University’s regional community partners to promote academic achievement, economic development, and quality of life.

Strategic Directions
2011-2015 Planning Cycle
To direct the University’s actions toward achieving the Vision, to support the University’s Mission and Institutional Goals, and to function effectively within an environment of challenges and opportunities, Eastern Kentucky University has selected the following Strategic Directions for the 2011-2015 Strategic Plan. These Directions serve to focus our work to realize our Goals and will guide us over the next four years. (Please note: the Goals and Strategic Directions are not listed in any particular order or suggested priority.)

Goal 1: Maximize student success.

- Strategic Direction 1.1: Emphasize and improve critical and creative thinking and effective communication on the part of students.
- Strategic Direction 1.2: Improve student recruitment, retention, graduation, and career transitions.
- Strategic Direction 1.3: Expand student opportunities for engagement, leadership, and scholarship.
- Strategic Direction 1.4: Demonstrate faculty excellence in teaching and scholarship, staff excellence in support of academics and student services, and student excellence in academic achievement.

Goal 2: Build and sustain the University’s capacity for excellence.

- Strategic Direction 2.1: Improve financial capacity and flexibility to support strategic priorities while ensuring transparency and accountability.
- Strategic Direction 2.2: Reach and maintain salary equity with benchmark and comparable institutions.
- Strategic Direction 2.3: Support and increase online and regional-campus enrollments and programs.
Strategic Direction 2.4: Improve the University’s environmental impact and the quality and maintenance of University facilities.

Strategic Direction 2.5: Increase support for professional development, service, scholarly activity, and external funding pursuits in order to improve teaching, service, and scholarship.

Strategic Direction 2.6: Increase support for staff for professional development, focused training, and recognition for service excellence to improve performance on behalf of academics and student services.

Goal 3: Create and maintain an inclusive, equitable, and diverse environment.

Strategic Direction 3.1: Improve recruitment and retention of diverse students, faculty, staff, and University administrators.

Strategic Direction 3.2: Build a climate of respect for diversity, inclusion, and equity, including the enhancement of multicultural and international experiences.

Goal 4: Collaborate with the University’s regional community partners to promote academic achievement, economic development, and quality of life.

Strategic Direction 4.1: Provide guidance, assistance, and curriculum expertise for P-12 schools in order to increase the motivation of the region’s elementary and secondary students and working adults in seeking post-secondary education, and to increase their success in earning a college degree.

Strategic Direction 4.2: Collaborate with regional partners to improve health, economic development, research and development, cultural opportunities, and environmental sustainability.
SECTION TWO

Admission and Residency
ADMISSION TO THE UNIVERSITY

GENERAL REQUIREMENTS FOR UNDERGRADUATE ADMISSION

All applicants must provide an application and evidence of appropriate scholastic achievement through prior educational experience.

Please note that certain degree programs have special admission requirements. Admission to the University does not mean automatic admission to all degree programs.

The completed application and all required supporting documentation must be received by the University no later than:
- August 1 for fall enrollment
- December 1 for spring enrollment
- May 1 for summer enrollment

To apply for undergraduate admission to Eastern Kentucky University (EKU), submit completed application materials noted below and the $35 application fee to: Office of Admissions, Whitlock Bldg. 112, CPO 54, 521 Lancaster Avenue, Eastern Kentucky University, Richmond, KY 40475-3154.

ADMISSION REQUIREMENTS FOR FIRST-TIME FRESHMEN

FULL ADMISSION

Students who meet the following criteria will be granted full admission to the University:

Have graduated from an accredited high school earning a minimum cumulative high school grade point average of 2.5 on a 4.0 scale.\(^1\)

OR

Have submitted a minimum ACT composite score of 20 or SAT combined verbal/critical reading score of 950 or higher.\(^2\)

AND

Meet the Kentucky Pre-College Curriculum

AND

Have submitted an official six-semester high school transcript, or a General Equivalency Diploma (GED), or documentation indicating completion of an EKU approved home-school or distance learning high school program.\(^3\)

\(^1\)All students must submit official test scores at the time of application.
\(^2\)Adult Learners (21 years of age or older) may use Residual ACT, Compass Test, or University Placement Exam results in place of ACT or SAT scores.
\(^3\)Students must submit final high school transcripts that show graduation.

DIRECTED ADMISSION

Students who meet the criteria for full admission and have ACT (or equivalent SAT) subject scores below 18 in English or 20 in reading, or are missing Pre-College Curriculum requirements, will be granted admission to the University in this category.

Students who have an ACT (or equivalent SAT) subject score below 16 in Mathematics will be granted Success First Admission for the summer term and must successfully complete directed coursework to remain enrolled.

SUCCESS FIRST ADMISSION

Students who do not meet the specified criteria for full or directed admission and have a high school GPA of 2.0 on a 4.0 scale may be granted admission to the University through the Success First Initiative. Students will be admitted to associate level programs initially until they demonstrate academic success. Refer to Success First Initiatives on page 44 in the College Readiness section for further details.

NOTE: All admitted students must meet the state-mandated college readiness standards for all subjects prior to registering for classes, or they must enroll in required preparatory coursework beginning their first academic semester.

ADMISSION ON APPEAL

Students who apply but are denied admission to the University may submit a written appeal to the Admissions Appeals Committee.

The committee will carefully consider all aspects of the applicant’s situation, including academic record and desire to attend EKU, as presented in the appeal request.

If granted admission by the committee, students will partner with an academic success coach and sign a Student Success Agreement specifying academic expectations and requirements for remaining enrolled at the University.

The admissions appeal form and information regarding the appeals process can be found on the EKU Admissions website or in the Office of Admissions. For more information regarding the Student Success Agreement, see page 45 of the catalog.

EASTERN BRIDGE SUCCESS FIRST PROGRAM

Refer to the Developmental Education and College Readiness section on page 44.

REQUIREMENTS FOR INTERNATIONAL STUDENTS

International applicants must also submit:

1. International application for admission and application fee.
2. TOEFL Scores—minimum requirement 500 (paper based), 173 (computer-based), or 61 (internet based with no band score below 12) OR Official IELTS Scores—must have at least 5.0 in all categories and 6.0 overall. Prospective Japanese students may qualify with an EIKEN test score of Pre-1. Eastern Kentucky University will accept completion of level 112 from any English Language Services (ELS) program in lieu of TOEFL/IELTS Scores.

English 101 and 102 with a minimum grade of a C at an
equally accredited institution. ACT sub-scores of an 18 in English or 18 in Reading OR SAT sub-score of 470 in Critical Reading, or 430 in Writing will also be sufficient to meet the English Language Requirement.

3. Declaration and Certification of Finances and a supporting bank letter, showing financial support to attend Eastern Kentucky University.

4. Official Secondary School Record(s) mailed to the Office of Admissions. Photocopies are not acceptable unless they are certified copies.

5. Official College or University transcripts (Photocopies of academic documents are not considered official unless they carry an original signature and stamp of authorization from the issuing institution). You must have a minimum cumulative GPA of 2.0 and at least 24 credit hours from an accredited institution. University level courses taken at institutions outside of the U.S. must be evaluated by one of the following outside agencies (i.e. World Education Services (www.wes.org) or J Silny and Associates (www.jsilny.com). Questions regarding the process of foreign transcript evaluation may be directed to the Office of Admissions. Photo copies are not accepted.

6. Application fee of $35.

**Requirements for Admission as a Transfer Student**

To be admitted as a transfer student, you must:

1. Submit an official transcript from each regionally accredited institution you have attended. Eastern Kentucky University does not accept credits from institutions that are not regionally accredited. Note that the transcript must be sent from the student’s institution to Eastern Kentucky University’s Office of Admissions. Hand-carried transcripts will not be accepted.

2. Have a 2.0 grade point average (GPA) on a 4.0 scale on all work from accredited institutions.

3. Provide evidence that you are eligible to return to any institution you have previously attended when good academic standing is not indicated on the official transcript.

4. Students with less than 24 college academic credits awarded since high school graduation will be considered first time freshmen for admissions purposes and will need to also submit ACT scores and high school transcripts. A student’s college coursework and academic performance will be considered in determining admissibility. While ACT scores are not required for transfer students with greater than 24 credit hours earned since high school graduation, you are encouraged to submit scores for proper course placement in English, mathematics, and reading courses if not evidenced by your college academic record.

*Note*: If you are admitted as a transfer student, your cumulative GPA will include hours attempted and quality points earned from all regionally accredited institutions. The Academic Advising Office and the academic department of your major will determine the applicability of your courses to your academic program.

*Note*: Eastern Kentucky University subscribes fully to the policies of the “General Education Transfer Agreement” of the Kentucky Council on Postsecondary Education. Thus, Eastern Kentucky University will apply courses transferred from Kentucky public institutions to its general education requirements in accord with those policies.

**Requirements for Readmission**

All previously enrolled EKU undergraduate students who have not attended Eastern Kentucky University for a period longer than 24 months must apply and be approved for readmission to the University before being allowed to continue taking classes. Effective Fall 2012, students who wish to return to EKU, who have an overall GPA that is greater than 1.0 but less than a 2.0, will return on Academic Probation status. These students will be assigned an academic coach in the Office of University Advising, and will develop an academic success plan with their coach before being allowed to register for classes. Continued enrollment is contingent upon adherence to their signed academic success contract and meeting EKU Academic Standards Policy.

Students who wish to return to EKU but left with a GPA of less than a 1.0 must appeal for readmission through the Readmission Appeals Committee, in addition to submitting an application for readmission to the Office of Admissions. The form and instructions for an appeal for readmission can be found on the EKU Registrar’s website (http://www.registrar.eku.edu/Forms; Academic Standing/Readmit Appeals Form).

If the student’s appeal is approved he/she will be readmitted upon submitting an application for readmission. Both the application to the Office of Admissions, and the appeal to the Readmission Appeal Committee may be submitted simultaneously. The Readmission Appeal Committee may require an in-person interview during the appeal consideration process. If their appeal to return to EKU is approved these students will return on Academic Probation status. They will be assigned an academic coach in the Office of University Advising, and will develop an academic success plan with their coach before being allowed to register for classes. Continued enrollment is contingent upon adherence to their signed academic success contract and meeting EKU Academic Standards Policy.

If a student has attended another institution since leaving EKU, and has been out of the University for longer than 24 months, his/her return to EKU will be considered under the readmission guidelines above instead of the student being considered a transfer student.

Students who have received a Developmental Dismissal must submit documentation (a transcript or official test scores) indicating that proficiency has been earned for any needed developmental coursework before they may be readmitted to the University.

See the “Stopping Out” procedure in Section Four for additional information.

**Other Types of Admission**

1. **High School Specials**

Students who have one unit less than the number required for high school graduation with superior grades (i.e., 3.0+ grade point average) may be admitted upon the written recommendation of the high school principal or guidance counselor.
2. EKU Dual Credit

EKU’s dual credit program is open to high school juniors and seniors, residing within Kentucky, who meet eligibility requirements, and whose school is partnering with EKU through a memorandum of agreement. Dual credit programs are designed to reduce degree cost and time to degree for Kentucky students. Academically strong high school students may qualify for reduced or free tuition. (See EKU Now! section below.)

Dual Credit students may enroll in a maximum of 2 courses per fall and spring semester of their junior and senior years in high school at the reduced dual credit tuition rate. They may also take advantage of the EKU “Summer 2” term, for a maximum of one course, at the reduced dual credit tuition rate, during the summer. Students enrolling in more than two courses in the fall or spring semesters, or more than one course during the Summer 2 term, will be charged full undergraduate tuition for the additional coursework. A maximum of eight courses in total may be taken at the dual credit tuition rate.

Students may enroll at any EKU campus offering applicable courses. Courses may include general education courses or departmentally approved introductory courses for specific majors. Students may attend approved EKU courses on high school campuses via face-to-face, ITV, or online instruction. Students are required to meet all course pre-requisites.

EKU Dual Credit courses offered in the high school, are to be composed only of students enrolled for EKU Credit or AP credit in Advance Kentucky approved courses.

To qualify for EKU’s Dual Credit Program, high school juniors or seniors must have a 3.0 high school GPA and have ACT/PLAN scores on file with EKU at the time of application. Students must have minimum ACT/PLAN subscores of 18 in English and 20 in Reading, with a minimum ACT/PLAN composite score of 20.

To apply for EKU Dual Credit, students must submit a Dual Credit application, ACT scores and a high school transcript by the application deadline specified for each semester. A new application and supporting documentation must be submitted each academic year to continue. EKU waives the application fee for dual credit admission.

Dual Credit students will attend special advising sessions and register for courses during a specified period prior to the beginning of an academic semester. Advising and registration sessions will be available on each of EKU’s participating campuses.

Continued participation in EKU’s Dual Credit program is dependent upon successful completion of courses. Dual credit students are expected to maintain a 2.0 minimum cumulative EKU GPA. Students who earn a “D” or an “F” in a course(s) will be required to successfully repeat the course(s) and earn a 2.0 term GPA in order to continue in the dual credit program. Students who elect to repeat a course will contact the Office of the Registrar for registration approval and assistance. Students repeating courses will be charged full dual credit tuition.

**EKU Now!** is a scholarship program for dual credit students which provides the opportunity for qualifying juniors and seniors to earn free college credit. High school juniors and seniors with a 3.0 high school GPA, ACT/PLAN composite score of 21 and above, and ACT/PLAN scores of 18 in English, 19 in Math, and 20 in Reading are eligible to receive a dual credit scholarship for one course per semester. This scholarship will pay full dual credit tuition. EKU Now! participants who successfully maintain academic eligibility may earn scholarships for up to five free EKU courses and may include one summer course.

EKU Now! participants who maintain a minimum 3.5 unweighted high school GPA and a 23 ACT composite can earn an additional four dual credit scholarships, one per semester, tuition free. These students will be designated Whitlock Scholar Candidates. Additional information regarding Whitlock Scholars can be obtained by calling 859-622-6532.

All dual credit students are responsible for the cost of textbooks, parking permits, course fees and late registration fees, when applicable. Students electing to use the Student Recreation Center may request that this fee be added to their accounts.

**NOTE:** KYOTE or COMPASS test scores, as well as EKU Placement Test scores, may be substituted for ACT sub-scores. Additional information on COMPASS or KYOTE college readiness scores, is available from EKU Academic Testing 859-622-1281, or visit http://www.developmentaleducation.eku.edu/program-description.

SAT conversion scores will be determined by EKU’s Department of Academic Testing.

Exceptions to the junior/senior status will be taken into consideration when a student meets one of the dual credit scholarship levels. Exceptions must be approved in writing by the high school principal. A student’s academic and social maturity should be considered for the success of the student. The request will be routed through the office of the Provost for final approval. These students may enroll in one course per semester prior to their junior and senior years in high school.

Exceptions to the high school GPA requirement for juniors and seniors will be taken into consideration upon the written recommendation of the high school principal. The request will be routed through the office of the Provost for final approval. High schools may have a maximum of 2% of their EKU Dual Credit enrollment (or two students, whichever is higher) participating under the high school GPA exception.

3. Visiting Students

If you are a student at another institution and wish to enroll at Eastern Kentucky University as a visiting, or “transient,” student, you may be admitted by submitting an official transcript and a statement indicating that you are eligible to return to your institution.

4. Admission as a Non-Degree Student

Upon submission of an application, you may be admitted as a non-degree student. If so admitted,

(1) Your eligibility for enrollment in specific courses will be dependent upon meeting the stated course prerequisites.

(2) You must meet with an academic advisor to be advised and receive a RAC number;

(3) You will **not** be eligible to receive financial assistance awards.

If you subsequently decide to pursue a degree, you must reapply for admission as a degree seeker. If you are thus admitted,

(1) You will be required to remediate all pre-college curriculum deficiencies and to satisfy all Eastern Kentucky University developmental requirements.
5. O’Donnell Scholarship Recipients

If you are at least 65 years of age, you may be admitted to Eastern Kentucky University with a waiver of tuition. You need submit only an application for admission.

6. Home-Schooled Students

Eastern Kentucky University applies the same admissions requirements to home-schooled students as those who graduate from a public or private high school. Students who meet our criteria will be granted an admissions status as established by the current admissions policy: Full Admit, Provisional Admit, Probationary Admit, or Special Admit.

Home-schooled students are subject to the secondary education standards established by the Kentucky Department of Education and the Kentucky Council on Post Secondary Education. This includes meeting the curriculum guidelines of the State approved Pre-College Curriculum.

In order to gain admission to Eastern Kentucky University, in addition to the application and application fee, these students must submit a notarized copy of their official transcript demonstrating they have met the PCC curriculum and have a minimum accumulative GPA of 2.0 on a 4.0 scale. They must also submit an official ACT score report.

7. International Baccalaureate

Students who complete the International Baccalaureate Diploma may present their official exam results for demonstration of completion of secondary education. Based on the exam scores received, students will qualify for advanced academic placement (See Section Four General Academic Information or www.testing.eku.edu).

KENTUCKY PRE-COLLEGE CURRICULUM

The Kentucky Pre-College Curriculum (PCC) is defined by the Kentucky Council on Postsecondary Education (CPE) as a prescribed set of high school courses required for admission to an associate or baccalaureate degree program at a Kentucky public university. Students under 21 years of age must complete the PCC if they are admitted to the University as a degree-seeking student or transfer in with less than 24 credit hours or transfer in with a GPA less than 2.0 on a 4.0 scale. The Pre-College Curriculum better prepares students for college-level work and reflects high school graduation requirements. Students admitted to the University with PCC deficiencies must complete courses to remediate these deficiencies. Pre-College Curriculum deficiencies must be remediated within the first 24 hours of enrollment, excluding developmental hours. Specific courses are designated to remediate PCC deficiencies in each content area.

PCC requirements, established by the state, are four credits of English/Language Arts, three credits of Mathematics, three credits of Social Studies, three credits of Science, one-half credit of health, one-half credit of physical education, one credit of History and Appreciation of Visual, Performing Arts, and two credits or demonstrated competency of a World Language.

Students with a pre-college curriculum deficiency in World Languages are required to complete six credit hours of an approved World Language within 24 hours of enrollment. All six credit hours must be earned in the same World Language. Students with PCC deficiencies in other subject areas (English, Mathematics, Social Studies, Science) will remediate those needs by following the EKU General Education curriculum.

If you have any questions concerning Kentucky Pre-College Curriculum requirements, please contact the Office of Academic Advising, the Office of Admissions, or the Office of Academic Readiness.

*Courses also count toward degree credit.

STUDENT RESIDENCY

Since registration and other fees and residence hall room rents are subject to change periodically, no attempt is made in this publication to itemize these costs. This information is available from the Office of Admissions prior to the beginning of each academic year.

Any veteran of the Armed Forces of the United States or National Guard who is eligible for Post-9/11 GI Bill benefits who enrolls as a student in the university as a non-Kentucky resident will be charged no more than the maximum tuition reimbursement provided under the Post-9/11 GI Bill to public universities for eligible Kentucky residents. Veterans must submit a DD-214 or VA Certificate (Letter) of Eligibility for Post 9-11 (Chapter 33) GI Bill benefits through the Office of Military and Veterans Affairs to the Office of Admissions to validate their eligibility for this provision.

RELATES TO: KRS Chapter 13B, 164.020, 164.030, 164A.330(6)

STATUTORY AUTHORITY: KRS 164.020(8)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 164.020(8) requires the Council on Postsecondary Education to determine tuition and approve the minimum qualifications for admission to a state-supported postsecondary education institution and authorizes the Council to set different tuition amounts for residents of Kentucky and for nonresidents. This administrative regulation establishes the procedure and guidelines for determining the residency status of a student who is seeking admission to, or who is enrolled at, a state-supported postsecondary education institution.
Section 1. Definitions.

(1) “Academic term” means a division of the school year during which a course of studies is offered, and includes a semester, quarter, or single consolidated summer term as defined by the institution.

(2) “Continuous enrollment” means enrollment in a state-supported postsecondary education institution at the same degree level for consecutive terms, excluding summer term, since the beginning of the period for which continuous enrollment is claimed unless a sequence of continuous enrollment is broken due to extenuating circumstances beyond the student’s control, including serious personal illness or injury, or illness or death of a parent.

(3) “Degree level” means enrollment in a course or program which could result in the award of a:
   (a) Certificate, diploma, or other program award at an institution;
   (b) Baccalaureate degree or lower, including enrollment in a course by a nondegree-seeking postbaccalaureate student;
   (c) Graduate degree or graduate certification other than a first-professional degree in law, medicine, dentistry, or “Pharm. D.”; or
   (d) Professional degree in law, medicine, dentistry, or “Pharm. D.”.

(4) “Dependent person” means a person who cannot demonstrate financial independence from parents or persons other than a spouse and who does not meet the criteria for independence established in Section 5 of this administrative regulation.

(5) “Determination of residency status” means the decision of a postsecondary education institution that may include a formal hearing that results in the classification of a person as a Kentucky resident or as a nonresident for admission and tuition assessment purposes.

(6) “Domicile” means a person’s true, fixed, and permanent home and is the place where the person intends to remain indefinitely, and to which the person expects to return if absent without intending to establish a new domicile elsewhere.

(7) “Full-time employment” means continuous employment for at least forty-eight (48) weeks at an average of at least thirty (30) hours per week.

(8) “Independent person” means a person who demonstrates financial independence from parents or persons other than a spouse and who meets the criteria for independence established in Section 5 of this administrative regulation.

(9) “Institution” means an entity defined by KRS 164.001(12) if the type of institution is not expressly stated and includes the Kentucky Virtual University, the Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority.

(10) “Kentucky resident” means a person determined by an institution for tuition purpose to be domiciled in and a resident of Kentucky as determined by this administrative regulation.

(11) “Nonresident” means a person who:
   (a) Is domiciled outside by Kentucky;
   (b) Currently maintains legal residence outside Kentucky; or
   (c) Is not a Kentucky resident as determined by this administrative regulation.

(12) “Parent” means one (1) of the following:
   (a) A person’s father or mother; or
   (b) A court-appointed legal guardian if:

Section 2. Scope.

(1) State-supported postsecondary education institutions were established and are maintained by the Commonwealth of Kentucky primarily for the benefit of qualified residents of Kentucky. The substantial commitment of public resources to postsecondary education is predicated on the proposition that the state benefits significantly from the existence of an educated citizenry. As a matter of policy, access to postsecondary education shall be provided so far as feasible at reasonable cost to a qualified individual who is domiciled in Kentucky and who is a resident of Kentucky.

(2) The Council on Postsecondary Education may require a student who is neither domiciled in nor a resident of Kentucky to meet higher admission standards and to pay a higher level of tuition than resident students.

(3) This administrative regulation shall apply to all student residency determinations regardless of circumstances, including residency determinations made by the state-supported institutions for prospective and currently-enrolled students; the Southern Regional Education Board for contract spaces; reciprocity agreements, if appropriate; the Kentucky Virtual University; academic common market programs; the Kentucky Educational Excellence Scholarship Program; and other state student financial aid programs, as appropriate.

Section 3. Determination of Residency Status; General Rules.

(1) A determination of residency shall include:
   (a) An initial determination of residency status by an institution during the admission process or upon enrollment in an institution for a specific academic term or for admission into a specific academic program;
   (b) A reconsideration of a determination of residency status by an institution based upon a changed circumstance; or
   (c) A formal hearing conducted by an institution upon request of a student after other administrative procedures have been completed.

(2) An initial determination of residency status shall be based
SECTION TWO - ADMISSION AND RESIDENCY

upon:
(a) The facts in existence when the credentials established by an institution for admission for a specific academic term have been received and during the period of review by the institution;
(b) Information derived from admissions materials;
(c) If applicable, other materials required by an institution and consistent with this administrative regulation;
and
(d) Other information available to the institution from any source.

(3) An individual seeking a determination of Kentucky residency status shall demonstrate that status by a preponderance of the evidence.

(4) A determination of residency status shall be based upon verifiable circumstances or actions.

(5) Evidence and information cited as the basis for Kentucky domicile and residency shall accompany the application for a determination of residency status.

(6) A student classified as a nonresident shall retain that status until the student is officially reclassified by an institution.

(7) A student may apply for a review of a determination of residency status once for each academic term.

(8) If an institution has information that a student’s residency status may be incorrect, the institution shall review and determine the student’s correct residency status.

(9) If the Council on Postsecondary Education has information that an institution’s determination of residency status for a student may be incorrect, it may require the institution to review the circumstances and report the results of that review.

(10) An institution shall impose a penalty or sanction against a student who gives incorrect or misleading information to an institutional official, including payment of nonresident tuition for each academic term for which resident tuition was assessed based on an improper determination of residency status. The penalty or sanction may also include:
(a) Student discipline by the institution through a policy written and disseminated to students; or
(b) Criminal prosecution.

Section 4. Presumptions Regarding Residency Status.

(1) In making a determination of residency status, it shall be presumed that a person is a nonresident if:
(a) A person is, or seeks to be, an undergraduate student and admissions records show the student to be a graduate of an out-of-state high school within five (5) years prior to a request for a determination of residency status;
(b) A person’s admissions records indicate the student’s residence to be outside of Kentucky at the time of application for admission;
(c) A person moves to Kentucky primarily for the purpose of enrollment in an institution;
(d) A person moves to Kentucky and within twelve (12) months enrolls at an institution more than half time;
(e) A person has a continuous absence of one (1) year from Kentucky; or
(f) A person attended an out-of-state higher education institution during the past academic year and paid instate tuition at that institution.

(2) A presumption arising from subsection (1) of this section shall only be overcome by preponderance of evidence sufficient to demonstrate that a person is domiciled in and is a resident of Kentucky.

Section 5. Determination of Whether a Student is Dependent or Independent.

(1) In a determination of residency status, an institution shall first determine whether a student is dependent or independent. This provision is predicated on the assumption that a dependent person lacks the financial ability to live independently of the person upon whom the student is dependent and therefore lacks the ability to form the requisite intent to establish domicile.

A determination that a student is independent shall be one (1) step in the overall determination of whether a student is or is not a resident of Kentucky.

(2) In determining the dependent or independent status of a person, the following information shall be considered as well as other relevant information available at the time the determination is made:
(a)1. Whether the person has been claimed as a dependent on the federal or state tax returns of a parent or other person for the year preceding the date of application for a determination of residency status; or
2. Whether the person is no longer claimed by a parent or other person as a dependent or as an exemption for federal and state tax purposes; and
(b) Whether the person has financial earnings and resources independent of a person other than an independent spouse necessary to provide for the person’s own sustenance.

(3) An individual who enrolls at an institution immediately following graduation from high school and remains enrolled shall be presumed to be a dependent person unless the contrary is evident from the information submitted.

(4) Domicile may be inferred from the student’s permanent address, parent’s mailing address, or location of high school of graduation.

(5) Marriage to an independent person domiciled in and who is a resident of Kentucky shall be a factor considered by an institution in determining whether a student is dependent or independent.

(6) Financial assistance from or a loan made by a parent or family member other than an independent spouse, if used for sustenance of the student:
(a) Shall not be considered in establishing a student as independent; and
(b) Shall be a factor in establishing that a student is dependent.

Section 6. Effect of a Determination of Dependent Status on a Determination of Residency Status.

(1) The effect of a determination that a person is dependent shall be:
(a) The domicile and residency of a dependent person shall be the same as either parent. The domicile and residency of the
parent shall be determined in the same manner as the domicile and residency of an independent person; and
(b) The domicile and residency of a dependent person whose parents are divorced, separated, or otherwise living apart shall be Kentucky if either parent is domiciled in and is a resident of Kentucky regardless of which parent has legal custody or is entitled to claim that person as a dependent pursuant to federal or Kentucky income tax provisions.

(2) If the parent or parents of a dependent person are Kentucky residents and are domiciled in Kentucky but subsequently move from the state:
(a) The dependent person shall be considered a resident of Kentucky while in continuous enrollment at the degree level in which currently enrolled; and
(b) The dependent person’s residency status shall be reassessed if continuous enrollment is broken or the current degree level is completed.

Section 7. Member of Armed Forces of the United States, Spouse and Dependents; Effect on a Determination of Residency Status.

(1) A member, spouse, or dependent of a member whose domicile and residency was Kentucky at the time of induction into the Armed Forces of the United States, and who maintains Kentucky as home of record and permanent address, shall be entitled to Kentucky residency status:
(a) During the member’s time of active service; or
(b) If the member returns to this state within six (6) months of the date of the member’s discharge from active duty.

(2) A member of the armed services on active duty for more than thirty (30) days and who has a permanent duty station in Kentucky shall be classified as a Kentucky resident and shall be entitled to in-state tuition as shall the spouse or a dependent child of the member.
(b) A member, spouse, or dependent of a member shall not lose Kentucky residency status if the member is transferred on military orders while the member, spouse, or dependent requesting the status is in continuous enrollment at the degree level in which currently enrolled.

(3)(a) Membership in the National Guard or civilian employment at a military base alone shall not qualify a person for Kentucky residency status under the provisions of subsections (1) and (2) of this section. If a member of the Kentucky National Guard is on active duty status for a period of not less than thirty (30) days, the member shall be considered a Kentucky resident, as shall the spouse of a dependent child of the member.

(4) A person’s residency status established pursuant to this section shall be reassessed if the qualifying condition is terminated.

Section 8. Status of Nonresident Aliens; Visas and Immigration.

(1) A person holding a permanent residency visa or classified as a political refugee shall establish domicile and residency in the same manner as another person.
(b) Time spent in Kentucky and progress made in fulfilling the conditions of domicile and residency prior to obtaining permanent residency status shall be considered in establishing Kentucky domicile and residency.

(2) A person holding a nonimmigrant visa with designation A, E, G, H-1, H-4 if accompanying a person with an H-1 visa, I, K, L, N, R, shall establish domicile and residency the same as another person.

(3)(a) An independent person holding a nonimmigrant visa with designation B, C, D, F, H-2, H-3, H-4 if accompanying a person with an H-2 or H-3 visa, J, M, O, P, Q, S, TD, or TN shall not be classified as a Kentucky resident, because that person does not have the capacity to remain in Kentucky indefinitely and therefore cannot form the requisite intent necessary to establish domicile as defined in Section 1(6) of this administrative regulation.
(b) A dependent person holding a visa as described in paragraph (a) of this subsection, but who is a dependent of a parent holding a visa as described in subsection (2) of this section, shall be considered as holding the visa of the parent.
(c) A dependent person holding a visa described in subsection (2) of this section or paragraph (a) of this subsection, if a parent is a citizen of the United States and is a resident of and domiciled in Kentucky, shall be a resident of Kentucky for the purposes of this administrative regulation.

(4) A person shall be a Kentucky resident for the purpose of this administrative regulation if the person graduated from a Kentucky high school and:
(a) Is an undocumented alien;
(b) Holds a visa listed in subsections (2) or (3)(a) of this section; or
(c) Is a dependent of a person who holds a visa listed in subsections (2) or (3)(a) of this section.

(5) Except as provided in paragraph (b) of this subsection, a person who has petitioned the federal government to reclassify visa status shall continue to be ineligible until the petition has been decided by the federal government.
(b) A person who has petitioned the federal government to reclassify his or her visa status based on marriage to a Kentucky resident and who can demonstrate that the petition has been filed and acknowledged by the federal government, may establish Kentucky domicile and residency at that time.

Section 9. Beneficiaries of a Kentucky Educational Savings Plan Trust. A beneficiary of a Kentucky Educational Savings Plan Trust shall be granted residency status if the beneficiary meets the requirements of KRS 164A.330(6).

Section 10. Criteria Used in a Determination of Residency Status.

(1)(a) A determination of Kentucky domicile and residency shall be based upon verifiable circumstances or actions.
(b) A single fact shall not be paramount, and each situation shall be evaluated to identify those facts essential to the determination of domicile and residency.
(c) A person shall not be determined to be a Kentucky resident by the performance of an act that is incidental to fulfilling an educational purpose or by an act performed as a matter of convenience.
(d) Mere physical presence in Kentucky, including living with a relative or friend, shall not be sufficient evidence of domicile and residency.
(e) A student or prospective student shall respond to all
requests for information regarding domicile or residency requested by an institution.

(2) The following facts, although not conclusive, shall have probative value in their entirety and shall be individually weighted, appropriate to the facts and circumstances in each determination of residency:
(a) Acceptance of an offer of full-time employment or transfer to an employer in Kentucky or contiguous area while maintaining residence and domicile in Kentucky;
(b) Continuous physical presence in Kentucky while in a nonstudent status for the twelve (12) months immediately preceding the start of the academic term for which a classification of Kentucky residency is sought;
(c) 1. Filing a Kentucky resident income tax return for the calendar year preceding the date of application for a change in residency status; or 2. Payment of Kentucky withholding taxes while employed during the calendar year for which a change in classification is sought;
(d) Full-time employment of at least one (1) year while living in Kentucky;
(e) Attendance as a full-time, nonresident student at an out-of-state institution based on a determination by that school that the person is a resident of Kentucky;
(f) Abandonment of a former domicile or residence and establishing domicile and residency in Kentucky with application to or attendance at an institution following and incidental to the change in domicile and residency;
(g) Obtaining licensing or certification for a professional and occupational purpose in Kentucky;
(h) Payment of real property taxes in Kentucky;
(i) Ownership of real property in Kentucky, if the property was used by the student as a residence preceding the date of application for a determination of residency status;
(j) Marriage of an independent student to a person who was domiciled in and a resident of Kentucky prior to the marriage; and
(k) The extent to which a student is dependent on student financial aid in order to provide basic sustenance.

(3) Except as provided in subsection (4) of this section, the following facts, because of the ease and convenience in completing them, shall have limited probative value in a determination that a person is domiciled in and is a resident of Kentucky:
(a) Kentucky automobile registration;
(b) Kentucky driver’s license;
(c) Registration as a Kentucky voter;
(d) Long-term lease of at least twelve (12) consecutive months of noncollegiate housing; and
(e) Continued presence in Kentucky during academic breaks.

(4) The absence of a fact contained in subsection (3) of this section shall have significant probative value in determining that a student is not domiciled in or is not a resident of Kentucky.

Section 11. Effect of a Change in Circumstances on Residency Status.

(1) If a person becomes independent or if the residency status of a parent or parents of a dependent person changes, an institution shall reassess residency either upon a request by the student or a review initiated by the institution.

(2) Upon transfer to a Kentucky institution, a student’s residency status shall be assessed by the receiving institution.

(3) A reconsideration of a determination of residency status for a dependent person shall be subject to the provisions for continuous enrollment, if applicable.

Section 12. Student Responsibilities.

(1) A student shall report under the proper residency classification, which includes the following actions:
(a) Raising a question concerning residency classification;
(b) Making application for change of residency classification with the designated office or person at the institution; and
(c) Notifying the designated office or person at the institution immediately upon a change in residency.

(2) If a student fails to notify an institutional official of a change in residency, an institutional official may investigate and evaluate the student’s residency status.

(3)(a) If a student fails to provide, by the date specified by the institution, information required by an institution in a determination of residency status, the student shall be notified by the institution that the review has been canceled and that a determination has been made.
(b) Notification shall be made by registered mail, return receipt requested.
(c) Notification shall be made within ten (10) calendar days after the deadline for receipt of materials has passed.

(4)(a) The formal hearing conducted by an institution and the final recommended order shall be a final administrative action with no appeal to the Council on Postsecondary Education.
(b) A formal administrative hearing conducted by the Council on Postsecondary Education for residency determinations related to eligibility for the Academic Common Market and Regional Contract Programs shall be conducted pursuant to the provisions of KRS Chapter 13B and 13 KAR 2:070. The recommended order issued by the President of the Council shall be a final administrative action.

(5) A student shall not be entitled to appeal a determination of residency status if the determination made by an institution is because a student has failed to meet published deadlines for the submission of information as set forth in subsection (3) of this section. A student may request a review of a determination of residency status in a subsequent academic term.

Section 13. Institutional Responsibilities. Each institution shall:

(1) Provide for an administrative appeals process that includes a residency appeals officer to consider student appeals of an initial residency determination and which shall include a provision of fourteen (14) days for the student to appeal the residency appeals officer’s determination;
(2) Establish a residency review committee to consider appeals of residency determinations by the residency appeals officer. The residency review committee shall make a determination of student residency status and notify the student in writing within forty-five (45) days after receipt of the student appeal;
(3) Establish a formal hearing process as described in Section 14 of this administrative regulation; and
(4) Establish written policies and procedures for administering the
responsibilities established in subsections (1), (2), and (3) of this section and that are:
(a) Approved by the institution’s governing board;
(b) Made available to all students; and
(c) Filed with the council.

(1) A student who appeals a determination of residency by a residency review committee shall be granted a formal hearing by an institution if the request is made by a student in writing within fourteen (14) calendar days after notification of a determination by a residency review committee.
(2) If a request for a formal hearing is received, an institution shall appoint a hearing officer to conduct a formal hearing. The hearing officer shall:
(a) Be a person not involved in determinations of residency at an institution except for formal hearings; and
(b) Not be an employee in the same organizational unit as the residency appeals officer.
(3) An institution shall have written procedures for the conduct of a formal hearing that have been adopted by the board of trustees or regents, as appropriate, and that provide for:
(a) A hearing officer to make a recommendation on a residency appeal;
(b) Guarantees of due process to a student that include:
   1. The right of a student to be represented by legal counsel; and
   2. The right of a student to present testimony and information in support of a claim of Kentucky residency; and
(c) A recommendation to be issued by the hearing officer.
(4) An institution’s formal hearing procedures shall be filed with the Council on Postsecondary Education and shall be available to a student requesting a formal hearing.

Section 15. Cost of Formal Hearings.
(1) An institution shall pay the cost for all residency determinations including the cost of a formal hearing.
(2) A student shall pay for the cost of all legal representation in support of the student’s claim of residency.

Adopted effective April 5, 1991; Amended effective May 16, 1996; Amended effective June 16, 1997; Amended effective July 13, 1998; Amended effective June 7, 1999; Amended effective November 12, 2002; Amended effective April 2, 2010.

RESIDENCY APPEALS POLICY AND PROCEDURES

1. BASIS FOR RESIDENCY CLASSIFICATION

The Commonwealth of Kentucky has established a process and corresponding criteria for the determination of residency classification for students seeking admission to, or enrolled in, public institutions of higher education. The Council on Postsecondary Education (hereinafter referred to as “CPE”) has established Kentucky Administrative Regulation 13 KAR 2:045 (hereinafter referred to as “the Regulation”) to be followed by all public institutions of higher education in the Commonwealth concerning residency classification. This Regulation can be found in the current Undergraduate Catalog and the current Graduate Catalog and copies are available upon request from the Office of Admissions, located in the Whitlock Building, Room 112 or by calling (859) 622-21-6 or 1-800-465-9191.

2. INSTITUTIONAL ADMINISTRATION OF THE RESIDENCY POLICY

The Council on Postsecondary Education authorizes each institution to establish a procedure for the determination of residency classification based upon the Regulation.

2.1 Office of Admissions
The Office of Admissions, Whitlock Building, Room 112, CPO 54, 521 Lancaster Avenue, Richmond, KY 40475-3154, at Eastern Kentucky University serves as the coordinating office for institutional implementation of the Regulation. Instructions for filing applications for reclassification and copies of the Regulation are available in this office. Also, Admissions staff members are available to answer questions regarding policy and procedures.

2.2 Initial Classification
The initial determination of residency status is made by the University based upon the credentials submitted by an applicant for admission to the University in accordance with the Regulations.

2.3 Appeal of Residency Status
Once an initial classification of residency is made by the Office of Admissions, it is the student’s responsibility to initiate an appeal of such classification. Request for reclassification must be filed with the Office of Admissions NO LATER THAN THIRTY (30) CALENDAR DAYS after the first full day of classes of the fall or spring academic term for which reclassification is sought or not later than ten (10) calendar days after the first day of class for the summer term. Requests for reclassification are to be made in affidavit form on the form available from the Office of Admissions. A student may apply only once during an academic term. A student classified as a non-resident will retain that status until a change is brought about by successful appeal. If an appeal results in a change of classification, the change will not be effective earlier than the semester during which the appeal is filed. If a student is initially classified non-resident but does not enroll the semester for which the student originally applied, the residency classification will be reassessed for subsequent semesters.

2.4 Affidavit (Application for Reclassification)
Affidavits will not be accepted unless the form is fully completed, properly signed and notarized. In no case will a decision be granted without an affidavit and all required supporting documentation.

2.5 Documentation
Because of the variety of factors related to establishing residency for tuition purposes, the number of documents required to complete an appeal may vary from case to case. In all cases, the University may require certification of authenticity of documents. It is the appealing student’s responsibility to provide sufficient documentation to clarify circumstances related to the appeal. In all cases, circumstances related to establishing domicile must be verifiable.
2.6 **Review of the Residency File by the Residency Appeals Officer**

A Residency Appeals Officer designated by the University shall review the affidavit and documentation and notify the student, in writing, within fourteen (14) days of making a determination. Students who do not agree with the Residency Appeals Officer’s determination may appeal his/her residency status to the University’s Residency Review Committee within fourteen (14) days of the Residency Appeals Officer’s determination.

3. **UNIVERSITY RESIDENCY REVIEW COMMITTEE**

Pursuant to the Regulation, Eastern Kentucky University has a Residency Review Committee (hereinafter referred to as the “Committee”) to review and evaluate student affidavits for reclassification and to consider changes in the residency classification.

3.1 **Timely Appeal**

The Student must notify the Residency Appeals Officer in writing, if he or she wishes his/her case to be reviewed by the Committee, within fourteen (14) calendar days after notification of the Residency Appeals Officer’s determination. The Residency Appeals Officer shall immediately forward the request and the student’s residency file to the Chair of the Committee.

3.2 **Committee Membership**

The Residency Review Committee shall be comprised of three members: the Associate Vice President for Enrollment Management; a member of the Faculty-at-Large, who shall be appointed annually by the Faculty Senate; and a member of the student body, who shall be appointed by the Office of the Vice President for Student Affairs from a list of students recommended by the Student Association.

3.3 **Determination of the Committee**

The Committee shall issue a written decision citing the section of the Regulation on which the decision is based. The Committee may vote to defer a case for additional documentation, or the Committee may make a decision contingent upon conditions prescribed by the Committee. The Chair of the Committee will then determine when and whether contingencies are met.

3.4 **Notification of Decision**

The Committee shall make a determination of student residency status and notify the student, in writing, within forty-five (45) days after receipt of the student appeal. Decisions denying appeals are communicated to the student by certified mail, return receipt requested. In all cases where the Committee reaches a determination granting in-state residency status, copies of the letter of notification will be sent to the Office of Admissions, Student Accounting Services, the Registrar’s Office, and Student Financial Assistance.

4. **REQUEST FOR FORMAL HEARING**

Pursuant to the Regulation, the University shall provide a formal hearing in the event a student wishes to appeal the determination of the Residency Review Committee.

4.1 **Timely Request**

A student who wishes to appeal the determination of the Committee shall be granted a formal hearing by the University if the student notifies the Office of the Associate Vice President for Enrollment Management, Whitlock Building, Room 340, CPO 63, Richmond, KY 40475-3163, in writing, within fourteen (14) calendar days after notification of the Residency Review Committee’s determination. The Assistant Vice President for Enrollment Management shall immediately forward the request and the student’s residency file to the Office of the President.

4.2 **The Hearing Officer**

Upon receipt of a request for a formal hearing, the University President shall appoint a Hearing Officer to conduct the hearing. The Hearing Officer shall not be a person involved in determinations of residency at a public institution of higher education in Kentucky (including the Kentucky Commonwealth Virtual University) and shall not be an employee of the same organizational unit as the Residency Appeals Officer.

4.3 **Formal Hearing Procedures**

The hearing shall be conducted in accordance with the following procedures:

4.3.1 **Notice of Hearing**

4.3.1.a. The University shall conduct the hearing as soon as practicable and shall give notice of the hearing to the parties not less than twenty (20) days in advance of the date set for the hearing. A reasonable effort shall be made to schedule the hearing on a date that is convenient to all parties involved.

4.3.1.b. The hearing notice shall be served on all parties by certified mail, return receipt requested, to the last known addresses of the parties, or by personal service.

4.3.1.c. The notice shall be in plain language and shall include:

- the date, time and place of the hearing;
- the name, official title, and mailing addresses of the Hearing Officer;
- the names, official titles, mailing addresses, and, if available, telephone numbers of all parties involved in the hearing, including the counsel or representative of the University; and
- a statement advising the student of his/her right to legal counsel.

4.3.2 **Hearing Procedure**

4.3.2.a. The Hearing Officer shall conduct the hearing and all related proceedings in a manner which will promote the orderly and prompt conduct of the hearing.

4.3.2.b. To the extent necessary for the full disclosure of all relevant facts and issues, the Hearing Officer shall give all parties the opportunity to respond, present evidence and argument, conduct cross-examination, and submit rebuttal evidence.

4.3.2.c. Any party to the hearing may participate in person or be represented by counsel. A student shall pay for the cost of all legal representation in support of the student’s claim or residency. Legal counsel for the student must file a notice of appearance with the Hearing Officer prior to the date of the hearing.

4.3.2.d. The Hearing Officer may conduct all or part of
the hearing by telephone, television, or other electronic means, if each party to the hearing has an opportunity to hear, and if technically feasible, to see the entire proceeding as it occurs, and if each party agrees.

4.3.2.e. The hearing shall be open to the public unless specifically closed pursuant to a provision of law. If the hearing is conducted by telephone, television, or other electronic means, and is not closed, public access shall be satisfied by giving the public an opportunity, at reasonable times, to hear or inspect the University’s records.

4.4 Findings of Fact; Evidence; Recording of Hearing; Burden of Proof

4.4.1. Findings of fact shall be based exclusively on the evidence on the record.

4.4.2. All testimony shall be made under oath or affirmation.

4.4.3. Objections to evidence presented may be made by any party and shall be noted in the record.

4.4.4. The University shall be responsible for having all testimony, motions and objections in a hearing accurately and completely recorded. Any person, upon request, may receive a copy of the recording or a copy of the transcript, if the hearing has been transcribed, at the discretion of the University, unless the hearing is closed by law. The University may prepare a transcript of a hearing or a portion of a hearing upon request but the party making the request shall be responsible for the transcription costs. The form of all requests and fees charged shall be consistent with KRS 61.870 to 61.884.

4.4.5. Unless otherwise provided by state or federal law, the student appealing the residency decision has the burden of proving the student’s right to having his/her residency status changed. The student has the ultimate burden of proof of persuasion as to this issue to be shown by a preponderance of evidence in the record. Failure to meet the burden of proof is grounds for a recommended order from the Hearing Officer.

4.5 Prohibited Communications

4.5.1. The Hearing Officer shall not communicate off the record with any party to the hearing or any other person who has a direct or indirect interest in the outcome of the hearing, concerning any substantive issue, while the hearing is pending.

4.6. Recommended Order

4.6.1. The Hearing Officer shall complete and submit to the University President, no later than sixty (60) days following receipt of the student’s residency file, a written recommended order which shall include the Hearing Officer’s findings of fact, conclusion of law, and recommended disposition of the hearing.

4.6.2. A copy of the Hearing Officer’s recommended order shall also be sent to each party in the hearing. Each party shall have fifteen (15) days from the date the recommended order is mailed within which to file exceptions to the recommendations with the University President. The recommended order may be sent by regular mail to the last known address of the party.

4.7. Final Order

4.7.1. In making the final order, the University President shall consider the record including the recommended order and any exceptions filed by, or on behalf of, the student.

4.7.2. The University President may accept the recommended order of the Hearing Officer and adopt it as the University’s final order, or he or she may reject or modify, in whole or in part, the recommended order, or he or she may send the matter, in whole or in part, back to the Hearing Officer for further proceedings as appropriate.

4.7.3. The final order shall be in writing. If the final order differs from the recommended order, it shall include separate statements of findings of fact and conclusions of law.

4.7.4. The University President shall render a final order within thirty (30) days after receipt of the recommended order unless the matter is sent back to the Hearing Officer for further proceedings.

4.7.5. A copy of the final order shall be transmitted to each party or to his/her attorney of record by certified mail, return receipt requested, sent to the last known address of the parties, or by personal service. A copy of the final order shall also be sent to the Office of Admissions, Student Accounting Services, the Registrar’s Office, and Student Financial Assistance.

5. Records

All official files and materials relating to a student’s appeal of an initial residency determination shall be returned to the Office of Admissions to be placed with the application for admissions at whatever point in the process the appeals procedure is terminated.

OFFICE OF FINANCIAL AFFAIRS AND TREASURER

The office of Finance and Administration coordinates the following areas of University operations: 1) Accounting and Financial Services, 2) Budgeting, 3) Facilities Services, 4) Human Resources, 5) Information Technology, 6) Purchases and Stores, 7) Student Accounting Services, and 8) University Card Services. Additionally, the following contractual departments report to the University through the Office of Finance and Administration: 1) EKU Dining Services, and 2) EKU Bookstore.

Students may view the mission statement of each of the above areas by visiting the Office of Finance and Administration web page at http://www.financialaffairs.eku.edu.

FINANCIAL OBLIGATIONS OF THE STUDENT

Any student or former student who is indebted to the University and who fails to make satisfactory settlement within a time limit prescribed is liable for administrative action. Students who are indebted to the University may not register at the University nor will their transcript be released until the debt is paid. Any student indebted to the University who cannot meet his or her financial obligations within the time limit prescribed is responsible for calling on the division of Student accounting Services and explaining the reasons for failure to pay. Students who fail to pay their account balance in a timely manner may also be liable for additional collection costs incurred by the University in collecting the amount owed.

REFUND POLICY

No refund can be made on certain class fees and optional fees as established by the Eastern Kentucky University Board of Regents. Students wishing to withdraw from courses must do so online via EKUDirect (on the EKU home page at www.eku.edu ). When a student officially withdraws from the University or from any course or courses for which hourly rates apply, tuition and fees will be adjusted in the following manner:

<table>
<thead>
<tr>
<th>Time Period*</th>
<th>Refund</th>
</tr>
</thead>
<tbody>
<tr>
<td>During add/drop period for any class (for full semester classes = 1st week)</td>
<td>100%</td>
</tr>
<tr>
<td>From end of 1st week through end of 2nd week of class</td>
<td>75%</td>
</tr>
<tr>
<td>From end of 2nd week through end of 3rd week of class</td>
<td>50%</td>
</tr>
<tr>
<td>From end of 3rd week through end of 4th week of class</td>
<td>25%</td>
</tr>
<tr>
<td>After the 4th week of class</td>
<td>0%</td>
</tr>
</tbody>
</table>

*Partial semester courses vary in length and the percentage of refunds and the effective dates will be modified accordingly. This policy applies to refundable fees only; non-refundable fees are not included. In no case shall a refund of rent be made to a person who remains a student but moves from University housing at his or her convenience.

FINANCIAL APPEALS

An appeals process exists for students who feel that individual circumstances warrant exceptions from published policy. Financial appeals may be submitted if a student had an unforeseeable and unavoidable situation during the semester the charges were incurred that prevented them from attending classes and completing the semester. All appeal letters should be submitted by the student in writing clearly stating the reason for the appeal. Documentation should be attached to all appeal letters to validate the situation. Circumstances that do not qualify for financial appeal include pre-existing conditions, routine pregnancy, employment opportunities and financial hardship, including denial of financial aid. In most cases, any refund that is the result of an approved appeal will be returned to the source of the payment, the student, the financial aid lender, or a third party entity. Financial appeals should be submitted to the Financial Appeals Committee, Whitlock Building CPO 60, 521 Lancaster Avenue, Richmond, KY 40475.

Refunds for reduction in course load for part-time students will be at the same percentage rate as for students who officially withdraw from the University; however, if the reduction in course load results from the cancellation of a class or from the student having been permitted to enroll for a class for which he or she was not eligible, a full refund will be made of the registration fee for the course being dropped.

BARNES & NOBLE AT EKU BOOKSTORE

Keen Johnson Building
Phone: (859) 622-2696
Fax: (859) 622-2660
www.eku.bookstore.com

The Barnes & Noble at EKU Bookstore is located at the heart of campus in the Keen Johnson Building. The Bookstore is the place for one-stop shopping on all EKU licensed merchandise, textbooks, and much more. It offers a wide variety of products, services, and events including:

- Rental, Digital, Used, and New textbooks – all the options are available.
- Class Supplies
- Trade books, magazines, gift items, greeting cards, diploma frames, nursing shop.
- Convenience items
- Under Armour, Nike, Adidas, Cutter & Buck, and much more
- Computers and computer supplies
- Backpacks
- Online textbook reservations
- Barnes & Noble gift cards
- Book signings
- Faculty receptions

The Barnes & Noble at EKU Bookstore works diligently with departments, faculty and staff to ensure that textbooks and products required for each class are readily available to students. Textbook requests are required from the departments and faculty by these dates:

- March 1 For the upcoming SUMMER sessions
- April 1 For the upcoming FALL semester
- October 1 For the upcoming SPRING semester

Textbook requests are required by the above dates for the following reasons:

- to allow ample time to receive all textbooks from the publishers in a timely manner
- to give out the most cash back to students during Book Buyback
- Book Buyback begins directly before Finals Week
- If faculty use the same textbook in the next session, students will receive up to 50% back on their textbooks. But only if the textbook adoption is on file!
  • to allow time to review orders and make any additional corrections if needed

Regular EKU Bookstore hours are:

<table>
<thead>
<tr>
<th>Day</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>Monday-Thursday</td>
<td>7:45 a.m. - 6:00 p.m.</td>
</tr>
<tr>
<td>Friday</td>
<td>7:45 a.m. - 5:00 p.m.</td>
</tr>
<tr>
<td>Saturday</td>
<td>1:00 a.m. - 3:00 p.m.</td>
</tr>
</tbody>
</table>

The Bookstore is open extended hours during the beginning and end of each semester and during special events.

**Colonel 1 Card Office**
 Powell Building 1st Floor
 Phone: (859) 622-2179 Fax: (859) 622-6226

The Colonel Card 1 Office provides students with a variety of services regarding their EKU student identification card, the Colonel 1 Card. This identification card is used for meal plans, Colonel Cash, campus vending machines, laundry rooms in residence halls, at the EKU Bookstore, and at the EKU Computer Store. In addition, EKU has partnered with Higher One for refund disbursements and to add optional banking solutions.

The Colonel 1 Card Office is responsible for issuing new and replacement identification cards. The Colonel 1 Card Office will troubleshoot any issues that a student may have with their card or accounts associated with their card. Students, faculty, and staff may purchase meal plans and add money to their accounts in the Colonel 1 Card Office.

The Colonel 1 Card will allow students access to the following:

- Athletic events
- University Library facilities
- Cashing checks
- Campus recreation
- University sponsored events
- Student Health Services

The Colonel 1 Card has three different accounts associated with the card:

- **Colonel Cash** - This is a prepaid account that can be used at the EKU Dining Services locations, the EKU Bookstore, the EKU Computer Store, campus vending machines, and laundry rooms in the residence halls. This account will carry balances over from year-to-year.

- **Meal Plans** - EKU Dining Services has several different meal plans to accommodate any student’s needs. Meal plans can be used at any EKU Dining Services location. Please check with EKU Dining Services regarding terms and conditions associated with meal plans. Please note that EKU Dining Services follows the same refund schedule, for full term, which is outlined by the University. (See Refund Policy above.) EKU’s Colonel Compass http://www.eku.edu/compass/deadlines/lists all important dates and deadlines associated with each term.

- **Optional Flex** - This is a prepaid account that can be used at any EKU Dining Services location. Please check with EKU Dining Services regarding terms and conditions associated with this account.

Acceptable methods of payment for meal plans, Optional Flex, or Colonel Cash accounts are cash, check, Visa, Mastercard, University student account (meal plans only).

The Colonel 1 Card Office is open during the following normal business hours:

<table>
<thead>
<tr>
<th>Day</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>Monday, Wednesday, Thursday</td>
<td>8:00 a.m. - 5:00 p.m.</td>
</tr>
<tr>
<td>Tuesday</td>
<td>8:00 a.m. - 6:00 p.m.</td>
</tr>
<tr>
<td>Friday</td>
<td>8:00 a.m. - 4:30 p.m.</td>
</tr>
</tbody>
</table>

The Colonel 1 Card is property of EKU and is issued for convenience. It must be presented (or surrendered) upon request by authorized officials of the University. This card is to be returned upon termination of the holder’s relationship with the University. Any expenditure associated with the use of this card is the responsibility of the holder until it is reported lost/stolen. A fee will be charged for damage made to the identification card or if the card is lost or stolen. The loss of a card must be reported immediately to the Colonel 1 Card Office, Powell Student Center, (859) 622-2179.

**EKU DINING SERVICES**
 17 Powell Building
 Phone: (859) 622-3691
 Fax: (859) 622-6226
 www.ekudining.com

EKU Dining Services offers a variety of dining alternatives including fresh food options, an assortment of brand restaurants, catering, and athletic concessions. It is the goal of EKU dining to provide high quality and satisfying dining experiences for the whole campus community.

The Fresh Food Company and Stratton Café offer freshly cooked foods in a comforting atmosphere. The Fountain Food Court blends the signature brands Grille Works and Zoca Fresh Mex with the famous national brands Chick-Fil-A, Jump Asian Express, and Subway. Java City at the Crabbie library and Einstein Bros. Bagels in the Moore Building offer gourmet coffees, bakery items, as well as grab & go salads and sandwiches. Starbucks is located nearby in the Weaver Building. EKU Dining Services also operate five convenience stores throughout campus including the P.O.D. (Provisions On Demand) in the Fountain Food Court. In order to provide better convenience to students, the C3 Express stores in Telford, Keene, and Martin Hall stay open late and the Fountain Food Court is open until 2 a.m.

EKU Dining Services also provides full-service catering. The dedicated catering staff provides a variety of services for both on-campus and off-campus events. A special Student Catering Guide is available to accommodate the dynamic requirements of students. Tremendous emphasis is placed on actively measuring customer satisfaction, responding to a changing environment, and continuous improvement. EKU Dining Services is dedicated to helping the EKU campus thrive!
ADDITIONAL STUDENT SERVICES

The International Alumni Association
Richards Alumni House
Phone: (859) 622-1260 Fax: (859) 622-6620
www.eku.edu/alumni

The Eastern Kentucky University International Alumni Association serves as a link between the University and its alumni by maintaining records, fostering communication, and sponsoring programs and activities designed to enhance this relationship.

All Eastern Kentucky University degree recipients and former students enrolled EKU students. The International Alumni Association is served by a board of 25 alumni volunteers, representing the diversity of our alumni constituency, who meet three times annually. Their work includes selection of the Alumni Awards, Alumni Scholarship recipients, and other duties.

In addition to active Alumni Chapters, the Alumni Association coordinates multiple gatherings across the nation to encourage alumni and friends of EKU to come together.

Other regular Association activities include Alumni Weekend held annually in April and Fall Homecoming. These events bring alumni back to campus to reconnect with their classmates as well as giving the opportunity to see students and learn about our academic programming.

The International Alumni Association helps to publish an Alumni Directory, usually every five years. This directory is a compilation of information about alumni including their name, class year, occupation and contact information.

Career Services
Whitlock Building 463
Phone: (859) 622-1568 Fax: (859) 622-1570
career@eku.edu
www.career.eku.edu

EKU Career Services assists students who are seeking employment and/or clarifying their career direction. The staff is available by appointment to discuss individual job search questions.

Career Exploration
For students who have a tentative career direction or major in mind, Career Services can help by providing information on what opportunities are available with their major, career paths, supply and demand, destinations of past graduates, salaries, and potential employers. Career assessment tools and career counseling appointments are available to help students expand their self-awareness of “best fit” career options according to their personality, strengths, interests and values.

Part-Time Job Program
The Part-Time Job Program gives students the opportunity to obtain part-time, temporary and summer employment with local and regional businesses. The Part-time Job Program is open to all currently enrolled EKU students.

Job Search Preparation
The Career Services staff offers individual appointments, workshops, online tools and other resources to help students with career and job search preparation. They can help with resumes and cover letters, tips on job search strategies, professional dress, dining etiquette, interviewing skills, networking, social media and application to graduate and professional schools.

Connecting with Employers
Career Services assists students in identifying and connecting with potential employers through job/career fairs, on-campus interviews, individual appointments, online tools and other resources. EKU JobLink is an easy to use and innovative system that gives students and alumni access to jobs postings and employers targeting EKU students.

Education Pays Center
The Education Pays Center is funded by the Kentucky Cabinet for Families and Children to assist qualifying students to develop academic skills, explore careers, and acquire job skills.

Who We Are
Office of Community Service and Student Engagement, located within the Office of Student Life, directs the University’s community service programs. The Office coordinates a variety of service opportunities throughout the year that EKU students, faculty, and staff can participate in both on and off campus.

What We Do
Promote a culture of service to the EKU community to enhance student learning and personal development while teaching the need for civic responsibility and life-long service.

Education Pays Center

Education Pays Center

Education Pays Center

Education Pays Center

Education Pays Center
and carry out community service events.

- Work with Registered Student Organizations (RSO’s), Living Learning Communities, and individual students to counsel and connect them with local volunteer and leadership opportunities.
- Provide local community partners with an accessible location on the EKU campus to publicize volunteer opportunities and recruit student leaders.

**EKU Police**
Division of Policy, Compliance and Governance
Mattox Hall
Phone: (859) 622-2821 Fax: (859) 622-2243
www.police.eku.edu

The mission of the Eastern Kentucky University Police Department is to enhance the quality of life by providing a safe and secure environment through professional service to the community. The success of our mission depends on this partnership utilizing a community policing philosophy. The department places high priority on honesty and integrity and values the need for effective and open communication with the community we serve. We value our employees and are committed to their professional development.

The University offers a variety of informational programs that inform students and employees on safety and security issues, including how to report crimes and how to prevent crimes. These programs are available on request by student groups, employees, or individuals. These programs include, but are not limited to:

- Crime Prevention and Security Awareness
- Drug and Alcohol Abuse Education Program
- Sexual Assault Prevention
- Residence Hall Security

The University Police provide 24-hour patrols of the Eastern Kentucky University campus buildings, parking lots, residence hall exteriors, and campus grounds. University police officers have full authority on all University property and concurrent jurisdiction on all roads and streets adjacent to the campus. The University Police also have the authority to investigate crimes committed on University property anywhere in the state.

The Eastern Kentucky University Police Department includes 25 sworn police officers, 4 dispatchers, and 19 student cadet officers. The University Police has jurisdiction over all campus owned, leased or controlled property, on all roads through and adjacent to campus, and anywhere in the state if a crime is committed on campus. They have police cruisers that patrol throughout campus and are highly visible along with bicycle patrol and foot patrol officers.

The campus police department also houses 2 full-time detectives whose primary responsibilities are investigations and working closely with surrounding agencies. The Eastern Kentucky University Police Department has an excellent working relationship with state, local, and federal law enforcement agencies and other emergency providers.

**Parking and Transportation Services**
Division of Policy, Compliance and Governance
Mattox Hall Suite A
Phone: (859) 622-1063 Fax: (859) 622-2243
www.parking.eku.edu

Eastern Kentucky University Parking and Transportation Services provides parking and transportation options in support of the University’s mission, by providing quality customer service and proper management of parking and transportation resources. This mission is accomplished by enforcing applicable parking rules and regulations, providing safe and efficient transportation services, conveying a positive attitude, and requiring the highest standards of personal and professional conduct.

Parking Services provides parking information, issues parking permits for the campus community and visitors, coordinates parking for special events, and enforces parking rules and regulations.

Transportation Services provides day and evening shuttle transportation and motor pool/fleet services.

See the Parking and Transportation website (www.parking.eku.edu) for additional parking and transportation information including parking regulations, shuttle schedules, and hours of operation.

**Student Automobiles**

In order to facilitate parking for all students, faculty, and staff, Eastern Kentucky University requires the registration of motor vehicles utilizing campus parking facilities. Vehicle registration information can be obtained by contacting the Parking Office (859) 622-1063 or by logging on www.parking.eku.edu.

During the registration period, prior to the first day of classes, students registering for classes may park in any legal, non-reserved parking space in all areas, except employee parking lots (Zone E) which are marked by yellow signs, and the Powell West Visitor Lot.

After the commencement of classes, residential hall lots (Zone B), which are marked by blue signs, are restricted to residence hall permits 24 hours per day, seven days a week. Enforcement of employee and commuter parking zone regulations begins at 2:00 a.m. Monday-Friday. Commuter permits are also valid from 4:30 p.m. to 7:00 p.m. in employee (Zone E) parking lots. The Case Lot, Jones Lot, and a section of the Martin Lot are exceptions to this rule and are reserved for employees only until 9:00 p.m. Evening parking for vehicles without permits is available in the Alumni Coliseum Lot from 4:30 p.m. to 2:00 a.m., Monday through Friday, and all day Saturday and Sunday.

Visitors may obtain temporary permits 24 hours a day, 7 days a week at the Parking Office or Police Dispatch Center located in Mattox Hall, behind the Whitlock Building. Short term temporary parking permits, not to exceed 5 days, are available to individuals who have not registered a vehicle.

**Speech-Language-Hearing Clinic**
Wallace Building 278
Phone: (859) 622-4444
www.specialed.eku.edu/clinic

The Communication Disorders Program in the Department of Special Education offers services to students, faculty, staff, and members of the community at the Speech-Language-Hearing Clinic in Wallace 278.

Diagnostic and clinical treatment services provided by the Clinic include the following:

1. Screening for speech, language, swallowing, and hearing problems.
2. Assessment and treatment of articulation disorders, phonological delays, delayed or disordered language,
stuttering, voice disorders including laryngectomy, swallowing, speech and language problems resulting from stroke or head injury, language disorders related to learning disability, and speech and language problems of individuals in areas of exceptionality such as mental handicap, developmental delay, cerebral palsy, cleft palate, hearing impairment, autism spectrum disorder, and emotional/behavioral disorder.

3. Assessment and treatment of hearing loss; treatment via fitting, programming, and maintenance of hearing aids and/ or assistive listening devices, aural rehabilitation (including auditory training) and speech reading, and counseling regarding adjustment to hearing aid use; hearing conservation.

4. Accent modification for speakers of English as a second language and those desiring Standard English skills.

Anyone interested in the above services should contact the Clinic Office Associate at (859) 622-4444, Wallace 278, or visit the Clinic website: www.specialed.eku.edu/clinic.

**Student Publications**

Eastern Kentucky University provides a variety of laboratory experiences through student publications. The Eastern Progress Advisory Board has been established to provide professional involvement in the activities of the Eastern Progress, the University’s student newspaper. Academic and support units coordinate the institutional support of student publications but do not govern the content. The courts have consistently held that where a tradition of student decision making exists in student publications, those publications are afforded the same Constitutional First Amendment protection as other publications. Concomitant with those rights, go certain responsibilities, which also accrue to the student publications. Accordingly, the responsibility for the content of the publications is that of the student editors and writers and not Eastern Kentucky University or its Board of Regents.

The Eastern Progress, a 10,000-circulation weekly newspaper, is the official student publication of the University and all students are encouraged to take advantage of the journalism and advertising training it offers. The Progress has consistently been rated as an All American Newspaper by Associated Collegiate Press and a Medalist paper by Columbia Scholastic Press Association. Since 1987, the Progress has won more than 20 national awards, including four national Pacemakers and three Gold Crown awards. It was recognized as the Best All-Around Campus Newspaper by the Society of Professional Journalists in 1997 and 1998. Reach the Progress online at www.easternprogress.com.

Aurora is a magazine of student writings published by its student staff to encourage interest in literary activity. Aurora accepts poems, one-act plays, short stories, prose sketches, and essays from any Eastern student. Editions are published in the fall (online by the ENG 420 class) and spring (hard copy). Cash prizes are awarded for the best works (fiction and poetry) at the time of the spring publication.

**TECHNOLOGY AND RELATED RESOURCES**

IT Help Desk Combs Building 208
Phone: (859) 622-3000
Website: it.eku.edu

PASSWORDS & ACCOUNTS are sent by mail to all students when admitted to EKU.

- Students receive a student ID number: this is your I.D. for all official records and your login to EKU Direct. This ID starts with a “900” or “901”.
- Each student also receives an EKU username. The username is based on your first name_last name (ie:John Smith=John_Smith). Your username and password provides secure access to Blackboard, EKU myMail, campus computers, and various other electronic resources.

View all articles related to passwords at it.eku.edu. Type “password” in the search bar.

- myMail (Student Email) All EKU students receive a web-based email account. The email account provides students with a 25GB mailbox and many more options. Students can keep their EKU myMail account after graduation.
- Microsoft Office 365 PRO is free for all registered students through their official myMail account. Find out more at myMail.eku.edu

THE IT WEBSITE offers more than 150+ support articles about EKU technology. The IT Search is keyword specific. Visit it.eku.edu to view the support articles and find out more about IT at EKU.

EKUDIRECT provides access to a wide range of data for students (pending admit through graduation). Students register for classes, secure parking permits, check grades and more with EKU Direct. Directions for EKUDirect: it.eku.edu/ekudirect

DEGREEWORKS helps students plan an academic roadmap to graduation. DegreeWorks, along with your advisor, will ensure you are on the right track to graduate. View DegreeWorks Video Tutorials at registrar.eku.edu/degreeworks-video-tutorials

BLACKBOARD is EKU’s course management system. Students are automatically enrolled in Blackboard upon registration. Sites do not appear for students until the instructor opens them. Blackboard is used for all online courses and many on campus courses. Learn more about blackboard at learn.eku.edu

ResNet is the EKU residential network and provides high-speed internet access in all residence halls.

WIRELESS INTERNET ACCESS is available at EKU. Both secured (requires username and password) and unsecured (guest) wireless is available campus wide. Wireless access is available to all on the EKU campus by connecting to eku_guest. To configure your PC for wireless access visit: it.eku.edu/support/wireless.

View all articles related to wireless at it.eku.edu. Type “wireless” into the search bar.

COMPUTER LABS are located in Crabbe Library, Powell Building and the Whitlock Building.

IT SERVICE/HELP DESK is the computer user’s first point of contact for all service issues, questions, troubleshooting and consultation. Call 622-3000 for assistance or complete the IT Service Request Form on the IT homepage, it.eku.edu.

Find out more about the IT Service/Help Desk: it.eku.edu/help-desk

Login to EKU is located in the top right corner of the EKU homepage. Select Login to EKU for access to: Blackboard, EKUDirect, myMail, and My Colonel Corner.
PEER-TO-PEER SOFTWARE must be removed before accessing any IT services. Peer-to-peer software including LimeWire, Frostwire, BitTorrent and Vuze are not permitted on the EKU network. Downloading copyrighted materials and illegal downloading of music is prohibited.

View Code of Ethics for Computing & Communications: it.eku.edu/codeofethics

NOTE: IT @ EKU will NEVER request passwords or other personal information via email. Messages requesting such information are fraudulent and should be deleted.
To ensure that students gain the most from their college experience, the Division of Student Success offers a wealth of academic support resources, student services and social enrichment opportunities to foster exploration, discovery, growth and achievement. By fully engaging in all aspects of your education, you'll receive an immeasurable return on your investment of time and dedication throughout your life.

Office of Admissions
Whitlock 112
(859) 622-2106

The Office of Admissions is responsible for recruitment and admission of qualified undergraduate students to EKU. This office is also responsible for the processing of applications for new as well as readmitted, transfer, and international students. Students who have questions regarding their residency status may address their inquiry to the office of Admissions (admissions@eku.edu).

Bratzke Student-Athlete Academic Success Center
Ms. Kate Johnson, Interim Director
Alumni Coliseum 103
(859) 622-6648
WWW.SAASC.EKU.EDU

The Bratzke Student-Athlete Academic Success Center provides an academic support program and a multifaceted academic resource for all student-athletes competing on NCAA varsity teams on EKU’s campus. The Center provides opportunities and services to enhance the student-athlete’s academic performance, as well as monitoring progress to ensure all student-athletes meet their academic eligibility requirements as determined by the NCAA, OVC, and EKU.

Bratzke monitoring programs include academic advising, academic monitoring, mentoring, supervised studying, tutoring, and personal counseling, as well as referrals to other academic support programs on campus. Each student-athlete’s academic progress is monitored closely, throughout their EKU enrollment to facilitate graduating with the highest grade point average possible, while maintaining NCAA eligibility throughout their collegiate athletic career.

The Bratzke Center also sponsors a Life Skills program designed to promote student-athlete growth in five commitment areas: academics, athletics, personal development, service, and career development. Throughout the year the Center plans and coordinates outreach activities for student-athletes in support of the local community and Eastern Kentucky.

Campus Recreation
Fitness and Wellness Center, SRC 105
Phone: (859) 622-1244 Fax: (859) 622-6754
www.campusrec.eku.edu

The Department of Campus Recreation provides a variety of diverse facilities and recreational opportunities to the university community. The department promotes wellness for students, faculty and staff by encouraging the development of lifelong skills and positive attitudes through health education, fitness programs, adventure programs, intramural sports, and message therapy.

Campus Recreation oversees the operation of the FITNESS AND WELLNESS CENTER. The Fitness and Wellness Center is a state-of-art facility which includes:

- Full line of weight and fitness equipment
- Group Exercise Room
- Locker Rooms
- Multipurpose gymnasiums
- Climbing Wall
- Indoor Track
- Bouldering Wall
- Student Lounge with computers
- Full Swing Golf Simulator
- Water fitness

The department is also responsible for the Burke Wellness Center, Begley and Weaver gymnasiums, outdoor basketball courts and intramural field complex.

The Fitness Program offers a variety of group fitness classes each week and are taught by trained, motivated and friendly instructors. All fitness levels are welcome and each group fitness class is offered at no charge. Examples of group fitness classes are step, yoga, pilates, group cycling, and much more.

For those who need a more personal touch, we offer very affordable personal training by certified personal trainers. Personal training is a great way to attain one-on-one instruction incorporating exercise plans, goal-setting and health education.

Adventure Programs offers a wide variety of trips and workshops each semester. Previous trips have included: hiking and camping, backpacking, kayaking/canoeing, spelunking, white water rafting, climbing, canyoneering. The climbing and bouldering walls are an exciting and engaging alternative to traditional exercise. In addition, Adventure Programs provides an extensive amount of outdoor equipment so you may embark on your own adventures. Examples of outdoor rental equipment are tents, mountain bikes, kayaks, cook stoves, canoes and much more.

Intramural Sports have been a campus tradition at EKU for over 50 years. Students play with their friends or organizations and compete against fellow Eastern students. Examples of activities offered are flag-football, soccer, volleyball, corn hole, dodge ball, golf, basketball, and much, much more. There are also numerous individual and dual events.

Massage Therapy offers several modalities such as relaxation, hot stone, deep tissue, therapeutic massage. It is a holistic therapy that reduces the heart rate, lowers blood pressure, increases blood circulation and lymph flow, relaxes muscles, improves range of motion, and increases endorphins, the body’s natural painkillers. It has been said that, “Massage is to the human body what a tune-up is for a car.”

Health Education (H.E.A.T.) is a peer education program geared towards empowering students with knowledge and facts concerning health issues. Health education presents information on alcohol, obesity, sex, drug abuse, eating disorders, tobacco, and much more. The aim is not to enforce ideas but to assist students in making better informed decisions by providing students with the proper tools, knowledge, and self-worth.

Counseling Center
Whitlock Building 571
Phone: (859) 622-1303 Fax: (859) 622-1305
www.counseling.eku.edu

The University Counseling Center offers services designed to promote the success of students in achieving their academic, social and personal goals. The Counseling Center staff consists of psychologists and counselors who provide personal and career counseling both individually and in groups. Counseling is offered on a short-term basis. Referral is provided when the need for counseling services is beyond the role and scope of the Counseling Center. Substance abuse assessment and counseling are also available at the Counseling Center. Psychiatric services are available on a limited basis for students receiving counseling in the Counseling Center where medication is indicated. Counseling relationships are considered confidential as delineated by the APA Code of Ethics and, to the extent permitted by law, federal and Kentucky state law. Counseling services are available to students who are officially enrolled and taking classes at the time the service is provided.
Counseling Services
Counseling is viewed as another form of learning while in college. Typical college student concerns that may result in counseling are: adjustment to college, interpersonal conflicts, dealing with loss, test anxiety, time management, stress, academic pressures, anxiety, depression, motivation, substance abuse, traumatic experiences, eating concerns and choice of a major. Students can make appointments by calling (859) 622-1303 or dropping by the Counseling Center.

Career Counseling Seminar (GCS 199 - one credit hour)
This course is offered each semester for students who are unsure of their major and career direction. Forty sections are offered each year and are taught by the Counseling Center staff and part-time staff.

“Tuesdays with the Counseling Center”
The Counseling Center offers workshops to address top mental health concerns. Top student issues include: stress management, procrastination, time management, ingredients of effective relationships, study skills and test anxiety.

Services for Faculty and Staff
The Counseling Center staff also provides consultation to the University community on referral and how to be most helpful to the distressed student. When a faculty member wishes to refer a student for immediate help, it is recommended that the faculty member call and speak with a counselor for consultation to discuss the appropriate action. A downloadable document called “The Decision Making Tree” offers step-by-step guidelines on how to respond to students in distress at the Counseling Center website at: http://www.counseling.eku.edu/

EKU Housing
Whitlock Building 552
Phone: (859) 622-1515 Fax: (859) 622-8384
www.housing.eku.edu

EKU Housing is dedicated to providing a variety of housing options that best meet the needs of all Eastern Kentucky University students. The residence halls are living-learning environments dedicated to supporting students’ ability to live, learn, work, and play while attending Eastern Kentucky University.

All single, full-time undergraduate students under the age of 21 prior to the first day of classes, having fewer than 60 credit hours, or having lived in a residence hall less than four academic semesters (fall/spring) are required to live in University residence hall facilities. Exception is made for students residing with their parent(s) at their parent’s principle residence within 50 miles of the Richmond campus. Students living with parents must submit a verification form which is available through the housing office or at www.housing.eku.edu. Students may request exemption to the residency requirement under specific circumstances to the Director.

Each residence hall is equipped with the following services that come as part of the basic room rental rate:

Cable Television
All major network and major cable stations are offered with any cable-ready television at no cost. Enhanced services and premium channels are available at an additional charge. For additional information, contact the College Cable Services, Inc. at 800-472-2054 ext. 222.

Phone Services
Basic phone service is provided for all residents. Each room is equipped with one phone line. Residents are asked to provide their own touch tone phone. In order to dial long distance, students may use any calling card. Enhanced phone features are available at an additional charge. For additional information on enhanced services or long distance, contact EKU Telecommunication Services at (859) 622-1903.

Laundry Rooms
Several washers and dryers are located in every residence hall. All the machines are operated by coin or Colonel Dollars.

ResNet
All rooms come equipped with two high-speed internet connections. Wireless network access is also available. For more information about equipping your computer for Internet access, visit www.resnet.eku.edu.

Study Rooms
Within most residence halls are open, quiet rooms in which to study.

Vending
All residence halls are serviced with a variety of drink and snack vending machines. The machines are coin operated, and many accept Colonel Dollars as well.

Social, educational, and service-learning programs are offered and organized by University Housing staff in all of our residence halls. These programs range from movie nights on the residence hall floors to volunteering for Habitat for Humanity. Most often, the RAs on each floor host social programming so that the residents can get to know each other and enjoy their housing experience even more. Many of the University Housing programs are open to all campus residents.

There are multiple residence halls on campus which include male, female, and coed living arrangements:

Male Residence Halls: Martin Hall (South Wing), Dupree Hall

Female Residence Halls: Burnam Hall, Martin Hall (North Wing), and Todd Hall.

Coed Residence Halls: Case Hall, Clay Hall, Combs Hall, Commonwealth Hall, Keene Hall, McGregor Hall, Palmer Hall, Sullivan Hall, Telford Hall, Walters Hall, and Brockton apartments.

Office of Financial Aid
Ms. Shelley S. Park, Director
Whitlock Building 251
Phone: (859) 622-2361 Fax: (859) 622-2019
www.finaid@eku.edu

Financial assistance is available to help students offset the cost of their college education. There are five types of financial aid: grants, loans, employment, entitlements, and scholarships. The grants, loans, and federal work study programs are need-based. To determine how much money and for which programs the student qualifies, he/she must complete the Free Application for Federal Student Aid each year.

Entitlements include but are not limited to resources from the Veterans Administration and Vocational Rehabilitation. Scholarships are awarded from the University as well as outside
sponsors. For information regarding entitlements, students should contact the Division of Student Financial Assistance at (859) 622-2361. This office can guide the student to the proper source depending on the type of entitlement or scholarship the student is interested in pursuing.

For scholarship information, students should contact the Scholarship Office in the Whitlock Building, Room 346 (859) 622-8032.

**VOCATIONAL REHABILITATION (OVR).**

EUK supports the efforts of OVR to serve eligible individuals with disabilities. The Kentucky Office of Vocational Rehabilitation provides vocational rehabilitation services to eligible individuals with disabilities. Individuals receiving OVR services may also contact the EKU Disabilities Office for academic accommodation. For more information about eligibility criteria call the Office of Vocational Rehabilitation toll free at 1-800-372-7172 or (502) 564-7172, or visit the website at www.ovr.ky.gov.

**GRANTS**

Grants are considered gift aid and do not usually have to be repaid.

The **Federal Pell Grant** is the largest grant program. The maximum award is $5,730 for 2014-15.

The **Federal Supplemental Educational Opportunity Grant (SEOG)** is awarded to students who demonstrate exceptional need, and priority is given to Federal Pell Grant recipients. The average Federal SEOG award at Eastern Kentucky University is generally $650 for the academic year.

The **College Access Program Grant (CAP)** is awarded to eligible Kentucky residents. The amount of this grant is determined by the Kentucky Higher Education Assistance Authority (KHEAA). It is given to students enrolled for a minimum of six hours. Full-time students will receive up to $950 per semester, $1,900 for the 2014-15 academic year.

**SCHOLARSHIPS**

Eastern Kentucky University offers a range of academic scholarships designed to reward scholastic achievement and enhance the university community through the attraction of academically talented students.

Unless noted otherwise in the specific description, each of these scholarships is awarded for eight consecutive regular semesters of full-time undergraduate work to students earning their first undergraduate Bachelor degree, provided a satisfactory grade point average is maintained.

In addition to the general scholarship program described below, the University also awards a number of scholarships funded through private funds administered in the Eastern Kentucky University Foundation. Students need to complete the scholarship application form to be considered for all foundation scholarships the University awards (www.scholarships.eku.edu).

Some discipline specific scholarships are awarded based on selection processes within the appropriate academic department. If the department housing the major indicated on the application form awards such scholarships, you will receive information from that department.

In addition to completing the scholarship application, it is also necessary to apply for admission to the university and for financial aid. All necessary forms are available through the Office of Admissions. If you have a question, or need admission forms, please call 1-800-465-9191, or send an email to admissions@eku.edu. Scholarship applications are available online at www.scholarships.eku.edu.

Except for the book award to participants in the Honors Program, the university does not make multiple awards of the described scholarships. Recipients will receive the highest award for which they apply, are eligible and selected.

The following information is applicable to freshmen enrolling at Eastern Kentucky University for the first-time in the Fall semester, 2014.

**Transfer Scholarship:** Students need to apply for admission to be considered automatically for merit scholarships. To be considered for the fall semester, students must apply for admission by June 15th. To be considered for the spring semester, students must apply for admission by November 15th. To be considered for the summer semester, students must apply for admission by April 15th. The transfer scholarship qualifications and requirements for this scholarship can be found at www.scholarships.eku.edu.

**AWARDS**

Four-year awards can vary up to $60,000. Merit scholarships are awarded automatically upon admission to EKU. Applicants must apply prior to February 1st to receive priority for scholarships. We will continue to award after February 1st until funds are exhausted. The last date for scholarship upgrades is March 1st. There are no upgrades after that date. Students that are in a 100% online degree program are not eligible for merit scholarships. Requires maintenance of a 3.0 grade point average to retain and student must be enrolled in a minimum of 12 credit hours each semester. If a student does not return for a semester, then the scholarship is considered forfeited and cannot be reinstated.

Number of awards: limited

**EKU Excellence Award Recipients:** awarded on an automatic basis to scholarship applicants with an ACT Composite score of 32 or higher and a minimum unweighted high school grade point average of 3.75.

Four-year award can vary up to $52,000. Requires maintenance of a 3.0 grade point average and full-time status for retention.

Number of Awards: Limited

**EKU Founders Scholarship Recipients:** awarded on an automatic basis to persons with ACT composite scores of 29-31 and a minimum unweighted high school grade point average of 3.75.

Four-year award can vary up to $40,000. Requires maintenance of a 3.0 grade point average and full-time status to retain.

Number of Awards: Limited

**Regents Scholarship Recipients:** Automatic scholarship that requires a minimum unweighted grade point average of 3.75 and a minimum ACT composite of 25. Students who meet these criteria and were also participants in the Governor’s Scholars Program will receive a full tuition scholarship. Governor’s Scholars Program participants will be sent award letters automatically. Students who are not Governor’s Scholars will receive a scholarship worth $6,000 per academic year.

Four-year award can vary up to $30,000. Requires maintenance of a 3.0 grade point average and full-time status for retention.

Number of Awards: Limited

**Presidential Scholarship Recipients:** awarded automatically to high school graduates with a 23-24 ACT and a 3.5 unweighted high school grade point average.

Four-year award of up to $15,000. Requires maintenance of a
2.5 grade point average and full time enrollment status to retain.

Number of Awards: Limited

**EUK Merit Scholarship:** awarded automatically to out of state high school students with a 18 – 22 ACT and a 2.5 unweighted high school grade point average.

Four year award of $14,000. Requires maintenance of 3.0 grade point average and students must be enrolled in a minimum of 12 credit hours each semester. If a student does not return for a semester, then the scholarship is considered forfeited and cannot be reinstated.

Number of Awards: Limited

**J.W. Thurman Alummi Scholarship:** Applicants must be a dependent child of an EKU graduate. Applicants must score at least an 18 composite on the ACT exam and have a minimum high school grade point average of 2.8. Applicants may use the University’s foundation scholarship form and check the block indicating the application is for the J. W. Thurman Alumni Scholarship, and mail the application to the EKU Scholarship Office.

**Alumni Fund Scholarship:** Applicants must be incoming freshmen with an ACT score of at least an 18 and a high school GPA of 3.0. Students that demonstrate financial need to the University through the FAFSA application shall be given priority. Applicants must be involved in at least three extracurricular activities.

**Honors Program Award:** Students who are accepted into the University Honors Program will receive books-on-loan for up to eight consecutive semesters, provided they remain in the Honors Program.

**Dr. Rodney Gross Scholarship:** The Dr. Rodney Gross Diversity Scholarship provides financial assistance to high-achieving students from all segments of society: Alaskan, Native, Asian, Native Hawaiian or other Pacific Islander, Hispanic, or Latino. Applications may be obtained by contacting the Scholarship Office by phone (859) 622-8032 or via the web at www.scholarships.eku.edu.

**EUK Retention Scholarship** (Contingent on outside funding): Students completing their freshman year with a 2.0 grade point average or better and returning for the following fall term may apply for the competitive Retention Scholarship. If applicants have been enrolled in developmental courses they must have earned at least a grade of a “C” or better and be degree seeking students. This non-renewable scholarship provides up to $1,000.00 for an academic year toward tuition and fees. Applications may be obtained by contacting the Scholarship Office by phone (859) 622-8032 or via the web at www.scholarships.eku.edu.

**STUDENT LOANS**

The Federal Perkins Loan is a 5 percent simple interest loan awarded to exceptionally needy students. This loan is made to undergraduates, as well as post-baccalaureate and graduate students. Repayment begins nine months after the student ceases to be enrolled on at least a half time basis. There are certain occupations which allow a student to cancel a percentage of the money they borrow from this program. Contact the Loan Accounts Office in the Whitlock Building, Room 216, for more information regarding the cancellation and deferment options. All first time Federal Perkins Loan borrowers must be enrolled for thirty (30) days before their first Perkins disbursement can be released.

The Federal Direct Subsidized Loan Program is a need based program available to students who are enrolled at least half time. This loan is for undergraduate, and post-baccalaureate students. The interest rate is fixed and is not to exceed 8.25%. Contact the Office of Student Financial Assistance after July 1 for the current year interest rate.

The Federal Government pays the interest while the student is enrolled at least half time. A student has six months after ceasing to be enrolled as a half time student before repayment begins. All first time Federal Direct Loan borrowers (subsidized as well as unsubsidized) must complete entrance counseling before their loan can be processed. Counseling can be completed at www.studentloans.gov.

The Federal Direct Unsubsidized Loan Program is not based on need. It has a different interest rate as the Federal Direct Subsidized Loan Program, and the student is responsible for paying the interest on this loan. The unsubsidized and the subsidized loan cannot exceed the maximum amount allowable by a student’s classification. For example:

First Year Students - $5,500 is the annual loan limit. No more than $3,500 of this amount may be in subsidized loans. All first time Federal Direct Loan borrowers must be enrolled for thirty (30) days before the first disbursement can be released.

Second Year Students - $6,500 is the annual loan limit a student can borrow. No more than $4,500 of this amount may be in subsidized loans.

*NOTE:* This is the maximum amount ($6,500) that a student working on an Associate Degree is eligible to receive.

Third and Fourth Year Students - $7,500 is the annual loan limit. No more than $5,500 of this amount may be in subsidized loans.

Graduate Students - $20,500 is the annual loan limit. No more than $8,500 of this amount can be in subsidized loans.

Independent students may be eligible for an additional unsubsidized funds. An independent student could borrow up to an additional:

- Freshman/sophomore - $4,000
- Junior/senior - $5,000

Keep in mind that the unsubsidized and subsidized Direct Loans combined cannot exceed the student’s cost of education minus all other student financial assistance.

*Each annual loan limit is for one award year (12 month period; i.e., fall, spring, and summer).*

To apply for a Federal Direct Subsidized or Unsubsidized Loan, all students must complete a Free Application for Federal Student Aid. After the student is evaluated for all federal programs, his/her eligibility for the Direct Loan program is determined. The Office of Student Financial Assistance will certify the loan and electronically submit the information to the U.S. Department of Education (DOE). If the student has a signed Master Promissory Note (MPN) on file at DOE, the loan funds will be sent to Eastern Kentucky University on the specified disbursement dates. If the student does not have a signed MPN on file at DOE, a MPN must be signed electronically at www.studentloans.gov.

Post-Baccalaureate Students—Students returning to work on a second undergraduate degree are not automatically eligible for the senior annual loan limit of $7,500. Each student must submit documentation which indicates how many hours that student has toward the second degree.

The Federal Direct Plus Loan program enables parents to borrow the cost of education minus other aid for their student who is enrolled for at least 6 hours. This is not a need based loan. As long as the parent who is applying for the loan is credit worthy, the loan is usually approved. The interest rate is fixed and not to exceed 9%. Interest begins to accrue 60 days after the loan is fully disbursed. The parent must complete the PLUS application process...
at www.studentloans.gov each year. If the parent has a signed Master Promissory Note (MPN) on file at DOE, the loan funds will be sent to EKU on the specified disbursement dates. If the parent does not have a signed MPN on file at DOE, an MPN must be signed electronically at www.studentloans.gov.

The Student Aid Society (Emergency Loan) program is designed to provide emergency short-term loans to students. It must be repaid. Students may borrow a small amount of money on a personal note at a legal rate of interest for a one month period. Money is made available through contributions of the University, alumni, private organizations and many individual friends of the University.

You must be enrolled as a full-time student, have a 2.0 (“C”) overall grade point average, a means of repayment, and must not have a past due balance. All students are eligible to apply for these short-term loans regardless if they are receiving other forms of financial aid. An application form obtained from the Loan Accounts Office in the Whitlock Building, Room 210 must be completed.

The loan must usually be repaid within four weeks, and the student is charged an interest rate of 2 percent. Students who have delinquent loans will have their grades sealed in the Registrar and will not be allowed to register for the next semester. Delinquent loans will be collected through a collection agency. Any additional expenses incurred in the collection of the note will be added to the student’s repayment.

STUDENT EMPLOYMENT

Eastern Kentucky University offers its students two employment programs. One is the federal work study program which provides part-time jobs to students who have financial need as determined by the Application for Federal Student Aid. This program is federally funded. The other is the EKU institutional work program. Eastern Kentucky University provides funds to employ students who want to work on-campus, but do not qualify for the federal work study.

Both of these programs employ students on a part-time basis, and students are paid every two weeks for the hours they have worked. Their job schedule is built around their class schedule. A variety of jobs are available including typing, filing, farm work, food service, resident hall assistants, tutorial work, as well as community service jobs. Contact Human Resources for more information at the Jones Building, Room 203, between 8:00 a.m. – 5:00 p.m. or by phone at 859-622-8046.

Office of First Year Programs

E-mail: FYP@eku.edu
www.firstyear.eku.edu

The mission of the Office of First Year Programs is to aid in the transition to college for first year students and their family members by providing useful and timely information in a professional manner. The Office of First Year Programs is committed to encouraging first year students to grow socially and academically and to respect themselves and all others in the Eastern Kentucky University community. First Year Programs is committed to delivering orientation services and transition programming to all new students and their families.

Orientation

Orientation is phase one of the first year experience for new students. During Orientation, students and families visit campus, meet with faculty, staff, and students, and learn more about life at Eastern Kentucky University. Students also register for their first semester of classes. Representatives from many areas are available during Orientation to answer questions about financial aid, tuition payment, housing, dining services, and tutoring services. There are various dates and schedules for first year, transfer and non-traditional students.

Colonel Camp

Colonel Camp was established in 2007 to allow new students to get a jump start on college life at EKU. Colonel Camp serves as a bridge between Orientation and New Student Days and aims to connect new students to campus, current student leaders, and their peers. The camp occurs before Move-In Day in August and provides the participants with the opportunity to serve other new students as volunteers during Move-in.

New Student Days

The New Student Days (NSD) program is the second phase of the first year experience at Eastern Kentucky University. New Student Days programming kicks off on the Sunday before classes start and continues throughout the first weeks of classes. NSD is a required program for all new students and is incorporated into the curriculum of the student success seminars.

The purpose of this program is to enable students to meet other new students and participate in a variety of campus events. The President’s Picnic, educational sessions, and social events are just some of the highlights. All new students are required to attend.

EKU Reads Program

The EKU Reads program is designed to provide new students with a common introduction to academic life at Eastern Kentucky University. Each fall semester Eastern Kentucky University engages in campus-wide discussions of the selected book. First-year English courses and student success seminars also utilize the book in class discussions throughout the semester. The EKU Reads program is facilitated by a faculty committee in collaboration with First Year Programs.

Family Programs

The Eastern Family Network began in the summer of 2000 to get parents and other family members involved in Eastern Kentucky University. By informing family members about campus happenings, we hope they will be supportive and engaged in the educational process with their student. First Year Programs also facilitates planning Family Weekend, a spring Family Network event, a Family guide, a monthly newsletter and a Family resource page on the First Year Programs website.

Meditation Chapel

University Chapel
Phone: (859) 622-1723
www.studentaffairs.eku.edu/chapel/

The Chapel of Meditation is the realization of a dream begun in 1968 when the Eastern Kentucky University Alumni Association adopted the Century Fund Project to finance a non-denominational chapel. The chapel stands as a testimonial of the love and devotion of the alumni, faculty, students and friends, commemorating the
100th anniversary of higher education on the Eastern Kentucky University campus.

The chapel is non-sectarian and is open to students, faculty, staff, alumni, and friends of the University for meditation, prayer, and spiritual reflection. The chapel is also used for several other events such as:

- Weddings
- Memorial services
- Sorority and fraternity events
- Religious organization events and services
- Academic department meetings
- Honor Society events
- Athletic events

The University Chaplain’s office is located in the basement of the chapel. The Chaplain coordinates the various activities of the chapel and is available to perform weddings. The Chaplain also attends to students, staff and faculty with questions about spiritual matters or spirituality. Besides providing a peaceful and serene setting for prayer and meditation, the chapel is used to house various student organization meetings and services, weddings, and annual memorial services.

Office of Military and Veterans Affairs
William Larkin, Director
317 Lancaster Avenue, Burnam House
Phone: (859) 622-2345 Fax: (859) 622-5076
www.va.eku.edu

The Office of Military and Veterans Affairs serves student veterans by assisting with admissions, obtaining VA benefits and credit for military training, and serving as an advocate for veterans issues throughout the campus community. Student veterans or eligible dependents will need to apply directly to the Veterans Administration to obtain a letter of eligibility. This can be done online at www.gibill.va.gov. Upon receipt of the letter, bring or send a copy to the Veterans Affairs Office on the main campus along with a Course Enrollment Form (CEF). The CEF must be submitted each semester for which benefits are desired. The CEF is available online at www.soto.eku.edu/veterans.

The Post 9-11 GI Bill will pay 100% of tuition and fee costs for undergraduate, graduate, and online instruction provided the service member has 36 months of active federal service. Veterans with less than 36 months of service will receive a prorated amount based on number of months served on active duty beyond initial training. Basic Allowance for Housing (BAH) is based upon E-5 with dependents for the 40475 zip code and is also prorated. Online-only Post 9-11 student veterans will draw BAH at one half of the national BAH average. All out-of-state veterans who are Post 9-11 GI Bill eligible will receive in-state tuition and fees rates. Veterans needing assistance in obtaining a copy of their Joint Service Transcripts or CCAF transcripts should email ekuveteransaffairs@eku.edu or call 859-622-2345.

Survivors' and Dependents' Educational Assistance
DEA (Chapter 35) provides education and training opportunities to eligible dependents and survivors of certain veterans. For more information on DEA eligibility visit www.gibill.va.gov.

Children of Kentucky War Veterans
If you are the child of a Kentucky War Veteran you may also be entitled to a tuition waiver in addition to your DEA benefits. Under the provision of KRS 164.505 and 164.515 children of Kentuckians who were killed in military action or who were permanently and totally disabled in wartime military services are eligible for this waiver. For additional information contact the Kentucky Department of Veterans Affairs, Tuition Waiver Coordinator at (800) 928-4012.

Multicultural Student Affairs
110 Powell Building
Phone: (859) 622-4373 Fax: (859) 622-6997
www.studentaffairs.eku.edu/multicultural/

The EKU Cultural Center seeks to bring issues of cultural diversity to the forefront of campus conversation through educational programs and services. The Center serves all students as they question personal and collective notions of race, gender, economic status, language, nationality, ethnicity, religion, sexual orientation, age, exceptionality and culture. The Center encourages the utilization of campus resources, participation in campus life, understanding and respecting cultural differences, and encouraging tolerance and inclusiveness.

The Center is actively engaged in collaborative efforts with other departments and academic areas on campus and provides co-curriculum learning experiences. Our Center also focuses on helping students from under-represented groups feel welcomed and supported so that cultural barriers are minimized and to help all students become more culturally competent to prepare them to enter an increasingly diverse workforce.

The center promotes life-long learning and global citizenship by providing programs, workshops, diversity trainings, study groups, panel discussions and events on cultural awareness, sensitivity and competence.

Located within the new E.K.U. Cultural Center in the Powell Student Center, the Cultural Center is actively engaged in collaborative efforts with other departments and academic areas on campus including Women and Gender Studies, African/African-American Studies, Appalachian Studies, International Education, and Campus Ministries. The center also supports the efforts of various Eastern Kentucky University student organizations such as Men of Color Mentorship Program, Black Student Union, M.S.A. (Muslim Student Association), M.A.R. (Men Against Rape), Eastern Kentucky University Gospel Ensemble, OWLS (Older, Wiser, Learners), S.I.S.T.A., Pride Alliance, International Student Association, the National Pan-Hellenic Council (N.P.H.C.) EKU Capoeira Club, Latino Student Association, Saudi Student Association, Feminists for Change, African/African American Studies Group, the Alphabet Lounge Student Group, the Minority Colligate Connection and Collegiate Black and Christian.

NOVA Program (TRIO Student Support Services)
Ms. Jane Tinsley, Director
Tinsley House 2
Phone: (859) 622-1047
Fax: (859) 622-1074
www.nova.eku.edu

The NOVA Program is a Student Support Services/TRIO project with the legislative purpose to facilitate persistence and graduation of eligible learners. NOVA pre-identifies first-year EKU students who demonstrate a potential for success in college and who meet the economic and or first-generation-college-student eligibility criteria. The NOVA service delivery design is a holistic
retention plan based on the learner’s needs for success. NOVA provides instruction in Student Success Seminar and Leadership Dynamics and provides the following support services throughout the learner’s EKU academic career from orientation to graduation:

- Instruction in Academic Orientation, Leadership Development and Peer Mentoring
- Academic Advising
- Financial Aid and Financial Literacy Consulting
- Scholarship and Grant Aid Award
- Personal and Career Consulting
- Graduate School Planning
- Service Learning
- Peer Mentoring
- Living Learning Community
- Registered Student Organization
- Academic Assistance and Monitoring

NOVA learners earn a degree from EKU at a statistically significant higher rate as compared to other EKU students from the same background. NOVA is located on the second and third floors of the Turley House and is open from 8:00 a.m. - 4:30 p.m. Monday-Friday. Please visit www.nova.eku.edu or phone (859) 622-1047.

**Services for Individuals with Disabilities**
Division of Policy, Compliance and Governance
Whitlock Building 361, CPO 66
Phone: (859) 622-2933
www.disabilities.eku.edu

The Office of Services for Individuals with Disabilities assists students, faculty and staff with disabilities by coordinating campus and program accessibility as well as providing support in the attainment of educational and work goals. The Disabilities Office Staff, the OSID test proctoring service and the Project SUCCESS Program are located in the Whitlock Building, room 361. Appointments are made by calling (859) 622-2933 or coming to Whitlock 361.

Individuals seeking services are required to provide the Coordinators with a completed application for services and current disability documentation. Applications, guidelines for documenting a disability, and information on obtaining services and accommodations are available at the office and on the website at www.disabilities.eku.edu. Services are determined on an individual basis and may include but are not limited to: test accommodations, note takers, books on CD, and use of assistive technology, equipment loan, building accessibility information, and individual appeal cases.

Applications for **Project Success**, a comprehensive program for students with specific learning disabilities, Attention Deficit Disorders and other cognitive disorders are located in Whitlock, room 361. Project SUCCESS provides participating students with academic coaching and individualized tutoring and is a fee based program. Appointments are made by calling (859) 622-2933 or coming to Whitlock, room 361.

**Office of Deaf and Hard of Hearing Services**
The Office of Deaf and Hard of Hearing Services enables students who are deaf and hard of hearing to achieve their educational goals, both academic and career. The office provides and coordinates accessible services including but not limited to: note takers, interpreters, test accommodations, use of assistive listening technology and equipment loan, which afford individuals equal opportunity to attain their goals. Current disability documentation is required. Services are determined on an individual basis. A comprehensive list of services may be found on the web at www.disabled.eku.edu/terpserv/. The Interpreter Coordinator is located in Case Annex, room 207. Appointments are made by calling (859) 622-2937 or coming to Case Annex, room 207.

**ADA/504 Coordinator**
The ADA/504 Coordinator serves the University by hearing individual ADA cases including appeals for course substitutions and waivers and other ADA cases as a member of the ADA Appeals Committee. Appointments with the Coordinator are made through OSID. Services for Individuals with Disabilities are made available in accordance with Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 and amended ADAAA of 2008. Current students, faculty, staff and others interested in disability issues are invited to attend the EKU ADA Awareness and Accessibility Committee. A schedule of meetings and committee notes are available on line at http://access.eku.edu.

**ADA Appeals Committee**
The ADA Appeals Committee serves the University Community by hearing individual ADA cases. Please contact the Director of the OSID for more information.

**Student Health Services**
Rowlett 103
Phone: (859) 622-1761 Fax: (859) 622-1767
www.healthservices.eku.edu

The mission of Student Health Services at Eastern Kentucky University is to provide our students with the best quality acute ambulatory medical care in a compassionate environment, while providing education on healthy lifestyles from which our students can benefit for the rest of their lives.

Student Health Services has three primary goals: first, to address any acute medical condition that threatens health, interferes with function, reduces performance, and serves as an obstacle to learning and personal growth; second, to educate our student body on healthy lifestyle choices that promote wellness and reduce the chances of disease—the preventive approach; third, to serve as a source of information and access to community based assistance programs. Services provided at the Health Center include:

- Outpatient acute medical care
- Allergy shots
- Basic laboratory tests
- Certain immunizations
- X-Ray requests
- Tuberculosis skin testing
- Health education
- AIDS education/testing referral

To make an appointment to see a provider, please go to the SHS website and click on the icon at the bottom left corner of the home page: “Schedule Online Appointment.”

A variety of free pamphlets, booklets, and other materials are available at the SHS. Students may utilize the computer terminal with Internet access in the SHS lobby to look up health related topics of interest.
**Student Life**
Powell Building 128
Phone: (859) 622-3855 Fax: (859) 622-6598
www.studentlife.eku.edu

The Office of Student Life at Eastern Kentucky University is dedicated to making sure every student has the opportunity to get involved and receive valuable experiences outside of the classroom. Student Life provides numerous activities for EKU students including Community Service, Fraternity & Sorority Life, Leadership, Registered Student Organizations (RSOs), and Student Activities. Student Life also provides these unique educational opportunities to assist students in their holistic development.

The first step to getting involved is visiting our website: www.studentlife.eku.edu. Here you can learn about involvement opportunities by logging into OrgSync (www.eku.orgsync.com)! You can browse RSOs, check out upcoming events on the calendar, and complete other forms and applications.

**Community Service**
The Community Service program coordinates a variety of service opportunities throughout the year that EKU students, faculty, and staff can participate in both on and off campus. Whether it’s to fulfill a class requirement or just to get involved, students looking for volunteer opportunities can visit to get connected with local volunteer opportunities that meet their individual needs and fit their busy schedules.

There are five main ways you can engage with the Community Service program at EKU:

- **Volunteer with Saturdays for Service:** Since 2004, EKU students have been partnering with local entities for service opportunities. Each event is a one time commitment, working with a different community partner, either in Richmond or nearby in our service region. Saturdays for Service occur on the first Saturday of each month. Transportation is provided.
- **Commit to a Community Partner:** Our office has a variety of community partners within driving distance of campus. By signing up through OrgSync a student can commit to volunteering one time or regularly, by themselves or with a group of friends. This is a great way to fulfill volunteer requirements for class, connect with the community, learn about yourself, or gain experience for after college. Opportunities vary and are continuous, so a time can be found that works with each person’s schedule. You can learn about these many opportunities through our Part Time Job & Volunteer Fair hosted during Welcome Week.
- **Immerse and Serve on an Alternative Break:** Alternative break trips are offered year round (fall, winter, spring, summer, and even weekends). Each trip has a focus on a particular social issue, such as (but not limited to) disaster relief, poverty, education reform, hunger, and environmental stewardship. Students learn about the social issues and then perform week-long projects with local non-profit organizations.
- **Join in on a Day of Service:** Day of service events include onetime events throughout the academic year. Major Days of Service include 9/11 Day of Service and Remembrance & Martin Luther King Jr. Day. Throughout the year these days of service include both on and off campus on time opportunities to serve and support our community.

Students interested in taking a more action in service have the opportunity to take up student leadership positions including:

- Scholarship – Each chapter has scholastic standards members are required to meet. Additionally, chapters implement academic success plans including study hours, incentives, and much more. As a result, members of the fraternity and sorority community consistently boast a collective grade point average above their non-affiliated counterparts. In Spring 2014, they earned a 3.0412!
- Service – Greeks regularly dedicate their time, talent, and treasure to bettering the world in which we live. This is accomplished through philanthropy and community service efforts. Each chapter holds a minimum of one signature philanthropy event each year to raise money for their selected cause. Additionally, members complete countless hours of community service both together as a chapter and individually.
- Leadership – Holding a leadership position in a student organization is a great way to develop personal leadership skills, to network, and to build your resume. Many notable leadership positions on campus are held by members of fraternities and sororities including: Orientation Leaders, GURUs, Student Government Association officers, and Student Athletes. Additionally, the fraternity and sorority community gives members many opportunities to lead within the chapters and in the community. Each chapter also has a development program including workshops on how to become an effective leader. The leadership skills you build at Eastern Kentucky University can help you be successful in the future.
- Life – Membership is a lifelong commitment. Fraternity men and sorority women value brotherhood/sisterhood and being together for support and fellowship. To join a Greek organization is to find your home away from home. At EKU, members engage in a variety of activities together. Students will attend regular chapter meetings, plan annual philanthropy events, and participate in brotherhood/sisterhood activities. Brotherhood/sisterhood activities might include movie nights, road trips, social gatherings, or spontaneous hang outs on the chapter’s floor in Dupree or Todd Hall. Notable community traditions include Greek Sing, a song and dance competition; Homecoming, including the construction of floats for the parade and celebration of the Football Team; and participation in various intramural sports.

Students interested in joining a fraternity or sorority can visit www.greeklife.eku.edu to learn about upcoming recruitment events. You can also follow us on Twitter for updates: @EKUGreekLife. Be Greek!

**Leadership**
Leadership development programs are a new and exciting opportunity to get involved with at EKU. Whether you consider yourself a leader or have always held a great interest in leading, our leadership development programs are created to serve emerging to advanced student leaders. Our co-curricular programs...
focus on helping you cultivate skills that will bolster your collegiate experience as well as help you be better prepared for successfully leading in life after graduation. We offer a variety of leadership development programs to allow you to grow in your leadership abilities in an assortment of formats including retreats, ropes courses, workshops, conferences, and the Colonel Leadership Internship. The semester kicks off with the Leadership Social and the Emerging Leaders Program, an opportunity for first-year students to begin their leadership journey at EKU. Students who are looking to further bolster their leadership talents can participate in the Leadership Certificate Programs. Please visit www.studentlife.eku.edu for further information on the upcoming list of leadership programs.

Registered Student Organizations
EKU currently has over 230 Registered Student Organizations (RSOs) available for students. The 230 RSOs are categorized into 10 specific areas: departmental, governance, religious, honorary, residence hall, service, sports, fraternities/sororities, and special interest organizations. All of our student organizations are identified, created, and led by EKU students. Joining an organization is a wonderful opportunity to make a difference, meet others, and develop your personal leadership skills. Many of our RSOs will showcase who they are and invite you to be a part of their organization at the Student Involvement Fair during Welcome Week. For the complete list of organizations and to learn organization meeting times, information, and upcoming events, please visit www.eku.orgsync.com.

Student Activities
Student Life hosts dozens of events each semester aimed at educating, entertaining, and meeting the needs of EKU students. We host various guests including comedians, singer/songwriters, and illusionists that are free for students to attend. We also have many programs in which we collaborate with various departments across campus to enhance the out-of-classroom experience. We encourage you to explore our upcoming events at www.studentlife.eku.edu, or by following us on Facebook at www.facebook.com/EKUOSI.

STUDENT OUTREACH AND TRANSITION OFFICE
(SOTO)
Ms. Lisa Cox, Director
Whitlock Building 442
Phone: (859) 622-7686
www.soto.eku.edu/

This one-stop transitional center is designed for transfer, non-traditional and re-entry students (away from EKU for over 2 years). The Student Outreach and Transition Office provides comprehensive support to students from initial inquiry through registration for their first semester of classes, serving as an advocate to promote their needs along the way. Prospective students receive individualized consulting services in the areas of admissions, degree audits, major selection, academic bankruptcy, credit transfer process, degree completion via distance learning, and course registration prior to their first semester. This office also provides students with answers to basic questions regarding filing for financial aid, financial aid appeals, and receiving credit for prior learning. Evening appointments are available to better serve the needs of adult learners.

SOTO also serves as a hub for diverse students and oversees the Rodney Gross Scholars program. Scholars have access to dedicated study areas that include computer access and tutoring assistance upon request. A comfortable and inviting lounge area is also available for students to mingle and hold student organization meetings. SOTO houses a bi-lingual Hispanic/Latino retention specialist who is available to answer questions and refer students to appropriate resources.

Colonel Connection Program
The Colonel Connection Program facilitates the transfer process from other colleges to EKU, and eases students’ transition to and timely graduation from EKU. The program is available to students who are currently enrolled at another institution (e.g., a community college) and intend to transfer to EKU to complete a baccalaureate degree. Students must apply for admission to EKU, meet all admission requirements, and be accepted to EKU before enrolling in the Colonel Connection program.

Upon admission and completion of the Colonel Connection program agreement, participating students are granted continuous access to EKU’s DegreeWorks degree audit system, allowing them to view their individualized degree plan and progress towards an EKU baccalaureate degree. The degree audit is then kept current through regular submission of transcripts to EKU for credit evaluation. (Note: Colonel Connection students may not enroll in EKU coursework without first requesting visiting-student status through their advisor.)

When ready to transfer to EKU, the student must apply for admission to the university as a degree-seeking student for the term in which they wish to begin.

To maintain enrollment in the Colonel Connection program, a student must:
• maintain a minimum 2.0 grade-point average (GPA) on all college-level work completed to date;
• complete, with a grade of C or better, no fewer than six (6) credits in the most recent fall/spring semester; and
• meet with an assigned EKU advisor at least twice per academic year to discuss their progress and plans for transfer and graduation.

Students who fail to meet any of the above standards will be given one fall or spring semester to comply, after which they will be disenrolled from the Colonel Connection program.

Upon enrollment in the Colonel Connection program, participants will have a catalog year associated with their student record designating the academic year for their degree program as well as General Education and University graduation requirements. Should graduation requirements subsequently change, students may request a move to the current Catalog through the Registrar’s Office. The catalog year may be found on the student’s DegreeWorks degree audit.

Students who fail to maintain their enrollment in the Colonel Connection program may apply for readmission to the program; however, their catalog year will be based on the date of re-enrollment.

For further information regarding the Colonel Connection program, contact the EKU Student Outreach and Transition Office (SOTO). This one-stop transitional center is designed for transfer, non-traditional and re-entry students (away from EKU for over 2 years). The Student Outreach and Transition Office provides comprehensive support to students from initial inquiry through registration for their first semester of classes, serving as an advocate to promote their needs along the way. Prospective students receive individualized consulting services in the areas of admissions, degree audits, major selection, academic bankruptcy, credit transfer process, degree completion via distance learning.
and course registration prior to their first semester. This office also provides students with answers to basic questions regarding filing for financial aid, financial aid appeals, securing veterans’ benefits, and receiving credit for prior learning. Evening appointments are available to better serve the needs of adult learners.

SOTO also serves as a hub for diverse students and houses the Rodney Gross Scholars program for African American students from Kentucky. SOTO houses a bi-lingual Hispanic/Latino retention specialist who is available to answer questions and refer students to appropriate resources. SOTO also has dedicated study areas that include computer access and tutoring assistance upon request.

**Student Rights and Responsibilities**

1 Turley House  
Phone: (859) 622-1500

The Office of Student Rights and Responsibilities and Eastern Kentucky University is a community of shared academic values, foremost of which is a strong commitment to intellectual honesty, honorable conduct, and respect for others. In order to meet these values, students at Eastern Kentucky University are expected to adhere to the highest standards of academic integrity. When becoming a part of the University community, the student enjoys social, cultural, and educational opportunities. He or she also assumes the role of a citizen of the community and agrees to abide by the regulations and standards of conduct operative in the University community. The Office of Student Rights and Responsibilities provides a fair and impartial student judicial system for students, faculty and staff of Eastern Kentucky University.

The Office of Student Rights and Responsibilities will:

- Provide information to all students relating to the General Regulations for Student Behavior,
- Adjudicate all reports of alleged violations of the General Regulations for Student Behavior and the Policy for Academic Integrity in a consistent manner,
- Facilitate due process rights set forth by the University Handbook for Students, and
- Ensure fair and impartial hearings.

**Office of University Advising**

Mr. Benton Shirey, Director  
Whitlock Building 347  
(859) 622-2264

All undergraduate students are assigned an academic advisor through the Office of University Advising. Designated departmental faculty and college staff serve as advisors to students with declared majors. Staff advisors in the University Advising Office serve as advisors for students seeking an Associate of General Studies degree, for exploratory students, and for students with developmental needs.

Academic advising is a dialogue between student and advisor to promote responsible and appropriate choices and facilitate a successful academic experience. The Office of University Advising collaborates with students, faculty, and staff across campus to develop a meaningful academic plan tailored to a student’s needs and goals. University Advising serves students, faculty, and staff by:

- Providing year-round academic advising and student support
- Providing advising tools and referring students to appropriate campus resources.
- Facilitating the Early Alert Program to identify at-risk students.
- Providing customized academic planning and advising to at-risk and exploratory students and students experiencing academic difficulty.
- Assisting with academic recovery for students.
- Assisting in the withdrawal process for students.
- Collaborating with the Counseling Center and the Center for Career and Co-op to assist student in clarifying educational, career, and life goals.
- Collaborating with Center for Career and Co-op and Career Services to facilitate the major exploration process.
- Coordinating campus-wide advising functions through Eastern Academic Retention Network (EARN) meetings and the Undergraduate Advising Committee.
- Coordinating advising resources for the Summer Orientation Program in conjunction with the Office of First Year Programs and the Registrar.

For more information visit the University Advising website at www.advising.eku.edu or call (859) 622-2276.

GENERAL ACADEMIC INFORMATION

Student success is an EKU priority. The General Academic Information section provides students with key information to help them succeed on the path toward completing a degree. All students should become familiar with the General Academic Information section of the Catalog as well as specific college and departmental program requirements. Being unaware of these regulations and requirements does not exempt a student from complying with the requirements.

APPLIED CRITICAL AND CREATIVE THINKING (ACCT)

The ACCT is a program-directed University baccalaureate degree graduation requirement intended to showcase the unique experiential and applied components of all undergraduate degrees at EKU. The goal of the ACCT is to ensure that students integrate into their degree program experiences and/or courses that demonstrate applied critical and creative thinking skills. Any course or experience used to meet this requirement may also be used to satisfy program requirements. Options to satisfy this requirement vary by degree program and will be determined by the program. The ACCT experience is expected to be at least a 3 credit hour course, or an experience that requires equivalent effort. Students should refer to the program requirements for their majors, as listed in this Catalog, or listed on their DegreeWorks degree audit, for specific information on the ACCT requirement.

ACADEMIC BANKRUPTCY

Academic Bankruptcy of EKU Work

Academic bankruptcy allows undergraduate students who are returning to Eastern Kentucky University after remaining out for an extended period of time to remove from their GPA a portion of the work attempted during prior college enrollment(s). EKU offers this option of academic renewal because it recognizes that some students fail to perform satisfactorily due to immaturity or to other factors that interfere with their academic performance.

Students considering academic bankruptcy should make careful note of the following policy conditions:

(a) The student must not have attended Eastern Kentucky University or any other institution of higher education for a period of at least two consecutive years sometime after attempting work to be bankrupted.

(b) The student must be currently enrolled as a degree-seeking student at EKU.

(c) The student must not have previously declared bankruptcy of EKU work. Bankruptcy can only be declared once.

(d) Only semesters where the term GPA is below 2.0 will be considered for bankruptcy.

(e) Within eligible terms (see d. above), only courses with grades of “D” or “F,” or the equivalent, may be bankrupted.

(f) During his/her first semester after being readmitted a student requesting bankruptcy must attain a minimum of 2.0 term GPA. The student must earn no grade lower than a “C” on at least 12 hours of 100-level (or higher) EKU coursework, and pass any college readiness courses. All courses and grades, including repeated courses, will be counted in the qualifying term GPA. (*If it takes more than one semester to complete the necessary 12 credit hours, the student must maintain a consistent 2.0 term GPA since being readmitted.) For the purpose of determining bankruptcy a grade of “S” is acceptable.

(g) A student who does not enroll in 12 credit hours of 100-level or higher coursework during his or her first term back at EKU will have his/her enrollment in the subsequent semester combined with that of the first to determine bankruptcy. All academic work attempted in the term that includes the twelfth credit hour is affected by the above grade restrictions.

(h) Before formally requesting consideration for bankruptcy, the student must confer with bankruptcy experts in the Registrar’s Office to determine which semesters may qualify for bankruptcy and what the impact to the student’s GPA will be. The student will then complete and sign the Academic Bankruptcy form.

If bankruptcy is granted the bankrupted class(es):

• Will remain visible on the transcript, but with a “$” designation.

• Will not count as earned hours, they will no longer contribute toward degree progression. (Note that Financial Aid will continue to count bankrupted hours as attempted hours.)

• Will be included in the separate GPA calculation which is done when determining graduation honors.

• Will be prevented by DegreeWorks from meeting any degree requirements (including the 42 hour upper division requirement). However, the dean of the college of the student’s major may waive major, supporting, and general education requirements met by bankrupted courses in which the student received at least a “C” or higher grade. Note that this does not add back any credit hours from bankrupted courses, the student will be required to substitute enough elective courses to obtain the minimum number of credit hours required to graduate.

TRANSFER STUDENTS

Academic Bankruptcy of Transferred Work

Academic bankruptcy of transfer coursework undergraduate students who have been out of higher education for an extended period to void a portion of their earlier work attempted at other institutions. EKU offers this option because it recognizes that some students fail to perform satisfactorily due to immaturity or to other factors that interfere with their academic performance.

To qualify for transfer bankruptcy, a student must meet the following conditions:
(a) The student must not have attended Eastern Kentucky University or any other institution of higher education for a period of at least two consecutive years sometime after attempting the work to be bankrupted.

(b) Students may request to bankrupt any or all semesters of prior work. However, all EKU bankruptcy restrictions and rules listed in the general academic bankruptcy section of this catalog apply.

(c) After being readmitted, the student must attain a minimum of a 2.0 GPA with no grade lower than a “C” on at least 12 hours of college-level (i.e., 100 or above) EKU courses and pass any attempted college readiness courses. All courses and grades, including repeated courses, will be counted when determining eligibility for academic renewal. A grade of “S” is also acceptable for meeting academic renewal. All work attempted in the academic term that includes the twelfth hour is affected by these grade restrictions.

(d) The student must submit a completed Academic Bankruptcy request form to the Office of the Registrar. All students are strongly encouraged to meet with a bankruptcy expert in the Registrar’s Office. Together, they will identify the transfer institutions from which work is to be bankrupted, as well as the specific semesters that are to be bankrupted. Students may request to bankrupt any or all semesters of prior work, but all work from a given semester will be bankrupted if the student requests to bankrupt that semester and if the request is approved. The student may not have previously declared transfer bankruptcy at EKU.

(e) Any academic work earned before completion of a baccalaureate degree is not eligible for bankruptcy once the degree has been awarded.

(f) The student must be currently enrolled as a degree-seeking student at EKU.

(g) If transfer bankruptcy is granted, the bankrupted work will remain on the transcript; but it will not be counted in the student’s GPA and will not count toward degree requirements, including the upper division hours requirement. However, the dean of the college in which the student is enrolled may waive major, supporting, and general education requirements met by bankrupted courses while requiring the student to substitute enough elective courses to obtain the minimum number of credit hours required to graduate.

(h) Grades for course work approved for academic bankruptcy will be included in the separate GPA calculation performed to determine students who will graduate with Latin Honors.

(i) Transfer students who have participated in academic bankruptcy (or academic renewal) at a previous institution, and have not yet earned a baccalaureate degree, may have the affected transfer coursework brought into EKU as it was recorded by the previous institution, or instead have the course work applied through EKU’s academic bankruptcy policy - whichever results in a more favorable outcome for the student.

**ACADEMIC INTEGRITY**

EKU students are expected to adhere to the highest standards of academic integrity. Students who are found guilty of academic dishonesty will be sanctioned in a manner that is appropriate to the infraction. Sanctions may range from receiving a failing grade on the assignment to being assigned a failing grade in the course. Stronger sanctions are possible in the event a case is assigned to the Student Disciplinary Council. Students who are assigned a grade of “F” or “FX” in a course due to academic dishonesty will not be permitted to withdraw from the course.

For a full description of academic dishonesty, including plagiarism, cheating, and fabrication, refer to the section entitled Academic Integrity Policy in the University Handbook for Students.

**ACADEMIC READINESS**

The Developmental Education and College Readiness Program at Eastern Kentucky University helps students achieve academic success in college-level courses by developing or enhancing skill level proficiencies in the areas of reading, writing, and mathematics. Proficiencies in these areas are measured by student performance on the ACT, SAT, and EKU placement tests. In addition, students may earn developmental proficiency in English composition, reading, or mathematics via COMPASS scores, or via KYOTE (KentuckY Online TEsting) scores. Students needing additional preparation, identified through testing, are required to enroll in college readiness or developmental education coursework. College readiness is defined by minimum ACT subscores of 18 in English, 19 in mathematics, and 20 in reading. Developmental Education and College Readiness courses offered at Eastern Kentucky University include:

- ENG 090 Basic Writing
- ENG 095 Developmental Composition
- ENR 090 Developmental Reading I
- ENR 095 Developmental Reading II
- ENG 101 Reading, Writing and Rhetoric.
- ENG 101R Reading, Writing and Rhetoric (Supported)
- ENR 116 Strategies for College Reading
- MAT 090A, 090B, 090C Prealgebra
- MAT 095A, 095B, 095C Developmental Algebra I
- MAT 098 Algebra II

Each zero-level developmental course is, or has modules which add up to, three-hours of institutional credit. The credit hours for courses beginning with a zero course number, like 090, 095, or 098, do not apply toward graduation but do count toward enrollment status for purposes of financial aid eligibility and full-time student status.

Note: Students take MAT098 to prepare for MAT107. MAT098 is not required of students needing to meet developmental mathematics requirements. MAT 098 is not a developmental class; however, it is a zero-level course and therefore does not count toward graduation.

Students transferring to Eastern Kentucky University with an Associate of Arts, Associate of Science, Associate of Applied Sciences, and Associate of Science in Nursing degree, or equivalent will be considered proficient in the three basic skill areas of English (writing), mathematics, and reading. Please see Section Six of this Catalog for descriptions of these courses.

**Developmental and College Readiness Enrollment and Completion Requirements & Developmental Dismissal**

Following are the policies concerning developmental enrollment...
and completion requirements for degree seeking students:

1) All full- or part-time students with developmental needs in two or more areas are required to take GSD 101: Foundations of Learning in the first semester of enrollment.

2) All full-time students, including transfer students, with developmental level college reading requirements as identified by the ACT, SAT, COMPASS, KYOTE, or EKU placement testing are required to enroll in the specified developmental course(s) during their first and each subsequent semester of enrollment, until all developmental requirements are completed, excluding the summer semester.

3) Part-time students, including transfer students, are required to enroll in any needed developmental course(s) during their first and each subsequent semester, until the developmental requirement is fulfilled. Completion of developmental coursework takes precedence over attempting coursework which carries academic credit, other than GSD 101 or other required Student Success Seminars.

4) Students with developmental requirements are allowed a maximum of two consecutive terms of University enrollment per developmental course, excluding summer, to successfully complete each required course.

5) Students who failed to demonstrate continuous, progressive enrollment in required developmental courses will have a registration hold placed on their record. These students are required to meet with the Director of Academic Readiness to establish an academic plan toward completion of college readiness.

6) Withdrawal from a developmental course counts as one semester of University enrollment toward the attempted completion of developmental requirements.

7) Each semester of enrollment at the University counts as an attempt toward completion of a developmental requirement, even if a student has not enrolled in the needed developmental course.

8) Students with developmental requirements must complete all required developmental courses by the end of the term in which they attempt their 45th credit hour, including developmental hours. Students not completing all developmental requirements within 45 hours will be Developmentally Dismissed.

9) MAT 095 students who are unable to pass Module A after four attempts (four blocks) may be required to take MAT 090 (Modules A, B, and C) before attempting MAT 095 again.

**Grades in College Readiness and Developmental Courses**

- Developmental course grades are not included in the calculation of GPAs.
- Developmental course grades include the grades “A,” “B,” “C,” and “F.” There are no course grades of “D” in developmental courses or ENG 101R.
- 100-level college readiness courses with normal grading do count in the calculation of the GPA as free electives or general education courses that count toward degree completion (as appropriate)

**SUCCESS FIRST INITIATIVE**

The Success First Initiative grants admission to students who may face challenges as new or returning students as indicated by their established academic record. This program applies to the following students:

- New first-time students (including transfers with less than 24 college credits) with high school GPAs between 2.0 and 2.49 (unweighted on a 4.0 scale) and ACT Composite scores between 15 to 19 or SAT equivalent.
- Readmitted students with an EKU GPA of between 1.0 and 1.99
- Veterans admitted through the Veterans Bridge to College Success (VBCS) program.
- New first-time freshmen admitted through the Eastern Bridge program.

The Success First Initiative is administered through a variety of programs across campus. Success First students work closely with their assigned advisors to achieve the following:

- Sign a Student Success Agreement that acknowledges the expectations and conditions for participation in the program and for continued enrollment at the University.
- Enroll in and complete all developmental course requirements in the appropriate sequence during their first academic year. Obtain a minimum grade of “C” in all developmental coursework and pass each developmental course within two attempts.
- Meet with the assigned academic advisor each semester before registering for classes and enroll in courses only as agreed upon during this consultation. Note: Success First students must consult with their advisor before making any further schedule changes, especially before dropping a course.
- Achieve satisfactory academic progress (SAP) in order to retain financial aid.

Success First students who drop below a 2.0 GPA are subject to university-wide rules for minimal academic standards (see page 43). All Success First students will be placed in the Associate of General Studies (AGS) program until they obtain 30 college-level credit hours and demonstrate satisfactory academic performance, which is defined as two consecutive semesters with a term GPA of 2.0 or above and satisfactory completion of all developmental coursework.

**Eastern Bridge**

Eastern Bridge is a transition-to-college program designed to support the academic success of students entering the University with one or more college readiness needs in English composition, mathematics, and/or reading or entering the University with a high school GPA less than 2.49.

Eastern Bridge Students are required to:

- Work with the program coordinator to enroll in needed developmental education courses. Course placement will be based on ACT, SAT, COMPASS, or KYOTE test scores.
- Enroll in needed developmental education courses during the first semester & subsequent spring and fall semesters of enrollment until all needs are remediated. (Students not completing developmental coursework within 45 attempted hours of enrollment will receive a Developmental Dismissal.)
- Attend tutoring and other academic enrichment activities as directed by the Eastern Bridge program coordinator and the assigned academic advisor.
- Maintain a minimum college GPA of 2.0.
- Refrain from declaring a major during the freshman year. However, Bridge students may take entry-level major-area courses when possible or appropriate.
Academic Restrictions for Students with Developmental Requirements

- New first-time freshmen with college readiness needs in two or more developmental areas (English composition, reading, or mathematics) will be enrolled in the Associate of General Studies Degree program. The Office of Academic Advising will assist these students in creating linkages to departments of academic interest.
- Students affected by the above policy who would be rendered ineligible for specific scholarship opportunities, or who would be denied entrance into academic programs with proven student retention success, may petition for permission to declare a baccalaureate degree program. Letters of petition should be sent to the EKU Office of the Registrar after the student has been admitted into EKU.
- Students with two or more developmental area requirements are permitted to enroll in up to 16 hours of University coursework. Advisors should work closely with these students to ensure that students have (a) taken EKU placement tests before registering to ensure correct placement in 090- and 095-level courses; (b) received information on available tutoring and student support services; and (c) utilized the Academic Planner in DegreeWorks to prepare a progress-to-degree course map for completing required general education and major area courses.

Note: Students successfully completing 090-level courses should take EKU placement tests in an attempt to test out of 095-level courses.
- Students enrolled in any MAT 090 section (Prealgebra) cannot enroll in any course with the following prefixes: AST, BIO, CHE, CIS, CNM, CSC, FOR, GLY, NAT, PHY, SCI, or STA.
- Students enrolled in ENR 090 or ENR 095 may be restricted in course registration based on academic department course prerequisites.
- MAT 095 students who are unable to pass Module A after four attempts (four blocks) may be required to take MAT 090 (Modules A, B, and C) before attempting MAT 095 again.

ACADEMIC STANDARDS

Academic Achievement Awards and Recognitions

Dean's List: The dean’s list is one of several ways in which the University recognizes students who achieve academic excellence. The dean’s list is published after each regular (fall/spring) semester. Eligibility requirements for the dean’s list are as follows:

<table>
<thead>
<tr>
<th>Hours Attempted with Regular Grading</th>
<th>Minimum Term GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>12</td>
<td>3.75</td>
</tr>
<tr>
<td>13</td>
<td>3.65</td>
</tr>
<tr>
<td>14 or more</td>
<td>3.50</td>
</tr>
</tbody>
</table>

Students attempting fewer than 12 semester hours under the regular grading system are not eligible for the dean’s list. Courses below the 100 level will not be counted in determining eligibility for the Dean’s List.

Dean’s Award: As a further recognition of academic excellence, the University presents the Dean’s Award to students who have achieved the Dean’s List and/or the President’s Award (see below) three times. Students receiving the Dean’s award are presented with a recognition pin by the appropriate academic dean.

President’s Award: The highest recognition of academic achievement for a regular semester (fall/spring) is the President’s Award. This award is given to students who complete a full time course load during a regular semester (fall/spring), with normal grading (excluding developmental coursework), and who attain a 4.0 grade point average for that semester. Students receiving the President’s Award receive a letter of recognition from the President. In addition, the division of Public Relations and Marketing distributes the names of the recipients to appropriate news media, including their hometown newspaper.

Good Academic Standing

For the purposes of transferability, a student is considered to be in good academic standing at Eastern Kentucky University when that student maintains a grade point average that permits the student to re-enroll in the institution on a full-time basis and in the duly designated academic program.

Minimum Academic Standards

Satisfactory Progress: Degree-seeking students shall be considered as making satisfactory progress so long as they remain in good academic standing (2.0 cumulative GPA) and enroll in courses required or allowed in their chosen academic program.

Students having difficulty meeting academic standards are strongly advised to reduce or eliminate part-time jobs and other extracurricular activities which may detract from their studies, or to reduce the number of hours for which they are enrolled. To make timely progress toward degree students are expected to earn at least 15 credit hours per fall/spring semester.

Good Academic Standing: Students are expected to maintain at least a 2.0 cumulative grade point average (GPA) while enrolled at EKU. The actions described below pertain to students whose cumulative GPA falls below 2.0. Once a student’s cumulative GPA returns to 2.0 or above, he/she is once again in good academic standing.

Academic Probation: Students who earn a cumulative GPA of less than 2.0 will be placed on Academic Probation after the close of that semester. While on academic probation, students may not enroll in more than 13 credit hours in either fall or spring terms or more than a total of six hours during a full (12-week) summer term. Students who are on Academic Probation and cease continuous enrollment, and subsequently wish to return to the institution, must apply for readmission and will be held to those readmission criteria (please refer to the Requirements for Readmission section of the Catalog).

Intervention for New First-Time Freshmen on Probation: Because a student’s academic performance in his/her first semester at EKU is predictive of overall success and graduation, EKU is increasing the support given to students whose GPA is less than 2.0 at the end of the first semester. New first-time freshmen whose GPA is less than 2.0 will be required to participate in prescribed intervention strategies and will be placed on First Semester Probation, with a requirement of earning a 2.0 or higher term GPA in the second semester to prevent academic suspension.

Academic Suspension: At the end of a semester on academic
prohibited, students must have earned a semester GPA of at least 2.0 or raised their cumulative GPA to 2.0. Students not meeting the semester or cumulative GPA requirement will be placed on academic suspension. Students may not enroll in classes at EKU while academically suspended. Students who are academically suspended for the first time may not enroll in classes at EKU for one full semester (summer is counted with the next fall semester if a student is academically suspended at the end of the spring term). Students may be academically suspended up to three times during their academic career at EKU. The second academic suspension is for one calendar year and a third academic suspension is for two calendar years. An academically suspended student will return to EKU on academic probation if his/her cumulative GPA is less than 2.0 at the time of his/her return. Previously suspended students are subject to EKU requirements for readmission (please refer to the Requirements for Readmission section of the Catalog).

Academic Dismissal: Students who have been academically suspended three times must maintain a semester GPA of 2.0 or better each semester after they return. Students who have been academically suspended three times, and after returning are unable to maintain a semester GPA of 2.0, will be academically dismissed from EKU for a period of five calendar years and are subject to EKU requirements for readmission (please refer to the Requirements for Readmission section of the Catalog).

Attending Another School While Suspended or Dismissed: During the time a student is academically suspended or dismissed from EKU, course work earned at another regionally accredited college or university will be considered for transfer credit when the student returns to EKU. Students are responsible for requesting that an official transcript of any transfer course work be sent to the EKU Office of Admissions when they apply for readmission to EKU. Students should consult with their advisor or college for the applicability of course work taken at another institution to their degree program at EKU. In some circumstance acceptance of transfer work may be subject to requirements of prior approval by the department chair of the student’s major.

Appealing Academic Standing: Students may appeal an academic suspension if they believe that catastrophic circumstances beyond their control prevented them from being academically successful. They may appeal their academic suspension to the University Admissions Appeal Committee. For their petition to be considered, students must provide a written appeal with appropriate supporting documentation. Students may not appeal an academic dismissal.

First-Time Freshmen Mid-Term Grade Review Process

The first semester for first-time freshmen is pivotal to academic success and graduation. All first-time freshmen will have their mid-term grades reviewed by the Office of University Advising and the Registrar during their first semester at EKU. If all reported mid-term grades are F, FN, U, or UN (indicating non-attendance and/or failure to meet course requirements) the student will be required to participate in an intervention program that includes the following:

- a study skills workshop
- a student success agreement
- a registration hold
- students will be moved from a baccalaureate program into the Associate of General Studies major until they have earned a 2.0 GPA

First semester new students who fail to attend the required workshop, fail to respond to communication from the University, and/or to comply with their success agreement will be academically suspended at the end of the semester. First-time students who cease participation in courses during their first semester at EKU, and as a result are failing all classes at midterm, will be considered to have withdrawn from the University. Accordingly, these withdrawn students will have any future course registration cancelled and their student record inactivated.

CERTIFICATES

EKU University-Awarded Certificate

At EKU a long-term certificate program that requires at least one year to complete and results in the awarding of a certificate is called a university certificate. Undergraduate-level university certificates require 24 or more hours, while graduate-level university certificates require 18 or more hours. University certificates are issued by the University and printed on diploma stock. University certificates are automatically recorded on student transcripts. Students who complete a university certificate must apply for graduation at the dean’s office of the college offering the university certificate, and pay applicable fees to cover certificate processing and mailing costs. University certificates are not awarded at the Commencement ceremony and certificate-only earners do not participate in Commencement.

EKU Department-Awarded Certificate

A short-term certificate program that requires less than one year to complete and results in the awarding of a certificate is considered a department/college certificate. Undergraduate department/college certificates require 12-23 hours. Graduate-level department/college certificates require 12-17 hours. Department/college certificates are issued by the academic department or college; the student does not formally apply for graduation and no processing fee is required. Department/college certificates may be noted on student transcripts at the request of the department/college. Department/college certificates are not awarded at the Commencement ceremony.

CLASS ATTENDANCE

The University expects all students to be officially registered before the end of the add/drop period for each course, and to attend all class meetings. Research shows that students who regularly attend class are more likely to succeed. EKU students are responsible for course work covered during all class periods, specifically any work missed during any absence from class, including the first class meeting. Each instructor will record absences and deal with them in a manner consistent with departmental policy for that course. Since attendance policies vary among departments and for courses within departments, students must be familiar with the policy printed on the course syllabus.

If a student presents the instructor with an adequate and documented reason for an absence, the instructor normally will give the student an opportunity to make up the work missed, if this is feasible. Adequate reasons involve circumstances beyond the student’s control, such as personal illness, critical illness, or death in the immediate family, or participation in an approved University activity. No absence of any nature will be construed as relieving the student from responsibility for the timely completion of all work assigned by the instructor. Initiating the request to make up...
class work is the student’s responsibility.

**Absence from Class Due to Participation in an EKU Sponsored Event:** A student who participates in an EKU sponsored event should complete and process a Student Absence from Class form before the sponsored event. This form explains the student’s absence, it does not excuse the student from responsibility for content covered during the approved absence.

**First Day of Class Attendance:** This process is designed to ensure clear reinforcement of the message that class attendance at EKU is important. Faculty are expected by the University to drop a student for being absent on the first day of class during the first week of the term. Students who know they will be absent should contact their instructor or the academic department office PRIOR TO THE 1st CLASS MEETING to explain their absence and request that the instructor not drop them from the class. However, students are responsible for monitoring their class schedule and should never assume that missing the first day of class will automatically result in removal from that class. A student who never attends a class but remains enrolled will receive a failing grade in the course.

**CLASSIFICATION OF STUDENTS**

A student’s classification is determined by the number of semester hours earned, as follows:

- Freshman — 0 - 29 semester hours earned
- Sophomore — 30 - 59 semester hours earned
- Junior — 60 - 89 semester hours earned
- Senior — 90 or more semester hours earned

**GRADUATION & COMMENCEMENT INFORMATION**

**Application for Graduation**

EKU is dedicated to all students making timely progress toward their desired degree. The EKU baccalaureate degree standard is a completion timeframe of 4 years for a 120 credit hour program. After declaring their desired baccalaureate degree program, students are expected to create a semester-by-semester degree pathway in the Degree Works academic planner, and to have this academic plan reviewed and approved by an advisor.

To make appropriate progress toward their degree, students are expected to earn at least 15 credit hours per term (or 30 hours per academic year) and take only those classes needed for their declared degree program as listed on their Degree Works planner. Students must be aware that changing majors is likely to prolong time toward degree, and they should make such changes only after serious discussion with an advisor or department or program chair (see Changing Major section of this catalog for more details). Due to specific program requirements, students who transfer into EKU with more than 60 hours may require more than two years at EKU to complete a baccalaureate degree.

**Applying for Graduation:**

**90th hour Pre-Graduation Review**

**Required Graduation Application and Evaluation**

To assist students with completing their degree on schedule, EKU professional advisors/graduation experts will review the student’s academic progress and Degree Works graduation plan to determine the earliest, reasonable graduation semester.

Baccalaureate degree seeking students will apply for graduation, and thus trigger this official graduation evaluation, during the semester in which they enroll in their 90th credit hour. The timing of this pre-graduation review is designed to be early enough to allow students to make any needed changes and avoid a graduation delay. Once evaluation has been triggered, a registration hold will be placed on the student’s record pending submission of their graduation application. This hold is lifted automatically after the student submits a graduation application, online, through EKUDirect.

Each degree and University certificate-seeking student shall apply for graduation using the online graduation application located within each student’s EKUDirect secure student services account. At the time of application each student shall have created, and have approved by an advisor, a Degree Works academic plan for every semester up through the proposed graduation term.

During the graduation evaluation the student’s current registration and Degree Works plan for future terms will be examined – to determine whether the student is on-track and efficiently headed toward graduation. The student will be informed if he or she cannot meet the graduation goal declared on the graduation application, advised how to get back on-track, and given a new graduation timetable.

Results from the graduation evaluation will be documented on the student’s Degree Works. Students will receive reminders when it is time to apply for graduation and initiate the graduation evaluation. Students are expected to heed warnings and follow any instructions posted on their Degree Works audit as a result of this official graduation evaluation. Students who apply to graduate without having the appropriate academic plan in Degree Works will be expected to submit the plan before being evaluated and before registering for the next semester.

Each student’s degree will be awarded by the University at the first opportunity to do so upon completion of requirements for the student’s declared program, per the student’s graduation application. Students are expected to earn their baccalaureate degree no later than 6 years after initial matriculation as a first-time degree-seeking student.

Final graduation clearance, degree certification on behalf of the University, and production of diplomas is completed by the Office of the Registrar.

**Changing Major after Applying to Graduate**

After applying to graduate and having a graduation semester confirmed by the University, students are expected to maintain their declared program of study, and thus graduate on schedule. Each student is expected to carefully review how any proposed change to a declared program of study would impact his or her approved graduation timetable and future financial assistance, if relevant. Given the gravity of such changes, only in extreme situations and after careful consultations with the student’s professional advisor and/or written permission from a graduation situation and after careful consultations with the student’s professional advisor and/or written permission from a graduation evaluator would a change that would delay graduation be considered.

**Deferral of Graduation Date**

Students who are not successful in completing all graduation requirements by their approved graduation date, but for whom the University determines the graduation goal is still easily within reach, will have their graduation term automatically deferred to the next semester. Students can have their graduation deferred for a maximum of two sequential semesters. After that time the original graduation application will be cancelled and the student will be required to submit a new application for graduation, pay a new
application fee, and have a revised Degree Works graduation plan approved by the graduation evaluator.

**Commencement Participation**

Commencement ceremonies are conducted at the conclusion of the fall and spring semesters, prior to final grade processing. The Commencement ceremony represents a celebratory gathering of all degree candidates who are expected to complete their academic requirements by the official degree-conferral date as established by the University. Attendance at Commencement is optional. Participation in the Commencement ceremony does not represent confirmation of degree completion ("graduation"). After final grades are processed and reviewed, degrees will be conferred. Students earning only a certificate, either university or departmental, do not receive caps and gowns and do not participate in the Commencement ceremony. For additional information regarding Commencement, please refer to the registrar’s Web site at www.registrar.eku.edu/graduationInformation/.

**Graduation Fee**

There is a graduation application fee for each diploma and/or university certificate sought; the appropriate fee is assessed to the student’s EKU account upon receipt of the graduation application. This graduation fee only partially offsets the cost of production and mailing of diplomas and certificates. The University absorbs cap, tassel, and gown costs for degree-earners who participate in the Commencement ceremony. Only students who are participating at Commencement receive complimentary regalia. Complimentary regalia will not be mailed to students who graduate but choose not to walk at Commencement. Refer to the Graduation Information website for more details regarding graduation fees and/or commencement.

**Degree Conferral Date**

The Board of Regents of Eastern Kentucky University approves the conferring of degrees three times per year. These conferral dates represent confirmation that all degree and/or university certificate requirements have been met by that date. The formal conferral date is posted to the student’s academic transcript and is the date printed on the diploma and certificate. Below are the EKU degree/certificate conferral dates:

<table>
<thead>
<tr>
<th>Semester</th>
<th>Conferral Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall</td>
<td>December 31</td>
</tr>
<tr>
<td>Spring</td>
<td>May 31</td>
</tr>
<tr>
<td>Summer</td>
<td>Date that summer term final grades are due to the Registrar’s Office, (usually during the first week of August).</td>
</tr>
</tbody>
</table>

For information see the Graduation Information website at: www.registrar.eku.edu/GraduationInformation/diplomas/

**Diploma and University Certificate Production**

Diplomas and University Certificates are produced in-house and are mailed to students after confirmation of degree completion. The graduation confirmation process takes several weeks to complete. Therefore, students should expect to receive their diploma 6-9 weeks after the end of finals week.

**Associate Degree Honors**

**With Distinction and With High Distinction**

Students earning an Associate Degree are graduated “With Distinction” if they attain a cumulative GPA of at least 3.5, but less than 3.7, on all semester hours transferred to and attempted at Eastern Kentucky University and if they complete a minimum of 32 semester hours at Eastern Kentucky University.

For purposes of honors recognition, all semester hours transferred to and attempted at Eastern Kentucky University - including those which are subsequently repeated or bankrupted - shall be included when calculating the GPA used to award academic honors. Because of timing, honors GPA calculations (solely for the purpose of recognition at the commencement ceremony) can not include the final semester’s course work. In-progress hours will be used to attempt to meet the 32 semester hours at Eastern Kentucky University requirement. Calculations for the permanent designation of honors on the diploma and transcript will include the final semester grades.

**Baccalaureate Degree Honors**

**Latin Honors: Cum Laude, Magna Cum Laude, Summa Cum Laude**

Eastern Kentucky University recognizes graduating baccalaureate degree students who have achieved distinguished academic records by awarding their degree with Latin Honors. There are three levels of Latin Honors: Cum laude (“with praise”), Magna Cum laude (“with great praise”), and Summa Cum laude (“with highest praise”). All students earning Latin honors must take at least 25% their of degree applicable course work at Eastern Kentucky University.

All semester hours transferred to and attempted at Eastern Kentucky University (including those which are subsequently repeated or bankrupted) will be used in calculating each Latin Honor grade point average (GPA). Latin honors GPA calculation— for purposes of designating which students may wear a Latin Honors sash at the graduation commencement ceremony—does not include the final semester’s course work as these calculations occur weeks before the term has finished. Once a student’s final semester has concluded and final grades are available, these grades will be included in the calculations to award the permanent designation of Latin Honors on a student’s diploma and transcript.

**Cum Laude:** Students earning Cum Laude must attain at least a cumulative GPA of at least 3.5, but less than a 3.7, on all semester hours transferred to and attempted at Eastern Kentucky University. Additionally, a minimum of 25% of all degree applicable course work must be taken at Eastern Kentucky University.

**Magna Cum Laude:** Students earning Magna Cum Laude must attain at least a cumulative GPA of at least 3.7, but less than a 3.9, on all semester hours transferred to and attempted at Eastern Kentucky University. Additionally, a minimum of 25% of all degree applicable course work must be taken at Eastern Kentucky University.

**Summa Cum Laude:** Students earning Summa Cum laude must attain at least a cumulative GPA of at least 3.9, or higher, on all semester hours transferred to and attempted at Eastern Kentucky University. Additionally, a minimum of 25% of all degree applicable course work must be taken at Eastern Kentucky University.
all comprehensive and program requirements for an undergraduate degree from this University, and graduate with a cumulative GPA of at least 3.0. Honors Scholars are designated at commencement with a maroon mortarboard.

**Center for Admission, Recruitment and Educational Services**

**CARES**

All students seeking initial teacher certification, regardless of the college in which they are enrolled, must meet the requirements for admission to professional education, complete an approved teaching curriculum, and pass the required PRAXIS tests as determined by the major/minor to be recommended for certification. For specific information regarding teacher certification requirements, please refer to page 207 of the catalog.

Eastern Kentucky University awards baccalaureate degrees, but it is the Education Professional Standards Board (EPSB) for Kentucky that is responsible for issuing teacher certification. The Center for Admission, Recruitment and Educational Services (CARES) sends certification recommendations to EPSB.

**COURSE TYPES**

**Course by Special Arrangement**

A Course by Special Arrangement (CBSA) is a course that is part of an approved curriculum program but is being offered to a student during a term or at a time when circumstances prevent the course from being a part of the department’s regular class schedule. A CBSA should be employed only in cases of extreme scheduling conflict when no substitution is appropriate or available. Prior to registration, students must file the CBSA Petition. This petition requires the signature/approval of the instructor, program chair, and dean. An additional $100 per semester hour fee is assessed in addition to regular tuition and fees. Faculty are compensated at $100 per semester hour. An independent study course cannot be a Course by Special Arrangement.

**Independent Study Course**

Independent study courses, which are distinct from Course by Special Arrangement and special topics courses, are designed to provide an opportunity for a student to pursue a research/study interest not available through any of the courses offered in a program at EKU. Independent study courses must be under the supervision/direction of a faculty member with appropriate qualifications for the course content and must be guided by an approved research or project plan. Independent study courses must follow the prescribed Independent Study protocol and be approved in advance of enrollment. The independent study course must be appropriately designated as such in the Catalog. Independent study courses should not be used as a mechanism to teach a course not offered in a given semester or as a substitution for program requirements, though they may, with appropriate approval, fulfill such requirements. Independent study courses are not intended to be a mechanism for enrolling in a course for which a student would otherwise be ineligible. Tuition and fees for independent study courses are computed at the same rate as other regular on-campus courses.

---

**Service Learning**

Courses that have been officially recognized as including service-learning within their curriculum are designated with the letter “S” following the course title and number. Service-learning is defined as:

- An academic experiential educational method in which students participate in an organized service activity that meets identified community needs and reflects on the service activity in such a way as to:
  - gain further understanding of course content,
  - develop critical thinking skills, and
  - develop an enhanced sense of civic responsibility

Students will be required to participate in at least 5 hours of community service per credit hour of course credit.

**Special Topics Courses**

Special topics courses are designed to offer the opportunity for students to study specialized areas within a discipline. These courses are created with normal class enrollment expectations. The topic of study is designated by the course section title, and may or may not vary with each offering. Students may repeat a special topics course (for the purpose of earning additional course credit) only if the specific course title is different with each subsequent enrollment.

**Student Success Seminars**

Every student seeking a baccalaureate degree must complete a 1-3 credit Student Success Seminar. (This requirement may be waived for transfer students with 30 or more credits.)

1. Student will have a practical understanding of General Education and their academic options at EKU.
2. Students will be able to identify academic resources and support services important for academic success.

**DECLARING A PROGRAM OF STUDY**

**Changing Major/Minor/Concentration**

Because changing majors generally lengthens students’ time to degree, students are limited to changing their major only one time per year.

Once a student has applied to graduate she/he is expected to follow her/his degree plan that has been certified by a college graduation expert.

Students may declare or change their currently declared major, minor, or concentration, after careful review and advisement by completing the appropriate form and obtaining the written approval of the department chair or advisor of their desired new program. (Read below regarding programs that have specific entrance requirements).

The “Declaration of Program of Study” form is available through www.forms.eku.edu, as well as the Registrar’s website.

When the requested change is received by the Registrar’s Office it will be processed, and a new advisor will be assigned by the Office of University Advising within 10 business days.

Students who request a change of major will be moved into the current program for the desired major, per the Catalog in force
at the time the request was received. The student will be subject to all program and University graduation requirements, including General Education, as listed in the current Catalog.

Some programs of study require specific admission criteria, and have a formalized admission process. These programs require a separate application for admission. Please refer to the program requirements section of this catalog to determine whether a program has a specific admissions processes or criteria.

When declaring a major, all degree-seeking students shall declare as a first major an EKU degree program, or a university certificate if that is the student’s only educational goal.

**DEGREE AUDIT**

DegreeWorks is a degree audit report available to students and advisors online via EKU Direct (student web and faculty web). It is an audit which shows the requirements for a student’s program and how completed and in-progress courses apply to that program. Students should contact their academic advisor if they have questions concerning degree requirements or their DegreeWorks report. Questions can also be emailed directly to the Degree Works programmers at reg.dgw@eku.edu

**Curriculum Guides—Academic Plans:** Curriculum guides for each program are printed in this catalog and part of the DegreeWorks Academic Planner. All students should create an academic plan in DegreeWorks, maintain and follow that plan. Completion of the program will vary according to student status (i.e. transfer students, developmental students) and student load each semester. To make timely progress toward a degree full-time students are expected to earn at least 15 credit hours per semester.

Colleges will make available to students through appropriate advising any additional non-curricular requirements that apply to the specified major.

**DEGREE INFORMATION AND REQUIREMENTS**

**EKU Academic Residency Requirement**

A minimum of 25% of coursework applied toward the completion of any major core requirements, minors, and/or EKU certificates must be earned at EKU.

**Catalog**

For all graduation requirements, including general education, students will be governed by the Catalog in use at the time they enter the University or declare a new major. Each student has a catalog year associated with their student record, designating the academic year for the Catalog dictating their program, General Education, and University graduation requirements. The catalog year for each student may be found on the student’s DegreeWorks degree audit. If in a subsequent year any graduation requirements change, students may elect to complete the later requirements by requesting the Registrar’s Office move them to the current Catalog. Students who stop out for more than two years will meet all graduation requirements in place at the time they reenroll. Students who stop out for fewer than two years may elect to be returned to the graduation requirements in place at the time they declared their major by submitting a request to the Registrar’s Office.

The above refers only to curricular requirements. With respect to policy requirements, all students are governed by current University policies that have been approved by appropriate University committees.

**Comprehensive Associate Degree Requirements**

To qualify for an associate degree, students must satisfy the following requirements:

1. Complete all requirements in the degree program as established by appropriate University committees.
2. Complete University academic requirements, including basic skills proficiencies in English, reading, and mathematics; and general education as established by appropriate University committees for each degree program.
3. Complete a minimum of 60 semester credit hours.
4. Earn a minimum grade point average (GPA) of 2.0 on all college-level work taken at Eastern Kentucky University. In addition, transfer students must earn a minimum GPA of 2.0 on the combined transfer work and Eastern Kentucky University work.
5. Earn a minimum of 15 semester hours through Eastern Kentucky University.
6. Earn the credits applicable to major and supporting degree requirements within eight years prior to the date the degree is awarded. Credits more than eight years old may be used to meet general education, upper division, and free elective areas. The college dean of a student’s major may validate individual eight-year-old (or older) coursework as meeting major and/or supporting requirements.
7. Students enrolled in MAT 090 are not permitted to enroll in any course with the following prefix: AST, BIO, CHE, CIS, CNM, CSC, FOR, GLY, NAT, PHY, SCI or STA.

Degree Requirement Notes:

*General Education Requirements for Associate Degrees: Students in associate degree programs must earn a minimum of 15 hours in courses approved for general education. These hours must include ENG 101 and ENG 102 or their equivalent. The nine additional hours must include one course in each of the following General Education Elements: 3A, 3B, or 3A/B (Arts and Humanities); 5A, or 5B (Social and Behavioral Sciences); and 2 (Mathematics), 4A (Life Science with Lab), or 4B (Physical Science with Lab).

**Comprehensive Baccalaureate Degree Requirements:**

To qualify for a baccalaureate degree, students must satisfy the following requirements:

1. Complete all requirements in the degree program as established by appropriate University committees.
2. Complete University academic requirements, as established by appropriate University committees for each degree program, that includes:
   A) Basic skills proficiencies in English, reading and mathematics.
   B) Student Success Seminar (or equivalent course) to be completed during a student’s first full-time semester at EKU,
   C) A writing-intensive course,
   D) One of the university approved Wellness courses,
   E) General Education, and
   F) The Applied Critical and Creative Thinking (ACCT) requirement.
3. Complete a minimum of 120 semester credit hours, with at least 42 hours at the 300 level or above.
4. Earn a minimum grade point average (GPA) of 2.0 on all college-level work taken at Eastern Kentucky University. In addition, transfer students must earn a minimum GPA of 2.0 on the combined transfer work and Eastern Kentucky University work.
University work.

5. Earn a minimum of 30 semester hours through EKU if the student is pursuing a 120 hour degree program. If the degree program sought requires greater than 120 semester hours, the minimum EKU residency credit shall be no less than 25% of the total program hours.

6. Earn the credits applicable to the major and supporting degree requirements within eight years prior to the date the degree is awarded. Credits more than eight years old may be used to meet general education, upper division and free elective requirements, as well as major requirements for the General Studies degree. The college dean of a student’s major may validate individual 8-year-old courses to count for non-General Studies major and supporting requirements.

Degree Requirement Notes:

a. Students enrolled in MAT 090 are not permitted to enroll in any course with the following prefix: AST, BIO, CHE, CIS, CMN, CSC, FOR, GLY, NAT, PHY, SCI or STA.

b. Transfer students with 30 or more hours will not be required to take the Student Success Seminar class.

c. General Education Requirements for Baccalaureate Degrees: The General Education Program consists of 36 hours of course work in six Elements: 1. Communication, 2. Mathematics, 3. Arts and Humanities, 4. Natural Sciences, 5. Social and Behavioral Sciences, and 6. Diversity of Perspectives and Experiences. Students must earn the specified number of hours in each of these course categories. See the General Education section in this Catalog for more detailed information about general education requirements.

d. Individual major programs decide which courses or experiences can be used to satisfy the ACCT requirement. Refer to program descriptions in Section 5 of this catalog for more information.

e. Hours Required for a Baccalaureate Degree: The University requires a minimum of 120 semester hours to earn a baccalaureate degree. In most cases this minimum is also the maximum. While there is no upper limit beyond 120 semester hours which may be set as a particular major program’s requirements, each program or program change is approved through the University’s committee system and any program requiring beyond 120 semester hours will require substantiation of additional requirements.

f. According to AACSB International business accreditation standards, students enrolled in University baccalaureate degree programs, other than those within the School of Business, will not receive credit toward their degrees for more than 25 percent of their undergraduate programs in credit hours in courses offered through the School of Business and/or business courses (courses commonly taught in school of business) transferred from other colleges and universities or taken from other units within Eastern Kentucky University.

Students who desire to take business courses are encouraged to enroll in the School of Business, will not receive credit toward their degrees for more than 25 percent of their undergraduate programs in credit hours in courses offered through the School of Business and/or business courses (courses commonly taught in school of business) transferred from other colleges and universities or taken from other units within Eastern Kentucky University.

Students having earned one degree, whether from Eastern Kentucky University or from another regionally accredited institution, may subsequently pursue an additional degree, either associate or baccalaureate, by completing all requirements of the subsequent degree, including major, supporting, and general education requirements. For students who earn their first degree at EKU, hours earned prior to the awarding of a student’s major may validate individual 8-year-old courses to count for non-General Studies major and supporting requirements.

DEGREE PROGRAM DEFINITIONS

A. Major (Baccalaureate): Thirty semester hours is the minimum requirement for a baccalaureate degree major. A course that meets a core program requirement for a major may also fulfill, at the same time, a University graduation requirement; with the exception that a course cannot be used to meet both a major core requirement and a general education area.

B. Concentrations (Baccalaureate): A concentration (synonymous with an option, emphasis, specialty or track) represents a collection of courses offering a student the opportunity to develop a focus within the broader area of their major program. There will be a common grouping of courses (a minimum of 21 semester hours) shared by the major core and its associated concentration. The concentration adds onto the major core an additional 12-18 semester hours of specified coursework to develop the desired expertise. Concentrations may, or may not, be a required component of the program of study. Deviations from the 12-18 hour concentration may be granted by the Council on Academic Affairs when unusual program requirements dictate.

C. Minor (Baccalaureate): Minors require a minimum of 18 semester hours. A list of specified courses may be added for students seeking a teaching certification extension in the minor. A student may not declare a minor with the same subject matter (course prefix) as his/her declared major program of study. The same course credit may be applied for both major core or supporting requirements and a student’s minor. A minor course that is a required part of major core cannot also be used to fulfill a general education requirement.

D. Supporting Courses: Supporting courses are courses that are outside the degree program that provide necessary skills or knowledge. A course cannot be listed as a supporting course if it is offered by the home department of the degree program, unless it is tied by prefix to a different degree program. Supporting courses that are approved as general education courses may be used to fulfill both supporting and general education requirements.

Concurrent (Dual Degrees) and Subsequent Degrees

Concurrent Degrees: A student may qualify to earn two degrees concurrently (dual degrees) by completing all requirements for both degrees, including major, supporting, and general education requirements. Courses used in one degree program may also be used in the other. The student has the responsibility to file a separate graduation application for each degree being sought. If the two degrees are in the same college, the student must file two applications in the office of the college dean. If they are different colleges, one application must be filed in each dean’s office. Please refer to the “Application for Graduation” section of this catalog for more details.

Concurrent Associate Degrees: If two 60 credit hour associate degrees are pursued concurrently, a minimum of 75 credit hours must be earned. If one or both of the associate degrees has program requirements in excess of 60 hours, the degree program with the highest number of required hours will be considered the student’s first associate degree, and the hours required to earn the second associate degree shall be 25% of the second program’s total hours.

Concurrent Baccalaureate Degrees: If two 120-credit-hour baccalaureate degrees are pursued concurrently, a minimum of 150 credit hours must be earned. If one or both of the baccalaureate degrees has program requirements exceeding 120 hours, the degree program with the highest number of required hours will be considered the student’s first baccalaureate degree, and the hours required to earn the second baccalaureate degree shall be 25% of the second program’s total hours.

Concurrent Baccalaureate and Associate Degree: The minimum number of hours required for concurrently earning an associate and a baccalaureate degree is the number required by the baccalaureate degree. Associate degree earners are expected to complete that degree prior to completion of their baccalaureate degree. Specifically, Associate of General Studies (AGS) seekers must declare, and earn, the AGS before graduating with any baccalaureate degree.

Subsequent Degrees: Students having earned one degree, either from Eastern Kentucky University or from another regionally accredited institution, may subsequently pursue an additional degree, either associate or baccalaureate, by completing all requirements of the subsequent degree, including major, supporting, and general education requirements. For students who earn their first degree at EKU, hours earned prior to the awarding
of a first baccalaureate or associate degree may be counted toward the minimum required to earn a subsequent baccalaureate or associate degree.

Students must earn at least 16 approved semester hours at EKU for an associate degree beyond those required for the earlier degree. A subsequent baccalaureate degree requires at least 32 approved hours earned at EKU beyond those required for the earlier degree.

Students who have completed a previous degree elsewhere and apply to Eastern Kentucky University, should have official transcripts from the institutions previously attended sent to Eastern Kentucky University’s Admissions Office.

Multiple Majors/Minors

Students pursuing baccalaureate degrees other than General Studies may consider more than one major and/or minor. All requirements for the declared major and/or minor must be completed by the time the initial degree is awarded. Associate degrees are not eligible for minors or second/multiple majors.

Students are required to declare a primary degree program (specific baccalaureate degree and first major). This program of study is that which will be recorded on the diploma, and which will determine the degree awarded by the University. A second or additional major represents a further emphasis of study and shall be designated on the student’s academic transcript. Earning a second or other major, however, is not to be considered as completion of an additional or distinct degree program.

Double Majors vs. Dual Degrees: A student pursuing one degree, but two major areas of study, is said to have a “double major”. To complete a double major the student must earn all hours required by the degree program of their first major plus any additional course(s) needed to fulfill only the major and supporting requirements of the second major. A student who fulfills all requirements for two complete degree programs, earning no fewer than 150 credit hours is said to be a “dual degree candidate”.

Students who wish to earn two baccalaureate degrees (dual degrees) should refer to the Concurrent Degree policy. Note that associate degrees are not eligible for minors or second/multiple majors.

Awarding Subsequent Majors/Minors: EKU does not award a subsequent major/minor/concentration after an initial degree is conferred unless the student completes a subsequent degree program. While multiple majors, minors and certificates earned by a student are formally posted to the student’s academic transcript, only the degree earned and one major will be printed on the diploma. Students interested in pursuing multiple majors, minors, certificates and/or concentrations should contact the Office of Academic Advising and Retention, a college advising office, or the department of interest for additional information.

ENROLLMENT AND CLASS SCHEDULE

Academic Load

Enrollment in Fall/Spring Terms: To make timely progress toward their degree, full-time students are expected to earn 15-16 credit hours each fall/spring semester or 30 credit hours per academic year (Fall/Spring/Summer). Full-time student status requires a minimum of 12 credit hours during a fall or spring term. Students carrying fewer than 12 credit hours are considered part time. A student who has established a superior record may be permitted to enroll for more than 18 hours by the dean of the college of the student’s first major. The absolute maximum load for an undergraduate student is 21 credit hours.

Enrollment in Summer Term: For enrollment verification and financial aid during the summer semester, an undergraduate student must be registered in at least 12 credit hours to be considered a full-time student. Enrolling in more than 12 credit hours is restricted to students who have established a superior academic record. Permission to enroll in more than 12 credit hours during the summer must be granted by the dean of the college of the student’s first major. The absolute maximum summer enrollment is 15 hours.

Financial Aid and Enrollment Verification: Please note that, for financial aid, enrollment verification, and loan consideration, full-time status requires a minimum of twelve semester hours in any academic term.

The limitations above apply to all enrollments or combinations of enrollments for the term specified, including campus classes, regional campus classes, online study, and enrollments at other institutions. The Registrar will not record credits beyond these maximums.

Note: Students who are not on good standing academically have lower maximum enrollment limits. Please refer to the section on Minimum Academic Standards.

Class Schedule Changes

Dropping a Class - 1st Week of Class: If students wish to add courses to their schedule, they must do so by the date published in the Colonel’s Compass for that term. If a student drops a course by the end of a term’s Schedule Change Period (add/drop), the course will not appear on the student’s grade report or transcript. Course drops are executed online through EKUDirect.

Withdrawing from a Class

See Withdrawal section on page 61.

Final Examinations

If a student is scheduled for more than three final examinations on the same day, the student may request, through the college dean, that the fourth examination be rescheduled.

First Day of Class Attendance

All instructors are expected to participate in the First Day Attendance-Faculty Drop process. For information regarding faculty dropping students for missing the first day of class, see Class Attendance section on page 45 of the Catalog.

Late Registration Fee

Students whose initial registration for the term does not occur until on or after the first day of class will be assessed a non-refundable $50 late registration fee.

GENERAL EDUCATION REQUIREMENTS

The mission of general education is to promote learning that is central to the intellectual pursuits associated with our educational programs and to enable students to make informed choices about matters of public and personal significance in a diverse, democratic society and global community. The general education program helps students to become informed, independent thinkers by...
developing competencies in communication, quantitative analysis, and critical thinking by helping them understand and appreciate the diversity of culture, individuals, the natural environment, and the global society. Courses that are used to satisfy the program’s Major Requirements cannot also be used to satisfy General Education requirements.

Some courses may be listed in more than one General Education category. However, no single course can be used to satisfy more than one General Education requirement.

Changing General Education Requirements
The following General Education program became effective fall 2012. Students in previous General Education programs may move forward to this catalog at any time. However, because the 2012 General Education program is highly integrated with new University requirements, (and a majority of programs have been revised accordingly), students moving into the newest catalog, as listed in this Catalog. Students will have one catalog year for any reason, will be held to the new General Education, and revised accordingly), students moving into the newest catalog, will impact their progress toward degree, students are expected to first run a “What-If” DegreeWorks audit and study the impact of a Catalog change. Once a student has moved forward to a new catalog year they cannot move back to a previous year.

NOTE: The courses listed award three hours of credit, unless a number appears in parentheses following the course name. This number represents the hours awarded for such courses. Courses with an “L” are laboratory classes and one credit hour unless otherwise noted. Course numbers followed by (^) have prerequisites or other restrictions on enrollment. Refer to Course Descriptions in Section 6 of this Catalog for specific restrictions.

SUMMARY CHECKLIST FOR GENERAL EDUCATION
Element 1: (9 hours)
A: Written Communication (3)
B: Written Communication (3)
C: Oral Communication (3)
Element 2: Mathematics (3 hours)
Element 3: (6 hours)
A: Arts (3)
B: Humanities (3)
Element 4: Natural Sciences (6 hours)
Element 5: (6 hours)
A: Historical Science (3)
B: Social & Behavioral Science (3)
Element 6: Diversity of Perspectives & Experiences (6 hours)
Total: 36 hours

Students are expected to complete Elements 1 and 2 within their first 60 hours of college credit.

1. Communication.

1A Written Communication. Three hours required.
ENG 101^ Reading, Writing and Rhetoric
ENG 101R^ Reading, Writing, Rhetoric (Supported)

1B Written Communication. Three hours required.
ENG 102^ Research, Writing and Rhetoric

NOTE: Students earning “A” or “B” in ENG 105 will earn six hours of credit, three hours of which will be applied to category IB, thus completing Elements 1A & 1B. Those earning “C” or “D” will earn three hours credit, completing only Element 1A, and will then take ENG 102.

1C Oral Communication. Three hours required.
CMS 100 Introduction to Human Communication
CMS 210 Public Speaking
EES 250 Basic Social Intelligence Skills

OR,
Honors Program Participants
1A & 1B &1C
HON 102/103^ Honors Rhetoric & Communication (9)

2. Mathematics. Three hours required.
MAT 105^ Mathematics with Applications
MAT 106^ Applied Finite Mathematics
MAT 107^ College Algebra
MAT 108^ Trigonometry
MAT 109^ Pre-calculus Mathematics (5)
MAT 124^ Calculus I (4)
MAT 124H^ Honors Calculus I (4)
MAT 211^ Calculus with Applications for Business and Economics
MAT 224^ Calculus II (4)
MAT 224H^ Honors Calculus II (4)

3A Arts. Three hours required.
ART 200^ Art Appreciation
BEM 350^ Cinema History I
BEM 351^ Cinema History II
ENG 335^ or 335W^ Modern Drama
HON 205W^ Honors Humanities I (Restricted to Honors Program Participants)
HON 304W^ Honors Seminar in Mathematical Sciences

3B Humanities. Three hours required.
AFA 201 or 201W^ The African Experience
APP 365^ or 365W^ Appalachian Literature
ENG 208W^ Literature and the Environment
ENG 210^ or 210W^ Enjoying Literature
ENG 211^ or 211W^ Survey of World Literature I
ENG 212^ or 212W^ Survey of World Literature II
ENG 365^ or 365W^ Appalachian Literature
FCC 210 Topics in Culture
FCC 220 French Culture and Civilization
FCC 222 German Culture and Civilization
FCC 226 Hispanic Culture and Civilization
FCC 227 Japanese Culture and Civilization
HON 306W^ Honors Humanities II
HON 308W^ Honors Seminar in the Humanities

ENG 105^ First Year Writing Seminar

51
SECTION FIVE - GENERAL ACADEMIC INFORMATION

4. **Natural Sciences. Six hours required.**
   Select two courses from the list below that have different course prefixes.

   - **ANT 201** Introduction to Physical Anthropology
   - **AST 130 and 133** Introductory Astronomy and Astronomy Transition Lab
   - **AST 135** Introductory Astronomy
   - **AST 335** Stars, Galaxies & Cosmology
   - **BIO 100** Introductory Biology
   - **BIO 101** Essentials of Biology
   - **BIO 102** Inquiry Biology for Teachers
   - **BIO 111** Cell and Molecular Biology (4)
   - **BIO 112** Ecology and Evolution (4)
   - **CHE 100** Inquiry Chemistry for Teachers
   - **CHE 101/101L** Introductory Chemistry / Introductory Chemistry Lab I (4)
   - **CHE 105/105L** Chemistry for the Health Sciences/ Health Science Chemistry Lab (4)
   - **CHE 111/111L** General Chemistry I/General Chemistry Lab I (4)
   - **CHE 112/112L** General Chemistry II/ General Chemistry Lab II (4)
   - **GLY 102** Earth Science for Teachers
   - **GLY 107** Gold and Diamonds
   - **GLY 108** Plate Tectonics: The Active Earth
   - **GLY 109** Great Moments in Earth History
   - **GLY 172** Geology and Human Health
   - **GLY 304** The World Ocean
   - **PHY 101** Conceptual Physics

   - **SOC 400** Racial and Ethnic Relations
   - **SPA 101** Conversational Spanish I
   - **SPA 102** Conversational Spanish II
   - **SPA 105** Spanish Honors
**Auditing Courses:** A student may audit a course (i.e., take it without credit) with the permission of the instructor and the dean of the college involved if the course has been approved to be taken Audit. The Registrar’s Office can verify whether a course is approved to be taken as Audit. After registering for the course as usual, students must obtain the “audit a course” form from the Registrar’s Office, obtain the appropriate signatures and return it to that office, Whitlock 239. Fees are the same as for courses taken for credit. Students enrolled for audit must comply with the attendance policy of the instructor or no course entry will be made on their academic record.

**Changes to Transcript:** Once a degree has been posted to the transcript, changes will not be made to courses or grades that were earned prior to the posting of the degree.

**Credit/No Credit (CR/NC) Coursework:** The grade of “CR” (credit) is awarded as recognition of appropriate scores on AP, IB, CLEP or other proficiency exams. This grade is also given for prior learning assessment as well as all transferred international coursework.

Undergraduate course work with CR grades may be used to fulfill major, minor, certificate, supporting program, and/or concentration area requirements, (unless explicitly prohibited by the appropriate academic department), to a maximum of 20% of the credit hours required for the academic program. Exceptions to this limit may be authorized by the Dean/Associate Dean of the college offering the program. There is no limit to the number of CR credit hours used to meet general education areas or to serve as free electives.

**Developmental College Readiness Coursework (Zero-Level):** Each developmental course is numbered 090 or 095. These are institutional-credit courses. Credit hours for a zero-level course do not apply toward graduation; however, zero-level courses do count toward enrollment status for purposes of financial aid eligibility and full-time student status. Grades for 090 and 095 developmental courses include A, B, C, and F. (Note: MAT 098 is a zero-level course but is not a developmental course.)

**Equivalent Courses:** Equivalent or cross listed courses are those in which credit will be earned for just one course. Equivalent courses may or may not be cross-listed in the schedule. Should there be a second enrollment in an equivalent or cross listed course, the student will either be disenrolled from the course or have credit removed at the end of the semester. Upon a change of major, permission for enrollment and credit for the second course, when required in the new major, must be obtained in advance from the college dean of the new major. In that instance, credit for the first taking will be removed.

**Failure Due to Academic Dishonesty (FX):** This grade is a sanction for repeated violations of the Academic Integrity (AI) Policy. The “FX” grade denotes failure in the course due to academic dishonesty and is a permanent grade reflected on the student’s transcript. A student assigned an “FX” grade will not be permitted to drop or withdraw from the course.

**Grade Appeals:** If a student believes that the final grade assigned in a course is unjustified, that student should consult the instructor seeking a satisfactory explanation. If, after doing so, the student still feels that the grade is unjustified, the student may appeal the grade, in writing, to the department chair. A written appeal must be filed with the chair within 30 days after the beginning of the next semester (exclusive of summer session). Refer to the University Handbook for Students for the complete policy concerning grade appeals.

**Grade Changes:** All grade changes must be made by the following deadlines: for fall semester grades—the last day of regular classes (prior to finals week) for the following spring semester; and for spring and summer semester grades—the last day of regular classes (prior to finals week) for the following fall semester.

**Grade Point Average (GPA):** The GPA is a calculation of the sum of total quality points earned, divided by the total attempted course credits. Quality points are determined by multiplying the numerical value for each grade earned, times the credit hours for the course.

Each student has a cumulative GPA reflecting his/her overall academic performance, as well as a term GPA indicating achievement for the current semester. Grades for all non-zero level EKU and transfer courses are included in a student’s overall GPA calculation. The GPA is used to measure a student’s academic standing. Successful completion of any degree or certificate program requires a minimum of a 2.0 overall as well as institutional GPA. The official EKU GPA is truncated at two decimal places; GPAs are never rounded numbers.

Each student can view his/her GPA through his/her secure online EKUDirect self-service account. In EKUDirect the GPA appears on the Official Grade Report, the student transcript, and on each student’s DegreeWorks degree audit. Each student is expected to monitor their GPA through these sources. Note that a separate GPA calculation is done for determining University graduation honors (also referred to as Latin Honors). Refer to the Latin Honor section of this catalog for rules regarding Latin Honors GPAs.

**In-Progress Grades:** Instructors may assign a grade of “IP” in certain approved courses in which it might reasonably take students more than a single semester to complete all requirements. A student assigned an “IP” grade for internship, practicum, or self-paced courses must complete requirements within the calendar year after the “IP” is awarded to receive credit. If requirements are not completed by the deadline, the Registrar will change the “IP” grade to “NC” (NO CREDIT), and the student must register again for the course to receive credit.

**Incomplete Grade Contract:** When a student has extenuating circumstances that impede him/her from completing
In a course, an incomplete grade may be awarded. The incomplete grade cannot be used simply because a student has failed to complete the work in the course or as a means of raising the student’s grade by doing additional work after the grade report time. An Incomplete Grade Contract may be initiated by a student (undergraduate and graduate) or faculty member prior to the last day of class when a student wishes to pursue an incomplete grade. If the instructor agrees that the student has extenuating circumstances beyond his/her control and the instructor agrees to assign an incomplete grade, the instructor will identify on the Incomplete Grade Contract all outstanding assignments and/or conditions needed to complete the course.

A degree cannot be awarded to a student with any incomplete EKU courses on his/her record. Any student who is a pending graduate with unresolved EKU incomplete grades (“I”) will be given the choice of either accepting an “F” for the course (or “NC” for unresolved “IP” grades) or being deferred to the next term for graduation consideration.

The following procedure applies when an instructor has agreed to assign a grade of “I” for students who are unable to complete the course because of extenuating circumstances.

1. On the Incomplete Grade Contract, the instructor will identify all outstanding assignments and/or other conditions needed to complete the course. The instructor will secure all the necessary signatures. The student’s signature is not required for the contract to be enforced.

2. The Incomplete Grade Contract must be received by the Registrar’s Office no later than 30 days past the deadline for final grade submission. While the faculty will be able to submit the “I” grade through the online grade submission process, any “I” grade that is not accompanied by an Incomplete Grade Contract within 30 days of the advertised final grade submission deadline will be converted to an “F.”

3. A copy of the contract will be mailed to the student by the Registrar’s Office, giving the student a 10 day window in which to decline the incomplete grade.

4. Any student receiving a grade of “I” must coordinate with the instructor to satisfy all outstanding work. However, all outstanding work must be completed by the student and a Grade Change form must be submitted by the student to the Registrar’s Office by the last day of classes of the regular semester (fall/spring) immediately following the term in which the incomplete grade was originally assigned. If a grade change is not submitted by the established deadline, the incomplete will automatically default to a failing (“F”) grade.

5. If, due to extenuating circumstances, a student is unable to complete the contracted course work to fulfill the incomplete course by the established time line, the student has the option of requesting a one-time, one semester extension to the incomplete deadline. The student must initiate the request through the instructor before the established deadline. Approval of the extension of an incomplete grade is not automatic and depends on the student’s unique circumstances.

**Letter Grades:** Grades, which are represented by letters, are given point values as indicated:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Meaning</th>
<th>Grade Points Per Hour</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4.00</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3.00</td>
</tr>
<tr>
<td>C</td>
<td>Average</td>
<td>2.00</td>
</tr>
<tr>
<td>D</td>
<td>Poor</td>
<td>1.00</td>
</tr>
</tbody>
</table>

Throughout this Catalog, specific grade requirements are to be interpreted precisely as stated. Thus, if a requirement specifies that a grade of at least “C” is required, a “C-” will not satisfy the requirement. If it is intended that “C-” is to be allowed, “C-” will be listed rather than “C.” This applies to all specific grade requirements.

The grade point average (GPA) is based on those courses in which a student earned grades of “A,” “B,” “C,” “D,” “F,” or “U.”

**First-Time Freshmen Mid-Term Grade Review:** See Academic Standards, 45.

**Submission of Mid-Term Grades:** Faculty will provide mid-term grades via the Banner (EKU Direct) system for all students in undergraduate-credit, full-semester courses by the end of the eighth week. In the case of non-standard courses, faculty will enter mid-term grades by the mid-point of the course and before the last day to withdraw from the course, as published on the Colonel’s Compass.

Mid-term grades are not required for the following types of classes: non-gradable laboratory sections, co-op, practicums, and internships.

**Military Activation:** A student who is called to active duty or whose spouse/legal guardian is called to active duty may be unable to complete courses in which they enrolled. If military activation affects the ability of a student to complete a course, the University provides several options, including withdrawal from the course and/or University or taking an incomplete and completing the course(s) following completion of active duty.

A student who volunteers for military service during a semester makes the decision to join the military instead of being a student, and does so while the semester is in progress, (instead of completing the semester and then joining), is not eligible for Military Withdraw, Military Incomplete, or to receive a grade early in the semester. The spouse of a student who volunteers for military service and cannot complete a semester will not be eligible for Military Withdraw, Military Incomplete, or to receive a grade early in the semester.

Students with military status (Active, Reserves, National Guard) at the beginning of the semester, or spouses of such students, finding it necessary to leave the University because of required active military duty must complete one (1) of the...
Option 1 – Receive a Grade
1. When military activation occurs after the 12th week of the semester, the instructor has the option of assigning the student a grade in the class based upon work completed. That grade would be submitted during normal final grade submission, and no additional work would be required of the student.
2. The request for assignment of a grade based on coursework completed must be made in writing and must be approved by the Chair of the Department and the Dean of the College in which the course(s) is offered. A copy of activation papers must be attached.

Option 2 – Receive an Incomplete Due to Military Activation
1. The affected student will petition the faculty members to request an assignment of a grade of “IM” in course(s) currently enrolled.
2. If the instructor feels that the portion of the semester remaining, and volume of uncovered material is such that it can be made up in a reasonable amount of time and effort, a grade of “Incomplete for Military Activation” may be given.
3. The instructor completes an Incomplete Grade Contract and notes on the contract that this is due to military activation. The student shall provide a copy of the military orders and the instructor must ensure that a copy of the student’s military orders is attached to then Incomplete Grade Contract. Without a copy of these orders the student cannot receive the “Incomplete for Military Activation” grade.
4. The Incomplete Grade Contract shall be processed as normal.
5. Once the Registrar’s Office receives a copy of the military orders an “IM” grade will be recorded.
6. The student has two (2) years from the date of military discharge to complete an “IM” grade. The student, upon completion of active military duty, must follow up with the faculty member. If the faculty member is no longer with the University or is on leave from the University, the student should contact the Department Chair for determining how to fulfill the Incomplete Grade Contract. If the student does not make contact within 2 years of leaving the University, the “IM” turns to a “W.”
7. Upon completion of coursework, the instructor will submit a change of grade form.

Option 3 – Receive a Military Withdrawal from the Course or from the University
1. Students choosing to withdraw from specific courses or from the University must send a letter requesting a withdrawal and enclose a copy of the military activation notification. The letter must include the following information:
   • Student name and Student EKU ID Number
   • A statement that the student wishes to withdraw completely from the University OR listing the individual courses for withdrawal.
   • Student’s signature (mandatory) and the date
2. The Office of the Registrar staff will process the withdrawal which also triggers a 100% refund in all tuition and course fees. Room and board fees will be prorated.
3. If a student requests an incomplete and the faculty declines to grant an “IM,” then the student will have to withdraw.

PASS-FAIL (“P” – “F”) Option: The Pass-Fail option encourages students to take courses they might otherwise avoid because of lack of background or concern for lowering their grade point average (GPA). Not all courses are approved to be taken Pass-Fail. The Registrar’s Office can verify whether a course is approved to be taken as Pass-Fail.

Students who have earned 30 or more semester hours of credit with a minimum GPA of 2.0 may choose the Pass-Fail (“P” – “F”) option for a total of 15 hours of free electives. These hours must be exclusive of general education, major, minor, and other course requirements for graduation. Eligible courses must belong exclusively to the category, free electives. Hours passed under the Pass-Fail option will not be used in the computation of GPAs; however, hours failed (“F”) will be used.

Students may choose the Pass-Fail option for one course per semester with a maximum of five credit hours per semester. Students may repeat a course using the Pass-Fail option only if the previous taking was also Pass-Fail.

Students may select the “Pass-Fail” option by completing the Audit/Pass-Fail registration form, available from the Registrar’s Office. Students may change to or from the Pass-Fail option by the date specified each semester in the Colonel’s Compass. The student must submit to the Registrar’s Office the completed form as authorization to change their registered course to Pass/Fail.

Repeating Courses: Undergraduate students may repeat college-level courses. In those courses, the last grades earned will replace those earned earlier in the student’s term and cumulative GPA calculations. The repeated course and grade will still appear on the transcript but with a notation indicating that the course has been repeated. If a student attempts to repeat a course and replace the grade but then withdraws from the course, that course attempt will not be counted among those for which grade replacement is available.

A student may enroll in the same course for a third or subsequent time only under unusual circumstances and with the written permission of the dean of the college of the student’s first major. If a student enrolls in a course for a third or subsequent time without approval, the student will be administratively withdrawn from the course.

If a student attempts to repeat a course and replace the grade but then withdraws from the course, the taking will not be counted among those for which grade replacement is available.

For GPA calculation, a grade of “S,” “CR,” or “P” will not replace a grade of any “C”, “D”, or “F” (earned in normal grading) grades. A “P” will replace an “F” when the “F” was earned under the Pass-Fail option.

SATISFACTORY-UNSATISFACTORY (“S” – “U”) Grading System: Some courses are approved to be taught exclusively on a “Satisfactory” (“S”) or “Unsatisfactory” (“U”) basis. Each student enrolled in the class will receive either a grade of “S” or “U.” Hours passed under the Satisfactory-Unsatisfactory option will not be used in the computation of GPAs; however, hours failed (“U”) will be used.

NON-TRADITIONAL ACADEMIC CREDIT
Students who have educational experiences other than university instruction may attempt to earn academic credit through the following learning assessment mechanisms.
A. **ACE Credit**

Based upon recommendation of the American Council on Education (ACE), EKU will award credit to individuals who have completed certain non-university experiences, such as workplace or military training. Work evaluated on an ACE transcript as Lower Division will be recorded as 100- or 200-level only. Work evaluated on an ACE transcript as Upper Division will be recorded as 300-level credit. EKU will not award credit from an ACE transcript unless the work has been evaluated as Lower Division or Upper Division. Submit appropriate paperwork to the Registrar’s Office. Students can have a copy of their ACE transcript sent to the Registrar’s Office, Whitlock CPO 58, 521 Lancaster Avenue, Richmond, KY 40475-3158. Students can petition for specific course credit by first contacting the Student Outreach & Transition Office.

B. **Credit-By-Examination**

1. Credit-by-examination is credit given through documentation and evaluation of learning, knowledge, or skills-based experience.

2. Following are the conditions which apply to receiving credit-by-examination:

   a) Only admitted and active degree seeking EKU students may have credit-by-examination recorded onto an EKU Transcript.
   
   b) Academic credit earned by external examinations and challenge tests (such as AP, IB, CLEP®) shall not be considered as credit earned at EKU and will not apply toward the residency credit requirement for an associate or baccalaureate degree.
   
   c) Only credit earned and recorded within a five year window will be considered for EKU academic credit.
   
   d) Credit-by-examination earned at a prior institution and submitted to EKU for review within five years of the exam date will be considered for academic credit.
   
   e) Credit awarded through credit-by-examination which is general in nature, not course-specific, has no inherent guarantee of meeting specific EKU degree requirements, since these are program and college specific decisions.
   
   f) Credit earned by examination is recorded as “CR” and is not assigned a letter grade; it has no effect upon the overall GPA.
   
   g) Proficiency examination credit recorded on an official transcript is eligible for transfer to EKU if it is from a nationally-recognized standardized test, earned at a college or university from which EKU accepts transfer credit, or earned at an EKU-recognized testing site.
   
   h) Departmental or institution specific challenge tests presented on the official transcript of an institution from which EKU accepts transfer credit may be accepted in transfer - upon the review and approval of the academic department most closely related to the subject matter.
   
   i) A student may attempt to earn credit-by-examination in a course only once in a six-month period.
   
   j) A student will not receive academic credit for a course-specific College Level Examination Program (CLEP®) or departmental examination in an area in which advanced course work has already been completed, and EKU credit recorded.
   
   k) EKU students attempting a foreign language CLEP exam at the 100-299 level in their native tongue will not have academic credit awarded by EKU.
   
   l) Special fees are assessed for credit-by-examination and must be paid prior to taking an examination. Refer to the Testing Office website for fee information (www.testing.eku.edu/fees).
   
   m) Students seeking to have AP or IB credit recorded on their EKU academic record should have score reports sent to the EKU Office of Academic Testing before they have earned their first 30 credit hours at EKU. AP or IB scores submitted for credit will not be given consideration after students have earned 30 credit hours.

3. Eastern Kentucky University credit-by-examination may be earned through any of the following methods:

   a) **Advanced Placement Program (APP):**

      The Advanced Placement Program consists of courses of study and special examinations open to students in high school. The courses are presented during the student’s junior and senior years; and are administered during the month of May. The chart below indicates the manner in which EKU accepts Advanced Placement Program examinations as credit. Updates may be found online at http://www.testing.eku.edu/advanced-placement-program-app.

</table>
credit to admitted active EKU students, per the following guidelines. No credit is given for exams that are equivalent to courses at EKU. In order to receive credit, a student must complete the Credit-by-Examination form available from the Office of Academic Testing, Whitlock Building, Room 327 for processing of credit. A processing fee is required. Information about DANTES examinations is available at www.testing.eku.edu.

The Office of Academic Testing administers CLEP® tests for currently enrolled EKU students. Please contact 859-622-1281 for testing information. Test administration fee is $25. (Note: the student will pay a $80 fee by credit card to CLEP as they take the online test in the Academic Testing Center.). Updates on fees may be found online at www.testing.eku.edu.

Eastern Kentucky University recognizes and awards academic credit to admitted active EKU students, per the following table of CLEP examination scores. For more details on CLEP credit-by-examination, and how to register for such exams please refer to www.testing.eku.edu.

b) **College Level Examination Program (CLEP®):**

The College Board offers a College-Level Examination Program (CLEP®) that includes tests for various subject areas. These tests recognize a student’s comprehensive subject knowledge acquired through independent or prior study. EKU accepts credit for these examinations according to the following guidelines. No credit is given for exams without equivalent courses at EKU. In order to receive credit, a student must complete the Credit-by-Examination form available from the Office of Academic Testing, Whitlock, Room 340. Information about the College Level Examination Program (CLEP®) can be found at www.testing.eku.edu/clep. The Office of Academic Testing administers CLEP® tests for currently enrolled EKU students. Please contact 859-622-1281 for testing information. Test administration fee is $25. (Note: the student will pay a $80 fee by credit card to CLEP as they take the online test in the Academic Testing Center.). Updates on fees may be found online at www.testing.eku.edu.

SECTION FIVE - GENERAL ACADEMIC INFORMATION

University awards credit for IB course work in the following manner:

Eastern Kentucky University courses interested in attempting to earn credit through departmental examinations should contact the Office of Academic Testing, Whitlock 340. For information on available departmental challenge exams, fees, and procedures for registering may be found at www.testing.eku.edu.

d) **Departmental Examinations:**

A number of academic departments at Eastern Kentucky University have developed their own examinations for credit as an extension of the CLEP® program. These examinations are similar in nature to the CLEP® exams. EKU does not accept transfer credit coursework given credit through academic department proficiency exams. Enrolled Eastern Kentucky University students interested in attempting to earn credit through departmental examinations should contact the Office of Academic Testing, Whitlock 340. For information on available departmental challenge exams, fees, and procedures for registering may be found at www.testing.eku.edu.

e) **International Baccalaureate Credit:**

The International Baccalaureate Organization’s Diploma Programme was created in 1968. It is a demanding pre-university course of study that leads to examinations. It is designed for highly motivated secondary school students aged 16 to 19. The program has earned a reputation for rigorous assessment, much like the Advanced Placement (AP) Program. For information regarding the IB program, please visit the website at www.ibo.org. IB credit is awarded by earning the required score in a specific subject area. To receive credit a student must furnish the Office of Admissions with an official IB transcript issued directly from the International Baccalaureate Organization. Course credit awarded through the IB program will apply toward degree requirements. There will not be a specific letter grade associated with the credit earned through IB course work. A designation of CR (credit) will be awarded, and the grade point average will not be affected. Eastern Kentucky University awards credit for IB course work in the following manner:

C. **Credit for Prior Learning through Portfolio Assessment**

1. Belief that college-level learning can occur outside of the university/faculty interactions has been firmly established within higher education.
2. Workplace, community, volunteer activities, and military training can supplement and augment a student’s preparation for EKU academic courses and provide a valuable lead into the adult student’s program of study.
3. Portfolio assessment, co-op credit, nationally standardized exams (e.g., College Level Examination Program (CLEP), DANTES Subject Standardized Tests). ACE evaluation, and departmental challenge exams can target specific EKU courses where adult learners can demonstrate course subject mastery and gain academic credit for prior learning experiences.

D. **Military Credits**

EKU will award credit to individuals who have successfully completed military service school courses, as well as award credit for Military Occupational Specialties (MOS’s), based upon recommendation of the American Council on Education (ACE). To receive academic credit at EKU, military credits must be evaluated by ACE at a lower level or upper level college equivalency.

Students may receive Military Science and Leadership course credit and/or credit for PHE 180 for having completed Basic Training (BT) and Advanced Individual Training (AIT). PHE 180 may be used to satisfy the Wellness graduation requirement. Students must submit a copy of their military transcripts or DD Form-214 (Discharge Verification Certificate) through the EKU Veterans Center.

Students can have a copy of their ACE transcript sent from their respective service education centers to the EKU Office of Military & Veteran Affairs, Burnam House, 521 Lancaster Avenue, Richmond, KY 40475.

Army, Navy, USMC, and Coast Guard Veterans can order transcripts online at: [https://jst.doded.mil/official.html](https://jst.doded.mil/official.html)

Air Force Veterans must request transcripts by letter. Include student’s full name (former name if appropriate), date of birth, social security number, service component, current address, Eastern Kentucky University Veterans Center address and the student’s signature. Send transcript request to: CAF/RRR, 130 West Maxwell Blvd., Maxwell AFB, AL 36112-6613.

**PRE-PROFESSIONAL PROGRAMS**

EKU has a number of programs that will help prepare students for professional schools following graduation. These schools generally do not require a specific major, provided that
their prerequisite courses are taken. All professional schools are highly competitive in their admissions process. Thus, students should aim for strong GPA and professional school admission test scores. Students are encouraged to seek a major that they feel comfortable with, that they have a strong aptitude for, that is interesting and challenging, and that provides additional career options. Students should meet with the Office of Pre-Professional Advising as early as possible after enrolling at EKU. The Pre-Professional Advisor will assist the pre-professional student with selecting a major and provide information and advice regarding professional school admissions and requirements.

Descriptions of the following pre-professional programs may be found on the pages noted:

Pre-Dentistry 89
Pre-Engineering 89
Pre-Law 88
Pre-Medical Science 88
Pre-Optometry 89
Pre-Pharmacy 88
Pre-Veterinary 89

Three-Two Curricula: In addition to standard pre-professional curricula, Eastern Kentucky University may approve specially arranged combined curricula. Students approved for these curricula complete the first three years of requirements at EKU. At the end of these three years, they enroll in one of several highly rated professional schools. After the first year of professional study, they transfer the work back in order to secure a Bachelor of Arts or a Bachelor of Science degree from Eastern Kentucky University. This plan may shorten by one year the time needed for obtaining both a baccalaureate and a professional degree.

STUDY ABROAD CREDIT

Dual Degree Agreements Between Eastern Kentucky University and Foreign Exchange Institutions

The following policies and procedures shall govern arrangements to award dual degrees to foreign students who attend Eastern Kentucky University and to EKU students who attend foreign exchange institutions under the auspices of exchange agreements or other agreements:

1. The dual bachelor’s degree agreement shall be developed by the deans of participating colleges in cooperation with appropriate representatives from foreign exchange institutions and shall be submitted to the Provost for final approval.
2. The deans and department chairs shall determine exactly which courses need to be taken by the foreign candidates to complete the major in each given field of study, and these courses must be specified. Likewise, they shall determine which courses EKU students must take at the foreign institution to complete their EKU degrees.
3. Dual degree agreements will normally require at least one full academic year in residence at the host institution (25% of the total semester hours) and three years at the home institution (75% of the total semester hours). However, other variations may be approved by the deans of the colleges for their respective colleges.
4. Each institution shall accept all course work from the other either as elective credit or as credit for required courses, based on transfer equivalency evaluations.
5. If dual degrees are awarded concurrently, the program must at a minimum meet SACS, CPE, and the college, departmental, and program requirements for general education, either by taking the general education courses or by transfer credit or by a combination of these means. If the foreign degree is awarded a year or semester in advance, then the candidate will be awarded post-baccalaureate status and the general education requirement will no longer be applicable.
6. A copy of each dual degree agreement approved by the Provost shall be kept on file in the International Education Office, and that office shall also maintain a file of EKU students who are attending foreign exchange institutions under dual degree agreement as well as foreign students who are attending EKU under dual degree agreement.

Study Abroad Programs

Eastern encourages all students to take advantage of study abroad opportunities. All EKU students planning to participate in a study abroad experience should complete the Course Pre-Approval Form. This form must be completed and endorsed by the EKU International Programs Office (Whitlock, room 455) before the student is approved to participate in a study abroad program. Students have several options for study abroad at EKU, varying in place, field of study, duration of stay, and cost.

Students may study in English-speaking countries abroad through the Cooperative Center for Study Abroad (CCSA), a consortium of colleges and universities through the US. CCSA offers two-week programs during the winter break and two- and four-week programs in the summer, mid-May through August. Programs are offered in Australia, Belize, England, Ghana, India, Ireland, Jamaica, Scotland and South Africa. CCSA also offers eight-week internships and a full semester program at the University of East Anglia in Norwich, England. The web address for CCSA is www.ccsa.cc.

The Kentucky Institute for International Study (KIIS), a consortium of Kentucky, Indiana, and Ohio colleges and universities, offers courses in non-English speaking countries. KIIS offers five-week summer programs in Austria, Brazil, Cameroon, China, Costa Rica, Denmark, Ecuador, France, Germany, Greece, Italy, Japan, Mexico, Puerto Rico, Spain and Turkey. Additionally, KIIS offers semester-long programs in France, Germany, Spain and Mexico. The web address for KIIS is www.kiis.org.

For students who are interested in additional semester-long study abroad options EKU is affiliated with Arcadia University, AustraLearn, and The School for International Training.

TRANSFER STUDENT INFORMATION

Credits Accepted in Transfer

Eastern Kentucky University accepts credits transferred from regionally accredited postsecondary institutions, credits earned by examination from nationally recognized tests that meet EKU standards, and it awards credits for certain types of military experiences. Additionally, EKU will award credit for non-collegiate training experiences provided the training occurred under a University approved articulation agreement.

International transfer credits from institutions with which Eastern Kentucky University does not have an articulation or
exchange agreement are recorded as free elective credits at the lower division level after they have been evaluated by an outside accrediting agency (e.g. World Education Services or Silney and Associates). Students may present supporting documents from transfer courses recorded as free electives to appeal to department chairs or departmental credit.

**Kentucky General Education Transfer Agreement**

In an effort to promote a seamless transfer between Kentucky two-year and four-year public institutions, the Kentucky Council on Postsecondary Education (CPE) developed a policy to facilitate the transfer of credits from one Kentucky public college or university to another. This policy, implemented in 1996, and revised in 2011, is called the General Education Transfer Agreement and allows for the automatic transfer of a block of courses to satisfy general education degree requirements, in addition to articulating individual courses as meeting statewide general education categories.

Students transferring to EKU from another Kentucky public college or university may be (1) category certified, or (2) core certified, or (3) fully certified in general education by the Registrar of the school where the course work was taken. EKU will honor any of these designations and is guaranteed to apply the KY public school transferred general education courses into EKU’s General Education curriculum in a manner that best serves the transferring student.

The General Education Transfer Agreement also applies to students transferring from EKU to another Kentucky public university. For additional details regarding this agreement please refer to the EKU Student Outreach & Transfer Office (SOTO) (<http://soto.eku.edu/transferstudents>) or the CPE website (<http://www.cpe.ky.gov/policies/academicinit/Transfer/>).

**NOTE:** After initial transfer to EKU students may not transfer in further general education certifications unless they earn a subsequence AA or AS degree at a KCTCS institution. Students may transfer in further general education certifications after their initial enrollment at EKU, only if they return to a KCTCS institution for a period of at least one semester.

**Transferring General Education Courses from a Private or Out-of-State School**

EKU will honor transfer general education courses from regionally accredited out-of-state or Kentucky private colleges and universities. Students may bring in documentation (school catalog listings of courses with relevant general education designations) to the EKU Registrar’s Office. The transfer general education courses will then be applied toward the student’s EKU general education requirements where needed and as appropriate.

**Transfer Credit Evaluation Process**

When an acceptable transfer course, which has never been evaluated before, is presented to EKU for consideration, EKU records the course as acceptable for credit but unevaluated. The Transfer Center contacts the student and requests course descriptions and syllabus information for review. The Transfer Center forwards the course description to the appropriate academic department for their review and consideration. The academic department determines whether an exact equivalency, a subject/discipline elective, or a generic free elective is appropriate depending on course content and learning objectives. In some instances the department will request that the student provide a syllabus in order to evaluate the course. The academic department or Transfer Center can recommend that a course be considered for general education applicability even if an exact equivalency is not awarded. Students wishing to appeal the evaluation of transfer credit should consult with the Student Outreach and Transition Office.

**Transfer Credits/Courses**

Eastern Kentucky University accepts credit in transfer from other institutions with regional accreditation status. EKU also participates in and subscribes to the principles of the Kentucky Council on Postsecondary Education statewide transfer agreements. EKU accepts credits transferred from all public institutions in Kentucky accredited by SACS, or similar regional accreditation bodies, and will apply them to the general education and program requirements to the maximum extent specified in those agreements. Credits not identified in those agreements will be applied to degree requirements as deemed appropriate. Lower division courses taken at a community or junior college are accepted in transfer as the coursework is evaluated by the EKU content expert.

Eastern Kentucky University will also award credit to students for non-collegiate sponsored instruction and training programs provided an articulation agreement exists between the University and the institutions or organizations providing the instruction. Articulation agreements must be officially approved according to the University policy for such agreements and must be signed by both EKU and the collaborating institutions/organizations.

A copy of the signed agreements must be on file in the Office of the Provost (original), the Office of the Registrar, and the Dean’s office of the College which initiated the agreement. Articulation agreements must be in place prior to the non-collegiate instruction or training in order for credit to be considered. In all instances, consideration will only be given to those courses/training programs whose content provides competencies equivalent or comparable to courses and educational experiences offered by EKU.

Currently enrolled students who desire to take courses elsewhere and transfer them back to Eastern Kentucky University should consult with the EKU Transfer Center and also obtain the approval of their college dean prior to enrolling. The University will not take responsibility for courses transferred without prior approval. Students should be aware that there are limits to the number of credit hours a student may earn in any one term (see Academic Load, page 50).

Credit and grades earned in transfer are posted to the student’s EKU transcript. Students with transfer credit should note that they must successfully complete all their curriculum requirements as well as earn a cumulative and institutional (EKU) GPA of 2.00 in order to graduate with a degree or University certificate from EKU.

Degree-seeking transfer students who have already attained a post-secondary or graduate-level degree will have that earned degree noted in their EKU academic record.

Details of the academic work counting toward a degree earned at another institution will not be posted, course by course, onto the EKU transcript; only the earned degree is recorded from the official transfer school transcript.

**International Student Transfer Credit Pre-Approval**

Each EKU international student may submit official transcripts and have recorded in transfer all previously earned appropriate credit from other institutions of higher education, at the
time the student is admitted into EKU. After initial admission into EKU an international student, who subsequently wishes to enroll at another institution, for the purpose of earning additional transfer credit, must have prior approval from EKU before accumulating additional transfer coursework.

The Registrar will not record onto an existing international student’s EKU academic record any transfer credit for which the student has not secured prior approval. This prior-approval form serves to notify the College of the student’s major and the Center for International Education of the international student’s intention to enroll at another institution, and to establish the applicability of the anticipated transfer credit toward the student’s major – before the student enrolls at the non-EKU institution.

A maximum of 21 credit hours may be earned by any EKU student, (through any means), in any fall or spring term; dean’s approval (secured on a different form) is required for a student to enroll in 19 through 21 credit hours. During the summer 15 credit hours is the absolute maximum an EKU student may earn; dean’s approval (secured on a different form) is required to enroll in 13 through 15 credit hours.

**UNDECLARED STUDENTS**

If students are academically exploring and are not ready to declare a major, they will be enrolled as an undeclared student. A major should be declared as soon as students decide on their field of interest. Students must officially declare a major prior to registration during the semester in which they register for their 45th hour. Until a major is declared, students’ curriculum will include general education courses appropriate for most baccalaureate programs. In addition, students will be encouraged to take exploratory electives that will allow them to sample disciplines they may like to select as a major.

**WITHDRAWAL**

**Federal Financial Aid**

Federal Financial Aid regulations require students to earn credit from classes funded by financial aid. Financial aid regulations do not distinguish between receiving a “W” in a course, or an “F” in a course. In both cases tuition is paid with financial aid funds and in both cases the student did not earn credit.

Students, advisors, and instructors should note therefore that multiple withdraws can impede appropriate progress toward degree and thus negatively impact a student’s ability to retain financial aid.

**WITHDRAWING AND WITHDRAWAL**

**WITHDRAWING FROM A CLASS**

Students are allowed to withdraw from classes through the 12th week of a full semester. Partial semester classes have pro-rated withdrawal deadlines. See the Colonel’s Compass for all withdrawal deadlines. Whether withdrawing from a single class, a few individual classes, or all withdrawals are executed online through EKUDirect. A student will be assigned a grade of “W” for each withdrawn course, and a “W” will appear on the grade report and transcript.

1. **Withdrawal between 2nd Week – 12th Week:** A student may officially withdraw from a full-semester course online through EKUDirect from the close of the Schedule Change Period, also called the Add/Drop Period (for full-semester classes the add/drop period is the 1st week of class), through the end of the 4th week of a regular (fall/spring) semester with no withdrawal fee applied.

   Beginning with the fifth week of the term, and until the end of the twelfth week of full-semester classes, students will be assessed a $50 per credit hour fee after withdrawing from a course (up to a maximum of $150 for a typical 3 credit hour course).

   **WARNING:** The Add/Drop Period and the withdrawal period for partial-semester classes can be significantly shorter. Always refer to the Colonel’s Compass website for all drop and withdrawal deadlines.

2. **Late Withdrawal Petitions:** After the withdrawal deadline has passed only students who are the victim of extraordinary circumstances may request a late withdrawal. The deadline for filing a petition for withdrawal under extraordinary circumstances is the last day of the full semester following the term from which the student is seeking withdrawal. The student should complete a withdrawal petition form (available from the Registrar’s website) and should include justification and documentation for the withdrawal. If approved, the Registrar will assign the grade of “W” and will notify the instructor of the class. For details refer to the Registrar’s website (www.registrar.eku.edu).

   All course withdrawals approved by the Compassionate Withdrawal Committee will be assessed a $50 per credit hour fee, to a limit of $150 per course. The Compassionate Withdrawal Committee is not authorized to consider any appeals of the $50 per credit hour course withdrawal fee. Only the Office of Student Accounting Services may consider late withdrawal fee appeals.

   Students who are assigned a grade of “F” or “FX” in a course due to academic dishonesty will not be permitted to withdraw from the course.

3. **Withdrawal Deadlines for Partial Semester and Summer Classes:** Specific calendar dates for withdrawal deadlines for partial semester and summer classes are available online on the EKU Web site (see Colonel’s Compass). The withdrawal deadline for all courses should be printed on course syllabi, are published in the Colonel’s Compass, and also may be obtained by contacting the Registrar’s Office. Refer to Section 3 of this Catalog for the University’s Tuition Refund Policy.

**WITHDRAWING FROM THE UNIVERSITY**

Eastern Kentucky University (EKU) is strongly committed to supporting students in achieving success in their intellectual and extracurricular endeavors. Students finding it necessary to withdraw from the University may withdraw from all courses online using EKUDirect up to the twelfth week of a full semester. Students are not allowed to withdraw from a course or from the University after the twelfth week of a regular term; after that time students must appeal to the Compassionate Withdrawal Committee for an official withdrawal. A grade of “W” is assigned for each withdrawn class. Students who leave the University without an official withdrawal are subject to the grade of “F.”
Dining Services Refund for Students Withdrawing from the University:

For Colonel Card dollars, a refund of the full remaining account balance (greater than $10) will be made. If there is a balance due to the University these monies will be applied to that account.

For Meal Memberships, a pro-rated refund proportional to the time remaining in the semester will be given. Refunds will only be given to students who are officially withdrawing from the University. Optional flex dollars are non-refundable.

For Colonel Card dollars refund, please send or fax a request to: Dining Accounts Office, Attention: Jeremy Raines, 114 Powell Building, Richmond, KY 40475. For Meal Memberships, you will automatically be refunded as of the date you officially withdraw from the University.

Housing Refund for Students Withdrawing from the University: For Housing refunds, a pro-rata refund proportional to the time remaining in the semester will be made. The procedure is that a copy of the activation papers along with a copy of the request to be withdrawn should be sent to The Director of Housing, Whitlock CPO 51, Eastern Kentucky University, 521 Lancaster Avenue, Richmond, Kentucky 40475-3151.

Withdrawals Due to Exceptional Situations

When physical or mental illness, or other extraordinary circumstances, intrude upon a student’s ability to successfully meet the requirements of his or her course of study, such that the student is unable to avail themselves of standard methods for withdrawing from the University, per the above described timeframe, the student may complete a request for a Medical Withdrawal or a Compassionate Withdrawal.

Compassionate Withdrawal

After the twelfth week, a student who is the victim of extraordinary circumstances which do not qualify him/her for a Medical Withdrawal may petition for a late withdrawal from the University. The student must appeal to the Compassionate Withdrawal Committee through the Registrar’s Office. The deadline for filing a petition for withdrawal under extraordinary circumstances (Compassionate Withdrawal) is the last day of the full semester following the term from which the student is seeking withdrawal. The student must complete a Withdrawal Petition Form and should include justification and documentation for the withdrawal. If approved by the committee, the Registrar will assign grades of “W” and will notify the instructors of the class. For forms and more details, refer to the Registrar’s website (www.registrar.eku.edu).

Medical Withdrawal

Voluntary Medical Withdrawal

Students may request a Medical Withdrawal from EKU when serious physical or mental health issues prevent the student from continuing with coursework in the current semester. The severity and duration of the medical problems must be such that it would be unreasonable to expect the student to make up missed class work. A Medical Withdrawal is appropriate only when “incompletes” or other arrangements with instructors are not possible. A request for a medical withdrawal can only be considered when the request is to withdraw from all classes in the current semester and will not be granted if final exams have been taken for that semester. This policy does not address withdrawal from individual classes.

Requests for a Medical Withdrawal requires thorough and credible documentation by the appropriate healthcare provider. Details regarding the process and standards for approval are found on the Registrar’s website: http://registrar.eku.edu/withdrawal-information. The deadline for filing a petition for a Medical Withdrawal is the last day of the term from which the student is seeking withdrawal.

If the request to take a medical leave of absence is due to physical issues, the appropriate documenting healthcare provider is a licensed medical practitioner with knowledge of the student’s past medical history and who is presently working with the student to resolve current physical health issues. The medical practitioner should be the student’s primary health care provider at the time of the request for Medical Withdrawal, and should not be a family member. If the medical situation involves emergency hospitalization, documentation from the emergency room physician or hospitalist is required in lieu of the preceding information.

If the request is due to mental health reasons, the appropriate documenting healthcare provider would be a licensed psychiatrist, psychologist or counselor with knowledge of the student’s past mental health history and who is presently working with the student to resolve the current mental health problems and should not be a family member. Taking a Medical Withdrawal of at least one full semester away from the University will enhance the likelihood of success upon the student’s return.

The student will be obligated to adhere to the requirements for returning from a medical leave (see details on Registrar’s website: http://registrar.eku.edu/withdrawal-information). The student is expected to provide documentation that the physical or mental health condition has been treated and symptoms that required withdrawal from the University are sufficiently resolved to allow the student to return to the University.

A Medical Withdrawal is designed for academic purposes, not financial purposes; it allows the student the opportunity to protect his/her academic standing with the University by preventing the student from failing all courses for that semester. Providing that the requested withdrawal is approved, tuition charges will be adjusted if applicable and based on the regular, published, refund guidelines for all classes, effective as of the date the completed withdrawal form was received by the Registrar’s Office.

For details on the process to request a Medical Withdrawal refer to the Registrar’s website at www.registrar.eku.edu.

Involuntary Medical Withdrawal

Eastern Kentucky University may place a student on an Involuntary Medical Withdrawal for reasons of personal or community safety. The University may require a student to take medical leave of absence, if in the judgment of the Student Assistance & Intervention Team (SAIT), and in coordination with the Director of Student Health Services and/or the Director of the EKU Counseling Center, the student, (a) poses a threat to the lives or safety of himself/herself or other members of the EKU community or (b) has displayed behaviors associated with a medical or mental health condition that seriously interferes with the student’s ability to function and/or seriously interferes with the educational pursuits of other members of the EKU community. Detailed information regarding the process for determining the necessity of an Involuntary Medical Withdrawal can be found...
Military Withdrawals from the University

See Military Activation section on page 54

Stopping Out and Returning to EKU

Students who either stop out* or officially withdraw** and are academically eligible to return to the University, may return to the University without reapplying if they have been gone for 24 or fewer months and have an overall GPA of 2.0 or higher. Students who have stopped out or withdrawn and have a GPA of less than 2.0 must apply for readmission and will be held to EKU readmission criteria (please refer to Requirements for Readmission section of the Catalog). All regular registration deadlines apply to stop-out students, and they should contact their last assigned advisor, or department chair of their major, to schedule an advising appointment in preparation for their return to EKU. To register for classes, students can log in to their EKU Direct account. Students with a registration hold must contact the office that applied the hold and have the hold removed before they will be able to register.

Students who stop out or are withdrawn for more than 24 months must be formally readmitted to the University by submitting a readmission application to the Office of Admissions. Refer to Section Two of this Catalog for details regarding readmission. The academic record for withdrawn students must be reactivated before they can once again register for classes.

All students who have attended another college/university since attending Eastern Kentucky University, regardless the length of their absence, must submit college transcripts.

*A student who completes a semester at Eastern Kentucky University but does not return for the following term is considered to have “stopped out.” Students must be on good academic standing to qualify for stop out.

**Students who have received a “W” grade in all classes during a semester are considered to have “withdrawn” from the University.

WELLNESS REQUIREMENT

Every student seeking a baccalaureate degree must complete the Wellness Requirement. The goals of Wellness courses are: for students to comprehend basic wellness concepts and facts; demonstrate the ability to evaluate health information and resources; analyze interrelationships among wellness dimensions (psychological, social, physical, spiritual), and among societal, cultural, economic and environmental factors and wellness; integrate wellness knowledge and make informed wellness choices.

Physical education activity courses do not fulfill the above Wellness learning goals and therefore will not meet the Wellness requirement. Wellness goals are met by one of the following three credit hour courses:

BIO 310 - Biology of Aging
HEA 285 - Health Across the Lifespan
NFA 201 - Essentials of Nutrition
PHE 180* - Lifetime Wellness

*Student Veterans will obtain credit for PHE 180 by submitting their military service transcripts to the EKU Veterans Affairs Office. For further information contact EKUVeteransAffairs@eku.edu or call 859-622-2345

WRITING INTENSIVE COURSES

All baccalaureate degree seeking students who enter the University are required to successfully complete one writing intensive course following completion of General Education Element 1B. Writing intensive courses may be general education courses as well as major or supporting courses. Writing-intensive courses are designated with the suffix “W” following the course prefix and number (e.g., HUM 300W). W and non-W versions of the same course (e.g., HUM 300W and HUM 300) are considered equivalent for the purposes of satisfying course requirements for prerequisites, major courses, minor courses, and supporting courses. Credit will not be awarded for W and non-W versions of the same course. A previously-taken non-W version of a course will not be used to satisfy the writing intensive baccalaureate degree requirement.

Transfer students who are (full) general education certified and/or transfer students who have earned an associates degree (including AAS) or a baccalaureate degree are not required to complete a writing intensive course. The waiver of the writing requirement applies only to students transferring from institutions where the language of instruction is English.

Writing Intensive Courses Available:
The writing intensive courses available each semester may be viewed via the online schedule by selecting all courses in the “Subject” box and writing intensive courses in the “Attribute” box.

(See Section 6 of this Catalog for complete course descriptions.)
Eastern Kentucky University confers the following degrees:

**Associate:**
- Associate of Applied Science (AAS)
- Associate of Arts (AA)
- Associate of General Studies (AGS)
- Associate of Science (AS)
- Associate of Science in Nursing (ASN)
- Associate of Science in Paramedicine (ASP)

**Baccalaureate:**
- Bachelor of Arts (BA)
- Bachelor of Business Administration (BBA)
- Bachelor of Fine Arts (BFA)
- Bachelor of Individualized Studies (BIS)
- Bachelor of Music (BM)
- Bachelor of Social Work (BSW)
- Bachelor of Science (BS)
- Bachelor of Science in Nursing (BSN)

**Specialist:**
- Specialist in Education
- Specialist in Psychology (PsyS)

**Master:**
- Master of Arts (MA)
- Master of Arts in Education (MAEd)
- Master of Arts in Teaching (MAT)
- Master of Business Administration (MBA)
- Master of Fine Arts (MFA)
- Master of Music (MM)
- Master of Public Administration (MPA)
- Master of Public Health (MPH)
- Master of Science (MS)
- Master of Science in Nursing (MSN)

**Doctoral:**
- Doctor of Education (EdD)
- Doctor of Nursing Practice (DNP)
- Occupational Therapy Doctorate (OTD)

---

### Degrees Awarded

Eastern Kentucky University offers the following programs which are registered with the Kentucky Council on Postsecondary Education. Many of these programs include approved options designed to provide a background tailored for students' individual needs. At the undergraduate level, these options are presented with the program descriptions in this Catalog. Options at the graduate level are found in the Graduate Catalog.

1. **EKU Departmental Level Certificates** — These certificates are awarded by the individual academic department, not the University.

   - Advanced Emergency Medical Care
   - African/African-American Studies
   - Basic Emergency Medical Technician
   - Emergency Management
   - Financial Literacy
   - French Conversation and Culture
   - German Conversation and Culture
   - Japanese Conversation and Culture
   - Labor and Employment
   - Post-Masters Psychiatric Mental Health Nursing Practitioner-Family Certificate
   - Productivity, Innovation and Technology
   - School Safety
   - Spanish Conversation and Culture
   - Veterans Studies
   - Women and Gender Studies

2. **EKU University Level Certificates** — These certificates are awarded by the University, and students receive a formal certificate produced in the same manner as a degree diploma. Students completing these programs must apply for graduation and are assessed a graduation fee. Students earning only certificates do not receive caps and gowns and do not participate in the commencement ceremony. The university graduation fee partially offsets the production and mailing of diplomas and certificates. The University absorbs cap and gown costs for degree earners. Application deadlines for completing university certificates follow the same time line as degree graduation.

   - Accounting*
   - Autism Spectrum Disorders
   - Correctional Intervention Strategies
   - Emergency Management
   - Geographic Information Systems
   - Homeland Security
   - Industrial Fire Protection
   - Industrial Hygiene
   - Intelligence and Security Operations
   - Land Surveying
   - Paralegal Science*
   - Youth Services
3. **Professional Certification and Endorsement Preparation Programs**
   These are programs of study which do not lead to a degree or to an EKU awarded recognition but instead prepare the student, upon recommendation from EKU, for professional endorsement or certification by the Commonwealth of Kentucky Education Professional Standards Board.
   - Agriculture Education Teaching
   - Career and Technical Education
   - Career and Technical School Principal
   - Dance (Minor in Dance Certification - Teaching)
   - Driver Education (teaching certification endorsement)
   - Instructional Computer Technology (teaching certification endorsement)
   - School Safety Endorsement
   - Teaching English as a Second Language (teaching certification endorsement)

   *Post-Bacc. Acceptance into this program requires that the student has already earned a baccalaureate degree. For more details, see the relevant department’s sections of this Catalog or contact the department offering the certificate.

Note: This list may not be all-inclusive. For a comprehensive list of EKU certifications concerning teaching, please see the College of Education.

**ONLINE ACADEMIC PROGRAMS**

**E-CAMPUS LEARNING**

Eastern Kentucky University offers students the opportunity to earn a variety of degrees and/or certificates through EKU Online. These are well established EKU academic programs provided through online interactions, discussion boards, and engaging interactive and multi-media learning methodologies.

While the EKU Online student will have a program coordinator through the academic department offering their desired degree/certificate, EKU’s Office of e-Campus Learning serves as the primary contact for admission, financial aid, registration, degree audit, and general advising questions; centralizing all student services crucial to the distance-learning student. More information can be found at www.onlinedegrees@eku.edu

**Online Associate Degree Programs**

- Associate of Applied Science in Paralegal Studies (For more details, see: www.jsnet.eku.edu/info/paralegal.asp)
- Associate of Arts in Law Enforcement (For more details, see: www.jsnet.eku.edu/info/law-enforcement-degree.asp)
- Associate of General Studies (For more details, see: www.ekuonline.eku.edu/eku-online-general-studies)

**Online Baccalaureate Degree Programs**

- Bachelor of Arts in General Studies (For more details, see: www.ekuonline.eku.edu/eku-online-general-studies)
- Bachelor of Arts in Paralegal Studies (For more details, see: www.jsnet.eku.edu/info/paralegal.asp)
- Bachelor of Science in Corrections and Juvenile Justice Studies (For more details, see: www.jsnet.eku.edu/cj/onlineBS.php)

- Bachelor of Science in Fire Protection Administration (For more details, see: www.eku.edu/online-fire-admin-degree)
- Bachelor of Science in Fire Protection and Safety Engineering Technology (For more details, see: www.eku.edu/online-fire-protection-engineering-degree)
- Bachelor of Science in Homeland Security (For more details, see: www.eku.edu/homeland-security-degree)
- Bachelor of Science in Occupational Safety (For more details, see: www.eku.edu/online-occupational-safety-degree)
- Bachelor of Science in Psychology (For more details, see: www.jsnet.eku.edu/info/psych.asp)

**Online Post-Baccalaureate Certificate Program**

- Post-Baccalaureate Certificate in Paralegal Studies (For more details, see: www.jsnet.eku.edu/info/paralegal.asp)

**Online Masters Degree Programs**

- Master of Arts in Education, Library Science P-12 (For more details, see: www.education.eku.edu/curriculum/grad.php)
- Master of Science in Corrections and Juvenile Justice Studies (For more details, see: www.jsnet.eku.edu/cj/onlineMS.php)
- Master of Science in Safety, Security and Emergency Management (For more details, see: www.eku.edu/online-security-management-degree)

**Online Doctoral Degree Program**

- Occupational Therapy Doctorate (OTD)

**STATE AUTHORIZATION COMPLIANCE REQUIREMENTS BY STATE**

**ALABAMA**

**TEACHER EDUCATION PROGRAMS:** Applicants for an Alabama certificate based on reciprocity must meet Alabama’s test requirements and submit a valid, renewable professional educator certificate/license issued by another state at the degree level, grade level, and in the teaching field or area of instructional support for which an Alabama certificate is sought and for which an Alabama certificate is sought and for which Alabama issues a certificate. Applicants for Alabama certification in an area of administration must also document at least three years of full-time employment as an administrator in a P – 12 school system(s). See www.alsde.edu

**NURSING:** State approval of a program to offer Alabama licensed nurse opportunities for advanced degrees does not indicate eligibility for approval to practice as an advanced practice nurse in Alabama. Applicants for approval in Alabama are required to meet the Alabama requirements for national certification, graduation from a specific-type program for the advanced practice approval, and completion of the appropriate application. Any program offering a pre-licensure track to Alabama students shall meet...
the requirements of the Alabama regulations for pre-licensure programs or the graduates may not be eligible to take the licensure examination required by the Alabama Board of Nursing to enter the practice. See www.abn.alabama.gov

INDIANA

This institution is authorized by:
The Indiana Board for Proprietary Education
101 W. Ohio Street, Suite 670
Indianapolis, IN 46204-1984

MINNESOTA

REGISTRATION DISCLOSURE: Eastern Kentucky University is registered as a Private Institution with the Minnesota Office of Higher Education pursuant to sections 136A.61 to 136A.71. Registration is not an endorsement of the Institution. Credits earned at the institution may not transfer to all other institutions.

DEGREE STANDARDS: The General Education Standards for EKU’s Associate of Art and Bachelor of Art degrees are different from Minnesota’s Degree Standards for General Education. In most circumstances Minnesota students should have enough elective courses to meet Minnesota’s Degree Standards but some students may be required to take additional courses to meet these standards. Minnesota students should review these degree standards at http://www.ohe.state.mn.us/mPg.cfm?pageID=201

NEW MEXICO

5.100.219 QUALIFICATIONS OF STUDENTS FOR ADMISSION:

A. No student shall begin a certificate or diploma program who has not received a high school diploma or the equivalent or who has not demonstrated ability to benefit from the program through a process of assessment that meets standards of the U.S. department of education or the department or who is participating in a concurrent enrollment program with a secondary school.

B. Institutions enrolling students who are of compulsory school age or who are concurrently attending an elementary or secondary school shall have in their possession a signature or other written confirmation by elementary/secondary officials or by the student’s parent or guardian that it is in the best interest of the student to be enrolled.

C. Institutions using an ability-to-benefit admission option shall provide the department with a clear and detailed statement describing their ability-to-benefit assessment programs (including cut off scores and validity data for any test used) and shall be able to demonstrate that ability-to-benefit assessment is performed in a consistent and valid manner.

D. No student shall be admitted to an associate degree or baccalaureate degree program who has not received a high school diploma or the equivalent.

E. No student shall be admitted to a graduate degree program who has not received a baccalaureate degree from an institution accredited by the U.S. department of education, or received a baccalaureate degree from a non-accredited institution licensed by the department or by the cognizant state agency in another state, or qualified in an alternative manner approved by the department.

F. An institution shall in its catalog or other appropriate materials provide prospective students with a description of the criteria and methods used to admit or reject students and methods used to assess their ability to complete program requirements.

G. An institution shall periodically prepare an analysis demonstrating the relationship between (a) its system for assessing ability to benefit and (b) the likelihood of students successfully completing a program at the institution. Such analyses shall be prepared in a manner acceptable to the department and a report of each analysis shall be provided to the department.

5.100.220 PAYMENT OF TUITION AND FEES; REFUNDS OF TUITION AND FEES:

A. Cooling off period. Any student signing an enrollment agreement or making an initial deposit or payment toward tuition and fees of the institution shall be entitled to a cooling off period of at least three work days from the date of agreement or payment or from the date that the student first visits the institution, whichever is later. During the cooling off period the agreement can be withdrawn and all payments shall be refunded. Evidence of personal appearance at the institution or deposit of a written statement of withdrawal for delivery by mail or other means shall be deemed as meeting the terms of the cooling off period.

B. Refunds prior to commencing instruction. Following the cooling off period but prior to the beginning of instruction, a student may withdraw from enrollment, effective upon personal appearance at the institution or deposit of a written statement of withdrawal for delivery by mail or other means, and the institution shall be entitled to retain no more than $100 or 5% in tuition or fees, whichever is less, as registration charges.

(1) In the case of students enrolling for non-traditional instruction, a student may withdraw from enrollment following the cooling off period, prior to submission by the student of any lesson materials and effective upon deposit of a written statement of withdrawal for delivery by mail or other means, and the institution shall be entitled to retain no more than $100 or 5% in tuition or fees, whichever is less, as registration charges or an alternative amount that the institution can demonstrate to have been expended in preparation for that particular student’s enrollment.

(2) Upon request by a student or by the department, the institution shall provide an accounting for such amounts retained under this standard within five work days.

C. Refunds following commencement of instruction. An institution licensed by the department shall adhere to either the following tuition refund schedule or to a schedule established by the institution’s accrediting body and recognized by the U.S. department of education. Exceptions may be made on a case by case basis by the department or its designee.

D. A student may withdraw after beginning instruction or submitting lesson materials, effective upon appearance at the institution or deposit of a written statement of withdrawal for delivery by mail or other means. In accordance with the most recent U.S. department of education guidelines, the institution shall be entitled to retain, as registration charges, no more than $100 or 5% of tuition and fees, whichever is less. Additionally, institutions are eligible to retain tuition and fees earned and state gross receipts taxes at a pro-rata amount according to the following schedule, as outlined by the U.S. department of education:

<table>
<thead>
<tr>
<th>Date of student withdrawal as a % of the enrollment period for which the student was obligated</th>
<th>Portion of tuition and fees obligated and paid that are eligible to be retained by the institution</th>
</tr>
</thead>
<tbody>
<tr>
<td>On 1st class day</td>
<td>0%</td>
</tr>
<tr>
<td>After 1st day; within 10%</td>
<td>10%</td>
</tr>
<tr>
<td>After 10%; within 25%</td>
<td>50%</td>
</tr>
<tr>
<td>After 25%; within 50%</td>
<td>75%</td>
</tr>
<tr>
<td>50% or thereafter</td>
<td>100%</td>
</tr>
</tbody>
</table>

E. “Enrollment period for which the student was obligated” means a quarter, semester, or other term of instruction followed by the institution which the student has begun and for which the student has agreed to pay tuition.

F. Tuition/fee refunds must be made within 30 calendar days of the institution receiving written notice of a student’s withdrawal or of the institution terminating enrollment of the student, whichever is earlier.

G. Upon request by a student or the department, the institution shall provide an accounting for such amounts retained under this standard within five workdays.

H. The institution’s payment and refund policies shall be clearly articulated in the institution’s catalog and as part of all enrollment agreements.

I. Tuition and fee charges shall be the same for all students admitted to a given program for a given term of instruction. An institution may not discount its tuition and fees charged to individual students as an incentive to quick enrollment or early payment. An institution may negotiate special rates with business, industrial, governmental, or similar groups for group training programs and may establish special rates for students who transfer
ACADEMIC PROGRAMS

between programs. An institution may charge a reasonable carrying fee associated with deferred or time payment plans.

J. In the case of vocational/technical/occupational programs, an institution shall be able to demonstrate that its tuition and fees for completing each program are reasonable in relation to the earnings that a graduate or completer of the program can be reasonably expected to earn.

5.100.2.25 COMPLAINTS AGAINST THE INSTITUTION:

A. An institution licensed by the department shall have and make available to all students a written procedure that describes in detail how students or other parties may register a complaint or grievance, how the institution will investigate the complaint, and how the institution will attempt to resolve the complaint. Such policies shall at a minimum include the following components:

(1) requirement that students or other parties with complaints or grievances against an institution first seek to resolve their complaint or grievance directly with the institution;

(2) a time frame within which the institution will investigate the complaint and respond to the complainant;

(3) assurance of the involvement of a person who will serve as an impartial representative of the institution but not be directly involved in the area of the complaint;

(4) assurance that no adverse action will be taken against the complainant for registering the complaint; and

(5) identification of the higher education department as the agency to be contacted in cases where a complaint cannot be resolved.

B. The institution shall maintain adequate records of all complaints and their resolutions for a period of not less than three years.

C. Complaint to the department. A student or other party not satisfied with an institution’s resolution of a complaint may submit a complaint to the department in writing on a form provided by the department. A student must file a complaint with the department within three (3) years of his/her last date of enrollment.

D. Upon receipt of a written complaint, the department or its authorized representative shall verify that the complaint involves one or more standards for licensure of the institution and is therefore a legitimate subject of complaint to the department. If the complaint is determined to be legitimate, the department or its authorized representative shall forward the complaint to the institution for a written response and shall encourage resolution of the complaint between the student and the institution. The institution shall have thirty (30) days to forward its response to the department. A copy of the institution’s response will be forwarded to the student with a request that the student indicate satisfaction or dissatisfaction with the response.

E. In attempting to resolve a verified complaint, the department or its authorized representative may, but is not obliged to, convene a hearing and shall give written notice to the institution and to all persons involved, regarding the time, date, and place of the hearing. Such hearings, if held, shall be informal and for the purpose of determining the facts surrounding the claim and, if the claim is correct, to effect a settlement by persuasion and conciliation.

F. In the event that the party complained against refuses to attend the hearing or effect the settlement of any claim determined by the department to be correct, the department shall invoke its powers to take such action as shall be necessary for the indemnification of the claimant.

OREGON

Online students residing in Oregon are eligible for refunds pursuant OAR 583-030-0035(18) (c). After classes begin for a term, a student who withdraws from a course is eligible for a partial refund through the middle week of the term. Refunds shall be based on unused instructional time and shall be prorated on a weekly basis as stipulated above.

Terms that are 17 weeks in length require a refund through week 9.
Terms that are 10 weeks in length require a refund through week 5.
Terms that are 8 weeks in length require a refund through week 4.
Terms that are 5 weeks in length require a refund through week 3.
Terms that are 2 weeks in length require a refund through week 1.

Partial refunds will occur through the middle week of any given term, and prorated on a weekly basis as stipulated above.
The Office of Academic Affairs

Dr. Janna P. Vice, Provost and Vice President for Academic Affairs
Coates 108
(859) 622-8812

www.academicaffairs.eku.edu

OFFICE OF THE PROVOST & VP FOR ACADEMIC AFFAIRS

The Provost and Vice President for Academic Affairs serves as the chief academic officer of the University. The Provost and Vice President is responsible to the President for the coordination of all phases of the instructional program and institutional research. In addition, the Provost and Vice President for Academic Affairs supervises the preparation of position specifications for instructional staff and administrative personnel connected with instructional activities; makes recommendations to the President concerning staffing needs and appointments, promotions, or dismissals for all instructional personnel and administrative personnel related to instruction; and, as the person responsible for the coordination and development of all academic programs, serves as chair of the Council on Academic Affairs.

Academic Readiness and Testing

Ms. Kathy Williams, Director
Whitlock Building 326
(859) 622-2306

The Office of Academic Readiness and Testing plans, implements and supports programs and services for students transitioning from high school or the workplace to the University, as well as new and continuing students seeking improve academic performance.

Academic Redness and Testing encompasses Developmental Education, College Readiness, Academic Testing, Tutoring, and Eastern Bridge freshman transition programming. The unit provides program coordination, academic improvement, and transition and testing services that support the goals of current and potential students, as well as the University community. Services allow students to build needed skills and/or demonstrate knowledge base for admission to the University or University programs. The unit also provides assessment to ensure appropriate course placement to maximize student success, and coordinates tutoring efforts across campus.

Developmental Education and College Readiness helps students achieve academic success by developing or enhancing skill level proficiencies. The program provides opportunities for skill development through courses and programs designed to improve essential skills in writing, reading and mathematics, as well as via tutoring services. Additional information about Developmental Education and College Readiness may be found at www.developmentaleducation.eku.edu.

Academic Testing is responsible for the coordination, administration, and planning of academic assessments that are requested by the University and educational community. The types of testing provided by the office include national tests, state assessments, and locally developed exams. Special need accommodations are available upon request. Additional information about Academic Testing may be found at www.testing.eku.edu.

Academic Testing programs and services transition students to the University and provide new and continuing students with support for academic success. Programs and services include the First step to College Success program, advising for Special Admissions students, tutor training, and tutoring coordination. Additional information about these programs and services may be found at http://www.transition.eku.edu/

Council on Academic Affairs

Dr. Janna P. Vice, Council Chair

The Council on Academic Affairs is the major policy-making body for the academic programs of the University. All college curriculum committees report to the Council. Major actions of the Council are reviewed by the Faculty Senate and subsequently presented to the President of the University and the Board of
Regents for final approval. Council membership is comprised of the Deans, or their designees; the Registrar; the Chair of the Faculty Senate; the Director of Academic Advising; the Director of the Honors Program; a representative of the Chair of Chairs Association; a faculty representative from the Academic Quality Committee of the Faculty Senate; two student representatives from the Student Government Association; and the Associate Provost for Diversity Planning (non-voting), the Associate Vice President of Student Affairs and Dean of Students (non-voting), the Associate Vice President and Dean of Enrollment (non-voting), and the Director of Admissions (non-voting). The Provost and Vice President for Academic Affairs serves as Chair of the Council.

Graduate Education and Research
Dr. Jerry Pogatschnik, Associate Vice President of Research and Dean of Graduate Education

Dr. Jaleh Rezaie, Associate Dean
Whitlock Building 310
(859) 622-1742

The Office of Graduate Education & Research is comprised of the Graduate School, the Division of Sponsored Programs, the Division of Natural Areas and the McNair Scholars Program. The Graduate School is responsible for the administrative oversight of EKU’s master’s specialist and doctoral programs. The Graduate School provides opportunities for undergraduate students to gain a head start in obtaining a graduate degree through our concurrent enrollment and 3+2 programs. Interested students are encouraged to contact the Graduate School for more information. Additional information is also posted on the Graduate School website at gradschool.eku.edu

The Division of Sponsored Programs assists EKU faculty and staff in seeking and managing grants, contracts, and other agreements that support EKU’s mission. The Division of Sponsored Programs is also responsible for managing the university’s research compliance programs including review of the use of human subjects or animals in research and responsible conduct of research by faculty, staff and students. Information is available on the Sponsored Programs website at www.research.eku.edu.

The Division of Natural Areas and McNair Scholars program are described below.

Natural Areas
Dr. Melinda Wilder, Director
Case Annex 105
(859) 622-1476

Eastern Kentucky University is responsible for the protection and management of three natural areas in Kentucky that serve as outdoor settings for all levels of environmental education and ecological research. These are: Lilley Cornett Woods (Letcher County) and Maywoods Environmental and Educational Laboratory (Garrard County). The Division of Natural Areas is responsible for coordinating the research, educational programs, development, and use of these areas, and provides coordinating and consulting services on the management of natural areas owned by public agencies and private organizations. The EKU Center for Environmental Education, established in 2002, is involved in a variety of community and educational outreach programs through the University, public school districts, public schools of central and eastern Kentucky, and the Kentucky University Partnership in Environmental Education (a partnership of state universities).

Lilley Cornett Woods, the oldest and most studied protected tract of old-growth forest in eastern Kentucky, is a Registered Natural Landmark (U.S. Department of Interior). The Woods is used primarily for base-line ecological research and advanced undergraduate and graduate instruction by the University and other institutions of higher education. Public use is limited to guided tours in this unique forest.

Maywoods Environmental and Educational Laboratory is used by the University and elementary and secondary schools for environmental education. This 1700-acre forested natural area is an official State Wildlife Refuge used to attract and protect native wildlife through approved wildlife management programs. On-site facilities provided for use of Maywoods as an off-campus conference and workshop location for the University.

The Division also provides on-campus coordination of University affiliation with the marine science program at the Gulf Coast Research Laboratory (Mississippi).

Natural areas under the supervision of the Division are available for use by the general public for passive recreation activities such as hiking and wildlife photography. For further information about the use and availability of these natural areas, please call (859) 622-1476 or visit the website, www.naturalareas.eku.edu.

Honors Program
Dr. David W. Coleman, Interim Director
Case Annex 168
(859) 622-1403

The Honors Program seeks to provide intellectually stimulating, interdisciplinary courses for students with excellent academic backgrounds and/or exceptional potential for superior performance in college. These courses are taught in small classes that replace the university’s general education and university requirements. The Honors Program also supports the efforts of EKU Honors students to understand and, in the context of their honors theses, undertake ethical, innovative, sophisticated, independent research. Regardless of the student’s major, the courses taken in the Honors Program will apply to the student’s general education and university requirements; participation in the EKU Honors Program will not delay a student’s progression to degree. Any honors student who successfully completes the minimum required hours of honors coursework and graduates with a cumulative grade point average of at least 3.0 will qualify as an “Honors Scholar.” The University will recognize this achievement at commencement, on the academic transcript and on the student’s diploma, where the phrase “Honors Scholar” will appear.

For information about eligibility and admissions to EKU Honors, consult our website or contact us at (859) 622-2924.

Students entering the EKU Honors Program in their first semester of college will be required to complete 25 hours of honors coursework including HON 100, HON 102/103, and HON 420. Students entering the EKU Honors Program as a currently enrolled or transfer student (with typically no more than 45 hours completed at the time of program enrollment) will be required to complete 18 hours of honors coursework including HON 420. It is the policy of EKU Honors to automatically accept all students transferring from an acknowledged honors program or college; honors transfer students must include in their application...
to the program a letter from their current honors director or dean indicating that they are in good standing in that program upon applying to EKU Honors.

**Flexibility in EKU Honors**

Upon admission to the program, students entering the EKU Honors Program will elect to fulfill their general education and university requirements in one of two ways. They may either 1) complete the 34-hour Honors Core in its entirety which will fulfill all university and general education requirements (except for the University Wellness Requirement) OR 2) apply their Advanced Placement, enrollment, and other pre-college/college credit to their general education and university requirements, using their honors coursework to complete the remainder of these requirements. ALL honors students must complete either 18 or 25 hours of honors coursework, as detailed above, regardless of the option utilized to fulfill their general education and university requirements. Students entering the EKU Honors Program will receive individualized plans from an EKU Honors advisor as to how they will fulfill their general education, university, and EKU Honors requirements.

**LIBRARIES**

Ms. Betina Gardner, Dean
Library 202A  
(859) 622-1778  
library.eku.edu

EKU Libraries includes the John Grant Crabbe Library and several branch libraries. The main library complex, located in the heart of the Richmond campus, features a Java City Library Cafe, an Instructional Development Center, the University Archives, a large computer lab and many other exciting resources and services. EKU Libraries houses a 760,000 volume print collection, subscribes to hundreds of online databases and provides access to over 20,000 online academic journals and a growing collection of online books. The main library complex also houses EKU’s Law Library.

**Branch Libraries Locations**

1. Elizabeth K. Baker Music Library – Foster Basement  
2. Wofford K. White Justice and Safety Library – Stratton Building  
3. Business Library and Academic Commons – Business and Technology Center  
4. Law Library – Crabbe Library, 3rd floor

Library services include individual or group library instruction sessions; reference services via phone, email and online chat; laptop checkout; interlibrary loan; courier services for extended campus students; and much more. Additionally, spaces are available (by reservation or drop in) for meetings and study groups. For more information, call 622-1790 or visit us on the Web at library.eku.edu/, where you can search our catalog, get research help and discover the many resources available at EKU Libraries.

**MCNAIR SCHOLARS PROGRAM**

Mr. Rich Richmond, Director  
Jones 409  
(859) 622-6249

The McNair Scholars Program at Eastern Kentucky University is a federal initiative funded through the U.S. Department of Education. The McNair Scholars Program encourages and assists undergraduate students from disadvantaged backgrounds who aim to enter careers that require doctoral achievement. Professional staff members provide supportive supplemental advising, offer holistic academic counseling, and facilitate structured training opportunities that enhance participants’ readiness for graduate school applications and preparation for graduate school achievement.

**Services provided by the program include:**

- PhD faculty mentoring  
- Supportive supplemental advising  
- Holistic academic counseling  
- Seminars and scholarly activities that prepare participants for
Additional information about the McNair Scholars program can be found on the website at www.mcnair.eku.edu.

**Registrar**

Ms. M. Tina Davis, University Registrar
Whitlock Building 239
(859) 622-2320

The Office of the Registrar serves and supports students and faculty, as well as the larger campus community. The primary responsibilities of the Registrar include: upholding the University Catalog with fairness and consistency, serving as the custodian of student academic records, being a primary academic and student support unit, and functioning as a compliance specialist for federal and state regulations. The Registrar's Office assists students, prepares the schedule of classes, manages the enrollment of all students, and is charged with the maintenance, security and integrity of student and University academic records, including student transcripts.

The Registrar's Office also administers the minimum scholastic standards of the University, posts transfer credit, oversees degree audit services, monitors and safeguards academic data integrity, determines NCAA student-athlete academic eligibility, coordinates commencement exercises, degree confirmation and the production and delivery of diplomas, and oversees the scheduling of academic space.

For additional information and a more detailed listing of services, please review the Registrar’s Office website at www.registrar.eku.edu. For registration assistance email: registration@eku.edu.

**University Diversity Office and the Office of the Associate Provost for Diversity Planning**

Dr. Sandra Moore, Associate Provost for Diversity Planning
Jones 407
(859) 622-6587

The Office for University Diversity and the Office of the Associate Provost for Diversity Planning is responsible for the development, implementation, and evaluation of the Eastern Kentucky University Comprehensive Diversity Plan (EKUCDP). The EKUCDP was ratified by the EKU Board of Regents and is in compliance with the Statewide Diversity Policy. The University Diversity Office collaborates with EKU units in the development of their diversity plans and directs the University Diversity Faculty Recruitment and Retention Incentive Plan/Funds. The Associate Provost for Diversity Planning is EKU’s liaison to the Council on Postsecondary Education and the Committee for Equal Opportunity in support of the Commonwealth’s diversity, desegregation and equal opportunities plans for postsecondary education. The Associate Provost for Diversity Planning also chairs the EKU Diversity Planning Council and has oversight and reporting responsibility for the University Diversity Committee.
The Office of University Programs

Dr. Sara Zeigler, Dean
Keen Johnson 201
(859) 622-2222

Dr. Rose Perrine, Associate Dean
Miller 106
(859) 622-6765

“Think, Create, Communicate”
The mission of University Programs is to provide and support university-wide interdisciplinary academic programs that promote student success through a liberal educational experience.

DIRECTORY

MULTI-DISCIPLINARY EDUCATION

AFRICAN/AFRICAN-AMERICAN STUDIES

Dr. Salome C. Nnoromele, Director
Miller 109/110
(859) 622-1299

African/African-American Studies is an interdisciplinary program that explores the histories, societies, and cultures of Africans and people of African descent throughout the Diaspora. Courses are offered from a broad range of disciplines, including the arts and humanities, social sciences, law enforcement, education, and health sciences. The program awards an undergraduate minor and a certificate in African/African-American Studies.

Minor

Minor In African/African-American Studies
A student may complete a minor in African/African-American Studies by taking 18 hours as indicated below.

Core Requirements.................................................................6 hours
AF/AA 201 or 201W, 202 or 202W.
Electives................................................................................12 hours
Twelve hours from the following courses:
AF/AA 225, 304, 305, 345, 346, 347, 349, 360, 361, 367, 372S,
378, 385, 386, 388, 435, 495; CDF 424; SOC 400.
Total Curriculum Requirements......................................18 hours

Certificate

Departmental Certificate in African/African-American Studies
A student may complete a certificate in African/African-American Studies by taking 12 hours as indicated below.

Core requirements.................................................................6 hours
AF/AA 201 or 201W, 202 or 202W.
Electives................................................................................6 hours
Six hours from the following courses:
AF/AA 225, 304, 305, 345, 346, 347, 349, 360, 361, 367, 372S,
The Center for Appalachian Regional Engagement and Stewardship (CARES) is to promote quality of life throughout EKU’s 22-county service region and beyond by building and sustaining ongoing relationships that link university and community resources. The Center’s efforts focus on the five areas identified by the Kentucky Council on Postsecondary Education:

- economic and workforce development;
- education;
- environment;
- collaborative government; and
- health, wellness, and safety.

Through an ongoing dialogue with community members throughout the service region the Center seeks, to pinpoint community needs in these five areas and identify and coordinate the use of community, regional, and university resources to serve those needs. In addition, the Center publishes a peer-reviewed academic journal and offers academic minors, internships, and service-learning opportunities to provide further educational opportunities for faculty and students in teaching and learning, research, and service. By doing so, the Center represents EKU’s continued commitment to its service region and to Appalachia.

Appalachian Studies

appalachianstudies.eku.edu
Dr. Alice Jones, Coordinator
Keith 133
(859) 622-1424

Appalachian Studies is a multidisciplinary program that brings together courses taught by a diverse group of teachers/scholars from the social sciences and humanities, art, environmental studies, social work, and health sciences. The program awards an undergraduate minor and a certificate in Appalachian Studies.

Students are encouraged to select a group of courses tailored to their personal and academic goals in consultation with the Coordinator.

Minor in Appalachian Studies

The minor in Appalachian Studies requires a minimum of 18 credit hours as indicated below:

Core Requirements: 3 hours
APP 200 (also fulfills General Education, Element 5B or 6)

Electives Requirement: 15 hours
Fifteen (15) hours of approve Appalachian Studies electives

Total Curriculum Requirement: 18 hours

Certificate in Appalachian Studies

The certificate in Appalachian Studies requires a minimum of 12 credit hours as indicated below:

Core Requirements: 3 hours
APP 200 (also fulfills General Education, Element 5B or 6)

Electives Requirement: 9 hours
Fifteen (9) hours of approve Appalachian Studies electives

Total Curriculum Requirement: 12 hours

Approved Appalachian Studies Courses:

APP 200 Introduction to Appalachia
APP 340/ECO 340 Environmental Economics
APP 350 Special Topics: Appalachia
APP/CRJ 355 Rural Crime & Justice
APP/SOC 363 Images of Appalachia in Film & Song
APP/ENG 365 Appalachian Literature
APP 366/SOC 365 Social Change in Appalachia
APP/PHI 370 Religion in Appalachia
APP/POL 373 Politics of Development in Appalachia
APP/HIS 420 Appalachia in American History
APP/ENG/ENV 430 Sustainability in Appalachia
APP 460 Seminar in Appalachian Studies
APP 490 Independent Study
APP/OTS 520 Providing Health Services in Appalachia

Students may also select content relevant special topics or independent studies courses with the approval of the Coordinator of the Appalachian Studies minor.

Minor in Environmental Sustainability and Stewardship

www.green.eku.edu/ENV
Dr. Alice Jones, Coordinator
Keith 133
(859) 622-1424

Environmental Stewardship is an ethic that embodies responsible care and respect for the natural environment through conservation, preservation, restoration, and responsible individual and collective behavior. Environmental Sustainability implies a cross-generational commitment to this responsibility, and to its economic, and political, and social dimensions. Considerations include—but are not limited to—ecological system function, climate change, energy use, natural resource and ecosystems/land use, and human health and well-being.

The minor in Environmental Sustainability and Stewardship (ENV) emphasizes:
- Scientific understanding of the natural laws that govern the functioning of the biosphere;
- Human connections to the physical and natural world;
- Environmental ethics, values and behavior and how they are expressed in individuals, communities, societies,
and institutional structures

- Technological and economics to sustainability and stewardship; and
- Practical service and experience that links sustainability & stewardship theory to the real world, and to the student’s major and career plans

The minor in Environmental Sustainability and Stewardship requires a minimum of 18 credit hours, with a minimum of 3 hours from each of the following categories:

**Core Requirement**..................................................3 hours

**Content Area Requirement**........................................12 hours

A minimum of 3 hours from each of the following Content Areas:
- **Human Connections to the Physical and Natural World**.................................3 hours
  - Three hours from: ENV 302 Global Environmental Problems (Cross listed as GEO 302); ENV 500: Environmental Issues (Crosslisted with BIO 500); ANT 370 Primate Conservation; EHS 425 Environmental Health Program Planning; SOC 383 Environmental Sociology;
- **Environmental Behaviors, Values, and Ethics**.................................3 hours
  - Three hours from: ENV 208W Environmental Literature (Cross listed as ENG 208W, Gen Ed Area 3B); REC 290; ENV 345 Sustainable Agroecosystems (Cross listed as AGR 345); ENV 385 Environmental Ethics (Cross listed as PHI 385);
- **Natural Systems Function**........................................3 hours
  - Three hours from ENV 303 Environmental Geoscience (Cross listed as GLY 303) ENV 317 Conservation of Wildlife Resources (Cross listed as WLD 317) ENV 590 Ecology for Teachers (Crosslisted with BIO 590); BIO 112 Ecology & Evolution (Gen Ed Area 4A);
- **Technological and Economic Applications**.................................3 hours
  - Three hours from: ENV 319 Renewable and Sustainable Energy Systems (Cross listed as AGR 319); ENV 340 Environmental Economics (Cross listed as ECO 340 and APP 340); ENV 341 Conservation of Agricultural Resources (Cross listed as AGR 340); ENV 325S Environmental Land Use Planning (Cross listed as GEO 325S); ENV 430 Sustainability in Appalachia (Cross listed as GEO 430 and APP 430)
- **Applied Studies**
  - Students may substitute up to 6 hours from the courses listed below OR applied learning, special topics, or independent studies courses in content relevant disciplines for coursework in any ONE of the content areas above with the approval of the Program Coordinator.
  - ENV 498: Independent Study: ENV 561 (Cross listed as EMS 561): ENV 564S (Cross listed as EMS 564S)
- **Electives**.........................................................3 hours
  - Three hours from any approved ENV course, OR in content-relevant disciplines with the approval of the Program Coordinator. For a current list of approved courses, visit green.eku.edu/ENV

**Total Curriculum Requirement**.................................18 hours
SECTION SIX - ACADEMIC DIVISIONS

Total Curriculum Requirements....................................18 hours
Electives.............................................................................12 hours
Core Requirements.............................................................6 hours

Gender Studies minor by taking 18 hours as indicated below:
Core Requirements.............................................................6 hours
  WGS 201 and 400.
Electives.............................................................................6 hours
Six hours from the following courses: WGS 132, 232, 300, 301, 302, 303, 304, 305, 306, 308, 309, 310, 331, 345, 349, 364, 378, 420, 445, 446, 451, 495, 591, 592, 593, SOC 399, or gender-specific courses from other programs (upon WGS approval).
Total Curriculum Requirements..........................................12 hours

NOTE: Average GPA of courses applied to the minor must be 2.25 or better.

THE NOEL STUDIO FOR ACADEMIC CREATIVITY
Dr. Russell Carpenter, Director
Crabbe Library
(859) 622-7330

The Noel Studio for Academic Creativity serves the EKU community as a collaborative, innovative learning experience designed to improve communication and research skills. With integrated programs in teaching and learning, undergraduate research, and applied creative thinking, the Noel Studio is dedicated to the development of effective communication skills and practices across disciplines. This program provides student support for writing, research, and oral communication and faculty development in a central, technologically sophisticated space located in the heart of the Crabbe Library. In the Noel Studio, trained consultants offer individual and small-group consultations to students and members of the EKU community seeking to refine specific projects and assist students in enhancing their research and communication skills.

TEACHING AND LEARNING CENTER
Dr. Hal Blythe, Co-Director
Dr. Charlie Sweet, Co-Director
Keen Johnson 2
(859) 622-6519

The Teaching & Learning Center (TLC) serves as the faculty development arm of the Noel Studio by delivering, coordinating, and promoting faculty development at EKU. Online and in person, the TLC provides support for EKU’s talented and dedicated professors. Helping EKU’s excellent faculty become even better instructors is a central TLC goal. Ultimately, EKU students benefit from the TLC’s work, as they experience the enriched learning environments created by EKU’s exemplary—and always developing—teaching faculty.

CHAUTAUQUA LECTURE SERIES
Dr. Minh Nguyen, Coordinator
Case Annex 157
(859) 622-8667

Imagine that none of the following Chautauqua Lecturers had ever visited our campus: Kwame Anthony Appiah, Chuck D, Angela Davis, Richard Dawkins, Michael Eric Dyson, Sylvia Earl, Daniel Ellsberg, The American Spiritual Ensemble, Eric Foner,
Robert George, Carol Gilligan, Temple Grandin, Brian Greene, Tyrone Hayes, Deidre McCloskey, Irshad Manji, N. Gregory Mankiw, Eric Metaxas, Richard Muller, R. Carlos Nakai, Martha Nussbaum, Richard Rodriguez, Peter Singer, Ben Sollee, Nadine Strossen, Ron Suskind, Trinh T. Minh-Ha, and Kenji Yoshino. The intellectual life of our campus and community would have been less vibrant. Our program provides campus and community members an opportunity to interact with some of the leading thinkers and activists of our time. As is often the case, these thinkers and activists inform us, engage us, challenge us, infuriate us, move us, and entertain us. With our minds refreshed and our intellectual curiosity renewed, the experience is potentially transformative. At Chautauqua events, members of the audience hear speakers from various professions and disciplines tackle provocative but vital issues. And they are encouraged to do so themselves. They see how it is possible to engage in creative, critical, but civil discourse. And they are encouraged to do the same. Our program aims to address both local concerns and global imperatives, and extend the students’ liberal arts education beyond the classroom. By striking a balance between the local and the global, we help serve the students’ regional needs. By sharpening their critical and creative thinking skills, expanding their liberal arts education, and adding an international dimension to it, we enhance their chance for success beyond Appalachia. For more information, visit www.chautauqua.eku.edu or contact Chautauqua Lecture Coordinator Dr. Minh Nguyen at minh.nguyen@eku.edu.

Office of Undergraduate Research
Dr. Jonathan Gore, Coordinator
Cammack 116
(859) 622-1115

The Office for Undergraduate Research (OUR) is the research arm of the Noel Studio. The OUR coordinates and promotes undergraduate research at EKU, managing such events as Posters-at-the-Capitol and the Undergraduate Presentation Showcase. In addition, the OUR assists faculty in mentoring student research projects, encouraging collaborations, publicizing the ongoing undergraduate research activities of the academic departments, developing grant proposals, and representing EKU at regional and national undergraduate research conferences. The OUR also facilitates the publication of an online journal for undergraduate research.

Minor in Applied Creative Thinking
Dr. Russell Carpenter, Director
Crabbe Library
859-622-7330

The Minor in Applied Creative Thinking is offered for students in all disciplines. The minor consists of 18 hours of courses.

Requirements..........................................................18 hours
CRE 101W and CRE 400 (CRE 400 must be taken after the completion of the other five courses), and 12 hours from a list of potential courses listed on the Noel Studio website at: http://studio.eku.edu/proposedminor-applied-creative-thinking or from the following potential courses:
ART 100, ART 152, ART 153, ART 164, ART 376, BEM 353W, ENG 350, ENG 351, ENG 352, ENG 358, ENG 410,

ENG 490, FSE 200, FSE 300, HLS 201, JOU 305, JOU 480, MUS 171, MUS 271, MUS 272, MUS 273, PUB 415.

Students pursuing the minor in Applied Creative Thinking must earn a “C” or above in all courses counting toward the minor.

Center for Pre-Professional Advising
New Science Building Room 2108
(859) 622-7894

EKU has a number of programs that will help prepare students for professional schools following graduation. These schools generally do not require a specific major, provided that their prerequisite courses are taken. All professional schools are highly competitive in their admission process. Thus, students should aim for strong GPA and professional school admission test scores. Students are encouraged to seek a major that they find interesting and challenging, that they have a strong aptitude for, and that provides additional career options. Students should meet with the Center for Pre-Professional Advising as early as possible after enrolling at EKU. The Pre-Professional Academic Advisor will assist the pre-professional student with selecting a major, and provide information and advice regarding professional school admissions and requirements.

Pre-Professional programs include the following areas:
- Pre-Dentistry
- Pre-Engineering
- Pre-Law
- Pre-Medical Science
- Pre-Optometry
- Pre-Pathology Assistant
- Pre-Pharmacy
- Pre-Physical Therapy
- Pre-Physician Assistant
- Pre-Veterinary

Three-Two Curricula: In addition to standard pre-professional curricula, Eastern Kentucky University may approve specially arranged combined curricula. Students approved for these curricula complete the first three years of requirements at EKU. At the end of these three years, they enroll in one of several highly rated professional schools. After the first year of professional study, they transfer the work back in order to secure a Bachelor of Arts or a Bachelor of Science degree from Eastern Kentucky University. This plan may shorten, by one year, the time needed to obtain both a baccalaureate and a professional degree.

Center for Career and Cooperative Education
Ms. Gladys T. Miller, Director
Whitlock Building 468
(859) 622-1296

The Center for Career and Cooperative Education assists students in achieving their career-related goals. Services include career exploration, job-search planning, and the development of job search tools/resources for part-time jobs, cooperative education experiences, internships, and full-time professional positions.
Cooperative Education (Co-op) and Applied Learning provide the student with an opportunity to blend theory with practice resulting in a balanced education. Learning within the classroom is combined with practical on the job training in business, industry, and/or government. Acceptance of a co-op/applied learning position for academic credit is contingent upon a suitable learning agreement between the employer and the university.

Eligibility:
- Faculty Coordinator approval
- Completion of a minimum of 30 credit hours prior to enrolling; transfer students required to complete at least one semester at EKU
- Minimum of 2.0 grade point average (GPA); some departments require a higher GPA
- Salary (for co-op jobs) must be within State and Federal wage guidelines

Academic Credit:
- Determined by the academic college or department
- May earn .5 to 8 hours credit per semester
- Minimum of 80 hours of employment for each semester hour of academic credit, including .50 half credit (students must work to the end of the semester). Co-op is 16 weeks for spring and fall semesters, and 12 weeks for summer term. Internships have more flexibility, but must be pre-approved.
- Maximum of eight semester hours toward meeting requirements for the associate degree, and sixteen hours toward the bachelor’s degree.
- Credit awarded for co-op/applied learning/internships only when the student is enrolled in the University and in compliance with the Center for Career and Cooperative Education

Work Requirements:
- A supervisor assigned by the employer to provide direction and coordination on the job; also responsible for submitting periodic and final evaluation reports on the student
- Grades assigned by the Faculty Coordinator in accordance with criteria established by the Center for Career and Cooperative Education and the student’s academic college/department.

Program Options:
- Parallel plan: students work part-time for multiple semesters (three or more semesters) while maintaining a full-time course load.
- Alternating plan: students employed full-time, alternating classroom training with work-based training for a period of two or more semesters, following the employer’s schedule. Students may also work full-time during the summer semester (twelve weeks), but must also work in their co-op position during the fall and/or spring semesters
- Special plans: developed to meet the needs of the student and employer
- Students typically will return to the same location for each assignment with increasing responsibilities; however, may be allowed to work for several employers in varying situations as long as the work is related to the student’s career goals and those of the program
- Students participating in the Applied Learning Program must meet the eligibility requirements of the Co-op Program, but may choose to work only one semester in either a paid or non-paid assignment or in any assignment that does not meet the Cooperative Education multiple term or length requirements.

Career Exploration
- For students who have a tentative career direction or major in mind, the Center can provide information about opportunities that are available with their major, career paths, supply and demand, destinations of past graduates, salaries, and potential employers.
- Career assessment tools and career counseling appointments are available to help students expand their self-awareness of “best fit” career options according to students’ personality, strengths, interests and values.

Part-Time Job Program
- The Part-Time Job Program gives students opportunities to obtain part-time, temporary, and summer employment with local and regional businesses. Students who participate in the program gain experience in the workforce while networking in the community. The Part-time Job Program is open to all currently enrolled EKU students.

Job Search Preparation
- The Center staff offers individual appointments, workshops, online tools and other resources to help students with career and job-search preparation. They can help with resumes and cover letters, tips on job search strategies, professional dress, dining etiquette, interviewing skills, networking, social media, and applications to graduate and professional schools.

Connecting with Employers
- The Center staff assists students in identifying and connecting with potential employers through job/career fairs, on-campus interviews, individual appointments, online tools, and other resources. The Center’s Career Express database is an easy to use and innovative system that gives students and alumni access to jobs postings and employers targeting EKU students.

**Mock Trial**
- Mr. Thomas Parker, Coordinator
- Whitlock Bldg. 427
- (859) 622-7698

EKU’s nationally-ranked mock trial program affords students the chance to learn about legal process in a simulation format. Students play the roles of witnesses and attorneys, competing against teams from other schools in tournaments held across the nation. Mock trial develops critical thinking and communication skills, teaches students to work as members of a team, and requires students to respond creatively to unexpected challenges during rounds of competition. Students receive two hours of academic credit (POL 466A and B) per term. Auditions for positions on the team are held each Fall.

**International Education**
- Mr. William Holmes, Director
- Whitlock Building 455
- (859) 622-1478

The center for International Education (CIE) houses various aspects of International Education. The CIE provides immigration
and orientation assistance to international students and visitors, works with faculty to internationalize courses and programs, and seeks to foster a greater commitment to comprehensive internationalization throughout the institution.

Eastern Kentucky University has approximately 340 international students studying at both the undergraduate and graduate levels. These students represent approximately 50 nations. A full-time International Services Coordinator assists with immigration support and the development of a calendar of events: academic, social and cultural, that are meant to assist students with adjusting to life in the USA and getting the most out of their international experience. A full-time International Student Advisor works directly with “sponsored” students studying at EKU through various governmental programs or scholarships. The new position of Study Abroad Coordinator supports the growth of opportunities for domestic students to internationalize their EKU education through a period of study abroad. The Coordinator continually works with students to find the correct fit abroad for them be it a short-term summer program, semester/year abroad or exchange (see below). The Director of International Education facilitates international ventures and exchanges across the curriculum, assists with arrangements for visiting faculty, scholars, researchers, and develops new study abroad programs around the world for domestic students.

### Minor in International Studies

The globalization of the economy, increased cross-cultural relations, instantaneous reporting from world-wide media outlets, cross-border ecological crises, and political transformations are all making international studies more important in this rapidly changing world. As such, the international studies minor encourages students to begin thinking and acting within a global perspective, in order to meet these current challenges. Courses in the minor deal with topics as diverse as the relations of the United States with other countries, critical language studies, international economics, cultures and religions of Latin America or Asia.

The minor consists of 21 credit hours across a number of disciplines, providing a broad-based, general exposure to international issues through a solid set of three core courses. A commitment to foreign language and/or international experience is an integral part of the minor. A wide range of electives rounds off the minor.

#### Core Courses

- GEO 100, HIS 347, POL 220.

#### Study Abroad or Foreign Language

Six credit hours from either a Study Abroad course (through Eastern Kentucky University or another accredited university, with credit transferred back to EKU), or six credit hours of foreign language at or above the 200 level. Students may split this requirement by taking 3 credit hours of Study Abroad and 3 credit hours of a foreign language at or above the 200 level.

#### Electives

Six credit hours from among the following courses (Note: Many of these courses, including all College of Business upper division courses have prerequisites): ANT 250, CMS 375, COM 300, COM 345 or ENG 345, ECO 394, 395, EME 530, FCC 220, 222, 226, 227, FIN 330, GBU 201, GEO 202, 205, 302, 322, 347, HIS 320, 350, 365, 375, 378, 384, 474, 475, HUM 300, 350, 360, MGT 430, MKT 400, PHI 330, POL 310, 312, 313, 315, 316, 325, 327, 410, 417, 495, REL 301, 335, 340, 345, 355.

---

**STUDY ABROAD AND EXCHANGES**

Jennifer White, Study Abroad Coordinator
Whitlock Building 455
(859) 622-1478

Studying abroad is the right choice for you. Eastern Kentucky University encourages all students to take advantage of study abroad opportunities and join the top 10% of American students who have an internationalized degree. The Center for International Education has, or will find, options of a short-term winter, summer, semester or year abroad that will fit any major/minor, country of interest and budget. The Center for International Education manages institutional scholarship funds that can help to bring study abroad within financial reach.

### Study Abroad:

- **Short term summer, spring break and winter break programs** are available through the Cooperative Center for Study Abroad (CCSA), the Kentucky Institute for International Studies (KIIS), The Knowledge Exchange Institute (KEI), Arcadia University (AU), Globalinks Learning Abroad (GLA) the School For International Training (SIT), as well as any number of EKU faculty-led programs that are created yearly. We can help find a summer, semester, or year-long program for any student in any major.

- **KEI (www.keibroad.org)** works to develop affordable, all-inclusive programs that integrate courses, internships and cultural interaction. KEI’s goal is to provide education abroad programs that allow students to complete major-specific and general education requirements, gain practical experience and enhance their understanding of the world through cultural and social immersion. KEI offers programs that focus on business, economics, international relations, foreign languages, regional studies, psychology, sociology, anthropology, archeology, communications, journalism, media, visual arts, performing arts, graphic design and fashion design as well as science, math, engineering, medicine, health and computer science. KEI continues to expand its offerings to include other academic majors and professions.

- **CCSA (www.ccsa.cc)** is a consortium of colleges and universities throughout the USA that offers programs in the English-speaking world. The programs are directed and taught by member institution faculty. CCSA offers two-week programs during the winter break and two- and four-week programs in the summer, mid-May through August. Programs are offered in Australia, Belize, England, Ghana, India, Ireland, Jamaica, Scotland and South Africa. CCSA also offers eight-week internships and a full semester program at the University of East Anglia in Norwich, England.

- **KIIS (www.kiis.org)** is a consortium of Kentucky, Indiana, and Ohio colleges and universities that offers courses in non-English speaking countries. KIIS offers five-week summer programs in Austria, Brazil, Cameroon, China, Costa Rica, Denmark, Ecuador, France, Germany, Greece, Italy, Japan, Mexico, Puerto Rico, Spain and Turkey. Additionally, KIIS offers semester-long programs in France, Germany, Spain and Mexico.

- **AU (www.arcadia.edu/abroad)** offers you a choice of over 140 programs across Africa, Asia, Australia, Europe, Great
British, Ireland, Latin America, New Zealand and Turkey. Arcadia offers international internship placements, service learning projects and quality study abroad programs for a semester, summer, January term, or academic year.

- GLA (www.australearn.org) More than 20 years of experience and more than 20,000 satisfied alumni, Globalinks is the specialist in study abroad in New Zealand, Australia, and the South Pacific.

- SIT (http://www.sit.edu/studyabroad) SIT prepares students to be interculturally effective leaders, professionals, and citizens. In so doing, SIT fosters a worldwide network of individuals and organizations committed to responsible global citizenship. SIT fulfills this mission with field-based academic study abroad programs for undergraduates and accredited master’s degrees and certificate programs for graduates and professionals.

**Institutional Exchanges:**

Exchanges allow for the most immersive experience abroad possible. EKU has a number of direct, institution-to-institution exchanges in a variety of countries. We are also a member of The Magellan Exchange organization (www.magellanexchange.org) through which EKU students can study at any one of 16 partner institutions around the world. Students on these exchanges have the opportunity to use their financial aid to pay regular tuition and fees at EKU but go abroad to a partner institution where they will take classes alongside local students. Language instruction is predominately in English but opportunities to begin, or to perfect, foreign language abilities is possible through taking classes offered in the local language. Students from the partner institutions in turn come to EKU for a semester or year. Partner institutions are located in Germany, South Korea, France, Belgium, Denmark, Costa Rica, the Netherlands, Finland, Mexico, Spain and Austria.

For more information on Magellan exchange options as well as our direct exchange agreements, please contact the Study Abroad Coordinator or Director of International Education for an appointment.

**For More Information:**

Feel free to stop into the new EKU Center for International Education in the Whitlock Building Room 455 any time to pick up brochures on all the programs offered. Students interested in study abroad, whether summer, semester or exchange, are encouraged to make an appointment with the Study Abroad Coordinator at 622-1478 or studyabroad@eku.edu as soon as possible to discuss all options, application procedures, course approval, and costs.

**Regional Stewardship**

Dean Sara Zeigler
Karrie Adkins, Program Specialist

EKU’s Office of Regional Stewardship seeks to support and advance community engagement on an institution-wide basis while addressing community-articulated needs throughout EKU’s 22-county service region. The goal of the Office of Regional Stewardship is to identify community and regional needs in five areas:

- Economic, including workforce, development
- Education
- Environment
- Collaborative government
- Health, wellness, and safety

In addition to identifying service region needs, the Office of Regional Stewardship coordinates the identification and utilization of community, regional, and university resources to serve those needs. By “connecting the dots” the Office Regional Stewardship assists in relationship building and reciprocal engagement between the institution and the region and communities that EKU serves and, in doing so, facilitates service, applied learning and applied scholarship opportunities for EKU faculty and staff while also enhancing student learning.

**Foundations in Liberal Education**

Dr. Rose Perrine, Associate Dean of University Programs
(859) 622-6764

**General Education**

Dr. Garett Yoder, Coordinator
NSB 3166
(859) 622-1527

The mission of the General Education program is to promote learning that is central to the intellectual pursuits associated with our educational programs and to enable students to make informed choices about matters of public and personal significance in a diverse, democratic society and global community.

The general education program helps students to become informed, independent thinkers by developing competencies in communication, quantitative analysis, and critical thinking by helping them understand and appreciate the diversity of culture, individuals, the natural environment, and the global society. See Section Four of this Catalog for detailed information on courses.

**First Year Courses**

Mr. John Hearn, Director
Miller 206
(859) 622-7322

A Student Success Seminar is required during the first semester of enrollment of all first-time students and new transfer students with less than 30 credit hours earned during the first semester of enrollment. The purpose of this first-year course is to form a solid foundation for a student’s academic experience. These courses provide a firm foundation in the structure and functions of the university, how to succeed in college, how to choose and/or succeed in a major, how to make the most of the academic curriculum, and how to think critically and solve problems. This requirement can be fulfilled by enrolling in a 1 to 3 credit Student Success Seminar.
SERVICE-LEARNING
Dr. Rose Perrine, Associate Dean of University Programs
(859) 622-6764

Service-Learning is a teaching and learning strategy that integrates meaningful community service with instruction and reflection to enrich the learning experience, teach civic responsibility, and strengthen communities. Courses with an “S” designation following the course and prefix number have been officially recognized as service-learning courses.

Bachelor of Arts (B.A.)
GENERAL STUDIES
Cip: 24.0102

The General Studies degree program is designed for students intending to complete a baccalaureate degree whose educational objectives are not aligned with a more traditional degree program. The Bachelor of General Studies degree is intended to establish the foundation for a lifetime of continual learning and offers flexibly scheduled, highly individualized curricula. Through individualized advising, the program helps students define their educational goals and design interdisciplinary curricula drawing on a variety of course offerings. The program is also intended to allow a student who has completed most of the requirements of a major but has not yet completed the major of an approved program to complete a baccalaureate degree in a timely manner. Transfer credits from technical programs will be applied to this degree; however, they may not apply to other degree programs at the University.

In addition to the baccalaureate degree requirements in Section 5 of this Catalog, the following are required for students seeking a General Studies degree:
1. Students must have 18 hours within an individual college outside of and in addition to General Education requirements to receive their General Studies degree.
2. Any courses ordinarily accepted for credit by Eastern Kentucky University may be chosen as hours to apply to the 120 hours required for graduation.
3. Students seeking a General Studies degree must have 60 credits from a regionally accredited institution which may include completion of an AA, AS, or AAS degree.
4. Students pursuing a General Studies degree are not permitted to declare a double major or minor.
5. Students pursuing a General Studies degree may simultaneously pursue a departmental or University-level certificate.
6. Students will be considered a member of the College in which they have their 18 hour major requirement.
7. The B.A. General Studies degree is intended to be a first baccalaureate degree and is not appropriate for a concurrent or secondary baccalaureate degree.
8. The Professional Track for the B.A. in General Studies degree program prepares students to be effective leaders in a variety of professional work environments. Students will gain competency in critical & creative thinking, oral and written communication, leadership, social intelligence, and professional job skills. Students must complete the 18 hour core and one 18 hour option.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education ..............................................36 hours
• Student Success Seminar ..................................3 hours

(GSD 101: waived for transfers with 30+ hrs.)
• Wellness.............................................................3 hours
(For Professional Track only: Wellness waived for veterans)
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT – General Studies majors may fulfill ACCT with any of the following options: GSD 399 (also fulfills Exit Requirement), or 3 credit hours of co-op/applied learning (GSD 349), or a service-learning (S) course, or a college-approved student abroad experience, or HON 420 (Relevant credit hours will be incorporated into program requirements below.)

Total Hours University Graduation Requirement........42 hours

MAJOR REQUIREMENTS
Core Courses .....................................................18 hours
General Studies students will declare one of the following major areas:
• General Studies in Arts & Sciences: 18 hours of courses must be within the College of Arts & Sciences (excluding courses meeting the 36 hour General Education requirements).
• General Studies in Business & Technology: 18 hours of courses must be within the College of Business & Technology (excluding courses meeting the 36 hour General Education requirements).
• General Studies in Education: 18 hours of courses must be within the College of Education (excluding courses meeting the 36 hour General Education requirements).
• General Studies in Health Sciences: 18 hours of courses must be within the College of Health Sciences (excluding courses meeting the 36 hour General Education requirements).
• General Studies in Justice & Safety: 18 hours of courses must be within the College of Justice & Safety (excluding courses meeting the 36 hour General Education requirements).
• General Studies – Professional Track: The purpose of the Professional Track is to prepare students to be effective leaders in a variety of professional work environments. Students will gain competency in critical & creative thinking, oral and written communication, leadership, social intelligence, and professional job skills. Students must complete the 18 hour core and one 18 hour option.

Core Courses.....................................................18 hours
All students must complete core
CRE 101W, EES 250, 300, 310, 450, and GSD 399.
All students must complete one of the following concentrations:
A. Professional Area in Business............................18 hours
   ACC 201, 202, CIS 212, INS 370, MGT 301, and MKT301
B. Public Administration.......................................18 hours
   This Public Administration track is an ideal background for individuals planning careers in public service in local, state, regional, and federal government and in non-profit management. In addition, the program prepares individuals in the private sector who have responsibility for public sector contracts, regulatory compliance, and other oversight activities.
   POL 101, 370, 374; and any three of the following POL 373, 376, 377, or 533.
C. Human Services..............................................18 hours
   HSR 300, 305, 400, 405, 410, and 415
D. Paraprofessional in Special Education..................20 hours
   The Paraprofessional in Special Education Track is designed to
## Bachelor of Individualized Studies (B.I.S.)

**Individualized Studies**  
**CIP Code:** 24.0102  
Dr. Charlie Sweet, Coordinator  
(859) 622-6519

The Bachelor of Individualized Studies (B.I.S.) Degree is administered by the Associate Dean of University Programs. It is intended for students whose goals extend beyond traditional majors and whose integrative abilities permit them to plan and follow a personalized, unique program. A student seeking admission to the Bachelor of Individualized Studies Program should have, in the semester of admission, a minimum of 30 semester hours with a minimum GPA of 2.0. The application must be submitted to the Coordinator who will assist the student in finding a program advisor. The Coordinator will inform the applicant concerning admission status after the program advisor submits an acceptable plan of study which conforms to the program requirements. For more information visit our website [http://associatedeanup.eku.edu/](http://associatedeanup.eku.edu/).

### UNIVERSITY GRADUATION REQUIREMENTS

- General Education ..................................................36 hours
- Student Success Seminar (waived for transfers with 30+ hours) ..............................................1-3 hours
- Wellness ........................................................................3 hours
- Writing Intensive Course (Hours incorporated into Major/Supporting/Gen Ed/Free Electives category)  
- Upper division courses (42 hours distributed throughout Major/Supporting/Gen Ed/Free Electives categories)  
- ACCT – The Individualized Studies majors may fulfill ACCT with any of the following options: HON 420 or another approved undergraduate scholarly or creative activity; 3 credit hours of co-op or applied learning experience; a service-learning course, or a student abroad experience.  (Relevant credit hours will be incorporated into program requirements below.)

**Total Hours University Graduation Requirement** 40-42 hours

### MAJOR REQUIREMENTS

An application, with a plan of study conforming to the program requirements listed below, must be approved by the program coordinator before the student may declare this major.

**Core Courses** ..............................................36 hours

A cohesive plan of study with a minimum of 36 hours in an area of emphasis will constitute the core of the student’s major; 18 of the 36 hours shall be at the upper division level. A maximum of 18 hours from a single academic discipline can be applied to the area of emphasis.

**Senior Project:**  
A senior project is mandatory. The student must enroll in at least 21 hours of coursework (including the senior project), following the approval of their BIS plan of study.

**Free Electives** ..................................................42-44 hours

**TOTAL HOURS TO COMPLETE DEGREE** 120 hours

---

**Associate of General Studies (A.G.S.)**  
**GENERAL STUDIES**  
**CIP Code:** 24.0102

The Associate of General Studies degree provides students, especially adult learners, the opportunity to pursue a flexible degree program to meet their unique interests, career goals, and academic needs. Reflecting EKU’s commitment to a liberal arts education, the degree allows students to concentrate in an area of interest while selecting from a wide variety of courses to meet personal, educational, or career goals. This degree is designed for students for whom this will be their first college degree and who wish to advance in their careers, change careers, pursue a lifelong interest beyond their careers, or use the degree as a pathway to a baccalaureate degree. Students who are admitted as “Special Admittance/Conditional Admittance” (see page 10 of the Catalog), will be initially admitted into the Associate of General Studies degree program.

**OPPORTUNITIES**

The Associate of General Studies degree has become more attractive with the growth of business and industry in the area and with the increase of minimum educational requirements for employment or promotion. In addition to those students wishing to enhance their employability, other students will find the program offers numerous opportunities to seek a degree for their own personal satisfaction. The degree allows students to gain confidence in their abilities by earning a degree at the associate level prior to enrolling in a baccalaureate program. The associate degree also provides opportunities for students who wish to consolidate previously earned credits to complete their first degree. Serving students from a varied background of college readiness, this degree provides students a defined path to success in earning one or more degrees. Upon successful completion of EKU’s Associate of General Studies degree, the student will have met all General Education requirements, which will apply toward a four-year program at EKU or any other regional Kentucky institution.

**UNIVERSITY GRADUATION REQUIREMENTS**

**General Education** ..................................................36 hours  
Standard General Education program (Elements 1-6 inclusive, per Section Four of this Catalog).

**Student Success Seminar** (GSD 101; waived for transfers with 24+ hours) ..................................................3 hours

**Total Hours University Graduation Requirements** 39 hours

**MAJOR REQUIREMENTS**

- Students should refer to their DegreeWorks audit for General Education course selections.
• Students should consult with an advisor to choose an appropriate General Education math course.
• AGS students must earn a cumulative GPA of 2.0 on all work earned at EKU, as well as an overall GPA of 2.0 on combined transfer and EKU graded coursework.
• AGS students must complete at least 15 semester hours at EKU.
• AGS students must complete an approved 12-hour emphasis with an overall 2.0 GPA within an individual college beyond the General Education requirement.

Core Courses ........................................................................................................................................12 hours
Courses are within an individual College and exclusive of general education requirements. One of the concentrations below may be used to fulfill this requirement

Optional Departmental Concentration ........................................................................................................................................12 hours
Students may select a concentration of interest (see list below). Students with a declared departmental concentration will be advised by faculty of that department and will be officially affiliated with that department. The A.G.S. concentration will be reflected on the student’s transcript.

General Studies Exit Requirement (GSD 250) ................................................................. 0 hours
Free Electives ........................................................................................................................................9 hours

TOTAL HOURS TO COMPLETE DEGREE .........................................................60 hours
(Precise degree requirements will vary based upon concentration selected and student’s specific orientation course needs.)

The Associate of General Studies is intended to be a first degree and is not appropriate for a secondary degree. Students who declare the AGS should pursue that program as their primary degree and apply for graduation as soon as they approach completion of its requirements.

OPTIONAL A.G.S. CONCENTRATIONS
The following concentrations are available in the Associate of General Studies degree program:

Anthropology Concentration.........................................................12 hours
ANT 120, 200, and 201; one course chosen from ANT 321, 341, 351W, 355, 357, 360, or 471 toward the B.A. Anthropology degree major requirements.

Applied Engineering and Technology
Concentration ........................................................................................................12 hours
AEM 201, EET 251, GCM 211, and TEC 190.

Broadcasting and Electronic Media
Concentration ........................................................................................................12 hours
BEM 295(4), six hours from BEM 301 or 353W or 375, and two hours from BEM 349(1) or 398(1), or 491(1), or COM 320(1).

Computer Networking Systems Concentration ........................................12 hours
NET 302, 303, 354; 3 hrs of NET coursework.

Education Concentration........................................................................13 hours
EDF 103, SED 104, EDF 203, EDF 204, and EDF 205. Students planning to apply for admission to the Teacher Education Program after completing the AGS degree should also enroll in CMS 100 or 210, BIO 102 or PHY 102, and HIS 202.
Students should confer with a College of Education Advisor to determine the required math course for each specific program.

Electricity and Electronics Concentration........................................12 hours
EET 251, 252, 257, (EET 253 or 351).

English Concentration........................................................................12 hours
ENG 301, 302; 6 hrs of other ENG courses. ENG 210, 211, and 212 may count toward the concentration but will not count toward the B.A. English degree major requirements.

Geographic Information Systems
Concentration .........................................................................................................12 hours
GEO 210, 353; 6 hrs from: GEO 351, 455, 456, 501 (with departmental approval), 553, 556 or GLY 408.

Geography Concentration ........................................................................12 hours
GEO 100, 210, 220; 3 hrs of GEO elective.

Geology Concentration........................................................................12-14 hours
Two courses from GLY 102, 107, 108, 109, 172, 302, 303, 304, 305 Or GEO 210; plus two courses from GLY 210, 309, 315, 408, 415, GEO 353 or 456.

History Concentration ........................................................................12 hours
HIS 202 and 203 plus 6 additional hours of HIS courses. Of those 6 additional hours at least 3 must be in a course listed in Area II (Europe) or Area III (Non-Western). HIS 290 and 450W may not count toward the concentration.

Homeland Security Concentration .........................................................12 hours
HLS 101, 201, 210, 225. Students planning to later enroll in the B.S. Homeland Security should take as part of their General Education courses BIO 100 or BIO 101 or CHE 101/101L or PHY 101 or PHY 131 (Element 4); EES 250 (Element 1C), GEO 210 (Element 4), HIS 203 (Element 5A), and POL 100 or POL 101 (Element 5B).

Journalism Concentration ........................................................................12 hours
COM 201; JOU 310, 320; one elective from: JOU 305, JOU 325, or JOU 401.

Mathematical Sciences Concentration ........................................13 hours
MAT 124(4) or 124H(4); MAT 214; STA 270; and CSC 160, 177, or 190. A minimum grade of “C” is required of all courses counted toward the concentration.

Military Studies .............................................................................................12 hours
A total of 12 hours of a combination of: MSL courses, military services (ACE) credit, PHE 190, or PLS 375; at least 3 of the 12 hours must be earned in residence at EKU.

Physics and Engineering Concentration ........................................14 hours
MAT 124(4); PHY 201(S), 202(S). (Students should note that each has prerequisites.)

Political Science Concentration .................................................................12 hours
POL 100, 101, 212, and 220.

Pre-Business Concentration .................................................................12 hours
ACC 201, 202, GBU 204, and CIS 212 or QMB 200. A minimum grade of “C” is required of all courses
Psychology Concentration....................................12 hours
PSY 200 or 200W; PSY 250 or 250W; 6 hrs of PSY courses
(excluding PSY 349, 402, and 403). PSY 280 may count
toward the concentration but will not count toward the B.S.
Psychology degree major requirements. A minimum grade of
"C" is required of all courses counted toward the
concentration.

Security Management Concentration................12 hours
HLS 210, 310, 320, and 350.

Sociology Concentration......................................12 hours
SOC 131, 232, and 235; one course chosen from
SOC 313, 320, 340, 345, 363, or 383. These courses will
count toward the B.A. Sociology degree major requirements.

Veterans Studies Concentration.........................12 hours
VTS 200 – Introduction to Veterans Studies

VTS Dimensional Electives:
A minimum grade of "C" is required of all courses counted
toward the concentration.

Cultural (3 hours):
BEM 460, Advanced Film Genre: Veterans in Film (This
special topic only); ENG 374; ENG 386W; or WGS 304.

Institutional (3 hours):
HIS 412; MSL 303; PLS 375, ; POL 320, or POL 415.

Relational – (3 hours): CDF 331; CDF 437; SOC 313;
SWK 440; PSY 308; or PSY 320 (formerly PSY 410).

GRANT-FUNDED PROGRAMS

Education Pays Center
Ms. Robyn Moreland, Director
Weaver 202; (859) 622-6684
www.uky.edu.

The Education Pays Center is a program designed to assist
Kentucky Temporary Assistance Program (KTAP) recipients
who are seeking postsecondary education at Eastern Kentucky
University. This program is funded by the Cabinet for Health and
Family Services and has been on the EKU campus since 1998. The
Education Pays Center respects individual student-participants by
providing guidance and support toward career goals, meaningful
employment, and the achievement of postsecondary vocational
certificate and/or higher education degree. Student-participants are
provided with career exploration, counseling, mentoring, academic
support services, work experiences and job readiness skill building. The
Education Pays Center helps students get where they want to
be.

Educational Talent Search Program
Ms. Lisa Sons
Telford House
(859) 622-5425

The Educational Talent Search Program, a TRIO project
funded by the U.S. Department of Education, has been at Eastern
Kentucky University since 1985. The goal of the program is to
assist participants with postsecondary potential from designated
Central Kentucky counties to continue in, and graduate
from, secondary schools and to then enroll in and complete
postsecondary educational programs. Educational Talent Search
assists students who want to attend postsecondary institutions
by offering services related to the following areas: academic
information, career resources, cultural diversity activities,
financial literacy, financial aid program information, and personal
development activities. Educational Talent Search also offers
assistance to out-of-school adults in identifying additional support
services. The Educational Talent Search Program offers assistance
for high school completion through referrals to GED programs
and local high schools. Services are also available for those who
are enrolling in postsecondary institutions for the first time or for
those who are returning. For more detailed information, contact
the Educational Talent Search Program at (859) 622-5425 or check out
the Educational Talent Search Program’s website at www.ets.edu.

Upward Bound Program
Ms. Tamara Stewart, Director
Patterson House
(859) 622-1080

The Upward Bound Program, a TRIO project funded by the
U.S. Department of Education, has been at Eastern Kentucky
University since 1965. Its purpose is to motivate and prepare for
college traditionally underrepresented students from low-income
families and those in which neither parent holds a bachelor’s
degree. UB offers a rigorous academic program, mentoring,
academic support, individual and group tutoring, and workshops
in a variety of educational, motivational, and college preparatory
topics. Students are chosen from ten high schools in the nine
counties of Casey, Estill, Garrard, Jackson, Lee, Lincoln, Madison,
Powell, and Wolfe. They spend their sophomore, junior, and
senior years in the program, attending Saturday Academies and
in-school workshops throughout the academic year to provide
academic assistance as well as financial aid and college admission
information. During the summer, a six week residential program
includes academic classes, cultural and educational trips, plus
social and recreational activities. Tutor Advisors and instructors
assist students with their studies and other program activities.
Interested students from the above counties should contact their
high school guidance counselor or visit the website at www.
upwardbound.eku.edu
The College of Arts and Sciences offers baccalaureate and masters programs in a wide range of disciplines encompassing the arts, the humanities, the social and behavioral sciences, and the natural and mathematical sciences. The college also offers associate degrees in paralegal studies and science for engineering; preprofessional programs in engineering, optometry, pharmacy, and medical sciences; and certificate programs in French, German, Japanese, and Spanish. The College of Arts and Sciences also is principally responsible for the University’s general education program through which all University students are provided the opportunity to develop the skills, the knowledge, and the discernment essential to the full development of each person as an individual and as a member of society.

Through its many disciplines the College of Arts and Sciences strives to provide all students an excellent education with the most complete and current resources; to provide service to the University and to the community through its academic programs, through such facilities as the Psychology Clinic, and through the professional development and cultural opportunities sponsored by the College; and to encourage and support research and scholarship in all the disciplines included in the College.

**DEGREES OFFERED**

The College of Arts and Sciences offers the following baccalaureate degrees: Bachelor of Arts, Bachelor of Science, Bachelor of Fine Arts, Bachelor of Music, Bachelor of Social Work, Bachelor of Individualized Studies, and Bachelor of General Studies. The Associate of Arts is offered in Paralegal Studies and the Associate of Science in Science for Engineering.

**GENERAL UNIVERSITY DEGREE REQUIREMENTS**

General University degree requirements as set forth in Section Four of this Catalog as well as specific course requirements set forth in the descriptive curricula must be met by students completing programs administered by the College of Arts and Sciences. All students graduating with majors in the College of Arts and Sciences must have a 2.0 GPA in the major exclusive of any supporting courses. Students pursuing a minor in the College must have a minimum 2.0 GPA in the minor. At least twenty-five percent of the courses in the major must be taken at Eastern Kentucky University. In addition, individual programs may have specific requirements that exceed College requirements. Students should consult with an advisor or department chair to learn the particular requirements of a program.

**AFFILIATED ACTIVITIES AND RESOURCES**

**GULF COAST RESEARCH LABORATORY**

Eastern Kentucky University is affiliated with the Gulf Coast Research Laboratory, Ocean Springs, Mississippi. This affiliation provides undergraduate and graduate students with the opportunity to take courses and conduct research in marine sciences at an established, well equipped laboratory located on the Gulf of Mexico. Students electing to study at Gulf Coast Research Laboratory do not pay out-of-state tuition.

Courses are taught at Gulf Coast Research Laboratory, only during the summer. The Laboratory furnishes the staff for course work and research. Applications for the program and additional information are available in the departments of Biological Sciences, Chemistry, and Earth Sciences and in the Division of Natural Areas.

**TECHNOLOGY INFORMATION CENTER**

The College of Arts & Sciences Technology Information Center (TIC) is a Computer Center that offers a wide variety of services to faculty, staff and students. Located in Memorial Science 270, the Center houses a variety of technological equipment including 21 PCs all of which are connected to the Internet by a 1 GIG connection to quality laser printers, flatbed and slide/film scanners, black and white and color laser printing (including color poster printing), wide format printing and a film recorder (places digital images on film). Software packages available in the Center include Microsoft Office, Adobe Photoshop, Dreamweaver MX (for website development), SPSS and SAS as well as many “course specific” software programs.

We provide technical assistance to faculty and staff in the areas of computer-related problems, workshops for a wide variety of software packages, web development assistance and training in SmartBoard Technology. The Center can be reserved by faculty, staff, and graduate assistants for computer-based classes and workshops. The Center is also equipped with a SmartBoard, making it an excellent room for teaching.
**PRE-PROFESSIONAL PROGRAMS**

EKU has a number of programs that will help prepare students for professional schools following graduation. These schools generally do not require a specific major, provided that their prerequisite courses are taken. All professional schools are highly competitive in their admissions process. Thus, students should aim for strong GPA and professional school admission test scores. Students are encouraged to seek a major that they feel comfortable with, that they have a strong aptitude for, that is interesting and challenging, and that provides additional career concentrations. For additional information including contact information for advisors, students should visit the Pre-Professional Advising pages at http://www.cas.eku.edu.

**Pre-Law**

A broadly-based liberal education will best prepare one to study law, and therefore no fixed pre-law curriculum is prescribed. Students interested in attending law school should explore the detailed and helpful information available at (http://www.americanbar.org/groups/legal_education/resources/pre_law.html. As the site indicates, successful law students have “analytic and problem-solving skills, critical reading abilities, writing skills, oral communication and listening abilities, general research skills, task organization and management skills, and the values of serving faithfully the interests of others while also promoting justice.”

Students interested in going to law school or exploring the possibility of doing so should make an appointment with the University Pre-law Advisor as early in their academic career as possible. The Pre-law Advisor is located in the Department of Government. The Pre-law Advisor can guide the student in selecting courses consistent with the American Bar Association recommendations, plus provide valuable information on law schools, the Law School Admission Test, and typical admission procedures.

Admission to an accredited law school is dependent upon a good undergraduate record with an earned baccalaureate degree and a competitive score on the Law School Admission Test. Further information on appropriate pre-law curricula and the law-school application process can be found at pre-law links on the EKU Department of Government homepage located at http://www.government.eku.edu.

**Pre-Pathology Assistant**

Students with an interest in pursuing a career as a Pathology Assistant may achieve admission to a graduate school program by graduating in any science major, such as Chemistry (B.S. or B.A. Pre-Pathology Assistant Concentration), Biology (B.S.), Forensic Science (B.S.) or other science degree, provided certain prerequisites are met. Because Pathology Assistant programs differ in their individual requirements students are encouraged to check the web pages and contact the schools of their choice to determine which courses to take after consulting with their pre-pathology assistant advisor. The application process may begin in the fall or spring of the senior year, depending on the program. Admission requirements may include minimum GRE scores, a high undergraduate GPA, extensive shadowing and pathology experience, leadership potential, a strong sense of empathy, and a community and university service record. Admission to professional schools is highly competitive and depends on a good balance among each of these areas.

**Pre-Pharmacy**

It is recommended for students interested in pharmacy to complete a four year degree with a B.A. (Pre-Pharmacy Concentration) in chemistry. The chemistry pages in this Catalog list the appropriate courses for this concentration. An advisor from the Chemistry Department familiar with the pharmacy admissions process will be assigned. Students interested in pharmacy may major in any subject provided certain pre-requisite courses are taken. While it is possible for students to be admitted to a pharmacy school after just two years of undergraduate training, the competitive nature of these programs suggest students should complete their major in preparation for pharmacy school.

Pharmacy schools differ in their individual requirements, so students should check the web pages of the pharmacy school of their choice, and then determine which courses to take after consulting their pre pharmacy advisor. The application process typically begins in the fall of the senior year. Pharmacy schools require the PCAT and they look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing pharmacists or working as a pharmacy technician. Admission to pharmacy schools depends on a good balance among each of these areas in addition to strong PCAT scores and a high GPA.

**Pre-Medical Science**

Students with career interests in allopathic medicine, osteopathic medicine, or podiatry may achieve admission to professional schools by graduating in any major, provided certain prerequisites are met. Typically, students pursue either the Bachelor of Science degree in Biology (Pre-Medical Sciences Concentration) or the Bachelor of Art (Pre-Medical Concentration) or Bachelor of Science (Pre-Medical Concentration) degree in Chemistry. Students pursuing degrees in either department will complement their studies with appropriate courses in humanities, social sciences, and communications. Courses in mathematics and physics will also be required. All students interested in these areas are urged to visit the Department pages in this Catalog, or go on-line to find details of these major programs More information may be found at the EKU pre-professional web page at http://www.cas.eku.edu.

Students interested in medical school should consult the medical-school admission requirements for their schools of interest or those published in the MSAR (Medical School Admissions Requirements) book.

Students in Biology or Chemistry pre-med concentrations are assigned to a pre-medical sciences advisor in their Department. These advisors work closely with each student to help plan programs of study and prepare for the process of gaining admission to the chosen professional school. EKU also has a Pre-Medical Advisory Committee. This committee assists students in their application process and prepares committee letters of evaluation for them. The application process typically lasts over a year, so it is important for students to contact the chair of the Pre-Medical Advisory Committee by the end of their junior year.

Each medical school requires an admission exam, either the MCAT for medical schools or the GRE or MACAT for podiatry schools. These professional schools also look for students
with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing professionals in these fields. Admission to professional schools is highly competitive and depends on a good balance among each of these areas, in addition to strong MCAT and a high GPA.

**Pre-Dentistry**

Students interested in dentistry are encouraged to major in either Chemistry (B.A. or B.S., Pre-Dental Concentration) or Biology (B.S., Pre-Medical Sciences concentration), although dental schools will accept students from any academic background, provided certain prerequisites are met. Students are encouraged to check individual dental schools for details of their requirements.

Students majoring in either Biology or Chemistry will be assigned an advisor in their department who is familiar with dental-school admissions procedures. Pre-Dentistry students should make use of the Pre-Medical Advisory Committee. This committee assists them in their application process and prepares letters of evaluation for them. The application process typically lasts over a year, so it is important for students to contact the chair of the Pre-Medical Advisory Committee by the end of their junior year. More information may be found at http://cas.eku.edu.

Dental schools require the DAT admission exam, and they look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing dentists. Admission to dental schools is highly competitive and depends on a good balance among each of these areas, in addition to strong DAT scores and a high GPA.

**Pre-Optometry**

Students interested in admission to optometry school may complete any degree program, but typically they major in either Chemistry (B.A., Pre-Optometry concentration) or Biology (B.S., Pre-Medical Sciences concentration). See the Department pages in this Catalog for details of these programs. Refer to specific optometry school admission requirements for listings of appropriate prerequisite courses. Students in Chemistry or Biology will be assigned an advisor knowledgeable about optometry admissions procedures who will assist them in their application process. This process typically begins in the fall of the senior year. Optometry schools require the OAT exam, and look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing optometrists. Admission to optometry schools is highly competitive and depends on a good balance among each of these areas in addition to strong OAT scores and a high GPA.

**Pre-Veterinary Medicine**

Students who have career interest in veterinary medicine may fulfill admission requirements of specific veterinary schools by pursuing either the Biology major (B.S., Pre-Veterinary Science concentration) or the Agriculture major (B.S.). See the Department pages in this Catalog for details of these programs. Refer to specific veterinary schools for listings of appropriate prerequisite courses. Students should complement their studies with appropriate courses in humanities, social sciences, communications, and agriculture. Courses in mathematics and physics will also be required.

Students in Biology will be assigned an advisor knowledgeable about veterinary-school admissions procedures who will assist them in their application process. Applications generally must be submitted by October 1st of the senior year. Veterinary schools typically require the GRE, and they look for students with leadership potential, a strong sense of empathy, a community and university service record, and extensive experience shadowing veterinarians. Admission to these schools is highly competitive, more so than admission to medical schools, and depends on a good balance among each of these areas in addition to strong GRE scores and a high GPA. For more information, please refer to http://www.cas.eku.edu.

No Kentucky institution has a program in veterinary medicine; however, the Commonwealth has contracts to allocate a limited number of places in Auburn University’s College of Veterinary Medicine and Tuskegee University’s School of Veterinary Medicine to Kentucky residents. Students accepted under this program are exempt from the out-of-state tuition charge at these schools. For residents of Kentucky to be accepted under the Kentucky quota, application must be made directly to one or both of the contract schools.

**Pre-Engineering**

There are two pre-engineering curricula offered by the College of Arts and Sciences, described below. Students interested in a particular engineering program should see the pre-engineering advisor in either the Department of Physics and Astronomy or the Department of Chemistry.

**Two-Two Option**

In the first pre-engineering curriculum, referred to as the Two-Two Option, students spend two years at EKU taking basic science, mathematics, and general-education courses. Students then transfer their credits to the engineering school of their choice. Students can usually complete a degree in engineering after two years of additional course work at the engineering school.

**Three-Two Option**

In the second curriculum - the Three-Two Option, which is a Dual-Degree program, students spend three years at EKU and then take two years of work in engineering at the University of Kentucky, Auburn University, or another university with an accredited engineering program earning both a baccalaureate degree from EKU in Physics or Chemistry and an engineering degree from the engineering school. The additional year spent at EKU allows students to do more work in a science major, thus improving the breadth of their background.
DEPARTMENT OF ANTHROPOLOGY, SOCIOLOGY, AND SOCIAL WORK

Chair
Dr. Kelli Carmean
(859) 622-1644
Keith 223

Faculty

ANTHROPOLOGY

Anthropology is the study of human diversity. It explores the meaning of being human – from the study of culture and social relations, to human biology and physical evolution, to language, to music and art and to vestiges of human habitation. Anthropology addresses fascinating questions such as how peoples’ behavior changes over time, how and why people from distant parts of the world and dissimilar cultures are in many ways similar, how the human species has evolved over millions of years, and how individuals understand and operate successfully in distinct cultural settings. Anthropology includes four sub-fields: cultural anthropology, physical anthropology, archaeology, and linguistics. The Anthropology program at EKU offers exposure to all of these sub-fields, with the opportunity to specialize, if so desired. Two great reasons to study anthropology include: 1) study topics are intellectually exciting; and 2) Anthropology prepares students for excellent jobs and opens doors to various career paths. Anthropological study provides training particularly well suited to the 21st century. Anthropology is the only contemporary discipline that approaches human questions from historical, biological, and cultural perspectives. As a result, career opportunities exist in academic, corporate, nonprofit and government settings. Many anthropologists with bachelor's degrees work for contract archaeology firms at archaeological sites, in physical anthropology laboratories, and in museums in a wide range of areas. International health organizations and development banks employ anthropologists to help design and implement a wide variety of programs. Governmental organizations use anthropologists in planning, research, and managerial capacities. Forensic anthropologists find work in university and museum settings along with police departments to help identify mysterious or unknown remains. Anthropology is a career that embraces people of all kinds. It is a discipline that thrives with heterogeneity – in people, ideas, and research methods. Anthropologists know the wisdom of listening to multiple voices and linking the work from researchers who bring different backgrounds and apply various approaches to their endeavors.

BACHELOR OF ARTS (B.A.) ANTHROPOLOGY
CIP Code: 45.0201

UNIVERSITY GRADUATION REQUIREMENTS

- General Education ............................................36 hrs.
- Student Success Seminar
  (waived for transfers with 30+ hrs.)......................1 hr.
- Wellness..........................................................3 hrs.
- Writing Intensive Course (hours incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT: Anthropology majors will select one of the following: ANT 395 (Senior Capstone), ANT 439, ANT 470, ANT 377S, SOC 330S, HON 420, or a program-approved study abroad experience. (Credit hours will be incorporated into Major or Supporting requirements below.)

Total hours University graduation requirements........40 hours

MAJOR REQUIREMENTS

Core Courses ..................................................33 hours
ANT 120, 200, 201, 351W, 395 and at least one course from each of the following three categories, for a total of 18 hours.
- Anthropology: ANT 321, 341, 355, 357, 360, 439, 470, 471;
- Cultural Anthropology: ANT 311, 330, 344, 375, 377 or 377S, or 393;
- Physical Anthropology: ANT 306, 308, 365, 370, 371, 380, or 385; (ANT 490, an independent study, may also be selected; it will be classified where appropriate).

Free Electives..................................................47 hrs.

TOTAL HOURS TO COMPLETE DEGREE ..........120 hours

BACHELOR OF SOCIAL WORK (B.S.W.) SOCIAL WORK
CIP Code: 44.0701

The Social Work Program prepares students for beginning generalist social work practice. The primary purpose of the social work profession is to enhance human well being. Social workers help meet the basic human needs of all people and empower those who are vulnerable, oppressed, or living in poverty. Social workers help identify and manage the environmental forces that create, contribute to, and address problems in living. Social workers are an integral part of most non-profit agencies and also offer their services and knowledge in private practice. The social work program has been continuously accredited by the Council on Social Work Education since 1977.

ADMISSION AND PROGRESSION

Any student who is accepted by the University Admissions Office and declares his/her major as social work will be classified as a pre-social work major. Admission to pre-social work does not guarantee admission to the Professional Social Work Program.
Admission to the program is required for progression in the major beginning with SWK 350 and 354. To be admitted students must have earned at least 32 hours of college credit, meet the minimum program GPA requirement of 2.50, complete SWK 210 and other supporting course work with a minimum grade of “C,” and successfully complete application procedures. Students choosing to double-major must declare social work as the first major. For admission requirements and procedures contact the Social Work Program office, (859) 622-1645.

**Mission and Goals**
The Social Work Program provides a student-centered, collaborative and dynamic environment that prepares students for competent and ethical generalist bachelor level practice. The Program goals are to: (1) provide a fluid curriculum grounded in a liberal arts perspective that appreciates the history of the profession and the needs of the region with different size systems in a variety of settings; (2) integrate into the Program the values of the social work profession and socialization into those values through self assessment and self awareness; (3) integrate social work ethical principles throughout the Program and curriculum; and (4) provide an environment that promotes critical understanding of oppression, populations at-risk, economic and social justice.

**University Graduation Requirements**
- General Education ............................................................ 36 hrs.
- Student Success Seminar (ASO 100; waived for transfers with 30+ hours) ................................................................. 1 hr.
- Wellness .............................................................................. 3 hrs.
- Writing Intensive Course (hours incorporated into Major/Supporting/Gen Ed/Free Electives category) 
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Social work majors will fulfill the ACCT with SWK 390 or SWK 490. (Credit hours may be incorporated into major requirements below.)

**Total Hours University Graduation Requirements** ... 40 hours

**Major Requirements**

**Core Courses** .................................................................... 48 hours
SWK 210, 225, 310, 335, 340, 350, 354, 355, 360, 390, 410, 344 or 365 or 440 or 455 or 457, and 490 (12).

**Supporting Course Requirements** ............................................ 9 hours
POL 101 (Element 5A or 5B); PSY 200 (Element 5B) or 200W (Element 5B); SOC 131, 232, and 400.

* = Course also satisfies a General Education element.
*Hours are included within the 36 hr. General Education requirement above.

**Free Electives** .................................................................... 23 hours
To broaden their experience and knowledge, students are encouraged to complete their programs with electives selected from: anthropology (ANT), child development (CDS), economics (ECO), health (EHS, CHS, HEA, NFA), foreign language (FLH), law enforcement (CRJ, PLS), political science (POL), psychology (PSY), recreation (REC), sociology (SOC), special education (SED), and communications (CMS, COM).

**Total Hours to Complete Degree** ............... 120 hours

---

**Bachelor of Arts (B.A.) Sociology**

**CIP Code:** 45.1101

The sociology program provides students with an advanced understanding of social structure, social institutions, human groups, social stratification, social interaction, social relationships, social deviance (crime, juvenile delinquency), and social change. Sociology faculty are skilled in teaching the theoretical foundations of sociology and methods of social research, while they teach students to think critically. The broad knowledge base of sociology, combined with basic skills in research methods and analysis, contributes to a person’s flexibility in a rapidly changing economy where specialized jobs often become outdated. Students who major in sociology possess the advantage of a more general foundation upon which to adapt to changes in the labor market, because they are taught to think critically, communicate effectively, and respond constructively to the challenges and opportunities they will encounter. A major in sociology provides a gateway to many different careers. Many sociology graduates move into professional careers in the following areas: social services, law enforcement, human relations, law and legal services, policy analysis, teaching, and health fields. Others find employment in management and administrative careers in government agencies as well as in a wide range of private sector firms. Still others work to achieve their goals in less traditional careers such as grassroots activism or private entrepreneurship.

**University Graduation Requirements**
- General Education ............................................................ 36 hrs.
- Student Success Seminar (waived for transfers with 30+ hours) ............................................................................. 1 hr.
- Wellness .............................................................................. 3 hrs.
- Writing Intensive Course (hours incorporated into Major/Supporting/Gen Ed/Free Electives category) 
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Sociology majors will fulfill the ACCT with SOC 470. (Credit hours may be incorporated into major requirements below.)

**Total Hours University Graduation Requirements** ... 40 hours

**Major Requirements**

**Core Courses** .................................................................... 30 hours
SOC 131, 232, 395, 462, and 470; a minimum of three hours from SOC 420, 425, 463, 465, and 12 hours of sociology electives, 9 of which must be upper division hours.

**Free Electives** .................................................................... 50 hours

**Total Hours to Complete Degree** ............... 120 hours

**Minors**

**Minor in Anthropology**

A student may minor in Anthropology by taking a minimum of 18 hours as follows: ANT 120, 200, 201, and one upper division course in each of: Archaeology, Cultural Anthropology, and Physical Anthropology. Neither ANT 351W nor ANT 395 will count toward the minor.
MINOR IN ARCHAEOLOGY

A student may minor in Archaeology by taking a minimum of 18 hours as follows: ANT 200, 351W and twelve hours of upper division archaeology electives selected from ANT 321, 341, 355, 357, 360, 439, 470, 471, and 490 (if archaeological topic).

MINOR IN DEVIANCERE CRIMINOLOGY

A student may minor in Deviance/Criminology by completing the following courses: SOC 131, 313, 340, 375, and nine hours from ANT 380, FOR 301, HEA 345, CRJ 325, CRJ 331, or PSY 308. Note that some of the required and elective courses have prerequisites.

MINOR IN SOCIAL WELFARE

A student may minor in Social Welfare by completing the following courses: POL 101, SWK 210, 310, and 410; six hours from POL 341, POL 370, POL 371, SWK 455, SWK 456, SWK 457, or approved Social Work Elective; SOC 131, SOC 313, SOC 340, SOC 353, SOC 365, SOC 375, ECO 130, ECO 231, CRJ 305 or WMS 305 or related elective as approved by Social Work advisor.

MINOR IN SOCIOLOGY

A student may minor in Sociology by completing the following courses: SOC 131 and 15 hours of sociology electives, 12 of which must be upper division. Three hours of upper division anthropology may be applied to the 15 hours.

Concentrations

ANTHROPOLOGY CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE

See page 88 of this Catalog for the Anthropology Concentration requirements listed in the Associate of General Studies degree section.

SOCIOLGY CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE

See page 89 of this Catalog for the Sociology Concentration requirements listed in the Associate of General Studies degree section.

PUBLIC CHILD WELFARE CERTIFICATION PROGRAM

The Public Child Welfare certification by the Commonwealth of Kentucky requires an application and interview process, practicum experiences in public welfare agencies, participation in required training curricula, maintenance of a 3.0 GPA in social work courses, an overall cumulative GPA of 2.5, and post graduation work commitment. In addition to the B.S.W. degree requirements, students must complete SWK 358 and 450.

See the PCWCP Coordinator in the Social Work Program for more complete information on the application and requirements for the Public Child Welfare Certification Program.

DEPARTMENT OF ART AND DESIGN

Chair
Mr. Herb Goodman
(859) 622-1629
Campbell 309

Faculty

BACHELOR OF ARTS (B.A.)

ART

CIP Code: 50.0101

Upon completion of an Art degree with a Teacher Education or Liberal Arts Concentration, students will gain a broad knowledge of a variety of media and techniques, be able to apply elements and principles of art and design, be more aware of the influences of perception and observation, and be able to use a variety of media and techniques to communicate ideas effectively and expressively. Students will demonstrate critical and creative thinking by analysis and research, both verbal or written, of their own or other’s art and design works, with an understanding of historical and contemporary concepts, theories, methods and styles.

*Teacher Education Majors in Art must meet all requirements for Admission to the Teacher Education Program as well as the prerequisites for Admission to Student Teaching. These are outlined in the College of Education section under Admission Requirements and Field Placement. http://Tes.eku.edu

UNIVERSITY GRADUATION REQUIREMENTS

• General Education ..........................................................36 hrs.
• Student Success Seminar (waived for transfers with 30+ hours)...............................................................1 hour
• Wellness.......................................................................................3 hrs.
• Writing Intensive Course (hours incorporated into Major/ Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT – Art majors will fulfill ACCT with ART 562. (Credit hours are included in Core Courses below.)

Total hours University Graduation Requirements........40 hours

MAJOR REQUIREMENTS

Foundation Courses..............................................................15 hours
ART 100, 101, 152, 153, and 164.

Art Core Courses...............................................................21 hours
ART 210, 220, 230, 240, 270, 280, 562

Art History Core Courses.....................................................9 hours
ARH 390, 391, and 3 hours of an art history elective selected from: ARH 463, 464, 465, 492, 493, 496, 497, 498.

EDF 103(1), 203, 319 or 319W; AED 361 or EME 361;
SED 401 or 401S; EMS 499(12); AED 540 or ESE 540
and 3 hours of Applied Learning Field Experiences: EDF
349Q(0.5), 349R(0.5); EMS 349Q(0.5), 349R(0.5); ESE
349(1).

Liberal Arts...................................................................21 hours
Additional 21 hours of art, design, art education, or art
history electives limited to the following: AED 360, 361, ART 300,
301, 312, 313 or 314, 321, 322 or 323, 331, 332, 341, 343,
371, 372, 381, 382, 401, 463, ARH 463, 464, 465, 492, 493,
496, 497, 498, 560, DES 122, 222, 225, 226, 250, 327, 328,
330, 350, 351.

Free Electives (Liberal Arts Concentration only).............14 hours

TOTAL HOURS TO COMPLETE DEGREE.........................120-125 hours

Bachelor of Fine Arts (B.F.A.)

ART/DESIGN STUDIO CONCENTRATIONS

CIP Code: 50.0702

Upon completion of a Baccalaureate of Fine Arts (B.F.A.)
degree with an Concentration in Ceramics, Graphic Design,
Jewelry and Metals, Painting, Photography, Printmaking or
Sculptrure, students will be able to apply elements and principles of
art and design, be more aware of the influences of perception and
observation, and be able to use a variety of media and techniques
to communicate ideas effectively and expressively. Students will
demonstrate critical and creative thinking by analysis and research,
both verbal and written, of their own or others’ art and design
works, with an understanding of historical and contemporary
concepts, theories, methods, periods and styles.

The B.F.A. degree prepares students for professional
careers as artists and designers of listed Concentrations below.
Students will demonstrate professional practice, writing, portfolio
development and presentation for employment in art and design
studios, companies, or freelancing, and for applications to graduate
schools, exhibitions, competitions, grants, and fellowships.

BFA Admission Requirements

All students who are accepted by the Office of Admissions
and seek a baccalaureate fine arts degree are admitted to
the University as a pre-BFA major and must select from at least one
pre-BFA Concentration area in Ceramics, Graphic Design, Jewelry
and Metals, Painting, Photography, Printmaking or Sculpture.

Pre-BFA students are eligible to apply to the BFA degree program
after completing 15 credit hours of Studio Foundation
courses.

When applying for the BFA program, pre-BFA students must
have completed or be enrolled in the courses specified for their
declared Pre-BFA Concentration.

Students are also required to submit an application,
statement of goals, and portfolio for review by the BFA Entrance
Review Committee once the minimum requirements have been
met, usually by the fourth or fifth semester, depending on the
Concentration area (transfer students must meet equivalent
minimum requirements and complete a minimum of 24 hours in
Art and/or Design). Students will be notified of the results and
can meet with their area supervisor. Students not accepted to the
BFA degree program may re-apply at a later date or seek another
degree program. Portfolio requirements include examples of
drawing, 2D and 3D works (from a variety of courses), as well as
examples specific to an Concentration area. Students wishing to
pursue the BFA degree should average and maintain a 3.0 GPA and
earn a grade of “C” or higher in all major and supporting course
requirements in order to apply to, and complete the BFA degree
program. Consult with a departmental advisor, area supervisor,
or visit our website at www.art.eku.edu to obtain a copy of the
“Entrance Criteria and Degree Requirements for the BFA in Art
and Design.”

Progression Requirements

Once students are admitted to the BFA degree program, they
are eligible to take upper division courses that require “admission
to the BFA” as listed in the course descriptions of this Catalog
and are expected to participate in all major and supporting course
requirements, including a BFA exhibition and review. Any BFA
student whose major GPA falls below 3.0, or who earns a grade
lower than “C” in a major or supporting course requirement course,
will be placed on BFA probation. Once on BFA probation students
have one semester to either raise the major GPA to the required
3.0, or to retake the course in which he/she earned a low grade and
pass with a “C” or higher. If any student on BFA probation fails to
meet either of the above conditions, he/she will be removed from
the BFA program. Such students may reapply at a later date or seek
another degree program.

Pre-Bachelor of Fine Arts (PRE-B.F.A.)

CIP Code: 50.0702

PRE-B.F.A. students should pursue courses to meet the following
University Graduation Requirements while awaiting admission
into the BFA program.
• General Education ..................................................36 hours
• Student Success Seminar (ASO 100; waived for transfers
with 30+ hrs) ..................................................................1 hour
• Wellness .................................................................3 hours
• Writing Intensive Course (Hrs. incorporated into Major/
Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout
Major/Supporting/Gen Ed/Free Electives categories)

Pre-BFA Curriculm

Foundation Courses ......................................................15 hours
ART 100, 101, 152, 153, 164.

Concentrations: (students must select at least one concentration
and complete the following courses before being considered for
admission into the BFA program.)

Pre-BFA Ceramics ..........................................................15 hours
ART 210, 230, or 280; ART 220 or 240; ART 270 and 371;
and be enrolled in ART 372 at the time of application to the
BFA program.

Pre-BFA Graphic Design ...............................................15 hours
ART 210, 230, or 280; ART 220, 240, or 270; DES 250;
and be enrolled in DES 350 and 351 at the time of application to the
BFA program.

Pre-BFA Jewelry and Metals ...........................................15 hours
ART 210, 230, or 280; ART 220 or 270; ART 240 and 341;
and be enrolled in ART 343 at the time of application to the
BFA Degree Requirements

UNIVERSITY GRADUATION REQUIREMENTS

- General Education ............................................36 hrs.
- Student Success Seminar (waived for transfers with 30+ hours).............................1 hr.
- Wellness................................................................3 hrs.
- Writing Intensive Course (hrs. incorporated into Major/Supporting/Gen Ed/Free Electives categories)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT – BFA majors will fulfill ACCT with ART 562. (Credit hours are listed in Core Courses below.)

Total hours University Graduation Requirements.................40 hours

MAJOR REQUIREMENTS

Core Courses:
- Foundation Courses........................................15 hours ART 100, 101, 152, 153, 164.
- Art History Courses........................................9 hours ARH 390, 391; 3 hours of ARH electives selected from: ARH 463, 464, 465, 492, 493, 496, 497, 498.

Concentrations:
- Ceramics .........................................................33 hours ART 371, 372, 472, 473, 474, 18 hours ART/DES/ARH electives.
- Graphic Design ..................................................33 hours DES 250, 350, 351, 352, 353, 354, 450, 451, 453, 454, 3 hours ART/DES/ARH electives.
- Jewelry and Metals...........................................33 hours ART 341, 343, 344, 443, 444, 18 hours ART/DES/ARH electives.
- Painting ............................................................33 hours

Pre-BFA Painting ..................................................15 hours ART 230 or 280; ART 220, 240, or 270; ART 210 and 312; and be enrolled in ART 313 at the time of application to the BFA program.

Pre-BFA Photography .........................................15 hours ART 210 or 230; ART 220, 240, or 270; ART 280 and 381; and be enrolled in ART 382 at the time of application to the BFA program.

Pre-BFA Printmaking .........................................15 hours ART 210 or 280; ART 220, 240, or 270; ART 230 and 331; and be enrolled in ART 332 at the time of application to the BFA program.

Pre-BFA Sculpture ..............................................15 hours ART 210, 230, or 280; ART 240 or 270; ART 220 and 321; and be enrolled in ART 322 or 323 at the time of application to the BFA program.

TOTAL HOURS TO COMPLETE DEGREE..............120 hours

Minors

MINOR IN ART (ART HISTORY)

A student may minor in art history by completing a minimum of 18 hours as follows: ARH 390, 391, ART 562 and nine hours from ARH 463, 464, 465, 492, 493, 496, 497, 498.

MINOR IN ART (STUDIO)

A student may minor in art studio by completing a minimum of 18 hours as follows: ART 100, 152, 153; ARH 390 or 391; and six hours of art electives.
MAJOR REQUIREMENTS

Core Courses.........................................................26 hours
BIO 111(4), 112, 315(4), 316(4), 318(4), 319(4), 320(4); 495(1).

Concentrations: (Must select at least one; courses used for one concentration may not count toward another concentration.)

Aquatique Biology..................................................15 hours
BIO 525, 542, 557, 558, and one course from BIO 340, 556, 561, or GLY 315.

Botany......................................................................15-16 hours
BIO 335, 521, 598 (Must enroll for at least 2 cr. hrs.), and two courses from BIO 522, 525, 536, 599 (Must enroll for 3 cr. hrs.); BIO 531 or CHE 430 and 432.

General Biology......................................................3-4 hours
At least 3 hours chosen from any 500, 400, or 500 level BIO course not included in Biology Core or from which Biology majors are not excluded.

Microbial, Cellular, and Molecular Biology....................15 hours
BIO 331; 511 or 527 or 528 and at least nine additional hours from BIO 511, 527, 528, 530, 531, 535, or 598.

Pre-Medical Sciences .............................................15-18 hours
BIO 331, 348, CHE 430 or 431, and 6-9 hours from BIO 342, 527, 528, 531, 535, 546, 547, 598, CHE 430 or 431, 432.

Pre-Veterinary Science...........................................6 hours
At least 6 hours from any 300, 400, 500 level BIO course not included in Biology Core or from which Biology majors are not excluded.

Supporting Course Requirements:

Supporting courses for all options................................11-13 hours
CHE 111/111L(Element 4), 112/112L, 361/361L; MAT 124(Element 2) or 261(Element 2); PHY 131(Element 4); STA 215 or STA 270.

Additional Supporting Course Requirements:

General Biology Concentration..................................9 hours
CHE 362/362L, PHY 132(5).

Pre-Medical Sciences.............................................9 hours
CHE 362/362L, PHY 132(5).

Pre-Veterinary Science.........................................15-16 hours
CHE 362/362L, 430 or 431; PHY 132(5); AGR 321(4) or 261. (*G = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.)

Free Electives......................................................16-28 hours

TOTAL HOURS TO COMPLETE DEGREE .............120 hours

BACHELOR OF SCIENCE (B.S.)

BIOLGY/TEACHING

CIP Code: 13.1322

Refer to the College of Education section of this Catalog regarding several teacher certification requirements associated with this degree program.

BACHELOR OF ARTS (B.A.) &
MASTER OF SCIENCE (M.S.)

CHEMISTRY

Accelerated 3+2 Dual Degree Program
CIP Code: 40.0501

Students may apply for admission to the 3+2 program in
their junior or senior year. Students are able to complete their B.A.
degree and M.S. degree within 5 calendar years because of the
accelerated curriculum and because 9 semester hours of 700-level
graduate coursework will apply to both the undergraduate
B.A. degree and the graduate M.S. degree. Only undergraduate
students of proven academic ability will be considered for the
program. Entrance requirements for the 3+2 must adhere to
the same requirements for the M.S. Chemistry Program in the
Graduate Catalog, except entrance examinations (e.g. GRE)
are not required for the 3+2 program. Students must fulfill all
graduation requirements listed below. Students admitted into
the program will remain coded as undergraduate until fulfilling their
BA requirements. Students admitted into the 3+2 program must
complete the Chemistry BA degree with a minimum 3.0 GPA to be
allowed to proceed with graduate program coursework.

Admission Requirements:

Students interested in this option must satisfy all the following
conditions:

1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of
   admission to the 3+2 program
3. Approval from department and Graduate School (see the form
   at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade
   point average (GPA) of at least 3.0 to continue in the 3+2
   program.

Program Requirements

Students in 3+2 Accelerated Dual Degree Option must complete
the listed Chemistry (B.A.) program requirements along with the
same requirements for the Chemistry M.S. Program (presented in
the listed Chemistry (B.A.) program requirements along with the
same requirements for the M.S. Chemistry Program in the
Graduate Catalog: listing at http://gradschool.eku.edu/graduate-
catalog). Nine (9) credit hours of 700-level graduate coursework
(CHE 715 and 770) are applicable to the undergraduate degree.

UNIVERSITY GRADUATION REQUIREMENTS

- General Education ..................................................36 hrs.
- Student Success Seminar
  (ASO 100; waived for transfers with 30+ hrs.)........1 hr.
- Wellness..............................................................3 hrs.
- Writing Intensive Course (hrs. incorporated into
  Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout
  Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Chemistry majors will select one of the
  following (based on specific option): some combination
  of CHE 349, 349A-N, 495A and/or 495B for at least
  3 credit hours, HON 420, CHE 515 (or 715), or ESE
  499. (Credit hours are incorporated into program
  requirements below.)

Total hours University Graduation Requirements........40 hours

The B.A. Chemistry degree, Pre-Pharmacy concentration,
completes all pre-requisites required for application to pharmacy
school. While students may apply for admission to pharmacy school after pursuing this degree for three years, a significant number of applicants elect to remain at EKU and first complete their B.A. Chemistry degree.

Students accepted into pharmacy school after three years as a Chemistry major will have completed 80% of the B.A. Chemistry degree. As such these students, upon completion of pharmacy school, may transfer pharmacy coursework back to EKU, to be used in lieu of outstanding EKU Chemistry course requirements; and thereby complete the BA Chemistry degree. The student’s record will be reviewed for completion by the Registrar, and providing all other University requirements are met, the student will be awarded an EKU B.A. Chemistry degree. Students interested in transferring back pharmacy coursework can enquire by emailing registrar@eku.edu.

B.A. 3 + 2 CHEMISTRY MAJOR REQUIREMENTS

Chemistry Core Requirements:.......................40 hours
CHE 111/111L(4), 112/112L(4), 325/325L(5), 361/361L(4),
362/362L(4), 385(2), 425/425L(4), 450, 484(1), 715(5),
770(4) (note: CHE 450 must be taken prior to enrolling in
715.)

Concentrations Requirements:
Chemistry Concentration:.........................6 hours
CHE 430 or 431; 3 hrs of 400- or 500-level CHE or FOR
courses. If CHE 495A and/or 495B is taken, only 3 hrs can be
applied to the major.

Pre-Pharmacy, Pre-Dental, Pre-Optometry, Pre-Pathology
Assistant or Pre-Medical Concentration...........7 hours
CHE 430, 431, 432(1)

Chemistry Teaching Concentration:..............0 hours
No additional courses. (Following this curriculum and
passing the appropriate standardized teacher exams will lead
to certification to teach chemistry at the secondary education level.)

Supporting Course Requirements:
Chemistry Concentration..........................8 hours
MAT 124(4)(Element 2); PHY(Element 4) 131(5) or
201(5); PHY 132(5) or 202(5).

Pre-Pharmacy.............................................33 hours
MAT 124(4)(Element 2); PHY 131(5)(Element 4) or
201(5), 132(5) or 202(5); BIO 111(4)(Element 4), 112(4),
171, 273 or 320(4), 301, 378(1); ECO 230 (Element 5B);
STA 270; PSY 200; PHI 383.

Pre-Dental or Pre-Optometry or Pre-Pathology Assistant or Pre-Medical Concentration........................2 hours
MAT 124(4)(Element 2); PHY (Element 4) 131(5) or
201(5); PHY 132(5) or 202(5); BIO 111(4)(Element 4),
112, 171, 301 or 348, 320(4); ECO 230 or SOC 131(Element 5B);
STA 270; PSY 200; PHI 383.

Chemistry Teaching Concentration:..............14-15 hours
MAT 124(4)(Element 2); PHY 131(5)(Element 4) or
201(5); PHY 132(5) or 202(5); BIO 111(4)(Element 4),
112(4), or 112(4); CSC 104 or CIS 212; GLY 302.

Professional Education Requirements for Chemistry
Teaching Concentration:............................34 hours
EDF 103(1), 203, 319 or 319W, 413; SED 401 or 401S;
ESE 490, 499(12), 561; and 3 hrs of Applied Learning
Field Experiences: EDF 349Q(0.5), 349R(0.5); EMS
349Q(0.5), 349R(0.5); ESE 349(1).

Free Electives........................................... 0-26 hours

TOTAL HOURS TO COMPLETE B.A.
DEGREE...........................................................120-129 hours

M.S. CHEMISTRY MAJOR REQUIREMENTS

Chemistry Core Requirements
700-level Requirements................................12 hours
CHE 715(5), CHE 770(4); 3 hrs of 700 level CHE, BIO,
MAT, or other science course.

800-level Requirements..............................15 hours
a. CHE 810(2), 811(1), 880(2), and 1 additional hour from
either CHE 811 or 881.................................6 hours
b. Pick three courses from the following: CHE 822, 830,
850, 860................................................9 hours

Program Tracks:
Students will pick one of the following tracks

Thesis Track: Graduate Research – Written Thesis
Required
CHE 899(6).............................................6 hours

Internship Track: Applied Learning in Chemistry
– Written Report Required
CHE 839(6) OR CHE 839(3) and 3 hrs of 700/800 level
courses....................................................6 hours

Coursework Track
6 hrs 700/800 level courses..........................6 hours

Exit Requirements:

Thesis/Internship Option — A thesis/report based upon the
original research/project in the area of the student’s research
concentration must be submitted. A final comprehensive oral
examination (GRD 858b) in defense of the thesis/report and related
course work is required.

Coursework Option — Candidates must earn a 3.0 GPA (or
higher) for all program coursework for the option. In addition, the
candidate for the coursework option must pass a final examination
(GRD 858c). The committee will decide the format of the
examination.

TOTAL HOURS TO COMPLETE M.S. DEGREE......33 hours

BACHELOR OF SCIENCE (B.S.)

CHEMISTRY

CIP Code: 40.0501

UNIVERSITY GRADUATION REQUIREMENTS

• General Education ......................................36 hrs.
• Student Success Seminar
  (ASO 100; waived for transfers with 30+ hrs.) .......1 hr.
• Wellness ..................................................3 hrs.
• Writing Intensive Course (hrs. incorporated into
  Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout
  Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Chemistry majors will fulfill ACCT with CHE
  515 (Credit hours are incorporated into program
  requirements below.)

Total hours University Graduation Requirements......40 hours

MAJOR REQUIREMENTS

Core Courses.............................................37 hours
CHE 111/111L(4), 112/112L(4), 325/325L(5), 361/361L(4), 362/362L(4), 385(2), 425/425L(4), 450, 484(1), 485(1), 515(5), CHE 349 or 349A-N may not be used to satisfy major requirements.

Concentrations Requirements
Biochemistry, Pre-Medical, or Pre-Dental..................13 hours
CHE 430, 431, 432(1), 570(4) and two hours from the following:
CHE 495A and/or CHE 495B, 501L, 574L, 575L, or FOR 442L. CHE 495A and/or 495B (chemistry research) is recommended.

This program option produces a degree certified by the American Chemical Society (ACS) and follows the recommendation from the American Society for Biochemistry and Molecular Biology (ASBMB).

Chemistry.........................................................15 hours
CHE 430 or 431, 574/574L(4), 575/575L(4); 1 hr from either CHE 432, 495, 501L, or FOR 442L; 3 hrs from either 400- or 500-level CHE or FOR electives. At least 3 hrs of CHE 495A and/or 495B (chemistry research) is recommended.

This program option produces a degree certified by the American Chemical Society (ACS).

Supporting Course Requirements:
Biochemistry......................................................21 hours
BIO 111(4) *(Element 4), 315(4), 531(4); MAT 124(4) *(Element 2), 224(4); PHY *(Element 4) 131(5) or 201(5), 132(5) or 202(5). Calculus based physics (PHY 201 and 202) is recommended by the ACS and ASBMB.

Pre-Medical or Pre-Dental...................................24 hours
BIO 111(4) *(Element 4), 315(4), 531(4); MAT 124(4) *(Element 2), 224; PHY *(Element 4) 131(5) or 201(5), 132(5) or 202(5); PSY 200 *(Element 5B); SOC 131. Calculus based physics (PHY 201 and 202) is recommended by the ACS and ASBMB.

Chemistry.......................................................17 hours
BIO 111(4) *(Element 4); MAT 124(4) *(Element 2), 224(4), 225(4); PHY 201(5) *(Element 4), 202(5).

\( ^{\text{\textbullet}} \) = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

Free Electives.................................................. 6-11 hours

TOTAL HOURS TO COMPLETE DEGREE.............120 hours

Bachelor of Science (B.S.) &
Master of Science (M.S.)
Chemistry
Accelerated 3+2 Dual Degree Program
CIP Code: 40.0501

Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their B.S. degree and M.S. degree within 5 calendar years because of the accelerated curriculum and because 9 semester hours of 700-level graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

Admission Requirements:
Students interested in this option must satisfy all the following conditions:
1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 option.

Program Requirements:
Students in 3+2 Accelerated Dual Degree Option must complete the listed Chemistry (B.S.) program requirements along with the same requirements for the M.S. Chemistry Program (presented in the Graduate Catalog: listing at http://gradschool.eku.edu/graduate-catalog). Nine (9) credit hours of 700-level graduate coursework (Biochemistry, Pre-medical, or Pre-Dental Concentration: CHE 715 and 770 or Chemistry Concentration: CHE 715 and 774/774L) are applicable to the undergraduate degree.

University Graduation Requirements.................40 hours

B.S. Chemistry 3+2 Major Requirements
Chemistry Core Courses...................................37 hours
CHE 349 or 349A-N may not be used to satisfy major requirements.

Concentration Requirements:
Biochemistry, Pre-medical, or Pre-Dental.............13 hours
CHE 430, 431, 432(1), 770(4); 2 hrs from the following:
CHE 495A and/or 495B, 501L, 574L, 575L, or FOR 442L.
CHE 495A and/or 495B (chemistry research) is recommended.

This program option produces a degree certified by the American Chemical Society (ACS) and follows the recommendation from the American Society for Biochemistry and Molecular Biology (ASBMB).

Chemistry......................................................15 hours
CHE 430 or 431, 574/574L(4) or 774/774L(4), 575/575L(4) or 775/775L(4)*; 1 hr from either CHE 432, 495A and/or 495B, 501L, or FOR 442L; 3 hrs from either 400- or 500-level CHE or FOR electives. At least 3 hrs of CHE 495A and/or 495B (chemistry research) is recommended.

*One, and only one physical chemistry course must be taken...
at the 700-level (either 774/774L or 775/775L).
This program concentration produces a degree certified by the American Chemical Society (ACS).

Supporting Course Requirements:

Biochemistry.........................................................21 hours
BIO 111(4)((Element 4), 315(4), 531(4); MAT 124(4)(Element 2), 224(4); PHY((Element 4) 131(5) or 201(5), 132(5) or 202(5). Calculus based physics (PHY 201 and 202) is recommended by the ACS and ASMBB.

Premedical or Pre-Dental........................................24 hours
BIO 111(4)(Element 4), 315(4), 531(4); MAT 124(4)(Element 2), 224(4); PHY(Element 4) 131(5) or 201(5), 132(5) or 202(5); PSY 200((Element 5B); SOC 131. Calculus based physics (PHY 201 and 202) is recommended by the ACS and ASMBB.

Chemistry..............................................................17 hours
BIO 111(4)(Element 4); MAT 124(4)(Element 2), 224(4), 225(4); PHY 201(5)(Element 4), 202(5).

Note: Course also satisfies a General Education element.

**Free Electives........................................................................0 hours**

**TOTAL HOURS TO COMPLETE DEGREE..........................121 hours**

**M.S. CHEMISTRY PROGRAM REQUIREMENTS**

**Chemistry Core Requirements**

- 700-level Requirements..............................................12 hours
  CHE 715 (5), CHE 770 (4); 3 hrs of 700 level CHE, BIO, MAT, or other science course.
- 800-level Requirements..............................................15 hours
  a. CHE 810(2), 811(1), 880(2), and 1 additional hour from either CHE 811 or 881..........................6 hours
  b. Pick three courses from the following: CHE 822, 830, 850, 860...................................................6 hours

**Program Track Option......................................................6 hours**

Students will pick one of the following track options:

- **Thesis Track: Graduate Research** – Written Thesis Required
  CHE 899(6) .................................................................6 hours
- **Internship Track: Applied Learning in Chemistry** – Written Report Required
  CHE 899(6) OR CHE 899(3) plus 3 hrs of 700/800 level courses............................6 hours
- **Coursework Track**
  6 hrs of additional 700/800 level courses..........................6 hours

**Exit Requirements:**

- **Thesis/Internship Option** — A thesis/report based upon the original research/project in the area of the student’s research concentration must be submitted. A final comprehensive oral examination (GRD 858b) in defense of the thesis/report and related coursework is required.
- **Coursework Option** – Candidates must earn a 3.0 GPA (or higher) for all program coursework for the option. In addition, the candidate for the coursework option must pass a final examination (GRD 858c). The committee will decide the format of the examination.

**TOTAL HOURS TO COMPLETE M.S. DEGREE..........................33 hours**

**Minors**

**MINOR IN CHEMISTRY**

A student may minor in chemistry by completing CHE 111, 111L, 112, 112L, 361, and 361L, plus any two additional courses* from the following list: CHE 325 (co-requisite CHE 325L), 362 (co-requisite CHE 362L), 430, 431, 450, 501, 520, 570, and FOR 440.

**TEACHING CERTIFICATE FOR CHEMISTRY MINOR**

Students may seek a minor in chemistry in conjunction with the completion of a teaching certificate**, which will qualify them to teach chemistry at the secondary level. The teaching
minor in chemistry must be coupled with a secondary teaching certificate in another discipline. For students with a middle school science concentration, requirements are met. Students enrolled in a teaching program other than science who desire teaching certification in chemistry will be required to take ESE 561.

The minor will be considered an add-on certificate and cannot be recommended until the secondary teaching program is completed and a recommendation for certification has been processed. Appropriate PRAXIS exams must be completed for each area of certification being recommended.

*See Course Descriptions for prerequisite and corequisite requirements.

DEPARTMENT OF COMPUTER SCIENCE

Chair
Dr. Ka-Wing Wong
(859) 622-2398
Wallace 417

Faculty
K. Chang, K. King, G. Landon, E. Li, C. Rhee, E. Styer, K. Wong, M. Yang, and S. Zhang

Baccalaureate Degree

BACHELOR OF SCIENCE (B.S.)
COMPUTER SCIENCE

CIP Code: 11.0101

Program Objectives

Upon completion of this program the graduate will: (1) have a working knowledge of some common programming languages and operating systems; (2) have experience with analysis of software systems, design, documentation, and implementation techniques both as an individual and as a member of a design team; (3) have experience with analysis of hardware systems, design, and implementation techniques; and (4) be qualified for employment as a computer scientist in industry or in government. In addition, (1) graduates under the accredited general computer science option will be prepared to enter a graduate program in computer science; (2) graduates under the computer technology option will be able to take appropriate network certification examination(s), such as Microsoft Network Certification; and (3) graduates under the computer technology option will be qualified to program industrial and process control systems.

UNIVERSITY GRADUATION REQUIREMENTS

- General Education ..........................................................36 hrs.
- Student Success Seminar (waived for transfers with 30+ hrs.)..........................1 hr.
- Wellness .................................................................3 hrs.
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Computer Science majors will fulfill ACCT with CSC 349, 440, 491, 549, or 495 with a program-approved topic. (Credit hours may be incorporated into Major or Supporting requirements)

Total Hours University Graduation Requirements……...40 hours

MAJOR REQUIREMENTS

Core Courses........................................................................30 hours
CSC 185, 190, 191, 195, 310, 313, 340, and either CSC 308 or 309.

Concentrations:

- Computer Science (General)........................................24 hours

(Baccalaureate Degree)

Commission of ABET: http://www.abet.org
CSC 320, 360, 400, 440, 460, 545; 2 courses from: CSC 300, 315, 316, 332, 350, 390, 425, 490, 491, 507, 520, 538, 540, 544, 546, 547, 548, 550 and (if not used in the core) 308, 309.

- Computer Technology..................................................18 hours
CSC 360, 440, 460, 545, 3 hours of CSC 349; 1 course from: CSC 300, 315, 316, 320, 332, 350, 390, 400, 425, 490, 491, 507, 520, 538, 540, 545, 546, 547, 548, 550 and (if not used in the core) 308, 309.

- Bioinformatics.........................................................9 hours
Three of CSC 320, 440, 520, 545, and 546.

- Interactive Multimedia..................................................21 hours
CSC 140, 315, 316, 491, 550, one of 520 or 555, and 1 course from: CSC 300, 313, 320, 332, 350, 360, 390, 400, 425, 440, 460, 490, 507, 538, 540, 544, 545, 546, 547, 548 and (if not used in the core) 308, 309.

- Computer Forensics and Security..............................24 hours
CSC 332, 360, 400, 520, 547, 548, and 549.

- Statistical Computing...............................................9 hours
CSC 320, 542, 544.

Supporting Course Requirements:

- Computer Science (General).................................22-26 hours
EET 252; MAT 124(4) "(ElementException 2), or 124H(4)" (ElementException 2), 214, 224(4) or 224H(4); STA 270. One of the following sequences (ElementException 4): BIO 111(4), 112(4); CHE 111/111L, 112/112L; GLY 108, 109; or PHY 201(5), 202(5); and two additional courses (ElementException 4) from the preceding list.

- Computer Technology..............................................24-25 hours
EET 252; NET 302, 303, 343, 344, 354, 403, 454; one of MAT 124(4) (RootElement 2), 124H(4) (RootElement 2), 211, or 261.

- Bioinformatics.......................................................45-46 hours
BIO 111(4) or 112(4) (RootElement 4), 315(4), 331, 348, 511 or 531(4) or 531S(4), 533; 3 hrs of BIO 598; CHE 111/111L (RootElement 4) (Element 4), 112/112L(4), 361/361L(4), 362/362L(4); 430/432(4) or 431/432(4); MAT 124(4) (RootElement 2) or 124H(4)(篑Element 2); STA 270, 320.

- Interactive Multimedia............................................30 hours
COM 200 (RootElement 5B); EET 252; MUS 290(2); PHY 201(5) (RootElement 4); STA 270; two courses from ART 200 (RootElement 3A), ARH 390 or 391; MAT 124(4) (RootElement 2) or 124H(4) (RootElement 2), 214, 224(4) or 224H(4); one course from ART 100, TEC 190, or GCM 313; one of the following sequences: MKT 301, 401, or MGT 301, 465, or GEO 353, 453.

Baccalaureate Degrees

BACHELOR OF ARTS (B.A.)
ECONOMICS
CIP Code: 45.0601

Upon completion of a degree in Economics students will:
1) demonstrate a solid knowledge of modern microeconomic and macroeconomic theory;
2) demonstrate the capacity to apply their knowledge of economic theory to issues of public policy and to problems faced by decision makers in the private sector;
3) demonstrate the capacity to do empirical work in economics, including problem formulation, the retrieval and documentation of data, and statistical techniques;
4) demonstrate the capacity to communicate effectively. Additionally, students will be prepared for careers in government and business. Recent graduates are employed in commercial and investment banking, insurance, sales, manufacturing, retailing, and all levels of government.

UNIVERSITY GRADUATION REQUIREMENTS

• General Education ...........................................36 hrs.
• Student Success Seminar (waived for transfers with 30+ hrs.) ...........................................1 hr.
• Wellness. .....................................................3 hrs.
• Writing Intensive Course (hours incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Economic majors will fulfill ACCT with ECO 420. (Credit hours may be incorporated into Major or Supporting requirements)

Total hours University graduation requirements........40 hours

MAJOR REQUIREMENTS

Students must earn no fewer than twelve upper-division hours in the major at EKU. A minimum grade of “C” is required in all courses counted towards the major.

Core Courses...............................................21 hours
ECO 220 or its equivalent, 320, 330W, 331, 420. Majors must select an option in General Economics, Applied Economics, or International Economics.

Required Concentrations: (select one)

General Economics.....................................12 hours
Twelve hours of upper division economics courses.
Applied Economics.....................................12 hours
ECO 300; 9 hrs of upper division economics courses.
International Economics..........................12 hours
ECO 394, 395; or 395W; 6 hrs of upper division economics courses.

Certificates

CERTIFICATE IN PRODUCTIVITY, INNOVATION, AND TECHNOLOGY

Requirements ............................................12 hours
A student may qualify for a Certificate in Productivity, Innovation & Technology by completing CSC 104 or CIS 212, CSC 307 or CCT 304S, CSC 314, and three additional semester hours from: CSC 105, 120, 123, 301 or 318.

Minor in Interactive Multimedia

A student may minor in Interactive Multimedia by completing CSC 140, 185, 190, 191, 308, 315 and one of GEO 353, ART 100 or TEC 190.

Minor in Informatics

A student may minor in Informatics by completing CSC 104 or CIS 212; CSC 314; CSC 123 or 307; INF 314; one of STA 215, 270*, or QMB 200*; and six additional semester hours from INF 105, 120, 301, 318, CSC 160, 174, 177, 178, 190*, CIS 215, 320, 325, STA 320, or CSC 123 or 307 (if not used above).

Minor in Computer Science

A student may minor in computer science by completing CSC 185, 190, 191, 195, 310, 340, and one of CSC 200, 320, or 545.

Required Concentrations:
(select one)

12 hours

Free Electives .............................................1-15 hours

TOTAL HOURS TO COMPLETE DEGREE........120 hours

1CSC 185 will be waived for students with a 25 ACT or 590 SAT.
2Under special circumstances, a student may seek an administrative waiver of the CSC 349 requirement from the Computer Science Curriculum Committee and the department chair. Waiver recipients are required to complete three semester hours of additional course work approved by the Computer Science Curriculum Committee.
3BIO 315 has a prerequisite of BIO 111 or 112.
4A preparatory course in mathematics (MAT 107 and/or MAT 109) may be required before admission to calculus.

MAT 124(4)*  (Element 2) or 124H(4)*  (Element 2), 224(4); STA 270, 320, 375, 501, 575, 580, 585; one pair chosen from: AEM 202 and (332, 336, or 506); BIO 315(4)*, 533; ECO 320, 420; INS 370 and (372, 374, or 378); STA 520, 521.

= Course also satisfies a General Education element.

Hours are included within the 36 hr. General Education requirement above.

Faculty

Minor in Informatics

Minor in Computer Science

Requirements .............................................18 hours

Minor in Informatics

Minor in Interactive Multimedia

A student may minor in Interactive Multimedia by completing CSC 140, 185, 190, 191, 308, 315 and one of GEO 353, ART 100 or TEC 190.

Requirements .............................................12 hours

A student may qualify for a Certificate in Productivity, Innovation & Technology by completing CSC 104 or CIS 212, CSC 307 or CCT 304S, CSC 314, and three additional semester hours from: CSC 105, 120, 123, 301 or 318.

CSC 185 will be waived for students with a 25 ACT or 590 SAT.
2Under special circumstances, a student may seek an administrative waiver of the CSC 349 requirement from the Computer Science Curriculum Committee and the department chair. Waiver recipients are required to complete three semester hours of additional course work approved by the Computer Science Curriculum Committee.
Supporting Course Requirements:
Supporting course requirements must be approved by the advisor in consultation with the Chair of the Department of Economics. Note that fewer free electives may be required for an option if any of the approved additional supporting hours are also general education courses.

General Economics Concentration:......................18 hours
MAT 211(Element 2); 18 hours of courses approved by the advisor. (Note that fewer free electives will be required for this option if any of the approved additional supporting hours are also general education courses.)

Applied Economics Concentration:......................18 hours
MAT 107(Element 2) or 211(Element 2); 18 hours of courses approved by the advisor.

International Economics Concentration:..............12 hours
MAT 107(Element 2) or 211(Element 2); 6 hrs of courses approved by the advisor; one of the following: (1) 12 hrs of foreign language(Element 6), (2) 12 hrs of area studies to be pre-approved by the advisor and the Chair, or (3) 12 hrs from the core and elective courses listed in the International Studies minor.

Bachelor of Arts (B.A.)
GLOBALIZATION AND INTERNATIONAL AFFAIRS
CIP Code: 30.2001

The intent of the Globalization and International Affairs (GLO) major is to create an interdisciplinary major that focuses on the nature of globalization and its impacts on individuals, communities, regions, and nations, and to assist in broadening the international horizons of EKU students. The program will graduate culturally aware students who are comfortable in a variety of international public-sector, private-sector, and non-profit positions. GLO students will possess an enhanced awareness of worldwide economic and political events and will be able to assess their impacts on international affairs. Upon completion of the GLO degree, graduates will be able to: (1) analyze cultural, economic, geological, historical, political and social forces affecting globalization, (2) identify factors which impede or encourage globalization, (3) evaluate the impacts of increasing globalization on individuals, communities, regions, and nations, (4) integrate globalization ideas and concepts from the various disciplines into a unified whole, and (5) compete well for international positions or for domestic positions requiring international expertise.

UNIVERSITY GRADUATION REQUIREMENTS

- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Globalization and International Affairs majors will fulfill ACCT with GLO 490. (Credit hours may be incorporated into Major or Supporting requirements.)

Total hours University graduation requirements..........40 hours

MAJOR REQUIREMENTS

A minimum grade of “C” is required in all courses counted toward this major.

Core Courses:
Foundation Coursework......................................9 hours
Complete 9 hours from the following list:
ANT 120 or 200 (choose one), ECO 231, GEO 100, POL 212.

Major Courses..................................................15 hours
ECO 394, GEO 322, HIS 347, POL 220
Capstone Course: GLO 490 - Globalization Senior Seminar.

Major Electives..................................................12 hours
Choose four courses from the following list, with no more than two having the same course prefix.

Supporting Course Requirements..........................06 hours
ECO 230(Element 5B); HIS 247(Element 5A); MAT 107(Element 2) or higher; and up to 6 hours of one foreign language (Element 6).

如果玩家也满足通用教育元素。小时包括在36学分通用教育要求上述。If zero hours are listed then all course hours will count with General Education.

Free Electives....................................................44 hours

TOTAL HOURS TO COMPLETE DEGREE.................120 hours

Minor

Minor in Economics

A minor in economics is available to students in any college and requires completion of the following courses with a minimum grade of “C” in each course and with at least nine of the upper division hours earned at EKU: ECO 230, 231 and twelve hours of upper division courses in economics.
## DEPARTMENT OF ENGLISH AND THEATRE

### Baccalaureate Degrees

#### Bachelor of Arts (B.A.)

**ENGLISH**  
CIP Code: 23.0101

Upon completion of an English degree with a Literature concentration, graduates will: 1) demonstrate a clear sense of the chronological and thematic development of British and American literature, familiarity with canonical writers and works of the age, and a more specialized knowledge in various genres, periods, authors, and literary trends; 2) be prepared for post-baccalaureate professional lives; 3) demonstrate the ability to think, speak, and write more effectively as literary critics. Upon completion of an English degree with a Creative Writing concentration, graduates will: 1) write a publishable work, critical or creative, and submit it through traditional means/e-submissions; 2) possess knowledge of appropriate writers, the history, pedagogies/theories/genres, 3) possess knowledge of and apply basic research methods in their works, creative or critical, as well as use these skills to research the literary/popular marketplace. Upon completion of the English degree with a Technical Writing concentration, graduates will: 1) produce various types of technical documents required in the workplace that reflect knowledge of audience, purpose, clarity, and precision; 2) demonstrate competence with hardware/software expected of technical/professional writers.

### UNIVERSITY GRADUATION REQUIREMENTS

- General Education ...................................................... 36 hrs.
- Orientation Course (waived for transfers with 30+ hrs.) .... 1 hr.
- Wellness ........................................................................... 3 hrs.
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category) .............. 3 hrs.
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories) ....
- ACCT - English majors will fulfill ACCT with: ENG 491 (Technical Writing Concentrations), 490 (Creative Writing Concentrations), or 492 (Literature Concentrations), or

### THE 495 (Theatre Concentrations). (Credit hours may be incorporated into Major or Supporting requirements)

Total hours University Graduation Requirements ............. 40 hours

### MAJOR REQUIREMENTS

#### Core Courses ................................................................. 9 hours

- ENG 301, 302, 474. (ENG 302 should be taken before enrolling in upper level literature courses - with exception of ENG 350, 351, 352, and 353).

#### Concentrations:

- **Literature Concentrations** ......................................... 39 hours
  - ENG 350, 351, 352, 353, 410, 492; 3 hrs from:
  - ENG 360, 361, 362, 363, 364, 365, 366 or 367; 3 hrs from: THE 100, 110, 135, 150, 220, 390, 391, or 430; a minimum of 15 hrs upper division literature: 3 hrs British, 3 hrs American, 9 hrs at the 400 and 500 level.
- **Creative Writing Concentrations** ............................. 30 hours
  - ENG 350, 351, 352, 353, 410, 490; a minimum of 12 hrs selected from: ENG 306, 406, 407, 408, 409, 420, 502, 503, 504, or one course from the Technical Writing Concentrations.
- **Technical Writing Concentrations** ........................... 30 hours
  - ENG 350, 351, 352, 353, 410; a minimum of 15 hrs to include ENG 300 or 300S, 400, 420, 491, and 3 hrs from ENG 306, 406, 409, 500, 502, or 510.

- **Theatre Concentrations** ............................................ 48 hours
  - ENG 335 or 335W, 430; THE 110, 115, 135, 200(2), 210, 220, 235; 285(2) or 385(2), 300; 3 hrs from THE 310, 311 or 320; THE 341, 390, 391, 130/330 (4), 495(1).

#### Supporting Course Requirements

- All concentrations: ....................................................... 0 hours^
  - Six hours of one foreign language at the appropriate level or American Sign Language (Element 6).
- **Creative Writing Concentrations** ............................. 6 hours
  - Select 6 hrs (with no more than 3 hrs from any one group) from: CMS 320, 350; COM 201; JOU 305, 307; CIS 212 or CSC 104.
- **Technical Writing Concentrations** ........................... 12 hours
  - Select 12 hrs from: 302, 570; ART 152, BEM 375; CIS 212 or CSC 104; GCM 255, 355; CMS 250, 300, 320, 350; CSC 160, 177, 190; GCM 211, 217, 316, 317.^
  -  = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.
- **Free Electives** ........................................................... 29-35 hours

#### Bachelor of Arts (B.A.) and Master of Arts (M.A.)

**ENGLISH**  
*Accelerated 3+2 Dual Degree Program*

CIP Code: 13.1305

Students accepted to the 3+2 Accelerated Dual Degree Option are able to complete their B.A. degree and M.A. degree within 5 calendar years because up to 9 semester hours of graduate-level coursework will apply to both the undergraduate B.A. degree and the graduate M.A. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is

---

^

---
required.

Entrance requirements for the 3+2 adhere to the requirements for the M.A. English Program in the Graduate Catalog. Students admitted into the program will remain coded as undergraduate until fulfilling their BA requirements. Students admitted into the 3+2 program must complete the English BA degree with a minimum 3.0 GPA to be allowed to proceed on with graduate program coursework. Students must fulfill all graduation requirements listed below.

Students may apply to the Graduate School for admission to the 3+2 program in their junior or senior year. Approval of both the department and Graduate School is required (see the form at http://gradschool.eku.edu/graduate-school-forms.

**English Program Special Admission Requirements:**
Literature, Creative Writing, or Technical Writing Concentrations

Upon completion of an English/Teaching degree, graduates will: 1) demonstrate the ability to analyze and produce texts; 2) demonstrate knowledge of English content areas: literature, language, and composition; 3) demonstrate competency in composing expository essays.

**UNIVERSITY GRADUATION REQUIREMENTS**

- **General Education** .............................................. 36 hours
- **Orientation Course** (ASO 100; waived for transfers with 30+ hours) ........................................... 1 hour
- **Wellness** ............................................................ 3 hours
- **Writing Intensive Course** (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- **Upper division courses** (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- **ACCT** - English majors will fulfill ACCT with: ENG 491 (Technical Writing Concentrations), 490 (Creative Writing Concentrations), or 492 (Literature Concentrations). (Credit hours are incorporated into program requirements below.)

**Total hours University Graduation Requirements** .........40 hours

**B.A. 3 + 2 ENGLISH MAJOR REQUIREMENTS**

Core Courses.........................................................18 hours
ENG 301, 302, 474; 801, 808, 833
(ENG 302 should be taken before enrolling in upper level literature courses - with exception of ENG 350, 351, 352, and 353).

**Concentrations:**

**Literature Concentrations** ....................................39 hours
ENG 350, 351, 352, 353, 410, 492; 3 hrs from: ENG 360, 361, 362, 363, 364, 365, 366 or 367; 3 hrs from: THE 100, 110, 135, 150, 220, 320, 390, 391, or 430; a minimum of 15 hrs upper division literature: 3 hrs British, 3 hrs American, 9 hrs at the 400 and 500 level.

**Creative Writing Concentrations** ............................30 hours
ENG 350, 351, 352, 353, 410, 490; a minimum of 12 hours selected from: ENG 306, 406, 407, 408, 409, 420, 502, 503, 504, or one course from the Technical Writing Concentrations.

**Technical Writing Concentrations** ..........................30 hours
ENG 350, 351, 352, 353, 410; a minimum of 15 hrs to include ENG 300 or 300S, 400, 420, 491, and 3 hrs from ENG 306, 406, 409, 500, 502, or 510.

**Supporting Course Requirements**

All options:.........................................................0 hours
Six hours of one foreign language at the appropriate level or American Sign Language (*Element 6).

**Creative Writing Concentrations** ............................6 hours
Select 6 hours (with no more than 3 hrs from any one group) from: CMS 320, 350; COM 201; JOU 305, 307; CIS 212 or CSC 104.

**Technical Writing Concentrations** ..........................12 hours
Select 12 hrs from: CCT 302, 570; ART 152, BEM 375; CIS 212 or CSC 104; GCM 255, 355; CMS 250, 300, 320, 350; CSC 160, 177, 190; GCM 211, 217, 316, 317.

CMS 100(*Element 1C), 205, and 210.

6. Hours are included within the 36 hr. General Education requirement above.

**Professional Education Requirements** ....................37 hours
EDF 103(1), 203, 319 or 319W, 413; EDF 204 or CIS 212 or CSC 104; SED 401 or 401S; ESE 490, 499(12), 543, 574; 3 hrs of Applied Learning Field Experiences: EDF 349Q(0.5),
TOTAL HOURS TO COMPLETE DEGREE ....120-135 hours

Candidates earning a degree that leads to teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (http://www.kyepsb.net/assessment/index.asp AND www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the optimal time to take required exams.

TEACHING ENGLISH AS A SECOND LANGUAGE ENDORSEMENT

ADMISSION REQUIREMENTS
Candidates must hold an initial teaching certificate (Rank III, minimum) in elementary, middle or secondary teaching certification program. A minimum of six (6) credit hours of a world language or ASL required prior to completion of the endorsement.

PROGRAM REQUIREMENTS
English as a Second Language Program..................12 hours
EMS 575/775................................................................3 hours
ENG 510/710 or EME 551/751..............................3 hours
ENG 515/715................................................................3 hours
ENG 520/720................................................................3 hours

Program GPA: Candidates must earn overall GPA of 2.75 or higher, with no grade lower than a C.

Minors

MINOR IN ENGLISH

Requirements..................................................18 hours
ENG 301, 302**, and at least 12 additional upper level hours in literature and/or writing courses.

**Should be taken before enrolling in upper level literature courses (with the exception of ENG 350, 351, 352 and 353).

MINOR IN ENGLISH (TEACHING)

Requirements..................................................24 hours
ENG 301, 302**; 350 or 351; 352 or 353; 405, 410; 510 or 520; and at least three additional upper level hours. Minor is available only to students having a teaching major in another field.

Supporting Course Requirements ..................3 hours
ESE 574.
Total Curriculum Requirements ..................27 hours

**Should be taken before enrolling in upper level literature courses

MINOR IN THEATRE ARTS

Requirements..................................................18 hours
THE 110, 135, 130/330 (3), 235, 341; 390 or 391.

MINOR IN THEATRE ARTS (TEACHING)

Requirements..................................................21 hours
THE 110, 135, 130/330 (3), 235, 341; 390 or 391; and three hours of theatre arts electives.

CIP Code: 45.0701

Program Objectives
The mission of the Bachelor of Arts in Geography is to sustain
a progressive and supportive environment where students can grow
intellectually and professionally by: 1) providing a comprehensive
and modern curriculum that affirms geography’s historic position at
the center of a strong liberal arts tradition; 2) providing a scholastic
and experiential foundation that prepares all students to live and
work in the information age of a global society; and 3) promoting
integrative and holistic geographic perspectives on regional issues
(local, regional, and global) through interdisciplinary collaboration
in research and teaching. The program values the fundamental joy
of learning, all types of intellectual exploration, and pedagogical
innovation. Geographic knowledge, theories, and methods provide
analytical techniques applicable to a wide range of questions asked
over a broad spectrum of occupations. A bachelor’s degree in
geography provides marketable skills and the broad perspectives
on environment and society that enable graduates to move beyond
entry-level positions. Geography also provides a sound foundation
for students who plan to enter graduate work in a variety of fields,
from geography to business, land use planning, law, and medicine.
The potential for practicing geography in private enterprise and
government has grown considerably in recent years. In fact, the U.S.
Department of Labor identified geotechnology as one of the three
most important emerging and evolving fields along with
nanotechnology and biotechnology. The Department of Geography
and Geology at EKU is committed to preparing its students
for careers in geography as demonstrated by its high quality
curriculum, involving undergraduates in faculty research, and its
rich history of securing student internships. All students should
emerge from the geography major at EKU with realistic ideas
about how to implement their geographic knowledge and skills in
occupational pursuits in a variety of settings.

Univerrsty Graduation Requirements

- General Education ............................................. 36 hrs.
- Orientation Course (waived for transfers with 30+ hrs.) .... 1 hr.
- Wellness........................................................... 3 hrs.
- Writing Intensive Course (Hrs. incorporated into Major/
  Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/
  Supporting/Gen Ed/Free Electives categories)
- ACCT – Geography majors will fulfill ACCT with GEO 490
  or GEO 498.
(Credit hours may be incorporated into Major or Supporting
requirements)

Total hours University Graduation Requirements .......... 40 hours

MAJOR REQUIREMENTS
Core Courses .................................................. 15 hours
GEO 100, 210, 220, 353, and 490.

Geography Major Electives ................................... 24 hours
At least 18 hours must be at upper division level. Majors are
strongly encouraged to select their GEO elective hours and free
elective hours in consultation with an advisor.

Supporting Course Requirements ............................. 4 hours
STA 270 and 270L.

Free Electives ................................................. 37 hours

TOTAL HOURS TO COMPLETE DEGREE ............. 120 hours

MAJOR REQUIREMENTS
Core Courses
- Introductory Core ............................................. 6 hours
- Geology Core .................................................. 26-27 hours
  GLY 210 or CHE 111/111L(4); GLY 309(4), 315, 409(4),
  410(4), 415(4), 420(4).

Geology Major Electives ....................................... 12 hours
Choose four courses from GLY 303, 351, 408, 460, 480, 482,
512, 535, 540, 550, 580; GEO 455, 456, 553, 556; and STA
215 or 270.

Capstone Course ............................................... 3 hours
GEO 490 or GLY 498 or GLY 499.

Supporting Course Requirements ............................. 3-8 hours
GEO 353; MAT 108(“Element 2) or higher; PHY
101(“Element 4) or higher.
Arts and Sciences  

= Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

Free Electives

TOTAL HOURS TO COMPLETE DEGREE ........120 hours

Minors

MINOR IN EARTH SCIENCE/TEACHING

A student may minor in earth science (teaching) by completing a minimum of 21 semester hours as follows: GLY 104, 108, 109; GEO 315; AST 135; and any two from the following: GLY 303, 309, 351, 408, 410, 415, 420, and 550; or approved electives from astronomy or geography. The teaching minor in earth science must be coupled with a teaching major in biology, chemistry, computer science/mathematics, mathematics, or physics.

MINOR IN GEOGRAPHIC INFORMATION SYSTEMS

A student may minor in Geographic Information Systems by completing a total of 18 hours as follows: GEO 351, 353, 453, 455, 456, and 458.

Note: minor not open to Geography majors.

MINOR IN GEOGRAPHY

A student may minor in geography by completing a total of 18 semester hours as follows: GEO 200, 210, 220, and nine hours of upper-division geography electives.

MINOR IN GEOLOGY

A student may minor in Geology by completing a minimum of 18 semester hours as follows: a maximum of six hours from GLY 102 or 104 or 107 or 108 or 109; a minimum of 12 additional hours of upper-division geology courses.

Concentrations

Faculty

Bachelor of Arts in Political Science

Political Science is the study of power, conflict, and war, and of the human endeavor to maintain peace, order, and cooperation, and of the principles and ethics that guide that effort. It is the study of governments, in the United States and in other countries, and of the making and carrying out of laws and policies, by Presidents and governors, legislatures, courts, and the administrative agencies and civil service they oversee, and of the media and journalists who observe them and inform us of their actions. It is the study of cities and counties, and of their efforts to maintain and develop communities, politically, socially, and economically. It is the study of public agencies and services, and the special ways they must be organized and managed. It is the study of human values and beliefs, how they are formed and expressed in the public arena, in voting and elections, in political parties, and in the activities of organized interests, both self-seeking and public-spirited. The ancient Greek philosopher, Aristotle, said that politics is “the master science” because it influences how all other knowledge is used in society.

The objective of the political science program is to develop graduates who understand political institutions and behavior, and who in the process become able writers, speakers, thinkers, and informed students of human conflict, organization, and governance. With such knowledge and skills, graduates are well prepared for a variety of careers. Professions to which such abilities are
Paralegal Program

The paralegal programs offer a Bachelor of Arts degree and Post-Baccalaureate Certificate in paralegal science and an associate of arts degree in paralegal studies. The objectives of the programs are: (1) to create, implement, and maintain a strong, flexible program directed to the quality education of occupationally competent paralegals; (2) to provide a paralegal education program that leads to employment of its graduates by a wide range of employers; (3) to provide paralegals with a well-rounded, balanced education founded on a beneficial mix of general education, theory, and practical courses stressing understanding and reasoning rather than rote learning of facts; (4) to support the general principles of ethical legal practice, professional responsibility, and the prohibitions against the unauthorized practice of law by a lay person; (5) to provide an educational program that is responsive to the varied needs of the state of Kentucky and the region and contributes to the overall advancement of the legal profession; (6) to provide a program which instills respect for the legal profession and its foundations, institutions, and quest for justice; and (7) to maintain equality of opportunity in the educational program without discrimination or segregation on the grounds of race, color, religion, natural origin, or sex.

Paralegals are paraprofessionals who must work under the supervision of an attorney. The law prohibits paralegals from engaging in the practice of law. Completion of the Paralegal Science/Studies major and/or receipt of a degree or certificate in Paralegal Science/Studies does not intitle one to practice law or render legal advice, except as provided by law.

Paralegal Degree Requirements

Paralegal majors, minors, and certificates must attain a minimum grade of “C” in all major and supporting courses, a minimum grade of “C” must be earned in LAS 220. A minimum grade of “C” must be earned in LAS 220 before being admitted to any of the other upper division requirements.

Paralegal majors, minors, and certificates must take a minimum of ten (10) semester credits of courses from Major/Minor requirements in a traditional in-person or ITV format. No courses taken in an online or web-based format can count toward this ten (10) semester credit requirement.

Paralegal Transfer Students

Transfer students must take a minimum of 15 semester hours of paralegal (LAS) courses at EKU to earn a paralegal degree. Please see the EKU Paralegal Program website (www.paralegal.eku.edu) or contact the Paralegal Program Director for more information.

Pre-Law Program

For information about the Pre-Law Program, please visit the College of Arts and Sciences Pre-Professional Advising page at http://preprofessional.eku.edu/pre-law.
BACHELOR OF ARTS (B.A.) &
MASTER OF PUBLIC ADMINISTRATION (M.P.A.)
POLITICAL SCIENCE
Accelerated 3 + 2 Dual Degree Program
CIP Code: 45.1001

Students accepted to the 3+2 Accelerated Dual Degree Program are able to complete their B.A. degree and M.P.A. degree within 5 calendar years because up to 9 semester hours of graduate-level coursework will apply to both the undergraduate B.A. degree and the graduate M.P.A. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required.

Entrance requirements for the 3+2 adhere to the requirements for the M.P.A. Public Administration Program in the Graduate Catalog. Students admitted into the program will remain coded as undergraduate until fulfilling their BA requirements. Students admitted into the 3+2 program must complete the Political Science BA degree with a minimum 3.0 GPA to be allowed to proceed on with graduate program coursework. Students must fulfill all graduation requirements listed below.

Students may apply to the Graduate School for admission to the 3+2 program in their junior or senior year. Approval of both the department and Graduate School is required (see the form at http://gradschool.eku.edu/graduate)

UNIVERSITY GRADUATION REQUIREMENTS
- General Education ................................................................................................................36 hrs.

MINORS

MINOR IN LEGAL STUDIES

The Legal Studies Minor is an interdisciplinary program with a liberal arts focus that provides students with the opportunity to study the law, legal ideas/concepts, and legal systems/processes from a variety of perspectives. The minor is designed to provide a broad conceptual framework to explore legal studies and
complement a chosen major of study. While the minor may be appropriate for those considering attending law schools, it is not a “pre-law” program and does not provide legal or paralegal training.

**Core Requirement**...............................................3 hours
LGS 300

**Electives**.............................................................12 hours
OR substitute 3 hours of special topics courses as approved by the Director of Legal Studies.

Students are strongly advised to enroll in LGS 300 before beginning Legal Studies elective studies. Students may not take more than six hours of electives with the same course prefix. Students may not count Legal Studies electives towards any other major or minor.

**Co-op or Research Requirement**..................................3 hours
LGS 349 or LGS 400

**Total Curriculum Requirements**..................................18 hours

**MINOR IN PARALEGAL STUDIES**

A student may minor in Paralegal Studies by completing a total of 18 hours as follows: LAS 210, 220, 300 or 300W, 350, 355, and 410.

**MINOR IN POLITICAL SCIENCE**

A student may minor in political science by completing POL 101 plus 15 hours of which nine hours must be in courses numbered 300 or above. No more than three hours of POL 349 may count toward the minor.

**MINOR IN PUBLIC ADMINISTRATION**

A student may minor in public administration by completing a total of 18 hours as follows: POL 101, POL 370, POL 374, and nine hours from POL 332 or POL 333, POL 371, POL 373, POL 376, POL 377, and POL 565. Upper division courses applied to the public administration minor may not be applied to the political science minor.

**Concentration**

**POLITICAL SCIENCE CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE**

See page 88 of this Catalog for the Political Science Concentration requirements listed in the Associate of General Studies degree section.

**Certificate**

**CERTIFICATE IN PARALEGAL SCIENCE (POST-BACCALAUREATE)**

Requirements..................................................30-31 hours**
LAS 210, 220, 300 or 300W, 350, 355, 410, plus 12 hours of LAS courses chosen from LAS 325, 330, 340, 360, 370, 380, 385, 399.*

*LAS 399 is a 4 semester hour course.

**Students with 75 hours or more may begin taking courses toward the post-baccalaureate certificate. At least 18 hours toward the certificate must be taken subsequent to receiving a bachelor’s degree.

**DEPARTMENT OF HISTORY**

Chair
Dr. Christiane Taylor
(859) 622-1288
Keith 325

Faculty

**Baccalaureate Degrees**

**BACHELOR OF ARTS (B.A.)**

**HISTORY**

CIP Code: 54.0101

**Program Objectives**

Upon successful completion of this program, graduates will be able to: 1) demonstrate knowledge of U.S. history, European history, and selected aspects of non-Western history at a high level; 2) demonstrate their ability to write effectively (all students in the program will complete term papers as part of their major requirements); and 3) execute a major research project utilizing both primary and secondary sources. All students in the baccalaureate program will submit prior to graduation a formal research project which includes both primary and secondary sources. In addition to pursuing careers in education, graduates of this degree program have found employment in business, journalism, public history, library work, government and law. A history degree is excellent preparation for law school as well as graduate programs in library science, public history and many other fields. Many employers value the research, writing and analytical skills developed through the study of history.

Because the program puts history into real-world application, it offers 24 unique pathways to prepare students for careers in: public history, education, media, the legal field, government, non-governmental organizations including non-profits, and business/management. And students can complete any of the career preparation pathways in just four years!

While a major in History Teaching prepares students to teach high school Social Studies or to join the educational arm of such entities as historical museums and sites, majoring in History provides students with the research skills and critical thinking and communication capabilities applicable and essential to any path they pursue post-graduation. More importantly, by combining a History major with a second major or minor in such areas as communications, political science, geography, business, or tourism and recreation, students gain profession-specific skills.
They also acquire real world-experience because many of these majors require or stress completing an internship. Completion of one of History’s career pathways prepares a student for pursuing such opportunities as: curatorial positions in museums and historical sites, video production, broadcasting including reporting, publishing, event planning and promotion, employment with state and federal agencies or international and non-profit organizations, and entry into graduate or professional programs such as law school.

For more information on the career preparation pathways offered by the department go to www.history.eku.edu or contact the department at the number provided above.

UNIVERSITY GRADUATION REQUIREMENTS

- General Education ......................................................... 36 hrs.
- Student Success Seminar (waived for transfers with 30+ hrs.) ................................................................. 1 hr.
- Wellness ........................................................................ 3 hrs.
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category) .... 4 hrs.
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories) 12 hrs.
- ACCT – History majors will fulfill ACCT with HIS 450W. (Credit hours incorporated into Major or Supporting requirements) .... 1 hr.

Total Hours University Graduation Requirements ...... 40 hours

MAJOR REQUIREMENTS

Core Courses ................................................................. 33 hrs.

The remaining upper division history course may come from any of the above areas or from other upper division history courses except HIS 302A, B, C.

Free Electives ................................................................... 47 hrs.

At least three hours of one foreign language is strongly recommended. Students who plan to pursue a graduate degree are strongly encouraged to take at least six hours of a foreign language which will also serve to fulfill Gen Ed Element 6.

TOTAL HOURS TO COMPLETE DEGREE ............... 120 hours

BACHELOR OF ARTS (B.A.)

HISTORY/TEACHING

CIP Code:  13.1328

Program Objectives

Upon successful completion of this program, graduates will be able to: 1) demonstrate knowledge of U.S. History, European history, and selected aspects of non-Western history at a high level; 2) demonstrate their ability to write effectively (all students in the program will complete term papers as part of their major requirements); and 3) execute a major research project utilizing both primary and secondary resources. All students in the baccalaureate degree program will submit prior to graduation a formal research project which includes both primary and secondary resources. The History/Teaching B.A. is designed above all for those who wish to pursue careers in social studies at the secondary level or join the educational arm of such entities as historical museums and sites. Offered in cooperation with the EKU College of Education, the History/Teaching B.A. program includes secondary teaching certification in social studies. Refer to the College of Education section of this Catalog regarding the teacher certification requirements associated with this degree program.

UNIVERSITY GRADUATION REQUIREMENTS

- General Education ......................................................... 36 hours
- Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.) ................................................................. 1 hour
- Wellness ........................................................................ 3 hours

DEPARTMENT OF LANGUAGES, CULTURES AND HUMANITIES

Chair
Dr. Abbey Poffenberger
(859) 622-2996
Case Annex 368

Faculty

Mission and Goals

The Department of Languages, Cultures and Humanities is a multi-disciplinary unit which offers a variety of programs through which students gain new insights into other cultures, and develop the language skills necessary for participation and leadership in the global community. Our major and minor programs in Comparative Humanities provide students with opportunities to explore the literary and cultural heritage of other peoples and to acquire a critical understanding of their own heritage. The French and Spanish programs prepare the students to communicate in two major world languages which are both spoken on several continents. Our French and Spanish teaching degrees help meet the increasingly critical need for foreign language teachers in Kentucky. We also offer certificate programs primarily for non-language majors with concentration on basic conversation skills and cultural understanding, currently available in French, German, Japanese, and Spanish. The department helps students to fulfill General Education requirements in Blocks III and VIII through course offerings in French (FRE), German (GER), Japanese (JPN), Latin (LAT), Spanish (SPA), and occasionally other languages such as Arabic (as FLS courses); through foreign culture and civilization courses (FCC); and also through the basic sequence of Humanities courses (HUM). All our courses, whether in language, literature, culture, or humanities, strive to foster an atmosphere in which students can experience the joy of learning and intellectual fulfillment while developing deeper understanding and appreciation of cultural diversity.

1. Certain courses are inappropriate for students with native or near-native fluency in a particular language. Native speakers of a foreign language (i.e. a language other than English) are welcome to take our courses at an appropriate skill level. However, such students cannot be given credit for introductory courses (100/200 level), in their native language either by enrolling in the course or by taking an exam for credit. Exceptions to this restriction, such as heritage speakers who need to take a lower level course to correct language deficiencies, must be approved by the relevant foreign language faculty in consultation with the chair. Other exceptions may apply, at the discretion of the coordinator and foreign language faculty in conjunction with the chair.

2. Students who transfer credits must earn no fewer than 15 upper-division hours in the major and 9 upper-division hours in the minor at EKU, the exact minimum to be determined by the department chair in consultation with the faculty in the major area.

3. Eastern Kentucky University students are required to obtain the department chair’s written prior approval of any course work they plan to transfer back to EKU for application to the major or minor.

4. A grade of “C” or higher is required in each course to be applied toward the major and minor.

5. Students in teaching programs must attain a minimum 2.75 GPA in their teaching major to be recommended for student teaching.

6. French and Spanish majors must attain a minimum 2.75 GPA in the major, and must also pass a departmental proficiency exam which covers spoken and written language, culture, and literature. Teaching majors must pass the proficiency exam to be recommended for student teaching. Students will ordinarily take the exam no later than in the first semester of their senior year.

Baccalaureate Degrees

BACHELOR OF ARTS (B.A.)

COMPARATIVE HUMANITIES

CIP Code: 24.0103

UNIVERSITY GRADUATION REQUIREMENTS

• General Education ..................................................36 hours
• Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.) ............................................................1 hour
• Wellness ........................................................................3 hours
• Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
• ACCT - Comparative Humanities majors will fulfill ACCT with HUM 499. (Credit hours are incorporated into program requirements below.)

Total Hours University Graduation Requirements ...........40 hours

MAJOR REQUIREMENTS

Core Courses .................................................................12 hours
HUM 302; HUM 360 (or alternate upper division course in
non-Western traditions); six hours from HUM 320, 330, 340, 350.

Focus Area .................................................................12 hours
Select 12 hours in upper division courses focused in a single discipline, historical period, or area of study:
• Examples include philosophy, the modern era, and Latin American studies. The focus and the courses which comprise it must be approved by the Humanities advisor.
• Eligible courses include courses in African/African-American Studies, Anthropology, Appalachian Studies, Art History, Broadcasting, Communications, Design History, English and Theatre, Foreign Culture and Civilization, French, German, Spanish, or Japanese literature and culture, History, Humanities, Music History, Philosophy and Religion, and Women and Gender Studies.
• Additional upper division courses may be approved for credit pending review of the syllabus by the Humanities advisor.

Humanities Electives and Thesis ....................................12 hours
Select 9 hours in upper division electives chosen from the participating departments listed in Area II above; HUM 499.

Free Electives...............................................................44 hours

DEPARTMENT OF MATHEMATICS AND STATISTICS

Chair
Dr. Daniel Mundfrom
(859) 622-5942
Wallace 312

Faculty

The Department of Mathematics and Statistics offers degrees and minors in these disciplines, as well as providing developmental, college readiness, and general education mathematics and statistics courses. Developmental mathematics courses are taught in one-credit-hour modules, and students are allowed to attempt to pass modules multiple times within the same semester. However, students should be aware that any student who does not pass MAT 095 Module A after four attempts (four blocks) may be required to take MAT 090 (Modules A, B, and C) before attempting MAT 095 again.

Baccalaureate Degrees

Bachelor of Science (B.S.)
Mathematics
CIP Code: 27.0101

Program Objectives

Upon successful completion of this program, the graduate will: (1) be able to apply mathematical techniques to social, economic, and scientific problems; (2) understand the importance and power of mathematics in our rapidly changing technological age; (3) be prepared to pursue a graduate program in this or a related area; and (4) be well qualified for employment in any position requiring undergraduate training in mathematics.

University Graduation Requirements

- General Education ........................................36 hours
- Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.) ...........................................1 hour
- Wellness ................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT – Mathematics majors will fulfill ACCT requirements with any of the following: a 349 Co-op experience in any subject area, a program-approved service-learning course, a program-approved undergraduate scholarly or creative activity, HON 420 with a program approved thesis topic, a program-approved leadership experience, or a program-approved study abroad experience. (Credit hours may be incorporated into Major or Supporting requirements)
Total Hours University Graduation Requirements......40 hours

Major Requirements

Core Courses ...........................................37-40 hours
a) MAT 124(4) or 124H(4), 214, 224(4) or 224H(4), 225(4) or 225H(4), 301, 308, 315, 408 or 415, 498(1). (3 cr. hr. from MAT 124 may count as a Gen. Ed. E2 course, if the student does not take a lower level Gen Ed math.)
b) One additional MAT course chosen from 408, 415, or any course numbered 505 or above (507 only with departmental approval)
c) Select 9 hrs from: CSC 300, 320, any MAT course numbered 300 or above (except for 303, 349, 475, 501, 502), or any STA course numbered 300 or above (except for 349, 500, 503). No more than 6 hrs of STA courses may be used to fulfill this requirement.
d) At least five upper division courses which satisfy the major requirements must be completed at EKU.
e) Only courses completed with a grade of at least “C” will count toward the major requirements.

Supporting Course Requirements ................6 hours
CSC 160, 177, or 190; STA 270.

Free Electives ........................................34-37 hours
Students planning to attend a graduate school in mathematics are strongly encouraged to select an in-depth study of a single foreign language as a part of their program.

Total Hours to Complete Degree ..........120 hours

* A preparatory course in mathematics (MAT 109) may be required before admission to calculus.

Bachelor of Science (B.S.)
Mathematics/Teaching
CIP Code: 13.1311

Program Objectives

Upon successful completion of this program, the graduate will be prepared for certification to teach mathematics at the secondary level and will: (1) understand the principles of pre-college mathematics; (2) be able to explain mathematical concepts and applications to social, economic, and scientific problems; (3) understand the importance and power of mathematics in our rapidly changing technological age; and (4) be prepared to pursue a
graduate program in this or some related area.
Refer to the College of Education section of this Catalog regarding several teacher certification requirements associated with this degree program.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education ........................................36 hours
• Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.)............................1 hour
• Wellness......................................................3 hours
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT – Math Teaching majors will fulfill ACCT with ESE 499. (Credit hours may be incorporated into Major or Supporting requirements)

Total Hours University Graduation Requirements......40 hours

MAJOR REQUIREMENTS
All courses must be completed with a grade of at least “C” and the student must meet the GPA requirements listed in the College of Education section under The Office of Teacher Education Services. At least five upper-division courses which satisfy the major requirements must be completed at EKU.

Core Courses .............................................30 hours
MAT 124(4) or 124H(4); 214; 224(4) or 224H(4); 301, 306, 308, 334, 380(4)*, MAE 475.
(If Math Teaching majors begin their mathematics education with MAT 124 then 3 cr. hr. from MAT 124 will be used to fulfill General Education Element 2.) *(A preparatory course in mathematics (MAT 109) may be required before admission to calculus.)

*Students who use a course from another institution as the History of Mathematics course will need to take ESE 574 to meet the reading requirement for secondary education certification.

Concentrations:
Mathematics Teaching ..................................10-13 hours
MAT 225 or 225H and one of the following combinations:
• General Combination: MAT 315 and three additional hours of courses chosen from CSC 300, 320; any MAT course numbered 300 or above (excluding: any 349 course, CSC 305, 306, MAT 303, 501, 502, STA 500, 503).
• Statistics Combination: STA 320, STA 370 or 520; STA 375 or 585.
Computer Science/Mathematics Teaching ......15 hours
CSC 190, 191, 195, 310; one of CSC 250, 330, 340.

Supporting Course Requirements:
Mathematics Teaching Concentration ..........9 hours
CSC 104; CSC 160, 177, or 190; STA 270.
Computer Science/Mathematics Teaching Concentration ........................................6 hours
CSC 104; STA 270.
Professional Education Requirements ...........34 hours
EDF 103, 203, 319 or 319W, 413; SEM 401 or 401S; ESE 490, 499(12), 550; and 3 hrs. of Applied Learning Field Experience: EDF 349Q(0.5), 349R(0.5); EMS 349Q(0.5); 349R(0.5); ESE 349(1).

TOTAL HOURS TO COMPLETE DEGREE......120-126 hours

BACHELOR OF SCIENCE (B.S.)
STATISTICS
CIP Code: 27.0501

Program Objectives
Upon successful completion of this program, the graduate will: (1) understand the applications and use of statistics in everyday life; (2) be able to apply a wide variety of statistical techniques; (3) be familiar with computer packages which perform statistical analysis; (4) be well qualified for employment in industry, government, and the actuarial profession; and (5) be prepared to pursue graduate work in statistics.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education ........................................36 hours
• Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.)............................1 hour
• Wellness......................................................3 hours
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)

TOTAL HOURS TO COMPLETE DEGREE ............120 hours

* A preparatory course in mathematics (MAT 109) may be required before admission to calculus.

MINORS

MINOR IN ACTUARIAL SCIENCE

A student may minor in actuarial science by completing a total of 21 semester hours as follows: MAT 124 or 124H; MAT 224 or 224H; STA 270; STA 320; STA 370; STA 385; and STA 520.

MINOR IN MATHEMATICAL SCIENCES
A student may minor in mathematical sciences by completing a minimum of six hours in each of computer science, mathematics, and statistics for a total of 18 hours as follows: computer science—two of CSC 160, 190, 191; mathematics—MAT 261 and 262, or MAT 124 or 124H, and 224 or 224H; and statistics—two of STA 270, 320, 370, 500, 501, 575.

MINOR IN MATHEMATICS

A student may minor in mathematics by completing 18 hours including MAT 124 or 124H; 224 or 224H; and ten hours selected from MAT 214; 225 or 225H; 306; an approved MAT 480; STA 370 or 520; or any MAT course numbered 300 or above (except for MAT 349).

MINOR IN MATHEMATICS/Teaching

A student may minor in mathematics teaching by completing a minimum of 20 semester hours as follows: MAT 124 or 124H; MAT 214; MAT 224 or 224H; MAT 301; MAT 334; and STA 270. All courses must be completed with a grade of at least “C” and the GPA in the courses used for the minor must be at least 2.75. The teaching minor in mathematics must be coupled with a secondary teaching major in another discipline.

MINOR IN STATISTICS

A student may minor in statistics by completing 18 hours of mathematical science courses including 12 hours of STA and six hours selected from any additional STA courses (except for 349), any CSC courses (except for 105, 305, 306, or 349), or any calculus courses with MAT prefixes, but no more than one course from MAT 124, 124H, 211, and 261.

Concentration

MATHEMATICAL SCIENCES CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE

See page 88 of this Catalog for the Mathematical Sciences Concentration requirements listed in the Associate of General Studies degree section.

DEPARTMENT OF MUSIC

Chair
Mr. Rob James
(859) 622-3266
Foster 101

Faculty

Mission Statement

The Department of Music is a community of teaching scholars and performing artists who provide undergraduate and graduate music degree programs of high quality with public concert of an artistic level for the citizens of the Commonwealth.

Baccalaureate Degree

BACHELOR OF MUSIC (B.M.)
MUSIC
CIP Code: 50.0901

Program Objectives

Upon successful completion of the Bachelor of Music program, graduates will be able to perform a recital in their major applied area, communicate effectively about the theoretical concepts in music, identify and analyze musical works from diverse cultures and historical periods. In addition, all music education majors will demonstrate the ability to sing and play a variety of instruments, develop lesson plans, and engage in effective teaching during a student teaching semester. All theory and composition students will demonstrate composition skills and present original compositions in public recitals as well as identifying an area of advanced analysis of musical works through a senior project. All music industry students will demonstrate music technology skills, identify trends in the many facets of this business field, and demonstrate an ability to work with professionals through cooperative learning experiences. All performance majors will prepare two performance recitals and analyze repertoire presented on those recitals, in addition to identifying different pedagogical approaches in their area.

A number of recent graduates of the Bachelor of Music program are furthering their education at graduate schools across the country, preparing to be performers and college/public school teachers. Many graduates are public school teachers across the country, performers/conductors in the church music field, professional composers or arrangers, on Broadway, in U.S. service bands, in professional orchestras, university professors, and music industry professionals in the recording, manufacturing, marketing, computer software, and sales fields.

Admission to the Music Major Program

Admission to the Bachelor of Music programs requires an audition and theory placement interview. The student is expected to demonstrate acceptable levels of achievement in performance in terms of intonation, tone quality and rhythmic accuracy. Incoming students will be expected to perform two selections of contrasting styles. May be accepted on probationary status at the discretion of the applied teacher and the department chair.

Bachelor of Music Core Requirements

APPLIED MUSIC

All music majors must complete a minimum of seven semesters of applied lessons with at least three of the semesters at the upper division levels (numbered 300 or 400). Applied students must complete a jury examination at the end of each semester. Each major is required to enroll in applied music every semester of full-time enrollment.

Solo Recital Performance
Each major is expected to perform the equivalent of a half recital (MUS 399) during the course of study.

Ensemble Requirements

Each major is expected to enroll in a major ensemble reflecting the major applied area of study every semester of full-time enrollment. Wind and percussion majors will enroll in MUS 256 Marching Band, MUS 255A or B/MUS 455A or B Symphonic or Concert Band, or MUS 235/435 Symphony Orchestra. With permission of the Department Chair, MUS 254/454 may be submitted for the major ensemble requirement for wind and percussion majors. Orchestral string majors will enroll in MUS 235/435 Symphony Orchestra or MUS 236/436 String Orchestra. Some string bass majors may be assigned to MUS 255A/455A Symphonic Band pending auditions. Guitar majors will enroll in MUS 257/457 Guitar Ensemble. Vocal majors will enroll in MUS 225/425 Concert Choir or MUS 226/426 University Singers. Keyboard majors may substitute accompaniment (MUS 313 or 513) for ensemble credits. Even if the student plans to study in two or more applied areas, one of them must be declared the major.

Recital Attendance

All majors are expected to attend 16 recitals including the Friday recitals and other departmental concerts held throughout the semester (MUS 101) for at least six semesters. Performances off campus must receive approval by department chair.

Music Education

All wind and percussion majors must complete at least three semesters of MUS 256. All Music Education majors must elect MUS 383. Students enrolling in more than three ensembles should receive permission for such participation from their applied teacher, ensemble director, and advisor. All wind and percussion majors have required corequisite small and large ensembles with their applied lessons. Voice/string majors have a corequisite large ensemble required with applied lessons and must demonstrate experience in small choral/string ensembles.

Music Performance

All performance majors must pass an audition beyond the entrance audition. They will be on probationary status for one to four semesters. At the end of the probationary period, the student may re-audition for full candidacy. The Audition Committee will consist of at least three members of the music faculty including the applied teacher. All performance majors must give a full recital (MUS 499) in addition to the half recital required of all majors. Vocal performance majors must elect foreign language as part of their Gen. Ed. studies.

Music Industry

All music industry majors must complete six credits of Co-op (MUS 349). All Co-op projects must be approved by the Co-op office, department chair, and Co-op coordinator.

Music Theory and Composition

Theory and composition majors must complete two credits of beginning composition (MUS 283) and eight credits of advanced composition (MUS 483). Composition students will include the performance of their compositions as part of the recital requirement. All theory and composition majors must elect additional piano studies. Theory students will complete a senior thesis or project (MUS 499) as part of this degree program.

University Graduation Requirements

- General Education ..................................................36 hours
- Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.) .............................................1 hour
- Wellness ..................................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category) ..............1 hour
- Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories) ........27 hours
- ACCT – Music majors will fulfill ACCT with MUS 349, 482, 499, 550, or 551, or EMS 499. (Credit hours may be incorporated into Major or Supporting requirements)

Total Hours University Graduation Requirements ..................40 hours

Major Requirements

Core Courses ................................................................44 hours
MUS 110(1), 111(1), 210(1), and 211(1), or MUS 114 (2) and 115 (2); MUS 161(1), 162(1), 181, 182, 261(1), 262(1), 281, 282, 366(1), 399(1), 480, 285 or 383 or 481, 384(2); minimum of 7 hrs of ensemble over 7 semesters, (music ensemble: wind and percussion teaching majors must select 3 hrs of MUS 256); minimum of 7 hrs of applied instrument or voice over 7 semesters (2 credits at 100 level, 2 credits at 200 level, 2 credits at 300 level and 1 credit at 400 level); six semesters of MUS 101 (0 credit course).

Degree Concentrations:

Performance/Instrumental ...........................................31 hours
MUS 367(2) or 368(2), 499 (1), 550 (2), 551 (2); additional 17 hrs applied (2 hrs each of 100 level and 200 level applied in major instrument), 6 hrs of 300 level applied in major instrument, and 7 hrs of 400 level applied in major instrument); 1 hr more of ensemble; 3 hrs of upper division music theory electives; 3 hrs of upper division music history electives.

Performance/Vocal ......................................................31 hours
MUS 220 (1), MUS 367(2) or 368(2), 499 (1), 520 (1), 550 (1), 551 (1); 17 hrs applied: MUS 122(2), MUS 222(2), MUS 322(6), MUS 422(7); 1 hr more of ensemble; 3 hrs upper division music theory electives; 3 hrs upper division music history electives.

Concentrations in Music Industry .................................35 hours
MUS 190 (2), 191 (2), 290 (2), 349 (6), 390, 391; 9 hrs from: ACC 201, MGT 301, PUB 375, or 385); 8 hrs elective credits in MUS/MUH courses.

Concentrations in Music Industry - Recording Arts ........35 hours
MUS 190 (2), 191 (2), 290 (2), 292 (2), 349 (6), 390, 391, 392 (2), 492 (2), 9 credits chosen from: ACC 201, MGT 301, PUB 375, PUB 385, PUB 4155.

Music Theory and Composition .................................25 hours
MUS 283 (2), 482(2), 483(6), 499 (2), 555 or 556; One credit 400 level applied music. One credit additional ensemble. 3 hrs upper division theory electives; 3 hrs music electives.

Music Education/Instrumental .................................11 hours
MUS 230(1), 251(1), 252(1), 320(1), 330(1), 351(1),
352(1), 354(1), 364(1), 365(1), 367(2). Instrumental students will be excused from taking the methods course that includes their major applied instrument.

Music Education/Vocal .................................................................11 hours
MUS 220(1), 230(1), 251(1), 351(1), 354(1), 364(1), 365(1), 368(2), 313(2).

Supporting Course Requirements:
  Performance .................................................................................6 hours
  MUH 272(Element 3A), 371, 372.
  Music Industry (either concentration) .............................................6 hours
  MUH 272(Element 3A), 371, 372.
  Theory and Composition ..............................................................6 hours
  MUH 272(Element 3A), 371, 372; 3 hrs foreign language(Element 6).
  Music Education(either concentration) .........................................6 hours
  MUH 272(Element 3A), 371, 372.

Professional Education Requirements for Music

Education .........................................................................................31 hours
EDF 103(1), 203, 319 or 319W; SED 401 or 401S; EME 378 or MUE 378; EMS 499(12); ESE 579 or MUE 579; and
3 hours of Applied Learning Field Experiences: EDF 349Q (0.5), 349R (0.5); EMS 349Q (0.5), 349R (0.5); ESE 349(1).

G = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education requirement above.

TOTAL HOURS TO COMPLETE DEGREE ....120-132 hours

Minors

MINOR IN PHILOSOPHY

A minor consists of 18 hours in philosophy, including at least three hours in PHI 100, 110, 130, 300, or 320. Three hours of religion may be counted as part of the minor.

MINOR IN RELIGION

Requirements ...........................................................................18 hours
REL 301; REL 302 or PHI 240; three hours from REL 305, 306, 315, 320, or 335; three hours from REL 340, 345, 350, or 355; and either 1) six additional REL hours or 2) three additional REL hours and three additional PHI hours.

Total Curriculum Requirements ...............................................18 hours

DEPARTMENT OF PHYSICS AND ASTRONOMY

Chair
Dr. Anthony Blose
(859) 622-1521
NSB 3140

Faculty
A. Blose, M. Ciocca, J. Gaffney, J. Lair, R. Piercey, M. Pitts, J. Wang, and G. Yoder

Baccalaureate Degrees
Bachelor of Science (B.S.)
Physics
CIP Code: 40.0801

Program Objectives
Upon completion of this program the graduate will: 1) be able to apply mathematics to analyze problems in Physics; 2) be able to use fundamental physical results, such as conservation laws, to study physical systems; 3) be able to analyze important processes occurring in physical systems. Additionally, graduates of this program will 1) be prepared for employment in Physics or a related field in the public or private sector; 2) be prepared for admission to a graduate program in Physics or a related field.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education .................................................. 36 hours
• Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.) .................................................. 1 hour
• Wellness ................................................................... 3 hours
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT – (Credit hours may be incorporated into Major or Supporting requirements) Physics majors will select one of the following: PHY 349, 349A-N, 406, 406W, 410, 470; HON 420, a program-approved Leadership experience, or a program-approved Study Abroad.

Total Hours University Graduation Requirements......40 hours

MAJOR REQUIREMENTS
Core Courses ............................................................ 24 hours
PHY 201(5), 202(5), 302 or 302W(4), 310, 406 or 406W, 460(4). At the discretion of the chair, PHY 131 may be substituted for PHY 201.

Concentrations:
Physics (General) .................................................... 15 hours
PHY 421, 422, 470; 6 hrs from any physics course numbered 300 and above, except PHY 506.
Engineering Physics .................................................. 16 hours
PHY 221, 315(4), 375; 6 hrs from: CSC 300, EET 253, 257, 305, 350, PHY 203, 402, 410(1-6), or STA 270.

Supporting Course Requirements .................................. 23 hours
CHE 111/111L(4)(GElement4), 112/112L(4); CSC 174 (or any approved programming language course); MAT 124(4)(GElement2), 224(4), 225(4), 353; EET 252. 
G = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education requirement above. Note that a max of 3 credit hours from one course may be applied each to any Gen. Ed. element.

Free Electives** ....................................................... 17-18 hours

TOTAL HOURS TO COMPLETE DEGREE ..........120 hours

* A preparatory course (MAT 109) in mathematics may be required before admission to MAT 124.
** Students who are interested in Medical Physics graduate programs are encouraged to take EHS 510 as a free elective.
G Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

Bachelor of Science (B.S.)
Physics/Teaching
CIP Code: 13.1329

Program Objectives
Upon completion of this program the graduate will: 1) be able to apply mathematics to analyze problems in Physics; 2) be able to use fundamental physical results, such as conservation laws, to study physical systems; 3) be able to analyze important processes occurring in physical systems. Additionally, graduates of this program will: 1) be prepared to take and pass the Praxis exam in Physics; 2) be prepared to teach Physics in a secondary school.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education .................................................. 36 hours
• Student Success Seminar (ASO 100; waived for transfers with 30+ hrs.) .................................................. 1 hour
• Wellness ................................................................... 3 hours
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT – Physics Teaching majors will select one of the following: ESE 499, PHY 406, 406W, 410, 470, 349, 349A-N, HON 420 with a program approved thesis topic, a program-approved leadership experience, or a program-approved Study Abroad experience. (Credit hours may be incorporated into Major or Supporting requirements.)

Total Hours University Graduation Requirements......40 hours

MAJOR REQUIREMENTS
Core Courses ............................................................ 30 hours
AST 135, 335; PHY 201(5) or 131(5), PHY 202(5) or 132(5); 14 hrs of physics courses numbered 300 and above.

Required Minor ...................................................... 10-21 hours
A minor in mathematics, computer science, chemistry, earth science, biology, or other Department-approved area is required.

Supporting Course Requirements ................................ 13 hours
CHE 111/111L(4)(GElement4), 112/112L(4); MAT 124*(4)(GElement2), 224(4); BIO 100(4) or 102(4); CSC 104 or CIS 212.
G = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education requirement above.

Professional Education Requirements ........................ 34 hours
EDF 103(1), 203, 319 or 319W, 413; SED 401 or 401S; ESE 561, 490, 499(12); and 3 hrs. of Applied Learning Field Experiences: EDF 349Q(0.5), 349R(0.5); EMS 349Q(0.5), 349R(0.5); and ESE 349(1).

TOTAL HOURS TO COMPLETE DEGREE ....128-139 hours

* A preparatory course (MAT 109) in mathematics may be required before admission to MAT 124.
Associate Degree

Science for Engineering (A.A.S.)

CIP Code: 14.9999

Program Objectives
Upon completion of this program the graduate will: 1) be able to apply mathematics to analyze problems in the physical sciences; 2) be able to use fundamental physical results, such as conservation laws, to study physical systems; 3) be able to apply analytical techniques to the analysis of structures and/or mechanisms. Additionally, graduates of this program will: 1) be prepared for employment in the engineering technology career in the public or private sector; 2) be prepared for entrance into a B.S. program in engineering or a related field.

Major Requirements: 18 hours
- PHY 201(5), 202(5); MAT 124**(4) (*Element 2), 224.
- Course also satisfies General Education element.

Supporting Course Requirements: 14 hours
- Three hours Approved Programming Language*; CHE 111/111L(*Element 4), 112/112L or 112HL(*Element 4); TEC 190 or PHY 221 or CHE 361.
- Course also satisfies General Education element.

General Education Requirements: 21 hours
- General Education Elements 1A, 1B, 1C, 3A, 3B, 5A, 5B.

University Requirement: 1 hour
- ASO 100.

Free Electives: 6 hours
- Chosen with advisor to satisfy major requirements at the chosen engineering school.

Total Curriculum Requirements: 60 hours
- A preparatory course (MAT 109) in mathematics may be required before admission to MAT 124.

Minors

Minor in Physics

A student may complete a minor in physics by taking PHY 201, 202, and a minimum of eight additional hours of physics 300-level or above for a total of 18 hours. PHY 131 may be substituted for PHY 201, and PHY 132 may be substituted for PHY 202.

Minor in Physics/Teaching

A student may complete a teaching minor in physics by taking PHY 201 and 202 plus eleven additional hours in PHY or AST numbered 300 or above. PHY 131 may be substituted for PHY 201 and PHY 132 may be substituted for PHY 202. The teaching minor in physics must be coupled with a teaching major in biology, chemistry, computer science/mathematics, earth science, or mathematics.

Concentration

Physics and Engineering Concentration in the Associate of General Studies Degree

See page 88 of this Catalog for the Physics and Engineering Concentration requirements listed in the Associate of General Studies degree section.

DEPARTMENT OF PSYCHOLOGY

Chair
Dr. Robert Brubaker
(859) 622-1105
Cammack 127

Faculty

Baccalaureate Degree

Bachelor of Science (B.S.)

Psychology

CIP Code: 42.0101

Program Objectives
Upon completion of the Psychology degree graduates will:
1) show breadth and depth in their understanding of the major concepts, theoretical perspectives, empirical findings, and historical trends in psychology; 2) use critical and creative thinking and skeptical inquiry when critiquing and applying research methods in psychology; 3) respect and use critical and creative thinking, skeptical inquiry, and the scientific approach when solving problems related to behavior and mental processes; 4) understand and apply psychological principles in many areas of life including personal, social and organizational; 5) be able to weigh evidence, tolerate ambiguity, act ethically, and reflect other values that are the underpinnings of psychology; 6) demonstrate information competence and the ability to use technology for many purposes; 7) be able to communicate and collaborate effectively; 8) understand and apply knowledge of human diversity to better people’s lives; 9) develop insight into their own and others’ behavior and mental processes and apply effective strategies for self-management and self-improvement; 10) pursue realistic ideas about how to implement their psychological knowledge, skills, and values in occupational pursuits in a variety of settings that meet personal goals and societal needs.

University Graduation Requirements
- General Education: 36 hours
- Student Success Seminar (GSD 101; waived for transfers with 30+ hrs.): 3 hours
- Wellness: 3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT – Psychology majors will fulfill ACCT with PSY 400 or 401 or 579 (Credit hours may be incorporated into Major or Supporting requirements)
MAJOR REQUIREMENTS
A minimum grade of “C” is required in all courses counted toward the major.

Core Courses ..........................................................34 hours
PSY 200, 250 or 250W, 258, 309(4) or 309W(4), 310, 499(0), and at least 3 hours from each of the following areas:

• Biological Bases of Behavior: PSY 311, 315, 315L (students in the Substance Abuse or Brain and Cognitive Science Concentrations must select 311 for this group)
• Cognition/Learning: PSY 317/317L, 333, 530
• Developmental: PSY 312, 314, 316 (students in the Child and Family Psychology must select 312; students in the Psychology of the Workplace Concentration must select either 314 or 316)
• Social/Personality: PSY 300, 305, 308 (students in the Substance Abuse, Autism Spectrum, Forensic, or Workplace Concentrations must select 308 in this area)
• Skills: PSY 318, 319, 399, 405, 406, 490, 590 (Students in the Substance Abuse Concentration must select 490; students in the Child and Family Concentration must select 406; students in the Workplace Concentration must select 405)
• Capstone: 400, 401, 419, or 579

Concentrations:
Psychology (General) ..................................................9 hours
9 hours of psychology electives. At least 3 hours must be numbered 400 or above. (PSY 280, 402 and 403 may not be used as a psychology elective.)

Substance Abuse ......................................................12 hours
PSY 305, 405, 406, 429

Developmental Disabilities/Autism Spectrum Disorders ......................................................12 hours
PSY 312, 406, 408; PSY 477 or 577

Forensic Psychology ..................................................12 hours
PSY 300, 305, 314, 466

Child and Family Psychology ..................................12 hours
PSY 314, 377 or 318, 405, 408

Psychology of the Workplace ..................................12 hours
PSY 300, 305, 319, 590

Brain and Cognitive Sciences ..................................15 hours
PSY 315, 317, 413; one of the following: PSY 333, 530, approved 497/597; one of the following: BIO 171, 301, 371, CSC 160, MAT 124, PHI 352

Free Electives .........................................................29-35 hours

TOTAL HOURS TO COMPLETE DEGREE ..................120 hours

Important Note for Transfer Students and Students who have changed their major: You should allow at least four semesters to complete the required psychology courses. It is strongly recommended that you take PSY 258 during your FIRST semester.

Students pursuing any of the Concentrations are strongly encouraged but not required to complete PSY 349, Co-operative Study, in the Concentration area.

BACHELOR OF SCIENCE (B.S.)

ANIMAL STUDIES
CIP Code: 30.9999

Faculty
R. Brubaker (Psychology), E. Fredrickson (Agriculture), B. Freed (Anthropology, Sociology, & Social Work), A. Lawson (Psychology), R. Lorden (Psychology), P. Kopacz (English), R. Makeha (Psychology), S. McSpirit (Anthropology, Sociology, & Social Work), R. Mitchell (Psychology), L. Newhart (Philosophy & Religion), L. Noblitt (Government), B. Pratt (Agriculture), S. Sumithran (Biology), and S. Tsiang (English)

Program Objectives
Animal Studies (ANS) is an interdisciplinary major that concentrates on nonhuman animals, their interactions and relationships with people, and the mutual influences humans and nonhuman animals have on each other’s existence, evolution, and history. Students in Animal Studies receive training in sciences, humanities, and applied fields. Within their cross-disciplinary training, students will choose to emphasize at least one of these areas of study. Graduates of the program will gain knowledge of and be able to evaluate ideas about nonhuman animals, humans, and their mutual influences informatively from diverse perspectives. Upon completion of the ANS degree, graduates will be able to (1) analyze contexts and events concerning animals knowledgeably and from diverse points of view; (2) elucidate the motives and consequences for diverse human-animal interactions; (3) evaluate the impacts of human uses of and attitudes toward animals on individuals and communities, and on evolution and history; (4) integrate cross-disciplinary ideas into an awareness of divergent perspectives on animals and humans; and (5) use skills and expertise in understanding animals and humans to obtain employment.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education .................................................36 hours
• Student Success Seminar (GSD 101; waived for transfers with 30+ hrs.) ..................................................3 hours
• Wellness ...................................................................3 hours
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Animal Studies majors will fulfill ACCT with ANS 400 or PSY 401. (Credit hours may be incorporated into program requirements below.)

Total Hours University Graduation Requirements ........42 hours

MAJOR REQUIREMENTS

Core Courses ......................................................53-55 hours
ANS 200, and courses in the following groups:
1. Arts & Humanities (12 hours): ANS 320; PHI 381; SOC 300; ANS 310, 497, or three hours of a relevant arts or humanities course.
2. Science (14 hours): ANT 306 or 371; BIO 319; BIO 316 or 550; PSY 333.
3. Application (12 hours): AGR 125; ANT 370; LGS 306 or WLD 380; three hours of a relevant applied learning or study abroad course.
4. Capstone: ANS 400 or PSY 401 or other relevant thesis option.
5. Electives: an additional 9-11 hours in relevant courses, as approved by student’s advisor or department head.
6. ANS 499: Senior Exit Course in Animal Studies
   A minimum grade of “C” is required in all courses counted toward the major.

**Supporting Course Requirements**
................................................ 1 hour
   ANT 120(Element 5B), 201(Element 4); BIO 112(Element 4)
   \(^@\) = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

**Free Electives**
......................................................... 20-24 hours

**TOTAL HOURS TO COMPLETE DEGREE**
....................................................... 120 hours

**Minor**

**MINOR IN PSYCHOLOGY**

Requirements for a minor are PSY 200 plus electives in PSY to total 18 hours. PSY 349, 402, and 403 cannot be counted toward the minor. A minimum grade of “C” is required of all courses counted toward the minor.

**Concentration**

**PSYCHOLOGY CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE**

See page 88 of this Catalog for the Psychology Concentration requirements listed in the Associate of General Studies degree section.

## Sophomore Year

**First Semester**
- CHE 361 ................................ 3
- CHE 361L .............................. 1
- CHE 385 ................................ 3
- Gen. Ed. E-4 (PHY 131 or 201) .. 5
- BIO 320 ................................ 4
- Gen. Ed. E-5B (PSY 200) ....... 3
- **Total** .................................... 18

**Second Semester**
- CHE 325 ................................ 3
- CHE 325L .............................. 2
- CHE 362 ................................ 3
- CHE 362L .............................. 1
- PHY 132 or 202 ..................... 5
- Gen. Ed. E-3B or 3A/B ...... 3
- **Total** ..................................... 17

## Junior Year

**First Semester**
- CHE 425 ................................ 3
- CHE 425L .............................. 1
- CHE 430 ................................ 3
- CHE 450 ................................ 3
- CHE 484 ................................ 1
- CHE 770 ................................ 4
- BI 171 .................................. 3
- Gen. Ed. E-6 ................. 3
- **Total** .................................... 18

**Second Semester**
- CHE 431 ................................ 3
- CHE 432 ................................ 3
- CHE 715 ................................ 5
- ECO 230 (pre-pharm) or SOC 131 (all others) .... 3
- PHI 383 ................................ 3
- Gen. Ed. E-6 ................. 3
- **Total** .................................... 18

**Third Semester**
- CHE 810 ................................ 3
- **Total** .................................... 17

## Senior Year

**First Semester**
- BIO 301 or BIO 308 ............. 3
- CHE 484 ................................ 1
- STA 270 ................................ 3
- Wellness ............................ 3
- Gen. Ed. E-6 ................. 3
- CHE 810 ................................ 3
- **Total** .................................... 17

**Second Semester**
- CHE 880 ......................... 1
- CHE 822, 830, 850, or 860 .... 3
- CHE 899, or, 839, or CHE 700+ Elective Course ... 3
- 700 Level Elective Course .... 3
- **Total** ..................................... 10

**Third Semester**
- CHE 880 ......................... 1
- CHE 822, 830, 850, or 860 .... 3
- CHE 899, or, 839, or CHE 700+ Elective Course ... 3
- 700 Elective Course ............ 3
- **Total** ..................................... 10

(120 hrs., Undergraduate Complete)

Students interested in this option must satisfy required conditions. See page 196 for more information.
### CHEMISTRY B.S. - BIOCHEMISTRY, PRE-MEDICAL OR PRE-DENTAL CONCENTRATION + M.S. CHEMISTRY 3+2 DUAL DEGREE PROGRAM

#### FRESHMAN YEAR
- **First Semester**
  - ASO 100...........................................1
  - CHE 111...........................................3
  - CHE 111L..........................................1
  - Gen. Ed. E-2 (MAT 124)...............4
  - Gen. Ed. E-1A (ENG 101)...........3
  - Gen. Ed. E-3A or 3A/B..............3
  - Gen. Ed. E-5A.........................3
  - Total ...........................................18

- **Second Semester**
  - Gen. Ed. E-4 (BIO 111)............4
  - CHE 112...........................................4
  - CHE 112L..........................................1
  - MAT 224.........................................3
  - Gen. Ed. E-1B (ENG 102)...........3
  - Gen. Ed. E-1C.........................3
  - Total .............................................18

#### SOPHOMORE YEAR
- **First Semester**
  - BIO 315...........................................4
  - CHE 361.........................................3
  - CHE 361L..........................................1
  - CHE 385...........................................2
  - Gen. Ed. E-4 (PHY 131 or 201).......5
  - Gen. Ed. E-5B 3 ..........................3
  - Total .............................................17

- **Second Semester**
  - CHE 325...........................................3
  - CHE 325L.........................................2
  - CHE 362.........................................3
  - CHE 362L..........................................1
  - PHY 132 or 202.............................5
  - Gen. Ed. E-3B or 3A/B.............3
  - Total .............................................17

#### JUNIOR YEAR
- **First Semester**
  - CHE 425.........................................3
  - CHE 425L..........................................1
  - CHE 430.........................................3
  - CHE 450.........................................3
  - Gen. Ed. E-6.................................3
  - Wellness........................................3
  - Total .............................................17

- **Second Semester**
  - CHE 881..........................................1
  - CHE 822, 830, 850, or 860........3
  - CHE 899, or 839, or CHE 700+ Elective Course..................3
  - 700 Level Elective Course.........3
  - Total .............................................18

#### GRADUATE YEAR
- **First Semester**
  - CHE 715.........................................5
  - CHE 575.........................................3
  - CHE 575L..........................................1
  - CHE 432, 495A/B, 501................3
  - PHY 202.........................................5
  - Gen. Ed. E-5B 3 ..........................3
  - Total .............................................18

- **Second Semester**
  - CHE 431.........................................3
  - CHE 432.........................................1
  - CHE 484.........................................5
  - CHE 715.........................................3
  - Gen. Ed. E-6.................................3
  - Total .............................................18

- **Third Semester**
  - CHE 880..........................................1
  - CHE 822, 830, 850, or 860........3
  - CHE 899, or 839, or CHE 700+ Elective Course..................3
  - 700 Level Elective Course.........3
  - Total .............................................18

- **Fourth Semester**
  - CHE 881..........................................1
  - CHE 822, 830, 850, or 860........3
  - CHE 899, or 839, or CHE 700+ Elective Course..................3
  - 700 Level Elective Course.........3
  - Total .............................................18

#### SENIOR YEAR
- **First Semester**
  - CHE 485.........................................1
  - Gen. Ed. E-6.................................3
  - Free Elective..................................9
  - CHE 810.........................................3
  - Total .............................................18

- **Second Semester**
  - CHE 425.........................................3
  - CHE 425L..........................................1
  - CHE 430 or 431.............................3
  - CHE 450.........................................3
  - CHE 774.........................................3
  - CHE 774L..........................................1
  - Wellness........................................3
  - Total .............................................17

- **Third Semester**
  - CHE 432, 495A/B, 501 or 442........3
  - CHE 484.........................................1
  - CHE 575.........................................3
  - CHE 575L..........................................1
  - CHE 715.........................................5
  - Gen. Ed. E-6.................................3
  - Total .............................................18

**Students interested in this option must satisfy required conditions. See page 196 for more information.**

EKP’s College of Business and Technology...The College of Choice:

• Inspiring minds
• Enriching communities
• Creating leaders
• Making a difference

College Core Values

• Integrity
  Morality, ethical behavior, trust, and honesty
• Respect
  Openness and consideration of ideas, approaches, and thoughts
• Diversity
  Characterized by equitable opportunities and respect of diverse peoples, ideas, and programs
• Accountability
  Individual responsibility and responsiveness to the needs of internal and external stakeholders/others
• Inclusiveness
  Stewardship: of place, of the environment, of the region
• Excellence
  Intellectual vitality; rejection of mediocrity; a recognized standard of competence and performance as reflected by employability, enrollment demand, continuous improvement, financial support and accreditation
SCHOOL OF APPLIED ARTS AND TECHNOLOGY

EKU’s School of Applied Arts and Technology is comprised of the Department of Agriculture; the Department of Applied Engineering & Technology; the Department of Communication and the Department of Military Science and Leadership (Army ROTC).

DEPARTMENT OF AGRICULTURE

Chair
Dr. John Settimi
(859) 622-2228
Carter 2

Faculty
J. Domenghini, E. Fredrickson, C. Hagan, M. McDermott, B. Pratt and L. Rincker

The Department of Agriculture offers Bachelor of Science and Associate of Applied Science degrees in Agriculture and Horticulture. Concentrations in the Agriculture degree program include Agribusiness Management, Pre-Veterinary Medicine, Animal Sciences, Agriculture Energy Systems Management, and Agronomy, Soils and Natural Resources. Concentrations in the Horticulture program include Agribusiness Management, Fruit and Vegetable Production, Landscape and Nursery, and Turfgrass Management. The Department also offers a joint degree program for Career and Technical Education - Agriculture Education Option. Minors are offered in agriculture and horticulture. Students may receive the Associate degree and then continue for a Bachelor degree with no loss of credit. Students must obtain a “C” average in Department classes. The Pre-Veterinary Medicine program has an excellent veterinary school acceptance rate. More detailed information can be obtained by reading the section on Pre-Veterinary medicine.

Students have ample opportunities to personalize their education. Academic credit can be earned for Cooperative Education. Students may receive up to 8 hours of Co-Op credit for the Associate Degree and 12 for the Bachelor of Science Degree. Students can also obtain credit for experiential learning in the Department’s facilities through practicum courses. In addition, students are encouraged to participate in Independent Studies with faculty mentors.

DEPARTMENT GOALS

The Department of Agriculture’s vision is to be the first choice of students interested in addressing issues relating to food, energy and the human environment within a sound economic framework.

The mission of the Department of Agriculture is to provide programs designed to develop leaders, entrepreneurs and educators for the global challenges in which agriculture plays a significant role. Areas of study include Pre-Veterinary Medicine, Agriculture Education, Agricultural Business, Food Production, the Human Environment, and Energy Production and Management.

Programs in the Department stress the latest technical information with applications through required laboratories and practicums at the University farms or through cooperative education. The Department operates greenhouses, a plant nursery and specimen garden and turf plots to support the instructional program in horticulture. The University owns and operates approximately 1000 acres devoted to the programs in agriculture. This includes state of the art facilities for beef, dairy, swine, sheep and crop enterprises used in our laboratory.

The Department will also provide service to the University, community, region, profession, and industry; provide opportunities for faculty/staff/student collaboration in scholarly and creative activities; and engage in continuous improvement processes to ensure its programs, services, and infrastructure are current and relevant.

EKU Farms will provide a technologically current, high quality learning environment for instruction. It will demonstrate agricultural practices and techniques that are consistent with the instructional program, are environmentally sound and have practical application. Information will also be disseminated to the regional agricultural community. EKU Farms will also promote and conduct service activities such as field days, tours, seminars, demonstrations, meetings, and open houses to serve the needs of diverse consumer groups.

PROGRAM OBJECTIVES

AGRICULTURE

Graduates in the agriculture program are well trained for careers in many diverse aspects of agriculture such as government agencies (Kentucky Department of Agriculture, USDA, Cooperative Extension Service, NRCS), 4-H programs, soil conservation, farm management and operations, agribusiness including agriculture financial agencies/institutions, sales, feed sales, food plant supervision, retail-store management, technical service, Career and Technical Education, and the livestock industry, to name a few. Students can also continue their education in graduate school or in veterinary medicine.

HORTICULTURE

With the abundance of hands-on practical experiences graduates in the horticulture programs pursue careers in the turf industry as golf course superintendents, sports turf managers, sales and service areas, professional landscape industry, the nursery industry, and in the floriculture/greenhouse industry.

CAREER AND TECHNICAL EDUCATION - AGRICULTURE EDUCATION OPTION

Graduates of the BS degree program in Career and Technical Education - Agriculture Education Option are prepared for teaching careers in secondary schools. They are prepared to lead programs in horticulture and agriculture and to advise their chapter’s FFA members in carrying out their annual program of activities.

Numerous opportunities are available for extracurricular activities to complement the academic training. These include the Agriculture Club, Horticulture Club, Delta Tau Alpha (honorary society), student chapter of the Golf Course Superintendents Association of America, Agronomy Club, and Pre-Vet Club. Numerous local and national trips are taken to expand students’ learning experiences.
Baccalaureate Degrees

Bachelor of Science (B.S.) Area Major
Agriculture
CIP Code: 01.0301

UNIVERSITY GRADUATION REQUIREMENTS
- General Education ...........................................36 hours
- Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.) ............................................1 hour
- Wellness ................................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Agriculture majors will fulfill ACCT with AGR 499 or AGR 509. (Credit hours may be incorporated into program requirements below.)

Total Hours University Graduation Requirements....40 hours

MAJOR REQUIREMENTS

College Requirement: Professional Skills Seminar...........1 hour
AGR 305 (1) and BTS 400 (CR only, no hours).

Core Courses .........................................................30 hours
AGR 115(2), 125, 126(1), 130, 131(1), 213(3), 215, 216(1), 308, 340, 409, 411(1); three hours from AGR 301, 302(A-F), or 349.

Options (select one):
- Agribusiness Management...................................40 hours
  ACC 201, AGR 304(4), 310, 350, 440; 499 or 509, select 3 courses (9 hours) in an agriculture specialty with advisor approval; 12 hours of upper level electives from AGR and/or OHO.

- Agriculture Energy Systems Management
  Option ..............................................................38 hours
  AGR 311(2), 319, 362(2), 381, 383, AGR 410 (3), AGR 499 or 509, AGR 570, EET 257, GEO 353, 456; 7 hours of upper level electives from AGR and/or OHO.

- Agronomy, Soils and Natural Resources..................38 hours
  AGR 304 (4), 312 (4), 345, 404, 416, 430, 499 or 509, 570, GEO 353, 9 hours of upper level electives from AGR and/or OHO.

- Animal Science ..................................................40-41 hours
  AGR 225, 304(4), 321(4), 499 or 509; select 2 of the following: AGR 327(4), 328(4), 329(4), 332, 380(4); select 4 of the following (12): AGR 312, 373, 374, 375, 376, 377; 3 hrs. of upper level electives from AGR and/or OHO.

- Supporting Course Requirements ................................5 hours
  BIO 101/101L (Element 4); 111(4) or 112(4); CHE 101/101L (Element 4); ECO 120 (Element 5B); CCT 201 or CIS 212 or CSC 104. ( = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.)

- Free Electives:
  - Agribusiness Management ................................4 hours
  - Agriculture Energy Systems Management .............6 hours
  - Agronomy, Soils and Natural Resources ..................6 hours
  - Animal Science .............................................3-4 hours

TOTAL HOURS TO COMPLETE DEGREE.............120 hours

Career and Technical Education
Agriculture Education Teacher Certification
Teaching (B.S.) Area Major
CIP Code: 11.1330

Offered in cooperation with the Department of Applied Engineering and Technology. See Department of Applied Engineering and Technology - Agriculture Education Option. This curriculum entails all requirements necessary for teacher certification for agriculture education.

Candidates earning a degree that leads to teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams to be recommended for licensure in Kentucky. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (www.kyptsb.net AND www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams. For additional information, candidates may also contact the EPBS Division of Professional Learning and Assessment at (859) 564-5778 or (888) 598-7667 (toll free).

*Courses meeting general education requirements.

Minors

MINOR IN AGRICULTURE
Requirements.............................................18 hours
A minor consists of 18 hours of agriculture classes arranged
between the Department Chair and the student seeking the minor.
The objective is to meet the student’s need for a minor. Six or more
hours shall be upper division courses and a minimum of six hours
are to be taken at EKU. Courses counted toward a horticulture
major may not be counted toward a minor. Transfer classes are to
be evaluated by the Department Chair.

MINOR IN HORTICULTURE
Requirements.............................................18 hours
A minor consist of 18 hours of ornamental horticulture classes
arranged between the Department Chair and the student seeking
the minor. The objective is to meet the student’s need for a minor.
Six or more hours shall be upper division courses and a minimum
of six hours are to be taken at EKU. Courses counted toward an
agriculture major may not be counted toward a minor. Transfer
classes are to be evaluated by the Department Chair.

MINOR IN SOILS
Requirements.............................................18 hours
A core of courses consisting of 18 hours may be taken for a
minor in soils. Courses are AGR 130, 131(1), 215, 216(1), 340,
345; 349(1) or 410(1), and 416. At least 6 hours must be taken at
EKU. Transfer classes are to be evaluated by the Department
Chair. No more than 9 hours of course work taken toward a major
may be counted toward the soils minor.

Pre-Professional

Pre-Veterinary Medicine Pathways

For students who have a strong interest in veterinary
dicine, the Department of Agriculture offers 2 options in this
program of study. Each option is tailored to meet the entrance
requirements for either Auburn University School of Veterinary
Medicine or Tuskegee Institute School of Veterinary Medicine.
These schools have seats specifically designated for Kentucky
residents. The student may be advised differently when applying
to other veterinary schools since entrance requirements vary. Upon
completion of the degree, the student is also awarded a Minor in
Chemistry.

Pathway 1: Pre-Veterinary Transfer Option – B.S. in
Agriculture

The student intends to apply and hopes to transfer to a school
of veterinary medicine after their 3rd year at EKU.

Students who intend to follow this pathway declare a B.S. in
Agriculture as their major and the pre-vet transfer option as the
concentration.

Students can then complete the B.S. degree from EKU by
transferring credits from the first year of veterinary school
back to EKU. Students not accepted after the junior year may elect to stay at EKU and change to the option below and then reapply to a school of veterinary medicine.

Pathway 2: General Pre-Veterinary Option – B.S. in Agriculture

Student intends to earn a B.S. degree in Agriculture at EKU and applies for admission into a school of veterinary medicine. Students who intend to follow this pathway declare a B.S. in Agriculture as their major and the general pre-vet option as the concentration.

Admission into Auburn or Tuskegee Schools of Veterinary Medicine

Kentucky is a member of the Southern Regional Educational Board Plan under which legal Kentucky residents attend Auburn University School of Veterinary Medicine or Tuskegee Institute School of Veterinary Medicine. The program is funded by an appropriation of the General Assembly to the Kentucky Council on Post-Secondary Education. A limited number of students who have completed pre-veterinary requirements are selected on a competitive basis by Auburn or Tuskegee each year and are exempt from out-of-state tuition. Both veterinary schools have similar entrance requirements, including a GRE examination.

Students should have a grade point average of 3.4 to be competitive. Students need to pass all pre-veterinary required courses with a grade of “C” or better. Courses in organic chemistry and physics must have been completed within six years of entry into the school of veterinary medicine. Students applying to Auburn use the Veterinary Medical College Application Service (VMCAS). Students apply directly to Tuskegee. Application deadlines for both are October 1. Students are expected to gain veterinary experience by working directly with a D.V.M.

Total Hours University Graduation Requirements....40 hours

MAJOR REQUIREMENTS

College Requirements..........................................................1 hour
AGR 305 (1)

Core Courses......................................................................22-26 hours
AGR 321(4) or (372A(1), 421), and 499 or 509; 15-19 hours of agriculture classes in consultation with advisor.

Core Requirements..........................................................4 hours
AGR 125, 126.

Additional Veterinary School Requirements........33-35 hours
Courses listed below are those required by Auburn School of Veterinary Medicine for students transferring, without a Baccalaureate degree, prior to starting veterinary school. CHE 112/112L, 361/361L, 362/362L, and 431; two classes of sciences elective from AGR 374, 375, or 376, BIO 315(4), 320(4), 331, 348(4), or 546(4); 6 additional hrs. of Arts & Humanities (beyond any taken to meet general education); 6 hours of social and behavioral science electives (beyond any taken to meet general education).

Supporting Course Requirements.................................16-18 hours
ART 200(‘Element 3A) or MUH 171(‘Element 3A) or THE 100(‘Element 3A); BIO(‘Element 4)111, 112; CHE 111/111L(‘Element 4); ENG(‘Element 3B) 211 or 212; MAT(‘Element 2) 108, 109(5), 124(4), or 261; PHY131(5) and 132(5).

Free Electives.................................................................0-4 hours

TOTAL HOURS TO COMPLETE DEGREE..120-124 hours
AGR 125, 126, 304, 308, and 349(3); one of the following: AGR 310, 350, 440, or 411.

**Additional Veterinary School Requirements** .................18-19 hours
CHE 361/361L, 362/362L, and 431; two classes of science electives from BIO 315(4), 320(4), 331, 348(4), or 546(4). Courses listed are those required by Auburn School of Veterinary Medicine for students with a Baccalaureate degree prior to starting veterinary school. Courses listed are those required by Auburn School of Veterinary Medicine for students without a Baccalaureate degree prior to starting veterinary school.

**Supporting Course Requirements** .......................20-22 hours
BIO((Element 4) 111(4), 112(4); CHE(Element 4), 111/111L, 112/112L; ECO 230 (Element 5B); select one class from: MAT(Element 2)108, 109(5), 124(4), or 261; PHY 131(5), 132(5).

\( ^{\circ} \) = Course also satisfies a General Education element.
Hours are included within the 36 hr. General Education requirement above.

**TOTAL HOURS TO COMPLETE DEGREE**........122-125 hours

**DEPARTMENT OF APPLIED ENGINEERING AND TECHNOLOGY**

Chair
Dr. L. Tim Ross
(859) 622-3232
Whalin 302

Faculty

The Department of Applied Engineering and Technology offers Bachelor of Science degree programs in six areas: Applied Engineering Management, Aviation, Construction Management, Graphic Communications Management, Network Security and Electronics and Career and Technical Education.

**DEPARTMENT GOALS**

The Department of Applied Engineering and Technology seeks to prepare professionals for careers in Aviation, Network Security and Electronics, Construction Management, Applied Engineering Management, and Graphic Communications Management through the Bachelor of Science degree programs; prepare technicians for careers in Computer Aided Drafting, Computer Electronics Technology, Digital Imaging Design and Quality Assurance Technology through options in the Associate of Applied Science in Technology degree program; prepare professionals for careers in Career and Technical Education through certification, Associate of Applied Science, Bachelor of Science and Master of Science degree programs; to prepare selected professionals for advanced career opportunities in Applied Engineering and Technology Management through the Master of Science degree program; and to provide programs of quality instruction and professional services to the University and to the community.

**AVIATION**

The EKU aviation program offers a Bachelor of Science degree in Aviation with three options: Aerospace Management, Aerospace Technology, and Professional Flight. These options combine courses in business management, communication, math, computer science and general education. The Aerospace Management Option prepares students for exciting professional careers in all aspects of the aerospace industry from a management perspective whereas the Professional Flight Option prepares students for careers as pilots. The Professional Flight Program is an FAA Part 141 approved Flight School and the only university program to offer 100 hours of multi-engine flight coupled with the 1000 hour restricted ATP certificate.

The Aerospace Technology (AT) degree is degree-completion concentration. By adding upper division aerospace management and operations studies, the Bachelor’s degree AT concentration is specifically designed to complete a 2-year community college degree with a heavy technical aviation course load. Examples of aviation technical degrees include Airframes & Power Plants (A&P), a 2-year helicopter and/or airplane proflight degree, or any 2-year career technical (CTE) degree partnered with a local flight school. Additionally, non-degreed airline pilots with the Airline Transport Pilot (ATP) certificate may complete their bachelor’s degree with this concentration.

**CONSTRUCTION MANAGEMENT**

Graduates of the Construction Management program are prepared for careers with general contracting firms, starting in a variety of management positions. Typical entry-level positions include: assistant project manager, estimator, superintendent, project scheduler, cost engineer, and field engineer. The Construction Management program is accredited by the American Council for Construction Education. Graduates of this program will have oral, written and graphic communication skills for successful performance in a construction environment; possess functional computer skills including the utilization of general and construction application software; apply mathematical and scientific skills in the management and execution of construction projects; apply the concepts of management, accounting, economics and ethics in the management and execution of construction projects; possess a basic understanding of the science of materials and the methods by which they are placed into service; possess the essential plan reading, quantity takeoff and pricing skills to function as a junior estimator; be able to prepare a project budget, analyze cost reports and make cash flow projections for a project; be able to prepare a project schedule, monitor progress toward completion, and update the schedule as needed; possess a basic knowledge of OSHA standards and be able to establish and enforce a safety plan on a job site, be able to interpret site plans, establish horizontal and vertical control on a site, and perform...
layout for buildings and utilities; be able to administer situations on a project site, including evaluation of subcontractor pay requests, writing of purchase orders, and recording change orders, subcontracts, shop drawings, and daily reports; and perform in an acceptable manner in internship work assignments.

**APPLIED ENGINEERING MANAGEMENT**
Graduates of the Applied Engineering Management Program are prepared for professional careers in technology related businesses. These businesses offer many opportunities to pursue exciting, challenging and rewarding careers that require technical knowledge and managerial skills. Applied Engineering Management prepares individuals for entry-level positions that may include: manufacturing engineer, production engineer, industrial supervisor, industrial engineer, industrial technician, and quality engineer.

Graduates of Applied Engineering Management will be able to relate terminology, techniques and methodology to applied technical managerial concepts; demonstrate the ability to formulate and apply technical problem solving and managerial concepts; and be able to apply the concepts of mathematics and the physical sciences to solve technical problems. The BS degree program in Applied Engineering Management is accredited by the Association of Technology, Management, and Applied Engineering.

**GRAPHIC COMMUNICATIONS MANAGEMENT**
Graduates of the Graphic Communications Management program are prepared for a balance of technical skills and managerial competence to obtain successful careers in the printing and publishing industries. This four-year degree program provides up-to-date instruction for a high tech future in the third largest of manufacturing industries.

Graduates of the Graphic Communications Management program will demonstrate advanced competencies in printing and publishing processes and procedures. They will demonstrate technical competence during a cooperative education experience; demonstrate an understanding of printing processes and methods; and demonstrate expertise in electronic and Web publishing.

**NETWORK SECURITY AND ELECTRONICS**
Graduates of the Network Security and Electronics program are prepared for a career in the high-tech computer electronics industry. Coursework in the program provides students with the knowledge and skills needed for installing, configuring, maintaining, and managing computer network systems and security, and digital electronic devices.

Graduates of this program will demonstrate proficiency in basic networking skills relevant to LAN/WAN environments, demonstrate proficiency in basic computing skills, demonstrate fundamental knowledge in electricity/electronics, and demonstrate effective communication skills while conveying information to technical and non-technical audiences. The Network Security and Electronics program is accredited by the Association of Technology, Management, and Applied Engineering.

**CAREER AND TECHNICAL EDUCATION**

**Engineering/Technology Education Option**
Graduates of the Engineering/Technology Education option of the B.S. degree program in Career and Technical Education are prepared for teaching careers at the middle school and high school levels. An Engineering/Technology Education teacher is prepared to enjoy a career that is rewarding in many ways. The opportunity to plan and guide the learning experiences of students in the use of robots, computers and other “high tech” equipment in problem solving and production activities are rewards found in few other professions.

Graduates of the Engineering/Technology Education Option of the Career and Technical Education program will complete a student teaching experience in a professional setting; will be able to prepare a portfolio that includes instructional material development, samples of assessment and a professional growth plan; and will be able to demonstrate technical competence in the areas of 1) basic engineering/technology, 2) civil engineering/technology, 3) electrical engineering/technology, and 4) mechanical/industrial engineering technology.

**Technical Education Option**
Graduates of the Technical Education option of the B.S. degree program in Career and Technical Education are prepared for teaching careers in secondary schools and post-secondary technical colleges in technical areas such as: computer electronics, computer aided drafting (CAD), graphic arts and other technical occupational areas. An option is also offered in Occupational Training Development for those interested in training for business and industry.

Graduates of the Technical Education Option of the Career and Technical Education program will be able to plan and implement instruction for technical education courses; be able to develop and analyze assessment instruments for technical education courses; be able to develop and apply appropriate teaching strategies for technical education courses; be able to complete a Practicum in Career and Technical Teaching in a professional setting; and will be able to demonstrate occupational/technical competence by obtaining discipline-specific expertise.

**Occupational Training and Development Option**
Graduates of the Occupational Training and Development option of the B.S. degree program in Career and Technical Education are prepared to plan and implement instruction for technical courses in a business and industry setting; are able to develop and analyze assessment instruments for technical courses; are able to develop and apply appropriate teaching strategies for technical courses; and are able to complete a Practicum in Career and Technical Teaching.

The BS program in Career and Technical Education is accredited by the National Council for Accreditation of Teacher Education.

**ASSOCIATE OF APPLIED SCIENCE**
The Department of Applied Engineering and Technology also offers Associate of Applied Science degree programs (two-year programs) in Technology and Career and Technical Education. The Associate of Applied Science degree in Technology offers the student a choice of technical concentration in four options: Computer Aided Drafting, Computer Electronics, Digital Imaging Design, and Quality Assurance. The AAS degree program in Technology is accredited by the Association of
ASSOCIATE OF APPLIED SCIENCE - TECHNOLOGY

Computer Aided Drafting

Graduates of the Computer Aided Drafting (CAD) program option are prepared for careers as drafters or designers who use computer aided drafting and design systems to generate drawings. Graduates obtain jobs in technology based businesses.

Graduates of the CAD option of the AAS in Technology program will be able to apply 2D software applications to communicate and solve design problems; apply 3D software applications to communicate and solve design problems; and will be able to convert orthographic and pictorial sketch information into detailed 2D/3D Computer Aided Drafting drawings that meet or exceed current industry standards.

Computer Electronics

Graduates of the Computer Electronics (CE) program option are prepared for rewarding careers as computer electronic technicians in the public and private sector. Computer Electronics program graduates are qualified to obtain jobs in a wide variety of information technology, manufacturing and service industries. These jobs require skilled technicians for installing, troubleshooting and maintaining microprocessor-based systems, programmable logic controllers, computer hardware and software.

Graduates of the CE option of the AAS in Technology program will demonstrate fundamental knowledge in electricity/electronics at the technician’s level; demonstrate proficiency in basic computing skills; demonstrate proficiency in basic networking skills relevant to LAN/WAN environments; and demonstrate effective communication skills while conveying information to technical and non-technical audiences.

Digital Imaging Design

Graduates of the Digital Imaging Design (DID) program option are prepared with skills to create well designed images and documents for the printing and publishing industries and for the World Wide Web.

Graduates of the DID option of the AAS in Technology program will demonstrate competency in digital imaging design processes and procedures; be able to create documents for publication using software common to the industry; be able to create documents for the world-wide-web using software common to the industry; and will demonstrate competence in the common printing process.

Quality Assurance

Graduates of the Quality Assurance (QA) program option are prepared for careers in technology based businesses as quality assurance technicians. Their task is to assist in controlling and monitoring the process so that a quality product is produced.

Graduates of the QA option of the AAS in Technology will demonstrate proficiency in the fundamentals of practical statistical methods as applied to quality concepts and techniques; apply principles and make calculations in the areas of sampling and reliability; and will be able to anticipate, recognize, and evaluate the impacts of quality assurance efforts.

ASSOCIATE OF APPLIED SCIENCE - CAREER AND TECHNICAL EDUCATION

The Career and Technical Education associate of applied science degree program is designed for in-service technical teachers employed in area technical centers and post-secondary technical schools. Graduates of the Career and Technical Education AAS degree program will be able to plan and implement instruction for technical education courses; develop and analyze assessment instruments for technical education courses; develop and apply appropriate teaching strategies for technical education courses; and complete a Practicum in Career and Technical Teaching.

MINORS

ENDORSEMENT/CERTIFICATES

A university certificate in Land Surveying, and a Career and Technical Education certificate program for in-service technical teachers are also offered by the Department of Applied Engineering and Technology.

Baccalaureate Degrees

BACHELOR OF SCIENCE (B.S.)

APPLIED ENGINEERING MANAGEMENT

CIP Code: 15.0612

Prior to enrolling in the last 60 hours of the Applied Engineering Management degree program students must complete AEM 201, 202, TEC 161, 190, MAT 108, PHY 131, CHE 101, 101L (1) or CHE 111, 111L (1); and STA 215 or 270 and have an overall 2.0 GPA and 2.25 major GPA. Graduates must have an overall GPA of 2.25 in the major with no major grade below a “C”. Transfer students will be treated on an individual basis. The Applied Engineering Management program is accredited by the Association of Technology, Management, and Applied Engineering.

UNIVERSITY GRADUATION REQUIREMENTS

- General Education …………………………………36 hours
- Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.) ……………………………1 hour
- Wellness ………………………………3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Fee Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Fee Electives categories)
- ACCT Applied Engineering Management majors fulfill ACCT with AEM 499. (Credit hours are incorporated into program requirements below.)

Total hours University Graduation Requirements……40 hours

MAJOR REQUIREMENTS

College Requirement
BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours).

**Core Courses**.................................................................47 hours
EET 251; AEM 201, 202, 301, 308, 310 or 310W, 332, 338(4), 349(1), 352, 371, 407, 408, 499; TEC 161, 190.

**Applied Engineering Management Electives**........15 hours
Select 3 technical hours from: EET 252, AEM 195; GCM 211.
Select 12 hours of upper division technical electives from: EET 350, 351, 452, NET 440; CON 303; AEM 320, 336, 382, 383, 390, 392, 395, 397, 506, 530, STA 585, or GCM 313.

**Supporting Course Requirements**.................................15 hours
ECO 230( ElementType 5B); CON 420 or ECO 300; CHE 101/101L(Element 4) or 111/111L(Element 4); MAT 108(Element 2) and (211 or 261), or six hours of higher level MAT courses; PHY 131(5)(ElementType 4); STA 215 or 270.

* = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above. A maximum of 6 hours can apply toward Element 4.

**Exit Exam Requirement:**
Students must take an AEM assessment examination before graduation. An exam fee is required.
AEM 467........................................................................0 hours
**Free Electives**..................................................................3 hours

**TOTAL HOURS TO COMPLETE DEGREE**.................120 hours

Students must take an assessment examination before graduation. An exam fee is required.

+Transfer students with an associate degree in a technical related field may not need to take these 12 hours of electives if upper division requirement can be completed.

---

**BACHELOR OF SCIENCE (B.S.) AND MASTER OF SCIENCE (M.S.)**

**APPLIED ENGINEERING MANAGEMENT**

**Accelerated 3+2 Dual Degree Program**

CIP Code: 15.0612

Students accepted to the 3+2 Accelerated Dual Degree Program are able to complete their B.S. degree and M.S. degree within 5 calendar years because of the accelerated curriculum and because 9 semester hours of graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

**Admission Requirements:**
Students interested in this option must satisfy all the following conditions:
1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 option.

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education ..................................................36 hours
- Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.)..........................1 hour
- Wellness..................................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT Applied Engineering Management majors fulfill ACCT with AEM 499. (Credit hours are incorporated into program requirements below.)

**Total hours University Graduation Requirements**....40 hours

**MAJOR REQUIREMENTS**

**College Requirement**

BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours)

**Core Courses**.................................................................50 hours
EET 251; AEM 201, 202, 301, 308, 310 or 310W, 332, 338(4), 349(1), 352, 371, 408, 467(0), 499, 706, 804; TEC 161, 190

**Applied Engineering Management Electives**........12 hours
Select 3 technical hours from: EET 252, AEM 195; GCM 211. Select 9 hours of upper division technical electives from: EET 350, 351, 452, NET 440; CON 303; AEM 320, 336, 382, 383, 390, 392, 395, 397, 406, 530, STA 585, or GCM 313.

**Supporting Course Requirements**.................................15 hours
AEM 801; CHE101/101L(Element 4) or 111/111L(Element 4); ECO 230(Element 5B); MAT 108(Element 2) and (211 or 261), or six hours of higher level MAT courses; PHY 131(5)(Element 4); STA 215 or 270 or QMB 200.

* = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above. A maximum of 6 hours can apply toward Element 4.

**Exit Exam Requirement:**
Students must take an AEM assessment examination before graduation. An exam fee is required.
AEM 467........................................................................0 hours
**Free Electives**..................................................................3 hours

**TOTAL HOURS TO COMPLETE DEGREE**.................120 hours

**BACHELOR OF SCIENCE (B.S.) AREA MAJOR**

**AVIATION**

CIP Code: 49.0102

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education (9 supporting hours are included within the 36 hours of General Education requirements) ..................................36 hours
- Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.)..........................1 hour
• Wellness..................................................3 hours
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Aviation majors will fulfill ACCT with AVN 402. (Credit hours are incorporated into program requirements below.)

Total hours University Graduation Requirements......40 hours

MAJOR REQUIREMENTS

College Requirement: Professional Skills Seminar
BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours).

Core Courses..............................................34 hours
AVN 150, 192(4), 315, 325, 340, or 470, 350, 370, 401, 402, 410, 460. Majors must also select one of the following concentrations:

Concentrations (select one):

Professional Flight - Single Engine (SEL)........34 hours
AVN 192A (1), 193A (1), 220 (4), 221A (1), 222A (1), 300 (2), 301A (1), 302A (1), 303A (1), 304A (1), 305 (1), 305A (1), 330, 415, 425, 435, 480(1); and 415A (1), 421 (2), 421A (1), 422A (1), or AVN elective (5).

Professional Flight - Multiengine (ME).........34 hours
AVN 192A (1), 193A (1), 220 (4), 221A (1), 222A (1), 305 (1), 305A (1), 300 (2), 330, 331A (1), 332A (1), 333A (1), 334A (1), 415, 425, 435, 480(1); and 416A (1), 421 (2), 421A (1), 423A (1), or AVN elective (5).

Aerospace Management..................................34 hours
ACC 201, 202; GBU 204; MKT 301; AVN 360, 390; ECO 231 and 13 hour free electives.
*Note: selecting only lower division courses may result in additional course work being needed to meet the University requirement of 42 hours of upper division credits. Students are referred to DegreeWorks to check for course prerequisites and monitor upper division hours.

Aerospace Technology..................................34 hours
AVN 360, 390, 435, and twenty-five credit hours of aviation technical electives.

Supporting Course Requirements..........................12-14 hours
TEC 161; ECO 230(‘Element 5B); GEO 315 or AVN 335; MAT 107 or higher (‘Element 2); MGT 300 or 301; PHY 101 or higher (‘Element 4); and STA 215 or QMB 200

* = Course also satisfies a General Education element.
Supporting hours are included within the 36 hr. General Education requirement above.

Free Electives...............................................0-3 hours

Exit Exam Requirement:
Students must take an Aviation exit examination before graduation.
AVN 467 (CR only).............................................0 hours

TOTAL HOURS TO COMPLETE DEGREE.............120 hours

Note: Students must take an Aviation exit examination, AVN 467, before graduation. Also, one 3-credit course from the Gen Ed requirements must be a Writing Intensive course with a suffix of “W.” AVN 470 must be taken by preflight students seeking the new 1000-hour Restricted ATP certification.

BACHELOR OF SCIENCE (B.S.) AREA MAJOR
CAREER AND TECHNICAL EDUCATION/
TEACHING

CIP Code: 13.1319

UNIVERSITY GRADUATION REQUIREMENTS

• General Education.....................................36 hours
• Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.).................................1 hour
• Wellness..................................................3 hours
• Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
• ACCT - Career and Technical Education majors will fulfill ACCT with CTE 463 or ESE 499. (Credit hours are incorporated into program requirements below.)

Total hours University Graduation Requirements......40 hours

MAJOR REQUIREMENTS

College Requirements:
BTS 300(CR only, no hours) and 400 (CR only, no hours)

Pre-Service Teacher Education Program

Professional Education Core................................38 hours
CTE 262, 361, 363, 463(12) or ESE 499(12); EDF 103(1), 310(1), 319(1), 319W; ESE 490, 552; SED 401 or 401S; and 3 hrs of Applied learning Experience: EDF 349Q(0.5), 349R(0.5); EMS 349Q(0.5), 349R: ESE 349(1).

Agriculture Education (includes all areas below). 45 hours
Animal Science AGR 125, 126 and one class from AGR 321, 327, 328 or 380; Agricultural Systems Management AGR 213 and one class from AGR 272, 311, 362 or 383; Soil Science AGR 215 and one class from AGR 315, 317, or 318; Plant Science AGR 130, 131 or OHO 131, 132 and one class from AGR 312, 417 and OHO 384 or 385; Agriculture Business AGR 308 and one class from AGR 310, 350, 409 or 440. AGR 304, 305 plus Agriculture or Horticulture electives to make 45 credit hours selected in consultation with your advisor.

Technical Education**.....................................................45 hours
Forty-five semester hours of technical courses to be chosen in consultation with the advisor. A maximum of eighteen semester hours (in CTE 204, 205, 206, 304, 305, and 306 may be allowed by proficiency examination; TEC 349*[9 hrs]).

Engineering/Technology Education .................45 hours
CON 121, 201, 294; EET 252, NET 302, 303; AEM 195, 201, 371, 383; TEC 161, 190, 303, 304; select 3 hours from AVN 150, GCM 211, TEC 102 and 141.

In-Service Teacher Education Program

Professional Education Core..........................28 hours
CTE 164, 261, 361, 363, 364, 463(4); EDF 320; SED 104 and TEC 161.

In-Service Teacher Education/Training and Development Options:

Technical Education.................................45 hours
Forty-five semester hours of technical courses to be chosen in consultation with the advisor. A maximum of eighteen semester hours (in CTE 204, 205, 206, 304, 305 and 306 may
be allowed by proficiency examination).

Occupational Training and Development ........45 hours  
Technical courses chosen in consultation with advisor. A maximum of eighteen semester hours (in CTE 204, 205, 206, 304, 305 and 306 may be allowed by proficiency examination).

Supporting Course .......................................................................0 hours  
MAT 107 (Element 2) or higher.

* = Course also satisfies a General Education element.

Free Electives...........................................................................0-7 hours

TOTAL HOURS TO COMPLETE DEGREE........120-123 hours

**Graduates completing the Pre-Service Teacher Education option must have a minimum of 2000 clock hours of planned and supervised work experience in the occupation in which they will teach or a minimum of three years of approved work experience in the occupation in which they will teach. Students must also take the PRAXIS II Specialty Examination before graduation.

Candidates earning a degree that leads to pre-service teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (http://www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams.

† Those desiring eligibility to teach in pre-engineering education programs at the middle school and high school level should take the following general education courses: CHE 111, MAT 107, 108, PHY 131.

Career and Technical Education options require all pre-service students to meet the general education knowledge for initial teacher preparation requirements (see College of Education section of this Catalog).

The BS degree program in Career and Technical Education is accredited by the National Council for Accreditation of Teacher Education.

Bachelor of Science (B.S.)
CONSTRUCTION MANAGEMENT

- General Education ..........................................................36 hours
- Student Success Seminar (waived for transfers with 30 hrs.) .......1 hour
- Wellness ...........................................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses ((42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)

ACCT - Construction Management majors will fulfill ACCT with CON 499. (Credit hours are incorporated into program requirements below.)

Total hours University Graduation Requirements......40 hours

MAJOR REQUIREMENTS

College Requirement: Professional Skills Seminar

BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours).

Major Requirements.................................................................53 hours

CON 121, 201, 202, 221, 294, 303, 307, 320, 322, 324, 325 (5), 349 (2), 420, 421, 425, 426, 499 (4). (Two separate enrollments of CON 349 are recommended in order to achieve a total of 2 cr. hrs.)

Supporting Course Requirements ......................................24 hours

ACC 201 or FIN 310; CTO 201 or AEM 310W; ECO 230 (Element 5B); GBU 204; GLY 108 (Element 4); TEC 161; MAT 108 (Element 2) and 117 (1) and 261, or 7 hrs of higher level MAT courses; MGT 301 or AEM 408; PHY 131 (5) (Element 4); and 3 hrs of ACC, CCT, CIS, ECO, FIN, GBU, RMI, MGT, MKT, QMB, or RST electives* as approved by major advisor**.

* = Course also satisfies a General Education element.

Hours are included within the 36 hr. General Education requirement above. A maximum of 6 hours will count toward Element 4.

*Business electives may be upper or lower division as necessary in order to complete upper division requirement.

**Students wishing to pursue the Minor in Business must confer with their major advisor to make substitutions to the supporting course requirements. RMI, QMB and RST courses do not apply to the Minor in Business.

Exit Exam Requirement:

Students must take a construction assessment examination before graduation. An exam fee is required.

Free Electives..............................................................................3 hours

TOTAL HOURS TO COMPLETE DEGREE...............120 hours

The Construction Management program is accredited by the American Council for Construction Education.

Bachelor of Science (B.S.) and Master of Science (M.S.)
CONSTRUCTION MANAGEMENT
Accelerated 3+2 Dual Degree Program

CIP Code: 52.2001

Students accepted to the 3+2 Accelerated Dual Degree Program are able to complete their B.S. degree and M.S. degree within 5 calendar years because of the accelerated curriculum and because 9 semester hours of graduate coursework will apply to both the undergraduate B.S. degree and the graduate M.S. degree. Only undergraduate students of proven academic ability will be considered for the program. Students should be aware that, in order to maintain their progress in the accelerated 3+2 program, careful coordination with their advisor is required. Depending upon undergraduate progress at the time of 3+2 admission, some summer-school classes may be needed.

Admission Requirements:

Students interested in this option must satisfy all the following conditions:

1. Junior or Senior standing
2. Overall grade point average (GPA) of at least 3.0 at the time of admission to the 3+2 program
3. Approval from department and Graduate School (see the form at http://gradschool.eku.edu/graduate-school-forms)
4. Must maintain an overall undergraduate and graduate grade point average (GPA) of at least 3.0 to continue in the 3+2 option.

UNIVERSITY GRADUATION REQUIREMENTS

- General Education .............................................36 hours
- Student Success Seminar (waived for transfers with 30+ hrs.) .................................................1 hour
- Wellness................................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Graphic Communications Management majors will fulfill ACCT with CON 499. (Credit hours may be incorporated into Major or Supporting requirements)

Total hours University graduation requirements ............40 hours

MAJOR REQUIREMENTS

College Requirement: Professional Skills Seminar
BTS 300 (CR only, no hours) and BTS 400 (CR only, no hours)

Major Requirements ..............................................56 hours
CON 121, 201, 202, 221, 294, 303, 307, 320, 322, 323, 324, 349 (2), 421, 423, 499, 829; OSH 379; AEM 801, 804
(Two separate enrollments of CON 349 are recommended in order to achieve a total of 2 cr. hrs.)

Supporting Course Requirements .............................27 hours
ACC 201 or FIN 310; CCT 201; ECO 230(WebElement 5B); GBU 204; GLY 108(WebElement 4); TEC 161; MAT 108(WebElement 2) and 117(1) and 261, or 7 hours of higher level MAT courses; MGT 301 or AEM 408; PHY 131(5)
(WebElement 4); and 3 hours of ACC, CCT, CIS, ECO, FIN, GBU, RMI, MGT, MKT, QMB, or RST electives* as approved by major advisor**.

*Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above. A maximum of 6 hours will count toward Element 4.

** Students wishing to pursue the Minor in Business must confer with their major advisor to make substitutions to the supporting course requirements. RMI, QMB and RST courses do not apply to the Minor in Business.

Exit Exam Requirement:
Students must take a construction assessment examination before graduation. An exam fee is required.

TOTAL HOURS TO COMPLETE DEGREE .................120 hours

BACHELOR OF SCIENCE (B.S.)

articulation agreement for transfer of credit and cooperation with Bluegrass Community and Technical College’s (formerly Lexington Community College) Associate in Applied Science degree in Engineering Technology with Electrical Specialization.

*Prerequisites may be required for some course selections.

Students must take at least one computer systems, networking, security, electronics, or telecommunications technology certification or license exam approved by the advisor.

Students must take a network Security and Electronics exit examination before graduation. Graduates must have an overall GPA of 2.25 in major requirements.

The Network Security and Electronics program is accredited by the Association of Technology, Management, and Applied Engineering (ATMAE).

ASSOCIATE DEGREES

CAREER AND TECHNICAL EDUCATION (TEACHING) (A.A.S.)

CIP Code: 13.1319

Note: Enrollment in this program is restricted to in-service technical teachers and graduates of a Kentucky Vocational/Technical School post-secondary program.

UNIVERSITY GRADUATION REQUIREMENTS

• General Education ..............................................20-21 hours

  Elements: 1A, 1B (ENG 101, 102, or 105 with a grade of “A” or “B”); 2 (MAT 107 or higher); any 3B or 3A/B; 5A or 5B; 5 hrs of any other General Education coursework.

• Student Success Seminar (BTO100; waived for transfers with 30+ hrs.) ..............................1 hour

Total Hours University Graduation Requirements ..........................21-22 hours

MAJOR REQUIREMENTS

The AAS degree program in Career and Technical Education is accredited by the National Council for Accreditation of Teacher Education.

Graduates of this program must have a minimum of 4,000 hours of supervised work experience or four years of occupational experience in the area to be taught.

Core Courses ............................................................24 hours

  TEC 161; 21 hr from the technical area, or related to the area in which the individual proposes to teach, as approved by the advisor; a maximum of 9 hrs (CTE 204, 205, 206) may be earned by proficiency examination; 9 hrs credit may be supervised work experience (TEC 349).

Supporting Courses ...................................................21 hours

  CTE 261, 361, 364, 463* (12).

  *In-service teachers should substitute CTE 164, 363, 463 (4), and EDF 319 or SED 104 for CTE 463 (12).

Exit Exam: Students must take a professional vocational technical education assessment examination and the Teacher Occupational Competency Test (TO CT) before graduation.

Candidates earning a degree that leads to teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation.

Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (http://www.kyepsb.net/assessment/index.asp AND www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams.

TOTAL HOURS TO COMPLETE DEGREE ........66-67 hours

TECHNOLOGY (A.A.S.)

CIP Code: 15.0612

UNIVERSITY GRADUATION REQUIREMENTS

General Education .....................................................18 hours

  Elements: 1A, 1B (ENG 101, 102, or 105 with a grade of “A” or “B”); 1C (CMS 100 or 210); 2 (MAT 107 or higher); 3B or 3A/B; 5B (ECO 230).

Student Success Seminar (BTO 100; waived for transfers with 30+ hrs.) ..............................................1 hour

Total Hours University Graduation Requirements ..........................19 hours

MAJOR REQUIREMENTS

Computer Aided Drafting (CAD) ......................................39 hours

  AEM 195, 201, 338(4), 383, 390, 392, 397; CON 294; MAT 108; PHY 131(5); TEC 161, 190.

Computer Electronics (CE) ..........................................40 hours

  CSC 160 or higher; EET 251, 252, (EET 253 or 351 or AEM 352), 257; NET 302, 303, 343, 349(1), 399; MAT 108; PHY 101, or higher (“Element 4); TEC 161.

Digital Imaging Design (DID) ........................................37 hours

  CHE 101/101L; GBU 204; GCM 211, 217, 255, 313, 316, 317, 318, 319, 355; TEC 161.

Quality Assurance (QA) ..............................................38 hours

  CHE 101/101L, or CHE 111/111L; EET 251; AEM 201, 202, 301, 332, 336, 338(4); MAT 108; QMB 200 or STA 215 or 270; TEC 161, 190.

Free Electives .........................................................1-4 hours

Exit Exam .................................................................0 hours

Students must take an assessment examination before graduation: NET 367a (CE), CR only, no hours.

TOTAL HOURS TO COMPLETE DEGREE .............60 hours

The AAS degree program in Technology is accredited by the Association of Technology, Management, and Applied Engineering (ATMAE).
**Minors**

**MINOR IN AEROSPACE MANAGEMENT**

Aviation Program

Requirements.................................................................18 hours
A student may minor in aerospace management by completing a minimum of 18 semester hours as follows: AVN 150, 192, 192A, 193A, 220, 221A, 222A, 300; 315; GEO 315.

**MINOR IN APPLIED ENGINEERING MANAGEMENT**

Requirements.................................................................18 hours
TEC 190, AEM 201, 202*, 308, and six hours of AEM upper division electives. No more than nine hours of courses taken for a major may be counted toward this minor.
*STA 215 or 270 and MAT 107 or higher are prerequisites for AEM 202.

**MINOR IN AVIATION (FLIGHT)**

Aviation Program

Requirements.................................................................23 hours
A student may minor in aviation (flight) by completing a minimum of 23 semester hours as follows: AVN 150, 192, 192A, 193A, 220, 221A, 222A, 300; 315; GEO 315.

**MINOR IN COMPUTER ELECTRONICS TECHNOLOGY**

Requirements.................................................................18 hours
EET 251, 252, (EET 253 or 351 or AEM 352), NET 302, 303, and (NET 343 or NET 354 or 395 or upper-division NET course approved by advisor). Prerequisites may be required for some course selections.
Exit Exam:
Students must take an assessment examination for completing the minor.
NET 367b (CR only, no hours)

**MINOR IN CONSTRUCTION MANAGEMENT**

The Construction Management minor provides technical and managerial knowledge about the construction industry. It is an appropriate supplement to a student who is majoring in a profession affiliated with construction. This minor is particularly relevant to students majoring in business, insurance, management, manufacturing, and marketing.

Requirements.................................................................21 hours
CON 121, 201, 202, 294, 323, 324, and 421. No more than nine hours of courses taken for a major may be counted toward this minor.

**MINOR IN DIGITAL IMAGING DESIGN**

This minor provides students with the ability to create professional quality documents using the latest in computer technology. Students from various majors have found that the information and skills taught in these courses have been very valuable in assisting them to be successful in their occupation.

Required Courses.........................................................12 hours
GCM 211, 217, 313 and 317.
Supporting Courses......................................................6 hours
Select six semester hours from GCM 255, 316, 318, 319, 335 and 455.
Total Requirements........................................................18 hours

**MINOR IN LAND SURVEYING**

Designed to prepare students to take the Fundamentals of Land Surveying Examination (administered by the Kentucky State Board of Licensure for Professional Engineers & Land Surveyors) upon completion of the core curriculum in land surveying or during final year in a Baccalaureate Degree program if twelve (12) hours or more of the core curriculum in land surveying have been completed. This minor program includes all requirements of the core curriculum in land surveying.

Requirements.................................................................21 hours
CON 221, 294, 320, 321; GEO 353, 425, 455. Non-Construction Management majors must also take GBU 204.

**MINOR IN QUALITY ASSURANCE TECHNOLOGY**

Requirements.................................................................18 hours
STA 215 or 270, AEM 202, 332, 336, 506, and 530 or STA 585. No more than nine hours of courses taken for a major may be counted toward this minor.

**MINOR IN WEB PUBLISHING**

A minor in Web Publishing will add a valuable set of skills to a student’s portfolio for many different majors. Students learn to create professionally designed web sites using current web standards.

Requirements .............................................................18 hours
CIS 240; GCM 255, 313, 355, 455; NET 303.

**Concentrations**

**APPLIED ENGINEERING AND TECHNOLOGY CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE**

See page 88 of this Catalog for the Applied Engineering and Technology Concentration requirements listed in the Associate of General Studies degree section.

**COMPUTER NETWORKING SYSTEMS CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE**
Certificates

UNIVERSITY CERTIFICATE IN LAND SURVEYING

The curriculum for the Land Surveying Certificate is designed to prepare students for a career as a professional surveyor. The program includes coursework in mathematics, drafting, and computer applications, as well as field surveys and practical experience. Upon completion of this program, students will receive a certificate of completion.

Requirements.................................................................24 hours
CON 221, 294, 320, 321; GBU 204; GEO 353, 425, 455.

CAREER AND TECHNICAL EDUCATION PROFESSIONAL CERTIFICATION*

Enrollment in this program is restricted to those who are currently employed as technical teachers and required to become certified as teachers of Vocational/Technical Education: Industrial Education.

General Education Requirements ......................20 hours
ENG 101, 102; MAT 107, three hours of General Education humanities, three hours of General Education social science and five hours of General Education electives.

Professional Education Requirements ......................22 hours
CTE 164, 261, 361, 363, 364, 463 (4 hrs.); EDF 319 or SED 104.

Major Requirements..................................................24 hours
TEC 161 and 21 hours chosen from the technical area, or related to the area, in which the individual is teaching, as approved by the advisor. Eighteen hours may be allowed by proficiency examination (CTE 204, 205, 206, 304, 305, and 306). Nine hours by proficiency examination may be applied to the Associate Degree and 18 hours to the Bachelors Degree in Career and Technical Education.

Total Curriculum Requirements .............................66 hours

*Based on recommendation from EKU, Certificate is awarded by the Education Professional Standards Board.
planning events. Students must demonstrate excellence in research, planning, communication and evaluation of public situations using a variety of platforms to meet standards for public relations education as published by the Public Relations Society of America.

COMMUNICATION STUDIES
Graduates of the Communication Studies (CMS) program pursue careers in labor relations, human resources, tourism, banking, corporate relations, sales, and many other professional contexts. Communication Studies students learn how to successfully demonstrate and promote effective human communication, including relationship building and maintenance, resolving conflict, persuading and negotiating, professional speaking, communication training and development, and leadership skills. CMS students must exhibit cognitive and behavioral learning by demonstrating (a) sufficient knowledge about various human communication processes and (b) satisfactory skills related to communication competency.

MINORS
The department also offers minors in Advertising, Broadcast News, Broadcasting and Electronic Media, Communication Studies, Journalism, Public Relations, and Visual Media.

MEDIA PRODUCTIONS
The student newspaper, The Eastern Progress, is housed in the Department of Communication. Numerous video productions and films are also produced within the department. Majors and non-majors can receive academic credit for work on some productions.

REQUIREMENTS
Some courses may require special skills and equipment such as the ability to keystroke a minimum of 25 words per minute. Instructors will notify students of these requirements at the first class meeting. Students may earn up to 16 credit hours toward their degree by enrolling in cooperative education courses. Credit for additional practical experience may be earned through practicums. Students majoring or minoring in the Department of Communication are required to attain a minimum grade of “C” in all courses (core and supporting) for a major or minor and a 2.25 or better GPA in all courses (core and supporting) required for the major or minor.

Baccalaureate Degrees

TOTAL HOURS TO COMPLETE DEGREE..............120 hours

Minors

MINOR IN ADVERTISING

Requirements.............................................................................21 hours
Courses required for a minor in advertising are COM 325,
425, 471, JOU 320 or PUB 320, MGT 301, 320, and COM
490 or MGT 426. Three hours of COM/MKT courses taken
to fulfill requirements for another major may be counted
toward the advertising minor.

MINOR IN BROADCAST NEWS

Requirements.............................................................................23 hours
Courses required for a minor in broadcast news are BEM
240, 295 (4), 301, 401, 491(1); COM 405 and six hours from
BEM 300, 343 (1-3), 395 (4), 402; or COM 415. Courses counted toward the major may not be counted toward the minor in broadcast news. Substitute courses will be selected by the student and the departmental advisor.

### MINOR IN BROADCASTING AND ELECTRONIC MEDIA

**Requirements**.........................................................23 hours

Courses required for a minor in broadcasting and electronic media are BEM 240, 295 (4), 300, 375, 491(1); and nine hours selected from BEM 343 (1-3) 395 (4), 398 (1-3), 410, 425, or COM 471. Courses counted toward a major may not be counted toward the minor in broadcasting and electronic media. Substitute courses will be selected by the student and the departmental advisor.

### MINOR IN COMMUNICATION STUDIES

**Requirements**.........................................................21 hours

Courses required for a minor in communication studies require all students to take CMS 200, 205 or 205W, 210, 250. Students must also complete one of the following three areas: Organizational Communication (CMS 300, 310 and 350); or Dispute Resolution (CMS 325, 420 and 450); or Interpersonal Communication (CMS 353, 375 and 400). Courses counted toward the major may not be counted toward the minor in communication studies.

### MINOR IN JOURNALISM

**Requirements**.........................................................18 hours

Courses required for a minor in journalism are COM 200 or 200W, 201, 301, JOU 305 or 305W, 310, and three hours from JOU 307, 325, or 401. Courses counted toward a major may not be counted toward the minor in journalism.

### MINOR IN PUBLIC RELATIONS

**Requirements**.........................................................18 hours

Courses required for a minor in public relations are BEM 375; COM 200 or 200W, 201; PUB 375, 380, and 475. Courses counted toward a major may not be counted toward the minor in public relations. Substitute courses will be selected by the student and the departmental advisor.

### MINOR IN VISUAL MEDIA

**Requirements**.........................................................18 hours

Courses required for a minor in visual media are BEM 295(4), 395(4), 491(1), COM 325, JOU 320 or PUB 320, and JOU 325. Courses counted toward a major may not be counted toward the minor in visual media. Substitute courses will be selected by the student and the departmental advisor.

### Concentrations

#### Broadcasting and Electronic Media Concentration in the Associate of General Studies Degree

See page 88 of this Catalog for the Broadcasting and Electronic Media Concentration requirements listed in the Associate of General Studies degree section.

#### Journalism Concentration in the Associate of General Studies Degree

See page 88 of this Catalog for the Journalism Concentration requirements listed in the Associate of General Studies degree section.

### DEPARTMENT OF MILITARY SCIENCE AND LEADERSHIP (ARMY ROTC)

**Chair and Professor of Military Science**
524 Begley, (859) 622-1205, Ralph.hudnall@eku.edu

**Military Science and Leadership Faculty**
Major Grant Montgomery, Mr. Allen Back, Major Jamie Carta, Master Sergeant Michael Davenport, Mr. Richard Sirry, Sergeant First Class Randy Shorter, Mr. Matt Palumbo, Major Eddie Simpson at the University of the Cumberlands, and Major Clifton Goins at Union College.

**Reserve Officer Training Corps (ROTC)**

Getting a degree doesn’t necessarily guarantee employment, however, taking Army ROTC will. The Reserve Officer Training Corps (ROTC) is a premier leadership-training program that prepares you to be a leader in any organization or business. ROTC enhances any Bachelors or Masters Degree program by making you better at time management, setting goals, making decisions, building teams, influencing others, and achieving success. The skills you develop in ROTC give you an advantage over your job-seeking peers; and at the end of the program you will have a full-time job waiting for you as a Commissioned Officer in the United States Army or part time in the Army Reserve or National Guard.

**Career Opportunities**

Students who graduate from Eastern’s Army ROTC program are commissioned as Second Lieutenants and serve with other dedicated young men and women in our nation’s defense. As new Lieutenants, officers serve in a variety of branches, such as Aviation, Armor, Infantry, Transportation, Military Police, Engineers, as Army Nurses, to name but a few, and have the opportunity to travel worldwide. Starting salary for an active duty Lieutenant is over $40,000, plus full individual and family medical coverage and 30 days paid vacation annually. For those who desire only a part-time commitment, the Guaranteed Reserve Forces Duty option gives students assurance they will be able to serve their country from home, adding stability to their chosen civilian career.
**Leadership Development**

EKU’s Department of Military Science and Leadership has a proud reputation dating back to 1936. The program has commissioned over 2,200 officers. The program’s unique approach to leadership development gives each student multiple opportunities to refine their own leadership skills and receive individualized performance feedback. Training is designed around a hands-on, experiential learning curriculum. Besides learning how to lead, students build their confidence by learning to rappel, negotiate EKU’s Challenge Course, fire the M-16 rifle and/or M-4 Carbine, complete water survival training, and other adventure type activities. Students also learn to live the 7 Army Values – Loyalty, Duty, Respect, Selfless Service, Honor, Integrity, and Personal Courage by demonstrating these values as they participate in the Cadet Battalion, the Pershing Rifles Drill Team/Color Guard, Ranger Company, and Raider Team.

**Scholarships and Simultaneous Membership**

Eligible students may compete for a variety of ROTC Scholarships available on-campus and through the Army Reserves and Army National Guard. These fully funded scholarships pay 100% tuition, a $1,200 annual book allowance, and a $300-$500 monthly tax-free living allowance. Four-year scholarship students also receive free room and board. Members of the National Guard or Army Reserves who join ROTC under the Simultaneous Membership Program (SMP) may also receive a $350 monthly SMP Kicker in addition to the tax-free ROTC living allowance, Montgomery GI Bill benefits, and E-5 drill pay.

**Eligibility and Obligations**

Students may enroll in any of the MSL 100-200 level courses without obligation. Students who desire to seek a commission must sign a contract before entering the Advanced Leadership Course (MSL 300-400 courses); they must also meet certain age, physical fitness, medical, citizenship, security clearance and military experience requirements. Military experience can be satisfied in a variety of methods (check with the ROTC Scholarship and Enrollment Officer at (859) 622-1215 for details). Students contracting into the Advanced Leadership Course will incur a military service obligation upon graduation.

**Scholar-Athlete-Leader**

Becoming an Army Officer doesn’t just happen; it requires a level of commitment, determination, and selflessness that few civilian careers will ever demand. Army Officers are intellectually curious, mentally adroit, physically robust, and possess a willingness and passion to take charge and make the right things happen. If you are a Scholar-Athlete-Leader who wants to join the world’s most sophisticated Army, then join EKU ROTC—“Where Leadership Excellence Begins.”

**Minor**

**MINOR IN MILITARY LEADERSHIP (ARMY)**

**Requirements..............................................................21 hours**

A minor in Military Leadership is available to students from any College who wish to obtain a commission as an officer in the United States Army, Army Reserve, or Army National Guard. Students must satisfactorily complete both the Basic Course and the Advanced Course requirements. The Basic Course requirement is to complete either 1) Basic Training or 2) The Leader Training Course or 3) MSL 101, 102, 201, and 202, or 4 years of JROTC. The Advanced Course requirement is 21 hours of advanced military science and leadership (MSL 301, 302, 303, 310, 401, 402).

**Air Force Reserve Officer Training Corps (AFROTC)**

Lt. Col. Greg Franklin
Commander, AFROTC Detachment 290 and Professor of Aerospace Studies
University of Kentucky (Host School)
859-257-7115

**AIR FORCE Faculty**

Capt J. Colella, 1st Lt. J. Cozad

Air Force Reserve Officer Training Corps provides a means for college students to pursue an Air Force commission as an active duty officer while achieving their academic goals in their chosen fields of study. AFROTC provides the Air Force with educated officers and provides students with well-paying, challenging positions after graduating from college. Air Force ROTC improves and strengthens the qualities of decision-making, responsibility, and maturity in its students and helps them develop lasting leadership skills.

**Commission and Active Duty Requirements**

All students who successfully complete the 4-year AFROTC program will be commissioned as Second Lieutenants in the active duty Air Force. Once commissioned, officers typically incur a four-year service commitment. Some career fields, like flying operations, require service commitments ranging from 6-10 years.

**Admission to the Program**

The two major phases of the 4-year curriculum are the General Military Course (GMC) and the Professional Officer Course (POC). The GMC covers an introduction to the contemporary Air Force and the history of air power and is usually completed during the first two years of college.

The GMC is open to all full-time students. Those enrolled in this program are required to participate in a weekly one-hour academic class (at the University of Kentucky), a weekly two-hour leadership laboratory (at UK), and three one-hour physical training sessions per week (at EKU or UK depending on class size). The leadership laboratory provides practical training in areas such as military customs and courtesies, uniform wear, drill and ceremonies, and group leadership projects. GMC students incur no military obligation unless they have been selected for and accepted an AFROTC scholarship. There are limited opportunities for college sophomores to start the GMC by enrolling in the freshman and sophomore courses simultaneously (contact the Professor of Aerospace Studies for approval).

Students interested in enrolling in the GMC should register for the AFROTC academic course (AFS 111/113 and leadership laboratory (AFS 112/114) in the same manner they register for other college courses at EKU. Note: Scheduled physical training sessions are part of the leadership laboratory curriculum.

The last two years of the AFROTC curriculum is called the Professional Officer Course (POC) and is usually completed.
during the student’s junior and senior year in college. There are limited circumstances under which a portion of the POC can be completed as a graduate student (contact the Professor of Aerospace Studies for approval). The POC curriculum covers Air Force leadership and management, U.S. defense policy, and military law.

Entrance into the POC requires completion of the GMC curriculum and competitive selection for attendance at a 4-week field training encampment held in the summer immediately after completing the GMC.

Scholarships

Minor

MINOR IN AEROSPACE STUDIES

Requirements.................................................................19 hours

AFS 311, 312, 313, 314, 411, 412, 413, 414, and three hours of an elective approved by the Dean of the College of Business and Technology and the Professor of Aerospace Studies.

SCHOOL OF BUSINESS

EKU’s School of Business is comprised of the Department of Accounting, Finance, and Computer Information Systems; the Department of Management, Marketing, and Administrative Communication; and the Master of Business Administration Program.

MISSION OF EKU’S SCHOOL OF BUSINESS

EKU’s School of Business provides quality accredited business programs that generate educational and experiential opportunities for students, businesses, and the professional community in a technologically dynamic global environment.

VISION OF EKU’S SCHOOL OF BUSINESS

EKU’s School of Business...a premier teaching and learning center...enhancing students’ lives, transforming communities, making a difference!

GOALS OF EKU’S SCHOOL OF BUSINESS

• Provide high quality teaching
• Provide excellent advising services
• Recruit and retain faculty members who are academically or professionally qualified as defined by AACSB
• Emphasize its commitment to stewardship of place by increasing partnerships, student projects, and involvement with business, community, and educational entities

Graduates of EKU’s School of Business (the undergraduate and graduate programs in business administration at Eastern Kentucky University) have joined the ranks of the nation’s top business schools. EKU’s School of Business, located in the College of Business and Technology, has received accreditation by the Association to Advance Collegiate Schools of Business International (AACSB) for its undergraduate and graduate programs in business administration. Less than 5 percent of the world’s business schools have achieved this elite distinction.

AACSB International accreditation represents the highest standard of achievement for business schools worldwide and is the hallmark of excellence in business education. Institutions that earn accreditation confirm their commitment to quality and continuous improvement through a rigorous and comprehensive peer review. Founding members of the agency include many Ivy League Schools, including Columbia, Cornell, Dartmouth, Harvard and Yale; and such top-ranked schools as the University of California at Berkeley, the University of Chicago and Northwestern also hold AACSB accreditation.

To achieve accreditation, EKU’s School of Business
satisfied a wide range of quality standards related to strategic management of resources, interactions of faculty and students in the educational process, and achievement of learning goals in degree programs.

**Beta Gamma Sigma**

Founded as a national organization in 1913, Beta Gamma Sigma is an international honor society that provides the highest recognition a business student anywhere in the world can receive in an undergraduate or master’s program at a school accredited by AACSB International. With the global expansion of accreditation by AACSB International, membership is no longer limited to those who have studied in the U.S. or Canada.

The mission and objectives of Beta Gamma Sigma are to encourage and honor academic achievement in the study of business and personal and professional excellence in the practice of business, to foster an enduring commitment to the founding principles and values of honor and integrity, to encourage the pursuit of wisdom and earnestness, to support the advancement of business thought and practice to encourage lifelong learning, and to enhance the value of Beta Gamma Sigma for student and alumni members in their professional lives.

To be eligible for Beta Gamma Sigma, students must be in the top 7 percent of the junior class, top 10 percent of the senior class, or the top 20 percent of the MBA program.

**Bachelor of Business Administration and Bachelor of Science in Risk Management and Insurance Degree Requirements**

General University requirements, as well as specific course requirements set forth in the description of curricula, must be met by students completing associate and baccalaureate business programs administered by the College of Business and Technology. See programs under each department for major requirements. Student Success Seminar (BTO 100) is required in all Business programs. The requirements for the Bachelor of Business Administration (BBA) and the Bachelor of Science in Risk Management and Insurance degrees are as follows:

1. A cumulative 2.0 GPA must be maintained in all work taken in the BBA and BS Risk Management and Insurance programs.
2. Hours earned by correspondence study are accepted upon written approval of the Dean. However, not more than 25 percent of the total hours applied toward a degree may be earned via correspondence or telecourse instruction, military credit, or credit by examination.
3. To ensure the integrity of business programs to provide a sound overall educational experience, not more than 50 percent of undergraduate course work shall be completed in the EKU’s School of Business programs. However, up to nine semester hours of economics and up to six semester hours of mathematics/statistics will not be included in this 50 percent. Decisions to allow students to take more than 50% of undergraduate course work within EKU’s School of Business will be made judiciously.
4. At least 50 percent of the business course credit hours required for the BBA and BS Risk Management and Insurance degrees must be completed at EKU.
5. The BBA and BS Risk Management and Insurance degrees will only accept credits for business courses at the upper division level transferred from other colleges and universities accredited by the Association to Advance Collegiate Schools of Business International (AACSB). As completely as possible, it will apply these credits to the student’s degree program. To ensure that they earn appropriate credits, students are strongly advised to see the College of Business and Technology Advising Office and also obtain the Dean’s approval prior to enrolling in any course work they plan to transfer. The University will not take responsibility for courses transferred without prior approval.

6. A “C” or better is required for the BBA programs and the B.S. in Risk Management and Insurance degree in the following courses: (See specific degree requirements for each major)

**Bachelor of Business Administration**

**BBA Supporting Courses:** CIS 212 or CSC 104, ECO 230 and 231, MAT 107 and/or 211, QMB 240 (if required by major), and PSY 200 or 200W or SOC 131.

**BBA Pre-Business Core:** ACC 201, 202, GBU 204, and QMB 200.

**BBA Core:** CCT 300W, CIS 300, FIN 300, MKT 300, 370, MKT 300, and GBU 480.

**Bachelor of Science in Risk Management and Insurance**

**BS Supporting Courses:** MAT 211 (or MAT 107 combined with QMB 240) and ECO 230;

**BS Pre-Business Core:** ACC 201, 202, GBU 204, and QMB 200.

**BS Risk Management and Insurance Core:** CCT 300W, CIS 300, FIN 300, GBU 370, MKT 300, RMI 370, and RMI 374.

CCT 300W should be taken in first six hours of upper division course work. BBA students must complete all business core courses prior to taking GBU 480. Students are urged to review carefully all course prerequisites, including the 60-hour rule before scheduling 300-level business courses. Failure to satisfy prerequisites may result in the student being administratively withdrawn from courses.

7. At least 12 hours in the major must be earned at EKU. A grade of “C” or better is required for each course in the major.
8. Students must choose a major field at the time they enter a School of Business program. Students must meet with and have schedules approved by the academic advisor.
9. A second major can be completed in EKU’s School of Business or in another program of the University. A third business major is not permitted. Because business students take the business core, they are limited to selected minors offered by EKU’s School of Business. Free elective requirements for bachelor’s degree programs in EKU’s School of Business cannot be met by choosing courses taught in Business. (See No. 4, BBA and BS Risk Management and Insurance under degree requirements.)
10. Students choosing to double-major must declare the BBA or BS Risk Management and Insurance degree as the first major.
Prerequisite Structure in EKU’s School of Business

EKU’s School of Business curriculum is highly structured and carefully integrated. The content and methodology utilized in upper-division courses are based upon the assumption that students enrolled in these courses have matriculated through a specific series of lower-division courses which provide students with competencies needed for successful participation in upper-division business courses.

Enrollment in Upper-Division EKU’s School of Business Courses

To enroll in the following upper-division business-core courses (CCT 300W, CIS 300, FIN 300, MKT 300, MGT 300, 370, and GBU 480) students must have:

1. completed ACC 201, 202, and ECO 230 with a grade of “C” or better in each course;
2. completed a minimum of 60 hours (or enrolled in enough additional course work to complete their 60th credit hour) with a cumulative 2.0 GPA; and
3. met all specific prerequisite(s) for each course.

To enroll in other upper-division business courses, students are required to have met the specific prerequisite(s) for each course and have earned an overall 2.0 GPA. Students majoring in other departments whose planned curriculum includes selected business courses (by virtue of agreements of sponsoring departments with a business program) must also adhere to all specified course prerequisites. Students majoring in programs other than business cannot earn more than 25 percent of their total degree requirements in courses with business prefixes.

Course Repeat Policy

Courses may be repeated once. Second or subsequent repeats (maximum of three enrollments) must be requested on a College Exception form approved by the Dean of the College. Exceptions will only be considered under unusual circumstances. An enrollment is counted as a repeat if a previous enrollment in the course resulted in a passing or failing grade or a “W” due to withdrawing from the course.

Bachelor of Business Administration and Bachelor of Science in Risk Management and Insurance

The Department of Accounting, Finance, and Information Systems provides a Bachelor of Business Administration and a Bachelor of Science in Risk Management and Insurance which offer unique programs of study. The BBA and BS in Risk Management and Insurance are the only undergraduate insurance degrees in Kentucky. Students in these programs must meet prerequisites as noted.

Bachelor of Science in Business and Marketing Education/Teaching

The Department of Management, Marketing, and International Business, in cooperation with the College of Education, provides programs leading to certificates qualifying graduates to teach business subjects in grades 5-12. For admission requirements, see Admission to Teacher Education and Admission to Student Teaching sections in the College of Education portion of this Catalog. Also see Policies and Requirements sections in the same portion of this Catalog. Students in these programs must meet the business prerequisites as noted. Students interested in business teacher certification should consult the Chair of the Department of Management, Marketing, and International Business.

Business and Marketing Education/Teaching requires all students to meet the general education knowledge for initial teacher preparation requirements (see College of Education section of this Catalog).

Transfer Students and Students from Other EKU Colleges

BBA and BS program requirements for transfer students are the same as those for students enrolling initially at EKU. Transfer students must have completed at least 60 semester hours of course work and all the requirements listed above to be eligible for upper-division business courses.

EKU’s School of Business considers lower-division credits transferred to EKU as lower division, even if EKU offers what appears to be a comparable course at the upper-division level. However, the dean of the College of Business and Technology may accept individual courses at EKU if the courses are validated using acceptable validation techniques. CLEP® and departmental exams are examples of possible validation techniques. With specified courses in real estate and accounting, the successful completion of advanced courses in the subject field for which the transfer course is a foundation or supporting requirement is an acceptable validation method. A successfully validated lower-division transfer course may not be utilized to fulfill the 43-hour upper-division graduation requirement.

Certified Public Accountant (CPA)

The Kentucky legislature has mandated that students taking the CPA exam in the year 2000 and thereafter must have completed 150 semester hours. Therefore, accounting graduates seeking the CPA designation will need to complete additional undergraduate or graduate hours.

Minors

MINOR IN COMPUTER INFORMATION SYSTEMS

A minor in computer information systems is offered for students in both business and non-business programs. The minor consists of 18 hours of computer information systems courses including CIS 215, 240, 335, 375, 380, and three hours of upper-division courses approved by the department. At least 12 hours of the minor must be earned at EKU. Students pursuing the computer information systems minor must maintain a 2.25 GPA on all work counting toward the minor.

MINOR IN RISK MANAGEMENT AND INSURANCE

The minor consists of 18 hours including three hours of a required accounting course, nine hours of required Risk Management and Insurance courses and six hours of approved Risk Management and Insurance electives. Students must earn at least 12 of the 18 hours used for the minor in residence at EKU and must maintain a cumulative GPA of 2.0 in all courses comprising the minor.

Requirements.................................................18 hours
ACC 201, RM1 370, RM1 372, RM1 374, plus six hours of approved upper-division (300 or 400 level) RM1 electives.

MINOR IN PERSONAL FINANCE

Designed to prepare students to make informed financial decisions regarding investments, mortgages, loans, retirement planning, etc. Students minoring in personal finance must earn at least 12 hours of the total hours at EKU and maintain a cumulative GPA of 2.0 in all courses comprising the minor. This minor includes the following courses:

Requirements
ACC 201, 322; FIN 201, 311, 324; RM1 370

Total Requirements..............................................8 hours

Certificates

Certificate in Accounting

The Certificate in Accounting is designed to prepare individuals who have a bachelor’s degree in another field for entry into the accounting profession. This program satisfies the Kentucky requirement that individuals taking the CPA Exam have a bachelor’s degree in accounting or the equivalent.

Requirements include: a bachelor’s degree from an accredited college or university, at least 15 of the 30 hours in the major requirements must be earned at EKU, students pursuing the Certificate in Accounting must earn a “C” or better in all courses comprising the certificate, and completion of the following courses:

Supporting Course Requirements.............................15 hours
ACC 212, ECO 230, GBU 204, MAT 107 or 211, and QMB 200.

Major Requirements.........................................30 hours
ACC 201, 202, 301, 302, 322, 327, 350, 440, 441, and three hours from 400-500 level Accounting courses.

Total Curriculum Requirements...............................45 hours

Certificate in Financial Literacy

The Certificate in Financial Literacy prepares students for training youth and adults for their financial literacy needs. This certificate includes 12 hours of required courses.

Requirements.................................................12 hours
FIN 201, 310, 311, 390S

CIS 212 or CSC 104; ECO 230(Element 5B), 231; MAT 107(Element 2) or 211(Element 2).

= Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

TOTAL HOURS TO COMPLETE DEGREE........125 hours

Candidates earning a degree that leads to teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (http://www.kyepsb.net/assessment/index.asp AND www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams.

MINORS

MINOR IN BUSINESS

The Business Minor is offered for students majoring in programs other than Business. The minor consists of 21 hours including 18 hours of required courses and three hours of supporting courses. To enroll in an upper-division, business core course in the minor, students must (a) have completed ACC 201, 202, and ECO 230 with a “C-” or better, (b) have completed a minimum of 60 hours, and (c) have met the prerequisite of the specific course. Students minoring in business must earn at least 12 of the total hours used for the minor in residence at EKU and attain a cumulative GPA of 2.0 in all courses comprising the minor.
Required Courses .................................................................................................................. 18 hours
ACC 201, 202 and four courses from the following:
CCT 300W, CIS 300, FIN 300, GBU 204, MGT 300, MKT 300.

Supporting Course ............................................................................................................. 3 hours
ECO 230.

Total Requirements ............................................................................................................ 21 hours

MINOR IN ENTREPRENEURSHIP

The Entrepreneurship Minor is offered to students majoring in programs other than business who have a desire to obtain basic business knowledge and skills related to starting their own business or possibly assuming management of an existing business (family-owned, for example). The program consists of 15 hours of required courses and six hours of electives from specified business courses. To enroll in a 300-level business course, students must have completed a minimum of 60 hours and have met the prerequisites of the specific course. Students must earn at least 12 of the total hours used for the minor in Entrepreneurship at EKU and attain a cumulative GPA of 2.0 in the minor.

Required Courses .................................................................................................................. 15 hours
CCT 270, 304S, MGT 301, 330, 465

Business Elective ................................................................................................................... 6 hours
Choose two courses from one of the following options:
Quantitative—Choose two of the following courses:
ACC 201, 202, FIN 310.
OR
Qualitative—Choose two of the following courses:
GBU 204, MKT 301, MKT 380

Total Requirements ............................................................................................................ 21 hours

MINOR IN INTERNATIONAL BUSINESS

The International Business Minor is offered to students majoring in programs other than business who have a desire to gain knowledge in international business and experience business courses through study abroad. To enroll in a 300-level business course, students must have completed a minimum of 60 hours and have met the prerequisites of the specific course. Students must earn at least 12 of the 18 hours for the International Business Minor at EKU and earn a C in each of the minor courses.

Required Courses .................................................................................................................. 18 hours
CCT 310, GBU 201, MGT 301, 430, and six hours of business credit from approved courses studied and completed abroad.

Mission
To strive for excellence in preparing effective professionals while balancing accessibility, academic rigor, and clinical practice.

Vision
Preparing highly-effective professionals for tomorrow’s challenges and opportunities

Values
Accountability, Compassion, Excellence, Trustworthiness, Sense of Community, Just Culture, Authenticity, Ethical, and Empathic

Core Competencies
• Providing effective, data driven, up-to-date instruction in the content areas of our programs.
• Providing support to students, especially first generation college students
• Regional stewardship through synergy with the P-12 schools in the service area.

Education as the New “Clinical” Profession
"Teaching as a clinical profession means that education candidates are expected to become knowledgeable and to the fullest extent possible experts in the school learning sciences. Similarly, teacher education candidates are expected to become competent and also to the fullest extent possible excellent diagnosticians in the academic development of their school age students. Drawing from a scholarly knowledge base, more than adequate in scope and depth, teacher education candidates study with seasoned expert faculty at the College Education including MODEL to refine diagnostic skills and learn to prescribe instructional strategies that will improve school age student performance in Kentucky and beyond.” Dr. James Bliss

Since its founding in 1906, Eastern Kentucky University has maintained a strong interest in and commitment to the preparation of teachers.

Professional Education at Eastern Kentucky University is a university-wide function. The programs of elementary education (P-5), middle grades education (5-9), special education, interpreter training, deaf and hard of hearing, interdisciplinary early childhood education and communication disorders are located in the College of Education. The college also has graduate degree and licensure programs in most of these areas, as well as in Counseling and Educational Leadership. Candidates in these programs are advised in the College of Education. Secondary 8-12, Grades 5-12, and P-12 teaching programs are located in their respective colleges with candidates receiving academic advisement from the college of their major a supplemental advisor from the College of Education.

Base Teaching
Initial and Advanced
Interdisciplinary Early Childhood Education (Birth to Primary)
Elementary School (Primary - Grade 5) - Preparation includes the academic disciplines taught in the elementary school
Middle School (Grades 5-9) - two teaching fields selected from English and communications, mathematics, science, or social studies;
Secondary School (Grades 8-12) – biology, chemistry, earth science, English, mathematics, physics, or social studies,
Middle/Secondary School (Grades 5-12) - agriculture, business and marketing education, family and consumer science, industrial education or engineering and technology
Elementary/Middle/Secondary School (Primary - Grade 12) - art, foreign language (French, Spanish), health, integrated music, physical education, or school media librarian.
Exceptional Children (Primary - Grade 12 and for collaborating with teachers to design and deliver programs) - learning and behavior disorders, moderate and severe disabilities (advanced only), hearing impaired, hearing impaired with sign proficiency, or communication disorders

Restricted Base
Computer Information Systems (Primary through Grade 12)
Dance (Primary through Grade 12)
Theatre (Primary through Grade 12)

Endorsements
Computer Science (Grades 8 through 12)
Driver Education (Grades 8 through Grade 12)
English as a Second Language (Primary through Grade 12)

The Professional Education Programs at Eastern Kentucky University are dedicated to preparing the highest quality educators and related professionals for Kentucky and beyond. Our graduates integrate content, effective pedagogical skills, and dispositions that foster life-long growth and learning. Being true to our heritage as a school of opportunity, Eastern Kentucky University provides a climate that supports, challenges, and enriches students aspiring to careers in a diverse society.
new clinical preparation model for all educators. Additionally, it provides a site for research-based practices to prepare those planning to enter the profession and to retool currently practicing educators to enhance student engagement, learning, and achievement at all P-12 levels.

**Eku Kentucky Adult Education**

Your Future Starts Here. The Eku program, directed by Dr. Paula Jones, serves residents of Madison, Clay, and Garrard counties and is housed in the College of Education. The mission is to support students in obtaining their GED. In addition, the program helps to prepare students for college and career readiness by delivering a world-class education. Visit the Eku Kentucky Adult Education program at http://adulteducation.eku.edu/

**Staff:**
C. Beechie, R. Johnson, P. Jones, H. Williams

**The Kentucky Educational Collaborative for State Agency Children (KeCSAC)**

Directed by Dr. Ronnie Nolan, is a statewide collaborative that works with state agencies, school districts and local programs to ensure that state agency children receive a quality education comparable to all Kentucky students and is housed in the College of Education. Visit the KECSAC program at http://www.kecsac.eku.edu/.

**Staff:**
R. Chapman, L. Cole, C. Held, K. Helton, R. Nolan, M. Parker, K. Smith

The Migrant Education Program, housed in the College of Education and directed by Michael Hay, is a supplemental education program that provides support for migrant children and their families. This program works to ensure that the appropriate academic services are offered to help migrant children do well in school and that they receive the needed levels of tutoring and instruction that will promote them to the next grade level. Migrant Education staff works with other school and community agencies to provide social and health needs that families may require. Visit the Migrant Education Program at http://migrated.eku.edu/.

**Policies and Procedures**

**Professional Education Majors**

To be recommended for certification, all candidates must meet the requirements for admission to professional education, complete a College of Education approved teaching curriculum, and pass the required PRAXIS II tests, PLT exam, or Kentucky test as established by the Education Professional Standards Board.

**Credits**

To be applied to degree programs, credits more than eight years old must be validated by the Dean.

**Credit for Transfer Work**

Allowance of transfer credit by the University Office of Admissions and/or the Office of Academic Advising does not necessarily mean that all such credit will be applied toward admission to professional education or a degree from the College of Education. Therefore, candidates should read and follow closely the transfer credits/courses section in Section Five of this Catalog.
Credit for Transient Work
Undergraduate students or students (candidates) pursuing initial certification in programs housed in the College of Education who wish to take course work at another higher education institution must have approval from the Dean of the College if they wish to apply that credit to their degree program. Candidates must be in good academic standing at EKU. Transient forms are initiated with the Tracking Specialist, Office of Education Services (coeadvising@eku.edu).

Overload
In the College of Education, overloads be approved by the candidate’s advisor. Requests for overloads must contain the student’s overall GPA and the number of hours being attempted, including those to be taken at other higher education institutions. Send requests to coeadvising@eku.edu.

Planned Curriculum
Planned curricula in the College of Education are maintained in Degree Works, a comprehensive set of web-based academic advising, degree audit, and transfer articulation tools that help candidates and their advisors negotiate program requirements. Changes in the planned curriculum, initiated on the College Exception form, must include a recommendation for change by the advisor and be approved by the department chair and the Dean of the College. Changes approved verbally by phone or otherwise will not be honored unless the planned curriculum is officially altered to reflect such approval. It is the candidate’s responsibility to register for the proper courses so that all requirements are satisfied at the time of expected graduation. Completion of all course work on the candidate’s planned curriculum is required for graduation.

Progressing in Professional Education
Candidates shall not enroll in any educator preparation program courses restricted to admitted candidates.

Application for Graduation
Candidates must file an application for graduation in accordance with university policy found in the Graduation and Commencement Information section of this catalog. Applications for graduation are available online through EKU Direct.

Student Teaching
Since student teaching is especially demanding, candidates are encouraged to not take any other courses during CED 499 The Professional Semester.

Admission to the College of Education
Preparing a Community of Exemplary Professionals
- Upon admission to the College of Education, students are assigned an advisor. Candidates must enroll in Academic Orientation, EDO 100, during the first semester. Candidates are advised to enroll in EDF 103, Introduction to Education, during their first semester freshman year and in EDF 203, Schooling and Society, during their second semester freshman year. EDF 310 will be required for students who have an equivalent transfer course for EDF 203.
- Secondary education majors will follow the prescribed curriculum and requirements of another academic college and the policies for professional education stated elsewhere in this Catalog. The College of Education cooperates closely with the other colleges in matters pertaining to admission to professional education and clinical education.

OFFICE OF EDUCATIONAL RESEARCH AND ASSESSMENT

Director
Dr. Paul Erickson
(859) 622-1265
Bert Combs, Room 416

Preparing Highly Effective Professional Educators
Preparation of professional school and community personnel is a dynamic and complex activity, and one that requires the College of Education (Educator Preparation Provider) to plan and evaluate on a continuing basis. The Office of Educational Research , Assessment and Technology collects and analyzes data on applicant qualifications, candidate and graduate performance, and EPP operations (initial and advanced) to evaluate and improve professional education programs at EKU.

The EPPs QAS supports continuous improvement that is sustained and evidence-based, and evaluates the effectiveness of all candidates. Results of data collection are used to establish priorities, enhance programs and capacity, and test innovations to improve completers’ impact on P-12 student learning and development [CAEP Standard 5].

The Office provides leadership in the ongoing process of data collections, gathering data, and data analysis and is responsible for the QAS and Continuous Improvement processes. The Director oversees the integration, development, and implementation of short- and long-range strategic plans and serves as the EPPs CAEP accreditation coordinator.

The Office also has responsibility for the management, development, and integration of instructional technology, distance learning initiatives, and the College of Education Internet/Intranet/ Web connections and presence. The Director provides professional develop opportunities for the college.

STUDENT SUCCESS

Staff
A. Coates-Groves, M. Shaffer, R. Wilson (Director)
Our goal is to recruit and support completion of high-quality candidates from a broad range of backgrounds and diverse populations.

**ADVISING - coeadvising@eku.edu**
Bert Combs 425  
(859) 622-1828

The CARES Office of Student Success is committed to serving the needs of students. Students are assisted with advising through consultations with staff. Staff support first-year and transfer students in their transition to college. Academic coaching, tracking and graduation checkout services are provided to students as they progress through their degree programs. Recruitment and retention efforts for the College of Education are coordinated by CARES Student Success staff. The Office of Student Success coordinates all marketing efforts for the College of Education.

**LICENSURE AND CERTIFICATION**

Staff:  
K. Alexander, K. Dickens, L. Lanter, M. Moore (Director)

Located in Bert Combs 425, the CARES Office of Licensure and Certification is responsible for the coordination of admission to initial and advanced professional education programs and the review and recommendation for initial and advance licensure.

In addition, applications for licensure for teachers, school personnel (principals, supervisors, superintendents, counselors, pupil personnel directors, business administrators, librarians, and speech pathologists) are also processed by a certification official in the Office of Licensure and Certification.

To be recommended for licensure/certification, all candidates seeking initial teacher certification, regardless of the college in which they are enrolled, must meet the requirements for admission to professional education, complete an approved teaching program, and pass the required PRAXIS II tests, PLT exam or Kentucky test as established by the Education Professional Standards Board.

Candidates are advised to enroll in EDF 103, Introduction to Education, during their freshman year and in EDF 203, Schooling and Society, during their sophomore year. However, candidates should not enroll in EDF 103 until all developmental requirements have been met. EDF 310 will be required for candidates who have an equivalent transfer course for EDF 203.

**TEACHER ADMISSION - teacher.admissions@eku.edu**  
Bert Combs 425  
(859) 622-1828

**ADMISSION REQUIREMENTS and APPLICATION PROCESS**

**Admission to Professional Education**

Professional education admission standards represent our goal to recruit candidates who have high academic achievement and ability. We welcome you to the profession.

Candidates must demonstrate understanding of professional dispositions expected of professional educators. Candidates must review and sign a COE Professional Dispositions Declaration form.

**A. Hours**

- Candidates must complete 30 hours of credit (excluding developmental level courses).

**B. Admission Test Requirement**

Candidates must have a passing score on the following tests:

**Until August 31, 2014**

- PRAXIS I - Preprofessional Skills Test (PPST) Reading 176; Math 174; Writing 174

**Beginning September 1, 2014**

- Core Academic Skills for Educators (CASE): Reading (156); Writing (162); Mathematics (150)

**C. GPA and Grade Requirements**

- A cumulative grade point average 2.75 on a 4.0 scale; or a grade point average of 3.0 on a 4.0 scale on the last thirty hours of credit completed.

- A grade of “C” or higher in EDF 203.

- “S” grade in EDF 310 for transfer candidates having completed EDF 203 at another institution.

Undergraduate degree candidate GPA is based on the hours attempted as shown on the official EKU transcript. Post degree certification candidate GPA is based on all undergraduate course work and on the hours attempted as shown on the official EKU transcript.

**D. Demonstrate an Overall Disposition Essential to Being an Effective Teacher**

Candidates must demonstrate proficiency in oral and written communication including:

- Critical thinking: A grade of “C” or higher in ENG 102 or HON 102 with a grade of “B” or higher in ENG 105 (those earning a “C” must also take ENG 102).

- Creativity: A grade of “C” or higher in EDF 203.

- Collaboration: A grade of “C” or higher in EDF 203.

- Communication: A grade of “C” or higher in CMS 100 or CMS 210.

**E. Professional Code of Ethics, Character Fitness Declaration, and Professional Dispositions**

Candidates must review the Professional Code of Ethics for Kentucky School Certified Personnel established in 16 KAR 1:020 and sign a COE Professional Code of Ethics for Kentucky Declaration form.

- Candidates must review the character and fitness questionnaire contained in Section III of the TC-1 incorporated by reference in 16 KAR 2:010 and sign a COE Professional Character and Fitness Declaration form. EKU College of Education requires a state criminal history background check approved* by the College of Education as a condition of admission. Under certain circumstances, a national criminal history background check may be required as a condition of admission.

- Candidates must demonstrate understanding of professional dispositions expected of professional educators. Candidates must review and sign a COE Professional Dispositions Declaration form.

* “Approved” is a formal review process of the professional character and fitness declaration and criminal records report. Professional disposition issues or violations of the professional code of ethics will be referred to the Professional Education...
F. Recommendations and Interview
Candidates must submit satisfactory pre-service professional disposition reviews from two EKU faculty members including the EDF 203 or EDF 310 instructor and the advisor or another EKU faculty member.
- Candidates must complete and sign a Candidate Statement of Commitment Regarding Professional Dispositions form.
- Candidates must satisfactorily complete an interview process.

G. Student Behavior
- Candidates preparing to work in schools as teachers or other professional school personnel must demonstrate dispositions necessary to help all students learn.
- Candidates must demonstrate acceptable social behavior at the University and in the community-at-large. A candidate interview may be required by the Professional Education Admissions Committee.
- Candidate admission status may be reevaluated if the candidate is placed on either academic or social probation or has a record of criminal conviction(s). A candidate interview may be required by the Professional Education Admissions Committee.

- The Office of Licensure and Certification will contact the Eastern Kentucky University Office of Student Rights and Responsibilities to obtain records of infractions committed by candidates for admission to professional education. The Office of Licensure and Certification may also contact the Administrative Office of the Courts to obtain a criminal records check for each candidate for admissions to professional education.

H. Clinical Experiences
- CED 100 - Clinical I: Introduction to the Education Profession with a grade of “B” or higher
- CED 200 - Clinical II: Understanding the Learner with a grade of “B” or higher

Progressing in Professional Education
The Office of Teacher Education Services will process the formal “Application for Admission to Professional Education.” The Professional Education Admissions Committee (PEAC) will review applications, supporting documentation, and other relevant materials brought before the committee and will take appropriate action concerning the student’s admission to the professional education program. The candidate will be notified of the committee’s decision. Candidates shall not enroll in any educator preparation program courses restricted to admitted candidates.

Selectivity during Preparation
Professional education programs have established transition points for program progression and monitors candidates’ advancement from admissions through completion. During these transitions, candidates’ must show evidence of developing content knowledge, pedagogical content knowledge, pedagogical skills, and the integration of technology in each of these domains. [CAEP Standard 3]
a positive impact on the learning and development of all P-12 students. [CAEP Standard 2]

Clinical I: Introduction to the Education Profession
Clinical II: Understanding the Learner
Clinical III: Curriculum and Instructional Design
Clinical IV: Diagnosis and Prescription
Clinical V: Practicing Teaching
Clinical VI: The Professional Semester

CLINICAL PLACEMENT
The Professional Semester and Clinical Experiences
ekufieldplacement@eku.edu
ekustudentteaching@eku.edu
Bert Combs 423
(859) 622-1828

- The Office of Clinical Education receives and evaluates all applicants for the professional semester, determines appropriate professional disposition of the application, and provides continuous assessment of the applicant’s pre-teaching and teaching experiences during the professional semester.
- This Office recognizes that cultural diversity is a fact of American life and teachers function in a pluralistic cultural environment. Experience in multi-cultural settings provides valuable enrichment for the proper development of effective teachers. That philosophy will guide the candidate assignments.
- Candidates are discouraged from taking any other courses during the professional semester.
- Candidates of senior standing (90 hours or more with a minimum of 12 semester hours residence at EKU) may enroll in the professional semester if they have satisfied the following requirements:

Application for The Professional Semester
1. Applicants must be admitted to the professional education program prior to the application semester.
2. Applicants must file an application during the first four weeks of the semester prior to the term in which professional teaching is desired.
3. Applications filed will be evaluated and processed for approval or disapproval.

Evaluation of application will include in part:
1. The planned curriculum. Each candidate must have an active Degree Works plan which reflects any and all approved changes.
2. All prerequisites in professional education and pre-professional teaching semester curricula in the applicant’s area as prescribed by the Catalog, must be completed prior to the professional semester.
3. Recommendation made by the applicant’s advisor.
4. A record or report from a valid and current medical examination, which shall include a tuberculosis (TB) risk assessment.

5. Professional Code of Ethics, Character Fitness Declaration, and Professional Dispositions:
   - Candidates must review the Professional Code of Ethics for Kentucky School Certified Personnel established in 16 KAR 1:020 and sign a new COE Professional Code of Ethics for Kentucky Declaration form.
   - Candidates must review the character and fitness questionnaire contained in Section III of the TC-1 incorporated by reference in 16 KAR 2:010 and sign a new COE Professional Character and Fitness Declaration form. KRS 161.042 requires a state and national criminal records check as a condition for admission to student teaching. Applicants must process a criminal records check in the district in which student teaching will occur and submit a copy of the report to the Office of Teacher Education Services for approval* by the College of Education.
   - Candidates must demonstrate understanding of professional dispositions expected of professional educators. Candidates must review and sign a new COE Professional Dispositions Declaration form.

**“Approval” is a formal review process of the professional character and fitness declaration and criminal records report. Professional disposition issues or violations of the professional code of ethics will be referred to the Professional Education Admission Committee. Any misrepresentation of facts, by omission or addition, may result in the denial of admission to student teaching and revocation of admission to teacher education. Approval is required prior to entry in the professional teaching experience.

6. Behavior that relates to the moral, ethical, social, and personal standards of professional competency. The applicant’s comportment will be subject to review and appraisal by the department responsible for the professional semester recommendation and the College of Education.

7. Academic Requirements: Undergraduate degree students’ GPAs are based on the hours attempted as shown on the official EKU transcript. Post degree certification students’ GPAs are based on all undergraduate course work and on the hours attempted as shown on the official EKU transcript.
   - All programs: A cumulative grade point average of 2.75 on a 4.0 scale; or a grade point average of 3.0 on a 4.0 scale on the last thirty hours of credit completed. Instructional Technology: Candidates must complete EDF 204 with a grade of “C” or higher; candidates enrolled in a P-12 music education program will take MUS 384 with a grade of “C” or higher; Clinical Experiences: CED 100, 200, 300, 400, 450 with a grade of “B” or higher in each course.
   - Elementary and Middle Grade: Minimum 2.75 GPA with a grade of “C” or higher in courses in the “core and supporting course requirements,” area(s) of academic emphasis, “professional education requirements” (see program display for a list of courses), teaching minor(s), and certification endorsement(s).
   - Secondary: Minimum 2.75 GPA in teaching major(s), minor(s), area(s) of academic emphasis, and certification endorsement(s). See program area for specific course grade requirements; and a minimum 2.75 GPA with a grade of “C” or higher in courses in “professional education requirements” (see program display for a list of courses). A minimum of seventy-five percent of major and seventy-five percent of supporting course requirements must be completed prior to the professional semester. Individual program areas may require a higher percentage of credit hours completion prior to the professional semester.
   - Special Education: Minimum 2.75 GPA with a grade of “C” or higher in courses in the “major, core, and
option,” “elementary/middle grade and supporting course requirements,” area of academic emphasis, professional education requirements (see program display for a list of courses), teaching minor(s), and certification endorsement(s).

8. Candidates must submit satisfactory pre-service disposition reviews from their advisor and a designated methods instructor as part of the application process.

9. Candidates must submit satisfactory pre-service disposition reviews from one cooperating teacher and one university supervisor at the end of the professional semester experience.

10. Minimum of 200 hours of field experiences in a variety of Primary-12 school settings which allow the candidate to participate in the following:

A. Engagement with diverse populations of students which include (1) Students from a minimum of two different ethnic or cultural groups of which the candidate would not be considered a member; (2) students from different socioeconomic groups; (3) English language learners; (4) Students with disabilities; and (5) Students from across elementary, middle school, and secondary grade levels.

B. Observation in schools and related agencies, including but not limited to: Family Resource Centers or Youth Service Centers.

C. Student Tutoring.

D. Interaction with families of students.

E. Attendance at school board and school-based council meetings.

F. Participation in a school-based professional learning community.

G. Opportunities to assist teachers or other school professionals.

Clinical experience hours are submitted and performance evaluated during the term the candidate enrolls in a Co-op clinical course. In order to qualify for admission to the professional semester the candidate must demonstrate that they have met all clinical performance requirements as evidenced on performance-based assessments to demonstrate candidates’ development of the knowledge, skills, and professional dispositions that are associated with a positive impact on the learning and development of P-12 students.

11. Other requirements as found in the appropriate department presentation.

DEPARTMENT OF EDUCATIONAL LEADERSHIP & POLICY STUDIES

Chair
Dr. James Bliss
Associate Chair
Dr. Robert Biggin
(859) 622-1125
Bert Combs, Room 406

Faculty

To teach, to learn, to help others teach and learn.

The Department of Educational Leadership and Policy Studies offers degree and non-degree graduate programs. The department offers a doctoral degree (Ed.D.) in leadership and policy studies, a Master’s Degree, and a Specialist Degree. Certification programs include the principalship, supervisor, superintendent, and pupil personnel services. Through completion of the degree or certification programs, students may earn a change in their rank status.

DEPARTMENT OF COUNSELING AND EDUCATIONAL PSYCHOLOGY

Chair
Dr. Larry Sexton
(859) 622-1124
Bert Combs 417

Faculty

The Department of Counseling and Educational Psychology offers degree and non-degree graduate programs.

The Counseling and Educational Psychology unit offers graduate programs in school counseling and in mental health counseling. This unit also provides graduate instruction in the common core areas required of many Master’s degree programs in education and related fields, such as human development and learning, tests and measurement, and research. More complete information concerning the counseling programs can be reviewed by accessing the Counseling and Educational Psychology Department website at www.cel.eku.edu/cep/.

DEPARTMENT OF AMERICAN SIGN LANGUAGE & INTERPRETER EDUCATION

Chair
Dr. Laurence Hayes
(859) 622-4966
Wallace 216

Faculty

All students who are accepted by EKU’s Admissions Office and declare their major as Deaf Studies or as ASL and English Interpretation are admitted as “pre-Deaf Studies” or as “pre- Interpretation” majors. However, admission to the University as a “pre-Deaf Studies” or “pre-Interpretation major” does not guarantee admission to the Deaf Studies program or the ASL and
English interpretation program. Specific admission criteria for each program are explained below.

Transfers from Other colleges and Universities
Only the freshman and sophomore-level core courses [i.e. courses in ASL (ASL 101, 102, 201, and 202, 225, 210), and interpreting (ITP 215W, 220)] may be transferred from other colleges to satisfy requirements for majors or minors within the Department of ASL and Interpreter Education. Courses for which credit is to be transferred must be essentially equivalent to the courses offered at Eastern Kentucky University.

Admission to ASL and English Interpretation Program

Admission Criteria
- GPA of 2.5 or higher by end of semester preceding application.
- ASL 201, 202, and ITP 215W, 220 with a grade of “C” or higher and a GPA of 2.5 or higher for these four classes.
- Completed the Degrees of Reading Power Language Test, and
- Completed an admission interview by the ITP Interview Committee.

The ITP Interview Committee will select and rank applicants using the following criteria: 1) signing skills, (2) GPA, (3) score on the Degree of Reading Power Language Test, (4) interview score, (5) disposition score. The ITP Interview Committee will determine the number of students admitted to the program in order to maintain an appropriate student-faculty ratio and based on available resources.

Application Information
- Enrollment is limited.
- Application to the ITP does not guarantee acceptance.
- The ITP accepts students for the fall semester of all even years (i.e., 2014, 2016). Deadline for application is March 15th every even year.

Progression and Retention in the Program
- A grade of C or higher is required for all ITP and ASL courses with a 2.5 GPA in the major.
- Upon successful and timely completion of ITP 470 Pre-Practicum, a student will be permitted to take ITP 495 Practicum only with written recommendations from the ITP faculty and the department.

Admission to Deaf Studies Program

Admission Criteria
- ASL 201, 202, 210 with a grade of “B” or higher and
- ASL 225, ITP 215W, with a grade of “C” or higher

Program Goal
- The goal of the ASL and English Interpretation program is to provide a strong foundation for students entering the career of professional interpreting for the deaf and hard of hearing.

Program Objectives
- The goal of the ASL-English Interpretation Major is to prepare professional interpreters who are competent, ethical, and life-long learners. The objectives (or outcomes) of this program are:

  1. Students of the program will develop critical and creative thinking skills.
  2. Students of the program will develop competency in ASL and English.
  3. Students of the program will possess a generalist level of knowledge in professional issues, theories, and multicultural dynamics related to the interpreter profession.
  4. Students of the program will demonstrate ethical and culturally competent decision-making in various interpreter settings.
  5. Students of the program will demonstrate at least entry-level competency in interpreting between ASL and English.
  6. Students of the program will be able to critically assess their own work and use creative problem-solving to continually develop themselves after they leave the program.

Bachelor of Science (B.S.) ASL AND ENGLISH INTERPRETATION
CIP Code: 16.1603

UNIVERSITY GRADUATION REQUIREMENTS
- General Education (hours share with supporting courses)..................36 hours
- Student Success Seminar (EDO 100; waived for transfers with 30+ hrs.)...............................1 hour
- Wellness................................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - ASL and English Interpretation majors will fulfill ACCT with ITP 495. (Credit hours are incorporated into major requirements.)

Total Hours University Graduation Requirements........40 hours

MAJOR REQUIREMENTS

Core Courses
- ASL Requirements..........................27 hours
  ASL 101, 102, 201, 202, 210, 225 301, 302, 400(3).
- ITP Requirements..........................51 hours
  ITP 215 or 215W, 220, 310, 320, 325, 330, 390, 410, 420, 425, 430, 470, 480, 490, 495.

Supporting Course Requirements..........................3 hours
  ANT 120(5Element 5B), SED 337.
  If Course also satisfies a General Education element.
  Hours are included within the 36 hr. General Education requirement above.

Free Electives..................................6 hours

TOTAL HOURS TO COMPLETE DEGREE ........127 hours

Note: ASL 101 & 102 are major core courses and will not count toward Gen. Ed. Element 6. Therefore ASL & English Interpretation majors are expected to fulfill Element 6 with courses other than ASL 101 & 102.
Bachelor of Arts (B.A.)

**DEAF STUDIES**

CIP Code: 16.1699

The Deaf Studies program is a multidisciplinary program that provides students with a foundation in American Sign Language (ASL) skills, a broad understanding of Deaf people’s histories, literature, and cultures, as well as knowledge of educational and legal issues affecting Deaf people. It will expand students’ understanding of what it means to be human. The Deaf Studies program is designed to allow students to potentially complete a second major, or minor in another discipline therefore preparing them to specialize in service to Deaf people within their chosen discipline. The Deaf Studies degree does not prepare students to become professional interpreters, or ASL teachers upon graduation. The program may help prepare students to serve the diverse language and cultural needs of Deaf people in their chosen careers. These careers may include counselors, government specialists, community service coordinators/advocates, medical personnel, and law enforcement personnel. This program also prepares students for advanced study in Deaf studies, interpretation, Deaf history, ASL studies, and teaching ASL.

**Program Objectives**

Upon completion of this program the graduate will: 1) Communicate in American Sign Language beyond an intermediate level (as measured by the SLPI:ASL or ASLPI); 2) Demonstrate a broad knowledge of Deaf people’s histories and cultures; 3) Demonstrate critical thinking skills related to topics in Deaf Studies; 4) Demonstrate analytical and thematic awareness of Deaf arts and literature; 5) Describe the diversity within deaf communities; 6) Explain the history and dynamics of various forms of oppression; 7) Integrate knowledge of Deaf Studies with other disciplines of the students’ choosing.

**UNIVERSITY GRADUATION REQUIREMENTS**

- General Education (hours share with supporting courses) ............................................................36 hours
- Student Success Seminar (EDO 100; waived for transfers with 30+ hrs.) ..............................1 hour
- Wellness .................................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category) .................................4 hours
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories) .................................30 hours
- ACCT - Deaf Studies majors may fulfill ACCT with any of the following options, providing the selection is approved by the program in advance of enrollment/participation in the course or experience: a co-op or applied learning experience, a service-learning course, an undergraduate scholarly or creative activity, HON 420, a leadership experience, or study abroad. (Relevant credit hours will be incorporated into program requirements below.

Total Hours University Graduation Requirements.............40 hours

**MAJOR REQUIREMENTS**

Prior to graduation, students are required to attain a minimum rating of Intermediate Plus on the Sign Language Proficiency Interview (SLPI:ASL) or a minimum rating of 2.5 on the American Sign Language Proficiency Interview (ASLPI). Administrators of the SLPI: ASL or ASLPI may charge testing fees to students.

**Core Courses:**

- **ASL Core** .....................................................................................................................15 hours
  - ASL 201, 202, 210, 301, 302. *A grade of “B” or higher is required for all American Sign Language Core courses.*
  - **Deaf Studies Core** ..................................................................................................21 hours
  - ASL 225, 425; ITP 215 or 215W, 390; SED 538; 6 hrs selected from: ASL 400, 380, 385, ITP 350, 490, or SED 337. *A grade of “C” or higher is required for all Deaf Studies Core courses.*

**Free Electives** ..............................................................................................................44 hours

*(Students are encouraged to create a reasoned plan of free elective courses, such as selecting a second major or adding a minor.)*

**TOTAL HOURS TO COMPLETE DEGREE...............120 hours**

*Note: ASL 101 & 102 are not included as core courses for the Deaf Major. Therefore students who enter ASL 101 & 102, for the purpose of fulfilling General Education, and subsequently decide to declare the Deaf Studies major, may continue to use ASL 101 & 102 to fulfill Gen. Ed. Element 6.*

**Minor**

**AMERICAN SIGN LANGUAGE (ASL) STUDIES**

The minor in American Sign Language teaches communication competency in a visual language. Students become knowledgeable about aspects of the hard-of-hearing and deaf community. For careers working with the public, this minor is beneficial for understanding and communicating with the deaf and hard-of-hearing. This minor does not prepare students to interpret, nor fulfill the pre-admission and admission process for the ASL and English Interpretation Program.

*A grade of “C” or higher is required in each course for credit toward the minor. Students must attain a 2.75 GPA in the minor.*

**Required Courses** ........................................................................................................12 hours

- ASL 201 .........................................................................................................................3
- ASL 202 .........................................................................................................................3
- ASL 301 .........................................................................................................................3
- ASL 302 .........................................................................................................................3

**Electives (select one 200 level course, and one 300 or 400 level course)** ...........................................6 hours

- ASL 225, 425, ITP 215, 350, or SED 337

**Total Requirements** .................................................................................................18 hours

MAJOR REQUIREMENTS

Core Courses ................................................................ 28 hours
ELE 322(2), 361, 362, and 365(2); ELE 445 or 445W; ELE 446, 446W or 446S; ELE 492 or 492S; ELE 491, 493, and EMS 490.

Professional Education Requirements .................................... 28 hours
CED 100(5), 200(5), 300(5), 400(5), 450(1), 499(12), EDF 103(1), 203, 413, EMS 300W, and SED 402.

Supporting Course Requirements ...................................... 21 hours
EDF 204; EDF 219 or 219W; LIB 301; MAT 107 (Element 2) or higher; MAT 201, 202, and SED 104 (Element 6).

Multidisciplinary Content Supporting Courses
Social Science ................................................................ 6 hours
(Element A and B): ECO 120, 130, or 230; GEO 100 or 220, HIS 202 or HON 312W; POL 101.

English ...................................................................... 6 hours
(Element 3B): ENG 303; EME 552, or ENG 410; ENG 210, 210W, 211, 211W, 212, 212W, HON 306W or 308W.

Natural Sciences .......................................................... 3 hours
BIO 102 (Element 4); 3 hours (Element 4) from: CHE 100, GLY 102, or PHY 102; and one course from BIO 590, CHE 100, GLY 102, PHY 102, or WLD 317.

And 3 hours from one of the following areas .......... 3 hours
• Early Childhood Education: CDF 235.
• Social Studies: GEO 220, HIS 203, 204, 247, 300, 304, 305, 401, 516, POL 100, or 212.
• English: ENG 405, 510, 520 or any upper division literature.
• Mathematics: MAE 301, 305, MAT 303, STA 215, or STA 270.
• Arts/Humanities: Any FCC, ASL or other foreign language (Element 6); any class from ART, MUS, THE, or PHE 200 or 300.

= Course also satisfies a General Education element.

Hours are counted only within the 36 hr. General Education requirement above.

TOTAL HOURS TO COMPLETE DEGREE......126-129 hours

Candidates earning a degree that leads to teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (www.kypepsb.net/ AND www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams.

BACHELOR OF SCIENCE (B.S.)
MIDDLE GRADE EDUCATION (5-9)
TEACHING
CIP Code: 13.1203

Upon completion of a degree in Middle Grade Education, candidates will: 1) demonstrate the broad general background knowledge, dispositions, and skills necessary to function as a literate, informed, active citizen, and to serve as a model for middle level students; 2) demonstrate the pedagogical skills and content knowledge necessary to meet Kentucky’s Teacher Standards in middle level classrooms; 3) demonstrate the appropriate dispositions to effectively meet the diverse needs of middle level students found in public schools.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education.................................................. 36 hours
Middle Grade majors must meet General Knowledge for Professional Education requirements for math, arts, literature, history and science.

• Student Success Seminar (EDO 100 or HON 100; waived for transfers with 30+ hrs.)................................. 1 hour
• Wellness ................................................................ 3 hours

• Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
• ACCT — Middle Grade Education majors will fulfill ACCT
with CED 499. (Credit hours included in Professional Education requirements)

**Total Hours University Graduation Requirements ... 40 hours**

**MAJOR REQUIREMENTS**

Core Courses ...................................................... 12 hours  
EMG 445 or 445W; EMG 447, and six hours from 491, 492, 493, 494, or 494W.

Professional Education Requirements ............... 33 hours
3 hrs of Applied Field Experiences: CED 100 (0.5), 200 (0.5), 300 (0.5), 400 (0.5), and CED 450 (1); CED 499(12), EDF 103(1), and 203; EDF 219 or 219W, EDF 413, EMS 300W, 490, and SED 402.

Supporting Course Emphasis Requirements ....... 6 hours 
EDF 204, SED 104

Concentrations (Areas of Emphasis):

Students seeking middle grade (5-9) certification must select two areas of emphasis from: English and Communications, Mathematics, Science, Social Studies. Supporting courses which are also general education courses will have their credit hours count above in the 36 hr. Gen ed area.

**English and Communications** ....................... 18 hours
ENG 210, 210W, or HON 308W (Element 3B); ENG 211, 211W, 212, or 212W; ENG 303; ENG 350 or 351; ENG 410, and LIB 401; CMS 100 or HON 102/103 (Element 1C); three hours selected from ENG 405, 510, 520, or EME 551.

**Mathematics** ............................................. 21 hours
MAE 305; MAT 106 (Element 2), 201, 202, and 203; MAT 211 or 261; MAT 303, and STA 270.

- Candidates are advised to take EDF 204 prior to enrolling in MAE 305 unless they already possess skills comparable to those acquired in CSC 104.
- Candidates must have a Math ACT of 23 or higher or transfers with 30+ hours.

**Science** ..................................................... 18-20 hours
AST 130 or 135; BIO 102 (Element 4), and BIO 590; CHE 100 (Element 4), and GLY 102; GEO 115 or 315; PHY 102, and 3 to 5 hours selected from: AST 330, BIO 111(4), 112(4), 303, 318, 319, GLY 109, 304, 307, PHY 131(5), or WLD 317.

**Social Studies** ........................................... 18 hours
ECO 120, 130, 230, or 231 (Element 3B); GEO 100 or 220; HIS 202 (Element 5A); HIS 203, 303, 304, 305, 308, 401, 402, 403, 404, 405, 406, or 424; HIS 246; HIS 247, 320, 336, 339, 343, 344, 345, 363, 374, 383, or 385; POL 100 or 101; and 3 hours selected from ANT 120, 325, SOC 131, or SOC 345. Must take at least one HIS course at the 300 or 400 level. *(G = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above. Note that a max of 6 credit hours will count toward Element 4 or 5.)*

**Total Hours to Complete Degree....127-132 hours**

Candidates earning a degree that leads to teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams to be recommended for licensure in Kentucky. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (www.kyepsb.net/ AND www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams. For additional information, candidates may also contact the EPSB Division of Professional Learning and Assessment at (859) 564-5778 or (888) 598-7667 (toll free).

**Associate Degree in General Studies**

The Associate of General Studies degree provides students, especially adult learners, the opportunity to pursue a flexible degree program to meet their unique interests, career goals, and academic needs. Reflecting EKU’s commitment to a liberal arts education, the degree allows students to concentrate in an area of interest while selecting from a wide variety of courses to meet personal, educational, or career goals. This degree is designed for students for whom this will be their first college degree and who wish to advance in their careers, change careers, pursue a lifelong interest beyond their careers, or use the degree as a pathway to a baccalaureate degree. Students who are admitted as “Special Admittance/Conditional Admittance” (see page 10 of the Catalog), will be initially admitted into the Associate of General Studies degree program.

**UNIVERSITY GRADUATION REQUIREMENTS**

**General Education** ................................. 36 hours
Standard General Education program (Elements 1-6 inclusive, per Section Four of this Catalog). Students should refer to their DegreeWorks audit for General Education course selections.

**Student Success Seminar** (GSD 101 or GSO 102; waived for transfers with 30+ hours) ........................................ 3 hour

**Total Hours University Graduation Requirements....39 hours**

**MAJOR REQUIREMENTS**

- AGS students must earn a cumulative GPA of 2.0 on all work earned at EKU, as well as an overall GPA of 2.0 on combined transfer and EKU graded coursework.
- AGS students must earn at least 15 semester hours at EKU.
- AGS students will declare either a college of focus for their core courses or a departmental concentration prior to registration during the semester in which they register for their 45th hour.
- AGS students must complete an approved 12-hour emphasis with an overall 2.0 GPA within an individual college outside of the General Education requirement.

**Core Courses** ........................................... 12 hours
Coursed must be within an individual College and exclusive of general education requirements. The optional departmental concentration (see below) may be substituted for this area.

**Education Concentration** ............................. 13 hours
EDF 103, SED 104, EDF 203, EDF 204, and EDF 205

Students planning to apply for admission to the Teacher Education Program after completing the AGS degree should also Enroll in CMS 100 or 210, BIO 102 or PHY 102, and HIS 202. Students should confer with a College of Education Advisor to determine the required math course for each specific program.
Admission to Communication Disorders Program

Any student who is accepted by Eastern Kentucky University’s Admissions Office may declare their major as communication disorders (CD). The student will be assigned to a program advisor and will be classified as a “Pre-CD” major. However, a Pre-CD status does not guarantee admission into the CD undergraduate program. Pre-CD majors will be restricted to enrollment in the following major CDS courses: CDS 275 and 360. To apply for admission to the CD undergraduate program, students must meet the following minimum criteria: (1) at least 27 credit hours earned on 100-level courses or higher, (2) at least a 3.0 GPA on a 4.0 scale, (3) at least a 21 composite score on the ACT, and (4) pass a speech/language/hearing screening. Once admitted to the CD program, the student must earn a grade of “C” or higher in CDS 275 or equivalent transferred course before registering for any CDS courses in the major requirements. Transfer students do not have to be enrolled in university courses at the time of submitting an application for admission. The CD program admits 30 new undergraduate students each year. Applicants are ranked by the GPA x ACT composite score. The most qualified applicants are admitted. Application forms are available from Wallace 245 or visit the CD program website at cd.eku.edu. Completed applications and all required documentation must be submitted by February 14 to the CD Program Coordinator.

It should be noted that enrollment in the graduate program in Communication Disorders is also limited. Admission into the undergraduate program does not guarantee admission into the graduate program. Refer to the Graduate Catalog for information on admission to the graduate program.

Students must purchase professional liability insurance prior to enrollment in CDS 374, 474, and 541. Further, that insurance coverage must be maintained throughout enrollment in these courses.

UNIVERSITY GRADUATION REQUIREMENTS
• General Education ................................................36 hours
• Student Success Seminar (EDO 100; waived for transfers with 30+ hrs.) ...........................................1 hour
• Wellness .................................................................3 hours

College of Health Sciences

Dr. Debora Whitehouse, Dean Rowlett 204 (859) 622-1137
Dr. Judy Short, Interim Associate Dean, Rowlett 204 (859) 622-1137
Dr. Mike Ballard, Half Time Interim Associate Dean, Begley 421 (859) 622-1142

Mission Statement

The mission of the College of Health Sciences is to prepare outstanding health and human service professionals and leaders who are critical and creative thinkers and effective communicators.

Vision

The College of Health Sciences will be nationally recognized as a center for outstanding teaching, scholarship, service and educational outreach by actively shaping and improving the health and well being of individuals, families, and communities.

Core Values

The College adheres to the University Core Values set forth in the 2011-2015 Strategic Plan as follows:

- Excellence and innovation through intellectual rigor and academic excellence among faculty and students
- Dignity and diversity through culturally sensitive human services and care
- Civic responsibility and civility through community and professional service
- Opportunity and access through learner-focused services and outreach
- Collaboration through interdisciplinary and cooperative efforts among faculty, students and the community
- Ethical and professional responsibility

Goals

Academic Planning Group Strategic Directions:

EUK Goal 1: Maximize student success

CHS SD 1.1: The College of Health Sciences will provide nationally recognized, high quality, accredited, and approved programs as evidenced by our graduates meeting or exceeding national pass rates (or national pass rate means) on licensure exams, certifications, and standardized exam results. (EUK 1.2)

CHS SD 1.2: The College of Health Sciences will support and review faculty/student scholarly activities. (EUK 1.4)

CHS SD 1.3: All college departments will have a professional development plan. (EUK 1.4)

CHS SD 1.4: All college departments will assess teaching effectiveness and use the results to make improvements. (EUK 1.4)

CHS SD 1.5: All college departments will assess advising effectiveness, either through the advising survey or tool of their choosing, and then use the results to improve advising within the department. (EUK 1.4)

EUK Goal 2: Build and sustain the University’s capacity for excellence

CHS SD 2.1: The Administrative Council for the College of Health Sciences will annually examine measures related to our financial effectiveness to include: workload, class size, programs, and faculty and staff issues. (EUK 2.1)

CHS SD 2.2: The College of Health Sciences will increase access to selected high-quality programs, both online and at regional campuses. (EUK 2.3)

EUK Goal 3: Create and maintain an inclusive, equitable, and diverse environment

CHS SD 3.1: The College of Health Sciences will demonstrate commitment to diversity through inclusive program curriculum and learning opportunities incorporating multicultural experiences. (EUK 3.2)

EUK Goal 4: Collaborate with the University’s regional community partners to promote academic achievement, economic development, and quality of life.

CHS SD 4.1: The College of Health Sciences will continue and enhance quality collaborations with regional partners such as the Bluegrass Community Health Center, Service Learning Projects, Fieldwork, Clinicals and Collaborative Research opportunities. (EUK 4.2)

Admission Requirements for College

The College of Health Sciences accepts applications from all persons who are qualified for admission to the University. All applicants must provide evidence of their ability to meet the academic standards established by the various programs. Due to enrollment limitations of some programs, applications should be made early. Applications received after the deadline of a program will be processed and admissions recommended on a space available basis. Specific entrance requirements for each program are shown in the departmental sections of this Catalog.
ADMISSION POLICIES

1. Students must meet requirements and be admitted by the University before being considered for enrollment in programs within the College of Health Sciences. Specific admission criteria are provided under each of the Health Sciences programs. The student is responsible for obtaining information for the application process including department deadlines.

2. Transfer work must be from an accredited institution and with a minimum grade of “C” in major and supporting courses. The applicant must be eligible to return to the last institution attended.

3. Work taken more than eight years previously must be approved by the Dean of the College.

4. In the event that a student is not accepted for a program, the student who wishes to reapply must submit a new application and related materials that will be considered when a new class is accepted.

Students desiring to complete collegiate work required for admission to professional programs may complete this work at any accredited college or university. Students are urged to carefully plan their course of study to include the disciplines and subject areas described in the individual programs and the college advisor.

Students who have not reached a decision on a specific health science major may obtain counseling/guidance from individual program directors in the College of Health Sciences.

The programs in the College of Health Sciences are designed to prepare graduates for practice in health and human services professions. Most require licensure and/or certification after graduation and prior to practice. A criminal record (excluding minor traffic violations) may make a person ineligible for licensure or certification in these professions. Students with such a history should contact the licensing or certifying body prior to enrollment to determine whether this might be the case.

Placement in certain clinical sites, particularly those that involve practice with children, requires a background check by the Kentucky State Police to determine whether the student has a criminal history that would prevent their participation in that clinical experience.

READEMISSION POLICIES

After being admission to one of the programs in the College, students who withdraw or who are dismissed due to failure of one or more courses must submit application for readmission according to the guidelines for the specific program. Readmission to the program is not guaranteed to any student.

READEMISSION APPEAL PROCESS

The student who has been denied admission may appeal the decision following these guidelines:

1) Notify the chair of the program’s readmission committee of the desire to appeal the decision and to provide additional pertinent information to support the appeal. The committee chair will schedule a time for the student to appear before the committee to present the appeal. A student who has agreed to a time for a meeting of the departmental readmission committee and who does not appear at that meeting may forfeit the right to present evidence beyond that furnished in the original application for readmission.

2) The student will be notified within five working days of the committee’s decision.

3) If the student is not satisfied with the decision, the student shall schedule an appointment to present the appeal to the Department Chair. The student will be notified within five working days of the Department Chair’s decision.

4) If the student is not satisfied with the decision of the Department Chair, the student shall submit a written appeal to the Dean of the College of Health Sciences. If the Dean determines there are extenuating circumstances surrounding the student’s request for readmission and/or if the procedure for readmission has not been followed, a meeting of the College’s Readmission Committee will be scheduled. A time will be appointed for the student to appear before the committee to present the appeal. A student who has agreed to a time for a meeting of the College Readmission Committee and who does not appear at that meeting may forfeit the right to present evidence beyond that furnished in the original application for readmission.

5) Decisions of the College Readmission Committee are binding. The student will be notified of the decision within five working days.

STUDENT AGREEMENT STATEMENT

Programs in the College of Health Sciences may require a student to sign an agreement statement that encompasses professional expectations related to the program. This statement is to be signed when the student enters courses in the major.

STUDENT LIABILITY (MALPRACTICE) INSURANCE

All students whose programs require participation in clinical learning experiences must purchase and maintain liability insurance through the University during the entire clinical experience. Proof of such insurance coverage must be furnished to the department before the clinical experience is scheduled to begin. The University has arranged for appropriate insurance coverage at a modest cost to the student. Further information may be obtained at the student’s major departmental office.

CLINICAL FACILITIES

The University maintains formal contracts with many health care Human Services and Educational agencies located throughout Kentucky and the southeastern United States. Almost every specialty within the entire health care spectrum is available for use in providing high quality experiences for students enrolled in the programs. A list of cooperating agencies is available through the Office of the Dean.

The University is not liable for, nor is there a fund from which payment can be made for those who are inconvenienced or incur expenses based upon canceled classes, assignments, or clinical placements, etc.

BLOODBORNE PATHOGENS AND HEPATITIS B STATEMENT

The College of Health Sciences attempts to impart the principles and practice of infection control to its students who may have future occupational exposure to bloodborne pathogens. To this end, students majoring in athletic training, medical laboratory science and technology, nursing, and occupational therapy are required to receive education in universal precautions and the Occupational Safety and Health Administration’s (OSHA) Bloodborne Pathogens Standard Regulations. Students will be responsible for obtaining the Hepatitis B vaccination before participation in the clinical training phase of their respective programs when indicated. Students who may potentially be exposed to blood and body fluids are required by most of our clinical agencies to have obtained the Hepatitis B vaccine. If this requirement is placed upon the student, it will be strictly enforced. Please see the departmental student handbook for further clarification.

DEGREE REQUIREMENTS

The students are responsible for selection and registration for courses needed for reasonable progress toward their degree or certificate that will enable the students to satisfy requirements for graduation.

General University requirements described in Section Four of this Catalog, and specific course requirements set forth in the description of curricula, must be met by students completing associate and baccalaureate programs administered by the College of Health Sciences. See programs under each department for major and minor requirements. All first-year students in the College of Health Sciences must enroll in the Student Success Seminar (HSO 100).

Besides the general University requirements, specific degree requirements for the College of Health Sciences are as follows.

Baccalaureate Degree
1. A minimum grade of “C” in each ATR, CDF, EHS, FCS, FRM, MLS, NFA, OTS, PHE, REC course and selected CHS courses is required.
2. Students pursuing a baccalaureate degree in any health sciences major shall be allowed to declare a minor or a second major outside the College of Health Sciences. Any student who chooses to pursue a minor or second major must have as their primary advisor a faculty member from the College of Health Sciences.

Associate Degree
1. A minimum grade of “C” in each CDF, MLT course and selected CHS courses is required.
2. A minimum of 15 hours in courses approved for general education is required for all associate degree programs. These hours include ENG 101 and 102, or their equivalent. The nine additional hours must include approved one course in each of the following categories: Element 3A, 3B, 3A/B (Arts and Humanities); 4 (Natural Sciences); and 2, 5A, 5B
The Health Sciences Learning Resource Center is a multi-media library, study, and computer center for the College of Health Sciences. It provides support to the instructional needs of the faculty through multi-media resources, equipment, and other services. The primary purpose of the Center is to provide the student the opportunity to reinforce previous learning of clinical/classroom content through independent review of multi-media materials and computer-aided instructional software.

Students also have access to other resources such as anatomical models and charts, interactive video resources, professional articles, e-mail, the internet, literature searches, bibliographic manager, epidemiology mapping courseware and word processing. The Learning Resource Center is located in the Rowlett Building, Room 310.
admitted to the University. Applications for the Associate Degree Nursing program are available through the department office or online at www.adn.eku.edu.

Applicants are eligible to be considered for admission who have:

1. Met University requirements for proficiency in English, reading and mathematics.
2. Met the Pre-College Curriculum requirements.
3. A high school or college (cumulative and EKU) GPA of 2.5 on a 4.0 scale.
4. Grades of “C” or better in any supporting courses that have been completed.
5. Completed the Nursing Assessment (A2) exam with a minimum score of 75 in specified areas of Reading, Vocabulary, Grammar and Math. Students may contact the nursing office to schedule the Assessment Exam.
6. In addition to the academic criteria required for admission, applicants must meet the standards written into the Commonwealth of Kentucky Nurse Practice Act. Specifically, the Nurse Practice Act requires that each student be of good moral and ethical character, good mental and physical health, and be academically qualified to fulfill the role and responsibilities of a person licensed to practice as a professional nurse.

Applications are considered for the fall semester (received by March 1) and for the spring semester (received by October 1). Applications received after the deadline will be processed on a space availability basis. The Department Admissions Committee will evaluate each applicant’s academic history and select those applicants who are the most academically qualified. Should there be more qualified applicants than spaces available, admission becomes competitive and applicants will be ranked according to the admission scoring rubric found on the department’s website. Admission to the program is limited and completion of eligibility criteria does not ensure admission into the program.

Students Transferring from Another Nursing Program
Transfer students must meet the following criteria in addition to admission criteria of Eastern Kentucky University and the Department of Associate Degree Nursing:

1. The nursing credits transferred must be comparable to Department nursing credits for a maximum of 16 semester hours credit.
2. A complete course outline must be submitted for each nursing course being evaluated for transfer credit.
3. Transfer credits must meet passing standards of the nursing program from which they are transferred.
4. Transfer credits must be from a nationally accredited program.

Each transfer student’s application will be evaluated on an individual basis by the Department Chair and the Department Admissions Committee.

Progression in the Program
In order for students to follow the established progression of the program sequence, they must:

1. Meet all prerequisites.
2. Maintain a cumulative and EKU GPA of 2.0 on a 4.0 scale.
3. Complete all major courses and supporting courses with a “C” or better.

Clinical Requirements
Transportation to all clinical experiences is the responsibility of the student. Students are expected to adhere to all Department and clinical agency policies and must meet all clinical agency placement requirements.

Before a student can progress to a clinical experience the following requirements must be met:

1. Proof of professional liability insurance purchased through the University.
2. Proof of CPR for the Health Care Professional.
3. Proof of Rubella, Rubeola, and Mumps immunity.
4. Proof of Hepatitis B immunity.
5. Proof of negative TB skin test or chest X-ray.
6. Proof of Varicella immunity.
7. Documentation of adult Tdap vaccine (Tetanus, Diptheria, Acellular Pertussis)
8. Documentation of annual influenza vaccine.
9. Documentation of the CHS-approved Criminal Background Check.
10. Other documentation as required by specific clinical facilities, i.e. Drug Screening.

Readmission Policies and Procedures
A student who fails to progress in the nursing curriculum is dismissed from the program and must apply and be processed through the Admissions/Progression Committee. This committee represents the Department of Associate Degree Nursing and has the authority in readmission decisions for the department.

Readmission to a nursing course is not guaranteed to any student. The student is advised to refer to the Department Student Handbook for specific procedures concerning readmission.

Faculty

The nursing program leads to a baccalaureate degree. General education in the sciences and liberal arts provides the basis for and is correlated with the major in nursing. The collegiate program is devoted to a combination of physical, biological and social sciences, and humanities as deemed essential to the preparation of the professional nurse. The nursing component is composed of instruction in nursing theory and the application of nursing theory in the clinical setting under the guidance of nursing faculty. Thus, nursing is learned through a combination of formal classroom instruction and supervised experiences in hospitals, clinical agencies, and a variety of community settings. The nursing program prepares the individual to function as a generalist and lays the foundation for graduate study in clinical specialties, research, teaching, supervision, and/or administration. Graduates of the program earn a baccalaureate degree in nursing (BSN) and are eligible to make application to the national licensure examination (NCLEX). Graduates of the program who successfully write the NCLEX examination are licensed to practice as registered nurses.

The baccalaureate nursing program is based upon the belief that preparation for professional nursing encompasses a broad liberal, general, and professional education. The mission of the department is congruent with the mission of the college and university; to promote student success by providing high quality, accessible learning opportunities which encourage students to act independently, to think critically, to communicate effectively, and to practice professional or advanced levels of nursing with integrity, enlightenment and creativity; and to collaborate with regional partners to promote health.

Professional Nursing Practice Outcomes

Upon completion of the baccalaureate nursing program the BSN graduate:

1. Treats patients as holistic, unique and self-directive with the right to make decisions for themselves concerning health matters.
2. Uses the nursing process to provide, manage, and evaluate culturally competent primary, secondary, and tertiary prevention for diverse clients across the life span in a variety of settings.
3. Uses evidence-based nursing practice, critical thinking, research methodologies, informatics, and healthcare technology to provide therapeutic interventions, predict outcomes, and influence the delivery of health care.
4. Assumes a leadership role in health care by communicating and collaborating with patients, health care professionals, and health care systems.
5. Supports safe, quality, responsible, and economic interdisciplinary health care as a consumer and sociopolitical advocate within multiple health care systems.
6. Promotes the ethical and legal practice of professional nursing.
7. Demonstrates self-care, professionalism, accountability, and competence in nursing practice, with a commitment to advancing the profession of nursing.

Admission and Progression Requirements

All students who are accepted by EKU’s Admissions Office and declare their major as baccalaureate nursing (four-year nursing) are admitted to the University as pre-baccalaureate nursing majors. However, admission to the freshman year does not guarantee admission to the laboratory nursing courses. Students seeking to enter NSC 232, 242, and 252 in the third semester of the curriculum must meet minimum program GPA requirements of 2.5 and have department chair approval. Spaces in these courses are limited and are reserved for students whose academic record indicates they are more likely to be eligible to be considered for and admitted to the clinical nursing courses. To be eligible to be considered for admission to the clinical nursing courses, students must have completed the first three semesters of college work as outlined in the curriculum plan and have submitted a complete department application. All prerequisite courses must be completed with a grade of “C”/2.0 or better; and a minimum cumulative GPA of 2.5 on a 4.0 scale must be obtained. For the prelicensure nursing program, [Nursing Pre-RN (B.S.N.)], some prerequisite courses (BIO 171, BIO 273/MLT 209, BIO 301, CHE 105, NFA 201, NSC 232, NSC 242, and NSC 252) must have been taken within five years prior to the time application is made for admission to the clinical nursing courses unless an exception has been approved by the department. For the prelicensure Nursing (B.S.N.) Second Degree Concentration, the courses in BIO 171, BIO 273/MLT 209, BIO 301, and NFA 201 must have been taken within five years prior to the time application is made for admission to the option unless an exception has been approved by the department. Completion of eligibility criteria does not guarantee admission to the clinical nursing courses. Admission to the clinical courses is competitive and based on review of the applicants’ academic history by the Baccalaureate Nursing Admission/Readmission Committee. Spaces are limited and the most qualified applicants will be selected for admission.

In addition to the academic criteria required for admission, the student must meet the standards written into the Commonwealth of Kentucky Nurse Practice Act. Specifically, the Nurse Practice Act requires that each student be of good moral and ethical character, good mental and physical health, and be academically qualified to fulfill the role and responsibilities of a person licensed to practice as a professional nurse. Students must meet all clinical agency placement requirements.

For progression, students must earn a grade of “C”/2.0 or better in all nursing and supporting courses. Students who fail to meet the requirements for progression must apply for readmission through the Baccalaureate Admission/Readmission Committee. Readmission to a nursing course is not guaranteed to any student. Please refer to the Baccalaureate Nursing Student Handbook for specific information on readmission procedures. The program reserves the right to alter the suggested plan as necessary to enhance a quality educational program. Students interested in entering graduate study may apply to the Graduate School.

234 2014-2015 EKU UNDERGRADUATE CATALOG
For additional admission information please refer to the Selection Criteria at http://www.bsn-gn.eku.edu/bsn.

Transfers from Other Colleges and Universities
Academic credits earned at other accredited colleges or universities are transferable upon approval of the appropriate department at Eastern Kentucky University. Official transcripts are to be submitted by the student to the Office of the Registrar. Credits more than eight years old must be approved.

Transfer students must submit copies of all transcripts along with their application to the program. These transcripts will be considered a part of the application process and are necessary to determine admission and placement.

Students wishing to transfer nursing courses from another accredited institution must have a grade equivalent of “C”/2.0 or better in any nursing course to be transferred. In addition, the applicant must submit complete course outlines and/or syllabi. This material should be submitted well in advance of expected matriculation to provide time for necessary evaluation.

Specific Degree Requirements for Bachelor of Science in Nursing Degree
In addition to the general requirements for the baccalaureate degree, students must earn a grade of “C”/2.0 or better in all nursing and supporting courses.

Bachelor of Science in Nursing (B.S.N.)

PRE-RN NURSING

CIP Code: 51.3801

University Graduation Requirements
- General Education .................................................36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.) .............................................1 hour
- Wellness (NFA 201; hours will share with supporting) ....................................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Nursing Pre-RN majors will select: NSC 492 (Credit hours are incorporated into Major requirements)

Total Hours University Graduation Requirements........40 hours

Major Requirements
Core Courses .............................................................67 hours

Supporting Course Requirements .................................13-14 hours
BIO 171, BIO 273(4) or MLT 209, BIO 301, CHE 105/105L(=Element 4), MAT 105 or higher level math course with a minimum grade of C (=Element 2), NFA 201(Wellness), STA 215 or 270; PSY 200(=Element 5) or 200W(=Element 5).
(*) = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

Total Hours to Complete Degree................................120-121 hours

Plan for Registered Nurses (RN-BSN-MSN)
The Department of Baccalaureate and Graduate Nursing offers the opportunity for registered nurses to earn both the baccalaureate and masters degree in nursing. Admission requirements include an Associate Degree in Nursing (or 3 year diploma program), and a free and unrestricted R.N. license in Kentucky (or recognized compact state) with no Kentucky Board of Nursing imposed restrictions on practice, voluntary or otherwise. Students who are interested in continuing in the M.S.N. program after completion of the B.S.N. should take the Graduate Record Examination or Miller Analogies Test and make application for graduate studies during the senior year. Students must complete the B.S.N. and be admitted to graduate studies to continue into the M.S.N. program.

Bachelor of Science in Nursing (B.S.N.)
Nursing

R.N. to B.S.N. Option

Plan for B.S.N. Second Degree Concentration
The Department of Baccalaureate and Graduate Nursing offers students who already hold a non-nursing bachelor’s degree from a regionally accredited institution the opportunity to complete the Bachelor of Science in Nursing degree in a specially sequenced progression plan for second-degree students. Second degree students must have completed supporting course requirements (BIO 171, 273 or MLT 209, BIO 301, NFA 201, and STA 215 or approved substitutions) prior to admission to the Second Degree Concentration nursing major. Students with a non-nursing bachelor’s degree who apply for admission are admitted as pre-nursing second bachelor’s degree majors. Admission as a pre-nursing second bachelor’s degree student does not guarantee admission to the B.S.N. Second Degree Concentration major. Classes are admitted one time per year. Spaces are limited and admission is competitive and based on a review of all required...
material submitted with the application packet and the entire academic history.

For additional admission information please refer to the Selection Criteria at: http://www.bsn-gn.eku.edu/bsn

DEPARTMENT OF MEDICAL LABORATORY SCIENCE

Interim Chair
Dr. Carolyn Harvey
(859) 622-3078
Dizney 220

Faculty
P. Campbell, I. El-Amouri, S. Noblitt and P. Wynd.

Medical Laboratory Science (MLS) Program
All students who are admitted to the University by the EKU Admissions Office and declare their major as medical laboratory science (MLS) are assigned pre-MLS major status. Admission to the upper-division MLS program requires an overall grade point average (GPA) of 2.5 with a grade of “C”/2.0 or better in each of the required supporting courses. Transfer students must maintain a GPA of 2.5 in courses at EKU as well as an overall GPA of 2.5 for admission to the upper division program.

Students who meet the upper division program requirements will be accepted within the enrollment limits determined by the number of practicum openings. The department reserves the right to accept only the best qualified applicants who meet the upper division program requirements.

Progression Policy
The Department of Medical Laboratory Science limits the number of major courses which may be repeated. Students are allowed only one repeat per major course and a total of not more than two repeats in all major courses combined. In addition, a supporting course may usually be repeated only once.

To remain in the upper division MLS program, a student must maintain an overall GPA of 2.5 with a grade “C”/2.0 or better in each of the supporting and major courses of the curriculum.

DEPARTMENT OF
ENVIRONMENTAL HEALTH
SCIENCE

Interim Chair
Dr. Carolyn Harvey
(859) 622-3078
Dizney 220

Faculty
D. Barnett, J. Beck, G. Brown, C. Harvey, W. Johnson, J. Marion, S. Pressley and P. Rosile

The Environmental Health Science program offers the Bachelor of Science degree. Established in the early 1970’s, the program is currently the state’s only accredited program and one of only 30 such programs in the United States accredited by the National Environmental Health Science and Protection Council. The program includes extensive study of the physical, chemical and biological threats to human health and focuses on both engineered barriers and behavioral changes required for protecting and enhancing human health. The program includes general education and support courses in biology, chemistry, and mathematics, plus a variety of environmental health courses dealing with air quality, water quality, wastewater disposal and treatment, hazardous and solid waste management, risk assessment and epidemiology, industrial hygiene, control of disease vectors, food hygiene, radiological health, environmental health program planning and law, and toxicology. During upper division study, the student must complete six credit hours of supervised field experience with appropriate agencies, industries, consulting companies, etc. Also, cooperative education opportunities are available to all students who may wish to gain experience in addition to credit hours.

Eastern Kentucky University’s Environmental Health Science graduates are qualified for positions with federal, state, and local government departments of environmental health, as well as public health protection agencies such as the United States Public Health Service, the Environmental Protection Agency, Food and Drug Administration, Department of Energy, and Occupational Safety and Health Administration. Graduates are also qualified for employment in private industry and environmental consulting firms. This work may include quality control, industrial hygiene and safety, loss control and risk assessment, or many other facets of environmental health consultation. The demand for qualified environmental health practitioners is currently high and exceeds the number of graduates from accredited programs and projected to increase over the next decade.

Progression Criteria
A student majoring or minoring in environmental health science must achieve a grade of “C”/2.0 or better in all EHS and supporting courses.

Baccalaureate Degree

BACHELOR OF SCIENCE (B.S.)
ENVIRONMENTAL HEALTH SCIENCE

TOTAL HOURS TO COMPLETE DEGREE ........120 hours

*A minimum score of 22 on the mathematics portion of the ACT or 530 on the mathematics portion of the SAT.

**If the student plans on entering graduate school upon receiving the baccalaureate degree in Environmental Health Science, PHY 131 may be required by some Universities. MAT 108 is a pre-requisite for PHY 131.

Minor

MINOR IN ENVIRONMENTAL HEALTH SCIENCE

A student may minor in environmental health science by completing, with a grade of “C” or better, EHS 280, 330, 380, and an additional nine hours selected from EHS courses with advisor approval for a minimum of 18 hours.

DEPARTMENT OF EXERCISE AND
SPORT SCIENCE

Chair
Dr. Jack Rutherford
(859) 622-1887
Moberly 231

Faculty
The Department of Exercise and Sport Science offers Bachelor of Sciences degrees in Athletic Training, Sport Management, and Physical Education with three program options: General, Teaching P-12, and Fitness and Wellness Management. The department also offers a Minor in Dance (non-teaching), a Minor in Physical Education (non-teaching), and a Minor in Coaching (non-teaching).

Students who transfer from another college or university must earn a minimum of 12 hours at EKU in their major. Students who transfer from another college or university must earn a minimum of six hours at EKU in their minor.

Pre-Athletic Training

Students who want to apply for admission to the professional program in Athletic Training should enroll as a pre-athletic training student within the Department of Exercise and Sport Science in the fall of the freshman (or first) year at Eastern Kentucky University. Students may make formal application for admission to the Athletic Training (AT) Program after successful completion of the pre-athletic training requirements.

Students are expected to complete the pre-athletic training program requirements during the first two semesters on campus and formally apply for admission during the spring semester of the freshman year. Transfer students with 24 or more transferring credit hours (100 level or higher) who meet the admission requirements may apply for admission into the AT Program at the time they are accepted to the University. The number of admissions annually is limited and completion of the pre-athletic training requirements does not automatically ensure acceptance into the AT Program. Should the number of qualified applicants exceed the number of clinical spaces available, the procedure for determining which students are accepted is described on the AT Program website in the application packet.

Athletic Training

The Athletic Training Program (AT) at Eastern Kentucky University is currently accredited by the Commission on Accreditation of Athletic Training Education (CAATE). The program utilizes a continuum of didactic and clinical experiences, as set forth in the CAATE Standards and Guidelines for the Athletic Trainer, to prepare the student as an entry-level Athletic Trainer. Upon successful completion of the program, the student will have the knowledge base and clinical skills required for challenging the Board of Certification Examination.

The professional phase of the Athletic Training Major consists of six semesters of academic course work and clinical practicum courses. Clinical practicum experiences will occur within the University’s NCAA Division I-A (Football Division I-AA) athletics program, area high schools, area and regional universities/colleges, sports medicine clinics, and other off-campus general medical and clinic rotation sites affiliated with and selected by the AT Program. Transportation to all off campus clinical sites, as well as any specific requirements of the clinical site (e.g. immunizations, uniforms, etc.) is the responsibility of the student. All students accepted into the professional program must show proof of current health provider CPR certification and first aid or EMT-B and professional liability insurance annually. Students are required to be involved in professional athletic training organizations at the local, state, and national level. All of these requirements are explained further in the Athletic Training Student Handbook, which is provided to all prospective students and reviewed during ATR 100 by the AT Faculty as part of the course. This handbook is available from the program director upon request as well as on the website.

Curriculum requirements, including admissions requirements, may change as needed to comply with current accreditation, college, and/or university standards. Students seeking admission or admitted to the program are advised to keep themselves adequately informed of changes in order to complete requirements in a timely manner. Information on curricular changes will be announced in advance by the Department, and will be published in Department publications and/or the Athletic Training Student Handbook or AT Program website. These may be obtained from the Program Director.

All AT Program requirements, including course and clinical requirements, admissions, retention, and graduation requirements may change as needed to comply with current accreditation, college, and/or university standards. Students seeking admission to the AT Program are advised to keep themselves adequately informed of revisions in order to complete requirements in a timely manner. Information pertaining to revisions in the AT Program will be announced in advance by the AT Program Director and will be published in the Athletic Training Student Handbook and on the Athletic Training website. The AT Student Handbook may be obtained from the Director of the AT Program or found in the Student Handbook. For additional information regarding the AT Program application process, admissions, retention, graduation criteria, the transfer policy, clinical education guidelines and policies, or information on scholarship opportunities for students matriculating through the program, please refer to the AT Program website at www.athletictraining.eku.edu.

Admission Requirements and Procedures

Admission to the AT Program at Eastern Kentucky University is competitive and should not be confused with admission to the University, College, or Department. The program requirements that must be met prior to application are as follows:

1. Must have earned a minimum of 24 semester hours (100 level or higher) prior to acceptance.
2. Must have a minimum cumulative GPA of 2.5 on a 4.0 scale.
3. Successful completion (minimum grade of “C” of the pre-athletic training program courses: ATR 100, 225, BIO 171, have current CPR-PR and First Aid certification, and PHE 180 & 212.
4. Any developmental course requirements must have been completed at the time of application. For transfer students, any University developmental course requirements determined after admission must have been completed prior to admission into the AT Program. Additional information on transfer student policy is posted on the AT Program website.
5. Documentation of ability to successfully meet the Technical Standards of the AT Program and provide evidence of a completed AT Program physical examination and evidence of immunization/vaccination as outlined in the AT Program application packet found on the AT website.

Students are required to complete and submit the application form and other application materials for the AT Program during the spring semester. Application materials are available online on the AT program website.
Program Admission Impaction

Should the number of qualified applicants exceed the number of clinical placements available in the professional AT program, the candidates will be ranked via the admission scoring rubric found in the Athletic Training Program application packet on the AT Program website and admitted to the AT program in rank order of score according to the rubric.

Progression and Retention in the Athletic Training Program

After admission to the AT Program, students will be evaluated, both academically and clinically, each semester. Students must have satisfactory academic and clinical practicum evaluations (2.5 cumulative GPA, with a “C” or higher in all major and supporting courses, including a “B” or higher in all practicum courses) to progress to the subsequent level of the program. If evaluations or grades are unsatisfactory, the student will be placed on academic probation and given one semester to improve in these areas to a satisfactory level. Two successive unsatisfactory semester evaluations or two semesters below a 2.5 GPA will result in dismissal of the student from the program. Students must provide evidence of CPR-PR and First Aid or EMT-B Certification annually while in the professional program.

Sport Management

The major in Sport Management prepares the student for administrative careers in recreational and competitive sports programs, fitness centers, and other sport-related organizations. The complexities and challenges of sports require a well-prepared professional with qualifications in sports programming, supervision, management, facility planning, promotions, and purchasing.

The Sport Management major provides a quality educational experience that will prepare the student for a career in the rapidly changing arena of sport. The students receive cutting-edge instruction in a practice major of study that culminates in an internship experience that gives the student the “hands-on” experience necessary to secure employment within the industry. The internship is offered cooperatively with a variety of sport organizations, including professional sports teams, college athletic departments, and community organizations.

Students majoring in Sport Management are strongly encouraged to also declare a minor in Business and take the additional nine hours required for the minor.

Baccalaureate Degrees

COLLEGE OF HEALTH SCIENCES

This minor offers students a chance to expand their knowledge of dance and improve their dance skills while in college. Students may also be able to use this knowledge within many job fields such as nursing, physical therapy, psychology, wellness, health education and recreation just to name a few. The electives allow a student to tailor the program to their own needs.

Minor Requirements..................................................20 hours
PHE 200, 300*, 345(2), and PHE 250(1)/350(1)/450(1)
Modern Dance I, II, III (min 3, max 6) and six-nine hours electives from the following: PHE 214(1), 230(1), 271(1), 314(1), 330(1), 355(1), 418, 435, 471, or KHP 396 (at UK).

*PHE 300 must be completed prior to the University of KY’s KHP 396.

MINOR IN DANCE CERTIFICATION (TEACHING)

The Dance Certification Minor*** is designed for students who are already in a Teacher Education Program as a chance to add a Dance Certification to their degree. With an additional 23 hours, students will gain the knowledge necessary to effectively teach the Dance Core Content and Program of Studies in the schools as mandated by the state of KY and tested by the CATS exams. Teachers will find that they will be able to dance to teach concepts in other core content areas or to teach dance for its own value. Since the state of KY has few trained dance specialists, this certification will be an asset to those graduates seeking a teaching job. To be recommended for certification at the completion of the program, candidates must be eligible for initial teaching certification prior to making application for the dance restricted base certificate. An overall program GPA of 2.5 or higher is required for certification.

Minor Requirements..................................................23 hours
PHE 200, 250(1), 300* with a grade of “C” or higher, 345(2), 355(1), 471**, 418, KHP 396* (taken at University of Kentucky); 3 hours from skills courses PHE 390 (dance classes), PHE 214(1), 230(1), 271(1), 314(1), 330(1), 350(1), or 450(1).

*PHE 300 and two hours of skills courses must be completed prior to enrolling in KHP 396.

**Must have PHE 300 and KHP 396 before enrolling in PHE 471.

***Must meet College of Education Teacher Education Program requirements.

MINOR IN PHYSICAL EDUCATION (NON-TEACHING)

Minor Requirements..................................................18 hours
Six hours from PHE 201, 212, 301, 315, 320, 325, 407, 423, 467, 562, 575; and six hours skill courses from the following: PHE 220(2), 224, 241(1), 250(1), 300, 305, 306, 340, 345(2), 365(2), 435, 450(1); three hours approved by the department chair.

Teachers will find that they will be able to dance to teach concepts in other core content areas or to teach dance for its own value. Since the state of KY has few trained dance specialists, this certification will be an asset to those graduates seeking a teaching job. To be recommended for certification at the completion of the program, candidates must be eligible for initial teaching certification prior to making application for the dance restricted base certificate. An overall program GPA of 2.5 or higher is required for certification.

Minor Requirements..............................................23 hours
PHE 200, 250(1), 300* with a grade of “C” or higher, 345(2), 355(1), 471**, 418, KHP 396* (taken at University of Kentucky); 3 hours from skills courses PHE 390 (dance classes), PHE 214(1), 230(1), 271(1), 314(1), 330(1), 350(1), or 450(1).

*PHE 300 and two hours of skills courses must be completed prior to enrolling in KHP 396.

**Must have PHE 300 and KHP 396 before enrolling in PHE 471.

***Must meet College of Education Teacher Education Program requirements.

MINOR IN PHYSICAL EDUCATION (NON-TEACHING)

Minor Requirements..............................................18 hours
Six hours from PHE 201, 212, 301, 315, 320, 325, 407, 423, 467, 562, 575; and six hours skill courses from the following: PHE 220(2), 224, 241(1), 250(1), 300, 305, 306, 340, 345(2), 365(2), 435, 450(1); three hours approved by the department chair.
DEPARTMENT OF FAMILY AND
CONSUMER SCIENCES

Chair
Dr. Dana Keller Bush
(859) 622-3445
Burrier 102

FACULTY

The Department of Family and Consumer Sciences is accredited by the Council for Accreditation of the American Association of Family and Consumer Sciences. The Department offers four Bachelor of Science (B.S.) degree programs. These are General Dietetics; Family and Consumer Sciences Education; Child and Family Studies with options in Child Development, Family Studies, Interdisciplinary Early Childhood Education, and Apparel Design and Merchandising. Minors are offered in: Apparel Design and Merchandising, Child and Family Studies, Family and Consumer Sciences, Foodservice Administration, and Nutrition. Information on the Master of Science (M.S.) in Community Nutrition and the Master of Arts in Teaching (M.A.T.) for Family and Consumer Sciences Education may be found in the 2013-14 EKU Graduate Catalog. Students following a first or second major, minor or associate degree must maintain a “C” average in departmental courses (CDF, FCS, FRM, NFA prefixes). Certain degree programs may have a higher GPA requirement.

The mission of the Department of Family and Consumer Sciences is to prepare professionals and leaders who improve the quality of individual, family, and community life through critical and creative thinking and effective communication.

Professional Liability Insurance

Students enrolling in the following classes — CDF 236, 246, 310, 327S, 349, 349Q, 349R, 349T, 351, 399, 405, 406, 441, 443, 450, 499, 541, 544, 741, 744, 849, FCS 330B, 330C, 330D, 349, NFA 326, 349, 830, 831, and 835 in the Department of Family and Consumer Sciences — are required to register for student Professional Liability Insurance. This fee is listed in each semester’s schedule of classes. Please see the section on Student Liability Insurance for the College of Health Sciences.

Criminal Records

Students are required to observe and/or interact with young children or school age children in a number of courses offered by the department. Therefore, students enrolled in these courses — CDF 236, 246, 310, 327S, 349, 349Q, 349R, 349T, 351, 399, 405, 406, 441, 443, 450, 499, 541, 544, 741, 744, and 849 — must have a criminal record check and child abuse neglect (CAN) check performed. Students with a criminal or CAN record may be required to drop the course and select another major.

Tuberculosis (TB) Skin Tests

Students are required to observe and/or interact with young children or school age children in the following courses — CDF 236, 246, 310, 327S, 349, 349Q, 349R, 349T, 351, 399, 405, 406, 441, 443, 450, 499, 541, 544, 741, 744, and 849. Therefore, students enrolled in these courses are required to submit a negative TB test. Students will be permanently dis-enrolled from the course if the negative tests results are not submitted by the deadline.

Youth Leader Report (YLR)

Students are required to observe and/or interact with young children or school age children in the following courses – CDF 246, 399, 443, and 450 -- must have a Youth Leader Background check performed. Students with a criminal record may be required to drop the course and select another major.

Accreditations and Approvals

The Department of Family and Consumer Sciences has several accreditations. All B.S. degrees are accredited by the Council for Accreditation of the American Association of Family and Consumer Sciences. The Burrier Child Development Center is accredited by the National Association for the Education of Young Children. The B.S. degree in Dietetics is also accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). The dietetic internship offered as part of the M.S. degree in Community Nutrition is accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). The Family Studies option in the Child and Family Studies B.S. is approved by the National Council on Family Relations.

Baccalaureate Degrees

BACHELOR OF SCIENCE (B.S.) AREA MAJOR
APPAREL DESIGN AND MERCHANDISING
CIP Code: 52.1902

Program Objectives

Upon completion of a degree in Apparel Design and Merchandising graduates will demonstrate critical/creative thinking by: 1) identifying cultural influences on the apparel/textile industry and consumer; 2) applying design principles to visual merchandising and/or apparel design projects; 3) developing apparel and textile products based on target customer need; and 4) communicating ideas and information effectively to the target audience. Graduates are prepared to work in a variety of merchandising and design positions. Recent graduates have been employed in retail management, technical design, visual merchandising, and theatrical costume design. Metropolitan areas provide the most job opportunities. Entry level positions include management trainee, assistant manager, and design assistant. Two years after graduation students can expect to be employed in positions such as retail manager, district supervisor of stores, technical designer, design journeyman, and visual merchandiser.

UNIVERSITY GRADUATION REQUIREMENTS

- General Education ...........................................36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.) ...............1 hour
- Wellness.......................................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Apparel Design and Merchandising majors will fulfill ACCT with ADM 414. (Credit hours are incorporated into major requirements below.)

Total Hours University Graduation Requirements........40 hours
COLLEGE OF HEALTH SCIENCES

MAJOR REQUIREMENTS

Core Courses.................................................................50 hours
ADM 102, 119, 201, 210, 300, 302, 310, 313, 349 or FCS 330A, 413, ADM 414 (6), CDF 132, FCS 400 or 400W, FRM 352; ADM 319 and 339 or ADM 312 and 412. (ADM 349/ FCS 330A—two hours at sophomore level)

Supporting Course Requirements........................................10 hours
CHE 101/101L(=Element 4); ECO 230(=Element 5B); PSY 200; MGT (300 or 301) and MKT (300 or 301) or THE (220 and 320).
G = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

Free Electives........................................................................20 hours

TOTAL HOURS TO COMPLETE DEGREE..........................120 hours

**ADM 349/FCS 330A—two hours at sophomore level.

BACHELOR OF SCIENCE (B.S.)
CHILD AND FAMILY STUDIES
CIP Code: 19.0701

The Family Studies option prepares graduates to work with individuals and families in a variety of social service settings. Positions are available in family resource centers, community agencies, profit and non-profit organizations that provide services for children, youth, adults and families. The Interdisciplinary Early Childhood Education concentration leads graduates to Kentucky public school certification for teaching children birth through age five. Graduates learn to prepare individual education plans for children who experience developmental delays and support plans to assist families of those children. IECE majors will teach in private agencies serving infants to two years and public school settings (Pre-K, three and four year olds, and kindergarten not connected with primary programs for first through third grade).

To be granted a degree in Child and Family Studies students must have a “C” or better in all CDF and supporting courses.

Admission and Progression Requirements for Child and Family Studies Concentrations Child Development and IECE

All students who are accepted by EKU’s Admission office and declare their major as Child and Family Studies are admitted to the University as pre-Child and Family Studies majors. However, admission to the pre-Child and Family Studies program does not guarantee admission to the Child and Family Studies program. To be admitted to the Child and Family Studies program the following criteria must be met: 1) Minimum of 45 hours with a 2.75 overall GPA. 2) GPA of 3.0 in the following courses CDF 147, 235, 236, 246, 310, 327S with a grade of “C” or better in each course. Once these requirements have been met, the student must apply to the Child and Family Studies Program Director for a change from the pre-Child and Family Studies program to the Child and Family Studies program.

UNIVERSITY GRADUATION REQUIREMENTS

- General Education ....................................................36 hours
- Student Success Seminar (HSO 100; waived or transfers with 30+ hrs.)...........................................1 hour
- Wellness(courses may meet both wellness & major requirements).........................................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category)

- Upper division courses (42 hrs. distributed throughout)
- Major/Supporting/Gen Ed/Free Electives categories
- ACCT- Early Childhood Development CDF 450; Family Studies CDF 443; Interdisciplinary Early Childhood Education CED 499 (These courses are included in the Major totals)

Total Hours University Graduation Requirements........40 hours

MAJOR REQUIREMENTS

Program Objectives

Upon completion of a degree in Child and Family Studies graduates will be able to: 1) assess developmental, political, social, cultural, economic and technological influences on the well-being and diversity of individuals, families and communities; 2) design and implement a range of services for individuals, children and families; 3) utilize and interpret appropriate individual, family and program evaluation measures; 4) access community resources and collaborate with community agencies/services; and 5) evaluate and monitor their professional development. The Child Development concentration prepares graduates to teach or administer in any private early childhood program. Graduates may also be employed as a trainer for resource and referral agencies or serve as Education Coordinator in early childhood facilities.

Core Courses.................................................................15 hours
CDF 132, 235, 236, 327S, and FCS 400.

Concentrations:

Child Development * ....................................................39-42 hours
CDF 203, 246, 310, 363, 399 (3-6), 405, 406, 437, 450(9)**, 538, and 547.

Family Studies.............................................................30 hours
CDF 232, 243, 331, 424, 437, 443(9)**, and 538; CDF 342 or 441.

Interdisciplinary Early Childhood*...............................36 hours
CDF 246, 310, 363, 405, 406, CDS 360, 525, SED 352, 436, 518, 530, and 590.
**CDF 443 and 450 are 9 credit hour courses and require a 3.0 GPA in major requirements prior to enrolling.

Supporting Course Requirements:

Child Development.....................................................15 hours
NFA 201 or 317; SED 518 and nine hours from the following: NSC 500, OTS 515, PSY 577, SWK 440, 456.

Family Studies............................................................9 hours
FRM 352: NFA 201 or 317; SWK 456 or 457.

Interdisciplinary Early Childhood*...............................9 hours
SED 104 (=Element 6); select 9 hours from the following: CDF 437, ELE 519, NSC 500, OTS 515, PSY 577, SWK 440, or 456.
G = Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.

Professional Education Requirements..............................25 hours

Interdisciplinary Early Childhood Concentration only:
CDF or EDF 203, CED 499(12), EDF 103(1), 204, and EMS 300; CED 100 (.5),200(.5), 300(.5), 400(.5), and 450(1) to complete clinical hours. (Students must follow admission requirements for professional education. See College of Education, section regarding teacher admission and certification.)

Free Electives
Child Development.....................................................8-11 hours
Family Studies...........................................................26 hours
Interdisciplinary Early Childhood..............................................0 hours

TOTAL HOURS TO COMPLETE DEGREE........120-125 hours

BACHELOR OF SCIENCE (B.S.)
FAMILY AND CONSUMER SCIENCES
EDUCATION (TEACHING)
CIP Code: 13.1308

Program Objectives

Upon completion of a degree in Family and Consumer Sciences, graduates will be able to:
1) develop conceptual understanding of child and family studies, nutrition, textiles and apparel design, resource management, housing and design; 2) develop professional attitudes and behaviors based on the history and mission of the Family and Consumer Sciences discipline; and 3) develop effective pedagogical skills and dispositions that are highly contextualized for FCS classrooms. Graduates are prepared to teach in both middle and high school and possess excellent qualifications for working with 4-H youth or in FCS educator positions with the USDA Cooperative Extension Service. The demand for Family and Consumer Sciences teachers and extension agents is high due to current and projected shortages.

UNIVERSITY GRADUATION REQUIREMENTS

- General Education ..................................................36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.)..............................1 hour
- Wellness(courses may meet both wellness & major requirements).........................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Family and Consumer Sciences majors will fulfill ACCT with ESE 499. (These courses are included in the Major totals)

Total Hours University Graduation Requirements.....40 hours

MAJOR REQUIREMENTS

Core Courses .............................................................42 hours
CDF 132, 235; and six hours from CDF 232 or 236 or 331 or 342; FCS 320, 400, FRM 352, NFA 121, 201, 317, ADM 102, 201; and 3 hours in ADM; and 3 hours Family and Consumer Sciences Electives.

Supporting Course Requirements ..................................4 hours
CHE 105/105L(1) (*Element 4); FIN 311.
(1) = Course also satisfies a General Education element.

Professional Education Requirements ..........................38 hours
EDF 103 (1), 203, 319 or 319W, 413; ESE 490, 499 (12), 553 (4), 574; SES 401 or 401S; and 3 hours of Applied Learning Field Experiences: EDF 349Q(0.5), 349R(0.5); EMS 349Q(0.5), 349R(0.5); ESE 349(1).
(Students must follow admission requirements for professional education. See College of Education, section regarding teacher admission and certification.)

TOTAL HOURS TO COMPLETE DEGREE ............124 hours

Candidates earning a degree that leads to teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams to be recommended for licensure in Kentucky. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (www.kyepsb.com AND www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the most optimal time to take required exams. For additional information, candidates may also contact the EPSB Division of Professional Learning and Assessment at (859) 564-5778 or (888) 598-7667 (toll free).

GENERAL DIETETICS PROGRAM

The dietetics program leads to a baccalaureate degree in General Dietetics. The undergraduate program in dietetics is accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND), which is an agency of the Academy of Nutrition and Dietetics. Upon completion of the BS in General Dietetics, the student will be issued a Verification Statement which makes the graduate eligible to apply for and complete an Accredited Dietetic Internship. Most internship programs are 9-12 months long and include supervised practice in all areas of the dietetics profession. Some internships are included within a Master’s Degree program and are therefore generally 2 years long. Once the Dietetic Internship has been successfully completed, the student is eligible to take the national registration exam to become a registered dietitian (RD). Upon successful completion of the RD Exam, the student is then a Registered Dietitian.

Admission and Progression Requirements

All students who are accepted by EKU’s Admissions Office and declare their major as dietetics are admitted to the University as pre-dietetics majors. However, admission to the pre-dietetics program does not guarantee admission to the dietetics program. To be admitted to the dietetics program the following criteria must be met: (1) complete a minimum of 45 semester hours; (2) attain a minimum cumulative GPA of 2.75 on a 4.0 scale; (3) earn a “C” or better in CHE 101/101L and CHE 102/10L or their equivalents if taken at another school; (4) earn a “B” or better in NFA 121, 201, and 202. Once these requirements have been met, the student must apply to the Dietetics Program Director for a change from the pre-dietetics program to the dietetics program. No 400-level NFA courses may be taken prior to being admitted to the dietetics program.

After admission to the dietetics program the student must meet the following criteria to receive a BS Degree and be granted a verification statement: (1) attain a minimum cumulative GPA of 3.0 on a 4.0 scale; (2) earn a “C” or better in all major and supporting courses (other than those NFA courses in which a “B” or better is required per admission criteria).

BACHELOR OF SCIENCE (B.S.) AREA MAJOR
GENERAL DIETETICS
CIP Code: 19.0501

Program Objectives

Upon completion of a degree in General Dietetics, graduates will be able to: 1) succeed in one or more of the following: a graduate program related to dietetics, an accredited Dietetic
Internship, or employment in dietetics or a related field; 2) exhibit competent professional practice in all areas of the basic foundation knowledge and skills necessary for entry-level dietetics practitioners; 3) demonstrate a commitment to service by participating in service activities to the region and profession; and 4) develop skills for providing comprehensive food and nutrition services in a variety of settings. Employment opportunities are available in hospitals, foodservice or public health and wellness programs. After completing the degree, students may consider applying for a Dietetic Internship in order to sit for the Registered Dietitian (RD) exam.

UNIVERSITY GRADUATION REQUIREMENTS

• General Education .......................................................... 36 hours
• Student Success Seminar .................................................. 1 hour (HSO 100; waived for transfers with 30+ hrs)
• Wellness........................................................................ 3 hours (courses may meet both wellness & major requirements)
• Writing Intensive Course (Hrs. incorporated into Major/ Supporting/Gen Ed/Free Electives category)
• Upper division courses (42 hrs. distributed throughout Major/ Supporting/Gen Ed/Free Electives categories)
• ACCT Dietetics majors will fulfill ACCT with NFA 404. (These courses are included in the Major totals)

Total Hours University Graduation Requirements .... 40 hours

MAJOR REQUIREMENTS

Core Courses ................................................................. 56 hours
CDF 132, FCS 400, FRM 352, NFA 121, 201(Wellness), 202(1); 301, 303, 317, 323, 325, 326, 344, 349 (1) or FCS 330D (1);
NFA 401, 402, 403, 404, 411, 412, 445.

Supporting Course Requirements .................................. 20 hours
BIO 171; BIO 301; CHE 101/101L(Element 4), 102/102L(1);
CIS 212 or CSC 104; ACC 201; PSY 200(Element 5B); EHS 380; EMC 105(1)

(= Course also satisfies a General Education element. Hours are included within the 36 hr. General Education requirement above.)

Free Electives................................................................. 4 hours

TOTAL HOURS TO COMPLETE DEGREE .............. 120 hours

To be granted a degree in the General Dietetics Program the student must: (1) attain a minimum cumulative GPA of 3.0 on a 4.0 scale and (2) earn a “C” or better in all major and supporting courses (other than those NFA courses in which a “B” or better is required for admission criteria).

Minors

MINOR IN CHILD AND FAMILY STUDIES

Minor Requirements .......................................................... 18 hours
CDF 132, 236; six hours selected from CDF 235, 327, 342, 441 or 501; and six hours CDF electives.

MINOR IN APPAREL DESIGN AND MERCHANDISING

Minor Requirements .......................................................... 18 hours
ADM 119, 201, 310, 313, and 6 hours approved ADM electives.

MINOR IN FAMILY AND CONSUMER SCIENCES

Minor Requirements .......................................................... 18 hours
ADM 102, CDF 132, 235; FCS 320, FRM 352, NFA 121 or 201 or 317.

MINOR IN FOODSERVICE ADMINISTRATION

Minor Requirements .......................................................... 18 hours
NFA 121, 201, and 12 hours selected from NFA 321, 323, 325, 326, 344, or 445.

MINOR IN NUTRITION

Minor Requirements .......................................................... 18 hours
NFA 121, 201, and 12 hours selected from NFA 301, 317, 321, 401, 402, 403, 404, 411, 505, 507, 509 or 517.

DEPARTMENT OF HEALTH PROMOTION AND ADMINISTRATION

Chair
Dr. Michael Ballard
(859) 622-1142
Begley 420

Faculty

The Department of Health Promotion and Administration is comprised of programs in: Ancillary Health Management, Health Care Administration and Informatics, and Public Health. Admission to all programs is based on the regular admission policies of the University. Specific policies related to each discipline can be found following the program heading as listed.

PUBLIC HEALTH

Public Health offers the Bachelor of Science degree in Public Health with two program options: Community Health, School Health P-12 (Teaching). Students who complete the Community Health option are prepared to determine the health needs of the community and plan and implement effective programs to improve the health of the populations they serve. Community Health Educators may work in Public Health Departments, Volunteer Organizations, Hospitals, and Family Resource Centers. Students in the School Health Concentration are prepared to teach core content health topics in public school system grades P-12 and a variety of health related agencies. A student may choose a minor in Community Health (non-teaching) or in School Health P-12 (Teaching). The Bachelor of
Science program in Public Health is accredited by the Council on Education for Public Health and has met national standards for accreditation from the Society of Public Health Educators, American Association for Health Education, National Council for the Accreditation of Teacher Education, and Kentucky Department of Education.

Students who transfer from another college or university must earn a minimum of 12 hours at EKU in the major. Students who transfer from another college or university must earn a minimum of six hours at EKU in the minor. Students who are accepted by the EKU Admissions Office and declare their major as Public Health with an option in Community Health must maintain an overall GPA of 2.25 with a grade of "C" or better in all of the required major and supporting courses found in the Public Health Curriculum. Students in the Public Health option in School Health P-12 (Teaching) must meet the graduation requirements set by the College of Education.

Professional Liability Insurance

Students enrolling in HEA 463 in the Department of Health Promotion and Administration are required to register for student Professional Liability Insurance. This fee is listed in each semester’s schedule of classes. Please see the section on Student Liability Insurance for the College of Health Sciences

HEALTH SERVICES ADMINISTRATION

The department offers a baccalaureate degree in Health Services Administration with options in Ancillary Health Management and Health Care Administration and Informatics.

Ancillary Health Management Concentration

This degree progression option gives individuals with a previously completed college degree the opportunity to obtain the management skills needed to become a healthcare supervisor or manager.

Health Care Administration and Informatics Concentration

This option gives individuals interested in the administrative aspects of healthcare an interdisciplinary curriculum designed to provide a balance between businesses, healthcare and information technology. This option is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM).

Pre-HSA Curriculum

All students who are accepted by the EKU Admissions Office and declare their major as Health Services Administration are initially placed into a pre-HSA curriculum. The curriculum includes: ACC 201; BIO 171, 301; CSC 104 or CIS 212; INF 314 or CIS 230; CMS 100 or 210; HSA 100, 200; MAT 105 or 107; STA 215 or 270.

Students may apply for HSA program admission when the following requirements are met:
**COLLEGE OF HEALTH SCIENCES**

* Cumulative GPA of 2.50 or higher
* Completion of each course in the Pre-HSA curriculum with a grade of C or better
* Completion of general education requirements (at least 75%)
* Completion of HSA 302, 303, and 401 with a grade of C or better

Health Sciences

Students who meet the minimum requirements will be accepted into the program within the enrollment limits determined by the faculty. The Program reserves the right to accept only the best qualified applicants who meet the minimum requirements.

**Admission/Progression Criteria**

All majors utilize the regular admission policy of the University for students taking courses offered during the first semester of the program. In order to continue in the program and to enroll in major courses, the student must meet the following criteria: (1) maintain an overall (cumulative) GPA of 2.5 on a 4.0 scale and (2) complete all major and support courses with a minimum grade of “C” after a maximum of two attempts.

A student who is not allowed to continue in the major may appeal the decision by presenting the reasons in writing to the Program’s Admission and Progression Committee. The student may appeal this committee’s decision to the College Admission Committee by submitting a written request to the Dean of Health Sciences. The decision of this committee shall be final.

**Professional Practice Experience**

An important part of the curriculum is professional practice experience in which the student is required to spend part of a semester at a hospital or other health care facility for observation and supervised practice of the skills required for entry into the profession.

Some sites require health screening such as physical examinations and/or proof of immunizations. The student is responsible for these medical expenses and for living expenses and travel involved in relocation for these assignments.

**Baccalaureate Degree**

**BACHELOR OF SCIENCE (B.S.)**

**HEALTH SERVICES ADMINISTRATION**

**DEPARTMENT OF OCCUPATIONAL SCIENCE AND OCCUPATIONAL THERAPY**

**Chair**

Dr. Colleen Schneck
(859) 622-3300
Dizney 103

**Faculty**

The Department of Occupational Therapy provides a continuum of educational experiences that prepare a student at the undergraduate level for a career as a non-credentialed health and human service professional and at the graduate level for a career as an occupational therapist. Undergraduate students can enter the Occupational Science program, receive a Bachelor of Science degree, and apply for admission to the master’s program in Occupational Therapy. Individuals with a baccalaureate degree in another field and who have completed the required prerequisite courses can apply for admission to the transition program (See Graduate Catalog). After completing the Master of Science degree in Occupational Therapy, students are eligible to take the occupational therapy national certification examination.

The Occupational Therapy program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE), 4720 Montgomery Lane, Bethesda, MD 20824, (301) 652-2682, www.aota.org. Certification for the occupational therapy profession is provided through the National Board for Certification in Occupational Therapy (NBCOT), 800 S. Frederick Ave., Suite
Baccalaureate Degree in Occupational Science (BS)

Occupational science, an evolving social science, is the study of human occupation. Occupational scientists study why and how we occupy our time through activity, organize ourselves through activity patterns and habits, respond to the context in which occupations occur, and create meaning through occupations.

Students may combine the study of human occupation with other areas of interest through electives or a minor, including but not limited to, horses, humans and health, psychology, child and family studies, biology, community health, gerontology, and business. While many graduates of the Occupational Science program apply for entry into the Occupational Therapy Master’s program, some may choose other graduate education options or seek employment in non-credentialled health care, education or community positions. These careers may include case manager, independent living skills coordinator, activity coordinator, medical sales representative, senior citizen program coordinator, mental health associate, and job coach for persons with developmental disabilities.

The five themes of the occupational science curriculum are occupation, reasoning, diversity, communication, and professional identity. Interwoven are the curriculum elements of concepts and knowledge, active community learning experiences, integrative seminars, and authentic assessment and portfolio development. A value inherent in the curriculum model is that learning is optimal when educators guide student immersion in personally meaningful challenges that are processed in a supportive environment.

Graduates of the Occupational Science program meet the following outcomes:

1. Apply knowledge of occupational science to address the needs of individuals and society.
2. Demonstrate the reasoning required of health and human service professionals.
3. Collaborate with diverse people, communities, agencies and disciplines.
4. Demonstrate skillful use of communication.
5. Demonstrate professionalism.

Admission and Progression Requirements

All students who are accepted by EKU’s Admission office and declare their major as Occupational Science are admitted to the University as pre-Occupational Science majors; however, admission to the University does not guarantee admission to the Occupational Science program. Admission is competitive and based on a review of the applicants’ academic history by the department’s Admission, Progression and Retention Committee. Students seeking consideration for admission to the Occupational Science program must meet the following requirements by May in the semester preceding the Fall semester start of the junior year:

1. Completion of 60 hours of coursework, including prerequisites courses
2. Overall GPA of 3.0 or above
3. A minimum of 3 “B”s and 1 “C” in the following prerequisite courses or their equivalents (BIO 171, BIO 301, STA 215, PSY 200)
4. No more than 1 repeat per course in the following prerequisites or their equivalents (BIO 171, BIO 301, STA 215, PSY 200)

Application to the Occupational Science Program does not guarantee acceptance in to the program.

Students seeking admission to the Occupational Science program and progression to the junior year must follow this process:

1. By March 15th prior to progressing to the junior year of the Occupational Science program, all students must submit an Admissions and Advising Form to the Department Chair.
2. Transfer students must be fully admitted to the University by March 15th to be considered for admission to the Occupational Science Program. Students are responsible for submitting their official transcripts to the Office of the Registrar.
3. Based on a competitive admissions review, students will be informed of admission to Occupational Science program after Spring semester grades are posted.
4. Students admitted to the Occupational Science program will then be allowed to register for the junior year classes.

To progress to senior year, all junior academic year required major and support courses must be completed with a grade of “C” or better.

To graduate, all senior academic year required major and support courses must be completed with a grade of “C” or better as well as completion of general education and university requirements for graduation.

For additional admission information please refer to the Selection Criteria at http://www.ot.eku.edu/

Enrollment in the Master of Science program in Occupational Therapy is limited. Completion of the undergraduate program in Occupational Science does not guarantee admission into the graduate program in Occupational Therapy. Refer to the Graduate Catalog for admission requirements and procedures regarding application to the Master of Science program in Occupational Therapy.

MS Transition Program

The Transition to Masters Program is an undergraduate program designed to prepare students who have completed a Bachelor’s degree, in something other than Occupational Science, for entrance into the MS in Occupational Therapy program.

This transition program is a one year undergraduate, post-baccalaureate program consisting of the following courses: BIO 271, 371,OTS 362, 402, 422, 430, 478W, and 499.

Admission to the MS Transition Program is competitive and acceptance to EKU undergraduate admissions does NOT mean acceptance into the MS Transition Program. If accepted as a candidate for the prerequisite transition year, you must be enrolled in all Fall transition courses (as an undergraduate) by July 1st of each year. To be eligible to take transition-year courses, you must be accepted as a potential student for the MS degree. If selected as a potential student you are guaranteed a place in the MS in Occupational Therapy program if you maintain a GPA of 3.0, complete all prerequisite courses with a “C” or better and are accepted by the graduate school. For more details refer to the EKU Occupational Therapy departmental website.

Appeals

Students may petition for a waiver of any regulations. Appeals regarding waiver of a regulation should be addressed to the Admissions and Progression Committee. Appeal of grade should be addressed to the Academic Practices Committee. See the
DEPARTMENT OF RECREATION AND PARK ADMINISTRATION

Chair
Dr. Jon McChesney
(859) 622-1833
Begley 407

Faculty
M. Bradley, M. Gerken, S. Jones, J. McChesney, and R. Sharp

The Department of Recreation and Park Administration offers the Bachelor of Science degree in Recreation and Park Administration with four options: Tourism & Resort Recreation, Natural Resources & Recreation Management, Recreation Management and Programming, and Therapeutic Recreation. The department also offers a minor in Recreation and Park Administration.

Students who transfer from another college or university must earn a minimum of 12 hours at EKU in their major. Students who transfer from another college or university must earn a minimum of six hours at EKU in their minor.

Graduates of the Tourism & Resort Recreation option find career opportunities in local, state, federal and private agencies that promote tourism, travel agencies, convention services, resort supervision and management, cruise lines, amusement and theme parks, as well as other commercial recreation agencies.

Graduates of the Natural Resources & Recreation Management option offers a wide variety of career opportunities such as park ranger, interpretive naturalist, camp director, recreation forester, fish and wildlife positions, and youth and adult outdoor recreation programming positions.

Graduates of the Recreation Management and Programming option find professional careers available in local, state, county and federal agencies, park management, golf course management, recreation supervision, aquatics, cultural arts programming, athletic programming, YMCA and YWCA, Boy Scouts and Girl Scouts, 4-H, and various other private and public agencies providing park, recreation and leisure services.

Graduates of the Therapeutic Recreation option find one of the fastest growing areas in the field of recreation and leisure services. Professionals in TR design programs to meet the needs of special populations, people with physical or developmental disabilities, and people with temporary or permanent psychiatric disorders. TR professionals work in children’s hospitals, mental health institutions and psychiatric hospitals, rehabilitation clinics, nursing homes, medical care facilities, transitional living facilities, group homes, camps, community-based programs, and community residential agencies.

The BS degree in Recreation and Park Administration provides 15 credit hours of direct hands-on field experience. The senior internship (12 credit hours) serves as an excellent transition from school to work, and many students are hired directly out of their internship.

Students majoring or minoring in Recreation and Park Administration are required to attain a minimum grade of “C” in all REC courses and a 2.5 or better average in all REC courses. All REC core and REC option courses must be completed prior to enrollment in REC 463, Senior Internship or REC 473 Therapeutic Recreation Internship.
Baccalaureate Degree

Bachelor of Science (B.S.)
RECREATION AND PARK ADMINISTRATION
CIP Code: 31.0301

UNIVERSITY GRADUATION REQUIREMENTS
- General Education .............................................36 hours
- Student Success Seminar (HSO 100; waived for transfers with 30+ hrs.).........................1 hour
- Wellness (courses may meet both wellness & major requirements).................................3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Recreation and Park Administration majors will fulfill ACCT with REC 463 or 473. (Credit hours may be incorporated into Major or Supporting requirements)

Total Hours University Graduation Requirements........40 hours

MAJOR REQUIREMENTS
Core Courses........................................................31 hours
REC 101(1), 102, 163(1), 200, 263(2), 311, 350, 401, 406, 410, 450W, and 460:

Concentrations: (students must select one of the following)
- Natural Resources & Recreation Management ......29 hours
  REC 180 (1), 190(1), 290, 380, REC 463(12), 516, 530; and 3 hours from the following: REC 590 or WLD 317
- Recreation Management and Programming ..............31 hours
  REC 190(1), 225, 280, 290, 480, 463(12), 530 and 3 hours from the following courses: REC 516 or 590.
- Therapeutic Recreation ........................................27 hours
  REC 210, 411S, REC 473(12), 511, 512S; REC 520.
- Tourism & Resort Recreation ................................30 hours
  REC 225, 250, 280, 380, 480, 463 (12), and 3 hours from the following courses: REC 516, 530 or 590.

Supporting Course Requirements (all options).........0/3 hours
CMS 210("Element 1C")

Additional Supporting Course Requirements:
- Therapeutic Recreation Concentration ..................13 hours
  EMC 105 (1), BIO 171, 301; PSY 200 or 200W("Element 5B), 280 or 280W, 308.
  " = Course also satisfies a General Education element.
  Hours are included within the 36 hr. General Education requirement above.

Free Electives:
- Natural Resources & Recreation Management ......20 hours
- Recreation Management & Programming ..............18 hours
- Therapeutic Recreation ......................................9 hours
- Tourism & Resort Recreation ..............................19 hours

TOTAL HOURS TO COMPLETE DEGREE......................120 hours

Minor

Minor in Recreation and Park Administration
(Non-Teaching)

Minor Requirements.............................................19 hours
REC 101, 102, 200 or 311, 280 or 460, and nine additional hours from REC 180(1), 190, 210, 225, 250, 280, 290, 311, 349, 350, 380, 401, 406, 409, 410, 411, 460, 480, 511, 512S, 516, 530, or 590.

College of Justice and Safety

Dr. Allen L. Ault, Dean
Stratton 354-A (859) 622-3565
Dr. Victor E. Kappeler, Associate Dean
Stratton 348 (859) 622-7888
www.justice.eku.edu

The College of Justice and Safety at Eastern Kentucky University is one of the largest of its type in the United States and is one of the five colleges that comprise the academic structure of the University. Within the College of Justice & Safety is the School of Justice Studies, and the School of Safety, Security, & Emergency Management. Faculty in the College are nationally and internationally known for their teaching, research, service and experience. Professors have backgrounds as police officers, paramedics, corrections directors, juvenile justice administrators, safety and security consultants, arson investigators, military officers, lawyers, scholars, probation and parole officers, and FBI agents.

The Commonwealth of Kentucky named the College of Justice & Safety as the first Program of Distinction at Eastern Kentucky University in 1998. The Program of Distinction has funded a new annex, new degree programs, upgraded classrooms and computer labs, provided additional research opportunities for faculty and students, as well as scholarship opportunities for students majoring in programs offered by the college.

Certificate, associate, baccalaureate, and master's degree programs are offered by the College of Justice and Safety. Several courses and some complete programs are also available online.

The College is committed to a career ladder concept by providing opportunities for students enrolled in or completing associate (two-year) degree programs to transfer to a corresponding baccalaureate (four-year) program within the same department with little or no loss of credit.

Most programs in the College are housed in the Stratton Building, an outstanding and unique facility which includes two annexes, a remodeled shared entrance; renovated student commons and classrooms with new technology, 250-seat auditorium, two computer labs and a cafeteria. The Fire Science programs have additional offices, classroom, and labs in Ashland Building and the Emergency Medical Care program has offices, classrooms and labs in the Stratton Annex.

In addition to its academic departments, the College houses two nationally recognized research and service centers: the Justice & Safety Center (JSC), and the Training Resource Center (TRC). The JSC works to serve the nation's public safety and security communities by providing research and evaluation, technology prototype development and testing, and training and technical assistance. The TRC is an adult professional development program which provides training for social, human and juvenile justice service professionals, and develops quality educational experiences for at-risk and delinquent youth.

ADMISSION TO THE COLLEGE

Students seeking admission to the College of Justice and Safety must meet general University requirements and should indicate their intention to major in a program of the College.

After being admitted to the College, a student will be assigned to a professional advisor, in the new Academic & Advising Center, who will assist in selecting the proper courses leading to the desired degree.

DEGREE REQUIREMENTS

General University degree requirements appear in Section Four of this Catalog, and specific requirements for each of the degree programs offered by the College of Justice and Safety appear below; both sets of requirements must be met by students completing associate and baccalaureate programs. Unless otherwise specified, all programs in the College of Justice and Safety require a grade of “C” or better for all required major and supporting courses. See the program descriptions under each department for specific major and minor requirements. Common to all programs is the Student Success Seminar.

MAJOR AND MINOR CREDIT MINIMUM

Unless otherwise specified, regardless of the advanced standing under which the student may have been admitted or what credits have transferred, 18 hours of advanced course work (courses numbered 300 or above) applied for credit toward the major subject for an associate degree, and six hours of advanced course work toward credit toward the major subject for an associate degree, and six hours of advanced course work toward major subject for a minor must be earned at Eastern.

Baccalaureate Degrees

College of Justice and Safety
Residency Requirement

The College of Justice and Safety requires that students graduating with a baccalaureate degree from the School of Justice Studies, or the School of Safety, Security, and Emergency Management, must earn a minimum of 18 upper division credit hours in the home department of their major.

Bachelor of Science (B.S.)
CORRECTIONS AND JUVENILE JUSTICE STUDIES
CIP Code: 43.0102

UNIVERSITY GRADUATION REQUIREMENTS

- General Education ………………………………………36 hours
- Student Success Seminar (JSO 100; waived for transfers with 30+ hrs.)…………………………………………………………1 hour
- Wellness……………………………………………………………..3 hours
- Writing Intensive Course (Hrs. incorporated into Major/Supporting/Gen Ed/Free Electives category)
- Upper division courses (42 hrs. distributed throughout Major/Supporting/Gen Ed/Free Electives categories)
- ACCT - Corrections and Juvenile Justice Studies majors will fulfill ACCT with COR 375 or CRJ 490 or CRJ 490W. (Credit hours are incorporated into major requirements below.)

Total Hours University Graduation Requirements…….40 hours

MAJOR REQUIREMENTS

Majors must have a minimum grade point average of at least 2.0 across major core, option, and elective course requirements in order to graduate.

Core Courses ........................................................................21 hours
COR 201, 311, 360; CRJ 313 or 313S, 331, 388, 400.

COR Electives ......................................................................18 hours
Select from CRJ 490 or CRJ 490W or any upper division COR elective in consultation with major advisor.

Supporting Courses .........................................................3 or 6 hours
Select any of the following courses in consultation with major advisor: any upper division CRJ course; HLS 101, 201, 321, 341; PLS 103, 216, 316, 380, 390, 415; PSY 200 or 200W(Element 5B), 308, 314.

Free Electives ....................................................................35-38 hours

TOTAL HOURS TO COMPLETE DEGREE ..........120 hours

Online Course Work

The major requirements for the B.S. degree, as well as coursework required for professional certificates (see below), are to be completed online. Admission to pursue Bachelor of Science (B.S.) major requirements online further requires a composite ACT score of 20 or higher. Students with composite ACT scores of 18 or 19 may be admitted on a probationary basis but are required to furnish a writing sample. Though students transferring from another accredited institution are not required to submit test scores, such students must meet EKU’s requirements for admission as a transfer student. In addition, transfer students must have an overall 2.5 or greater grade point average (GPA) on a 4.0 scale on all work from accredited institutions. Transfer students with overall GPAs less than 2.5 but at least 2.0 may be admitted on a probationary basis but are required to furnish a writing sample. The requirement that B.S. students must earn a minimum of 30 of the last 36 hours through EKU is waived for students pursuing the B.S. major requirements online. However, for the B.S. degree, a minimum of 32 hours must be earned through EKU. Contact the Undergraduate Online Program Coordinator for additional details.

Bachelor of Science (B.S.)
CRIMINAL JUSTICE

 CRJ 101, 331, 388, 400; PLS 103, 326, 414, 415.

Major Electives ..............................................................24 hours
Select from PLS, CRJ or COR electives (12 hrs must be upper division courses).

Supporting Electives ......................................................6-9 hours
Select 9 hours from: APS 210, EMC 102 or 110, FOR 301, FSE 250, or TRS 332, or a combination to include 3 hrs (200 level or above) of Foreign Language or American Sign Language (ASL) in consultation with major advisor (GElement 6).

Free Electives .............................................................23-26 hours

TOTAL HOURS TO COMPLETE DEGREE ..........120 hours

Minor in Criminal Justice
A student may minor in Criminal Justice by completing CRJ 101, 313, 331, 388, 400 and one upper level CRJ elective.

Minor in Police Studies
A student may minor in Police Studies by completing a minimum of 18 semester hours of the following courses: CRJ 101, PLS 103, PLS 414, and 9 hours of PLS upper division electives. A grade of “C” or higher must be earned in each CRJ or PLS course for credit toward a PLS minor.
MINOR IN SOCIAL JUSTICE

A student may minor in Social Justice by completing CRJ 101; CRJ 345 or SOC 400; CRJ 325, PLS 390 or CRJ 401; CRJ 406; SOC 235 or POL 464; and SOC 313 or 375. (Students majoring in police studies or criminal justice may not minor in social justice.)

Certificates

PROFESSIONAL CERTIFICATE IN CORRECTIONAL INTERVENTION STRATEGIES

This certificate includes 15 hours of required courses and 9 hours of electives and is available in the online format. Courses include content that reflects the theoretical and contemporary issues facing corrections professionals. The program will enhance student knowledge regarding effective correctional interventions, provide students with practical knowledge that can be used in their daily work, and for students interested in continuing their education, provide a first step toward degree completion.

Major Requirements ..................................................15 hours
   COR 201, 302, 303, 340, 360.
Electives .................................................................9 hours
   Select from COR 410, 412, 413, 420, 423; CRJ 313, 331.

Total Curriculum Requirements .............................24 hours

PROFESSIONAL CERTIFICATE IN YOUTH SERVICES

This certificate includes 15 hours of required courses and 9 hours of electives and is available in the online format. Courses include content that reflects the theoretical and contemporary issues facing juvenile justice professionals. The program will enhance student knowledge regarding effective juvenile justice interventions, provide students with practical knowledge that can be used in their daily work, and for students interested in continuing their education, provide a first step toward degree completion.

Major Requirements ..................................................15 hours
   COR 311, 321, 340, 360, 422.
Electives .................................................................9 hours
   COR 322, 410, 420, 421, 423; CRJ 313, 331.

Total Curriculum Requirements .............................24 hours

SCHOOL OF SAFETY, SECURITY & EMERGENCY MANAGEMENT

Associate Dean
Dr. Victor E. Kappeler
Stratton Building, Room 348

Faculty

Baccalaureate Degrees

College of Justice and Safety
Residency Requirement

The College of Justice and Safety requires that students graduating with a baccalaureate degree from the School of Justice Studies, or the School of Safety, Security, and Emergency Management, must earn a minimum of 18 upper division credit hours in the home department of their major.

Admission Procedure: Emergency Medical Care

Students who have been admitted to the University and College of Justice and Safety and declare a major in Emergency Medical Care are admitted to the Emergency Medical Care Program. Admission to the Emergency Medical Care Program does not guarantee admission to the Advanced Emergency Medical (paramedic) sequence.

Emergency Medical Care students are accepted each semester. Students are selected for admission into the Advanced Emergency Medical Care Program once a year for the following fall semester. Selection is made based on the admission matrix. Criteria include: GPA, entrance exam scores, pre-requisite course grades and completion. Information meetings will be held. Please refer to the EMC webpage for additional information.

Additional Requirements

1. Students must have a minimum grade of “C” in all advanced sequence, EMC pre-requisite courses, and in BIO 171, 301.
2. Students must maintain a minimum GPA of 2.0 on a 4.0 scale.
3. Students must purchase and maintain the student liability insurance prior to enrollment in EMC 110, 115, 270, 275, 280, 342, 352, 360, 362.
4. All transfer credit evaluation and program approval must be completed prior to the application deadline.

NREMT-P TO ASSOCIATE OF PARAMEDICINE (ASP) DEGREE PROGRAM

Admission Requirements:

Current holders of National Registry of Emergency Medical Technicians – Paramedic (NREMT-P or State credentialing as defined by the program) certification may earn the Associate
of Paramedicine (ASP) degree through an accelerated program offered by the EMC department. Applicants for admission into this accelerated program are accepted each semester.

**Program**
Students admitted into the NREMT-P to ASP program will be required to take all general education and supporting coursework for the Associate of Science Paramedicine (A.S.P.).

**Core Courses:**
EMC 380 and 382.
After successful completion of both EMC 380 and 382, students will receive 18 credit hours which include EMC 335, 340, 342, 352, 360, 362.
EMC 105, 110, 225, 240.
Credit for EMC 105, 110, 225, 240 is available through successful completion of department proficiency examinations.
EMC 104, 310, 315, and 320.
Current and maintained certification in AHA CPR for Healthcare Professionals, ACLS-EP, PALS (and/or PEPP), and certification in PHTLS (or ITLS) may result in credit for EMC 104, 310, 315, and 320.

**Supporting and General Education Courses are required:**
General Education Elements:
- Element 1. ENG 101, 102; Element 3. Arts and Humanities (3 credit hours); and Element 5B and Social Behavioral Sciences (3 credit hours);

Supporting Courses:
BIO 171, 301.
A total of 64 credit hours are required to obtain the Paramedicine (A.S.P.). Students must also obtain a minimum grade of “C” in all EMC courses, and BIO 171, 301. Students must also maintain an overall EKU GPA of 2.0 on a 4.0 scale.

**Transferring Paramedic Credit into the EMC Program**
Effective January 2013 the National Registry has instituted a policy requiring that all candidates for certification must complete coursework from a CoAEMSP nationally accredited paramedic program. The EKU EMC program therefore has instituted the following policy, effective with the 2012/13 academic year.

**Time Limit for Program Completion**
To maintain EKU’s status as a CoAEMSP nationally-accredited paramedic program students must progress through their EMC advanced sequence of courses (200-level and 300-level courses, as well as the required BIO 171 and 301) within a specified time limit. Each student must successfully complete all of these courses before they are eligible to take the NREMT skill and didactic examinations to obtain the NREMT Paramedic card. National accreditation standards dictate that this must all be completed within a designated time window. The start of an individual student’s time limitation (“advanced sequence and testing clock”) will be determined by the student’s program advisor.

**Credit from a CoAEMSP Accredited Paramedic Program**
Students with transfer credit from a CoAEMSP accredited paramedic program may have this credit used to fulfill a portion of their major and supporting program requirements. Such work will be evaluated by EMC faculty for comparability and content; students may be required to complete departmental exams to gauge subject mastery and to assist with appropriate course placement.

**Credit NOT from a CoAEMSP Accredited Paramedic Program**
Coursework accepted by EKU but earned through participation in a program that is not CoAEMSP accredited cannot be used to advance a student through EKU’s nationally accredited EMC program. Such credit may fulfill general education and elective areas; but it cannot be applied toward the EMC major and supporting program requirements.

However a student who has earned a National Registry Paramedic Card may be allowed to use non CoAEMSP accredited transfer credit in partial fulfillment of major requirements. Earning the National Registry card validates use of the paramedic related transfer coursework. Students without this paramedic credential, and without CoAEMSP accredited transfer courses, must progress through the EKU EMC program by completing EKU coursework.

BACHELOR OF SCIENCE (B.S.)

HOMELAND SECURITY

CIP Code: 43.9999

ADMISSION REQUIREMENTS

Students who have been admitted to the University and declare a major in Homeland Security are enrolled in the Pre-Homeland Security Program. Enrollment in the Pre-Homeland Security Program does not guarantee admission to the B.S. in Homeland Security. Pre-Homeland Security Program students are accepted each semester.

Students enrolled in the Pre-Homeland Security Program and desiring admission to the B.S. in Homeland Security major, must have completed a minimum of 45 total credits and have a 2.5 minimum EKU GPA, including completion of the lower-division courses of HLS 101, HLS 201, HLS 225 and SEC 210. The lower-division courses must be completed with a grade of C or better. B.S. in Homeland Security students are accepted each semester. Students seeking admission to the B.S. in Homeland Security must submit the EKU Change of Major Form to the Homeland Security program coordinator with a DegreeWorks audit attached.

Students admitted to the B.S. in Homeland Security must maintain a 2.5 minimum EKU GPA. Students falling below the minimum GPA will be placed in academic probation for one semester. If after one semester in academic probation the student does not regain the 2.5 minimum EKU GPA, they will be withdrawn from the major. Students withdrawn from the major due to an EKU GPA lower than 2.5 are not eligible for readmission to the B.S. in Homeland Security.

Total Curriculum Requirements..............................21 hours
MINOR IN OCCUPATIONAL SAFETY

A student may minor in Occupational Safety by completing, with a grade of “C” or better, a total of 18 semester hours as follows:
Requirements:
OSH 261, 262, 305, 366, 390, and 410.
Total Curriculum Requirements..............................18 hours

MINOR IN SECURITY MANAGEMENT
CIP Code: 43.012

The Minor in Security Management is not available to B.S. in Homeland Security majors. A student may minor in Security Management by completing, with a grade of “C” or better, a total of 18 semester hours as follows:
Requirements:
HLS 210, 310, 320, 350.
Electives..................................................select 6 hours from CIS 320, 325, HLS 301, 338, 341, 391, 402.
Total Curriculum Requirements..............................18 hours

MINOR IN SOCIAL INTELLIGENCE AND LEADERSHIP

Required courses: (a minimum grade of “C” is mandatory in each of the following):
Requirements:
CRE 101; EES 250, 300, 310, 450, 460
Total Curriculum Requirements..............................18 hours

MINOR IN TRAFFIC SAFETY (NON-TEACHING)

A student may minor in Traffic Safety by completing 18 hours from the following courses: TRS 103, 233, 322, 413; plus seven additional hours selected from TRS 100, 234, 332, 342, 349, 407, 491.

Concentration

HOMELAND SECURITY CONCENTRATION IN THE ASSOCIATE OF GENERAL STUDIES DEGREE

See page 89 of this Catalog for the Homeland Security Concentration requirements listed in the Associate of General Studies degree section.

Certificates

ADVANCED EMERGENCY MEDICAL CARE

Major Requirements..............................................22 hours
EMC 130, 270, 275, 280, and 310.
Total Curriculum Requirements..............................22 hours

BASIC EMERGENCY MEDICAL TECHNICIAN*

Meets the Kentucky Cabinet for Human Resources certification requirement: EMC 110. Co-requisite: EMC 104.
Total Curriculum Requirements..............................7 hours
*Certificate awarded by the Department of Safety, Security, & Emergency Management and not Eastern Kentucky University.

CERTIFICATE IN EMERGENCY MANAGEMENT
CIP Code: 43.0302

Not available to B.S. in Homeland Security majors or minors.

Students may obtain a Certificate in Emergency Management by completing, with a grade of “C” or better, a total of 24 semester hours as follows:
Requirements..............................................................12 hours
GEO 353, HLS 201, 451, 461
Electives........................................................select 12 hours from EMC 450, FSE 310, 375, 400, GEO 220, 315, 325, 425, 453, 456, HLS 301, 349, 391, 460, 465, 467, 491.
Total Curriculum Requirements............................24 hours

CERTIFICATE IN HOMELAND SECURITY
CIP Code: 43.0301

Not available to B.S. in Homeland Security majors or minors.

Students may obtain a Certificate in Homeland Security by completing, with a grade of “C” or better, a total of 24 semester hours as follows:
Requirements..............................................................15 hours
HLS 101, 201, 210, 225, select one course from HLS 430, PLS 375 or POL 415
Electives........................................................select 9 hours from FSE 310, HLS 301, 349, 380, 391, 401, 441, 443.
Total Curriculum Requirements............................24 hours

INDUSTRIAL FIRE PROTECTION CERTIFICATE
CIP Code: 43.0201

This certificate prepares student for careers in Industrial Fire Protection. The certificate requires a grade of “C” or better in 24 hours of required courses and 6 hours of specialized practicum. The courses required to complete the Industrial Fire Protection Certificate include:
FSE 101, 120, 221, 300W, 305, 320, 360, OSH 261, FSE 480, and FSE 499(6).
Total Curriculum Requirements............................30-32 hours

INTELLIGENCE STUDIES
CIP Code: 43.9999

The certificate requires a grade of “C” or better in 12 hours of required courses and 12 hours within a single option. Prerequisites for the below certificate course options do not count toward the total curriculum requirements.
Requirements..............................................................12 hours
GEO 456, HLS 401, HLS 402, and GEO 353 or CRJ 403.
Options........................................................select 12 hours from one Option:
Intelligence Analysis Option:
CIS 320, CIS 325, GEO 455, GEO 553, GEO 556, PHI 371, STA 320, STA 375, OR STA 501.

**Threat Specialist Option:**
CRJ 301, CRJ 325, CRJ 355, CRJ 401, GEO 322, HLS 341, HLS 391, HLS 430, PLS 375, POL 321, POL 325, or POL 415.

**Regional Analysis Option:**
Select four courses in the culture, economics, environment, geography, military, politics, religions, security, etc., of a specific country or region (foreign or U.S). No more than two courses can have the same prefix.
Students selecting this option must also have a minimum of two courses in a language associated with the selected specific country or region. Option prerequisite: certificate advisor must pre-approve courses selected for this option.

**Total Curriculum Requirements** .................................24 hours

**Certificate in Security Management**
*CIP Code: 43.0112*

The certificate requires a grade of “C” or better in 12 hours of required courses and 12 hours of elective courses.

**Requirements** ..............................................................12 hours
HLS 210, 310, 320, 350

**Electives** ...............................................................................12 hours
select 12 hours from CIS 320, 325, CSC 307, GBU 204, HLS 301, 338, 341, 349, 391, 402, INS 378.

**Total Curriculum Requirements** .................................24 hours

**Certificate in Social Intelligence & Leadership**
*CIP Code: 35.0101*

Completing the certificate requires a minimum grade of “C” in the following required courses:

**Requirements** ..............................................................18 hours
CRE 101W, EES 250, EES 300, EES 310, EES 450 and EES 460.

**Total Curriculum Requirements** .................................18 hours

**Endorsement**

**Driver Education Endorsement**

The requirements for a driver education endorsement for any teaching major are: TRS 285, 386, 487, and 588.

NET  Network Security and Electronics
NFA  Nutrition, Foods, and Food Administration
NSC  Nursing (Baccalaureate)
NSM  Network Security Management
NUR  Nursing (Associate)
OHO  Ornamental Horticulture
OSH  Occupational Safety
OTS  Occupational Therapy
PHE  Physical Education
PHI  Philosophy
PHY  Physics
PIL  Police Studies
POL  Political Science
PSY  Psychology
PUB  Public Relations
QMB  Quantitative Methods
REC  Recreation and Park Administration
REL  Religion
RMI  Risk Management and Insurance
RST  Real Estate
SCI  Science
SEC  Security Management
SED  Special Education
SOC  Sociology
SPA  Spanish
STA  Statistics
SWK  Social Work
TEC  Technology, General
THE  Theatre Arts
TRS  Traffic Safety
WGS  Women and Gender Studies
WLD  Wildlife Management

Courses are numbered according to the following plan:

000-099 are remedial non-degree credit courses.
100-199 are primarily for freshmen.
200-299 are primarily for sophomores.
300-399 are primarily for juniors.
400-499 are primarily for seniors.
500-599 are primarily for seniors and are linked with 700 level graduate courses.

A student may not take a course numbered more than one year above his/her classification level without advisor permission. To take courses numbered 300 and above in the School of Business see the College of Business and Technology section for requirements for BBA degree.

Special approval must be obtained from the dean of the college offering a 500-level course in order for junior-level students to enroll. (Students of less than junior status or unapproved juniors cannot be admitted to a 500-level course and will be disenrolled by the Registrar if such an enrollment occurs.)

Course Descriptions

The semester hours which may be earned by successful completion of a course are indicated in parentheses immediately following the course title, e.g., (3).

A course is offered during the semester indicated by the term-offering designation immediately following the credit hours earned:

I —Fall Semester
II —Spring Semester
A —By Announcement

A course is offered during the indicated semester or by announcement on the assumption there will be adequate enrollment. If a course does not obtain adequate enrollment, it is subject to cancellation. The University reserves the right to cancel any course if the enrollment is not sufficient, to divide a course if the enrollment is too large for efficient instruction, and to change instructors when necessary.

The description of the course format for courses which include a laboratory experience is found at the end of the course description. A course which consists of three hours of classroom lecture and two hours of laboratory per week is described as “3 Lec/2 Lab.”

Courses approved for general education are noted as such by the phrase “Gen. Ed.” and a number following the course description. The number refers to the general education block to which the course may be applied. Letters in brackets [ ] designate Kentucky statewide General Education core coding. See General Education Requirements in Section Four.

Cooperative Education/Internship (Applied Learning)

XXX —349 Applied Learning
XXX —349 A-N Cooperative Education

Students may register for additional hours of applied learning and cooperative education beyond those specified in each course description. However, courses students are taking will then fall into a repeat cycle where the last course taken replaces the former course so that no more than the limit noted may be counted toward a degree program, minor, or certificate.
ACC—Accounting

Dr. Oliver Felthus, Chair

ACC 201 Introduction to Financial Accounting. (3) I, II. Prerequisite: MAT 105 or higher. A user’s approach to understanding financial accounting information, preparing, emphasizing how creditors, investors, and others use accounting information in decision making and why financial accounting information is important to these users.

ACC 202 Introduction to Managerial Accounting. (3) I, II. Prerequisite: ACC 201 with a grade of “C” or better. A study of the objectives, preparation and use of managerial accounting information primarily from a user perspective. Emphasis on measurement, allocation, and reporting of costs to identify and solve business problems.

ACC 201 Intermediate Accounting I. (3) I, II. Prerequisite: ACC 201 with a grade of “C” or better. Stock capital, financial statement analysis, statement of financial position, current assets and liabilities, accounting changes, and deferred taxes.

ACC 222 Tax Law I. (3) I, II. Prerequisite: ACC 201 with a grade of “C” or better and junior standing. Income tax legislation-Federal and State; returns for individuals; gross income; basis and determination of gain or loss; capital gains and losses; dividends, deductions; withholding. Credit will not be awarded for both ACC 222 and ACC 322S.

ACC 322S Tax Law I. (3) I, II. Prerequisite: ACC 201 with a grade of “C” or better and junior standing. Income tax legislation-Federal and State; returns for individuals; gross income; basis and determination of gain or loss; capital gains and losses; dividends, deductions; withholding—using a service learning approach. Credit will not be awarded for both ACC 322 and ACC 322S.

ACC 327 Cost Accounting. (3) I, II. Prerequisite: ACC 202 and QMB 200 with a grade of “C” or better. Cost flows and cost systems; the cost accounting cycle; basic cost determination systems and procedures; standard costing; budgeting and decision making applications.

ACC 349 Applied Learning in Accounting. (5-8) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. Three hours may be used as a major elective. Additional hours may be used to fulfill the 150-hour CPA exam requirement. May be repeated for a total of 16 credit hours.

ACC 349-A Cooperative Study—Accounting. (5-8) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. Three hours may be used as a major elective. Additional hours may be used to fulfill the 150-hour CPA exam requirement. May be repeated for a total of 16 credit hours.

ACC 425 Accounting Theory. (3) I, II. Prerequisites: ACC 302 with a grade of “C” or better and CCT 300W. Emphasis on a conceptual understanding of accounting principles using literature published by the AICPA, FASB, and current writers. Accounting history, SEC, legal liability, conceptual framework, SFAS’s and APB’s.

ACC 440 Legal Aspects of Accounting. (3) I, II. Prerequisites: Senior standing (90 hours or more) and GBU 204 with a grade of “C” or better. Law as it relates to the accounting profession.

ACC 441 Auditing I. (3) I, II. Prerequisite: ACC 302, 350, and GBU 204 with grades of “C” or better. Professional ethics; accountant’s legal responsibility; internal control; general arrangement and procedure of an audit; asset accounts; liability accounts; operating accounts; the audit report.

ACC 490 Independent Study. (1-3) A. Prerequisite: ACC major with senior standing. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

ACC 501 International Accounting and Combinations. (3) I, II. Prerequisite: ACC 302 with a minimum grade of “C”. Corporate combinations including consolidations; tax procedures; and statements and special problems with consolidations. International topics: standards, foreign exchange transactions and translation of financial statements of foreign subsidiaries.

ACC 521 Fund Accounting. (3) I, II. Prerequisite: ACC 302 with a minimum grade of “C”. Advanced study of accounting and fiscal procedures for institutions and for federal, state, county, and municipal governments.

ACC 523 Taxation of Corporations. (3) A. Prerequisite: ACC 301 with a minimum grade of “C”. Federal income tax report preparation with emphasis on partnership and corporate returns; estate and trusts; gift and estate taxes; special problems in preparation of tax returns.

ACC 525 Forensic Accounting. (3) A. Prerequisites: ACC 301 and 322 or 322S and GBU 204 with a grade of “C” or better. A study of investigative accounting procedures and techniques used in litigation support. Topics to be covered include financial reporting fraud, employee fraud, income reconstruction methods, testifying as an expert witness, evidence management, cybercrime, and business valuations.

ACC 527 Advanced Management Accounting Seminar. (3) II. Cross-listed as ACC 727. Prerequisites: ACC 302, ACC 327, AEM 202, and FIN 300 with a grade of “C” or better in each course. Address financial, nonfinancial, and ethical dimensions of decision-making related to planning, control, and reporting. Course content goes beyond creation and accumulation of information, emphasizing appropriate control, measurement, and use of managerial accounting information. Credit will not be awarded for both ACC 527 and ACC 727.

ACC 590 Special Topics in Accounting: (1-3) A. Prerequisites: Departmental Approval. For special topics related to the field of Accounting beyond the scope of regularly offered courses. May be taken to a maximum of 6 hours provided subtile/topics vary.

ADM— Apparel Design and Merchandising Dr. Diane Leggett, Chair

ADM 102 Introductory Apparel Production. (3) I, II. Basic principles of apparel production; selection, alteration and fitting of commercial patterns.

ADM 119 Introduction to Apparel Design and Merchandising. (3) I. An introductory study of apparel and textile producers, designers, merchandisers, retailers, consumer characteristics, consumer behavior, and ethical issues. Information sources about the industry and consumers are examined. Emphasis on solving and the development of sewn products and services in the apparel industry.

ADM 141 Advanced Apparel Production. (3) A. Prerequisites: ADM 102 or department approval. Solving design problems through fabric selection, patternmaking techniques, and apparel production methods. Presentation of design concepts in a portfolio.

ADM 413 Apparel Merchandising. (3) A. Prerequisites: ADM 119 and ECO 230. The merchandising of apparel, including merchandise control, buying procedures, vendors, vendor relations, planning assortments and budgets for basic and fashion categories. Practice in merchandise mathematics.

ADM 339 Visual Merchandising. (3) I. Prerequisite: junior standing or department approval. Principles and techniques used in the display of fashion goods for store windows and interior fittings. Artwork design which influences quality levels of sewn products, and principles of design and aesthetics of dress.

ADM 319 Apparel Production. (3) A. Prerequisites: ADM 119 and ECO 230. The merchandising of apparel, including merchandise control, buying procedures, vendors, vendor relations, planning assortments and budgets for basic and fashion categories. Practice in merchandise mathematics.

ADM 315 Contrasting Colors and Textures. (3) A. Prerequisites: ADM 119 and ECO 230. The merchandising of apparel, including merchandise control, buying procedures, vendors, vendor relations, planning assortments and budgets for basic and fashion categories. Practice in merchandise mathematics.

ADM 340 Applied Learning in Apparel. (5-8) A. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester. Total credit hours not to exceed: twenty-four, associate; sixteen, baccalaureate. Minimum of 80 hours work required for each academic credit.

ADM 493-N Cooperative Study—Apparel. (5-8) A. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester. Total credit hours not to exceed: twenty-four, associate; sixteen, baccalaureate. Minimum of 80 hours work required for each academic credit.
A course designed to offer specialized expertise in technical information; furniture and cabinet assembling, casting, molding, forming, separating, conditioning, metallic materials. Families of processes covered are casting, molding, forming, separating, conditioning, assembling, and finishing. 2 Lec/2 Lab.

AEM 308 Methods of Lean Operations. (3) I, II. Prerequisite: STA 215 or 270 and MAT 107 or higher. Examination of various methodologies such as value mapping, continuous flow, continuous improvement, determination of customer demand, and standard work. Concepts and implementation of pull, line balancing, lean accounting, FMEA, time studies, and total productive maintenance.

AEM 310 Computer Communications in Industry. (3) I. Prerequisite: ENG 102 and TEC 161. A conceptual approach to computer aided communication systems typically applied in industrial environments. Emphasis will be placed on utilizing computer technology to integrate text and graphics in the preparation of documents and presentation materials. Credit will not be awarded for both AEM 310 and AEM 310W.

AEM 310W Computer Communications in Industry. (3) I. Prerequisite: ENG 102 or ENG 105(B) or HON 102, TEC 161. An approach to computer aided written communication typically applied in the industrial environment. Emphasis will be placed on utilizing computer technology to integrate text and graphics in the preparation of documents and presentation materials. Credit will not be awarded for both AEM 310W and AEM 310.

AEM 320 Warehousing and Material Handling. (3) A. PreCorequisites: AEM 202 and 308. A laboratory oriented course that examines basic warehouse layout configurations, material flow, an critical evaluation of the application of computers to control material flow, plus the use of computer simulation to analyze various warehouse layout options for scheduling, picking and material tracking. 2 Lec/2 Lab.

AEM 336 Reliability and Sampling. (3) A. Prerequisite: AEM 202. An overview of reliability, testing, and sampling theories. Topics include component and system reliability, product safety, sampling plans, control charts, and standards.

AEM 339 Material Management. (3) I, II. Prerequisite: BMI 180. An introduction to production management concepts with an emphasis on product and process design, procurement, and production planning and control. Credit will not be awarded for both AEM 339 and ADM 339.

AEM 395 Special topics in AEM. (2-3) Prerequisite: AEM 202, Departmental approval, junior or higher standing. Explores emerging technologies in the area of applied engineering. May be repeated up to a maximum of 9 hours provided subject matter is different each time.

AEM 397 Advanced Machine Drawing. (3) I. Prerequisite: AEM 195. Computer generated detail and assembly drawings. Topics include threads and fasteners, gearing and cams, and dimensioning and tolerancing. 2 Lec/2 Lab.

AEM 400 Integrated Materials Mgmt. (3) I, II. Prerequisite: AEM 202. A senior course which examines consumer demand characteristics, product bill materials, establishing sales and operations plans, production planning and controlling inventory in the supply chain.

AEM 408 Human Resource Development. (3) I, II. Prerequisites: AEM 390 and 406. Involves the design, planning, and implementation of employee training programs and policies.

AEM 467 Comprehensive Exam for BS in AEM (0) A. Prerequisite: Consent of Advisor. Registration is required of all Applied Engineering Management B.S. majors during their last semester. A comprehensive examination is given the last semester before graduation.

AFA—African/African-American Studies

AFA 201 The African Experience. (3) A. Introduces students to the historical, socio-economic, cultural, and political experiences of African people in Africa and Diaspora. It fulfills a core requirement for electrical, and computer controlled fluid circuits. 2 Lec/2 Lab. 

AEM 382 Advanced Material Processing. (3) A. Prerequisites: AEM 201 and 301. A laboratory course involving advanced material processing which includes project planning and management, machining, welding, precipitation layout, and manufacturing. Students will design and fabricate projects that include two-part mold designs, CNC machining, and multi-process welding. 2 Lec/2 Lab.

AEM 383 CAD/CAM Integration. (3) A. Prerequisites: AEM 201. The use of computer application software to link data bases created with computer aided design software to computer numerical control machine tools. 2 Lec/2 Lab.

AEM 390 Advanced Computer Aided Design. (3) A. Prerequisite: AEM 195. A study of advanced topics in three-dimensional computer aided design. The content will include advanced modeling and rendering. 2 Lec/2 Lab.

AEM 392 Computer Aided Machine Drawing. (3) I. Prerequisite: AEM 195. Computer generated detail and assembly drawings. Topics include threads and fasteners, gearings and cams, and dimensioning and tolerancing. 2 Lec/2 Lab.
African-American Studies. Credit will not be awarded for both AFA 201 and 201W.

AFA 201W The African-American Experience. (3) A. Prerequisite: ENG 102, or ENG 105(B), or HON 102(B). Introduces students to the historical, socio-economic, cultural, and political experiences of African people in Africa and the Diaspora. It fulfills a core requirement for African-American Studies. Credit will not be awarded for both AFA 201W and 201. Gen. Ed. Elem. 6.

AFA 2020W The African-American Experience. (3) A. Prerequisite: ENG 102, or ENG 105(B), or HON 102(B). An overview of the historical, social, political, economic, and cultural factors that have helped shape the experiences of African Americans in the United States. It fulfills a core requirement for African-American Studies. Credit will not be awarded for both AFA 2020W and 202. Gen. Ed. Elem. 6.

AFA 225 African-American/African Health Issues. Cross-listed as EHS 225. Provides the student with an understanding of the medical and public health issues relevant to the maintenance of health conditions both in the United States and Africa. Credit will not be awarded for both AFA 225 and EHS 225.

AFA 304 Slavery in the Americas. (3) A. Cross-listed as HIS 304. The history of slavery, bound labor, and freedom in the Western Hemisphere. Special attention will be given to anti-slavery and abolitionist movements. Credit will not be awarded for both AFA 304 and HIS 304.

AFA 305 American African History. (3) A. Cross-listed as HIS 305. African history to 1500: Europe, Africa, and the Americas; trans-Atlantic and domestic slave trades; American slavery; emancipation; post-emanicipation experiences and initiatives; persistence of black nationalism. Credit will not be awarded for both AFA 305 and HIS 305.

AFA 330 U.S. South and Black Education. (3) A. Cross-listed as EDF 330. This course introduces the major themes of Black populations pursuing educational opportunities in Southern States in the U.S. Students will acquire knowledge about historical events, people and policies shaping the evolution of Blacks in education. Credit will not be awarded for both AFA 330 and EDF 330.

AFA 345 Minority Group Politics. (3) A. Cross-listed as POL 345. Examination and comparison of various theories, strategies, forms of participation, leadership styles, and concepts (e.g. Black Power) of minority group politics. Credit will not be awarded for both AFA 345 and POL 345. Gen Ed. VIII.

AFA 346 Diversity and Criminal Justice. (3) A. Cross-listed as CRJ 345. Prerequisite: departmental approval. Contemporary race, gender, and other diversity issues and their relevance to criminal offenders, crime victims, and the criminal justice system. Includes such issues as the civil rights and women’s movements, and equal opportunity. Credit will not be awarded for both AFA 346 and CRJ 345.

AFA 347 Special Topics in AFA Studies. (3) A. Specialized study of selected topics not available in traditional course offerings. May be retaken with different topics to a maximum of six hours.

AFA 349 Applied Learning in AFA Studies. (1-5) A. Work in a cooperative placement related to student’s academic studies. May earn a maximum of three hours. A minimum of 80 hours work required for each semester hour credit.

AFA 349 A-N Cooperative Study: AFA Studies. (1-3) A. Work in a cooperative placement related to student’s academic studies. May earn a maximum of three hours. A minimum of 80 hours work required for each semester hour credit.

AFA 360 Literature of America. (3) A. Prerequisite: ENG 102, 105(B), or HON 102. Cross-listed as ENG 360. Survey of the genres and components of African-American literature. Credit will not be awarded for both AFA 360 and ENG 360. General Education Element 6.

AFA 367 African Caribbean Literatures. (3) A. Prerequisite: ENG 102 or 105(B) or HON 102. Cross-listed as ENG 367. A study of selected literatures written by Caribbean writers of African descent. Credit will not be awarded for both AFA 367 and ENG 367. General Education Element 6.

AFA 372S Blacks in Madison County (3) A. Through a service-learning approach this course provides an opportunity for students to research the historical people, institutions, and cultural factors that helped shape the experience of African-Americans in Madison County.

AFA 378 Black Women in History. (3) A. Cross-listed as WGS 378. Examines the lives of African-American women from slavery to the present with emphasis on the impact of race, gender, and class issues on their multi-faceted lives as women in America. Credit will not be awarded for both AFA 378 and WGS 378.

AFA 385 Early African History. (3) A. Cross-listed as HIS 385. Prerequisite: three hours HIS or departmental approval. History of Africa from earliest times to 1860. Emphasis on social, political, economic, and cultural change in states and societies; oral tradition; the environmental and human activities; slavery and the slave trades. Credit will not be awarded for both AFA 385 and HIS 385.

AFA 386 Modern African History. (3) A. Cross-listed as HIS 386. History of Africa from the 19th century to the present. Themes include: trade and politics; European conquest and African resistance; rural survival and urban popular culture; race, class, gender, ethnicity, and age; African nationalism and independence. Credit will not be awarded for both AFA 386 and HIS 386.

AFA 388 Islam in West Africa. (3) A. Cross-listed as HIS 388. History of Islam and politics in West Africa from the 8th to the present. Emphasis on the role of Islam in major socio-economic, political, and cultural transformations of West African states and societies. Credit will not be awarded for both AFA 388 and HIS 388.

AFA 403 U.S. Civil Rights Movement. (3) A. Cross-listed as HIS 403. Prerequisites: three hours AFA or departmental approval. Examination through primary and secondary sources of the origins, course, ideologies, and legacy of the mid-twentieth century American movement for racial justice and equality. Credit will not be awarded for both AFA 403 and HIS 403.

AFA 405 African Textile Design. (3) A. Prerequisite: AFA 201 or 202 or Departmental Approval. This course investigates the symbolism of textile design in Africa, as it examines the developments in contemporary textile art within Africa and in the African Diaspora.

AFS—Aerospace Studies (Air Force ROTC) Gregory Franklin, Chair University of Kentucky (859) 257-7115

Leadership Seminar is open to students who are members of the Air Force Reserve Officer Training Corps or are eligible to pursue a commission as determined by the Professor of Aerospace Studies.

AFS 111 Aerospace Studies I (1) I. This course deals with the Air Force in the contemporary world through a study of the total force structure, strategic offensive and defensive forces, general purpose forces, and aerospace support forces.

AFS 112 Leadership Seminar. (1) I. Introduces Air Force customs and courtesies, dress and ceremonies, and wear of the uniform. The course also includes a discussion of career opportunities in the Air Force.

AFS 113 Aerospace Studies I (1) II. A continuation of AFS 111.

AFS 114 Leadership Seminar. (1) II. A course designed to develop managerial skills including superior/subordinate relationships, communications, customs and courtesies, basic drill movements and career progression requirements. Credit will not be granted toward the requirements for the degree. Pass-Fail only.

AFS 211 Aerospace Studies II (1) I. This course is a study of air power from baloons and dirigibles through the jet age. It is an historical review of air power employment in military and nonmilitary operations in support of national objectives; and a look at the evolution of air power concepts and doctrine.

AFS 212 Leadership Seminar. (1) I. Air Force customs, courtesies, and opportunities are emphasized. The cadet is prepared for individual, flight, and squadron movements in drill and ceremonies.

AFS 213 Aerospace Studies II (1) II. A continuation of AFS 211.

AFS 214 Leadership Seminar. (1) II. Emphasis on preparing cadets for attendance at field training during succeeding summer.

AFS 311 Aerospace Studies III (3) I. Prerequisite: acceptance into the professional officer course. A study of management functions with specific emphasis on the environment. Individual motivational and behavioral process, communication, and group dynamics are included for the development of professional skills.

AFS 312 Leadership Seminar. (1) I. In addition, the cadets receive advanced leadership experiences to prepare for active duty. Cadet responsibilities include planning, organizing, directing, coordinating, and controlling the activities of the cadet corps and preparing briefings and written communications.

AFS 313 Aerospace Studies III (3) II. Prerequisite: AFS 311. A study of leadership with specific emphasis on the Air Force leader. Includes theoretical, professional, and communicative aspects. In addition, military justice and administrative law are discussed within the context of the military organization.

AFS 314 Leadership Seminar. (1) II. Cadets continue preparations for fulfilling leadership positions as an active duty Air Force officer.

AFS 411 Aerospace Studies IV (3) I. Prerequisites: AFS 311 and 313. A study of the military profession, civil-military interactions, communication skills, framework of defense policy, and formulation of defense strategy.

AFS 412 Leadership Seminar. (1) I. Involves the cadets in higher level advanced leadership experiences. In addition, the cadets receive a block of instruction for Initial Commissioned Service.

AFS 413 Aerospace Studies IV (3) II. Prerequisite: AFS 411. Continues the study of strategy and the management of conflict, formulation
and implementation of U.S. defense policy, defense organization, and case studies in defense policy making.

AFS 414 Leadership Seminar. (1) II. Cadets prepare for Initial Commissioned Service by fulfilling advanced leadership positions. Continued emphasis on group dynamics and the role of future leaders in the Air Force.

AFS 495 Independent Work. (2-6) A. Prerequisite: approval of professor of aerospace studies. A project or an advanced problem on an aerospace subject under the guidance of the Chairman of the Department of Aerospace Studies.

AGR—Agriculture
Dr. John Settimi, Chair

AGR 105 Introductory Topics in Agriculture. (3) I, II. A non-structured course for incoming students who have met the secondary skills standard examination requirements in the area of agriculture. Departmental chair approval required prior to enrollment. May be taken to a maximum of 6 hours.

AGR 115 Operation of Agricultural Equipment. (2) I. Lecture, laboratory and field experiences related to agronomic power equipment, and their safe operation, including hydraulic, electric, chemical, and processing and handling facilities. 1 Lab.

AGR 126 Animal Science Laboratory. (1) I. Corequisite: AGR 125. Applied principles in the proper handling, restraint, and management techniques in beef, dairy, sheep, swine, and horses.

AGR 131 Agronomy Laboratory. (1) I. Corequisite: AGR 130. Laboratory and field experiences related to plant growth, development, and management of agronomic resources.

AGR 201D Agricultural Measurements. (2) A. Prerequisite: MAT 105 or higher. Measuring and computing areas of land, volumes and capacities of buildings, and feed structures, spray mixtures, fertilizer needs, parts per million, feed rations and other measurement situations encountered on the farm. Majors must take AGR 210 during the first 60 hours of credit; this course will not be awarded transfer credit. Students must take AGR 210 during their first semester after declaring a major.

AGR 213 Principles of Agricultural Mechanics and Energy Systems. (3) I, II. Principles of operation, maintenance, and repair of electrical motors; basic electrical circuits, electrical power generation and electrical controls for agricultural mechanization systems and power requirements for agricultural structures; theoretical and practical experience.

AGR 215 Principles of Soils. (3) I, II. Corequisite: AGR 216. Soil origin, classification and properties, soil conservation, soil microorganisms, organic matter, soil water, soil minerals, lime and compost, challenges, soil placement and management.

AGR 216 Principles of Soils Laboratory. (1) I, II. Corequisite: AGR 215. Laboratory and field experiences related to soils and their properties, including soil sampling, fertility, pH, liming, water and texture. 2 Lab.

AGR 225 Evaluation and Selection of Livestock. (3) I, II. An evaluation of dairy cattle, beef cattle, swine and sheep; use of records, body type ratings, and carcass information as they relate to functional anatomy and efficiency of production; sire selection and pedigree interpretation. 2 Lec/2 Lab.

AGR 250 Light Horse Production and Management. (3) A. History and role of equine industry, breeds of horses and ponies for work and pleasure, includes management, breeding, culls, and care of horses.

AGR 255 Companion Animal Management. (3) A. Care and management of dogs, cats, rabbits, birds, reptiles and tropical fish. Companion animal breeds, behavior, nutrition, genetics and reproduction will be emphasized.

AGR 301A Travel Study in Agriculture Technology. (1-6) A. A travel course for groups and individuals in agriculture and horticulture to study new and emerging new technologies in agriculture and horticulture, structural organizations of agricultural enterprises, and professional and interpersonal relationships. May be taken once.

AGR 301 Directed Work Experience. (1-4) I, II. Agriculture majors only; minimum sophomore standing or departmental approval. A minimum of three hours per week per hour of credit using university or other approved facilities. May be taken for a maximum of 4 credit hours.

AGR 302 Directed Work Experience - Management Practicum. (3) I, II. Student will schedule nine hours of work per week during the semester on a university farm to practice management and production skills related to a livestock herd or machinery operations. Options may be taken to a maximum of 12 hours.

AGR 302A Agricultural Mechanization Option. (3) I. A. Prerequisite: AGR 210. Design and preparation of farm machinery operations. 1 Lec/2 Lab.

AGR 302B Crop Production Option. (3) I. A. Prerequisite: AGR 210. Crop production operations. 1 Lec/2 Lab.

AGR 302C Dairy Production Option. (3) I. A. Prerequisite: AGR 210. Dairy production operations. 1 Lec/2 Lab.

AGR 302D Cattle Production Option. (3) I. A. Prerequisite: AGR 210. Cattle production operations. 1 Lec/2 Lab.

AGR 302E Sheep Production Option. (3) I. A. Prerequisite: AGR 210. Sheep production operations. 1 Lec/2 Lab.

AGR 304 Pest Management. (4) II. Identification of the principal insects and other pests of livestock in Kentucky. Control measures are identified with special emphasis on the safe use of chemicals and equipment calibration. Credit will not be awarded for both AGR 304 and AGR 304H. 3 Lec/2 Lab.

AGR 305 Professional Skills Seminar. (1) A. Prerequisite: completion of 30 hours in the Associate or more than 60 hours and less than 90 hours in the Bachelor Degree Program. Course prepares students for the job market; including resume development, cover letter preparation, job interview skills, and the job search process. 1 Lab.

AGR 306 The Global Society’s Food Supply. (3) A. A study of the complexities of the global food and fiber supply including the production, manufacturing and distribution systems. These studies include historical influences, current topics and health related food issues.

AGR 308 Agricultural Economics. (3) I, II. A. Prerequisite: ECO 230. An introduction to the economic environment of the agribusiness sector. Examines the role of agriculture in the U.S. and world economies. Includes concepts and principles concerning individual agribusiness decision making.

AGR 310 Principles of Agribusiness Management. (3) II. Prerequisite: AGR 308. Organization and operation of the farm related agricultural business with emphasis on budgeting, enterprise selection, financial statements, and resource management. Includes microcomputer applications and survey of government regulations that are applicable to topic.

AGR 311 Agriculture Metal Fabrication. (2) A. Principles and techniques of arc and oxyacetylene welding and soldering as it pertains to fabrication and repair of agriculture machinery and equipment. 1 Lec/2 Lab.

AGR 311A Principles and Management of Grasslands and Pastures (4) A. Prerequisite: AGR 130 and 131, and Junior Standing. Examination of grasslands and pastures from an ecological perspective with an emphasis on wildlife and livestock management. 3 Lec/2 Lab.

AGR 318 Soil/Water Conservation Technology. (3) I. A. Principles and procedures for basic surveying and soil-water conservation systems. This will include how rainfall, run-off, erosion, contours, ponds, lagoons, drainage, and irrigation interact with the desired conservation system. 2 Lec/2 Lab.

AGR 319 Renewable and Sustainable Energy Systems. (3) II. Cross-listed as ENV 319. Prerequisite: ENG 102 or ENG 105 and HON 102; and MAT 105 or higher. Principles of energy and how those needs can potentially be met in the future will be discussed. Comparisons of existing energy sources (fossil fuels, nuclear power) with renewable sources (biomass, solar, and tidal). Credit will not be awarded for both AGR 319 and ENV 319.

AGR 321 Feeds and Feeding. (4) I. Feeds used in livestock feeding; including harvesting, storage, feeding characteristics, and ration formulation from these feedstuffs. 3 Lec/2 Lab.

AGR 327 Beef Production. (4) I. Prerequisites: AGR 125 and 126. History, importance, and trends associated with the beef cattle industry; systems of selecting, breeding, feeding, marketing, and management of beef cattle. 3 Lec/2 Lab.

AGR 328 Swine Production. (4) A. Prerequisites: AGR 125 and 126. History, importance, and trends associated with the swine industry; systems of selecting, breeding, feeding, marketing, and management of swine. 3 Lec/2 Lab.

AGR 329 Sheep and Goat Production (4) A. Prerequisite: AGR 125 and 126. An overview of the sheep and goat industry. Topics include selection, breeding, reproduction, health, nutrition, management, and marketing of sheep and goats and their products. 3 Lec/2 Lab.

AGR 330 Animal Products. (2) A. Principles of grading, cutting, identifying, pricing, and consumer evaluation of poultry, beef, pork, and lamb cuts, and related products. 1 Lec/2 Lab.

AGR 332 Poultry Production and Management. (3) A. History and importance of the poultry industry, breeds, breeding, feeding, and management in the layer and broiler industry.

AGR 340 Conservation of Agricultural Resources. (3) A. Cross-listed as ENV 341. Prerequisite: any ENV or AGR course and Junior standing. Conservation of soils and their fertility, erosion and control, soil conservation methods for individual farms, water supply and distribution, problems of water and air pollution, problems resulting from the population explosion. Credit will not be awarded for both AGR 340 and ENV 341.

AGR 345 Sustainable Agriculture Systems. (3) A, I. Prerequisites: any course in chemistry, AGR 130, and 131; or OHO 131 and 132 or BIO 131. A comprehensive study of new technology related to crop, and pest management practices which could enhance economic returns, environmental quality, and the resource base for the short and long term.

AGR 349 Applied Learning in Agriculture. (5-8) A. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate: sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

AGR 349 A-N Cooperative Study: Agriculture. (5-8) A. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate: sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

AGR 350 Agricultural Marketing. (3) A. Prerequisite: AGR 308. A study of concepts, principles and practices of marketing as applied to the agribusiness system. Emphasis on agricultural input, production and processing/manufacturing sectors. Includes agriculture futures commodity market theory, mechanics and practical applications.
AGR 362 Hydraulic Systems. (2) A. A study of basic principles of hydraulic systems and their application to agricultural and turf equipment. Lab experience will provide familiarity and practice with equipment. 1 Lec/2 Lab.

AGR 372 Topics and Laboratories in Animal Science (1-2) A. May be taken to a maximum of two hours, provided the topics are different.

AGR 372A Feeds and Feeding Laboratory.

AGR 373 Animal Diseases. (3) L. Prerequisite: six hours of animal science. Treatment, prevention, and eradication of livestock and parasitic disease of farm animals.

AGR 375 Reproduction and Artificial Insemination of Domestic Animals. (3) A. Prerequisite: six hours of animal science. Reproductive systems, study and practice of artificial insemination, and pregnancy diagnosis of domestic animals. 2 Lec/2 Lab.

AGR 376 Anatomy and Physiology of Domestic Animals. (3) A. Prerequisite: AGR 125. Fundamental physiological processes of livestock relating to production, nutrition, and diseases. 2 Lec/2 Lab.

AGR 377 Livestock Behavior and Welfare (3) A. Prerequisite: AGR 125 and 126. An overview of livestock behavior and its application in modern animal husbandry.

AGR 380 Technical Management of Dairy Cattle. (4) L. Prerequisites: AGR 125 and 126. History, economics and nutritional importance and trends associated with the dairy industry including systems of selecting, breeding, feeding, sanitation, housing, marketing and management for financial success emphasizing both the cow and herd management. 3 Lec/2 Lab.

AGR 381 Agriculture Structures. (3) L. Study the principles of planning, drawing, locating, and constructing farm livestock and housing facilities. Also, develop an understanding of closely related structure aspects: such as, environmental control, waste management, ventilation, and structure design. 2 Lec/2 Lab.

AGR 383 Diesel Power Systems. (3) L. Study of the operation, maintenance, and repair of agricultural and industrial powered systems; includes electrical systems, fuels, injection pumps, and nozzles; laboratory practice. 2 Lec/2 Lab.

AGR 404 Advanced Pest Management. (3) A. Prerequisite: AGR 304 or OHO 304. Physical, biological, chemical, cultural, and genetic control of insects, weeds, and diseases. Specific emphasis on the science behind pest controls and use of organic and/or sustainable control methods.

AGR 409 Agriculture Business Records and Analysis. (3) L. Management and analysis of record systems for decision support involving organization, enterprise selection, and operation of agricultural and horticultural businesses.

AGR 410 Independent Study in Agriculture: __________ (1-3) II. Prerequisite: Departmental approval. Students choose a problem and work under the supervision of the instructor in the field of the problem. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken for a maximum of six credit hours provided topics are different. Credit will not be awarded for both AGR 410 and 410H 410.

AGR 411 Senior Seminar. (1) I, II. Prerequisite: senior standing. Preparation of graduates to enter the job market. Students complete oral presentations, resumes, job applications, cover letters, job interviews and register with CD and P. Includes overall assessment of the graduate and department curriculum.

AGR 416 Soil Fertility and Management. (3) A. Prerequisite: AGR 215 and 216. Management of soils used in turfgrass, vegetable and crop production. Topics include soil fertility and various soil amendments such as lime, organic and inorganic fertilizers, soil fertility programs, problem soils, and soil conservation.

AGR 417 Plant Tissue Culture Techniques. (3) I, II. A study of regeneration and morphogenesis of plant materials with emphasis on media preparation, callus induction, and in vitro propagation for several economic plant species. 1 Lec/2 Lab.

AGR 421 Animal Nutrition. (3) II. Prerequisite: AGR 122 or instructor approval. Principles of nutrition basic to modern livestock feeding; symptoms of nutrient deficiencies, nutritional disorders, metabolism of nutrients, feed additives, and modern methods of feed preparation and feeding.

AGR 430 Row and Biofuel Crops (3) A. Prerequisite: AGR 130 and 131. Advanced study of crop production theories and practices for row crops and biofuel crops. Topics include ecological, physiological and economic aspects of production. 2 Lec/2 Lab.

AGR 440 Agricultural Financing. (3) II. Uses and types of agricultural credit, credit institutions, and credit needs for farm enterprises.

AGR 499 Agricultural Advocacy and Issues Capstone (3) A. Prerequisite: Junior or Senior standing. Development of critical thinking skills, debates of current issues facing agriculture, and training to become agriculture advocates.

AGR 501 Independent Study in Agriculture: __________ (3) A. A course for exceptional seniors involving independent study and research related to problems of a theoretical and/or practical nature. May be retaken to a maximum of six hours. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

AGR 509 Agricultural Research Methods and Interpretation. (3) I. Prerequisite: Junior or Senior standing. Explores the scientific underpinnings of modern agriculture and adaptive management, including: the scientific method, observation, experimentation, and data interpretation with an examination of fallacies that masquerade as science. May be repeated up to six hours provided topic is different.

AGR 570 Advanced Soil Science. (3) A. Prerequisite: AGR 200. Advanced study of soils used in turfgrass, vegetable and crop production. Topics include soil fertility and various soil amendments such as lime, organic and inorganic fertilizers, soil fertility programs, problem soils, and soil conservation.

ANG 200 Introduction to Animal Studies. (3) A. A survey of the field of animal studies focusing on animals’ lives and histories, and the human experience of animals as food, as objects of entertainment, spectacle and science, as companions, and as representatives of underpinning underpinnings of religious belief systems across cultures and time. May be repeated once, provided the subject matter differs each time.

ANG 200A Applied Learning in Animal Studies. (5-8) A. Prerequisites: ANS 200 (C) and BIO 112 (C), and ANT 120 (C) or departmental approval. Work in placements related to academic studies. A minimum of 80 hours employment required for each semester hour credit. Course may be repeated for up to 16 credits total. Graded Satisfactory/ Unsatisfactory.

ANT 400 Senior Seminar: __________ (3) A. Prerequisite: ANS 200 (C) and 15 hours of courses required for the ANS major. The examination of a topic in animal studies from the perspectives of science, philosophy, and humanities. May be retaken once, provided the subject matter differs each time.

ANT 499 Senior Exit Course in Animal Studies (0-1, II). Prerequisite: Senior standing major in animal studies. Students will complete the Senior Exit Survey and the Senior Knowledge Exam in this course.

ANT—Anthropology

Dr. Kelli Carmean, Chair

ANT 120 Introduction to Cultural Anthropology. (3) I, II. Explanation of culture and related concepts. Development of generalizations concerning social, economic, political, and ritual organization, based chiefly on comparative study of various traditional societies. Includes a brief survey of archeology and linguistics. Gen. Ed. E-3B.

ANT 201 Anthropology of Human Society. (3) A. Study of the evolution of human societies through time and over space. The course focuses on hunter-gatherer, horticultural, agrarian and industrial societies, and their change through time. Credit will not be awarded to students who have credit for both ANT 210 and 211. Gen. Ed. E-3A.

ANT 306 Human Evolution. (3) A. Prerequisite: ANT 201 or departmental approval. A detailed analysis of primate and human development emphasizing the fossil evidence of human kind’s evolution.

ANT 308 Quantitative Methods in Anthropology (3) A. Prerequisite: ANT 201. Addresses how anthropologists collect and organize quantitative data, select and utilize appropriate statistical analyses and procedures, and summarize results. Emphasis is given to physical anthropology applications.

ANT 311 Anthropology of Religion (3) A. Prerequisite: ANT 201 or 202. Anthropological exploration of religious belief systems across cultures and time. Analyzes the intersection of religion with subsistence strategies, economic systems, political systems, and gender structures. Topics include magic, witchcraft, sorcery, monotheism, polytheism, possession, and health.

ANT 321 Historical Archaeology. (3) A. Prerequisite: ANT 120 or ANT 201. This course provides an introduction to the material culture of North America’s recent past. Lecture is combined with hands-on exercises using historic artifacts and documentary sources.

ANT 330 American Indians. (3) A. Prerequisite: ANT 201 or 202. The cultural diversity of American Indians by examining their historical and contemporary lives. Focus on cultural similarities and differences of American Indian groups living in ecologically diverse areas. Gen. Ed.
ANT 341 North American Archaeology. (3) A. Prerequisite: ANT 120 or ANT 200. A basic but comprehensive introduction to North American archaeology from the earliest peopling through European Contact.

ANT 344 Applied Anthropology (3) A. Prerequisite: ANT 120 or ANT 200. Comprehensive survey of applied anthropology theories, methods, and approaches. Based on extensive cross-cultural case material. Examines the historical, current, and potential applications of anthropological perspectives to social problems.

ANT 351W Archaeology. (3) A. Prerequisites: ANT 120, 200, and 201, and ENG 102 or ENG 105B or HON 102. A comprehensive introduction to archaeological goals, methods, practice and challenges. Data-based problem solving, critical thinking and writing are integral components of this course. Credit will not be awarded for both ANT 351W and ANT 350.

ANT 355 Selected Topics in Archaeology. (1-3) A. Prerequisite: ANT 120 or 200 or departmental approval. Topics vary. Offered occasionally. May be retaken to a maximum of nine hours, provided the subject matter differs each time.

ANT 355P Archaeology and the Law. (3) A. Prerequisite: ANT 120 or 200. Survey of Federal legislation for the management of cultural resources, and the roles of human and other materials to descendants of Native American tribes. Global heritage issues also addressed.

ANT 360 Mesoamerica Before Cortez. (3) A. Prerequisite: ANT 120 or ANT 200. The study of archaeological past, the colonial experience, and the contemporary reality of the Indians of Mesoamerica, focusing primarily on the ancient Maya.

ANT 365 Selected Topics in Physical Anthropology. (1-3) A. Prerequisite: ANT 201 or departmental approval. Topics vary. Offered occasionally. May be retaken to a maximum of nine hours, provided the subject matter differs each time.

ANT 370 Primate Conservation (3) A. Prerequisite: ANT 201 or departmental approval. The study of primates. Topics vary. Offered occasionally. May be retaken to a maximum of nine hours, provided the subject matter differs each time.

ANT 375 Selected Topics in Cultural Anthropology. (1-3) A. Prerequisite: ANT 120 or ANT 200. Exploration of health, healthcare, and healing cross-culturally. Through medical anthropology theory and methods, apply critical perspectives to the health status of populations, the distribution of health in societies, and health outcomes. Credit will not be awarded for both ANT 377 and ANT 377S.

ANT 377 Medical Anthropology. Service Learning. (3) A. Prerequisite: ANT 120 or ANT 200. Exploration of health, healthcare, and healing cross-culturally. Through medical anthropology theory and methods, apply critical perspectives to the health status of populations, the distribution of health in societies, and health outcomes. Credit will not be awarded for both ANT 377 and ANT 377S.

ANT 385 Forensic Anthropology. (3) A. Prerequisite: ANT 201. Forensic osteology and dentistry; including demographic methods, pathology, and practical methods of collecting human physical evidence; and the role of the expert witness. 2 Lab.

ANT 385W Human Osteology. (3) A. Prerequisite: ANT 385. Analysis of individual skeletal remains, focusing on functional anatomy and bone physiology, disease and injury, and nutrition. Includes introductions to bioarchaeology, forensic anthropology, and biocultural reconstruction.

ANT 393 Kinship and Marriage. (3) A. Prerequisite: ANT 120 or ANT 200. Explores anthropological perspectives of social organization emphasizing kinship, families, and marriage across cultures. Through case examples, understand the anthropological methods and theories that guide studies of how cultures and societies organize social units.

ANT 395 History and Theory of Anthropology. (3) A. Prerequisites: ANT 120, ANT 200, ANT 201 and Senior standing. A capstone investigation of past and present practices and theories used to interpret data from each of anthropology’s four subdisciplines. Professionalism in anthropology also integrated.

ANT 439 Practicum in Archaeology. (3) A. Prerequisite and/or Corequisite: ANT 351W, ANT 470, or departmental approval. This course pairs senior anthropology majors with professional archaeologists for on-the-job training. Practicum options may include federal and state governments, private archaeological consultants, and anthropology museums.

ANT 470 Field Methods in Archaeology. (4) A. Prerequisite: ANT 351W with a minimum grade of "B -". A hands-on study of archaeological field methods including excavation techniques as well as some laboratory analysis of archaeological remains. May be repeated for 4 additional hours provided the dig site is different.

ANT 471 Archaeological Materials Analysis (3). Prerequisite: ANT 351W with a minimum grade of "B -". Familiarizes students with processing, analysis, and interpretation of archaeological materials. This course has a laboratory component where students will work with archaeological materials.

ANT 490 Independent Study in Anthropology. (1-6) A. Prerequisite: student must consult with the faculty supervisor and have the independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment.

APP—Appalachian Studies
Dr. Sara Ziegler, Dean
Dr. Alan Banks, Director

APP 200 Introduction to Appalachia. (3) A. An introduction to the interdisciplinary study of the Appalachian region. Special emphasis on the region’s place in a national and global context, and on internal and external definitions of the region. Gen. Ed. E 5-8 and E-6.

APP 340 Environmental Economics. (3) A. Cross-listed as ECO 340 and ENV 340. Prerequisite: ECO 230. Applications of basic economic analysis to a study of the environment and environmental problems. Major topics include benefit-cost analysis for environmental decision-making, the potential for market-based solutions to environmental problems, and the role and development of environmental policy. Credit will only be awarded for APP 340, or ECO 340, or ENV 340.

APP 350 Special Topics. (3) A. Exploration of particular topics not covered in the existing curriculum as defined by ANT 201. Analysis of ANT 201 with a minimum grade of six hours provided the subject matter is different each time.

APP 355 Rural Crime and Justice (3) A. Cross-listed as CRJ 355. Prerequisite: sophomore standing. Survey of rural crime and justice issues, crime trends, policing and control of rural crime with particular attention given to Kentucky and Appalachia. Credit will not be awarded for both CRJ 355 and APP 355.

APP 363 Appalachian Images in Film and Song. (3) A. Cross-listed as SOC 363. Completion of SOC 131 is advised before taking APP 363. Media images of the Appalachian region and its people through film and music; the processes by which such images become produced and reproduced. Credit will not be awarded for both APP 363 and SOC 363.

APP 365 Appalachian Literature. (3) A. Cross-listed as ENG 365. Prerequisites: ENG 102 or 105B or HON 102. Study of selected Appalachian authors, with emphasis on interdisciplinary, cultural, and aesthetic concerns raised in works by writers such as Arnsw, Berry, and Still. Credit will not be awarded to students who have credit for ENG 365, ENG 365W, or APP 365W. Gen. Ed. Elemt 3B and 6.

APP 365W Appalachian Literature. (3) A. Cross-listed as ENG 365W. Prerequisite: HON 102 or 105B or HON 102. Writing-intensive study of selected Appalachian authors, with emphasis on interdisciplinary, cultural, and aesthetic concerns raised in works by writers such as Arnsw, Berry, and Still. Credit will not be awarded to students who have credit for ENG 365, ENG 365W or APP 365W. Gen. Ed. Elemt 3B and 6.

APP 366 Social Change in Appalachia. (3) A. Cross-listed as SOC 366. Completion of SOC 131 is advised before taking APP 366. Analysis of patterns of social change and development in an important area of the Southern United States, Central and Southern Appalachia. Emphasis will be placed upon interdisciplinary perspectives and the importance of historical research. Credit will not be awarded for both APP 366 and SOC 365.

APP 370 Religion in Appalachia. (3) A. Cross-listed as SOC 370. Completion of SOC 131 is advised before taking APP 370. An examination of diversity and change in the religious beliefs, practices, groups, and organizations found in the Southern Appalachian region. Credit will not be awarded for both APP 370 and SOC 370.

APP 373 Politics of Development in Appalachia. (3) A. Cross-listed as POL 373. This course examines community and economic development in the Appalachian region with special emphasis on Kentucky. Focus will be on the political, economic, and social aspects affecting development. Credit will not be awarded for both APP 373 and POL 373.

APP 420 Appalachia in American History. (3) A. Cross-listed as HIS 420. Prerequisite: three hours HIS or department approval. The relationship between Appalachia and the rest of the United States. Topics include the “yoeman” myth, coal industrialization, settlement houses, company towns, and the identification of the region with poverty. Credit will not be awarded for both APP 420 and HIS 420.

APP 430 Sustainability in Appalachia (3) A. Cross-listed as GEO 430 and ENV 430. Prerequisites: GEO 100, 210 or 220; ENG 102, ENG 105B, or HON 102; MAT 105 or higher; or departmental approval. Examination of Appalachia’s ecological, social, and economic patterns and the processes through which residents can ensure their social, economic and ecological sustainability in the future. Credit will not be awarded for students who have credit for GEO 430 or ENV 430.

APP 460 Seminar in Appalachian Studies. (3) A. Prerequisite: 12 hours Appalachian Studies or instructor approval. In-depth analysis of current social, political, economic or environmental issues in the Appalachian region through a directed research project or applied service-learning field experience. Capstone course for the Appalachian Studies minor.

APP 490 Independent Study. (1-3) A. Prerequisite: Student must have the independent study form/proposal approved by the faculty member and Center director prior to enrollment. May be taken for a maximum of six hours provided the subject matter is different each time.

APP 520 Providing Health Care Services in Appalachia. (3) A. Cross-listed as OTS 520/720. Prerequisite: departmental approval. An analysis of
the development and delivery of health care services in Appalachia. Examination of relevant current and historical factors which have an impact on the health of the Appalachian people. Credit will not be awarded for both APP 520 and OTS 520/720.

ARH—Art History

Mr. Herb Goodman, Chair

ARH 390 Survey of Art History I: Non-Western Art. (3) I, II. Prerequisites: ENG 102, 105 (B) or HON 102; ART 164 or 200. A writing intensive study of the arts of Asia, Africa, Oceania, and Native Americans. Credit will not be awarded to students who have credit for ARH 390W.

ARH 390W Survey of Art History I: Non-Western Art. (3) I, II. Prerequisites: ENG 102, 105 (B) or HON 102; ART 164 or 200. A writing intensive study of the arts of Asia, Africa, Oceania, and Native Americans. Credit will not be awarded to students who have credit for ARH 390.

ARH 391 Survey of Art History II: Western Art. (3) I, II. Prerequisites: ENG 102 or 105 (B) or HON 102; ART 164 or 200. A study of the art of Western Civilization from Ancient Greece to Modern Europe and America. Credit will not be awarded to students who have credit for ARH 391W or ART 391.

ARH 463 Problems in Art History. (1-3) A. Prerequisite: ARH 390 or 391 or ART 390 and 391 and approval of proposal by department. Limited to seniors. Continuation of study begun in regular, departmental, art history courses. May be retaken to a maximum of nine hours.

ARH 464 Renaissance and Baroque Art. (3) A. Prerequisite: ARH 390 or 391 or departmental approval. An indepth study of representative aspects of the painting, sculpture, and/or architecture of Europe between 1400 and 1750.

ARH 465 History of Graphic Arts. (3) I, II. Prerequisites: HIS 202 and 203; or ARH 390 and 391. A specialized study of the history of American architecture from the beginnings of colonization in the 16th century to the late 20th century, focusing on regional and period styles and the range of typologies.

ARH 467 U.S. Architectural History. (3) I, II. Prerequisites: HIS 202 and 203; or ARH 390 and 391. A specialized study of the history of American architecture from the beginnings of colonization in the 16th century to the late 20th century, focusing on regional and period styles and the range of typologies.

ARH 492 Greek and Roman Art. (3) A. Prerequisite: ARH 390 and 391 or ART 390 and 391 or departmental approval. Study of the history of the classical Greek and Roman architecture, sculpture, and painting from the beginnings of Greek art at the time of Constantine.

ARH 493 Medieval Art. (3) A. Prerequisite: ARH 390 and 391 or ART 390 and 391 or departmental approval. Development of art in Eastern and Western Europe from 313-1400 A.D.

ARH 496 Nineteenth Century Art. (3) A. Prerequisites: ARH 390 and 391 or ART 390 and 391 or departmental approval. Study of major artistic styles of the century, including neoclassicism, romanticism, realism, impressionism, and post impressionism.

ARH 497 History of Modern Art. (3) A. Prerequisites: ARH 390 and 391 or ART 390 and 391 or departmental approval. A specialized study of art and architecture in Europe and America from the late nineteenth to the late twentieth century.

ARH 499 U.S. Art History. (3) A. Prerequisites: ARH 390 and 391 or departmental approval. An in-depth study of the arts of the United States of America from 1565 to 2000.

ART—Art

Mr. Herb Goodman, Chair

ART 098 Introduction to Visual & Performing Arts. (3) A. An interdisciplinary course in the visual and performing arts, incorporating the study of the relationships between the arts of theater, visual art, and music within their larger cultural context. Students will explore the arts experiences available to themselves, cultivating both a personal appreciation and broader understanding of the arts. Meets the KDE Pre-College Curriculum visual and performing arts deficiency, and does not count toward degree credit.

ART 100 Drawing I. (3) I, II. A. Introduction to basic principles and techniques of drawing, emphasizing perceptual skills and the use of value and line.

ART 101 Drawing II. (3) I, II. Prerequisite: ART 100. Continuation of ART 100, with emphasis on the human figure as subject matter. Classroom instruction utilizes draped and undraped (clothed and unclothed) human models.

ART 152 Design, Two-Dimensional. (3) I, II. Introduction to the elements and principles of design as they apply to the two-dimensional surface.

ART 153 Design, Three-Dimensional. (3) I, II. Introduction to the elements and principles of design as they apply to the three-dimensional surface.

ART 164 Concepts of Art and Design. (3) I, II, A. An introduction for Art & Design majors, providing an understanding of why art is made, how it is evaluated, and the ways in which it relates to society. Includes experience in written and oral analysis of art and design work in terms of media, composition and function.

ART 200 Art Appreciation: Orientation. (3) I, II. Prerequisite: ENG 101 or ENG 105 or HON 105. Introduction to the visual arts and their purposes, emphasis on ways and means available to the artist. Student has opportunity for individual expression through a visual arts medium. Not open to art majors or minors. Gen. Ed. E-IA.

ART 210 Painting I. (3) I, II. Prerequisites: ART 101, 152, 164. Introduction to painting, emphasizing basic painting techniques and concepts, perceptual skills, and the use of color and materials. Course builds on previous painting courses, providing opportunity to explore contemporary and traditional techniques, media, and subject matter.

ART 211 Painting II. (3) I, II. Prerequisite: ART 210. Continuation of Painting I, emphasizing further development of skills and conceptual abilities as they relate to image-making.

ART 313 Painting III. (3) I, II. Prerequisite: ART 312. Intermediate course in painting. Course builds on previous painting courses, providing opportunity to explore contemporary and traditional techniques, media, and subject matter.

ART 314 Painting IV. (3) I, II. Prerequisite: ART 313, Major GPA 3.0 or above and admission to the BFA program. Intermediate course in painting. Course builds on previous painting courses, providing opportunity to further explore contemporary and traditional techniques, media, and subject matter.

ART 321 Sculpture Survey II. (3) I, II. Prerequisite: ART 220. Continuation of Sculpture sequence, with basic sculptural problems set in foundry, constructive, and mixed-media processes.

ART 322 Intermediate Sculpture I. (3) A. Prerequisite: ART 321. Provides an in-depth exploration of sculptural problems at the intermediate level, developed through projects designed to fit personal interests in figurative sculpture.

ART 323 Intermediate Sculpture II. (3) A. Prerequisite: ART 321. Provides an in-depth exploration of sculptural problems at the intermediate level, developed through projects designed to fit personal interests in figurative sculpture.

ART 331 Printmaking II. (3) I, II. Prerequisite: ART 230. Continuation of Printmaking sequence, with emphasis on etching and relief printmaking processes.

ART 332 Printmaking III. (3) I, II. Prerequisite: ART 331. The student will work in a specific area of printmaking concentration.

ART 333 Printmaking IV. (3) I, II. Prerequisites: ART 332, and admission to the BFA program. The student is free to pursue a program of individual interest. Emphasis placed on creativity and professionalism.

ART 341 Jewelry and Metalsmithing II. (3) I, II. Prerequisite: ART 240. An extension of the introductory course. Advanced study develops students’ understanding of metal as an art medium and provides opportunity for personal expression. Students explore raising, sinking, forging, casting, etching, enameling and advanced fabrication.

ART 343 Jewelry and Metalsmithing III. (3) I, II. Prerequisite: ART 341. An advanced course emphasizing continued creative exploration and personal expression with jewelry and metalsmithing. Students explore raising, sinking, forging, casting, etching, enameling and advanced fabrication.

ART 344 Jewelry and Metalsmithing IV. (3) I, II. Prerequisite: ART 343, Major GPA 3.0 or above and admission to the BFA program. Advanced course emphasizing continued creative exploration with jewelry and metalsmithing. Advanced problems develop students’ understanding of metal as an art medium and provide opportunity for personal expression. Students explore raising, sinking, forging, casting, etching, enameling and advanced fabrication.

ART 370 Ceramics II. (3) I, II. Prerequisite: ART 270. Introduction to the wheel forming process with clay. Basic formulation of clay and glazes.

ART 371 Ceramics III. (3) I, II. Prerequisite: ART 370. An exploration into the fundamental structural problems of sculptural ceramic forms. Research into various decorating techniques utilizing clay and glaze.

ART 376 Ceramics for Non-Majors. (3) A. Prerequisite: none. Closed to Art majors. An introduction to the craft and art of Ceramics for non-Art majors, providing fundamental experiences with materials, handbuilding, decoration, and firing directed toward both aesthetic and functional problem-solving in the making of ceramic objects. Credit earned may eventually be applied to a major in Art with approval of the Department.

ART 381 Photography II. (3) I, II. Prerequisite: ART 280. Intermediate course in photography. Builds on creative skills and techniques
learned in previous photography courses. Students may explore conventional, digital and alternative processes.

**ART 382** Photography III. (3) I, II. Prerequisite: ART 381. Intermediate course in photography. Builds on creative skills and techniques learned in previous photography courses. Course may cover technical, digital or alternative processes.

**ART 383** Photography IV. (3) I, II. Prerequisite: ART 382. Major GPA 3.0, and admission to the BFA program. Intermediate course in photography. Builds on creative skills and techniques learned in previous photography courses. Course may cover technical, digital or alternative processes.

**ART 401** Advanced Drawing. (3) A. Prerequisites: ART 300 and 301. Advanced problems in drawing emphasizing personal explorations of media and imagery.

**ART 413** Advanced Painting. (3) I, II. Prerequisites: ART 313, 314, Major GPA 3.0, and admission to the painting option of the BFA program. Advanced problems in painting emphasizing the student’s personal expression through imagery and techniques.

**ART 414** BFA Painting. (3) I, II. Prerequisites: ART 413, Major GPA 3.0, and admission to the BFA program. Corequisite: ART 499. Final exit course in BFA painting area with emphasis in professional development. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

**ART 423** Advanced Sculpture. (3) I, II. Prerequisite: ART 322, 323, Major GPA 3.0, and admission to the sculpture option of the BFA program or departmental approval. The students’ sculptural abilities are defined and directed at the advanced level, through individually tailored extended projects.

**ART 424** BFA Sculpture. (3) I, II. Prerequisites: ART 423, Major GPA 3.0, and admission to the BFA program. Corequisite: ART 499. Final exit course in BFA sculpture area with emphasis on professional development. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

**ART 434** Printmaking V. (3) I, II. Prerequisites: ART 433, Major GPA 3.0, and admission to the Printmaking option of the BFA program. Continued independent work in clay as defined and directed through individual projects.

**ART 474** BFA Ceramics: III, IV. (3) I, II. Prerequisite: ART 473, Major GPA 3.0, and admission to the BFA program. Corequisite: ART 499. Final exit course in BFA ceramics area with emphasis on professional development. Course includes preparation for senior show, writing of senior thesis, and portfolio assembly.

**ART 483** Photography V. (3) I, II. Prerequisites: ART 473, Major GPA 3.0, and admission to the photography option of the BFA program. Advanced course builds on creative skills and techniques learned in previous photography courses. Stresses development of student initiative/personal expression.

**ART 484** BFA Photography. (3) I, II. Prerequisites: ART 483, Major GPA 3.0. Corequisite: ART 499. Culminating experience in art photography serving to crystallize and unify individual expression. The student prepares a portfolio and written statement of personal photographic concerns.

**ART 499** Senior Exhibition. (1) I, II. Prerequisite: Major GPA 3.0 and last semester senior in BFA program. Corequisite: ART 414 or 424 or 434 or 444 or 474 or 484 or 494 or 454. Organization and presentation of an exhibition of the student’s work.

**ART 560** Workshop in Art and Design: ___-___, (3). A. Prerequisite: approval of department. Intensive study in a specific phase of the visual arts. Current processes, materials, and theoretical foundation will be considered. May be retaken with different topics to a maximum of nine hours.

**ART 562** Seminar in Art Criticism. (3). A. Prerequisites: ARH 390 and 391. Study of various topics and problems which relate to the student’s understanding and critical awareness of the visual arts.

**ASL—American Sign Language**

**Dr. Laurence Hayes, Chair**

**ASL 102** American Sign Language II. (3) I, II. Prerequisite: ASL 101 with a minimum grade of “C” or departmental permission. Continued development of basic knowledge of and understanding of conversational ASL and cultural features of the language and community. 3 Lec/1 Lab. Gen. Ed. E-6.

**ASL 201** American Sign Language III. (3) I, II. Prerequisite: ASL 102 with a minimum grade of “C” or departmental permission. Development of intermediate expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

**ASL 202** American Sign Language IV. (3) I, II. Prerequisites: ASL 201 with a minimum grade of “C” or departmental permission. Continued development of intermediate expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab.

**ASL 210** ASL Fingerspelling & Numbers. (3) I, II. Prerequisite: ASL 201 with a minimum grade of “C” or departmental permission. The course will focus on the receptive and expressive fingerspelling usage, including lexicalized fingerspelling and various numberings systems within ASL.

**ASL 225** Introduction to Deaf Studies (3) I, II. Prerequisite: ASL 102 or permission of instructor. Introduces students to the historical, sociological, cultural and political experiences of people. Provides overview of Deaf people’s experiences, images, and issues from a wide variety of disciplinary perspectives. Credit will not be awarded for both ASL 225 and ITT 115.

**ASL 301** American Sign Language V. (3) I, II. Prerequisite: ASL 202 with a minimum grade of “C” or departmental permission. Development of advanced expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab

**ASL 302** American Sign Language VI. (3) I, II. Prerequisite: ASL 301 with a minimum grade of “C” or departmental permission. Continued development of advanced expressive and receptive ASL skills and cultural features of the language and community. 3 Lec/1 Lab

**ASL 380** Special Topics in Deaf Studies: ___-___ (1-3). A. Prerequisite: ASL 225(C). For special workshops or topics related to the field of Deaf Studies beyond the scope of regularly offered courses. May be taken to a maximum of 9 hours provided subtitle/topics vary.

**ASL 385** Independent Work in Deaf Studies. (1-3) A. Prerequisite: ASL 225(C) and departmental permission. For independent work related to the field of Deaf Studies beyond the scope of regularly offered courses. May be taken to a maximum of 6 hours provided subtitle/topics vary. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

**ASL 400** ASL Skills for Majors (1) I, II. Prerequisites: ASL 202, with a minimum grade of “C” and admission to the ASL and English Interpretation program, or Deaf Studies program, or departmental approval. In this course students will continue to develop skills in American Sign Language, specifically focusing on vocabulary development and language usage. Clinical hours required.

**ASL 425** Deaf Literature (3) A. Prerequisite: ASL 225(C), 202(C). Cultural and literary analysis of ASL and Deaf-related literature (major works in text, cinema, and video) in contemporary society. Literary style, register, grammatical features, and linguistic expression will be explored in a cultural context.

**ASO—Orientation**

**Dr. John Wade, Dean**

**ASO 100** Student Success Seminar. (1) I. An introduction to the programs of the University and the College. Discussion of how to study, what to consider in choosing a profession, and what career opportunities exist for graduates from the College’s programs. Additional topics include University regulations, publications, and support areas. Open to all students during their first two semesters of enrollment at EKU; beyond that open to students with fewer than 30 semester hours earned.

**AST—Astronomy**

**Dr. Jerry Cook, Chair**

**AST 130** Introductory Astronomy. (3) I, II. Prerequisite: MAT 105 or higher. Elementary survey course; study of Moon, Sun, and eclipses; Solar System; near stars and Milky Way. Non-laboratory. Credit will not be awarded for both AST 130 and AST 135. Gen. Ed. 4 (only when combined with AST 133).

**AST 133** Astronomy Transition Lab. (1) I, II. Prerequisite: AST 130 or departmental approval. A transition laboratory that will allow students with credit for AST 130 to gain credit for a laboratory science course that is equivalent to AST 135. 2 Lab. Gen. Ed. E-4 [NS]

**AST 135** Introductory Astronomy. (3) I, II. Prerequisite: MAT 105 or higher, or ACT mathematics subscore of 20 or higher, or departmental approval. Elementary survey course; study of Moon, Sun, and
Astral Training Dr. Jack Rutherford, Chair

Astr 211 Evaluation of Lower Extremity Injuries. (4) I. Prerequisite: ATR 211. Students will learn how to properly evaluate common injuries of the lower extremity and lumbar spine. Classroom and skill laboratory sessions are designed to introduce the learner to proper assessment techniques of these areas in the various athletic training clinical settings. 3 Lec/2 Lab.

Astr 212 Evaluation of Upper Extremity Injuries. (4) II. Prerequisite: ATR 211. Students will learn how to properly evaluate common injuries of the upper extremity, cervical spine, head, and face. Classroom and skill laboratory sessions are designed to introduce the learner to proper assessment techniques of these areas in the various athletic training clinical settings. 3 Lec/2 Lab.

Astr 221 Sport and Exercise Nutrition. (1) I. Prerequisite: ATR 210, PHE 212, and PHE 180. This course will provide an understanding of the theoretical principles and application underlying the use and effectivenss of proper nutritional guidelines to influence the performance and well being of competitive and recreational athletes.

Astr 225 Applied Palpation Anatomy (3) A. Prerequisite: ATR 210 or PHE 212 or permission of the instructor. Provide students with hands on opportunity to locate, explore and compare human body structures through palpation. This course will focus on musculoskeletal, nerve and vascular structures. 3 Lec/1 Lab.

Astr 301 Practicum III. (3) I. Prerequisite: ATR 202. This third practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are designed to introduce the learner to specific educational competencies and clinical proficiencies. The probabilities will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 25 hours and a maximum of 30 hours per week as assigned by their preceptor.

Astr 302 Practicum IV. (3) II. Prerequisite: ATR 301. This fourth practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are designed to introduce the learner to specific educational competencies and clinical proficiencies. The probabilities will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 25 hours and a maximum of 35 hours per week as assigned by their preceptor.

Astr 312 Therapeutic Exercise. (4) II. Prerequisite: ATR 311. Study and development of therapeutic exercise programs. Emphasis on understanding the pathoanatomical status of a tissue in its response to various types of activity. 3 Lec/2 Lab.

Astr 322 Therapeutic Interventions. (3) III. I. Prerequisite: ATR 311. Study of the therapeutic use of drugs in patients, including pharmacokinetics, pharmacodynamics, and routes of administration, in addition to the legal, moral and ethical implications of drug administration by the athletic trainer. Further study will include the principles of psychosocial intervention with respect to injury and rehabilitation.

Astr 398 Pre-Season Practicum in Athletic Training (3). A. Prerequisites: ASTR 202, Pre-season clinical experience in athletic training, requires students to complete a minimum of 30 hours and a maximum of 48 hours weekly during pre-season athletic camps at an EKU affiliated athletic site from August 1 to December 16 per semester. Includes a minimum of 15 service-learning hours. This practicum requires students to complete a minimum of 25 hours and a maximum of 30 hours per week as assigned by their preceptor.

Astr 402 Practicum VI. (3) II. Prerequisite: ATR 401. This sixth practicum course provides the student with clinical skill based opportunities within a variety of athletic training settings. Classroom and laboratory sessions are designed to introduce the learner to specific educational competencies and clinical proficiencies. The probabilities will be practiced and assessed to given specific standards of achievement and linked to courses previously taken. This practicum requires students to complete a minimum of 10 and a maximum of 30 hours per week as assigned by their preceptor.

Astr 411 General Medical. (3) I. Prerequisite: ASTR 322. Study of general medical conditions and disabilities.
SECTION SIX - COURSE DESCRIPTIONS

approved Part 141 flight training syllabus.

AVN 222A Instrument Pilot: Flight II. (1) A. Prerequisite: AVN 211A with “S” grade and overall 2.0 GPA. Second twenty-five dual flight hours and ten simulator flight hours leading to the FAA instrument pilot certification using FAA-approved Part 141 flight training syllabus.

AVN 290A Advanced Supervised Flight I. (1) A. Prerequisite: departmental approval and an overall GPA of 2.0. This course is designed to provide students flight training and experience for FAA Commercial Pilot License.

AVN 290B Advanced Supervised Flight II. (1) A. Prerequisite: Part 201A and an overall GPA of 2.0. This course is designed to provide students flight training and experience for FAA Commercial Pilot License.

AVN 300A Commercial Pilot-SEL & MEL: Ground. (2) A. Prerequisite: AVN 192 and 220, with “C” or better, 193A and 222A with “S”, and overall 2.0 GPA. Provides aeronautical knowledge and 5 hours flight simulation necessary to prepare student pilots to successfully complete FAA Commercial Pilot written examination.

AVN 300A Commercial Pilot: Flight. (1) A. Prerequisite: departmental approval and an overall GPA of 2.0. The course consists of all or part of the dual and solo flight hours required for FAA commercial pilot certification.

AVN 301A Commercial Pilot-SEL: Flight I. (1) A. Prerequisite or corequisite: AVN 300 with “C” or better. Prerequisite: AVN 193A and 222A with “S” grade and overall 2.0 GPA. First twenty dual flight hours leading to the FAA commercial pilot SEL certification using FAA-approved Part 141 flight training syllabus.

AVN 302A Commercial Pilot-SEL: Flight II. (1) A. Prerequisite: AVN 301A with “S” grade and overall 2.0 GPA. Second twenty solo flight hours leading to the FAA commercial pilot SEL certification using FAA-approved Part 141 flight training syllabus.

AVN 303A Commercial Pilot-SEL: Flight III. (1) A. Prerequisite: AVN 302A with “S” grade and overall 2.0 GPA. Third twenty solo flight hours leading to the FAA commercial pilot SEL certification using FAA-approved Part 141 flight training syllabus.

AVN 304A Commercial Pilot-SEL: Flight IV. (1) A. Prerequisite: AVN 303A with “S” grade and overall 2.0 GPA. Final twenty solo flight hours leading to the FAA commercial pilot SEL certification using FAA-approved Part 141 flight training syllabus.

AVN 305 Multi-Engine Pilot (MEL): Ground. (1) A. Prerequisite: AVN 193A with “S” grade and overall 2.0 GPA. Provides multi-engine aeronautical knowledge and 10 hours MEL flight simulation to facilitate successful completion of multi-engine practical checkride.

AVN 305A Private Pilot—Multi-Engine: Flight. (1) A. Prerequisite or corequisite: AVN 305 with “C” or better. Prerequisite: AVN 193A with “S” grade and overall 2.0 GPA. Twenty dual flight hours leading to the FAA Multiengine Landing (MEL) pilot certification using FAA-approved Part 141 flight training syllabus.

AVN 310 Flight Training Analysis I. (4) A. Prerequisite: AVN 190A with a grade of “C” or better. A study of basic information regarding fundamentals of teaching and learning (including effective teaching methods), aerodynamics helpful to flight instruction, and planning of flight training syllabuses.

AVN 310A Flight Training Techniques I. (1) A. Prerequisite: departmental approval and an overall GPA of 2.0. Flight training to prepare students for FAA examinations.

AVN 315 Aviation Safety Programs. (3) I, II. A. Prerequisite: AVN 150. A presentation of factors contributing to accidents and aircraft accident investigation case studies relating to aviation safety, including risk management assessment, hazard identification analysis, safety program development, called Safety Management Systems (SMS) by Federal Aviation Administration, and evaluation of outcomes.

AVN 320 Flight Training Analysis II. (2) A. Prerequisite: appropriate flight credits. A study of aeronautical information and instructional background necessary for becoming instrument flight instructors. Included in the course is teaching methodology, instrument interpretations, and instrument flight procedures.

AVN 320A Flight Training Techniques II. (1) A. Prerequisite: departmental approval and an overall GPA of 2.0. Flight training to prepare students for FAA examinations.

AVN 325 Aircraft Systems. (3) I, II. A study of electrical, mechanical and hydraulic systems, design and performance standards, capabilities and limitations, and conformance to FAA specifications.

AVN 330 Human Factors and Crew Resource Management. (3) A. Prerequisite: AVN 315. An integrated approach in the study of relations between pilot selection, training, flight deck design, machine compatibility, and safety. Emphasis is placed on human factors research enhancing compatibility of pilots and accident prevention.

AVN 331A Commercial Pilot-MEL: Flight I. (1) A. Prerequisite: AVN 193A and 222A with a minimum grade of “S”, or prerequisite: AVN 300 with a minimum grade of “C”, and overall 2.0 GPA. First twenty dual flight hours leading to the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus.

AVN 332A Commercial Pilot-MEL: Flight II. (1) A. Prerequisite: AVN 330, 331A, and an overall 2.0 GPA. Twenty-five dual flight hours leading to the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus.

AVN 333A Commercial Pilot-MEL: Flight III. (1) A. Prerequisite: AVN 332A and overall 2.0 GPA. Twenty-five Student CRM time building flight hours leading to the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus.

AVN 334A Commercial Pilot—MEL: Flight IV. (1) A. Prerequisite: AVN 333A and overall 2.0 GPA. Eleven Student CRM time building flight hours and ten PDIIC dual flight hours leading to the FAA commercial pilot MEL certification using FAA-approved Part 141 flight training syllabus.

AVN 335 Weather Reporting/Analysis. (3) I, II. A comprehensive analysis of weather conditions and patterns as they apply to flight.

AVN 340 Airport Management. (3) I, II. A study of guidelines for aviation management and administrative functions including problems, trends, and planning of airport operations.

AVN 349 A-N Cooperative Study: Aviation. (5-8) A. Prerequisite: coordinator approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours work required for each academic credit.

AVN 349 A-N Cooperative Study: Aviation. (5-8) A. Prerequisite: coordinator approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours work required for each academic credit.

AVN 350 Air Transportation. (3) A. A survey of the historical development of the air transportation industry and passengers, impact of regulations, problems encountered, and future requirements.

AVN 360 Problems In Aviation Administration. (3) I, II. Designed for utilization of aviation industry case studies to introduce the techniques, methods, and problems for solving.

AVN 370 Techniques: Aviation Supervisors. (3) I, II. A study of effective personnel management theory through application to practical situations in the aviation industry.

AVN 390 Aviation Administration Decision Making. (3) I, II. A study of decision theory and its application to aviation administration decision-making and problem solving processes.

AVN 400 Multi-Engine Pilot: Ground. (1) A. Prerequisite: appropriate flight credentials. The course is designed to provide appropriate aeronautical knowledge about multi-engine aircraft to facilitate successful completion of the multi-engine flight component.

AVN 400A Multi-Engine Pilot: Flight. (1) A. Prerequisite: departmental approval and an overall GPA of 2.0. A one hour laboratory course integrated with AVN 400 consisting of the dual and solo flight hours required for FAA certification.

AVN 401 Airline Management. (3) A. Prerequisite: AVN 350 with a “C” or better. Acquaint student with the development, administrative and operational factors peculiar to FAR Part 121 Airline Operations. Emphasis is placed on proper market analysis, financial matters, the company plan, aircraft selection, aircraft acquisition, route structure, timetable and pertinent regulatory requirements.

AVN 402 Corporate and Business Aviation. (3) A. Study of the operation of a corporate flight department. Course includes the value of management mobility, aircraft and equipment evaluation, maintenance, flight operations, administration and fiscal considerations.

AVN 410 Air Traffic Control. (3) I, II. A study of the national air traffic control system with emphasis on basic air traffic control procedures; the role of centers, approach control centers, and flight service centers; communications; navigation procedures, radar operations, facilities.

AVN 415 Instructor Pilot-SEL: Ground. (3) A. Prerequisite: AVN 192, AVN 220, and AVN 300 with “C” grade or better and overall 2.0 GPA. Prepares student pilots for the FAA Certified Flight Instructor (CFII) Fundamentals of Instruction (FOI) written exams.

AVN 415A Instructor Pilot-SEL: Flight. (5-8) A. Prerequisite: AVN 364A with “S” grade. Prerequisite or corequisite: AVN 415 with “C” or better, and overall 2.0 GPA. Fifteen dual flight hours and 5 hours flight simulation leading to the FAA instructor pilot (SEL) certification using FAA-approved Part 141 flight training syllabus.

AVN 416A Instructor and Commercial Pilot—SEL: Flight. (1) A. Prerequisite: AVN 334A with “S” grade. Prerequisite or corequisite: AVN 415 with “C” or better, and overall 2.0 GPA. Twenty-five dual flight hours and 5 hours flight simulation leading to the FAA Instructor Pilot (IP) SEL and Commercial Pilot—SEL certifications using FAA-approved Part 141 flight training syllabus.

AVN 420 Flight Training Analysis III. (2) A. Prerequisite: appropriate flight credentials. Principles and methodology of teaching multi-engine flight and includes ground instruction required by the FAA in preparation for a flight instructor multi-engine rating.

AVN 420A Flight Training Techniques III. (1) A. Prerequisites: appropriate flight credentials, AVN 420 with a grade of “C” or better, an overall GPA of 2.0, or coordinator approval. Flight preparation for FAA CFI Multi-Engine flight test.

AVN 421 Instrument and Multi-Engine IP: Ground. (2) A. Prerequisite: AVN 415 with “C” grade or better and overall 2.0 GPA or an Instructor Pilot-SEL rating. Provides study of aeronautical information for becoming instrument and multi-engine flight instructor, and preparation for FAA Instrument Instructor written.

AVN 421A Instrument Instructor-Sel: Flight. (1) A. Prerequisite: or corequisite: AVN 421 with “C” or better. Prerequisite: AVN 364A or AVN 334A, and overall 2.0 GPA. Ten dual flight hours and ten flight simulation hours leading to FAA Instrument Pilot (IP) SEL rating using FAA-approved Part 141 flight training syllabus.

AVN 422A Commercial and Instructor Pilot—MEL: Flight. (1) A. Prerequisite: AVN 421 and
AVN 415 with a "C" or better, AVN 304A and 365A with "S" grade, and overall 2.0 GPA. Twenty-five dual flight hours and fifty hours flight simulation leading to the FAA commercial multi-engine add-on and multi-engine instructor ratings using FAA-approved Part 141 flight training syllabus.

Instructor Pilot—Multi-Engine: Flight. (1) A. Prerequisite: AVN 421 & AVN 334A with "C" & "S" grades respectively, and overall 2.0 GPA. Ten dual flight hours and ten hours flight simulation leading to the FAA Multi-Engine-Instructor rating using FAA-approved Part 141 flight training syllabus.

AVN 425 Applied Aerodynamics. (3) A. Prerequisite: PHY 101 and MAT 107 or higher. Applied theories of flight and flight factors, including a study of the principles of aircraft performance, stability and control, and operational data.

AVN 435 Turbine Aircraft Systems. (3) A. Prerequisite: AVN 325 with a "C" or better or instructor approval. A study of the functioning theory and integral components of gas turbine (jet) engines. Additionally, provides a study of electrical, mechanical and hydraulic systems as they relate to turbine engine aircraft.

AVN 460 Aviation Legislation. (3) I, II. Prerequisite: junior standing (at least 60 hours). A study of civil law as it pertains to aviation and includes the historical development of United States and international aviation law while surveying governmental responsibility for aviation accidents.

AVN 467 Comprehensive Exam for BS in Aviation. (A) Prerequisite: Consent of Registrar. Registration in AVN 467 is required of all undergraduate B.S. (Aviation) students for the term in which they wish to take their comprehensive examination, including the exit exam and advisor approved certification or license.

AVN 470 National Air Space System. (3) A. An overview of the National Air Space System with emphasis on problems of implementation, safety considerations, and social/economic impact.

AVN 480 Glass Cockpit Technologies. (1) A. Prerequisite: AVN 222A and 330. Provides an integrated approach to the theory, technology, and operations of "Glass" cockpit technologies to prepare student pilots to successfully operate "glass" cockpit aircraft.

AVN 495 Internship. (1-3) A. Prerequisite: departmental approval. Students will work under departmental supervision in a private or public agency engaged in aviation activities.

AVN 498 Independent Study. (1-3) A. Prerequisite: AVN major with senior standing. Students must secure the independent study proposal form approved by faculty supervisor and program coordinator prior to enrollment. May be retaken to a maximum of six hours.

BEM—Broadcasting and Electronic Media
Dr. Elizabeth Hansen, Chair

BEM 240 Basic Media Skills. (3) I, II. An examination of the audio, lighting, and web-based skills needed by broadcast professionals in today’s integrated media marketplace.

BEM 295 Video Production I. (4) I, II. Training in non-studio video production and editing. Includes applied aesthetics and production of dramatic informational and experimental work on video. Introduction to techniques, styles, and image structure. Requires weekly projects, critiques. 3 Lec/3 Lab.

BEM 300 Performance in Electronic Media. (3) I, II. Prerequisite: BEM 240 and CMS 210. Study of the announcer’s role in electronic media. Stresses practice in performing areas, including radio and television production, microphone and television camera techniques with an added emphasis on phonetics and pronunciation.

BEM 301 Broadcast Writing. (3) I, II. Prerequisites: ENG 102 (or 105B) or HON 102.

Study of the elements of news for the electronic media. Includes broadcast newswriting style, development of sources, interviewing, story types and formats, libel and ethics. Practice in gathering, writing and evaluating news for broadcast.

BEM 343 Audio Practicum. (1-3) I, II. Prerequisite: BEM 240. Supervised practical experience on the staff of a radio or other audio facility. May be taken to a maximum of three hours. One hour may be counted toward the major.

BEM 349 Audio Visual and Digital Learning in Broadcasting and the Electronic Media. (5-8) A. Prerequisites: junior standing, "B" average in all courses within the department, and departmental approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen baccalaureate. A minimum of 80 hours work required for each academic credit. One hour may be used to satisfy major requirements within the department.

BEM 349 A-N Cooperative Study: Broadcasting and the Electronic Media. (5-8) A. Prerequisites: junior standing, "B" average in all courses within the department, and departmental approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen baccalaureate. A minimum of 80 hours work required for each academic credit. One hour may be used to satisfy major requirements within the department.

BEM 350 Cinema History I. (3) A. Prerequisite: ENG 102 or ENG 105B or HON 102. Historical survey of cinema from its origins to 1939. Examines developments in directing, acting, editing, and other areas of cinema as an art form. Feature length and short films viewed. Gen. Ed. E-3A. 2 Lec/2 Lab.

BEM 351 Cinema History II. (3) A. Prerequisite: ENG 102 or ENG 105B or HON 102. Historical survey from 1939 to present. Includes theories, styles, and critical positions related to the sound film and considers origins and implications for future directions. Feature length and short films viewed. Gen. Ed. E-3A. 2 Lec/2 Lab.

BEM 352 Film Techniques & Technology. (3) I. Prerequisite and/or Corequisite: BEM 350 or 351. The study of various technologies employed in traditional/electronic film production. Emphasis on the study of social, economic, technological and political factors that play a role in the development of cinematic techniques.

BEM 353W The Art and Craft of Screenwriting. (3) A. Prerequisite: ENG 101 and 102 (or 105) or HON 102. Explores the art and craft of structuring, writing, and marketing the contemporary American screenplay. Requires developing and writing original screenplays for marketing in the contemporary film environment. Credit will not be awarded for both BEM 353W and 353.

BEM 370 Electronic Cinema Production. (4) I, II. Prerequisites: BEM 240, 295, and 352 with a minimum grade of “C” Principles and procedures behind single-camera dramatic productions recorded and edited on videotape. Requires group and individual portfolio projects involving a critical and artistic understanding of sound-image relationships. Includes multi camera production, directing and producing. 3 Lec/3 Lab.

BEM 374C Advanced Electronic Cinema Practicum. (1-3) I, II. Prerequisite: BEM 370. Supervised practical experience in film making, editing, and other aspects of film-style production. May be retaken to a maximum of three hours. One hour may be counted toward the major.

BEM 375 Writing for the Electronic Media. (3) I, II. Prerequisites: ENG 101 and 102 (or 105B) or HON 102. Examination of the specialized forms of writing for the electronic media. Emphasizes both visual and verbal planning elements as well as practical experience in writing commercial, public service, narrative, and promotional copy.

BEM 395 Video Production II. (4) I, II. Prerequisite: BEM 295. Training on and mastery of advanced production and post production equipment. Requires group and individual portfolio projects involving a critical and artistic understanding of sound-image relationships. Includes multi camera production, directing and producing. 3 Lec/3 Lab.

BEM 396 Motion Graphics. (3) I, II. Prerequisite/Corequisite: BEM 395. Training on industry standard motion graphics software used for post-production design and editing. The course examines visual effects and multimedia, covering techniques needed to improve students’ command of motion graphics in video production.

BEM 398 Electronic Video Practicum. (1-3) I, II. Prerequisite: BEM 295. Supervised practical experience on the staff of a television station or other video facility. May be taken to a maximum of three hours. One hour may be counted toward the major.

BEM 400 Studies in Electronic Media (1-4) A. Prerequisite: departmental approval. Study of specific areas of media through a course examining timely or topical concerns in the field. Specific topic included in schedule. May be retaken to a maximum of nine hours.

BEM 401 Broadcast News. (3) A. Prerequisites: BEM 295 and 301. Introduces television news production. Designed for entering student pilots with a minimum grade of “C”. Principles and procedures used in broadcast journalism; emphasizes writing, field reporting and editing; evaluation of commercial station newscasts; individual and team projects.

BEM 402 Advanced Broadcast News. (3) A. Prerequisite: BEM 401. Advanced study in broadcast journalism. Planning, gathering, writing, editing and producing news for television; critical evaluation of program elements. Includes regulation issues imposed by FCC and other government agencies.

BEM 453 Advanced Screenwriting. (3) I, II. Prerequisites: BEM 353W or departmental approval. Writing and marketing the screenplay for television and film. Emphasis is placed on structuring and composing the screenplay for advanced writers. Open to all majors.

BEM 460 Advanced Film Genre: . (3) I, II. Detailed study of the types of motion pictures. Requires independent research, extended analysis, and critical evaluation of films. May be retaken to a maximum of six hours with different course content. 2 Lec/2 Lab.

BEM 491 Senior Seminar. (3) I, II. Prerequisites: completion of 90 hours with at least one hour from BEM 349 or 343 or 398. Evaluates students’ progress toward a career in mass communications, especially the development of an electronic portfolio, and develops job search strategies and skills. Includes assessment of instruction and curriculum.

BEM 495 Video Production III. (4) I, II. Prerequisite: BEM 395 or 370. Advanced study of video production and direction, combining studio and field work. Includes writing program proposals, scripts, and shooting schedules. Programs produced outside normal class hours. 3 Lec/3 Lab.

BEM 499 Independent Study in Electronic Media. (1-4) A. Prerequisite: Student must consult with the faculty supervisor and have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of four hours.

BIO—Biology
Dr. Robert Frederick, Chair
### BIO 100 Introductory Biology

(3) I, II. Prerequisite: Completion of all developmental requirements. The course will deal with introductory principles of biology that are fundamental to an individual’s knowledge as it pertains to the interrelationships of organisms in the natural world. Topics to be addressed: cellular basis of life, metabolism, genetics, biological diversity, reproduction, evolution, ecology, and environmental biology. May not be used to satisfy area, major, or minor requirements. Credit will not be awarded to students who have credit for BIO 101 or 102. 2 Lec/2 Lab. Gen. Ed. E-4.

### BIO 3 Essentials of Biology

(3) I, II. ONLINE ONLY. Prerequisite: Completion of all developmental requirements. Biological principles and applications as relates to life on earth from the molecular to ecopsphere scale; current topics in genetics, evolution, ecology, plant and animal diversity, and human biology will be discussed. May not be used to satisfy area, major, or minor requirements. Credit will not be awarded to students who have credit for BIO 100 or 102. 2 Lec/2 Lab. Gen. Ed. E-4.

### BIO 102 Inquiry Biology for Teachers

(3) I, II. Prerequisite: completion of all developmental requirements; pre-teaching or teaching elementary and middle school education majors only, or departmental approval. An inquiry-based, conceptual-approach biological science course for teaching majors. Topics include the nature of science, cell biology, biodiversity, inheritance, ecology and ecosystems, evolution, and adaptation. May not be used to satisfy area, major, or minor requirements. Credit will not be awarded to students who have credit for BIO 100 or 101. 2 Lec/2 Lab. Gen. Ed. E-4.

### BIO 111 Cell and Molecular Biology

(4) I, II. Prerequisite: Completion of all developmental requirements. An introduction to fundamental principles of cell and molecular biology as they apply to plants, animals, and microbes; the molecular basis of life, cellular structure and function, genetic and molecular biology. Designed for biology majors. Credit will not be awarded for both BIO 111 and BIO 121. 3 Lec/2 Lab. Gen. Ed. E-4.

### BIO 112 Ecology and Evolution

(4) I, II. Prerequisite: Completion of all developmental requirements. An introduction to the fundamental principles of evolution; Ecological and Systematic courses for teaching majors. Topics include the nature of science, cell biology, biodiversity, inheritance, ecology and ecosystems, evolution, and adaptation. May not be used to satisfy area, major, or minor requirements. Credit will not be awarded to students who have credit for BIO 100 or 101. 2 Lec/2 Lab. Gen. Ed. E-4.

### BIO 171 Human Anatomy

(3) I, II. Prerequisite: Completion of all developmental requirements. A study of the basic anatomy of the human body and appropriate correlations with body functions. 2 Lec/2 Lab.

### BIO 215 Insecta and Society

(3) A. An introduction to insects and their influence on human society. Impacts of insects on our food supply, homes and health, as well as the influence of insects on culture, world history, and the long-term maintenance of the earth’s critical support systems. May not be used to satisfy biology major or minor requirements.

### BIO 271 Advanced Human Anatomy

(3) I. prerequisites: BIO 171 and departmental approval. An advanced study of human anatomy. Emphasis is placed on the musculoskeletal and nervous systems and their anatomical and functional relationships. May not be used to satisfy area, major, or minor requirements. 2 Lec/2 Lab.

### BIO 273 Clinical Microbiology

(4) I, II. Prerequisite: BIO 171. A study of microorganisms as causative agents of disease in dis easeous humans with emphasis on differential diagnosis and treatment. The identification of bacteria, fungi, parasites, virus, and prions will be emphasized. May not be used to satisfy area, major, or minor requirements. Credit will not be awarded for both BIO 273 and CLT 209. 2 Lec/4 Lab.

### BIO 300 Economic Plants

(3) I, II. Economic consideration of plants as sources of food, medicine, and other products; the origin, domestication, and cultural history and culture of plants; deleterious plants; aspects of aesthetics and effect on society and world events. May not be used to satisfy area, major, or minor requirements, except the biology (teaching) major subject to approval. 1 Lec/4 Lab.

### BIO 301 Human Physiology

(3) I, II. Functions of human life processes at the cellular, tissue, and organ-system level of organization with emphasis on homeostatic mechanisms will be considered in this course. May not be used to satisfy area, major, or minor requirements.

### BIO 303 Human Heredity and Society

(3) I. Inheritance of human traits, including blood groups, sex and sex-related traits, lethal factors, mental capacities, and metabolic disorders; pedigrees, family traits, and population trends. A current introduction in general biology (BIO 100 or NAT 101) is recommended but not required. May not be used to satisfy area, major, or minor requirements.

### BIO 308 Biology of Aging

(3) A. Prerequisite: BIO 100 or NAT 101 or BIO 171 or instructor approval. System by system approach to the biological effects of the aging process on the human body. May not be used to satisfy area, major, or minor requirements in the Department of Biological Sciences. Fullfills University Wellness requirement.

### BIO 316 Ecology

(4) I, II. Prerequisite: BIO 112. Basic concepts and principles as applied to the study of organisms or groups of organisms in their interrelationships to each other and to their environment. 2 Lec/4 Lab.

### BIO 318 General Botany

(4) I, II. Prerequisites: BIO 111 or 112. Both courses are recommended. Morphology, physiology, comparative anatomy, development, life history, evolution, and diversity of animals. 3 Lec/3 Lab. Credit will not be awarded for both BIO 318 and 131.

### BIO 319 General Zoology

(4) I, II. Prerequisite: BIO 111 or 112. Both courses are recommended. Morphology, physiology, comparative anatomy, development, life history, evolution, and diversity of animals. 3 Lec/3 Lab. Credit will not be awarded for both BIO 319 and 141.

### BIO 320 Principles of Microbiology

(4) I, II. Prerequisites: BIO 111 and CHE 112; or departmental approval. A study of bacteria and other microorganisms, their morphology, development, and function; techniques of isolation, cultivation, and identification, physiology, nutrition, and genetics; role of microbes in medicine, agriculture, and industry. 2 Lec/4 Lab.

### BIO 331 Cell Biology

(3) I, II. Prerequisites: BIO 111 and CHE 112. An introduction to the structure and function of plant and animal cells, with emphasis on the structure and function of cell organelles. An overview of molecular techniques used in the study of cellular metabolism.

### BIO 335 Plant Systematics

(3) I, II. Prerequisite: BIO 112 and 319. Identification, classification and phylogeny of vascular plants; principles of taxonomy. 1 Lec/8 Lab.

### BIO 342 Comparative Vertebrate Anatomy

(4) I, II. Prerequisites: BIO 112 and 319; or departmental approval. Evolutionary relationships of the classes of vertebrates as represented through their anatomy. Laboratory studies of organs and systems of vertebrate animals primarily compare the dogfish shark, the mudpuppy (Necturus), and the cat. 2 Lec/4 Lab.

### BIO 348 Vertebrate Physiology

(3) I, II. Prerequisites: BIO 111 and CHE 112; and PHY 131 or 201. Command of human physiology through an integrated study of the physical, chemical, and cellular aspects of physiological systems across vertebrates. Group work and critical thinking will be stressed utilizing human case studies and computer simulations. 3 Lec.

### BIO 349 Applied Learning in Biology

(5-8) A. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight; associate; sixteen; baccalaureate. A minimum of 80 hours of employment required for each semester hour of academic credit. May not be used to satisfy area, major, or minor requirements.

### BIO 349 A-N Cooperative Study: Biology

(5-8) A. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight; associate; sixteen; baccalaureate. A minimum of 80 hours of employment required for each semester hour of academic credit. May not be used to satisfy area, major, or minor requirements.

### BIO 371 Neuroanatomy

(3) I, II. Prerequisite: BIO 171 or instructor approval. Anatomy of the nervous system and the relationships to functions of systems of the human body. May not be used to satisfy area, major, or minor requirements in the Department of Biological Sciences. 2 Lec/2 Lab.

### BIO 378 Human Physiology Laboratory

(1) I, II. Prerequisite or Corequisite: BIO 301. A series of experiments will be presented which will allow students to demonstrate some of the typical physiological processes of mammals as these relate to human physiology. May not be used to satisfy area, major, or minor requirements. 2 Lab. Gen. Ed. 13 with BIO 301.

### BIO 399 Trends in The Biological Sciences

(1-4) A. Prerequisite: instructor approval. A presentation of selected topics in the biological sciences reflective of new developments and current trends in scientific advancement. May be retaken to a maximum of six hours. Gen. Ed. 15 or 16.

### BIO 490 Biology Seminar

(1) I, II. Prerequisite: junior or senior standing in biology. Students and members of the faculty meet to present, discuss, and exchange ideas on selected topics, based on the scientific literature for the biological sciences.

### BIO 495 Evolutionary Application and Theory

(1) I. Prerequisite: Prerequisite: BIO 315 and junior or senior standing. Discussion of topics relating to evolutionary theory with special emphasis on the impact of evolution in everyday life. This is a course that builds upon evolutionary concepts learned throughout the biology curriculum. 2 Lab.

### BIO 500 Environmental Issues

(3) I, II. Prerequisite: BIO 100, 102 or 112. Students will learn to identify, investigate and evaluate environmental issues as well as plan appropriate action based on their analysis. Credit will not be awarded for both BIO 500 and CMN 800.

### BIO 511 Experimental Approaches in Molecular Biology

(3) I. Prerequisite: BIO 111. Laboratory experience-based course in molecular biology techniques. Subject will be introduced in a lecture setting and practical laboratory training. Techniques will include PCR-based methodologies; immunological approaches; basic protein and nucleic acid manipulations. 1 Lec/4 Lab.

### BIO 514 Evolution

(3) I, II. Prerequisites: BIO 112 and 315 or departmental approval. A study of Darwinism, the history of life in the context of contemporary biology, and the evidence and mechanisms of evolutionary change, with particular emphasis on human evolution and the challenges of understanding evolution in modern society.

### BIO 521 Plant Ecology

(4) A. Prerequisites: BIO 316, and 318, or 335 or departmental approval. Ecological concepts and principles relevant to eastern
terrestrial ecosystems. Required weekend field trips and an extended field trip in the region. 2 Lec/4 Lab.

BIO 522 Grasses and Grasslands. (3) I. Prerequisite: instructor approval. Development and composition of grasslands; phyllogeny, classification, and identification of grasses. Emphasis on North American species. Field trips with grassland with field trips to native and managed grasslands. 1 Lec/4 Lab.

BIO 525 Aquatic and Wetland Plants. (3) A. Prerequisites: BIO 111, 112, and 318. Collection, systematics, distribution, ecology, and reproduction of aquatic and wetland vascular plants. 1 Lec/4 Lab.

BIO 527 Immunology. (3) A. Prerequisites: BIO 320 and CHE 361; or instructor approval. Characteristics of immune reactions at the molecular level and in vivo. Nature and interactions of antigens and antibodies, and allergic phenomena. 2 Lec/3 Lab.

BIO 529 Virology. (3) A. Prerequisite: BIO 320. Fundamentals of classification, structure, and pathogenesis of viruses. Host-virus interactions and their applications to medicine and industry. Viral related areas of immunology, cell culture procedures, and applications will be introduced. 2 Lec/3 Lab.

BIO 529 Microbiology in Everyday Life. (5) I, II. Prerequisite: BIO 100, 102, 111, 112 or departmental approval. Microbes in medicine, agriculture, and industry; emphasis on teaching microbiology in the classroom. Course open only to Biology-Teaching or Education majors.

BIO 531 Principles of Molecular Biology I (4) A. Prerequisites: BIO 320 or 331, and CHE 361. An in-depth study of the structure, function, and technological applications of nucleic acids and proteins. Laboratory experiences will involve manipulation of DNA and RNA molecules for the purpose of isolation, genetic engineering, forensics, and gene expression analysis. Credit will not be awarded for both BIO 531S and 531S, 2 Lec/4 Lab.

BIO 531S Principles of Molecular Biology I (4) A. Prerequisites: BIO 320 or 331, and CHE 361. An in-depth study of the structure, function, and technological applications of nucleic acids and proteins enhanced with a service-learning component. Laboratory experiences will involve manipulation of DNA and RNA molecules for the purpose of isolation, genetic engineering, forensics, and gene expression analysis. Credit will not be awarded for both BIO 531S and 531S, 2 Lec/4 Lab.

BIO 532 Conservation Biology. (3) L. Prerequisite: BIO 316 or instructor approval. Examination of principles and practices of conserving global biodiversity. Causes, consequences and rates of extinction. Application of philosophical, biological, sociological, and legal principles to the conservation of communities, species and ecosystems.

BIO 533 Bioinformatics: Principles and Applications. (3) I. Prerequisite: BIO 315. An introduction to the theory and practice of bioinformatics, as it relates to laboratory (Cell and Molecular Biology, Biochemistry) and field (Evolutionary and Population Biology) research applications in the life sciences. Discussion and utilization of the prevalent approaches and methodologies currently used in Bioinformatics.

BIO 535 Pathogenic Microbiology. (4) A. Prerequisite: BIO 320 or departmental approval. Studies in the field of advanced clinical microbiology with emphasis on morphology, cultivation, biochemistry, and serological identification of bacterial diseases; assay of pathogenesis, epidemiology, and control measures of bacterial and mycotic diseases. 2 Lec/4 Lab.

BIO 536 Dendrology. (3) I. Prerequisite: BIO 111, 112, and 318 or departmental approval. Woody plant taxonomy with emphasis on field identification of trees and shrubs in summer and winter. Attributes, habitats and distributions; economic importance; forest regions of North America. 1 Lec/4 Lab.

BIO 542 Freshwater Invertebrates. (3) A. Prerequisites: BIO 112 and 319 or departmental approval. Collection, systematics, distribution, behavior, ecology, and life histories of freshwater invertebrates. 2 Lec/4 Lab.

BIO 546 Histology. (4) II. Prerequisites: BIO 331 and 348. This course will provide students with an essential understanding of functional morphology in vertebrate tissues and organs. Pathology examples will be used to explain the cellular and molecular basis of normal function related to structure. 2 Lec/4 Lab.

BIO 547 Comparative Vertebrate Embryology. (4) II. Prerequisite: BIO 342 or BIO 348. Gametogenesis, fertilization, morphogenesis, and organogenesis of the frog, bird, and mammal. Particular emphasis is placed on mammalian development. 2 Lec/4 Lab.

BIO 550 Animal Behavior. (4) A. Prerequisites: BIO 111 and 319. Advanced study of behavior with emphasis on inherited behavioral patterns in relation to the evolution and ecology of animals. 3 Lec/2 Lab.

BIO 552 Hormones and Behavior (3) A. Prerequisites: BIO 111 and 112. Provide an understanding of modern-day issues in endocrinology by exploring the effects of hormones on behavior within all taxa.

BIO 553 Mammalogy. (3) A. Classification, natural history, field methods, and distribution of mammals. 1 Lec/4 Lab.

BIO 554 Ornithology. (3) A. Prerequisite: BIO 111 and 112 or departmental approval. Avian biology with emphasis on field identification of local avifauna, anatomy, physiology, ecology, evolution, migration, economic importance, distribution, and behavioral patterns. Early morning field trips required. 2 Lec/4 Lab.

BIO 555 Behavioral Ecology. (3) A. Prerequisite: BIO 316 or instructor approval. How behavior is influenced by natural selection in relation to ecological conditions. Emphasis on quantitative and experimental methods and on integrating theoretical ideas with field and laboratory evidence.

BIO 556 Herpetology. (3) A. Prerequisite: BIO 112 and 319 or departmental approval. Natural history of the amphibians and reptiles including taxonomy, general ecology, behavior, distribution, breeding, and food habits. 2 Lec/3 Lab.

BIO 557 Ichthyology. (3) A. Prerequisite: BIO 112 and 319. A phylogenetic examination of morphological, ecological, and behavioral diversification of fishes of the world, with special attention to the Appalachian fauna. Laboratory devoted to anatomy, identification, and reproductive strategies. 2 Lec/4 Lab.

BIO 558 Freshwater Ecology. (3) A. Prerequisite: BIO 316 or instructor approval. Ecology of lakes and streams with special reference to physical, chemical, and biological factors. To include a variety of methods and instruments. 2 Lec/3 Lab-Disc.

BIO 561 Fisheries Biology. (3) A. Prerequisites: BIO 112 and 316. Methods for assessment and analysis of fish populations and aquatic habitats, including age and growth, fecundity, food habits, and yield. Emphasis on economic and ecological importance of management decisions. 2 Lec/4 Lab.

BIO 590 Ecology for Teachers (3) I. Prerequisite: BIO 100, 102, or 112. This course introduces ecology students to the environment through an interdisciplinary approach beginning with the physical environment progressing to whole ecosystems and onto analyses of ecological sustainability. Classroom strategies and techniques are modeled. Credit will not be awarded for both BIO 590 and CNM 599.

BIO 598 Special Problems. (1-3) I, II. Prerequisites: instructor approval. Special problems; students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. Independent research in the biological sciences, under the guidance of a faculty member, which allows students to design a research problem and make experimental observations and conclusions. May be retaken to a maximum of four hours.

BIO 599 Topics in Biological Sciences. (1-6) A. Prerequisites: BIO 111 and 112 and departmental approval. Special topics in the biological sciences of current interest to faculty and students will be presented through lecture, discussion, and reports. May be retaken to a maximum of six hours.

BTO—Business and Technology Orientation Dr. Robert Rogow, Dean

BTO 100 Student Success Seminar. (1) I, II. Designed to orient the student to university academic life and afford background for career choice and preparation. Included are University regulations and calendar, catalog details, registration, various career opportunities, and program requirements. Open to all students during their first two semesters of enrollment at EUK; beyond that open to students with fewer than 30 semester hours earned. (1 Lec/1 Lab for School of Business Majors Only.)

BTS—Business and Technology Seminar Dr. Robert Rogow, Dean

BTS 300 Professional Skills Seminar. (0) I, II. Prerequisite: required of all Business and Technology students who have earned at least 60 hours. Credit (CR) will be given when students have attended and/or completed department-sponsored activities regarding professional skills and careers.

BTS 400 College to Careers Seminar. (0) II. Prerequisite: AGR 305 or BTS 300. Required of all Business and Technology students who have earned at least 90 hours. Credit (CR) will be given when students have attended the annual College of Business and Technology’s Student Success: College to Careers Conference.

CAS—Arts and Sciences Interdisciplinary Dr. Karin Sehman

CAS 349 Applied Learning. (5-8) A. Prerequisite: 2.0 GPA and college approval. Work under field supervisors in placement related to academic studies. Minimum 80 hours work for each credit hour. Repeatable up to 16 credit hours.

CAS 349 A-N Cooperative Study. (5-8) A. Prerequisite: 2.0 GPA and college approval. Work under field supervisors in placement related to academic studies. Minimum 80 hours work for each credit hour. Repeatable up to 16 credit hours.

CCT—Corporate Communication and Technology Dr. Lana Carnes, Chair

CCT 201 Professional Communication. (3) I, II. Prerequisites: ENG 101 and 102 (or 105). Principles and practices of modern professional communication; various types of professional letters and reports are studied; emphasis on writing letters and reports.

CCT 300W Managerial Reports. (3) I, II. Prerequisites: ENG 101 and 102 (or 105), ACC 201, 202 and ECO 230 with a grade of “C” or better in each course; Junior Standing (A minimum of 60 hours) with an overall minimum 2.0 GPA. A writing intensive study of applications of communication theory, research methods, and information technology to communication within organizations. Includes common communication tasks faced by managers; communication task and audience analysis; collecting.
organizing, analyzing, and interpreting data. Emphasizes written and oral reporting.

CCT 302 - Desktop Publishing for the Business Office, (3) I, II. Prerequisite: CCT 200 or 250 or CIS 212 (with a minimum grade of "C"). Development of business document design techniques using desktop publishing and page layout software. Prerequisite: Senior or graduate standing.

CCT 303 - Office Systems Management and Support, (3) A. Prerequisite: CCT 200 or 250 or CIS 212 or CSC 104. Provides opportunities for students to work with actual software packages, and experience a wide range of activities appropriate for modern office operations. Refinement and application of skills and knowledge for effective and efficient management of office systems and technology.

CCT 304S - Applied Entrepreneurship and Service Learning, (3) A. Prerequisite: CCT 101 (with a minimum grade of "C"). Provides entrepreneurship opportunities for students to apply skills and knowledge for integration of new business development, aid to existing businesses, and service learning strategies to meet the needs of the EKU region.

CCT 310 - International Business Communication, (3) A. Prerequisites: ENG 101 and 102 (or 105) (with a minimum grade of "C" in each prerequisite). Course. Characteristics of cultural differences that alter communication symbols and meanings for international business activity. Topics include: individuality and group behavior, conducting business, international business protocol, international documents, negotiation strategies, and oral presentations to intercultural business audiences.

CCT 349 - Applied Learning in Corporate Communication and Technology, (5-8) A. Prerequisites: minimum GPA of 2.25 and 30 hours for associate degree, 60 hours for baccalaureate degree. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each credit hour. Three hours required in Office Systems Technology. Three hours may be used as an upper division business elective in the undergraduate program. May be repeated up to 8 credit hours for the associate degree and 16 credit hours for undergraduate program.

CCT 349 A-N Cooperative Study: Corporate Communication and Technology, (5-8) A. Prerequisites: minimum GPA of 2.25 and 30 hours for associate degree, 60 hours for baccalaureate degree. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each credit hour. Three hours required in Office Systems Technology. Three hours may be used as an upper division business elective in the undergraduate program. May be repeated up to 8 credit hours for the associate degree and 16 credit hours for undergraduate program.

CCT 490 - Special Problems in Corporate Communication and Technology, (1-4) A. May be retaken under different sub-topics to a cumulative maximum of six hours. Independent work, special topics, or seminars. Students must have the independent study proposal form approved by department chair prior to enrollment.

CCT 490 Corporate Training, (3) A. Prerequisite: 90 credit hours completed. This course applies theories of learning and instructional development to office systems employee education and skill development. Topics include instructional design, strategy, technology, and implementation, evaluation, and management of training in an organizational environment.

CCT 550 - Integrated Corporate Communication, (3) A. Prerequisite: senior or graduate standing. Examines effective integrated communications skills to achieve organizational objectives. Emphasizes analysis and application of communication process and strategies for managerial decision-making. Examines change process, corporate culture, and negotiation issues. Provides corporate training component.

CCT 570 - Web Design for Offices, (3) A. Prerequisites: CCT 260 or CIS 212 or CSC 104 (with a minimum grade of "C" in each prerequisite course). Advanced development of business document design techniques with an emphasis on web design and multi-media resources. Geared for education, small offices or businesses, personal use, and not-for-profit organizations.

CCT 580 - Office Technology Seminar, (3) A. Prerequisites: CCT 250 or CSC 104 or CIS 212 and CCT 300W or CCT 201 (with a minimum grade of "C" in each prerequisite course), 90 credit hours completed. This capstone course requires synthesis and applications of concepts related to current office systems topics.

CED — Clinical Education

Dr. Verna Lowe, Dean

CED 100 Clinical I: Introduction to the Education Program (5-12) I, II. Corequisites: EDF 103 and SED 104. Guided laboratory-based experiences exploring the identification and assessment of the roles and responsibilities of teachers and other education professionals and components of the education system. (laboratory-based clinical experience – a minimum of 10 hours is required; additional hours, as required based upon candidate performance). Must earn B or higher for Admission to Professional Education.

CED 200 Clinical II: Understanding the Learner, (5-12) I, II. Corequisites: CED 100. Prerequisites: EDF 219; or EDF 320 for CTE majors; or CDF 235 for IEC majors. Guided laboratory-based experiences exploring the assessment and analysis of student learning and engagement and the school environment from varied learning theory perspectives. (laboratory-based clinical experience – a minimum of 30 hours is required; additional hours may be required based upon candidate performance). Must earn B or higher for Admission to Professional Education.

CED 300 Clinical III: Curriculum and Instructional Design, (5) I, II. Prerequisites: CED 200 and Admission to Professional Education or Dean approval. Corequisites: EMS 300. Guided school-embedded experiences emphasizing the development, implementation, interpretation and reporting of a variety of assessment tools for learners, the classroom and school environment and the subsequent design of instruction. (school-embedded clinical experience – a minimum of 40 hours is required; additional hours may be required based upon candidate performance). Must earn B or higher for Admission to Professional Education.

CED 400 Clinical IV: Diagnosis and Prescription, (5-12) I, II. Prerequisites: CED 300 and Admission to Professional Education or Dean approval. Corequisites: EDF 413 and EMS 490; or SED 352 and SED 590 for IEC majors. Guided school-embedded experiences emphasizing the development, implementation, interpretation and reporting of a variety of assessment tools for learners, the classroom and school environment and the subsequent design of instruction. (school-embedded clinical experience – a minimum of 40 hours is required; additional hours may be required based upon candidate performance). Must earn B or higher for Admission to Professional Education.

CED 450 Clinical V: Practicing Teaching, (11) I, II. Prerequisites: CED 400 and Admission to Professional Education or Dean approval. Sustained, practicum-based teaching experiences in an assigned instructional setting. Includes experience individual, small group and whole class teaching opportunities. (school-embedded clinical experience – a minimum of 80 hours is required; additional hours may be required based upon candidate performance).

CED 499 Clinical for the Professional Semester, (12) I, II. Prerequisite CED 450 and Admission to the Professional Semester. Full-time assignment in an accredited school to observe, participate, and teach in classroom settings with special emphasis on the impact of instruction on student learning. (school-embedded clinical experience – a minimum of 70 days is required).

CDF — Child and Family Studies

Dr. Diane Leggett, Chair

CDF 132 — Introduction to the Family, (3) I, II. Cross-listed as WGS 132. Ecological and systems approach applied to public and private family concepts; development and current status of families. Emphasis on the roles and relationships among individuals, families, consumers, and communities; status of women, men, children and the elderly; public policy related to changes in the family. Credit will not be awarded for both CDF 132 and WGS 132.

CDF 147 — Role of EC Educator, (2) I, II. Introduces the profession: exploration of the qualities, expectations, and responsibilities of an EC professional. Relationships among early learning standards, interdisciplinary fields, professional organizations, & philosophical approaches. Requires 5 hours of field experience.

CDF 203 — Philosophical & Historical Foundations of the EC Professional, (3) I, II. An orientation to the profession: exploration of the qualities, expectations, & responsibilities of an EC professional. Relationships among early learning standards, interdisciplinary fields, professional organizations, & philosophical approaches. Course is required of all transfer students. Requires 5 hours of field experience. Credit will not be awarded for both CDF 203 and CDF 201.

CDF 210 — Special Topics in Early Childhood Education: ______, (1-3) A. Selected topics in child development and early childhood program planning. May be retaken to a maximum of six hours provided topics vary.

CDF 232 — Identity and Sexuality, (3) I, II. Cross-listed as WGS 232. An exploration of the changing attitudes about and among men/women and their effect on choices in interpersonal relationships. Emphasis will be on promotion and maintenance of positive mental, physical, emotional, and sexual development. Credit will not be awarded to students who have credit for HEA 375 or WGS 232. Gen. Ed. Element 6.

CDF 235 — Child Development: Conception—Eight Years, (3) I, II. Developmental characteristics and theory pertinent to children's conception to age eight. Special emphasis on early childhood theoretical frameworks.

CDF 236 — Interaction and Guidance, (3) I, II. Overview of guidance strategies in fostering children's social competency within the early childhood program. May be retaken to a maximum of six hours provided topics vary. Emphasis will be on promotion and maintenance of positive mental, physical, emotional, and sexual development. Credit will not be awarded to students who have credit for HEA 375 or WGS 232. Gen. Ed. Element 6.

CDF 243 — Introduction to Family Life Programs, (3) A. Prerequisite or Corequisite: CDF 132. Examination of programs which focus on forming partnerships with families through the public, private, and nonprofit sectors to support family and individual well-being. Career development and opportunities explored.

CDF 246 — Creative Activities and Materials for Young Children, (3) I, II. Prerequisite: CDF 235 or department approval. Survey of learning experiences in various curriculum areas, including planning activities, including techniques and materials, to provide environment appropriate to the age and background of young children for the individual child based upon age, ability, culture and ethnicity.

CDF 299 — Case Study: Observational Assessment, (1) A. Survey of observational methods applied to individual studies. Open to transfer students only.

CDF 310 — Observation and Assessment in ECE, (3) I, II. Prerequisite: CDF 235. Corequisite: CDF 349. Authentic assessment approaches through...
observation of children in natural environments. Intentional planning and implementation of Developmentally Appropriate Practice in EC settings. Special emphasis on linking assessment to the EC curriculum.

**CDF 327S Family Involvement with Young Children.** (3) II. Prerequisites: CDF 235 or CDF 241 and 244, 236, and 246 or CDF 345 or department approval. Study of effective relationships with families. Methods and materials useful in fostering family life education, including adult learning principles. Experiences include implementing family service plans, planning discussion groups, conducting home visits, and parent-teacher conferences. Includes 15 service learning hours.

**CDF 331 Marriage and Intimate Relationships.** (3) I. Cross-listed as WGS 331. The process within and types of intimate relationships in contemporary times. Topics include singleness, partner selection, marriage, divorce, remarriage, long-term enduring marriage, and factors which affect the success of intimate relationships. Credit will not be awarded for both CDF 331 and WGS 331.

**CDF 342 Child and Adolescent Development.** (3) II. Study of U.S. youth, utilizing systems, concepts, and theories of a life-course perspective approach. Effects of economic, social, and technological change on policies and programs affecting youth of diverse backgrounds.

**CDF 346 Play-Based Assessment for Early Childhood Program Planning.** (3) II. Prerequisites: CDF 334 and 344, or department approval. Overview of play-based assessment and examination of tools emphasizing a transdisciplinary approach. Use of information collected from screening and arena-based assessment for program planning in center and home based settings.

**CDF 349 Applied Learning in Child Development.** (1-3) A. Prerequisite: department approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit. Maximum of three hours may be counted in major requirements toward degree.

**CDF 349A-N Cooperative Study: Child Development.** (1-3) A. Prerequisite: department approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit. Maximum of three hours may be counted in major requirements toward degree.

**CDF 349Q Applied Learning in IEECE 1 (.5) A.** Corequisite: CDF 399. Collaborate with teachers in educational settings. Assist with formative and summative assessment and classroom management. Minimum of 40 hours field experience required.

**CDF 349R Applied Learning in IEECE 1 (.5) A.** Corequisite: CDF 327S. Collaborate with teachers in preschool and early childhood classroom(s) and assist with instructional planning and teaching. Minimum of 40 hours field experience required.

**CDF 351 Practicum for Early Childhood Practitioners.** (3) A. Prerequisites: department approval, 2.5 cumulative GPA, minimum grade of “C” in all courses with “CDF” prefix. Enrollment limited to students who have earned a Child Development Associate credential with college credit. Teaching experience in early childhood programs emphasizing emergent curriculum, documentation, project work, and family involvement. Meetings for collaborative planning/preparation.

**CDF 363 Early Childhood Literacy** (3) I, II. Prerequisite: Admission to Child & Family Studies or department Approval. An exploration of the emergent literacy development of young children within the language-rich context of play. Emphasis on state and national language arts standards, 2nd language learners, literacy assessment, resources for literacy instruction. Course material is taught within a conceptual context.

**CDF 399 Early Childhood Practicum.** (3-6) III. Prerequisites: Admission to Child and Family Studies or department approval. Corequisite CDF 349. Planning, implementation, and evaluation of developmentally and culturally appropriate environments for infants and toddlers. Emphasis is placed on the caregiver-infant relationship, intentional teaching and curriculum/program assessment, laboratory and field experiences, and environments specific to individual needs. Credit will not be awarded for both CDF 344 and 405.

**CDF 406 Program Planning for Preschool Children.** (3) I & II. Prerequisite: Admission to Child and Family Studies or department approval. Corequisite CDF 349. Planning, implementation, and evaluation of developmentally and culturally appropriate environments for preschool children. Emphasis on intentional teaching, curriculum/program assessment, inquiry learning, documentation, project work, collaborative work with families/colleagues/community, and various programs (e.g. Montessori, Head Start, HighScope). Credit will not be awarded for both CDF 406 and 344.

**CDF 424 Diversity Awareness for Professional Practice.** (3) II. Prerequisite: junior standing. Professionals working with individuals and families today must develop cultural competency. With a focus on sensitivity and respect, this course provides an overview of diversity in society, including race, gender, socioeconomic status, sexual orientation, religion, and other forms of diversity.

**CDF 437 Family Stress and Resilience.** (3) I, II. Prerequisite: CDF 122 or department approval. Study of stressors which may affect the quality of family life and resiliency factors which families and individuals employ to cope effectively with these stressors. Current research and models of family stress and resilience are studied.

**CDF 441 Family Dynamics in Adulthood and Aging.** (3) A. Individual and familial development from young adulthood through death. Particular focus on changing family roles as members age. Emphasis on social changes affecting life satisfaction, living environments, and social relations of the middle-aged and elderly.

**CDF 443 Family Studies Practicum.** (9) A. Prerequisites: CDF 122, 243, and 247 or 327 or 327S; 3.0 GPA in major, and minimum of “C” in all courses with a CDF prefix; senior standing. Supervised practicum experience in family life education, family resources and community-based programs serving individuals and families in the public, private, and nonprofit sectors.

**CDF 449 Special Problems in Child Development.** (1-3) A. Prerequisites: department approval and a 3.0 GPA (major). May be retaken to a maximum of six hours provided topics vary. The student chooses a problem area for study under the supervision of the instructor. Student must have the independent study proposal form approved by faculty supervisor prior to enrollment.

**CDF 450 Early Childhood Practicum.** (9) I, II. Prerequisites: CDF 247 or 327 or 327S, 248 or 346 and 246 or 345, 3.0 GPA in major requirements, and minimum grade of “C” in all courses with a CDF prefix. Practicum focusing on designing and equipping the environment, implementing learning experiences, developing strategies for guiding young children, and arranging effective communication for family involvement. Meetings for collaborative planning and reflective discussion to make program decisions.

**CDF 495 Practicum in Early Childhood Education.** (12) I, II. Prerequisites: completion of all major courses, supporting courses, special education minor, and professional courses. Practice teaching in programs for children ages birth through five years focusing on organizing environments for learning, planning and implementing developmentally appropriate curricula, selecting and implementing guidance strategies, assessing individual strengths and concerns of children and their families and colleagues for the benefit of children.

**CDF 541 Infant-Toddler Development and Group Care.** (3) A. Growth and development from conception to three years. In-depth study of theories and issues related to development during the first three years and before birth. Impact of family, education, and community will be explored.

**CDF 538 Research Analysis in Child and Family Studies.** (3) I. Prerequisites: CDF 235 and 248 or CDF 343 or department approval. Students will acquire the skills required to read and evaluate professional research literature in child and family studies by examining current studies and research. Students will also compare and contrast the treatment of current issues in their field in both popular and professional writings.

**CDF 541 Early Childhood Development and Program Planning.** (3) A. Theory pertinent to early childhood development and learning including constructivism, socially-mediated intelligence, multiple intelligences and creativity. Emphasis on emergent curriculum and teaching strategies reflecting social collaboration such as webbing, project work, and multimedia documentation.

**CDF 547 Organization and Administration of Early Childhood Programs.** (3) I. Prerequisites: CDF 327 or 247, 343, or 406 or 248, and 344 or 405 or department approval. Review of the theories influencing the definition of goals, philosophies and rationales for establishment of early childhood programs (0-5), study of the procedures for organizing early childhood programs, and discussion of the management processes for administering quality early childhood programs.

**CDF 550 Child and Family Studies Topics: (1-3) A.** Study of various topics in child and family studies selected to meet student needs and interests. May be retaken to a maximum of six hours provided topics vary.

**CDS—Communication Disorders and Sciences**

**CDS 090 Speech-Language Laboratory.** (3) A. Clinical approach to communication problem(s). Instruction in proper use of speech mechanism. Individualized remediation of articulation, fluency, voice, and/or voice problems. Certification of enrollment in Speech-Language-Hearing Clinic may be required. Institutional credit; cannot be used toward graduation.

**CDS 250 Phonetics.** (3) I. Prerequisite: admission to CDS program. Study of the articulatory postures and movements used to produce standard English and defective sounds. Introduction of the International Phonetic Alphabet and practice in using it to transcribe both normal and defective speech.

**CDS 273 Observation in Communication Disorders.** (1) II. Prerequisite: admission to CDS
program. Supervised clinical observation of therapy and/or diagnostic services for individuals with communication disorders. Instruction in report writing and observing in various settings. Students must complete 25 clock hours of observation by the end of this semester.

CDS 275 Introduction to Communication Disorders. (3) I. Introduction to the nature and causes of speech, language, and hearing disorders. An overview of the field of communication disorders and sciences.

CDS 285 Anatomy and Physiology of Speech and Hearing Mechanism. (3) I. Prerequisite: admission to CDS program. Introduction to the anatomical and physiological bases of hearing, respiration, phonation, resonance, and articulation.

CDS 360 Normal Speech and Language Development. (3) II. Normal speech and language acquisition from birth through the developmental years; basic linguistic concepts and theories; language differences.

CDS 365 Language Disorders: Assessment. (3) I. Prerequisite: admission to the CDS program. Prerequisite/Corequisite: CDS 360. Methods of assessing language content/form/use. Assessment techniques include standardized tests, language sampling and analysis, and observational techniques and scales.

CDS 372 Methods and Materials in Communication Disorders. (3) II. Prerequisite: admission to the CDS program. Overview of scope of practice and credentials for service delivery; management of therapy sessions; clinical policies and procedures; Code of Ethics; precautions for infectious disease control; development of therapy materials and oral mechanism examination kits.

CDS 374 Practicum in Speech Pathology. (3) I. Prerequisites: 25 hours of observation in communication disorders and sciences, CDS 372 and 373, and overall 3.0 GPA, or Clinic Director approval. Supervised clinical practice in communication disorders services. May be retaken to a maximum of six credit hours.

CDS 380 Introduction to Clinical Audiology. (3) I. Prerequisite: admission to CDS program. Introductory hearing disorders and sciences, CDS 372 and 373, and overall 3.0 GPA, or Clinic Director approval. Supervised clinical practice in communication disorders services. May be retaken to a maximum of six credit hours.

CDS 385 Voice Disorders. (3) I. Prerequisite: Admission to the CDS program. Lectures and selected readings in the theoretical, etiological, and developmental views of voice and speech disorders and management of stuttering problems in children.

CDS 474 Advanced Practicum in Speech Pathology. (3) II. Prerequisites: Overall 3.0 GPA and CDS 374, or Clinic Director approval. Advanced supervised clinical practice in communication disorders services. May be retaken to a maximum of six credit hours.

CDS 485 Audiology Evaluation. (3) II. Prerequisite: CDS 380. Fundamentals of audiology examination, immittance measurement, and electrophysiology via lecture and integrated lab simulations. Techniques for audiometric data collection, interpretation, and reporting.

CDS 487 Aural Rehabilitation. (3) I. Prerequisite: CDS 380 or departmental approval. Fundamentals of aural habilitation/rehabilitation in the form of amplification (hearing aids, cochlear implants, assistive listening devices), speech reading, auditory-visual-kinesthetic perception, pediatric rehab techniques, educational management, counseling.

CDS 488 Practicum in Audiology. (1) I, II. Prerequisites: Overall 3.0 GPA or Clinic Director approval. Supervised clinical practice in audiology. May be retaken to a maximum of two credit hours.

CDS 520 Developmental and Alternative Communication Systems. (3) A. An overview of various approaches to ained non-oral systems of communication. Various devices and symbol systems will be discussed.

CDS 525 Literate Language. (3) I. Prerequisites: CDS 360, CDS 365, and CDS 464 or departmental approval. Study of language disorders in children and principles for remediation in written language.

CDS 530 Therapeutic Relationships in Special Education. (3) II. Prerequisite: Admission to CD program or departmental approval. Overview of therapeutic relationship between individuals with disabilities, their families, and professionals. Emphasis on empathetic listening, interviewing skills, and change process.

CDS 541 School Services in Communication Disorders. (3) II. Prerequisites: Overall 3.0 GPA, and admission to CDS program; or departmental approval. Organization and management of speech-language therapy services in the schools. Lec/Lab.

CDS 571 Neural Bases of Communication. (3) I. Prerequisites: admission to the CDS program or instructor approval. A study of neuroanatomical and neurophysiologic bases of communication including developmental issues and neurologic deficits resulting in communication disorders. Credit will not be awarded for both CDS 571W and CDS 571.

CDS 571W Neural Bases of Communication. (3) II. Prerequisites: admission to the CDS program or instructor approval and ENG 102 or ENG 105B or HON 102. A study of neuroanatomical and neurophysiologic bases of communication including developmental issues and neurologic deficits resulting in communication disorders. Credit will not be awarded for both CDS 571W and CDS 571.

CDS 572 Speech & Hearing Science. (3) II. Study of the physics of sound, acoustic characteristics and processes, perceptual correlates, production of speech, and psychophysical processes of communication.

CED – Clinical Education

CDS 100 Clinical I: Introduction to the Education Profession. (5) I, II. Guided laboratory-based experiences emphasizing the identification and assessment of the roles and responsibilities of teachers and other education professionals and components of the education system. (Laboratory-based clinical experience – a minimum of 10 hours is required; additional hours may be required based upon candidate performance.)

CDS 200 Clinical II: Understanding the Learner. (5). I, II. Prerequisite: CDS 100. Guided laboratory-based experiences emphasizing the assessment and analysis of student learning and engagement and the school environment from varied learning theory perspectives. (Laboratory-based clinical experience – a minimum of 30 hours is required; additional hours may be required based upon candidate performance.)

CDS 300 Clinical III: Curriculum and Instructional Planning. (3) II. Prerequisite: CDS 200 and Admission to Professional Education. Guided school-embedded experiences that emphasize impacting student growth through well-planned and aligned instructional units and lessons. (School-embedded clinical experience – a minimum of 40 hours is required; additional hours may be required based upon candidate performance.)

CDS 400 Clinical IV: Diagnosis and Prescription. (5). I, II. Prerequisites: CDS 300 and Admission to Professional Education. Guided school-embedded experiences emphasizing the development, implementation, interpretation and reporting of a variety of assessment tools for learners, the classroom and school environment and the subsequent design of instruction. (School-embedded clinical experience – a minimum of 40 hours is required; additional hours may be required based upon candidate performance.)

CDS 450 Clinical V: Practicing Teaching. (1). I, II. Prerequisites: CED 400 and Admission to Professional Education. Supervised, sustained practice teaching experiences in an assigned instructional setting. Experiences include individual, small group and whole class teaching opportunities. (School-embedded clinical experience – a minimum of 80 hours is required; additional hours may be required based upon candidate performance.)

CDS 499 Clinical VI: The Professional Semester. (12). I, II. Prerequisite CED 450 and Admission to the Professional Semester. Full-time supervised teaching experience in an accredited school setting. Preparation, teaching or teaching elementary and middle school education majors only. Activity-oriented chemistry; elements, molecules, solutions, acids and bases, reactions, energy and environmental topics. 2 Lec/2 Lab. Gen. Ed. E-4 [NS].

CHE 101 Introductory Chemistry I (3) I, II. Prerequisite: completion of all developmental requirements; pre-teaching or teaching elementary and middle school education majors only. Basic nomenclature and reactivity. Basic chemistry concepts to everyday life phenomena. A withdrawal from CHE 101 must be matched by a withdrawal from CHE 101L. Gen. Ed. E-4 with CHE 101L.

CHE 101L Introductory Chemistry Lab I. (1) I, II. Prerequisite: completion of all developmental requirements. Prerequisite or Corequisite: CHE 101L and MAT 098 or higher. For students who plan to take no more than one year of chemistry. Basic principles of structure and properties of matter, chemical nomenclature and reactivity. Relations chemistry concepts to everyday life phenomena. A withdrawal from CHE 101L must be matched by a withdrawal from CHE 101. Gen. Ed. E-4 with CHE 101L.

CHE 101L Introductory Chemistry Lab II. (1) I, II. Prerequisite: completion of all developmental requirements. Prerequisite or Corequisite: CHE 101 and MAT 098 or higher. Laboratory component of CHE 101. Basic laboratory techniques, methods of separation, types of chemical reactions, solution preparation, titrations, household chemicals, molecular modeling. 2 Lab. Gen. Ed. E-4 with CHE 101.

CHE 102 Introductory Chemistry II. (3) I, II. Prerequisite: CHE 101 and 101L. Prerequisite or Corequisite: CHE 102L. Continuation of CHE 101. A survey of the classes of organic molecules including their common uses and physical and chemical properties. In addition, an introductory look at the structure and function of biological macromolecules. Withdrawal from CHE 102 must be matched by a withdrawal from CHE 102L.

CHE 101L Introductory Chemistry Lab II. (1) I, II. Prerequisite: CHE 101 and 101L. Prerequisite or Corequisite: CHE 102L. Lab component of CHE 102. Perform basic organic reactions and laboratory procedures including melting point, distillation, and recrystallization. 2 Lab.

CHE 105 Chemistry for the Health Sciences. (3) I, II. Prerequisite: completion of all developmental requirements. Prerequisite or Corequisite: CHE 105L. An introductory course for students in allied health. Principles of bonding, structure, and reactivity related to biological processes.
A withdrawal from CHE 105 must be matched by a withdrawal from CHE 105L. [NS].

CHE 105L Health Science Chemistry Lab. (1) I, II. Prerequisite or Corequisite: CHE 105. Laboratory experiments that demonstrate chemical concepts and laboratory techniques related to the health science profession. 2 Lab. Gen. Ed. E-4 with CHE 105. [NS].

CHE 261 Organic Chemistry I. (3) I, II. Prerequisite or Corequisite: CHE 112 and 112L (C or better). Principles of organic chemistry with emphasis on symmetry, chemical bonding, including atomic and molecular orbital theory, and reactivity. Application of these principles to acid-base, coordination, organometallic, bioinorganic and materials chemistry are included. Credit will not be awarded for both CHE 450 and CHE 485.

CHE 484 Chemistry Colloquium (1) I, II. Prerequisite: CHE 325 and 362. Lectures and presentations of chemical information by local or visiting scholars currently involved in chemical research. One weekly meeting. Cannot be taken concurrent with CHE 485. May be retaken for a maximum of two hours.

CHE 495A Independent Chemical Research. (1) A. Prerequisite: CHE 112 and departmental approval. An introduction to research in all fields of chemistry. Literature-based assigned research project with a faculty mentor that will require a formal research report. May be retaken to a maximum of three hours. Student must have the independent study proposal form approved by faculty mentor and departmental chair prior to enrollment. 3 Lab. Credit will not be awarded for both CHE 495 and 495A.

CHE 495B Chemistry Laboratory Independent Research: ______. (1-3) A. Prerequisite: CHE 112 and departmental approval. Problems in all fields of chemistry. May be retaken to a maximum of nine hours. Student must have the independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment. Credit will not be awarded for both CHE 495 and 495B.

CHE 501 A-E Chemtopics: ______. (1-3) A. Prerequisite: departmental approval. Topics to be chosen from current and/or specialized areas of chemistry based on interests and/or need: A: Analytical, B: Biochemistry, C: Inorganic, D: Organic, E: Physical. May be retaken to a maximum of six hours.

CHE 501L Chemtopics Lab: ______. (1) A. Prerequisite: departmental approval. Laboratory experiences chosen from specialized areas of chemistry including advanced chemical instrumentation / analysis, synthetic methods, computational chemistry, or molecular modeling. Topics vary according to student needs. May be retaken to a maximum of two hours. 3 Lab.

CHE 515 Synthetic & Analytical Methods. (5) A. Prerequisites: CHE 362, 362L, 425 (or FOR 411), 425L (or FOR 411L) (C or better in each course). Synthesis, isolation, purification, and characterization of chemical systems. Credit will not be awarded for both CHE 430 and CHE 530.

CHE 430 Biochemistry of Macromolecules. (3) A. Prerequisites: CHE 362 and 362L. Structure, analysis, and organization of proteins, nucleic acids, and lipids; physical and organic mechanisms of enzyme action; chemistry of membrane action and control of cellular genetic apparatus. Credit will not be awarded for both CHE 349L and CHE 531.

CHE 432 Biochemistry Laboratory. (1) A. Prerequisite or Corequisite: CHE 430 or 431 or departmental approval. Experimental techniques characteristic of biochemical research. Purification and characterization of proteins and nucleic acids; use of computers in modeling biochemical data. 3 Lab. Credit will not be awarded for both CHE 432 and CHE 532.

CHE 450 Inorganic Chemistry. (3) I. Prerequisite: CHE 362 and MAT 124 (C or better). Principles of inorganic chemistry with emphasis on symmetry, chemical bonding, including atomic and molecular orbital theory, and reactivity. Application of these principles to acid-base, coordination, organometallic, bioinorganic and materials chemistry are included. Credit will not be awarded for both CHE 450 and CHE 485.

CHE 200 Volunteering in Chemistry. (0) A. An exposure to chemistry outreach activities, including, but not limited to exploring chemical concepts with children, organizing chemistry community events. May be retaken for a maximum of two hours.
(including spectroscopy and other analytical methods) of inorganic and organic compounds and mixtures. Other methods include handling of air and moisture sensitive compounds and molecular computations. 3 Lec/6 Lab.

**CHE 520 Mass Spectrometry. (3)** A. Cross-listed: CHE 475, FOR 475. Prerequisite: CHE 362. Topics include types of mass spectrometers; qualitative and quantitative mass spectrometry, different ionization processes, sample inlet systems (including chromatographic systems), and interpretation of mass spectral data. Credit will not be awarded for both CHE 520 and FOR 475.

**CHE 570 Biophysical Chemistry I. (4)** I, II. Prerequisite: CHE 361 (C or better), BIO 111 or higher (C or better), and either MAT 124 or MAT 261. Prerequisite or Corequisite: PHYS 131 or 201. An introduction to physical and chemical explanations of biological phenomenon and physical chemistry theories and methodologies applied on biological systems. Topics include thermodynamics, chemical equilibrium, kinetics, quantum chemistry, spectroscopy, and selected topics. 6 Lec / Lab / Rec. Credit will not be awarded for both CHE 570 and CHE 770. Credit will not be awarded for both CHE 570 and CHE 470.

**CHE 574L Physical Chemistry Lab I. (1)** A. Prerequisite: CHE 361 (C or better). Prerequisites or Corequisites: CHE 574L and MAT 224 and PHYS 131 or 201 (C or better in each course). A study of thermodynamic properties in physical and chemical systems; electrochemical processes; rates and mechanisms of chemical reactions. Credit will not be awarded for both CHE 574 and CHE 474.

**CHE 575 Physical Chemistry II. (3)** A. Prerequisite: CHE 361 (C or better). Prerequisite or Corequisite: CHE 575L and PHYS 131 or 201 (C or better in each course). Laboratory component of CHE 574. Experimental work to illustrate principles of physical chemistry that include thermodynamics, electron affinity, equilibrium, and reaction kinetics. 3 Lab.

**CHE 575L Physical Chemistry Lab II. (1)** A. Prerequisite: CHE 361 and 325L (C or better in each course). Prerequisites or Corequisites: CHE 574 and CHE 385 (C or better in each course). Laboratory component of CHE 575. Experimental work to illustrate principles of physical chemistry including UV-visible, infrared, and fluorescence spectroscopic techniques, fundamentals of laser operation, statistical mechanics, and computational chemistry.

**CHS—College of Health Sciences**

**Dr. Deborah Whitehouse, Dean**

**CHS 105 Survey of Medical Terminology. (1)** I, II. A. Independent study, modular design paced by class attendance. Includes word roots, prefixes, suffixes, and general medical terms. Credit will not be awarded for both CHS 105 and ECH 105 or CHS 200 or MAS 200 or HSA 200. 1 Prereq: CHE 207 or 208. 200 Survey of Disease. (3) I. A. Prerequisites: BIO 171, 301. Prerequisite or Corequisite: CHS 105 or departmental approval. An introduction to disease process and management. Includes survey of disease of the major body systems.

**CHS 210 Special Problems in Health Sciences. (1-4) A.** Prerequisite: departmental approval. For independent work, special workshops, or a special topic. May be taken to a maximum of six hours.

**CHS 342 Understanding AIDS (1)** I, II. A seminar intended to inform students about risk factors and implications associated with acquiring AIDS (Acquired Immune Deficiency Syndrome).

**CHS 349 Applied Learning in Health Sciences. (5-8) A.** Work, under faculty and field supervisors, in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight; graduate, baccalaureate. Minimum 80 hours work required for each academic credit.

**CHS 349 A-N Cooperative Study: Health Sciences. (5-8) A.** Work, under faculty and field supervisors, in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eighteen, associate; sixteen, baccalaureate. Minimum 80 hours work required for each academic credit.

**CHS 410 Special Problems in Health Sciences. (1-4) A.** Prerequisite: departmental chair approval. For independent work, special workshops, or a special topic. May be taken to a maximum of six hours.

**CHS 420 Special Topics for Health Professions. (1-2)** A. Prerequisite: senior standing and/or departmental approval. Topics of current interest to students enrolled in health professions. May be repeated a maximum of six hours.

**CHS 570 Health Care of the Aged. (3)** A. Theories of gerontology; common health problems of the aged; focus on quality health care.

**CIS—Computer Information Systems**

**Dr. Oliver Feltus, Chair**

**CIS 212 Introduction to Computer Information Systems. (3)** I, II. Introduction to computer hardware and software systems, the Internet, HTML, and microcomputer applications including spreadsheets, word processing, database, presentation graphics, electronic mail, and Web browsing. Credit will not be awarded for both CIS 212 and CSC 104.

**CIS 215 Introduction to Business Programming. (3)** I, II. Prerequisite: CIS 212 or CIS 240 or CSC 104 or equivalent with a grade of "C" or better. Introduces computer programming course using a structured programming language to solve business problems. This course will introduce: algorithm concepts and development; structured programming methodologies; language syntax; graphical interface design and event based programming.

**CIS 230 Business Applications of Microcomputers. (3)** A. Prerequisite: CIS 212 or CIS 240 or CSC 104 or equivalent with a grade of "C" or better. Advanced word processing, spreadsheets, database management, and presentation software.

**CIS 240 Introduction to Web Information Systems. (3)** A. Introduction to design and development of Web-based systems. Includes Internet and Web technology; Web development using design procedures, HTML and XML; and hands-on experience in website design and authoring.

**CIS 250 Business Programming II. (3)** I, II. Prerequisite: CIS 215 with a grade of "C" or better. Intermediate computer programming course introducing: data structures; file input/output using sequential and random techniques; database access; business report generation; advanced graphical interface design and event based programming.

**CIS 300 Management Information Systems. (3)** I, II. Prerequisite: CIS 212 or MAT 225 or CSC 201 or 202, CIS 212 or CSC 104 and ECO 230 with a grade of "C" or better in each course; junior standing (a minimum of 60 hours) with an overall minimum of 2.0 GPA. Role of information systems in supporting managers; decision making and organizational goals; planning and managing e-business systems; global competition; and social and ethical issues.

**CIS 320 Forensic Computing: Investigations (3)** A. Prerequisite: CIS 212 or CIS 240 or CSC 104 with a grade of "C" or better and junior standing. Provides students with an understanding of digital forensics as used in corporate investigations and criminal/civil litigation. Students learn basic tools and techniques to properly initiate a computer forensics investigation, then acquire and analyze that evidence.

**CIS 325 Forensic Computing: Acquisitions (3)** A. Prerequisite: CIS 212 or CIS 240 or CSC 104 with a grade of "C" or better and junior standing. Students will experience and understand the portion of the digital investigation beginning with digital evidence acquisition, then analysis of the evidence, and finally reporting results—implementing various forensic hardware and software including write-blockers and EnCase.

**CIS 335 Data Base Management. (3)** I, II. Prerequisites: Junior standing and CIS 240 or CIS 300 with a grade of “C” or better. Fundamental concepts of database processing; conceptual, logical, and physical design of databases; the use of SQL for data retrieval and relational database implementation; and data management for the enterprise.

**CIS 340 Electronic Business Technologies and Tools. (3)** I, II. Prerequisite: Junior standing and CIS 240 with a grade of “C” or better. The course provides an introduction to e-business infrastructure, tools, and the development of e-business applications with these tools. Topics include the Internet and World Wide Web; client-side. Web applications; HTML, XML, and scripting languages.

**CIS 349 A-N Cooperative Study: Computer Information Systems. (5-8)** A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. The course provides an introduction to e-business infrastructure, tools, and the development of e-business applications with these tools. Topics include the Internet and World Wide Web; client-side. Web applications; HTML, XML, and scripting languages. May be repeated for a total of 16 credit hours.

**CIS 349 A-N Cooperative Study: Computer Information Systems. (5-8)** A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. The course provides an introduction to e-business infrastructure, tools, and the development of e-business applications with these tools. Topics include the Internet and World Wide Web; client-side. Web applications; HTML, XML, and scripting languages. May be repeated for a total of 16 credit hours.

**CIS 355 Advanced Business Programming. (3)** A. Prerequisite: CIS 250 with a grade of “C” or better. An object-oriented computer programming course to solve business problems. This course will introduce: object oriented design; inheritance and composition; advanced interface and component reuse; integration techniques; server-side controls.

**CIS 360 Computer Information Systems Internship. (2-4)** A. Prerequisites: GPA of 2.25 and departmental approval. Practical experience in computer information systems.

**CIS 370 Seminar in Computer Information Systems. (1-3)** A. Prerequisite: instructor approval. Selected topics of special and contemporary interest to business students. May be taken under different subtitles to a maximum of six hours.

**CIS 375 Networks and Telecommunication. (3)** A. Prerequisite: Junior standing and CIS 240 with a grade of “C” or better. The study of networking and telecommunications fundamentals including LANs, WANs, and the Internet. Data communication and telecommunication concepts, models, standards, and protocols are studied. Installation, configuration, and management of infrastructure technologies is practiced and evaluated.

**CIS 380 Information Systems Analysis and Design. (3)** A. Prerequisite: Junior standing and (CIS 212 or 313) with a grade of “C” or better. The course develops life cycle models and includes the emphasis on analysis and design. Topics include requirements determination, logical design, physical design, and implementation planning. Topics include system feasibility analysis; RAD, prototyping, and object-oriented modeling techniques; software package evaluation, acquisition, and integration.

**CIS 400 Electronic Business Planning and...
Strategy. (3) I, II. Prerequisites: Junior standing and CIS 300 with a grade of "C" or better. Course covers the theory and practice of electronic business. Emphasizes e-business models and technology, assessing company performance and value; design, promotion, global and social issues.

CMS 410 Project Management and Practice. (3) I. Prerequisites: Junior standing and (CIS 300 or CIS 240) with a grade of "C" or better in each course. This course presents the theory and practice of project management. The technical and behavioral aspects of project management and change management are applied with the context of an information systems project.

CMS 420 Forensic Computing: Network Analysis. (3) I. Prerequisites: Junior standing and CIS 212 with a grade of "C" or higher. This course provides students with an understanding of computer forensics, in the context of managing computer networking and wireless networks, as well as in the context of corporate investigations and business litigation. Students learn tools and techniques to investigate network logs, network traffic, and web sites to conduct a forensics investigation.

CIS 430 Business Data Mining I (3) A. Prerequisites: CIS 212 or 240 or CSC 164D and (OMM 200 or STA 270), all with a grade of C or above. Introduces the basic concepts and practical business applications of data mining. Topics include: data types, data patterns, data preprocessing, data cleaning, outlier analysis, features reduction, feature discretization, data integration, data mining process, model estimation, Bayesian inference, regression analysis, classification, and prediction.

CIS 436 Advanced Data Base Management. (3) A. Prerequisite: CIS 335 or permission of instructor. More in-depth coverage of telecommunications and networking including installation and configuration, managing resources connectivity, running applications, monitoring and optimization, trouble shooting, and resources.

CIS 480 Information Systems Implementation. (3) I, II. Prerequisites: CIS 215, CIS 340, CIS 380 and CIS 335 with a grade of "C" or better in each course. An in-depth study of modern data base management to include advanced and current database topics. Coverage includes advanced data modeling and relational database design and implementation to include current technologies and techniques; database programming; database applications development for electronic business.

CIS 475 Advanced Telecommunications. (3) A. Prerequisite: CIS 375 or permission of instructor. More in-depth coverage of telecommunications and networking including installation and configuration, managing resources connectivity, running applications, monitoring and optimization, trouble shooting, and resources.

CIS 490 Special Problems in Computer Information Systems. (1-4) A. Prerequisite: advisor's approval. Independent study in information systems. May be retaken under different sub-topics to a maximum of six hours. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

CMSS—Communication Studies Dr. Elizabeth Hansen, Chair

CMS 100 Introduction to Human Communication. (3) I, II. An introduction to the study of human communication. Overview of major topics in contemporary theories of intrapersonal, interpersonal, small group, and public communication. Practice in the development of skills in each of these areas. Gen. Ed. E-EC [OC].

CMS 200 Interpersonal Communication. (3) I, II. A theoretical and skills based approach to building communication competence in personal relationship development, maintenance, and dissolution.

CMS 205 Advocacy and Opposition. (3) I. The study of the techniques and principles of formal argumentative discourse. Emphasis on developing, presenting, and defending opposing positions on controversial questions. Credit will not be awarded for both CMS 205 and CMS 205W.

CMS 205W Advocacy and Opposition. (3) I, II. Prerequisites: ENG 102, or ENG 105B, or HON 102. The study of the techniques and principles of formal argumentative discourse. Emphasis on developing, presenting, defending, and opposing positions on controversial questions through intensive writing and oral communication. Credit will not be awarded for both CMS 205W and CMS 205.

CMS 220 Careers in Communication Studies (1-3). An exploration of career opportunities in communication studies. All students must take the class for one credit hour; please elect to take the class for three credit hours, which involves onsite visits to organizations.

CMS 225 200 Interviewing. (3) I. Analysis and application of the communication skills necessary for becoming an effective interviewer and interviewee in organizational contexts. Learn and apply various interviewing settings: informative, employment and persuasive interviews.

CMS 300 Business and Professional Speaking. (3) I, II. Prerequisites: CIS 205W and 210. An advanced speaking course, in which students organize and deliver business presentations, learn and practice professional electronic/telephonic communication protocols, and conduct business meetings.

CMS 305 Research Design in Communication Studies (3) I, II. Prerequisites: CMS 205W and MAT 105 or 106 or 107 or 109 or 124 or 124H or 211. An introduction to the techniques of experimental, survey, textual and ethnography research designs as each pertains to the study of human communication.

CMS 310 Small Group Communication. (3) I, II. Prerequisites: CMS 200 and 210. Introduction to theories of small group communication. Exposure to various types of groups with special emphasis on the role of communication in the development of group norms, roles, leadership styles, problem-solving techniques and decision-making techniques.

CMS 315 Communication Practicum. (1-3) I, II. Prerequisite: Instructor approval. Supervised practical experience in organizational, human service, or dispute resolution communication contexts. May be retaken for a maximum of three hours.

CMS 320 Persuasion. (3) I, II. Prerequisites: CMS 205W or departmental approval. Study of contemporary research and theories of persuasion and social influence. Theoretical analysis of campaign strategies, citizen advocacy, and selected social movements. Practice in the design, analysis, and implementation of persuasive messages.

CMS 325 Communication in Conflict Management. (3) I, II. Prerequisites: CMS 100 or departmental approval. A study of the communication components that contribute to the initiation, perpetuation, and resolution of conflict. Emphasis on building appropriate communication skills for productive conflict management.

CMS 335 Advanced Public Speaking (3) I, II. Prerequisites: CMS 210 or departmental approval. An advanced study of invention, organization, style, delivery, and audience adaption of various types of speeches.

CMS 349 Applied Learning in Communication Studies. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

CMS 349 A-N Cooperative Study: Communication Studies. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

CMS 350 Organizational Communication. (3) I. Prerequisite: CMS 230. Survey of theoretical and empirical literature dealing with communication behavior as it occurs within the context of organizations. Students examine communicative behaviors through case study analysis and observations. Topics include communication networks, climate, and satisfaction.

CMS 353 Health Communication. (3) A. Prerequisites: CMS 200 or 205W, and 210. A survey of recent development in the field of health communication. Emphasis is on the role of interpersonal communication and family narrative in the health care setting, patient/provider interactions, and multicultural health awareness.

CMS 375 Intercultural Communication. (3) A. Prerequisites: CMS 200, 205W or 205, and 210. A study of the communication process across cultures with emphasis on intercultural perceptions, values and language problems as well as nonverbal expression in personal and professional contexts.

CMS 400 Communication and Gender. (3) A. Prerequisites: CMS 200, 205W or 205, and 210. Focuses on relationships between communication and gender, race, and social class. Examines ways in which gender roles are created and recreated in society and in our personal and professional relationships.

CMS 410 Human Communication Theory. (3) A. A general overview of the theoretical approaches informing research or communication. The goals of the class include developing and understanding of the role of theory in the research process and the ability to critique theories.

CMS 420 Negotiation. (3) A. This course combines communication theory and practice in resolving conflicts using the negotiation process. Extensive role-playing activities will be utilized to develop these skills.

CMS 450 Mediation. (3) A. Prerequisites: CMS 200, 205, 210, 250, and senior standing. The study of mediation as an alternative dispute resolution technique. Involves the analysis and practice of mediation skills applicable to the mediation process. Extensive mediation role-plays are an integral part of the course.

CMS 485S Communication Training and Development. (3) I, II. Prerequisite: CMS 200, 205W, 250, and 300. An introduction to the field of communication training and development for corporate, industrial, institutional, medical or educational settings. Students will practice training techniques in on-site situations. Credit will not be awarded to students who have credit for CMS 406 or 485S.

CMS 490 Special Topics in Communication. (1-3) A. Presentation of course material of a timely, specialized, or topical nature. Specific course orientation will appear beside title. May be retaken to a maximum of nine hours if subject matter is different each time.

CMS 495 Communication, Leadership, and Change. (3) I, II. Prerequisites: CMS 200, 205W or 205, 250, and senior standing. Study of relationships between communication and leadership skills and organizational societal change. Focuses on leadership roles, theories, and qualities. Additional emphasis on career exploration and leadership. Credit will not be awarded for both CMS 495 and CMS 490.

CMS 499 Independent Study in
Section Six - Course Descriptions

COM 200 Mass Media and Society. (3) I, II. Introduction to mass media issues. Analyzes mass media impact on social, political and economic sectors of American and world societies. Considers issues and trends, including ethics, legal controls, violence and censorship. Gen. Ed. E-5B. Credit will not be awarded for both COM 200 and 200W.  

COM 200W Mass Media and Society. (3) I, II. Prerequisites: ENG 102, or ENG 105B, or HON 102. Introduction to mass media issues. Analyzes mass media impact on social, political and economic sectors of American and world societies. Considers issues/ trends, including ethics, legal controls, violence and censorship. Gen. Ed. E-5B. Credit will not be awarded for both COM 200W and COM 200.  

COM 201 Writing and Reporting News. (3) I, II. Prerequisites: ENG 101 and 102 or ENG 105B. Study of the elements of news for print and electronic media; style, structure, sources, interviewing, story types, libel and ethics. Practice in gathering, writing and evaluating news.  

COM 202 Topics in Communications. (1-3) A. Prerequisite: department approval. Special topics beyond the scope of regularly offered courses. May be retaken to a maximum of nine hours provided the subject matter differs each time. Specific topics included in the schedule.  

COM 300 International Media. (3) I, II. Development and operations of world mass communication channels and agencies. Comparative analysis of media, media practices, and flow of news and entertainment worldwide. Print, public affairs, radio, and television systems will be studied in terms of relevant social, political, economic, geographic, and cultural factors.  

COM 301 Writing and Reporting News. (3) I, II. Prerequisite: COM 201. Advanced study of news for print and broadcast media. Includes source development, deadline reporting, visual reporting, electronic news sources, in-depth reporting. Introduction to court and government reporting.  

COM 320 Desktop Video. (1) I, II. Study of skills and techniques allowing effective communication in the mass media using desktop video tools. Examination of desktop video from an aesthetic perspective including television, film, art, multimedia, web video, digital still video.  

COM 325 Advertising Copy and Production. (3) I, II. Prerequisites: ENG 102 or ENG 105B or HON 102. Introduction to copywriting and production for electronic, print and other advertising media. Emphasis on advertising strategy, motivation, appeals, visualization and layout. Applies research and communication theory to creation of advertising. Credit will not be awarded for both COM 325 and 325S.  

COM 325S Advertising Copy and Production. (3) I, II. Prerequisites: ENG 102 or ENG 105B or HON 102. Using a service-learning-based approach, students will earn copywriting and production for electronic, print and other advertising media. Topics include advertising strategy and practice, motivation, appeals, visualization and layout, applied research and communication theory. Credit will not be awarded for both COM 325 and 325S.  

COM 330 Sportswriting and Reporting. (3) I, II. Study and production of game, feature and interview stories for print and broadcast. Includes play by play, sports commentary and analysis.  

COM 345 Literature and Film. (3) A. Cross-listed as ENG 345. Prerequisites: ENG 102 (or 105B) or HON 102. Examination of the relationships between film and literature through a comparative study of the stylistic and dramatic elements of the two media. Credit will not be awarded for both COM 345 and ENG 345.  

COM 349 Applied Learning in Multi-Media Studies. (3-8) A. Prerequisites: junior standing. “B” average in all courses within the department, and departmental approval. Work under faculty and field supervisor in placements related to academic studies. One to eight hours credit per semester; minimum of 160 total hours: eight, associate; sixteen baccalaureate. A minimum of 80 hours work required for each academic credit. May not satisfy major or minor requirements within the department.  

COM 349 A-N Cooperative Study: Multi-Media Studies. (3-8) A. Prerequisites: junior standing. “B” average in all courses within the department, and departmental approval. Work under faculty and field supervisor in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen baccalaureate. A minimum of 80 hours work required for each academic credit. May not satisfy major or minor requirements within the department.  

COM 400 Studies in Communications. (1-3) A. Prerequisite: will vary with course offering. Study of specific areas of communications through workshops, short courses, institutes, or through the presentation of a specific course which examines timely, topical, or specialized concerns in the field. Specific topic included in schedule. May be retaken to a maximum of nine hours.  

COM 405 Media Law. (3) A. Prerequisite: COM 200 or 200W or department approval. Examination of legal philosophies relating to the media, including press freedom, copyright, libel, slander, privacy, free press/fair trial, and regulation. Emphasizes the legal rights and responsibilities of the media.  

COM 415 Media Ethics. (3) A. Prerequisite: COM 200 or 200W or department approval. Examination of ethical standards and practices of the mass media. Includes development of ethical decision-making skills.  

COM 420 Mass Communications Research. (3) I, II. Prerequisite: PUB 380 with a grade of “C” or higher or departmental approval. Introduction to the research process, research approaches, basic statistics, and applied research in the field of mass communications.  

COM 425 Media Planning and Buying. (3) I, II. An introduction to the process of media planning and buying. Emphasis on basic measurements and calculations, reach and frequency, strategy, evaluation, and budgeting.  

COM 430 Legislative Reporting. (3) A. Prerequisite: COM 201 or department approval. Reporting on the state legislature for print and broadcast media. Counts as JOU/BEM elective.  

COM 445 Broadcast and Cable Promotion. (3) I, II. Study of broadcast and cable promotion in the areas of writing, production, marketing, and public relations. Includes exercises in promotions.  

COM 471 Media Sales. (3) A. Prerequisites: COM 325 and 425. Design and execution of a complete and creative sales campaign based on an actual case study. Includes primary research, media planning, creative design/execution, and evaluation. Students produce professional quality advertising materials for national competition. Credit will not be awarded for both COM 490 and MKT 426.  

COM 550 Readings in Mass Communications. (3) A. Prerequisite: instructor approval and senior standing. Critical reading of selected books and magazines relating directly or indirectly to mass communications. Features reviews and seminar discussions of readings chosen to reflect individual student’s interests.  

COM 599 Independent Study in Communication. (1-3) A. Prerequisites: Completion of at least 90 hours; student must have the Independent Study Proposal Form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of three hours, providing additional study projects differ.  

CON 121 Introduction to Construction. (3) I, II. A survey of the construction industry. Nature, scope, and general characteristics of the industry with an emphasis on careers, safety, and typical contracting methods.  

CON 201 Materials and Methods of Construction I. (3) I, II. Composition, manufacture and grades of construction materials and building products with emphasis on wood, metal, glass, roofing, masonry, and wall. Methods, including safety, involved in the placement and installation of these materials.  

CON 202 Materials and Methods of Construction II. (3) I, II. Composition, manufacture, and grades of construction materials and building products with an emphasis on concrete and masonry. Methods, including safety, involved in the placement and installation of these materials.  

CON 221 Plane Surveying. (3) I, II. Prerequisite: MAT 108 with a minimum grade of “C”. Principles of surveying, including the measurement of distances, elevations, and angles. Calculations for the various operations, including traverse computations. Introduction to the use of surveying instruments and note keeping.  

CON 250 Structural Systems and Materials I. (3) I. Prerequisite: DES 122. Emphasis on building systems and materials for residential structures. An understanding of the properties of structural materials and their appropriate applications. Laws, codes, and standards will be addressed along with instruction in blueprint reading.  

CON 294 Construction Graphics. (3) A. Basic principles of residential and small commercial planning; styles of architecture; a comparative study of structural systems and the preparation of working drawings. 2 Lect/Lab.  

CON 303 Statics and Strength of Materials. (3) I, II. Prerequisites: MAT 108 or 124 with a minimum grade of “C”, and PHY 131 or 201. Study of loads, forces and their effects on rigid bodies and structures at rest. Computation of equilibrium reactions, internal forces, shear, moments, couples, friction, stress, strain, and deformation. Finding centroids and moments of inertia.  

CON 307 Soils and Foundations. (3) I. Prerequisite: CON 303. A study of soil mechanics as it relates to foundation construction. Topics include soil classification, engineering properties, compaction testing, types of foundation systems, and methods of foundation construction.  

CON 320 Construction Surveying. (3) I, II. Prerequisite: CON 221. The application of surveying skills as they relate to horizontal and vertical control on construction projects. Activities include building layout, centerline staking, earthwork computations, and slope staking. The use of electronic instruments is emphasized. 2 Lect/Lab.  

CON 321 Boundary Surveying. (3) I. Prerequisite: CON 221. This course introduces students to the principles of boundary surveying and ...
provides them with the basic knowledge and skill to practice boundary surveying under the supervision of a registered professional surveyor.

CON 322 Structural Construction Design. (3) I, II. Prerequisites: CON 305 and MAT 124 or MAT 261 and MAT 117. A study of the design of beams and columns using steel and wood. Principles of structural design related to the design of temporary structures used in the construction process.

CON 323 Estimating I. (3) I, II. Prerequisites: CON 201, 202, and MAT 108 with a grade of "C". A study of the materials and labor required in the construction of commercial projects. Experience is gained in reading drawings, calculating material quantities, and listing work items in a standardized format. 2 Lec/2 Lab.

CON 324 Mechanical/Electrical Systems. (3) II. Prerequisites: CON 201 and 21 additional hours of CON courses. A study of plumbing, heating, air-conditioning, electrical power distribution, and lighting for vertical and horizontal construction. Basic fundamentals of water supply, waste drainage, electrical circuits, and heat/loss/gain calculations are studied. 2 Lec/2 Lab.

CON 325 Estimating II. (5) LI. Prerequisites: CON 201, 202, and MAT108 with a minimum grade of "C"; and TEC161. A study of estimating construction materials, equipment, labor, and costs, including reading drawings and calculating quantities and costs. Estimating software and cost databases are utilized to list work items in standardized format. 4 Lec/2 Lab.

CON 326 Special Problems in Construction Management. (5-8) A. Prerequisites: 30 hours of credit including 9 credit hours of CON courses with a 2.0 GPA and departmental approval. Transfer students must have completed at least one semester of full-time work at EKU. Work under faculty and field supervisors in placements related to construction management.

CON 349 A-N Cooperative Study: Construction Management. (5-8) A. Prerequisites: 30 hours of credit including 9 credit hours of CON courses with a 2.0 GPA and departmental approval. Transfer students must have completed at least one semester of full-time work at EKU. Work under faculty and field supervisors in placements related to construction management.

CON 401 Special Problems in Construction Management. (1-3) A. An independent study course for exceptional upper division undergraduate students. A study proposal will be developed by the student and approved by the faculty advisor and the department chair prior to enrollment. May be retaken to a maximum of six, baccalaureate. A minimum of 80 hours work experience is required for each academic credit.

CON 402 Engineering Economy. (3) I, II. Junior Class Restriction. A systematic application of engineering economy to design, selection of construction materials, and construction methods. A study of first costs, operating and maintenance costs, service life, and replacement costs.

CON 499 Construction Mgt. Capstone. (4) II. Corequisites and/or prerequisites: CON 425, CON 322, and CON 323. The senior-level construction management capstone course for senior-level construction management students under the direction of the construction management faculty. This course integrates applied components under graduate construction courses and incorporates online environmental and safety certifications. 3 Lec/2 Lab.

CON 423 Estimating II. (3) I, II. Prerequisites: CON 323 and TEC 161. Construction projects of moderate complexity are divided by scope, then materials are quantified and costed. Cost databases are utilized for estimating labor, materials, equipment, and overhead. Emphasis is placed on the use of estimating software. 2 Lec/2 Lab.

CON 425 Project Organization and Supervision. (3) I, II. Prerequisites: MGT 300 or MGT 301 and AEM 408 and CON 421. A study of principles of construction project administration, systems for efficient operation of office and field personnel, dispute avoidance and resolution procedures. The construction process is followed from project inception to closeout.

CON 426 Scheduling. (3) I, II. Prerequisites: ACC 201 or FIN 310 and CON 423. A study of the planning and control of construction activities and project costing. Topics include critical path method scheduling, metric-based progress monitoring, cash flow analysis, and cost control. Standard scheduling software is used. 2 Lec/2 Lab.

CON 499 Construction Mgmt. Capstone. (3) II. Corequisites and/or prerequisites: CON 425, CON 426. A project-based capstone course in construction management for senior-level majors. This course will emphasize the integration of knowledge and skills acquired in previous undergraduate courses. 2 Lec/2 Lab.

COR 302 Female Offenders Working in Prison. (3) A. Cross-listed as CRJ 302. Examines inmate subcultures and violence in prisons. Examines the prison environment for correctional officers. Explores life behind bars/offender difficulties in reentering society. Credit will not be awarded to students who have credit for COR 360 or CRJ 302.

COR 303 The Offender in the Community. (3) A. Formerly COR 330. Cross-listed as CRJ 303. Explores impact offenders have on community. Examines formal correctional options and alternative methods of social control used to manage offenders in the community. Credit will not be awarded to students who have credit for COR 330 or CRJ 303.

COR 310 Foundations of Correctional and Juvenile Justice Practice. (3) A. Cross-listed as CRJ 311. Provides a basis for informed responses to delinquency and crime. Examines the conceptual foundations of correctional and juvenile justice practice from a multidisciplinary standpoint and implications for the effectiveness of these practices. Credit will not be awarded for both COR 310 and CRJ 310 or CRJ 331 W.

COR 311 The Juvenile Justice System. (3) A. Cross-listed with CRJ 311. Examines the evolution of the juvenile justice system, police response to delinquency, and juvenile court’s role in protecting the public and serving children. Credit will not be awarded for both COR 311 and CRJ 311.

COR 321 Delinquency Interventions. (3) A. Provides in-depth analysis of risk factors for delinquency. Examines effectiveness of individual, school, and family-based interventions in both community and residential settings.

COR 322 School-Based Interventions for At-Risk Youth. (3) A. Examines school-based programs and interventions commonly experienced by at-risk youth. Discusses strategies for effective collaboration between schools and other youth-serving organizations. Credit will not be awarded for both COR 322 and COR 320 “School-Based Interventions at-risk Youth.”

COR 323 Intestine and Legal Issues in Adult Corrections. (3) A. Formerly COR 315. Cross-listed as CRJ 323. An overview of legal court decisions related to adult correctional contexts and practices. Credit will not be awarded to students who have credit for COR 315 or CRJ 323.

COR 340 Correctional and Juvenile Justice Administration. (3) A. Introduces students to organizational theory and managerial principles, and examines their application to the unique challenges of correctional and juvenile justice settings.

COR 349 Applied Learning in Corrections and Juvenile Justice. (5-6) A. Prerequisites: 30 hours of college coursework and departmental approval. Work under faculty and field supervisors, in placements related to academic studies. Total hours: six, baccalaureate. A minimum of 80 hours work experience is required for each academic credit.

COR 349 A-N Cooperative Study: Corrections and Juvenile Justice. (5-6) A. Prerequisites: 30 hours of college coursework and departmental approval. Work under faculty and field supervisors, in placements related to academic studies. Total hours: six, baccalaureate. A minimum of 80 hours work experience is required for each academic credit.

COR 360 Rehabilitation Strategies for Adult and Juvenile Offenders (3) A. Cross-listed as CRJ 360. Debates the rehabilitative goal of corrections and juvenile justice. Examines contemporary strategies and their effectiveness in controlling/change offender behavior. Credit will not be awarded to students who have credit for COR 350 or CRJ 360.

COR 375 Applied Skills Practicum. (1-6) A. Prerequisites: Departmental approval. Designed primarily for in-service professional training where COR 375 is inappropriate, this course provides the student with opportunity to integrate academic knowledge with a field experience.

COR 410 Offenders. (3) A. Formerly COR 423. Examines offenders and their effectiveness in controlling/changing offender behavior. Credit will not be awarded for both COR 410 and COR 423: “Women in Corrections.”

COR 412 Exploring the Death Penalty (3) A. Introduction to the history and use of the death penalty in the US. Examines purpose, fairness, and efficacy of death penalty through balanced coverage of the debate. Credit will not be awarded to students who have credit for COR 320: “Exploring the Death Penalty.”

COR 413 Addressing Mental Health and Substance Abuse Needs of Adult Offenders (3) A. Formerly COR 320. Cross-listed as CRJ 413. Examines etiology and effects of substance abuse/mental health problems of adult offenders. Describes intervention strategies. Credit will not be awarded to students who have credit for COR 320: “Addressing Mental Health and Substance abuse needs of adult offenders” or CRJ 413.

COR 420 Diversity in Corrections (3) A. Formerly COR 423. Cross-listed as AFA 346, CRJ 345, WGS 345. Focuses on issues, status, and special needs of “non-mainstream” sub-populations within the US correctional system, both inmates and personnel. Credit will not be awarded to students who have credit for COR 423: “Diversity in Corrections.”

COR 421 Intervening with Juvenile Sex Offenders (3) A. Formerly COR 423. Provides comprehensive overview of field of juvenile sex offenders and the risk they pose. Focuses on etiology, evaluation, assessment, treatment, and management of juvenile sex offenders. Credit will not be awarded to students who have credit for COR 423: “Intervening with Juvenile Sex Offenders.”

COR 422 Legal Issues in Juvenile Justice. (3) A. Introduces the major bodies of law that inform juvenile justice practice and examines juvenile’s legal rights. Credit will not be awarded to students who have credit for COR 316 or CRJ 423 “Advanced Legal Issues in Juvenile Justice.”

COR 450S Special Learning in Corrections:
SECTION SIX - COURSE DESCRIPTIONS

CRJ 101W Introduction to Applied Creativity (3) A. Prerequisite or Corequisite: ENG 102 or ENG 101 with a minimum grade of “B” or HON 102. A communication intensive introductory course establishing a foundation in creative thinking through the analysis and application of basic theories and practices. Concentration on basic language and fundamental and powerful concepts in creativity studies. Credit will not be awarded to students who have credit for CRE 101.

CRE 201 Innovation and Creativity (3) A. Prerequisite: ENG 102 or departmental approval. Explores the creative approaches of recent (and historic) innovators in business, industry, and education. Prerequisites: sophomore standing or departmental approval.

CRE 300 Pedagogy of Creativity Studies (3) A. Prerequisite: ENG 102 or departmental approval. An examination of pedagogical theories and practical strategies in the field of creativity studies. Emphasis on application of these approaches.

CRE 301 Creativity Texts & Technology (3) A. Prerequisite: ENG 102 and at least 3 credits of CRE courses, or departmental approval. Explores the texts, technologies, and new media that allow students to create compelling messages and provides an introduction to creative production and appeals through technology.

CRE 305 Creativity and Research (3) A. Prerequisite: ENG 102 and at least 3 credits of CRE courses, or departmental approval. Extends the process of cultivating intentional and systematic creative competencies in students, honing in on information flux, and continuing in scholarship and research.

CRE 300 Pedagogy of Creativity Studies (3) A. Prerequisite: ENG 102 or departmental approval. An examination of pedagogical theories and practical strategies in the field of creativity studies. Emphasis on application of these approaches.

CRE 490 Independent Study: Creative Thinking (3) A. Prerequisite: ENG 102 or departmental approval; student must consult with the faculty supervisor and have the independent study form approved by faculty supervisor and program coordinator prior to enrollment. An independent study course focusing on a particular project or area in creative thinking of value to the field and interest to the student.

CRJ—Criminal Justice

Dr. Preston Elrod, Chair

CRJ 101 Introduction to Criminal Justice. (3) A. A general overview of the criminal justice system including a description of the major agencies: police, prosecution, courts, and corrections, and an analysis of their interdependence in the criminal justice process.

CRJ 204 Foundations of Corrections (3) A. An overview of the evolution, structure, and functioning of corrections in the United States. Examines correctional processes, populations, and issues.

CRJ 301 Drugs, Crime, and Society. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. An examination of drug trafficking, the connection between drug use and other types of crime, and a review of drug control policies, including the impact of the media and politics.

CRJ 302 Living and Working in Prison (3) A. Cross-listed as COR 302. Prerequisite: Junior or senior standing. Examines inmate subcultures and violence in prisons. Examines prison environment for correctional officers. Explores life behind bars/offender difficulties in reentering society. Credit will not be awarded for both CRJ 302 and COR 302.

CRJ 303 The Criminal in the Community (3) A. Cross-listed as COR 303. Prerequisite: Junior or Senior standing. Explores impact offenders have on community. Explores impact of the theoretical and empirical literature on violence against women, children, and elders. Addresses such issues as physical and sexual abuse of children, courtship violence, domestic violence, marital rape, and elder abuse. Credit will not be awarded for both CRJ 305 and WGS 305.

CRJ 311 Juvenile Justice System (3) A. Cross-listed as COR 311. Prerequisite: Junior or Senior standing. Examines the evolution of the juvenile justice system, police response to delinquency, and juvenile court’s role in protecting the public and serving children. Credit will not be awarded for both CRJ 311 and COR 311.

CRJ 312 Judicial Processes. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. An in-depth study of law-making and the American judicial process. Includes a systematic and comprehensive analysis of American courts, their pivotal role in the criminal justice system, and the function and responsibilities of the key personnel within them.

CRJ 313S Criminal Justice Ethics. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examines the moral, legal, and normative obligations of the state and criminal justice professionals. Surveys the philosophies and theories of ethics and deviance. Credit will not be awarded for both CRJ 313 and 313S.

CRJ 313S Criminal Justice Ethics. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examines the moral, legal, and normative obligations of the state and criminal justice professionals. Surveys the philosophies and theories of ethics and deviance enhanced with a service-learning component. Credit will not be awarded for both CRJ 313S and 313S.

CRJ 314 Law and Society. (3) A. Prerequisite: Junior or Senior standing. Examines the evolution of everyday life. Law infuses popular media, constructs (and constrains) identity, and pervades language, music, art, media, identity, and discourse construct our understandings of law. In turn, media, identity, and discourse are political, and function in the criminal justice system, and the function and responsibilities of the key personnel within them.

CRJ 315 Administration of Justice. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Examines theories of organization and management as they relate to criminal justice practice. Organizational life, leadership, personnel management, bureaucracy, resource management, and other critical administration issues are addressed.

CRJ 323 Legal and Ethical Issues in Adult Corrections (3) A. Cross-listed as COR 323. Prerequisite: Junior or Senior standing. An overview of legal court decisions related to adult corrections. Examines ethical issues surrounding adult correctional contexts and practices. Credit will not be awarded for both CRJ 323 and COR 323.

CRJ 325 White Collar Crime. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. A review and analysis of the upper world crimes of business and government committed in the course of legitimate occupations and financial activities.

CRJ 331 Perspectives on Crime and Delinquency. (3) A. Prerequisite: Junior or Senior standing. Overview of crime and its control. Examines law making, law breaking, and the social response from theoretical perspectives including social, economic, cultural, symbolic, psychological and biological. Includes historical and contemporary developments. Credit will not be awarded for both CRJ 331 and COR 310 or CRJ 331A.

CRJ 331W Perspectives on Crime and Delinquency W. (3) A. Prerequisite: ENG 105 or HON 102 and CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. Overview of crime and its control. Examines law making, law breaking, and the social response from theoretical perspectives including social, economic, cultural, symbolic, psychological and biological. Includes historical and contemporary developments. Credit will not be awarded for both CRJ 331W and CRJ 331A or COR 310.

CRJ 345 Diversity and Criminal Justice. (3) A. Cross-listed as AFA 346 and WGS 345. Prerequisites: sophomore standing or departmental approval. Contemporary race, gender, and other diversity issues that affect offenders, victims, society, and the criminal justice system. Includes domestic and international human rights and social justice issues of protection and human development. (This course provides credit in Women and Gender Studies and in the African/African-American Program.) Credit will not be awarded to students who have credit for AFA 346 or WGS 345.

CRJ 350 International and Comparative Criminal Justice Systems. (3) A. Prerequisites: CRJ 101 with a grade of “C” or better, sophomore standing, or departmental approval. A survey of selected world criminal justice systems including police, courts, and corrections. Cross-national and cross-cultural criminology from several perspectives will be examined.

CRJ 355 Rural Crime and Justice. (3) A. Prerequisite: sophomore standing. Survey of rural crime and justice issues, crime trends, policing and control of rural crime with particular attention given to Kentucky and Appalachia. Credit will not be awarded for both CRJ 355 and APP 355.

CRJ 360 Rehabilitation Strategies for Adult and Juvenile Offenders (3) A. Cross-listed as AFA 360. Prerequisite: Junior or Senior standing. Debates the rehabilitative goal of corrections and juvenile justice. Examines contemporary strategies and their effectiveness in controlling/changing offender behavior. Credit will not be awarded for both CRJ 360 and COR 360.

CRJ 388 Criminal Justice Research. (3) A. Prerequisite: Junior or Senior standing. Overview of the research process, with emphasis on finding, using, and evaluating criminal justice research. Examination of both quantitative and qualitative social science research methods and procedures. Credit will not be awarded for both CRJ 388W and CRJ 388W.

CRJ 388W Criminal Justice Research (3)
SECTION SIX - COURSE DESCRIPTIONS

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Prerequisites</th>
<th>Course Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>CRJ 401</td>
<td>Organized Crime</td>
<td>Prequisite: CRJ 101 with a grade of &quot;C&quot; or better, sophomore standing, or departmental approval.</td>
<td>Includes quantitative and qualitative techniques.</td>
</tr>
<tr>
<td>CRJ 402</td>
<td>Critical Issues in Criminal Justice</td>
<td>Prequisite: CRJ 101 with a grade of &quot;C&quot; or better, sophomore standing, or departmental approval.</td>
<td>Examines single purpose criminal gangs that commit crimes for profit for organized criminal organizations.</td>
</tr>
<tr>
<td>CRJ 403</td>
<td>Crime Mapping</td>
<td>Prequisite: sophomore standing.</td>
<td>Uses a historical and comparative framework, this course examines the global variation in criminal justice.</td>
</tr>
<tr>
<td>CRJ 410</td>
<td>Alcohol and the Law</td>
<td>Prequisite: Junior or Senior standing.</td>
<td>Examines the technologies used in virtual environments and their effects on society.</td>
</tr>
<tr>
<td>CRJ 412</td>
<td>Gender, Class and Race</td>
<td>Prequisite: Junior or Senior standing.</td>
<td>Intensive study of selected topics related to criminal justice. May be retaken for a maximum of six hours on different topics.</td>
</tr>
<tr>
<td>CRJ 415</td>
<td>Prostitution and Criminal Justice</td>
<td>Prequisite: sophomore standing.</td>
<td>Area examined in depth.</td>
</tr>
<tr>
<td>CRJ 422</td>
<td>Human Trafficking</td>
<td>Prequisite: Junior or Senior standing.</td>
<td>Practices of using and misuse of computers. The effect of computers on society. Software applications such as word processors, spread sheets, databases, and graphics.</td>
</tr>
<tr>
<td>CRJ 423</td>
<td>Topical Seminar</td>
<td>Prequisite: departmental approval, sophomore standing.</td>
<td>Includes quantitative and qualitative techniques.</td>
</tr>
<tr>
<td>CRJ 424</td>
<td>Field Experience</td>
<td>Prequisite: instructor and departmental approval, sophomore standing.</td>
<td>To broaden the educational experience through appropriate observational work assignments.</td>
</tr>
<tr>
<td>CRJ 425</td>
<td>Criminal Gangs</td>
<td>Prequisite: Junior or Senior standing.</td>
<td>Designed to broaden the educational experience through appropriate observational work assignments.</td>
</tr>
<tr>
<td>CRJ 460</td>
<td>Independent Study</td>
<td>Prequisite: departmental approval, sophomore standing.</td>
<td>Designed to broaden the educational experience through appropriate observational work assignments.</td>
</tr>
<tr>
<td>CRJ 490</td>
<td>Senior Seminar</td>
<td>Prequisite: senior standing and completion of CRJ 331, CRJ 388 and at least 21 hours of CRJ coursework.</td>
<td>Designed to broaden the educational experience through appropriate observational work assignments.</td>
</tr>
<tr>
<td>CSC 104</td>
<td>Computer Literacy with Software Applications</td>
<td>Prequisite: CSC 190 with a minimum grade &quot;C.&quot;</td>
<td>Introduction to problem solving with computers using an object-oriented programming language.</td>
</tr>
<tr>
<td>CSC 105</td>
<td>Introduction to Visual Basic</td>
<td>Prequisite: MIN 131, CRJ 388 and at least 21 hours of CRJ coursework.</td>
<td>Introduction to problem solving with computers using an object-oriented programming language.</td>
</tr>
<tr>
<td>CSC 123</td>
<td>Exploring Virtual Worlds</td>
<td>Prequisite: Junior or Senior standing.</td>
<td>Introduction to multimedia programming and scripting.</td>
</tr>
<tr>
<td>CSC 124</td>
<td>Computer Science</td>
<td>Prequisite: CSC 191 with a minimum grade of &quot;C.&quot;</td>
<td>Introduction to multimedia programming and scripting.</td>
</tr>
<tr>
<td>CSC 125</td>
<td>Introduction to Computer Game Design</td>
<td>Prequisite: MIN 131, CRJ 388 and at least 21 hours of CRJ coursework.</td>
<td>Introduction to multimedia programming and scripting.</td>
</tr>
<tr>
<td>CSC 130</td>
<td>Introduction to Programming</td>
<td>Prequisite: CSC 191 with a minimum grade of &quot;C.&quot;</td>
<td>Introduction to multimedia programming and scripting.</td>
</tr>
<tr>
<td>CSC 140</td>
<td>Introduction to Computer Game Design</td>
<td>Prequisite: MIN 131, CRJ 388 and at least 21 hours of CRJ coursework.</td>
<td>Introduction to multimedia programming and scripting.</td>
</tr>
<tr>
<td>CSC 160</td>
<td>Introduction to Programming</td>
<td>Prequisite: CSC 191 with a minimum grade of &quot;C.&quot;</td>
<td>Introduction to multimedia programming and scripting.</td>
</tr>
<tr>
<td>CSC 174</td>
<td>Introduction to Programming for Science &amp; Engineering</td>
<td>Prequisite: MAT 098 or higher, or a minimum score of 22 on the mathematics portion of the ACT, or a minimum score of 510 on the math portion of the SAT.</td>
<td>Introduction to multimedia programming and scripting.</td>
</tr>
<tr>
<td>CSC 184</td>
<td>Criminal Justice</td>
<td>Prequisite: CRJ 101 with a grade of &quot;C&quot; or better, sophomore standing, or departmental approval.</td>
<td>Examines the technologies used in virtual environments and their effects on society.</td>
</tr>
<tr>
<td>CSC 200</td>
<td>Introduction to Computer Organization</td>
<td>Prequisite: CSC 191 with a minimum grade of &quot;C.&quot;</td>
<td>Introduction to multimedia programming and scripting.</td>
</tr>
<tr>
<td>CSC 250</td>
<td>Introduction to Interactive Games/App.</td>
<td>Prequisite: CSC 190 with a minimum grade &quot;C.&quot;</td>
<td>Introduction to multimedia programming and scripting.</td>
</tr>
<tr>
<td>CSC 260</td>
<td>Introduction to System Environments</td>
<td>Prequisite: CSC 191 with a minimum grade of &quot;C.&quot;</td>
<td>Introduction to multimedia programming and scripting.</td>
</tr>
<tr>
<td>CSC 300</td>
<td>Introduction to Numerical Methods</td>
<td>Prequisite: MAT 224 or 224H; an approved programming language.</td>
<td>Introduction to multimedia programming and scripting.</td>
</tr>
<tr>
<td>CSC 306</td>
<td>Ethics for the Computer Professional</td>
<td>Prequisite: CSC 191 with a minimum grade of &quot;C.&quot;</td>
<td>Introduction to multimedia programming and scripting.</td>
</tr>
<tr>
<td>CSC 307</td>
<td>Cyberspace Security and Ethics</td>
<td>Prequisite: CSC 191 with a minimum grade of &quot;C.&quot;</td>
<td>Introduction to multimedia programming and scripting.</td>

</table>
SECTION SIX - COURSE DESCRIPTIONS

environment. Gen.Ed. VIII

CSC 308 Mobile App Development for Apple

Prerequisite: CSC 191 with a minimum grade of “C.” Introduction to developing mobile applications for Apple iOS. Topics include development tools, APIs, user interfaces, mobile-specific technologies and application design.

CSC 309 Mobile App Dev for Android (3)

A. Prerequisite: CSC 191 with a minimum grade of “C.” Introduction to developing mobile device web sites and applications for Android. Topics include development tools, APIs, user interfaces, mobile-specific technologies and application design.

CSC 310 Data Structures (3) I, II

Prerequisites: CSC 191 and CSC 195 with a minimum grade of “C” in both. The application and implementation of data structures including arrays, stacks, queues, linked lists, and trees. Internal searching and sorting techniques. The analysis of algorithms.

CSC 312 File Processing (3) I, II

Prerequisite: CSC 30 with a minimum grade of “C.” File organization and file storage devices. Topics include external sorting, sequential file processing, hashing, B+ trees, and introduction to databases.

CSC 313 Database Systems (3)

A. Prerequisite: CSC 310 with a minimum grade of “C.” Introduction to databases, storage and retrieval of data, report generation, interface and application development, online queries, XML, multimedia database, and database security.

SC 315 3D Modeling (3)

A. Prerequisite: CSC 310 with a minimum grade of “C.” An introduction to geometric representations in 3D. Topics include polygon and spline modeling, texture mapping, materials, 3D scanning, and topics in animation including rigging.

CSC 316 3D Game Engine Design (3)

A. Prerequisite: CSC 310. Introduction to 3D animation and modeling. Topics include coordinate systems, vertices, lines, polygons, geometric objects, 3D models, motion control, and interaction design.

CSC 320 Introduction to Algorithms (3)

A. Prerequisite: CSC 310 with a minimum grade of “C” and MAT 124. Fundamental algorithms required in computer science; algorithm design/methods, graph algorithms, probabilistic and parallel algorithms, and computational models.

CSC 330 System Environments & Networks (3)

A. Prerequisite: CSC 191 with a minimum grade of “C.” Introduction to computer system environments, utilities, system administration, and networking.

CSC 332 Digital Storage Device Forensics (3)

A. Prerequisite: CSC 310 with a minimum grade of “C” in CSC 310. Introduction to digital storage forensics. Topics include digital investigation fundamentals, fundamentals of storage devices (hard disk, optical, flash, consumer electronics devices, and mobile devices), disk volume analysis, and file systems analysis (FAT/NTFS, Ext2/3/4, UFS1/2, HFS/HFS+/-HFSX).

CSC 340 Ethics & Software Engineering (3)

A. Prerequisite: CSC 310 with a minimum grade of “C.” Responsibilities of software professionals, social considerations and ramifications of software such as privacy, crime and abuse, risk and liabilities, copyright, and patents, software project planning, software requirements analysis, software design, and software testing.

CSC 349 Applied Learning in Computer Science (5-8) I; (1-6) SUMMER ONLY

Prerequisite: students must have successfully completed 30 semester hours of course work including six semester hours of database science core courses. In addition, transfer students must have completed at least one semester of full-time course work at EKU. Work in placement is limited to academic studies. A maximum of three hours may be applied toward the Computer Science technology option degree only. Credit does not apply to general Computer Science major or minor requirements. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours of employment is required for each semester hour of academic credit. Credit may only be awarded in the semester in which the work is completed.

CSC 349 A-N Cooperative Study: Computer Science (5-8) I; (1-6) SUMMER ONLY

Prerequisite: student must have successfully completed 30 semester hours of course work including six semester hours of Computer Science major courses. In addition, transfer students must have completed at least one semester of full-time course work at EKU. Work in placement is limited to academic studies. A maximum of three hours may be applied toward the Computer Science technology option degree only. Credit does not apply to general Computer Science major or minor requirements. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours of employment is required for each semester hour of academic credit. Credit may only be awarded in the semester in which the work is completed.

CSC 350 Principles of Programming Languages (3) I, II

Prerequisites: CSC 200 and 310 with a minimum grade of “C” in both courses. The principles used in the design and implementation of programming languages. Language descriptions, structural implementations, and specialized features of languages.

CSC 360 Computer Org & Architecture (3)

A. Prerequisite: CSC 191 with a minimum grade of “C.” Information representation, instruction set architecture, assembly language, instruction execution, basic processing units, input/output organization, memory and storage organization, overlap and pipeline processing, parallel processing, and performance evaluation. Credit will not be awarded for both CSC 360 and 370.

CSC 370 Computer Architecture (3)

A. Prerequisite: CSC 200. Information representation, Boolean algebra and combinatorial logic, memory and storage, elementary machines, addressing schemes, stack and parallel computers, overlap and pipeline processing, microprogramming, performance evaluation. Credit will not be awarded for both CSC 360 and 370.

CSC 390 Advanced Programming Techniques with ______ (3)

A. Prerequisite: CSC 191, with a minimum grade of C. Advanced programming with a selected programming language, with appropriate applications. May be taken to a maximum of six hours, provided the languages are different.

CSC 400 Operating Systems (3)

I, II

Prerequisites: CSC 320, CSC 360 or 370. Overall structure of multiprogramming systems, details of addressing techniques, memory management, file system design and management, traffic control, interprocess communication, system module design, interfaces.

CSC 401 Network and System Programming (3)

A. Prerequisites: CSC 302, CSC 370 or EET 254. Technical programming in the UNIX and the Internet environments: shell scripts, TCP/IP, CGIs, and JavaScript. Survey of Internet protocols.

CSC 425 Compiler Construction (3) I, II

Prerequisites: CSC 320 and 350. Basic concepts of lexical analysis and syntax analysis. A programming team project will implement these concepts.

CSC 440 Applied Software Engineering (3)

A. Prerequisite: A minimum grade of “C” in CSC 340. Techniques and tools for software requirements, software design, software testing, and software project planning as a team project for majors in computer science.

CSC 460 Computer Network & System Administration (3)

A. Prerequisite: CSC 310 with a minimum grade of “C.” This course covers the basic knowledge and skills necessary to analyze Internet-based applications for digital evidence recovery. The topics include popular Web browsers, instant messengers, and social media apps.

CSC 490 Seminar in Computer Science (1-3)

A. Prerequisite: departmental approval. For advanced students in computer science. Subject announced when offered. May be taken to a maximum of 12 hours, provided that the topics are different.

CSC 491 Game Design Capstone (3)

A. Prerequisite: CSC 316 and senior status. Level design, storyboarding, character modeling, game scripting, game interface design, audio effects, marketing, and ethics. Students will work in groups to develop a computer game term project.

CSC 494 Innovative Problem Solving (1-3)

A. Prerequisite: Departmental approval. An individually developed project related to an innovative solution of a problem provided by the software industry. The result is to be presented in open forum. May be taken to a maximum of 6 hours provided the topics are different.

CSC 495 Independent Work (1-3) I, II

Prerequisite: departmental approval. Directed study/research on a problem or area chosen in consultation with the instructor. Final paper required. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be taken to a maximum of six hours.

CSC 507 Special Topics (1-3)

A. Prerequisite: departmental approval. Topics vary with offering. May be taken to a maximum of six hours with advisor approval, provided the topics are different.

CSC 520 Multimedia System and Networks (3)

A. Prerequisite: CSC 310. Integration of multimedia technologies, signal processing and compression of images, audio, and video, multimedia forensics and message hiding.

CSC 530 Concepts of Programming Systems (3)

A. Prerequisites: three hours of a programming language or department approval. The top-down design of algorithms, structured programming, control structures, subprograms, files and lists. Programs will be written in a high level language. Credit does not apply to the B.S. degree in Computer Science.

CSC 535 Discrete Structure. (3)

A. Prerequisite: MAT 107 or equivalent. Corequisite: CSC 530. Logic, sets, functions, Boolean algebra, probability and their applications, number theory, recursion, math induction proofs with application of these topics to computer science.

CSC 538 Computer Crime and Forensics (3)

A. Introductory course on computer crime and forensics. Computer criminal evidence collection, analysis and handling; computer forensics tools; data acquisition; digital evidence control and management, file systems investigation; email investigation; network forensics; computer forensic report writing.

CSC 540 Integrated DB Applications (3)

Prerequisite: CSC 310 with a minimum grade of “C.” Techniques and tools for creating an integrated database application. Topics include architecture of a client/server database, creation of named program units stored in the database and in the workstation file system, developer utilities and domain integrity.

CSC 542 Internet Forensics (A)

Prerequisite: CSC 222 with a minimum grade of “C.” This course covers the basic knowledge and skills necessary to analyze Internet-based applications for digital evidence recovery. The topics include popular Web browsers, instant messengers, and social media apps.

CSC 544 Database Admin and Security (3)

A. Prerequisite: CSC 310 with a minimum grade of “C.” This course covers database system concepts, database system architecture, installation and setup, data management, performance monitoring and tuning, backup and recovery, database security models and management, database auditing.

CSC 545 Theory of Database Systems (3)

A. Prerequisite: a minimum grade of “C” in CSC 310. Models and principles of information systems.
Database languages. The logical and physical design as well as the implementation and use of database systems.

CSC 546 Artificial Intelligence. (3) A. Prerequisite: CSC 316 or permission of instructor. The study of AI theories and the application of heuristics to problem solving. Perception and pattern recognition.

CSC 547 Network Forensics and Investigation. (3) A. Prerequisite: CSC 360. An introduction to the network forensic topics. This course includes: Windows network structures; Windows password/authentication mechanisms; Windows ports and services; Live analysis techniques; Windows registry structure and evidence; Forensic analysis of events logs; Network forensics tools and reporting.

CSC 548 Personal Electronic Device Forensics. (3) A. Prerequisite: CSC 332. Introduction to personal electronic device forensics. Topics include architecture, functionality, operating systems and implementation of PEDs (cell phones, PDAs, iPod, MP3 music players, GPS devices), recovering evidence from PEDs, and hostile forensic and booby-trapping techniques.

CSC 549 Computer Forensics Capstone. (3) A. Prerequisite: CSC 332. Project course. Students apply learned digital forensic knowledge, techniques, and software and hardware tools to work on a team project on a case for digital evidence collection, handling, analysis, and reporting.

CSC 550 Graphics Programming. (3) A. Emphasis on the geometric modeling, transformation, matrices, computer algorithms and protocols, texture mapping, camera control, and collision detection.

CTE 261 Foundations of Career and Technical Education. (3) A. Prerequisite: CSC 360. Introduction to the network structure of the University and the use of instructional media. The content will include the development of curricula at appropriate levels of education and appropriate laboratory activities.

CTE 361 Course Materials in Career and Technical Education. (3) A. Prerequisite: DES 322. A study of the history, conceptual ideas, and development of instructional materials and instructional techniques, including the development and use of instructional media. The content will include the development of curricula at appropriate levels of education and appropriate laboratory activities.

CTE 319 Seminar in Interior Design. (3) A. A study of technical information relevant to interior design. Course content to be determined by student interest and needs. May be retaken to a maximum of six hours provided the content is different.

DES 222 Interior Design Studio I. (3) I. Prerequisites: ART 100, 152, DES 129; DES 221. An introduction to the field of professional graphic design and its conceptual and technical makeup. A portfolio review will be conducted during the examination week of DES 220 to determine enrollment for DES 350 and 351.

DES 317 Interior Design Study Tour I. (1-3) A. Prerequisite: 30 hours in the interior design major or approval. A tour planned for interior design students to observe the operation of well-established firms involved in production, sales, and/or display of items such as furniture and accessories. Special project required.

DES 318 History of Interior Design I. (3) A. A study of the history and theory of design. May be retaken to a maximum of six hours provided the content is different.

DES 322 Interior Design Studio III. (3) I. Prerequisites: DES 220, 330, Major GPA 3.0, and admission to the BFA program. Corequisites: DES 325. Research analysis, programming, space planning, and human factors in residential and small-scale commercial design. Laptops and CAD software required. Studio meets for 3 hours twice a week. Corequisites: DES 330. Professional Practice in ID. (3) I. Prerequisites: DES 320. An examination of the profession of interior design including history, procedures, documents, organizations, trade resources, certification, management, and ethics.

DES 326 Interior Design Studio IV. (3) II. Prerequisite: DES 322; Major GPA 3.0, and admission to the BFA program. Research, analysis, organization, and programming in large-scale commercial and/or residential design, emphasizing special populations, and resulting in functional and aesthetic design solutions. Studio meets for 3 hours twice a week.

DES 327 History of Interior Design II. (3) I. Prerequisite or Corequisite: AH 390 and 391. The study of the history and theory of architecture, interiors, and decorative arts from the Renaissance through the twentieth century. An examination of the significance and application to current design problems.

DES 328 History of Interior Design III. (3) II. Prerequisite: DES 327. The study of the history and theory of architecture, interiors, and decorative arts from the nineteenth century through the present day. An examination of the significance and application to current design problems.

DES 330 Lighting Design. (3) II. Prerequisite: CON 250. Introduction to lighting with an emphasis on theory, codes, and practical application/selection of lighting to enhance interior space. Integration of lighting issues that are essential and specific to the industry and profession of interior design.

DES 332 Housing Alternatives for Elderly.
SECTION SIX - COURSE DESCRIPTIONS

(3) A. Examination of the housing options and alternatives for the elderly population resulting in an awareness of and responsiveness to the needs of the user.

DES 349 Applied Learning in Art & Design (5-8) A. Work in a professional environment related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours employment required for each semester hour credit. Students must have successfully completed 30 semester hours of course work and transfer students must have completed at least one semester of full-time course work at EKU with a GPA of 3.0.

DES 350 Typography I. (3) II. Prerequisite: DES 250. Corequisite: DES 351. Departmental approval and 3.0 GPA in ART, ARH, and DES courses. Introduction to the use of letterforms in graphic design and visual culture. Students will research typographic terms and history and will develop an understanding of visual communication issues and applications in graphic design. The relationship of visual form to meaning, type and image relationships will be examined.

DES 352 Image Making. (3) II. Prerequisites: DES 350, 351, Major GPA 3.0, and admission to the BFA program. Corequisite: DES 353. Exploration of materials, surface graphics, and production for graphic design.

DES 353 Typography II. (3) A. Prerequisites: DES 352, 353, Major GPA 3.0, and admission to the BFA program. Corequisite: DES 451. Advanced study of typography as an expressive medium. Special attention to multi-page document work, applications of typography in scale as well as its usage in new media and alternative situations.

DES 421 Supervised Field Experience in ID. (4) 6 SUMMER ONLY. Prerequisites: open to Interior Design BFA students only, DES 325 and 326, minimum 2.25 overall GPA, and 3.0 major GPA. Observation of an interior design firm’s operation, with performance in assigned tasks. Students are placed with an architecture or interior design firm for a continuous full time ten-week experience.

DES 422 Interior Design Studio V. (3) I, II. Prerequisites: DES 326 and 328, Major GPA 3.0, and admission to the BFA program. Advanced studio experience in interior design with emphasis on one or more of the following: residential, exhibit, retail, hospitality, office, historic preservation and adaptive use. Studio meets for 3 hours twice a week.

DES 424 Issues in Interior Design. (3) A. Prerequisite: junior standing or departmental approval. Individual and group investigation of current responsibilities and issues relevant to the field of interior design.

DES 428 Interior Design Studio VI. (3) II. Prerequisites: DES 421 and 422, Major GPA 3.0, and admission to the BFA program. Corequisite: ART 499. Advanced studio experiences in interior design requiring students to design a comprehensive large-scale project. Studio meets for 3 hours twice a week.

DES 450 Professional Practicum in Graphic Design. (3) II. Prerequisites: DES 354, 451, Major GPA 3.0, and admission to the BFA program. Corequisites: DES 453. This course examines the professional standards and practices specific to the field of graphic design.

DES 451 New Media. (3) A. Prerequisites: DES 352 and 353, Major GPA 3.0, and admission to the BFA program. Corequisite: DES 354. Introduction to the artistic and technical issues of multimedia through website creation and animation.

DES 453 Senior Workshop in Design. (3) I, II. Prerequisites: DES 354, 451, Major GPA 3.0, and admission to the BFA program. Corequisite: DES 450. Exploration of current issues, technical procedures, and design products.

DES 454 BFA Graphic Design. (3) L. II. Prerequisites: DES 453, Major GPA 3.0, and admission to the BFA program. Corequisite: ART 499. Final phases of the student designer’s transition into the profession. Additional guidance towards portfolio and senior thesis development.

DES 463 Problems in Design:______ . (3) II. Prerequisites: DES 354 and 451 or Department Approval. Individualized instruction in design builds on creative skills and techniques learned in prior design courses. This course stresses the development of a specialized area of interest and concepts for a design portfolio. May be retaken with different topics to earn a maximum of nine hours.

DES 517 Interior Design Study Tour II. (1-3) A. Prerequisite: Major GPA 3.0, and admission to the BFA program. Corequisites: DES 499, 517. An on-site tour of design centers when possible. Special study projects.

ECON 300 Managerial Economics. (3) A. Prerequisite: ECO 220. Microeconomic concepts that are directly applicable to business decision making including cost and production, profit, demand and pricing, capital budgeting and investment, and forecasting.

ECON 314 Sports Economics. (3) A. Prerequisites: ECO 220 or departmental approval. Economics applied to sports. Topics include collaborative versus competitive behavior, pricing strategies, government subsidies of sports venues and venues and sports labor market.

ECON 315 Economic Policy Analysis. (3) A. Prerequisite: ECO 220. Foundations and rationale for economic policy, including market failure and income inequality. Objectives, evaluation and analysis of selected policies in areas such as international trade, environment, education, health care, welfare, social security, and economic development.

ECON 320 Research Methods in Economics I. (3) I. Prerequisite: ECO 220, STA 270 or QMB 200, ECO 230 and 231, or departmental approval. Combining economic theory and statistical models in empirical work in economics; the linear statistical model and its extensions, application to production and cost, demand, and economic growth, forecasting, and policy analysis; classical time series analysis.

ECON 324 Money and Banking. (3) A. Prerequisite: ECO 231. Functions of money, monetary systems, history of banking, functions of the commercial bank, bank assets and reserves, loans and discounts, bank supervision, the Federal Reserve System, central banking policies, monetary and fiscal policies.

ECON 330W Intermediate Microeconomics. (3) I. Prerequisite: ECO 230 or departmental approval; ENG 102 or ENG 105B (or HON 102). A writing-intensive intermediate course in economics. Analysis of consumer and producer behavior, market equilibrium, pricing and resource allocation under alternative market structures, risk aversion and information. Credit will not be awarded for both ECO 330W and ECO 330.

ECON 331 Intermediate Macroeconomics. (3) II. Prerequisite: ECO 231. Analysis of aggregate economic activity; consumption, investment, employment, output, money and prices, imports and exports, stabilization policy.

ECON 332 Human Resource Economics. (3) A. Prerequisite: ECO 230. Economics of human resource markets, including the demand for and supply of labor, human capital formation, household saving, union organization, discrimination, unemployment, and associated public policy issues.

ECON 340 Environmental Economics. (3) A. Cross-listed in APP 340 and ENV 340. Prerequisites: ECO 230. Applications of basic economic analysis to a study of the environment and environmental problems. Major topics include benefit-cost analysis for environmental decision making, the potential for
market-based solutions to environmental problems, and the role and development of environmental policy. Credit will only be awarded for ECO 340, or APP 340, or ENV 340.

ECO 345 Topics in Economics: (1-3) A. Prerequisite: to be announced. Selected topics for study. Variable topics across semesters. May be taken to a maximum of six hours, provided the subject matter differs each time.

ECO 349 Applied Learning in Economics. (5-3) A. Prerequisite: minimum GPA 2.25. Co-curricular work experience under faculty and field supervisors. Training plan required. May be taken to a maximum of six hours. Minimum 80 hours work required for each academic credit hour. May not count towards major.

ECO 349 A-N Cooperative Study: Economics. (5-3) A. Prerequisite: minimum GPA 2.25. Co-curricular work experience under faculty and field supervisors. Training plan required. May be taken to a maximum of six hours. Minimum 80 hours work required for each academic credit hour. May not count towards major.

ECO 360 Industrial Organization. (3) A. Prerequisite: ECO 230 or equivalent. Studies the organizational structures of firms in imperfectly competitive markets, market performance, and public policy.

ECO 365 Public Finance. (3) A. Prerequisite: ECO 230. Economics of the public sector, including the scope of and rationale for government, public goods and externalities, voting schemes and public choice, taxation, transfer subsidies, and transfer payments.

ECO 370 Health Care Economics. (3) II. Prerequisite: ECO 230 or departmental approval. Introduction to health economics, including the study of the demand for and production of medical care, health care planning, regulation, finance and evaluation.

ECO 394 International Economics. (3) A. Prerequisites: (ECO 230 or 231) and junior standing. An introduction to international trade and investment theory emphasizing international business, international trade theory, trade and investment patterns, payments system, balance of payments, international companies, and international issues.

ECO 395 Economics of Developing Countries (3). A. Prerequisites: ECO 230 or 231, and junior standing. Economics of development including: theories of growth, income distribution, investment in human capital, alleviation of poverty, strategies for growth; study of selected countries. Credit will not be awarded for both ECO 395 and 395W.

ECO 395W Economics of Developing Countries. (3) A. Prerequisites: ECO 230 or 231 and junior standing. ENG 102 or ENG 105 (B) or HON 102. Economics of development including: theories of growth, income distribution, investment in human capital, alleviation of poverty, strategies for growth; study of selected countries. Credit will not be awarded for both ECO 395W and 395.

ECO 410 History of Economic Thought. (3) A. Prerequisites: three hours of ECO. The history of economic ideas from Adam Smith through J. M. Keynes.

ECO 420 Research Methods II. (3) II. Prerequisite: ECO 320 or departmental approval. Problems of heteroscedasticity, serial correlation, and endogeneity in the linear statistical model; nonlinear models and multivariate time series analysis. Formulation and execution of empirical research project.

ECO 430 Mathematical Economics. (3) A. Prerequisites: three hours of ECO and MAT 124, 211, or 212. Mathematical formulations of economic theories. Models of the consumer, the firm, markets, economic growth, and business cycles.

ECO 435 Business Cycles. (3) A. Prerequisite: ECO 231. Growth, instability, inflation, business cycle theories, spending and saving decisions, government expenditures and tax patterns, prices, output, and employment, historical cyclical patterns, economic forecasting.

ECO 560 Special Problems in Economics. (1-4) A. Prerequisite: departmental approval. Independent work, special workshop, special topics or seminar. Student must have the independent study proposal form approved by faculty supervisor and department chair before starting. ECO 590 Regional Economics. (3) A. Prerequisite: three hours of ECO. Analysis of patterns of regional growth and development. Use of economic models for regional forecasting and policy evaluation; the problems of marginal areas in developed economies.

EDE—Educational Studies

EDE 103 Introduction to Education. (1) I, II. Corequisite: EDF 101. An exploration of the professional qualities and expectations of a teacher/educator. Roles, responsibilities and challenges in the field of education will be reviewed. For pre-education and non-education majors.

EDE 200 Schools and Our Society. (3) I, II. Prerequisite: Score accepted by the Kentucky Education Professional Standards Board on one of the approved tests: FPT, PST, SAT, GRE. An introduction to social and cultural influences on schools, the purposes of schooling, the governance, financing, and administration of schools, and the role of the individual as an educator. 15 hours of field experience required.

EDE 203 Philosophical & Historical Foundation of Education. (3) I, II. Prerequisite: Background check per Teacher Education Services approved procedure, must be ordered and paid for by the first day of class. Prerequisite or Corequisite: EDF 103 and CED 100 with a minimum grade of “C” or enrolled in EDF 103. An introduction to social and cultural influences on schools, the purposes of schooling, the governance, financing, and administration of schools, and the role of the individual as an educator. Credit will not be awarded for both CDF 203 and EDE 203.

EDE 204 Emerging Instructional Technologies. (3) I, II. Technological applications to education, training, and instruction within educational and human service settings. Students examine, develop, and/or evaluate emerging instructional technologies. For individuals interested in exploring technological applications in teaching and learning.

EDE 205 Creative Learning and Teaching. (3) II. An introduction to the basic theories and principles of creativity as applied to development of your own creative thinking and how teachers, professional educators and parents can encourage creativity in others.

EDE 219 Human Development and Learning. (3) I, II. Corequisite: CED 200. The study of theories and principles of human development and learning as applied to the classroom. Credit will not be awarded to students who have credit for EDF 320 or EDF 219W.

EDE 219W Human Development and Learning. (3) I, II. Prerequisite: ENG 101 and 102, or HON 105 with a minimum grade of “C,” or ENG 105 with a minimum grade of “B.” Co-requisite: CED 200. The study of theories and principles of human development and learning as applied to the classroom. Credit not awarded to students with credit for EDF 320 or EDF 219W.

EDE 310 Transition to Education. (1-3) I, II. Prerequisite: Background check, per Teacher Education Services approved procedure, must be ordered and paid for by the first day of class. Corequisite: CED 100. Transition to professional education at EKU. Required of students who have an equivalent transfer course for EDF 203.

EDE 320 Human Development and Learning for Vocational Education. (3) I, II. The study of theories and principles of human development and learning as applied within vocational-industrial technical education classrooms. Credit will not be awarded for both EDF 320 and EDE 219.

EDE 330 U.S. South and Black Education. (3) A. Cross-listed as AFA 330. This course introduces the major themes of Black populations pursuing educational opportunities in Southern States. Students will acquire knowledge about historical events, people and policies shaping the evolution of Blacks in education. Credit will not be awarded for both EDF 330 and AFA 330.

EDE 413 Assessment in Education. (3) I, II. Prerequisite: Admission to Professional Education. Co-requisites: EMS 490 and CED 400. Principles and procedures in assessing and evaluating pupil growth in skills, attitudes, aptitudes, and understandings. Assessment construction, analysis, marking systems, and authentic assessment systems will be addressed.

EDE—Education Orientations

EDO 100 Student Success Seminar. (1) I. Designed to orient the student to university academic life and afford background for career choice and preparation. Included are University regulations and calendar, catalog details, registration and pre-registration, various career opportunities, and program requirements. Open to all students during their first two semesters of enrollment at EKU; beyond that open to students with fewer than 30 semester hours earned.

EES—Essential Elements of Success

EES 250 Basic Social Intelligence Skills (3) I, II. A focus on human relationships and researched social skills. Students learn to operationalize theories into social intelligence skills and practice initiating, observing, listening, evaluating, and responding in ways that promote positive interactions and relationships. Gen. Ed. Element IC [OC].

EES 300 Advanced Social Intelligence Skills (3) I, II. Prerequisite: Junior standing. Prerequisite or Corequisite: EES 250 or departmental approval. This is an advanced course that builds on the core skills presented in Basic Social Intelligence Skills. It provides additional knowledge and skills for successfully engaging in more complex social and professional interactions and relationships.

EES 310 Applied Critical Thinking (3) A. Prerequisite: Junior or Senior standing. This course will address the application of critical thinking skills within various fields of study. Students will learn critical thinking skills and how to integrate them into a successful career.

EES 320 Basic Facilitation Skills. (3) A. An introduction to facilitation and maximizing group potential. Students learn and practice basic methods for designing and planning effective meetings, creating and maintaining safe and engaging environments, and stimulating creative and critical thinking within groups.

EES 360 Advanced Facilitation Skills. (3) A. Advanced methods and techniques to maximize group potential are taught and practiced, including problem solving, generating actionable ideas, decision-making, constructing meaningful conversations, and safely and constructively addressing controversial issues.

EES 450 Leaders Without Titles (3) I, II. This course focuses on the personal and professional dimensions that are needed to form the foundation of one’s competencies and abilities to lead self and others.

EES 460 The Science and Application of Leadership (3) I. Prerequisite: EES 450. This course provides students opportunities to examine, define, operationalize, and apply universal elements of leadership. Effective leaders need to be knowledgeable and skilled in these elements.

EET—Electricity and Electronics Technology

Dr. Vijayan Chandra, Coordinator
SECTION SIX - COURSE DESCRIPTIONS

2014-2015 EKU UNDERGRADUATE CATALOG

Course Descriptions

(3) I. Prerequisite: Grade of at least "C" in MAT 095 or a minimum math ACT score of 18 or a minimum SAT math score of 490. Principles of basic electricity, circuit operation, and electronics. Topics include: electrical components, measurements, power, characteristics of AC-DC, basic circuit laws, circuit simulation, magnetism, energy conversion, and sources. 2 Lec/2 Lab.

EET 257 Machine Language for Microcontrollers. (3) A. Prerequisite: EET 251. Machine language programming for ROM based microcontroller based industrial controllers. Emphasis on software manipulation of I/O control devices in real-time, interrupt driven, process control environments. 2 Lec/2 Lab.

EET 259 Digital Electronics. (3) I, II. Prerequisite: grade of at least "C" in MAT 090 or equivalent. A survey of digital electronics fundamentals and applications. Topics include number systems, digital mathematics, logic families, logic gates, multiplexers, demultiplexers, comparators, counters, decoders, displays, and converters. 2 Lec/2 Lab.

EET 253 Microprocessor Control Systems. (3) A. Prerequisite: EET 251 and 252. The operation and application of microcontroller-based control systems in electro-mechanical project descriptions. Topics include data, address, and control signals; memory; software; interfacing digital and analog devices; ports; and data communications. 2 Lec/2 Lab.

EET 349 A-N Cooperative Study: CEN/CEN. (1-8) I, II. Prerequisite: departmental approval, sophomore (30-59 hours) or higher standing and minimum of 2.0 GPA. Work under faculty and field supervisors in placements related to academic studies in Computer Electronics Technology (CET) or Computer Electronic Networking (CEN). 1-8 credit hours per semester or summer. Transfer students must have completed at least 12 hours of coursework at EKU. A minimum of 80 work hours required for each academic credit. 2 Lec/2 Lab.

EET 350 Industrial Electronics I. (3) A. Prerequisite: EET 257. Principles of timing, power control circuitry, transducers, and programmable controllers in commercial and industrial applications. 2 Lec/2 Lab.

EET 351 Programmable Logic Controllers. (3) A. Prerequisite: EET 251 or 252. The study of programmable logic controllers (PLCs). PLC functioning theory, selection, wiring, and programming. 2 Lec/2 Lab.

EET 452 Electrical Power & Drives. (3) A. Prerequisite: (MAT 108 or higher), (PHY 101). and EET 257. Principles of electromagnetic induction as applied to the generation, distribution, conversion, control, and measurement of electrical power. Analysis of the electronics used for electrical drives. Installation, programming and maintenance of digital drives. 2 Lec/2 Lab.

Environmental Health Science

Dr. Carolyn Harvey, Interim Chair

EHS 225 African/African-American Health Issues. (3) I. Cross-listed as AFA 225. Provides the student with an understanding of the medical and public health issues relevant to the maintenance of health for African/African-American populations both in the United States and Africa. Credit will not be awarded for both EHS 225 and AFA 225.

EHS 230 EHS Diseases and Hazards of Leisure. (3) II. Prerequisite: student must have the independent study proposal form approved by faculty supervisor and department coordinator prior to enrollment. Opportunity for individual work on an environmental health research problem in a supervised situation.

EHS 510 Radiological Health. (3) A. Provides the student with the principles of health effects from ionizing radiation, including radiation sources, detection, measurement, control, and safety devices. Student will be able to identify, evaluate and control radiation in the work environment. Corequisites: EHS 460 or EHS 461.
and 410.

ELE—Elementary Education

ELE 322 Physical Education in the Elementary School. (2) I, II. Prerequisite: EDF 203 or 210 with a “C” or higher or ELE 310 with an “S”; admission to professional education. The study of the role of movement for the elementary school child; philosophy, principles, purposes, and programs of elementary education. Educational dance, educational gymnastics, and educational games are emphasized.

ELE 361 Art in the Elementary Grades P-S. (3) I, II. Prerequisite: EDF 203 with a “C” or higher or EDF 310 with an “S”; admission to professional education. Fundamental concepts of art education and those found in KERA. Exploration of art materials, processes, and activities for children in the elementary grades including those with special needs. Ten field/critical hours.

ELE 362 Music Education for the Classroom Teacher. (3) I, II. Prerequisite: EDF 203 with a “C” or higher or EDF 310 with an “S”; admission to professional education. Study and appraisal of teaching techniques, music literature, learning activities, curricular plans, and materials essential to the sequential development of musical learning in the elementary school. Ten field/critical hours.

ELE 365 Health Education P-S. (2) I, II. Prerequisite: EDF 203 with a “C” or higher or EDF 310 with an “S”; admission to professional education. A study of curriculum design, teaching/learning strategies, resources, and evaluation procedures in elementary school health education. Topics include drugs, mental health, family living, nutrition, fitness, consumerism, environment, disease, and personal health. Ten field/critical hours.

ELE 445W Foundations of Reading/ Language Arts. (3) I, II. Cross-listed as EMG 445. Prerequisites: junior standing; 2.75 GPA; and admission to professional education. Corequisite or Prerequisite: EDF 319 or 319W. An overview of reading/language arts components P-S, teacher competencies, organization and planning for instruction. Twenty field/critical hours. Credit will not be awarded to students who have credit for EME 445, EME 445W or ELE 445W.

ELE 445W Foundations of Reading/ Language Arts. (3) I, II. Cross-listed as EMG 445W. Prerequisites: junior standing; 2.75 GPA; ENG 101 and 102, or HON 102 with a minimum grade of “C”; or ENG 105 with a minimum grade of “B”, admission to professional education. Corequisite or Prerequisite: EDF 319 or 319W. An overview of reading/language arts components P-S, teacher competencies, organization and planning for instruction. Twenty hours of field/critical experiences. Credit will not be awarded to students who have credit for EMG 445, EME 445W, or ELE 445.

ELE 446 Reading and Language Arts P-S. (3) I, II. Prerequisites: EDF 319, EDF 413; ELE 445 or 445W with a grade of “C” or higher and admission to professional education. Prerequisite or Corequisite: SED 402. Corequisite: ELE 349. Emphasis on theory, curriculum, teaching techniques and materials, instructional planning, assessment and use of results. Credit will not be awarded to students who have received credit for ELE 446S and/or ELE 446W.

ELE 446S Reading and Language Arts P-S. (3) I, II. Prerequisites: EDF 319, EDF 413, ELE 445 or 445W, and an “S” with a grade of “C” or higher; admission to professional education. Corequisite: ELE 349. Prerequisite or Corequisite: SED 402. Emphasis on theory, curriculum, teaching techniques and materials, instructional planning, assessment and use of results. A minimum of 15 service learning hours. Credit will not be awarded for both ELE 446S and ELE 446.

ELE 446W Reading and Language Arts
SECTION SIX - COURSE DESCRIPTIONS

EMC 340 Advanced Life Support: Medical Emergencies II. (3) II, A. Prerequisite: EMC 335. Pathophysiology and advanced level prehospital management of emergencies involving anaphylaxis, toxicology, alcoholism, drug abuse, infectious diseases, environmental hazards, and pediatric and geriatric patients.

EMC 341 Case Management 2. (1) I, II, A. Corequisite: EMC 340 and 352 or department approval. Advanced case management of medical and trauma emergencies requiring critical thinking, oral critical thinking, practical and didactic assessment. May be retaken up to two hours.

EMC 342 Advanced Clinical I. (3) I, A. Corequisite: EMC 335 and EMC 342L. Integration of basic and advanced life support concepts and psychomotor skills in patient care situations developed through supervised assignments in various hospital settings.

EMC 342L Advanced Clinical I Lab (0) Corequisite: EMC 335 and EMC 342. Integration of basic and advanced life support concepts and psychomotor skills in patient care situations developed through supervised assignments in various hospital settings.

EMC 349 A-N Cooperative Study: Emergency Medical Care. (5-8) I, II, A. Work in placements related to academic studies. A minimum of 80 hours of employment is required for each semester credit hour.

EMC 352 Advanced Clinical II. (3) II, A. Prerequisite: EMC 342. Corequisites: EMC 330 and EMC 352L. Hospital assignments allow continued development and application of cognitive and psychomotor skills in critical situations. Autonomous decision-making skills developed under supervision through increased participation in patient care.

EMC 352L Advanced Clinical II Lab (0) Prerequisite: EMC 342 and 342L. Corequisite: EMC 330 and EMC 352L. Hospital assignments allow continued development and application of cognitive and psychomotor skills in critical situations. Autonomous decision-making skills developed under supervision through increased participation in patient care.

EMC 360 Advanced Field Internship. (2) A. Prerequisite: admission to professional education. Twenty 120 hour supervised experience on paramedic ambulance. Progresses from advanced emergency care delivery observation to beginning team member responsibilities.

EMC 362 Advanced Field Internship II. (4) A. Prerequisite or Corequisite: EMC 360. Continuation of supervised experience on advanced life support ambulance. Assumes team member role with progression to team leader. Minimum advanced internship experience requires 500 hours.

EMC 380 Advanced Prehospital Theory Medical. (4) A. Prerequisites: Kentucky Certified EMT-Paramedic and admission to EMC major. Foundation course for paramedic students which focuses on pathophysiology and advanced level prehospital interventions and management. Includes in-depth history and assessment skills.

EMC 392 Advanced Prehospital Theory: Trauma. (4) A. Prerequisites: Kentucky Certified EMT-Paramedic and admission to EMC major. Foundation course for paramedic students which focuses on pathophysiology and advanced level prehospital interventions and management. Includes in-depth history and assessment skills.

EMC 398 Special Topics: Prehospital-EMT. (1 – 3) I, II, A. Prerequisite: or Corequisites: EMT 320, 335 and 342 or departmental approval. Development and presentation of research in contemporary methods, techniques and procedures, as approved by the field. May be retaken under different topics to a maximum of 12 hours.

EMC 400 Emergency Care Systems Management. (3) I, II, A. Prerequisite: EMC 300 or FSE 200. EMS systems design and typical agency divisions, including operations, communications, training and customer service. Projects focus on system design, training and efficiency.

EMC 420 Emergency Services Design and Budget. (3) A. Prerequisite or corequisite: ENG 300 or FSE 200. Introduction to advanced budgeting, financial services, issues of diversity, expanded health care settings, aging population, and others will be emphasized. Corequisites: EMC 430 W and Legal and Ethical Aspects of Emergency Services. (3) A. Prerequisite: departmental approval. Examine and apply moral and ethical decisions made in emergency services. Issues of diversity, expanded health care settings, aging population, and others will be emphasized. Corequisites: EMC 430 W and Legal and Ethical Aspects of Emergency Services. (3) A. Prerequisite: departmental approval. Examine and apply moral and ethical decisions made in emergency services. Issues of diversity, expanded health care settings, aging population, and others will be emphasized. Corequisites: EMC 430 W and EMC 430.

EMC 440 EMS Instruction. (3) A. Prerequisite: departmental approval. Introduction to the principles involved in EMS adult learning. Roles issues, domains of learning, and instruction models will be emphasized and planning for the community including diverse learning populations and regulations.

EMC 450 Disaster Medical Operations. (3) A. Emergency management communications, cooperation and support in response to a natural or human-made disaster. Planning, delivery and recovery of medical systems by various local, state and federal agencies and the community.

EMC 480 Topics in Emergency Medicine. (3) I, II, A. Investigation into the pathophysiology of traumatic and medical emergencies which applies to the latest trends in recognition and management.

EMC 489 Introduction to Research Methods. (3) A. Prerequisites: ENG 300 or FSE 300, and FSE 200. Introduction to basic research methods for professionals in emergency services and public agency practitioners and educators. This includes foundational principles of statistical analyses and application, as well as human subjects protections.

EME—Elementary and Middle Grade

EME 361 Teaching Art P-8. (3) I. Prerequisites: Major in art; admission to professional education, EDF 319. Corequisite: EME 349Q. Development and adaptation of teaching materials, methods and the P-8 Art program. Minimum of 20 field/clinical hours. Credit will not be awarded for both EME 361 and AED 361.

EME 378 Teaching Music in Grades P-8. (3) I. Prerequisites: admission to professional education, major in music. Developmentally appropriate materials and methods for teaching P-8 music. Minimum of 20 field/clinical hours.

EME 442 Teaching Foreign Language in Grades P-8. (3) I. Prerequisites: admission to professional education, major in foreign language. Developmentally appropriate curriculum, materials, and methods for the P-8 foreign language program. Minimum of 20 field/clinical hours.

EME 468S Teaching Physical Education in P-8. (3) A. Prerequisites: admission to professional education, PHE 323, major in physical education. Developmentally appropriate materials and methods for teaching P-8 physical education. Minimum of 20 field/clinical hours.

EME 510 Art in the Curriculum. (3) A. Elements of art, aesthetics, theory, art history, philosophy, and instructional facilities. Individual explorations into theory and media.

EME 551 Linguistics in the Curriculum. (3) A. Prerequisite: admission to professional education. Investigation of elements in the science of linguistics and their application to communication of students.

EME 552 Teaching Grammar and Punctuation P-8. (3) I, II. Prerequisites: ENG 101 and 102, or HON 105 with a minimum grade of “C,” or ENG 105 with a minimum grade of “B” or HON 102. Review, practice and reflect on research-based instructional approaches to instruction and develop instructional plans to improve elementary and middle grades students’ use of standard written and oral English language. Use of diverse learning materials and instructional strategies.

EME 586 Health Education P-8. (3) A. Prerequisites: admission to professional education, major in school health. Developmentally appropriate curriculum, materials, and methods for the health P-8 program. Minimum of 20 field/clinical hours.

EME 596 Physical Education for Children and Youth. A. Comprehensive review of techniques used in teaching physical education in the early elementary and middle grades. Emphasis placed on health evaluation, fitness testing, tumbling, rhythmic, game, and self-testing activities.

EMG—Middle Grade Education

EMG 349 Applied Learning: Middle School Teaching. (1) I. Corequisite: EMG 447. Collaborate with teachers in middle level classroom(s) and assist with instructional planning and teaching. Minimum of 80 hours field experience required.

EMG 430 Middle Grade Curriculum. (3) I, II. Prerequisites: admission to professional education, major in school health. Developmentally appropriate curriculum, materials, and methods for the middle school. Corequisites: EMG 335 and 349R. An examination of the curriculum and the responsibilities of teaching in the middle grade.

EMG 445 Foundations of Reading Language Arts. (3) I, II. Cross-listed as ELE 445. Prerequisites: junior standing, 2.75 GPA; admission to professional education program. Prerequisite/ Corequisite: EDF 319 or 319W. An overview of reading/language arts components 5-9, teacher competencies, organization and planning for instruction. Twenty hours of field/clinical experiences. Credit will not be awarded to students who have credit for ELE 445W, EME 445 or ELE 445W.

EMG 445W Foundations of Reading Language Arts. (3) II, I. Cross-listed as ELE 445W. Prerequisites: junior standing, 2.75 GPA; admission to professional education program. Prerequisite/ Corequisite: EDF 319 or 319W. An overview of reading/language arts components 5-9, teacher competencies, organization and planning for instruction. Twenty hours of field/clinical experiences. Credit will not be awarded to students who have credit for ELE 445W, EME 445 or EME 445W.

EMG 447 Reading/Language Arts in the Middle Grades. (3) II. Prerequisites: EME 445 or 445W, EDF 319 or 319W and admission to professional education. Prerequisite or Corequisite: EDF 413. Corequisite: EMG 349. The theory, content and practice of teaching reading and language arts in the middle grades utilizing content area materials. Twenty hours field/clinical experiences.

EMG 491 Mathematics in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EDF 413, EMG 430 and admission to professional education and mathematics emphasis. Corequisite: EMG 349. Appropriate materials and methods for teaching mathematics in the middle grades.

EMG 492 Science in the Middle Grades. (3) III, A. Prerequisites: EDF 319 or 319W, EDF 413, EMG 430 and admission to professional education and science emphasis. Corequisite: EMG 349. Introduces prespective teachers to the modern materials and methods of teaching science in the middle grades.

EMG 493 Social Studies in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EDF 413, EMG 430 and admission to professional education and social studies emphasis. Corequisite:
EMG 349. Appropriate materials and methods for teaching social studies in the middle grades.

EMG 350. English and Communication in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EDF 413, EMG 430 and admission to professional education and English emphasis. Corequisites: EDF 413 and EDF 419. Study of effective teaching techniques, strategies and materials for middle grade English/communication skills. Credit will not be awarded for both EMG 494 and EMG 494W.

EMG 494W English and Communication in the Middle Grades. (3) I, A. Prerequisites: EDF 319 or 319W, EDF 413, EMG 430 and admission to professional education and English emphasis; Grade of “C” or higher in ENG 101 and 102, or HON 102; or ENG 105 with a grade of “B” or higher. Corequisites: EMG 349. Study of effective teaching techniques, strategies and materials for middle grade English/communication skills. Credit will not be awarded for both EMG 494 and EMG 494W.

EMG 507 Problems in Middle Grade Education: (1-3) A. Prerequisite: advisor approval. Independent work, workshops, special topics, or seminar. May be taken to a maximum of six hours under different subtitles. Corequisites: EDF 441 and EDF 442. Curricular and Instructional Strategies for Home Economics in the Middle Grades, (3) A. Prerequisite: certification in home economics. Study of curriculum content, instructional materials, and strategies appropriate for home economics instruction in the middle grades.

EMS—Elementary, Middle Grade, and Secondary Education

EMS 300W Curriculum and Instructional Design (1-3). Pre-requisites: ENG 101 or 102, or HON 105 with a minimum grade of “C,” or ENG 105 with a minimum grade of “B,” EDF 203, 219 or 219W and admission to Professional Education. Corequisite: CED 300. In-depth review of national and state curriculum, balanced assessment, and effective teaching strategies for birth-12. Backward design will be used to plan instruction. Methods and materials related to student’s academic emphases will be stressed. Course embedded and school-based clinical practice required.

EMS 490L Classroom & Behavior Management P-12 (1-3). I, II. Prerequisite: EDF 219 or 219W, EMS 300, and Admission to Professional Education. Corequisite EDF 413 and CED 400. Critical analysis of the components of an effective classroom environment including establishing rules, procedures and routines and organizing space. Emphasis on strategies to assess, diagnosis, prescribe and monitor individual student behavior to support achievement.

EMS 564S Service Learning as Pedagogy. (3) A. Cross-listed as ENV 564S. Prerequisites: Junior-level standing, ENG 102 or ENG 105 (B) or HON 102, and MAT 105, or departmental approval. Classroom service learning strategies and techniques will be modeled. Discussion about practical application and reflection on class activities will follow. An environmental service learning project will be planned and carried out during the course. Credit will only be awarded for either EMS 564S or ENV 564S.

EMS 561 Environmental Education Essentials. (3) A. Cross-listed as ENV 561. Prerequisites: Junior-level standing, ENG 102 or ENG 105 (B) or HON 102, and MAT 105, or departmental approval. This course delves into the philosophy, historical development, resource identification, and curricular development of environmental education. Credit will only be awarded for either EMS 561 or ENV 561.

EMS 563 Teaching Environmental Education (3) SUMMER ONLY. Appropriate methods and materials for effective environmental education in a variety of settings. Credit will not be awarded for both EMS 563 and EMS 763.

EMS 565S Teaching in the Outdoors (3) SUMMER ONLY. Formerly EMS 864S. Basic principles of outdoor teaching will be combined with outdoor skills and an environmental service learning investigation. Due to its content, this will be taught in workshop format during the summer semester. Credit will not be awarded to students who have credit for EMS 765S or EMS 864S.

EMS 573 Methods and Materials for Teaching English as a Second Language, (3) A. The study of effective methods of Teaching English as a Second Language (TESL). Thirty hours of field experiences are required.

EMS 576 Assessment Methods for ELLs (3) II. Prerequisites: EDF 413 This course is designed to examine the major principles and methods of assessment for English Language Learners, including standardized testing, classroom-based performance, and alternative assessment. Sociocultural issues related to assessment will also be explored. (20 hours of clinical experience required).

EMS 577 Cultural Competency with ELLs (3) II. The purpose of this course is to help educators develop awareness of the implications of cultural and linguistic diversity for school success as well as effective techniques for collaborating with immigrant students and families.

ENG—English and Theatre

Dr. James Keller, Chair

ENG 080 Academic Reading and Writing I. (3) A. This course emphasizes strategies for academic reading and writing, including comprehension, vocabulary, fluency and development, and the conventions of academic texts. Taken by referral only. 3 Lec/2 Lab.

ENG 085 Academic Reading and Writing II. (3) A. This course emphasizes strategies for academic reading and writing, including reading critically, writing analytically, and reading and writing to learn. Taken by referral only. 3 Lec/2 Lab.

ENG 090 Basic Writing. (3) I, II. Focuses on academic writing. Provides strategies for improving content, organization, voice, reading to write, and editing from sentences to essays. Exit exam required. ACT English subscore 14 or lower.

ENG 095 Developmental Composition. (3) I, II. Prerequisite: ENG 090 or ACT English subscore of 15-17. Focuses on academic writing. Provides strategies for improving content, organization, voice, reading to write, and editing in analytical essays and reports. Exit exam required.

ENG 099 Intensive Writing Review. (3) A. An intensive review of writing skills with special emphasis on audience analysis, invention of ideas, composing, writing, and editing strategies for the production of a substantial portfolio. Taken only by recommendation of college dean. Institutional credit when exit level attained; cannot be used for graduation.

ENG 100 English for Non-Native Speakers. (3) A. Review and practice of English for non-native speakers. Review of English grammar with intensive practice of academic language skills in listening, speaking, reading, and writing. Required of non-native speakers on basis of department placement exam. 2 Lec/2 Lab.

ENG 101 Reading, Writing and Rhetoric. (3) I, II. A writing intensive course designed to develop critical reading skills while integrating and responding to varied sources; composing texts including summaries, analyses, evaluations, responses, and arguments; emphasizing style, organization, coherence, purpose, and persuasion for different audiences; General Education Element 1A; General Education Block IA (WC).

ENG 101R Reading, Writing and Rhetoric (Supported) (3) I, II. Prerequisite: ACT score of 17 on both English and Reading. A writing course developing critical reading skills while integrating and responding to varied sources; composing texts including summaries, analyses, evaluations, responses, and arguments; emphasizing style, organization, coherence, purpose, and persuasion for different audiences. Students who fail the class will take ENR 095 and ENG 095. Credit will not be awarded for both ENG 101 and ENG 101R. General Education Element 1A. Credit will not be awarded for both ENG 101R and ENG 101.

ENG 102 Research, Writing and Rhetoric. (3) I, II. Prerequisite: ENG 101 (or equivalent). A writing course refining components of ENG 101 studying information sources and research methods; accessing, critically reading, evaluating, integrating, and documenting primary and secondary sources; utilizing information technology for inquiry, analysis, and argumentation. General Education Element 1B; General Education Block IB (WC).

ENG 105 First Year Writing Seminar, (3) I, II. Prerequisite: ACT English subscore of 28 or SAT verbal score of 660 or above. Accelerated writing course with critical reading and rhetorical approaches for various purposes and audiences. Students will access, evaluate, integrate, and document primary and secondary sources while utilizing information technology for inquiry, analysis, and argumentation. Proficiency exam required. Students graded “A” or “B” will receive six hours credit for ENG 105; students with “C” or “D” will receive three hours credit. ENG 105 and must take ENG 102. General Education Element E-1A; General Education Block IA (IB) WC.

ENG 106 Writing Workshop: (1) I, II. Prerequisite: ENG 101 or approval. A course intended to develop writing abilities through practice in writing processes for varied topics; reading and discussion of rhetoric, grammar, etc. appropriate for the selected topic. Primarily individualized instruction in workshop conditions. May be retaken with different topics to a maximum of three credit hours.

ENG 200 Topics in English. (1-3) A. Prerequisite: ENG 102 or 105 or HON 102. Introduction to areas of literature, writing, and language use through selected topics. Designed primarily for non-English majors; may be retaken with different topics to a maximum of six hours.

ENG 208W Literature and the Environment. (3) A. Cross-listed as ENV 208W. Prerequisite: ENG 102 or 105 (B) or HON 102. Writing-intensive study of the human-environmental connection as expressed in literature, including attention to environmental sustainability and personal responsibility to the natural world within larger social and ethical values. Credit will not be awarded for both ENG 208W and ENV 208W. Gen. Ed. Element 1B.

ENG 210 Enjoying Literature, (3) I, II. Prerequisite: ENG 102 or HON 102. Understanding and enjoying the distinctive aesthetic qualities, forms and meanings of literary works within ethical and cultural contexts. Gen. Ed. E-3B. Credit will not be awarded for both ENG 210 and 210W. [AH]

ENG 210W Enjoying Literature, (3) I, II. Prerequisite: ENG 102 or 105 (B) or HON 102. Understanding and enjoying the distinctive aesthetic qualities, forms and meanings of literary works within ethical and cultural contexts. Gen. Ed. E-3B. Credit will not be awarded for both ENG 210 and 210W.

ENG 211 Survey of World Literature I. (3) I. Prerequisite: ENG 102 or HON 102. Selected readings from masterpieces of world literature from ancient times through the Renaissance. Gen. Ed. Element 3B. Credit will not be awarded for both ENG 211 and 211W.

ENG 211W Survey of World Literature I. (3) I, II. Prerequisite: ENG 102 or 105 (B) or HON 102. Selected readings from masterpieces of world literature from ancient times through the Renaissance. Gen. Ed. Element 3B. Credit will not be awarded for both ENG 211 and 211W.

ENG 212 Survey of World Literature II.
SECTION SIX - COURSE DESCRIPTIONS

(3) I, II. Prerequisite: ENG 102 or HON 102. Selected readings from masterpieces of world literature from the 17th century to the present. Gen. Ed. E-3B. Credit will not be awarded for both ENG 212 and 212W.

ENG 212W World Literature II. (3) I, II. Prerequisite: ENG 102 or HON 102. Selected readings from masterpieces of world literature from the 17th century to the present. Gen. Ed. E-3B. Credit will not be awarded for both ENG 212 and 212W.

ENG 242 Introduction to a Genre: (2) A. Prerequisite: ENG 102 or HON 102. Readings in either the novel, poetry, or short story; special emphasis on understanding and enjoying the literature. Designed primarily for non-English majors; may be taken with different topics to a maximum of six hours.

ENG 300 Introduction to Technical and Professional Writing. (3) A. Prerequisite: ENG 102 or HON 102. Introductory course in principles of effective writing for professions and technical fields. Experience in writing with technology for various purposes and audiences relevant to students' career interests. Special sections arranged in cooperation with professional programs. Credit will not be awarded for both ENG 300 and 300S.

ENG 300S Intro to Tech/Prof Writing. (3) A. Prerequisite: ENG 102 or HON 102. Introductory course in principles of effective writing for professions and technical fields. Experience in writing with technology for various purposes and audiences relevant to students' career interests. Students will work on writing projects with schools or other non-profit organizations. Credit will not be awarded for both ENG 300 and ENG 300S.

ENG 301 Advanced Composition. (3) I, II. Prerequisites: ENG 102 or HON 102. Refinement of writing skills; application of rhetoric in expository and argumentative writings; planning and writing a research paper.

ENG 302 Principles of Literary Study. (3) I, II. Prerequisite: ENG 102 or HON 102. Introduction to the genres of poetry, short fiction, and drama, as well as to the traditional literary devices, the major critical approaches, and several bibliographical tools.

ENG 303 Advanced Composition for Teachers. (3) I, II. Prerequisites: ENG 101 and 102 (or 105). Develops students as writers and as teachers of writing through experiences in writing workshop, portfolio assessment, teaching strategies for writing, and career-oriented inquiry in theoretical context. Credit will not be awarded for both ENG 303 and ENG 301.

ENG 306 Introduction to Creative Writing. (3) A. Prerequisite: ENG 102 or HON 102. Introduction to fundamentals of short story, poetry, play, or personal essay writing.

ENG 308 Autobiographical Literature. (3) A. Prerequisite: ENG 102 or HON 102. Discussion of American, British, Continental, and non-Western autobiographies and modern theories of autobiographical writing.

ENG 334 Modern Poetry. (3) A. Prerequisite: ENG 102 or HON 102. Survey of representative British and American poets from Hopkins and Dickinson to the present.

ENG 335 Modern Drama. (3) A. Prerequisite: ENG 102 or HON 102. Study of representative modern plays from Ibsen to the present. Credit will not be awarded for both ENG 335W and ENG 335.

ENG 335W Modern Drama. (3) A. Prerequisite: ENG 102 or HON 102. Study of representative modern plays from Ibsen to the present. Credit will not be awarded for both ENG 335W and ENG 335.

ENG 337 Biblical Narrative and Verse. (3) A. Prerequisite: ENG 102 or HON 102. Study of selected narratives and verse from the Old Testament, Apocrypha, and New Testament from distinctly literary perspectives.

ENG 340 Mythology. (3) A. Prerequisite: ENG 102 or HON 102. Study of selected myths through historical, psychological, and literary approaches.

ENG 343 Science Fiction. (3) A. Prerequisite: ENG 102 or HON 102. A survey of science fiction from Mary Shelley to the present.

ENG 344 Mystery and Detective Fiction. (3) A. Prerequisite: ENG 102 or HON 102. History of mystery and detective fiction. Study of the genre's basic characteristics as well as its cultural ramifications.

ENG 345 Literature and Film. (3) A. Cross-listed as COM 345. Prerequisite: ENG 102 or HON 102. An examination of the relationship between film and literature through a comparative study of the stylistic and technical elements of the two media. Credit will not be awarded for both ENG 345 and COM 345.

ENG 347 Special Studies in English. (3) A. Prerequisite: ENG 102 or HON 102. Specialized study of selected topics not available in more traditional course offerings. Designed primarily for English majors/minors. May be retaken with different topics to a maximum of six hours.

ENG 349 Applied Learning in English. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

ENG 349 A-N Cooperative Study: English. (5-8) A. Prerequisite: departmental approval. Cooperative study, usually involving a semester or summer period of work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

ENG 350 American Literature I. (3) I, II. Prerequisite: ENG 102 or HON 102. A study of selected works by representative authors reflecting the chronological development of American literature from its beginnings to 1865.

ENG 351 American Literature II. (3) I, II. Prerequisite: ENG 102 or HON 102. A study of selected works by representative authors reflecting the chronological development of American literature from 1865 to the present. Credit will not be awarded for both ENG 351 and ENG 351W.

ENG 351W American Literature II. (3) I, II. Prerequisite: ENG 102 or HON 102. A study of selected works by representative authors reflecting the chronological development of American literature from 1865 to the present. Credit will not be awarded for both ENG 351W and ENG 351.

ENG 352 English Literature I. (3) I. Prerequisite: ENG 102 or HON 102. A study of selected works by representative authors reflecting the chronological development of English literature from its beginnings through the eighteenth century.

ENG 353 English Literature II. (3) I. Prerequisite: ENG 102 or HON 102. A study of selected works by representative authors reflecting the chronological development of English literature from the Romantic period to the present. Credit will not be awarded for both ENG 353 and 353W.

ENG 353W English Literature II. (3) I. Prerequisite: ENG 102 or HON 102. A study of selected works by representative authors reflecting the chronological development of English literature from the Romantic period to the present. Credit will not be awarded for both ENG 353W and ENG 353.

ENG 360 Literatures of Africa. (3) A. Cross-listed as AFA 360. Prerequisite: ENG 102, 105 (B), or HON 102. Survey of the genres and components of African literature, oral and written; study of how key concepts in African thought, culture and experiences are reflected in the literatures composed by writers from Africa or of African descent. Credit will not be awarded for both ENG 360 and AFA 360. General Education Element 6.

ENG 361 African-American Literature. (3) A. Cross-listed as AFA 361. Prerequisite: ENG 102, 105 (B), or HON 102. Survey of selected works of African-American literary traditions. Credit will not be awarded to students who have credit for WGS 364 or ENG 353. General Education Element 6.

ENG 362 North American Native Literature. (3) A. Prerequisite: ENG 102, 105 (B), or HON 102. A study of representative literature written by North American Native authors. General Education Element 6.

ENG 363 Latin American/Latino Literature. (3) A. Prerequisites: ENG 102 or 105 (B) or HON 102. Survey of Latin American literature in translation and selected works by Latina/o writers. Gen. Ed. Element 6.

ENG 364 Women’s Literature. (3) A. Cross-listed as WGS 364. Prerequisite: ENG 102 or 105 (B) or HON 102. Study of selected literature by women writers from varying cultures, periods, and social/cultural contexts. Credit will not be awarded to students who have credit for WGS 364 or ENG 353. General Education Element 6.

ENG 365 Appalachian Literature. (3) I. Cross-listed as APP 365. Prerequisite: ENG 102 or 105 (B) or HON 102. Study of selected Appalachian artists, with emphasis on interdisciplinary, cultural, and aesthetic concerns raised in works by writers such as Arnow, Berry, and Still. Credit will not be awarded to students who have credit for ENG 365W, APP 365 or APP 365W. Gen. Ed. Element 3B and 6.

ENG 366 Queer Theory and Literatures. (3) A. Prerequisite: ENG 102 or 105 (B) or HON 102. Examination of trends in queer theory; study of major contributors to the field such as Foucault, Butler, and Sedgwick; application of theoretical models to literary and cinematic texts. General Education Element 6.

ENG 367 African Caribbean Literatures. (3) A. Prerequisites: ENG 102 or 105 (B) or HON 102. Cross-listed as AFA 367. A study of selected literatures written by Caribbean writers of African descent. Credit will not be awarded for both AFA 367 and ENG 367. General Education Element 6.

ENG 374 Shakespeare at War. (3) A. Prerequisite: ENG 102 or 105 (B) or HON 102. An exploration of the causes and consequences of war in a selection of Shakespeare’s plays. Students will also examine how political power is gained, kept, and lost through warfare in these plays.

ENG 375 Shakespeare at War. (3) A. Prerequisite: ENG 102 or 105 (B) or HON 102. An exploration of the causes and consequences of war in a selection of Shakespeare’s plays. Students will also examine how political power is gained, kept, and lost through warfare in these plays.

ENG 386W War & Peace in Lit Since 1900. (3) A. Prerequisite: ENG 102 or ENG 105(B) or HON 102. An exploration of themes of war and peace in literature since 1900, structured thematically, beginning with World War I and moving into the contemporary world.

ENG 400 Advanced Technical Writing and Document Production. (3) A. Prerequisites:
ENG 102 or HON 102; ENG 300. Advanced in technical communication. Emphasis on theories of technical writing and writing with technology, document development using electronic literacies.

ENG 402 Critical Theory & Research Methods. (3) A. Prerequisites: ENG 301, 302. Introduction to literary/critical theory with an historical framework, and to research methods for the academic professional. Particularly recommended for students planning to go on to graduate school.

ENG 403 Introduction to Composition Studies. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301. An introductory course surveying theories of composition and applying these theories to the instruction of composition.

ENG 406 Topics in Creative Writing: ___. (3) A. Prerequisites: ENG 301, 306. Specialized study of a selected genre (e.g., poetry, short story, screenplay) or approach to creative writing. Theory and practice. May be retaken to a maximum of nine hours provided each topic is different.

ENG 407 Poetry Writing Workshop. (3) A. Prerequisite: ENG 306. Advanced study in the techniques of writing poetry.

ENG 408 Advanced Fiction Workshop. (3) A. Prerequisite: ENG 306. Advanced writing workshop in fiction, with supplementary reading in genre. Weekly writing and critiques of student work. Analysis of the writing market.

ENG 409 Creative Nonfiction Workshop. (3) A. Prerequisite: ENG 306 or departmental approval. Theory, models, and advanced practice in such areas as autobiographical writing, the personal essay, “assignment” research projects, and interviewing techniques.

ENG 410 Grammar, Traditional and Modern. (3) A. Prerequisite: ENG 102 or 105 or HON 102. Grammatical structure of American English and present-day terminology used to describe that structure; analysis of the linguistic and grammatical theories underlying contemporary grammar texts.

ENG 420 Stylistics, Editing, Publishing. (3) A. Prerequisite: ENG 301. Development of prose style through analysis, practice, and editing. Fundamentals of online and hard-copy publishing, including surveying the markets, and preparing and submitting manuscripts.

ENG 430 Dramatic Literature. (3) A. Cross-listed as THE 430. Prerequisites: ENG 102 or 105 or HON 102; ENG 301, 302; or departmental approval. Survey of the major periods and genres of world dramatic literature, from the Greeks to the present; selected readings from the major playwrights, critics, and theorists. Credit will not be awarded for both ENG 430 and THE 430.

ENG 440 Young Adult Literature. (3) A. Prerequisites: ENG 301, 302; or departmental approval. A survey of literature for young adults intended for Secondary English Teaching majors. Critical approaches will be applied to contemporary and significant early texts. Pedagogical approaches will be modeled.

ENG 452 American Romanticism. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302; or departmental approval. A study of the 19th century Romantic movement, concentrating on selected major authors through Whitman.

ENG 454 American Realism. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302; or departmental approval. A study of the American Realistic movement from the late 19th century through the 20th century, concentrating upon selected authors from Twain to the present.

ENG 455 American Fiction Since 1900. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302; or departmental approval. Survey of representative American novels and short stories of the twentieth and twenty-first centuries.

ENG 470 Chaucer and His Age. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302; or departmental approval. A study of selections from Chaucer, the Pearl poet, Langland, Malory, medieval drama, and lyrics.

ENG 472 Renaissance Literature. (3) A. Prerequisites: ENG 102 or 105 or HON 102; ENG 301, 302; or departmental approval. A study of Tudor poetry and prose and Elizabethan and early Stuart drama, exclusively of Shakespeare.

ENG 473 Shakespeare. (3) A. Prerequisites: ENG 102 or 105 or HON 102; ENG 301, 302; or departmental approval. Survey of Elizabethan England as a background for key works; extensive reading of several plays; intensive reading of selected drama and poetry.

ENG 475 Milton and His Age. (3) A. Prerequisites: ENG 102 or 105 or HON 102; ENG 301, 302; or departmental approval. A study of Milton’s works, Cavalier and Metaphysical Poetry, the masque, and prose of the period.

ENG 478 Literature of the Restoration and Eighteenth Century. (3) A. Prerequisites: ENG 102 or 105 or HON 102; ENG 301, 302; or departmental approval. British poetry, prose, and drama of the Restoration and 18th century with emphasis on Dryden, Swift, Pope, and Johnson.

ENG 480 Romantic Literature. (3) A. Prerequisites: ENG 102 or 105 or HON 102; ENG 301, 302; or departmental approval. Survey of British poetry, essays, and fiction of the Romantic period.

ENG 482 Three Centuries: Modernism. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302; or departmental approval. Survey of British poetry, essays, and fiction of the Victorian period.

ENG 485 Writing in the Novels of the Nineteenth Century Since 1880. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302; or departmental approval. Survey of representative British novels and short stories of the twentieth and twenty-first centuries.

ENG 490 Creative Writing Capstone. (3) I, II. Prerequisite: departmental approval. Portfolio creation, assessment, and career guidance.

ENG 491 Technical Writing Capstone. (3) I, II. Prerequisites: ENG 300 and junior status. Provides professional technical writing experience with students in appropriate positions with area businesses and industries.

ENG 492 English Literature Capstone. (3) A. Prerequisites: senior status. A review of literary figures, periods, and concepts. Study of techniques of literary criticism and/or theory, major revision of an analytical paper. Discussion of graduate school and career options in the major.

ENG 495 Independent Study. (1-3) A. Prerequisites: ENG 102 or 105 or HON 102; ENG 301, 302; or departmental approval. Individual study and/or research on a problem pertaining to literature or language. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

ENG 499 Senior Capstone Experience. (1) A. Prerequisites: senior status and departmental approval. A service learning project within the University community for all English majors, involving planning and participating in the Association of English Majors Annual Conference, and reflecting on that professional experience.

ENG 500 Topics in Professional Writing: ___. (3) A. Prerequisites: ENG 102 or 105 or HON 102; ENG 301, 302, and one additional ENG course. Study of topics in professional writing. May be retaken with different topics to a maximum of six hours. If subtopic is “Writing for the Popular Media,” no credit to students who have taken ENG 480.

ENG 502 Advanced Creative Writing. (3) A. Prerequisites: ENG 102 or 105 or HON 102; ENG 301, and departmental approval. Open to students who desire to have their work critically reviewed; fiction, drama, poetry, biography, or the informal essay accepted; guest lectures and discussion with writers in residence.

ENG 503 Creative Writing Workshop. (1) A. Prerequisites: ENG 101 and (102 or 105), 301, and departmental approval. One week course of lectures and discussions by faculty and visiting lecturers. Each student must submit a short story, a one-act play, four poems, or equivalent. May be retaken for a maximum of three hours.

ENG 504 Creative Writing Mentorship. (2) SUMMER ONLY. Prerequisite/Corequisite: ENG 503. Corresponding with instructor online and in conference, students will continue to develop projects begun in ENG 503.

ENG 510 Introduction to Linguistic Theory. (3) A. Prerequisites: ENG 102 or HON 102, and one additional ENG course. An introduction to current linguistic theory and practice.

ENG 515 English as a Second Language. (3) A. Prerequisites: ENG 102 or HON 102, and ENG 510 or departmental approval. Study of theories advanced to explain the learning of English as a second language.

ENG 520 History of the English Language. (3) A. Prerequisites: ENG 102 or HON 102, and one additional ENG course. Study of the history of the English language in terms of social, historical, and linguistic forces from which it developed into modern English.

ENG 530 Topics in a Genre: ___. (3) A. Prerequisites: ENG 102 or HON 102; ENG 301, 302, and one additional literature course. An intensive study of a particular aspect of literature such as a theme, a movement, or contemporary directions/ experiments. May be retaken with a different topic to a maximum of six hours.

ENR—Learning Skills

Dr. James Keller, Chair

ENR 090 Developmental Reading I. (3) I, II. Focuses on improving reading skills by developing vocabulary and active reading strategies such as previewing, organizing information, and identifying main ideas and supporting details. ACT reading subscore 14 or lower.

ENR 095 Developmental Reading II. (3) I, II. Prerequisite: ENG 090 or ACT reading subscore 15-17. Focuses on developing comprehension skills. Systematic methods for learning college-level vocabulary, analyzing structure and meaning of written materials, and developing critical reading skills.

ENR 112 Academic Literacy and Learning. (3) I, II. Prerequisite: completion of all ENR developmental requirements and 59 hours or fewer. Provides practice in critical reading of arts and humanities texts. Students examine ways that writers express culturally relevant themes and concepts in various genres. Emphasis on strategic reading, writing, and learning practices.

ENR 115 Learning Dynamics. (1) I, II. Five-week course concentrates on learning techniques for efficient and effective study of college reading materials. Emphasis on learning, storing, and retrieving information. Credit will not be awarded for both ENR 115 and ENR 112.

ENR 116 Strategies for College Reading. (1) I, II. Prerequisites: ACT reading sub-score 18 or higher or ENR 093 or equivalent. Registration restricted to freshmen and sophomores. Five-week course concentrates on developing reading comprehension, analysis, rate, and vocabulary in various disciplines.

ENR 201 Vocabulary Development. (2) I, II. Mastery of wide range college-level vocabulary for reading, writing, speaking, and listening. Instruction in using context and Greek and Latin roots to unlock meanings. Includes practice in solving verbal
SECTION SIX - COURSE DESCRIPTIONS

**ENV—Environmental Sustainability and Stewardship**

**ENV 200 The Sustainable Global Future.** (3) A. Prerequisite or Corequisite: ENG 102 or ENG 105(B) or HON 102. Introduces environmental sustainability, and explores environmental interconnections among ecosystems, societies, and economies in an era of global change. Topics include living within ecosystems limits, social equity & justice, technical, scientific, governmental, and individual strategies fostering sustainability. Gen Ed Element 5B.

**ENV 208W Literature and the Environment.** (3) A. Cross-listed as ENG 208W. Prerequisite: ENG 102 or 105 (B) or HON 102. Writing intensive study of the human-environment connection as expressed in literature, including attention to environmental sustainability and personal responsibility to the natural world within larger social and ethical values. Credit will not be awarded to students who have credit for ENG 208W or ENG 208W: Engaging Literature. Gen Ed Element 5D.

**ENV 302 Global Environmental Problems (3)**
A. Cross-listed as GEO 302, Prerequisites: GEO 100, 210, or 220; ENG 102, ENG 105(B) or HON 102; MAT 105 or higher; or departmental approval. Examination of environmental problems and conservation strategies in the context of global change, with case studies from exemplary world regions, including rainforest, mountain, desert, and island biomes. Credit will not be awarded for both GEO 302 and ENV 302.

**ENV 303 Environmental Geoscience.** (3) A. Cross-listed as GLY 303. Prerequisite: GLY 102, 104, 107, 108, or 109; or GEO 100, 210, or 220; or departmental approval. Investigation of the Earth as a complex set of interconnected systems that cycle elements, water, and earth materials over geologic and human time scales. The course emphasizes global environmental changes that occur on the planet because of human actions. Credit will not be awarded for both GLY 303 and ENV 303.

**ENV 319 Renewable and Sustainable Energy Systems (3)**
B. Cross-listed as AGR 319. Prerequisite: ENG 102 or ENG 105(B) or HON 102, and MAT 105 or higher. Principles of energy and how those needs can potentially be met in the future will be discussed. Comparisons of existing energy sources (fossil fuel, nuclear power) with renewable sources (biomass, solar, and tidal). Credit will not be awarded for both AGR 319 and ENV 319.

**ENV 321S Environmental Land Use Planning.** (3) A. Cross-listed as GEO 321S. Prerequisites: GEO 100, 210 or 220; ENG 102, ENG 105(B) or HON 102; MAT 105 or higher; or departmental approval. Examination of the principles of landscape ecology, resource conservation, and environmental impact analysis are incorporated into land use decisions and public policy. Emphasizes practical application at the site and regional scale. Credit will only be awarded for GEO 325, 325S, or ENV 325S.

**ENV 340 Environmental Economics.** (3) A. Cross-listed as APP 340 and ECO 340. Prerequisite: ECO 230. Applications of basic economic analysis to a study of the environment and environmental problems. Major topics include benefit-cost analysis for environmental decision making, the potential for market-based solutions to environmental problems, and the role and development of environmental policy. Credit will only be awarded for ENV 340, or APP 340, or ECO 340.

**ENV 341 Conservation of Agricultural Resources.** (3) Cross-listed as AGR 341. Prerequisite: Any ENV or agric course and Junior Standing. Conservation of soils and their fertility, erosion and control, soil conservation methods for individual farms. Crop yield and distribution, problems of water and air pollution, problems resulting from the population explosion. Credit will not be awarded for both AGR 341 and ENV 341.

**ENV 349 Applied Learning: Sustainability.** (0.5-8) A. Prerequisite: 2.25 GPA and departmental approval. Work experience directly related to ENV minor. Minimum 80 hours worked for each credit hour. Repeatable to 16 credit hours, only 3 of which can count toward minor.

**ENV 349-A Applied Sustainability Co-op.** (0.5-8) A. Prerequisite: 2.25 GPA and departmental approval required. Work experience directly related to ENV minor. Minimum 80 hours work for each credit hour. Repeatable to 16 credit hours, only 3 of which can count toward minor.

**ENV 350 Special Topics in ENV.** (3) A. Prerequisite: ENG 102 or ENG 105(B) or HON 102 and departmental approval. Specialized study in selected topics related to environmental sustainability and stewardship. May be taken for a maximum of 12 credit hours provided subject matter differs each time. 

**ENV 385 Topical Study in Environmental Geoscience.** (3) A. Cross-listed as PHI 385. Prerequisites: ENG 102 or ENG 105(B) or HON 102. An examination of historical and contemporary views of the values and rights of nature. Possible topics include animal rights, conservationism, the land ethic, stewardship, deep ecology, ecofeminism, and indigenous approaches to environmentalism. Credit will not be awarded for both ENV 385 and PHI 385.

**ENV 380 Sustainability in Appalachia.** (3) A. Cross-listed as APP 430 and GEO 430. Prerequisites: ENG 102 or ENG 105(B) or HON 102, and MAT 105 or higher, or departmental approval. Examination of Appalachia’s ecological, social, and economic patterns, and the processes through which residents can ensure their social, economic and ecological sustainability in the future. Credit will not be awarded to students who have credit for GEO 430 or an APP 430.

**ENV 435 Biogeography 3 (A).** Cross-listed as GEO 435. Prerequisites: ENG 102 or ENG 105(B) or HON 102; and MAT 105 or higher, or departmental approval. Study of major distributions and the nature of earth’s major terrestrial biomes, with an emphasis on formulating sound spatial hypotheses to explain the variety and everchanging geographic ranges of living organisms. Credit will not be awarded for both GEO 435 and ENV 435.

**ENV 450 Advanced Topics in ENV.** (3) A. Prerequisite: ENG 102 or ENG 105(B) or HON 102 and departmental approval. Specialized advanced study in selected topics related to environmental sustainability and stewardship. May be repeated for a maximum of 6 credit hours provided subject matter differs each time.

**ENV 498 Independent Study (3-5) A.** Prerequisite: ENG 102 or ENG 105(B) or HON 102 and 6 hours completed toward minor. Supervised study in environmental sustainability and stewardship. Independent Study proposal must be approved by faculty supervisor and ENV coordinator prior to enrollment. Repeatable to 6 hours.

**ESE—Secondary Education**

**ESE 307 Clinical Experiences for Teachers.** (1-3) A. Prerequisite: departmental approval. Provides clinical experiences such as observations, participation, and tutoring for prospective teachers in locations such as the learning lab. May be repeated to a maximum of six hours.

**ESE 490 Secondary Curriculum, Classroom Organization and Management.** (3) I. Prerequisites: EDS 319 or 319W admission to professional education. Corequisite: EDS 349R. Emphasis on questions and problems encountered in secondary teaching including classroom management, state and national curriculum trends, and legal issues.

**ESE 507 Problems in Secondary Education.** (4) A. Prerequisite: advisor/departmental approval. Independent work, special workshops, special topics, or seminars.

**ESE 540 Teaching Art in the Secondary P-12 Schools.** (3) I. Cross-listed as AED 540. Prerequisites: EDF 319, admission to professional education. Pre/Corequisites: EDF 413, SED 401. Corequisite: ESE 349. Developmentally appropriate materials and methods for teaching art in the secondary schools grades P-12. Minimum of 40 field/practicum hours. Credit will not be awarded for both ESE 540 and AED 540.

**ESE 552 Teaching of Physical Education in Middle and Secondary Schools.** (3) I. Prerequisites: EDF 319, admission to professional education. Pre/ Corequisites: CTE 363, EDF 413, SED 401. Corequisite: ESE 349. Developmentally appropriate materials and methods for teaching technology and career and technical education in the secondary schools. Minimum of 40 field/clinical hours.

**ESE 573 Teaching Business in Middle and Secondary Schools.** (3) I. Prerequisites: EDF 319, admission to professional education. Pre/Corequisites:

ESE 574 Teaching Reading in the Secondary School. (1-3) A. Prerequisites: education core and admission to professional education. Emphasis on developmental and content area reading skills, appraisal of reading abilities, appropriate materials, assessment, and organization of secondary reading programs.

ESE 579 Music Education: Principles and Practices. (3) I. Prerequisite: EDF 319, admission to professional education. Corequisite: ESE 349. Acquaints students with a balanced vocal and instrumental music education curriculum in the secondary school. Emphasis on understanding and planning a developmental sequence to assure the musical growth of students 8-12. Minimum of 20 field/clinical hours.

FCC—Foreign Culture and Civilization Dr. Abby Poffenberger, Chair

FCC 210 Topics in Culture: ______. (3) A. May be retaken to a maximum of 6 hours if topic is different. Introduction to the unique values and traditions of a major African, Asian, Hispanic, or European culture as reflected in its aesthetic, intellectual, and other cultural achievements. Taught in English. Gen. Ed. E-3B.

FCC 220 French Culture and Civilization. (3) A. Introduction to the unique values and traditions of the French nation and of French-speaking peoples as reflected in their aesthetic, intellectual, and other cultural achievements. Taught in English. Gen. Ed. E-3B.

FCC 222 German Culture and Civilization. (3) A. Introduction to the unique values and traditions of the German peoples as reflected in their aesthetic, intellectual, and other cultural achievements. Taught in English. Gen. Ed. E-3B.

FCC 226 Hispanic Culture and Civilization (3) A. Introduction to the unique values and traditions of the Hispanic nations as reflected in their aesthetic, intellectual, and other cultural achievements. Taught in English. Gen. Ed. E-3B.

FCC 227 Japanese Culture and Civilization. (3) A. Introduction to the unique values and traditions of the Japanese as reflected in their aesthetic, intellectual, and other cultural achievements. Taught in English. Gen. Ed. E-3B.

FCS—Family and Consumer Sciences Dr. Diane Leggett, Chair

FCS 320 Family Housing and Design. (3) I. Introduction to housing and its relationship to human needs. Historical, governmental and current issues influencing housing consumption of individuals and families. Design considerations emphasized include principles and elements, architecture, furniture, and space planning.

FCS 330 Field Experience. (1-8) A. Prerequisites: department approval and 2.0 cumulative GPA. Supervised work experience in department approved organization. A minimum of 80 hours work required for each academic credit. Options may be taken to a maximum of 8 hours. 330A Field Experience in ADM 330B Field Experience in CDF 330C Field Experience in FCS 330D Field Experience in NFA

FCS 349 Applied Learning in Family and Consumer Sciences. (5-8) A. Prerequisite: department approval. Work under field supervisor in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

FCS 400W Ethics and Advocacy in Family and Consumer Sciences. (3) I, II. Prerequisites: CDF 132 and 12 additional hours in the department. History and principles of the profession of Family and Consumer Sciences. Course emphasizes the interdisciplinary nature of the field and its commitment to public policy activism to benefit individuals and families.

FCS 550 Family and Consumer Sciences Topics. (1-3 A). Selected topics in Family and Consumer Sciences. May be taken to a maximum of six hours provided topics vary.

FIN—Finance Dr. Oliver Feltus, Chair

FIN 201 Personal Money Management. (3) II, II. A consumer approach to personal, family, and small business financial planning, budgeting, income taxes, elementary investment principles, and estate planning. Credit will not be awarded for both FIN 201 and FRM 352.

FIN 300 Business Finance I. (3) I, II. Prerequisites: ACC 201, 202, ECO 230, QMB 200, with a grade of “C” or better in each course; junior standing (a minimum of 60 hours) and an overall minimum 2.0 GPA. Financial principles with applications to business organizations. Includes firm financial motives, time value of money, risk analysis, elementary capital budgeting, residual dividend policy, elementary capital structure decisions, analysis of financial statements, and international financial considerations.

FIN 301 Corporate Finance. (3) I, II. Prerequisites: FIN 300 with a “C” or better. An in-depth exploration of valuation principles (including dividend policy) decision, working capital management, financial forecasting and planning, the agency problem and its implication for security markets and firm valuation, financial market efficiency. FIN 302 derivative Instruments. (3) A. Prerequisite or Corequisite: FIN 301. Equity, debt and venture capital markets for small businesses are examined. Also systems for financial statement generation and internal controls, sources and uses of funds forecasting, short-term asset and liability management, and capital structure decisions are explored. A small firm valuation project will be completed.

FIN 304 Financial Institutions. (3) I, II. Prerequisites: FIN 300. A survey of the evolution of financial institutions, including the impact of regulation and deregulation.

FIN 310 Entrepreneurial Finance. (3) I, II. Selection of business form, tax planning, financing, and cash flow forecasting and retaining employees; compensation planning; debt and equity financing; legal, tax and behavioral considerations.

FIN 311 Personal Financial Planning. (3) I, II. Prerequisites: FIN 201 or S 301 or FRM 352. Time value of money applications; personal financial statements development and assessment; cash flow and debt management; taxation; estate acquisition; education planning; planning of risk management; investment planning; and retirement planning.

FIN 324 Principles of Investments. (3) A. Prerequisite: FIN 300 or FIN 201 or FIN 310 with a “C” or better. Analysis of the characteristics, valuation, and tax implications of various investments such as common and preferred stock; corporate, federal and municipal debt; mutual funds; money market accounts; options and futures. Explores methods of trading securities.

FIN 330 Principles of International Finance. (3) A. Prerequisite: FIN 300 with a “C” or better. Financial decision-making processes of multinational corporations; flow of funds; exchange rate determination and forecasting; currency futures and options; international arbitrage; measurement and management of exchange rate exposure; multinational capital budgeting; analysis of country risk.

FIN 349 Applied Learning in Finance. (5-8) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work for each credit hour. May be repeated for a total of 16 credit hours.

FIN 3905 Community Financial Literacy. (3) A. Prerequisites: FIN 201, 310, and 311 with a grade of C or better in each course. Application of financial planning for community members; teaching financial literacy to EKU’s service areas and surrounding communities.

FIN 410 Financial Analysis and Valuation. (3) A. Prerequisites: CCT 300W and FIN 300 with a “C” or better; or ACC 302 with “B” or better and departmental approval. Exploration of discounted residual earnings as basis for valuation; sources of value creation; methods of forecasting future financial statements. Students are required to produce analyst report for a public company.

FIN 420 Investment and Portfolio Theory. (3) Prerequisites: FIN 300 and 310 with a “C” or better. Investment analysis including efficient market theory and empirical investigations, security valuation, risk free borrowing and lending; portfolio selection and performance evaluation are examined. Also included are derivatives’ valuation and their role in a diversified portfolio.

FIN 424 Derivatives Valuation and Accounting. (3) A. Prerequisites: FIN 301 with a “C” or better; or ACC 302 with “B” or better and departmental approval. General valuation principles for derivatives, numerical methods of derivative valuation, regulations covering executive stock options, accounting of derivatives. Also covered are special purpose vehicles.

FIN 450 Project in Finance. (1-3) I, II. Prerequisite: departmental approval. Selected topics of special contemporary interest to finance students. Students are required, under supervision of finance faculty, to write a paper on any finance topic of their choice.

FIN 490 Special Problems in Finance. (1-4) A. Prerequisite: departmental approval. May be taken under different sub-topics to a maximum of six hours. Independent work, special workshops, special topics, or seminars. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

FIS—Foreign Language Studies Dr. Abby Poffenberger, Chair

FIS 100 Adventures in Language: ______. (1-3) A. This course introduces students to a language and culture through a variety of possible topics such as French cinema, German folklore, or Spanish dance. May be retaken to a maximum of six hours if topic is different.

2014-2015 EKU UNDERGRADUATE CATALOG 307

SECTION SIX - COURSE DESCRIPTIONS
SECTION SIX - COURSE DESCRIPTIONS

FLS 101 Language Topics: ___. (3) A.
Entry level study of a less frequently taught language such as Arabic, Chinese, Greek, Swahili, or other.
May be retaken to a maximum of six hours if topic is different. Gen. Ed. E-6.

FLS 102 Language Topics: ___. (3) A.
Correlation of a less frequently taught language such as Arabic, Chinese, Greek, Swahili, or other.
May be retaken to a maximum of six hours if topic is different. Gen. Ed. E-6.

FLS 295 Independent Work in Language.
(1-3) A. Prerequisite: Departmental approval prior to study abroad. Intensive intermediate level coursework in study abroad programs. May be retaken to a maximum of 12 hours per semester for duration of study abroad program(s).

FLS 310 Topics in Foreign Languages.
(1-3) A. May be retaken to a maximum of 6 hours if topic is different. Examination of problems and issues in foreign languages, literatures, or cultures.

FLS 330 Language Studies Abroad.
(1-12) A. Prerequisite: Departmental approval prior to study abroad. Intensive intermediate/advanced level coursework in study abroad programs. May be retaken to a maximum of 12 hours per semester for duration of study abroad program(s).

FLS 349 Applied Learning.
(1-5) A. Prerequisite: Departmental approval. Work in placements related to foreign language study. One to eight hours credit per semester or summer. Total hours: 16. A minimum of 80 hours employment required for each semester hour credit.

FLS 349 A-N Cooperative Study.
(1-5) A. Prerequisite: Departmental approval. Work in placements related to foreign language study. One to eight hours credit per semester or summer. Total hours: 16. A minimum of 80 hours employment required for each semester hour credit.

FOR—Forensic Science

Dr. Lori Wilson, Chair
Dr. Diane Vance, Director

FOR 301 Introduction to Forensic Science.
(3) A. Introduction to the application of scientific methods for the examination of physical evidence in the criminal justice system; an overview of the forensic analysis of firearms, fingerprints, drugs, blood, hair, fibers, paint, glass, arson debris, etc. Gen. Ed. E-6.

FOR 369 Instrumental Analysis (3) A.
Cross-listed with CHE 425. Prerequisites: CHE 325, 325L, 362, 362L, PHY 132 (or 202); MAT 124C (or better in each course). Prerequisite or Corequisite: CHE 411L. Fundamental principles of the operation and application of analytical instrumentation including spectrophotometry, chromatography, electrochemistry, and mass spectrometry found throughout industrial, government, forensic, and/or research environments are presented. Credit will not be awarded for both FOR 411 and CHE 425.

FOR 411 Forensic Instrumental Lab (1) A.
Prerequisite: BIO 111 (C or better); Prerequisite or Corequisite: FOR 411. Lab component of FOR 411. Lab involving hands-on experience operating instrumentation most commonly used in forensic science analytical laboratories, including UV-visible, infrared, Raman, X-ray fluorescence, and atomic absorption spectrophotometric techniques plus thin layer, gas, and liquid chromatographic separation techniques. Credit will not be awarded for both FOR 411L and CHE 425L. 3 Lab.

FOR 412 Forensic Trace Evidence. (2) II.
Prerequisites: FOR 411, 411L, 451L, and 451L (C or better in each course). Prerequisite or Corequisite: FOR 412L. Introduction to forensic trace evidence and the instruments and techniques used for the analysis of paint, glass, fibers, fire debris, and other materials commonly encountered in the trace section of a crime laboratory. 3 Lab.

FOR 412L Forensic Trace Evidence Lab. (1) II.
Prerequisites: FOR 411, 411L, 451L, and 451L. Prerequisite or Corequisite: FOR 412L. Lab component of FOR 412. Use of microscopes and various instruments for examination of forensic trace evidence materials. 3 Lab.

FOR 420 Forensic DNA Analysis. (1) I.
Prerequisite: FOR 369L (C or better). Introduction to Forensic DNA analysis including DNA structure and function, methods for extraction, quantification, amplification, separation, and profile creation; statistical basis for matching; information on CODIS.

FOR 430 Forensic Analytical Toxicology. (3) II.
Prerequisites: FOR 411 and 411L, or CHE 425 and 425L (C or better for each course) or departmental approval. Study of the chemistry, biochemical activity, isolation and identification of drugs of forensic interest in biological materials.

FOR 440 Drug Chemistry. (3) I.
Prerequisite: CHE 362 (C or better). Discusses aspects of drug chemistry relevant to understanding the properties, physiological effects, and techniques used for the separation, analysis, and identification of drugs. Emphasis is on controlled substances.

FOR 442L Drugs and Toxicology Lab. (1) II.
Prerequisites: FOR 411 and 411L, or CHE 425 and 425L (C or better); Prerequisites or Corequisite: FOR 430 or 440 (C or better). Introduces techniques and instrumentation used for the chemical separation and analysis of drugs in both solid dosage and toxicological samples. 3 Lab.

FOR 451 Forensic Microscopic Analysis. (2) I.
Prerequisite: Corequisite or FOR 411, 411L, and 451L (C or better). Introduction to concepts of forensic microscopic analysis; identification and characterization of trace evidence, such as glass, hair, fiber, and soil.

FOR 451L Forensic Microscopy Lab. (1) I.
Prerequisite or Corequisite: FOR 451. Laboratory component of FOR 451. Use of stereoscopes and polarizing light microscopes for examination of forensic materials. 3 Lab.

FOR 460 Selected Topics in Forensic Science. (1-3) II. Prerequisite: instructor approval. Topics will be chosen from areas of current interest and may be retaken for credit when new topics are offered. Topics and credit will be announced prior to each offering.

FOR 465 Expert Witness Testimony. (2) A.
Prerequisite: FOR 411 with a "C" or better or departmental approval. Provides an overview of the underlying theory and purpose for expert witness testimony, qualifications of scientific experts, ethical issues relating to expert witness testimony, and elements of expert witness discovery and courtroom testimony.

Videotaping of testifying in mock testifying situations is also included. Credit will not be awarded for both FOR 465 and 465W. 4 Lab.

FOR 465W Expert Witness Testimony. (3)
A. Prerequisites: ENG 102 or ENG 105 or HON 102 and FOR 411(C) or FOR 411L(C) or departmental approval. Theory and purpose for expert witness testimony, qualifications of scientific experts, ethical issues, and practical aspects of expert witness discovery and courtroom testimony. Videotaping of testifying in mock testifying situations is also included. 2 Lec/2 Lab. Credit will not be awarded for both FOR 465W and 465.

FOR 475 Mass Spectrometry. (3) A.
Cross-listed with CHE 362. Topics include types of mass spectrometers; qualitative and quantitative mass spectrometry, different ionization processes, sample inlet systems, (including chromatography systems), and interpretation of mass spectral data. Credit will not be awarded for both FOR 475 and CHE 520.

FOR 490 Introduction to Research. (1-3)
A. Prerequisite: FOR 411 or departmental approval. Introduction to laboratory research in one of the areas of forensic science. May be retaken to a maximum six hours, but only three hours may be counted toward the major requirements. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. 2 Lec/3 Lab.

FOR 495 Internship. (3, 6, 9, 12) A.
Prerequisites: FOR 411, 411L, and 465W and 6 hours of 400-level or above FOR or CHE or BIO courses from within the student’s option. (C or better in each course) and departmental approval. Independent laboratory work and study in a laboratory setting. May be taken for a maximum of 12 hours, but only six hours may be counted toward the major requirements. Four to 16 weeks.

FOR 499 Forensic Science Capstone (3) A.
Prerequisites: FOR 411, 411L, and 465W and 6 hours of 400-level or above FOR or CHE or BIO courses from within the student’s option (C or better in each course). Capstone experience that provides overview of the investigative process from collection of evidence at a mock crime scene, through analysis, data interpretation, and presentation of results in a mock courtroom setting. 2 Lec/3 Lab.

FRE—French

Dr. Abby Poffenberger, Chair

FRE 101 Conversational French I. (3, 5)
II. Prerequisite: all required developmental reading and writing courses. Beginning French conversation, grammar, and language skills. Emphasis on speaking and listening comprehension, with introduction to basic written forms. Taught in context of French and francophone cultures. Laboratory work required. Gen. Ed. E-6.

FRE 102 Conversational French II. (3, 5)
II. Recommended: FRE 101 or equivalent proficiency. (Students entering FRE 102 by referral or placement, with two years high school French or equivalent, receive three hours credit for FRE 101 if they make an "A" in 102.) Continuing work on communicative skills and correct usage, with introduction to reading short passages on relevant French and francophone cultural topics. Laboratory work required. Gen. Ed. E-6.

FRE 201 Intermediate Conversational French I. (3, 5)
II. Recommended: FRE 101 or equivalent proficiency (e.g. with two or three years of successful high school French). French conversation, grammar, and communicative language skills, with increased emphasis on developing basic writing and reading skills. Taught in a context of French and francophone cultures. Laboratory work required. Students entering FRE 201 by referral or placement receive six hours credit for FRE 101 and 102 if they make an "A" or "B" in 201. Gen. Ed. E-6.

FRE 202 Intermediate Conversational French II. (3, 5)
II. Recommended: FRE 201 or
equivalent proficiency (e.g. with three or four years of successful high school French.) French conversation, grammar, and communicative language skills; with continuing emphasis on writing skills and on reading authentic texts. Taught in context of French and francophone cultures. Laboratory work required. Students who register for FRE 202 by referral or placement receive nine hours credit for FRE 101, 102, and 201 if they make an "A" or "B" in 202. Gen. Ed. E-6.

FRE 204 Review of French Grammar. (3) A. Recommended: FRE 202 or equivalent proficiency. Integrative approach to French grammatical forms and usage in communicative context, with emphasis on spoken and written expression, within the framework of French and francophone cultures.

FRE 210 Reading and Conversation. (3) I, II. Recommended: FRE 204 or equivalent proficiency. Reading of basic literary texts with interactive discussion and writing practice. Emphasis is on building skills necessary for literature courses.

FRE 295 Independent Work in French. (1-3) A. Prerequisite: FRE 204 or FRE 210. May be retaken to a maximum of 9 hours if content is different. Prior to enrollment, student must have the independent study proposal approved by faculty supervisor and department chair.

FRE 301 Survey of French Literature I. (3) A. Prerequisite: FRE 204 or FRE 210 or equivalent proficiency with departmental approval. Selected readings from masterpieces of French literature, through the eighteenth century, with an introduction to the techniques of French literary analysis. Taught in French.

FRE 310 Topics in Culture: (1-3) A. Prerequisite: FRE 204 or FRE 210 or equivalent proficiency with departmental approval. Emphasis on communicative proficiency in context of topics selected from French or francophone cultural heritage, such as cinema, news media, cuisine, or the arts. Taught in French. May be retaken to a maximum of 12 hours if content is different.

FRE 312 French Literary Studies: (3) A. Prerequisite: FRE 204 or FRE 210 or equivalent proficiency with departmental approval. A selected topic from the major French authors and literary movements. Taught in French. May be retaken to a maximum of nine hours, if content is different.

FRE 313 French Narrative Fiction. (3) A. Prerequisite: FRE 204 or FRE 210 or equivalent proficiency with department chair approval. A selection of the best French prose from various periods of French literature. Taught in French.

FRE 314 Masterpieces of French Theater. (3) A. Prerequisite: FRE 204 or FRE 210 or equivalent proficiency with department chair approval. Selected works from the masterpieces of French theater. Taught in French.

FRE 315 French Lyric Poetry. (3) A. Prerequisite: FRE 204 or FRE 210 or equivalent proficiency with department chair approval. Survey of French lyric poetry, with emphasis on the 16th and 19th centuries. Taught in French.

FRE 320 French for Work and Travel. (3) A. Prerequisite: FRE 204 or FRE 210 or equivalent proficiency with departmental approval. Develops oral and written communication skills for application in diverse careers, international travel, and interaction with the French-speaking peoples of the world. Taught in French.

FRE 340 French Phonetics. (3) A. Prerequisite: FRE 204 or FRE 210 or equivalent proficiency with department chair approval. Intensive practice in the spoken language with emphasis on improving pronunciation and aural comprehension.

The sound system of French is taught through phonetic exercises.

FRE 350 French Conversation. (3) A. Prerequisite: FRE 204 or FRE 210 or equivalent proficiency with department chair approval. Intensive practice in conversation with emphasis on vocabulary building and improving fluency in the language.

FRE 360 French Grammar in Context. (3) A. Prerequisite: FRE 204 or FRE 210 or equivalent proficiency with department chair approval. A communicative approach to French grammar in meaningful context, using authentic spoken and written language, within the framework of French and francophone cultures.

FRE 370 French Language Studies: (3) A. Prerequisite: FRE 204 or FRE 360 or equivalent proficiency with departmental approval. Emphasis on applied language skills with designated topics in oral or written French such as composition, stylistics, or linguistics. Taught in French. May be retaken to a maximum of 9 hours provided the topic is different.

FRE 495 Independent Work in French. (1-3) A. Prerequisite: departmental approval. May be counted toward major or minor only with permission of department chair. May be retaken to a maximum of six hours if content is different. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

FRM—Family Resource Management Dr. Diane Leggett, Chair

FRM 352 The Family as Consumers. (3) I, II. Family resource management across the life course: Resource allocation and decision-making to attain family goals and financial wellbeing: time, money, housing, work-family balance. Role of family economics in marital/family satisfaction and multiple family forms. Credit will not be awarded for both FRM 352 and FIN 201.

FRM 453 Balancing Work and Family Resources. (3) A. Prerequisites: NFA 321 and FRM 352. Concentration on value identification/clarification, the decision making process, family resource management and the management process by individuals and families. Group projects and supervised field experiences with community programs.

FRM 456 Special Problems in Family Economics and Management. (1-3) A. Prerequisite: departmental approval. The student chooses a problem and works under the supervision of the instructor. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours provided topics vary.

FSE—Fire and Safety Engineering Technology Mr. Paul English, Coordinator

FSE 101 Fire Prevention. (3) A. An introduction to fire and safety related codes; fire prevention methods; mechanical systems; and engineering solutions for hazards. An in-depth look at the Life Safety Code, the function and testing of fire related building components.

FSE 120 Fire Behavior and Combustion. (3) A. Introduction to the chemistry and dynamics of fire; including basic terminology and concepts that are applied to the physical and chemical properties of the development and spread of fire in a structure; hazardous materials and the Computer Fire Analysis.

FSE 200 Applied Fire and Safety Analysis (3) A. Cross-listed as OSH 200. Analytical and statistical concepts and procedures for the treatment of fire and safety data. Includes quantitative and qualitative techniques, descriptive and inferential statistics. Credit will not be awarded for both FSE 200 and OSH 200.

FSE 201 Building Construction. (3) A. A review of the analysis of building construction methods and terminology. A systems approach to designing building fire safety; the Life Safety Code; the function of and testing of rated building components, evaluating plans for code compliance.

FSE 205S Building Construction. (3) A. An introduction to the analysis of building construction methods and terminology using a service learning approach. A systems approach to designing building fire safety; the Life Safety Code; the function of and testing of building components, evaluating plans for code compliance. Credit will not be awarded for both FSE 201 and FSE 205S.

FSE 221 Fire Protection Systems. (3) A. Prerequisites: FSE 101, FSE 200. Introduction to fire detection, protection, control systems and extinguishment. Fixed and portable systems of the following types will be studied: automatic sprinklers, standpipes, dry chemical, foam, halogenated agents, fire alarm systems and diction.

FSE 223 Fire and Emergency Scene Operations (3) A. Prerequisite: FSE 101. Principles of Incident Management including emergency scene decisions, strategies, and tactics. Utilizing emergency control resources such as personnel, apparatus, and equipment.

FSE 224 Human Behavior In Fire. (3) Prerequisites: FSE 101 and FSE 120. Examine current and past research on human behavior. Selectors, life safety education and building design to determine interactions emergency situations. Develop a best practice building life safety system.

FSE 225 Legal Aspects of Fire Protection and Safety. (3) A. Cross-listed as OSH 225. A study of legislative and legal decisions relating to personnel practices, employee safety, and public protection. Emphasizes the legal responsibilities, liabilities, and authority of the fire service practitioner. Credit will not be awarded for both FSE 225 and OSH 225.

FSE 230 Fire Prevention Organization and Management. (3) A. Prerequisite: FSE 101. An introduction to management issues related to fire prevention systems. Overview of the requirements for fire prevention codes, managing inspections, relations with public and officials and implementation of fire education programs.

FSE 250 Introduction to Fire Arson and Explosion Investigation. (3) A. An introduction to fire, arson, and explosion investigation. Topics include a historical overview of arson and terrorism statues, sources of information, the federal role in fire and explosion investigation, explosives and improvised explosive devices.

FSE 260 Proving Criminal Acts. (3) A. A study of crimes and the methods of proof in the investigation and proving of criminal acts. Explore defenses/legal remedies to enable the student to understand the obligations of managing an investigation.

FSE 280 Constitutional Criminal Procedure. (3) A. Examines the legal implications of obtaining evidence directly from the suspect. Fourth, Fifth, and Sixth Amendments, and rules of evidence are discussed as they relate to the investigation of criminal acts.

FSE 300W Technical Report Writing for Emergency Services (3). A. Prerequisite: ENG 102 and FSE 200. Develop oral and written communication skills specific to the public emergency service sector’s needs. Focusing on the technical aspects involved in supporting public initiatives operating within the legal system and learning the specific requirements for submitting documentation to various technical committees. Credit will not be awarded for both FSE 300 and 300W.

FSE 305S Hazardous Materials. (3) A. Prerequisite: FSE 200. Cross-listed with OSH 305. Study of hazardous material problems in transportation, storage, and use. Chemical properties relating to material hazards; sources of information, the federal role in fire and explosion investigation, explosives and improvised explosive devices.
pre-emergency planning, combating, coordinating, and controlling a hazardous materials incident. Credit will not be awarded for both FSE 305 and OSH 305.

FSE 320 Principles of Emergency Services. (3) A. An overview of organizational and management practices in the fire and safety fields. Emphasis on supervision and leadership styles, motivation, morale, and organizational behavior.

FSE 322 Fire Protection Structures and System Design. (3) A. Prerequisite: FSE 300 or FSE 300W, FSE 260, and FSE 280. A detailed study of the investigative procedure as it applies to fire, arson, explosion and other personal property crimes.

FSE 340 A-N Cooperative Study: Fire and Safety Engineering. (5-8) A. Cross-listed with OSH 349. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. Credit will not be awarded for both FSE 349 and OSH 349.

FSE 349 A-N Cooperative Study: Fire and Safety Engineering. (5-8) A. Cross-listed with OSH 349. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. Credit will not be awarded for both FSE 349 and OSH 349.

FSE 350 Fire Protection. (3) A. Prerequisite: FSE 350. Emergency Service Resource Management. (3) A. Introduction to management issues related to obtaining and accounting for resources. Included are financial management processes, acquisition strategies, strategies for maintenance of effort and resource prioritization, resource replacement planning and processes to audit program success.

FSE 381 Fire and Explosion Scene Analysis. (3) A. Prerequisite: FSE 350. An in-depth study of fire, arson, and explosion investigations. Emphasis will be placed on the principles and techniques of scene preservation, analysis, management of investigations, documentation of the scene and determination of cause and origin.

FSE 400 Advanced Emergency Services. (3) A. Prerequisites: FSE 300 or FSE 300W, and FSE 320. A study of environmental management including the identification and analysis of key managerial issues confronting contemporary fire services managers. Application in current methods and planning, organizing, developing, and evaluating public fire/ emergency services organizations.

FSE 425 Disaster & Community Fire Protection. (3) A. Prerequisite: FSE 300 or FSE 300W. Overview of international business, including international business law, international business customs, and international business functional operations, examining the effectiveness of U.S. business ventures abroad and in competition with international companies at home.

FSE 490 Practicum. (1-12) A. Prerequisite: departmental approval. Supervised field observation, research, and/or experience.

GBU—General Business

Dr. Lana Carnes, Chair

GBU 101 Introduction to Business. (3) I, II. A survey of modern business practices. The course explores business areas including management, marketing, accounting, and finance. The course is designed to help prepare students for future business courses and assist students in deciding whether to choose business as a career.

GBU 201 International Business. (3) I. An overview of international business, including international business law, international business customs, and international business functional operations, examining the effectiveness of U.S. business ventures abroad and in competition with international companies at home.

GBU 204 Legal and Ethical Problems of Business. (3) I, II. Prerequisite: minimum 45 hours completed. Survey of law of business, including current issues and trends in e-commerce; examination of how e-commerce and electronic mediated environments are changing business and society.

GBU 311 Law of Commercial Transactions. (3) II. Principles for personal property transfers, negotiable instruments, secured transactions, the application of the Uniform Commercial Code and business transactions, bankruptcy and governmental regulation.

GBU 349 A-N Cooperative Study: General Business. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. May be used as upper division business electives and/or free electives as approved. General Business Majors, depending on option, are limited to a maximum of nine co-op hours counting toward degree. Co-op hours may be repeated up to nine hours.

GBU 349 A-H Cooperative Study: General Business. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. May be used as upper division business electives and/or free electives as approved. General Business Majors, depending on option, are limited to a maximum of nine co-op hours counting toward degree. Co-op hours may be repeated up to nine hours.

GBU 350 Seminar in Business. (1-3) A. A carefully selected topic of special and contemporary interest to business students. May be taken under different subtitles to a cumulative maximum of nine hours.

GBU 480 Business Strategy. (3) I, II. Prerequisites: COT 300 or 300W, CIS 300, FIN 300, MGT 300, and MGT 300 with a grade of “C” or better in each prerequisite course; senior standing (A minimum of 90 hours) with an overall minimum 2.0 GPA. A capstone study of administrative processes under conditions of uncertainty including integrative
analysis and formulation of strategy and supporting policy at administrative/executeive levels. Students must complete all business core courses prior to taking GBU 480.

GCM—Graphic Communications Management

Dr. David Dailey and Marlow Marchant

GCM 211 Graphic Communications. (3) L, II. An overview of the market segments using the technologies of printing, publishing, packaging, electronic imaging, and their allied industries. 2 Lec/2 Lab.

GCM 237 Electronic Publishing. (3) A. Basic course in desktop publishing and preparing appropriately designed documents for Graphic Communications. Emphasis is on the use of professional level computer application programs for working with images, type and page layouts. 2 Lec/2 Lab.

GCM 255 Web Publishing. (3) L. Formerly TEC 255. A basic course in using current Web standards to prepare content for the World Wide Web that includes HTML, PHP and MySQL. Students will work with both client-side and server-side technologies to integrate databases into web sites. 2 Lec/2 Lab.

GCM 476 Comprehensive Exam for BS in GCM (0). Prerequisite: Consent of Advisor. Registration is required of all Graphic Communications Management B.S. majors during their last semester. A comprehensive assessment exam is required.

GCS—Interpersonal Skills and Career Counseling

Dr. Sara Zeigler, Dean of University Programs

GCS 198 Interpersonal Effectiveness Seminar. (1-3). L, II. The course is designed to assist students in gaining confidence in themselves and in relating more effectively with others. Attention is given to assertiveness, image, values clarification, and effective life management.

GEO 100 Regions and Nations of the World. (3) A. Survey of the physical, cultural, and economic geography of the world’s major regions, with an emphasis on regions undergoing change and currently of international concern. Credit will not be awarded for both GEO 100 and GEO 200. Gen. Ed. E-5B.

GEO 115 Hollywood Weather. (3) A. This non-technical introduction to atmospheric processes examines how meteorological events are portrayed in popular movies. Topics may include severe weather events, climate change, and weather’s impact on human systems.

GEO 210 Introduction to Physical Geography. (3) A. Study of natural processes operating at the earth’s surface with special emphasis on weather and climate and landforms as explanations for how and why physical and human phenomena vary from place to place. 2 Lec/2 Lab.

GEO 220 Human Geography. (3) A. Introduction to geographic study of human occupation of the earth, including patterns and processes of human activity and human/land interaction.

GEO 300 Geography: Special Topics. (3) A. Designed for study of special topics. The specific orientation (cultural, physical, field studies, etc.) will follow course title. May be retaken to a maximum of nine hours provided this course does not differ each time.

GEO 315 Meteorology. (3) A. Prerequisite: MAT 105 or higher. This course focuses on the impact of phenomena and physical processes that occur in Earth’s atmosphere, including atmospheric dynamics, radiation, stability, moisture, wind systems and severe storms.

GEO 321 Urban Geography. (3) A. Study of city functions, patterns, and past and current patterns confronting the city, including the problems of planning, zoning, community housing, shopping centers, and urban renewal.

GEO 322 World Geopolitics. (3) A. Study of world political structures and events organized by territorial and regional frameworks. Specific attention to forces of global political change, including globalization processes, conflict and peace, ethnic nationalism, and international mediators.

GEO 325: Environmental Land Use Planning (3) A. Prerequisites: GEO 100, 210, or 220; ENG 102; ENG 105(B); or HON 102; MAT 105 or higher; or departmental approval. Examinations of principles of landscape ecology, resource conservation, and environmental impact analysis are incorporated into land use decisions and public policy. Emphasizes practical application at the site and regional scales. Credit will not be awarded for GEO 325 and GEO 325S or ENV 325S.

GEO 325S: Environmental Land Use Planning (3) A. Cross-listed as ENV 325S. Prerequisites: GEO 100, 210, or 220; ENG 102; ENG 105(B); or HON 102; MAT 105 or higher; or departmental approval. Examinations of principles of landscape ecology, resource conservation, and environmental impact analysis are incorporated into land use decisions and public policy. Emphasizes practical application at the site and regional scales. Credit will not be awarded for GEO 325 and GEO 325S or ENV 325S.

GEO 330 Economic Geography. (3) A. Geographic patterns and processes of production, trade, finance, and other services at local, regional, and global scales.

GEO 343 Geography of Kentucky. (3) A. Prerequisite: GEO 100, 210 or 220. Prerequisite: GEO 100, 210, or 220. Topical-regional approach to the physical characteristics, cultural complexity, and economic aspects of Kentucky with an emphasis on understanding the state’s historical development and current environmental, political, and economic issues from a geographic perspective.

GEO 347 Regional Geography. . . . . (3) A. Physical, cultural, and economic geography of a selected region (e.g., Africa, North America, Oceania) with emphasis on the region’s current problems. May be retaken to a maximum of 12 hours provided subject matter differs each time.

GEO 349 Applied Learning in Geography. (3) A. Prerequisite: departmental approval. Work in placement related to academic studies. One to eight hours credit per semester or summer. Total hours for baccalaureate, 16. A minimum of 80 hours employment required for each semester hour credit. No more than six hours may count toward the major.

GEO 350 Independent Study in Geography. (1-5) A. Prerequisite: departmental approval. Work in placement related to academic studies. No more than six hours credit per semester or summer. Total hours for baccalaureate, 16. A minimum of 80 hours employment required for each semester hour credit. No more than six hours may count toward the major.

GEO 351 Geographic Techniques. (3) A. Introduction to the range of techniques used in geographic research and applications, including mapping, image interpretation, GIS, GPS, field work, quantitative analysis, library and Internet research, and others. Practical experience focus. 2 Lec/2 Lab.

GEO 353 Geographic Information Systems. (3) A. Prerequisite: GEO 100, 210, 220, GLY 102, 107, or 108. Introduction to GIS principles, methods, operations, mapping, and applications. Topics include spatial data, databases, GIS analysis, models, site suitability, environmental and social applications, and more. Hands on emphasis using ArcGIS. 2 Lec/2 Lab.

GEO 398 Independent Studies in Geography. (1-6). I, II. Prerequisite: departmental approval. Topic determined by student and instructor. Students must have the independent study proposal form approved by the assistant professor and department chair prior to enrollment. May be retaken to a maximum of six hours, provided topic is different each time.

GEO 405 Issues in Travel and Tourism. (3)
A. Prerequisites: A comprehensive study of current issues, trends, problems, and opportunities in the travel and tourism industry. Research paper required.

GEO 430 Sustainability in Appalachia. (3) A. Cross-listed as APP 430 and ENV 430. Prerequisites: GEO 100, 210 or 220; ENG 102, ENG 105(B); HON 102; MAT 105 or higher; or departmental approval. Examination of Appalachia’s ecological, social, and economic patterns, and the processes through which residents can ensure their social, economic and ecological sustainability in the future. Credit will not be awarded for both GEO 435 and ENV 435.

GEO 450 Field Studies. (3) A. Field techniques and applied case studies of geographic topics in local and regional environs.

GEO 453 Advanced GIS. (3) I. Prerequisite: GEO 353 or departmental approval. Advanced concepts, operations, and applications of raster and vector GIS. Spatial analysis using scanning, imagery, GPS, global data sets, and derived data for natural and social applications. Use of standards, metadata, open GIS, and other advances.

GEO 455 GIS Cartography. (3) A. Prerequisite: GEO 100, 210, or 220, or departmental approval. Cartography, an interdisciplinary approach of making digital data on satellite and multispectral imagery, including maps, air photos, shuttle photography, and satellite digital data. Hands-on emphasis using ArcGIS.

GEO 456 Remote Sensing. (3) I. Prerequisite: GEO 100, 210, 220, GLY 102, 107, or 108. Principles, data sources, acquisition, interpretation, analysis, and application of geographic imagery, including maps, air photos, shuttle photography, and satellite digital data. Hands-on emphasis using ERDAS software. 2 Lec 2 Lab.

GEO 458 Advanced Geographic Imagery. (3) II. Prerequisite: GEO 456. Characteristics, interpretation, integration and applications of advanced geographic imagery, including remote sensing and GIS cartography, and skills in using geographic information systems. Hands-on emphasis. 2 Lec 2 Lab.

GLY 102 Earth Science for Teachers. (3) A. Prerequisite: senior standing or departmental approval. A capstone course for majors that integrates students’ academic experiences with their career development options. Credit is not to be counted toward major or minor only with permission of department chair.

GEO 495 Practicum. (3-6) A. Prerequisite: GEO major. Students will work under departmental supervision in governmental, corporate, or private enterprises which are engaged in applied geography. Determination of the number of hours will be made by the department, depending upon the range and depth of activities to be engaged in. May not be retaken.

GEO 498 Capstone Project in Geography. (3, 6) A. Prerequisite: senior standing or departmental approval. A capstone experience for geography majors that integrates research experience with students’ professional development and the production of a substantive deliverable product (e.g., poster, conference presentation, map).

GEO 499 Advanced Geographic Imagery. (3) A. Prerequisite: departmental approval. In-depth study of physical, cultural, economic, geographic technique (GIS) themes. May be retaken to a maximum of six hours if subject matter differs each time.

GER—German
Dr. Abby Poffenberger, Chair

GEO 101 Conversational German I. (3) I, II. Prerequisite: all required developmental reading and writing courses. Beginning German conversation, grammar, and language skills. Emphasis on speaking and listening comprehension, with introduction to basic written forms. Taught within the context of Germanic cultures. Laboratory work required. Gen. Ed. E-6.

GEO 102 Conversational German II. (3) I, II. Recommended: GEO 101 or equivalent proficiency. Continuation of GEO 101. Students entering GEO 102 by referral or placement receive three hours credit for GEO 101 if they make an “A” in GEO 102. Continuing work on basic communicative skills. Taught within the context of Germanic cultures. Laboratory work required. Gen. Ed. E-6.

GEO 201 Introduction to Urban Geography. (3) A. Prerequisite: GEO 202 or equivalent proficiency. German conversation, grammar, and other language skills with increased emphasis on developing basic writing and reading skills. Taught in a cultural context. Laboratory work required. Students entering GEO 201 by referral or placement receive six hours credit for GEO 101 and 102, if they make an “A” or “B” in 201. Gen. Ed. E-6.

GEO 202 Intermediate Conversation. (3) A. Recommended: GEO 201 or departmental approval. Topics for conversation drawn from everyday situations. Waived in case of demonstrable oral proficiency, but not open to students who have native or near-native fluency in German.

GEO 295 Independent Work in German. (1-3) A. Prerequisite: GEO 202 or equivalent proficiency with department chair approval. Topics for conversation drawn from everyday situations.Waived in case of demonstrable oral proficiency, but not open to students who have native or near-native fluency in German.

GEO 296 Independent Work in German. (1-3) A. Prerequisite: GEO 202 or equivalent proficiency with department chair approval. May be retaken to a maximum of 9 hours if content is different. Prior to enrollment, student must have the independent study proposal approved by faculty supervisor and department chair.

GEO 310 Topics in German. (1-3) A. Prerequisite: GEO 202 or equivalent proficiency with department chair approval. May be retaken to a maximum of 6 hours if topic is different. Selected topics in German language, literature, or culture.

GEO 340 Intermediate Conversation. (3) A. Prerequisite: GEO 296 or equivalent proficiency with department chair approval. May be retaken to a maximum of 6 hours if content is different. Prior to enrollment, student must have the independent study proposal approved by faculty supervisor and department chair prior to enrollment.

GLO—Globalization and International Affairs
Dr. Gyan Pradhan, Chair

GEO 201 Introduction to Globalization. (3) A. Prerequisite: GEO 202 or equivalent proficiency with department chair approval. Topics for conversation drawn from contemporary German life.

GEO 490 Globalization Senior Seminar. (3) A. Prerequisite: Geography major and departmental approval. May be counted toward major or minor only with permission of department chair. May be retaken to a maximum of six hours if content is different. Students must have the independent study proposal approved by faculty supervisor and department chair prior to enrollment.

GLO—Globalization and International Affairs
Dr. Gyan Pradhan, Chair

GEO 102 Earth Science for Teachers. (3) I, II. Prerequisite: pre-teaching and teaching elementary and middle school education majors or departmental approval. This inquiry-based course for teachers integrates content, pedagogy and technology to explore Earth as an integrated set of systems and as part of the Solar System. 1 Lec/4 Lab. Gen. Ed. E-4.

GEO 104 The World Ocean. (3) I, II. Investigation of the geologic, physical, biogeochemical, and biologic processes that occur within the oceans of the world. The course emphasizes connections between these processes and their impacts on the planet’s interactions with our planet’s life. 2 Lec/2 Lab. Gen Ed. E-4.

GEO 107 Gold and Diamonds. (3) I, II. The geology of gold and diamonds, including mineralogy, natural occurrence, exploration, and mining. The impact of gold, diamonds, and other important earth materials on the environment, history, and society will also be discussed. 2 Lec/2 Lab. Gen Ed. E-4.

GEO 210 Introduction to Geochemistry. (3) I. Prerequisite or Corequisite: ACT math score of 22, or SAT math score of 536, or MAT 107, or departmental approval. An introduction to the application of fundamental concepts and skills in chemistry (nomenclature, stoichiometry, bonding, chemical change) to geology, including the distribution of the elements, mineral chemistry, and radiometric dating.

GEO 302 Earth Science. (3) A. Prerequisite: GLY 102 or GLY 104 or GEO 107 or GEO 108 or GEO 109. Study of the universe and our solar system, the Earth’s atmospheric and climatic elements, its physical processes and features, organic development, and natural resources.

GEO 303 Environmental Geoscience. (3) A. Cross-listed as ENV 303. Prerequisite: GEO 102, 104, 107, 108 or 109; or GEO 100, 210, 220; or departmental approval. Investigation of the Earth as a complex set of interconnected systems that cycle elements, water, and earth materials over geologic and human time scales. The course empowers the student to understand environmental changes that occur on the planet because of human actions. Credit will not be awarded for both GEO 302 and ENV 303.

GEO 305 Dinosaurs. (3) A. Prerequisites: GEO 102, 104, 107, 108, 109; or GEO 100, 210, 220; or departmental approval. The rise, diversification, and extinction of this prominent group of organisms. This course attempts to explore how scientists make inferences about the past, including the use and limitations of physical evidence and the nature of science.

GEO 309 Mineralogy. (4) I. Prerequisite: GEO 102, 104, 107, 108, or 109; or departmental approval. Study of minerals commonly encountered in rocks and soils with minor emphasis on ore deposits, mineral geochemistry, crystal structure, classification, physical properties, optical properties, and geologic environment. Laboratory develops the ability to identify minerals in hand specimens and thin sections. 3 Lec 2 Lab.

GEO 315 Hydrology. (3) I, II. Prerequisite or Corequisite: GEO 102, 104, 107, 108, or 109; or departmental approval. Interrelationships between Earth’s systems and the occurrence and character of water in streams, lakes, and groundwater. Focuses on fundamental understanding of hydrologic processes.
and reservoirs, interaction between surface waters and groundwater and relationships between human activity and these systems.

GLY 349 Applied Learning in Geology. (5-8) I, II; (1-6) SUMMER ONLY. Work in placements related to academic studies. Total hours for the coursex sixty. A minimum of 80 hours of employment required for each semester hour of academic credit. May not be used to satisfy area, major, or minor requirements. 3 Lec/4 Field (Summits).

GLY 398 Independent Studies in Geology. (1-6) I, II. Prerequisite: departmental approval. Topic determined at the time of registration and subject to the approval of the department chair. May be retaken to a maximum of six hours provided topic is different each time.

GLY 408 Process Geomorphology. (3) II. Prerequisite: , GLY 102, 104, 107, 108, or 109; or departmental approval. A study of the processes involved in landform development.

GLY 409 Petrology. (4) II. Prerequisite: GLY 309. Nature and origin of common rocks (igneous, sedimentary and metamorphic) with emphasis on crystalline rocks. Lab develops the ability to analyze and classify rocks in hand sample and in this section using a petrographic microscope.

GLY 410 Structural Geology - Tectonics. (4) I. Prerequisite: GLY 102, 104, 107, 108, or 109; or departmental approval. Deformation of Earth's crust across a wide range of scale with emphasis on plate tectonics and its consequences. Lab develops the ability to analyze the geometry of deformed rock bodies and introduce common structural problems.

GLY 415 Sedimentary Geology. (4) I. Prerequisite: GLY 102, 104, 107, 108, or 109; or departmental approval. Examination of sedimentary processes and products, the characteristics and origins of sedimentary rocks and their depositional environments. Application of these principles to solving geological problems. Laboratory develops techniques for describing and interpreting sedimentary rocks, structures, and stratigraphy.

GLY 420 Stratigraphy and Paleontology. (4) II. Prerequisite: GLY 415. Description, correlation, and interpretation of stratified sedimentary sequences; identification and interpretation of the fossils they contain. Emphasizes: rock vs. time-stratigraphy, facies relationships, sequence stratigraphy, event stratigraphy, biostratigraphy, well log correlation.

GLY 451 Field Camp. (6) SUMMER ONLY. Prerequisites: GLY 409 and 410. Field-training course in the northern and central Rocky Mountains (6 weeks). Analysis of rock sequences; geologic mapping of sedimentary, metamorphic, and igneous terranes; interpretation of complex rock deformation; regional geologic synthesis with emphasis on tectonics; and visits to many instructive geologic localities, including national parks and monuments.

GLY 460 Aqueous Geochemistry, (3) II. Prerequisite: GLY 210 or CHE 111 and 111L. Reactions between natural waters, atmospheric gases and earth materials in surface and near surface environments. Emphasis is placed on consequences of chemical weathering, composition of surface and near surface water, geochemo cycles, and natural and anthropogenic hydrochemical events. 2 Lec/2 Lab.

GLY 480 Petroleum Geology. (3) II. Prerequisite: Corequisites: GLY 410 and GLY 420. Use of the petroleum systems paradigm to explore characteristics of economically-viable petroleum accumulations. Examines fundamental activities such as electric logging, mudlogging, and driling. Exercises and projects model field industry practices in recognizing and understanding petroleum geology. 2 Lec/2 Lab.

GLY 482 Paleoclimate. (3) A. Prerequisite: GLY 104, 109, 415, GEO 115, 210, or 315; or departmental approval. How the interaction of ocean and atmosphere creates climate in the planet today and leaves its record in geologically accessible Earth materials, with an emphasis on the interpretation of the geological record and how we learn how the Earth’s climate has changed in the past.

GLY 498 Capstone Project in Geology. (3). A. Prerequisite: senior standing and departmental approval. A capstone experience for geologists who integrates a research experience with the students' professional development and the production of a substantive deliverable product (e.g., poster, conference presentation, science map).

GLY 500 Earth Science Problems for Teachers. (1-3) I, II. Prerequisite: departmental approval. Designed to fit needs of individual students majoring in education (general science) who need special instruction in the earth sciences. Student must have the independent study proposal form approved by faculty supervisor and department committee prior to enrollment in the course.

GLY 502 Geology of Soils. (3) A. Prerequisite: any general education geology course or departmental approval. Composition, classification, and evolution of soils, role of climate, living organisms, physiology, and underlying geology in soil formation. Emphasis on clay mineralogy, soil analytical techniques, soil mapping, paleosols in the rock record, human interaction with soils, and the economic importance of soils. 2 Lec/2 Lab.

GLY 535 Hydrogeology. (3) I. Prerequisite: any general education geology course or departmental approval. Origin, occurrence, movement, utilization, and conservation of groundwater; qualitative and quantitative presentation of geological, physical, and geochemical aspects of groundwater hydrology. 2 Lec/2 Lab.

GLY 550 Evolution of the Earth. (3) A. Prerequisite: senior standing or departmental approval. Capstone course: overview of geological principles from the perspective of the Earth's history, physical and biological. Emphasis on critical thinking and expressive writing.

GLY 580 Selected Topics. (1-3) A. Prerequisite: senior standing or departmental approval. Designed to explore specific aspects of geology. May be retaken to a maximum of six hours provided topic is different each time.

GSD 101 Foundations of Learning. (3). I, II. A course to promote student success and lay the foundation for critical and creative thinking across the curriculum. Open to all first year students with fewer than 30 semester hours earned. Credit will not be awarded to students who have credit for ASO 100, BTO 100, EDO 100, GSO 100, HSO 100, or JSO 100.

GSD 201 Transfer Student Seminar. (1) A.

Seminar is for students who enroll with 30-90 hours. Students learn how to navigate campus resources, operate degree audit software, handle transfer credits and abide by Eastern's academic integrity policy. Graded Satisfactory-Unsatisfactory.

GSD 225 Leadership Dynamics. (1-3). II. The course is designed to introduce current and emerging leaders to leadership theory and development. Attention is given to self awareness, leadership styles, conflict resolution, communication skills, ethics and values and real world experiences. Information is provided through class discussion, speakers, group work, journals and case studies. May be retaken to a maximum of three hours provided the subject matter differs.

GSD 225S Leadership Dynamics: Service Learning. (1). II. The course is designed to introduce current and emerging leaders to leadership theory and development through a dynamic service learning component including reflective activities, practice in teamwork, and engaging in service for a community partner. Credit will not be awarded for both GSD 225S and GSD 225. May be repeated up to three hours.

GSD 250 Exit Requirement AGS (0) A. Exam for AGS students to evaluate programmatic outcomes. Required of all AGS students who have earned at least 45 hours. Credit (CR) will be given when students complete the exam.

GSD 290 Applied Learning (5-8) A. Prerequisite: 2.0 GPA and Program approval. Work under field supervisors in placements related to academic studies. Minimum 80 hours work for each credit hour. Repeatable up to 16 credit hours.

GSD 349 a-a Cooperative Study. (5-8) A. Prerequisite: 2.0 GPA and Program approval. Work under field supervisors in placements related to academic studies. Minimum 80 hours work for each credit hour. Repeatable up to 16 credit hours.

GSD 390 Professional Skill Development (3) Prerequisites: Junior standing. Will help students recognize and build skills needed for desired career fields. Topics include: job search, resumes, cover letters, interview skills, and making connections between academic experiences and professional goals.

GSD 401 McNair Research Symposium. (2) A. Prerequisites: ENG 101 and 102 or ENG 105; MAT 103 or any course above MAT 105. Introduction to research, writing, and expectations concerning research in academic settings. Provides essential information regarding research and writing expectations of graduate students. For McNair scholars only.

GSD 450 Exit Requirement BGS (0) A. Exam for senior BGS students to evaluate programmatic outcomes. This exam is required of all BGS students who have earned at least 90 hours. Credit (CR) will be given when students complete the exam.

GSD 466A Mock Trial (2) I. Prerequisite: departmental approval. Cross-listed with POL 466A. Preparation of Mock Trial Competitions. Students will develop cases for presentation including preparing opening an closing arguments, introducing testimonial, physical and demonstrative evidence, and conducting direct and cross examination of witnesses. May be retaken to a maximum of 8 hours, only 2 of which may be counted toward the political science major and only 1 may be counted toward the political science minor.

GSD 466B Mock Trial (2) I. Prerequisite: GSD 466A and departmental approval. Cross-listed with POL 466B. Preparation of Mock Trial Competitions. Students will develop cases for presentation including preparing opening and closing arguments, introducing testimonial, physical and demonstrative evidence, and conducting direct and cross examination of witnesses. May be retaken to a maximum of 8 hours, only 4 of which may be counted toward the political science major and only 2 may be counted toward the political science minor.

GSO—Orientation for Undeclared Students Dr. Sara Zeigler, Dean of University Programs
SECTION SIX - COURSE DESCRIPTIONS

GSO 149 Co-op Professional Seminar. (1) I, II. Prepare students for the job market prior to co-oping. Topics include: self-assessment, communication, resumes and cover letters, interviewing techniques, business etiquette. Credit will not be awarded for both GSO 149 and CMS 330.

GST—General Studies Tutoring Dr. Sara Zeigler, Dean of University Programs

GST 300 Principles of Peer Mentoring/ Tutoring. (1-3) I. Prerequisite: Department approval. Students will receive instruction and training in tutoring. Students will serve as a peer tutor or mentor and assist with teaching in an assigned section of General Studies courses. The peer tutors and mentors will record, reflect upon and evaluate their associated experiences. May be retaken up to six credit hours.

HEA—Health Education Dr. Michael Ballard, Chair

HEA 202 Community First Aid and CPR. (3) I, II. Instruction and practice in first aid and safety procedures. Includes assessment and first aid procedures regarding life-threatening emergencies, injuries, medical emergencies, and rescues. Focus on preventing injuries as well as first aid. Includes American Red Cross certification in First Aid, Adult CPR with AED, Child CPR, and Infant CPR. Credit will not be awarded for both HEA 202 and EMC 102.

HEA 285 Health Across the Lifespan. (3) I, II. Consideration of the various conditions and factors affecting individual and community health; special emphasis is on responsible decision-making, attitudes, and a behavioral understanding necessary to establish healthy living practices. Fulfills University Wellness requirement.

HEA 315 Foundations of Health Education. (3) II. The history, foundational disciplines, and principles that led to the establishment of health education. The role of health education in the present health care system.

HEA 310 Introduction to Global Health. (3) A. Prerequisite: ENG 102 or HON 102. Exploration of epidemiological, economic, political, sociological and cultural factors that impact global health with special emphasis on applying public health principles in developing as well as developed countries. Gen. Ed. B-2. 6 units.

HEA 315 Issues in Health and Disease. (3) II. Etiology, effects, remediation, and prevention of disease. Nature of health and environmental issues and forces that influence them.

HEA 316 Introduction to Public Health. (3) I, A. An introduction to the organization and functions of public health at local, state, and national levels. Identifies relationship between human ecology and the public's health. Includes projection of future public health direction. Credit will not be awarded for both HEA 316 and HEA 416.

HEA 320 Introduction to Behavior Change Theory (3) I, II. Examine theories and models of health behavior relevant to health education in individuals and communities. Students analyze influences on behavior, and evaluate strategies for health education.

HEA 345 Drugs, the Individual, and Society. (3) I, II. Effect of drug use and abuse on the individual and society. Personal and community approaches for promoting intelligent decision making regarding drugs.

HEA 349 Applied Learning in Public Health. (5-8) A. Prerequisite: departmental approval. Work under faculty and field supervisors in a cooperative placement related to a student's academic studies. Credit varies with hours of employment; one to eight hours per semester or summer. May be retaken to a maximum of 12 hours. Minimum 80 hours employment required for each semester hour credit.

HEA 349 A-N Cooperative Study: Public Health. (5-8) A. Prerequisite: departmental approval. Work under faculty and field supervisors in a cooperative placement related to a student's academic studies. Credit varies with hours of employment; one to eight hours per semester or summer. May be retaken to a maximum of 12 hours. Minimum 80 hours employment required for each semester hour credit.

HEA 350 Introduction to Health Data. (3) I. Understanding graphical, statistical, and research techniques used in health. Developing competencies in analyzing and interpreting research results. Credit will not be awarded to students who have credit for ECO 220 or EPY 842 or HEA 450 or PSY 291 or QMB 200 or STA 215 or STA 270.

HEA 375 Family Life Education. (3) I. Biophysical and psycho social aspects of sexuality and relationships, with emphasis on choices affecting health and well-being. Focuses on developing skills in teaching and facilitating positive behavior changes for people working in schools and communities. Credit will be awarded to students who have credit for CDF 232 or WGS 232.

HEA 380 Mental Health Education. (3) I. Basic needs for mental and emotional wellness. Emphasis in the selection of appropriate activities for promoting mental health through community agencies.

HEA 420 Senior Seminar in Health Education. (3) I, A. E. Prerequisites: HEA 480W and Public Health Major or departmental approval. Students will draw together skills and knowledge needed to enter the workforce, and will review core competencies required of the health education specialist. Students will prepare to become certified in the field of health education.

HEA 458 Introduction to Epidemiology. (3) I, II. Factors that influence the occurrence and courses of diseases—causative agents, susceptible hosts, favorable environments, and the effective use of statistical epidemiological methods.

HEA 460 Community Health Education Process. (3) II. Prerequisite or corequisite: HEA 316 or departmental approval. Planning, organizing, delivering, and evaluating the community health education program. Credit will not be awarded for both HEA 460 and HEA 360.

HEA 463 Internship in Health Promotion and Administration. (1-6) A. Supervised experiences for seniors in the directing of Health Promotion and Administration activities in various settings. May be retaken to a maximum of 12 hours. Minimum 80 hours employment required for each semester hour credit.

HEA 480W Health Promotion Program Planning. (3) I, Prerequisites: ENG 102 or ENG 105(B) or HON 102, restricted to majors or minors in Health Education. How to write an intensive course that is an introduction to principles, strategies, and skills, which are necessary for the planning and implementation of health education and health promotion programs in a diversity of settings. Credit will not be awarded for both HEA 480W and HEA 480.

HEA 490 Evaluation of Health Promotion Programs. (3) II. HEA 480W or departmental approval. This course will provide an introduction to principles, strategies, and skills for the evaluation of health promotion programs in a variety of settings. Credit will not be awarded for both HEA 490 and HEA 480.

HEA 498 Independent Study. (1-3) I, II. Opportunity for individual work on a health problem in a supervised situation. Restricted to students who have demonstrated ability to complete individual endeavors. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of three hours.

HEA 590 Health Education: Foundations. (3) I, A. Study of the environment and health education. Includes topics such as: health care delivery, child abuse, teenage pregnancy, community health organizations, elementary school health curriculum, drug education, school health services, health deviations among students, sexually transmitted diseases, etc. May be retaken with advisor approval provided subject is different.

HEA 591 Women's Health. (3) A. Cross-listed as WGS 591. Analysis of the major health problems of contemporary women with a special emphasis on health promotion, disease prevention, and consumer health concerns. Credit will not be awarded for both HEA 591 and WGS 591.

HEA 592 Human Sexuality. (3) A. Cross-listed as WGS 592. Study of the biological, social and psychological aspects of human sexuality. Directed primarily toward those individuals in situations which require them to assist others in understanding the broad impact of one's sexuality. Emphasis is placed upon student development of logical and reasoned justifications for their own value system. Credit will not be awarded for both WGS 592 and WGS 591.

HEA 593 Death and Grief. (3) A. Cross-listed as WGS 593. A study of attitudes, behaviors, and issues concerning death and grief. Topics include responses to death and grief; the grieving process; grief and bereavement; theology and death; legal aspects of dying; care of the dying; suicide; post-mortem care; death education. Credit will not be awarded for both HEA 593 and WGS 593.

HEA 595 Alcohol Abuse and Dependency. (3) A. Study of the impact of alcohol related attitudes and behaviors on individuals and society. Includes study of influences on choices about alcohol, behavior change strategies, prevention, intervention, and treatment.

HIS—History Dr. Christiane Taylor, Chair

HIS 098 Introduction to World Civilizations. (3) A. A course to meet the PCC deficiency in Social Sciences. This course will emphasize the way in which history is researched and written and will foster an understanding of how other related disciplines assist in historical analysis. This course does not count toward graduation.

HIS 202 American Civilization to 1877. (3) A. Transition from colonial to independent republic; social, cultural, and economic institutions derived from agrarian conditions; the influence of European foundations. Required of all throughout the life cycle; process of grief and bereavement; theology and death; legal aspects of dying; care of the dying; suicide; post-mortem care; death education. Credit will not be awarded for both HIS 202 and HIS 592.

HIS 231 Western Civilization Since 1877. (3) A. Conflicts between demands of an industrial society and agrarian values; interrelationships between world expressions and American experience. Required of all majors and minors in history. Gen. Ed. E-5A.

HIS 203 American Civilization since 1877. (3) A. Conflicts between demands of an industrial society and agrarian values; interrelationships between world expressions and American experience. Required of all majors and minors in history. Gen. Ed. E-5A.

HIS 204W Historical Inquiry Writing Intensive. (3) A. Prerequisites: ENG 102 or ENG 105(B) or HON 102. Introductory exploration of a particular historical problem or theme. Satisfies university's sophomore writing-intensive requirement. Gen. Ed. E-5A.

HIS 205 The Marginalized in History: (3) A. Introductory exploration of the experiences of specific historically marginalized groups or cultures. May be repeated up to 6 hrs. as long as content varies. Gen. Ed. E-6.

HIS 231 Western Civilization to 1877. (3) A. Ancient Greece to the industrial revolution; institutions, ideas, and social and economic relationships basic to the modern world. Credit will not be awarded for both HIS 231 and HIS 246. Gen. Ed. E-5A.

HIS 232 Western Civilization Since 1877. (3) A. Industrial revolution to present; transformation of cultural background through ideas, science, and industry; development of current western civilization. Credit will not be awarded for both HIS 232 and HIS 247. Gen. Ed. E-5A.

HIS 246 World Civilizations to 1500. (3) I, II. Analyzes patterns of historical change and interaction in various world civilizations before the modern period. Credit will not be awarded for both...
HIS 246 and HIS 231. Gen. Ed. E-5A.

HIS 247 World Civilizations Since 1500. (3) A. An examination of patterns of historical change and interaction in various world civilizations during the modern period. Credit will not be awarded for both HIS 247 and HIS 232. Gen. Ed. E-5A.

HIS 290 Historical Research and Methods. (3) I, II. HIS majors only. A comprehensive introduction to historical research, writing, and methodologies. Credit will not be awarded for both HIS 290 and HIS 299.

HIS 300A Topics in U.S. History: ____. (1-3) A. Movements in U.S. history that have influenced and continue to influence the course of American culture and civilization. May be retaken to a maximum of six hours provided topics vary.

HIS 300B Topics in European History: ____. (1-3) A. Movements in European history that have influenced and continue to influence the course of European culture and civilization. May be retaken to a maximum of six hours provided topics vary.

HIS 300C Topics in Non-Western History: ____. (1-3) A. Movements in non-Western history that have influenced and continue to influence the course of non-Western cultures and civilization. May be retaken to a maximum of six hours provided topics vary.

HIS 302A Research Topics in History: ____. (1-3) A. Prerequisite or Corequisite: HIS 290. Historical research and methodologies using case studies of specific movements in U.S. history that have influenced and continue to influence the course of culture and civilizations.

HIS 302B Research Topics in History: ____. (1-3) I, II. Prerequisite or Corequisite: HIS 290. Historical research and methodologies using case studies of specific movements in European history that have influenced and continue to influence the course of cultures and civilizations.

HIS 303 Women in American History. (3) A. Cross-listed as WGS 303. Prerequisite: three hours HIS or department approval. Social, economic, and cultural role of women in America. Women’s work; social position and status; women in reform movements; feminism and the suffrage movements; the new feminism. Credit will not be awarded for both HIS 303 and WGS 303.

HIS 304 Slavery in the Americas. (3) A. Cross-listed as AFO 304. Prerequisite: three hours HIS or department approval. The history of slavery, bound labor, and freedom in the Western Hemisphere. Special attention will be given to anti-slavery and abolitionist movements. Credit will not be awarded for both HIS 304 and AFO 304.

HIS 305 African-American History. (3) A. Cross-listed as AFO 305. Prerequisite: three hours HIS or department approval. African history to 1500; Africa, and the Americas; trans-Atlantic and domestic slave trades; American slavery; emancipation; post-emancipation experiences and initiatives; persistence of black nationalism. Credit will not be awarded for both HIS 305 and AFO 305.

HIS 307 Religion in American History. (3) A. Prerequisite: ENG 102, 105 (B), or HON 102, three hours HIS, or departmental approval. Examination of the impact of religious issues upon American history, including units on such questions as church-state relations and the role of religion in American perspectives on culture, ethnicity, gender, and social and economic change. Credit will not be awarded for both HIS 307 and HIS 308A: Religion in American History.

HIS 308 Native Americans to 1830. (3) A. Prerequisite: three hours HIS or departmental approval. Native American history from pre-contact to the Indian Removal Act of 1830. Emphasis placed on the nature and impact of encounters with Europeans.

HIS 309 Native Americans Since 1830. (3) A. Prerequisite: three hours HIS or departmental approval. Native American history from the Indian Removal Era to the present. Emphasis placed on both native perspectives and European policies.

HIS 310 History of Science. (3) A. The development of scientific concepts through the ages, contribution of science to civilization, philosophy of science, and scientific revolutions. Credit will not be awarded for both HIS 310 and SCI 310.

HIS 312A Independent Study in History: ____. (1-3) A. Individual research and/or reading on a problem area in U.S. history. Regular reports and final research paper required. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

HIS 312B Independent Study in History: ____. (1-3) A. Individual research and/or reading on a problem area in European history. Regular reports and final research paper required. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

HIS 320 European History of the Arab World. (3) A. Prerequisite: three hours HIS or department approval. A historical survey of the Arabs, with special attention to the Arab role in the development and spread of Islam, the interaction of the Arabs with other Middle Eastern peoples, and the Arab reaction to the challenge posed by the modern West, all significant factors in the political and cultural shaping of the contemporary Middle East.

HIS 321 Islamic Societies to 1800. (3) A. Prerequisite: ENG 102, 105 (B), or HON 102, three hours HIS, or departmental approval. Islamic societies in the Middle East, Central and Southern Asia, North Africa, and Spain from seventh to eighteenth century. Origins and spread of Islamic civilization. Spiritual foundations, institutions, politics, and art. Florence of “gunpowder empires.”

HIS 322 History of the Modern Middle East. (3) A. Prerequisite: three hours HIS or departmental approval. Study of the history of the modern Middle East from the close of the 18th century to the present, with emphasis on the religious, social, cultural, and political dimensions of societies in the region.

HIS 330 Ancient Egypt. (3) A. A survey of Egyptian history from the earliest human activity to the Islamic conquest, considering political, religious, and socio-economic shifts and discussing sources for the study of the ancient past (archaeology, texts, and monuments).

HIS 336 Greco-Roman Civilization. (3) A. Prerequisite: three hours HIS or departmental approval. Greek society and culture; emergence of the Roman Empire; the Roman Empire.

HIS 337 Christianity East & West to 1500. (3) A. Prerequisite: three hours HIS or departmental approval. Exploration of the emergence and spread of both Eastern and Western Christianity. Examination of the historical context, including social and cultural influences on the development of Christian communities and perspectives.

HIS 339 Eastern European Civilization. (3) A. Prerequisite: three hours HIS or departmental approval. The collapse of the Classical world; the Germanic migrations; early Byzantine and Eastern European civilization; the Carolingians; the church and society; feudalism; commercial and urban revival; the rise of territorial states and the beginnings of European expansion.

HIS 341 Europe, 1600-1815. (3) A. Prerequisite: three hours HIS or department approval. The Age of Reason; French, German, and British philosophies; 18th-century European politics and economic development; early industrialization; emergence of European dominance; the French Revolution.

HIS 342 Europe from 1815 to 1914. (3) A. Prerequisite: three hours HIS or department approval. Congress of Vienna; revolutionary reform; liberalism; realism and nationalism; worldwide impact of Europe prior to World War I: industrialism; capitalism; the "Black Death" and its impact; Italian Renaissance humanism and art; Christian humanism, European expansion and colonialism in the age of Columbus.

HIS 344 Europe in the Reformation Era. (3) A. Prerequisite: three hours HIS or department approval. Religion, society and politics in Europe, 1517-1689. The medieval and Renaissance legacies; the development of Protestant and Catholic reform movements; the age of religious wars.

HIS 345 English History to 1603. (3) A. Prerequisite: three hours HIS or department approval. Roman Britain; Feudalism; rise of Parliament; Hundred Years’ War; Reformation; Elizabethan Age.

HIS 346 English History to 1660 to present. (3) A. Prerequisite: three hours HIS or department approval. Civil War; imperial expansion; beginnings of industrialization; Victorian Liberalism; two world wars and beyond.

HIS 347 Recent and Current World History, 1914 to present. (3) A. Prerequisite: three hours HIS or department approval. World War I; peace settlement of 1919; problems of security; war debts and reparations; disintegration of peace settlement; World War II; the Cold War.

HIS 348 Elizabeth I – Life and Legacy. (3) A. Prerequisite: three hours HIS or department approval. An examination of the life and reign of Elizabeth I, Queen of England from 1558-1603. Topics will include her rule, image, and historical legacy.

HIS 349 Applied Learning in History. (5-8) A. Prerequisite: departmental approval. Does not apply toward a major or minor in history. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

HIS 349-A Cooperative Study: History. (5-8) A. Prerequisite: departmental approval. Does not apply toward a major or minor in history. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

HIS 350 Modern Germany since 1848. (3) A. Prerequisite: three hours HIS or department approval. Nationalism, liberalism, and the German problem; Bismarck and unification; industrialization and socialism; World War I; Weimar Republic and Depression; Hitler and the Third Reich; World War II and the Holocaust; Federal Republic and GDR; Cold War and beyond.

HIS 357 Church-State Relations from Hébert to Hitler. (3) A. Prerequisite: ENG 102, 105 (B), or HON 102, three hours HIS, or departmental approval. Relations of the Roman Catholic Church with the monarchist, revolutionary, liberal and fascist states of France, Italy, Germany, and Austria from 1769 to 1945, including such issues as anti-Semitism, anticlericalism, nationalism, democracy, and socialism. Credit will not be awarded for both HIS 357 and HIS 300B: Church-State Relations from Hébert to Hitler.

HIS 363 History of Russia to 1855. (3) A. Prerequisite: three hours HIS or department approval. Survey of Russian History from 860 to 1855. Cultural
SECTION SIX - COURSE DESCRIPTIONS

economic, social, political and diplomatic development of Russia to the end of the Czars. (A)
HIS 365 History of Russia since 1855. (3) A. Prerequisite: three hours HIS or department approval. Cultural, social, economic and political events leading to the 1917 Revolution. The history of the soviet state, including its recent Break-up into independent states.

HIS 374 East Asian History to 1600. (3) A. Prerequisite: three hours HIS or department approval. China and Japan from the beginnings of East Asian civilization in Neolithic times to the early modern period; the development of key social, economic, and political institutions; the Confucian tradition and the introduction of Buddhism; the Mongol era; the late imperial order in China and the emergence of Japanese feudalism.

HIS 375 East Asian History since 1600. (3) A. Prerequisite: three hours HIS or department approval. China and Japan from early modern times to the present; the formation of the Ch’ing order in China and Tokugawa Japan; foreign encroachments and internal revolt; the Meiji Restoration; late Ch’ing reform; the Revolution of 1911; warlordism; the Pacific War; Civil War; Japan as superpower and Communist China.

HIS 380 Mexico: Colony and Nation. (3) A. Prerequisite: 3 hours HIS or departmental approval. Mexico as a Spanish colony; wars of independence; the Mexican Revolution; modern Mexico. Themes include politics, culture, religion, and United States-Mexican relations.

HIS 383 Colonial Latin America. (3) A. Prerequisite: three hours HIS or department approval. The colonial and independent years in Latin America, with emphasis on the conquest and settlement experiences, and the administrative, cultural, and socioeconomic trends in the colonies.

HIS 384 Modern Latin America. (3) A. Prerequisite: three hours HIS or department approval. The national period in Latin American history, with emphasis on dependency theory, Roman Catholicism in the region, and United States-Latin American relations.

HIS 386 Modern African History. (3) A. Cross-listed as AFA 386. Prerequisite: three hours HIS or departmental approval. History of Africa from earliest times to 1600. Emphasis on social, political, and economic development of Africa from the viewpoint of the African. Themes include: trade and politics; European conquest and African resistance; rural survival and urban popular culture; race, class, gender, ethnicity, and age; African nationalism and independence. Credit will not be awarded for both HIS 386 and AFA 385.

HIS 386 Modern African History. (3) A. Cross-listed as AFA 386. Prerequisite: three hours HIS or departmental approval. History of Africa from the 1800’s to the present. Themes include: trade and politics; European conquest and African resistance; rural survival and urban popular culture; race, class, gender, ethnicity, and age; African nationalism and independence. Credit will not be awarded for both HIS 386 and AFA 386.

HIS 388 Islam in West Africa. (3) A. Cross-listed as AFA 388. Prerequisite: three hours of HIS or departmental approval. History of Islam and politics in West Africa from 1000 C.E. to the present. Emphasis on the role of Islam in major socioeconomic and cultural transformations of West African states and societies. Credit will not be awarded for both HIS 388 and AFA 388.

HIS 401 American Colonial Period. (3) A. Prerequisite: three hours HIS or department approval. Political and social history of the 13 colonies and their neighbors; European background; settlement; westward expansion; intercolonial conflicts; beginnings of colonial commerce and opposition to imperial authority.

HIS 402 Revolutionary America. (3) A. Prerequisite: three hours HIS or department approval. Colonial experience of the Revolution; external nature of Revolution; problems associated with Confederation; events leading to the American Constitution.

HIS 403 History of Jefferson and Jackson. (3) A. Prerequisite: three hours HIS or department approval. Political, economic, and cultural changes in American society during the first half of the nineteenth century.

HIS 405 America’s Westward Expansion. (3) A. Prerequisite: three hours HIS or department approval. Colonial geography, westward expansion, internal and external nature of Expansion; Indian problems; Manifest Destiny; the sectional struggle; mining; railroads; cattle; agriculture.

HIS 406 Nineteenth-Century South. (3) A. Prerequisite: three hours HIS or department approval. Emphasis on slavery and emancipation in the American South, on plantations and farms, and town and reconstruction, and into the industrial transformation of the New South.

HIS 407 American South in the 20th Century. (3) A. Prerequisite: three hours HIS or department approval. The American South in a modernizing and industrial age; racial capitalism and labor activism; perceptions of Southern “backwardness” and governmental modernization efforts; the Black liberation movement.

HIS 411 America, 1877-1920. (3) A. Prerequisite: three hours HIS or department approval. Western expansion; industrialization; America’s becoming a world power; role of movements ‘immigrants’, ‘African-Americans’, and women’s lives; World War I; popular culture.

HIS 412 U.S. in Peace and War, 1928-1945. (3) A. Prerequisite: three hours HIS or department approval. The 1920’s; the New Deal; the changing role of government; America’s role in world affairs; World War II; popular culture.

HIS 413 America Since 1945. (3) A. Prerequisite: three hours HIS or department approval. Cold War; problems of world leadership; Korea, Vietnam, the Gulf; affluence and repression; the reality and conflicts of pluralism; crises in political, social, and economic life.

HIS 414 The Modern American Presidency. (3) A. Prerequisite or Corequisite: 3 hours of HIS or departmental approval. Evolution of presidency from early twentieth century, examining major roles of the chief executive—as newsmaker, agenda setter, party leader, and celebrity—from William McKinley to today.

HIS 416 Kentucky History. (3) A. Prerequisite or Corequisite: ENG 102, 105 (B), or HON 102, three hours HIS or departmental approval. Kentucky’s social, economic and political development from frontier times to the present day. The Kentucky experience of such national trends as migration, urbanization, industrialism and expanding government. Credit will not be awarded for both HIS 416 and HIS 516.

HIS 420 Appalachia in America History. (3) A. Cross-listed as APP 420. Prerequisite: three hours HIS or department approval. The relationship between Appalachia and the rest of the United States. Topics include the “yeoman” myth, coal industrialization, settlement houses, company towns, and the identification of the region with poverty. Credit will not be awarded to students who have credit for APP 420.

HIS 424 Civil War and Reconstruction. (3) A. Prerequisite: three hours HIS or department approval. Intellectual, social, and political roots of the sectional crisis; military and social perspectives on the war years; the continuation of the sectional crisis in Reconstruction.

HIS 435 U.S. Civil Rights Movement. (3) A. Cross-listed as AFA 435. Prerequisites: three hours HIS or departmental approval. Examination through primary and secondary sources of the origins, course, ideologies, and legacy of the mid-twentieth century American movement for racial justice and equality. Discussion of these forces and key issues in civil rights studies. Credit will not be awarded for both HIS 435 and AFA 435.

HIS 450W Senior Seminar in History. (3) A. Prerequisites: ENG 102 or HON 102 or HIS 350. Major and six hours upper division HIS, HIS 302(A) or 302(B) or 302(C); HIS 200, 201 or 290. Research and writing in History. Credit will not be awarded for both HIS 450 and HIS 450W.

HIS 474 Transformation of China. (3) A. Prerequisite: three hours HIS or department approval. The transformation of China from the Manchu dynasty (1644-1911) to the People’s Republic; the impact of the West; the Nationalist government, the rise of the Chinese Communist party, and the Cultural Revolution.

HIS 475 History of Modern Japan. (3) A. Prerequisite: three hours HIS or department approval. Japan from 1600 to the present. Included will be the arrival of the West, industrialization, militarism, World War II, and Japan as economic superpower.

HIS L—Homeland Security Dr. Michael Coller, Coordinator

HIS 101 Introduction to Homeland Security. (3) A. Principles and practices associated with the emerging discipline: homeland security, including: Policies, directives, national plans, and legislation that shape and define the ongoing evolution of homeland security. Key issues including civil liberties and diversity. Relationship to public safety, private security, and national security.

HIS 201 Emergency Management. (3) A. Emergency planning and response for various risks, threats, and hazards. Integration and coordination of different public safety disciplines; federal, state, and local responsibilities; role of private sector.

HIS 210 Physical Security (3) A. Principles of physical design and application to include physical security surveys, integrated physical security technology systems, and risk identification and mitigation. Credit will not be awarded for both APS 210 and SEC 210.

HIS 225 Legal & Ethical Issues in Homeland Security. (3) A. Survey of American constitutional and national security law, homeland security legislation and executive orders, and judicial opinions. Review of international law, conventions, and declarations. Examination of conduct codes, ethical decision-making, ethical leadership, and moral courage.

HIS 301 Critical Infrastructure Protection. (3) A. Identification, prioritization, and protection of critical infrastructure including information technology, telecommunications, chemical, transportation, energy, water, medical, emergency services, postal and shipping. Impact on personal safety and economic performance.

HIS 310 Personnel Security. (3) A. Formerly SEC 250. Examines the complexity of personnel security through background screening, security awareness, ethics programs, and audits. Analyzes special programs to protect key personnel, employees in high risk environments and workplace violence mitigation. Credit will not be awarded to students who have credit for SEC 250.

HIS 320 Security Management (3) A. Prerequisite: Junior or Senior standing or departmental approval. Evolution and application of traditional and current theories in leading and managing corporate and government/industrial security operations. Areas covered include management, supervision and leadership of a security organization.

HIS 321W Crisis Problem Analysis. (3) A. Prerequisite: either ENG 102 or HON 102 with a minimum grade of “C” or ENG 105 with a minimum grade of “B”. Develop research, critical and creative thinking and communication skills for the security management professional. Credit will not be awarded for both HIS 321 and HIS 321W.

HIS 338 Government/Industrial Security. (3) A. Prerequisite: Junior or Senior standing or departmental approval. Protection of government information, including classification, handling, dissemination, transmission, and storage of classified and sensitive information. Includes other administrative
issues involved with computer/cyber security and protection of trade secrets.

HLS 341 Cyber Security. (3) A. Overview of the national computer and networked infrastructure that supports national security, including system protection, Global and financial implications of cyber terrorism, and the impact of cyber security on privacy and civil liberties.

HLS 349 Applied Learning in HLS. (5-12) A. Prerequisites: Department Chair approval, a minimum GPA of 2.0, a minimum of 30 hours completed. The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of twelve hours.

HLS 349 A-N HLS Cooperative Study. (5-12) A. Prerequisites: Department Chair approval, a minimum GPA of 2.0, a minimum of 30 hours completed. The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of twelve hours.

HLS 350 Workplace Investigations. (3) A. Examines political and operational factors influencing border and immigration control at the federal, state and local levels. Analyzes homeland security legislation, practices and presidential directives focusing on issues dealing with border and immigration control. Credit will not be awarded to students who have credit for HLS 435.

HLS 391 Vulnerability & Risk Assessment. (3) A. History and process of vulnerability and risk assessment (VRA) as it relates to the protection of critical assets and infrastructure. Instruction in common VRA techniques used in both the public and private sectors.

HLS 401 Intelligence Process. (3) A. Key questions facing the U.S. intelligence community and its role in homeland security, national defense, and international affairs, with a focus on policy, oversight and intelligence support. Collection, analysis, sharing and dissemination of information within and between local, state, and federal government agencies and the private sector.

HLS 402 Counterintelligence. (3) A. History and structure and operations of the US counterintelligence community. Includes legal foundations of counterintelligence and critiques of recommended changes to the community.

HLS 403 Intelligence Analysis. (3) A. Examines processes used at local, state and federal levels to conduct intelligence analysis and develop intelligence products. Includes advanced instruction in intelligence structured analytic techniques.

HLS 430 Domestic Terrorism (3) A. Coverage of politically-motivated extremist violence in the United States. Includes discussion of definitional issues, radicalization, major attacks, current threats, and principal extremist groups and their ideologies.

HLS 435 HLS Special Topics. (1-12) A. Study of contemporary issues and special topics in Homeland security. May be retaken to a maximum of twelve hours under different subtitles.

HLS 437 Homeland Security Technology. (3) A. Broad overview of homeland security technology. Technology as a tool to support homeland security regardless of functional specialty. Concepts and concepts of technology to deterrence, prevention, protection, and response.

HLS 443 Transportation Security. (3) A. Examines various mass transit networks and the security environment of each. Analyzes previous attacks on modes of transit as well as threat and vulnerability assessments of U.S. transportation systems. Credit will not be awarded to students who have credit for HLS 435.

HLS 445 HLS Field Experience. (1-12) A. Prerequisites: Department Chair approval, a minimum GPA of 2.0, or practice hours completed. This course is designed to broaden the educational experience through appropriate observational work assignments in cooperating agencies. A minimum of 80 hours of observation is required for each academic credit. May be retaken to a maximum of twelve hours.

HLS 451 Disaster Preparedness & Response. (3) A. Prerequisite: HLS 201. Concepts, theories, principles, programs and requirements of emergency preparedness, governmental planning, practice, exercises, hazard and risk assessment, and team building. Overview of the relationship of preparedness to response, emergency operations and incident command systems.

HLS 455 HLS Independent Study. (1-6) A. Prerequisites: Department Chair approval, a minimum GPA of 2.0, a minimum of 30 hours completed. Individual research and research on a problem within the field of homeland security. Students must have independent study questions approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours.

HLS 461A Crime & Disaster Recovery. (3) A. Prerequisite: HLS 201. Concepts, theories, principles, programs, and requirements of pre- and post-disaster hazard mitigation; governmental programs, planning, and practice; hazard and threat modeling and analysis; team building; case studies; project development.

HLS 465 Modern Natural Disasters. (3) A. Examines natural disasters such as tsunamis, earthquakes, hurricanes, floods, droughts, pandemics, and other events and how they shape current emergency management practices. Analyzes planning for and recovering from such disasters. Credit will not be awarded to students who have credit for HLS 435.

HLS 467 Crime in Disasters. (3) A. Examines why some people take advantage of disasters and commit crimes. Assesses strategies about how crimes during natural and man-made disasters can be prevented. Credit will not be awarded to students who have credit for HLS 435.

HLS 490 Creative Leadership. (3) A. Prerequisite: CRE 101 or departmental approval. Analyze public and private sector case studies using leadership theories within a creative problem solving framework. Group and individual case study analyses strengthen student creative thinking and leadership skills.

HLS 491 Emergency Planning. (3) A. Prerequisite: HLS 451. Emergency planning requirements, methods and applications for all levels of government and business, including hazard mitigation and emergency operations planning; also considers planning for universities, colleges and secondary schools.

HLS 495 Strategic Planning & Leadership. (3) A. Prerequisite: HLS senior standing or departmental approval. Senior capstone course requiring synthesis and application of prior course work in homeland security. Students complete senior project within a strategic planning framework.

HON—Honors Program Courses

Dr. Linda Frost, Director

HON 100 Honors Seminar. (1) L. This course is designed to be an introduction to the Honors Program and will include selected readings and discussions, guest speakers, and enrichment experiences.

HON 102 Honors Rhetoric. (6) I. Prerequisite: Admission to the Honors Program or instructor approval. Corequisite: HLS 100. Designed with HON 102, to improve skills in writing, reasoning, oral presentation, and research. Each student will do a research paper that requires both significant use of library resources and the development of a cogent line of argument. Gen. Ed. Element 1A and 2B [WC].

HON 103 Honors Communication. (3) I. Prerequisite: Admission to the Honors Program or program approval. Corequisite: HLS 101. Designed with HON 102, to improve skills in writing, reasoning, oral presentation, and research. Each student will learn the principles and practice of the art of public speaking and practice in delivering informative and persuasive speeches. Gen. Ed. Element 1C [OC].

HON 20W Honors Humanities I. (3) II. Prerequisite: Admission to the Honors Program or instructor approval and ENG 102 or 105B or HLS 102. This course (together with HON 30W) provides a survey of great works in the humanities from ancient times to the twentieth century. Gen. Ed. E-3A.

HON 210W Honors Civilization I. (3) II. Prerequisite: Admission to the Honors Program or instructor approval and ENG 102 or 105B or HLS 102. Analyzes the historical development of Western and other major civilizations to the eve (c. 1700) of the Industrial Revolution with emphasis on: Ancient Greece, the historical setting for an analysis of Plato’s Republic; Europe c. 1300, and Europe c. 1650. Credit will not be awarded for both HON 210W and HON 216. Gen. Ed. E-5A.

HON 216 Honors Integrated Science: SEEing Science in Appalachia. (6) I. Prerequisite: Admission to the Honors Program or departmental approval and ENG 102 or 105B or HLS 102. An integrated laboratory course that investigates fundamental concepts of the life and physical sciences using aspects of the natural history of Kentucky as a basis for exploration. Field and laboratory work will involve students in all facets of investigative science and will include a service component benefiting the surrounding community. Additional out-of-class field work and field trips will be required. Honors Core. Gen Ed. E-4.

HON 304 Special Topics. (3) I. A topics course meeting the goals of the Honors Program. A service-learning version of HON 304 may also be offered. Students may earn up to six hours from any combination of HON 304/304S, providing the topics differ. Effective Fall 2010 (CA approved 12/17/99).

HON 304S Special Topics. (3) A. A service-learning topics course meeting the goals of the Honors Program. A non-service-learning version of HON 304 may also be offered. Students may earn up to six hours from any combination of HON 304/304S, providing the topics differ.

HON 304W Honors Seminar in the Mathematical Sciences: ___. (3) Prerequisite: ENG 102 or 105B or HON 102 and Admission to the Honors Program; or departmental approval. A topics course in the mathematical sciences meeting the goals of the Honors Program. A service-learning version of HON 304W may also be offered. Students may earn up to six hours from any combination of HON 304W/304S, providing the topics differ.

HON 304W Honors Seminar in the Mathematical Sciences: ___. (3) Prerequisite: ENG 102 or 105B or HON 102 and Admission to the Honors Program; or departmental approval. A topics course in the mathematical sciences meeting the goals of the Honors Program. A service-learning version of HON 304W may also be offered. Students may earn up to six hours from any combination of HON 304W/304S, providing the topics differ.

HON 306W Honors Humanities II. (3) II. Prerequisite: Admission to the Honors Program or instructor approval and ENG 102 or 105B or HLS 102. This course (together with HON 206W) provides a survey of great works in the humanities from ancient times to the twentieth century. Credit will not be awarded for both HON 306W and HON 306. Gen. Ed. E-3B.

HON 307W Honors Seminar in the Arts: ___. (3) Prerequisite: ENG 102 or 105B or HON 102 and Admission to the Honors Program; or departmental approval. A topics course in the arts meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours. Honors Core. Gen Ed. E-3A.

HON 308 Special Topics. (3) A. A topics course meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours. Honors Core. Gen Ed. E-3A.

HON 308 Special Topics. (3) A. A topics course meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours. Honors Core. Gen Ed. E-3A.
be retaken with different topics to a maximum of six hours.

HON 308W Honors Seminar in the Humanities: (3) A. Prerequisite: ENG 102 or 105(B) or HON 102 and Admission to the Honors Program; or departmental approval. A topics course in the humanities meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours. Honors Core. Gen. Ed. E-3B.

HON 310W Honors Seminar in History: (3) A. Prerequisite: ENG 102 or 105(B) or HON 102 and admission to the Honors Program; or departmental approval. A topics course in history meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours. Honors Core. Gen. Ed. E-5A.

HON 311W Honors Civilization II. (3) I. Prerequisite: Admission to the Honors Program or instructor approval and ENG 102 or 105(B) or HON 102. Analyzes the economic, political, and intellectual forces that have changed the world since c. 1700 A.D. with an emphasis on the French Revolution, Imperialism, the World Wars and the Emergence of the Third World.

HON 312 Special Topics. (3) A. A topics course meeting the goals of the Honors Program. A non-service-learning version of HON 312 may also be offered. Students may earn up to six hours from any combination of HON 312/312S, providing the topics differ. Effective Fall 2010 (CAA approved 12/17/09). HON 312S Special Topics. (3) A. A service-learning topics course meeting the goals of the Honors Program. A non-service-learning version of HON 312S may also be offered. Student may earn up to six hours from any combination of HON 312/312S, providing the topics differ.

HON 316W Honors Seminar in the Social and Behavioral Sciences: (3) A. Prerequisite: ENG 102 or 105(B) or HON 102 and Admission to the Honors Program; or departmental approval. A topics course in the social and behavioral sciences meeting the goals of the Honors Program. A service-learning version of HON 316W may also be offered. Students may earn up to six hours from any combination of HON 316/316S, providing the topics differ. Honors Core. Gen. Ed. E-5B.

HON 318W Honors Seminar in the Natural Sciences: (3) A. Prerequisite: ENG 102 or 105(B) or HON 102 and Admission to the Honors Program; or departmental approval. A topics course in the natural sciences meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours. Honors Core. Gen. Ed. E-4.

HON 320W Honors Seminar in Diversity of Perspectives and Experiences: (3) A. Prerequisite: Admission to the Honors Program or departmental approval and ENG 102 or 105(B) or HON 102 and Admission to the Honors Program; or departmental approval. A topics course in the diversity of perspectives and experiences meeting the goals of the Honors Program. May be retaken with different topics to a maximum of six hours. Honors Core. Gen. Ed. E-4.

HON 390 Directed Topics in Honors. (1-3) A. Prerequisite: approval of honors program director. Specialized study of selected topics usually culminating in an official presentation at a conference such as the National Collegiate Honors Conference. Students must have the special topics proposal approved by a faculty mentor prior to enrollment. May be retaken with different topics to a maximum of six hours.

HON 420 Thesis Project and Seminar. (3-6) I, II. An in-depth thesis or major project, approved by the honors director, and presented in a suitable format within the seminar.

HSA—Health Services Administration
Dr. Michael Ballard, Chair

HSA 100 Introduction to the Health Science Field. (3) I, II. Overview of U.S. health care: history, factors influencing health and health care, identification and organization of health facilities and professionals, health economics, health trends, and ethics.

HSA 200 Medical Terminology I. (3) I, II. Basic medical vocabulary consisting of prefixes, suffixes, roots, anatomical, symptomatic, and common disease terms of the body systems.

HSA 201 Medical Terminology II. (3) I, II. Prerequisite: MAS 200 or HSA 200. Includes surgical instruments and procedures, diseases, laboratory tests, clinical procedures, and abbreviations for each system. Terms related to oncology, radiology, nuclear medicine, pharmacology, psychology, systemic disorders, and autopony procedures.

HSA 302 Organization and Management of Health Services. (3) I, II. Prerequisite: HSA 100 (minimum grade of “C”). Analysis of structure, function, and internal and external forces impacting healthcare services. Identification of management topics and trends.

HSA 303 Fundamentals of Medical Science. (4) I, II. Prerequisites: HSA 200, BIO 171, and 301 (minimum grade of “C”). An introduction to the study of disease—its causes, symptoms, and treatment. 3 Lec 2 Lab.

HSA 306 Medical Nomencl. (4) I, II. Prerequisites: HSA 302 and 303 with a minimum grade of “C” or departmental approval. HCPCS and ICD-9-CM coding and reimbursement systems for physician services and hospital inpatient and outpatient services. 3 Lec 2 Lab.

HSA 370 Health Information Management Systems. (4) I, II. Prerequisites: HSA 100, 302, CIS 230 or INF 314 (minimum grade of “C”). Introduction to the field of health information systems, systems analysis, and health data base management.

HSA 372 Health Care Reimbursement Systems. (3) I, II. Prerequisite: HSA 302 and 306 (minimum grade of “C”). An indepth analysis of health care reimbursement systems; health insurance fraud and abuse; and procedures for patient accounting and cash flow forecasting.

HSA 375 Health Services Administration. (3) I, II. Prerequisites: MGT 301 or 300, MGT 320; HSA 302 (minimum grade of “C”). Application of financial principles to health service marketing, and leadership skills to selected health care organizations.

HSA 401 Legal Issues in Health Care. (3) I, II. Prerequisite: HSA 100 with a minimum grade of “C”. Legal status, documentation requirements, and liability related to medical records and health care issues.

HSA 405 Clinical Information Management. (3) I, II. Prerequisites: HSA 370, HSA 406 (minimum grade of “C”). Review of health trends related to the management of clinical information systems. Course format will include mock committee meetings and role playing.

HSA 406 Health Care Quality Management. (3) I, II. Prerequisites: HSA 302, 303, STA 215 or 270 (minimum grade of “C”). A study of total quality management, utilization review, and risk management functions in a health care setting.

HSA 407 Advanced Health Services Administration. (3) I, II. Prerequisite: HSA 375 (minimum grade of “C”). Advanced study in trends relating to the management of health care organizations and the leadership role of health services administrators.

HSA 409 Health Services Research Methods. (3) I, II. Prerequisites: HSA 302, 303, STA 215 or 270 (minimum grade of “C”). Introduction to the process of research, related terminology and statistical techniques, significance to health care, critique of published research articles, and development of a protocol.

HSA 411 Professional Practice Experience II. (1) I, II. Prerequisite: department approval. Internship assignment to health care organizations for observation of its functions and management.

HSA 412S Professional Practice Experience II. (1) I, II. Prerequisite: department approval. Internship assignment to health care organizations for observation and practice of supervisory functions.

HSA 413 Professional Practice Experience III. (4) I, II. Prerequisite: department approval. Internship assignment to health care organizations for observation and practice of management functions.

HSA 415 Professional Certification Preparation (1) I, II. Corequisite: HSA 413. Preparation for the Registered Health Information Administrator (RHIA) certification exam. Course focuses on the content domains included on the exam and development of general test-taking skills.

HSA 498 Independent Study in Health Services Administration. (1-6) A. Prerequisite: student must have the independent study proposal approved by faculty supervisor and department chair prior to enrollment. Directed study or research on an issue or area of interest to the field of health services administration. May be retaken to a maximum of six hours.

HSAO—Health Sciences Orientation
Dr. Deborah Whitehouse, Dean

HSO 100 Student Success Seminar. (1) A. Orientation to the academic life and career preparation with emphasis on University regulations, catalog details, registration, career opportunities, and program requirements. Open to all students during their first two semesters of enrollment at EKU; beyond that open to students with fewer than 30 semester hours earned.

HSR—Human Services
Dr. Larry C. Sexton, Chair

HSR 200 Introduction to Counseling and Human Services (3) A. This introductory course will cover the functions, history, ethical standards, theories, basic listening skills, and cultural competencies required for professionals in the field of Human Services.

HSR 305 Introduction to Career Decision-Making (3) A. Topics will include use of career information, elements of self-awareness, career exploration, decision making, and skill identification, developing personal career interest, values clarification, skill reviews; and job search skills.

HSR 400 Introduction to Human Development (3) A. This course focuses on human development throughout the lifespan, from birth to death. Students will examine central concepts related to human development as well as continuity and change within the developing individual.

HSR 405 Appalachian Issues in a Multicultural Society (3) A. This course addresses issues relevant for those who will work in human services and require knowledge of issues relevant to Appalachian recipients of service.

HSR 410 Contemporary Issues in Counseling and Human Services (3) A. An overview of Counseling and Human Services. Focus is on ethics, practice, current research and topical events related to the Counseling and Human Services profession.

HSR 415 Human Services Administration (3) A. Includes skills and knowledge involved in effective development and administration of small human services programs and agencies: organizing, setting goals, and estimating needs, recruiting, selecting, orienting, supervising, and evaluating employees; securing and managing financial resources.
SECTION SIX - COURSE DESCRIPTIONS

HUM—Humanities
Dr. Abby Poffenberger, Chair

HUM 124 Humanities and the Search for Meaning, (3) I, II. An introduction to the comparative and interdisciplinary study of culture, including Western and non-Western literature, visual art, music, and design, emphasizing integrative thinking as a means toward affirming values for living meaningfully in today’s world. Gen. Ed. E-3A, 3B.

HUM 226 The Search for Meaning: The Ancient World, (3) I, II. Comparative and interdisciplinary approaches to the study of culture in the ancient world, including Western and non-Western literature, drama, visual art, architecture, and religion/philosophy in historical context; emphasis on integrative thinking and exploration of living meaningfully from the ancient perspective. Gen. Ed. E-3A, 3B.

HUM 228 The Search for Meaning: The Modern World, (3) I, II. An introduction to the comparative and interdisciplinary study of culture in the modern world, including Western and non-Western literature, visual art, music, film, and religion/philosophy; focus on integrative thinking as a means toward affirming values for living meaningfully in the contemporary world. Gen. Ed. E-3A, 3B.

HUM 300W Humanity in the Postmodern Age, (3) A. Prerequisite: ENG 102, 105(B), or HON 102. Comparative and interdisciplinary approaches to the study of culture since 1945, including study of Western and non-Western works of literature, visual art, music, film, and religion/philosophy; focus on integrative thinking about a world facing values for living meaningfully in the contemporary world. Credit will not be awarded for both HUM 300 and 300W. Gen. Ed. E-3A, 3B.

HUM 300W Humanity in the Postmodern Age, (3) A. Prerequisite: ENG 102, 105(B), or HON 102. Comparative and interdisciplinary approaches to the study of culture since 1945, including study of Western and non-Western works of literature, visual art, music, film, and religion/philosophy; focus on integrative thinking as a means toward affirming values for living meaningfully in the contemporary world. Credit will not be awarded for both HUM 300 and 300W. Gen. Ed. E-3A, 3B.

HUM 301 Comparative Humanities, (3) A. An introduction to classic, formalist, structuralist, and post-structuralist approaches to the analysis of literature, visual culture, music, the dramatic arts, and design. Emphasis on integrative thinking.

HUM 320 Classical Humanities, (3) A. Critical analysis of visual culture, literature, architecture and thought from prehistoric, archaic and classical cultures: Egypt, Greece, Rome reflecting the achievements and values of the ancient Mediterranean civilizations.

HUM 330 Medieval Humanities, (3) A. Critical analysis of art, music, and literature from the Renaissance, Baroque, and the Enlightenment reflecting the religious and secular energies of Western culture and the colonial world.

HUM 350 Modern Humanities, (3) A. Science, globalization, and the promise of diversity in the Modern World; critical analysis of art, music, and literature reflecting the modernization of culture and the human condition since the Enlightenment.

HUM 360 Non-Western Traditions, (3) A. Prerequisite: ENG 102, ENG 105(B), or HON 102. Studies in the literature, visual and dramatic arts, music, and design of non-Western cultures. This course may focus on a single non-Western tradition or on a few inter-related non-Western traditions in a given semester. Repeatable up to six hours with permission of department chair. Gen. Ed. E-6.

HUM 395 Independent Work in Humanities, (1-3) A. Prerequisite: HUM 226 or 228. Student must have the independent study form approved by faculty supervisor and department chair prior to enrollment. May be repeated to a maximum of six hours if topic is different.

HUM 490 Topics in Interdisciplinary Humanities, (3) A. Selected topics in Interdisciplinary Humanities. May be repeated with permission of the department for up to six hours.

HUM 499 Humanities Thesis, (3) A. An in-depth thesis project, approved by the department chair, directed by a Humanities faculty member, and presented in the form of a thesis paper with appropriate visual or audio materials.

IES—Foreign Exchange Studies
Dr. Neil Wright, Director

IES 300 Foreign Exchange Study, (1-12) I, II. Prerequisites: sophomore standing, and approval from the International Director as an appointed exchange student. This course may be repeated for each semester spent studying abroad and is a Satisfactory/Unsatisfactory course. For students who engage in a full Fall/Spring semester, foreign exchange experience, grading is only CR/credit.

INF—Informatics
Dr. Ka-Wing Wong, Chair

INF 101 Introduction to Online Learning, (1) A. Formerly CSC 110. Students are required to take online courses at EKU including the use of the Blackboard learning environment. Help students acquire basic skills to be successful in online learning. Credit will not be awarded to students who have credit for CSC 101.

INF 105 Software Applications Topics, (1-3) A. Formerly CSC 105. Selected topics in software applications. Topics vary with offering. May be taken with advisor approval to a maximum of nine hours provided the topics are different.

INF 110 Introduction to the Internet, (1) I, II. Formerly CSC 110. Introduction to the Internet and the Internet processing tools. The course emphasizes the use of the World Wide Web as an information broadcasting and retrieval tool. Credit will not be awarded to students who have credit for CSC 110.

INF 120 Introduction to Multimedia, (3) I, II. Formerly CSC 120. Introduction to multimedia technology and computerized visual communication. Topics include video editing, media file processing, video streaming, computer graphics. Credit will not be awarded to students who have credit for CSC 120.

INF 301 Current Topics in Informatics, (3) A. Formerly CSC 301. Prerequisite: CSC 104, 212, or equivalent. Introduction to contemporary topics in informatics. May be repeated to a maximum of six hours provided the topics are different.

INF 314 MS Office & Data Analysis, (3) A. Formerly CSC 314. Prerequisite: "C" or higher in CSC 104, 212, or equivalent. Designing advanced Excel spreadsheets and Access databases to manage data problems with an emphasis on data calculations, data analysis, and organization of data. Credit will not be awarded to students who have credit for CSC 314.

INF 318 Mobile Device Security & Privacy, (3) A. Formerly CSC 318. Prerequisite: ENG102, 105(B), or HON 102. Introductory course on mobile device security and privacy. Topics include mobile devices including smart phones, tablets and others; mobile device threats; mobile device security including planning and implementation; mobile device privacy. Credit will not be awarded to students who have credit for CSC 318.

INF 321 Computer Forensics I (A), Formerly CSC 321. Prerequisite: ENG 102, 105(B) or HON 102. Introductory course on computer forensics. Topics include computer forensics concept, digital evidence, law and regulations, computer forensics lab, computer forensic investigation, digital forensics report, court testimony, ethics and codes to expert witness. Credit will not be awarded to students who have credit for CSC 321.

INF 322 Computer Forensics II (A), Formerly CSC 322. Prerequisite: CSC 321 with minimum grade of “C” or INF 321 with minimum grade of “C”. Introductory course on computer forensics. Topics include digital evidence, digital forensics investigation procedure, evidence identification, data acquisition, crime scene processing, digital forensics tools, quality assurance, evidence processing, investigation report, and court testimony. Credit will not be awarded to students who have credit for CSC 322.

INF 507 Special Topics in Informatics, (1-3) A. Prerequisite: departmental approval. Topics vary with offering. May be repeated for a maximum of six hours with advisor approval, provided the topics are different.

INF 510 Web Design and Programming in Education, (3) A. Formerly CSC 510. Introduction to design and implementation of World Wide Web applications for teachers. Development of interactive on-line class notes and testing materials. Credit will not be awarded to students who have credit for CSC 510.

INS—Insurance
Dr. Oliver Felts, Chair

INS 349 A-N Cooperative Study: Insurance, (5-8) A. Prerequisites: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required per credit hour. Six hours may be used as a major elective. May be repeated for a total of 16 credit hours.

ITP—Interpreter Training Program
Dr. Laurence Hayes, Chair

ITP 215 Professional Issues in Interpreting, (3) A. Prerequisites: ASL 201 and ITP 115 or ASL 225 with a minimum grade of “C” or departmental permission. Relevant professional terminology, procedures and ethical considerations explored. Topics include historical developments and current trends in professional organizations, ethical standards, and settings. Credit will not be awarded for both ITP 215 and 215W.

ITP 215W Professional Issues in Interpreting, (3) A. Prerequisites: ASL 201 and ITP 115 or ASL 225 with a minimum grade of “C” or departmental permission. Relevant professional terminology, procedures, and ethical considerations explored. Topics include historical developments, and current trends in professional organizations, ethical standards, and settings. Credit will not be awarded for both ITP 215 and ITP 215W.

ITP 220 Processing Skills for Interpreters, (3) A. Prerequisite: ASL 201 with a minimum grade of “C” or departmental permission. Practice of cognitive skills used in the process of interpreting. Skills include visualization, prediction, listening, memory, abstracting, closure, dual tasking, and processing time.

ITP 310 Professional Relationship Ethics, (3) I. Prerequisite: admission in the interpreting program or departmental permission. Introduction to business ethics and decision making. Detailed analysis of first and lasting impressions, building rapport and working in the interpreting profession. Critical thinking skills in the decision making process of working with diverse groups.

ITP 320 English-to-ASL Interpreting I, (3) A. Prerequisite: admission in the interpreting program, ASL 202, ITP 215, 220 with minimum grades of “C” or departmental permission. Development of English-to-ASL interpreting skills using consecutive and simultaneous modes with a variety of source materials.
SECTION SIX - COURSE DESCRIPTIONS

Clinical hours required.

ITP 325 ASL-to-English Interpreting I. (3) I. Prerequisites: admission to the interpreting program, ASL 202, ITP 215, 220 with a minimum grade of “C” or departmental permission. Development of interpreting skills progressing from written translation to consecutive interpreting/ transliterating in a variety of settings. Clinical hours required.

ITP 330 Ethics and Special Settings I. (3) II. Formerly ITP 370. Prerequisite: ASL 202(C) and admission to the ASL and English Interpretation program or departmental approval. Critical analysis of interpreting in various settings. Development of communication and ethical decision-making skills. Clinical hours required.

ITP 380 Special Topics in Interpreting: (1-3) A. Prerequisite: departmental approval. For independent work, special workshops, or special topics related to the field of interpreting beyond the scope of regularly offered courses. May be taken to a maximum of 9 hours provided subfield/topics vary. ITP 385 Independent Work: Interpretation. (1-3) A. Prerequisite: Departmental approval. For independent work related to the field of interpretation beyond the scope of regularly offered courses. May be taken to a maximum of 6 hours provided subfield/topics vary. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

ITP 390 Linguistics and ASL I. (3) II. Prerequisites: admission to the Interpreter Training program, ASL 301 with a minimum grade of “C” or departmental permission. Overview of linguistics; phonology, morphology and language change in a variety of languages and American Sign Language. Analysis of ASL and spoken languages. Clinical hours required.

ITP 410 Professional Relationship Ethics II. (3) Prerequisites: ITP 310 and admission to the interpreting program or departmental permission. Discussion of best business practices in managing human and fiscal resources, work environment, market trends and relevant legislation. Portfolio development and considerations discussed. ITP 420 English-to-ASL Interpreting II. (3) I. Prerequisites: admission in the interpreting program, ASL 302, ITP 320, 325 with a minimum grade of “C” or departmental permission. Continued development of English-to-ASL interpreting skills with added focus on registers, settings, and audience preferences. Clinical hours required.

ITP 425 ASL-to-English Interpreting II. (3) I, II. Prerequisites: ASL 301, ITP 325 with a minimum grade of “C” and admission to the ASL and English Interpretation program or departmental approval. Continued development of ASL-to-English interpreting skills in a variety of settings. Clinical hours required.

ITP 430 Ethics & Special Settings II. (3) I. Prerequisites: admission in the interpreting program, ASL 302, ITP 320 and 325 with minimum grades of “C” or departmental permission. Continued critical analysis of interpreting in various multicultural and specialized settings. Continued development of ethical and culturally competent decision-making skills. Clinical hours required.

ITP 470 Practicum in Interpreting I. (3) I. Prerequisites: ASL 302, ITP 320, 325, 425, 330 with a minimum grade of “C” and admission to the ASL and English Interpretation program or departmental approval. Observation and interpreting experience under the supervision of a mentor(s) in a variety of settings. Clinical hours required.

ITP 480 Interactive Interpreting (3) I. Prerequisites: Admission to the interpreting program, ASL 302, ITP 320, 325 with a minimum grade of “C” or departmental permission. Students will integrate, broaden, and apply skills and knowledge developed in interpreting courses by experiential practice in interactive interpreting. Students will develop skills in interpreting conversations, discussions, explanations, interviews, and other types of dialogue genres.

ITP 490 Linguistics and ASL II. (3) I. Prerequisites: admission in the Interpreter Training program, ITP 390 with a minimum grade of “C” or departmental permission. Overview of syntax, discourse, and sociolinguistics. Analysis of American Sign Language and spoken languages. Clinical hours required.

ITP 495 Practicum in Interpreting II. (12) I, II. Prerequisites: admission in the Interpreter Training program, ITP 445 and ITP faculty approval, completion of all other ASL/ITP classes with minimum grades of “C”. A structured full time practicum interpreting experience under the direct supervision of a mentor(s) in an educational, public or private setting. Students will interpret, participate in professional growth activities, keep professional journals and adhere to all guidelines and requirements in the ITP 495 student practicum handbook. Potential practicum sites may be local, state wide, regional or national.

JOU 302 Journalism Practicum (3) I, II. Supervised practical experience in a journalistic operation. Journalism students must complete a total of three credit hours over one or multiple semesters. ITP 305 Journalistic Writing. (3) I, II. Prerequisites: COM 101 or permission of instructor. Writing and submitting articles for publication in newspapers and magazines. Involves studying requirements of periodicals to which sale is attempted and free-lancing methods in general. Credit will not be awarded for both JOU 305 and 305W.

JOU 305W Feature Writing. (3) I, II. Prerequisites: ENG 101 and 102 or ENG 105B or HON 102 and COM 201 or permission of instructor. Writing and submitting articles for publication in newspapers and magazines. Involves studying requirements of periodicals to which sale is attempted and free-lancing methods in general. Credit will not be awarded for both JOU 305 and 305W.

JOU 307 Editorial and Opinion Writing. (3) A. Prerequisite: COM 201. Study of editorials, editorial columns, commentary pieces, reviews and criticism. Examines editorial boards, generating ideas for columns, and writing book, theater and film criticism. Provides practice in writing opinion pieces for publication.

JOU 310 News Editing. (3) I, II. Prerequisite: COM 201. Understanding the editing process in newspapers and magazines. Examines content and style editing, headline writing and publication design. Explores new technology as an editing tool. Provides both theory and practice in editing.

JOU 320 Design for Newspapers and Magazines (3). I, II. Introductory desktop publishing and image-processing for non-designers. Examines principles and techniques central to publishing newspapers, magazines, brochures, and newsletters within a journalism context. Credit will not be awarded to students who have received credit for PUB 320.

JOU 325 Photojournalism. (3) I, II. Examines principles of digital photography, stressing hands-on skills in producing professional quality images. Looks at role the photojournalist serves in newspaper and magazine production. Provides an introduction to color correction in Photoshop.

JOU 349 Applied Learning in Journalism. (5-8). A. Prerequisites: junior standing, a 2.0 GPA within the journalism major, and department approval. Work under faculty and field supervisors in placements related to academic studies. One to eight total hours of academic credit per semester or summer. Total hours: eight, associate credits: sixteen. A minimum of 80 hours work required for each hour of academic credit. One credit hour required for major. No additional hours may satisfy major or minor requirements within the department.

JOU 349A-N Cooperative Study: Journalism. (5-8) A. Prerequisites: junior standing, a 2.0 GPA within the journalism major, and department approval. Work under faculty and field supervisors in placements related to academic studies. One to eight total hours of academic credit per semester or summer. Total hours: eight, associate credits: sixteen. A minimum of 80 hours work required for each hour of academic credit. One credit hour required for major. No additional hours may satisfy major or minor requirements within the department.

JOU 400 Studies in Journalism (1-3) A. Prerequisite: departmental approval. Study of specific areas of journalism through a course examining timely or topical concerns in the field. Specific topic included in schedule. May be retaken to a maximum of nine hours.

JOU 401 Public Affairs Reporting. (3) A. Prerequisite: COM 201. Writing and reporting about national, state, and local government and specialized fields of labor, science, research and business. Includes writing and reporting for wire services and daily newspapers.

JOU 410 Advanced Photojournalism. (3) A. Prerequisite: JOU 349. Study of newspaper and magazine photojournalism with emphasis on the photographic essay, the role of the photojournalist and the photo editor, and digital technologies. Provides experience in black and white and color photography. One credit hour required for minor.

JOU 412 Multimedia Web Development. (3) I, II. Cross-listed as PUB 412. Prerequisite: PUB 320 or JOU 320 with a grade of “C” or higher. An introduction to web site design, with emphasis on communication and design theory. Delves into fundamentals of HTML and CSS. Course also uses software for optimizing images and graphics for web use. Credit will not be awarded for JOU 412 and PUB 412.

JOU 415 Advanced Editing. (3) A. Prerequisite: JOU 310. Intensive study of story development and political design. Emphasizes practice in electronic editing, headline writing, and layout.

JOU 425 Community Journalism. (4) A. Prerequisites: COM 201 or permission of instructor. Study of community newspapers and their relationship to their communities, including methods of assessment.

JOU 450 Media Management. (3) A. Prerequisites: COM 201 and JOU 310. Intensive study of organization, finance, production, and distribution of media. Examines factors involved in publishing, staffing, and policy formulation.

JOU 480 Freelance Writing. (3). A. Prerequisites: ENG 101 and 102 or HON 102. How to write and sell freelance articles for online media or other publication outlets. Credit will not be awarded for ENG 500/700 taught as “Writing for the Popular Media.”

JOU 491 Senior Seminar. (1) I, II. Prerequisite: JOU 302 or 349. Evaluates student’s progress toward a career in mass media, especially the development of a portfolio, and develops job-search strategies and skills. Includes assessment of instruction and curriculum.

JOU 499 Independent Study in Journalism. (1-3) A. Prerequisite: Student must consult with the faculty supervisor and have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of three hours.

JPN—Japanese

Dr. Abbey Poffenberger, Chair

JPN 102 Conversational Japanese II. (3) A. Recommended: JPN 101 or equivalent proficiency. Continuation of JPN 101. Emphasis on conversation.
Students entering JPN 102 by referral or placement will receive three hours credit for JPN 101 if they make an “A” in 102. Laboratory work required. Gen. Ed. E-6.

JPN 201 Intermediate Japanese I. (3) A. Recommended: JPN 102 or equivalent proficiency. Continuation of JPN 102. Practice in writing kanji, reading, and speaking on cultural topics for diverse social settings requiring increasingly complex structural patterns. Students entering JPN 201 by referral or placement receive six hours credit for JPN 101 and 102 if they make an “A” or “B” in 201. Gen. Ed. E-6.

JPN 202 Intermediate Japanese II. (3) A. Recommended: JPN 201 or equivalent proficiency. Continuation of JPN 201 to strengthen student’s ability to interact in more diverse social settings requiring increasingly complex structural patterns. Students entering JPN 202 by referral or placement receive nine hours credit for JPN 101, 102, and 201 if they make an “A” or “B” in 202. Gen. Ed. E-6.

JPN 295 Independent Work in Japanese. (1-3) A. Prerequisite: departmental approval. May be taken to a maximum of six hours if content is different. Student must have the independent study proposal approved by faculty supervisor and department chair prior to enrollment.

JPN 495 Independent Work in Japanese. (1-6) A. Prerequisite: departmental approval. May be taken to a maximum of six hours if content is different. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

JSO—Justice & Safety Orientation

Dr. Allen Ault, Dean

JSO 100 Student Success Seminar. (1) L

An orientation to university academic life and career planning and preparation. Topics include University policies and procedures, program requirements, career opportunities and introductory study skills. Open to all students during their first two semesters of enrollment at EKU; beyond that open to students with fewer than 30 semester hours earned.

LAS—Paralegal

Dr. Lynnette Noblitt, Chair/Director

LAS 210 Introduction to Law. (3) I, II.

General study of the purpose, function, and history of law; law-related occupations; court systems; case law analysis; professional ethics; the adversary system; and the major areas of law.

LAS 220 Legal Research and Writing I. (3) I, II.

Prerequisite: LAS 210 or director approval. The sources and techniques of legal research; their application to specific legal problems and the use of legal authority to construct a written legal argument.

LAS 300 Legal Research and Writing II. (3) I, II.

Prerequisite: LAS 220. The sources and techniques of advanced legal research and writing; the use of computer-assisted legal research methods and their application. Credit will not be awarded for both LAS 300 and LAS 300W.

LAS 300W Legal Research and Writing II. (3) A.

Prerequisite: LAS 220. The sources and techniques of advanced legal research and writing, the use of computer-assisted legal research methods and their application. Credit will not be awarded for both LAS 300 and LAS 300W.

LAS 305 Special Topics in the Law. (1-3) A.

Prerequisite: director approval. A course offered periodically covering topics and issues of current or special interest concerning the law. May be taken to a maximum of six hours provided topics vary.

LAS 310 Real Estate/Bankruptcy Practice. (3) I, II.

Prerequisite: LAS 220. Paralegal practice and procedure for general office law; real estate transactions and documents, title searches, title insurance, loan closings, leases, wills, affidavits of descent, foreclosures, and bankruptcy.

LAS 330 Family Law Practice. (3) A.

Prerequisite: LAS 220. Paralegal practice in family law including forms, documents, and procedures for marriage, divorce, separation, annulment, alimony, legitimacy of children, custody, adoption, community property, and joint tenancy. Credit will not be awarded for both LAS 330 and LAS 330S.

LAS 330S Family Law Practice. (3) A.

Prerequisite: LAS 220. Paralegal practice in family law including forms, documents, and procedures for marriage, divorce, separation, annulment, alimony, legitimacy of children, custody, adoption, community property, and juvenile law. This is a Service-Learning Course. Credit will not be awarded for both LAS 330 and LAS 330S.

LAS 340 Criminal Law Practice and Procedure. (3) A.

Prerequisite: LAS 220 or director approval. An introduction to criminal law and procedure; criminal law forms and documents, and preparation for criminal litigation using the systems approach.

LAS 350 Litigation: Evidence to Discovery. (3) A.

Prerequisites: LAS 220 or director approval. Study of legal principles and paralegal practice in substantive civil law. Incorporates procedural aspects of the early stages of civil litigation including evidence and investigation, pleadings, and the discovery/disclosure process.

LAS 355 Litigation: Trial to Appeal. (3) I, II.

Prerequisite: LAS 220 or Director Approval. Study of legal principles and paralegal practice in substantive civil law. Incorporates procedural aspects of the later stages of civil litigation including settlement and ADR, trial preparation, trial, post-trial practice, and appeal.

LAS 360 Probate Practice and Procedure. (3) I, II.

Prerequisites: LAS 220 or director approval. Paralegal probate practice including initial steps, asset accumulation, debt management, court procedure, estate-related tax issues and forms. A systems approach will be emphasized.

LAS 370 Corporations and Business Organization Practice. (3) A.

Prerequisite: LAS 220. Documents, forms, and procedures essential to the corporate paralegal. Development of skills concerning business formations, incorporation, corporate finance, employees, corporate operation, securities, regulatory compliance, merger, acquisitions, sales and terminations.

LAS 380 Administrative Agency Practice. (3) A.

Prerequisite: LAS 220. Practical paralegal skill development in administrative law and procedure. Forms, documents, pleadings, and techniques for administrative regulatory compliance; case processing; informal and formal advocacy, emphasizing the systems approach.

LAS 385 Legal Administration and Computer Applications. (3) I, II.

Prerequisites: LAS 220 and CIS 122 or 134 or equivalent. The study of law office administration and the utilization of specific office law computer applications.

LAS 399 Paralegal Internship. (4) I, II.

Prerequisites: completion of 18 hours of major (LAS) courses including LAS 300 or director approval (prior written application is required). Credit will not be awarded for both LAS 300 and LAS 300W.

LAS 410 Paralegal Seminar. (3) A.

Prerequisite: completion of 18 hours of major (LAS) courses or director approval. Professional ethics, analysis of the internship experience, transition to the law office and current issues facing the paralegal profession.

LAS 490 Independent Study of Law. (1-3) A.

Prerequisite: director approval. Individual research, skill development, and study in an area of law or paralegal practice. Student must have independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be taken to a maximum of six hours.

LAS 535 Municipal Law. (3) A.

Prerequisite: LAS 220 or director approval. Practical legal problems confronting municipal officials including: government and public official liability, ordinances, tax levies, bonding, zoning, soliciting, licensing, open meetings, personnel, cutback management, elections, and other issues.

LAT—Latin

Dr. Abbey Poffenberger, Chair

LAT 101 Beginning Latin I. (3) A.

Study of basic inflections, syntax, pronunciation, and vocabulary necessary for the reading and progressive understanding of the Latin language. Particular attention is given to cultural topics and to the relationship of Latin to English. Gen. Ed. E-6.

LAT 102 Beginning Latin II. (3) A.

Recommended: one unit of high school Latin or LAT 101. A continuation of the study of the elements of Latin grammar with additional work in translation of selections from Latin writers of appropriate complexity. Some composition on cultural topics included. Students entering LAT 102 by referral or placement receive three hours credit for LAT 101 if they make an “A” in 102. Gen. Ed. E-6.

LGS — Legal Studies

Dr. Lynnette Noblitt, Chair

LGS 300 Introduction to Legal Studies (3-5) A.

Prerequisites: ENG 102, ENG 105, or HON 102. Examination of foundations and liberal arts perspectives of legal studies. Topics include comparative and historical introduction to forms, institutions, processes, and systems of law along with research methods for understanding questions of law and justice.

LGS 305 Special Topics: (3) A.

Prerequisite: LGS 300. Exploration of topics not covered in the existing LGS curriculum. May be taken for a maximum of six hours provided that subject matter is different each time.

LGS 360 Animals and the Law. (3) A.

Formerly LAS 306. The study of topics that relate to the status of animals under the law. The course focuses upon cases, legislation, and cultural values toward animals world-wide. Credit will not be awarded to students who have credit for LGS 306.

LGS 349 Applied Learning for Legal Studies (5-8) A.

Prerequisite: LGS 300. Work or volunteer in an area related to Legal Studies. A minimum of 80 hours employment required for each semester hour credit. No more than 3 hours may count toward LGS program.

LGS 400 Legal Studies Senior Seminar (3) A.

Prerequisite: LGS 300 and at least six hours of LGS electives. Conduct research in an area related to Legal Studies, write a research paper, and present an oral presentation on research conducted. No more than 3 hours may count toward LGS program.

LIB — Library Science

LIB 301 Children’s Literature and Related Materials. (3) I, II.

Prerequisite: ENG 101 with a minimum grade of “C,” or HON 105 with a minimum grade of “C,” or ENG 105 with a minimum grade of “B.” Survey course designed to acquaint P-5 teachers with print and non-print media for the school curriculum and with techniques to encourage lifelong readers. Credit will not be awarded for both LIB 301 and 301S.

LIB 301S Children’s Literature and Related Materials. (3) I, II.

Prerequisite: ENG 101 with a minimum grade of “C,” or HON 105 with a minimum grade of “C,” or ENG 105 with a minimum grade of “B.” Survey course designed to acquaint P-5 teachers with print and non-print media for the school curriculum and with techniques to encourage lifelong readers. Students in LIB 301S will be required to complete 15 hours of community service by choosing to read to students in Madison County, County Hospital, or the public library. Or students may choose...
to assist in a reading day at a local school. Credit will not be awarded for both LIB 301 and 301S.

LIB 401 Adolescent Literature and Resources. (3) A. Formerly LIB 501. A course designed with inquiry-based methodologies to future teachers’ knowledge of adolescents, adolescent literacy, and resources. Topics include genres, censorship, diverse authors, assessment, and multiple literacies to increase motivation, understanding and appreciation of adolescent literature. Credit will not be awarded for both LIB 401 and 501.

MAE—Mathematics Education
Dr. Daniel Mundfrom, Chair

MAE 301 Mathematics for Elementary Teachers III (3) A. Prerequisites: MAT 201 and one of MAT 107, 108, 109, 124, or 261, with a C or better in each. Prerequisite/corequisite: MAT 202. The course emphasizes conceptual understanding and communication of mathematical topics in the K—5 Kentucky Core Academic Standards through problem solving and technology. Credit does not apply toward Middle Grades Mathematics Teaching degree content requirements.

MAE 305 Problem Solving and Technology. (3) A. Prerequisite: MAT 201. Pre/corequisite: MAT 202. The course will enable students to use technology effectively in the mathematics classroom and explore topics to deepen mathematical understanding.

MAE 475 Math Teaching Senior Seminar. (3) I. Corequisite: MAT 475. Prerequisite: admission to teacher education program and a minimum 2.75 GPA in major and supporting course requirements for MAT teaching major. Emphasis on the interrelationship between mathematical topics. Problem solving with technology. Oral presentation on a topic selected jointly with the instructor. Credit will not be awarded for both MAE 475 and MAT 475.

MAE 480 Math Ed Seminar: _____ (1 - 3) A. Prerequisite: departmental approval. Advanced undergraduate topics in mathematics education. May be repeated to a maximum of nine hours, provided the topics are different.

MAE 872 Mathematics in the Curriculum. (3) I. Corequisite: EME 872. Exploration of trend, concepts, and issues involved in modern mathematics programs. Research findings are examined and multi-sensory materials are presented. Credit does not apply toward M.S. (non-teaching) degree requirements for programs offered within this department. Credit is not allowed with EME 872.

MAT—Mathematics
Dr. Daniel Mundfrom, Chair

MAT 090A Prealgebra A (1) Institutional Credit. I, II. Corequisites: MAT 090B, MAT 090C. Whole number and integer arithmetic, order of operations, introduction to solving equations, and a strong emphasis on the use of concrete materials. 1 Lec/1 Lab.

MAT 090B Prealgebra B (1) Institutional Credit. I, II. Corequisite and/or Prerequisite: MAT 090A. Corequisite: MAT 090C. Fraction and decimal arithmetic, ratio and proportion, basic percent concepts, measurement, and radicals. 1 Lec/1 Lab.

MAT 090C Prealgebra C (1) Institutional Credit. Prerequisite and/or Prerequisites: MAT 090A, 090B, 090C. Basic algebraic concepts such as solving linear equations, graphing equations in two variables, understanding algebraic expressions, polynomials and exponents. 1 Lec/1 Lab.

MAT 095A Introductory Algebra A (1) Institutional Credit. I, II. Prerequisite: MAT 090C or MAT 090 or placement into MAT 095A: ACT mathematics subscore of 17 or 18. Corequisites: MAT 095B, MAT 095C. Real number system, algebraic expressions, linear equations and inequalities, integer exponents, polynomials, and basic descriptive geometry. 1 Lec/1 Lab.

MAT 095B Introductory Algebra B (1) Institutional Credit. I, II. Corequisite and/or Prerequisite: MAT 095A. Corequisite: MAT 095C. Factoring polynomials, quadratic equations, and radical expressions. 1 Lec/1 Lab.

MAT 095C Introductory Algebra C (1) Institutional Credit. I, II. Corequisite and/or Prerequisites: MAT 095A, 095B. Linear equations and inequalities, systems of equations, graphing quadratic equations, and an introduction to relations and functions. 1 Lec/1 Lab.

MAT 098 Algebra II. (3) Institutional Credit. I, II. Prerequisite: Completion of all developmental mathematics requirements. Real number system, algebraic expressions and sentences, linear, quadratic, polynomial, rational, inequalities, operations with exponents, systems of equations, relations and functions, and linear and quadratic functions. MAT 098 is the designated course to prepare for MAT 107, and may also be used to meet the PCC mathematics deficiency. MAT 098 IS NOT REQUIRED OF STUDENTS NEEDING TO MEET DEVELOPMENTAL MATHEMATICS REQUIREMENTS.

MAT 101 College Algebra (3) A. Prerequisite: MAT 98, or a minimum score of 25 on the mathematics portion of the ACT or a minimum score of 500 on the math portion of the SAT. Functions, limits, continuity, derivatives and applications, integrations, and introduction to and the use of the computer package Mathematica or other appropriate technology. Gen Ed. E-2.

MAT 102H Honors Calculus I (3) A. Prerequisites: score of 27 on the ACT mathematics test or score of 640 on the SAT math test and the equivalent of MAT 109; or departmental approval. Functions, limits and continuity, derivatives and applications, integration, and introduction to and the use of the computer package Mathematica or other appropriate technology. The material is treated in greater depth and with more rigor than in MAT 124. Challenging problems and special projects will be assigned. Credit will not be awarded to students who have credit for MAT 121 or MAT 121H or MAT 124. Gen Ed. E-2.

MAT 201 Mathematical Concepts for Middle and Elementary School Teachers I. (3) I, II. Prerequisites: MAT 107 or 109 or 124 or 211 or 261 with a minimum grade of “C” or a score accepted by the Kentucky Education Professional Standards Board on one of the approved tests: ACT, PSAT, SAT, GRE, MAT, and a passing score on a Mastery Exam. (The MAT 107 course requirement can be met by a college course in precalculus or calculus, or by a combination of MAT 106 and a 23 or higher on the mathematics portion of the ACT.) Concepts stressed over manipulation. Sets and functions, whole numbers, integers, rational numbers, decimals and real numbers, numeration, and elementary number theory.

MAT 202 Mathematical Concepts for Middle and Elementary School Teachers II. (3) I, II. Prerequisites: MAT 107 or 109 or 124 or 211 or 261 and MAT 201 with a C or better in each; and a passing score on a mastery test. (The MAT 107 course requirement can be met by a college course in precalculus or calculus, or by a combination of MAT 106 and a 23 or higher on the mathematics portion of the ACT.) Concepts stressed over manipulation. Geometry, measurement, metric system, probability and basic statistics.

MAT 203 Geometry for Middle and Elementary School Teachers. (3) I, II. Prerequisites: admission to a certification program in elementary or middle school and MAT 201 and 202 with a combined grade point of 2.5 in the two courses and their measurement, right triangle trigonometry, perpendicular lines, congruent triangles, circles, arcs, and angles, constructions and loci, area and volume, similarity, graphing, selected topics from analytic geometry.

MAT 211 Calculus with Applications for Business and Economics. (3) I. Prerequisites: MAT 107 with a minimum grade of “C” or MAT 108 with a minimum grade of “C” or a minimum score of 23 on the mathematics portion of the ACT, or a minimum score of 550 on the math portion of the SAT. Functions...
and graphs, differentiation, marginal costs, revenue and profit, integration, exponential and logarithmic functions, other applications. Credit will not be awarded to students who have credit for MAT 261. Gen. Ed. E-2.

MAT 214 Linear Algebra and Matrices. (3) I, II. Prerequisite: MAT 124 or MAT 224H with a minimum grade of “C.” Real and complex vector spaces, linear transformations, matrix theory, with applications, through the introduction of eigenvalues and eigenvectors, determinants, inner product spaces, the use of technology.

MAT 218 MathExcel Lab for Calculus II. (1-2) I, II. Prerequisite/Corequisite: MAT 224 or 224H. This lab is to accompany a regular lecture class in Calculus II 4 Lab.

MAT 219 MathExcel Lab for Calculus III. (1-2) I, II. Prerequisite/Corequisite: MAT 225 or 225H. This lab is to accompany a regular lecture class in Calculus III. No more than four credit hours of MAT 217, MAT 218 and MAT 219 will count toward the baccalaureate degree.

MAT 224 Calculus II. (4) I, II. Prerequisite: MAT 124 (or MAT 124H) with minimum grade of “C.” Fundamental integration techniques, numerical integration, applications of integration, improper integrals, differential equations, infinite series, polar and parametric equations, and use of Mathematica or other appropriate technology. Credit will not be awarded to students who have credit for MAT 122 or MAT 122H. Gen. Ed. E-2.

MAT 224H Honors Calculus II. (4) A. Prerequisite: MAT 124H or MAT 224H with a minimum grade of “C” (2.0). Fundamental integration techniques, numerical integration, applications of integration, improper integrals, differential equations, infinite series, polar and parametric equations, and use of Mathematica or other appropriate technology. The material is treated in greater depth and with more rigor than in MAT 224. Challenging problems and special projects will be assigned. Credit will not be awarded to students who have credit for MAT 122, MAT 122H, or MAT 224. Gen. Ed. E-2.

MAT 225H Honors Calculus III. (4) II. Prerequisite: MAT 224H with minimum grade of “C.” Functions of several variables, limits and continuity, partial derivatives, multiple integrals, vector calculus including Green’s, Divergence, and Stoke’s theorems, cylindrical and spherical coordinates and use of Mathematica. Credit will not be awarded for both MAT 225 and 225H.

MAT 261 Calculus with Applications for Science I. (3) A. Prerequisite: MAT 107 with a minimum grade of “C,” or MAT 108 with a minimum grade of “C.” OR a minimum score of 23 on the mathematics portion of the ACT, or a minimum score of 550 on the math portion of the SAT. Functions and graphs, differentiation, integration, and exponential and logarithmic functions. Credit will not be awarded to students who have credit for MAT 211. Gen. Ed. E-2.

MAT 262 Calculus with Applications for Science II. (3) A. Prerequisite: MAT 261 or 211. Integral calculus with applications, introduction to differential equations, functions of several variables. Credit will not be awarded to students who have credit for MAT 212 or MAT 224 or MAT 224H.

MAT 268 Logic and Set Theory. (3) Prerequisites: MAT 214, 224 or 224H with minimum grades of “C” and a grade point average of at least 2.5 in MAT 124, 214, and 224, or departmental approval. Logic, proof techniques, set theory, relations, functions, cardinality, introduction to advanced mathematics.

MAT 303 Mathematical Models and Applications. (3) A. Prerequisites: MAT 107, MAT 203, and STA 270. The course emphasizes conceptual understanding and communication of mathematical topics through modeling, problem solving, and technology. Topics include: constraints, optimization, geometry, probability, statistics, and real-world situations. Credit does not count toward the B.S. in mathematics nor the B.S. in mathematics teaching nor the mathematics minor.

MAT 306 Discrete Mathematics. (3) II. Prerequisites: MAT 214, MAT 224, STA 270 with minimum grades of “C” and at least 2.5 GPA in all mathematics courses. Counting principles, permutations, combinations, recurrence relations, graphs, representations of graphs as matrices, trees, networks, difference equations, and linear programming.

MAT 308 Modern Algebra I. (3) I. Prerequisite: MAT 301 with a minimum grade of “C.”, and STA 340. Ring homomorphisms, polynomial rings, unique factorization domains, principal ideal domains, finite fields, field extensions, algebraic extensions, Galois theory, and geometric constructions.

MAT 315 Introduction to Analysis. (3) II. Prerequisite: MAT 301, 225 or 225H with a minimum grade of “C.”. Real number system, sets and functions, limits, continuity, uniform continuity, Taylor’s theorem, laws of the mean, the Riemann integral, and allied topics.

MAT 334 Modern College Geometry I. (3) A. Prerequisite or Corequisite: MAT 301 with a minimum grade of “C.”. Euclid’s parallel postulate, axiom systems, finite geometries.

MAT 349 Applied Learning in Mathematics. (1-8) I, II; (1-6) SUMMER ONLY. Prerequisite: departmental approval. Work in placements related to academic studies. Credit does not apply to major or minor requirements. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours of employment are required for each semester hour of academic credit.

MAT 349-N Cooperative Study: Mathematics. (1-8) A, B, C, D; (1-6) SUMMER ONLY. Prerequisite: departmental approval. Work in placements related to academic studies. Credit does not apply to major or minor requirements. Total hours: eight; associate; sixteen, baccalaureate. A minimum of 80 hours of employment are required for each semester hour of academic credit.

MAT 353 Differential Equations. (3) A. Prerequisite: MAT 224 or 224H with a minimum grade of “C.”. Differential equations of first order, applications, solution of linear equations with constant coefficients, miscellaneous methods for equations of higher order, solution in series, total differential equations, qualitative methods, systems of linear differential equations, the computer algebra systems.

MAT 380 Mathematics in a Historical Setting. (4) A. Prerequisite or Corequisite: MAT 301 or departmental approval. The history of mathematics from ancient beginnings until modern times is studied through problems and through the lives and times of mathematicians. Throughout the course, examples of study skills and literacy enhancement techniques relevant to mathematics will be demonstrated.

MAT 408 Modern Algebra II. (3) A. Prerequisite: MAT 306 with a minimum grade of “C.”. Ring homomorphisms, polynomial rings, unique factorization domains, principal ideal domains, finite fields, field extensions, algebraic extensions, Galois theory, and geometric constructions.

MAT 415 Analysis. (3) A. Prerequisite: MAT 315 with a minimum grade of “C.”. The Riemann integral, the Lebesgue integral, metric spaces, differentiation, integration, sequences and series of functions, allied topics.

MAT 480 Seminar in Mathematics. (1-3) A. Prerequisite: departmental approval. Advanced topics in undergraduate mathematics. May be retaken to a maximum of nine hours, provided the topics are different.

MAT 495 Independent Work. (1-3) A. Prerequisite: departmental approval. Directed study/research on a problem or area chosen in consultation with instructor. Final paper required. Credit will not apply to independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours.

MAT 498 Mathematics Capstone. (1) A. Cross-listed as STA 498. Prerequisite: senior status and either a Mathematics or Statistics major. Designed to enable students to synthesize and integrate their mathematical and statistical knowledge. Students will learn how to conduct research and present the results. Credit will not be awarded for both MAT 498 and STA 498.

MAT 501 Applications of Mathematics for P-9 Teachers. (3) A. Prerequisite: MAT 303. Topics in the application of mathematical models appropriate for teachers of grades P-9. Credit does not apply toward either B.S. or B.S. (teaching) degree requirements for programs offered within this department.

MAT 502 Geometry with Technology for P-9 Teachers. (3) A. Prerequisite: MAT 303 or STA 270, 265. Topics in geometry appropriate for teachers of grades P-9. Credit does not apply toward either B.S. or B.S. (teaching) degree requirements for programs offered within this department.

MAT 505 Foundations of Mathematics. (3) A. Prerequisite: MAT 308 with a minimum grade of “C.”. The nature of mathematical thought; logical systems; axiomatic concepts and methods; consideration of the work of Hilbert, Peano, Whitehead, Russell, and others.

MAT 506 Number Theory. (3) A. Prerequisite: MAT 301 with a minimum grade of at least “C.”. Fundamental properties of integers, linear Diophantine equations, linear and quadratic congruences, famous problems of number theory.

MAT 507 Seminar in Mathematics: Number Theory. (1-3) A. Prerequisite: departmental approval. Topics vary with offering. May be retaken with advisor approval, provided the topics are different. Credit towards degree requirements will depend on course content.

MAT 520 Mathematical Statistics I. (3) I. Cross-listed as STA 520. Prerequisite: MAT 224 or 224H or 225 or 225H; and STA 215 or 270 or 370 or CRJ 303 or ECO 220 or ECO 848 or EPY 842 or HEA 450 or PSA 309 or QMB 200. Descriptive statistics, discrete and continuous probability distributions for one and two variables, functions of random variables, sampling distributions, expectations and generating functions. Credit will not be awarded for both MAT 520 and STA 520.

MAT 525 Vector Analysis with Applications. (3) A. Prerequisite: MAT 225 or 225H with a minimum grade of “C.”. Algebra and geometry of vectors; vector functions of a single variable; line, surface, and volume integrals; Divergence Theorem, Stokes' Theorem, Green's Theorem; generalized orthogonal coordinates; Fourier Series; solutions to boundary value problems.

MAT 535 Modern College Geometry II. (3) A. Prerequisite: MAT 334 with a minimum grade of “C.”. The major influence of the axioms of parallellism or geometry, development from axioms and models, non-Euclidean geometry, absolute geometry, hyperbolic geometry, consistency of postulates.

MAT 540 Introductory Applied Mathematics. (3) A. Prerequisite: MAT 335 with a minimum grade of “C.”. Techniques and applications of: vector analysis, matrix theory, linear and autonomous systems of differential equations, special functions, operational methods, Sturm-Liouville theory, Fourier series.

MAT 550 Applications of Complex Analysis. (3) A. Prerequisite: MAT 225 or 225H or 353 with a minimum grade of “C.”. Continuity,
SECTION SIX - COURSE DESCRIPTIONS

differentiation, integration, series, residues, and applications to the evaluation of real integrals. Applications of conformal mappings to boundary value problems in heat, electrostatic potential, and fluid flow. Emphasis throughout on computational techniques and applications.

MGT 201 Introduction to Golf Management. (3) I, II. Prerequisite: Effective Spring 2012): Admission to PGM program, and successful completion of the PGA Qualifying Exam. Introduces PGA Golf Management as an industry in which a PGA professional must be competent, the value of business planning in the golf industry, the key elements of a business plan, and the elements that make up a golf resort, and the PGA Customer Relations Model.

MGT 202 Introduction to Golf Instruction. (3) I, II. Prerequisite: admission to the PGM program, MGT 201, 202, 203, and the PGA tests accompanying MGT 201. Introduction to human learning, the teaching process, and the elements of the game. Topics include laws, principles, and techniques of the golf swing, biomechanics, and teaching technologies. The course also addresses golf club performance variables.

MGT 203 Golf Operations I. (3) I, II. Prerequisite: Effective Spring 2012): Admission to PGM, MGT 201, 202 and PGA tests that accompany each class. The fundamental concepts of operations, maintenance, planning and financing of the golf shop, and the PGA Customer Relations Model.

MGT 204 Golf Operations II. (3) I, II. Prerequisite: Effective Spring 2012): admission to PGM program, MGT 201, 202, 203, and the PGA tests that accompany each class. A focus on techniques that help the student improve his/her golf skills; describes drills, warm-ups, and shot techniques for intermediate and intermediate students. The course also discusses golf club repair.

MGT 206 Golf Operations and Administration. (3) I, II. Prerequisite: Effective Spring 2012): admission to the PGM program, MGT 201, 202, 203, 204, 205, and the PGA tests that accompany each class. The recruitment and management of employees; human resource issues a PGA Professional faces; a performance system for supervisors and delegating responsibilities; and career development strategies and examples of career-enhancing actions will be presented.

MGT 270 Advance Golf Instruction & Special Programs. (3) I, II. Prerequisite: Effective Spring 2012): admission to the PGM program, MGT 201, 202, 203, 204, 205, and the PGA tests that accompany each class. Emphasizes the integration of learning, teaching, and game elements. Covers elements of the mental game and more advanced shot-making. Club-fitting procedures will be covered and the development of instructional programs will be introduced.

MGT 280 PGM Seminar. (2) I, II. Prerequisite: admission to the PGM program, MGT 201, 202, 203, 204, 205, 206 with a grade of "C" or better in each course, and the PGA tests that accompany each class. A study of issues related to career planning and PGM, including industry job market analysis, networking, and professional development. A capstone project requiring research and critical analysis regarding growth of the game, marketing, sales, and tournament atmosphere which challenges will be presented. Emphasis on integration of knowledge acquired in previous courses. May be retaken up to six times.

MGT 300 Principles of Management. (3) I, II. Prerequisites: ACC 201, 202, and ECO 230 with a grade of "C" or better in each course; junior standing (a minimum of 60 hours) with an overall minimum 2.0 GPA. Management principles with emphasis on organization theory and behavior, human resources and diversity, communications, production/operations management, management ethics, development of management thought, management in the global arena, and management careers.

MGT 301 Principles of Management (NB). (3) A. Prerequisite: junior standing (at least 60 hours) with an overall GPA 2.0. Not for students majoring or minoring in business. Management principles with emphasis on organization theory and behavior, human resources and diversity, communications, production/operations management and quality issues, business ethics, development of management thought, management in the global arena, and management careers. Credit will not be awarded for both MGT 301 and 300.

MGT 320 Human Resource Management. (3) I, II. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of "C" in each prerequisite course). Survey of principles and practices in the areas of human resource planning, job analysis, recruitment, selection, training and development, performance appraisal, compensation, labor relations, safety and health, equal employment opportunity, and personnel research.

MGT 330 Small Business Management Innovation and Entrepreneurship, (3) A. Prerequisite: MGT 300 or MGT 301 (with a grade of "C" or better in each prerequisite course). This course offers an emphasis on the role of innovation and entrepreneurship in the creation and management of new ideas, concepts, techniques, processes, methods, ventures, and knowledge.

MGT 340 Management Science. (3) I, II. Prerequisite: MGT 201 or MGT 300 (with a minimum grade of "C") in each prerequisite course. An introduction to quantitative techniques with an emphasis on the formulation and application of models and the practical solution methods available.

MGT 349 Applied Learning in Management. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. May be used as upper division business electives and/or free electives as approved. Will not count as Management elective. Management Majors (all options) are limited to a maximum of nine co-op hours counting toward degree. Co-op hours may be repeated up to nine hours.

MGT 355 Graph Theory. (3) A. Prerequisite: MAT 308 or CSC 320 with a minimum grade of "C." Introduction to the theory and applications of graph theory. Topics will include trees, planarity, connectedness, matching, and coloring.

MGT 360 Point Set Topology. (3) A. Prerequisite: MAT 301 with a minimum grade of "C." An introduction to topology with emphasis on Euclidean and other metric spaces. Mappings, connectivity, compactness, formation of new spaces, relationship to analysis.

MGT—Management

Dr. Lana Carnes, Chair

MGT 370 Operations Management. (3), I, II. Prerequisite: MGT 300 (with a minimum grade of "C"). Practical approaches for improving productivity of operations using methods designed for quality management, sales forecasting, facility layout and location, human resource planning and scheduling, and inventory control.

MGT 375 Supply Chain Management (3) A. Prerequisite: MGT 340 (with a minimum grade of "C"). The integration of key business processes from end-user through original suppliers that add value for customers and other stakeholders. Topics include integration and strategic partnering, procurement and outsourcing strategies, value-added services and international challenges.

MGT 400 Organization Theory. (3) I, II. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of "C" in each prerequisite course). Principles of organization design as they relate to goals and strategy formulation, environmental conditions, technology, job design, control systems, and decision making.

MGT 406 Continuous Improvement in Organizations. (3) A. Prerequisites: MGT 300 and QMB 200 or MGT 301 (with a minimum grade of "C" in each prerequisite course). Advanced methods and techniques used to analyze change, monitor, and analyze organizational performances, control resources, and otherwise direct the management of complex organizations.

MGT 410 Labor Relations. (3) I. Prerequisite: MGT 320 (with a minimum grade of "C"). Study of labor-management relationships including union organization campaigns, contract negotiations, grievance and arbitration procedures, labor-management cooperation, and union free environments.

MGT 425 Compensation Management. (3) I, II. Prerequisite: MGT 320 (with a minimum grade of "C"). Advanced study of the human resource function of employee compensation. Topics include job analysis and evaluation, compensation surveys, pay structures, budgeting, pay for performance systems, benefits administration, and federal regulation of compensation management.

MGT 430 International Management. (3) A. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of "C" in each prerequisite course). Study of management of international organizations with emphasis on techniques, processes and structures. Topics include organizational culture, leadership, ethics, decision making, and human resource management.

MGT 440 Human Resource Development. (3) I. Prerequisite: MGT 320 (with a minimum grade of "C"). Advanced study of human resource management functions aimed at enhancing organizational effectiveness. Topics include training needs analysis; training program design, implementation, and evaluation; performance management and appraisal; and costing human resource development programs.

MGT 445 Employee Recruitment and Selection. (3) I. Prerequisite: MGT 320 (with a minimum grade of "C"). Advanced study of the human resource function of staffing. Topics include: recruitment, the design and implementation of effective selection procedures which comply with federal/state requirements; analysis and reporting of employee data.

MGT 450 Management Seminar. (1-3) A. May be retaken under different sub-topics to a maximum of nine hours. Selected topics in contemporary management literature.

MGT 465 Entrepreneurial Leadership (3) A. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of "C" in each prerequisite course). Investigation of contemporary issues and trends in entrepreneurship through a leadership lens. Topics include self- and social responsibility, and the societal impact of entrepreneurship.

MGT 480 Organization Behavior. (3) I, II. Prerequisite: MGT 300 or MGT 301 (with a minimum grade of "C"). Behavioral and psychological processes that occur within work settings. Topics include decision making, motivation, team building, and conflict resolution.
MKT 300 Principles of Marketing. (3) I, II. Prerequisites: ACC 201, 202, and ECO 230 with a grade of “C” or better in each course; junior standing (at least 60 hours) with an overall GPA of 2.0. Overview of strategic processes involved in marketing goods and services to global markets; study of behavioral, organizational, and consumer variables in decision processes; use of the marketing mix and marketing information to affect buyer decisions.

MKT 301 Principles of Marketing (NB). (3) A. Prerequisites: junior standing (at least 60 hours) with an overall GPA of 2.0. Not for students majoring or minoring in business. Overview of strategic processes involved in marketing goods and services to global markets; study of behavioral, organizational, and consumer variables in decision processes; use of the marketing mix and marketing information to affect buyer decisions. Credit will not be awarded for both MKT 300 and 301.

MKT 304 Retailing. (3) A. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Principles of retailing: from the marketing perspective; types of retail businesses; organizations; location; layout; management of operations, inventory, personnel, promotion, and control.

MKT 306 Services Marketing. (3) A. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Understanding the customer from the services and non-profit marketing perspectives. Examination of marketing in services industries with emphasis on the unique aspects of services marketing, the service marketing mix and the implementation of services strategies.

MKT 309 Integrated Marketing Communications. (3) A. Prerequisite: MKT 300 or MKT 301 (with a grade of “C” or better in each prerequisite course). A course covering the theories, strategies, and skills of Integrated Marketing Communication, with a special emphasis on applying IMC to the Internet and World Wide Web (WWW).

MKT 310 Personal Selling. (3) A. Prerequisite: MKT 300 or MKT 301. Personal selling in marketing; the selling process, stressing the modern, international sales/marketing approach to customer society oriented problem solving.

MKT 312 Principles of Transportation. (3) A. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Personal selling in marketing; the selling process, stressing the modern, international sales/marketing approach to customer society oriented problem solving.

MKT 315 Physical Distribution Management. (3) A. Prerequisite: MKT 300 (with a minimum grade of “C” in each prerequisite course). Movement and storage of goods, coordination and control of inventory, customer service, packaging, materials handling, facilities location and site selection, transportation.

MKT 320 Advertising. (3) A. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). How advertising is organized, economic and social aspects; advertising research; basic media strategy; consumer behavior; legal and other restraints; careers in advertising.

MKT 349 Applied Learning in Marketing. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. Three hours may be used as an upper division business elective in the Marketing option. Three hours are required in the Music Marketing option. May be repeated for a total of 16 credit hours.

MKT 349 A-N Cooperative Study: Marketing. (5-8) A. Prerequisites: minimum GPA 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required for each credit hour. Three hours may be used as an upper division business elective in the Marketing option. Three hours are required in the Music Marketing option. May be repeated for a total of 16 credit hours.

MKT 350 Consumer Behavior in Marketing. (3) I, II. Prerequisite: MKT 300 or MKT 301 (with a minimum grade of “C” in each prerequisite course). Role of consumer behavior in marketing; role of consumer behavior and consumer decision making as it affects the marketing firm; basic concepts of consumer behavior and consumer decision making as it affects the marketing firm; basic concepts of consumer behavior and consumer decision making as it affects the marketing firm.

MKT 370 Sports Marketing. (3) A. Prerequisite: MKT 300 or 301. The strategic application of marketing theories and perspectives to the sports industry. Topics include sports franchise promotion, sports identification, consumer loyalty to teams and participation sports, and marketing with the assistance of sports figures.

MKT 380 Seminar in Marketing. (3) A. Prerequisite: MKT 300 or MKT 301. May be taken under different sub-topics to a cumulative maximum of six hours. Selected topics in contemporary marketing literature.

MKT 400 International Marketing. (3) I, II. Prerequisite: MKT 300 (with a minimum grade of “C”). Determination of marketing strategy by United States firms and multinational corporations for serving foreign markets and for adapting to variations in cultural and economic factors affecting foreign marketing efforts.

MKT 401 Internet Marketing. (3) A. Prerequisite: MKT 300 or 301 (with a minimum grade of “C” in each prerequisite course). Survey, analysis, and evaluation of current trends and issues in marketing in computer mediated environments, including how the marketing mix is adapted strategically to the Internet and World Wide Web, intranets, and other electronic forms.

MKT 404 Retailing Management. (3) A. Prerequisite: MKT 300 or 301 (with a minimum grade of “C” in each prerequisite course). Investigation of current problems faced by retailers in store operations, management, retail buying, and inventory control. Outside readings, oral and written case studies, and field trip experiences are required.

MKT 405 Retailing Defense for PGM. (3) I, II. Prerequisite: MKT 300 (with a minimum grade of “C”); junior/senior standing (a minimum grade of 60 hours). Investigation of current problems faced retail operations in the golf industry to include buying, vendor selection, merchandise planning, pricing, promotion, and display, inventory control, and performance management. Students will be required to complete case studies and a field project.

MKT 408 Sales Management. (3) A. Prerequisite: MKT 310 (with a minimum grade of “C”). Sales function: measurement and control with emphasis on current management techniques: time management, on-the-job coaching, directing the sales force to sell key accounts, situational analysis, and decision-making.

MKT 420 Marketing for the Arts. (3) A. Prerequisite: MKT 300 or MKT 301. Essentials of marketing and marketing strategies for the arts organizations and individual artists to reach diverse arts audiences.

MKT 431 Purchasing and Materials Management. (3) A. Prerequisite: MKT 300 (with a minimum grade of “C”). The purchasing process as it focuses on supply efficiency and effectiveness relating to the fit between purchasing objectives and strategies and organizational objectives and strategies.

MKT 440 Industrial Marketing. (3) A. Prerequisite: MKT 300 (with a grade minimum of “C”). An analysis of the marketing structure for industrial products. Product lines, channels of distribution, selling, pricing, and wholesaling practices.

MKT 455 Marketing Research and Analysis. (3) I, II. Prerequisites: MKT 300 and QMB 200 (with a minimum grade of “C”) in each prerequisite course. The role of research in marketing decision making: the research process, with emphasis on collection, analysis, and interpretation of data as applied to solving marketing problems. Students are required to do a research project.

MKT 456 Qualitative Research in Marketing. (3) A. Prerequisites: MKT 300 and 455 with a grade of “C” or better in each prerequisite course; junior or senior standing with an overall minimum grade of 2.5 GPA. Students will learn to design and actively engage in qualitative research projects, collecting and analyzing qualitative data such as interviews, in a marketing context.

MKT 457 Experimental Design for Marketing. I, II. (3) Prerequisite: MKT 455. Students will learn how to design an experimental study, collect and analyze the data in a marketing context, and interpret and present the analyses.

MKT 460 Marketing Management. (3) I, II. Prerequisites: MKT 300 (with a minimum grade of “C”). Marketing Majors with Marketing Concentration and Senior Standing. The strategic marketing planning process involving analysis of the changing market place; analysis of alternative strategies to meet the needs of target markets; and the profitable execution of the marketing plan.

MKT 481 Internship in Marketing. (3 or 6) A. Prerequisites: minimum 2.25 GPA, MKT 300, MKT 301, MKT 300 (with a minimum grade of “C” in each prerequisite course), and consent of instructor. Provides student with part-time or full-time relevant work experience in marketing. Written assignments and a project are required. May be taken only once for three (3) or six (6) hours of credit and not concurrently with Cooperative Study.

MKT 490 Special Problems in Marketing. (3) A. Prerequisite: advisor/departmental approval. May be taken under different sub-topics to a cumulative maximum of six hours. Intended work, special workshop, social topics, or seminars. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

MLS—Medical Laboratory Science

Dr. Carolyn Harvey, Interim Chair

MKS 201 Introduction to Clinical Pathology. (3) II. Formerly MLS 201. Open to all students. Techniques common to clinical laboratories. Stresses basic physical and chemical principles of disease process. 3 Lec. Credit will not be awarded for both MLS 201 and MKS 201.

MKS 290 Medical Biochemistry. (3) Formerly MLS 290. Formerly CHE 112, 112L, and BIO 121 or BIO 111. The study of biochemical systems of the body with emphasis on medical consequences when these systems are disrupted. Topics: proteins, carbohydrates, lipids, DNA/RNA and liver functions. 3 Lec. Credit will not be awarded for both MLS 290 and MKS 290.

MKS 300 Clinical Laboratory Administration. (2) Formerly MLS 300. Prerequisite: enrollment in upper division MLS program or departmental approval. Lab calculations,

2014-2015 EKU UNDERGRADUATE CATALOG

instrumentation, and quality assurance. 2 Lec. Credit will not be awarded for both CLS 300 and MLS 300.

MLS 302 Clinical Laboratory Skills. (1), II. Formerly CLS 303. Prerequisite: enrollment in upper division MLS program or departmental approval. Skills for clinical laboratory practitioners, including quality assurance, laboratory safety, phlebotomy, microscopy, pipetting, universal precautions, and principles of quality assurance. Credit will not be awarded for both CLS 303 and MLS 303.

Analysis of Body Fluids. (2) I. Formerly CLS 305. Prerequisite: enrollment in upper division MLS program or departmental approval. Principles, procedures, and significance of analysis of urine, spinal fluid, and other fluids commonly examined in the clinical laboratory. 3 Lec/Lab. Credit will not be awarded for both CLS 305 and MLS 305.

MLS 308 Clinical Serology. (2) I. Formerly CLS 308. Prerequisite: enrollment in upper division MLS program or departmental approval. Principles and techniques of antigen-antibody reactions of the human immune system and their relationship to the clinical laboratory. Credit will not be awarded for both CLS 308 and MLS 308.

MLS 310 Hematology and Coagulation. (5) I. Formerly CLS 310. Prerequisite: enrollment in upper division MLS program or departmental approval. Morphology of blood cells, determination of blood parameters and diseases associated with blood cells; biochemistry, procedures and disorders/diseases in coagulation. 3 Lec/4 Lab. Credit will not be awarded for both CLS 310 and MLS 310.

MLS 320 Immunohematology. (3) II. Formerly CLS 320. Prerequisite: enrollment in upper division MLS program or departmental approval. Blood banking, blood grouping, phenotyping, cell panels, compatibility testing, and transfusion practices. 2 Lec/2 Lab. Credit will not be awarded for both CLS 320 and MLS 320.

MLS 346 Clinical Chemistry. (5) II. Formerly CLS 346. Prerequisite: enrollment in upper division MLS program or departmental approval. Introduction to theory and lab procedures, measurement of constituents of body fluids, instrumentation, and clinical interpretation of results in relation to biochemistry of human systems. 3 Lec/3 Lab. Credit will not be awarded for both CLS 346 and MLS 346.

MLS 350 Bacteriology and Virology. (5) I. Formerly CLS 350. Prerequisite: enrollment in the upper division MLS program or departmental approval. Study of medically important bacteria with emphasis on the clinical laboratory methods of microscopy, cultivation, identification, antimicrobial susceptibility testing, and quality control. Includes study of rickettsiae, mycoplasmas, chlamydiae, and fundamentals of clinical laboratory. 3 Lec/4 Lab. Credit will not be awarded for both CLS 350 and MLS 350.

MLS 355 Mycology and Parasitology. (4) II. Formerly CLS 355. Prerequisites: enrollment in the upper division MLS program or departmental approval. Study of fungi and parasites as agents of human disease, with emphasis on the clinical laboratory methods of microscopy, in vitro cultivation, identification, and antimicrobial susceptibility. 3 Lec/1 Lab. Credit will not be awarded for both CLS 355 and MLS 355.

MLS 431 Clinical Correlations. (3), I, A. Formerly CLS 431. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Correlates the sub-disciplines of clinical laboratory science. Reviews all areas and stresses laboratory medicine in the health professions. 3 Lec.

Credit will not be awarded for both CLS 431 and MLS 431.

MLS 432 Clinical Chemistry Practicum. (5) II, A. Formerly CLS 432. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Diagnostic chemical procedures in an affiliated laboratory. Credit will not be awarded for both CLS 432 and MLS 432.

MLS 434 Clinical Microbiology Practicum. (4) I, II. Formerly CLS 434. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Clinical bacteriology, parasitology, and mycology in an affiliated laboratory. Credit will not be awarded for both CLS 434 and MLS 434.

MLS 436 Lab Management Practicum. (1) I, II. Formerly CLS 436. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Principles of managing a medical laboratory presented in an affiliated laboratory. Credit will not be awarded for both CLS 436 and MLS 436.

MLS 437 Clinical Laboratory Seminar. (3) I, II. Formerly CLS 437. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Introduction to theory and lab procedures in an affiliated laboratory. Credit will not be awarded for both CLS 437 and MLS 437.

MLS 438 Hematology Practicum. (4) I, I, A. Formerly CLS 438. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Diagnostic blood parameters and morphology studies in an affiliated laboratory. Credit will not be awarded for both CLS 438 and MLS 438.

MLS 439 Urinalysis Practicum. (1) I, A. Formerly CLS 439. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Diagnostic urine and body fluid procedures in an affiliated laboratory. Credit will not be awarded for both CLS 439 and MLS 439.

MLS 440 Blood Bank Practicum. (2) I, A. Formerly CLS 440. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Practical blood banking in an affiliated laboratory. Credit will not be awarded for both CLS 440 and MLS 440.

MLS 441 Immunology Practicum. (1) I, A. Formerly CLS 441. Prerequisites: enrollment in upper division MLS program and completion of all 300-level MLS courses. Practical immunology in an affiliated laboratory. Credit will not be awarded for both CLS 441 and MLS 441.

MLT — Medical Laboratory Technician

MLT 201 Urinalysis. (1), I, I. Formerly CLT 201. Prerequisite: admission to MLT program or departmental approval. 1 Lec/Lab. Credit will not be awarded for both CLT 201 and MLT 201.

MLT 202 Hematology. (3) I, II. Formerly CLT 202. Prerequisite: admission to MLT program. Morphology of blood cells, determination of blood parameters and diseases associated with blood cells; biochemistry, procedures and disorders/diseases in coagulation. 3 Lec/Lab. Credit will not be awarded for both CLT 202 and MLT 202.

MLT 203 Clinical Chemistry. (3) I. Formerly CLT 203. Prerequisite: admission to MLT program. Introduction to theory and lab procedures, measurement of constituents of body fluids, instrumentation, and clinical interpretation of results in relation to biochemistry of human systems. 3 Lec/ Lab. Credit will not be awarded for both CLT 203 and MLT 203.

MLT 204 Immunology/Blood Banking. (2) I. Formerly CLT 204. Prerequisite: admission to MLT program or departmental approval. A study of the immune system, clinical serology, and blood banking and the lab-techniques associated with each area. 4 Lec/Lab. Credit will not be awarded for both CLT 204 and MLT 204.

MLT 205 Practicum I. (7), I, I. Formerly CLT 205. Corequisite: MLT 206. Prerequisites: MLT 201, 202, 203, 204, 208, 209 and 211. Administrative policies, hematology, serology, and blood banking in an affiliated hospital. Credit will not be awarded for both CLT 205 and MLT 205.

MLT 206 Practicum II. (6) I, I. Formerly CLT 206. Corequisite: MLT 205. Prerequisites: MLT 201, 202, 203, 204, 208, 209 and 211. Review of MLT subject areas with emphasis on clinical significance, and interpretation of lab requests. 2 Lec. Credit will not be awarded for both CLT 206 and MLT 206.

MLT 207 Technical Correlations. (2) I, II. Formerly CLT 207. Prerequisites: MLT 201, 202, 203, 204, 208, 209 and 211. Review of MLT subject areas with emphasis on clinical significance, and interpretation of lab requests. 2 Lec. Credit will not be awarded for both CLT 207 and MLT 207.

MLT 208 Clinical Techniques. (1), I, I. Formerly CLT 208. Prerequisite: admission to MLT program or departmental approval. Skills for clinical laboratory practitioners, including laboratory safety, phlebotomy, microscopy, pipetting, universal precautions, and principles of quality assurance. Credit will not be awarded for both CLT 208 and MLT 208.

MLT 209 Medical Microbiology. (3) A. Formerly CLT 209. Prerequisite: CLT 203. Study of bacteria and parasites as agents of human disease with emphasis on the pathogenesis, epidemiology, and diagnosis of infectious diseases. 3 Lec. Credit will not be awarded for both CLT 209 and MLT 209.

MLT 211 Medical Microbiology Laboratory. (2), I, II. Formerly CLT 211. Prerequisite or Corequisite: MLT 209. Laboratory methods in the diagnosis and management of infectious diseases. 4 Lab. Credit will not be awarded for both CLT 211 and MLT 211.

MSL — Military Science and Leadership

LTC Ralph Hudnul, Chair

MSL 101 Leadership and Personal Development (2). Introduces students to the personal challenges and competencies critical for effective leadership. Students learn how the personal development of life skills such as critical thinking, goal setting, time management, stress management, and physical/mental fitness (resiliency training) relate to leadership, entrepreneurship, and the Army profession. 1 Lec/1 Lab.

MSL 102 Introduction to Tactical Leadership (2). Overviews basic leadership fundamentals such as setting directions, problem solving, listening, presenting briefs, providing feedback, and using effective writing skills. Students explore dimensions of leadership attributes and core leader competencies in the context of practical hands-on, and interactive exercises. 1 Lec/1 Lab.

MSL 201 Foundations of Tactical Leadership (2). Explores the dimensions of creative and innovative tactical leadership strategies and styles by examining team dynamics and two historical leadership theories that form the basis of the Army leadership framework (trait and behavior theories). Students practice aspects of personal motivation and team building in the context of planning, executing, and assessing team exercises and participating in leadership labs. 2 Lec/1 Lab.

MSL 202 Foundations of Leadership (3) II. The course highlights dimensions of operation orders, terrain analysis, and patrolling. Further study of the legal and ethical aspects of the Army Leadership Requirements Model explores the dynamics of adaptive leadership in the context of military operations. 2.5 Lec/2.5 Lab.

MSL 210 Leader Training (5) Summer Only. A comprehensive leader training course which can be taken in lieu of 201 and 202. This course emphasizes an experiential, hands-on approach to leader development. Held at Fort Knox, Kentucky.
SECTION SIX - COURSE DESCRIPTIONS

Students are paid to attend.

**MSL 298 Independent Leadership Studies** (2-3) A. Prerequisite: departmental approval; may be taken once in lieu of MSL 201 or 202. Students record observed traits in a dimensional leadership journal and discuss observations with instructor. Independent examination of effective leadership, communications, goal setting, decision-making, problem solving, and quality improvement techniques. 2.5 Ind Stu/2.5 Lab.

**MSL 301 Adaptive Team Leadership (3) L**
Prerequisites: 54 hours, MSL 201 and 202 or MSL 210; or Departmental approval. Challenges Cadets to study, practice, and evaluate adaptive leadership skills as they are presented with challenging scenarios related to squad tactical operations. Cadets receive systematic and specific feedback on their leadership attributes and actions. Based on such feedback, as well as their own self-evaluations, Cadets continue to develop their leadership and critical thinking abilities. 2.5 Lec/2.5 Lab.

**MSL 302 Applied Team Leadership (3) L**
II. Prerequisite: MSL 301 or departmental approval. Uses increasingly intense situational team leadership challenges to build Cadet awareness and skills in leading tactical operations at the small unit level. Cadets review aspects of full spectrum operations. They also conduct military briefings and develop proficiency in the operation orders process. 2.5 Lec/2.5 Lab.

**MSL 303 American Military History (3)** I, ENG 102 or ENG 105(B) or HON 102. Examines U.S. Military History from pre-revolutionary times to Global War on Terrorism. Applies the Threads of Continuity model, defines the (9) principles of war; (5) forms of maneuver, analyzes the political-economic-technological-socioc-psychological impacts on the military. Develops leadership through individual/group contribution participation in case studies, classroom presentations, book report, battle analysis, and battlefield staff ride/museum tour. Gen. Ed. E-5A—History.

**MSL 310 Leadership Development and Assessment Course.** (6) Summer Only. Prerequisite: MSL 302. Refines student leadership and teamwork building skills through intensive practical application, rotating leader/command experience involving problem analysis, decision-making, and troop leading in both garrison and field environments. Held at Fort Lewis, Washington.

**MSL 311 Internship in Leadership (3)** Summer Only. Pre and Corequisites: MSL 301, MSL 302 and enrolled in MSL 310. Students assigned to leadership positions with active army units for 3-4 weeks. Students are paid and receive a written evaluation of their leadership performance and potential and must complete an after action report upon returning. May only be taken once.

**MSL 401 Adaptive Leadership (3) L**
Prerequisite: MSL 302 or departmental approval. Transitions the focus from being trained, mentored and evaluated, to learning how to train, mentor and evaluate underclass Cadets. Cadets will learn the duties and responsibilities of an Army staff officer and apply the Military Decision Making Process, the Army Writing Style and the Army’s Training Management and METL Development processes during weekly Training Meetings to plan, execute and assess battalion training events. Cadets will learn how to safely conduct this training by understanding and employing the Risk Management Process. Cadets will learn how to use the Comprehensive Soldier Fitness Program to reduce and manage stress. .5 Lec/2.5 Lab.

**MSL 402 Leadership in a Complex World (3) L** II. Prerequisite: MSL 401 or departmental approval. Explores the dynamics of leading Soldier’s in Full Spectrum Operations in the Contemporary Operating Environment. Cadets examine differences in Customs and Courtesies, Principles of War, and Rules of Engagement in the face of Terrorism; explore aspects of interacting with Non-Government Organizations, Civilians on the Battlefield, Host Nation Support, and Counterinsurgency Operations. Also covered are Support Services available to assist Soldiers and their families. MSL IV’s will develop and present a Battle Analysis and participate in a Staff Ride at an historic military site. 2.5 Lec/2.5 Lab.

**MSL 403 Topics in Military Leadership** (1) A. Prerequisite: MSL 402. Study of current issues relevant to the professional development and commissioning of Second Lieutenants in the United States Army. May repeat with different topics for a maximum of 4 hours. 1 Lec/1 Lab.

**MSL 498 Advanced Independent Leadership Studies (3) A.** Prerequisite: departmental approval; may be taken twice in lieu of MSL 301, 302, 401, or 402. Equivalent study of the materials covered in the course being replaced. 2.5 Ind Stu/2.5 Lab.

**MUH—Music APPLIED MUSIC**

**Rob James, Chair**

Applied music courses are only open to music majors and minors. Enrolment in applied music courses requires participation in a music ensemble.

**MUS 101 Performance Class.** (0) A. Required of all music majors for three semesters. Passing grade achieved when students have attended a minimum total of 16 concert events per semester.

**MUS 107 Class Guitar for Nonmajors.** (1) I, II. Instruction in guitar for non-music majors. May be taken to a maximum of 4 hours.

**MUS 108 Class Voice for Nonmajors.** (1) I, II. Instruction in singing for non-music majors. May be taken to a maximum of 4 hours.

**MUS 109 Introductory Class Piano.** (1) I. For students enrolled in MUS 102. Elementary keyboard techniques and reading drill. Credit does not count toward a music major or minor.

**MUS 110 Beginning Class Piano I.** (1) I, II. Prepares non-piano majors to meet Level I Piano Proficiency Examination requirements. Basic keyboard skills, elementary repertoire, and technique. Some music reading ability required. May be taken to a maximum of 4 hours.

**MUS 111 Beginning Class Piano II.** (1) I, II. Prerequisite: MUS 110 or departmental approval. Continuation of MUS 110. May be taken to a maximum of two hours.

**MUS 112 Piano I.** (1-2) I, II. Corequisite: MUS 225 or 226 or 313; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of four hours.

**MUS 114 Keyboard Skills I.** (2) I, II. Prepares piano majors and other music majors with advanced keyboard background to meet Level II Piano Proficiency Examination requirements. Emphasis is functional skills, such as reading, transposing, playing by ear, harmonizing and improvising, combined with keyboard harmony, technique and memorization skills.

**MUS 115 Keyboard Skills II.** (2) I, II. Prerequisite: MUS 114 or departmental approval. Continued development of skills begun in MUS 114 to prepare piano majors and other music majors with advanced keyboard back ground to meet Level IV Piano Proficiency Examination Requirements.

**MUS 122 Voice I.** (1-2) I, II. Corequisite: MUS 225 or 226; course open to music majors or minors only. One or two lessons per week. May be retaken to a maximum of four hours.

**MUS 132a Violin I.** (1-2) I, II. Corequisite: MUS 235 or 236; course open to music majors or minors only. One or two lessons per week. Instruction available in violin. May be retaken to a maximum of four hours.
MUS 132b Violin I. (1-2) I, II. Corequisite: MUS 222 or 226. May be retaken to a maximum of four hours.

MUS 145d French Horn I. (1-2) I, II. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in French horn. May be retaken to a maximum of four hours.

MUS 145c Euphonium I. (1-2) I, II. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in euphonium. May be retaken to a maximum of four hours.

MUS 146b Oboe I. (1-2) I, II. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in oboe. May be retaken to a maximum of four hours.

MUS 146c Clarinet I. (1-2) I, II. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in clarinet. May be retaken to a maximum of four hours.

MUS 146d Bassoon I. (1-2) I, II. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in bassoon. May be retaken to a maximum of four hours.

MUS 146e Saxophone I. (1-2) I, II. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in saxophone. May be retaken to a maximum of four hours.

MUS 147 Percussion I. (1-2) I, II. Corequisite: MUS 250 and 425 or 426; course open to music majors only. One or two lessons per week. May be retaken to a maximum of four hours.

MUS 148d Trombone II. (1-2) I, II. Prerequisite: MUS 146c. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in trombone. May be retaken to a maximum of four hours.

MUS 148g Tuba II. (1-2) I, II. Prerequisite: MUS 145c. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in tuba. May be retaken to a maximum of four hours.

MUS 150d String Bass I. (1-2) I, II. Corequisite: MUS 232d or 232e; course open to music majors or minors only. One or two lessons per week. Instruction available in string bass. May be retaken to a maximum of four hours.

MUS 151d String Bass II. (1-2) I, II. Prerequisite: MUS 150d. Corequisite: MUS 232d or 232e; course open to music majors or minors only. One or two lessons per week. Instruction available in string bass. May be retaken to a maximum of four hours.

MUS 152a Oboe I. (1-2) I, II. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in oboe. May be retaken to a maximum of four hours.

MUS 152b Oboe II. (1-2) I, II. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in oboe. May be retaken to a maximum of four hours.

MUS 2010 Intermediate Class Piano I. (1) I, II. Prerequisite: MUS 111 or departmental approval. Second year course for non-piano majors to meet Level II Piano Proficiency Examination requirements. Continuation of skill development listed under MUS 110; more complex materials, intermediate repertoire, and technique. May be retaken to a maximum of two hours.

MUS 2011 Intermediate Class Piano II. (1) I, II. Prerequisite: MUS 2010 or departmental approval. Continuation of MUS 110. May be retaken to a maximum of two hours.

MUS 211 Piano I. (1-2) I, II. Prerequisite: MUS 112. Corequisite: MUS 222 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in piano. May be retaken to a maximum of four hours.

MUS 212 Piano II. (1-2) I, II. Prerequisite: MUS 211. Corequisite: MUS 222 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in piano. May be retaken to a maximum of four hours.

MUS 222a Voice I. (1-2) I, II. Prerequisite: MUS 122. Corequisite: MUS 222 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in voice. May be retaken to a maximum of four hours.

MUS 222b Voice II. (1-2) I, II. Prerequisite: MUS 222a. Corequisite: MUS 222 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in voice. May be retaken to a maximum of four hours.

MUS 223a Violin I. (1-2) I, II. Prerequisite: MUS 132a. Corequisite: MUS 223 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in violin. May be retaken to a maximum of four hours.

MUS 223b Violin II. (1-2) I, II. Prerequisite: MUS 132b. Corequisite: MUS 223 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in violin. May be retaken to a maximum of four hours.

MUS 223c Cello I. (1-2) I, II. Prerequisite: MUS 132c. Corequisite: MUS 223 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in cello. May be retaken to a maximum of four hours.

MUS 223d String Bass I. (1-2) I, II. Prerequisite: MUS 132d. Corequisite: MUS 223 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in string bass. May be retaken to a maximum of four hours.

MUS 223e String Bass II. (1-2) I, II. Prerequisite: MUS 132e. Corequisite: MUS 223 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in string bass. May be retaken to a maximum of four hours.

MUS 223f Guitar I. (1-2) I, II. Prerequisite: MUS 132f. Corequisite: MUS 223 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in guitar. May be retaken to a maximum of four hours.

MUS 223g Guitar II. (1-2) I, II. Prerequisite: MUS 132g. Corequisite: MUS 223 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in guitar. May be retaken to a maximum of four hours.

MUS 224a Flute I. (1-2) I, II. Prerequisite: MUS 124a. Corequisite: MUS 224 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in flute. May be retaken to a maximum of four hours.

MUS 224b Flute II. (1-2) I, II. Prerequisite: MUS 224a. Corequisite: MUS 224 or 226; course open to music majors or minors only. One or two lessons per week. Instruction available in flute. May be retaken to a maximum of four hours.

MUS 245b French Horn II. (1-2) I, II. Prerequisite: MUS 145b. Corequisite: MUS 250 and 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in French horn. May be retaken to a maximum of four hours.

MUS 250d Trombone II. (1-2) I, II. Prerequisite: MUS 225d or 226d; course open to music majors or minors only. One or two lessons per week. Instruction available in trombone. May be retaken to a maximum of four hours.

MUS 254a Guitar I. (1-2) I, II. Prerequisite: MUS 146a. Corequisite: MUS 254 or 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in guitar. May be retaken to a maximum of four hours.

MUS 254b Guitar II. (1-2) I, II. Prerequisite: MUS 254a. Corequisite: MUS 254 or 255a or 255b or 256; course open to music majors or minors only. One or two lessons per week. Instruction available in guitar. May be retaken to a maximum of four hours.

MUS 300 Music Industry Careers & Internship Seminar. (0) I, II. Prerequisite: junior standing in music or departmental approval. Required of all Music Industry students who have earned at least 60 hours. Credit will be given when students have attended and/or completed department-sponsored activities regarding professional skills and internships and careers.

MUS 312 Flute III. (1-4) I, II. Prerequisite: MUS 212 and completion of the sophomore comprehensive in music. Corequisite: MUS 425 or 426; course open to music majors only. One or two lessons per week. May be retaken to a maximum of four hours.
426; course open to music majors only. One or two lessons per week. May be retaken to a maximum of eight hours.

MUS 330 String Instruments Class II. (1) I, II. Prerequisite: MUS 230. Continuation of MUS 230.

MUS 332a Violin III. (1-4) I, II. Prerequisite: MUS 250 and 455a or 455b or 455c or 455d or 455e. Course open to music majors or minors only. One or two lessons per week. Instruction in violin. May be retaken to a maximum of eight hours.

MUS 332b Viola III. (1-4) I, II. Prerequisite: MUS 232b and completion of the sophomore comprehensive in music. Corequisite: MUS 435 or 436 or 437; course open to music majors only. One or two lessons per week. Instruction in viola. May be retaken to a maximum of eight hours.

MUS 332c Cello III. (1-4) I, II. Prerequisite: MUS 232c and completion of the sophomore comprehensive in music. Corequisite: MUS 435 or 436 or 437; course open to music majors only. One or two lessons per week. Instruction in ‘cello. May be retaken to a maximum of eight hours.

MUS 332d String Bass III. (1-4) I, II. Prerequisite: MUS 332d and completion of the sophomore comprehensive in music. Corequisite: MUS 435 or 436 or 437; course open to music majors only. One or two lessons per week. Instruction in string bass. May be retaken to a maximum of eight hours.

MUS 332f Guitar III. (1-4) I, II. Prerequisite: MUS 332f and completion of the sophomore comprehensive in music. Corequisite: MUS 435 or 457; course open to music majors only. One or two lessons per week. Instruction in guitar. May be retaken to a maximum of eight hours.

MUS 342 Organ III. (1-4) I, II. Prerequisite: MUS 242, Corequisite: MUS 425 or MUS 426 or MUS 513; course open to music majors only. One or two lessons per week. May be retaken to a maximum of eight hours.

MUS 345a Cornet and Trumpet III. (1-4) I, II. Prerequisite: MUS 245a and completion of the sophomore comprehensive in music. Corequisite: MUS 250 and 256 or 455a or 455b or 455c; course open to music majors only. One or two lessons per week. Instruction available in cornet and trumpet. May be retaken to a maximum of eight hours.

MUS 345b French Horn III. (1-4) I, II. Prerequisite: MUS 245b and completion of the sophomore comprehensive in music. Corequisite: MUS 250 and 256 or 455a or 455b or 455c; course open to music majors only. One or two lessons per week. Instruction available in French horn. May be retaken to a maximum of eight hours.

MUS 345c Euphonium III. (1-4) I, II. Prerequisite: MUS 245c and completion of the sophomore comprehensive in music. Corequisite: MUS 250 and 455a or 455b or 455c; course open to music majors or minors only. One or two lessons per week. Instruction available in euphonium. May be retaken to a maximum of eight hours.

MUS 345d Trombone III. (1-4) I, II. Prerequisite: MUS 245d and completion of the sophomore comprehensive in music. Corequisite: MUS 250 and 256 or 455a or 455b or 455c; course open to music majors only. One or two lessons per week. Instruction available in trombone. May be retaken to a maximum of eight hours.

MUS 346a Tuba III. (1-4) I, II. Prerequisite: MUS 246a and completion of the sophomore comprehensive in music. Corequisite: MUS 250 and 455a or 455b or 455c; course open to music majors or minors only. One or two lessons per week. Instruction available in tuba. May be retaken to a maximum of eight hours.

MUS 346b Flute III. (1-4) I, II. Prerequisite: MUS 246b and completion of the sophomore comprehensive in music. Corequisite: MUS 250 and 455a or 455b or 455c; course open to music majors only. One or two lessons per week. Instruction available in flute. May be retaken to a maximum of eight hours.

MUS 346c Clarinet III. (1-4) I, II. Prerequisite: MUS 246c and completion of the sophomore comprehensive in music. Corequisite: MUS 250 and 455a or 455b or 455c; course open to music majors or minors only. One or two lessons per week. Instruction available in oboe. May be retaken to a maximum of eight hours.

MUS 346d Saxophone III. (1-4) I, II. Prerequisite: MUS 246d and completion of the sophomore comprehensive in music. Corequisite: MUS 250 and 455a or 455b or 455c; course open to music majors or minors only. One or two lessons per week. Instruction available in bassoon. May be retaken to a maximum of eight hours.

MUS 346e Percussion III. (1-4) I, II. Prerequisite: MUS 247 and completion of the sophomore comprehensive in music. Corequisite: MUS 253 and 455a or 455b or 455c; course open to music majors or minors only. One or two lessons per week. Instruction available in percussion. May be retaken to a maximum of eight hours.

MUS 351 Woodwind Instruments Class I. (5-1) I, II. Prerequisite: Admission to Teacher Education. Corequisite: EMS 349Q; Fingering, care of instruments, tone production, and tuning. Group instruction to prepare for teaching woodwind instruments in band or orchestra. Examination of materials suitable for beginning instrumental programs. May be retaken to a maximum of one hour.

MUS 352 Woodwind Instruments Class II. (5-1) I, II. Prerequisite: MUS 351. Continuation of MUS 351. May be retaken to a maximum of one hour.

MUS 354 Percussion Class I. (1) I, II. Prerequisite: Admission to Teacher Education. Corequisite: EMS 349Q; Snare drumming, rudiments, teaching techniques. Experiences on all related percussion instruments: bass drum, tympani, and others. Some experiences with mallet instruments; marimba, xylophone, bells, and others.

MUS 355 Woodwind Instruments Lab. (1) II. Prerequisite: MUS 366. Practical experience in performing and conducting instrumental music literature appropriate for use in school situation. May be retaken to a maximum of one hour.

MUS 365 Choral Music Lab. (1) I. Prerequisite: MUS 366. Practical experience in performing and conducting choral music literature appropriate for use in school situation. May be retaken to a maximum of one hour.

MUS 392 Microphone Placement Techniques (2) I, II. Prerequisite: MUS 292 and Junior standing in Music. The study and understanding of microphone construction, usage, and placement techniques.

MUS 399 Joint Recital. (1) I, II. Prerequisite: junior standing in music. A half-recital shared with another student.

MUS 412 Flute IV. (1-4) I, II. Prerequisite: MUS 312. Corequisite: MUS 425 or 426 or 513; course open to music majors only. One or two lessons per week. May be retaken to a maximum of eight hours.

MUS 422 Voice IV. (1-4) I, II. Prerequisite: MUS 322. Corequisite: MUS 425 or 426; course open to music majors only. One or two lessons per week. May be retaken to a maximum of eight hours.
SECTION SIX - COURSE DESCRIPTIONS

majors or minors only. One or two lessons per week. Instruction available in saxophone. May be retaken to a maximum of eight hours.

MUS 446e Saxophone I. (0-1) I, II. Prerequisite: MUS 446. Corequisite: MUS 455A. Placement required. May be retaken to a maximum of eight hours.

MUS 447 Percussion I. (4-1) I, II. Prerequisite: MUS 442. Corequisite: MUS 441. May be retaken to a maximum of four hours.

MUS 477 Advanced Chamber Music. (1/2) I, II. Prerequisite: MUS 472. May be retaken.

MUS 480S Senior Project. Recital. (3) I, II. Prerequisite: MUS 389. A full performance recital or a theory and composition project consisting of a theory project and recital of student’s own compositions.

MUS 499 Senior Project. Recital. (3) I, II. Prerequisite: MUS 389. A full performance recital or a theory and composition project consisting of a theory project and recital of student’s own compositions.

MUS 512 Piano V. (1-4) I, II. May not be taken for credit by piano majors.

MUS 513 Techniques of Accompanying. (1) I, II. Practical training in the tradition, interpretation, and execution of accompaniments. May be retaken to a maximum of two hours.

MUS 522 Voice V. (1-4) I, II. May not be taken for credit by voice majors.

MUS 542 Organ V. (1-4) I, II. May not be taken for credit by organ majors.

MUS—Music MUSIC ENSEMBLES

Ensembles are open to all students enrolled in the University and qualified persons not enrolled. Audition and performance of standard chamber music literature. Open to pianists, vocalists, string, wind, and percussion players upon recommendation of instructor. Course may be retaken.

MUS 205 Chamber Music. (1/2) I, II. Study and performance of standard chamber music literature. Open to pianists, vocalists, string, wind, and percussion players upon recommendation of instructor. Course may be retaken.

MUS 224 Chamber Singers. (1) I, II. Highly select small ensemble dedicated to the highest standards of preparation and performance of choral literature from all style periods. Membership is by audition only. May be retaken to a maximum of four hours.

MUS 225 Concert Choir. (0-1) I, II. Large mixed chorus open to all singers. This choir places an emphasis on developing sight reading and performance skills while providing a challenging and satisfying musical experience. Course may be retaken.

MUS 235 Orchestra. (0-1) I, II. Rehearsal and performance of orchestra literature from all style periods. Concerts given both on and off campus.

MUS 236 String Orchestra. (0-1) I, II. Rehearsal and performance of string orchestra literature from all style periods. Concerts given both on and off campus. Course open by audition only. May be retaken to a maximum of four hours.

MUS 250A Symphonic Band. (0-1) I, II. Rehearsal and performance of standard band literature. May be retaken to a maximum of four hours.

MUS 250B Small Ensembles. (0-1/2) I, II. Rehearsal and performance for: string, brass, percussion, vocal, and woodwind ensembles. Course may be retaken.

MUS 253 Percussion Ensemble. (0-1) I, II. Rehearsal and performance of standard Percussion Ensemble literature including steel drums, African studies, and marimba ensemble literature. Course open by audition only. May be retaken to a maximum of four hours.

MUS 254 Jazz Ensemble. (0-1) I, II. Rehearsal and performance of standard Jazz Ensemble literature including jazz improvisation, jazz styles, and form. Course open by audition only. May be retaken to a maximum of four hours.

MUS 255A Symphonic Band. (0-1) I, II. Rehearsal and performance of standard band literature. May be retaken to a maximum of four hours.

MUS 255B Small Ensembles. (0-1/2) I, II. Rehearsal and performance for: string, brass, percussion, vocal, and woodwind ensembles. Course may be retaken.

MUS 258C University Singers. (0-1) I, II. Rehearsal and performance of standard Band literature. May be retaken to a maximum of four hours.

MUS 275 Guitar Ensemble. (1) I, II. Prerequisite: MUS 274. May be retaken.

MUS 280 University Singers. (0-1) I, II. Rehearsal and performance of standard Band literature. May be retaken to a maximum of four hours.

MUS 281 Concert Band. (0-1) I, II. Rehearsal and performance of standard Band literature. May be retaken to a maximum of four hours.

MUS 284 History of the Recording Industry. (3) I, II. Prerequisite: MUS 181. Continuing study of skills and strategies for the perception, identification and performance of the basic materials of music.

MUS 285 Guitar Ensemble. (1) I, II. Prerequisite: MUS 284. May be retaken.

MUS 290 History of the Baroque in Light of Current Research. (3) I, II. Prerequisite: MUS 181. Corequisite: MUS 190. Additional study of Baroque music and influences that helped shape changes. Three or more hours rehearsal per week. by audition only. May be retaken to a maximum of four hours.

MUS 320 Organ. (0-1) I, II. Continuation of MUS 319. A full performance recital or a theory and composition project consisting of a theory project and recital of student’s own compositions.

MUS 325 Conducting. (1-2) I, II. Prerequisite: MUS 324. A full performance recital or a theory and composition project consisting of a theory project and recital of student’s own compositions.

MUS 342 Advanced Conducting. (1-2) I, II. Prerequisite: MUS 341. A full performance recital or a theory and composition project consisting of a theory project and recital of student’s own compositions.
MUS 282 Intermediate Theory IV. (3) II. Prerequisite: MUS 281. Corequisite: MUS 282. Continuation of MUS 281. Integrated skills further developed through the study of more difficult structures from the Romantic and Modern periods.

MUS 283 Beginning Composition. (1) A. Instructor approval. Prerequisite: MUS 191. Composition techniques relevant to the student’s stylistic direction. Correct notation and major stylistic analysis stressed. May be retaken to a maximum of four hours provided the subject matter is different each time.

MUS 285 Jazz Improvisation. (3) I, II. Prerequisite: MUS 182 or instructor approval. Develop skills for improvising in contemporary jazz idioms.

MUS 290 Film Scoring. (2) II. Prerequisite: MUS 190, 191 or departmental approval. This course gives students important and practical knowledge, tools, and approaches to writing music in the profession. Will also cover topics in MIDI, sequencing, Finale, Sibelius, and hard disk recording applications.

MUS 292 Fundamentals in Audio Production (2) I, II. Prerequisite: MUS 192. Understanding of the physics of sound, fundamentals of music recording, microphone usage, and digital audio recording technology.

MUS 349 Applied Learning in Music. (5-8) A. Instructor approval. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

MUS 349 A-N Cooperative Study: Music. (5-8) A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

MUS 360 Music Fundamentals for the Elementary Teacher. (2) I, II. Open only to elementary education majors who have been admitted to the Teacher Education Program. Provides the grade teacher with sufficient knowledge and skills to teach music in the classroom. Notation, rhythm, participation, rhythm and melody instrument applications, creative activities, and listening experiences.

MUS 366 Fundamentals of Conducting. (1) I. Prerequisite: MUS 182 or instructor approval. Basic techniques of conducting.

MUS 367 Instrumental Conducting. (2) II. Prerequisite: MUS 366. Instrumental conducting techniques and their application in rehearsal and performance.

MUS 368 Choral Conducting. (2) II. Prerequisite: MUS 366. Choral conducting techniques and their application in rehearsal and performance.

MUS 383 Orchestration. (3) I, II. Prerequisite: Music majors only, MUS 182 and junior standing. Survey of ranges, timbres, and characteristics of orchestral sound. Scoring for wind ensemble and full orchestra.

MUS 384 Computer Skills for Musicians. (2) I, II. Prerequisite: MUS 182 and junior standing in Music. This course will provide a systematic investigation of technologies and software relevant to the field of music.

MUS 390 Survey of the Music Industry I. (3) I. Prerequisite: MUS 191. Examination of the music industry including marketing and promotion, advertising, record production and companies, commercial radio and records, and radio business. A project reflecting course study is required.

MUS 391 Survey of the Music Industry II. (3) Prerequisite: MUS 390 or instructor approval. Continuation of MUS 390. Examination of the music industry including royalties, artist management, performing rights, trade journals, and industry relations and problems. A project reflecting course study is required.

MUS 480 Form and Analysis. (3) I, II. Prerequisites: MUS 399 and junior standing in music. In-depth study of the materials of form from the motive through large structures.

MUS 481 Tonal Counterpoint. (3) A. Prerequisite: MUS 182 or equivalent. A study of contrapuntal music from the 18th century, including analysis of representative literature and stylistic composition assignments.

MUS 482 20th Century Music Analysis. (2) A. Prerequisite: Junior standing. Corequisites and/or prerequisites: MUS 282 and MUS 372. A study of the compositional devices relevant to twentieth-century music, and a study of specific representative literature of significant twentieth-century composers.

MUS 483 Composition. (2) A. Prerequisite: MUS 282 and 283; or departmental approval. Individual guidance in the exploration and development of compositional techniques relevant to the student’s stylistic direction. May be retaken to a maximum of eight hours, provided the subject matter is different.

MUS 510 Special Topics in Music: (1-3) A. Prerequisite: MUS 480 or equivalent or departmental approval. Advanced topics in music. May be retaken to a maximum of six hours, provided the topics are different. Credit will not be awarded for both MUS 510 and 510S.

MUS 510S Special Topics in Music: (1-3) A. Prerequisite: MUS 480 or departmental approval. Advanced topics in music that incorporates a service learning component. May be retaken to a maximum of six hours, provided the topics are different. Credit will not be awarded for both MUS 510 and 510S.

MUS 520 Advanced Diction for Singers. (1, II) Prerequisite: MUS 220. For voice and choral conducting students. Enunciation and pronunciation; accurate pronunciation in German and French.

MUS 550 Teaching Techniques. (1-2) A. Prerequisite: MUS 399 and music majors only. Analysis of current teaching methods and materials with the intention of developing sound teaching procedures. May include observation and performance. Topics in woodwinds, brass, percussion, strings, voice, piano, and organ. May be retaken to a maximum of two hours.

MUS 551 Performance Literature. (1-2) A Prerequisite: MUS 399 and music majors only. Literature for various performing media relative to performance practices and problems. Topics in woodwinds, brass, percussion, strings, voice, piano, and organ. May be retaken to a maximum of two hours.

MUS 554 Band Literature. (2) A. Prerequisite: MUS 372 and music majors only. Designed to acquaint the student with European origins of the modern band; history of band music; and literature for the contemporary band.

MUS 555 Symphonic Music Literature. (3) I, II. Prerequisites: MUS 371 and 372 and music majors only. Evolution of the symphony from its beginning to the 20th century with emphasis on score reading and listening.

MUS 556 Choral Music Literature. (3) A. Prerequisites: MUS 371 and 372 and music majors only. Survey of choral music literature from the 16th century to the present. MUS 556 Advanced Instrumental Conducting. (2) A. Prerequisite: MUS 367 or equivalent. Development of skills in score reading, preparation, interpretation, and conducting of representative orchestra or band works.

MUS 565 Advanced Choral Conducting. (2-3) A. Prerequisite: MUS 367 or equivalent. Development of skills in score reading, preparation, interpretation, and conducting of representative choral works.

MUS 586 Workshop in Instrumental Music. (4-6) A. Topics in band or orchestra procedures. May be retaken to a maximum of four hours.
Consideration is given to food selection, nutrition misinformation, obesity, and other common dietary problems.

**NFA 202 Introduction to Dietsetics.** (1) I. A professional orientation course describing the roles of the practitioner in administrative, clinical, and community dietetics, along with relationships to other health professionals.

**NFA 301 Bio Nutrition.** (3) Prerequisites: CHE 102 or 112/11L, and NFA 201. Structures and chemical properties of protein, fat, and nucleic acids; vitamins, coenzymes, minerals, and water related to metabolic processes.

**NFA 303 Nutrition Education and Counseling.** (3) A. Pre-requisite: NFA 201. Discussion, practice, and application of nutrition-related education and counseling strategies and health behavior theories to develop communication and counseling skills for work with individuals and groups.

**NFA 317 Nutrition in the Life Cycle.** (I, II. Study of dietary needs adapted to periods of the life cycle.

**NFA 321 Meal Management.** (3) A. Prerequisites: NFA 121 and 201. Food management, planning, preparation, and service of meals through management of time, energy, money, and efficient use of equipment. Consideration is given to nutritional needs, food habits, and social customs of family groups.

**NFA 323 Experimental Foods.** (3) A. Prerequisites: NFA 121 and CHE 102 or equivalent. Advanced food science course concerning the study of the reactions and interactions of food components in complex food systems during preparation, processing, and preservation. Lecture and laboratory experiences.

**NFA 325 Quantity Food Production.** (3) I. Prerequisite: NFA 121. Corequisite: NFA 326. Standards, principles, and techniques for managing throughout the functional subsystems of a food service setting: emphasis on quality, quantity, and cost controls.

**NFA 326 Field Experiences in Quantity Food Production.** (3) I. Prerequisite: NFA 321. Corequisite: NFA 326. Supervised field experience in the technical application of theory presented in NFA 325.

**NFA 344 Institutional Purchasing.** (3) II. Prerequisites: NFA 325 and 326 or departmental approval. Principles and methods of purchasing foods and equipment for various types of quantity food services; emphasis on specifications and factors affecting quality; food cost control. Field trips included.

**NFA 349 Applied Learning in Nutrition, Foods, and Food Administration (L-58-A).** Prerequisite: instructor approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

**NFA 349-A-N Cooperative Study: Nutrition, Foods, and Food Administration. (L-58-A).** Prerequisite: instructor approval. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

**NFA 401 Human Nutrition.** (3) L. Prerequisites: NFA 301 and BIO 301. Study of the functions, requirements, and interrelationships of macronutrients in normal nutrition; integration and regulation of energy metabolism and balance.

**NFA 402 Medical Nutrition Therapy.** (3) I. Prerequisite: or Corequisite: NFA 401. Analysis and application of nutrition therapy, documentation, and modified feeding practices including enteral and parenteral nutrition with application for therapeutic management of gastrointestinal disorders.

**NFA 403 Advanced LANS and PC Communications.** (3) A. Prerequisite: NFA 121 or CIS 375. This course will cover installation, configuration, troubleshooting and maintaining common server platforms. The participants will be given the opportunity to setup and manage network hardware, operating systems and applications. 2 Lec/2 Lab.

**NFA 404 Fiber-optics & Communications.** (3) A. Prerequisite: (MAT 108 or higher), (PHY 101). Principles of fiber optic communications and optical communication systems. 2 Lec/2 Lab.

**NFA 406 Exit Exam for BS in NFA** (3) A. Prerequisite: Consent of Advisor. Registration in NFA 406 is required of all undergraduate B.S. (NFA) students for the term in which they wish to take their comprehensive examination.

**NFA 507 Child and Adolescent Nutrition.** (3) A. Prerequisite: NFA 201. Nutritional needs, problems, dietary habits, and motivations of the toddler through adolescent years. Field experience.

**NFA 509 Nutrition and Aging.** (3) A. Prerequisite: NFA 201. Studies the theories of causes of aging; nutritional requirements, dietary intake and effects of nutrition on the rate of biological aging. Field experience.

and usual nursing management. Emphasis on health disparities.

Prerequisite: junior standing or departmental approval. Therapeutic communication processes, theories, and techniques for building nursing partnerships throughout the life cycle. Development of beginning skills in nursing informatics and oral communication.

NSC 252 - Intro to Professional Nursing. (3) I, II. Prerequisite: sophomore standing and minimum 2.5 cumulative GPA requirement or department approval.

Nursing science foundation using selected concepts and constructs. Emphasis on past and current knowledge in the formulation of nursing as a basic and applied science. Application of epidemiology to nursing practice.

NSC 262 - Professional Nursing Concepts. (4) I, II, A. Prerequisite: Admission to the BSN Program – Second Degree Option or department approval. Transition to concepts and theories of professional nursing practice. Development of beginning skills for building nursing-patient relationships.

NSC 330 - Clinical Drug Therapy. (3) I, II, A. Prerequisites: NSC 332, 350, and 380 with a grade of “C” or better. Corequisite: NSC 386. Foundation for applying drug knowledge in client care, with emphasis on increasing therapeutic effects and decreasing adverse effects. Includes study of selected drug classes, prototypes and individual drugs.

NSC 332 - Health Assessment and Promotion II. (2) I, II, A. Prerequisites: NSC 232, 242, and 252 with a grade of “C” or better and admission to the baccalaureate nursing major. Corequisite: NSC 350 and 380. Development of physical assessment skills and evaluation of health patterns for clients throughout the life cycle.

NSC 340 - Health Assessment for the RN. (3) A. Prerequisites: RN status and admission to the RN-BSN Program. Emphasis on physical assessment skills for RNs with application to clients throughout the lifespan.

NSC 350 - Pathophysiology. (3) I, II, A. Prerequisites: NSC 232, 242, and 232 with a grade of “C” or better and admission to the baccalaureate nursing major. Corequisite: NSC 332 and 380. Provides a framework for interpreting structural and functional changes associated with disease, facilitating critical thinking and decision making required of the professional nurse.

NSC 370 - Health Disparities. (3) A. Prerequisite: junior standing or departmental approval. Explores the social, economic, political and historical context of health disparities experienced by groups with an emphasis on racial/ethnic, gender and socioeconomic aggregates. Explores contributing factors and potential solutions to domestic and global health disparities.

NSC 378 - Short Topics in Clinical Nursing. (1-3) A. Prerequisites: NSC 392 and 396. Provides enrichment learning for upper division nursing students and prepares registered nurses. Each segment of the course describes the current trends in nursing theory and practice including relevant pathologic processes and usual nursing management. Emphasis on in-depth study of current interest topics. May be reenrolled to a maximum of six hours credit.

NSC 380 - Adult Health Nursing I. (4) I, II. Prerequisites: NSC 213, 242, and 252 with a grade of “C” or better and admission to the baccalaureate nursing major. Corequisite: NSC 332 and 350. Uses nursing process to develop practice solutions for selected adult health problems.

NSC 381 - Perspectives in Professional Nursing I. (3) A. Prerequisites: RN status and admission to the RN-BSN option. Transition to the professional nursing role for the RN student emphasizing foundational concepts of professional nursing practice.

NSC 382 - Perspectives in Professional Nursing II. (3) Prerequisites: NSC 381 Transition to the professional nursing role for the RN student emphasizing the knowledge development of concepts and theories essential for professional practice.

NSC 385 - Perspectives in Professional Nursing III. (4) Prerequisite: NSC 381, NSC 383. Advanced concepts and skills for professional nursing practice.

NSC 386 - Adult Health Nursing II. (10) I, II. Prerequisites: NSC 332, 350, and 380 with a grade of “C” or better. Corequisite: NSC 330. Uses nursing process to develop practice solutions for selected adult health issues.

NSC 390 - Nursing Research. (2) I, II, A. Prerequisites: senior level and a grade of “C” or better. Uses the research process to guide nursing practice in the delivery of quality, cost effective health care. Credit will not be awarded for both NSC 390 and 3910.

NSC 392 - Mental Health Nursing. (5) I, II. Prerequisites: NSC 330 and 386 with a grade of “C” or better. Uses the nursing process to develop practice solutions for families during the life cycle with selected mental health issues.

NSC 396 - Family Health Nursing. (7) I, II. Prerequisites: NSC 330 and 386 with a grade of “C” or better. Uses the nursing process to develop practice solutions for families during the childbearing and child rearing experience.

NSC 440 - Leadership and Management. (3) A. Prerequisites: RN status and admission to the RN-BSN option. An overview of leadership and management theory in health care explores the leadership role of nursing. Strategies for facing challenges, promoting cost-effective health care, and promoting leadership success in the dynamic health care system.

NSC 442 - Complex Client Care. (3) Prerequisites: NSC 440 and NSC 486 & 486C. Corequisite: NSC 442. Synthesis and performance of professional nursing care competencies to address human diversity and manage care in today’s complex health systems.

NSC 442C - Complex Health Systems Clinical. (2) Prerequisites: NSC 440, NSC 486 and 486C. Corequisite: NSC 442. Synthesis of professional nursing care competencies and human diversity and manage care in today’s complex health systems.

NSC 445RN - Professional Role Transitions. (2) A. Prerequisites: RN status and admission to the RN-BSN option. Role development seminar for RNs. Critical analysis of trends which shape professional nursing practice. Analysis of strategies for instituting change in various health care delivery systems.

NSC 480 - Health Care Leadership. (3) I, II. Prerequisites: NSC 390, 392, and 396 with grades of “C” or better. An overview of leadership and management theory within nursing including legal, ethical and economic concepts. Prepares students to assume leadership in dynamic health care systems to promote comprehensive, cost-effective health care.

NSC 481 - Adult Health Nursing III. (5) I, II. Prerequisites: NSC 390, 392, and 396 with a grade of “C” or better. Uses nursing process to develop practice solutions for selected adult health issues.

NSC 486C - Public Health Nursing Clinical. (2) Prerequisites: NSC 385 and NSC 390. Corequisite: NSC 486. Synthesizes nursing concepts and applies the nursing process to develop practice partnerships with communities and their subsystems.

NSC 492 - Complex Client Health Care. (5) I, II. Prerequisites: NSC 486, 484, and 486 with minimum grades of “C.” Corequisite: NSC 495. Synthesizes nursing competencies to manage complex health problems, integrating legal, ethical and economic concepts.

NSC 495 - Professional Role Transition. (2) I, II. Prerequisite: NSC 480, 484, and 486 with minimum grades of “C.” Corequisite: NSC 492. Role development seminar emphasizing refinement of oral presentation skills. Critical analysis of role theory, political, economic and sociocultural systems which shape nursing practice. Analyzes strategies for instituting change in the health care delivery system.

NSC 496 - Application of Nursing Theory. (2) I, II. Prerequisites: NSC 480, 484, and 486 with minimum grades of “C.” Facilitates the student’s development of nursing knowledge and strengthens the student’s ability to apply theory to specific patient situations. Patient care situations from all nursing clinical areas are utilized.

NSC 498 - Independent Study. (1-6) A. Prerequisite: student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. Directed study or research on an issue or area of interest to nursing. May be repeated to a maximum of six hours.

NSC 500 - Early Childhood Health Care. (3) A. Prerequisite: education major or instructor approval. Focuses on the development of competencies necessary for health management of young children (ages birth through five years) with special health care needs. Appropriate for non-health care professionals in the community or classroom.

NUR—Nursing (Associate)

Drg. Judy Short, Chair

NUR 114 - Nursing Concepts I (5) I, II. Prerequisite: Admission to the Associate Degree Nursing Program. Corequisite: NUR 114C. Provides fundamental theoretical nursing concepts. Student learning outcomes are human flourishing, nursing judgment, professional identity, and spirit of inquiry.

NUR 114C - Nursing Concepts Application I (3) I, II. Prerequisite: Admission to the Associate Degree Nursing Program. Corequisite: NUR 114. This course provides application of fundamental nursing concepts in the laboratory and clinical settings.

NUR 124 - Nursing Concepts II - Med. Surg. (3) I, II. Prerequisites: NUR 114, 114C, HSO 100, ENG 101, NFA 201, BIO 171, all with a grade of “C” or better. Corequisite: NUR 124C. Builds upon previously learned concepts and skills. Provides theories and concepts for applying the nursing process while caring for patients experiencing selected health issues.

NUR 124C - Nursing Concepts Application II (2) LI. Prerequisites: NUR 114 & 114C, HSO 100, BIO 171, NFA 201, ENG 101, all with a grade of “C” or better. Corequisite: NUR 124. This course provides application of nursing concepts in the clinical setting while caring for patients experiencing selected health issues.

NUR 126 - Perinatal Nursing Concepts (2) LI. Prerequisites: NUR 114, 114C, HSO 100, BIO 171, NFA 201, ENG 101, all with a grade of “C” or better. Corequisite: NUR 126C. Builds upon previously learned concepts and skills. Provides theories and concepts for applying the nursing process while caring for families throughout the childbearing experience.

NUR 126C - Nursing Concepts – Perinatal
## SECTION SIX - COURSE DESCRIPTIONS

### Course Descriptions

**NUR 200** Dosage Calculation for Nursing. (1)(L) Prerequisites: NUR 114,114C; HSO 100, BIO 171, NFA 201, & ENG 101, all with a grade of “C” or better. Corequisite: NUR 126. Application of the nursing process when caring for families during the childbearing experience.

**NUR 201** Dosage Calculation for Nursing II. (1) L. Prerequisite: NUR 117 (S) or NUR 200 (C or better). Develops competency in dosage calculations of intravenous therapies. Emphasis on IV medication on titration calculations including pediatric, obstetric, and clinical care dosages.

**NUR 215** Clinical Techniques in Nursing. (1-6) A. Prerequisites: NUR 120, 121, 122, and 123 or 124 & 126 or equivalent with a grade of “C” or better. Supervised practice in department approved agency. The number of hours will depend on the range and depth of activities. May be retaken to a maximum of 6 hours.

**NUR 217** Strategies for Success in Nursing. (1) I, II. Prerequisite: Readmission to the ADN program. Explores strategies to develop habits which promote success. Required for students readmitting to the ADN program after being unsuccessful in an NUR core course.

**NUR 232** Nursing Concepts III-Med-Surg. (2) I, II. Prerequisites: NUR 124, 124C, 126, 126C; ENG 102, BIO 301, SOC 131, all with a grade of “C” or better. Corequisite: NUR 232C. Provides theories and concepts applying nursing judgment while caring for adult and pediatric patients experiencing selected complex health issues.

**NUR 232C:** Nursing Concepts Application III (3) L. Prerequisite: NUR 124,124C,126,126C; ENG 102; BIO 301; SOC 131, all with a grade of “C” or better. Corequisite: NUR 232. This course provides application of nursing concepts in the clinical setting when caring for adult and pediatric patients experiencing selected complex health issues.

**NUR 234:** Mental Health Concepts (2) L, I. Prerequisites: NUR 124, 124C, 126, 126C; ENG 102; BIO 301; SOC 131, all with a grade of “C” or better. Corequisite: NUR 234C. Provides theories and concepts for nursing judgment while caring for patients with a focus on psychosocial mental health.

**NUR 234C:** Mental Health Application (1) I. Prerequisites: NUR 124, 124C, 126, 126C; ENG 102, BIO 301, SOC 131, all with a grade of “C” or better. Corequisite: NUR 234C. Provides theory and concepts for applying nursing judgment for the care of groups of patients experiencing selected complex health issues.

**NUR 240** Nursing Concepts IV-Med-Surg. (5) I, II. Prerequisites: NUR 232, 234, and BIO 273 or MTL209/211, all with a grade of “C” or better. Corequisite: NUR 241. Provides theory and concepts for applying nursing judgment while caring for patients with a focus on psychosocial mental health.

**NUR 241C** Clinical Nursing Synthesis. (4) I, II. Prerequisite: NUR 232, 232C, 234 & 234C and BIO 273 or MTL 209/211, all with a grade of “C” or better. Corequisite: NUR 240 & NUR 255. Clinical immersion synthesizing nursing judgment in caring for groups of patients experiencing complex health issues. Must be taken during the last semester of the ADN program.

**NUR 247** Holism, Health, and Success. (1) I, II. Prerequisite: CHS nursing student. Principles and theories from holistic nursing, education, and psychology are explored and applied to the creation of a supportive environment involving health, and the attainment of personal life goals.

**NUR 250** Introduction to Gerontology. (3) I. Prerequisite: An introductory approach to the study of aging that presents a balanced view of both normal and problem aspects of aging.

**NUR 255** Trends and Issues in Nursing. (2) I, II. Prerequisites: NUR 232 and 234, each with a grade of “C” or better. Corequisite: NUR 241. Focuses on current issues and trends in nursing. Ethical, legal, and professional responsibilities and career opportunities are examined.

**NUR 265** Independent Study, (1-6) A. Directed study on an issue or area of interest to nursing. May be retaken to a maximum of six hours credit.

**NUR 300** Individual Clinical Enrichment. (1-6) A. Prerequisite: departmental approval. Integrates theories and practices through collaborative partnerships to enhance clinical nursing competencies.

**OHO—Ornamental Horticulture** Dr. John Settimi, Chair

**OHO 115** Operation of Horticultural Equipment. (2) I. Lecture, laboratory and field experiences related to horticultural power equipment, and their safe operation, including hydraulic, electrical, chemical, and maintenance facilities. 1 Lec/2 Lab.

**OHO 131** Principles of Horticulture. (3) I. Corequisite: OHO 130. Introduction to the major divisions of horticulture with emphasis on plant growth, propagation, pest management, and soil-water relationships. Exploration of the various phases of horticulture and the related employment opportunities in the industry.

**OHO 132** Horticulture Laboratory, (1) I. Corequisite: OHO 131. Laboratory, greenhouse, and field work which applies the principles of nursery, turf, and greenhouse work taught in the classroom.

**OHO 301** Directed Work Experience. (1-4) I, II. A minimum of three hours per week per hour of credit using university or other approved facilities. May be retaken for a maximum of 4 credit hours.

**OHO 304** Horticulture Pest Management (4) II. Identification of the principle horticulture insect, disease, and weed pests in the transition zone. Control measures are identified with special emphasis on the safe use of chemicals and equipment calibration. Credit will not be awarded for both OHO 304 and AGR 304. 3 Lec/2 Lab.

**OHO 349** Applied Learning in Horticulture. (5-8) A. Work under faculty and field supervisors in placements related to academic studies. One to eight hours credit per semester or summer. Total hours; eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit.

**OHO 351** Turfgrass Management. (4) I. Prerequisite: AGR 215. The establishment and maintenance of grasses utilizing turfgrass species and cultivars adapted to variable intensities of culture. Relationships of environmental factors and cultural practices are emphasized. 3 Lec/2 Lab.

**OHO 353** Sports Turf Management. (3) A. Management techniques for today’s specialized athletic fields. The agronomic aspects of football, soccer, baseball, and some specialty fields are presented. Field trips and classroom exercises develop a practical understanding of field construction and management. *OHO 354* Irrigation Systems and Horticultural Equipment (3L). An introduction to irrigation systems, their design and installation for efficient water utilization. Lecture and field experiences related to horticultural equipment and their safe operation. 2 Lec/2 Lab. Subirrigation systems are evaluated.

**OHO 362** Topics in Landscape Gardening. (1-6) A. Students may enroll once in each topic for a total of seven hours. **OHO 362A** Home Landscape Option. (1) **OHO 362E** Floral Design Option. (2) **OHO 362G** Problems of Golf Course Operation Option. (1) **OHO 362K** Interior Plantscaping Option. (1) **OHO 364** Advanced Floral Design. (2) A. The study and practice of advanced floral design techniques; includes construction of conventional and contemporary floral designs. 1 Lec/2 Lab.

**OHO 365** Landscape Plants (4) I. Study of plants used in landscaping including their biological identification, ornamental features, environmental adaptation, utilization, and management in the landscape. **OHO 366** Deciduous Shade Trees and Narrow Leaf Evergreens. (3) II. Study of deciduous trees and narrow leaf evergreens including their identification, growth habits, ornamental features, environmental adaptation, utilization, and management in the landscape. **OHO 367** Herbaceous Ornamental Plants (3) A. Identification, culture, and landscape use of bulbs, annuals, and herbaceous perennials, including ornamental grasses. **OHO 368** Landscape Design using CAD. (2) I. Introduces computer aided design (CAD) for landscape design. The course also provides experience in the use of commercially available programs for landscape design, project management, pricing, and bid preparation. 4 Lab.

**OHO 370** Landscape Operations Management. (3) II. Management of labor, estimating and bidding along with basic maintenance of trees, shrubs, and herbaceous plants in the landscape operations. 2 Lec/2 Lab.

**OHO 372** Nursery Retail Technology. (3) A. Prerequisites: OHO 131 and 132. The design, development, and management of a retail nursery outlet primarily a retail nursery garden center. Students will develop a model retail business including all phases of applied sciences such as business record keeping, with the help of microcomputers.

**OHO 373** Fruit Production. (3) A. Study of domestic and commercial production practices of fruits including identification, agricultural and environmental characteristics, horticulture, and marketing. Fruits include tree fruits, vines, brambles, and soft fruits. 2 Lec/2 Lab.

**OHO 374** Vegetable Production. (3) A. Study of domestic and commercial production of vegetables including identification, agricultural and environmental characteristics, horticulture, and marketing. 2 Lec/2 Lab.

**OHO 375** Post Harvest Technology of Horticultural Crops (3) A. The science and procedures for handling, packaging, storing and transporting fresh fruits, vegetables and ornamentals. **OHO 384** Greenhouse Floral Crops. (3) A. The study of specialized greenhouse floral crops and methods of producing them; includes bed and container growing production cycles to meet peak demands and marketing techniques. 2 Lec/2 Lab.

**OHO 388** Greenhouse Operation and Management. (3) II. Plant propagation and growing techniques in a greenhouse. The student learns operation procedures and the economics of operating a greenhouse and using cold and hot frames. **OHO 391** Landscape Design and Methods. (4) A. Prerequisite: OHO 365. Elements of design and the execution of the landscape architect plan. 2 Lec/2 4 Lab.

**OHO 392** Landscape Construction Techniques. (3) II. Comprehensive study of common landscape construction materials and their use in current landscape applications. Course includes laboratory exercises involving the construction of such components as retaining walls, water features, decks and patios.

**OHO 410** Independent Study in Horticulture; (1-3) I, II. Prerequisite: Departmental approval. Cross-listed as AGR 410. Students choose a problem and work under the supervision of the instructor in the field of the problem.
Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken for a maximum of 6 credit hours provided topics differ. Credit will not be awarded for both OSH 410 and AGR 410.

**OSH 498 Turfgrass Capstone.** (3). A. Prerequisite: OSH 311 or 351 and Junior or Senior standing. A comprehensive review of information pertinent to managing turfgrass areas that will enhance graduate’s ability to stay within budget, stay on task with schedules, and prepare for industry offered certification exams.

**OSH 499 Horticultural Issues Capstone.** (3). A. Prerequisite: OSH 349 and Junior or Senior standing. Provides students with an in-depth examination of the issues facing contemporary horticultural managers including management principles, ethical considerations, and delivery of a quality product or service.

OSH—Occupational Safety and Health

Mr. Scotty Dunlap, Coordinator

**OSH 200 Applied Fire and Safety Analysis** (3). A. Cross-listed as FSE 200. Analytical and statistical concepts and procedures for the treatment of fire and safety related data. Includes quantitative and qualitative techniques, descriptive and inferential statistics. Credit will not be awarded for both OSH 200 and FSE 200.

**OSH 225 Legal Aspects of Fire Protection and Safety.** (3). A. Cross-listed as FSE 225. A study of legislative, administrative, and legal decisions relating to personal practices, employee safety, and public protection. Emphasizes the legal responsibilities, liabilities, and authority of the fire service practitioner. Credit will not be awarded for both OSH 225 and FSE 225.

**OSH 261 Principles of Occupational Safety and Health** (3). A. Formerly OSH 361. History of the development of occupational safety and health. Methods of accident prevention and hazard control. Introduction to safety programs, workers’ compensation, emergency preparedness and accident investigation. Credit will not be awarded to students who have credit for OSH 361 or FSE 361.

**OSH 262 Principles of Occupational Safety and Health Legislation** (3). A. Formerly OSH 362. Prerequisite or Corequisite: OSH 261. Review of OSHA standards with emphasis on compliance and liability reduction. Discussion of OSHA regulations including citations, penalties, inspections, and record keeping. Credit will not be awarded for both OSH 262 and OSH 361.

**OSH 305 Hazardous Materials.** (3). A. Prerequisite: OSH 261 and OSH 225. Study of hazardous material programs in transportation, storage, and use. Chemical properties relating to specific reactions, engineering controls, and control in an emergency situation. Emphasis on the role of pre-emergency planning, combating, coordinating, and controlling a hazardous materials incident. Credit will not be awarded for both OSH 305 and FSE 305.

**OSH 349 Applied Learning in Occupational Safety.** (1-5). A. Cross-listed with FSE 349. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. Credit will not be awarded for both OSH 349 and FSE 349.

**OSH 349 A-N Cooperative Study: Occupational Safety.** (1-5). A. Cross-listed with FSE 349 A-N. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. Credit will not be awarded for both OSH 349 A-N and FSE 349 A-N.

**OSH 366 Hazard Identification and Control** (3). A. Prerequisite: FSE 361 or departmental approval. Hands-on approach toward identification and control. Areas of study include noise levels, chemical land electrical hazards, air contaminants, and heat/ cold stress. Control measures include administrative, engineering, and safeguarding methods. Credit will not be awarded for both OSH 366 and FSE 366.

**OSH 367 Human Factors in Occupational Safety.** (3). A. Prerequisite or Corequisite: OSH 261. Focuses on ergonomics, man/machine interface and human factors. Study of work-related stress, psychological factors, and Cumulative Trauma Disorders. Solutions are reviewed for common problems found in labor-intensive occupations. Credit will not be awarded for both OSH 367 and FSE 367.

**OSH 379 Construction Safety.** (3). An in-depth analysis of the federal and Commonwealth of Pennsylvania’s OSHA requirements for construction safety. Credit will not be awarded for both OSH 379 and FSE 379.

**OSH 390 Workers Compensation I.** (3). A. An in-depth study of the foundations of Workers Compensation law. Emphasis will be placed on the history and theory of injuries “arising out of” and “in the course of” employment. Credit will not be awarded for both OSH 390 and FSE 390.

**OSH 410 System Safety Analysis.** (3). A. Prerequisite or Corequisite: OSH 261. Evaluation of the probability of occurrence of various risks. Study includes system safety analysis, job safety analysis, hazard analysis, and fault tree analysis. Safety audit methods are reviewed. Credit will not be awarded for both OSH 410 and FSE 410.

**OSH 412 Safety and Health Program Management.** (3). A. Prerequisite or Corequisite: OSH 410. Emphasis on personnel aspects, communication, and motivation in managing safety and health programs. Practice in writing safety programs and implementing safety training. Evaluation of the effectiveness of various methods and programs. Credit will not be awarded for both OSH 412 and FSE 412.

**OSH 420 Environmental Law and Management.** (3). A, II. Formerly FSE 420. Prerequisite: FSE 225 or OSH 225. Review analysis of laws affecting workplaces, including the Clean Water Act, Clean Air Act, RCRA and CERCLA. Additionally, study of these laws and related policies/practices will be covered as related to safety. Credit will not be awarded to students who have credit for FSE 420.

**OSH 492 Workers Compensation II.** (3). A. Prerequisite: OSH 492. An in-depth study of the management of a workers compensation program. Emphasis will be placed on learning the provisions of the Kentucky Workers Compensation Act and the processing and management of worker compensation claims. Credit will not be awarded for both OSH 492 and FSE 492.

**OSH 495 Senior Capstone** (3). A. Prerequisite: OSH 410. Students examine case studies, examine real life situations, combine knowledge they have gained from previous coursework, analyze and develop strategies, develop countermeasures, engage in strategic planning and policy development and training.

**OSH 498 Independent Study.** (1-3). A. Prerequisite: Departmental approval. Individual reading and research on a problem or area within the field of Occupational Safety. Through student consultation with the instructor. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours providing project title differs.

OTS—Occupational Therapy

Dr. Colleen Schneck, Chair

**OTS 101 Occupation Perspectives: Human Services.** (3). A. An occupational science perspective of health and human service professions. Through lecture, active learning and community experiences, students will explore the themes of occupation, professional identity, reasoning, communication and diversity in professional responsibilities.

**OTS 205 Horsemanship.** (3). A. Prerequisite: OSH 200. Includes the history of the horse in agriculture, breeding and medicine. Equine movement in concert with human interaction.

**OTS 302 Practicum II: Life Narratives.** (3). A. Prerequisites: OSH 301, 311 and 421 with a grade of C or better. Corequisites: OTS 313, 335, and 421. Introduction to life narratives as an assessment of occupation. Active learning experiences focusing on occupation across the lifespan including reflection and portfolio development.

**OTS 311 Self as Occupational Being.** (3). A. Corequisites: OTS 301 and OTS 432. Analysis of occupation and occupational patterns of self. Recognize the influence of occupation on the whole-being of self through active learning experiences.

**OTS 312 Occupation by Design.** (3). A. Corequisites: OTS 401, 421 and 422. Foundational problem solving, task, and activity analysis concepts related to designing occupations. Students apply strategies to implement a design process.

**OTS 313 Occupation in Context.** (3). A. Corequisite: OTS 302. The student will gain an understanding of occupation as influenced by interrelated multiple contexts. Through active learning experiences the student will be able to recognize and apply the constructs of context.

**OTS 335 Professional Dynamics.** (3). A. Corequisite: OTS 302. Analysis and application of communication skills necessary for becoming an effective team member. Emphasis on theories of group dynamics, leadership and professional interactions, skills, decision making and conflict resolution through active learning.

**OTS 365S Engagement and Advocacy for Elders** (3). A, II. Supervised service learning opportunities to create and implement occupation-based programming at a community-based respite care program and to advocate for elders with Alzheimer’s Disease. Credit will not be awarded for both OTS 365S and special topics course OTS: The Place to Be.

**OTS 401 Practicum III: Diversity.** (3). A. Prerequisite: OTS 302 with grade of C or better. Corequisites: OTS 312, 422 and BIO 271. Introduction to cultural competence and diversity. Enhance understanding of ability and disability concerns in society through interview, reflection and portfolio development.

**OTS 402 Practicum IV: Advocacy & Research.** (3). A. Prerequisite: OTS 401. Corequisites: OTS 430, 478/478W. Participation in research experiences in the application of advocacy, ethics, and research to advance health and wellness. Course includes self reflection and portfolio completion. Credit will not be awarded for both OTS 402 and 402S.

**OTS 402S Practicum IV: Advocacy and Research.** (3). A. Prerequisite: OTS 401. Corequisites: OTS 430, 478/478W. Participation in research experiences in the application of advocacy, ethics, and research to advance health and wellness. Course includes self reflection and portfolio completion. Credit will not be awarded for both OTS 402 and 402S.
Course Descriptions

SECTION SIX - COURSE DESCRIPTIONS

OTS 410 Independent Study in Occupational Science. (1-3) A. Prerequisite: student must have the independent study proposal approved by faculty supervisor and department chair prior to enrollment. May be taken to a maximum of six hours.

OTS 421 Occupation Across the Lifespan. (3) A. Prerequisite: OTS 302. Observation and analysis of participation in occupation across the lifespan. Content explores life-stage characteristics and contextual aspects as articulated by varied models and theories.

OTS 422 Impact of Conditions on Occ. (4) A. Prerequisite: BIO 371. Corequisites: OTS 312, 401 and BIO 271. Early child sensorimotor development emphasizes occupation and medical terminology in the context of disease and disability. Content includes pathophysiological, behavioral and developmental issues which have an impact on human occupation.

OTS 430 Intervention in Health and Human Services. (3) A. Corequisites: OTS 362, 402 or 402S, and 478 or 478W. Overview of primary concepts related to occupational assessment, intervention and documentation as a provider in health care systems. Compare intervention processes in various health care human service delivery models.

OTS 432 Research in Occupation. (4) I, II. Prerequisite: STA 215. Corequisites: OTS 301 and OTS 311. Students will learn to be consumers and practitioners of qualitative and quantitative research, examine methods of research design, data collection, and prepare a research prospectus related to occupational science. Apply statistical methods to the study of occupation.

OTS 475 Special Topics: (1-3) A. Prerequisite: permission of department. May be retaken under different subtopics for a total of 6 credits. Advanced study of selected topics in occupational science.

OTS 478 Health Care Delivery System. (3) A. Prerequisite: OTS 402 or 402S, and 430. An introduction to the history of health care systems, models of health care, and contemporary health policy issues and trends. Includes content on financing health care, health care professional roles and ethics. Credit will not be awarded for both OTS 478 and OTS 478W.

OTS 478W Health Care Delivery System. (3) A. Corequisites: OTS 362, OTS 402 or 402S, and 430. An introduction to the history of health care systems, models of health care, and contemporary health policy issues and trends. Includes content on financing health care, health care professional roles and ethics. Credit will not be awarded for both OTS 478 and OTS 478W.

OTS 479 Equine Assisted Activity. (3) A. Explores equine assisted activity, therapeutic horseback riding, equine facilitated mental health, and hippotherapy. Content includes supervised service learning experiences with individuals of varying ages and conditions in a horse-related environment. Credit will not be awarded for both OTS 479 and 479W.

OTS 479S Equine Assisted Activity. (3) A. Explores equine assisted activity, therapeutic horseback riding, equine facilitated mental health, and hippotherapy. Content includes supervised service learning experiences with individuals of varying ages and conditions in a horse-related environment. Credit will not be awarded for both OTS 479 and 479W.

OTS 480 Women and Work in the U.S. (3) Prerequisite: ENG 102 or 105(B) or HON 102. A survey view of occupational science and sociological constructs related to women's work. Includes content on family-work linkages, gendered organizations, and public policies in the workplace. Credit will not be awarded for both OTS 480 and WGS 480.

OTS 499 Constraints of Occupation. (6) A. Prerequisite: undergraduate degree, BIO 171, 301, PSY 200 and STA 215. Synthesis of occupational constraints as they apply to self and others. Emphasis on occupation across the lifespan, design, and analysis. Portfolio development emphasizes occupation theme.

OTS 515 Early Child Sensorimotor Development. (3) A. Provides an overview of normal sensorimotor development in infants and young children. Includes contrasting normal/abnormal development and application of appropriate developmental tasks. Laboratory experiences will be provided.

OTS 520 Providing Health Services in Appalachia. (3) (PHE 520. Corequisite: APP 520. Prerequisite: departmental approval. An analysis of development and delivery of health care services in Appalachia. Examination of relevant current and historical factors and the impact on the health of Appalachian people. Credit will not be awarded for both OTS 520 and APP 520.

PGM—Professional Golf Management

Dr. Lana Carnes, Chair

PGM 100 PGA Playing Ability Test (0) A. Prerequisite: Consent of advisor. Exit requirement for Professional Golf Management option of the Marketing B.B.A. program. Registration in PGM 100 is required for all undergraduate B.B.A. Marketing/PGM Option students for the term in which they wish to take their comprehensive exam.

PGM 299 PGA Education Level 1 (0) A. Prerequisite: Consent of advisor. Exit requirement for Professional Golf Management option of the Marketing B.B.A. program. Registration in PGM 199 is required for all undergraduate B.B.A. Marketing/PGM Option students for the term in which they wish to take their comprehensive exam.

PGM 299 PGA Education Level 2 (0) A. Prerequisite: Consent of advisor. Exit requirement for Professional Golf Management option of the Marketing B.B.A. program. Registration in PGM 299 is required for all undergraduate B.B.A. Marketing/PGM Option students for the term in which they wish to take their comprehensive exam.

PGM 349 Applied Learning in PGA/Professional Golf Management. (5-1) A. Prerequisites: minimum GPA 2.25 and admission to PGM. Transfer students are eligible after one semester on campus. Co-curricular work experience under PGA staff and field supervisors. The student is assigned duties and responsibilities approved by PGM Program Coordinator or Director of PGA/PGM and the PGA member on-site. A contract outlining student responsibility is required and must be signed by the student, supervising professional, and a PGA staff member prior to placement. A maximum of five credit hours may be applied toward major.

PGM 349 A-N Cooperative Study: PGA Golf Management. (5) A. Prerequisites: minimum GPA 2.25 and admission to PGM. Transfer students are eligible after one semester on campus. Co-curricular work experience under PGA staff and field supervisors. The student is assigned duties and responsibilities approved by PGM Program Coordinator or Director of PGA/PGM and the PGA member on-site. A contract outlining student responsibility is required and must be signed by the student, supervising professional, and a PGA staff member prior to placement. A maximum of 2.5 credit hours may be applied toward major.

PGM 399 PGA Education Level 3 (0) A. Prerequisite: Consent of advisor. Exit requirement for Professional Golf Management option of the Marketing B.B.A. program. Registration in PGM 399 is required for all undergraduate B.B.A. Marketing/PGM Option students for the term in which they wish to take their comprehensive exam.

PGM 499 PGA Final Experience (0) A. Prerequisite: Consent of advisor. Exit requirement for Professional Golf Management option of the Marketing B.B.A. program. Registration in PGM 499 is required for all undergraduate B.B.A. Marketing/PGM Option students for the term in which they wish to take their comprehensive exam.

PHE 180 Lifetime Wellness. (3) I, II. Interactive learning and laboratory experiences for individual assessment, practice of exercise systems, and improvement of body function. This course offers a comprehensive discussion of the critical areas of health, physical fitness, and wellness.

PHE 190 Wellness Exercise. (1-2) A. Wellness activities of current interest and/or need for students. May be retaken to a maximum of six hours, if subtitles are different. Credit will not be awarded for both PHE 190 and HPR 190.

PHE 200 Dance and Culture. (3) I. Introduction to dance and its role as a non-verbal means of expression. The course will discuss several dance forms and their cultural context including folk, social, ethnic, entertainment, and dance as an art form.

PHE 201 Foundations of Sport Science. (3) I, II. Introduction to the profession, exposure to professional standards in the field, and historical perspective and philosophies in physical education and sports science.

PHE 212 Care and Prevention of Athletic and Exercise Injuries. (3) I, II. Overview of the mechanism, prevention, management, and rehabilitation of athletic and exercise injuries. Practical experiences include the application of supportive techniques to the major joints of the body.

PHE 220 Team Sports I. (2) I. Basic skills, strategy, rules, officiating and teaching techniques related to various team sports.

PHE 224 Team Sports II. (3) I, II. Prerequisite: Open only to majors in Physical Education or Sport Management, or those who have declared a coaching minor, or those with departmental approval. Basic skills, strategy, rules, officiating, and teaching techniques related to basketball, volleyball, soccer, and track and field.

PHE 230 Social Dance I. (1) I, II. This course introduces the basic movement concepts of social dancing. Rhythm, spatial awareness, and several popular social dances are covered as well as leading and following skills. Some of the dances covered include: swing, salsa, merengue, tango, waltz and hustle.

PHE 241 Swimming and Water Safety. (1) A. Beginning Swimming or instructor approval. Develop swimming skills and endurance to intermediate level; study of fundamental mechanical principles; basic safety skills; ability to conduct a variety of aquatic activities.

PHE 250 Modern Dance I. (1) I. A beginning level modern dance technique class designed to introduce the student to basic modern dance skills and concepts including some improvisation and choreographic skills. No prior dance experience is necessary. May be retaken up to a maximum of 3 hours.

PHE 261 Coaching Baseball and Softball. (2) I, II. Theory and practice in coaching the fundamentals of baseball and softball; team offense and defense.

PHE 271 Ballet I. (1) A. Beginning ballet class designed to introduce the student to the art of ballet. Basic barre, center floor and across the floor combinations are performed. Ballet history and terminology are covered through the textbook readings and videos.

PHE 300 Dance Activities in the Schools. (3) I, II. Teaching creative and social forms of dance in the recreational and curricular setting. Basic teaching strategies for teaching dance.

PHE 301 Foundations of Coaching. (3) I, II. Coaching communication, organization, motivational skills, sports skills, tactics, and philosophy. American Sport Education Program (ASEP) certification awarded to those who qualify.

PHE 305 Individual and Dual Sports I. (3) I, II. Prerequisite: Open only to majors in Physical Education or Sport Management, those who have declared a coaching minor, or those with departmental approval. Basic skills, strategy, etiquette, rules, and teaching techniques related to tennis, golf, and...
badminton.

PHE 301 Physical Activity and Child Development. (3) II. Prerequisite: EDF 315. Understanding of child development and the improvement of human movement through developmental movement activities which are basic to readiness for performance at school.

PHE 313 Lifeguard Training. (2) I, II. Prerequisite: ability to pass American Red Cross swimming test. Advanced technique of water safety and rescue; American Red Cross certification awarded to those who qualify.

PHE 315 Physical Fitness Concepts and Applications. (3) I, II. Prerequisite: Open only to majors in Physical Education and those with departmental approval. Discussion, demonstration, practice of fitness concepts and various methods of developing physical fitness.

PHE 320 Biomechanics. (3) I, II. Prerequisite: BIO 171. Qualitative study of human movement through anatomical, physiological, and biomechanical concepts; analysis and application.

PHE 322 Legal Issues in Sports. (3) I. Legal issues involved in the supervision, management, and business operations of sport. A critical perspective of legal concepts and theories related to legal systems as they apply to the sport.

PHE 323 Movement Concepts and Skill Themes. (3) I. Prerequisites: physical education major and EDF 103 and 203. Motor skill themes and movement concepts required for planning and teaching the appropriate sequence and scope for achievement of learner outcomes through elementary physical education.

PHE 324 Policy and Governance in Sport. (3) I. Designed to encourage students to integrate management theory with governance and policy development. Provides an overview of the sport industry from the perspective of the sport management professional.

PHE 325 Physiology of Activity. (3) I, II. Prerequisite: BIO 301. Effects of physical activities on various systems of the human body.

PHE 327 Sports in American Society. (3) II. Impact of sport in American society with attention to relationship of political, economic, ethnic, and institutional forces operating within the phenomenon of sport.

PHE 328 Sport Finance. (3) II. Course will examine all aspects of successful sport business operations, including budgeting, legal issues, marketing, competitive positioning, regulatory compliance, and strategic choices for success in sport and recreation industry.

PHE 330 Social Dance II. (1) A. This course will build on skills learned in Social Dance I. New dances covered will include: Triple Swing, West Coast Swing, Bolero, Samba and Quickstep. More variations will also be introduced for dances learned in Social Dance I.

PHE 340 Water Safety Instructor. (3) I, II. Prerequisite: proficient swimming ability. For excellent swimmers, this American Red Cross course will train students to become certified swimming instructors. Course consists of lecture, lab, technique instruction, and practice teaching. WSI certification for those who qualify.

PHE 345 Dance Chor eography. (2) II. Basics of dance choreography, applicable to entertainment and art forms of dance.

PHE 349 Applied Learning in Physical Education. (5-8) A. Work in a cooperative placement related to student’s academic studies. Satisfactory (S) or Unsatisfactory (U) grade. May be taken to a maximum of 20 semester hours. A minimum of 80 hours work required for each semester hour credit.

PHE 349 A-N Cooperative Learning: Physical Education. (5-8) A. Work in a cooperative placement related to student’s academic studies. Satisfactory (S) or Unsatisfactory (U) grade. May be taken to a maximum of 20 semester hours. A minimum of 80 hours work required for each semester hour credit.

PHE 350 Modern Dance I, II. (1) A. An intermediate level Modern Dance technique class including floor, center floor and across the floor dance combinations. The course is designed to help the student improve his/her alignment, technique, improvisation and choreographic skills.

PHE 355 Ethnic Dance Forms. (1) A. Beginning/intermediate dance class in a particular ethnic form of dance. Basic steps and rhythms characteristic of the dance form will be learned as well as information about the culture from which it is derived.

PHE 360 Coaching Basketball. (2) I, II. Theory and practice in coaching the fundamentals of basketball; team offense and defense.

PHE 361 Coaching Volleyball. (2) I, II. Theory and practice in coaching the fundamentals of volleyball; team offense and defense.

PHE 362 Coaching Track and Field. (2) I, II. Theory and practice in coaching fundamentals involved in track and field.

PHE 365 Gymnastics. (2) I, II. Knowledge and skills required for teaching gymnastics skill themes and movement concepts.

PHE 370 Practicum in Physical Education. (1-3) I, II. Observation and practice in physical education teaching through consultation and application; students will experience teaching-learning situations by assisting with various curricular programs. May be retaken to a maximum of 3 hours.

PHE 383 Sports Officiating. (1) I, II. Technique and skill of officiating, structure of officiating, and relationship between performance, behavior, and the officiant’s duties.

PHE 390 Lifetime Activity Series: Aquatics. (1/2 - 2) I, II. A series of activities suitable for participation throughout life. Includes rules, skills, techniques, and strategies. May be retaken to a maximum of four hours toward graduation requirements. Credit will not be awarded for both PHE 390 and HPR 390.

PHE 400 Management of Sport Organizations. (3) II. Aspects of sport management including disciplinary foundations of sport, theoretical and applied foundations of organization and management, opportunities available in various segments of the sport industry, and professional preparation and development.

PHE 407 Strength and Conditioning Programming. (3) I, II. Advanced skills in developing, implementing, and evaluating strength training programs. A knowledge of strength and resistance training, spotting techniques, and safety techniques, exercises and associated anatomy, periodization, and general guidelines for all fitness levels and ages.

PHE 415 Outdoor and Lifelong Leisure Motor Activities. (3) I, II. Prerequisites: EDF 103 and 203. Knowledge and skills needed to conduct cooperative, leisure, adventure, and outdoor motor activities for achievement of important personal and educational goals in the school system.

PHE 418 Dance Science. (3) A. Application of functional anatomy, basic physiology and physics to dance movement. Offers knowledge base for teachers to instruct safe and effective dance classes and prevent injury. Required for Dance Certification.

PHE 420 Coaching Football. (2) I, II. Theory and practice in coaching the fundamentals of football; team offense and defense.

PHE 423 Psychology of Coaching. (3) I. Study of the dynamics of coaching including performance enhancement and understanding the functions of sport and the psychological conditions and the applications to clinical exercise science and sport.

PHE 430 Fitness Program Administration. (3) I. Prerequisites: PHE 320, 325, and 407 with a grade of “C” or better. Students will learn aspects of fitness and wellness program administration, including management skills, budgeting, member tracking, promotion, and record keeping. Additionally, students will be introduced to electrocardiography.

PHE 433 Adult Physical Fitness Programs. (3) II. Prerequisites: BIO 171, 301, PHE 325 and junior standing. Practice and study of exercise programs meeting the guidelines of the American College of Sports Medicine (ACSM) for improving body composition and cardiovascular-respiratory function in adults.

PHE 435 Group Fitness Instruction. (3) I. Prerequisites: PHE 320 and 325. A methods course for teaching aerobic dance-exercise. Students will learn movement and rhythm fundamentals, effective teaching methods, how to develop appropriate and creative choreography, injury prevention, marketing techniques, and legal issues involved in starting and running a group exercise class.

PHE 450 Modern Dance III. (1) I, II. An advanced level modern dance technique class including floor, center floor and across the floor dance combinations. The course is designed for the dancer that has had several years of dance training and is prepared for more challenging and complex dance skills. May be retaken to a maximum of three hours.

PHE 467 Skill Acquisition. (3) I, II. Practical application of principles of learning and performing motor skills taught in the physical activity environment and the influence of historical events on research in the area of skill acquisition.

PHE 470 Internship: Sport Management. (1-4) A. Prerequisite: 2.0 GPA, completion of sport management core and supporting course. Students are required to document a minimum of 50 hours of sport management related experiences prior to enrollment in PHE 470. Supervised experiences in the directing of sports and physical activities in various settings. May be retaken to a maximum of six hours.

PHE 471 Practicum in Teaching Dance. (3) A. Practical experience creating lesson plans and teaching dance in the P-12 school system. Practicum students will teach primary, elementary, middle and secondary students, dance as an art form along with ethnic, folk and social dance. Required for Dance Certification.

PHE 472 Internship: Physical Fitness and Wellness Management. (1-6) A. Prerequisite: 2.0 GPA, completion of physical education core courses and physical fitness and wellness option courses. Students are required to document a minimum of 50 hours of physical fitness and wellness related experiences prior to enrollment in PHE 472. Supervised experiences in the directing of wellness and physical fitness activities in various settings. May be retaken to a maximum of six hours.

PHE 485 Independent Study. (1-3) I, II. Individual work on a physical education related problem in supervised situation. Restricted to undergraduate physical education major or minor student. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

PHE 490 Experiences in Research (1-3) I, II. Prerequisites: ATR 100 or PHE 201 and departmental approval. Directed research experience in athletic training, physical education and sport management. May be retaken to a maximum of 9 hours. Student must have research proposal form approved by faculty supervisor and department chair prior to enrollment.

PHE 517 Bioenergetics in Physical Activity (3) A. Prerequisite: Junior/senior standing in major or with departmental approval. Study of bioenergetics processes and the relationship to energy storage, transformation and utilization in biological systems. Study of energy metabolism during different physiological conditions and the applications to clinical exercise science and sport.

PHE 530 Sports Information Programs. (3) II. Study of the role and function of the sports information director. Includes public relations
PHI 520 Modern Philosophy. (3) A. Examination of some premodern and some major philosophers from the 17th and 18th centuries. Gen. Ed. E-3B.

PHI 330 Twentieth Century Philosophy. (3) A. A survey of the principal schools of philosophical thought of the twentieth century in Europe and America, with special attention to the important issues which emerge. 

PHI 332 Existentialism & Postmodernism. (3) A. Study of the influence of such existentialists as Nietzsche, Husserl, Sartre, de Beauvoir, and Heidegger on contemporary postmodern theories such as Foucault, Baudrillard, Derrida, Kristeva, and Irigaray.

PHI 340 Philosophy of Science. (3) A. How views of reality, knowledge, and values relate to science and scientists. Philosophical assumptions of science examined through historical examples of scientific investigations. The value and the values of scientific methods and scientific theories. Credit will not be awarded for both PHI 340 and 340W.

PHI 340W Philosophy of Science: Writing Intensive. (3) A. Prerequisite: ENG 102 or 105(B) or HON 102(B). A writing-intensive basic introductory course in philosophy. How views of reality, knowledge, and values relate to science and scientists. Philosophical assumptions of science examined through historical examples of scientific investigations. The value and the values of scientific methods and scientific theories. Credit will not be awarded for both PHI 340 and 340W.

PHI 342 American Philosophy. (3) A. A critical examination of basic beliefs held by Americans regarding themselves, their culture, and world, through the thoughts of modern American philosophers such as Royce, Peirce, James, Santayana, Woodbridge, Dewey, and Whitehead.

PHI 349 Applied Learning in Philosophy. (5-8) A. Prerequisite: consult with department chair before enrolling. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

PHI 349 A-N Cooperative Study: Philosophy. (5-8) A. Prerequisite: consult with department chair before enrolling. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

PHI 350 Metaphysics. (3) A. An elaboration of the various approaches to metaphysics in the history of philosophy, including contemporary anti-metaphysical points of view.

PHI 352 Theory of Knowledge. (3) A. An examination of the nature, possibility, limits, sources and value of knowledge of minds and the world.

PHI 362 Technology and Values. (3) A. An examination of philosophical issues related to science, technology, public health, economics, and the environment, with special attention being given to the personal and social ethical issues that arise in these contexts.

PHI 371 Symbolic Logic. (3) A. Basic introduction to modern symbolic logic: propositional logic, first order predicate logic, proofs and metaproofs, and nature and properties of formal logic systems.

PHI 381 An examination of major theories of animal welfare and rights; consideration of issues involving the use of animals as food and other goods, animal experimentation, wildlife, endangered species, hunting, animals and sport, pets, and zooskeeping.

PHI 383 Health and Biomedical Ethics. (3) A. An examination of the value-issues which surround problems that arise in health-related fields and whose resolution calls for moral judgments. Typical problems would include: euthanasia, experimentation with humans, behavior control, genetic engineering, and distribution of health care facilities. Credit will not be awarded for both PHI 383 and PHI 383W.

PHI 383W Health and Biomedical Ethics. (3) A. Prerequisite: ENG 102 or 105(B) or HON 102. An examination of the value-issues which surround problems that arise in health-related fields and whose resolution calls for moral judgments. Typical problems would include: euthanasia, experimentation with humans, behavior control, genetic engineering, and distribution of health care facilities. Credit will not be awarded for both PHI 383 and PHI 383W.

PHI 385 Environmental Ethics. (3) A. Cross-listed as ENV 385. Prerequisite: ENG 102 or 105(B) or HON 102. An examination of historical and contemporary views of the values and rights of nature. Possible topics include animal rights, conservationism, the land ethic, stewardship, deep ecology, ecofeminism, and indigenous approaches to the environment. Credit will not be awarded for both PHI 385 and ENV 385.

PHI 388 Special Topics in Ethics. (1-3) A. An examination of ethical theories, of major ethical issues, or of a specialized ethical field like business ethics or environmental ethics. May be retaken to a maximum of fifteen hours if the topic is different.

PHI 390 Special Topics in Philosophy. (1-3) A. Prerequisite: consult with department chair before enrolling. Detailed examination of a problem-area or a school of philosophy in the history of philosophy or the thought of one outstanding philosopher. May be retaken to a maximum of fifteen hours if the topic is different.

PHI 432 Philosophy of Art. (3) A. Examination of the major philosophical theories of art and beauty and the place of aesthetic language in the general area of value judgments. Representative classical and contemporary figures will be considered.

PHI 490 Independent Work in Philosophy. (1-3) L. L. Prerequisite: consult with department chair before enrolling. Individual research and reading on a specified philosophical problem chosen by the student and instructor. Students must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours if topic is different.

PHI 499 Senior Thesis. (3) A. Prerequisite: consult with department chair before enrolling. Supervised, independent thesis for seniors majoring in philosophy.

PHI 551 Classical Theory. (3) A. Cross-listed as POL 551. Examination of Western political theory from the mid-twentieth century. Credit will not be awarded to students who have credit for POL 551, POL 551W or PHI 551W.

PHI 551W Classical and Medieval Political Theory. (3) A. Prerequisite: ENG 102 or 105(B) or HON 102(B). Cross-listed as POL 551W. Examination of Western political theory from Plato to Aquinas. Credit will not be awarded to students who have credit for POL 551, POL 551W or PHI 551W.

PHI 552 Modern Political Theory. (3) A. Cross-listed as POL 552. Examination of Western political theory from the Renaissance to the mid-twentieth century. Credit will not be awarded to students who have credit for POL 552, POL 552W or PHI 552W.

PHI 552W Modern Political Theory (3) A. Cross-listed as POL 552W. Prerequisite: ENG 102 or 105(B) or HON 102. Examination of Western political theory from the Renaissance to the mid-twentieth century. Credit will not be awarded to students who have credit for POL 552, POL 552W or PHI 552W.

PHI 553 Contemporary Political Theory. (3) A. Cross-listed as POL 553. Examination of Western political theory from the mid-twentieth century to the present. Credit will not be awarded to students who have credit for POL 553, POL 553W or PHI 553W.
PHI 553W Contemporary Political Theory
(3) A. Cross-listed as POL 553W. Prerequisite: ENG 102 or 105 (B) or HON 102. Examination of Western political theory from the mid-twentieth century to the present. Credit will not be awarded to students who have credit for POL 553, POL 553W or PHI 553.

PHY—Physics
Dr. Jerry Cook, Chair

PHY 101 Concepts of the Physical World. (3) I, II. Prerequisite: MAT 105 or higher or departmental approval. Topics on mechanics, Newton’s Laws, energy, sound, light, electricity, magnetism, and nuclear phenomena. 4 Lec/Lab. Gen. Ed. E-4.

PHY 102 Inquiry Physics for Teachers. (3) I, II. Prerequisite: MAT 105 or higher and pre-teaching or teaching elementary and middle school education majors only or departmental approval. An inquiry-based, conceptual-approach physical science course for teaching majors. Topics include kinematics, mass and heat, optics, electricity, and magnetism. Credit will not be awarded for both PHY 101 and 102. 1 Lec/4 Lab. Gen. Ed. E-4.

PHY 129 Success in College Physics (1). I. Course: PHY 131. This course will emphasize topics presented in PHY 131 that the students may require additional instruction to master. Topics to be covered will include one-dimensional motion, Newton’s Laws of Motion, momentum, energy, and rotational motion. Students will be allowed to enroll up to four weeks after classes start. A withdrawal from PHY 131 must be matched by a withdrawal from PHY 129.

PHY 131 College Physics I. (5). I, II. Prerequisite: MAT 108 or higher or departmental approval. Fundamental ideas of mechanics, heat, and sound. Credit will not be awarded for both PHY 131 and 201. A withdrawal from PHY 131 must be matched by a withdrawal from PHY 129 if enrolled in both courses. 6 Lec/Lab. Gen. Ed. E-4.

PHY 132 College Physics II. (5). I, II. Prerequisite: PHY 131 or departmental approval. Fundamental ideas of electricity, magnetism, optics, and modern physics. Credit will not be awarded for both PHY 132 and PHY 202. 6 Lec/Lab.

PHY 200 Volunteering in Physics and Astronomy. (0). A. An exposure to physics and astronomy activities, including, but not limited to, exploring physical and astronomical research projects, organizing physics and astronomy community service, and assisting at other physics and astronomy departmental events. Students can choose the focus of the volunteering in each semester. Passing grade achieved for attending 80% of the designated activities in each semester.

PHY 201 University Physics I. (5). I, II. Prerequisite: PHY 201 or Corerequisite or Corquisite: MAT 224 or departmental approval. Composition and resolution of forces, laws of equilibrium, Newton’s laws of motion, work and energy, momentum, simple harmonic motion, hydrodynamics, heat phenomena. Credit will not be awarded for both PHY 201 and 291. 6 Lec/Lab. Gen. Ed. E-4.

PHY 202 University Physics II. (5). II. Prerequisite: PHY 201. Prerequisite or Corquisite or Corquisite: MAT 224 or departmental approval. Electrostatics, electric potential, dielectrics, A.C. and D.C. circuits, magnetic fields, Faraday’s Law, sound, wave motion, geometry of physical optics. Credit will not be awarded for both PHY 202 and 292. 6 Lec/Lab.

PHY 221 Statics. (3). A. Prerequisite: PHY 201. Prerequisite/Corquisite: PHY 224 or departmental approval. Study of force systems on bodies at rest, descriptions of force systems, distributed and internal forces, applications of hydrostatics, frames and beams, stress analysis, trusses, beams.

PHY 302 Modern Physics (4). A. Prerequisites: PHY 132 or PHY 202; MAT 124, 124H or PHY 261 or departmental approval. Physics of the 20th century. Topics include special relativity, quantum effects, wave theory, Bohr theory, nuclear structure, nuclear reactions, and other topics related to 20th century modern physics. Credit will not be awarded for both PHY 302 and 302W.

PHY 302W Modern Physics (4). A. Prerequisites: ENG 102 or ENG 105(B), or HON 102; PHY 132 or PHY 202; PHY 202, 202H, 124H or MAT 261 or departmental approval. Physics of the 20th century. Topics include special relativity, quantum effects, wave theory, Bohr theory, nuclear structure, nuclear reactions, and other topics related to 20th century modern physics. Credit will not be awarded for both PHY 302 and 302W.

PHY 303 Introduction to Laser Physics. (3) A. Prerequisite: PHY 132 or PHY 202 and instructor approval. An introduction to the theory and application of different types of laser such as dye, nitrogen, He/Ne, diode and mercury vapor; the characteristics of laser light, and optical measuring devices. 2 Lec/2 lab.

PHY 310 Theoretical Methods in Physics. (3) A. Prerequisites: MAT 224 or departmental approval. Prerequisite/Corequisite: PHY 202 or departmental approval. Analytical methods for characterizing physics models and solving physics problems in advanced topics are discussed, including vector analysis, linear algebra, complex analysis, infinite series, waves and Fourier series, differential equations and other techniques.

PHY 315 Introductory Electrical Circuits. (4) A. Prerequisite: PHY 202 or departmental approval. Prerequisite or Corequisite: MAT 224. Fundamental laws and principles for linear circuits whose rigid-body models consist of passive and active components used in present day practice. Determination of the sinusoidal steady state responses using the algebra of complex numbers.

PHY 345 Applied Learning in Physics. (5-8) A. Work in placements related to academic studies. A minimum of 80 hours employment is required for each semester hour of academic credit. Total hours: eight, associate; sixteen, baccalaureate. Hours earned in PHY 349 will not apply toward a physics major or minor.

PHY 349 A.N Cooperative Study: Physics. (5-8) A. Work in placements related to academic studies. A minimum of 80 hours employment is required for each semester hour of academic credit. Total hours: eight, associate; sixteen, baccalaureate. Hours earned in PHY 349 will not apply toward a physics major or minor.

PHY 375 Thermodynamics. (3) A. Prerequisite: PHY 202 or departmental approval. Prerequisite or Corequisite: MAT 224. Wave motion, interference, Fraunhofer and Fresnel diffraction, electromagnetic radiation, dispersion, polarization, double refraction, lasers, holography.

PHY 406 Advanced Physics Laboratory. (3) A. Prerequisite: PHY 132, 202, or departmental approval. Experiments in mechanics, optics, electricity, and magnetism, and atomic and nuclear physics. Computer simulations of physical situations. Measurement and data analysis techniques, including error analysis. Credit will not be awarded to students who have credit for PHY 296. 3 Lec/Lab.

PHY 406W Advanced Physics Laboratory. (3) A. Prerequisites: ENG 102, 105(B), or HON 102; PHY 132, 202, or departmental approval. Experiments in mechanics, optics, electricity, and atomic and nuclear physics. Computer simulations of physical situations. Measurement and data analysis techniques, including error analysis.

PHY 410 Independent Study in Physics: __. (1-4) A. Prerequisite: PHY 202 or departmental approval. Special laboratory experiments, development of new equipment, physics education research, or solution of special mathematical problems related to physics. May be retaken to a maximum of six hours provided subject matter is different each time. Student must have the independent study form approved by faculty supervisor and department chair prior to enrollment.

PHY 411 Special Topics in Physics: (1-6) A. Prerequisite: PHY 202 or departmental approval. Special topics in physics of current interest to faculty and students will be presented through lectures, discussion, and reports. May be retaken to a maximum of six hours provided subject matter is different each time.

PHY 421 Electricity and Magnetism I. (3) A. Prerequisites: MAT 225 and PHY 310, or departmental approval. Electrostatics in vacuum and dielectrics, solutions of Gauss’ and Poisson’s equations, magnetic fields, induced EMF’s, magnetic materials, and Maxwell’s equations.

PHY 422 Electricity and Magnetism II. (3) A. Prerequisites: PHY 421 or departmental approval. Maxwell’s equations, electromagnetic waves in insulators and conductors, energy and momentum, electromagnetic radiation, dipole radiation, special relativity, special applications.

PHY 460 Classical Mechanics. (4) A. Prerequisite: PHY 310 or departmental approval. Prerequisite/Corequisite: MAT 353. Applications of calculus to the principles of classical mechanics. Topics include rectilinear motion in 1-D, motion in 3-D, non-inertial frames, central forces, many-bodied systems, rigid bodies, Lagrangian mechanics, and other topics related to classical mechanics.

PHY 470 Quantum Mechanics. (3) A. Prerequisite: PHY 310 and PHY 460 or departmental approval. Basic principles of wave mechanics, solutions of Schrodinger wave equation for simple systems, interpretation of solutions and application to atomic and molecular problems.

PHY 506 Physics for High School Teachers. (3) A. Credit given toward major or minor only in teaching programs. Topics from general and modern physics to prepare teachers to teach high school physics and give classroom demonstrations. 2 Lec/3 Lab.

PLS—Police Studies
Dr. Preston Elrod, Chair

PLS 103 Police, Order Maintenance and Crime. (3) A. Overview of the role of police. The historical development of policing, police functions and bureaucratic organization are examined. Police misconduct, discretion and effectiveness receive special attention.

PLS 216 Criminal Law. (3). I, II. The nature of the criminal act; the essential elements; theories of responsibility; exculpatory matters; overview of common law offenses; identification of trends in the law.

PLS 220 Criminal Investigation. (3). A. Fundamental of criminal investigation, crime scene search and recording, collection and preservation of physical evidence, scientific aids, modus operandi, sources of information, interviews and interrogation, follow-up, case preparation and case management.

PLS 315 Police Administration and Management. (3). I, II. Prerequisite: sophomore standing. This course will examine the theories of motivation, leadership, and organization in the police context. Police administrative and management functions studied emphasising personnel management and organizational change.

PLS 316 Criminal Evidence. (3). I, II. Prerequisite: sophomore standing. Overview of trial procedures; classification of evidence; proof; presumptions; relevance; eyewitness identification; testimonial privileges; character; hearsay; impeachment; scientific evidence; collection and preservation of evidence.
PLS 326 Ethical Decisions and Police. (3) A. Prerequisite: Junior or Senior standing. Examines the problems of ethical philosophies, theories and law in the context of policing. Consideration is given to problems of police judgment arising from unquestioned assumptions about morality. Focuses on the ethical implications of individual, group and organization levels as well as strategies for prevention and control.

PLS 330 Topics in Police Studies. (1-6) A. Prerequisite: sophomore standing. Examination of a contemporary issue in policing including historical perspective, societal issues, present status, and future development. The police response to a specific problem is the core of this course. May be taken for a maximum of six hours under different headings.

PLS 349 Applied Learning in Police Administration. (5-8) A. Prerequisites: departmental approval, sophomore standing. Work under faculty and field supervisors, in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; fifteen, baccalaureate. Minimum 80 hours work required for each academic credit. A maximum of three hours of PLS 349 and 424 can be applied toward the PLS major or minor.

PLS 349 A-N Cooperative Study: Police Administration. (5-8) A. Prerequisites: departmental approval, sophomore standing. Work under faculty and field supervisors, in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; fifteen, baccalaureate. Minimum 80 hours work required for each academic credit. A maximum of three hours of PLS 349 and 424 can be applied toward the PLS major or minor.

PLS 375 Terrorism/Counterterrorism. (3) A. Prerequisite: Junior or Senior standing. A study of domestic and international terrorism. This course examines issues related to defining, preventing and combating terrorism. Various social and historical forces and events will be considered in order to contextualize specific key individuals, organizations and actions.

PLS 380 Police in the Popular Media. (3) A. Prerequisite: sophomore standing. A study of the popular media’s perception of police through popular media (music, radio, television, films, short stories and books) and how those media sources might influence policing itself.

PLS 385 Police Related Violence. (3) A. Prerequisite: sophomore standing. A descriptive, theoretical and philosophical approach to violence used by the police and violence directed toward the police. The police response to a specific problem is the core of this course. MAY BE TAKEN FOR A MAXIMUM OF SIX HOURS UNDER DIFFERENT HEADINGS.

PLS 390 Predatory Crime and Crime Patterns. (3) A. Prerequisite: sophomore standing. Examination of selected crime categories including predatory street, conventional property, and sex crimes. Areas of concentration include theoretical and ecological characteristics, victim-offender relationships, and crime patterns emphasizing police responses.

PLS 401 Multi-Culturalism and Policing. (3) A. Prerequisite: Junior or Senior standing. Examines the policing of marginalized populations and investigates the realities of these persons within policing. Specific populations can include racial and ethnic minorities, age, women, sexual minorities, persons with physical and mental disabilities, immigrant populations, veterans, and others.

PLS 403 Homicide. (3) A. Prerequisite: sophomore standing. Explores both theoretical and empirical literature associated with homicide. Content includes descriptive, theoretical, empirical, and practical explanations of criminal homicide patterns. Included will be an examination of death investigation systems and police responses.

PLS 408 Policing and Technology. (3) A. Prerequisite: Junior or Senior standing. Examines the current realities of cyber crime and the official police response. Consideration will be given to legal issues, civil liberties, police deviance and the sociopolitical impacts of technology.

PLS 410 The Police and Community. (3) A. Prerequisite: Junior or Senior standing. Examines relationships between the police and community that address crime and quality of life problems. Community is examined as a geographical space made of multiple and diverse publics sometimes requiring different strategies and attention. A distinction is drawn between public relations and police community partnerships.

PLS 414 Social Forces and Policing. (3) A. Prerequisites: CRJ 101 and PLS 103. Sophomore standing. A study of the history and evolution of policing in the United States with an emphasis on the political, social, cultural, legal and organizational forces that have molded that history. The roles and functions of police in America are examined in detail within the context of race, class and gender.

PLS 415 Contemporary Police Strategies. (3) A. Prerequisite: sophomore standing. Review of contemporary police issues, programs, and strategies. Detailed analysis and evaluation of police practices, including impacts of international relationships between the police and the community. Assessment of police reform measures and accountability mechanisms.

PLS 416 Criminal Procedure. (3) A. Prerequisite: junior or senior standing, or instructor approval. A detailed study of the laws of arrest (including the use of force), search and seizure, emphasizing the constitutional basis, historical development, statutes, and recent court decisions.

PLS 420 Surveillance & Society. (3) A. Prerequisite: Junior or Senior standing. Examines the nexus of surveillance, policing, and society. The course explores the role of states, corporations and individuals in monitoring and policing of bodies, populations, property and information. Consideration is given to how and contemporary dynamics of surveillance: socio-technical assemblages, risk and security discourses, institutional blurring, inequalities and civil liberties.

PLS 426 Federal Criminal Law. (3) A. Prerequisites: PLS 216 or CRJ 312; sophomore standing. An examination of the federal criminal law enforcement system with a focus on substantive offenses. In addition to specific crimes, the basis of federal jurisdiction will be studied.

POL—Political Science

Dr. Lynnette Noblitt, Chair

POL 100 Principles of Politics and Government. (3) I, II. An introductory social science course focusing on the political and governmental aspects of society. Does not count toward political science major requirements. Credit will not be awarded for both POL 100 and 1005. Gen. Ed. E-5B.

POL 100S Principles of Politics and Government. (3) I, II. An introductory social science course focusing on the political and governmental aspects of society, enhanced with a service-learning component. Does not count toward political science major requirements. Credit will not be awarded for both POL 100 and POL 100S.

POL 101 Introduction to American Government. (3) I, II. Principles, functions, and basic political institutions of the American system of government discussed in class and through written work. Gen. Ed. E-5A, E-5B. Credit will not be awarded for both POL 101 and POL 101S.

POL 101S Introduction to American Government: Service Learning. (3) A. Principles, functions, and basic political institutions of the American system of government at the national level enhanced with a service-learning component. Credit will not be awarded for both POL 101 and POL 101S.
or instructor approval. Analysis of the development of the U.N.; functional and regional approaches to peace, security, economic cooperation, social welfare, and law in international relations.

POL 331 Urban Politics. (3) A. Political processes of urban areas including comparisons of the urban infrastructures of urban and other local government.

POL 332 Kentucky Government and Politics. (3) I, II. An overview of the Kentucky political system, major institutions, processes, and political leaders, with emphasis on recent events and development. Credit will not be awarded for both POL 332 and POL 497B.

POL 333 American State and Local Government. (3, A). Study of the institutions and processes of government of the fifty states and of cities and counties.

POL 340 Political Parties and Interest Groups. (3) A. Prerequisite: ENG 102, ENG 105(B), or HON 102. An overview of the informal institutions of American government: functions, organization, financing of political parties, interest groups, and their relationship to democracy.

POL 341 The U.S. Congress. (3). A. Prerequisite: ENG 102, ENG 105(B), or HON 102. A systematic examination of the decision-making process in Congress.

POL 342 The American Presidency. (3) A. Prerequisite: ENG 101, ENG 105(B), or HON 102. An examination of the power and functions of the offices of the President. Recent developments affecting the American presidency will be emphasized.

POL 343 Campaigns and Elections. (3) A. Prerequisite: ENG 101, ENG 105(B), or HON 102. An examination of U.S. campaigns and elections including topics in campaign organization and planning, voting behavior, campaign finance, and election laws for presidential, congressional, and state/local campaigns.

POL 345 Minority Group Politics. (3) A. Cross-listed as AFA 345. Examination and comparison of various theories, strategies, forms of participation, leadership styles, and concepts, (e.g., Black Power) of minority group politics. Credit will not be awarded for both POL 345 and AFA 345.

POL 347 Politics and Religion in the U.S. (3). A. Interaction of government, politics, and religion in the U.S.: role of Supreme Court and Constitution in defining church-state separation and religious freedom; religious organizations as pressure groups; religion in electoral politics and foreign policy-making; religion and public schools.

POL 349 Applied Learning in Political Science. (3-8). A. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. No more than six hours may count toward this major. No more than three hours may count toward this minor.

POL 349 A-N Cooperative Study: Political Science. (3-8). A. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit. No more than six hours may count toward this major. No more than three hours may count toward this minor.

POL 357 American Political Thought. (3) A. Study of the political philosophy and values that have shaped the American political system. Emphasis given to problems in democratic theory and to competing ideologies within the American political system.

POL 360 Judicial Process. (3) A. Study of legal and judicial systems in the United States and their role in the political process.

POL 370 Introduction to Public Administration. (3) A. Survey of organization, authority, decision-making, intra-organization communications, and application of principles of the American bureaucracy by case studies.

POL 373 Politics of Development in Appalachia. (3) A. Cross-listed as APP 373. This course examines community and economic development in the Appalachian region with special emphasis on Kentucky. Focus will be on the political, economic and social conditions affecting development. Credit will not be awarded for both POL 373 and APP 373.

POL 374 Introduction to Public Policy. (3) A. Introduction to the role of federal, state, and local governments in the formulation, implementation, and evaluation of public policies. Examples of policy decisions which might be considered include energy, housing, environmental quality, and social services.

POL 376 Public Human Resources. (3) A. Policies, and practices for human resources management in public services. Civil Service systems and reforms, diversity and affirmative action, managing, compensating, and motivating employees.

POL 377 Public Budgeting. (3). A. The political correlates of budget formulation, budget strategy, and budget execution. An analysis of the role of taxes, spending, program evaluation, and planning in the budgeting process at the federal, state, and local levels.

POL 400W Capstone Course in Political Science. (3) I, II. Prerequisites: POL 101, POL 212, POL 220, and 280 or ENG 102 or ENG 105(B) or HON 102. Cumulating, integrative course for political science majors. Requires advanced analysis integrating subfields of the discipline. Students will complete a comprehensive term paper during the semester in stages with instructor feedback and revisions.

POL 405 Special Topics in Political Science. (3) A. Exploration of a particular topic: theorist, institution, process, policy, writings, or their combinations. Prerequisites set by the department. May be retaken to a maximum of six hours provided subject matter differs each time.

POL 410 Studies in Comparative Government and Politics. (3) A. Prerequisite: three hours of POL or departmental approval. Study of selected country, region, or a cross-national study of a political institution (e.g., Executives, Political Parties, Legislatures). May be retaken to a maximum of nine hours provided the subject matter differs each time.

POL 415 Terrorism and Political Violence. (3) A. Examines terrorism and political violence as causes and consequences of cultural, social and political change.

POL 421 The U.S. and Latin America. (3) A. Examines U.S. foreign policy in Latin America and the Caribbean; Latin American foreign policies; key hemispheric issues such as the war on drugs, immigration, foreign aid, and trade.

POL 440 Public Opinion & Voting Behavior. (3) A. Prerequisite: ENG 102, ENG 105(B) or HON 102. Survey of recent literature in the field of voting behavior in the U.S. Topics include public opinion, polling, participation, and campaign behavior. Attention paid to methodologies and techniques.

POL 446 The Politics of Sex. (3). A. Cross-listed as WGS 446. The effect of sex on social and political institutions, public policies, and court rulings. Issues may include pornography, sexual and gender discrimination, domestic violence, reproductive rights and gay rights. Credit will not be awarded for both POL 446 and WGS 446.

POL 460 Law and Society. (3). A. Sources, nature, function, and limits of law as an instrument of social and political control of human behavior. Examples taken from property, torts, contracts, criminal law, and selected areas of public policy.

POL 463 Constitutional Politics. (3). A. An examination of constitutional problems in American government. Emphasis is given to cases in their legal and political context.

POL 464 Law and Politics of Civil Liberties. (3). A. An examination of historic and contemporary problems of civil liberties. Emphasis is given to cases in their legal and political context.

POL 466A Mock Trial (1) A. Prerequisite: departmental approval. Cross-listed as GSD 466A. Preparation of Mock Trial Competitions. Students will develop cases for presentation including opening and closing arguments, introducing testimonial, physical and demonstrative evidence, and conducting direct and cross examination of witnesses. May be retaken to a maximum of 8 hours, only 2 of which may be counted toward the political science major and only 1 may be counted toward the political science minor.

POL 466B Mock Trial (2) II. Prerequisite: POL 466A and departmental approval. Cross-listed as GSD 466B. Preparation of Mock Trial Competitions. Students will develop cases for presentation including opening and closing arguments, introducing testimonial, physical, and demonstrative evidence, and conducting direct and cross examination of witnesses. May be retaken to a maximum of 8 hours, only 4 of which may be counted toward the political science major and only 2 may be counted toward the political science minor.

POL 490 Independent Work in Political Science. (1-3). A. Individual research and/or reading on a problem or area in political science. Regular reports and final research paper required. May be retaken to a maximum of six hours. Students must have the independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment.

POL 495 Practicum in Political Science. (1-3). A. Supervised field study program. May be retaken to a maximum of six hours, provided subject matter differs each time. Student must have the independent study proposal form approved by faculty supervisor and departmental chair prior to enrollment.

POL 495A Practicum in American Political Process. (1-3). A.

POL 495B Practicum in Comparative Politics and International Relations. (1-3). A. Prerequisite: junior or senior standing with a cumulative GPA of 2.5 or better (on a 4.0 scale). Enrollment is by invitation only and limited to a maximum of 18 hours.

POL 497A Internship in State Government. (3-9). A. Each intern’s performance in his or her job is evaluated by the agency supervisor in consultation with the intern’s campus coordinator or the supervisor’s advisor in the department granting credit for the internship. May be retaken to a maximum of nine hours.

POL 497B Selected Topics in Administration of Kentucky State Government. (1-12). A. Seminar on various topics on the administration of Kentucky state government which support and constitute an essential part of the Kentucky Administrative Intern Program. May be retaken to a maximum of 12 hours provided the topics vary. Credit will not be awarded for both POL 497B and POL 332.

POL 498A Kentucky Legislative Internship Program. (0) A. Prerequisites: junior or senior standing with a cumulative GPA of 2.8 or better (on a 4.0 scale) and a definite interest in the legislative process in the Commonwealth. Enrollment is by

SECTION SIX - COURSE DESCRIPTIONS
invitations only and limited to a maximum of 15 hours by registering for POL 408A and 408B.

POL 495 Legislative Internship. (3) A.
Prerequisite: junior or senior standing with 2.5 GPA. Supervised internship in the office of a Member of the Canadian Parliament. Final selection for enrollment determined by program. Apply by December 1 for internship in May through June. May be repeated for a total of ten hours credit.

POL 533 Seminar in State and Local Politics. (3) A.
Prerequisite: an analysis of the institutions, policies, and administration of American state and local governments. May be taken to a maximum of nine hours.

POL 498B Selected Topics in Kentucky Legislative Process. (3-9) A.
Prerequisite: enrollment in the course for credit. May be taken to a maximum of nine hours.

POL 499 Canadian Parliamentary Internship. (5) A.
Prerequisite: junior or senior standing with 2.5 GPA. Supervised internship in the office of a Member of the Canadian Parliament. Final selection for enrollment determined by program. Apply by December 1 for internship in May through June. May be repeated for a maximum of ten hours credit.

POL 551 Classical Political Theory. (3) A.
Cross-listed as PHI 551. Examination of Western political thought from Plato to Aquinas. Credit will not be awarded for both PHI 551, PHI 551W, or POL 551W.

POL 551W Classical Political Theory. (3) A.
Cross-listed as PHI 551W. Prerequisites: ENG 102 or ENG 105(B) or HON 102. Examination of Western political thought from Plato to Aquinas. Credit will not be awarded to students who have credit for PHI 551, PHI 551W, or POL 551W.

POL 552 Modern Political Theory. (3) A.
Cross-listed as PHI 552. Examination of Western political theory from the Renaissance to the mid-twentieth century. Credit will not be awarded to students who have credit for PHI 552, PHI 552W, or POL 552W.

POL 552W Modern Political Theory. (3) A.
Cross-listed as PHI 552W. Prerequisites: ENG 102 or ENG 105(B) or HON 102. Examination of Western political thought from Plato to Aquinas. Credit will not be awarded to students who have credit for PHI 552, PHI 552W, or POL 552W.

POL 553 Contemporary Political Theory. (3) A.
Cross-listed as PHI 553. Examination of Western political thought from the mid-twentieth century to the present. Credit will not be awarded to students who have credit for PHI 553, PHI 553W or POL 553W.

POL 553W Contemporary Political Theory. (3) A.
Cross-listed as PHI 553W. Prerequisites: ENG 102 or ENG 105(B) or HON 102. Examination of Western political thought from the mid-twentieth century to the present. Credit will not be awarded to students who have credit for PHI 553, PHI 553W or POL 553W.

POL 565 Administrative Law. (3) A.
Nature of the powers vested in administrative agencies; the problems of administrative procedure; and the methods and basis of judicial control over administrative action.

PSY—Psychology
Dr. Robert Brubaker, Chair

PSY 200 Introduction to Psychology. (3) A.
Prerequisite: completion of developmental reading requirement. A survey of the major content areas and methods of psychology, including history, biological correlates, cognition, language, intelligence, motivation, emotion, development, personality, abnormal, therapy, and social behavior. Credit will not be awarded for both PSY 200 and 200W. Gen. Ed. E-BB (SB).

PSY 200W Introduction to Psychology—Writing Intensive. (3) A, I, II.
Prerequisites: ENG 102 or 105 (B) or HON 102, and completion of developmental reading requirement. A writing-intensive survey of the major content areas and methods of psychology, including history, biological correlates, cognition, language, intelligence, motivation, emotion, development, personality, abnormal, therapy, and social behavior. Credit will not be awarded for both PSY 200 and 200W. Gen. Ed. E-BB.

PSY 250 Information Literacy in PSY. (3) A.
Prerequisite: PSY 200 or 200W. Completion of developmental reading and writing requirements. Information literacy, reading, evaluating, summarizing scientific literature in Psychology; scientific writing (APA format); basic research terminology. Credit will not be awarded for both PSY 250 and 250W.

PSY 250W Information Literacy in PSY—Writing Intensive. (3) A.
Prerequisites: PSY 200 or 200W and completion of developmental reading requirements; ENG 102 or ENG 105(B) or HON 102. Information literacy, reading, evaluating, summarizing scientific literature in Psychology; scientific writing (APA format); basic research terminology. Credit will not be awarded for both PSY 250W and PSY 358.

PSY 280 Lifespan Developmental Psych. (3) A, I.
Prerequisite: PSY 200. Developmental research and research in developmental psychology across the entire life span. May not be applied to the Psychology major. Credit will not be awarded for both PSY 280 and 280W. Gen. Ed. E-BB.

PSY 280W Lifespan Developmental Psychology—Writing Intensive. (3) A, I.
Prerequisites: PSY 200, ENG 102 or ENG 105(B) or HON 102. A writing-intensive survey of theory and research in developmental psychology across the entire life span. May not be applied to the Psychology major. Credit will not be awarded for both PSY 280 and 280W. Gen. Ed. E-BB.

PSY 300 Social Psychology. (3) A.
Prerequisites: PSY 250 and ENG 102 or ENG 105(B) or HON 102. A survey of the study of social situations and the social environment to affect human behavior. Topics include: attitudes, persuasion, prejudice, discrimination, intergroup conflict, interpersonal attraction, aggression and prosocial behavior. Credit will not be awarded for both PSY 300 and PSY 300W.

PSY 300W Social Psychology—Writing Intensive. (3) A.
Prerequisites: PSY 250 and ENG 102 or ENG 105(B) or HON 102. Writing intensive study of the power of situations and the social environment to affect human behavior. Topics include: attitudes, persuasion, prejudice, discrimination, intergroup conflict, interpersonal attraction, aggression and prosocial behavior. Credit will not be awarded for both PSY 300W and PSY 300W.

Prerequisites: MAT 105(C) or MAT 106(C) or any MAT course above 106; and PSY 250 or 250W; and ENG 102 or ENG 105(B) or HON 102. Writing intensive introduction to the various research methods and descriptive statistics used in Psychology. The course includes a lab experience. Credit will not be awarded for both PSY 309 and PSY 309W.

PSY 310W Statistics-Research Methods II. (3) A.
Prerequisite: PSY 309(C). Introduction to inferential statistics and continuation of PSY 309 with an emphasis on experimental research methods in Psychology.

PSY 311 Physiological Psychology. (3) A.
Prerequisites: PSY 250 and ENG 102 or ENG 105(B) or HON 102. Facts, concepts, and principles regarding physiological events that underlie behavior. Attention to contemporary research methods and problems underlying study.

PSY 312 Infant and Child Development. (3) A.
Prerequisites: PSY 200, and ENG 102 or ENG 105(B) or HON 102. Theoretical and empirical approaches to the development of the infant and child with attention to perceptual, behavioral, social, and cognitive development and the capacity for learning.

PSY 314 Adolescent and Adult Development. (3) A.
Prerequisites: PSY 200, and ENG 102 or ENG 105(B) or HON 102. Survey of biological, psychological, social, cognitive, and historical influences on adolescent and adult development.

PSY 315 Sensation and Perception. (3) A.
Prerequisites: PSY 250, and ENG 102 or ENG 105(B) or HON 102. Experimental study of sensation and perception, the sensory and cognitive processes by which we come to know our world. Credit will not be awarded for both PSY 315 and PSY 315L.

PSY 315L Sensation and Perception with Lab. (4) A.
Prerequisites: PSY 250, and ENG 102 or ENG 105(B) or HON 102. Experimental study of sensation and perception, the sensory and cognitive processes by which we come to know our world. 3 Lect/Lab. Credit will not be awarded for both PSY 315 and 315L.

PSY 316 Aging and Senescence. (3) A.
Prerequisites: PSY 200, and ENG 102 or ENG 105(B) or HON 102. Theory and facts about aging changes in sensory processes, intellect, memory, personality, family and psychopathology.

PSY 317 Cognitive Psychology. (3) A.
Prerequisite or Corequisite: PSY 309. Theoretical and empirical approaches to human cognition. Topics include knowledge acquisition and organization, memory, language, problem solving, and thinking skills. Credit will not be awarded for both PSY 317 and 317L.

PSY 317L Cognitive Psychology with Lab. (4) A.
Prerequisite or Corequisite: PSY 309. Theoretical and empirical approaches to human cognition. Topics include knowledge acquisition and organization, memory, language, problem solving, and thinking skills. 3 Lect/2 Lab. Credit will not be awarded for both PSY 317 and 317L.

PSY 318 Introduction to School Psychology. (3) A.
Prerequisites: PSY 250; ENG 102, ENG 105(B) or HON 102; CMS 100, 210; or EES 250. Introduction to the field of School Psychology. Topics include developmental disabilities, mental health diagnoses, assessment, consultation, direct intervention, history of school psychology, and professional considerations.

PSY 319 Psychology of Work. (3) A.
Prerequisites: PSY 250, and ENG 102 or ENG 105(B) or HON 102, and CMS 100 or CMS 210. Application of psychological theories and procedures to the world of work. Topics include personnel policies and administration, performance management, organizational theory, behavior and development,
occupational health, and leadership. Credit will not be awarded for both PSY 319 and 319S.

PSY 401W Senior Thesis. (3) I, II. Prerequisites: ENG 343 (W), ENG 362 (W), or ENG 382 (W), and completion of a research project under the direction of the instructor. Credit will not be awarded for both PSY 401 and 401W.

PSY 402 Independent Work in Psychology. (1-3) I, II. Prerequisite: student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. Results must be presented in a formal paper. May be retaken to a maximum of six hours provided different problems are studied.

PSY 403 Practicum in Psychology. (1-3) I, II. Prerequisites: must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. Supervised field experience may be retaken to a maximum of six hours.

PSY 405 Intro to Interviewing/Therapy. (3) A. Prerequisites: PSY 250 and 308. Introduction to the basic concepts and skills of interviewing and therapeutic communication in the mental health field.

PSY 406 Intro to Behavior Therapy. (3) A. Prerequisites: PSY 250, and PSY 308, and ENG 105 or ENG 105B or HON 102. Principles and techniques of applying behavioral principles in the analysis of complex human behavior. Emphasis is placed on methods of observing behavior and analyzing functional relationships between behavior and environment.

PSY 408 Child Psychopathology. (3) A. Prerequisites: PSY 250, PSY 280 or PSY 312, and ENG 105 or ENG 105B or HON 102. Descriptive study of behavior disorders in children, with attention to symptoms or behavioral patterns, etiological influences, relevant research, theoretical underpinnings, and approaches to assessment and intervention.

PSY 410C Experiential Learning in Psychology (0) I, II. Prerequisite: departmental approval. Supervised field experience in Psychology. Only full-time students may enroll.

PSY 410D Intr to Interviewing/Therapy (0) I, II. Prerequisite: departmental approval. Supervised field experience in Psychology. Only full-time students may enroll.

PSY 411 Cognitive Development (3) A. Prerequisites: PSY 250, PSY 305, and PSY 308, and ENG 105 or ENG 105B or HON 102, or departmental approval. Examination of the ways in which selected psychological principles contribute to our understanding of the development of the arts and the artist.

PSY 412 The Psychology of Art. (3) A. Prerequisites: PSY 250, and PSY 311 or 313C or 313C or 313C or 311C or 311C or 311C. A bridging discipline between cognitive science and biophysics that examines the neural bases of mental processes and complex behavior. Some topics include functional brain imaging, neural networks, perception, memory, language, and consciousness.

PSY 413 Mind and Brain. (3) A. Prerequisites: PSY 250, and PSY 311 or 313C or 313C or 313C or 311C or 311C or 311C. A bridging discipline between cognitive science and biophysics that examines the neural bases of mental processes and complex behavior. Some topics include functional brain imaging, neural networks, perception, memory, language, and consciousness.

PSY 414 Political Psychology (3) A. Prerequisites: PSY 250, and PSY 300, and ENG 105 or ENG 105B or HON 102, and CMS 100 or CMS 210, or departmental approval. Seminar covers research that applies psychological methods and theory to politics. Areas covered include personality and politics, and the psychological perspectives of media bias, ideology, conflict, prejudice, and terrorism.

PSY 415 Multicultural Psychology. (3) A. Prerequisites: PSY 250, and PSY 300, and ENG 105 or ENG 105B or HON 102, or departmental approval. Seminar covers research that applies psychological methods and theory to politics. Areas covered include personality and politics, and the psychological perspectives of media bias, ideology, conflict, prejudice, and terrorism.

PSY 419 Research Development Skills II. (3) I, II. Prerequisites: PSY 399 and Research Proposal Approved by Experiential Learning. Development of data gathering, data analysis, and research presentation skills. Students will execute research developed in PSY 399, learn alternative data management and analyses techniques, prepare oral and written presentations of research. Credit will not be awarded to students who have credit for PSY 401 or 401W.

PSY 420 Forensic Psychology. (3) A. Prerequisites: PSY 250, and CMS 100 or CMS 210. Design, execution, and writing of a supervised independent research project. Credit will not be awarded for both PSY 420 and PSY 420W.

PSY 423A Psychological Assessment. (3) A. Prerequisites: PSY 250 or 102 or ENG 105B or HON 102, and PSY 301C, and CMS 100 or CMS 210. Design, execution, and writing of a supervised independent research project. Credit will not be awarded for both PSY 420 and PSY 420W.

PSY 423B Psychological Assessment II. (3) A. Prerequisites: PSY 250, and PSY 301C, and CMS 100 or CMS 210. Design, execution, and writing of a supervised independent research project. Credit will not be awarded for both PSY 420 and PSY 420W.
PSY 597 Advanced Topics in Psychology: Communicating Through the Overlap of Auditory and Visual Channels. Prerequisite: PSY 200, and ENG 102 or ENG 105 (B) or HON 102, and departmental approval. Selected topics for advanced study. Topics vary across semesters depending on student interest and available faculty. May be retaken up to 12 hours.

PUB—Public Relations

Dr. Elizabeth Hansen, Chair

PUB 320 Design for Mass Media (3) I, II.
Introductory design course for non-designers presenting concepts, principles, terminology, tools, and techniques in computer-based design and production within public relations. Emphasis on media channels/audiences. Credit will not be awarded to students who have received credit for JOU 320.

PUB 349 Applied Learning in Public Relations, (5-8) A.
Prerequisites: junior standing, "B" average in all courses within the department, and departmental approval. Work under faculty and field supervisors in cooperative placements related to the student’s academic studies. One to eight hours credit per semester or summer. Total credit hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit. One hour may be used to satisfy major requirements within the department.

PUB 349 A-N Cooperative Study: Public Relations, (5-8) A.
Prerequisites: junior standing, "B" average in all courses within the department, and departmental approval. Work under faculty and field supervisors in cooperative placements related to the student’s academic studies. One to eight hours credit per semester or summer. Total credit hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours work required for each academic credit. One hour may be used to satisfy major requirements within the department.

PUB 375 Public Relations Principles, (3) I, II.
Survey of principles and practices in disseminating information to internal and external audiences in business, industrial, educational, social and government agencies.

PUB 380 Public Relations Writing, (3) I, II.
Prerequisites: COM 201 and PUB 375. Practice in public relations planning and writing for publications, media releases and other mass media materials for the public and special interest groups, including institutions, governments, and other organizations. Also includes writing in business formats.

PUB 385 PR Event Planning & Management, (3) A.
Prerequisite: PUB 375 with a grade of "C" or higher. Using a service-learning-based approach, students receive hands-on experience identifying a public relations goal and supporting it with a special event. Also includes specific planning procedures, communication methods and evaluation procedures. Credit will not be awarded for both PUB 385 and PUB 385S.

PUB 385S PR Event Planning & Management, (3) A.
Prerequisite: PUB 375 with a grade of "C" or higher. Using a service-learning-based approach, students receive hands-on experience identifying a public relations goal and supporting it with a special event. Also includes specific planning procedures, communication methods and evaluation procedures. Credit will not be awarded for both PUB 385 and PUB 385S.

PUB 400 Studies in Public Relations (1-3) A.
Prerequisite: departmental approval. Study of specific areas of Public Relations through a course examining timely or topical concerns in the field. Specific topics included in schedule. May be retaken to a maximum of nine hours.

PUB 410S Social Media and Public Relations (3) I, II.
Introduction to social media forms and design. Emphasis on social media as a public relations tool in terms of institutional, social, and technological impact. Includes working with community partner(s) to create an online presence.

PUB 412 Web Marketing and Development, (3) I, II.
Cross-listed as JOU 412. Prerequisite: PUB 320 or JOU 320 with a grade of "C" or higher. An introduction to the communication theory, strategies, tools and techniques of Internet marketing and effective Web development. Emphasis on interactivity theory, interactive applications and pages functionality, graphics, and use of HTML and CSS. Credit will not be awarded for both PUB 412 and JOU 412.

PUB 415S Public Relations in the Performing Arts, (3) I, II.
Using a service-learning approach, students apply principles, traditional and contemporary tools, best practices, case studies, strategic planning and execution, and public relations management strategies toward a career in the performing arts or non-profit organizational management.

PUB 470 Public Relations Internship, (1-3) I, II.
Prerequisite: COM 201, PUB 375, PUB 380, 2.25 GPA for major and supporting courses. Supervised practical experience in a public relations operation. May be taken to a maximum of three hours.

PUB 475 Advanced Public Relations, (3) A.
Prerequisite: PUB 380. Emphasizes a management approach and application of the four-step PR process to solving public relations problems through planning, design, and production of print, audiovisual, and broadcast materials used in public relations. Includes public relations case histories and problems.

PUB 480 Integrated Communications Strategies, (3) A.
Prerequisite: PUB 375 with a grade of "C" or higher. Prerequisite or Corequisite: PUB 475. Examination of the interactions within an organization’s overall communication efforts, including public relations, industrial and graphic design, organizational communication, and other related initiatives.

PUB 490 Public Relations Campaigns, (3) A.
Prerequisites: JOU 320 or PUB 320 with a grade of "C" or higher, PUB 475 with a grade of "C" or higher, and COM 420 with a grade of "C" or higher. Application of research, planning, strategies, and evaluations to a public relations campaign. Includes budgeting and scheduling of campaigns. Credit will not be awarded for both PUB 490 and PUB 490S.

PUB 490S Public Relations Campaigns, (3) A.
Prerequisites: JOU 320 or PUB 320 with a grade of "C" or higher, PUB 475 with a grade of "C" or higher, and COM 420 with a grade of "C" or higher. Using a service-learning-based approach, students research, plan and prepare an integrated public relations campaign for a specified local business or organization client. Credit will not be awarded for both PUB 490 and PUB 490S.

PUB 491 Senior Seminar in Public Relations, (1) I, II.
Prerequisites: completion of 90 hours with at least 1 hour from COM 349, or PUB 349 or 470. Evaluates students’ progress toward a career in public relations, especially the development of a portfolio, and develops job search strategies and skills. Includes assessment of instruction and curriculum. Credit will not be awarded for both PUB 491 and PUB 490.

PUB 499 Independent Study in Public Relations, (1-3) A.
Prerequisite: Student must consult with the faculty supervisor and have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of three hours.

PUB 500 Designed Public Relations Strategies, (3) A.
Examines integrated public relations skills used to achieve organizational objectives. Emphasizes strategic planning including forecasting and communicating future business plans. Includes an in-depth look at relevant communication theories explaining common public relations problems and strategies.

PUB 530 Sports Information Programs, (3) A.
Study of the role and function of the sports information director. Includes public relations techniques applied to sports information: news releases, publications programs, office and staff organization, time utilization, news media and format.

QMB—Quantitative Methods

Dr. Oliver Feltsus, Chair

QMB 200 Business Statistical I. (3) L, I.
Prerequisite: MAT 107 (or MAT 211) with a grade of "C" or better. Business applications of probability, measures of central tendency, dispersion, sampling, correlation and hypothesis testing. Credit will not be awarded to students who have credit for CRI 400 or ECO 220 or EPY 842 or HEA 450 or PSY 369 or STA 215 or STA 270.

QMB 240 Managerial Decision Models

(3) I, II.
Prerequisite: MAT 107 with a grade of "C" or better. Introduction to quantitative decision methodology for business. Includes break-even analysis for linear and nonlinear revenue and cost functions, analysis of project maximizing and cost minimizing output, inventory, peak cash, and other business analytical models. BBA degree candidates who complete MAT 211 with a "C" or better are not required to take QMB 240.

REC—Recreation and Park Administration

Dr. Jon McChesney, Chair

REC 101 Recreation and Tourism Careers.

(1) I, II.
Introduction to the broad scope of careers and employment in recreation, parks, and leisure services organizations.

REC 102 Introduction to Recreation Leadership, (3) I, II.
Techniques of leadership in working with individuals in groups in various settings. Methods of organization, guidance, and supervision of program activities.

REC 110 SCUBA Confined Water. (1) L.
Relationships of scuba diving to adventurous tourism, introduction to scuba diving equipment and techniques in confined water settings. This course is prerequisite to REC 111 SCUBA Diving - Open Water.

REC 111 SCUBA Open Water. (1) L.
Prerequisite: REC 110. Relationships of scuba diving to adventure tourism, introduction to SCUBA diving equipment and techniques in open water settings. This course will be conducted over a 2.5 day period at an off-campus dive site.

REC 163 Fieldwork I. (1) A.
On-site observation and assistance within a recreation, park or leisure services agency. Observe and assist with recreation activities, programs and special events.

REC 180 Outdoor Adventure Activities.

(1) L.
Outdoor adventure course that gives students hands-on exposure to the adventure lifestyle. Includes selected activities such as: gain skills in hiking, rock climbing, kayaking, caving, rafting, sailing, mountain biking, horseback riding, backpacking, snowkiling, and snow skiing. Students will attend skill-based workshops.

REC 190 Challenge Course Introduction.

(1) A.
Outdoor-based experiential focus using the EKU Challenge Course, climbing tower, and group initiatives.

REC 200 Leisure Diversity and Culture.

(3) L.
Examination of personal, philosophical, cultural diversity, economic, behavioral, and historical dimensions of play, recreation and leisure; evolution of leisure lifestyles; impact of leisure on the quality of life; and knowledge of professional roles.

REC 210 Equine Assisted Therapeutic Recreation, (3) L.
Prerequisite OTS 205 or departmental approval. Introduction to Equine Assisted Activities and Therapies (EAT). The history and application of EAT and the general emotional, physical and medical benefits of EAT for individuals with diverse needs. This course provides hands on activities with a local program.

REC 225 Recreation Hobbies. (3) A.
Comprehensive study of recreation services and leisure education; emphasis on leisure time skills, hobbies, avocations, and lifetime recreation; utilization...
course descriptions

of constructive leisure from youth to senior adults including the disabled person.

REC 250 Tourism Videography. (3) II. An examination in tourism and recreation video production, with emphasis in field production. The course combines theory, history and practice. Hands-on demonstrations, screenings, readings, lectures and discussion prepare students to develop skills in outdoor video production.

REC 263 Fieldwork II. (2) A. Prerequisite: REC 163. Onsite practical experience in a recreation, park, or leisure services agency. Organize and lead recreation programs.

REC 280 Programming Special Events. (3) A. Introduction to the methods and techniques of delivering fairs, festivals and special events. Course focuses on the principles and concepts of event planning, management, marketing, and evaluation.

REC 290 Adventure Programming. (3) A. Application of adventure programming delivered experientially through problem solving activities, program design and technical skill development. Planning and implementation, facilitation strategies, safety procedures, equipment management, personnel administration, and program design are addressed.

REC 325 Camp Supervision. (3) II. Supervision of camp programs, auxiliary services, and personnel.

REC 349 Applied Learning in Recreation and Park Administration. (5-8) A. Prerequisite: department chair approval. Agency supervised fieldwork course. Minimum of 80 clock hours for each academic credit. Students must register with the Cooperative Education Office.

REC 349-A Cooperative Study: Recreation and Park Administration. (5-8) A. Prerequisite: department chair approval. Agency supervised fieldwork course. Minimum of 80 clock hours for each academic credit. Students must register with the Cooperative Education Office.

REC 350 Supervision of Recreation Personnel. (3) A. Analysis of skills and techniques utilized in effective supervision of park, recreation, and leisure service personnel.

REC 380 Natural Resource Tourism. (3) A. Issues in understanding natural resource tourism, sustainability, tourism lifecycle, impacts associated with natural resource tourism, and effective management. Theoretical approaches, case studies and applications. Emphasis on student participation and discussion.

REC 401 Management of Recreation Services. (3) A. Management concepts and processes, organizational structure, policies, personnel, budget, and fiscal management of development and public relations, legal issues, and risk management.

REC 406 Planning, Design, and Maintenance of Recreation Facilities. (3) II. Planning principles and procedures of recreation and park areas. Facilities, design problems, details of structure and equipment, master planning methods, study and organization. Laboratory.

REC 409 Independent Study. (1-3) A. Prerequisite: for majors and minors only. Independent study of special topics through directed readings and research. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be taken to a maximum of three hours.

REC 410 Recreation Research & Evaluation. (3) II. Assessment and evaluation of recreation needs, interests, and agency effectiveness. Research processes and methods, marketing and budgeting as related to recreation services will be the focus of this course.

REC 411S Therapeutic Recreation Services for the Senior Adult. (3) I. Explores successful aging and the benefits of therapeutic recreation for seniors. The course includes a service learning project with a community partner determining the recreation needs of seniors, preventing lifestyle changes and opportunities for meaningful activities. Credit will not be awarded for both REC 411S and REC 411.

REC 450W Senior Seminar. (3) I, II. Prerequisites: for majors only; enroll the semester immediately preceding REC 463. Introduction to the senior practicum and professional requirements. Study of trends in recreation practices. Development of a professional philosophy. Credit will not be awarded for both REC 450W and REC 450.

REC 460 Advanced Leadership and Programming. (3) II. Prerequisite: REC 102. Comprehensive course in recreation program planning, development, and leadership techniques with individuals and groups. Students plan a seasonal program. 2 Lec/2 Lab.

REC 463 Internship. (12) A. Prerequisites: 2.0 GPA; REC core and REC option courses. Placement in a recreation agency to lead and develop recreation programs, supervise personnel and facilities, and perform administrative duties. A minimum of 480 clock hours typically covering 12 or more weeks.

REC 473 Therapeutic Recreation Internship. (12) I, II. Prerequisite: All REC Core and TR Option Courses with a 2.0 GPA. Placement in a therapeutic recreation agency to lead and develop therapeutic recreation programs, supervise clients, facilities, and perform administrative duties. A minimum of 500 clock hours typically covering 14 weeks.

REC 480 Resort Recreation Management. (3) A. Prerequisite: REC 280. Investigation of the methods and techniques of resort recreation management, and its position within the tourism and hospitality industries. Examines customer service and marketing, international markets, human resources, and fiscal implications.

REC 481 Research Methods in Tourism Study. (3) A. Prerequisites: REC 280 and REC 380. Introduction to the methods and techniques of tourism research. Student competencies include understanding, interpreting, and applying research to tourism related services.

REC 490 Challenge Course Management. (3) A. Prerequisite: REC 290. Advanced leadership and facilitation techniques for challenge course management. Designed for individuals who have experience on challenge courses and need additional training.

REC 511 Therapeutic Recreation Practices and Services. (3) I, II. Interventions and utilization of terminology. Application leadership skills, assistive technology, and programming applications. 2 Lec/2 Lab.

REC 512S Management of Therapeutic Recreation Services. (3) II. Prerequisite: for majors only. Management concepts applied to delivering therapeutic recreation services, and includes: documentation, activity analysis, assessment, liability, legislation, and standards of practice. Includes 15 service-learning hours.

REC 516 Recreation and Park Interpretive Services. (3) I, II. Interpretation of natural, historical and cultural resources in recreation and park settings. Frequent agency visits and educational field seminars are components of this course.

REC 530 Park Management. (3) II. Park purposes and operations with an emphasis on natural resources and visitor management. Concentration on design, resource conservation and preservation, public relations, and park policies.

REC 520 Trends and Issues in Therapeutic Recreation. (3) A. Prerequisite: REC 311. A professional issues and trends discussion on topics related to therapeutic recreation such as clinical practice, licensure, legislative and regulatory issues, curricular standardization, professional ethics and other relevant professional topics.

REC 590 Special Topics: (1-3) A. Identification and study of specialized techniques in recreation leadership, activity skills, operational methods, and services. May be retaken under different workshop title.

REL—Religion

REL 301 World Religions. (3) I, II. Study of the basic notions found in the great world religions. Attention is given to the historical context of the development of these religions and to the doctrines, rituals and literature produced by them. Credit will not be awarded for both REL 301 and 301W. Gen. Ed. E-3B.

REL 301W World Religions: Writing Intensive. (3) I, II. Prerequisite: ENG 102 or 105 (B) or HON 102 (B). A writing intensive study of the basic notions found in the world’s great religions. Attention is given to the historical context of the development of these religions and to the doctrines, rituals and literature produced by them. Credit will not be awarded for both REL 301 and 301W. Gen. Ed. E-3B.

REL 302 Theories of Religion. (3) A. Prerequisite: ENG 102 or 105 (B) or HON 102. An overview of methods used by scholars to study religions, and an introduction to several influential theories that have shaped the field of religious studies from the nineteenth century to the present.

REL 305 Survey of the Old Testament. (3) I. A survey of the history and religious development of the ancient Hebrews, with attention given to the religious concepts and values of the literature of the Old Testament.

REL 306 Survey of the New Testament. (3) II. A writing intensive study of the New Testament times and an examination of the meanings and significance of the teachings of Jesus and the writings of the early Church.

REL 315 History of Christian Thought. (3) A. A survey of Christian theology, philosophical theology, and spirituality from the Apostolic Fathers through the early Reformation period.

REL 320 Judaism. (3) A. Prerequisite: ENG 102 or ENG 105(B) or HON 102. This course introduces students to the main beliefs and practices of Judaism. Students will read a broad selection of primary sources ranging from the Hebrew Bible to contemporary Jewish thought in the United States.

REL 335 Islam. (3) A. Prerequisite: ENG 102 or 105(B) or HON 102. A study of the origins and religious development of Islam by an examination of the Koran and the writings of some major Islamic thinkers. Gen. Ed. E-6.

REL 340 Religions of India. (3) A. Prerequisite: ENG 102 or 105(B) or HON 102. Study of the major religions of India in the Vedic Period, classical systems, Epic Period, heterodox systems, orthodox systems, and contemporary thought. Gen. Ed. E-6.

REL 345 Religions of China and Japan. (3) A. Prerequisite: ENG 102 or 105(B) or HON 102. Study of the major religions of China and Japan, including original Han Confucianism, Chu Schools, Neo-Confucianism, Shinto, and Chinese and Japanese Buddhism. Gen. Ed. E-6.

REL 349 Applied Learning in Religion. (1-8) A. Prerequisite: consult with department

2014-2015 EKU UNDERGRADUATE CATALOG 345
chair before enrolling. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment requirement for each semester hour credit.

REL 349 A-N Cooperative Study: Religion. (1-6) A, Prerequisite: consult with department chair before enrolling. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight, associate; sixteen, baccalaureate. A minimum of 80 hours employment requirement for each semester hour credit.

REL 350 Buddhism. (3) A, Prerequisite: ENG 102 or 105(B) or HON 102. A critical introduction to the main beliefs and practices of Buddhism, from its origins in India to its most traditional manifestations in Asia and its latest developments in Europe and North America. Gen. Ed. E-6.

REL 355 Religions of Africa. (3) A. A study of traditional African religions and other religions in Africa.

REL 360 Religion and Global Ethics. (3) A, An examination of recent proposals for a global ethics (Peter Singer, Hans Kung, Dalai Lama), and on the theory and practice of interreligious dialogue as a possible means to arrive at cross-cultural ethical perspectives.

REL 365 Women, Gender, and Religion. (3) A- Cross-listed as WGS 365. Prerequisite: ENG 102 or 105(B) or HON 102. A study of the intersections between feminism and the social impact of religion throughout the world with particular emphasis on the relationship between religion and gender, sexuality, and body politics. Credit will not be awarded for both REL 365 and WGS 365.

REL 370 Special Topics in Religion. (1-3) A. Prerequisite: consult with department chair before enrolling. Intensive study of a selected topic or an important figure in religion. May be retaken to a maximum of fifteen hours if the topic is different.

REL 495 Independent Work in Religion. (3) I, II, Prerequisite: consult with department chair before enrolling. Individual study under the direction of an instructor on a special topic in religion. Students must have the independent study proposal form approved by faculty supervisor and department chair the semester prior to enrollment. May be retaken to a maximum of six hours if topic is different.

RMI—Risk Management & Insurance
Dr. Oliver Feltsus, Chair

RMI 349 Applied Learning in Insurance. (5-8) A, Formerly INS 349. Prerequisite: minimum GPA of 2.25 and 60 credit hours. Co-op Coordinator approval is required. Approved work experience directly related to academic major and/or career goals. Minimum of 80 hours work required per credit hour. Six hours may be used as a major elective. May be repeated for a total of 16 credit hours. Credit will not be awarded to students who have credit for INS 349.

RMI 370 Principles of Risk and Insurance. (3) I, II, Formerly INS 370. Theory and practice of insurance and its economic and social significance; basic life, health and property-liability insurance for organizations and families; review of the major lines of insurance. Credit will not be awarded to students who have credit for INS 370.

RMI 372 Fundamentals of Property-Liability Insurance. (3) A, Formerly INS 372. Prerequisite: RMI 370 or instructor approval. Planning and evaluating non-personal property-liability insurance; analysis of insurance coverage against pure risk related to property-liability insurance exposure. Credit will not be awarded to students who have credit for INS 372.

RMI 373 Fundamentals of Life and Health Insurance. (3) A, Formerly INS 374. Prerequisite: RMI 370 or instructor approval. Analysis of life and health insurance and annuity products available in the individual market. Includes a discussion of systems for determining the individual's life and health insurance needs. Credit will not be awarded to students who have credit for INS 374.

RMI 378 Risk Management. (3) A, Formerly INS 378. Risk Management as used by organizations; basic functions of risk management with emphasis placed on risk management decision making. Credit will not be awarded to students who have credit for INS 378.

RMI 380 Personal Risk Management. (3) A, Formerly INS 380. Prerequisite: RMI 370 or instructor approval. An intensive examination of personal losses and their treatment. Emphasized is the use of risk management techniques. Topics include property and liability loss exposures for personal automobile, homeowners, premature death, illness, accidental injury, superannuation, investment risks, and estate planning. Credit will not be awarded to students who have credit for INS 380.

RMI 400 Seminar in Insurance. (1-3) A, Formerly INS 400. Prerequisite: instructor approval. Selected topics of special and continuing importance to insurance majors. May be retaken under different subtitles to a maximum of six hours. Credit will not be awarded to students who have credit for INS 400.

RMI 460 Insurance Agency Operations. (3) A, Formerly INS 460. This course examines the unique operations of an equally unique small business, the insurance agency. RMI 370 will apply material used in prior courses such as management, marketing, accounting, finance, and insurance. These business administration principles will be distilled into components that may be applied to the operation of an insurance agency. This course will prepare the student for one part of the Accredited Advisor in Insurance (AAI) specialty designation awarded by the Insurance Institute of America. Credit will not be awarded to students who have credit for INS 460.

RMI 474 Life Insurance and Estate Planning. (3) A, Formerly INS 474. Prerequisite: RMI 374 or instructor approval. Role of life insurance, gifting and trusts in estate planning; considerations of developing an estate plan for the individual or the family. Credit will not be awarded to students who have credit for INS 474.

RMI 476 Employee Benefit Planning. (3) A, Formerly INS 476. Prerequisite: RMI 370 or instructor approval. Employee benefit plans including taxation, costs, and choices of funding. Includes an analysis of the role of employee benefit plans in meeting the risks of death, sickness, disability and superannuation. Credit will not be awarded to students who have credit for INS 476.

RMI 480 Insurance Company Operations. (3) A, Formerly INS 480. Prerequisite: RMI 374. This course examines unique insurance functions including underwriting, reinsurance, ratemaking, claims adjusting, loss control and other insurer activities. It will prepare the student for an examination administered by the American Institute for CPCU. Capstone course. Credit will not be awarded to students who have credit for INS 486.

RMI 490 Special Problems in Insurance. (1-6) A, Formerly INS 490. Prerequisite: advisor/departmental approval. May be retaken under different sub-topics to a maximum of six independent study, special workshops, special topics, or seminars. Student must have the independent study course proposal form approved by faculty supervisor and department chair prior to enrollment. Credit will not be awarded to students who have credit for INS 490.

RMI 520 Survey of Risk Management and Insurance. (3) A, Prerequisite: Instructor approval. The examination of risk management and insurance concepts and principles with an emphasis on application. Coverage will include a broad base of current topics and tools used in this dynamic area and provide the student the background for improved decision making in dealing with risk.

RST 100 Real Estate Principles I (3) A. Introduction to the elements of real estate: property ownership, law, financing, fee simple estates, and leasehold interests. Course cannot be used as a business elective and hours cannot count toward a business major.

RST 120 Real Estate Principles II (3) A, Prerequisites: RST 110 with a minimum grade of "C". Exploration of real estate as a business and profession with emphasis on brokerage, property management, appraisal, investing, fair housing, license law, and career opportunities. Course cannot be used as a business elective and hours cannot count toward a business major.

SCI—Science
Dr. Lori Wilson, Chair
SEC—Security Management

SEC 110 Principles of Security Management (3) A, Examination of how security professionals in private and government organizations identify, prioritize and manage security risks; role of private security in public safety and homeland security, and multiple career options in the security profession.

SEC 250 Personnel Security (3) A. Ensuring employee and contractor integrity through background screening, security awareness and ethics training, and audits. Review of special programs to protect key personnel, employees in high risk environments, and to mitigate workplace violence.

SEC 260 Security and Loss Prevention (3) A, Protecting retail operations and inventories against loss from internal and external threats and administrative errors. Developing cost effective programs for policy, physical and human controls to prevent loss.

SEC 349 Applied Learning in SEC (5-9) A, Prerequisite: Departmental approval. The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of nine hours.

SEC 349 A-N SEC Cooperative Study (5-9) A, Prerequisite: Departmental approval. The student works under faculty and field supervisors in placements related to the student’s academic studies. A minimum of 80 hours work required for each academic credit. May be retaken to a maximum of nine hours.

SED—Special Education
Dr. Debbie Hayden, Chair

SED 207 Topics in Special Education. (1-3) A, Work related to current issues and topics in special education, special workshops, special seminars. May be retaken with a maximum of nine hours.

SED 240 Communication Skills for Hearing Impaired. (3) I, Basic principles of manual communication and fingerspelling. Builds an expressive and receptive vocabulary of at least 1,000 signs to enable communication with individuals who use total communication.

SED 260 Language and Speech Disorders of Exceptional Children. (3) I, II, Prerequisite: Background check per Teacher Education Services approved procedure, must be ordered and paid for by the first day of University classes. Acquisition of normal language and speech in our multi-cultural society. Identification and educational management of language and speech disorders in exceptional children.

SED 337 Education of the Deaf and Hard of Hearing. (3) A. Study of personality, intellectual, and emotional development of the deaf and hard of hearing.
of hearing. Emphasis on social maturity, motor functioning, multiple disabilities and the significant history of hearing loss in special education programs at all levels.

SED 341 Behavior Management. (3) I, II. Techniques of behavioral management of exceptional students in educational settings. Applied behavior analysis is taught, with a focus on intervention, and the interpretation of assessment outcomes. Practical procedures for teaching new behaviors. Open to non-majors.

SED 349 Applied Learning in Special Education. (5-8) A. Elective credit offered through work experiences for students seeking teacher certification. Minimum of 80 hours work required for one credit hour. Maximum hours to be earned: six in summer; eight during semester; sixteen in bachelor’s program.

SED 349 A-N Cooperative Study: Special Education. (5-8) A. Elective credit offered through work experiences for students seeking teacher certification. Minimum of 80 hours work required for one credit hour. Maximum hours to be earned: six in summer; eight during semester; sixteen in bachelor’s program.

SED 351 Special Educational Assessment. (3) I, II. Prerequisite: SED 104. Principles and applications of assessment of learning and behavior disordered students. Educational interpretation of assessment outcomes.

SED 352 Special Education Early Childhood Assessment (3) II. Prerequisite: SED 104. Corequisite: CED 400 or departmental approval. Formal and informal procedures for screening and assessing young children (0-5) with disabilities or at-risk conditions in physical, communication, cognitive, psychosocial and self-help areas.

SED 356 Methods and Materials for LBD. (3) I, II. Prerequisite: Introductory and assessment courses and admission to professional education or departmental approval. Instructional principles and methodology; development, implementation, and evaluation of validated educational programs and materials for LBD.

SED 375 Practicum in Special Education. (3-6) LH. Prerequisite: admission to professional education. Corequisite: SED 394T for Early Childhood Special Education majors or SED 349Q for LBD and DHH majors. A supervised practicum. Educational/developmental assessment, applied behavior analysis, IEP/IFSP. May be retaken to a maximum of nine hours credit for non-teaching majors.

SED 401 Diverse Learners in Middle/Secondary. (3, I, II). Prerequisite: admission to teacher education. Principles for teaching and accommodating exceptional learners. Instructional modifications, management, and collaboration across content areas. 20 field/critical hours. Credit will not be awarded for both SED 401 and 401S.

SED 401S Diverse Learners in Middle/Secondary. (3, I, II). Prerequisite: admission to teacher education. Principles for teaching and accommodating exceptional learners. Instructional modifications, management, and collaboration across content areas. 20 field/critical hours of service learning. Credit will not be awarded for both SED 401S and 401.

SED 402 Differentiated Instruction. (3) I, II. Prerequisites: EDF 319, ELE 445, admission to teacher education. Corequisites: ELE 446 or 446W, ELE 491, 492, 493. Differentiating instruction for exceptional learners in elementary settings. Collaboration and planning to address diverse learners. 20 field/critical hours.

SED 436 Early Intervention Programming. (3) I. Prerequisite: Admission to Professional Education/Departmental Approval. Corequisites: CED 450 for IEEC teaching majors. Developmental, family-focused intervention methods, for children (Birth-3) who have disabilities. Curriculum design across physical, communication, cognitive, psychosocial and self-help areas. Planning, implementing, monitoring and evaluating IEP's/IFSP's.

SED 500 Best Practices and Programming in Moderate and Severe Disabilities. (3) II. Introduction to teaching students with MSD. Educational needs, legal mandates, and family concerns. Focuses on best practices for inclusive school and community programs. Open to non-majors.

SED 504 Assistive/Adaptive Technology. (3, I, A). Corequisite: SED 338. Description of computer technology and assistive/adaptive devices. Integration of assistive technology into assessments, IEP's, lesson plans, education activities, and daily routines. 1.5 Lab.

SED 507 Special Needs in Special Education. (1-3) A. Prerequisite: advisor/departmental approval. School-related work, special workshops, special seminars. May be retaken with different descriptions.

SED 510 Assessment and Methods for Deaf/HHL. (3) A. Prerequisites: ELE or EMG 445 or their equivalent; admission to professional education; or departmental approval. Standardized and informal assessments used to measure reading and content knowledge of d/hh students. Sample curricula and instructional strategies used with d/hh.

SED 511 Family School Partnerships. (3) Cross-listed as SED 711. The needs of families related to family-school interactions, the impact of family variability on home-school collaboration, and effective methods of collaborating with families of children with disabilities. Credit will not be awarded to students who have credit for SED 510.

SED 518 Special Education in Early Childhood. (3, I, II). Prerequisites: SED 104, 401 or 575 and SED 260 or CDS 360; or instructor approval. Overview of histories, legislation and services for young children (0-5) at-risk for or with disabilities, including impact and intervention across developmental domains. Credit will not be awarded for both SED 518 and 518S.

SED 518S Special Education in Early Childhood. (3, I, II). Prerequisites: SED 104, 401 or 575 and SED 260 or CDS 360; or instructor approval. Overview of history, philosophy, legislation and services for young children (0-5) at-risk for or with disabilities, including impact and intervention across developmental domains. Service learning is a component of this course. Credit will not be awarded for both SED 518S and 518.

SED 530 Technology/Strategies for MSD. (3) LH. Cross-listed as SED 730. The implementation of computer technology and assistive/adaptive devices and strategies for students with multiple and severe disabilities including dual sensory. The use of Millieu language strategies and symbolic/non-symbolic communication in natural environments and daily routines. Credit will not be awarded to students who have credit for SED 530.

SED 532 Language Disorder of Students with Disabilities. (3) A. Overview of language development and related speech and language disorders including introduction to intervention methodology.

SED 533 Teaching Students with Moderate and Severe Disabilities. (3, A). Functional assessment and systematic instruction for students with MSD. Use of assessment data to develop IEPs and instructional programs, including activity-based and community-based instruction. Methods and materials for implementing best practices across settings.

SED 538 Language of the Deaf and Hard of Hearing. (3) A. Formerly: SED 338. Prerequisite: SED 260 or departmental approval. Receptive and expressive conversational language development and written language acquisition from a developmental perspective. Concepts in bilingual education applied to deaf. Methods to access and facilitate language development. Credit will not be awarded for both SED 538 and SED 338.

SED 545 Program Personnel Management. (3) A. Prerequisite: professional education or departmental approval. Scheduling and management of systematic instruction, inclusion, transdisciplinary services, and transition activities. Working with parents, paraprofessionals, and professionals. Collaboration strategies, professional development skills, and records management.

SED 574 Exceptional Learners. (3) A. Prerequisite: departmental approval. A practicum experience with exceptional individuals. Emphasis is directed at behavior management, educational assessment, and IEP/IFSP.

SED 575 Nature and Needs of Exceptional Students. (3) A. Overview of special education including characteristics, definitions, programming, and supporting research. Open to non-majors.

SED 576 Introduction to Special Education Assessment. (3) A. Prerequisites: SED 104 or 575 or instructor approval. Principles of tests and measurements. Test administration, scoring, and interpretation applied to exceptional children. Application of assessment data to interdisciplinary teams.

SED 578 Dual Sensory Impairments and Communication. (3) A. Prerequisite: SED 260. Assessment, planning, and instruction for students with dual sensory impairments and severe cognitive disabilities. Augmentative and alternative communication methods, materials, and devices. Theory and research foundations, programmatic approaches.

SED 580 Audiology for Teachers of the Deaf and Hard of Hearing. (3) I, II. Physics of sound; anatomy, physiology; pathology and medical treatment of the auditory system; introduction to the audiometer and basic pure-tone and speech (auditory) testing; hearing aids and devices.

SED 581 Speech for the Deaf and Hard of Hearing. (3) A. Prerequisites: SED 260 and 338; or instructor approval. Phonological development, acoustic articulation, rhythm, phrasing, accent, fluency, effects of impairment on speech, speech reading, auditory training.

SJS —Social Justice Studies

Dr. Preston Elrod, Chair

SJS 101: Understanding Social Justice and Human Struggle. (3) A. Course explores the concepts of justice, conflict and social change and examines the ways in which political, economic, media, education, and other institutions create challenges for justice. It also examines efforts to resist existing structural and institutional arrangements and encourage social change to better meet human needs.

SJS 2505 Service Learning in Social Justice Studies. (3) A. Prerequisite: SJS 101. Students will engage in classroom and service activities to explore, critique, and apply the fundamental concepts of justice, conflict, and social change. Through experiential learning and reflective writing, students will begin integrating ideas and perspectives, formulating personal ideologies, and developing an enhanced sense of civic responsibility.

SJS 301 Theories of Social Justice. (3) A. Prerequisites: sophomore standing, SJS 101, and SJS 2505. Examines social theory and social change. This includes engagement with Marxist, Postcolonial, Postmodern, Poststructuralist, Critical Race, Feminist, and Queer theories. As the SJS major is dedicated to foundations in and accountability to grassroots knowledge and power, this course will consistently locate theory in concrete examples.

SJS 313 Mobilizing for Social Justice. (3)
A. Prerequisites: sophomore standing and SJS 101. Examines the broad concept of social change through exploration of different social movements, individual actors, and various policies. The course considers strategies for change including activism, advocacy, assistance, and community organizing and looks at changes at a spectrum of levels, from grassroots campaigns to international diplomacy and policy work.

SJS 322 Social Justice and Media. (3) A. Prerequisites: sophomore standing and SJS 101. Examines the cultural, economic, and political dynamics of struggles for social justice through a mediated lens. Although the media provides useful information helping us understand conflict within society, it also creates the context that influences audience perceptions of people/events. This social construction influences how we perceive equality, justice, and fairness.

SJS 325 Social Justice and Film. (3) A. Prerequisites: sophomore standing and SJS 101. Examines issues of justice, conflict, and social change through the lens of documentary and popular media. Students are required to view, analyze, discuss, and critique themes and lessons garnered through their viewing experiences and assess how their experiences contribute to their understanding of justice, conflict, and social change.

SJS 396 Researching and Writing for Change. (3) A. Prerequisites: sophomore standing, SJS 101, and SJS 250S. Examines the mutual importance and intertwined nature of social research and writing in struggles for social change and justice. The course will consider the importance of quantitative and qualitative research and diverse writing formats such as academic scholarship, journalism, polemics, cultural critique, advocacy, and grant-writing in addressing injustice and conflict.

SJS 401 Conflict, Resistance, and Nonviolent Struggle. (3) A. Pre-requisites: sophomore standing, SJS 101, and SJS 250S. Examines the form and function of nonviolent strategies as a means to overcome oppression. Examples of nonviolent struggle around the world are assessed and students are required to complete a field experience where they consider the application of effective nonviolent strategies.

SJS 450S Learning through Civic Engagement. (3) A. Prerequisites: sophomore standing, SJS 101, and SJS 250S. Working collaboratively with faculty, peers, and/or community representatives, students will analyze a social problem. They will enhance competencies essential to the helping, advocacy, community organization and activist roles necessary for social change. Students will practice the use of oral presentations that reflect their understanding of justice, conflict, and social change.

SJS 467: States of Violence. (3) A. Prerequisites: sophomore standing and SJS 101. Examines the relations among state regimes and their application of violence in historical and contemporary contexts. Consideration will be given to the ways state institutions such as the military, police, prisons, and welfare often exercise violence and threats thereof in struggles over justice. Alternatives to state violence will be discussed.

SJS 475 Critical Carceral Studies. (3) A. Prerequisites: sophomore standing and SJS 101. Examines the historical, theoretical, and political development of ‘carcerality’, including technologies of punishment, control, surveillance, and social control. This class examines the rise of the prison industrial complex in the United States and its effects on oppressed communities.

SJS 480: Ethnography for Social Change. (3) A. Pre-requisites: sophomore standing and SJS 101 and SJS 301 and SJS 396. An advanced methods class, this course examines the use of ethnography to achieve greater understandings of, and contributions toward, social change. Readings may include studies of power and resistance in Appalachia, the homeless in San Francisco, the use of state violence in the repression of dissent, and other important works.

SJS 490: Identity, Culture, and Power. (3) A. Prerequisites: sophomore standing in SJS and SJS 101 and SJS 301 and SJS 313. Examines culture as a contested site of power relations. Looking at media, economics, education, law and other areas of cultural reproduction, the course will explore how diverse and even clandestine ways that power operates and that subordinated populations resist.

SOC—Sociology

Dr. Kelli Carmean, Chair

SOC 131 Introductory Sociology. (3) I, II. Basic principles and concepts of sociology, including culture, socialization, social structure, groups, social processes, and social change. Gen. Ed. E-5B.

SOC 232 Social Statistics. (3) I, II. Prerequisites: SOC 131 and MAT 105 or higher. Statistical analysis of survey data, including forming sociological research questions, variable selection, analysis, interpretation, and writing in standard scientific form.

SOC 235 Social Problems. (3) I, II. Analysis of selected social problems such as crime, mental illness, divorce, population, and poverty, as well as controversies over human sexuality. The analysis includes the definition, causes, and consequences of social problems.

SOC 300 Sociology of Humans and Animals. (3) A. A survey of the sociology of animal-human interaction, focusing on the human-animal bond and conflict between human and animal worlds.

SOC 313 Social Deviance. (3) A. Examination of the social and cultural setting of deviant behavior. Will include an examination of the process of becoming deviant as well as specific types of deviance such as suicide, drugs, sexual deviance, and mental disorders.

SOC 320 Mind, Self, and Society. (3) A. Completion of SOC 131 is advised before taking SOC 320. Relation of the individual to the sociocultural environment, with special reference to personality development, interpersonal role-behavior, motivation, and social attitudes.

SOC 322 Sociology of Mass Media (3) A. Prerequisites: COM 200 or departmental approval required. Mass media in social structure and audience interpretation in mass media is examined through sociological analysis of media ownership, media content, and audience characteristics.

SOC 340 Juvenile Delinquency. (3) A. Completion of SOC 131 is advised before taking SOC 340. Survey of theories of juvenile delinquency, including evaluations of constitutional, psychological, and sociological approaches; also addresses prediction, policy, and treatment.

SOC 345 Sociology of the Family. (3) A. Completion of SOC 131 is advised before taking SOC 345. Examines family as a social institution, including its relation to cultural and social change and to the wider structure of society.

SOC 350 Selected Topics in Sociology: (3) A. Completion of SOC 131 is advised before taking SOC 350. May be taken to a maximum of nine hours provided the subject matter differs each time. Sample topics: Appalachian sociology; sexism and society; urbanization. Cross-listed as SOC 355, SOC 356, SOC 365 and APP 366.

SOC 365 Social Change in Appalachia. (3) A. Cross-listed as APP 366. Completion of SOC 131 is advised before taking SOC 365. Analysis of patterns of social change and development in an important area of the Southern United States, Central and Southern Appalachia. Emphasis will be placed upon competing schools of thought and the importance of historical research. Credit will not be awarded for both SOC 365 and APP 366.

SOC 370 Religion in Appalachia. (3) A. Cross-listed as APP 370. Completion of SOC 131 is advised before taking SOC 370. An examination of diversity and change in the religious beliefs, practices, groups, and organizations for the Appalachian Region. Credit will not be awarded for both SOC 370 and APP 370.

SOC 375 Criminology. (3) A. Completion of SOC 131 is advised before taking SOC 375. Survey of theories of criminal behavior as applied to the social problems of law making and law breaking; prediction and control of crime.

SOC 385 Environmental Sociology. (3) A. The study and application of concepts from ecology, political economy and sociology to better understand the relationship between humans and their physical environment.

SOC 389 Research Methods in Sociology. (3) A. Prerequisite: SOC 313 or SOC 235, SOC 102 or ENG 105B or HON 102. Emphasis is placed upon the relationship between the social construction of gender and the experiences of women and men in societies. Consideration of cultural diversity in defining gender roles. Gen. Ed. E-6.

SOC 400 Racial and Ethnic Relations. (3) A. Prerequisites: SOC 131 or ENG 102 or HON 102. An examination of ethnic minorities and social justice in the United States. Topics include law, social movements, hate crimes, intimate partner violence and politics.

SOC 420 Social Organization. (3) A. Analysis of various types of organizations in American society; internal and external processes and organizational structure.

SOC 425 World Systems Analysis. (3) A. SOC 131 recommended. Political-economic institutions and the dynamics of class are examined from a sociology of knowledge perspective, including classic theories, world-systems analysis, and cases from the contemporary period. Credit will not be awarded for both SOC 425 and SOC 480.

SOC 455 Collective Behavior. (3) A. Prerequisite: six hours in SOC. Analysis of mass phenomena such as public opinion, rumors, fads, mobs, riots, panics, and social movements; including a consideration of the development and termination of collective behavior forms.

SOC 462 Sociological Theory. (3) I. Prerequisite: nine hours in SOC. Sociological Theory begins with an examination of early developments in sociological theory, including a definition of the field and the formation of schools of thought. The course continues with a survey of contemporary theories built upon classical models as well as new approaches focused on issues not addressed in the classical school.

SOC 463 Social Stratification. (3) A. Prerequisite: three hours in SOC. Classical and contemporary approaches to understanding the causes and consequences of social stratification and inequality.
Primary focus is on social class inequalities with consideration of race/ethnicity, gender, and other relations of inequality.

SOC 465 Demography. (3) A. Completion of SOC 131 and 232 is advised. Topics include demographic data and analysis, population change, including migration, mortality, fertility, population theories, world population growth, and population policies.

SOC 476 Senior Seminar in Sociology. (3) A. Prerequisite: Senior standing and SOC 395. A capstone overview of sociology through a general survey of various subdisciplines of the field with an emphasis on student understanding of research, theory, and professionalization.

SOC 490 Independent Study in Sociology. (1-6) A. Prerequisite: student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. Additional independent study courses may be taken to a maximum of six hours.

SPA—Spanish

Dr. Abby Poffenberger, Chair

SPA 101 Conversational Spanish I. (3) I, II. Prerequisite: Completion of all required developmental reading and writing courses. Beginning Spanish for students with little or no previous study of Spanish. Qualified students should enroll at a higher level. Proficiency-based course emphasizing active communication in Spanish, and introducing the cultural diversity of the Spanish-speaking world. Conducted in Spanish. Not open to students who have native or near-native fluency in Spanish. Gen. Ed. E-6.

SPA 101P Spanish Practicum I. (1) I, II. Students who enroll in this course must be concurrently enrolled in SPA 101. This course provides students with an additional opportunity to study and apply the vocabulary, grammar, and usage presented in SPA 101. Gen. Ed. E-6.

SPA 102 Conversational Spanish II. (3) I, II. Prerequisite: SPA 101, or equivalent proficiency. (Students with three or four successful years of high school Spanish should begin their study in SPA 102, 105, or higher). Students entering SPA 102 by referral or placement will receive three hours credit for SPA 101 if they make an “A” in 102.) Continuation of SPA 101. Conducted in Spanish. Not open to students who have native or near-native fluency in Spanish. Gen. Ed. E-6.

SPA 102P Spanish Practicum II. (1) I, II. Students who enroll in this course must be concurrently enrolled in SPA 102. This course provides students with an additional opportunity to study and apply the vocabulary, grammar, and usage presented in SPA 102. Gen. Ed. E-6.

SPA 105 Accelerated Spanish I. (6) A. Recommended: minimum of two years High School Spanish and/or instructor approval. An intensive approach to the skills of reading, writing, speaking, listening, and understanding culture. SPA 105 covers the same material as SPA 101 and 102, but is completed in a single semester. Conducted in Spanish. Not open to students who have native or near-native fluency in Spanish. Gen. Ed. E-6.

SPA 201 Intermediate Conversational Spanish I. (3) I, II. Recommended: SPA 102 or equivalent proficiency. Development of more advanced skills for speaking, listening, reading, and writing in contemporary cultural contexts. Laboratory work includes fourteen hours per week. Students entering SPA 201 by referral or placement receive six hours credit for SPA 101 and 102 if they make an “A” or “B” in 201. Gen. Ed. E-6.

SPA 205 Accelerated Spanish II (6) Prerequisite: SPA 105, or SPA 102 or equivalent proficiency with minimum grade of B, or two years AP high school Spanish, and/or instructor approval. An intensive approach to the skills of reading, writing, speaking, and comprehending. SPA 202 covers the same material as SPA 201 and 202, but is completed in a single semester. Gen. Ed. E-6.

SPA 206 Conversational Fluency. (3) A. Recommended: Intermediate proficiency. (not open to students who have native or near-native fluency in Spanish). Active development of skills and strategies for functional fluency in Spanish in real cultural contexts.

SPA 295 Independent Work in Spanish. (1-3) A. Prerequisite: SPA 202 or equivalent proficiency. May be retaken to a maximum of 9 hours if content is different. Prior to enrollment, student must have the independent study proposal form approved by faculty supervisor and department chair.

SPA 301 Reading and Culture. (3) A. Prerequisites: SPA 202 and SPA 206 or equivalent proficiency with department chair approval. Interactive discussion and writing on readings representative of Hispanic culture. Taught in Spanish.

SPA 310 Topics in Spanish: ( ) (1-3) A. Prerequisite: SPA 206 and SPA 301. May be retaken to a maximum of 9 hours if topic is different. Selected Topics in Spanish language, literature, and culture.

SPA 320 Business and Technical Spanish. (3) A. Prerequisite: SPA 206 and SPA 301, or equivalent proficiency with department chair approval. Provides opportunities to learn and use Spanish for business. Includes vocabulary for the social sciences and technical fields such as agricultural, industrial, technology, law enforcement, and health care, as deemed relevant. Taught primarily in Spanish.

SPA 321S Spanish for the Social Services. (3) A. Prerequisite: SPA 206 and SPA 301. May be retaken for 6 credits of independent study. Taught in Spanish. May be retaken for a maximum of 6 credits if content is different.

SPA 349 Applied Learning in Spanish. (5-6) A. Prerequisite: students must have successfully completed 15 hours of Spanish major courses or equivalent proficiency. In addition, transfer students must have completed one semester of full-time course work at EKU. A minimum of 80 hours of employment is required for each semester hour of academic credit. Site, plan and hours must be approved by Spanish coordinator. Work under coordinator and field supervisors in placements related to academic studies. Maximum of 6 (six) hours toward a degree.

SPA 349 A-N Cooperative Study in Spanish. (5-6) A. Prerequisite: students must have successfully completed 15 hours of Spanish major courses or equivalent proficiency. In addition, transfer students must have completed one semester of full-time course work at EKU. A minimum of 80 hours of employment is required for each semester hour of academic credit. Site, plan and hours must be approved by Spanish coordinator. Work under coordinator and field supervisors in placements related to academic studies. Maximum of 6 (six) hours toward a degree.

SPA 360 Topics in Grammar. (3) I, II. Prerequisite: SPA 301 or SPA 306. May be retaken to a maximum of 6 hours if content is different. Emphasis on improving the understanding and application of Spanish through the study of selected components of Spanish grammar in a variety of written cultural contexts.

SPA 370 Conversation and Composition. (3) A. Prerequisite: SPA 301 or SPA 360 or equivalent proficiency with department chair approval. Intensive practice in developing skills for effective oral and written communication in Spanish. Taught in Spanish.

SPA 380 Civilizations of Spain. (3) I. Prerequisites: SPA 301 and 360, or equivalent proficiency with department chair approval. An exploration of Spain’s intellectual, cultural, and historical development. Class conducted primarily in Spanish with Spanish texts in order to further development of reading, speaking, comprehension, and writing skills in Spanish.

SPA 381 Civilizations of Latin America. (3) II. Prerequisites: SPA 301 and 360, or equivalent proficiency with department chair approval. An exploration of Latin America’s intellectual, cultural, and historical development. Class conducted primarily in Spanish with Spanish texts in order to further development of reading, speaking, comprehension, and writing skills in Spanish.

SPA 401 Spanish Language Studies: ( ) (3) A. Prerequisite: SPA 360. A selected topic such as phonetics, phonology, semantics, syntax, or history of the language. May be retaken to a maximum of nine hours if content is different.

SPA 405 Hispanic Literature and Culture I. (3) A. Prerequisite: SPA 301 or equivalent proficiency with department chair approval. Readings and interactive analyses of representative authors, works, and movements of both Spain and Spanish-America in their historical and cultural contexts from the Middle Ages to 17th. Taught in Spanish.

SPA 406 Hispanic Literature and Culture II. (3) A. Prerequisite: SPA 301 or equivalent proficiency with department chair approval. Readings and interactive analyses of representative authors, works, and movements of both Spain and Spanish-America in their historical and cultural contexts in the 18th and 19th centuries. Taught in Spanish.

SPA 407 Hispanic Literature and Culture III. (3) A. Prerequisite: SPA 301 or equivalent proficiency with department chair approval. Readings and interactive analyses of representative authors, works, and movements of both Spain and Spanish-America, in their historical and cultural contexts, in the 20th century. Taught in Spanish.

SPA 410 Introduction to Interpreting. (3) A. Prerequisite: SPA 360. This is a practical course designed to develop proficiency in community interpreting. Topics include consecutive interpreting skills, sight translation skills, vocabulary and terminology research, intercultural issues, and situational ethics.

SPA 495 Independent Work in Spanish. (1-3) A. Prerequisite: departmental approval. May be counted toward major or minor only with permission of department chair. May be retaken to a maximum of six hours if content is different. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

SPA 572 Hispanic Literature. (3) A. Prerequisites: SPA 301 and three hours from SPA 405, 406, 407. Advanced majors will demonstrate their skills in the language, linguistics, cultures, and literatures of Hispanic peoples, via a portfolio, demonstrated proficiency in oral and written Spanish, and a final oral presentation to peers and faculty. Taught in Spanish. Required of all majors.

SPA 495 Independent Work in Spanish. (1-3) A. Prerequisite: departmental approval. May be counted toward major or minor only with permission of department chair. May be retaken to a maximum of six hours if content is different. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment.

STA—Statistics

Dr. Daniel Mundfrom, Chair

STA 215 Introduction to Statistical Reasoning. (3) I, II. Prerequisite: completion of all University developmental requirements. Introduction to descriptive statistics, normal distributions, linear correlation and regression, sampling, experiments,
chance phenomena, one- and two-sample estimation and hypothesis testing, chi-square tests, and use of statistical software.

STA 270 Applied Learning in Statistics. (1-8) I, II; (1-6) SUMMER ONLY. Prerequisite: STA 215. A continuation of STA 215 with greater emphasis on applications to surveys, and use of statistical software. Includes random sampling, stratified random sampling, cluster sampling, systematic sampling, ratio and regression estimation, applications to surveys, and use of statistical software. Written and/or oral presentations required.

STA 375 Sampling Methods. (3) A. Prerequisite: STA 215 or 520. Review of elementary probability theory, univariate and multivariate probability distributions, moment generating functions, random variables, sampling distributions, and statistical inference. Applications to social science and policy research.

STA 379 Independent Work. (1-3) A. Prerequisite: Departmental approval. Directed study/research on a problem or area chosen in consultation with instructor. May be taken to a maximum of 12 hours, provided the topics are different.

STA 495 Independent Work. (1-3) A. Prerequisite: Departmental approval. Directed study/research on a problem or area chosen in consultation with instructor. May be taken to a maximum of six hours.

STA 498 Statistics Capstone. (1) A. Cross-listed as MAT 498. Prerequisite: senior status as either a Mathematics or Statistics major. Designed to enable students to synthesize and integrate their mathematics and statistical knowledge. Students will learn how to conduct research and present the results. Credit will not be awarded for both STA 498 and MAT 498.

STA 500 Statistical Inference. (3) A. Designed for students in all areas. A general background in statistical methods including normal distribution, point and interval estimation, hypothesis testing, linear regression, analysis of variance, and use of statistical software.

STA 501 Nonparametric Statistics. (3) A. Prerequisite: STA 215 or 270 or 500 or 700 or 755 or 775 or 721 or 585 or 400 or CRJ 400 or ECO 220 or EPY 842 or HEA 450 or PLS 400 or QMB 200. Simple, efficient nonparametric methods without normality assumptions. Tests, estimation of proportions, medians, two-sample location/dispersion, one- and two-way layout, independence, regression, and use of statistical software.

STA 503 Applications with Technology for P-9 Teachers. (3) A. Topics in statistics appropriate for teachers of grades P-9. Credit does not apply toward B.S. or B.S. (teaching) degree requirements for programs offered within this department.

STA 507 Seminar in Statistics: (1-3) A. Prerequisite: departmental approval. Topics vary with offering. May be retaken with advisor approval, provided that the topics are different. Credit toward degree requirements will depend on the course content.

STA 520 Mathematical Statistics I. (3) Cross-listed as MAT 520. Prerequisites: STA 224 or STA 224H or 225 or 225H; and STA 215 or 270 or CRJ 400 or ECO 220 or EPY 842 or HEA 450 or QMB 200, or departmental approval. Intuitive and axiomatic development of probability, set theory, counting techniques, conditional probability, Bayes Theorem, discrete distributions including univariate and bivariate cases, multinomial distributions, Markov Chains, and emphasis on applications.

STA 521 Mathematical Statistics II. (3) Prerequisites: STA 520 and MAT 214. A continuation of STA 520. Estimation theory, tests of hypothesis, linear regression and correlation, multiple linear regression, analysis of variance, allied topics.

STA 525 Nonparametric Methods. (3) A. Prerequisite: STA 215 or 270 or 500 or 700 or 755 or 775 or 721 or 585 or 400 or CRJ 400 or ECO 220 or EPY 842 or HEA 450 or PLS 400 or QMB 200. Statistical methods focusing on the use of the SAS computer package and interpretation of data. Assumptions of parametric and nonparametric tests.

STA 580 R and Introduction to Data Mining. (3) A. Prerequisite: STA 320, MAT 124, and CSC 160 or 174 or 177 or 190. Data set manipulation, application of descriptive statistics; data structures in R, statistical programming, and data mining skills.

STA 585 Experimental Design. (3) A. Prerequisite: STA 215 or 270 or 500 or 700 or 755 or 775 or 721 or 585 or 400 or CRJ 400 or ECO 220 or EPY 842 or HEA 450 or PLS 400 or QMB 200. Introduction to analysis of variance and experimental design with emphasis on authentic applications and use of statistical software. Includes completely randomized designs, factorial experiments, multiple comparisons, checking model assumptions, randomized blocks, Latin squares, fixed and random models, and nested-factorial experiments.

SWK—Social Work

Dr. Pat Litzelfelner, Director

SWK 100 Introduction to Food Benefits. (3) A. Integration of basic knowledge and skills to process food benefits cases. Enrollment is restricted to Cabinet of Health and Families employees only. Registration through UTC only.

SWK 210 Introduction to Social Work. (3) I, II. Introduces philosophy, values, ethics, and processes of the social work profession; emphasizes the bases of Generalist practice theory; areas of practice; social justice and the role of violence in society.

SWK 310 Social Welfare Policy History. (3) I, II. Prerequisite or corequisite: POL 101. History of social welfare policy; its role and relationship with other social institutions; structure and function of U.S. system compared to other national systems; inequitable distribution of resources; and its contribution to an oppressive environment. Credit will not be awarded for both SWK 310 and 310W. Gen. Ed. E-5B.

SWK 310W Social Welfare Policy History. (3) I, II. Prerequisite: ENG 102 or ENG 105B or HON 102. Prerequisite or Corequisite: POL 101. History of social welfare policy; its role and relationship with other social institutions, structures and function of U.S. system compared to other national systems; inequitable distribution of resources; and its contribution to an oppressive environment. Credit will not be awarded for both SWK 310 and 310W. Gen. Ed. E-5B.

SWK 335 Human Behavior/ Social Environment I. (3) I, II. Prerequisite: SWK 210. Focuses on current major social welfare issues and application of theories of community, organizational and group behavior. Critical analysis of the social, economic and political forces and institutions that impact human behavior.

SWK 340 Social Work Research Methods. (3) I, II. Prerequisite: SWK 310. Prerequisite or corequisite: SWK 390 and SOC 232. The course teaches application of both qualitative and quantitative research methods within the context of social work practice.

SWK 344 Stress Management & Self-Care. (3) A. Prerequisite: ENG 102 or ENG 105 B. History of stress management and self-care for the helping professions. Major focus on experiential, evidence-based stress management exercises. Fulfills University Wellness requirement.

SWK 350 Social Work Practice I. (3, I, II. Prerequisite: Admission to the Social Work Program and SWK 225. Prerequisite or Corequisite: SWK 335. Focuses on social work practice from a generalist perspective. Focuses on the social work process: problem identification; data collection and synthesis; assessment; planning and implementation; evaluation and diagnosis on multidimensional assessment and practice ethics.

SWK 355 Social Work Practice II. (3, I, II. Prerequisites: SWK 335, 350, and 354. Addresses the social work process with groups and families with a focus on assessment, intervention, implementation, and evaluation of practice strategies. Fostering social work groups to practice group work skills.

SWK 358 Child Abuse and Neglect. (3) A. Prerequisite: Admission to the Public Child Welfare Certification Program (PCWCP) and departmental approval. Knowledge base for identification, risk assessment and psycho-social intervention of child abuse, neglect and dependency situations. Explores service delivery, role of the court, and the impact of cultural and institutional violence. Required course for PCWCP.

SWK 360 Social Work Practice III. (3) I, II. Prerequisite: SWK 335 and SWK 350. Prerequisite or corequisite: SWK 390. Social Work process and...
SECTION SIX - COURSE DESCRIPTIONS

A. Presentation of technology topics of a timely or specialized nature in a workshop format. May be retaken provided the topics are different.

TEC 404 Principles of Engineering and Technology. (3) A. Prerequisite: CET 361 or departmental approval. To familiarize students with important principles of engineering technology, including electrical, civil, mechanical and other engineering and technology areas. 2 Lec/2 Lab.

THE—Theatre Arts
Dr. James Keller, Chair
James Moreton, Coordinator

THE 100 Introduction to the Theatre. (3) I, II. Understanding and appreciating the arts of the theatre, development of dramatic forms and practices, consideration of the elements of contemporary theatrical practice. Analysis of plays. Attendance at selected play productions required. Gen. Ed. E-3A.

THE 110 Stagecraft. (3) II. Problems of stagcraft dealing with the scenic process—use of materials, construction and handling of scenery—and basic stage electricity. Lecture and lab.

THE 130 Theatre Arts Practicum I. (1) I, II. Study and practice of technical production through participation in departmental productions. May be repeated to a maximum of three hours.

THE 135 Acting I. (3) I, II. Investigation and practice of the fundamentals in the acting process. Course work will include physical and mental preparation for the actor, improvisation, and beginning scene work.

THE 150 Improvement of Voice and Articulation. (3) A. Basic theory and speech production; phonetic and vocal drills for improvement of voice and articulation; adapted to students' individual speech needs.

THE 200 Theatrical Makeup. (2) A. Techniques in application and design of stage makeup, both straight and character.

THE 210 Advanced Stagecraft. (3) A. Prerequisite: THE 110. A continuation of THE 110 with emphasis on lighting, sound, and properties.

THE 220 Costume Construction. (3) A. Study and practical experience in garment construction and related costume crafts as used in theatre costume design.

THE 235 Acting II. (3) I. Prerequisite: THE 135. Study and practice in analysis, character development and rehearsal as related to scene study; emphasis on twentieth-century acting styles.

THE 280 Acting for Musical Theatre. (3) A. Prerequisite: THE 135. Study of Musical Theatre as an art form, and an examination of the acting process and how it applies to the musical genre; performance work is included.

THE 285 Theatre Dance I. (3) I, II. A beginning course in movement and dance for the stage. Expands the capacity for non-verbal self-expression and dramatic imagination. Basic work in ballet, jazz and musical theatre styles will be introduced. May be repeated to a maximum of six hours.

THE 300 Stage Management. (3) A. Prerequisites: THE 110 and 223 or departmental approval. An in-depth study of the work and responsibilities of the stage manager in theatrical production.

THE 310 Scenic Design. (3) A. Prerequisite: THE 110 or instructor approval. Principles of composition, scale, perspective, and color applied to the stage; production of ground plans, sketches, and models.

THE 311 Stage Lighting. (3) A. Prerequisite: THE 110 or instructor approval. Examination of theories of lighting with applications to stage, mixed media and dance. Consideration given to color principles, lighting instruments and control equipment. Lecture and lab.

THE 326 Costume Design. (3) A. Design.
and execution of theatrical costumes with emphasis on originality, color and line. Attention given to costumes of various periods and styles.

THE 330 Theatre Arts Practicum II. (I, II). Prerequisite: THE 130 or departmental approval. Continuation of THE 130. May be retaken to a maximum of six hours.

THE 335 Acting III. (3). Prerequisites: THE 135; THE 235 or departmental approval. Advanced study and rehearsal in verse drama, concentration on language and action analysis, and character development for performance; emphasis on Shakespearean scripts.

THE 340 Audition Workshop. (2). A. Prerequisite: instructor approval. Study and practice in theatrical auditioning, resume creation and actor’s self-presentation; performance workshop in approach. May be retaken to a maximum of six hours.

THE 341 Directing. (3). A. Prerequisite: THE 235 or instructor approval. An introduction to the principles of play directing. Study of play selection and analysis, characterization, composition, blocking, and casting and rehearsal procedures. May be retaken to a maximum of eight hours.

THE 348 Touring Showcase. (2). I. Creation, rehearsal and performance of theatre showcase for student recreation in the region. Admission for enrollment is required. May be retaken to a maximum of eight hours.

THE 349 A-A Cooperative Study: Theatre Arts. (5-8). A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. Total hours: eight; associate, sixteen, baccalaureate. A minimum of 80 hours employment required for each semester hour credit.

THE 385 Theatre Dance I. (3) I, II. Prerequisite: THE 285 or instructor approval. Emphasis is placed on enhancing strength, coordination, and technique as movement skills develop. Ensemble work, and fundamentals in ballet, jazz, partnering and musical theatre styles will be included. May be retaken to a maximum of six hours.

THE 401 Dramatic Literature. (3). A. Cross-listed as ENG 410. Survey of the major periods and genres of world dramatic literature, from the Greeks to the present; selected readings from the major playwrights, critics, and theorists. Credit will not be awarded for both THE 401 and ENG 410.

THE 435 Acting IV. (3). Prerequisites: THE 135; THE 235 or departmental approval. Advanced study and rehearsal in period styles. Practice in character analysis and technique for performance. Exact course content may vary with instructor or needs of students. May be retaken to a maximum of six hours.

THE 490 Special Topics in Theatre Arts. (1-3). A. Presentation of course material of a timely or topical nature. Specific course orientation will appear beside title. May be retaken to a maximum of nine hours, if the subject matter is different.

THE 495 Senior Seminar (1). A. Majors with senior standing only. A capstone experience in theatre. Synthesis of students’ total theatre education as well as creation of a professional resume and correspondence techniques.

THE 499 Independent Study in Theatre Arts. (1-3). I, II. Prerequisite: departmental approval. Independent study in theatre production and research. May be retaken to a maximum of six hours. Student must have the independent study proposal form approved by faculty supervisor and program coordinator prior to enrollment.

TRS—Traffic Safety
Dr. Terry Kline, Coordinator

TRS 100 Trends in Loss Prevention. (1). A. Study of the development of loss prevention countermeasures to solve safety problems. Educational efforts, law enforcement activities, regulatory programs, and engineering concepts that are presently utilized to minimize accident causes and injuries are reviewed.

TRS 103 Safety in Personal Transportation. (2). A. Designed to survey the basic concept of safety; including the philosophy and concept of risk, countermeasures, accident proneness and safety instruction; experiences include a personal assessment of safety-related behavior emphasizing personal forms of transportation.

TRS 225 Basic Fleet Management Safety Principles. (3). A. A classroom and laboratory program designed to introduce personnel to problems and practices of motor fleet safety programming and regulatory requirements.

TRS 233 Emergency and Defensive Driving Techniques. (3). A. Instruction for drivers in defensive driving techniques and in emergency or unusual driving situations. Classroom and practice driving instruction in vehicle handling techniques.

TRS 234 Beginning Motorcycle Safety. (3). A. Designed to introduce students to the necessary concepts, principles, and competencies for use of two-wheeled motorized vehicles including minibikes, mopeds, and motorcycles. Motorcycles and helmets are provided.

TRS 235 Emergency Vehicle Roadway Operations Safety. (3). A. Program designed to learn collision prevention and crash mitigation techniques needed when an impending driving emergency occurs in an emergency response vehicle. Included in the course work is theory to introduce and simulate avoidance maneuvers.

TRS 285 Introduction to Driver and Traffic Safety. (3). A. Designed to provide the concepts, principles, judgment, and performance for safe, efficient use of the highway system. Exposure is provided to a multiple-phased driver education instruction program.

TRS 322 Traffic Law Enforcement. (3). A. Course designed to provide the principles and practices of traffic law enforcement.

TRS 332 Traffic Crash Causation and Investigation. (3). A. Designed to study the principles of traffic accident causation and techniques used in investigation. Designed to increase the investigator’s knowledge and understanding necessary for gathering factual information through investigation as opposed to reporting traffic accidents.

TRS 342 Advanced Accident Investigation. (3). A. Prerequisite: TRS 332. Course designed to prepare participants in advanced traffic accident investigation methods and techniques.

TRS 349 Applied Learning in Traffic Safety. (5-8). A. Prerequisite: departmental approval. Work in placements related to academic studies. One to eight hours credit per semester or summer. A minimum of 80 hours employment required for each semester hour credit.

TRS 366 Methods and Educational Media in Driver and Traffic Safety. (3). A. Designed to provide the student with the knowledge and skills required for the driver education utilizing the multimedia system and the simulation system of instruction.

TRS 395 Marine Transportation Safety (3). A. Prerequisite OSH 261 or OSH 361. This course explores the history of the development of marine safety and health and the functioning regulations. Emphasis is placed on OSHA 29 CFR standards and USCG Title 46 as resources.

TRS 407 Independent Study in Driver and Traffic Safety Education. (1-6). A. Designed to give the student the opportunity to develop specific competencies by designing and conducting research in the broad area of traffic safety, or by independent reading assignments in the area of traffic safety education. Student must have the independent study proposal form approved by faculty supervisor and department chair prior to enrollment. May be retaken to a maximum of six hours.

TRS 413 Current Developments in Driver and Traffic Safety. (3). A. Current problems, issues, trends, and developments in traffic safety are reviewed, analyzed, and evaluated.

TRS 487 Behavioral Approaches to Driver and Traffic Safety. (3). A. Designed to study, analyze, and develop behavioral objectives applied to driving task instruction with study and evaluation of individualized learning approaches for programs in driver education.

TRS 491 Special Topics: _____ (1-3). A. Prerequisite: departmental approval. Intensive study of selected topics in traffic and driver safety. May be retaken under different topics to a maximum of six hours.

TRS 588 Laboratory Instructional Programs in Driver and Traffic Safety. (3). A. Designed to provide the background, knowledge, and competencies to instruct the laboratory phases of the multiple-car driving range and on-street instruction. Provided are experiences related to implementation and administration of such programs.

UNP—University Programs, Study Abroad

UNP 200 Study Abroad:_____ (1-6). A. Prerequisite: Study Abroad coordinator approval required. Participate in an approved educational experience at a foreign university. Student may earn up to 6 credit hours of foreign educational experience at this level provided course topic is not repeated.

UNP 300 Study Abroad:_____ (1-6). A. Prerequisite: Study Abroad coordinator approval required. Participate in an approved educational experience at a foreign university. Student may earn up to 6 credit hours of foreign educational experience at this level provided course topic is not repeated.

UNP 400 Study Abroad:_____ (1-6). A. Prerequisite: Study Abroad coordinator approval required. Participate in an approved educational experience at a foreign university. Student may earn up to 6 credit hours of foreign educational experience at this level provided course topic is not repeated.

UNP 500 Study Abroad:_____ (1-6). A. Participate in an approved educational experience at a foreign university. Student may earn up to 6 hours for this course, provided topic is not repeated.

VTS—Veterans Studies

VTS 200 Intro to Veterans Studies (3). A. Prerequisite or corequisite: ENG 102 or 105(B) or HON 102. Explores military/veteran culture through the study of war literature, history and psychological/social experiences. May include field trips. First course for VTS certificate, concentration, or minor. Gen. Ed. E-6.

VTS 300 Veterans in Society (3). A. Prerequisite: ENG 102 or 105(B) or HON 102; VTS 200 or equivalent proficiency. (Students entering VTS 300 by referral or placement receive three hours credit for VTS 200 if they make an “A” or “B” in VTS 300.) Concentrated study of veterans’ interactions and roles within society using the relational, cultural, and institutional dimensions of Veterans Studies. May include field trips. Required course for VTS certificate.
concentration, or minor. Gen. Ed. Element 6. NOTE: Students earning “A” or “B” in VTS 300 will be awarded credit for VTS 200, earning six hours of credit; thus completing General Education Element 6. Those earning “C” or “D” will earn three hours credit for VTS 300, completing only half of the Element 6 requirement.

VTS 349 Applied Learning for Veterans Studies (5-8) A. Prerequisite: VTS 200 and junior standing. Work or volunteer in an area related to Veterans Studies. One to eight hours credit. A minimum of 80 hours employment required for each semester hour credit. No more than 3 hours may count toward VTS program.

VTS 350 A-N Cooperative Study: Veterans Studies (5-8) A. Prerequisite: VTS 200 and junior standing. Work or volunteer in an area related to Veterans Studies. One to eight hours credit. A minimum of 80 hours employment required for each semester hour credit. No more than 3 hours may count toward VTS program.

VTS 350 Special Topics: A. Prerequisite: VTS 200. Exploration of topics not covered in the existing VTS curriculum. May be taken for a maximum of six hours provided the subject matter is different each time.

VTS 400 Veterans Studies Capstone Seminar (3) A. Prerequisites - VTS 200 and 12 hours of VTS electives. Instructor mentored seminar incorporating previous gained knowledge concomitantly with course research to produce material presentable for publication and/or conference presentation. Class will organize a capstone symposium.

VTS 490 Independent Study (3) A. Prerequisite: VTS 200 and junior standing. Independent research and study in an area related to veterans studies. Regular reports and final research paper required. Students must have the independent study proposal form approved by faculty supervisor and program director prior to enrollment.

WGS—Women and Gender Studies

Dr. Lisa Day, Director

WGS 132 Introduction to the Family. (3) A. Cross-listed as CDF 132. Ecological and systems approach applied to public and private family concepts; historical changes and current status; relationships among individuals, families, consumers, and communities; status of women, men, children and the elderly; public policy related to changes in the family. Credit will not be awarded for both WGS 132 and CDF 132.

WGS 201 Intro to Women & Gender Studies. (3) A. Introduction to interdisciplinary field of women and gender studies and feminist scholarship. Provides overview of the diversity of women’s experiences, images, and issues from a wide variety of disciplinary perspectives. Gen. Ed. E-6.

WGS 232 Identity and Sexuality. (I, II) A. Cross-listed as CDF 232. An exploration of the changing attitudes about and among men/women and their effect on choices and interpersonal relationships. Emphasis will be on promotion and maintenance of positive mental, physical, emotional, and sexual development. Credit will not be awarded to students who have credit for HEA 375 or CDF 232. Gen. Ed. E-6.

WGS 300 Topics in Women and Gender Studies: A. (3) A. Intensive study of selected topics related to recognizing and validating the experience of women and their contributions to society. May be taken for a maximum of six hours provided the topics are different.

WGS 302 Gender, Sexuality, & Homophobia. (3) A. Cross-listed as ENG 302. The diversity of lesbian, gay, bisexual and transgender (LGBT) identity, culture, and community. Analyze LGBT experiences and unmask assumptions based upon heterosexist, heteronormative perspectives and sexist realities. Credit will not be awarded for both WGS 302 and WGS 302 Special Topics: Gender, Sexuality & Homophobia.

WGS 303 Women in American History. (3) A. Cross-listed as HIS 303. Prerequisite: three hours HIS or departmental approval. Social, economic, and cultural role of women in America. Women’s work; social positions, family roles in reform movements; feminism and the suffrage movements; the new feminism. Credit will not be awarded for both WGS 303 and HIS 303.

WGS 304 Gender Perspectives on Contemporary Terrorism. (3) A. An interdisciplinary look at contemporary terrorism and U.S. policy. Analyzing the perception of women in the U.S. and elsewhere around the world, with a specific focus on American, Iraqi, Afghan, Palestinian, and Muslim women. Credit will not be awarded for both WGS 304 and WGS 304 Special Topics: Gender Perspectives on Contemporary Terrorism.

WGS 305 Domestic Violence. (3) A. Cross-listed as CRI 305. Prerequisite: CRI 101 or departmental approval. Examination of the historical and empirical literature on violence against women, children, and elders. Addresses such issues as physical and sexual abuse of children, courtship violence, domestic violence, rape, and elder abuse. Credit will not be awarded for both WGS 305 and CRI 305.

WGS 306 Masculinity & Popular Culture (3) A. Prerequisites: ENG 102 or 105 B) or HON 102. Exploration of images and ideals of men and masculinity as they have evolved in popular culture due to race, class, age, and sexuality. Credit will not be awarded for both WGS 306 and WGS 306 Special Topics: Masculinity & Popular Culture.

WGS 308 Intersexuality & Transsexuality (3) A. Prerequisites: ENG 102 or 105B) or HON 102. Examination of intersexuality and transsexuality as construed by biological and social standards, including the medical community’s response to these identities. Credit will not be awarded for both WGS 308 and WGS 308 Special Topics: Intersexuality & Transsexuality.

WGS 309 Women and Trauma. (3) Prerequisite: ENG 102 or 105 (B) or HON 102. A study of contemporary psychological trauma theories with analysis of historical and contemporary representations of trauma in film, fiction, poetry, and American culture. Credit will not be awarded for both WGS 309 and WGS 309 Women and Trauma.

WGS 310 Historical Costume and the Social Order. (3) A. Cross-listed as ADM 310. History of dress from ancient Egypt through the 20th century. Factors which influence the style of dress are studied and relationships may include pornography, sex, race, and gender. Credit will not be awarded for both WGS 310 and ADM 310.

WGS 331 Marriage and Intimate Relationships. (3) A. Cross-listed as CDF 331. The process within and types of intimate relationships in contemporary times. Topics include singlehood, partner selection, marriage, divorce, remarriage, long-term enduring marriage, and factors which affect the success of intimate relationships. Credit will not be awarded for both WGS 331 and CDF 331.

WGS 345 Diversity and Criminal Justice. (3) A. Cross-listed as CRI 345. Prerequisite: departmental approval. Contemporary race, gender, and other diversity issues and their relevance to criminal offenders, crime victims, and the criminal justice system. Includes such issues as the civil rights movement and legal issues for minorities, gay and lesbian rights, women’s rights, and gender discrimination, domestic violence, reproductive rights and gay rights. Credit will not be awarded for both WGS 445 and POL 445.

WGS 445 Queer Theory and Politics. (3) A. Prerequisite: POL 100 or POL 101. Cross-listed as POL 445. The study of political issues, processes, and theories surrounding sexual minority Americans. Credit will not be awarded for both WGS 445 and POL 445.

WGS 480 Women and Work in the U.S. (3) Prerequisite: ENG 102 or 105 (B) or HON 102. A survey of occupational science and sociological constructs related to women’s work. Includes content on family-work linkages, gendered organizations, and public policies in the workplace. Credit will not be awarded for both OTS 480 and WGS 480.

WGS 495 Independent Study: Women and Gender Studies. (1-5) A. Prerequisite: approval of Director of Women and Gender Studies. Study of a special topic in Women and Gender Studies. Student must have the independent study proposal form approved by the faculty supervisor and department chair prior to enrollment. May be taken to a maximum of ten hours.

WGS 591 Women’s Health. (3) A. Cross-listed as HEA 591/791. Analysis of the major health problems of contemporary women with a special focus on current modes. Credit will not be awarded for both WGS 591 and WGS 591.
emphasis on health promotion, disease prevention, and consumer health concerns. Credit will not be awarded for both WGS 591 and HEA 591/791.

WGS 592 Human Sexuality. (3) A. Cross-listed as HEA 592/792. Study of the biological, social, and psychological aspects of human sexuality. Directed primarily toward those individuals in situations which require them to assist others in understanding the broad impact of one's sexuality. Emphasis is placed upon student development of logical and reasoned justifications for their own value system. Credit will not be awarded for both WGS 592 and HEA 592/792.

WGS 593 Death and Grief. (3) A. Cross-listed as HEA 593/793. A study of attitudes, behaviors, and issues concerning death and grief. Topics include responses to death and grief throughout the life cycle; process of grief and bereavement; theology and death; legal aspects of dying; care of the dying; suicide; post-mortem care; death education. Credit will not be awarded for both WGS 593 and HEA 593/793.

WLD - Wildlife Management

WLD 317 Conservation of Wildlife Resources. (3) I, II. Prerequisites: ENG 102 or 105 (B) or HON 102; and MAT 105 or higher. Introduction to the principles and practices of conservation of plants and animals; requirements and values of wildlife resources; impact of human activities on resources. May not be used to satisfy area, major, or minor requirements. General Education Block VII (NS). Credit will not be awarded for both WLD 317 and BIO 317.

WLD 380 Wildlife Law & Law Enforcement. (3) A. Prerequisite: ENG 102 or 105 (B) or HON 102. Discussion of pertinent state and federal wildlife laws and how law enforcement impacts wildlife management. Credit will not be awarded for both WLD 380 and BIO 380.

WLD 381 Principles of Wildlife Management. (3) I. Prerequisite: ENG 102 or 105(B) or HON 102; and MAT 105 or higher. Basic principles of wildlife management and their application to current management issues. Recommend BIO 316 prior to or concurrent with enrollment. Credit will not be awarded for both WLD 381 and BIO 381.

WLD 382 Wildlife Population Analysis. (4) I. Prerequisites: ENG 102 or ENG 105(B) or HON 102, and Wildlife Management major. Population ecology of vertebrates, with a focus on field methods, analysis of data, and writing techniques applicable to wildlife conservation. Recommend BIO 316 and WLD 381 prior to or concurrent with enrollment. 2 Lec/4 Lab. Credit will not be awarded for both WLD 382W and BIO 382W.

WLD 489 Wildlife Research and Writing. (3) I, II. Prerequisites: WLD 382W, STA 215 or 270, junior or senior status, and Wildlife Management major. Students will design and execute a research project. Emphasis placed on (a) writing a research proposal, and (b) writing a final project report in the format of a manuscript for publication.

WLD 584 Upland Wildlife Management. (4) A. Formerly BIO 584. Prerequisite: WLD 381 or departmental approval. Ecological principles and management strategies to preserve and enhance forest and grassland wildlife and their habitats. Credit will not be awarded for both WLD 584 and BIO 584.

WLD 585 Wildlife Resource Policy and Administration. (3) A. Formerly BIO 585. Prerequisite: WLD 381 or departmental approval. Discussion of state, regional, national, and international policies and agencies which impact management of wildlife resources; with emphasis in North America. BIO 381 recommended prior to enrollment. Credit will not be awarded for both WLD 585 and BIO 585.

WLD 586 Wetland Wildlife Management. (4) II. Formerly BIO 586. Prerequisite: BIO 316 and WLD 381; or departmental approval. Ecology and management of migratory and resident wetland wildlife populations and their habitats, with a focus on waterfowl. 2 Lec/4 Lab. Credit will not be awarded for both WLD 586 and BIO 586.
FACULTY LISTING

ADAMS, ANTHONY W., (1999), Associate Professor, Applied Engineering & Technology; MAS, Embry-Riddle Aeronautical University; BS, Regents College

ADAMS, STEPHANIE, (2011), Lecturer, Anthropology, Sociology & Social Work; MS, University of Kentucky; BA, Auburn University

ADAMS-BLAIR, HEATHER, (2000), Professor, Exercise & Sport Science; EdD, University of Kentucky; MA, Eastern Kentucky University; BA, Transylvania University

ADAMSON, JAMES A., (1999), Associate Professor, Applied Engineering & Technology; MS, University of Southern California; BS, United States Merchant Marine Academy

AFSAH-MOHALLATEE, DAVID, (2002), Professor, Art & Design; MA, Temple University; BA, Kutztown University

ALEXANDER, SWANNE, (2008), Lecturer, English & Theatre; MAT, MA, Eastern Kentucky University; BA, Berea College

ALLISON, JOSEPH, (1999), Professor, Music; PhD, MS, University of South Carolina; BS, East Tennessee State University

ANDERSEN, CATHERINE, (1997), Associate Professor, Health Promotion & Administration, MS, University of Texas Science Center; BA, Bemidji State University

ANDERSON, DALE, (2013), Lecturer, Communication; MA, BS, Eastern Michigan University; MA Wayne State University

ANAVANU, OEGECHI, Associate Professor, History; PhD, Bowling Green State University; MSC, BA, Imo State University

APPLETON, THOMAS, (2000), Professor, History; PhD, MA, University of Kentucky; BA, University of Memphis

ARIAS, SCOTT, (2008), Instructor, Applied Engineering & Technology; MS, BS, AS, Thomas Edison State College; AS, Charles Stewart Mott Community College

ASHBY, DOMINIC, (2014), Assistant Professor, English & Theatre; PhD, Miami University; MA, West Virginia University; BA, West Virginia Wesleyan College

AYETAL, ALLEN, (2003), Professor, Criminal Justice Studies; EdD, MEd, University of Georgia; BA, Oglethorpe University

AUSTAD, JONATHAN, (2009), Associate Professor, Languages, Cultures, & Humanities; PhD, MA, Florida State University

AUSTIN, JERRYL, (1994), Associate Professor, Educational Leadership & Policy Studies; JD, North Carolina Central University; EdD, MAEd, University of Virginia; BA, Berea College

AUSTIN, MICHAEL, (2004), Professor, Philosophy & Religion; PhD, University of Colorado at Boulder; MA, Biola University; BA, Kansas State University

AWANG, FARIDAH, (2002), Professor, Management, Marketing & International Business; PhD, MS, BS, Southern Illinois University

BAGGETT, RYAN, (2011), Associate Professor, Safety & Security; EdD, MS, Eastern Kentucky University; BS, Murray State University

BAILEY, ANDREA, (2006), Senior Lecturer, Mathematics & Statistics; MS, BS, Eastern Kentucky University

BALL, SHARON, (2013), Lecturer, Clinical Educator Preparation; MAEd, Union College; BS, Murray State University

BALLARD, MICHAEL, (2002), Professor, Health Promotion & Administration; EdD, University of Tennessee; MAEd, BS, Eastern Kentucky University

BALMAN, ROBERT, (2012), Lecturer, Mathematics & Statistics; MA, BS, University of Florida

BALTISBERGER, JULIE, (2005), Assistant Professor, Occupational Science & Occupational Therapy; MS, Eastern Kentucky University; BA, University of California, Berkeley

BARNETT, DARREL, (2001), Professor, Environmental Health Science; DNP, MPH, Oklahoma University Health Sciences Center; BS, East Tennessee State University

BARRACCA, STEVEN, (2005), Associate Professor, Government; PhD, University of Texas at Austin; MA University of Miami; BS, State University of New York

BARTHEL, LAURA, (2012), Lecturer, Management, Marketing & International Business; MS, University of Kentucky; BS, Eastern Kentucky University

BEAUTY, LEAN, (2008), Associate Professor, Government; PhD, Northern Illinois University; MPA, Missouri State University; BA, Alaska Pacific University

BECK, JOE E., (1995), Professor, Environmental Health Science; MPA, University of Illinois; BS, Murray State University; AS, Paducah Junior College

BEDETTI, GABRIELLA, (1981), Associate Professor, English & Theatre; PhD, MA, University of Iowa; BA, Bates College

BEEHNER, REGGIE, (2005), Lecturer, Communication; MS, Northwestern University; BA, Villanova University

BEIRNE, HEATHER, (2012), Assistant University Librarian, Libraries; MS, University of Kentucky; BA, Transylvania University

BELL, BRITTANY, (2014), Lecturer, 1st Year Courses; MA, BS, Eastern Kentucky University

BENNETT, DANIEL, (2014), Assistant Professor, Government; PhD, Southern Illinois University; BA, George Fox University

BENSON, MICHAEL T., (2013), Professor, Government; DPhil, University of Oxford; MNA, University of Notre Dame; BA, Brigham Young University

BENTLEY, BROOKE, (2001), Associate Professor, Baccalaureate & Graduate Nursing; PhD, University of Kentucky; MSN, BSN, Eastern Kentucky University

BHANANDI, MICHAYL, (2004), Associate Professor, Health Promotion & Administration; PhD, University of Kentucky; MPH, BS, Western Kentucky University

BIGGIN, ROBERT, (2001), Associate Professor, Educational Leadership & Policy Studies; PhD, University of Pittsburgh; MS, Kansas State College of Pittsburg; BS, Edinboro State College

BISHOP-ROSS, RACHEL, (2013), Assistant Professor, Mathematics & Statistics; PhD, MA, BS, University of Alabama

BLACK, PAMELA, (2000), Associate Professor, Anthropology, Sociology & Social Work; MSW, University of Kentucky; BS, Eastern Kentucky University

BLAIR, EARL, (2014), Assistant Professor, Safety & Security; EdD, University of Kentucky; MS, Washington University; BA, Asbury College

BLAKELY, APRIL, (2010), Assistant Professor, Clinical Educator Preparation; EdD, MA, BS, East Tennessee State University

BLANK, KENNETH, (2011), Lecturer, Biological Sciences; PhD, MS, University of Kentucky; BS, Eastern Kentucky University

BLAYLOCK, DAVID, (1993), Associate Professor, History; PhD, Ohio State University; MA, Washington University in St. Louis; BA, University of North Carolina at Greensboro

Blevins, Kristie, (2011), Associate Professor, Justice Studies; PhD, University of Cincinnati; MA, BS, East Tennessee State University

Bliss, James, (2010), Associate Professor, Educational Leadership & Policy Studies; PhD, BA, Cornell University; MS, Syracuse University

Blose, Anthony, (2013), Professor, Physics & Astronomy; PhD, MS, University of North Carolina at Chapel Hill; BS, Manhattan College

Boord-Dill, T. Jeffrey, (1985), Assistant Professor, English & Theatre; MFA, University of Alabama; BA, Ohio State University

Borowski, Walter, (2001), Professor, Geography & Geology; PhD, University of North Carolina at Chapel Hill; MS, University of Tennessee; BA, Case Western Reserve University

Bosley, Lisa, (2004), Associate Professor, English & Theatre; EdD, University of Kentucky; MA, University of Chicago; BA, Centre College

Bouts, Theresa, (1989), Assistant Professor, Psychology; PhD, University of Kentucky; MS, BS, Eastern Kentucky University

Boutin, Philip, (2013), Instructor, Management, Marketing & International Business; MBA, Southern New Hampshire University; BA, University of New Hampshire

Bowes, John, (2006), Associate Professor, History; PhD, MA, University of California, Los Angeles; BA, Yale University

Bozeman, Linda, (2001), ASL Specialist, American Sign Language & Interpreter Education; BS, Eastern Kentucky University

Braccia, Amy, (2010), Assistant Professor, Biological Sciences; PhD, BS, Virginia Tech; MS, University of Georgia

Bradley, Michael, (2012), Assistant Professor, Recreation & Park Administration; PhD, BS, Oklahoma State University; MS, Western
Illinois University
BRASHEAR, VICKI, (2000), Associate Professor, American Sign Language & Interpreter Education; MA, Indiana University; BS, Eastern Kentucky University
BRISMAN, AVIAD, (2012), Assistant Professor, Justice Studies; PhD, Emory University; JD, University of Connecticut School of Law; MFA, Pratt Institute; BA, Oberlin College
BROCATO, JENNIFER, (2011), Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, BSN, ADN, Eastern Kentucky University
BROCK, AUDREY, (2012), Lecturer, Mathematics & Statistics; MS, BS, University of Kentucky
BROCK, MARTIN, (1990), Associate Professor, Chemistry; PhD, University of Illinois at Urbana-Champaign; BA, University of California, San Diego
BROWN, DAVID, (2008), Associate Professor, Biological Sciences; PhD, Tulane University; MS, Southeastern Louisiana University; BA, University of Colorado
BROWN, DONALD GARY, (2001), Associate Professor, Environmental Health Science; DrPH, University of Alabama at Birmingham; MS, Hunter College; BA, State University of New York at Buffalo
BROWN, JULIE, (1991), Assistant Professor, Associate Degree Nursing; MSN, Bellarmine College; BSN, Eastern Kentucky University
BRUBAKER, ROBERT, (1984), Professor and Foundation Professor, Psychology; PhD, University of South Florida; MA, Indiana State University; BA, Oklahoma City University
BRUMFIELD, APRIL, (2006), Assistant Professor, Music; MA, University of Cincinnati; BA, Eastern Kentucky University
BRYANT, JESSICA, (1997), Professor, English & Theatre; EdD, MA, University of Kentucky; BA, Kentucky State University
BRYDEN, PHYLIS, (2007), Associate Professor, Health Promotion & Administration; DrPH, MSPH, BS, AAS, University of Kentucky
BUCKNAM, JULIE, (1995), Professor, Clinical Educator Preparation; EdD, University of Kentucky; MA, BA, Eastern Kentucky University
BUNDY, MARY, (1996), Professor, Psychology; PhD, University of South Carolina; BA, Transylvania University
BURKE-BREWER, KINDAL, (2006), Assistant Professor, Model Laboratory School; MA, Union College; BA, University of the Cumberlands
BUSK, DANA, (2001), Associate Professor, Family & Consumer Sciences; PhD, MS, University of Kentucky; BS, Eastern Kentucky University
BUSKIRK, ROBERT D., (1992), Assistant Professor, Mathematics & Statistics; PhD, MA, University of Kentucky; BA, West Virginia University
BUTLER, THOMAS, (2006), Associate Professor, English & Theatre; PhD, MA, University of Notre Dame; MA, University College Dublin; MA, Katholieke Universiteit Leuven; BA, Loyola College Maryland
BYRD, RICHARD, (2007), Professor, Music; PhD, MM, University of Kentucky; BM, DePauw University
BYRD, SUSANNE, (1991), Associate Professor, Biological Sciences; PhD, BS, University of South Alabama; BS, Austin Peay State University
CAIN, KAREN SUE, (1985), Professor, Mathematics & Statistics; EdD, Grambling State University; MAEd, Eastern Kentucky University; BS, Berea College
CALDERON, LINDSAY, (2013), Assistant Professor, Biological Sciences; PhD, BS, University of Kentucky
CALIE, PATRICK J., (1992), Professor, Biological Sciences; PhD, MS, University of Tennessee; BA, Rutgers University
CALLAHAN, CONNIE, (1997), Professor, Counseling & Educational Psychology; PhD, University of New Mexico; EdS, MS, Pittsburg State University; BA, Missouri Southern State College
CAMPBELL PHILIP, (1985), Associate Professor, Medical Laboratory Science; MS, University of Kentucky; BS, West Virginia University
CAMPBELL, GLENN, (2006), Senior Lecturer, Geography & Geology; MPA, Eastern Kentucky; MA, Marshall University; BA, University of Kentucky
CARMAN, KELLI, (1993), Professor, Anthropology, Sociology & Social Work; PhD, University of Pittsburgh; BA, University of Victoria, British Columbia
CARNES, LANA, (1998), Professor, Management, Marketing & International Business; EdD University of Kentucky; MS, BS Eastern Kentucky University
CARPENTER, RUSTY, (2009), Assistant Professor, English & Theatre; PhD, MA, BA, University of Central Florida
CARUCCI, CHRISTINE PRZYBYCIEN, (2011), Assistant Professor, Music; PhD, University of Kentucky; MM, University of Southern California; BM, Eastman School of Music
CASSIDY, KARMA, (2011), Associate Professor, Baccalaureate & Graduate Nursing; PhD, MSN, University of Kentucky; BSN, Texas Woman's University
CAUSEY, KRISTEN, (2013), Assistant Professor, Occupational Science & Occupational Therapy; OTD, Chatham University; MS, BS, Eastern Kentucky University
CAVINESS, TYLER, (2009), Lecturer, Management, Marketing & International Business; MBA, Eastern Kentucky University; BS, Methodist University
CHANDRA, VIGYAN, (2002), Professor, Applied Engineering & Technology; PhD, MS, MS, University of Kentucky; MS, Eastern Kentucky University; BS, Birla Institute of Technology
CHANG, KUANG-NAN, (2002), Professor, Computer Science; PhD, MS, MS, University of Texas, Arlington; BS, Fung-Chia University
CHAPMAN, ASHLEY, (2013), Instructor, Model Laboratory School; MA, Marshall University; MA, BA, West Virginia University
CHEN, RICHARD, (1989), Professor, Accounting, Finance & Information Systems; PhD, MPA, University of Texas at Austin; BBA, National Taiwan University
CHRISTENSEN, BURKE A., (2006), Visiting Professor, Accounting, Finance & Information Systems; JD, University of Utah; BS, Utah State University
CHRISTENSEN, JENNIFER, (2012), Assistant Professor, Clinical Educator Preparation; PhD, MAEd, University of North Texas; BA, Anglo State University
CHRISTOPHER, KARINA, (2012), Assistant Professor, Family & Consumer Sciences; MS, Eastern Kentucky University; BS, Northwest Missouri State University
CIOCCA, MARCO, (1999), Professor, Physics & Astronomy; PhD, Washington University; MS, BS, University of Naples
CIZMAR, ANNE, (2011), Assistant Professor, Government; PhD, University of Maryland; MA, BA, University of Akron
CLANCY, KAREN, (2014), Assistant Professor, Health Promotion Administration; MBA, Morehead University; BS, University of Kentucky; AD, Somerset Community College
CLARK, ANELA, (2013), Clinical Faculty, Baccalaureate & Graduate Nursing; MSN, BSN, University of Kentucky
CLEMEN, CATHERINE, (1989), Professor, Psychology; PhD, MA, Clark University; AB, University of California, Berkeley
CLEMENTS, MARY, Professor, Baccalaureate & Graduate Nursing; EdD, MSN, Spalding University; BSN, University of Kentucky; ASN, Eastern Kentucky University
CLEMMER, DAVID, (2013), Assistant Professor, Music; DMA, University of Missouri, Kansas City; MM, University of Oklahoma; BM, University of Texas, Arlington
CLEVELAND, ROGER C., (2011), Associate Professor, Educational Leadership & Policy Studies; EdD, University of Cincinnati; MA, Union College; BA, Morehead State University
CLIFT, SHAWN, (2010), Lecturer, Mathematics & Statistics; PhD, University of Kentucky; MS, BS, Eastern Kentucky University
CLOSE, PAMELA JANE, (2009), Senior Lecturer, English & Theatre; MA, BBA, AA, Eastern Kentucky University
COEN, PATRICK, (2006), Senior Lecturer, Mathematics & Statistics; MS, BA, West Virginia University
COGDALE, CHAD, (2007), Associate Professor, Communication; MFA, Savannah College of Art & Design; BS, Missouri Western State University
COLE, ANTHONY, (2013), Assistant Professor, Fire Protection & Paramedicine Sciences; MS, Worcester Polytechnic Institute; BS, Eastern Kentucky University
COLEMAN, DAVID, (1998), Professor, History; PhD, AM, University of Illinois at Urbana-Champaign; BA, Emory University
COLLIER, AMANDA, (2012), Instructor, Model Laboratory School; MA, University of Kentucky; BS, Eastern Kentucky University
COLLIER, MICHAEL, (2008), Associate Professor, Safety & Security; PhD, Florida International University; MS, Defense Intelligence College; BS, United States Coast Guard Academy
COLLINS, VICTORIA, (2013), Assistant Professor, Justice Studies; PhD, MA, BS, Old Dominion University; LLB, Open University
FACULTY LISTING

2014-2015 EKU UNDERGRADUATE CATALOG

COMBS, DOROTHY Z., (1997), **Professor, Clinical Educator Preparation**: PhD, University of Kentucky; MA, BA, University of South Carolina

CONNELL, ALISON, (2007), **Associate Professor, Baccalaureate & Graduate Nursing**: PhD, MSN, University of Kentucky; BSN, ASN, University of Nebraska

CORLEY, DONNA, (2009), **Professor, Baccalaureate & Graduate Nursing**: PhD, MSN, University of Kentucky; MED, Boston University; BSN, Medical University of South Carolina

CORMIER, JOEL, (2012), **Assistant Professor, Exercise & Sport Science**: PhD, University of New Mexico; MA, Central Michigan University; BPE, University of New Brunswick

CORN, LISA, (1993), **Assistant Professor, Model Laboratory School**: MA, BS Eastern Kentucky University

CORNELISON, JILL, (2013), **Associate Professor, Baccalaureate & Graduate Nursing**: DNP, Eastern Kentucky University; MSN, ASN, University of Kentucky

CORNETTE, MARK, (1998), **Assistant Professor, Model Laboratory School**: MA, BS, Eastern Kentucky University

CORTESES-CASTANEDA, MANUEL, (1992), **Assistant Professor, Languages, Cultures, & Humanities**: MA, Universidad Complutense de Madrid; BA, Universidad Nacional Pedagógica

COSTELLO, PATRICIA, (1982), **Professor, Mathematics & Statistics**: PhD, MS, Ohio State University; BA, Thomas More College

COSTELLO, PATRICK J., (1982), **Professor and Foundation Professor, Mathematics & Statistics**: PhD, MS, Ohio State University; BS, Harvey Mudd College

COUVILLON, THOMAS, (2006), **Associate Professor, Music**: PhD, MM, Louisiana State University; BM, Loyola University

COX, ELAND, (2014), **Visiting Assistant Professor, Government**: PhD, Portland State University; MPA, California State University; BA, Louisiana State University

CRANFILL, TAMARA, (2012), **Associate Professor, Clinical Educator Preparation**: PhD, BA, University of Kentucky; MA, Eastern Kentucky University

CREECH, KIMBERLY, (2006), **Assistant Professor, English & Theatre**: MAEd, BS, Eastern Kentucky University; BA, Northern Kentucky University

CROPPER, MATTHEW, (2000), **Professor, Mathematics & Statistics**: PhD, MS, West Virginia University; BS, Northern Kentucky University

CROSBY, RICHARD, (1986), **Professor, Music**: DMA, MM, BM, University of Cincinnati

CROUCH, LAWRENCE, (2014), **Assistant Professor, Counseling & Educational Psychology**: PhD, Southern Illinois University; MA, Ball State University; BA, North Central College

CROWLEY, GORDON, (2007), **Lecturer, Management, Marketing & International Business**: PhD, MA, California Polytechnic State University; BBA, Eastern Kentucky University

CUNNINGHAM, DAVID, (1988), **Assistant Professor, Chemistry**: PhD, MS, University of Cincinnati; BS, Iowa State University

CUNNINGHAM, DAVID, (1988), **Associate Professor, Chemistry**: PhD, MS, University of Cincinnati; BS, Iowa State University

CURRA, JOHN, (1975), **Professor and Foundation Professor, Justice Studies**: PhD, Purdue University; MS, BA, San Diego State College

CUSTER, MELBA, (2007), **Assistant Professor, Occupational Science & Occupational Therapy**: PhD, BS, University of Kentucky; MS, Eastern Kentucky University

DAILEY, DAVID W., (1989), **Professor, Applied Engineering & Technology**: EdD, University of Kentucky; EdS, MS, BS, Clemson University; AA, Miami Dade Junior College

DAY, LISA, (2001), **Associate Professor, English & Theatre**: PhD, Southern Illinois University at Carbondale; MA, BA, Western Kentucky University

DAY, RICHARD, (2007), **Associate Professor, Clinical Educator Preparation**: EdD, BA, University of Kentucky; MAEd, Xavier University

DELETTER, MARY, (2011), **Associate Professor, Baccalaureate & Graduate Nursing**: PhD, University of Kentucky; MSN, University of North Carolina; BSN, ASN, University of Louisville

DENT, DELINDA, (2002), **Associate Professor, Clinical Educator Preparation**: EdD, University of Kentucky; MAEd, Morehead State University; BS, North Texas University

DETERS, NOLA FAYE, (2001), **Professor, Clinical Educator Preparation**: EdD, University of Kentucky; MAEd, Texas Woman’s University; BS, North Texas University

DEWHURST, CHRISTINA, (2007), **Senior Lecturer, Justice Studies**: JD, Antioch School of Law; BS, State University College at Buffalo

DICKEY, STEVEN W., (1983), **Associate Professor, Economics**: PhD, MS, Southern Illinois University; MA, University of Science and Arts of Oklahoma

DICKSON, FRAN, (2014), **Professor, Communication**: PhD, Bowling Green State University; MA, West Virginia University; BA, State University College of New York at Buffalo

DICKMAN, MELISSA, (1995), **Professor, Geography & Geology**: PhD, University of Notre Dame; BA, DePauw University

DISCOPOLI, DENISE M., (2000), **Assistant Professor, Model Laboratory School**: MS, BA South Florida University

DODD, LUKE, (2014), **Assistant Professor, Biological Sciences**: PhD, MS, University of Kentucky; BA, Arkansas Tech University

DOMENGLIN, JASON, (2014), **Assistant Professor, Agriculture**: PhD, Kansas State University; BS, California Polytechnic State University; AS, Modesto Junior College

DOSSET, RONALD G., (2008), **Associate Professor, Safety & Security**: EdD, MS, Eastern Kentucky University; BA, Marshall University

DUPONT, CAROLYN, (2004), **Assistant Professor, History**: PhD, MA, BA, University of Kentucky

DUST, SCOTT, (2013), **Assistant Professor, Management, Marketing & International Business**: PhD, Drexel University; MBA, BS, Indiana University

DYER, BRYAN D., (2009), **Assistant Professor, Applied Engineering & Technology**: PhD, MS, BS, University of Kentucky

EASTERLY, JAMES, (2014), **Lecturer, Management, Marketing & International Business**: MPS, The Pennsylvania State University; MBA, BBA, Eastern Kentucky University

EDWARDS, CATHERINE, (2010), **Senior Clinical Faculty, Baccalaureate & Graduate Nursing**: MSN, BSN, Eastern Kentucky University

EDWARDS, LAURAJ., (2008), **Associate University Librarian, Libraries**: MLS, BA, Ashbury College

EDWARDS, SHARON, (2011), **Associate Professor, Baccalaureate & Graduate Nursing**: DNP, Eastern Kentucky University; MSN, University of Kentucky; BSN, Berea College

EL AMOURI, ISMAIL, (2011), **Associate Professor, Medical Laboratory Science**: ScD/DSc, BS, University of Kentucky

ELIASSEN, ERIN, (2003), **Associate Professor, Family & Consumer Sciences**: EdD, MS, Eastern Kentucky University

ELLIS, KELLY, (2011), **Assistant Professor, Clinical Educator Preparation**: PhD, University of Kentucky; MA, University of Cincinnati; BS, Eastern Kentucky University

ELLIOTT, CHARLES, (1985), **Professor and Foundation Professor, Biological Sciences**: PhD, University of Alaska Fairbanks; MS, Brigham Young University; BS, University of Idaho; BS, Frostburg State College

ELLIS, KELLY, (2011), **Assistant Professor, Clinical Educator Preparation**: PhD, University of Kentucky; MA, University of Cincinnati; BS, Eastern Kentucky University

ELNAHAS, AHMED, (2014), **Instructor, Accounting, Finance & Information Systems**: PhD, University of Memphis; MS, University of Plymouth; BSc, University of Mansoura

ELROD, PRESTON, (1997), **Professor, Justice Studies**: PhD, MA, Western Michigan University; BA, Presbyterian College

EMBURY, DUSTY, (2010), **Associate Professor, Clinical Educator Preparation**: EdD, University of Cincinnati; MA, Lexington Theological Seminary; BA, Eastern Kentucky University

EMERY, LINNDA, (1993), **Professor, Occupational Science & Occupational Therapy**: EdD, University of Arkansas; MA, University of
Missouri; BA, Marshall University

ENDONINO, JON, (2011), Assistant Professor, Anthropology, Sociology & Social Work; PhD, MA, University of Florida; BA, University of South Florida; AA, Central Florida Community College

ENDSLEY, ABBY, (2014), Lecturer, Communication; MA, BA, University of Kentucky

ENGBRETON, KEN, (2012), Associate Professor, Counseling & Educational Psychology; PhD, Auburn University; MS, University of Dayton; BS, Wright State University

ENGLE, ALLEN D., SR., (1989), Professor and Foundation Professor, Management, Marketing & International Business; DBA, University of Kentucky; MBA, BBA, Eastern Kentucky University

ENGLING, EZRA, (2006), Professor, Languages, Cultures, & Humanities; PhD, MA, BA, University of West Indies

ENGSTROM, GREG, (2001), Assistant University Librarian, Libraries; PhD, Kent State University; Long Beach; BA, California State University, Fullerton

ERICKSON, THOMAS, (2014), Professor, Applied Engineering & Technology; EdD, MEd, University of Illinois, Urbana-Champaign; BS, Northern Illinois University

ERICKSON, PAUL, (2001), Associate Professor, Educational Leadership & Policy Studies; PhD (Joint), San Diego State University & Claremont Graduate University; MA, United States Naval War College; MA, Salve Regina University; MA, San Diego State University; BS, Colorado State University

ESER, ZEKERIYA, (2006), Assistant Professor, Accounting, Finance & Information Systems; PhD, University of Kentucky; MA, Boston College; BA, Bosphorus University

EVANS, SHARON, (1999), Assistant Professor, Baccalaureate & Graduate Nursing; MSN, BSN, Radford University

EVERETT, KARI, (2013), Assistant Professor, Mathematics & Statistics; PhD, BS, University of Southern Mississippi; MEd, William Carey University

EZIN, MAXELLENDE, (2013), Lecturer, Biological Sciences; PhD, University of Virginia; BS, Spelman College

FAIR, GINNI, (2001), Associate Professor, Clinical Educator Preparation; EdD, University of Kentucky; MA, Eastern Kentucky University

FAIR, KATHERINE, (2012), Lecturer, Mathematics & Statistics; MS, BS, Michigan State University

FAIRCILD, JENNIFER, (2007), Associate Professor, Communication; PhD, MA, University of Kentucky; BA, Georgetown College

FARRAR, STEWART, (1985), Professor, Geography & Geology; PhD, State University of New York at Binghamton; BS, Syracuse University

FEHRINGER, ELAINE, (1992), Assistant Professor, Occupational Science & Occupational Therapy; MA, University of Northern Colorado; BS, Colorado State University

FELTUS, OLIVER, (1991), Associate Professor, Accounting, Finance & Information Systems; PhD, University of Alabama; MS, BBA, Memphis State University

FENTON, EDMUND D., JR., (2000), Professor, Accounting, Finance & Information Systems; DBA, University of Kentucky; MBA, BS, Murray State University

FERRELL, GREGORY, (2002), Lecturer, Justice Studies; PhD, Indiana University of Pennsylvania; MS, Eastern Kentucky University; BA, Marshall University

FIELD, DENNIS, (2004), Professor, Applied Engineering & Technology; PhD, MS, BS, Iowa State University; MBA, Southern Methodist University

FIELDS, CHARLES B., (1997), Professor, Justice Studies; PhD, Sam Houston State University; MA, BA, Appalachian State University

FINLEY, BETH POLIN, (2013), Assistant Professor, Management, Marketing & International Business; PhD, Ohio State University; BA, DePauw University

FISTER, SUSAN, (1988), Professor, Baccalaureate & Graduate Nursing; PhD, MSN, BSN, University of Kentucky; ASN, Midway College

FITCH, JOHN, (2005), Associate Professor, Communication; MFA, Savannah College of Art & Design; BA, Asbury College

FLORELL, DAN, (2000), Assistant Professor, Psychology; PhD, Illinois State University; BS, Carroll College

FONTESELLA, FRANK, (2013), Lecturer, Biological Sciences; PhD, City University of New York; MS, BS, The University of Alabama

FORD, TIMOTHY, (2011), Assistant Professor, Clinical Educator Preparation; PhD, Vanderbilt University; MPH, University of Alabama at Birmingham; BS, Oakwood University

FORE, MICHAEL, (2013), Lecturer, Management, Marketing & International Business; JD, Wake Forest University School of Law; BA, Tulane University

FOSTER, CHAD, (2014), Assistant Professor, Safety & Security; PhD, MPA, University of Louisville; BS, United States Military Academy

FRAZER, CYNTHIA, (2008), Associate Professor, Associate Degree Nursing; MS, University of North Dakota; BSN, University of Northern Colorado

FREDERICK, HELYNE, Assistant Professor, Family & Consumer Sciences; PhD, MS, Texas Tech University; BA, Midwestern State University

FREDERICK, ROBERT, (1982), Professor, Biological Sciences; PhD, MS, Iowa State University; BS, Virginia Tech

FREDERICKS, JAMIE, (2014), Assistant Professor, Chemistry; PhD, Cranfield University; MSc, The University of Central Lancashire; BSc, The University of Bath

FREDICKSON, ED L., (2011), Associate Professor, Agriculture; PhD, New Mexico State University; MS, Montana State University; BS, Oregon State University

FRED, BENJAMIN, (2008), Assistant Professor, Anthropology, Sociology & Social Work; PhD, MA, Washington University; BS, Duke University

FRISBIE, MALCOLM, (1987), Professor, Biological Sciences; PhD, Pennsylvania State University; BA, Williams College

FROZENA, MARGARET, (2014), Lecturer, English & Theatre; MFA, School of the Art Institute of Chicago; BA, University of Wisconsin

FUCHS, ERIC, (2005), Associate Professor, Exercise & Sport Science; DA, Middle Tennessee State University; MA, San Jose State University; BS, Ohio University

GAFFNEY, JONATHAN, (2012), Assistant Professor, Physics & Astronomy; PhD, North Carolina State University; MS, University of Pittsburgh; BS, Bethany College

GAFFNEY, REBECCA, (2003), Assistant Professor, Associate Degree Nursing; MSN, BSN, University of Kentucky

GAMBLE, BETH, (2014), Visiting Assistant Professor, Associate Degree Nursing; MSN, BSN, Regis University

GANNED, LISA, (2008), Assistant Professor, Family & Consumer Sciences; EdD, MA, Eastern Kentucky University; BS, University of Kentucky

GAO, PEI, (2012), Assistant Professor, Chemistry; PhD, University of Kentucky; MS, Wuhan University; BS, Zhengzhou University

GAO, SIWEI, (2013), Instructor, Accounting, Finance & Information Systems; PhD, Temple University; BA, Shanghai University of Finance & Economics

GARDNER, BETINA, (2000), Associate Librarian, Libraries; MLIS, University of Kentucky; BA, Berea College

GARRETT, ANDREW, (2010), Clinical Faculty, Chemistry; PhD, University of North Carolina; BS, Western Washington University

GEORGE, JULIE, (2000), Associate Librarian, Libraries; MLIS, University of South Carolina; BA, Berea College

GERKEN, MICHELLE, (1996), Associate Professor, Recreation & Park Administration; PhD, University of Louisville; MS, BA, University of Kentucky

GERSHTENSON, JOSEPH, (2003), Professor, Government; PhD, University of Texas, Austin; MA, University of California, San Diego; BA, Georgetown University

GHENT, ALANA, (2013), Associate Professor, English & Theatre; MFA, University of Mississippi; BFA, Concordia University

GIBBS, DONALD, (2011), Assistant Professor, Applied Engineering & Technology; MBA, Embry-Riddle Aeronautical University; BS, Portland State University

GIBSON, DONALD, (2006), Assistant Professor, Mathematics & Statistics; PhD, University of Illinois at Urbana-Champaign; BA, University of Michigan

GILBERT, KAREN, (2005), Assistant University Librarian, Libraries; MLIS, Texas Woman’s University; BA, Wellesley College

GILES, TERE, (2013), Instructor, Model Laboratory School; MA, BS, Morehead State University

358 2014-2015 EKU UNDERGRADUATE CATALOG
GIVENS, DEBORAH, (2006), Assistant Professor, Communication; PhD, University of Kentucky; MPA, Western Kentucky University; BS, Ball State University

GLEASON, JIM, (2005), Associate Professor, Communication; PhD, University of Kentucky; MS, BA, State University of New York at New Paltz

GODBEY, SUSAN, (1989), Associate Professor, Chemistry; PhD, University of South Carolina; BS, Longwood College

GOOCH, TODD, (2003), Professor, Philosophy & Religion; PhD, MA, Claremont Graduate University; BA, University of California, Santa Barbara

GOODMAN, HERB, (2004), Professor, Art & Design; MFA, University of Cincinnati; BFA, Ohio University

GORBETT, GREGORY, (2008), Associate Professor, Fire Protection & Para-Medicine Sciences; MS, Worcester Polytechnic Institute; MS, Grand Canyon University; BS, Tri-State University

GORE, JONATHAN, (2005), Associate Professor, Psychology; PhD, MS, Iowa State University; BA, University of Michigan

GOSNELL, LINDA, (2013), Lecturer, Government; JD, University of Kentucky; Honors AB, Saint Louis University

GOSSAGE, ANNE, (2001), Associate Professor, English & Theatre; PhD, MA, Pennsylvania State University; BA, University of Delaware

GRANT, PAUL, (2008), Associate Professor, Fire Protection & Para-Medicine Sciences; MA, MA, BS, University of Phoenix

GRAY-DESON, KISHONNA, (2012), Assistant Professor, Justice Studies; PhD, Arizona State University; MS, Eastern Kentucky University

GRAYSON, DONNIE, (2008), Lecturer, English & Theatre; MA, BA, Morehead State University

GREEN, JENNIFER, (2003), Assistant Professor, Model Laboratory School; MA, University of Texas at Austin; BCLAD, University of California San Diego; BA, Georgetown University

GREMP, MICHELLE, (2014), Assistant Professor, Clinical Educator Preparation; PhD, Washington University; MS, Washington University School of Medicine; BA, Fontbonne University

GRIGESE, BETSY T., (2004), Assistant Professor, Model Laboratory School; MA, BA, BS, Eastern Kentucky University

GROGAN, JAMES, (2014), Lecturer, Mathematics & Statistics; MS, BS, University of Kentucky

HAAR, ROBIN, (2006), Professor, Justice Studies; PhD, MS, Michigan State University; BS, State University of New York at Brockport

HAACKNEY, CHRYSAL, (2014), Clinical Faculty, Associate Degree Nursing; MHA, MSN, University of Phoenix; BSN, Eastern Kentucky University

HADDIX, KENNETH, (2002), Associate Professor, Music; DMA, MM, University of Kentucky; BME, University of Louisville; BM, Indiana University

Accreditations and Memberships

ACCREDITATIONS

Eastern Kentucky University is accredited by the Commission of Colleges of the Southern Association of Colleges and Schools to award associate, baccalaureate, masters and Doctor of Education degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Eastern Kentucky University. The Commission on Colleges should be contacted only if there is evidence that appears to support an institution’s significant non-compliance with a requirement or standard.
