

# BANKING AND FINANCIAL SERVICES, MINOR

---

Designed to provide students with an understanding of monetary policy and its impact on our economy, global financial markets, and the structure and operation of financial institutions. This coursework will prepare students to understand current events related to financial markets and institutions, how to optimally utilize the corporate and consumer products and services provided by financial institutions and management of financial institutions. Students must earn at least 12 of the 24 hours required for the minor in residence at ECU and must earn a "C" or better in all courses for the minor.
