Who We Are

The Colonel's Cupboard strives to help students succeed by providing them with their basic needs of food, clothing, and toiletry items. All enrolled students at the university are eligible to use the Cupboard.

What We Do

- Provide food, clothing, and toiletry items to any currently enrolled student who has a need.
- Connect students with other resources, on and off campus, to help with other needs.
- Provide educational materials about food insecurity, healthy eating, etc.
- Host volunteers, both groups and individuals, who want to give back on campus.
- Donate overstocked goods to other local food pantries in need.
