

JUVENILE JUSTICE, UNIVERSITY CERTIFICATE

This certificate includes 9 hours of required courses and 9 hours of electives and is available via online and on ground delivery modalities. The certificate allows students to explore critical issues associated with juvenile justice and related youth services in the United States. Students will explore the history of the juvenile justice system, the intricacies of the modern system, and issues faced by juveniles and employees in the system. Courses in the curriculum cover important topics such as the role and rules of juvenile courts, risk factors for delinquency, and evidence-based delinquency prevention and rehabilitation programs.
