

CORRECTIONAL INTERVENTION STRATEGIES, CERTIFICATE

This certificate includes 9 hours of required courses and 9 hours of electives and is available via online and on ground delivery modalities. The certificate explores adult corrections in the United States. Students will examine the foundations of modern community and institutional-based corrections, as well as contemporary issues faced by employees and persons under correctional supervision. Students will study important topics such as evidence-based practices in correctional rehabilitation and best practice models for offender reentry.
