

# BROADCASTING AND ELECTRONIC MEDIA, BACHELOR OF ARTS WITH A CONCENTRATION IN FILM TECHNIQUES & TECHNOLOGY (B.A.)

## Program Objectives

Graduates of the Broadcasting and Electronic Media program pursue careers in the media industry, as well as in cable companies, industrial and corporate video facilities, advertising agencies, and production houses. Students in the **BEM Concentration** must demonstrate excellence in their ability to produce, direct, write, perform, manage, and create commercials, public service announcements, sports programs, promotional videos, music videos, and entertainment programs for television, the Internet or other platforms. Students in the **Film Techniques and Technology Concentration** must demonstrate excellence in writing, visualizing, shooting, editing, and cinematic storytelling. Students in the **Multimedia Journalism Concentration** must demonstrate excellence in gathering information, writing, news production, and visual storytelling. Students will use cross-platform skills within journalistic standards and present news and commentary to a diverse audience. Our objectives are to train students for a variety of fields including traditional and emerging media, businesses and corporations, government public information, advocacy groups, and non-profit organizations. They will develop an understanding of the meaning of First Amendment freedom in the United States, and the social, political, and ethical responsibilities they will have as professionals.
